[70] οὐ μὴν ἐπέμεινεν οὐδ' ἐς βραχὺ τὰ συγ κείμενα· ὁ γὰρ ἀδελφὸς Σερουλιανοῦ τοῦ ταῦτα συνθεμένου, Καιπίων, διάδοχος αὐτῷ τῆς στρατηγίας γενόμενος διέβαλλε τὰς συνθήκας, καὶ ἐπέστελλε Ῥωμαίοις ἀπρεπεστάτας εἶναι. καὶ ἡ βουλὴ τὸ μὲν πρῶτον αὐτῷ συνεχώρει κρύφα λυπεῖν τὸν Οὐρίατθον ὃ τι δοκιμάσειεν· ὥς δ' αὐθις ἠνώχλει καὶ συνεχῶς ἐπέστελλεν, ἔκρινε λῦσαί τε τὰς σπονδὰς καὶ φανερῶς πολεμεῖν αὐθις Οὐρίατθῳ. ἐψηφισμένου δὴ σαφῶς, ὁ Καιπίων Ἄρσαν τε πόλιν ἐκλιπόντος Οὐρίατθου παρέλαβε, καὶ αὐτὸν Οὐρίατθον φεύγοντά τε καὶ τὰ ἐν παρόδῳ φθείροντα περὶ Καρπητανίαν κατέλαβε, πολὺ πλείονας ἔχων. ὅθεν ὁ Οὐρίατθος οὐ δοκιμάζων αὐτῷ συμπλέκεσθαι διὰ τὴν ὀλιγότητα, κατὰ μὲν τινα φάραγγα ἀφανῆ τὸ πλεον τοῦ στρατοῦ περιέπεμψεν ἀπιέναι, τὸ δὲ λοιπὸν αὐτὸς ἐκτάξας ἐπὶ λοφου δόξαν παρῆιχε πολεμήσοντος. ὥς δ' ἦσθετο τῶν προαπεσταλμένων ἐν ἀσφαλεῖ γεγονότων, ἐξίππευσεν ἐς αὐτοὺς μετὰ καταφρονήσεως, ὁξέως οὕτως ὥς μηδ' αἰσθῆσθαι τοὺς διώκοντας ὅποι διέδραμεν. ὁ δὲ Καιπίων ἐς Ουέττωνας καὶ Καλλαϊκοὺς τραπεῖς τὰ ἐκείνων ἐδίηου.

[71] καὶ ζήλω τῶν ἔργων Οὐριάτθου τὴν Λυσιτανίαν ληστήρια πολλὰ ἄλλα ἐπιτρέχοντα ἐπόρθει. Σέξτος δὲ Ἰούνιος Βροῦτος ἐπὶ ταῦτα πεμφθεὶς ἀπένω μὲν αὐτὰ διώκειν διὰ χώρας μακρᾶς, ὅσῃν ὁ Τάγος τε καὶ Λήθης καὶ Δόριος καὶ Βαίτις ποταμοὶ ναυσίποροι περιέχουσιν, ὁξέως, οἷα δὴ ληστήρια, μεθισταμένους δυσεργεῖς ἡγούμενος εἶναι καταλαβεῖν, καὶ αἰσχροὺς οὐ καταλαβόντι, καὶ νικήσαντι τὸ ἔργον οὐ λαμπρόν· ἐς δὲ τὰς πόλεις αὐτῶν ἐτράπετο, δίκην τε λήψεσθαι προσδοκῶν, καὶ τῇ στρατιᾷ πολὺ κέρδος περιέσεσθαι, καὶ τοὺς ληστὰς ἐς ἐκάστην ὡς πατρίδα κινδυνεύουσιν διαλυθήσεσθαι. ὁ μὲν δὴ ταῦτ' ἐνθυμούμενος ἐδήηο τὰ ἐν ποσὶν ἅπαντα, συμμαχομένους τοῖς ἀνδράσι τῶν γυναικῶν καὶ συναναιρουμένων, καὶ οὐ τινα φωνὴν οὐδ' ἐν ταῖς σφαγαῖς ἀφιεσῶν. εἰσὶ δ' οἱ καὶ ἐς τὰ ὄρη μεθ' ὧν ἐδύναντο ἀνεπήδων· καὶ αὐτοῖς δεομένοις συνεγίνωσκεν ὁ Βροῦτος, καὶ τὰ ὄντα ἐμερίζετο.

[72] καὶ τὸν Δόριον περάσας πολλὰ μὲν πολέμῳ κατέδραμε, πολλὰ δὲ παρὰ τῶν αὐτοὺς ἐνδιδόντων ὄμῃρα αἰτήσας ἐπὶ Λήθην μετῆι, πρῶτος ὃδε Ῥωμαίων ἐπινοῶν τὸν ποταμὸν τόνδε διαβῆναι. περάσας δὲ καὶ τόνδε, καὶ μέχρι Νίμιος ἐτέρου ποταμοῦ προελθὼν, Βρακάρων αὐτῷ φερομένην ἀγορὰν ἀρπασάντων ἐστράτευσεν ἐπὶ τοὺς Βρακάρους, οἱ εἰσιν ἔθνος μαχιμώτατον, καὶ ἅμα ταῖς γυναιξὶν ὀπλισμέναις καὶ οἶδε ἐμάχοντο, καὶ προθύμως ἔθνησκον, οὐκ ἐπιστρεφόμενος αὐτῶν οὐδεὶς, οὐδὲ τὰ νῶτα δεικνύς, οὐδὲ φωνὴν ἀφιέντες. ὅσαι δὲ κατήγοντο τῶν γυναικῶν, αἱ μὲν αὐτὰς διεχρῶντο, αἱ δὲ καὶ τῶν τέκνων αὐτόχειρες ἐγίνοντο, χαίρουσαι τῷ θανάτῳ μᾶλλον τῆς αἰχμालωσίας. εἰσὶ δὲ τινες τῶν πόλεων αἱ τότε μὲν τῷ Βρούτῳ προσετίθεντο, οὐ πολλὸν δ' ὕστερον ἀφίσταντο. καὶ αὐτὰς ὁ Βροῦτος κατεστρέφετο αὐθις.

[73] ἐπὶ δὲ Ταλάβριγα πόλιν ἐλθὼν, ἣ πολλὰκις μὲν αὐτῷ συνετέθειτο, πολλὰκις δὲ ἀποσταῖσα ἠνώχλει, παρακαλοῦντων αὐτὸν καὶ τότε τῶν Ταλαβρίγων καὶ διδόντων αὐτοὺς ἐς ὃ τι χρήζοι, πρῶτα μὲν τοὺς αὐτομόλους Ῥωμαίων ἦτει καὶ τὰ αἰχμάλωτα, καὶ ὅπλα ὅσα εἶχον, καὶ ὄμῃρα ἐπὶ τούτοις, εἴτ' αὐτοὺς ἐκέλευσε σὺν παισὶ καὶ γυναιξὶν ἐκλιπεῖν τὴν πόλιν. ὥς δὲ καὶ τοῦθ' ὑπέστησαν, τὴν στρατιάν αὐτοῖς περιστήσας ἐδημηγόρει, καταλέγων ὅσακις ἀποσταίειν καὶ ὅσους πολέμους πολεμήσειαν αὐτῷ. φόβον δὲ καὶ δόξαν ἐμφήνας ἐργασομένου τι δεινόν, ἐπὶ τῶν ὀνειδῶν ἔλῃξε, καὶ τοὺς μὲν ἵππους αὐτῶν καὶ τὸν σῖτον καὶ χρήματα ὅσα κοινὰ ἦν, ἣ εἴ τις ἄλλη δημοσία παρασκευή, πάντα περιεῖλε, τὴν δὲ πόλιν αὐθις οἰκεῖν ἔδωκεν ἐξ ἀέλπτου. τοσάδε μὲν δὴ Βροῦτος ἐργασάμενος ἐς Ῥώμην ἀπῆι. καὶ αὐτὰ ἐς τὴν Οὐριάτθου γραφὴν συνήγαγον, ἐν τῷ αὐτῷ χρόνῳ διὰ τὸν ἐκεῖνου ζῆλον ὑπὸ ληστηρίων ἄλλων ἀρξάμενα γίνεσθαι.

[74] Οὐριάτθος δὲ Καπιῶνι περὶ συμβάσεων τοὺς πιστοτάτους αὐτῷ φίλους ἐπέπεμπεν, Αὐδακα καὶ Διτάλκωνα καὶ Μίνουρον, οἱ διαφθαρέντες ὑπὸ τοῦ Καπιῶνος δώροις τε μεγάλοις καὶ ὑποσχέσεσι πολλαῖς ὑπέστησαν αὐτῷ κτενεῖν τὸν Οὐριάτθον. καὶ ἔκτειναν ὧδε. ὀλιγοῦπνότατος ἦν διὰ φροντίδα καὶ πόνους ὁ Οὐριάτθος, καὶ τὰ πολλὰ ἔνοπλος ἀνεπαύετο, ἵνα ἐξεγρόμενος εὐθὺς ἐς πάντα ἔτοιμος εἴη. τοῖς οὖν φίλοις ἐξῆν καὶ νυκτερεύοντι ἐντυγχάνειν. ᾧ δὴ καὶ τότε ἔθει οἱ περὶ τὸν Αὐδακα φυλάζαντες αὐτόν,

ἀρχομένου ὕπνου παρήλθον ἐς τὴν σκηνὴν ὡς δὴ τινος ἐπείγοντος, καὶ κεντοῦσιν ὦπλισμένον ἐς τὴν σφαγὴν: οὐ γὰρ ἦν ἄλλοθι. οὐδεμιᾶς δ' αἰσθήσεως γενομένης διὰ τὴν τῆς πληγῆς εὐκαιρίαν, διέδρασαν ἐς Καιπίωνα καὶ τὰς δωρεὰς ἤτουν. ὁ δ' αὐτίκα μὲν αὐτοῖς ἔδωκεν ἀδεῶς ἔχειν ὅσα ἔχουσι, περὶ δὲ ὧν ἤτουν, ἐς Ῥώμην αὐτοὺς ἔπεμπε. οἱ δὲ θεραπευτῆρες Οὐριάθου καὶ ἡ ἄλλη στρατιά, γενομένης ἡμέρας, ἀναπαύεσθαι νομίζοντες αὐτὸν ἐθαύμαζον διὰ τὴν ἀθήειαν, μέχρι τινὲς ἔμαθον ὅτι νεκρὸς κέοιτο ἔνοπλος. καὶ εὐθὺς ἦν οἰμωγὴ τε καὶ πένθος ἀνὰ τὸ στρατόπεδον, ἀλγούντων τε ἐπ' ἐκείνῳ καὶ περὶ σφῶν δεδιότων, καὶ ἐνθυμουμένων ἐν οἷσι εἰσὶ κινδύνους καὶ οἷου στρατηγοῦ στεροῦνται. μάλιστα δὲ αὐτούς, ὅτι τοὺς δράσαντας οὐχ ἠῦρισκον, ὑπερήλγυνεν.

[75] Οὐριάθον μὲν δὴ λαμπρότατα κοσμήσαντες ἐπὶ ὑψηλοτάτης πυρᾶς ἔκαιον, ἱερεῖά τε πολλὰ ἐπέσφαττον αὐτῷ, καὶ κατὰ ἴλας οἱ τε πεζοὶ καὶ οἱ ἵππεῖς ἐν κύκλῳ περιθέοντες αὐτὸν ἔνοπλοι βαρβαρικῶς ἐπῆνουν, μέχρι τε σβεσθῆναι τὸ πῦρ παρεκάθηντο πάντες ἄμφ' αὐτό. καὶ τῆς ταφῆς ἐκτελεσθείσης, ἀγῶνα μονομάχων ἀνδρῶν ἤγαγον ἐπὶ τοῦ τάφου. τοσοῦτον αὐτοῦ πόθον κατέλιπεν Οὐριάθης, ἀρχικώτατος μὲν ὡς ἐν βαρβάροις γενόμενος, φιλοκινδυνότατος δ' ἐς ἅπαντα πρὸ ἀπάντων, καὶ ἰσομοιρότατος ἐν τοῖς κέρδεσιν. οὐ γάρ ποτε πλέον ὑπέστη λαβεῖν, ἀεὶ παρακαλούντων: ὁ δὲ καὶ λάβοι, τοῖς ἀριστεύουσιν ἐδίδου. ὅθεν αὐτῷ, δυσχερέστατον ἔργον καὶ οὐδενὶ πῶ στρατηγῶν εὐμαρῶς ἐγγενόμενον, ἔτεσιν ὀκτῶ τοῦδε τοῦ πολέμου παμμυγῆς στρατὸς ἀστασίαστος ἦν καὶ κατήκοος ἀεὶ καὶ ἐς τοὺς κινδύνους ὀξύτατος. τότε δὲ σφῶν Τάνταλον ἐλόμενοι στρατηγεῖν, ἐπὶ Ζάκανθαν ἐφέροντο, ἣν Ἀννίβας καθελὼν ἔκτισε καὶ ἀπὸ τῆς αὐτοῦ πατρίδος Καρχηδόνα προσεῖπεν. ἀποκρουσθεῖσι δ' αὐτοῖς ἐκείθεν, καὶ τὸν Βαῖτιν ποταμὸν περῶσιν, ὁ Καιπίων ἐπέκειτο, μέχρι κάμνων ὁ Τάνταλος αὐτόν τε καὶ τὴν στρατιὰν τῷ Καιπίωνι παρέδωκεν ὡς ὑπηκόοις χρῆσθαι. ὁ δὲ ὅπλα τε αὐτοὺς ἀφείλετο ἅπαντα, καὶ γῆν ἔδωκεν ἱκανήν, ἵνα μὴ ληστεύοιεν ἐξ ἀπορίας.

[76] ἐπάνεισι δ' ἐς τὸν Ἀρουακῶν καὶ Νομαντίνων πόλεμον ἡ γραφή, οὗς Οὐριάθης μὲν ἠρέθισεν ἐς ἀπόστασιν, Καικίλιος δ' αὐτοῖς Μέτελλος ἀπὸ Ῥώμης ἐπιτεμφθεὶς μετὰ πλέονος στρατοῦ Ἀρουακοὺς μὲν ἐχειρώσατο, σὺν ἐκπλήξει καὶ τάχει θερίζουσιν ἐμπίπτων, Τερμεντία δ' αὐτῷ καὶ Νομαντία ἔτι ἔλειπον. ἦν δ' ἡ Νομαντία ποταμοῖς δύο καὶ φάραγξιν ἀπόκρημνος, ὕλαι τε αὐτῇ πυκναὶ περιέκειντο, καὶ μία κάθοδος ἦν ἐς τὸ πεδίον, ἣ τάφρων ἐπεπλήρωτο καὶ στηλῶν. αὐτοὶ δ' ἦσαν ἄριστοι μὲν ἱππεῖς τε καὶ πεζοί, πάντες δ' ἄμφι τοὺς ὀκτακισχιλίους. καὶ τοσοῖδε ὄντες ὅμως ὑπ' ἀρετῆς ἐς μέγα ἠνώχλησαν τὰ Ῥωμαίων. Μέτελλος μὲν δὴ μετὰ χειμῶνα τὴν στρατιὰν Κοῖντῳ Πομπηίῳ [Αὐλῳ] διαδόχῳ τῆς στρατηγίας οἱ γενομένῳ παρέδωκε, τρισμυρίους πεζοὺς καὶ δισχιλίους ἱππείας ἄριστα γεγυμνασμένους, ὁ δὲ Πομπήιος τῇ Νομαντία παραστρατοπεδεύων ὄχρετό ποι, καὶ ἱππείας αὐτοῦ μεταθέοντας αὐτὸν οἱ Νομαντῖνοι καταβάντες ἔκτειναν. ἐπανελθὼν οὖν παρέτασεν ἐς τὸ πεδίον, καὶ οἱ Νομαντῖνοι καταβάντες ὑπεχώρουν κατ' ὀλίγον οἷα φεύγοντες, μέχρι ταῖς στήλαις καὶ φάραγξιν ὁ Πομπήιος ...

[77] καὶ καθ' ἡμέραν ἐν ταῖς ἀκροβολίαις ἐλασσόμενος ὑπ' ἀνδρῶν πολὺ ἐλασσόνων, μετέβαινεν ἐπὶ Τερμεντίαν ὡς εὐχερέστερον ἔργον. ὡς δὲ καὶ τῇδε συμβαλὼν ἑπτακοσίους τε ἀπώλεσε, καὶ τὸν τὴν ἀγορὰν αὐτῷ φέροντα χιλιάρχον οἱ Τερμεντεῖς ἐτρέψαντο, καὶ τρίτη πεῖρα κατὰ τὴν αὐτὴν ἡμέραν ἐς ἀπόκρημα τοὺς Ῥωμαίους συνελάσαντες πολλοὺς αὐτῶν πεζοὺς τε καὶ ἱππείας αὐτοῖς ἵπποις κατέωσαν ἐς τὰ ἀπόκρημα, περιφόβως ἔχοντες οἱ λοιποὶ διενυκτέρευον ἔνοπλοι, καὶ ἅμα ἔφ' προσιόντων τῶν πολεμίων ἐκταξάμενοι τὴν ἡμέραν ὅλην ἠγωνίζοντο ἀγχωμάλως, καὶ διεκρίθησαν ὑπὸ νυκτός. ὅθεν ὁ Πομπήιος ἐπὶ πολίχνης Μαλίας ἦλασεν, ἣν ἐφρούρουν οἱ Νομαντῖνοι. καὶ οἱ Μαλιεῖς τοὺς φρουροὺς ἀνελόντες ἐξ ἐνέδρας, παρέδοσαν τὸ πολίχνιον τῷ Πομπήϊῳ. ὁ δὲ τὰ τε ὅπλα αὐτοῦς καὶ ὅμηρα αἰτήσας, μετῆλθεν ἐπὶ Σηδητανίαν, ἣν ἐδήου λήσταρχος ὄνομα Ταγγίνος· καὶ αὐτὸν ὁ Πομπήιος ἐνίκα, καὶ πολλοὺς ἔλαβεν αἰχμαλώτους. τοσοῦτον δ' ἦν φρονήματος ἐν τοῖς λησταῖς ὥστε τῶν αἰχμαλώτων οὐδεὶς ὑπέμεινε δουλεύειν, ἀλλ' οἱ μὲν αὐτοὺς οἱ δὲ τοὺς πριαμένους ἀνήρουν, οἱ δὲ τὰς ναῦς ἐν τῷ διάπλῳ διετίτρων.

[78] ὁ δὲ Πομπήιος αὐθις ἐλάσας ἐπὶ Νομαντίαν, ποταμόν τινα μετωχέτευεν ἐς τὸ πεδίον ὡς λιμῷ πῖεσων τὴν πόλιν. οἱ δὲ ἐργαζομένῳ τε ἐπέκειντο, καὶ σαλπικτῶν χωρὶς ἐκτρέχοντες ἀθρόοι τοὺς ὀχετεύοντας ἠνώχλουν. ἔβαλλον δὲ καὶ τοὺς ἀπὸ τοῦ χάρακος ἐπιβοηθοῦντας, ἕως κατέκλεισαν ἐς τὸ στρατόπεδον. καὶ σιτολογοῦσιν ἐτέροις ἐπιδραμόντες καὶ τῶνδε πολλοὺς διέφθειραν, Ὅπιόν τε χιλιάρχον ἐπ' αὐτοῖς ἀνεῖλον. καὶ κατ' ἄλλο μέρος τάφρον ὀρύσσουσι Ῥωμαίοις ἐπιδραμόντες ἔκτειναν ἐς τετρακοσίους, καὶ τὸν ἠγούμενον αὐτῶν. ἐφ' οἷς τῷ τε Πομπήϊῳ σύμβουλοι παρήσαν ἐκ Ῥώμης, καὶ τοῖς στρατιώταις 'ἐξ γὰρ ἔτη διεληλύθει στρατευομένοις' διάδοχοι νεοκατάγραφοί τε καὶ ἐτι ἀγύμναστοι καὶ ἀπειροπόλεμοι. μεθ' ὧν ὁ Πομπήιος αἰδούμενός τε τὰ ἐπταισμένα, καὶ ἐπειγόμενος τὴν αἰσχύνην ἀναλαβεῖν, ἐπέμενε χειμῶνος ἐν τῷ στρατοπέδῳ. καὶ οἱ στρατιῶται κρύους τε ὄντος ἐν ἀστέγῳ σταθμεύοντες, καὶ πρῶτον ἄρτι πειρώμενοι τοῦ περὶ τὴν χώραν ὕδατός τε καὶ ἀέρος, κατὰ γαστέρα ἔκαμνον, καὶ διεφθείροντο ἔνιοι. μέρους δὲ ἐπὶ σῖτον οἰχομένου, κρύψαντες ἐνέδραν οἱ Νομαντῖνοι παρ' αὐτὸ τὸ Ῥωμαίων στρατόπεδον ἠκροβολίζοντο ἐρεθίζοντες, ἕως οἱ μὲν οὐ φέροντες ἐπεξήσαν, οἱ δ' ἐκ τῆς ἐνέδρας ἀνίσταντο· καὶ Ῥωμαῖοι πολλοὶ μὲν ἐκ τοῦ πλήθους, πολλοὶ δὲ τῶν ἐπιφανῶν ἀπέθανον· οἱ δὲ Νομαντῖνοι καὶ τοῖς τὸν σῖτον φέρουσιν ἀπαντήσαντες ἔκτειναν καὶ τῶνδε πολλοὺς.

[79] καὶ ὁ Πομπήιος τοσοῖσδε συνενεχθεὶς κακοῖς ἐς τὰς πόλεις μετὰ τῶν συμβούλων ἀνεξεύγνυ, χειμάσων τὸ ἐπίλοιπον, τοῦ ἥρος προσδοκῶν ἥξειν οἱ διάδοχον. καὶ δεδιὼς κατηγορίαν, ἔπρασεν ἐς τοὺς Νομαντίνους κρύφα τοῦ πολέμου διαλύσεις. οἱ δὲ καὶ αὐτοὶ κάμνοντες ἤδη φόνῳ τε πολλῷ ἀρίστων καὶ γῆς ἀργία καὶ τροφῶν ἀπορία καὶ μήκει τοῦ πολέμου, μακροῦ παρὰ προσδοκίαν γεγονότος, ἐπρέσβευον ἐς Πομπήιον. ὁ δὲ ἐς μὲν τὸ φανερόν ἐκέλευεν αὐτοὺς Ῥωμαίοις ἐπιτρέπειν 'οὐ γὰρ εἰδέναι σύνθήκας ἐτέρας Ῥωμαίων ἀξίας', λάθρα δ' ὑπισχνεῖτο ἃ ἐμελλε ποιήσιν. καὶ συνθεμένων ἐκείνων καὶ ἐπιτρεψάντων ἑαυτούς, ὅμηρά τε καὶ αἰχμάλωτα ἤτησε καὶ τοὺς αὐτομόλους, καὶ πάντα ἔλαβεν. ἤτησε δὲ καὶ ἀργυρίου τάλαντα τριάκοντα· ὧν

μέρος αὐτίκα ἔδοσαν οἱ Νομαντῖνοι, καὶ τὰ λοιπὰ ὁ Πομπήιος ἀνέμενε, παραγενομένου δ' αὐτῷ διαδόχου Μάρκου Ποπίλιου Λαίνα, οἱ μὲν ἔφερον τὰ λοιπὰ τῶν χρημάτων, ὁ δ' ἀπηλλαγμένος μὲν τοῦ περὶ τοῦ πολέμου δέους τῷ παρεῖναι τὸν διάδοχον, τὰς δὲ συνθήκας εἰδὼς αἰσχύρας τε καὶ ἄνευ Ῥωμαίων γενομένης, ἡρνεῖτο μὴ συνθέσθαι τοῖς Νομαντῖνοις. καὶ οἱ μὲν αὐτὸν ἤλεγχον ἐπὶ μάρτυσι τοῖς τότε παρατυχοῦσιν ἀπὸ τε βουλῆς καὶ ἱπάρχοις καὶ χιλιάρχοις αὐτοῦ Πομπηίου, ὁ δὲ Ποπίλιος αὐτοὺς ἐς Ῥώμην ἔπεμπε δικασομένους τῷ Πομπηίῳ. κρίσεως δ' ἐν τῇ βουλῇ γενομένης, Νομαντῖνοι μὲν καὶ Πομπήιος ἐς ἀντιλογίαν ἦλθον, τῇ βουλῇ δ' ἔδοξε πολεμεῖν Νομαντῖνοις. καὶ ὁ Ποπίλιος ἐνέβαλεν ἐς τοὺς γείτονας αὐτῶν Λούσοντας, οὐδὲν δ' ἐργασάμενος ἦκε γὰρ αὐτῷ διάδοχος ἐπὶ τὴν στρατηγίαν Ὅστιλιος Μαγκίνος· ἀνέξευξεν ἐς Ῥώμην.

[80] ὁ δὲ Μαγκίνος τοῖς Νομαντῖνοις συμβαλὼν ἡττᾷτό τε πολλάκις, καὶ τέλος ἀναιρουμένων πολλῶν ἐς τὸ στρατόπεδον ἔφυγεν. λόγου δὲ ψευδοῦς ἐμπεσόντος ὅτι Νομαντῖνοις ἔρχονται βοηθοῦντες Κάνταβροί τε καὶ Οὐακκαῖοι, δείσας ἄπυρον τὴν νύκτα διήγαγεν ὅλην ἐν σκότῳ, φεύγων ἐς ἔρημον τὸ Νωβελίωνός ποτε χαράκωμα. καὶ μεθ' ἡμέραν ἐς αὐτὸ συγκλεισθεὶς οὔτε κατεσκευασμένον οὔτε ὠχυρωμένον, περισχόντων αὐτὸν τῶν Νομαντῖνων, καὶ πάντας ἀποκτενεῖν ἀπειλούντων εἰ μὴ συνθοῖτο εἰρήνην, συνέθετο ἐπὶ ἴσῃ καὶ ὁμοίᾳ Ῥωμαίοις καὶ Νομαντῖνοις. καὶ ὁ μὲν ἐπὶ τούτοις ὤμνυε τοῖς Νομαντῖνοις, οἱ δ' ἐν ᾄστει πυθόμενοι χαλεπῶς ἔφερον ὥς ἐπὶ αἰσχίσταις πάνυ σπονδαῖς, καὶ τὸν ἕτερον τῶν ὑπάτων Αἰμίλιον Λέπιδον ἐς Ἰβηρίαν ἐξέπεμπον, Μαγκίνον δ' ἀνεκάλουν ἐς κρίσιν. καὶ τῷδε μὲν ἔσποντο πρέσβεις Νομαντῖνων: ὁ δὲ Αἰμίλιος, ἀναμένων καὶ ὁδε τὰς ἐκ Ῥώμης ἀποκρίσεις, καὶ τὴν ἀργίαν οὐ φέρων ὥς γὰρ ἐπὶ δόξαν ἢ κέρδος ἢ θριάμβου φιλοτιμίαν ἐξήσάν τινες ἐς τὰς στρατηγίας, οὐκ ἐπὶ τὸ τῇ πόλει συμφέρον, Οὐακκαίων κατεψεύδετο ὥς ἀγορὰν ἐν τῷδε τῷ πολέμῳ Νομαντῖνοις παρασχόντων, καὶ τὴν γῆν αὐτῶν κατέτρεχε, Παλλαντίαν τε πόλιν, ἣ μεγίστη Οὐακκαίων ἐστίν, οὐδὲν ἐξαμαρτοῦσαν ἐς τὰ συγκείμενα ἐπολιόρκει, καὶ Βροῦτον ἐφ' ἕτερα τῆς Ἰβηρίας ἀπεσταλμένον, ὥς μοι προεῖρηται, κηδεστὴν ὄντα οἱ τοῦδε τοῦ ἔργου μετασχεῖν ἔπεισεν.

[81] κατέλαβον δ' αὐτοὺς ἀπὸ Ῥώμης πρέσβεις Κίννας τε καὶ Καϊκίλιος, οἱ τὴν βουλὴν ἔφασαν ἀπορεῖν εἰ τοσῶνδε παισμάτων σφίσιν ἐν Ἰβηρία γενομένων ὁ Αἰμίλιος πόλεμον ἕτερον ἀρεῖται, καὶ ψήφισμα ἐπέδοσαν αὐτῷ προαγορεῦον Αἰμίλιον Οὐακκαίοις μὴ πολεμεῖν. ὁ δὲ ἀρξάμενός τε ἤδη τοῦ πολέμου, καὶ τὴν βουλὴν τοῦτ' ἀγνοεῖν ἠγούμενος, ἀγνοεῖν δ' ὅτι καὶ Βροῦτος αὐτῷ συνεπιλαμβάνει καὶ σῖτον καὶ χρήματα καὶ στρατιὰν Οὐακκαῖοι τοῖς Νομαντῖνοις παρέσχον, ἔσεσθαι δὲ καὶ τὴν ἀνάξευξιν τοῦ πολέμου φοβερὰν ὑπολαβὼν, καὶ σχεδὸν Ἰβηρίας ὅλης διάλυσιν, εἰ καταφρονήσειαν ὥς δεδιότων, τοὺς μὲν ἀμφὶ τὸν Κίνναν ἀπράκτους ἀπέλυσε, καὶ τάδε αὐτὰ ἐπέστειλε τῇ βουλῇ, αὐτὸς δὲ ὠχυρωσάμενος φρούριον, μηχανὰς ἐν αὐτῷ συνεπήγγυτο καὶ σῖτον συνέφερεν. Φλάκκος δ' αὐτῷ σιτολογῶν, ἐνέδρας ἐκφανεῖσης, εὐμηχάνως διέδωκεν ὅτι Παλλαντίαν ἐξεῖλεν Αἰμίλιος: καὶ τοῦ στρατοῦ συναλαλάξαντος ὥς ἐπὶ νίκῃ, πυθόμενοι τούτων οἱ

βάρβαροι καὶ ἀληθῆ νομίσαντες ἀπεχώρουν. Φλάκκος μὲν δὴ τὴν ἀγορὰν κινδυνεύουσιν ὥδε περιέσφωζε.

[82] μακρᾶς δὲ τῆς ἐπὶ τῇ Παλλαντίᾳ πολιορκίας οὕσης αἱ τροφαὶ Ῥωμαῖους ἐπέλειπον, καὶ λιμὸς ἦπτετο αὐτῶν, καὶ τὰ ὑποζύγια πάντα ἐφθαρτο, καὶ πολλοὶ τῶν ἀνθρώπων ἐξ ἀπορίας ἀπέθνησκον. οἱ στρατηγοὶ δέ, Αἰμίλιός τε καὶ Βροῦτος, ἐς μὲν πολὺ διεκαρτέρουν, ἡσσωμένοι δ' ὑπὸ τοῦ κακοῦ νυκτὸς ἄφνω περὶ ἐσχάτην φυλακὴν ἐκέλευον ἀναζεγγύναι: χιλιάρχοι τε καὶ λοχαγοὶ περιθεόντες ἐπέσπευδον ἅπαντας ἐς τοῦτο πρὸ ἔω. οἱ δὲ σὺν θορύβῳ τὰ τε ἄλλα πάντα καὶ τοὺς τραυματίας καὶ τοὺς νοσοῦντας ἀπέλιπον, συμπλεκομένους τε σφίσι καὶ δεομένους. καὶ αὐτοῖς ἀτάκτου καὶ θορυβώδους τῆς ἀναχωρήσεως γιγνομένης καὶ φυγῇ μάλιστα ὁμοίας, οἱ Παλλάντιοι πανταχόθεν ἐπικείμενοι πολλὰ ἐβλαπτον ἐξ ἡοῦς ἐπὶ ἐσπέραν. νυκτὸς δὲ ἐπιλαβούσης Ῥωμαῖοι μὲν ἐς τὰ πεδία ἑαυτοὺς ἐρρίπτουν ἀνὰ μέρος, ὡς τύχοιεν, ἄσιτοι τε καὶ κατὰκοποι, οἱ δὲ Παλλάντιοι θεοῦ σφᾶς ἀποτρέποντος ἀνεχώρουν. καὶ τότε μὲν ἦν περὶ Αἰμίλιον.

[83] Ῥωμαῖοι δ' αὐτὰ πυθόμενοι τὸν μὲν Αἰμίλιον. παρέλυσαν τῆς στρατηγίας τε καὶ ὑπατείας, καὶ ιδιώτης ἐς Ῥώμην ὑπέστρεφε, καὶ χρήμασιν ἐπεξημιούτο: Μαγκίνῳ δ' ἐδίκασον καὶ τοῖς πρέσβεσι τοῖς Νομαντίνων. οἱ μὲν δὴ τὰς συνθήκας, ἃς ἐπεποίητο πρὸς Μαγκίνον, ἐπεδείκνυν: ὁ δὲ τὴν αἰτίαν αὐτῶν ἐς Πομπήιον ἀνέφερε τὸν πρὸ αὐτοῦ γενόμενον στρατηγόν, ὡς ἄργον καὶ ἄπορον τὸν στρατὸν ἐγχειρίσαντά οἱ, καὶ δι' αὐτὸ κἀκεῖνον ἡσσημένον τε πολλάκις καὶ συνθήκας ὁμοίας αὐτῷ θέμενον πρὸς τοὺς Νομαντίνους: ὅθεν ἔφη καὶ τὸν πόλεμον τόνδε, παρὰ τὰς συνθήκας ἐκείνας ὑπὸ Ῥωμαίων ἐψηφισμένον, ἀπαίσιον αὐτοῖς γεγονέναι. οἱ δ' ἐχάλεπαινον μὲν ἀμφοτέροις ὁμοίως, ἀπέφυγε δ' ὅμως Πομπήιος ὡς περὶ τῶνδε κριθεὶς καὶ πάλοι. Μαγκίνον δ' ἐγνώσαν ἐκδοῦναι τοῖς Νομαντίνους, ἄνευ σφῶν αἰσχροῦς συνθήκας πεποιημένον, ᾧ λόγῳ καὶ Σαυνίταις οἱ πατέρες, ὅμοια χωρὶς αὐτῶν συνθεμένους, ἡγεμόνας εἴκοσιν ἐξεδεδώκεσαν. Μαγκίνον μὲν δὴ Φούριος ἀγαγὼν ἐς Ἰβηρίαν γυμνὸν παρεδίδου τοῖς Νομαντίνους: οἱ δὲ οὐκ ἐδέξαντο. στρατηγὸς δὲ ἐπ' αὐτοὺς αἰρεθεὶς Καλπούρνιος Πίσων οὐδ' ἤλασεν ἐπὶ Νομαντίαν, ἀλλ' ἐς τὴν Παλλαντίων γῆν ἐσβαλὼν, καὶ μικρὰ δηώσας, ἐχείμαζεν ἐν Καρπητανίᾳ τὸ ἐπίλοιπον τῆς ἀρχῆς.

[84] ἐν δὲ Ῥώμῃ κάμνων ὁ δῆμος ἐπὶ τοῖς Νομαντίνους, μακροῦ καὶ δυσχεροῦς τοῦ πολέμου σφίσι παρὰ προσδοκίαν γεγονότος, ἠροῦντο Κορνήλιον Σκιπίωνα τὸν Καρχηδόνα ἐλόντα αὐθις ὑπατεῦειν, ὡς μόνον ἐπικρατῆσαι τῶν Νομαντίνων δυνάμενον. ὁ δὲ καὶ τότε ἦν ἔτι νεώτερος τῆς νενομισμένης τοῖς ὑπατεῦουσιν ἡλικίας: ἢ οὖν βουλὴ πάλιν, ὥσπερ ἐπὶ Καρχηδονίοις αὐτοῦ χειροτονουμένου Σκιπίωνος, ἐψηφίσατο τοὺς δημάρχους λῦσαι τὸν περὶ τῆς ἡλικίας νόμον, καὶ τοῦ ἐπιόντος ἔτους αὐθις θέσθαι. οὕτω μὲν ὁ Σκιπίων αὐθις ὑπατεῦων ἐς Νομαντίαν ἠπείγετο, στρατιάν δ' ἐκ καταλόγου μὲν οὐκ ἔλαβε πολλῶν τε πολέμων ὄντων καὶ πολλῶν ἀνδρῶν ἐν Ἰβηρίᾳ, ἐθέλοντάς δέ τινας, ἔκ τε πόλεων καὶ βασιλέων ἐς χάριν ἰδίαν πεμφθέντας αὐτῷ, συγχωρούσης τῆς βουλῆς ἐπηγάγετο, καὶ πελάτας ἐκ Ῥώμης καὶ φίλους πεντακοσίους, οὓς ἐς Ἱλην καταλέξας ἐκάλει φίλων Ἱλην.

πάντας δὲ ἐς τετρακισχιλίους γενομένους παραδούς ἄγειν ἀδελφιδῷ Βουτέωνι, σὺν ὀλίγοις αὐτὸς προεξώρμησεν ἐς Ἴβηριαν ἐπὶ τὸ στρατόπεδον, πυνθανόμενος αὐτὸ γέμειν ἀργίας καὶ στάσεων καὶ τρυφῆς, εὖ εἰδὼς ὅτι μὴ κρατήσῃ πολεμίων πρὶν κατασχεῖν τῶν ἰδίων ἐγκρατῶς.

[85] ἔλθων δὲ ἐμπόρους τε πάντας ἐξήλαυνε καὶ ἐταίρας καὶ μάντις καὶ θύτας, οἷς διὰ τὰς δυσπραξίας οἱ στρατιῶται περιδεεῖς γεγονότες ἐχρῶντο συνεχῶς· ἔς τε τὸ μέλλον ἀπεῖπε μηδὲν ἐσφέρεσθαι τῶν περισσῶν, μηδὲ ἱερεῖον ἐς μαντείαν πεποιημένον. ἐκέλευσε δὲ καὶ τὰς ἀμάξας καὶ τὰ περισσὰ τῶν ἐς αὐτὰς τιθεμένων καὶ τὰ ὑποζύγια, χωρὶς ὧν αὐτὸς ὑπελείπετο, πραθῆναι. καὶ σκευὸς οὐκ ἐξῆν ἐς δίαιταν ἔχειν οὐδενὶ πλὴν ὀβελοῦ καὶ χύτρας χαλκῆς καὶ ἐκπώματός ἐνός. τὰ τε σιτία αὐτοῖς ὠριστο κρέα ζεστά καὶ ὀπτὰ εἶναι. κλίνας τε ἀπεῖπεν ἔχειν, καὶ πρῶτος ἐπὶ στιβάδων ἀνεπαύετο. ἀπεῖπε δὲ καὶ ὁδεύοντας ἡμίονοις ἐπικαθέζεσθαι· τί γὰρ ἐν πολέμῳ προσδοκᾷ ἔφη παρ' ἀνδρὸς οὐδὲ βαδίζειν δυναμένου; κὰν τοῖς ἀλείμμασι καὶ λουτροῖς ἑαυτοὺς ἤλειπον, ἐπισκώπτοντος τοῦ Σκιπίωνος ὥς αἱ ἡμίονοι χεῖρας οὐκ ἔχουσαι χρῆζουσι τριβόντων. οὕτω μὲν αὐτοὺς ἐς σωφροσύνην μετέβαλλεν ἀθρόως, εἵθιζε δὲ καὶ ἐς αἰδῶ καὶ φόβον, δυσπρόσιτος ὢν καὶ δυσχερὴς ἐς τὰς χάριτας, καὶ μάλιστα τὰς παρανόμους. ἔλεγέ τε πολλάκις τοὺς μὲν αὐστηροὺς καὶ ἐννόμους τῶν στρατηγῶν τοῖς οἰκείοις, τοὺς δὲ εὐχερεῖς καὶ φιλοδώρους τοῖς πολεμίοις εἶναι χρησίμους· τὰ γὰρ στρατόπεδα τοῖς μὲν εἶναι κεχαρισμένα τε καὶ καταφρονητικά, τοῖς δὲ σκυθρωπὰ μὲν εὐπειθῇ δὲ καὶ πᾶσιν ἔτοιμα.

[86] οὐ μὴν οὐδ' ὥς ἐτόλμα πολεμεῖν πρὶν αὐτοὺς γυμνάσαι πόνοις πολλοῖς. τὰ οὖν ἀγχοτάτω πεδία πάντα περιῶν, ἐκάστης ἡμέρας, ἄλλο μετ' ἄλλο στρατόπεδον ἡγειρέ τε καὶ καθήρει, καὶ τάφρους ὠρυσσε βαθυτάτας καὶ ἐνεπίμπλη, τείχη τε μεγάλα ὠκοδόμει καὶ κατέφερεν, αὐτὸς ἐξ ἡοῦς ἐς ἐσπέραν ἅπαντα ἐφορῶν. τὰς δὲ ὁδοιπορίας, ἵνα μὴ τις ὥς πάλαι διασκιδνῶτο, ἦγεν ἐν πλινθίοις ἀεί, καὶ τὴν δεδομένην ἐκάστῳ τάξιν οὐκ ἦν ἐναλλάξαι. περιῶν τε τὴν ὁδοιπορίαν, καὶ τὰ πολλὰ οὐραγῶν, τοὺς μὲν ἀρρωστοῦντας ἐπὶ τοὺς ἵππους ἀνεβίβαζεν ἀντὶ τῶν ἰπέων, τὰ δὲ βαρύντα τὰς ἡμιόνους ἐς τοὺς πεζοὺς διεμέριζεν. εἰ δὲ σταθμεῦοι, τοὺς μὲν προφύλακας τῆς ἡμέρας ἐκ τῆς ὁδοιπορίας ἔδει περὶ τὸν χάρακα ἵστασθαι, καὶ ἰπέων ἐτέραν ἵλην περιτρέχειν· οἱ δ' ἄλλοι τὰ ἔργα διήρηντο, καὶ τοῖς μὲν ταφρεύειν ἐτέτακτο, τοῖς δὲ τειχίζειν, τοῖς δὲ σκηνοποιεῖν, χρόνου τε μῆκος ὠρίζετο αὐτοῖς καὶ διεμετρεῖτο.

[87] ὅτε δ' εἴκασεν ὁξὺ καὶ εὐπειθὲς αὐτῷ καὶ φερέπονον γεγονέναι τὸ στράτευμα, μετέβαινεν ἀγχοῦ τῶν Νομαντίνων. προφυλακὰς δέ, ὥσπερ τινές, ἐπὶ φρουρίων οὐκ ἐποιεῖτο· οὐδὲ διήρει ποι τὸν στρατὸν ὅλως, τοῦ μὴ τινὸς ἐν ἀρχῇ γενομένου πταίσματος εὐκαταφρόνητον τοῖς πολεμίοις αὐτὸν γενέσθαι, καὶ τέως καταφρονούσιν. οὐδ' ἐπεχείρει τοῖς ἐχθροῖς, ἔτι περισκοπῶν αὐτόν τε τὸν πόλεμον καὶ τὸν καιρὸν αὐτοῦ καὶ τὴν τῶν Νομαντίνων ὁρμήν, ἐς ὃ τι τρέψοιντο. τὰ δὲ ὀπίσω τοῦ στρατοπέδου πάντα ἐχորτολόγει, καὶ τὸν σῖτον ἔκειρεν ἔτι χλωρόν. ὥς δ' αὐτῷ ταῦτα ἐξετεθέριστο καὶ ἐς τὸ πρόσθεν ἔδει βαδίζειν, ὁδὸς μὲν ἦν παρὰ τὴν Νομαντίαν ἐπὶ τὰ πεδία σύντομος, καὶ πολλοὶ

συνεβούλευον ἐς αὐτὴν τραπέσθαι. ὁ δ' ἔφη τὴν ἐπάνοδον δεδιέναι, κούφων μὲν τότε τῶν πολεμίων ὄντων, καὶ ἐκ πόλεως ὀρμωμένων καὶ ἐς πόλιν ἀφορμώντων: 'οἱ δ' ἡμέτεροι βαρεῖς ἐπανάσιν ὥς ἀπὸ σιτολογίας καὶ κατάκοποι, καὶ κτῆνη καὶ ἀμάξας καὶ φορτία ἄγουσιν. δυσχερὴς τε ὅλως καὶ ἀνόμοιος ὁ ἀγών: ἡσσωμένοις μὲν γὰρ πολὺς ὁ κίνδυνος, νικῶσι δὲ οὐ μέγα τὸ ἔργον, οὐδ' ἐπικερδές.' εἶναι δ' ἄλογον κινδυνεύειν ἐπὶ ὀλίγοις, καὶ στρατηγὸν ἀμελεῖ τὸν ἀγωνιζόμενον πρὸ τῆς χρείας, ἀγαθὸν δὲ τὸν ἐν μόναις παρακινδυνεύοντα ταῖς ἀνάγκαις. συγκρίνων δ' ἔφη καὶ τοὺς ἰατροὺς μὴ χρῆσθαι τομαῖς μηδὲ καύσεσι πρὸ φαρμάκων. ταῦτ' εἰπὼν ἐκέλευε τοῖς ἡγεμόσι τὴν μακροτέραν περιάγειν. καὶ συνεζήτει τότε μὲν ἐς τὸ πέραν τοῦ στρατοπέδου, ὕστερον δὲ ἐς τὰ Οὐακκαίων, ὅθεν οἱ Νομαντίνοι τὰς τροφὰς ἐωνοῦντο, κείρων ἅπαντα, καὶ τὰ χρήσιμα ἐς τὰς ἑαυτοῦ τροφὰς συλλέγων, τὰ δὲ περιττὰ σωρεύων τε καὶ κατακαίων.

[88] ἐν δέ τινι πεδίῳ τῆς Παλλαντίας, ὄνομα Κοπλανίῳ, πολλοὺς ἐπὶ τῶν ὁρῶν ὑπὸ λόφοις ἔκρυσαν οἱ Παλλάντιοι, καὶ ἐτέροις ἐς τὸ φανερόν τοὺς σιτολογοῦντας ἠνώχλουν. ὁ δὲ Ρουτίλιον Ροῦφον, συγγραφέα τῶνδε τῶν ἔργων, τότε χιλιαρχοῦντα, ἐκέλευσε τέσσαρας ἱππέων ἴλας λαβόντα ἀναστεῖλαι τοὺς ἐνοχλοῦντας. Ροῦφος μὲν οὖν ὑποχωροῦσιν αὐτοῖς ἀμέτρως εἶπετο, καὶ φεύγουσιν ἐς τὸν λόφον συνανεπήδα, ἔνθα τῆς ἐνέδρας ἐκφανείσης ἐκέλευε τοὺς ἱππέας μῆτε διώκειν μῆτε ἐπιχειρεῖν ἔτι, ἀλλ' ἐν προβολῇ τὰ δόρατα θεμένους ἐστάναι καὶ ἐπιόντας ἀμύνεσθαι μόνον. ὁ δὲ Σκιπίων εὐθὺς ἀνατρέχοντος αὐτοῦ παρὰ τὸ πρόσταγμα δείσας εἶπετο κατὰ σπουδὴν, καὶ ὥς ἤϋρε τὴν ἐνέδραν, ἐς δύο διεῖλε τοὺς ἱππέας, καὶ προσέταξεν αὐτῶν ἑκατέροις παρὰ μέρος ἐμπηδᾶν τοῖς πολεμίοις, καὶ ἀκοντίσαντας ὁμοῦ πάντας εὐθὺς ἀναχωρεῖν, οὐκ ἐς τὸν αὐτὸν τόπον, ἀλλ' αἰεὶ κατ' ὀλίγον προστιθέντας ὀπίσω καὶ ὑποχωροῦντας. οὕτω μὲν τοὺς ἱππέας ἐς τὸ πεδίον περιέσωσεν: ἀναζευγνύοντι δ' αὐτῷ καὶ ἀναχωροῦντι ποταμὸς ἦν ἐν μέσῳ δύσπορος τε καὶ ἰλυώδης, καὶ παρ' αὐτὸν ἐνήδρευον οἱ πολέμιοι. ὁ δὲ μαθὼν ἐξέκλινε τῆς ὁδοῦ, καὶ μακροτέραν ἦγε καὶ δυσενέδρευτον, νυκτός τε ὁδεύων διὰ τὸ δίψος καὶ φρέατα ὀρύσσων, ὧν τὰ πλέονα πικρὰ ἠύρισκετο. τοὺς μὲν οὖν ἄνδρας ἐπιμόχθως περιέσωσεν, ἵπποι δὲ τινες αὐτοῦ καὶ ὑποζύγια ὑπὸ τῆς δίψης ἀπώλοντο.

[89] καὶ Καυκαίους δὲ παροδεύων, ἐς οὓς παρεσπόνδησε Λεύκολλος, ἐκήρυξε Καυκαίους ἐπὶ τὰ ἑαυτῶν ἀκινδύνως κατέρχεσθαι. καὶ παρήλθεν ἐς τὴν Νομαντίνην χειμᾶσων, ἔνθα αὐτῷ καὶ Ἰογόρθας ἐκ Λιβύης ἀφίκετο, ὁ Μασσανάσσου υἱόνος, ἄγων ἐλέφαντας δυοκαίδεκα καὶ τοὺς συντασσομένους αὐτοῖς τοξότας τε καὶ σφενδονήτας. αἰεὶ δέ τι δηῶν, καὶ τὰ περικείμενα πορθῶν, ἔλαθε περὶ κόμην ἐνεδρευθεῖς, ἦν ἐκ τοῦ πλέονος τέλμα πηλοῦ περιεῖχεν, ἐπὶ δὲ θάτερα φάραγξ ἦν, καὶ ἀφανὴς ἐν ἐκείνῃ λόχος ὑπεκρύπτετο. τῆς οὖν στρατιᾶς τῷ Σκιπίωνι διηρημένης, οἱ μὲν τὴν κόμην ἐπὶ ὁρῶν ἐσελθόντες, τὰ σημεῖα ἔξω καταλιπόντες, οἱ δὲ περιίππευον οὐ πολλοί. τούτοις οὖν ἐμπίπτουσιν οἱ λοχῶντες. καὶ οἱ μὲν αὐτοὺς ἀπεμάχοντο, ὁ δὲ Σκιπίων ἔτυχε γὰρ πρὸ τῆς κόμης παρὰ τὰ σημεῖα ἐστῶς ἀνεκάλει τῇ σάλπιγγι τοὺς ἔνδον, καὶ πρὶν αὐτῷ γενέσθαι χιλίους, τοῖς ἱππεῦσιν

ἐνοχλουμένοις ἐπεβοήθει. τοῦ δὲ στρατοῦ τοῦ πλέονος ἐκ τῆς κώμης ἐκδραμόντος, ἐτρέψατο μὲν ἐς φυγὴν τοὺς πολεμίους, οὐ μὴν ἐδίωκε φεύγοντας, ἀλλ' ἐς τὸν χάρακα ἀνεχώρει πεσόντων ἐκατέρωθεν ὀλίγων.

[90] μετ' οὐ πολὺ δὲ ἀγχοτάτω τῆς Νομαντίας δύο στρατοπέδα θέμενος, τῷ μὲν ἐπέστησε τὸν ἀδελφὸν Μάξιμον, τοῦ δὲ αὐτὸς ἡγεῖτο. Νομαντίνων δὲ θαμινὰ ἐκτασσόντων καὶ προκαλουμένων αὐτὸν ἐς μάχην ὑπερώρα, οὐ δοκιμάζων ἀνδράσιν ἐξ ἀπογνώσεως μαχομένοις συμπλέκεσθαι μᾶλλον ἢ συγκλείσας αὐτοὺς ἐλεῖν λιμῶ. φρούρια δ' ἐπτὰ περιθείς, πολιορκίαν ... ἐπιγράψας ἐκάστοις οὗς ἔδει πέμπειν. ὥς δὲ ἦλθον, ἐς μέρη πολλὰ διεῖλεν αὐτούς, καὶ τὴν ἑαυτοῦ στρατιὰν ἐπιδιεῖλεν: εἴθ' ἡγεμόνας ἐπιστήσας ἐκάστω μέρει προσέταξε περιταφρεῦειν καὶ περιχαρακοῦν τὴν πόλιν. ἦν δὲ ἡ περίοδος ἢ μὲν αὐτῆς Νομαντίας τέσσαρες καὶ εἴκοσι στάδιοι, ἢ δὲ τοῦ χαρακώματος ὑπὲρ τὸ διπλάσιον. καὶ τοῦτο διήρητο πᾶν οἱ κατὰ μέρος ἕκαστον. καὶ προεῖρητο, εἴ τι ἐνοχλοῖεν οἱ πολέμοι, σημεῖον ἐξαίρειν, ἡμέρας μὲν φοινικίδα ἐπὶ δόρατος ἰψηλοῦ, νυκτὸς δὲ πῦρ, ἵνα τοῖς δεομένοις ἐπιθέοντες αὐτὸς τε καὶ Μάξιμος ἀμύνοιεν. ὥς δ' ἐξείργαστο πάντα αὐτῶ, καὶ τοὺς κωλύοντας εἶχεν ἱκανῶς ἀπομάχεσθαι, ἐτέραν τάφρον ὥρυσεν οὐ μακρὰν ὑπὲρ ἐκείνην, καὶ σταυροὺς αὐτῇ περιεπήγνυ, καὶ τεῖχος ὠκοδόμει, οὗ τὸ μὲν πάχος ἦν πόδες ὀκτώ, τὸ δὲ ὕψος δέκα χωρὶς τῶν ἐπάλλεων. πύργοι τε πανταχόθεν αὐτῶ διὰ πλέθρου περιέκειντο. καὶ λίμνην συνάπτουσαν οὐκ ἐνὸν περιτειχίσαι, χῶμα αὐτῇ περιέθηκεν ἴσον τῷ τείχει καὶ τὸ βάθος καὶ τὸ ὕψος, ὥς ἂν εἴη καὶ τότε ἀντὶ τείχους.

[91] οὕτω μὲν ὁ Σκιπίων ὅδε πρῶτος, ὥς ἐμοὶ δοκεῖ, περιτειχίσαι πόλιν οὐ φυγομαχοῦσαν: τὸν τε Δόριον ποταμόν, συμφερόμενον τῷ περιτειχίσματι καὶ πολλὰ τοῖς Νομαντίνοις χρησίμον ἐς τε ἀγορᾶς κομιδὴν καὶ διαπομπὴν ἀνδρῶν, ὅσοι κατ' αὐτὸν κολυμβηταί τε καὶ σκάφεσι μικροῖς ἐλάνθανον, ἢ ἰστίοις, ὅτε λάβρον εἴη τὸ πνεῦμα, ἐβιάζοντο, ἢ κώπαις κατὰ τὸ ρεῦμα, ζευξαι μὲν οὐκ ἐδύνατο πλατὺν ὄντα καὶ πάνυ ροώδη, φρούρια δὲ ἀντὶ γεφύρας αὐτῶ δύο περιθείς ἀπήρτησε καλωδίους δοκοὺς μακρὰς ἐξ ἐκατέρου φρουρίου, καὶ ἐς τὸ πλάτος τοῦ ποταμοῦ μεθῆκεν, ἐχούσας ἐμπεπηγότα πυκνὰ ξίφη τε καὶ ἀκόντια. αἱ δ' ὑπὸ τοῦ ροῦ, τοῖς ξίφεσι καὶ τοῖς ἀκοντίοις ἐμπίπτοντος, ἀεὶ περιστρεφόμεναι οὔτε διανηχομένους οὔτ' ἐπιπλέοντας οὔτε ὑποδύνοντας εἶων λαθεῖν. τοῦτο δ' ἦν οὗ μάλιστα ὁ Σκιπίων ἐπεθύμει, μηδεὶν αὐτοῖς ἐπιμιγνυμένων μηδ' ἐσιόντος ἀγνοεῖν αὐτοὺς ὃ τι γίνοιτο ἕξω: οὕτω γὰρ ἀπορήσειν ἀγορᾶς τε καὶ μηχανῆς πάσης.

[92] ὥς δ' ἡτοίμαστο πάντα, καὶ καταπέλται μὲν ἐπέκειντο τοῖς πύργοις ὀξυβελεῖς τε καὶ λιθοβόλοι, ταῖς δ' ἐπάλλεσι παρέκειντο λίθοι καὶ βέλη καὶ ἀκόντια, τὰ δὲ φρούρια τοξόται καὶ σφενδονῆται κατεῖχον, ἀγγέλους μὲν ἐπέστησε πυκνοὺς κατὰ τὸ ἐπιτειχισμα πᾶν, οἱ νυκτὸς τε καὶ ἡμέρας ἔμελλον ἄλλοι παρ' ἄλλων τὸν λόγον ἐκδεχόμενοι μηνύσειν αὐτῶ τὰ γινόμενα, κατὰ δὲ πύργον ἐκέλευσεν, εἴ τι γίνοιτο, σημεῖον ἐκ πρώτου τοῦ πονοῦντος αἰρεσθαι, καὶ τὸ αὐτὸ πάντας ἐπαίρειν ὅταν τὸν ἀρξάμενον θεάσωνται, ἵνα τὸ μὲν κίνημα παρὰ τοῦ σημείου θᾶσσον ἐπιγιγνώσκοι, τὸ δὲ ἀκριβὲς παρὰ τῶν ἀγγέλων. τῆς δὲ στρατιᾶς οὔσης σὺν τοῖς ἐπιχωρίοις ἐς ἐξακισμυρίους, τὸ μὲν

ἥμισυ διετέτακτο αὐτῷ τειχοφυλακεῖν, καὶ ἐς τὰ ἀναγκαῖα, εἴ πῃ δεήσει, μεταχωρεῖν, δισμύριοι δὲ τειχομαχήσειν ἔμελλον, ὅτε χρεῖα γένοιτο, καὶ τούτοις ἐφεδρεύειν ἕτεροι μύριοι. χωρίον δὲ καὶ τούτων ἐκάστοις διετέτακτο: καὶ μεταπηδᾶν, εἰ μὴ κελεύσειεν, οὐκ ἐξῆν. ἐς δὲ τὸ τεταγμένον εὐθὺς ἀνεπήδων, ὅτε τι σημεῖον ἐπιχειρήσεως ἐπαρθεῖη.

οὕτω μὲν τῷ Σκιπίωνι πάντα ἀκριβῶς διετέτακτο:

[93] οἱ δὲ Νομαντῖνοι πολλὰκις μὲν τοῖς φυλάσσουσιν ἐπεχείρουν, ἄλλοτε ἄλλη κατὰ μέρη, ταχεῖα δ' αὐτίκα καὶ καταπληκτικὴ τῶν ἀμυνομένων ἢ ὄψις ἦν, σημείων τε ὑψηλῶν πανταχόθεν αἰρομένων καὶ ἀγγέλων διαθεόντων, καὶ τῶν τειχομάχων ἀθρόως ἀναπηδόντων ἐς τὰ τεῖχη, σαλπικτῶν τε κατὰ πάντα πύργον ἐξοτρυνόντων, ὥστε τὸν κύκλον ὅλον εὐθὺς ἅπασιν εἶναι φοβερῶτατον, ἐς πεντήκοντα σταδίους ἐπέχοντα ἐν περιόδῳ. καὶ τόνδε τὸν κύκλον ὁ Σκιπίων ἐκάστης ἡμέρας τε καὶ νυκτὸς ἐπισκοπῶν περιήει.

ὁ μὲν δὴ τοὺς πολεμίους ὧδε συγκλείσας οὐκ ἐς πολὺ ἀρκέσειν ἐνόμιζεν, οὔτε τροφῆς ἔτι προσιοῦσης σφίσιν οὔτε ὅπλων οὐτ' ἐπικουρίας:

[94] Ῥητογένης δέ, ἀνὴρ Νομαντίνος, ὃ Καραύνιος ἐπὶ κλησὶς ἦν, ἄριστος ἐς ἀρετὴν Νομαντίνων, πέντε πείσας φίλους, σὺν παισὶν ἄλλοις τοσοῖσδε καὶ ἵπποις τοσοῖσδε ἐν νυκτὶ συννεφεῖ διήλθε λαθὼν τὸ μεταίχμιον, κλίμακα φέρων πτυκτὴν, καὶ φθάσας ἐς τὸ περιτείχισμα ἀνεπήδησεν αὐτός τε καὶ οἱ φίλοι, καὶ τοὺς ἐκατέρωθεν φύλακας ἀνελόντες τοὺς μὲν θεράποντας ἀπέπεμψαν ὀπίσω, τοὺς δ' ἵππους διὰ τῆς κλίμακος ἀναγαγόντες ἐξίππευσαν ἐς τὰς Ἀρουακῶν πόλεις σὺν ἱκετηρίαις, δεόμενοι Νομαντίνους συγγενέσιν οὗσιν ἐπικουρεῖν. τῶν δ' Ἀρουακῶν οἱ μὲν οὐδ' ὑπήκουον αὐτῶν, ἀλλ' εὐθὺς ἀπέπεμπον δεδιότες. Λουτία δὲ πόλις ἦν εὐδαίμων, τριακοσίους σταδίους ἀφεςτῶσα ἀπὸ Νομαντίνων, ἧς οἱ μὲν νέοι περὶ τοὺς Νομαντίνους ἐσπουδάκεσαν καὶ τὴν πόλιν ἐς συμμαχίαν ἐνήγον, οἱ πρεσβύτεροι δ' ἐμήνυσαν κρύφα τῷ Σκιπίωνι. καὶ ὁ Σκιπίων ὀγδόης ὥρας πυθόμενος ἐξήλαυνεν αὐτίκα σὺν εὐζώνοις ὅτι πλείστοις, καὶ ἅμα ἔφ' τὴν Λουτίαν φρουρᾷ περιλαβὼν ἤτει τοὺς ἐξάρχους τῶν νέων. ἐπεὶ δ' ἐξωρμηκέναι τῆς πόλεως αὐτοὺς ἔλεγον, ἐκήρυξε διαρπάσειν τὴν πόλιν, εἰ μὴ τοὺς ἄνδρας παραλάβοι. οἱ μὲν δὴ δεισάντες προσῆγον αὐτούς, ἐς τετρακοσίους γενομένους: ὁ δὲ τὰς χεῖρας αὐτῶν ἐκτεμὼν ἀνέστησε τὴν φρουράν, καὶ διαδραμὼν αὐθὺς ἅμ' ἔφ' τῆς ἐπιούσης παρῆν ἐς τὸ στρατόπεδον.

[95] Νομαντῖνοι δὲ κάμνοντες ὑπὸ λιμοῦ πέντε ἄνδρας ἔπεμπον ἐς τὸν Σκιπίωνα, οἷς εἴρητο μαθεῖν εἰ μετριοπαθῶς σφίσι χρήσεται παραδοῦσιν αὐτούς. Αὖρος δ' αὐτῶν ἡγούμενος πολλὰ μὲν περὶ τῆς προαιρέσεως καὶ ἀνδρείας τῶν Νομαντίνων ἐσεμνολόγησε, καὶ ἐπεῖπεν ὥς οὐδὲ νῦν ἀμάρτοιεν, ὑπὲρ παίδων καὶ γυναικῶν καὶ ἐλευθερίας πατρίου κακοπαθοῦντες ἐς τοσόνδε κακοῦ. 'διὸ καὶ μάλιστα,' εἶπεν, 'ὃ Σκιπίων, ἄξιόν ἐστι σέ, τοσῆσδε ἀρετῆς γέμοντα, φείσασθαι γένους εὐψύχου τε καὶ ἀνδρικοῦ, καὶ προτεῖναι τὰ φιланθρωπότερα τῶν κακῶν ἡμῖν, ἃ καὶ δυνησόμεθα ἐνεγκεῖν, ἄρτι πειρώμενοι μεταβολῆς. ὥς οὐκ ἐφ' ἡμῖν ἔτι ἐστίν, ἀλλ' ἐπὶ σοί, τὴν πόλιν ἢ παραλαβεῖν, εἰ τὰ μέτρια κελεύοις, ἢ μαχομένην ὑπεριδεῖν ἀπολέσθαι.' ὁ μὲν Αὖρος ὧδε εἶπεν, ὁ δὲ Σκιπίων ἥσθετο γὰρ παρὰ τῶν αἰχμαλώτων τὰ ἔνδον

ἔφη δεῖν αὐτοὺς ἐγγχειρίσαι τὰ κατὰ σφᾶς καὶ σὺν ὅλοις παραδοῦναι τὴν πόλιν. ὦν ἀπαγγεληθέντων οἱ Νομαντῖνοι, χαλεποὶ καὶ τέως ὄντες ὀργὴν ὑπ' ἐλευθερίας ἀκράτου καὶ ἀηθείας ἐπιταγμάτων, τότε καὶ μᾶλλον ὑπὸ τῶν συμφορῶν ἡγριωμένοι τε καὶ ἀλλόκοτοι γεγονότες τὸν Αὔαρον καὶ τοὺς σὺν αὐτῷ πέντε πρέσβεις ἀπέκτειναν ὡς κακῶν ἀγγέλους καὶ τὸ σφέτερον ἀσφαλὲς ἴσως διωκημένους παρὰ τῷ Σκιπίωνι.

[96] μετὰ δ' οὐ πολὺ πάντων αὐτοὺς τῶν ἐδεστῶν ἐπιλιπόντων, οὐ καρπὸν ἔχοντες, οὐ πρόβατον, οὐ πόαν, πρῶτα μὲν, ὥσπερ τινὲς ἐν πολέμων ἀνάγκαις, δέρματα ἔψοντες ἐλιχμῶντο, ἐπιλιπόντων δ' αὐτοὺς καὶ τῶν δερμάτων ἐσαρκοφάγουν ἔψοντες τὰ ἀνθρώπεια, πρῶτα μὲν τὰ τῶν ἀποθνησκόντων κοπτόμενα ἐν μαγειρείοις, ἐπὶ δ' ἐκείνοις τῶν νοσοῦντων κατεφρόνουν, καὶ τοὺς ἀσθενεστέρους ἐβιάζοντο οἱ δυνατώτεροι. κακῶν τε οὐδὲν αὐτοῖς ἀπῆν, ἡγριωμένοις μὲν τὰς ψυχὰς ὑπὸ τῶν τροφῶν, τεθριωμένοις δὲ τὰ σώματα ὑπὸ λιμοῦ καὶ λοιμοῦ καὶ κόμης καὶ χρόνου. οὕτω δ' ἔχοντες αὐτοὺς ἐπέτρεπον τῷ Σκιπίωνι. ὁ δ' ἐκέλευεν αὐτοὺς τῆς μὲν ἡμέρας ἐκείνης συνενεγκεῖν τὰ ὅπλα ἔνθα συνέταξε, τῆς δ' ἐπιούσης προσελθεῖν ἐς ἕτερον χωρίον. οἱ δ' ὑπερεβάλλοντο τὴν ἡμέραν, ὁμολογήσαντες ὅτι πολλοὶ τῆς ἐλευθερίας ἔτι ἔχονται καὶ ἐθέλουσιν αὐτοὺς ἐξαγαγεῖν τοῦ βίου. τὴν οὖν ἡμέραν ἤτουν ἐς τοῦ θανάτου τὴν διάθεσιν.

[97] τοσόσδε ἔρωσ ἐλευθερίας καὶ ἀνδραγαθίας ἦν ἐν πόλει βαρβάρῳ τε καὶ σμικρᾷ. ἐς γὰρ ὀκτακισχιλίους ἐπ' εἰρήνης γενόμενοι οἷα μὲν καὶ ὅσα Ῥωμαίους ἔδρασαν, οἷας δὲ συνθήκας αὐτοῖς ἔθεντο ἐπὶ ἴσῃ καὶ ὁμοίᾳ, οὐδέσι ταῦτα συνθέσθαι Ῥωμαίων ὑποστάντων, οἷον δ' ὄντα τὸν τελευταῖον στρατηγόν, ἕξ μυριάσιν αὐτοὺς περικαθήμενον, προυκαλέσαντο πολλάκις ἐς μάχην. ὁ δὲ ἦν ἄρα στρατηγικώτερος αὐτῶν, ἐς χεῖρας οὐκ ἰὼν θηρίοις, ἀλλὰ τῷ λιμῷ σφᾶς κατεργαζόμενος, ἀμάχῳ κακῷ, ᾧ δὴ καὶ μόνῳ ληφθῆναι τε δυνατόν ἦν ἄρα Νομαντίνους, καὶ ἐλήφθησαν μόνῳ.

ἐμοὶ μὲν δὴ ταῦτα περὶ Νομαντίνων εἰπεῖν ἐπῆλθεν, ἐς τὴν ὀλιγότητα αὐτῶν καὶ φερεπονίαν ἀφορῶντι, καὶ ἔργα πολλὰ, καὶ χρόνον ὅσον διεκαρτέρησαν: οἱ δὲ πρῶτα μὲν αὐτοὺς, οἱ βουλόμενοι, διεχρῶντο, ἕτερος ἐτέρως: οἱ λοιποὶ δ' ἐξήσαν τρίτης ἡμέρας ἐς τὸ δεδομένον χωρίον, δυσόρατοί τε καὶ ἀλλόκοτοι πάμπαν ὀφθῆναι, οἷς τὰ μὲν σώματα ἦν ἀκάθαρτα καὶ τριχῶν καὶ ὀνύχων καὶ ῥύπου μεστά, ὠδώδεσαν δὲ χαλεπώτατον, καὶ ἐσθῆς αὐτοῖς ἐπέκειτο πιναρὰ καὶ ἦδε καὶ οὐχ ἦσσαν δυσώδης. ἐφαίνοντο δὲ τοῖς πολεμίοις ἐλεεινοὶ μὲν ἀπὸ τῶνδε, φοβεροὶ δ' ἀπὸ τῶν βλεμμάτων: ἔτι γὰρ αὐτοὺς ἐνεώρων ἕκ τε ὀργῆς καὶ λύπης καὶ πόνου καὶ συνειδότος ἀλληλοφαγίας.

[98] ἐπιλεξάμενος δ' αὐτῶν πεντήκοντα ὁ Σκιπίων ἐς θρίαμβον, τοὺς λοιποὺς ἀπέδοτο, καὶ τὴν πόλιν κατέσκαψε, δύο μὲν τάσδε πόλεις δυσμαχωτάτας ἐλὼν στρατηγὸς ὁδε Ῥωμαίων, Καρχηδόνα μὲν αὐτῶν Ῥωμαίων ψηφισαμένων διὰ μέγεθος πόλεως τε καὶ ἀρχῆς καὶ εὐκαιρίαν γῆς καὶ θαλάσσης, Νομαντίαν δὲ σμικράν τε καὶ ὀλιγάνθρωπον, οὐπω τι Ῥωμαίων περὶ αὐτῆς ἐγνώκωτων, αὐτός, εἴτε συμφέρειν Ῥωμαίοις ἡγούμενος, εἴτε ἄκρος ὦν ὀργὴν καὶ φιλόνηκος ἐς τὰ λαμβανόμενα, εἴθ' ὡς ἔνιοι νομίζουσι,

τὴν δόξαν ἡγούμενος διώνυμον ἐπὶ τοῖς μεγάλοις γίνεσθαι κακοῖς· καλοῦσι γοῦν αὐτὸν οἱ Ῥωμαῖοι μέχρι νῦν, ἀπὸ τῶν συμφορῶν ἃς ἐπέθηκε ταῖς πόλεσιν, Ἀφρικανόν τε καὶ Νομαντῖνον. τότε δὲ τὴν γῆν τὴν Νομαντῖνων τοῖς ἐγγὺς οἰκοῦσι διελών, καὶ ταῖς ἄλλαις πόλεσι χρηματίσας, καὶ εἴ τι ἦν ὑποπτον, ἐπιπλήξας τε καὶ ζημιώσας χρήμασιν, ἀπέπλευσεν ἐπ' οἴκου.

[99] Ῥωμαῖοι δέ, ὡς ἔθος, ἐς τὰ προσειλημμένα τῆς Ἰβηρίας ἐπεμψαν ἀπὸ τῆς βουλῆς ἄνδρας δέκα τοὺς καταστησομένους αὐτὰ ἐς εἰρήνην, ὅσα Σκιπῶν τε ἔλαβε καὶ Βροῦτος πρὸ τοῦ Σκιπῶνος ὑπηγάγετο ἢ ἐχειρώσατο. χρόνῳ δ' ὕστερον, ἀποστάσεων ἄλλων ἐν Ἰβηρίᾳ γενομένων, Καλπούρνιος Πίσων στρατηγὸς ἡρέθη. καὶ αὐτὸν διεδέξατο μὲν Σέρουιος Γάλλας, Κίμβρων δ' ἐπιστρατευόντων τῇ Ἰταλίᾳ, καὶ Σικελίας πολεμουμένης τὸν δεῦτερον δουλικὸν πόλεμον, στρατιὰν μὲν ἐς Ἰβηρίαν οὐκ ἐπεμπον ὑπ' ἀσχολίας, πρέσβεις δὲ ἀπεστέλλον, οἱ τὸν πόλεμον ἔμελλον ὅπῃ δύναιντο καταθήσεσθαι. Κίμβρων δὲ ἐξελαθέντων, Τίτος Δεΐδιος ἐπελθὼν Ἀρουακῶν μὲν ἔκτεινεν ἐς δισμυρίους, Τερμησὸν δέ, μεγάλην πόλιν ἀεὶ δυσπειθῇ Ῥωμαίοις γενομένην, ἐξ ἐρυμοῦ κατήγαγεν ἐς τὸ πεδῖον, καὶ ἐκέλευσεν οἰκεῖν ἀτειχίστους. Κολένδαν δὲ προσκαθίσας ἐνάτῳ μηνὶ παρέλαβεν ἐγχειρίσασαν ἑαυτήν, καὶ τοὺς Κολενδέας ἅπαντας μετὰ παίδων καὶ γυναικῶν ἀπέδοτο.

[100] πόλιν δ' ἐτέραν τῆς Κολένδης πλησίον ὄκουν μιγάδες Κελτιβήρων, οὓς Μάρκος Μάριος συμμαχήσαντας αὐτῷ κατὰ Λυσιτανῶν, τῆς βουλῆς ἐπιτρεπούσης, ὤκικει πρὸ πάντε ἐνιαυτῶν. ἐλήστευον δ' ἐξ ἀπορίας οὗτοι· καὶ κρίνας αὐτοὺς ὁ Δεΐδιος ἀνελεῖν, συνθεμένων αὐτῷ τῶν δέκα πρέσβεων ἔτι παρόντων, ἔφη τοῖς ἐπιφανέσιν αὐτῶν ἐθέλειν τὴν Κολενδέαν χώραν αὐτοῖς προσορίσαι πενομένοις. ἀσπαζομένους δὲ ὀρῶν ἐκέλευε, τῷ δήμῳ ταῦτα μετενεγκόντας, ἥκειν μετὰ γυναικῶν καὶ παίδων τὴν χώραν μεριουμένους. ἐπεὶ δ' ἀφίκοντο, προσέταξε τοὺς στρατιώτας ἐκ τοῦ χάρακος ἐξελεῖν καὶ τοὺς ἐνεδρευομένους ἔσω παρελθεῖν ὡς ἀπογραφόμενος αὐτῶν ἔνδον τὸ πλῆθος, ἐν μέρει μὲν ἀνδρῶν ἐν μέρει δὲ παίδων καὶ γυναικῶν, ἵνα ἐπιγνοίῃ πόσῃν χώραν αὐτοῖς δέοι διελεῖν. ὡς δὲ παρῆλθον ἐς τὴν τάφρον καὶ τὸ χαράκωμα, περιστήσας αὐτοῖς τὸν στρατὸν ὁ Δεΐδιος ἔκτεινε πάντας. καὶ ἐπὶ τοῖσδε Δεΐδιος μὲν καὶ ἐθριάμβευσε, πάλιν δὲ τῶν Κελτιβήρων ἀποστάντων Φλάκκος ἐπιτεμφθεὶς ἔκτεινε δισμυρίους. ἐν δὲ Βελγῇδῃ πόλει ὁ μὲν δῆμος ἐς ἀπόστασιν ὁρμῶν τὴν βουλὴν ὀκνοῦσαν ἐνέπρησεν αὐτῷ βουλευτηρίῳ, ὁ δὲ Φλάκκος ἐπελθὼν ἔκτεινε τοὺς αἰτίους.

[101] τοσάδε μὲν ἡῶρον ἄξια λόγου Ῥωμαίοις ἐς τότε πρὸς Ἰβηρας αὐτοὺς γεγόμενα· χρόνῳ δ' ὕστερον στασιαζόντων ἐν Ῥώμῃ Σύλλα τε καὶ Κίinna, καὶ ἐς ἐμφυλίους πολέμους καὶ στρατόπεδα κατὰ τῆς πατρίδος διηρημένων, Κόιντος Σεργώριος, ἐκ τῆς Κίinna στάσεως αἰρεθεὶς τῆς Ἰβηρίας ἄρχειν, Ἰβηρίαν τε αὐτὴν ἐπανάστησε Ῥωμαίοις, καὶ πολὺν στρατὸν ἀγείρας, καὶ βουλὴν τῶν ἰδίων φίλων ἐς μίμημα τῆς συγκλήτου καταλέξας, ἤλαυνεν ἐς Ῥώμην ἐπὶ τόλμῃς καὶ φρονήματος λαμπροῦ, καὶ τᾶλλα ὧν ἐς θρασύτητα περιώνυμος, ὥστε τὴν βουλὴν δείσασαν ἐλέσθαι τοὺς παρὰ σφίσιν ἐπὶ μεγίστης τότε δόξης στρατηγούς, Καικιλίον τε Μέτελλον μετὰ πολλοῦ

στρατοῦ καὶ Γναῖον Πομπήιον ἐπ' ἐκείνῳ μεθ' ἑτέρου στρατοῦ, ἵνα τὸν πόλεμον, ὅπῃ δύναιτο, ἐξωθοῖεν ἐκ τῆς Ἰταλίας ἐν διχοστασίᾳ τότε μάλιστα οὔσης. ἀλλὰ Σερτώριον μὲν τῶν στασιωτῶν τις αὐτοῦ Περπέρνας ἀνελὼν ἑαυτὸν ἐπὶ Σερτωρίῳ στρατηγὸν ἀπέφηνε τῆς ἀποστάσεως, Περπέρναν δ' ἔκτεινε μάχῃ Πομπήιος, καὶ ὁ πόλεμος ὅδε, θορυβήσας δὴ τῷ φόβῳ μάλιστα Ῥωμαίους, διελύθη. τὸ δὲ ἀκριβὲς αὐτοῦ δηλώσει τὰ περὶ Σύλλαν ἐμφύλια.

[102] μετὰ δὲ τὸν Σύλλα θάνατον Γάιος Καῖσαρ αἵρεθεις Ἰβηρίας στρατηγεῖν, ὥστε καὶ πολεμεῖν οἷς δεήσειεν, ὅσα τῶν Ἰβήρων ἐσαλεύετο ἢ Ῥωμαίοις ἔτι ἔλειπε, πολέμῳ συνηνάγκασε πάντα ὑπακούειν. καὶ τινα αὐθις ἀφιστάμενα Ὀκταούιος Καῖσαρ ὁ τοῦ Γαίου παῖς, ὁ Σεβαστὸς ἐπὶ κλην, ἐχειρώσατο. καὶ ἐξ ἐκείνου μοι δοκοῦσι Ῥωμαῖοι τὴν Ἰβηρίαν, ἣν δὴ νῦν Ἰσπανίαν καλοῦσιν, ἐς τρία διαιρεῖν καὶ στρατηγοὺς ἐπιπέμπειν, ἐτησίους μὲν ἐς τὰ δύο ἢ βουλή, τὸν δὲ τρίτον βασιλεὺς ἐφ' ὅσον δοκιμάσειεν.

Αννιβαικη

ὅσα δὲ Ἀννίβας ὁ Καρχηδόνιος ἐξ Ἰβηρίας ἐς Ἰταλίαν ἐσβαλὼν, ἐκκαίδεκα ἔτεσιν οἷς ἐπέμεινε πολέμων, ἔδρασέ τε καὶ ἔπαθεν ὑπὸ Ῥωμαίων, ἕως αὐτὸν Καρχηδόνιοί τε κινδυνεύοντες περὶ τῇ πόλει ἐπὶ τὰ σφέτερα μετεπέμψαντο καὶ Ῥωμαῖοι τῆς Ἰταλίας ἐξήλασαν, ἥδε ἡ γραφὴ δηλοῖ. ἥ τις δὲ τῷ Ἀννίβα γέγονε τῆς ἐσβολῆς αἰτία τε ἀληθὴς καὶ πρόφασις ἐς τὸ φανερόν, ἀκριβέστατα μὲν ἐν τῇ Ἰβηρικῇ συγγραφῇ δεδήλωται, συγγράφῳ δὲ καὶ νῦν ὅσον ἐς ἀνάμνησιν.

[2] Ἀμίλχαρ ὃ Βάρκας ἐπικλησὶς ἦν, Ἀννίβου τοῦδε πατὴρ, ἐστρατήγει Καρχηδονίων ἐν Σικελίᾳ, ὅτε Ῥωμαῖοι καὶ Καρχηδόνιοι περὶ αὐτῆς ἀλλήλοις ἐπολέμουν. δόξας δὲ πρᾶξι κακῶς ὑπὸ τῶν ἐχθρῶν ἐδίωκετο, καὶ δεδιὼς ἔπραξεν ἐς τοὺς Νομάδας αἰρεθῆναι στρατηγὸς πρὸ τῶν εὐθυνῶν. γενόμενος δὲ χρήσιμος ἐν τῷδε, καὶ τὴν στρατιὰν θεραπεύσας ἀρπαγαῖς καὶ δωρεαῖς, ἤγαγεν ἄνευ τοῦ κοινοῦ Καρχηδονίων ἐπὶ Γάδειρα, καὶ ἐπέρασε τὸν πορθμὸν ἐς Ἰβηρίαν, ὅθεν λάφυρα πολλὰ διέπεμπεν ἐς Καρχηδόνα, θεραπεύων τὸ πλῆθος, εἰ δύναιτο μὴ χαλεπαίνειν αὐτῷ τῆς στρατηγίας τῆς ἐν Σικελίᾳ, χώραν δ' αὐτοῦ κατακτωμένου πολλὴν κλέος τε μέγα ἦν, καὶ Καρχηδονίους ἐπιθυμία πάσης Ἰβηρίας ὡς εὐμαροῦς ἔργου. Ζακανθαῖοι δέ, καὶ ὅσοι ἄλλοι Ἕλληνες ἐν Ἰβηρίᾳ, καταφεύγουσιν ἐπὶ Ῥωμαίους, καὶ γίνεται Καρχηδονίους ὅρος Ἰβηρίας, μὴ διαβαίνειν τὸν Ἰβηρα ποταμόν· καὶ τότε ταῖς Ῥωμαίων καὶ Καρχηδονίων σπονδαῖς ἐνεγράφη. ἐπὶ δὲ τούτῳ Βάρκας μὲν τὴν ὑπὸ Καρχηδονίους Ἰβηρίαν καθιστάμενος ἐν τινὶ μάχῃ πεσὼν ἀποθνήσκει, καὶ στρατηγὸς Ἀσδρούβας ἐπ' αὐτῷ γίνεται, ὃς ἐκήδευε τῷ Βάρκᾳ. καὶ τόνδε μὲν κτείνειν θεράπων ἐν κυνηγεσίῳ, οὗ τὸν δεσπότην ἀνηρήκει.

[3] τρίτος δὲ ἐπὶ τοῖσδε στρατηγὸς Ἰβήρων ὑπὸ τῆς στρατιᾶς ἀποδείκνυται, φιλοπόλεμος καὶ συνετὸς εἶναι δοκῶν, Ἀννίβας ὅδε, Βάρκα μὲν υἱὸς ὢν, Ἀσδρούβου δὲ τῆς γυναικὸς ἀδελφός, νέος δὲ κομιδῇ, καὶ ὡς μειράκιον ἔτι τῷ πατρὶ καὶ τῷ κηδεστῇ συνών. καὶ ὁ δῆμος ὁ Καρχηδονίων αὐτῷ τὴν στρατηγίαν ἐπεψήφισεν. οὕτω μὲν Ἀννίβας, περὶ οὗ τάδε συγγράφω, γίνεται στρατηγὸς Καρχηδονίων ἐπ' Ἰβηρσι· τῶν δ' ἐχθρῶν τῶν Βάρκα τε καὶ Ἀσδρούβου τοὺς φίλους τοὺς ἐκείνων διωκόντων, καὶ Ἀννίβου τοῦδε καταφρονούντων ὡς ἔτι νέου, ἀρχὴν εἶναι τοῦθ' ὁ Ἀννίβας ἐφ' ἑαυτὸν ἠγούμενος, καὶ νομίζων οἱ τὸ ἀσφαλές ἐκ τῶν τῆς πατρίδος φόβων περιέσεσθαι, ἐς πόλεμον αὐτοὺς μέγαν ἐμβαλεῖν ἐπενόει. ὑπολαβὼν δ', ὥσπερ ἦν, τὸ Ῥωμαίοις ἐπιχειρῆσαι χρόνιον τε Καρχηδονίους ἔσεσθαι, καὶ μεγάλην αὐτῷ δόξαν, εἰ καὶ τύχοι παίσας, τό γε ἐγχείρημα οἴσειν, λεγόμενος δὲ καὶ ὑπὸ τοῦ πατρὸς ἐπὶ βωμῶν ἔτι παῖς ὀρκωθῆναι Ῥωμαίοις ἐπιβουλεύων οὐ ποτ' ἐκλείψειν, ἐπενόει παρὰ τὰς σπονδὰς τὸν Ἰβηρα διαβῆναι, καὶ παρεσκευάζε τινας ἐς πρόφασιν κατηγορεῖν Ζακανθαίων. γράφων τε ταῦτα συνεχῶς ἐς Καρχηδόνα, καὶ προστιθείς ὅτι Ῥωμαῖοι κρύφα τὴν Ἰβηρίαν αὐτῶν ἀφιστᾶσιν, ἔτυχε παρὰ Καρχηδονίων πράσσειν ὃ τι δοκιμάσειεν. ὁ μὲν δὴ τὸν Ἰβηρα διαβάς τὴν Ζακανθαίων πόλιν ἠβηδὸν διέφθειρε, Ῥωμαίοις δὲ καὶ

Καρχηδονίοις ἐπὶ τῷδε ἐλέλυντο αἱ σπονδαὶ αἱ γενόμεναι αὐτοῖς μετὰ τὸν πόλεμον τὸν ἐν Σικελίᾳ.

[4] Ἀννίβας δὲ ὅσα μὲν αὐτὸς καὶ οἱ μετ' αὐτὸν ἄλλοι Καρχηδονίων τε καὶ Ῥωμαίων στρατηγοὶ περὶ Ἰβηρίαν ἔπραξαν, ἡ Ἰβηρική γραφὴ δηλοῖ: ἐπιλεξάμενος δὲ Κελτιβήρων τε καὶ Λιβύων καὶ ἐτέρων ἐθνῶν ὅτι πλείστους, καὶ τὰ ἐν Ἰβηρίᾳ παραδοὺς Ἀσδρούβα τῷ ἀδελφῷ, τὰ Πυρρηναῖα ὄρη διέβαιναν ἐς τὴν Κελτικὴν τὴν νῦν λεγομένην Γαλατίαν, ἄγων πεζοὺς ἐνακισμυρίους καὶ ἱππέας ἐς δισχιλίους ἐπὶ μυρίοις καὶ ἐλέφαντας ἑπτὰ καὶ τριάκοντα. Γαλατῶν δὲ τοὺς μὲν ὠνούμενος, τοὺς δὲ πείθων, τοὺς δὲ καὶ βιαζόμενος, δίδωκε τὴν χώραν. ἐλθὼν δὲ ἐπὶ τὰ Ἀλπεία ὄρη, καὶ μηδεμίαν μῆτε δίοδον μῆτε ἄνοδον εὐρών ἀπόκρημνα γάρ ἐστιν ἰσχυρῶς, ἐέβαινε κάκεινοις ὑπὸ τόλμης, κακοπαθῶν χιονος τε πολλῆς οὔσης καὶ κρούους, τὴν μὲν ὕλην τέμνων τε καὶ κατακαίων, τὴν δὲ τέφραν σβεννὺς ὕδατι καὶ ὄξει, καὶ τὴν πέτραν ἐκ τοῦδε ψαφάραν γιγνομένην σφύραις σιδηραῖς θραύων, καὶ ὁδὸν ποιῶν ἢ καὶ νῦν ἐστὶν ἐπὶ τῶν ὁρῶν ἐντριβῆς καὶ καλεῖται δίοδος Ἀννίβου. τῶν δὲ τροφῶν αὐτὸν ἐπιλειπουσῶν ἠπείγετο μὲν, ἔτι λανθάνων ὅτι καὶ πάρεστιν ἐς τὴν Ἰταλίαν, ἔκτω δὲ μόλις ἀπὸ τῆς ἐξ Ἰβήρων ἀναστάσεως μηνί, πλείστους ἀποβαλὼν, ἐς τὸ πεδῖον ἐκ τῶν ὁρῶν κατέβαινε.

[5] καὶ μικρὸν ἀναπαύσας προσέβαλε Ταυρασίᾳ, πόλει Κελτικῇ. κατὰ κράτος δὲ αὐτὴν ἐξελὼν, τοὺς μὲν αἰχμαλώτους ἔσφαξεν ἐς κατάπληξιν τῆς ἄλλης Κελτικῆς, ἐπὶ δὲ ποταμὸν Ἡριδανὸν τὸν νῦν Πάδον λεγόμενον ἐλθὼν, ἔνθα Ῥωμαῖοι Κελτοῖς τοῖς καλουμένοις Βοιοῖς ἐπολέμουν, ἐστρατοπέδευσεν. ὁ δ' ὕπατος ὁ Ῥωμαίων Πόπλιος Κορνήλιος Σκιπίων, Καρχηδονίοις ἐν Ἰβηρίᾳ πολεμῶν, ἐπεὶ τῆς ἐσβολῆς Ἀννίβου τῆς ἐς τὴν Ἰταλίαν ἐπύθετο, τὸν ἀδελφὸν καὶ ὁδε Γναῖον Κορνήλιον Σκιπίωνα ἐπὶ τοῖς ἐν Ἰβηρίᾳ πράγμασι καταλιπὼν διέπλευσεν ἐς Τυρρηνίαν, ὅθεν ὁδεύων τε καὶ συμμάχους ὅσους δύναται ἀγείρων ἔφθασεν ἐπὶ τὸν Πάδον Ἀννίβαν. καὶ Μάλλιον μὲν καὶ Ἀτίλιον, οἱ τοῖς Βοιοῖς ἐπολέμουν, ἐς Ῥώμην ἔπεμψεν ὥς οὐ δέον αὐτοὺς ἔτι στρατηγεῖ ὑπάτου παρόντος, αὐτὸς δὲ τὸν στρατὸν παραλαβὼν ἐς μάχην ἐξέτασσε πρὸς Ἀννίβαν. καὶ γενομένης ἀκροβολίας τε καὶ ἵππομαχίας, οἱ Ῥωμαῖοι κυκλωθέντες ὑπὸ τῶν Λιβύων ἔφευγον ἐς τὸ στρατόπεδον, καὶ νυκτὸς ἐπιγενομένης ἐς Πλακεντίαν ἀνεχώρουν ἀσφαλῶς τετειχισμένην, τὸν Πάδον ἐπὶ γεφυρῶν περάσαντές τε καὶ λύσαντες τὰς γεφύρας. τὸν μὲν οὖν ποταμὸν καὶ ὁ Ἀννίβας ζεύζας ἐπέρα, '6' τὸ δ' ἔργον εὐθὺς τόδε, πρῶτον ἢ δεῦτερον ἐπὶ τῇ τῶν Ἀλπείων ὁρῶν διαβάσει, παρὰ τοῖς ἐπέκεινα Κελτοῖς ἐξῆρε τὸν Ἀννίβαν ὥς ἄμαχον στρατηγὸν καὶ τύχη λαμπρᾷ χρώμενον. ὁ δέ, ὥς ἐν βαρβάροις τε καὶ τεθηπόσιν αὐτόν, καὶ δι' ἄμφω δυναμένοις ἀπατάσθαι, τὴν ἐσθῆτα καὶ τὴν κόμην ἐνήλασσε συνεχῶς ἐσκευασμέναις ἐπινοίαις: καὶ αὐτὸν οἱ Κελτοὶ περιϋόντα τὰ ἔθνη πρεσβύτεην ὁρῶντες, εἶτα νέον, εἶτα μεσαιπόλιον, καὶ συνεχῶς ἕτερον ἐξ ἐτέρου, θαυμάζοντες ἐδόκουν θειοτέρας φύσεως λαχεῖν.

Σεμπρόνιος δ' ὁ ἕτερος ὕπατος, ἐν Σικελίᾳ τότε ὢν καὶ πυθόμενος, διέπλευσε πρὸς τὸν Σκιπίωνα, καὶ τεσσαράκοντα σταδίους αὐτοῦ διασχὼν ἐστρατοπέδευσεν. καὶ τῆς ἐπιούσης ἔμελλον ἅπαντες ἐς μάχην ἦξειν. ποταμὸς

δ' ἦν ἐν μέσῳ Τρεβίας, ὃν Ῥωμαῖοι πρὸ ἔω, χειμερίου τε τῆς τροπῆς οὔσης καὶ ὑετοῦ καὶ κρύους, ἐπέρων βρεχόμενοι μέχρι τῶν μαστῶν. Ἀννίβας δὲ καὶ ἐς δευτέραν ὥραν ἀνέπαυσε τὴν στρατιάν, καὶ τότε ἐξῆγεν.

[7] παράταξις δ' ἦν ἐκατέρων ... τὰ κέρατα κατεῖχον, ἀμφὶ τὴν φάλαγγα τῶν πεζῶν. Ἀννίβας δὲ τοῖς μὲν ἱππεῦσιν ἀντέταξε τοὺς ἐλέφαντας, τῇ δὲ φάλαγγι τοὺς πεζοὺς· τοὺς δὲ ἱππέας ἐκέλευσεν ὀπίσω τῶν ἐλεφάντων ἀτρεμεῖν ἕως αὐτός τι σημήνη. γενομένων δ' ἐν χερσὶ πάντων, οἱ μὲν Ῥωμαίων ἵπποι τοὺς ἐλέφαντας, οὐ φέροντες αὐτῶν οὔτε τὴν ὄψιν οὔτε τὴν ὁδμήν, ἔφευγον· οἱ δὲ πεζοί, καίπερ ὑπὸ τοῦ κρύους καὶ τοῦ ποταμοῦ καὶ τῆς ἀγρυπνίας τετρυμένοι τε καὶ μαλακοὶ ὄντες, ὅμως ὑπὸ τόλμης τοῖς θηρίοις ἐπεπῆδων καὶ ἐτίτρωσκον αὐτά, καὶ τινῶν καὶ τὰ νεῦρα ὑπέκοπτον, καὶ τοὺς πεζοὺς ἐνέκλινον ἥδη. θεασάμενος δ' ὁ Ἀννίβας ἐσήμηνε τὴν ἵππον κυκλοῦσθαι τοὺς πολεμίους. ἐσκεδασμένων δ' ἄρτι τῶν Ῥωμαϊκῶν ἱππέων διὰ τὰ θηρία καὶ τῶν πεζῶν μόνων τε ὄντων καὶ κακοπαθούντων καὶ δεδιότων τὴν περικύκλωσιν, φυγὴ πανταχόθεν ἦν ἐς τὰ στρατόπεδα. καὶ ἀπώλλυντο οἱ μὲν ὑπὸ τῶν ἱππέων καταλαμβανόντων ἅτε πεζοὺς, οἱ δὲ ὑπὸ τοῦ ποταμοῦ παραφέροντος· τοῦ γὰρ ἡλίου τὴν χιόνα τήξαντος ὁ ποταμὸς ἐρρὺν μέγας, καὶ οὔτε στῆναι διὰ τὸ βάθος οὔτε νεῖν διὰ τὰ ὄπλα ἐδύναντο. Σκιπίων δὲ αὐτοῖς ἐπόμενος καὶ παρακαλῶν ὀλίγου μὲν ἐδέησε τρωθεὶς διαφθαρῆναι, μόλις δ' ἐς Κρεμῶνα διεσώθη φερόμενος. ἐπίνειον δὲ ἦν τι βραχὺ Πλακεντίας, ᾧ προσβαλὼν ὁ Ἀννίβας ἀπώλεσε τετρακοσίους καὶ αὐτὸς ἐτρώθη. καὶ ἀπὸ τοῦδε πάντες ἐχείμαζον, Σκιπίων μὲν ἐν Κρεμῶνι καὶ Πλακεντία, Ἀννίβας δὲ περὶ Πάδον.

[8] οἱ δ' ἐν ἄστει Ῥωμαῖοι πυθόμενοι, καὶ τρίτον ἥδη πταίοντες περὶ Πάδον ἥττηντο γὰρ δὴ καὶ ὑπὸ Βοιῶν πρὸ Ἀννιβίου, στρατιάν τε παρ' αὐτῶν ἄλλην κατέλεγον, σὺν τοῖς οὖσι περὶ τὸν Πάδον ὡς εἶναι τρισκαίδεκα τέλη, καὶ τοῖς συμμάχοις ἐτέραν διπλασίονα ταύτης ἐπήγγελλον. ἥδη δὲ αὐτοῖς τὸ τέλος εἶχε πεζοὺς πεντακισχιλίους καὶ ἱππέας τριακοσίους. καὶ τούτων τοὺς μὲν ἐς Ἰβηρίαν ἔπεμπον, τοὺς δ' ἐς Σαρδόνα κάκεινῃν πολεμουμένην, τοὺς δ' ἐς Σικελίαν. τὰ πλέονα δ' ἦγον ἐπὶ τὸν Ἀννίβαν οἱ μετὰ Σκιπίωνα καὶ Σεμπρόνιον αἰρεθέντες ὕπατοι, Σερουίλιός τε Γναῖος καὶ Γάιος Φλαμίνιος. ὃν ὁ μὲν Σερουίλιος ἐπὶ τὸν Πάδον ἐπειχθεὶς τὴν στρατηγίαν ἐκδέχεται παρὰ τοῦ Σκιπίωνος ὃ δὲ Σκιπίων ἀνθύπατος αἰρεθεὶς ἐς Ἰβηρίαν διέπλευσέ, Φλαμίνιος δὲ τρισμυρίοις τε πεζοῖς καὶ τρισχιλίοις ἱππεῦσι τὴν ἐντὸς Ἀπεννίνων ὁρῶν Ἰταλίαν ἐφύλασσεν, ἣν καὶ μόνῃν ἂν τις εἴποι κυρίως Ἰταλίαν. τὰ γὰρ Ἀπεννίνα κατέρχεται μὲν ἐκ μέσων τῶν Ἀλπείων ἐπὶ θάλασσαν, ἔστι δ' αὐτῶν τὰ μὲν ἐπὶ δεξιὰ πάντα καθαρῶς Ἰταλία, τὰ δὲ ἐπὶ θάτερα ἐς τὸν Ἰόνιον φθάνοντα νῦν μὲν ἐστὶ καὶ ταῦτα Ἰταλία, ὅτι καὶ Τυρρηνία νῦν Ἰταλία, οἰκοῦσι δ' αὐτῶν τὰ μὲν Ἕλληνες, ἀμφὶ τὴν Ἰόνιον ἀκτὴν, τὰ δὲ λοιπὰ Κελτοί, ὅσοι τῇ Ῥώμῃ τὸ πρῶτον ἐπιθέμενοι τὴν πόλιν ἐνέπρησαν. ὅτε γὰρ αὐτοὺς ἐξελαύνων Κάμιλλος ἐδίωκε μέχρι τῶν Ἀπεννίνων ὁρῶν, ἔμοι δοκοῦσιν ὑπερβάντες αὐτά, ἀντὶ ἡθῶν τῶν ἰδίων, παρὰ τὸν Ἰόνιον οἰκῆσαι· καὶ τὸ μέρος τῆς χώρας ἔτι νῦν οὕτω καλοῦσιν, Ἰταλίαν Γαλατικὴν.

[9] Ῥωμαῖοι μὲν δὴ μεγάλοις στρατοῖς ἐς πολλὰ ὁμοῦ διήρηντο· Ἀννίβας δὲ τούτων αἰσθόμενος, ἅμα τῷ ἥρι, τοὺς ἄλλους λαθὼν ἐδήου τὴν Τυρρηνίαν καὶ

προύβαιναν ἐς τὸ μέρος τὸ ἐπὶ Ῥώμῃς. οἱ δὲ πλησιάζοντος αὐτοῦ πάνυ ἔδεισαν, οὐ παρούσης σφίσιν ἀξιομάχου δυνάμεως. ἐστράτευσαν δὲ ὁμῶς ἐκ τῶν ὑπολοίπων ὀκτακισχιλίους, καὶ Κεντήνιον αὐτοῖς τινὰ τῶν ἐπιφανῶν ιδιωτῶν, οὐδεμιᾶς ἀρχῆς παρούσης, ἐπέστησάν τε καὶ ἐξέπεμπον ἐς Ὀμβρικοὺς ἐς τὴν Πλειστινὴν λίμνην, τὰ στενὰ προληψόμενον, ἣ συντομώτατόν ἐστιν ἐπὶ τὴν Ῥώμην. ἐν δὲ τούτῳ καὶ Φλαμίνιος ὁ τοῖς τρισμυρίοις τὴν ἐντὸς Ἰταλίαν φυλάσσων, αἰσθόμενος τῆς σπουδῆς Ἀννίβου, μετέβαιναν ὀξέως, οὐ διαναπαύων τὴν στρατιάν. δέει τε περὶ τῆς πόλεως, καὶ αὐτὸς ὢν ἀπειροπόλεμος τε καὶ ἐς τὴν ἀρχὴν ἀπὸ δημοκοπίας ἡρημένος, ἠπείγετο Ἀννίβα συμπλεκῆναι.

[10] ὁ δὲ αἰσθόμενος αὐτοῦ τῆς τε ὀρμῆς καὶ ἀπειρίας, ὅρος μὲν τι καὶ λίμνην προβάλετο πρὸ ἑαυτοῦ, ψιλούς δὲ καὶ ἱππέας ἐς φάραγγα ἀποκρύψας ἐστρατοπέδευεν. καὶ αὐτὸν ὁ Φλαμίνιος κατιδὼν ἅμα ἔφ' σμικρὸν μὲν τι διέτριψε, τὸν στρατὸν ἀναπαύων ἐξ ὁδοιπορίας καὶ χαρακοποιούμενος, μετὰ δὲ τοῦτο ἐξῆγεν εὐθὺς ἐπὶ τὴν μάχην αὔρους ὄντας ὑπ' ἀγρυπνίας καὶ κόπου. τῆς δ' ἐνέδρας ἐκφανείσης ἐν μέσῳ ληφθεὶς τοῦ τε ὅρους καὶ τῆς λίμνης καὶ τῶν ἐχθρῶν αὐτός τε ἀνῆρέθη καὶ σὺν αὐτῷ δισμύριοι. τοὺς δὲ λοιποὺς ἔτι μυρίους, ἔς τινα κώμην ὀχυρὰν συμφυγόντας, Μαάρβαλ ὁ ὑποστράτηγος Ἀννίβου, μεγίστην καὶ ὅδε ἐπὶ στρατηγίᾳ δόξαν ἔχων, οὐ δυνάμενος ἐλεῖν εὐχερῶς, οὐδὲ ἀξίων ἀπεγνωκόσι μάχεσθαι, ἔπεισε τὰ ὄπλα ἀποθέσθαι, συνθέμενος ἀπολύσειν ὅπῃ θέλοιν. ὥς δὲ ἀπέθεντο, λαβὼν ἦγεν αὐτοὺς πρὸς τὸν Ἀννίβαν γυμνοῦς. ὁ δ' οὐ φάμενος εἶναι κύριον χωρὶς αὐτοῦ ταῦτα συνθέσθαι τὸν Μαάρβαλ, τοὺς μὲν ἐκ τῶν συμμάχων φιλανθρωπευσάμενος ἀπέλυσεν ἐς τὰ ἑαυτῶν, θηρεύων τῇ φιλανθρωπίᾳ τὰς πόλεις, ὅσοι δὲ Ῥωμαίων ἦσαν, εἶχε δήσας. τὴν δὲ λείαν τοῖς συστρατεύουσι Κελτοῖς ἀποδόμενος, ἵνα καὶ τούσδε θεραπεύσειε τῷ κέρδει, προύβαιναν ἐς τὸ πρόσθεν, αἰσθομένου μὲν ἤδη τῶν γιγνομένων τοῦ περὶ Πάδον στρατηγοῦ Σερουιλίου, καὶ τετρακισμυρίοις ἐπὶ Τυρρηνίας ἐπειγομένου, Κεντηνίου δὲ ἤδη τοῖς ὀκτακισχιλίοις τὰ στενὰ προειληφότος.

[11] Ἀννίβας δὲ ἐπειδὴ τὴν τε λίμνην εἶδε τὴν Πλειστίνην καὶ τὸ ὅρος τὸ ὑπὲρ αὐτὴν, καὶ τὸν Κεντήνιον ἐν μέσῳ κρατοῦντα τῆς διόδου, τοὺς ἡγεμόνας τῶν ὁδῶν ἐξήταζεν εἴ τις εἴη περίοδος. οὐδεμίαν δὲ φαμένων εἶναι τρίβον, ἀλλ' ἀπόκρημνα πάντα καὶ φαραγγώδη, δι' αὐτῶν ὁμῶς ἔπεμπε τοὺς ψιλοὺς νύκτωρ τὸ ὅρος περιεῖναι, καὶ Μαάρβαλ μετ' αὐτῶν. τεκμηράμενος δ' ὅτε δύναιντο περιελθεῖν, προσέβαλε τῷ Κεντηνίῳ κατὰ μέτωπον. καὶ συνεστώτων ἐκατέρων, πάνυ προθύμως ὁ Μαάρβαλ ἐκ κορυφῆς ἄνωθεν ᾤφθη τε καὶ ἠλάλαξεν. Ῥωμαίων δ' εὐθὺς ἦν φυγὴ καὶ φόνος κεκυκλωμένων, καὶ τρισχιλίοι μὲν ἔπεσον ὀκτακόσιοι δ' ἐλήφθησαν: οἱ δὲ λοιποὶ μόλις διέφυγον. πυθόμενοι δὲ οἱ ἐν ἄστει, καὶ δείσαντες μὴ εὐθὺς ἐπὶ τὴν πόλιν ὁ Ἀννίβας ἔλθοι, τό τε τεῖχος ἐπλήρουν λίθων καὶ τοὺς γέροντας ὥπλιζον, ὅπλων μὲν ἀποροῦντες, τὰ δὲ λάφυρα ἐκ τῶν ἱερῶν καταφέροντες, ἃ ἐκ πολέμων ἄλλων κόσμος αὐτοῖς περιέκειτο: δικτάτορά τε, ὥς ἐν κινδύνῳ, Φάβιον εἵλοντο Μάξιμον.

[12] Ἀννίβας δέ, θεοῦ παράγοντος αὐτόν, ἐπὶ τὸν Ἴόνιον αὐθις ἐτράπη, καὶ

τὴν παράλιον ὁδεύων ἐπόρθει, λείαν τε περιήλανε πολλήν. Σερουίλιος δ' ὕπατος ἀντιπαριῶν αὐτῷ κατήεν ἐς Ἀρίμινον, ἀπέχων Ἀννίβου μίαν ἡμέραν: ἔνθα τὴν στρατιὰν συνεῖχε καὶ τοὺς ἔτι φίλους Κελτῶν ἀπεθάρρυνεν, ἕως ἀφικόμενος Φάβιος Μάξιμος ὁ δικτάτωρ Σερουίλιον μὲν ἐς Ῥώμην ἔπεμπεν ὥς οὔτε ὕπατον οὔτε στρατηγὸν ἔτι ὄντα δικτάτορος ἡρημένου, αὐτὸς δὲ τῷ Ἀννίβᾳ παρακολουθῶν ἐς μὲν χεῖρας οὐκ ἦει, πολλάκις ἐκείνου προκαλουμένου, πολιορκεῖν δ' οὐδένα εἶα, παραφυλάσσων καὶ ἐπικείμενος. ὁ δέ, τῆς χώρας ἐξαναλωμένης, τροφῶν ἠπόρει, καὶ αὐτὴν αὐθις περιῶν ἐκάστης ἡμέρας ἐξέτασσε, προκαλούμενος ἐς μάχην. Φάβιος δ' οὐ συνεπλέκετο, καταγιγνώσκοντος αὐτοῦ Μινουκίου Ρούφου, ὃς ἵππαρχος μὲν ἦν αὐτῷ, ἔγραφε δ' ἐς Ῥώμην τοῖς φίλοις ὥς ὁκνοίη Φάβιος ὑπὸ δειλίας. διαδραμόντος δ' ἐς Ῥώμην ἐπὶ θυσίας τινὰς τοῦ Φαβίου, ὁ Μινούκιος ἡγούμενος τοῦ στρατοῦ συνεπλέκη τινὰ μάχην τῷ Ἀννίβᾳ, καὶ δόξας πλεόν ἔχειν θρασύτερον ἐς Ῥώμην ἐπέστελλε τῇ βουλῇ, τὸν Φάβιον αἰτιώμενος οὐκ ἐθέλοντα νικῆσαι. καὶ ἡ βουλή, ἐπανεληλυθότος ἐς τὸ στρατόπεδον ἤδη τοῦ Φαβίου, ἴσον ἰσχύειν αὐτῷ τὸν ἵππαρχον ἀπέφηνεν.

[13] οἱ μὲν δὴ μερισάμενοι τὴν στρατιὰν πλησίον ἀλλήλων ἐστρατοπέδευον, καὶ τῆς γνώμης ἑκάτερος εἶχοντο τῆς ἑαυτοῦ, Φάβιος μὲν ἐκτρύχειν Ἀννίβαν τῷ χρόνῳ καὶ πειρᾶσθαι μηδὲν ὑπ' αὐτοῦ παθεῖν, ὁ δὲ Μινούκιος μάχῃ διακριθῆναι. συνιόντος δὲ ἐς μάχην τοῦ Μινουκίου, Φάβιος τὸ μέλλον ἔσεσθαι προορῶν ἐν μέσῳ τὴν στρατιὰν ἀτρεμοῦσαν ἔστησε τὴν ἑαυτοῦ, καὶ τοὺς τοῦ Μινουκίου τραπέντας ἀνελάμβανε, τοὺς δ' Ἀννίβου διώκοντας ἀπεκρούετο. καὶ Φάβιος μὲν ὧδε τὴν συμφορὰν ἐπεκουφίσε τῷ Μινουκίῳ, οὐδὲν ἐπιμνησίνας τῆς διαβολῆς: ὁ δὲ Μινούκιος αὐτοῦ καταγνοὺς ἀπειρίαν ἀπέθετο τὴν ἀρχήν, καὶ τὸ μέρος τοῦ στρατοῦ παρέδωκε τῷ Φαβίῳ, ἡγουμένῳ πρὸς ἄνδρα τεχνίτην μάχης ἕνα καιρὸν εἶναι τὴν ἀνάγκην. οὗ δὴ καὶ ὁ Σεβαστὸς ὕστερον πολλάκις ἐμέμνητο, οὐκ ὦν εὐχερὴς οὐδ' οὗτος ἐς μάχας μᾶλλον τόλμῃ ἢ τέχνῃ χρῆσθαι. Φάβιος μὲν οὖν αὐθις ὁμοίως ἐφύλασσε τὸν Ἀννίβαν, καὶ τὴν χώραν πορθεῖν ἐκώλυεν, οὐ συμπλεκόμενος αὐτοῦ τῷ στρατῷ παντί, τοῖς δ' ἀποσκιδναμένοις μόνοις ἐπιτιθέμενος, καὶ σαφῶς εἰδῶς ἀπορήσοντα τροφῶν αὐτίκα τὸν Ἀννίβαν.

[14] στενῆς δὲ διόδου πλησιαζούσης, ὁ μὲν Ἀννίβας αὐτὴν οὐ προείδετο, Φάβιος δὲ προπέμψας τετρακισχιλίους κατέλαβε, καὶ τοῖς λοιποῖς αὐτὸς ἐπὶ θάτερα ἐστρατοπέδευεν ἐπὶ λόφῳ καρτεροῦ. ὁ δὲ Ἀννίβας ὥς ἦσθετο ληφθεὶς ἐν μέσῳ Φαβίου τε καὶ τῶν στενῶν φυλασσομένων, ἔδεισε μὲν ὥς οὐ ποτε πρότερον: οὐ γὰρ εἶχε διέξοδον, ἀλλὰ πάντα ἦν ἀπόκρημνα καὶ δύσβατα, οὐδ' ἥλπιζε Φάβιον ἢ τοὺς ἐπὶ τῶν στενῶν βιάσεσθαι διὰ τὴν τῶν χωρίων ὀχυρότητα. ὧδε δ' ἔχων ἀπορίας τοὺς μὲν αἰχμαλώτους ἐς πεντακισχιλίους ὄντας κατέσφαξεν, ἵνα μὴ ἐν τῷ κινδύνῳ νεωτερίσειαν, βούς δὲ ὅσας εἶχεν ἐν τῷ στρατοπέδῳ πολὺ δὲ πλῆθος ἦν, τοῖς κέρασιν αὐτῶν δᾶδας περιέθηκε, καὶ νυκτὸς ἐπιγενομένης τὰς δᾶδας ἐξάψας τὸ λοιπὸν ἐν τῷ στρατοπέδῳ πῦρ ἔσβεσε, καὶ σιγὴν βαθεῖαν ἔχειν παρήγγειλε, τοῖς δ' εὐτολμοτάτοις τῶν νέων ἐκέλευσε τὰς βούς ἐλαύνειν μετὰ σπουδῆς ἄνω πρὸς τὰ ἀπόκρημνα, ἃ ἦν ἐν μέσῳ τοῦ τε Φαβίου καὶ τῶν στενῶν. αἱ δ' ὑπὸ τε τῶν ἐλαυνόντων

ἐπειγόμεναι, καὶ τοῦ πυρὸς ἐκκαίοντος αὐτάς, ἀνεπήδων ἐπὶ τοὺς κρημνοὺς ἀφειδῶς καὶ βιαίως, εἴτα κατέπιπτον καὶ αὐθις ἀνεπήδων.

[15] Ῥωμαῖοι δὲ οἱ ἐκατέρωθεν, ὁρῶντες ἐν μὲν τῷ Ἀννίβου στρατοπέδῳ σιγὴν καὶ σκότον, ἐν δὲ τοῖς ὄρεσι πῦρ πολλὸν καὶ ποικίλον, οὐκ ἔχοντες ὥς ἐν νυκτὶ τὸ γινόμενον ἀκριβῶς ἐπινοῆσαι, ὁ μὲν Φάβιος εἵκαζεν εἶναι τι στρατήγημα τοῦτο Ἀννίβου, καὶ συνεῖναι μὴ δυνάμενος ἀτρέμα συνεῖχε τὴν στρατιάν, τὴν νύκτα ὑφορώμενος· οἱ δ' ἐν τοῖς στενοῖς ὑπέλαβον, ἅπερ ἤθελεν ὁ Ἀννίβας, φεῦγειν αὐτὸν ὥς ἐν ἀπόροις, ἄνω διὰ τῶν κρημνῶν βιαζόμενον, καὶ μετεπήδων ἐπὶ τὴν φαντασίαν τοῦ πυρὸς καταθέοντες ὥς ἐκεῖ ληψόμενοι τὸν Ἀννίβαν κακοπαθοῦντα. ὁ δὲ ὥς εἶδε καταβάντας αὐτοὺς ἐκ τῶν στενῶν, διέδραμεν ἐς αὐτὰ τοῖς ταχυτάτοις ἄνευ φωτὸς μετὰ σιωπῆς, ἵνα διαλάβοι, καταλαβὼν δὲ αὐτὰ καὶ κρατυνόμενος ἐσήμηνε τῇ σάλπιγγι· καὶ τὸ στρατόπεδον ἀντεβόησεν αὐτῷ, καὶ πῦρ αἰφνίδιον ἐξέφηναν. Ῥωμαῖοι μὲν δὴ τότε ἦσθοντο τῆς ἀπάτης, ὁ δὲ στρατὸς ὁ ἄλλος Ἀννίβου καὶ οἱ τὰς βοῦς ἐλαύνοντες ἐπὶ τὰ στενὰ ἀδεῶς διέδραμον. καὶ αὐτοὺς συναγαγὼν ἀπῆρεν ἐς τὸ πρόσω. οὕτω μὲν ἐξ ἀέλπτου τότε ὁ Ἀννίβας αὐτὸς τε περιῆν καὶ τὸν στρατὸν περιέσωζε, καὶ ἐς Γερωνίαν τῆς Ἰαπυγίας ἐπειχθείς, ἡ σίτου πλήρης ἦν, ἐξεῖλεν αὐτήν, καὶ ἐν ἀφθόνοις ἀδεῶς ἐχείμαζεν.

[16] ὁ δὲ Φάβιος καὶ τότε τῆς αὐτῆς γνώμης ἐχόμενος εἵπετο, καὶ τῆς Γερωνίας ἀποσχὼν δέκα σταδίους ἐστρατοπέδευε, λαβὼν ἐν μέσῳ ποταμὸν Αὐφιδόν. ληγόντων δὲ αὐτῷ τῶν ἑξ μηνῶν ἐφ' οὓς αἰροῦνται Ῥωμαῖοι τοῦς δικτάτορας, οἱ μὲν ὕπατοι Σερουίλιος τε καὶ Αἰτίλιος ἐπὶ τὰς ἐαυτῶν ἀρχὰς ἐπανήεσαν, καὶ ἦλθον ἐπὶ τὸ στρατόπεδον, καὶ ὁ Φάβιος ἐς Ῥώμην ἀπῆει, γίνονται δέ τινες ἐν τῷδε τῷ χειμῶνι Ἀννίβα καὶ Ῥωμαίοις ἀκροβολισμοὶ συνεχεῖς ἐς ἀλλήλους· καὶ τὰ Ῥωμαίων ἐπικυδέστερα καὶ εὐθαρσέστερα ἦν. ὁ δ' Ἀννίβας ἐπέστελλε μὲν αἰεὶ τὰ γινόμενα Καρχηδόνιοις ὑπερεπαίρων, τότε δὲ ἀπολωλότων αὐτῷ πολλῶν ἠπόρει, καὶ στρατιὰν ἤτει καὶ χρήματα. οἱ δὲ ἐχθροὶ πάντα ἐπισκώπτοντες τὰ Ἀννίβου, καὶ τότε ὑπεκρίνοντο ἀπορεῖν ὅτι, τῶν νικόντων οὐκ αἰτούντων χρήματα ἀλλὰ πεμπόντων ἐς τὰς πατρίδας, ὁ Ἀννίβας αἰτοίη, λέγων νικᾶν. οἷς οἱ Καρχηδόνιοι πεισθέντες οὔτε στρατιὰν ἔπεμπον οὔτε χρήματα. καὶ ὁ Ἀννίβας ταῦτ' ὀδυρόμενος ἔγραφεν ἐς Ἰβηρίαν Ἀσδρούβα τῷ ἀδελφῷ, παρακαλῶν αὐτὸν ἀρχομένου θέρους μεθ' ὅσης δύναιτο στρατιᾶς καὶ χρημάτων ἐσβαλεῖν ἐς τὴν Ἰταλίαν, καὶ πορθεῖν αὐτῆς τὰ ἐπέκεινα, ἵνα δηῶτο πᾶσα καὶ Ῥωμαῖοι κάμνοιεν ὑπ' αὐτῶν ἐκατέρωθεν.

[17] καὶ τότε μὲν ἦν περὶ Ἀννίβαν, Ῥωμαῖοι δὲ τῷ τε μεγέθει τῆς ἥττης τῆς Φλαμινίου καὶ Κεντηνίου περιαλγοῦντες ὥς ἀνάξια σφῶν καὶ παράλογα καὶ ἄθρόα παθόντες, καὶ τὸν πόλεμον ὅλως οὐ φέροντες ἔνδον ὄντα παρ' ἐαυτοῖς, ἄλλα τε κατέλεγον ἐκ Ῥώμης τέλη στρατιωτῶν τέσσαρα μετ' ὀργῆς ἐπὶ τὸν Ἀννίβαν, καὶ τοὺς συμμάχους πανταχόθεν ἤγειρον ἐς Ἰαπυγίαν. ὑπάτους τε αἰροῦνται ἐκ μὲν δόξης πολεμικῆς Λεύκιον Αἰμίλιον τὸν Ἰλλυριοῖς πολέμησαντα, ἐκ δὲ δημοκοπίας Τερέντιον Οὐάρρωνα, πολλὰ αὐτοῖς ἐκ τῆς συνήθους δοξοκοπίας ὑπισχνούμενον. καὶ αὐτοὺς παραπέμποντες ἐξίσοντας ἐδέοντο κρῖναι τὸν πόλεμον μάχῃ, καὶ μὴ τὴν πόλιν ἐκτρύχειν χρόνῳ τε καὶ στρατείαις συνεχέσι καὶ ἐσφοραῖς καὶ λιμῷ καὶ ἀργίᾳ τῆς γῆς δηουμένης. οἱ

δὲ τὴν στρατιὰν τὴν ἐν Ἰαυγία προσλαβόντες, καὶ τὸ σύμπαν ἔχοντες πεζοὺς μὲν ἑπτακισμύριους ἱππέας δ' ἑξακισχιλίους, ἐστρατοπέδευον ἀμφὶ κώμῃ τινὶ καλουμένῃ Κάνναις. καὶ ὁ Ἀννίβας αὐτοῖς ἀντεστρατοπέδευεν. φύσει δὲ ὢν φιλοπόλεμος ὁ Ἀννίβας καὶ οὐ ποτε φέρων ἀργίαν, τότε μάλιστα τῆς ἀπορίας αὐτὸν ἐνοχλοῦσης ἐξέτασσε συνεχῶς ἐς μάχην, δεδιὼς μὴ οἱ μισθοφόροι μετὰθοιντο διὰ τὴν ἀμισθίαν ἢ σκεδασθεῖεν ἐπὶ συλλογὴν ἀγορᾶς. καὶ ὁ μὲν οὕτω προὔκαλειτο τοὺς πολεμίους.

[18] γνώμη δὲ τῶν ὑπάτων ἦν, Αἰμιλίου μὲν ὑπομένειν ἐκτρύχοντας Ἀννίβαν οὐ δυνησόμενον ἀντέχειν ἐπὶ πολὺ διὰ τὴν ἀπορίαν, μηδὲ διὰ χειρὸς ἔρχεσθαι γεγυμνασμένῳ πολέμοις καὶ εὐτυχίαις ἀνδρὶ καὶ στρατῷ, Τερεντίου δ', οἷα δημοκόπου, μνημονεύειν ὧν ὁ δῆμος ἐξιοῦσιν ἐνετέλλετο, καὶ κρῖναι τὴν μάχην ὁξέως. τούτοις Αἰμιλίῳ μὲν προσετίθετο Σερουίλιος ὁ πέρυσιν ὑπάτος ἔτι παρών, Τερεντίῳ δὲ ὅσοι τε ἀπὸ βουλῆς καὶ τῶν καλουμένων ἱππέων ἡγοῦντο τῆς στρατιᾶς. ἀντεχόντων δ' ἔτι τῶν ἐτέρων, ὁ Ἀννίβας τοῖς χορτολογοῦσιν αὐτῶν ἢ ξυλγεομένοις ἐπιτιθέμενος ὑπεκρίνετο ἡττᾶσθαι, καὶ περὶ ἐσχάτην ποτὲ φυλακὴν ἐκίνει τὸ πλῆθος ὡς ἀναζευγνύς. ὁ δὲ Τερέντιος ἰδὼν ἐξῆγε τὴν στρατιὰν ὡς ἐπὶ φεύγοντα τὸν Ἀννίβαν, ἀπαγορεύοντας αὐτῷ καὶ τότε τοῦ Αἰμιλίου. ὡς δὲ οὐκ ἔπειθεν, οἰωνίζετο ὁ Αἰμίλιος ἐφ' ἑαυτοῦ, καθάπερ εἰώθασι, καὶ πέμψας ὁδεύοντι ἤδη τῷ Τερεντίῳ τὴν ἡμέραν ἀπαίσιον ἔλεγεν εἶναι. ὁ δ' ἐπανήει μὲν, αἰδούμενος οἰωνοῖς ἀπειθῆσαι, τὰς δὲ κόμας ἐν ὧσιν τῆς στρατιᾶς ἐτίλλετο καὶ χαλεπῶς ἔφερεν ὡς τὴν νίκην ἀφηρνημένος ὑπὸ ζηλοτυπίας τοῦ συνάρχου. καὶ τὸ πλῆθος αὐτῷ συνηγανάκει.

[19] Ἀννίβου δ', ἐπεὶ τῆς πείρας ἐξέπιπτεν, αὐτίκα ἐς τὸ στρατόπεδον ἐπανελθόντος καὶ τὴν ὑπόκρισιν ἐκφήναντος, οὐδὲ τοῦτ' ἐδίδασκε τὸν Τερέντιον πάνθ' ὑπονοεῖν τὰ Ἀννίβου, ἀλλ' ὡς εἶχεν, ἐν τοῖς ὅπλοις ἐς τὸ στρατήγιον ἐσδραμών, παρόντων ἔτι τῶν τε ἀπὸ βουλῆς καὶ ταξιάρχων καὶ χιλιάρχων, ἡτιᾶτο περὶ τῶν οἰωνῶν τὸν Αἰμίλιον προφασίσασθαι καὶ νίκην φανεράν ἀφελέσθαι τὴν πόλιν, ὀκνοῦντα ὑπὸ δειλίας, ἢ οἱ φθονοῦντα διὰ ζηλοτυπίαν. οὕτω δ' αὐτοῦ βοῶντος ὑπ' ὀργῆς ἡ στρατιὰ περιεστῶσα τὴν σκηνὴν ἐπήκουε, καὶ τὸν Αἰμίλιον ἐβλασφήμουν. ὁ δὲ πολλὰ μὲν εἶπε τοῖς ἔνδον συμφέροντα μάτην, Τερεντίῳ δέ, πλὴν Σερουιλίου, τῶν ἄλλων συντιθεμένων εἶξεν. καὶ τῆς ἐπιούσης ἐξέτασεν αὐτὸς ἡγούμενος· παρεχώρει γὰρ ὁ Τερέντιος. Ἀννίβας δ' ἦσθετο, καὶ τότε μὲν οὐκ ἐπεξῆλθεν 'οὐ γάρ πω πρὸς μάχην διετέτακτο, τῇ δ' ἐπιούσῃ κατέβαινον ἐς τὸ πεδίον ἑκάτεροι, Ῥωμαῖοι μὲν ἐς τρία τεταγμένοι, μικρὸν ἀπ' ἀλλήλων διεστῶτες, καὶ μέρος ἕκαστον αὐτῶν εἶχε τοὺς πεζοὺς ἐν μέσῳ, τοὺς δὲ ψιλοὺς καὶ ἱππέας ἐκατέρωθεν. στρατηγοὶ δ' ἐφειστήκεσαν τῷ μέσῳ μὲν Αἰμίλιος, τῷ δὲ λαίῳ Σερουίλιος, Τερέντιος δὲ τοῖς ἐπὶ δεξιᾷ, χιλίους ἀμφ' αὐτὸν ἕκαστος ἔχων ἱππέας ἐπειλεγμένους, ἐπικουρεῖν ὅπῃ τι πονοίῃ. οὕτω μὲν ἐτάξαντο Ῥωμαῖοι:

[20] ὁ δ' Ἀννίβας πρῶτα μὲν, εἰδὼς περὶ μεσημβρίαν εὖρον ζοφώδη τὸν ᾧ χρόνον ἐξ ἔθους ἐπιπνέοντα, προὔλαβεν ὅπῃ κατὰ νότου τὸ πνεῦμα ἐμελλεν εἶξειν: ἔπειτα ἐς ὅρος περίφυτον καὶ φαραγγῶδες ἱππέας προενῆδρευσεν καὶ ψιλοὺς, οἷς εἴρητο, ὅταν αἱ φάλαγγες ἔργων ἔχωνται καὶ τὸ πνεῦμα ἐπὶ, κατόπιν γίνεσθαι τῶν πολεμίων. ἄνδρας τε πεντακοσίους Κελτίβηρας ἐπὶ

τοῖς μακροῖς ξίφεσιν ὑπὸ τοῖς χιτῶσιν ἄλλα ξίφη βραχύτερα περιέζωσεν, οἷς ἔμελλεν αὐτὸς ὅτε δέοι χρῆσθαι σημαίνει. σύμπασαν δὲ τὴν στρατιάν κάκεινος ἐς τρία διήρει, καὶ τοὺς ἱππέας τοῖς κέρασιν ἐπέτασσαν ἐκ μεγάλων διαστημάτων, εἰ δύναιντο κυκλώσασθαι τοὺς πολεμίους. ἐπέστησε δὲ τῷ μὲν δεξιῷ Μάγωνα τὸν ἀδελφόν, τῷ δὲ ἐτέρῳ τὸν ἀδελφιδοῦν Ἄνωνα: τὸ δὲ μέσον αὐτὸς εἶχε κατὰ δόξαν Αἰμιλίου τῆς ἐμπειρίας. δισχίλιοι τε ἱππεῖς ἐπίλεκτοι παρέθεον αὐτῷ, καὶ Μαάρβαλ ἐτέρους ἔχων χιλίους ἐφῆδρευεν ὅπη τι πονοῦμενον ἴδοι. καὶ τάδε πράσσωσιν ἐς δευτέραν παρέτεινεν ὥραν, ἵνα τὸ πνεῦμα θάσσωσιν ἐπέλθοι.

[21] γενομένων δὲ πάντων εὐτρεπῶν ἑκατέροις, οἱ στρατηγοὶ διέθεον παρακαλοῦντες αὐτούς, καὶ ὑπεμίμησκον οἱ μὲν γονέων τε καὶ παίδων καὶ γυναικῶν καὶ τῆς προγεγεννημένης ἥτης, ὡς ἐν τῇδε τῇ μάχῃ περὶ σωτηρίας κριθησομένους, ὁ δ' Ἀννίβας τῶν τε προγεγονότων ἐπὶ τοῖσδε τοῖς ἀνδράσι κατορθωμάτων, καὶ ὡς αἰσχρὸν ἡττᾶσθαι τῶν ἡττημένων. ἐπεὶ δ' αἱ τε σάλπιγγες ἤχησαν καὶ αἱ φαλάγγες ἐβόησαν, πρῶτον μὲν αὐτῶν οἱ τοξόται καὶ σφενδονῆται καὶ λιθοβόλοι προδραμόντες ἐς τὸ μέσον ἀλλήλων κατήρχον, μετὰ δὲ τούτους αἱ φάλαγγες ἐχώρουν ἐπὶ τὸ ἔργον, φόνος τε καὶ πόνος ἦν πολὺς ἐκθύμως ἀγωνιζομένων ἑκατέρων. ἐν ᾧ σημαίνει μὲν ὁ Ἀννίβας τοῖς ἱππεῶσι κυκλοῦσθαι τὰ κέρατα τῶν ἐχθρῶν, οἱ δὲ τῶν Ῥωμαίων ἱππεῖς ὀλιγώτεροι τῶν πολεμίων ὄντες ἀντιπαρῆγον αὐτοῖς, καὶ τὴν τάξιν ἐκτείναντες ἐπὶ λεπτὸν ἠγωνίζοντο ὅμως ὑπὸ προθυμίας, καὶ μάλισθ' οἱ τὸ λαιὸν ἔχοντες ἐπὶ τῇ θαλάσῃ. Ἀννίβας δὲ καὶ Μαάρβαλ ὁμοῦ τοὺς περὶ σφᾶς ἐπῆγον κραυγῇ ἀπλέτῳ καὶ βαρβαρικῇ, νομίσαντες ἐκπλήξειν τοὺς ἐναντίους. οἱ δὲ καὶ τούτους εὐσταθῶς καὶ ἀκαταπλήκτως ὑπέμενον.

[22] Διαπιπτούσης δὲ καὶ τῆσδε τῆς πείρας, ὁ Ἀννίβας τὸ σημεῖον ἐπῆρε τοῖς Κελτίβηρσι τοῖς πεντακοσίοις. οἱ δὲ τῆς τάξεως ἐκδραμόντες ἐς τοὺς Ῥωμαίους μετετίθεντο, καὶ τὰς ἀσπίδας αὐτοῖς καὶ τὰ δόρατα καὶ τὰ ξίφη τὰ φανερά ὥρεγον ὥσπερ αὐτομολοῦντες, καὶ ὁ Σερουίλιος αὐτοὺς ἐπαινέσας τὰ μὲν ὅπλα αὐτῶν αὐτίκα παρεῖλεν, ἐν δὲ μόνοις, ὡς ᾤετο, τοῖς χιτῶσιν ἔστησεν ὀπίσω: οὐ γὰρ ἐδοκίμαζε καταδεῖν αὐτομόλους ἐν ὧσι πολεμίων, οὐδὲ ὑπώπτευεν ἐν χιτῶσι μόνοις ὀρῶν, οὐδὲ καιρὸς ἦν ἐν τοσῶδε πόνῳ. σπεῖραι δ' ἕτεροι Λιβύων προσεποιήσαντο φεύγειν ἄχρι τῶν ὀρῶν, συναλαλάξασα μέγα. σύμβολον δ' ἦν ἡ βοή τοῖς ἐν ταῖς φάραγξι κεκρυμμένοις ἀναστρέφειν ἐς τοὺς διώκοντας. καὶ εὐθὺς οἱ τε ψιλοὶ καὶ ἱππεῖς ἐκ τῆς ἐνέδρας ἐξεφαίνοντο, καὶ τὸ πνεῦμα κατέβαινε πολὺ καὶ ζοφῶδες, ἐς τὰς Ῥωμαίων ὄψεις μετὰ κονιορτοῦ φερόμενον: ὁ καὶ μάλιστα αὐτοὺς ἐκώλυε προορᾶν τοὺς πολεμίους. τὰ τε βέλη Ῥωμαίοις μὲν πάντα ἀμβλύτερα διὰ τὴν ἀντιπνοίαν ἦν, τοῖς δὲ ἐχθροῖς ἐπιτυχῇ, τοῦ πνεύματος τὴν βολὴν συνωθοῦντος. οἱ δὲ οὔτε ἐκκλίνειν αὐτὰ προορῶντες οὔτ' ἀφίεναι καλῶς δυνάμενοι, σφίσι τε αὐτοῖς περιπταίοντες, ἤδη ποικίλως ἐθορυβοῦντο.

[23] τότε δὴ τὸν καιρὸν ὀρῶντες τὸν ἐπηγγελμένον σφίσι οἱ πεντακόσιοι, τὰ ξίφη τὰ βραχύτερα ἐκ τῶν κόλπων ἐπισπάσαντες πρώτους ἀνήρουν ὧν ἦσαν ὀπίσω, μετὰ δ' ἐκείνους, ἀρπάσαντες αὐτῶν τὰ ξίφη τὰ μείζω καὶ τὰς ἀσπίδας καὶ τὰ δόρατα, πᾶσιν ἐνέπιπτον καὶ μετεπήδων ἀφειδῶς: καὶ φόνον

εἰργάζοντο πλεῖστον οὗτοι μάλιστα, ἅτε πάντων ὄντες ὀπίσω. τό τε κακὸν ἦδη πολὺ τοῖς Ῥωμαίοις καὶ ποικίλον ἦν, πονουμένοις μὲν ὑπὸ τῶν ἐναντίων, κεκυκλωμένοις δ' ὑπὸ τῆς ἐνέδρας, ἀναιρουμένοις δ' ὑπὸ τῶν ἀναμεμιγμένων. οὐδ' ἐπιστρέφαι πρὸς αὐτοὺς ἐδύναντο διὰ τοὺς ἐπικειμένους σφίσιν ἐκ μετώπου: οὐδ' ἐπεγίνωσκον ἔτι αὐτοὺς εὐμαρῶς, Ῥωμαϊκὰς ἀσπίδας ἔχοντας. ὑπὲρ ἅπαντα δ' αὐτοὺς ὁ κονιορτὸς ἠνώχλει, καὶ οὐκ εἶχον οὐδ' εἰκάσαι τὸ συμβαῖνον, ἀλλ' οἷον ἐν θορύβῳ καὶ φόβῳ, πάντα πλείω νομίζοντες εἶναι, καὶ τὰς ἐνέδρας οὐ τοσαύτας, οὐδὲ τοὺς πεντακοσίους εἰδότες ὅτι ἦσαν πεντακόσιοι, ἀλλ' ὅλον σφῶν τὸ στρατόπεδον ὑπὸ ἱππέων καὶ αὐτομόλων ἠγούμενοι κεκυκλῶσθαι, τραπέντες ἔφευγον ἀκόσμως, πρῶτοι μὲν οἱ ἐπὶ τοῦ δεξιοῦ, καὶ ὁ Τερέντιος αὐτοῖς ἐξήρχε τῆς φυγῆς, μετὰ δ' ἐκείνους οἱ τὸ λαιὸν ἔχοντες, ὧν ὁ Σερουίλιος ἠγούμενος πρὸς τὸν Αἰμίλιον διέδραμε: καὶ περὶ αὐτοὺς ἦν ὅσον ἄριστον ἱππέων τε καὶ πεζῶν, ἀμφὶ τοὺς μυρίους.

[24] καταθορόντες δ' ἀπὸ τῶν ἵππων οἱ στρατηγοί, καὶ μετ' αὐτοὺς ὅσοι ἄλλοι ἦσαν ἐπὶ ἵππων, ἐπεζομάχουν τοῖς ἱππεῦσι τοῖς Ἀννίβου κεκυκλωμένοι. καὶ πολλὰ μὲν ἐξ ἐμπειρίας σὺν εὐψυχίᾳ καὶ ἀπονοίᾳ λαμπρὰ ἔδρασαν, ἐμπίπτοντες σὺν ὀργῇ τοῖς πολεμίοις, πανταχόθεν δὲ ἀνηροῦντο, περιτρέχοντες αὐτοὺς τοῦ Ἀννίβου, καὶ τοὺς ἰδίους ὅτε μὲν ἐξοτρύνοντες καὶ παρακαλοῦντες τὸ λείψανον τῆς νίκης ἐκπονῆσαι, ὅτε δ' ἐπιπλήσσοντός τε καὶ ὀνειδίζοντος, εἰ τὸ πλῆθος νενικηκότες ὀλίγων οὐ περιέσσονται. Ῥωμαῖοι δ', ἕως μὲν αὐτοῖς ὁ Αἰμίλιος καὶ ὁ Σερουίλιος περιῆσαν, πολλὰ δρῶντές τε καὶ πάσχοντες ὅμως ὑπέμενον ἐν τάξει: ἐπεὶ δ' ἔπεσον αὐτῶν οἱ στρατηγοί, διὰ μέσων βιαζόμενοι τῶν ἐχθρῶν μάλα καρτερῶς κατὰ μέρη διέφευγον, οἱ μὲν, ἔνθαπερ οἱ πρὸ αὐτῶν ἐπεφεύγεσαν, ἐς τὰ στρατόπεδα δύο ὄντα: καὶ σύμπαντες οἶδε ἐγένοντο ἀμφὶ τοὺς μυρίους καὶ πεντακισχιλίους, οἷς ὁ Ἀννίβας φυλακὴν ἐπέστησεν: οἱ δ' ἐς Κάννας, περὶ δισχιλίους, καὶ παρέδωκαν ἑαυτοὺς οἶδε οἱ δισχιλίοι τῷ Ἀννίβᾳ. ὀλίγοι δ' ἐς Κανύσιον διέδρασαν, καὶ οἱ λοιποὶ κατὰ μέρος ἐσκεδάσθησαν ἀνὰ τὰς ὕλας.

[25] τοῦτο τέλος ἦν τῆς ἐπὶ Κάνναις Ἀννίβου τε καὶ Ῥωμαίων μάχης, ἀρξαμένη μὲν ὑπὲρ ὥραν δευτέραν, ληξάσης δὲ πρὸ δύο τῆς νυκτὸς ὥρῶν, οὔσης δ' ἔτι νῦν αἰοδίμου Ῥωμαίοις ἐπὶ συμφορᾷ: ἀπέθανον γὰρ αὐτῶν ἐν ταῖςδε ταῖς ὥραις πεντακισμῦριοι, καὶ ζώντων ἐλήφθη πολὺ πλῆθος ἀπὸ τῆς βουλῆς πολλοὶ παρόντες ἐτελευτήσαν, καὶ ἐπ' αὐτοῖς ταξίαρχοι τε ὅντες καὶ λοχαγοὶ καὶ τῶν στρατηγῶν αὐτῶν οἱ ἄριστοι δύο. ὁ δὲ φαυλότατός τε καὶ τῶν συμφορῶν αἴτιος ἀρχομένης τῆς τροπῆς ἐπεφεύγει. καὶ Ῥωμαῖοι δύο ἔτεσιν ἦδη περὶ τὴν Ἰταλίαν Ἀννίβᾳ πολεμοῦντες ἀπωλωλέκεσαν ἀνδρῶν ἰδίων τε καὶ συμμάχων ἐς δέκα μυριάδας.

[26] Ἀννίβας δὲ νικῆν ἀρίστην τε καὶ σπάνιον ἐξενεγκάμενος ἡμέρας μιᾶς στρατηγήμασι τέσσαρσι, τοῦ τε πνεύματος τῇ φορᾷ καὶ τοῖς ὑποκριθεῖσιν αὐτομολεῖν καὶ τοῖς προσποιηθεῖσι φεύγειν καὶ τοῖς ἐν μέσαις ταῖς φάραγξι κεκρυμμένοις, εὐθὺς ἀπὸ τοῦ ἔργου τοὺς πεσόντας ἐπήγει, θεώμενος δὲ τῶν φίλων τοὺς ἀρίστους ἀνηρημένους ὥμωξε, καὶ δακρύσας εἶπεν οὐ χρῆζειν ἑτέρας τοιαῦδε νίκης. ὁ καὶ Πύρρον φασὶν εἰπεῖν πρὸ αὐτοῦ, τὸν Ἡπείρου

βασιλέα, Ῥωμαίων κάκεινον ἐν Ἰταλίᾳ κρατοῦντα σὺν ὁμοίᾳ ζημίᾳ. τῶν δὲ φυγόντων ἐκ τῆς μάχης οἱ μὲν ἐν τῷ μείζονι στρατοπέδῳ στρατηγὸν αὐτῶν ἐσπέρας ἐλόμενοι Πόπλιον Σεμπρόνιον, ἐβιάσαντο τοὺς Ἀννίβου φύλακας ὕπνου καὶ κόπου πλήρεις ὄντας, καὶ διέδραμον ἐς Κανύσιον περὶ μέσας νύκτας, ἀμφὶ τοὺς μυρίους, οἱ δ' ἐν τῷ βραχυτέρῳ πεντακισχίλιοι τῆς ἐπιούσης ἡμέρας ἐλήφθησαν ὑπὸ τοῦ Ἀννίβου. Τερέντιος δὲ στρατὸν ἀγείρας τοὺς διερριμμένους ἐπειράτο παραθαρρύνειν, καὶ στρατηγὸν αὐτοῖς ἐπιστήσας τῶν χιλιάρχων τινὰ Σκιπίωνα ἐς Ῥώμην διέδραμεν.

[27] ἡ δὲ πόλις, ἀπαγγελθείσης τῆς συμφορᾶς, οἱ μὲν ἐν ταῖς ὁδοῖς ἐθρήνουν τε τοὺς οἰκείους ἀνακαλοῦντες, καὶ σφᾶς ὡς αὐτικά ἄλωσομένους ὠλοφύροντο, αἱ δὲ γυναῖκες ἰκέτευσαν ἐν τοῖς ἱεροῖς μετὰ τῶν τέκνων ληξαίποτε τὰς συμφορὰς τῇ πόλει, οἱ δ' ἄρχοντες θυσίαις τε καὶ εὐχαῖς ἱλάσκοντο τοὺς θεοὺς, εἴ τι μήνιμα ἐνοχλεῖ, κορεσθῆναι τοῖς γεγονόσιν. ἡ δὲ βουλὴ Κόιντον μὲν Φάβιον, τὸν συγγραφέα τῶνδε τῶν ἔργων, ἐς Δελφοὺς ἐπεμπε χρησόμενον περὶ τῶν παρόντων, δούλους δὲ ἐς ὀκτακισχιλίους τῶν δεσποτῶν ἐπιδόντων ἡλευτέρου, ὅπλα τε καὶ τόξα τοὺς ἐν ἄστει πάντας ἐργάζεσθαι παρεσκεύαζε, καὶ συμμάχους, καὶ ὥς, τινὰς συνέλεγεν. Κλαυδιόν τε Μάρκελλον μέλλοντα πλεῖν ἐς Σικελίαν, ἐς τὸν Ἀννίβου πόλεμον μετέφερεν. ὁ δὲ τὸν μὲν στόλον ἐμερίσατο τῷ συνάρχῳ Φουρίῳ, καὶ τὸ μέρος ἐπεμψεν ἐς τὴν Σικελίαν, αὐτὸς δὲ τοὺς δούλους ἄγων καὶ ὅσους ἄλλους ἐδύνατο τῶν πολιτῶν ἢ συμμάχων, γενομένους ἅπαντας ἐς μυρίους πεζοὺς καὶ δισχιλίους ἵππεις, ἐς τὸ Τεανὸν παρῆλθε, καὶ ὃ τι πράξειν ὁ Ἀννίβας μέλλοι παραφύλασσειν.

[28] Ἀννίβου δὲ δόντος τοῖς αἰχμαλώτοις ἐς Ῥώμην πρεσβεύσασθαι περὶ σφῶν, εἰ θέλοιν αὐτοὺς οἱ ἐν ἄστει λύσασθαι χρημάτων, καὶ τοὺς αἰρεθέντας ὑπ' αὐτῶν τρεῖς, ὧν ἡγείτο Γναῖος Σεμπρόνιος, ὀρκώσαντος ἐς αὐτὸν ἐπανήξειν, οἱ μὲν οἰκεῖοι τῶν ἀλόντων, περιστάντες τὸ βουλευτήριον, ἐπηγγέλλοντο λύσεσθαι τοὺς οἰκείους ἕκαστος ἰδίῳις χρήμασι, καὶ παρεκάλουν τὴν βουλὴν τοῦτο σφίσιν ἐπιτρέψαι, καὶ ὁ δῆμος αὐτοῖς συνεδάκρυε καὶ συνεδεῖτο: τῶν δὲ βουλευτῶν οἱ μὲν οὐκ ἡξιοῦν ἐπὶ τοσαῖσδε συμφοραῖς ἄλλους τοσοῦσδε βλαβῆναι τὴν πόλιν, οὐδὲ δούλους μὲν ἐλευθεροῦν τοὺς δὲ ἐλευθέρους ὑπερορᾶν, οἱ δ' οὐκ ᾤοντο δεῖν αὐτοὺς ἐθίζειν τῷδε τῷ ἐλέφ φεύγειν, ἀλλ' ἢ νικᾶν μαχομένους ἢ ἀποθνήσκειν ὡς οὐκ ὄν οὐδ' ὑπὸ τῶν οἰκείων ἐλεεῖσθαι τὸν φυγόντα. πολλῶν δὲ παραδειγμάτων ἐς ἑκάτερα λεχθέντων, οὐκ ἐπέτρεψεν ἡ βουλὴ τοῖς συγγενέσι λύσασθαι τοὺς αἰχμαλώτους, ἡγουμένη, πολλῶν σφίσιν ἔτι κινδύνων ἐπόντων, οὐ συνοίσειν ἐς τὸ μέλλον τὴν ἐν τῷ παρόντι φιланθρωπίαν, τὸ δ' ἀπάνθρωπον, εἰ καὶ σκυθρωπὸν εἴη, πρὸς τε τὰ μέλλοντα χρήσιμον ἔσεσθαι καὶ ἐν τῷ παρόντι καταπλήξειν Ἀννίβαν τῷ τολμήματι. Σεμπρόνιος οὖν καὶ οἱ σὺν αὐτῷ δύο τῶν αἰχμαλώτων πρὸς Ἀννίβαν ἐπανήεσαν. ὁ δ' ἔστι μὲν οὗς ἀπέδοτο τῶν αἰχμαλώτων, ἔστι δ' οὗς ὑπ' ὀργῆς ἀνῆρει, καὶ τοῖς σώμασι τὸν ποταμὸν ἐγεφύρου καὶ ἐπέρα. ὅσοι δ' ἦσαν ἀπὸ τῆς βουλῆς ἢ ἄλλως ἐπιφανεῖς, μονομαχεῖν αὐτοὺς ὑπὸ θεαταῖς τοῖς Λίβυσιν ἠνάγκασε, πατέρας τε υἱοῖς καὶ ἀδελφοὺς ἀδελφοῖς, οὐδὲν ἐκλείπων ὑπεροπίας ὁμῆς.

[29] μετὰ δὲ τοῦτ' ἐπὶ τὰ ὑπὸ Ῥωμαίοις ἐλυμαίνετο, καὶ Πετρήνιοι μηχανήματα προσῆγεν. οἱ δ' ὀλίγοι μὲν ἦσαν, ὑπὸ δὲ τόλμῃς μετὰ τῶν γυναικῶν ἐπεξέθεον αὐτῷ, καὶ πολλὰ καὶ γενναῖα ἔδρων, τὰς τε μηχανὰς αὐτοῦ συνεχῶς ἐνεπίμπρασαν, οὐχ ἦσσαν αὐτοῖς τῶν γυναικῶν ἀνδρίζομένων. ὀλιγώτεροι δὲ γιγνόμενοι καθ' ἕκαστον ἔργον ἐκακοπάθουν μάλιστα ὑπὸ λιμοῦ· καὶ ὁ Ἀννίβας αἰσθανόμενος περιετείχισεν αὐτούς, καὶ Ἄννων ἐπέστησε τῇ πολιορκίᾳ. οἱ δ', ἐπιτείνοντος αὐτοῖς τοῦ κακοῦ, πρῶτα μὲν τοὺς ἀχρεῖους σφῶν ἐς μάχας ἐξέβαλον ἐς τὸ μεσοτείχιον, καὶ κτιννυμένους ὑπὸ τοῦ Ἄννωνος ἐφεώρων ἀλύπως ὥς εὐμοιρότερον ἀποθνήσκοντας. τῷ δ' αὐτῷ λόγῳ καὶ οἱ λοιποὶ ἀμπαν ἀποροῦντες ἐξέδραμον ἐπὶ τοὺς πολεμίους, καὶ πολλὰ μὲν καὶ γενναῖα καὶ τότε ἔδρασαν, ὑπὸ δὲ ἀτροφίας καὶ ἀσθενείας σωμάτων οὐδ' ὑποστρέψαι δυνάμενοι διεφθάρησαν ἅπαντες ὑπὸ τῶν Λιβύων. καὶ τὴν πόλιν εἶλεν ὁ Ἄννων, ἐκφυγόντων καὶ ὥς ἀπ' αὐτῆς ὀλίγων τῶν δραμεῖν δυνηθέντων. τούτους διερριμμένους οἱ Ῥωμαῖοι σπουδῇ συνῆγον, καὶ γενομένους ἐς ὀκτακοσίους κατήγαγόν τε καὶ συνώκισαν μετὰ τόνδε τὸν πόλεμον αὐθις ἐς τὴν πατρίδα, ἀγάμενοι τῆς τε περὶ σφᾶς εὐνοίας καὶ τοῦ παραδόξου τῆς προθυμίας.

[30] τῶν δὲ Κελτιβήρων ἱππέων, οἱ ἐμισθοφόρου Ἀννίβα, λαμπρῶς ἀγωνιζομένων, ὅσοι Ῥωμαίων ἐστρατήγουν ἐν Ἰβηρίᾳ, τοσοῦσδε ἐτέρους τὰς πόλεις τὰς ὑπὸ σφίσιν αἰτήσαντες ἐς ἀντίπαλον ἐκείνων ἔπεμψαν ἐς τὴν Ἰταλίαν, οἱ τοῖς ὁμοεθνεσίν, ὅτε πλησίον Ἀννίβου στρατοπεδεύοιεν, ἀναμινύμενοι μετέμειθον αὐτούς. καὶ πολλῶν μετατιθεμένων τε καὶ αὐτομολούντων ἢ ἀποδιδρασκόντων οὐδὲ τὸ λοιπὸν ἦν ἔτι τῷ Ἀννίβᾳ πιστόν, ὑποπτευόμενόν τε ὑπ' ἐκείνου καὶ ὑποπτεύοντες αὐτόν. κάκιον οὖν ἔπρασεν ὁ Ἀννίβας τὸ ἀπὸ τοῦδε.

[31] Ἀργύριππα δ' ἐστὶ πόλις ἐν τῇ Δαυνίᾳ, ἣν Διομήδης ὁ Ἀργεῖος λέγεται κτίσαι. καὶ τις ἔκγονος εἶναι τοῦ Διομήδους νομιζόμενος, Δάσιος, ἀνὴρ εὐμετάβολός τε τὸ φρόνημα καὶ οὐ Διομήδους ἄξιος, Ῥωμαίων περὶ Κάννας τὴν μεγάλην ἦτταν ἡττημένων ἀπέστησε τὴν πατρίδα πρὸς τοὺς Λίβυας ἀπὸ Ῥωμαίων. τότε δ' αὖ δυσπραγοῦντος Ἀννίβου ἔλαθεν ἐς Ῥώμην διυπεύσας, καὶ ἐπὶ τὴν βουλὴν ἐπαχθεὶς ἔφη δύνασθαι τὸ ἀμάρτημα ἰάσασθαι καὶ μεταβαλεῖν αὐθις ἐς Ῥωμαίους τὴν πόλιν. οἱ δ' ὀλίγου μὲν αὐτόν καὶ διέφθειραν, ἐξέβαλον δ' εὐθὺς ἐκ τῆς πόλεως. ὁ δὲ καὶ τούσδε καὶ τὸν Ἀννίβαν δεδιὼς ἤλατο ἀνὰ τὴν χώραν, καὶ ὁ μὲν Ἀννίβας αὐτοῦ τὴν γυναῖκα καὶ τὰ τέκνα ζῶντας ἔκαυσε, τὰ δὲ Ἀργύριππα ἐτέρων ἐνδόντων εἶλε Φάβιος Μάξιμος νυκτός, καὶ κτείνας ὅσους ἤνρε Λιβύων, φρουρὰν ἐπέστησε τῇ πόλει.

[32] Τάραντα δὲ φρουρουμένην ὑπὸ Ῥωμαίων Κωνωνεύς ὧδε προῦδωκεν. κυνηγετὴν εἶθιστο ὁ Κωνωνεύς, καὶ φέρων αἰεὶ τι τῷ φρουράρχῳ Λιούῳ συνήθης ἐκ τοῦδε ἐγεγένητο. ὥς δὲ ἐν πολεμουμένην χώραν, νυκτός ἔφη δεῖν κυνηγετὴν καὶ νυκτός φέρειν τὰ λαμβανόμενα. νυκτός οὖν αὐτῷ τῶν πυλῶν ἀνοιγομένων, συνθέμενος Ἀννίβα καὶ στρατιώτας λαβὼν, τοὺς μὲν ἔκρυσεν ἐν λόχμῃ τινὶ πλησίον, τοὺς δ' ἐπακολουθεῖν ἐκέλευσεν ἑαυτῷ δι' ὀλίγου, τοὺς δὲ σὺν αὐτῷ προσιέναι, θώρακας ἐνδοθεν ὑπεζωσμένους καὶ ξίφη, τὰ δ'

ἐκτὸς ὡς ἂν ἐς κυνηγέτας ἐσκευασμένους. κάπρον τε αὐτοῖς ἐπὶ ξύλων ἐπιθείς ἦκε νυκτὸς ἐπὶ τὰς πύλας. καὶ τῶν φυλάκων, ὥσπερ ἔθος ἦν, ἀνοιξάντων, οἱ μὲν συννεσελθόντες αὐτῷ τοὺς ἀνοιξάντας αὐτίκα διεχρῶντο, οἱ δ' ἐπόμενοι κατὰ σπουδὴν συνεσέπιπτον ἐκείνοις, καὶ τοὺς ἀπὸ τῆς λόχμης ἐδέχοντο, καὶ τὰς πύλας ἀνεώγνυνον τῷ Ἀννίβᾳ. ὁ δὲ ἔσω παρελθὼν τῆς μὲν ἄλλης πόλεως εὐθὺς ἐκράτει, καὶ τοὺς Ταραντίνους ἐταιρισάμενος τὴν ἄκραν ἔτι φρουρουμένην ἐπολιόρκει.

[33] ὧδε μὲν Κωνωνεὺς Τάραντα προὔδωκε: Ῥωμαῖοι δ' ὅσοι τὴν ἀκρόπολιν εἶχον, ἐς μὲν πεντακισχιλίους ἦσαν, καὶ αὐτοῖς Ταραντίνων τέ τινες προσεχώρουν, καὶ ὁ τῆς ἐν Μεταποντίῳ φρουρᾶς ἡγεμὼν τὸ ἥμισυ τῆς φρουρᾶς ἔχων ἦλθε, βελῶν τε καὶ ὀργάνων πολλῶν ἠυπόρουν, ὡς ἀπὸ τείχους εὐμαρῶς ἀμύνεσθαι τὸν Ἀννίβαν. ἠυπόρει δὲ καὶ ὁ Ἀννίβας. πύργους τε οὖν καὶ καταπέλτας ἐπάγων καὶ χελώνας ἔνια διέσειε, καὶ δρεπάνους ἀπὸ κάλων ἐπάλξεις τε κατέσυρε καὶ τὸ τεῖχος ἀπεγύμνου. οἱ δὲ λίθους μὲν ἐπὶ τὰς μηχανὰς ἀφιέντες πολλὰ συνέτριβον, βρόχοις δὲ τὰ δρέπανα περιέσπων, καὶ πολλάκις ἐκθέοντες ἄφνω συνετάρασσον αἰεὶ τι καὶ κτείναντες ἐπανήεσαν. ὡς δὲ καὶ πνευμᾶ ποτε λάβρον ἐθεάσαντο, οἱ μὲν ἀπὸ τοῦ τείχους δᾶδας ἡμμένας καὶ στύππιον καὶ πίσσαν αὐτοῦ τοῖς μηχανήμασιν ἐπερρίπτουν, οἱ δὲ καὶ ἐκδραμόντες ὑπέθηκαν. ἀπογνοὺς οὖν ὁ Ἀννίβας τῆσδε τῆς πείρας περιετείχισε τὴν πόλιν, χωρὶς γε τοῦ πρὸς θαλάσση μέρους: οὐ γὰρ ἦν καὶ τοῦτο δυνατόν. καὶ παραδοὺς Ἄννωνι τὴν πολιορκίαν, ἐς Ἰάπυγας ἀνεχώρει.

[34] λιμένες δ' εἰσὶ τοῖς Ταραντινοῖς πρὸς βορρᾶν ἄνεμον ἐκ πελάγους ἐσπλέοντι διὰ ἰσθμοῦ, καὶ τὸν ἰσθμὸν ἀπέκλειον γεφύραις, ὧν τότε κρατοῦντες οἱ Ῥωμαίων φρουροὶ σφίσι μὲν ἐδέχοντο τὴν ἀγορὰν ἐκ θαλάσσης, Ταραντινοῖς δ' ἐκώλουν ἐσκομίζεσθαι. ὅθεν ἠπόρουν ἀγορᾶς οἱ Ταραντῖνοι, ἕως ἐπελθὼν αὐτοῖς ὁ Ἀννίβας ἐδίδαξε λεωφόρον ὁδόν, ἣ διὰ μέσης τῆς πόλεως ἔφερεν ἀπὸ τῶν λιμένων ἐπὶ τὴν νοτιον θαλασσαν, ὀρύζαντας, ἰσθμὸν ἕτερον ποιήσασθαι. καὶ οἱ μὲν οὕτω πράξαντες εἶχόν τε ἀγορὰν, καὶ τριήρεσι τοὺς Ῥωμαίων φρουροὺς ναῦς οὐκ ἔχοντας ὑπὸ τὸ τεῖχος ἔβλαπτον, ὅτε μὴ χειμῶν εἴη μάλιστα, καὶ τὴν ἀγορὰν τὴν καταπλέουσαν ἐκείνοις ἀφηροῦντο: οἱ δ' ἠπόρουν. καὶ νυκτὸς αὐτοῖς Θουρίων σῖτόν τε ναυσὶ πεμπόντων καὶ τριήρεις ἐς φυλακὴν τῶν νεῶν, οἱ Ταραντῖνοι καὶ οἱ σὺν αὐτοῖς Λίβυες πυθόμενοι καὶ λοχῆσαντες ἔλαβον αὐτῶν τε σίτῳ καὶ αὐτοῖς ἀνδράσιν ἀπάσας. πρεσβευομένων δὲ θαμινὰ τῶν Θουρίων, καὶ ἀξιούντων λύσασθαι τοὺς εἰλημμένους, οἱ Ταραντῖνοι τοὺς φοιτῶντας αὐτῶν μετέπειθον ἐς Ἀννίβαν. καὶ ὁ Ἀννίβας ὅσους εἶχε Θουρίων αἰχμαλώτους, εὐθὺς ἀπέλυνεν. οἱ δὲ τοὺς οἰκείους σφῶν βιασάμενοι, τὰς πύλας Ἄννωνι ἀνέφξαν. καὶ Θούριοι μὲν Ῥωμαίοις Τάραντα περιποιούμενοι ἔλαθον οὕτως ὑπὸ Καρχηδονίοις αὐτοὶ γενόμενοι: ἢ δ' ἐν τῇ πόλει φρουρὰ Ῥωμαίων ἐς Βρεντέσιον λαθοῦσα διεπλευσεν.

[35] Μεταποντῖνοι δ', ἐξ οὗ σφῶν ὁ φρούραρχος τὸ ἥμισυ τῆς φρουρᾶς ἄγων ἐς Τάραντα ὤχετο, τοὺς λοιποὺς ὀλίγους γενομένους ἀπέκτειναν καὶ Ἀννίβᾳ προσέθεντο. προσέθετο δὲ καὶ ἡ μεταξὺ Μεταποντίνων τε καὶ Θουρίων Ἡράκλεια, δέει μᾶλλον ἢ γνώμῃ. καὶ πάλιν ἦν ἐπικυδέστερα τὰ

Ἀννίβου. τοῦ δ' ἐξῆς ἔτους καὶ Λευκανῶν τινες ἀπέστησαν ἀπὸ Ῥωμαίων· οἳ Σεμπρόνιος Γράκχος ἀνθύπατος ἐπελθὼν ἐπολέμει. Λευκανὸς δέ τις ἐκ τῶν ἔτι Ῥωμαίοις ἐμμενόντων Φλάουιος, φίλος ὢν καὶ ξένος Γράκχου, προδιδούς αὐτὸν ἔπεισεν ἕς τι χωρίον ἐλθόντα συνθέσθαι Λευκανῶν τοῖς στρατηγοῖς ὡς μετανοοῦσι, καὶ δοῦναι καὶ λαβεῖν πίστει. ὁ δ' οὐδὲν ὑποτοπήσας εἶπετο μεθ' ἱππέων τριάκοντα. Νομάδων δὲ πολλῶν αὐτὸν ἐξ ἐνέδρας κυκλωσαμένων, ὁ μὲν Φλάουιος ἐξίππευσεν ἐς ἐκείνους, ὁ δὲ Γράκχος συνεις τῆς προδοσίας καθήλατο μετὰ τῶν ἱππέων, καὶ πολλὰ καὶ γενναῖα δρῶν κατεκόπη μετὰ πάντων πλὴν τριῶν, οὓς μόνους εἶλεν ὁ Ἀννίβας, πολλὴν ποιησάμενος σπουδὴν λαβεῖν ζῶντα Ῥωμαίων τὸν ἀνθύπατον. αἰσχυρῶς δ' αὐτὸν ἐνὸνδρουμένον ἀγάμενος ὁμως τῆς τελευταίας ἀρετῆς ἔθαψε, καὶ τὰ ὅσα Ῥωμαῖοις ἔπεμψεν.

καὶ ἀπὸ τοῦδε αὐτὸς μὲν ἐν Ἰάπυξιν ἐθέριζε καὶ σῖτον πολὺν ἐσώρρευε,
[36] Ῥωμαίων δ' ἐπιθέσθαι Καπυαίοις ἐγνωκότων ἔπεμπεν Ἄνωνα μετὰ χιλίων πεζῶν καὶ χιλίων ἱππέων ἐσδραμεῖν νυκτὸς ἐς Καπύην. καὶ ὁ μὲν ἐσέδραμε Ῥωμαῖους λαθόν, οἱ δ' ἡμέρας γενομένης, ὡς πλέονας εἶδον ἐπὶ τῶν τειχῶν, τὸ συμβάν ἐγνωσαν, καὶ τῆς μὲν πόλεως εὐθὺς ἀνεχώρουν, τὰ δὲ θέρη τὰ Καπυαίων καὶ τῶν ἄλλων Καμπανῶν προκατελάμβανον. ὀδυρομένοις δὲ περὶ τοῦδε τοῖς Καμπανοῖς ὁ Ἀννίβας ἔφη πολὺν ἔχειν σῖτον ἐν Ἰαπυγία, καὶ πέμποντας ἐκέλευε λαμβάνειν ὅσας κίς θέλοιεν. οἱ δ' οὐκ ὑποζύγια μόνον οὐδ' ἄνδρας, ἀλλὰ καὶ γυναῖκα καὶ παιδία ἔπεμπον ἀχθοφορήσοντα τοῦ σίτου· καὶ γὰρ ἐθάρρουν τῇ διόδῳ, μετελθόντος ἐς αὐτὴν ἐξ Ἰαπύγων Ἀννίβου, καὶ παρὰ τὸν Κάλωρα ποταμὸν στρατοπεδεύοντος, πλησίον Βενεβενδέων, οὓς μόνους ἐδεδοίκεσαν Ῥωμαίοις ἔτι συμμάχους ὄντας. τότε δὲ Ἀννίβου παρόντος ἀπάντων κατεφρόνουν.

[37] συνέβη δὲ Ἀννίβαν μὲν, καλοῦντος αὐτὸν Ἄνωνος, ἐς Λευκανοὺς διελθεῖν, τὰ πολλὰ τῆς κατασκευῆς ἐν τῷ περὶ Βενεβεντὸν στρατοπέδῳ μετ' ὀλίγης φρουρᾶς καταλιπόντα, δυοῖν δὲ Ῥωμαίοις στρατηγούνοιτο ὑπάτοι, Φουλουίου τε Φλάκκου καὶ Κλαυδίου Ἀππίου, τὸν ἕτερον αὐτοῖν πυθόμενον ἐπιδραμεῖν τοῖς Καμπανοῖς διαφέρουσι τὰ θέρη, καὶ πολλοὺς μὲν οἷα ἀπαρασκευοὺς διαφθεῖραι, καὶ τὸν σῖτον Βενεβενδεῦσι δοῦναι, λαβεῖν δὲ καὶ τὸ στρατόπεδον Ἀννίβου, καὶ τὴν ἐν αὐτῷ παρασκευὴν ἀρπάσαι, καὶ Καπύην ἔτι ὄντος ἐν Λευκανοῖς Ἀννίβου περιταφρεῦσαί τε καὶ ἐπὶ τῇ τάφρῳ περιτειχίσαι πᾶσαν ἐν κύκλῳ. καὶ τοῦδε τοῦ περιτειχίσματος ἐκτὸς ἄλλο ποιήσαντες οἱ στρατηγοὶ τὸ μεσον εἶχον ἀντὶ στρατοπέδου. ἐπάλξεις δ' ἦσαν αὐτοῖς αἱ μὲν ἐς Καπυαίους πολιορκουμένους αἱ δ' ἐς τοὺς ἔξωθεν ἐπιόντας ἐπεστραμμέναι, ἥ τε ὅψις ἦν πόλεως μεγάλης σμικροτέραν ἐχούσης ἐν μέσῳ. τὸ δὲ ἀπὸ τοῦ περιτειχίσματος ἐς τὴν Καπύην διάστημα διστάδιον ἦν μάλιστα· ἐν ᾧ πολλαὶ ἐγίγνοντο πεῖραι καὶ συμβολαὶ καθ' ἑκάστην ἡμέραν, πολλὰ δ' ὡς ἐν θεάτρῳ μεσοτειχίῳ μονομάχια, προκαλουμένων ἀλλήλους τῶν ἀρίστων. καὶ τις Καπυαῖος, Ταυρέας, Ῥωμαίων ἐν μονομαχίᾳ Κλαυδίον Ἀσελλον περιφεύγων ὑπεχώρει, μέχρι τοῖς Καπυαίων τείχεσιν ὁ Ἀσελλος ἐγκύρσας καὶ τὸν ἵππον οὐ δυνάμενος ἐκ τῆς ρύμης ἐπιστρέψαι διὰ τῶν πολεμίων πλῶν ἐς τὴν Καπύην ἐσήλατο σὺν ὀρμῇ, καὶ διυπεύσας τὴν πόλιν ὅλην κατὰ τὰς

ἐτέρας ἐξέδραμεν ἐς τοὺς ἐπὶ θάτερα Ῥωμαίους.

[38] καὶ ὁ μὲν οὕτω παραβόλως διεσώζετο, Ἀννίβας δὲ τῆς χρείας ψευσθεὶς ἐφ' ἣν ἐς Λευκανοὺς μετεκέκλητο, ἀνέστρεφεν ἐς Καπύην, μέγα ποιούμενος μὴ περιδεῖν πόλιν μεγάλην καὶ εὐκαιρον ὑπὸ Ῥωμαίοις γενομένην. προσβάλων δὲ τῷ περιτειχίσματι καὶ μηδὲν δυνηθεὶς, μηδ' ἐπινοῶν ὅπως ἂν ἐς τὴν πόλιν ἐσπέμψειεν ἢ σῖτον ἢ στρατιάν, οὐδενὸς οὐδ' ἀπ' ἐκείνων αὐτῷ συμβαλεῖν δυναμένου διὰ τὴν ἐπιτειχίσιν πάντῃ περιλαμβάνουσαν, ἐπὶ τὴν Ῥώμην ἠπείγετο παντὶ τῷ στρατῷ, πυνθανόμενος μὲν κάκεινους ὑπὸ λιμοῦ πιέζεσθαι, ἐλπίζων δὲ τοὺς στρατηγούς αὐτῶν ἀπὸ Καπύης ἀναστήσειν, ἢ αὐτὸς τι Καπύης μεῖζον ἐργάσεσθαι. συντόνῳ δὲ σπουδῇ διελθὼν ἔθνη πολλὰ καὶ πολέμια, τῶν μὲν οὐ δυνηθέντων αὐτὸν ἐπισχεῖν, τῶν δὲ οὐδὲ ἐς πείραν ἔλθειν ὑποστάντων, ἀπὸ δύο καὶ τριάκοντα σραδίων τῆς Ῥώμης ἐστρατοπέδευσεν ἐπὶ τοῦ Ἀνιήνος ποταμοῦ.

[39] καὶ ἡ πόλις ἐθορυβήθη θόρυβον οἷον οὐ πρότερον, οἰκεῖον μὲν οὐδὲν ἔχοντες ἰκανόν· ὁ γὰρ εἶχον, ἐν Καμπανίᾳ τότε ἦν, πολεμίου δὲ στρατοῦ τοσοῦδε σφίσις ἐπιστάντος ἄφνω, καὶ στρατηγοῦ δι' ἀρετὴν καὶ εὐτυχίαν ἀμάχου. ὅμως δὲ ἐκ τῶν παρόντων οἱ μὲν δυνάμενοι φέρειν ὅπλα τὰς πύλας ἐφύλασσαν, οἱ δὲ γέροντες ἐς τὸ τεῖχος ἀνεπήδων, γύναια δὲ καὶ παιδία λίθους καὶ βέλη παρέφερον. οἱ δὲ ἐκ τῶν ἀγρῶν συνέθεον ἐς τὸ ἄστυ δρόμῳ. βοῆς δὲ παμμιγοῦς καὶ θρήνων καὶ εὐχῶν καὶ παρακελεύσεων πρὸς ἀλλήλους πάντα μεστὰ ἦν. εἰσὶ δ' αὐτῶν οἱ τὴν γέφυραν τὴν ἐπὶ τοῦ Ἀνιήνος ἐκδραμόντες ἔκοπτον. μικρὸν δὲ τι πολίχνιον Ῥωμαῖοι ποτε ἐπιτειχίζοντες Αἰκανοῖς Ἀλβὴν ἀπὸ τῆς αὐτῶν μητροπόλεως ἐκάλεσαν· σὺν χρόνῳ δ' ἐπισύροντες ἢ διαφθείροντες, ἢ ἐς τὴν Ἀλβανῶν σύγκρισιν, Ἀλβησέας αὐτοὺς καλοῦσιν. τούτων τότε τῶν Ἀλβησέων ἐς Ῥώμην δισχιλίοι δρόμῳ διέθεον, τοῦ κινδύνου μετασχεῖν, καὶ ἅμα ἀφικνοῦντο καὶ ὠπλίζοντο καὶ τὰς πύλας ἐφρούρου. τοσῆδε προθυμίᾳ βραχὺ πολίχνιον ἐκ τοσῶνδε ἀποικιῶν ἐχρήσατο μόνῃ, οἷόν τι καὶ Ἀθηναίοις ἐς Μαραθῶνα μικρὰ πόλις ἢ Πλαταιέων ἔδραμε τοῦ τότε κινδύνου μετασχεῖν.

[40] τῶν δὲ στρατηγῶν Ἀππίος μὲν Καπύῃ παρέμενε, κάκεῖνος ἡγούμενος ἐλεῖν Καπύην, Φούλουιος δὲ Φλάκκος ἐτέραις ὁδοῖς ἐπειχθεὶς ἀλήκτῳ τάχει ἀντεστρατοπέδευσε τῷ Ἀννίβᾳ, μέσον ἔχων τὸν Ἀνιήνα. τῷ δ' Ἀννίβᾳ τὴν γέφυραν εὐρόντι λελυμένην καὶ τὸν Φούλουιον ἀντικαθήμενον, ἔδοξε τὰς πηγὰς τοῦ ποταμοῦ περιοδεῦσαι. καὶ ὁ μὲν Φούλουιος ἀντιπαρόδευεν, ὁ δὲ καὶ ὥς ἐνήδρευε, Νομάδας ἱππέας ὑπολιπὼν, οἱ τῶν στρατῶν ἀναστάντων τὸν Ἀνιήνα ἐπέρασαν καὶ τὰ Ῥωμαίων ἐδήουν, μέχρι παρὰ τὴν πόλιν αὐτὴν γενόμενοι καὶ φοβήσαντες ἐπέστρεψαν ἐς Ἀννίβαν· οὕτω γὰρ αὐτοῖς παρήγγελλτο. αὐτὸς δὲ ἐπεὶ τὰς τε πηγὰς τοῦ ποταμοῦ περιῆλθε, καὶ ὁδὸς ἦν ἐς τὸ ἄστυ οὐ πολλή, λέγεται μὲν νυκτὸς σὺν τρισὶν ὑπασπισταῖς λαθὼν κατασκέψασθαι τὸ ἄστυ, καὶ τὴν τῆς δυνάμεως ἐρμημίαν καὶ θόρυβον τὸν ἐπέχοντα ἰδεῖν, ἀναστρέψαι δ' ἐς Καπύην, εἴτε θεοῦ παράγοντος αὐτὸν αἰεὶ ὥς καὶ τότε, εἴτε τὴν τῆς πόλεως ἀρετὴν καὶ τύχην δείσας, εἴτε, ὥς αὐτὸς τοῖς ἐσβαλεῖν προτρέπουσιν ἔλεγεν, οὐκ ἐθέλων τὸν πόλεμον ἐκλῦσαι δέει Καρχηδονίων, ἵνα μὴ καὶ τὴν στρατηγίαν αὐτὸς ἀποθοῖτο· οὐ γὰρ ὁ γε σὺν

Φουλουίῳ στρατὸς ἦν αὐτῷ πάμπαν ἀξίωμαχος, ὁ δὲ Φούλουιος ἀναστρέφοντι παρείπετο, κωλύων τε προνομεύειν καὶ φυλασσόμενος μηδὲν ἐξ ἐνέδρας παθεῖν.

[41] ὁ δ' ἐπιτηρήσας νύκτα ἀσέληνον, καὶ χωρίον ἐν ᾧ Φούλουιος ἐσπερας τείχους μὲν οὐκ ἔφθανεν ἐγεῖραι, τάφρον δ' ὀρυζάμενος καὶ διαστήματα ἀντὶ πυλῶν καταλιπὼν καὶ τὸ χῶμα προβαλὼν ἀντὶ τείχους ἡσύχασεν, ἐς τε λόφον ὑπερκείμενον αὐτοῦ καρτερόν ἐπεμψε λαθὼν ἰππέας, οἷς εἴρητο ἡσυχάζειν ἕως οἱ Ῥωμαῖοι τὸν λόφον ὡς ἔρημον ἀνδρῶν καταλαμβάνωσι, τοῖς δ' ἐλέφασι τοὺς Ἰνδοὺς ἐπιβήσας ἐκέλευσεν ἐς τὸ τοῦ Φουλουίου στρατόπεδον ἐσβιάζεσθαι διὰ τε τῶν διαστημάτων καὶ διὰ τῶν χωμάτων, ὡς δύναιτο. σαλπικτὰς δὲ αὐτοῖς καὶ βυκανητάς τινας ἐξ ὀλίγου διαστήματος ἔπεσθαι κελεύσας, προσέταξεν, ὅταν ἔνδον γένωνται, τοὺς μὲν θόρυβον πολὺν ἐγείρειν περιθέοντας, ἵνα πολλοὶ δόξωσιν εἶναι, τοὺς δε ῥωμαΐζοντας βοᾷν ὅτι Φούλουιος ὁ Ῥωμαίων στρατηγὸς κελεύει, τὸ στρατόπεδον ἐκλιπόντας, ἐπὶ τὸν ἐγγὺς λόφον ἀναπηδᾶν. τότε μὲν ἦν τὸ στρατήγημα τοῦ Ἀννίβου, καὶ τούτων τὰ μὲν πρῶτα πάντα κατὰ νοῦν ἀπήντησεν: οἷτε γὰρ ἐλέφαντες ἐσῆλθον τοὺς φύλακας καταπατήσαντες, καὶ οἱ σαλπικταὶ τὸ αὐτῶν ἐποίουν, καὶ ὁ θόρυβος Ῥωμαίοις ἐξ εὐνῆς ἀνισταμένοις ἐν μελαίνῃ νυκτὶ ἀδόκητος ἐμπεσὼν ἐπιφοβώτατος ἦν, τῶν τε ῥωμαΐζόντων ἀκούοντες ὅτι παρήγγελται φεύγειν ἐς τὸν λόφον, περὶ τοῦτ' ἐγίνοντο.

[42] Φούλουιος δὲ αἰεὶ τινα προσδοκῶν ἐνέδραν, καὶ τοῦτο ὑποπτεύων ἐν ἅπασι τοῖς Ἀννίβου, εἴθ' ὑπ' οἰκείας τότε συνέσεως, εἴτε θεολήπτῳ γνώμῃ προσπεσὼν, εἴτε παρ' αἰχμαλώτου τὰ ἀκριβέστατα μαθὼν, τοὺς χιλιάρχους ὀξέως ἐπέστησε ταῖς ἐς τὸ λόφον ἀγούσαις ὁδοῖς, κωλύειν τοὺς δι' αὐτῶν φερομένους, καὶ μεταδιδάσκειν ὅτι τοῦτ' οὐχ ὁ στρατηγὸς Ῥωμαίων ἀλλ' Ἀννίβας ἐκήρυξεν ἐνεδρεῦων. αὐτὸς δὲ τοῖς χώμασι φυλακὰς ἀκριβεῖς ἐπιστήσας, μή τις ἔφοδος ἐξωθεν ἄλλη γένοιτο, ἐβοηδρόμει μεθ' ἐτέρων ἀνὰ τὸ στρατόπεδον ἅπαντα ἔχειν ἀσφαλῶς, καὶ ὀλίγους τοὺς μετὰ τῶν ἐλεφάντων ἐσελθόντας εἶναι. δᾶδός τε ἦπτε καὶ πῦρ πανταχόθεν ἡγειρε, καὶ καταφανῆς ἦν ἡ τῶν ἐσελθόντων ὀλιγότης, ὥστε αὐτῶν πάνυ καταφρονήσαντες οἱ Ῥωμαῖοι, ἐς ὀργὴν ἐκ τοῦ πρὶν δέους μεταβαλόντες, εὐμαρῶς οἷα ψιλοὺς καὶ ὀλίγους διέφθειραν. οἱ δὲ ἐλέφαντες οὐκ ἔχοντες εὐρύχωρον οὐδὲν ἐς ἀναστροφήν, εἰλούμενοι περὶ σκηνὰς καὶ φάτνας, ἐβάλλοντο πρὸς ἀπάντων ἐπιτυχῶς διὰ τὴν στενότητα τοῦ χωρίου καὶ τὸ μέγεθος τῶν σωμάτων, μέχρι περιαλοῦντές τε καὶ ἀγανακτοῦντες, καὶ ἐπιδραμεῖν ἐς τοὺς πολεμίους οὐκ ἔχοντες, τοὺς ἐπιβάτας σφῶν ἀπεσειόντο καὶ κατεπάτουν σὺν ὀργῇ καὶ βοῇ πάνυ ἡγριωμένοι, καὶ ἐξεπῆδων ἐκ τοῦ στρατοπέδου. Φούλουιος μὲν δὴ Φλάκκος εὐσταθῶς καὶ εὐμηχάνως αἰφνιδίῳ συνενεχθεὶς ἐνέδρα περιῆν τοῦ Ἀννίβου, καὶ τὸν στρατὸν περιέσωζεν αἰεὶ πεφρικότα τὰς Ἀννίβου μηχανάς:

[43] ὁ δ' Ἀννίβας ἐπεὶ τῆς πείρας ἀπέτυχεν, ἐς Λευκανοὺς διελθὼν ἐχείμαζε, καὶ ἐπὶ τρυφῆς ἦν οὐ συνήθους, ἐρωμένην τε εἶχεν ἄγριος ἀνὴρ. καὶ εὐθὺς αὐτῷ κατ' ὀλίγον ἐτρέπετο πάντα. Φούλουιος δ' ἐς Καπύην πρὸς τὸν συστράτηγον ἐπανήει, καὶ τοῖς Καπυαίοις προσέβαλλον ἅμφω καρτερῶς,

ἐπειγόμενοι χειμῶνος ἐλαῖν τὴν πόλιν, ἕως Ἀννίβας ἡρεμεῖ. Καπυαῖοι δέ, τῶν τροφῶν σφᾶς ἐπιλείπουσάν καὶ οὐδαμῶθεν ἄλλων ἐπεισαγομένων, ἐνεχείρισαν ἑαυτοὺς τοῖς στρατηγοῖς· ἐνεχείρισαν δὲ καὶ ὅσοι Λιβύων αὐτοὺς ἐφρούρουν, αὐτοῖς στρατηγοῖς, Ἄννωνι ἐτέρῳ καὶ Βώσταρι. Ῥωμαῖοι δὲ τῇ μὲν πόλει φρουρὰν ἐπέστησαν, καὶ ὅσους ἡῦρον αὐτομολοῦντας, χεῖρας αὐτῶν ἀπέτεμον· Λιβύων δὲ τοὺς μὲν ἐπιφανεῖς ἐς Ῥώμην ἐπεμψαν, τοὺς δὲ λοιποὺς ἀπέδοντο. καὶ Καπυαίων αὐτῶν τοὺς μὲν αἰτίους μάλιστα τῆς ἀποστάσεως ἀπέκτειναν, τῶν δ' ἄλλων τὴν γῆν ἀφείλοντο μόνον. εὐφορος δ' ἐστὶν ἐς σῖτον ἢ περὶ τὴν Καπύην πᾶσα· πεδιάς γάρ ἐστιν. Καπύη μὲν δὴ πάλιν ἐς Ῥωμαίους ἐπανῆκτο, καὶ μέγα τοῦτο Λιβύων ἐς τὴν Ἰταλίαν πλεονέκτημα περιήρητο.

[44] ἐν δὲ Βρεττίοις, οἱ μέρος εἰσὶ τῆς Ἰταλίας, ἀνὴρ ἐκ πόλεως Τισίας φρουρουμένης ὑπὸ τῶν Λιβύων, ἐθίσας ἀεὶ τι λήζεσθαι καὶ φέρειν τῷ φρουράρχῳ, καὶ παρὰ τοῦτο αὐτῷ συνήθης ἐς πάντα γεγωνὸς καὶ σχεδὸν συστράτηγος, ἤλγει τῶν φρουρῶν ἐς τὴν πατρίδα ὑβρίζοντων συνθέμενος οὖν τῷ Ῥωμαίων στρατηγῷ, καὶ πιστὰ δοὺς καὶ λαβὼν, ἐκάστοτέ τινας ὡς αἰχμαλώτους ἐσήγεν ἐς τὴν ἄκραν, καὶ τὰ ὄπλα αὐτῶν ἐσέφερεν ὡς σκῦλα. ἐπεὶ δὲ πλέονες ἐγένοντο, ἐξέλυσεν αὐτοὺς καὶ ὥπλισε, καὶ τὴν Λιβύων φρουρὰν ἀνεῖλε, καὶ παρὰ Ῥωμαίων ἄλλην ἐσηγάγετο. Ἀννίβου δὲ οὐ πολὺ ὕστερον παροδεύοντος αὐτοῦς, οἱ μὲν φρουροὶ καταπλαγέντες ὑπὸ τοῦ δέους ἐξέφυγον ἐς Ῥήγιον, οἱ δὲ Τισιαῖται παρέδωκαν αὐτοὺς τῷ Ἀννίβᾳ. καὶ ὁ Ἀννίβας τοὺς μὲν αἰτίους τῆς ἀποστάσεως ἔκαυσε, τῇ δὲ πόλει φρουρὰν ἐπέστησεν ἄλλην.

[45] Ἰαπύγων δ' ἐν πόλει Σαλαπία, Λιβύων ὑπηκόῳ, δύο ἦσθην ἄνδρες τῶν μὲν ἄλλων γένει καὶ πλούτῳ καὶ δυνάμει διαφέροντες, ἀλλήλοιν δ' ἐκ πολλοῦ διαφόρῳ. τούτοις Δάσιος μὲν τὰ Λιβύων ἡρεῖτο, Βλάτιος δὲ τὰ Ῥωμαίων. ἕως μὲν οὖν ἤκμαζε τὰ Ἀννίβου, ἐφ' ἡσυχίας ἦν ὁ Βλάτιος· ἐπεὶ δὲ ἡγείρετο τὸ Ῥωμαίων καὶ τὰ πολλὰ τῆς ἐσφετερισμένης ἀρχῆς ἀνελάμβανον, ἔπειθεν ὁ Βλάτιος τὸν ἐχθρὸν ὑπὲρ τῆς πατρίδος αὐτῷ συμφρονῆσαι μόνῃς, μὴ τι πάθοι, Ῥωμαίων αὐτὴν βίᾳ λαβόντων, ἀνῆκεστον. ὁ δ' ὑποκρινάμενος συντίθεσθαι, κατεμήνυσε τοῦτο Ἀννίβᾳ. καὶ ἐδίκαζεν αὐτοῖς ὁ Ἀννίβας, Δασίου μὲν κατηγοροῦντος, Βλατίου δ' ἀπολογουμένου καὶ συκοφαντεῖσθαι διὰ τὴν ἐχθραν λέγοντος· ὁ καὶ τέως ἄρα προορῶν ἐτόλμησεν ἐχθρῷ προσενεγκεῖν λόγον τοιόνδε, ὡς ἀπίστῳ κατηγορῶ διὰ τὴν ἐχθραν ἐσομένῳ. Ἀννίβας δ' οὔτε ἀπορρῖψαι τὸ ἔργον οὔτε τῷ παρ' ἐχθροῦ πιστεῦσαι ῥαδίως ἀξίων, μεθίστατο αὐτοὺς ὡς σκεπτόμενος ἐφ' ἑαυτοῦ. στενῆς δὲ τῆς ἐξόδου πάμπαν οὔσης, ὁ Βλάτιος ἔφη τῷ Δασίῳ, τοὺς ἄλλους λαθόν, 'οὐ σώσεις, ὦ ἀγαθέ, τὴν πατρίδα·' ὁ δὲ καὶ τοῦτ' εὐθὺς ἐκβοήσας ἐμήνυνε.

[46] καὶ ὁ Βλάτιος οἰκτισσάμενος τότε μάλιστα ἀξιοπίστως εἶπεν ὡς ἐπιβουλεύοιτο ὑπ' ἐχθροῦ τεχνίτου. 'τοῦτο δ', ἔφη, 'τὸ νῦν ἐπιβούλευμα καὶ τῆς πρότερον ἀμφιλογίας, εἴ τις ἦν, ῥύσεται με. τίς γὰρ ἂν ἢ πρότερον ἐχθρῷ περὶ τοιῶνδε διεπίστευσεν, ἢ νῦν, εἰ καὶ τέως ἐπεπλάνητο, ἀπίστῳ καὶ κατηγορῶ περὶ ἐκεῖνα γεγεννημένῳ, κινδυνεύων ἔτι καὶ κρινόμενος καὶ ἀρνούμενος, αὐθις ἂν τὰ δεύτερα ταῦτ' ἐθάρρησεν εἰπεῖν, καὶ μάλιστ' ἐν τῷ

δικαστηρίῳ, πολλῶν μὲν ἀκοῦσαι δυναμένων, τοῦ δὲ κατηγοροῦ καὶ τότε μέλλοντος εὐθὺς ὁμοίως ἐρεῖν; εἰ δὲ δὴ καὶ ἐγεγένητο,’ ἔφη, ‘χρηστός ἐξαίφνης καὶ φίλος, τί μοι συλλαβεῖν ὑπὲρ τῆς πατρίδος ἔτι δυνατός ἦν; τί δ’ ἂν ἐδεόμην ἐγὼ μηδὲν ἐπικουρεῖν δυναμένου;’ ἃ μοι δοκεῖ προῖδὼν πάλιν ὁ Βλάτιος ψιθύρως ἐντυχεῖν τῷ Δασίῳ, καὶ ἐς ἀπιστίαν αὐτὸν ἐμβαλεῖν μείζονα, ἐπαγαγέσθαι δ’ ἐκ τοῦδε καὶ Ἀννίβαν ἐς ἀπιστίαν τῶν πρότερον εἰρημένων. οὐ μὴν οὐδὲ ἐκφυγὼν τὴν δίκην ὁ Βλάτιος ἀφίστατο μὴ μεταπειθῆναι τὸν ἐχθρόν, καταφρονῶν ἄρα ὡς ἐς πάντα γεγονότος ἀπίστου. ὁ δὲ αὖθις ὑπεκρίνετο συντίθεσθαι, καὶ τὴν ἐπίνοιαν τῆς ἀποστάσεως ἤτει μαθεῖν. ὁ δὲ οὐδὲν ὀκνήσας ἔφη, ‘διαδραμοῦμαι μὲν ἐπὶ τι τῶν στρατοπέδων ἐγὼ τῶν Ῥωμαϊκῶν μὴνύσας αὐτῷ τὸ πᾶν πορρωτάτῳ καὶ στρατιὰν ἄξω λαβών: ἔστι γάρ μοι φίλος ὁ στρατηγὸς ἐκείνου τοῦ στρατοῦ: σὺ δ’ ὑπομένειν μοι δεῦρο, καὶ τὰ ἔνδον ἐπιτηρεῖν.’

[47] ὁ μὲν εἶπεν οὕτω, καὶ εὐθὺς ἐξέδραμε, λαθὼν Δάσιον, οὐκ ἐς ἐκεῖνο τὸ στρατόπεδον ἀλλ’ ἐς Ῥώμην, ὁδὸν ἐλάσσονα. καὶ δοὺς τῇ βουλῇ τὸν υἱὸν ὄμηρον, ἱππέας ἤτει χιλίους, μεθ’ ὧν ἠεῖγέτο κατὰ σπουδὴν, τὸ μέλλον ἔσεσθαι προορώμενος. ὁ δὲ Δάσιος ταῖς ἐπιούσαις ἡμέραις τὸν ἐχθρόν οὐχ ὀρῶν, εἵκασεν αὐτὸν ἐγχειρεῖν τοῖς ἐγνωσμένοις ὡς ἤδη πιστεύοντα αὐτῷ. νομίσας οὖν ἐς ἐκεῖνο τῷ ὄντι τὸ πορρωτέρῳ στρατόπεδον αὐτὸν οἴχεσθαι, διέδραμε πρὸς Ἀννίβαν, καταφρονῶν ὅτι φθάσει ἐκεῖνον ἐπανελθών, καὶ ‘νῦν μὲν,’ ἔφη, ‘παραδώσω σοι τὸν Βλάτιον ἐπ’ αὐτοφῶρ στρατιὰν ἐπάγοντα τῇ πόλει.’ καὶ τὸ γεγονὸς ἐκθέμενος, καὶ λαβὼν τινας, ἐπανῆγεν ἐς τὴν πατρίδα μετὰ σπουδῆς ὡς οὐπω τοῦ Βλατίου πλησιάζοντος. ὁ δ’ ἔνδον τε ἦν ἄρτι, καὶ τὴν φρουρὰν τὴν Λιβύων ὀλίγην οὖσαν ἀνελὼν ἐφύλασσε μηδένα παρελθεῖν, καὶ πύλας τὰς μὲν ἄλλας ἐκεκλείκει, τὰς δ’ ἐς τὴν ἐπάνοδον Δασίου μόνας εἵασεν ἀνεῶχθαι. καὶ τὸ κατ’ ἐκείνας μέρος ἅπαν εἶχεν ἀνυπόπτως: τὰ δ’ ἐντὸς ἐξετετάφρευτο καὶ διείληπτο, ὡς μὴ δύνασθαι τοὺς ἐμπεσόντας ἐς ὅλην διαδραμεῖν. Δάσιος δὲ ἐπεὶ τὰς πύλας εἶδεν ἀνεωγμένας, ἦσθη νομίσας προλαβεῖν τὸν ἐχθρόν, καὶ ἐσήλατο γεγηθώς. ὁ δ’ ἐπικλείσας διέφθειρεν αὐτόν τε καὶ τοὺς ἐσδραμόντας, ὠθουμένους ἐν στενῷ καὶ διαδρομὴν διὰ τὰς τάφρους οὐκ ἔχοντας. ὀλίγοι δ’ αὐτῶν διὰ τοῦ τείχους ἐξαλόμενοι διέφυγον.

[48] καὶ Βλάτιος μὲν οὕτω περιῆν Δασίου, τρὶς ἀντενεδρεύων, Φούλουιος δὲ Ῥωμαίων ὕπατος Ἐρδονίαν ἐπολιόρκει: καὶ αὐτὸν Ἀννίβας ἔλαθεν ἐσπέρας ἐγγὺς γενόμενος, καὶ ἀπέιπε πυρὰ μὴ καίειν, καὶ σιωπὴν παρήγγειλεν. περὶ δὲ ἔω, γενομένης ὁμοῦ τι καὶ ὁμίχλης, τοὺς μὲν ἱππέας ἔπεμψεν ἐπιχειρεῖν τῷ Ῥωμαίων στρατοπέδῳ, καὶ αὐτοὺς ἡμύνοντο ἐκεῖνοι, σὺν θορύβῳ μὲν ὡς ἀπ’ εὐνῆς, σὺν θάρσει δὲ οἷα ὀλίγους ποθὲν αὐτοῖς ἐπιφανέντας. ὁ δ’ Ἀννίβας ἐπὶ θάτερα τῷ πεζῷ τὴν πόλιν περιήει, κατασκεπτόμενος ἅμα καὶ τοὺς ἔνδον ἐπελπίζων, ἕως ἐπῆλθε τοῖς Ῥωμαίοις ἐν τῇ περιόδῳ, εἴτε προιδόμενος εἴτε κατὰ συντυχίαν, κυκλούμενος αὐτούς. οἱ δ’ ἐπιπτον ἤδη λάβρως καὶ ἀθρόως, ἀμφίβολοι γεγονότες: καὶ ἀπέθανον αὐτῶν ἐς ὀκτακισχιλίους, καὶ ὁ ὕπατος αὐτὸς ὁ Φούλουιος. οἱ λοιποὶ δ’ ἐς τι χῶμα πρὸ τοῦ στρατοπέδου ἀναθορόντες αὐτὸ τε διέσωσαν, γενναίως ἀμυνόμενοι, καὶ τὸν Ἀννίβαν ἐκώλυσαν λαβεῖν τὸ στρατόπεδον.

[49] μετὰ δὲ τοῦτο Ῥωμαῖοι μὲν τὴν Ἰαπύγων ἀποστάντων ἐδήουν, Ἀννίβας δὲ τὴν Καμπανῶν, ἐς Ῥωμαίους μεταθεμένων χωρὶς Ἀτέλλης μόνης. καὶ Ἀτελλαίους μετώκιζεν ἐς Θουρίους, ἵνα μὴ τῷ Βρεττίων καὶ Λευκανῶν καὶ Ἰαπύγων ἐνοχλοῖντο πολέμῳ. καὶ Ῥωμαῖοι τοὺς ἐκ Νουκερίας ἐκπεσόντας ἐν Ἀτέλλῃ μετώκιζον· ἔς τε τὴν Ἀννίβου ἔτι ὑπήκοον ἐσβαλόντες, Αὐλωνίαν τε εἶλον καὶ τὴν Βρεττίων γῆν ἐπέτρεχον, καὶ Τάραντα φρουρουμένην ὑπὸ Καρθάλωνος ἐκ γῆς καὶ θαλάσσης ἐπολιόρκουν. ὁ δὲ Καρθάλων, ὀλίγων Καρχηδονίων παρόντων, Βρεττίους ἐς τὴν φρουρὰν προσέλαβεν. τῶν δὲ Βρεττίων ὁ φρούραρχος ἦρα γυναικός, ἥς ἀδελφὸς ὑπὸ Ῥωμαίοις στρατευόμενος ἔπραξε διὰ τῆς ἀδελφῆς τὸν φρούραρχον ἐνδοῦναι Ῥωμαίοις, ἐπάγουσι τὰς μηχανὰς ἧ τοῦ τείχους αὐτὸς ἐφρουρεῖ. Τάραντα μὲν δὴ Ῥωμαῖοι τόνδε τὸν τρόπον ἀνέλαβον, εὐκαιρον ἐς πολέμους χωρίον καὶ κατὰ γῆν καὶ κατὰ θάλασσαν.

[50] Ἀννίβας δὲ ἐπειγόμενος ἐς αὐτὴν, ὥς ἔμαθεν εἰλημμένην, παρῆλθεν ἀχθόμενος ἐς Θουρίους κάκειθεν ἐς Οὐενουσίαν, ἔνθα αὐτῷ Κλαυδιδίῳ τε Μάρκελλος ὁ Σικελίαν ἐλὼν, πέμπτον ὑπατεύων τότε, καὶ Τίτος Κρισπῖνος ἀντιστρατοπεδεύοντες οὐκ ἐτόλμων ἄρχειν μάχης. λείαν δέ τινα ὑπὸ Νομάδων ἀγομένην Μάρκελλος ἰδὼν, καὶ δόξας ὀλίγους εἶναι τοὺς ἄγοντας, ἐπέδραμεν αὐτοῖς μετὰ τριακοσίων ἱππέων σὺν καταφρονήσει, καὶ πρῶτος ἠγεῖτο, θυμικὸς ὢν ἐς μάχας καὶ παρακινδυνευτικὸς αἰεὶ. ἄφνω δὲ πολλῶν τῶν Λιβύων φανέντων καὶ πανταχόθεν αὐτῷ προσπεσόντων, οἱ μὲν οὐραγοῦντες Ῥωμαίων πρῶτοι φυγῆς ἤρχον, ὁ δὲ Μάρκελλος, ὥς ἐπομένων αὐτῶν, ἐμάχετο γενναίως, μέχρι κατακοντισθεὶς ἀπέθανεν. καὶ αὐτοῦ τῷ σώματι ὁ Ἀννίβας ἐπιστάς, ὥς εἶδε τὰ τραύματα πάντα ἐπὶ τῶν στέρνων, ἐπήνεσε μὲν ὥς στρατιώτην, ἐπέσκωψε δὲ ὥς στρατηγόν. καὶ τὸν δακτύλιον αὐτοῦ περιελὼν, τὸ μὲν σῶμα ἔκαυσε λαμπρῶς, καὶ τὰ ὀστὰ τῷ παιδί προσέπεμψεν ἐς τὸ Ῥωμαίων στρατόπεδον:

[51] Σαλαπίνοις δὲ μηνίων εὐθὺς ἐτύπωσεν ἐπιστολὴν τῇ σφραγίδι Μαρκέλλου, πρὶν αἰσθέσθαι πολλοὺς περὶ τοῦ θανάτου, καὶ αὐτόμολον ἄνδρα Ῥωμαῖον ἔπεμψε φέρειν, δηλοῦντα ὅτι στρατιὰ Μαρκέλλου κατόπιν ἔρχοιτο, καὶ ὁ Μάρκελλος αὐτὴν ὑποδέξασθαι κελεῖοι. ἄρτι δ' εἰλήφεσαν Κρισπίνου γράμματα, περιπέμψαντος ἐς ἅπαντας ὅτι τῆς Μαρκέλλου σφραγίδος Ἀννίβας κεκρατήκοι. τὸν οὖν ἄγγελον, ἵνα μὴ παραμένων ἐπιγνοίῃ τὰ γιγνόμενα, ἀπέπεμψαν ὑποσχόμενοι τὰ προστασσόμενα ποιήσιν, αὐτοῖ δ' ὀπλισάμενοι τὴν ἐνέδραν ἐπὶ τῶν τειχῶν ἀνέμενον. καὶ προσιόντος τοῦ Ἀννίβου μετὰ Νομάδων, οὓς Ῥωμαῖοῖς ὅπλοις ἐσκεύασε, τὰς μὲν πύλας ἐκ μηχανήματος ἀνέσπασαν ὥς δὴ Μαρκέλλου προσιόντος ἀσμενίζοντες, ἐσδεξάμενοι δὲ ὅσων εὐμαρῶς κρατήσιν ἔμελλον, αὐτῆς ἐκ τοῦ μηχανήματος αὐτὰς ἐπικαθῆκαν, καὶ τοὺς μὲν ἐσελθόντας ἔκτειναν, τοὺς δ' ἔξω τῶν τειχῶν ἔτι περιεστῶτας ἄνωθεν ἐβαλλόν τε καὶ κατετίτρωσκον. καὶ δευτέρας τῆσδε πείρας ὁ Ἀννίβας ἐπὶ τῇ πόλει σφαλεῖς ἀπεχώρει.

[52] ἐν τούτῳ δὲ καὶ Ἀσδρούβας ὁ ἀδελφὸς Ἀννίβου, τὴν στρατιὰν ἣν ἐξενάγησεν ἐν τοῖς Κελτίβηρσιν ἔχων, διέβαινεν ἐς τὴν Ἰταλίαν, καὶ Κελτῶν φιλίῳ αὐτὸν δεχομένων τὰ Ἄλπεια ὄρη, ὠδοποιημένα πρότερον ὑπὸ

Ἀννίβου, δῶδενε δύο μηνσίν, ὅσα τέως Ἀννίβας ἐξ διῆλθεν. ἐσέβαλέ τε ἐς Τυρρηνίαν ἄγων πεζοὺς μὲν τετρακισμυρίους ἐπὶ ὀκτακισχιλίοις, ἱππέας δὲ ὀκτακισχιλίους καὶ ἑλέφαντας πεντεκαίδεκα. καὶ γράμματα πρὸς τὸν ἀδελφὸν ἔπεμπε, δηλῶν ὅτι παρείη. τούτων τῶν γραμμάτων ὑπὸ Ῥωμαίων ἀλόντων, οἱ ὕπατοι Σαλινάτωρ καὶ Νέρων μαθόντες αὐτοῦ τὸ πλῆθος τῆς στρατιᾶς ἀπὸ τῶν γραμμάτων, συνῆλθον ἐς τὸ αὐτὸ πάσαις ταῖς δυνάμεσι, καὶ ἀντεστρατοπέδευσαν αὐτῷ περὶ πόλιν Σήνας. ὁ δ' οὐπω μάχεσθαι κεκρικώς, ἀλλὰ τῷ ἀδελφῷ συνελθεῖν ἐπειγόμενος, ὑπεχώρει. καὶ νυκτὸς ἀναζεύξας περὶ ἔλη καὶ τέλματα καὶ ποταμὸν οὐκ εὐπορον ἤλατο, μέχρι φανείσης ἡμέρας οἱ Ῥωμαῖοι καταλαβόντες αὐτοὺς διερριμμένους τε καὶ κεκμηκότας ὑπ' ἀγρυπνίας καὶ κόπου, πλείστους μὲν αὐτῶν ἅμα τοῖς ταξιάρχοις συντασσομένους ἔτι καὶ συνιόντας διέφθειραν, καὶ αὐτὸν ἐπ' ἐκεῖνοις Ἀσδρούβαν, πλείστους δ' αἰχμαλώτους ἔλαβον, καὶ μεγάλου δέους ἀπήλλαξαν τὴν Ἰταλίαν, ἀμάχου ἂν σφίσι τοῦ Ἀννίβου γενομένου, εἰ καὶ τήνδε τὴν στρατιὰν προσέλαβεν.

[53] θεὸς δέ μοι δοκεῖ τόδε Ῥωμαίοις ἀντιδοῦναι τῆς ἐπὶ Κάνναις ἀτυχίας, οὐ πόρρω τε ἐπ' ἐκείνῃ καὶ ἰσοστάσιόν πως ἐκείνῃ γενόμενον: στρατηγοὶ τε γὰρ οἱ ἑκατέρων ἀπώλοντο, καὶ στρατοῦ πλῆθος ἐγγυτάτω μάλιστα ἐπ' ἴσης, καὶ τὰ αἰχμάλωτα πολλὰ γενέσθαι καὶ τοῖσδε κάκεινους συνηνέχθη, στρατοπέδων τε καὶ παρασκευῆς τῆς ἀλλήλων δαψιλοῦς ἐκράτουν ἑκατέροι. οὕτω παραλλάξ ἢ πόλις εὐτυχῶν καὶ συμφορῶν ἐπειράτο. Κελτιβήρων δ' ὅσοι διέφυγον ἐκ τοῦ κακοῦ, οἱ μὲν ἐς τὰ οἰκεῖα οἱ δ' ἐς Ἀννίβαν ἐχώρουν.

[54] ὁ δ' ἐπὶ τε τῷ ἀδελφῷ καὶ στρατιᾷ τοσσηδε δι' ἀπειρίαν ὁδῶν αἰφνίδιον ἀπολωλυῖα δυσφορῶν, καὶ τεσσαρεσκαίδεκατον ἔτος ἔχων ἐν πονοῖς ἀτρύτοις ἐξ οὗ Ῥωμαίοις ἐν Ἰταλίᾳ διεπολέμει, πάντων τε ὧν εἰλήφει πρότερον ἐκπεπωκώς, ἐς Βρεττίους, ὅπερ αὐτῷ λοιπὸν ἔθνος ὑπήκουον ἦν, ἀνεχώρει, καὶ ἡσύχαζεν ὥς ἐτέρας δυνάμεως ἀφιζομένης ἀπὸ Καρχηδόνας. οἱ δ' ἔπεμψαν μὲν αὐτῷ ναῦς ἑκατὸν στρογγύλας, ἐφ' ὧν σῖτός τε ἦν καὶ στρατιὰ καὶ χρήματα, οὐδενὸς δ' ἐρετικοῦ παραπέμποντος αὐτὰς ἄνεμος ἐς Σαρδόνα κατήνεγκε, καὶ ὁ τῆς Σαρδόνας στρατηγὸς ἐπιπλεύσας μακραῖς ναυσὶ κατέδυσσε μὲν αὐτῶν εἴκοσιν, ἐξήκοντα δ' ἔλαβεν: αἱ δὲ λοιπαὶ διέφυγον ἐς Καρχηδόνα. καὶ ὁ Ἀννίβας ἔτι μᾶλλον ἀπορούμενός τε καὶ τὰ παρὰ Καρχηδονίων ἀπεγνωκώς, οὐδὲ Μάγωνος αὐτῷ τι, τοῦ ξενολογοῦντος ἐν Κελτοῖς καὶ Λίγυσιν, ἐπιπέμποντος, ἀλλὰ τὸ μέλλον ἔσεσθαι περιορωμένου, συνιδὼν ὅτι μένειν ἐπὶ πλεῖον οὐ δυνήσεται, αὐτῶν ἤδη Βρεττίων ὥς ἀλλοτρίων ὅσον οὐπω γενησομένων κατεφρόνει, καὶ ἐσφορὰς ἐπέβαλλεν αὐτοῖς πάνυ πολλὰς, τὰς τε ὀχυρὰς τῶν πόλεων μετῴκιζεν ἐς τὰ πεδινὰ ὥς βουλευούσας ἀπόστασιν, πολλοὺς τε τῶν ἀνδρῶν αἰτιώμενος διέφθειρεν, ἵνα τὰς περιουσίας αὐτῶν σφετερίζοιτο.

[55] καὶ ὁ μὲν ἐν τούτοις ἦν, ἐν δὲ Ῥώμῃ γίνονται μὲν ὕπατοι Λικίνιός τε Κράσσος καὶ Πόπλιος Σκιπίων ὁ λαβὼν Ἰβηρίαν, τούτων δὲ Κράσσος μὲν ἀντεστρατοπέδευσεν Ἀννίβα περὶ Ἰαπυγίαν, Σκιπίων δὲ τὸν δῆμον ἐδίδασκεν οὐ ποτε Καρχηδονίους οὐδ' Ἀννίβαν ἀποστήσεσθαι σφίσιν ἐνοχλοῦντας ἀμφὶ τὴν Ἰταλίαν, εἰ μὴ Ῥωμαίων στρατὸς ἐς Λιβύην διέλθοι καὶ κίνδυνον αὐτοῖς

ἐπιστήσειεν οἰκεῖον. λιπαρήσας τε πάνυ καρτερῶς, καὶ πείσας ὀκνοῦντας, ἥρεθη στρατηγὸς αὐτὸς ἐς Λιβύην, καὶ διέπλευσεν εὐθὺς ἐς Σικελίαν. ἔνθα στρατὸν ἀγείρας τε καὶ γυμνάσας ἐπέπλευσε Λοκροῖς ἄφνω τοῖς ἐν Ἰταλίᾳ, φρουρουμένοις ὑπὸ Ἀννίβου: καὶ τὴν φρουρὰν κατασφάζας τε, καὶ παραδοὺς Πλημινίῳ τὴν πόλιν, αὐτὸς ἐς Λιβύην διέπλευσεν. Πλημίνιος δὲ οὐδεμίαν ὕβριν ἢ ἀσέλγειαν ἢ ὠμότητα ἐς τοὺς Λοκροὺς ἐκλιπών, ἐσύλησε λήγων καὶ τὸ τῆς Φερσεφόνης ἱερόν. καὶ τόνδε μὲν Ῥωμαῖοι μετὰ τῶν συναμαρτόντων αὐτῷ φίλων διέφθειραν ἐν τῷ δεσποτηρίῳ, καὶ τὰς περιουσίας αὐτῶν ἔδωσαν Λοκροῖς ἐς τὸν θησαυρὸν τῆς θεοῦ φέρειν: ὅσα τε ἄλλα ἐδύναντο τῶν ἀπολωλότων ἀνευρόντες, τὸ λείπον ἐκ τοῦ κοινοῦ σφῶν ταμείου τῇ θεῷ προσέθεσαν.

[56] τοῦ δὲ αὐτοῦ χρόνου Κωνσεντίαν τε, μεγάλην πόλιν Βρεττίων, καὶ ἄλλας ἑξ ἑπ’ αὐτῇ περιέσπασεν ἀπὸ Ἀννίβου Κράσσος. καὶ γιγνομένων ἐν Ῥώμῃ σημείων ἐκ Διὸς φοβερῶν, οἱ μὲν τὰ Σιβύλλεια ἐπισκεπτόμενοι δέκα ἄνδρες ἔφασαν ἐξ οὐρανοῦ τι ἐς Πεσινοῦντα τῆς Φρυγίας, ἔνθα σέβουσιν οἱ Φρύγες θεῶν μητέρα, πεσεῖσθαι τῶνδε τῶν ἡμερῶν, καὶ δεῖν αὐτὸ ἐς τὴν Ῥώμην ἐνεχθῆναι. μετ’ οὐ πολὺ δὲ πεσεῖν τε προσηγγέλθη καὶ ἐς Ῥώμην ἐκομίσθη τὸ βρέτας. καὶ τὴν ἡμέραν ἐορτάζουσι καὶ νῦν μητρὶ θεῶν, ἣ τότε ἐκομίσθη. λέγεται δὲ τὴν ναῦν, ἣ ἔφερεν αὐτό, ἰλὺ τοῦ ποταμοῦ τοῦ Τιβέριος ἐνσχεθεῖσαν οὐδεμιᾷ μηχανῇ σαλευεσθαι, μέχρι, τῶν μάντεων προειπόντων ἔψεσθαι μόνως εἰ γυνὴ καθαρεύουσα ξένων ἀνδρῶν ἐλκύσειε, Κλαυδίαν Κόινταν, μοιχείας ἔγκλημα ἔχουσαν ἔτι ἄκριτον, καὶ δι’ ἀσωτίαν ἐς αὐτὸ πιθανωτάτην οὔσαν, ἐπιθειάσαι τε πολλὰ περὶ τῆς ἀναμαρτησίας, καὶ ἀναδήσασθαι τῇ μίτρᾳ τὸ σκάφος. καὶ ἡ θεὸς ἔσπετο. Κλαυδία μὲν δὴ ἐξ αἰσχίστης δόξης ἐς ἀρίστην μετέβαλε, Ῥωμαῖοις δὲ καὶ πρὸ τῆς Κλαυδίας ἐκέλευε τὰ Σιβύλλεια διὰ τοῦ παρὰ σφίσιν ἀρίστου τὸ βρέτας ἐκ Φρυγίας μεταγαγεῖν, καὶ τὸν ἄριστον ἐν τῷ τότε σφίσι δοκοῦντα εἶναι, Σκιπίωνα τὸν Νασικᾶν ἐπὶ κλῆν, ἐπεπόμφεσαν, υἱὸν μὲν ὄντα Γναίου Σκιπίωνος τοῦ στρατηγήσαντος ἐν Ἰβηρίᾳ καὶ ἐν αὐτῇ πεσόντος, ἀνεψιὸν δὲ Σκιπίωνος τοῦ Καρχηδονίου ἀφελομένου τὴν ἡγεμονίαν καὶ πρώτου κληθέντος Ἀφρικανοῦ. ὧδε μὲν ἡ θεὸς ἐς Ῥώμην δι’ ἀνδρῶν καὶ γυναικῶν ἀρίστων ἀφικνεῖτο.

[57] ἐν δὲ Λιβύῃ Καρχηδονίων συνεχῶς ὑπὸ τοῦδε τοῦ Σκιπίωνος ἡττωμένων, ὅσοι Βρεττίων ταῦτ’ ἐγίγνωσκον, ἀφίσταντο ἀπὸ τοῦ Ἀννίβου, καὶ τὰς φρουράς οἱ μὲν ἔκτεινον, οἱ δ’ ἐξέβαλλον. οἱ δὲ οὐδέτερα τούτων δυνάμενοι λάθρα πρὸς τὴν σύγκλητον ἐπρέσβευον, τὴν μὲν ἀνάγκην αὐτῶν καὶ τὴν προαίρεσιν ὑποδεικνύοντες. Ἀννίβας δὲ ἐς μὲν Πετηλίαν ἑνοπλος παρῆλθεν, οὐκέτι Πετηλίων ἐχόντων αὐτῇ: ἐκβαλὼν γὰρ αὐτοὺς ἐδεδώκει Βρεττίοις. ἡτῶτο δ’ ὅτι ἐπρέσβευσαν ἐς Ῥώμην, ἀρνούμενων δ’ ἐκείνων ὑπεκρίνετο πιστεύειν. “ἴνα δ’,” ἔφη, “μηδ’ ὑπονοήσθε,” τοὺς μὲν δυνατοὺς παρέδωκε τοῖς Νομάσι, κεχωρισμένως τηρεῖν αὐτῶν ἕκαστον, τοῦ δὲ πλήθους τὰ ὅπλα παρείλετο, τοὺς δὲ δούλους καθοπλίσας ἐπέστησε τῇ πόλει φύλακας. καὶ τούτοις ὅμοια τὰς ἄλλας πόλεις ἐπιὼν ἐποίει. Θουρίων δὲ τρισχιλίους Καρχηδονίοις μάλιστα εὐνοὺς ἐξελόμενος, καὶ πεντακοσίους ἄλλους ἀπὸ τῶν ἀγρῶν, τὰ λοιπὰ τῇ στρατιᾷ διαρπάζειν ἔδωκεν. καὶ τῆς πόλεως ἐγκρατῇ

φρουρὰν καταλιπὼν, ἐς Κρότωνα τοὺς τρισχίλιους καὶ πεντακοσίους μετῴκιζε, τὴν πόλιν εὐκαιρον ἡγούμενος εἶναι, καὶ ταμιεῖον αὐτὴν ἑαυτῷ καὶ ὀρμητήριον ἐπὶ τὰς ἄλλας τιθεμενος.

[58] Καρχηδονίων δ' αὐτὸν μετακαλούντων κατὰ σπουδὴν ἐπικουρεῖν κινδυνευούσῃ τῇ πατρίδι ὑπὸ Σκιπίωνος, καὶ τὸν ναύαρχον Ἀσδρούβαν ἐπ' αὐτόν, ἵνα μὴ βραδύνειε, πεμψάντων, ἤχθετο μὲν τῆς Καρχηδονίων ἐς τοὺς ἄρχοντας ἀπιστίας τε καὶ ἀχαριστίας ἐς πείραν ἐρχόμενος διὰ μακροῦ, καὶ τὴν αἰτίαν ἐδεδόκει τοῦ τοσοῦδε πολέμου πρῶτος ἐμβαλὼν ἐν Ἰβηρία, ἐγνώκει δ' ὑπ' ἀνάγκης ὅμως ἔπεσθαι, καὶ ναῦς εἰργάζετο πολλὰς, εὐξύλου τῆς Ἰταλίας οὔσης. τῶν δ' ἔτι ὑπηκόων οἱ πόλεων ὥς ἄλλοτρίων καταφρονῶν, ἔγνω διαρπάσαι πάσας, καὶ τὴν στρατιὰν πλουτίσας, εὖνουν ἐς τὰς ἐν Καρχηδόνι συκοφαντίας ἐπαγαγέσθαι. αἰδούμενός τε αὐτὸς παρασπονδεῖν, Ἀσδρούβαν τὸν ναύαρχον ἐπὶ προφάσει περιέπεμπε, τοὺς φρουροὺντας ὀφόμενον. ὁ δὲ ἐς ἐκάστην πόλιν ἐσιὼν ἐκέλευσε τοῖς ἐνοικοῦσιν, αὐτοὺς τε καὶ δούλους αὐτῶν, ὅσα δύναιτο λαβόντας, ἐκ τῶν πόλεων μεθίστασθαι, καὶ τὰ λοιπὰ διήρπαζεν. τούτων ἔνιοι πυνθανόμενοι, πρὶν τὸν Ἀσδρούβαν ἴκειν, τοῖς φρουροῖς ἐπετίθεντο, καὶ συνέβαινεν ὅπου μὲν κρατεῖν τὰς πόλεις ὅπου δὲ τοὺς φρουροὺς, σφαγὴ τε ποικίλῃ καὶ γυναικῶν ὕβρις καὶ παρθένων ἀπαγωγαί, καὶ πάντα ὅσα ἐν πόλεσιν ἐαλωκυίαις, ἐγίνοντο.

[59] αὐτὸς δὲ ὁ Ἀννίβας τοὺς συστρατευομένους οἱ τῶν Ἰταλῶν εἰδὼς εὖ γεγυμνασμένους, ἔπειθε πολλαῖς ὑποσχέσεσιν ἐς τὴν Λιβύην αὐτῷ συστρατεῦσαι. καὶ τούτων οἱ μὲν τὰ ἡμαρτημένα σφίσιν ἐς τὰς πατρίδας δεδιότες εἶποντο, φεύγοντες τὴν οἰκείαν ἐκόντες, οἱ δὲ οὐδὲν ἁμαρτόντες ὤκνουν. ἀθροίσας οὖν τοῦσδε τοὺς ὑπομένειν ἀξιοῦντας ὥς δὴ τι λέξων αὐτοῖς ἢ χαριούμενος τῶν γεγονότων ἢ περὶ τοῦ μέλλοντος ἐπισκῆψων, περιέστησε τὴν στρατιὰν ὥπλισμένην ἄφνω, καὶ προσέταξε τοῖς ἰδίῳι ἀνδράποδα ἐξ αὐτῶν ὅσα θέλουσιν ἐπιλέξασθαι. ὥς δὲ οἱ μὲν ἐπελέξαντο, οἱ δὲ ἡδύνοντο συστρατιώτας πολλὰ συνειργασμένους σφίσιν ἀνδραποδίσασθαι, τοὺς λοιποὺς κατηκόντισεν ἅπαντας, τοῦ μὴ τοιοῦσδε ἄνδρας ποτὲ Ῥωμαίοις γενέσθαι χρησίμους. ἐπικατέσφαξε δ' αὐτοῖς καὶ ἵππους ἐς τετρακισχίλιους καὶ πλῆθος ὑποζυγίων, οὐ δυνάμενος ἐς Λιβύην ἐπάγεσθαι.

[60] μετὰ δὲ τοῦτο ἐς τὰς ναῦς τὸ πλῆθος ἐμβιβάσας τὸ πνεῦμα ἀνέμενεν, ὀλίγους ἐς φυλακὴν ἐπὶ τῆς γῆς καταλιπὼν. οἱ δὲ Πετηλῖνοι καὶ σὺν αὐτοῖς ἕτεροι Ἰταλοὶ ἐπέθεντο, καὶ τινὰς αὐτῶν κατασφάζαντες ἀπέδρασαν. Ἀννίβας δ' ἐπὶ Λιβύης ἀνήγετο, ἐκκαίδεκα ἔτεσιν ὁμαλῶς πορθήσας τε τὴν Ἰταλίαν, καὶ τοὺς ἄνδρας ἐμπλήσας κακῶν μυρίων καὶ ἐς κίνδυνον ἔσχατον πολλὰκις συναγαγόν, τοῖς τε ὑπηκόοις αὐτοῦ καὶ συμμάχοις ἐνυβρίσας ὥς πολεμίους: ἅτε γὰρ καὶ τέως αὐτοῖς οὐκ ἐπ' εὐνοίᾳ μᾶλλον ἢ χρεῖα χρώμενος, οὐδὲν ἔχων ἔτι πρὸς αὐτῶν ὠφελεῖσθαι κατεφρόνησεν ὥς πολεμίων.

[61] Ἀννίβου δ' ἀποπλεύσαντος ἡ βουλὴ τοῖς μὲν ἄλλοις ἔθνεσι τῆς Ἰταλίας, ὅσοι μετέθεντο πρὸς ἐκεῖνον, συνέγνω τῶν γεγονότων καὶ ἀμνηστίαν ἐψηφίσατο, Βρεττιῶν δὲ μόνων, οἱ μέχρι τέλους αὐτῷ προθυμότατοι ἐγεγέννητο, χώραν τε πολλὴν ἀφείλετο καὶ ὅπλα, εἴ τινα ἦν ἔτι χωρὶς ὧν Ἀννίβας ἀφήρητο: ἔς τε τὸ μέλλον ἀπεῖπεν αὐτοῖς μὴ στρατεύεσθαι ὥς οὐδ'

ἐλευθέροις οὖσιν, ὑπηρέτας δὲ τοῖς τε ὑπάτοις καὶ στρατηγοῖς τοῖς ἐς τὰς τῶν
ἔθνων ἡγεμονίας ἀπιοῦσιν ἐς τὰς δημοσίας ὑπηρεσίας, οἷα θεράποντας,
ἀκολουθεῖν. τοῦτο τὸ τέλος ἦν Ἀννίβου τῆς ἐς τὴν Ἰταλίαν γενομένης
ἐσβολῆς.

Λιβυκή

Καρχηδόνα τὴν ἐν Λιβύῃ Φοίνικες ᾤκισαν ἔτεσι πεντήκοντα πρὸ ἀλώσεως Ἰλίου, οἰκισταὶ δ' αὐτῆς ἐγένοντο Ζῶρός τε καὶ Καρχηδών, ὥς δὲ Ῥωμαῖοι καὶ αὐτοὶ Καρχηδόνιοι νομίζουσι, Διδῶ γυνὴ Τυρία, ἥς τὸν ἄνδρα κατακαίνει Πυγμαλίων Τύρου τυραννεύων, καὶ τὸ ἔργον ἐπέκρυπτεν. ἡ δὲ ἐξ ἐνυπνίου τὸν φόνον ἐπέγνω, καὶ μετὰ χρημάτων πολλῶν καὶ ἀνδρῶν, ὅσοι Πυγμαλίωνος τυραννίδα ἔφευγον, ἀφικνεῖται πλέουσα Λιβύης ἔνθα νῦν ἔστι Καρχηδών. ἐξωθούμενοι δ' ὑπὸ τῶν Λιβύων ἐδέοντο χωρίον ἐς συνοικισμὸν λαβεῖν, ὅσον ἂν βύρσα ταύρου περιλάβοι. τοῖς δὲ ἐνέπιπτε μὲν τι καὶ γέλωτος ἐπὶ τῇ τῶν Φοινίκων μικρολογίᾳ, καὶ ἠδοῦντο ἀντειπεῖν περὶ οὕτω βραχυτάτου· μάλιστα δ' ἠπόρουν ὅπως ἂν πόλις ἐν τηλικούτῳ διαστήματι γένοιτο, καὶ ποθοῦντες ἰδεῖν ὃ τι ἔστιν αὐτοῖς τοῦτο τὸ σοφόν, συνέθεντο δώσειν καὶ ἐπώμοσαν. οἱ δὲ τὸ δέρμα περιτεμόντες ἐς ἱμάντα ἓνα στενώτατον, περιέθηκαν ἔνθα νῦν ἔστιν ἡ Καρχηδονίων ἀκρόπολις· καὶ ἀπὸ τοῦδε Βύρσα ὀνομάζεται.

[2] χρόνῳ δ', ἐντεῦθεν ὁρμώμενοι καὶ τῶν περιοίκων ἀμείνους ὄντες ἐς χεῖρας ἔλθειν, ναυσὶ τε χρώμενοι καὶ τὴν θάλασσαν οἷα Φοίνικες ἐργαζόμενοι, τὴν πόλιν τὴν ἔξω τῇ Βύρσῃ περιέθηκαν. καὶ δυναστεύοντες ἤδη Λιβύης ἐκράτουν καὶ πολλῆς θαλάσσης, ἐκδήμους τε πολέμους ἐστράτευσεν ἐς Σικελίαν καὶ Σαρδῶ καὶ νήσους ἄλλας ὅσαι τῆσδε τῆς θαλάσσης εἰσὶ, καὶ ἐς Ἰβηρίαν. πολλὰ γὰρ καὶ ἀποικίας ἐξέπεμπον. ἥ τε ἀρχὴ αὐτοῖς ἐγένετο δυνάμει μὲν ἀξιώμαχος τῇ Ἑλληνικῇ, περιουσίᾳ δὲ μετὰ τὴν Περσικὴν. ἑπτακοσίοις δ' αὐτοὺς ἔτεσιν ἀπὸ τοῦ συνοικισμοῦ Ῥωμαῖοι Σικελίαν ἀφείλοντο, καὶ Σαρδῶ μετὰ Σικελίαν, δευτέρῳ δὲ πολέμῳ καὶ Ἰβηρίαν. ἐς τε τὴν ἀλλήλων ἐμβαλόντες μεγάλοις στρατοῖς, οἱ μὲν Ἀννίβου σφῶν ἡγουμένου τὴν Ἰταλίαν ἐπόρθουν ἐκκαίδεκα ἔτεσιν ἐξῆς, οἱ δὲ Λιβύην Κορνηλίου Σκιπίωνος τοῦ πρεσβυτέρου σφῶν στρατηγούντος, μέχρι τὴν ἡγεμονίαν Καρχηδονίους ἀφείλοντο καὶ ναῦς καὶ ἐλέφαντας, καὶ χρήματα σφίσιν ἐπέταξαν ἐσενεγκεῖν ἐν χρόνῳ. δευτεραί τε σπονδαὶ Ῥωμαίοις καὶ Καρχηδονίοις αἶδε διέμειναν ἐς ἔτη πεντήκοντα, μέχρι λύσαντες αὐτὰς τρίτον πόλεμον καὶ τελευταῖον ἀλλήλοις ἐπολέμησαν, ἐν ᾧ Καρχηδόνα Ῥωμαῖοι κατέσκαψαν Σκιπίωνος τοῦ νεωτέρου σφῶν στρατηγούντος, καὶ ἐπάρατον ἔγνωσαν. αὐθις δ' ᾤκισαν ἰδίους ἀνδράσιν, ἀγχοτάτῳ μάλιστα τῆς προτέρας, ὥς εὐκαιρον ἐπὶ Λιβύῃ χωρίον. τούτων τὰ μὲν ἀμφὶ Σικελίαν ἢ Σικελικὴ γραφὴ δηλοῖ, τὰ δ' ἐν Ἰβηρίᾳ γενόμενα ἢ Ἰβηρικὴ, καὶ ὅσα Ἀννίβας ἐς Ἰταλίαν ἐσβαλὼν ἔπραξεν, ἢ Ἀννιβαϊκὴ· τὰ δ' ἐν Λιβύῃ γενόμενα ἀπ' ἀρχῆς ἥδε συνάγει.

[3] ἦρξαντο δ' αὐτῶν ἀμφὶ τὸν Σικελικὸν πόλεμον οἱ Ῥωμαῖοι, ναυσὶ πεντήκοντα καὶ τριακοσίαις ἐπιπλεύσαντες ἐς Λιβύην, καὶ πόλεις τινὰς ἐλόντες, καὶ στρατηγὸν ἐπὶ τῇ δυνάμει καταλιπόντες Ἀτίλιον Ῥήγλον, ὃς ἄλλας τε πόλεις διακοσίας προσέλαβεν, αἱ Καρχηδονίων ἔχθαι πρὸς αὐτὸν μετετίθεντο, καὶ τὴν χώραν ἐπιὼν ἐπόρθει. Καρχηδόνιοι δὲ Λακεδαιμονίους

στρατηγὸν ἦτουν, οἰόμενοι δι' ἀναρχίαν κακοπραγεῖν. οἱ μὲν δὴ Ξάνθιππον αὐτοῖς ἔπεμπον, ὁ δὲ Ἀτίλιος ἀμφὶ λίμνην στρατοπεδεύων ὥρα καύματος περιώδευε τὴν λίμνην ἐπὶ τοὺς πολεμίους, ὅπλων τε βάρει καὶ πνίγει καὶ δίψει καὶ ὁδοιορία κακοπαθῶν, καὶ βαλλόμενος ἀπὸ κρημνῶν ἄνθθεν. ὥς δ' ἐπλησίασε περὶ ἐσπέραν καὶ ποταμὸς αὐτοὺς διεῖργεν, ὁ μὲν εὐθὺς ἐπέρα τὸν ποταμὸν ὥς καὶ τῷδε τὸν Ξάνθιππον ἐκπλήξων, ὁ δὲ συντεταγμένην τὴν στρατιὰν ἐπαφίησι διὰ τῶν πυλῶν, ἐλπίσας κεκμηκότος καὶ κακοπαθοῦντος περιέσεσθαι, καὶ τὴν νύκτα πρὸς τῶν νικῶντων ἔσεσθαι. τῆσδε μὲν οὖν τῆς ἐλπίδος ὁ Ξάνθιππος οὐκ ἀπέτυχεν: ἀπὸ γὰρ τρισμυρίων ἀνδρῶν οὓς ὁ Ἀτίλιος ἤγεν, ὀλίγοι μόλις αὐτῶν ἐς Ἀσπίδα πόλιν διέδρασαν, οἱ δὲ λοιποὶ πάντες οἱ μὲν ἀπώλοντο οἱ δ' ἐξωγρήθησαν. καὶ μετ' αὐτῶν ὁ στρατηγὸς Ἀτίλιος, ὕπατος γεγονώς, αἰχμάλωτος ἦν.

[4] τόνδε μὲν δὴ μετ' οὐ πολὺ κάμνοντες οἱ Καρχηδόνιοι σὺν οἰκείοις πρέσβεσιν ἔπεμψαν ἐς Ῥώμην, ἐργασόμενον σφίσι διαλλαγὰς ἢ ἐπανήξοντα: καὶ ὁ Ἀτίλιος Ῥήγλος ἐν ἀπορρήτῳ τοῖς τέλεσι Ῥωμαίων ἐπισκήψας ἐγκρατῶς ἔχεσθαι τοῦ πολέμου, ἐπανήλθεν ἐς λύμην ἔτοιμον, καὶ αὐτὸν οἱ Καρχηδόνιοι καθερίζαντες ἐν γαλεάγρα κέντρα πάντοθεν ἐχούση διέφθειραν. Ξανθίππῳ δὲ τὸ εὐτύχημα συμφορῶν ἦρξε: Καρχηδόνιοι γὰρ αὐτόν, ἵνα μὴ δοκοίη Λακεδαιμονίων ἔργον εἶναι τοσοῦτον, ὑποκρινάμενοι τιμᾶν δωρεαῖς πολλαῖς καὶ προπέμπειν ἐπὶ τριήρων ἐς Λακεδαίμονα, τοῖς τριηράρχοις ἐνετείλαντο μετὰ τῶν συμπλεόντων Λακῶνων καταποντίσαι. ὁ μὲν δὴ δίκην ἔδωκε τήνδε εὐπραξίας, καὶ τάδε ἦν τοῦ πρώτου πολέμου Ῥωμαίοις περὶ Λιβύην εὐπραγήματά τε καὶ ἀτυχήματα, μέχρι Καρχηδόνιοι Σικελίας Ῥωμαίοις ἀπέστησαν. ὅπως δὲ ἀπέστησαν, ἐν τῇ Σικελικῇ γραφῇ δεδῆλωται.

[5] μετὰ δὲ τοῦτο Ῥωμαίοις μὲν καὶ Καρχηδονίοις εἰρηναῖα ἦν ἐς ἀλλήλους, Λίβυες, δ' ὅσοι Καρχηδονίων ὄντες ὑπήκοοι συνεμεμαχέκεσαν αὐτοῖς ἐπὶ Σικελίαν, καὶ Κελτῶν ὅσοι ἐμεμισθοφορήκεσαν, ἐγκλήματά τινα μισθῶν καὶ ὑποσχέσεων ἐς τοὺς Καρχηδονίους ἔχοντες ἐπολέμουν αὐτοῖς μάλα καρτερῶς. οἱ δὲ Ῥωμαῖοι ἐς συμμαχίαν ὥς φίλους ἐκάλουν, καὶ αὐτοὺς οἱ Ῥωμαῖοι ξενολογεῖν ἐς μόνον τόνδε τὸν πόλεμον ἀπὸ τῆς Ἰταλίας ἐφῆκαν: ἀπείρητο γὰρ ἐν ταῖς σπονδαῖς καὶ τόδε. ἔπεμψαν δὲ καὶ διαλλακτῆρας, οἷς οἱ Λίβυες οὐχ ὑπήκουον, ἀλλὰ τὰς πόλεις ἐδήλωσαν ὑπηκόους εἶναι Ῥωμαίων, εἰ θέλοιεν: οἱ δ' οὐκ ἐδέξαντο. Καρχηδόνιοι δὲ ναυτικῶ πολλῶ ταῖς πόλεσιν ἐφεδρεύοντες τὴν ἀγορὰν αὐτῶν ἀφηροῦντο τὴν ἐκ τῆς θαλάσσης, ἀσπόρου δὲ καὶ τῆς γῆς ὥς ἐν πολέμῳ γενομένης, Λιβύων μὲν διὰ τὸν λιμὸν ἐκράτουν, ἐμπόρους δ', ὅσοι παρέπλεον, ἐλήστευον ἐξ ἀπορίας: τοὺς δὲ Ῥωμαίων καὶ κτείνοντες ἔβαλλον ἐς τὸ πέλαγος, ἵνα λανθάνοιεν. καὶ διέλαθον ἐπὶ πολὺ. γνωσθέντος δὲ τοῦ γιγνομένου, ποινὴν αἰτούμενοι διωθοῦντο, μέχρι Ῥωμαίων ἐπιστρατεῦειν αὐτοῖς ψηφισαμένων Σαρδῶ ποινὴν ἔδωκαν. καὶ τότε ταῖς προτέραις συνθήκαις ἐνεγράφη.

[6] οὐ πολὺ δὲ ὕστερον οἱ Καρχηδόνιοι στρατεύουσιν ἐς Ἰβηρίαν, καὶ αὕτην κατὰ μέρος ὑπῆγοντο, μέχρι Ζακανθαίων ἐπὶ Ῥωμαίους καταφυγόντων Καρχηδονίοις ὄρος ἐν Ἰβηρίᾳ γίγνεται, μὴ διαβαίνειν τὸν Ἰβηρα ποταμόν. καὶ τάσδε αὖ τὰς σπονδὰς ἔλυσαν Καρχηδόνιοι, περάσαντες Ἀννίβου σφῶν

ήγουμένου. διαβάντες δέ, ὁ μὲν Ἀννίβας διαστρατηγεῖν ἐτέροις τὰ ἐν Ἰβηρία καταλιπὼν ἐς τὴν Ἰταλίαν ἐσέβαλε· στρατηγοὶ δὲ Ῥωμαίων ἐν Ἰβηρίᾳ, Πόπλιός τε Κορνήλιος Σκιπίων καὶ Γναῖος Κορνήλιος Σκιπίων, ἀλλήλοιον ἀδελφῶ, λαμπρὰ ἔργα ἀποδεικνυμένῳ θήσκετον ἄμφω πρὸς τῶν πολεμίων. καὶ οἱ μετ' αὐτοὺς στρατηγοὶ κακῶς ἔπραττον, μέχρι Σκιπίων ὁ Ποπλίου Σκιπίωνος τοῦδε τοῦ περὶ Ἰβηρίαν ἀναιρεθέντος υἱὸς ἐπιπλεύσας, καὶ δόξαν ἅπασιν ἐμβάλων ὥς ἦκοι κατὰ θεὸν καὶ δαιμονίῳ χρῶτο συμβούλῳ περὶ πάντων, ἐκράτει τε λαμπρῶς, καὶ ἐπὶ δόξης ἐκ τοῦδε πολλῆς γενόμενος τὴν μὲν στρατηγίαν τοῖς ἐς διαδοχὴν ἐπιπεμφθεῖσι παρέδωκεν, ἐς δὲ Ῥώμην ἐπανελθὼν ἡξίου πεμφθῆναι στρατηγὸς ἐς Λιβύην ὥς ἀναστήσῃ Ἀννίβαν ἐξ Ἰταλίας καὶ Καρχηδονίους δίκην ἐπιθήσῃ ἐν τῇ πατρίδι.

[7] τῶν δὲ πολιτευομένων οἱ μὲν ἀντέλεγον οὐ χρῆναι, κεκενωμένης ἄρτι τῆς Ἰταλίας τοσοῖσδε πολέμοις καὶ πορθουμένης ἔτι πρὸς Ἀννίβου, καὶ Μάγωνος ἐν πλευραῖς ἐπ' αὐτὴν Λίγυάς τε καὶ Κελτοὺς ξενολογοῦντος, ἐς Λιβύην στρατεύειν, οὐδὲ τὴν ἄλλοτρίαν χειροῦσθαι πρὶν τὴν οἰκίαν ἀπαλλάξαι τῶν παρόντων· οἱ δὲ ᾤοντο Καρχηδονίους νῦν μὲν ἀδεεῖς ὄντας ἐφεδρεῖν τῇ Ἰταλίᾳ, οὐδὲν ἐνοχλουμένους οἰκοί, πολέμου δὲ οἰκείου σφίσι γενομένου καὶ Ἀννίβαν μεταπέμψεσθαι. οὕτω μὲν ἐκράτησε πέμπειν ἐς Λιβύην Σκιπίωνα, οὐ μὴν συνεχώρησαν αὐτῷ καταλέγειν στρατὸν ἐξ Ἰταλίας πονουμένης ἔτι πρὸς Ἀννίβου· ἐθέλοντάς δέ, εἴ τινες εἶεν, ἐπέτρεψαν ἐπάγεσθαι, καὶ τοῖς ἀμφὶ τὴν Σικελίαν ἔτι οὐσι χρῆσθαι. τριῆρεις τε ἔδωκαν αὐτῷ κατασκευάσασθαι δέκα, καὶ πληρώματα αὐταῖς λαβεῖν, ἐπισκευάσαι δὲ καὶ τὰς ἐν Σικελίᾳ. καὶ χρήματα οὐκ ἔδωκαν, πλὴν εἴ τις ἐθέλοι τῷ Σκιπίωνι κατὰ φιλίαν συμφέρειν. οὕτως ἀμελῶς ἤπτοντο τοῦδε τοῦ πολέμου τὰ πρῶτα, μεγίστου σφίσι καὶ ἀξιοτιμοτάτου μετ' ὀλίγον γενομένου.

[8] ὁ δὲ Σκιπίων ἔνθους ὢν ἐπὶ Καρχηδόνι ἐκ πολλοῦ, καὶ τινὰς ἱππέας τε καὶ πεζοὺς, ἐς ἑπτακισχιλίους μάλιστα. ἀθροίσας, διέπλευσεν ἐς Σικελίαν ἔχων ἀμφ' αὐτὸν ἀρτιγενεῖους ἐπιλέκτους τριακοσίους, οἷς εἴρητο χωρὶς ὅπλων ἔπεσθαι. Σικελῶν δ' αὖ τριακοσίους καταγράψας εὐδαίμονας ἐκέλευσεν ἦκειν ἐς ἡμέραν ῥητὴν, ἐσκευασμένους ὅπλοις τε καὶ ἵπποις ὅτι δύναιτο καλλίστοις. ὥς δὲ ἀφίκοντο, προύθηκεν εἴ τις ἑαυτοῦ θέλοι τὸν στρατευσόμενον ἀντιδοῦναι. δεξαμένων δὲ πάντων, ἤγαγεν ἐς μέσον τοὺς τριακοσίους τοὺς ὅπλων ἐρήμους, καὶ ἐς τοῦσδε ἐκείνοις προσέταξε μετασκευάσασθαι. οἱ δ' ἐκόντες παρεδίδοσαν ὅπλα καὶ ἵππους. καὶ περιῆν τῷ Σκιπίωνι τριακοσίους νέους Ἰταλιώτας ἔχειν ἀντὶ Σικελιωτῶν, κάλλιστα ἵπποις καὶ ὅπλοις ἄλλοτρίοις ἐσκευασμένους, καὶ χάριν εὐθὺς ἐπὶ τῷδε εἰδόμενος· οἷς δὴ καὶ προθυμοτάτοις ἐς πάντα χρώμενος διετέλει.

[9] Καρχηδόνιοι δὲ ταῦτα πυνθανόμενοι Ἀσδρούβαν μὲν τὸν Γέσκωνος ἐπὶ θήραν ἐλεφάντων ἐξέπεμπον, Μάγωνι δ' ἀμφὶ τὴν Λιγυστινὴν ξεναγοῦντι πεζοὺς ἀπέστελλον ἐς ἑξακισχιλίους καὶ ἱππέας ὀκτακοσίους καὶ ἐλέφαντας ἑπτὰ, καὶ προσέτασσον αὐτῷ μεθ' ὧσων δύναιτο ἄλλων ἐσβαλεῖν ἐς Τυρρηνίαν, ἵνα τὸν Σκιπίωνα περισπάσειεν ἐκ Λιβύης. Μάγων μὲν δὴ καὶ τότε ἐβράδυνεν, Ἀννίβα τε συνελθεῖν οὐ δυνάμενος πολὺ διεστῶτι, καὶ τὸ μέλλον ἀεὶ περιορώμενος. Ἀσδρούβας δ' ἀπὸ τῆς θήρας ἐπανελθὼν κατέλεγε

Καρχηδονίων τε καὶ Λιβύων ἐς ἑξακισχιλίους πεζοὺς ἑκατέρων καὶ ἱππέας ἑξακοσίους, δούλους τε ἡγόραζε πεντακισχιλίους, τὸ ναυτικὸν ἐρέσσειν, καὶ παρὰ τῶν Νομάδων ἔλαβε δισχιλίους ἱππέας, καὶ ξένους ἐμισθοῦτο, καὶ πάντα ἐγύμναζε, διακοσίους σταδίους ἀποσχὼν ἀπὸ Καρχηδόνης.

[10] Νομάδων δὲ τῶν ἐν Λιβύῃ δυνάσται μὲν ἦσαν κατὰ μέρη πολλοί, Σύφαξ δ' ὑπὲρ ἅπαντας, καὶ τιμὴν εἶχε πρὸς τῶν ἄλλων ἐπιφανῇ. Μασσυλίων δ' αὖ, γένους ἀλκίμου, παῖς ἦν τοῦ βασιλέως Μασσανάσσης, ὃς ἐτέθραπτο μὲν ἐν Καρχηδόνι καὶ ἐπεπαίδευτο, ὄντι δ' αὐτῷ καὶ τὸ σῶμα καλῶ καὶ τὸν τρόπον ἀρίστῳ Ἀσδρούβας ὁ Γέσκωνος, οὐδενὸς Καρχηδονίων δεύτερος, ἡγγύησε τὴν θυγατέρα, καίπερ ὄντι Νομάδι, Καρχηδόνιος ὢν. ὥς δ' ἡλλύθησεν, ἐπήγετο ἐς Ἰβηρίαν στρατηγῶν τὸ μειράκιον. Σύφαξ δὲ κνιζόμενος ὑπ' ἔρωτος ἐπὶ τῇ παιδί τὰ Καρχηδονίων ἐλεηλάτει, καὶ Σκιπίωνι διαπλεύσαντι πρὸς αὐτὸν ἐξ Ἰβηρίας συνέθετο συμμαχήσειν ἐπὶ Καρχηδονίους ἰόντι. αἰσθόμενοι δ' οἱ Καρχηδόνιοι καὶ μέγα ποιούμενοι ἐς τὸν πρὸς Ῥωμαίους πόλεμον Σύφακα προσλαβεῖν, ἐξέδοσαν αὐτῷ τὴν παρθένον ἀγνοούντων καὶ ὄντων ἐν Ἰβηρίᾳ Ἀσδρούβου τε καὶ Μασσανάσσου. ἐφ' οἷς ὁ Μασσανάσσης ὑπεραλγῶν συνετίθετο καὶ ὁδε ἐν Ἰβηρίᾳ τῷ Σκιπίωνι, λανθάνων, ὥς ᾤετο, Ἀσδρούβαν. ὁ δ' αἰσθόμενος βαρέως μὲν ἔφερεν ὑπὲρ τοῦ μειρακίου καὶ τῆς θυγατρὸς, ὑβρισμένοι ἀμφοῖν, ἡγεῖτο δ' ὁμως τῇ πατρίδι συμφέρειν ἐκποδῶν Μασσανάσσην ποιήσασθαι, καὶ ἐπανιόντι ἐς Λιβύην ἐξ Ἰβηρίας ἐπὶ θανάτῳ τοῦ πατρὸς συνέπεμπε προπομποὺς ἱππέας, οἷς εἴρητο ἀφανῶς ἐπιβουλεύειν αὐτῷ καὶ κτείνειν ὅπῃ δύναιτο.

[11] ὁ δ' αἰσθόμενος ἐξέφυγέ τε, καὶ τὴν πάτρώαν ἀρχὴν ἐκρατύνετο, ἱππέας ἀθροίζων, οἷς ἡμέρας τε καὶ νυκτὸς ἦν ἔργον ἀκοντίοις πολλοῖς χρωμένους ἐπελαύνειν αἰεὶ καὶ ἀναχωρεῖν καὶ αὐθις ἐπελαύνειν. καὶ ὅλως ἐστὶν αὐτοῖς ἡ μάχη φυγὴ καὶ δίωξις. ἴσασι δὲ καὶ λιμὸν φέρειν οἱ Νομάδες οἶδε, καὶ πόα χρησθαι πολλάκις ἀντὶ σίτου· καὶ τὸ πάμπαν ὑδροποτοῦσιν. ὃ τε ἵππος αὐτοῖς κριθῆς μὲν οὐδ' ὅλως γεύεται, ποιηφagῶν αἰεὶ, πίνει δὲ διὰ πολλοῦ. τοιούτους ὁ Μασσανάσσης ἐς δισμυρίους συναγαγὼν ἐξῆγεν ἐπὶ θήρας ἢ λεηλασίας ἐτέρων ἐθνῶν· ἅπερ ᾤετο καὶ ἔργα καὶ γυμνάσια εἶναι. Καρχηδόνιοι δὲ καὶ Σύφαξ νομίζοντες ἐπὶ σφᾶς εἶναι τὴν παρασκευὴν τοῦ μειρακίου ὅου γὰρ ἡγνόουν ἃ ἐλελυπήκεσαν αὐτόν, ἔκριναν προτέρῳ τῷδε πολεμεῖν ἔστε καθέλωσι, καὶ τότε Ῥωμαίοις ἀπαντᾶν.

[12] Σύφαξ μὲν οὖν καὶ Καρχηδόνιοι πλείους ἦσαν παρὰ πολὺ, μετὰ δὲ ἁμαξῶν καὶ παρασκευῆς βαρείας καὶ τρυφῆς ἐστρατεύοντο· Μασσανάσσης δὲ πόνων τε πᾶσιν ἐξῆρχε, καὶ ἱππικὸν μόνον εἶχε καὶ ὑποζύγιον οὐδέν, οὐδὲ ἀγοράν. ὅθεν ῥαδίως ὑπέφευγέ τε καὶ ἐπεχείρει καὶ ἐς τὰ ὄχυρά ἀνεπήδα. πολλάκις τε καὶ καταλαμβανόμενος διεσκίδνη τὸ στράτευμα, ὅπῃ δυνηθεῖεν ἀποφεύγειν κατὰ μέρη. καὶ σὺν ὀλίγοις αὐτὸς ὑπεκρύπτετό ποι, μέχρι συνέλθοιεν αὐτῷ νυκτὸς ἢ μεθ' ἡμέραν ἐς τὸ συγκείμενον. τρίτος δὲ ποτε ἐν σπηλαίῳ κρυπτόμενος ἔλαθε, τῶν πολέμιων περὶ τὸ σπήλαιον στρατοπεδευόντων. οὐδ' ἐστὶν ὅτε ἐστάθμευεν ἐν στρατοπέδῳ, ἀλλὰ καὶ μάλιστ' ἐστρατήγει λανθάνειν ὅποι ποτε εἶη. ὅθεν οὐκ εἶχον αὐτῷ συνεχῶς προεπιχειρεῖν οἱ πολέμιοι, ἀλλ' ἡμύνοντο ἐπιόντα. ἀγορὰ δ' ἦν αὐτῷ καθ'

ἐκάστην ἡμέραν, ὃ τι περὶ ἐσπέραν καταλάβοι χωρίον ἢ κώμην ἢ πόλιν, ληξομένῳ τε πάντα καὶ διαρπάζοντι καὶ μεριζομένῳ τοῖς συνοῦσιν. ὅθεν αὐτῷ πολλοὶ τῶν Νομάδων ἐπεφοίτων, μισθοὺς μὲν οὐ διδόντι τεταγμένους, τὰς δ' ὠφελείας πολὺ πλείονας ἔχοντες.

[13] καὶ Μασσανάσσης μὲν Καρχηδονίοις οὕτως ἐπολέμει, ὃ δὲ Σκιπίων, ἐπεὶ οἱ πάντα εὐτρεπῇ ἐγεγένητο ἐν Σικελίᾳ, ἔθυε Διὶ καὶ Ποσειδῶνι, καὶ ἐς Λιβύην ἀνήγετο ἐπὶ νεῶν μακρῶν μὲν δύο καὶ πεντήκοντα φορτίδων δὲ τετρακοσίων: κέλῃτες τε καὶ λέμβοι πολλοὶ συνείποντο αὐτῷ. καὶ στρατιὰν ἤγε πεζοὺς μὲν ἑξακισχιλίους ἐπὶ μυρίοις, ἵππεις δὲ χιλίους καὶ ἑξακοσίους. ἐπήγετο δὲ καὶ βέλη καὶ ὅπλα καὶ μηχανήματα ποικίλα καὶ ἄλοράν πολλήν. καὶ Σκιπίων μὲν ὧδε διέπλει, Καρχηδόνιοι δὲ καὶ Σύφαξ πυνθανόμενοι ἔγνωσαν ἐν τῷ παρόντι ὑποκρίνασθαι τε Μασσανάσσην καὶ ἐς φιλίαν ὑπαγαγέσθαι, μέχρι ὅτου Σκιπίωνος ἐπικρατήσαιεν. ὃ δ' οὐκ ἠγνόει μὲν ἑξαπατώμενος, ἀντενεδρεύων δέ, καὶ μηνύων πάντα τῷ Σκιπίωνι, ἦκε πρὸς τὸν Ἀσδρούβαν ὡς συνηλλαγμένος μετὰ τῶν ἰδίων ἱππέων. καὶ ἐστρατοπέδευον οὐ μακρὰν ἀπ' ἀλλήλων Ἀσδρούβας τε καὶ Σύφαξ καὶ Μασσανάσσης περὶ Ἰτύκην πόλιν, ἐς ἣν ὁ Σκιπίων καταχθεις ὑπ' ἀνέμων καὶ αὐτὸς ἐστρατοπέδευσε περὶ αὐτήν. οὐ πολὺ δ' ἀπέιχεν ὁ Ἀσδρούβας αὐτοῦ, στρατιὰν ἔχων ἐς δισμυρίους πεζοὺς καὶ ἵππεις ἑπτακισχιλίους καὶ ἐλέφαντας ἑκατὸν ἐπὶ τεσσαράκοντα.

[14] Σύφαξ μὲν οὖν, εἴτε δέισας εἴτε ἄπιστος ἐς ἑκατέρους γιγνόμενος παρὰ μέρος, ἐσκήψατό τι λυπεῖν τὴν ἀρχὴν αὐτοῦ τοὺς ὁμόρους βαρβάρους, καὶ ἀνεξεύγνυνεν ἐς τὰ οἰκεῖα: Σκιπίων δὲ κατ' ὀλίγους ἔπεμπεν ἐπιχειρεῖν τῷ Ἀσδρούβᾳ, καὶ τινες αὐτῷ καὶ τῶν πόλεων προσεχώρουν. νυκτὸς δὲ λαθὼν ὁ Μασσανάσσης ἦκεν ἐπὶ τὸ στρατόπεδον τοῦ Σκιπίωνος, καὶ δεξιωσάμενος αὐτὸν ἐδίδασκε τῆς ἐπιούσης ἔς τι χωρίον ἀπὸ τριάκοντα σταδίων Ἰτύκης, ἔνθα πύργος ἔστιν Ἀγαθοκλέους ἔργον τοῦ Συρακοσίων τυράννου, μὴ πλείους πεντακισχιλίων ἐνεδρεῦσαι. ἅμα δ' ἡμέρα τὸν Ἀσδρούβαν ἔπειθε τὸν ἵππαρχον Ἄννων ἀπέμψαι τό τε πλῆθος τῶν ἐχθρῶν ἐπισκεψόμενον καὶ ἐς Ἰτύκην ἐσδραμούμενον, μή τι πλησιαζόντων πολεμίων νεωτερίσειαν: καὶ αὐτὸς ὑπὸ σιγῇ, εἰ κελεύοιτο, ἔψεσθαι. Ἄννων μὲν δὴ χιλίους ἤγεν ἐπιλέκτους ἵππεις Καρχηδονίους καὶ Λιβύων τι πλῆθος, Μασσανάσσης δὲ Νομάδας τοὺς ἑαυτοῦ: ὡς δ' ἐπὶ τὸν πύργον ἀφίκοντο καὶ ὁ Ἄννων ἐξίππευσεν ἐς τὴν Ἰτύκην σὺν ὀλίγοις, μέρος τι τῆς ἐνέδρας ἐξεφαίνετο, καὶ ὁ Μασσανάσσης ἐκέλευσε τὸν τεταγμένον ἐπὶ τοῖς ἱππεῦσι τῶν Καρχηδονίων ἐπιδραμεῖν αὐτοῖς ὡς οὖσιν ὀλίγοις. καὶ αὐτὸς ἐκ βραχείας εἶπετο ὡς ἐπιβοηθήσων. ἐν μέσῳ δὲ τῶν Λιβύων γενομένων, ἡ τε πλείων ἐνέδρα κατεφαίνετο, καὶ συνηκόντισαν αὐτοὺς ἑκατέρωθεν οἱ τε Ῥωμαῖοι καὶ ὁ Μασσανάσσης, πλὴν τετρακοσίων, οἱ ἐλήφθησαν αἰχμάλωτοι. Μασσανάσσης δ', ἐπεὶ τοῦτο ἐξετετέλεστο, ἀπῆντα τῷ Ἄννωνι κατὰ σπουδὴν ὡς φίλος ἐπανιόντι, καὶ συλλαβὼν αὐτὸν ἀπῆγεν ἐς τὸ τοῦ Σκιπίωνος στρατόπεδον, καὶ ἀντέδωκεν Ἀσδρούβᾳ τῆς μητρὸς τῆς ἑαυτοῦ.

[15] Σκιπίων δὲ καὶ Μασσανάσσης τὴν χώραν ἐπόρθουν, καὶ Ῥωμαίων ἐξέλυον ὅσοι δεθέντες ἔσκαπτον ἐν τοῖς ἀγροῖς, ἐξ Ἰβηρίας ἢ Σικελίας ἢ ἀπ'

αὐτῆς τῆς Ἰταλίας πεμφθέντες ὑπὸ Ἀννίβου. πολιορκοῦσι δ' αὐτοῖς πόλιν μεγάλην ἣ ὄνομα ἦν Λόχα, καὶ πολλὰ δεινὰ πάσχουσιν, οἱ μὲν Λοχαῖοι προστιθεμένων τῶν κλιμάκων ἐπεκηρυκεύοντο ἐκλείναι τὴν πόλιν ὑπόσπονδοι, καὶ ὁ Σκιπίων ἀνεκάλει τῇ σάλπιγγι τὴν στρατιάν· ἡ δ' οὐχ ὑπήκουεν ὑπ' ὀργῆς ὧν ἐπεπόνθεσαν, ἀλλ' ἐπιβάντες τοῖς τείχεσι καὶ γύναια καὶ παιδία κατέσφαττον· ὁ δὲ τοὺς μὲν ἔτι ὄντας Λοχαίων ἀφῆκεν ἀπαθεῖς, τὴν δὲ στρατιὰν τὴν λείαν ἀφείλετο, καὶ τοὺς λοχαγούς, ὅσοι συνεξήμαρτον, ἐκλήρωσεν ἐν τῷ μέσῳ, καὶ τρεῖς τοὺς λαχόντας ἐκόλασε θανάτῳ. καὶ τάδε πράξας αὐθις ἐλεηλάτει. Ἀσδρούβας δ' αὐτοὺς ἐνήδρευε, Μάγωνα μὲν τὸν ἵππαρχον ἐπιπέμψας ἐκ μετώπου, αὐτὸς δὲ ὀπισθεν ἐπιών. οἱ δ' ἐν μέσῳ γενόμενοι τὸ ἔργον ἐμερίσαντο, καὶ ἐς ἑκατέρους αὐτῶν ἑκάτερος ἐπιστραφεὶς πεντακισχιλίους τῶν Λιβύων ἀπέκτειναν, καὶ χιλίους καὶ ὀκτακοσίους ἔλαβον αἰχμαλώτους, τοὺς δὲ λοιποὺς ἐς τὰς πέτρας κατήραξαν.

[16] καὶ ὁ Σκιπίων εὐθὺς ἐπὶ τοῖσδε προσέβαλεν Ἰτύκη κατὰ γῆν καὶ κατὰ θάλασσαν, δύο μὲν πεντήρεσιν ἐξευγμέναις πύργον ἐπιθείς, ὅθεν τριπλήχι βέλη καὶ λίθους μεγάλους ἐς τοὺς πολεμίους ἤφειε, καὶ πολλὰ μὲν ἐλύπει πολλὰ δ' ἀντέπασχε θραυομένων τῶν νεῶν, χρώματα δ' ἐπαίρων μέγιστα, καὶ κριοῖς τὸ τεῖχος, ὅτε προσπελάσειε, τύπτων, δρεπάνοις τε περισπῶν ὅσαι βύρσαι περὶ αὐτὸ καὶ ἄλλα σκεπαστήρια ἦν. οἱ δὲ τὰ μὲν χρώματα ὑπετάφρευον, καὶ τὰ δρέπανα βρόχοις παρήγον, καὶ τοὺς κριοὺς τῆς ὀρμῆς ἐξέλυον, ἐπιβάλλοντες ἐπικαρσίας δοκοῦς· ἐς δὲ τὰς μηχανὰς ἐξεπήδων μετὰ πυρός, ὅτε πνεῦμα φυλάξειαν ἐς αὐτὰς ἐπίφορον. ὅθεν ὁ Σκιπίων ἀπογνοὺς οὕτως αἰρήσειν τὴν πόλιν, ἐς πολιορκίαν αὐτῆς καθίστατο.

[17] Σύφαξ δὲ τῶν γιγνομένων πυνθανόμενος ἦκε μετὰ τοῦ στρατοῦ, καὶ οὐ μακρὰν ἐστάθμευεν ἀπὸ Ἀσδρούβου. ἔτι δ' ὑποκρινόμενος εἶναι φίλος ἑκατέροις, καὶ τρίβειν τὸν πόλεμον ἐγνωκῶς μέχρι νῆές τε ἕτεραι ναυπηγούμεναι πρὸς τῶν Καρχηδονίων ἐπιγένοιτο καὶ μισθοφόροι τινὲς Κελτῶν καὶ Λιγύων ἐπέλθοιεν, ἐπεχείρει διαιτᾶν διαλύσεις, καὶ ἐδικαίου μήτε Ῥωμαίους Λιβύης μήτε Καρχηδονίους Ἰταλίας ἐπιβαίνειν ἐπὶ πολέμῳ, ἔχειν δὲ Ῥωμαίους Σικελίαν καὶ Σαρδῶ καὶ εἴ τινας ἄλλας νήσους ἔχουσι, καὶ Ἰβηρίαν. ἦν δὲ τις ἀπειθῆ, τοῖς πειθομένοις ἔφη συμμαχήσειν. ἅμα δὲ ταῦτ' ἔπρασσε, καὶ Μασσανάσσην ἐπεῖρα μεταθέσθαι πρὸς αὐτόν, τὴν τε Μασσυλίων ἀρχὴν αὐτῷ βεβαιώσκειν ὑπισχνούμενος, καὶ τῶν θυγατέρων τριῶν οὐσῶν δώσειν ἐς γάμον ἣν ἂν ἐθέλῃ. ἔφερε δ' ὁ ταῦτα λέγων χρυσίον, ἵνα, εἰ μὴ πείσειε, δοίῃ τῶν θεραπευτῶν αὐτοῦ τῷ κτείνειν Μασσανάσσην ὑπισχνουμένῳ. ὁ μὲν δὴ μὴ πείθων ἔδωκε τιμὴν τὸ χρυσίον ἐπὶ τῷ φόνῳ· ὁ δὲ λαβὼν ἔδειξε τῷ Μασσανάσση, καὶ τὸν δόντα ἡλεγξεν.

[18] Σύφαξ δ' οὐ προσδοκῶν ἔτι λήσειν, φανερώς τοῖς Καρχηδονίοις συνεμάχει, πόλιν τε ἐν μεσογείῳ Θολοῦντα, Ῥωμαίων παρασκευὴν καὶ σῖτον πολλὴν ἔχουσαν, ἐκ προδοσίας εἴλε, καὶ τοὺς φρουροῦντας αὐτὴν ἔκτεινεν οὐκ ἐθελήσαντας ἀπελθεῖν ὑποσπόνδους, συμμαχίαν τε ἄλλην πολλὴν Νομάδων μετεπέμπετο. καὶ οἱ μισθοφόροι παρήσαν αὐτοῖς ἤδη, καὶ νῆες εὐτρεπῶς εἶχον, ὥστε ἔγνωστο πολεμεῖν Σύφακα μὲν ὁρμώμενον ἐπὶ τοὺς πολιορκοῦντας Ἰτύκην, Ἀσδρούβαν δ' ἐπὶ τὸ Σκιπίωνος στρατόπεδον. τὰς δὲ

ναῦς ἔδει ταῖς ναυσὶν ἐπιπλεῖν, καὶ γίνεσθαι ταῦτα τῆς ἐπιούσης ἡμέρας ἅπαντα ὁμοῦ, ἵνα μὴ διαρκέσειαν αὐτοῖς οἱ Ῥωμαῖοι διὰ τὴν ὀλιγότητα.

[19] Ὡνήδῃ νυκτὸς οὔσης ὁ Μασσανάσσης παρὰ τινῶν Νομάδων πυθόμενος μετέδωκε τῷ Σκιπίωνι. ὁ δὲ ἔδεισε, καὶ ἠπόρει μὴ ἐς πολλὰ αὐτῷ διαιρούμενος ὁ στρατὸς ἀσθενέστερος ἐς πάντα γίγνηται. τοὺς οὖν ἡγεμόνας αὐτίκα νυκτὸς ἐπὶ τὴν σκέψιν ἐκάλει, καὶ ἀπορούντων ἀπάντων ἐπὶ πολὺ σύννους γενόμενος εἶπε:

τόλμης καὶ ταχυτήτος ἡμῖν, ὦ φίλοι, δεῖ, καὶ μάχης ἐξ ἀπογνώσεως. φθάσωμεν ἐπελθόντες τοῖς πολεμίοις. ὅσα δ' ἐν τῷδε πλεονεκτήσομεν, μάθετε ἤδη. ἐκείνους μὲν ἐκπλήξει τὸ ἀδόκητον τῆς ἐφόδου καὶ τὸ παράδοξον τοῦ ἔργου, τῶν ὀλιγωτέρων προεπιχειρούντων: ἡμεῖς δ' οὐκ ἐς πολλὰ διηρημένη τῇ στρατιᾷ χρησόμεθα ἀλλ' ἄθρόα, οὐδ' ἐπάξομεν αὐτὴν ἅπασι τοῖς ἐχθροῖς ἀλλ' οἷς ἂν ἐπιλεξώμεθα πρώτοις. σταθμεύουσι δ' ἐφ' ἑαυτῶν ἕκαστοι, καὶ ἐσμέν αὐτοῖς κατὰ μέρος ἰσόμαχοι, τόλμη δὲ καὶ εὐτυχία προύχομεν. καὶ ἦν ὁ θεὸς δῶ τῶν πρώτων ἐπικρατῆσαι, τῶν ἄλλων καταφρονήσομεν. οἷς δ' ἐπιχειρητέον ἐστὶ πρώτοις, καὶ τίς ὁ καιρὸς ἢ τρόπος ἔσται τῆς ἐπιχειρήσεως, ἦν ἀρέσκη, τὰ τῆς γνώμης ἐρᾷ.

[20] συνθεμένων δὲ πάντων, 'ὁ μὲν καιρὸς,' εἶπεν, 'εὐθὺς ἐπιχειρεῖν ἀπὸ τοῦδε τοῦ συλλόγου, νυκτὸς ἔτι οὔσης, ὅτε καὶ τὸ ἔργον ἐστὶ φοβερώτερον καὶ ἀνέτοιμα τὰ ἐκείνων, καὶ οὐδεὶς τῶν συμμάχων αὐτοῖς δύναται βοηθεῖν ἐν σκότῳ. φθάσομέν τε οὕτως αὐτῶν τὰ βουλευμάτα μόνως, ἐγνωκότων ἡμῖν τῆς ἐπιούσης ἡμέρας ἐπιθέσθαι. τριῶν δ' αὐτοῖς ὄντων στρατοπέδων, αἱ μὲν νῆές εἰσι πόρρω, καὶ οὐκ ἔστι ναυσὶ νυκτὸς ἐπιχειρεῖν, Ἀσδρούβας δὲ καὶ Σύφαξ οὐ μακρὰν ἀπ' ἀλλήλων. καὶ τούτοις Ἀσδρούβας μὲν ἐστὶ τὸ τοῦ πολέμου κεφάλαιον, Σύφαξ δὲ οὐκ ἂν νυκτὸς ἐπιτολήσειε τῷ πόνῳ, βάρβαρος ἀνὴρ καὶ τρυφῆς γέμων καὶ δέους. φέρε οὖν, ἡμεῖς μὲν ἐπὶ Ἀσδρούβαν μετὰ παντὸς ἴωμεν τοῦ στρατοῦ, Μασσανάσσην δὲ τόνδε ἐπιτάξωμεν ἐφεδρεύειν τῷ Σύφακι, ἦν ἄρα καὶ παρὰ δόξαν ἐξίη τοῦ στρατοπέδου. πεζοὶ δὲ χωρῶμεν ἐπὶ τὸν χάρακα τοῦ Ἀσδρούβου, καὶ περιστάντες ἐπιχειρῶμεν ἐκ παντὸς μέρους σὺν ἐλπίδι τε χρηστῇ καὶ τόλμῃ θρασύτατῃ: τούτων γὰρ τὰ παρόντα δεῖται μάλιστα. τοὺς δ' ἱππέας 'οὐ γὰρ ἔστιν αὐτοῖς χρῆσθαι νυκτὸς ἔτι οὔσης' προπέμψω πορρωτέρῳ κυκλοῦσθαι τὸ στρατόπεδον τῶν πολεμίων, ἵνα εἰ μὲν βιασθῇμεν, ὑποδέχοντο ἡμᾶς καὶ ἐς φίλους καταφεύγοιμεν, εἰ δ' ἐπικρατοίημεν, ἐκφεύγοντας ἐκείνους διώκοιεν καὶ διαχρῶντο.'

[21] ταῦτ' εἰπὼν, καὶ τοὺς ἡγεμόνας ἐκπέμψας ὀπλίσαι τὸν στρατὸν, αὐτὸς ἐθύετο Τόλμῃ καὶ Φόβῳ, μηδὲν ὥς ἐν νυκτὶ πανικόν οἱ γενέσθαι, ἀλλὰ τὸν στρατὸν αὐτῷ θρασύτατον μάλιστα ὀφθῆναι. τρίτης δὲ ἤδη φυλακῆς ἡρέμα τῇ σάλπιγγι ὑπεσήμεινε, καὶ μετὰ σιγῆς βαθυτάτης στρατὸς τοσοῦτος ἐβάδιζεν, ἔως οἱ μὲν ἱππεῖς περιέστησαν ἐν κύκλῳ τοὺς πολεμίους, οἱ πεζοὶ δ' ἐπὶ τὴν τάφρον αὐτῶν ἀφίκοντο. βοῇ δὲ τότε παμμιγεῖ καὶ σάλπιγξιν ἄθρόαις καὶ βυκανήμασιν ἐς κατάπληξιν χρώμενοι τοὺς μὲν φύλακας ἐξέωσαν ἐκ τῶν φυλακτηρίων, τὴν δὲ τάφρον ἔχουν καὶ τὰ σταυρώματα διέσπων. οἱ δ' εὐτολμότατοι προδραμόντες ἐνέπρησάν τινας σκηνάς. καὶ οἱ Λίβυες μετ' ἐκπλήξεως ἀνεπήδων τε ἐξ ὕπνου, καὶ τὰ ὄπλα μετελάμβανον, καὶ ἐς τὰς

τάξεις ἀτάκτως ἐφέροντο, καὶ τῶν παραγγελλομένων διὰ τὸν θόρυβον οὐ κατήκουον, οὐδ' αὐτοῦ τοῦ στρατηγοῦ τὸ ἀκριβὲς τῶν γιγνομένων εἰδότες. ἀναπηδῶντας οὖν αὐτοὺς οἱ Ῥωμαῖοι καὶ ὀπλιζομένους ἔτι καὶ ταρασσομένους κατελάμβανον, καὶ σκηνὰς πλέονας ἐνεπίμπρασαν, καὶ τοὺς ἐν ποσὶν ἀνήρουν. τοῖς δ' ἦν ἡ τε βοή τῶν ἐχθρῶν καὶ ἡ ὄψις καὶ τὰ ἔργα φοβερώτατα ὥς ἐν νυκτὶ καὶ ἀγνωσίᾳ τοῦ γιγνομένου κακοῦ. ἡγούμενοί τε εἰληφθαι τὸ στρατόπεδον, καὶ τὸ πῦρ τῶν ἐμπερησμένων σκηνῶν δεδιότες, ἐξέπιπτον ἐκόντες ἐξ αὐτῶν, καὶ ἐς τὸ πεδίον ὥς ἀσφαλέστερον ἐωθοῦντο: ὅθεν κατὰ μέρος, ὅπῃ τύχοιεν, ἀκόσμως διεδίδρασκον, καὶ ἐς τοὺς Ῥωμαίων ἱππέας, οἱ κύκλῳ περιεστῆκεσαν, ἐμπίπτοντες ἀπέθνησκον.

[22] Σύφαξ δὲ νυκτὸς μὲν ἔτι, τῆς βοῆς αἰσθόμενος καὶ τὸ πῦρ ὁρῶν, οὐκ ἐπεξῆλθεν, ἀλλὰ τῶν ἱππέων τινὰς ἐπικουρεῖν ἔπεμψεν Ἀσδρούβα, οἷς ὁ Μασσανάσσης ἐπιπεσὼν ἄφνω πολὺν ἐργά ζεται φόνον. ἅμα δ' ἡμέρα μαθὼν ὁ Σύφαξ Ἀσδρούβαν μὲν ἤδη φυγόντα, τῆς δὲ στρατιᾶς αὐτοῦ τοὺς μὲν ἀπολωλότας, τοὺς δ' εἰλημμένους ὑπὸ τῶν πολεμίων, τοὺς δὲ διερριμμένους, καὶ τὸ στρατόπεδον αὐτῇ παρασκευῇ Ῥωμαίους ἔχοντας, ἀνεζεύγνυε φεύγων ἐς τὰ μεσόγεια μετὰ θορύβου, πάντα καταλιπὼν, οἰόμενος εὐθὺς ἀπὸ τῆς Καρχηδονίων διώξεως αὐτῷ τὸν Σκιπίωνα ἐπανίοντα ἐπιστήσεσθαι. ὅθεν καὶ τοῦδε τὸν χάρακα καὶ τὴν ἐν αὐτῷ παρασκευὴν εἶλε Μασσανάσσης.

[23] καὶ Ῥωμαῖοι διὰ τόλμης μιᾶς, ἐν ὀλίγῳ μέρει νυκτός, δύο στρατοπέδων καὶ δύο στρατῶν πολὺν μειζόνων ἐκράτησαν ὁμοῦ. ἀπέθανον δὲ Ῥωμαίων μὲν ἅμφι τοὺς ἑκατὸν ἄνδρας, τῶν δ' ἐχθρῶν ὀλίγῳ δέοντες τρισμῦριοι: καὶ αἰχμάλωτοι ἐγένοντο δισχιλίοι καὶ τετρακόσιοι. τῶν δὲ ἱππέων ἑξακόσιοι ἐπανίοντι τῷ Σκιπίωνι ἑαυτοὺς παρέδωκαν. καὶ τῶν ἐλεφάντων οἱ μὲν ἀνῆρηντο, οἱ δὲ ἐτέτρωντο. Σκιπίων δὲ ὅπλων τε καὶ χρυσοῦ καὶ ἀργύρου καὶ ἐλέφαντος πολλοῦ καὶ ἵππων ἄλλων τε καὶ Νομαδικῶν κεκρατηκώς, καὶ διὰ μιᾶς τῆσδε νίκης, λαμπροτάτης δὴ γενομένης, ἐς γόνυ τὰ Καρχηδονίων καταβαλὼν ἅπαντα, ἀριστεῖα τῷ στρατῷ διεδίδου, καὶ τῶν λαφύρων τὰ ἀξιολογώτατα ἐς Ῥώμην ἔπεμπεν. καὶ τὸν στρατὸν ἐγύμναζε φιλοπόνως, προσδοκῶν Ἀννίβαν τε αὐτίκα ἀπὸ τῆς Ἰταλίας καὶ Μάγωνα ἀπὸ Λιγυστίνων ἐπελεύσεσθαι.

[24] καὶ Σκιπίων μὲν περὶ ταῦτα ἦν, Ἀσδρούβας δέ, ὁ στρατηγὸς ὁ Καρχηδονίων, ἐν μὲν τῇ νυκτομαχίᾳ μεθ' ἱππέων πεντακοσίων, τετρωμένος, ἐς Ἀνδάν κατέφυγεν, ἔνθα μισθοφόρους τέ τινας ἐκ τῆς μάχης ἐκπεσόντας καὶ Νομάδας συνέλεγε, καὶ δούλους ἐς ἐλευθερίαν συνεκάλει: πυθόμενος δ' ὅτι Καρχηδόνιοι θάνατον αὐτοῦ κατέγνωσαν ὥς κακῶς ἐστρατηγηκότος, καὶ Ἄνωνα τὸν Βουμίλχαρος εἵλοντο στρατηγεῖν, ἴδιον αὐτοῦ τὸν στρατὸν ἐποίει, καὶ κακούργους προσελάμβανε, καὶ ἐλήζετο ἐς τὰς τροφάς, καὶ ἐγύμναζεν οὓς εἶχεν, ἅμφι τρισχιλίους ἱππέας, πεζοὺς δὲ ὀκτακισχιλίους, ὥς ἐν μόνῳ τῷ μάχεσθαι τὰς ἐλπίδας ἔχων. ὁ μὲν δὴ ταῦτα ποιῶν Ῥωμαίους ὁμοῦ καὶ Καρχηδονίους ἐπὶ πολὺ ἐλάνθανε, Σκιπίων δ' ἐπῆγεν αὐτῇ Καρχηδόνι τὸν στρατὸν ὠπλισμένον, καὶ σοβαρῶς ἐς μάχην προυκαλεῖτο, οὐδενὸς ἐξίοντος. Ἀμίλχαρ δὲ ὁ ναύαρχος ναυσὶν ἑκατὸν ἐσπευσμένως ἐς τὸν ναύσταθμον ἀνήγετο τοῦ Σκιπίωνος, ἐλπίσας αὐτόν τε φθάσειν ἐπανιόντα, καὶ τὰς οὐσας

ἐκεῖ Ῥωμαίων εἴκοσι τριήρεις ῥαδίως ταῖς ἑκατὸν αἰρήσειν.

[25] καὶ ὁ Σκιπίων ἰδὼν αὐτοῦ τὸν ἀπόπλουν, προύπεμπέ τινας τὸν ἔσπλουν τοῦ λιμένος ἐμφράξαι στρογγύλοις πλοίοις ἐπ' ἀγκυρῶν ἐκ διαστήματος, ἵνα ὡς διὰ πυλῶν αἱ τριήρεις ἐκθέοιεν ὅτε καιρὸς εἴη, καὶ τὰ πλοῖα τοῖς κέρασι συνδῆσαι τε καὶ ἀρμόσαι πρὸς ἄλληλα, ἵνα ἀντὶ τείχους ᾗ. καταλαβὼν δὲ τὸ ἔργον, ἥπτετο τοῦ πόνου. καὶ βαλλομένων τῶν Καρχηδονίων ἀπὸ τε τῶν πλοίων καὶ ἀπὸ τῆς γῆς καὶ ἀπὸ τοῦ τείχους, αἱ νῆες ἐθραύοντο, καὶ καμουῖσαι περὶ ἐσπέραν ἀπέπλεον. ἀπιούσαις δ' αὐταῖς αἱ Ῥωμαίων ἐπέκειντο, ἐκθέουσαι τε διὰ τῶν διαστημάτων, καὶ ὅτε βιάζοντο, ὑποχωροῦσαι. μίαν δὲ καὶ ἀνεδήσαντο κενὴν ἀνδρῶν, καὶ πρὸς τὸν Σκιπίωνα ἀνήγαγον. μετὰ δὲ τοῦτο ἐχείμαζον ἄμφω. καὶ Ῥωμαῖοις μὲν ἦν ἐκ θαλάσσης ἀγορὰ δαψιλῆς, Ἴτυκαῖοι δὲ καὶ Καρχηδόνιοι λιμώττοντες ἐλήστευον τοὺς ἐμπόρους, μέχρι Ῥωμαίων νῆες ἄλλαι, πεμφθεῖσαι τῷ Σκιπίωνι, ἐφόρμουν τοῖς πολεμίοις καὶ τὰς ληστρικὰς ἐκώλυν. οἱ δ' ἔκαμνον ἤδη σφόδρα τῷ λιμῷ.

[26] τοῦ δ' αὐτοῦ χειμῶνος, ἐγγὺς ὄντος Σύφακος, Μασσανάσσης ἤτησεν ἐπὶ τῇ ἰδίᾳ στρατιᾷ τὸ τρίτον τῆς Ῥωμαικῆς παρὰ Σκιπίωνος, καὶ λαβὼν ἡγουμένου τῶν Ῥωμαίων Λαιλίου, τὸν Σύφακα ἐδίωκεν. ὁ δὲ ὑπέφευγε, μέχρι καθορώμενος περὶ τινι ποταμῷ συνετάσσετο ἐς μάχην. οἱ μὲν οὖν Νομάδες ἐκατέρωθεν, ὥσπερ ἔθος αὐτοῖς, πολλὰ καὶ ἀθρόα ἠφίεσαν ἐπ' ἀλλήλοις, οἱ δὲ Ῥωμαῖοι προβαλλόμενοι τὰς ἀσπίδας ἐπήεσαν. Σύφαξ δὲ Μασσανάσσην ἰδὼν, ἔτετο ἐπ' αὐτὸν ὑπ' ὀργῆς· ὁ δ' ἀντεπῆλασε γεγηθώς. καὶ ἀγῶνος πολλοῦ περὶ ἄμφω γενομένου, τραπέντες οἱ τοῦ Σύφακος ἐς φυγὴν τὸν ποταμὸν ἐπέρων, ἔνθα τις αὐτοῦ Σύφακος τὸν ἵππον ἔβαλεν· ὁ δ' ἀπεσεῖσατο τὸν δεσπότην, καὶ ὁ Μασσανάσσης ἐπιδραμὼν εἷλεν αὐτόν τε Σύφακα καὶ τὸν ἕτερον αὐτοῦ τῶν υἱῶν. καὶ τούσδε μὲν εὐθὺς ἐπεμπε Σκιπίωνι, ἀπέθανον δ' ἐν τῇ μάχῃ Σύφακος μὲν ἐς μυρίους ἄνδρας, Ῥωμαίων δὲ πέντε καὶ ἐβδομήκοντα, Μασσανάσσου δὲ τριακόσιοι. καὶ αἰχμάλωτοι Σύφακος ἐγένοντο τετρακισχίλιοι. τούτων ἦσαν Μασσύλιοι δισχίλιοι καὶ πεντακόσιοι, τῶν ἐς Σύφακα ἀπὸ Μασσανάσσου μεταστάντων· καὶ αὐτοὺς ὁ Μασσανάσσης ἐπὶ τῷδε ἤτησε παρὰ Λαιλίου, καὶ λαβὼν κατέσφαξεν.

[27] μετὰ δὲ τοῦτο Μασσυλίου καὶ τὴν χώραν τὴν Σύφακος ἐπήεσαν, τοὺς μὲν αὖθις ἐς τὴν ἀρχὴν τὴν Μασσανάσσου καθιστάμενοι, τοὺς δὲ προσποιούμενοι τε καὶ τοὺς ἀπειθοῦντας αὐτῶν καταστρεφόμενοι. ἀφίκοντο δ' αὐτοῖς καὶ ἐκ Κίρτης πρέσβεις, τὰ βασιλεία τοῦ Σύφακος παραδιδόντες, ἰδίᾳ δὲ πρὸς Μασσανάσσην ἕτεροι παρὰ Σοφωνίβας τῆς Σύφακος γυναικὸς, τὴν ἀνάγκην τοῦ γάμου διηγούμενοι. Σοφωνίβαν μὲν οὖν ἄσμενος εἶχε λαβὼν ὁ Μασσανάσσης· καὶ αὐτήν, ἐπανιών πρὸς Σκιπίωνα αὐτός, ἐν Κίρτῃ κατέλιπε, προορώμενος ἄρα τὸ μέλλον. Σκιπίων δὲ ἤρετο Σύφακα· 'τίς σε δαίμων ἔβλαψε, φίλον ὄντα μοι καὶ ἐπὶ Λιβύην ἐλθεῖν προτρέψαντα, ψεύσασθαι μὲν θεοὺς οὕς ὥμοσας, ψεύσασθαι δὲ μετὰ τῶν θεῶν Ῥωμαίους, καὶ μετὰ Καρχηδονίων ἀντὶ Ῥωμαίων ἐλέσθαι πολεμεῖν, τῶν ἐπὶ Καρχηδονίους οὐ πρὸ πολλοῦ σοι βεβοηθηκότων;' ὁ δ' εἶπε, 'Σοφωνίβα Ἀσδρούβα θυγάτηρ, ἧς ἐγὼ ἦρων ἐπ' ἐμῷ κακῷ. φιλόπατρις δ' ἐστὶν ἰσχυρῶς, καὶ ἰκανὴ ἅπαντά τινα πείσαι πρὸς ἃ βούλεται. αὕτη με καὶ ἐκ τῆς ὑμετέρας

φιλίας ἐς τὴν ἑαυτῆς μετέθηκε πατρίδα, καὶ ἐς τότε συμφορᾶς ἐκ τοσῆσδε εὐδαιμονίας κατέβαλεν. σοὶ δὲ παραινῶ ἡγρή γάρ, ὑμέτερον γενόμενον καὶ Σοφωνίβας ἀπηλλαγμένον, νῦν γε ὑμῖν εἶναι βέβαιον· φύλασσε Σοφωνίβαν, μὴ Μασσανάσσην ἐς ἃ βούλεται μεταγάγη. οὐ γὰρ δὴ, μὴ τὸ γύναιόν ποτε ἔλῃται τὰ Ῥωμαίων ἐλπίζειν ἄξιον· οὕτως ἐστὶν ἰσχυρῶς φιλόπολις.'

[28] ταῦθ' ὁ μὲν ἔλεγεν, εἴτ' ἀληθεύων εἶτε ζηλοτυπούμενος καὶ Μασσανάσσην ἐς τὰ μέγιστα βλάπτων· ὁ δὲ Σκιπίων Σύφακα μὲν, συνετόν τε φαινόμενον καὶ τῆς χώρας ἔμπειρον, ἐπὶ τὰ κοινὰ ἐπῆγετο, καὶ γνώμης καὶ συμβουλῆς μετεδίδου, οἷόν τι καὶ Κροίσῳ τῷ Λυδῷ Κύρος ἐχρήτο, Λαλίου δ' ἀφικομένου, καὶ ταῦτα περὶ τῆς Σοφωνίβας πυθέσθαι παρὰ πολλῶν λέγοντος, ἐκέλευσε τὸν Μασσανάσσην τὴν Σύφακος γυναῖκα παραδοῦναι. παραιτουμένου δ' ἐκείνου, καὶ τὰ περὶ αὐτῆς ἄνωθεν ὡς ἐγένετο διηγουμένου, τραχύτερον ὁ Σκιπίων ἐκέλευεν αὐτὸν μηδὲν ἀφαιρεῖσθαι βία τῶν Ῥωμαικῶν λαφύρων, ἀλλ' ἐς τὸ μέσον καταθέντα αἰτεῖν, καὶ πείθειν, εἰ δύναιτο. ὥχετο οὖν ὁ Μασσανάσσης μετὰ τινῶν Ῥωμαίων, παραδώσων αὐτοῖς τὴν Σοφωνίβαν. κρύφα δὲ αὐτῇ φέρων φάρμακον πρῶτος ἐνέτυχε, καὶ τὰ παρόντα προύθηκεν, ἥ πιεῖν ἥ Ῥωμαίοις δουλεύειν ἐκοῦσαν. οὐδὲν τε εἰπὼν ἔτι ἐξήλασε τὸν ἵππον. ἡ δὲ τῇ τροφῇ δεῖξασα τὴν κύλικα, καὶ δεηθεῖσα μηδὲν ὀδύρασθαι καλῶς ἀποθανοῦσαν, ἔπινε τοῦ φαρμάκου. καὶ αὐτὴν ὁ Μασσανάσσης τοῖς ἤκουσι Ῥωμαίων ἐπιδείξας, καὶ θάψας βασιλικῶς, ὑπέστρεφε πρὸς Σκιπίωνα. ὁ δὲ αὐτὸν ἐπαινέσας τε, καὶ παρηγορήσας ὅτι πονηρᾶς γυναικὸς ἀπηλλάγη, ἐστεφάνωσε τῆς ἐφόδου τῆς ἐπὶ Σύφακα καὶ ἐδωρήσατο πολλοῖς. ἀχθέντος δ' ἐς Ῥώμην τοῦ Σύφακος, οἱ μὲν ἡξίουں περισώζειν ἄνδρα ἐν Ἰβηρίᾳ φίλον καὶ σύμμαχον αὐτοῖς γενόμενον, οἱ δὲ κολάζειν, ὅτι τοῖς φίλοις ἐπολέμησεν. ὁ δὲ ὑπὸ λύπης νοσῶν ἀπέθανεν.

[29] Ἀσδρούβας δὲ ἐπειδὴ καλῶς τοὺς συνόντας ἐγύμνασεν, ἔπεμπε τινα πρὸς Ἄννων τὸν στρατηγὸν τῶν Καρχηδονίων, ἀξίων αὐτῷ τὸν Ἄνωνα κοινωνῆσαι τὴν στρατηγίαν, καὶ ὑποδεικνύς ὅτι πολλοὶ Σκιπίωνι σύνεισιν Ἰβηρες ἄκοντες, οὓς ἐάν τις χρυσίῳ καὶ ὑποσχέσεσι διαφθέρῃ, τὸ στρατόπεδον ἐμπρήσουσι τὸ Σκιπίωνος. ἔφη δὲ καὶ αὐτός, εἰ προμάθοι τὸν καιρόν, ἥξειν ἐπὶ τὸ ἔργον. ταῦτα μὲν Ἀσδρούβας, ὁ δὲ Ἄννων ἐς μὲν τὸν Ἀσδρούβαν ἐπανούργει, τοῦ δ' ἐγχειρήματος οὐκ ἀπῆλπισεν, ἀλλ' ἄνδρα πιστὸν μετὰ χρυσίου, καθάπερ αὐτόμολον, ἐς τὸ Σκιπίωνος στρατόπεδον κατέπεμψεν, ὃς πιθανὸς ὢν ἐντυχεῖν ἐκάστῳ διέφθειρε πολλούς, ἡμέραν τε συνθέμενος αὐτοῖς ἐπανῆλθεν. καὶ τὴν ἡμέραν ὁ Ἄννων τῷ Ἀσδρούβᾳ μετέφερεν. Σκιπίωνι δὲ θυομένῳ κίνδυνον τὰ ἱερὰ ἐδήλου ἐμπρησμοῦ· καὶ περιπέμψας ἐς ἅπαν τὸ στρατόπεδον, εἴ πού τι λάβρον ἠῦρισκε πῦρ, κατέπαυεν. καὶ αὐθις ἐπὶ πολλὰς ἡμέρας ἐθύετο. ὥς δ' οὐκ ἀνίει τὰ ἱερὰ τὸν ἐμπρησμὸν ὑποδεικνύοντα, ὁ μὲν ἐβαρυθύμει καὶ μεταστρατοπεδεῦσαι διεγνώκει,

[30] ἰππέως δὲ Ῥωμαίου θεράπων Ἰβηρ, ὑπονοήσας τι περὶ τῶν συνθεμένων, ὑπεκρίνατο συνειδέναι, ἕως τὸ πᾶν ἔμαθε, καὶ ἐμήνυσε τῷ δεσπότη, ὁ δὲ αὐτὸν ἐς τὸν Σκιπίωνα ἤγαγε, καὶ τὸ πλῆθος ἠλέγγετο. καὶ πάντας ὁ Σκιπίων ἔκτεινε καὶ ἐξέρριψε πρὸ τοῦ στρατοπέδου. αἴσθησις δ' ἦν

Ἄννωνι μὲν ὀξεῖα πλησίον ὄντι, καὶ οὐκ ἤλθεν ἐπὶ τὸ συγκεῖμενον, Ἀσδρούβας δὲ ἀγνοῶν ἀφίκετο. ὥς δὲ τὸ πλῆθος εἶδε τῶν νεκρῶν, εἵκασε τὸ συμβὰν καὶ ἀνεχώρει. καὶ αὐτὸν ὁ Ἄννων ἐς τὸ πλῆθος διέβαλλεν, ὥς ἀφίκοιτο Σκιπίωνι διδοὺς ἑαυτόν, ὁ δὲ οὐ λάβοι. Ἀσδρούβας μὲν δὴ καὶ ἐκ τοῦδε τοῖς Καρχηδονίοις ἦν μᾶλλον διὰ μίσους· ὑπὸ δὲ τὸν αὐτὸν καιρὸν Ἀμίλχαρ μὲν ἄφνω ταῖς Ῥωμαίων ναυσὶν ἐπιπλεύσας μίαν ἔλαβε τριήρη καὶ φορτίδας ἕξ, Ἄννων δ' ἐπιθέμενος τοῖς πολιορκουσιν Ἰτύκην ἀπεκρούσθη. Σκιπίων δέ, χρονίου τῆς πολιορκίας οὔσης, ταύτην μὲν διέλυσεν οὐδὲν ἀνύων, τὰς δὲ μηχανὰς ἐς Ἰπῶνα πόλιν μετετίθει. καὶ οὐδενὸς οὐδ' ἐνταῦθα προκόπτοντος αὐτῷ, κατακάυσας ὥς ἄχρηστα τὰ μηχανήματα τὴν χώραν ἐπέτρεχε, τοὺς μὲν ἐς φιλίαν ἐπαγόμενος, τοὺς δὲ ληζόμενος.

[31] Καρχηδόνιοι δ' ἐπὶ ταῖς κακοπραγίαις δυσφοροῦντες αἰροῦνται στρατηγὸν αὐτοκράτορα Ἀννίβαν, τὸν δὲ ναύαρχον ἔπεμπον ἐπὶ νεῶν, ἐπισπέρχειν αὐτὸν ἐπὶ τὴν διάβασιν. ἅμα δὲ ταῦτ' ἔπρασσον, καὶ ἐς τὸν Σκιπίωνα περὶ εἰρήνης ἐπρεσβεύοντο, ἡγούμενοι τούτοις πάντως ἂν ἐνὸς τυχεῖν, ἢ τὴν εἰρήνην ἔξιν, ἢ χρόνον διατρίψιν ἕως ἀφίκοιτο ὁ Ἀννίβας. Σκιπίων μὲν οὖν αὐτοῖς ἀνοχάς τε ἔδωκε, καὶ τὴν δαπάνην τοῦ στρατοῦ λαβὼν πρεσβεύειν ἐφῆκεν ἐς Ῥώμην· οἱ δὲ ἐπρέσβευον, καὶ τειχῶν ἐκτὸς ἐστάθμευον ὥς ἔτι πολέμιοι, ἀχθέντες τε ἐπὶ τὴν βουλὴν ἐδέοντο συγγνώμης τυχεῖν. τῶν δὲ βουλευτῶν οἱ μὲν τῆς Καρχηδονίων ἀπιστίας ὑπεμίμνησκον, ὡσάκις συνθοῖντο καὶ παραβαῖεν, ὅσα τε Ἀννίβας δράσειε δεινὰ Ῥωμαίους καὶ τοὺς Ῥωμαίων συμμάχους ἔν τε Ἰβηρίᾳ καὶ Ἰταλίᾳ· οἱ δὲ τὸ τῆς εἰρήνης χρήσιμον οὐ Καρχηδονίοις μᾶλλον ἢ σφίσις ὑπεδείκνυνον ἔσσεσθαι, τῆς Ἰταλίας τοσοῖσδε πολέμοις ἐκτετραχωμένης, τό τε τοῦ μέλλοντος περιδεές ἐπεξήρσαν, ἐπιπλευσομένων ἐπὶ τὸν Σκιπίωνα αὐτίκα σὺν μεγάλοις στρατοῖς Ἀννίβου τε ἐξ Ἰταλίας καὶ Μάγωνος ἐκ Λιγύων καὶ Ἄννωνος ἀπὸ Καρχηδόνας.

[32] ἐφ' οἷς ἀποροῦσα ἡ βουλὴ συμβούλους ἔπεμψε τῷ Σκιπίωνι, μεθ' ὧν ἔμελλε κρινεῖν τε καὶ πράξειν ὅ τι δοκιμάσειε συνοίσειν. ὁ δὲ ἐς τὴν εἰρήνην τοῖς Καρχηδονίοις ἐπὶ τοῖσδε συνέβη, Μάγωνα μὲν ἀποπλεῖν ἐκ Λιγύων αὐτίκα, καὶ τοῦ λοιποῦ Καρχηδονίους μὴ ξενολογεῖν, μηδὲ ναῦς ἔχειν μακρὰς πλείους τριάκοντα, μηδὲ πολυπραγμονεῖν τι πέρα ὧν ἔχουσιν ἐντὸς τῶν λεγομένων Φοινικίδων τάφρων, ἀποδοῦναι δὲ Ῥωμαίοις ὅσους αἰχμαλώτους αὐτῶν ἔχουσι καὶ αὐτομόλους, ἀργυρίου τε αὐτοῖς τάλαντα χίλια καὶ ἑξακόσια ἐσενεγκεῖν ἐν χρόνῳ, ἔχειν δὲ Μασσανάσσην Μασσυλίους τε καὶ τῆς Σύφακος ἀρχῆς ὅσα δύναιτο. τάδε μὲν συνέθεντο ἀλλήλοις. καὶ πρέσβεις διέπλεον, οἱ μὲν ἐς Ῥώμην, τοὺς ὑπάτους ὀρκιοῦντες, οἱ δ' ἀπὸ Ῥώμης ἐς Καρχηδόνα, καὶ τὰ τέλη τῶν Καρχηδονίων αὐτοῖς ὤμνουν. Μασσανάσση δὲ Ῥωμαῖοι χαριστήρια τῆς συμμαχίας στέφανόν τε ἀπὸ χρυσοῦ καὶ σφραγίδα χρυσὴν ἔπεμπον, καὶ ἐλεφάντινον δίφρον καὶ πορφύραν καὶ στολὴν Ῥωμαϊκὴν καὶ ἵππον χρυσοφάλαρον καὶ πανοπλίαν.

[33] γιγνομένων δ' ἔτι τούτων ὁ Ἀννίβας ἄκων ἐς Καρχηδόνα ἔπλει, τὴν ἐς τοὺς ἄρχοντας ἀπιστίαν τοῦ δήμου καὶ ταχυεργίαν ὑφορώμενος. ἀπιστῶν δ' ἔτι τὰς σπονδὰς ἔσσεσθαι, καὶ εἰ γένοιτο, εὖ εἰδὼς οὐκ ἐς πολὺ βεβαίους

ἐσομένας, ἐς Ἀδρυμητὸν Λιβύης κατήγετο πόλιν, καὶ σῖτον συνέλεγεν, ἐπὶ τε ὤνῃν ἵππων περιέπεμπε, καὶ τὸν δυνάστην τῶν Νομάδων τῶν καλουμένων Ἀρεακιδῶν ἐς φιλίαν ὑπήγετο. καὶ τετρακισχλίους ἱππέας αὐτομόλους αὐτῷ προσφυγόντας, οἱ Σύφακος ὄντες τότε ἐγίνοντο Μασσανάσσου, κατηκόντισεν ὑποπτέυσας· τοὺς δ' ἵππους διέδωκε τῷ στρατῷ. ἦλθε δε καὶ Μεσοτυλος αὐτῷ δυνάστης ἕτερος μετὰ χιλίων ἱππέων, καὶ Οὐερμινᾶς Σύφακος υἱὸς ἕτερος, ἔτι τῶν πλεόνων τῆς πατρώας ἀρχῆς ἐπικρατῶν. πόλεις τε Μασσανάσσου τὰς μὲν ὑπήγετο, τὰς δ' ἐβιάζετο. νάρκην δ' ἐνήδρευσεν ὧδε. ἀγορᾷ χρώμενος ἐσέπεμπεν ὥς ἐς φίλους. ὅτε δ' ἔδοξεν ἐπιθέσθαι, πλείους ἔπεμπε ξιφίδια ἐπικρύπτοντας, οἷς εἴρητο τὰ δίκαια ποιεῖν ἐς τοὺς πιπράσκοντας μέχρι σαλπίγγων ἀκούσειαν, τότε δ' ἐπιχειρεῖν τοῖς ἐντυχοῦσι καὶ τὰς πύλας οἱ φυλάσσειν.

[34] οὕτω μὲν ἐάλω Νάρκη, Καρχηδονίων δε ὁ δῆμος ἄρτι τὰς συνθήκας πεποιημένοι, καὶ Σκιπίωνος αὐτοῖς ἔτι παρόντος, οὐπω τῶν ἰδίων πρέσβων ἀπὸ Ῥώμης ἀνестροφότων, ἀγορὰν Σκιπίωνος ὑπ' ἀνέμων κατενεχθεῖσαν ἐς Καρχηδόνα διήρπασαν, καὶ τοὺς παραπέμποντας αὐτὴν ἔδησαν, πολλὰ τῆς βουλῆς ἀπειλούσης, καὶ παραινούσης μὴ λύειν συνθήκας ἄρτι γεγεννημένας· οἱ δὲ καὶ ταῖς συνθήκαις ἐπεμέμφοντο ὥς ἀδίκως γενομέναις, καὶ τὸν λιμὸν ἔφασαν ἐνοχλεῖν ὑπὲρ τὰς παραβάσεις. Σκιπίων μὲν οὖν οὐκ ἡξίου πολέμου κατάρχειν μετὰ σπονδάς, ἀλλ' ἥτει δίκας ὥς φίλους ἀμαρτόντας· οἱ δὲ καὶ τοὺς πρέσβεις αὐτοῦ κρατεῖν ἐπενόουν, ἕως ἀφίκοντο αὐτοῖς οἱ ἀπὸ Ῥώμης. ἀλλὰ τοῦσδε μὲν Ἄννων τε ὁ μέγας καὶ Ἀσδρούβας ὁ ἔριφος ἐξείλοντο τοῦ πλήθους καὶ προύπεμπον δύο τριήρεσιν· ἕτεροι δὲ Ἀσδρούβαν τὸν ναύαρχον ἔπεισαν, ὁρμοῦντα περὶ τὴν Ἀπόλλωνος ἄκραν, ὅταν ἀποστῶσιν αἱ προπομποὶ τριήρεις, ἐπιθέσθαι τοῖς τοῦ Σκιπίωνος. καὶ ὁ μὲν ἐπέθετο, καὶ τῶν πρέσβων τινες ἐκ τοξευμάτων ἀπέθανον· οἱ δὲ λοιποὶ τιτρωσκόμενοί τε καὶ ἐρέσσοντες ἔφθασαν ἐς τὸν λιμένα τοῦ σφετέρου στρατοπέδου, καὶ ἐξήλαντο τῆς νεῶς ἤδη λαμβανομένης. παρὰ τοσοῦτον ἦλθον αἰχμάλωτοι γενέσθαι.

[35] ὣν οἱ ἐν ἄστει Ῥωμαῖοι πυθόμενοι τοὺς πρέσβεις τοὺς Καρχηδονίων, οἱ περὶ τῆς εἰρήνης ἔτι παρήσαν, ἐκέλευον ἀποπλεῖν αὐτίκα ὥς πολεμίους. καὶ οἱ μὲν ἐξέπλεον, καὶ ὑπὸ τοῦ χειμῶνος ἐς τὸ τοῦ Σκιπίωνος στρατόπεδον κατήγοντο· Σκιπίων δὲ τῷ ναύαρχῳ, πυθόμενῳ περὶ αὐτῶν ὅ τι δέοι ποιεῖν, 'οὐδὲν ὅμοιον,' ἔφη, 'ταῖς Καρχηδονίων ἀπιστίαις, ἀλλ' ἀπόπεμπε ἀπαθεῖς.' μαθοῦσα δ' ἡ γερουσία τὸν δῆμον ὠνείδιζε τῇ συγκρίσει, καὶ συνεβούλευε καὶ νῦν δεηθῆναι Σκιπίωνος τὰ μὲν συγκείμενα φυλάσσειν, δίκας δὲ τῶν ἡμαρτημένων παρὰ Καρχηδονίων λαβεῖν. οἱ δὲ καὶ αὐτῇ τῇ γερουσίᾳ δυσχεραίνοντες ἐκ πολλοῦ διὰ τὴν κακοπραγίαν, ὥς οὐκ εὖ τὰ συμφέροντα προορωμένη, καὶ ὑπ' ἀνδρῶν δημοκόπων ἐρεθιζόμενοι τε καὶ ἐς ἀλόγους ἐλπίδας ἐπαιρόμενοι, τὸν Ἀννίβαν ἐκάλουν νεθ' ἧς ἔχει στρατιᾶς.

[36] ὁ δὲ ὁρῶν τὸ μέγεθος τοῦ πολέμου, Ἀσδρούβαν αὐτοῦς ἐκέλευε σὺν τῇ παρούσῃ δυνάμει καλεῖν. Ἀσδρούβας μὲν δὴ τῆς καταδίκης αὐτῷ λυθείσης παρεδίδου τὸν στρατὸν Ἀννίβα, καὶ οὐδ' ὥς ἐπιφαίνεσθαι τοῖς Καρχηδονίοις ἐθάρρει, ἀλλ' ἐκρύπτετο ἐν τῇ πόλει· Σκιπίων δὲ ναῦς τῇ Καρχηδόνι ἐπιστήσας εἵργεν αὐτοὺς ἀγορᾶς ἀπὸ θαλάσσης, οὐκ εὐποροῦντας οὐδ' ἀπὸ

τῆς γῆς ἀσπόρου διὰ τὸν πόλεμον γενομένης. τῶν δ' αὐτῶν ἡμερῶν Ἀννίβου καὶ Σκιπίωνος ἵππομαχία γίνεται περὶ Ζάμαν, ἐν ἧ Σκιπίων ἐπλεονέκτει· καὶ ταῖς ἐπιούσαις ἀκροβολίσματα ἦν ἐς ἀλλήλους, ἕως αἰσθόμενος ὁ Σκιπίων Ἀννίβαν ἰσχυρῶς τε ἀπορούμενον καὶ περιμένοντα ἀγορὰν φερομένην, νυκτὸς ἔπεμψε Θέρμον χιλίαρχον ἐπὶ τοὺς ἄγοντας αὐτήν. καὶ λόφον ὁ Θέρμος ἐν στενῇ διόδῳ καταλαβὼν, ἔκτεινε τῶν Λιβύων ἐς τετρακισχιλίους καὶ ἐξώγησεν ἐτέρους τοσοῦσδε, καὶ τὴν ἀγορὰν ἦκε φέρων τῷ Σκιπίωνι.

[37] ὁ δ' Ἀννίβας ἐς ἔσχατον ἀφιγμένος ἀπορίας, καὶ τὸ παρὸν ἐπινοῶν ὅπως δύναίτο διαθέσθαι, πρέσβεις ἐς Μασσανάσσην ἔπεμπεν, ὑπομιμνήσκων τε τῆς ἐν Καρχηδόνι διατριβῆς καὶ παιδείσεως, καὶ παρακαλῶν ἔτι οἱ συναγαγεῖν ἐς συνθήκας Σκιπίωνα· τὰ γὰρ πρότερα τοῦ δήμου καὶ τῶν ἀνοητοτέρων τοῦ δήμου ἀμαρτήματα γενέσθαι. ὁ δὲ τῷ ὄντι τεθραμμένος τε καὶ πεπαιδευμένος ἐν Καρχηδόνι, καὶ τὸ ἀξίωμα τῆς πόλεως αἰδούμενός τε καὶ φίλος ὢν ἔτι πολλοῖς ἐκείθεν, ἐδεήθη τοῦ Σκιπίωνος, καὶ συνήγαγεν αὐτοὺς αὐθις ἐς τοιάσδε συνθήκας ὥστε Καρχηδονίους τὰς τε ναῦς καὶ τοὺς ἄνδρας, οὓς ἔλαβον Ῥωμαίοις ἀγορὰν φέροντας, ἀποδοῦναι, καὶ τὰ ἥρπασμένα ἅπαντα, ἢ τῶν ἀπολωλότων τιμὴν ἢ ἂν ὀρίση Σκιπίων, ποινὴν τε τοῦ ἀδικήματος χίλια τάλαντα ἐσενεγκεῖν, τὰδε μὲν ἦν τὰ συγκείμενα, καὶ γενομένων ἀνοχῶν μέχρι αὐτὰ μάθωσι Καρχηδόνιοι, ὁ μὲν Ἀννίβας ἐξ ἀέλπτου περισσώζετο,

[38] Καρχηδονίων δ' ἡ μὲν βουλή τὰ συμβάντα ὑπερησπάζετο, καὶ παρεκάλει τὸν δήμον ἐμμεῖναι τοῖς ἐγνωσμένοις, τὴν τε κακοπραγίαν σφῶν τὴν ἐς ἅπαντα διηγούμενη καὶ τὴν παροῦσαν ἀπορίαν στρατοῦ τε καὶ χρημάτων καὶ ἀγορᾶς. οἱ δέ, οἷον ὄχλος, ἀφρόνως ἡγοῦντο τοὺς στρατηγούς σφῶν δι' ἑαυτοὺς ταῦτα Ῥωμαίοις συντίθεσθαι, ἵνα δι' ἐκείνων δυναστεύσωσι τῆς πατρίδος· ὁ καὶ Ἀννίβαν νῦν καὶ Ἀσδρούβαν οὐ πρὸ πολλοῦ ποιησαί τε, καὶ τὸ στρατόπεδον νυκτὸς ἐγχειρίσαντα τοῖς πολεμίοις, μετ' ὀλίγον καὶ ἑαυτὸν ἐθελῆσαι τῷ Σκιπίωνι ἐνδοῦναι ἐπὶ τῷδε προσπελάσαντα, κρύπτεσθαι τε νῦν ἐν τῇ πόλει. βοῆς δ' ἐπὶ τούτῳ καὶ θορύβου γενομένου. τὴν ἐκκλησίαν τινὲς καταλιπόντες ἐζήτουν Ἀσδρούβαν περιόντες. ὁ δ' ἔφθασε μὲν ἐς τὸν τοῦ πατρὸς τάφον καταφυγὼν καὶ φαρμάκῳ διαχρησάμενος αὐτόν· οἱ δὲ κάκειθεν αὐτοῦ τὸν νέκυν ἐξελόντες, καὶ τὴν κεφαλὴν αὐτοῦ ἀποτεμόντες περιέφερον ἐπὶ δόρατος ἀνὰ τὴν πόλιν. Ἀσδρούβας μὲν δὴ καὶ τὸ πρῶτον ἀδίκως ἐξεπεπτώκει, καὶ τὸ δεύτερον ψευδῶς διεβέβλητο ὑπὸ Ἄννωνος, καὶ τότε πρὸς Καρχηδονίων οὕτως ἀνήρητο καὶ οὕτως ἀποθανὼν ὑβρίζετο.

[39] Καρχηδόνιοι δ' ἐπέστελλον Ἀννίβα λῦσαι τὰς ἀνοχὰς καὶ πολεμεῖν Σκιπίωνι, κρίναι δ' ὅτι τάχιστα τὸν πόλεμον μάχῃ διὰ τὴν ἀπορίαν. ὁ μὲν δὴ πέμψας ἔλυσεν τὰς ἀνοχὰς, καὶ Σκιπίων Πάρθον τε, μεγάλην πόλιν, αὐτίκα προσπεσὼν εἴλε, καὶ πλησίον Ἀννίβου μετεστρατοπέδευεν. ὁ δὲ ἀνεζεύγνυε, τρεῖς τοῖς Ῥωμαίοις κατασκοποὺς ἐπιπέμψας, οὓς ὁ Σκιπίων ἔλαβέ τε καὶ οὐκ ἔκτεινεν, ὥσπερ ἔθος τοὺς κατασκόπους κτείνειν, ἀλλ' ἐς τὸ στρατόπεδον καὶ τὰς ὀπλοθήκας καὶ τὰ μηχανήματα περιαχθῆναι κελεύσας, καὶ τὴν στρατιάν γυμναζομένην ἰδεῖν, ἀπέλυσεν φράζειν Ἀννίβα περὶ ἐκάστων. ὁ δὲ ἡξίωσεν ἔτι συνελθεῖν ἐς λόγους Σκιπίωνι, καὶ συνελθὼν ἔλεγε Καρχηδονίους

ἀγανακτῆσαι τῇ πρότερον εἰρήνῃ διὰ τὰ χρήματα, καὶ εἰ τοῦτο ἐκλυθεῖν, Σικελίας δὲ μόνον ἀξιοῖεν οἱ Ῥωμαῖοι καὶ Ἰβηρίας καὶ νήσων ὧσων ἄρχουσι κρατεῖν, ἔσσεσθαι τὰς συνθήκας βεβαίους. ὁ δὲ ‘πολύ,’ ἔφη, ‘κέρδος Ἀννίβα τῆς φυγῆς ἔσται τῆς ἐξ Ἰταλίας, εἰ ταῦτα προσλάβοι παρὰ Σκιπίωνος.’ καὶ ἀπηγόρευε πέμπειν ἔτι πρὸς αὐτόν. διαπειλησάμενοί τε ἀλλήλοις ἀνεξεύγνυνον ἐκάτερος ἐς τὸ αὐτοῦ στρατόπεδον.

[40] πόλις δ’ ἐγγὺς ἦν Κίλλα, καὶ παρ’ αὐτὴν λόφος εὐφυῆς ἐς στρατοπεδείαν, ὃν ἐπινοῶν ὁ Ἀννίβας προλαβεῖν, ἔπεμπέ τινας διαγράφειν τὸ στρατόπεδον, καὶ εὐθὺς ἀναστήσας ἐβάδιζεν ὡς ἔχων τὸν λόφον. Σκιπίωνος δ’ αὐτὸν φθάσαντός τε καὶ προλαβόντος, ἀποληφθεὶς ἐν πεδίῳ μέσῳ καὶ ἀνδρῶ διετελεῖ τὴν νύκτα πᾶσαν ὀρύσσων φρέατα, καὶ ὁ στρατὸς αὐτῷ διαμώμενος τὴν ψάμμον ὀλιγον καὶ θολερὸν ἔπινον ἐπιμόχθως. ἀθεράπευτοί τε καὶ ἄσιτοι, καὶ ἐν τοῖς ὅπλοις ἔνιοι, διενυκτέρευσαν. ὣν ὁ Σκιπίων αἰσθανόμενος προσέβαλεν ἅμα ἔφ’ ἑκατομυρίων ἐξ ὁδοῦ καὶ ἀγρυπνίας καὶ ἀνυδρίας. Ἀννίβας δ’ ἤχθετο μὲν, οὐχ ὅτε βούλοιο συνιῶν ἐς μάχην, ἐώρα δὲ ὡς εἴτε μένοι κατὰ χώραν, κακοπαθήσων ὑπὸ τῆς ἀνυδρίας, εἴτε φεύγοι, τὰ φρονήματα τῶν ἐχθρῶν ἀναστήσων καὶ πολλὰ πεισόμενος ὑπ’ αὐτῶν ἐπικειμένον. ὅθεν ἀναγκαῖον ἦν αὐτῷ μάχεσθαι. καὶ παρετασεν αὐτίκα ἄνδρας μὲν ἐς πεντακισμυρίους, ἐλέφαντας δὲ ὀγδοήκοντα. ἴσθη δὲ πρῶτους μὲν τοὺς ἐλέφαντας, ἐκ διαστημάτων, ἐφ’ ὅλου τοῦ μετώπου, φοβερῶτατα σκευασας. καὶ ὑπ’ αὐτοῖς ἦν τὸ τρίτον τῆς στρατιᾶς, Κελτοὶ καὶ Λίγυες· τοξόται τε αὐτοῖς ἀνεμείχαστο πάντα καὶ σφενδονῆται Μαυρούσιοι τε καὶ Γυμνήσιοι. τούτων δ’ ὀπισθεν ἡ δευτέρα τάξις ἦν, Καρχηδόνιοι τε καὶ Λίβυες. τρίτοι δ’ ὅσοι ἐξ Ἰταλίας εἶποντο αὐτῷ. οἷς δὴ καὶ μάλιστα, ὡς πλέον δεδιόσιν, ἐθάρρει. ἡ δ’ ἵππος περὶ τὰ κέρατα ἦν.

[41] οὕτω μὲν Ἀννίβας ἐξέτασσε, Σκιπίωνι δ’ ἦσαν ἀμφὶ τοὺς δισμυρίους καὶ τρισχιλίους, ἵππεῖς δ’ Ἰταλῶν καὶ Ῥωμαίων χίλιοι καὶ πεντακόσιοι. συνεμάχει δὲ Μασσανάσσης ἱππεῦσι Νομάσι πολλοῖς, καὶ Δακάμας ἕτερος δυνάστης ἱππεῦσιν ἐξακοσίοις. τὸ μὲν οὖν πεζὸν ἐς τρεῖς καὶ ὅδε τάξεις ἐπέταττεν ὁμοίως Ἀννίβα, λόχους δ’ ὀρθίους ἐποιεῖτο πάντας, ἵνα δι’ αὐτῶν οἱ ἱππεῖς εὐχερῶς διαθέοιεν. ἐφίστη δ’ ἐκάστῳ λόχῳ προμάχους κατὰ μέτωπον, οἱ ξύλα παχέα διπήχη μάλιστα, πυκνὰ καὶ τὰ πολλὰ αὐτῶν σεσιδηρωμένα, ἔμελλον ὡς καταπέλτας ἐκ χειρὸς ἐς τοὺς ἐλέφαντας ἐπιόντας ἀφήσειν. παρήγγελλτο δ’ αὐτοῖς τε καὶ τοῖς ἄλλοις πεζοῖς ἐκκλίνειν τὴν ὁρμὴν τῶν θηρίων, καὶ περιθέοντας ἀκοντίζειν ἐς αὐτὰ συνεχῶς, καὶ προσπελάζοντας, ὅτε δύναιτο, ὑποτέμνειν τὰ νεῦρα. οὕτω μὲν οἱ πεζοὶ διετετάχαστο τῷ Σκιπίωνι· τοὺς δ’ ἱππέας τοὺς μὲν Νομαδικοὺς ἐπέστησε τοῖς κερασιν, εἰθισμένους τὴν τῶν ἐλεφάντων ὄψιν καὶ ὁδὸν φέρειν, τοὺς δὲ Ἰταλικοὺς διὰ τὸ ἄηθες ὀπίσω πάντων, ἐτοίμους ἐπελθεῖν διὰ τῶν διαστημάτων, ὅτε τὴν πρῶτην τῶν ἐλεφάντων ὁρμὴν ὑπομείναιαν οἱ πεζοί. παρ’ ἑκαστον δὲ τῶν ἱππέων τῶνδε ὑπὲρ τῆς ἦν πολλὰ ἀκόντια φέρων, οἷς ἐπενόει τὰ θηρία ἀμύνεσθαι. οὕτω μὲν αὐτῷ καὶ ἡ ἵππος εἶχε, παρεδίδου δὲ τὸ μὲν δεξιὸν Λαιλίῳ, τὸ δὲ λαὶον Ὀκταουίῳ. ἐν δὲ τοῖς μέσοις ἦσθην αὐτός τε καὶ Ἀννίβας, κατὰ δόξαν ἀλλήλων, ἔχοντες ἀμφ’ αὐτοὺς ἱππέας, ἐπικουρεῖν ὅπῃ τι

πονούμενον ἰδοιεν, ὁ μὲν Ἀννίβας τετρακισχίλιους, ὁ δὲ Σκιπίων δισχιλίους, καὶ τοὺς τριακοσίους Ἰταλοὺς οὓς αὐτὸς ὥλισεν ἐν Σικελίᾳ.

[42] ἐπεὶ δὲ ἔτοιμα ἦν αὐτοῖς, ἐπέτρεχε τοὺς ἰδίους ἐπισπέρχων ἐκάτερος, ὁ μὲν Σκιπίων τοὺς θεοὺς κατακαλῶν ἐν ὄψει τῶν στρατευομένων, ἐς οὓς οἱ Καρχηδόνιοι παρεσπονθήκεσαν ὡς ἂν ἐλθόντες τὰ συγκείμενα, καὶ τὴν στρατιὰν ἀξιῶν μὴ ἐς τὸ πλῆθος τῶν πολεμίων ἀφορᾶν, ἀλλ' ἐς τὴν ἀρετὴν αὐτῶν, ἣ καὶ πρότερον τῶνδε τῶν ἐχθρῶν πλειόνων ὄντων ἐπεκράτησαν ἐν τῇδε τῇ γῇ. εἰ δ' ἔστι καὶ τοῖς νικήσασιν ἐπὶ τῷ μέλλοντι φόβος ἢ δέος ἢ ἀμφιβολία, πόσω ταῦτα τοῖς νενικημένοις πλεονάζειν ἀνάγκη. οὕτω μὲν ὁ Σκιπίων ἠρέθιζε τε καὶ παρηγόρει τῆς ὀλιγότητος· ὁ δ' Ἀννίβας τῶν τε ἐν Ἰταλίᾳ γεγονότων ἔργων ὑπεμίμνησκεν αὐτούς, ὥς λαμπρὰ καὶ μεγάλα πράξειαν, οὐκ ἐπὶ Νομάσιν ἀλλ' ἐπὶ πᾶσιν Ἰταλοῖς κατὰ τὴν Ἰταλίαν, καὶ τὴν ὀλιγότητα τῶν ἐχθρῶν αὐτόθεν ἐστὼς ἐπεδείκνυε, καὶ παρεκάλει μὴ χεῖρους ὀλιγωτέρων ἐν οἰκείᾳ γῇ πλέονας ὄντας ὀφθῆναι. τὸν δὲ κίνδυνον τοῦ παρόντος ἀγῶνος καὶ τὸ μέγεθος ἐκάτερος τοῖς ἰδίοις ὑπερεπῆρεν, Ἀννίβας μὲν ὅτι Καρχηδόνα καὶ Λιβύην ἅπασαν ὁ ἀγὼν ὅδε κρινεῖ, ἡ δούλην εὐθύς ἡσσωμένων εἶναι, ἢ ἐς τὸ ἔπειτα ἄρχειν ἀπάντων ὧν ἐπεκράτουσιν, Σκιπίων δ' ὅτι νικωμένοις μὲν οὐδ' ἀναχώρησις ἔστιν ἀσφαλῆς, ἐπικρατοῦσι δὲ ἀρχὴ μεγάλη προσγίγνεται καὶ ἀνάπαυλα πόνων τῶν παρόντων καὶ ἐς τὰ οἰκεία ἀπόπλους καὶ ἐς τὸ μέλλον εὐκλεία.

[43] οὕτω παροξύνας τοὺς ἰδίους ἐκάτερος ἐς τὸν ἀγῶνα συνήεσαν, Ἀννίβας μὲν σαλπίγγων κατάρξας, Σκιπίων δ' ἀντηγεῖν κελεύσας. συνιόντων δ' αὐτῶν οἱ μὲν ἐλέφαντες κατήρχον τῆς μάχης, ἐς τὸ φοβερώτατον ἐσκευασμένοι καὶ τοῖς κέντροις ἐξοτρυνόμενοι πρὸς τῶν ἐπικαθημένων· περιθέοντες δ' αὐτούς οἱ Νομάδες ἵππεῖς ἐσηκόντιζον ἀθρόως, μέχρι τρωθέντας τε καὶ φεύγοντας καὶ δυσπειθῶς ἤδη ἔχοντας ἀπήγαγον ἐκ τῆς μάχης οἱ ἐπιβάται. καὶ τότε μὲν ἦν περὶ τοὺς ἀμφὶ τὰ κέρατα ἐλέφαντας· οἱ δ' ἐν μέσῃ τῇ φάλαγγι τοὺς Ῥωμαίων πεζοὺς κατεπάτουν, ἀπείρους τε μάχης τοιαύσδε ὄντας καὶ βαρεῖς ὑπὸ τῆς ὀπλίσεως, καὶ παρ' αὐτὸ φεύγειν εὐκόλως ἢ διώκειν οὐ δυναμένους, ἕως ὃ Σκιπίων τοὺς ἱππέας τοὺς Ἰταλικούς, ὀπίσω τεταγμένους καὶ κουφότερον ἐσκευασμένους, ἐπαγαγὼν ἀποβῆναι τῶν ἵππων ταρασσομένων ἐκέλευσε, καὶ τοὺς ἐλέφαντας περιθέοντας ἐσακοντίζειν. πρῶτός τε αὐτὸς ἀποβάς ἔτρωσε τὸν προπηδῶντα τῶν ἐλεφάντων. θαρρησάντων δὲ τῶν ἄλλων, καὶ τιρωσκότων ἤδη πανταχόθεν αὐτούς, καὶ οἶδε ὑπεχώρουν.

[44] καὶ γενομένης τῆς μάχης καθαρᾶς θηριων, ὁ ἀγὼν ἐγίγνετο μόνων ἀνδρῶν τε καὶ ἵππων. τὸ μὲν οὖν δεξιὸν τὸ Ῥωμαίων, οὗ Λαίλιος ἐπεστάτει, τρέπεται τοὺς ἐναντίους Νομάδας, Μασσανάσσου βαλόντος αὐτῶν τὸν δυνάστην Μασσάθην· ὁξέως δ' αὐτούς ὁ Ἀννίβας ἐπιδραμὼν συνέτασσε τὴν μάχην. τὸ δὲ λαιόν, ἔνθα Ῥωμαίων μὲν Ὀκτάουιος ἐπεστάτει, τῶν δὲ πολεμίων Κελτοὶ καὶ Λίγυες ἦσαν, ἐπὶ μάλα καρτερῶς ἐκάτεροις. καὶ Σκιπίων μὲν ἔπεμπε Θέρμον τὸν χιλιάρχον ἐπικουρεῖν μετ' ἐπιλέκτων· Ἀννίβας δ' ἐπεὶ τὸ λαιὸν συνέστησεν, ἐς τοὺς Λίγυας καὶ Κελτοὺς μεθίππευεν, ἐπάγων ἅμα τὴν δευτέραν τάξιν Καρχηδονίων τε καὶ Λιβύων. κατιδὼν δ' αὐτὸν ὁ Σκιπίων ἀντιπαρήγε μεθ' ἑτέρου στίφους. δύο δὲ

στρατηγῶν ἀρίστων ἐς ἀγῶνα συνιόντων, ἕρις ἦν τῶν ὑφ' ἑκατέρῳ λαμπρὰ καὶ δέος, καὶ προθυμίας οὐδετέροις τι ἐνέλιπε, σφοδροῦ καὶ ὀξέος ὄντος πόνου τε καὶ παρακελεύσεως.

[45] μακρᾶς δὲ καὶ ἀκρίτου τῆς μάχης οὔσης, οἱ στρατηγοὶ τοὺς κάμνοντας ἐλεοῦντες ὥρμων ἐπ' ἀλλήλους ὡς ἐν σφίσι τῆς κρίσεως ταχύτερας ἐσομένης. καὶ ἠκόντισαν ὁμοῦ, Σκιπίων μὲν Ἀννίβου τὴν ἀσπίδα, ὁ δ' Ἀννίβας ἔτυχε τοῦ ἵππου. καὶ ὁ ἵππος ὑπὸ τῆς πληγῆς ἐξέφερεν ὀπίσω τὸν Σκιπίωνα, μέχρι περιβάς ἕτερον ἵππον αὐθις ἐς τὸν Ἀννίβαν ἠκόντισεν. ἀλλ' ἀπέτυχεν αὐτοῦ καὶ τότε, τὸν δὲ ἱππέα τὸν ἐγγὺς ἔβαλεν. ἦκε δ' ἐν τούτῳ καὶ Μασσανάσσης πυθόμενος. καὶ οἱ Ῥωμαῖοι τὸν στρατηγὸν ὀρῶντες στρατιωτικῶς σφῶν ὑπερμαχόμενον, καρτερώτερον τοῖς πολεμίοις ἐνέπεσον καὶ ἐτρέψαντο καὶ φεύγοντας ἐδίωκον· οὐδὲ παριππεύοντος αὐτοῖς τοῦ Ἀννίβου καὶ δεομένου στήναι καὶ τῆς μάχης αὐθις ἐς πείραν ἔλθειν ἔτι ἐπείθοντο. ἀπογνόνους οὖν αὐτῶν ὁ Ἀννίβας τοὺς ἐξ Ἰταλίας οἱ συνελθόντας, ἐφεδρεύοντας ἔτι καὶ ἀτρεμοῦντας, ἤγεν ἐπὶ τὴν μάχην, ἐλπίσας Ῥωμαίοις ἄτε διώκουσιν ἀσυντακτοτέροις ἐπιπεσεῖσθαι. οἱ δὲ τὸ ἐνθῦμημα αὐτοῦ θεασάμενοι, μετὰ σπουδῆς ἀλλήλους ἐκ τῆς διώξεως ἀνεκάλουν, καὶ συνετάσσοντο αὐθις ἐς μάχην. οὔτε δὲ ἵππων σφίσι παρόντων οὔτε ἀκοντίων ἔτι ὄντων, ξίφεσιν ἐς ἀλλήλους ἐχρῶντο καὶ συνεπλέκοντο. φόνος τε ἦν πολὺς ἐνθάδε μάλιστα καὶ τραύματα μέγιστα, καὶ πιπτόντων στόνος καὶ ἀναιρούντων μεγαλαυχία, μέχρι ποτὲ καὶ τούσδε ἐτρέψαντο οἱ Ἰταλοὶ καὶ φεύγουσιν εἶποντο, κρίσις τε ἦν λαμπρὰ τοῦ πολέμου.

[46] καὶ ὁ Ἀννίβας ἐν τῇ φυγῇ θεασάμενος ἱππέων Νομάδων πλῆθος συνεστῶς, προσδραμὼν ἡξίου μὴ προλιπεῖν αὐτόν, καὶ πείσας ἐπῆγε τοῖς διώκουσιν, ἐλπίσας ἐργάσεσθαι τινα παλινδιώξιν. πρώτοις δὲ Μασσυλίοις ἐντυχὼν ἐμάχετο, καὶ μόνος ἦν ἔτι οὗτος ὁ ἀγὼν Μασσανάσσου καὶ Ἀννίβου συνεστῶτων. φερομένων δὲ καὶ τῶνδε ἐπ' ἀλλήλους ὑπὸ προθυμίας, ἐς μὲν τὴν ἀσπίδα ὁ Μασσανάσσης ἠκόντισε βαλὼν, ὁ δὲ Ἀννίβας καὶ τότε ἔτυχε τοῦ ἵππου. καὶ ὁ Μασσανάσσης ἐκπεσὼν πεζὸς ἐπὶ τὸν Ἀννίβαν ὥρμα, τόν τε ἐπελαύνοντά οἱ πρὸ τῶν ἄλλων ἱππέα βαλὼν ἀπέκτεινεν. καὶ τῶν λοιπῶν τὰ ἀκόντια ἐς τὸν ἐλεφαντιστὴν ἐκδεχόμενος, ἐν τῶν ἐμπεπηγότων ἐξεῖλε, καὶ ἀκοντίσας ἐς τὸν Ἀννίβαν αὐθις οὐδ' ὥς ἐπετύγχανεν, ἀλλὰ τὸν ἐγγὺς ἱππέα καὶ ὃδε ἀπέκτεινεν. ἕτερον δ' ἐξέλκων ἐς τὸν βραχίονα ἐτρώθη, καὶ ὑπεχώρησεν ἐκ τῆς μάχης ἐπ' ὀλίγον. Σκιπίων δὲ πυθόμενος ἔδεισε περὶ τῇ Μασσανάσσει, καὶ ἐς τὸ ἔργον ἠπείγετο· καὶ ἤρρε τὸν Μασσανάσσην ἐς τὴν μάχην αὐθις ἐπὶ ἵππου φερόμενον ἐτέρου, τὸ τραῦμα ἐπιδήσαντα. ὁ τε ἀγὼν ἦν ἴσος αὐθις αὐτοῖς καὶ πάνυ καρτερός, αἰδουμένων τοὺς στρατηγούς ἑκατέρων, ἕως ὁ Ἀννίβας ἐπὶ τινος λόφου θεασάμενος Ἴβηρας καὶ Κελτοὺς συνεστῶτας ἐξίππευσεν ὡς κἀκείνους ἐπάξων. τότε γὰρ οἱ μαχόμενοι, τῆς μὲν αἰτίας οὐ συνιέντες, τὴν δ' ἀποχώρησιν αὐτοῦ φυγὴν ὑπολαβόντες εἶναι, τὸν ἀγῶνα μεθῆκαν ἐκόντες καὶ ἔφυγον ἀκόσμως, οὐχ ἥτερ ἐώρων Ἀννίβαν, ἀλλ' ὅπῃ τύχοιεν ἕκαστοι. καὶ οἱ μὲν οὕτω διελύθησαν, Ῥωμαῖοι δ' αὐτούς, ὡς τετελεσμένης τῆς μάχης, ἐδίωκον ἀτάκτως, οὐδ' αὐτοὶ τῆς Ἀννίβου προαιρέσεως συνιέντες.

[47] ὁ δ' ἐπανήει πεφραγμένος Ἰβηρσι καὶ Κελτοῖς ἀπὸ τοῦ λόφου. καὶ ὁ Σκιπίων αὐθις ἐκ τῆς διώξεως τοὺς Ῥωμαίους ἀνεκάλει μετὰ σπουδῆς, καὶ παρέτασσε πολὺν πλείονας τῶν ἀπὸ τοῦ λόφου καταβεβηκότων: ὅθεν αὐτῶν οὐ δυσχερῶς περιεγίνετο. Ἀννίβας δὲ καὶ τῆσδε τῆς πείρας τελευταίας γενομένης ἀποτυχόν, ἔφευγεν ἤδη σαφῶς ἀπογνοὺς ἅπαντα. καὶ αὐτὸν ἐδίωκον ἱππεῖς ἄλλοι τε πολλοὶ καὶ Μασσανάσσης, περιώδυνος ὢν ἐκ τοῦ τραύματος, αἰεὶ τε πλησιάζων, καὶ μέγα ποιούμενος αἰχμάλωτον Ἀννίβαν ἀγαγεῖν Σκιπίωνι. τὸν δὲ νύξ ἐρρύσατο, καὶ σκότιος μετ' εἴκοσιν ἱππέων, τῶν δυνηθέντων σὺν αὐτῷ συνανῦσαι τὸν δρόμον, ἐς πόλιν κατέφυγεν ἥ ὄνομα Θῶν, ἔνθα Βρεττίων ἔγνω καὶ Ἰβήρων ἱππέας πολλοὺς ἀπὸ τῆς ἡττης συμπεφευγότας. δείσας οὖν περὶ μὲν τῶν Ἰβήρων ὡς βαρβάρων ταχυέργων, περὶ δὲ Βρεττίων ὡς Ἰταλῶν ὁμοεθνῶν Σκιπίωνι, μὴ ἐς συγγνώμην ὦν ἐξήμαρτον ἐς τὴν Ἰταλίαν, προσαγάγωσιν αὐτὸν τῷ Σκιπίωνι, λαθὼν ἐξέφυγε μεθ' ἐνὸς ἱππέως, ὃ μάλιστ' ἐπίστευεν. σταδίους δ' ἀνύσας ἐς τρισχιλίους δύο νυξί τε καὶ ἡμέραις, ἦκεν ἐς πόλιν ἐπὶ θαλάσσης Ἀδρυμητόν, ἔνθα τι μέρος ἦν αὐτῷ στρατιᾶς σιτοφυλακοῦν. περιπέμπων δ' ἐς τὰ πλησίον, καὶ τοὺς ἐκ τῆς μάχης διαφυγόντας ἀναλαμβάνων, ὅπλα καὶ μηχανήματα εἰργάζετο.

[48] Σκιπίων δε νίκην ἀριστὴν νενικηκώς, τὰ μὲν ἄχρηστα τῆς λείας ἐνεπιμπρη διαζωσάμενος αὐτός, ὥσπερ εἰώθασι Ῥωμαίων οἱ στρατηγοί, χρυσίου δ' ἐς Ῥώμην τάλαντα δέκα καὶ ἀργυρίου δισχίλια καὶ πεντακόσια καὶ ἐλέφαντα εἰργασμένον καὶ τοὺς ἐπιφανεῖς τῶν αἰχμαλώτων ἔπεμπε, καὶ Λαίλιον ἐξαγγελοῦντα περὶ τῆς νίκης, ἐπὶ νεῶν . . , τὰ δὲ λοιπὰ ἀποδόμενος τὴν τιμὴν ἐπιδιεῖλε τῷ στρατῷ, καὶ δῶρα τοῖς ἀριστεύουσιν ἐδίδου, καὶ Μασσανάσσην ἐστεφάνου καὶ τότε. καὶ τὰς πόλεις ἐπιὼν ἐχειροῦτο. τὸ μὲν δὴ τέλος τῆς Ἀννίβου τε καὶ Σκιπίωνος ἐν Λιβύῃ μάχης, τότε πρῶτον ἀλλήλοις ἐς χεῖρας ἐλθόντων, τοῦτ' ἦν, ἀπέθανον δὲ Ῥωμαίων μὲν δισχιλίοι καὶ πεντακόσιοι, Μασσανάσσου δ' ἔτι πλείονες, καὶ τῶν πολεμίων δισμύριοι καὶ πεντακισχίλιοι. αἰχμάλωτοι δ' ἐλήφθησαν ὀκτακισχίλιοι καὶ πεντακόσιοι. καὶ Ἰβηρες ἠὲ τομόλησαν πρὸς Σκιπίωνα τριακόσιοι, καὶ Νομάδες πρὸς Μασσανάσσην ὀκτακόσιοι.

[49] οὐπῶ δὲ οὔτε Καρχηδόνιοι τῶνδε οὔτε Ῥωμαῖοι πυθόμενοι, οἱ μὲν ἐπέστελλον Μάγωνι, ξενολογοῦντι ἔτι Κελτοὺς, ἐσβαλεῖν ἐς τὴν Ἰταλίαν, εἰ δύναιτο, ἢ ἐς Λιβύην μετὰ τῶν μισθοφόρων καταπλεῦσαι, οἱ δέ, τῶνδε τῶν γραμμάτων ἀλόντων καὶ ἐς Ῥώμην κομισθέντων, στρατιὰν ἄλλην καὶ ἵππους καὶ ναῦς καὶ χρήματα ἔπεμπον τῷ Σκιπίωνι. ὁ δὲ ἤδη τῇ Καρχηδόνι κατὰ μὲν τὴν γῆν ἐπέπεμπεν Ὀκτάουιον, ταῖς δὲ ναυσὶν αὐτὸς ἐπέπλει. καὶ οἱ Καρχηδόνιοι τὴν ἡσσαν Ἀννίβου πυθόμενοι, πρέσβεις ἐπὶ κελητίου προσέπεμπον τῷ Σκιπίωνι, ὃν ἡγοῦντο Ἄνων τε ὁ μέγας λεγόμενος καὶ Ἀσδρούβας ὁ ἔριφος: οἱ τὸ κηρύκειον ὑψηλὸν ἔστησαν ἐπὶ τῆς πύρας, καὶ τὰς χεῖρας ὠρεγον ἐς τὸν Σκιπίωνα ἱκετῶν τρόπον. ὁ δὲ αὐτοὺς ἐκέλευσεν ἤκειν ἐς τὸ στρατόπεδον καὶ ἐλθοῦσιν ἐφ' ὑψηλοῦ προκαθήμενος ἐχρημάτιζεν. οἱ δὲ μετ' οἰμωγῆς ἑαυτοὺς ἐρρίπτουν ἐς τὸ ἔδαφος, καὶ τῶν ὑπηρετῶν ἀνιστάντων καὶ λέγειν κελεύοντων ὃ τι θέλοιεν, Ἀσδρούβας ὁ ἔριφος εἶπεν:

ἐμοὶ μὲν ἔστιν, ὃ Ῥωμαῖοι, καὶ Ἄννωνι τῷδε, καὶ ὅσοι Καρχηδονίων ἔμφορες, καθαρεύειν ἁμαρτημάτων ὧν ἡμῖν ἐπικαλεῖτε: τοὺς γὰρ πρέσβεις ὑμῶν, ἐς οὓς ἐξήμαρτεν ἡ πατρίς ἄκουσα ὑπὸ λιμοῦ, περιεσώζομεν καὶ πρὸς ὑμᾶς ἐπέμπομεν. χρή δ' ὑμᾶς μηδὲ Καρχηδονίων καταγιγνώσκειν ἀπάντων, οἳ γε τὴν εἰρήνην καὶ πρότερον ἤτησαν καὶ λαβόντες προθύμως ὤμνουν. εἰσὶ δ' αἱ πόλεις ἐπὶ τὸ χεῖρον εὐεπίστρεπτοι, καὶ τὸ πρὸς χάριν αἰετὰ παρὰ τοῖς πλήθεσιν ἐπικρατεῖ. ἃ καὶ ἡμεῖς ἐπάθομεν, οὔτε πείσαι δυνηθέντες τὸ πλήθος οὐτ' ἐπισχεῖν διὰ τοὺς ἐκεῖ μὲν διαβάλλοντας ἡμᾶς, παρὰ δὲ ὑμῖν τὴν παρρησίαν ἀφηρημένους. μὴ δὲ ἀπὸ τῆς ὑμετέρας εὐπειθείας ἢ εὐβουλίας, ὃ Ῥωμαῖοι, τὰ παρ' ἡμῖν κρίνετε, ἀλλ' εἴ τῳ καὶ τὸ πεισθῆναι τοι ἢ ἐπιτρίβουσιν ἀδίκημα εἶναι δοκεῖ, τὸν λιμὸν ἐπίδεσθε, καὶ τὴν ἀνάγκην ἣ γέγονεν ἡμῖν ὑπὸ τοῦ πάθους. οὐ γὰρ δὴ τῶν αὐτῶν ἔργον ἐκούσιον ἦν ἄρτι μὲν περὶ εἰρήνης παρακαλεῖν, καὶ χρήματα τοσαῦτα διδόναι, καὶ τῶν νεῶν τῶν μακρῶν πλὴν ὀλίγων ἀφίστασθαι, καὶ τὸ πολὺ τῆς ἀρχῆς ὑμῖν παριέναι, καὶ περὶ τῶνδε ὁμνῦναι τε καὶ ὀρκοῦν πέμψαντας ἐς Ῥωμην, ἔτι δ' ὄντων τῶν ὑμετέρων πρέσβεων παρ' ὑμῖν ἐκόντας ἁμαρτεῖν. ἀλλὰ μάλιστα μὲν θεῶν τις ἔβλαψε, καὶ ὁ χειμὼν ὁ τὴν ἀγορὰν ὑμῶν ἐς Καρχηδόνα καταγαγών: ἐπὶ δὲ τῷ χειμῶνι ὁ λιμὸς ἡμᾶς ἀφείλετο μὴ καλῶς ὑπὲρ τῶν ἀλλοτρίων φρονῆσαι, πάντων ἐνδεεῖς ὄντας. οὐδὲ λογισμὸν αἰτεῖν ἄξιον παρὰ πλήθους ἀσυντάκτου καὶ ἀτυχοῦντος.

[51] εἰ δὲ καὶ ὥς ἀδικεῖν ὑμῖν δοκοῦμεν, οὐκ ἀτυχεῖν, ὁμολογοῦμεν, καὶ δι' αὐτὸ καὶ παρακαλοῦμεν. ἔστι δὲ τῶν μὲν οὐδὲν ἁμαρτόντων δικαιολογία, τῶν δ' ἁμαρτόντων παράκλησις. ἐφ' ἣ ταχύτερός ἐστιν ὁ τῶν εὐτυχοῦντων ἔλεος, τὰ ἀνθρώπεια ὑφορωμένων, ὅταν αἰσθωνται διὰ τὰς αἰφνιδίους μεταβολὰς παρακαλοῦντας τοὺς ἐχθρὸς ἀδικεῖν δυναμένους. οἷα καὶ ἡ Καρχηδονίων πόλις, ἡ τῆς Λιβύης μεγίστη καὶ δυνατωτάτη ναυσὶ καὶ χρήμασιν ὁμοῦ καὶ ἐλέφασσι καὶ στρατῷ πεζῷ τε καὶ ἰππικῷ, καὶ ὑπηκόοις πολλοῖς, ἑπτακοσίοις ἔτεσιν ἀνθήσασα, καὶ Λιβύης πάσης καὶ ἄλλων ἐθνῶν καὶ νήσων καὶ θαλάσσης τοσῆσδε ἄρξασα, καὶ ὑμῖν αὐτοῖς ἐς ἀμφήριστον ἐπὶ πλεῖστον ἐλθοῦσα, νῦν οὐκ ἐν τῇ θαλάσσῃ καὶ ταῖς ναυσίν, οὐδ' ἐν τοῖς ἐλέφασσι καὶ ἵπποις, οὐδ' ἐν τοῖς ὑπηκόοις, ὧν πάντων ὑμῖν ἀφίσταται, τὴν ἐλπίδα τῆς σωτηρίας, ἀλλ' ἐν αὐτοῖς ὑμῖν ἔχει τοῖς προπεπονηόσι κακῶς. ἃ χρή θεωροῦντας ὑμᾶς, καὶ τὴν ἐπ' αὐτοῖς νέμεσιν φυλασσομένους, μετριοπαθῶς χρῆσθαι ταῖς εὐπραξίαις, καὶ τῆς σφετέρας αὐτῶν, ὃ Ῥωμαῖοι, μεγαλοφροσύνης καὶ τῆς Καρχηδονίων ποτὲ τύχης ἄξια πράσσειν, τὰς τε τοῦ δαιμονίου μεταβολὰς ἀνεπιφθόνως ἐν ταῖς ὑμετέραις συμφοραῖς διατίθεσθαι, ἵνα καὶ πρὸς τοὺς θεοὺς ἀναμάρτητα ἦ τὰ ὑμέτερα ὑμῖν, καὶ πρὸς ἀνθρώπους ἀξιεπαινα πάντα.

[52] οὐ γὰρ δὴ μὴ μετάθωνται γε καὶ νῦν οἱ Καρχηδόνιοι δέος ἔστιν, οἳ τοσὴνδε μετάνοιαν καὶ δίκην τῆς πρὶν ἀγνωμοσύνης ὑφίστανται. ἔστι δ' ἀναμαρτησίας τοῖς μὲν σώφροσιν ἢ εὐβουλία φυλακή, τοῖς δ' ἁμαρτοῦσι τὸ προπαθεῖν καὶ μεταγῶναι. βεβαιότερους τε εἰκὸς ἐστὶ τοὺς νενουθετημένους εἶναι τῶν ἀπειράτων. οὐδ' ἄξιον Καρχηδονίοις ὑμᾶς ὁμότητα καὶ ἁμαρτίαν ἐπικαλοῦντας ταῦτα μιμεῖσθαι: τοῖς γὰρ ἀτυχοῦσιν ἐτέρων ἁμαρτημάτων ἄρχουσιν ὑπὸ τῆς ἀπορίας αἱ συμφοραί, τοῖς δ' εὖ πράσσουσιν ἐν ἐξουσίᾳ τὸ

[53] τοσαῦτ' εἰπὼν ὁ ἔριφος ἐπέκλαυσεν. ὁ δὲ Σκιπίων μετασυστάμενος αὐτοὺς ἐβουλεύετο μετὰ τῶν ἀρίστων ἐπὶ πολὺ. ὥς δ' ἔκρινεν, ἐσκαλέσας αὐτοὺς ἔλεγεν ὧδε:

ἐστὲ μὲν οὐδεμιᾶς συγγνώμης ἄξιοι, πολλάκις ἐς σπονδὰς ἡμῶν ὑβρίσαντες, καὶ τὰ τελευταῖα νῦν καὶ ἐς πρεσβείας ἀμαρτόντες οὕτω φανερώς καὶ ἀθεμίτως ὥς μήτε ἐξαρνεῖσθαι μήτε ἀντιλέγειν ὅτι μὴ τῆς ἐσχάτης ἐστὲ τιμωρίας ἄξιοι. τί δὲ δεῖ κατηγορεῖν τῶν ὁμολογούντων; ἐς ἱκεσίας καταφεύγετε οἱ μὴδ' ὄνομα Ῥωμαίων ὑπολιπόντες ἂν, εἰ ὑμεῖς ἐκρατήσατε. ἀλλ' ἡμεῖς μὲν οὐδέ ποθ' ὑμῖν ὅμοια ποιήσομεν, ἐπεὶ καὶ τοὺς πρέσβεις ὑμῶν, ἔτι ὄντας ἐν Ῥώμῃ, παρεσπονδηκότων ὑμῶν καὶ ἐς πρέσβεις ἀμαρτόντων, ἢ τε πόλιν ἀπέλυσεν, καὶ γὰρ καταχθέντας ἐς τὸ στρατόπεδον πρὸς ὑμᾶς ἤδη πολεμοῦντας ἀπέπεμψα ἀπαθεῖς. χρεὶ δ' ὑμᾶς καταγινώσκοντας αὐτῶν, ὅ τι ἂν λάβητε, κέρδος ἡγεῖσθαι. λέξω δ' ἃ μοι δοκεῖ, καὶ ἡ σύγκλητος ἐπιψηφιεῖ ἃ ἂν δοκιμάσῃ.

[54] δίδομεν ὑμῖν καὶ ἔτι τὴν εἰρήνην, ὃ Καρχηδόνιοι, ἣν τάς τε ναῦς τὰς μακρὰς παραδιδῶτε Ῥωμαίοις χωρὶς δέκα μόνων, καὶ τοὺς ἐλέφαντας ὅσους ἔχετε, καὶ ὅσα ἡρπάσατε πρόην, ἢ τῶν ἀπολωλότων τιμὴν, ἐμοῦ τὰ ἀμφίβολα κρίνοντος, καὶ αἰχμάλωτα πάντα καὶ αὐτομόλους, καὶ ὅσους Ἀννίβας ἐξ Ἰταλίας ἤγαγεν. ταῦτα μὲν ἐν τριάκοντα ἡμέραις ἀφ' οὗ ἂν ἡ εἰρήνη κριθῇ: ἐν δ' ἐξήκοντα ἡμέραις Μάγωνα χρεὶ Λιγύων ἀποστῆναι, καὶ τὰς φρουράς ὑμᾶς ἐξαγαγεῖν ἐκ τῶν πόλεων ὅσαι τῶν Φοινικίδων τάφρων ἐκτός εἰσι, καὶ ὅσα αὐτῶν ἔχετε ὄμηρα, ἀποδοῦναι, καὶ ἐς Ῥώμην ἐκάστου ἔτους ἀναφέρειν Εὐβοϊκὰ τάλαντα διακόσια ἐπὶ πεντήκοντα ἐνιαυτούς. καὶ μήτε ξενολογεῖν ἀπὸ Κελτῶν ἢ Λιγύων ἔτι, μήτε Μασσανάσῃ μηδὲ ἄλλῳ Ῥωμαίων φίλῳ πολεμεῖν, μηδὲ στρατεύειν τινὰ Καρχηδονίων ἐπ' ἐκείνους ἀπὸ γε τοῦ κοινοῦ. τὴν δὲ πόλιν ὑμᾶς ἔχειν, καὶ τὴν χώραν ὅσῃν ἐντὸς τῶν Φοινικίδων τάφρων εἴχετε ἐμοῦ διαπλέοντος ἐς Λιβύην. Ῥωμαίων τε εἶναι φίλους καὶ συμμάχους κατὰ γῆν καὶ κατὰ θάλασσαν, ἣν ἀρέσκη ταῦτα τῇ βουλῇ. ἀρεσάντων δέ, Ῥωμαίους ἀναχωρεῖν ἐκ Λιβύης πεντήκοντα καὶ ἑκατὸν ἡμέραις. ἀνοχὰς δὲ ἣν ἐθέλῃτε λαβεῖν ἔστε πρεσβεύσητε ἐς Ῥώμην, δώσετε μὲν ἡμῖν αὐτίκα ὄμηρα πεντήκοντα καὶ ἑκατὸν παῖδας, οὓς ἂν αὐτὸς ἐπιλέξωμαι, δώσετε δὲ ἐς δαπάνην τῇ στρατιᾷ ἄλλα τάλαντα χίλια καὶ ἀγοράν. καὶ γενομένων τῶν σπονδῶν ἀπολήψεσθε τὰ ὄμηρα.

[55] ταῦτα τοῦ Σκιπίωνος εἰπόντος οἱ μὲν πρέσβεις ἔφερον ἐς Καρχηδόνα τοὺς λόγους, συνιόντος δὲ τοῦ πλήθους ἐς ἐκκλησίαν ἐπὶ πολλὰς ἡμέρας, τοῖς μὲν ἀρίστοις ἐδόκει τὰ προτεινόμενα δέξασθαι καὶ μὴ περὶ τινῶν ἀπειθοῦντας

[56] οἱ δὲ Καρχηδόνιοι πυθόμενοι σῖτον πολὺν ἐς ἐμπόριόν τι ὑπὸ Ἀννίβου σεσωρεῦσθαι, ὁλκάδας ἐπ' αὐτὸν ἐξέπεμπον καὶ ναὺς μακράς, ἐγνωκότες, εἰ τὸν σῖτον λάβοιεν, ἐκστρατεῦσαι καὶ ὑπομεῖναι πᾶν ὃ τι ἂν ἡ τύχη κρίνῃ, μᾶλλον ἢ Ῥωμαίοις δουλεύειν ἐκόντες. ἐπεὶ δὲ ἄνεμός τε καὶ χειμῶν τὰς ναὺς συνέτριψαν, ἀπογνόντες ἀπάντων ἐμέμφοντο τοῖς θεοῖς ὡς ἐπιβουλεύουσι, καὶ συνετίθεντο τῷ Σκιπίωνι, καὶ ἐπρεσβεύοντο ἐς Ῥώμην. καὶ ὁ Σκιπίων ἔπεμπε τοὺς συμβουλευσοντας κυροῦν τὰ συγκεκριμένα. λέγεται δὲ τοῦτο ἐσηγήσασθαι τῇ τε πόλει συμφέρειν ὑπολαβόν, καὶ πυθόμενος Γναῖον Κορνήλιον Λέντλον τὸν ὕπατον ἐφεδρεῦειν αὐτοῦ τῇ στρατηγίᾳ, τὴν δόξαν οὐκ ἐθέλων ἐτέρου γενέσθαι. προσέταξε γοῦν λέγειν ἀπιοῦσιν ὅτι βραδυνόντων Ῥωμαίων αὐτὸς ἐφ' ἑαυτοῦ συνθήσεται.

[57] οἱ δὲ πάνυ μὲν ἥδοντο κεκρατηκότες πόλεως τοσαύτης, ἢ πολλὰ καὶ δεινὰ πρότερον αὐτοὺς ἐδεδράκει, καὶ τῶν ἐπὶ τῆς γῆς δευτέραν ἢ τρίτην εἶχεν ἡγεμονίαν: οἱ σύμβουλοι δ' ἐστασίαζον, οἱ μὲν ἔτι σὺν ὀργῇ χαλεπαίνοντες τοῖς Καρχηδονίοις, οἱ δὲ ἐλεοῦντες αὐτοὺς ἤδη, καὶ ἀξιοῦντες ἐν ταῖς ἄλλοτρίαις συμφοραῖς τὸ σφέτερον εὐπρεπῶς διατίθεσθαι. ὑπαναστὰς δέ τις τῶν Σκιπίωνος φίλων εἶπεν:

οὐ περὶ τῆς Καρχηδονίων σωτηρίας ἐστὶν ἡμῖν ἡ φροντίς, ὧ ἄνδρες, ἀλλὰ περὶ τῆς Ῥωμαίων ἐς τε θεοὺς πίστεως καὶ πρὸς ἀνδρῶν εὐφημίας, μὴ Καρχηδονίων αὐτῶν ὁμότερα πράξωμεν, οἱ Καρχηδονίοις ὁμότητα ἐπικαλοῦμεν, καὶ μετριοπαθείας ἀεὶ φροντίσαντες ἐπὶ τῶν βραχυτέρων, ἀμελήσωμεν ἐν τοῖς μείζουσιν: ἃ μὴδὲ λαθεῖν ἔνεστι διὰ τὸ μέγεθος, ἀλλ' ἐς ἅπασαν γῆν περιελεύσεται καὶ νῦν καὶ ὕστερον, ἣν πόλιν περιώνυμον καὶ θαλασσοκράτορα ἀνέλωμεν, ἣ καὶ νήσων ἥρξε πολλῶν καὶ θαλάσσης ὅλης καὶ Λιβύης ὑπὲρ ἡμῖς, ἐν τε τοῖς πρὸς ἡμᾶς αὐτοὺς ἀγῶσι πολλὰ καὶ τύχης καὶ δυνάμεως ἔργα ἐπεδείξατο, οἷς ἔτι μὲν φιλονεικοῦσιν ἐρίζειν ἔδει, πεσόντων δὲ φείδεσθαι, καθὰ καὶ τῶν ἀθλητῶν οὐδεὶς τὸν πεσόντα ἔτι τύπτει, καὶ τῶν θηρίων τὰ πολλὰ φείδεται τῶν καταπεσόντων. καλὸν δ' ἐν τοῖς εὐτυχίμασι νέμεσιν θεῶν φυλάσσεσθαι καὶ ἀνθρώπων φθόνον. εἰ δέ τις, ὅσα ἔδρασαν ἡμᾶς, ἀκριβῶς ἐκλογίζεται, αὐτὸ μάλιστα ἐστὶ τοῦτο τῆς τύχης τὸ φοβερῶτατον, εἰ περὶ μόνης ἄρτι σωτηρίας παρακαλοῦσιν οἱ πόσα καὶ πηλίκᾳ δεδυνημένοι δρᾶσαι καὶ οὐ πρὸ πολλοῦ περὶ τε Σικελίας καὶ Ἰβηρίας καλῶς

[58] ἐγὼ δ' οὐκ ἐρῶ μὲν οὐδὲν ὑπὲρ Καρχηδονίων 'οὐ γὰρ ἄξιον, οὐδ' ἄγνοῶ καὶ πρότερον αὐτοὺς ἄλλας συνθήκας πρὸ τῶνδε παραβῆναι: ἃ δ' ἐπὶ τοῖς τοιοῦτοις ποιοῦντες οἱ πατέρες ἡμῶν ἐς τόδε τύχης προῆλθον, εἰδότας ὑμᾶς ἀναμνήσω. τῶν γὰρ γειτόνων ἡμῖν τῶνδε πάντων ἐν κύκλῳ πολλάκις ἀποστάντων καὶ σπονδὰς συνεχῶς λυσάντων οὐ κατεφρόνησαν, οὐ Λατίνων, οὐ Τυρρηνῶν, οὐ Σαβίνων. τοὺς τε αὖ μετ' ἐκείνους περιουκοῦντας ἡμῖν Αἰκανοὺς καὶ Οὐολούσκους καὶ Καμπανοὺς, καὶ ὅσα ἄλλα τῆς Ἰταλίας ἐς σπονδὰς ὕβρισεν, εὐσταθῶς ἔφερον. καὶ τὸ Σαυνιτῶν γένος τρις μὲν φιλίας καὶ συνθηκῶν καταφρονήσαν, ἔτεσι δ' ὀγδοήκοντα μεγίστους ἡμῖν πολέμους πεπολεμηκὸς οὐκ ἀνέστησαν, οὐδὲ τοὺς ἄλλους ὅσοι Πύρρον προσηγάγοντο κατὰ τῆς Ἰταλίας. οὐδ' ἡμεῖς, τὰ ἔναγχος ταῦτα, τοὺς Ἰταλῶν Ἀννίβα προσθεμένους διεφθείραμεν, οὐδὲ Βρεττίους, οἱ μέχρι τέλους αὐτῷ συνηγωνίσαντο, ἀλλὰ γῇ μόνη ζημιώσαντες εἰάσαμεν ἔχειν τὰ ὑπόλοιπα, ὥς εὐσεβὲς ὁμοῦ καὶ ἐς εὐτυχίαν ἡμῖν χρήσιμον, μὴ ἀφανίζειν ἀνθρώπων γένη μᾶλλον ἢ νουθετεῖν.

[59] τί οὖν παθόντες ἐπὶ Καρχηδονίων ἀλλάζωμεν τὴν φύσιν, ἥ χρώμενοι μέχρι νῦν εὐτυχοῦμεν; ὅτι μείζων ἐστὶν ἢ πόλις αὕτη; δι' αὐτὸ μέντοι καὶ τοῦτο μᾶλλον ἔτι φειδοῦς ἀξία. ἀλλ' ὅτι πολλάκις παρεσπόνδησεν ἐς ἡμᾶς; καὶ γὰρ ἕτεροι, καὶ σχεδὸν ἅπαντες. ἀλλ' ὅτι μικρὰν νῦν ὑφίστανται τιμωρίαν; ὧν νῆές τε πᾶσαι χωρὶς δέκα παραιροῦνται, καὶ τοὺς ἐλέφαντας, οἷς ἰσχύουσι, παραδιδόασι, καὶ τάλαντα Εὐβοϊκὰ μύρια τελοῦσι, καὶ πόλεων ἀπασῶν ἀφίστανται καὶ χώρας ὅσης ἄρχουσιν ἐκτὸς τῶν Φοινικίδων τάφρων, καὶ στρατολογεῖν αὐτοῖς ἀπηγόρευται, καὶ ὅσα λιμώττοντες ἥρπασαν ἀποδιδόασιν ἔτι λιμώττοντες, καὶ τῶν ἀμφιλόγων ἐστὶν αὐτοῖς Σκιπίων ὁ πολεμήσας κριτῆς. ἐγὼ μὲν καὶ τοῦ μεγέθους τῶνδε καὶ τοῦ πλήθους ἐπαινῶ τὸν Σκιπίωνα, καὶ ὑμᾶς ἀξιῶ φείσασθαι διὰ τὸν φθόνον καὶ τὴν τῶν ἀνθρωπείων μεταβολήν, οἷς εἰσὶν ἔτι νῆες, πρὶν συνθώμεθα, πολλαὶ καὶ πλῆθος ἐλεφάντων, καὶ Ἀννίβας στρατηγικώτατος ἀνὴρ ἤδη στρατιὰν ἔχει, καὶ Μάγων ἐκ Κελτῶν καὶ Λιγύων ἐτέρους ἄγει πολλοὺς, καὶ Οὐερμινᾶς ὁ Σύφακος αὐτοῖς συμμαχεῖ καὶ ἄλλα Νομάδων ἔθνη, δούλους τε ἔχουσι πολλοὺς. καὶ ἦν ἀπογνώσι τὰ παρ' ἡμῶν, ἀφειδῶς ἅπασι χρήσονται. χαλεπώτερον δ' οὐδὲν ἀφειδίας ἐν μάχαις, ἐν αἷς καὶ τὸ δαιμόνιον ἀνώμαλον καὶ ἐπίφθονόν ἐστιν.

[60] ἃ καὶ Σκιπίων ἔοικεν ὑφορώμενος ἐπιστεῖλαι μὲν ἡμῖν τὴν ἑαυτοῦ γνώμην, ἐπειπεῖν δ' ὅτι καὶ βραδυνόντων συνθήσεται. εἰκὸς δ' ἐκείνον καὶ τάδε ἄμεινον ἡμῶν ἐκλογίζεσθαι καὶ πλέον τι συνορᾶν, ὄντα ἐπὶ τῶν ἔργων. λυπήσομέν τε, ἀκυροῦντες αὐτοῦ τὴν παραίνεσιν, ἄνδρα φιλόπολιν καὶ στρατηγὸν ἐξαίρετον, ὃς οὐδ' ἐς Λιβύην ἡμᾶς ὁρμωμένους παρῶξυνέ τε, καὶ στρατιὰν οὐ λαβὼν αὐτῷ συνεστήσατο, καὶ τὰ ἐκεῖ προήγαγεν ἡμῖν ἐς ὅσον οὐκ ἠλπίζομεν. ὃ καὶ θαυμάζειν ἄξιον, ὅτι ῥαθύμως ἔχοντες ἐν ἀρχῇ τοῦδε τοῦ πολέμου νῦν ἔχετε φιλονείκως καὶ ἀμέτρως. εἰ δέ τις ταῦτα μὲν ἡγεῖται

καλῶς ἔχειν, δέδιδε δὲ μὴ καὶ νῦν τὰς σπονδὰς παραβῶσιν οἱ Καρχηδόνιοι, μάλιστα μὲν εἰκὸς αὐτοὺς ἤδη σπονδῶν φυλακῆς αἰσθάνεσθαι, πολλὰ ἐκ τῶν παραβάσεων παθόντας, καὶ τὴν εὐσέβειαν ἐς τὸ μέλλον ποιήσεσθαι περὶ πολλοῦ, ἐξ ἀσεβείας ἐς γόνυ πεσόντας· οὐκ ἔστι δὲ τῶν αὐτῶν συμβούλων ἄρτι μὲν καταφρονεῖν τῶν Καρχηδονίων ὥς οὐδὲν ἔτι ἰσχυόντων, δεδιέναι δ' αὖθις ὡς ἀποστῆναι δυναμένους. ἡμῖν δὲ τὸ φυλάσσειν αὐτοὺς ἐς τὸ μὴ πάλιν αὔξεσθαι τοῦ νῦν ἀνελεῖν εὐχερέστερόν ἐστι· νῦν μὲν γὰρ ἐξ ἀπογνώσεως μαχοῦνται, ὕστερον δ' αἰεὶ δεδιότας τηρήσομεν. ἄλλις δὲ κακῶν ἕξουσιν καὶ χωρὶς ἡμῶν, οἷς οἱ τε περίοικοι πάντες ἐπικείσονται δυσμεναίνοντες τῆς ποτὲ βίας, καὶ Μασσανάσσης, ἀνὴρ πιστότατος ἡμῖν, ἐφεδρεύσει παρὼν αἰεὶ.

[61] εἰ δ' ἄρα τις καὶ τῶνδε πάντων καταφρονεῖ, ὅπως δ' αὐτὸς ἐκδέξεται τὴν Σκιπίωνος ἀρχήν, τὸ ἑαυτοῦ μόνον σκοπεῖ, καὶ πιστεύει καὶ τὰ τῆς τύχης αὐτῷ ἐς τέλος ἀπαντήσιν, τί καὶ χρησόμεθα τῇ πόλει λαβόντες αὐτήν, ἣν καὶ λάβωμεν; ἀνελοῦμεν ἄρδην, ὅτι σῖτον ἡμῶν καὶ ναῦς ἤρπασαν; ἃ μετὰ πολλῶν ἄλλων ἀξιοῦσιν ἀποδοῦναι. ἢ τοῦτο μὲν οὐ πράξομεν, νέμεσιν τε θεῶν φυλασσόμενοι καὶ ψόγον ἀνθρώπων, Μασσανάσση δ' ἔχειν δώσομεν; ἀλλ' εἰ καὶ φίλος ἐστίν, οὐ χρή στερροποιεῖν οὐδ' ἐκείνον ἀμέτρως, ἡγεῖσθαι δὲ τὴν ἔριν αὐτῶν τὴν ἐς ἀλλήλους τῷ Ῥωμαίων κοινῷ συμφέρειν. ἀλλ' ἐς προσόδους τὴν χώραν ἀνήσομεν; ἀλλ' ἢ φυλάξουσα στρατιὰ τὴν πρόσοδον ἀναλώσει· πολλῆς γάρ, ὥς ἐν πολλοῖς περιοίκοις καὶ πᾶσι βαρβάροις, δεησόμεθα. ἀλλ' ἀποίκους πέμψομεν ἐς μέσους τοσοῦσδε Νομάδας; οἱ τῶν μὲν βαρβάρων ἰσχυόντων αἰεὶ δεινὰ πείσονται, ἣν δ' ἐπικρατήσωσιν αὐτῶν, ἐς τὸ μέλλον ἡμῖν ἔσονται φοβεροὶ καὶ ἐπίφθονοι, χώραν τοσὴνδε καὶ πολὺ κρείττονα τῆς ἡμετέρας ἔχοντες. ἃ καὶ αὐτά μοι δοκεῖ συνιδὼν ὁ Σκιπίων κελεύειν ἡμῖν δέχεσθαι τὰς Καρχηδονίων παρακλήσεις. πειθώμεθα οὖν καὶ τοῖς δεομένοις καὶ τῷ στρατηγῷ.

[62] ὁ μὲν οὕτως εἶπε, Πόπλιος δὲ Κορνήλιος, Κορνηλίου Λέντλου συγγενῆς τοῦ τότε ὄντος ὑπάτου καὶ τὸν Σκιπίωνα διαδέξεσθαι προσδοκῶντος, ἀντέλεγεν οὕτως:

τὸ μὲν συμφέρον ἐστὶ μόνον ἐν τοῖς πολέμοις, ὃ ἄνδρες, χρήσιμον· καὶ ὅσῳ δυνατὴν ἔτι καὶ νῦν ἀποφαίνουσιν οὗτοι τὴν πόλιν, φυλάξασθαι χρή τὴν ἀπιστίαν αὐτῆς μετὰ τῆς δυνάμεως, καὶ τὴν ἰσχὺν προανελεῖν, ἐπεὶ μὴ τὴν ἀπιστίαν δυνάμεθα. οὐδεὶς δ' ἡμῖν καιρὸς ἐς τὸ λῦσαι τὸν ἀπὸ Κάρχηδονίων φόβον ἐπιτηδειότερός ἐστι τοῦ παρόντος, ἐν ᾧ πάντων εἰσὶν ἀσθενεῖς καὶ ἄποροι, πρὶν αὖθις αὐτῶν ἐς ἐκάτερον αὐξηθῆναι. οὐ μέντοι καὶ τὸν τοῦ δικαίου λογισμὸν ἂν περιφύγοιμι, οὐδ' ἀμετρίας μοι δοκᾷ δόξαν οἴσεσθαι τὴν πόλιν ἐπὶ Καρχηδονίοις, οἱ παρὰ μὲν τὰς εὐπραξίας ἀδικοῦσι καὶ ἐνουβρίζουσιν ἐς ἅπαντας, ἐν δὲ ταῖς συμφοραῖς παρακαλοῦσιν, ἂν δὲ τύχῳσιν, εὐθύς ἐπὶ ταῖς συνθήκαις μετατίθενται. καὶ οὔτε σπονδῶν ἐστὶν αὐτοῖς αἰδὼς οὔτε λόγος ὄρκων· οὓς οὗτος ἀξιοῖ περισώζειν διὰ νέμεσιν θεῶν καὶ ἀνθρώπων φθόνον. ἐγὼ δ' αὐτοὺς ἡγοῦμαι τοὺς θεοὺς ἐς τόδε τὴν Καρχηδόνα περιενεγκεῖν, ἵνα δῶσί ποτε δίκην τῆς ἀσεβείας οἱ καὶ περὶ Σικελίαν καὶ Ἰβηρίαν καὶ Ἰταλίαν καὶ ἐν αὐτῇ τῇ Λιβύῃ, καὶ πρὸς ἡμᾶς καὶ πρὸς τοὺς ἄλλους ἅπαντας, αἰεὶ συνετίθεντο καὶ παρῶρκουν καὶ δεινὰ καὶ σχέτλια ἔδρων. ὧν τὰ ἀλλότρια

ὕμῃν πρὸ τῶν ἡμετέρων διέξειμι, ἵνα εἰδῇτε πάντας ἐφησθησομένους Καρχηδονίους, εἰ δίκην δοῖεν.

[63] οὗτοι Ζακανθαῖους, πόλιν Ἰβηρίας ἐπιφανῆ, σφίσι τε αὐτοῖς ἔνσπονδον καὶ φίλην ἡμῖν, ἥβηδὸν ἔκτειναν οὐδὲν ἀδικοῦντας. οὗτοι Νουκερίαν ὑπήκοον ἡμῶν ἐπὶ συνθήκῃ λαβόντες, καὶ ὁμόσαντες σὺν δύο ἱματίοις ἕκαστον ἀπολύσειν, τὴν μὲν βουλὴν αὐτῶν ἐς τὰ βαλανεῖα συνέκλεισαν καὶ ὑποκαίοντες τὰ βαλανεῖα ἀπέπνιξαν, τὸν δὲ δῆμον ἀπionτα κατηκόντισαν. Ἀχερραῶν δὲ τὴν βουλὴν ἐν σπονδαῖς ἐς τὰ φρέατα ἐνέβαλον, καὶ τὰ φρέατα ἐπέχωσαν. Μᾶρκόν τε Κορνήλιον ὕπατον ἡμέτερον ὄρκους ἀπατήσαντες ἤγαγον μὲν ὡς ἐπισκεψόμενον αὐτῶν τὸν στρατηγὸν ἄρρωστοῦντα, συναρπάσαντες δὲ ἀπήγαγον ἐς Λιβύην ἐκ Σικελίας αἰχμάλωτον μετὰ δύο καὶ εἴκοσι νεῶν. ἔκτειναν δὲ καὶ Ῥῆγλον αἰκισάμενοι, στρατηγὸν ἕτερον ἡμῶν, ὑπ' εὐορκίας ἐπανελθόντα πρὸς αὐτοῦς. ὅσα δ' Ἀννίβας ἢ πολεμῶν ἢ ἐνεδρεῦων ἢ παρορκῶν ἐς τε πόλεις καὶ στρατόπεδα ἡμῶν καὶ λήγων ἐς τοὺς συμμάχους ἔδρασε τοὺς αὐτοῦ, τὰς τε πόλεις πορθῶν καὶ τοὺς αὐτῶ συστρατευσαμένους κατακαίνων, μακρὸν ἂν εἴη καταλέγειν. πλὴν ὅτι τετρακόσια ἡμῶν ἀνέστησεν ἄσθη. τοὺς δ' αἰχμαλώτους ἡμῶν τοὺς μὲν ἐς τάφρους καὶ ποταμοὺς ἐμβαλόντες ὡς γεφύραις ἐπέβαινον, τοὺς δὲ τοῖς ἐλέφασιν ὑπέβαλλον, τοὺς δ' ἀλλήλοις μονομαχεῖν ἐκέλευον, ἀδελφοὺς ἀδελφοῖς συνιστάντες καὶ πατέρας υἱοῖς. τὰ δ' ἑναγχος ταῦτα, περὶ εἰρήνης ἐπρέσβευον ἐνταῦθα καὶ παρεκάλουν καὶ ὤμνουν, καὶ οἱ πρέσβεις αὐτῶν ἔτι παρήσαν, ἐν δὲ Λιβύῃ τὰς ναῦς ἡμῶν διήρπαζον καὶ τοὺς στρατιώτας κατέδεον. τοσοῦτον αὐτοῖς καὶ ἀνοίας διὰ τὴν ὁμότητα περίεστιν.

[64] τούτοις οὖν τίς ἐστὶν ἔλεος ἢ μετριοπάθεια παρ' ἐτέρων, τοῖς οὐδὲν μέτριον οὐδ' ἡμερον ἐς οὐδένας εἰργασμένοις; τοῖς, ὥσπερ ἔφη Σκιπίων, εἰ ἐλάβοντο ἡμῶν, οὐδ' ἂν ὄνομα Ῥωμαίων ὑπολιποῦσιν; ἀλλὰ πίστις ἐστὶ βέβαιος ἢ δεξιὰ. ποία; τίς σπονδὴ, τίς ὄρκος ὃν οὐκ ἐπάτησαν; τίς δὲ συνθήκη καὶ χάρις ἐς ἣν οὐχ ὕβρισαν; μὴ μιμησώμεθα, φησὶν, αὐτοῦς. τίνα γὰρ συνθήκην ἡμεῖς λύομεν οἱ μήπω τι συνθέμενοι; ἀλλὰ τὴν ὁμοτητα, φησὶν, αὐτῶν μὴ μιμησώμεθα. φίλους οὖν καὶ συμμάχους ποιησώμεθα τοὺς ὁμοτάτους; οὐδέτερα τούτων ἄξια. ἀλλ' ἐπιτρεψάτωσαν ἡμῖν αὐτοὺς νόμῳ νενικημένων, ὡς πολλοὶ σφᾶς ἐπέτρεψαν, σκεψώμεθα δ' ἡμεῖς. καὶ ὅ τι ἂν δῶμεν, εἴσονται χάριν, οὐχὶ συνθήκην νομίζοντες εἶναι. διαφέρει δὲ τούτοις ἑκάτερον ὧδε. μέχρι μὲν συντίθενται, παραβήσονται καθάπερ καὶ πάλα, πρόφασιν αἰεὶ τίνα τῶν συνθηκῶν φέροντες ὡς ἐν αὐταῖς ἡλαττωμένοι: τὰ δ' ἀμφύλογα εὐπροφάσιστα. ὅταν δὲ παραδῶσιν αὐτούς, καὶ τὰ ὅπλα παρελώμεθα, καὶ τὰ σώματα ἐφ' ἡμῖν γένηται, καὶ πεισθῶσιν ὅτι μηδὲν αὐτοῖς ἐστὶν ἴδιον, τὰ μὲν φρονήματα αὐτῶν καταβήσεται, ἀγαπήσουσι δ' ὅ τι ἂν παρ' ἡμῶν λάβωσιν ὡς ἀλλότριον. εἰ μὲν οὖν Σκιπίων ἐτέρως δοκεῖ, τὰς γνώμας ἔχετε συγκρίνειν: εἰ δὲ συνθήσεται Καρχηδονίοις χωρὶς ὑμῶν, τί καὶ ἐπέστελλεν ὑμῖν; ἐγὼ μὲν γάρ, ὡς ὑμῖν κυρίοις οὖσι περὶ τῶνδε κρῖναι, τὴν γνώμην εἶπον, ἣν νομίζω συνοίσειν τῇ πόλει.

[65] τοιαῦτα μὲν καὶ ὁ Πόπλιος εἶπεν: ἡ δὲ βουλὴ κατ' ἄνδρα παρ' ἐκάστου ψήφον ἦται, καὶ ἐς τὴν Σκιπίωνος γνώμην αἱ πλείους συνέδραμον. ἐγίνοντο

οὖν αἱ συνθῆκαι, τρίται αἶδε, Ῥωμαίοις καὶ Καρχηδονίοις πρὸς ἀλλήλους. καὶ ὁ Σκιπίων ἐς αὐτὰς ἐδόκει μάλιστα τοὺς Ῥωμαίους ἐναγαγέσθαι, εἴτε τῶν εἰρημένων οὐνεκα λογισμῶν, εἴτε ὡς ἄρκοῦν Ῥωμαίοις ἐς εὐτυχίαν τὸ μόνην ἀφελέσθαι Καρχηδονίους τὴν ἡγεμονίαν: εἰσὶ γὰρ οἱ καὶ τότε νομίζουσιν, αὐτὸν ἐς Ῥωμαίων σωφρονισμόν ἐθελῆσαι γείτονα καὶ ἀντίπαλον αὐτοῖς φόβον ἐς αἰεὶ καταλιπεῖν, ἵνα μὴ ποτε ἐξυβρίσειαν ἐν μεγέθει τύχης καὶ ἀμεριμνία. καὶ τότε οὕτω φρονῆσαι τὸν Σκιπίωνα οὐ πολὺ ὕστερον ἐξείπε τοῖς Ῥωμαίοις Κάτων, ἐπιπλήττων παρωξυμμένοις κατὰ Ῥόδου. ὁ δὲ Σκιπίων ταῦτα συνθέμενος ἐκ Λιβύης ἐς τὴν Ἰταλίαν παντὶ τῷ στρατῷ διέπλει, καὶ ἐς τὴν Ῥώμην ἐσήλανε θριαμβεῶν, ἐπιφανέστατα δὴ τῶν πρὸ αὐτοῦ.

[66] καὶ ὁ τρόπος, ᾧ καὶ νῦν ἔτι χρώμενοι διατελοῦσιν, ἐστὶ τοιόσδε. ἐστεφάνωνται μὲν ἅπαντες, ἡγούνται δὲ σαλπικταὶ τε καὶ λαφύρων ἄμαξι, πύργοι τε παραφέρονται μιμήματα τῶν εἰλημμένων πόλεων, καὶ γραφαὶ καὶ σχήματα τῶν γεγονότων, εἴτα χρυσὸς καὶ ἄργυρος ἀσήμαντός τε καὶ σεσημασμένος καὶ εἴ τι τοιουτότροπον ἄλλο, καὶ στέφανοι ὅσοις τὸν στρατηγὸν ἀρετῆς ἔνεκα ἀναδοῦσιν ἢ πόλεις ἢ σύμμαχοι ἢ τὰ ὑπ' αὐτῷ στρατόπεδα. βόες δ' ἐπὶ τοῖσδε λευκοί, καὶ ἐλέφαντες ἦσαν ἐπὶ τοῖς βουσί, καὶ Καρχηδονίων αὐτῶν καὶ Νομάδων ὅσοι τῶν ἡγεμόνων ἐλήφθησαν. αὐτοῦ δ' ἡγούνται τοῦ στρατηγοῦ ῥαβδούχοι φοινικοὺς χιτῶνας ἐνδεδυκότες, καὶ χορὸς καθαριστῶν τε καὶ τιτυριστῶν, ἐς μίμημα Τυρρηνικῆς πομπῆς, περιεζωσμένοι τε καὶ στεφάνην χρυσὴν ἐπικείμενοι: ἴσα τε βαίνουσιν ἐν τάξει μετὰ ᾧδης καὶ μετ' ὀρχήσεως. Λυδοὺς αὐτοὺς καλοῦσιν, ὅτι οἵμαί Τυρρηνοὶ Λυδῶν ἄποικοι. τούτων δέ τις ἐν μέσῳ, πορφύραν ποδῆρην περικείμενος καὶ ψέλια καὶ στρεπτὰ ἀπὸ χρυσοῦ, σχηματίζεται ποικίλως ἐς γέλωτα ὡς ἐπορχούμενος τοῖς πολεμίοις. ἐπὶ δ' αὐτῷ θυμιατηρίων πλῆθος, καὶ ὁ στρατηγὸς ἐπὶ τοῖς θυμιάμασιν, ἐφ' ἄρματος καταγεγραμμένου ποικίλως, ἔστεπται μὲν ἀπὸ χρυσοῦ καὶ λίθων πολυτίμων, ἔσταλται δ' ἐς τὸν πάτριον τρόπον πορφύραν, ἀστέρων χρυσῶν ἐνυφασμένων, καὶ σκῆπτρον ἐξ ἐλέφαντος φέρει, καὶ δάφνην, ἣν αἰεὶ Ῥωμαῖοι νομίζουσι νίκης σύμβολον. ἐπιβαίνουσι δ' αὐτῷ ἐπὶ τὸ ἄρμα παῖδές τε καὶ παρθένοι, καὶ ἐπὶ τῶν παρηόρων ἐκατέρωθεν ἦθεοι συγγενεῖς. καὶ παρέπονται ὅσοι παρὰ τὸν πόλεμον ἦσαν αὐτῷ γραμματεῖς τε καὶ ὑπηρέται καὶ ὑπασπισταί. καὶ μετ' ἐκείνους ἡ στρατιὰ κατὰ τε ἵλας καὶ τάξεις, ἐστεφανωμένη πᾶσα καὶ δαφνηφοροῦσα: οἱ δὲ ἀριστεῖς καὶ τὰ ἀριστεῖα ἐπὶκείνται. καὶ τῶν ἀρχόντων οὓς μ ἐν ἐπαινοῦσιν, οὓς δὲ σκώπτουσιν, οὓς δὲ ψέγουσιν: ἀφελὴς γὰρ ὁ θρίαμβος, καὶ ἐν ἐξουσίᾳ λέγειν ὅ τι θέλοιεν. ἀφικόμενος δὲ ἐς τὸ Καπιτώλιον ὁ Σκιπίων τὴν μὲν πομπὴν κατέπαυσεν, εἰστία δὲ τοὺς φίλους, ὥσπερ ἔθος ἐστίν, ἐς τὸ ἱερόν.

[67] καὶ τέλος εἶχε Ῥωμαίοις ὁ δεῦτερος πρὸς Καρχηδονίους πόλεμος, ἀρξάμενος ἀπὸ Ἰβηρίας, λήξας δ' ἐν Λιβύῃ ἐς τάσδε τὰς περὶ αὐτῆς Καρχηδόνοιο σπονδὰς. καὶ Ὀλυμπιάδες ἐν τοῖς Ἑλλησιν ἦσαν ἀμφὶ τὰς ἑκατὸν καὶ τεσσαράκοντα καὶ τέσσαρας. Μασσανάσσης δὲ Καρχηδονίοις τε μηνίων καὶ Ῥωμαίοις θαρρῶν ἐπέβαινε γῇ πολλῇ τῶν Καρχηδονίων ὡς γενομένη ποτὲ ἑαυτοῦ. καὶ οἱ Καρχηδόνιοι Ῥωμαίους παρεκάλουν σφίσι Μασσανάσσην συναλλάξαι. οἱ δ' ἔπεμπον διαλλακτάς, οἷς εἴρητο συμπράσσειν ὅσα δύναιντο

Μασσανάσση. οὕτω μὲν τὴν γῆν ἀπετέμετο Καρχηδονίων ὁ Μασσανάσσης, καὶ συνθήκαι Καρχηδονίοις καὶ πρὸς τόνδε ἐγένοντο, αἱ διέμειναν ἐς ἔτη πεντήκοντα, ἐν οἷς μάλιστα ἡ Καρχηδὼν εἰρηνεύουσα ὁμολῶς ἐς μέγα δυνάμεως καὶ εὐανδρίας ἦλθεν ἔκ τε πεδίων εὐκαρπίας καὶ θαλάσσης εὐκαιρίας.

[68] καὶ εὐθύς, οἷον ἐν ταῖς εὐτυχίαις γίνεται, οἱ μὲν ἐρρωζμῖαι, οἱ δὲ ἐδημοκράτιζον, οἷς δ' ἤρεσκε Μασσανάσσης. ἡγοῦντο δ' ἐκάστων οἱ καὶ δόξη καὶ ἀρετῇ προύχοντες, τῶν μὲν ῥωμαϊζόντων ὁ μέγας Ἄνων, τῶν δ' αἰρουμένων τὰ Μασσανάσσου Ἀνίβας ὁ ψᾶρ ἐπικαλούμενος, τῶν δὲ δημοκρατιζόντων Ἀμίλχαρ, ὃ Σαυνίτης ἐπώνυμον ἦν, καὶ Καρθάλων· οἱ φυλάξαντες Ῥωμαίους τε Κελτίβηρσι πολεμοῦντας καὶ Μασσανάσσην ἐπικουροῦντα υἱῷ πρὸς ἑτέρων Ἰβήρων συγκεκλεισμένῳ, πείθουσι τὸν Καρθάλωνα βοήθαρχον ὄντα, καὶ ἐπὶ τῇδε τῇ ἀρχῇ τὴν χώραν περιούντα, ἐπιθέσθαι τοῖς Μασσανάσσου σκηνοῦμένοις ἐν ἀμφιλόγῳ γῇ. ὁ δὲ καὶ ἔκτεινέ τινας αὐτῶν καὶ λείαν περιήλασε, καὶ τοὺς ἐν τοῖς ἀγροῖς Λίβυας ἐπὶ τοὺς Νομάδας ἡγειρεν. ἄλλα τε πολλὰ αὐτοῖς ἔργα πολέμων ἐς ἀλλήλους γίνεται, μέχρι Ῥωμαίων ἕτεροι πρέσβεις ἐπῆλθον ἐς διαλύσεις, οἷς ὁμοίως εἰρητο Μασσανάσση βοηθεῖν ἀδύλως. καὶ ἐβεβαίωσαν οἷδε τῷ Μασσανάσση ὅσα προειλήφει, μετὰ τέχνης, ὧδε. εἶπον μὲν οὐδὲν οὐδὲ ἤκουσαν, ἵνα μή τι ὥς ἐν δίκῃ Μασσανάσσης ἐλαττοῖτο, ἐν μέσῳ δ' ἀμφοῖν γενόμενοι τὰς χεῖρας διέστησαν· καὶ τοῦτο ἦν αὐτοῖς κέλευσμα πρὸς ἀμφοτέρους ἐς διαλύσεις. οὐ πολὺ δ' ὕστερον ὁ Μασσανάσσης ἡμφισβήτει καὶ τῶν λεγομένων μεγάλων πεδίων καὶ χώρας πεντήκοντα πόλεων, ἣν Τύσκαν προσαγορεύουσιν. ἐφ' οἷς πάλιν οἱ Καρχηδόνιοι κατέφυγον ἐπὶ Ῥωμαίους. οἱ δ' ὑπέσχοντο μὲν αὐτοῖς καὶ τότε πρέσβεις πέμψειν ἐς δίαίταν, διέτριψαν δὲ ἕως εἴκασαν πολλὰ τῶν Καρχηδονίων διεφθάρθαι.

[69] καὶ τότε πρέσβεις ἔπεμπον ἑτερους τε καὶ Κάτωνα, οἱ ἐς τὴν ἀμφίλογον γῆν ἀφικόμενοι ἡξίουσαν σφίσιν ἀμφοτέρους περὶ ἀπάντων ἐπιτρέπειν. Μασσανάσσης μὲν οὖν, οἷα πλεονεκτῶν καὶ Ῥωμαίοις ἀεὶ θαρρῶν, ἐπέτρεπεν, οἱ Καρχηδόνιοι δ' ὑπώπτευον, ἐπεὶ καὶ τοὺς πρότερον ἥδεσαν οὐκ εὖ δικάσαντας. ἔφασαν οὖν τὰς συνθήκας τὰς ἐπὶ Σκιπίωνος οὐδὲν χρήζειν δικῶν οὐδὲ διορθώσεως, ὅσα μὴ ἐξ αὐτῶν παραβαίνεται μόνα. οἱ δ' οὐκ ἀνασχόμενοι περὶ μέρους δικάζειν ἐπανήεσαν, καὶ τὴν χώραν περιεσκόπουν, ἀκριβῶς τε εἰργασμένην καὶ κατασκευὰς μεγάλας ἔχουσαν. εἶδον δὲ καὶ τὴν πόλιν ἐσελθόντες, ὅση τε τὴν δύναμιν ἦν, καὶ πλῆθος ὅσον ἠῴητο ἐκ τῆς οὐ πρὸ πολλοῦ κατὰ Σκιπίωνα διαφθορᾶς. ἐπανελθόντες τε ἐς Ῥώμην, ἔφραζον οὐ ζήλου μᾶλλον ἢ φόβου γέμειν αὐτοῖς τὰ Καρχηδονίων, πόλεως δυσμενοῦς τοσσηδε καὶ γείτονος εὐχερῶς οὕτως αὐξανομένης. καὶ ὁ Κάτων μάλιστα ἔλεγεν οὐ ποτε Ῥωμαίοις βέβαιον οὐδὲ τὴν ἐλευθερίαν ἔσσεσθαι πρὶν ἐξελεῖν Καρχηδόνα. ὧν ἡ βουλὴ πυνθανομένη ἔκρινε μὲν πολεμεῖν, ἔτι δ' ἔχρηζε προφάσεων, καὶ τὴν κρίσιν ἀπόρρητον εἶχον. Κάτωνα δ' ἐξ ἐκείνου φασὶν ἐν τῇ βουλῇ συνεχεῖ γνώμῃ λέγειν, Καρχηδόνα μὴ εἶναι, Σκιπίωνα δὲ τὸν Νασικᾶν τὰ ἐναντία ἀξιοῦν, Καρχηδόνα εἶναι, ἐς φόβον ἄρα καὶ τόνδε· Ῥωμαίων ἐκδiciaτωνμένων ἥδη.

[70] Καρχηδονίων δ' οἱ δημοκρατίζοντες τοὺς τὰ Μασσανάσσου φρονοῦντας ἐξέβαλον, ἐς τεσσαράκοντα μάλιστα ὄντας, καὶ ψήφον ἐπὶ νηγεκαν φυγῆς, καὶ τὸν δῆμον ὥρκωσαν μήτε καταδέξεσθαι ποτε μήτε ἀνέξεσθαι τῶν λεγόντων καταδέχεσθαι. οἱ δ' ἐξελαθέντες ἐπὶ τὸν Μασσανάσσην κατέφυγον, καὶ ἐξώτρυνον ἐς πόλεμον. ὁ δὲ καὶ αὐτὸς οὕτως ἔχων ἔπεμπε τῶν παίδων ἐς Καρχηδόνα Γολόσσην τε καὶ Μικίαν, ἀξίων καταδέχεσθαι τοὺς δι' αὐτὸν ἐξεληλαμένους. τούτοις προσιοῦσι τὰς πύλας ὁ βοηθάρχος ἀπέκλεισε, δείσας μὴ τὸν δῆμον οἱ συγγενεῖς τῶν φευγόντων καταδακρύσειαν. Γολόσση δὲ καὶ ἐπανιόντι Ἀμίλχαρ ὁ Σαυνίτης ἐπέθετο, καὶ τινὰς μὲν ἔκτεινεν, αὐτὸν δὲ ἐθορύβησεν, ἐφ' οἷς ὁ Μασσανάσσης προφάσεις τάσδε ποιούμενος ἐπολιόρκει πόλιν Ὀρόσκοπα. καὶ τῆσδε παρὰ τὰς συνθήκας ἐφίμενος. οἱ δὲ Καρχηδόνιοι πεζοὶς μὲν δισμυρίοις καὶ πεντακισχιλίοις, ἱππεῦσι δὲ πολιτικοῖς τετρακοσίοις, Ἀσδρούβα τοῦ τότε σφῶν βοηθάρχου στρατηγοῦντος, ἐπὶ τὸν Μασσανάσσην ἐστράτευσεν. καὶ πλησίασασιν αὐτοῖς Ἀσασίς τε καὶ Σούβας ταξίαρχοι τοῦ Μασσανάσσου, διενεχθέντες τι τοῖς παισὶ Μασσανάσσου, προσέδραμον ἐς αὐτομολίαν ἱππέας ἄγοντες ἐξακισχιλίους, οἷς ἐπαρθεῖς ὁ Ἀσδρούβας μετεστρατοπέδευεν ἐγγυτέρῳ τοῦ βασιλέως, καὶ ἐν ταῖς ἀκροβολίαις ἐπὶ κρεισσόνων ἦν. ὁ δὲ Μασσανάσσης ἐνεδρεύων αὐτὸν ὑπεχώρει κατ' ὀλίγον οἷα φεύγων, ἕως προσήγαγεν ἐς πεδίον μέγα καὶ ἔρημον, οὗ πανταχόθεν ἦσαν λόφοι καὶ ἀπόκρημνα καὶ ἀγορᾶς ἀπορία. τότε δ' ἐπιστρέψας ἐστρατοπέδευεν ἐν τοῖς πεδινοῖς: ὁ δὲ Ἀσδρούβας ἐς τοὺς λόφους ὡς ὀχυρωτέρους ἀνέδραμεν.

[71] καὶ οἱ μὲν τῆς ἐπιούσης ἔμελλον ἐς χειρὰς ἥξειν, Σκιπίων δ' ὁ νεώτερος, ὁ τὴν Καρχηδόνα ὕστερον ἐλὼν, ὑποστρατευόμενος τότε Λευκόλῳ Κελτίβηρσι πολεμοῦντι, ἐς τὸν Μασσανάσσην ἀφικνεῖτο πεμφθεὶς ἐλέφαντας αἰτήσαι. καὶ αὐτῷ Μασσανάσσης, τοῦ σώματος ὡς ἐς μάχην ἐπιμελούμενος, ἱππέας ἀπαντᾶν ἐπέμψε, καὶ τῶν παίδων τισὶν ἐκέλευεν ἐλθόντα ὑποδέξασθαι. αὐτὸς δ' ἅμ' ἔφ' τὸν στρατὸν ἐξέτασεν, ὀγδοήκοντα μὲν καὶ ὀκτὼ γεγωνὸς ἔτη, ἱππεύων δ' ἔτι καρτερῶς καὶ γυμνὸν τὸν ἵππον ἀναβαίνων, ὡς ἔθος ἐστὶ Νομάσι, καὶ στρατηγῶν καὶ μαχόμενος, εἰσὶ γὰρ Λιβύων οἱ Νομάδες εὐρωστότατοι, καὶ μακροβίων ὄντων μακροβιώτατοι. αἴτιον δ' ἴσως ὅ τε χειμῶν οὐ πολὺ κρύος ἔχων, [ὑφ' οὗ φθείρεται πάντα,] καὶ τὸ θέρος οὐ κατακαῖον ὥσπερ Αἰθιοπίας τε καὶ Ἰνδοῦς. διὸ καὶ τῶν θηρίων τὰ δυνατώτατα ἦδε ἡ γῆ φέρει, καὶ οἱ ἄνδρες ἐν ὑπαίθρῳ καὶ πόνοις εἰσὶν αἰεὶ. ὀλίγος τε ὁ οἶνος αὐτοῖς, καὶ ἡ τροφή πᾶσιν ἀπλὴ τε καὶ εὐτελής. ὁ μὲν δὲ Μασσανάσσης ἐπιβάς ἵππου διεκόσμηε τὸν στρατὸν, καὶ Ἀσδρούβας ἀντεξῆγε τὸν ἴδιον αὐτῷ, πολὺ πληθος: ἤδη γὰρ καὶ τῷδε πολλοὶ προσεληλύθεσαν ἐκ τῆς χώρας. ὁ δὲ Σκιπίων ἐθεάτο τὴν μάχην ἀφ' ὑψηλοῦ καθάπερ ἐκ θεάτρου. ἔλεγε τε πολλάκις ὕστερον, ἀγῶσι συνενεχθεῖς ποικίλοις, οὐποτε ὦδε ἡσθῆναι: μόνον γὰρ ἔφη τόνδε τὸν πόνον ἄφροντις ἰδεῖν, μυριάδας ἀνδρῶν συνιούσας ἐς μάχην ἑνδεκα. ἔλεγέ τε σεμνύνων δύο πρὸ αὐτοῦ τὴν τοιάνδε θεᾶν ἰδεῖν ἐν τῷ Τρωικῷ πολέμῳ, τὸν Δία ἀπὸ τῆς Ἰδης καὶ τὸν Ποσειδῶνα ἐκ Σαμοθράκης.

[72] γενομένης δὲ τῆς μάχης ἐς νύκτα ἀπ' ἡοῦς, καὶ πολλῶν πεσόντων

ἐκατέρωθεν, ἔδοξεν ἐπὶ κρεισσόνων ὁ Μασσανάσσης γενέσθαι. καὶ αὐτῷ ὑποστρέφοντι ἀπὸ τοῦ ἔργου ὁ Σκιπίων ὤφθη. ὁ δὲ αὐτὸν οἶα φίλον ἐκ πάμπου περιεῖπε θεραπεύων. ὅπερ οἱ Καρχηδόνιοι μαθόντες, ἐδέοντο τοῦ Σκιπίωνος πρὸς Μασσανάσσην σφᾶς συναλλάξαι. ὁ δὲ συνήγαγε μὲν αὐτούς, γιγνομένων δὲ προκλήσεων οἱ Καρχηδόνιοι τῷ Μασσανάσση τὴν μὲν περὶ τὸ Ἐμπόριον γῆν ἔλεγον μεθήσειν, καὶ ἀργυρίου τάλαντα δώσειν διακόσια αὐτίκα καὶ ὀκτακόσια σὺν χρόνῳ, τοὺς δ' αὐτομόλους αἰτοῦντος οὐχ ὑπέστησαν οὐδ' ἀκοῦσαι, ἀλλ' ἄπρακτοι διεκρίθησαν. καὶ Σκιπίων μὲν ἐς Ἴβηρίαν ἔχων τοὺς ἐλέφαντας ἐπανήει, Μασσανάσσης δὲ τὸν λόφον τῶν πολεμίων περιταφρεύσας, ἐφύλασσε μηδεμίαν αὐτοῖς ἀγορὰν ἐσφέρεσθαι. οὐδ' ἄλλως ἐγγὺς ἦν οὐδέν, ἐπεὶ καὶ αὐτῷ μόλις ἐκ μακροῦ σφόδρα ἐπιμόχθως ἐφέρετο ὀλίγη. Ἀσδρούβας δ' εὐθὺς μὲν ἐδόκει δύνασθαι διεκπαῖσαι τοὺς πολεμίους ἐρρωμένῳ ἔτι καὶ ἀπαθεῖ τῷ στρατῷ, ἀγορὰν δ' ἔχων Μασσανάσσου πλείονα προκαλεῖσθαι τὸν Μασσανάσσην ἐνόμιζε, καὶ παρέμενε, πυνθανόμενος ἅμα καὶ Ῥωμαίων ἐπιέναι πρέσβεις ἐς διαλύσεις. οἱ δ' ἦλθον μὲν, εἰρητο δ' αὐτοῖς, εἰ Μασσανάσσης ἐλασσοῖτο, λῦσαι τὴν διαφορὰν, εἰ δ' ἐπὶ κρεισσόνων εἴη, καὶ παροξύναι.

[73] οἱ μὲν δὴ τὸ ἐαυτῶν ἔπραξαν, ὁ δὲ λιμὸς τὸν Ἀσδρούβαν καὶ τοὺς Καρχηδονίους ἐξέτριβε· καὶ τοῖς σώμασι πάντα ἔχοντες ἀσθενῶς, βιάσασθαι μὲν οὐκέτι τοὺς πολεμίους ἐδύναντο, τὰ δ' ὑποζύγια πρῶτον, εἴτα τοὺς ἵππους ἐπὶ τοῖς ὑποζυγίοις ἔθουν, καὶ ἱμάντας ἐψοῦντες ἦσθιον. καὶ νόσων αὐτοὺς ἰδέαι πᾶσαι κατελάμβανον ἕκ τε πονηρίας τροφῶν καὶ ἀκινήσιας ἔργων καὶ ὥρας ἔτους· συνεκέκλειστο γὰρ ἐς ἓν χωρίον καὶ στενὸν στρατόπεδον ὄχλος ἀνθρώπων ἐν Λιβύῃ θέρους. τῶν τε ξύλων αὐτοὺς ἐς τὴν ἔψησιν ἐπιλιπόντων τὰ ὅπλα κατέκαιον. καὶ τῶν ἀποθνησκόντων οὐδεὶς οὐτ' ἐξεφέρετο, Μασσανάσσου τὴν φυλακὴν οὐκ ἀνιέντος, οὐτ' ἐξεκαίετο ξύλων ἀπορία. ὁ οὖν φθόρος αὐτοῖς ἦν πολὺς τε καὶ περιώδυνος, συνοῦσιν ὁδωδόσι καὶ σηπομένοις σώμασιν. τό τε πλεῖστον ἤδη τοῦ στρατοῦ διέφθαρτο· καὶ τὸ ὑπόλοιπον οὐδεμίαν σφίσιν ἐλπίδα σωτηρίας ὀρῶντες, τοὺς αὐτομόλους ὑπέστησαν ἐκδοῦναι τῷ Μασσανάσση, καὶ πεντακισχίλια ἀργυρίου τάλαντα πεντήκοντα ἔτεσιν ἐσενεγκεῖν, τοὺς τε φυγάδας σφῶν καταδέξασθαι παρὰ τὸ ὄρκιον, καὶ αὐτοὶ διὰ μιᾶς πύλης τοὺς ἐχθροὺς καθ' ἓνα διεξελθεῖν σὺν χιτωνίσκῳ μόνῳ. Γολόσσης δ' αὐτοῖς ἀπιοῦσι, χαλεπαίνων τῆς οὐ πρὸ πολλοῦ διώξεως, εἴτε συνειδότος τοῦ πατρὸς εἴτε δι' ἑαυτοῦ, Νομάδας ἱππέας ἐπέπεμψε, οἱ οὐκ ἀμυνομένους, οὔτε ὄπλον ἔχοντας ἐς ἀμυναν οὔτε φυγεῖν ὑπ' ἀσθενείας δυναμένους ἔκτειναν. ἕκ τε μυριάδων πέντε στρατοῦ καὶ ὀκτακισχιλίων ἀνδρῶν ὀλίγοι ἀμπαν ἐς Καρχηδόνα περιεσώθησαν, καὶ σὺν αὐτοῖς Ἀσδρουβας τε ὁ στρατηγὸς καὶ ἕτεροι τῶν ἐπιφανῶν.

[74] τοιόσδε μὲν ὁ Μασσανάσσου καὶ Καρχηδονίων πόλεμος ἦν, ἐκδέχεται δ' αὐτὸν ὁ τρίτος ἐν Λιβύῃ καὶ τελευταῖος Ῥωμαίων. καὶ Καρχηδόνιοι τῷ Μασσανάσσου πταίσματι συμπεσόντες, ἀσθενεστάτης ὑπ' αὐτοῦ τῆς πόλεως γενομένης, αὐτόν τε Μασσανάσσην ἐδεδοίκεσαν ἐγγὺς ἔτι ὄντα μετὰ πολλοῦ στρατοῦ, καὶ Ῥωμαίους δυσμεναίνοντας ἀεὶ σφίσι καὶ πρόφασιν θησομένους τὰ ἐς τὸν Μασσανάσσην γεγόμενα. ὧν οὐδέτερον κακῶς ὑπενόουν· αὐτίκα

γὰρ οἱ Ῥωμαῖοι πυθόμενοι στρατὸν ἐπήγγελον ἐς ὅλην τὴν Ἰταλίαν, τὴν μὲν χρεῖαν οὐ λέγοντες, ὥς δ' ἂν ὀξέως ἔχοιεν ἐς τὰ παραγγελλόμενα χρῆσθαι. καὶ οἱ Καρχηδόνιοι νομίζοντες ἐκλύσειν τὴν πρόφασιν, ἐπεκήρυσσον Ἀσδρούβα τε τῷ στρατηγῇσαντι τοῦδε τοῦ πρὸς Μασσανάσσην πολέμου καὶ Καρθάλωνι τῷ βοηθάρχῳ, καὶ εἴ τις ἄλλος ἐφήπτο τοῦ ἔργου, θάνατον, ἐς ἐκείνους τὴν αἰτίαν τοῦ πολέμου περιφέροντες. ἐς τε Ῥώμην πρέσβεις ἔπεμπον, οἱ κατηγοροῦν μὲν αὐτοῦ Μασσανάσσου, κατηγοροῦν δὲ καὶ τῶνδε τῶν ἀνδρῶν ὥς ἀμυναμένων αὐτὸν ὀξέως τε καὶ προπετῶς καὶ τὴν πόλιν ἐς πρόφασιν ἔχθρας ἐμβαλόντων. ὥς δὲ τις τῶν βουλευτῶν τοὺς πρέσβεις ἤρετο ὅπως οὐκ ἐν ἀρχῇ τοῦ πολέμου τοὺς αἰτίους, ἀλλὰ μετὰ τὴν ἥσσαν ἐξεκήρυξαν, καὶ πρὸς ἡμᾶς οὐ πρότερον ἀλλὰ νῦν πρεσβεύεσθε, οἱ μὲν ἀποκρίσεως ἠπόρουν, ἡ δὲ βουλὴ πάλαι διεγνώκεια πολεμῆσαι καὶ προφάσεις ἐρεσχηλοῦσα ὧδε ἀπεκρίνατο, Καρχηδονίους οὐπω Ῥωμαίοις ἱκανῶς ἀπολογήσασθαι. πάλιν οὖν ἀγωνιῶντες ἠρώτων, εἰ δοκοῦσιν ἁμαρτεῖν, τί παθόντες ἀπολύσονται τὸ ἔγκλημα. οἱ δὲ οὕτως ἔφασαν τῷ ῥήματι, 'εἰ τὸ ἱκανὸν ποιήσετε Ῥωμαίοις.' ζητούντων δ' ἐκείνων ὅ τι εἴη τὸ ἱκανόν, οἱ μὲν ᾤοντο Ῥωμαίους ἐθέλειν τοῖς χρήμασι προσεπιθεῖναι τοῖς ἐπὶ Σικιπίωνος ὠρισμένοις, οἱ δὲ Μασσανάσση τῆς ἀμφιλόγου γ ἥς μεταστῆναι. ἀποροῦντες οὖν πάλιν ἐς Ῥώμην ἔπεμπον, καὶ παρεκάλουν γινῶναι σαφῶς ὅ τι ἐστὶν αὐτοῖς τὸ ἱκανόν. οἱ δὲ αὐθις ἔφασαν εἰδέναι Καρχηδονίους καλῶς, καὶ εἰπόντες ἀπέπεμψαν.

[75] οἱ μὲν δὴ φόβου καὶ ἀπορίας ἦσαν ἐν τούτῳ, Ἰτύκη δέ, ἡ Λιβύης μεγίστη μετὰ Καρχηδόνα πόλις, λιμένας τε ἔχουσα εὐόρμους καὶ στρατοπέδων καταγωγὰς δαψιλεῖς, ἐξήκοντα σταδίους ἀπὸ Καρχηδόνας ἀφεστῶσα καὶ καλῶς ἐς πόλεμον αὐτοῖς ἐπικειμένη, τὰ Καρχηδονίαν ἄρα καὶ αὕτη τότε ἀπογνοῦσα καὶ τὸ πάλαι μῖσος ἐς αὐτοὺς ἐκφέρουσα ἐν καιρῷ, πρέσβεις ἐς Ῥώμην ἔπεμψεν, οἱ τὴν Ἰτύκην Ῥωμαίοις ἐπέτρεπον. ἡ δὲ βουλὴ καὶ τέως ἐς τὸν πόλεμον ὁρμῶσά τε καὶ παρασκευαζομένη, πόλεως ὀχυρᾶς οὕτω καὶ ἐπικαίρου προσγενομένης ἐξέφηνέ τε τὴν γνώμην, καὶ ἐς τὸ Καπιτώλιον, οὐπὲρ εἰώθασι περὶ πολέμου σκοπεῖν, συνελθοῦσα ἐψηφίσατο Καρχηδονίοις πολεμεῖν. στρατηγούς τε τοὺς ὑπάτους αὐτίκα ἐξέπεμπον, ἐπὶ μὲν τοῦ πεζοῦ Μάνιον Μανίλιον, ἐπὶ δὲ τοῦ στόλου Λεύκιον Μάρκιον Κηνησώρινον, οἷς ἐν ἀπορρήτῳ ἐλέλεκτο μὴ ἀνασχεῖν τοῦ πολέμου πρὶν Καρχηδόνα κατασκάψαι. οἱ μὲν δὴ θύσαντες ἐς Σικελίαν ἔπλεον ὥς ἐκεῖθεν ἐς τὴν Ἰτύκην διαβαλοῦντες, ναυσὶ δ' ἐφέροντο πεντήκοντα μὲν πεντήρεσιν, ἑκατὸν δ' ἡμιολίαις, ἀφράκτοις δὲ καὶ κερκούροις καὶ στρογγύλοις πολλοῖς. καὶ στρατὸν ἦγον ὀκτακισμυρίους πεζοὺς καὶ ἱππέας ἐς τετρακισχιλίους, ἀρίστους ἅπαντας· ὥς γὰρ ἐς ἐπιφανῇ στρατείᾳ καὶ προὔπτον ἐλπίδα πᾶς τις ἀστῶν καὶ συμμάχων ὥρμα, καὶ πολλοὶ καὶ ἐθελονταὶ παρήγγελον ἐς τὸν κατάλογον.

[76] Καρχηδονίοις δὲ προσέπεσεν ἥ τε κρίσις τοῦ πολέμου καὶ τὸ ἔργον ὁμοῦ δι' ἐνὸς ἀγγέλου· ὁ γὰρ αὐτὸς ἔφερε τε τὸ ψήφισμα τοῦ πολέμου, καὶ τὰς ναῦς ἐδήλου πλεῖν ἐπὶ σφᾶς. ἐκπλαγέντες οὖν ἀπεγίνωσκον αὐτῶν ἀπορία τε νεῶν καὶ ἀπωλεία προσφάτῳ τοσσηδε νεότητος, οὐ συμμάχους ἔχοντες, οὐ μισθοφόρους ἐτοίμους, οὐ σῖτον ἐς πολιορκίαν συνενηνεγμένον,

οὐκ ἄλλο οὐδέν, ὥς ἐν ἀκηρύκτῳ καὶ ταχεῖ πολέμῳ, οὐδ' αὐτοὶ διαρκεῖν δυνάμενοι Ῥωμαίοις τε καὶ Μασσανάσῃ. πρέσβεις οὖν ἑτέρους ἐς Ῥώμην ἔπεμπον αὐτοκράτορας, ὅπῃ δύναιτο, τὰ παρόντα διαθέσθαι. οἷς ἡ σύγκλητος εἶπεν, ἐὰν τοῖς ὑπάτοις ἔτι οὖσιν ἐν Σικελίᾳ, τριάκοντα ἡμερῶν τῶνδε, οἱ Καρχηδόνιοι τριακοσίους τοὺς ἐνδοξοτάτους σφῶν παῖδας ἐς ὀμηρεῖαν παράσχωσι καὶ τᾶλλα κατακούσωσιν αὐτῶν, ἕξιν Καρχηδόνα ἐλευθέραν τε καὶ αὐτόνομον, καὶ γῆν ὅσῃν ἔχουσιν ἐν Λιβύῃ. ταῦτα μὲν ἐς τὸ φανερόν ἐψηφίσαντο, καὶ τοῖς πρέσβεσιν ἔδωκαν ἐς Καρχηδόνα φέρειν τὸ δόγμα: ἐν ἀπορρήτῳ δὲ τοῖς ὑπάτοις ἐπέστειλαν ἔχεσθαι τῶν ἰδίᾳ σφίσιν ἐντεταλμένων.

[77] οἱ δὲ Καρχηδόνιοι τὴν μὲν γνώμην ὑπώπτευν, οὐκ ἐπὶ συνθήκῃ βεβαία τὰ ὀμηρα παρέχοντες: οἷα δ' ἐν κινδύνῳ τοσῶδε, τὰς ἐλπίδας ἐν ᾧ μὴδὲν ἐκλείψουσι τιθέμενοι, σπουδῇ προλαβόντες τὴν προθεσμίαν, τοὺς παῖδας ἦγον ἐς Σικελίαν, γονέων τε αὐτοῖς ἐπικλαιόντων καὶ οἰκείων, καὶ μάλιστα τῶν μητέρων, αἱ σὺν ὀλολυγῇ μανιώδει τῶν τέκνων ἐξήπτοντο καὶ νεῶν τῶν φερουσῶν αὐτὰ καὶ στρατηγῶν τῶν ἀγόντων, ἀγκυρῶν τε ἐπελαμβάνοντο καὶ καλῶδια διέσπων καὶ ναύταις συνεπλέκοντο καὶ τὸν πλοῦν ἐκώλουν. εἰσὶ δ' αἱ καὶ μέχρι πολλοῦ τῆς θαλάσσης παρένεον, δεδακρυμένα τε καὶ ἐς τὰ τέκνα ἀφορῶσαι. αἱ δ' ἐπὶ τῆς γῆς τὰς κόμας ἐτίλλοντο καὶ τὰ στέρνα ἔκοπτον ὥς ἐπὶ πένθει: ἐδόκουν γὰρ ὄνομα μὲν ἐς εὐπρέπειαν εἶναι τὴν ὀμηρεῖαν, ἔργῳ δὲ τῆς πόλεως ἔκδοσιν, ἐπ' οὐδεμιᾷ συνθήκῃ τῶνδε τῶν παίδων διδομένων. καὶ πολλαὶ καὶ τοῦτο ἐν ταῖς οἰμωγαῖς κατεμαντεύοντο τῇ πόλει, μὴδὲν αὐτὴν ὀνήσειν τοὺς παῖδας ἐκδιδομένους: ἐν μὲν δὴ τῇ Καρχηδόνι τῶν ὀμήρων ἡ ἀναγωγὴ τοιαύδε τις ἦν, ἐν δὲ τῇ Σικελίᾳ παραλαβόντες αὐτὰ οἱ ὑπατοὶ διέπεμπον ἐς Ῥώμην, καὶ τοῖς Καρχηδονίοις ἔφασαν ἐς τὸ τέλος τοῦ πολέμου τὰ λοιπὰ ἐρεῖν ἐν Ἰτύκῃ.

[78] διαπλεύσαντές τε ἐς αὐτὴν ἐστρατοπέδευον, ὁ μὲν πεζὸς ἔνθα πάλοι τὸ Σκιπίωνος ἦν στρατόπεδον, αἱ δὲ νῆες ἐν τοῖς λιμέσι τοῖς Ἰτυκαίων. ἀφικομένων δὲ κάκει πρέσβων ἐκ Καρχηδόνης, οἱ μὲν ὑπατοὶ προυκάθηντο ἐπὶ βήματος ὑψηλοῦ, ἡγεμόνων τε σφίσι καὶ χιλιάρχων παρεστώτων, ἡ στρατιὰ δ' ἐκατέρωθεν ἐπὶ μῆκος πολὺ ὅπλοις τε ἐπισήμοις ἐσκεύαστο, καὶ τὰ σημεῖα ἔφερον ὀρθά, ἵνα οἱ πρέσβεις τὸ πλῆθος ἐκ τούτων συμβάλοιεν. ἐπεὶ δ' οἱ μὲν ὑπατοὶ τῷ σαλπικτῇ προσέταξαν ὑποσημῆναι σιωπὴν, ὁ δὲ κήρυξ ἀνεῖπε τοὺς Καρχηδονίαν πρέσβεις προσιέναι, οἱ μὲν ἐσήγοντο διὰ στρατοπέδου μακροῦ, καὶ τοῦ βήματος οὐ προσεπέλαζον, ἀλλὰ περισχοίνισμα ἦν ἐν μέσῳ, οἱ δ' ὑπατοὶ λέγειν αὐτοὺς ἐκέλευον ὅ τι χρῆζοιεν. καὶ οἱ πρέσβεις ἔλεγον ἔλεεινὰ πολλὰ καὶ ποικίλα, συνηκῶν τε περὶ τῶν σφίσι πρὸς Ῥωμαίους γενομένων, καὶ Καρχηδόνης αὐτῆς χρόνου καὶ πλήθους καὶ δυνάμεως καὶ ἀρχῆς τῆς ἐς πολὺ μεγίστης ἐν γῇ καὶ θαλάσῃ γενομένης. οὐκ ἐπὶ σεμνολογίᾳ δὲ ἔφασαν λέγειν: οὐ γὰρ εἶναι καιρὸν ἐν συμφοραῖς σεμνολογίας,

ἀλλ' ἐς σωφρόνισμα ὑμῖν, ᾧ Ῥωμαῖοι, καὶ μετριοπάθειαν ἢ τῆς ἡμετέρας μεταβολῆς ὀξύτης ἔστω. κράτιστοι δέ, ὅσοι τοὺς πταίσαντας ἐλεοῦντες τὸ σφέτερον εὐέλπι ποιοῦνται τῷ μὴδὲν ἐς ἄλλας τύχας ἀμαρτεῖν. καὶ τάδε μὲν

ὕμῶν ἄξια καὶ τῆς ὑμετέρας εὐσεβείας, ἣν προσποιεῖσθε μάλιστα ἀνθρώπων:

[79] εἰ δὲ καὶ ἀνημέρων ἐτετυχήκειμεν ἐχθρῶν, κόρος ἐστὶν ἀτυχημάτων ὅσα πεπόνθαμεν, οἱ τὴν ἡγεμονίαν τῆς τε γῆς καὶ θαλάσσης ἀφῆρήμεθα, καὶ τὰς ναῦς ὑμῖν παρεδώκαμεν, καὶ ἄλλας οὐκ ἐπικτώμεθα, καὶ θήρας καὶ κτήσεως ἐλεφάντων ἀπέστημεν, καὶ ὅμηρα τὰ κράτιστα καὶ πάλοι καὶ νῦν παρεδώκαμεν, καὶ φόρους τελοῦμεν εὐτάκτως οἱ παρ' ἐτέρων ἀεὶ λαμβάνοντες. καὶ τάδε ἤρκεσε τοῖς πατράσιν ὑμῶν, οἷς ἐπολεμήσαμεν: καὶ συνθήκας ἐπ' αὐτοῖς ἐγράψαντο ἡμῖν ὡς φίλοις τε καὶ συμμάχοις, καὶ ὄρκος ἔστιν ἐν ταῖς συνθήκαις ἀμφοῖν ὅμοιος. κάκεῖνοι μὲν ἡμῖν, οἷς ἐπολεμήσαμεν, πιστοὶ μετὰ ταῦτα ἐγένοντο: ὑμεῖς δέ, οἷς οὐδ' ἐς χεῖρας ἤλθομεν, τί τῶνδε τῶν συνθηκῶν αἰτιώμενοι παραβεβῆσθαι, τὸν πόλεμον τόνδε ὀξέως οὕτως ἐψηφίσασθέ τε καὶ ἀκηρύκτως ἐπηγάγετε ἡμῖν; πότερον οὐ δίδομεν τοὺς φόρους; ἢ ναῦς ἔχομεν, ἢ τοὺς ἐπιφθόνους ἐλέφαντας; ἢ οὐ πιστοὶ τὰ πρὸς ὑμᾶς ἐξ ἐκείνου γεγόναμεν; ἢ οὐκ ἐλεεινοὶ τῶν πέντε μυριάδων τῶν χθὲς ἀπολομένων ὑπὸ λιμοῦ; ἀλλὰ Μασσανάσση πεπολεμήκαμεν: πολλὰ γε πλεονεκτοῦντι: καὶ πάντα δι' ὑμᾶς ἐφέρομεν. ἀπαύστως δ' ἔχων καὶ ἀθεμίστως ἐς ἡμᾶς καὶ τὸ ἔδαφος ἐν ᾧ καὶ ἐτράφη καὶ ἐπαιδεύθη, γῆν ἄλλην ἡμῶν ἀπέσπα περὶ τὸ Ἐμπόριον: καὶ λαβὼν καὶ τήνδε ἐπέβαινεν ἐτέρας, μέχρι τὰς συνθήκας ἡμῖν τὰς πρὸς ὑμᾶς συνέχεεν: εἰ τοῦτ' ἐστὶν ἢ τοῦδε τοῦ πολέμου πρόφασις, ἡμεῖς δὲ καὶ τοὺς ἀμυναμένους αὐτὸν ἐξεκηρύξαμεν, καὶ πρὸς ὑμᾶς πρέσβεις ἐπέμψαμεν οἱ περὶ τούτων ἀπελογοῦντο, καὶ ἐτέρους αὐτοκράτορας ὅπῃ θέλετε συνθέσθαι. τί οὖν ἔδει νεῶν καὶ στόλου καὶ στρατοῦ πρὸς ἄνδρας οὐχ ὁμολογοῦντας μὲν ἁμαρτεῖν, ἑαυτοὺς δὲ ὑμῖν ἐπιτρέποντας; ὅτι δὲ οὐκ ἀπατῶντες ὑμᾶς, οὐδὲ μικρολογούμενοι παθεῖν ὃ τι ἂν ζημιῶτε, ταῦτα προυτείνομε ν, ἐπιδέδεικται σαφῶς. ὅτε τοὺς ἀρίστους παῖδας ἐς ὁμηρεῖαν αἰτοῦσιν ὑμῖν εὐθύς, ὡς τὸ δόγμα ἐκέλευε, τὰς τριάκοντα προλαβόντες ἡμέρας, ἀπεστείλαμεν. τοῦ δ' αὐτοῦ δόγματός ἐστιν, ἣν παράσχωμεν ὑμῖν τὰ ὅμηρα, τὴν Καρχηδόνα ἐλευθέραν ἔαν καὶ αὐτόνομον, κекτημένην ἃ ἔχομεν.

[80] οἱ μὲν δὴ πρέσβεις τοσαῦτα εἶπον, Κηνσωρῖνος δ' ὑπαναστὰς ἀντέλεξεν ὧδε: 'τὰς μὲν αἰτίας τοῦ πολέμου τί δεῖ λέγειν ὑμῖν, ᾧ Καρχηδόνιοι, πρεσβεύσασιν ἐς Ῥώμην καὶ παρὰ τῆς συγκλήτου μαθοῦσιν; ὃ δὲ ἐψεύσασθε περὶ ἡμῶν, τοῦθ' ὑμᾶς ἐλέγξω. καὶ γὰρ τὸ δόγμα δηλοῖ, καὶ ἡμεῖς ὑμῖν ἐν Σικελίᾳ προεῖπομεν τὰ ὅμηρα παραλαμβάνοντες, τὰ λοιπὰ τῶν δοξάντων ἐπικελεύσειν ἐν Ἰτύκῃ. τῶν μὲν οὖν ὁμήρων τῆς τε ταχυτήτος καὶ τῆς ἐπιλέξεως ἐπαινοῦμεν ὑμᾶς: τί δὲ ὅπλων δεῖ τοῖς εἰρηνεύουσι καθαρῶς; φέρετε: πάντα ὅσα δημόσιά τε καὶ ἴδια ἕκαστος ὑμῶν ἔχει, βέλη τε καὶ καταπέλτας, ἡμῖν παράδοτε.' ὁ μὲν οὕτως εἶπεν, οἱ δὲ πρέσβεις ἔφασαν ἐθέλειν μὲν καὶ τοῖσδε ὑπακοῦσαι, ἀπορεῖν δὲ ὅπως Ἀσδρούβαν, ᾧ θάνατον ἐπεκήρυξαν, δύο μυριάδας ἀνδρῶν ἤδη συναγαγόντα καὶ αὐτῇ Καρχηδόνι παραστρατοπεδεύοντα ἀμνυοῦνται. εἰπόντων δὲ τῶν ὑπάτων ὅτι Ῥωμαῖοι τούτων ἐπιμελήσονται, οἱ μὲν καὶ ταῦτα δώσειν ὑπέσχοντο. καὶ συμπεμφθέντες αὐτοῖς Κορνήλιός τε Σκιπίων ὁ Νασικᾶς καὶ Γναῖος Κορνήλιος ὁ Ἰσπανὸς ἐπὶ κλησιν παρελάβανον εἴκοσι μυριάδας πανοπλιῶν,

καὶ βελῶν καὶ ἀκοντίων πλῆθος ἄπειρον, καὶ καταπέλτας ὀξυβελεῖς τε καὶ λιθοβόλους ἐς δισχιλίους· καὶ φερομένων αὐτῶν ἡ μὲν ὄψις ἦν λαμπρά καὶ παράλογος, ἀμαξῶν τοσῶνδε ὑπ' αὐτῶν τῶν πολεμίων ἀγομένων, οἱ δὲ πρέσβεις εἶποντο αὐτοῖς, καὶ ὅσοι τῆς γερουσίας ἢ τῆς ἄλλης πόλεως ἄριστοι ἢ ἱερεῖς ἢ ἄλλως ἐπιφανεῖς ἔμελλον τοὺς ὑπάτους ἐς ἐντροπὴν ἢ ἔλεον ἄξιν. ἐσαχθέντες δὲ αὐτῷ κόσμῳ τοῖς ὑπάτοις παρέστησαν. καὶ ὁ Κηνησῳρῖνος ἦν γὰρ εἰπεῖν ἱκανώτερος τοῦ συνάρχου ἀναστάς καὶ τότε, καὶ σκυθρωπάσας ἐπὶ πολὺ, ἔλεξεν ὧδε.

[81] 'τῆς μὲν εὐπειθείας ὑμᾶς, ὦ Καρχηδόνιοι, καὶ προθυμίας τῆς μέχρι νῦν ἔς τε τὰ ὅμηρα καὶ τὰ ὅπλα ἐπαινοῦμεν, χρὴ δ' ἐν τοῖς ἀναγκαίοις βραχυλογεῖν. ὑπόσπῃτε γενναίως τὸ λοιπὸν τῆς συγκλήτου κέλευσμα: ἐκστήτε τῆς Καρχηδόνης ἡμῖν, καὶ ἀνοικίσασθε ὅπῃ θέλετε τῆς ὑμετέρας, ὁγδοήκοντα σταδίου ἀπὸ θαλάσσης: τήνδε γὰρ ἡμῖν ἔγνωσται κατασκάψαι.' οἱ δ' ἔτι λέγοντος αὐτοῦ τὰς χεῖρας ἐς τὸν οὐρανὸν ἀνέσχον μετὰ βοῆς, καὶ τοὺς θεοὺς ὡς ἡπατημένοι κατεκάλουν, πολλὰ τε καὶ δυσχερῆ κατὰ Ῥωμαίων ἐβλασφήμουν, ἢ θανατῶντες ἢ ἔκφρονες ὄντες, ἢ τοὺς Ῥωμαίους ἐς μῦσος πρέσβων διερεθίζοντες. ἔς τε τὴν γῆν σφᾶς ἐρρίπτουν, καὶ χερσὶ καὶ κεφαλαῖς αὐτὴν ἔτυπτον: οἱ δὲ καὶ τὰς ἐσθῆτας ἐπερρήγνυντο, καὶ τοῖς σώμασι τοῖς ἑαυτῶν ἐνύβριζον ὡς ὑπὸ ἀνοίας ἐνδρευνέμενοι. ἐπεὶ δὲ ποτε αὐτοῖς ὁ οἶστρος ἔληξε, σιωπὴ πολλὴ καὶ κατῆφεια ἦν οἷα νεκρῶν κειμένων. Ῥωμαῖοι δ' ἐξεπλήσσοντο, καὶ οἱ ὑπάτοι φέρειν αὐτοὺς ἐγνώκεσαν ὡς ἐπὶ ἀλλοκότῳ κελεύσματι, μέχρι παύσαιντο ἀγανακτοῦντες, καλῶς εἰδότες ὅτι τὰ μέγιστα δεινὰ αὐτίκα μὲν ἐς θρασύτητα ἐκπλήσσει, σὺν χρόνῳ δὲ καταδουλοῖ τὴν τόλμαν ἢ ἀνάγκη. ὁ καὶ τότε ἔπαθον οἱ Καρχηδόνιοι: παρὰ γὰρ τὴν σιωπὴν ἀπτομένου σφῶν τοῦ κακοῦ μᾶλλον, ἀγανακτεῖν μὲν ἔτι ἐπαύσαντο, ἀνέκλαιον δὲ καὶ κατεθρήνουν ἑαυτούς τε καὶ παῖδας καὶ γυναῖκας ἐξ ὀνομάτων, καὶ τὴν πατρίδα αὐτήν, ὡς ἐς ἄνθρωπον ἀκούουσιν λέγοντες οἰκτρὰ καὶ πολλὰ. οἱ δὲ ἱερεῖς καὶ τὰ τῶν ἱερῶν ὀνόματα καὶ τοὺς ἐν αὐτοῖς θεοὺς ἀνεκάλουν, ὡς παροῦσι κάκεινοις προφέροντες τὴν ἀπώλειαν. ἦν τε παμμιγῆς καὶ ἑλεεινὸς οἶκτος οἰμωζόντων ὁμοῦ τὰ τε κοινὰ καὶ τὰ ἴδια, μέχρι καὶ Ῥωμαίους αὐτοῖς ἐπιδακρῦσαι.

[82] τοὺς δὲ ὑπάτους ἐσήει μὲν οἶκτος ἀνθρωπίνης μεταβολῆς, σκυθρωποὶ δ' ἀνέμενον καὶ τούτων κόρον αὐτοῖς ἐγγενέσθαι. ὡς δὲ καὶ ὀδυρμῶν ἔληξαν, αὐθις ἦν σιωπὴ. καὶ λόγον αὐτοῖς διδόντες ὡς ἡ μὲν πόλις ἐστὶν ἄνοπλος ἔρημος, οὐ ναῦν, οὐ καταπέλτην, οὐ βέλος, οὐ ξίφος ἔχουσα, οὐκ ἄνδρας οἰκείους ἱκανοὺς ἀπομάχεσθαι πέντε μυριάδων ἑναγχοῦ διεφθαρμένων, ξενικὸν δὲ οὐδὲν ἔστιν ἢ φίλος ἢ σύμμαχος ἢ καιρὸς ἐς ταῦτα, ἔχουσι δ' αὐτοῖς οἱ πολέμιοι καὶ τὰ τέκνα καὶ τὰ ὅπλα καὶ τὴν χώραν, καὶ περικάθηνται τὸ ἄστυ ἔνοπλοι ναυσὶ καὶ πεζῶ καὶ μηχανήμασι καὶ ἵπποις, Μασσανάσσης δ' ἐχθρὸς ἕτερος ἐν πλευραῖς, θορύβου μὲν ἔτι καὶ ἀγανακτήσεως ἐπέσχον ὡς οὐδὲν ἐν ταῖς συμφοραῖς ὠφελούντων, ἐς δὲ λόγους αὐθις ἐτράποντο. καὶ Βάννων, ᾧ Τιγίλλας ἐπώνυμον ἦν, ἐπιφανέστατος ὢν ἐν τοῖς τότε παροῦσιν, αἰτήσας εἰπεῖν ἔλεξεν:

[83]

εἰ μὲν ἔστι καὶ τῶν πρότερον εἰρημένων ἔτι πρὸς ὑμᾶς, ὦ Ῥωμαῖοι, λόγος,

ἐροῦμεν, οὐχ ὡς δίκαια προφέροντες· οὐ γάρ ἐστιν ἐν καιρῷ τοῖς ἀτυχοῦσιν ἀντιλογία, ἀλλ' ἵνα μάθητε ὡς οὐκ ἀπροφάσιστός ἐστιν ὑμῖν ὁ ἔλεος ὁ ἐφ' ἡμῖν, οὐδὲ ἄλογος. ἡμεῖς γὰρ Λιβύης ἄρχοντες καὶ θαλάσσης ὅτι πλείστης, περὶ ἡγεμονίας ὑμῖν ἐπολεμήσαμεν· καὶ ταύτης ἀπέστημεν ἐπὶ Σκιπίωνος, ὅτε τὰς ναῦς ὑμῖν παρέδομεν καὶ ἐλέφαντας ὅσους εἴχομεν, καὶ φόρους ἐταξάμεθα δώσειν καὶ δίδομεν ἐν καιρῷ. πρὸς οὖν θεῶν τῶν τότε ὁμωμοσμένων, φείδεσθε μὲν ἡμῶν, φείδεσθε δὲ τῶν Σκιπίωνος ὄρκων, ὁμόσαντος ἔσεσθαι Ῥωμαίους Καρχηδονίοις συμμάχους καὶ φίλους. οὐδ' ἔστιν ἐς ταυθ' ὃ τι ἡμάρτομεν. οὐ ναῦς ἔχομεν, οὐκ ἐλέφαντας, οὐ τοὺς φόρους ἐκλείπομεν, ἀλλὰ καὶ συνεμαχήσαμεν ὑμῖν ἐπὶ τρεῖς βασιλέας. μηδὲ τῷ παραστῇ καταγινώσκειν, εἰ ταῦτα καὶ πρόην εἵπομεν, ὅτε τὰ ὅπλα ἡτεῖτε· αἱ τε γὰρ συμφοραὶ ποιοῦσι μακρολόγους, καὶ ἅμα συνθηκῶν οὐδὲν ἐν ταῖς ἱκεσίαις δυνατώτερον, οὐδ' ἔχομεν ἐν οὐδὲν ἕτερον ἀντὶ λόγων καταφυγεῖν, οἱ τὴν δύναμιν ὑμῖν ἅπασαν ἐξέδομεν. τὰ μὲν δὴ πρότερα τοιαῦτα, ὧν ὁ Σκιπίων ἐστὶν ἡμῖν, ὃ Ῥωμαῖοι, βεβαιωτής· τῶν δὲ παρόντων ὑμεῖς, ὃ ὕπατοι, δημιουργοὶ καὶ μάρτυρές ἐστε ἡμῖν. ὁμηρα ἡτήσατε, καὶ τὰ κράτιστα ἡγάγομεν ὑμῖν. ὅπλα ἡτήσατε, καὶ πάντα ἐλάβετε, ὧν οὐδὲ οἱ ληφθέντες ἐν ταῖς πολιορκίαις ἐκόντες μεθιένται. ἐπιστεύσαμεν δὲ ἡμεῖς τῷ Ῥωμαίων ἥθει καὶ τρόπῳ· καὶ γὰρ ἡ σύγκλητος ἡμῖν ἐπέστειλε, καὶ ὑμεῖς, τὰ ὁμηρα αἰτοῦντες, ἔφατε τὴν Καρχηδόνα αὐτόνομον ἔασειν, εἰ λάβοιτε. εἰ δὲ προσέκειτο καὶ τὰ λοιπὰ ὑμῶν ἀνέξεσθαι κελευόντων, οὐκ εἰκὸς ἦν ὑμᾶς ἐπὶ μὲν τοῖς ὁμήροις, αἰτήματι σοφεῖ, τὴν πόλιν αὐτόνομον ἔσεσθαι ἢ προαγορεῦσαι, ἐν δὲ προσθήκῃ τῶν ὁμήρων ποιεῖσθαι τὴν Καρχηδόνας αὐτῆς κατασκαφὴν, ἣν εἰ θέμις ὑμῖν ἐστὶν ἀνελεῖν, πῶς ἐλευθέραν ἔτι ἀφήσετε ἢ αὐτόνομον, ὡς ἐλέγετε;

[84] τάδε μὲν εἴχομεν εἰπεῖν καὶ περὶ τῶν προτέρων συνθηκῶν καὶ περὶ τῶν πρὸς ὑμᾶς γενομένων. εἰ δὲ καὶ τούτων οὐκ ἀνέξεσθε, παρίεμεν ἅπαντα, καὶ ὁ τοῖς ἀτυχοῦσιν ἐστὶ λοιπόν, ὁδυρόμεθα καὶ δεόμεθα. πολλὴ δ' ἡ ἱκεσία δι' ἀφθονίαν κακῶν· ὑπὲρ τε γὰρ πόλεως παρακαλοῦμεν ἀρχαίας, χρησιμοῖς μετὰ θεῶν συνωκισμένης, καὶ ὑπὲρ δόξης ἐπὶ μέγα προελθούσης, καὶ ὀνόματος ἐπιφοιτήσαντος ἐπὶ τὴν γῆν ὅλην, ὑπὲρ τε ἱερῶν τῶν ἐν αὐτῇ τοσῶνδε καὶ θεῶν οὐδὲν ἀδικούντων, οὓς μὴ πανηγύρεις ἀφέλυσθε καὶ πομπὰς καὶ εορτάς, μηδὲ τοὺς τάφους τὰ ἐναγίσματα, οὐδὲν ὑμῖν ἔτι τῶν νεκρῶν ἐπιζημιῶν ὄντων. εἰ δὲ καὶ ἡμῶν ἔστιν ἔλεος· φατέ δὲ καὶ ἡμᾶς ἐλεεῖν οἱ συγχωρεῖτε μετοικίσασθαι, φείσασθε πολιτικῆς ἐστίας, φείσασθε ἀγορᾶς, φείσασθε βουλαίας θεοῦ, πάντων τε τῶν ἄλλων ὅσα τοῖς ἔτι ζῶσι τερπνὰ καὶ τίμια. τί γὰρ δὴ καὶ δέος ἔστιν ὑμῖν ἔτι Καρχηδόνας, οἱ καὶ τὰς ναῦς ἔχετε ἡμῶν καὶ τὰ ὅπλα καὶ τοὺς ἐπιφθόνους ἐλέφαντας; περὶ δὲ τῆς ἀνοικίσεως, εἰ τῷ δοκεῖ τοῦτο ἐς παρηγορίαν ἡμῖν προτιθεσθαι, ἔστι καὶ τόδε ἀμήχανον, ἀνδράσιν ἐς ἡπείρον ἀνοικίσασθαι θαλασσοβιώτοις, ὧν ἅπειρον πλῆθος ἐργάζεται τὴν θάλασσαν. δίδομεν δ' ὑμῖν ἀντίδοσιν αἰρετωτέραν ἡμῖν καὶ εὐκλεσετέραν ὑμῖν. τὴν μὲν πόλιν ἔατε τὴν οὐδενὸς ὑμῖν αἰτίαν, αὐτοὺς δὲ ἡμᾶς οὓς ἀνοικίζετε, εἰ θέλετε, διαχρήσασθε. οὕτω γὰρ ἀνθρώποις δόξετε χαλεπαίνειν, οὐχ ἱεροῖς καὶ θεοῖς καὶ τάφοις καὶ πόλει μηδὲν ἀδικούσῃ.

[85] δόξης δ' ἀγαθῆς καὶ εὐσεβοῦς ἐφίεσθε, ὧ Ῥωμαῖοι, παρὰ πάντα ἔργα, καὶ μετριοπάθειαν ἐν τοῖς εὐτυχήμασιν ἐπαγγέλλεσθε, καὶ τοῦθ' οἷς ἂν αἰεὶ λάβητε καταλογίζεσθε: μὴ δὴ, πρὸς Διὸς καὶ θεῶν, τῶν τε ἄλλων καὶ ὅσοι Καρχηδόνᾳ ἔτι ἔχουσιν τε καὶ μὴ ποτε μνησικακήσαιεν ὑμῖν μηδὲ παισὶν ὑμετέροις, μὴ ἀγαθὴν δόξαν ὑμῶν αὐτῶν ἐν ἡμῖν πρώτοις διαβάλητε, μηδὲ τοιῷδε ἔργῳ τὴν εὐκλειαν ὑμῶν καταμιάνητε, χαλεπῷ μὲν ἐργασθῆναι χαλεπῷ δὲ ἀκουσθῆναι, παρὰ τε πρώτοις ὑμῖν ἐξ ἅπαντος τοῦ βίου γενησομένῳ. πόλεμοι γὰρ πολλοὶ μὲν Ἑλλήσιν ἐγένοντο καὶ βαρβάρους, πολλοὶ δὲ ὑμῖν, ὧ Ῥωμαῖοι, πρὸς ἐτέρους: καὶ οὐδεὶς πῶ κατέσκαψε πόλιν χεῖράς τε πρὸ μάχης καθεῖσαν καὶ ὅπλα καὶ τέκνα παραδοῦσαν. καὶ εἴ τις ἔστιν ἐς ἀνθρώπους ἄλλη ζημία, καὶ ταύτην παθεῖν ὑπομένουσιν. προφέροντες δ' ὑμῖν ὀρκίους θεοὺς καὶ τύχην ἀνθρωπείαν καὶ τὴν φοβερωτάτην τοῖς εὐτυχοῦσι Νέμεσιν, δεόμεθα μήτε ἐς τὴν ὑμετέραν εὐπραγίαν ὑμᾶς ὑβρίσαι, μήτε τὰς ἡμετέρας συμφορὰς ἐς ἀνήκεστον προαγαγεῖν, συγχωρῆσαι δ', εἰ μὴ δίδοτε τὴν πόλιν ἔχειν, ἐς γε τὴν σύγκλητον ἔτι πρεσβεῦσαι περὶ αὐτῆς καὶ δεηθῆναι. βραχὺ δ' ὁράτε τὸ διάστημα τοῦ χρόνου, βάσανον μὲν ἡμῖν φέρον μακρὰν ἐν ὀλίγῳ διὰ τὴν τῶν ἐσομένων ἀμφιβολίαν: ὑμῖν δὲ τὸ μὲν ἀσφαλὲς ἴσον, ἢ νῦν ἢ μετ' ὀλίγον τὰ δοκοῦντα δρᾶν, τὸ δ' εὐσεβὲς καὶ φιλόανθρωπον ἐπιγίγεται.

[86] τοιαῦτα μὲν εἶπεν ὁ Βάννων, οἱ δὲ ὕπατοι δῆλοι μὲν ἦσαν ἐσκυθρωπακότες παρὰ πάντα τὸν λόγον ὅτι μηδὲν ἐνδῶσουσιν αὐτοῖς, παυσάμενου δὲ ὁ Κηνσωρῖνος ἔλεξε:

περὶ μὲν ὧν ἡ σύγκλητος προσέταξε, τί δεῖ πολλάκις λέγειν; προσέταξε γάρ, καὶ χρὴ γενέσθαι: οὐδὲ ἀναθέσθαι δυνάμεθα τὰ ἤδη κεκελευσμένα γενέσθαι. ταῦτα δὲ εἰ μὲν ὥς ἐχθροῖς ἐπεκελεύομεν, ἔδει μόνον εἰπεῖν καὶ ποιεῖν ἀναγκάζειν: ἐπεὶ δὲ ἐπ' ὠφελείᾳ κοινῇ, τάχα μὲν τι καὶ ἡμῶν, τὸ δὲ πλεον ὑμῶν, ὧ Καρχηδόνιοι, γίγνεται, οὐκ ὀκνήσω καὶ τοὺς λογισμοὺς ὑμῖν εἰπεῖν, ἣν δύνησθε πεισθῆναι μᾶλλον ἢ βιασθῆναι. ἡ θάλασσα ὑμᾶς ἦδε, μεμνημένους τῆς ἐν αὐτῇ ποτὲ ἀρχῆς καὶ δυνάμεως, ἀδικεῖν ἐπαίρει, καὶ ἀπὸ τοῦδε ἐς συμφορὰς περιφέρει. Σικελίᾳ τε γὰρ δι' αὐτὴν ἐπεχειρήσατε, καὶ Σικελίαν ἀπωλέσατε: ἐς τε Ἰβηρίαν διεπλεύσατε, καὶ Ἰβηρίαν ἀφήρησθε. ἐν τε ταῖς συνθήκαις ἐλῆξεσθε τοὺς ἐμπόρους, καὶ τοὺς ἡμετέρους μάλιστα, ἵνα λανθάνοιτε, κατεποντοῦτε, ἕως ἀλόντες ποινὴν ἡμῖν ἔδοτε Σαρδώ. οὕτω καὶ Σαρδοὺς ἀφηρέθητε διὰ τὴν θάλασσαν, ἣ πέφυκε πείθειν ἅπαντας αἰεὶ τοῦ πλεονος ὀρέγεσθαι διὰ τὴν ἐν αὐτῇ ταχυεργίαν.

[87] ὁ καὶ Ἀθηναίους, ὅτε ἐγένοντο ναυτικοί, μάλιστα ἠὔξησέ τε καὶ καθεῖλεν: ἔοικε γὰρ τὰ θαλάσσια τοῖς ἐμπορικοῖς κέρδεσιν, ἃ καὶ τὴν αὔξησιν ἔχει καὶ τὴν ἀπώλειαν ἀθρόαν. ἴστε γοῦν αὐτοὺς ἐκείνους ὧν ἐπεμνήσθη, ὅτι τὴν ἀρχὴν ἐπὶ τὸν Ἴόνιον ἐκτείνοντες ἐς Σικελίαν οὐ πρὶν ἀπέστησαν τῆς πλεονεξίας, πρὶν τὴν ἀρχὴν ἅπασαν ἀφαιρεθῆναι, καὶ λιμένας καὶ ναῦς παραδοῦναι τοῖς πολεμίοις, καὶ φρουρὰν ἐνδέξασθαι τῇ πόλει, καὶ τὰ τεῖχη σφῶν αὐτοὶ τὰ μακρὰ καθελεῖν, καὶ σχεδὸν ἡπειρῶνται τότε κἀκεῖνοι γενέσθαι. ὁ καὶ διέσωσεν ἐπὶ πλεῖστον αὐτούς. εὐσταθέστερος γάρ, ὧ Καρχηδόνιοι, ὁ ἐν ἡπείρῳ βίος, γεωργία καὶ ἡρεμία προσπονῶν: καὶ μικρότερα μὲν ἴσως τὰ

κέρδη, βεβαιότερα δὲ καὶ ἀκινδυνότερα καθάπαξ τὰ τῆς γεωργίας τῶν ἐμπόρων. ὅλως τέ μοι δοκεῖ πόλις ἡ μὲν ἐν τῇ θαλάσσῃ ναῦς τις εἶναι μᾶλλον ἢ γῆ, πολὺν τὸν σάλον τῶν πραγμάτων ἔχουσα καὶ τὰς μεταβολάς, ἡ δὲ ἐν τῷ μεσογείῳ καρποῦσθαι τὸ ἀκινδυνον ὥς ἐν γῇ. διὰ τοῦτ' ἄρα καὶ τὰ πάλαι βασιλεία ὡς ἐπίπαν ἦν ἐν μέσῳ, καὶ ἀπὸ τοῦδε μέγιστα ἐγένοντο τὰ Μήδων καὶ Ἀσσυρίων καὶ Περσῶν καὶ ἐτέρων.

[88] ἀλλὰ βασιλικῶν μὲν ὑποδειγμάτων παύομαι, οὐδὲν ὑμῖν ἔτι διαφερόντων: ἐς δὲ τὴν ὑμετέραν Λιβύην ἀπιδετε, ὅσαι μεσόγειοι πόλεις ἀκινδύνως βιοῦσιν. ὧν ἥς ἂν ἐθέλητε, γείτονες ἔσεσθε, ἵνα τὴν ἐρεθίζουσαν ὑμᾶς ὄψιν τε καὶ μνήμην ἀφῆτε τῶν νῦν ἐνοχλοῦντων κακῶν, ὅταν ἐς τὴν θάλασσαν κενὴν σκαφῶν ἀφορῶντες ἀναμνηνέσκησθε τοῦ πλήθους ὧν εἶχετε νεῶν, καὶ λαφύρων ὅσων ἐφέρετε, καὶ ἐς οἴους γε τοὺς λιμένας κατήγεσθε σοβαροί, καὶ τὰ νεώρια καὶ τὰ τῶν σκευῶν ταμειεῖα ἐνεπίμπλατε. τί δὲ αἱ ἐν τοῖς τείχεσιν ὑποδοχαὶ στρατοπέδων τε καὶ ἵππων καὶ ἐλεφάντων; τί δὲ θησαυροὶ τούτοις παρικοδομημένοι; τί ταῦτα μνημεῖα ὑμῖν ἐστίν; ἢ τί ἄλλο πλὴν ὀδύνη, καὶ ἐρέθισμα ἐπανελθεῖν ἐς αὐτά, εἴ ποτε δύναισθε; πάθος ἐστὶν ἀνθρώπειον τοῖς μεμνημένοις τῆς ποτὲ τύχης, ἐλπίζειν τὴν τύχην ἐπανελεύεσθαι, φάρμακον δὲ κακῶν ἀκεστήριον λήθη, ἥς οὐκ ἐνὶ μετασχεῖν ὑμῖν, ἢν μὴ τὴν ὄψιν ἀπόθησθε. καὶ τούτου σαφέστατος ἔλεγχος, ὅτι πολλάκις συγγνώμης καὶ συνθηκῶν τυχόντες παρεσπονθήσατε. εἰ μὲν οὖν ἔτι τῆς ἀρχῆς ἐφίεσθε καὶ δυσμεναίνετε ἡμῖν ὡς ἀφηρημένοι καὶ καιροφυλακεῖτε, δεῖ τῆσδε τῆς πόλεως ὑμῖν καὶ λιμένων τοιῶνδε καὶ νεωρίων καὶ τειχῶν ἐς στρατοπέδου τρόπον εἰργασμένων. καὶ τί ἔτι φειδόμεθα ἐχθρῶν εἰλημμένων; εἰ δὲ τῆς μὲν ἀρχῆς ἀπέστητε καθαρῶς, οὐ λόγῳ μᾶλλον ἢ γνώμῃ, μόνα δ' ἐξήρησθε Λιβύης ἃ ἔχετε, καὶ τάδε ἀπροφασίστως συνέθεσθε ἡμῖν, φέρετε, καὶ ἔργῳ ταῦτα ἐπιδείξατε, ἐς μὲν Λιβύην, ἣν ἔχετε, ἀνοικισάμενοι, τῆς δὲ θαλάσσης ἐκστάντες, ἥς ἀπέστητε.

[89] μηδ' ὑποκρίνεσθε ἐλεεῖν ἱερὰ καὶ ἐστίας καὶ ἀγοράς καὶ τάφους: ὧν τάφοι μὲν ἔστων ἀκίνητοι, καὶ ἐναγίζετε αὐτοῖς ἐπερχόμενοι καὶ τοῖς ἱεροῖς θύειν εἰ θέλετε ἐπιόντες, τὰ δὲ λοιπὰ καθέλωμεν. οὐ γὰρ καὶ νεωρίοις θύετε, οὐδὲ ἐναγίζετε τείχεσιν. ἐστίας δὲ καὶ ἱερὰ ἄλλα καὶ ἀγοράς ἐνὶ καὶ μετελθόντας ἐργάσασθαι, καὶ ταχὺ κάκεῖνα ὑμῖν ἔσται πάτρια, ᾧ λόγῳ καὶ τὰ ἐν Τύρῳ καταλιπόντες ἡλλάξασθε Λιβύην, τὰ τε ἐπικτήτα ὑμῖν τότε γενόμενα νῦν πάτρια τίθεσθε. βραχεῖ τε λόγῳ μάθοιτε ἂν ὡς οὐχ ὑπὸ δυσμενείας ἀλλ' ἐπὶ βεβαίῳ τε ὁμονοίᾳ καὶ ἀμεριμνίᾳ κοινῇ τάδε προστάσσομεν, εἰ ἀναμνησθεῖητε ὅτι καὶ Ἀλβὴν ἡμεῖς, οὐκ ἐχθρὰν ἀλλὰ μητρόπολιν οὖσαν, οὐδὲ δυσμεναίνοντες ἀλλ' ὡς ἄποικοι προτιμῶντες, ἐπὶ συμφέροντι κοινῷ μετῴκισαμεν ἐς Ῥώμην, καὶ ἐλυσιτέλησεν ἀμφοτέροις. ἀλλ' εἰσὶ γὰρ ὑμῖν ἔτι χειρόνακτες πολλοὶ θαλασσοβίῳτοι. καὶ τούτου πεφροντικαμεν, ὡς ἂν εὐκόλως ἐπιμηνύοισθε τῇ θαλάσσῃ, καὶ τὴν τῶν ὠραίων διάθεσιν τε καὶ ἀντίληψιν ἔχοιτε εὐμαρῇ: οὐ γὰρ μακρὰν ὑμᾶς ἀπὸ θαλάσσης, ἀλλ' ὀγδοήκοντα σταδίους ἀναδραμεῖν κελεύομεν. ἡμεῖς δ' ταῦτα προστάσσοντες ὑμῖν ἑκατὸν τῆς θαλάσσης ἀπέχομεν. χωρίον δὲ ὑμῖν δίδομεν, ὃ θέλετε, ἐπιλέξασθαι, καὶ μετελθοῦσιν αὐτονόμοις εἶναι. τοῦτο δ' ἐστὶν ὃ

προυλέγομεν, αὐτόνομον ἑάσειν Καρχηδόνα, εἰ πείθοιτο ἡμῖν: Καρχηδόνα γὰρ ὑμᾶς, οὐ τὸ ἔδαφος ἡγούμεθα.

[90] τοσαῦτα εἰπὼν ὁ Κηνσωρῖνος ἡσύχασεν. καὶ τῶν Καρχηδονίων ὑπ' ἐκπλήξεως οὐδὲν ἀποκριναμένων ἐπεῖπεν: 'ἂ μὲν ἔδειπείθοντα καὶ παρηγοροῦντα εἰπεῖν, εἴρηται: τὸ δὲ πρόσταγμα τῆς βουλῆς δεῖ γενέσθαι καὶ αὐτίκα γενέσθαι. ἅπιτε οὖν: ἐστὲ γὰρ ἔτι πρέσβεις.' ὁ μὲν εἶπεν οὕτως, οἱ δ' ἐξωθούμενοι πρὸς τῶν ὑπηρετῶν, καὶ τὸ μέλλον ὑπὸ Καρχηδονίων ἔσεσθαι προορῶντες, ἤτησαν αὐθις εἰπεῖν. καὶ ἐσαχθέντες ἔφασαν 'τὸ μὲν ἀπαραίτητον τοῦ κελεύσματος ὀρῶμεν: οὐ γὰρ οὐδὲ πρεσβεῦσαι δίδοτε ἐς Ῥώμην. ἡμεῖς δ' ἐπανελεύσεσθαι μὲν πρὸς ὑμᾶς οὐκ ἐλπίζομεν, ἀλλ' ὑπὸ Καρχηδονίων ἔτι λέγοντες ἀπολεισθαι: δεόμεθα δ' ὑμῶν, οὐχ ὑπὲρ ἑαυτῶν 'ἐσμὲν γὰρ πάντα παθεῖν ἔτοιμοι ἀλλ' ὑπὲρ αὐτῆς ἔτι Καρχηδόνας, εἰ δύναιτο καταπλαγεῖσα τὰς συμφορὰς ὑποστῆναι. περιστήσατε αὐτῇ τὰς ναῦς ἕως ὁδεύοντες ἅπιμεν, ἵνα καὶ θεωροῦντες καὶ ἀκούοντες ὧν προσετάξατε ἐνέγκωσιν, ἃν ἄρα δύνωνται. ἐς τοῦτο δ' ἡμῖν ἀνάγκης ἀφίκται καὶ τύχης ὡς αὐτοὶ παρακαλεῖν ὑμᾶς τὰς ναῦς ἐπάγειν ἐπὶ τὴν πατρίδα.' οἱ μὲν δὴ τοσαῦτα εἰπόντες ἀπήεσαν, καὶ ὁ Κηνσωρῖνος πεντήρεσιν εἴκοσι παραπλεύσας ἀνεκώχευε παρὰ τὴν πόλιν: τῶν δὲ πρέσβων οἱ μὲν ἐκ τῆς ὁδοῦ διεδίδρασκον, οἱ δὲ πλέονες ἐπορεύοντο σιγῇ.

[91] Καρχηδόνιοι δ' οἱ μὲν ἀπὸ τῶν τειχῶν ἐς τοὺς πρέσβεις, ὅποτε ἤξουσιν, ἀφεώρων καὶ βραδύνουσιν αὐτοῖς ἤχοντο, καὶ τὰς κόμας ἐτίλλοντο: οἱ δ' ὑπήντων ἔτι προσιοῦσιν, οὐκ ἀναμένοντες ἀλλ' ἐπειγόμενοι μαθεῖν. σκυθρωποὺς δὲ ὀρῶντες ἐτύπτοντο τὰ μέτωπα, καὶ διηρώτων, οἱ μὲν ὁμοῦ πάντας οἱ δ' ἕκαστον, ὡς εἶχε τις φιλίας ἢ γνώσεως ἐς αὐτόν, ἐπιστρέφων τε καὶ πυνθανόμενος. ὡς δὲ οὐδεὶς ἀπεκρίνετο, ἀνῶμωζον ὡς ἐπ' ὀλέθρῳ σαφεῖ. καὶ οἱ ἐπὶ τοῦ τείχους ἀκούοντες συνανώμωζον αὐτοῖς, οὐκ εἰδότες μὲν οὐδέν, ὡς δ' ἐπὶ σαφεῖ καὶ μεγάλῳ κακῷ. περὶ δὲ τὰς πύλας ὀλίγου μὲν αὐτοὺς καὶ συνεπάτουν, ἐπιπίπτοντες ἄθροοι, ὀλίγου δὲ καὶ διέσπασαν, εἰ μὴ τοσόνδε ἔφασαν, ὅτι χρή τῇ γερουσίᾳ πρότερον ἐντυχεῖν. τότε γὰρ οἱ μὲν δίσταντο αὐτοῖς, οἱ δὲ καὶ ὥδοποιούν ἐπιθυμία τοῦ θάσσον μαθεῖν. ὡς δὲ ἐς τὸ βουλευτήριον ἐσηλθον, ἡ μὲν γερουσία τοὺς ἄλλους μετεστήσατο, καὶ μόνοι συνήδρευον ἐφ' ἑαυτῶν, τὸ δὲ πλῆθος ἔξω περιεστῆκεσαν. οἱ δὲ πρέσβεις ἀπήγγελλον πρῶτα μὲν τὸ κέλευσμα τῶν ὑπάτων: καὶ εὐθὺς ἦν βοή τῆς γερουσίας, καὶ ὁ δῆμος ἔξω συνεβόα. ὡς δὲ ἐπήγον οἱ πρέσβεις ὅσα ἀντέλεξαν δικαιολογούμενοι καὶ δεόμενοι καὶ ἐς Ῥώμην πρεσβεῦσαι παραιτούμενοι, αὐθις ἦν τῆς βουλῆς σιγὴ βαθεῖα, τὸ τέλος μαθεῖν περιμενούσης, καὶ ὁ δῆμος αὐτῇ συνεσιώπα. ὡς δ' ἔμαθον ὅτι μηδὲ πρεσβεῦειν ἐπέτρεψαν, ἠγάλαξαν ἐξαίσιον ὀδυρόμενοι, καὶ ὁ δῆμος ἐσέδραμεν ἐς αὐτούς.

[92] καὶ ἀπὸ τοῦδε ἦν οἷστρος ἄλογός τε καὶ μανιώδης, οἷον ἐν τοῖς βακχείοις πάθεσί φασι τὰς μαινάδας ἀλλόκοτα καινουργεῖν. οἱ μὲν τῶν βουλευτῶν τοὺς περὶ τῶν ὁμήρων ἐσηγησαμένους ὡς ἐξάρχους τῆς ἐνέδρας ἠκίζοντο καὶ διέσπων, οἱ δὲ τοὺς συμβουλευσάντας περὶ τῶν ὅπλων. οἱ δὲ τοὺς πρέσβεις κατέλεον ὡς κακῶν ἀγγέλους, οἱ δὲ καὶ περιέσυρον ἀνὰ τὴν

πόλιν. ἔτεροι δὲ τοὺς Ἰταλοὺς, οἳ ἔτι παρ' αὐτοῖς ὥς ἐν αἰφνιδίῳ καὶ ἀκηρύκτῳ κακῷ ἦσαν, ἐλυμαίνοντο ποικίλως, ἐπιλέγοντες ὁμήρων πέρι καὶ ὅπλων καὶ ἀπάτης ἀμύνεσθαι. οἰμωγῆς τε ἅμα καὶ ὀργῆς καὶ δέους καὶ ἀπειλῆς ἢ πόλις ἐνεπέπληστο, καὶ ἐν ταῖς ὁδοῖς ἀνεκάλουν τὰ φίλτατα, καὶ ἐς τὰ ἱερὰ ὥς ἄσυλα κατέφευγον, καὶ τοὺς θεοὺς ὠνείδιζον ὥς οὐδὲ σφίσιν αὐτοῖς ἐπικουρῆσαι δυναμένους. ἔτεροι δὲ ἐς τὰς ὀπλοθήκας ἰόντες ἔκλειον, ὀρῶντες κενάς· οἳ δ' ἐς τὰ νεώρια καταθέοντες ὠδύροντο τὰς ναῦς ὥς ἀπίστοις ἀνδράσιν ἐκδεδομένας. καὶ τὰ ὀνόματά τινες τῶν ἐλεφάντων ἀνεκάλουν ὥς ἔτι παρόντων, τοὺς τε προγόνους καὶ σφᾶς αὐτοὺς ἐλοιδόρουν, ὥς δέον μῆτε ναῦς μῆτε ἐλέφαντας μῆτε φόρους μῆτε τὰ ὅπλα παραδόντας ἀποθανεῖν σὺν τῇ πατρίδι ὀπλισμένη. μάλιστα δ' αὐτοὺς ἐς ὀργὴν ἀνέκαιον αἱ μητέρες αἱ τῶν ὁμήρων, οἷά τινες ἐκ τραγωδίας ἐρινύες ἐντυγχάνουσαι μετ' ὀλοολυγῆς ἐκάστω, καὶ τὴν ἑκδοσιν τῶν παίδων προφέρουσai καὶ τὴν ἑαυτῶν ἀπόρρησιν· ἐπεγέλων τε αὐτοῖς ὥς θεῶν ἀμυνομένων αὐτοὺς ἀντὶ τῶν παίδων. ὀλίγον δ' ὅσον ἐσωφρόνει, τὰς πύλας ἀπέκλειε, καὶ τὸ τεῖχος λίθων ἀντὶ καταπελτῶν ἐπλήρουν.

[93] ἡ δὲ βουλὴ πολεμεῖν μὲν ἐνηφισατο αὐτῆς ἡμέρας, καὶ τοὺς δούλους ἐκήρυξεν ἐλευθέρους εἶναι, στρατηγούς δὲ εἵλοντο τῶν μὲν ἔξω πράξεων Ἀσδρούβαν, ὃ θάνατος ἐπικήρυκτος ἦν, ἔχοντα δισφυρίων ἤδη σύνοδον ἀνδρῶν· καὶ τις ἐξέτρεχεν αὐτοῦ δεησόμενος μὴ μνησικακῆσαι τῇ πατρίδι ἐνὲς χάτῳ κινδύνου, μηδέ, ὣν ὑπ' ἀνάγκης ἡδίκηθη Ῥωμαίων δέει, νῦν ἀναφέρειν. ἐντὸς δὲ τειχῶν ἡρέθη στρατηγὸς ἕτερος Ἀσδρούβας, θυγατρίδους Μασσανάσσου. ἔπεμψαν δὲ καὶ ἐς τοὺς ὑπάτους, αἰτοῦντες αὐτῆς ἡμερῶν τριάκοντα ἀνοχάς, ἵνα πρεσβεύσειαν ἐς Ῥώμην. ἀποτυχόντες δὲ καὶ τότε, ἐπὶ θαυμαστῆς ἐγίγνοντο μεταβολῆς τε καὶ τόλμης ὅτιοις παθεῖν μᾶλλον ἢ τὴν πόλιν ἐκλιπεῖν. ταχὺ δὲ καὶ θάρσους ἐκ τῆς μεταβολῆς ἐπίμπλαντο. καὶ δημιουργεῖα μὲν τὰ δημόσια τεμένη καὶ ἱερὰ πάντα, καὶ εἴ τι ἄλλο εὐρύχωρον ἦν, ἐγένετο· εἰργάζοντο δὲ ὁμοῦ ἄνδρες τε καὶ γυναῖκες ἡμέρας τε καὶ νυκτός, μὴ ἀναπαύομενοι καὶ σῖτον αἰρούμενοι παρὰ μέρος, ἐπὶ ὄρω τακτῷ, θυρεοὺς ἑκατὸν ἡμέρας ἐκάστης καὶ ξίφη τριακόσια καὶ καταπελτικά βέλη χίλια, σαρνία δὲ καὶ λόγχας πενκακοσίας, καὶ καταπέλτας ὅσους δυνηθεῖεν. ἐς δὲ τὰς ἐπιτάσεις αὐτῶν ἀπέκειραν τὰς γυναῖκας, τριχῶν ἐτέρων ἀπορία.

[94] καὶ οἳ μὲν ἐν τούτῳ σπουδῆς καὶ παρασκευῆς ἦσαν, οἳ δ' ὑπατοὶ τάχα μὲν τι καὶ ὄκνω, μὴ εὐθὺς ἐπιχειρεῖν ἐς ἔργον ἀλλόκοτον, ἅμα δὲ καὶ τὴν πόλιν ἄνοπλον οὖσαν λήψεσθαι κατὰ κράτος, ὅτε θέλοιεν, ἡγούμενοι, διέμελλον ἔτι καὶ ἐνδώσειν αὐτοὺς ἐνόμιζον ἐκ τῆς ἀπορίας, οἷον ἐν τοῖς δυσχερέσι γίγνεσθαι φιλεῖ, εὐθὺς μὲν ἀντιλέγειν, προϊόντος δὲ χρόνου καὶ λογισμοῦ φόβον ἄπτεσθαι τῶν ἀπειθούντων. ἃ καὶ τῶν Καρχηδονίων τις αὐτῶν, εἰκάσας σφῶν ἤδη τὸ δέος ἄπτεσθαι, ἐτόλμησεν ὥς ἐπὶ δὴ τι ἄλλο παρελθὼν ἐς τὸ μέσον εἰπεῖν, ὅτι χρὴ τῶν κακῶν ἐπιλέγεσθαι τὰ μετριώτερα, ὄντας ἀνόπλους, οὕτω σαφῶς εἰπὼν τὰ τῆς γνώμης. Μασσανάσσης δὲ ἤχθετο Ῥωμαίοις, καὶ ἔφερε βαρέως ὅτι τὴν Καρχηδονίων δύναμιν αὐτὸς ἐς γόνυ βαλὼν ἄλλους ἐώρα τῷ ἐπιγράμματι αὐτῆς ἐπιτρέχοντάς τε καὶ οὐ κοινώσαντας αὐτῷ πρὶν ἐπελθεῖν, ὥς ἐν τοῖς πάλαι πολέμοις ἐποίουν. ὁμως δ'

αὐτοῦ τῶν ὑπάτων ἀποπειρωμένων καὶ καλούντων ἐπὶ συμμαχίαν, ἔφη τὴν συμμαχίαν πέμψειν, ὅταν αἰσθῇται δεομένων. καὶ μετ' οὐ πολὺ πέμψας ἤρετο εἴ τινος ἤδη δέονται. οἱ δὲ οὐ φέροντες αὐτοῦ τὸ σοβαρόν, ἤδη δέ τι καὶ ἀπιστοῦντες ὥς δυσμεναίνοντι, ἀπεκρίναντο προσπέμψειν ὅτε δεηθεῖεν. περὶ δὲ ἀγορᾶς τῷ στρατῷ καὶ πάνυ ἐφρόντιζον, ἐκ μόνης ἔχοντες Ἀδρυμητοῦ καὶ Λέπτεως καὶ Θάψου καὶ Ἰτύκης καὶ Ἀχόλλης· τὰ γὰρ δὴ λοιπὰ Λιβύης ἦν ἔτι πάντα ὑπὸ Ἀσδρούβα, ὅθεν ἐκεῖνος ἀγορὰν ἐς Καρχηδόνα ἔπεμπε. ὀλίγων δ' ἐς ταῦτα διατριφθεῖσων ἡμερῶν, οἱ μὲν ὑπατοὶ προσήεσαν ἄμφω τῇ πόλει τῶν Καρχηδονίων ἐς μάχην ἐσκευασμένοι, καὶ ἐπεχείρουν.

[95] ἦν δὲ ἡ πόλις ἐν μυχῷ κόλπου μεγίστου, χερρονήσῳ τι μάλιστα προσεικυῖα. αὐχὴν γὰρ αὐτὴν ἀπὸ τῆς ἡπείρου διεῖργεν, εὖρος ὦν πέντε καὶ εἴκοσι σταδίων· ἀπὸ δὲ τοῦ αὐχένος ταινία στενὴ καὶ ἐπιμήκης, ἡμισταδίου μάλιστα τὸ πλάτος, ἐπὶ δυσμὰς ἐχώρει, μέση λίμνης τε καὶ τῆς θαλάσσης ... ἀπλῶ τείχει περίκρημνα ὄντα, τὰ δὲ πρὸς μεσημβρίαν ἐς ἡπειρον, ἔνθα καὶ ἡ Βύρσα ἦν ἐπὶ τοῦ αὐχένος, τριπλῶ τείχει. τούτων δ' ἕκαστον ἦν ὕψος μὲν πηχῶν τριάκοντα, χωρὶς ἐπάλξεων τε καὶ πύργων, οἱ ἐκ διπλέθρου διαστήματος αὐτοῖς τετράροφοι περιέκειντο, βάθος δὲ ποδῶν τριάκοντα, διώροφον δ' ἦν ἐκάστου τείχους τὸ ὕψος, καὶ ἐν αὐτῷ κοίλῳ τε ὄντι καὶ στεγανῷ κάτω μὲν ἐστάθμευον ἐλέφαντες τριακόσιοι, καὶ θησαυροὶ παρέκειντο αὐτοῖς τῶν τροφῶν, ἵπποστάσια δ' ὑπὲρ αὐτοῦς ἦν τετρακισχιλίοις ἵπποις, καὶ ταμειᾶ χιλοῦ τε καὶ κριθῆς, ἀνδράσι τε καταγωγαῖ πεζοῖς μὲν ἐς δισμυρίους, ἵππεῦσι δὲ ἐς τετρακισχιλίους. τοσῆδε παρασκευῇ πολέμου διετέτακτο σταθμεύειν ἐν τοῖς τείχεσι μόνοις. γωνία δ' ἡ παρὰ τὴν γλῶσσαν ἐκ τοῦδε τοῦ τείχους ἐπὶ τοὺς λιμένας περιέκαμπεν, ἀσθενὴς ἦν μόνη καὶ ταπεινὴ, καὶ ἡμέλητο ἐξ ἀρχῆς.

[96] οἱ δὲ λιμένες ἐς ἀλλήλους διεπλέοντο, καὶ ἔσπλους ἐκ πελάγους ἐς αὐτοὺς ἦν ἐς εὖρος ποδῶν ἑβδομήκοντα, ὃν ἀλύσεσιν ἀπέκλειον σιδηραῖς. ὁ μὲν δὴ πρῶτος ἐμπόροις ἀνείτο, καὶ πείσματα ἦν ἐν αὐτῷ πυκνὰ καὶ ποικίλα· τοῦ δ' ἐντὸς ἐν μέσῳ νήσος ἦν, καὶ κρητῖσι μεγάλαις ἢ τε νήσος καὶ ὁ λιμὴν διεῖληπτο. νεωρίων τε ἔγεμον αἱ κρητῖδες αἶδε ἐς ναῦς διακοσίας καὶ εἴκοσι πεπονημένων, καὶ ταμειῶν ἐπὶ τοῖς νεωρίοις ἐς τριηρετικά σκευή. κίονες δ' ἐκάστου νεωσοῦ προὔχον Ἰωνικοὶ δύο, ἐς εἰκόνα στοᾶς τὴν ὄψιν τοῦ τε λιμένος καὶ τῆς νήσου περιφέροντες. ἐπὶ δὲ τῆς νήσου σκηνὴ ἐπεποιήτο τῷ ναυάρχῳ, ὅθεν ἔδει καὶ τὸν σαλπικτὴν σημαίνειν, καὶ τὸν κήρυκα προλέγειν, καὶ τὸν ναύαρχον ἐφορᾶν. ἔκειτο δ' ἡ νήσος κατὰ τὸν ἔσπλουν, καὶ ἀνετέτατο ἰσχυρῶς, ἵνα ὁ τε ναύαρχος τὰ ἐκ πελάγους πάντα ἐφορᾷ, καὶ τοῖς ἐπιπλέουσιν ἀφανὴς ἢ τῶν ἔνδον ἢ ὄψις ἢ ἀκριβής. οὐ μὴν οὐδὲ τοῖς ἐσπλεύσασιν ἐμπόροις εὐθὺς ἦν τὰ νεώρια σύνοπτα· τεῖχος τε γὰρ αὐτοῖς διπλοῦν περιέκειτο, καὶ πύλαι, αἱ τοὺς ἐμπόρους ἀπὸ τοῦ πρώτου λιμένος ἐς τὴν πόλιν ἐσέφερον οὐ διερχομένους τὰ νεώρια.

[97] οὕτῳ μὲν εἶχεν ἡ πόλις ἡ Καρχηδονίων ἢ τότε, οἱ δ' ὑπατοὶ διελόμενοι τὸ ἔργον ἤεσαν ἐπὶ τοὺς πολεμίους, Μανίλιος μὲν ἀπὸ τῆς ἡπείρου κατὰ τὸν αὐχένα, ἐγγώσων τε τὴν τάφρον καὶ βραχὺ ἐπιτείχισμα τὸ ἐπ' αὐτῇ βιασόμενος, καὶ ἐπ' ἐκείνῳ τὰ ὑψηλὰ τεῖχη· Κησωρῖνος δὲ κλίμακας ἐκ τε

γῆς καὶ νεῶν ἐπέφερε κατὰ τὴν εὐτελῇ τοῦ τείχους γωνίαν. ἄμφω δ' ὡς ἀνόπλων κατεφρόνουν, ἕως ἐντυχόντες ὅπλοις τε καινοῖς καὶ ἀνδρῶν προθυμία παραλόγῳ κατεπλάγησαν καὶ ὑπεχώρουν. καὶ εὐθὺς αὐτοῖς τοῦτο πρῶτον ἀντεκεκρούκει, ἐλπίσασιν ἅμαχί λήψεσθαι τὴν πόλιν. ὡς δὲ καὶ αὐθις ἐπεχείρουν καὶ αὐθις ἀπετύγχανον, τὰ μὲν τῶν Καρχηδονίων φρονήματα ἐπῆρτο, οἱ δ' ὕπατοι δεδιότες Ἀσδρούβαν ὀπισθεν σφῶν ὑπὲρ τὴν λίμνην οὐκ ἐκ μακροῦ διαστήματος ἐστρατοπεδευμένον, ὠχύρουν καὶ αὐτοὶ δύο στρατόπεδα, Κηνσωρίνος μὲν ἐπὶ τῆς λίμνης ὑπὸ τοῖς τείχεσι τῶν πολεμίων, Μανίλιος δ' ἐν τῷ αὐχένι τῆς ἐς τὴν ἡπειρον ὁδοῦ. ὡς δὲ αὐτοῖς ἐγγήγερτο τὰ στρατόπεδα, ὁ Κηνσωρίνος ἐπὶ ὕλῃ ἐς μηχανὰς διέπλευσε διὰ τῆς λίμνης· καὶ ἀπέβαλεν ὑλοτόμων ἐς πεντακοσίους ἄνδρας ὅπλα τε πολλά, Ἰμίλκωνος αἰφνίδιον αὐτῷ, τοῦ Καρχηδονίων ἱπάρχου, προσπεσόντος, ᾧ Φαμέας ἐπώνυμον ἦν. κομίσας δ' ὅμως τινὰ ὕλην, μηχανὰς ἐποίησε καὶ κλίμακας. καὶ πάλιν ἐπεχείρουν ἄμφω τῇ πόλει, καὶ ἀπετύγχανον ὁμοίως. Μανίλιος μὲν οὖν μικρὸν ἔτι προσκαμίων καὶ μόλις τι τοῦ προτειχίσματος καταβαλὼν, ἀπέγνω μηδὲ ἐπιχειρεῖν ἔτι ταύτη·

[98] Κηνσωρίνος δὲ χώσας τι τῆς λίμνης παρὰ τὴν ταινίαν, ἵνα εὐρύτερον εἴη, δύο μηχανὰς κριοφόρους ἐπῆγε μεγάλας, τὴν μὲν ὠθυομένην ἐξακισχιλίους πεζοῖς, ἡγουμένων τῶν χιλιάρχων, τὴν δὲ ὑπὸ τῶν ἐρετῶν, ἡγουμένων καὶ τοῖσδε ναυάρχων. φιλονεικίας δ', ὡς ἐν ἴσῳ καὶ ὁμοίῳ ἔργῳ, τοῖς τε ὑπηρεταῖς καὶ τοῖς ἄρχουσιν αὐτῶν γενομένης, συνέπεσέ τι τοῦ τείχους, καὶ τὰ ἐντὸς ἤδη κατεφαίνετο. Καρχηδόνιοι δὲ καὶ ὡς αὐτοὺς ἀπασάμενοι, τὰ πεσόντα νυκτὸς ᾠκοδόμουν. οὐκ ἄρκούσης δ' ἐς τὸ ἔργον αὐτοῖς τῆς νυκτός, δεδιότες περὶ τῷ ἤδη γεγονότι, μὴ καὶ τοῦτο μεθ' ἡμέραν αἱ Ῥωμαίων μηχαναὶ νεότευκτον καὶ ὑγρὸν ἔτι καταβάλοιεν, ἐξέδραμον ἐπὶ τὰ μηχανήματα τῶν πολεμίων, οἱ μὲν σὺν ὅπλοις, οἱ δὲ γυμνοὶ λαμπάδας ἡμμένας ἔχοντες, καὶ ἐνέπηρσαν μὲν οὐχ ὅλα 'οὐ γὰρ ἔφθασαν Ῥωμαίων ἐπιδραμόντων, ἀρχεῖα δ' ὅλα ποιήσαντες ἀνεχώρουν. ἅμα δ' ἡμέρα Ῥωμαίοις ἐπέπεσεν ὁρμὴ διὰ τοῦ πεσόντος οὐπω τελέως ἐγληγερμένου βιάσασθαι καὶ ἐσδραμεῖν· καὶ γάρ τι πεδῖον ἐντὸς ἐφαίνετο εὐφυὲς ἐς μάχην, ἐν ᾧ τοὺς ἐνόπλους ἔστησαν οἱ Καρχηδόνιοι κατὰ μετώπου, τοὺς δ' ἀνόπλους αὐτοῖς ἐπέταξαν σὺν λίθοις ὀπίσω καὶ ξύλοις, ἐτέρους τε πολλοὺς διαθέντες ἐπὶ τῶν περικειμένων οἰκιῶν ἀνέμενον τοὺς ἐπερχομένους ἐσδραμεῖν. οἱ δ' ἔτι μᾶλλον ἡρεθίζοντο ὡς ὑπὸ γυμνῶν ἀνδρῶν καταφρονούμενοι, καὶ θρασέως ἐπεπῆδων. Σκιπίων δέ, ὃς μετ' ὀλίγον εἴλε Καρχηδόνα καὶ παρὰ τοῦτο Ἀφρικανὸς ἐπεκλήθη, χιλιαρχῶν τότε ᾠκνει, καὶ τοὺς ἑαυτοῦ λόχους ἐς πολλὰ διελὼν, καὶ στήσας ἐκ διαστήματος ἐπὶ τοῦ τειχίου, κατιέναι μὲν ἐς τὴν πόλιν οὐκ εἶα, τοὺς δὲ ἐσελθόντας ἐξωθουμένους ὑπὸ τῶν Καρχηδονίων πάντοθεν αὐτοῖς ἐπιπεσόντων ὑπεδέχετο καὶ περιέσωζεν. καὶ τοῦτο πρῶτον αὐτὸν ἐπὶ δόξης ἐποίησεν, εὐβουλότερον τοῦ στρατηγοῦ φανέντα.

[99] κυνὸς δ' ἦν ἐπιτολή, καὶ τὸ Κηνσωρίνου στρατόπεδον ἐνόσει, σταθμεῦον ἐπὶ λίμνῃ σταθεροῦ καὶ βαρέος ὕδατος καὶ ὑπὸ τείχεσι μεγίστοις, οὐ καταπνεόμενον ἐκ τῆς θαλάσσης. ὅθεν ὁ Κηνσωρίνος ἐς τὴν θάλασσαν ἀπὸ τῆς λίμνης μετεστρατοπέδευσε. καὶ οἱ Καρχηδόνιοι, ὅτε γίγνοιτο πνεῦμα

ἐς τοὺς Ῥωμαίους ἐπιφορον, σκάφας φρυγάνων καὶ στυππίου εἶλκον ὑπὸ τοῖς τείχεσιν, οὐ καθορώμενοι τοῖς πολεμίοις, ἀπὸ κάλων· εἰ δὲ ἐπικάμπτοντες ἔμελλον γενήσεσθαι καταφανεῖς, θεῖον αὐταῖς καὶ πίσσαν ἐπιχέοντες ἀνέτεινον τὰ ἰστία, καὶ πλησαντες ἀνέμου πῦρ ἐνέβαλον ἐς τὰ σκάφη. τὰ δὲ τῷ τε ἀνέμῳ καὶ τῇ ῥοπῇ τοῦ πυρὸς ἐς τὰς Ῥωμαίων ναῦς ἐώθειτο καὶ ἐλυμαίνετο καὶ ὀλίγου τὸν στόλον κατέφλεξεν. μετὰ δὲ οὐ πολὺ Κηνησωρῖνος μὲν ἐς Ῥώμην ὥχετο ἀρχαιρεσιάσων, οἱ δὲ Καρχηδόνιοι τῷ Μανίλῳ θρασύτερον ἐπέκειντο· καὶ νυκτός, οἱ μὲν ὅπλα ἔχοντες οἱ δὲ γυμνοί, σανίδας φέροντες ἐπετίθεσαν τῇ κατὰ σφᾶς τάφρῳ τοῦ Μανιλίου, καὶ τὸ χαράκωμα διέσπων. ἀπορουμένων δὲ ὡς ἐν νυκτὶ τῶν ἔνδον, ὁ Σκιπίων ἐξέδραμε σὺν ἱππεῦσιν ἐκ τοῦ στρατοπέδου κατὰ πύλας ἄλλας, ἔνθα οὐδεὶς πόλεμος, καὶ περιδραμὼν τοὺς Καρχηδονίους κατεφόβησεν. οἱ δὲ ἀνεχώρουν ἐς τὴν πόλιν. καὶ δεύτερον ὁ Σκιπίων ἐδόκει τῷδε τῷ ἔργῳ περισῶσαι Ῥωμαίους, ἐν νυκτὶ θορυβουμένους.

[100] ὁ δὲ Μανίλιος τὸ μὲν στρατόπεδον ἔτι μᾶλλον ὠχύρου, τεῖχός τε ἀντὶ χάρακος αὐτῷ περιτιθεῖς καὶ ἐπίνειον φρούριον ἐγείρων ἐπὶ τῆς θαλάσσης διὰ τὴν καταπλέουσιν ἀγοράν· τραπείδ' ἐς τὰ μεσόγεια μυρίους πεζοὺς καὶ ἱππεῦσι δισχιλίους τὴν χώραν ἐπόρθει, ξυλευόμενός τε καὶ χορτολογῶν καὶ ἀγορὰν συλλέγων. ἡγεῖτο δ' αἰεὶ τῶν προνομευόντων χιλίαρχος ἕτερος παρ' ἑτερον. καὶ Φαμέας ὁ ἵππαρχος ὁ τῶν Λιβύων, νέος τε ὢν ἔτι καὶ θρασύτερος ἐς μάχας, καὶ ἵπποις χρώμενος μικροῖς καὶ ταχέσι, καὶ ποηφαγοῦσιν ὅτε μηδὲν εἴη, καὶ φέρουσι δίψος, εἰ δεήσειε, καὶ λιμόν, ὑποκρυπτόμενος ἐν λόχμας ἢ φάραγξιν, ὅπῃ τι ἀμελούμενον ἴδοι, ἐφίπτατο ἐξ ἀφανοῦς ὥς τις αἰετός, καὶ λυμηνάμενος ἀπεπήδα· ὅτε δὲ Σκιπίων ἄρχοι, οὐδαμοῦ οὐδ' ἐπεφάνετο. ὁ γάρ τοι Σκιπίων αἰεὶ συντεταγμένους ἤγε τοὺς πεζοὺς, καὶ τοὺς ἱππέας τῶν ἵππων ἐπιβεβηκότας· ἐν τε ταῖς προνομαῖς οὐ πρὶν διέλυε τὴν σύνταξιν ἢ τὸ πεδῖον, ὃ ἔμελλε θεριεῖν, ἱππεῦσι καὶ ὀπλίταις περιλάβοι· καὶ τότε κύκλῳ αὐτὸς ἐτέραις ἴλαις ἱππέων αἰεὶ περιήει, καὶ τῶν θεριζόντων τὸν ἀποσκιδνάμενον ἢ ἐξιόντα τοῦ κύκλου πικρῶς ἐκόλαζεν.

[101] ὅθεν οἱ Φαμέας οὐκ ἐπεχειρεῖ μόνῳ. καὶ γιγνομένου τοῦδε συνεχῶς τὸ μὲν κλέος ἠῤῥετο τῷ Σκιπίωνι, οἱ δ' ἕτεροι χιλίαρχοι κατὰ φθόνον ἐλογοποιοῦν ξενίαν ἐκ πατέρων εἶναι Φαμέα πρὸς Σκιπίωνα τὸν τοῦδε πάππον. Λιβύων δὲ τοῖς ἐς πύργους καὶ φρούρια, ἃ πολλὰ ἦν ἐν τῇ χώρᾳ, καταφυγοῦσιν οἱ μὲν ἄλλοι χιλίαρχοι σπενδόμενοι καὶ μεθιέντες ἐπετίθεντο ἀπιοῦσιν, ὁ δὲ Σκιπίων ἐς τὰ οἶκοι παρέπεμπε, καὶ ἀπὸ τοῦδε οὐ πρὶν ἢ Σκιπίωνα ἀφικέσθαι συνετίθετο οὐδεὶς. τοσαύτῃ δόξᾳ αὐτοῦ ἀνδρείας τε πέρι καὶ πίστεως καὶ παρὰ τοῖς ἰδίους δι' ὀλίγου ἐγεγένητο καὶ παρὰ τοῖς πολεμίοις. ἐπανελθόντων δ' αὐτῶν ἀπὸ τῆς προνομῆς ἐς τὸ στρατόπεδον, οἱ Καρχηδόνιοι νυκτός ἐπέθεντο τῷ ἐπινείῳ· καὶ θόρυβος ἦν ποικίλος, συνεπηχούντων ἐς ἑκπληξιν τῶν ἐν ἅστει Καρχηδονίων. ὁ μὲν οὖν Μανίλιος τὸν στρατὸν ἔνδον συνείχε· ὡς ἐν ἀγνοίᾳ τοῦ κακοῦ· ὁ δὲ Σκιπίων ἱππέων ἴλας δέκα λαβὼν ἐπήγε μετὰ δάδων ἡμμένων, προειπὼν διὰ τὴν νύκτα μὴ συμπλέκεσθαι, περιτρέχειν δὲ σὺν τῷ πυρὶ καὶ τὸ πλῆθος ἐπιφαίνειν καὶ φόβον ἐμπεσουμένων παρέχειν αἰεὶ, μέχρι ταρασσόμενοι διχόθεν οἱ Καρχηδόνιοι

κατεπλάγησαν καὶ ἐς τὴν πόλιν ἐσέφυγον. καὶ τότε τοῖς Σκιπίωνος κατορθώμασι προσεγίνετο. ἦν τε διὰ στόματος ἐπὶ πᾶσιν ἔργοις ὡς μόνος ἄξιος Παύλου τε τοῦ πατρὸς τοῦ Μακεδόνας ἐλόντος καὶ τῶν Σκιπιῶνων, ἐς οὗς κατὰ θέσιν ἀνείληπτο.

[102] Μανιλίου δὲ ἐς Νέφεριν ὁδεύοντος ἐπὶ Ἀσδρούβαν, ἐδυσχεραίνεν ὁ Σκιπίων ὁρῶν πάντα ἀπόκρημνα καὶ φάραγγας καὶ λόχμας, καὶ τὰ ὑψηλὰ προειλημμένα. ὡς δ' ἀπὸ σταδίων τριῶν ἐγεγέννητο τοῦ Ἀσδρούβα, καὶ ἐς τι ρεῦμα καταβάντας ἐχρῆν ἀναβαίνειν ἐπὶ τὸν Ἀσδρούβαν, ἐνέκειτο δὴ τότε, καὶ συνεβούλευε στραφῆναι ὡς ἄλλου καιροῦ καὶ μηχανῆς ἄλλης ἐπὶ τὸν Ἀσδρουβαν δεομένους. ἀντιλεγόντων δὲ κατὰ ζῆλον αὐτοῦ τῶν ἐτέρων χιλιάρχων, καὶ μαλακίαν καὶ οὐκ εὐβουλίαν ἡγουμένων εἰ τοὺς πολεμίους ἰδόντες ἀναχωρήσουσιν, ἐν ᾧ καὶ καταφρονοῦντες φεύγουσιν ἐπικείσονται, δεύτερα τούτων ἡξίου στρατόπεδον πρὸ τοῦ ρεύματος ἐγείρει, ἵν' εἰ βιασθεῖεν, ἔχοιεν ἀναχώρησιν, οὐκ ὄντος αὐτοῖς νῦν οὐδ' ὅποι καταφεύγοιεν. οἱ δὲ καὶ τοῦτο ἐγέλων, καὶ τὸ ξίφος τις ἠπειλῆσεν ἀπορρίψειν, εἰ μὴ Μανίλιος ἀλλὰ Σκιπίων ἄρχοι. διέβαιναν οὖν ὁ Μανίλιος, οὐδὲ τᾶλλα ὧν ἐμπειροπόλεμος, καὶ αὐτῷ περάσαντι ὁ Ἀσδρούβας ἀπήντα, φόνος τε ἦν πολὺς ἐξ ἐκατέρων. καὶ ὁ Ἀσδρούβας ἀναδραμὼν ἐς τὸ φρούριον, ἔνθα μηδὲν παθεῖν ἐδύνατο, ἐρήδρευεν ἀπιοῦσιν ἐπιθέσθαι. οἱ δὲ σὺν μετανοίᾳ τῶν γεγονότων ἀπεχώρουν, ἄχρι μὲν ἐπὶ τὸ ρεῦμα ἐν τάξει· δυσπόρου δ' ὄντος τοῦ ποταμοῦ, καὶ διαβάσεων ὀλίγων τε καὶ δυσχερῶν, ἐς ἀταξίαν διηροῦντο ὑπ' ἀνάγκης. καὶ ὁ Ἀσδρούβας καθορῶν ἐπέκειτο λαμπρῶς τότε μάλιστα, καὶ πλῆθος ἔκτεινεν οὐδ' ἀμυνομένων ἀλλὰ φευγόντων. ἔπεσον δὲ καὶ τῶν χιλιάρχων τρεῖς οἱ τὸν στρατηγὸν μάλιστα ἐπεπείκεσαν ἐς τὴν μάχην.

[103] ὁ δὲ Σκιπίων τριακοσίους ἱππέας οὓς εἶχεν ἄμφ' αὐτόν, καὶ ὄσους ἄλλους συναγαγεῖν ἔφθασε, διελὼν ἐς δύο τοῖς ἐχθροῖς ἐπήγε σὺν δρόμῳ πολλῷ, παρὰ μέρος ἀκοντίζοντάς τε καὶ εὐθὺς ἀποχωροῦντας, εἴτ' αὐθις ἐπιόντας καὶ πάλιν εὐθὺς ἀποπηδῶντας. οὕτω γὰρ εἰρητο αὐτοῖς, τοὺς ἡμίσεας ἀεὶ παρὰ μέρος ἐπιέναι καὶ ἀκοντίσαντας ἀπελαύνειν, ὥσπερ ἐν κύκλῳ περιόντας. γιγνομένου δὲ τοῦδε πυκνοῦ, καὶ διαστήματος οὐδενὸς ὄντος, οἱ μὲν Λίβυες ἐβάλλοντο συνεχῶς, καὶ ἐπιστρέφοντες ἐς τὸν Σκιπίωνα ἥσσον τοῖς περῶσιν ἐπέκειντο, οἱ δ' ἔφθασαν διελθεῖν τὸ ρεῦμα. καὶ ὁ Σκιπίων ἐπ' αὐτοῖς ἀφίππευσε βαλλόμενός τε καὶ χαλεπῶς. σπεῖραι δ' ἐν ἀρχῇ τοῦδε τοῦ πόνου τέσσαρες ἀποσχισθεῖσαι τοῦ ρεύματος ὑπὸ τῶν πολεμίων ἔς τινα λόφον ἀνέδραμον· καὶ αὐτὰς ὁ Ἀσδρούβας περιεκάθητο, ἀγνοούντων ἔτι Ῥωμαίων, ἕως ἐστάθμευσαν. ἐπεὶ δ' ἔμαθον, ἠπόρουν, καὶ τοῖς μὲν ἐδόκει φεύγειν καὶ μὴ κινδυνεύειν ἅπασι δι' ὀλίγους, ὁ δὲ Σκιπίων ἐδίδασκεν ἀρχομένων μὲν ἔργων εὐβουλίᾳ χρῆσθαι, κινδυνεύοντων δὲ ἀνδρῶν τωσῶνδε καὶ σημείων τόλμῃ παραβόλῳ. αὐτὸς δ' ἐπιλεξάμενός τινας ἱππέων ἴλας, ἐπανοίσειν ἔφη ἐκείνους, ἢ χαίρων αὐτοῖς συναπολεῖσθαι. δύο τε ἡμερῶν σιτία φέρων εὐθὺς ὤδευε, δεδιότος πάνυ τοῦ στρατοῦ μὴ οὐδ' αὐτὸς ἐπανέλθοι. ὡς δ' ἦκεν ἐπὶ τὸν λόφον ἔνθα ἦσαν οἱ πολιορκούμενοι, τὸν μὲν ἄντικρυς αὐτοῦ δρόμῳ κατέλαβε, καὶ μία τοὺς δύο χαράδρα διεῖργεν, οἱ δὲ Λίβυες τότε μάλιστα ἐπέκειντο τοῖς πολιορκουμένοις καὶ πρὸς αὐτοὺς

ἐνενεύκεσαν, ὥς οὐπω δυναμένου τοῦ Σκιπίωνος ἐπικουρεῖν ἐξ ὁδοιπορίας συντόνου. ὁ δὲ Σκιπίων ὥς εἶδε τὰς πέζας τῶν δύο λόφων τὴν χαράδραν περιούσας, τὸν καιρὸν οὐ μεθῆκεν, ἀλλὰ περιέδραμε δι' αὐτῶν ὑπὲρ τοῦς πολεμίους. οἱ δ' ἤδη κυκλου μένοι διέφευγον ἀκόσμως, μεθιέντος αὐτοῦς ἀπιέναι τοῦ Σκιπίωνος ἀδεῶς, πολὺ πλείονας ὄντας.

[104] οὕτω μὲν δὴ καὶ τούσδε ὁ Σκιπίων περιέσωσεν ἐν ἀπογνώσει γενομένους. καὶ αὐτὸν ἡ στρατιὰ μακρόθεν ἰδοῦσα ἐξ ἀέλπτου περισεσωσμένον τε καὶ περισώσαντα τοὺς ἐτέρους, μέγα ἠλάλαξαν ἠδόμενοι. καὶ δαιμόνιον αὐτῷ συλλαμβάνειν ἐδόξαζον, ὃ καὶ τῷ πάππῳ Σκιπίωνι προσημαίνειν ἐδόκει τὰ μέλλοντα. ὁ μὲν δὴ Μανίλιος ἀνεξεύγνυνεν ἐς τὸ πρὸς τῇ πόλει στρατόπεδον, πολλὴν τίσιν ὑποσχὼν τοῦ μὴ πεισθῆναι Σκιπίωνι τῆς στρατείας ἀποτρέποντι· ἀχθομένων δὲ πάντων ἐπὶ τῇ τῶν πεσόντων ἀταφίᾳ, καὶ μάλιστα ἐπὶ τοῖς χιλιάρχοις, ὁ Σκιπίων τινὰ λύσας τῶν αἰχμαλώτων ἔπεμψε πρὸς Ἀσδρούβαν, καὶ παρήνει θάψαι τοὺς χιλιάρχους. ὁ δ' ἐρευνησάμενος τὰ νεκρά, καὶ ἀπὸ τῆς σφραγίδος εὐρών ἔχρυσοφοροῦσι γὰρ τῶν στρατευομένων οἱ χιλιάρχοι, τῶν ἐλαττόνων σιδηροφορούντων, ἔθαψεν αὐτούς, εἴτε τὸ ἔργον ἀνθρώπειον καὶ κοινὸν ἐν τοῖς πολέμοις ἡγούμενος, εἴτε τὴν Σκιπίωνος δόξαν ἤδη δεδιδῶς τε καὶ θεραπεύων. Ῥωμαῖοις δ' ἀναζεγγύνουσι μὲν ἀπὸ τοῦ Ἀσδρούβα ἐπέκειτο Φαμέας, διὰ τὸ πταῖσμα θορυβούμενοις· ἐσιοῦσι δὲ οἱ Καρχηδόνιοι τῆς πόλεως ἐκδραμόντες ὑπήντων, καὶ τινα καὶ τῶν σκευοφόρων διέφθειραν.

[105] ἐν τούτῳ δὲ καὶ ἡ σύγκλητος ἐς τὸ στρατόπεδον ἔπεμπε τοὺς εἰσομένους καὶ μεταδύσσοντας αὐτῇ τὰ ἀκριβέστατα, ἐφ' ὧν ὁ τε Μανίλιος καὶ τὸ συνέδριον καὶ οἱ λοιποὶ τῶν χιλιάρχων, ἐσβεσμένου τοῦ φθόνου διὰ τὴν εὐπραγίαν, ἐμαρτύρουν τῷ Σκιπίωνι, καὶ ὁ στρατὸς ἅπας καὶ τὰ ἔργα ἐπ' ἐκείνοις, ὥστ' ἐπανελθόντες οἱ πρέσβεις διεθρόησαν ἐς ἅπαντας τὴν ἐμπειρίαν καὶ ἐπίτενξιν τοῦ Σκιπίωνος καὶ τῆς στρατιᾶς τὴν ἐς αὐτὸν ὁρμὴν. ἡ δὲ βουλὴ τούτοις μὲν ἔχαιρε, πολλῶν δὲ γεγενημένων πταισμάτων ἐς Μασσανάσσην ἔπεμπε, καὶ παρεκάλει συμμαχεῖν αὐτὸν ἐρρωμένως ἐπὶ Καρχηδόνα. ὁ δ' ὑπὸ μὲν τῶν πρέσβεων οὐ κατελήφθη, κάμνων δὲ γῆρα καὶ νόσῳ, καὶ παῖδας ἔχων νόθους μὲν πλείονας, οἷς ἐδεδώρητο πολλὰ, γνησίους δὲ τρεῖς οὐδὲν ἀλλήλοις τὰ ἔργα εὐοκίτας, ἐκάλει τὸν Σκιπίωνα κατὰ φιλίαν αὐτοῦ τε καὶ τοῦ πάππου σύμβουλόν οἱ περὶ τῶν τέκνων καὶ τῆς ἀρχῆς ἐσόμενον. ὁ δὲ ἤει μὲν αὐτίκα, μικρὸν δὲ πρὶν ἐλθεῖν ὁ Μασσανάσσης ἀποψύχων ἐπέσκηψε τοῖς παισὶ πείθεσθαι τοῦ Σκιπίωνος, ὥς ἂν αὐτοῖς διαιρῇ τὰ ὄντα.

[106] καὶ ὁ μὲν τοῦτ' εἰπὼν ἐτελεύτησεν, ἀνὴρ ἐς πάντα ἐπιτυχής, ᾧ τὴν μὲν ἀρχὴν τὴν πατρώαν θεὸς ἔδωκεν, ἀφαιρεθέντι πρὸς Καρχηδονίων καὶ Σύφακος, ἀναλαβεῖν καὶ προαγαγεῖν ἐπὶ μέγιστον, ἀπὸ Μαυρουσίων τῶν παρ' ὠκεανῷ μέχρι τῆς Κυρηναίων ἀρχῆς ἐς τὰ μεσόγεια, ἡμερῶσαι δὲ γῆν πολλήν, τὰ πολλὰ τῶν Νομάδων ποηφαγούντων διὰ τὸ ἀγεώργητον, θησαυρούς τε μεγάλους χρημάτων καταλιπεῖν καὶ στρατιὰν πολλὴν γεγυμνασμένην, τῶν δ' ἐχθρῶν Σύφακα μὲν αἰχμάλωτον ἐλεῖν αὐτοχειρί, Καρχηδόνι δ' αἵτιον τῆς ἀναστάσεως γενέσθαι, ἀάμπαν ἀσθενῇ Ῥωμαῖοις

ὕπολιπόντα. ἔφυ δὲ καὶ τὸ σῶμα μέγας τε καὶ εὖρωστος ἐς γῆρας πολύ, καὶ μάχης ἐπειρᾶτο μέχρι τοῦ θανάτου, ἵππου τε χωρὶς ἀναβολέως ἐπέβαινεν. καὶ μεγίστῳ δὴ τῷδ' ἐτεκμηρίωσε μάλιστα τὴν εὖρωστίαν αὐτοῦ: πολλῶν γὰρ αὐτῷ παίδων γιγνομένων τε καὶ ἀποθνησκόντων, οὐποτε μὲν ἦσαν αὐτῷ μείους τῶν δέκα, τετραετὲς δὲ παιδίον ἐνενηκοντούτης ὧν ἀπέλιπεν. ὁ μὲν δὲ Μασσανάσσης ὧδε χρόνου τε καὶ σώματος ἔχων ἐτεθνήκει, Σκιπίων δὲ τοῖς μὲν νόθοις αὐτοῦ παισὶ προσέθηκεν ἑτέρας δωρεάς, τοῖς δὲ γνησίοις τοὺς μὲν θησαυροὺς καὶ φόρους καὶ τὸ ὄνομα τῆς βασιλείας κοινὸν ἀπέφηνε, τὰ δ' ἄλλα διέκρινεν ὥς ἔμελλεν ἀρμόσειν πρὸς ὃ ἐβούλετο ἕκαστος, Μικίπῃ μὲν, ὃς πρεσβύτατος ὧν εἰρηνικώτατος ἦν, Κίρτην ἐξαίρετον ἔχειν καὶ τὰ βασίλεια τὰ ἐν αὐτῇ, Γολόσση δέ, στρατιωτικῷ τε ὄντι καὶ δευτέρῳ καθ' ἡλικίαν, πολέμου τε καὶ εἰρήνης εἶναι κυρίῳ, Μαστανάβα δέ, ὃς νεώτατος ὧν ἦσκει δικαιοσύνην, δικάζειν τοῖς ὑπηκόοις τὰ ἀμφύλογα.

[107] οὕτω μὲν ὁ Σκιπίων τὴν ἀρχὴν καὶ περιουσίαν Μασσανάσσου διεΐλε τοῖς παισὶ, καὶ Γολόσσην εὐθὺς ἐς συμμαχίαν ἐπήγετο· ὁ δὲ τὰς Φαμέου μάλιστα ἐνέδρας, αἱ πολλὰ Ῥωμαίους ἐλύπουν, ἐρευνώμενος ἀνέστελλεν. ἐν δὲ τινι χειμασίᾳ Σκιπίων καὶ Φαμέας ἀντιπαρῶδουν ἀλλήλοις, μέσσην ἔχοντες ἄβατον χαράδραν, καὶ οὐδὲν ἐς ἀλλήλους δυνάμενοι. δεδιὼς δ' ὁ Σκιπίων μὴ τις ἐνέδρα κατὰ τὸ πρόσθεν εἴη, προῖων κατεσκέπτετο σὺν τρισὶ φίλοις. καὶ αὐτὸν ὁ Φαμέας ἰδὼν ἀντιπροΐει μεθ' ἐνὸς φίλου. ἐλπίσας δ' αὐτὸν ὁ Σκιπίων εἰπεῖν τι θέλειν, ἐξίππευσε μεθ' ἐνὸς καὶ ὅδε φίλου. καὶ ὡς ἡδὴ κατακοῦειν ἐδύναντο ἀλλήλων, πρὸ Καρχηδονίων οἱ προελήλυθεν. 'τί δὴ τῆς ἰδίας σωτηρίας οὐ προνοεῖς, εἰ μὴ τῆς κοινῆς δύνασαι;' ὁ δέ, 'τίς ἐστίν,' ἔφη, 'μοι σωτηρία, Καρχηδονίων μὲν οὕτως ἐχόντων, Ῥωμαίων δ' ὑπ' ἐμοῦ κακὰ πολλὰ πεπονθότων;' καὶ ὁ Σκιπίων, 'ἐγγυῶμαί σοί,' φησιν, 'εἰ πιστὸς ἐγὼ καὶ ἀξιόχρεως, καὶ σωτηρίαν καὶ συγγνώμην παρὰ Ῥωμαίων καὶ χάριν ἔσσεσθαι.' ὁ δ' ἐπῆνεσε μὲν ὡς ἀξιοπιστότατον ἐκ πάντων, 'κρινῶ' δ', ἔφη: 'κἂν δυνατὸν ἡγῶμαι, φανερόν ἐσται σοι.'

[108] καὶ οἱ μὲν ἐπὶ τούτοις διεκρίθησαν, ὁ δὲ Μανίλιος αἰδοῦμενος τὴν δυσπραξίαν τὴν ἐς Ἀσδρούβαν αὐτῷ γενομένην, αὐθις ἐς Νέφεριν ἐστράτευε, πεντακαίδεκα ἡμερῶν τροφὰς ἐπαγόμενος. πλησιάσας δ' ἔθετο χάρακα καὶ ὠχύρου καὶ ἐτάφρευε, καθὰ Σκιπίων ἐν τῇ προτέρᾳ στρατείᾳ παρήγγειλεν. οὐδὲν δὲ ἀνύων ἐν αἰδοῖ μείζονι ἐγίνετο καὶ φόβῳ τοῦ ἄλλιν αὐτοῖς ἀπιοῦσι τὸν Ἀσδρούβαν ἐπιθέσθαι. καὶ ὁ μὲν ἐν τῷδε ἦν ἀπορίας, ἐπιστολὴν δὲ τις ἐκ τοῦ Γολόσσου στρατοῦ ἔφερε τῷ Σκιπίωνι. ὁ δ', ὡς εἶχε, σεσημασμένην ἐπέδειξε τῷ στρατηγῷ. καὶ λύσαντες ἡῦρον: 'ἐς τήνδε τὴν ἡμέραν ἐγὼ μὲν τόδε τὸ χωρίον καταλήψομαι: σὺ δ' ἐλθε μεθ' ὅσων βούλει, καὶ τοῖς προφύλαξιν εἰπὲ δεχέσθαι τὸν νυκτὸς ἀφικνούμενον.' ἡ μὲν ἐπιστολὴ χωρὶς ὀνομάτων τοιάδ' ἐδήλου, συνῆκε δ' ὁ Σκιπίων εἶναι παρὰ Φαμέου. καὶ ὁ Μανίλιος ἐδεδοίκει μὲν περὶ τῷ Σκιπίωνι, μὴ τις ἀπάτη παρ' ἀνδρὸς γένοιτο πιθανωτάτου πάντων ἐς ἐνέδρας: εὐελπὶν δ' αὐτὸν ὁρῶν ἔπεμπε, ἐπιτρέψας περὶ μὲν τῆς σωτηρίας δοῦναι πίστιν ἀσφαλῆ τῷ Φαμέᾳ, χάριν δὲ μὴ ὀρίζειν, ἀλλ' ἐπαγγέλλεσθαι Ῥωμαίους τὰ πρέποντα ποιήσειν. οὐ μὴν ἐδέησεν οὐδ' ἐπαγγελίας: ὁ γάρ τοι Φαμέας ὡς ἦκεν ἐς τὸ συγκεῖμενον, περὶ μὲν τῆς σωτηρίας ἔφη πιστεύειν δεξιουμένῳ Σκιπίωνι, τὰς δὲ χάριτας Ῥωμαίοις ἐπιτρέπειν. ταῦτα δ' εἰπὼν ἐξέτασσε τῆς ἐπιούσης ἐς μάχην, καὶ προπηδήσας μετὰ τῶν ἱλαρχῶν ἐς τὸ μεταίχμιον ὡς ἐπὶ τινα σκέψιν ἐτέραν, εἶπεν: 'εἰ μὲν ἐστὶν ἔτι τῇ πατρίδι βοηθεῖν, ἔτοιμός εἰμι μεθ' ὑμῶν: εἰ δ' ἔχει τὰ ἐκείνης ὡς ἔχει, ἐμοὶ μὲν δοκεῖ τῆς ἰδίας σωτηρίας προνοεῖν, καὶ πίστιν ἔλαβον ἐπὶ τε ἐμαυτῷ καὶ ὅσους πείσαιμι ὑμῶν, καιρὸς δὲ καὶ ὑμᾶς ἐπιλέγεσθαι τὰ συνοίσοντα.' ὁ μὲν οὕτως εἶπε, τῶν δ' ἱλαρχῶν οἱ μὲν σὺν τοῖς αὐτῶν ἡἷτομόλησαν, καὶ ἐγένοντο πάντες ἐς διακοσίους καὶ δισχιλίους ἰππέας: τοὺς δ' Ἄννων κατεκώλυσεν, ὃ Λεῦκος ἦν ἐπὶ κλησὶς.

[109] ἐπανιόντι δὲ τῷ Σκιπίωνι μετὰ τοῦ Φαμέου ὁ στρατὸς ἀπήντα, καὶ τὸν Σκιπίωνα ἡγήμουν ὡς ἐπὶ θριάμβῳ. Μανίλιος δ' ὑπερηδόμενός τε, καὶ οὐκέτι τὴν ἐπάνοδον αἰσχρὰν ἐπὶ τῷδε ἡγούμενος, οὐδ' Ἀσδρούβαν ἔψεσθαι προσδοκῶν καταπεπληγμένον, ἀνεξεύγνυνεν αὐτίκα δι' ἑνδεῖαν,

ἐπτακαίδεκάτην ἡμέραν ἀντὶ πεντεκαίδεκα ἔχων. τρισὶ δ' ἄλλαις ἐχρῆν κακοπαθοῦντα ἐπανελθεῖν. ὁ οὖν Σκιπίων τὸν τε Φαμέαν καὶ Γολόσσην καὶ τοὺς ὑφ' ἑκατέρῳ λαβὼν ἱππέας, προσλαβὼν δέ τινας καὶ τῶν Ἰταλικῶν, ἐς πεδίον ἠπειχθὴ τὸ καλούμενον μέγα βάραθρον, καὶ πολλὴν ἐξ αὐτοῦ λείαν τε καὶ ἀγορὰν ἦκε φέρων τῷ στρατῷ περὶ νύκτα. Μανίλιος δὲ πυθόμενός οἱ διάδοχον ἐπιέναι Καλπούρνιον Πίσωνα, προέπεμπεν ἐς Ῥώμην Σκιπίωνα μετὰ Φαμέου· καὶ ὁ στρατὸς ἐπὶ τὴν ναῦν καταθέοντες ἠυφῆμον τὸν Σκιπίωνα, καὶ ἠῤυχοντο ὕπατον ἐς Λιβύην ἐπανελθεῖν ὥς μόνον αἰρήσοντα Καρχηδόνα. θεόληπτος γάρ τις αὐτοῖς ἦδε ἡ δόξα ἐνέπιπτε, Σκιπίωνα μόνον αἰρήσειν Καρχηδόνα· καὶ πολλοὶ ταῦτα τοῖς οἰκείοις ἐς Ῥώμην ἐπέστελλον. ἡ δὲ βουλή Σκιπίωνα μὲν ἐπῆναι, Φαμέαν δ' ἐτίμησαν ἀλουργίδι καὶ ἐπιπορπήματι χρυσῷ καὶ ἵππῳ χρυσοφαλάρῳ καὶ πανοπλίᾳ καὶ ἀργυρίου δραχμαῖς μυρίας, ἔδωκαν δὲ καὶ μνῶν ἑκατὸν ἀργύρωμα καὶ σκηνὴν καὶ κατασκευὴν ἐντελῇ. καὶ ἐπήλπισαν περὶ πλειόνων, εἰ τὰ λοιπὰ τοῦ πολέμου συνεκπονήσειεν αὐτοῖς. ὁ δ' ὑποσχόμενος ἐς Λιβύην διέπλευσεν ἐς τὸ Ῥωμαίων στρατόπεδον.

[110] ἦκε δὲ Καλπούρνιος Πίσων ὁ ὕπατος ἅμα ἦρι, καὶ σὺν αὐτῷ Λεύκιος Μαγκίνος ἐπὶ τὴν ναυαρχίαν· οἱ Καρχηδονιοὶ μὲν οὐκ ἐπεχείρουν, οὐδὲ Ἀσδρούβα, τὰς δὲ πόλεις ἐπιόντες Ἀσπίδος μὲν ἀπετύγχανον, ἐκ γῆς καὶ θαλάσσης ἀποπειράσαντες, ἐτέραν δ' ἐγγὺς εἶλεν ὁ Πίσων, καὶ διήρπαζεν αἰτιωμένην ἐπὶ συνθήκαις αὐτῷ προσελθεῖν. ἀπὸ δὲ ταύτης ἐς Ἰππάγρετα μετῆλθεν, ἡ μεγάλη τε ἦν καὶ τείχεσι καὶ ἀκροπόλει καὶ λιμέσι καὶ νεωρίοις ὑπ' Ἀγαθοκλέους τοῦ Σικελιωτῶν τυράννου κατεσκευάστο καλῶς, μέση δ' οὔσα Καρχηδόνος καὶ Ἰτύκης τὴν ἀγορὰν ἐλήστευε τὴν Ῥωμαίοις διαπλέουσιν· ὅθεν καὶ πάνυ ἐπλούτουν. καὶ ὁ Καλπούρνιος ἀμύνασθαι τε αὐτοὺς ἐπενόει, καὶ τό γε κέρδος ἀφελέσθαι. ἀλλ' ὁ μὲν τὸ θέρος ὅλον ἐφεδρεῦον οὐκ ἦνυε, δις δ' ἐκδραμόντες οἱ Ἰππαγρέτιοι, Καρχηδονίων αὐτοῖς συμμαχοῦντων, τὰς μηχανὰς αὐτοῦ κατέπρησαν. καὶ ὁ μὲν ἄπρακτος ἐς Ἰτύκην ἐπανελθὼν ἐχεύμαζεν.

[111] οἱ Καρχηδόνιοι δέ, ἐπειδὴ σφισι καὶ τὸ Ἀσδρούβα στρατόπεδον ἀπαθὲς ἦν, καὶ αὐτοὶ κρεῖττους ἐν τῇ μάχῃ ἐγεγένητο Πίσωνος ἀμφὶ τὰ Ἰππάγρετα, Βιθύας τε αὐτοῖς ὁ Νομάς μετὰ ὀκτακοσίων ἱππέων ἀπὸ Γολόσσου προσεκεχωρήκει, καὶ Μικίψην καὶ Μαστανάβαν τοὺς Μασσανάσσου παῖδας ἐώρων ὑπισχνουμένους μὲν αἰεὶ Ῥωμαίοις ὅπλα καὶ χρήματα, βραδύνοντας δὲ καὶ περιορωμένους ἄρα τὸ μέλλον, ἐπῆρθησαν τοῖς φρονήμασι καὶ Λιβύην ἀδεῶς ἐπήρσαν, κρατυνόμενοί τε τὴν χώραν καὶ πολλὰ ὕβριστικά ἐν ταῖς πόλεσι κατὰ Ῥωμαίων ἐκκλησιάζοντες. ἐς τε τὴν ἀνανδρίαν αὐτῶν προὔφερον τὰ ἐς Νέφεριν αὐτοῖς δις γενόμενα, καὶ ὅσα ἔναγχος ἐς Ἰππάγρετα, καὶ τὸ αὐτῆς Καρχηδόνος ἀνόπλου τε οὔσης καὶ ἀφράκτου μὴ δεδυνῆσθαι κατασχεῖν. ἔπεμπον δὲ καὶ ἐς Μικίψην καὶ Μαστανάβαν καὶ ἐς τοὺς αὐτονόμους Μαυρουσίων, παρακαλοῦντες ὁμοῦ, καὶ διδάσκοντες ὅτι καὶ σφισι μεθ' αὐτοὺς ἐπιχειρήσουσι Ῥωμαῖοι. ἔστελλον δὲ καὶ ἐς Μακεδονίαν ἄλλους πρὸς τὸν νομιζόμενον υἱὸν εἶναι Περσέως, πολεμοῦντα Ῥωμαίοις, καὶ ἀνέπειθον ἔχσθαι τοῦ πολέμου καρτερῶς ὥς οὐκ ἐλλειψόντων αὐτῷ χρημάτων καὶ νεῶν ἀπὸ Καρχηδόνος. ὅλως τε μικρὸν οὐδὲν ἔτι ἐφρόνουν

ὀπλισάμενοι, ἀλλὰ θυμῷ καὶ τόλμῃ καὶ παρασκευῇ κατὰ μικρὸν ἠϋζοντο. ἐπῆρτο δ' ἐν μέρει καὶ Ἀσδρούβας ὁ κατὰ τὴν χώραν στρατηγὸς τῷ δις κρατῆσαι Μανιλίου: τὴν τε τῆς πόλεως στρατηγίαν προσλαβεῖν ἐπειγόμενος, Ἀσδρούβαν τὸν ἄρχοντα αὐτῆς, ἀδελφιδοῦν ὄντα Γολόσσου, διέβαλλε τῇ βουλῇ τὰ Καρχηδονίων Γολόσση προδιδόναι. καὶ τοῦ λόγου προτεθέντος ἐς μέσον, ὁ μὲν ἠπορεῖτο ὡς ἐπ' ἀδοκῆτῳ, οἱ δὲ τύπτοντες αὐτὸν τοῖς ὑποβάθοις κατέβαλον.

[112] ἐς δὲ Ῥώμην ἐξαγγελλομένης τῆς τε Πίσωνος ἀπραξίας καὶ Καρχηδονίων παρασκευῆς, ὁ δῆμος ἤχθητο καὶ ἐδεδοίκει αὐξομένου πολέμου μεγάλου τε καὶ ἀδιαλλάκτου καὶ γείτονος: οὐ γάρ τινα διάλυσιν προσεδόκων, ἅπιστα πρότεροι κελεύσαντες. τῶν δ' οὐ πρὸ πολλοῦ Σκιπίωνος ἔργων, ἐν Λιβύῃ χιλιαρχοῦντος ἔτι, μεμνημένοι, καὶ παραβάλλοντες αὐτὰ τοῖς παροῦσι, τῶν τε ἐπεσταλμένων σφίσιν ὑπὸ τῶν ἐκ στρατοπέδου φίλων καὶ οἰκείων ἀναφέροντες, ὥρμητο ὑπατον ἐς Καρχηδόνα πέμπειν Σκιπίωνα. ἐνειστῆκει δ' ἀρχαιρέσια, καὶ ὁ Σκιπίων 'οὐ γάρ πω δι' ἡλικίαν αὐτῷ συνεχώρουν ὑπατεύειν οἱ νόμοι ἀγορανομίαν μετῇ, καὶ ὁ δῆμος αὐτὸν ὑπατον ἥρετο. παρὰ νόμου δ' ὄντος καὶ τῶν ὑπάτων προφερόντων αὐτοῖς τὸν νόμον, ἐλιπάρουν καὶ ἐνέκειντο, καὶ ἐκεκράγεσαν ἐκ τῶν Τυλλίου καὶ Ῥωμύλου νόμων τὸν δῆμον εἶναι κύριον τῶν ἀρχαιρεσιῶν, καὶ τῶν περὶ αὐτῶν νόμων ἀκυροῦν ἢ κυροῦν ὃν ἐθέλοιεν. τέλος δὲ τῶν δημάρχων τις ἔφη τοὺς ὑπάτους ἀφαιρήσεσθαι τὴν χειροτονίαν, εἰ μὴ σύνθοιντο τῷ δήμῳ. καὶ ἡ βουλή τοῖς δημάρχois ἐπέιθετο λῦσαι τὸν νόμον τόνδε καὶ μετὰ ἔτος ἐν αὐθις ἀναγράψαι, οἷόν τι καὶ Λακεδαιμόνιοι, λύοντες ἐν χρείᾳ τὴν ἀτιμίαν τῶν ἀλόντων περὶ Πύλον, ἔφασαν: 'κοιμιάσθων οἱ νόμοι τήμερον.' οὕτω μὲν ὁ Σκιπίων ἀγορανομίαν μετιὼν ἦρητο ὑπατος, καὶ αὐτὸν ὁ σύναρχος Δροῦσος περὶ Λιβύης πρὸς αὐτὸν ἐκέλευε διακληροῦσθαι, μέχρι τις τῶν δημάρχων ἐσηγήσατο τῆσδε τῆς στρατηγίας τὴν κρίσιν τοῦ δήμου γενέσθαι: καὶ ὁ δῆμος εἵλετο τὸν Σκιπίωνα. ἐδόθη δ' αὐτῷ στρατὸς ἐκ μὲν καταλόγου, ὅσος ἦν ἀντὶ τῶν ἀπολωλότων, ἐθέλοντάς δ' ἄγειν ὅσους πείσειε παρὰ τῶν συμμάχων, καὶ ἐς βασιλέας καὶ πόλεις, ὅσας δοκιμάσειε, πέμπειν, τὸν Ῥωμαίων δῆμον ταῖς ἐπιστολαῖς ἐπιγράφοντα. καὶ ἔστιν οὗς ἔλαβεν οὕτω παρὰ τε πόλεων καὶ βασιλέων.

[113] ὁ μὲν δὴ τάδε διοικησάμενος ἐς Σικελίαν καὶ ἀπὸ Σικελίας ἐς Ἰτύκην ἔπλει: Καλπούρνιος δὲ Πίσων ἐπολιόρκει τὰ μεσόγεια, καὶ Μαγκίνος ἐφορμῶν Καρχηδόνη, μέρος τι τοῦ τεύχους ἀμελούμενον ἰδὼν, οὗ κρημνοὶ προύκειντο συνεχεῖς καὶ δύσβατοι, καὶ παρ' αὐτὸ ἦν καὶ ἀμελούμενον, ἤλπισε λαθὼν κλίμακας ἐποιήσειν ἐπὶ τὸ τεῖχος. καὶ προσέθηκε μὲν, καὶ τινες τῶν στρατιωτῶν ἀνῆλθον εὐτόλμως: οἱ Καρχηδόνιοι δ' ὀλίγων ἔτι ὄντων καταφρονήσαντες, ἀνέφξαν πύλην ἐς τοὺς κρημνοὺς ἐκφέρουσαν, καὶ ἐπὶ τοὺς Ῥωμαίους ἐξέδραμον. καὶ αὐτοὺς οἱ Ῥωμαῖοι τρεψάμενοί τε καὶ διώκοντες ἐς τὴν πόλιν διὰ τῆς πύλης συνεσέδραμον. βοῆς δ' ὡς ἐπὶ νίκη γενομένης, ὃ τε Μαγκίνος ἐκφερόμενος ὑπὸ τῆς ἡδονῆς, καὶ τὰ ἄλλα ταχὺς ὢν καὶ κουφόνους, καὶ ὁ ἄλλος ὁμιλος ἅμα τῷ Μαγκίνῳ, τὰς ναῦς ἀφέντες ἐς τὸ τεῖχος ἐβοηδρόμουν ἀνοπλοῖ τε καὶ γυμνοῖ. ἤδη δὲ τοῦ θεοῦ περὶ δειλίην

ἐσπέραν ὄντος, ἐχυρόν τι πρὸς τῷ τείχει καταλαβόντες ἡσύχαζον, τροφῶν δ' ἀπορῶν ὁ Μαγκῖνος ἐκάλει Πίσωνα καὶ τοὺς Ἰτυκαίων ἄρχοντας, ἐπικουρεῖν αὐτῷ κινδυνεύοντι καὶ τροφὰς φέρειν κατὰ σπουδὴν. καὶ ὁ μὲν ἔμελλεν ἅμ' ἔφ' πρὸς τῶν Καρχηδονίων ἐξωθούμενος ἐς τοὺς κρημνοὺς συντριβήσεσθαι.

[114] Σκιπίων δ' ἐσπέρας ἐς Ἰτύκην κατήγετο, καὶ περὶ μέσας νύκτας ἐντυχὼν οἷς ὁ Μαγκῖνος ἔγραφε, τὸν τε σαλπικτὴν ἐκέλευεν εὐθὺς ἐπὶ πόλεμον ἵχεῖν, καὶ τοὺς κήρυκας συγκαλεῖν ἐπὶ θάλασσαν ὅσοι συνεληλύθεσαν ἐξ Ἰταλίας αὐτῷ, καὶ τοὺς ἡβῶντας Ἰτυκαίων: ὅσοι δ' ὑπερήλικες, ἀγορὰν ἐς τὰς τριῆρεις καταφέρειν. αἰχμάλωτά τε Καρχηδονίων τινὰ λύσας, ἀφῆκεν ἐξαγγέλλειν αὐτοῖς ἐπιπλεῖν Σκιπίωνα. ἐς τε τὸν Πίσωνα ἱππέας ἄλλους ἐπ' ἄλλοις ἔπεμπε, καλῶν αὐτὸν κατὰ τάχος. καὶ αὐτὸς ἐσχάτης φυλακῆς ἀνίγετο, κελεύσας, ὅταν πλησιάζωσιν, ὀρθοὺς ἐπὶ τῶν καταστρωμάτων ἐστάναι τοῦ πλέονα τὴν ὄψιν ἐμποιεῖν τοῖς πολεμίοις. ὁ μὲν δὴ τὰδ' ἔπρασσεν, ὁ δὲ Μαγκῖνος, ἅμ' ἔφ' τῶν Καρχηδονίων αὐτῷ πανταχόθεν ἐπιπιπτόντων, πεντακοσίους μὲν, οὓς μόνους εἶχεν ἐνόπλους, περιέστησε τοῖς γυμνοῖς τρισχιλίοις οὖσι, τιτρωσκόμενος δὲ δι' ἐκείνων καὶ συνωθούμενος ἐπὶ τὸ τεῖχος ἤδη κατεκρημνίζετο, καὶ αἱ νῆες ὥφθησαν αἱ τοῦ Σκιπίωνος, ῥοθίῳ τε φοβερῷ καταπλέουσai καὶ μεστὰι πανταχόθεν ὀπλιτῶν ἐφεστώτων, Καρχηδονίοις μὲν ἡσθημένοις διὰ τῶν αἰχμάλωτων οὐκ ἀνέλπιστοι, Ῥωμαίοις δ' ἀγνοοῦσιν ἀδόκητον σωτηρίαν φέρουσai: μικρὸν γὰρ ὑποχωρησάντων τῶν Καρχηδονίων, ὁ Σκιπίων τοὺς κινδυνεύοντας ἐς αὐτὰς ἀνέλαβεν. καὶ Μαγκῖνον μὲν ἐς Ῥώμην αὐτίκα ἔπεμψε 'καὶ γὰρ ἦκεν αὐτῷ Σερρανὸς ἐπὶ τὴν ναυαρχίαν διάδοχος', αὐτὸς δ' οὐ μακρὰν τῆς Καρχηδόνος ἐστρατοπέδευεν. οἱ δὲ Καρχηδόνιοι τῶν τειχῶν ἐς πέντε σταδίους προελθόντες ἀντήγειραν αὐτῷ χάρακα, καὶ αὐτοῖς ἐς τόνδε τὸν χάρακα ἀφίκοντο Ἀσδροῦβας τε ὁ τῆς χώρας στρατηγὸς καὶ Βιθύας ὁ ἵππαρχος ἐξακισχιλίους πεζοὺς ἄγοντες καὶ ἱππέας ἐς χιλίους, χρόνῳ καὶ μελέτῃ γεγυμνασμένους.

[115] ὁ δὲ Σκιπίων οὐδὲν εὐκοσμον ἐν τοῖς στρατιώταις ὀρῶν οὐδὲ τεταγμένον, ἀλλ' ἐς ἀργίαν καὶ πλεονεξίαν καὶ ἀρπαγὰς ὑπὸ τοῦ Πίσωνος ἐπιτετραμμένους, ἄλλο τε πλῆθος αὐτοῖς συνόντας ἀγοραῖον, οἱ τῆς λείας χάριν ἐπόμενοι τοῖς θρασυτέροις συνεζέτρεχον ἐπὶ τὰς ἀρπαγὰς ἄνευ παραγγέλματος ἰοῦσι, τοῦ νόμου λιποστράτιον ἐν τοῖς πολέμοις ἡγουμένου τὸν ἀποχωροῦντα πορρωτέρῳ σάλπιγγος ἀκοῆς, ὅσα τε πταίσειαν οὗτοι, πάντα ἐς τὸν στρατηγὸν ἀναφερόμενα, καὶ ὅσα διαρπάσειαν, ἐτέρας ἔριδος αὐτοῖς καὶ κακῶν γιγνόμενα ἀρχάς: πολλοὶ γὰρ καὶ συσκήνων κατεφρόνουν διὰ τὰ κέρδη, καὶ ἐς ἀνόμους πληγὰς καὶ τραύματα καὶ ἀνδροφονίας ἐχώρουν. ὦν αἰσθόμενος ὁ Σκιπίων, καὶ ἐλπίζων οὐποτε κρατήσιν τῶν πολεμίων εἰ μὴ τῶν ἰδίων κρατήσῃ, συνήγαγεν ἐς ἐκκλησίαν αὐτοῦς, καὶ ἐπὶ βῆμα ὑψηλὸν ἀναβὰς ἐπέπληξεν ὧδε.

[116]

ἐγὼ μεθ' ὑμῶν, ὧ ἄνδρες, ὑπὸ Μανιλίῳ στρατηγῷ ταττόμενος, τῆς εὐπειθείας ἐν ὑμῖν μάρτυσιν ἔδωκα πεῖραν, ἣν νῦν ὑμᾶς αἰτῶ στρατηγῶν, κολάσαι μὲν ἐς ἔσχατον ἔχων ἐξουσίαν τοὺς ἀπειθοῦντας, ὠφέλιμον δ' ἡγούμενος προαγορεῦσαι. ἴστε δὲ ἃ πράττετε: καὶ τί με δεῖ λέγειν ἃ

αἰσχύνομαι· ληστεύετε μᾶλλον ἢ πολεμεῖτε, καὶ διαδιδράσκετε, οὐ στρατοπεδεύετε· καὶ πανηγυρίζουσιν ὑπὸ τῶν κερδῶν, οὐ πολιορκοῦσιν εὐοίκατε· καὶ τρυφᾶν ἐθέλετε πολεμοῦντες ἔτι, οὐ νενικηκότες. τοιγάρτοι τὰ τῶν πολεμίων ἐξ ἀέλπτου καὶ βραχέος, οὗ κατέλιπον, ἐς τοσοῦτον ἐπῆρται δυνάμεως, καὶ ἡμῖν ὁ πόνος ἐκ τῆσδε τῆς ῥαστώνης γέγονε χαλεπώτερος. τὰς δ' αἰτίας εἰ μὲν ἐν ὑμῖν οὕσας ἐώρων, εὐθύς ἂν ἐκόλαζον· ἐπεὶ δ' ἀνατίθηναι ἐτέρῳ, νῦν μὲν ὑμᾶς ἀφήμι τῶν μέχρι νῦν γεγονότων. ἤκω δὲ οὐ ληστεύσων ἔγωγε ἀλλὰ νικήσων, οὐδὲ χρηματιούμενος πρὸ τῆς νίκης, ἀλλὰ τοὺς ἐχθροὺς πρῶτον ἐξεργασόμενος. ἅπιτε πάντες ἐκ τοῦ στρατοπέδου τήμερον, ὅσοι μὴ στρατεύεσθε, χωρὶς τῶν ἐπιτραπησομένων ὑπ' ἐμοῦ μένειν. τοῖς δ' ἐξιούσιν οὐδ' ἐπανελθεῖν δίδωμι, πλὴν εἴ τις ἀγορὰν φέροι, καὶ ταύτην στρατιωτικὴν τε καὶ ψιλὴν. ἔσται δὲ καὶ τούτοις χρόνος ὠρισμένος ἐν ᾧ τὰ ὄντα διαθήσονται, καὶ τῆς πράσεως αὐτῶν ἐγὼ καὶ ὁ ταμίης ἐπιμελησόμεθα. καὶ τάδε μὲν εἰρήσθω τοῖς περιττοῖς, ὑμῖν δὲ τοῖς ἐστρατευμένοις ἐν ἔστω παράγγελμα κοινὸν ἐπὶ πᾶσιν ἔργοις ὁ ἐμὸς τρόπος καὶ πόνος· πρὸς γὰρ τότε κατευθεύοντες αὐτοὺς οὔτε προθυμίας ἀμαρτήσεσθε οὔτε χάριτος ἀτυχήσετε. χρή δὲ νῦν μὲν πονεῖν, ἐν ᾧ κινδυνεύομεν, τὰ δὲ κέρδη καὶ τὴν τρυφήν ἐς τὸν πρόποντα καιρὸν ἀναθέσθαι. ταῦτ' ἐγὼ προστάσω καὶ ὁ νόμος, καὶ τοῖς μὲν εὐπειθῶς ἔχουσιν οἷσει πολλὴν ἀγαθὴν ἀμοιβήν, τοῖς δ' ἀπειθοῦσι μετάνοιαν.

[117] ὁ μὲν δὴ Σκιπίων ταῦτ' εἶπε, καὶ εὐθύς ἀπῆλαινε τὸ πλῆθος ἀνδρῶν ἀχρείων, καὶ σὺν αὐτοῖς ὅσα περιττὰ καὶ μάταια καὶ τρυφερὰ ἦν. καθαροῦ δὲ τοῦ στρατοῦ γενομένου καὶ περιδεοῦς καὶ ἐς τὰ παραγγελλόμενα ὀξέος, ἀπεπεύραζε τῶν καλουμένων Μεγάρων νυκτὸς μᾶς διχῇ λανθάνων. χωρίον δ' ἐστὶν εὐμέγεθες ἐν τῇ πόλει τὰ Μέγαρά, τῷ τείχει παρευγμένον· ἐς ὃ τῇ μὲν ἐτέρους περιέπεμπε, τῇ δ' αὐτὸς σὺν πελέκεσι καὶ κλίμαξι καὶ μοχλοῖς ἐβάδιζε σταδίους εἴκοσιν ἀποφητί, μετὰ σιγῆς βαθυτάτης. αἰσθήσεως δ' ἄνωθεν, ὅτε μάλιστ' ἐπλησίαζε, καὶ βοῆς ἀπὸ τῶν τειχῶν γενομένης, ἀντεβόησεν αὐτὸς τε πρῶτος καὶ ὁ στρατὸς αὐτοῦ καὶ οἱ ἐπὶ θάτερα ἀπεσταλμένοι μέγιστον, ὥς τῷδε πρώτῳ τοὺς Καρχηδονίους καταπλαγῆναι, τοσοῦτων ἐχθρῶν ἐν πλευραῖς ἄφνω νυκτὸς ἐπιγενομένων. κατὰ μὲν οὖν τὸ τεῖχος οὐδέν, καίπερ ἐπιχειρῶν, ἦνυσεν, ἐς δὲ τινος ιδιώτου πύργον ἔρημον, ἐκτὸς ὄντα τοῦ τείχους καὶ τὸ ὕψος ἴσον ὄντα τῷ τείχει, νεανίας ἀνεβίβασεν εὐτόλμους, οἱ τοὺς ἐπὶ τῶν τειχῶν ἀκοντίους ἀνέστελλον, ξύλα τε καὶ σανίδας ἐς τὸ διάστημα ἐπιθέντες καὶ δι' αὐτῶν ἐς τὰ τεῖχη διαδραμόντες καθήλαντο ἐς τὰ Μέγαρά, καὶ πυλίδα κόψαντες ἐδέχοντο τὸν Σκιπίωνα. ὁ δὲ ἐσῆλθε μὲν σὺν ἀνδράσι τετρακισχιλίοις, καὶ φυγὴ ταχεῖα τῶν Καρχηδονίων ἐς τὴν Βύρσαν ἦν ὡς τῆς ἄλλης πόλεως ἀλούσης. βοή τε ἐγίγνετο ποικίλη καὶ τινῶν αἰχμαλωσία καὶ θόρυβος, ὥς καὶ τοὺς ἔξω στρατοπεδεύοντας ἐκλιπεῖν τὸ χαράκωμα καὶ ἐς τὴν Βύρσαν ὁμοῦ τοῖς ἄλλοις ἀναδραμεῖν. ὁ δὲ Σκιπίων 'τὸ γὰρ χωρίον, τὰ Μέγαρά, ἐλαχανεύετο καὶ φυτῶν ὥραιον ἔγεμεν, αἵμασιαις τε καὶ θριγκοῖς βάτου καὶ ἄλλης ἀκάνθης καὶ ὀχετοῖς βαθέος ὕδατος ποικίλοις τε καὶ σκολιοῖς κατάπλεων ἥν' ἔδεισε μὴ ἄβατον καὶ δυσχερὲς ἦ στρ. ατῷ δῶκοντι ἐν ἀγνωσίᾳ μάλιστα διόδων, καί τις ἐν νυκτὶ ἐνέδρα γένοιτο.

ἀνεzeugνυε δῆ.

[118] καὶ γενομένης ἡμέρας ὁ Ἀσδρούβας, χαλεπῶς ἔχων τῆς ἐς τὰ Μέγαρα ἐπιχειρήσεως, ὅσα Ῥωμαίων εἶχεν αἰχμάλωτα, ἐπὶ τὸ τεῖχος ἀγαγόν, ὅθεν εὐσύνοπτα Ῥωμαῖοις ἔμελλε τὰ δρώμενα ἔσεσθαι, τῶν μὲν ὀφθαλμοὺς ἢ γλῶττας ἢ νεῦρα ἢ αἰδοῖα σιδηρίοις ἐξεῖλκε καμπύλοις, τῶν δ' ὑπέτεμνε τὰ πέλματα καὶ τοὺς δακτύλους ἐξέκοπτεν, ἢ τὸ δέρμα τοῦ λοιποῦ σώματος ἀπέσπα, καὶ πάντα ἔμπνους ἔτι κατεκρήμνιζεν, ἀδιάλλακτα τοῖς Καρχηδονίοις τὰ ἐς Ῥωμαίους ἐπινοῶν. καὶ ὁ μὲν αὐτοὺς οὕτως ἠρέθιζε τὴν σωτηρίαν ἔχειν ἐν μόνη τῇ μάχῃ, περιέστη δ' αὐτῷ ἐς τὸ ἐναντίον ὧν ἐπενόει. ὑπὸ γὰρ συνειδότος οἱ Καρχηδόνιοι τῶνδε τῶν ἀθεμίστων ἔργων περιδεεῖς ἀντὶ προθύμων ἐγίνοντο, καὶ τὸν Ἀσδρούβαν ὡς καὶ τὴν συγγνώμην σφῶν ἀφηρημένον ἐμίσουν: καὶ μάλισθ' ἡ βουλὴ αὐτοῦ κατεβόα ὡς ὠμὰ καὶ ὑπερήφανα δεδρακότος ἐν συμφοραῖς οἰκειαῖς τοσαῖσδε. ὁ δὲ καὶ τῶν βουλευτῶν τινὰς ἔκτεινε συλλαμβάνων, καὶ ἐς πάντα ὧν ἤδη περιδεῖς ἐς τυραννίδα μᾶλλον ἢ στρατηγίαν περιῆλθεν, ὡς ἐν τῷδε μόνῳ τὸ ἀσφαλὲς ἔξων, εἰ φοβερὸς αὐτοῖς εἴη καὶ δι' αὐτὸ καὶ δυσεπιχειρήτος.

[119] ὁ δὲ Σκιπίων τὸν μὲν χάρακα τῶν ἐχθρῶν, ὃν τῇ προτέρᾳ κατελειοίπεσαν ἐς τὸ ἄστυ φεύγοντες, ἐνέπρησεν, ὅλου δὲ τοῦ ἰσθμοῦ κρατῶν διετάφρευεν αὐτὸν ἐκ θαλάσσης ἐπὶ θάλασσαν, ἀπέχων τῶν πολεμίων ὅσον ὀρμὴν βέλους. οἱ δὲ ἐπέκειντο, καὶ ἦν αὐτῷ ἔργον ἐπὶ σταδίους τοῦ μετώπου πέντε καὶ εἴκοσιν ἐργαζομένῳ τε ὁμοῦ καὶ μαχομένῳ. ὡς δὲ αὐτῷ τοῦτ' ἐξετετέλεστο, ἐτέραν ὥρυσσε τάφρον ἴσην, οὐ πολλὴ τῆς προτέρας διασχών, ἐς τὴν ἡπειρον ἀφορῶσαν. δύο τε ἐπικαρσίας αὐταῖς ἐτέρας περιθεῖς ὡς γενέσθαι τὸ ὅλον ὄρυγμα τετράγωνον, ἐσταύρωσε πάντα ξύλοις ὀξέσιν. καὶ ἐπὶ τοῖς σταυροῖς τὰς μὲν ἄλλας τάφρους ἐχαράκωσε, τῇ δ' ἐς τὴν Καρχηδόνα ὁρώσῃ καὶ τεῖχος παρικοδόμησεν ἐπὶ τοὺς πέντε καὶ εἴκοσι σταδίους, ὕψος μὲν δωδέκα ποδῶν χωρὶς ἐπάλξεων τε καὶ πύργων, οἱ ἐκ διαστήματος ἐπέκειντο τῷ τείχει, τὸ δὲ βάθος ἐφ' ἡμισυ μάλιστα τοῦ ὕψους. ὁ δ' ἐν μέσῳ πύργος ὑψηλότητός τε ἦν, καὶ ἐπ' αὐτοῦ ξύλινος ἐπέκειτο τετράροφος, ὅθεν καθεώρα τὰ γινόμενα ἐν τῇ πόλει. ταῦτα δ' ἡμέραις εἴκοσι καὶ νυξὶν ἐργασάμενος ὅλῳ τῷ στρατῷ πονοῦντι, καὶ παραλλὰξ ἐργαζομένῳ τε καὶ πολεμοῦντι καὶ σῖτον ἢ ὕπνον αἰρουμένῳ, τὴν στρατιὰν ἐσήγαγεν ἐς τότε τὸ χαράκωμα.

[120] καὶ ἦν αὐτῷ τοῦτο στρατόπεδόν τε ὁμοῦ καὶ κατὰ τῶν ἐχθρῶν ἐπιτείχισμα ἐπίμηκες, ὅθεν ὁρμώνενος τὴν ἀγορὰν ἀφηρεῖτο Καρχηδόνιους, ὅση κατὰ γῆν αὐτοῖς ἐφέρετο: ὅτι γὰρ μὴ τῷδε τῷ αὐχένι μόνῳ, τὰ λοιπὰ ἢ Καρχηδὼν περίκλυστος ἦν. καὶ τοῦτο πρῶτον αὐτοῖς καὶ μάλιστα ἐγίνετο λιμοῦ καὶ κακῶν αἰτίον: ἅτε γὰρ τοῦ πλήθους παντὸς ἐκ τῶν ἀγρῶν ἐς τὴν πόλιν ἀνοικισαμένου, οὔτε προϊόντες ποι διὰ τὴν πολιορκίαν, οὔτε ξένων ἐμπόρων διὰ τὸν πόλεμον θαμινὰ ἐπιόντων, μόνη τῇ τῆς Λιβύης ἀγορᾷ χρώμενοι, μικρὰ μὲν ποτε καὶ διὰ θαλάσσης, ὅτε ὥραϊον εἴη, τὰ πλεονα δὲ κατὰ τὴν γῆν ἐπεκομίζοντο, ἀφηρημένοι δὲ τότε τὴν ἐκ τῆς γῆς κομιδὴν, ἐπιπόνως ἥσθοντο τοῦ λιμοῦ. Βιθύας δέ, ὅσπερ ἵππαρχος ἦν αὐτοῖς καὶ ἐπέπεμπτο ἐπὶ σῖτον ἐκ πολλοῦ, προσελθεῖν μὲν ἢ βιάσασθαι τὸ χαράκωμα

τοῦ Σκιπίωνος οὐκ ἐτόλμα, περιφέρων δὲ τὴν ἀγορὰν ἐς τὰ πόρρω διὰ μακροῦ ναυσὶν ἐσέπεμπεν, ἐφορμουσῶν μὲν τῇ Καρχηδόνι νεῶν τοῦ Σκιπίωνος· ἀλλ' οὔτε διηνεκῶς οὔτε πυκναὶ συνειστήκεσαν ὥς ἐν ἀλιμένῳ καὶ περικρήμῳ θαλάσσῃ, παρὰ τε τὴν πόλιν αὐτὴν οὐκ ἐδύναντο ἀνακωχεύειν, τῶν Καρχηδονίων τοῖς τείχεσιν ἐφεστώτων, καὶ τοῦ κύματος ἐκεῖ μάλιστα διὰ τὰς πέτρας ταρασσομένου. ὅθεν αἱ φορτίδες αἱ Βιθύου, καὶ εἴ τις ἄλλος ἔμπορος ὑπὸ κέρδους ἐθελοκινδύνως ἠπείγετο, φυλάσσοντες ἄνεμον ἐκ πόντου πολὺν πεπετασμένοις τοῖς ιστίοις διέθεον, ἀδυνάτων οὐσῶν ἔτι τῶν τριήρων ὀλκάδας φερομένας ιστίῳ καὶ πνεύματι διώκειν. σπανίως μὲν οὖν ἐγίγνετο καὶ μόνον ὅτε βίαιον εἴη πνεῦμα ἐκ πόντου· καὶ ταῦτα δ', ὅσα φέροιεν αἱ νῆες, Ἀσδρούβας τρισμυρίοις ἀνδράσι μόνοις διένεμεν, οὓς ἐς μάχην ἐπέιλετο, καὶ τοῦ ἄλλου πλήθους κατεφρόνει· ὅθεν ἐμόχθουν μάλιστα ὑπὸ τοῦ λιμοῦ.

[121] καὶ ὁ Σκιπίων αἰσθανόμενος ἐπενόει τὸν ἔσπλουν αὐτοῖς τοῦ λιμένος, ἐς δύοσιν τε ἀφορῶντα καὶ οὐ πᾶν πόρρω τῆς γῆς ὄντα, ἀποκλείσαι. χῶμα οὖν ἐς τὴν θάλασσαν ἔχου μακρόν, ἀρχόμενος μὲν ἀπὸ τῆς ταινίας ἢ μεταξὺ τῆς λίμνης οὓσα καὶ τῆς θαλάσσης γλῶσσα ἐκαλεῖτο, προϊὼν δ' ἐς τὸ πέλαγος καὶ εὐθύνων ἐπὶ τὸν ἔσπλουν. ἔχου δὲ λίθοις μεγάλοις τε καὶ πυκνοῖς, ἵνα μὴ ὑπὸ τοῦ κλύδωνος διαφέροιντο. καὶ πλάτος τοῦ χώματος τὸ μὲν ἄνω τεσσάρων καὶ εἴκοσι ποδῶν, τὸ δ' ἐς τὸν βυθὸν καὶ τετραπλάσιον ἦν. τοῖς δὲ Καρχηδονίοις ἀρχομένου μὲν τοῦδε τοῦ ἔργου καταφρόνησις ἦν ὥς χρονίου τε καὶ μακροῦ καὶ ἴσως ἀδυνάτου· προϊόντος δὲ σὺν ἐπεῖξει τοσοῦδε στρατοῦ, μήτε ἡμέραν ἐκλείποντος ἐπὶ τοῖς ἔργοις μήτε νύκτα, ἔδειςαν, καὶ στόμα ἕτερον ἐπὶ θάτερα τοῦ λιμένος ὥρυσσον ἐς μέσον τὸ πέλαγος, οἷ' μηδὲν χῶμα προελθεῖν ἐδύνατο ὑπὸ βάθους τε καὶ πνευμάτων ἀγριωτέρων. διώρυσσον δ' ἅμα γυναιξὶ καὶ παισίν, ἔνδοθεν ἀρχόμενοι καὶ πᾶν λανθάνοντες· ἅμα δὲ καὶ ναῦς ἐξ ὕλης παλαιᾶς ἐναυπήγουν, πεντήρεις τε καὶ τριήρεις, οὐδὲν ὑπολείποντες εὐψυχίας τε καὶ τόλμης. οὕτω δ' ἅπαντα ἐπέκρυπτον ὥς μηδὲ τοὺς αἰχμαλώτους ἔχειν τι τῷ Σκιπίωνι σαφὲς εἰπεῖν, ἀλλὰ κτύπον μὲν ἐν τοῖς λιμέσιν ἡμέρας τε καὶ νυκτὸς εἶναι πολὺν ἀπαύστως, τὴν δὲ χρεῖαν οὐκ εἰδέναι, μέχρι γε δὴ πάντων ἐτοίμων γενομένων οἱ Καρχηδόνιοι τὸ στόμα ἀνέφξαν περὶ ἔω, καὶ ναυσὶ πεντήκοντα μὲν τριηρετικάῃς, κερκούροις δὲ καὶ μυοπάρωσι καὶ ἄλλοις βραχυτέροις πολλοῖς ἐξέπλεον, ἐς κατάπληξιν ἐσκευασμένοι φοβερῶς.

[122] Ῥωμαίους δὲ τό τε στόμα ἄφνω γινόμενον καὶ ὁ στόλος ἐπὶ τῷ στόματι ἐς τοσόνδε κατέπληξεν ὥς τοὺς Καρχηδονίους, εἰ αὐτίκα ταῖς ναυσὶ ταῖς Ῥωμαίων ἐπέθεντο, ἡμελημέναις τε ὥς ἐν τειχομαχίᾳ, καὶ οὐδενὸς ναύτου παρόντος οὐδ' ἐρέτου, ὅλου ἂν τοῦ ναυστάθμου κρατῆσαι. νῦν οὖν ἄλῶναι γὰρ ἔδει Καρχηδὸνὰ τότε μὲν ἐς μόνην ἐπίδειξιν ἐπέπλευσαν, καὶ σοβαρῶς ἐπιτωθᾶσαντες ἀνέστρεφον, τρίτῃ δ' ἡμέρᾳ μετὰ τοῦτο ἐς ναυμαχίαν καθίσταντο· καὶ οἱ Ῥωμαῖοι τὰς τε ναῦς καὶ τᾶλλα εὐτρεπισάμενοι ἀντανήγοντο. βοῆς δὲ καὶ παρακελεύσεως ἐκατέρωθεν γενομένης καὶ προθυμίας ἐρετῶν τε καὶ κυβερνητῶν καὶ τῶν ἐπιβατῶν, ὥς ἐν τῷδε λοιπῷ Καρχηδονίοις μὲν τῆς σωτηρίας οὔσης Ῥωμαίοις δὲ τῆς νίκης ἐντελοῦς, πληγαὶ τε πολλαὶ καὶ τραύματα ποικίλα ἐγίγνετο παρ' ἀμφοῖν μέχρι μέσης ἡμέρας. ἐν δὲ τῷ πόνῳ τὰ σκάφη τῶν Λιβύων τὰ σμικρὰ ταῖς Ῥωμαϊκαῖς

ναυσὶ μεγάλαις οὖσαις ἐς τοὺς ταρσοὺς ὑποτρέχοντα διετίτρη πρύμνας καὶ ἐξέκοπτε πηδάλια καὶ κώπας, καὶ ἄλλα πολλὰ καὶ ποικίλα ἐλύπει, εὐμαρῶς τε ὑποφεύγοντα καὶ εὐμαρῶς ἐπιπλέοντα. ἀκρίτου δ' ἔτι τῆς ναυμαχίας οὔσης, καὶ τῆς ἡμέρας ἐς δειλὴν τρεπομένης, ἔδοξε τοῖς Καρχηδονίοις ὑποχωρεῖν, οὗ τι κατὰ ἦτταν ἀλλ' ἐς τὴν ἐπιούσαν ὑπερτιθεμένοις.

[123] καὶ αὐτῶν τὰ σκάφη τὰ βραχύτερα προύφευγε, καὶ τὸν ἔσπλουν προλαβόντα ἐς ἄλληλα ὠθεῖτο ὑπὸ τοῦ πλήθους, καὶ τὸ στόμα βύζην ἀπέκλειεν. ὅθεν αἱ μείζους ἐπανιοῦσαι τὸν ἔσπλουν ἀφήρηντο, καὶ ἐς τὸ χῶμα κατέφυγον, ὃ πρὸ τοῦ τείχους εὐρύχωρον ἐμποροῖς ἐς διάθεςιν φορτίων ἐγεγένητο ἐκ πολλοῦ· καὶ παρατείχισμα ἐπ' αὐτοῦ βραχὺ ἐν τῷδε τῷ πολέμῳ ἐπεποίητο, ἵνα μὴ ὡς ἐν εὐρυχώρῳ στρατοπεδεύσειάν ποτε οἱ πολέμιοι. ἐς μὲν δὴ τότε τὸ χῶμα αἱ νῆες αἱ τῶν Καρχηδονίων, ἀπορία λιμένος, καταφυγοῦσαι μετωπηδὸν ὠρμίσαντο· καὶ τοὺς ἐχθροὺς ἐπιπλέοντας οἱ μὲν ἀπ' αὐτῶν τῶν νεῶν, οἱ δ' ἀπὸ τοῦ χώματος, οἱ δ' ἐκ τοῦ διατειχίσματος ἀπεμάχοντο. Ῥωμαίοις δὲ ὁ μὲν ἐπίπλους ἦν ῥάδιος καὶ τὸ μάχεσθαι ναυσὶν ἐστώσαις εὐμαρές, αἱ δ' ἀναχωρήσεις δι' ἀναστροφὴν τῶν νεῶν, μακρῶν οὐσῶν, βραδεῖαι τε καὶ δυσχερεῖς ἐπεγίνοντο· ὅθεν ἀντέπασχον ἐν τῷδε τὰ ὅμοια ὅτε γὰρ ἐπιστρέφοιεν, ἐπλήσσοντο ὑπὸ τῶν Καρχηδονίων ἐπιπλεόντων, μέχρι νῆες Σιδητῶν πέντε, αἱ φιλία Σκιπίωνος εἶποντο, τὰς μὲν ἀγκύρας καθῆκαν ἐκ πολλοῦ διαστήματος ἐς τὸ πέλαγος, ἀψάμεναι δ' ἀπ' αὐτῶν κάλους μακροὺς εἰρεσίᾳ τοῖς Καρχηδονίοις ἐπέπλεον, καὶ ὅτε ἐγγρίμψαιεν, ὑπεχώρουν τοὺς κάλους ἐπισπῶμεναι κατὰ πρύμναν, αὐτῆς τε ῥοθίῳ καταπλέουσαι πάλιν ἀνήγοντο κατὰ πρύμναν. τότε γὰρ ὁ στόλος ἅπας, τὸν νοῦν τῶν Σιδητῶν ὀρῶντές τε καὶ μιμούμενοι, πολλὰ τοὺς ἐχθροὺς ἐβλαπτον. καὶ τὸ ἔργον ἐς νύκτα ἐτελευτα, καὶ ἐς τὴν πόλιν διέφυγον αἱ τῶν Καρχηδονίων νῆες, ὅσαι γε ἔτι ἦσαν ὑπόλοιποι.

[124] Σκιπίων δὲ γενομένης ἡμέρας ἐπεχειρεῖ τῷ χώματι· καὶ γὰρ ἦν εὐκαιρὸν ἐπιτείχισμα τοῦ λιμένος. κριοῖς οὖν το παρατείχισμα τύπτων, καὶ μηχανήματα πολλὰ ἐπάγων, μέρος αὐτοῦ κατέβαλεν. οἱ δὲ Καρχηδόνιοι, καίπερ ὑπὸ λιμοῦ καὶ κακώσεως ποικίλης ἐνοχλοῦμενοι, νυκτὸς ἐξέδραμον ἐπὶ τὰ Ῥωμαίων μηχανήματα, οὐ κατὰ γῆν 'οὐ γὰρ ἦν δίοδος' οὐδὲ ναυσὶν ἄλιτενῆς γὰρ ἦν ἡ θάλασσα, ἀλλὰ γυμνοὶ δᾶδας ἔφερον, οὐχ ἡμέμενας ἵνα μὴ μακρόθεν εἶεν καταφανεῖς· ἐς δὲ τὴν θάλασσαν ἐμβάντες ἢ μὴ τις ἂν προσεδόκησεν, οἱ μὲν ἄχρι τῶν μαστῶν βρεχόμενοι διεβάδιζον, οἱ δὲ καὶ διένεον, ἕως ἐπὶ τὰ μηχανήματα ἐλθόντες ἐξῆψαν τὸ πῦρ, καὶ κατάφωροι γενόμενοι πολλὰ μὲν ἔπαθον, ἅτε γυμνοὶ τιτρωσκόμενοι, πολλὰ δ' ἀντέδρασαν ὑπὸ τόλμης· οἱ καὶ τὰς ἀκίδας τῶν βελῶν καὶ τὰς αἰχμὰς ἐν στέρνοις καὶ ὄψεσι φέροντες οὐκ ἀνίσταν, ὥσπερ θηρία ταῖς πληγαῖς ἐγκείμενοι, μέχρι τὰ μηχανήματα ἐνέπρησαν καὶ τοὺς Ῥωμαίους ἐτρέψαντο θορυβουμένους. ἐκπληξίς τε καὶ τάραχος ἦν ἀνὰ ὅλον τὸ στρατόπεδον, καὶ φόβος οἷος οὐ πρὶν, ὑπὸ μανίας γυμνῶν πολεμίων, ὥστε δεῖσας ὁ Σκιπίων μετὰ ἱππέων ἕξω περιέθει, καὶ τοὺς οἰκείους, εἰ μὴ λήξαιεν τῆς φυγῆς, ἐκέλευε βάλλειν. ἔστι δὲ οὗς ἔβαλε καὶ ἀπέκτεινεν, ἕως οἱ πλείους συνεώσθησαν ἐς τὸ στρατόπεδον ὑπ' ἀνάγκης, καὶ διενυκτέρευσαν ἔνοπλοι, τὴν ἀπόγνωσιν τῶν

ἐχθρῶν δεδιότες. οἱ δὲ τὰς μηχανὰς ἐμπρήσαντες ἐξένεον αὐθις ἐς τὰ οἰκεία.

[125] ἅμα δ' ἡμέρᾳ Καρχηδόνιοι μὲν, οὐκ ἐνοχλουσῶν σφᾶς ἔτι μηχανῶν πολεμίων, τὸ διαπεπτωκὸς τοῦ διατειχίσματος ὥκοδόμουν, καὶ πύργους ἐν αὐτῷ πολλοὺς ἐποίουν ἐκ διαστήματος, Ῥωμαῖοι δ' ἐτέρας ἐργασάμενοι μηχανὰς χώματα ἤγειρον ἀντιμέτωπα τοῖς πύργοις, δᾷδὰ τε συγκεκομμένην καὶ θεῖον ἐν κώθωσι καὶ πίσσαν ἐπ' αὐτοὺς ἐσφενδόνων, καὶ ἔστιν οὖς τῶν πύργων ἐνεπίμπρασαν, καὶ τοὺς Καρχηδονίους φεύγοντας ἐδίωκον. ὀλισθηρὸς δ' ἦν ὁ δρόμος ὑφ' αἵματος πεπηγὸς ὑπογύου τε καὶ πολλοῦ, ὥστε τῶν φευγόντων ἀπελίποντο ἄκοντες. ὁ δὲ Σκιπίων τοῦ χώματος ὅλου κατασχὼν ἀπετάφρευεν αὐτό, καὶ τεῖχος ἤγειρεν ἐκ πλίνθων, οὔτε κολοβώτερον τοῦ τῶν πολεμίων οὔτ' ἐκ μακροῦ διαστήματος ἀπ' αὐτῶν. ὥς δ' ἐξείργαστο αὐτῷ καὶ τὸ τεῖχος, τετρακισχιλίους ἐς αὐτὸ ἔπεμψεν, ἐπαφίεναι τοῖς ἐχθροῖς βέλη τε καὶ ἀκόντια σὺν καταφρονήσει. οἱ δὲ ἰσομέτωποι γενόμενοι ἔβαλλον αὐτοὺς ἐπιτυχῶς. καὶ τὸ θέρος ἐς ταῦτα ἀναλώθη.

[126] χειμῶνος δ' ἀρχομένου τὴν ἐν τῇ χώρᾳ τῶν Καρχηδονίων δύναμιν τε καὶ συμμάχους ὁ Σκιπίων ἔγνω προκαθελεῖν, ὅθεν αὐτοῖς ἀγορὰ διεπέμπετο. περιπέμψας οὖν ἐτέρωσε ἐτέρους, αὐτὸς ἐς Νέφεριν ἐπὶ Διογένη τὸν μετ' Ἀσδρούβαν φρουροῦντα τὴν Νέφεριν ἠπείγετο διὰ τῆς λίμνης, καὶ Γάιον Λαίλιον κατὰ γῆν περιέπεμπεν. ὥς δὲ ἀφίκετο, δύο σταδίους ἀποσχὼν τοῦ Διογένους ἐστρατοπέδευε, καὶ Γολόσσην καταλιπὼν ἐγχειρεῖν ἀπαύστως τῷ Διογένει αὐτὸς ἐπὶ Καρχηδόνας ἠπείγετο: ὅθεν ἐς Νέφεριν τε καὶ Καρχηδόνα διετρώχαζεν, αἰεὶ τὰ γιγνόμενα ἐφορῶν. δύο δὲ τοῦ Διογένους μεσοπυργίων καταπεσόντων ἦκεν ὁ Σκιπίων, καὶ χιλίους ἐπiléκτους ὀπισθεν τοῦ Διογένους ἐνεδρεύσας, ἐτέροις ἐκ μετώπου τρισχιλίοις, ἀριστίνδην καὶ τοῖσδε ἐπιλεγόμενοις, ἐπέβαιnen ἐπὶ τὰ πεπτωκότες τῶν μεσοπυργίων, οὐκ ἀθρόους ἀναβιβάζων, ἀλλὰ κατὰ μέρη πυκνοὺς ἐπ' ἀλλήλοις, ἵνα μηδὲ βιασθέντες οἱ πρῶτοι φυγεῖν δύναιντο διὰ τοὺς ἐπομένους. πολλῆς δὲ βοῆς οὔσης καὶ πόνου, καὶ τῶν Λιβύων ἐς ταῦτα ἐπεστραμμένων, οἱ χίλιοι, καθάπερ αὐτοῖς προεῖρητο, οὐδενὸς ἐς αὐτοὺς ἀποβλέποντος οὐδ' ὑπονοοῦντος ἐνέπεσον ἐς τὸ χαράκωμα εὐτόλμως, καὶ διέσπων αὐτὸ καὶ ὑπερέβαινον. καὶ τῶν πρώτων ἔνδον γενομένων αἰσθησις ἐγίνετο ταχεῖα, καὶ ἔφευγον οἱ Λίβυες, οὐχ ὅσους ἑώρων, ἀλλὰ πολὺν πλέονας ἡγούμενοι τοὺς ἐσελθόντας εἶναι. Γολόσσης δ' αὐτοῖς ἐπιτρέχων σὺν Νομάσι πολλοῖς καὶ ἐλέφασιν πολὺν εἰργάζετο φόνον, ὥς ἀπολέσθαι μὲν ἐς ἐπτακισμυρίους σὺν τοῖς ἀχρείοις, ἄλῶναι δ' ἐς μυρίους, διαφυγεῖν δ' ἀμφὶ τοὺς τετρακισχιλίους. ἐάλω δὲ καὶ ἡ πόλις ἡ Νέφερις ἐπὶ τῷ στρατοπέδῳ, δύο καὶ εἴκοσιν ἡμέραις ἄλλαις πολιορκηθεῖσα πρὸς τοῦ Σκιπίωνος πάνυ κακοπαθῶς ἐν χειμῶνι καὶ ψυχρῷ χωρίῳ. τὸ δὲ ἔργον τότε μάλιστα συνη ἔνεγκεν ἐς τὴν τῆς Καρχηδόνας ἄλωσιν. ἦδε γὰρ ἡ στρατιὰ τὴν ἀγορὰν αὐτοῖς διεπόρθμευε, καὶ ἐς τόδε τὸ στρατόπεδον οἱ Λίβυες ἀφορῶντες ἐθάρρουν. τότε δ' αὐτοῦ ληφθέντος καὶ τὰ λοιπὰ τῆς Λιβύης χωρία τοῖς στρατηγοῖς Σκιπίωνος προσεχώρει ἢ οὐ δυσχερῶς ἐλαμβάνετο. ἢ τε ἀγορὰ τοὺς Καρχηδονίους ἐπέλιπε, καὶ οὐδὲν οὔτ' ἐκ Λιβύης ἀλλοτρίας ἤδη γενομένης οὔτ' ἀλλαχόθεν αὐτοῖς καταπλεῖν ἐδύνατο, διὰ τε τὸν πόλεμον αὐτὸν καὶ τὴν ὥραν χειμῆριον οὔσαν.

[127] ἀρχομένου δ' ἦρος ὁ μὲν Σκιπίων ἐπεχείρει τῇ τε Βύρσῃ καὶ τῶν λιμένων τῷ καλουμένῳ Κώθωνι, ὁ δὲ Ἀσδρούβας νυκτὸς ἐνεπίμπρη τὸ μέρος τοῦ Κώθωνος τὸ τετράγωνον. ἐλπίσας δ' ἔτι τὸν Σκιπίωνα ἐπιθήσεσθαι, καὶ πρὸς τόδε τῶν Καρχηδονίων ἐπεστραμμένων, ἔλαθε Λαίλιος ἐπὶ θάτερα τοῦ Κώθωνος ἐς τὸ περιφερὲς αὐτοῦ μέρος ἀνελθών. βοῆς δ' ὥς ἐπὶ νίκη γενομένης οἱ μὲν ἔδεισαν, οἱ δὲ πανταχόθεν ἤδη καταφρονοῦντες ἐβιάζοντο τὴν ἀνάβασιν, ξύλα καὶ μηχανήματα καὶ σανίδας ἐπὶ τὰ διαστήματα διατιθέντες, ἀσθενῶν τὰ σώματα τῶν φυλάκων ὑπὸ τοῦ λιμοῦ γεγονότων, καὶ ταῖς γνώμαις ἀπαγορευόντων. ληφθέντος δὲ τοῦ περὶ τὸν Κώθωνα τείχους, τὴν ἀγορὰν ἐγγὺς οὖσαν ὁ Σκιπίων κατέλαβεν. οὐδὲν τε ὥς ἐν ἐσπέρᾳ πλεόν ἔτι δυνάμενος, ἐν τοῖς ὅπλοις διενυκτέρευσε μεθ' ἀπάντων. ἀρχομένης δὲ τῆς ἡμέρας ἐτέρους ἀκμήτας ἐκάλει τετρακισχίλους, οἱ ἐσιόντες ἱερὸν Ἀπόλλωνος, οὗ τό τε ἄγαλμα κατάχρυσον ἦν καὶ δῶμα αὐτῷ χρυσήλατον ἀπὸ χιλίων ταλάντων σταθμοῦ περιέκειτο, ἐσύλων καὶ ταῖς μαχαίραις ἔκοπτον, ἀμελήσαντες τῶν ἐφεστώτων, ἕως ἐμερίσαντο καὶ ἐπὶ τὸ ἔργον ἐτράποντο.

[128] Σκιπίωνι δ' ἦν μὲν ἐπὶ τὴν Βύρσαν ἢ σπουδῇ: τὸ γὰρ ὀχυρώτατον τῆς πόλεως ἦν, καὶ οἱ πλέονες ἐς αὐτὴν συνεπεφεύγεσαν. τριῶν δ' οὐσῶν ἀπὸ τῆς ἀγορᾶς ἀνόδων ἐς αὐτήν, οἰκίαι πυκναὶ καὶ ἐξώροφοι πανταχόθεν ἦσαν, ὅθεν οἱ Ῥωμαῖοι βαλλόμενοι τὰς πρώτας τῶν οἰκῶν κατέλαβον, καὶ ἀπ' αὐτῶν ἡμύνοντο τοὺς ἐπὶ τῶν πλησίον. ὅτε δ' αὐτῶν κρατήσειαν, ξύλα καὶ σανίδας τοῖς διαστήμασι τῶν στενωπῶν ἐπιτιθέντες διέβαινον ὥς ἐπὶ γεφυρῶν. καὶ ὅδε μὲν ὁ πόλεμος ἦν ἐπὶ τῶν τεγῶν ἄνω, ἕτερος δ' ἐν τοῖς στενωποῖς κατὰ τοὺς ἀπαντῶντας. στόνου δὲ καὶ οἰμωγῆς καὶ βοῆς πάντα καὶ ποικίλων παθῶν ἐνεπίμπλατο, κτεινομένων τε ἐν χερσὶ, καὶ ζώντων ἔτι ριπτουμένων ἄνωθεν ἀπὸ τῶν τεγῶν ἐς τὸ ἔδαφος, καὶ φερομένων ἐνίων ἐπὶ δόρατα ὀρθὰ ἢ αἰχμὰς ἄλλας ἢ ξίφη. ἐνεπίμπρη δ' οὐδὲν οὐδεὶς πω διὰ τοὺς ἐπὶ τῶν τεγῶν, ἕως ἐπὶ τὴν Βύρσαν ἦκεν ὁ Σκιπίων: καὶ τότε τοὺς τρεῖς ὁμοῦ στενωποὺς ἐνεπίμπρη, καὶ τὸ αἰεὶ πιμπράμενον ἐτέροις ὁδοποιεῖν ἐκέλευεν, ἵν' εὐμαρῶς ὁ στρατὸς ἀλλασσόμενος διαθέοι.

[129] ἄλλη δ' ἦν ἐκ τοῦδε ὄψις ἐτέρων κακῶν, τοῦ μὲν πυρὸς ἐπιφλέγοντος πάντα καὶ καταφέροντος, τῶν δὲ ἀνδρῶν τὰ οἰκοδομηματα οὐ διαιρουντων ἐς ὀλίγον, ἀλλ' ἄθρόα βιαζομένων ἀνατρέπειν. ὁ τε γὰρ κτύπος ἐκ τοῦδε πολὺ πλείων ἐγένετο, καὶ μετὰ τῶν λίθων ἐξέπιπτον ἐς τὸ μέσον ἄθροοι νεκροί. ζῶντές τε ἕτεροι, πρεσβῦται μάλιστα καὶ παιδία καὶ γυναῖα, ὅσα τοῖς μυχοῖς τῶν οἰκῶν ἐκέκρυπτο, οἱ μὲν καὶ τραύματα φέροντες οἱ δ' ἡμίφλεκτοι, φωνὰς ἀηδεῖς ἀφιέντες. ἕτεροι δ', ὥς ἀπὸ τοσοῦδε ὕψους μετὰ λίθων καὶ ξύλων καὶ πυρὸς ὠθούμενοι καὶ καταπίπτοντες, ἐς πολλὰ σχήματα κακῶν διεσπῶντο ῥηγνύμενοί τε καὶ κατασπασσόμενοι. καὶ οὐδ' ἐς τέλος αὐτοῖς ταῦτα ἀπέχρη: λιθολόγοι γὰρ ὅσοι πελέκεσι καὶ ἀξίναις καὶ κοντοῖς τὰ πίπτοντα μετέβαλλον τε καὶ ὠδοποιοῦν τοῖς διαθέουσιν, οἱ μὲν τοῖς πελέκεσι καὶ ταῖς ἀξίναις, οἱ δὲ ταῖς χηλαῖς τῶν κοντῶν, τοὺς τε νεκροὺς καὶ τοὺς ἔτι ζῶντας ἐς τὰ τῆς γῆς κοῖλα μετέβαλλον ὥς ξύλα καὶ λίθους ἐπισύροντες ἢ ἀνατρέποντες τῷ σιδήρῳ, ἦν τε ἄνθρωπος ἀναπλήρωμα βόθρου. μεταβαλλόμενοι δ' οἱ μὲν ἐς κεφαλὰς ἐφέροντο, καὶ τὰ σκέλη σφῶν ὑπερίσχοντα τῆς γῆς ἡσπαιρον ἐπὶ

πλεῖστον: οἱ δ' ἐς μὲν τοὺς πόδας ἐπιπτον κάτω, καὶ ταῖς κεφαλαῖς ὑπερεῖχον ὑπὲρ τὸ ἔδαφος, ἵπποι δ' αὐτοὺς διαθέοντες ἐς τὰς ὄψεις ἢ τὸν ἐγκέφαλον ἐκόλαπτον, οὐχ ἐκόντων τῶν ἐποχουμένων ἀλλ' ὑπὸ σπουδῆς, ἐπεὶ οὐδ' οἱ λιθολόγοι ταῦτ' ἔδρων ἐκόντες: ἀλλ' ὁ τοῦ πολέμου πόνος καὶ ἡ δόξα τῆς νίκης ἐγγὺς καὶ ἡ τοῦ στρατοῦ σπουδὴ, καὶ κήρυκες ὁμοῦ καὶ σαλπικταὶ πάντα θορυβοῦντες, χιλιάρχοι τε καὶ λοχαγοὶ μετὰ τῶν τάξεων ἐναλλασσόμενοι καὶ διαθέοντες, ἔνθους ἅπαντας ἐποίουν καὶ ἀμελεῖς τῶν ὀρωμένων ὑπὸ σπουδῆς.

[130] καὶ ταῦτα πονουμένων ἐδαπανήθησαν ἐξ ἡμέρας τε καὶ νύκτες, τῆς μὲν στρατιᾶς ἐναλλασσομένης, ἵνα μὴ κάμοιεν ὑπ' ἀγρυπνίας καὶ κόπου καὶ φόνου καὶ ὄψεως ἀηδοῦς, Σκιπίωνος δ' ἀπαύστως ἐφεστῶτος ἢ διαθέοντος ἀύπνου, καὶ σῖτον οὕτως ἐπὶ τῶν ἔργων αἰρουμένου, μέχρι κάμινων καὶ παρειμένος ἐκαθέζετο ἐφ' ὑψηλοῦ, τὰ γινόμενα ἐφορῶν. πολλῶν δ' ἔτι πορθουμένων, καὶ τοῦ κακοῦ μακροτάτου δοκοῦντος ἔσεσθαι, προσέφυγον ἐβδόμῃς ἡμέρας αὐτῷ τινες ἐστεμμένοι στέμματα Ἀσκληπίεια: τότε γὰρ ἦν τὸ ἱερὸν ἐν ἀκροπόλει μάλιστα τῶν ἄλλων ἐπιφανὲς καὶ πλούσιον, ὅθεν οἶδε τὰς ἱκετηρίας λαβόντες ἐδέοντο τοῦ Σκιπίωνος περὶ μόνῃς συνθέσθαι σωτηρίας τοῖς ἐθέλουσιν ἐπὶ τῷδε τῆς Βύρσης ἐξιέναι, ὁ δὲ ἐδίδου, χωρὶς αὐτομόλων. καὶ ἐξήεσαν αὐτὰς μυριάδες πέντε ἀνδρῶν ἅμα καὶ γυναικῶν, ἀνοιχθέντος αὐτοῖς στενοῦ διατειχίσματος. καὶ οὗτοι μὲν ἐφυλάσσοντο, ὅσοι δ' αὐτόμολοι Ῥωμαίων ἦσαν, ἀμφὶ τοὺς ἐνακοσίους μάλιστα, ἀπογνόντες αὐτῶν ἐς τὸ Ἀσκληπιεῖον ἀνέδραμον μετ' Ἀσδρούβα καὶ τῆς γυναικὸς τῆς Ἀσδρούβα καὶ δύο παίδων ἀρρένων. ὅθεν εὐμαρῶς αἰεὶ ἐμάχοντο, καίπερ ὄντες ὀλίγοι, διὰ τὸ ὕψος τοῦ τεμένους καὶ τὸ ἀπόκρημνον, ἐς ὃ καὶ παρὰ τὴν εἰρήνην διὰ βαθρῶν ἐξήκοντα ἀνέβαινον. ὥς δὲ ὁ τε λιμὸς αὐτοὺς καθήρει καὶ ἡ ἀγρυπνία καὶ ὁ φόβος καὶ ὁ πόνος, τοῦ κακοῦ προσπελάζοντος, τὸ μὲν τέμενος ἐξέλιπον, ἐς δὲ τὸν νεῶν αὐτοῦ καὶ τὸ τέγος ἀνέτρεχον.

[131] κὰν τούτῳ λαθὼν ὁ Ἀσδρούβας ἔφυγε πρὸς τὸν Σκιπίωνα μετὰ θαλλῶν: καὶ αὐτὸν ὁ Σκιπίων ἐκάθισε πρὸ ποδῶν ἑαυτοῦ, καὶ τοῖς αὐτομόλοις ἐπεδείκνυεν. οἱ δ' ὥς εἶδον, ἤτησαν ἡσυχίαν σφίσι γενέσθαι, καὶ γενομένης Ἀσδρούβα μὲν ἐλοιδορήσαντο πολλὰ καὶ ποικίλα, τὸν δὲ νεῶν ἐνέπρησάν τε καὶ κατεκαύθησαν. τὴν δὲ γυναῖκα τοῦ Ἀσδρούβα λέγουσιν, ἀπτομένου τοῦ πυρὸς ἀντικρὺ τοῦ Σκιπίωνος γενομένην, κατακοσμήσασθαι τε ὥς ἐν συμφοραῖς ἐδύνατο, καὶ παραστησαμένην τὰ τέκνα εἰπεῖν ἐς ἐπήκοον τοῦ Σκιπίωνος: 'σοὶ μὲν οὐ νέμεσις ἐκ θεῶν, ᾧ Ῥωμαῖε: ἐπὶ γὰρ πολεμίαν ἐστράτευσας: Ἀσδρούβαν δὲ τόνδε πατρίδος τε καὶ ἱερῶν καὶ ἐμοῦ καὶ τέκνων προδότην γενόμενον οἱ τε Καρχηδόνοιο δαίμονες ἀμύναιτο, καὶ σὺ μετὰ τῶν δαιμόνων.' εἴτ' ἐς τὸν Ἀσδρούβαν ἐπιστρέψασα εἶπεν: 'ὦ μαιρὲ καὶ ἄπιστε καὶ μαλακώτατε ἀνδρῶν, ἐμὲ μὲν καὶ τοὺς ἐμοὺς παῖδας τότε τὸ πῦρ θάψει: σὺ δὲ τίνα κοσμήσεις θρίαμβον ὁ τῆς μεγάλης Καρχηδόνοιο ἡγεμών; τίνα δ' οὐ δώσεις δίκην τῷδε ᾧ παρακαθέζη;' τοσαῦτ' ὀνειδίσασα κατέσφαξε τοὺς παῖδας, καὶ ἐς τὸ πῦρ αὐτοῦς τε καὶ ἑαυτὴν ἐπέρριψεν.

[132] ᾧδε μὲν φασι τὴν Ἀσδρούβα γυναῖκα, ὥς αὐτὸν ἐχρῆν Ἀσδρούβαν, εἰποῦσαν ἀποθανεῖν: ὁ δὲ Σκιπίων πόλιν ὁρῶν ἑπτακοσίους ἔτεσιν ἀνθήσασαν

ἀπὸ τοῦ συνοικισμοῦ, καὶ γῆς τοσῆσδε καὶ νήσων καὶ θαλάσσης ἐπάρξασαν, ὅπλων τε καὶ νεῶν καὶ ἐλεφάντων καὶ χρημάτων εὐπορήσασαν ἴσα ταῖς ἀρχαῖς ταῖς μεγίσταις, τόλμη δὲ καὶ προθυμία πολὺ διασχοῦσαν, ἥ γε καὶ ναῦς καὶ ὅπλα πάντα περιηρημένη τρισὶν ὁμῶς ἔτεσιν ἀντέσχε πολέμῳ τοσῶδε καὶ λιμῷ, τότε ἄρδην τελευτῶσαν ἐς πανωλεθρίαν ἐσχάτην, λέγεται μὲν δακρῦσαι καὶ φανερὸς γενέσθαι κλαίων ὑπὲρ πολεμίων, ἐπὶ πολὺ δ' ἔννους ἐφ' ἑαυτοῦ γενόμενός τε, καὶ συνιδὼν ὅτι καὶ πόλεις καὶ ἔθνη καὶ ἀρχὰς ἀπάσας δεῖ μεταβαλεῖν ὥσπερ ἀνθρώπους δαίμονα, καὶ τοῦτ' ἔπαθε μὲν Ἴλιον, εὐτυχῆς ποτε πόλις, ἔπαθε δὲ ἡ Ἀσσυρίων καὶ Μήδων καὶ Περσῶν ἐπ' ἐκείνοις ἀρχὴ μεγίστη γενομένη, καὶ ἡ μάλιστα ἔναγχος ἐκλάμψασα ἡ Μακεδόνων, εἴτε ἐκὼν εἴτε προφυγόντος αὐτὸν τοῦδε τοῦ ἔπους, “ἔσσεται ἡμαρ ὅταν ποτ' ὁλόλῃ Ἴλιος ἱρὴ καὶ Πρίαμος καὶ λαὸς ἐὺμμελίῳ Πριάμοιο.”

Πολυβίου δ' αὐτοῦ ἐρομένου σὺν παρρησίᾳ ‘καὶ γὰρ ἦν αὐτοῦ καὶ διδάσκαλος’ ὃ τι βούλοιο ὁ λόγος, φασὶν οὐ φυλαξάμενον ὀνομάσαι τὴν πατρίδα σαφῶς, ὑπὲρ ἧς ἄρα, ἐς τάνθρωπεια ἀφορῶν, ἐδεδίει.

[133] καὶ τάδε μὲν Πολύβιος αὐτὸς ἀκούσας συγγράφει: Σκιπίων δ', ἐπεὶ κατέσκαπτο Καρχηδών, ἐπὶ μὲν τινα ἡμερῶν ἀριθμὸν ἐπέτρεψε τῇ στρατιᾷ διαρπάζειν ὅσα μὴ χρυσὸς ἢ ἄργυρος ἢ ἀναθήματα ἦν, μετὰ δὲ τοῦτ' ἀριστεῖα πολλὰ διαδοὺς ἅπασι, χωρὶς τῶν ἐς τὸ Ἀπολλώνιον ἀμαρτόντων, ναῦν ὀξυτάτην κοσμήσας λαφύροις ἄγγελον τῆς νίκης ἔστειλεν ἐς Ῥώμην, ἐς δὲ Σικελίαν περιέπεμπεν, ὅσα Καρχηδόνιοι σφῶν ἀναθήματα κοινὰ πολεμοῦντες ἔλαβον, ἐλθόντας ἐπιγινώσκειν καὶ κομίζεσθαι: ὃ καὶ μάλιστα αὐτὸν ἐδημαγωγῆσεν ὥς μετὰ τοῦ δυνατοῦ φιλάνθρωπον. ἀποδόμενος δὲ τὴν λείαν τὴν περισσὴν, ὅπλα καὶ μηχανήματα καὶ ναῦς ἀχρήστους Ἄρει καὶ Ἀθηνᾷ διαζωσάμενος αὐτὸς ἔκαie κατὰ τὰ πάτρια.

[134] οἱ δ' ἐν ᾧσται ὡσαύτως τὴν ναῦν ἰδόντες καὶ τῆς νίκης περὶ δεῖλην ἐσπέραν πυθόμενοι ἐς τὰς ὁδοὺς ἐξεπῆδον καὶ διενυκτέρευον μετ' ἀλλήλων, ἠδόμενοι καὶ συμπλεκόμενοι ὥς ἄρτι μὲν ἐλεύθεροι φόβῳ γεγονότες, ἄρτι δ' ἄρχοντες ἐτέρων ἀσφαλῶς, ἄρτι δὲ βέβαιον τὴν πόλιν ἔχοντες, καὶ νενικηκότες οἷαν οὕτινα πρότερον ἄλλην νικῆν. πολλὰ μὲν γὰρ αὐτοῖς συνήδεσαν ἔργα λαμπρά, πολλὰ δὲ τοῖς πατρασιν ἐς τε Μακεδόνας καὶ Ἰβήρας καὶ ἐς Ἀντίοχον τὸν μέγαν ἔναγχος καὶ περὶ αὐτὴν Ἰταλίαν: πόλεμον δ' οὐδένα ἄλλον οὕτως ἐπὶ θύραις ἐπίφοβον αὐτοῖς ἦδεσαν, διὰ τε ἀνδρείαν καὶ φρόνημα καὶ τόλμαν ἐχθρῶν καὶ ἀπιστίαν ἐν σφίσιν ἐπικίνδυνον γενόμενον. ἀνέφερον δὲ καὶ ὧν ἔπαθον ὑπὸ Καρχηδονίων ἐν τε Σικελίᾳ καὶ Ἰβηρίᾳ καὶ περὶ αὐτὴν Ἰταλίαν ἐκκαίδεκα ἔτεσιν, Ἀννίβου τετρακόσια ἐμπρήσαντος ἄστη καὶ μυριάδας ἀνδρῶν τριάκοντα ἐν μόναις μάχαις ἀνελόντος, ἐπὶ τε τὴν Ῥώμην πολλάκις ἐλάσαντος καὶ ἐς ἔσχατον κινδύνου συναγαγόντος. ὧν ἐνθυμούμενοι μάλιστα ἐξίσταντο περὶ τῆς νίκης ἐς ἀπιστίαν αὐτῆς, καὶ αὐθις ἀνεπυνθάνοντο ἀλλήλων εἰ τῷ ὄντι Καρχηδὼν κατέσκαπται: ἐλεσχίνευόν τε δι' ὅλης νυκτὸς ὅπως μὲν αὐτῶν τὰ ὅπλα περιηρέθη καὶ ὅπως αὐτίκα παρὰ δόξαν ἐτεκτήναντο ἕτερα, ὅπως δὲ τὰς ναῦς ἀφηρέθησαν καὶ στόλον ἐπήξαντο πάλιν ἐξ ὕλης παλαιᾶς, τό τε στόμα τοῦ λιμένος ὥς ἀπεκλείσθη, καὶ στόμα ὥς ὠρύξαντο ἕτερον ὀλίγαις ἡμέραις. καὶ

τὸ τῶν τειχῶν ὕψος αὐτοῖς διὰ στόματος ἦν, καὶ τὰ τῶν λίθων μεγέθη, καὶ τὸ πῦρ ὃ πολλάκις ταῖς μηχαναῖς ἐπήνεγκαν. ὅλως τε τὸν πόλεμον ὡς ὀρῶντες ἄρτι γιγνόμενον ἀλλήλοις διετύπουν, καὶ ἐς τὰς φαντασίας τῶν λεγομένων τῷ σχήματι τοῦ σώματος συνεφέροντο. καὶ τὸν Σκιπίωνα ὁρᾶν ἐδόκουν ἐπὶ κλιμάκων, ἐπὶ νεῶν, ἐν πύλαις, ἐν μάχαις, πανταχοῦ διαθεοντα. οὕτω μὲν οἱ Ῥωμαῖοι διενυκτέρευσαν,

[135] ἅμα δ' ἡμέρᾳ θυσίαι τε καὶ πομπαὶ τοῖς θεοῖς ἐγίγοντο κατὰ φυλήν, καὶ ἀγῶνες ἐπὶ τούτοις καὶ θέαι ποικίλαι.

δέκα δὲ σφῶν αὐτῶν ἡ βουλὴ τοὺς ἀριστοὺς ἔπεμπε διαθησομένους Λιβύην μετὰ Σκιπίωνος ἐς τὸ Ῥωμαίων συμφέρον: οἱ Καρχηδόνος μὲν εἴ τι περίλοιπον ἔτι ἦν, ἔκριναν κατασκάψαι Σκιπίωνα, καὶ οἰκεῖν αὐτὴν ἀπειπον ἅπασι, καὶ ἐπηράσαντο, μάλιστα περὶ τῆς Βύρσης, εἴ τις οἰκήσειεν αὐτὴν ἢ τὰ καλούμενα Μέγαρα: ἐπιβαίνειν δ' οὐκ ἀπειπον. ὅσαι δὲ πόλεις συνεμεμαχίκεσαν τοῖς πολεμίοις ἐπιμόνως, ἔδοξε καθελεῖν ἀπάσας: καὶ ὅσαι Ῥωμαίοις ἐβεβοηθήκεσαν, χώραν ἔδωκαν ἐκάστη τῆς δορικτήτου, καὶ πρῶτον μάλιστα Ἰτυκαίοις τὴν μέχρι Καρχηδόνος αὐτῆς καὶ Ἰππῶνος ἐπὶ θάτερα. τοῖς δὲ λοιποῖς φόρον ὥρισαν ἐπὶ τῇ γῇ καὶ ἐπὶ τοῖς σώμασιν, ἀνδρὶ καὶ γυναικὶ ὁμοίως. καὶ στρατηγὸν ἐτήσιον αὐτοῖς ἐκ Ῥώμης ἐπιπέμπειν ἔκριναν. οἱ μὲν δὴ ταῦτα προστάξαντες ἀπέπλεον ἐς Ῥώμην, ὃ δὲ Σκιπίων ἐποίει τὰ δόξαντα, καὶ θυσίας ἐτέλει καὶ ἀγῶνας ἐπὶ τῇ νίκῃ. ὡς δὲ αὐτῷ πάντα ἐξετετέλεστο, διαπλεύσας ἐπιφανέστατα δὴ πάντων διεθριάμβευε πολύχρυσον θρίαμβον, ἀγαλμάτων τε γέμοντα καὶ ἀναθημάτων, ὅσα Καρχηδόνιοι χρόνῳ πολλῷ καὶ συνεχέσι νίκαις ἐκ πάσης γῆς συνενηνόχεσαν ἐς Λιβύην. τότε δ' ἦν ὅτε καὶ κατὰ Μακεδόνων, ἀλόντος Ἀνδρισκου τοῦ ψευδοφιλίππου, τρίτος ἦγετο θρίαμβος, καὶ κατὰ τῆς Ἑλλάδος πρῶτος ὑπὸ Μομμίου. καὶ ἦν ταῦτα ἀμφὶ τὰς ἐξήκοντα καὶ ἑκατὸν ὀλυμπιάδας.

[136] χρόνῳ δ' ὕστερον, Γαῖου Γράκχου δημαρχοῦντος ἐν Ῥώμῃ καὶ στάσεων οὐσῶν ἐξ ἀπορίας, ἔδοξε κληροῦχος ἐς Λιβύην πέμπειν ἐξακισχιλίους, διαγραφομένων δ' ἀμφὶ τὴν Καρχηδόνα τῶν θεμελίων λύκοι τὰ θεμέλια ἀθρόα διέσπασαν καὶ συνέχεαν. καὶ τότε μὲν ἀνέσχεεν ἡ βουλὴ τοῦ συνοικισμοῦ: χρόνῳ δὲ αὖθις, ὁπότε Γάιος Καῖσαρ ὁ καὶ δικτάτωρ ὕστερον αὐτοῖς διηνεκὴς γενόμενος Πομπήιον ἐς Αἴγυπτον ἐδίωκε καὶ τοὺς Πομπηίου φίλους ἐς Λιβύην ἀπ' Αἰγύπτου, λέγεται, τῇ Καρχηδόνι παραστρατοπεδεύων, ὑπ' ἐνυπνίου στρατὸν πολλὸν ἰδὼν κλαίοντα ἐνοχληθῆναι, καὶ αὐτίκα ἑαυτῷ ἐς μνήμην ὑπογράψασθαι Καρχηδόνα συνοικίζειν. καὶ μετ' οὐ πολὺ τῶν ἀπόρων αὐτὸν ἐς Ῥώμην ἐπανελθόντα περὶ γῆς παρακαλούντων, συνέτασεν ὡς πέμψων τοὺς μὲν ἐς τὴν Καρχηδόνα τοὺς δ' ἐς Κόρινθον. ἀλλ' ὅδε μὲν θάσσον ἀνηρέθῃ πρὸς τῶν ἐχθρῶν ἐν τῷ Ῥωμαίων βουλευτηρίῳ, ὃ δ' ἐκείνου παῖς Ἰούλιος Καῖσαρ, ὁ Σεβαστὸς ἐπὶ κλησιν, ἐντυχὼν ἄρα ταῖς ὑπογραφαῖς τοῦ πατρὸς συνώκισε τὴν νῦν Καρχηδόνα, ἀγχοτατῶ μάλιστα ἐκείνης, φυλαξάμενος τῆς πάλαι τὸ ἐπάρατον. οἰκήτοράς τε Ῥωμαίους μὲν αὐτὸν τρισχιλίους μάλιστα πυνθάνομαι, τοὺς δὲ λοιποὺς ἐκ τῶν περιοίκων συναγαγεῖν. ὧδε μὲν Λιβύης τῆς ὑπὸ Καρχηδονίοις Ῥωμαῖοι κατέσχον, καὶ Καρχηδόνα κατέσκαψάν τε καὶ συνώκισαν αὖθις μετὰ ἔτη τῆς κατασκαφῆς

ἑκατὸν καὶ δύο.

ἐκ τῆς Νομαδικῆς

“ὅτι Βομίλχας κατηγορούμενος ἔφυγε πρὸ δίκης, καὶ Ἰογόρθας σὺν αὐτῷ, τοῦτο δὴ τὸ περιφερόμενον ἐς τοὺς δωροδοκοῦντας εἰπὼν, ὅτι Ῥωμαίων ἡ πόλις ἐστὶν ὠνία πᾶσα, εἴ τις ὠνητὴς αὐτῆς εὐρεθείη.”

Θρᾶκας δὲ καὶ Λίγυας αὐτομόλους λαβὼν παρὰ Ἰογόρθα, τῶν μὲν τὰς χεῖρας ἀπέτεμνε, τοὺς δὲ ἐς τὴν γῆν μέχρι γαστρὸς κατώρυσσε, καὶ περιτοξεύων ἢ ἐσακοντίζων ἔτι ἐμπνέουσι πῦρ ὑπετίθει.”

“ὅτι τοῦ Μαρίου ἐς Κίρταν ἀφικομένου πρέσβεις Βόκχου παρήσαν, οἱ πεμφθῆναι τινας ἐς λόγους Βόκχῳ παρεκάλουν. καὶ ἐπέμφθησαν Αὐλὸς τε Μάλλιος ὁ πρεσβευτὴς καὶ Κορνήλιος Σύλλας ὁ ταμίης, οἷς ὁ Βόκχος ἔφη Ῥωμαίοις πολεμῆσαι διὰ Μάριον· γῆν γὰρ ἦν αὐτὸς Ἰογόρθαν ἀφείλετο, πρὸς Μαρίου νῦν ἀφηρησθαι. τοῖς μὲν προφάσεως ἐς πόλεμον, ὧ Ῥωμαῖοι, δεομένοις ἱκανὰ πάντα ἐς τὴν πρόφασιν ἐστίν. εἰ δ' αἰδεῖσθε συνθήκας οἱ πολλὸν ἀξιοῦντες αὐτῶν λόγον ἔχειν, τί παθόντες ὑπὸ Περσέως αἵρεσθε πόλεμον; οὐ γὰρ ὅτι στρατιὰν ἔχει καὶ παρασκευὴν. οὐ γὰρ ἔχει ταῦτα καθ' ὑμῶν. οὐδὲ τοὺς ἄλλους κεκτῆσθαι βασιλέας κωλύετε: οὐδ' ἄδικον ἀσφαλῶς ἔχειν ἐς τοὺς ἀρχομένους καὶ τὰ περίοικα, καὶ εἴ τις ἔξωθεν ἐπιβουλεύοι. πρὸς δὲ ὑμᾶς, ὧ ἄνδρες Ῥωμαῖοι, ὑπὲρ τῆς εἰρήνης ἐπρέσβευσε καὶ τὰς συνθήκας ἐναγχος ἀνεκαίνισεν.

[6] ἀλλ' Ἀβρούπολιν ἐξέβαλε τῆς ἀρχῆς. ἐπιδραμόντα γε τοῖς ἡμετέροις ἀμυνόμενος. καὶ τοῦτ' αὐτὸς ὑμῖν ἐδήλωσε Περσεὺς, καὶ τὰς συνθήκας αὐτῷ μετὰ τοῦτο ἀνενεώσασθε, οὐπω διαβάλλοντος Εὐμένων. τὸ μὲν δὴ περὶ Ἀβρούπολιν καὶ πρεσβύτερόν ἐστι τῶν συνθηκῶν, καὶ παρ' ὑμῖν, ὅτε συνετίθεσθε, δίκαιον ἐφάνη. Δόλοψι γὰρ ἐπεστράτευσεν οὔσι τῆς ἰδίας ἀρχῆς, καὶ δεινὸν εἰ τῶν ἑαυτοῦ λογισμὸν ὑμῖν ὀφλήσει. δίδωσι δ' ὅμως, περὶ πολλοῦ ποιούμενος ὑμᾶς τε καὶ δόξαν ἀγαθὴν. ἔκτειναν δ' οἱ Δόλοπες οἷδε τὸν ἡγούμενον αὐτῶν αἰκισάμενοι, καὶ ζητεῖ Περσεὺς τί ἂν ὑμεῖς ἐδράσατε τοὺς ὑπηκόους τοιαῦτα πράξαντας. ἀλλ' Ἀρθέταυρόν τινες ἀνελόντες ἐν Μακεδονίᾳ διέτριβον. κοινῷ γε πάντων ἀνθρώπων νόμῳ, καθὰ καὶ ὑμεῖς τοὺς ἐτέρωθεν φεύγοντας ὑποδέχεσθε. μαθὼν δὲ καὶ τοῦθ' ὅτι ἔγκλημα ποιεῖσθε, ἐξεκέρυξεν αὐτοὺς τῆς ἀρχῆς ὅλης.

[7] Βυζαντίους δὲ καὶ Αἰτωλοῖς καὶ Βοιωτοῖς οὐ καθ' ὑμῶν ἀλλὰ καθ' ἐτέρων συνεμάχησεν. καὶ ταῦτα πάλοι ὑμῖν ἡμέτεροι πρέσβεις ἐμήνουν, καὶ οὐκ ἐμέμφεσθε μέχρι τῆς Εὐμένων διαβολῆς, ἣν οὐκ εἰάσατε τοὺς ἡμετέρους πρέσβεις ἐς ὅσιν αὐτὸν ἐλέγξει. ἀλλὰ τὴν ἐπιβουλήν τὴν ἐν Δελφοῖς αὐτῷ γενομένην προσγράφετε Περσεῖ, πόσων Ἑλλήνων, πόσων δὲ βαρβάρων κατ' Εὐμένους πρεσβευσάντων πρὸς ὑμᾶς οἷς πᾶσιν ἐχθρός ἐστι τοιοῦτος ὧν. Ἐρέννιον δὲ τὸν ἐν Βρεντεσίῳ τίς ἂν πιστεύσειεν ὅτι Περσεὺς, Ῥωμαῖον ὄντα καὶ φίλον ὑμέτερον καὶ πρόξενον, εἴληφεν ἐπὶ τὴν τῆς βουλῆς φαρμακείαν, ὥς ἀναλῶσαι τὴν σύγκλητον δι' αὐτοῦ δυνάμενος, ἢ τοὺς ὑπολοίπους εὐμενεστεροὺς ἔξω διὰ τοὺς ἀναιρουμένους; ἀλλ' Ἐρέννιος μὲν ἐψεύσατο τοῖς ἐπιτρίβουσιν ἐς τὸν πόλεμον ὑμᾶς πρόφασιν εὐσχήμονα διδούς, Εὐμένης δ' ὑπ' ἔχθρας τε καὶ φθόνου καὶ δέους οὐδὲ ταῦτ' ὥκνησεν ἐγκαλέσαι Περσεῖ, ὅτι πολλοῖς ἔθνεσι κεχαρισμένος καὶ φιλέλλην, καὶ σωφρόνως ἀντὶ μέθης καὶ τρυφῆς ἄρχει. καὶ ταῦθ' ὑμεῖς αὐτοῦ λέγοντος ὑπέσθητε ἀκροάσασθαι.

[8] τοιγάρτοι τὴν ἐκείνου διαβολὴν αὔξετε καθ' ὑμῶν ὥς οὐ φέροντες σόφρονας καὶ δίκαιους καὶ φιλοπόνους γείτονας. Περσεὺς δ' Ἐρέννιον μὲν καὶ Εὐμένην, καὶ εἴ τις ἄλλος ἐθέλοι, προκαλεῖται παρ' ὑμῖν ἐς ἐξέτασιν καὶ

κρίσιν, ὑμᾶς δ' ἀναμιμνήσκει μὲν τῆς ἐς Ἀντίοχον τὸν μέγαν τοῦ πατρὸς ἑαυτοῦ προθυμίας καὶ βοηθείας, ἧς ἐπιγιγνομένης καλῶς ἡσθάνεσθε, αἰσχρὸν δὲ παρελθούσης ἐπιλαθέσθαι, προφέρει δὲ συνθήκας πατρῶας τε καὶ ἰδίας πρὸς αὐτὸν ὑμῖν γενομένας. καὶ ἐπὶ τοῖσδε οὐκ ὀκνεῖ καὶ παρακαλεῖν ὑμᾶς, θεοὺς οὓς ὠμόσατε αἰδεῖσθαι, καὶ μὴ πολέμου κατάρχειν ἀδίκως ἐς φίλους, μηδ' ἔγκλημα ποιεῖσθαι γειτνίασιν καὶ σωφροσύνην καὶ παρασκευήν, οὐ γὰρ ἄξιον, ὥς Εὐμένους, καὶ ὑμῶν ἄπτεσθαι φθόνον ἢ φόβον. τὸ δὲ ἐναντίον ἐστὶ σῶφρον, φεῖδεσθαι γειτόνων ἐπιμελῶν, καὶ ὥς Εὐμένης φησίν, εὖ παρεσκευασμένων.

[9] οἱ μὲν δὴ πρέσβεις τοιαῦτα εἶπον, οἱ δὲ οὐδὲν αὐτοῖς ἀποκρινάμενοι τὸν πόλεμον ἐς τὸ φανερὸν ἐκύρουν. καὶ ὁ ὕπατος ἐκέλευε τοὺς πρέσβεις ἐκ μεν τῆς πόλεως αὐτῆς ἡμέρας, ἐκ δὲ τῆς Ἰταλίας τριάκοντα ἄλλαις ἐξίεναι. τὰ δὲ αὐτὰ καὶ τοῖς ἐπιδημοῦσι Μακεδόνων ἐκήρυττεν. καὶ θόρυβος αὐτίκα μετὰ τὸ βουλευτήριον ἐπίφθοнос ἦν, ἐν ὀλίγαις ὥραις ἐλαυνομένων τοσῶνδε ὁμοῦ, καὶ οὐδὲ ὑποζύγια εὐρεῖν ἐν οὕτῳ βραχεῖ διαστήματι, οὐδὲ πάντα φέρειν δυναμένων. ὑπὸ δὲ σπουδῆς οἱ μὲν οὐκ ἔφθανον ἐπὶ τοὺς σταθμούς, ἀλλ' ἐν μέσαις ἀνεπαύοντο ταῖς ὁδοῖς, οἱ δὲ παρὰ ταῖς πύλαις μετὰ παίδων ἑαυτοὺς ἐρρίπτουν καὶ μετὰ γυναικῶν. πάντα τε ἐγίγνετο ὅσα εἰκος ἐν αἰφνιδίῳ καὶ τοιῷδε κηρύγματι: αἰφνιδιον γὰρ αὐτοῖς ἐφαίνετο διὰ τὰς ἔτι πρεσβείας.”

“ὅτι Γένθιος βασιλεὺς Ἰλλυριῶν ἐνὸς ἔθνους προσοίκου Μακεδόσι, Περσεῖ συμμαχῶν ἐπὶ τριακοσίοις ταλάντοις, ὧν τι καὶ προειλήθει, ἐσέβαλεν ἐς τὴν ὑπὸ Ῥωμαίοις Ἰλλυρίδα, καὶ πρέσβεις περὶ τούτων πρὸς αὐτὸν ἐλθόντας Περπένναν καὶ Πετίλιον ἔδησεν. ὧν ὁ Περσεὺς αἰσθόμενος οὐκέτι τὰ λοιπὰ τῶν χρημάτων ἔπεμπε ὥς ἤδη καὶ δι' αὐτὸν Ῥωμαίοις πεπολεωμένον. ἐς δὲ Γέτας ἔπεμπε τοὺς ὑπὲρ Ἰστρον, καὶ Εὐμένους ἀπεπείρασεν ἐπὶ χρήμασιν ἢ μεταθέσθαι πρὸς αὐτόν, ἢ διαλῦσαι τὸν πόλεμον, ἢ ἀμφοτέροις ἐκστῆναι τοῦ ἀγῶνος, εὖ μὲν εἰδὼς οὐ λησόμενα ταῦτα Ῥωμαίους, ἐλπίζων δ' ἢ πράξειν τι αὐτῶν ἢ τῇ πείρᾳ διαβαλεῖν τὸν Εὐμένη. ὁ δὲ μεταθήσεσθαι μὲν οὐκ ἔφη, τάλαντα δ' ἤτει τῆς μὲν διαλύσεως χίλια καὶ πεντακόσια, τῆς δὲ ἡσυχίας χίλια. καὶ ὁ Περσεὺς ἤδη Γετῶν αὐτῷ προσιέναι μισθοφόρους μυρίους ἱππέας καὶ μυρίους πεζοὺς πυθόμενος, αὐτίκα τοῦ Εὐμένους κατεφρόνει, καὶ τῆς μὲν ἡσυχίας οὐκ ἔφη δώσειν οὐδὲν αἰσχύνῃν γὰρ φέρειν ἀμφοῖν, τὰ δὲ τῆς διαλύσεως οὐ προδώσειν, ἀλλ' ἐν Σαμοθράκῃ καταθήσειν μέχρι γένοιτο ἢ διάλυσιν, εὐμετάβολος ἤδη καὶ μικρολόγος ὑπὸ θεοβλαβείας ἐς πάντα γενόμενος. ἐνὸς δὲ ὧν ἤλπισεν ὅμως οὐκ ἀπέτυχε, Ῥωμαίοις Εὐμένους ὑπόπτου γενομένου.

Ιλλυρική

Ἰλλυριοὺς Ἑλλήνες ἡγοῦνται τοὺς ὑπὲρ τε Μακεδονίαν καὶ Θράκην ἀπὸ Χαόνων καὶ Θεσπρωτῶν ἐπὶ ποταμὸν Ἰστρον. καὶ τοῦτ' ἐστὶ τῆς χώρας τὸ μῆκος, εὖρος δ' ἐκ Μακεδόνων τε καὶ Θρακῶν τῶν ὀρειῶν ἐπὶ Παιονας καὶ τὸν Ἴονιον καὶ τὰ πρόποδα τῶν Ἀλπεων. καὶ ἔστι τὸ μὲν εὖρος ἡμερῶν πέντε, τὸ δὲ μῆκος τριάκοντα, καθὰ καὶ τοῖς Ἑλλήσιν εἴρηται. Ῥωμαίων δὲ τὴν χώραν μετρησαμένων ἔστιν ὑπὲρ ἑξακισχιλίους σταδίους τὸ μῆκος, καὶ τὸ πλάτος ἀμφὶ τοὺς χιλίους καὶ διακοσίους.

[2] φασὶ δὲ τὴν μὲν χώραν ἐπώνυμον Ἰλλυριοῦ τοῦ Πολυφήμου γενέσθαι: Πολυφήμῳ γὰρ τῷ Κύκλωπι καὶ Γαλατείᾳ Κελτὸν καὶ Ἰλλυριὸν καὶ Γάλαν παῖδας ὄντας ἐξορμῆσαι Σικελίας, καὶ ἄρξαι τῶν δι' αὐτοὺς Κελτῶν καὶ Ἰλλυριῶν καὶ Γαλατῶν λεγομένων. καὶ τότε μοι μάλιστα, πολλὰ μυθεύοντων ἕτερα πολλῶν, ἀρέσκει. Ἰλλυριῷ δὲ παῖδας Ἐγγέλεα καὶ Αὐταριέα καὶ Δάρδανον καὶ Μαῖδον καὶ Ταύλαντα καὶ Περραιβὸν γενέσθαι, καὶ θυγατέρας Παρθῶ καὶ Δαορθῶ καὶ Δασσαρῶ καὶ ἑτέρας, ὅθεν εἰσὶ Ταυλάντιοί τε καὶ Περραιβοὶ καὶ Ἐγγέλεες καὶ Αὐταριεῖς καὶ Δάρδανοι καὶ Παρθηνοὶ καὶ Δασσαρήτιοι καὶ Ἀρρσιοι. Αὐταριεῖ δὲ αὐτῷ Παννόνιον ἡγοῦνται παῖδα ἢ Παίονα γενέσθαι, καὶ Σκορδίσκον Παίονι καὶ Τριβαλλόν, ὧν ὁμοίως τὰ ἔθνη παρώνυμα εἶναι. καὶ τάδε μὲν τοῖς ἀρχαιολογοῦσι μεθεῖσθω,

[3] γένη δ' ἔστιν Ἰλλυριῶν, ὡς ἐν τοσῇδε χώρᾳ, πολλά. καὶ περιώνυμα ἔτι νῦν, χώραν νεμόμενα πολλήν, Σκορδίσκων καὶ Τριβαλλῶν, οἱ ἐς τοσοῦτον ἀλλήλους πολέμῳ διέφθειραν ὡς Τριβαλλῶν εἴ τι ὑπόλοιπον ἦν ἐς Γέτας ὑπὲρ Ἰστρον φυγεῖν, καὶ γένος ἀκμάσαν μέχρι Φιλίππου τε καὶ Ἀλεξάνδρου νῦν ἔρημον καὶ ἀνώνυμον τοῖς τῇδε εἶναι, Σκορδίσκους δὲ ἀσθενεστάτους ἀπὸ τοῦδε γενομένους ὑπὸ Ῥωμαίων ὕστερον ὅμοια παθεῖν καὶ ἐς τὰς νήσους τοῦ αὐτοῦ ποταμοῦ φυγεῖν, σὺν χρόνῳ δέ τινας ἐπανέλθειν καὶ Παιόνων ἐσχατιαῖς παροικῆσαι: ὅθεν ἔστι καὶ νῦν Σκορδίσκων γένος ἐν Παίοσιν. τῷ δ' αὐτῷ τρόπῳ καὶ Ἀρδιαῖοι τὰ θαλάσσια ὄντες ἄριστοι πρὸς Αὐταριέων ἀρίστων ὄντων τὰ κατὰ γῆν, πολλὰ βλάψαντες αὐτούς, ὅμως ἐφθάρησαν. καὶ ναυτικοὶ μὲν ἐπὶ τοῖς Ἀρδιαίοις ἐγένοντο Λιβυρνοί, γένος ἕτερον Ἰλλυριῶν, οἱ τὸν Ἴονιον καὶ τὰς νήσους ἐλήστευον ναυσὶν ὠκείαις τε καὶ κούφαις, ὅθεν ἔτι νῦν Ῥωμαῖοι τὰ κούφα καὶ ὀξέα δίκροτα Λιβυρνίδας προσαγορεύουσιν.

[4] Αὐταριέας δὲ φασὶν ἐκ θεοβλαβείας Ἀπόλλωνος ἐς ἔσχατον κακοῦ περιελθεῖν. Μολιστόμῳ γὰρ αὐτοὺς καὶ Κελτοῖς τοῖς Κίμβροις λεγομένοις ἐπὶ Δελφοῦς συστρατεῦσαι, καὶ φθαρῆναι μὲν αὐτίκα τοὺς πλέονας αὐτῶν πρὸ ἐπιχειρήσεως, ὑέτων σφίσι καὶ θυέλλης καὶ πρηστήρων ἐμπεσοντων, ἐπιγενέσθαι δὲ τοῖς ὑποστρέψασιν ἄπειρον βατράχων πλῆθος, οἱ διασαπέντες τὰ νάματα διέφθειραν. καὶ ἐκ τῆς γῆς ἀτμῶν ἀτόπων γενομένων λοιμὸς ἦν Ἰλλυριῶν καὶ φθόρος Αὐταριέων μάλιστα, μέχρι φεύγοντες τὰ οἰκεία, καὶ τὸν λοιμὸν σφίσι περιφέροντες, οὐδενὸς αὐτοὺς δεχομένου διὰ τοῦτο τὸ δέος ὑπερῆλθον ὁδὸν ἡμερῶν εἴκοσι καὶ τριῶν, καὶ τὴν Γετῶν ἐλώδη καὶ ἀοίκητον, παρὰ τὸ Βαστερνῶν ἔθνος, ὤκησαν. Κελτοῖς δὲ ὁ θεὸς τὴν γῆν ἔσεισε καὶ τὰς

πόλεις κατήνεγκε: καὶ τὸ κακὸν οὐκ ἔληγε, μέχρι καὶ οἶδε τὰ οἰκεῖα φεύγοντες ἐνέβαλον ἐς Ἰλλυριοὺς τοὺς συναμαρτοντας σφίσιν, ἀσθενεῖς ὑπὸ τοῦ λοιμοῦ γενομένους, καὶ ἐδήωσάν τε τὰ ἐκείνων, καὶ τοῦ λοιμοῦ μετασχόντες ἔφυγον καὶ μέχρι Πυρήνης ἐλεηλάτουν. ἐπιστρέφουσι δ' αὐτοῖς ἐς τὴν ἔω, Ῥωμαῖοι, δεδιότες ὑπὸ μνήμης τῶν προπεπολεμηκότων σφίσι Κελτῶν, μὴ καὶ οἶδε ἐς τὴν Ἰταλίαν ὑπὲρ Ἄλπεις ἐσβάλοιεν, ἀπήντων ἅμα τοῖς ὑπάτοις καὶ πανστρατιᾷ διώλλυντο. καὶ τὸ πάθος τοῦτο Ῥωμαίων μέγα δέος Κελτῶν ἐς ὅλην τὴν Ἰταλίαν ἐνέβαλε, μέχρι Γάιον Μάριον ἐλόμενοι σφῶν οἱ Ῥωμαῖοι στρατηγεῖν, ἄρτι Λιβύων τοῖς Νομάσι καὶ Μαυρουσίοις ἐγκρατῶς πεπολεμηκότα, τοὺς Κίμβρους ἐνίκων καὶ πολὺν φόνον αὐτῶν εἰργάσαντο πολλάκις, ὥς μοι περὶ Κελτῶν λέγοντι εἴρηται. οἱ δὲ ἀσθενεῖς τε ἤδη γενόμενοι καὶ πάσης γῆς ἀποκλειόμενοι διὰ τὸ ἀσθενές, ἐς τὰ οἰκεῖα ἐπανῆλθον πολλὰ καὶ δράσαντες καὶ παθόντες.

[5] τοιοῦτον μὲν δὴ τέλος τῆς ἀσεβείας ὁ θεὸς ἐπέθηκεν Ἰλλυριοῖς τε καὶ Κελτοῖς: οὐ μὴν ἀπέσχοντο τῆς ἱεροσυλίας, ἀλλ' αὖθις, ἅμα τοῖς Κελτοῖς, Ἰλλυριῶν οἱ Σκορδίσκοι μάλιστα καὶ Μαῖδοι καὶ Ἀρδανοὶ τὴν Μακεδονίαν ἐπέδραμον ὁμοῦ καὶ τὴν Ἑλλάδα, καὶ πολλὰ τῶν ἱερῶν καὶ τὸ Δελφικὸν ἐσύλησαν, πολλοὺς ἀποβαλόντες ὅμως καὶ τότε. Ῥωμαῖοι δ' ἔχοντες ἤδη δεῦτερον καὶ τριακοστὸν ἔτος ἀπὸ τῆς πρώτης ἐς Κελτοὺς πείρας, καὶ ἐξ ἐκείνου πολемоῦντες αὐτοῖς ἐκ διαστημάτων, ἐπιστρατεύουσι τοῖς Ἰλλυριοῖς ἐπὶ τῇδε τῇ ἱεροσυλίᾳ ἡγουμένου Λευκίου Σκιπίωνος, ἤδη τῶν τε Ἑλλήνων καὶ Μακεδόνων προστατοῦντες. καὶ φασὶ τοὺς μὲν περιχώρους οὐ συμμαχεῖν τοῖς ἱεροσύλοις, ἀλλ' ἐκόντας ἐγκαταλιπεῖν τῷ Σκιπίωνι ἀβοηθήτους, μνήμη τῶν δι' Αὐταριέας ἐς πάντας Ἰλλυριοὺς συμπεσόντων: Σκιπίωνα δὲ Σκορδίσκους μὲν διαφθεῖραι, καὶ εἴ τι λοιπὸν αὐτῶν ἦν, ἐς τὸν Ἰστρον καὶ τὰς νήσους τοῦ ποταμοῦ μετοικῆσαι φυγόντας, Μαῖδοις δὲ καὶ Ἀρδανεῦσι συνθέσθαι δωροδοκήσαντα τοῦ ἱεροῦ χρυσοῦ. καὶ τις ἔφη τῶν Ἰταλικῶν συγγραφέων ὡς διὰ τοῦτο μάλιστα Ῥωμαίοις πλεόνως μετὰ Λεύκιον τὰ ἐμφύλια ἤκμασε μέχρι μοναρχίας: καὶ περὶ μὲν τῶν νομιζομένων εἶναι τοῖς Ἑλλήσιν Ἰλλυριῶν τοσαῦτά μοι προλελέχθω.

[6] Ῥωμαῖοι δὲ καὶ τούσδε καὶ Παίονας ἐπ' αὐτοῖς καὶ Ραιτοὺς καὶ Νωρικοὺς καὶ Μυσοὺς τοὺς ἐν Εὐρώτῃ, καὶ ὅσα ἄλλα ὅμορα τούτοις ἐν δεξιᾷ τοῦ Ἰστροῦ καταπλέοντι ὥκηται, διαιροῦσι μὲν ὁμοίως τοῖς Ἑλλήσιν ἀπὸ Ἑλλήνων, καὶ καλοῦσι τοῖς ἰδίους ἐκάστους ὀνόμασι, κοινῇ δὲ πάντας Ἰλλυρίδα ἡγοῦνται, ὅθεν μὲν ἀρξάμενοι τῆσδε τῆς δόξης, οὐκ ἔσχον εὐρεῖν, χρώμενοι δ' αὐτῇ καὶ νῦν, ὅπου καὶ τὸ τέλος τῶνδε τῶν ἐθνῶν, ἀπὸ ἀνίσχοντος Ἰστροῦ μέχρι τῆς Ποντικῆς θαλάσσης, ὅφ' ἐν ἐκμισθοῦσι καὶ Ἰλλυρικὸν τέλος προσαγορεύουσιν. ὅπως δὲ αὐτοὺς ὑπηγάγοντο Ῥωμαῖοι, ὁμολόγησα μὲν καὶ περὶ Κρήτης λέγων οὐχ εὐρεῖν τὰς ἀκριβεῖς τῶν πολέμων ἀρχάς τε καὶ προφάσεις, καὶ ἐς τοῦτο τοὺς δυναμένους τι πλεον εἰπεῖν παρεκάλουν: ὅσα δ' αὐτὸς ἔγνων, ἀναγράψω.

[7] Ἀγρων ἦν βασιλεὺς Ἰλλυριῶν μέρους ἀμφὶ τὸν κόλπον τῆς θαλάσσης τὸν Ἰόνιον, ὃν δὴ καὶ Πύρρος ὁ τῆς Ἠπείρου βασιλεὺς κατεῖχε καὶ οἱ τὰ Πύρρου διαδεξάμενοι. Ἀγρων δ' ἔμπαιλιν τῆς τε Ἠπείρου τινὰ καὶ Κόρκυραν

ἐπ' αὐτοῖς καὶ Ἐπίδαμνον καὶ Φάρον καταλαβὼν ἔμφρουρα εἶχεν. ἐπιπλέοντος δ' αὐτοῦ καὶ τὸν ἄλλον Ἴονιον, νῆσος, ἣ ὄνομα Ἴσσα, ἐπὶ Ῥωμαίους κατέφυγεν. οἱ δὲ πρέσβεις τοῖς Ἰσίοις συνέπεμψαν, εἰσομένους τὰ Ἀγρωνος ἐς αὐτοὺς ἐγκλήματα. τοῖς δὲ πρέσβεσιν ἔτι προσπλέουσιν ἐπαναχθέντες Ἰλλυρικοὶ λέμβοι τῶν μὲν Ἰσίων πρεσβευτὴν Κλεέμπορον, τῶν δὲ Ῥωμαίων Κορογκάνιον ἀναιροῦσιν· οἱ δὲ λοιποὶ διέδρασαν αὐτούς. καὶ ἐπὶ τῷδε Ῥωμαίων ἐπ' Ἰλλυριοὺς ναυσὶν ὁμοῦ καὶ πεζῷ στρατευόντων, Ἀγρων μὲν ἐπὶ παιδίῳ σμικρῷ, Πίννη ὄνομα, ἀποθνήσκει, τῇ γυναικὶ τὴν ἀρχὴν ἐπιτροπεύειν τῷ παιδί παραδούς, καίπερ οὐκ οὔση μητρὶ τοῦ παιδίου, Δημήτριος δ' ὁ Φάρου ἡγούμενος Ἀγρωνι Φάρου τε γὰρ αὐτῆς ἦρχε, καὶ ἐπὶ τῇδε Κορκύρας⁸ παρέδωκεν ἅμφω Ῥωμαίοις ἐπιπλέουσιν ἐκ προδοσίας. οἱ δ' ἐπὶ ταύταις Ἐπίδαμνον ἐς φιλίαν ὑπηγάγοντο, καὶ τοῖς Ἰσίοις καὶ Ἐπίδαμνίοις πολιορκουμένοις ὑπὸ Ἰλλυριῶν ἐς ἐπικουρίαν ἔπλεον. Ἰλλυριοὶ μὲν δὴ τὰς πολιορκίας λύσαντες ἀνεχώρουν, καὶ τινες αὐτῶν ἐς Ῥωμαίους, οἱ Ἀτιντανοὶ λεγόμενοι, μετετίθεντο. μετὰ ταῦτα δὲ ἡ Ἀγρωνος γυνὴ πρέσβεις ἐς Ῥώμην ἔπεμψε τὰ τε αἰχμάλωτα ἀποδιδόντας αὐτοῖς καὶ τοὺς αὐτομόλους ἄγοντας, καὶ ἐδεῖτο συγγνώμης τυχεῖν τῶν οὐκ ἐφ' ἑαυτῆς ἀλλ' ἐπὶ Ἀγρωνος γενομένων. οἱ δὲ ἀπεκρίναντο Κόρκυραν μὲν καὶ Φάρον καὶ Ἴσσαν καὶ Ἐπίδαμνον καὶ Ἰλλυριῶν τοὺς Ἀτιντανοὺς ἤδη Ῥωμαίων ὑπηκόους εἶναι, Πίννην δὲ τὴν ἄλλην Ἀγρωνος ἀρχὴν ἔχειν καὶ φίλον εἶναι Ῥωμαίοις, ἣν ἀπέχρηται τε τῶν προλελεγμένων, καὶ τὴν Λίσσον μὴ παραπλέωσιν Ἰλλυρικοὶ λέμβοι δυοῖν πλείονες, καὶ τούτοις δὲ ἀνόπλοις.

[8] ἡ μὲν δὴ ταῦτα πάντα ἐδέχετο, καὶ γίνονται Ῥωμαίοις αἶδε πρῶται πρὸς Ἰλλυριοὺς πεῖραί τε καὶ συνθήκαι· Ῥωμαῖοι δ' ἐπ' αὐταῖς Κόρκυραν μὲν καὶ Ἀπολλωνίαν ἀφῆκαν ἐλευθέρας, Δημητρίῳ δ' ἔστιν ἃ χωρία μισθὸν ἔδοσαν τῆς προδοσίας, ἐπειπόντες ὅτι ἐν τοσῷδε διδόασι, τὴν ἀπιστίαν ἄρα τοῦ ἀνδρὸς ὑφορώμενοι. ἡ δὴ καὶ ἤρξεν αὐτοῦ μετ' ὀλίγον· Ῥωμαίων γὰρ Κελτοῖς ἐπὶ τριετὲς τοῖς ἀμφὶ τὸν Ἡριδανὸν οὔσι πολεμοῦντων, ὁ Δημήτριος ὡς ὄντων ἐν ἀσχολίᾳ τὴν θάλασσαν ἐλίζετο, καὶ Ἴστρους ἔθνος ἕτερον Ἰλλυριῶν ἐς τοῦτο προσελάμβανε, καὶ τοὺς Ἀτιντανοὺς ἀπὸ Ῥωμαίων ἀφίστη. οἱ δέ, ἐπεὶ τὰ Κελτῶν διετέθειτο, εὐθὺς μὲν ἐπιπλεύσαντες αἰροῦσι τοὺς ληστὰς, ἐς νεώτα δὲ ἐστράτευσεν ἐπὶ Δημήτριον καὶ Ἰλλυριῶν τοὺς συναμαρτόντας αὐτῷ. Δημήτριον μὲν δὴ πρὸς Φίλιππον τὸν Μακεδόνων βασιλέα φυγόντα καὶ αὐθις ἐπιόντα καὶ ληστεύοντα τὸν Ἴονιον κτείνουσι, καὶ τὴν πατρίδα αὐτῷ Φάρον συναμαρτοῦσαν ἐπικατέσκαψαν, Ἰλλυριῶν δ' ἐφείσαντο διὰ Πίννην αὐθις δεηθέντα. καὶ δευτέραι πεῖραί τε καὶ συνθήκαι πρὸς Ἰλλυριοὺς αὐτοῖς ἐγίνοντο.

[9] τὰ λοιπὰ δ' οὔτι μοι πάντα χρόνῳ καὶ τάξει μᾶλλον ἢ κατὰ ἔθνος Ἰλλυριῶν ἕκαστον, ὅσα ἤϋρον, συγγέγραπται.

Ῥωμαῖοι Μακεδόσιν ἐπολέμουν, καὶ Περσεὺς ἦν ἤδη Μακεδόνων βασιλεὺς μετὰ Φίλιππον· Περσεὶ δὲ Γένθιος Ἰλλυριῶν ἐτέρων βασιλεὺς ἐπὶ χρήμασι συνεμάχει, καὶ ἐς τοὺς Ῥωμαίων Ἰλλυριοὺς ἐνέβαλε, καὶ πρέσβεις Ῥωμαίων πρὸς αὐτὸν ἐλθόντας ἔδησεν, αἰτιώμενος οὐ πρέσβεις ἀλλὰ κατασκόπους ἐλθεῖν. Ἀνίκιος δὲ Ῥωμαίων στρατηγὸς λέμβους τε τοῦ Γενθίου

τινάς εἶλεν ἐπιπλεύσας, καὶ κατὰ γῆν αὐτῷ συνενεχθεὶς ἐκράτει τὴν μάχην, καὶ συνέκλεισεν ἕς τι χωρίον, ὅθεν αὐτῷ δεομένῳ ὁ μὲν Ἀνίκιος ἐκέλευσε Ῥωμαίοις ἐαυτὸν ἐπιτρέψαι, ὁ δ' ἐς βουλὴν ἤτησε τρεῖς ἡμέρας, καὶ ἔλαβεν. ἐν δὲ ταύταις τῶν ὑπηκόων αὐτοῦ πρὸς τὸν Ἀνίκιον μετατιθεμένων ἡξίωσεν ἐντυχεῖν τῷ Ἀνικίῳ, καὶ γονυπετὴς ἐδεῖτο αὐτοῦ πάνυ αἰσχυρῶς. ὁ δὲ αὐτὸν ἐπιθαρρύνων κατεπτηχότα ἀνίστη, καὶ καλέσας ἐπὶ ἐστίασιν, ἀπιόντα ἀπὸ τοῦ δείπνου προσέταξε τοῖς ὑπηρέταις ἐς φυλακὴν ἐμβαλεῖν. καὶ τόνδε μὲν ἐς θρίαμβον ἅμα τοῖς παισὶν ὁ Ἀνίκιος ἐς Ῥώμην ἤγαγε, καὶ ὁ Γενθίου πόλεμος ἅπας εἴκοσιν ἡμέραις ἐπεπολέμητο: ἐβδομήκοντα δ' αὐτοῦ πόλεις οὖσας Αἰμίλιος Παῦλος ὁ τὸν Περσέα ἐλὼν, τῆς βουλῆς ἐπιστειλάσης ἐν ἀπορρήτῳ, ἐς Ῥώμην παρῶδευεν ἐπίτηδες, καὶ δεδιόσιν αὐτοῖς ὑπέσχετο συγγνώσεσθαι τῶν γεγονότων, ἐὰν ὅσον ἔχουσιν ἀργυρίον τε καὶ χρυσίον ἐσενέγκωσιν. ὑποδεξαμένων δ' ἐκείνων συνέπεμπεν αὐτοῖς τοῦ στρατοῦ μέρος ἐς πόλιν ἐκάστην, ὀρίσας ἡμέραν τοῖς στρατηγοῦσι τοῦ στρατοῦ πᾶσι τὴν αὐτήν, καὶ ἐντειλάμενος ἅμα ἕξ κηρύσσειν ἕκαστον ἐν ἐκάστῃ πόλει τρισὶν ὥραις ἐς τὴν ἀγορὰν τὰ χρήματα φέρειν, συνενεγκόντων δὲ τὰ λοιπὰ διαρπάσαι.

[10] οὕτω μὲν ὁ Παῦλος ἐβδομήκοντα πόλεις διήρπασεν ὥρα μιᾷ: Ἀρδεῖοι δὲ καὶ Παλάριοι, γένη ἕτερα Ἰλλυριῶν, τὴν ὑπὸ Ῥωμαίους Ἰλλυρίδα ἐδήουν, καὶ οἱ Ῥωμαῖοι δι' ἀσχολίαν πρέσβεις ἔπεμψαν ἐπιπλήζοντας αὐτοῖς. οὐ μεταθεμένων δὲ ἐκείνων ἐστράτευσεν ἐπ' αὐτοὺς μυρίοις πεζοῖς καὶ ἵππεῦσιν ἑξακοσίοις. οἱ δὲ πυθόμενοι, καὶ ἔτι ὄντες ἀπαράσκευοι, πρέσβεις ἔπεμψαν μεταγινώσκοντες καὶ δεόμενοι. καὶ ἡ βουλὴ τὰς βλάβας αὐτοῖς ἐκέλευσεν ἀποδοῦναι τοῖς ἡδικημένοις. οὐκ ἀποδιδόντων δὲ ἐστράτευσεν ἐπ' αὐτοὺς Φούλουιος Φλάκκος, καὶ ὁ πόλεμος ἄρα μέχρι καταδρομῆς ἔληξε μόνης. οὐ γὰρ ἡῦρον αὐτοῦ τέλος ἀκριβές. Ἰάποσι δὲ τοῖς ἐντὸς Ἀλπεων ἐπολέμησε μὲν Σεμπρώνιος ὁ Τουδιτανὸς ἐπὶ κλην καὶ Πανδούσας Τιβέριος καὶ εἰόκασιν οἱ Ἰάποδες αὐτοῖς ὑπακοῦσαι, εἰόκασι δὲ καὶ Σεγεστανοὶ Λευκίῳ Κόττα καὶ Μετέλλῳ, ἀμφοτέρω δ' οὐ πολὺ ὕστερον ἀποστήναι.

[11] Δαλμάται δέ, Ἰλλυριῶν ἕτερον γένος, Ἰλλυριοὺς τοὺς ὑπὸ Ῥωμαίοις κατέθειον, καὶ πρέσβεις ἀφικομένους περὶ τοῦδε Ῥωμαίων οὐ προσίεντο. στρατεύουσιν οὖν ἐπ' αὐτοὺς οἱ Ῥωμαῖοι, Μαρκίου Φίγλου σφῶν ὑπατεύοντός τε καὶ ἐς τὸν πόλεμον ἡγούμενου. οἱ δὲ ἄρτι τοῦ Φίγλου παραστρατοπεδεύοντος τὰς φυλακὰς ἐνίκων ἐπίδραμόντες, καὶ αὐτὸν ἐκ τοῦ στρατοπέδου κατήραξαν ἐς πεδίον πρανεές, μέχρι ἐπὶ Νάρωνα ποταμὸν ἦκεν ὑποφεύγων. ὥς δὲ οἱ μὲν ἀνεχώρουν, ἀρχὴ δὲ χειμῶνος ἦν, ὁ Φίγλος ἐλπίσας αὐτοῖς ἀδοκῆτως ἐπιτεσεῖσθαι συνερρηκότας ἡῦρεν ἐκ τῶν πόλεων πρὸς τὴν ἑφοδὸν αὐτοῦ. καὶ συνήλασεν ὁμως ἐς πόλιν Δελμίνιον, ὅθεν ἄρα καὶ τὸ ὄνομα αὐτοῖς ἐς Δελματέας, εἴτα Δαλμάτας ἐτράπη. οὐδὲν δὲ πρὸς ἐχυρὰν πόλιν ἐξ ἐφόδου δυνάμενος, οὐδὲ μηχανήμασιν ἔχων χρῆσθαι διὰ τὸ ὕψος, ἥρει τὰς ἄλλας ἐπιθέων, ἐρημοτέρας ἀνδρῶν ὑπὸ τῆς ἐς τὸ Δελμίνιον συνόδου γενομένης. εἴτα διπήχεας κορύνας πίσση καὶ θείῳ καὶ στυππίῳ περιβαλὼν ἐς τὸ Δελμίνιον ἐκ καταπελτῶν ἐσφενδύονα. αἱ δ' ὑπὸ τῆς ρύμης ἐξεκαίοντο, καὶ φερόμεναι καθάπερ λαμπάδες ὅπου τύχοιεν ἐνεπὶμπρασαν, ἕως πολλὰ μὲν κατεπρήσθη, καὶ τέλος ἄρα τοῦτο ἦν τότε Φίγλῳ τοῦ Δαλματῶν πολέμου.

χρόνῳ δ' ὕστερον Καικίλιος Μέτελλος ὑπατεύων οὐδὲν ἀδικοῦσι τοῖς Δαλμάταις ἐνηφίσατο πολεμεῖν ἐπιθυμία θριάμβου, καὶ δεχομένων αὐτὸν ἐκείνων ὡς φίλον διεχείμασε παρ' αὐτοῖς ἐν Σαλῶνῃ πόλει, καὶ ἐς Ῥώμην ἐπανήλθε καὶ ἐθριάμβευσεν.

[12] τοῦ δὲ Καίσαρος ἡγουμένου Κελτῶν, οἱ Δαλμάται οἶδε, καὶ ὅσοι ἄλλοι Ἰλλυριῶν τότε μάλιστα διητυχουν, Λιβυρνοὺς, ἕτερον ἔθνος Ἰλλυριῶν, Πρωμόναν πόλιν ἀφείλοντο: οἱ δὲ σφᾶς Ῥωμαίοις ἐπιτρέποντες ἐπὶ τὸν Καίσαρα ἐγγὺς ὄντα κατέφευγον. ὁ δὲ ἐπεμψε μὲν, καὶ προηγόρευσε τοῖς ἔχουσι τὴν Πρωμόναν ἀποδοῦναι τοῖς Λιβυρνοῖς: οὐ φροντισάντων δὲ ἐκείνων τέλος ἐπεμψε στρατοῦ πολλοῦ, οὗς ἅπαντας ἔκτειναν οἱ Ἰλλυριοί. καὶ ὁ Καῖσαρ οὐκ ἐπεξῆλθεν: οὐ γὰρ ἦν οἱ σχολή τότε στασιάζοντι πρὸς Πομπήιον. ἐκραγείσης δὲ ἐς πόλεμον τῆς στάσεως ὁ μὲν Καῖσαρ μεθ' ὅσων εἶχεν ἐκ Βρεντεσίου χειμῶνος τὸν Ἴονιον ἐπέρα καὶ Πομπήϊῳ κατὰ Μακεδονίαν ἐπολέμει, τοῦ δ' ἄλλου στρατοῦ τὸν μὲν Ἀντώνιος ἐς τὴν Μακεδονίαν ἦγε τῷ Καίσαρι, περῶν καὶ ὁδε τὸν Ἴονιον χειμῶνος ἄκρου, σπεύρας δὲ πεζοῦ πεντεκαίδεκα καὶ τρισχιλίους ἵππείας Γαβίνιος ἦγεν αὐτῷ διὰ τῆς Ἰλλυρίδος, περιοδεύων τὸν Ἴονιον. οἱ δὲ Ἰλλυριοὶ φόβῳ τῶν οὐ πρὸ πολλοῦ γεγονότων ἐς Καίσαρα, τὴν νίκην αὐτοῦ νομίζοντες ὄλεθρον γενήσεσθαι ἑαυτοῖς, κτείνουσι πάντα τὸν ὑπὸ τῷ Γαβινίῳ στρατὸν ἐπιδραμόντες, χωρὶς αὐτοῦ Γαβινίου καὶ ὀλίγων διαφυγόντων. καὶ ἐς χρήματα τότε μάλιστα καὶ τὴν ἄλλην ἰσχὺν ἐκ τοσῶνδε λαφύρων ἔστησαν.

[13] ὁ δὲ Καῖσαρ ἡσυχολεῖτο μὲν ὑπ' ἀνάγκης ἐς Πομπήιον, καὶ Πομπηίου καθαιρεθέντος ἐς τὰ ὑπόλοιπα τῆς ἐκείνου στάσεως πολυμερῆ γενόμενα, καταστησάμενος δὲ πάντα ἐπανήλθεν ἐς Ῥώμην, καὶ ἐστράτευεν ἐπὶ Γέτας τε καὶ Παρθυαίους. ἔδεισαν οὖν οἱ Ἰλλυριοὶ μὴ ἐν ὁδῷ σφίσιν οὖσιν ἐπιθοῖτο, καὶ πρέσβεις πέμπσαντες ἐς Ῥώμην ἤτουν τε συγγνώμην τῶν γεγονότων καὶ ἐς φίλιαν ἑαυτοῦς καὶ συμμαχίαν ἐδίδοσαν, ὡς περὶ ἔθνους ἀλκίμου μάλιστα σεμνολογούμενοι. ὁ δὲ ἐπειγόμενος ἄρα ἐς Παρθυαίους σεμνότερον ὁμῶς αὐτοῖς ἀπεκρίνατο, φίλους μὲν οὐ θήσεσθαι τοὺς τοιαῦτα δεδρακότας, συγγνώσεσθαι δέ, εἰ φόρους ὑποσταῖεν καὶ ὄμηρα δοῖεν. ὑπισχνουμένων δὲ ἐς ἀμφοτέρω αὐτῶν Οὐατίνιον ἐπεμψε σὺν στρατοῦ τέλεσι τρισὶ καὶ ἱππεῦσι πολλοῖς, φόρους τε ὀλίγους τάξοντα αὐτοῖς καὶ τὰ ὄμηρα ληψόμενον. ἀναιρεθέντος δὲ τοῦ Καίσαρος, ἡγούμενοι τὴν Ῥωμαίων ἰσχὺν ἐν τῷ Καίσαρι γεγονέναι τε καὶ διεφθάρθαι, οὐδὲν ἔτι τοῦ Οὐατινίου κατήκουον, οὔτε ἐς τοὺς φόρους οὔτε ἐς τὰ ἄλλα, βιάζεσθαι δὲ ἐγχειροῦντος αὐτοὶ πέντε τάξεις ἐπιδραμόντες ἔφθειραν, καὶ τὸν ἡγούμενον τῶν τάξεων Βαίβιον, ἄνδρα ἀπὸ βουλῆς. καὶ Οὐατίνιος μὲν σὺν τοῖς ὑπολοίποις ἐς Ἐπίδαμνον ἀνεχώρει: ἡ δὲ Ῥωμαίων βουλὴ τὸν στρατὸν τόνδε καὶ Μακεδονίαν ἐπ' αὐτῷ, καὶ Ἰλλυριοὺς ὅσων ἦρχον, ἐνεχείρισε Βρούτῳ Καίτιῳ τῷ κτείναντι Γάιον, ὅτε περ καὶ Συρίαν Κασσίῳ, καὶ τῷδε ἀνδροφόνῳ Γαῖου γενομένῳ. ἀλλὰ καὶ οἶδε, πολεμούμενοι πρὸς Ἀντωνίου καὶ τοῦ δευτέρου Καίσαρος τοῦ Σεβαστοῦ προσαγορευθέντος, ἐς οὐδὲν ἐσχόλασαν Ἰλλυριοῖς.

[14] οἱ δὲ Παίονες εἰσιν ἔθνος μέγα παρὰ τὸν Ἰστρον, ἐπίμηκες ἐξ Ἰαπόδων ἐπὶ Δαρδάνους, Παίονες μὲν ὑπὸ τῶν Ἑλλήνων λεγόμενοι, καὶ Ῥωμαῖστί

Παννόνιοι, συναριθμούμενοι δὲ ὑπὸ Ῥωμαίων τῇ Ἰλλυρίδι, ὡς προεῖπον. διὸ καὶ περὶ τῶνδὲ μοι δοκεῖ νῦν κατὰ τὰ Ἰλλυρικά εἰπεῖν. ἔνδοξοι δ' εἰσὶν ἐκ Μακεδόνων δι' Ἀγριᾶνας, οἱ τὰ μέγιστα Φιλίππῳ καὶ Ἀλεξάνδρῳ κατεργασάμενοι Παίονές εἰσι τῶν κάτω Παίωνων, Ἰλλυριοῖς ἔποικοι. ἐπεὶ δ' ἐπὶ τοὺς Παίονας ἐστράτευσε Κορνήλιος, κακῶς ἀπαλλάξας μέγα δέος Παίωνων Ἰταλοῖς ἅπασιν ἐνεποίησε, καὶ ἐς πολὺ τοῖς ἔπειτα ὑπάτοις ὄκνον ἐπὶ Παίονας ἐλαύνειν. τὰ μὲν δὴ πάλαι τοσαῦτα περὶ Ἰλλυρίων καὶ Παίωνων ἔσχον εὔρεῖν· ἐν δὲ τοῖς ὑπομνήμασι τοῦ δευτέρου Καίσαρος τοῦ κληθέντος Σεβαστοῦ, παλαιότερον μὲν οὐδὲν οὐδ' ἐν τοῖσδε περὶ Παίωνων ἤϊρον.

[15] Ἰλλυρίων δέ μοι φαίνεται χωρὶς τῶν εἰρημένων ἐθνῶν καὶ ἕτερα Ῥωμαίων προῦπακοῦσαι. καὶ ὅπως μὲν, οὐκ ἔγνω· οὐ γὰρ ἀλλοτρίας πράξεις ὁ Σεβαστὸς, ἀλλὰ τὰς ἑαυτοῦ συνέγραφεν, ὡς δ' ἀποστάντας ἐς τοὺς φόρους ἐπανήγαγε, καὶ ἐτέρους ὡς ἀρχῆθεν ἔτι ὄντας αὐτονόμους εἴλε, καὶ πάντα ἐκρατύνατο ὅσοι τὰς κορυφὰς οἰκοῦσι τῶν Ἀλπεων, βάρβαρα καὶ μάχιμα ἔθνη, καὶ κλοπεύοντα τὴν Ἰταλίαν ὡς γείτονα. καὶ μοι θαυμά ἐστίν ὅτι καὶ πολλοὶ καὶ μεγάλοι Ῥωμαίων στρατοὶ ἐπὶ Κελτοὺς καὶ Ἰβήρας διὰ τῶν Ἀλπεων ὁδεύοντες ὑπερεῖδον τάδε τὰ ἔθνη, καὶ οὐδὲ Γάιος Καῖσαρ, εὐτυχέστατος ἐς πολέμους ἀνὴρ, ἐξήνυσεν αὐτά, ὅτε Κελτοῖς ἐπολέμει καὶ δέκα ἔτεσιν ἀμφὶ τήνδε τὴν χώραν ἐχείμαζεν. ἀλλὰ μοι δοκοῦσιν οἱ μὲν, ἐφ' ᾧ ἡρέθησαν ἐπειγόμενοι, τῆς διόδου τῶν Ἀλπεων μόνης φροντίσαι, ὁ δὲ Γάιος ἀμφὶ τε τὰ Κελτικὰ γενέσθαι, καὶ τῆς στάσεως τοῦ Πομπηίου τὰ Κελτικὰ ἐπιλαβούσης τὸ τούτων τέλος ὑπερθέσθαι. φαίνεται μὲν γὰρ καὶ Ἰλλυρίδος ἅμα Κελτοῖς αἰρεθεὶς ἄρχειν, οὐ πάσης δ' ἄρα ἦρχεν ἀλλ' ὅση τις ἦν τότε Ῥωμαῖοις Ἰλλυρίς.

[16] ὁ δὲ Σεβαστὸς πάντα ἐχειρώσατο ἐντελῶς, καὶ ἐν παραβολῇ τῆς ἀπραξίας Ἀντωνίου κατελογίσατο τῇ βουλῇ τὴν Ἰταλίαν ἡμερῶσαι δυσμάχων ἐθνῶν θαμινὰ ἐνοχλούντων. Ὀξυαῖους μὲν δὴ καὶ Περθεηνάτας καὶ Βαθιάτας καὶ Ταυλαντίους καὶ Καμβαίους καὶ Κινάμβρους καὶ Μερομέννους καὶ Πυρισσαίους εἴλε δι' ὅλης πείρας· ἔργῳ δὲ μείζονι ἐλήφθησαν, καὶ φόρους ὅσους ἐξέλιπον ἠναγκάσθησαν ἀποδοῦναι, Δοκλεᾶται τε καὶ Κάρνοι καὶ Ἰντερφρουρίνοι καὶ Ναρήσιοι καὶ Γλιντιδίωνες καὶ Ταυρίσκοι. ὧν ἀλόντων οἱ ὅμοροι προσέθεντο αὐτῷ καταπλαγέντες, Ἰππασίνοι τε καὶ Βεσσοί. ἐτέρους δὲ αὐτῶν ἀποστάντας, Μελιτηνοὺς καὶ Κορκυρηνοὺς, οἱ νήσους ὥκουν, ἀνέστησεν ἄρδην, ὅτι ἐλήστευον τὴν θάλασσαν· καὶ τοὺς μὲν ἡβῶντας αὐτῶν ἐκτείνε, τοὺς δ' ἄλλους ἀπέδοτο. Λιβυρνῶν δὲ τὰς ναῦς ἀφείλετο, ὅτι καὶ οἶδε ἐλήστευον. Ἰαπόδων δὲ τῶν ἐντὸς Ἀλπεων Μοεντῖνοι μὲν καὶ Αὐενδεᾶται προσέθεντο αὐτῷ προσιόντι, Ἀρουπίνοι δ', οἱ πλεῖστοι καὶ μαχιμώτατοι τῶνδε τῶν Ἰαπόδων εἰσὶν, ἐκ τῶν κομῶν ἐς τὸ ἄστὺ ἀνωκίσαντο, καὶ προσιόντος αὐτοῦ ἐς τὰς ὕλας συνέφυγον. ὁ δὲ Καῖσαρ τὸ ἄστὺ ἐλὼν οὐκ ἐνέπρησεν, ἐλπίσας ἐνδῶσειν αὐτούς· καὶ ἐνδοῦσιν οἰκεῖν ἔδωκεν.

[17] μάλιστα δ' ἠνώχλησαν αὐτὸν Σαλασσοί τε καὶ Ἰάποδες οἱ πέραν Ἀλπεων καὶ Σεγεστανοὶ καὶ Δαλμάται καὶ Δαισιτιᾶται καὶ Παίονες, ὄντες ἐκὰς τοῖς Σαλασσοῖς, οἱ κορυφὰς οἰκοῦσι τῶν Ἀλπεων, ὄρη δύσβατα, καὶ στενὴ διόδός ἐστιν ἐπ' αὐτὰ καὶ δυσχερής· δι' ᾧ καὶ ἦσαν αὐτόνομοι, καὶ τέλη

τοὺς παροδεύοντας ἤτουν. τούτοις Οὐέτερ ἐμπεσὼν ἀδοκίτῳ τὰ στενὰ προύλαβε δι' ἐνέδρας, καὶ ἐπὶ διετὲς αὐτοὺς ἐπολιόρκει. οἱ δὲ ἀλῶν ἀπορία, ὧν εἰσὶ μάλιστα ἐν χρεῖα, φρουρὰς ἐδέξαντο. καὶ Οὐέτερος ἀποστάντος τὰς φρουρὰς ἐξέβαλον εὐθύς, καὶ τὰ στενὰ κρατυνάμενοι τοὺς ἐπιπεμπομένους σφίσιν ὑπὸ τοῦ Καίσαρος διέπαιζον, οὐδὲν δρᾶν μέγα ἔχοντας. ὅθεν αὐτοῖς ὁ Καῖσαρ, προσδοκώμενου τοῦ πρὸς Ἀντώνιον πολέμου, συνέθετο αὐτονόμους ἐάσειν, καὶ ἀκολάστους τῶν ἐπὶ Οὐέτερι πραχθέντων. οἱ δ' ἄτε ἐν ὑποψία ταῦτ' ἔχοντες ἄλλας πολλοὺς ἐσώρρευον, καὶ τὴν Ῥωμαίων κατέθεον, μέχρι Μεσσάλας Κορουίνος αὐτοῖς ἐπιπεμφθεὶς λιμῶ παρεστήσατο.

[18] καὶ Σαλασσοὶ μὲν οὕτως ἐλήφθησαν, Ἰάποδες δὲ οἱ πέραν Ἀλπεων, ἔθνος ἰσχυρόν τε καὶ ἄγριον, δις μὲν ἀπεώσαντο Ῥωμαίους, ἔτεσί που ἄγχοῦ εἴκοσιν, Ἀκυληῖαν δ' ἐπέδραμον καὶ Τερρηστὸν Ῥωμαίων ἄποικον ἐσκύλευσαν. ἐπιόντος δ' αὐτοῖς τοῦ Καίσαρος ὁδὸν ἀνάντη καὶ τραχεῖαν: οἱ δ' ἔτι μᾶλλον αὐτὴν ἐδυσχέρανιν αὐτῶ, τὰ δένδρα κόπτοντες. ὥς δ' ἀνῆλθεν, ἐς τὴν ἄλλην ὕλην αὐτοὶ συνέφυγον καὶ προσιόντα ἐλόχων. ὁ δὲ ὑπώπτευε γὰρ αἰεὶ τι τοιοῦτον ἐς τὰς ἀκρωρείας τινὰς ἐπεμπε, οἱ ἐκατέρωθεν αὐτῶ συνέθεον προβαίνοντι διὰ τοῦ χθαμαλοῦ καὶ κόπτοντι τὴν ὕλην: οἱ δὲ Ἰάποδες ἐπεξέθεον μὲν ἐκ τῶν ἐνεδρῶν καὶ πολλοὺς ἐτίτρωσκον, ὑπὸ δὲ τῶν ἐν τοῖς ἄκροις ἐπιτρεχόντων κατεκόπτοντο οἱ πλείους. οἱ δὲ λοιποὶ πάλιν ἐς τὰ λάσια συνέφευγον, τὴν πόλιν ἐκλιπόντες, ἧ ὄνομα Τέρπωνος. καὶ αὐτὴν ὁ Καῖσαρ ἐλὼν οὐκ ἐνέπρησεν, ἐλπίσας καὶ τούσδε ἐνδώσειν: καὶ ἐνέδωκαν.

[19] ἐπὶ δ' ἐτέραν πόλιν ἐχώρει, Μετοῦλον, ἧ τῶν Ἰαπόδων ἐστὶ κεφαλὴ, κεῖται δ' ἐν ὄρει σφόδρα ὑλῶδει ἐπὶ δύο λόφων, οὓς διαιρεῖ χαράδρα στενὴ. καὶ ἡ νεότης ἦν ἀμφὶ τοὺς τρισχίλιους μαχίμους τε καὶ σφόδρα εὐόπλους: οἱ Ῥωμαῖους τὰ τεῖχη σφῶν περιστάντας εὐκόλως ἀπεκρούοντο. οἱ δὲ χῶμα ἤγειρον: καὶ οἱ Μετοῦλοι τό τε χῶμα νυκτὸς καὶ ἡμέρας ἐκτρέχοντες ἠνώχλουν, καὶ τοὺς ἄνδρας ἀπὸ τοῦ τεύχους μηχαναῖς κατεπόνουν, ἃς ἐσχέκεσαν ἐκ τοῦ πολέμου ὃν Δέκμος Βροῦτος ἐνταῦθα ἐπολέμησεν Ἀντωνίῳ τε καὶ τῷ Σεβαστῷ. πονοῦντος δὲ κάκεινους ἤδη τοῦ τεύχους, οἷδ' ὑπετείχισαν ἐνδοθεν, καὶ τὸ κεκμηκὸς ἐκλιπόντες μετεπήδησαν ἐς τὸ νεότευκτον: οἱ δὲ Ῥωμαῖοι τὸ μὲν ἐκλειφθὲν λαβόντες ἐνέπρησαν, κατὰ δὲ τοῦ ἄλλου δύο χώματα ἔχουν, καὶ ἀπ' αὐτῶν γεφύρας τέσσαρας ἐξέτεινον ἐς τὸ τεῖχος. γενομένων δὲ τούτων ὁ Καῖσαρ περιέπεμψέ τινας ἐς τὰ ὀπίσθια τῆς πόλεως, περισπᾶν τοὺς Μετούλους, τοῖς δ' ἄλλοις προσέταξε περὶ ἐς τὰ τεῖχη. διὰ τῶν γεφυρῶν. καὶ αὐτὸς ἐς ὑψηλὸν πύργον ἀναβὰς ἑώρα.

[20] οἱ βάρβαροι δὲ τοῖς περῶσιν ὑπήντων τε ἐκ μετώπου κατὰ τὸ τεῖχος, καὶ ὑπεδρεύνοντες ἕτεροι τὰς γεφύρας μακροῖς δόρασιν ὑπεκέντων, μᾶλλον τε ἐθάρρησαν μιᾶς γεφύρας καὶ δευτέρας ἐπ' ἐκείνῃ πεσοῦσης. ὥς δὲ καὶ ἡ τρίτη συνέπεσε, φόβος ἤδη παντελεῖς τοὺς Ῥωμαῖους ἐπέιχε, καὶ οὐδεὶς τῆς τετάρτης ἐπέβαινε, ἕως ὃς Καῖσαρ ἐκ τοῦ πύργου καταθορῶν ὠνείδιζεν αὐτούς. ἀλλὰ καὶ ὥς οὐκ ἐρεθιζομένων, αὐτὸς ἀσπίδα λαβὼν ἐπὶ τὴν γέφυραν ἔτο δρόμῳ. συνέθεον δ' αὐτῶ τῶν ἡγεμόνων Ἀγρίππας τε καὶ Ἴρων καὶ ὁ σωματοφύλαξ Λούτος καὶ Οὐόλας, τέσσαρες οἷδε μόνοι, καὶ τῶν ὑπασπιστῶν ὀλίγοι. ἤδη δ' αὐτοῦ τὴν γέφυραν περῶντος, ἐν αἰδοῖ γενόμενος ὁ στρατὸς

ἀνεπήδησεν ἄθρους. καὶ πάλιν ἡ γέφυρα βαρηθεῖσα καταπίπτει, καὶ οἱ ἄνδρες ὑπ' αὐτῆς ἄθροοι κατεχώννυντο, καὶ οἱ μὲν ἀπέθανον αὐτῶν, οἱ δὲ συντριβέντες ἐφέροντο. ὁ δὲ Καῖσαρ ἐπλήγη μὲν τὸ σκέλος τὸ δεξιὸν καὶ τοὺς βραχίονας ἄμφω, ἀνέδραμε δ' ὁμως εὐθὺς ἐπὶ τὸν πύργον μετὰ τῶν συμβόλων, καὶ ἑαυτὸν ἔδειξεν ἔρρωμένον, μὴ τις ὡς ἀποθανόντος γένοιτο θόρυβος. ἵνα δὲ μὴδ' οἱ πολέμιοι νομίσειαν αὐτὸν ἐνδώσειν ἀναχωρήσαντα, εὐθὺς ἐτέρας ἐπήγνυτο γεφύρας. ὁ καὶ μάλιστα κατέπληξε τοὺς Μετούλους ὡς ὑπὸ γνώμης ἀμάχου πολεμουμένους.

[21] καὶ τῆς ἐπιούσης πρεσβευσάμενοι πρὸς αὐτὸν ὁμήρους τε πενήτηντα ἔδωσαν, οὓς ὁ Καῖσαρ ἐπελέξατο, καὶ φρουρὰν ὑποσχόμενοι δέξεσθαι τὸν ὑψηλότερον λόφον τοῖς φρουροῖς ἀπέλιπον, αὐτοὶ δὲ μετεχώρουν ἐς τὸν ἕτερον. ἐπεὶ δὲ ἐσελθοῦσα ἡ φρουρὰ τὰ ὅπλα αὐτοὺς ἐκέλευεν ἀποθέσθαι, οἱ δὲ ἡγανάκτησάν τε, καὶ τὰ γύναια σφῶν καὶ τοὺς παῖδας ἐς τὸ βουλευτήριον συγκλείσαντες, καὶ φυλακὴν ἐπιστήσαντες, οἷς εἴρητο, εἴ τι ἀηδὲς γίγνεται περὶ αὐτοὺς, ἐμπρῆσαι τὸ βουλευτήριον, ἐπεχειροῦν τοῖς Ῥωμαίοις αὐτοὶ μετ' ἀπονοίας. οἷα δ' ὑψηλοτέροις ἐπιχειροῦντες ἐκ ταπεινοῦ, συνεχώσθησαν ἄθροοι, καὶ οἱ φύλακες τὸ βουλευτήριον κατέπησαν, πολλὰ τε τῶν γυναικῶν ἑαυτάς τε καὶ τὰ τέκνα διεχρῶντο, αἱ δὲ καὶ ζῶντα ἔτι φέρουσαι ἐς τὸ πῦρ ἐνήλαντο, ὡς ἀπολέσθαι τῶν Μετούλων τὴν τε νεότητα πᾶσαν ἐν τῇ μάχῃ καὶ τῶν ἀχρείων τὸ πλεόν τῷ πυρί. συγκατεφλέγη δὲ αὐτοῖς καὶ ἡ πόλις, καὶ οὐδὲν ἦν ἵχνος μεγίστης ἐκεῖθι γενομένης. Μετούλου δ' ἀλούσης οἱ λοιποὶ τῶν Ἰαπόδων καταπλαγέντες ἑαυτοὺς ἐπέτρεψαν τῷ Καίσαρι. Ἰάποδες μὲν οὖν οἱ πέραν Ἀλπεων τότε πρῶτον Ῥωμαίων ὑπήκουσαν· καὶ αὐτῶν Ποσηνοὺς ἀποχωρήσαντος τοῦ Καίσαρος ἀποστάντας ἐπιπεμφθεῖς αὐτοῖς Μάρκος Ἐλουῖος εἶλε, καὶ τοὺς μὲν αἰτίους ἔκτεινε, τοὺς δὲ λοιποὺς ἀπέδωκε.

[22] ἐς δὲ τὴν Σεγεστικὴν γῆν οἱ Ῥωμαῖοι δις πρότερον ἐμβαλόντες οὔτε ὄμηρον οὔτε ἄλλο τι εἰλήφεσαν· ὅθεν ἦσαν ἐπὶ φρονήματος οἱ Σεγεστανοί. ὁ δὲ Καῖσαρ αὐτοῖς ἐπῆει διὰ τῆς Παιόνων γῆς, οὐπω Ῥωμαίοις οὐδὲ τῆσδε ὑπηκούου γενομένης. ὑλῶδης δ' ἐστὶν ἡ Παιόνων, καὶ ἐπιμήκης ἐξ Ἰαπόδων ἐπὶ Δαρδάνους. καὶ οὐ πόλεις ὄκουν οἱ Παῖονες οἶδε, ἀλλ' ἀγροὺς ἢ κώμας κατὰ συγγένειαν· οὐδ' ἐς βουλευτήρια κοινὰ συνήεσαν, οὐδ' ἄρχοντες αὐτοῖς ἦσαν ἐπὶ πᾶσιν. οἱ δ' ἐν ἡλικίᾳ μάχης ἐς δέκα μυριάδας συνετέλουν. ἀλλ' οὐδ' οὗτοι συνήεσαν ἄθροοι δι' ἀναρχίαν. προσιόντος δ' αὐτοῖς τοῦ Καίσαρος, ἐς τὰς ὕλας ὑποφυγόντες τοὺς ἀποσκιδναμένους τῶν στρατιωτῶν ἀνήρουν. ὁ δὲ Καῖσαρ ἕως μὲν ἠλπιζεν αὐτοὺς ἀφίξεσθαι πρὸς αὐτόν, οὔτε τὰς κώμας οὔτε τοὺς ἀγροὺς ἐλυμαίνετο, οὐκ ἀπαντώντων δὲ πάντα ἐνεπίμπρη καὶ ἔκειρεν ἐπὶ ἡμέρας ὀκτώ, ἐς ὃ διήλθεν ἐς τὴν Σεγεστανῶν, καὶ τήνδε Παιόνων οὔσαν, ἐπὶ τοῦ Σάου ποταμοῦ, ἐν ᾧ καὶ πόλις ἔστιν ἐχυρά, τῷ τε ποταμῷ καὶ τάφρῳ μεγίστῃ διελημμένη, διὸ καὶ μάλιστα αὐτῆς ἔχρηζεν ὁ Καῖσαρ, ὡς ταμείῳ χρησόμενος ἐς τὸν Δακῶν καὶ Βαστερνῶν πόλεμον, οἱ πέραν εἰσὶ τοῦ Ἰστρου, λεγομένου μὲν ἐνταῦθα Δανουβίου, γιγνομένου δὲ μετ' ὀλίγον Ἰστρου. ἐμβάλλει δ' ὁ Σάος ἐς τὸν Ἰστρον· καὶ αἱ νῆες ἐν τῷ Σάῳ Καίσαρι ἐγίγνοντο, αἱ ἐς τὸν Δανούβιον αὐτῷ τὴν ἀγορὰν διοίσειν ἔμελλον.

[23] διὰ μὲν δὴ ταῦτα τῆς Σεγέστης ἔχρηζεν ὁ Καῖσαρ· προσιόντι δὲ αὐτῷ οἱ

Σεγεστανοὶ προσέπεμψαν, πυνθανόμενοι τίνος χρήξει. ὁ δὲ φρουρὰν ἐσαγαγεῖν ἔφη, καὶ ὁμήρους ἑκατὸν λαβεῖν, ἵν' ἀσφαλῶς ταμιεῖω τῇ πόλει χρῶτο ἐπὶ Δάκας. ἦται δὲ καὶ σῖτον, ὅσον δύναιτο φέρειν. ταῦθ' οἱ μὲν πρωτεύοντες ἡξίουσαν δοῦναι: ὁ δὲ ἄσπις ἐξαγριαίνων τὰ μὲν ὄμηρα διδόμενα περιεῖδεν, ὅτι ἴσως οὐ παρὰ σφῶν ἀλλὰ τῶν πρωτευόντων παῖδες ἦσαν, προσιούσης δὲ τῆς φρουρᾶς τὴν ὄψιν οὐκ ἐνεγκόντες ὀρμῇ μανιώδει τὰς πύλας αὐθις ἀπέκλειον καὶ αὐτοὺς τοῖς τείχεσιν ἐπέστησαν. ὁ οὖν Καῖσαρ τὸν τε ποταμὸν ἐγεφύρου, καὶ χάρακας καὶ τάφρους πάντοθεν ἐποιεῖτο, ἀποτειχίσας δ' αὐτοὺς δύο χώματα ἔχου. οἷς ἐπέδραμον μὲν οἱ Σεγεστανοὶ πολλάκις, οὐ δυνηθέντες δ' ἐλεῖν λαμπάδας καὶ πῦρ πολὺ ἄνωθεν ἐπέβαλλον. προσιούσης δ' αὐτοῖς Παιόνων ἐτέρων βοηθείας, ὁ Καῖσαρ ὑπαντήσας ἐνῆδρευσεν αὐτήν: καὶ οἱ μὲν ἀνῆρέθησαν, οἱ δ' ἔφυγον, καὶ οὐδεὶς ἔτι Παιόνων ἐβοήθει.

[24] οἱ Σεγεστανοὶ δὲ πᾶσαν πολιορκίαν ὑποστάντες ἡμέρᾳ τριακοστῇ κατὰ κράτος ἐλήφθησαν, καὶ τότε πρῶτον ἤρξαντο ἰκετεύειν. καὶ αὐτοὺς ὁ Καῖσαρ ἐπαίνω τε τῆς ἀρετῆς καὶ ἐλέω τῆς ἰκεσίας οὔτε ἔκτεινεν οὔτε ἀνέστησεν, ἀλλὰ χρήμασιν ἐξημίωσε, καὶ τῆς πόλεως μέρος διατειχίσας ἐσήγαγεν ἐς αὐτὸ φρουρὰν πέντε καὶ εἴκοσι σπειρῶν. καὶ ὁ μὲν τὰδ' ἐργασάμενος ἐς Ῥώμην ἀνέξεν, ὡς ἦρος ἐπανήξων ἐς τὴν Ἰλλυρίδα. φήμης δ' ἐπιδραμούσης ὅτι τὴν φρουρὰν οἱ Σεγεστανοὶ διέφθειραν, ἐξέθορε χειμῶνος. καὶ τὸ μὲν τέλος τῆς φήμης ψευδὲς ἦν, τὴν δὲ αἰτίαν ἀληθῆ: ἐγεγόνεσαν γὰρ ἐν κινδύνῳ, τῶν Σεγεστανῶν αὐτοὺς ἄφνω περιστάντων, καὶ πολλοὺς τὸ αἰφνίδιον ἀπωλώλεκε, τῆς δ' ἐπιούσης προελθόντες ἐκράτουν τῶν Σεγεστανῶν. ὁ οὖν Καῖσαρ ἐπὶ Δαλμάτας μετῆι, γένος ἕτερον Ἰλλυριῶν, Ταυλαντίους ὁμορον.

[25] οἱ Δαλμάται δ' ἐξ οὗ τὰς ὑπὸ Γαβινίῳ πέντε τάξεις ἀνῆρήκεσαν καὶ τὰ σημεῖα εἰλήφεσαν, ἐπαρθέντες ἐπὶ τῷδε τὰ ὄπλα οὐκ ἀπετέθειντο ἔτεσιν ἡδὴ δέκα, ἀλλὰ καὶ τοῦ Καίσαρος ἐπιόντος αὐτοῖς συμμαχήσιν ἀλλήλοις συνετίθεντο. καὶ ἦσαν οἱ μαχιμώτατοι μυρίων καὶ δισχιλίων πλείους, ὧν στρατηγὸν Οὐέρσον αἰροῦνται. ὁ δὲ Πρωμόναν αὐθις, τὴν τῶν Λιβυρνῶν πόλιν, καταλαβὼν ὠχύρου, καὶ τᾶλλα οὖσαν ἐκφυῶς ὀχυρωτάτην: ὄρειον γάρ ἐστι τὸ χωρίον, καὶ αὐτῷ περικείται λόφοι πάντοθεν ὀξεῖς οἷα πρίονες. ἐν μὲν δὴ τῇ πόλει τὸ πλεόν ἦν, ἐν δὲ τοῖς λόφοις διέθηκεν Οὐέρσος φρούρια: καὶ πάντες ἐφεώρων τὰ Ῥωμαίων ἀφ' ὑψηλοῦ. ὁ δὲ Καῖσαρ ἐς μὲν τὸ φανερόν πάντας ἀπετείχιζε, λάθρα δὲ τοὺς εὐτολμοτάτους ἔπεμπε ζητεῖν ἄνοδον ἐς τὸν ἀκρότατον τῶν λόφων. καὶ οἱ μὲν, τῆς ὕλης αὐτοὺς ἐπικαλυπτούσης, νυκτὸς ἐμπίπτουσι τοῖς φύλαξιν εὐναζομένοις, καὶ κτείνουσιν αὐτούς, καὶ τῷ Καίσαρι κατέσεισαν ὑπὸ λύγῃ: ὁ δὲ τῆς τε πόλεως ἐς πείραν ἦι τῷ πλέονι στρατῷ, καὶ ἐς τὸ εἰλημμένον ἄκρον ἐτέρους ἐφ' ἐτέροις ἔπεμπε, οἱ τοῖς ἄλλοις λόφοις ἐπικατήσαν. φόβος τε καὶ θόρυβος ἦν τοῖς βαρβάροις ὁμοῦ πᾶσιν ἐπιχειρουμένοις πάντοθεν: μάλιστα δὲ οἱ ἐν τοῖς λόφοις ἔδεισαν διὰ τὸ ἄνυδρον, μὴ τῶν διόδων ἀφαιρεθῶσιν. καὶ συμφεῦγουσιν ἐς τὴν Πρωμόναν.

[26] ὁ δὲ Καῖσαρ αὐτήν τε καὶ δύο λόφους, οἱ ἔτι ἐκρατοῦντο ὑπὸ τῶν πολεμίων, ὁμοῦ περιετείχιζε, τεσσαράκοντα σταδίων περίμετρον. κὰν τοῦτω Τέστιμον Δαλμάτην, στρατὸν ἕτερον ἄγοντα τοῖς ἐν Πρωμόνῃ συμμαχόν,

ὑπαντήσας ἐδίδωκεν ἐς τὰ ὄρη, καὶ ἐφορῶντος ἔτι τοῦ Τεστίμου τὴν Πρωμόναν εἶλεν, οὐπὼ τῆς περιτειχίσεως τετελεσμένης. ἐκδραμόντων γὰρ τῶν ἔνδον καὶ συνελαννομένων ὀξέως, οἱ Ῥωμαῖοι φεύγουσιν αὐτοῖς ἐς τὴν πόλιν συνεσέπεσον, καὶ τὸ τρίτον τούτων ἔνδον ἔκτειναν: οἱ λοιποὶ δ' ἐς τὴν ἄκραν ἀνέδραμον. καὶ σπεῖρα Ῥωμαίων ἐφύλασσαν αὐτοὺς ἐπὶ τῶν πυλῶν. οἷς προσπίπτουσιν οἱ βάρβαροι νυκτὸς τετάρτης, καὶ ἐξέλιπεν ἡ σπεῖρα τὰς πύλας ὑπὸ δέους. ὁ δὲ Καῖσαρ τοὺς μὲν πολεμίους ἀνέκοψε τῆς ὁρμῆς, καὶ τῆς ἐπιούσης εἶλε παραδόντας ἑαυτούς: τὴν δὲ σπεῖραν ἡ τὸ φυλάκιον ἐξέλιπε διακληρώσας, ἐζημίωσε θανάτῳ τὸ δέκατον, καὶ λοχαγούς ἐπὶ τῷ δεκάτῳ δύο. καὶ τοῖς λοιποῖς ἐκέλευεν ἐκείνου τοῦ θέρους κριθὴν ἀντὶ σίτου τραφήναι δίδοσθαι.

[27] οὕτω μὲν ἐάλω Πρωμόνα, Τέστιμος δ' ὁρῶν διεσκέδασε τὸν στρατὸν ἑαυτοῦ, φεύγειν ἄλλους ἀλλαχοῦ: ὅθεν αὐτοὺς οὐκ ἐδύναντο οἱ Ῥωμαῖοι διώκειν ἐς πολὺ, τὴν τε διαίρεσιν σφῶν τὴν ἐς πολλὰ δείσαντες, καὶ τὴν ἀπειρίαν τῶν ὁδῶν καὶ τὰ ἴχνη τῆς φυγῆς συγκεχυμένα. Συνόδιον δ' αἰροῦσι πόλιν ἐν ἀρχῇ τῆς ὕλης, ἐν ἣ τὸν Γαβινίου στρατὸν ἐνήδρευσαν οἱ Δαλμάται περὶ φάραγγι βαθεῖα καὶ ἐπιμήκει καὶ μέσῃ δύο ὁρῶν, ἔνθα καὶ τὸν Καῖσαρα ἐνήδρευνον. ὁ δὲ τό τε Συνόδιον ἐνέπρησε, καὶ ἐς τὰ ὄρη περιπέμψας ἄνω στρατὸν ἐκατέρωθεν αὐτῷ συμπαρομαρτεῖν, αὐτὸς ἦει διὰ τῆς φάραγγος, κόπτων τὴν ὕλην καὶ τὰς πόλεις αἰρῶν, καὶ πάντα ἐμπιπράς ὅσα κατὰ τὴν ὁδὸν ἦρει. πολιορκουμένης δὲ πόλεως Σετουῖας, ἐπῆει τις αὐτοῖς συμμαχία βαρβάρων, ἦν ὁ Καῖσαρ ὑπαντήσας ἐκώλυσεν ἐσδραμεῖν ἐς τὴν Σετουῖαν. κὰν τῷ πόνῳ τῷδε ἐπλήγη λίθῳ τὸ γόνυ, καὶ ἐς πολλὰς ἡμέρας ἐθεραπεύετο. ῥαῖσας δὲ ἐς Ῥώμην ἐπανῆλθεν, ὑπατεύσων σὺν Οὐολκατίῳ Τύλλῳ, Στατίλιον Ταῦρον ἐς τὰ λοιπὰ τοῦ πολέμου καταλιπών.

[28] νουμηνία δ' ἔτους ἀρξάμενος ὑπατεύειν, καὶ τὴν ἀρχὴν αὐτῆς ἡμέρας παραδοὺς Αὐτρωνίῳ Παίτῳ, εὐθὺς ἐξέθερεν αὐθις ἐπὶ τοὺς Δαλμάτας, ἄρχων ἔτι τὴν τῶν τριῶν ἀρχήν: δύο γὰρ ἔλειπεν ἔτη τῇ δευτέρᾳ πενταετία τῆσδε τῆς ἀρχῆς, ἦν ἐπὶ τῇ προτέρᾳ σφίσιν αὐτοῖς ἐψηφίσαντο καὶ ὁ δῆμος ἐπεκεκυρώκει. οἱ Δαλμάται δ' ἤδη κάμνοντες ὑπὸ λιμοῦ, τῶν ἔξωθεν ἀγορῶν ἀποκεκλεισμένοι, ἐρχομένῳ τῷ Καίσαρι ὑπῆντων καὶ σφᾶς παρέδοσαν σὺν ἱκετηρίᾳ, ὅμηρά τε δόντες ἐπτακοσίους παῖδας, οὓς καὶ ὁ Καῖσαρ ἤτει, καὶ τὰ Ῥωμαϊκὰ σημεῖα τὰ Γαβινίου: τὸν δὲ φόρον τὸν ἀπὸ Γαίου Καίσαρος ἐκλειφθέντα ἀποδώσειν ὑποστάντες, εὐπειθεῖς ἐς τὸ ἔπειτα ἐγένοντο. τὰ σημεῖα δὲ ὁ Καῖσαρ ἀπέθηκεν ἐν τῇ στοᾷ τῇ Ὀκταουία λεγομένη. Δαλματῶν δ' ἀλόντων καὶ Δερβανοὶ προσιόντα τὸν Καῖσαρα συγγνώμην ἤτουν σὺν ἱκετηρίᾳ, καὶ ὁμήρους ἔδοσαν, καὶ τοὺς ἐκλειφθέντας φόρους ὑπέστησαν ἀποδώσειν. τῶν δὲ ... οἷς μὲν ὁ Καῖσαρ ἐπλησίασε, καὶ ὁμήρους ἐπὶ ταῖς συνθήκαις ἔδοσαν: ὅσοις δ' οὐκ ἐπλησίασε διὰ νόσον, οὗτ' ἔδοσαν οὔτε συνέθεντο. φαίνονται δὲ καὶ οἶδε ὕστερον ὑπαχθέντες.

οὕτω πᾶσαν ὁ Καῖσαρ τὴν Ἰλλυρίδα γῆν, ὅση τε ἀφειστήκει Ῥωμαίων, καὶ τὴν οὐ πρότερον ὑπακούσασαν αὐτοῖς, ἐκρατύνατο. καὶ αὐτῷ ἡ βουλὴ θρίαμβον Ἰλλυρικὸν ἔδωκε θριαμβεῦσαι, ὃν ἐθρίαμβευσεν ὕστερον ἅμα τοῖς κατ' Ἀντωνίου.

[29] λοιποὶ δ' εἰσὶ τῆς ὑπὸ Ῥωμαίων νομιζομένης Ἰλλυρίδος εἶναι πρὸ μὲν Παίωνων Ῥαιτοὶ καὶ Νωρικοί, μετὰ Παίονας δὲ Μυσοὶ ἕως ἐπὶ τὸν Εὐξείνιον Πόντον. Ῥαιτοὺς μὲν οὖν καὶ Νωρικοὺς ἡγοῦμαι Γάιον Καίσαρα πολεμοῦντα Κελτοῖς ἐπιλαβεῖν, ἢ τὸν Σεβαστὸν χειρούμενον Παίονας: ἐν μέσῳ γάρ εἰσιν ἀμφοτέρων, καὶ οὐδὲν ἡῦρον ἴδιον ἐς Ῥαιτοὺς ἢ Νωρικοὺς γενόμενον: ὅθεν μοι δοκοῦσι τοῖς ἑτέροις τῶν γειτόνων συναλῶναι.

[30] Μυσοὺς δὲ Μᾶρκος μὲν Λεύκολλος, ὁ ἀδελφὸς Λικινίου Λευκόλλου τοῦ Μιθριδάτη πολεμήσαντος, κατέδραμε, καὶ ἐς τὸν ποταμὸν ἐμβαλὼν, ἔνθα εἰσὶν Ἑλληνίδες ἐξ πόλεις Μυσοῖς πάροικοι, Ἰστρος τε καὶ Διονυσόπολις καὶ Ὀδησσὸς καὶ Μεσημβρία, καὶ Καλλατίς, καὶ Ἀπολλωνία: ἐξ ἧς ἐς Ῥώμην μετήνεγκε τὸν μέγαν Ἀπόλλωνα τὸν ἀνακείμενον ἐν τῷ Παλατίῳ. καὶ πλεῖον οὐδὲν ἡῦρον ἐπὶ τῆς Ῥωμαίων δημοκρατίας ἐς Μυσοὺς γενόμενον, οὐδ' ἐς φόρου ὑπαχθέντας οὐδ' ἐπὶ τοῦ Σεβαστοῦ: ὑπήχθησαν δὲ ὑπὸ Τιβέριου τοῦ μετὰ τὸν Σεβαστὸν τοῖς Ῥωμαίοις αὐτοκράτορος γενομένου. ἀλλὰ μοι τὰ μὲν πρὸ ἀλώσεως Αἰγύπτου πάντα ὑπὸ νεύματι τοῦ δήμου γενόμενα ἐφ' ἑαυτῶν συγγέγραπται, ἃ δὲ μετ' Αἴγυπτον οἱ αὐτοκράτορες οἶδε ἐκρατύναντο ἢ προσέλαβον, ὥς ἴδια αὐτῶν ἔργα, μετὰ τὰ κοινὰ εἴρηται: ἔνθα καὶ περὶ Μυσῶν ἐρῶ πλεονα. νῦν δ', ἐπεὶ τοὺς Μυσοὺς τε οἱ Ῥωμαῖοι τῆς Ἰλλυρίδος ἡγοῦνται, καὶ τὸ σύγγραμμά μοι τοῦτο Ἰλλυρικόν ἐστιν, ὥς ἂν εἴη τὸ σύγγραμμα ἐντελές, ἐδόκει προειπεῖν ὅτι καὶ Μυσοὺς Λεύκολλός τε τῷ δήμῳ στρατηγῶν ἐπέδραμε καὶ Τιβέριος εἴλε κατά τὴν μόναρχον ἐξουσίαν.

Συριακή

Ἀντίοχος ὁ Σελεύκου τοῦ Ἀντίοχου, Σύρων καὶ Βαβυλωνίων καὶ ἐτέρων ἐθνῶν βασιλεὺς, ἔκτος δὲ ἀπὸ Σελεύκου τοῦ μετ' Ἀλέξανδρον Ἀσίας τῆς περὶ Εὐφράτην βεβασιλευκότος, ἐσβαλὼν ἐς Μηδίαν τε καὶ Παρθυνήν καὶ ἕτερα ἔθνη ἀφιστάμενα ἔτι πρὸ αὐτοῦ, καὶ πολλὰ καὶ μεγάλα δράσας, καὶ μέγας Ἀντίοχος ἀπὸ τοῦδε κληθεὶς, ἐπαιρόμενος τοῖς γεγονόσι καὶ τῇ δι' αὐτὰ προσωνυμία, Συρίαν τε τὴν κοίλην καὶ Κιλικίας ἔστιν ἃ Πτολεμαίου τοῦ φιλοπάτορος, Αἰγύπτου βασιλέως ἔτι παιδὸς ὄντος, ἐπιδραμὼν περιέσπασε, καὶ μικρὸν οὐδὲν ἐνθυμούμενος Ἑλλησποντίους ἐπῆει καὶ Αἰολέας καὶ Ἴωνας ὡς οἱ προσήκοντας ἄρχοντι τῆς Ἀσίας, ὅτι καὶ πάλαι τῶν τῆς Ἀσίας βασιλέων ὑπῆκουον. ἐς τε τὴν Εὐρώπην διαπλευσας Θράκην ὑπῆγετο καὶ τὰ ἀπειθοῦντα ἐβιάζετο, Χερρόνησόν τε ὠχύρου, καὶ Λυσιμάχειαν ὥκιζεν, ἣν Λυσίμαχος μὲν ὁ Θράκης ἐπὶ Ἀλεξάνδρῳ βασιλεύσας ἔκτισεν ἐπιτείχισμα τοῖς Θραξίν εἶναι, οἱ Θραῖκες δ' ἀποθανόντος τοῦ Λυσιμάχου καθηρῆκεσαν. καὶ ὁ Ἀντίοχος συνῴκιζε, τοὺς τε φεύγοντας τῶν Λυσιμαχέων κατακαλῶν, καὶ εἴ τινες αὐτῶν αἰχμάλωτοι γεγονότες ἐδούλευον ὠνούμενος, καὶ ἐτέρους προσκαταλέγων, καὶ βοῦς καὶ πρόβατα καὶ σίδηρον ἐς γεωργίαν ἐπιδιδούς, καὶ οὐδὲν ἐλλείπων ἐς ταχεῖαν ἐπιτείχισματος ὁρμὴν: πάνυ γὰρ αὐτῷ τὸ χωρίον ἐφαίνετο λαμπρῶς ἔχειν ἐπὶ ὅλῃ Θράκῃ, καὶ ταμιεῖον εὐκαιρον ἐς τὰ λοιπὰ ὧν ἐπενόει πάντων ἔσσεσθαι.

[2] ταῦτα δ' αὐτῷ διαφορᾷ φανερᾷ καὶ πρὸς Ῥωμαίους ἦρξεν. ὡς γὰρ δὴ μετῆι τὰς τῆδε Ἑλληνίδας πόλεις, οἱ μὲν πλέονες αὐτῷ προσετίθεντο καὶ φρουρὰς ἐσεδέχοντο δέει τῷ τῆς ἀλώσεως, Συμρναῖοι δὲ καὶ Λαμψακηνοὶ καὶ ἕτεροι ἔτι ἀντέχοντες ἐπρεσβεύοντο ἐς Φλαμινῖνον τὸν Ῥωμαίων στρατηγόν, ἄρτι Φιλίππου τοῦ Μακεδόνης μεγάλῃ μάχῃ περὶ Θετταλίαν κεκρατηκότα: ἐγίνετο γὰρ δὴ καὶ τὰ Μακεδόνων καὶ τὰ Ἑλλήνων ἐπίμικτα ἀλλήλοις ἀνὰ μέρη καὶ χρόνους, ὥς μοι ἐν τῇ Ἑλληνικῇ γραφῇ δεδήλωται. καὶ γίνονται τινες Ἀντίοχῳ καὶ Φλαμινίῳ διαπρεσβεύσεις τε ἐς ἀλλήλους καὶ ἀπόπειραι ἀτελεῖς, ἐκ πολλοῦ δὲ οἱ Ῥωμαῖοι καὶ ὁ Ἀντίοχος ὑπόπτως εἶχον ἀλλήλοις, οἱ μὲν οὐκ ἀτρεμήσειν ὑπολαμβάνοντες Ἀντίοχον ἐπαιρόμενον ἀρχῆς τε μεγέθει καὶ εὐπραξίας ἀκμῇ, ὁ δὲ Ῥωμαίους οἱ μόνους αὐξομένῳ μάλιστα ἐμποδῶν ἔσσεσθαι, καὶ κωλύειν ἐς τὴν Εὐρώπην περαιούμενον. οὐδενὸς δὲ πω φανεροῦ γεγονότος αὐτοῖς ἐς ἔχθραν ἀφίκοντο πρέσβεις ἐς Ῥώμην παρὰ Πτολεμαίου τοῦ φιλοπάτορος, αἰτιωμένου Συρίαν τε καὶ Κιλικίαν Ἀντίοχον αὐτὸν ὑφελέσθαι. καὶ οἱ Ῥωμαῖοι τῆς ἀφορμῆς ἐπέβαινον ἄσμενοι, κατὰ καιρὸν σφίσι γενομένης, καὶ πρέσβεις ἐς τὸν Ἀντίοχον ἔστελλον, οἱ λόγῳ μὲν ἔμελλον συναλλάξειν Πτολεμαῖον Ἀντίοχῳ, ἔργῳ δὲ κατασκέψεσθαι τὴν ὁρμὴν Ἀντίοχου καὶ κωλύειν ὅσα δύναιντο.

[3] τούτων δὴ τῶν πρέσβεων Γναῖος ἡγούμενος ἡξίου τὸν Ἀντίοχον Πτολεμαίῳ μὲν, ὄντι Ῥωμαίων φίλῳ, συγχωρεῖν ἄρχειν ὅσων ὁ πατήρ αὐτῷ κατέλιπε, τὰς δ' ἐν Ἀσία πόλεις, ὧν Φίλιππος ὁ Μακεδὼν ἦρχεν, αὐτονόμους ἔαν: οὐ γὰρ εἶναι δίκαιον Ἀντίοχον κρατεῖν ὧν Φίλιππον ἀφείλοντο Ῥωμαῖοι.

ὅλως δ' ἀπορεῖν ἔφη τί τοσοῦτον στόλον ὁ Ἀντίοχος καὶ τοσαύτην στρατιάν ἄγων ἄνωθεν ἐκ Μήδων ἔλθοι τῆς Ἀσίας ἐπὶ θάλασσαν, ἔς τε τὴν Εὐρώπην ἐσβάλοι, καὶ πόλεις ἐν αὐτῇ κατασκευάζοιτο, καὶ Θράκην ὑπάγοιτο, εἰ μὴ ταῦτά ἐστιν ἐτέρου πολέμου θεμέλια. ὁ δ' ἀπεκρίνατο Θράκην μὲν, τῶν προγόνων αὐτοῦ γενομένην τε καὶ δι' ἀσχολίας ἐκπεσοῦσαν, αὐτὸς ἐπὶ σχολῆς ὦν ἀναλαμβάνειν, καὶ Λυσιμάχειαν ἐγείρειν οἰκητήριον Σελεύκῳ τῷ παιδί εἶναι, τὰς δ' ἐν Ἀσίᾳ πόλεις αὐτονόμους ἐάσειν, εἰ τὴν χάριν οὐ Ῥωμαίοις ἀλλ' ἐαυτῷ μέλλοιεν ἔξειν. 'Πτολεμαίῳ δ', ἔφη, 'καὶ συγγενῆς εἰμι καὶ ὅσον οὐπω καὶ κηδεστής ἔσομαι, καὶ χάριν ὑμῖν αὐτὸν ὁμολογεῖν παρασκευάσω. ἀπορῶ δὲ κἀγὼ τίνι Ῥωμαῖοι δικαίῳ τὴν Ἀσίαν πολυπραγμονοῦσιν, ἐμοῦ τὴν Ἰταλίαν οὐ πολυπραγμονοῦντος.'

[4] οὕτω μὲν ἀπ' ἀλλήλων ἄπρακτοι διεκρίθησαν, ἀπορρηγνύντες ἤδη τὰς ἀπειλὰς ἐς τὸ φανερώτερον: λόγου δὲ καὶ δόξης ἐμπεσοῦσης ὅτι Πτολεμαῖος ὁ φιλοπάτωρ ἀποθάνοι, κατὰ σπουδὴν ὁ Ἀντίοχος ἀπῆει ὡς Αἴγυπτον ἔρημον ἄρχοντας ἀρπασόμενος. καὶ αὐτῷ κατὰ Ἑφeson Ἀννίβας ὁ Καρχηδόνιος συμβάλλει, φεύγων τὴν πατρίδα δι' ἐχθρῶν διαβολάς, οἱ Ῥωμαῖοι αὐτὸν ἔφασκον εἶναι δύσερίν τε καὶ φιλοπόλεμον καὶ οὐποτε εἰρηνεῦειν δυνάμενον. τότε δ' ἦν ὅτε Καρχηδόνιοι Ῥωμαίοις ὑπήκουον ἔνσπονδοι. Ἀννίβαν μὲν δὴ διώνυμον ἐπὶ στρατηγίαις ὄντα ὁ Ἀντίοχος ὑπεδέχετο λαμπρῶς καὶ εἶχεν ἄμφ' αὐτόν: περὶ δὲ τὴν Λυκίαν Πτολεμαῖον περιεῖναι μαθὼν Αἰγύπτου μὲν ἀπέγνω, Κύπρον δ' ἐλπίσας αἰρήσειν ἀντὶ Αἰγύπτου διέπλει κατὰ τάχος ἐπ' αὐτήν. χειμῶνι δ' ἄμφι τὸν Σάρον ποταμὸν συμπεσόν, καὶ πολλὰς τῶν νεῶν ἀποβαλὼν, ἐνίας δ' αὐτοῖς ἀνδράσι καὶ φίλοις, ἐς Σελεύκειαν τῆς Συρίας κατέπλευσε, καὶ τὸν στόλον κατεσκεύαζε πεπονημένον. γάμους τε τῶν παίδων ἔθυεν, Ἀντιόχου καὶ Λαοδίκης, ἀλλήλοις συναρμόζων.

[5] ἤδη δὲ τὸν πρὸς Ῥωμαίους πόλεμον ἐγνωκῶς ἀποκαλύπτειν, ἐπιγαμίαις τοὺς ἐγγὺς βασιλέας προκατελάμβανε, καὶ Πτολεμαίῳ μὲν ἐς Αἴγυπτον ἔστελλε Κλεοπάτραν τὴν Σύραν ἐπὶ κλησιν, προῖκα Συρίαν τὴν κοίλην ἐπιδιδούς, ἦν αὐτὸς ἀφήρητο τοῦ Πτολεμαίου, θεραπεύων ἤδη τὸ μειράκιον, ἴν' ἐν τῷ πολέμῳ τῷ πρὸς Ῥωμαίους ἀτρεμῇ: Ἀντιοχίδα δ' ἐπεμπεν Ἀριαράθῃ τῷ Καππαδοκῶν βασιλεῖ, καὶ τὴν ἔτι λοιπὴν Εὐμένει τῷ Περγάμου βασιλεῖ. ὁ δὲ ἑώρα γὰρ αὐτὸν ἤδη Ῥωμαίοις τε πολεμῆσειοντα καὶ πρὸς τήνδε τὴν χρεῖαν τὸ κῆδος αὐτῷ συναπτόμενον ἠρνήσατο, καὶ τοῖς ἀδελφοῖς Ἀττάλῳ τε καὶ Φιλεταίρῳ, θαυμάζουσιν ὅτι κῆδος βασιλέως τοσοῦδε καὶ γείτονος, αὐτοῦ τε κατάρχοντος καὶ δεομένου, παραιτοῖτο, ἐπεδείκνυ τὸν ἐσόμενον πόλεμον ἐν μὲν ἀρχῇ τι παρ' ἀμφοῖν ἔξειν ἰσοπαλές, σὺν χρόνῳ δ' ὑπεροίσειν τὰ Ῥωμαίων δι' εὐψυχίαν καὶ ταλαιπωρίαν. 'ἐγὼ δ', ἔφη, 'Ῥωμαίων μὲν ἐπικρατούντων βεβαίως τῆς ἀρχῆς τῆς ἐμῆς ἄρξω, Ἀντιόχου δὲ νικῶντος ἐλπίς μὲν ἀφαιρεθήσεσθαι πάντα πρὸς γείτονος, ἐλπίς δὲ καὶ ἔχοντα βασιλεύσειν βασιλεύομενον ὑπ' ἐκείνου.'

[6] ὁ μὲν δὴ τοιοῖσδε λογισμοῖς τοὺς γάμους ἀπέωσατο, ὁ δ' Ἀντίοχος αὖθις ἐφ' Ἑλλησπόντου κατήει, καὶ περιπλεύσας ἐς Χερρόνησον πολλὰ καὶ τότε τῆς Θράκης ὑπήγετό τε καὶ κατεστρέφετο. Ἑλληνας δ', ὅσοι τοῖς Θραζῖν ὑπήκουον, ἡλευθέρου, καὶ Βυζαντίοις ἐχαρίζετο πολλὰ ὡς ἐπὶ καιρὸν ἐπὶ τοῦ

στόματος πόλιν ἔχουσιν. Γαλάτας τε δώροις καὶ καταπλήξει τῆς παρασκευῆς ἐς συμμαχίαν ὑπήγετο, ἀξιομάχους ἡγούμενος ἔσσεσθαι οἱ διὰ τὰ μεγέθη τῶν σωμάτων. μετὰ δὲ τοῦτο ἐς Ἑφεσον κατῆρε, καὶ πρέσβεις ἐς Ῥώμην ἔπεμπε Λυσίαν τε καὶ Ἥγησιάνακτα καὶ Μένιππον, οἱ τῷ μὲν ἔργῳ τῆς βουλῆς ἀποπειράσειν ἔμελλον, τῷ λόγῳ δ' ὁ Μένιππος ἔφη τὸν βασιλέα περὶ τὴν Ῥωμαίων φιλίαν ἐσπουδακότα, καὶ βουλόμενον αὐτοῖς εἶναι καὶ σύμμαχον ἂν ἀξιῶσι, θαυμάζειν ὅτι κελεύουσι τῶν ἐν Ἰωνίᾳ πόλεων ἀφίστασθαι, καὶ φόρους τισὶν ἀφιέναι, καὶ τῆς Ἀσίας ἓνα μὴ πολυπραγμονεῖν, καὶ Θράκην ἔαν ἀεὶ τῶν προγόνων αὐτοῦ γενομένην: ἅπερ οὐ τοῖς φίλοις ἀλλὰ τοῖς ἡττημένοις τοὺς κεκρατηκότας ἐπικελεύειν. οἱ δὲ τῆς πρεσβείας συνιέντες ἐπὶ διαπεύρα σφῶν ἀφιγμένης, διὰ βραχείας ἀπεκρίναντο αὐτοῖς, ἔαν Ἀντίοχος αὐτονόμους τοὺς Ἑλληνας ἔᾶ τοὺς ἐν Ἀσίᾳ καὶ τῆς Εὐρώπης ἀπέχηται, Ῥωμαίοις αὐτὸν ἔσσεσθαι φίλον, ἂν ἐθέλῃ.

[7] τοσάδε μὲν ἀπεκρίναντο Ῥωμαῖοι, καὶ τὰς αἰτίας ταῖς ἀποκρίσεις οὐκ ἐπέθεσαν: ὁ δ' Ἀντίοχος ἐς πρώτην ἐπινοῶν τὴν Ἑλλάδα ἐσβαλεῖν, κάκειθεν ἄρξασθαι τοῦ πρὸς Ῥωμαίους πολέμου, ὑπετίθετο τὴν γνώμην τῷ Καρχηδονίῳ Ἀννίβᾳ: ὁ δ' ἔφη τὴν μὲν Ἑλλάδα ἐκ πολλοῦ τετρυμένην ἔργον εὐχείρωτον εἶναι, τοὺς δὲ πολέμους ἅπασι χαλεποὺς μὲν οἴκοι διὰ λιμὸν τὸν ἐπιγιγνόμενον, ἔξω δὲ κουφοτέρους: καὶ τὰ Ῥωμαίων οὐ ποτε Ἀντίοχον ἐν τῇ Ἑλλάδι καθαιρήσειν, ἀγορᾶς τε οἰκείας καὶ παρασκευῆς ἱκανῆς εὐπορούντων. ἐκέλευεν οὖν τι προλαβεῖν τῆς Ἰταλίας καὶ πολεμεῖν ἐκεῖθεν ὀρμώμενον, ἵνα Ῥωμαίοις ἀσθενέστερα ἢ καὶ τὰ οἴκοι καὶ τὰ ἔξω. 'ἔχω δ' ἐμπείρωσ,' ἔφη, 'τῆς Ἰταλίας, καὶ μυρίοις ἀνδράσι δύναμαι καταλαβεῖν αὐτῆς τὰ ἐπικαίρα, ἔς τε Καρχηδόνα τοῖς φίλοις ἐπιστεῖλαι τὸν δῆμον ἐς ἀπόστασιν ἐγείραι, δυσφοροῦντα τέως ἐφ' ἑαυτοῦ καὶ πρὸς Ῥωμαίους ἀπίστως ἔχοντα, τόλμης τε καὶ ἐλπίδος ἐμπλησόμενον, εἰ πύθοιντό με πορθοῦντα τὴν Ἰταλίαν αὐθις.' ὁ δ' ἄσμενος ἀκούσας τοῦ λόγου, καὶ μέγα, ὥσπερ ἦν, ἐς τὸν πόλεμον ἡγούμενος Καρχηδόνα προσλαβεῖν, αὐτίκα αὐτὸν ἐπιστέλλειν τοῖς φίλοις ἐκέλευεν.

[8] ὁ δὲ οὐκ ἐπέστειλε μὲν 'οὐ γὰρ ἀσφαλὲς ἡγεῖτό πω, Ῥωμαίων τε πάντ' ἀνερευνομένων, καὶ τοῦ πολέμου μὴ πω φανεροῦ γεγονότος, καὶ πολλῶν οἱ διαφορομένων ἐν Καρχηδόνι, καὶ τῆς πολιτείας οὐδὲν βέβαιον οὐδ' εὐσταθὲς ἐχούσης, ἃ καὶ μετ' ὀλίγον ἀνέτρεψε τὴν Καρχηδονά, Ἀρίστωνά δ' ἔμπορον Τύριον ἐπὶ προφάσει τῆς ἐμπορίας ἔπεμπε πρὸς τοὺς φίλους, ἀξιῶν, ὅταν αὐτὸς ἐς τὴν Ἰταλίαν ἐμβάλῃ, τότε ἐκείνους τὴν Καρχηδόνα ἐς ἄμυναν ὧν ἐπεπόνθεσαν ἐγείρειν. καὶ ὁ μὲν Ἀρίστον οὕτως ἔπραξεν, οἱ δὲ τοῦ Ἀννίβου ἐχθροί, αἰσθόμενοι τῆς Ἀρίστωνος ἐπιδημίας, ἐθορύβουν ὥς ἐπὶ νεωτέρους ἔργοις, καὶ τὸν Ἀρίστωνά ἐζήτουν περιόντες. ὁ δέ, ἵνα τὴν διαβολὴν μὴ ἐξαίρετον ἔχοιεν οἱ Ἀννίβου φίλοι, προὔθηκε νυκτὸς λαθὼν γράμματα πρὸ τοῦ βουλευτηρίου, ὅτι πάντας ὁ Ἀννίβας τοὺς βουλευτὰς παρακαλοῖ τῇ πατρίδι συνάρασθαι μετ' Ἀντιόχου. καὶ τοῦτο πράξας ἀπέπλευσεν. ἅμα δ' ἡμέρᾳ τὸ μὲν δέος ἐξήρητο τῶν Ἀννίβου φίλων ἐκ τῆς Ἀρίστωνος ἐπινοίας, ὥς πρὸς ἅπασαν τὴν γερουσίαν ἀπεσταλμένου, ἡ δὲ πόλις ἐπεπλήρωτο θορύβου ποικίλου, δυσμενῶς μὲν ἔχουσα Ῥωμαίοις, λήσεσθαι δ' οὐ προσδοκῶσα.

[9] καὶ τὰ μὲν Καρχηδονίων ὧδε εἶχε, Ῥωμαίων δὲ πρέσβεις, ἑτεροὶ τε καὶ Σκιπίων ὁ Καρχηδονίους ἀφελόμενος τὴν ἡγεμονίαν, ἐς ὁμοίαν πεμφθέντες Ἀντιόχου τῆς τε γνώμης ἀπόπειραν καὶ τῆς παρασκευῆς κατὰσκεψιν, ἐπεὶ τὸν βασιλέα ἡῦρον οἰχόμενον ἐς Πισίδας, ἐν Ἐφέσῳ περιέμενον, ἔνθα συνήεσαν θαμινὰ ἐς λόγους τῷ Ἀννίβᾳ, Καρχηδόνος τε σφίσιν ἔτι οὔσης ἐνσπόνδου καὶ οὐπω φανερῶς Ἀντιόχου πολεμίου, καταμεμφόμενοι τὸν Ἀννίβαν ὅτι τὴν πατρίδα φύγοι, Ῥωμαίων οὐδὲν οὔτε ἐς αὐτὸν οὔτε ἐς τοὺς ἄλλους Καρχηδονίους ἐπὶ ταῖς συνθήκαις ἀμαρτόντων. ἔπρασσον δὲ ταῦθ', ὑποπτον ἐργαζόμενοι γενέσθαι τῷ βασιλεῖ τὸν Ἀννίβαν ἐκ τῆς συνεχοῦς σφῶν ὁμιλίας τε καὶ συνόδου. καὶ τοῦθ' ὁ μὲν στρατηγικώτατος Ἀννίβας οὐχ ὑπενόησεν, ὁ δὲ βασιλεὺς πυθόμενος ὑπόπτεισε, καὶ ἀμβλύτερος ἦν τὰπὸ τοῦδε πιστεῦειν ἐπὶ τῷ Ἀννίβᾳ: καὶ γὰρ τι καὶ ζήλου προὔπην ἐς αὐτὸν ἤδη καὶ φθόνου, μὴ τῶν γιγνομένων τὸν ἔπαινον Ἀννίβας ἀποφέροίτο.

[10] λέγεται δ' ἐν ταῖσδε ταῖς διατριβαῖς ἐν τῷ γυμνασίῳ λεσχηνεῦσαί ποτε πρὸς ἀλλήλους Σκιπίωνα καὶ Ἀννίβαν περὶ στρατηγίας πολλῶν ἐφεστώτων, καὶ τοῦ Σκιπίωνος ἐρομένου τίς δοκοίη οἱ στρατηγὸς ἄριστος γενέσθαι, τὸν Ἀννίβαν εἰπεῖν, 'ὁ Μακεδὼν Ἀλέξανδρος.' Σκιπίωνα δ' ἡσυχάσαι μὲν ἐπὶ τῷδ', ἐξιστάμενον ἄρα Ἀλεξάνδρῳ, ἐπανερέσθαι δὲ τίς εἴη δεύτερος μετ' Ἀλέξανδρον. καὶ τὸν φάναι, 'Πύρρος ὁ Ἡπειρώτης,' τὴν ἀρετὴν ἄρα τὴν στρατηγικὴν ἐν τόλμῃ τιθέμενον: οὐ γὰρ ἔστιν εὐρεῖν μεγαλοτολμοτέρους τῶνδε τῶν βασιλέων. δακνόμενον δ' ἤδη τὸν Σκιπίωνα ὅμως ἐπανερέσθαι ἐπὶ τίνι διδοίη τὰ τρίτα, ταχὺ γοῦν ἐλπίζοντα ἔξειν τὰ τρίτα. τὸν δέ, 'ἐμαυτῷ,' φάναι: 'νέος γὰρ ὢν ἐπὶ Ἰβηρίας τε ἐκράτησα, καὶ στρατῶ τὰ Ἀλπεῖα ὄρη μετ' Ἡρακλέα πρῶτος ὑπερῆλθον, ἔς τε τὴν Ἰταλίαν, ὑμῶν οὐδενός ποθαρροῦντος, ἐμβαλὼν τετρακόσια ἀνέστησα ἄσθη, καὶ περὶ τῇ πόλει τὸν ἀγῶνα πολλάκις ὑμῖν ἐπέστησα, οὔτε μοι χρημάτων οὔτε στρατιᾶς ἐπιτεμπομένης ἐκ Καρχηδόνος.' ὥς δὲ αὐτὸν ὁ Σκιπίων εἶδεν ἀπομηκύνοντα τὴν σεμνολογίαν, ἔφη γελάσας, 'ποῦ δ' ἂν ἐαυτὸν ἔταττες, ὦ Ἀννίβα, μὴ νενικημένος ὑπ' ἐμοῦ;' τὸν δέ φασιν, αἰσθανόμενον ἤδη τῆς ζηλοτυπίας, εἰπεῖν ὅτι ἐγωγε ἔταξα ἂν ἐμαυτὸν πρὸ Ἀλεξάνδρου. οὕτω μὲν ὁ Ἀννίβας ἐπέμεινέ τε τῇ σεμνολογίᾳ, καὶ τὸν Σκιπίωνα λαθὼν ἐθεράπευσεν ὥς καθελόντα τὸν ἄμεινονα Ἀλεξάνδρου:

[11] διαλυομένης δὲ τῆς συνόδου Σκιπίωνα μὲν ὁ Ἀννίβας ἐπὶ ξένια ἐκάλει, Σκιπίων δὲ ἐλθεῖν ἂν ἔφη μάλα προθύμως, εἰ μὴ συνῆσθα νῦν Ἀντιόχῳ πρὸς Ῥωμαίους ὑπόπτως ἔχοντι. ὧδε μὲν ἐκεῖνοι, τῆς στρατηγίας ἀξίως, τὴν ἔχθραν ὀρίζοντο τοῖς πολέμοις, Φλαμινῖνος δ' ἀνομοίως. ἡττηθέντος γὰρ ὕστερον Ἀντιόχου φεύγοντα τὸν Ἀννίβαν καὶ ἀλώμενον περὶ Βιθυνίαν, πρεσβεύων, ἐφ' ἑτέρα πρὸς Προυσίαν, οὔτε τι πρὸς τοῦ Ἀννίβου προπαθὼν, οὔτε Ῥωμαίων ἐντειλαμένων, οὔτε φοβερὸν ἔτι αὐτοῖς γενέσθαι δυνάμενον Καρχηδόνος κατεστραμμένης, ἔκτεινε διὰ τοῦ Προυσίου φαρμάκῳ, λεγόμενον μὲν ἐσσηκέναι ποτὲ χρησμὸν ὧδε ἔχοντα 'Λίβυσσα κρύψει βῶλος Ἀννίβου δέμας,' καὶ οἰόμενον ἐν Λιβύῃ τεθνήξεσθαι, ποταμὸς δ' ἔστι Λίβυσσος ἐν τῇ Βιθυνίᾳ, καὶ πεδίον ἐκ τοῦ ποταμοῦ Λίβυσσα. καὶ τάδε μὲν ἐς ὑπόμνημα τῆς Ἀννίβου καὶ Σκιπίωνος μεγαλονοίας καὶ Φλαμινίνου

σμικρότητος παρεθέμην.

[12] ὁ δ' Ἀντίοχος ἐκ Πισιδῶν ἐς τὴν Ἐφεσον ἐπανήει, καὶ χρηματίσας τοῖς Ῥωμαίων πρέσβεσι Ῥοδίους μὲν καὶ Βυζαντίους καὶ Κυζικηνούς, καὶ ὅσοι ἄλλοι περὶ τὴν Ἀσίαν εἰσὶν Ἕλληνες, αὐτονόμους ἐπηγγείλατο ἑάσειν, εἰ γίνονται αὐτῷ συνθήκαι πρὸς Ῥωμαίους, Αἰολέας δὲ καὶ Ἴωνας οὐ συνεχώρει ὡς ἐκ πολλοῦ καὶ τοῖς βαρβάροις βασιλεῦσι τῆς Ἀσίας εἰθισμένους ὑπακούειν. οἱ μὲν δὴ Ῥωμαίων πρέσβεις ἐς οὐδὲν αὐτῷ συμβαίνοντες 'οὐ γὰρ ἐπ' ἔργῳ συμβάσεων ἐληλύθεσαν ἀλλ' ἐς ἀπόπειραν' ὥχοντο ἐς Ῥώμην: Ἀντιόχῳ δ' ἦκον Αἰτωλῶν πρέσβεις, ὧν Θόας ἦρχεν, αὐτοκράτορά τε στρατηγὸν Αἰτωλῶν Ἀντίοχον ἀποφαίνοντες, καὶ διαπλεῖν ἐς τὴν Ἑλλάδα ἤδη παρακαλοῦντες ὡς ἐπὶ ἔργον ἔτοιμον. οὐδὲ εἶων ἀναμένειν τὴν στρατιὰν ἀπὸ τῆς Ἀσίας τῆς ἄνω κατιοῦσαν, ἀλλὰ τὰ Αἰτωλῶν ὑπερεπαίροντες, καὶ Λακεδαιμονίους ἐπαγγελλόμενοι σφίσι καὶ Φίλιππον ἐπὶ τοῖς Λακεδαιμονίοις τὸν Μακεδόνα, Ῥωμαίοις μηνίοντα, συμμαχήσειν, ἐπέσπερχον ἐς τὴν διάβασιν. ὁ δ' ἠρεθίζετο μάλα κουφόνως, καὶ οὐδὲ τοῦ παιδὸς αὐτῷ προσαγγελθέντος ἐν Συρίᾳ τεθνάναι τῆς ὁρμῆς τι ἐνδούς, διέπλει μετὰ μυρίων ὧν τότε εἶχε μόνων ἐς Εὐβοίαν. καὶ τήνδε μὲν αὐτὸς παρεστήσατο ἅπασαν, ἐνδοῦσαν ὑπὸ ἐκπλήξεως: Μικιθίων δέ, αὐτοῦ στρατηγός, τοῖς περὶ Δήλιον Ῥωμαίοις ἐπιπεσὼν 'ιερὸν δ' ἐστὶ τὸ χωρίον Ἀπόλλωνος' τοὺς μὲν αὐτῶν ἔκτεινε, τοὺς δ' ἐξώγρησεν.

[13] Ἀμύνανδρός τε, ὁ Ἀθαμάνων βασιλεὺς, ἐς συμμαχίαν Ἀντιόχῳ συνῆλθε διὰ τοιαύσδε προφάσεως. τῶν τις Μακεδόνων Ἀλέξανδρος, ἐν Μεγάλῃ πόλει τραφεὶς καὶ τῆς αὐτόθι πολιτείας ἀξιωθεὶς, ἑτερατεύετο γένος Ἀλεξάνδρῳ τῷ Φιλίππου προσήκειν, γενομένους τέ οἱ παῖδας ὠνόμασεν, ἐς πίστιν ὧν ἐλογοποίει, Φίλιππὸν τε καὶ Ἀλέξανδρον καὶ Ἀπάμαν, ἣν Ἀμυνάνδρῳ πρὸς γάμον ἠγγύησεν. ἀγαγὼν δ' αὐτὴν Φίλιππος ὁ ἀδελφὸς ἐς τὸν γάμον, ἐπεὶ τὸν Ἀμύνανδρον εἶδεν ἀσθενῆ καὶ πραγμάτων ἄπειρον, παρέμενε, τὴν ἀρχὴν διὰ τὸ κῆδος διοικῶν. τοῦτον οὖν τὸν Φίλιππον ὁ Ἀντίοχος τότε ἐπελπίζων ἐς τὴν Μακεδόνων ἀρχὴν ὡς οἰκεῖαν οἱ κατάξειν, προσέλαβε τοὺς Ἀθαμᾶνας ἐς τὴν συμμαχίαν, ἐπὶ δ' αὐτοῖς καὶ Θηβαίους, αὐτὸς ἐς Θήβας παρελθὼν τε καὶ δημηγορήσας.

ὁ μὲν δὴ Θηβαίοις τε καὶ Ἀμυνάνδρῳ καὶ Αἰτωλοῖς ἐπὶ τοσῶδε πολέμῳ μάλα ματαίως ἐθάρρει, καὶ ἐς Θεσσαλίαν ἐσκόπει πότερον εὐθὺς ἢ μετὰ χειμῶνα δεοὶ στρατεύειν: Ἀννίβαν δ' ἐπὶ τῇ σκέψει τῇδε ἡσυχάζοντα ἐκέλευε γνώμην πρῶτον ἐσενεγκεῖν.

[14] ὁ δ' ἔφη, 'Θεσσαλοὺς μὲν οὐ δυσχερές, εἴτε νῦν εἴτε μετὰ χειμῶνα ἐθέλοις, ὑπάγεσθαι. τὸ γὰρ ἔθνος ἐκ πολλοῦ πεπονηκὸς ἔς τε σὲ νῦν καὶ ἐς Ῥωμαίους αὖ, εἴ τι γίνοιτο νεώτερον, μεταβαλεῖται. ἤλθομεν δ' ἄνευ τῆς οἰκείας δυνάμεως, Αἰτωλοῖς ἐπάγουσι πεισθέντες ὅτι καὶ Λακεδαιμόνιοι καὶ Φίλιππος ἡμῖν συμμαχήσουσιν: ὧν Λακεδαιμονίους μὲν καὶ πολεμεῖν ἡμῖν ἀκούω μετ' Ἀχαιῶν, Φίλιππον δὲ οὐχ ὁρῶ σοι παρόντα, δυνατόν ἐν τῷδε τῷ πολέμῳ ῥοπήν, ὅποτερώσε προσθοῖτο, ποιῆσαι. τῆς δὲ γνώμης ἔχομαι τῆς αὐτῆς, τὴν στρατιὰν ἀπὸ τῆς Ἀσίας καλεῖν ὅτι τάχιστα, καὶ μὴ ἐν Ἀμυνάνδρῳ καὶ Αἰτωλοῖς τὰς ἐλπίδας ἔχειν, ὅταν δ' ἀφίκηται, τὴν Ἰταλίαν πορθεῖν, ἵνα

τοῖς οἰκείοις κακοῖς περισπώμενοι τὰ σὰ λυπῶσιν ἥκιστα, καὶ περὶ τῶν σφετέρων δεδιότες μηδαμοῦ προῖωσιν. ὁ δὲ τρόπος οὐκέθ' ὅμοιος ᾧ προύλεγον, ἀλλὰ χρή τὸ μὲν ἡμῖς τῶν νεῶν τὰ παράλια τῆς Ἰταλίας πορθεῖν, τὸ δὲ ἡμῖς ναυλοχεῖν ἐφεδρεῦον ἐς τὰ συμφερόμενα, αὐτὸν δὲ τῷ πεζῷ παντὶ προκαθήμενον τῆς Ἑλλάδος, ἀγχοῦ τῆς Ἰταλίας, δόξαν ἐμποιεῖν ἐσβολῆς, καὶ εἰ δύναιό ποτε, καὶ ἐσβαλεῖν. Φίλιππον δὲ πειρᾶσθαι μὲν προσάγεσθαι μηχανῇ πάσῃ, πλεῖστον ἐς ἐκατέρους ἐν τῷδε τῷ πολέμῳ δυνάμενον: ἦν δ' ἀπειθῇ, τὸν σὸν υἱὸν αὐτῷ Σέλευκον ἐπιτέμπειν διὰ Θράκης, ἵνα καὶ ὅδε περισπώμενος οἰκείοις κακοῖς μηδὲν ἢ τοῖς πολεμίοις χρήσιμος.'

τοσάδε μὲν ὁ Ἀννίβας εἶπε, καὶ ἦν ἄριστα πάντων: ὑπὸ δὲ φθόνου τῆς τε δόξης αὐτοῦ καὶ συνέσεως οἱ τε ἄλλοι καὶ αὐτὸς οὐχ ἥσσαν ὁ βασιλεὺς, ἵνα μὴ δοκοῖη σφῶν ὁ Ἀννίβας τῇ στρατηγίᾳ προφέρειν, μηδὲ ἡ δόξα τῶν ἐσομένων ἐκείνου γένοιτο, μεθῆκαν ἅπαντα, πλὴν ὅτι Πολυξενίδας ἐπὶ τὴν στρατιὰν ἐς τὴν Ἀσίαν ἐπέμφθη.

[15] Ῥωμαῖοι δ' ἐπεὶ τῆς ἐσβολῆς τῆς ἐς τὴν Ἑλλάδα Ἀντιόχου καὶ τῶν ἐπὶ Δηλίου Ῥωμαίων ἀναιρέσεώς τε καὶ αἰχμαλωσίας ἐπύθοντο, πολεμεῖν ἐνηφίσαντο. οὕτω μὲν ὁ Ἀντιόχου τε καὶ Ῥωμαίων πόλεμος, ἐκ πολλοῦ δι' ὑπονοίας ἀλλήλοις γενόμενος, τότε πρῶτον ἀπερρήγνυτο ἐς ἔργον: οἷα δ' Ἀντιόχου τῆς τε Ἀσίας τῆς ἄνω πολλῶν καὶ μεγάλων ἐθνῶν καὶ τῆς ἐπὶ θαλάσσῃ, χωρὶς ὀλίγων, ὅλης ἐπικρατοῦντος, ἔς τε τὴν Εὐρώπην διαβεβηκότες ἤδη, καὶ δόξαν ἐπίφοβον καὶ παρασκευὴν ἱκανὴν ἔχοντος, πολλά τε ἄλλα καθ' ἐτέρων ἐξεργασμένου λαμπρά, δι' ἃ καὶ μέγας ἦν ἐπώνυμον αὐτῷ, τὸν πόλεμον οἱ Ῥωμαῖοι χρόνιον σφίσι καὶ μέγαν ἔσεσθαι προσεδόκων. φίλιππόν τε τὸν Μακεδόνα δι' ὑποψίας εἶχον, ἄρτι ὑπὸ σφῶν καταπεπολεμημένον, καὶ Καρχηδονίους, μὴ οὐ πιστοὶ σφίσιν ὧσιν ἐπὶ ταῖς συνθήκαις, Ἀννίβου συνόντος Ἀντιόχῳ. τοὺς τε ἄλλους σφῶν ὑπηκόους ὑπονοοῦντες, μὴ καὶ παρὰ τούτων τι νεώτερον ἐς τὴν Ἀντιόχου δόξαν γένοιτο, στρατιὰν ἐς ἅπαντας, ἐφεδρεῦειν εἰρηνικῶς αὐτοῖς, καὶ στρατηγούς ἐπὶ τῇ στρατιᾷ, περιέπεμπον, οὓς αὐτοὶ καλοῦσιν ἐξαπελέκεας, ὅτι τῶν ὑπάτων δωδέκα πελέκεσι καὶ δωδέκα ράβδοις, ὥσπερ οἱ ἀλαιοὶ βασιλεῖς, χρωμένων, τὸ ἡμῖς τῆς ἀξιώσεως ἔστι τοῖσδε τοῖς στρατηγοῖς καὶ τὰ ἡμίσεια παράσημα. ὥς δ' ἐν μεγάλῳ φόβῳ, καὶ περὶ τῆς Ἰταλίας ἐδεύοντο, μὴ οὐδ' αὐτὴ σφίσιν ἢ πιστὴ ἢ βέβαιος ἐπ' Ἀντιόχῳ. πεζὸν δὲ πολλὸν ἐς Τάραντα διέπεμπον, ἐφεδρεῦειν τοῖς ἐπιούσι, καὶ νεῶν στόλος τὴν παράλιον περιέπλει. τοσόνδε φόβος ἦν Ἀντιόχου τὰ πρῶτα. ὥς δὲ αὐτοῖς τὰ ἐς τὴν ἀρχὴν συνετετάχατο πάντα, ἐπ' αὐτὸν Ἀντιόχον ἤδη κατέλεγον ἀπὸ μὲν σφῶν αὐτῶν ἐς δισμυρίους ἄνδρος, ἀπὸ δὲ τῶν συμμάχων τὸ διπλάσιον, ὥς ἅμα τῷ ἥρι τὸν Ἰόνιον διαβαλοῦντες.

[16] καὶ οἱ μὲν τὸν χειμῶνα ὅλον ἐν τούτῳ παρασκευῆς ἦσαν, ὁ δ' Ἀντίοχος ἤλαυνεν ἐπὶ Θετταλοὺς, καὶ γενόμενος ἐν Κυνὸς κεφαλαῖς, ἔνθα τὸ παῖσμα τοῖς Μακεδόσιν ὑπὸ Ῥωμαίων ἐγεγένητο, τὰ λείπανα τῶν τότε πεσόντων ἄταφα ἔτι ὄντα μεγαλοπρεπῶς ἔθαπτε, δημοκοπῶν ἐς Μακεδόνας, καὶ Φίλιππον αὐτοῖς διαβάλλων οὐ θάψαντα τοὺς ὑπὲρ αὐτοῦ πεσόντας. ὧν

πυθόμενος ὁ Φίλιππος, ἐνδοιάζων ἔτι καὶ περισκοπῶν ὁποτέρωσθε προσθοῖτο, αὐτίκα εἴλετο τὰ Ῥωμαίων, Βαίβιον τε στρατηγὸν αὐτῶν, ἄρχοντά τινας πλησίον στρατοῦ, καλέσας ἐλθεῖν ἐς τι χωρίον, πίστεις αὐθις ἐδίδου Ῥωμαίους ἀδόλως συμμαχήσειν κατ' Ἀντιόχου. ἐφ' οἷς αὐτὸν ὁ Βαίβιος ἐπῆναι, καὶ θαρρήσας αὐτίκα ἔπεμπε διὰ τῆς Μακεδονίας Ἄππιον Κλαύδιον μετὰ δισχιλίων πεζῶν ἐς Θεσσαλίαν. καὶ ὁ Ἄππιος ἀπὸ τῶν Τεμπῶν Ἀντίοχον Λαρίση παρακαθ' ἡμενον ἰδὼν πῦρ πολὺ ἤγειρεν, ἐπικρύπτων τὴν ὀλιγότητα. καὶ ὁ Ἀντίοχος, ὡς Βαίβιου καὶ Φιλίππου παρόντων διαταραχθεὶς, ἐξέλιπε τὴν πολιορκίαν, πρόφασιν τὸν χειμῶνα ποιούμενος, καὶ ἐς Χαλκίδα παρήλθεν, ἔνθα κόρης εὐπρεποῦς ἔρωτι ἀλούς, ὑπὲρ ἔτη πεντήκοντα γεγυνώς καὶ τοσόνδε πόλεμον διαφέρων, ἔθυε γάμους καὶ πανηγύρεις ἤγε, καὶ τὴν δύναμιν ἐς πᾶσαν ἀργίαν καὶ τρυφὴν ἐπὶ τὸν χειμῶνα ὅλον ἀνῆκεν. ἀρχομένου δ' ἤρος ἐμβάλων ἐς Ἀκαρνανίαν ἦσθετο μὲν τῆς ἀργίας τοῦ στρατοῦ δυσέργου πρὸς ἅπαντα ὄντος, καὶ τότε τῶν γάμων αὐτῷ καὶ τῆς πανηγύρεως μετέμελεν: ὑπαγαγόμενος δ' ὅμως τινὰ τῆς Ἀκαρνανίας, καὶ τὰ λοιπὰ πολιορκῶν, ἐπεὶ τάχιστα Ῥωμαίους ἐπύθετο περᾶν τὸν Ἴόνιον, ἐς Χαλκίδα ἀνεξεύγνυ.

[17] Ῥωμαῖοι δ' ὑπὸ σπουδῆς τοῖς τότε ἐτοίμοις ἱππεῦσι δισχιλίους καὶ πεζοῖς δισμυρίους καὶ ἐλέφασί τισιν, ἡγουμένου σφῶν Ἀκιλίου Μανίου Γλαβρίωνος, ἐς Ἀπολλωνίαν ἐκ Βρεντεσίου διαβαλόντες ἐπὶ Θεσσαλίας ἐβάδιζον καὶ τὰς πόλεις ἐξέλυον τῶν πολιορκιῶν, ἐν ὅσαις δ' ἦσαν ἤδη Ἀθαμάνων φρουραί, τὰς φρουράς ἐξέβαλλον. καὶ τὸν Μεγαλοπολίτην Φίλιππον αἰχμάλωτον ἔλαβον, ἐλπίζοντα ἔτι τὴν Μακεδόνων ἀρχήν. εἶλον δὲ καὶ τῶν Ἀντιοχείων ἐς τρισχιλίους. ἅμα δὲ ταῦτα ὁ Μάνιος εἰργάζετο, καὶ ὁ Φίλιππος ἐς Ἀθαμανίαν ἐμβάλων πᾶσαν αὐτὴν ὑπήκοον ἔλαβεν, Ἀμυνάνδρου φυγόντος ἐς Ἀμβρακίαν. ὢν ὁ Ἀντίοχος αἰσθανόμενός τε, καὶ τὴν ὀξύτητα τῶν γιγνομένων καταπλαγεὶς, ἔδεισεν ὥς ἐπὶ αἰφνιδίῳ καὶ ταχεῖα μεταβολῇ, καὶ τῆς εὐβουλίας Ἀννίβου τότε ἦσθετο, ἐς τε τὴν Ἀσίαν ἄλλους ἐπ' ἄλλοις ἔπεμπεν ἐπισπέρχειν Πολυξενίδαν ἐς τὴν διάβασιν, αὐτὸς δ' ὅσους εἶχε, πανταχόθεν συνεκάλει. γενομένων δ' αὐτῷ τῶν μὲν οἰκείων πεζῶν μυρίων καὶ ἱππέων πεντακοσίων, ἐπὶ δὲ τούτοις καὶ τινῶν συμμάχων, Θερμοπύλας κατέλαβεν ὡς τὴν δυσχωρίαν προβαλούμενος τοῖς πολεμίους καὶ τὸν στρατὸν ἐκ τῆς Ἀσίας ἀναμενῶν. δίοδος δ' ἐστὶν αἱ Θερμοπύλαι στενὴ καὶ ἐπιμήκης, καὶ αὐτὴν περιέχει τῇ μὲν θάλασσα τραχεῖα καὶ ἀλίμενος, τῇ δὲ ἔλος ἄβατόν τε καὶ βαραθρῶδες. κορυφαί τε εἰσὶν ἐν αὐτῇ δύο ὀρῶν ἀπόκρημνοι, καὶ τούτων μὲν Τειχιοῦντα καλοῦσι τὴν δὲ Καλλιδρομον. ἔχει δὲ ὁ τόπος θερμῶν ὑδάτων πηγάς, καὶ Θερμοπύλαι ἀπὸ τοῦδ' ἐπικλήζονται.

[18] τεῖχος οὖν ἐνταῦθα διπλοῦν ὁ Ἀντίοχος ὠκοδομήσατο, καὶ τὰς μηχανὰς ἐπὶ τὸ τεῖχος ἐπέθηκεν. ἐς τε τὰς κορυφὰς τῶν ὀρῶν Αἰτωλοὺς ἀνέπεμψε, μή τις λάθοι κατὰ τὴν λεγομένην ἀτραπὸν περιελθὼν, ἥ δὴ καὶ Λακεδαιμονίοις τοῖς ἀμφὶ Λεωνίδαν Ξέρξης ἐπέθετο, ἀφυλάκτων τότε τῶν ὀρῶν ὄντων. Αἰτωλοὶ δὲ χιλίους μὲν ἑκατέρῳ τῶνδε τῶν ἄκρων ἐπέστησαν, τοῖς δὲ λοιποῖς ἐστρατοπέδευον ἐφ' ἐαυτῶν περὶ πόλιν Ἡράκλειαν. ὁ δὲ Μάνιος ἐπεὶ κατεῖδε τὴν τῶν πολεμίων παρασκευήν, σημεῖον ἔδωκεν ἐς ἔω μάχης: καὶ δύο τῶν χιλιάρχων, Μᾶρκον Κάτωνα καὶ Λεύκιον Οὐαλέριον, ἐκέλευσε νυκτός,

ἐπιλεξαμένους ἑκάτερον ὁπόσους ἐθέλοι, τὰ ὄρη περιελθεῖν καὶ τοὺς Αἰτωλοὺς ἀπὸ τῶν ἄκρων, ὅπῃ δύναιτο, βιάσασθαι. τούτων ὁ μὲν Λεύκιος ἀπεκρούσθη τοῦ Τειχιοῦντος, ἀγαθῶν ἐνταῦθα τῶν Αἰτωλῶν γενομένων: ὁ δὲ Κάτων τῷ Καλλιδρόμῳ παραστρατοπεδεύσας, κοιμωμένοις ἔτι τοῖς ἐχθροῖς ἐπέπεσε περὶ ἐσχάτην φυλακὴν, καὶ πολὺς ἄμφ’ αὐτὸν ἐγίνετο ἄγών, βιαζόμενον ἐς ὑψηλὰ καὶ ἀπόκρημνα κωλυνόντων τῶν πολεμίων. ἤδη δὲ καὶ Μάνιος ἐπῆγε τὴν στρατιὰν Ἀντιόχῳ κατὰ μέτωπον, ἐς λόχους ὀρθίους διηρημένην: ὧδε γὰρ μόνως ἐν στενοῖς ἐδύνετο. καὶ ὁ βασιλεὺς τοὺς μὲν ψιλοὺς καὶ πελταστὰς προμάχεσθαι τῆς φάλαγγος ἐκέλευσεν, αὐτὴν δ’ ἔστησε πρὸ τοῦ στρατοπέδου, ἐπὶ δεξιὰ δ’ αὐτῆς τοὺς σφενδονήτας καὶ τοξότας ἐπὶ τῶν ὑπωρειῶν, τοὺς δ’ ἐλέφαντας ἐν ἀριστερᾷ, καὶ τὸ στίφος ὁ μετ’ αὐτῶν ἀεὶ συνετάσσετο, παρὰ τῇ θαλάσῃ.

[19] γενομένης δ’ ἐν χερσὶ τῆς μάχης, τὰ μὲν πρῶτα τὸν Μάνιον οἱ ψилоὶ πανταχόθεν περιτρέχοντες ἐλύπουν: ἐπεὶ δὲ αὐτοὺς φιλοπόνως δεχόμενός τε καὶ ἀναχωρῶν καὶ αὐθις ἐπιὼν ἐτρέψατο, τοὺς μὲν ψιλοὺς ἢ φάλαγξ ἢ τῶν Μακεδόνων διαστᾶσα ἐς αὐτὴν ἐδέξατο καὶ συνελθοῦσα ἐκάλυψε, καὶ τὰς σαρίσσας ἐν τάξει πυκνὰς προὐβάλλοντο, ᾧ δὴ μάλιστα οἱ Μακεδόνες ἐξ Ἀλεξάνδρου καὶ Φιλίππου κατεπλήσσοντο τοὺς πολεμίους, ἀντίοις δόρασι πολλοῖς καὶ μακροῖς οὐ τολμῶντας πελάζειν. αἰφνίδιον δ’ ὥφθη τῶν Αἰτωλῶν ἐκ τοῦ Καλλιδρόμου φυγὴ καὶ βοή, καταλλομένων ἐς τὸ Ἀντιόχου στρατόπεδον. τὸ μὲν δὴ πρῶτον ἑκατέροις ἄγνοιά τε τοῦ γιγνομένου καὶ θόρυβος ἦν ὡς ἐν ἀγνοίᾳ: ὡς δὲ ὁ Κάτων ἐπεφάνετο διώκων αὐτοὺς μετὰ πολλῆς βοῆς, καὶ ὑπὲρ τὸ στρατόπεδον ἐγίνετο ἤδη τὸ Ἀντιόχου, ἔδεισαν οἱ τοῦ βασιλέως, περὶ τε τῆς Ῥωμαίων μάχης ἐπιφόβως ἐκ πολλοῦ πυνθανόμενοι, καὶ σφᾶς εἰδότες ὑπὸ ἀργίας καὶ τρυφῆς δι’ ὅλου τοῦ χειμῶνος ἐς δυσεργίαν διεφθαρμένους. τοὺς τε σὺν τῷ Κάτωνι σαφῶς μὲν οὐ καθορῶντες ὁπόσοι τινὲς εἶεν ὑπὸ δὲ τοῦ φόβου πλείους νομίζοντες εἶναι, καὶ περὶ τῷ στρατοπέδῳ δείσαντες, ἀκόσμως ἐς αὐτὸ κατέφυγον ὡς ἀπ’ αὐτοῦ τοὺς πολεμίους ἀμυνοῦμενοι. Ῥωμαῖοι δ’ αὐτοῖς παραθέοντες συνεσέπεσον ἐς τὸ στρατόπεδον, καὶ ἦν ἄλλη φυγὴ τῶν Ἀντιοχείων ἐκεῖθεν ἄκοσμος. ὁ δὲ Μάνιος μέχρι μὲν ἐπὶ Σκάρφειαν ἐδίωκεν αὐτοὺς κτείνων τε καὶ ζωγρῶν, ἀπὸ δὲ τῆς Σκαρφείας ἐπανιών διήρπαξε τὸ στρατόπεδον τοῦ βασιλέως καὶ τοὺς Αἰτωλοὺς ἐπιδραμόντας τῷ Ῥωμαίων χάρακι παρὰ τὴν ἀπουσίαν αὐτῶν ἐξήλασεν ἐπιφανείς.

[20] ἀπέθανον δ’ ἐν τῇ μάχῃ καὶ τῇ διώξει Ῥωμαίων μὲν ἄμφι τοὺς διακοσίους, Ἀντιόχου δέ, σὺν τοῖς ληφθεῖσιν, ἄμφι τοὺς μυρίους. αὐτὸς δ’ ὁ βασιλεὺς ἀπὸ μὲν τῆς πρώτης τροπῆς μετὰ πεντακοσίων ἱππέων ἐς Ἐλάτειαν ἀμεταστρεπτὶ διέδραμεν, ἀπὸ δ’ Ἐλατείας ἐς Χαλκίδα καὶ ἐς Ἐφεσον μετ’ Εὐβοίας τῆς νεογάμου· τοῦτο γὰρ αὐτὴν ὀνόμαζεν ἐπὶ τῶν νεῶν ἔφυγεν, οὐδὲ τούτων ἀπάσῶν: ἀγορὰν γάρ τινας αὐτῶν διαφερούσας ὁ Ῥωμαίων ναύαρχος ἐπαναχθεὶς διεφθάρκει. οἱ δ’ ἐν ἄστει Ῥωμαῖοι τῆς νίκης πυθόμενοι, ταχέας τε οὕτω σφίσι καὶ εὐχεροῦς φανείσης, ἔθουον, ἐκ φοβερᾶς τῆς Ἀντιόχου δόξης τὴν πρώτην πεῖραν ἀσπασάμενοι. Φίλιππόν τε τῆς συμμαχίας ἀμειβόμενοι, τὸν υἱὸν αὐτῷ Δημήτριον, ὀμηρεύοντα ἔτι παρὰ σφίσιν, ἔπεμψαν.

[21] καὶ τότε μὲν ἦν ἐν ἄστει, Μάνιος δὲ Φωκέας μὲν καὶ Χαλκιδέας, καὶ ὅσοι ἄλλοι τῷ Ἀντιόχῳ συνεπεπράχesan, δεομένους ἀπέλυσε τοῦ δέους, τὴν δ' Αἰτωλίαν αὐτὸς τε καὶ Φίλιππος ἐδήουν, καὶ τὰς πόλεις ἐπολιόρουν. Δαμόκριτόν τε τὸν στρατηγὸν τῶν Αἰτωλῶν ἐνταῦθα ὁ Μάνιος ἔλαβε κρυπτόμενον, ὃς Φλαμινίῳ παρὰ τὸν Τίβεριν ἠπειλεῖ στρατοπεδεύσειν. ὁ μὲν δὴ Μάνιος ἐπὶ Καλλιπόλεως διώδευε τὸ ὄρος ὃ καλοῦσι Κόρακα, ὑψηλότατόν τε ὄρων καὶ δυσόδευτον καὶ ἀπόκρημνον, μετὰ στρατοῦ βαρυτάτου τε καὶ λαφύρων καταγόμεναι: πολλοὶ δ' ἐξέπιπτον ὑπὸ τῆς δυσοδίας ἐς τὰ ἀπόκρημνα, καὶ σκεύεσιν αὐτοῖς καὶ ὅπλοις κατεφέροντο. καὶ αὐτοὺς δυνηθέντες ἂν οἱ Αἰτωλοὶ συνταράξαι οὐδὲ ὤφθησαν, ἀλλ' ἐς Ῥώμην περὶ εἰρήνης ἐπρέσβευον. Ἀντίοχος δὲ τὴν στρατιὰν ἀπὸ τῶν ἄνω σατραπειῶν κατὰ σπουδὴν ἐπὶ θάλασσαν ἐκάλει, καὶ τὰς ναῦς ἐπεσκεύαζε, ναυαρχοῦντος αὐτῷ Πολυξενίδου Ῥοδίου φυγάδος. ἔς τε Χερρόνησον διαπλεύσας πάλιν αὐτὴν ὠχύρου, καὶ Σηστόν καὶ Ἄβυδον ἐκρατύνετο, δι' ὧν ἔδει τὴν φάλαγγα τὴν Ῥωμαίων ἐς τὴν Ἀσίαν ὁδεῦσαι τε καὶ περᾶσαι. Λυσιμάχειαν δὲ ταμειὸν τῷδε τῷ πολέμῳ ποιούμενος, ὅπλα καὶ σῖτον πολὺν ἐς αὐτὴν συνέφερεν, ἡγούμενος αὐτίκα οἱ Ῥωμαίους πεζῶ τε πολλῶ καὶ ναυσὶν ἐπιθήσεσθαι. οἱ δὲ Μανίῳ μὲν αἰροῦνται διάδοχον ἐπὶ τὴν στρατηγίαν Λεύκιον Σκιπίωνα, ὃς τότε αὐτοῖς ὑπατος ἦν, ἀπράκτῳ δ' ὄντι καὶ ἀπειροπολέμῳ σύμβουλον αἰροῦνται τὸν ἀδελφὸν Πόπλιον Σκιπίωνα τὸν Καρχηδονίους ἀφελόμενον τὴν ἡγεμονίαν καὶ πρῶτον ὀνομασθέντα Ἀφρικανόν.

[22] καὶ οἱ μὲν Σκιπίωνες ἔτι ἦσαν ἐν παρασκευῇ, Λίουιος δ' ὁ φύλαξ τῆς Ἰταλίας, ἐπὶ τὴν ναυαρχίαν αἰρεθεὶς Ἀτιλίῳ διάδοχος, αὐτίκα ταῖς τε ἰδίαις ναυσὶν, αἷς τὴν Ἰταλίαν περιέπλει, καὶ παρὰ Καρχηδονίων αὐτῷ τισὶ δοθείσαις καὶ συμμαχίσιν ἄλλαις ἐς Πειραιᾶ κατήχθη, καὶ τὸν ὑπ' Ἀτιλίῳ στόλον παραλαβὼν ἔπλει καταφράκτοις ὀγδοήκοντα καὶ μιᾷ, ἐπομένου καὶ Εὐμένους πεντήκοντα ἰδίαις: καὶ ἦν κατάφρακτον καὶ τῶνδε τὸ ἥμισυ. ἔς τε Φώκαιαν ὑπήκοον μὲν Ἀντιόχου, ὑπὸ δ' ἐκπλήξεως αὐτοὺς δελομένην κατήγοντο, καὶ τῆς ἐπιούσης ἐς ναυμαχίαν ἀνέπλεον. ἀντανήγετο δ' αὐτοῖς ὁ ναύαρχος ὁ Ἀντιόχου Πολυξενίδας διακοσίαις ναυσί, κουφοτέραις τῶν πολεμίων παρὰ πολὺ: ᾧ δὴ καὶ μάλιστα προύλαβε τοῦ πελάγους ἔτι Ῥωμαίων ἀναπειρωμένων. καὶ δύο τῶν Καρχηδονίων ναῦς ἰδὼν προπλευσάσας, τρεῖς τῶν ἰδίων ἐπιέμψας εἶλε τὰς δύο κενάς, ἐξαλομένων τῶν Λιβύων ἐς τὸ πέλαγος. Λίουιος δ' ἐπὶ τὰς τρεῖς ἐφέρετο πρῶτος ὑπ' ὀργῆς τῇ στρατηγίδι νηί, πολὺ προύχων τοῦ στόλου. αἱ δ', ὥς μιᾷ, σὺν καταφρονήσει χεῖράς τε σιδηρᾶς ἐπέβαλον, καὶ συνεστηκότων τῶν σκαφῶν ὁ ἀγὼν ἦν ὥσπερ ἐν γῇ. πολὺ δὲ κρείσσους ὄντες οἱ Ῥωμαῖοι ταῖς εὐτολμίαις, ἐπιβάντες ἐς τὰς ἀλλοτρίας ἐκράτουν, καὶ μιᾷ νηὶ δύο ὁμοῦ φέροντες ἐπανήεσαν. καὶ τότε μὲν τῆς ναυμαχίας προαγώνισμα ἦν: ἐπεὶ δὲ οἱ στόλοι συνέπεσον ἀλλήλοις, ἰσχύι μὲν καὶ προθυμίᾳ τὰ Ῥωμαίων ἐπεκράτει, διὰ δὲ βαρύτητα τῶν σκαφῶν τοὺς ἐχθροὺς οὐκ ἐδύναντο καταλαμβάνειν κούφαις ναυσὶν ὑποφεύγοντας, ἕως οἱ μὲν ἐς τὴν Ἐφεσον ὀξέως κατέφυγον, οἱ δ' ἐς Χίον ἀπῆραν, ἔνθα αὐτοῖς Ῥοδίων νῆες συμμαχίδες ἦλθον ἑπτὰ καὶ εἴκοσιν. Ἀντίοχος δὲ περὶ τῆσδε τῆς ναυμαχίας πυθόμενος, Ἀννίβαν ἔστελλεν ἐπὶ Συρίας ἐς νεῶν ἄλλων ἐκ τε

Φοινίκης καὶ Κιλικίας παρασκευήν.

καὶ τόνδε μὲν ἐπανιόντα Ῥόδιοι κατέκλεισαν ἐς Παμφυλίαν, καὶ τινας αὐτοῦ τῶν νεῶν εἶλον, καὶ τὰς λοιπὰς ἐφεδρεύοντες ἐφυλάσσον:

[23] Πόπλιος δὲ Σκιπίων ἀφικόμενος ἐς Αἰτωλίαν μετὰ τοῦ ὑπάτου, καὶ τὸν Μανίου στρατὸν παραλαβὼν, τὰς μὲν ἐν Αἰτωλίᾳ πολιορκίας ὑπερείδεν ὡς μικρὸν ἔργον, καὶ τοῖς Αἰτωλοῖς δεομένοις ἐπέτρεψεν αὐθις ἐς Ῥώμην πρεσβεῦσαι περὶ σφῶν, ἐπὶ δὲ τὸν Ἀντίοχον ἠπείγετο πρὶν ἐκβῆναι τῷ ἀδελφῷ τὴν στρατηγίαν. διὰ δὲ Μακεδόνων ὥδευε καὶ Θρακῶν ἐπὶ τὸν Ἑλλήσποντον, δυσχερὴ καὶ χαλεπὴν ὁδὸν αὐτῷ γενομένην ἄν, εἰ μὴ Φίλιππος ὁ Μακεδὼν ὠδοποιεῖ καὶ ὑπεδέχετο καὶ παρέπεμπεν ἐξευγμένοις τε ποταμοῖς ἐκ πολλοῦ καὶ ἀγοραῖς ἐτοίμοις: ἐφ' οἷς αὐτὸν οἱ Σκιπίωνες αὐτίκα τῶν ὑπολοίπων χρημάτων ἀπέλυσαν, ἐπιτετραμμένοι τοῦθ' ὑπὸ τῆς βουλῆς, εἰ πρόθυμον εὔροιεν. ἐπέστελλον δὲ καὶ ἐς Προυσίαν τὸν Βιθυνῶν βασιλέα, καταλέγοντες ὅσοις βασιλεῦσι Ῥωμαῖοι συμμαχήσασι τὰς ἀρχὰς ἐπῆύξησαν: Φίλιππον δέ, φασί, τὸν Μακεδόνα καὶ πολέμῳ κρατήσαντες ἄρχειν ἑῷσι, καὶ τὸν παῖδα αὐτῷ τῆς ὀμηρείας ἀπελύσαμεν, καὶ τὸ ἔτι ὄφλημα τῶν χρημάτων. οἷς ὁ Προυσίας ἡσθεὶς συνέθετο συμμαχήσῃν ἐπ' Ἀντίοχον.

Λίσιος δ' ὁ ναύαρχος ἐπεὶ τῆς ὁδοιπορίας τῶν Σκιπίωνων ἐπύθετο, Πανσίμαχον μὲν τὸν Ῥόδιον μετὰ τῶν Ῥοδίων νεῶν ἐν τῇ Αἰολίδι κατέλιπε, καὶ μέρος τι τοῦ ἰδίου στόλου, ταῖς δὲ πλείοσιν ἐς τὸν Ἑλλήσποντον ἔπλει τὸν στρατὸν ὑποδεξόμενος. καὶ Σηστός μὲν αὐτῷ καὶ Ῥοίτειον καὶ ὁ Ἀχαιῶν λιμὴν καὶ τινα ἄλλα προσέθετο, Ἀβυδὸν δὲ ἀπειθοῦσαν ἐπολιόρκει.

[24] Πανσίμαχος δ' οἰχομένου Λισίου πείρας τε πυκνὰς καὶ μελέτας τῶν ἰδίων ἐποιεῖτο, καὶ μηχανὰς ποικίλας συνεπῆγγυτο, πυρφόρα τε ἀγγεῖα σιδηρᾷ ἐξῆπτε κοντῶν μακρῶν, αἰωρεῖσθαι τὸ πῦρ ἐς τὸ πέλαγος, ἵνα τῶν μὲν ἰδίων σκαφῶν πολλὴ προύχη, τοῖς δὲ πολεμίοις προσιοῦσιν ἐμπίπτῃ. καὶ αὐτὸν τάδε φιλοπονούμενον Πολυξενίδας ὁ Ἀντίοχου ναύαρχος, Ῥόδιός τε ὢν καὶ ὅδε καὶ τισιν αἰτίαις ἐκπεσὼν τῆς πατρίδος, ἐνήδρευεν, ὑπισχνούμενος τὸν Ἀντίοχου στόλον ἐγχειριεῖν, εἰ συνθοῖτο συμπράξῃν ἐς κάθοδον αὐτῷ. ὁ δὲ ὑπώπτευε μὲν ἐπὶ κλοπῶν ἄνδρα καὶ πανοῦργον, καὶ ἐς πολὺ καλῶς ἐφυλάσσετο: γράψαντος δ' αὐτῷ τοῦ Πολυξενίδου περὶ τῆς προδοσίας ἐπιστολὴν αὐτόγραφον, καὶ ἐπ' αὐτῇ καὶ ἀναζεύξαντος ἀπὸ τῆς Ἐφέσου, καὶ τὴν στρατιὰν ὑποκριθέντος ἐς χορτολογίαν περιέπεμπε, ὁ Πανσίμαχος τὴν τε ἀνάζευσιν ὀρῶν, καὶ οὐκ ἐλπίσας ἂν τινα περὶ προδοσίας ἐπιστολὴν αὐτόγραφον οὐκ ἀληθεύοντα πέμψαι, πάγχυ πιστεύσας ἐξέλυσε τὰς φυλακὰς καὶ ἐς σιτολογίαν καὶ αὐτὸς περιέπεμπε. ὁ δὲ Πολυξενίδας ἐπεὶ κατείδεν αὐτὸν ἐνηδρευμένον, αὐτίκα τὴν παρασκευὴν συνῆγε, καὶ Νικάνδρον τὸν πειρατὴν σὺν ὀλίγοις ἐς τὴν Σάμον περιέπεμπε, κατὰ τὴν γῆν ὀπισθεν τοῦ Πανσιμάχου θορυβοποιεῖν. ἐκ δὲ μέσων νυκτῶν αὐτὸς ἐπέπλει, καὶ περὶ τὴν ἑωθινήν φυλακὴν ἐπέπιπτεν ἔτι κοιμωμένῳ. ὁ δὲ ἐν αἰφνιδίῳ κακῷ καὶ ἀδοκίῳ τοὺς στρατιώτας ἐκέλευε, τὰς ναῦς ἐκλιπόντας, ἀπὸ τῆς γῆς ἀμύνεσθαι τοὺς πολεμίους. προσπεσόντος δ' ὀπισθεν αὐτῷ τοῦ Νικάνδρου, νομίσας καὶ τὴν γῆν προειληφθαι οὐχ ὑπὸ τῶν ἑωραμένων μόνων ἀλλ', ὥς ἐν νυκτί, πολὺ πλειόνων, πάλιν ἐς τὰς ναῦς ἐνέβαινε θορυβούμενος, πρῶτός τε ἐς

μάχην ἀνήγετο, καὶ πρῶτος ἔπιπτε λαμπρῶς ἀγωνιζόμενος. τῶν δ' ἄλλων οἱ μὲν ἐλήφθησαν οἱ δ' ἀπώλοντο. καὶ τῶν νεῶν ἑπτὰ μὲν αἱ τὸ πῦρ ἔφερον, οὐδενὸς αὐταῖς διὰ τὴν φλόγα προσιόντος ἔφυγον, τὰς δὲ λοιπὰς εἴκοσιν ὁ Πολυξενίδας ἀναδησάμενος ἐς τὴν Ἑφeson κατήχθη.

[25] καὶ ἐπὶ τῇδε τῇ νίκῃ Φώκαια αὐθις καὶ Σάμος καὶ Κύμη πρὸς Ἀντίοχον μετετίθεντο. δεῖσας δ' ὁ Λίουιος περὶ τῶν σφετέρων νεῶν, ἃς ἐν τῇ Αἰολίδι κατελοοῖπει, κατὰ σπουδὴν ἐς αὐτὰς ἐπανήει. καὶ Εὐμένης πρὸς αὐτὸν ἠπείγετο, Ῥόδιοι τε Ῥωμαίοις ναῦς ἐτέρας εἴκοσιν ἔπεμπον. μικρὸν δὲ διαλιπόντες ἅπαντες ἀνεθάρρηνσαν, καὶ ἐπὶ τὴν Ἑφeson ἔπλεον ἐς ναυμαχίαν ἐσκευασμένοι. οὐδενὸς δ' αὐτοῖς ἀντεπιπλέοντος, τὸ μὲν ἡμισυ τῶν νεῶν ἐς ἐπίδειξιν ἔστησαν ἐν μέσῃ τῇ θαλάσῃ μέχρι πολλοῦ, ταῖς δ' ὑπολοίποις ἐς τὴν πολεμίαν καταχθέντες ἐπόρθουν, μέχρι Νίκανδρος αὐτοῖς ἐκ τῆς μεσογείας ἐπιτεσὼν τὴν τε λείαν ἀφείλετο καὶ ἐς τὰς ναῦς κατεδίωξεν.

[26] οἱ μὲν δὴ πάλιν ἐς Σάμον ἀνήγοντο, καὶ ὁ χρόνος ἔλγχε Λιουίῳ τῆς ναυαρχίας· τοῦ δ' αὐτοῦ χρόνου Σέλευκος ὁ Ἀντιόχου τὴν Εὐμένους γῆν ἐδήου καὶ Περγάμῳ παρεκάθητο, τοὺς ἄνδρας ἐς τὴν πόλιν κατακλείσας. ὅθεν ὁ Εὐμένης ἐς Ἐλαίαν, τὸ τῆς ἀρχῆς ἐπίνειον, διέπλει κατὰ σπουδὴν, καὶ σὺν αὐτῷ Λεύκιος Αἰμίλιος Ῥηγίλλος ὁ Λιουίου τὴν ναυαρχίαν παραδεδεγμένος. ἦκον δὲ καὶ παρὰ τῶν Ἀχαιῶν Εὐμένει σύμμαχοι χίλιοι πεζοὶ καὶ ἵππεῖς ἑκατὸν ἐπίλεκτοι, ὧν Διοφάνης ὁ στρατηγὸς ἀπὸ τοῦ τείχους ἰδὼν τοὺς Σελευκεῖους παίζοντάς τε καὶ μεθύοντας ἐκ καταφρονήσεως, ἔπειθε τοὺς Περγαμηνοὺς ἑαυτῷ συνεκδραμεῖν ἐπὶ τοὺς πολεμίους. οὐχ ὕφισταμένων δ' ἐκείνων, ὥπλισε τοὺς ἰδίους χιλίους καὶ τοὺς ἑκατὸν ἱππέας. καὶ προαγαγὼν ὑπὸ τὸ τεῖχος ἔστησεν ἀτρεμεῖν, ὑπερορώντων αὐτοὺς ἐς πολὺ τῶν πολεμίων ὡς ὀλίγους τε καὶ οὐ τολμῶντας ἐς χεῖρας ἔλθεῖν. ὁ δ' ἀριστοποιούμενοις ἐπιδραμῶν ἐθορύβησέ τε καὶ ἐτρέψατο τοὺς προφύλακας, τῶν δ' ἄλλων ἐπὶ τὰ ὅπλα ἀναπηδόντων, καὶ τοὺς ἵππους περιχαλινούντων ἢ φεύγοντας διωκόντων ἢ δυσχερῶς ἀναβαινόντων οὐκ εὐσταθοῦντας, ἐκράτει πάνυ λαμπρῶς, ἐπιβοώντων ἄνωθεν ἀπὸ τοῦ τείχους τῶν Περγαμηνῶν, καὶ οὐδὲ τότε προελθεῖν ὕφισταμένων. κτείνας δ' ὅσους ἐδύνατο ὡς ἐν ἐπιδείξει ταχεῖα, καὶ τινὰς αἰχμαλώτους ἐλὼν ἄνδρας τε καὶ ἵππους, ἐπανήει κατὰ σπουδὴν. καὶ τῆς ἐπιούσης αὐθις ἴσθη τοὺς Ἀχαιοὺς ὑπὸ τὸ τεῖχος, οὐδὲ τότε τῶν Περγαμηνῶν αὐτῷ συνεξιόντων. Σέλευκος δ' ἱππεῦσι πολλοῖς αὐτῷ προσεπέλαζε προκαλούμενος. ὁ δὲ τότε μὲν οὐκ ἐπεξῆει, παρ' αὐτὸ τὸ τεῖχος ἐστῶς, ἀλλ' ἐφυλάσσετο· ἐπεὶ δ' ὁ Σέλευκος παραμείνας ἐς μεσημβρίαν, καμνόντων οἱ ἤδη τῶν ἱππέων ἐπέστρεφε καὶ ἐπανήει, τοῖς τελευταίοις αὐτοῦ ὁ Διοφάνης ἐπιθέμενος καὶ θορυβοποιήσας, καὶ βλάψας ὅσα καὶ τότε δυνατός ἦν, εὐθὺς ἐπανήει πάλιν ὑπὸ τὸ τεῖχος. καὶ τὸνδε τὸν τρόπον συνεχῶς ἔν τε χορτολογίαις καὶ ξυλείαις ἐνεδρεύων καὶ αἰεὶ τι ἐνοχλῶν ἀπὸ τε Περγάμου τὸν Σέλευκον ἀνέστησε καὶ ἀπὸ τῆς ἄλλης Εὐμένους χώρας ἐξήλασεν.

[27] Πολυξενίδᾳ δὲ καὶ Ῥωμαίοις μετ' οὐ πολὺ γίγνεται ναυμαχία περὶ Μυόννησον, ἐς ἣν συνήεσαν Πολυξενίδας μὲν ναυσὶν ἐνενήκοντα καταφράκτοις, Λεύκιος δ' ὁ Ῥωμαίων ναύαρχος ὀγδοήκοντα τρισί· τούτων ἦσαν ἐκ Ῥόδου πέντε καὶ εἴκοσιν. ὧν ὁ στρατηγὸς Εὐδωρος ἐτέτακτο μὲν ἐπὶ

τοῦ λαιοῦ κέρως, ἰδὼν δὲ ἐπὶ θάτερα Πολυξενίδαν πολὺ προύχοντα Ῥωμαίων, ἔδεισέ τε μὴ κυκλωθεῖεν, καὶ περιπλεύσας ὀξέως ἅτε κούφαις ναυσὶ καὶ ἐρέταις ἐμπείροις θαλάσσης, τὰς ναῦς τὰς πυρφόρους τῷ Πολυξενίδα πρώτας ἐπῆγε, λαμπομένας τῷ πυρὶ πάντοθεν. οἱ δ' ἐμβαλεῖν μὲν αὐταῖς οὐκ ἐτόλμων διὰ τὸ πῦρ, κύκλῳ δ' αὐτὰς περιπλέοντες ἐνέκλινόν τε καὶ θαλάσσης ἐπίμπλαντο καὶ ἐς τὰς ἐπωτίδας ἐτύπτοντο, μέχρι Ῥοδίας νεῶς ἐς Σιδονίαν ἐμβαλούσης, καὶ τῆς πληγῆς εὐτόνου γενομένης, ἄγκυρα ἐκπίπτουσα τῆς Σιδονίας ἐς τὴν Ῥοδίαν ἐπάγη τε καὶ συνέδησεν ἄμφω πρὸς ἀλλήλας, ὅθεν ἦν ὁ ἀγὼν ἀτρεμούντων τῶν σκαφῶν τοῖς ἐπιβάταις ὥσπερ ἐν γῇ. καὶ προσιουσῶν ἄλλων ἐς ἐπικουρίαν ἑκατέρᾳ πολλῶν, φιλονεικία τε παρ' ἁμφοῖν ἐγίνετο λαμπρά, καὶ τὸ μέσον τῶν Ἀντιόχου νεῶν ἔρημον ἐκ τούτου γενόμενον αἱ Ῥωμαίων νῆες διέπλεον, καὶ τοὺς πολεμίους ἔτι ἀγνοοῦντας ἐκύκλουν, ὥς δ' ἔμαθόν ποτε, ἐγίνετο φυγὴ καὶ τροπὴ, καὶ διεφθάρησαν Ἀντιόχου νῆες μιᾶς δέουσαι τριάκοντα, ὧν τρισκαίδεκα αὐτοῖς ἀνδράσιν ἐλήφθησαν. Ῥωμαίων δ' ἀπώλοντο μόναι δύο. καὶ ὁ Πολυξενίδας τὴν Ῥοδίαν ναῦν ἐπαγόμενος ἐς τὴν Ἐφεσον κατήχθη.

[28] τοῦτο μὲν δὴ τῇ ναυμαχίᾳ τῇ περὶ τὴν Μυόννησον ἦν τέλος· οὐπὼ δ' αὐτῆς ὁ Ἀντίοχος αἰσθόμενος Χερρόνησόν τε καὶ Λυσιμάχειαν ἐπιμελῶς ὠχύρου, μέγα, ὥσπερ ἦν, τὸ ἔργον ἡγούμενος ἐπὶ Ῥωμαίοις, ὅπου γε καὶ τὴν ἄλλην Θράκην διελθεῖν στρατοπέδῳ δυσόδευτον αὐτοῖς ἂν ἐγένετο καὶ δύσβατον, εἰ μὴ Φίλιππος διέφερεν. ἀλλ' ὁ Ἀντίοχος ὢν καὶ τὰ ἄλλα κουφόνους ἀεὶ καὶ ταχὺς ἐς μεταβολήν, ἐπεὶ τῆς ἥσσης ἐπύθετο τῆς περὶ Μυόννησον, πάμπαν ἐξεπλάγη, νομίσας αὐτῷ τὸ δαιμόνιον ἐπιβουλεύειν· παρὰ γὰρ λόγον ἕκαστα χωρεῖν, Ῥωμαίων μὲν ἐν τῇ θαλάσῃ κρατούντων, ἐν ἣ πολὺ προύχειν αὐτὸς ἐνόμιζε, Ῥοδίων δ' Ἀννίβαν ἐς Παμφυλίαν κατακεκλεικότων, Φιλίππου δὲ Ῥωμαίους παραπέμποντος ἀβάτους ὁδοῦς, ὃν μάλιστα μνησικακήσειν αὐτοῖς ὢν ἔπαθεν ὑπελάμβανεν. ὑπὸ δὴ τῶνδε πάντων ἐκταρασσόμενός τε, καὶ θεοῦ βλάπτοντος ἤδη τοὺς λογισμούς, ὅπερ ἅπασι προσιόντων ἀτυχημάτων ἐπιγίνεται, Χερρόνησον ἐξέλιπεν ἀλογίστως, πρὶν καὶ ἐς ὄψιν ἐλθεῖν τοῖς πολεμίοις, οὔτε μετενεγκὼν ὅσος ἦν ἐν αὐτῇ σίτος σεσωρευμένος πολὺς ἢ ὅπλα ἢ χρήματα ἢ μηχαναί, οὔτε ἐμπρήσας, ἀλλ' ὑγίεις ἀφορμὰς τοσάσδε τοῖς πολεμίοις καταλιπών. Λυσιμαχέας τε αὐτῷ καθάπερ ἐκ πολιορκίας συμφεύγοντας μετ' οἰμωγῆς, ἅμα γυναιξὶ καὶ παιδίοις, ὑπερεώρα, μόνου τοῦ διάπλου τοῦ περὶ Ἀβυδὸν εἶρξαι τοὺς πολεμίους ἐπινοῶν, καὶ τὴν λοιπὴν ἔτι ἐλπίδα τοῦ πολέμου πᾶσαν ἐν τούτῳ τιθέμενος. οὐ μὴν οὔτε τὸν διάπλου ἐφύλαξεν ὑπὸ θεοβλαβείας, ἀλλ' ἐς τὸ μεσόγειον ἠτείχθη ἐπανελθεῖν, φθάνων τοὺς πολεμίους, οὐδέ τινα φυλακὴν ἐν τῷ διάπλῳ κατέλιπεν.

[29] οἱ δὲ Σκιπίωνες ἐπεὶ τῆς ἀναχωρήσεως αὐτοῦ ἐπύθοντο, Λυσιμάχειάν τε δρόμῳ κατέλαβον, καὶ τῶν ἐν Χερρονήσῳ θησαυρῶν τε καὶ ὅλων κρατήσαντες τὸν Ἑλλήσποντον ἔρημον ὄντα φυλακῆς εὐθὺς ἐτέρων μετὰ σπουδῆς, ἔφθασάν τε Ἀντίοχον ἔτι ἀγνοοῦντα ἐν Σάρδεσι γενόμενοι. ὁ δ' ἐκπλαγεὶς ἐβαρυνθύμει, καὶ τὰ ἴδια αὐτοῦ ἁμαρτήματα ἐς τὸ δαιμόνιον ἀνατιθεὶς Ἡρακλείδην τὸν Βυζάντιον ἔπεμπεν ἐς τοὺς Σκιπίωνας ἐπὶ

διαλύσεσι τοῦ πολέμου, Σμύρναν τε καὶ Ἀλεξάνδρειαν αὐτοῖς διδοὺς τὴν ἐπὶ Γρανίκῃ καὶ Λάμψακον, δι' ἧς ἤρξεν αὐτοῖς ὁ πόλεμος, καὶ τὸ ἥμισυ τῆς δαπάνης τοῦδε τοῦ πολέμου. ἐντετέλλετο δέ, εἰ δέοι, καὶ τῶν Ἰάδων πόλεων δοῦναι καὶ τῶν Αἰολίδων ὅσαι τὰ Ῥωμαίων ἐν τῷδε τῷ ἀγῶνι εἴλοντο, καὶ εἴ τι ἄλλο αἰτοῖεν οἱ Σκιπίωνες. ταῦτα μὲν εἶχεν ἐς τὸ φανερὸν λέγειν ὁ Ἡρακλείδης, ἰδίᾳ δὲ πρὸς Πόπλιον Σκιπίωνα ἔφερε παρ' Ἀντιόχου χρημάτων τε πολλῶν ὑποσχέσεις καὶ τοῦ παιδὸς ἀφέσεις. ἡρήκει γὰρ αὐτὸν ἐν τῇ Ἑλλάδι ὁ Ἀντίοχος, ἐς Δηματριάδα ἐκ Χαλκίδος διαπλέοντα: καὶ ἦν ὁ παῖς Σκιπίων ὁ Καρχηδόνα ὕστερον ἐλὼν τε καὶ κατασκάψας, καὶ δεῦτερος ἐπὶ τῷδε τῷ Σκιπίωνι Ἀφρικανὸς ὀνομασθεὶς, Παύλου μὲν υἱὸς ὢν τοῦ Περσέα τὸν Μακεδόνα ἐλόντος, Σκιπίωνος δὲ τῷ γένει θυγατρίδους καὶ θέσει παῖς. κοινῇ μὲν οὖν οἱ Σκιπίωνες τῷ Ἡρακλείδῃ τήνδε ἔδοσαν τὴν ἀπόκρισιν, ἐὰν ὁ Ἀντίοχος εἰρήνης δέηται, μὴ τῶν Ἰάδων μηδὲ τῶν Αἰολίδων αὐτὸν ἐκστῆναι πόλεων, ἀλλὰ πάσης τῆς ἐπὶ τάδε Ταύρου, καὶ τὴν δαπάνην τοῦ πολέμου πᾶσαν ἐσενεγκεῖν, δι' αὐτὸν γενομένου. ἰδίᾳ δὲ ὁ Πόπλιος ἔφη τῷ Ἡρακλείδῃ Ῥωμαίους, εἰ μὲν ἔτι Χερρονήσου καὶ Λυσιμαχείας κρατῶν ὁ Ἀντίοχος ταῦτα προὔτεινεν, ἀσμένως ἂν λαβεῖν: τάχα δ' εἰ καὶ μόνον ἔτι τοῦ Ἑλλησπόντου τὸν διάπλουν ἐφύλασσε: νῦν δ' αὐτοὺς ἤδη περάσαντάς τε καὶ ἐν ἀσφαλεῖ γενομένους, καὶ τὸν χαλινόν, φασίν, ἐνθέντας, καὶ ἐπὶ τῷ χαλινῷ τὸν ἵππον ἀναβάντας, οὐκ ἀνέξεσθαι διαλύσεων ἐπ' ὀλίγοις. αὐτὸς δὲ χάριν εἰδέναι τῷ βασιλεῖ τῆς προαιρέσεως, καὶ μᾶλλον εἴσεσθαι λαβὼν τὸν υἱόν: ἀμείβεσθαι δ' αὐτὸν ἤδη, καὶ συμβουλευεῖν δέχεσθαι τὰ προτεινόμενα πρὶν ἐς πείραν ἐλθεῖν μεζόνων ἐπιταγμάτων.

[30] ὁ μὲν δὴ Πόπλιος ταῦτα εἰπὼν ἐς Ἑλαίαν νοσηλευόμενος ὑπεχώρει, σύμβουλον τῷ ἀδελφῷ Γναῖον Δομίτιον καταλιπών: ὁ δ' Ἀντίοχος, οἶόν τι καὶ Φίλιππος ὁ Μακεδὼν, οἰηθεὶς τῶνδε τῶν ἐπιταγμάτων πλέον οὐδὲν αὐτοῦ τὸν πόλεμον ἀφαιρήσεσθαι, συνέτασσε ἀπὸ τῶν πολεμίων, καὶ Σκιπίωνι τὸν υἱὸν ἀπέπεμπεν ἐς Ἑλαίαν. ὁ δὲ τοῖς ἄγουσι συνεβούλευε μὴ μάχεσθαι τὸν Ἀντίοχον ἕως αὐτὸς ἐπανεέλθοι. καὶ τῷδε πεισθεὶς ὁ Ἀντίοχος μετεστρατοπέδευεν ἀμφὶ τὸ ὄρος τὸ Σίτυλον, τεῖχός τε καρτερὸν τῷ στρατοπέδῳ περιετείχιζε, καὶ τὸν Φρύγιον ποταμὸν ἐν προβολῇ τοῖς πολεμίοις ἐτίθετο, ἵνα μηδ' ἄκων ἀναγκάζοιτο πολεμεῖν. Δομίτιος δὲ φιλοτιμούμενος τὸν πόλεμον ἐφ' ἑαυτοῦ κριθῆναι, τὸν ποταμὸν ἐτέρα μάλα θρασέως, καὶ σταδίους εἴκοσιν ἀπ' Ἀντιόχου διασχὼν ἐστρατοπέδευεν. τέσσαρσί τε ἡμέραις ἐφεξῆς ἐξέτασσον ἑκάτεροι παρὰ τὸν χάρακα τὸν ἑαυτῶν, καὶ μάχης οὐ κατήρχον. τῇ πέμπτῃ δὲ ὁ Δομίτιος ἐξέτασεν αὐθις καὶ ἐπέβαινε σοβαρῶς. οὐκ ἀντεπιόντος δὲ τοῦ Ἀντιόχου, τότε μὲν ἐγγυτέρω μετεστρατοπέδευσε, μίαν δὲ ἄλλην διαλιπὼν ἐκήρυσσεν ἐς ἐπήκοον τῶν πολεμίων ἐς αὐριον Ἀντιόχῳ καὶ ἄκοντι πολεμήσειν. ὁ δὲ συνταραχθεὶς αὐθις μεθίει τὰ δόξαντα, καὶ δυνηθεὶς ἂν ἐστάναι μόνον ὑπὸ τὸ τεῖχος ἢ καλῶς αὐτὸν ἀπὸ τοῦ τεύχους ἀπομάχεσθαι μέχρι ῥαΐσειεν ὁ Πόπλιος, αἰσchrὸν ἡγεῖτο μετὰ πλείονων φυγομαχεῖν: ὅθεν ἐς μάχην παρέτασεν.

[31] καὶ ἐξῆγον ἔτι νυκτὸς ἄμφω περὶ ἐσχάτην φυλακὴν, διεκόσμηι δ' αὐτῶν ἑκάτερος ὧδε. τὸ μὲν λαιὸν εἶχον ὀπλίται Ῥωμαίων μύριοι, παρὰ τὸν ποταμὸν

αὐτόν: καὶ μετ' ἐκείνους ἦσαν Ἰταλῶν ἕτεροι μύριοι, τρεῖς ἐκατέρων τάξεις ἐπὶ βάθος. ἐπὶ δὲ τοῖς Ἰταλοῖς ὁ Εὐμένους στρατὸς ἐτάσσετο, καὶ Ἀχαιῶν πελτασταὶ περὶ τρισχιλίους. ὧδε μὲν εἶχε τὸ λαιόν, τὸ δεξιὸν δ' ἦν ἱππεῖς, οἱ τε Ῥωμαίων καὶ Ἰταλῶν καὶ Εὐμένους, οὐ πλείους οὐδ' οὗτοι τρισχιλίων. ἀνεμείχαστο δ' ἅπασιν ψιλοὶ τε καὶ τοξόται πολλοί, καὶ ἀμφὶ τὸν Δομίτιον αὐτὸν ἦσαν ἱππέων ἴλαι τέσσαρες. οὕτω μὲν ἐγίνοντο πάντες ἐς τρισμυρίους, ἐπεστάται δὲ τοῦ μὲν δεξιοῦ Δομίτιος αὐτός, καὶ ἐς τὸ μέσον αὐτὸν ἴσθη τὸν ὕπατον, τὸ δὲ λαιὸν ἔδωκεν Εὐμένει. τῶν δ' ἐλεφάντων, οὓς εἶχεν ἐκ Λιβύης, οὐδένα νομίζων ἔσσεσθαι χρήσιμον ὀλιγωτέρων τε ὄντων καὶ βραχυτέρων οἷα Λιβύων 'δεδίασι δ' οἱ σμικρότεροι τοὺς μείζονας', ἔστησεν ὀπίσω πάντας.

[32] ὧδε μὲν δὴ διετετάχαστο Ῥωμαῖοι, Ἀντιόχῳ δ' ἦν μὲν ὁ στρατὸς ἅπας ἐπτακισμύριοι, καὶ τούτων τὸ κράτιστον ἦν ἡ φάλαγξ ἡ Μακεδόνων, ἄνδρες ἑξακισχιλίοι καὶ μύριοι, ἐς τὸν Ἀλεξάνδρου καὶ Φιλίππου τρόπον ἔτι κοσμούμενοι: ἴσθη δ' αὐτοὺς ἐν μέσῳ, διελὼν ἀνὰ χιλίους καὶ ἑξακοσίους ἐς δέκα μέρη, καὶ τούτων ἐκάστου μέρους ἦσαν ἐπὶ μὲν τοῦ μετώπου πεντήκοντα ἄνδρες, ἐς δὲ τὸ βάθος δύο καὶ τριάκοντα, ἐς δὲ τὰ πλευρὰ ἐκάστου μέρους ἐλέφαντες δύο καὶ εἴκοσιν. ἡ δ' ὄψις ἦν τῆς μὲν φάλαγγος οἷα τείχους, τῶν δ' ἐλεφάντων οἷον πύργων. τοιοῦτον μὲν ἦν τὸ πεζὸν Ἀντιόχῳ, ἱππεῖς δ' ἐκατέρωθεν αὐτοῦ παρετετάχαστο Γαλάται τε κατάφρακτοι καὶ τὸ λεγόμενον ἄγῃμα τῶν Μακεδόνων. εἰσὶ δὲ καὶ οἶδε ἱππεῖς ἐπὶλεκτοὶ, καὶ παρ' αὐτὸ ἄγῃμα λέγεται. τάδε μὲν ἔξ ἴσου τῆς φάλαγγος ἦν ἐκατέρωθεν: ἐπὶ δ' αὐτοῖς τὰ κέρατα κατεῖχον ἐν μὲν δεξιᾷ ψιλοὶ τέτινες καὶ ἕτεροι ἱππεῖς ἀργυράσπιδες καὶ ἱπποτοξόται διακόσιοι, τὸ δὲ λαιὸν Γαλατῶν τ' ἔθνη, Τεκτοσάγαι τε καὶ Τρόκμοι καὶ Τολιστόβοιοι, καὶ Καππαδόκαι τινὲς οὓς ἐπεμψεν Ἀριαράθης, καὶ μιγάδες ἄλλοι ξένοι, κατάφρακτός τε ἵππος ἐπὶ τοῖσδε ἐτέρα, καὶ ἦν ἐκάλουν ἵππον ἐταιρικὴν, ὠπλισμένη κούφως. ὧδε μὲν καὶ ὁ Ἀντίοχος ἐξέτασεν. καὶ δοκεῖ τὴν ἐλπίδα λαβεῖν ἐν τοῖς ἱππεῦσιν, οὓς πολλοὺς ἔστησεν ἐπὶ τοῦ μετώπου, τὴν δὲ φάλαγγα πυκνὴν ἐς ὀλίγον συναγαγεῖν ἀπειροπολέμους, ἥ δὴ καὶ μάλιστα ἔδει θαρρεῖν πάνυ ἡσκημένη. πολὺ δὲ καὶ ἄλλο πλῆθος ἦν λιθοβόλων τε καὶ τοξοτῶν καὶ ἀκοντιστῶν καὶ πελταστῶν, Φρυγῶν τε καὶ Λυκίων καὶ Παμφύλων καὶ Πισιδῶν Κρητῶν τε καὶ Τραλλιανῶν καὶ Κιλικίων ἐς τὸν Κρητῶν τρόπον ἐσκευασμένων. ἱπποτοξόται τε ἐπὶ τοῖσδε ἕτεροι, Δᾶαι καὶ Μυσοὶ καὶ Ἑλυμαῖοι καὶ Ἀραβες, οἱ καμήλους ὀξυτάτας ἐπικαθήμενοι τοξεύουσί τε εὐμαρῶς ἀφ' ὑψηλοῦ, καὶ μαχαίραις, ὅτε πλησιάζουσιν, ἐπιμήκεσι καὶ στεναῖς χρώνται. δρεπανηφόρα τε ἄρματα ἐν τῷ μεταίχμιῳ, προπολεμεῖν τοῦ μετώπου, ἐτετάχαστο: καὶ εἴρητο αὐτοῖς μετὰ τὴν πρώτην πείραν ὑποχωρεῖν.

[33] ὄψις τε ἦν ὥσπερ δύο στρατῶν, τοῦ μὲν ἀρχομένου πολεμεῖν, τοῦ δ' ἐφεδρεύοντος: ἐκάτερος δ' αὐτῶν ἐς κατάπληξιν ἐσκεύαστο δεινῶς πλήθει τε καὶ κόσμῳ. ἐφειστήκει δὲ τοῖς μὲν δεξιοῖς ἱππεῦσιν Ἀντίοχος αὐτός, τοῖς δ' ἐπὶ θάτερα Σέλευκος ὁ υἱὸς Ἀντιόχου, τῇ δὲ φάλαγγι Φίλιππος ὁ ἐλεφαντάρχης καὶ τοῖς προμάχοις Μύνδης τε καὶ Ζεῦξις. ἀχλυώδους δὲ καὶ ζοφερᾶς τῆς ἡμέρας γενομένης, ἥ τε ὄψις ἔσβεστο τῆς ἐπιδείξεως, καὶ τὰ τοξεύματα πάντα ἀμβλύτερα ἦν ὥς ἐν ἀέρι ὑγρῷ καὶ σκοτεινῷ. ὅπερ ἐπεὶ

κατείδεν Εὐμένης, τῶν μὲν ἄλλων κατεφρόνησε, τὴν δὲ ῥύμην τῶν ἄρμάτων τεταγμένων ἐφ' ἑαυτὸν μάλιστα δείσας, ὅσοι ἦσαν αὐτῷ σφενδονῆται καὶ ἀκοντισταὶ καὶ ἕτεροι κοῦφοι, συναγαγὼν προσέταξε, τὰ ἄρματα περιθέοντας, ἐς τοὺς ἵππους ἀκοντίζειν ἀντὶ τῶν ἐπιβατῶν: ἵππου γὰρ ἐν ἄρματι ζυγομαχοῦντος ἀχρεῖον τὸ λοιπὸν ἄρμα γίνεται, καὶ πολλὰ καὶ τῆς ἄλλης εὐταξίας παραλύεται, τὰ δρέπανα τῶν φιλίων δεδιότων. ὁ καὶ τότε συνηνέχθη γενέσθαι: πληγέντων γὰρ τῶν ἵππων ἀθρόως, καὶ τὰ ἄρματα ἐς τοὺς φίλους περιφερόντων, αἱ τε κάμηλοι πρῶται τῆς ἀταξίας ἡσθάνοντο, πλησίον τοῖς ἄρμασι παρατεταγμένοι, καὶ μετὰ ταύτας ἡ κατάφρακτος ἵππος, οὐ ῥαδίως ὑπὸ τοῦ βάρους τὰ δρέπανα ἐκφεύγειν δυναμένη. θόρυβός τε ἦν ἤδη πολλὺς καὶ τάραχος ποικίλος, ἀρξάμενος μὲν ἀπὸ τῶνδε μάλιστα, χωρῶν δὲ ἐπὶ ὅλον τὸ μεταίχιμον, καὶ μειζῶν ὑπόνοια τοῦ ἀκριβοῦς: ὥς γὰρ ἐν διαστήματι μακρῷ καὶ πλήθει πυκνῷ καὶ βοῇ ποικίλῃ καὶ φόβῳ πολλῷ, τὸ μὲν ἀκριβὲς οὐδὲ τοῖς ἀγχοῦ τῶν πασχόντων καταληπτὸν ἦν, τὴν δὲ ὑπόνοιαν μειζόνως ἐς τοὺς ἐξῆς ἕκαστοι μετέφερον.

[34] ὁ δ' Εὐμένης, ἐπεὶ τὰ πρῶτα καλῶς ἐπέπρακτο αὐτῷ, καὶ τὸ μεταίχιμον, ὅσον αἱ τε κάμηλοι καὶ τὰ ἄρματα ἐπεῖχεν, ἐγεγύμνωτο, τοὺς ἰδίους ἱππέας, καὶ ὅσοι Ῥωμαίων αὐτῷ καὶ Ἰταλῶν παρετετάχατο, ἐπῆγεν ἐπὶ τοὺς ἀντικρὺ Γαλάτας τε καὶ Καππαδόκας καὶ τὴν ἄλλην σύνδον τῶν ξένων, μέγα κεκραγὼς καὶ παρακαλῶν ἐπὶ ἄνδρας ἀπείρους τε μάχης καὶ γεγυμνωμένους τῶν προπολεμοῦντων. οἱ δ' ἐπέιθοντο, καὶ βαρείας σφῶν τῆς ἐμβολῆς γενομένης τρέπονται τούτους τε καὶ τοὺς παρεξυγμένους αὐτοῖς ἱππέας τε καὶ καταφράκτους, ἐκ πολλοῦ ταρασσομένους διὰ τὰ ἄρματα: οὓς δὴ καὶ μάλιστα, διὰ τὸ βάρος ὑποφεύγειν ἢ ἀναστρέφειν εὐμαρῶς οὐ δυναμένους, κατελάμβανόν τε καὶ συνέκοπτον. καὶ τάδε μὲν ἦν περὶ τὸ λαῖον τῆς φάλαγγος τῶν Μακεδόνων: ἐν δεξιᾷ δέ, ἥπερ αὐτὸς ὁ Ἀντίοχος ἐτέτακτο, διακόψας τὸ σύνταγμα τῆς Ῥωμαίων φάλαγγος ἀπέσπασεν ἐπὶ πολὺ διώκων.

[35] καὶ ἡ φάλαγξ ἡ τῶν Μακεδόνων, τεταγμένη μὲν, ὥς μεθ' ἱππέων, ἐπὶ στενοῦ τε καὶ τετραγώνου, γεγυμνωμένη δὲ τῶν ἱππέων ἐκατέρωθεν, τοὺς μὲν ψιλοὺς τοὺς ἐπὶ τοῦ μετώπου σφῶν ἔτι προπολεμοῦντας διαστᾶσα ἐς αὐτὴν ἐδέξατο καὶ πάλιν συνηίει, Δομιτίου δ' αὐτὴν ἱππεῦσι πολλοῖς καὶ ψιλοῖς εὐμαρῶς, οἷα πλινθίων πυκνόν, κυκλώσαντος, οὗτ' ἐκδραμεῖν ἔτι ἔχουσα οὗτ' ἐξελίσσαι βάθος οὕτω πολὺ, μάλα καρτερῶς ἐκακοπάθει. καὶ ἡγανάκτουν αὐτοὶ μὲν ταῖς ἐμπειρίαις οὐδὲν ἔχοντες ἔτι χρῆσθαι, τοῖς δὲ πολεμίοις εὐβλητοὶ καὶ ἐπιτυχεῖς πανταχόθεν ὄντες. ὅμως δὲ τὰς σαρίσσας ἐκ τετραγώνου προβαλλόμενοι πυκνὰς προὔκαλοῦντο Ῥωμαίους ἐς χεῖρας ἔλθειν, καὶ δόξαν ἐπιβαινόντων αἰεὶ παρεῖχον. οὐ μὴν τι προεπῆδων, πεζοὶ τε καὶ βαρεῖς ὄντες ὑπὸ τῶν ὅπλων, καὶ τοὺς πολεμίους ἐπὶ ἵππων ὀρῶντες, μάλιστα δὲ ἵνα μὴ τὸ τῆς τάξεως πυκνὸν ἐκλύσειαν: μετατάξασθαι γὰρ ἐτέρως οὐκ ἔφθανον. Ῥωμαῖοι δ' αὐτοῖς οὐ προσεπέλαζον μὲν, οὐδ' ἐς χεῖρας ἦσαν, δεδιότες ἀνδρῶν ἡσκημένων ἐμπειρίαν τε καὶ πυκνότητα καὶ ἀπόγνωσιν, περιθέοντες δὲ ἐσηκόντιζόν τε καὶ ἐσετόξευον. καὶ οὐδὲν ἦν ἀχρεῖον ὥς ἐν ὀλίγῳ πολλῶν συνεστώτων. οὐ γὰρ εἶχον οὔτε ἐκκλίνειν τὰ βαλλόμενα οὔτε φερομένοις διαστήναι. ὅθεν ἤδη πολλὰ κάμνοντες ἐνεδίδοσαν ὑπὸ τῆς ἀπορίας, καὶ βάδην

ὕπεχώρουν σὺν ἀπειλῇ, πάνυ εὐσταθῶς καὶ Ῥωμαίοις ἐπιφόβως· οὐδὲ γὰρ τότε προσπελάζειν αὐτοῖς ἐτόλμων, ἀλλὰ περιθέοντες ἐβλαπτον, μέχρι, τῶν ἐλεφάντων ἐν τῇ Μακεδόνων φάλαγγι συνταραχθέντων τε καὶ οὐχ ὑπακουόντων ἔτι τοῖς ἐπιβάταις, ὁ κόσμος ὁ τῆς φυγῆς συνεχεῖτο.

[36] καὶ ταύτῃ μὲν ὁ Δομίτιος ἐκράτει, καὶ ἐπὶ τὸ στρατόπεδον τοῦ Ἀντίοχου φθάσας ἐβιάζετο τοὺς ἐν αὐτῷ φυλάσσοντας· ὁ δὲ Ἀντίοχος ἐς πολὺ διώκων παρ' οὗς ἐκ τῆς Ῥωμαϊκῆς φάλαγγος ἐτέτακτο, οὐδενὸς οὐδ' ἐκείνοις ἱππέων ἢ ψιλοῦ παρόντος ἐς ἐπικουρίαν· οὐ γὰρ παρετετάχει Δομίτιος, ἡγούμενος οὐ δεήσεσθαι διὰ τὸν ποταμόν, μέχρι τοῦ Ῥωμαίων χάρακος ἦλθεν. ἐπεὶ δὲ αὐτὸν ὁ τε χιλιάρχος ὁ τοῦ χάρακος φύλαξ, ἀκμῆσι τοῖς φύλαξιν ὑπαντιάσας, ἐπέσχε τῆς ὁρμῆς καὶ οἱ φεύγοντες τοῖς ἀναμιχθεῖσι θαρροῦντες ἐπεστρέφοντο, ἐπανήει σοβαρὸς ὁ Ἀντίοχος ὡς ἐπὶ νίκη, οὐδενὸς τῶν ἐπὶ θάτερα πεπυσμένους. Ἀτταλος δ' αὐτόν, ὁ Εὐμένους ἀδελφός, ἱπεῦσι πολλοῖς ὑπαντιάζει. καὶ τοῦσδε μὲν εὐμαρῶς ὁ Ἀντίοχος διακόψας διέδραμε, καὶ παρατρεχόντων ἔτι καὶ μικρὰ λυπούντων οὐκ ἐφρόντιζεν· ὡς δὲ κατεῖδε τὴν ἦτταν καὶ τὸ πεδίον ἅπαν νεκρῶν ἰδίων πληρὲς, ἀνδρῶν τε καὶ ἵππων καὶ ἐλεφάντων, τό τε στρατόπεδον εἰλημμένον ἤδη κατὰ κράτος, τότε δὴ καὶ ὁ Ἀντίοχος ἔφυγεν ἀμεταστρεπτί, καὶ μέχρι μέσων νυκτῶν ἐς Σάρδεις παρῆλθεν. παρῆλθε δὲ καὶ ἀπὸ Σάρδεων ἐς Κελαινάς, ἣν Ἀπάμειαν καλοῦσιν, οἳ τὸν υἱὸν ἐπυνθάνετο συμφυγεῖν. τῆς δ' ἐπιούσης ἐς Συρίαν ἐκ Κελαινῶν ἀνεξεύγνυ, τοὺς στρατηγούς ἐν Κελαιναῖς καταλιπὼν ὑποδέχεσθαι τε καὶ ἀθροίζειν τοὺς διαφυγόντας. περὶ τε καταλύσεως τοῦ πολέμου πρέσβεις ἔπεμπε πρὸς τὸν ὕπατον. ὁ δὲ τὰ οἰκεῖα ἔθαπτε, καὶ ἐσκύλευε τοὺς πολεμίους, καὶ τὰ αἰχμάλωτα συνῆγεν. ἐφάνησαν δὲ νεκροὶ Ῥωμαίων μὲν τῶν ἐξ ἄστεος ἱππεῖς εἴκοσι καὶ τέσσαρες καὶ πεζοὶ τριακόσιοι μάλιστα, οὗς ὁ Ἀντίοχος ἔκτεινεν, Εὐμένους δὲ πεντεκαίδεκα ἱππεῖς μόνοι. Ἀντίοχου δέ, σὺν τοῖς αἰχμαλώτοις εἰκάζοντο ἀπολέσθαι περὶ πεντακισμυρίους· οὐ γὰρ εὐμαρὲς ἦν ἀριθμῆσαι διὰ τὸ πλῆθος. καὶ τῶν ἐλεφάντων οἱ μὲν ἀνήρηντο, πεντεκαίδεκα δ' αἰχμάλωτοι ἐγεγένητο.

[37] ὡς δ' ἐπὶ νίκη λαμπροτάτῃ καὶ παραλόγως τισὶ δοκούσῃ γενέσθαι· οὐ γὰρ εἰκὸς ἐνόμιζον ὀλιγωτέρους πολὺ πλείονων ἐν ἄλλοτρίᾳ γῇ παρὰ τοσόνδε κρατῆσαι, καὶ μάλιστα φάλαγγος Μακεδόνων, εὖ γεγυμνασμένης καὶ εὐανδρούσης τότε μάλιστα, καὶ δόξαν ἁμαχόν τε καὶ φοβερὰν ἐχούσης, οἱ μὲν Ἀντίοχου φίλοι τὴν προπέτειαν αὐτοῦ τῆς ἐς Ῥωμαίους διαφορᾶς καὶ τὴν ἐξ ἀρχῆς ἀπειρίαν τε καὶ ἀβουλίαν ἐπεμέμφοντο, Χερρόνησόν τε καὶ Λυσιμάχειαν αὐτοῖς ὅπλοις καὶ τοσῇδε παρασκευῇ μεθέντος ἐκ χειρῶν πρὶν καὶ ἐς πείραν ἐλθεῖν τοῖς πολεμίους, καὶ τὴν τοῦ Ἑλλησπόντου φυλακὴν ἐκλιπόντος, Ῥωμαίων οὐκ ἂν εὐμαρῶς ἐλπισάντων βιάσασθαι τὴν διάβασιν. κατεμέμφοντο δ' αὐτοῦ καὶ τὴν τελευταίαν ἀφροσύνην, ἀχρεῖον ἐν στενῷ τὸ κράτιστον τοῦ στρατοῦ πεπονηκότος, καὶ τὴν ἐλπίδα θεμένου ἐν πλήθει συγκλύδων ἀνδρῶν ἀρτιπολέμων μᾶλλον ἢ ἐν ἀνδράσι διὰ μελέτην καὶ χρόνον ἐργάταις τε οὖσι πολέμου καὶ ἐκ τοσῶνδε πολέμων τὸ φρόνημα ἐς εὐτολμίαν καὶ θάρσος ηὔξημένους. τοιαῦτα μὲν ἦν τὰ περὶ Ἀντίοχου λογοποιούμενα, Ῥωμαίοις δ' ἐπῆρτο τὰ φρονήματα, καὶ οὐδὲν ἔτι σφίσιν

ἡγοῦντο εἶναι δυσεργές ὑπὸ τε ἀρετῆς καὶ θεῶν ἐπικουρίας· καὶ γὰρ δὴ καὶ ἐς δόξαν εὐτυχίας ἔφερεν ὅτι οὕτω γε ὀλίγοι τε πολλῶν καὶ ἐξ ἐφόδου καὶ ἐν πρώτῃ μάχῃ καὶ ἐν ἀλλοτρίᾳ γῇ τοσῶνδε ἐθνῶν καὶ παρασκευῆς βασιλικῆς, καὶ μισθοφόρων ἀρετῆς, καὶ δόξης Μακεδόνων, καὶ βασιλέως αὐτοῦ μεγίστην τε ἀρχὴν κεκτημένου καὶ ἐπὶ κλησιν μεγάλου, κεκρατηκότες ἦσαν ἡμέρα μιᾷ. πολὺ τε σφίσιν ἦν τὸ ἔπος ἐν τοῖς λόγοις, ‘ἦν βασιλεὺς Ἀντίοχος ὁ μέγας.’

[38] τοιαῦτα μὲν δὴ καὶ Ῥωμαῖοι περὶ σφῶν ἐμεγαλάρχουν· ὁ δὲ ὕπατος, ἐπεὶ αὐτῷ ῥαΐσας ὁ ἀδελφὸς Πόπλιος ἦλθεν ἀπὸ τῆς Ἑλαίας, ἐχρημάτιζε τοῖς Ἀντιόχου πρέσβεισιν. οἱ μὲν δὴ μαθεῖν ἠξίουσαν ὅ τι ποιῶν ὁ βασιλεὺς Ἀντίοχος ἔσται Ῥωμαίοις φίλος· ὁ δὲ Πόπλιος αὐτοῖς ὧδε ἀπεκρίνατο:

αἴτιος μὲν αὐτῷ διὰ πλεονεξίαν Ἀντίοχος καὶ τῶν νῦν καὶ τῶν πρότερον γεγονότων, ὃς ἀρχὴν μεγίστην ἔχων τε, καὶ Ῥωμαίων αὐτὸν ἐόντων ἔχειν, Πτολεμαίου συγγενοῦς ἰδίου καὶ Ῥωμαίοις φίλου Συρίαν τὴν κοίλην ἀφείλετο, καὶ ἐς τὴν Εὐρώπην οὐδὲν αὐτῷ προσήκουσαν ἐμβαλὼν Θράκην κατεστρέφετο καὶ Χερρόνησον ὠχύρου καὶ Λυσιμάχειαν ἡγείρεν, ἐς τε τὴν Ἑλλάδα διελθὼν ἐδουλοῦτο τοὺς Ἕλληνας ὑπὸ Ῥωμαίων ἄρτι αὐτονόμους ἀφειμένους, μέχρι περὶ Θερμοπύλας ἡττήθη μάχῃ. καὶ φυγὼν οὐδ’ ὥς ἔληξε τῆς πλεονεξίας, ἀλλὰ καὶ τῇ θαλάττῃ πολλάκις ἐλαττωθεὶς σπονδῶν μὲν, ἄρτι τὸν Ἑλλήσποντον ἡμῶν πεπερακότων, ἐδεήθη, διὰ δὲ ὑπεροψίαν τὰ προτεινόμενα ὑπερεῖδε, καὶ στράτευμα αὐτῆς πολὺ καὶ παρασκευὴν ἄπειρον ἐφ’ ἡμᾶς συναγαγὼν ἐπολέμει, βιαζόμενος ἐς πείραν ἐλθεῖν τοῖς ἀμείνοσι, μέχρι συνηνέχθη μεγάλῳ κακῷ. ἡμᾶς δὲ εἰκὸς μὲν ἦν αὐτῷ μείζονα τὴν ζημίαν ἐπιθεῖναι, βιασασμένῳ πολλάκις Ῥωμαίοις ἐς χεῖρας ἐλθεῖν· ἀλλ’ οὐχ ὑβρίζομεν ταῖς εὐπραξίαις, οὐδ’ ἐπιβαροῦμεν τοῖς ἐτέρων ἀτυχήμασιν. δίδομεν δὲ ὅσα καὶ πρότερον αὐτῷ προὔτεινομεν, μικρὰ ἅττα προσθέντες, ὅσα καὶ ἡμῖν ἔσται χρήσιμα καὶ αὐτῷ λυσιτελεῖ πρὸς τὸ μέλλον ἐς ἀσφάλειαν, ἀπέχεσθαι μὲν αὐτὸν τῆς Εὐρώπης ὅλης καὶ Ἀσίας τῶν ἐπὶ τάδε τοῦ Ταύρου ‘καὶ τούτοις ὅροι τεθήσονται, παραδοῦναι δ’ ἐλέφαντας ὅσους ἔχει καὶ ναῦς ὅσας ἂν ἐπιτάξωμεν, ἐς τε λοιπὸν ἐλέφαντας μὲν οὐκ ἔχειν, ναῦς δὲ ὅσας ἂν ὀρίσωμεν, δοῦναι δὲ καὶ εἴκοσιν ὄμηρα, ἃ ἂν ὁ στρατηγὸς ἐπιγράψῃ, καὶ χρήματα ἐς τὴν τοῦδε τοῦ πολέμου δαπάνην, δι’ αὐτὸν γενομένου, τάλαντα Εὐβοϊκὰ αὐτίκα μὲν ἤδη πεντακόσια, καὶ ὅταν τάσδε τὰς σπονδὰς ἡ σύγκλητος ἐπιψηφίσῃ, δισχίλια καὶ πεντακόσια, δώδεκα δ’ ἔτεσιν ἄλλοις ἔτερα μύρια καὶ δισχίλια, τὸ μέρος ἐκάστου ἔτους ἀναφέροντα ἐς Ῥώμην· ἀποδοῦναι δ’ ἡμῖν αἰχμάλωτα καὶ αὐτόμολα πάντα, καὶ Εὐμένει ὅσα λοιπὰ τῆς πρὸς Ἀτταλὸν τὸν Εὐμένους πατέρα συνθήκης ἔχει. ταῦτα Ἀντιόχῳ πράττοντι ἀδόλως δίδομεν εἰρήνην τε καὶ φιλίαν, ὅταν ἡ σύγκλητος ἐπιψηφίσῃ.

[39] τοσαῦτα προὔτεινεν ὁ Σκιπίων, καὶ πάντα ἐδέχοντο οἱ πρέσβεις, το τε μέρος αὐτίκα τῶν χρημάτων καὶ τὰ εἴκοσιν ὄμηρα ἐκομίζετο, καὶ ἦν αὐτῶν Ἀντίοχος ὁ νεώτερος υἱὸς Ἀντιόχου. ἐς δὲ τὴν Ῥώμην οἱ τε Σκιπίωνες καὶ ὁ Ἀντίοχος πρέσβεις ἔπεμπον, καὶ ἡ βουλὴ τοῖς ἐγνωσμένοις συνετίθεντο. καὶ ἐγράφοντο συνθήκαι τοὺς Σκιπίωνος λόγους βεβαιοῦσαι τε καὶ περὶ τῶν ἀορίστων ἐπιλέγουσαι, καὶ βραχεὰ ἅττα προσεπιλαμβάνουσαι, ὅρον μὲν

Ἀντίοχῳ τῆς ἀρχῆς εἶναι δύο ἄκρας, Καλύκαδόν τε καὶ Σαρπηδόσιον, καὶ τάσδε μὴ παραπλεῖν Ἀντίοχον ἐπὶ πολέμῳ, ναῦς δὲ καταφράκτους ἔχειν δώδεκα μόνας, αἷς ἐς τοὺς ὑπηκόους πολέμου κατάρχειν: πολεμουμένον δὲ καὶ πλέοσι χρῆσθαι: μηδὲν δ' ἐκ τῆς Ῥωμαίων ξενολογεῖν, μηδὲ φυγάδας ἐξ αὐτῆς ὑποδέχεσθαι, καὶ τὰ ὅμηρα διὰ τριετίας ἐναλλάσσειν, χωρὶς γε τοῦ παιδὸς Ἀντίοχου. ταῦτα συγγραψάμενοί τε καὶ ἐς τὸ Καπιτώλιον ἐς δέλτους χαλκᾶς ἀναθέντες, οὗ καὶ τὰς ἄλλας συνθήκας ἀνατιθέασιν, ἔπεμπον ἀντίγραφα Μαλλίῳ Οὐούλσωνι τῷ διαδεδεγμένῳ τὴν Σκιπίωνος στρατηγίαν. ὁ δ' ὦμνυ τοῖς Ἀντίοχου πρέσβεσι περὶ Ἀπάμειαν τῆς Φρυγίας, καὶ ὁ Ἀντίοχος ἐπὶ τοῦτο πεμφθέντι Θέρμῳ χιλιάρχῳ. τοῦτο μὲν δὴ Ἀντίοχῳ μεγάλῳ τοῦ πρὸς Ῥωμαίους πολέμου τέλος ἦν. καὶ ἐδόκει μέχρι τοῦδε προελθεῖν μόνου διὰ χάριν τὴν ἐς τὸν παῖδα τὸν Σκιπίωνος Ἀντίοχῳ γενομένην:

[40] καὶ τινες τὸν Σκιπίωνα ἐπανελθόντα διέβαλλον ἐπὶ τῷδε, καὶ δήμαρχοι δύο δωροδοκίας αὐτὸν ἐγράψαντο καὶ προδοσίας, ὁ δὲ ἀδοξῶν καὶ ὑπερορῶν τοῦ ἐγκλήματος, ἐπεὶ συνῆλθε τὸ δικαστήριον ἧς ἡμέρας ποτὲ Καρχηδόνα παρεστήσατο, θυσίαν προύπεμψεν ἐς τὸ Καπιτώλιον, καὶ ἐς τὸ δικαστήριον αὐτὸς παρήλθεν ἐπὶ λαμπροῦ σχήματος ἀντὶ οἰκτροῦ καὶ ταπεινοῦ τῶν ὑπευθύνων, ὡς εὐθὺς ἐπὶ τῷδε πάντας ἐκπληξαί τε καὶ ἐς εὐνοίαν, ὡς ἐπὶ χρηστῷ δὴ συνειδότε μεγαλοφρονούμενον, προσαγαγέσθαι. λέγειν δὲ ἀρξάμενος τῆς μὲν κατηγορίας οὐδ' ἐπεμνήσθη, τὸν δὲ βίον ἑαυτοῦ καὶ ἐπιτηδεύματα καὶ ἔργα πάντα ἐπεξῆει, καὶ πολέμους ὅσους ἐπολέμησεν ὑπὲρ τῆς πατρίδος, καὶ ἕκαστον αὐτῶν ὡς ἐπολέμησεν, ὅσakis τε ἐνίκησεν, ὡς ἐγγενέσθαι τοῖς ἀκροωμένοις τι καὶ ἡδονῆς διὰ τὴν ἱστορίαν τῆς σεμνολογίας. ἐπεὶ δὲ ποτε προῆλθεν ἐπὶ Καρχηδόνα, ἐξάρας ἐς φαντασίαν τάδε μάλιστα, καὶ ὁρμῆς αὐτός τε ἐμπλησθεὶς καὶ τὸ πλῆθος ἐμπλήσας, εἶπεν ὅτι τῆσδε τῆς ἡμέρας ἐγὼ τάδε ἐνίκων καὶ Καρχηδόνα ὑμῖν, ὃ πολῖται, περιεποιοῦν, τὴν τέως ὑμῖν ἐπιφοβωτάτην. ἅπειμι δὴ θύσων τῆς ἡμέρας ἐς τὸ Καπιτώλιον: καὶ ὑμῶν ὅσοι φιλοπόλιδες, τῆς θυσίας μοι, γιγνομένης ὑπὲρ ὑμῶν συνάψασθε. ταῦτα ἔφη, καὶ ἐς τὸ Καπιτώλιον ἔθει, μηδὲν τῆς δίκης φροντίσας. εἶπετο δ' αὐτῷ τὸ πλῆθος καὶ οἱ πλέονες τῶν δικαστῶν σὺν εὐφύμῳ βοῇ, καὶ θύοντι ὅμοια ἐπεφώνουν. οἱ κατήγοροι δὲ ἠποροῦντο, καὶ οὔτε αὐτῷ τὴν δίκην αὔθις ὡς ἀτέλεστον ἐτόλμησαν ἐπιγράψαι, οὔτε μέμνησθαι δημοκοπίας, δυνατώτερον αὐτοῦ τὸν βίον εἰδότες ὑπονοίας τε καὶ διαβολῆς.

[41] ὁ μὲν δὴ Σκιπίων ὧδε ἐγκλήματος ἀναξίου τῶν βεβιωμένων οἱ κατεφρόνησε, σοφώτερον, ἐμοὶ δοκεῖν, Ἀριστείδου περὶ κλοπῆς καὶ Σωκράτους περὶ ὧν ἐνεκαλεῖτο οὐδὲν εἰπόντων ὑπ' ἀδοξίας ὁμοίας, ἢ Σωκράτους εἰπόντος ἃ δοκεῖ Πλάτωνι, μεγαλοφρονέστερον δὲ ἄρα καὶ Ἐπαμεινώνδου, ὃς ἐβιοιωτάρχει μὲν ἅμα Πελοπίδα καὶ ἐτέρῳ, ἐξέπεμψαν δὲ αὐτοὺς οἱ Θηβαῖοι, στρατὸν ἐκάστῳ δόντες, ἐπικουρεῖν Ἀρκάσι καὶ Μεσσηνίοις πολεμουμένοις ὑπὸ Λακώνων, οὐπω δ' ὅσα ἐπενόοουν ἐργασαμένους ἐπὶ διαβολῇ μετεκάλουν. οἱ δὲ τοῖς διαδόχοις σφῶν τὴν ἀρχὴν ἐπὶ μῆνας ἑξ οὐ μεθῆκαν, ἕως τὰ Λακεδαιμονίων φρούρια καθεῖλον καὶ ἐπέστησαν αὐθις ἕτερα τῶν Ἀρκάδων, Ἐπαμεινώνδου τοὺς συστρατήγους ἐς

τοῦτο ἀναγκάζοντός τε, καὶ ὑποδεχομένου τὸ ἔργον αὐτοῖς ἀξίμιον ἔσεσθαι. ἐπεὶ δὲ αὐτοῖς ἐπανελθοῦσιν οἱ κατήγοροι, καθ' ἓνα διώκοντες, ἐτιμῶντο θανάτου ἰθὺς. ἰθὺς γὰρ ὁ νόμος ἐξημίον τὸν ἐκ βίας ἀρχὴν ἄρξαντα ἀλλοτριάν, οἱ μὲν ἕτεροι διέφυγον οἰκτῶ τε χρώμενοι καὶ λόγοις πλείεσι, καὶ τὴν αἰτίαν ἐς τὸν Ἑπαμεινώνδαν ἀναφέροντες, αὐτὸν οὕτω λέγειν ὑποθέμενον αὐτοῖς καὶ λέγουσιν ἐπιμαρτυροῦντα: ὁ δὲ κρινόμενος τελευταῖος ὁμολογῶν, ἔφη, ἑκτατον ἄρξαι τόνδε τὸν χρόνον, καὶ οὕς ἀπελύσατε νῦν, ἐγὼ συναναγκάσαι. καὶ οὐ παραιτοῦμαι τὸν θάνατον παρανομήσας. αἰτῶ δ' ὑμᾶς ἀντὶ τῶν προβεβιωμένων μοι κατὰ τὸν τάφον ἐπιγράψαι: ὁ αὐτός ἐστιν ὁ περὶ Λεῦκτρα νικήσας καὶ τὴν πατρίδα, τοὺς ἐχθροὺς οὐκ ὑπομένουσιν, οὐδ' εἴ τις ξένος ἔχοι Λακωνικὸν πῖλον, ἐπὶ τὴν Σπάρτην αὐτὴν προαγαγών. οὗτος ὑπὸ τῆς πατρίδος ἀνήρηται, παρανομήσας ἐπὶ συμφέροντι τῆς πατρίδος." ταῦτ' εἰπὼν κατέβη τε τοῦ βήματος, καὶ παρεδίδου τὸ σῶμα τοῖς ἐθέλουσιν ἀπαγαγεῖν. οἱ δὲ δικασταὶ δὲ τῷ τε ὀνειδίει τοῦ λόγου καὶ θαύματι τῆς ἀπολογίας καὶ αἰδοῖ τοῦ ἀνδρὸς ἀπολογουμένου, τὰς ψήφους οὐκ ὑποστάντες λαβεῖν, ἐξέδραμον ἐκ τοῦ δικαστηρίου.

[42] τότε μὲν δὴ τις, ὥς ἐθέλοι, συγκρίνειν ἔχει: Μάλλιος δὲ ὁ τοῦ Σκιπίωνος διάδοχος τὴν ἀφαιρεθεῖσαν Ἀντιόχου γῆν ἐπιὼν καθίστατο, καὶ Γαλατῶν τῶν Ἀντιόχῳ συμμαχησάντων Τολιστοβοίους, ἀναφυγόντας ἐς τὸν Μύσιον Ὀλύμπον, ἐπιμύχθως τοῦ ὄρους ἐπιβάς ἐτρέπετο φεύγοντας, ἕως ἔκτεινε καὶ κατεκρήμινεν ὅσους ἀριθμήσασθαι διὰ τὸ πλῆθος οὐκ ἐγένετο, αἰχμαλώτους δ' ἔλαβεν ἐς τετρακισμυρίους, ὧν τὰ μὲν ὅπλα κατέκαυσε, τὰ δὲ σώματα, οὐ δυνάμενος τοσόνδε πλῆθος ἐν πολέμοις περιάγεσθαι, τοῖς ἐγγύς βαρβάροις ἀπέδοτο. ἐν δὲ Τεκτοσάγαις τε καὶ Τρόκμοις ἐκινδύνευσε μὲν ἐξ ἐνέδρας, καὶ ἔφυγεν: ἐπανελθὼν δὲ ἐς αὐλιζομένους τε καὶ βεβυσμένους ὑπὸ πλῆθους περιέστησε τοὺς ψιλοὺς αὐτοῖς, καὶ περιτρέχων ἐκέλευεν ἐσακοντίζειν μήτε προσπλεκομένους μήτε πλησιάζοντας. οὐδενὸς δὲ βέλους ἀτυχοῦντος διὰ τὴν πυκνότητα τῶν πολεμίων, ἔκτεινεν ἐς ὀκτακισχιλίους, καὶ ἐδίωξε τοὺς λοιποὺς ὑπὲρ Ἄλυν ποταμόν. Ἀριαράθου δὲ τοῦ Καππαδοκῶν βασιλέως, καὶ τοῦδε συμμάχους πέμψαντος Ἀντιόχῳ, δεδιότος τε καὶ δεομένου καὶ διακόσια τάλαντα πέμψαντος ἐπὶ τῇ δεήσει τὴν χώραν οὐκ ἐπέδραμεν, ἀλλ' ἐς τὸν Ἑλλησποντον ἐπανήλθε σὺν γάζῃ τε πολλῇ καὶ χρήμασιν ἀπείροις καὶ λεία βαρυτάτῃ καὶ στρατῷ καταγόμεν.

[43] τότε μὲν καλῶς ἐπέπρακτο τῷ Μάλλιῳ: τὸ δ' ἐντεῦθεν ἀλόγως πάμπαν ὥρᾳ θέρους πλεῦσαι μὲν ὑπερείδεν, οὕτε τὸ βάρος ὧν ἐπήγετο ποιησάμενος ἐνθύμιον, οὗτ' ἐπειγόμενος διαπονεῖν ἢ γυμνάζειν ὁδοιπορίας ἔτι στρατὸν οὐκ ἐς πόλεμον ὀρμῶντα ἀλλ' ἐς οἰκείαν μετὰ λαφύρων ἐπανιόντα, διὰ δὲ Θράκης ὤδευε, στενὴν καὶ μακρὰν καὶ δύσβατον ὁδόν, πνίγους ὥρᾳ, οὗτ' ἐς Μακεδονίαν Φιλίππῳ προεπιστεῖλας ἀπαντᾶν, ἵνα παραπέμψειεν αὐτόν, οὕτε τὸν στρατὸν ἐς μέρη πολλὰ διελὼν, ἵνα κουφότερον βαδίζοι καὶ τὰ χρήσιμα εὐμαρέστερα ἔχοι, οὕτε τὰ σκευοφόρα συντάξας ἐς λόχους ὀρθίους, ἢ εὐφυλακτότερα ἦ. ἀλλ' ἀθρόως ἦγεν ἅπαντας ἐπὶ μῆκος πολὺ, καὶ τὰ σκευοφόρα εἶχεν ἐν μέσῳ, μήτε τῶν πρόσθεν αὐτοῖς δυναμένων ἐπικουρεῖν μήτε τῶν ὀπισθεν ὀξέως διὰ μῆκος ὁμοῦ καὶ στενότητα τῆς ὁδοῦ. ὅθεν αὐτῷ

πανταχόθεν ἐς τὰ πλάγια τῶν Θρακῶν ἐπικειμένων, πολὺ μέρος ἀπώλεσε τῆς τε λείας καὶ τῶν δημοσίων χρημάτων καὶ αὐτοῦ δὴ τοῦ στρατοῦ. μετὰ δὲ τῶν ὑπολοίπων ἐς Μακεδονίαν διεσώθη. ᾧ δὴ καὶ μάλιστα ἐγένετο καταφανὲς ὅσον ὤνησε παραπέμπων τοὺς Σκιπίωνας ὁ Φίλιππος, καὶ ὅσον ἤμαρτεν Ἀντίοχος ἐκλιπὼν τὴν Χερρόνησον. ὁ δὲ Μάλλιος ἐκ τε Μακεδονίας Θεσσαλίαν διελθὼν καὶ ἐκ Θεσσαλίας Ἡπειρον ἐς Βρεντέσιον ἐπέρα, καὶ τὴν λοιπὴν στρατιὰν ἐς τὰ οἰκεῖα διαφεῖς ἐπανήλθεν ἐς Ῥώμην.

[44] Ῥόδιοι δὲ καὶ Εὐμένης ὁ Περγάμου βασιλεὺς μέγα φρονοῦντες ἐπὶ τῇ κατ' Ἀντιόχου συμμαχίᾳ, Εὐμένης μὲν αὐτὸς ἐς Ῥώμην ἐστέλλετο, Ῥόδιοι δὲ πρέσβεις ἔπεμπον. ἡ βουλὴ δὲ Ῥοδίοις μὲν ἔδωκε Λυκίους τε καὶ Κᾶρας, οὓς οὐ πολὺ ὕστερον ἀπέστησεν αὐτῶν ὡς Περσεὶ τῷ Μακεδόνι μᾶλλον ἢ σφίσι πολεμοῦσι τῷ Περσεὶ προθυμωτέρων γενομένων, Εὐμένει δὲ παρέσχον ὅσα λοιπὰ ἀφήρηντο Ἀντιόχον, χωρὶς Ἑλλήνων τῶν ἐν αὐτοῖς. τούτων δὲ ὅσοι μὲν Ἀττάλῳ τῷ πατρὶ Εὐμένους ἐτέλουν φόρους, ἐκέλευσαν Εὐμένει συμφέρειν, ὅσοι δ' Ἀντιόχῳ πρῶτον ἐτέλουν, ἀπέλυσαν τῶν φόρων καὶ αὐτονόμους ἀφῆκαν.

[45] ὧδε μὲν Ρωμαῖοι διέθεντο τὰ δορίκτητα, Ἀντιόχου δ' ὕστερον τοῦ μεγάλου βασιλέως τελευτήσαντος γίνεταί Σέλευκος ὁ υἱὸς διάδοχος· καὶ τὸν ἀδελφὸν ὅδε Ἀντιόχον ἐξέλυσε τῆς ὑπὸ Ῥωμαίοις ὀμηρείας, ἀντιδοὺς τὸν ἑαυτοῦ παῖδα Δημήτριον. Ἀντιόχου δ' ἐπανιόντος ἐκ τῆς ὀμηρείας καὶ ὄντος ἔτι περὶ Ἀθήνας, ὁ μὲν Σέλευκος ἐξ ἐπιβουλῆς Ἡλιοδώρου τινὸς τῶν περὶ τὴν αὐλὴν ἀποθνήσκει, τὸν δ' Ἡλιοδώρον Εὐμένης καὶ Ἀτταλὸς ἐς τὴν ἀρχὴν βιαζόμενον ἐκβάλλουσι, καὶ τὸν Ἀντιόχον ἐς αὐτὴν κατάγουσιν, ἐταιριζόμενοι τὸν ἄνδρα· ἀπὸ γὰρ τινῶν προσκρουμάτων ἤδη καὶ οἶδε Ῥωμαῖους ὑπεβλέποντο. οὕτω μὲν Ἀντιόχος ὁ Ἀντιόχου τοῦ μεγάλου Συρίας ἐπεκράτησεν· ὅτῳ παρὰ τῶν Σύρων ἐπώνυμον ἦν ἐπιφανής, ὅτι τῆς ἀρχῆς ἀρπαζομένης ὑπὸ ἀλλοτρίων βασιλεὺς οἰκεῖος ὤφθη. συνθέμενος δὲ φιλίαν καὶ συμμαχίαν Εὐμένει, Συρίας καὶ τῶν περὶ αὐτὴν ἐθνῶν ἐγκρατῶς ἦρχε, σατράπην μὲν ἔχων ἐν Βαβυλῶνι Τίμαρχον, ἐπὶ δὲ ταῖς προσόδοις Ἡρακλείδην, ἀδελφῷ μὲν ἀλλήλοιν, ἄμφω δὲ αὐτοῦ γενομένῳ παιδικὰ. ἐστράτευσεν δὲ καὶ ἐπὶ Ἀρταξίαν τὸν Ἀρμενίων βασιλέα.

[46] καὶ αὐτὸν ἐλὼν ἐτελεύτησεν, ἐνναετὲς παιδίον ἀπολιπών, Ἀντιόχον, ᾧ προσέθηκαν ὄνομα εὐπάτωρ οἱ Σύροι διὰ τὴν τοῦ πατρὸς ἀρετὴν. καὶ τὸ παιδίον ἔτρεφε Λυσίας. ἡ δὲ σύγκλητος ἦσθη φανέντος ἐν ὀλίγῳ τοῦ Ἀντιόχου γεννικοῦ καὶ ταχέως ἀποθανόντος. Δημήτριόν τε τὸν Σελεύκου μὲν υἱὸν Ἀντιόχου δὲ τοῦ ἐπιφανοῦς ἀδελφιδοῦν, υἱωνὸν δὲ τοῦ μεγάλου Ἀντιόχου, ἀνεψιὸν ὄντα τῷδε τῷ παιδίῳ, ὀμνεύοντα ἔτι ἐν Ῥώμῃ καὶ ἔτος ἄγοντα τρίτον ἐπὶ τοῖς εἴκοσιν, ἐς τὴν βασιλείαν καταχθῆναι παρακαλοῦντα ὡς αὐτῷ μᾶλλον προσήκουσαν, οὐ κατῆγον, οὐ συμφέρειν σφίσιν ἡγούμενοι τελειότερον ἄρχειν Σύρων ἀντὶ παιδὸς ἀτελοῦς. πυνθανόμενοι δ' ἐν Συρίᾳ στρατόν τ' ἐλεφάντων εἶναι καὶ ναῦς πλείονας τῶν ὀρισμένων Ἀντιόχῳ, πρέσβεις ἔπεμπον, οἱ τοὺς ἐλέφαντας συγκόψειν ἔμελλον καὶ τὰς ναῦς διαπρήσειν. οἰκτρὰ δὲ ἡ ὄψις ἦν ἀναιρουμένων θηρίων ἡμέρων τε καὶ σπανίων, καὶ νεῶν ἐμπιπραμένων· καὶ τις ἐν Λαοδικείᾳ Λεπτίνης τὴν ὄψιν

οὐκ ἐνεγκών, Γναῖον Ὀκτάουιον τὸν τῶνδε τῶν πρέσβων ἡγεμόνα, ἀλειφόμενον ἐν τῷ γυμνασίῳ, διεχρήσατο.

καὶ τὸν μὲν Ὀκτάουιον ἔθαπτεν ὁ Λυσίας,

[47] Δημήτριος δὲ αὖθις ἐς τὴν σύγκλητον ἐσελθὼν ἐδεῖτο τῆς γοῦν ὀμνηρίας μόνης ἀπολυθῆναι, ὥς Ἀντίοχου μὲν ἀντιδοθεῖς, Ἀντίοχου δ' ἀποθανόντος. ἐπεὶ δ' οὐκ ἐτύγγανεν οὐδὲ τοῦδε, λαθὼν ἐξέπλευσε, καὶ δεξαμένων αὐτὸν ἀσμένως τῶν Σύρων ἦρχε, τὸν τε Λυσίαν καὶ τὸ παιδίον ἐπ' αὐτῷ διαφθείρας, καὶ Ἡρακλείδην ἐκβαλὼν, καὶ Τίμαρχον ἐπανιστάμενον ἀνελών, καὶ τὰλλα πονηρῶς τῆς Βαβυλῶνος ἡγούμενον: ἐφ' ᾧ καὶ σωτήρ, ἀρξαμένων τῶν Βαβυλωνίων, ὠνομάσθη. κρατυνάμενος δὲ τὴν ἀρχὴν ὁ Δημήτριος στέφανόν τε Ῥωμαίοις ἀπὸ χρυσῶν μυρίων, χαριστήριον τῆς ποτὲ παρ' αὐτοῖς ὀμνηρίας, καὶ Λεπτίνην τὸν ἀνδροφόνον Ὀκταουίου. οἱ δὲ τὸν μὲν στέφανον ἐδέχοντο, Λεπτίνην δὲ οὐκ ἔλαβον, ὥς δὴ τι τοῦτ' ἔγκλημα τοῖς Σύροις ταμιευόμενοι. Δημήτριος δὲ καὶ ἐκ τῆς Καππαδοκῶν ἀρχῆς Ἀριαράθην ἐκβαλὼν, Ὀλοφέρνην ἐπὶ χιλίοις ταλάντοις ἀντ' αὐτοῦ κατήγαγεν, ἀδελφὸν εἶναι δοκοῦντα Ἀριαράθου. καὶ Ῥωμαίοις ἐδόκει μὲν, ὥς ἀδελφοῦς, Ἀριαράθην καὶ Ὀλοφέρνην βασιλεύειν ὁμοῦ.

[48] ἐκπεσόντων δὲ καὶ τῶνδε καὶ Ἀριοβαρζάνου μετ' αὐτοὺς οὐ πολὺ ὕστερον ὑπὸ Μιθριδάτου τοῦ Ποντικοῦ βασιλέως, ὁ Μιθριδάτειος πόλεμος ἐπὶ τῷδε καὶ ἐφ' ἑτέροις ἦρξατο συνίστασθαι, μέγιστός τε καὶ πολυτροπώτατος ἔθνεσι πολλοῖς γενόμενος, καὶ παρατείνας ἐς ἔτη μάλιστα τεσσαράκοντα, ἐν οἷς πολλαὶ μὲν ἀρχαὶ Σύροις ἐκ τοῦ βασιλείου γένους ὀλιγοχρόνιοι πάμπαν ἐγένοντο, πολλαὶ δὲ τροπαὶ καὶ ἐπαναστάσεις ἐπὶ τὰ βασίλεια. Παρθυαῖοι τε προαποστάντες ἀπὸ τῆς τῶν Σελευκιδῶν ἀρχῆς Μεσοποταμίαν ἐς ἑαυτοὺς περιέσπασαν, ἣ τοῖς Σελευκίδαις ὑπήκουεν. καὶ βασιλεὺς Ἀρμενίας Τιγράνης ὁ Τιγράνους ἔθνη πολλὰ τῶν περιοίκων ἰδίῳις δυνάσταις χρώμενα ἐλὼν, βασιλεὺς ἀπὸ τοῦδε βασιλέων ἡγεῖτο εἶναι, καὶ τοῖς Σελευκίδαις ἐπεστράτευεν οὐκ ἐθέλουσιν ὑπακούειν. οὐχ ὑποστάντος δ' αὐτὸν Ἀντίοχου τοῦ εὐσεβοῦς, ὁ Τιγράνης ἦρχε Συρίας τῆς μετ' Εὐφράτην, ὅσα γένη Σύρων μέχρι Αἰγύπτου. ἦρχε δὲ ὁμοῦ καὶ Κιλικίας 'καὶ γὰρ ἦδε τοῖς Σελευκίδαις ὑπήκουε, Μαγαδάτην στρατηγὸν ἐπιτάξας ἅπασιν, ἐπὶ ἔτη τεσσαρεσκαίδεκα.

[49] Λευκόλλου δὲ τοῦ Ῥωμαίων στρατηγοῦ Μιθριδάτην διώκοντος ἐς τὸν Τιγράνην ὑποφεύγοντα, ὁ Μαγαδάτης ἦι μετὰ τοῦ στρατοῦ Τιγράνη βοηθήσων, καὶ ἐν τῷδε παραδὺς ἐς τὴν Συρίαν Ἀντίοχος ὁ Ἀντίοχου τοῦ εὐσεβοῦς ἦρχε τῶν Σύρων ἐκόντων. καὶ αὐτῷ Λεύκολλος μὲν, ὁ Τιγράνη πρῶτός τε πολεμήσας καὶ τῆς ἐπικτήτου γῆς αὐτὸν ἐξελάσας, οὐκ ἐφθόνησεν ἀρχῆς πατρώας: Πομπήιος δέ, ὁ ἐπὶ Λευκόλλῳ Μιθριδάτην ἐξελὼν, Τιγράνη μὲν Ἀρμενίας συνεχώρησεν ἄρχειν, Ἀντίοχον δὲ ἐξέβαλε τῆς Σύρων ἀρχῆς, οὐδὲν ἐς Ῥωμαίους ἀμαρτόντα, ἔργῳ μὲν ὅτι ἦν εὐκόλον αὐτῷ, στρατιὰν ἔχοντι, πολλὴν ἀρχὴν ἄνοπλον ἀφελέσθαι, λόγῳ δὲ ὅτι τοὺς Σελευκίδας, ὑπὸ Τιγράνους ἐκπεσόντας, οὐκ εἰκὸς ἦν ἔτι Συρίας ἄρχειν μᾶλλον ἢ Ῥωμαίους Τιγράνην νενικηκότας.

[50] οὕτω μὲν δὴ Κιλικίας τε καὶ Συρίας τῆς τε μεσογείου καὶ κοίλης καὶ

Φοινίκης καὶ Παλαιστίνης, καὶ ὅσα ἄλλα Συρίας ἀπὸ Εὐφράτου μέχρι Αἰγύπτου καὶ μέχρι θαλάσσης ὀνόματα, ἀμαχὶ Ῥωμαῖοι κατέσχον. Ἐν δὲ γένος ἔτι τὸ Ἰουδαίων ἐνιστάμενον ὁ Πομπήιος ἐξεῖλε κατὰ κράτος, καὶ τὸν βασιλέα Ἀριστόβουλον ἐπεμψεν ἐς Ῥώμην, καὶ τὴν μεγίστην πόλιν Ἱεροσόλυμα καὶ ἀγιωτάτην αὐτοῖς κατέσκαψεν, ἣν δὴ καὶ Πτολεμαῖος ὁ πρῶτος Αἰγύπτου βασιλεὺς καθηρῆκει, καὶ Οὐεσπασιανὸς αὐθις οἰκισθεῖσαν κατέσκαψε, καὶ Ἀδριανὸς αὐθις ἐπ' ἐμοῦ. καὶ διὰ ταῦτ' ἐστὶν Ἰουδαίους ἅπασιν ὁ φόρος τῶν σωμάτων βαρύτερος τῆς ἄλλης περιοικίας. ἔστι δὲ καὶ Σύροις καὶ Κίλιξιν ἐτήσιος, ἑκατοστὴ τοῦ τιμήματος ἑκάστω. Πομπήιος μὲν οὖν τῶνδε τῶν ὑπὸ τοῖς Σελευκίδαις γενομένων ἐθνῶν τοῖς μὲν ... ἐπέστησεν οἰκείους βασιλέας ἢ δυνάστας, καθὰ καὶ Γαλατῶν τῶν ἐν Ἀσίᾳ τοῖς τέσσαρσι δυνάσταις ἐβεβαίωσε τὰς τετραδαρχίας, συμμαχήσασιν οἱ κατὰ Μιθριδάτου. καὶ οὐ πολὺ ὕστερον καὶ τάδε περιῆλθεν ἐς Ῥωμαίους, ἐπὶ Καίσαρος μάλιστα τοῦ Σεβαστοῦ, κατὰ μέρη.

[51] Συρίας δ' εὐθὺς ὁ Πομπήιος Σκαῦρον τὸν ἐν τοῖς πολέμοις ἑαυτῷ γενόμενον ταμίαν ἔταξεν ἡγεῖσθαι, καὶ ἡ βουλὴ Φίλιππον ἐπὶ Σκαύρῳ τὸν Μάρκιον, καὶ Μαρκελλῖνον Λέντλον ἐπὶ τῷ Φιλίππῳ, ἄμφω στρατηγικοὺς κατ' ἀξίωσιν. ἀλλὰ τῶνδε μὲν ἑκατέρῳ διετὴς ἐτρίφθη χρόνος, τοὺς γειτονας ἐνοχλοῦντας Ἀραβας ἀμυνομένῳ. καὶ τοῦδε χάριν ἐς τὸ ἔπειτα ἐγένοντο Συρίας στρατηγοὶ τῶν τὰ ἐπώνυμα ἀρξάντων ἐν ἅστει, ἵνα ἔχοιεν ἐξουσίαν καταλόγου τε στρατιᾶς καὶ πολέμου οἷα ὕπατοι. καὶ πρῶτος ἐκ τῶνδε ἐπέμφθη Γαβίνιος μετὰ στρατιᾶς. καὶ πολεμεῖν αὐτὸν ὀρμῶντα Μιθριδάτης μὲν ὁ Παρθυαίων βασιλεὺς, ἐξελαυνόμενος τῆς ἀρχῆς ὑπ' Ὀρώδου τοῦ ἀδελφοῦ, μετήγεν ἐξ Ἀράβων ἐπὶ Παρθυαίους, Πτολεμαῖος δὲ αὐτόν, ὁ ἐνδέκατος Αἰγύπτου βασιλεὺς, ἐκπεσὼν καὶ ὁδε τῆς ἀρχῆς, μετέπεισε χρήμασι πολλοῖς ἀντὶ Παρθυαίων ἐπὶ Ἀλεξανδρέας ὀρμῆσαι. καὶ κατήγαγε μὲν τὸν Πτολεμαῖον ἐπὶ τὴν ἀρχὴν ὁ Γαβίνιος, Ἀλεξανδρεῦσι πολεμήσας, ὑπὸ δὲ τῆς Ῥωμαίων βουλῆς ἔφυγεν ἐπὶ τῷ ἄνευ ψηφίσματος ἐς Αἴγυπτον ἐμβαλεῖν, ἐπὶ πολέμῳ Ῥωμαίοις ἀπαισιῷ νομιζόμενῳ: ἦν γάρ τι Σιβύλλειον αὐτοῖς ἀπαγορεῦον. ἐπὶ δὲ Γαβινίῳ μοι δοκεῖ Κράσσος ἄρξαι Σύρων, ὅτῳ πολεμοῦντι Παρθυαίοις ἡ μεγάλη συμφορὰ γίνεταί. καὶ ἐπὶ Λευκίου Βύβλου μετὰ Κράσσον στρατηγοῦντος Συρίας ἐς τὴν Συρίαν ἐσέβαλον οἱ Παρθυαῖοι. Σάξα δὲ μετὰ Βύβλον ἡγουμένου καὶ τὰ μέχρι Ἰωνίας ἐπέδραμον, ἀσχολουμένον Ῥωμαίων ἐς τὰ ἐπ' ἀλλήλους ἐμφύλια.

[52] ἀλλὰ τάδε μὲν ἐντελῶς ἐν τῇ Παρθικῇ συγγραφῇ λέξω: τῆς δὲ βίβλου τῆσδε οὗσης Συριακῆς, ὅπως μὲν ἔσχον Συρίαν Ῥωμαῖοι καὶ συνέστησαν ἐς τὰ νῦν ὄντα, εἴρηται, οὐκ ἀπεικὸς δὲ τὰ Μακεδόνων ἐπιδραμεῖν. οἱ πρὸ Ῥωμαίων Συρίας ἐβασίλευον.

Ἀλέξανδρος μὲν δὴ βασιλεὺς ἦν ἐπὶ Πέρσαις Σύρων, ὁ καὶ πάντων βασιλεὺς ὅσων εἶδεν: Ἀλεξάνδρου δ' ἀποθανόντος ἐπὶ παισὶ τῷ μὲν βραχεῖ πάντῳ δὲ ἔτι κυῖσκομένῳ, οἱ μὲν Μακεδόνες, πόθῳ τοῦ Φιλιππίου γένους, εἵλοντο σφῶν βασιλεύειν Ἀριδαῖον τὸν ἀδελφὸν Ἀλεξάνδρου, καίπερ οὐκ ἔμφορνα νομιζόμενον εἶναι, μετονομάσαντες δὴ Φίλιππον ἀντὶ Ἀριδαίου, τρεφομένων ἔτι τῶν παίδων Ἀλεξάνδρου ἐφύλαξαν γὰρ δὴ καὶ τὴν κύουσαν,

οἱ φίλοι δ' ἐς σατραπείας ἐνείμαντο τὰ ἔθνη, Περδίκκου διανέμοντος αὐτοῖς ὑπὸ τῷ βασιλεῖ Φιλίππῳ. καὶ οὐ πολὺ ὕστερον τῶν βασιλέων ἀποθανόντων βασιλεῖς ἐγένοντο οἱ σατράπαι. Σύρων δὴ πρῶτος γίγνεται σατράπης Λαομέδων ὁ Μιτυληναῖος ἐκ τε Περδίκκου καὶ ἐξ Ἀντιπάτρου τοῦ μετὰ τὸν Περδίκκαν προστατεύσαντος τῶν βασιλέων. Λαομέδοντα δ' ἐπιπλεύσας Πτολεμαῖος ὁ τῆς Αἰγύπτου σατράπης ἔπειθε πολλοῖς χρήμασιν ἐγχειρίσαι οἱ τὴν Συρίαν, προβολήν τε οὖσαν Αἰγύπτου καὶ ἐπιχείρημα κατὰ Κύπρου. καὶ οὐ πειθόμενον συλλαμβάνει· ὁ δὲ τοὺς φύλακας διαφθείρας πρὸς Ἀλκétαν ἔφυγεν ἐς Καρίαν. καὶ τινα χρόνον ὁ Πτολεμαῖος ἤρχε Συρίας, καὶ φρουρὰς ἐν ταῖς πόλεσι καταλιπὼν ἐς Αἴγυπτον ἀπέπλει.

[53] Ἀντίγονος δ' ἦν Φρυγίας μὲν καὶ Λυκίας καὶ Παμφυλίας σατράπης, ἐπίσκοπος δ' εἶναι τῆς ὅλης Ἀσίας ἐξ Ἀντιπάτρου περῶντος ἐς τὴν Εὐρώπην ἀπολελειμμένος Εὐμένη τὸν Καππαδοκίας σατράπην, ψηφισαμένων εἶναι πολέμιον τῶν Μακεδόνων, ἐπολιόρκει. ὁ δὲ αὐτὸν ἐκφεύγει, καὶ τὴν Μηδικὴν ἐκρατύνετο ἑαυτῷ. ἀλλ' Εὐμένη μὲν κτείνει καταλαβὼν ὁ Ἀντίγονος, καὶ ἐπανιὼν ὑπεδέχθη λαμπρῶς ὑπὸ Σελεύκου σατραπεύοντος ἐν Βαβυλῶνι. ὑβρίσαντος δὲ τινα τῶν ἡγεμόνων τοῦ Σελεύκου, καὶ οὐ κοινώσαντος Ἀντιγόνῳ παρόντι, χαλεπήνας ὁ Ἀντίγονος ἤτει λογισμοὺς χρημάτων τε καὶ κτημάτων. ὁ δὲ ἀσθενέστερος ὢν Ἀντιγόνου πρὸς Πτολεμαῖον ἐς Αἴγυπτον ὑπεχώρει. καὶ ὁ Ἀντίγονος εὐθὺς ἐπὶ τῇ φυγῇ τοῦ Σελεύκου Βλίτορά τε, Μεσοποταμίας ἡγούμενον, παρέλυσσε τῆς ἀρχῆς, ὅτι Σέλευκον μεθήκεν ἀπίοντα, καὶ τὴν Βαβυλωνίαν καὶ τὴν Μεσοποταμίαν καὶ ὅσα ἄλλα ἐκ Μήδων ἐπὶ τὸν Ἑλλήσποντον ἔθνη, καθίστατο ἑαυτῷ, ἥδη καὶ Ἀντιπάτρου τεθνεώτος. ἐπιφθονός τε εὐθὺς ἐκ τῶνδε τοῖς ἄλλοις σατράπαις ἐγίγνετο, γῆς ἄρχων τοσσησδε. διὸ καὶ μάλιστα τῷ Σελεύκῳ παρακαλοῦντι συνέθεντο Πτολεμαῖός τε καὶ Λυσίμαχος ὁ Θράκης σατράπης καὶ Κάσσανδρος ὁ Ἀντιπάτρου, Μακεδόνων ἐπὶ τῷ πατρὶ ἡγούμενος· καὶ ὁμοῦ πρεσβευσάμενοι τὸν Ἀντίγονον ἠξίουσαν τὴν ἐπικτήτων αὐτῷ γενομένην γῆν τε καὶ χρήματα πρὸς τε σφᾶς νείμασθαι καὶ πρὸς ἐτέρους Μακεδόνας, οἱ τῶν σατραπειῶν ἐξεπεπτώκεσαν. ἐπιχλευάσαντος δὲ αὐτοῦς τοῦ Ἀντιγόνου οἱ μὲν ἐς πόλεμον καθίσταντο κοινόν, ὁ δὲ ἀντιπαρεσκευάζετο, καὶ ἐξέβαλλε τὰς φρουρὰς ὅσαι ἔτι ἦσαν ἐν τῇ Συρίᾳ Πτολεμαίου, καὶ Φοινίκης τε καὶ τῆς λεγομένης κοίλης τὰ ἔτι ὑπήκοα τοῦ Πτολεμαίου πρὸς ἑαυτὸν ἀθρόως περιέσπα.

[54] χωρῶν δ' ὑπὲρ τὰς Κιλικίους πύλας, Δημήτριον τὸν υἱόν, ἀμφὶ δύο καὶ εἴκοσιν ἔτη γεγονότα, ἐν Γάζῃ μετὰ τοῦ στρατοῦ καταλείπει πρὸς τὰς ὁρμὰς Πτολεμαίου τὰς ἀπ' Αἰγύπτου. τοῦτον ὁ Πτολεμαῖος ἐνίκα περὶ τὴν Γάζαν μάχῃ λαμπρῶς, καὶ τὸ μειράκιον ἐς τὸν πατέρα ἐχώρει. Πτολεμαῖος δ' αὐτίκα τὸν Σέλευκον ἐς τὴν Βαβυλῶνα πέμπει, τὴν ἀρχὴν ἀναληψόμενον· καὶ πεζοὺς ἐς τοῦτο ἔδωκεν αὐτῷ χιλίους, καὶ τριακοσίους ἵππεις. καὶ σὺν οὕτως ὀλίγοις ὁ Σέλευκος τὴν τε Βαβυλωνίαν, προθύμως αὐτὸν ἅμα τῶν ἀνδρῶν ἐκδεχομένων, ἀνέλαβε, καὶ τὴν ἀρχὴν μετ' οὐ πολὺ ἐς μέγα προήγαγεν. ὁ δ' Ἀντίγονος Πτολεμαῖον ἡμύνετο, καὶ ναυμαχίᾳ περὶ Κύπρον ἐνίκα περιφανεῖ, Δημητρίου τοῦ παιδὸς στρατηγούντος· ἐφ' ὅτῳ λαμπροτάτῳ γενομένῳ ὁ στρατὸς ἀνείπεν ἅμφω βασιλέας, Ἀντίγονόν τε καὶ Δημήτριον, ἥδη καὶ τῶν

βασιλέων τεθνεώτων, Ἀριδαίου τε τοῦ Φιλίππου καὶ Ὀλυμπιάδος καὶ τῶν υἱῶν Ἀλεξάνδρου. ἀνεῖπε δὲ καὶ Πτολεμαῖον ὁ οἰκεῖος αὐτοῦ στρατός βασιλέα, ὥς μὴ τι διὰ τὴν ἥσσαν μειονεκτοίῃ τῶν νενικηκότων. τοῖσδε μὲν δὴ τυχεῖν ὁμοίων συνηγέθη κατ' ἐναντίας αἰτίας, εἶποντο δ' εὐθὺς αὐτοῖς οἱ λοιποί, καὶ βασιλεῖς ἅπαντες ἐκ σατραπῶν ἐγίνοντο.

[55] οὕτω δὴ καὶ ὁ Σέλευκος ἐβασίλευσε τῆς Βαβυλωνίας. ἐβασίλευσε δὲ καὶ Μηδίας, Νικάτορα κτείνας αὐτὸς ἐν τῇ μάχῃ, τὸν ὑπ' Ἀντιγόνου Μηδίας σατραπεύειν ἀπολελειμμένον. πολέμους δ' ἐπολέμησε πολλοὺς Μακεδόσι καὶ βαρβάροις, καὶ τούτων Μακεδόσι μὲν δύο μεγίστους, τὸν μὲν ὕστερον Λυσιμάχῳ βασιλεύοντι Θράκης, τὸν δὲ πρότερον Ἀντιγόνῳ περὶ Ἴψον τῆς Φρυγίας, αὐτῷ στρατηγοῦντι καὶ αὐτῷ μαχομένῳ, καίπερ ὑπὲρ ὀγδοήκοντα ἔτη γεγονότι. πεσόντος δ' Ἀντιγόνου κατὰ τὴν μάχην, ὅσοι βασιλεῖς τὸν Ἀντίγονον ἅμα τῷ Σελεύκῳ καθηγήκεσαν, τὴν Ἀντιγόνου γῆν διενέμοντο. καὶ ὁ Σέλευκος τότε τῆς μετ' Εὐφράτην Συρίας ἐπὶ θαλάσση καὶ Φρυγίας τῆς ἀνὰ τὸ μεσόγειον ἄρχειν διέλαχεν. ἐφεδρεύων δὲ αἰεὶ τοῖς ἐγγὺς ἔθνεσι, καὶ δυνατὸς ὢν βιάσασθαι καὶ πιθανὸς προσαγαγέσθαι, ἤρξε Μεσοποταμίας καὶ Ἀρμενίας καὶ Καππαδοκίας τῆς Σελευκίδος λεγομένης καὶ Περσῶν καὶ Παρθυαίων καὶ Βακτρίων καὶ Ἀράβων καὶ Ταπύρων καὶ τῆς Σογδιανῆς καὶ Ἀραχωσίας καὶ Ὑρκανίας, καὶ ὅσα ἄλλα ὅμορα ἔθνη μέχρι Ἰνδοῦ ποταμοῦ Ἀλεξάνδρῳ ἐγεγένητο δορίληπτα, ὥς ὀρίσθαι τῷδε μάλιστα μετ' Ἀλέξανδρον τῆς Ἀσίας τὸ πλέον: ἀπὸ γὰρ Φρυγίας ἐπὶ ποταμὸν Ἰνδὸν ἄνω πάντα Σελεύκῳ κατήκουεν. καὶ τὸν Ἰνδὸν περάσας ἐπολέμησεν Ἀνδροκόττῳ βασιλεῖ τῶν περὶ αὐτὸν Ἰνδῶν, μέχρι φιλίαν αὐτῷ καὶ κῆδος συνέθετο. καὶ τῶνδε τὰ μὲν πρὸ τῆς Ἀντιγόνου τελευτῆς, τὰ δὲ μετ' Ἀντίγονον ἐποίησεν.

[56] λέγεται δ' αὐτῷ, στρατιώτῃ τοῦ βασιλέως ἔτι ὄντι καὶ ἐπὶ Πέρσας ἐπομένῳ, χρησμὸν ἐν Διδυμέως γενέσθαι πυνθανομένῳ περὶ τῆς ἐς Μακεδονίαν ἐπανόδου, 'μὴ σπεῦδ' Εὐρώπηνδ'. Ἀσίῃ τοι πολλὸν ἀμείνων.' καὶ ἐν Μακεδονίᾳ τὴν ἐστίαν αὐτῷ τὴν πατρίαν, οὐδενὸς ἄψαντος, ἐκλάμψαι πῦρ μέγα. καὶ ὄναρ αὐτοῦ τὴν μητέρα ἰδεῖν, ὃν ἂν εὖροι δακτύλιον, δοῦναι φόρημα Σελεύκῳ, τὸν δὲ βασιλεύσειν ἔνθα ἂν ὁ δακτύλιος ἐκπέσῃ. καὶ ἡ μὲν ἡὔρεν ἄγκυραν ἐν σιδήρῳ κεχαραγμένην, ὃ δὲ τὴν σφραγίδα τήνδε ἀπώλεσε κατὰ τὸν Εὐφράτην. λέγεται καὶ ἐς τὴν Βαβυλωνίαν ἀπionτα ὕστερον προσκόψαι λίθῳ, καὶ τὸν λίθον ἀνασκαφέντα ἄγκυραν ὀφθῆναι. θορυβουμένων δὲ τῶν μάντεων ὥς ἐπὶ συμβόλῳ κατοχῆς, Πτολεμαῖον τὸν Λάγου παραπέμποντα εἰπεῖν ἀσφαλείας τὴν ἄγκυραν, οὐ κατοχῆς εἶναι σύμβολον. καὶ Σελεύκῳ μὲν διὰ τοῦτο ἄρα καὶ βασιλεύσαντι ἡ σφραγὶς ἄγκυρα ἦν, δοκεῖ δέ τις καὶ περιόντος ἔτι Ἀλεξάνδρου καὶ ἐφορῶντος ἕτερον τῷ Σελεύκῳ σημεῖον περὶ τῆς ἀρχῆς τοιόνδε γενέσθαι. Ἀλεξάνδρῳ γὰρ ἐξ Ἰνδῶν ἐς Βαβυλῶνα ἐπανελθόντι, καὶ τὰς ἐν αὐτῇ τῇ Βαβυλωνίᾳ λίμνας ἐπὶ χρειᾷ τοῦ τὸν Εὐφράτην τὴν Ἀσσυρίδα γῆν ἄρδευειν περιπλέοντι, ἄνεμος ἐμπεσὼν ἤρπασε τὸ διάδημα, καὶ φερόμενον ἐκρεμάσθη δόνακος ἐν τάφῳ τινὸς ἀρχαίου βασιλέως. καὶ ἐσήμαινε μὲν ἐς τὴν τελευτὴν τοῦ βασιλέως καὶ τότε, ναύτην δὲ φασιν ἐκκολυμβήσαντα περιθέσθαι τῇ κεφαλῇ τὸ διάδημα καὶ ἐνεγκεῖν ἄβροχον Ἀλεξάνδρῳ, καὶ λαβεῖν τῆς προθυμίας αὐτίκα δωρεὰν παρὰ

τοῦ βασιλέως τάλαντον ἀργυρίου: τῶν δὲ μάντεων αὐτὸν ἀναιρεῖν κελευόντων οἱ μὲν πεισθῆναι τὸν Ἀλέξανδρον αὐτοῖς, οἱ δὲ ἀντεπεῖν. εἰσὶ δὲ οἱ τάδε πάντα ὑπερελθόντες, οὐ ναύτην ὅλως φασὶν ἀλλὰ Σέλευκον ἐπὶ τὸ διάδημα τοῦ βασιλέως ἐκκολυμβῆσαι, καὶ περιθέσθαι Σέλευκον αὐτὸ τῇ κεφαλῇ, ἔν' ἄβροχον εἶη. καὶ τὰ σημεῖα ἐς τέλος ἀμφοῖν ἀπαντήσαι. Ἀλέξανδρόν τε γὰρ ἐν Βαβυλῶνι μεταστῆναι τοῦ βίου, καὶ Σέλευκον τῆς Ἀλεξάνδρου γῆς, ὅτι πλείστης μάλιστα τόνδε τῶν Ἀλεξάνδρου διαδόχων, βασιλεῦσαι.

[57] τοσαῦτα μὲν δὴ περὶ τῶν Σελεύκῳ προμαντευθέντων ἐπιτόμην: γίγνεται δ' εὐθὺς Ἀλεξάνδρου μεταστάντος ἡγεμῶν τῆς ἵππου τῆς ἐταιρικῆς ἣς δὴ καὶ Ἥφαιστίων ἡγήσατο Ἀλεξάνδρῳ καὶ ἐπὶ Ἥφαιστίωνι Περδίκκας, μετὰ δὲ τὴν ἵππον σατράπης τε τῆς Βαβυλωνίας καὶ βασιλεὺς ἐπὶ τῇ σατραπείᾳ. γενομένῳ δὲ αὐτῷ τὰ ἐς πολέμους ἐπιτυχεστάτῳ Νικάτωρ ἐπώνυμον γίγνεται: τῷδε γὰρ ἀρέσκομαι μᾶλλον τοῦ Νικάτορα κτεῖναι. καὶ τὸ σῶμα ὄντι εὐρώσῃ τε καὶ μεγάλῳ, καὶ ταῦρον ἄγριον ἐν Ἀλεξάνδρου θυσίᾳ ποτὲ ἐκθορόντα τῶν δεσμῶν ὑποστάντι μόνῳ καὶ ταῖς χερσὶ μόναις κατειργασμένῳ, προστιθέασιν ἐς τοὺς ἀνδριάντας ἐπὶ τῷδε κέρατα. πόλεις δὲ ὥκισεν ἐπὶ τὸ μῆκος τῆς ἀρχῆς ὅλης ἐκκαίδεκα μὲν Ἀντιοχείας ἐπὶ τῷ πατρί, πέντε δὲ ἐπὶ τῇ μητρὶ Λαοδικείας, ἑννέα δ' ἐπώνυμους ἑαυτοῦ, τέσσαρας δ' ἐπὶ ταῖς γυναιξί, τρεῖς Ἀπαμείας καὶ Στρατονίκειαν μίαν. καὶ εἰσὶν αὐτῶν ἐπιφανέσταται καὶ νῦν Σελεύκειαι μὲν ἢ τε ἐπὶ τῇ θαλάσῃ καὶ ἢ ἐπὶ τοῦ Τίγρητος ποταμοῦ, Λαοδίκεια δὲ ἢ ἐν τῇ Φοινίκῃ καὶ Ἀντιόχεια ἢ ὑπὸ τῷ Λιβάνῳ ὄρει καὶ ἢ τῆς Συρίας Ἀπάμεια. τὰς δὲ ἄλλας ἐκ τῆς Ἑλλάδος ἢ Μακεδονίας ὠνόμαζεν, ἢ ἐπὶ ἔργοις ἑαυτοῦ τισιν, ἢ ἐς τιμὴν Ἀλεξάνδρου τοῦ βασιλέως: ὅθεν ἔστιν ἐν τῇ Συρίᾳ καὶ τοῖς ὑπὲρ αὐτὴν ἄνω βαρβάροις πολλὰ μὲν Ἑλληνικῶν πολλὰ δὲ Μακεδονικῶν πολισμάτων ὀνόματα, Βέρροια, Ἔδεσσα, Πέρινθος, Μαρώνεια, Καλλίπολις, Ἀχαῖα, Πέλλα, Ὠρωπός, Ἀμφίπολις, Ἀρέθουσα, Ἀστακός, Τεγέα, Χαλκίς, Λάρισα, Ἥρεια, Ἀπολλωνία, ἐν δὲ τῇ Παρθυνῇ Σώτεια, Καλλιόπη, Χάρις, Ἑκατόμυλος, Ἀχαῖα, ἐν δ' Ἰνδοῖς Ἀλεξανδρόπολις, ἐν δὲ Σκύθαις Ἀλεξανδρέσχατα. καὶ ἐπὶ ταῖς αὐτοῦ Σελεύκου νίκαις ἔστι Νικηφόριον τε ἐν τῇ Μεσοποταμίᾳ καὶ Νικόπολις ἐν Ἀρμενίᾳ τῇ ἀγχοτάτῳ μάλιστα Καππαδοκίας.

[58] φασὶ δὲ αὐτῷ τὰς Σελευκειάς οἰκίζοντι, τὴν μὲν ἐπὶ τῇ θαλάσῃ, διοσημίαν ἡγήσασθαι κεραυνοῦ, καὶ διὰ τοῦτο θεὸν αὐτοῖς κεραυνὸν ἔθετο, καὶ θρησκεύουσι καὶ ὑμνοῦσι καὶ νῦν κεραυνόν: ἐς δὲ τὴν ἐπὶ τοῦ Τίγρητος ἡμέραν ἐπιλέξασθαι τοὺς μάγους κελευομένους, καὶ τῆς ἡμέρας ὥραν, ἣ τῶν θεμελίων ἄρξασθαι τῆς ὀρυχῆς ἔδει, ψεύσασθαι τὴν ὥραν τοὺς μάγους, οὐκ ἐθέλοντας ἐπιτείχισμα τοιόνδε σφίσι γενέσθαι. καὶ Σέλευκος μὲν ἐν τῇ σκηνῇ τὴν δεδομένην ὥραν ἀνέμενεν, ὁ δὲ στρατὸς ἐς τὸ ἔργον ἔτοιμος, ἀτρεμῶν ἔστε σημήνειεν ὁ Σέλευκος, ἄφνω κατὰ τὴν αἰσιωτέραν ὥραν δόξαντές τινα κελεύειν ἐπὶ τὸ ἔργον ἀνεπήδησαν, ὥς μηδὲ τῶν κηρύκων ἐρυκόντων ἔτι ἀνασχέσθαι. τὸ μὲν δὴ ἔργον ἐξετετέλεστο, Σελεύκῳ δὲ ἀθύμως ἔχοντι, καὶ τοὺς μάγους αὐθις ἀνακρίνοντι περὶ τῆς πόλεως, ἄδειαν αἰτήσαντες ἔλεγον οἱ μάγοι: 'τὴν πεπρωμένην ὧ βασιλεῦ μοῖραν, χεῖρόνᾳ τε καὶ κρεῖσσονα, οὐκ

ἔστιν οὔτε ἀνδρὸς οὔτε πόλεως ἐναλλάξει. μοῖρα δέ τις καὶ πόλεων ἔστιν ὥσπερ ἀνδρῶν. καὶ τήνδε χρονιωτάτην μὲν ἐδόκει τοῖς θεοῖς γενέσθαι, ἀρχομένην ἐκ τήσδε τῆς ὥρας ἧς ἐγένετο: δειμαίνοντες δ' ἡμεῖς ὡς ἐπιτείχισμα ἡμῖν ἐσομένην, παρεφέρομεν τὸ πεπρωμένον. τὸ δὲ κρεῖσσον ἦν καὶ μάγων πανουργούντων καὶ βασιλέως ἀγνοοῦντος αὐτό. τοιγάρτοι τὸ δαιμόνιον τὰ αἰσιώτερα τῷ στρατῷ προσέταξεν. καὶ τοῦτο ἐνι σοι καταμαθεῖν ὧδε, ἵνα μὴ τι καὶ νῦν ἡμᾶς ἔτι τεχνάζειν ὑπονοῇς. αὐτὸς τε γὰρ ὁ βασιλεὺς σὺ τῷ στρατῷ παρεκάθησο, καὶ τὸ κέλευσμα αὐτὸς ἐδεδώκεις ἀναμένειν: καὶ ὁ εὐπειθέστατος ὢν σοι πρὸς κινδύνους καὶ πόνους οὐκ ἠνέσχετο νῦν οὐδὲ ἀναπαύσεως ἐπιτάγματος, ἀλλ' ἀνέθορεν, οὐδὲ ἀνὰ μέρος ἀλλ' ἀθρόως, ἐπιστάταις αὐτοῖς, καὶ ἐνόμιζε κεκελεύσθαι. καὶ ἐκεκέλευστο δῆ: διόπερ οὐδὲ σοῦ κατερύκοντος αὐτοὺς ἔτι ἐπείθοντο. τί ἂν οὖν βασιλέως ἐν ἀνθρώποις εἴη καρτερώτερον ἄλλο θεοῦ; ὃς τῆς σῆς γνώμης ἐπεκράτησε, καὶ ἡγεμόνευσέ σοι τῆς πόλεως ἀντὶ ἡμῶν, δυσμεναίων ἡμῖν τε καὶ γένει παντὶ τῷ περιοίκῳ. ποῦ γὰρ ἔτι τὰ ἡμέτερα ἰσχύσει, δυνατωτέρου γένους παρῳκισμένου; ἢ μὲν δὴ πόλις σοι γέγονε σὺν τύχῃ καὶ μεγιστεύσει καὶ χρόνιος ἔσται: σὺ δὲ ἡμῖν, ἐξαμαρτοῦσιν ὑπὸ δέους οἰκείων ἀγαθῶν ἀφαιρέσεως, τὴν συγγνώμην βεβαίου.' ταῦτα τῶν μάγων εἰπόντων ὁ βασιλεὺς ἦσθη καὶ συνέγνω.

[59] τοιαύδε μὲν ἐπυθόμην περὶ Σελευκείας: ὁ δὲ Σέλευκος τὸν υἱὸν Ἀντίοχον, περιὼν ἔτι, τῆς ἅνω γῆς βασιλεύειν ἀπέφηνεν ἀνθ' ἑαυτοῦ. καὶ εἰ τῷ μεγάλῳφρον εἶναι τόδε φαίνεται καὶ βασιλικόν, μεγαλοφρονέστερον ἔτι καὶ σοφώτερον ἦνεγκε τὸν ἔρωτα τοῦ παιδὸς καὶ τὴν ἐς τὸ πάθος αὐτοῦ σωφροσύνην. ἦρα μὲν γὰρ ὁ Ἀντίοχος Στρατονίκης τῆς αὐτοῦ Σελεύκου γυναικός, μητρυῖας οἱ γενομένης καὶ παῖδα ἤδη τῷ Σελεύκῳ πεποιημένης, συγγιγνώσκων δὲ τὴν ἀθεμιστίαν τοῦ πάθους οὔτε ἐπεχειρεῖ τῷ κακῷ οὔτε πρῶφερεν, ἀλλ' ἐνόσει καὶ παρεῖτο καὶ ἐκὼν ἐς τὸν θάνατον συνήργει. οὐδ' ὁ περιώνυμος ἱατρὸς Ἑρασίστρατος, ἐπὶ μεγίσταις συντάξεισι Σελεύκῳ συνών, εἶχε τεκμήρασθαι τοῦ πάθους, μέχρι φυλάξας καθαρὸν ἐκ πάντων τὸ σῶμα, εἵκασεν εἶναι τῆς ψυχῆς τὴν νόσον, ἣ δὴ καὶ ἐρρωμένη καὶ νοσοῦση τὸ σῶμα συναίσθεται. λύπας μὲν οὖν καὶ ὀργὰς καὶ ἐπιθυμίας ἄλλας ὁμολογεῖσθαι, ἔρωτα δ' ἐπικρύπτεσθαι πρὸς τῶν σωφρόνων. οὐδὲν δὲ οὐδ' ὥς τοῦ Ἀντίοχου φράζοντος αὐτῷ λιπαροῦντι μαθεῖν ἐν ἀπορρήτῳ, παρεκαθέζετο καὶ ἐφύλασσε τὰς τοῦ σώματος μεταβολάς, ὅπως ἔχοι πρὸς ἕκαστον τῶν ἐσιόντων. ὥς δὲ ἤρπεν ἐπὶ μὲν τῶν ἄλλων σβεννύμενον αἰεὶ τὸ σῶμα καὶ μαραινόμενον ὁμαλῶς, ὅτε δὲ ἡ Στρατονίκη παρίοι πρὸς αὐτὸν ἐπισκευομένη, τὴν μὲν γνώμην ὑπ' αἰδοῦς καὶ συνειδότος τότε μάλιστα αὐτὸν ἐνοχλούμενον καὶ σιωπῶντα, τὸ δὲ σῶμα καὶ ἄκοντος αὐτοῦ θαλερώτερόν τε γιγνόμενον αὐτῷ καὶ ζωτικώτερον, καὶ αὐθις ἀπιούσης ἀσθενέστερον, ἔφη τῷ Σελεύκῳ τὸν υἱὸν ἀνιάτως ἔχειν αὐτῷ. ὑπεραλγῆσαντος δὲ τοῦ βασιλέως καὶ ἐκβοήσαντος εἶπεν: 'ἔρως ἔστι τὸ πάθος, καὶ ἔρως γυναικός, ἀλλ' ἀδύνατος.'

[60] Σελεύκου δὲ θαυμάσαντος εἰ τίνα μὴ δύναίτο πείσαι Σέλευκος ὁ τῆς Ἀσίας βασιλεὺς, ἐπὶ γάμῳ τοιοῦδε παιδός, ἱκεσίᾳ τε καὶ χρήμασι καὶ δωρεαῖς καὶ ὅλῃ τῇ τοσσηδε βασιλείᾳ, περιούση μὲν ἐς τόνδε τὸν κάμνοντα βασιλέα, δοθησομένη δὲ καὶ νῦν ἀντὶ τῆς σωτηρίας εἰ ἤδη τις ἐθέλοι, καὶ μόνον

ἀξιοῦντος μαθεῖν τίς ἐστι τὸ γύναιον, ὁ Ἑρασίστρατος ἔφη: 'τῆς ἐμῆς γυναικὸς ἐρᾶ.' καὶ ὁ Σέλευκος, 'εἴτ' ὧ 'γαθέ,' ἔφη, 'φιλίας μὲν οὕτω καὶ χαρίτων ἔχων ἐφ' ἡμῖν, ἀρετῆς δὲ καὶ σοφίας ἐν ὀλίγοις, οὐ σώσεις μοι νέον ἄνδρα καὶ βασιλικόν, φίλου καὶ βασιλέως υἱόν, ἀτυχοῦντα καὶ σωφρονοῦντα καὶ τὸ κακὸν ἐπικρύπτοντα καὶ προτιμώμενον αὐτῷ θανάτου, ἀλλ' ὑπερόψει μὲν οὕτως Ἀντιόχον, ὑπερόψει δ' ἐπ' αὐτῷ καὶ Σέλευκον;' ὁ δ' ἀπομαχόμενος εἶπε λόγον ὡς ἄφυκτον, ὅτι μὴδ' ἂν σύ, καίπερ ὢν πατήρ, τῆς σῆς Ἀντιόχος εἰ ἦρα γυναικός, μεθῆκας ἂν αὐτῷ τὴν γυναῖκα. ἐνθα δὴ πάντας ὤμνυ τοὺς βασιλείους θεοὺς ὁ Σέλευκος, ἥ μὴν ἐκὼν ἂν καὶ χαίρων μεθεῖναι καὶ διήγημα γενέσθαι καλὸν εὐνοίας ἀγαθοῦ πατρὸς ἐς παῖδα σώφρονα καὶ ἐγκρατῆ τοῦ κακοῦ καὶ ἀνάξιον τῆς συμφορᾶς. πολλὰ τε ὅμοια ἐπενεγκών, ἥρξατο ἄχθεσθαι ὅτι μὴ αὐτὸς αὐτῷ γίγνοιτο ἱατρὸς ἀτυχοῦντι, ἀλλὰ καὶ ἐς ταῦτα δέοιτο Ἑρασιστράτου.

[61] ὁ δ' ἐπεὶ κατείδε τὴν ὁρμὴν τοῦ βασιλέως ἔργον ὑποφαίνουσας, οὐχ ὑπόκρισιν, ἀνεκάλυπτε τὸ πάθος, καὶ ὅπως αὐτὸ εὖροι κρυπτόμενον διηγείτο. Σελεύκῳ δὲ ἡσθέντι ἔργον μὲν ἐγένετο πείσαι τὸν υἱόν, ἔργον δ' ἐπ' ἐκείνῳ τὴν γυναῖκα: ὡς δ' ἔπεισε, τὴν στρατιὰν συναγαγών, αἰσθομένην ἴσως ἤδη τι τούτων, κατελογίζετο μὲν αὐτοῖς τὰ ἔργα τὰ ἑαυτοῦ καὶ τὴν ἀρχήν, ὅτι δὴ μάλιστα τῶν Ἀλεξάνδρου διαδόχων ἐπὶ μήκιστον προαγάγοι: διὸ καὶ γηρῶντι ἤδη δυσκράτητον εἶναι διὰ τὸ μέγεθος. 'ἐθέλω δέ,' ἔφη, 'διελεῖν τὸ μέγεθος ἐς τὴν ὑμετέραν τοῦ μέλλοντος ἀμεριμνίαν, καὶ τὸ μέρος ἤδη δοῦναι τοῖς ἐμοῖς φιλότατοις. δίκαιοι δ' ἐστέ μοι πάντες ἐς πάντα συνεργεῖν, οἱ ἐς τοσοῦτον ἀρχῆς καὶ δυνάμεως ἠξήθητε ὑπ' ἐμοῦ μετ' Ἀλέξανδρον. φίλτατοι δ' εἰσὶ μοι καὶ ἀρχῆς ἄξιοι τῶν τε παίδων ὁ τέλειος ἤδη καὶ ἡ γυνή. ἤδη δ' αὐτοῖς καὶ παῖδες, ὡς νέοις, γένοιντο ταχέως, καὶ πλέονες φύλακες ὑμῖν τῆς ἡγεμονίας εἶεν. ἀρμόζω σφίσιν ἀλλήλους ἐφ' ὑμῶν, καὶ πέμπω βασιλέας εἶναι τῶν ἐθνῶν ἤδη τῶν ἄνω. καὶ οὐ Περσῶν ὑμῖν ἔθνη καὶ ἐτέρων ἐθνῶν μᾶλλον ἢ τόνδε τὸν κοινὸν ἅπασιν ἐπιθήσω νόμον, ἀεὶ δίκαιον εἶναι τὸ πρὸς βασιλέως ὀριζόμενον.' ὁ μὲν δὴ οὕτως εἶπεν, ἡ στρατιὰ δὲ ὡς βασιλέα τε τῶν ἐπὶ Ἀλεξάνδρῳ μέγιστον καὶ πατέρα ἄριστον ἠυφῆμει καὶ ὁ Σέλευκος Στρατονίκη καὶ τῷ παιδί τὰ αὐτὰ προστάξας ἐξεύγνυ τὸν γάμον καὶ ἐπὶ τὴν βασιλείαν ἐξέπεμψεν, ἔργον ἀοίδιμον τόδε καὶ δυνατώτερον τῶν ἐν πολέμοις αὐτῷ γενομένων ἐργασάμενος.

[62] Σατραπεῖαι δὲ ἦσαν ὑπ' αὐτῷ δύο καὶ ἐβδομήκοντα: τοσαύτης ἐβασίλευε γῆς. καὶ τὴν πλείονα τῷ παιδί παραδούς, ἥρχε τῶν ἀπὸ θαλάσσης ἐπὶ Εὐφράτην μόνων. καὶ πόλεμον τελευταῖον Λυσιμάχῳ περὶ Φρυγίαν τὴν ἐφ' Ἑλλησπόντῳ πολεμῶν, Λυσιμάχου μὲν ἐκράτει πεσόντος ἐν τῇ μάχῃ, αὐτὸς δὲ τὸν Ἑλλησποντον ἐπέρα. καὶ ἐς Λυσιμάχειαν ἀναβαίνων κτείνεται. Πτολεμαῖος δ' αὐτὸν ἐπόμενος ἔκτεινεν, ὅτῳ κεραυνὸς ἐπὶ κλησὶς. υἱὸς δ' ἦν ὁ κεραυνὸς ὅδε Πτολεμαίου τοῦ σωτῆρος καὶ Εὐρυδίκης τῆς Ἀντιπάτρου: καὶ αὐτὸν ἐκπεσόντα Αἰγύπτου διὰ δέος, ὅτι νεωτάτῳ παιδί ὁ Πτολεμαῖος τὴν ἀρχὴν ἐπενόει δοῦναι, ὁ Σέλευκος οἷα φίλου παῖδα ἀτυχοῦντα ὑπεδέξατο, καὶ ἔφερβε καὶ ἐπήγετο πάντῃ φονέα ἑαυτοῦ.

[63] καὶ Σέλευκος μὲν οὕτω τελευτᾷ, τρία καὶ ἐβδομήκοντα ἔτη βιώσας, καὶ

βασιλεύσας αὐτῶν δύο καὶ τεσσαράκοντα. καὶ μοι δοκεῖ καὶ ἐς τοῦτο αὐτῷ συνενεχθῆναι τὸ αὐτὸ λόγιον, ‘μὴ σπεῦδ’ Εὐρώπηνδ’· Ἀσίῃ τοι πολλὸν ἀμείνων.’ ἡ γὰρ Λυσιμάχεια τῆς Εὐρώπης ἐστί, καὶ τότε πρῶτον ἀπὸ τῆς Ἀλεξάνδρου στρατείας ἐς τὴν Εὐρώπην διεπέρα. λέγεται δὲ καὶ περὶ αὐτοῦ τοῦ θανάτου ποτὲ αὐτῷ χρωμένῳ λόγιον προαγορευθῆναι ‘Ἄργος ἀλευόμενος τὸ πεπρωμένον εἰς ἔτος ἥξει· εἰ δ’ Ἄργει πελάσαιο, τότε κεν παρὰ μοῖραν ὅλοιο.’ ὁ μὲν δὴ Ἄργος τὸ Πελοποννήσιον καὶ Ἄργος τὸ Ἀμφιλοχικὸν καὶ Ἄργος τὸ ἐν Ὀρεστεΐᾳ ὅθεν οἱ Ἀργεάδαι Μακεδόνες’ καὶ τὸ ἐν τῷ Ἰονίῳ λεγόμενον οἰκίσαι Διομήδην ἀλώμενον, καὶ εἰ τί που γῆς ἄλλο Ἄργος ἐκαλεῖτο, πάντα ἀνεζήτει καὶ ἐφυλάσσετο· ἀναβαίνοντι δ’ ἐς τὴν Λυσιμάχειαν αὐτῷ ἀπὸ τοῦ Ἑλλησπόντου βωμὸς ἦν ἐν ὧν μέγας τε καὶ περιφανής, καὶ πυθόμενος αὐτὸν ἢ τοὺς Ἀργοναύτας στήσασθαι παραπλέοντας ἐς Κόλχους ἢ τοὺς Ἀχαιοὺς ἐπὶ Ἴλιον στρατεύοντας, καὶ διὰ τοῦτο ἔτι τὸν βωμὸν τοὺς περιχώρους Ἄργος καλεῖν, ἢ διὰ τὴν ναῦν διαφθείροντας τὸ ὄνομα ἢ διὰ τὴν πατρίδα τῶν Ἀτρείδων, κτείνεται, ταῦτα ἔτι μανθάνων, ὑπὸ τοῦ Πτολεμαίου προσπεσόντος ὀπισθεν. καὶ Σέλευκον μὲν ἔκαιε Φιλέταιρος ὁ Περγάμου δυναστεύσας, πολλῶν χρημάτων τὸ σῶμα τὸν κεραυνὸν αἰτήσας, καὶ τὰ λείψανα ἔπεμπεν Ἀντιόχῳ τῷ παιδὶ αὐτοῦ. ὁ δ’ ἐν Σελευκείᾳ τῇ πρὸς θαλάσσην ἀπέθετο, καὶ νεῶν αὐτῷ ἐπέστησε καὶ τέμενος περιέθηκε· καὶ τὸ τέμενος Νικατόρειον ἐπικληρίζεται.

[64] Λυσίμαχον δὲ πυνθάνομαι, τῶν ὑπασπιστῶν ὄντα τῶν Ἀλεξάνδρου, παρatroχάσαι ποτὲ ἐπὶ πλείστον αὐτῷ, καὶ καμόντα, τῆς οὐρᾶς τοῦ βασιλέως ἵππου λαβόμενον, ἔτι συντρέχειν, πληγέντα δὲ ἐς τὸ μέτωπον ἐπὶ τὴν φλέβα τῷ τέλει τοῦ βασιλείου δόρατος αἱμορροεῖν· τὸν δὲ Ἀλέξανδρον, ἀπορία τελαμῶνος, τῷ διαδήματι αὐτοῦ τὸ τραῦμα περιδῆσαι, καὶ ἐμπλησθῆναι μὲν αἵματος τὸ διάδημα, τὸν δὲ Ἀλεξάνδρου μάντιν Ἀρίστανδρον φερομένῳ τῷ Λυσιμάχῳ καὶ ὧδε ἔχοντι ἐπειπεῖν ὅτι βασιλεύσει μὲν οὗτος ὁ ἀνὴρ, βασιλεύσει δ’ ἐπιπόνως. ὁ μὲν δὴ καὶ ἐβασίλευσε τεσσαράκοντα ἔτη μάλιστα σὺν οἷς ἐσατράπευσε, καὶ ἐπιπόνως ἐβασίλευσε, καὶ ἐβδομηκοντούτης ὢν στρατευόμενος καὶ μαχόμενος ἔπεσεν. εὐθύς δ’ ἐπαναιρεθέντος αὐτῷ τοῦ Σελεύκου, κείμενον τὸ σῶμα τοῦ Λυσιμάχου κύων οἰκεῖος, ἐς πολὺ ὑπερμαχῶν, ἀλύμαντον ἐξ ὀρνέων καὶ θηρίων διεφύλασσε, μέχρι Θώραξ ὁ Φαρσάλιος εὐρὼν ἔθαψεν. οἱ δὲ Ἀλέξανδρόν φασι θάψαι, τὸν αὐτοῦ Λυσιμάχου παῖδα, φυγόντα μὲν ὑπὸ δέους πρὸς Σέλευκον ὅτε Λυσίμαχος Ἀγαθοκλέα τὸν ἕτερον αὐτοῦ παῖδα ἀνεῖλεν, ἐρευνησάμενον δὲ ἐν τῷ τότε τὸ σῶμα, καὶ ἐκ τοῦ κυνὸς μάλιστα ἀνευρόντα ἤδη διεφθαρμένον. τὰ δὲ ὅσα τοὺς Λυσιμαχέας ἐνθέσθαι τῷ σφετέρῳ ἱερῷ, καὶ τὸ ἱερὸν Λυσιμάχειον προσαγορευῆσαι.

τοιόνδε μὲν δὴ τέλος ἐκατέρῳ τῶνδε τῶν βασιλέων συνηνέχθη, ἀνδρειοτάτων τε καὶ τὰ σώματα μεγίστων γενομένων, τοῦ μὲν ἐς ἐβδομήκοντα ἔτη, τοῦ δὲ ἐς πλεόνα τούτων ἔτι ἄλλα τρία, μεμαχημένων ἐκ χειρὸς οἰκείας αἰεὶ μέχρι τοῦ θανάτου.

[65] Σελεύκου δ’ ἀποθανόντος διάδοχοι, παῖς παρὰ πατρός ἐκδεχόμενοι τὴν Σύρων ἀρχήν, ἐγένοντο οἶδε, Ἀντίοχος μὲν πρῶτος ὅδε ὁ τῆς μητριᾶς

ἐρασθεῖς, ὃς καὶ σωτὴρ ἐπεκλήθη Γαλάτας ἐκ τῆς Εὐρώπης ἐς τὴν Ἀσίαν ἐσβαλόντας, ἐξελάσας, δεύτερος δὲ Ἀντίοχος ἕτερος, ἐκ τῶνδε τῶν γάμων γενόμενος, ὅτῳ θεὸς ἐπώνυμον ὑπὸ Μιλησίων γίγνεται πρῶτον, ὅτι αὐτοῖς Τίμαρχον τύραννον καθεῖλεν. ἀλλὰ τόνδε μὲν τὸν θεὸν ἔκτεινεν ἡ γυνὴ φαρμάκῳ. δύο δὲ εἶχε, Λαοδίκην καὶ Βερενίκην, ἐξ ἑρωτός τε καὶ ἐγγύης, ... Πτολεμαίου τοῦ φιλαδέλφου θυγατέρα: καὶ αὐτὸν ἔκτεινε Λαοδίκη, καὶ ἐπ' ἐκείνῳ Βερενίκην τε καὶ τὸ Βερενίκης βρέφος. καὶ Πτολεμαῖος ὁ τοῦ φιλαδέλφου, ταῦτα τινύμενος, Λαοδίκην τε ἔκτεινε καὶ ἐς Συρίαν ἐνέβαλε καὶ ἐς Βαβυλῶνα ἤλασεν. καὶ Παρθυαῖοι τῆς ἀποστάσεως τότε ἤρξαν ὡς τεταραγμένης τῆς τῶν Σελευκιδῶν ἀρχῆς.

[66] ἐπὶ δὲ τῷ θεῷ βασιλεὺς γίγνεται Συρίας Σέλευκος, υἱὸς τοῦ θεοῦ τε καὶ Λαοδίκης, ᾧ καλλίνικος ἐπώνυμον. ἐπὶ δὲ Σελεύκῳ δύο παῖδες αὐτοῦ Σελεύκου, καθ' ἡλικίαν ἐκάτερος αὐτῶν, Σέλευκος τε καὶ Ἀντίοχος. Σελεύκῳ μὲν δὴ ἀσθενεῖ τε ὄντι καὶ πενομένῳ καὶ δυσπειθῇ τὸν στρατὸν ἔχοντι ἐπεβούλευσαν οἱ φίλοι διὰ φαρμάκων, καὶ ἐς ἔτη δύο μόνον ἐβασίλευσεν: ὁ δὲ Ἀντίοχος ὅδε ἐστὶν ὁ μέγας ἐπὶ κλην, περὶ οὗ μοι πάσαι εἰρηται, Ῥωμαίοις πεπολεμηκότος. ἐβασίλευσε δὲ ἔτη ἐπτὰ καὶ τριάκοντα. καὶ αὐτοῦ περὶ τοῖν παιδῶν προεῖπον ἀμφοῖν βεβασилευκότιν, Σελεύκου τε καὶ Ἀντίοχου, Σελεύκου μὲν ἔτεσι δώδεκα, ἀπράκτως ἅμα καὶ ἀσθενῶς διὰ τὴν τοῦ πατρὸς συμφορὰν, Ἀντίοχου δὲ δώδεκα οὐ πλήρεσιν, ἐν οἷς Ἀρταξίαν τὸν Ἀρμένιον εἶλε, καὶ ἐς Αἴγυπτον ἐστράτευσεν ἐπὶ ἕκτον Πτολεμαῖον, ὀρφανεύομενον μετ' ἀδελφοῦ. καὶ αὐτῷ στρατοπεδεύοντι περὶ τὴν Ἀλεξάνδρειαν Ποπίλιος παρὰ Ῥωμαίων πρεσβευτὴς ἦκε, φέρων δέλτον ἐν ᾗ τάδε ἐγγέγραπτο, μὴ πολεμεῖν Πτολεμαίοις Ἀντίοχον. ἀναγνόντι δὲ αὐτῷ, καὶ λέγοντι βουλεύσεσθαι, κύκλον τῇ ῥάβδῳ περιέγραψεν ὁ Ποπίλιος, καὶ εἶπεν: 'ἐνταῦθα βουλεύου.' ὁ μὲν δὴ καταπλαγεὶς ἀνέξευξε, καὶ τὸ τῆς Ἑλυμαίας Ἀφροδίτης ἱερὸν ἐσύλησε, καὶ φθίνων ἐτελεύτησε, παιδίον ἐνναετὲς ἀπολιπών, Ἀντίοχον τὸν εὐπάτορα, ὡς μοι καὶ περὶ τοῦδε εἰρηται.

[67] εἰρηται δὲ καὶ περὶ Δημητρίου τοῦ μετ' αὐτόν, ὃς ὠμήρευσεν ἐν Ῥώμῃ καὶ τῆς ὀμηρείας ἐκφυγὼν ἐβασίλευσε, σωτὴρ καὶ ὅδε πρὸς τῶν Σύρων, δεύτερος ἐπὶ τῷ Σελεύκου τοῦ νικατορος παιδὶ ὀνομασθεῖς. ἐπ' ἀνίσταται δὲ αὐτῷ τις Ἀλέξανδρος, ψευδόμενος εἶναι τοῦ Σελευκείου γένους: καὶ Πτολεμαῖος ὁ τῆς Αἰγύπτου βασιλεὺς κατὰ μῖσος Δημητρίου συνελάμβανεν Ἀλεξάνδρῳ. καὶ Δημήτριος μὲν διὰ Πτολεμαῖον ἐξέπεσε τῆς ἀρχῆς καὶ ἐτελεύτησε: τὸν δὲ Ἀλέξανδρον ἐξέβαλε Δημήτριος ὁ Δημητρίου τοῦδε τοῦ σωτῆρος υἱός, καὶ ἐπὶ τῷδε, ὡς νόθον τοῦ γένους ἄνδρα νικήσας, νικᾶτωρ ὑπὸ τῶν Σύρων ὀνομάσθη, δεύτερος καὶ ὅδε μετὰ Σέλευκον. ἐπὶ τε Παρθυαίους καὶ ὅδε μετὰ Σέλευκον ἐστράτευσε, καὶ γενόμενος αἰχμάλωτος δίαιταν εἶχεν ἐν Φραάτου βασιλείῳ, καὶ Ῥοδογούνην ἐξευξεν αὐτῷ τὴν ἀδελφὴν ὁ βασιλεὺς.

[68] παρὰ δὲ τὴν ἀναρχίαν τήνδε δοῦλος τῶν βασιλέων Διόδωτος παιδίον Ἀλεξάνδρον, ἐξ Ἀλεξάνδρου τοῦ νόθου καὶ τῆς Πτολεμαίου θυγατρὸς, ἐπὶ τὴν βασιλείαν ἤγαγεν. καὶ τὸ παιδίον κτείνας αὐτὸς ἐπετόλμησε τῇ ἀρχῇ, Τρύφων ἀπ' ἐαυτοῦ μετονομασθεῖς. ἀλλ' αὐτὸν Ἀντίοχος ὁ ἀδελφὸς Δημητρίου τοῦ

αἰχμαλώτου, πυθόμενος ἐν Ῥόδῳ περὶ τῆς αἰχμαλωσίας, κτείνει κατιῶν ἐς τὰ πατρῶα σὺν πόνῳ πολλῷ. καὶ στρατεύει καὶ ὅδε ἐπὶ τὸν Φραάτην, τὸν ἀδελφὸν αἰτῶν. ὁ μὲν δὴ Φραάτης αὐτὸν ἔδεισε καὶ τὸν Δημήτριον ἐξέπεμψεν· ὁ δ' Ἀντίοχος καὶ ὡς συνέβαλέ τε τοῖς Παρθυαίοις, καὶ ἡσώμενος ἑαυτὸν ἔκτεινεν. ἔκτεινε δὲ καὶ Δημήτριον ἐς τὴν βασιλείαν ἐπανελθόντα ἢ γυνὴ Κλεοπάτρα, δολοφονήσασα διὰ ζῆλον τοῦ γάμου Ῥοδογούνης, δι' ὃν δὴ καὶ Ἀντίῳ τῷ ἀδελφῷ τοῦ Δημητρίου προὔγεγάμητο. καὶ παῖδες ἦσαν αὐτῇ δύο μὲν ἐκ Δημητρίου, Σέλευκος τε καὶ Ἀντίοχος, ὅτῳ γρυπὸς ἐπὶ κλησὶς, ἐκ δὲ Ἀντίῳ Ἀντίοχος, ὅτῳ Κυζικηνὸς ἐπώνυμον. τούτων τὸν μὲν γρυπὸν ἐς Ἀθήνας, τὸν δὲ Κυζικηνὸν ἐς Κύζικον ἐπεπόμφει τρέφεσθαι.

[69] Σέλευκον δ' εὐθὺς ἐπὶ τῷ πατρὶ Δημητρίῳ τὸ διάδημα ἐπιθέμενον ἐπιτοξεύσασα ἔκτεινεν, εἴτε δεῖσασα περὶ τῆς τοῦ πατρὸς δολοφονήσεως, εἴτε καὶ μανιώδει πρὸς πάντας μίσει. μετὰ δὲ Σέλευκον ὁ γρυπὸς ἐγένετο βασιλεὺς, καὶ τὴν μητέρα οἱ φάρμακον κεράσασαν πιεῖν ἠνάγκασεν. ἡ μὲν δὴ δίκην ποτὲ ἔδωκεν, ἄξιος δὲ ἄρα τῆς μητρὸς ἦν καὶ ὁ γρυπός· ἐπεβούλευε γὰρ τῷ Κυζικηνῷ καίπερ ὄντι ὁμομητρίῳ. ὁ δὲ μαθὼν ἐπολέμησέ τε αὐτῷ καὶ τῆς ἀρχῆς αὐτόν ἐξήλασε, καὶ βασιλεὺς ἀντ' ἐκείνου τοῖς Σύροις ἐγένετο. ἀλλὰ καὶ τόνδε Σέλευκος ὁ Ἀντίῳ τοῦ γρυποῦ παῖς, ἐπιστρατεύσας ὄντι περ θείῳ, παρείλετο τὴν ἀρχήν. βίαιος δὲ καὶ τυραννικώτατος ὢν ἐν Ἑστίᾳ Μόψου τῆς Κιλικίας κατεπρήσθη κατὰ τὸ γυμνάσιον. καὶ αὐτὸν διεδέξατο Ἀντίοχος ὁ υἱὸς τοῦ Κυζικηνοῦ· ὃν ἐπιβουλευόμενον ὑπὸ Σελεύκου τοῦ ἀνεπιτοῦ οἱ μὲν Σύροι νομίζουσι περισῳθῆναι δι' εὐσέβειαν, καὶ διὰ τοῦτο εὐσεβῇ παρωνόμασαν ἑταίρα δ' αὐτὸν ἔσωσεν, ἐρασθεῖσα τοῦ κάλλους, ἔμοι δὲ δοκοῦσιν ἐπὶ γέλῳτι αὐτῷ ποιήσασθαι τὸ ὄνομα οἱ Σύροι· ἔγημε γὰρ οὗτος ὁ εὐσεβὴς Σελήνην, ἣ καὶ τῷ πατρὶ αὐτοῦ ἐγεγάμητο τῷ Κυζικηνῷ καὶ τῷ γρυπῷ θείῳ γενομένῳ. τοιγάρτοι αὐτὸν θεοῦ μετιόντος ἐξήλασε τῆς ἀρχῆς Τιγράνης.

[70] καὶ τὸν υἱὸν ἐκείνου τὸν ἐκ τῆς Σελήνης αὐτῷ γενόμενον, ἐν Ἀσίᾳ τε τραφέντα καὶ ἀπὸ τοῦδε Ἀσιατικὸν ἐπὶ κλην, Πομπήιος ἀφείλετο τὴν Σύρων ἀρχήν, ὡς μοι λέλεκται, ὄντα μὲν ἑπτακαίδεκατον ἐκ Σελεύκου Σύρων βασιλέα· ἐξαίρω γὰρ Ἀλέξανδρόν τε καὶ τὸν Ἀλεξάνδρου παῖδα ὡς νόθους, καὶ τὸν δοῦλον αὐτῶν Διόδοτον, βασιλεύσαντα δ' ἐν ταῖς ἀσχολίαις ταῖς Πομπήϊου ἐπὶ ἑνὸς μόνον ἔτος. ἡ δὲ ἀρχὴ τῶν Σελευκιδῶν ἐς τριάκοντα ἐπὶ διακοσίους ἐνιαυτοὺς δίκετο· καὶ εἴ τις ἐπισκοποῖ τὸν ἐς Ῥωμαίους χρόνον ἀπ' Ἀλεξάνδρου, προσθετέον ἐπὶ τοῖς διακοσίοις τριάκοντα ἔτεσι τὰ Τιγράνους τεσσαρεσκαίδεκα.

τοσάδε μὲν δὴ καὶ περὶ Μακεδόνων τῶν Συρίας βεβασιλευκότων εἶχον εἰπεῖν ὡς ἐν ἄλλοτρίᾳ συγγραφῇ.

Μιθριδατειος

Θρᾶκας Ἑλληνας ἡγούνται, τοὺς ἐς Ἴλιον μετὰ Ῥήσου στρατεύσαντας, Ῥήσου νυκτὸς ὑπὸ Διομήδους ἀναιρεθέντος ὃν τρόπον Ὅμηρος ἐν τοῖς ἔπεσι φράζει, φεύγοντας ἐπὶ τοῦ Πόντου τὸ στόμα, ἧ στενωτάτος ἐστὶν ἐς Θράκην ὁ διάπλους, οἱ μὲν οὐκ ἐπιτυχόντας πλοίῳν τῆδε καταμεῖναι καὶ τῆς γῆς κρατῆσαι Βεβρυκίας λεγομένης, οἱ δὲ περάσαντας ὑπὲρ τὸ Βυζάντιον ἐς τὴν Θρακῶν τῶν Βιθυνῶν λεγομένων παρὰ Βιθύαν ποταμὸν οἰκῆσαι, καὶ λιμῶ πιεσθέντας ἐς Βεβρυκίαν αὐθις ἐπανελθεῖν, καὶ Βιθυνίαν ἀντὶ Βεβρυκίας, ἀπὸ τοῦ ποταμοῦ παρ' ὃν ὥκουν, ὀνομάσαι, ἧ καὶ τὸ ὄνομα αὐτοῖς ἀλόγως σὺν χρόνῳ παρατραπῆναι, οὐκ ἐς πολὺ τῆς Βιθυνίας παρὰ τὴν Βεβρυκίαν διαφερούσης. ὧδε μὲν ἔνιοι νομίζουσιν, ἔτεροι δὲ Βίθυν ἄρξαι πρῶτον αὐτῶν, παῖδα Διὸς τε καὶ Θράκης, οὓς ἐπωνύμους ἑκατέρᾳ γῇ γενέσθαι.

[2] τάδε μὲν οὖν μοι προλελέχθω περὶ Βιθυνίας: τῶν δὲ πρὸ Ῥωμαίων αὐτῆς βασιλέων, ἐννέα καὶ τεσσαράκοντα ἐφεξῆς γενομένων, ὅτου μοι μάλιστα μνημονεῦσαι προσήκει τὰ Ῥωμαίων συγγράφοντι, Προυσίας ἦν ὁ κυνηγὸς ἐπὶ κλησιν, ὃ Περσεὺς ὁ Μακεδόνων βασιλεὺς τὴν ἀδελφὴν ἡγγύησεν. καὶ οὐ πολὺ ὕστερον Περσέως καὶ Ῥωμαίων ἐς χεῖρας ἐπ' ἀλλήλους ἰόντων, ὁ Προυσίας οὐδετέροις συνεμάχει. Περσέως δ' ἀλόντος ἀπήντησε τοῖς Ῥωμαίων στρατηγοῖς εἰμὰ τε Ῥωμαϊκὸν ἀμπεχόμενος, ὃ καλοῦσι τήβεννον, καὶ ὑποδήματα ἔχων Ἰταλικά, τὴν κεφαλὴν ἐξυρημένος καὶ πῖλον ἐπικείμενος, ὃ τρόπῳ τινὲς προΐασι τῶν ἐν διαθήκαις ἐλευθερωθέντων, αἰσχυρὸς ὢν καὶ τᾶλλα ὀφθῆναι καὶ βραχύς. ἐντυχὼν δ' αὐτοῖς ἔφη Ῥωμαῖστί τῳ ῥήματι 'Ῥωμαίων εἰμὶ λίβερτος,' ὅπερ ἐστὶν ἀπελεύθερος. γέλωτα δὲ παρασχὼν ἐς Ῥώμην ἐπέμφθη, καὶ φανεὶς κἀνταῦθα γελοῖος ἔτυχε συγγνώμης.

[3] χρόνῳ δ' ὕστερον Ἀττάλῳ τι χαλεπήνας, τῷ Βασιλεῖ τῆς Ἀσίας τῆς περὶ τὸ Πέργαμον, τὴν γῆν ἐδήϊου τὴν Ἀσιάδα. μαθοῦσα δ' ἡ Ῥωμαίων βουλὴ προσέπεμπε τῷ Προυσίᾳ μὴ πολεμεῖν Ἀττάλῳ, φίλῳ Ῥωμαίων ὄντι καὶ συμμάχῳ. καὶ δυσπειθῶς ἔτι ἔχοντι οἱ πρέσβεις μετ' ἀνατάσεως προσέτασσον πείθεσθαι τοῖς ὑπὸ τῆς συγκλήτου λεγομένοις, καὶ ἦκειν μετὰ χιλίων ἱππέων ἔς τι μεθόριον ἐπὶ συνθήκαις, ἔνθα καὶ τὸν Ἀτταλον ἔφασαν περιμένειν μετὰ τοσῶνδε ἐτέρων. ὁ δ' ὡς ὀλίγων τῶν σὺν Ἀττάλῳ καταφρονήσας, καὶ ἐλπίσας αὐτὸν ἐνεδρεῦσειν, προὔπεμπε τοὺς πρέσβεις ὡς μετὰ χιλίων ἐπόμενος, πάντα δ' ἀναστήσας τὸν στρατὸν ἦγεν ὡς ἐς μάχην. Ἀττάλου δὲ καὶ τῶν πρέσβεων αἰσθομένων τε καὶ διαφυγόντων ἧ δυνατὸς αὐτῶν ἐγίγνετο ἕκαστος, ὁ δὲ καὶ τῶν σκευοφόρων τῶν Ῥωμαϊκῶν ὑπολειφθέντων ἥπτετο, καὶ χωρίον τι Νικηφόριον ἐξελὼν κατέσκαπτε, καὶ τοὺς ἐν αὐτῷ νεῶς ἐνεπίμπρη, Ἀτταλὸν τε ἐς τὸ Πέργαμον συμφυγόντα ἐπολιόρκει, μέχρι καὶ τῶνδε οἱ Ῥωμαῖοι πυθόμενοι πρέσβεις ἐτέρους ἐπεμπον, οἱ τὸν Προυσίαν ἐκέλευον Ἀττάλῳ τὰς βλάβας ἀποτίσαι. τότε οὖν καταπλαγεὶς ὁ Προυσίας ὑπήκουσε καὶ ἀνεχώρει. ποινὴν δὲ τῶν πρέσβεων ὀρισάντων αὐτὸν ἐσενεγκεῖν Ἀττάλῳ ναὺς καταφράκτους εἴκοσιν αὐτίκα καὶ ἀργυρίου σὺν χρόνῳ τάλαντα πεντακόσια, τὰς τε ναὺς ἔδωκε καὶ τὰ χρήματα ἐν τῷ χρόνῳ συνέφερεν.

[4] ὄντι δ' αὐτῷ διὰ μίσους τοῖς ὑπηκόοις ἐπὶ ὤμοτῃ χαλεπῇ, Νικομήδης υἱὸς ἦν, πάνυ τοῖς Βιθυνοῖς ἀρέσκων· ὅπερ ὁ Προυσίας ὑφορώμενος ἐς Ῥώμην αὐτὸν βιοῦν μετεστήσατο. καὶ μαθὼν εὐδοκιμοῦντα κάκεϊ, προσέταξε τῆς βουλῆς δεηθῆναι τῶν ἔτι ὀφειλομένων Ἀττάλῳ χρημάτων αὐτὸν ἀπολῦσαι. Μηνᾶν τε αὐτῷ συμπρεσβεύοντα ἔπεμπε· καὶ εἶρητο τῷ Μηνᾷ, εἰ μὲν ἐπιτύχοι τῆς ἀφέσεως τῶν χρημάτων, ἔτι φεῖδεσθαι τοῦ Νικομήδους, εἰ δὲ ἀποτύχοι, κτείνειν αὐτὸν ἐν Ῥώμῃ. κερκούρους τέ τινας ἐς τοῦτο συνέπεμψεν αὐτῷ, καὶ δισχλίους στρατιώτας. ὁ δὲ τῆς μὲν ζημίας οὐκ ἀφεθείσης τῷ Προυσίᾳ Ἀνδρόνικος γὰρ ἐπιπεμφθεὶς ἐς ἀντιλογίαν ὑπὸ Ἀττάλου τὴν ζημίαν ἀπέφαινε ἐλάττονα τῆς ἀρπαγῆς, τὸν δὲ Νικομήδῃ λόγου καὶ σπουδῆς ἄξιον ὀρῶν, ἠπόρητο, καὶ οὔτε κτείνειν αὐτὸν ὕφιστατο οὔτε αὐτὸς ἐς Βιθυνίαν ἐπανιέναι διὰ δέος. ὅμως δ' αὐτῷ βραδύνοντι συνεῖς ὁ νεανίσκος ἐς λόγους ἦλθεν, ἐθέλοντι κάκεϊ. συνθέμενοι δ' ἐπιβουλευσά τῷ Προυσίᾳ, τὸν Ἀττάλου πρεσβευτὴν Ἀνδρόνικον ἐς τὸ ἔργον προσέλαβον, ἵνα τὸν Ἀτταλον πείσειε τὸν Νικομήδῃ καταγαγεῖν ἐς Βιθυνίαν. ἀναμείναντες δ' ἀλλήλους ἐν τῇ Βερνίκῃ, πολισματῷ τινὶ τῆς Ἡπείρου, νυκτὸς ἐσβάντες ἐς ναῦν ἃ τε δέοι ποιεῖν συνετίθεντο, καὶ διελύθησαν ἔτι νυκτός.

[5] ἅμα δ' ἡμέρᾳ Νικομήδης μὲν ἐξέβαινε τῆς νεῶς πορφύραν τε βασιλικὴν ἡμφιεσμένος καὶ διάδημα ἐπικείμενος, Ἀνδρόνικος δ' αὐτὸν ὑπαντίσας τε καὶ βασιλέα προσειπὼν παρέπεμπε μετὰ στρατιωτῶν ὧν εἶχε πεντακοσίων. Μηνᾶς δὲ ὑποκρινόμενος τότε πρῶτον ἡσθῆσθαι Νικομήδους παρόντος, ἐς τοὺς δισχλίους διαδραμὼν ἐδυσφόρει. προῖων δὲ τῷ λόγῳ, 'δύο,' ἔφη, 'βασιλέοιν, τοῦ μὲν ὄντος ἐν τῇ χώρᾳ τοῦ δ' ἐπιόντος, ἀναγκαῖον ἡμῖν τὸ σφέτερον εἶ διατίθεσθαι καὶ τοῦ γενησομένου καλῶς τεκμαίρεσθαι, ὥς ἐν τῷδε τῆς ἡμετέρας σωτηρίας βεβαιουμένης, ἣν καλῶς προιδώμεθα πότερος αὐτῶν ἐπικρατήσῃ. ὁ μὲν δὴ γέρων ἐστίν, ὁ δὲ νέος· καὶ Βιθυνοὶ τὸν μὲν ἀποστρέφονται, τὸν δὲ αἰροῦνται. Ῥωμαίων τε οἱ δυνατοὶ τὸν νεανίαν ἀγαπῶσι· καὶ Ἀνδρόνικος αὐτὸν ἤδη δορυφορῶν ὑποδείκνυσι τὴν Ἀττάλου συμμαχίαν, ἀρχὴν τε μεγάλην ἔχοντος καὶ Βιθυνοῖς γειτονεύοντος καὶ ἐκ πολλοῦ τῷ Προυσίᾳ πεπολεωμένου.' λέγων δὲ ταῦθ' ἅμα καὶ τὴν ὤμοτητα τοῦ Προυσίου παρεγύμνου, καὶ ὅσα πονηρὰ πράξειεν ἐς ἅπαντας, καὶ τὸ κοινὸν ἐπὶ τοῖσδε Βιθυνῶν ἐς αὐτὸν ἔχθος. ὥς δὲ κάκεϊνους εἶδε τὴν Προυσίου μοχθηρίαν ἀποστρεφόμενους, ἦγεν αὐτοὺς ἐς τὸν Νικομήδην αὐτίκα, καὶ προσειπὼν καὶ ὁδε βασιλέα δεύτερος ἐπὶ Ἀνδρονίκῳ μετὰ τῶν δισχλίων ἐδορυφόρει.

[6] Ἀττάλος τε τὸν νεανίαν προθύμως ὑπεδέχετο, καὶ τὸν Προυσίαν ἐκέλευσε τῷ παιδὶ πόλεις τέ τινας ἐς ἐνοίκησιν καὶ χώραν ἐς ἐφόδια δοῦναι. ὁ δ' αὐτίκα δώσειν ἔφη τὴν Ἀττάλου βασιλείαν ἅπασαν, ἣν δὴ καὶ πρότερον Νικομήδῃ περιποιῶν ἐς Ἀσίαν ἐσβαλεῖν. ταῦτα δ' εἰπὼν ἔπεμπε ἐς Ῥώμην τοὺς Νικομήδους καὶ Ἀττάλου κατηγορήσοντάς τε καὶ προκαλεσομένους ἐς κρίσιν. οἱ δ' ἀμφὶ τὸν Ἀτταλον εὐθὺς ἐχώρουν ἐς τὴν Βιθυνίαν, καὶ προσιοῦσιν αὐτοῖς οἱ Βιθυνοὶ κατ' ὀλίγους προσετίθεντο. Προυσίας δ' ἅπασιν ἀπιστῶν, καὶ Ῥωμαίους ἐλπίζων αὐτὸν ἐξαιρήσεσθαι τῆς ἐπιβουλῆς, Διήγγυλιν τὸν Θρᾶκα, κηδεστὴν ὄντα οἱ, πεντακοσίους Θρᾶκας αἰτήσας καὶ λαβὼν

τοῖσδε μόνοις τὸ σῶμα ἐπέτρεψεν, ἐς τὴν ἀκρόπολιν τὴν ἐν Νικαίᾳ καταφυγών· ὁ δὲ Ῥωμαίων στρατηγὸς ἐν ἄστει οὔτε αὐτίκα ἐπῆγεν ἐπὶ τὴν βουλὴν τοὺς τοῦ Προυσίου πρέσβεις, χαριζόμενος Ἀττάλῳ· ἐπαγαγὼν τέ ποτε, ψηφισαμένης τῆς βουλῆς τὸν στρατηγὸν αὐτὸν ἐλέσθαι τε καὶ πέμψαι πρέσβεις οἱ διαλύσουσι τὸν πόλεμον, εἵλετο τρεῖς ἄνδρας, ὧν ὁ μὲν τὴν κεφαλὴν ποτε λίθῳ πληγείς ἀσχήμονας ἐπέκειτο ὠτειλάς, ὁ δὲ τοὺς πόδας διέφθαρτο ὑπὸ ρεύματος, ὁ δ' ἡλιθιώτατος ἐνομιζέτο εἶναι, ὥστε Κάτωνα τὴν πρεσβείαν ἐπισκώπτοντα εἰπεῖν τὴν πρεσβείαν ταύτην μήτε νοῦν ἔχειν μήτε πόδας μήτε κεφαλὴν.

[7] οἱ μὲν δὴ πρέσβεις ἐς Βιθυνίαν ἀφίκοντο, καὶ προσέτασσαν αὐτοῖς τὸν πόλεμον ἐκλῦσαι, Νικομήδους δὲ καὶ Ἀττάλου συγχωρεῖν ὑποκρινομένων οἱ Βιθυνοὶ διδαχθέντες ἔλεγον οὐκ εἶναι δυνατοὶ φέρειν ἔτι τὴν ὠμότητα τὴν Προυσίου, φανεροὶ μάλιστα αὐτῷ γεγόμενοι δυσχεραίνοντες. οἱ μὲν δὴ πρέσβεις, ὡς οὐπὼ Ῥωμαίων τάδε πυθομένων, ἐπανήεσαν ἄπρακτοι· Προυσίας δ' ἐπεὶ καὶ τὰ Ῥωμαίων ἀπέγνω, οἷς μάλιστα πιστεύων οὐδενὸς ἐς ἄμυναν ἐπεφροντίκει, μετήλθεν ἐς Νικομήδειαν ὡς κρατυνούμενος τὴν πόλιν καὶ τοῖς ἐπιούσι πολεμήσων. οἱ δὲ προδιδόντες αὐτὸν τὰς πύλας ἀνέφωξαν, καὶ ὁ μὲν Νικομήδης ἐσθίει μετὰ τοῦ στρατοῦ, τὸν δὲ Προυσίαν ἐς ἱερὸν Διὸς καταφυγόντα συνεκέντησάν τινες ἐπιτεμφθέντες ἐκ τοῦ Νικομήδους. οὕτω Νικομήδης ἀντὶ Προυσίου Βιθυνῶν ἐβασίλευε, καὶ αὐτὸν χρόνῳ τελευτήσαντα Νικομήδης ὁ υἱός, ὃ φιλοπάτωρ ἐπὶ κλησὶς ἦν, διεδέξατο, Ῥωμαίων αὐτῷ τὴν ἀρχὴν ὡς πατρῶαν ψηφισαμένων.

τὰ μὲν δὴ Βιθυνῶν ὧδε εἶχε· καὶ εἴ τῳ σπουδὴ πάντα προμαθεῖν, υἱωνὸς τοῦδε ἑτερος Νικομήδης Ῥωμαίοις τὴν ἀρχὴν ἐν διαθήκαις ἀπέλειπεν.

[8] Καππαδοκίας δὲ πρὸ μὲν Μακεδόνων οἵτινες ἦρχον, οὐκ ἔχω σαφῶς εἰπεῖν, εἴτε ἰδίαν ἀρχὴν, εἴτε Δαρείου κατήκουον· Ἀλέξανδρος δέ μοι δοκεῖ τοὺς ἄρχοντας τῶνδε τῶν ἐθνῶν ἐπὶ φόρῳ καταλιπεῖν, ἐπειγόμενος ἐπὶ Δαρεῖον. φαίνεται γὰρ καὶ Ἀμισόν, ἐν Πόντῳ πόλιν Ἀττικοῦ γένους, ἐπὶ δημοκρατίαν ὡς πάτριόν σφισι πολιτείαν ἀναγαγόν. Ἰερώνυμος δὲ οὐδ' ἐπιψαῦσαι τῶν ἐθνῶν ὅλως, ἀλλ' ἀνὰ τὴν παράλιον τῆς Παμφυλίας καὶ Κιλικίας ἑτέραν ὁδὸν ἐπὶ τὸν Δαρεῖον τραπέσθαι. Περδίκκας δέ, ὃς ἐπὶ Ἀλεξάνδρῳ τῆς Μακεδόνων ἦρχεν, Ἀριαράθην Καππαδοκίας ἡγούμενον, εἴτε ἀφιστάμενον εἴτε τὴν ἀρχὴν αὐτοῦ περιποιούμενος Μακεδόσιν, εἶλε καὶ ἐκρέμασε, καὶ ἐπέστησε τοῖς ἔθνεσιν Εὐμένη τὸν Καρδιανόν. Εὐμένους δὲ ἀναιρεθέντος ὅτε αὐτὸν οἱ Μακεδόνες εἵλοντο εἶναι πολέμιον, Ἀντίπατρος ἐπὶ τῷ Περδίκκᾳ τῆς ὑπὸ Ἀλεξάνδρῳ γενομένης γῆς ἐπιτροπεύων, Νικάνορα ἔπεμψε Καππαδοκῶν σατραπεύειν.

[9] Μακεδόνων δὲ οὐ πολὺ ὕστερον ἐς ἀλλήλους στασιασάντων, Ἀντίγονος μὲν ἦρχε Συρίας Λαομέδοντα ἐκβαλὼν, Μιθριδάτης δ' αὐτῷ συνῆν, ἀνὴρ γένους βασιλείου Περσικοῦ. καὶ ὁ Ἀντίγονος ἐνύπνιον ἔδοξε πεδίον σπεῖραι χρυσίῳ, καὶ τὸ χρυσίον ἐκθερίσαντα τὸν Μιθριδάτην ἐς τὸν Πόντον οἴχεσθαι. καὶ ὁ μὲν αὐτὸν ἐπὶ τῷδε συλλαβῶν ἐβούλετο ἀποκτείνειν, ὁ δ' ἐξέφυγε σὺν ἱππεῦσιν ἑξ, καὶ φραζάμενός τι χωρίον τῆς Καππαδοκίας, πολλῶν οἱ προσιόντων ἐν τῇδε τῇ Μακεδόνων ἀσχολίᾳ, Καππαδοκίας τε αὐτῆς καὶ τῶν

ὁμόρων περὶ τὸν Πόντον ἔθνων κατέσχεν, ἐπὶ τε μέγα τὴν ἀρχὴν προαγαγὼν παῖσι παρέδωκεν. οἱ δ' ἤρχον, ἕτερος μεθ' ἕτερον, ἕως ἐπὶ τὸν ἕκτον ἀπὸ τοῦ πρώτου Μιθριδάτην, ὃς Ῥωμαίοις ἐπολέμησεν. τούτου δὲ τοῦ γένους ὄντες οἱ Καππαδοκίας τε καὶ Πόντου βασιλεῖς ἔσθ' ὅτε μοι δοκοῦσι διελεῖν τὴν ἀρχήν, καὶ οἱ μὲν τοῦ Πόντου κατασχεῖν οἱ δὲ Καππαδοκίας.

[10] ὁ γέ τοι Ῥωμαίοις πρῶτος ἐν φιλίᾳ γενόμενος καὶ ναῦς τινὰς ἐπὶ Καρχηδονίους καὶ συμμαχίαν ὀλίγην παρασχών, βασιλεὺς Πόντου, Μιθριδάτης ὁ εὐεργέτης ἐπὶ κλησιν, ὡς ἄλλοτριαν τὴν Καππαδοκίαν ἐπέδραμεν. καὶ διαδέχεται Μιθριδάτης υἱός, ὃ Διόνυσος καὶ εὐπάτωρ ἐπώνυμα ἦν. Ῥωμαῖοι δ' αὐτὸν ἐκστήναι Καππαδοκίας ἐκέλευσαν Ἀριοβαρζάνην, καταφυγόντι τε ἐς αὐτοὺς καὶ δόξαντι ἄρα γνησιωτέρῳ τοῦ Μιθριδάτου πρὸς τὴν Καππαδοκῶν ἀρχήν, ἣ καὶ τὸ μέγεθος τῆς ἀρχῆς τοῦ Μιθριδάτου πολλῆς οὐσῆς ὑφορώμενοί τε καὶ ἐς πλεονα διαιροῦντες ἀφανῶς. ὁ δὲ τοῦτο μὲν ἤνεγκε, Νικομήδει δὲ τῷ Νικομήδους τοῦ Προυσίου, Βιθυνίας ὡς πατρώας ὑπὸ Ῥωμαίων ἀποδειχθέντι βασιλεύειν, Σωκράτη τὸν ἀδελφὸν αὐτοῦ Νικομήδους, ὅτ' χρηστὸς ἐπώνυμον ἦν, μετὰ στρατιᾶς ἐπέμψε· καὶ τὴν Βιθυνῶν ἀρχὴν ὁ Σωκράτης ἐς αὐτὸν περιέσπασεν. τοῦ δ' αὐτοῦ χρόνου Μιθράας καὶ Βαγῶας Ἀριοβαρζάνην τόνδε τὸν ὑπὸ Ῥωμαίων κατηγμένον ἐς τὴν Καππαδοκίαν ἐκβαλόντες, Ἀριαράθην κατήγαγον ἐς αὐτήν.

[11] Ῥωμαῖοι δὲ Νικομήδην ὁμοῦ καὶ Ἀριοβαρζάνην ἐπανῆγον ἐς τὴν οἰκείαν ἐκάτερον, πρέσβεις τέ τινας αὐτοῖς ἐς τοῦτο συνέπεμψαν, ὧν Μάνιος Ἀκύλιος ἡγεῖτο· καὶ συλλαβεῖν ἐς τὴν κάθοδον ἐπέστειλαν Λευκίῳ τε Κασσίῳ, τῆς περὶ τὸ Πέργαμον Ἀσίας ἡγουμένῳ, στρατιὰν ἔχοντι ὀλίγην, καὶ τῷδε τῷ εὐπάτορι Μιθριδάτῃ. ἀλλ' ὁ μὲν αὐτῆς τε Καππαδοκίας ἕνεκα Ῥωμαίοις ἐπιμεμφόμενος, καὶ Φρυγίαν ἔναγχος ὑπ' αὐτῶν ἀφηρημένος, ὡς διὰ τῆς Ἑλληνικῆς γραφῆς δεδήλωται, οὐ συνέπραττε· Κάσσιος δὲ καὶ Μάνιος τῷ τε Κασσίου στρατῷ, καὶ πολλὴν ἄλλον ἀγειράντες Γαλατῶν καὶ Φρυγῶν, Νικομήδῃ τε κατήγαγον ἐς Βιθυνίαν καὶ Ἀριοβαρζάνην ἐς Καππαδοκίαν. εὐθύς τε ἀνέπειθον ἄμφω, γείτονας ὄντας Μιθριδάτου, τὴν γῆν τὴν Μιθριδάτου κατατρέχειν καὶ ἐς πόλεμον ἐρεθίζειν, ὡς Ῥωμαίων αὐτοῖς πολέμοις συμμαχησόντων. οἱ δὲ ὤκνουν μὲν ὁμοίως ἐκάτερος γείτονος πολέμου τοσοῦδε κατάρξαι, τὴν Μιθριδάτου δύναμιν δεδιότες· ἐγκειμένων δὲ τῶν πρέσβεων, ὁ Νικομήδης πολλὰ μὲν ὑπὲρ τῆς ἐπικουρίας τοῖς στρατηγοῖς καὶ τοῖς πρέσβεσιν ὁμολογηκῶς χρήματα δώσειν καὶ ἔτι ὀφείλων, πολλὰ δ' ἄλλα παρὰ τῶν ἐπομένων Ῥωμαίων δεδανεισμένος καὶ ὀχλούμενος, ἄκων ἐσέβαλεν ἐς τὴν Μιθριδάτου γῆν καὶ ἐλεηλάτησεν ἐπὶ πόλιν Ἀμαστριν, οὐδενὸς οὔτε κωλύοντος αὐτὸν οὔτε ἀπαντῶντος. ὁ γάρ τοι Μιθριδάτης ἐτοίμην ἔχων δύναμιν ὅμως ὑπεχώρει, πολλὰ καὶ δίκαια διδοὺς ἐγκλήματα τῷ πολέμῳ γενέσθαι.

[12] ἀναζεύξαντος δὲ τοῦ Νικομήδους μετὰ πολλῶν λαφύρων, Πελοπίδαν ὁ Μιθριδάτης ἐπεμπεν ἐς τοὺς Ῥωμαίων στρατηγοὺς τε καὶ πρέσβεις, οὐκ ἀγνοῶν μὲν αὐτοὺς πολεμῆσειν αὐτῷ καὶ τῇσδε τῆς ἐσβολῆς αἰτίους γεγονότας, ὑποκρινόμενος δέ, καὶ πλείονας ὁμοῦ καὶ εὐπρεπεστέρας αἰτίας τοῦ γεννησομένου πολέμου πορίζων, ἀνεμίμησε φιλίας καὶ συμμαχίας ἰδίας

τε καὶ πατρώας. ἀνθ' ὧν αὐτὸν ὁ Πελοπίδας ἔφη Φρυγίαν ἀφηρῆσθαι καὶ Καππαδοκίαν, τὴν μὲν αἰεὶ τῶν προγόνων αὐτοῦ γενομένην καὶ ὑπὸ τοῦ πατρὸς ἀναληφθεῖσαν, Φρυγίαν δὲ ἐπινίκιον ἐπὶ Ἀριστονίκῳ παρὰ τοῦ ὑμετέρου στρατηγοῦ δοθεῖσάν τε καὶ οὐχ ἥσσον παρὰ τοῦ αὐτοῦ στρατηγοῦ πολλῶν χρημάτων ἐωνημένην. 'νῦν δ', ἔφη, 'καὶ Νικομήδῃ τὸ στόμα τοῦ Πόντου διακλείοντα περιορᾶτε, καὶ τὴν γῆν μέχρι Ἀμάστριδος ἐπιτρέχοντα, καὶ λείαν ἄγοντα ὅσῃ ἴστε ἀκριβῶς, οὐκ ἀσθενῶς οὐδὲ ἀνετοιμῶς ἔχοντας πρὸς ἄμυναν τοῦ ἐμοῦ βασιλέως, ἀλλ' ἀναμένοντος ὑμᾶς ἐν ὧν μάρτυρας τῶν γιγνομένων γενέσθαι. ἐπειδὴ δὲ ἐγένεσθέ τε καὶ εἶδετε, παρακαλεῖ Μιθριδάτης, φίλος ὧν ὑμῖν καὶ σύμμαχος, φίλους ὄντας ὑμᾶς καὶ συμμάχους ὧδε γὰρ αἱ συνθήκαι λέγουσιν, ἐπικουρεῖν ἡμῖν ἀδικουμένοις ὑπὸ Νικομήδους, ἢ κωλύειν αὐτὸν ἀδικοῦντα.'

[13] ὁ μὲν τοιαῦτα εἶπε, Νικομήδους δὲ πρέσβεις ἐς ἀντιλογίαν αὐτῷ παρόντες ἔφασαν:

Νικομήδῃ μὲν ἐκ πολλοῦ Μιθριδάτης ἐπιβουλεύων Σωκράτη μετὰ στρατιᾶς ἐπὶ τὴν βασιλείαν ἐπῆγεν, ἡσυχάζοντα καὶ δικαιοῦντα τὸν πρεσβύτερον ἄρχειν. καὶ ὧδε Μιθριδάτης ἐς Νικομήδην ἔπραξεν, ὃν ὑμεῖς, ὦ Ῥωμαῖοι, Βιθυνῶν ἐστήσασθε βασιλεύειν: ὁ καὶ δῆλόν ἐστιν οὐκ ἐς ἡμᾶς μᾶλλον ἢ ἐς ὑμᾶς γεγονέναι. τῷ δ' αὐτῷ λόγῳ κεκελευκότων ὑμῶν τοῖς ἐν Ἀσίᾳ βασιλευσὶ τῆς Εὐρώπης μὴδὲ ἐπιβαίνειν, τὰ πολλὰ Χερρονήσου περιέσπασεν. καὶ τότε μὲν ἔστω τῆς ἐς ὑμᾶς ὕβρεως τε καὶ δυσμενείας αὐτοῦ καὶ ἀπειθείας ἔργα: ἡ παρασκευὴ δὲ ὅση, καὶ πᾶσα ἔτοιμος ὥς ἐπὶ μέγαν δὴ καὶ ἐγνωσμένον πόλεμον ἦδη, τοῦ τε ἰδίου στρατοῦ καὶ συμμάχων Θρακῶν καὶ Σκυθῶν, ὅσα τε ἄλλα πλησίον ἔθνη. ἐς δὲ τὸν Ἀρμένιον αὐτῷ καὶ ἐπιγαμία γέγονε, καὶ ἐς Αἴγυπτον καὶ Συρίαν περιπέμπει προσεταιριζόμενος τοὺς βασιλέας. νῆές τε εἰσὶν αὐτῷ κατάφρακτοι τριακόσiai, καὶ ἑτέρας προσαπεργάζεται: ἐπὶ τε πλωρέας καὶ κυβερνήτας ἐς Φοινίκην καὶ ἐς Αἴγυπτον περιέπεμψεν. ἅπερ οὐκ ἐπὶ Νικομήδῃ που, τοσάδε ὄντα, ἀλλ' ἐφ' ὑμῖν, ὦ Ῥωμαῖοι, Μιθριδάτης, ἐργάζεται, δυσμεναίων μὲν ἐξ οὗ Φρυγίαν αὐτὸν πανούργως πριάμενον, καὶ δεκάσαντα τῶν ὑμετέρων τινὰ στρατηγῶν, ἀποθέσθαι προσετάξατε, τῆς οὐ δικαίας κτήσεως καταγνόντες, χαλεπαίνων δ' ἐπὶ Καππαδοκίᾳ, δεδομένη καὶ τῇδε πρὸς ὑμῶν Ἀριοβαρζάνῃ, δεδιὼς δ' αὐξομένους ὑμᾶς, καὶ παρασκευαζόμενος ἐν τῇ καθ' ἡμᾶς προφάσει καὶ ὑμῖν, εἰ δύναιτο, ἐπιθέσθαι. σωφρόνων δ' ἐστὶ μὴ περιμένειν ὅτε πολεμεῖν ὑμῖν ὁμολογήσει, ἀλλ' ἐς τὰ ἔργα αὐτοῦ μᾶλλον ἢ τοὺς λόγους ἀφορᾶν μὴδὲ φιλίας ὄνομα ἐπίπλαστον ὑποκρινόμενῳ τοὺς ἀληθεῖς καὶ βεβαίους ἐκδοῦναι φίλους, μὴδὲ τὴν σφετέραν περὶ τῆς ἡμετέρας βασιλείας κρίσιν ὑπεριδεῖν ἀκυρουμένην ὑπ' ἀνδρὸς ὁμοίως ἡμῖν τε καὶ ὑμῖν ἐχθροῦ.

[14] ὧδε μὲν καὶ οἱ Νικομήδους ἔλεξαν: ἐπελθὼν δὲ αὐθις ὁ Πελοπίδας ἐς τὸ τῶν Ῥωμαίων συνέδριον περὶ μὲν τῶν πάσαι γερονότων, εἴ τι Νικομήδης ἐπιμέμφοιτο, δικάσαι Ῥωμαίους ἡξίου, τὰ δὲ νῦν ἐν ὧν γὰρ ὑμῶν γέγονε, τῆς τε γῆς τῆς Μιθριδάτου δηουμένης καὶ τῆς θαλάττης ἀποκεκλεισμένης καὶ λείας τοσησδε ἐλαυνομένης' οὐ λόγων ἔφη χρῆζειν οὐδὲ κρίσεως, 'ἀλλ' αὐθις ὑμᾶς παρακαλοῦμεν ἢ κωλύειν τὰ γιγνόμενα ἢ Μιθριδάτῃ συμμαχεῖν

ἀδικοῦμένῳ, ἣ τελευταῖον, ὃ ἄνδρες Ῥωμαῖοι, μηδὲ κωλύειν ἀμυνόμενον, ἀλλ' ἀμφοῖν ἐκστῆναι τοῦ πόνου.' τοσαῦτα τοῦ Πελοπίδου παλιλλογήσαντος, ἔγνωστο μὲν ἐκ πολλοῦ τοῖς Ῥωμαίων στρατηγοῖς ἐπικουρεῖν Νικομήδει, καὶ ἐς ὑπόκρισιν τῆς ἀντιλογίας ἠκροῶντο: τὰ δὲ εἰρημένα ὁμῶς ὑπὸ τοῦ Πελοπίδου, καὶ τὴν τοῦ Μιθριδάτου φιλίαν ἐνσύνθηκον ἔτι οὖσαν, αἰδούμενοι ἠπόρουν ἀποκρίσεως ἐπὶ πολὺ, μέχρι ἐπιστήσαντες μετὰ σοφίας ὥδε ἀπεκρίναντο. 'οὔτε Μιθριδάτην ἂν τι βουλοίμεθα πάσχειν ἄχαρι πρὸς Νικομήδους, οὔτε Νικομήδους ἀνεξόμεθα πολεμουμένον: οὐ γὰρ ἡγούμεθα Ῥωμαίοις συμφέρειν βλάπτεσθαι Νικομήδῃ.' ταῦτα δ' εἰπόντες τὸν Πελοπίδαν, βουλόμενον διελέγγειν τῆς ἀποκρίσεως τὴν ἀπορίαν, ἀπέπεμψαν ἐκ τοῦ συνεδρίου.

[15] Μιθριδάτης μὲν οὖν, ὡς ἐμφανῶς ἤδη πρὸς Ῥωμαίων ἀδικοῦμενος, ἔπεμπε σὺν πολλῇ χειρὶ τὸν υἱὸν Ἀριαράθην βασιλεῦειν Καππαδοκίας. καὶ εὐθὺς ἦρχεν αὐτῆς ὁ Ἀριαράθης, Ἀριοβαρζάνην ἐκβαλὼν. Πελοπίδας δὲ ἐς τοὺς Ῥωμαίων στρατηγοὺς αὐθις ἐλθὼν ἔλεγεν ὥδε.

ἃ μὲν ἡδίκημένος πρὸς ὑμῶν, ὃ Ῥωμαῖοι, βασιλεὺς Μιθριδάτης ἔφερε, Φρυγίαν τε καὶ Καππαδοκίαν ἀφηρημένος ἔναγχος, ἠκούσατε: ἃ δὲ Νικομήδης αὐτὸν ἔβλαπτεν, ὀρῶντες ὑπερείδετε. φιλίαν τε καὶ συμμαχίαν ἡμῖν προφέρουσιν, ὥσπερ οὐκ ἐγκαλοῦσιν ἀλλ' ἐγκαλουμένοις ἀπεκρίνασθε μὴ νομίζειν συμφέρειν τοῖς Ῥωμαίων πράγμασι βλάπτεσθαι Νικομήδῃ οἷάπερ αὐτὸν ἀδικοῦμενον. ὑμεῖς οὖν αἴτιοι τῷ κοινῷ Ῥωμαίων τοῦδε τοῦ περὶ Καππαδοκίαν γεγονότος: διὰ γὰρ ὑμᾶς, ὥδε μὲν ἡμᾶς ὑπερορῶντας ὥδε δὲ σοφίζοντας ἐν ταῖς ἀποκρίσεσιν, οὕτως ἔπραξεν ὁ Μιθριδάτης. καὶ πρεσβεύσεται καθ' ὑμῶν ἐς τὴν ὑμετέραν βουλὴν, ἐφ' ἣν ὑμῖν ἀπολογησομένοις ἐπαγγέλλει παρῆναι, φθάνειν δὲ μηδέν, μηδ' ἐξάρχειν ἄνευ τοῦ κοινοῦ τῶν Ῥωμαίων τοσοῦδε πολέμου, ἐνθυμουμένους ὅτι Μιθριδάτης βασιλεῦει μὲν τῆς πατρώας ἀρχῆς, ἣ δισμυρίων ἐστὶ σταδίων τὸ μήκος, προσκέκτηται δὲ πολλὰ περίχωρα, καὶ Κόλχους, ἔθνος ἀρειμανές, Ἑλλήνων τε τοὺς ἐπὶ τοῦ Πόντου κατωκισμένους, καὶ βαρβάρων τοὺς ὄντας ὑπὲρ αὐτούς. φίλοις δ' ἐς πᾶν τὸ κελεύόμενον ἐτοίμοις χρῆται Σκύθαις τε καὶ Ταύροις καὶ Βαστέρναις καὶ Θραξὶ καὶ Σαρμάταις καὶ πᾶσι τοῖς ἀμφὶ Τάναϊν τε καὶ Ἰστρον καὶ τὴν λίμνην ἔτι τὴν Μαιώτιδα. Τιγράνης δ' ὁ Ἀρμένιος αὐτῷ κηδεστής ἐστι, καὶ Ἀρσάκης ὁ Παρθυαῖος φίλος. νεῶν τε πλῆθος ἔχει, τὸ μὲν ἔτοιμον τὸ δὲ γιννόμενον ἔτι, καὶ παρασκευὴν ἐς πάντα ἀξίολογον.

[16] οὐκ ἐψεύσαντο δ' ὑμῖν ἔναγχος οἱ Βιθυνοὶ καὶ περὶ τῶν ἐν Αἰγύπτῳ καὶ Συρίᾳ βασιλέων: οὓς οὐ μόνον εἰκὸς ἐστὶν ἡμῖν, εἰ πόλεμος γένοιτο, προσθήσεσθαι, ἀλλὰ καὶ τὴν νεόκτητον ὑμῖν Ἀσίαν καὶ Ἑλλάδα καὶ Λιβύην καὶ πολλὰ καὶ αὐτῆς Ἰταλίας, ὅσα τὴν ὑμετέραν πλεονεξίαν οὐ φέροντα πολεμεῖ νῦν ὑμῖν πόλεμον ἄσπειστον. ὃν οὐπω διαθέσθαι δυνηθέντες ἐπιχειρεῖτε Μιθριδάτῃ, Νικομήδῃ αὐτῷ καὶ Ἀριοβαρζάνῃ παρὰ μέρος ἐπιτέμποντες: καὶ φατὲ μὲν εἶναι φίλοι καὶ σύμμαχοι, καὶ ὑποκρίνεσθε οὕτω, χρῆσθε δὲ ὡς πολεμίῳ. φέρετε οὖν, καὶ νῦν, εἴ τι πρὸς τῶν γεγονότων ἐς μετάνοιαν ἡρέθισθε, ἣ Νικομήδῃ κωλύσατε τοὺς ὑμετέρους ἀδικεῖν φίλους 'καὶ τάδε πράξασιν ὑμῖν ὑπέχουμι συμμαχήσειν ἐπὶ τοὺς Ἰταλοὺς βασιλέα

Μιθριδάτην, ἥ τὴν δοκοῦσαν ἐς ἡμᾶς φιλίαν λύσατε, ἥ ἐς Ῥώμην ἐπὶ κρίσιν ἵωμεν.

ὁ μὲν δὴ Πελοπίδας ὧδε ἔλεξεν, οἱ δὲ φορτικώτερον αὐτὸν εἰπεῖν ἠγοούμενοι, Μιθριδάτην μὲν ἐκέλευον ἀπέχεσθαι Νικομήδους καὶ Καππαδοκίας· αὐτοὶ γὰρ αὖθις Ἀριοβαρζάνην ἐς αὐτὴν κατάξειν, Πελοπίδαν δ'· εὐθὺς ἐξιεναι τοῦ στρατοπέδου, καὶ μηκέτι πρεσβεῦειν ἐς αὐτούς, εἰ μὴ τοῖς κελευομένοις ὁ βασιλεὺς ἐμμένει. οὕτω μὲν ἀπεκρίναντο, καὶ ἀπὸντι φυλακὴν συνέπεμψαν, ἵνα μὴ τις ἐπιτρίψειε παροδεῶν.

[17] ταῦτα δὲ εἰπόντες, οὐκ ἀναμείναντες περὶ τοσοῦδε πολέμου τὴν βουλὴν ἢ τὸν δῆμον ἐπιγνώμονα γενέσθαι, στρατιὰν ἤγειρον ἕκ τε Βιθυνίας καὶ Καππαδοκίας καὶ Παφλαγονίας καὶ Γαλατῶν τῶν ἐν Ἀσίᾳ. ὥς δὲ αὐτοῖς ὁ τε ἴδιος στρατός, ὅσον εἶχε Λεύκιος Κάσσιος ὁ τῆς Ἀσίας ἠγοούμενος, ἔτοιμος ἦν ἤδη, καὶ τὰ συμμαχικὰ πάντα συνελήλυθει, διελόμενοι τὸ πλῆθος ἐστρατοπέδουν, Κάσσιος μὲν ἐν μέσῳ Βιθυνίας τε καὶ Γαλατίας, Μάνιος δὲ ἢ διαβατὸν ἦν ἐς Βιθυνίαν τῷ Μιθριδάτῃ, Ὅππιος δὲ ἕτερος στρατηγὸς ἐπὶ τῶν ὁρῶν τῶν Καππαδοκίας, ἱππέας ἔχων ἕκαστος αὐτῶν καὶ πεζοὺς ἀμφὶ τοὺς τετρακισμυρίους. ἦν δὲ καὶ νεῶν στόλος αὐτοῖς, οὗ περὶ Βυζάντιον Μινούκιος τε Ῥούφος καὶ Γάιος Ποπίλιος ἠγοῦντο, τὸ στόμα τοῦ Πόντου φυλάσσοντες. παρὴν δὲ αὐτοῖς καὶ Νικομήδης, ἄρχων ἐτέρων πεντακισμυρίων πεζῶν καὶ ἱππέων ἑξακισχιλίων. τοσόσδε μὲν αὐτοῖς ἀθρόως στρατὸς ἀγγήγερτο· Μιθριδάτῃ δὲ τὸ μὲν οἰκεῖον ἦν μυριάδες πεζῶν πέντε καὶ εἴκοσι καὶ ἱππεῖς τετρακισμύριοι, καὶ νῆες κατάφρακτοι τριακόσιαι, δίκροτα δὲ ἑκατὸν, καὶ ἡ ἄλλη παρασκευὴ τούτων κατὰ λόγον, στρατηγοὶ δὲ Νεοπτόλεμος τε καὶ Ἀρχέλαος, ἀλλήλων ἀδελφῶ, καὶ τοῖς πλείστοις αὐτὸς παρεγίνετο. συμμαχικὰ δὲ ἦγον αὐτῷ Ἀρκαθίας μὲν, αὐτοῦ Μιθριδάτου παῖς, ἐκ τῆς βραχυτέρας Ἀρμενίας μυρίους ἱππέας, καὶ Δορύλαος ... ἐν φάλαγγι ταττομένοις, Κρατερὸς δ' ἑκατὸν καὶ τριάκοντα ἄρματα. τοσαύτη μὲν ἦν ἑκατέροις ἡ παρασκευὴ, ὅτε πρῶτον ἦσαν ἐς ἀλλήλους Ῥωμαῖοί τε καὶ Μιθριδάτης, ἀμφὶ τὰς ἑκατὸν καὶ ἑβδομήκοντα τρεῖς ὀλυμπιάδας.

[18] ἐν δὲ πεδίῳ πλατεῖ παρὰ τὸν Ἀμνιον ποταμὸν κατιδόντες ἀλλήλους ὁ τε Νικομήδης καὶ οἱ τοῦ Μιθριδάτου στρατηγοὶ παρέταττον ἐς μάχην, Νικομήδης μὲν ἅπαντας τοὺς ἑαυτοῦ, Νεοπτόλεμος δὲ καὶ Ἀρχέλαος τοὺς εὐζώνους μόνους, καὶ οὐς Ἀρκαθίας εἶχεν ἱππέας καὶ τινα τῶν ἁρμάτων· ἡ γὰρ φάλαγξ ἔτι προσῆι. ἐς δὲ τινα γήλοφον τοῦ πεδίου πετρώδη προλαβόντες ἀνέπεμψαν ὀλίγους, ἵνα μὴ κυκλωθεῖεν ὑπὸ τῶν Βιθυνῶν πολὺ πλειόνων ὄντων. ὥς δὲ ἐξωθουμένους εἶδον αὐτοὺς ἐκ τοῦ γηλόφου, δείσας ὁ Νεοπτόλεμος περὶ τῇ κυκλώσει προσεβοήθει μετὰ σπουδῆς, καλῶν ἅμα καὶ τὸν Ἀρκαθίαν. Νικομήδης δ' ὁρῶν ἀντιπαρῆι· καὶ γίνεταί πολὺς ἐνταῦθα ἀγὼν καὶ φόνος. βιασαμένου δὲ τοῦ Νικομηδους ἔφευγον οἱ Μιθριδάτειοι, ἕως ὃς Ἀρχέλαος ἀπὸ τοῦ δεξιοῦ μετελθὼν ἐνέβαλεν ἐς τοὺς διώκοντας. οἱ δ' ἐς αὐτὸν ἐπεστράφησαν. ὁ δ' ὑπεχώρει κατ' ὀλίγον, ἵν' ἔχοιεν ἐκ τῆς φυγῆς ἐπανελθεῖν οἱ περὶ Νεοπτόλεμον. ὥς δὲ εἶκασεν αὐτάρκως ἔχειν, ἐπέστρεψε, καὶ τοῖς Βιθυνοῖς τὰ δρεπανηφόρα ἄρματα ἐμπίπτοντα μετὰ ῥύμης διέκοπτε καὶ διέτεμνε τοὺς μὲν ἀθρόως ἐς δύο τοὺς δ' ἐς μέρη πολλά. τό τε γιγνόμενον

ἐξέπληττε τὴν στρατιὰν τοῦ Νικομήδους, ὅτε ἴδοιεν ἡμιτόμους ἄνδρας ἔτι ἔμπνους, ἢ ἐς πολλὰ διερριμμένους, ἢ τῶν δρεπάνων ἀπηρτημένους. ἀηδία τε μᾶλλον ὄψεως ἢ μάχης ἦσση τὴν τάξιν ὑπὸ φόβου συνέχεαν. ταραχθεῖσι δ' αὐτοῖς ὁ μὲν Ἀρχέλαος ἐκ τοῦ μετώπου, Νεοπτόλεμος δὲ καὶ Ἀρκαθίας ἐκ τῆς φυγῆς ἀναστρέφοντες ἐπέκειντο ὀπισθεν. οἱ δ' ἐπὶ πολὺ μὲν ἡμύνοντο, ἐς ἑκατέρους ἐπιστρεφόμενοι· ὥς δὲ τὸ πλεῖστον ἐπεπτώκει, Νικομήδης μὲν ἔφευγε μετὰ τῶν ὑπολοίπων ἐς Παφλαγονίαν, οὐδ' ἐς χεῖρας ἐλθούσης πω τῆς Μιθριδατείου φάλαγγος, ἐάλω δ' αὐτοῦ τὸ χαράκωμα καὶ τὰ χρήματα πολλὰ ὄντα καὶ πλήθος αἰχμαλώτων. οὐς πάντας ὁ Μιθριδάτης φιланθρωπευσάμενός τε καὶ ἐφόδια δούς ἀπέλυσεν ἐς τὰ οἰκεῖα ἀπιέναι, δόξαν ἐμποίων τοῖς πολεμίοις φιλανθρωπίας.

[19] ἔργον δὴ τότε πρῶτον τοῦ Μιθριδατείου πολέμου καὶ οἱ στρατηγοὶ τῶν Ῥωμαίων κατεπεπλήγεσαν, ὥς οὐκ εὐβουλία μᾶλλον ἢ προπετῶς, ἄνευ τοῦ κοινοῦ, τοσόνδε πόλεμον ἄψαντες. ὀλίγοι τε γὰρ πολὺ πλειόνων ἐκεκρατήκεσαν, καὶ οὐδεμιᾷ συντυχίᾳ χωρίων ἢ πολεμίου σφάλματος, ἀλλ' ἀρετῇ στρατηγῶν καὶ ἀνδρείᾳ στρατοῦ. Νικομήδης μὲν οὖν Μανίῳ παρεστρατοπέδευε, Μιθριδάτης δ' ἐπὶ τὸ Σκορόβαν ὄρος ἀνῆει, ὃ τέλος ἐστὶ Βιθυνῶν καὶ τῆς Ποντικῆς χώρας. πρόδρομοί τε αὐτοῦ, Σαυροματῶν ἑκατὸν ἱππεῖς, ὀκτακοσίοις ἱππεῦσι τοῦ Νικομήδους ἐντυχόντες αἰροῦσι καὶ τούτων τινάς· οὓς πάλιν ὁ Μιθριδάτης σὺν ἐφοδίοις μεθῆκεν ἐς τὰς πατρίδας ἀπιέναι. Μάνιον δ' ὑποφεύγοντα Νεοπτόλεμός τε καὶ Νεμάνης ὁ Ἀρμένιος ἀμφὶ τὸ πρῶτον Πάχιον χωρίον ἐβδόμης ὥρας καταλαβόντες, οἰχομένου πρὸς Κάσσιον Νικομήδους, ἠνάγκασαν ἐς μάχην ἱππέας ἔχοντα τετρακισχιλίους καὶ πεζοὺς ἔτι τούτων δεκαπλασίονας. κτείναντες δ' αὐτοῦ περὶ μυρίου, ἐζώγησαν ἐς τριακοσίους· οὓς ὁμοίως ὁ Μιθριδάτης ἐς αὐτὸν ἀναχθέντας ἀπέλυσε, καταδημοκοπῶν τοὺς πολεμίους. Μανίου δ' ἐλήφθη καὶ τὸ στρατόπεδον, καὶ φεύγων αὐτὸς ἐπὶ τὸν Σαγγάριον ποταμὸν νυκτὸς γενομένης ἐπέρασέ τε καὶ ἐς Πέργαμον ἐσώθη. Κάσσιος δὲ καὶ Νικομήδης, καὶ ὅσοι ἄλλοι Ῥωμαίων πρέσβεις παρῆσαν, ἐς Λεόντων κεφαλὴν, ὃ τῆς Φρυγίας ἐστὶν ὀχυρώτατον χωρίον, μετεστρατοπέδευον· καὶ τὸ πλῆθος ὅσον εἶχον, οὐ πάλαι συνειλεγμένον, χειροτεχνῶν ἢ γεωργῶν ἢ ιδιωτῶν, ἐγύμναζον, καὶ τοὺς Φρύγας αὐτοῖς προσκατέλεγον. ὀκνούντων δὲ ἑκατέρων ἀπέγνωσαν πολεμεῖν ἀνδράσιν ἀπολέμοις, καὶ διαλύσαντες αὐτοὺς ἀνεχώρουν, Κάσσιος μὲν ἐς Ἀπάμειαν σὺν τῷ ἐαυτοῦ στρατῷ, Νικομήδης δὲ ἐς Πέργαμον, Μάνιος δὲ ἐπὶ Ῥόδου. ὧν, ὅσοι τὸ στόμα τοῦ Πόντου κατεῖχον, πυθόμενοι διελύθησαν, καὶ τὰς τε κλεῖς τοῦ Πόντου, καὶ ναῦς ὅσας εἶχον, τῷ Μιθριδάτῃ παρέδωκαν.

[20] ὁ δὲ ὁρμῇ τῇδε μιᾷ τὴν ἀρχὴν ὅλην τοῦ Νικομήδους ὑπολαβὼν ἐπήει, καὶ καθίστατο τὰς πόλεις. ἐμβαλὼν δὲ καὶ ἐς Φρυγίαν, ἐς τὸ τοῦ Ἀλεξάνδρου πανδοκεῖον κατέλυσεν, αἰσιούμενος ἄρα, ἔνθαπερ Ἀλέξανδρος ἀνεπαύσατο, καὶ Μιθριδάτην σταθμεῦσαι. ὁ μὲν δὴ καὶ Φρυγίας τὰ λοιπὰ καὶ Μυσίαν καὶ Ἀσίαν, ἃ Ῥωμαίοις νεόκτητα ἦν, ἐπέτρεχε, καὶ ἐς τὰ περίοικα περιπέμπων ὑπηγάγετο Λυκίαν τε καὶ Παμφυλίαν καὶ τὰ μέχρι Ἰωνίας. Λαοδικεῦσι δὲ ἔτι ἀντέχουσι, τοῖς περὶ τὸν Λύκον ποταμὸν Ῥωμαίων γάρ τις στρατηγὸς Κόιντος Ὀππιος, ἱππέας ἔχων καὶ μισθοφόρους τινάς, ἐς τὴν πόλιν ἐσδραμὼν

ἐφύλαττεν αὐτήν, κήρυκα ἐπιπέμψας ἐπὶ τὰ τεῖχη λέγειν ἐκέλευσεν ὅτι βασιλεὺς Μιθριδάτης ὑπέχεται Λαοδικεῦσιν ἄδειαν, εἰ τὸν Ὀππιον αὐτῷ προσαγάγοιεν. οἱ δ' ἐπὶ τῷ κηρύγματι τοὺς μὲν μισθοφόρους Ὀππίου μεθῆκαν ἀπαθεῖς ἀπιέναι, αὐτὸν δ' ἤγαγον τῷ Μιθριδάτῃ τὸν Ὀππιον, ἡγουμένων αὐτῷ τῶν ῥαβδοφόρων ἐπὶ γέλωτι. καὶ αὐτὸν ὁ Μιθριδάτης οὐδὲν διαθεῖς ἐπήγετο πανταχοῦ λελυμένον, ἐπιδεικνύμενος ἄρα Ῥωμαίων αἰχμάλωτον στρατηγόν.

[21] μετ' οὐ πολὺ δὲ καὶ Μάνιον Ἀκύλιον, τὸν τῆσδε τῆς πρεσβείας καὶ τοῦδε τοῦ πολέμου μάλιστα αἴτιον, ἐλὼν δεδεμένον ἐπὶ ὄνου περιήγετο, κηρύσσοντα τοῖς ὁρώσιν ὅτι Μάνιος εἶη, μέχρι ἐν Περγάμῳ τοῦ στόματος αὐτοῦ κατεχώνευσεν χρυσίον, δωροδοκίαν ἄρα Ῥωμαίοις ὀνειδίζων. σατράπας δὲ τοῖς ἔθνεσιν ἐπιστήσας, ἐς Μαγνησίαν καὶ Ἐφεσον καὶ Μιτυλήνην παρῆλθεν, ἀσμένως αὐτὸν ἀπάντων δεχομένων, Ἐφεσίων δὲ καὶ τὰς Ῥωμαίων εἰκόνας τὰς παρὰ σφίσι καθαιρούντων, ἐφ' ᾧ δίκην ἔδοσαν οὐ πολὺ ὕστερον. ἐπανιών δὲ ἐκ τῆς Ἰωνίας Στρατονίκειαν εἶλε καὶ ἐξημίωσε χρήμασι, καὶ φρουρὰν ἐς τὴν πόλιν ἐσήγαγεν. παρθένον τε εὐμορφον ἰδὼν ἐς τὰς γυναῖκας ἀνεδέξατο· καὶ εἰ τῷ σπουδῇ καὶ τῷ ὀνόματι πυθέσθαι, Μονίμῃ Φιλοποίμενος ἦν. Μάγνησι δὲ καὶ Παφλαγόσι καὶ Λυκίοις ἔτι ἀντέχουσι διὰ τῶν στρατηγῶν ἐπολέμει.

[22] καὶ τότε μὲν ἦν ἀμφὶ τὸν Μιθριδάτην· Ῥωμαῖοι δ' ἐξ οὗ τῆς πρώτης αὐτοῦ ὁρμῆς τε καὶ ἐς τὴν Ἀσίαν ἐσβολῆς ἐπύθοντο, στρατεύειν ἐπ' αὐτὸν ἐψηφίσαντο, καίπερ ἀσχολούμενοι στάσεσιν ἀτρύτοις ἐν τῇ πόλει καὶ οἰκείῳ πολέμῳ χαλεπῷ, τῆς Ἰταλίας ἀφισταμένης σχεδὸν ἀπάσης ἀνὰ μέρος. κληρουμένων δὲ τῶν ὑπάτων, ἔλαχε μὲν Κορνήλιος Σύλλας ἄρχειν τῆς Ἀσίας καὶ πολεμεῖν τῷ Μιθριδάτῃ, χρήματα δ' οὐκ ἔχοντες αὐτῷ ἐσενεγκεῖν, ἐψηφίσαντοπραθῆναι ὅσα Νουμᾶς Πομπήλιος βασιλεὺς ἐς θυσίας θεῶν διετέτακτο. τοσῆδε μὲν ἦν τότε πάντων ἀπορία καὶ ἐς πάντα φιλοτιμία. καὶ τινα αὐτῶν ἔφθασε πραθῆναι καὶ συνενεγκεῖν χρυσοῦ λίτρας ἑνακισχιλίας, ἃς μόνας ἐς τηλικούτον πόλεμον ἔδοσαν.

Σύλλαν μὲν οὖν ἐς πολὺ αἱ στάσεις κατέσχον, ὥς ἐν τοῖς ἐμφυλίοις συγγέγραπται· ἐν τούτῳ δ' ὁ Μιθριδάτης ἐπὶ τε Ῥοδίους ναῦς πλείονας συνεπήγνυτο, καὶ σατράπαις ἅπασιν καὶ πόλεων ἄρχουσι δι' ἀπορρήτων ἔγραφε, τριακοστὴν ἡμέραν φυλάξαντας ὁμοῦ πάντα ἐπιθέσθαι τοῖς παρὰ σφίσι Ῥωμαίοις καὶ Ἰταλοῖς, αὐτοῖς τε καὶ γυναῖξιν αὐτῶν καὶ παισὶ καὶ ἀπελευθέροις ὅσοι γένους Ἰταλικοῦ, κτείναντάς τε ἀτάφους ἀπορρῖψαι, καὶ τὰ ὄντα αὐτοῖς μερίσασθαι πρὸς βασιλέα Μιθριδάτην. ἐπεκῆρξε δὲ καὶ ζημίαν τοῖς καταθάπτουσιν αὐτοὺς ἢ ἐπικρύπτουσι, καὶ μήνυτρα τοῖς ἐλέγχουσιν ἢ τοὺς κρυπτομένους ἀναιροῦσι, θεράπουσι μὲν ἐπὶ δεσπότης ἐλευθερίαν, χρήταις δ' ἐπὶ δανειστάς ἡμισυ τοῦ χρέους. τότε μὲν δὴ δι' ἀπορρήτων ὁ Μιθριδάτης ἐπέστελλεν ἅπασιν ὁμοῦ, καὶ τῆς ἡμέρας ἐπελθούσης συμφορῶν ἰδέαι ποικίλαι κατὰ τὴν Ἀσίαν ἦσαν, ὧν ἓν αὖτε ἰοῦναι ἦν.

[23] Ἐφέσιοι τοὺς ἐς τὸ Ἀρτεμίσιον καταφυγόντας, συμπλεκομένους τοῖς ἀγάλμασιν, ἐξέλκοντες ἔκτεινον. Περγαμῆνοί τοὺς ἐς τὸ Ἀσκληπιεῖον συμφυγόντας, οὐκ ἀφισταμένους, ἐτόξευον τοῖς ξοάνοις συμπλεκομένους.

Ἀδραμυττινοὶ τοὺς ἐκνέοντας ἐσβαίνοντες ἐς τὴν θάλασσαν ἀνήρουν, καὶ τὰ βρέφη κατεπόντουν. Καύνιοι Ῥόδιοις ὑποτελεῖς ἐπὶ τῷ Ἀντιόχου πολέμῳ γενόμενοι, καὶ ὑπὸ Ῥωμαίων ἀφεθέντες οὐ πρὸ πολλοῦ, τοὺς Ἰταλοὺς ἐς τὴν βουλαίαν Ἑστίαν καταφυγόντας ἔλκοντες ἀπὸ τῆς Ἑστίας, τὰ βρέφη σφῶν πρῶτα ἐκτείνουν ἐν ὄψει τῶν μητέρων, αὐτὰς δὲ καὶ τοὺς ἄνδρας ἐπ' ἐκείνοις. Τραλλιανοὶ δ' αὐθένται τοῦ κακοῦ φυλαξάμενοι γενέσθαι, Παφλαγὸνα Θεόφιλον, ἄγριον ἄνδρα, ἐς τὸ ἔργον ἐμισθώσαντο, καὶ ὁ Θεόφιλος αὐτοὺς συναγαγὼν ἐπὶ τὸν τῆς ὁμονοίας νεῶν ἤπτετο τοῦ φόνου, καὶ τινῶν τοῖς ἀγάλμασι συμπλεκομένων τὰς χεῖρας ἀπέκοπτεν. τοιαύταις μὲν τύχαις οἱ περὶ τὴν Ἀσίαν ὄντες Ἰταλοὶ καὶ Ῥωμαῖοι συνεφέροντο, ἄνδρες τε ὁμοῦ καὶ βρέφη καὶ γυναῖκες, καὶ ἐξελεύθεροι καὶ θεράποντες αὐτῶν, ὅσοι γένους Ἰταλικοῦ. ὧ καὶ μάλιστα δῆλον ἐγένετο τὴν Ἀσίαν οὐ φόβῳ Μιθριδάτου μᾶλλον ἢ μίσει Ῥωμαίων τοιάδε ἐς αὐτοὺς ἐργάσασθαι. ἀλλ' οὗτοι μὲν δίκην ἔδοσαν διπλῆν, αὐτοῦ τε Μιθριδάτου μετ' ὀλίγον ἀπίστως ἐξυβρίσαντος ἐς αὐτοὺς, καὶ ὕστερον Κορνηλίῳ Σύλλᾳ: Μιθριδάτης δὲ ἐς μὲν Κῶ κατέπλευσε, Κῶων αὐτὸν ἀσμένως δεχομένων, καὶ τὸν Ἀλεξάνδρου παῖδα τοῦ βασιλεύοντος Αἰγύπτου, σὺν χρήμασι πολλοῖς ὑπὸ τῆς μάμμης Κλεοπάτρας ἐν Κῶ καταλελειμμένον, παραλαβὼν ἔτρεφε βασιλικῶς, ἐκ τε τῶν Κλεοπάτρας θησαυρῶν γάζαν πολλὴν καὶ τέχνην καὶ λίθους καὶ κόσμους γυναικείους καὶ χρήματα πολλὰ ἐς τὸν Πόντον ἐπεμψεν.

[24] ἐν δὲ τούτῳ Ῥόδιοι τὰ τε τειχὴ σφῶν καὶ τοὺς λιμένας ἐκρατύναντο, καὶ μηχανὰς ἅπασιν ἐφίστανον: καὶ τινες αὐτοῖς Τελμισέων τε καὶ Λυκίων συνέμαχουν. ὅσοι τε ἐξ Ἀσίας Ἰταλοὶ διεπεφεύγεσαν, ἐς Ῥόδον ἅπαντες ἐχώρουν, καὶ σὺν αὐτοῖς Λεύκιος Κάσσιος ὁ τῆς Ἀσίας ἀνθύπατος. ἐπιπλέοντος δὲ τοῦ Μιθριδάτου τὰ προάστεια καθήρουν, ἵνα μὴδὲν εἴη χρήσιμα τοῖς πολεμίοις, καὶ ἐπὶ ναυμαχίαν ἀνήγοντο, ταῖς μὲν ἐκ μετώπου ταῖς δὲ πλαγίαις. ὁ δὲ βασιλεὺς ἐπὶ πεντήρους περιπλέων ἐκέλευε τοὺς ἰδίους ἐς τὸ πέλαγος ἀνάγειν ἐπὶ κέρως, καὶ τὴν εἰρεσίαν ἐπιταχύνοντας περικυκλοῦσθαι τοὺς πολεμίους ὀλιγωτέρους ὄντας, μέχρι δείσαντες οἱ Ῥόδιοι περὶ τῇ κυκλώσει ὑπεχώρουν κατ' ὀλίγον: εἴτ' ἐπιστρέψαντες ἐς τὸν λιμένα κατέφυγον, καὶ κλείθροις αὐτὸν διαλαβόντες ἀπὸ τῶν τειχῶν τὸν Μιθριδάτην ἀπεμάχοντο. ὁ δὲ τῇ πόλει παραστρατοπεδεύων καὶ συνεχῶς τῶν λιμένων πειρώμενος καὶ ἀποτυγχάνων, ἀνέμενε τὸ πεζὸν ἐκ τῆς Ἀσίας οἱ παραγενέσθαι. κὰν τούτῳ βραχεῖαι καὶ συνεχεῖς ἐγίνοντο ἀψιμαχίαι τῶν ἐφεδρευόντων τοῖς τείχεσιν, ἐν αἷς οἱ Ῥόδιοι πλεονεκτοῦντες ἀνεθάρσουν κατ' ὀλίγον, καὶ τὰς ναῦς διὰ χειρὸς εἶχον ὥς, εἴ πῃ καιρὸν εὖροιεν, ἐπιθησόμενοι τοῖς πολεμίοις.

[25] ὁλκάδος δὲ βασιλικῆς ἰστίῳ παραπλευούσης, Ῥοδία δίκροτος ἐπ' αὐτὴν ἀνήχθη: καὶ ταῖσδε κατὰ σπουδὴν ἐκατέρων ἐπιβοηθούτων ναυμαχία γίνεται καρτερὰ, Μιθριδάτου μὲν ἐπιβαρύνοντος ὀργῇ καὶ πλήθεσι νεῶν, Ῥοδίων δ' αὐτοῦ τὰ σκάφη σὺν ἐμπειρίᾳ περιπλεόντων τε καὶ ἀνατιτρώντων, ὥστε καὶ τριήρη αὐτοῖς ἀνδράσιν ἀναδησάμενοι καὶ ἄκροστόλια πολλὰ καὶ σκῦλα ἐς τὸν λιμένα φέροντες ἐπανελθεῖν. πεντήρους δὲ σφῶν εἰλημμένης ὑπὸ τῶν πολεμίων, ἀγνοοῦντες οἱ Ῥόδιοι ἐπὶ ζήτησιν αὐτῆς ἐξ ταῖς μάλιστα

ταχυναντούσαις ἀνέπλεον, καὶ Δαμαγόρας ἐπ' αὐτῶν ὁ ναύαρχος ἐπέπλει. πέντε δ' αὐτῷ καὶ εἴκοσιν ἐπιτέμνηαντος τοῦ Μιθριδάτου, μέχρι μὲν ἐς δύοσιν ὁ Δαμαγόρας ὑπεχώρει, συσκοτάζοντος δ' ἤδη ταῖς βασιλικαῖς ἐς ἀπόπλουν ἐπιστρεφομέναις ἐμβαλὼν δύο κατεπόντωσε, δύο δ' ἄλλας ἐς Λυκίαν συνεδίωξε, καὶ τὴν νύκτα πελαγίσας ἐπανῆλθεν. τοῦτο Ῥοδίοις καὶ Μιθριδάτῃ τέλος ἦν τῆς ναυμαχίας, παρὰ δόξαν Ῥοδίοις τε διὰ τὴν ὀλιγότητα καὶ Μιθριδάτῃ διὰ τὸ πλῆθος γενόμενον. ἐν δὲ τῷ ἔργῳ περιπλέοντι τῷ βασιλεῖ, καὶ τοὺς οἰκείους ἐπισπέρχοντι, Χία συμμαχίς ἐμβαλοῦσα ἐκ θορύβου κατέσεισε· καὶ ὁ βασιλεὺς, οὐδὲν τότε φροντίζειν ὑποκρινάμενος, τὸν κυβερνήτην ὕστερον ἐκόλασε καὶ τὸν πρῶρα, καὶ Χίοις ἐμήνισε πᾶσιν.

[26] τῶν δ' αὐτῶν ἡμερῶν τοῦ πεζοῦ τῷ Μιθριδάτῃ παραπλέοντος ἐπὶ ὀλκάδων καὶ τριήρων, πνεῦμα Καννικὸν ἐμπεσὼν ἐς αὐτὰς ἐς Ῥόδον παρήνεγκε· καὶ οἱ Ῥόδιοι τάχιστα ἐπαναχθέντες, ἐνοχλουμέναις ὑπὸ τοῦ κλύδωνος ἔτι καὶ διεσπαρμέναις ἐμβalόντες, ἀνεδῆσαντό τινας καὶ διέτρησαν ἐτέρας καὶ ἐνέπρησαν ἄλλας, καὶ ἄνδρας αἰχμαλώτους εἶλον ἐς τετρακοσίους. ἐφ' οἷς ὁ Μιθριδάτης ἐς ἐτέραν ναυμαχίαν ὁμοῦ καὶ πολιορκίαν ἡτοιμάζετο, σαμβύκην δὲ τινα, μηχανήμα μέγιστον, ἐπὶ δύο νεῶν φερόμενον ἐποίει. αὐτομόλων δ' αὐτῷ λόφον ὑποδειξάντων ἐπιβατόν, ἧ Ἀταβυρίου Διὸς ἱερὸν ἦν καὶ κολοβὸν τειχίον ἐπ' αὐτοῦ, τὴν στρατιὰν ἐς τὰς ναῦς νυκτὸς ἐπέβησε, καὶ ἐτέροις ἀναδοὺς κλίμακας ἐκέλευσε χωρεῖν ἑκατέρους μετὰ σιωπῆς, μέχρι τινὲς αὐτοῖς πυρσεύσειαν ἐκ τοῦ Ἀταβυρίου, καὶ τότε ἀθρόως, μετὰ βοῆς ὅτι μάλιστα μεγάλης, τοὺς μὲν τοῖς λιμέσιν ἐμπίπτειν, τοὺς δὲ τὰ τεῖχη βιάζεσθαι. οἱ μὲν δὴ μετὰ σιγῆς βαθείας προσεπέλαζον, Ῥοδίων δ' οἱ προφύλακες αἰσθόμενοι τῶν γιγνομένων ἐπύρσευσαν, καὶ ἡ στρατιὰ τοῦ Μιθριδάτου, νομίσασα τοῦτο εἶναι τὸν ἐκ τοῦ Ἀταβυρίου πυρσόν, ἐκ βαθείας σιωπῆς ἠλάλαξαν ὁμοῦ πάντες, οἱ τε κλιμακοφόροι καὶ ὁ στόλος ὁ νηίτης. Ῥοδίων δ' αὐτοῖς ἀκαταπλήκτως ἀντανακραγόντων, καὶ ἀθρόως ἀναδραμόντων ἐς τὰ τεῖχη, οἱ βασιλικοὶ νυκτὸς μὲν οὐδ' ἐπεχείρουν, ἡμέρας δ' ἀπεκρούσθησαν.

[27] ἡ σαμβύκη δ' ἐπαχθεῖσα τοῦ τεύχους ἧ τὸ τῆς Ἰσιδος ἱερὸν ἐστίν, ἐφόβει μάλιστα, βέλη τε πολλὰ ὁμοῦ καὶ κριοὺς καὶ ἀκόντια ἀφιείσα. στρατιῶταί τε σκάφεσι πολλοῖς αὐτῇ μετὰ κλιμάκων παρέθεον ὥς ἀναβησόμενοι δι' αὐτῆς ἐπὶ τὰ τεῖχη. οἱ δὲ Ῥόδιοι καὶ τάδε εὐσταθῶς ὑπέμενον, ἕως τό τε μηχανήμα ὑπὸ βάρους ἐνεδίδου, καὶ φάσμα τῆς Ἰσιδος ἔδοξε πῦρ ἀφιέναι πολὺ κατ' αὐτοῦ. καὶ ὁ Μιθριδάτης ἀπογνοὺς καὶ τῆσδε τῆς πείρας ἀνεζεύγνυνεν ἐκ τῆς Ῥόδου, Πατάρους δὲ τὴν στρατιὰν περιστήσας ἔκοπτε Λητοῦς ἄλσος ἱερὸν ἐς μηχανάς, μέχρι φοβήσαντος αὐτὸν ἐνυπνίου τῆς τε ὕλης ἐφείσατο, καὶ Πελοπίδαν Λυκίοις πολεμεῖν ἐπιστήσας, Ἀρχέλαον ἐς τὴν Ἑλλάδα ἐπεμπε, προσεταιριούμενον ἢ βιασόμενον αὐτῆς ὅσα δύναται. αὐτὸς δ' ἀπὸ τοῦδε τοῖς στρατηγοῖς τὰ πολλὰ μεθεῖς ἐστρατολόγει καὶ ὥπλοποιεῖ, καὶ τῇ Στρατονικίδι γυναικὶ διετέρπετο, καὶ δίκας ἐδίκαζε τοῖς ἐπιβουλεύειν ἐς τὸ σῶμα αὐτοῦ λεγομένοις ἢ νεωτερίζουσιν ἢ ὅλως ῥωμαῖζουσιν.

[28] καὶ ὁ μὲν ἐπὶ τοῖσδε ἦν, κατὰ δὲ τὴν Ἑλλάδα τοιάδε ἐγίγνετο. Ἀρχέλαος ἐπιπλεύσας καὶ σίτῳ καὶ στόλῳ πολλῷ, Δηλὸν τε ἀφισταμένην ἀπὸ Ἀθηναίων

καὶ ἄλλα χωρία ἐχειρώσατο βία καὶ κράτει. κτείνας δ' ἐν αὐτοῖς διςμυρίους ἄνδρας, ὧν οἱ πλέονες ἦσαν Ἰταλοί, τὰ χωρία προσεποιεῖτο τοῖς Ἀθηναίοις· καὶ ἀπὸ τοῦδε αὐτούς, καὶ τὰ ἄλλα κομπάζων περὶ τοῦ Μιθριδάτου καὶ ἐς μέγα ἐπαίρων, ἐς φιλιαν ὑπηγάγετο· τὰ τε χρήματα αὐτοῖς τὰ ἱερὰ ἔπεμπεν ἐκ Δήλου δι' Ἀριστίωνος ἀνδρὸς Ἀθηναίου, συμπέμψας φυλακὴν τῶν χρημάτων ἐς δισχιλίους ἄνδρας, οἷς ὁ Ἀριστίων συγχρώμενος ἐτυράννησε τῆς πατρίδος, καὶ τῶν Ἀθηναίων τοὺς μὲν εὐθὺς ἔκτεινεν ὡς ῥωμαΐζοντας, τοὺς δ' ἀνέπεμψε ἐς Μιθριδάτην, καὶ ταῦτα μέντοι σοφίαν τὴν Ἐπικούρειον ἡσκηκώς. ἀλλὰ γὰρ οὐχ ὅδε μόνος Ἀθήνησιν, οὐδὲ Κριτίας ἔτι πρὸ τούτου, καὶ ὅσοι τῷ Κριτία συμφιλοσοφοῦντες ἐτυράννησαν, ἀλλὰ καὶ ἐν Ἰταλία τῶν πυθαγορισάντων καὶ ἐν τῇ ἄλλῃ Ἑλλάδι τῶν ἐπὶ τὰ σοφῶν λεγομένων ὅσοι πραγμάτων ἐλάβοντο, ἐδυνάστευσάν τε καὶ ἐτυράννησαν ὠμότερον τῶν ιδιωτικῶν τυράννων, ὥστε καὶ περὶ τῶν ἄλλων φιλοσόφων ἄπορον ποιῆσαι καὶ ὑποπτον, εἴτε δι' ἀρετὴν, εἴτε πενίας καὶ ἀπραξίας τὴν σοφίαν ἔθεντο παραμύθιον, ὧν γε καὶ νῦν πολλοὶ ιδιωτεύοντες καὶ πενόμενοι, καὶ τὴν ἀναγκαίαν ἐκ τῶνδε σοφίαν περικεῖμενοι, τοῖς πλουτοῦσιν ἢ ἄρχουσι λοιδороῦνται πικρῶς, οὐχ ὑπεροψίας πλούτου καὶ ἀρχῆς δόξαν σφίσι μᾶλλον ἢ ζηλοτυπίας ἐς αὐτὰ προφέροντες. ὑπερορῶσι δ' αὐτῶν οἱ βλασφημούμενοι πολὺ σοφώτερον. ταῦτα μὲν οὖν ἡγήσαιο ἂν τις ἐς Ἀριστίωνα τὸν φιλόσοφον εἰρημένα, αὐτὸν αἴτιον τῆς ἐκβολῆς τῷ λόγῳ γενόμενον:

[29] Ἀρχελάῳ δ' Ἀχαιοὶ καὶ Λάκωνες προσετίθεντο, καὶ Βοιωτία πᾶσα χωρὶς γε Θεσπιέων, οὗς περικαθήμενος ἐπολιόρκει. τοῦ δ' αὐτοῦ χρόνου Μητροφάνης ἐπιτεμφθεὶς ὑπὸ Μιθριδάτου μεθ' ἐτέρας στρατιᾶς Εὐβοίαν καὶ Δημητριάδα καὶ Μαγνησίαν, οὐκ ἐνδεχομένης τὰ Μιθριδάτεια, ἐλεηλάτει. καὶ Βρύττιος ἐκ Μακεδονίας ἐπελθὼν σὺν ὀλίγῳ στρατῷ διενευμάχησέ τε αὐτῷ, καὶ καταποντώσας τι πλοῖον καὶ ἡμιολίαν ἔκτεινε πάντας τοὺς ἐν αὐτοῖς, ἐφορῶντος τοῦ Μητροφάνους. ὁ δὲ καταπλαγεὶς ἔφευγεν. καὶ αὐτὸν αἰσίῳ ἀνέμῳ χρώμενον ὁ Βρέττιος οὐ καταλαβὼν Σκίαθον ἐξεῖλεν, ἢ τῆς λείας τοῖς βαρβάροις ταμιεῖον ἦν, καὶ δούλους τινὰς αὐτῶν ἐκρέμασε, καὶ ἐλευθέρων ἀπέτεμε τὰς χεῖρας. ἐπὶ τε Βοιωτίαν τραπεῖς, ἐτέρων οἱ χιλίων ἱπέων καὶ πεζῶν ἐκ Μακεδονίας ἐπελθόντων, ἀμφὶ Χαιρώνειαν Ἀρχελάῳ καὶ Ἀριστίωνι τρισὶν ἡμέραις συνεπλέκετο, ἴσου καὶ ἀγχωμάλου παρ' ὅλον τὸν ἀγῶνα τοῦ ἔργου γιγνομένου. Λακόνων δὲ καὶ Ἀχαιῶν ἐς συμμαχίαν Ἀρχελάῳ καὶ Ἀριστίωνι προσιόντων, ὁ Βρύττιος ἅπασιν ὁμοῦ γενομένοις οὐχ ἡγούμενος ἀξιόμαχος ἔτι ἔσεσθαι ἀνεξεύγνυνεν ἐς τὸν Πειραιᾶ, μέχρι καὶ τοῦδε Ἀρχέλαος ἐπιπλεύσας κατέσχευεν.

[30] Σύλλας δ' ὁ τοῦ Μιθριδατείου πολέμου στρατηγὸς ὑπὸ Ῥωμαίων αἰρεθεὶς εἶναι, τότε πρῶτον ἐξ Ἰταλίας σὺν τέλεσι πέντε καὶ σπεύραις τισὶ καὶ ἴλαις ἐς τὴν Ἑλλάδα περαιωθεὶς χρήματα μὲν αὐτίκα καὶ συμμάχους καὶ ἀγορὰν ἐκ τε Αἰτωλίας καὶ Θεσσαλίας συνέλεγεν, ὥς δ' ἀποχρώντως ἔχειν ἐδόκει, διέβαινεν ἐς τὴν Ἀττικὴν ἐπὶ τὸν Ἀρχέλαον. παροδεύοντι δ' αὐτῷ Βοιωτία τε ἀθρόως μετεχώρει, χωρὶς ὀλίγων, καὶ τὸ μέγα ἄστυ αἱ Θῆβαι, μάλα κουφόνως ἀντὶ Ῥωμαίων ἐλόμενοι τὰ Μιθριδάτεια, ὀξύτερον ἔτι, πρὶν ἐς πεῖραν ἐλθεῖν, ἀπὸ Ἀρχελάου πρὸς Σύλλαν μετετίθεντο. ὁ δ' ἐπὶ τὴν Ἀττικὴν

ἐχώρει, καὶ μέρος τι στρατοῦ ἐς τὸ ἄστυ περιπέμψας Ἀριστίωνα πολιορκεῖν, αὐτός, ἔνθαπερ ἦν Ἀρχέλαος, ἐπὶ τὸν Πειραιᾶ κατῆλθε, κατακεκλεισμένων ἐς τὰ τεῖχη τῶν πολεμίων. ὕψος δ' ἦν τὰ τεῖχη πήχεων τεσσαράκοντα μάλιστα, καὶ εἴργαστο ἐκ λίθου μεγάλου τε καὶ τετραγώνου, Περίκλειον ἔργον, ὅτε τοῖς Ἀθηναίοις ἐπὶ Πελοποννησίους στρατηγῶν, καὶ τὴν ἐλπίδα τῆς νίκης ἐν τῷ Πειραιεῖ τιθέμενος, μᾶλλον αὐτὸν ἐκρατύνατο. Σύλλας δὲ καὶ τοιοῖσδε οὔσι τοῖς τεῖχεσιν εὐθὺς ἐπῆγε τὰς κλίμακας, καὶ πολλὰ μὲν ἔδρα πολλὰ δ' ἀντέπασχεν, ἰσχυρῶς τῶν Καππαδοκῶν αὐτὸν ἀμυνομένων, ἔστε κάμνων ἐς Ἐλευσίνα καὶ Μέγαρα ἀνεχώρει, καὶ μηχανὰς ἐπὶ τὸν Πειραιᾶ συνεπήγγυτο, καὶ χῶμα αὐτῷ προσχοῦν ἐπενόει. τέχναι μὲν δὴ καὶ παρασκευὴ πᾶσα αὐτῷ καὶ σίδηρος καὶ καταπέλται, καὶ εἴ τι τοιουτότροπον ἄλλο, ἐκ Θηβῶν ἐκομίζετο, ὕλην δὲ τῆς Ἀκαδημείας ἔκοπτε, καὶ μηχανὰς εἰργάζετο μεγίστας. τὰ τε μακρὰ σκέλη καθήρει, λίθους καὶ ξύλα καὶ γῆν ἐς τὸ χῶμα μεταβάλλων.

[31] δύο δ' ἐκ τοῦ Πειραιῶς Ἀττικοὶ θεράποντες, αἰρούμενοι τὰ Ῥωμαίων, ἢ σφίσιν αὐτοῖς καταφυγὴν, εἴ τι γίνοιτο, προορώμενοι, πεσσοῖς ἐκ μολύβδου πεπονημένοις ἐγγράφοντες αἰεὶ τὸ γιγνόμενον ἐς τοὺς Ῥωμαίους ἠφίεσαν ἀπὸ σφενδόνης. καὶ τοῦδε γιγνομένου τε συνεχῶς καὶ ἐς γνῶσιν ἔλθόντος, Σύλλας τοῖς ἐσφενδονημένοις προσέχων ἡῦρε γεγραμμένον ὅτι τῆς ἐπιούσης ἐκ μετώπου πεζοὶ κατὰ τοὺς ἐργαζομένους ἐκδραμοῦνται καὶ ἱππεῖς ἐκατέρωθεν ἐς τὰ πλάγια Ῥωμαίων ἐμβαλοῦσιν. κρύψας οὖν τινὰ στρατιὰν ἀποχρῶσαν, ὡς ἐγένετο τῶν πολεμίων ἡ ἐκδρομὴ, δόξασα δὴ μάλιστα αἰφνίδιος εἶναι, ὁ δὲ αἰφνιδιώτερον αὐτοῖς τοὺς κεκρυμμένους ἐπαφείς ἔκτεινε πολλοὺς καὶ ἐς τὴν θάλασσαν ἐτέρους περιέωσεν. καὶ τοῦτο μὲν τῆς πείρας ἐκείνης τέλος ἦν: αἰρομένοις δὲ ἐπὶ μέγα ἄνω τοῖς χῶμασι πύργους ὁ Ἀρχέλαος ἀντεμηχανάτο, καὶ πλεῖστα ἐπ' αὐτοῖς ὄργανα ἐτίθει, τὰς τε δυνάμεις ἐκ Χαλκίδος καὶ τῶν ἄλλων νήσων μετεπέμπετο, καὶ τοὺς ἐρέτας καθόπλιζεν, ὡς ὄντος οἱ τοῦ κινδύνου περὶ τῶν ὅλων. ἐγίνετο μὲν δὴ πλείων οὔσα τῆς Σύλλα στρατιᾶς ἡ Ἀρχελάου καὶ ἐκ τῶνδε πολὺ πλείων, νυκτὸς δὲ μέσης ὁ μὲν Ἀρχέλαος ἐκθορῶν μετὰ λαμπτήρων ἐνέπρησε τὴν ἐτέραν τῶν χελωνῶν καὶ τὰ ἐπ' αὐτῇ μηχανήματα, ἡμέραις δὲ δέκα μάλιστα ἄλλα ὁ Σύλλας ἐργασάμενος ἐπέστησεν αὐθις ἔνθα καὶ τὰ πρότερα ἦν. καὶ τούτοις ὁ Ἀρχέλαος πύργον ἀντίστη κατὰ τὸ τεῖχος.

[32] Καταπλευσάσης δ' αὐτῷ παρὰ Μιθριδάτου στρατιᾶς ἐτέρας, ἧς ἠγεῖτο Δρομιχαίτης, ἐξῆγεν ἅπαντας ἐς μάχην. ἀναμίξας δ' αὐτοῖς σφενδονήτας καὶ τοξότας ὑπὸ τὸ τεῖχος αὐτὸ παρέταττεν, ἵνα καὶ οἱ τειχοφύλακες ἐφικνοῖντο τῶν πολεμίων: ἔτεροι δ' ὑπὸ ταῖς πύλαις αὐτῷ πυρφόροι καιρὸν ἐκδρομῆς ἐπετήρουν. ἀγχωμάλου δ' ἐς πολὺ τῆς μάχης οὔσης ἐνέκλινον ἕκατεροι παρὰ μέρος, πρῶτον μὲν οἱ βάρβαροι, μέχρι Ἀρχέλαος αὐτοὺς ἐπισχῶν ἐπανήγαγεν ἐς τὴν μάχην. ὃ δὴ καὶ μάλιστα καταπλαγέντες οἱ Ῥωμαῖοι μετ' αὐτοὺς ἔφευγον, ἔστε καὶ τούσδε Μουρήνας ὑπαντήσας ἐπέστρεφεν. ἄλλο δ' ἀπὸ ξυλείας τέλος ἐπανίον, καὶ σὺν αὐτοῖς οἱ ἄτιμοι, σπουδῇ τὸν ἀγῶνα εὐρόντες ἐπέπιπτον τοῖς Μιθριδατείοις πάνυ καρτερῶς, μέχρι κτεῖναι μὲν αὐτῶν ἐς δισχιλίους, τοὺς δὲ λοιποὺς ἐς τὰ τεῖχη συνελάσαι. Ἀρχέλαος δ' αὐτοὺς ἐπιστρέφων αὐθις, καὶ τῷ ἀγῶνι διὰ τὴν προθυμίαν ἐς πολὺ παραμένων, καὶ

ἀποκλεισθεῖς ἀνιμῆθη διὰ καλωδίων. ὁ δὲ Σύλλας τοὺς μὲν ἀτίμους περιφανῶς ἀγωνισαμένους ἐξέλυσε τῆς ἀτιμίας, τοὺς δ' ἄλλους ἐδωρήσατο πολλοῖς.

[33] καὶ χειμῶνος ἐπιόντος ἤδη στρατόπεδον ἐν Ἐλευσίνι θέμενος, τάφρον ἄνωθεν ἐπὶ θάλατταν ἔτεμνε βαθεῖαν τοῦ μὴ τοὺς πολεμίους ἰππέας εὐμαρῶς ἐπιτρέχειν οἱ. καὶ τὰδε αὐτῷ πονουμένῳ καθ' ἐκάστην ἡμέραν ἐγίγνοντό τινες ἀγῶνες, οἱ μὲν ἀμφὶ τὴν τάφρον οἱ δὲ παρὰ τοῖς τείχεσιν, ἐπεξιόντων θαμινὰ τῶν πολεμίων, καὶ λίθοις καὶ βέλεσι καὶ μολυβδοαῖναις χρωμένων. ὁ δὲ Σύλλας νεῶν δεόμενος μετεπέμψατο μὲν ἐκ Ῥόδου. καὶ Ῥοδίων οὐ δυνηθέντων διαπλεῦσαι θαλασσοκρατοῦντος τοῦ Μιθριδάτου, Αεὺκολλον, ἄνδρα Ῥωμαῖον περιφανῇ καὶ τοῦδε τοῦ πολέμου στρατηγὸν ἐπὶ Σύλλᾳ γενόμενον, ἐκέλευεν ἐς Ἀλεξάνδρειαν καὶ Συρίαν λαθόντα διαπλεῦσαι, παρὰ τε τῶν βασιλέων καὶ πόλεων, ὅσαι ναυτικά, στόλον τινὰ ἀγείραντα τὸ Ῥοδίων ναυτικὸν παραπέμψαι. ὁ μὲν δὴ πολεμίας οὔσης τῆς θαλάσσης, οὐδὲν ἐνδοιάσας, ἐς κελήτιον ἐνέβη, καὶ ναῦν ἐκ νεῶς, ἵνα λάθοι, διαμείβων ἐπ' Ἀλεξανδρείας ἐφέρετο:

[34] οἱ δὲ προδιδόντες ἀπὸ τῶν τειχῶν, πεσσοῖς πάλιν ἐγγράψαντες ὅτι πέμψοι τῆσδε τῆς νυκτὸς Ἀρχέλαος ἐς τὸ τῶν Ἀθηναίων ἄστρῳ λιμῷ πιεζόμενον πυροῦς ὑπὸ στρατιωτῶν φερομένους, ἐσφενδόνησαν, καὶ ὁ Σύλλας ἐνεδρεύσας ἐκράτησε τοῦ τε σίτου καὶ τῶν φερόντων. τῆς δ' αὐτῆς ἡμέρας αὐτῷ καὶ Μουνάτιος περὶ Χαλκίδα Νεοπτόλεμον ἕτερον στρατηγὸν κατατρώσας, ἔκτεινε μὲν ἐς χιλίους καὶ πεντακοσίους, ἔλαβε δὲ αἰχμαλώτους ἔτι πλείονας. οὐ πολὺ δὲ ὕστερον τῷ Πειραιεῖ νυκτός, ἔτι κοιμωμένων τῶν φυλάκων, Ῥωμαῖοι διὰ τῶν ἐγγὺς μηχανῶν κλίμακας ἐπενεγκόντες ἐπὶ τὸ τεῖχος ἐπέβησαν, καὶ τοὺς φύλακας τοὺς ἐγγὺς ἔκτειναν. ἐφ' ᾧ τῶν βαρβάρων οἱ μὲν εὐθὺς ἀπεπῆδον ἐς τὸν Πειραιᾶ, τὸ τεῖχος καταλιπόντες ὡς εἰλημμένον ἅπαν, οἱ δ' ἐς ἀλκὴν τραπέντες ἔκτεινάν τε τὸν ἡγεμόνα τῶν ἐπιβάντων καὶ τοὺς λοιποὺς ἔξω κατεκρήμνισαν. οἱ δὲ καὶ διὰ τῶν πυλῶν ἐκδραμόντες ὀλίγου τὸν ἕτερον τῶν Ῥωμαϊκῶν πύργων ἐνέπρησαν, εἰ μὴ Σύλλας ἐπιδραμὼν ἀπὸ τοῦ στρατοπέδου, νυκτός τε ὅλης καὶ δι' ἡμέρας ἐπιπόνως ἀγωνισάμενος, περιέσωσεν. καὶ τότε μὲν ὑπεχώρουν οἱ βάρβαροι, τοῦ δ' Ἀρχελάου πύργον ἕτερον μέγαν ἐπὶ τὸ τεῖχος ἄντικρυς τοῦ Ῥωμαϊκοῦ πύργου στήσαντος ἐπυργομάχουν ἐς ἀλλήλους, ἐκατέρωθεν πυκνὰ καὶ θαμινὰ πάντα ἀφιέντες, ἕως ὃ Σύλλας ἐκ καταπελτῶν, ἀνὰ εἴκοσιν ὁμοῦ μολυβδοαῖνας βαρυτάτας ἀφιέντων, ἔκτεινέ τε πολλοὺς, καὶ τὸν πύργον Ἀρχελάου κατέσεισε καὶ δυσάρμοστον ἐποίησεν, ὡς εὐθὺς αὐτὸν ὑπὸ Ἀρχελάου διὰ δέος ὀπίσω κατὰ τάχος ὑπαχθῆναι.

[35] πιεζομένων δ' ἔτι μᾶλλον ὑπὸ τοῦ λιμοῦ τῶν ἐν ἄστει, πεσσοὶ πάλιν ἐμήνουν ὅτι πέμψοι νυκτός ἐς τὸ ἄστρῳ τροφάς. καὶ ὁ Ἀρχέλαος ὑπονοῶν τι περὶ τὸν σῆτον γίνεσθαι μῆνυμα καὶ προδοσίαν, ἅμα τὸν σῆτον ἔπεμπε, καὶ τινὰς ἐφίστη ταῖς πύλαις μετὰ πυρὸς ἐς τοὺς Ῥωμαίους ἐκδραμουμένους, εἰ Σύλλας γίνοιτο περὶ τὸν σῆτον. καὶ συνέπεσεν ἅμφω, Σύλλᾳ μὲν ἐλεῖν τοὺς σιταγωοῦντας, Ἀρχελάῳ δ' ἐμπρῆσαι τινὰ τῶν μηχανημάτων. τοῦ δ' αὐτοῦ χρόνου καὶ Ἀρκαθίας ὁ Μιθριδάτου υἱός, μεθ' ἐτέρας στρατιᾶς ἐς

Μακεδονίαν ἐμβάλων, οὐ δυσχερῶς ὀλίγων ὄντων τῶν ἐκεῖ Ῥωμαίων ἐκράτησε, καὶ Μακεδονίαν πᾶσαν ὑπηγάγετο, καὶ σατράπαις ἐπιτρέψας αὐτὸς ἐπὶ τὸν Σύλλαν ἐχώρει, μέχρι νοσήσας περὶ τὸ Τίσαιον ἐτελεύτησεν. ἐν δὲ τῇ Ἀττικῇ τῷ μὲν ἄστει πονουμένῳ σφόδρα ὑπὸ λιμοῦ πολλὰ ὁ Σύλλας ἐπετείχιζε φρούρια, τοῦ μὴ διαδιδράσκειν ἀλλ' ἐμμένοντας ὑπὸ τοῦ πλήθους μᾶλλον ἐνοχλεῖσθαι:

[36] τῷ δὲ Πειραιεῖ, τὸ χῶμα ἐς ὕψος ἐγείρας, τὰ μηχανήματα ἐπήγεν. Ἀρχέλαου δὲ τὸ χῶμα ὑπορύττοντος καὶ τὴν γῆν ὑποφέροντός τε καὶ ἐς πολὺ διαλανθάνοντος, τὸ χῶμα ὑφίζανεν ἄφνω: καὶ ταχείας αἰσθήσεως γενομένης οἱ Ῥωμαῖοι τὰ μηχανήματα ὑφείλκον καὶ τὸ χῶμα ἀνεπλήρουν. τῷ δ' αὐτῷ τρόπῳ καὶ αὐτοὶ τὴν γῆν ἐς τὰ τεῖχη τεκμαιρόμενοι διώρυκτον: ἀλλήλοις τε συμπίπτοντες κάτω ξίφεσι καὶ δόρασιν ἐκ χειρός, ὡς δυνατόν ἦν ἐν σκοτῷ, διεμάχοντο. ὁμοῦ δὲ ταῦτα ἐγίνετο, καὶ ὁ Σύλλας ἀπὸ τῶν χωμάτων μηχανήμασι πολλοῖς τὸ τεῖχος ἐκριοκόπει, μέχρι μέρος αὐτοῦ καταβαλὼν, καὶ τὸν πλησιάζοντα πύργον ἐπειγόμενος ἐμπρῆσαι, πολλὰ μὲν ἠφίει πυρφόρα τοξεύματα ἐς αὐτόν, τοὺς δὲ εὐτολμοτάτους ἀνέπεμπεν ἐπὶ κλιμάκων. σπουδῆς δὲ πολλῆς γιγνομένης ἐκατέρωθεν ὁ τε πύργος ἐνεπίμπρατο, καὶ μέρος τι τοῦ τεύχους ὀλίγον ὁ Σύλλας καταβαλὼν εὐθὺς ἐπέστησε φυλακεῖον: τὰ τε ὑπορωρυγμένα τοῦ τεύχους θεμέλια, ξύλοις ἀνηρτημένα καὶ θείου καὶ στυπίου καὶ πίσης γέμοντα, αὐτίκα πάντα ἐνεπίμψη. τῶν δ' ἄλλο παρ' ἄλλο κατεπίπτε καὶ τοὺς ἐφεστῶτας αὐτοῖς συγκατέφερεν. ὁ τε θόρυβος οὗτος δὴ μάλιστα αἰφνίδιος καὶ πολὺς ὦν πάντῃ τοὺς τειχοφύλακας ἐτάραπτεν, ὡς καὶ τὸ ὑπὸ σφίσιν αὐτίκα πεσοῦμενον: ὅθεν ἐς πάντα συνεχῶς ἐπιστρεφόμενοι τὴν τε γνώμην ὑποπτον εἶχον ὑπὸ τοῦ δέους καὶ ἀσθενῶς τοὺς πολεμίους ἀπεμάχοντο.

[37] καὶ ὁ Σύλλας αὐτοῖς ὧδε ἔχουσιν ἐπικείμενος ἀπαύστως, καὶ τῶν ιδίων τὸ αἰεὶ πονοῦν ἐναλλάσσω, ἐτέρους ἐφ' ἐτέροις ἀκμῆτας ἐπῆγε σὺν κλίμαξιν καὶ βοῇ καὶ παρακελεύσει, προτρέπων ἅμα καὶ ἀπειλῶν καὶ παρακαλῶν ὡς ἐν τῷδε τῷ βραχεῖ τοῦ παντὸς αὐτοῖς κριθησομένου. ἀντεπῆγε δὲ καὶ ὁ Ἀρχέλαος ἐτέρους ἀντὶ τῶν τεθορυβημένων, ἀνακαινίζων καὶ ὧδε τὸ ἔργον αἰεὶ, καὶ παρακαλῶν ἅμα καὶ ἐποτρύνων ἅπαντας ὡς ἐν ὀλίγῳ σφίσιν ἔτι τῆς σωτηρίας οὔσης. πολλῆς δὲ σπουδῆς καὶ προθυμίας ἐκατέρωθεν αὐθις ἅπασιν ἐγγενομένης φερεπονάτατος ἦν: καὶ ὁ φόνος ἴσος καὶ ὅμοιος ἐξ ἐκατέρων, ἕως ὁ Σύλλας ἐξωθεν ἐπιών, καὶ μᾶλλον τι κάμνων, ἀνεκάλει τῇ σάλπιγγι τὴν στρατιάν, καὶ θαυμάσας πολλοὺς ἀπῆγεν. ὁ δ' Ἀρχέλαος αὐτίκα νυκτὸς τὰ πεπτωκότα τοῦ τεύχους ὠκοδόμει, μηνοειδῇ αὐτοῖς πολλὰ περιθεις ἔνδοθεν. οἷς ἔτι νεοδημίτοις ὁ Σύλλας αὐθις ἐπεχειρεῖ παντὶ τῷ στρατῷ, νομίσας ἀσθενῇ καὶ ὑγρὰ ἔτι ὄντα ῥαδίως κατερεΐνεin. κάμνων δὲ ὡς ἐν στενῷ, καὶ βαλλόμενος ἄνωθεν ἐκ τε μετώπου καὶ τῶν κεραιῶν ὡς ἐν μηνοειδέσι χωρίοις, τοῦ μὲν ἐπιχειρεῖν ἔτι τῷ Πειραιεῖ πάμπαν ἀπέιχε τῇ γνώμῃ, καὶ ἐς πολιορκίαν, ὡς λιμῷ παραστησόμενος αὐτοῦς, καθίστατο:

[38] αἰσθόμενος δὲ τοὺς ἐν ἄστει μᾶλλον τι πεπιεσμένους, καὶ κτήνη πάντα καταθύσαντας, δέρματά τε καὶ βύρσας ἔψοντας καὶ λιχμωμένους τὸ γιγνόμενον ἐξ αὐτῶν, τινὰς δὲ καὶ τῶν ἀποθνησκόντων ἀπτομένους, ἐκέλευσε

τῷ στρατῷ τὴν πόλιν περιταφρεύειν, ἵνα μὴδὲ καθ' ἓνα τις ἐκφεύγει λανθάνων. ὥς δὲ καὶ τοῦτο ἐξείργαστο αὐτῷ, κλίμακας ἐπῆγεν ὁμοῦ καὶ τὸ τεῖχος διώρυττεν. τροπῆς δ' ὥς ἐν ἀσθενέσιν ἀνδράσιν αὐτίκα γενομένης, ἐσέπεσεν ἐς τὴν πόλιν, καὶ εὐθὺς ἐν Ἀθήναις σφαγὴ πολλὴ ἦν καὶ ἀνηλεής: οὔτε γὰρ ὑποφεύγειν ἐδύναντο δι' ἀτροφίαν, οὔτε παιδίων ἢ γυναικῶν ἔλεος ἦν, τοῦ Σύλλας τὸν ἐν ποσὶν ἀναιρεῖν κελεύοντος ὑπ' ὀργῆς ὡς ἐπὶ ταχεῖα δὴ καὶ ἐς βαρβάρους ἀλόγῳ μεταβολῇ καὶ πρὸς αὐτὸν ἀκράτῳ φιλονεικίᾳ. ὅθεν οἱ πλέονες, αἰσθανόμενοι τοῦ κηρύγματος, ἑαυτοὺς τοῖς σφαγεῦσιν ὑπερρίπτουν ἐς τὸ ἔργον. ὀλίγων δ' ἦν ἀσθενῆς ἐς τὴν ἀκρόπολιν δρόμος: καὶ Ἀριστίων αὐτοῖς συνέφυγεν, ἐμπρήσας τὸ ῥοδεῖον, ἵνα μὴ ἐτοίμοις ξύλοις αὐτίκα ὁ Σύλλας ἔχοι τὴν ἀκρόπολιν ἐνοχλεῖν. ὁ δ' ἐμπιπράναι μὲν τὴν πόλιν ἀπέπειπε, διαρπάσαι δὲ ἔδωκε τῷ στρατῷ: καὶ ἔτοιμοι σάρκες ἀνθρώπων ἐς τροφήν ἐν πολλοῖς οἰκίμασιν ἠυρέθησαν. τῇ δὲ ἐξῆς ὁ Σύλλας τοὺς μὲν δούλους ἀπέδοτο, τοῖς δ' ἔλευθέροις, ὅσοι νυκτὸς ἐπιλαβούσης οὐκ ἔφθασαν ἀναιρεθῆναι, πάντα οὖσιν ὀλίγοις, τὴν μὲν ἐλευθερίαν ἔφη διδόναι, ψῆφον δὲ καὶ χειροτονίαν τῶνδε μὲν ὡς οἱ πεπολεμηκότων ἀφαιρεῖσθαι, τοῖς δ' ἐκγόνοις καὶ ταῦτα διδόναι.

[39] ὧδε μὲν ἄδην εἶχον αἱ Ἀθηναὶ κακῶν: ὁ δὲ Σύλλας τῇ μὲν ἀκροπόλει φρουρὰν ἐπέστησεν, ἣ τὸν Ἀριστίωνα καὶ τοὺς συμπεφευγότας λιμῷ καὶ δίψει πιεσθέντας ἐξεῖλεν οὐ μετὰ πολὺ. καὶ αὐτῶν ὁ Σύλλας Ἀριστίωνα μὲν καὶ τοὺς ἐκείνῳ δορυφορήσαντας ἢ ἀρχὴν τινα ἄρξαντας, ἢ ὅτιοῦν ἄλλο πράξαντας παρ' ἃ πρότερον ἀλούσης τῆς Ἑλλάδος ὑπὸ Ῥωμαίων αὐτοῖς διετέτακτο, ἐκόλασε θανάτῳ, τοῖς δὲ ἄλλοις συνέγνω, καὶ νόμους ἔθηκεν ἅπασιν ἀγχοῦ τῶν πρόσθεν αὐτοῖς ὑπὸ Ῥωμαίων ὀρισθέντων. συνηνέχθη δ' ἐκ τῆς ἀκροπόλεως χρυσίου μὲν ἐς τεσσαράκοντα λίτρας μάλιστα, ἀργύρου δ' ἐς ἑξακοσίας. καὶ τότε μὲν ἀμφὶ τὴν ἀκρόπολιν ὀλίγον ὕστερον ἐγένετο:

[40] ὁ δὲ Σύλλας αὐτίκα τοῦ ἄστεος ληφθέντος, οὐ περιμένων ἔτι τὸν Πειραιᾶ διὰ πολιορκίας ἐξελεῖν, κριοὺς ὁμοῦ καὶ βέλη καὶ ἀκόντια ἐπῆγεν, ἄνδρας τε πολλοὺς οἱ διώρυσσον ὑπὸ χελώναις τὰ τεῖχη, καὶ σπείρας αἱ τοὺς ἐπὶ τῶν τειχῶν ἀκοντίζουσαι τε καὶ τοξεύουσαι θαμινὰ ἀνέκοπτον. καὶ κατήρειψέ τι τοῦ μνηοειδοῦς, ὑγροτέρου καὶ ἀσθενεστέρου ἔτι ὄντος ἅτε νεοδημίου. ὑπιδόμενου δὲ τοῦτο ἔτι πρότερον Ἀρχελάου, καὶ προοικοδομήσαντος ἔνδοθεν ὅμοια πολλά, τὸ μὲν ἔργον ἦν τῷ Σύλλᾳ διηνεκὲς ἐμπίπτοντι ἐς ἕτερον ὅμοιον ἐξ ἐτέρου, ὁρμῇ δ' ἀπαύστῳ καὶ στρατοῦ μεταβολῇ πυκνῇ χρώμενος, καὶ περιθέων αὐτούς, καὶ παρακαλῶν ἐπὶ τὸ ἔργον ὡς ἐν τῷδε ἔτι λοιπῷ τῆς ὅλης ἐλπίδος καὶ κέρδους τῶν προπεπονημένων ὄντος: οἱ δὲ καὶ αὐτοὶ τῷ ὄντι τοῦτο σφίσιν ἡγούμενοι τέλος εἶναι πόνων, καὶ ἐς τὸ ἔργον αὐτὸ ὡς μέγα δὴ καὶ λαμπρόν, τοιῶνδε τειχῶν κρατῆσαι, φιλοτιμούμενοι, προσέκειντο βιαίως, μέχρι καταπλαγεῖς αὐτῶν τὴν ὁρμὴν ὁ Ἀρχέλαος ὡς μανιώδῃ καὶ ἄλογον ἐξέλιπεν αὐτοῖς τὰ τεῖχη, ἐς δὲ τι τοῦ Πειραιῶς ἀνέδραμεν ὀχυρώτατόν τε καὶ θαλάσση περίκλυστον, ᾧ ναὺς οὐκ ἔχων ὁ Σύλλας οὐδ' ἐπιχειρεῖν ἐδύνατο.

[41] ἐντεῦθεν ὁ μὲν Ἀρχέλαος ἐπὶ Θεσσαλίαν διὰ Βοιωτῶν ἀνεξεύγνυ, καὶ συνῆγεν ἐς Θερμοπύλας τὰ λοιπὰ τοῦ τε ἰδίου στρατοῦ παντός, ὃν ἔχων ἦλθε,

καὶ τοῦ σὺν Δρομιχαίῃ παραγεγονότος. συνῆγε δὲ καὶ τὸ σὺν Ἀρκαθίᾳ τῷ παιδί τοῦ βασιλέως ἐς Μακεδονίαν ἐμβαλόν, ἀκραιφνέστατον δὴ καὶ πλήρες ὃν τότε μάλιστα, καὶ οὓς αὐτίκα ἄλλους ὁ Μιθριδάτης ἀπέστειλεν: οὐ γὰρ διέλιπεν ἐπιτέμπων. ὁ μὲν δὴ ταῦτα σὺν ἐπέξει συνῆγεν, ὁ δὲ Σύλλας τὸν Πειραιᾶ τοῦ ἄστεος μᾶλλον ἐνοχλήσαντά οἱ κατεπίμπρη, φειδόμενος οὔτε τῆς ὀπλοθήκης οὔτε τῶν νεωσοίκων οὔτε τινὸς ἄλλου τῶν αἰοιδίμων. καὶ μετὰ τοῦτ' ἐπὶ τὸν Ἀρχέλαον ἦει διὰ τῆς Βοιωτίας καὶ ὄδε. ὥς δ' ἐπλησίασαν ἀλλήλοις, οἱ μὲν ἐκ Θερμοπυλῶν ἄρτι μετεχώρουν ἐς τὴν Φωκίδα, Θρᾶκές τε ὄντες καὶ ἀπὸ τοῦ Πόντου καὶ Σκύθαι καὶ Καππαδόκαι Βιθυνοὶ τε καὶ Γαλάται καὶ Φρύγες, καὶ ὅσα ἄλλα τῷ Μιθριδάτῃ νεόκτητα γένοιτο, πάντες ἐς δώδεκα μυριάδας ἀνδρῶν: καὶ στρατηγοὶ αὐτῶν ἦσαν μὲν καὶ κατὰ μέρος ἐκάστω, αὐτοκράτωρ δ' Ἀρχέλαος ἐπὶ πᾶσιν. Σύλλας δ' ἦγεν Ἰταλιώτας, καὶ Ἑλλήνων ἢ Μακεδόνων ὅσοι ἄρτι πρὸς αὐτὸν ἀπὸ Ἀρχελαοῦ μετετίθεντο, ἢ εἴ τι ἄλλο περίοικον, οὐδ' ἐς τριτημόριον τὰ πάντα τῶν πολεμίων.

αὐτῷ διάδοχον ἐς ἃ τότε διώκει, φυλάξας αὐτὸν ὁ Φιμβρίας ἐς Χαλκηδόνα διαπλέοντα, πρῶτα μὲν Θέρμον τὰς ῥάβδους ἀφείλετο, τὸν ἀντιστράτηγον ὑπὸ τοῦ Φλάκκου καταλελειμμένον, ὡς οἱ τοῦ στρατοῦ τὴν στρατηγίαν περιθέντος, εἶτα Φλάκκον αὐτὸν σὺν ὀργῇ μετ' ὀλίγον ἐπανίοντα ἐδίωκεν, ἕως ὃ μὲν Φλάκκος ἐς τινα οἰκίαν καταφυγὼν καὶ νυκτὸς τὸ τεῖχος ὑπερελθὼν ἐς Χαλκηδόνα πρῶτον καὶ ἀπ' αὐτῆς ἐς Νικομήδειαν ἔφυγε καὶ τὰς πύλας ἀπέκλεισεν, ὃ δὲ Φιμβρίας αὐτὸν ἐπελθὼν ἔκτεινεν ἐν φρέατι κρυπτόμενον, ὑπατόν τε ὄντα Ῥωμαίων καὶ στρατηγὸν τοῦδε τοῦ πολέμου ιδιώτης αὐτὸς ὢν καὶ ὡς φίλῳ κελεύοντι συνεληλυθώς. ἐκτεμὼν τε τὴν κεφαλὴν αὐτοῦ μεθήκεν ἐς θάλασσαν, καὶ τὸ λοιπὸν ἄταφον ἐκρίψας, αὐτὸν αὐτοκράτορα ἀπέφηνε τοῦ στρατοῦ. καὶ μάχας τινὰς οὐκ ἀγεννῶς ἠγωνίσαστο τῷ παιδί τῷ Μιθριδάτου. αὐτόν τε βασιλέα συνεδίωξεν ἐς τὸ Πέργαμον, καὶ ἐς Πιτάνην ἐκ τοῦ Περγάμου διαφυγόντα ἐπελθὼν ἀπετάφρευεν, ἕως ὃ μὲν βασιλεὺς ἐπὶ νεῶν ἔφυγεν ἐς Μιτυλήνην,

[53] ὃ δὲ Φιμβρίας, ἐπιὼν τὴν Ἀσίαν, ἐκόλαζε τοὺς καππαδοκίσαντας, καὶ τῶν οὐ δεχομένων αὐτὸν τὴν χώραν ἐλεηλάτει. Ἰλιεῖς δὲ πολιορκούμενοι πρὸς αὐτοῦ κατέφυγον μὲν ἐπὶ Σύλλαν, Σύλλα δὲ φήσαντος αὐτοῖς ἥξειν, καὶ κελεύσαντος ἐν τοσῷδε Φιμβρία φράζειν ὅτι σφᾶς ἐπιτετρόφασι τῷ Σύλλᾳ, πυθόμενος ὁ Φιμβρίας ἐπήνεσε μὲν ὡς ἤδη Ῥωμαίων φίλους, ἐκέλευσε δὲ καὶ αὐτὸν ὄντα Ῥωμαίων ἔσω δέχεσθαι, κατειρωνευσάμενός τι καὶ τῆς συγγενείας τῆς οὐσῆς ἐς Ῥωμαίους Ἰλιεῦσιν. ἐσελθὼν δὲ τοὺς ἐν ποσὶ πάντας ἔκτεινε καὶ πάντα ἐνεπίμπρη, καὶ τοὺς πρεσβεύσαντας ἐς τὸν Σύλλαν ἐλυμαίνετο ποικίλως, οὔτε τῶν ἱερῶν φειδόμενος οὔτε τῶν ἐς τὸν νεῶν τῆς Ἀθηνᾶς καταφυγόντων, οὓς αὐτῷ νεῶν κατέπρησεν. κατέσκαπτε δὲ καὶ τὰ τεῖχη, καὶ τῆς ἐπιούσης ἡρεῦνα περιῶν μὴ τι συνέστηκε τῆς πόλεως ἔτι. ἡ μὲν δὲ χεῖρινα τῶν ἐπὶ Ἀγαμέμνονος παθοῦσα ὑπὸ συγγενοῦς διωλώλει, καὶ οἰκόπεδον οὐδὲν αὐτῆς οὐδ' ἱερὸν οὐδ' ἄγαλμα ἔτι ἦν· τὸ δὲ τῆς Ἀθηνᾶς ἔδος, ὃ Παλλὰδιον καλοῦσι καὶ διοπετεὺς ἠγοῦνται, νομίζουσί τινες εὑρεθῆναι τότε ἄθραυστον, τῶν ἐπιτεσόντων τειχῶν αὐτὸ περικαλυψάντων, εἰ μὴ Διομήδης αὐτὸ καὶ Ὀδυσσεὺς ἐν τῷ Τρωϊκῷ ἔργῳ μετήνεγκαν ἐξ Ἰλίου.

τάδε μὲν δὲ Φιμβρίας ἐς Ἴλιον εἰργάζετο, ληγούσης ἄρτι τῆς τρίτης καὶ ἑβδομηκοστῆς καὶ ἑκατοστῆς ὀλυμπιάδος. καὶ τινες ἠγοῦνται τὸ πάθος αὐτῇ τότε μετ' Ἀγαμέμνονα χιλίοις καὶ πεντήκοντα ἔτεσι γενέσθαι μάλιστα.

[54] ὃ δὲ Μιθριδάτης ἐπεὶ καὶ τῆς περὶ Ὀρχομενὸν ἥττης ἐπύθετο, διαλογιζόμενος τὸ πλῆθος ὅσον ἐξ ἀρχῆς ἐς τὴν Ἑλλάδα ἐπεπόμφει, καὶ τὴν συνεχῇ καὶ ταχεῖαν αὐτοῦ φθοράν, ἐπέστελλεν Ἀρχελᾶω διαλύσεις ὡς δύναιτο εὐπρεπῶς ἐργάσασθαι. ὃ δὲ Σύλλα συνελθὼν ἐς λόγους εἶπε· ‘φίλος ὢν ὑμῖν πατρῷος, ὃ Σύλλα, Μιθριδάτης ὁ βασιλεὺς ἐπολέμησε μὲν διὰ στρατηγῶν ἐτέρων πλεονεξίαν, διαλύσεται δὲ διὰ τὴν σὴν ἀρετὴν, ἣν τὰ δίκαια προσταύσης.’ καὶ ὁ Σύλλας ἀπορία τε νεῶν, καὶ χρήματα οὐκ ἐπιτεμπόντων οὐδ' ἄλλο οὐδὲν οἰκοθεν αὐτῷ τῶν ἐχθρῶν ὡς πολεμίῳ, ἀνάμενος ἤδη τῶν ἐν Πυθοῖ καὶ Ὀλυμπίᾳ καὶ Ἐπιδαύρῳ χρημάτων, καὶ ἀντιδοὺς πρὸς λόγον τοῖς ἱεροῖς τὸ ἥμισυ τῆς Θηβαίων γῆς πολλάκις ἀποστάντων, ἕς τε τὴν στάσιν αὐτὴν τῶν ἐχθρῶν ἐπειγόμενος ἀκραιφνῇ καὶ

ἀπαθῆ τὸν στρατὸν μεταγαγεῖν, ἐνεδίδου πρὸς τὰς διαλύσεις, καὶ εἶπεν:

ἀδικομένου μὲν ἦν, ὃ Ἀρχέλαε, Μιθριδάτου, περὶ ὧν ἡδικοῖτο πρεσβεύειν, ἀδικοῦντος δὲ γῆν τοσὴνδε ἀλλοτριὰν ἐπιδραμεῖν, καὶ κτεῖναι πολὺ πλῆθος ἀνδρῶν, τὰ τε κοινὰ καὶ ἱερὰ τῶν πόλεων καὶ τὰ ἴδια τῶν ἀνηρημένων σφετερίσασθαι. τῷ δ' αὐτῷ λόγῳ καὶ ἐς τοὺς ἰδίους φίλους, ὃ περὶ ἡμᾶς, ἄπιστος γενόμενος, ἔκτεινε καὶ τῶνδε πολλούς, καὶ τῶν τετραρχῶν οὓς ὁμοδιαίτους εἶχε, νυκτὸς μιᾶς, μετὰ γυναικῶν καὶ παίδων τῶν οὐ πεπολεμηκότων. ἐπὶ δὲ ἡμῖν καὶ φύσεως ἔχθραν μᾶλλον ἢ πολέμου χρεῖαν ἐπεδείξατο, παντοίαις ιδέαις κακῶν τοὺς περὶ τὴν Ἀσίαν Ἰταλιώτας, σὺν γυναιξὶ καὶ παισὶ καὶ θεράπουσι τοῖς οὓσι γένους Ἰταλικοῦ, λυμηνάμενός τε καὶ κτείνας. τοσοῦτον ἐξήνεγκεν ἐς τὴν Ἰταλίαν μῖσος ὃ νῦν ἡμῖν ὑποκρινόμενος φιλίαν πατρώαν, ἧς οὐ πρὶν ἐκκαίδεκα μυριάδας ὑμῶν ὑπ' ἐμοῦ συγκοπήναι ἐμνημονεύετε.

[55] ἀνθ' ὧν δίκαιον μὲν ἦν ἄσπειστα αὐτῷ τὰ παρ' ἡμῶν γενέσθαι, σοῦ δὲ χάριν ὑποδέχομαι συγγνώμης αὐτὸν τεύξεσθαι παρὰ Ῥωμαίων, ἂν τῷ ὄντι μεταγινώσκη. εἰ δὲ ὑποκρίνοιτο καὶ νῦν, ὥρα σοι τὸ σαυτοῦ σκοπεῖν, ὃ Ἀρχέλαε, ἐνθυμουμένῳ μὲν ὅπως ἔχει τὰ παρόντα σοὶ τε κἀκείνῳ, σκοποῦντι δ' ὃν τινα τρόπον ἐκεῖνός τε ἐτέροις κέχρηται φίλοις καὶ ἡμεῖς Εὐμένει καὶ Μασσανάσῃ.

ὁ δ' ἔτι λέγοντος αὐτοῦ τὴν πεῖραν ἀπεσεῖετο, καὶ δυσχεράνας ἔφη τὸν ἐγχειρίσαντά οἱ τὴν στρατηγίαν οὐ ποτε προδώσειν: 'ἐλπίζω δέ σοι διαλλάξειν, ἦν μέτρια προστάσης.' διαλιπὼν οὖν ὁ Σύλλας ὀλίγον, εἶπεν: 'ἐὰν τὸν στόλον ἡμῖν, ὃν ἔχεις, ὃ Ἀρχέλαε, παραδιδῷ πάντα Μιθριδάτης, ἀποδῷ δὲ καὶ στρατηγούς ἡμῖν ἢ πρέσβεις ἢ αἰχμαλώτους ἢ αὐτομόλους ἢ ἀνδράποδα ἀποδράντα, καὶ Χίους ἐπὶ τοῖσδε, καὶ ὅσους ἄλλους ἀνασπάστους ἐς τὸν Πόντον ἐποιήσατο, μεθῇ, ἐξαγάγῃ δὲ καὶ τὰς φρουρὰς ἐκ πάντων φρουρίων, χωρὶς ὧν ἐκράτει πρὸ τῆσδε τῆς παρασπονδήσεως, ἐσενέγκῃ δὲ καὶ τὴν δαπάνην τοῦδε τοῦ πολέμου τὴν δι' αὐτὸν γενομένην, καὶ στέργῃ μόνῃς ἄρχων τῆς πατρώας δυναστείας. ἐλπίζω πείσειν Ῥωμαίους αὐτῷ μηδὲν ἐπιμνηῖσαι τῶν γεγονότων.' ὁ μὲν δὴ τοσάδε εἶπεν, ὁ δὲ Ἀρχέλαος τὰς μὲν φρουρὰς αὐτίκα πανταχόθεν ἐξῆγε, περὶ δὲ τῶν ἄλλων ἐπέστελλε τῷ βασιλεῖ. καὶ Σύλλας τὴν ἐν τοσῷδε ἀργίᾳ διατιθέμενος, Ἐνετοὺς καὶ Δαρδανέας καὶ Σιντούς, περίοικα Μακεδόνων ἔθνη, συνεχῶς ἐς Μακεδονίαν ἐμβάλλοντα, ἐπιὼν ἐπόρθει, καὶ τὸν στρατὸν ἐγύμναζε, καὶ ἐχρηματίζετο ὁμοῦ.

[56] ἐλθόντων δὲ τῶν Μιθριδάτου πρέσβων, οἱ τοῖς μὲν ἄλλοις συνετίθεντο, μόνην δ' ἐξαιρούμενοι Παφλαγονίαν ἐπέειπον ὅτι πλεόνων ἂν ἔτυχε Μιθριδάτης, εἰ πρὸς τὸν ἕτερον ὑμῶν στρατηγὸν διελύετο Φιμβρίαν, δυσχεράνας ὁ Σύλλας τῇ παραβολῇ, καὶ Φιμβρίαν ἔφη δώσειν δίκην, καὶ αὐτὸς ἐν Ἀσίᾳ γενόμενος εἴσεσθαι πότερα συνθηκῶν ἢ πολέμου δεῖται Μιθριδάτης. ὧδε δ' εἰπὼν ἤλαυνεν ἐπὶ Κύψελλα διὰ Θράκης, Λεύκολλον ἐς Ἄβυδον προπέμψας: ἥδη γὰρ αὐτῷ καὶ ὁδε ἀφῖκτο, κινδυνεύσας μὲν ὑπὸ ληστῶν ἀλῶναι πολλάκις, στόλον δὲ τινα νεῶν ἀγείρας ἀπὸ τε Κύπρου καὶ Φοινίκης καὶ Ῥόδου καὶ Παμφυλίας, καὶ πολλὰ δηώσας τῆς πολεμίας, καὶ τῶν Μιθριδάτου νεῶν ἀποπειράσας ἐν παράπλῳ. Σύλλας μὲν οὖν ἀπὸ Κυψέλλων

καὶ Μιθριδάτης ἐκ Περγᾶμου συήεσαν αὖθις ἐς λόγους, καὶ κατέβαινον ἐς πεδῖον ἄμφω σὺν ὀλίγοις, ἐφορώντων τῶν στρατῶν ἐκατέρωθεν. ἦσαν δ' οἱ λόγοι Μιθριδάτου μὲν ὑπόμνησις φιλίας καὶ συμμαχίας ἰδίας καὶ πατρώας, καὶ ἐπὶ τοῖς Ῥωμαίων πρέσβεσι καὶ προβούλοις καὶ στρατηγοῖς κατηγορία ὧν ἐς αὐτὸν ἐπεπράχεσαν ἀδίκως, Ἀριοβαρζάνην τε κατάγοντες ἐς Καππαδοκίαν, καὶ Φρυγίας αὐτὸν ἀφαιρούμενοι, καὶ Νικομήδῃ περιορῶντες ἀδικοῦντα. 'καὶ τάδε,' ἔφη, 'πάντα ἔπραξαν ἐπὶ χρήμασι, παραλλάξ παρ' ἐμοῦ τε καὶ παρ' ἐκείνων λαμβάνοντες: ὁ γὰρ δὴ μάλιστ' ἂν τις ὑμῶν, ὃ Ῥωμαῖοι, τοῖς πλείοσιν ἐπικαλέσειεν, ἔστιν ἡ φιλοκερδία. ἀναρραγέντος δὲ ὑπὸ τῶν ὑμετέρων στρατηγῶν τοῦ πολέμου, πάντα ὅσα ἀμυνόμενος ἔπραττον, ἀνάγκη μᾶλλον ἢ κατὰ γνώμην ἐγίγνετο.'

[57] ὁ μὲν δὴ Μιθριδάτης ὧδε εἰπὼν ἐπαύσατο, ὁ δὲ Σύλλας ὑπολαβὼν ἀπεκρίνατο:

ἐφ' ἕτερα μὲν ἡμᾶς ἐκάλεις, ὥς τὰ προτεινόμενα ἀγαπήσων, οὐ μὴν ὀκνήσω καὶ περὶ τῶνδε διὰ βραχέων εἰπεῖν. ἐς μὲν Καππαδοκίαν ἐγὼ κατήγαγον Ἀριοβαρζάνην Κιλικίας ἄρχων, ὧδε Ῥωμαίων ψηφισαμένων: καὶ σὺ κατήκουες ἡμῶν, δέον ἀντιλέγειν καὶ ἡ μεταδιδάσκειν ἡ μηκέτι τοῖς ἐγνωσμένοις ἀντιτεῖναι. Φρυγίαν δέ σοι Μάνιος ἔδωκεν ἐπὶ δωροδοκία, ὁ κοινόν ἐστιν ἀμφοῖν ἀδίκημα. καὶ τῷδε μάλιστα αὐτὴν ὁμολογεῖς οὐ δικαίως λαβεῖν, ἐκ δωροδοκίας. ὁ τε Μάνιος καὶ τὰ ἄλλα ἡλέγχθη παρ' ἡμῖν ἐπὶ χρήμασι πράξας, καὶ πάντα ἀνέλυσεν ἡ βουλή. ὃ λόγῳ καὶ Φρυγίαν ἀδίκως σοι δοθεῖσαν οὐχ ἐαυτῇ συντελεῖν ἐπέταξεν ἐς τοὺς φόρους, ἀλλ' αὐτόνομον μεθῆκεν. ὧν δὲ ἡμεῖς οἱ πολέμῳ λαβόντες οὐκ ἀξιοῦμεν ἄρχειν, τίνι λόγῳ σὺ καθέξεις; Νικομήδης δὲ αἰτιάται μὲν σε καὶ Ἀλέξανδρον αὐτῷ τὸν τὸ σῶμα τρώσοντα ἐπιτέμψαι, καὶ Σωκράτη τὸν χρηστὸν ἐπὶ τὴν ἀρχήν, καὶ τάδε αὐτὸς ἀμυνόμενος ἐς τὴν σὴν ἐμβαλεῖν: εἰ δέ τι ὅμως ἡδικοῦ, ἐς Ῥώμην πρεσβεύειν ἔδει καὶ τὰς ἀποκρίσεις ἀναμένειν. εἰ δὲ καὶ θάπτον ἡμύνου Νικομήδῃ, πῶς καὶ Ἀριοβαρζάνην ἀπῆλαυνες οὐδὲν ἀδικοῦντα; ἐκβαλὼν δ' ἀνάγκην ἐπέθηκας τοῖς παροῦσι Ῥωμαίων κατάγειν αὐτόν, καὶ καταγόμενον κωλύων σὺ τὸν πόλεμον ἐξηψας, ἐγνωκὼς μὲν οὕτω πρὸ πολλοῦ, καὶ ἐν ἐλπίδι ἔχων γῆς ἄρξειν ἀπάσης εἰ Ῥωμαίων κρατήσεας, προφάσεις δ' ἐπὶ τῇ γνώμῃ τάσδε ποιούμενος. καὶ τούτου τεκμήριον, ὅτι καὶ Θρᾶκας καὶ Σκύθας καὶ Σαυρομάτας, οὐπω τινὶ πολεμῶν, ἐς συμμαχίαν ὑπήγου, καὶ ἐς τοὺς ἀγχοῦ βασιλέας περιέπεμπες, ναῦς τε ἐποιῶ, καὶ πρῳρέας καὶ κυβερνήτας συνεκάλεις.

[58] μάλιστα δ' ὁ καιρὸς ἐλέγχει σε τῆς ἐπιβουλῆς. ὅτε γὰρ τὴν Ἰταλίαν ἀφισταμένην ἡμῶν ἠσθάνου, τὴν ἀσχολίαν τήνδε ἡμῶν φυλάξας ἐπέθου μὲν Ἀριοβαρζάνῃ καὶ Νικομήδῃ καὶ Γαλάταις καὶ Παφλαγονία, ἐπέθου δὲ Ἀσία τῷ ἡμετέρῳ χωρίῳ. καὶ λαβὼν οἷα δέδρακας ἢ τὰς πόλεις, αἷς τοὺς θεράποντας καὶ χρήστας ἐπέστησας ἐλευθερίας καὶ χρεῶν ἀποκοπαῖς, ἢ τοὺς Ἑλλήνας, ὧν μῖα προφάσει χιλίους καὶ ἑξακοσίους διέφθειρας, ἢ Γαλατῶν τοὺς τετράρχας, οὓς ὁμοδιαίτους ἔχων ἀπέκτεινας, ἢ τὸ τῶν Ἰταλιωτῶν γένος, οὓς μῖα ἡμέρας σὺν βρέφεσι καὶ μητράσιν ἔκτεινάς τε καὶ κατεπόντωσας, οὐκ ἀποσχόμενος οὐδὲ τῶν ἐς τὰ ἱερὰ συμφυγόντων. ὁ πόσην μὲν ὠμότητά

σου, πόσῃν δὲ ἀσέβειαν καὶ ὑπερβολὴν μίσους ἐς ἡμᾶς προενήνοχεν. σφετερισάμενος δ' ἀπάντων τὰ χρήματα, ἐς τὴν Εὐρώπην ἐπέρας μεγάλοις στρατοῖς, ἡμῶν ἀπειπόντων ἅπασι τῆς Ἀσίας βασιλεῦσι τῆς Εὐρώπης μὴδὲ ἐπιβαίνειν. διαπλεύσας δὲ Μακεδονίαν τε ἡμετέραν οὐσαν ἐπέτρεχες καὶ τοὺς Ἕλληνας τὴν ἐλευθερίαν ἀφηροῦ. οὐ πρὶν τε ἡρξω μετανοεῖν, οὐδ' Ἀρχέλαος ὑπὲρ σοῦ παρακαλεῖν, ἢ Μακεδονίαν μὲν με ἀνασώσασθαι, τὴν δὲ Ἑλλάδα τῆς σῆς ἐκλῦσαι βίας, ἐκκαίδεκα δὲ μυριάδας τοῦ σοῦ στρατοῦ κατακόψαι, καὶ τὰ στρατόπεδά σου λαβεῖν αὐταῖς παρασκευαῖς. ὃ καὶ θαυμάζω σου δικαιολογουμένου νῦν ἐφ' οἷς δι' Ἀρχελάου παρεκάλεις. ἢ πόρρω μὲν ὄντα με ἐδεδοίκες, ἀγχοῦ δὲ γεγόμενον ἐπὶ δίκην ἐληλυθέναι νομίζεις; ἥς ὁ καιρὸς ἀνάλωται, σοῦ τε πολεμήσαντος ἡμῖν, καὶ ἡμῶν ἀμυναμένων ἤδη καρτερῶς καὶ ἀμυνουμένων ἐς τέλος.

τοσαῦτα τοῦ Σύλλα μετ' ὀργῆς ἔτι λέγοντος, μετέπιπτεν ὁ βασιλεὺς καὶ ἐδεδοίκει, καὶ ἐς τὰς δι' Ἀρχελάου γενομένας συνθήκας ἐνεδίδου, τὰς τε ναῦς καὶ τὰ ἄλλα πάντα παραδοὺς ἐς τὸν Πόντον ἐπὶ τὴν πατρίαν ἀρχὴν ἐπανήκει μόνην.

ὥδε μὲν ὁ πρῶτος Μιθριδάτου καὶ Ῥωμαίων πόλεμος κατεπαύετο:

[59] Σύλλας δὲ Φιμβρίου δύο σταδίους ἀποσχὼν ἐκέλευε παραδοῦναι οἱ τὸν στρατόν, οὗ παρανόμως ἄρχοι. ὁ δ' ἀντεπέσκωπτε μὲν ὡς οὐδ' ἐκεῖνος ἐννόμως ἔτι ἄρχοι, περιταφρεύοντος δ' αὐτὸν τοῦ Σύλλα, καὶ πολλῶν οὐκ ἀφανῶς ἀποδιδρασκόντων, ἐς ἐκκλησίαν τοὺς λοιποὺς ὁ Φιμβρίας συναγαγὼν παρεκάλει παραμένειν. οὐ φαιμένων δὲ πολεμήσειν πολίταις, καταρρήξας τὸν χιτωνίσκον ἐκάστοις προσέπιπτεν. ὡς δὲ καὶ τοῦτ' ἀπεστρέφοντο, καὶ πλείους ἐγίνοντο αἱ αὐτομολαί, τὰς σκηνὰς τῶν ἡγεμόνων περιήει, καὶ τινὰς αὐτῶν χρήμασι διαφθείρας ἐς ἐκκλησίαν αὐθις συνεκάλει, καὶ συνόμνυσθαι οἱ προσέτασεν. ἐκβοησάντων δὲ τῶν ἐνετῶν ὅτι δέοι καλεῖν ἐπὶ τὸν ὄρκον ἐξ ὀνόματος, ὁ μὲν ἐκήρυττε τοὺς εὖ τι παθόντας ὑφ' ἑαυτοῦ, καὶ Νώνιον πρῶτον ἐκάλει, κοινωνόν οἱ πάντων γεγονότα. οὐκ ὁμνύντος δ' οὐδ' ἐκεῖνου, τὸ ξίφος ἐπισπᾶσας ἠπεῖλει κτενεῖν αὐτόν, μέχρι βοῆς ἐκ πάντων γενομένης καταπλαγεῖς καὶ τοῦδ' ἐπαύσατο. θεράποντα δὲ χρήμασι καὶ ἐλπίσιν ἐλευθερίας ἀναπείσας ἔπεμψεν ὡς αὐτόμολον ἐπιχειρεῖν τῷ Σύλλα σώματι. ὁ δὲ τῷ ἔργῳ πλησιάζων καὶ ταρασσόμενος, καὶ ἐκ τοῦδε ὑποπτος γεγόμενος, συνελήφθη τε καὶ ὠμολόγησεν. καὶ ὁ στρατὸς ὁ τοῦ Σύλλα, σὺν ὀργῇ καὶ καταφρονήσει περιστάντες τὸ τοῦ Φιμβρίου χαράκωμα, κατελοιδόρουν αὐτόν καὶ Ἀθηνίωνα ἐκάλουν, ὃς δραπετῶν τῶν ἐν Σικελίᾳ ποτὲ ἀποστάντων ὀλιγήμερος ἐγεγέννητο βασιλεὺς.

[60] ἐφ' οἷς ὁ Φιμβρίας πάντα ἀπογνοὺς ἐπὶ τὴν τάφρον προῆλθε, καὶ Σύλλαν αὐτῷ παρεκάλει συνελθεῖν ἐς λόγους. ὁ δὲ ἀνθ' αὐτοῦ Ῥουτίλιον ἔπεμπε: καὶ τότε πρῶτον ἐλύπει τὸν Φιμβρίαν, οὐδὲ συνόδου, διδομένης καὶ τοῖς πολεμίοις, ἀξιοθέντα. δεομένῳ δ' αὐτῷ συγγνώμης τυχεῖν εἴ τι νέος ὢν ἐξήμαρτεν, ὁ Ῥουτίλιος ὑπέστη Σύλλαν ἀφήσειν ἐπὶ θάλασσαν ἀπαθῇ διελθεῖν, εἰ μέλλοι τῆς Ἀσίας, ἥς ἐστὶν ὁ Σύλλας ἀνθύπατος, ἀποπλευσεῖσθαι. ὁ δὲ εἰπὼν ἑτέραν ὁδὸν ἔχειν κρεῖττονα, ἐπανῆλθεν ἐς Πέργαμον, καὶ ἐς τὸ τοῦ Ἀσκληπιοῦ ἱερὸν παρελθὼν ἐχρήσατο τῷ ξίφει. οὐ καιρίου δ' αὐτῷ τῆς

πληγῆς γενομένης, ἐκέλευσε τὸν παῖδα ἐπερεῖσαι. ὁ δὲ καὶ τὸν δεσπότην ἔκτεινε καὶ αὐτὸν ἐπὶ τῷ δεσπότη.

οὕτω μὲν καὶ Φιμβρίας ἀπέθανε, πολλὰ τὴν Ἀσίαν ἐπὶ Μιθριδάτῃ λελυμασμένοις. καὶ αὐτὸν ὁ Σύλλας ἐφῆκε τοῖς ἀπελευθέροις θάψαι, καὶ ἐπεῖπεν οὐ μιμεῖσθαι Κίνναν καὶ Μάριον ἐν Ῥώμῃ θανάτον τε πολλῶν καὶ ἀταφίαν ἐπὶ τῷ θανάτῳ καταγνόντας. τὸν δὲ στρατὸν τοῦ Φιμβρίου προσιόντα οἱ δεξιωσάμενός τε καὶ τῷ σφετέρῳ συναγαγόν, Κουρίωνι προσέταξε Νικομήδην ἐς Βιθυνίαν καὶ Ἀριοβαρζάνην ἐς Καππαδοκίαν καταγαγεῖν, τῇ τε βουλῇ περὶ πάντων ἐπέστελλεν, οὐχ ὑποκρινόμενος ἐνηφίσθαι πολέμιος.

[61] αὐτὴν δὲ τὴν Ἀσίαν καθιστάμενος, Ἰλιάς μὲν καὶ Χίους καὶ Λυκίους καὶ Ῥοδίους καὶ Μαγνησίαν καὶ τινὰς ἄλλους, ἢ συμμαχίας ἀμειβόμενος, ἢ ὧν διὰ προθυμίαν ἐπεπόνθησαν οὗ ἕνεκα, ἐλευθέρους ἠφίει καὶ Ῥωμαίων ἀνέγραφε φίλους, ἐς δὲ τὰ λοιπὰ πάντα στρατιὰν περιέπεμπεν. καὶ τοὺς θεράποντας, οἷς ἐλευθερίαν ἐδεδώκει Μιθριδάτης, ἐκήρυττεν αὐτίκα ἐς τοὺς δεσπότης ἐπανίεναι. πολλῶν δὲ ἀπειθούντων, καὶ πόλεων τινῶν ἀφισταμένων, ἐγίνοντο σφαγαὶ κατὰ πλῆθος ἐλευθέρων τε καὶ θεραπόντων ἐπὶ ποικίλαις προφάσεσι, τείχη τε πολλῶν καθηρεῖτο, καὶ συχνὰ τῆς Ἀσίας ἡνδραποδίζετο καὶ διηρηπάζετο. οἱ τε καππαδοκίσαντες ἄνδρες ἢ πόλεις ἐκολάζοντο πικρῶς, καὶ μάλιστα αὐτῶν Ἐφέσιοι, σὺν αἰσχυρᾷ κολακείᾳ ἐς τὰ Ῥωμαίων ἀναθήματα ὑβρίσαντες. ἐπὶ δὲ τοῖσδε καὶ κήρυγμα περιήει, τοὺς ἐν ἀξιώσει κατὰ πόλιν ἐς ἡμέραν ῥητὴν πρὸς τὸν Σύλλαν ἀπαντᾶν ἐς Ἑφεσον. καὶ συνελθοῦσιν αὐτοῖς ἐπὶ βήματος ἐδημηγόρησεν οὕτως.

[62] ἡμεῖς στρατῷ πρῶτον ἐς Ἀσίαν παρήλθομεν Ἀντιόχου τοῦ Σύρων βασιλέως πορθοῦντος ὑμᾶς. ἐξελάσαντες δ' αὐτόν, καὶ τὸν Ἄλυν καὶ Ταῦρον αὐτῷ θέμενοι τῆς ἀρχῆς ὄρον, οὐ κατέσχομεν ὑμῶν ἡμετέρων ἐξ ἐκείνου γενομένων, ἀλλὰ μεθήκαμεν αὐτονόμους, πλὴν εἴ τινες Εὐμένει καὶ Ῥοδίοις συμμαχήσασιν ἡμῖν ἔδομεν, οὐχ ὑποτελεῖς ἀλλ' ἐπὶ προστάταις εἶναι. τεκμήριον δ' ὅτι Λυκίους αἰτιωμένους τι Ῥοδίων ἀπεστήσαμεν. ἡμεῖς μὲν δὴ τοιοῦδε περὶ ὑμᾶς γεγόναμεν: ὑμεῖς δέ, Ἀττάλου τοῦ φιλομήτορος τὴν ἀρχὴν ἡμῖν ἐν διαθήκαις καταλιπόντος, Ἀριστονίκῳ καθ' ἡμῶν τέτταρσιν ἔτεσι συνεμαχεῖτε, μέχρι καὶ Ἀοιστόνικος ἐάλω καὶ ὑμῶν οἱ πλείους ἐς ἀνάγκην καὶ φόβον περιήλθετε. καὶ ὧδε πράσσοντες ὁμῶς, ἔτεσιν εἴκοσι καὶ τέτταρσιν ἐς μέγα περιουσίας καὶ κάλλους κατασκευῆς ἰδιωτικῆς τε καὶ δημοσίας προελθόντες, ὑπὸ εἰρήνης καὶ τρυφῆς ἐξυβρίσατε αὐθις, καὶ τὴν ἀσχολίαν ἡμῶν τὴν ἀμφὶ τὴν Ἰταλίαν φυλάξαντες οἱ μὲν ἐπηγάγεσθε Μιθριδάτην, οἱ δ' ἐλθόντι συνέθεσθε. ὁ δ' ἐστὶ πάντων μαρρώτατον, ὑπέστητε αὐτῷ μιᾶς ἡμέρας τοὺς Ἰταλιώτας ἅπαντας αὐτοῖς παισὶ καὶ μητράσιν ἀναιρήσειν, καὶ οὐδὲ τῶν ἐς τὰ ἱερὰ συμφυγόντων διὰ τοὺς ὑμετέρους θεοὺς ἐφείσασθε. ἐφ' οἷς ἔδοτε μὲν τινα καὶ αὐτῷ Μιθριδάτῃ δίκην, ἀπίστω τε ἐς ὑμᾶς γενομένῳ, καὶ φόνου καὶ δημεύσεων ἐμπλήσαντι ὑμᾶς, καὶ γῆς ἀναδασμοὺς ἐργασασμένῳ καὶ χρεῶν ἀποκοπὰς καὶ δούλων ἐλευθερώσεις, καὶ τυράννους ἐπ' ἐνίοις, καὶ ληστήρια πολλὰ ἀνά τε γῆν καὶ θάλασσαν, ὥς εὐθὺς ὑμᾶς ἔχειν ἐν πείρᾳ καὶ παραβολῇ οἴους ἀνθ' οἷων προστάτας ἐπέλεγεσθε. ἔδοσαν δὲ τινα καὶ ἡμῖν δίκην οἱ τῶνδε ἄρξαντες. ἀλλὰ δεῖ καὶ κοινὴν ὑμῖν ἐπιτεθῆναι τοιαύδε ἐργασασμένοις: ἦν

εἰκὸς μὲν ἦν ὁμοίαν οἷς ἐδράσατε γενέσθαι, μὴ ποτε δὲ Ῥωμαῖοι σφαγὰς ἀσεβεῖς ἢ δημεύσεις ἀβούλους ἢ δούλων ἐπαναστάσεις, ἢ ὅσα ἄλλα βαρβαρικά, μὴδ' ἐπὶ νοῦν λάβοιεν. φειδοῖ δὲ γένους ἔτι καὶ ὀνόματος Ἑλληνικοῦ καὶ δόξης τῆς ἐπὶ τῇ Ἀσίᾳ, καὶ τῆς φιλότητος Ῥωμαίοις εὐφημίας οὐνεκα, μόνους ὑμῖν ἐπιγράφω πέντε ἐτῶν φόρους ἐσενεγκεῖν αὐτίκα, καὶ τὴν τοῦ πολέμου δαπάνην, ὅση τε γέγονέ μοι καὶ ἔσται καθισταμένῳ τὰ ὑπόλοιπα. διαιρήσω δὲ ταῦθ' ἐκάστοις ἐγὼ κατὰ πόλεις, καὶ τάξω προθεσμίαν ταῖς ἐσφοραῖς, καὶ τοῖς οὐ φυλάξασιν ἐπιθήσω δίκην ὡς πολεμίους.

[63] τοσάδε εἰπὼν ἐπιδιήρει τοῖς πρέσβεσι τὴν ζημίαν, καὶ ἐπὶ τὰ χρήματα ἔπεμπε. αἱ δὲ πόλεις ἀποροῦσαι τε καὶ δανειζόμεναι μεγάλων τόκων, αἱ μὲν τὰ θέατρα τοῖς δανείζουσιν, αἱ δὲ τὰ γυμνάσια ἢ τεῖχος ἢ λιμένας ἢ εἴ τι δημόσιον ἄλλο, σὺν ὕβρει στρατιωτῶν ἐπειγόντων, ὑπετίθεντο. τὰ μὲν δὴ χρήματα ὧδε τῷ Σύλλᾳ συνεκομίζετο, καὶ κακῶν ἄδην εἶχεν ἡ Ἀσία: ἐπέπλει δ' αὐτὴν καὶ ληστήρια πολὺνδρα φανερῶς, στόλοις ἐοικότα μᾶλλον ἢ λησταῖς, Μιθριδάτου μὲν αὐτὰ πρῶτου καθέντος ἐς τὴν θάλασσαν, ὅτε πάνθ' ὡς οὐκ ἐς πολὺν καθέξω ἐλυμαίνετο, πλεονάσαντα δ' ἐς τότε μάλιστα, καὶ οὐ τοῖς πλέουσι μόνοις ἀλλὰ καὶ λιμέσι καὶ χωρίοις καὶ πόλεσιν ἐπιχειροῦντα φανερῶς. Ἰασσὸς γέ τοι καὶ Σάμος καὶ Κλαζομεναὶ καὶ Σαμοθράκη Σύλλα παρόντος ἐλήφθησαν, καὶ τὸ ἱερὸν ἐσυλήθη τὸ Σαμοθράκιον χιλίων ταλάντων κόσμον, ὡς ἐνομίζετο. ὁ δέ, εἴτε ἐκὼν ὡς ἁμαρτόντας ἐνυβρίζεσθαι καταλιπὼν, εἴτ' ἐπὶ τὴν ἐς Ῥώμην στάσιν ἐπειγόμενος, ἐς τὴν Ἑλλάδα καὶ ἀπ' αὐτῆς ἐς τὴν Ἰταλίαν μετὰ τοῦ πλείονος στρατοῦ διέπλει. καὶ τὰ μὲν ἀμφὶ Σύλλαν ἐν τοῖς Ἐμφυλίοις ἀναγράφεται,

[64] ἄρχεται δ' ὁ δεῦτερος Ῥωμαίων τε καὶ Μιθριδάτου πόλεμος ἐνθένδε.

Μουρήνας μὲν ὑπὸ Σύλλᾳ σὺν δύο τέλεσι τοῖς Φιμβρίου καθίστασθαι τὰ λοιπὰ τῆς Ἀσίας ὑπελέλειπτο, καὶ πολέμων ἀφορμὰς ἥρεσχήλει δι' ἐπιθυμίαν θριάμβου: Μιθριδάτης δ' ἐς τὸν Πόντον ἐσπλεύσας Κόλχοις καὶ Βοσποριανοῖς ἀφισταμένοις ἐπολέμει. ὢν Κόλχοι τὸν υἱὸν παρ' αὐτοῦ, Μιθριδάτην, βασιλέα σφίσιν ἡτοῦντο δοθῆναι, καὶ λαβόντες αὐτίκα ὑπήκουσαν. ὑποπεύσας δ' ὁ βασιλεὺς τόδε πρὸς τοῦ παιδὸς αὐτοῦ βασιλείας ἐπιθυμοῦντος γενέσθαι, καλέσας αὐτὸν ἔδωκεν ἐν πέδαις χρυσαῖς καὶ μετ' οὐ πολὺν ἀπέκτεινε, πολλὰ χρησιμὸν οἱ περὶ τὴν Ἀσίαν ἐν τοῖς πρὸς Φιμβρίαν ἀγῶσι γενόμενον. ἐπὶ δὲ Βοσποριανούς ναῦς τε συνεπήγγνυτο καὶ στρατὸν ἡτοιμάζετο πολύν, ὡς τὸ μέγεθος αὐτοῦ τῆς παρασκευῆς δόξαν ἐγεῖραι ταχεῖαν, οὐκ ἐπὶ Βοσποριανοῖς ἀλλ' ἐπὶ Ῥωμαίοις τάδε συλλέγεσθαι. οὐ γάρ πω οὐδ' Ἀριοβαρζάνη πᾶσαν ἐβεβαίου Καππαδοκίαν, ἀλλ' ἔστιν αὐτῆς ἅ καὶ τότε κατεῖχεν. Ἀρχελάον τε ἐν ὑποψίαις ἐτίθετο ὡς πολλὰ πέρα τοῦ δέοντος κατὰ τὴν Ἑλλάδα ἐν ταῖς διαλύσεσιν ἐπιχωρήσαντα τῷ Σύλλᾳ. ὢν ὁ Ἀρχέλαος αἰσθανόμενός τε καὶ δέισας ἐς Μουρήναν ἔφυγε, καὶ παροξύνας αὐτὸν ἔπεισε Μιθριδάτῃ προεπιχειρεῖν. Μουρήνας μὲν δὴ διὰ Καππαδοκίας αὐτίκα ἐσβαλὼν ἐς Κόμανα, κώμην ὑπὸ τῷ Μιθριδάτῃ μεγίστην, σεβάσμιον ἱερὸν καὶ πλούσιον ἔχουσαν, ἱππέας τινὰς ἔκτεινε τοῦ Μιθριδάτου, καὶ πρέσβειν αὐτοῦ τὰς συνθήκας προτείνουσιν οὐκ ἔφη συνθήκας ὄραν: οὐ γὰρ συνεγέγραπτο Σύλλας, ἀλλ' ἔργῳ τὰ λεχθέντα βεβαιώσας ἀπήλλακτο. ταῦτα

δ' εἰπὼν ὁ Μουρήνας εὐθέως ἐλεηλάτει, καὶ οὐδὲ τῶν ἱερῶν χρημάτων ἀποσχόμενος ἐχείμαζεν ἐν Καππαδοκίᾳ.

[65] Μιθριδάτης δ' ἐς Ῥώμην ἔπεμπε πρὸς τε τὴν βουλὴν καὶ πρὸς Σύλλαν, αἰτιώμενος ἃ ποιεῖ Μουρήνας. ὁ δ' ἐν τούτῳ τὸν Ἄλυν ποταμὸν περάσας, μέγαν τε ὄντα καὶ δύσπορον τότε μάλιστα αὐτῷ γενόμενον ὑπ' ὄμβρων, τετρακοσίας τοῦ Μιθριδάτου κόμας ἐπέτρεχεν, οὐκ ἀπαντῶντος ἐς οὐδὲν αὐτῷ τοῦ βασιλέως, ἀλλὰ τὴν πρεσβείαν ἀναμένοντος. λείας δὲ πολλῆς καταγέμων ἐς Φρυγίαν καὶ Γαλατίαν ἐπανήει, ἔνθα αὐτῷ Καλίδιος, ἐπὶ ταῖς Μιθριδάτου μέμψεσι πεμφθεὶς ἀπὸ Ῥώμης, ψήφισμα μὲν οὐδὲν ἐπέδωκεν, ἔφη δ' ἐς ἐπήκοον ἐν μέσῳ τὴν βουλὴν αὐτῷ κελεύειν φεῖδεσθαι τοῦ βασιλέως ὄντος ἐνσπόνδου. ταῦτα δ' εἰπὼν ὥφθη διαλεγόμενος αὐτῷ μόνῳ, καὶ ὁ Μουρήνας οὐδὲν ἀνείς τῆς ὁρμῆς καὶ τότε τὴν γῆν ἐπήει τὴν τοῦ Μιθριδάτου. ὁ δὲ σαφῶς ὑπὸ Ῥωμαίων ἡγούμενος πολεμεῖσθαι, Γόρδιον ἐς τὰς κόμας ἐσβαλεῖν ἐκέλευσεν. καὶ αὐτίκα ὁ Γόρδιος ὑποζύγιά τε πολλὰ καὶ σκευοφόρα καὶ ἀνθρώπους, ἰδιώτας τε καὶ στρατιώτας, συνήρπαξε, καὶ αὐτῷ Μουρήνα, μέσον λαβὼν ποταμόν, ἀντεκαθέζετο. μάχης δ' οὐδέτερος ἦρχεν, ἕως ἀφίκετο Μιθριδάτης σὺν τῷ πλείονι στρατῷ. καὶ εὐθὺς ἀμφὶ τῷ ποταμῷ μάχη γίγνεται καρτερά. καὶ βιασάμενος ὁ Μιθριδάτης ἐπέρα τὸν ποταμόν, καὶ τᾶλλα πολὺ κρείττων τοῦ Μουρήνα γενόμενος. ὁ δ' ἐς λόφον καρτερόν ἀναφυγόν, ἐπιχειροῦντος αὐτῷ τοῦ βασιλέως πολλοὺς ἀποβαλὼν ἔφευγε διὰ τῶν ὀρεινῶν ἐπὶ Φρυγίας, ὁδὸν ἀτριβῇ, βαλλόμενός τε καὶ χαλεπῶς.

[66] ἥ τε νίκη λαμπρὰ καὶ ὀξεῖα ἐξ ἐφόδου γενομένη ταχὺ διέπτῃ καὶ πολλοὺς ἐς τὸν Μιθριδάτην μετέβαλεν. ὁ δὲ καὶ τὰ ἐν Καππαδοκίᾳ φρουρία τοῦ Μουρήνα πάντα ἐπιδραμών τε καὶ ἐξελάσας ἔθυε τῷ στρατίῳ Διὶ πάτριον θυσίαν ἐπὶ ὄρους ὑψηλοῦ, κορυφὴν μείζονα ἄλλην ἀπὸ ξύλων ἐπιτιθείς. πρῶτοι δ' ἐς αὐτὴν οἱ βασιλεῖς ξυλοφοροῦσι, καὶ περιθέντες ἐτέραν ἐν κύκλῳ βραχυτέραν τῇ μὲν ἄνω γάλα καὶ μέλι καὶ οἶνον καὶ ἔλαιον καὶ θυμιάματα πάντα ἐπιφοροῦσι, τῇ δ' ἐπιπέδῳ σῖτόν τε καὶ ὄψον ἐς ἄριστον τοῖς παροῦσιν ἐπιτιθέντες, οἷόν τι καὶ ἐν Πασαργάδαις ἐστὶ τοῖς Περσῶν βασιλεῦσι θυσίας γένος, ἅπτουσι τὴν ὕλην. ἡ δ' αἰθομένη διὰ τὸ μέγεθος τηλοῦ τε χιλίων σταδίων γίγνεται τοῖς πλέουσι καταφανής, καὶ πελάσαι φασὶν ἐς πολλὰς ἡμέρας, αἰθομένου τοῦ ἀέρος, οὐ δυνατὸν εἶναι.

ὁ μὲν δὴ τὴν θυσίαν ἦγε πατρίῳ νόμῳ: Σύλλα δ' οὐκ ἄξιοντος Μιθριδάτην ἐνσπονδον πολεμεῖσθαι, Αὐλὸς Γαβίνιος ἐπέμφθη Μουρήνα μὲν ἀληθῇ τήνδε προαγόρευσιν ἐρῶν, μὴ πολεμεῖν Μιθριδάτῃ, Μιθριδάτην δὲ καὶ Ἀριοβαρζάνην ἀλλήλοις συναλλάξων. ὁ δὲ Μιθριδάτης ἐν τήνδε τῇ συνόδῳ παιδίον τετραετὲς ἐγγυῆσας τῷ Ἀριοβαρζάνῃ, καὶ ἐπὶ τήνδε προφάσει λαβὼν ἔχειν Καππαδοκίας ὅσα τε εἶχε καὶ ἕτερα ἐπ' ἐκείνοις, εἰστία πάντας, καὶ χρυσίον ἐπὶ τε τῇ κύλικι καὶ τῇ τροφῇ καὶ ἐπὶ σκώμμασι καὶ ἐπὶ ᾧδῃ πᾶσιν, ὥσπερ εἰώθει, προυτίθει: οὗ μόνος Γαβίνιος οὐχ ἦψατο. ὁ μὲν δὴ δεῦτερος Μιθριδάτῃ καὶ Ῥωμαίοις πόλεμος τρίτῳ μάλιστα ἔτει ἐς τοῦτο διελύετο.

[67] καὶ σχολὴν ἄγων ὁ Μιθριδάτης Βόσπορον ἐχειροῦτο, καὶ βασιλέα αὐτοῖς τῶν υἱέων ἕνα ἀπεδείκνυ Μαχάρην. ἐς δ' Ἀχαιοὺς τοὺς ὑπὲρ Κόλχους ἐσβαλὼν, οἱ δοκοῦσιν εἶναι τῶν ἐκ Τροίας κατὰ τὴν ἐπᾶνοδον πλανηθέντων,

δύο μέρη τοῦ στρατοῦ πολέμῳ τε καὶ κρύει καὶ ἐνέδραις ἀποβαλὼν ἐπᾶνῆλθε, καὶ ἐς Ῥώμην ἔπεμπε τοὺς συγγραφομένους τὰ συγκείμενα. ἔπεμπε δὲ καὶ Ἀριοβαρζάνης, εἴθ' ἐκὼν εἴτε πρὸς τινῶν ἐνοχλούμενος, οὐκ ἀπολαμβάνειν Καππαδοκίαν, ἀλλὰ τὸ πλεον αὐτῆς ἔτι Μιθριδάτην ἀφαιρεῖσθαι. Μιθριδάτης μὲν οὖν, Σύλλα κελεύοντος αὐτῷ μεθεῖναι Καππαδοκίαν, μεθῆκε, καὶ ἐτέραν πρεσβείαν ἐπέπεμπεν ἐπὶ τὰς τῶν συνθηκῶν συγγραφάς· ἤδη δὲ Σύλλα τεθνεῶτος, οὐκ ἐπαγόντων αὐτὴν ὡς ἐν ἀσχολίᾳ τῶν προβούλων ἐπὶ τὸ κοινόν, Τιγράνῃ τὸν γαμβρὸν Μιθριδάτης ἔπεισεν ἐς Καππαδοκίαν ἐμβαλεῖν ὥσπερ ἀφ' ἑαυτοῦ. καὶ τὸ μὲν σόφισμα οὐκ ἔλαθε Ῥωμαίους, ὁ δ' Ἀρμένιος Καππαδοκίαν σαγηνεύσας ἐς τριάκοντα μυριάδας ἀνθρώπων ἀνασπάστους ἐς Ἀρμένίαν ἐποίησε, καὶ συνώκιζεν αὐτοὺς μεθ' ἐτέρων ἐς τι χωρίον ἔνθα πρῶτον Ἀρμενίας τὸ διάδημα αὐτὸς περιεθήκατο, καὶ Τιγρανόκερτα ἀφ' ἑαυτοῦ προσεῖπεν· δύναται δ' εἶναι Τιγρανόπολις.

[68] καὶ τότε μὲν ἦν ἐν Ἀσίᾳ· Σερτώριος δ' Ἰβηρίας ἡγούμενος αὐτὴν τε Ἰβηρίαν καὶ τὰ περίοικα πάντα ἐπὶ Ῥωμαίους ἀνίστη, καὶ βουλὴν ἐκ τῶν οἱ συνόντων, ἐς μῆμα τῆς συγκλήτου, κατέλεγεν. δύο δ' αὐτοῦ τῶν στασιωτῶν, Λεύκιοι, Μάγιός τε καὶ Φάννιος, Μιθριδάτην ἔπειθον συμμαχεῖσθαι τῷ Σερτωρίῳ, πολλὰ περὶ τῆς Ἀσίας αὐτὸν καὶ τῶν ἐγγὺς ἐθνῶν ἐπελπίζοντες. ὁ μὲν δὴ πεισθεὶς ἐς τὸν Σερτώριον ἔπεμψεν· ὁ δὲ τοὺς πρέσβεις ἐς τὴν ἑαυτοῦ σύγκλητον παραγαγὼν τε, καὶ μεγαλοφρονησάμενος ὅτι τὸ κλέος αὐτοῦ καὶ ἐς τὸν Πόντον δίικετο καὶ Ῥωμαίους ἔξοι πολιορκεῖν ἀπὸ τε δύσεως καὶ ἐξ ἀνατολῆς, συνετίθετο τῷ Μιθριδάτῃ δώσειν Ἀσίαν τε καὶ Βιθυνίαν καὶ Παφλαγονίαν καὶ Καππαδοκίαν καὶ Γαλατίαν, στρατηγὸν τε αὐτῷ Μάρκον Οὐάριον καὶ συμβούλους τοὺς Λευκίους, Μάγιόν τε καὶ Φάννιον, ἔπεμψεν. μεθ' ὧν ὁ Μιθριδάτης ἐξέφαινε τὸν τρίτον καὶ τελευταῖόν οἱ γενόμενον ἐς Ῥωμαίους πόλεμον, ἐν ᾧ πᾶσαν ἀπώλεσε τὴν ἀρχὴν Σερτωρίου μὲν ἀποθανόντος, ἐν Ἰβηρίᾳ, ἐπιτεμφθέντων δὲ οἱ στρατηγῶν ἀπὸ Ῥώμης προτέρου Λευκόλλου τοῦδε τοῦ νευναρχηκότος Σύλλα, ὑστέρου δὲ Πομπηίου, ἐφ' ὅτου πάντα ὅσα ἦν Μιθριδάτου καὶ ὅσα αὐτοῖς γειτονεύοντα, μέχρι ἐπὶ ποταμὸν Εὐφράτην, προφάσει καὶ ὁρμῇ τοῦ Μιθριδατείου πολέμου ἐς Ῥωμαίους ἅπαντα περιηνέχθη.

[69] Μιθριδάτης μὲν οὖν, οἷα Ῥωμαίων πολλάκις ἐς πείραν ἔλθων, καὶ τόνδε μάλιστα τὸν πόλεμον ἡγούμενος, ἀπροφασίστως δὴ καὶ ὀξέως γενόμενον, ἄσπειστον ἔξειν, πᾶσαν ἐπενόει παρασκευὴν ὡς ἄρτι δὴ κριθισόμενος περὶ πάντων. καὶ τὸ λοιπὸν τοῦ θέρους καὶ τὸν χειμῶνα ὅλον ὑλοτομῶν ἐπήγγυτο ναῦς καὶ ὅπλα, καὶ σίτου διακοσίας μεδίμνων μυριάδας ἐπὶ θαλάσῃ διетίθει. σύμμαχοί τε αὐτῷ προσεγίνοντο, χωρὶς τῆς προτέρας δυνάμεως, Χάλυβες Ἀρμένιοι Σκύθαι Ταῦροι Ἀχαιοὶ Ἠνίοχοι Λευκόσυροι, καὶ ὅσοι περὶ Θερμώδοντα ποταμὸν γῆν ἔχουσι τὴν Ἀμαζόνων λεγομένην. τοσαῦτα μὲν ἐπὶ τοῖς προτέροις αὐτῷ περὶ τὴν Ἀσίαν προσεγίνετο, περάσαντι δ' ἐς τὴν Εὐρώπην Σαυροματῶν οἱ τε βασιλῆες καὶ Ἰάζυγες καὶ Κόραλλοι, καὶ Θρακῶν ὅσα γένη παρὰ τὸν Ἰστρον ἢ Ῥοδόπην ἢ τὸν Αἴμον οἰκοῦσι, καὶ ἐπὶ τοῖσδε Βαστέρναι, τὸ ἀλκιμώτατον αὐτῶν γένος. τοσάδε μὲν δὴ καὶ τῆς Εὐρώπης τότε προσελάμβανεν ὁ Μιθριδάτης. καὶ μυριάδες ἐκ πάντων ἐς τὸ μάχιμον

αὐτῷ συνελέγοντο τεσσαρεσκαίδεκα μάλιστα πεζῶν, καὶ ἵππεις ἐπὶ μυρίοις ἑξακισχίλιοι. πολὺς δὲ καὶ ἄλλος ὄμιλος ὁδοποιοῦν καὶ σκευοφόρων εἵτετο καὶ ἐμπόρων.

[70] ἀρχομένου δ' ἥρος ἀπόπειραν τοῦ ναυτικοῦ ποιησάμενος, ἔθυε τῷ στρατιῷ Διὶ τὴν συνήθη θυσίαν, καὶ Ποσειδῶνι λευκῶν ἵππων ἄρμα καθείς ἐς τὸ πέλαγος ἐπὶ Παφλαγονίας ἠπείγετο, στρατηγούντων αὐτῷ Ταξίλου τε καὶ Ἑρμοκράτους. ὥς δ' ἀφίκετο, ἐδημηγόρησε τῷ στρατῷ περὶ τῶν προγόνων μάλα σεμνολόγως καὶ περὶ αὐτοῦ μεγαληγόρως, ὅτι τὴν ἀρχὴν ἐκ βραχέος ἐπὶ πλεῖστον προαγαγὼν οὐποτε Ῥωμαίων ἡττηθεῖη παρῶν. εἴτα κατηγόρησεν αὐτῶν ἐς πλεονεξίαν καὶ ἀμετρίαν, ὅφ' ἥς, ἔφη, καὶ τὴν Ἰταλίαν καὶ τὴν πατρίδα αὐτὴν δεδούλωνται. καὶ τὰς γενομένας οἱ τελευταίας συνθήκας ἐπέφερεν ὥς οὐκ ἐθέλουσιν ἀναγράψασθαι, καιροφυλακοῦντες αὐθις ἐπιθέσθαι. καὶ τοῦτο αἴτιον τοῦ πολέμου τιθέμενος, ἐπῆγε τὴν ἑαυτοῦ στρατιὰν ὅλην καὶ παρασκευὴν, καὶ Ῥωμαίων ἀσχολίαν πολεμουμένων ὑπὸ Σερτωρίου κατὰ κράτος ἐν Ἰβηρίᾳ καὶ στασιαζόντων ἐς ἀλλήλους ἀνὰ τὴν Ἰταλίαν. 'διὸ καὶ τῆς θαλάσσης,' ἔφη, 'καταφρονοῦσι ληστευομένης πολὺν ἤδη χρόνον, καὶ σύμμαχος αὐτοῖς οὐδεὶς ἐστίν, οὐδ' ὑπήκοος ἐκούσιος ἔτι. οὐχ ὁρᾷτε δ' αὐτῶν,' ἔφη, 'καὶ τοὺς ἀρίστους,' ἐπιδεικνὺς Οὐάριόν τε καὶ τοὺς Λευκίους, 'πολεμίους μὲν ὄντας τῇ πατρίδι, συμμάχους δ' ἡμῖν;'

[71] ταῦτ' εἰπὼν καὶ τὸν στρατὸν ἐρεθίσας ἐνέβαλεν ἐς Βιθυνίαν, Νικομήδους ἄρτι τεθνεῶτος ἄπαιδος καὶ τὴν ἀρχὴν Ῥωμαίοις ἀπολιπόντος. Κόττας δ' ἡγούμενος αὐτῆς, ἀσθενῆς τὰ πολέμια πάμπαν, ἔφυγεν ἐς Χαλκηδόνα μεθ' ἧς εἶχε δυνάμεως. καὶ Βιθυνία μὲν ἦν αὐθις ὑπὸ τῷ Μιθριδάτῃ, τῶν πανταχοῦ Ῥωμαίων ἐς Χαλκηδόνα πρὸς Κότταν συνθεόντων. ἐπιόντος δὲ καὶ τῇ Χαλκηδόνι τοῦ Μιθριδάτου, Κόττας μὲν ὑπ' ἀπραξίας οὐ προΐη, Νοῦδος δὲ ὁ ναύαρχος αὐτοῦ, σὺν μέρει τινὶ στρατοῦ τὰ ὀχυρώτατα τοῦ πεδίου καταλαβὼν καὶ ἐξελαθείς, ἔφυγεν ἐπὶ τὰς πύλας τῆς Χαλκηδόνης διὰ θριγκίων πολλῶν πάνυ δυσχερῶς. ἀμφὶ τε τὰς πύλας ὠθισμὸς ἦν ἐσπηδόντων ὁμοῦ: ὅθεν οὐδὲν τοῖς διώκουσιν αὐτοὺς βέλος ἠτύχει. ὥς δὲ καὶ περὶ τῶν πυλῶν δείσαντες οἱ φύλακες τὰ κλεῖθρα καθῆκαν ἐς αὐτὰς ἀπὸ μηχανῆς, Νοῦδον μὲν καὶ τῶν ἄλλων ἡγεμόνων τινὰς καλωδίους ἀνιμήσαντο, οἱ δὲ λοιποὶ μεταξὺ τῶν τε φίλων καὶ τῶν πολεμίων ἀπώλλυντο, τὰς χεῖρας ἐς ἑκατέρους ὀρέγοντες. ὃ τε Μιθριδάτης τῇ φορᾷ τῆς εὐτυχίας χρώμενος ἐπῆγεν αὐτῆς ἡμέρας ἐπὶ τὸν λιμένα τὰς ναῦς, καὶ τὸ κλεῖθρον ἀλύσει χαλκῇ δεδεμένον ἀπορρήξας τέσσαρας μὲν ἐνέπρησε τῶν πολεμίων, τὰς δὲ λοιπὰς ἐξήκοντα ἀνεδῆσατο, οὐδὲν οὔτε Νοῦδου κωλύοντος ἔτι οὔτε Κόττα, ἀλλ' ἐς τὰ τεῖχη συγκεκλεισμένων. ἀπέθανον δὲ Ῥωμαίων μὲν ἐς τρισχίλιους, καὶ Λεύκιος Μάλλιος, ἀνὴρ ἀπὸ βουλῆς, Μιθριδάτου δὲ Βαστερνῶν τῶν πρώτων ἐσπεσόντων ἐς τὸν λιμένα εἴκοσιν.

[72] Λεύκιος δὲ Λεύκολλος ὑπατεύειν καὶ στρατηγεῖν αἰρεθείς τοῦδε τοῦ πολέμου τέλος μὲν τι στρατιωτῶν ἦγεν ἐκ Ῥώμης, δύο δ' ἄλλα τὰ Φιμβρίου καὶ ἐπ' αὐτοῖς ἕτερα δύο προσλαβὼν, σύμπαντας ἔχων πεζοὺς τρισμυρίους καὶ ἵππεας ἐς χιλίους ἐπὶ ἑξακοσίους, παρεστρατοπέδευε τῷ Μιθριδάτῃ περὶ Κύζικον. καὶ δι' αὐτομόλων ἐπιγνοὺς εἶναι τῷ βασιλεῖ στρατιὰν μὲν ἀνδρῶν

ἀμφὶ μυριάδας τριάκοντα, ἀγορὰν δὲ εἶ τι σιτολογοῦντες ἢ ἐκ θαλάσσης λάβοιεν, ἔφη πρὸς τοὺς ἀμφ' αὐτὸν ἀμαχὶ λήψεσθαι τοὺς πολεμίους αὐτίκα, καὶ τοῦ ἐπαγγέλματος αὐτοῖς ἐνεκελεύετο μνημονεύειν. ὄρος δὲ ἰδὼν εὐκαιρον ἐς στρατοπεδεῖαν, ὅθεν αὐτὸς μὲν εὐπορήσειεν ἔμελλεν ἀγορᾶς, τοὺς δὲ πολεμίους ἀποκλείσειν, ἐπεχείρει καταλαβεῖν ὡς ἐν τῷδε τὴν νίκην ἀκίνδυνον ἔξων. μιᾶς δ' οὔσης ἐς αὐτὸ διόδου στενῆς, ὁ Μιθριδάτης αὐτὴν ἐφύλαττεν ἐγκρατῶς, ὥδε καὶ Ταξίλου καὶ τῶν ἄλλων ἡγεμόνων αὐτῷ παραινοῦντων. Λεύκιος δὲ Μάγιος ὁ Σερτωρίῳ καὶ Μιθριδάτῃ τὰ ἐς ἀλλήλους διαιτήσας, ἀνηρημένου τοῦ Σερτωρίου πρὸς Λεύκολλον ἐπετόμφει κρύφα, καὶ πίστιν λαβὼν μετέπειθε τὸν Μιθριδάτην ὑπεριδεῖν Ῥωμαίων παροδευόντων τε καὶ στρατοπεδευόντων ὅπῃ θελήσειαν. τὰ γὰρ ὑπὸ Φιμβρία γενόμενα δύο τέλη βουλεύειν αὐτομολίαν, καὶ αὐτίκα τῷ βασιλεῖ προσέεσθαι: τί οὖν χρήζειν αὐτὸν ἀγῶνος καὶ φόνου, δυνάμενον ἀμαχὶ κρατῆσαι τῶν πολέμιων; οἷς ὁ Μιθριδάτης συνθέμενος ἀνοήτως μάλα καὶ ἀνυπόπτως, περιεῖδε Ῥωμαίους διὰ στενοῦ παροδεύοντας ἀδεῶς καὶ ἐπιτειχίζοντας αὐτῷ μέγα ὄρος, οὗ κρατοῦντες αὐτοὶ μὲν ὀπισθεν ἔμελλον ἀγορὰν ἀδεῶς ἐπάξεσθαι, Μιθριδάτην δὲ λίμνη καὶ ὄρεσι καὶ ποταμοῖς ἀποκλείσειν τῶν κατὰ γῆν ἀπάντων, ὅ τι μὴ γλίσχρως ποτὲ λάβοι, οὔτε ἐξόδους εὐρείας ἔτι ἔχοντα, οὔτε βιάζεσθαι δυνάμενον ἔτι Λεύκολλον ὑπὸ τῆς δυσχωρίας, ἧς κρατῶν κατεφρόνησεν. ὁ τε χειμὼν ἤδη πλησιάζων ἔμελλε καὶ τῶν ἀπὸ τῆς θαλάσσης αὐτὸν ἐν ἀπορίᾳ καταστήσειν. ἂ θεωρῶν ὁ Λεύκολλος τοὺς φίλους ἀνεμίμνησκε τῆς ὑποσχέσεως, καὶ τὸ ἐπαγγελθὲν ὡς παρὸν ἐδείκνυ.

[73] ὁ δὲ Μιθριδάτης δυνηθεὶς ἂν ἴσως καὶ τότε διὰ τὸ πλῆθος διὰ μέσων ὤσασθαι τῶν πολέμιων, τούτου μὲν ὑπερεῖδε, Κυζίκῳ δὲ οἷς παρεσκεύασε πρὸς πολιορκίαν ἐπετίθετο, νομίσας ἐν τῷδε διορθώσειν τὴν δυσχωρίαν ὁμοῦ καὶ τὴν ἀπορίαν. οἷα δὲ εὐπορῶν στρατοῦ πολλοῦ, πᾶσιν ἔργοις ἐπεχείρει, τὸν τε σταθμὸν ἀποτειχίζων τείχει διπλῷ, καὶ τὰ λοιπὰ τῆς πόλεως ἀποταφρεύων. χώματά τε ἤγειρε πολλά, καὶ μηχανὰς ἐπήγνυτο, πύργους καὶ χελώνας κριοφόρους, ἐλέπολιν τε ἑκατὸν πήχεων, ἐξ ἧς ἕτερος πύργος ἐπὶ ἥρτο καταπέλτας καὶ λίθους καὶ βέλη ποικίλα ἀφιεῖς. κατὰ δὲ τοὺς λιμένας δύο πεντήρεις ἐξευγμέναι πύργον ἕτερον ἔφερον, ἐξ οὗ γέφυρα, ὅποτε προσπελάσειαν ἐς τὸ τεῖχος, ὑπὸ μηχανῆς ἐξήλλετο. ὡς δ' ἔτοιμα αὐτῷ πάντα ἐγεγένητο, πρῶτα μὲν τρισχιλίους αἰχμαλώτους Κυζικηνούς ἐπὶ νεῶν τῇ πόλει προσῆγεν, οἱ χεῖρας ἐς τὸ τεῖχος ὀρέγοντες ἐδέοντο σφῶν κινδυνευόντων φείσασθαι τοὺς πολίτας, μέχρι Πεισίστρατος αὐτοῖς, ὁ στρατηγὸς ὁ τῶν Κυζικηνῶν, ἀπὸ τοῦ τεῖχους ἐκίρυξε φέρειν τὸ συμβαῖνον ἐγκρατῶς, αἰχμαλώτους γεγονότας.

[74] ὁ δὲ Μιθριδάτης ὡς ἀπέγνω τῆσδε τῆς πείρας, ἐπῆγε τὴν ἐπὶ τῶν νεῶν μηχανήν: καὶ ἢ τε γέφυρα ἐς τὸ τεῖχος ἐξήλατο ἄφνω, καὶ τέσσαρες ἀπ' αὐτῆς ἄνδρες ἐξέδραμον. ὧ δὴ καὶ μάλιστα καινοτρόπῳ φανέντι καταπλαγέντες οἱ Κυζικηνοὶ ἐπὶ μὲν τι ὑπεχώρησαν, οὐκ ὀξέως δὲ ἐτέρων ἐπιδραμόντων ἀνεθάρρησάν τε καὶ τοὺς τέσσαρας κατέωσαν ἐς τὸ ἔξω, ταῖς τε ναυσὶ πῦρ καὶ πίσσαν ἐπιχέαντες ἠνάγκασαν πρύμναν τε κρούσασθαι καὶ ὑποχωρεῖν ὀπίσω

μετὰ τοῦ μηχανήματος. ὧδε μὲν δὴ τῶν κατὰ θάλασσαν ἐπeneχθέντων ἐκράτουν οἱ Κυζικηνοί· τρίτα δ' αὐτοῖς ἐπήγeτο τῆς αὐτῆς ἡμέρας τὰ ἐν τῇ γῇ μηχανήματα ὁμοῦ πάντα, πονουμένοις τε καὶ μεταθέουσιν ἐς τὸ αἰεὶ βιαζόμενον. τοὺς μὲν οὖν κριοὺς λίθοις ἀπεκαύλιζον ἢ βρόχοις ἀνέκλων ἢ φορμοῖς ἐρίων τῆς βίας ἐξέλυον, τῶν δὲ βελῶν τοῖς μὲν πυρφόροις ὑπήντων ὕδατι καὶ ὄξει, τὰ δ' ἄλλα προβολαῖς ἱματίων ἢ ὀθόναις κεχαλασμέναις τῆς φορᾶς ἀνέλυον, ὅλως τε οὐδὲν προθυμίας ἀνδρὶ δυνατῆς ἐξέλειπον. καὶ τάδε αὐτοῖς φερεπονώτατα δὴ κακοπαθοῦσιν ὅμως γε τοῦ τείχους ἐκαύθη τι καὶ συνέπεσεν ἐς ἐσπέραν. οὐ μὴν ἔφθασέ τις ἐσαλάμενος ἔτι θερμόν, ἀλλ' αὐτὸ νυκτὸς αὐτίκα περιωκοδόμησαν οἱ Κυζικηνοί. τῶν δὲ αὐτῶν ἡμερῶν πνεῦμα σφοδρὸν ἐπιγενόμενον περιέκλασε τὰ λοιπὰ τῶν μηχανημάτων τοῦ βασιλέως.

[75] λέγεται δ' ἡ πόλις ἐμπροίκιον ὑπὸ Διὸς τῇ κόρῃ δοθῆναι, καὶ σέβουσιν αὐτὴν οἱ Κυζικηνοὶ μάλιστα θεῶν. ἐπελθούσης δὲ τῆς ἐορτῆς, ἐν ἣ ἰθύουσι βοῦν μέλαιναν, οἱ μὲν οὐκ ἔχοντες ἔπλαττον ἀπὸ σίτου, μέλαινα δὲ βοῦς ἐκ πελάγους πρὸς αὐτοὺς διενήχeτο, καὶ τὸ κλεῖθρον τοῦ στόματος ὑποδύσά τε καὶ ἐς τὴν πόλιν ἐσδραμοῦσα ὤδευσεν ἀφ' αὐτῆς ἐς τὸ ἱερὸν καὶ τοῖς βωμοῖς παρέστη. ταύτην μὲν οὖν οἱ Κυζικηνοὶ μετὰ χρηστῆς ἐλπίδος ἔθυσον, οἱ δὲ φίλοι τῷ Μιθριδάτῃ συνεβούλευον ὡς ἱερᾶς τῆς πόλεως ἀποπλεῦσαι. ὁ δ' οὐ πεισθεὶς ἐπὶ τὸ Δίνδυμον ὄρος ὑπερκείμενον ἀνήει, καὶ χῶμα ἀπ' αὐτοῦ ἐς τὴν πόλιν ἔχου, πύργους τε ἐφίστη, καὶ ὑπονόμοις τὸ τεῖχος ἀνεκρήμνη. τοὺς δ' ἵππους ἀχρεῖους οἱ τότε ὄντας, καὶ ἀσθενεῖς δι' ἀτροφίαν καὶ χωλεύοντας ἐξ ὑποτριβῆς, ἐς Βιθυνίαν περιέπεμπεν· οἷς ὁ Λευκόλλος περῶσι τὸν Ῥύνδακον ἐπιπεσὼν ἔκτεινε πολλοὺς, καὶ αἰχμαλώτους ἔλαβεν ἄνδρας μὲν ἐς μυρίουσ καὶ πεντακισχιλίους, ἵππους δ' ἐς ἑξακισχιλίους καὶ σκευοφόρα πολλὰ.

καὶ τάδε μὲν ἦν περὶ Κύζικον, τῷ δ' αὐτῷ χρόνῳ Φρυγίαν Εὐμαχος Μιθριδάτου στρατηγὸς ἐπιτρέχων ἔκτεινε Ῥωμαίων πολλοὺς μετὰ παίδων καὶ γυναικῶν, Πισίδας τε καὶ Ἰσαύρους ὑπήγeτο καὶ Κιλικίαν, μέχρι τῶν τις Γαλατικῶν τετραρχῶν Δηϊόταρος ἐπιπολάζοντα αὐτὸν συνεδίωξε καὶ πολλοὺς διέφθειρεν.

[76] καὶ περὶ μὲν Φρυγίαν τοιάδε ἐγίνετο, Μιθριδάτου δὲ χειμῶν ἐπιγενόμενος ἀφήρητο καὶ τὴν ἐκ τῆς θαλάττης ἀγοράν, εἴ τις ἦν, ὥστε πάμπαν ὁ στρατὸς ἐλίμωττε, καὶ πολλοὶ μὲν ἀπέθνησκον, εἰσὶ δ' οἱ καὶ σπλάγγων ἐγείνοντο βαρβαρικῶς· οἱ δ' ἄλλοι ποηφαγοῦντες ἐνόσουν. καὶ τὰ νεκρὰ σφῶν ἀγχοῦ ἄταφα ρίπτούμενα λοιμὸν ἐπήγεν ἐπὶ τῷ λιμῷ. διεκαρτέρει δ' ὅμως ὁ Μιθριδάτης, ἐλπίζων ἔτι τὴν Κύζικον αἰρήσειν τοῖς χώμασι τοῖς ἀπὸ τοῦ Δινδύμου. ὥς δὲ καὶ ταῦθ' ὑπεσύροντο οἱ Κυζικηνοί, καὶ τὰς ἐπ' αὐτῶν μηχανὰς ἐπίμπρασαν, καὶ αἰσθήσει τοῦ λιμοῦ πολλάκις ἐπεκθέοντες τοῖς πολεμίοις ἀσθενεστάτοις γεγονόσιν ἐπετίθεντο, δρασμὸν ὁ Μιθριδάτης ἐβούλευε, καὶ ἔφευγε νυκτὸς αὐτὸς μὲν ἐπὶ τῶν νεῶν ἐς Πάριον, ὁ δὲ στρατὸς αὐτοῦ κατὰ γῆν ἐς Λάμψακον. περῶντας δ' αὐτοὺς τὸν Αἴσηπον ὃ τε ποταμὸς τότε μάλιστα ἀρθεὶς μέγας, καὶ ἐπὶ τῷ ποταμῷ Λευκόλλος ἐπιδραμὼν ἔφθειρεν. ὧδε μὲν οἱ Κυζικηνοὶ πολλὴν βασιλέως παρασκευὴν διέφυγον, αὐτοὶ τε γενναίως ἀγωνισάμενοι, καὶ λιμῷ πιεσθέντος ὑπὸ Λευκόλλου. ἀγῶνά τε αὐτῷ θέμενοι μέχρι νῦν τελοῦσι, τὰ Λευκόλλεια καλούμενα. Μιθριδάτης δὲ

τοὺς ἐς Λάμψακον ἐσφυγόντας, ἔτι τοῦ Λευκόλλου περικαθημένου, ναῦς ἐπιτέμψας ἐξεκώμισε σὺν αὐτοῖς Λαμψακηνοῖς. μυρίους δ' ἐπιλέκτους ἐπὶ νεῶν πεντήκοντα Οὐαρίῳ, πεμφθέντι οἱ στρατηγεῖν ὑπὸ Σερτωρίου, καὶ Ἀλεξάνδρῳ τῷ Παφλαγονί καὶ Διονυσίῳ τῷ εὐνούχῳ καταλιπών, ταῖς πλέοσιν αὐτῶν ἐς Νικομήδειαν ἔπλει. καὶ χειμῶν ἐπιγενόμενος πολλὰς ἐκατέρων διέφθειρεν.

[77] Λεύκολλος δ' ἐπεὶ τὸ κατὰ γῆν εἵργαστο διὰ τοῦ λιμοῦ, ναῦς ἐκ τῆς Ἀσίας ἀγείρας διέδωκε τοῖς ἀμφ' αὐτὸν στρατηγοῦσιν. καὶ Τριάριος μὲν Ἀπάμειαν εἶλεν ἐπιπλεύσας, καὶ πολλὰ τῶν Ἀπαμέων συμφυγόντων ἐς τὰ ἱερὰ ἐγένετο σφαγὴ· Βάρβας δὲ Προυσιάδα εἶλε τὴν πρὸς τῷ ὄρει, καὶ Νίκαιαν ἔλαβε, τῶν Μιθριδάτου φρουρῶν ἐκφυγόντων. Λεύκολλος δὲ περὶ τὸν Ἀχαιῶν λιμένα τρισκαίδεκα ναῦς εἶλε τῶν πολεμίων. Οὐάριον δὲ καὶ Ἀλέξανδρον καὶ Διονύσιον περὶ Λῆμνον ἐν ἐρήμῃ νήσῳ καταλαβόν, ἔνθα δαίκνυνται βωμὸς Φιλοκτῆτου καὶ χαλκοῦς ὄφεις καὶ τόξα καὶ θώραξ ταινίαις περιδέτος, μνῆμα τῆς ἐκείνου πάθης, ἐπέπλει μὲν αὐτοῖς ῥοθίῳ τε πολλῷ καὶ μετὰ καταφρονήσεως, εὐσταθῶς δ' ἐκείνων ὑπομενόντων ἔστησε τὴν εἰρεσίαν, καὶ κατὰ δύο ναῦς ἐπιπέμπων ἡρέθιζεν ἐς ἔκπλουν. οὐ σαλευόντων δ' ἐκείνων ἀλλ' ἀπὸ γῆς ἀμυνομένων, περιέπλευσε τὴν νῆσον ἐτέραις ναυσί, καὶ πεζοὺς ἐς αὐτὴν ἐκβιβάσας συνήλασε τοὺς ἐχθροὺς ἐπὶ τὰς ναῦς. οἱ δ' ἐς μὲν τὸ πέλαγος οὐκ ἠφίεσαν, τὸν Λευκόλλου στρατὸν δεδιότες, παρὰ δὲ τὴν γῆν πλέοντες, ἕκ τε τῆς γῆς καὶ τῆς θαλάσσης ἀμφίβολοι γιγνόμενοι κατετιτρώσκοντο, καὶ φόνος πολλὸς ἦν αὐτῶν καὶ φυγὴ. ἐλήφθησαν δ' ἐν σπηλαίῳ κρυπτόμενοι Οὐάριός τε καὶ Ἀλέξανδρος καὶ Διονύσιος ὁ εὐνούχος. καὶ αὐτῶν ὁ μὲν Διονύσιος, πῶν ὅπερ ἤγετο φάρμακον, αὐτίκα ἀπέθανε, Οὐάριον δ' ἀναιρεθῆναι προσέταξε Λεύκολλος· οὐ γὰρ ἐδόκει Ῥωμαῖον ἄνδρα βουλευτὴν θριαμβεύειν. Ἀλέξανδρος δὲ ἐς τὴν πομπὴν ἐφυλάσσετο. καὶ Λεύκολλος περὶ τῶνδε Ῥωμαίοις ἐπέστελλε, τὰ γράμματα δάφνη περιβαλόν, ὡς ἔθος ἐστὶν ἐπὶ νίκαις· αὐτὸς δὲ ἡπείγετο ἐς Βιθυνίαν.

[78] Μιθριδάτῃ δ' ἐς Πόντον ἐσπλέοντι χειμῶν ἐς δις ἐπιγίγνεται, καὶ τῶν ἀνδρῶν ἀμφὶ τοὺς μυρίους καὶ νῆες ἀμφὶ τὰς ἐξήκοντα διεφθάρησαν· αἱ δὲ λοιπαὶ διερρίφησαν, ὡς ἐκάστην ὁ χειμῶν ἐξήνεγκεν. αὐτὸς δὲ ῥηγνυμένης τῆς στρατηγίδος ἐς ληστῶν σκάφος, ἀπαγορευόντων τῶν φίλων, ὅμως ἐνέβη. καὶ ἐς Σινώπην αὐτὸν οἱ λησταὶ διέσωσαν. ὅθεν ὁ μὲν ἐς Ἀμισὸν ἀπὸ κάλῳ διαπλέων, πρὸς τε τὸν κηδεστὴν Τιγράνην τὸν Ἀρμένιον καὶ ἐς Μαχάρην τὸν υἱόν, ἄρχοντα Βοσπόρου, περιέπεμπεν, ἐπικουρεῖν ἐπείγων ἐκάτερον. ἔς τε Σκύθας τοὺς ὁμόρους χρυσὸν καὶ δῶρα πολλὰ Διοκλέα φέρειν ἐκέλευεν. ἀλλ' ὁ μὲν αὐτοῖς τε δώροις καὶ αὐτῷ χρυσίῳ πρὸς Λεύκολλον ἠυτομόλησε, Λεύκολλος δ' ἐπὶ τῇ νίκῃ θρασέως προῖων ἐς τὸ πρόσθεν καὶ τὰ ἐν ποσὶν ἅπαντα χειρούμενος προυνόμευεν. οἷα δ' εὐδαίμονος χώρας καὶ πολὺν χρόνον ἀπολεμήτου, τὸ μὲν ἀνδράποδον τεττάρων δραχμῶν αὐτίκα ἐγίγνετο, ὁ δὲ βοῦς μιᾶς, αἶγες δὲ καὶ πρόβατα καὶ ἐσθῆς καὶ τὰ λοιπὰ τούτων κατὰ λόγον. Λεύκολλος δ' Ἀμισὸν τε καὶ Εὐπατορίαν, ἣν τινα τῇ Ἀμισῷ παρφοκοδόμησεν ὁ Μιθριδάτης Εὐπατορίαν τε ὠνόμαζεν ἀφ' ἑαυτοῦ καὶ βασιλεία ἡγεῖτο, περικαθήμενος ἐπολιόρκει, καὶ ἐτέρῳ στρατῷ Θεμίσκυραν, ἣ τῶν Ἀμαζόνων

τινὸς ἐπώνυμος οὕσα παρὰ τὸν Θερμώδοντα ποταμὸν ἔστιν. τούτων δ' οἱ μὲν τοῖς Θεμισκυρίοις ἐπικαθήμενοι πύργους ἐπῆγον αὐτοῖς καὶ χώματα ἐχώννουν καὶ ὑπονόμους ὥρυττον, οὕτω δὴ τι μεγάλους ὥς ἐν αὐτοῖς ὑπὸ τὴν γῆν ἀλλήλοις κατὰ πλῆθος ἐπιχειρεῖν· καὶ οἱ Θεμισκύριοι ὅπας ἄνωθεν ἐς αὐτοὺς ὀρύττοντες, ἄρκτους τε καὶ θηρία ἕτερα καὶ σμήνη μελισσῶν ἐς τοὺς ἐργαζομένους ἐνέβαλλον. οἱ δ' ἅμωι τὴν Ἀμισὸν ἕτερον τρόπον ἐμόχθουν, ἀπομαχομένων αὐτοὺς τῶν Ἀμισέων καὶ πολλάκις ἐκθεόντων καὶ ἐς μονομαχίας προκαλουμένων. Μιθριδάτης δ' αὐτοῖς πολλὴν ἀγορὰν καὶ ὅπλα καὶ στρατιὰν ἔπεμπεν ἐκ Καβείρων, ἔνθα χειμάζων στρατὸν ἄλλον συνέλεγεν. καὶ συνῆλθον αὐτῷ πεζοὶ μὲν ἐς τετρακισμυρίους, ἵππεῖς δὲ ἐς τετρακισχιλίους.

[79] ἰσταμένου δ' ἦρος ὁ μὲν Λεύκολλος διὰ τῶν ὁρῶν ἐπὶ τὸν Μιθριδάτην ἐχώρει. προφυλακαὶ δ' ἦσαν ἐκείνῳ κωλύειν τε Λεύκολλον, καὶ διαπυρσεύειν οἱ συνεχῶς, εἴ τι γίνοιτο. καὶ ἦρχε τῆσδε τῆς φυλακῆς ἐκ Μιθριδάτου τις ἀνὴρ τοῦ βασιλείου γένους, ὄνομα Φοῖνιξ· ὅς, ἐπεὶ Λεύκολλος ἐπέλαξε, Μιθριδάτῃ μὲν διεπύρσευσεν, ἐς δὲ Λεύκολλον ἠυτομόλησε μετὰ τῆς δυνάμεως. καὶ ὁ Λεύκολλος ἀδεῶς ἤδη τὰ ὅρη διεξελθὼν ἐς Κάβειρα κατέβη. γενομένης δ' αὐτῷ τε καὶ Μιθριδάτῃ τινὸς ἵππομαχίας, ἡττώμενος αὐθις ἐς τὸ ὄρος ἀνέθορεν. ὁ δὲ ἵππαρχος αὐτοῦ Πομπώνιος ἐς Μιθριδάτην τετρωμένος ἀνήχθη· καὶ πυθομένῳ βασιλεῖ τίνα χάριν οἱ περισωθεὶς δύναιτο ἀποδοῦναι, 'εἰ μὲν,' ἔφη, 'σὺ φίλος γένοιο Λευκόλλῳ, πάνυ πολλοῦ ἀξίαν· εἰ δ' ἐχθρὸς εἴης, οὐδὲ βουλεύσομαι.' ὧδε μὲν ὁ Πομπώνιος ἀπεκρίνατο· καὶ αὐτὸν τῶν βαρβάρων κτείνειν ἀξιούντων, ὁ βασιλεὺς εἶπεν οὐκ ἐξυβριεῖν ἐς ἀτυχοῦσαν ἀρετήν. ἐκτάσσω δὲ συνεχῶς, οὐ κατιόντος ἐς μάχην τοῦ Λευκόλλου, περιῶν ἀνάβασιν ἐπ' αὐτὸν ἐξήτει. καὶ τις ἀνὴρ ἐν τούτῳ Σκύθης, ὄνομα Ὀλκάβας, αὐτόμολος ὢν ἐς Λεύκολλον ἐκ πολλοῦ, καὶ παρὰ τήνδε τὴν ἵππομαχίαν πολλοὺς περισώσας, καὶ δι' αὐτὸ παρὰ τοῦ Λευκόλλου τραπέζης τε καὶ γνώμης καὶ ἀπορρήτων ἀξιούμενος, ἦκεν ἐπὶ τὴν σκηνὴν αὐτοῦ περὶ μεσημβρίαν ἀναπαυομένου, καὶ ἐσελθεῖν ἐβιάζετο, βραχὺ καὶ σύνηθες ἐπὶ τοῦ ζωστήρος ἐγχειρίδιον περικείμενος. κωλυόμενος δ' ἡγανάκτει, καὶ χρεῖαν τινὰ ἐπείγειν ἔλεγεν ἐξαναστῆσαι τὸν στρατηγόν. τῶν δὲ θεραπευτῶν οὐδὲν εἰπόντων χρησιμώτερον εἶναι Λευκόλλῳ τῆς σωτηρίας, ἐπέβη τὸν ἵππον αὐτίκα καὶ ἐς τὸν Μιθριδάτην ἐξήλασεν, εἴτε ἐπιβουλεύων καὶ δόξας ὑποπτεύεσθαι, εἴτε σὺν ὀργῇ, περιωβρίσθαι νομίζων. ἕτερόν τε Σκύθην, ὄνομα Σοβάδακον, ἐνέφηγε τῷ Μιθριδάτῃ βουλεύειν ἐς Λεύκολλον αὐτομολίαν. Σοβάδακος μὲν δὴ συνελαμβάνετο,

[80] Λεύκολλος δὲ τὴν κάθοδον τὴν ἐς τὸ πεδῖον ἱποκρατούντων τῶν πολεμίων ἐκτρεπόμενος, καὶ περίοδον ἐτέραν οὐχ ὁρῶν, ἠῦρεν ἐν σπηλαίῳ κυνηγὸν ὀρεῖων ἀτραπῶν ἐπιστήμονα, ᾧ χρώμενος ἡγεμόνι κατὰ ὁδοὺς ἀτριβεῖς περιῆλθεν ὑπὲρ κεφαλῆς τοῦ Μιθριδάτου, καὶ κατῆι μὲν ἐκκλίνας καὶ τότε τὸ πεδῖον διὰ τοὺς ἵππους, χαράδραν δὲ ὕδατος ἐν προβολῇ θέμενος ἐστρατοπέδευσεν. ἀπορῶν δ' ἀγορᾶς ἐς Καππαδοκίαν ἔπεμπεν ἐπὶ σῖτον, καὶ ἐς τοὺς πολεμίους ἡκροβολίζετο, μέχρι, φευγόντων ποτὲ τῶν βασιλικῶν, ὁ Μιθριδάτης ἀπὸ τοῦ χάρακος ἐπιδραμών καὶ ἐπιπλήξας ἐπέστρεφεν αὐτούς,

καὶ Ῥωμαῖους οὕτω κατεφόβησεν ὥς ἄνω διὰ τῶν ὁρῶν φεύγοντας οὐδ' ἀποστάντων αἰσθέσθαι τῶν πολεμίων ἐς πολὺ, ἀλλ' ἕκαστον ἡγείσθαι τὸν συμφεύγοντά οἱ καὶ ἐπιόντα ὅπισθεν εἶναι πολέμιον· οὕτω πάνυ κατεπεπλήγεσαν. καὶ ὁ Μιθριδάτης περὶ τῆσδε τῆς νίκης πανταχοῦ γράφων περιέπεμπεν. τῶν δ' ἱππέων πολὺ μέρος, καὶ μάλιστα δὴ τὸ μαχιμώτατον, ἐφεδρεύειν ἔταξε τοῖς ἐκ τῆς Καππαδοκίας τὴν ἀγορὰν τῷ Λευκόλλῳ φέρουσιν, ἐλπίζων ἐν ἀπορίᾳ τροφῶν αὐτὸν γενόμενον πείσεσθαι οἷον αὐτὸς ἔπαθε περὶ Κύζικον.

[81] καὶ τὸ μὲν ἐνθύμημα μέγα ἦν, ἀποκλείσαι τροφῶν Λεύκολλον, ἐκ μόνης ἔχοντα Καππαδοκίας· οἱ δ' ἱππεῖς οἱ βασιλέως τοῖς προδρόμοις τῶν σιτοφόρων ἐν στενῷ περιτυχόντες, καὶ οὐκ ἀναμείναντες ἐς εὐρυχωρίαν προελθεῖν, ἀχρεῖον ὥς ἐν στενῷ σφίσι τὴν ἵππον ἐποίησαν. ἐν ᾧ καὶ Ῥωμαῖοι φθάσαντες ἐξ ὁδοιπορίας ἐς μάχην παρασκευάσασθαι, τοὺς μὲν ἔκτειναν τῶν βασιλικῶν, βοηθούσης οἷα πεζοῖς τῆς δυσχωρίας, τοὺς δὲ ἐς τὰς πέτρας κατήραξαν, τοὺς δὲ διέρριψαν ὑποφεύγοντας. ὀλίγοι δὲ νυκτὸς ἐς τὸ στρατόπεδον διαδραμόντες τε καὶ μόνοι περιγενέσθαι λέγοντες, μέγα ὄν σφίσι τὸ συμβὰν μειζόνως διεθρόησαν. Μιθριδάτης δ' αὐτὸ πρὸ τοῦ Λευκόλλου πυθόμενός τε, καὶ Λεύκολλον ἐλπίσας ἐπὶ τοσσηδε ἱππέων ἀπωλείᾳ αὐτίκα οἱ προσπεσεῖσθαι, φυγὴν ὑπ' ἐκπλήξεως ἐπενόει, καὶ τότε τοῖς φίλοις εὐθὺς ἐξέφερεν ἐν τῇ σκηνῇ. οἱ δέ, πρὶν τι γενέσθαι παράγγελμα, νυκτὸς ἔτι, σπουδῇ τὰ ἴδια ἕκαστος ἐξέπεμπεν ἐκ τοῦ στρατοπέδου· καὶ ὠθουμένων περὶ τὰς πύλας σκευοφόρων πολὺ πλῆθος ἦν. ὅπερ ἡ στρατιὰ θεωμένη καὶ τοὺς φέροντας ἐπιγινώσκουσα, καὶ τοπάζουσα πολλὰ ἀτοπώτερα, σὺν δέει, καὶ ἀγανακτήσει τοῦ μηδὲν αὐτοῖς ἐπηγγέλθαι, τὸν χάρακα σφῶν ἐπιδραμόντες ἔλυνον, καὶ διέφευγον ὥς ἐκ πεδίου πάντοθεν ἀκόσμως, ὅπῃ δύναιτο ἕκαστος αὐτῶν, ἄνευ στρατηγοῦ καὶ ἐπιστάτου παραγγέλματος. ὣν ὁ Μιθριδάτης ὁξύτερόν τε καὶ σὺν ἀταξίᾳ γιγνομένων αἰσθόμενος, ἐξέδραμεν ἐκ τῆς σκηνῆς ἐς αὐτοὺς καὶ λέγειν τι ἐπεχειρεῖ, οὐδενὸς δ' ἑσakoύνοντος ἔτι, συνθλιβείς ὥς ἐν πλήθει κατέπεσε, καὶ ἐς τὸν ἵππον ἀναβληθεὶς ἐς τὰ ὄρη σὺν ὀλίγοις ἐφέρετο.

[82] Λεύκολλος δὲ τῆς περὶ τὴν ἀγορὰν εὐπραγίας πυθόμενος, καὶ τὴν φυγὴν τῶν πολεμίων ἰδὼν, ἐπὶ μὲν τοὺς ἐκφυγόντας ἔπεμπε διώκειν ἱππείας πολλούς, τοῖς δὲ συσκευαζομένοις ἔτι κατὰ τὸ στρατόπεδον τοὺς πεζοὺς περιστήσας ἐκέλευε μὴ διαρπάζειν ἐν τῷ τότε μηδέν, ἀλλὰ κτείνειν ἀφειδῶς. οἱ δὲ σκευὴ τε χρυσᾶ καὶ ἀργυρᾶ πολλὰ καὶ ἐσθῆτας πολυτελεῖς θεώμενοι ἐξέστησαν τοῦ παραγγέλματος. αὐτόν τε τὸν Μιθριδάτην οἱ καταλαμβάνοντες, ἡμίονόν τινα τῶν χρυσοφόρων ἐς τὸ σάγμα πατάξαντες, προπεσόντος τοῦ χρυσίου περὶ τότε γινόμενοι διαφυγεῖν ἐς Κόμανα περιεῖδον· ὅθεν ἐς Τιγράνην ἔφυγε σὺν ἱππεῦσι δισχιλίαις. ὁ δὲ αὐτὸν ἐς ὅψιν οὐ προσέμενος, ἐν χωρίοις ἐκέλευσε διαίτης βασιλικῆς ἀξιοῦσθαι, ὅτε δὴ καὶ μάλιστα τῆς ἀρχῆς ἀπογνοὺς ὁ Μιθριδάτης Βάκχον εὐνοῦχον ἔπεμπεν ἐς τὰ βασίλεια, τὰς ἀδελφὰς αὐτοῦ καὶ τὰς γυναῖκας καὶ παλλακάς, ὅπῃ δύναιτο, ἀνελούντα. αἱ μὲν δὴ διεφθείροντο ξίφεσι καὶ φαρμάκοις καὶ βρόχοις, δεινὰ ποιοῦσαι· ταῦτα δ' ὀρῶντες οἱ φρούραρχοι τοῦ Μιθριδάτου ἀθρόως ἐς τὸν

Λεύκολλον μετετίθεντο, χωρίς ὀλίγων. καὶ ὁ Λεύκολλος αὐτοὺς ἐπὶ καθίστατο, καὶ τὰς ἐπὶ τοῦ Πόντου πόλεις περιπλέων ἦρει, Ἄμαστρίν τε καὶ Ἡράκλειαν καὶ ἐτέρας.

[83] Σινώπη δ' ἀντεῖχεν ἔτι καρτερῶς, καὶ διεναυμάχησεν οὐ κακῶς. πολιορκούμενοι δὲ τὰς ναῦς τὰς βαρυτέρας σφῶν διέπρησαν, καὶ ἐς τὰς κουφοτέρας ἐμβάντες ἀπέδρασαν. Λεύκολλος δὲ τὴν πόλιν εὐθὺς ἐλευθέραν ἠφίει δι' ἐνύπνιον, ὃ τοιόνδε ἦν. Αὐτόλυκόν φασιν, ἐπὶ τὰς Ἀμαζόνας Ἡρακλεῖ συστρατεύοντα, ὑπὸ χειμῶνος ἐς Σινώπην καταχθῆναι καὶ τῆς πόλεως κρατῆσαι: ἀνδριάς τε σεβάσμιος τοῖς Σινωπεῦσιν ἔχρα, ὃν οἱ μὲν Σινωπεῖς οὐ φθάσαντες ἐς φυγὴν ἐπαγαγέσθαι, ὀθόναις καὶ καλωδίοις περιέδησαν: οὐδὲν δ' ὁ Λεύκολλος εἰδὼς οὐδὲ προμαθῶν ἔδοξεν ὑπ' αὐτοῦ κληθεὶς ὄρᾶν αὐτόν, καὶ τῆς ἐπιούσης τὸν ἀνδριάντα τινῶν περιβεβλημένον παραφερόντων ἐκλῦσαι κελεύσας, εἶδεν οἶον ἔδοξε νυκτὸς ἑωρακέναι. τὸ μὲν δὴ ἐνύπνιον τοιόνδε ἦν, Λεύκολλος δὲ καὶ Ἀμισὸν ἐπὶ τῇ Σινώπῃ συνώκιζεν, ἐκφυγόντων μὲν ὁμοίως τῶν Ἀμισέων διὰ θαλάσσης, πυνθανόμενος δ' ὑπ' Ἀθηναίων αὐτοὺς θαλασσοκρατούντων συνφοκίσθαι, καὶ δημοκρατία χρησαμένους ἐπὶ πολὺ τοῖς Περσικοῖς βασιλεῦσιν ὑπακοῦσαι, ἀναγαγόντος δ' αὐτοὺς ἐς τὴν δημοκρατίαν ἐκ προστάγματος Ἀλεξάνδρου πάλιν δουλεῦσαι τοῖς Ποντικοῖς. ἐφ' οἷς ἄρα συμπαθῆς ὁ Λεύκολλος γενόμενός τε, καὶ φιλοτιμούμενός γε καὶ ὅδε ἐπὶ Ἀλεξάνδρῳ περὶ γένος Ἀττικόν, αὐτόνομον ἠφίει τὴν πόλιν καὶ τοὺς Ἀμισέας κατὰ τάχος συνεκάλει. ὧδε μὲν δὴ Σινώπην καὶ Ἀμισὸν Λεύκολλος ἐπόρθει τε καὶ συνώκιζε, καὶ Μαχάρη τῷ παιδί τῷ Μιθριδάτου, Βοσπόρου τε βασιλεύοντι καὶ στέφανόν οἱ πέμψαντι ἀπὸ χρυσοῦ, φιλίαν συνέθετο, Μιθριδάτην δ' ἐξῆτει παρὰ Τιγράνους. καὶ ἐς τὴν Ἀσίαν αὐτὸς ἐπανελθὼν, ὀφείλουσαν ἔτι τῶν Συλλείων ἐπιβολῶν, τέταρτα μὲν ἐπὶ τοῖς καρποῖς, τέλη δ' ἐπὶ τοῖς θεράπουσι καὶ ταῖς οἰκίαις ὥριζεν. καὶ ἐπινίκια ἔθυεν ὡς δὴ τὸν πόλεμον κατωρθωκώς.

[84] ἐπὶ δὲ ταῖς θυσίαις ἐπὶ τὸν Τιγράνην, οὐκ ἐκδιδόντα οἱ τὸν Μιθριδάτην, ἐστράτεψε σὺν δύο τέλεσιν ἐπιλέκτοις καὶ ἱππεῦσι πεντακοσίοις. καὶ τὸν Εὐφράτην περάσας, μόνα τὰ χρήσιμα τοὺς βαρβάρους αἰτῶν διώδευεν: οἱ γὰρ ἄνδρες οὐκ ἐπολέμουν, οὐδ' ἠξίουσαν τι πάσχειν, ἔστε Λεύκολλον καὶ Τιγράνην ἐπ' ἀλλήλοις διακριθῆναι. Τιγράνη δ' οὐδεὶς ἐμήνυνεν ἐπὶόντα Λεύκολλον: ὁ γάρ τοι πρῶτος εἰπὼν ἐκεκρέμαστο ὑπ' αὐτοῦ, συνταράσσειν αὐτόν τὰς πόλεις νομίσαντος. ὡς δὲ ποτε ἦσθετο, Μιθροβαρζάνην προὔπεμπε μετὰ δισχιλίων ἱππέων, Λεύκολλον ἐπισχεῖν τοῦ δρόμου. Μαγκαίῳ δὲ Τιγρανόκερτα φυλάττειν ἐπέτρεψε, ἣν τινα πόλιν, ὥς μοι προείρηται, ἐπὶ τιμῇ τῇ ἑαυτοῦ βασιλεὺς ἐν ἐκείνῳ γενέσθαι τῷ χωρίῳ συνώκιζε, καὶ τοὺς ἀρίστους ἐς αὐτὴν συνεκάλει, ζημίαν ἐπιτιθεῖς, ὅσα μὴ μεταφέρειεν, δεδημεῦσθαι. τείχη τε αὐτοῖς περιέβαλε πεντηκονταπῆχη τὸ ὕψος, ἱπποστασίων ἐν τῷ βάθει γέμοντα, καὶ βασιλεία καὶ παραδείσους κατὰ τὸ προάστειον ἐποίει μακροῦς, καὶ κυνηγέσια πολλὰ καὶ λίμνας: ἀγχοῦ δὲ καὶ φρούριον ἀνίστη καρτερόν. καὶ πάντα τότε Μαγκαίῳ ταῦτ' ἐπιτρέψας, περιήει στρατιὰν ἀγείρων. Μιθροβαρζάνην μὲν οὖν ὁ Λεύκολλος εὐθὺς ἐκ τῆς πρώτης συμβολῆς τρεψάμενος ἐδίωκε, Μαγκαίον δὲ Σεξτίλιος ἐς

Τιγρανόκερτα κατακλείσας τὰ μὲν βασίλεια αὐτίκα, ἀτείχιστα ὄντα, διήρπασε, τὴν δὲ πόλιν καὶ τὸ φρούριον ἀπετάφρευε, καὶ μηχανὰς ἐφίστη, καὶ ὑπονόμοις ἀνεκρήμνη τὸ τεῖχος.

[85] καὶ Σεξτίλιος μὲν ἀμφὶ ταῦτα ἐγίγνετο, Τιγράνης δέ, πεζῶν ἐς πέντε καὶ εἴκοσι μυριάδας ἀγείρας καὶ ἰππείας ἐς πεντακισμυρίους, προὔπεμψεν αὐτῶν ἐς Τιγρανόκερτα περὶ ἐξακισχιλίους, οἱ διὰ μέσων Ῥωμαίων ἐς τὸ φρούριον ὡσάμενοί τε καὶ τὰς παλλακὰς τοῦ βασιλέως ἐξαρπάσαντες ἐπανῆλθον. τῷ δὲ λοιπῷ στρατῷ Τιγράνης αὐτὸς ἤλανεν ἐπὶ Λεύκολλον. καὶ αὐτῷ τότε πρῶτον Μιθριδάτης ἐς ὄψιν ἐλθὼν συνεβούλευε μὴ συμπλέκεσθαι Ῥωμαίοις, ἀλλὰ τῷ ἱππικῷ μόνῳ περιτρέχοντα καὶ τὴν γῆν λυμαινόμενον ἐς λιμὸν αὐτοῦς, εἰ δύναιτο, περικλείσαι, ᾧ τρόπῳ καὶ αὐτὸς ὑπὸ Λευκόλλου περὶ Κύζικον ἀμαχὶ κάμινων τὸν στρατὸν ἀπολέσαι. ὁ δὲ γελάσας αὐτοῦ τὴν στρατηγίαν, προῆει συνεσκευασμένος ἐς μάχην· καὶ τὴν Ῥωμαίων ὀλιγότητα ἰδὼν ἐπέσκωπεν οὕτως· ‘εἰ μὲν πρέσβεις εἰσὶν οἶδε, πολλοί, εἰ δὲ πολέμιοι, ἀάμπαν ὀλίγοι.’ Λεύκολλος δὲ λόφον εὐκαιρον ἰδὼν ὀπισθεν τοῦ Τιγράνου, τοὺς μὲν ἰππείας ἐκ μετώπου προσέτασεν ἐνοχλεῖν αὐτῷ καὶ περισπᾶν ἐφ’ ἑαυτοὺς καὶ ὑποχωρεῖν ἐκόντας, ἵνα τῶν βαρβάρων διωκόντων ἡ τάξις παραλυθῇ· τοῖς δὲ πεζοῖς αὐτὸς ἐς τὸν λόφον περιοδεύσας ἀνῆει λαθὼν. καὶ ὡς εἶδε τοὺς πολεμίους ὑπὸ τῆς διώξεως οἷα νικῶντας ἐς πολλὰ διεσκεδασμένους, τὰ δὲ σκευοφόρα αὐτῶν πάντα ὑποκείμενα, ἀνεβόησε· ‘νικῶμεν, ὦ ἄνδρες,’ καὶ ἐπὶ τὰ σκευοφόρα πρῶτος ἵετο δρόμῳ. τὰ δὲ αὐτίκα σὺν θορυβῷ φεύγοντα τοῖς πεζοῖς ἐνέπιπτε, καὶ τοῖς ἰππεῦσιν οἱ πεζοί. τροπὴ τε ἦν εὐθὺς ὀλοσχερής· οἱ τε γὰρ ἐν τῇ διώξει μακρὰν ἀπεσπασμένοι τῶν Ῥωμαϊκῶν ἰππέων ἐπιστρεψάντων ἐς αὐτοὺς ἀπώλλυντο, καὶ τὰ σκευοφόρα τοῖς ἄλλοις ἐνέπιπτεν ὡς ἐνοχλούμενα. πάντων τε ὡς ἐν τοσῷδε πλήθει θλιβομένων, καὶ τὸ ἀκριβὲς οὐκ εἰδόντων, ὁπόθεν ἡ ἥσσα αὐτοῖς ἄρχοιτο, πολὺς ἦν φόνος, οὐδενὸς σκυλεύοντος οὐδέν· ἀπηγόρευτο γὰρ ἐκ Λευκόλλου μετ’ ἀπειλῆς, ὥστε καὶ ψέλια καὶ περιανχένια παροδεύοντες ἔκτεινον ἐπὶ σταδίους ἑκατὸν καὶ εἴκοσιν, ἔστε νῦν ἐπέλαβε. τότε δ’ ἀναστρέφοντες ἐσκύλευον· ἐδίδου γὰρ ὁ Λεύκολλος ἤδη.

[86] γιγνομένην δὲ τὴν ἥτταν ὁ Μαγκαῖος ἐφορῶν ἀπὸ Τιγρανοκέρτων, τοὺς Ἕλληνας, οἱ ἐμισθοφόρουσαν αὐτῷ, πάντας ἐξώπλισεν ὑποπτεύων· οἱ σύλληψιν δεδιότες, ἀθρόοι σκυτάλας ἔχοντες ἐβάδιζόν τε καὶ ηὔλιζοντο. Μαγκαίου δὲ τοὺς βαρβάρους ἐπάγοντος αὐτοῖς ὠπλισμένους, διαδησάμενοι τὰ ἱμάτια ταῖς λαιαῖς ἀντὶ ἀσπίδων, μετὰ τόλμης ἐσέδραμον ἐς αὐτούς· καὶ ὅσους ἀνέλοιεν, εὐθὺς ἐμερίζοντο τὰ ὅπλα. ὡς δὲ ἐκ τῶν δυνατῶν εἶχον αὐτάρκως, μεσοπύργιά τινα κατέλαβον, καὶ Ῥωμαίους ἐξωθεν ἐκάλουν τε καὶ ἀναβαίνοντας ἐδέχοντο. οὕτω μὲν ἐάλω Τιγρανόκερτα, καὶ πλοῦτος διηρπάζετο πολὺς, οἷα πόλεως νεοκατασκευοῦ, φιλοτίμως συνωκισμένης.

[87] Τιγράνης δὲ καὶ Μιθριδάτης στρατὸν ἄλλον ἡθροίζον περσιόντες, οὗ τὴν στρατηγίαν ἐπετέτραπτο Μιθριδάτης, ἡγουμένου Τιγράνου αὐτῷ γεγονέναι τὰ παθήματα διδάγματα. ἔπεμπον δὲ καὶ ἐς τὸν Παρθυαῖον, ἐπικουρεῖν σφίσι παρακαλοῦντες. ἀντιπρεσβεύοντος δὲ Λευκόλλου, καὶ ἀξιοῦντος ἢ οἷς συμμαχεῖν ἢ ἀμφοτέροις ἐκστῆναι τοῦ ἀγῶνος, ὁ μὲν κρύφα συντιθέμενος

ἐκατέροις, οὐκ ἔφθασεν οὐδετέροις ἀμύναι, ὁ δὲ Μιθριδάτης ὄπλα τε εἰργάζετο κατὰ πόλιν ἐκάστην, καὶ ἐστρατολόγει σχεδὸν ἅπαντας Ἀρμένιους. ἐπιλεξάμενος δ' αὐτῶν τοὺς ἀρίστους, ἐς ἐπτακισμυρίους πεζοὺς καὶ ἵππεας ἡμίσεας, τοὺς μὲν ἄλλους ἀπέλυσε, τοὺς δ' ἐς Ἰλας τε καὶ σπεύρας ἀγχοτάτω τῆς Ἰταλικῆς συντάξεως καταλέγων Ποντικοῖς ἀνδράσι γυμνάζειν παρεδίδου. προσιόντος δ' αὐτοῖς τοῦ Λευκόλλου, ὁ μὲν Μιθριδάτης τὸ πεζὸν ἅπαν καὶ μέρος τι τῶν ἵππεων ἐπὶ λόφου συνεῖχε, τῇ λοιπῇ δ' ἵππῳ Τιγράνης τοῖς σιτολογοῦσι Ῥωμαίοις περιπεσὼν ἡσᾶτο. καὶ μᾶλλον ἀδεῶς ἀπὸ τοῦδε οἱ Ῥωμαῖοι πλησίον αὐτοῦ Μιθριδάτου ἐσιτολόγουν τε καὶ ἐστρατοπέδευον. κονιορτὸς δ' αὖθις ἠγείρετο πολὺς ὥς ἐπιόντος τοῦ Τιγράνου: καὶ τὸ ἐνθύμημα ἦν ἐν μέσῳ Λεύκολλον ἀμφοῖν γενέσθαι. ὁ δ' αἰσθόμενος τοὺς μὲν ἀρίστους τῶν ἵππεων προῦπεμψε πορρωτάτω συμπλέκεσθαι τῷ Τιγρᾷ καὶ καλύειν αὐτὸν ἐξ ὁδοιορίας ἐς τάξιν καθίστασθαι, αὐτὸς δὲ τὸν Μιθριδάτην προκαλούμενος ἐς μάχην ... καὶ περιταφρεύων οὐκ ἠρέθιζεν, ἕως χειμῶν ἐπιπεσὼν διέλυσε τὸ ἔργον ἅπασιν.

[88] καὶ Τιγρᾷ μὲν ἐξ ὅλης Ἀρμενίας ἐς τὰ ἐντὸς ἀνεξεύγνυνεν, ὁ δὲ Μιθριδάτης ἐς τὸν Πόντον ἐπὶ τὰ λοιπὰ τῆς ἰδίας ἀρχῆς ἠπείγετο, τετρακισχιλίους οἰκείους ἔχων, καὶ τοσοῦσδε ἐτέρους παρὰ Τιγράνου λαβών. ἐφείπετο δ' αὐτῷ καὶ ὁ Λεύκολλος, ἀναξευγνὺς καὶ ὅδε διὰ τὴν ἀπορίαν. φθάσας δ' αὐτὸν ὁ Μιθριδάτης ἐπέθετο Φαβίῳ τῷ δεῦρο ἐκ Λευκόλλου στρατηγεῖν ὑπολελειμμένῳ, καὶ τρεψάμενος αὐτὸν ἔκτεινε πεντακοσίους. ἐλευθερώσαντος δὲ τοῦ Φαβίου θεράποντας ὅσοι ἦσαν ἐν τῷ στρατοπέδῳ, καὶ δι' ὅλης ἡμέρας αὖθις ἀγωνιζομένου, παλίντροπος ἦν ὁ ἀγὼν, μέχρι τὸν Μιθριδάτην, πληγέντα λίθῳ τε ἐς τὸ γόνυ καὶ ὑπὸ τὸν ὀφθαλμὸν βέλει, κατὰ σπουδὴν ἀποκομισθῆναι, καὶ πολλὰς ἡμέρας τοὺς μὲν φόβῳ τοῦ βασιλέως τῆς σωτηρίας, τοὺς δὲ ὑπὸ πλήθους τραυμάτων ἡρεμῆσαι. Μιθριδάτην μὲν οὖν ἐθεράπευον Ἄγαροι, Σκυθικὸν ἔθνος, ἰοῖς ὄφεων ἐς τὰς θεραπείας χρώμενοι καὶ ἐπὶ τῷδε αἰεὶ βασιλεῖ συνόντες: Φαβίῳ δὲ Τριάριος, ἕτερος Λευκόλλου στρατηγός, ἐπελθὼν μετ' οἰκείου στρατοῦ, τὴν τε ἀρχὴν παρὰ τοῦ Φαβίου καὶ τὸ ἀξίωμα παρελαμβάνεν. καὶ μετ' οὐ πολὺ χωροῦντων ἐς μάχην αὐτοῦ τε καὶ Μιθριδάτου, πνεῦμα, οἷον οὐκ ἐμνημονεύετο γενέσθαι, τὰς τε σκηνὰς ἀμφοτέρων διέρριψε καὶ τὰ ὑποζύγια παρέσυρε καὶ τῶν ἀνδρῶν ἔστιν οὓς κατεκρήμνισεν.

[89] καὶ τότε μὲν ἀνεχώρουν ἑκάτεροι, ἀπαγγελλομένου δὲ Λευκόλλου προσιέναι, προλαβεῖν τὸ ἔργον ὁ Τριάριος ἐπειγόμενος ἔτι νυκτὸς ἐπεχειρεῖ ταῖς Μιθριδάτου προφυλακαῖς. ἰσομάχου δ' ἐς πολὺ τοῦ ἀγῶνος ὄντος, ὁ βασιλεὺς ἐς τὸ καθ' αὐτὸν μέρος ἐπιβαρήσας ἔκρινε τὴν μάχην, καὶ διασπᾶσας τοὺς πολεμίους τὸ πεζὸν αὐτῶν κατέκλεισεν ἐς δώρυχα πηλοῦ, ἔνθα διεφθείροντο στήναι μὴ δυνάμενοι. τοὺς δ' ἵππεας ἀνὰ τὸ πεδῖον ἐδίωκεν, ἐκθύμως τῇ φορᾷ τῆς εὐτυχίας καταχρώμενος, ἔστε τις αὐτὸν Ῥωμαῖος λοχαγός, οἷα θεράπων αὐτῷ συντροχάζων, ἐς τὸν μηρὸν ἐπάταξε ξίφει πληγὴν βαθεῖαν, οὐκ ἐλπίσας ἐς τὰ νῶτα διὰ τοῦ θώρακος ἐφίξεσθαι. καὶ τόνδε μὲν εὐθὺς οἱ πλησίον συνέκοπτον, ὁ δὲ Μιθριδάτης ἀπεφέρετο ὀπίσω, καὶ οἱ φίλοι τὴν στρατιὰν ἀπὸ νίκης λαμπρᾶς ἀνεκάλουν σὺν ἐπείξει βαρεῖα.

ἐνέπιπτε δὲ τοῖς μαχομένοις ἐπὶ τῷ παραλόγῳ τῆς ἀνακλήσεως θόρυβός τε καὶ ἀπορία, μὴ τι δεινὸν ἐτέρωθεν εἶη, μέχρι μαθόντες εὐθὺς ἐν τῷ πεδίῳ τὸ σῶμα περίσταντο καὶ ἐθορύβουν, ἕως Τιμόθεος αὐτοῖς ὁ ἰατρός, ἐπισχὼν τὸ αἶμα, ἐπέδειξεν αὐτὸν ἐκ μετεώρου, οἷόν τι καὶ Μακεδόσιν ἐν Ἰνδοῖς, ὑπὲρ Ἀλεξάνδρου δεδιόσιν, ὁ Ἀλέξανδρος αὐτὸν ἐπὶ νεῷς θεραπευόμενον ἐπέδειξεν. ὁ δὲ Μιθριδάτης ὡς ἀνήνεγκεν, αὐτίκα τοῖς ἀνακαλέσασιν ἐκ τῆς μάχης κατεμέμφετο, καὶ τὸν στρατὸν αὐτῆς ἡμέρας ἦγεν αὐθις ἐπὶ τὸ Ῥωμαίων στρατόπεδον. οἱ δὲ καὶ ἐκ τοῦδε ἐπεφεύγесαν ἤδη σὺν δέει. σκυλευομένων δὲ τῶν νεκρῶν ἐφαίνοντο χιλίαρχοι μὲν εἴκοσι καὶ τέσσαρες, ἐκατόνταρχοι δὲ πεντήκοντα καὶ ἑκατόν, ὅσον ἡγεμόνων πλῆθος οὐ ῥαδίως συνέπεσε Ῥωμαίοις ἐν ἡττῇ μιᾷ.

[90] ὁ δὲ Μιθριδάτης ἐς Ἀρμενίαν, ἣν δὴ νῦν Ῥωμαῖοι βραχυτέραν Ἀρμενίαν καλοῦσιν, ἀνεξεύγνυ, τὰ μὲν εὐκόμιστα πάντα σιτολογῶν, τὰ δὲ δυσχερῇ διαφθείρων τε καὶ Λεύκολλον ἐπιόντα προαφαιρούμενος. καὶ τις ἀνὴρ Ῥωμαῖος, ἀπὸ βουλῆς, Ἀττίδιος ὄνομα, διὰ δίκην φυγὼν ἐκ τῆς πατρίδος ἐς Μιθριδάτην πρὸ πολλοῦ καὶ φιλίας ἀξιούμενος, ἐάλω τότε ἐπιβουλευὼν αὐτῷ. καὶ τόνδε μὲν ὁ βασιλεὺς οὐ δικαῶν βασανίσαι, Ῥωμαίων ποτὲ βουλευτὴν γενόμενον, ἔκτεινε, τοὺς δὲ συναμαρτόντας ἠκίσατο δεινῶς. ἀπελεύθεροι δ' ὅσοι τῷ Ἀττιδίῳ συνεγνώκεσαν, ἀπαθεῖς ἀφῆκεν ὡς δεσπότη διακονησαμένους. Λευκόλλου δ' ἤδη τῷ Μιθριδάτῃ παραστρατοπεδεύοντος, ὁ τῆς Ἀσίας στρατηγὸς περιπέμπων ἐκήρυσσε Ῥωμαίους ἐπικαλεῖν Λευκόλλῳ πέρα τοῦ δέοντος πολεμοῦντι, καὶ τοὺς ὑπ' αὐτῷ τῆς στρατείας ἀφιέναι, καὶ τῶν οὐ πειθομένων τὰ ὄντα δημεύσειν. ὧν ἐξαγγελθέντων ὁ στρατὸς αὐτίκα διελύετο, χωρὶς ὀλίγων. ὅσοι πάνυ πένητες ὄντες καὶ τὴν ζημίαν οὐ δεδιότες τῷ Λευκόλλῳ παρέμενον.

[91] ὧδε μὲν δὴ καὶ ὁ Λευκόλλου πρὸς Μιθριδάτην πόλεμος ἐς οὐδὲν βέβαιον οὐδὲ κεκριμένον τέλος ἔληξεν: ἀφισταμένης γὰρ τῆς Ἰταλίας ἐνοχλούμενοι, καὶ ληστευομένης τῆς θαλάσσης λιμῷ πιεζόμενοι, οὐκ ἐν καιρῷ σφίσιν ἡγοῦντο πολεμεῖν ἄλλον τοσόνδε πόλεμον, πρὶν τὰ ἐνοχλοῦντα διαθέσθαι. ὧν καὶ ὁ Μιθριδάτης αἰσθανόμενος ἐς Καππαδοκίαν ἐσέβαλε καὶ τὴν ἰδίαν ἀρχὴν ὠχύρου. καὶ τάδε αὐτὸν πράσσοντα οἱ Ῥωμαῖοι περιεώρων ἐφ' ὅσον αὐτοῖς ἡ θάλασσα ἐκαθαίρετο. ὡς δ' ἐκεκάθαρτο καὶ ὁ καθήρας Πομπήιος ἔτι ἦν ἐν Ἀσίᾳ, τὸν Μιθριδάτειον πόλεμον ἀνελάμβανον αὐτίκα, καὶ ἐπέστελλον καὶ τοῦδε τῷ Πομπηίῳ στρατηγῆσαι. διό μοι δοκεῖ μέρος ὄντα τῆς Πομπηίου στρατείας τὰ περὶ τὴν θάλασσαν αὐτῷ πρὸ Μιθριδάτου κατειργασμένα, καὶ ἐς οὐδεμίαν συγγραφὴν οἰκειάν ἄλλην ἀπαντῶντα, ἐς τότε τὸ μέρος συναγαγεῖν τε καὶ ἐπιδραμεῖν, ὡς ἐγένετο.

[92] Μιθριδάτης ὅτε πρῶτον Ῥωμαίοις ἐπολέμει καὶ τῆς Ἀσίας ἐκράτει, Σύλλα περὶ τὴν Ἑλλάδα πονούμενου, ἡγούμενος οὐκ ἐς πολὺν καθέξειν τῆς Ἀσίας, τὰ τε ἄλλα, ὥς μοι προείρηται, πάντα ἐλυμαίνετο, καὶ ἐς τὴν θάλασσαν πειρατὰς καθῆκεν, οἱ τὸ μὲν πρῶτον ὀλίγοις σκάφεσι καὶ μικροῖς οἷα λησταὶ περιπλέοντες ἐλύπουν, ὡς δὲ ὁ πόλεμος ἐμηκύνετο, πλέονες ἐγίγνοντο καὶ ναυσὶ μεγάλας ἐπέπλεον. γευσάμενοι δὲ κερδῶν μεγάλων, οὐδ' ἥττωμένον καὶ σπενδομένου τοῦ Μιθριδάτου καὶ ἀναχωροῦντος ἔτι ἐπαύοντο: οἱ γὰρ

βίου καὶ πατρίδων διὰ τὸν πόλεμον ἀφηρημένοι, καὶ ἐς ἀπορίαν ἐμπεσόντες ἄθροαν, ἀντὶ τῆς γῆς ἐκαρποῦντο τὴν θάλασσαν, μυοπάρωσι πρῶτον καὶ ἡμιολίαις, εἶτα δικρότοις καὶ τριήρεσι κατὰ μέρη περιπλέοντες, ἡγουμένων ληστάρχων οἷα πολέμου στρατηγῶν. ἐς τε ἀτειχίστους πόλεις ἐμπίπτοντες, καὶ ἐτέρων τὰ τεῖχη διορῦττοντες ἢ κόπτοντες ἢ πολιορκία λαμβάνοντες, ἐσύλων· καὶ τοὺς ἄνδρας, οἷς τι πλεόν εἴη, ἐς ναυλοχίαν ἐπὶ λύτροις ἀπῆγον. καὶ τάδε τὰ λήμματα, ἀδοξοῦντες ἤδη τὸ τῶν ληστῶν ὄνομα, μισθοὺς ἐκάλουν στρατιωτικούς. χειροτέχνας τε εἶχον ἐπ' ἔργοις δεδεμένους, καὶ ὕλην ξύλου καὶ χαλκοῦ καὶ σιδήρου συμφέροντες οὐποτε ἐπαύοντο· ἐπαιρόμενοι γὰρ ὑπὸ τοῦ κέρδους, καὶ τὸ ληστεύειν οὐκ ἐγνωκότες ἔτι μεθεῖναι, βασιλεῦσι δ' ἤδη καὶ τυράννοις ἢ στρατοπέδοις μεγάλους ἑαυτοὺς ὁμοιοῦντες, καὶ νομίζοντες, ὅτε συνέλθοιεν ἐς τὸ αὐτὸ πάντες, ἅμαχοι γενήσεσθαι, ναῦς τε καὶ ὄπλα πάντα ἐτεκταίνοντο, μάλιστα περὶ τὴν τραχεῖαν λεγομένην Κιλικίαν, ἣν κοινὸν σφῶν ὕφορμον ἢ στρατόπεδον ἐτίθεντο εἶναι, φρούρια μὲν καὶ ἄκρας καὶ νήσους ἐρήμους καὶ ναυλοχίας ἔχοντες πολλαχοῦ, κυριωτάτας δὲ ἀφέσεις ἡγούμενοι τὰς περὶ τήνδε τὴν Κιλικίαν, τραχεῖαν τε καὶ ἀλίμενον οὖσαν καὶ κορυφαῖς μεγάλαις ἐξέχουσαν. ὅθεν δὴ καὶ πάντες ὀνόματι κοινῷ Κίλικες ἐκαλοῦντο, ἀρξαμένου μὲν ἴσως τοῦ κακοῦ παρὰ τῶν Τραχεωτῶν Κιλικῶν, συνεπιλαβόντων δὲ Σύρων τε καὶ Κυπρίων καὶ Παμφύλων καὶ τῶν Ποντικῶν καὶ σχεδὸν ἀπάντων τῶν ἐφ' ἔθνων οἱ πολλοὶ καὶ χρονίου σφίσιν ὄντος τοῦ Μιθριδατείου πολέμου ὁρᾶν τι μᾶλλον ἢ ἀσχεῖν αἰρούμενοι τὴν θάλασσαν ἀντὶ τῆς γῆς ἐπελέγοντο,

[93] ὥστε πολλαὶ τάχιστα αὐτῶν μυριάδες ἦσαν, καὶ οὐ μόνης ἔτι τῆς ἐφ' ἑαυτῶν θαλάσσης ἐκράτουν, ἀλλὰ καὶ τῆς ἐντὸς Ἡρακλείων στηλῶν ἀπάσης· καὶ γὰρ τινες ἤδη Ῥωμαίων στρατηγούς ναυμαχίᾳ ἐνενίκηκεσαν, ἄλλους τε καὶ τὸν τῆς Σικελίας περὶ αὐτῇ Σικελίᾳ. ἅπλωτά τε ἤδη πάντα ἦν, καὶ ἡ γῆ τῶν ἔργων ἐνδεὴς διὰ τὴν ἀνεπιμιξίαν. ἢ τε πόλις ἢ Ῥωμαίων ἦσθετο μάλιστα τοῦ κακοῦ, τῶν τε ὑπηκόων σφίσι καμνόντων, καὶ αὐτοὶ διὰ πλῆθος ἴδιον ἐπιπόνως λιμώττοντες. τὸ δ' ἔργον αὐτοῖς ἐφαίνετο μέγα καὶ δυσχερές, ἐξελεῖν τοσάδε στρατόπεδα ἀνδρῶν ναυτικῶν, μεμερισμένα μὲν ἐς πᾶσαν ἐν κύκλῳ γῆν καὶ θάλασσαν, κοῦφα δὲ ταῖς κατασκευαῖς ἐς τὸ ὑποφεύγειν, οὐκ ἐκ πατρίδων ἢ φανερᾶς χώρας ὀρμώμενα, οὐδ' οἰκεῖον οὐδὲν ἢ ἴδιον ἀλλ' αἰεὶ τὸ προστυχὸν ἔχοντα. ὥστε πολὺς ὢν ὁ τοῦδε τοῦ πολέμου παράλογος, ἔννομον οὐδὲν ἔχοντος οὐδὲ βέβαιον οὐδὲ φανερόν, ἀμηχανίαν ὁμοῦ καὶ φόβον εἰργάζετο. Μουρήνας τε ἐγχειρήσας αὐτοῖς οὐδὲν ἐξείργαστο μέγα. ἀλλ' οὐδὲ Σερουίλιος Ἰσαυρικός ἐπὶ τῷ Μουρήνᾳ, ἀλλ' ἤδη καὶ τῆς γῆς τῆς Ἰταλικῆς τοῖς παραλίοις, ἀμφὶ τε τὸ Βρεντέσιον καὶ τὴν Τυρρηνίαν, ἐπέβαινον οἱ λησταὶ σὺν καταφρονήσει, καὶ γύναια παροδεύοντα τῶν εὐπατρίδων καὶ δύο στρατηγούς αὐτοῖς σημείους συνηρπάκεσαν.

[94] ὧν οὕτε τὴν βλάβην οὕτε τὴν αἰσχύνην ἔτι φέροντες οἱ Ῥωμαῖοι τὸν τότε σφῶν ἐπὶ δόξης ὄντα μεγίστης Γναῖον Πομπήιον αἰροῦνται νόμφ στρατηγὸν ἐπὶ τριετὲς αὐτοκράτορα εἶναι θαλάσσης τε ἀπάσης ἢ στηλῶν Ἡρακλείων ἐντός ἐστι, καὶ γῆς ἀπὸ θαλάσσης ἐπὶ σταδίους τετρακοσίους ἄνω. βασιλεῦσί τε καὶ δυνάσταις καὶ ἔθνεσι καὶ πόλεσι πάσαις ἐπέστελλον ἐς

πάντα συλλαμβάνειν τῷ Πομπηίῳ, καὶ αὐτῷ στρατιὰν καταλέγειν ἔδοσαν καὶ χρήματα ἀγείρειν. συνέπεμψαν δὲ καὶ παρὰ σφῶν στρατὸν πολὺν ἐκ καταλόγου, καὶ ναῦς ὅσας εἶχον, καὶ χρημάτων ἐς ἑξακισχίλια τάλαντα Ἀττικά. οὕτω μέγα καὶ δυσεργές ἡγοῦντο εἶναι τοσῶνδε κρατῆσαι στρατοπέδων, ἐν τοσῇδε θαλάσῃ καὶ μυχοῖς τοσοῖσδε διαλανθανόντων τε εὐμαρῶς καὶ ὑποχωρούντων ῥαδίως καὶ ἐμπιπτόντων αὐθις ἀφανῶς. ἀνὴρ τε οὐδεὶς πω πρὸ τοῦ Πομπηίου ἐπὶ τοσῇδε ἀρχὴν αἰρεθεὶς ὑπὸ Ῥωμαίων ἐξέπλευσεν, ᾧ στρατιὰ μὲν αὐτίκα ἦν ἐν δώδεκα μυριάσι πεζῶν καὶ ἱππεῖς τετρακισχίλιοι, νῆες δὲ σὺν ἡμιολίαις ἑβδομήκοντα καὶ διακόσiai, ὑπηρεταὶ δ' ἀπὸ τῆς βουλῆς, οὓς καλοῦσι πρεσβευτάς, πέντε καὶ εἴκοσι· οἷς ὁ Πομπήιος ἐπιδήρει τὴν θάλασσαν, καὶ ναῦς ἐδίδου καὶ ἱππείας ἐκάστω καὶ στρατὸν πεζόν, καὶ στρατηγίας σημεῖα περικεῖσθαι, ἵν' αὐτοκράτωρ ἐντελὴς οὗ πιστεύοιτο μέρους ἕκαστος ὑπάρχοι, αὐτὸς δ', οἷα δὴ βασιλεὺς βασιλέων, αὐτοὺς περιθείοι καὶ ἐφορῇ μένοντας ἐφ' ὧν ἐτάχθησαν, μηδὲ μεταδιώκων τοὺς ληστὰς περιφέροιο ἐξ ἔργων ἀτελῶν ἔτι ὄντων ἐς ἕτερα, ἀλλ' εἶεν οἱ πανταχόθεν αὐτοῖς ἀπαντῶντές τε καὶ τὰς ἐς ἀλλήλους διαδρομάς ἀποκλείοντες.

[95] οὕτω διαθεὶς ὁ Πομπήιος ἅπαντα, ἐπέστησεν Ἰβηρίᾳ μὲν καὶ ταῖς Ἡρακλείοις στήλαις Τιβέριον Νέρωνα καὶ Μάλλιον Τορκουάτον, ἀμφὶ δὲ τὴν Λιγυστικὴν τε καὶ Κελτικὴν θάλασσαν Μάρκον Πομπώνιον, Λιβύῃ δὲ καὶ Σαρδόνι καὶ Κύρνῳ, καὶ ὅσαι πλησίον νῆσοι, Λέντλον τε Μαρκελλῖνον καὶ Πόπλιον Ἀτίλιον, περὶ δὲ αὐτὴν Ἰταλίαν Λεύκιον Γέλλιον καὶ Γναῖον Λέντλον. Σικελίαν δὲ καὶ τὸν Ἴονιον ἐφύλασσον αὐτῷ Πλώτιος τε Οὐᾶρος καὶ Τερέντιος Οὐάρρων μέχρι Ἀκαρνανίας, Πελοπόννησον δὲ καὶ τὴν Ἀττικὴν, ἔτι δ' Εὐβοίαν καὶ Θεσσαλίαν καὶ Μακεδονίαν καὶ Βοιωτίαν Λεύκιος Σισινῶς, τὰς δὲ νήσους καὶ τὸ Αἰγαῖον ἅπαν καὶ τὸν Ἑλλήσποντον ἐπ' ἐκείνῳ Λεύκιος Λόλλιος, Βιθυνίαν δὲ καὶ Θράκην καὶ τὴν Προποντίδα καὶ τὸ τοῦ Πόντου στόμα Πούπλιος Πείσων, Λυκίαν δὲ καὶ Παμφυλίαν καὶ Κύπρον καὶ Φοινίκην Μέτελλος Νέπων. ὧδε μὲν αὐτῷ διετετάχατο οἱ στρατηγοὶ ἐπιχειρεῖν τε καὶ ἀμύνεσθαι, καὶ φυλάσσειν τὰ τεταγμένα, καὶ τοὺς παρ' ἀλλήλων ἐκφεύγοντας ὑπολαμβάνειν, ἵνα μὴ διώκοντες ἀφίσταντο μακράν, μηδὲ ὡς ἐν δρόμῳ περιφέροιντο, καὶ χρόνιον εἴη τὸ ἔργον, αὐτὸς δ' ἅπαντας ἐπέπλει. καὶ τὰ ἐς δύσιν πρῶτα ἡμέραις τεσσαράκοντα ἐπιδὼν ἐς Ῥώμην παρῆλθεν. ὅθεν ἐς Βρεντέσιον, καὶ ἐκ Βρεντεσίου τοσῶδε διαστήματι τὴν ἑω περιπλεύσας, ἐξέπληξεν ἅπαντας τάχει τε ἐπίπλου καὶ μεγέθει παρασκευῆς καὶ φόβῳ δόξης, ὥστε τοὺς ληστὰς ἐλπίσαντας αὐτῷ προεπιχειρήσειν, ἢ οὐκ εὐμαρές γε τὸ κατὰ σφῶν ἔργον ἀποδείξειν, δέισαντας εὐθὺς τῶν τε πόλεων ἃς ἐπολιόρκουν ἐξαναχθῆναι, καὶ ἐς τὰς συνήθεις ἄκρας καὶ ναυλοχίας ὑποφεύγειν, καὶ Πομπηίῳ τὴν μὲν θάλασσαν αὐτίκα ἀμαχί κεκαθάρθαι, τοὺς δὲ ληστὰς ὑπὸ τῶν στρατηγῶν ἀλίσκεσθαι πανταχοῦ κατὰ μέρη.

[96] αὐτὸς δὲ ἐς Κιλικίαν ἠπείγετο μετὰ ποικίλου στρατοῦ καὶ μηχανημάτων πολλῶν, ἐλπίσας παντοίας μάχης καὶ πολιορκίας αὐτῷ δεῖσιν ἐπὶ ἄκρας ἀποκρήμνους. οὐδενὸς δὲ ἐδέησε: τὸ γὰρ κλέος αὐτοῦ καὶ τὴν παρασκευὴν οἱ λησταὶ καταπλαγέντες, καὶ ἐλπίσαντες, εἰ μὴ διὰ μάχης ἔλθοιεν, τεύξεσθαι

φιλανθρώπου, πρῶτοι μὲν οἱ Κράγον καὶ Ἀντίκραγον εἶχον, φρούρια μέγιστα, μετὰ δ' ἐκείνους οἱ ὄρειοι Κίλικες καὶ ἐφεξῆς ἅπαντες ἑαυτοὺς ἐνεχείρισαν, ὅπλα τε ὁμοῦ πολλά, τὰ μὲν ἔτοιμα τὰ δὲ χαλκευόμενα, παρέδωκαν, καὶ ναῦς τὰς μὲν ἔτι πηγνυμένας τὰς δ' ἤδη πλεούσας, χαλκόν τε καὶ σίδηρον ἐς ταῦτα συνενηνεγμένον καὶ ὀθόνας καὶ κάλως καὶ ὕλην ποικίλην, αἰχμαλώτων τε πλῆθος, τῶν μὲν ἐπὶ λύτροις τῶν δὲ ἐπὶ ἔργοις δεδεμένων. ὣν ὁ Πομπήιος τὴν μὲν ὕλην ἐνέπρησε, τὰς δὲ ναῦς ἀπήγαγε, τοὺς δ' αἰχμαλώτους ἐς τὰς πατρίδας ἀφῆκε· καὶ πολλοὶ κενοτάφια σφῶν κατέλαβον ὥς ἐπὶ νεκροῖς γενόμενα. τοὺς δὲ πειρατὰς οἱ μάλιστα ἐδόκουν οὐχ ὑπὸ μοχθηρίας ἀλλ' ἀπορία βίου διὰ τὸν πόλεμον ἐπὶ ταῦτα ἐλθεῖν, ἐς Μαλλὸν καὶ Ἄδανα καὶ Ἐπιφάνειαν, ἢ εἴ τι ἄλλο πόλισμα ἔρημον ἢ ὀλιγάνθρωπον ἦν τῆσδε τῆς τραχείας Κιλικίας, συνώκιζε· τοὺς δὲ τινὰς αὐτῶν καὶ ἐς Δύμην τῆς Ἀχαΐας ἐξέπεμπεν. ὧδε μὲν ὁ ληστρικός πόλεμος, χαλεπώτατος ἔσεσθαι νομισθεὶς, ὀλιγήμερος ἐγένετο τῷ Πομπηίῳ· καὶ ναῦς ἔλαβε τὰς μὲν ἀλούσας μίαν καὶ ἑβδομήκοντα, τὰς δὲ ὑπ' αὐτῶν παραδοθείσας ἑξ καὶ τριακοσίας, πόλεις δὲ καὶ φρούρια καὶ ὀρμητήρια ἄλλα αὐτῶν ἐς εἴκοσι καὶ ἑκατόν. λησταὶ δ' ἀνηρέθησαν ἐν ταῖς μάχαις ἀμφὶ τοὺς μυρίους.

[97] ἐπὶ δὴ τούτοις ὀξέως τε οὕτω καὶ παραδόξως γενομένοις οἱ Ῥωμαῖοι τὸν Πομπήιον μέγα ἐπαίροντες, ἔτι ὄντα περὶ Κιλικίαν εἵλοντο τοῦ πρὸς Μιθριδάτην πολέμου στρατηγὸν ἐπὶ τῆς ὁμοίας ἐξουσίας, αὐτοκράτορα ὄντα, ὅπη θέλοι, συντίθεσθαι τε καὶ πολεμεῖν, καὶ φίλους ἢ πολεμίους Ῥωμαίοις οὕς δοκιμάσειε ποιεῖσθαι· στρατιᾶς τε πάσης, ὅση πέραν ἐστὶ τῆς Ἰταλίας, ἄρχειν ἔδωκαν. ἅπερ οὐδενὶ πῶ παντάπασι πρὸ τοῦδε ὁμοῦ πάντα ἐδόθη. καὶ ἴσως αὐτὸν καὶ διὰ τὰδε μέγαν ὀνομάζουσιν· ὁ γάρ τοι πόλεμος ὁ τοῦ Μιθριδάτου καὶ ὑπὸ τῶν προτέρων στρατηγῶν ἐξήνυστο ἤδη.

Πομπήιος μὲν οὖν εὐθὺς ἐκ τῆς Ἀσίας στρατὸν ἀγείρας μετεστρατοπέδευσεν ἐπὶ τοὺς ὄρους τοῦ Μιθριδάτου· Μιθριδάτῃ δὲ ἦν ἐπιλέκτος οἰκεῖος στρατός, τρισμῦριοι πεζοὶ καὶ ἰππεῖς τρισχίλιοι, καὶ προῦκάθητο τῆς χώρας. ἄρτι δ' αὐτὴν Λευκόλλου διεφθαρκότος ἀπόρως εἶχεν ἀγορᾶς· ὅθεν αὐτομολίαις ἐπετίθεντο πολλοί. καὶ τούσδε μὲν ὁ Μιθριδάτης ἐρευνώμενος ἐκρήμνη καὶ ὀφθαλμοὺς ἀνώρυττε καὶ ἔκαιεν. καὶ τὰ μὲν τῶν αὐτομολῶν ἦσσαν ἠνώχλει διὰ φόβον τῶν κολάσεων, ἐπέτριβε δ' ἡ ἀπορία.

[98] πρέσβεις οὖν ἐς Πομπήιον πέμψας ἡξίου μαθεῖν, τίς ἂν εἴη τοῦ πολέμου διάλυσις, ὁ δ' 'ἐὰν τοὺς αὐτομόλους ἡμῖν παραδῶς' ἔφη, 'καὶ σεαυτὸν ἡμῖν ἐπιτρέψῃς.' ὣν ὁ Μιθριδάτης πυθόμενος τοῖς αὐτομόλοις τὸ περὶ αὐτῶν ἔφρασε, καὶ δεδιότας ὁρῶν ὤμοσεν ὅτι οἱ τὰ πρὸς Ῥωμαίους ἐστὶν ἄσπονδα διὰ τὴν πλεονεξίαν αὐτῶν, καὶ οὐκ ἐκδώσει τινά, οὐδὲ πράξει ποτὲ ὃ μὴ κοινῇ πᾶσι συνοίσει. ὁ μὲν δὴ ὧδε εἶπεν, ὁ δὲ Πομπήιος ἐνέδραν ποι καθεὶς ἰππέων, ἐτέρους ἔπεμπεν ἐκ φανεροῦ τοῖς προφύλαξι τοῦ βασιλεῶς ἐνοχλεῖν· καὶ εἴρητο αὐτοῖς ... ἐρεθίζειν καὶ ὑποφεύγειν ὥσπερ ἡττωμένους, ... ἔστε περ οἱ ἐκ τῆς ἐνέδρας περιλαβόντες αὐτοὺς ἐτρέψαντο. καὶ φεύγουσι τάχ' ἂν καὶ ἐς τὸ στρατόπεδον συνεσεπήδησαν, εἰ μὴ δείσας ὁ βασιλεὺς προήγαγε τὸ πεζόν. οἱ δ' ἀπεχώρουν. καὶ τέλος ἦν τοῦτο τῇ πρώτῃ Πομπηίου καὶ Μιθριδάτου πεῖρα ἐς ἀλλήλους καὶ ἵππομαχίαν.

[99] ἐνοχλούμενος δ' ὑπὸ τῆς ἀπορίας ὁ βασιλεὺς ἄκων ὑπεχώρει, καὶ ἐσεδέχετο Πομπήιον ἐς τὴν ἑαυτοῦ, ἐλπίζων καθήμενον ἐν τῇδε τῇ διεφθαρμένῃ κακοπαθήσειν. ὁ δὲ ἀγορὰν μὲν ἐπακτὸν ἐκ τῶν ὀπισθεν εἶχε, περιελθὼν δὲ τὰ πρὸς ἔω τοῦ Μιθριδάτου, καὶ φρουρία αὐτῷ καὶ στρατόπεδα πολλὰ ἐς ἑκατὸν καὶ πεντήκοντα σταδίους περιθεις ἀπετάφρευε τοῦ μὴ σιτολογεῖν αὐτὸν ἔτι εὐμαρῶς. καὶ ὁ βασιλεὺς ἀποταφρεύοντι μὲν οὐκ ἐπετίθετο, εἴθ' ὑπὸ δέους εἴθ' ὑπ' ἀνοίας, ἢ νᾶσιν ἐγγίγνεται πλησιαζόντων τῶν κακῶν, κάμνων δ' αὖθις ἐξ ἀπορίας τὰ ὑποζύγια ὅσα εἶχε κατέκοπτε, τοὺς ἵππους μόνους περιποιούμενος, ἔστε μόλις ἐς πεντήκοντα διαρκέσας ἡμέρας νυκτὸς ἀπεδίδρασκε σὺν σιωπῇ βαθεῖαν δι' ὁδῶν δυσχερῶν. ὥς δὲ αὐτὸν μόλις ἡμέρας ὁ Πομπήιος καταλαβὼν εἶχετο τῶν ὑστάτων, ὁ μὲν καὶ τότε τῶν φίλων ἐκτάζει κελευόντων οὐκ ἐμάχετο, ἀλλὰ τοῖς ἰππεῦσι μόνοις τοὺς πλησιάζοντας ἀνακόπτων ἐσπέρας ἐν ὕλαις ἠϋλίστατο πυκναῖς. τῇ δ' ἐπιούσῃ χωρίον κατέλαβε περίκρημον, οὗ μία ἐς αὐτὸ ἄνοδος ἦν, καὶ τέσσαρες αὐτὴν σπεῖραι προϋφύλασσαν. ἀντεφύλασσαν δὲ καὶ Ῥωμαῖοι μὴ διαφυγεῖν Μιθριδάτην.

[100] ἅμα δ' ἡμέρᾳ τὸν μὲν στρατὸν αὐτῶν ὥπλιζεν ἐκάτερος, οἱ προφύλακες δ' ἀλλήλων κατὰ τὸ πρᾶνὲς ἀπεπειρῶντο· καὶ τινες ἰππεῖς τοῦ Μιθριδάτου χωρὶς τε τῶν ἵππων καὶ χωρὶς ἐπαγγέλματος ἐβοήθουν τοῖς σφετέροις προφύλαξιν. πλειόνων δὲ σφισι Ῥωμαίων ἰππέων ἐπιόντων, οἱ ἄνιπποι τῶν Μιθριδατείων οἶδε ἀθρόως ἐς τὸ στρατόπεδον ἀνεπήδων, ἀναβησόμενοί τε τοὺς ἵππους καὶ ἐξ ἴσου τοῖς ἐπιούσι Ῥωμαίοις συνοισόμενοι. κατιδόντες δ' αὐτοὺς οἱ ἄνω ἔτι ὀπλιζόμενοι σὺν δρόμῳ καὶ βοῇ προσθέοντας, καὶ τὸ γινόμενον οὐκ εἰδότες ἀλλὰ φεύγειν αὐτοὺς ὑπολαβόντες, ὥς εἰλημμένου σφῶν ἤδη καθ' ἐκάτερα τοῦ στρατοπέδου, τὰ

ὄπλα μεθέντες ἔφευγον. ἀδιεξόδου δ' ὄντος τοῦ χωρίου προσέπαιον ἀλλήλοις ἀναστρέφονοι, μέχρι καθήλαντο κατὰ τῶν κρημνῶν. οὕτω μὲν ἡ στρατιὰ τῇ Μιθριδάτῃ διὰ προπέτειαν τῶν ἄνευ προστάγματος τοῖς προμάχοις ἐπικουρεῖν ἐλομένων θορυβηθεῖσα διέφθαρτο, καὶ τὸ λοιπὸν ἔργον εὐκόλον ἦν τῷ Πομπηίῳ, κτείνοντι καὶ συλλαμβάνοντι ἀνόπλους ἔτι καὶ ἐν περικρήμῳ συγκεκλεισμένους. καὶ ἀνῆρέθησαν ἐς μυρίους, καὶ τὸ στρατόπεδον ὅλη τῇ παρασκευῇ κατελήφθη.

[101] Μιθριδάτης δὲ μετὰ τῶν ὑπασπιστῶν μόνων ὠσάμενος ἐς τὰ κατακρημνα καὶ διαφυγὼν ἐνέτυχέ τισιν ἱππεῦσι μισθοφόροις καὶ πεζοῖς ὡς τρισχιλίοις, οἱ εὐθὺς αὐτῷ συνείμοντο ἐς Σινόρηγα φρούριον, ἔνθα αὐτῷ χρήματα πολλὰ ἐσεσώρευτο· καὶ δωρεὰν καὶ μισθὸν ἐνιαυτοῦ τοῖς συμφυγοῦσι διέδωκεν. φέρων δ' ἐς ἐξακισχίλια τάλαντα ἐπὶ τὰς τοῦ Εὐφράτου πηγὰς ἠπείγετο ὡς ἐκείθεν ἐς Κόλχους περάσων. δρόμῳ δ' ἀπαύστῳ χρώμενος τὸν μὲν Εὐφράτην ὑπερῆλθεν ἡμέρᾳ μάλιστα τετάρτῃ, τρισὶ δ' ἄλλαις καθιστάμενος καὶ ὀπλίζων τοὺς συνόντας ἢ προσιόντας ἐς τὴν Χωτηνὴν Ἀρμενίαν ἐνέβαλεν, ἔνθα Χωτηνοὺς μὲν καὶ Ἰβήρας, κωλύοντας αὐτὸν βέλεσι καὶ σφενδόλαις, ἐλαύνων διῆλθεν ἐπὶ τὸν Ἀψαρον ποταμόν. Ἰβήρας δὲ τοὺς ἐν Ἀσίᾳ οἱ μὲν προγόνους οἱ δ' ἀποίκους ἡγοῦνται τῶν Εὐρωπαϊῶν Ἰβήρων, οἱ δὲ μόνον ὁμωνύμους· ἔθος γὰρ οὐδὲν ἦν ὅμοιον, ἢ γλῶσσα. Μιθριδάτης δ' ἐν Διοσκούροις χειμάζων, ἦν τινα πόλιν οἱ Κόλχοι σύμβολον ἡγοῦνται τῆς Διοσκούρων σὺν Ἀργοναύταις ἐπιδημίας, οὐδὲν σμικρόν, οὐδ' οἶον ἐν φυγῇ, διενοεῖτο, ἀλλὰ τὸν Πόντον ὅλον ἐν κύκλῳ καὶ Σκύθας ἐπὶ τῷ Πόντῳ καὶ τὴν Μαιώτιδα λίμνην ὑπερελθὼν ἐς Βόσπορον ἐμβαλεῖν, τὴν τε Μαχάρους τοῦ παιδὸς ἀρχήν, ἀχαρίστου περὶ αὐτὸν γενομένου, παραλαβὼν αὐθις ἐκ μετώπου Ῥωμαίοις γενέσθαι, καὶ πολεμεῖν ἐκ τῆς Εὐρώπης οὓσιν ἐν τῇ Ἀσίᾳ, τὸν πόρον ἐν μέσῳ θέμενος, ὃν κληθῆναι νομίζουσι Βόσπορον Ἰοῦς διανηξαμένης, ὅτε βοῦς γενομένη κατὰ ζηλοτυπίαν Ἰβήρας ἔφευγεν.

[102] ἐς τοσοῦτο παραδοξολογίας ἐπειγόμενος ὁ Μιθριδάτης ἐφικέσθαι ὅμως ἐπενόει, καὶ διώδευσεν ἔθνη Σκυθικὰ καὶ πολεμικὰ καὶ ἀλλότρια πείθων ἢ βιαζόμενος· οὕτω καὶ φεύγων καὶ ἀτυχῶν αἰδέσιμος ἔτι καὶ φοβερός ἦν. ἡνιόχους μὲν οὖν δεχομένους αὐτὸν παρῶδενεν, Ἀχαιοὺς δ' ἐτρέψατο διώκων· οὓς ἀπὸ Τροίας ἐπανιόντας φασὶν ἐς τὸν Πόντον ὑπὸ χειμῶνος ἐκπεσεῖν, καὶ πολλὰ παθεῖν ὡς Ἑλληνας ὑπὸ βαρβάρων, πέμψαντας δ' ἐπὶ ναῦς ἐς τὰς πατρίδας καὶ ὑπεροφθέντας μηνῖσαι τῷ Ἑλληνικῷ γένει, καὶ Σκυθικῶς ὅσους ἔλοιεν Ἑλλήνων καταθῆναι, πρῶτα μὲν ἅπαντας ὑπ' ὀργῆς, σὺν χρόνῳ δὲ τοὺς καλλίστους αὐτῶν μόνους, μετὰ δὲ τοὺς κληρουμένους. καὶ τότε μὲν περὶ Ἀχαιῶν τῶν Σκυθικῶν· ὁ δὲ Μιθριδάτης ἐς τὴν Μαιώτιν ἐμβαλὼν, ἥς εἰσὶ πολλοὶ δυνάσται, πάντων αὐτὸν κατὰ κλέος ἔργων τε καὶ ἀρχῆς, καὶ δυνάμεως ἔτι οἱ παρούσης ἀξιολόγου, δεχομένων τε καὶ παραπεμπόντων, καὶ δῶρα πολλὰ φερόντων καὶ κομιζομένων ἕτερα, ὁ δὲ καὶ συμμαχίαν αὐτοῖς ἐτίθετο, ἐπινοῶν ἕτερα καινότερα, διὰ Θράκης ἐς Μακεδονίαν καὶ διὰ Μακεδόνων ἐς Παίονας ἐμβαλὼν ὑπερελθεῖν ἐς τὴν Ἰταλίαν τὰ Ἀλπεῖα ὄρη· γάμους τε θυγατέρων ἐπὶ τῇδε τῇ συμμαχίᾳ τοῖς

δυνατωτέροις αὐτῶν ἡγγύα. Μαχάρης δ' αὐτὸν ὁ παῖς πυνθανόμενος ὁδόν τε τοσαύτην ὀλίγῳ χρόνῳ καὶ ἄγρια ἔθνη καὶ τὰ καλούμενα κλεῖθρα Σκυθῶν, οὐδενὶ πῶ γεγονότα περατά, διοδεῦσαι, πρέσβεις μὲν τινὰς ἐς αὐτὸν ἔπεμπεν ἀπολογησομένους ὥς ἀνάγκη θεραπεύσειε Ῥωμαίους, ὀργὴν δὲ ἄκρον εἰδὼς ἔφευγεν ἐς τὴν ἐν τῷ Πόντῳ χερρόνησον, τὰς ναῦς διαπρήσας, ἵνα μὴ διώξειεν αὐτὸν ὁ πατήρ. ἐτέρας δ' ἐπιπέμψαντος ἐκείνου, προλαβὼν ἑαυτὸν ἔκτεινεν. ὁ δὲ Μιθριδάτης αὐτοῦ τῶν φίλων οὓς μὲν αὐτὸς ἐς τὴν ἀρχὴν ἀπιόντι ἐδεδώκει, πάντας ἔκτεινε, τοὺς δὲ τοῦ παιδὸς ἀπαθεῖς ὥς ὑπηρετάς ἰδίου φίλου γενομένους ἀφῆκεν.

[103] καὶ τότε μὲν ἦν ἀμφὶ τὸν Μιθριδάτην, ὁ δὲ Πομπήιος αὐτὸν εὐθύς μὲν ἐπὶ τῇ φυγῇ μέχρι Κόλχων ἐδίωξε, μετὰ δέ, σὺν δαμὰ δόξας αὐτὸν οὔτε τὸν Πόντον οὔτε τὴν Μαιώτιδα λίμνην περιελεύσεσθαι, οὐδὲ μεγάλους ἔτι πράγμασιν ἐγχειρήσειν ἐκπεσόντα, τοὺς Κόλχους ἐπῆει καθ' ἱστορίαν τῆς Ἀργοναυτῶν καὶ Διοσκούρων καὶ Ἡρακλέους ἐπιδημίας, τὸ πάθος μάλιστα ἰδεῖν ἐθέλων ὁ Προμηθεὶ φασὶ γενέσθαι περὶ τὸ Καύκασον ὄρος. χρυσοφοροῦσι δ' ἐκ τοῦ Καυκάσου πηγαὶ πολλαὶ ψῆγμα ἀφανές· καὶ οἱ περίοικοι κώδια τιθέντες ἐς τὸ ῥεῦμα βαθύμαλλα, τὸ ψῆγμα ἐνισχύμενον αὐτοῖς ἐκλέγουσιν. καὶ τοιοῦτον ἦν ἴσως καὶ τὸ χρυσόμαλλον Αἰήτου δέρος. τὸν οὖν Πομπήιον ἐπὶ τῇ ἱστορίᾳ ἀνίοντα οἱ μὲν ἄλλοι παρέπεμπον, ὅσα ἔθνη γείτονα· Ὀροΐζης δ' ὁ τῶν Ἀλβανῶν βασιλεὺς καὶ Ἀρτώκης ὁ Ἰβήρων ἐπὶ ταῖς μυριάσιν ἐλόχων ἀμφὶ τὸν Κύρτον ποταμὸν, ὃς δώδεκα στόμασι πλωτοῖς ἐς τὴν Κασπίαν θάλασσαν ἐρεύγεται, πολλῶν ἐς αὐτὸν ἐμβαλόντων ποταμῶν, καὶ μεγίστου πάντων Ἀράξου. αἰσθόμενος δὲ τῆς ἐνέδρας ὁ Πομπήιος τὸν ποταμὸν ἐξεύγνυ, καὶ τοὺς βαρβάρους συνελάσας ἐς λόχμην βαθεῖαν ὕλομαχῆσαι δ' εἰσὶ δεινοί, κρυπτόμενοί τε καὶ ἐπιόντες ἀφανῶς· αὕτῃ λόχμῃ τὸν στρατὸν περιστήσας ἐνέπρησε, καὶ τοὺς ἐκφεύγοντας ἐδίωκεν, ἕως ἅπαντες ὀμηρὰ τε καὶ δῶρα ἤνεγκαν. καὶ ἐθριάμβευσεν ἐς Ῥώμην καὶ ἀπὸ τῶνδε. πολλὰ δὲ ἔν τε τοῖς ὁμήροις καὶ τοῖς αἰχμαλώτοις ἠυρέθησαν γυναῖκες, οὐ μείονα τῶν ἀνδρῶν τραύματα ἔχουσαι· καὶ ἐδόκουν Ἀμαζόνες εἶναι, εἴτε τι ἔθνος ἐστὶν αὐτοῖς γειτονεῦον αἱ Ἀμαζόνες, ἐπὶ κλητοὶ τότε ἐς συμμαχίαν γενόμενοι, εἴτε τινὰς πολεμικὰς ὅλως γυναῖκας οἱ τῇδε βάρβαροι καλοῦσιν Ἀμαζόνας.

[104] ἐπανίων δ' ἐντεῦθεν ὁ Πομπήιος ἐστράτευσεν ἐς Ἀρμενίαν, ἐγκλημα ἐς Τιγράνῃ τιθέμενος ὅτι συνεμάχει Μιθριδάτῃ· καὶ ἦν ἡδὴ περὶ Ἀρτάξατα τὴν βασιλείαν. Τιγράνῃ δὲ οὐκ ἔγνωστο μὲν πολεμεῖν ἔτι, παῖδες δ' ἐκ τῆς Μιθριδάτου θυγατρὸς αὐτῷ ἐγεγέννητο, ὧν δύο μὲν αὐτὸς ὁ Τιγράνης ἀνιρῆκει, τὸν μὲν ἐν μάχῃ, πολεμοῦντά οἱ, τὸν δ' ἐν κυνηγεσίῳ, αὐτοῦ πεσόντος ἀμελήσαντα καὶ τὸ διάδημα περιθέμενον ἔτι κειμένου. ὁ δὲ τρίτος, Τιγράνης, ἐν μὲν τοῖς κυνηγεσίῳ ὑπεραλγῆσας τοῦ πατρὸς ἐστεφάνωτο ὑπ' αὐτοῦ, μικρὸν δὲ διαλιπὼν ἀπέστη καὶ ὅδε, καὶ πολεμῶν τῷ πατρὶ καὶ ἡττώμενος ἐς Φραάτην ἐπεφεύγει τὸν Παρθυαίων βασιλέα, ἄρτι τὴν Σιντρίκου τοῦ πατρὸς ἀρχὴν διαδεδεγμένον. πλησιάσαντος δὲ τοῦ Πομπηίου κοινωσάμενος Φραάτῃ, συγχωροῦντός τι κάκεινον καὶ φιλίαν ἰδίαν ἐς τὸν Πομπήιον μνωμένου, κατέφυγεν ὁ παῖς ἰκέτης ἐς τὸν Πομπήιον, καὶ ταῦτα ὧν

Μιθριδάτου θυγατριδοῦς. ἀλλὰ μέγα δικαιοσύνης καὶ πίστεως κλέος ἦν τοῦ Πομπηίου παρὰ τοῖς βαρβάροις, ᾧ δὴ πίσυνος καὶ ὁ πατὴρ Τιγράνης οὐδ' ἐπικηρυκευσάμενος ἦει, τὰ τε ἄλλα πάντα ἑαυτὸν ἐπιτρέψας ἐς τὰ δίκαια Πομπηίῳ, καὶ κατηγορήσων τοῦ παιδὸς ἐπὶ Πομπηίου. χιλιάρχους δὲ αὐτῷ καὶ ἱπάρχους ἐπὶ τιμῇ κελεύσαντος ὑπαντᾶν τοῦ Πομπηίου, οἱ μὲν ὄντες ἀμφὶ τὸν Τιγρὰν τὸ ἀκήρυκτον τῆς ὁδοῦ δεδιότες ἔφευγον ὀπίσω, ὁ δὲ Τιγρὰνς ἦλθε, καὶ τὸν Πομπήιον ὡς κρεῖττον αὖ βαρβαρικῶς προσεκύνησεν. εἰσὶ δ' οἱ λέγουσιν ὑπὸ ῥαβδούχοις αὐτὸν ἄχθῆναι, μετὰπεμπτον ὑπὸ τοῦ Πομπηίου γενόμενον. ὁποτέρως δ' ἦλθεν, ἐξελογεῖτο περὶ τῶν γεγονότων, καὶ ἐδίδου Πομπηίῳ μὲν αὐτῷ τάλαντα ἑξακισχίλια, τῇ στρατιᾷ δὲ δραχμὰς πεντήκοντα ἐκάστω, καὶ λοχαγῷ χιλίας, καὶ χιλιάρχῳ μυρίας.

[105] καὶ ὁ Πομπήιος αὐτῷ συνεγίνωσκε τῶν γεγονότων καὶ συνήλασσε τῷ παιδί, καὶ διήτησε τὸν μὲν υἱὸν ἄρχειν τῆς Σωφηνῆς καὶ Γορδυνῆς, αἱ νῦν ἄρα εἰσὶν Ἀρμενία βραχυτέρα, τὸν δὲ πατέρα τῆς ἄλλης Ἀρμενίας ἐπὶ τῷδε τῷ παιδί κληρονόμῳ. τὴν δὲ ἐπὶκτητον αὐτὸν ἀρχὴν ἐκέλευεν ἤδη μεθεῖναι. καὶ μεθεῖ Συρίαν τὴν ἀπ' Εὐφράτου μέχρι τῆς θαλάσσης· εἶχε γὰρ δὴ καὶ τήνδε καὶ Κιλικίας τινὰ ὁ Τιγρὰνς, Ἀντίοχον ἐκβαλὼν τὸν εὐσεβῆ προσαγορευθέντα. Ἀρμενίων δ' ὅσοι τὸν Τιγρὰν πρὸς Πομπήιον ὁδεύοντα ἐγκατελελοίπεσαν, ἐν ὑποψία τοῦτ' ἔχοντες, τὸν παῖδα αὐτοῦ παρὰ τῷ Πομπηίῳ ἔτι ὄντα πείθουσιν ἐπιθέσθαι τῷ πατρί. καὶ ὁ μὲν ἐλήφθη καὶ ἐδέθη, καὶ μεταξὺ Παρθυαίους ἐρεθίζων ἐπὶ τὸν Πομπήιον ἐθριαμβεύθη καὶ ἀνῆρέθη· ὁ δὲ Πομπήιος ἐκτετελέσθαι οἱ τὸν πάντα πόλεμον ἡγούμενος, ᾧκιζε πόλιν ἔνθα τὴν μάχην ἐνίκα Μιθριδάτην, ἣ ἀπὸ τοῦ ἔργου Νικόπολις κληίζεται, καὶ ἔστιν Ἀρμενίας τῆς βραχυτέρας λεγομένης. Ἀριοβαρζάνη δ' ἀπεδίδου βασιλεύειν Καππαδοκίας, καὶ προσεπέδωκε Σωφηνὴν καὶ Γορδυνήν, ἃ τῷ παιδί ἐμεμέριστο τῷ Τιγράνου· καὶ στρατηγεῖται νῦν ἅμα τῇ Καππαδοκίᾳ καὶ τῷδε. ἔδωκε δὲ καὶ τῆς Κιλικίας πόλιν Καστάβαλα καὶ ἄλλας. Ἀριοβαρζάνης μὲν οὖν τὴν βασιλείαν ὅλην τῷ παιδί περιὼν ἐνεχείρισε. καὶ πολλὰ μεταβολὰι μέχρι Καίσαρος ἐγένοντο τοῦ Σεβαστοῦ, ἐφ' οὗ, καθάπερ τὰ λοιπά, καὶ ἦδε ἡ βασιλεία περιήλθεν ἐς στρατηγίαν.

[106] ὁ δὲ Πομπήιος καὶ τὸν Ταῦρον ὑπερελθὼν ἐπολέμησε μὲν Ἀντιόχῳ τῷ Κομμαγηνῷ, ἕως ἐς φιλίαν ὁ Ἀντίοχος αὐτῷ συνήλθεν, ἐπολέμησε δὲ καὶ Δαρείῳ τῷ Μήδῳ, μέχρι ἔφυγεν, εἴτε Ἀντιόχῳ συμμαχῶν εἴτε Τιγράνῃ πρότερον. ἐπολέμησε δὲ καὶ Ἀραπὶ τοῖς Ναβαταίοις, Ἀρέτα βασιλεύοντος αὐτῶν, καὶ Ἰουδαίοις, Ἀριστοβούλου τοῦ βασιλέως ἀποστάντος, ἕως εἵλεν Ἱεροσόλυμα τὴν ἀγιωτάτην αὐτοῖς πόλιν. καὶ Κιλικίας δὲ ὅσα οὐπω Ῥωμαίοις ὑπῆκουε, καὶ τὴν ἄλλην Συρίαν, ὅση τε περὶ Εὐφράτην ἐστὶ καὶ κοίλη καὶ Φοινίκη καὶ Παλαιστίνη λέγεται, καὶ τὴν Ἰδουμαίων καὶ Ἰτουραίων, καὶ ὅσα ἄλλα ὀνόματα Συρίας, ἐπιὼν ἀμαχί Ῥωμαίοις καθίστατο, ἐγκλημα μὲν οὐδὲν ἔχων ἐς Ἀντίοχον τὸν εὐσεβοῦς, παρόντα καὶ δεόμενον ὑπὲρ ἀρχῆς πατρῴας, ἡγούμενος δέ, Τιγράνῃ τὸν κρατήσαντα τοῦ Ἀντιόχου τῆς γῆς ἀπελάσας, Ῥωμαίοις αὐτὴν κατὰ τὸδε προσκεκτήσθαι. ταῦτα δ' αὐτῷ διοικουμένῳ πρέσβεις ἀφίκοντο Φραάτου καὶ Τιγράνου ἐς πόλεμον ἀλλήλοις συμπεσόντων, οἱ μὲν Τιγράνους ὡς φίλῳ συμμαχεῖν τὸν Πομπήιον ἀξιοῦντες,

οἱ δὲ τοῦ Παρθυαίου φιλίαν αὐτῷ πρὸς Ῥωμαίους τιθέμενοι. καὶ ὁ Πομπήιος οὐκ ἀζῶν Παρθυαίοις πολεμεῖν ἄνευ Ῥωμαίων ψηφίσματος, ἔπεμψεν ἀμφοτέροις διαλλακτάς.

[107] καὶ ὁ μὲν ἀμφὶ ταῦτα ἦν, Μιθριδάτῃ δὲ ἡ περίοδος ἦνυστο τοῦ Πόντου· καὶ Παντικάπαιον, ἐμπόριον Εὐρωπαϊῶν ἐπὶ τῆς ἐκβολῆς τοῦ Πόντου καταλαβὼν κτείνει τῶν υἱέων Ξιφάρην ἐπὶ τοῦ πόρου διὰ μητρὸς ἀμάρτημα τοιόνδε. φρούριον ἦν τι Μιθριδάτῃ, ἔνθα λανθάνοντες ὑπόγειοι θησαυροὶ πολλῶν σιδηροδέτων χαλκῶν πολλὰ χρήματα ἔκρυπτον. Στρατονίκη δέ, μία τῶν Μιθριδάτου παλλακῶν ἢ γυναικῶν, ἢ τοῦδε τοῦ φρουρίου τὴν ἐπιστήμην καὶ φυλακὴν ἐπετέτραπτο, περιόντος ἔτι τὸν Πόντον τοῦ Μιθριδάτου τὸ φρούριον ἐνεχείρισε τῷ Πομπηίῳ καὶ τοὺς θησαυροὺς ἀγνοουμένους ἐμήνυσεν, ἐπὶ συνθήκῃ μόνῃ τῇδε, ὅτι οἱ τὸν υἱὸν Ξιφάρην ὁ Πομπήιος, εἰ λάβοι, περισώσει. καὶ ὁ μὲν τοῖς χρήμασιν ἐπιτυχὼν ὑπέσχητο αὐτῇ τὸν Ξιφάρην καὶ ἐδεδώσει φέρεσθαι καὶ τὰ ἴδια· αἰσθόμενος δὲ τῶν γεγονότων ὁ Μιθριδάτης κτείνει τὸν Ξιφάρην ἐπὶ τοῦ πόρου, ἐφορώσης τῆς μητρὸς πέραθεν, καὶ ἐξέρριπεν ἄταφον. καὶ ὁ μὲν υἱοῦ κατεφρόνησεν ἐς ἀνίαν τῆς ἀμαρτούσης, καὶ πρέσβεις ἐς τὸν Πομπήιον, ἔτι περὶ Συρίαν ὄντα καὶ οὐκ αἰσθανόμενον αὐτοῦ παρόντος, ἔπεμψεν, οἱ τῆς πατρώας ἀρχῆς αὐτὸν Ῥωμαίοις τελέσειν φόρους ὑπισχνοῦντο· Πομπηίου δ' αὐτὸν ἐλθόντα δεῖσθαι τὸν Μιθριδάτην κελεύοντος, καθὰ καὶ Τιγράνης ἀφίκετο, τοῦτο μὲν οὐκ ἔφη ποτὲ ὑποστήσεσθαι, Μιθριδάτης γε ὢν, πέμψειν δὲ τῶν παίδων τινὰς καὶ φίλους. ἅμα δὲ ταῦτ' ἔλεγε, καὶ στρατιὰν ἀθρόως κατέλεγεν ἐλευθέρων τε καὶ δούλων, ὅπλα τε πολλὰ καὶ βέλη καὶ μηχανὰς ἐπήγνυ, φειδόμενος οὔτε τινὸς ὕλας οὔτε βοῶν ἀροτήρων ἐς τὰ νεῦρα, ἐσφοράς τε πᾶσιν ἐς τὰ βραχύτατα τῆς περιουσίας ἐπέγραφεν. οἱ δὲ ὑπηρέται τούτου πολλοὺς ἐνύβριζον, οὐκ αἰσθανομένου τοῦ Μιθριδάτου· νόσον γάρ τινα ἐλκῶδη τοῦ προσώπου νοσῶν ὑπὸ τριῶν εὐνούχων ἐθεραπεύετο καὶ ἐωρᾶτο.

[108] ὥς δ' ἔληγε τὸ πάθος, καὶ ὁ στρατὸς αὐτῷ ἀγίγηρτο ἤδη, ἐπίλεκτοι μὲν ἐξήκοντα σπεῖραι, ἀνὰ ἑξακοσίους ἄνδρας, πολλὺς δὲ καὶ ἄλλος ὄμιλος καὶ νῆες, καὶ χωρία ὅσα οἱ στρατηγοὶ παρὰ τὴν νόσον ἡρήκεσαν, ἐπέρα τοῦ στρατοῦ μέρος ἐς Φαναγόρειαν, ἕτερον ἐμπόριον ἐπὶ τοῦ στόματος, ὡς ἐκατέρωθεν ἔξων τὰς ἐσβολὰς, ἔτι Πομπηίου περὶ Συρίαν ὄντος. Κάστωρ δὲ Φαναγορεὺς ἠκισμένος ποτὲ ὑπὸ Τρύφωνος εὐνούχου βασιλικοῦ, τὸν Τρύφωνα ἐσιόντα κτείνει προσπεσών, καὶ τὸ πλῆθος ἐς ἐλευθερίαν συνεκάλει. οἱ δέ, καίπερ ἤδη τῆς ἀκροπόλεως ἐχομένης ὑπὸ Ἀρταφέρνης τε καὶ ἐτέρων υἱέων τοῦ Μιθριδάτου, ξύλα περιθέντες τὴν ἄκραν ἐνεπίμπρασαν, ἕως ὁ μὲν Ἀρταφέρνης καὶ Δαρεῖος καὶ Ξέρξης καὶ Ὁξάθρης καὶ Εὐπάτρα, παῖδες τοῦ Μιθριδάτου, δείσαντες ἐπὶ τῷ πυρὶ παρέδοσαν ἑαυτοὺς ἄγεσθαι. καὶ ἦν αὐτῶν Ἀρταφέρνης ἀμφὶ τεσσαράκοντα ἔτη μόνος, οἱ δὲ λοιποὶ παῖδες εὐμορφοί. Κλεοπάτρα δὲ ἀντεῖχεν, ἐτέρα παῖς τοῦ Μιθριδάτου· καὶ αὐτὴν ὁ πατὴρ ἀγάμενος τῆς εὐψυχίας, δίκροτα πολλὰ ἐπιπέμψας ἐξήρπασεν. ὅσα δὲ ἐγγὺς ἦν φρούρια, ἀρτίληπτα τῷ Μιθριδάτῃ γενόμενα, πρὸς τὴν θερμουργίαν τῶν Φαναγορέων ἀφίστατο τοῦ Μιθριδάτου, Χερρόνησός τε καὶ Θεοδοσία καὶ Νύμφαιον, καὶ ὅσα ἄλλα περὶ τὸν Πόντον ἐστὶν εὐκαιρα ἐς πόλεμον. ὁ δὲ

[113] ὁ μὲν δὴ εὐπάτωρ τε καὶ Διόνυσος ἐπικληθεὶς Μιθριδάτης ὧδε ἐτελεύτα, καὶ Ῥωμαῖοι μαθόντες ἐώρταζον ὥς ἐχθροῦ δυσχεροῦς ἀπηλλαγμένοι: Φαρνάκης δὲ Πομπηίῳ τὸν νέκυν τοῦ πατρὸς ἐς Σινώπην ἐπὶ τριήρους ἔπεμπε, καὶ τοὺς Μάνιον ἐλόντας, ὁμηρὰ τε πολλὰ ὅσα ἦν Ἑλληνικά τε καὶ βαρβαρικά, δεόμενος ἢ τῆς πατρώας ἀρχῆς ἢ Βοσπόρου γε βασιλεύειν μόνου, ἦν τινα καὶ Μαχάρης ὁ ἀδελφὸς αὐτοῦ βασιλείαν παρὰ Μιθριδάτου παρειλήφει. Πομπηίος δ' ἐς μὲν τὸ σῶμα τοῦ Μιθριδάτου χορηγίαν ἔδωκε, καὶ θάψαι βασιλείῳ ταφῇ τοῖς θεραπευτῆρσιν αὐτοῦ προσέταξε, καὶ ἐν Σινώπῃ τοῖς βασιλείοις ἐνθέσθαι τάφοις, ἀγάμενος αὐτὸν τῆς μεγαλουργίας ὥς τῶν καθ' αὐτὸν βασιλέων ἄριστον: Φαρνάκην δὲ ἀπαλλάξαντα πόνου πολλοῦ τὴν Ἰταλίαν φίλον καὶ σύμμαχον Ῥωμαίοις ἐποίησατο, καὶ βασιλεύειν ἔδωκεν αὐτῷ Βοσπόρου, χωρὶς Φαναγορέων, οὓς ἐλευθέρους καὶ αὐτονόμους ἀφῆκεν, ὅτι πρῶτοι μάλιστα οἶδε ἀναρρωννυμένῳ τῷ Μιθριδάτῃ, καὶ ναῦς καὶ στρατὸν ἄλλον καὶ ὀρμητήρια ἔχοντι, ἐπεχείρησαν, ἡγεμόνες τε τοῖς ἄλλοις ἀποστάσεως ἐγένοντο, καὶ Μιθριδάτῃ καταλύσεως αἰτίοι.

[114] αὐτὸς δὲ ἐνὶ τῷδε πολέμῳ τά τε ληστήρια καθήρας καὶ βασιλέα καθελὼν μέγιστον, καὶ συνενεχθεὶς ἐς μάχας, ἄνευ τοῦ Ποντικοῦ πολέμου, Κόλχοις τε καὶ Ἀλβανοῖς καὶ Ἰβηρσι καὶ Ἀρμενίοις καὶ Μήδοις καὶ Ἀραβι καὶ Ἰουδαίοις καὶ ἐτέροις ἔθνεσιν ἐφόις, τὴν ἀρχὴν ὥρισατο Ῥωμαίοις μέχρι Αἰγύπτου. ἐς δὲ Αἴγυπτον αὐτὴν οὐ παρήλθε, καίτοι στασιάζουσιν ἐς τὸν βασιλέα, καὶ καλοῦντος αὐτὸν αὐτοῦ βασιλέως, καὶ πέμψαντος αὐτῷ δῶρα καὶ χρήματα καὶ ἐσθῆτας ἐς τὸν στρατὸν ἅπαντα, εἴτε δείσας μέγεθος ἀρχῆς

THE CIVIL WARS

Book 1

ΠΡΟΟΙΜΙΟΝ

Ῥωμαίοις ὁ δῆμος καὶ ἡ βουλὴ πολλάκις ἐς ἀλλήλους περὶ τε νόμων θέσεως καὶ χρεῶν ἀποκοπῆς ἢ γῆς διαδατουμένης ἢ ἐν ἀρχαιρεσίαις ἐστασίασαν: οὐ μὴν τι χειρῶν ἔργον ἔμφυλον ἦν, ἀλλὰ διαφοραὶ μόναι καὶ ἔριδες ἔννομοι, καὶ τάδε μετὰ πολλῆς αἰδοῦς εἰκόντες ἀλλήλοις διετίθεντο. ὁ δὲ δῆμός ποτε καὶ στρατευόμενος ἐς τοιάνδε ἔριν ἐμπεσὼν οὐκ ἐχρήσατο τοῖς ὅπλοις παροῦσιν, ἀλλ' ἐς τὸ ὄρος ἐκδραμών, τὸ ἀπὸ τοῦδε κληζόμενον ἱερόν, οὐδὲν οὐδὲ τότε χειρῶν ἔργον, ἀλλ' ἀρχὴν ἑαυτοῦ προστάτιν ἀπέφηνε καὶ ἐκάλεσε δημαρχίαν ἐς κώλυσιν μάλιστα τῶν ὑπάτων ἀπὸ τῆς βουλῆς αἰρουμένων μὴ ἐντελὲς αὐτοῖς ἐπὶ τῇ πολιτείᾳ τὸ κράτος εἶναι. ὅθεν δὴ καὶ μάλιστα δυσμενέστερον ἔτι καὶ φιλονεικότερον ἐς ἀλλήλας αἱ ἀρχαὶ διετίθεντο ἀπὸ τοῦδε, καὶ ἡ βουλὴ καὶ ὁ δῆμος ἐς αὐτὰς ἐμερίζετο ὥς ἐν ταῖς τῶνδε πλεονεξίαις ἑκάτεροι τῶν ἐτέρων ἐπικρατοῦντες. Μάρκιός τε ὁ Κοριοιανὸς ἐν ταῖσδε ταῖς ἔρισιν ἐξελαθεὶς παρὰ δίκην ἐς Οὐολούσκους ἔφυγε τε καὶ πόλεμον ἐπήγαγε τῇ πατρίδι.

[2] καὶ τοῦτο μόνον ἂν τις εὔροι τῶν πάλαι στάσεων ἔργον ἔνοπλον, καὶ τοῦθ' ὑπ' αὐτομόλου γενόμενον, ξίφος δὲ οὐδὲν πω παρενεχθὲν ἐς ἐκκλησίαν οὐδὲ φόνον ἔμφυλον, πρὶν γε Τιβέριος Γράκχος δημαρχῶν καὶ νόμους ἐσφέρων πρῶτος ὅδε ἐν στάσει ἀπώλετο καὶ ἐπ' αὐτῷ πολλοὶ κατὰ τὸ Καπιτώλιον εἰλούμενοι περὶ τὸν νεὼν ἀνηρέθησαν. καὶ οὐκ ἀνέσχον ἔτι αἱ στάσεις ἐπὶ τῷδε τῷ μύσει, διαιρουμένων ἑκάστοτε σαφῶς ἐπ' ἀλλήλοις καὶ ἐγχειρίδια πολλάκις φερόντων κτιννυμένης τέ τινος ἀρχῆς ἐκ διαστήματος ἐν ἱεροῖς ἢ ἐκκλησίαις ἢ ἀγοραῖς, δημάρχων ἢ στρατηγῶν ἢ ὑπάτων ἢ τῶν ἐς ταῦτα παραγγελλόντων ἢ τῶν ἄλλως ἐπιφανῶν. ὕβρις τε ἄκοσμος ἐπεῖχεν αἰεὶ δι' ὀλίγου καὶ νόμων καὶ δίκης αἰσχροὶ καταφρόνησις. προϊόντος δ' ἐς μέγα τοῦ κακοῦ, ἐπαναστάσεις ἐπὶ τὴν πολιτείαν φανεραὶ καὶ στρατεῖαι μεγάλαί καὶ βίαιοι κατὰ τῆς πατρίδος ἐγίνοντο φυγάδων ἀνδρῶν ἢ καταδίκων ἢ περὶ ἀρχῆς τιнос ἢ στρατοπέδου φιλονικούντων ἐς ἀλλήλους. δυναστεῖαί τε ἦσαν ἤδη κατὰ πολλὰ καὶ στασιάρχοι μοναρχικοί, οἱ μὲν οὐ μεθιέντες ἔτι τὰ πιστευθέντα σφίσιν ὑπὸ τοῦ δήμου στρατόπεδα, οἱ δὲ καὶ κατὰ σφᾶς ἄνευ τοῦ κοινοῦ κατ' ἀλλήλων ξενολογοῦντες. ὁπότεροι δ' αὐτῶν τὴν πόλιν προλάβοιεν, τοῖς ἐτέροις ἦν ὁ ἀγὼν λόγῳ μὲν ἐπὶ τοὺς ἀντιστασιώτας, ἔργῳ δ' ἐπὶ τὴν πατρίδα: ἐσέβαλλον γὰρ ὥς ἐς πολεμίαν, καὶ σφαγαὶ τῶν ἐν ποσὶν ἐγίνοντο νηλεεῖς καὶ ἄλλων ἐπὶ θανάτῳ προγραφαὶ καὶ φυγαὶ καὶ δημεύσεις, ἐνίων δὲ καὶ βάσανοι πάντων ἐπαχθεῖς.

[3] ἔργον τε οὐδὲν ἀηδὲς ἀπῆν, μέχρι τῶνδε τῶν στασιάρχων εἷς ἔτει πεντηκοστῷ μάλιστα ἀπὸ Γράκχου, Κορνήλιος Σύλλας, κακῷ τὸ κακὸν ἰώμενος μόναρχον αὐτὸν ἀπέφηνεν ἐπὶ πλεῖστον: οὗς δικτάτορας ἐκάλουν τε καὶ ἐπὶ ταῖς φοβερωτάταις χρεαῖς ἐξαμήνους τιθέμενοι ἐκ πολλοῦ διελελοίπεσαν. ὁ δὲ Σύλλας βίᾳ μὲν καὶ ἀνάγκῃ, λόγῳ δ' αἰρετός, ἐς αἰεὶ

δικτάτωρ γενόμενος ὁμος, ἐπεὶ τε ἐκορέσθη τῆς δυναστείας, πρῶτος ἀνδρῶν ὅδε μοι δοκεῖ θαρρῆσαι τυραννικὴν ἀρχὴν ἐκὼν ἀποθέσθαι καὶ ἐπειπεῖν, ὅτι καὶ τοῖς μεμφομένοις εὐθύνας ὑφέξει, ιδιώτης τε ὁρῶντων ἀπάντων ἐς πολὺ βαδίσαι κατ' ἀγορὰν καὶ ἐπανελθεῖν ἀπαθῆς οἴκαδε. τυσοῦτον ἦν ἄρα τοῖς ὁρῶσιν ἔτι τῆς ἀρχῆς αὐτοῦ δέος ἢ τῆς ἀποθέσεως κατὰπληξίς ἢ τῶν εὐθυνῶν τῆς ἐπαγγελίας αἰδῶς ἢ ἄλλη φιланθρωπία καὶ λογισμὸς ἐπὶ συμφέροντι τὴν τυραννίδα γενέσθαι.

ὥδε μὲν ἐπὶ βραχὺ ἔληξαν αἱ στάσεις ἐπὶ Σύλλα, καὶ κακῶν ἀντίδοσις ἦν ὧν ὁ Σύλλας εἰργάζετο: [4] μετὰ δὲ Σύλλαν αὖθις ὅμοια ἀνερριπίζετο, μέχρι Γάιος Καῖσαρ, αἰρετὴν ἀρχὴν ἐπὶ πολὺ δυναστεύων ἐν Γαλατία, τῆς βουλῆς αὐτὸν ἀποθέσθαι κελευούσης αἰτιώμενος οὐ τὴν βουλήν, ἀλλὰ Πομπήιον, ἐχθρὸν ὄντα οἱ καὶ στρατοῦ περὶ τὴν Ἰταλίαν ἡγούμενον, ὥς τῆς ἀρχῆς αὐτὸν ἐπιβουλεύοντα παραλύειν, προυτίθει προκλήσεις ἢ ἄμφω τὰ στρατεύματα ἔχειν ἐς τῆς ἐχθρας τὴν ἀφοβίαν ἢ καὶ Πομπήιον οὓς ἔχοι μεθέντα ιδιωτεύειν ὁμοίως ὑπὸ νόμοις. οὐ πείθων δ' ἐς οὐδέτερα ἐκ Γαλατίας ἤλαυνεν ἐπὶ τὸν Πομπήιον ἐς τὴν πατρίδα, ἐσβαλὼν τε ἐς αὐτὴν καὶ διώκων ἐκφυγόντα περὶ Θεσσαλίαν ἐνίκησε μεγάλην μάχην λαμπρῶς καὶ ἐδίωκεν ἐς Αἴγυπτον ὑποφεύγοντα. ἀναιρεθέντος δὲ Πομπηίου πρὸς ἀνδρῶν Αἰγυπτίων ἐπανῆλθεν ἐς Ῥώμην, ἔστιν ἃ καὶ περὶ Αἴγυπτον ἐργασάμενός τε καὶ ἐπιμείνας, μέχρι καταστήσαιο αὐτῇ τοὺς βασιλέας. στασιώτην τε μέγιστον, ᾧ διὰ μεγαλουργίαν πολεμικὴν Μέγας ἐπώνυμον ἦν, οὗτος δὴ μάλιστα πολέμου κράτει σαφῶς καθελὼν, οὐδενὸς αὐτῷ θαρροῦντος εἰς οὐδὲν ἔτι ἀντειπεῖν, δεύτερος ἐπὶ Σύλλα δικτάτωρ ἐς τὸ διηνεκὲς ἤρέθη: καὶ στάσεις αὖθις κατεπαύοντο πᾶσαι, ἔστε καὶ τόνδε Βροῦτος καὶ Κάσσιος ζήλω τε τῆς ἀρχῆς τοῦ μεγέθους καὶ πόθῳ τῆς πατρίου πολιτείας ἐν τῷ βουλευτηρίῳ κατέκανον, δημοτικώτατον καὶ ἐμπειρότατον ἀρχῆς γενόμενον. ὁ γέ τοι δημὸς αὐτὸν μάλιστα πάντων ἐπεπόθησε, καὶ τοὺς σφαγέας ἐζήτουν περιόντες καὶ τὸ σῶμα ἔθαψαν ἐν ἀγορᾷ μέση καὶ νεῶν ἐπωκοδόμησαν τῇ πυρᾷ καὶ θύουσιν ὡς θεῷ.

[5] αἱ δὲ στάσεις ἐπὶ τῷδε μάλιστα αὖθις ἐπανελθοῦσαί τε καὶ αὐξηθεῖσαι δυνατώτατα ἐς μέγα προῆλθον, καὶ φόνοι καὶ φυγαὶ καὶ ἐπὶ θανάτῳ προγραφαὶ βουλευτῶν τε καὶ τῶν καλουμένων ἱππέων, κατὰ πλῆθος ἀθρώως ἐκατέρων, ἐγίνοντο, τοὺς ἐχθροὺς ἀλλήλοις τῶν στασιωτῶν ἀντιπαρεχόντων καὶ ἐς τοῦτο ἀμελούντων καὶ φίλων καὶ ἀδελφῶν: τοσοῦτον ἐκράτει τῆς ἐς τὰ οἰκεῖα εὐνοίας ἢ ἐς τὰ ἀντίπαλα φιλονικία. προιόντες τε τὴν Ῥωμαίων ἀρχὴν ὡς ιδιωτικὸν σφῶν κτῆμα διενείμαντο ἐφ' ἑαυτῶν τρεῖς οἶδε ἄνδρες, Ἀντώνιος τε καὶ Λέπιδος καὶ ὅτῳ πρότερον μὲν Ὀκτάουιος ὄνομα ἦν, Καῖσαρι δὲ πρὸς γένους ὧν καὶ θετὸς ἐν διαθήκαις ὑπ' αὐτοῦ γενόμενος Καῖσαρ ἐκ τοῦδε μετωνομάζετο. ἐπὶ δὲ τῇ διαιρέσει τῇδε μετὰ βραχὺ συμπεσόντες, ὡς εἰκὸς ἦν, ἐς ἀλλήλους ὁ Καῖσαρ αὐτῶν συνέσει τε καὶ ἐμπειρία προύχων Λέπιδον μὲν πρότερον αὐτῶν ἦν ἐκεκλήρωτο Λιβύην, ἐπὶ δὲ τῷ Λεπίδῳ καὶ Ἀντώνιον πολέμῳ περὶ Ἄκτιον ἀφείλετο τὴν ἀπὸ Συρίας ἐπὶ κόλπον τὸν Ἰόνιον ἀρχήν. ἐπὶ τε τούτοις, μεγίστοις δὴ φανεῖσι καὶ ἐς ἐκπληξιν ἅπαντας ἐμβαλοῦσιν, εἴλε καὶ Αἴγυπτον ἐπιπλεύσας, ἢ χρονιωτάτη τε ἦν ἐς

[7] Ῥωμαῖοι τὴν Ἰταλίαν πολέμῳ κατὰ μέρη χειρούμενοι γῆς μέρος ἐλάμβανον καὶ πόλεις ἐνέγκιζον ἢ ἐς τὰς πρότερον οὔσας κληρούχους ἀπὸ σφῶν κατέλεγον. καὶ τάδε μὲν ἀντὶ φρουρίων ἐπενόουν, τῆς δὲ γῆς τῆς δορικτήτου σφίσιν ἐκάστοτε γιγνομένης τὴν μὲν ἐξειργασμένην αὐτίκα τοῖς οἰκίζομένοις ἐπιδιήρουν ἢ ἐπίπρασκον ἢ ἐξεμίσθουν, τὴν δ' ἄργον ἐκ τοῦ πολέμου τότε οὔσαν, ἢ δὴ καὶ μάλιστα ἐπλήθυνεν, οὐκ ἄγοντές πω σχολὴν διαλαχεῖν ἐπεκλήρυττον ἐν τοσῶδε τοῖς ἐθέλουσιν ἐκπονεῖν ἐπὶ τέλει τῶν ἐτησίων καρπῶν, δεκάτη μὲν τῶν σπειρομένων, πέμπτη δὲ τῶν φυτευομένων. ὥριστο δὲ καὶ τοῖς προβατεύουσι τέλη μειζόνων τε καὶ ἐλαττόνων ζώων. καὶ τάδε ἔπραττον ἐς πολυανδρίαν τοῦ Ἰταλικοῦ γένους, φερεπονωτάτου σφίσιν ὀφθέντος, ἵνα συμμάχους οἰκείους ἔχοιεν. ἐς δὲ τοῦναντίον αὐτοῖς περιήει. οἱ γὰρ πλούσιοι τῆσδε τῆς ἀνεμήτου γῆς τὴν πολλὴν καταλαβόντες καὶ χρόνῳ θαρροῦντες οὐ τίνα σφᾶς ἔτι ἀφαιρήσεσθαι τά τε ἀγχοῦ σφίσιν ὅσα τε ἦν ἄλλα βραχεὰ πενήτων, τὰ μὲν ὠνούμενοι πειθοῖ, τὰ δὲ βία λαμβάνοντες, πεδία μακρὰ ἀντὶ χωρίων ἐγεώργουν, ὠνητοῖς ἐς αὐτὰ γεωργοῖς καὶ ποιμέσι χρώμενοι τοῦ μὴ τοὺς ἐλευθέρους ἐς τὰς στρατείας ἀπὸ τῆς γεωργίας περισπᾶν, φερούσης ἅμα καὶ τῆσδε τῆς κτήσεως αὐτοῖς πολὺ κέρδος ἐκ πολυπαιδίας θεραπόντων ἀκινδύνως αὐξομένων διὰ τὰς ἀστρατείας. ἀπὸ δὲ τούτων οἱ μὲν δυνατοὶ πάντα ἐπλούτουν, καὶ τὸ τῶν θεραπόντων γένος ἀνὰ τὴν χώραν ἐπλήθυε, τοὺς δ' Ἰταλιώτας ὀλιγότης καὶ δυσανδρία κατελάμβανε, τρυχομένους πενία τε καὶ ἐσφοραῖς καὶ στρατεῖαις. εἰ δὲ καὶ σχολάσειαν ἀπὸ τούτων, ἐπὶ ἀργίας διετίθεντο, τῆς γῆς ὑπὸ τῶν πλουσίων ἐχομένης καὶ γεωργοῖς χρωμένων θέρāπουσιν ἀντὶ ἐλευθέρων.

[8] ἐφ' οἷς ὁ δῆμος ἐδυσφόρει μὲν ὥς οὔτε συμμαχῶν ἐξ Ἰταλίας ἔτι εὐπορήσων οὔτε τῆς ἡγεμονίας οἱ γεννησομένης ἀκινδύνου διὰ πλῆθος τοσόνδε θεραπόντων: διόρθωσιν δ' οὐκ ἐπινοοῦντες, ὥς οὐδὲ ῥάδιον ὄν οὐδὲ πάντῃ δίκαιον ἄνδρας τοσοῦσδε ἐκ τοσοῦδε χρόνου κτήσιν τοσήνδε ἀφελέσθαι φυτῶν τε ἰδίων καὶ οἰκοδομημάτων καὶ κατασκευῆς, μόλις ποτὲ τῶν δημάρχων εἰσηγουμένων ἔκριναν μηδένα ἔχειν τῆσδε τῆς γῆς πλέθρα πεντακοσίων πλείονα μηδὲ προβατεύειν ἑκατὸν πλείω τὰ μείζονα καὶ πεντακοσίων τὰ ἐλάσσονα. καὶ ἐς ταῦτα δ' αὐτοῖς ἀριθμὸν ἐλευθέρων ἔχειν ἐπέταζαν, οἱ τὰ γιγνώμενα φυλάττειν τε καὶ μνηύειν ἔμελλον.

οἱ μὲν δὴ τάδε νόμῳ περιλαβόντες ἐπώμοσαν ἐπὶ τῷ νόμῳ καὶ ζημίαν ὥρισαν, ἡγούμενοι τὴν λοιπὴν γῆν αὐτίκα τοῖς πένησι κατ' ὀλίγον διαπεπράσσεσθαι: φροντίς δ' οὐδεμία ἦν οὔτε τῶν νόμων οὔτε τῶν ὄρκων, ἀλλ' οἵτινες καὶ ἐδόκουν φροντίσαι, τὴν γῆν ἐς τοὺς οἰκείους ἐπὶ ὑποκρίσει διένεμον, οἱ δὲ πολλοὶ τέλεον κατεφρόνουν, [9] μέχρι Τιβέριος Σεμπρόνιος Γράκχος, ἀνὴρ ἐπιφανὴς καὶ λαμπρὸς ἐς φιλοτιμίαν εἰπεῖν τε δυνατώτατος καὶ ἐκ τῶνδε ὁμοῦ πάντων γνωριμώτατος ἅπασι, δημαρχῶν ἐσεμνολόγησε περὶ τοῦ Ἰταλικοῦ γένους ὥς εὐπολεμωτάτου τε καὶ συγγενοῦς, φθειρομένου δὲ κατ' ὀλίγον εἰς ἀπορίαν καὶ ὀλιγανδρίαν καὶ οὐδὲ ἐλπίδα ἔχοντος ἐς διόρθωσιν. ἐπὶ δὲ τῷ δουλικῷ δυσχεράνας ὥς ἀστρατεύω καὶ οὔποτε ἐς δεσπότης πιστῷ, τὸ ἔναγχος ἐπήνεγκεν ἐν Σικελίᾳ δεσποτῶν πάθος ὑπὸ θεραπόντων γενόμενον, ηὔξημένων κάκεινων ἀπὸ γεωργίας, καὶ τὸν ἐπ' αὐτοὺς Ῥωμαίων πόλεμον οὐ ῥάδιον οὐδὲ βραχύν, ἀλλὰ ἔς τε μῆκος χρόνου καὶ τροπὰς κινδύνων ποικίλας ἐκτραπέντα. ταῦτα δὲ εἰπὼν ἀνεκαίνιζε τὸν νόμον μηδένα τῶν πεντακοσίων πλέθρων πλέον ἔχειν. παισὶ δ' αὐτῶν ὑπὲρ τὸν παλαιὸν νόμον προσετίθει τὰ ἡμίσεα τούτων: καὶ τὴν λοιπὴν τρεῖς αἶρετοὺς ἄνδρας, ἐναλλασσομένους κατ' ἔτος, διανέμειν τοῖς πένησι.

[10] τοῦτο δ' ἦν, ὃ μάλιστα ἠνώχλει τοὺς πλουσίους, οὐ δυναμένους ἔτι ὥς προτερον τοῦ νόμου καταφρονεῖν διὰ τοὺς διαιροῦντας οὐδὲ ὠνεῖσθαι παρὰ τῶν κληρουμένων: ὁ γάρ τοι Γράκχος καὶ τότε προϊδόμενος ἀπηγόρευε μὴ πωλεῖν. συνιστάμενοι δὴ κατὰ μέρος ὠλοφύροντο καὶ προῦφερον τοῖς πένησιν ἀρχαῖά τε ἔργα ἑαυτῶν καὶ φυτὰ καὶ οἰκοδομίας, καὶ τιμὴν ἔνιοι δεδομένην γείτοσιν, εἰ καὶ τήνδε μετὰ τῆς γῆς ἀπολέσουσι, τάφους τε ἔνιοι πατέρων ἐν τῇ γῇ καὶ διαίρέσεις ἐπὶ τοῖς κλήροις ὥς πατράσι, οἱ δὲ καὶ προῖκας γυναικῶν ἐς ταῦτα ἀνηλωμένας ἢ τὴν γῆν παισὶν ἐμπροίκιον δεδομένην, δανεισταὶ τε χρέα καὶ ταύτης ἐπεδείκνυν, καὶ ἄκοσμος ἦν ὅλος οἰωγὴ καὶ ἀγανάκτησις. οἱ δ' αὖ πένητες ἀντωδύροντο ἐξ εὐπορίας ἐς πενίαν ἐσχάτην καὶ ἀπ' αὐτῆς ἐς ἀγονίαν, οὐ δυνάμενοι παιδοτροφεῖν, περιφέρεσθαι. στρατείας τε ὅσας στρατεύσαιντο τὴν γῆν τήνδε περιποιούμενοι, κατέλεγον καὶ ἡγανάκτουν, εἰ τῶν κοινῶν ἀποστερήσονται, ὠνείδιζόν τε ἅμα αὐτοῖς αἰρουμένοις ἀντὶ ἐλευθέρων καὶ πολιτῶν καὶ στρατιωτῶν θεράποντας, ἄπιστον ἔθνος καὶ δυσμενὲς αἰεὶ διὰ τοῦτο ἀστράτευτον. τοιαῦθ' ἑκατέρων ὀδυρομένων τε καὶ ἀλλήλοις ἐπικαλούντων, πλῆθος ἄλλο, ὅσον ἐν ταῖς ἀποίκις πόλεσιν ἢ ταῖς ἰσοπολίτισιν ἢ ἄλλως ἐκοινώνει τῆσδε τῆς γῆς, δεδιότες ὁμοίως ἐπήεσαν καὶ ἐς ἑκατέρους αὐτῶν διεμερίζοντο. πλήθει τε

θαρροῦντες ἐξετραχύνοντο καὶ στάσεις ἐξάπτοντες ἀμέτρους τὴν δοκιμασίαν τοῦ νόμου περιέμενον, οἱ μὲν ὡς οὐδενὶ τρόπῳ συγχωρήσοντες αὐτὸν γενέσθαι κύριον, οἱ δ' ὡς κυρώσοντες ἐξ ἅπαντος. φιλονικία δὲ ἐκατέρους προσέπιπτεν ἐπὶ τῇ χρεΐα καὶ ἐς τὴν κυρίαν ἡμέραν παρασκευὴ κατ' ἀλλήλων.

[11] Γράκχῳ δ' ὁ μὲν νοῦς τοῦ βουλευματος ἦν οὐκ ἐς εὐπορίαν, ἀλλ' ἐς εὐανδρίαν, τοῦ δὲ ἔργου τῇ ὠφελείᾳ μάλιστα αἰωρούμενος, ὡς οὐ τι μείζον οὐδὲ λαμπρότερον δυναμένης ποτὲ παθεῖν τῆς Ἰταλίας, τοῦ περὶ αὐτὸ δυσχεροῦς οὐδὲν ἐνεθυμεῖτο. ἐνστάσης δὲ τῆς χειροτονίας πολλὰ μὲν ἄλλα προεῖπεν ἐπαγωγὰ καὶ μακρά, διηρώτα δ' ἐπ' ἐκείνοις, εἰ δίκαιον τὰ κοινὰ κοινῇ διανέμεσθαι καὶ εἰ γνησιώτερος αἰεὶ θεράπωντος ὁ πολίτης καὶ χρησιμώτερος ὁ στρατιώτης ἀπολέμου καὶ τοῖς δημοσίοις εὐνούτερος ὁ κοινῶνός. οὐκ ἐς πολὺ δὲ τὴν σύγκρισιν ὡς ἄδοξον ἐπενεγκὼν αὐθις ἐπῆει τὰς τῆς πατρίδος ἐλπίδας καὶ φόβους διεξιὼν, ὅτι πλείστης γῆς ἐκ πολέμου βία κατέχοντες καὶ τὴν λοιπὴν τῆς οἰκουμένης χώραν ἐν ἐλπίδι ἔχοντες κινδυνεύουσιν ἐν τῷδε περὶ πάντων, ἢ κτήσασθαι καὶ τὰ λοιπὰ δι' εὐανδρίαν ἢ καὶ τάδε δι' ἀσθένειαν καὶ φθόνον ὑπ' ἐχθρῶν ἀφαιρεθῆναι. ὦν τοῦ μὲν τὴν δόξαν καὶ εὐπορίαν, τοῦ δὲ τὸν κίνδυνον καὶ φόβον ὑπερεπαίρων ἐκέλευε τοὺς πλουσίους ἐνθυμουμένους ταῦτα ἐπιδόσιμον, εἰ δέοι, παρὰ σφῶν αὐτῶν τήνδε τὴν γῆν εἰς τὰς μελλούσας ἐλπίδας τοῖς παιδοτροφοῦσι χαρίσασθαι καὶ μὴ, ἐν ᾧ περὶ μικρῶν διαφέρονται, τῶν πλεόνων ὑπεριδεῖν, μισθὸν ἅμα τῆς πεπονημένης ἐξεργασίας αὐτάρκη φερομένους τὴν ἐξαίρετον ἄνευ τιμῆς κτήσιν ἐς αἰεὶ βέβαιον ἐκάστῳ πεντακοσίων πλέθρων, καὶ παισίν, οἷς εἰσὶ παῖδες, ἐκάστῳ καὶ τούτων τὰ ἡμίσεια. τοιαῦτα πολλὰ ὁ Γράκχος εἰπὼν τοὺς τε πένητας καὶ ὅσοι ἄλλοι λογισμῷ μᾶλλον ἢ πόθῳ κτήσεως ἐχρῶντο, ἐρεθίσας ἐκέλευε τῷ γραμματεῖ τὸν νόμον ἀναγνῶναι.

[12] Μάρκος δ' Ὀκτάουιος δήμαρχος ἕτερος, ὑπὸ τῶν κτηματικῶν διακωλύειν παρεσκευασμένος, καὶ ὦν αἰεὶ παρὰ Ῥωμαίοις ὁ κωλύων δυνατότερος. ἐκέλευε τὸν γραμματέα σιγᾶν. καὶ τότε μὲν αὐτῷ πολλὰ μεμψάμενος ὁ Γράκχος ἐς τὴν ἐπιούσαν ἀγορὰν ἀνέθετο ... φυλακὴν τε παραστησάμενος ἱκανὴν ὡς καὶ ἄκοντα βιασόμενος Ὀκτάουιον ἐκέλευε σὺν ἀπειλῇ τῷ γραμματεῖ τὸν νόμον εἰς τὸ πλῆθος ἀναγινώσκειν. καὶ ἀνεγίνωσκε καὶ Ὀκταοίου κωλύοντος ἐσιώπα. λοιδοριῶν δὲ τοῖς δημάρχοις ἐς ἀλλήλους γενομένων καὶ τοῦ δήμου θορυβοῦντος ἱκανῶς, οἱ δυνατοὶ τοὺς δημάρχους ἡξίουσαν ἐπιτρέψαι τῇ βουλῇ, περὶ ὧν διαφέρονται, καὶ ὁ Γράκχος ἀρπάσας τὸ λεχθέν, ὡς δὴ πᾶσι τοῖς εὐ φρονοῦσιν ἀρέσοντος τοῦ νόμου, διέτρεχεν ἐς τὸ βουλευτήριον. ἐκεῖ δ' ὡς ἐν ὀλίγοις ὑβριζόμενος ὑπὸ τῶν πλουσίων, αὐθις ἐκδραμὼν εἰς τὴν ἀγορὰν ἔφη διαψήφισιν προθήσειν ἐς τὴν ἐπιούσαν ἀγορὰν περὶ τε τοῦ νόμου καὶ τῆς ἀρχῆς τῆς Ὀκταοίου, εἰ χρὴ δήμαρχον ἀντιπράττοντα τῷ δήμῳ τὴν ἀρχὴν ἐπέχειν. καὶ ἔπραξεν οὕτως· ἐπειτέ γὰρ Ὀκτάουιος οὐδὲν καταπλαγεῖς αὐθις ἐνίστατο, ὁ δὲ προτέραν τὴν περὶ αὐτοῦ ψήφον ἀνεδίδου.

καὶ τῆς πρώτης φυλῆς καταψηφισαμένης τὴν ἀρχὴν τὸν Ὀκτάουιον ἀποθέσθαι, ἐπιστραφεὶς πρὸς αὐτὸν ὁ Γράκχος ἐδεῖτο μεταθέσθαι. οὐ πειθομένου δὲ τὰς ἄλλας ψήφους ἐπῆγεν. οὐσῶν δὲ τότε φυλῶν πέντε καὶ

τριάκοντα καὶ συνδραμουσῶν ἐς τὸ αὐτὸ σὺν ὀργῇ τῶν προτέρων ἑπτακαίδεκα, ἡ μὲν ὀκτωκαίδεκάτῃ τὸ κῦρος ἐμελλεν ἐπιθήσειν, ὁ δὲ Γράκχος αὖθις, ἐν ὧσιν τοῦ δήμου, τότε μάλιστα κινδυνεύοντι τῇ Ὀκταουίᾳ λιπαρῶς ἐνέκειτο μὴ ἔργον ὀσιώτατον καὶ χρησιμώτατον Ἰταλία πάσῃ συγχέαι μηδὲ σπουδὴν τοῦ δήμου τοσὴνδε ἀνατρέψαι, ᾧ τι καὶ παρενδοῦναι προθυμουμένῳ δήμαρχον ὄντα ἤρμοζε, καὶ μὴ αὐτοῦ τὴν ἀρχὴν ἀφαιρουμένην περιδεῖν ἐπὶ καταγνώσει. καὶ τὰδε λέγων καὶ θεοὺς μαρτυρόμενος ἄκων ἄνδρα σύναρχον ἀτιμοῦν, ὥς οὐκ ἔπειθεν, ἐπῆγε τὴν ψῆφον. καὶ ὁ μὲν Ὀκτάουιος αὐτίκα ιδιώτης γενόμενος διαλαθὼν ἀπεδίδρασκε, Κόιντος δὲ Μούμμιος ἀντ' αὐτοῦ δήμαρχος ἤρεϊτο, καὶ ὁ νόμος ὁ περὶ τῆς γῆς ἐκυροῦτο.

[13] διανέμειν τε αὐτὴν ἐκεχειροτόνηντο πρῶτοι Γράκχος αὐτός, ὁ νομοθέτης, καὶ ἀδελφὸς ὁμώνυμος ἐκείνου καὶ ὃς ἐκίδευε τῷ νομοθέτῃ Κλαύδιος Ἀππίος, πᾶν τοῦ δήμου καὶ ὥς δεδιότος, μὴ τὸ ἔργον ἐκλειφθεῖ τοῦ νόμου, εἰ μὴ Γράκχος αὐτοῦ σὺν ὅλῃ τῇ οἰκίᾳ κατάρχοιτο. Γράκχος δὲ μεγαλαυχούμενος ἐπὶ τῷ νόμῳ ὑπὸ τοῦ πλήθους οἷα δὴ κτίστης οὐ μιᾶς πόλεως οὐδὲ ἐνὸς γένους, ἀλλὰ πάντων, ὅσα ἐν Ἰταλίᾳ ἔθνη, ἐς τὴν οἰκίαν παρεπέμπετο. καὶ μετὰ ταῦθ' οἱ μὲν κεκρατηκότες ἐς τοὺς ἀγροὺς ἀνεχώρουν, ὅθεν ἐπὶ ταῦτ' ἐληλύθεσαν, οἱ δ' ἠσσημένοι δυσφοροῦντες ἔτι παρέμενον καὶ ἐλογοποιοῦν οὐ χαίρήσιν Γράκχον, αὐτίκα ὅτε γένοιτο ιδιώτης, ἀρχὴν τε ὑβρίσαντα ἱερὰν καὶ ἄσυλον καὶ στάσεως τοσὴνδε ἀφορμὴν ἐς τὴν Ἰταλίαν ἐμβalόντα.

[14] θέρος δ' ἦν ἤδη καὶ προγραφαὶ δημάρχων ἐς τὸ μέλλον: καὶ οἱ πλούσιοι τῆς χειροτονίας πλησιαζούσης ἐνδηλοὶ σαφῶς ἦσαν ἐσπουδακότες ἐς τὴν ἀρχὴν τοῖς μάλιστα Γράκχῳ πολεμίαις. ὁ δ' ἐγγὺς τοῦ κακοῦ γιγνομένου δέισας, εἰ μὴ καὶ ἐς τὸ μέλλον ἔσοιτο δήμαρχος, συνεκάλει τοὺς ἐκ τῶν ἀγρῶν ἐπὶ τὴν χειροτονίαν. ἀσχολουμένων δ' ἐκείνων ὥς ἐν θέρει, συναλυνόμενος ὑπὸ τῆς προθεσμίας ὀλίγης ἐς τὴν χειροτονίαν ἔτι οὔσης ἐπὶ τὸν ἐν τῷ ἄστει δῆμον κατέφευγε, καὶ περιῶν κατὰ μέρος ἐκάστων ἐδεῖτο δῆμαρχον αὐτὸν ἐς τὸ μέλλον ἐλέσθαι, κινδυνεύοντα δι' ἐκείνους. γιγνομένης δὲ τῆς χειροτονίας δύο μὲν ἔφθασαν αἱ πρῶται φυλαὶ Γράκχον ἀποφῆναι, τῶν δὲ πλουσίων ἐνισταμένων οὐκ ἔννομον εἶναι δις ἐφεξῆς τὸν αὐτὸν ἄρχειν καὶ Ρουβρίου δημάρχου τοῦ προεστάναι τῆς ἐκκλησίας ἐκείνης διειληχότος ἐνδοιάζοντος ἐπὶ τῷδε, Μούμμιος αὐτόν, ὁ ἐπὶ τῇ Ὀκταουίᾳ δημαρχεῖν ἠρημένος, ἐκέλευεν ἑαυτῷ τὴν ἐκκλησίαν ἐπιτρέψαι. καὶ ὁ μὲν ἐπέτρεπεν, οἱ δὲ λοιποὶ δῆμαρχοι περὶ τῆς ἐπιστάσιος ἠξίουσαν ἀνακληροῦσθαι: Ρουβρίου γὰρ τοῦ λαχόντος ἐκστάντος αὖθις ἐς ἅπαντας τὴν διακλήρωσιν περιέειναι. ἔριδος δὲ καὶ ἐπὶ τῷδε πολλῆς γενομένης ὁ Γράκχος ἐλταττούμενος τὴν μὲν χειροτονίαν ἐς τὴν ἐπιούσαν ἡμέραν ἀνέθετο, πάντα δ' ἀπογνοὺς ἐμελανειμόνει τε ἔτι ὢν ἔναρχος καὶ τὸ λοιπὸν τῆς ἡμέρας ἐν ἀγορᾷ τὸν υἱὸν ἐπάγων ἐκάστοις συνίστη καὶ παρετίθετο ὥς αὐτὸς ὑπὸ τῶν ἐχθρῶν αὐτίκα ἀπολούμενος.

[15] οἴκτου δὲ πολλοῦ σὺν λογισμῷ τοὺς πένητας ἐπιλαμβάνοντος ὑπὲρ τε σφῶν αὐτῶν, ὥς οὐκ ἐν ἰσονόμῳ πολιτευσόντων ἔτι, ἀλλὰ δουλευσόντων κατὰ κράτος τοῖς πλουσίοις, καὶ ὑπὲρ αὐτοῦ Γράκχου, τοιαῦτα δεδιότος τε καὶ πάσχοντος ὑπὲρ αὐτῶν, σὺν τε οἰμωγῇ προπεμπόντων αὐτὸν ἀπάντων ἐπὶ τὴν

οἰκίαν ἐσπέρας καὶ θαρρεῖν ἐς τὴν ἐπιούσαν ἡμέραν ἐπικελευόντων, ἀναθαρρήσας ὁ Γράκχος ἔτι νυκτὸς τοὺς στασιώτας συναγαγὼν καὶ σημείον, εἰ καὶ μάχης δεήσειεν, ὑποδείξας κατέλαβε τοῦ Καπιτωλίου τὸν νεῶν, ἔνθα χειροτονήσιν ἔμελλον, καὶ τὰ μέσα τῆς ἐκκλησίας. ἐνοχλούμενος δ' ὑπὸ τῶν δημάρχων καὶ τῶν πλουσίων, οὐκ ἐόντων ἀναδοθῆναι περὶ αὐτοῦ χειροτονίαν, ἀνέσχε τὸ σημεῖον. καὶ βοῆς ἄφνω παρὰ τῶν συνειδόντων γενομένης χειρὲς τε ἦσαν ἤδη τὸ ἀπὸ τοῦδε, καὶ τῶν Γρακχείων οἱ μὲν αὐτὸν ἐφύλαττον οἷά τινες δορυφόροι, οἱ δὲ τὰ ἱμάτια διαζωσάμενοι, ῥάβδους καὶ ξύλα τὰ ἐν χερσὶ τῶν ὑπηρετῶν ἀρπάσαντές τε καὶ διακλᾶσαντες ἐς πολλά, τοὺς πλουσίους ἐξήλαυνον ἀπὸ τῆς ἐκκλησίας, σὺν τοσῶδε ταραχῇ καὶ τραύμασιν, ὥς τοὺς τε δημάρχους δείσαντας διαφυγεῖν ἐκ μέσον, καὶ τὸν νεῶν τοὺς ἱερέας ἐπικλείσαι, δρόμον τε πολλῶν ἄκοσμον εἶναι καὶ φυγὴν καὶ λόγον οὐκ ἀκριβῆ, τῶν μὲν ὅτι καὶ τοὺς ἄλλους δημάρχους ὁ Γράκχος παραλύσειε τῆς ἀρχῆς 'οὐ γὰρ ὁρωμένων αὐτῶν εἶκαζον οὕτως', τῶν δ' ὅτι αὐτὸς ἑαυτὸν ἐς τὸ μέλλον δῆμαρχον ἄνευ χειροτονίας ἀποφαίνοι.

[16] γιγνομένων δὲ τούτων ἡ βουλὴ συνῆλθεν εἰς τὸ τῆς Πίστεως ἱερὸν. καὶ μοι θαῦμα καταφαίνεται τὸ πολλάκις ἐν τοιοῖσδε φόβοις διὰ τῆς αὐτοκράτορος ἀρχῆς διασεσωσμένους τότε μὴδ' ἐπὶ νοῦν τὸν δικτάτορα λαβεῖν, ἀλλὰ χρησιμώτατον τοῖς προτέροις τότε τὸ ἔργον εὐρεθὲν μὴδ' ἐν μνήμῃ τοῖς πολλοῖς ἄρα γενέσθαι μήτε τότε μήθ' ὕστερον. κρίναντες δ' ὅσα ἔκριναν ἐς τὸ Καπιτω?λίον ἀνῆσαν. καὶ πρῶτος αὐτοῖς ὁ μέγιστος ἀρχιερεὺς λεγόμενος ἐξῆρχε τῆς ὁδοῦ, Κορνῆλιος Σκιπίων ὁ Νασικᾶς: ἐβόα τε μέγιστον ἔπεσθαι οἱ τοὺς ἐθέλοντας σῶζεσθαι τὴν πατρίδα καὶ τὸ κράσπεδον τοῦ ἱματίου ἐς τὴν κεφαλὴν περιεσύρατο, εἴτε τῷ παρασήμῳ τοῦ σχήματος πλεονάς οἱ συντρέχειν ἐπισπώμενος, εἴτε πολέμου τι σύμβολον τοῖς ὁρῶσιν ὥς κόρυθα ποιούμενος, εἴτε θεοὺς ἐγκαλυπτόμενος ὧν ἔμελλε δράσειν. ἀνελθόντι δὲ ἐς τὸ ἱερὸν καὶ τοῖς Γρακχείοις ἐπιδραμόντι εἶξαν μὲν ὥς κατ' ἀξίωσιν ἀνδρὶ ἀρίστῳ, καὶ τὴν βουλήν ἅμα οἱ θεωροῦντες ἐπιούσαν: οἱ δὲ τὰ ξύλα τῶν Γρακχείων αὐτῶν περισπᾶσαντες, ὅσα τε βάθρα καὶ ἄλλη παρασκευὴ ὥς ἐς ἐκκλησίαν συνενήνεκτο διελόντες, ἔπαιον αὐτοὺς καὶ ἐδίωκον καὶ ἐς τὰ ἀπόκρημα κατερρίπτουν. κὰν τῷδε τῷ κυδοιμῷ πολλοὶ τε τῶν Γρακχείων καὶ Γράκχος αὐτός, εἰλούμενος περὶ τὸ ἱερὸν, ἀνῆρέθη κατὰ τὰς θύρας παρὰ τοὺς τῶν βασιλέων ἀνδριάντας. καὶ πάντας αὐτοὺς νυκτὸς ἐξέρριψαν εἰς τὸ ῥεῦμα τοῦ ποταμοῦ.

[17] οὕτω μὲν δὴ Γράκχος, ὁ Γράκχου τοῦ δις ὑπατεύσαντος καὶ Κορνηλίας τῆς Σκιπίωνος τοῦ Καρχηδονίου τὴν ἡγεμονίαν ἀφελομένου παῖς, ἀρίστου βουλευμάτος ἔνεκα, βιαίως αὐτῷ προσίων, ἀνήρητο ἔτι δημαρχῶν ἐν τῷ Καπιτωλίῳ. καὶ πρῶτον ἐν ἐκκλησίᾳ τότε μύσος γενόμενον οὐ διέλιπεν, αἰεὶ τινος ὁμοίου γιγνομένου παρὰ μέρος. ἡ δὲ πόλις ἐπὶ τῷ Γράκχῳ φόνῳ διήρητο ἐς λύπην καὶ ἡδονήν, οἱ μὲν οἰκτείροντες αὐτοὺς τε κάκεῖνον καὶ τὰ παρόντα ὥς οὐκέτι πολιτείαν, ἀλλὰ χειροκρατίαν καὶ βίαν, οἱ δ' ἐξειργάσθαι σφίσιν ἡγούμενοι πᾶν, ὅσον ἐβούλοντο.

[18] καὶ τότε μὲν ἦν, ὅτε Ἀριστόνικος Ῥωμαίοις περὶ τῆς ἀρχῆς ἐπολέμει τῆς ἐν Ἀσίᾳ: ἀναιρεθέντος δὲ Γράκχου καὶ τελευτήσαντος Ἀππίου Κλαυδίου,

ἀντικαθίστανται μὲν ἐς τὴν γῆν ἅμα τῷ νεωτέρῳ Γράκῳ διανέμειν Φούλβιος Φλάκκος καὶ Παπίριος Κάρβων, ἀμελούντων δὲ τῶν κεκτημένων αὐτὴν ἀπογράφεσθαι κατηγόρους ἐκήρυττον ἐνδεικνύναι. καὶ ταχὺ πλῆθος ἦν δικῶν χαλεπῶν· ὅση γὰρ ἄλλη πλησιάζουσα τῇδε ἐπέπρατο ἢ τοῖς συμμάχοις ἐπιδηρήτο, διὰ τὸ τῆσδε μέτρον ἐξητάζετο ἅπασα, ὅπως τε ἐπέπρατο καὶ ὅπως ἐπιδηρήτο, οὔτε τὰ συμβόλαια οὔτε τὰς κληρουχίας ἔτι ἐχόντων ἀπάντων· ἃ δὲ καὶ εὐρίσκετο, ἀμφίλογα ἦν. ἀναμετρομένης τε αὐτῆς οἱ μὲν ἐκ πεφυτευμένης καὶ ἐπαύλεων ἐς ψιλὴν μετετίθεντο, οἱ δ' ἐξ ἐνεργῶν ἐς ἀργὸν ἢ λίμνας ἢ τέλματα, οὐδὲ τὴν ἀρχὴν ὡς ἐπὶ δορικτήτοις ἀκριβῆ πεποιημένοι. καὶ τὸ κήρυγμα, τὴν ἀνέμητον ἐξεργάζεσθαι τὸν ἐθέλοντα προλέγον, ἐπῆρε πολλοὺς τὰ πλησίον ἐκπονοῦντας τὴν ἐκατέρας ὅψιν συγγέαι· χρόνος τε ἐπελθὼν ἐνεόχμωσε πάντα. καὶ τὸ τῶν πλουσιῶν ἀδίκημα καίπερ ὄν μέγα δυσεπίγνωστον ἦν. καὶ οὐδὲν ἄλλ' ἢ πάντων ἀνάστασις ἐγίνετο μεταφερομένων τε καὶ μετοικιζομένων ἐς ἄλλότρια.

[19] ταῦτά τε δὴ καὶ τὰς ἐπὶ τούτοις τῶν δικαζόντων ἐπέξεις οὐ φέροντες οἱ Ἰταλιῶται Κορνήλιον Σκιπίωνα, ὃς Καγχηδόνα ἐπόρθησεν, ἡξίου προστάτην σφῶν ἀδικουμένων γενέσθαι. ὁ δ' ἐς τοὺς πολέμους αὐτοῖς κεκρημένος προθυμοτάτοις ὑπεριδεῖν τε ὤκησε καὶ παρελθὼν εἰς τὸ βουλευτήριον τὸν μὲν Γράκχου νόμον οὐκ ἔψεγε διὰ τὸν δῆμον σαφῶς, τὴν δὲ τοῦδε δυσχέρειαν ἐπεξιῶν ἡξίου τὰς δίκας οὐκ ἐπὶ τῶν διαιρούντων ὡς ὑπόπτων τοῖς δικαζομένοις, ἀλλ' ἐφ' ἐτέρων λέγεσθαι. ᾧ δὴ καὶ μάλιστα ἔπεισεν, εἶναι δοκοῦντι δικαίῳ· καὶ Τουδιτανὸς αὐτοῖς ὑπατεύων ἐδόθη δικάζειν. ἀλλ' ὅδε μὲν ἀψάμενος τοῦ ἔργου καὶ τὴν δυσχέρειαν ἰδὼν ἐπ' Ἰλλυριοὺς ἐστράτευε, πρόφασιν τήνδε ποιούμενος τοῦ μὴ δικάζειν· οἱ δὲ τὴν γῆν διανέμοντες, οὐκ ἀπαντῶντος ἐς αὐτοὺς οὐδενὸς ἐς δίκην, ἐπὶ ἀργίας ἦσαν. καὶ μῖσος ἐντεῦθεν ἤρξατο εἰς τὸν Σκιπίωνα τοῦ δήμου καὶ ἀγανάκτησις, ὅτι αὐτὸν ἀγαπήσαντες ἐπιφθόνως καὶ πολλὰ τοῖς δυνατοῖς ἐναντιωθέντες ὑπὲρ αὐτοῦ ὑπατόν τε δις ἐλόμενοι παρανόμως, ὑπὲρ τῶν Ἰταλιωτῶν ἀντιπεπραχότα σφίσι ἐώρων. ταῦτα δ', ὅσοι τοῦ Σκιπίωνος ἦσαν ἐχθροί, κατιδόντες ἐβόων, ὡς λῦσαι τὸν Γράκχου νόμον ὅλως διεγνωκῶς μέλλοι πολὺν ἐπὶ τῷδε ἔνοπλον φόνον ἐργάσασθαι.

[20] ὣν ὁ δῆμος ἀκροώμενος ἐδεδίει, μέχρις ὁ Σκιπίων, ἐσπέρας παραθέμενος ἑαυτῷ δέλτον, εἰς ἣν νυκτὸς ἔμελλε γράψειν τὰ λεχθησόμενα ἐν τῷ δήμῳ, νεκρὸς ἄνευ τραύματος εὐρέθη, εἴτε Κορνηλίας αὐτῷ, τῆς Γράκχου μητρός, ἐπιθεμένης, ἵνα μὴ ὁ νόμος ὁ Γράκχου λυθείη, καὶ συλλαβούσης ἐς τοῦτο Σεμπρωνίας τῆς θυγατρὸς, ἣ τῷ Σκιπίωνι γαμουμένη διὰ δυσμορφίαν καὶ ἀπαιδίαν οὐτ' ἐστέργετο οὐτ' ἔστεργεν, εἴθ', ὡς ἔνιοι δοκοῦσιν, ἐκὼν ἀπέθανε συνιδὼν, ὅτι οὐκ ἔσοιτο δυνατὸς κατασχεῖν ὦν ὑπόσχοιτο. εἰσὶ δ' οἱ βασανιζομένους φασὶ θεράποντας εἰπεῖν, ὅτι αὐτὸν ξένοι δι' ὀπισθοδόμου νυκτὸς ἐπεισαχθέντες ἀποπνίζαιεν καὶ οἱ πυθόμενοι ὀκνήσαιεν ἐξενεγκεῖν διὰ τὸν δῆμον ὀργιζόμενον ἔτι καὶ τῷ θανάτῳ συνηδόμενον.

Σκιπίων μὲν δὴ τεθνήκει καὶ οὐδὲ δημοσίας ταφῆς ἡξιοῦτο, μέγιστα δὴ τὴν ἡγεμονίαν ὠφελήσας· οὕτως ἢ παραντίκα ὀργῇ τῆς ποτὲ χάριτος ἐπικρατεῖ. καὶ τότε ὄν τηλικούτον οἶα πάρεργον ἐπὶ τῇ Γράκχου στάσει συνέπεσε.

[21] τὴν δὲ διαίρεσιν τῆς γῆς οἱ κεκτημένοι καὶ ὥς ἐπὶ προφάσεσι ποικίλαις διέφερον ἐπὶ πλεῖστον. καὶ τινες εἰσηγοῦντο τοὺς συμμάχους ἅπαντας, οἱ δὲ περὶ τῆς γῆς μάλιστα ἀντέλεγον, εἰς τὴν Ῥωμαίων πολιτείαν ἀναγράψαι, ὥς μείζονι χάριτι περὶ τῆς γῆς οὐ διοισομένου, καὶ ἐδέχοντο ἄσμενοι τοῦθ' οἱ Ἰταλιῶται, προτιθέντες τῶν χωρίων τὴν πολιτείαν. συνέπρασσε τε αὐτοῖς ἐς τοῦτο μάλιστα πάντων Φούλβιος Φλάκκος, ὑπατεύων ἅμα καὶ τὴν γῆν διανεμών. ἡ βουλὴ δ' ἐχαλέπαινε, τοὺς ὑπηκόους σφῶν ἰσοπολίτας εἰ ποιήσονται.

καὶ τότε μὲν τὸ ἐγγεῖρημα οὕτω διελύθη, καὶ ὁ δῆμος ἐν ἐλπίδι τέως τῆς γῆς γενόμενος ἠθύμει. ὧδε δὲ αὐτοῖς ἔχουσιν ἀσπάσιος ἐκ τῶν τὴν γῆν διαιρούντων ἐς δημαρχίαν ἐπιφαίνεται Γάιος Γράκχος, ὁ Γράκχου τοῦ νομοθέτου νεώτερος ἀδελφός, ἐς πολὺ μὲν ἡσυχάσας ἐπὶ τῇ τοῦ ἀδελφοῦ συμφορᾷ: πολλῶν δ' αὐτοῦ καταφρονούντων ἐν τῷ βουλευτηρίῳ, παρήγγειλεν ἐς δημαρχίαν. καὶ περιφανέστατα αἰρεθεὶς εὐθὺς ἐπεβούλευε τῇ βουλῇ, σιτηρέσιον ἔμμηνον ὀρίσας ἐκάστῳ τῶν δημοτῶν ἀπὸ τῶν κοινῶν χρημάτων, οὐ πρότερον εἰωθὸς διαδίδοσθαι. καὶ ὁ μὲν ὀξέως οὕτως ἐνὶ πολιτεύματι τὸν δῆμον ὑπηγάγετο, συμπράξαντος αὐτῷ Φουλβίου Φλάκκου. καὶ εὐθὺς ἐπὶ τῷδε καὶ ἐς τὸ μέλλον ἤρητο δημαρχεῖν: καὶ γάρ τις ἤδη νόμος κεκύρωτο, εἰ δῆμαρχος ἐνδέοι ταῖς παραγγελίαις, τὸν δῆμον ἐκ πάντων ἐπιλέγεσθαι.

[22] ὁ μὲν δὲ Γάιος Γράκχος οὕτως ἐδημάρχει τὸ δεύτερον: οἷα δ' ἔχων τὸν δῆμον ἔμμισθον, ὑπήγετο καὶ τοὺς καλουμένους ἱππέας, οἱ τὴν ἀξίωσιν εἰσι τῆς βουλῆς καὶ τῶν δημοτῶν ἐν μέσῳ, δι' ἑτέρου τοιοῦδε πολιτεύματος. τὰ δικαστήρια, ἀδοξοῦντα ἐπὶ δωροδοκίαις, ἐς τοὺς ἱππέας ἀπὸ τῶν βουλευτῶν μετέφερε, τὰ ὑπόγυα μάλιστα αὐτοῖς ὀνειδίζων, ὅτι Αὐρήλιος Κόττας καὶ Σαλινάτωρ καὶ τρίτος ἐπὶ τούτοις Μάνιος Ἀκύλιος, ὁ τὴν Ἀσίαν ἐλών, σαφῶς δεδωροδοκηκότες ἀφείντο ὑπὸ τῶν δικασάντων, οἱ τε πρέσβεις οἱ κατ' αὐτῶν ἔτι παρόντες σὺν φθόνῳ ταῦτα περιόντες ἐκεκράγεσαν. ἅπερ ἡ βουλὴ μάλιστα αἰδουμένη ἐς τὸν νόμον ἐνεδίδου: καὶ ὁ δῆμος αὐτὸν ἐκύρου. καὶ μετηνέχθη μὲν ὧδε ἐς τοὺς ἱππέας ἀπὸ τῆς βουλῆς τὰ δικαστήρια: φασὶ δὲ κυρωθέντος μὲν ἄρτι τοῦ νόμου τὸν Γράκχον εἰπεῖν, ὅτι ἀθρόως τὴν βουλὴν καθηρήκοι, τοῦ δ' ἔργου προϊόντος ἐς πῆραν μειζόνως ἔτι ἐκφανῆναι τὸ ἔπος τὸ Γράκχου. τό τε γὰρ δικάζειν αὐτοὺς Ῥωμαίοις καὶ Ἰταλιώταις ἅπασι καὶ αὐτοῖς βουλευταῖς, ἐπὶ παντὶ μέτρῳ, χρημάτων τε πέρι καὶ ἀτιμίας καὶ φυγῆς, τοὺς μὲν ἱππέας οἷα τινὰς ἄρχοντας αὐτῶν ὑπερεπῆρε, τοὺς δὲ βουλευτὰς ἴσα καὶ ὑπηκόους ἐποίη. συνιστάμενοί τε τοῖς δημάρχοις οἱ ἱππεῖς ἐς τὰς χειροτονίας καὶ ἀντιλαμβάνοντες παρ' αὐτῶν, ὅ τι θέλοιν, ἐπὶ μέγα φόβου τοῖς βουλευταῖς ἐχώρουν: ταχύ τε περιῆν ἀνεστράφθαι τὸ κράτος τῆς πολιτείας, τὴν μὲν ἀξίωσιν μόνην ἔτι τῆς βουλῆς ἐχούσης, τὴν δὲ δύναμιν τῶν ἱππέων. προϊόντες γὰρ οὐκ ἐδυνάστευον μόνον: ἀλλὰ καὶ σαφῶς ἐνύβριζον τοῖς βουλευταῖς παρὰ τὰς δίκας. τὴν τε δωροδοκίαν μεταλαβόντες καὶ γευσάμενοι καὶ οἷδε κερδῶν ἀθρόων αἰσχρότερον ἔτι καὶ ἀμετρότερον αὐτοῖς ἐχρῶντο. κατηγοροὺς τε ἐνετοὺς ἐπὶ τοῖς πλουσίοις ἐπῆγοντο καὶ τὰς τῶν δωροδοκῶν δίκας, συνιστάμενοι σφίσιν αὐτοῖς καὶ βιαζόμενοι, ἀάμπαν

ἀνήρουν, ὥς καὶ τὸ ἔθος ὅλως τῆς τοιαύτης εὐθύνης ἐπιλιπεῖν καὶ στάσιν ἄλλην τὸν δικαστικὸν νόμον οὐκ ἐλάσσω τῶν προτέρων ἐς πολὺ παρασχεῖν.

[23] ὁ δὲ Γράκχος καὶ ὁδοὺς ἔτεμενεν ἀνὰ τὴν Ἰταλίαν μακράς, πληθὺς ἐργολάβων καὶ χειροτεχνῶν ὑφ' ἐαυτῷ ποιούμενος, ἐτοίμων ἐς ὃ τι κελεύοι, καὶ ἀποικίας ἐσηγεῖτο πολλάς. καὶ τοὺς Λατίνους ἐπὶ πάντα ἐκάλει τὰ Ῥωμαίων, ὥς οὐκ εὐπρεπῶς συγγενέσι τῆς βουλῆς ἀντιστῆναι δυναμένης: τῶν τε ἐτέρων συμμάχων, οἷς οὐκ ἐξῆν ψῆφον ἐν ταῖς Ῥωμαίων χειροτονίαις φέρειν, ἐδίδου φέρειν ἀπὸ τοῦδε ἐπὶ τῷ ἔχειν καὶ τούσδε ἐν ταῖς χειροτονίαις τῶν νόμων αὐτῷ συντελοῦντας. ἐφ' ᾧ δὴ μάλιστα ἡ βουλὴ διαταραχθεῖσα τοὺς ὑπάτους ἐκέλευσε προγράψαι μηδὲνα τῶν οὐ φερόντων ψῆφον ἐπιδημεῖν τῇ πόλει μηδὲ προσπελάζειν ἀπὸ τεσσαράκοντα σταδίων παρὰ τὴν ἐσομένην περὶ τῶνδε τῶν νόμων χειροτονίαν. Λιβιόν τε Δροῦσον, ἕτερον δήμαρχον, ἔπεισε κωλύσαι τοὺς Γράκχου νόμους, οὐκ ἐπιλέγοντα τῷ δήμῳ τὰς αἰτίας: δέδοται δὲ τῷ κωλύοντι μηδ' ἐπιλέγειν. ἔδωκαν δ' αὐτῷ καὶ φιλανθρωπεύσασθαι τὸν δῆμον δώδεκα ἀποικίας: ᾧ δὴ καὶ μάλιστα ὁ δῆμος ἡσθεὶς τῶν Γράκχου νόμων κατεφρόνησεν.

[24] ὁ δὲ τοῦ δημοκοπήματος ἐκπεσὼν ἐς Λιβύην ἅμα Φουλβίῳ Φλάκκῳ, κάκείνῳ μεθ' ὑπατείας διὰ τὰδε δημαρχεῖν ἐλομένῳ, διέπλευσεν, ἐνηφισμένης κατὰ δόξαν εὐκαρπίας ἐς Λιβύην ἀποικίας καὶ τῶνδε αὐτῶν οἰκιστῶν ἐπίτηδες ἡρημένων, ἵνα μικρὸν ἀποδημούντων ἀναπαύσαιο ἡ βουλὴ τῆς δημοκοπίας. οἱ δὲ τῇ ἀποικίᾳ τὴν πόλιν διέγραφον, ἔνθα ποτὲ ἦν ἡ Καρχηδονίων, οὐδὲν φροντίσαντες, ὅτι Σκιπίων αὐτήν, ὅτε κατέσκαπεν, ἐπηράσατο ἐς αἰὶ μηλόβοτον εἶναι. διέγραφον δ' ἐς ἐξακισχιλίους ἀντὶ ἐλαττόνων τῶν ὄντων ἐν τῷ νόμῳ, ὥς καὶ τῷδε τὸν δῆμον ὑπαζόμενοι. ἐπανελθόντες τε ἐς Ῥώμην συνεκάλουν ἐξ ὅλης Ἰταλίας τοὺς ἐξακισχιλίους. ἐπιστειλάντων δὲ τῶν ἐν Λιβύῃ τὴν πόλιν ἔτι διαγραφόντων, ὅτι λύκοι τοὺς ὄρους Γράκχου τε καὶ Φουλβίου διέρριψαν ἀνασπάσαντες, καὶ τῶν μάντεων τὴν ἀποικίαν ἡγουμένων ἀπαίσιον, ἡ μὲν βουλὴ προέγραφεν ἐκκλησίαν, ἐν ἣ τὸν νόμον ἔμελλε τὸν περὶ τῆσδε τῆς ἀποικίας λύσειν: ὁ δὲ Γράκχος καὶ ὁ Φούλβιος, ἐπεὶ καὶ τοῦδε ἐξέπιπτον, μεμνόνσιν εὐοκότες ἐψεῦσθαι τὴν βουλήν ἐφασκον περὶ τῶν λύκων. οἱ τε θρασύτατοι τῶν δημοτῶν αὐτοῖς συνελάμβανον, ἐγχειρίδια φέροντες ἐς τὸ Καπιτώλιον, οὗ περὶ τῆς ἀποικίας ἐκκλησιάσειν ἔμελλον.

[25] ἡδὴ δὲ τοῦ δήμου συνειλεγμένου καὶ Φουλβίου τι περὶ τούτων ἀρχομένου λέγειν, ὁ Γράκχος ἀνέβαινεν ἐς τὸ Καπιτώλιον ὑπὸ τῶν συνθεμένων δορυφορούμενος. ἐνοχλούμενος δ' ὑπὸ τοῦ συνειδότος ὥς ἐπὶ ἀλλοκότοις βουλευμάσι τὴν μὲν σύνοδον τῆς ἐκκλησίας ἀπέκλινεν, ἐς δὲ τὴν στοὰν παρελθὼν διεβάδιζεν, ἐφεδρεύων τοῖς ἐσομένοις. καὶ αὐτὸν οὕτως ἔχοντα θορύβου κατιδὼν δημότης ἀνὴρ Ἀντύλλος ἐν τῇ στοᾷ θύων, ἐμβάλων τὴν χεῖρα, εἴτε τι πυθόμενος ἢ ὑποπτέων ἢ ἄλλως ἐς τὸν λόγον ὑπαχθεὶς, ἡξίου φείσασθαι τῆς πατρίδος. ὁ δὲ μᾶλλον τε θορυβηθεὶς καὶ δείσας ὥς κατάφωρος ἐνέβλεψεν αὐτῷ δριμύ: καὶ τις τῶν παρόντων, οὔτε σημείου τινὸς ἐπαρθέντος οὔτε προστάγματός πω γεγονότος, ἐκ μόνης τῆς ἐς τὸν Ἀντύλλον Γράκχου δριμύτητος εἰκάσας ἡδὴ τὸν καιρὸν ἤκειν καὶ χαριεῖσθαι τι τῷ

Γράκχω δόξας πρῶτος ἀρξάμενος ἔργου, τὸ ἐγχειρίδιον ἐπισπάσας διαχρήται τὸν Ἀντύλλον. βοῆς δὲ γενομένης καὶ σώματος ὀφθέντος ἐν μέσῳ νεκροῦ πάντες ἐκ τοῦ ἱεροῦ κατεπήδων σὺν ὁμοίου κακοῦ φόβῳ.

Γράκχος δ' ἐς τὴν ἀγορὰν παρελθὼν ἐβούλετο μὲν αὐτοῖς ἐκλογίσασθαι περὶ τοῦ γεγονότος· οὐδενὸς δ' αὐτὸν οὐδ' ὑφισταμένου, ἀλλ' ὥς ἐναγῇ πάντων ἐκτρεπομένων, ὁ μὲν Γράκχος καὶ ὁ Φλάκκος ἀπορούμενοι καὶ τὸν καιρὸν ὦν ἐβουλευόντο διὰ τὸ φθάσαι τὴν ἐγχείρησιν ἀπολωλεκότες ἐς τὰς οἰκίας διέτρεχον, καὶ οἱ συνθέμενοι αὐτοῖς συνήεσαν ἐς αὐτάς, τὸ δ' ἄλλο πλῆθος ἐκ μέσων νυκτῶν ὡς ἐπὶ δὴ τι κακῷ τὴν ἀγορὰν προκατελάμβανον. καὶ ὃς ἐπεδήμει τῶν ὑπάτων, Ὁπίμιος, διέτασσε μὲν τινὰς ἐνόπλους ἐς τὸ Καπιτώλιον ἅμα ἔφ' συνιέναι καὶ τὴν βουλὴν διὰ κηρύκων συνεκάλει, αὐτὸς δ' ἐν μέσῳ πάντων ἐν τῷ νεῷ τῶν Διοσκούρων ἐφήδρευε τοῖς ἐσομένοις.

[26] τὰδε ἦν τοιαῦτα. ἡ μὲν βουλὴ Γράκχον καὶ Φλάκκον ἐκ τῶν οἰκιῶν ἐς ἀπολογίαν ἐς τὸ βουλευτήριον ἐκάλουν, οἱ δὲ σὺν ὅλοις ἐξέθεον ἐπὶ τὸν Ἀβεντίνον λόφον, ἐλπίσαντες, εἰ τόνδε προλάβοιεν, ἐνδώσειν πρὸς τὰς συνθήκας αὐτοῖς τι τὴν βουλὴν. διαθέοντές τε τοὺς θεράποντας συνεκάλουν ἐπ' ἐλευθερίᾳ. καὶ τῶνδε μὲν οὐδεὶς ὑπήκουεν, αὐτοὶ δέ, σὺν ὅσοις εἶχον ἄμφ' αὐτούς, τὸ Ἀρτεμίσιον καταλαβόντες ἐκρατύνοντο καὶ Κόιντον Φλάκκου παῖδα ἐς τὴν βουλὴν ἔπεμπον, δεόμενοι διαλλαγῶν τυχεῖν καὶ βιοῦν μεθ' ὁμονοίας. οἱ δ' ἐκέλευον αὐτοὺς ἀποθεμένους τὰ ὄπλα ἤκειν εἰς τὸ βουλευτήριον καὶ λέγειν, ὃ τι θέλοιν, ἢ μηκέτι ἐμπειν μηδένα. τῶν δ' αὖθις τὸν Κόιντον ἐπιπεψάντων, τόνδε μὲν Ὁπίμιος ὁ ὕπατος διὰ τὴν προαγόρευσιν, ὡς οὐκέτι πρεσβευτὴν ὄντα, συνελάμβανε, τοῖς δὲ περὶ τὸν Γράκχον τοὺς ὀπλισμένους ἐπέπεμπεν.

καὶ Γράκχος μὲν διὰ τῆς ξυλίνης γεφύρας ἐς τὸ πέραν τοῦ ποταμοῦ καταφυγὼν ἐς ἄλσος τι μεθ' ἐνὸς θεράποντος ὑπέσχε τῷ θεράποντι τὴν σφαγὴν καταλαμβανόμενος· Φλάκκου δ' ἐς ἐργαστήριον ἀνδρὸς γνωρίμου καταφυγόντος, οἱ μὲν διώκοντες, τὴν οἰκίαν οὐκ εἰδότες, ὅλον ἐμπρήσειν τὸν στενωπὸν ἠπεύλουν, ὁ δ' ὑποδεξάμενος αὐτὸς μὲν ὤκνησε μηνῦσαι τὸν ἰκέτην, ἐτέρῳ δὲ προσέταξε μηνῦσαι. καὶ συλληφθεὶς ὁ Φλάκκος ἀνηρέθη. Γράκχου μὲν δὴ καὶ Φλάκκου τὰς κεφαλὰς ἔφερόν τινες Ὁπιμῖω, καὶ αὐτοῖς ὁ Ὁπίμιος ἰσοβαρὲς χρυσίον ἀντέδωκεν· ὁ δὲ δῆμος αὐτῶν τὰς οἰκίας διήρπαξε, καὶ τοὺς συμφρονήσαντας ὁ Ὁπίμιος συλλαβὼν ἐς τὴν φυλακὴν ἐνέβαλέ τε καὶ ἀποπνιγῆναι προσέταξε. Κοῖντῳ δὲ τῷ Φλάκκου παιδί συνεχώρησεν ἀποθανεῖν, ὡς θέλοι, καὶ τὴν πόλιν ἐπὶ τοῖς φόνοις ἐκάθαιρεν. ἡ δὲ βουλὴ καὶ νεῶν Ὁμονοίας αὐτὸν ἐν ἀγορᾷ προσέταξεν ἐγεῖραι.

[27] καὶ ἡ στάσις ἡ τοῦ δευτέρου Γράκχου ἐς τὰδε ἔληγε· νόμος τε οὐ πολὺ ὕστερον ἐκυρώθη τὴν γῆν, ὑπὲρ ἧς διεφέροντο, ἐξεῖναι πιπράσκειν τοῖς ἔχουσιν· ἀπείρητο γὰρ ἐκ Γράκχου τοῦ προτέρου καὶ τόδε. καὶ εὐθὺς οἱ πλούσιοι παρὰ τῶν πενήτων ἑωνοῦντο, ἢ ταῖςδε ταῖς προφάσεσιν ἐβιάζοντο. καὶ περιῆν ἐς χεῖρον ἔτι τοῖς πένησι, μέχρι Σπούριος Θόριος δημαρχῶν εἰσηγήσατο νόμον, τὴν μὲν γῆν μηκέτι διανέμειν, ἀλλ' εἶναι τῶν ἐχόντων, καὶ φόρους ὑπὲρ αὐτῆς τῷ δήμῳ κατατίθεσθαι καὶ τὰδε τὰ χρήματα χωρεῖν ἐς διανομάς. ὅπερ ἦν μὲν τις τοῖς πένησι παρηγορία διὰ τὰς διανομάς, ὄφελος δ'

οὐδὲν ἐς πολυπληθίαν. ἅπαξ δὲ τοῖς σοφίσμασι τοῖσδε τοῦ Γρακχείου νόμου παραλυθέντος, ἀρίστου καὶ ὠφελιμωτάτου, εἰ ἐδύνατοπραχθῆναι, γενομένου, καὶ τοὺς φόρους οὐ πολὺ ὕστερον διέλυσε δῆμαρχος ἕτερος, καὶ ὁ δῆμος ἀθρόως ἀπάντων ἐξεπεπτώκει. ὅθεν ἐσπάνιζον ἔτι μᾶλλον ὁμοῦ πολιτῶν τε καὶ στρατιωτῶν καὶ γῆς προσόδου καὶ διανομῶν καὶ νομῶν, πεντεκαίδεκα μάλιστα ἔτεσιν ἀπὸ τῆς Γράκχου νομοθεσίας, ἐπὶ δίκαις ἐν ἀργία γεγονότες.

[28] τῷ δ' αὐτῷ χρόνῳ Σκιπίων ὑπατος καθεῖλε τὸ θέατρον, οὗ Λεύκιος Κάσσιος ἦρκετο καὶ ἤδη που τέλος ἐλάμβανεν, ὥς καὶ τότε στάσεων ἄρξον ἐτέρων ἢ οὐ χρήσιμον ὅλως Ἑλληνικαῖς ἡδυπαθείαις Ῥωμαίους ἐθίζεσθαι. τιμητῆς δὲ Κόιντος Καικίλιος Μέτελλος Γλαυκίαν τε βουλευόντα καὶ Ἀπουλήιον Σατορνῖνον δεδημαρχηκότα ἤδη τῆς ἀξιώσεως παρέλυνεν, αἰσχροῶς βιοῦντας, οὐ μὴν ἐδυνήθη: ὁ γάρ οἱ συνάρχων οὐ συνέθετο. μικρὸν οὖν ὕστερον ὁ Ἀπουλήιος ὡς ἀμννούμενος τὸν Μέτελλον ἐς ἑτέραν παρήγγελλε δημαρχίαν, φυλάξας στρατηγοῦντα τὸν Γλαυκίαν καὶ τῆσδε τῶν δημάρχων τῆς χειροτονίας προεστῶτα. Νώνιος μὲν οὖν, ἐπιφανὴς ἀνὴρ, ἔς τε τὸν Ἀπουλήιον παρρησίᾳ χρώμενος καὶ Γλαυκίαν ἐξονειδίζων δῆμαρχος ἀπεδείχθη. δείσαντες δ' ὁ Γλαυκίας καὶ ὁ Ἀπουλήιος, μὴ δημαρχῶν αὐτοὺς ἀμύναιτο, ὄχλον ἀνδρῶν εὐθύς ἀπὸ τῆς ἐκκλησίας ἀπίνοντι ἐπιτέμπουσι σὺν θορύβῳ καὶ ἔς τι πανδοχεῖον συμφυγόντα κατεκέντησαν. τοῦ δὲ πάθους οἰκτροῦ καὶ δεινοῦ φανέντος οἱ περὶ τὸν Γλαυκίαν, οὐπω τοῦ δήμου συνελθόντος, ἅμ' ἑφ' χειροτονοῦσι δῆμαρχον τὸν Ἀπουλήιον.

καὶ τὸ μὲν Νωνίου πάθος ὧδε ἐσιγήθη διὰ τὴν δημαρχίαν Ἀπουληίου, δεδιότων αὐτὸν ἔτι ἐξελέγγχειν: [29] ἐξηλάθη δὲ καὶ Μέτελλος ὑπ' αὐτῶν, προσλαβόντων Γάιον Μάριον ἔκτην ἄρχοντα ὑπατείαν, ἐχθρὸν ἀφανῆ τοῦ Μετέλλου. καὶ συνέπραξαν ὧδε ἅπαντες ἀλλήλοις. ὁ μὲν Ἀπουλήιος νόμον ἐσέφερε διαδάσασθαι γῆν, ὅσῃν ἐν τῇ νῦν ὑπὸ Ῥωμαίων καλουμένη Γαλατία Κίμβροι γένος Κελτῶν κατεilhέφσαν, καὶ αὐτοὺς ὁ Μάριος ἑναγχος ἐξελάσας τὴν γῆν ὡς οὐκέτι Γαλατῶν ἐς Ῥωμαίους περιεσπάκει. προσέκειτο δέ, εἰ κυρώσειε τὸν νόμον ὁ δῆμος, τὴν βουλὴν πένθ' ἡμέραις ἐπομόσαι πεισθήσεσθαι τῷ νόμῳ, ἢ τὸν οὐκ ὁμόσαντα μήτε βουλευεῖν καὶ ὀφλεῖν τῷ δήμῳ τάλαντα εἴκοσιν, ὑπονοοῦντες οὕτως ἄλλους τε τῶν δυσχεραινόντων ἀμυνεῖσθαι καὶ Μέτελλον ὑπὸ φρονήματος οὐκ ἐνδῶσοντα ἐς τὸν ὄρκον. ὁ μὲν δὴ νόμος ὧδε εἶχεν, καὶ ὁ Ἀπουλήιος ἡμέραν αὐτοῦ τῇ δοκιμασίᾳ προυτίθει καὶ περιέπεμπε τοὺς ἐξαγγέλλοντας τοῖς οὖσιν ἀνὰ τοὺς ἀγρούς, οἷς δὴ καὶ μάλιστ' ἐθάρρουν ὑπεστρατευμένοις Μαρίῳ. πλεονεκτούντων δ', ἐν τῷ νόμῳ τῶν Ἰταλιωτῶν ὁ δῆμος ἐδυσχεραίνε.

[30] καὶ στάσεως ἐν τῇ κυρίᾳ γενομένης, ὅσοι μὲν ἐκώλυον τῶν δημάρχων τοὺς νόμους, ὑβριζόμενοι πρὸς τοῦ Ἀπουληίου κατεπῆδων ἀπὸ τοῦ βήματος, ὁ δὲ πολιτικὸς ὄχλος ἐβόα ὡς γενομένης ἐν ἐκκλησίᾳ βροντῆς, ὅθεν οὐ θέμις ἐστὶ Ῥωμαίοις οὐδὲν ἔτι κυροῦν. βιαζομένων δὲ καὶ ὥς τῶν περὶ τὸν Ἀπουλήιον οἱ πολιτικοὶ τά τε ἱμάτια διαζωσάμενοι καὶ τὰ προστυχόντα ξύλα ἀρπάσαντες τοὺς ἀγροίκους διέστησαν. οἱ δ' αὖθις ὑπὸ τοῦ Ἀπουληίου συγκαλούμενοι μετὰ ξύλων καὶ οἷδε τοῖς ἀστικοῖς ἐπήεσαν καὶ βιασάμενοι τὸν νόμον ἐκύρωσαν. κυρωθέντος δ' αὐτίκα Μάριος οἶα ὑπατος τῇ βουλῇ

προϋτίθει σκοπεῖν περὶ τοῦ ὄρκου· καὶ τὸν Μέτελλον εἰδὼς στερρόν τε τῇ γνώμῃ καὶ βέβαιον ἐφ' ὃ τι φρονήσειεν ἢ εἰπεῖν φθάσειεν, ἐτίθει πρῶτος ἐς μέσον τὴν γνώμην τὴν ἑαυτοῦ μετ' ἐνέδρας καὶ ἔλεγεν, ὡς οὐποτε τὸν ὄρκον ἐκὼν τόνδε αὐτὸς ὁμόσει. συναποφηνάμενου δὲ ταῦτα καὶ τοῦ Μετέλλου καὶ τῶν ἄλλων αὐτοὺς ἐπαινέσαντων, ὁ Μάριος διέλυσε τὴν βουλὴν. εἴτα τῆς πέμπτης ἡμέρας, ἡ τῷ ὄρκῳ τελευταία κατὰ τὸν νόμον ἦν, ἀμφὶ δεκάτην ὥραν αὐτοὺς κατὰ σπουδὴν συναγαγὼν ἔφη τὸν δῆμον ἐσπουδακότα περὶ τὸν νόμον δεδιέναι, μηχανὴν δ' ὄραν καὶ σόφισμα τοιόνδε· ὁμόσειν γάρ, ἥ νόμος ἐστί, τῷδε πεισθῆσθαι τῷ νόμῳ, καὶ νῦν μὲν οὕτω διασκεδᾶν τοὺς ἀπὸ τῶν ἀγρῶν ἐνηδρευμένους, ὕστερον δ' οὐ δυσχερῶς ἐπιδείξειν, ὅτι οὐκ ἐστὶ νόμος ὁ πρὸς βίαν τε καὶ βροντῆς ὠνομασμένης κεκυρωμένος παρὰ τὰ πάτρια.

[31] ταῦτα δ' εἰπὼν καὶ τέλος οὐδὲν ἀναμείνας, πάντων ἔτι σιωπῶντων ὑπ' ἐκπλήξεως ἐπὶ τῇ ἐνέδρᾳ καὶ τῷ χρόνῳ δεδαπανημένῳ, οὐδ' ἐνθυμηθῆναι τι παρασχὼν αὐτοῖς ἐξανίστατο ἐς τὸν τοῦ Κρόνου νεῶν, οὗ τοῖς ταμίαις ἐχρῆν ὀμνύναι, καὶ ὦμνυε σὺν τοῖς φίλοις πρῶτος. ὦμνυον δὲ καὶ οἱ λοιποί, τὸ ἑαυτοῦ δεδιὼς ἕκαστος· Μέτελλος δ' οὐκ ὦμωσε μόνος, ἀλλ' ἐπὶ τῆς ἑαυτοῦ προαιρέσεως διέμεινεν ἀφόβως. καὶ αὐτὸν εὐθὺς τῆς ἐπιούσης ὁ Ἀπουλήιος ἐπιτέμψας τὸν ὑπρέτην ἐξεῖλκεν ἀπὸ τοῦ βουλευτηρίου. ῥυομένων δὲ τῶν ἐτέρων δημάρχων, ὁ Γλαυκίας καὶ ὁ Ἀπουλήιος ἐς τοὺς ἀγροίκους ἐκδραμόντες οὐκ ἔφασκον αὐτοῖς ἔσεσθαι τὴν γῆν οὐδὲ τὸν νόμον κύριον, εἰ μὴ Μέτελλος ἐξελαθεῖν. ψήφισμά τε φυγῆς ἐπέγραφον αὐτῷ καὶ τοὺς ὑπάτους ἐπικηρῶσαι προσετίθεσαν μηδένα Μετέλλῳ κοινωνεῖν πυρὸς ἢ ὕδατος ἢ στέγης· ἔς τε τὴν δοκιμασίαν τοῦδε τοῦ ψηφίσματος ἡμέραν προύγραφον. δεινῆς δὲ τῶν ἀστικῶν ἀγανακτήσεως οὔσης καὶ παραπεμπόντων Μέτελλον αἰεὶ σὺν ξιφιδίοις, ὁ Μέτελλος αὐτοὺς ἀσπασάμενος καὶ ἐπαινέσας τῆς προαιρέσεως οὐκ ἔφη δι' ἑαυτὸν ἑάσειν οὐδένα κίνδυνον ἐπιγενέσθαι τῇ πατρίδι. καὶ τότε εἰπὼν ὑπεξήλθε τῆς πόλεως. καὶ τὸ ψήφισμα ὁ Ἀπουλήιος ἐκύρου, καὶ τὰ ἐν τῷ ψηφίσματι Μάριος ἐπεκέρυττεν.

[32] οὕτω μὲν δὴ καὶ Μέτελλος, ἀνὴρ εὐδοκιμώτατος, ἔφευγε, καὶ ὁ Ἀπουλήιος ἐπ' αὐτῷ τρίτον ἐδημάρχει. καὶ τις αὐτῷ συνῆρχε δραπέτης εἶναι νομιζόμενος, Γράκχον ἑαυτῷ τὸν πρεσβύτερον πατέρα ἐπιγράφων. καὶ τὸ πλῆθος αὐτῷ συνεπεπράχει περὶ τὴν χειροτονίαν πόθῳ Γράκχου. προτεθείσης δὲ ὑπάτων χειροτονίας, Μάρκος μὲν Ἀντώνιος ἐπὶ τὴν ἐτέραν ἀναμφιλόγως ἡρέθη, τὴν δὲ ὑπόλοιπον Γλαυκίας ὁδε καὶ Μέμμιος μετήεσαν. Μεμμίου δ' ὄντος ἐπιδοξότερου παρὰ πολὺ, δείσας ὁ Γλαυκίας καὶ ὁ Ἀπουλήιος ἐπιτέμπουσί τινες αὐτῷ σὺν ξύλοις ἐν αὐτῇ τῇ χειροτονίᾳ, οἱ τὸν Μέμμιον παίοντες ἐν μέσῳ πάντων ὁρῶντων συνέκοψαν.

καὶ ἡ μὲν ἐκκλησία θορυβηθεῖσα διελύετο οὔτε νόμων οὔτε δικαστηρίων οὔτε τινὸς αἰδοῦς ἔτι ὑπόουσης· ὁ δὲ δῆμος ἀγανακτῶν ἐς τὴν ἐπιούσαν ἡμέραν μετ' ὀργῆς συνέτρεχεν ὡς κτενοῦντες τὸν Ἀπουλήιον. ὁ δ' ἄλλο πλῆθος ἀλίσας ἀπὸ τῶν ἀγρῶν μετὰ Γλαυκίου καὶ Γαῖου Σαυρηίου ταμίου τὸ Καπιτώλιον κατέλαβε. καὶ αὐτοὺς τῆς βουλῆς ἀναιρεθῆναι ψηφισαμένης ὁ Μάριος ἀχθόμενος ὁμῶς ὥπλιζέ τινας σὺν ὄκνῃ· καὶ βραδύνοντος ἕτεροι τὸ

ὑδωρ τὸ ἐπιρρέον ἐς τὸ ἱερὸν διέτεμον. καὶ Σαυφήιος μὲν ἐμπρῆσαι τὸν νεῶν, ὑπὸ δίφης ἀπολλύμενος, ἤξιου, Γλαυκίας δὲ καὶ Ἀπουλήιος ἐλπίσαντες αὐτοῖς ἐπικουρήσιν Μάριον παρέδωκαν ἑαυτούς, οἷδε πρῶτοι, καὶ ἐπ' ἐκείνοις ὁ Σαυφήιος. Μάριος δ', αὐτίκα πάντων αὐτοὺς ἀναιρεῖν κελευόντων, ἐς τὸ βουλευτήριον συνέκλεισεν ὡς ἐννομώτερον ἐργασόμενος. οἱ δὲ πρόφασιν τοῦτ' εἶναι νομίσαντες τὸν κέραμον ἐξέλουν τοῦ βουλευτηρίου καὶ τοὺς ἀμφὶ τὸν Ἀπουλήιον ἔβαλλον, ἕως ἀπέκτειναν, ταμίαν τε καὶ δήμαρχον καὶ στρατηγόν, ἔτι περικειμένους τὰ σύμβολα τῆς ἀρχῆς.

[33] πολὺς δὲ καὶ ἄλλος ὄμιλος ἐν τῇ στάσει διέφθαρτο καὶ δήμαρχος ἕτερος, ὁ τοῦ Γράκχου παῖς εἶναι νομιζόμενος, πρώτην δημαρχῶν ἐκείνην ἡμέραν, οὐδένα ἔτι ὠφελοῦσης οὔτε ἐλευθερίας οὔτε δημοκρατίας οὔτε νόμων οὔτε ἀξιώσεως οὔτε ἀρχῆς, ὅπου καὶ ἡ τῶν δημάρχων ἕς τε κάλυσιν ἀμαρτημάτων καὶ ἐς ἐπικούρησιν τῶν δημοτῶν γενομένη, ἱερὰ καὶ ἄσυλος οὔσα, τοιάδε ὕβριζε καὶ τοιάδε ἔπασχεν. ἀναιρεθέντων δὲ τῶν ἀμφὶ τὸν Ἀπουλήιον ἡ μὲν βουλὴ καὶ ὁ δῆμος ἐκεκράγεσαν κατακαλεῖν Μέτελλον, Πούπλιος δὲ Φούριος δήμαρχος, οὐδ' ἐλευθέρου πατρός, ἀλλ' ἐξελευθέρου, θρασέως ἐνίστατο αὐτοῖς καὶ οὐδὲ Μετέλλου τοῦ Μετέλλου παιδὸς ἰκετεύοντος αὐτὸν ἐν ὧσιν τοῦ δήμου καὶ δακρύοντος καὶ τοῖς ποσὶ προσπίπτοντος ἐνεκλᾶο θη. ἀλλ' ὁ μὲν παῖς ἐκ τῆσδε τῆς ὧσεως Εὐσεβῆς ἐς τὸ ἔπειτα ἐκλήθη, τοῦ δ' ἐπιόντος ἔτους Φούριον μὲν ἐπὶ τῷδε ἐς δίκην Γάιος Κανουλῆιος δήμαρχος ὑπῆγε, καὶ ὁ δῆμος οὐδὲ τοὺς λόγους ὑπομείνας διέσπασε τὸν Φούριον: οὕτως αἰεὶ τι μῦσος ἐκάστου ἔτους ἐπὶ τῆς ἀγορᾶς ἐγίνετο: Μετέλλω δ' ἡ κάθοδος ἐδόθη, καὶ φασιν αὐτῷ τὴν ἡμέραν οὐκ ἀρκέσαι περὶ τὰς πύλας δεξιούμενῳ τοὺς ἀπαντῶντας.

τρίτον μὲν δὴ τότε ἔργον ἐμφύλιον ἦν τὸ Ἀπουλίου, μετὰ δύο τὰ Γράκχεια, καὶ τοσάδε εἵργαστο Ῥωμαῖους: [34] οὕτω δ' ἔχουσιν αὐτοῖς ὁ συμμαχικὸς καλούμενος πόλεμος ἐπιγίνεται ἐθνῶν ἀνὰ τὴν Ἰταλίαν πολλῶν, ἀρξάμενός τε παραδόξως, καὶ ἀθρόως ἐπὶ μέγα προελθὼν, καὶ τὰς στάσεις ἐν Ῥώμῃ σβέσας ὑπὸ δέους ἐπὶ πολὺ. λήγων δὲ καὶ ὁδε στάσεις τε ἄλλας καὶ στασιάρχους δυνατωτέρους ἀνέθρεψεν οὐ νόμων εἰσηγήσεσιν ἔτι οὐδὲ δημοκοπίαις, ἀλλὰ ἀθρόοις στρατεύμασι κατ' ἀλλήλων χρωμένους. καὶ αὐτὸν διὰ τὰδε συνήγαγον ἐς τήνδε τὴν συγγραφὴν, ἕκ τε τῆς ἐν Ῥώμῃ στάσεως ἀρξάμενον καὶ ἐς πολὺ χεῖρονα στάσιν ἐτέραν ἐκπεσόντα. ἤρξατο δὲ ὧδε.

Φούλβιος Φλάκκος ὑπατεῶν μάλιστα δὴ πρῶτος ὅδε ἐς τὸ φανερώτατον ἠρέθιζε τοὺς Ἰταλιώτας ἐπιθυμεῖν τῆς Ῥωμαίων πολιτείας ὡς κοινωνοὺς τῆς ἡγεμονίας ἀντὶ ὑπηκόων ἐσομένων. εἰσηγούμενος δὲ τὴν γνώμην καὶ ἐπιμένων αὐτῇ καρτερῶς, ὑπὸ τῆς βουλῆς ἐπὶ τινα στρατείαν ἐξεπέμφθη διὰ τότε. ἐν ἣ τῆς ὑπατείας αὐτῷ δεδαπανημένης, ὁ δὲ καὶ δημαρχεῖν εἴλετο μετ' αὐτὴν καὶ ἔπραξε γενέσθαι σὺν Γράκχῳ τῷ νεωτέρῳ, τοιάδε ἄλλα ὑπὲρ τῆς Ἰταλίας ἐσφέροντι κἀκείνῳ. ἀναιρεθέντων δὲ ἀμφοῖν, ὥς μοι προεῖρηται, πολὺ μᾶλλον ἠρέθιστο ἡ Ἰταλία: οὔτε γὰρ ἡξίου ἐν ὑπηκόων ἀντὶ κοινωνῶν εἶναι μέρει οὔτε Φλάκκον καὶ Γράκχον ὑπὲρ αὐτῶν πολιτεύοντας τοιάδε παθεῖν.

[35] ἐπὶ δὲ ἐκείνοις καὶ Λίβιος Δροῦσος δημαρχῶν, ἀνὴρ ἐπιφανέστατος ἐκ

γένους, δεθηεῖσι τοῖς Ἰταλιώταις νόμον αὐθις ἐσενεγκεῖν περὶ τῆς πολιτείας ὑπέσχετο· τούτου γὰρ δὴ μάλιστα ἐπεθύμουν ὥς ἐνὶ τῷδε αὐτίκα ἡγεμόνες ἀντὶ ὑπηκόων ἐσόμενοι. ὁ δὲ τὸν δῆμον ἐς τοῦτο προθεραπεύων ὑπήγετο ἀποικίαις πολλαῖς ἔς τε τὴν Ἰταλίαν καὶ Σικελίαν ἐψηφισμέναις μὲν ἐκ πολλοῦ, γεγονυῖαις δὲ οὐπω. τὴν τε βουλὴν καὶ τοὺς ἱππέας, οἱ μάλιστα δὴ τότε ἀλλήλοις διὰ τὰ δικαστήρια διεφέροντο, ἐπὶ κοινῷ νόμῳ συναγαγεῖν ἐπειρᾶτο, σαφῶς μὲν οὐ δυνάμενος ἐς τὴν βουλὴν ἐπανενεκεῖν τὰ δικαστήρια, τεχνάζων δ' ἐς ἑκατέρους ὤδε. τῶν βουλευτῶν διὰ τὰς στάσεις τότε ὄντων μόλις ἀμφὶ τοὺς τριακοσίους, ἐτέρους τοσοῦσδε αὐτοῖς ἀπὸ τῶν ἱππέων εἰσηγεῖτο ἀριστίνδην προσκαταλεγῆναι καὶ ἐκ τῶνδε πάντων ἐς τὸ μέλλον εἶναι τὰ δικαστήρια· εὐθύνας τε ἐπ' αὐτῶν γίνεσθαι δωροδοκίας προσέγραφεν, ἐγκλήματος ἴσα δὴ καὶ ἀγνωστομένου διὰ τὸ ἔθος τῆς δωροδοκίας ἀνέδην ἐπιπολαζούσης.

ὁ μὲν δὴ τὰδε πρὸς ἑκατέρους ἐπενόει, περιήλθε δὲ ἐς τὸ ἐναντίον αὐτῷ. ἡ γὰρ βουλὴ χαλεπῶς ἔφερεν ἀθρόως αὐτῇ τοσοῦσδε προσκαταλεγῆναι καὶ ἐξ ἱππέων ἐς τὸ μέγιστον ἀξίωμα μεταβῆναι, οὐκ ἀδόκητον ἡγουμένη καὶ βουλευτὰς γενομένους κατὰ σφᾶς ἔτι δυνατότερον τοῖς προτέροις βουλευταῖς στασιάσειν· οἱ τε ἱππεῖς ὑπώπτευον, ὅτι τῇδε τῇ θεραπείᾳ πρὸς τὸ μέλλον ἐς τὴν βουλὴν μόνην τὰ δικαστήρια ἀπὸ τῶν ἱππέων περιφέροιτο, γευσάμενοί τε κερδῶν μεγάλων καὶ ἐξουσίας οὐκ ἀλύπως τὴν ὑπόνοιαν ἔφερον. τό τε πλῆθος αὐτῶν ἐν ἀπορίᾳ σφᾶς ἐποίει καὶ ὑποψία πρὸς ἀλλήλους, τίνες ἀξιώτεροι δοκοῦσιν ἐς τοὺς τριακοσίους καταλεγῆναι· καὶ τοῖς λοιποῖς φθόνος ἐς τοὺς κρείττους ἐσῆι· ὑπὲρ ἅπαντα δ' ἡγανάκτουν ἀναφυομένου τοῦ τῆς δωροδοκίας ἐγκλήματος, ὃ τέως ἡγούντο καρτερῶς ὑπὲρ αὐτῶν πρόρριζον ἐσβέσθαι.

[36] οὕτω μὲν δὴ καὶ οἱ ἱππεῖς καὶ ἡ βουλὴ, καίπερ ἔχοντες ἀλλήλοις διαφόρως, ἐς τὸ Δρούσου μῖσος συνεφρόνουν, καὶ μόνος ὁ δῆμος ἔχαιρε ταῖς ἀποικίαις. οἱ Ἰταλιῶται δ', ὑπὲρ ὧν δὴ καὶ μάλιστα ὁ Δρούσος ταῦτα ἐτέχνάζε, καὶ οἶδε περὶ τῷ νόμῳ τῆς ἀποικίας ἐδεδοίκεσαν, ὥς τῆς δημοσίας Ῥωμαίων γῆς, ἣν ἀνέμητον οὐσαν ἔτι οἱ μὲν ἐκ βίας, οἱ δὲ λανθάνοντες ἐγεώργουν, αὐτίκα σφῶν ἀφαιρεθησομένης, καὶ πολλὰ καὶ περὶ τῆς ἰδίας ἐνοχλησόμενοι. Τυρρηνοὶ τε καὶ Ὀμβρικοὶ ταῦτ' ἀειμαίνοντες τοῖς Ἰταλιώταις καί, ὥς ἐδόκει, πρὸς τῶν ὑπάτων ἐς τὴν πόλιν ἐπαχθέντες ἔργῳ μὲν ἐς ἀναίρεσιν Δρούσου, λόγῳ δ' ἐς κατηγορίαν, τοῦ νόμου φανερώς κατεβῶν καὶ τὴν τῆς δοκιμασίας ἡμέραν ἀνέμενον. ὧν ὁ Δρούσος αἰσθανόμενός τε καὶ οὐ θαμινὰ προΐων, ἀλλ' ἔνδον ἐν περιπάτῳ βραχὺ φῶς ἔχοντι χρηματίζων ἀεὶ καὶ περὶ ἐσπέραν τὸ πλῆθος ἀποπέμπων ἐξεβόησεν ἄφρων πεπληῆσθαι καὶ λέγων ἔτι κατέπεσεν. εὐρέθη δὲ ἐς τὸν μηρὸν αὐτῷ σκυτοτόμου μαχαίριον ἐμπεπηγμένον.

[37] οὕτω μὲν δὴ καὶ Δρούσος ἀνήρητο δημαρχῶν. καὶ οἱ ἱππεῖς ἐπίβασιν ἐς συκοφαντίαν τῶν ἐχθρῶν τὸ πολίτευμα αὐτοῦ τιθέμενοι, Κόιντον Οὐράιον δήμαρχον ἔπεισαν εἰσηγήσασθαι κρίσεις εἶναι κατὰ τῶν τοῖς Ἰταλιώταις ἐπὶ τὰ κοινὰ φανερώς ἢ κρύφα βοηθούντων, ἐλπίσαντες τοὺς δυνατοὺς ἅπαντας αὐτίκα εἰς ἔγκλημα ἐπίφθονον ὑπάξεσθαι καὶ δικάσειν μὲν αὐτοῖ, γενομένων

δ' ἐκείνων ἐκποδὼν δυνατότερον ἔτι τῆς πόλεως ἐπάρξειν. τὸν μὲν δὴ νόμον ἀπαγορευόντων τῶν ἐτέρων δημάρχων μὴ τίθεσθαι, περιστάντες οἱ ἱππεῖς σὺν ξιφιδίοις γυμνοῖς ἐκύρωσαν: ὡς δ' ἐκεκύρωτο, αὐτίκα τοῖς ἐπιφανεστάτοις τῶν βουλευτῶν ἐπεγράφοντο κατήγοροι. καὶ Βηστίας μὲν οὐδ' ὑπακούσας ἐκὼν ἔφευγεν ὡς οὐκ ἐκδώσων ἑαυτὸν εἰς χεῖρας ἐχθρῶν, καὶ Κόττας ἐπ' ἐκείνῳ παρήλθε μὲν ἐς τὸ δικαστήριον, σεμνολογήσας δὲ ὑπὲρ ὧν ἐπεπολίτευτο, καὶ λοιδορησάμενος τοῖς ἱππεῦσι φανερῶς, ἐξήει τῆς πόλεως καὶ ὤδε πρὸ τῆς ψήφου: Μούμμιος δ', ὁ τὴν Ἑλλάδα ἐλὼν, αἰσχυρῶς ἐνεδρευθεὶς ὑπὸ τῶν ἱππέων ὑποσχομένων αὐτὸν ἀπολύσειν κατεκρίθη φεύγειν καὶ ἐν Δήλῳ διεβίωσεν.

[38] ἐπιπολάζοντος δ' ἐς πολὺ τοῦ κακοῦ κατὰ τῶν ἀρίστων, ὃ τε δῆμος ἤχθετο τοιῶνδε καὶ τοσάδε εἰργασμένων ἀνδρῶν ἀθρόως ἀφαιρούμενος, καὶ οἱ Ἴταλοι τοῦ τε Δρούσου πάθους πυνθανόμενοι καὶ τῆς ἐς τὴν φυγὴν τούτων προφάσεως, οὐκ ἀνασχετὸν σφίσι ἐτι ἡγούμενοι τοὺς ὑπὲρ σφῶν πολιτεύοντας τοιάδε πάσχειν οὐδ' ἄλλην τινὰ μηχανὴν ἐλπίδος ἐς τὴν πολιτείαν ἔτι ὀρῶντες, ἔγνωσαν ἀποστῆναι Ῥωμαίων ἄντικρυς καὶ πολεμεῖν αὐτοῖς κατὰ κράτος. κρύφα τε διεπρεσβεύοντο συντιθέμενοι περὶ τῶνδε καὶ ὄμηρα διέπεμπον ἐς πίστιν ἀλλήλοις.

ὧν ἐς πολὺ μὲν οὐκ ἐπήσθοντο Ῥωμαῖοι διὰ τὰς ἐν ἄστει κρίσεις τε καὶ στάσεις: ὡς δ' ἐπύθοντο, περιέπεμπον ἐς τὰς πόλεις ἀπὸ σφῶν τοὺς ἐκάστοις μάλιστα ἐπιτηδεῖους, ἀφανῶς τὰ γιγόμενα ἐξετάζειν. καὶ τις ἐκ τούτων μεράκιον ὄμηρον ἰδὼν ἐξ Ἀσκλου πόλεως ἐς ἐτέραν ἀγόμενον ἐμήνυσε τῷ περὶ τὰ χωρία ἀνθυπάτῳ Σερουιλίῳ. ἦσαν γάρ, ὡς ἔοικε, τότε καὶ τῆς Ἰταλίας ἄρχοντες ἀνθύπατοι κατὰ μέρη: ὃ καὶ Ἀδριανὸς ἄρα μιμούμενος ὕστερον χρόνῳ πολλῷ, τὴν αὐτοκράτορα ἀρχὴν Ῥωμαίοις ἡγούμενος, ἀνεκαίνισε, καὶ μετ' αὐτὸν ἐπέμεινεν ἐς βραχύ. ὁ δὲ Σερουίλιος θερμότερον ἐσδραμὼν ἐς τὸ Ἀσκλον καὶ πανηγυρίζουσι τοῖς Ἀσκλαίοις χαλεπῶν ἀπειλῶν ἀνηρέθη ὡς ὑπὸ ἤδη πεφωραμένων. ἐπανηρέθη δ' αὐτῷ καὶ Φοντήιος, ὃς ἐπρέσβευεν αὐτῷ: καλοῦσι δ' οὕτω τοὺς τοῖς ἡγεμόσι τῶν ἐθνῶν ἐκ τῆς βουλῆς ἐπομένους ἐς βοήθειαν. πεσόντων δὲ τῶνδε, οὐδὲ τῶν ἄλλων Ῥωμαίων τις ἦν φειδώ, ἀλλὰ τοὺς παρὰ σφίσι πάντας οἱ Ἀσκλαῖοι συνεκέντουν ἐπιτρέχοντες καὶ τὰ ὄντα αὐτοῖς διήρπαζον.

[39] ἐκραγεῖσης δὲ τῆς ἀποστάσεως ἅπαντα, ὅσα τοῖς Ἀσκλαίοις ἔθνη γείτονα ἦν, συνεξέφαινε τὴν παρασκευὴν, Μάρσοι τε καὶ Παιλίγνοι καὶ Οὐηστῖνοι καὶ Μαρρουκῖνοι καὶ ἐπὶ τούτοις Πικεντῖνοι καὶ Φρεντανοὶ καὶ Ἴρπῖνοι καὶ Πομπητιανοὶ καὶ Οὐενούσιοι καὶ Ἰάπυγες, Λευκανοὶ τε καὶ Σαννῖται, χαλεπὰ Ῥωμαίοις καὶ πρὶν ἔθνη γενόμενα, ὅσα τε ἄλλα ἀπὸ Λίριος ποταμοῦ, ὃν νῦν μοι δοκοῦσι Λίτερνον ἡγεῖσθαι, ἐπὶ τὸν μυχόν ἐστι τοῦ Ἰονίου κόλπου πεζεύοντι καὶ περιπλέοντι. πέμψασι δ' αὐτοῖς ἐς Ῥώμην πρέσβεις αἰτιωμένους, ὅτι πάντα Ῥωμαίοις ἐς τὴν ἀρχὴν συνεργασάμενοι οὐκ ἀξιοῦνται τῆς τῶν βεβοηθημένων πολιτείας, ἢ βουλὴ μάλα καρτερῶς ἀπεκρίνατο, εἰ μεταγινώσκουσι τῶν γεγονότων, πρεσβεύειν ἐς αὐτήν, ἄλλως δὲ μή. οἱ μὲν δὴ πάντα ἀπογνόντες ἐς παρασκευὴν καθίσταντο: καὶ αὐτοῖς ἐπὶ τῷ κατὰ πόλιν στρατῷ κοινὸς ἦν ἱππέων τε καὶ πεζῶν ἕτερος ἐς δέκα

μυριάδας. καὶ Ῥωμαῖοι τὸν ἴσον αὐτοῖς ἀντεξέπεμπον ἀπὸ τε σφῶν αὐτῶν καὶ τῶν ἐτι συμμαχοῦντων σφίσιν ἐθνῶν τῆς Ἰταλίας.

[40] ἡγοῦντο δὲ Ῥωμαίων μὲν ὑπατοὶ Σέξτος τε Ἰούλιος Καῖσαρ καὶ Πόπλιος Ῥουτίλιος Λοῦπος· ἄμφω γὰρ ὡς ἐς μέγαν τε καὶ ἐμφύλιον πόλεμον ἐξήεσαν, ἐπεὶ καὶ τὰς πύλας οἱ ὑπόλοιποι καὶ τὰ τεῖχη διὰ χειρὸς εἶχον ὡς ἐπ' οἰκείῳ καὶ γείτονι μάλιστα ἔργῳ. τό τε ποικίλον τοῦ πολέμου καὶ πολυμερὲς ἐνθυμούμενοι ὑποστρατήγους τοῖς ὑπάτοις συνέπεμψαν τοὺς τότε ἀρίστους, ὑπὸ μὲν Ῥουτίλῳ Γναῖόν τε Πομπήιον, τὸν πατέρα Πομπήιου τοῦ Μάγνου παρονομασθέντος, καὶ Κόιντον Καιπίωνα καὶ Γάιον Περπένναν καὶ Γάιον Μάριον καὶ Οὐαλέριον Μεσσάλαν, ὑπὸ δὲ Σέξτῳ Καίσαρι Πούπλιον Λέντλον, ἀδελφὸν αὐτοῦ Καίσαρος, καὶ Τίτον Δίδιον καὶ Λικίνιον Κράσσον καὶ Κορνήλιον Σύλλαν καὶ Μάρκελλον ἐπὶ τοῖσδε. τοσοῖδε μὲν δὴ τοῖς ὑπάτοις διελόμενοι τὴν χώραν ὑπεστρατήγουν. καὶ πάντας ἐπεπορεύοντο οἱ ὑπατοὶ· καὶ αὐτοῖς οἱ Ῥωμαῖοι καὶ ἐτέρους ὡς ἐς μέγαν ἀγῶνα ἔπεμπον ἐκάστοτε. Ἰταλοῖς δ' ἦσαν μὲν στρατηγοὶ καὶ κατὰ πόλεις ἕτεροι, κοινοὶ δ' ἐπὶ τῷ κοινῷ στρατῷ καὶ τοῦ παντὸς αὐτοκράτορες Τίτος Λαφρήνιος καὶ Γάιος Ποντίλιος καὶ Μάριος Ἐγνάτιος καὶ Κόιντος Ποπαίδιος καὶ Γάιος Πάπιος καὶ Μᾶρκος Λαμπώνιος καὶ Γάιος Οὐδακίλιος καὶ Ἔριος Ἀσίνιος καὶ Οὐέττιος Σκάτων, οἱ τὸν στρατὸν ὁμοίως μερισάμενοι τοῖς Ῥωμαίων στρατηγοῖς ἀντεκαθέζοντο καὶ πολλὰ μὲν ἔδρασαν, πολλὰ δ' ἔπαθον. ὧν ἐκατέρων, ἐν κεφαλαίῳ φράσαι, τὰ ἀξιολογώτατα ἦν τοιάδε.

[41] Οὐέττιος μὲν Σκάτων Σέξτον Ἰούλιον τρεψάμενός τε καὶ δισχιλίους κτείνας ἐπὶ Αἰσερνίαν ἦλασε ῥωμαΐζουσας· καὶ αὐτὴν οἱ μὲν συντάττοντες, Λεύκιός τε Σκιπίων καὶ Λεύκιος Ἀκίλιος θεραπόντων ἐσθῆτας ὑποδύντες ἀπέδρασαν, χρόνῳ δὲ καὶ λιμῷ παρεστήσαντο οἱ πολέμιοι. Μάριος δὲ Ἐγνάτιος Οὐέναφρον ἐλὼν ἐκ προδοσίας ἔκτεινε δύο Ῥωμαίων σπεύρας ἐν αὐτῇ. Πρησενταῖος δὲ Πόπλιος Περπένναν μυρίων ἀνδρῶν ἡγούμενον ἐτρέψατο καὶ ἔκτεινεν ἐς τετρακισχιλίους καὶ τῶν λοιπῶν τοῦ πλέονος μέρους τὰ ὅπλα ἔλαβε· ἐφ' ὅτῳ Περπένναν Ῥουτίλιος ὑπατος παρέλυσεν τῆς στρατηγίας καὶ τὸ μέρος τοῦ στρατοῦ Γαῖῳ Μαρίῳ προσέθηκεν. Μᾶρκος δὲ Λαμπώνιος τῶν ἀμφὶ Λικίνιον Κράσσον ἀνείλεν ἐς ὀκτακοσίους καὶ τοὺς λοιποὺς ἐς Γρούμεντον πόλιν συνεδίωξε.

[42] Γάιος δὲ Πάπιος Νῶλάν τε εἶλεν ἐκ προδοσίας καὶ τοῖς ἐν αὐτῇ Ῥωμαίοις, δισχιλίοις οὖσιν, ἐκήρυξεν, εἰ μεταθοῖντο, στρατεύσειν ἑαυτῷ. καὶ τοῦσδε μὲν ὁ Πάπιος μεταθεμένους ἐστράτευεν· οἱ δ' ἡγεμόνες αὐτῶν οὐχ ὑπακούσαντες τῷ κηρύγματι ἐλήφθησαν αἰχμάλωτοι καὶ λιμῷ πρὸς τοῦ Παπίου διεφθάρησαν. Πάπιος δὲ καὶ Σταβίας εἶλε καὶ Μινέρουιον καὶ Σάλερνον, ἡ Ῥωμαίων ἄποικος ἦν· καὶ τοὺς ἐξ αὐτῶν αἰχμαλώτους τε καὶ δούλους ἐστράτευεν. ὡς δὲ καὶ Νουκερίας τὰ ἐν κύκλῳ πάντα κατέπρησεν, αἱ πλησίον αὐτῷ πόλεις καταπλαγεῖσαι προσετίθεντο στρατιάν τε αἰτοῦντι παρέσχον ἐς μυρίους πεζοὺς καὶ ἱππέας χιλίους· μεθ' ὧν ὁ Πάπιος Ἀχέρραις παρεκάθητο. Σέξτου δὲ Καίσαρος Γαλατῶν πεζοὺς μυρίους καὶ Νομάδας Μαυρουσίους ἱππέας καὶ πεζοὺς προσλαβόντος τε καὶ χωροῦντος ἐπὶ τὰς Ἀχέρρας, ὁ Πάπιος Ὀξύνταν, υἱὸν Ἰογόρθου τοῦ Νομάδων ποτὲ βασιλέως,

ὕπὸ Ῥωμαίων ἐν Οὐενουσίᾳ φυλαττόμενον, ἤγαγεν ἐκ τῆς Οὐενουσίας καὶ περιθίς αὐτῷ πορφύραν βασιλικὴν ἐπεδείκνυ θάμινά τοις Νομάσι τοῖς σὺν Καίσαρι. πολλῶν δ' ὥς πρὸς ἴδιον βασιλέα αὐτομολούντων ἀθρόως, τοὺς μὲν λοιποὺς τῶν Νομάδων ὥς ὑπόπτους ὁ Καῖσαρ ἐς Λιβύην ἀπέπεμψε, Πασίου δὲ πελάσαντος αὐτῷ σὺν καταφρονήσει καὶ μέρος ἤδη τοῦ χάρακος διασπῶντος, τοὺς ἱππέας ἐκπέμψας κατ' ἄλλας πύλας ἔκτεινε τοῦ Παπίου περὶ ἑξακισχιλίους. καὶ ἐπὶ τῷδε Καῖσαρ μὲν ἐξ Ἀχερρῶν ἀνεζεύγγυνεν, Οὐιδακιλίῳ δ' ἐν Ἰαπυγίᾳ προσετίθεντο Κανύσιοι καὶ Οὐενούσιοι καὶ ἕτεραι πόλεις πολλάι. τινὰς δὲ καὶ ἀπειθούσας ἐξεπολιόρκει, καὶ τῶν ἐν αὐταῖς Ῥωμαίων τοὺς μὲν ἐπιφανεῖς ἔκτεινε, τοὺς δὲ δημότας καὶ δούλους ἐστράτευσεν.

[43] Ῥουτίλιος δὲ ὁ ὕπατος καὶ Γάιος Μάριος ἐπὶ τοῦ Λίριος ποταμοῦ γεφύρας ἐς διάβασιν ἐξ οὗ πολλοῦ διαστήματος ἀπ' ἀλλήλων ἐπήγγυντο: καὶ Οὐέττιος Σκάτων αὐτοῖς ἀντεστρατοπέδευε παρὰ τὴν Μαρίου μάλιστα γέφυραν ἔλαθέ τε νυκτὸς περὶ τὴν Ῥουτιλίου γέφυραν λόχους ἐν φάραγξιν ἐνεδρεύσας. ἅμα δ' ἔφω τὸν Ῥουτίλιον διελθεῖν ὑπεριδὼν ἀνέστησε τὰς ἐνέδρας καὶ πολλοὺς μὲν ἔκτεινεν ἐπὶ τοῦ ξηροῦ, πολλοὺς δ' ἐς τὸν ποταμὸν κατῶσεν: ὃ τε Ῥουτίλιος αὐτὸς ἐν τῷδε τῷ πόνῳ βέλει τρωθεὶς ἐς τὴν κεφαλὴν μετ' ὀλίγον ἀπέθανε. καὶ Μάριος, ἐπὶ τῆς ἐτέρας ὦν γεφύρας τὸ συμβὰν ἐκ τῶν φερομένων κατὰ τὸ ρεῦμα σωμάτων εἰκάσας τοὺς ἐν ποσὶν ὥσατο καὶ τὸ ρεῦμα περάσας τὸν χάρακα τοῦ Σκάτωνος ὑπ' ὀλίγων φυλαττόμενον εἶλεν, ὥστε τὸν Σκάτωνα νυκτερεῦσαί τε, ἔνθαπερ ἐνίκησε, καὶ ἀποροῦντα ἀγορᾶς ἀναξεδῆαι περὶ τὴν ἔω. Ῥουτιλίου δὲ τοῦ σώματος καὶ πολλῶν ἄλλων ἐπιφανῶν ἐπὶ ταφήν ἐς Ῥώμην ἐνεχθέντων ἢ τε ὄψις ἀηδὴς ἦν ὑπάτου καὶ τοσῶνδε ἄλλων ἀνηρημένων καὶ πολυήμερον ἐπὶ τῷδε πένθος ἠγέρθη. καὶ ἀπὸ τοῦδε ἡ βουλὴ τοὺς ἀποθνήσκοντας ἐν τοῖς πολέμοις ἔκρινεν, ἔνθαπερ ἂν θάνωσι, θάπτεσθαι, τοῦ μὴ τοὺς λοιποὺς ἐκ τῆς ὄψεως ἀποτρέπεσθαι τῶν στρατειῶν. τὸ δ' αὐτὸ καὶ οἱ πολέμοι πυθόμενοι περὶ σφῶν ἐψηφίσαντο.

[44] Ῥουτιλίῳ μὲν δὴ διάδοχος ἐπὶ τὸ λοιπὸν τοῦ ἔτους οὐκ ἐγένετο, Σέξστου Καίσαρος οὐκ ἀγαγόντος σχολὴν διαδραμεῖν ἐπὶ ἀρχαιρέσια ἐς Ῥώμην: τῆς δ' ὑπ' αὐτῷ στρατιᾶς ἡ βουλὴ προσέταξεν ἄρχειν Γαίον τε Μάριον καὶ Κόιντον Καίπιωνα. τούτῳ τῷ Καίπιωνι Κόιντος Ποπαίδιος ὁ ἀντιστράτηγος οἶα τις αὐτόμολος προσέφυγεν, ἄγων καὶ διδόνς ἐνέχυρον δύο βρέφη δοῦλα, καθάπερ υἱεῖς, ἐσκευασμένα ἐσθῆσι περιπορφύροις: ἐς δὲ πίστιν ἔφερε καὶ μάζας ἐκ μολύβδου, χρυσῷ καὶ ἀργύρῳ περιβεβλημένας: καὶ ἔδειτο κατὰ σπουδὴν αὐτῷ τὸν Καίπιωνα ἔπεσθαι μετὰ τῆς στρατιᾶς ὡς καταληψόμενον αὐτοῦ τὸ στρατόπεδον ἔρημον ἔτι ἄρχοντος. Καίπιων μὲν δὴ πειθόμενος εἶπετο, Ποπαίδιος δὲ πλησίον τῆς ἐσκευασμένης ἐνέδρας γενόμενος ἀνέδραμεν ἐς τινὰ λόφον ὡς κατοψόμενος τοὺς πολεμίους καὶ σημεῖον αὐτοῖς ἐπῆρεν. οἱ δὲ ἐκφανέντες αὐτόν τε Καίπιωνα καὶ πολλοὺς σὺν αὐτῷ κατέκοψαν: καὶ τὸ λοιπὸν τῆς στρατιᾶς Καίπιωνος ἡ σύγκλητος Μαρῖον προσέξεν.

[45] Σέξστος δὲ Καῖσαρ μετὰ τρισμυρίων πεζῶν καὶ ἱππέων πεντακισχιλίων διεξιὼν τινὰ φάραγγα καὶ κρημνούς, ἄφνω προσπεσόντος αὐτῷ Μαρῖου

Ἐγνατίου, ἐς τὴν φάραγγα περιωσθεὶς ἔφυγεν ἐπὶ κλίνης διὰ νόσον ἐπὶ τινα ποταμόν, οὗ μία γέφυρα ἦν· καὶ ἐνταῦθα τὸ πλεόν τῆς στρατιᾶς ἀπολέσας καὶ τῶν ὑπολοίπων τὰ ὄπλα, μόλις ἐς Τεανὸν καταφυγὼν ὥπλιζεν, οὓς ἔτι εἶχεν, ὡς ἐδύνατο. ἐτέρου δὲ πλήθους αὐτῷ κατὰ σπουδὴν ἐπελθόντος, ἐπὶ Ἀχέρρας ἔτι πολιορκουμένας ὑπὸ τοῦ Παπίου μετῇει.

καὶ οἷδε μὲν ἀλλήλαις ἀντιστρατοπεδεύοντες οὐκ ἐπεχείρουν οὐδέτερος οὐδετέρῳ διὰ φόβον· [46] Μάρσους δὲ Κορνήλιος Σύλλας καὶ Γάιος Μάριος ἐπιθεμένους σφίσι συντόνως ἐδίωκον, μέχρι θριγκοῖς ἀμπέλων ἐμπεσεῖν αὐτούς· καὶ Μάρσοι μὲν τοὺς θριγκοὺς κακοπαθῶς ὑπερέβαινον, Μαρίῳ δὲ καὶ Σύλλᾳ διώκειν ὑπὲρ τούτους οὐκ ἔδοξεν. Κορνήλιος δὲ Σύλλας ἐπὶ θάτερα τῶνδε τῶν ἀμπέλων στρατοπεδεύων, αἰσθόμενος τοῦ γεγονότος ὑπὴντα τοῖς ἐκφεύγουσι τῶν Μάρσων καὶ πολλοὺς καὶ ὅδε ἀπέκτεινεν, ὡς τὸν φόνον ἐκείνης τῆς ἡμέρας γενέσθαι περὶ πλείους ἐξακισχιλίων, ὄπλα δ' ὑπὸ Ῥωμαίων ληφθῆναι πολὺ πλείονα.

Μάρσοι μὲν δὴ δίκην θηρίων, τῷ πταίσματι προσαναγκάζοντες, αὐθις ὥπλιζοντο καὶ παρεσκευάζοντο αὐτοῖς ἐπιέναι, προεπιχειρεῖν μὴ θαρροῦσι μηδὲ ἄρχειν μάχης· ἔστι γὰρ τὸ ἔθνος πολεμικώτατον, καὶ φασὶ κατ' αὐτοῦ θρίαμβον ἐπὶ τῷδε τῷ πταίσματι γενέσθαι μόνῳ, λεγόμενον πρότερον οὔτε κατὰ Μάρσων οὔτε ἄνευ Μάρσων γενέσθαι θρίαμβον.

[47] περὶ δὲ τὸ Φάλερνον ὄρος Γναῖον Πομπήιον Οὐδακίλιος καὶ Τίτος Λαφρήνιος καὶ Πόπλιος Οὐέτιος, ἐς ταῦτόν ἀλλήλοις συνελθόντες, ἐτρέποντο καὶ κατεδίωκον ἐς πόλιν Φίρμον. καὶ οἱ μὲν αὐτῶν ἐφ' ἕτερα ὄχοντο, Λαφρήνιος δὲ παρεκάθητο Πομπήϊῳ ἐς τὸ Φίρμον κατακεκλεισμένῳ. ὁ δ' αὐτίκα μὲν ὀπλίζων τοὺς ὑπολοίπους ἐς χεῖρας οὐκ ἦει, προσελθόντος δὲ ἐτέρου στρατοῦ Σουλπίκιον περιέπεμπεν ὀπίσω τοῦ Λαφρηνίου γενέσθαι καὶ αὐτὸς κατὰ μέτωπον ἐπῆει. γενομένης δ' ἐν χερσὶ τῆς μάχης καὶ πονουμένοιν ἀμφοῖν, ὁ Σουλπίκιος ἐνεπίμπρη τὸ τῶν πολεμίων στρατόπεδον, καὶ τοῦθ' οἱ πολέμιοι κατιδόντες ἐς Ἄσκλον ἔφευγον, ἀκόσμως ἅμα καὶ ἀστρατηγῆτως· Λαφρήνιος γὰρ ἐπεπτώκει μαχόμενος. Πομπήιος δὲ καὶ τὸ Ἄσκλον ἐπελθὼν ἐπολιόρκει.

[48] πατρίς δ' ἦν Οὐδακιλίου τὸ Ἄσκλον, καὶ δεδιὼς ὑπὲρ αὐτῆς ἠπείγετο, σπείρας ἄγων ὀκτώ. προέμψας τε τοῖς Ἀσκλαίοις ἐκέλευεν, ὅταν αὐτὸν ἴδωσι πόρρωθεν ἐπίνοντα, ἐκδραμεῖν ἐπὶ τοὺς περικαθημένους, ὡς τὸν ἀγῶνα τοῖς ἐχθροῖς ἐκατέρωθεν γενέσθαι· ἀλλὰ Ἀσκλαῖοι μὲν ἀπώκνησαν, ὁ δὲ Οὐδακίλιος καὶ ὡς ἐς τὴν πόλιν διὰ μέσων τῶν πολεμίων ἐσδραμὼν μεθ' ὅσων ἐδυνήθη, ὠνειδίσε μὲν αὐτοῖς τὴν ἀτολμίαν καὶ δυσπειθειαν, οὐκ ἐλπίζων δ' ἔτι τὴν πόλιν περιέσεσθαι, τοὺς μὲν ἐχθρούς, οἱ τέως αὐτῷ διεφέροντο καὶ τότε διὰ φθόνον τὸ πλῆθος ἐς ἃ παρήγγελλεν ἀπέτρεψαν, ἔκτεινε πάντας· ἐν δὲ ἱερῷ πυρὰν νήσας καὶ κλίνην ἐπιθείς ἐπὶ τῇ πυρᾷ, παρευωχήθη σὺν τοῖς φίλοις καὶ προϊόντος τοῦ πότου φάρμακόν τε προσηνέγκατο καὶ κατακλίνας αὐτὸν ἐπὶ τῆς πυρᾶς ἐκέλευσε τοῖς φίλοις ἄψαι τὸ πῦρ· καὶ Οὐδακίλιος μὲν ὧδε φιλοτιμηθεὶς πρὸ τῆς πατρίδος ἀποθανεῖν κατελύθη, Σέξστος δὲ Καῖσαρ ἐξήκοντος αὐτῷ τοῦ χρόνου τῆς ἀρχῆς ἀνθύπατος ὑπὸ τῆς βουλῆς αἰρεθεὶς ἐπέδραμεν ἀνδράσι δισμυρίοις

μεταστρατοπεδεύουσί ποι καὶ ἔκτεινεν αὐτῶν ἐς ὀκτακισχιλίους ὅπλα τε πολὺ πλείονων ἔλαβε. χρονίου δ' αὐτῷ τῆς περὶ τὸ Ἄσκλον οὔσης πολιορκίας, ἀποθνήσκων ἐκ νόσου ἀντιστράτηγον ἀπέφηνε Γάιον Βαίβιον.

[49] καὶ τάδε μὲν ἀμφὶ τὴν Ἰταλίαν ἦν τὴν περὶ τὸν Ἴόνιον: αἰσθόμενοι δ' αὐτῶν οἱ ἐπὶ θάτερα τῆς Ῥώμης Τυρρηνοὶ καὶ Ὀμβρικοὶ καὶ ἄλλα τινὰ αὐτοῖς ἔθνη γειτονέοντα, πάντες ἐς ἀπόστασιν ἠρεθίζοντο. δείσασα οὖν ἡ βουλὴ, μὴ ἐν κύκλῳ γενόμενος αὐτοῖς ὁ πόλεμος ἀφύλακτος ᾗ, τὴν μὲν θάλασσαν ἐφρούρει τὴν ἀπὸ Κύμης ἐπὶ τὸ ἄστυ δι' ἀπελευθέρων, τότε πρῶτον ἐς στρατείαν δι' ἀπορίαν ἀνδρῶν καταλεγέντων, Ἰταλιωτῶν δὲ τοὺς ἔτι ἐν τῇ συμμαχίᾳ παραμένοντας ἐψηφίσατο εἶναι πολίτας, οὗ δὴ μάλιστα μόνον οὐ πάντες ἐπεθύμουν. καὶ τάδε ἐς Τυρρηνοὺς περιέπεμπεν, οἱ δὲ ἄσμενοι τῆς πολιτείας μετελάμβανον. καὶ τῇδε τῇ χάριτι ἡ βουλὴ τοὺς μὲν εὖνους εὖνουστέρους ἐποίησε, τοὺς δὲ ἐνδοιάζοντας ἐβεβαιώσατο, τοὺς δὲ πολεμοῦντας ἐλπίδι τινὶ τῶν ὁμοίων πραοτέρους ἐποίησεν. Ῥωμαῖοι μὲν δὴ τοῦσδε τοὺς νεοπολίτας οὐκ ἐς τὰς πέντε καὶ τριάκοντα φυλάς, αἱ τότε ἦσαν αὐτοῖς, κατέλεξαν, ἵνα μὴ τῶν ἀρχαίων πλέονες ὄντες ἐν ταῖς χειροτονίαις ἐπικρατοῖεν, ἀλλὰ δεκατεύοντες ἀπεφηναν ἐτέρας, ἐν αἷς ἐχειροτόνουν ἔσχατοι. καὶ πολλάκις αὐτῶν ἡ ψῆφος ἀχρεῖος ἦν, ἅτε τῶν πέντε καὶ τριάκοντα προτέρων τε καλουμένων καὶ οὐσῶν ὑπὲρ ἡμῖς. ὅπερ ἢ λαθὼν αὐτίκα ἢ καὶ ὥς αὐτὸ ἀγαπησάντων τῶν Ἰταλιωτῶν ὕστερον ἐπιγνωσθὲν ἐτέρας στάσεως ἦρξεν.

[50] οἱ δὲ περὶ τὸν Ἴόνιον οὕτω τὴν Τυρρηνῶν μετάνοιαν ἐγνωκότες μυρίους καὶ πεντακισχιλίους ὁδὸν ἀτριβῇ καὶ μακρὰν ἐς τὴν Τυρρηνίαν ἐπὶ συμμαχίᾳ περιέπεμπον. καὶ αὐτοῖς ἐπιπεσὼν Γναῖος Πομπήιος, ὕπατος ὢν ἤδη, διέφθειρεν ἐς πεντακισχιλίους: καὶ τῶν λοιπῶν ἐς τὰ σφέτερα διὰ ἀπόρου χώρας καὶ χειμῶνος ἐπιπόνου διατρεχόντων οἱ ἡμίσεις βαλανηφαγοῦντες διεφθάρησαν. τοῦ δ' αὐτοῦ χειμῶνος Πόρκιος μὲν Κάτων, ὁ σύναρχος τοῦ Πομπηίου, Μάρσοις πολεμῶν ἀνηρέθη. Λεύκιος δὲ Κλοέντιος Σύλλα περὶ τὰ Πομπαιᾶ ὄρη στρατοπεδεύοντι μάλα καταφρονητικῶς ἀπὸ σταδίων τριῶν παρεστρατοπέδευε. καὶ ὁ Σύλλας τὴν ὕβριν οὐκ ἐνεγκὼν οὐδὲ τῶν ἰδίων τοὺς χορτολογοῦντας ἀναμείνας ἐπέδραμε τῷ Κλοεντίῳ. καὶ τότε μὲν ἡττώμενος ἔφευγε, προσλαβὼν δὲ τοὺς χορτολογοῦντας τρέπεται τὸν Κλοέντιον. ὁ δ' αὐτίκα μὲν πορρωτέρω μετεστρατοπέδευεν, ἀφικομένων δ' αὐτῷ Γαλατῶν αὐθις ἐπλησίαζε τῷ Σύλλᾳ. καὶ συνιόντων τῶν στρατῶν Γαλάτης ἀνὴρ μεγέθει μέγας προδραμῶν προυκαλεῖτό τινα Ῥωμαίων ἐς μάχην. ὥς δ' αὐτὸν ὑποστὰς Μαυρούσιος ἀνὴρ βραχὺς ἔκτεινεν, ἐκπλαγέντες οἱ Γαλάται αὐτίκα ἔφευγον. παραλυθείσης δὲ τῆς τάξεως οὐδ' ὁ ἄλλος ὅμιλος ἔτι τοῦ Κλοεντίου παρέμενεν, ἀλλ' ἔφευγεν ἐς Νῶλαν ἀκόσμως. καὶ ὁ Σύλλας αὐτοῖς ἐπόμενος ἔκτεινεν ἐς τρισμύριους ἐν τῷ δρόμῳ καὶ τῶν Νωλαίων αὐτοὺς μᾶ πύλῃ δεχομένων, ἵνα μὴ οἱ πολέμιοι σφίσι συνεσπέσοιεν, ἐτέρους ἔκτεινεν ἀμφὶ τοῖς τείχεσιν ἐς δισμύριους: καὶ σὺν τοῖσδε Κλοέντιος ἀγωνιζόμενος ἔπεσε.

[51] Σύλλας δ' ἐς ἔθνος ἕτερον, Ἰρπίνους, μετεστρατοπέδευε καὶ προσέβαλεν Αἰκουλάνῳ. οἱ δὲ Λευκανοὺς προσδοκῶντες αὐτῆς ἡμέρας σφίσιν ἐπὶ συμμαχίαν ἀφίξεσθαι, τὸν Σύλλαν καιρὸν ἐς σκέψιν ἤτουν. ὁ δ'

αἰσθανόμενος τοῦ τεχνάσματος ὥραν αὐτοῖς ἔδωκε κὰν ἤδε ξυλίνῳ ὄντι τῷ τείχει κληματίδας περιτιθεῖς μετὰ τὴν ὥραν ὑψήπτεν. οἱ δὲ δεῖσαντες τὴν πόλιν παρεδίδουν. καὶ τήνδε μὲν ὁ Σύλλας διήρπαζεν ὥς οὐκ εὐνοία προσελθοῦσαν, ἀλλ' ὑπ' ἀνάγκης, τῶν δ' ἄλλων ἐφείδετο προστιθεμένων, μέχρι τὸ Ἰρπίνων ἔθνος ἅπαν ὑπηγάγετο, καὶ μετῆλθεν ἐπὶ Σαυνίτας, οὐχ ἢ Μοτίλος, ὁ τῶν Σαυνιτῶν στρατηγός, τὰς παρόδους ἐφύλαττεν, ἀλλ' ἑτέραν ἀδόκητον ἐκ περιόδου. προσπεσὼν δ' ἄφνω πολλοὺς τε ἔκτεινε, καὶ τῶν ὑπολοίπων σποράδην διαφυγόντων ὁ μὲν Μοτίλος τραυματίας ἐς Αἰσερνίαν σὺν ὀλίγοις κατέφυγεν, ὁ δὲ Σύλλας αὐτοῦ τὸ στρατόπεδον ἐξελὼν ἐς Βουάνον παρῆλθεν, ἣ τὸ κοινοβούλιον ἦν τῶν ἀποστάντων. τρεῖς δ' ἄκρας τῆς πόλεως ἐχούσης καὶ τῶν Βουάνων ἐς τὸν Σύλλαν ἐπεστραμμένων, περιπέμψας τινὰς ὁ Σύλλας ἐκέλευε καταλαβεῖν, ἣν τινα τῶν ἄλλων δυνηθεῖεν ἄκραν, καὶ καπνῷ τοῦτο σημῆναι. γενομένου δὲ τοῦ καπνοῦ συμβαλὼν τοῖς ἐκ μετώπου καὶ μαχόμενος ὥραις τρισὶ καρτερῶς εἴλε τὴν πόλιν.

καὶ τάδε μὲν ἦν τοῦδε τοῦ θέρους εὐπραγήματα Σύλλα: χειμῶνος δ' ἐπιόντος ὁ μὲν ἐς Ῥώμην ἀνέστρεφεν, ἐς ὑπατείαν παραγγέλλων, [52] Γναῖος δὲ Πομπήιος ὑπηγάγετο Μάρσους καὶ Μαρρουκίους καὶ Οὐηστίνους, καὶ Γάιος Κοσκώνιος, ἕτερος Ῥωμαίων στρατηγός, ἐπελθὼν Σαλαπίαν τε ἐνέπρησε καὶ Κάννας παρέλαβε, καὶ Κανύσιον περικαθήμενος Σαυνίταις ἐπελθοῦσιν ἀντεμάχετο ἐγκρατῶς, μέχρι φόνος πολλὸς ἐκατέρων ἐγένετο καὶ ὁ Κοσκώνιος ἐλαττούμενος ἐς Κάννας ὑπεχώρει. Τρεβάτιος δ' αὐτόν, ὁ τῶν Σαυνιτῶν στρατηγός, ποταμοῦ διείργοντος, ἐκέλευεν ἢ περᾶν ἐπ' αὐτὸν ἐς μάχην ἢ ἀναχωρεῖν, ἵνα περάσειεν. ὁ δ' ἀναχωρεῖ καὶ διαβάντι τῷ Τρεβατίῳ προσπεσὼν μάχῃ τε κρείττων ἐγένετο καὶ φεύγοντος ἐπὶ τὸ ῥεῦμα αὐτοῦ μυρίους καὶ πεντακισχιλίους διέφθειρεν: οἱ δὲ λοιποὶ μετὰ τοῦ Τρεβατίου διέφυγον ἐς Κανύσιον. καὶ ὁ Κοσκώνιος τὴν Λαριναίων καὶ Οὐενουσίων καὶ Ἀσκλαίων γῆν ἐπιδραμὼν ἐς Ποιδίκλους ἐσέβαλε καὶ δυσὶν ἡμέραις τὸ ἔθνος παρέλαβε.

[53] Καικίλιος δ' αὐτῷ Μέτελλος ἐπελθὼν ἐπὶ τὴν στρατηγίαν διάδοχος, ἐς Ἰάπυγας ἐμβαλὼν ἐκράτει καὶ ὅδε μάχῃ τῶν Ἰαπύγων. καὶ Ποπαῖδιος, ἄλλος τῶν ἀφεστώτων στρατηγός, ἐνταῦθα ἔπασεν: οἱ δὲ λοιποὶ σποράδην ἐς τὸν Καικίλιον διέφυγον. καὶ τάδε μὲν ἦν περὶ τὴν Ἰταλίαν ἀμφὶ τὸν συμμαχικὸν πόλεμον, ἀκμάσαντα δὴ μάλιστα μέχρι τῶνδε, ἕως Ἰταλία πᾶσα προσεχώρησεν ἐς τὴν Ῥωμαίων πολιτείαν, χωρὶς γε Λευκανῶν καὶ Σαυνιτῶν τότε: δοκοῦσι γάρ μοι καὶ οἶδε τυχεῖν, ὧν ἔχρηζον, ὕστερον. ἐς δὲ τὰς φυλάς ὅμοια τοῖς προτυχοῦσιν ἕκαστοι κατελέγοντο, τοῦ μὴ τοῖς ἀρχαίοις ἀναμειγμένοι ἐπικρατεῖν ἐν ταῖς χειροτονίαις, πλέονες ὄντες.

[54] τοῦ δ' αὐτοῦ χρόνου κατὰ τὸ ἄστυ οἱ χρῆσται πρὸς ἀλλήλους ἐστασίασαν, οἱ μὲν πράττοντες τὰ χρέα σὺν τόκοις, νόμου τινὸς παλαιοῦ διαγορεύοντος μὴ δανεῖζειν ἐπὶ τόκοις ἢ ζημίαν τὸν οὕτω δανείσαντα προσοφλεῖν. ἀποστραφῆναι γάρ μοι δοκοῦσιν οἱ πάλαι Ῥωμαῖοι, καθάπερ Ἕλληνες, τὸ δανεῖζειν ὥς καπηλικὸν καὶ βαρὺ τοῖς πένησι καὶ δύσερι καὶ ἐχθροποιόν, ὃ λόγῳ καὶ Πέρσαι τὸ κίχρασθαι ὥς ἀπατηλὸν τε καὶ φιλοψευδές. ἔθους δὲ χρονίου τοὺς τόκους βεβαιούντος, οἱ μὲν κατὰ τὸ ἔθος

ἥτουν, οἱ δὲ οἷον ἐκ πολέμων τε καὶ στάσεων ἀνεβάλλοντο τὰς ἀποδόσεις· εἰσι δ' οἱ καὶ τὴν ζημίαν τοὺς δανείσαντας ἐκτίσειν ἐπηλείουν.

ὁ τε στρατηγὸς Ἀσελλίων, ᾧ ταῦτα προσέκειτο, ἐπεὶ διαλύων αὐτοὺς οὐκ ἔπειθεν, ἐδίδου κατ' ἀλλήλων αὐτοῖς δικαστήρια, τὴν ἐκ τοῦ νόμου καὶ ἔθους ἀπορίαν ἐς τοὺς δικαστὰς περιφέρων. οἱ δανεῖσται δὲ χαλεπήναντες, ὅτι τὸν νόμον παλαιὸν ὄντα ἀνεκαίνιξε, κτείνουσιν αὐτὸν ὧδε: ὁ μὲν ἔθυε τοῖς Διοσκοούροις ἐν ἀγορᾷ, τοῦ πλήθους ὡς ἐπὶ θυσία περιστάντος· ἐνὸς δὲ λίθου τὸ πρῶτον ἐπ' αὐτὸν ἀφεθέντος, ἔρριψε τὴν φιάλην καὶ ἐς τὸ τῆς Ἑστίας ἱερὸν ἔετο δρόμῳ. οἱ δὲ αὐτὸν προλαβόντες τε ἀπέκλεισαν ἀπὸ τοῦ ἱεροῦ καὶ καταφυγόντα ἐς τι πανδοχεῖον ἔσφαξαν. πολλοὶ τε τῶν διωκόντων ἐς τὰς παρθένους αὐτὸν ἡγούμενοι καταφυγεῖν ἐσέδραμον, ἔνθα μὴ θέμις ἦν ἀνδράσιν. οὕτω μὲν καὶ Ἀσελλίων στρατηγῶν τε καὶ σπένδων καὶ ἱερὰν καὶ ἐπίχρυσον ἐσθῆτα ὡς ἐν θυσία περικείμενος ἀμφὶ δευτέραν ὥραν ἐσφάζετο ἐν ἀγορᾷ μέσῃ παρὰ ἱεροῖς. καὶ ἡ σύγκλητος ἐκήρυσσεν, εἴ τις τι περὶ τὸν Ἀσελλίωνος φόνον ἐλέγξειεν, ἐλευθέρῳ μὲν ἀργύριον, δούλῳ δὲ ἐλευθερίαν, συνεγνωκότε δὲ ἄδειαν· οὐ μὴν ἐμήνυσεν οὐδεὶς, τῶν δανειστῶν περικαλυψάντων.

[55] τὰδε μὲν δὴ φόνοι καὶ στάσεις ἔτι ἦσαν ἐμφύλιοι κατὰ μέρη· μετὰ δὲ τοῦτο στρατοῖς μεγάλοις οἱ στασίαρχοι πολέμου νόμῳ συνεπλέκοντο ἀλλήλοις, καὶ ἡ πατρίς ἄθλον ἔκειτο ἐν μέσῳ. ἀρχὴ δ' ἐς ταῦτα καὶ ἀρόδος, εὐθύς ἐπὶ τῷ συμμαχικῷ πολέμῳ, ἥδε ἐγίγνετο.

ἐπειδὴ Μιθριδάτης ὁ τοῦ Πόντου καὶ ἄλλων ἐθνῶν βασιλεὺς ἐς Βιθυνίαν καὶ Φρυγίαν καὶ τὴν ὁμορον αὐταῖς Ἀσίαν ἐνέβαλεν, ὥς μοι κατὰ τὴν βίβλον εἴρηται τὴν πρὸ τῆσδε, Σύλλας μὲν ὑπατεύων ἔλαχε στρατηγεῖν τῆς Ἀσίας καὶ τοῦδε τοῦ Μιθριδατείου πολέμου· καὶ ἦν ἔτι ἐν Ῥώμῃ, Μάριος δὲ τὸν πόλεμον εὐχερῇ τε καὶ πολύχρυσον ἡγούμενος εἶναι καὶ ἐπιθυμῶν τῆς στρατηγίας ὑπηγάγετό οἱ συμπράσσειν ἐς τοῦτο Πούπλιον Σουλπίκιον δῆμαρχον ὑποσχέσεσι πολλαῖς καὶ τοὺς ἐκ τῆς Ἰταλίας νεοπολίτας, μειονεκτοῦντας ἐπὶ ταῖς χειροτονίαις, ἐπήλπιζεν ἐς τὰς φυλὰς ἀπάσας διαιρήσειν, οὐ προλέγων μὲν τι περὶ τῆς ἑαυτοῦ χρείας, ὡς δὲ ὑπηρέταις ἐς πάντα χρησόμενος εὖνοις. καὶ νόμον αὐτίκα ὁ Σουλπίκιος ἐσέφερε περὶ τοῦδε: οὗ κυρωθέντος ἔμελλε πᾶν ὃ τι βούλοιο Μάριος ἢ Σουλπίκιος ἔσεσθαι, τῶν νεοπολιτῶν πολὺ παρὰ τοὺς ἀρχαίους πλείονων ὄντων. οἱ δ' ἀρχαιότεροι συνορῶντες ταῦτα ἐγκρατῶς τοῖς νεοπολίταις διεφέροντο. ξύλοις δὲ καὶ λίθοις χρωμένων αὐτῶν ἐς ἀλλήλους καὶ μεῖζονος αἰεὶ γιγνομένου τοῦ κακοῦ, δεῖσαντες οἱ ὑπατοὶ περὶ τῇ δοκιμασίᾳ τοῦ νόμου πλησιαζούσῃ προύγραψαν ἡμερῶν ἀργίας πολλῶν, ὅποῖον ἐν ταῖς ἐορταῖς εἶωθε γίγνεσθαι, ἵνα τις ἀναβολὴ γένοιτο τῆς χειροτονίας καὶ τοῦ κακοῦ.

[56] Σουλπίκιος δὲ τὴν ἀργίαν οὐκ ἀναμένων ἐκέλευε τοῖς στασιώταις ἐς τὴν ἀγορὰν ἥκειν μετὰ κεκρυμμένων ξιφιδίων καὶ δρᾶν, ὃ τι ἐπείγοι, μὴδ' αὐτῶν φειδομένους τῶν ὑπάτων, εἰ δέοι. ὡς δὲ αὐτῷ πάντα ἔτοιμα ἦν, κατηγορεῖ τῶν ἀργιῶν ὡς παρανόμων καὶ τοὺς ὑπάτους Κορνήλιον Σύλλαν καὶ Κόιντον Πομπήιον ἐκέλευεν αὐτὰς αὐτίκα ἀναιρεῖν, ἵνα προθεῖη τὴν δοκιμασίαν τῶν νόμων. θορύβου δ' ἀναστάντος οἱ παρεσκευασμένοι τὰ ξιφίδια ἐπεσπάσαντο

καὶ τοὺς ὑπάτους ἀντιλέγοντας ἠπειλουν κτενεῖν, μέχρι Πομπήιος μὲν λαθὼν διέφυγε, Σύλλας δ' ὡς βουλευσόμενος ὑπεχώρει. κὰν τῷδε Πομπηίου τὸν υἱόν, κηδεύοντα τῇ Σύλλᾳ, παρρησιαζόμενόν τι καὶ λέγοντα κτείνουσιν οἱ τοῦ Σουλπικίου στασιῶται. καὶ ὁ Σύλλας ἐπελθὼν ἐβάστασε τὴν ἀργίαν ἔς τε Καπύην ἐπὶ τὸν ἐκεῖ στρατόν, ὡς ἐκ Καπύης ἔς τὴν Ἀσίαν ἐπὶ τὸν Μιθριδάτου πόλεμον διαβαλὼν, ἠπείγετο: οὐ γὰρ πῶ τινος τῶν ἐπ' αὐτῷ πραττομένων ἦσθετο. ὁ δὲ Σουλπίκιος, ἀναιρεθείσης τῆς ἀργίας καὶ Σύλλα τῆς πόλεως ἀποστάντος, ἐκύρου τὸν νόμον καί, οὗ χάριν ἅπαντα ταῦτα ἐγίγνετο, Μάριον εὐθὺς ἐχειροτόνει τοῦ πρὸς Μιθριδάτην πολέμου στρατηγεῖν ἀντὶ Σύλλα.

[57] πυθόμενος δ' ὁ Σύλλας καὶ πολέμῳ κρίνας διακριθῆναι συνήγαγε τὸν στρατόν εἰς ἐκκλησίαν, καὶ τόνδε τῆς ἐπὶ τὸν Μιθριδάτην στρατείας ὀρεγόμενόν τε ὡς ἐπικερδοῦς καὶ νομίζοντα Μάριον ἔς αὐτὴν ἐτέρους καταλέξειν ἀνθ' ἑαυτῶν. τὴν δ' ὕβριν ὁ Σύλλας τὴν ἔς αὐτὸν εἰπὼν Σουλπικίου τε καὶ Μαρίου καὶ σαφὲς οὐδὲν ἄλλο ἐπενεγκὼν 'οὐ γὰρ ἐτόλμα πῶ λέγειν περὶ τοιοῦδε πολέμου, παρήνευσεν ἐτοίμοις ἔς τὸ παραγγελλόμενον εἶναι. οἱ δὲ συνιέντες τε ὧν ἐπενόει καὶ περὶ σφῶν δεδιότες, μὴ τῆς στρατείας ἀποτύχοιεν, ἀπεγύμνουσαν αὐτοὶ τὸ ἐνθύμημα τοῦ Σύλλα καὶ ἔς Ῥώμην σφᾶς ἄγειν θαρροῦντα ἐκέλευον. ὁ δὲ ἡσθεὶς ἦγεν ἕξ τέλη στρατιωτῶν αὐτίκα. καὶ αὐτὸν οἱ μὲν ἄρχοντες τοῦ στρατοῦ χωρὶς ἐνὸς ταμίου διέδρασαν ἔς Ῥώμην, οὐχ ὑφιστάμενοι στρατόν ἄγειν ἐπὶ τὴν πατρίδα: πρέσβεις δ' ἐν ὁδῷ καταλαβόντες ἠρώτων, τί μεθ' ὅπλων ἐπὶ τὴν πατρίδα ἐλαύνει. ὁ δ' εἶπεν, ἐλευθερώσωσαν αὐτὴν ἀπὸ τῶν τυραννούντων.

καὶ τοῦτο δις τρις ἐτέροις καὶ ἐτέροις πρέσβεσιν ἐλθοῦσιν εἰπὼν ἐπήγγελλεν ὅμως, εἰ θέλοιεν τὴν τε σύγκλητον αὐτῷ καὶ Μάριον καὶ Σουλπίκιον ἔς τὸ Ἄρειον πεδῖον συναγαγεῖν, καὶ πράξειν, ὃ τι ἂν βουλευομένοις δοκῇ. πλησιάζοντι δὲ Πομπήιος μὲν ὁ σύναρχος ἐπαινῶν καὶ ἄρεσκόμενος τοῖς γιγνομένοις ἀφίκετο συμπράξων ἔς ἅπαντα, Μάριος δὲ καὶ Σουλπίκιος ἔς παρασκευὴν ὀλίγου διαστήματος δεόμενοι πρέσβεις ἐτέρους ἔπεμπον ὡς δὴ καὶ τούσδε ὑπὸ τῆς βουλῆς ἀπεσταλμένους, δεόμενοι μὴ ἀγχοτέρῳ τεσσαράκοντα σταδίων τῇ Ῥώμῃ παραστρατοπεδεύειν, μέχρι ἐπισκέψαιντο περὶ τῶν παρόντων. Σύλλας δὲ καὶ Πομπήιος τὸ ἐνθύμημα σαφῶς εἰδότες ὑπέσχοντο μὲν ὧδε πράξειν, εὐθὺς δὲ τοῖς πρέσβεσιν ἀπιούσιν εἶποντο.

[58] καὶ Σύλλας μὲν τὰς Αἰσκυλείας πύλας καὶ τὸ παρ' αὐτὰς τεῖχος ἐνὶ τέλει στρατιωτῶν κατελάμβανε, Πομπήιος δὲ τὰς Κολλῖνας ἐτέρῳ τέλει: καὶ τρίτον ἐπὶ τὴν ξυλίνην γέφυραν ἐχώρει, καὶ τέταρτον πρὸ τῶν τειχῶν ἔς διαδοχὴν ὑπέμενε. τοῖς δ' ὑπολοίποις ὁ Σύλλας ἔς τὴν πόλιν ἐχώρει δόξῃ καὶ ἔργῳ πολεμίου: ὅθεν αὐτὸν οἱ περιοικοῦντες ἄνωθεν ἡμύνοντο βάλλοντες, μέχρι τὰς οἰκίας ἠπειλήσεν ἐμπρήσειν: τότε δ' οἱ μὲν ἀνέσχον, Μάριος δὲ καὶ Σουλπίκιος ἀπήντων περὶ τὴν Αἰσκύλειον ἀγορὰν μεθ' ὅσων ἐφθάκεσαν ὀπλίσαι. καὶ γίγνεται τις ἀγὼν ἐχθρῶν, ὅδε πρῶτος ἐν Ῥώμῃ, οὐχ ὑπὸ εἰκόνι στάσεως ἔτι, ἀλλὰ ἀπροφασίστως ὑπὸ σάλπιγγι καὶ σημείοις, πολέμου νόμῳ: ἔς τοσοῦτον αὐτοῖς κακοῦ τὰ τῶν στάσεων ἀμεληθέντα προέκοψε.

τρεπομένων δὲ τῶν Σύλλα στρατιωτῶν, ὁ Σύλλας σημεῖον ἀρπάσας

προεκινδύνευεν, ὥς αἰδοῖ τε τοῦ στρατηγοῦ καὶ δέει τῆς ἐπὶ τῷ σημείῳ εἰ ἀπέχοντο, ἀτιμίας εὐθὺς ἐκ τῆς τροπῆς αὐτοὺς μετατίθεσθαι. καὶ ὁ Σύλλας ἐκάλει τε τοὺς νεαλεῖς ἐκ τοῦ στρατοπέδου καὶ ἐτέρους κατὰ τὴν καλουμένην Σιβούραν ὁδὸν περιέπεμπεν, ἧ κατὰ νότου τῶν πολεμίων ἔμελλον ἔσεσθαι περιδραμόντες. οἱ δ' ἄμφι τὸν Μάριον πρὸς τε τοὺς ἐπελθόντας ἀκμηῆτας ἀσθενῶς μαχόμενοι καὶ ἐπὶ τοῖς περιοδεύουσι δείσαντες περικύκλωσιν τοὺς τε ἄλλους πολίτας ἐκ τῶν οἰκῶν ἔτι μαχομένους συνεκάλουν καὶ τοῖς δούλοις ἐκήρυττον ἐλευθερίαν εἰ μετὰσχοιεν τοῦ πόνου. οὐδενὸς δὲ προσιόντος ἀπογόνοντες ἀπάντων ἔφευγον εὐθὺς ἐκ τῆς πόλεως καὶ σὺν αὐτοῖς ὅσοι τῶν ἐπιφανῶν συνεπεπράχσαν.

[59] ὁ δὲ Σύλλας τότε μὲν ἐς τὴν λεγομένην Ἰερὰν ὁδὸν παρῆλθε καὶ τοὺς διαρπάζοντάς τι τῶν ἐν ποσὶν αὐτίκα ἐν μέσῳ πάντων ἐφορώντων ἐκόλαξε, φρουρὰν δὲ κατὰ μέρος ἐπιστήσας τῇ πόλει διενυκτέρευεν αὐτός τε καὶ ὁ Πομπήιος, περιθέοντες ἐκάστους, ἵνα μὴ τι δεινὸν ἢ παρὰ τῶν δεδιότων ἢ παρὰ τῶν νενικηκότων ἐπιγένοιτο. ἅμα δ' ἡμέρᾳ τὸν δῆμον ἐς ἐκκλησίαν συναγαγόντες ὠδύροντο περὶ τῆς πολιτείας ὥς ἐκ πολλοῦ τοῖς δημοκοποῦσιν ἐκδεδομένης, καὶ αὐτοὶ τάδε πράξαντες ὑπ' ἀνάγκης. εἰσηγοῦντό τε μηδὲν ἔτι ἀπροβούλευτον ἐς τὸν δῆμον ἐσφέρεσθαι, νενομισμένον μὲν οὕτω καὶ πάλαι, παραλελυμένον δ' ἐκ πολλοῦ, καὶ τὰς χειροτονίας μὴ κατὰ φυλάς, ἀλλὰ κατὰ λόχους, ὥς Τύλλιος βασιλεὺς ἔταξε, γίνεσθαι, νομίσαντες διὰ δυοῖν τοῖνδε οὔτε νόμον οὐδένα πρὸ τῆς βουλῆς ἐς τὸ πλῆθος ἐσφερόμενον οὔτε τὰς χειροτονίας ἐν τοῖς πένησι καὶ θραυστάτοις ἀντὶ τῶν ἐν περιουσίᾳ καὶ εὐβουλίᾳ γιγνομένας δώσειν ἔτι στάσεων ἀφορμάς. πολλὰ τε ἄλλα τῆς τῶν δημάρχων ἀρχῆς, τυραννικῆς μάλιστα γεγεννημένης, περιελόντες κατέλεξαν ἐς τὸ βουλευτήριον, ὀλιγανθρωπότατον δὴ τότε μάλιστα ὄν καὶ παρὰ τοῦτ' εὐκαταφρόνητον ἀθρόους ἐκ τῶν ἀρίστων ἀνδρῶν τριακοσίους. ὅσα τε ὑπὸ Σουλπικίου κεκύρωτο μετὰ τὴν κεκηρυγμένην ὑπὸ τῶν ὑπάτων ἀργίαν, ἅπαντα διελύετο ὥς οὐκ ἔννομα.

[60] ὧδε μὲν αἱ στάσεις ἐξ ἔριδος καὶ φιλονικίας ἐπὶ φόνους καὶ ἐκ φόνων ἐς πολέμους ἐντελεῖς προέκοπτον, καὶ στρατὸς πολιτῶν ὅδε πρῶτος ἐς τὴν πατρίδα ὥς πολεμίαν ἐσέβαλεν. οὐδ' ἔληξαν ἀπὸ τοῦδε αἱ στάσεις ἔτι κρινόμεναι στρατοπέδοις, ἀλλ' ἐσβολαὶ συνεχεῖς ἐς τὴν Ῥώμην ἐγίνοντο καὶ τειχομαχίαι καὶ ὅσα ἄλλα πολέμων ἔργα, οὐδενὸς ἔτι ἐς αἰδῶ τοῖς βιαζομένοις ἐμποδῶν ὄντος, ἢ νόμων ἢ πολιτείας ἢ πατρίδος. τότε δὲ Σουλπίκιον δημαρχοῦντα ἔτι καὶ σὺν αὐτῷ Μάριον, ἐξάκις ὑπατευκότα, καὶ τὸν Μαρίου παῖδα καὶ Πούπλιον Κέθηγον καὶ Ἰούνιον Βροῦτον καὶ Γναῖον καὶ Κοῖντον Γράνιον καὶ Πούπλιον Ἀλβινοσουανὸν καὶ Μᾶρκον Λαιτῳρίον ἐτέρους τε, ὅσοι μετ' αὐτῶν, ἐς δώδεκα μάλιστα, ἐκ Ῥώμης διεπεφεύγεσαν, ὥς στάσιν ἐγείραντας καὶ πολεμήσαντας ὑπάτοις καὶ δούλοις κηρύξαντας ἐλευθερίαν εἰς ἀπόστασιν πολεμίους Ῥωμαίων ἐνήφιστο εἶναι καὶ τὸν ἐντυχόντα νηποινεῖ κτείνειν ἢ ἀνάγειν ἐπὶ τοὺς ὑπάτους· τὰ τε ὄντα αὐτοῖς δεδήμευτο.

καὶ ζητηταὶ διέθεον ἐπὶ τοὺς ἄνδρας, οἱ Σουλπίκιον μὲν καταλαβόντες ἔκτειναν· [61] ὁ δὲ Μάριος αὐτοὺς ἐς Μιντούρνας διέφυγεν, ἔρημος ὑπηρέτου τε καὶ θεράποντος. καὶ αὐτὸν οἱ τῆς πόλεως ἄρχοντες ἀναπαυόμενον ἐν οἴκῳ

ζοφώδει δεδιότες μὲν τὸ κήρυγμα τοῦ δήμου, φυλαττόμενοι δὲ ἀνδρὸς ἐξάκις ὑπατεύσαντος καὶ πολλὰ καὶ λαμπρὰ εἰργασμένου αὐθένται γενέσθαι, Γαλάτην ἄνδρα ἐπιδημοῦντα μετὰ ξίφους ἐσέπεμψαν ἀνελεῖν. τὸν δὲ Γαλάτην φασὶν ἐν τῷ σκότῳ προσιόντα τῷ στιβαδίῳ δεῖσαι, δόξαντα τοὺς ὀφθαλμοὺς τοῦ Μαρίου πυρὸς αὐγὴν καὶ φλόγα ἀφίεναι: ὡς δὲ καὶ ὁ Μάριος αὐτὸς ὑπανιστάμενος ἐκ τῆς εὐνῆς ἐνεβόησε παμμέγεθες αὐτῷ: ‘σὺ τολμᾷς κτεῖναι Γάιον Μάριον;’ προτροπάδην ὁ Γαλάτης ἔφευγεν ἔξω διὰ θυρῶν μεμνηνότει ἐοικῶς καὶ βοῶν: ‘οὐ δύναμαι κτεῖναι Γάιον Μάριον.’ ὅθεν καὶ τοῖς ἄρχουσιν, ἅτε καὶ τέως ταῦτα σὺν ὅκνῃ κεκρικόσιν, ἐνέπιπτε τι δαιμόνιον δέος καὶ μνήμη τῆς ἐκ παιδὸς ἐπιφημισθείσης τῷ ἀνδρὶ ἐβδόμης ὑπατείας: παιδί γὰρ ὄντι φασὶν ἐς τὸν κόλπον ἀετοῦ νεοττοὺς ἐπτὰ καταρρυῖναι καὶ τοὺς μάντεις εἰπεῖν, ὅτι ἐπτάκις ἐπὶ τῆς μεγίστης ἀρχῆς ἔσοιτο.

[62] ταῦτ’ οὖν οἱ τῆς Μιντούρνης ἄρχοντες ἐνθυμούμενοι καὶ τὸν Γαλάτην ἐνθουν κατὰ δαίμονα καὶ περιδεᾶ νομίζοντες γεγονέναι, τὸν Μάριον αὐτίκα τῆς πόλεως ἐξέπεμπον, ὅπῃ δύναιτο, σφῶζεσθαι. ὁ δὲ συγγινώσκων ἑαυτῷ ζητουμένῳ τε ἐκ Σύλλα καὶ πρὸς ἱππέων διωκομένῳ, ὁδοὺς ἀτριβεῖς ἐπὶ θάλασσαν ἤλατο καὶ καλύβης ἐπιτυχὼν ἀνεπαύετο, φυλλάδα ἐπιβαλόμενος τῷ σώματι. ψόφου δ’ αἰσθόμενος ἐς τὴν φυλλάδα ὑπεκρύφθη καὶ μᾶλλον ἔτι αἰσθόμενος ἐς σκάφος ἀλιέως πρεσβύτου παρορμοῦν, βιασάμενος τὸν πρεσβύτην, ἐσήλατο χειμῶνος ὄντος καὶ τὸ πεῖσμα κόψας καὶ τὸ ἰστίον πετάσας ἐπέτρεψε τῇ τύχῃ φέρειν. κατήχθη δὲ ἐς τινα νῆσον, ὅθεν νεῶς οἰκείων ἀνδρῶν παραπλευούσης ἐπιτυχὼν ἐς Λιβύην ἐπέρα. εἰργόμενος δὲ καὶ Λιβύης ὡς πολέμιος ὑπὸ Σεξστιλίου ἡγουμένου, διεχεύμαζεν ἐν τῇ θαλάσῃ, μικρὸν ὑπὲρ Λιβύην ἄνω, ἐν τοῖς Νομάδων ὄροις. καὶ αὐτῷ θαλασσεύοντι δεῦρο κατὰ πύστιν ἐπέπλευσαν τῶν συγκατεγνωσμένων Κέθηγός τε καὶ Γράνιος καὶ Ἀλβινοουανὸς καὶ Λαιτώριος καὶ ἕτεροι καὶ ὁ υἱὸς αὐτοῦ Μαρίου: οἱ ἐς μὲν Ἰεμψάλαν τὸν Νομάδων δυνάστην ἀπὸ Ῥώμης διέφυγον, ὑποψία δ’ ἐκδόσεως ἐκεῖθεν ἀπέδρασαν.

οἱ μὲν δὴ, καθὰ καὶ Σύλλας ἐπεπράχει, βιάσασθαι τὴν πατρίδα διανοοῦμενοι, στρατιὰν δ’ οὐκ ἔχοντες, περιέβλεπον, εἴ τι συμβαίῃ: [63] ἐν δὲ Ῥώμῃ Σύλλας μὲν, ὅπλοις τὴν πόλιν ὅδε πρῶτος καταλαβὼν τε καὶ δυνηθεὶς ἂν ἴσως ἤδη μοναρχεῖν, ἐπεὶ τοὺς ἐχθροὺς ἡμίνατο, τὴν βίαν ἐκὼν ἀπέθετο καὶ τὸν στρατὸν ἐς Καπύην προπέμψας αὐτῆς ἤρχεν ὡς ὕπατος: οἱ δὲ τῶν ἐξελαθέντων στασιῶται, ὅσοι τῶν πλουσίων, καὶ γύναια πολλὰ πολυχρήματα, τοῦ δέους τῶν ὅπλων ἀναπνεύσαντες ἠρεθίζοντο ὑπὲρ καθόδου τῶνδε τῶν ἀνδρῶν καὶ οὐδὲν σπουδῆς ἢ δαπάνης ἐς τοῦτο ἀπέλειπον, ἐπιβουλεύοντες καὶ τοῖς τῶν ὑπάτων σώμασιν ὡς οὐκ ἐνὸν τῶνδε περιόντων ἐκείνοις κατελθεῖν. Σύλλας μὲν δὴ καὶ παυσαμένῳ τῆς ἀρχῆς στρατὸς ἦν, ὁ ἐνηφισμένος ἐπὶ Μιθριδάτην, ἐς σωτηρίαν αὐτοῦ φύλαξ: Κόιντον δὲ Πομπήιον, τὸν ἕτερον ὕπατον, ὁ δῆμος οἰκτεῖρων τοῦ δέους ἐψηφίσατο ἄρχειν Ἰταλίας καὶ ἐτέρου τοῦ περὶ αὐτὴν στρατοῦ, τότε ὄντος ὑπὸ Γναίῳ Πομπηίῳ. τοῦθ’ ὁ Γναῖος πυθόμενός τε καὶ δυσχεράνας ἤκοντα μὲν τὸν Κόιντον ἐς τὸ στρατόπεδον ἐσεδέξατο, καὶ τῆς ἐπιούσης τι χρηματίζοντος ὑπεχώρησε μικρὸν οἷα ιδιώτης, μέχρι τὸν ὕπατον πολλοὶ καθ’ ὑπόκρισιν

ἀκροάσεως περιστάντες ἔκτειναν. καὶ φυγῆς τῶν λοιπῶν γενομένης ὁ Γναῖος αὐτοῖς ὑπήντα, χαλεπαίνων ὡς ὑπάτου παρανόμως ἀνηρημένου: δυσχεράνας δ' ὁμως εὐθὺς ἤρχεν αὐτῶν.

[64] ἐξαγγελθέντος δ' ἐς τὴν πόλιν τοῦ Πομπηίου φόνου, αὐτίκα μὲν ὁ Σύλλας περιδεῆς ἐφ' ἑαυτῷ γενόμενος τοὺς φίλους περιήγετο πανταχοῦ καὶ νυκτὸς ἄμφ' αὐτὸν εἶχεν, οὐ πολὺ δ' ἐπιμείνας ἐς Καπύην ἐπὶ τὸν στρατὸν κάκειθεν ἐς τὴν Ἀσίαν ἐξήλασεν. οἱ δὲ τῶν φυγάδων φίλοι Κίννα, τῷ μετὰ Σύλλαν ὑπατεύοντι, θαρροῦντες τοὺς νεοπολίτας ἠρέθιζον ἐς τὸ ἐνθύμημα τοῦ Μαρίου, ταῖς φυλαῖς πάσαις ἀξιοῦν ἀναμιχθῆναι, ἵνα μὴ τελευταῖοι ψηφιζόμενοι πάντων ὧσιν ἄκυροι. τοῦτο δὴ προοίμιον τῆς αὐτοῦ τε Μαρίου καὶ τῶν ἀμφὶ τὸν ἄνδρα καθόδου. ἀνθισταμένων δὲ τῶν ἀρχαίων κατὰ κράτος, Κίννας μὲν τοῖς νεοπολίταις συνέπραττε, νομιζόμενος ἐπὶ τῷδε τριακόσια δωροδοκῆσαι τάλαντα, τοῖς δ' ἀρχαίοις ὁ ἕτερος ὕπατος Ὀκτάουιος, καὶ οἱ μὲν ἀμφὶ τὸν Κίνναν προλαβόντες τὴν ἀγορὰν μετὰ κεκρυμμένων ξιφιδίων ἐβόων ἐς τὰς φυλὰς πάσας ἀναμιγῆναι: τὸ δὲ καθαρώτερον πλῆθος ἐς τὸν Ὀκτάουιον ἐχώρει, καὶ οἶδε μετὰ ξιφιδίων.

ἔτι δ' αὐτῷ κατὰ τὴν οἰκίαν τὸ μέλλον περιορωμένῳ ἐξαγγέλλεται τοὺς πλέονας δημάρχους καλύειν τὰ γινόμενα, θόρυβον δὲ τῶν νεοπολιτῶν εἶναι καὶ ἀπογύμνωσιν ἤδη τῶν ξιφιδίων περὶ ὁδὸν ἐς τοὺς ἀντιλέγοντας δημάρχους ἀναπηδώντων ἐπὶ τὰ ἔμβολα. ὧν Ὀκτάουιος πυθόμενος κατέβαινε διὰ τῆς Ἱερᾶς ὁδοῦ μετὰ πυκνοῦ πάνυ πλῆθους καὶ οἷα χειμάρρους ἐς τὴν ἀγορὰν ἐμπεσὼν ὥσατο μὲν διὰ μέσων τῶν συνεστώτων καὶ διέστησεν αὐτούς: ὡς δὲ κατέπληξεν, ἐς τὸ τῶν Διοσκούρων ἱερὸν παρήλθε, τὸν Κίνναν ἐκτρεπόμενος. ὅσοι δ' αὐτῷ συνῆσαν, χωρὶς ἐπαγγέλματος ἐμπεσόντες τοῖς νεοπολίταις ἔκτεινάν τε πολλοὺς καὶ ἐτέρους φεύγοντας ἐπὶ τὰς πύλας ἐδίωκον.

[65] Κίννας δὲ θαρρήσας μὲν τῷ πλήθει τῶν νεοπολιτῶν καὶ βιάσεσθαι προσδοκῆσας, παρὰ δόξαν δ' ὁρῶν τὸ τόλμημα τῶν ὀλιγωτέρων ἐπικρατοῦν, ἀνὰ τὴν πόλιν ἔθει τοὺς θεράποντας ἐπ' ἐλευθερίᾳ συγκαλῶν. οὐδενὸς δ' αὐτῷ προσιόντος ἐξέδραμεν ἐς τὰς ἀγχοῦ πόλεις τὰς οὐ πρὸ πολλοῦ πολίτιδας Ῥωμαίων γενομένας, Τίβυρτόν τε καὶ Πραίνεστόν καὶ ὅσαι μέχρι Νώλης, ἐρεθίζων ἅπαντας ἐς ἀπόστασιν καὶ χρήματα ἐς τὸν πόλεμον συλλέγων. ταῦτα δ' ἐργαζομένῳ τε καὶ ἐπινοοῦντι τῷ Κίννᾳ προσέφυγον ἀπὸ τῆς βουλῆς οἱ τὰ αὐτὰ ἐφρόνουν, Γαίος τε Μιλώνιος καὶ Κόνιντος Σερτώριος καὶ Γάιος Μάριος ἕτερος.

ἡ μὲν δὴ βουλή τὸν Κίνναν, ὡς ἐν κινδύνῳ τε τὴν πόλιν καταλιπόντα ὕπατον καὶ δούλοις ἐλευθερίαν κηρύξαντα, ἐνηγίσατο μήτε ὕπατον μήτε πολίτην ἔτι εἶναι καὶ Λεύκιον Μερόλαν ἐχειροτόνησαν ἀντ' αὐτοῦ, τὸν ἱερέα τοῦ Διός. λέγεται δ' οὗτος ὁ ἱερεὺς φλαμέντας καὶ πιλοφορεῖ μόνος αἰεὶ, τῶν ἄλλων ἱερέων ἐν μόναις πιλοφορούντων ταῖς ἱερουργίαις. Κίννας δ' ἐς Καπύην τραπόμενος, ἔνθα Ῥωμαίων στρατὸς ἄλλος ἦν, τοὺς τε ἄρχοντας αὐτοῦ καὶ ὅσοι ἀπὸ τῆς βουλῆς ἐπεδήμουν, ἐθεράπευε καὶ παρελθὼν ὡς ὕπατος ἐς μέσους τὰς τε ράβδους καθεῖλεν οἷα ιδιώτης καὶ δακρύσας ἔφη: 'παρὰ μὲν ὑμῶν, ὧ πολῖται, τὴν ἀρχὴν τήνδε ἔλαβον: ὁ γὰρ δῆμος

ἐχειροτόνησεν: ἡ βουλὴ δ' ἀφείλετό με χωρὶς ὑμῶν. καὶ τότε παθὼν ἐν οἰκείοις κακοῖς ὑπὲρ ὑμῶν ὁμῶς ἀγανακτῶ: τί γὰρ ἔτι τὰς φυλάς ἐν ταῖς χειροτονίαις θεραπεύομεν, τί δὲ ὑμῶν δεόμεθα, ποῦ δὲ ἔσεσθε τῶν ἐκκλησιῶν ἢ χειροτονιῶν ἢ τῶν ὑπατειῶν ἔτι κύριοι, εἰ μὴ βεβαιώσετε μέν, ἃ δίδετε, ἀφαιρήσεσθε δ', ὅταν αὐτοὶ δοκιμάσῃτε.'

[66] ταῦτ' εἰπὼν ἐς ἐρέθισμα καὶ πολλὰ περὶ αὐτοῦ κατοικτισάμενος τὴν τε ἐσθῆτα κατέρρηξε καὶ ἀπὸ τοῦ βήματος καταθορῶν ἔρριπεν αὐτὸν ἐς μέσους καὶ ἔκειτο ἐπὶ πλεῖστον, ἕως ἐπικλασθέντες ἀνέστησάν τε αὐτὸν καὶ καθίσαντες αὐθις ἐπὶ τοῦ θρόνου τάς τε ράβδους ἀνέσχον καὶ θαρρεῖν οἷα ὑπατον ἐκέλευον καὶ σφᾶς ἄγειν ἐφ' ὃ τι χρήζοι. τῆς δ' ἀφορμῆς εὐθὺς οἱ ἄρχοντες αὐτῶν ἐπέβαινον καὶ ὦμνον τῷ Κίννᾳ τὸν ὄρκον τὸν στρατιωτικόν, καὶ τοὺς ὑφ' αὐτὸν ἕκαστος ἐξώρκου. ὁ δ', ἐπεὶ οἱ ταῦτα εἶχεν ἀσφαλῶς, ἐπὶ τὰς συμμαχίδας πόλεις διέθει καὶ ἡρέθιζε κάκεινους, ὥς διὰ τούσδε μάλιστα τὴν συμφορὰν αὐτῷ γενομένην: οἱ δὲ χρήματά τε αὐτῷ καὶ στρατιὰν συνετέλουν: καὶ πολλοὶ καὶ τῶν ἐν Ῥώμῃ δυνατῶν ἕτεροι πρὸς αὐτὸν ἀφικνοῦντο, οἷς ἀπῆρσκεν ἡ τῆς πολιτείας εὐστάθεια.

καὶ Κίννας μὲν ἀμφὶ ταῦτ' ἐγίνετο, Ὀκτάουιος δὲ καὶ Μερόλας οἱ ὑπατοὶ τὸ μὲν ἄστρῳ τάφροις καὶ τειχῶν ἐπισκευαῖς ὠχύρουν καὶ μηχανήματα ἐφίστανον, ἐπὶ δὲ στρατιὰν ἕς τε τὰς ἐτέρας πόλεις τὰς ἔτι σφῶν κατηκόους καὶ ἐς τὴν ἀγχοῦ Γαλατίαν περιέπεμπον Γναῖον τε Πομπήιον, ἀνθύπατον ὄντα καὶ στρατευμάτων περὶ τὸν Ἴόνιον ἡγούμενον, ἐκάλουν κατὰ σπουδὴν ἐπικουρεῖν τῇ πατρίδι.

[67] ὁ δ' ἦλθε καὶ πρὸς ταῖς Κολλίναις πύλαις ἐστρατοπέδευσε: καὶ ὁ Κίννας ἐπελθὼν αὐτῷ παρεστρατοπέδευε. Γάιος δὲ Μάριος τούτων πυθόμενος ἐς Τυρρηνίαν κατέπλευσεν ἅμα τοῖς συνεξελαθεῖσι καὶ θεράπουσιν αὐτῶν ἐπελθοῦσιν ἀπὸ Ῥώμης, ἐς πεντακοσίους μάλιστα που γεγονόσι. ῥυπῶν δ' ἔτι καὶ κόμης ἔμπλεως ἐπῆει τὰς πόλεις, οἰκτρὸς ὀφθῆναι: μάχας τε καὶ τρόπαια αὐτοῦ Κιμβρικὰ καὶ ἐξ ὑπατείας ὑπερεπαίρων καὶ περὶ τῆς χειροτονίας σφόδρα αὐτοῖς ἐπιθυμοῦσιν ἐπαγγελλόμενός τε καὶ πιστὸς εἶναι δοκῶν, συνήγαγε Τυρρηγῶν ἐξακισχιλίους καὶ ἐς Κίνναν διῆλθεν ἀσμένως αὐτὸν ἐπὶ κοινωνία τῶν παρόντων δεχόμενον. ὥς δὲ ἀνέμιχθησαν, ἐστρατοπέδευον ἐπὶ τοῦ ποταμοῦ τοῦ Τιβέριος ἐς τρία διαιρεθέντες, Κίννας μὲν καὶ Κάρβων σὺν αὐτῷ τῆς πόλεως ἀντικρὺ, Σερτόριος δὲ ὑπὲρ τὴν πόλιν ἄνω καὶ Μάριος πρὸς τῇ θαλάσσῃ, ζευγνύντες οἶδε τὸν ποταμὸν καὶ γεφυροῦντες, ἵνα τὴν πόλιν ἀφέλαιντο τὴν σιταγωγίαν. Μάριος δὲ καὶ Ὅστια εἶλε καὶ διήρπαζε, καὶ Κίννας ἐπιπέμπας Ἀρίμινον κατέλαβε, τοῦ μὴ τινα στρατιὰν ἐς τὴν πόλιν ἐπελθεῖν ἐκ τῆς ὑπηκόου Γαλατίας.

[68] οἱ δὲ ὑπατοὶ δεδιότες καὶ στρατιᾶς ἄλλης δεόμενοι Σύλλαν μὲν οὐκ εἶχον καλεῖν ἐς τὴν Ἀσίαν ἤδη πεπερακότα, Καϊκίλιον δὲ Μέτελλον, τὰ λείψανα τοῦ συμμαχικοῦ πολέμου πρὸς Σαυνίτας διατιθέμενον, ἐκέλευον ὅπῃ δύναίτο εὐπρεπῶς διαλυσάμενον ἐπικουρεῖν τῇ πατρίδι πολιορκουμένη. οὐ συμβαίνοντος δὲ Σαυνίταις ἐς ἃ ἦττον τοῦ Μετέλλου, ὁ Μάριος αἰσθόμενος συνέθετο τοῖς Σαυνίταις ἐπὶ πᾶσιν οἷς ἦττον παρὰ τοῦ Μετέλλου. ὧδε μὲν δὴ καὶ Σαυνῖται Μαρίῳ συνεμάχουν: Κλαύδιον δὲ Ἄππιον χιλίαρχον,

τειχοφυλακοῦντα τῆς Ῥώμης τὸν λόφον τὸν καλούμενον Ἰάνουκλον, εὖ ποτε παθόντα ὑφ' ἑαυτοῦ, τῆς εὐεργεσίας ἀναμνήσας ὁ Μάριος ἐς τὴν πόλιν ἐσῆλθεν, ὑπανοιχθείσης αὐτῷ πύλης περὶ ἔω, καὶ τὸν Κίνναν ἐσεδέξατο. ἀλλ' οὗτοι μὲν αὐτίκα ἐξεώσθησαν Ὀκταουίου καὶ Πομπηίου σφίσιν ἐπιδραμόντων· κεραυνῶν δὲ πολλῶν ἐς τὸ τοῦ Πομπηίου στρατόπεδον καταρραγέντων ἄλλοι τε τῶν ἐπιφανῶν καὶ ὁ Πομπήιος ἀπώλετο.

[69] Μάριος δ' ἐπεὶ τῆς ἀγορᾶς τῆς ἐκ τε θαλάσσης καὶ ἄνωθεν ἀπὸ τοῦ ποταμοῦ φερομένης κατέσχευεν, ἐπὶ τὰς ἀγχοῦ τῆς Ῥώμης πόλεις διετρόχαζεν, ἔνθα σῖτος ἦν τοῖς Ῥωμαίοις προσεσωρευμένος. ἄφνω δὲ τοῖς φρουροῦσιν αὐτὸν ἐπιπίπτων εἶλε μὲν Ἄντιον καὶ Ἀρικήαν καὶ Λανούβιον καὶ ἄλλας πόλεις, ἔστιν ἃ καὶ προδιδόντων τινῶν· ὥς δὲ καὶ τῆς κατὰ γῆν ἐκράτησεν ἀγορᾶς, εὐθαρσῶς ἐβάδιζεν ἐπὶ τὴν Ῥώμην αὐτίκα διὰ τῆς ὁδοῦ τῆς καλουμένης Ἀπίας, πρὶν τινα αὐτοῖς ἀγορὰν ἄλλην ἐτέρωθεν ἀχθῆναι. τοῦ δ' ἄστεος ἑκατὸν σταδίους αὐτός τε καὶ Κίννας καὶ οἱ στρατηγοῦντες αὐτοῖς Κάρβων τε καὶ Σερτώριος ἀποσχόντες ἐστρατοπέδευσαν, Ὀκταουίου καὶ Κράσσου καὶ Μετέλλου περὶ τὸ ὄρος τὸ Ἀλβανὸν αὐτοῖς ἀντικαθημένων καὶ τὸ μέλλον ἔσεσθαι περιβλεπομένων, ἀρετῇ μὲν ἔτι καὶ πλήθει νομιζομένων εἶναι κρειττόνων, ὀκνούντων δ' ὑπὲρ ὅλης ὀξέως κινδυνεῦσαι τῆς πατρίδος διὰ μάχης μιᾶς. ὥς δὲ περιπέμψας ὁ Κίννας περὶ τὸ ἄστυ κήρυκας ἐδίδου τοῖς ἐς αὐτὸν αὐτομολοῦσι θεράπουσιν ἐλευθερίαν, κατὰ πλῆθος ἡτομόλουν αὐτίκα· καὶ ἡ βουλὴ ταραττομένη καὶ πολλὰ καὶ δεινὰ, εἰ βραδύνειεν ἡ σιτοδεία, παρὰ τοῦ δήμου προσδοκῶσα μετέπιπτε τῇ γνώμῃ καὶ πρέσβεις περὶ διαλύσεων ἐς τὸν Κίνναν ἔπεμπον. ὁ δὲ αὐτοὺς ἤρετο, πότερον ὥς πρὸς ὑπατον ἔλθοιεν ἢ πρὸς ιδιώτην. ἀπορησάντων δ' ἐκείνων καὶ ἐς τὸ ἄστυ ἐπανελθόντων, πολλοὶ καὶ τῶν ἐλευθέρων ἤδη κατὰ πλῆθος πρὸς τὸν Κίνναν ἐξεπήδων, οἱ μὲν περὶ τῷ λιμῷ δεδιότες, οἱ δὲ πρὸ πολλοῦ τὰ ἐκείνων αἰρούμενοι καὶ τὴν ῥοπὴν τῶν γιγνομένων περιμένοντες.

[70] Κίννας δ' ἤδη καταφρονητικῶς τῷ τειχεὶ ἐπλησίαζε καὶ ἀποσχὼν ὅσον βέλους ὀρμὴν ἐστρατοπέδευεν, ἀπορούντων ἔτι καὶ δεδιότων καὶ ὀκνούντων ἐπιχειρεῖν αὐτῷ τῶν ἀμφὶ τὸν Ὀκτάουιον διὰ τὰς αὐτομολίας τε καὶ διαπρεσβεύσεις. ἡ δὲ βουλὴ πάνυ μὲν ἀποροῦσα καὶ δεινὸν ἡγουμένη Λεύκιον Μερόλαν, τὸν ἱερέα τοῦ Διός, ὑπατεύοντα ἀντὶ τοῦ Κίννα καὶ οὐδὲν ἐς τὴν ἀρχὴν ἀμαρτόντα ἀφελέσθαι, ἤκουσα δ' ὅμως ὑπὸ τῶν συμφορῶν αὐθις ἐς τὸν Κίνναν τοὺς πρέσβεις ἔπεμπεν ὥς πρὸς ὑπατον. οὐδὲν τε χρηστὸν ἔτι προσδοκῶντες τοῦτο μόνον ἤτουν, ἐπομόσαι σφίσι τὸν Κίνναν φόνον οὐκ ἐργάσεσθαι. ὁ δὲ ὁμόσαι μὲν οὐκ ἠξίωσεν, ὑπέσχετο δὲ καὶ ὧδε ἐκὼν οὐδενὶ σφαγῆς αἴτιος ἔσεσθαι. Ὀκτάουιον δ' ἤδη περιοδεύσαντα καὶ κατ' ἄλλας πύλας ἐς τὴν πόλιν ἐσελθόντα ἐκέλευεν ἐκστῆναι τοῦ μέσου, μὴ τι καὶ ἄκοντος αὐτοῦ πάθαι. ὁ μὲν δὴ ταῦτ' ἐπὶ βήματος ὑψηλοῦ, καθάπερ ὑπατος, τοῖς πρέσβεσιν ἄνωθεν ἀπεκρίνατο· Μάριος δ' αὐτῷ παρεστῶς παρὰ τὸν θρόνον ἡσύχαζε μὲν, ἐδήλου δὲ τῇ δριμύτητι τοῦ προσώπου, πόσον ἐργάσεται φόνον. δεξαμένης δὲ ταῦτα τῆς βουλῆς καὶ καλούσης ἐσελθεῖν Κίνναν τε καὶ Μάριον ἥσθοντο γὰρ δὴ Μαρίου μὲν εἶναι τὰ ἔργα τάδε πάντα, Κίνναν δ' αὐτοῖς ἐπιγράφεσθαι, σὺν εἰρωνείᾳ σφόδρα ὁ Μάριος ἐπιμειδίων εἶπεν οὐκ

εἶναι φυγάσιν εισόδους. καὶ εὐθὺς οἱ δήμαρχοι τὴν φυγὴν αὐτῷ τε καὶ ὅσοι ἄλλοι κατὰ Σύλλαν ὑπατον ἐξελέγησαντο, ἐψηφίσαντο λελύσθαι.

[71] οἱ μὲν δὴ δεχομένων αὐτοὺς σὺν δέει πάντων ἐσῆεσαν ἐς τὴν πόλιν, καὶ τὰ τῶν ἀντιπράξαι σφίσι δοκούντων ἀκωλύτως πάντα διηρπάζετο: Ὀκταοῦϊω δὲ Κίννας μὲν καὶ Μάριος ὄρκους ἐπεπόμφεσαν, καὶ θύται καὶ μάντιες οὐδὲν πείσεσθαι προύλεγον, οἱ δὲ φίλοι φυγεῖν παρήνουν. ὁ δ' εἰπὼν οὐποτε προλείψειν τὴν πόλιν ὑπατος ὢν ἐς τὸ Ἰάνουκλον, ἐκστάς τοῦ μέσου, διήλθε μετὰ τῶν ἐπιφανεστάτων καὶ τινος ἔτι καὶ στρατοῦ ἐπὶ τε τοῦ θρόνου προυκάθητο, τὴν τῆς ἀρχῆς ἐσθῆτα ἐπικείμενος, ῥάβδων καὶ πελέκεων ὡς ὑπάτῳ περικειμένων. ἐπιθέοντος δ' αὐτῷ μετὰ τινων ἱππέων Κηνσωρίνου καὶ πάλιν τῶν φίλων αὐτὸν καὶ τῆς παρεστῶσης στρατιᾶς φυγεῖν παρακαλούντων καὶ τὸν ἵππον αὐτῷ προσαγαγόντων, οὐκ ἀνασχόμενος οὐδὲ ὑπαναστῆναι τὴν σφαγὴν περιέμενεν. ὁ δὲ Κηνσωρίνος αὐτοῦ τὴν κεφαλὴν ἐκτεμὼν ἐκόμισεν ἐς Κίνναν, καὶ ἐκρεμάσθη πρὸ τῶν ἐμβόλων ἐν ἀγορᾷ πρώτου τοῦδε ὑπάτου. μετὰ δ' αὐτὸν καὶ τῶν ἄλλων ἀναιρουμένων ἐκρήμναντο αἱ κεφαλαί, καὶ οὐ διέλιπεν ἔτι καὶ τότε τὸ μύσος, ἀρξάμενόν τε ἀπὸ Ὀκταοῦϊου καὶ ἐς τοὺς ἔπειτα ὑπὸ τῶν ἐχθρῶν ἀναιρουμένους περιόν.

ζητηταὶ δ' ἐπὶ τοὺς ἐχθροὺς αὐτίκα ἐξέθεον τοὺς τε ἀπὸ τῆς βουλῆς καὶ τῶν καλουμένων ἱππέων, καὶ τῶν μὲν ἱππέων ἀναιρουμένων λόγος οὐδεὶς ἔτι μετὰ τὴν ἀναίρεσιν ἐγίνετο, αἱ δὲ τῶν βουλευτῶν κεφαλαὶ πᾶσαι προυτίθεντο πρὸ τῶν ἐμβόλων. αἰδῶς τε θεῶν ἢ νέμεσις ἀνδρῶν ἢ φθόνου φόβος οὐδεὶς ἔτι τοῖς γιγνομένοις ἐπῆν, ἀλλὰ ἐς ἔργα ἀνήμερα καὶ ἐπὶ τοῖς ἔργοις ἐς ὧσαι ἐτρέποντο ἀθεμίστους, κτινύνοντες τε ἀνηλεῶς καὶ περιτέμνοντες αὐχένας ἀνδρῶν ἤδη τεθνεώτων καὶ προτιθέντες τὰς συμφορὰς ἐς φόβον ἢ κατάπληξιν ἢ θεῶν ἀθέμιστον.

[72] Γάιος μὲν δὴ Ἰούλιος καὶ Λεύκιος Ἰούλιος, δύο ἀλλήλοιν ἀδελφῶ, καὶ Ἀτιλῖος Σερρανὸς καὶ Πούπλιος Λέντλος καὶ Γάιος Νεμετώριος καὶ Μάρκος Βαίβιος ἐν ὁδῷ καταληφθέντες ἀνηρέθησαν, Κράσσος δὲ μετὰ τοῦ παιδὸς διωκόμενος τὸν μὲν υἱὸν ἔφθασε προανελεῖν, αὐτὸς δ' ὑπὸ τῶν διωκόντων ἐπανηρέθη. τὸν δὲ ῥήτορα Μάρκον Ἀντώνιον ἔς τι χωρίον ἐκφυγόντα ὁ γεωργὸς ἐπικρύπτων καὶ ξενίζων ἐς πανδοκεῖον ἐπεμψε τὸν θεράποντα σπουδαιότερον τοῦ συνήθους οἶνον πρίασθαι: καὶ τοῦ καπήλου, τί δὴ σπουδαιότερον αἰτοίῃ, πυθομένου, ὁ μὲν θεράπων ἐπιθύρισε τὴν αἰτίαν καὶ πριάμενος ἐπανήλθεν, ὁ δὲ κάπηλος αὐτίκα ἔθει Μαρίῳ τοῦτο δηλώσων, καὶ ὁ Μάριος, ἐπεῖτε ἤκουσεν, ὑφ' ἡδονῆς ἀνέδραμεν ὡς αὐτὸς ὁρμήσων ἐπὶ τὸ ἔργον. ἐπισχόντων δ' αὐτὸν τῶν φίλων χιλιάρχος ἀποσταλεὶς στρατιώτας ἐς τὸ οἶκημα ἀνέπεμψεν, οὗς ὁ Ἀντώνιος ἡδὺς ὢν εἰπεῖν κατεκίλει λόγοις μακροῖς, οἰκτιζόμενός τε καὶ πολλὰ καὶ ποικίλα διεξιὼν, ἕως ὁ χιλιάρχος ἀπορῶν ἐπὶ τῷ γιγνομένῳ αὐτὸς ἀνέδραμεν ἐς τὸ οἶκημα καὶ τοὺς στρατιώτας εὐρὼν ἀκροωμένους ἔκτεινε τὸν Ἀντώνιον ῥητορεύοντα ἔτι καὶ τὴν κεφαλὴν ἔπεμψε τῷ Μαρίῳ.

[73] Κορνοῦτον δὲ ἐν καλύβαις κρυπτόμενον οἱ θεράποντες εὐμηχάνως περιέσωσαν: νεκρῷ γὰρ περιτυχόντες σώματι πυρὰν τε ἔνησαν καὶ τῶν ζητητῶν ἐπιόντων ἄψαντες τὴν πυρὰν ἔφασαν τὸν δεσπότην καίειν

ἀπαγξάμενον. ὁ μὲν δὴ πρὸς τῶν θεραπόντων περισέσωστο, Κόιντος δὲ Ἀγχάριος Μάριον ἐν τῷ Καπιτωλίῳ μέλλοντα θύσειν ἐφύλαττεν, ἐλπίζων οἱ τὸ ἱερὸν διαλλακτῆριον ἔσσεσθαι. ὁ δ' ἀρχόμενος τῆς θυσίας προσιόντα τὸν Ἀγχάριον καὶ προσαγορεύοντα αὐτίκα ἐν τῷ Καπιτωλίῳ τοῖς παρεστώσι προσέταξεν ἀνελεῖν. καὶ ἡ κεφαλὴ καὶ τοῦδε καὶ Ἀντωνίου τοῦ ῥήτορος καὶ τῶν ἄλλων ὑπάτων ἢ στρατηγῶν γεγονότων ἐν ἀγορᾷ προυτέθησαν. ταφὴν τε οὐδενὶ ἐξῆν ἐπενεγκεῖν ἐς οὐδένα τῶν ἀναιρουμένων, ἀλλ' οἰωνοὶ καὶ κύνες ἄνδρας τοιούσδε διεσπάσαντο. πολὺς δὲ καὶ ἄλλος ἦν τῶν στασιωτῶν φόνος ἐς ἀλλήλους ἀνεύθυνος καὶ ἐξελάσεις ἐτέρων καὶ δημεύσεις περιουσίας καὶ ἀρχῆς ἀφαιρέσεις καὶ ἀνατροπαὶ τῶν ἐπὶ Σύλλα τεθέντων νόμων. αὐτοῦ τε Σύλλα φίλοι πάντες ἀνηροῦντο, καὶ ἡ οἰκία κατεσκάπτετο, καὶ ἡ περιουσία δεδήμευτο, καὶ πολέμιος ἐψηφίζετο: τὸ δὲ γύναιον καὶ ἡ γενεὰ ζητούμενοι διέφυγον. ὅλως τε οὐδὲν ἀπὴν ἀθρόων τε καὶ ποικίλων κακῶν.

[74] ἐπὶ δὲ τούτοις, ἐς ὑπόκρισιν ἀρχῆς ἐννόμου μετὰ τοσοῦσδε φόνους ἀκρίτους, ὑπεβλήθησαν κατήγοροι τῷ τε ἱερεῖ τοῦ Διὸς Μερόλα, κατ' ὀργὴν ἄρα τῆς ἀρχῆς, ἣν Κίνναν οὐδὲν ἀδικῶν διεδέδεκτο, καὶ Λουτατίῳ Κάτλῳ, τῷ Μαρίου περὶ τὰ Κιμβρικὰ συνάρχῳ, περισωθέντι μὲν ἐκ Μαρίου πάλαι, ἀχαρίστῳ δ' ἐς αὐτὸν καὶ πικροτάτῳ περὶ τὴν ἐξέλασιν γενομένῳ. οὗτοι μὲν δὴ φυλλασσόμενοι τε ἀφανῶς καὶ τῆς κυρίας ἡμέρας ἐπελθούσης ἐς τὴν δίκην ἀνακαλούμενοι ἑτεράκις δὲ ἐχρῆν κηρυττομένους ἐν ὀρισμένοις ὥρων διαστήμασιν ἀλῶναι, Μερόλας μὲν τὰς φλέβας ἐνέτεμεν ἑαυτοῦ, καὶ πινάκιον αὐτῷ παρακείμενον ἐδήλου, ὅτι κόπτων τὰς φλέβας τὸν πῖλον ἀποθοῖτο ὅν γάρ ἦν θεμιτὸν ἱερέα περικείμενον τελευτᾶν, Κάτλος δ' ἐν οἰκίᾳ νεοχρίστῳ τε καὶ ἔτι ὑγρῷ καίῳ ἀνθρακας ἐκὼν ἀπεπνίγη. καὶ οὗτοι μὲν οὕτως ἀπέθανον, θεράποντες δ' ὅσοι κατὰ τὸ κήρυγμα πρὸς Κίνναν ἐκδραμόντες ἐλεύθεροι γεγέννητο καὶ αὐτῷ Κίννα τότε ἐστρατεύοντο, ταῖς οἰκίαις ἐπέτρεχον καὶ διήρπαζον, ἀναιροῦντες ἅμα οἷς περιτύχοιεν: οἱ δὲ αὐτῶν καὶ τοῖς σφετέροις δεσπόταις μάλιστα ἐπεχείρουν. Κίννας δ' ἐπεὶ πολλάκις αὐτοῖς ἀπαγορεύων οὐκ ἔπειθε, Γαλατῶν στρατιὰν αὐτοῖς ἔτι νυκτὸς ἀναπαυομένοις περιστήσας διέφθειρε πάντας.

οἱ μὲν δὴ θεράποντες δίκην ἀξίαν ἔδοσαν τῆς ἐς δεσπότης πολλάκις ἀπιστίας: [75] τοῦ δ' ἐπιόντος ἔτους ὑπατοὶ μὲν ἦρηντο Κίννας τε αὖθις καὶ Μάριος ἑβδομον, ὃ μετὰ φυγὴν καὶ ἐπικήρυξιν, εἴ τις ὥς πολέμιον ἀνέλοι, τὸ μάντευμα ὅμως ἀπῆντα τὸ τῶν ἐπτὰ νεογνῶν ἀετῶν. ἀλλ' οὗτος μὲν πολλὰ καὶ δεινὰ ἐς Σύλλαν ἐπινοῶν τοῦ πρώτου μηνὸς τῆς ἀρχῆς ἀπέθανε, καὶ Οὐαλέριον Φλάκκον ὁ Κίννας ἐλόμενος ἀντ' αὐτοῦ εἰς τὴν Ἀσίαν ἐξέπεμψε, ἀποθανόντος δὲ καὶ Φλάκκου Κάρβωνα εἴλετο συνάρχειν ἑαυτῷ.

[76] Σύλλας δ' ἐπέιξει τῆς ἐπὶ τοὺς ἐχθροὺς ἐπανόδου τὰ ἐς Μιθριδάτην πάντ' ἐπιταχύνας, ὥς μοι προείρηται, καὶ ἔτεσιν οὐδ' ὅλοις τρισὶν ἐκκαίδεκα μὲν ἀνδρῶν μυριάδας κατακανών, τὴν δὲ Ἑλλάδα καὶ Μακεδονίαν καὶ Ἰωνίαν καὶ Ἀσίαν καὶ ἄλλα ἔθνη πολλά, ὅσα Μιθριδάτης προειλήφει, ἐς Ῥωμαίους ἀναλαβὼν αὐτόν τε τὸν βασιλέα τὰς ναῦς ἀφελόμενος καὶ ἐς μόνην τὴν πατρῶαν ἀρχὴν ἐκ τοσῶνδε κατακλείσας, ἐπανήει στρατὸν ἄγων εὖνουν οἱ καὶ γεγυμνασμένον καὶ πολὺν καὶ τοῖς γεγονόσιν ἐπηρμένον. ἦγε δὲ καὶ νεῶν

πλῆθος καὶ χρήματα καὶ παρασκευὴν ἐς ἅπαντα ἀξίολογον, καὶ τοῖς ἐχθροῖς ἦν ἐπίφοβος, ὥστε δειμαίνοντες αὐτὸν ὃ τε Κάρβων καὶ ὁ Κίννας ἐς ὅλην τὴν Ἰταλίαν τινὰς περιέπεμπον, χρήματα καὶ στρατιὰν καὶ σῖτον αὐτοῖς ἀθροίζειν, τοὺς τε δυνατοὺς συνουσίαις ἀνελάμβανον καὶ τῶν πόλεων ἠρέθιζον μάλιστα τὰς νεοπολιτίδας, ὡς δι' αὐτὰς ὄντες ἐν τοσῷδε κινδύνῳ. τὰς τε ναῦς ἐπεσκεύαζον ἀθρόως καὶ τὰς ἐν Σικελίᾳ μετεκάλουν καὶ τὴν παράλιον ἐφύλασσαν καὶ οὐδὲν ὀξείας οὐδὲ οἶδε παρασκευῆς μετὰ δέους ἅμα καὶ σπουδῆς ἐξέλιπον.

[77] Σύλλας δ' ἐπὶ φρονήματος ἐπέστέλλε τῇ βουλῇ περὶ τε αὐτοῦ καταλέγων, ὅσα περὶ Λιβύην ἐς Ἰογόρθαν τὸν Νομάδα ἔτι ταμιεύων ἢ ἐπὶ τοῖς Κιμβρικοῖς πρεσβεύων ἢ Κυλικίας ἡγούμενος ἢ ἐν τοῖς συμμαχικοῖς ἢ ὑπατεύων ἔπραξε, τὰ δ' ἑναγχος ἐς Μιθριδάτην ὑπερεπαίρων τε μάλιστα καὶ καταλογιζόμενος αὐτοῖς ἀθρόως ἔθνη πολλά, ὅσα Μιθριδάτου γενόμενα Ῥωμαίοις ἀναλάβοι, καὶ οὐδενὸς ἦττον, ὅτι τοὺς ἐξελαθέντας ἐκ Ῥώμης ὑπὸ Κίννα καταφυγόντας ἐς αὐτὸν ὑποδέξαιτο ἀπορουμένους καὶ ἐπικουφίζοι τὰς συμφορὰς αὐτοῖς. ἀνθ' ὧν ἔφη τοὺς ἐχθροὺς πολέμιον αὐτὸν ἀναγράψαι καὶ τὴν οἰκίαν ἀνασκάψαι καὶ τοὺς φίλους ἀνελεῖν, τὴν δὲ γυναῖκα καὶ τέκνα μόλις πρὸς ἑαυτὸν διαφυγεῖν. ἀλλ' αὐτίκα καὶ τοῖσδε καὶ τῇ πόλει πάση τιμωρὸς ἦξεν ἐπὶ τοὺς εἰργασμένους. τοῖς δ' ἄλλοις πολίταις τε καὶ νεοπολίταις προύλεγεν οὐδενὶ μέμψεσθαι περὶ οὐδενός.

ὧν ἀναγινωσκομένων δέος ἅπαντας ἐπέιχε, καὶ πρέσβεις ἔπεμπον, οἱ συναλλάξειν αὐτὸν τοῖς ἐχθροῖς ἔμελλον καὶ προερεῖν, εἴ τινας ἀσφαλείας δέοιτο, τῇ βουλῇ τάχιστα ἐπιστεῖλαι· τοῖς δ' ἀμφὶ τὸν Κίνναν εἰρητὸ μὴ στρατολογεῖν, ἔστε ἐκεῖνον ἀποκρίνασθαι. οἱ δ' ὑπέσχοντο μὲν ὧδε πράξειν, οἰχομένων δὲ τῶν πρέσβεων ἐς τὸ μέλλον ἑαυτοὺς ἀνεῖπον ὑπάτους αὐτίκα, τοῦ μὴ διὰ τὰ ἀρχαιρέσια θάττον ἐπανήκειν, καὶ τὴν Ἰταλίαν περιιόντες στρατιὰν συνῆγον, ἣν ἐς Λιβυρνίαν, ὡς ἐκεῖθεν ἀπαντήσοντες τῷ Σύλλᾳ, κατὰ μέρος ἐπὶ νεῶν διεβίβαζον.

[78] τὸ μὲν δὴ πρῶτον μέρος εὐσταθῶς διέπλευσε· τῷ δ' ἐξῆς χειμῶν ἐπέπεσε, καὶ ὅσοι τῆς γῆς ἐλαμβάνοντο, εὐθὺς ἐς τὰς πατρίδας διεδίδρασκον ὡς οὐ στρατεύοντες ἐκόντες κατὰ πολιτῶν· οἱ τε λοιποὶ πυνθανόμενοι ταῦτ' οὐδ' αὐτοὶ περάσειν ἔτι ἔλεγον ἐς τὴν Λιβυρνίαν. Κίννας δ' ἀγανακτῶν ἐς ἐκκλησίαν αὐτοὺς ὡς ἐπιπλήξων συνεκάλει· καὶ οἱ σὺν ὀργῇ παρήεσαν ὡς ἀμνούμενοι. τῶν δὲ ῥαβδοφόρων τινὸς ὁδοποιοῦντος τῷ Κίννᾳ καὶ τινα τῶν ἐν ποσὶ πατάξαντος, ἕτερος ἐκ τοῦ στρατοῦ τὸν ῥαβδοῦχον ἐπάταξε. καὶ Κίννα κελεύσαντος αὐτὸν συλλαβεῖν βοή παρὰ πάντων ἀνέστη, καὶ λίθων ἦσαν ἐπ' αὐτὸν ἀφέσεις· οἱ δ' ἐγγὺς καὶ τὰ ξιφίδια ἐπισπάσαντες συνεκέντησαν αὐτόν. οὕτω μὲν δὴ καὶ Κίννας ὑπατεύων ἀπέθανε· Κάρβων δ' ἔκ τε Λιβυρνίας τοὺς διαπεπλευκότας ἐς αὐτὴν μετεκάλει καὶ τὰ γιγνόμενα δεδιώς ἐς τὴν πόλιν οὐ κατῆει, καὶ πάνυ τῶν δημάρχων αὐτὸν καλούντων ἐπὶ συνάρχου χειροτονίαν. ἀπειλησάντων δὲ ἰδιώτην ἀποφανεῖν, ἐπανῆλθε μὲν καὶ χειροτονίαν προύθηκεν ὑπάτου, ἀπαισίου δὲ τῆς ἡμέρας γενομένης ἐτέραν προύγραφε· κὰν ταύτη κεραυνοῦ πεσόντος ἐς τὸ τῆς Σελήνης καὶ τὸ τῆς Δήμητρος ἱερὸν οἱ μάντιες ὑπὲρ τὰς θερινὰς τροπὰς ἀνέτίθεντο τὰς

χειροτονίας, καὶ μόνος ἤρχεν ὁ Κάρβων.

[79] Σύλλας δὲ τοῖς πρὸς αὐτὸν ἤκουσιν ἀπὸ τῆς βουλῆς ἀπεκρίνατο αὐτὸς μὲν οὐποτε ἀνδράσι τολάδε ἐργασαμένοις ἔσσεσθαι φίλος, τῇ πόλει δ' οὐ φθονήσιν χαριζομένη τὴν σωτηρίαν αὐτοῖς: ἀσφάλειαν δὲ αὐτὸς μᾶλλον αὐτοῖς ἔφη καὶ τοῖς ἐς αὐτὸν καταφυγοῦσιν ἐς αἰὶ παρέξειν, στρατὸν ἔχων εὖνουν. ᾧ δὴ καὶ μάλιστα δῆλος ἐγένετο, ἐνὶ ῥήματι τῷδε, οὐ διαλύσω τὸν στρατὸν, ἀλλὰ τὴν τυραννίδα ἤδη διανοοῦμενος. ἥτει δ' αὐτοὺς τὴν τε ἀξίωσιν καὶ περιουσίαν καὶ ἱερωσύνην καὶ εἴ τι ἄλλο γέρας εἶχεν, ἐντελῇ πάντα ἀποδοθῆναι: καὶ τοὺς περὶ τούτων ἐροῦντας συνέπεμπε τοῖς πρέσβεσιν. οἱ δ' εὐθὺς ἀπὸ τοῦ Βρεντεσίου, Κίνναν τε πυθόμενοι τεθνάναι καὶ τὴν πόλιν ἀδιοίκητον εἶναι, πρὸς τὸν Σύλλαν ἀνέστρεφον ἄπρακτοι. καὶ ὁ Σύλλας πέντε Ἰταλοῦ στρατοῦ τέλη καὶ ἱππέας ἐξακισχιλίους, ἄλλους τέ τινας ἐκ Πελοποννήσου καὶ Μακεδονίας προσλαβὼν, ἅπαντας ἄγων ἐς μυριάδας ἀνδρῶν τέσσαρας, ἐπὶ τε Πάτρας ἀπὸ τοῦ Πειραιέως καὶ ἐκ Πατρῶν ἐς Βρεντέσιον χιλίαις καὶ ἑξακοσίαις ναυσὶ διέπλει. δεξαμένων δ' αὐτὸν ἀμαχεῖ τῶν Βρεντεσίων, τοῖσδε μὲν ὕστερον ἔδωκεν ἀτέλειαν, ἣν καὶ νῦν ἔχουσιν, αὐτὸς δ' ἀναστήσας τὸν στρατὸν ἦγεν ἐς τὸ πρόσω.

[80] καὶ αὐτῷ Μέτελλος Καικίλιος ὁ Εὐσεβής, ἐκ πολλοῦ τε ἡρημένος ἐς τὰ λοιπὰ τοῦ συμμαχικοῦ πολέμου καὶ διὰ Κίνναν καὶ Μάριον ἐς τὴν πόλιν οὐκ ἐσελθὼν, ἀλλὰ ἐν τῇ Λιβυστίδι τὸ μέλλον περιορῶν, αὐτόκλητος σύμμαχος ἀπῆντα μεθ' ἧς εἶχε συμμαχίας, ἀνθύπατος ἔτι ὢν: ἔστι γὰρ εἶναι τοῖς αἰρεθεῖσιν, ἔστε ἐπανέλθοιεν ἐς Ῥώμην. ἐπὶ δὲ τῷ Μετέλλῳ καὶ Γναῖος Πομπήιος, ὁ μετ' οὐ πολὺ Μέγας παρονομασθεὶς, Πομπηίου μὲν ὢν παῖς τοῦ διεφθαρμένου τῷ κεραυνῷ, οὐκ εὖνουν τῷ Σύλλᾳ νομισθέντος, τὴν δ' ὑποψίαν διαλυόμενος, ἦλθε καὶ τέλος ἤγαγεν, ἐκ τῆς Πικηνίτιδος κατὰ κλέος τοῦ πατρὸς ισχύσαντος ἐν αὐτῇ μάλιστα ἀγείρας. μετὰ δ' οὐ πολὺ καὶ δύο ἄλλα συνέλεξε καὶ χρησιμώτατος ἐν τοῖς μάλιστα ὁδε ὁ ἀνὴρ ἐγένετο τῷ Σύλλᾳ: ὅθεν αὐτὸν ὁ Σύλλας ἔτι νεώτατον ὄντα ἦγεν ἐν τιμῇ καὶ ἐπιόντος, φασίν, ὑπανίστατο μόνῳ. λήγοντος δὲ τοῦ πολέμου καὶ ἐς Λιβύην ἔπεμψεν ἐξελάσαι τε τοὺς Κάρβωνος φίλους καὶ Ἰεμψάλαν ἐκπεσόντα ὑπὸ Νομάδων ἐς τὴν βασιλείαν καταγαγεῖν. ἐφ' ᾧ δὴ καὶ θριαμβεῦσαι κατὰ τῶν Νομάδων αὐτῷ παρέσχεν ὁ Σύλλας, ἔτι ὄντι νέῳ καὶ ἔτι ὄντι τῶν ἱππέων. καὶ ἀπὸ τοῦδε ἐπαρθείς ἐς μέγα ὁ Πομπήιος ἐπὶ Σερτώριον ἐς Ἰβηρίαν ἐπέμφθη καὶ ἐς τὸν Πόντον ἐπὶ Μιθριδάτην ὕστερον. ἀφίκετο δὲ καὶ Κέθηγος ἐς τὸν Σύλλαν, χαλεπώτατος ἀντιστασιώτης αὐτῷ μετὰ Κίννα καὶ Μαρίου γενόμενος καὶ σὺν ἐκείνοις τῆς πόλεως ἐκπεσὼν, ἰκέτης τε γινόμενος καὶ ἑαυτὸν ὑπηρετήν ἐς ὃ τι βούλοιο παρέχων.

[81] ὁ δὲ καὶ στρατιᾶς πολὺν πλῆθος ἔχων ἤδη καὶ φίλους πολλοὺς τῶν ἐπιφανῶν, τοῖσδε μὲν ὑποστρατήγοις ἐχρήτο, αὐτὸς δὲ καὶ Μέτελλος ἀνθυπάτῳ ὄντε ἐς τὸ πρόσθεν ἐχώρουν: ἐδόκει γὰρ δὴ καὶ ὁ Σύλλας, ἀνθύπατος ἐπὶ Μιθριδάτῃ γενόμενος, οὐκ ἀποθέσθαι πῶ τὴν ἀρχήν, εἰ καὶ πολέμιον αὐτὸν ἐψηφίσαιο Κίννας. ὁ μὲν δὴ κατὰ τῶν ἐχθρῶν ἦει βαρυτάτη καὶ ἀφανεῖ ἔχθρα: οἱ δ' ἐν ᾧσται τῆς τε φύσεως αὐτοῦ καλῶς τεκμαιρόμενοι καὶ τὴν προτέραν ἐς τὴν πόλιν ἐσβολὴν αὐτοῦ καὶ κατάληψιν ἔτι ἔχοντες ἐν

ὄψει τὰ τε ψηφίσματα, ἃ ἐπεκήρυξαν αὐτῷ, λογιζομενοὶ καὶ τὴν οἰκίαν ὀρῶντες ἀνεσκαμμένην καὶ περιουσίαν δεδημευμένην καὶ φίλους ἀνηρημένους καὶ γενεὰν μόλις ἐκφυγοῦσαν ἐδείκναιον. καὶ οὐδὲν σφίσι νίκης ἢ πανωλεθρίας μέσον εἶναι νομίζοντες συνίσταντο τοῖς ὑπάτοις ἐπὶ τὸν Σύλλαν μετὰ δέους, ἔς τε τὴν Ἰταλίαν περιπέμποντες στρατιὰν καὶ τροφὰς καὶ χρήματα συνήγου, οὐδὲν ὡς περὶ ἐσχάτων σφίσιν ἀπολείποντες οὔτε σπουδῆς οὔτε προθυμίας.

[82] γαίος τε Νωρβανὸς καὶ Λεύκιος Σκιπίων, τὼ τότε ὄντε ὑπάτω, καὶ μετ' αὐτῶν Κάρβων, ὃς πέρυσιν ἦρχεν, ἔχθρα μὲν ἐς τὸν Σύλλαν ὁμοία χρώμενοι, δέει δὲ καὶ συνειδότες ὧν ἔπραξαν πολὺ τῶν ἄλλων χεῖρονι, ἔκ τε τῆς πόλεως στρατόν, ὅσον εὐπόρουν, κατέλεγον καὶ τὸν ἐκ τῆς Ἰταλίας προσλαβόντες ἐπὶ τὸν Σύλλαν κατὰ μέρος ἐχώρουν, σπεύrais ἐκ πεντακοσίων ἀνδρῶν διακοσίαις τότε πρῶτον: ὕστερον γὰρ καὶ πλέοσι τούτων. ἡ γὰρ εὖνοια τῶν ἀνδρῶν ἐς τοὺς ὑπάτους παρὰ πολὺ ἐποίει, ὥς τὸ μὲν ἔργον τὸ Σύλλα, χωροῦντος ἐπὶ τὴν πατρίδα, δόξαν ἔχον πολεμίῳ, τὸ δὲ τῶν ὑπάτων, εἰ καὶ περὶ σφῶν ἔπραττον, πρόσχημα τῆς πατρίδος. τῶν τε ἀμαρτηθέντων αὐτοῖς οἱ πολλοὶ συνεγνωκότες καὶ τοῦ φόβου μετέχειν ἡγούμενοι συνέπρασσον, εὗ τὸν Σύλλαν εἰδότες οὐ κόλασιν ἢ διόρθωσιν ἢ φόβον ἐπὶ σφίσιν, ἀλλὰ λύμας καὶ θανάτους καὶ δημεύσεις καὶ ἀναίρεσιν ὅλως ἀθρόαν ἐπινοοῦντα. ὧν οὐκ ἐψεύσθησαν τῆς δόξης. ὃ τε γὰρ πόλεμος ἐφθειρε πάντας, ὧν γε καὶ μύριοι καὶ δισμύριοι πολλάκις ἐν μάχῃ μιᾷ καὶ ἀμφὶ τὸ ἄστυ πέντε μυριάδες ἀμφοῖν ἀπέθανον: καὶ ἐς τοὺς ὑπολοίπους ὁ Σύλλας οὐδὲν δεινὸν καὶ καθ' ἓνα καὶ κατὰ πόλεις ἐξέλιπε δρῶν, μέχρι καὶ μόναρχον ἑαυτὸν ἀπέφηνε τῆς Ῥωμαίων ἀρχῆς ὅλης, ἐφ' ὅσον ἐχρηζέ τε καὶ ἐβούλετο.

[83] καὶ τὰδε αὐτοῖς ἐδόκει καὶ τὸ δαιμόνιον ἐν τῷδε τῷ πολέμῳ προσημῆναι. δειμάτα τε γὰρ ἄλογα πολλοῖς καὶ ἰδίᾳ καὶ κατὰ πλῆθος ἐνέπιπτε περὶ ὅλην τὴν Ἰταλίαν, καὶ μαντευμάτων παλαιῶν ἐπιφοβωτέρων ἐμνημόνευον, τέρατά τε πολλὰ ἐγίνοντο, καὶ ἡμίονος ἔτεκε, καὶ γυνὴ κύουσα ἔχιν ἀντὶ βρέφους ἐξέδωκε, τὴν τε γῆν ὁ θεὸς ἐπὶ μέγα ἔσεισε καὶ νεῶς τινὰς ἐν Ῥώμῃ κατήνεγκε, καὶ πάντῃ Ῥωμαίων ὄντων ἐς τὰ τοιαῦτα βαρυεργῶν. τό τε Καπιτώλιον ὑπὸ τῶν βασιλέων τετρακοσίοις πού πρόσθεν ἔτεσι γεγόμενον ἐνεπρήσθη, καὶ τὴν αἰτίαν οὐδεὶς ἐπενόει. πάντα δ' ἔδοξεν ἐς τὸ πλῆθος τῶν ἀπολουμένων καὶ τὴν ἄλωσιν τῆς Ἰταλίας καὶ Ῥωμαίων αὐτῶν τῆς τε πόλεως κατάληψιν καὶ πολιτείας μεταβολὴν προσημῆναι.

[84] ἦρξατο μὲν οὖν ὁδε ὁ πόλεμος, ἐξ οὗ Σύλλας ἐς Βρεντέσιον παρῆλθεν, ὀλυμπιάδων οὐσῶν ἑκατὸν ἐβδομήκοντα καὶ τεσσάρων: μῆκος δ' αὐτοῦ, διὰ τε τὸ μέγεθος τῶν ἔργων, σὺν ἐπεῖξει ὥς ἐπ' ἐχθροὺς ἰδίους ταχυνόντων, οὐ πολὺ ὥς ἐπὶ τοσοῖσδε ἔργοις ἐγένετο. ὅθεν καὶ μάλιστα αὐτοῖς τὰ παθήματα ἐπείγομένοις ἐν βραχεῖ μείζω καὶ ὀξύτερα συνέβη γενέσθαι. ἐς δὲ τριετὲς ὅμως προῆλθε, κατὰ γε τὴν Ἰταλίαν, μέχρι τὴν ἀρχὴν ἀνεδήσατο Σύλλας: ἐν γὰρ Ἰβηρίᾳ καὶ μετὰ Σύλλαν ἐξέτεινεν ἐπὶ πλεῖον. μάχαι δὲ καὶ ἀκροβολίαι καὶ πολιορκίαι καὶ πολέμων ἰδέαι πᾶσαι κατὰ τὴν Ἰταλίαν ἀθρόαι τε καὶ κατὰ μέρη τοῖς στρατηγοῖς ἐγένοντο πολλά, καὶ πᾶσαι διαφανεῖς. ὧν τὰ μέγιστα καὶ ἀξιολογώτατα, ἐν κεφαλαίῳ φράσαι, τοιαῦτα ἦν.

πρώτη μὲν ἀμφὶ Κανύσιον τοῖς ἀνθυπάτοις πρὸς Νωρβανὸν ἐγίνετο μάχη· καὶ θηήσκουσι Νωρβανοῦ μὲν ἐξακισχίλιοι, τῶν δ' ἀμφὶ τὸν Σύλλαν ἐβδομήκοντα, τραυματῖαι δ' ἐγένοντο πολλοί· καὶ Νωρβανὸς ἐς Καπύην ἀνέζευξε. [85] Σύλλα δὲ καὶ Μετέλλω περὶ τὸ Τεανὸν οὗσι Λεύκιος Σκιπίων ἐπήει μεθ' ἐτέρου στρατοῦ, πάνυ ἀθύμως ἔχοντος καὶ ποθοῦντος εἰρήνην γενέσθαι· αἰσθόμενοι δ' οἱ περὶ τὸν Σύλλαν πρὸς τὸν Σκιπίωνα περὶ συμβάσεων ἐπρέσβευον, οὐχ οὕτως ἐλπίζοντες ἢ χρήζοντες, ὥς στασιάσειν προσδοκῶντες αὐτοῦ τὸν στρατὸν ἀθύμως ἔχοντα. ὁ καὶ συνηνέχθη γενέσθαι. Σκιπίων μὲν γὰρ ὄμηρα τῆς συνόδου λαβὼν ἐς τὸ πεδῖον κατήει, καὶ συνήεσαν τρεῖς ἐκατέρωθεν, ὅθεν οὐδὲ γινῶναι τὰ λεχθέντα συνέβη· ἐδόκει δ' ἀναθέμενος ὁ Σκιπίων ἐς Νωρβανὸν τὸν σύναρχον περὶ τῶν λελεγμένων πέμπαι Σερτώριον ἀπαγγελοῦντα, καὶ ὁ στρατὸς ὁ ἐκατέρων ἡσύχαζε, τὰς ἀποκρίσεις ἀναμένοντες. Σερτωρίου δ' ἐν παρόδῳ ζύεσαν, ἢ τὰ Σύλλεια ἦρητο, καταλαβόντος ὁ μὲν Σύλλας ἡττιάτο πέμπων ἐς τὸν Σκιπίωνα, ὁ δέ, εἴτε τῷ γενομένῳ συνεγνωκῶς εἴτε ἀποκρίσεως ἀπορῶν ὥς ἐπὶ ἀλλοκότῳ δὴ τῷ Σερτωρίου ἔργῳ, τὰ ὄμηρα ἀπέπεμπε τῷ Σύλλᾳ. καὶ αὐτίκα ὁ στρατὸς αὐτοῦ, τῇ τε τῆς Συέσης ἐν σπονδαῖς ἀλόγῳ καταλήψει καὶ τῇ τῶν ὁμήρων οὐκ ἀπαιτουμένων ἀποπέμψει τοὺς ὑπάτους ἔχοντες ἐν αἰτίαις, κρύφα τῷ Σύλλᾳ συνετίθεντο μεταθήσεσθαι πρὸς αὐτόν, εἰ πελάσειε. καὶ προσιόντος αὐτίκα πάντες ἀθρόως μετέστησαν, ὥς τὸν ὑπατοὶ Σκιπίωνα καὶ τὸν υἱὸν αὐτοῦ Λεύκιον μόνους ἐκ τοῦ στρατοῦ παντὸς ἐν τῇ σκηνῇ διηπορημένους Σύλλαν καταλαβεῖν. καὶ μοι δοκεῖ τόδε οὐ στρατηγοῦ παθεῖν ὁ Σκιπίων, ἀγνοήσας ὅλου στρατοῦ τοσὴνδε συνθήκην.

[86] Σκιπίωνα μὲν δὴ μετὰ τοῦ παιδὸς οὐ μεταπειθὼν ὁ Σύλλας ἀπέπεμπεν ἀπαθῇ. καὶ πρὸς Νωρβανὸν ἐς Καπύην περὶ συμβάσεων ἔπεμπεν ἐτέρους, εἴτε δείσας τῆς πλέονος Ἰταλίας ἔτι τοῖς ὑπάτοις συνισταμένης εἴτε καὶ ἐς τόνδε καθάπερ ἐς τὸν Σκιπίωνα τεχνάζων. οὐδενὸς δ' αὐτῷ προιόντος οὐδ' ἐς ἀπόκρισιν ὅ γάρ τοι Νωρβανός, ὡς οἶκε, μὴ διαβληθεῖται τὰ ὅμοια ἐς τὸν στρατὸν ἔδεισεν· ἀναστήσας Σύλλας ἐχώρει πρόσω τὰ πολέμια πάντα δηρὼν· τὸ δ' αὐτὸ καὶ Νωρβανὸς ἔπραττε κατ' ἄλλας ὁδοὺς. Κάρβων δὲ ἐς τὸ ἄστυ προδραμὼν Μέτελλον τε καὶ τοὺς ἄλλους, ὅσοι ὄντες ἀπὸ τῆς βουλῆς τῷ Σύλλᾳ συνῆσαν, ἐψηφίζετο εἶναι πολεμίους. αἷς ἡμέραις καὶ τὸ Καπιτώλιον ἐνεπίμπετο· καὶ τὸ ἔργον τινὲς ἐλογοποιοῦν Κάρβωνος ἢ τῶν ὑπάτων ἢ Σύλλας πέμψαντος εἶναι, τὸ δ' ἀκριβὲς ἄδηλον ἦν, καὶ οὐκ ἔχω τὴν αἰτίαν ἐγὼ συμβαλεῖν, δι' ἣν ἂν οὕτως ἐγένετο. Σερτώριος δ' ἐκ πολλοῦ στρατηγεῖν ἡρημένος Ἰβηρίας μετὰ τὴν Συέσης κατάληψιν ἔφευγεν ἐς τὴν Ἰβηρίαν· καὶ αὐτὸν τῶν προτέρων στρατηγῶν οὐ δεχομένων, πολλοὺς ἐνταῦθα καὶ ὅδε Ῥωμαίοις ἀνεκίνησε πόνους. πλέονος δ' αἰεὶ τοῖς ὑπάτοις γιγνομένου στρατοῦ ἀπὸ τε τῆς πλέονος Ἰταλίας ἔτι σφίσι συνεστώσης καὶ ἀπὸ τῆς ὁμόρου περὶ τὸν Ἡριδανὸν Γαλατίας, οὐδ' ὁ Σύλλας ἡμέλει, περιπέμπων ἐς ὅσα δύναίτο τῆς Ἰταλίας, φιλία τε καὶ φόβος καὶ χρήμασι καὶ ἐλπίσιν ἀγείρων, μέχρι τὸ λοιπὸν τοῦ θέρους ἐκατέρωις ἐς ταῦτα ἀνῆλθῃ.

[87] τοῦ δ' ἐπιόντος ἔτους ὑπατοὶ μὲν ἐγενέσθην Παπίριός τε Κάρβων αὔθις καὶ Μάριος ὁ ἀδελφιδοῦς Μαρίου τοῦ περιφανοῦς, ἑπτὰ καὶ εἴκοσιν ἔτη

γεγονώς· χειμῶν δὲ καὶ κρύος πολὺ γενόμενον ἅπαντας ἀλλήλων διέστησεν. ἀρχομένου δ' ἥρος περὶ τὸν Αἰσῖνον ποταμὸν ἐξ ἡοῦς ἐπὶ μεσημβρίαν ἀγὼν καρτερὸς ἐγένετο Μετέλλω τε καὶ Καρρίνῃ, Κάρβωνος στρατηγῷ, πρὸς ἀλλήλους· καὶ φεύγει μὲν ὁ Καρρίνας πολλοὺς ἀποβαλὼν, τὰ δὲ περίοικα πάντα ἐς τὸν Μέτελλον ἀπὸ τῶν ὑμάτων μετετίθετο. Μέτελλον δὲ Κάρβων καταλαβὼν ἐφρούρει περικαθήμενος, ἔστε Μάριον τὸν ἕτερον ὑπατον μεγάλη μάχῃ περὶ Πραϊνεστὸν ἡττῆσθαι πυθόμενος ἀνεστρατοπέδευεν ἐς Ἀρίμινον. καὶ τοῦδε μὲν Πομπήιος τῆς οὐραγίας ἐξαπτόμενος ἠνώχλει, ἡ δὲ περὶ Πραϊνεστὸν ἦσσα ὧδε ἐγένετο. Σύλλα Σήτιον καταλαβόντος, ὁ Μάριος ἀγχοῦ στρατοπεδεύων ὑπεχώρει κατ' ὀλίγον, ὥς δ' ἦλθεν ἐπὶ τὸν καλούμενον Ἰερὸν λιμένα, ἐξέτασεν ἐς μάχην καὶ ἠγωνίζετο προθύμως. ἀρχομένου δ' ἐνδιδόναι τοῦ λαιοῦ μέρους, σπεῖραι πέντε πεζῶν καὶ δύο ἱππέων οὐκ ἀναμείνασαι τὴν τροπὴν ἐκφανεῖναι τὰ τε σημεῖα ἔρριψαν ὁμοῦ καὶ πρὸς τὸν Σύλλαν μετετίθεντο. καὶ τόδ' εὐθὺς ἦρχε τῷ Μαρίῳ δυσχεροῦς ἥτης. κοπτόμενοι γὰρ ἐς Πραϊνεστὸν ἔφευγον ἅπαντες, ἐπομένου τοῦ Σύλλα σὺν δρόμῳ. καὶ οἱ Πραϊνεστῖοι τοὺς μὲν πρῶτους αὐτῶν εἰσεδέξαντο, Σύλλα δ' ἐπικειμένου τὰς πύλας ἀπέκλεισαν καὶ Μάριον καλωδίους ἀνιμήσαντο. πολὺς δ' ἄλλος ἐκ τοῦδε περὶ τοῖς τείχεσιν ἐγίνετο φόνος, καὶ πλῆθος αἰχμαλώτων ὁ Σύλλας ἔλαβεν, ὧν τοὺς Σαυνίτας ἔκτεινε πάντας ὥς αἰεὶ χαλεποὺς Ῥωμαίοις γενομένους.

[88] ταῖς δ' αὐταῖς ἡμέραις καὶ Μέτελλος ἐνίκα ἕτερον Κάρβωνος στρατόν, πέντε κἀναῦθα σπειρῶν ἐν τῷ ἔργῳ σεσωσμένων ἐς Μέτελλον. πομπήιος τε Μάρκιον ἐνίκα περὶ πόλιν Σήνας καὶ τὴν πόλιν διήρπαξεν. ὁ δὲ Σύλλας τὸν Μάριον ἐς Πραϊνεστὸν κατακλείσας τὴν πόλιν ἀπετάφρευε καὶ ἀπετείχιζεν ἐκ μακροῦ διαστήματος καὶ Λουκρήτιον Ὀφέλλαν ἐπέστησε τῷ ἔργῳ, ὥς οὐκέτι μάχῃ παραστησόμενος Μάριον, ἀλλὰ λιμῷ. Μάριος δὲ οὐδὲν χρηστὸν ἔτι προσδοκῶν τοὺς ἰδίους ἐχθροὺς ἠπείγετο προανελεῖν καὶ Βρούτῳ στρατηγούντι τῆς πόλεως ἐπέστελλε τὴν σύγκλητον ὥς ἐπὶ ἄλλο συναγαγεῖν καὶ κτεῖναι Πόπλιον Ἀντίστιον καὶ Παπίριον Κάρβωνα ἕτερον καὶ Λεύκιον Δομίτιον καὶ Μούκιον Σκαιόλαν, τὸν τὴν μεγίστην Ῥωμαίοις ἱερωσύνην ἱερωμένον. οἱ μὲν δὴ δύο τῶνδε ἀνῆρέθησαν ἐν τῇ βουλῇ, καθὰ Μάριος προσέταξε, τῶν σφαγέων ἐς τὸ βουλευτήριον ἐσαχθέντων· Δομίτιος δ' ἐκτρέχων παρὰ τὴν ἐξοδὸν ἀνῆρέθη, καὶ μικρὸν πρὸ τοῦ βουλευτηρίου Σκαιόλας. τὰ τε σώματα αὐτῶν ἐς τὸν ποταμὸν ἐρρίφη· ἐπεπόλαζε γὰρ ἤδη μὴ καταθάπτεσθαι τοὺς ἀναιρουμένους. Σύλλας δὲ στρατὸν ἐς Ῥώμην κατὰ μέρη δι' ἐτέρων καὶ ἐτέρων ὁδῶν περιέπεμπεν, ἐντελλόμενος τὰς πύλας καταλαβεῖν, εἰ δὲ ἀποκρουσθεῖεν, ἐπὶ Ὅστια χωρεῖν. τοὺς δὲ αἱ τε πόλεις παροδεύοντας ξὺν φόβῳ προσεδέχοντο, καὶ τὸ ἄστυ προσιοῦσι τὰς πύλας ἀνέωξαν, ὑπὸ τε λιμοῦ πιεζόμενοι καὶ τῶν παρόντων κακῶν ἄρα αἰεὶ τὰ ἐπικρατοῦντα φέρειν ἐθιζόμενοι.

[89] Σύλλας δ' ὥς ἔμαθεν, αὐτίκα ἐπελθὼν τὴν μὲν στρατιὰν ἴδρυσεν πρὸ τῶν πυλῶν ἐν τῷ Ἀρείῳ πεδίῳ, αὐτὸς δ' εἰσὼ παρῆλθεν, ἐκφυγόντων τῶν ἀντιστασιωτῶν ἀπάντων. καὶ τὰ μὲν τούτων αὐτίκα ἐδημεύετο καὶ διεπιπράσκετο, τὸν δὲ δῆμον ἐς ἐκκλησίαν συναγαγὼν τὴν τε ἀνάγκην τῶν

παρόντων ὠλοφύρετο καὶ θαρρεῖν προσέταξεν ὥς αὐτίκα τῶνδε παυσομένων καὶ τῆς πολιτείας ἐς τὸ δέον ἐλευσομένης. διοικησάμενος δ' ὅσα ἤπειγε καὶ τῇ πόλει τινὰς ἐπιστήσας τῶν ἑαυτοῦ ἐξώρμησεν ἐς Κλούσιον, ἔνθα τοῦ πολέμου τὰ λοιπὰ ἤκμαζεν. ἐν δὲ τούτῳ τοῖς ὑπάτοις προσεγένοντο ἱππεῖς Κελτιβήρες, ὑπὸ τῶν ἐν Ἰβηρίᾳ στρατηγῶν ἀπεσταλμένοι, καὶ γενομένης παρὰ τὸν Γλάνιν ποταμὸν ἱππομαχίας ὁ μὲν Σύλλας ἔκτεινεν ἐς πεντήκοντα τῶν πολεμίων, διακόσιοι δὲ καὶ ἐβδομήκοντα τῶνδε τῶν Κελτιβήρων ἠυτομόλησαν ἐς Σύλλαν· καὶ τοὺς λοιποὺς ὁ Κάρβων ἀνεῖλεν, εἴτε χαλεπήνας τῆς τῶν ὁμοεθνῶν αὐτομολίας εἴτε δείσας περὶ ὁμοίου. τοῦ δ' αὐτοῦ χρόνου περὶ Σατουρνίαν ἐτέρῳ μέρει τοὺς ἐχθροὺς ὁ Σύλλας ἐνίκα, καὶ Μέτελλος ἐπὶ Ῥάβενναν περιπλέων τὴν Οὐριτανὴν χώραν, πεδιάδα καὶ πυροφόρον οὖσαν, προκατελάμβανεν. ἔς τε Νέαν πόλιν ἐκ προδοσίας νυκτὸς ἕτεροι τῶν Συλλείων ἐσελθόντες ἔκτειναν ἅπαντας χωρὶς ὀλίγων διαφυγόντων καὶ τὰς τριήρεις τῆς πόλεως ἔλαβον. αὐτῷ δὲ Σύλλα καὶ Κάρβωνι περὶ Κλούσιον ἐξ ἡοῦς ἐπὶ ἐσπέραν γίγνεται μάχη καρτερὰ· καὶ φανέντες ἀλλήλοις ἰσόμαχοι μετὰ σκότους διεκρίθησαν.

[90] ἐν δὲ τῷ πωλητίῳ πεδίῳ Πομπήιος καὶ Κράσος, ἄμφω Σύλλα στρατηγοί, κτείνουσι τῶν Καρβωνείων εἰς τρισχιλίους καὶ Καρρίναν τὸν ἀντιστρατηγὸντα σφίσιν ἐπολιόρκουν, ἔσπε Κάρβων μὲν ἕτερον τῷ Καρρίνῳ στρατὸν ἔπεμψεν· ὁ δὲ Σύλλας αἰσθόμενος καὶ ἐφεδρεύσας ἔκτεινεν αὐτῶν παρὸδ οὐντων ἐς δισχιλίους, καὶ Καρρίνας δὲ νυκτός, ὕδατός τε ὄντος ἐξ οὐρανοῦ πολλοῦ καὶ σκότους, αἰσθομένων μὲν τι τῶν περικαθημένων, διὰ δὲ τὸν ὄμβρον ἀμελούντων, διέφυγε. καὶ Κάρβων ἐς Πραϊνεστὸν Μαρίῳ τῷ συνάρχῳ Μάρκιον ἔπεμψεν, ὁκτὼ τέλη στρατιᾶς ἄγοντα, πυνθανόμενος αὐτὸν ὑπὸ λιμοῦ κακοπαθεῖν· οἷς ὁ Πομπήιος ἐξ ἐνέδρας ἐν στενῷ προσπεσὼν τρέπεται τε καὶ πολλοὺς διαφθείρας ἐς λόφον συνέκλεισε τοὺς λοιπούς. ἐξ οὗ Μάρκιος μὲν οὐ σβέσας τὸ πῦρ ἀπεδίδρασκεν, ὁ δὲ στρατὸς αὐτῷ τὴν αἰτίαν τῆς ἐνέδρας προστιθεὶς ἐστασίασε χαλεπῶς, καὶ τέλος μὲν ὑπὸ τοῖς σημείοις ὅλον ἄνευ παραγγέλματος ἐπανήλθεν ἐς Ἀρίμινον, οἱ λοιποὶ δ' ἐς τὰς πατρίδας κατὰ μέρη διελύθησαν, ὥς ἐπὶ σπείρας τῷ στρατηγῷ μόνας παραμεῖναι.

καὶ Μάρκιος μὲν ὧδε πράξας κακῶς ἐς Κάρβωνα ἐπανήει, Μάρκον δὲ Λαμπώνιον ἐκ Λευκανίας καὶ Πόντιον Τελεσῖνον ἐκ τῆς Σαυνίτιδος καὶ τὸν Καυπαῖον Γούτταν, μεθ' ἐπὶ μυριάδων ἐπείγομένους Μάριον ἐξελέσθαι τῆς πολιορκίας, ὁ Σύλλας ἐν τοῖς στενοῖς, ἥ μόνῃ διαβατὸν ἦν, ἀπέκλειε τῆς παρόδου. καὶ ὁ Μάριος, ἀπογινώσκων ἤδη τὰς ἐξωθεν ἐπικουρίας, φρούριον ἐν τῷ μεταίχμιῳ μεγάλῳ ὄντι ἤγειρεν, ἐς ὃ καὶ μηχανὰς καὶ στρατιὰν συναγαγὼν ἐπεχείρει βιάσασθαι τὸν Λουκρήτιον. πολυημέρου δ' αὐτῷ καὶ ποικίλης τῆς πείρας γενομένης, οὐδὲν ἀνύων ἐς Πραϊνεστὸν αὐθις συνεκλείετο.

[91] καὶ περὶ τὰς αὐτὰς ἡμέρας ἐν Φαυεντία Κάρβων καὶ Νωρβανὸς ἐξ ὁδοῦ βραχὺ πρὸ ἐσπέρας ἐπὶ τὸ Μετέλλου στρατόπεδον ἐλθόντες, λοιπῆς οὔσης ὥρας μῖα καὶ ἀμπέλων πυκνῶν περικειμένων, ἀνοήτως μάλα ὑπὸ ὀργῆς ἐς μάχην ἐξέταττον, ἐλπίσαντες Μέτελλον τῷ παραλόγῳ καταπλήξειν.

ἡττώμενοι δὲ ὡς ἐν ἀφνειῇ χωρίῳ τε καὶ ὥρα καὶ ἐς τὰ φυτὰ ἐμπύπτοντες ἐφθείροντο κατὰ πλῆθος, ὡς ἀπολέσθαι μὲν ἀμφὶ τοὺς μυρίους, αὐτομολῆσαι δ' ἐς ἐξακισχιλίους καὶ τοὺς λοιποὺς διαρριφῆναι, μόνων ἐν τάξει χιλίων ἐπανελθόντων ἐς Ἀρίμινον. τέλος δ' ἄλλο Λευκανῶν ἀγόμενον ὑπὸ Ἀλβενουανοῦ, τῆς ἡττης πυθόμενον, μετεχώρει πρὸς Μέτελλον δυσχεραίνοντος Ἀλβενουανοῦ. ὁ δὲ τότε μὲν οὐ κατασχὼν τῆς ὁρμῆς αὐτὸν ἐς Νωρβανὸν ἐπανῆλθεν, οὐ πολλαῖς δὲ ἡμέραις ὕστερον κρύφα τῷ Σύλλᾳ κοινολογησάμενος καὶ λαβὼν ἄδειαν, εἴ τι πράξειεν ἀξιόλογον, ἐπὶ ἐστίασιν ἐκάλει Νωρβανόν τε καὶ τοὺς συνόντας αὐτῷ στρατηγούς, Γάιον Ἀντίπατρον καὶ Φλάυιον Φιμβρίαν, ἀδελφὸν τοῦδε τοῦ περὶ τὴν Ἀσίαν ἑαυτὸν ἀνελόντος, ὅσοι τε ἄλλοι τῶν Καρβωνείων στρατηγοὶ τότε παρήσαν. ὡς δ' ἀφίκοντο χωρὶς γε Νωρβανοῦ ὁ μόνος γὰρ οὐκ ἀφίκετό, πάντας αὐτοὺς ὁ Ἀλβενουανὸς ἔκτεινεν ἐπὶ τῆς διαίτης καὶ ἐς τὸν Σύλλαν διέφυγε. Νωρβανὸς δὲ καὶ Ἀρίμινον ἐπὶ τῇδε τῇ συμφορᾷ καὶ ἄλλα πολλὰ τῶν πλησίον στρατοπέδων ἐς τὸν Σύλλαν μεταχωρεῖν πυνθανόμενος τῶν τε παρόντων οἱ φίλων οὐδένα ἔτι πιστὸν οὐδὲ βέβαιον ὡς ἐν συμφοραῖς τιθέμενος, ιδιωτικοῦ σκάφους ἐπιβὰς ἐς Ῥόδον διέπλευσεν: ὅθεν ὕστερον ἐξαιτούμενος ὑπὸ τοῦ Σύλλα, Ῥοδίῳν ἔτι ἀμφιγνοούντων, ἑαυτὸν ἐν ἀγορᾷ μέση διέφθειρε.

[92] Κάρβων δὲ ἕτερα δύο τέλη στρατιωτῶν ἐς Πραίνεστὸν ἄγειν ἔπεμπε Δαμάσιππον, ὑπερεπειγόμενος Μάριον ἐκλῦσαι τῆς πολιορκίας: ἀλλ' οὐδ' οὗτοι τὰ στενὰ διελθεῖν ἐδύναντο φυλασσόμενα ὑπὸ τοῦ Σύλλα. Γαλάται τε ὅσοι ἀπὸ Ῥαβέννης ἐπὶ τὰ Ἄλπεια παρήκουσιν, ἀθρόως ἐς Μέτελλον μετετίθεντο: καὶ Λεύκολλος ἑτέρους τῶν Καρβωνείων ἐνίκα περὶ Πλακεντίαν. ὣν ὁ Κάρβων πυνθανόμενος, τρισμυρίους ὅμως ἔτι ἔχων περὶ τὸ Κλούσιον καὶ δύο τέλη τὰ Δαμασίππου καὶ ἕτερα περὶ Καρρίναν καὶ Μάρκιον Σαυνιτῶν τε αὐτῷ χειρὶ πολλῇ προθύμως περὶ τὰ στενὰ κατοποιοῦντων, ἀπογνοὺς ἀπάντων ἀσθενῶς ἔφευγε σὺν τοῖς φίλοις ἐς Λιβύην ἐξ Ἰταλίας ὑπατος ἔτι ὢν, ὡς Λιβύην παρασησόμενος ἀντὶ τῆς Ἰταλίας. τῶν δ' ὑπολειφθέντων οἱ μὲν ἀμφὶ τὸ Κλούσιον Πομπηίῳ συνενεχθέντες ἐς μάχην ἀπέβαλον ἐς δισμυρίους, καὶ ὡς ἐπὶ συμφορᾷ μεγίστῃ καὶ τὸ λοιπὸν τοῦδε τοῦ στρατοῦ ἐς τὰς πατρίδας κατὰ μέρη διελύθη: Καρρίνας δὲ καὶ Μάρκιος καὶ Δαμάσιππος οἷς εἶχον ἅπασιν ἐπὶ τὰ στενὰ ἐχώρουν ὡς ὁμοῦ τοῖς Σαυνίταις βιασόμενοι πάντως αὐτὰ περᾶσαι. οὐ δυνηθέντες δὲ οὐδ' ὥς, ἐφέροντο ἐς Ῥώμην ὡς ἔρημον ἀνδρῶν καὶ τροφῶν ἅμα καταληψόμενοι τὸ ἄστυ καὶ πρὸ σταδίων ἑκατὸν ἐστρατοπέδευον ἀμφὶ τὴν Ἀλβανῶν γῆν.

[93] δεῖσας οὖν ὁ Σύλλας περὶ τῇ πόλει τοὺς μὲν ἱππέας προύπεμψε κατὰ σπουδὴν ἐνοχλεῖν αὐτοῖς ὁδεύουσιν, αὐτὸς δ' ἐπειχθεὶς ἀθρόω τῷ στρατῷ παρὰ ταῖς Κολλίταις πύλαις περὶ μεσημβρίαν ἐστρατοπέδευσεν, ἀμφὶ τὸ τῆς Ἀφροδίτης ἱερόν, ἥδη καὶ τῶν πολεμίων περὶ τὴν πόλιν στρατοπεδεύοντων. μάχης δ' εὐθύς αὐτοῖς περὶ δείλην ἐσπέραν γενομένης τῷ μὲν δεξιῷ Σύλλας ἐκράτει, τὸ δὲ λαιὸν ἡττώμενον ἐπὶ τὰς πύλας κατέφυγεν. οἱ δὲ γέροντες, ὄντες ἐπὶ τῶν τειχῶν, ὡς εἶδον αὐτοῖς συνεστρέχοντας τοὺς πολεμίους, τὰς πύλας καθῆκαν ἀπὸ μηχανῆς: αἱ δ' ἐμπίπτουσαι πολλοὺς μὲν ἀπὸ τοῦ στρατοῦ διέφθειραν, πολλοὺς δ' ἀπὸ τῆς βουλῆς, οἱ λοιποὶ δ' ὑπὸ δέους καὶ ἀνάγκης

ἀνέστρεφον ἐς τοὺς πολεμίους. καὶ νυκτὸς ὅλης ἀγωνισάμενοι πολὺ πλῆθος ἔκτειναν· ἔκτειναν δὲ καὶ τῶν στρατηγῶν Τελεσῖνόν τε καὶ Ἀλβῖνον καὶ τὰ στρατόπεδα αὐτῶν ἔλαβον. Λαμπωνίος τε ὁ Λευκανὸς καὶ Μάρκιος καὶ Καρρίνας ὅσοι τε ἄλλοι στρατηγοὶ τῆς Καρβωνείου στάσεως αὐτοῖς συνῆσαν, διέφυγον. καὶ θάνατος ἐκ τοῦδε τοῦ ἔργου πέντε μυριάδων ἐδόκει γενέσθαι παρ' ἀμφοτέρων· τὰ τε αἰχμάλωτα ὀκτακισχιλίων πλείω γενόμενα Σύλλας, ὅτι Σαυνῖται τὸ πλεόν ἦν, κατηκόντισε. μετὰ δὲ μίαν ἡμέραν αὐτῷ καὶ Μάρκιος καὶ Καρρίνας ἀλόντες προσήγοντο· καὶ οὐδὲ τῶνδε φειδόμενος οἶα Ῥωμαίων ἔκτεινεν ἄμφω καὶ τὰς κεφαλὰς ἐς Πραίνεστόν Λουκρητίῳ περὶ τὰ τεῖχη περιενεγκεῖν ἔπεμψεν.

[94] Πραίνεστίοι δὲ καὶ τάδε θεώμενοι καὶ τὸν Κάρβωνος στρατὸν ἀπολωλέναι πάντα πυνθανόμενοι αὐτόν τε Νωρβανὸν ἤδη φυγεῖν ἐξ Ἰταλίας καὶ τὴν ἄλλην Ἰταλίαν καὶ Ῥώμην ἐπ' αὐτῇ Σύλλαν ἐκτενῶς χειρῶσθαι, τὴν πόλιν τῷ Λουκρητίῳ παρέδοσαν, Μαρίου καταδύντος ἐς τάφρους ὑπονόμους καὶ μετὰ βραχὺ καὶ ἀνελόντος ἑαυτόν. Λουκρήτιος μὲν δὴ Μαρίου τὴν κεφαλὴν ἐκτεμὼν ἔπεμψεν ἐς Σύλλαν· καὶ αὐτὴν ὁ Σύλλας ἐν ἀγορᾷ μέσῃ πρὸ τῶν ἐμβόλων θέμενος ἐπιγελάσαι λέγεται τῇ νεότητι τοῦ ὑπάτου καὶ εἰπεῖν· 'ἐρέτην δεῖ πρῶτα γενέσθαι, πρὶν πηδαλίοις ἐπιχειρεῖν.' Λουκρήτιος δ' ἐπεὶ Πραίνεστόν εἶλε, τῶν ἀπὸ τῆς βουλῆς ἐνταῦθα Μαρῖῳ στρατηγούντων τοὺς μὲν αὐτίκα ἀνήρει, τοὺς δ' ἐς φυλακὴν ἐσέβαλλεν· οὓς ὁ Σύλλας ἐπελθὼν ἀνείλε. καὶ τοὺς ἐν Πραίνεστῷ προσέταξε χωρὶς ὄπλων προελθεῖν ἅπαντας ἐς τὸ πεδῖον καὶ προελθόντων τοὺς μὲν ἑαυτῷ τι χρησίμους γενομένους, ὀλίγους πάνπαν, ἐξεῖλετο, τοὺς δὲ λοιποὺς ἐκέλευσεν ἐς τρία ἀπ' ἀλλήλων διαστήναι, Ῥωμαίους τε καὶ Σαυνίτας καὶ Πραίνεστίους· ἐπεὶ δὲ διέστησαν, τοῖς μὲν Ῥωμαίοις ἐπεκήρυξεν, ὅτι καὶ οἶδε ἄξια θανάτου δεδράκασι, καὶ συγγνώμην ἔδωκεν ὅμως, τοὺς δὲ ἐτέρους κατηκόντισεν ἅπαντας· γύναια δ' αὐτῶν καὶ παιδία μεθῆκεν ἀπαθεῖς ἀπιέναι. καὶ τὴν πόλιν διήρπαξε, πολυχρήματον ἐν τοῖς μάλιστα τότε οὖσαν.

ὧδε μὲν δὴ καὶ Πραίνεστός ἐάλω, Νῶρβα δ', ἑτέρα πόλις, ἀντείχεν ἔτι ἐγκρατῶς, ἔστε Αἰμιλίου Λεπίδου νυκτὸς ἐς αὐτὴν ἐκ προδοσίας ἐσελθόντος διαγνακτήσαντες οἱ ἔνδον ἐπὶ τῇ προδοσίᾳ, οἱ μὲν ἑαυτοὺς ἀνήρουν, οἱ δ' ἀλλήλους ἐκόντες, οἱ δὲ καὶ βρόχοις συνεπλέκοντο· καὶ τὰς θύρας ἐνέφραττον ἕτεροι καὶ ἐνεπίμπρασαν ... ἄνεμός τε πολλὸς ἐμπεσὼν ἐς τοσοῦτον αὐτὴν ἐδαπάνησεν, ὥς μηδὲν ἐκ τῆς πόλεως λάφυρον γενέσθαι.

[95] καὶ οἶδε μὲν οὕτως ἐγκρατῶς ἀπέθανον· ἡνυσμένων δὲ τῶν ἀμφὶ τὴν Ἰταλίαν πολέμοις καὶ πυρὶ καὶ φόνῳ πολλῷ, οἱ μὲν τοῦ Σύλλα στρατηγοὶ τὰς πόλεις ἐπιόντες τὰ ὑποπτα ἐφρούρουν, καὶ Πομπήιος ἔς τε Λιβύην ἐπὶ Κάρβωνα καὶ ἐς Σικελίαν ἐπὶ τοὺς ἐκεῖ Κάρβωνος φίλους ἐστέλλετο· αὐτὸς δὲ ὁ Σύλλας Ῥωμαίους ἐς ἐκκλησίαν συναγαγὼν πολλὰ ἐμεγαληγόρησεν ἐφ' ἑαυτῷ καὶ φοβερὰ ἐς κατάπληξιν εἶπεν ἕτερα καὶ ἐπήνεγκεν, ὅτι τὸν μὲν δῆμιον ἐς χρηστὴν ἄξει μεταβολήν, εἰ πείθοντό οἱ, τῶν δ' ἐχθρῶν οὐδενὸς ἐς ἔσχατον κακοῦ φείσεται, ἀλλὰ καὶ τοὺς στρατηγοὺς ἢ ταμίας ἢ χιλιάρχους ἢ ὅσοι τι συνέπραξαν ἄλλοι τοῖς πολεμίοις, μεθ' ἣν ἡμέραν Σκιπίων ὁ ὕπατος οὐκ ἐνέμεινε τοῖς πρὸς αὐτὸν ὠμολογημένοις, μετελεύσεσθαι κατὰ κράτος.

ταῦτα δ' εἰπὼν αὐτίκα βουλευτὰς ἐς τεσσαράκοντα καὶ τῶν καλουμένων ἱπέων ἅμφι χιλίους καὶ ἑξακοσίους ἐπὶ θανάτῳ προύγραφεν. οὗτος γὰρ δοκεῖ πρῶτος, οὗς ἐκόλασε θανάτῳ, προγράψαι καὶ γέρα τοῖς ἀναιρουσὶ καὶ μῆνυτρα τοῖς ἐλέγχουσι καὶ κολάσεις τοῖς κρύπτουσιν ἐπιγράψαι. μετ' οὐ πολὺ δὲ βουλευτὰς ἄλλους αὐτοῖς προσετίθει. καὶ τῶνδε οἱ μὲν ἄδοκῆτως καταλαμβανόμενοι διεφθείροντο, ἔνθα συνελαμβάνοντο, ἐν οἰκίαις ἢ στενωποῖς ἢ ἱεροῖς, οἱ δὲ μετέωροι πρὸς τὸν Σύλλαν φερόμενοί τε καὶ πρὸ ποδῶν αὐτοῦ ῥιπτούμενοι: οἱ δὲ καὶ ἐσύροντο καὶ κατεπατοῦντο, οὐδὲ φωνὴν ἔτι τῶν θεωμένων οὐδενὸς ἐπὶ τοσοῖσδε κακοῖς ἔχοντος ὑπ' ἐκπλήξεως. ἐξέλασὶς τε ἐτέρων ἦν καὶ δήμευσις τῶν ἐτέροις ὄντων. ἐπὶ δὲ τοὺς τῆς πόλεως ἐκφυγόντας ζητηταὶ πάντα μαστεύοντες διέθεον καὶ ὅσους αὐτῶν λάβοιεν ἀνῆρουν.

[96] πολλὴ δὲ καὶ τῶν Ἰταλιωτῶν ἀναίρεσις τε καὶ ἐξέλασις καὶ δήμευσις ἦν, ὅσοι τι Κάρβωνος ἢ Νωρβανοῦ ἢ Μαρίου ἢ τῶν ὑπ' ἐκείνοις στρατηγούντων ὑπήκουσαν. κρίσεις τε ἦσαν ἐπὶ τούτοις ἀνὰ τὴν Ἰταλίαν ὅλην πικραὶ καὶ ἐγκλήματα ποικίλα, στρατηγίας ἢ στρατείας ἢ ἐσφορᾶς χρημάτων ἢ ἄλλης ὑπηρεσίας ἢ βουλευσεως ὅλως κατὰ Σύλλα. ἐγκλήματα δ' ἦν καὶ ξενία καὶ φιλία καὶ δάνεισμα, λαβόντος ἢ δόντος, ἥδη δέ τις καὶ προθυμίας ἢ μόνης συνοδίας ἠλίσκετο. καὶ ταῦτ' ἤκμαζε μάλιστα κατὰ τῶν πλουσίων. ὥς δ' ἐξέλιπε τὰ καθ' ἓνα ἄνδρα ἐγκλήματα, ἐπὶ τὰς πόλεις ὁ Σύλλας μετῆει καὶ ἐκόλαζε καὶ τάσδε, τῶν μὲν ἀκροπόλεις κατασκάπτων ἢ τείχη καθαιρῶν ἢ κοινὰς ζημίας ἐπιτιθεὶς ἢ εἰσφοραῖς ἐκτρύχων βαρυτάταις: ταῖς δὲ πλείοσι τοὺς ἑαυτῷ στρατευσαμένους ἐπώκιζεν ὥς ἕξων φρούρια κατὰ τῆς Ἰταλίας τὴν τε γῆν αὐτῶν καὶ τὰ οἰκήματα ἐς τοῦσδε μεταφέρων διεμέριζεν: ὁ καὶ μάλιστα αὐτοὺς εὖνους αὐτῷ καὶ τελευτήσαντι ἐποίησεν: ὥς γὰρ οὐχ ἔξοντες αὐτὰ βεβαίως, εἰ μὴ πάντ' εἶη τὰ Σύλλα βέβαια, ὑπερηγωνίζοντο αὐτοῦ καὶ μεταστάντος.

καὶ τότε μὲν ἦν ἅμφι τὴν Ἰταλίαν, Κάρβωνα δ' ἐκ Λιβύης ἐς Σικελίαν μετὰ πολλῶν ἐπιφανῶν καὶ ἀπ' αὐτῆς ἐς Κοσσύραν νῆσον ὑποφεύγοντα πέμψας τινὰς ὁ Πομπήιος συνέλαβε. καὶ τοὺς μὲν ἄλλους τοῖς ἄγουσιν ἐκέλευσεν οὐδ' ἐς ὄψιν οἱ προσαχθέντας ἀνελεῖν, Κάρβωνα δὲ παραστησάμενος αὐτοῦ τοῖς ποσὶ δεσμώτην τρις ὕπατον ἐπεδημηγόρησε καὶ κατέκανε καὶ τὴν κεφαλὴν ἐς Σύλλαν ἔπεμψεν.

[97] ὁ δ', ἐπεὶ οἱ πάντα, ὥς ἐβούλετο, ἐπὶ τοῖς ἐχθροῖς διώκητο καὶ πολέμιον οὐδὲν ἦν ἔτι πλὴν Σερτωρίου μακρὰν ὄντος, Μέτελλον μὲν ἐπὶ τούτῳ ἐξέπεμπεν ἐς Ἰβηρίαν, τὰ δ' ἐν τῇ πόλει καθίστατο ἅπαντα ἐφ' ἑαυτοῦ, καθ' ὃν ἐβούλετο τρόπον. νόμου γὰρ ἢ χειροτονίας ἢ κλήρου λόγος οὐκ ἦν ἔτι, πεφρικότων ὑπὸ δέους πάντων καὶ κρυπτομένων ἢ σιωπώντων: οἱ καὶ πάντα, ὅσα διώκῃσιν ὁ Σύλλας ὑπατεύων τε καὶ ἀνθυπατεύων, βέβαια καὶ ἀνεύθυνα ἐψηφίζοντο εἶναι εἰκόνα τε αὐτοῦ ἐπίχρυσον ἐπὶ ἵππου πρὸ τῶν ἐμβόλων ἀνέθεσαν καὶ ὑέγραψαν 'Κορνηλίου Σύλλα ἡγεμόνος Εὐτυχοῦς.' ὧδε γὰρ αὐτὸν οἱ κόλακες, διευτυχοῦντα ἐπὶ τοῖς ἐχθροῖς, ὠνόμαζον: καὶ προῆλθεν ἐς βέβαιον ὄνομα ἢ κολακεία. ἥδη δὲ που γραφῇ περιέτυχον ἡγουμένη τὸν Σύλλαν Ἐπαφρόδιτον ἐν τῷδε τῷ ψηφίσματι ἀναγραφῆναι, καὶ οὐκ ἀπεικὸς

ἐφαίνετό μοι καὶ τότε, ἐπεὶ καὶ Φαῦστος ἐπωνομάζετο: δύναται δὲ τοῦ αἰσίου καὶ ἐπαφροδίτου ἀγχοτάτω μάλιστα εἶναι τὸ ὄνομα. ἔστι δ' ὅπου καὶ χρησμός αὐτῷ δοθεὶς ἐβεβαίον τάδε σκεπτομένων τὰ μέλλοντα. “πεῖθεδ μοι, Ῥωμαῖε. κράτος μέγα Κύπρις ἔδωκεν

Καρῶν, οἱ ναίουσιν ἐπώνυμον ἐξ Ἀφροδίτης:
ἢ ἐλέκευν θέμενος λήψη κράτος ἀμφιλαφές σοι.”

ὁπότερα δ' αὐτῶν ἐσηφίσαντο Ῥωμαῖοι τὴν εἰκόνα τιθέντες, δοκοῦσί μοι παρασκώπτοντες ἢ ἐκμειλισσόμενοι τὸν ἄνδρα ἐπιγράψαι. ἔπεμψε δὲ καὶ στέφανον χρύσειον καὶ πέλεκυν, ἐπιγράψας τάδε: “τόνδε σοι αὐτοκράτωρ Σύλλας ἀνέθηκ', Ἀφροδίτη,

ὃ σ' εἶδον κατ' ὄνειρον ἀνὰ στρατιὴν διέπουσιν
τεύχεσι τοῖς Ἄρεος μαρναμένην ἔνοπλον.”

[98] ὁ δὲ ἔργῳ βασιλεὺς ὢν ἢ τύραννος, οὐχ αἰρετός, ἀλλὰ δυνάμει καὶ βία, δεόμενος δ' ἄρα καὶ τοῦ προσποιήματος αἰρετός εἶναι δοκεῖν, ὥδε καὶ τότε ἐμηχανήσατο. Ῥωμαῖοις πάλαι κατ' ἀρετὴν ἦσαν οἱ βασιλεῖς: καὶ ὅποτε τις αὐτῶν ἀποθάνοι, βουλευτὴς ἕτερος παρ' ἑτερον ἐπὶ πέντε ἡμέρας ἦρχεν, ἕως τινὰ ἄλλον ὁ δῆμος δοκιμάσειε βασιλεύειν. καὶ τόνδε τὸν πενθήμερον ἄρχοντα ἰντέρρηγα ἐκάλουν: εἴη δ' ἂν ἐν τοσῶδε βασιλεὺς. ἀρχαιρέσια δ' ὑπάτων οἱ λήγοντες τῆς ἀρχῆς αἰεὶ προυτίθεσαν: καὶ εἴ ποτε κατὰ συντυχίαν ὑπάτος οὐκ εἴη, ὥδε ὁ ἐν τοσῶδε βασιλεὺς καὶ τότε ἐγίγνετο ἐς τὴν τῶν ὑπάτων χειροτονίαν. τούτου δὴ τοῦ ἔθους ἐπιβαίνων ὁ Σύλλας, ὑπάτων οὐκ ὄντων, ἐπεὶ καὶ Κάρβων ἐν Σικελίᾳ καὶ Μάριος κατὰ Πραϊνεστόν ἐτεθνήκεσαν, αὐτὸς μὲν που τῆς πόλεως ὑπεξῆλθε, τῇ δὲ βουλῇ προσέταξεν ἐλῆσθαι τὸν καλούμενον μεταξὺ βασιλέα.

ἡ μὲν δὴ Οὐαλέριον Φλάκκον εἵλετο, ἐλπίσασα ὑπάτων προτεθήσεσθαι χειροτονίαν: ὁ δὲ Σύλλας ἐπέστελλε τῷ Φλάκκῳ γνώμην ἐς τὸν δῆμον ἐσενεγκεῖν, ὅτι χρήσιμον ἡγοῖτο Σύλλας ἐν τῷ παρόντι ἐσεσθαι τῇ πόλει τὴν ἀρχήν, οὓς ἐκάλουν δικτάτορας, παυσάμενον ἔθος ἐκ τετρακοσίων ἐτῶν: ὃν δὲ ἔλοιντο, ἐκέλευεν ἄρχειν οὐκ ἐς χρόνον ῥητόν, ἀλλὰ μέχρι τὴν πόλιν καὶ τὴν Ἰταλίαν καὶ τὴν ἀρχὴν ὅλην στάσει καὶ πολέμοις σεσαλευμένην στηρίσειεν. ὁ μὲν δὴ νοῦς τὴν γνώμην ἐς αὐτὸν ἔφερε τὸν Σύλλαν, καὶ οὐδ' ἀμφίβολον ἦν: ὁ δὲ Σύλλας οὐ κατασχὼν αὐτοῦ καὶ τοῦτ' ἐν τέλει τῆς ἐπιστολῆς ἀνεκάλυπτεν, ὅτι οἱ δοκοίη μάλιστ' ἂν αὐτὸς τῇ πόλει καὶ ἐν τῷδε γενέσθαι χρήσιμος.

[99] ὁ μὲν δὴ τάδε ἐπέστελλε, Ῥωμαῖοι δ' οὐχ ἐκόντες μὲν οὐδὲ κατὰ νόμον ἔτι χειροτονοῦντες οὐδὲν οὐδ' ἐπὶ σφίσιν ἡγούμενοι τὸ ἔργον ὅλως, ἐν δὲ τῇ πάντων ἀπορίᾳ τὴν ὑπόκρισιν τῆς χειροτονίας ὥς ἐλευθερίας εἰκόνα καὶ πρόσχημα ἀσπασάμενοι χειροτονοῦσι τὸν Σύλλαν, ἐς ὅσον θέλοι, τύραννον αὐτοκράτορα. τυραννὶς μὲν γὰρ ἢ τῶν δικτατόρων ἀρχὴ καὶ πάλαι, ὀλίγῳ χρόνῳ δ' ὀρίζομένη: τότε δὲ πρῶτον ἐς ἀόριστον ἐλθοῦσα τυραννὶς ἐγίγνετο

ἐντελής. τοσόνδε μέντοι προσέθεσαν εἰς εὐπρέπειαν τοῦ ῥήματος, ὅτι αὐτὸν αἰροῖντο δικτάτορα ἐπὶ θέσει νόμων, ὧν αὐτὸς ἐφ' ἑαυτοῦ δοκιμάσειε, καὶ καταστάσει τῆς πολιτείας. οὕτω μὲν δὴ Ῥωμαῖοι βασιλεῦσιν ὑπὲρ τὰς ἐξήκοντα ὀλυμπιάδας χρησάμενοι, ἐπὶ δ' ἐκείνοις δημοκρατία τε καὶ ὑπάτοις ἐτησίους προστάταις ἐς ἄλλας ἑκατὸν ὀλυμπιάδας, αὐθις ἐπειρῶντο βασιλείας, ὀλυμπιάδων οὐσῶν ἐν Ἑλλήσιν ἑκατὸν ἐβδομήκοντα πέντε καὶ οὐδενὸς ἐν Ὀλυμπίᾳ τότε ἀγωνίσματος πλὴν σταδίου δρόμου γιγνομένου: τοὺς γὰρ ἀθλητὰς καὶ τὰ ἄλλα θεάματα πάντα ὁ Σύλλας ἐς Ῥώμην μετετέκλετο ἐπὶ δόξῃ τῶν Μιθριδατείων ἔργων ἢ τῶν Ἰταλικῶν. πρόφασις δ' ἦν ἀναπνεῦσαι καὶ ψυχαγωγῆσαι τὸ πλῆθος ἐκ καμάτων.

[100] ὁ δ' ἐς μὲν πρόσχημα τῆς πατρίου πολιτείας ὑπάτους αὐτοῖς ἐπέτρεψεν ἀποφῆναι, καὶ ἐγένοντο Μάρκος Τύλλιος καὶ Κορνήλιος Δολοβέλλας: αὐτοὺς δ' οἷα δὴ βασιλεύων δικτάτωρ ἐπὶ τοῖς ὑπάτοις ἦν: πελέκεις τε γὰρ ἐφέροντο πρὸ αὐτοῦ, οἷα δικτάτορος, εἴκοσι καὶ τέσσαρες, ὅσοι καὶ τῶν πάλαι βασιλέων ἡγοῦντο, καὶ φυλακὴν τοῦ σώματος περιέθετο πολλήν. νόμους τε ἐξέλυε καὶ ἐτέρους ἐτίθετο: καὶ στρατηγεῖν ἀπέιπε, πρὶν ταμιεῦσαι, καὶ ὑπατεύειν, πρὶν στρατηγήσαι, καὶ τὴν ἀρχὴν τὴν αὐτὴν αὐθις ἄρχειν ἐκώλυσε, πρὶν ἔτη δέκα διαγενέσθαι. τὴν δὲ τῶν δημάρχων ἀρχὴν ἴσα καὶ ἀνεῖλεν, ἀσθενεστάτην ἀποφύνας καὶ νόμῳ κωλύσας μηδεμίαν ἄλλην τὸν δήμαρχον ἀρχὴν ἔτι ἄρχειν: διὸ καὶ πάντες οἱ δόξης ἢ γένους ἀντιποιοῦμενοι τὴν ἀρχὴν ἐς τὸ μέλλον ἐξετρέποντο. καὶ οὐκ ἔχω σαφῶς εἰπεῖν, εἰ Σύλλας αὐτήν, καθὰ νῦν ἐστίν, εἰς τὴν βουλὴν ἀπὸ τοῦ δήμου μετήνεγκεν. αὐτῇ δὲ τῇ βουλῇ διὰ τὰς στάσεις καὶ τοὺς πολέμους πάμπαν ὀλιγανδρούση προσκατέλεξεν ἀμφὶ τοὺς τριακοσίους ἐκ τῶν ἀρίστων ἱππέων, ταῖς φυλαῖς ἀναδοὺς ψῆφον περὶ ἐκάστου. τῷ δὲ δήμῳ τοὺς δούλους τῶν ἀνηρημένων τοὺς νεωτάτους τε καὶ εὐρώστους, μυρίων πλείους, ἐλευθερώσας ἐγκατέλεξε καὶ πολίτας ἀπέφηνε Ῥωμαίων καὶ Κορνηλίους ἀφ' ἑαυτοῦ προσεῖπεν, ὅπως ἐτοίμοις ἐκ τῶν δημοτῶν πρὸς τὰ παραγγελλόμενα μυρίοις χρῶτο. τὸ δ' αὐτὸ καὶ περὶ τὴν Ἰταλίαν ἐπινοῶν τέλεσι τοῖς ὑπὲρ ἑαυτοῦ στρατευσαμένοις τρισὶ καὶ εἴκοσιν ἐπένειμεν, ὥς μοι προεῖρηται, πολλὴν ἐν ταῖς πόλεσι γῆν, τὴν μὲν ἔτι οὖσαν ἀνέμητον, τὴν δὲ τὰς πόλεις ἀφαιρούμενος ἐπὶ ζημίᾳ.

[101] ἐς ἅπαντα δ' ἦν οὕτω φοβερὸς καὶ ἄκρος ὀργήν, ὥς καὶ Κόιντον Λουκρήτιον Ὀφέλλαν τὸν Πραίνεστον αὐτῷ λαβόντα καὶ Μάριον τὸν ὕπατον ἐκπεπολιορκηκότα καὶ τὸ τέλος αὐτῷ τῆς νίκης συναγαγόντα, ὑπατεύειν ἔτι ἱππέα ὄντα, πρὶν ταμιεῦσαι καὶ στρατηγήσαι, διὰ τὸ μέγεθος τῶν εἰργασμένων κατὰ παλαιὸν ἔθος ἀξιοῦντα καὶ τῶν πολιτῶν δεόμενον, ἐπεὶ κωλύων καὶ ἀνατιθέμενος οὐ μετέπειθεν, ἐν ἀγορᾷ μέσῃ κτεῖναι. καὶ συναγαγὼν τὸ πλῆθος ἐς ἐκκλησίαν εἶπεν: 'ἴστε μὲν, ὧ ἄνδρες, καὶ παρ' ἐμοῦ δὲ ἀκούσατε, ὅτι Λουκρήτιον ἐγὼ κατέκανον ἀπειθοῦντά μοι.' καὶ λόγον εἶπε: 'φθειρες γεωργὸν ἀροτριῶντα ὑπέδακνον: ὁ δὲ δις μὲν,' ἔφη, 'τὸ ἄροτρον μεθεῖς τὸν χιτωνίσκον ἐκάθηρεν: ὥς δ' αὐθις ἐδάκνετο, ἵνα μὴ πολλακίς ἀργοίῃ, τὸν χιτωνίσκον ἔκαυσε. κἀγὼ τοῖς δις ἡττημένοις παραινῶ τρίτου πυρὸς μὴ δεθῆναι.' Σύλλας μὲν δὴ καὶ τοῖσδε καταπληζάμενος αὐτούς, καθὰ ἐβούλετο, ἤρχε. καὶ ἐθριάμβευσε ἐπὶ τῷ Μιθριδατείῳ πολέμῳ. καὶ τινες

αὐτοῦ τὴν ἀρχὴν ἀρνούμενην βασιλείαν ἐπισκώπτοντες ἐκάλουν, ὅτι τὸ τοῦ βασιλέως ὄνομα μόνον ἐπικρύπτοι· οἱ δ' ἐπὶ τοῦναντίον ἀπὸ τῶν ἔργων μετέφερον καὶ τυραννίδα ὁμολογοῦσαν ἔλεγον.

[102] ἐς τοσοῦτον αὐτοῖς τε Ῥωμαίοις καὶ Ἰταλοῖς ἅπασιν ὁ πόλεμος ὃδε προύβη κακοῦ, προύβη δὲ καὶ τοῖς ὑπὲρ τὴν Ἰταλίαν ἔθνεσιν ἅπασιν, ἄρτι μὲν ὑπὸ ληστῶν καὶ Μιθριδάτου καὶ Σύλλα πεπολεμημένοις, ἄρτι δ' ἀποροῦντος τοῦ ταμείου διὰ τὰς στάσεις ἐκτετρυχωμένοις εἰσφοραῖς πολλαῖς. ἔθνη τε γὰρ πάντα καὶ βασιλέες, ὅσοι σύμμαχοι, καὶ πόλεις, οὐχ ὅσαι μόνον ὑποτελεῖς, ἀλλὰ καὶ ὅσαι ἑαυτὰς ἐγκεχειρίκεσαν ἐπὶ συνθήκαις ἔνορκοι καὶ ὅσαι διὰ συμμαχίαν ἢ τινα ἀρετὴν ἄλλην αὐτόνομοί τε καὶ φόρων ἦσαν ἀτελεῖς, τότε πᾶσαι συντελεῖν ἐκελεύοντο καὶ ὑπακούειν, χώρας τε ἔνιαι καὶ λιμένων κατὰ συνθήκας σφίσι δεδομένων ἀφηροῦντο.

Σύλλας δὲ καὶ Ἀλέξανδρον τὸν Ἀλεξάνδρου τοῦ ἐν Αἰγύπτῳ βασιλεύσαντος υἱόν, ἀνατραφέντα μὲν ἐν Κῷ καὶ ὑπὸ Κῶν ἐκδοθέντα Μιθριδάτῃ, διαφυγόντα δὲ πρὸς Σύλλαν ἐκ Μιθριδάτου καὶ συνήθη γενόμενον, ἐψηφίσατο βασιλεύειν Ἀλεξανδρέων, ἐρήμου τῆς Ἀλεξανδρέων ἀρχῆς ἀνδρὸς οὔσης καὶ τῶν γυναικῶν, ὅσαι βασιλείου γένους, ἀνδρὸς συγγενοῦς δεομένων, ἐλπίσας χρηματιεῖσθαι πολλὰ ἐκ βασιλείας πολυχρύσου. ἀλλὰ τόνδε μὲν οἱ Ἀλεξανδρεῖς ἐννεακαιδεκάτην ἡμέραν ἔχοντα τῆς ἀρχῆς καὶ ἀτοπώτερον σφῶν, οἷα Σύλλα πεποιθότα, ἐξηγούμενον, ἐς τὸ γυμνάσιον ἐκ τοῦ βασιλείου προαγαγόντες ἔκτειναν. οὕτως ἔτι καὶ οἷδε διὰ τε μέγεθος ἀρχῆς ἰδίας καὶ τῶν ἔξωθεν κακῶν ἔτι ὄντες ἀπαθεῖς ἀφόβως εἶχον ἐτέρων.

[103] τοῦ δ' ἐπιόντος ἔτους Σύλλας, καίπερ ὦν δικτάτωρ, ἐς ὑπόκρισιν ὅμως καὶ σχῆμα δημοκρατικῆς ἀρχῆς ὑπέστη καὶ ὕπατος αὐτῆς γενέσθαι σὺν Μετέλλῳ τῷ Εὐσεβεῖ. καὶ ἀπὸ τοῦδε ἴσως ἔτι νῦν οἱ Ῥωμαίων βασιλέες, ὑπάτους ἀποφαίνοντες τῇ πατρίδι, ἔστιν ὅτε καὶ ἑαυτοὺς ἀποδεικνύουσιν, ἐν καλῷ τιθέμενοι μετὰ τῆς μεγίστης ἀρχῆς καὶ ὑπατεῦσαι.

τῷ δ' ἐξῆς ἔτει ὁ μὲν δῆμος καὶ τότε τὸν Σύλλαν θεραπεύων ἡρεῖτο ὑπατεύειν, ὁ δὲ οὐκ ἀνασχόμενος ὑπάτους μὲν αὐτοῖς ἀπέφηνε Σερουίλιον Ἰσαυρικὸν καὶ Κλαύδιον Ποῦλχρον, αὐτὸς δὲ τὴν μεγάλην ἀρχὴν οὐδενὸς ἐνοχλοῦντος ἐκὼν ἀπέθετο. καὶ μοι θαῦμα μὲν καὶ τότε αὐτοῦ καταφαίνεται τοσὴνδε ἀρχὴν πρῶτον ἀνδρῶν καὶ μόνον ἐς τότε Σύλλαν οὐδενὸς ἐπείγοντος ἀποθέσθαι, οὐ παισίν, ὥς Πτολεμαῖος ἐν Αἰγύπτῳ καὶ Ἀριοβαρζάνης ἐν Καππαδοκίᾳ καὶ Σέλευκος ἐν Συρίᾳ, ἀλλ' αὐτοῖς τοῖς τυραννουμένοις· ἄλογον δ' ἤδη καὶ τὸ βιασάμενον ἐς τὴν ἀρχὴν ῥιποκινδύνως, ἐπεῖτε ἐγκρατὴς ἐγένετο, ἐκόντα ἀποθέσθαι καὶ παράδοξον, οἷον οὕτω τι ἕτερον, τὸ μὴ δεῖσαι νεότητος ἐν τῷδε τῷ πολέμῳ πλέον μυριάδων δέκα ἀνηρημένης καὶ τῶν ἐχθρῶν αὐτὸν ἀνελόντα βουλευτὰς μὲν ἐνενήκοντα, ὑπάτους δ' ἐς πεντεκαίδεκα, ἀπὸ δὲ τῶν καλουμένων ἱππέων δισχιλίους καὶ ἑξακοσίους σὺν τοῖς ἐξεληλαμένοις· ὧν τῆς τε περιουσίας δεδημευμένης καὶ πολλῶν ἀτάφων ἐκριφέντων, οὔτε τοὺς οἴκοι ὁ Σύλλας οὔτε τοὺς φεύγοντας καταπλαγεῖς οὐδὲ τὰς πόλεις, ὧν ἀκροπόλεις τε καὶ τείχη καὶ γῆν καὶ χρήματα καὶ ἀτελείας ἀφήρητο, ἑαυτὸν ἀπέφηνεν ἰδιώτην.

[104] τοσοῦτον ἦν ἐν τῷδε τῷ ἀνδρὶ τόλμης καὶ τύχης· ὃν γέ φασιν ἐπειπεῖν ἐν ἀγορᾷ, τὴν ἀρχὴν ἀποτιθέμενον, ὅτι καὶ λόγον, εἴ τις αἰτοίῃ, τῶν γεγονότων ὑφέξει, καὶ τὰς ράβδους καθελόντα καὶ τοὺς πελέκεας τὴν φρουρὰν ἀπὸ τοῦ σώματος ἀπώσασθαι καὶ μόνον μετὰ τῶν φίλων ἐς πολὺ ἐν μέσῳ βαδίσαι θεωμένου τοῦ πλήθους καὶ καταπεπληγότος αὐτὸν καὶ τότε. ἀναχωροῦντα δ' ἐπὶ τὴν οἰκίαν μόλις ποτὲ μειράκιον ἐπεμέμφετο καὶ οὐδενὸς αὐτὸ ἀπερύκοντος ἐθάρρησε καὶ λοιδορούμενον αὐτῷ μέχρι τῆς οἰκίας ἐλθεῖν. ὁ δὲ κατὰ τῶν μεγίστων ἀνδρῶν τε καὶ πόλεων ἄκρος ὀργὴν γενόμενος εὐσταθῶς τὸ μειράκιον ἠνεγκε καὶ τοσοῦτον ἐσιῶν ἐς τὴν οἰκίαν, εἴτε ἀπὸ ξυνέσεως εἴτε καὶ τύχῃ καταμαντευόμενος τῶν ἐσομένων, ἀπεκρίνατο, ὅτι κωλύσει τὸ μειράκιον τότε ἕτερον ἄνδρα ἀρχὴν τοιάνδε ἔχοντα ἀποθέσθαι.

καὶ Ῥωμαῖοι μὲν οὕτω γενέσθαι συνηénéθη μετ' ὀλίγον, Γαίῳ Καίσαρος τὴν ἀρχὴν οὐκέτι μεθέντος· ὁ δὲ Σύλλας μοι δοκεῖ, ἐς πάντα σφοδρὸς ὁμοῦ καὶ δυνατὸς γενόμενος, ἐπιθυμῆσαι τύραννος ἐξ ἰδιώτου γενέσθαι καὶ ἰδιώτης ἐκ τυράννου καὶ μετὰ τοῦτ' ἐπ' ἐρημίας ἀγροίκου διαγενέσθαι. διῆλθε γὰρ ἐς χωρία ἴδια ἐς Κύμην τῆς Ἰταλίας καὶ ἐνταῦθα ἐπ' ἐρημίας θαλάσσης τε καὶ κυνηγεσίῳ ἐχρῆτο, οὐ φυλασσόμενος ἄρα τὸν κατὰ ἅστῳ ἰδιώτην βίον οὐδ' ἀσθενὴς ὧν αὐθις ἐς ὃ τι ὀρμήσειεν· ᾧ δυνατὴ μὲν ἔτι ἡ ἡλικία καὶ τὸ σῶμα εὖρωστον, ἀμφὶ δὲ τὴν Ἰταλίαν δωδέκα μυριάδες ἀνδρῶν ἦσαν ἔναγχος ὑπεστρατευμένων καὶ δωρεὰς μεγάλας καὶ γῆν πολλὴν παρ' αὐτοῦ λαβόντων, ἔτοιμοι δ' οἱ κατὰ τὸ ἅστῳ μύριοι Κορινθιοὶ καὶ ὁ ἄλλος αὐτοῦ στασιώτης λεῶς, εὐνοὺς αὐτῷ καὶ φοβερὸς ὧν ἔτι τοῖς ἑτέροις καὶ τὸ σφέτερον ἀδεές, ὧν τῷ Σύλλᾳ συνεπεπράχσαν, ἐν τῷ Σύλλαν περιεῖναι τιθέμενοι· ἀλλὰ μοι δοκεῖ κόρον τε πολέμων καὶ κόρον ἀρχῆς καὶ κόρον ἄστεος λαβὼν ἐπὶ τέλει καὶ ἀγροικίας ἐρασθῆναι.

[105] ἄρτι δ' ἀποστάντος αὐτοῦ, Ῥωμαῖοι φόνου καὶ τυραννίδος ἀπαλλαγέντες ἡσυχῇ πάλιν ἐπὶ στάσεις ὑπερριπίζοντο ἑτέρας. καὶ ὑπατοὶ αὐτοῖς καθίστανται Κόιντος τε Κάτλος ἀπὸ τῶν Συλλείων καὶ Λέπιδος

Αἰμίλιος ἀπὸ τῶν ἐναντίων, ἐχθίστω τε ἀλλήλοιν καὶ εὐθὺς ἀρξαμένω διαφέρεσθαι. δῆλόν τε ἦν τι κακὸν ἕτερον ἐκ τοῦδε γενησόμενον.

Σύλλας δ' ἐν τοῖς ἀγροῖς ἐνύπνιον ἔδοξεν ἰδεῖν, ὅτι αὐτὸν ὁ δαίμων ἤδη καλοῖη· καὶ ὁ μὲν αὐτίκα μεθ' ἡμέραν τοῖς φίλοις τὸ ὄναρ ἐξεπὼν διαθήκας συνέγραφεν ἐπείγόμενος καὶ αὐτῆς ἡμέρας συνετέλει· σφραγισαμένῳ δ' αὐτὰς περὶ ἐσπέραν πυρετὸς ἐμπίπτει καὶ νυκτὸς ἐτελεύτησεν, ἐξήκοντα μὲν ἔτη βιώσας, εὐτυχέστατος δ' ἀνδρῶν ἔς τε τὸ τέλος αὐτὸ καὶ ἐς τὰλλα πάντα, ὥσπερ καὶ ὠνομάζετο, γενέσθαι δοκῶν, εἰ δὴ τις εὐτυχίαν ἡγοῖτο τυχεῖν ὅσων ἂν ἐθέλῃ. γίνεται δ' εὐθὺς ἐν ᾧστει στάσις ἐπ' αὐτῷ, τῶν μὲν ἄγειν ἀξιούντων τὸ σῶμα διὰ τῆς Ἰταλίας ἐπὶ πομπῇ καὶ ἐς τὴν Ῥώμην ἐν ἀγορᾷ προτιθέναι καὶ ταφῆς δημοσίας ἀξιοῦν, Λεπίδου δὲ καὶ τῶν ἀμφὶ Λεπίδον ἐνισταμένων. ἐξενίκα δ' ὁ Κάτλος καὶ οἱ Σύλλειοι, καὶ ἐφέρετο ὁ νέκυσ ὁ τοῦ Σύλλα διὰ τῆς Ἰταλίας ἐς τὸ ἄστυ ἐπὶ κλίνης χρυσηλάτου καὶ κόσμου βασιλικοῦ, σαλπικταί τε πολλοὶ καὶ ἱππées καὶ ἄλλος ὄμιλος ἐκ ποδὸς ὠπλισμένος εἵπετο. οἱ τε ὑποστρατευσάμενοι αὐτῷ πανταχόθεν ἐπὶ τὴν παραπομπὴν ὠπλισμένοι συνέθεον καί, ὥς ἕκαστος ἀφικνοῖτο, εὐθὺς ἐς κόσμον καθίσταντο· ἄλλο τε πλῆθος, ὅσον ἐπ' οὐδενὶ ἔργῳ, συνέτρεχεν. ἡγεῖτο δ' αὐτοῦ σημεῖα καὶ πελέκεις, ὅσοις περιὼν ἔτι καὶ ἄρχων ἐκοσμεῖτο.

[106] ὥς δ' ἐπὶ τὸ ἄστυ ἤνέχθη, ἐσεφέρετο μετὰ πομπῆς ἐνταῦθα δὴ μάλιστα ὑπερόγκου. στέφανοί τε γὰρ δισχιλίῳν πλείους ἀπὸ χρυσοῦ κατὰ σπουδὴν γενόμενοι παρεφέροντο, δῶρα τῶν πόλεων καὶ τῶν ὑπ' αὐτῷ στρατευσαμένων τελῶν καὶ καθ' ἓνα τῶν φίλων, ἄλλη τε τῶν ἐς τὴν ταφὴν πεμφθέντων οὐ δυνατὴ φράσαι πολυτέλεια. καὶ τὸ σῶμα δέει τοῦ συνδραμόντος στρατοῦ παρέπεμπον ἱερέες τε ἅμα πάντες καὶ ἱέρειαι, κατὰ σφᾶς αὐτῶν ἑκάτεροι, καὶ ἡ βουλὴ πᾶσα καὶ αἱ ἀρχαί, τὰ σφέτερα σημεῖα ἐπικεῖμενοι. κόσμῳ δ' ἄλλῳ τὸ τῶν καλουμένων ἱππέων πλῆθος εἵπετο καὶ ὁ στρατὸς ἐν μέρει πᾶς, ὅσος ὑπεστράτευτο αὐτῷ· συνέδραμον γὰρ σπουδῇ, τὸ ἔργον ἅπαντες ἐπείγόμενοι καταλαβεῖν, σημεῖά τε φέροντες ἐπίχρυσα καὶ ὅπλα ἐπὶ σφίσι περιάγγυρα, οἷς ἔτι νῦν ἐς τὰς πομπὰς εἰώθασι χρῆσθαι. σαλπικτῶν τε ἄπειρον ἦν πλῆθος, παρὰ μέρος ὕγρότατα καὶ πένθιμα μελωδούντων. βοῇ δ' ἐπευφήμουν ἢ τε βουλὴ πρώτη καὶ οἱ ἱππées ἐν μέρει, εἴθ' ὁ στρατός, εἴθ' ὁ δῆμος, οἱ μὲν τῷ ὄντι τὸν Σύλλαν ἐπιποθοῦντες, οἱ δὲ δειμαίνοντες αὐτοῦ καὶ τότε τὸν στρατὸν καὶ τὸν νέκυν οὐχ ἤττον ἢ περιόντος· ἔς τε γὰρ τὴν ὄψιν τῶν γιγνομένων ἀποβλέποντες καὶ ἐς τὴν μνήμην ὧν ἔδρασεν ὁ ἀνὴρ, ἐξεπλήττοντο καὶ ὠμολόγουν τοῖς ἐναντίοις εὐτυχέστατον αὐτὸν ἐκείνοις γενέσθαι καὶ σφίσι καὶ θεθνεῶτα φοβερώτατον. ὥς δ' ἐπὶ τοῦ βήματος, ἔνθα δημηγοροῦσιν ἐν ἀγορᾷ, προυτέθη, τοὺς μὲν ἐπιταφίους λόγους εἶπεν ὁ κράτιστος εἰπεῖν τῶν τότε, ἐπεὶ Φαῦστος ὁ παῖς ὁ τοῦ Σύλλα νεώτατος ἦν ἔτι, τὸ δὲ λέχος ὑποδύντες ἀπὸ τῆς βουλῆς ἄνδρες εὐρωστοὶ διεκόμιζον ἐς τὸ πεδῖον τὸ Ἄρειον, ἔνθα βασιλέες θάπτονται μόνοι· καὶ τὸ πῦρ οἱ τε ἱππées καὶ ἡ στρατιὰ περιέδραμον.

[107] καὶ Σύλλα μὲν τοῦτο τέλος ἦν, ἀπὸ δὲ τῆς πυρᾶς χωροῦντες εὐθὺς οἱ ὕπατοι λόγοις βλασφημίαις ἐς ἀλλήλους διεφέροντο, καὶ τὸ ἀστικὸν ἐς αὐτοὺς διήρητο. Λεπίδος δὲ καὶ τοὺς Ἰταλικοὺς προσποιούμενος ἔλεγεν, ὅτι τὴν γῆν

αὐτοῖς, ἣν ὁ Σύλλας ἀφήρητο, ἀποδώσει. ἄμφω μὲν οὖν ἡ βουλὴ δείσασα ὥρκωσε μὴ πολέμῳ διακριθῆναι, κληρωσάμενος δ' ὁ Λέπιδος τὴν ὑπὲρ Ἑλπίων Γαλατίαν, ἐπὶ τὰ ἀρχαιρέσια οὐ κατῆι ὡς πολεμῆσων τοῖς Συλλεῖσι τοῦ ἐπιόντος ἔτους ὑπὲρ τὸν ὄρκον ἀδεῶς· ἐδόκουν γὰρ ἐς τὸ τῆς ἀρχῆς ἔτος ὥρκωσθαι. οὐ λανθάνων δ', ἐφ' οἷς ἐβούλευεν, ἐκαλεῖτο ὑπὸ τῆς βουλῆς· καὶ οὐδὲ αὐτὸς ἀγνοῶν, ἐφ' οἷς ἐκαλεῖτο, ἦι μετὰ τοῦ στρατοῦ παντὸς ὡς ἐς τὴν πόλιν ἐσελευσόμενος σὺν αὐτῷ. κωλυόμενος δὲ ἐκήρυξεν ἐς τὰ ὅπλα χωρεῖν, καὶ ἀντεκίρυντε Κάτλος. μικρόν τε πρὸ τοῦ Ἀρείου πεδίου μάχης αὐτοῖς γενομένης, ἡττώμενος ὁ Λέπιδος καὶ οὐκ ἐς πολὺ ἔτι ἀντισχὼν ἐς Σαρδῶν διέπλευσεν, ἔνθα νόσῳ τηκεδόνι χρώμενος ἀπέθανε· καὶ ὁ στρατὸς αὐτοῦ μικρὰ κατὰ μέρος ἐνοχλήσας διελύθη, τὸ δὲ κράτιστον Περπέννας ἐς Ἰβηρίαν ἤγαγε Σερτώριον.

[108] λοιπὸν δ' ἐστὶ τῶν Συλλεῖων ἔργων τὸ Σερτωρίου, γενόμενον μὲν ὀκτάετες, οὐκ εὐμαρὲς δὲ οὐδαμὰ Ῥωμαίοις, ἅτε μὴ πρὸς Ἰβήρας αὐτούς, ἀλλὰ καὶ τότε ἐπ' ἀλλήλους καὶ πρὸς Σερτώριον, ὃς ἦρητο μὲν Ἰβηρίας ἄρχειν, Κάρβωνι δ' ἐπὶ Σύλλα συμμαχῶν Σύεσαν πόλιν ἐν σπονδαῖς κατέλαβε καὶ φεύγων ἐπὶ τὴν στρατηγίαν ὄχετο. καὶ στρατὸν ἔχων ἐκ τῆς Ἰταλίας αὐτῆς καὶ τινα ἄλλον ἐκ Κελτιβήρων ἀγείρας τοὺς τε πρὸ ἑαυτοῦ στρατηγούς, οὐ παραδιδόντας οἱ τὴν ἀρχὴν ἐς χάριν Σύλλα, τῆς Ἰβηρίας ἐξέβαλε καὶ πρὸς Μέτελλον ἐπιπεμφθέντα ὑπὸ Σύλλα ἀπεμάχετο γενναίως. περιώνυμος δὲ ὢν ἐπὶ τόλμῃ, βουλὴν κατέλεξεν ἐκ τῶν συνόντων οἱ φίλων τριακοσίους καὶ τήνδε ἔλεγεν εἶναι τὴν Ῥωμαίων βουλὴν καὶ ἐς ὕβριν ἐκείνης σύγκλητον ἐκάλει. Σύλλα δ' ἀποθανόντος καὶ Λεπίδου μετὰ Σύλλαν, στρατὸν ἔχων ἄλλον Ἰταλῶν, ὅσον αὐτῷ Περπέννας ὁ τοῦ Λεπίδου στρατηγὸς ἤγαγεν, ἐπίδοξος ἦν στρατεύσειν ἐπὶ τὴν Ἰταλίαν, εἰ μὴ δείσασα ἡ βουλὴ στρατὸν τε ἄλλον καὶ στρατηγὸν ἕτερον ἐπὶ τῷ προτέρῳ Πομπήϊον ἔπεμψεν ἐς Ἰβηρίαν, νέον μὲν ἔτι ὄντα, περιφανῆ δ' ἐξ ὧν ἐπὶ Σύλλα περὶ τὴν Λιβύην καὶ ἐν αὐτῇ Ἰταλίᾳ κατεῖργαστο.

[109] ὁ δὲ ἐς τὰ Ἑλπίων ὄρη μετὰ φρονήματος ἀνῆι, οὐ κατὰ τὴν Ἀννίβου μεγαλουργίαν, ἐτέραν δ' ἐχάρασσεν ἀμφὶ ταῖς πηγαῖς τοῦ τε Ῥοδανοῦ καὶ Ἑρριανοῦ, οἱ ἀνίσχουσι μὲν ἐκ τῶν Ἑλπίων ὀρῶν οὐ μακρὰν ἀπ' ἀλλήλων, ῥεῖ δ' ὁ μὲν διὰ Κελτῶν τῶν ὑπὲρ Ἑλπίων εἰς τὴν Τυρρηνικὴν θάλασσαν, ὁ δὲ ἐνδοθεν τῶν Ἑλπίων ἐπὶ τὸν Ἰόνιον, Πάδος ἀντὶ Ἑρριανοῦ μετονομασθεῖς. ἀφικομένου δ' ἐς Ἰβηρίαν αὐτίκα ὁ Σερτώριος τέλος ὄλον, ἐπὶ χορτολογίαν ἐξιόν, αὐτοῖς ὑποζυγίοις καὶ θεράπουσι συνέκοψε καὶ Λαύρωνά πόλιν ἐφορῶντος αὐτοῦ Πομπήϊου διήρπασε καὶ κατέσκαψεν. ἐκ δὲ τῆς πολιορκίας γυνὴ τις ἐνυβρίζοντος αὐτῇ τοῦ λαβόντος παρὰ φύσιν τοῖς δακτύλοις ἐξέτεμε τὰς ὀφθαλμοὺς· καὶ ὁ Σερτώριος τοῦ πάθους πυθόμενος τὴν σπεῖραν ὅλην, ἀγέρωχον ἐς τὰ τοιαῦτα εἶναι νομιζομένην, καίπερ οὕσαν Ῥωμαϊκὴν κατέκανε.

[110] καὶ τότε μὲν χειμῶνος ἐπιόντος διέστησαν, ἀρχομένου δ' ἡρὸς ἐπήεσαν ἀλλήλοις, Μέτελλος μὲν καὶ Πομπήϊος ἀπὸ τῶν Πυρηναίων ὀρῶν, ἔνθα διεχειμάζον, Σερτώριος δὲ καὶ Περπέννας ἐκ Λυσιτανίας. καὶ συμβάλλουσιν ἀλλήλοις περὶ πόλιν, ἣ ὄνομα Σούκρων. κτύπου δ' ἐν αἰθρία φοβεροῦ καὶ ἀστραπῶν παραλόγων γενομένων, τάδε μὲν ὡς ἐμπειροπόλεμοι διέφερον

ἀκαταπλήκτως, πολὺν δ' ἀλλήλων φόνον ἐξειργάζοντο, μέχρι Μέτελλος μὲν Περπένναν ἐτρέψατο καὶ τὸ στρατόπεδον αὐτοῦ διήρπαζεν, ὁ δὲ Σερτώριος ἐνίκα Πομπήιον, καὶ ἐτρώθη δόρατι ἐς τὸν μηρὸν ἐπικινδύνως ὁ Πομπήιος. καὶ τοῦτο τέλος ἐγένετο τῆς τότε μάχης.

ἐλαφος δ' ἦν λευκὴ χειροῆθης τῷ Σερτωρίῳ καὶ ἄνετος: ἥς ἀφανοῦς γενομένης ὁ Σερτώριος οὐκ αἴσιον ἑαυτῷ τιθέμενος ἐβαρυθύμει τε καὶ ἐπ' ἀργίας ἦν, καὶ ταῦτ' ἐπιτωθαζόμενος ἐς τὴν ἔλαφον ὑπὸ τῶν πολεμίων. ὥς δ' ὤφθη διὰ δρυμῶν δρόμῳ φερομένη, ἀνά τε ἔδραμεν ὁ Σερτώριος καὶ εὐθύς, ὥσπερ αὐτῇ προκαταρχόμενος, ἠκροβολίσατο ἐς τοὺς πολεμίους.

οὐ πολὺ δὲ ὕστερον ἀγῶνα μέγαν ἠγωνίσατο περὶ Σεγοντίαν ἐκ μεσημβρίας ἐπὶ ἄστρα. καὶ αὐτὸς μὲν ἵππομαχῶν ἐκράτει τοῦ Πομπηίου καὶ ἔκτεινεν ἐς ἑξακισχιλίους ἀποβαλὼν ἐς ἡμίσεας: Μέτελλος δὲ καὶ τότε Περπέννα περὶ πεντακισχιλίους διέφθειρε. καὶ ὁ Σερτώριος μετὰ τὴν μάχην τῆς ἐπιούσης ἡμέρας πολλοὺς βαρβάρους προσλαβὼν ἐπέδραμεν ἀδοκίμως τῷ Μετέλλου στρατοπέδῳ περὶ δείλην ἐσπέραν ὥς ἀποταφρεύσων αὐτὸ σὺν τόλμῃ, Πομπηίου δ' ἐπιδραμόντος ἐπαύσατο τῆς καταφρονήσεως.

καὶ τάδε μὲν αὐτοῖς ἦν τοῦδε τοῦ θέρους ἔργα, καὶ πάλιν ἐς χειμασίαν διεκρίθησαν: [111] τοῦ δ' ἐπιόντος ἔτους, ἕκτης ἐβδομηκοστῆς καὶ ἑκατοστῆς ὀλυμπιάδος οὔσης, δύο μὲν ἐκ διαθηκῶν ἔθνη Ῥωμαίοις προσεγίγνετο, Βιθυνία τε Νικομήδους ἀπολιπόντος καὶ Κυρήνη Πτολεμαίου, τοῦ Λαγίδου βασιλέως, ὃς ἐπίκλησιν ἦν Ἀπίων, πόλεμοι δ' ἤκμαζον οὗτός τε ὁ Σερτωρίου περὶ Ἰβηρίαν καὶ ὁ Μιθριδάτου περὶ τὴν ἀνατολὴν καὶ ὁ τῶν ληιστῶν ἐν ὅλῃ τῇ θαλάσῃ καὶ περὶ Κρήτην πρὸς αὐτοὺς Κρήτας ἕτερος καὶ ὁ τῶν μονομάχων ἀνά τὴν Ἰταλίαν, αἰφνίδιος αὐτοῖς καὶ ὁδε καὶ σφοδρὸς ὁμοῦ γενόμενος. διαιρούμενοι δ' ἐς τοσαῦτα, ὅμως καὶ ἐς Ἰβηρίαν ἔπεμψαν ἄλλα στρατοῦ δύο τέλη, μεθ' ὧν ἅμα τῷ ἄλλῳ παντὶ Μέτελλός τε καὶ Πομπήιος αὐθις ἀπὸ τῶν Πυρηναίων ὁρῶν ἐπὶ τὸν Ἰβηρα κατέβαινον. Σερτώριος δὲ καὶ Περπέννας αὐτοῖς ἀπήντων ἀπὸ Λυσιτανίας.

[112] καὶ τότε μάλιστα πολλοὶ Σερτωρίου πρὸς τὸν Μέτελλον ἠτομόλουν, ἐφ' ᾧ χαλεπαίνων ὁ Σερτώριος ἀγρίως καὶ βαρβαρικῶς ἐλυμαίνετο πολλοῖς καὶ διὰ μίσους ἐγίγνετο. μᾶλλον δ' αὐτὸν ὁ στρατὸς ἐν αἰτίαις εἶχεν, ἐπεὶ καὶ δορυφόρους ἀντ' αὐτῶν ἐπῆγετο πανταχοῦ Κελτίβηρας καὶ τὴν φυλακὴν τοῦ σώματος, Ῥωμαίους ἀπελάσας, τοῖσδε ἀντ' ἐκείνων ἐπέτρεπεν. οὐ γὰρ ἔφερον ἐς ἀπιστίαν ὀνειδιζόμενοι, εἰ καὶ πολεμίῳ Ῥωμαίων ἐστρατεύοντο: ἀλλ' αὐτὸ δὴ τοῦτο καὶ μάλιστα ὑπέδακνεν αὐτούς, τὸ ἀπίστους ἐς τὴν πατρίδα διὰ τὸν Σερτωρίον γενομένους ἀπιστεῖσθαι καὶ πρὸς αὐτοῦ, οὐδ' ἠξίουσαν διὰ τοὺς αὐτομολήσαντας οἱ παραμένοντες κατεγνῶσθαι. πολλὰ δὲ καὶ οἱ Κελτίβηρες αὐτοῖς, ἀφορμῆς λαβόμενοι, ἐνύβριζον ὥς ἀπιστουμένοις. οἱ δ' οὐ τελέως ὅμως τὸν Σερτωρίον ἀπεστρέφοντο διὰ τὰς χρείας: οὐ γὰρ ἦν τότε τοῦ ἀνδρὸς οὔτε πολεμικώτερος ἄλλος οὔτ' ἐπιτυχέστερος. ὥθεν αὐτὸν καὶ οἱ Κελτίβηρες διὰ τὴν ταχυεργίαν ἐκάλουν Ἀννίβαν, ὃν θρασυτάτον τε καὶ ἀπατηλότατον στρατηγὸν παρὰ σφίσιν ἐδόκουν γενέσθαι. ὁ μὲν δὴ στρατὸς ὧδε εἶχε Σερτωρίῳ, πόλεις δ' αὐτοῦ πολλὰς ἐπέτρεχον οἱ περὶ τὸν Μέτελλον καὶ τοὺς ἄνδρας ἐς τὰ ὑπήκοα σφίσι μετήγον. Παλαντίαν δὲ Πομπηίου περικαθημένον

καὶ τὰ τείχη ξύλων κορμοῖς ὑποκρεμάσαντος, ἐπιφανεῖς ὁ Σερτώριος τὴν μὲν πολιορκίαν ἐξέλυσε, τὰ τείχη δ' ἔφθασεν ὑποκαύσας ὁ Πομπήιος καὶ ἐς Μέτελλον ἀνεχώρει. Σερτώριος δὲ καὶ τὰ πεσόντα ἤγειρε, καὶ τοῖς περὶ τὴν χωρίον Καλάγυρον στρατοπεδεύουσιν ἐπιδραμὼν ἔκτεινε τρισχιλίους. καὶ τότε ἦν καὶ τοῦδε τοῦ ἔτους ἐν Ἰβηρίᾳ.

[113] τοῦ δ' ἐπιόντος οἱ στρατηγοὶ Ῥωμαίων μᾶλλον τι θαρρήσαντες ἐπήεσαν ταῖς πόλεσι ταῖς ὑπὸ Σερτωρίῳ σὺν καταφρονήσει καὶ πολλὰ αὐτοῦ περιέσπων καὶ ἐτέροις ἐπέβαινον, ἐπαιρόμενοι τοῖς ἀπαντωμένοις. οὐ μέντοι μεγάλη γὰρ μάχη συνηνέχθησαν, ἀλλ' αὐθις ... , μέχρι τοῦ ἐξῆς ἔτους αὐτοὶ μὲν αὐθις ἐπήεσαν σὺν πλεονὶ μᾶλλον καταφρονήσει, ὁ δὲ Σερτώριος βλάπτοντος ἤδη θεοῦ τὸν μὲν ἐπὶ τοῖς πράγμασι πόνον ἐκὼν μεθίει, τὰ πολλὰ δ' ἦν ἐπὶ τρυφῆς, γυναιξὶ καὶ κόμοις καὶ πότοις σχολάζων. ὅθεν ἡττᾶτο συνεχῶς. καὶ γεγένητο ὀργὴν τε ἄκρος δι' ὑπονοίας ποικίλας καὶ ὠμότατος ἐς κόλασιν καὶ ὑπόπτῃς ἐς ἅπαντας, ὥστε καὶ Περπένναν, τὸν ἐκ τῆς Αἰμιλίου στάσεως ἐκόντα πρὸς αὐτὸν ἐλθόντα μετὰ πολλοῦ στρατοῦ, δεῖσαι περὶ ἑαυτοῦ καὶ προεπιβουλευσάι μετὰ ἀνδρῶν δέκα. ὥς δὲ καὶ τῶνδ' εἰς τινες τῶν ἀνδρῶν ἐνδειχθέντες οἱ μὲν ἐκολάσθησαν, οἱ δ' ἀπέφυγον, ὁ Περπέννας παρὰ δόξαν λαθὼν ἔτι μᾶλλον ἐπὶ τὸ ἔργον ἡπείγετο καὶ οὐδαμοῦ τὸν Σερτώριον μεθιέντα τοὺς δορυφόρους ἐπὶ ἐστίασιν ἐκάλει, μεθύσας δ' αὐτόν τε καὶ τὴν περιεστῶσαν τὸν ἀνδρῶνα φυλακὴν ἔκτεινεν ἀπὸ τῆς διαίτης.

[114] καὶ ὁ στρατὸς εὐθὺς ἐπὶ τὸν Περπένναν ἀνίστατο σὺν θορύβῳ τε πολλῷ καὶ μετ' ὀργῆς, ἐς εὐνοίαν αὐτίκα τοῦ Σερτωρίου μεταβαλόντες ἀπὸ τοῦ μίσους, ὥσπερ ἅπαντες ἐπὶ τοῖς ἀποθανούσι τὴν μὲν ὀργὴν μεθιάσιν, οὐκ ἐμποδῶν ἔτι τοῦ λυποῦντος ὄντος, ἐς δὲ τὴν ἀρετὴν αὐτῶν μετ' ἐλέου καὶ μνήμης ἐπανίασιν. τότε δὲ καὶ τὰ παρόντα σφίσι ἐκλογιζόμενοι, Περπέννα μὲν ὥς ιδιώτου κατεφρόνουν, τὴν δ' ἀρετὴν Σερτωρίου μόνῃν ἂν σφίσι ἡγούμενοι γενέσθαι σωτήριον, χαλεπῶς ἐς τὸν Περπένναν διετίθεντο αὐτοὶ τε καὶ οἱ βάρβαροι σὺν αὐτοῖς, μάλιστα δὲ τούτων Λυσιτανοί, ὅσῳ καὶ μάλιστα αὐτοῖς ὁ Σερτώριος ἐχρήτο.

ὥς δὲ καὶ τῶν διαθηκῶν ἀνοιχθεῖσων τῶν Σερτωρίου ὁ Περπέννας αὐταῖς ἐνεγέγραπτο ἐπὶ τῷ κλήρῳ, μᾶλλον τι πάντας ὀργὴ καὶ μῖσος ἐς τὸν Περπένναν ἐσήει, ὥς οὐκ ἐς ἄρχοντα μόνον ἢ στρατηγόν, ἀλλὰ καὶ ἐς φίλον καὶ εὐεργέτην τοσόνδε μύσος ἐργασάμενον. καὶ οὐκ ἂν οὐδὲ χειρῶν ἀπέσχοντο, εἰ μὴ περιθέων αὐτοὺς ὁ Περπέννας τοὺς μὲν δώροις ὑπηγάγετο, τοὺς δ' ὑποσχέσεσι, τοὺς δ' ἀπειλαῖς ἐξεφόβησε, τοὺς δὲ καὶ διεχρήσατο ἐς κατάπληξιν ἐτέρων. ἐπὶ τε τὰ πλήθη παρερχόμενος ἐδημαγῶγει καὶ τοὺς δεσμώτας αὐτῶν ἐξέλευν, οὓς ὁ Σερτώριος κατέδησεν, καὶ τοῖς Ἰβηρσι τὰ ὄμηρα ἀπέλευν. οἷς ὑπαχθέντες ὑπήκουον μὲν ὥς στρατηγῷ τὸ γὰρ δὴ μετὰ Σερτώριον εἶχεν ἀξιώμα, οὐ μέντοι χωρὶς δυσμενείας οὐδὲ τότε ἐγίνοντο: καὶ γὰρ ὠμότατος αὐτίκα ἐς κολάσεις θαρρήσας ἐφαίνετο καὶ τῶν ἐκ Ῥώμης αὐτῷ συμφυγόντων ἐπιφανῶν ἔκτεινε τρεῖς καὶ τὸν ἀδελφιδοῦν ἑαυτοῦ.

[115] ὥς δὲ ἐφ' ἑτέρα τῆς Ἰβηρίας ὁ Μέτελλος ὤχετο ὅτι γὰρ ἔτι δυσχερὲς ἐδόκει Περπένναν ἐπιτρέψαι μόνῳ Πομπηίῳ, ἐπὶ μὲν τινὰς ἡμέρας ἐγίνοντο ἀψιμαχίαι καὶ ἀπόπειραι Πομπηίου καὶ Περπέννα, μὴ σαλευόντων ἄθρου τὸν

στρατόν, τῇ δεκάτῃ δὲ ἀγὼν αὐτοῖς μέγιστος ἐξεργάγῃ. ἐνὶ γὰρ ἔργῳ κρίναντες διακριθῆναι, Πομπήιος μὲν τῆς Περπέννα στρατηγίας κατεφρόνει, Περπέννας δ' ὥς οὐ πιστῷ χρησόμενος ἐς πολὺ τῷ στρατῷ, πάσῃ σχεδὸν τῇ δυνάμει συνεπλέκετο. ταχὺ δ' ὁ Πομπήιος περιῆν ὥς οὔτε στρατηγοῦ διαφέροντος οὔτε προθύμου στρατοῦ. καὶ τροπῆς πάντων ὁμαλοῦς γενομένης ὁ μὲν Περπέννας ὑπὸ θάμνῳ πόας ἐκρύφθη, δεδιὼς τοὺς οἰκείους μᾶλλον τῶν πολεμίων: λαβόντες δ' αὐτὸν ἱππέες τινες εἶλκον ἐς τὸν Πομπήιον, ἐπιβλασφημούμενον ὑπὸ τῶν ἰδίων ὥς αὐθέντην Σερτωρίου καὶ βοῶντα πολλὰ μηνύσειν τῷ Πομπηίῳ περὶ τῆς Ῥώμῃ στάσεως: ἔλεγε δὲ εἶτε ἀληθεύων εἶθ' ἵνα σῶος ἀχθείῃ πρὸς αὐτόν. ὁ δὲ προπέμψας ἀπέκτεινεν αὐτόν, πρὶν ἐς ὄψιν ἔλθειν, δεῖσας ἄρα, μὴ τι μηνύσειεν ἀδόκητον καὶ ἐτέρων ἀρχὴ κακῶν ἐν Ῥώμῃ γένοιτο. καὶ ἔδοξεν ἐμφρόνως πάνυ τοῦθ' ὁ Πομπήιος πρᾶξαι καὶ συνετέλεσεν αὐτῷ καὶ τόδε εἰς δόξαν ἀγαθὴν. τέλος δ' ἦν τοῦτο τῷ περὶ Ἰβηρίαν πολέμῳ, τὸ καὶ Σερτωρίῳ τοῦ βίου γενόμενον: δοκεῖ γὰρ οὐκ ἂν οὔτε ὀξέως οὔτε εὐμαρῶς οὕτως, ἔτι Σερτωρίου περιόντος, συντελεσθῆναι.

[116] τοῦ δ' αὐτοῦ χρόνου περὶ τὴν Ἰταλίαν μονομάχων ἐς θέας ἐν Καπύῃ τρεφομένων, Σπάρτακος Θράξ ἀνὴρ, ἐστρατευμένος ποτὲ Ῥωμαίοις, ἐκ δὲ αἰχμαλωσίας καὶ πράσεως ἐν τοῖς μονομάχοις ὢν, ἔπεισεν αὐτῶν ἐς ἑβδομήκοντα ἄνδρας μάλιστα κινδυνεῦσαι περὶ ἐλευθερίας μᾶλλον ἢ θέας ἐπιδείξεως καὶ βιασάμενος σὺν αὐτοῖς τοὺς φυλάσσοντας ἐξέδραμε: καὶ τινῶν ὁδοιπόρων ξύλοις καὶ ξιφιδίοις ὀπλισάμενος ἐς τὸ Βέσβιον ὄρος ἀνέφυγεν, ἔνθα πολλοὺς ἀποδιδράσκοντας οἰκέτας καὶ τινὰς ἐλευθέρους ἐκ τῶν ἀγρῶν ὑποδεχόμενος ἐλήστευε τὰ ἐγγύς, ὑποστρατήγους ἔχων Οἰνόμαόν τε καὶ Κρίζον μονομάχους. μεριζομένῳ δ' αὐτῷ τὰ κέρδη κατ' ἰσομοιρίαν ταχὺ πλῆθος ἦν ἀνδρῶν: καὶ πρῶτος ἐπ' αὐτὸν ἐκπεμφθεὶς Οὐαρίνιος Γλάβρος, ἐπὶ δ' ἐκείνῳ Πόπλιος Οὐαλέριος, οὐ πολιτικὴν στρατιὰν ἄγοντες, ἀλλ' ὅσους ἐν σπουδῇ καὶ παρόδῳ συνέλεξαν 'οὐ γὰρ πῶ Ῥωμαῖοι πόλεμον, ἀλλ' ἐπιδρομὴν τινα καὶ ληστηρίῳ τὸ ἔργον ὅμοιον ἡγοῦντο εἶναι, συμβαλόντες ἡττᾶντο. Οὐαρινίου δὲ καὶ τὸν ἵππον αὐτὸς Σπάρτακος περιέσπασεν: παρὰ τοσοῦτον ἤλθε κινδύνου Ῥωμαίων ὁ στρατηγὸς αὐτὸς αἰχμάλωτος ὑπὸ μονομάχου γενέσθαι.

μετὰ δὲ τοῦτο Σπαρτάκῳ μὲν ἔτι μᾶλλον πολλοὶ συνέθεον, καὶ ἐπὶ μυριάδες ἦσαν ἤδη στρατοῦ, καὶ ὅπλα ἐχάλκευε καὶ παρασκευὴν συνέλεγεν, οἱ δ' ἐν ἄστει τοὺς ὑπάτους ἐξέπεμπον μετὰ δύο τελῶν. [117] καὶ τούτων ὑπὸ μὲν θατέρου Κρίζος, ἡγούμενος τρισμυρίων ἀνδρῶν, περὶ τὸ Γάργανον ὄρος ἡττᾶτο, καὶ δύο μέρη τοῦ στρατοῦ καὶ αὐτὸς συναπώλετο αὐτοῖς: Σπάρτακον δὲ διὰ τῶν Ἀπεννίνων ὀρῶν ἐπὶ τὰ Ἄλπεια καὶ ἐς Κελτοὺς ἀπὸ τῶν Ἀλπειῶν ἐπειγόμενον ὁ ἕτερος ὑπάτος προλαβὼν ἐκώλυε τῆς φυγῆς, καὶ ὁ ἕτερος ἐδίωκεν. ὁ δ' ἐφ' ἐκάτερον αὐτῶν ἐπιστρεφόμενος παρὰ μέρος ἐνίκα. καὶ οἱ μὲν σὺν θορύβῳ τὸ ἀπὸ τοῦδε ὑπεχώρουν, ὁ δὲ Σπάρτακος τριακοσίους Ῥωμαίων αἰχμαλώτους ἐναγίσας Κρίξῳ, δωδέκα μυριάσι πεζῶν ἐς Ῥώμην ἡπείγετο, τὰ ἄχρηστα τῶν σκευῶν κατακαύσας καὶ τοὺς αἰχμαλώτους πάντα ἀνελὼν καὶ ἐπισφάζας τὰ ὑποζύγια, ἵνα κοῦφος εἴῃ: αὐτομόλων τε πολλῶν αὐτῷ προσιόντων οὐδένα προσίετο. καὶ τῶν ὑπάτων αὐτὸν αὐθις περὶ τὴν

Πικηνίτιδα γῆν ὑποστάντων, μέγας ἀγὼν ἕτερος ὁδε γίγνεται καὶ μεγάλη καὶ τότε ἦσσα Ῥωμαίων.

ὁ δὲ τῆς μὲν ἐς Ῥώμην ὁδοῦ μετέγνων, ὡς οὐπω γεγωνὼς ἀξιόμαχος οὐδὲ τὸν στρατὸν ὅλον ἔχων στρατιωτικῶς ὠπλισμένον 'οὐ γάρ τις αὐτοῖς συνέπραττε πόλις, ἀλλὰ θεράποντες ἦσαν καὶ αὐτόμολοι καὶ σύγκλυδες', τὰ δ' ὄρη τὰ περὶ Θουρίους καὶ τὴν πόλιν αὐτὴν κατέλαβε, καὶ χρυσὸν μὲν ἢ ἄργυρον τοὺς ἐμπόρους ἐσφέρειν ἐκώλυε καὶ κεκτῆσθαι τοὺς ἑαυτοῦ, μόνον δὲ σίδηρον καὶ χαλκὸν ὠνοῦντο πολλοῦ καὶ τοὺς ἐσφέροντας οὐκ ἠδίκουν. ὅθεν ἀθρόας ὕλης εὐπορήσαντες εὖ παρεσκευάσαντο καὶ θαμινὰ ἐπὶ λεηλασίας ἐξήεσαν. Ῥωμαίοις τε πάλιν συνενεχθέντες ἐς χειρας ἐκράτους καὶ τότε καὶ λείας πολλῆς γέμοντες ἐπανήεσαν.

[118] Τριέτης τε ἦν ἤδη καὶ φοβερὸς αὐτοῖς ὁ πόλεμος, γελώμενος ἐν ἀρχῇ καὶ καταφρονούμενος ὡς μονομάχων. προτεθείσης τε στρατηγῶν ἄλλων χειροτονίας ὅκνος ἐπεῖχεν ἅπαντας καὶ παρήγγελλεν οὐδεῖς, μέχρι Λικίνιος Κράσσος, γένει καὶ πλούτῳ Ῥωμαίων διαφανῆς, ἀνεδέξατο στρατηγήσειν καὶ τέλεσιν ἐξ ἄλλοις ἤλανυν ἐπὶ τὸν Σπάρτακον: ἀφικόμενος δὲ καὶ τὰ τῶν ὑπάτων δύο προσέλαβε. καὶ τῶνδε μὲν αὐτίκα διακληρώσας ὡς πολλάκις ἡττημένων ἐπὶ θανάτῳ μέρος δέκατον διέφθειρεν. οἱ δ' οὐχ οὕτω νομίζουσιν, ἀλλὰ παντὶ τῷ στρατῷ συμβαλόντα καὶ τόνδε καὶ ἡττημένον, πάντων διακληρῶσαι τὸ δέκατον καὶ ἀνελεῖν ἐς τετρακισχιλίους, οὐδὲν διὰ τὸ πλῆθος ἐνδοιάσαντα. ὁποτέρως δ' ἔπραξε, φοβερώτερος αὐτοῖς τῆς τῶν πολεμίων ἡττης φανεῖς αὐτίκα μυρίων Σπαρτακείων ἐφ' ἑαυτῶν που στρατοπεδεύοντων ἐκράτει καὶ δύο αὐτῶν μέρη κατακανὼν ἐπ' αὐτὸν ἤλανε τὸν Σπάρτακον σὺν καταφρονήσει. νικήσας δὲ καὶ τόνδε λαμπρῶς ἐδίωκε φεύγοντα ἐπὶ τὴν θάλασσαν ὡς διαπλευσούμενον ἐς Σικελίαν καὶ καταλαβὼν ἀπετάφρευε καὶ ἀπετεῖχιζε καὶ ἀπεσταύρου.

[119] βιαζομένου δ' ἐς τὴν Σαυνίτιδα τοῦ Σπαρτάκου διαδραμεῖν, ἔκτεινεν ὁ Κράσσος ἐς ἐξακισχιλίους ἄλλους περὶ ἑω καὶ περὶ δείλην ἐς τοσοῦσδε ἐτέρους, τριῶν ἐκ τοῦ Ῥωμαίων στρατοῦ μόνων ἀποθανόντων καὶ ἐπτὰ τρωθέντων: τοσῆδε ἦν αὐτίκα διὰ τὴν κόλασιν ἐς τὸ τῆς νίκης θάρσος μεταβολή. Σπάρτακος δὲ ἰππέας ποθὲν προσιόντας αὐτῷ περιμένων οὐκέτι μὲν ἐς μάχην ἦι τῷ στρατῷ παντί, πολλὰ δ' ἠνώχλει τοῖς περικαθημένοις ἀνὰ μέρος, ἄφνω τε καὶ συνεχῶς αὐτοῖς ἐπιπίπτων, φακέλους τε ξύλων ἐς τὴν τάφρον ἐμβάλλων κατέκαιε καὶ τὸν πόνον αὐτοῖς δύσεργον ἐποίει. αἰχμάλωτόν τε Ῥωμαῖον ἐκρέμασεν ἐν τῷ μεταίχμιῳ, δεικνὺς τοῖς ἰδίῳ τὴν ὄψιν ὣν πείσονται, μὴ κρατοῦντες. οἱ δ' ἐν ᾧσται Ῥωμαῖοι τῆς πολιορκίας πυνθανόμενοι καὶ ἀδοξοῦντες, εἰ χρόνιος αὐτοῖς ἔσται πόλεμος μονομάχων, προσκατέλεγον ἐπὶ τὴν στρατείαν Πομπήιον ἄρτι ἀφικόμενον ἐξ Ἰβηρίας, πιστεύοντες ἡδὴ δυσχερὲς εἶναι καὶ μέγα τὸ Σπαρτάκειον ἔργον.

[120] διὰ δὲ τὴν χειροτονίαν τήνδε καὶ Κράσσος, ἵνα μὴ τὸ κλέος τοῦ πολέμου γένοιτο Πομπηίου, πάντα τρόπον ἐπειγόμενος ἐπεχείρει τῷ Σπαρτάκῳ, καὶ ὁ Σπάρτακος, τὸν Πομπήιον προλαβεῖν ἀξίῳ, ἐς συνθήκας τὸν Κράσσον προυκαλεῖτο. ὑπερορώμενος δ' ὑπ' αὐτοῦ διακινδυνεύειν τε ἔγνω καί, παρόντων οἱ τῶν ἱππέων ἡδὴ, ὥσατο παντὶ τῷ στρατῷ διὰ τοῦ

περιτειχίσματος καὶ ἔφυγεν ἐπὶ Βρεντέσιον, Κράσσου διώκοντος. ὥς δὲ καὶ Λεύκολλον ἔμαθεν ὁ Σπάρτακος ἐς τὸ Βρεντέσιον, ἀπὸ τῆς ἐπὶ Μιθριδάτῃ νίκης ἐπανίοντα, εἶναι, πάντων ἀπογνούς ἐς χεῖρας ἦει τῷ Κράσσῳ μετὰ πολλοῦ καὶ τότε πλήθους· γενομένης δὲ τῆς μάχης μακρᾶς τε καὶ καρτερᾶς ὥς ἐν ἀπογνώσει τοσῶνδε μυριάδων, τιτρώσκεται ἐς τὸν μηρὸν ὁ Σπάρτακος δορατίῳ καὶ συγκάμψας τὸ γόνυ καὶ προβαλὼν τὴν ἀσπίδα πρὸς τοὺς ἐπιόντας ἀπεμάχετο, μέχρι καὶ αὐτὸς καὶ πολὺ πλῆθος ἀμφ’ αὐτὸν κυκλωθέντες ἔπεσον. ὃ τε λοιπὸς αὐτοῦ στρατὸς ἀκόσμως ἦδη κατεκόπτοντο κατὰ πλῆθος, ὥς φόνον γενέσθαι τῶν μὲν οὐδ’ εὐαρίθμητον, Ῥωμαίων δὲ ἐς χιλίους ἄνδρας, καὶ τὸν Σπαρτάκου νέκυν οὐχ εὗρεθῆναι. πολὺ δ’ ἔτι πλῆθος ἦν ἐν τοῖς ὄρεσιν, ἐκ τῆς μάχης διαφυγόν· ἐφ’ οὗς ὁ Κράσσος ἀνέβαινεν. οἱ δὲ διελόντες ἑαυτοὺς ἐς τέσσαρα μέρη ἀπεμάχοντο, μέχρι πάντες ἀπώλοντο πλὴν ἐξακισχιλίων, οἱ ληφθέντες ἐκρεμάσθησαν ἀνὰ ὄλην τὴν ἐς Ῥώμην ἀπὸ Καπύης ὁδόν.

[121] καὶ τάδε Κράσσος ἐξ μηνσὶν ἐργασάμενος ἀμφήριστος ἐκ τοῦδε αὐτίκα μάλα τῇ δόξῃ τῇ Πομπηίου γίνεται. καὶ τὸν στρατὸν οὐ μεθίει, διότι μὴδὲ Πομπήιος. ἐς δὲ ὑπατείαν ἄμφω παρήγγελον, ὁ μὲν ἐστρατηγηκὼς κατὰ τὸν νόμον Σύλλα, ὁ δὲ Πομπήιος οὔτε στρατηγήσας οὔτε ταμιεύσας ἔτος τε ἔχων τέταρτον ἐπὶ τοῖς τριάκοντα· τοῖς δὲ δημάρχοις ὑπέσχητο πολλὰ τῆς ἀρχῆς ἐς τὸ ἀρχαῖον ἐπανάξειν. αἰρεθέντες δὲ ὑπατοὶ οὐδ’ ὥς μεθίεσαν τὸν στρατὸν, ἔχοντες ἀγχοῦ τῆς πόλεως, ἐκάτερος πρόφασιν τήνδε ποιούμενος, Πομπήιος μὲν ἐς τὸν Ἰβηρικὸν θρίαμβον περιμένειν ἐπανίοντα Μέτελλον, ὁ δὲ Κράσσος, ὥς Πομπήιον δέον προδιαλῦσαι.

καὶ ὁ δῆμος, ἐτέραν ἀρχὴν στάσεως ὀρῶν καὶ φοβούμενος δύο στρατοὺς περικαθημένους, ἐδέοντο τῶν ὑπάτων ἐν ἀγορᾷ προκαθημένων συναλλαγῆναι πρὸς ἀλλήλους. καὶ τὰ μὲν πρῶτα ἐκάτερος ἀπεκρούετο· ὥς δὲ καὶ θεόληπτοί τινες προύλεγον πολλὰ καὶ δεινὰ, εἰ μὴ συναλλαγεῖεν οἱ ὑπατοὶ, ὁ δῆμος αὐθις αὐτοὺς μετ’ οἰμωγῆς παρεκάλει πάνυ ταπεινῶς, ἔτι τῶν Σύλλα καὶ Μαρίου κακῶν ἀναφέροντες. καὶ ὁ Κράσσος πρότερος ἐνδοὺς ἀπὸ τοῦ θρόνου κατέβαινε καὶ ἐς τὸν Πομπήιον ἐχώρει, τὴν χεῖρα προτείνων ἐπὶ διαλλαγαῖς· ὁ δ’ ὑπανίστατο καὶ προσέτρεχε. καὶ δεξιωσαμένων ἀλλήλους εὐφημίαι τε ἦσαν ἐς αὐτοὺς ποικίλαι, καὶ οὐ πρὶν ὁ δῆμος ἀπέστη τῆς ἐκκλησίας ἢ προγράψαι τοὺς ὑπάτους τὰς ἀφέσεις τῶν στρατοπέδων. οὕτω μὲν δὴ δόξασα καὶ ἦδε μεγάλη στάσις ἔσσεσθαι κατελύετο εὐσταθῶς· καὶ ἔτος ἦν τῷδε τῷ μέρει τῶν ἐμφυλίων ἀμφὶ τὰ ἐξήκοντα μάλιστα ἀπὸ τῆς ἀναιρέσεως Τιβερίου Γράκχου.

Book 2

μετὰ δὲ τὴν Σύλλα μοναρχίαν καὶ ὅσα ἐπ' αὐτῇ Σερτώριος τε καὶ Περπέννας περὶ Ἰβηρίαν ἔδρασαν, ἕτερα ἐμφύλια Ῥωμαίοις τοιαύδε ἐγίνετο, μέχρι Γάιος Καῖσαρ καὶ Πομπήιος Μάγνος ἀλλήλοις ἐπολέμησαν καὶ Πομπήιον μὲν καθεῖλεν ὁ Καῖσαρ, Καίσαρα δ' ἐν τῷ βουλευτηρίῳ τινὲς ὡς βασιλιζόμενον κατέκανον. ταῦτα δὲ ὅπως ἐγένετο καὶ ὅπως ἀνηρέθησαν ὁ τε Πομπήιος καὶ ὁ Γάιος, ἡ δευτέρα τῶν ἐμφυλίων ἦδε δηλοῖ.

ὁ μὲν δὴ Πομπήιος ἄρτι τὴν θάλασσαν καθήρας ἀπὸ τῶν ληστηρίων τότε μάλιστα πανταχοῦ πλεονασάντων Μιθριδάτην ἐπὶ τοῖς λησταῖς καθηρῆκει, Πόντου βασιλέα, καὶ τὴν ἀρχὴν αὐτοῦ καὶ ὅσα ἄλλα ἔθνη προσέλαβεν ἀμφὶ τὴν ἔω, διετάσσετο: ὁ δὲ Καῖσαρ ἦν ἔτι νέος, δεινὸς εἰπεῖν τε καὶ πρᾶξαι, τολμησαί τε ἐς πάντα καὶ ἐλπῖσαι περὶ ἀπάντων, ἐς δὲ δὴ φιλοτιμίαν ἀφειδήs ὑπὲρ δύναμιν, ὡς ἀγορανομῶν ἔτι καὶ στρατηγῶν εἶναι κατάχρεως καὶ τῷ πλήθει δαιμονίως ὑπεραρέσκειν, τῶν δῆμων αἰεὶ τοὺς δαυλιεῖς ἐπαινούντων.

[2] Γάιος δὲ Κατιλίνας, μεγέθει τε δόξης καὶ γένους λαμπρότητι περιώνυμος, ἔμπληκτος ἀνὴρ, δόξας ποτὲ καὶ υἱὸν ἀνελεῖν δι' Αὐρηλίας Ὀρεστίλλης ἔρωτα, οὐχ ὑφισταμένης τῆς Ὀρεστίλλης παῖδα ἔχοντι γήμασθαι, Σύλλα φίλος τε καὶ στασιώτης καὶ ζηλωτὴς μάλιστα γεγονώς, ἐκ δὲ φιλοτιμίας καὶ ὅδε ἐς πενίαν ὑπενηνεγμένος καὶ θεραπεύόμενος ἔτι πρὸς δυνατῶν ἀνδρῶν τε καὶ γυναικῶν, ἐς ὑπατείαν παρήγγελλεν ὡς τῇδε παροδεύσων ἐς τυραννίδα. ἀγῶν δ' ἐλπίσας αἰρεθῆσθαι διὰ τὴν ὑποψίαν τήνδε ἀπεκρούσθη, καὶ Κικέρων μὲν ἤρχεν ἀντ' αὐτοῦ, ἀνὴρ ἡδιστος εἰπεῖν τε καὶ ῥητορεῦσαι, Κατιλίνας δ' αὐτὸν ἐς ὕβριν τῶν ἐλομένων ἐπέσκωπτεν, ἐς μὲν ἀγνωσίαν γένους καινὸν ὀνομάζων 'καλοῦσι δ' οὕτω τοὺς ἀφ' ἐαυτῶν, ἀλλ' οὐ τῶν προγόνων γνωρίμους', ἐς δ' ξενίαν τῆς πόλεως ἰγκουιλῖνον, ᾧ ῥήματι καλοῦσι τοὺς ἐνοικοῦντας ἐν ἀλλοτρίαις οἰκίαις. αὐτὸς δὲ πολιτείαν μὲν ὅλως ἔτι ἀπεστρέφετο ἐκ τοῦδε, ὡς οὐδὲν μοναρχίαν ταχὺ καὶ μέγα φέρουσαν, ἀλλ' ἔριδος καὶ φθόνου μεστήν: χρήματα δ' ἀγείρων πολλὰ παρὰ πολλῶν γυναικῶν, αἱ τοὺς ἀνδρας ἠλπίζον ἐν τῇ ἐπαναστάσει διαφθερεῖν, συνώνυμό τισιν ἀπὸ τῆς βουλῆς καὶ τῶν καλουμένων ἱππέων, συνῆγε δὲ καὶ δημότας καὶ ξένους καὶ θεράποντας. καὶ πάντων ἡγεμόνες ἦσαν αὐτῷ Κορνήλιος Λέντιος καὶ Κέθηγος, οἱ τότε τῆς πόλεως ἐστρατήγουν. ἀνά τε τὴν Ἰταλίαν περιέπεμπεν ἐς τῶν Συλλεῖων τοὺς τὰ κέρδη τῆς τότε βίας ἀναλωκότας καὶ ὀρεγομένους ἔργων ὁμοίων, ἐς μὲν Φαισούλας τῆς Τυρρηνίας Γάιον Μάλλιον, ἐς δὲ τὴν Πικηνίτιδα καὶ τὴν Ἀπουλίαν ἐτέρους, οἱ στρατὸν αὐτῷ συνέλεγον ἀφανῶς.

[3] καὶ τάδε πάντα ἔτι ἀγνοούμενα Φουλβία γύναιον οὐκ ἀφανὲς ἐμήνυε τῷ Κικέρωνι: ἥs ἐρῶν Κόιντος Κούριος, ἀνὴρ δι' ὀνειδῆ πολλὰ τῆς βουλῆς ἀπεωσμένος καὶ τῆsδε τῆς Κατιλίνας συνθήκης ἡξιωμένος, κούφως μάλα καὶ φιλοτίμως ἐξέφερεν οἷα πρὸς ἐρωμένην, ὡς αὐτίκα δυναστεύσων. ἦδη δὲ καὶ περὶ τῶν ἐν τῇ Ἰταλίᾳ γιγνομένων λόγος ἐφοῖτα. καὶ ὁ Κικέρων τὴν τε πόλιν ἐκ διαστημάτων φρουραῖς διελάμβανε καὶ τῶν ἐπιφανῶν ἐξέπεμπε πολλοὺς ἐς

πάντα τὰ ὑποπτα τοῖς γιγνομένοις ἐφεδρεῦειν. Κατιλίνας δ', οὐδενὸς μὲν παρρηγοῦντος αὐτοῦ λαβέσθαι διὰ τὴν ἔτι τοῦ ἀκριβοῦς ἀγνωσίαν, δεδιὼς δὲ ὅμως καὶ τὸ χρόνιον ἡγούμενος ὑποπτον, ἐν δὲ τῷ τάχει τὴν ἐλπίδα τιθέμενος, τὰ τε χρήματα προὔπεμπεν ἐς Φαισούλας καὶ τοῖς συνωμόταις ἐντειλάμενος κτείνειν Κικέρωνα καὶ τὴν πόλιν ἐκ διαστημάτων πολλῶν νυκτὸς ἐμπρῆσαι μιᾶς ἐξῆι πρὸς Γάιον Μάλλιον ὡς αὐτίκα στρατὸν ἄλλον ἀθροίσων καὶ ἐς τὸν ἐμπρησμὸν τῆς πόλεως ἐπιδραμούμενος. ὁ μὲν δὴ ῥάβδους τε καὶ πελέκεας ὥς τις ἀνθύπατος κούφως μάλα ἀνέσχε προὐ αὐτοῦ καὶ ἐς τὸν Μάλλιον ἐχῶρει στρατολογῶν: Λέντλω δὲ καὶ τοῖς συνωμόταις ἔδοξεν, ὅτε Κατιλίαν ἐν Φαισούλαις πυνθάνοιντο γεγενῆσθαι, Λέντλον μὲν αὐτὸν καὶ Κεθήγον ἐφεδρεῦσαι ταῖς Κικέρωνος θύραις περὶ ἕω μετὰ κεκρυμμένων ξιφιδίων, ἐσδεχθέντας τε διὰ τὴν ἀξίωσιν καὶ λαλοῦντας ὅτιδὴ μηκῦναι τὴν ὁμιλίαν ἐν περιπάτῳ καὶ κτείνειν περισπᾶσαντας ἀπὸ τῶν ἄλλων, Λεύκιον δὲ Βησιτίαν τὸν δήμαρχον ἐκκλησίαν εὐθὺς ὑπὸ κήρυξι συνάγειν καὶ κατηγορεῖν τοῦ Κικέρωνος ὡς αἰεὶ δειλοῦ καὶ πολεμοποιοῦ καὶ τὴν πόλιν ἐν οὐδενὶ δεινῷ διαταράττοντος, ἐπὶ δὲ τῇ Βησιτίου δημηγορίᾳ, νυκτὸς αὐτίκα τῆς ἐπιούσης, ἑτέρους ἐν δυώδεκα τόποις ἐμπιπράναι τὴν πόλιν καὶ διαρπάζειν καὶ κατακτείνειν τοὺς ἀρίστους.

[4] ὧδε μὲν Λέντλω καὶ Κεθήγῳ καὶ Στατίλῳ καὶ Κασσίῳ, τοῖς ἄρχουσι τῆς ἐπαναστάσεως, ἔδεδόκτο, καὶ τὸν καιρὸν ἐπετήρουν: Ἀλλοβρίγων δὲ πρέσβεις, αἰτιώμενοι τοὺς ἡγουμένους αὐτῶν, ... ἐς τὴν Λέντλου συνωμοσίαν ἐπήχθησαν ὡς ἀναστήσοντες ἐπὶ Ῥωμαίους τὴν Γαλατίαν. καὶ Λέντλος μὲν αὐτοῖς συνέπεμπεν ἐς Κατιλίαν Βουλτούρκιον, ἄνδρα Κροτωνιάτην, γράμματα χωρὶς ὀνομάτων γεγραμμένα φέροντα: οἱ δ' Ἀλλοβρίγες ἐνδοιάσαντες ἐκοινώσαντο Φαβίῳ Σάγγα, ὃς ἦν τῶν Ἀλλοβρίγων προστάτης, ὥσπερ ἀπάσαις πόλεσιν ἔστι τις ἐν Ῥώμῃ προστάτης. παρὰ δὲ τοῦ Σάγγα μαθὼν ὁ Κικέρων συνέλαβεν ἀπιόντας τοὺς Ἀλλοβρίγας τε καὶ Βουλτούρκιον καὶ ἐς τὴν βουλὴν εὐθέως ἐπήγαγεν: οἱ δ' ὠμολόγουν, ὅσα τοῖς ἀμφὶ τὸν Λέντλον συνήδεσαν, ἀχθέντας τε ἤλεγχον, ὡς ὁ Κορνήλιος Λέντλος εἶποι πολλάκις εἰμάρθαι τρεῖς Κορνηλίους γενέσθαι Ῥωμαίων μονάρχους, ὧν ἡδὴ Κίνναν καὶ Σύλλαν γεγονέναι.

[5] λεχθέντων δὲ τούτων ἡ μὲν βουλὴ Λέντλον παρέλυσεν τῆς ἀρχῆς, ὁ δὲ Κικέρων ἕκαστον ἐς τὰς οἰκίας τῶν στρατηγῶν διαθεὶς ἐπανῆλθεν αὐτίκα καὶ ψήφον περὶ αὐτῶν ἐδίδου. θόρυβος δ' ἦν ἀμφὶ τὸ βουλευτήριον, ἀγνωστοῦ μὲν ἔτι τοῦ ἀκριβοῦς, καὶ δέος τῶν συνεγνωκότων. αὐτοῦ δὲ Λέντλου καὶ Κεθήγου θεράποντες τε καὶ ἐξελεύθεροι, χειροτέχναι πολλοὺς προσλαβόντες, κατ' ὀπισθίας ὁδοὺς περιήεσαν ἐπὶ τὰς τῶν στρατηγῶν οἰκίας ὡς τοὺς δεσπότας ἐξαρπασόμενοι. ὧν ὁ Κικέρων πυθόμενος ἐξέδραμεν ἐκ τοῦ βουλευτηρίου καὶ διαθεὶς ἐς τὰ ἐπὶκαιρα φύλακας ἐπανῆλθε καὶ τὴν γνώμην ἐπετάχυνε. Σιλανὸς μὲν δὴ πρῶτος ἔλεγεν, ὃς ἐς τὸ μέλλον ἦρητο ὑπατεύειν: ὧδε γὰρ Ῥωμαίοις ὁ μέλλων ὑπατεύσειν πρῶτος ἐσφέρει γνώμην, ὡς αὐτός, οἶμαι, πολλὰ τῶν κυρουμένων ἐργασόμενος καὶ ἐκ τοῦδε εὐβουλότερόν τε καὶ εὐλαβέστερον ἐνθυμησόμενος περὶ ἐκάστου. ἀξιοῦντι δὲ τῷ Σιλανῷ τοὺς ἄνδρας ἐσχάτη κολάσει μετιέναι πολλοὶ συνετίθεντο, ἕως, ἐπὶ Νέρωνα τῆς

γνώμης περιούσης, ὁ Νέρων ἐδικαίου φυλάττειν αὐτούς, μέχρι Κατιλίαν ἐξέλωσι πολέμῳ καὶ τὰ ἀκριβέστατα μάθωσι,

[6] γαίος τε Καῖσαρ οὐ καθαρεύων μὲν ὑπονοίας μὴ συνεγνωκέναι τοῖς ἀνδράσι, Κικέρωνος δ' οὐ θαρροῦντος καὶ τόνδε, ὑπεραρέσκοντα τῷ δήμῳ, ἐς τὸν ἀγῶνα προβαλέσθαι, προσετίθει διαθέσθαι τοὺς ἀνδρας Κικέρωνα τῆς Ἰταλίας ἐν πόλεσιν αἷς ἂν αὐτὸς δοκιμάσῃ, μέχρι Κατιλίνα καταπολεμηθέντος ἐς δικαστήριον ὑπαχθῶσι, καὶ μηδὲν ἀνήκεστον ἐς ἀνδρας ἐπιφανεῖς ἢ πρὸ λόγου καὶ δίκης ἐξειργασμένους. δικαίου δὲ τῆς γνώμης φανείσης καὶ δεχθείσης, ἀκρατῶς οἱ πολλοὶ μετετίθεντο, μέχρι Κάτων ἤδη σαφῶς ἀνακαλύπτων τὴν ἐς τὸν Καῖσαρα ὑποψίαν καὶ ὁ Κικέρων δεδιὼς ἀμφὶ τῇ νυκτὶ προσιούσῃ, μὴ τὸ συνεγνωκὸς τοῖς ἀνδράσι πλῆθος αἰωρούμενον ἔτι κατ' ἀγορὰν καὶ δεδιὸς περὶ τε σφῶν αὐτῶν καὶ περὶ ἐκείνων ἐργάσῃται τι ἄτοπον, ἔπεισαν ὡς αὐτοφώρων ἄνευ κρίσεως καταγνῶναι. καὶ εὐθὺς ἐκ τῶν οἰκιῶν, ἔτι τῆς βουλῆς συνεστώσης, ἕκαστον αὐτῶν ὁ Κικέρων ἐς τὸ δεσμωτήριον μεταγαγὼν, τοῦ πλῆθους ἀγνοοῦντος, ἐπέιδεν ἀποθνήσκοντας καὶ τοῖς ἐν ἀγορᾷ παροδεύων ἐσήμηνεν, ὅτι τεθνᾶσιν. οἱ δὲ διελύοντο πεφρικότες τε καὶ περὶ σφῶν ἀγαπῶντες ὡς διαλαθόντες.

οὕτω μὲν ἡ πόλις ἀνέπνευσεν ἀπὸ τοῦ δέους πολλοῦ σφίσι ἐκείνης τῆς ἡμέρας ἐπιστάντος· [7] Κατιλίαν δὲ ἐς δισμυρίους τε ἀγείραντα καὶ τούτων τεταρτημόριον ὀπίσαντα ἤδη καὶ ἐς Γαλατίαν ἐπὶ ἄλλην παρασκευὴν ἀπλέοντα Ἀντώνιος ὁ ἕτερος ὕπατος ὑπ' Ἀλπείοις καταλαβὼν, οὐ δυσχερῶς ἐκράτησεν ἀνδρὸς ἐμπλήκτως ἀλλόκοτον ἔργον ἐπὶ νοῦν λαβόντος τε καὶ ἐς πείραν ἔτι ἐμπληκτότερον ἀπαρασκευῶς προαγαγόντος. οὐ μὴν ὁ γε Κατιλίνας οὐδ' ἄλλος οὐδεὶς τῶν συνόντων ἐπιφανῶν φυγεῖν ἠξίωσεν, ἀλλ' ἐσδραμόντες ἐς τοὺς πολεμίους ἀπώλοντο.

ὥδε μὲν ἡ Κατιλίνα ἐπανάστασις, παρ' ὀλίγον ἐς ἔσχατον ἐλθοῦσα κινδύνου τῇ πόλει, διελύετο. καὶ ὁ Κικέρων, ἅπασιν ἐπὶ λόγου δυνάμει μόνῃ γνώριμος ὢν, τότε καὶ ἐπὶ ἔργῳ διὰ στόματος ἦν καὶ σωτὴρ ἐδόκει περιφανῶς ἀπολλυμένη τῇ πατρίδι γενέσθαι, χάριτές τε ἦσαν αὐτῷ παρὰ τὴν ἐκκλησίαν καὶ εὐφημίαι ποικίλαι. Κάτωνος δ' αὐτὸν καὶ πατέρα τῆς πατρίδος προσαγορεύσαντος ἐπεβόησεν ὁ δῆμος. καὶ δοκεῖ τισιν ἦδε ἡ εὐφημία ἀπὸ Κικέρωνος ἀρξαμένη περιελθεῖν ἐς τῶν νῦν αὐτοκρατόρων τοὺς φαινομένους ἀξίους· οὐδὲ γὰρ τοῖσδε, καίπερ οὗσι βασιλεῦσιν, εὐθὺς ἀπ' ἀρχῆς ἅμα ταῖς ἄλλαις ἐπωνυμίαις, ἀλλὰ σὺν χρόνῳ μόλις ἦδε, ὡς ἐντελὴς ἐπὶ μεγίστοις δὴ μαρτυρία, ψηφίζεται.

[8] ὁ δὲ Καῖσαρ στρατηγὸς ἐς Ἰβηρίαν αἰρεθείς ἐπὶ μὲν τι πρὸς τῶν χρήστων διεκρατεῖτο ἐν Ῥώμῃ, πολὺ πλέονα τῆς παρουσίας ὀφλὼν διὰ τὰς φιλοτιμίας· ὅτε φασὶν αὐτὸν εἰπεῖν, ὅτι δέοιτο δισχιλίων καὶ πεντακοσίων μυριάδων, ἵνα ἔχοι μηδέν· διαθέμενος δὲ τοὺς ἐνοχλοῦντας, ὡς ἐδύνατο, καὶ τῆς Ἰβηρίας ἐπιβάς χρηματίζειν μὲν ταῖς πόλεσιν ἢ διαιτᾶν δίκας ἢ ὅσα ὁμοιότροπα τούτοις, ἅπαντα ὑπερείδεν ὡς οὐδὲν οἷς ἐπενόει χρήσιμα, στρατιὰν δὲ ἀγείρας ἐπετίθετο τοῖς ἔτι λοιποῖς Ἰβήρων ἀνὰ μέρος, μέχρι τὴν Ἰβηρίαν ἐς τὸ ὀλόκληρον ἀπέφηνε Ῥωμαίοις ὑποτελεῖν, καὶ χρήματα πολλὰ ἐς Ῥώμην ἔπεμψεν ἐς τὸ κοινὸν ταμιεῖον. ἐφ' οἷς ἡ μὲν βουλή θριαμβεῦσαι παρέσχεν

αὐτῷ, ὁ δὲ τῆς πομπῆς τὴν παρασκευὴν ἐς τὸ λαμπρότατον ἐν τοῖς τῆς Ρώμης προαστείοις διεκόσμη, ἐν αἷς ἡμέραις ὑπατείας ἦσαν παραγγελίαι, καὶ ἔδει τὸν παραγγέλλοντα παρῆναι, ἐσελθόντι δὲ οὐκ ἦν ἔτι ἐπὶ τὸν θρίαμβον ἐπανελθεῖν. ὁ δὲ καὶ τῆς ἀρχῆς ἐς πολλὰ τυχεῖν ἐπειγόμενος καὶ τὴν πομπὴν οὐχ ἔτοιμον ἔχων ἐσέπεμπε τῇ βουλῇ δεόμενος ἐπιτρέψαι οἱ τὴν παραγγελίαν ἀπόντι ποιήσασθαι διὰ τῶν φίλων, εἰδὼς μὲν παράνομον, γεγονὸς δὲ ἥδη καὶ ἑτέροις. Κάτωνος δ' ἀντιλέγοντος αὐτῷ καὶ τὴν ἡμέραν τελευταίαν οὖσαν τῶν παραγγελιῶν ἀναλοῦντος ἐπὶ τοῖς λόγοις, ἐσέδραμεν ὁ Καῖσαρ ὑπεριδὼν τοῦ θρίαμβου καὶ παραγγείλας ἐς τὴν ἀρχὴν ἀνέμενε τὴν χειροτονίαν.

[9] ἐν δὲ τούτῳ Πομπήιος, ἐκ τῶν Μιθριδατείων ἔργων ἐπὶ μέγα δόξης καὶ δυνάμεως ἐλθὼν, ἤξιον πολλά, ὅσα βασιλευσὶ καὶ δυνάσταις καὶ πόλεσιν ἐδεδώκει, τὴν βουλήν βεβαιῶσαι. φθόνῳ δ' αὐτῶν οἱ πολλοὶ καὶ μάλιστα Λεύκολλος, ὁ πρὸ τοῦ Πομπηίου στρατεύσας ἐπὶ τὸν Μιθριδάτην, ὡς ἀσθενέστατον αὐτὸν ἀπολιπὼν τῷ Πομπηίῳ, διεκώλυεν, ἴδιον ἔργον ἀποφαίνων τὸ Μιθριδάτειον. καὶ Λευκόλλῳ συνελάμβανε Κράσσος. ἀγανακτῶν οὖν ὁ Πομπήιος προσεταιρίζεται Καίσαρα, συμπράξειν ἐς τὴν ὑπατείαν ἐπομόσας· ὁ δ' εὐθὺς αὐτῷ Κράσσον διήλλασσε. καὶ τρεῖς οἶδε τὸ μέγιστον ἐπὶ πᾶσι κράτος ἔχοντες τὰς χρείας ἀλλήλοις συνηράνιζον. καὶ τις αὐτῶν τήνδε τὴν συμφροσύνην συγγραφεύς, Οὐάρρων, ἐνὶ βιβλίῳ περιλαβὼν ἐπέγραψε Τρικάρανον.

Ὑφορωμένη δ' αὐτοὺς ἡ βουλὴ Λεύκιον Βύβλον ἐς ἐναντίωσιν τοῦ Καίσαρος ἐχειροτόνησεν αὐτῷ συνάρχην· [10] καὶ εὐθὺς αὐτῶν ἦσαν ἐριδές τε καὶ ὅπλων ἐπ' ἀλλήλους ἰδία παρασκευαί. δεινὸς δ' ὢν ὁ Καῖσαρ ὑποκρίνεσθαι, λόγους ἐν τῇ βουλῇ περὶ ὁμονοίας διέθετο πρὸς Βύβλον, ὡς τὰ κοινὰ λυπήσοντες, εἰ διαφέροιντο. πιστευθεὶς δ' οὕτω φρονεῖν, ἀπερίσκεπτον ἤδη καὶ ἀπαράσκευον καὶ οὐδὲν ἔτι τῶν γιγνομένων ὑπονοοῦντα τὸν Βύβλον ἔχων, χεῖρά τε πολλὴν ἀφανῶς ἡτοιμάζετο καὶ νόμους ὑπὲρ τῶν πενήτων ἐς τὸ βουλευτήριον ἐσέφερε καὶ γῆν αὐτοῖς διένεμε, καὶ τὴν ἀριστεύουσαν αὐτῆς μάλιστα περὶ Καπύην, ἥ ἐς τὰ κοινὰ διεμισθοῦτο, τοῖς οὖσι πατράσι παίδων τριῶν, ἔμμισθον ἑαυτῷ τῆσδε τῆς χάριτος πλῆθος τοσόνδε ποιούμενος· δισμῦριοι γὰρ ἀθρόως ἐφάνησαν οἱ τὰ τρία τρέφοντες μόνοι. ἐνισταμένων δὲ τῇ γνώμῃ πολλῶν, υποκρινάμενος δυσχεραίνειν, ὡς οὐ δίκαια ποιούντων, ἐξέδραμε καὶ βουλήν μὲν οὐκέτι συνῆγεν ἐπὶ τὸ ἔτος ὅλον, ἐπὶ δὲ τῶν ἐμβόλων ἐδημηγόρει· Πομπηίον τε ἐν μέσῳ καὶ Κράσσον ἡρώτα περὶ τῶν νόμων· οἱ δὲ αὐτοὺς ἐπῆνουν, καὶ ὁ δῆμος ἐπὶ τὴν χειροτονίαν ἦει σὺν κεκρυμμένοις ξιφιδίοις.

[11] ἡ βουλὴ δὲ 'οὐ γάρ τις αὐτὴν συνῆγεν, οὐδ' ἐξῆν τῷ ἐτέρῳ τῶν ὑπάτων συναγαγεῖν αὐτήν' ἐς τὴν οἰκίαν τοῦ Βύβλου συνελθόντες οὐδὲν μὲν ἀντάξιον τῆς Καίσαρος ἰσχύος τε καὶ παρασκευῆς ἐποιοῦν, ἐπενόουν δ' ὅμως Βύβλον ἐνίστασθαι τοῖς νόμοις καὶ μὴ δόξαν ἀμελείας, ἀλλὰ ἥσσης ἐνέγκασθαι. πεισθεὶς οὖν ὁ Βύβλος ἐνέβαλεν ἐς τὴν ἀγορὰν δημηγοροῦντος ἔτι τοῦ Καίσαρος. ἐριδος δὲ καὶ ἀταξίας γενομένης πληγαὶ τε ἦσαν ἤδη, καὶ οἱ μετὰ τῶν ξιφιδίων τὰς ράβδους καὶ τὰ σημεῖα τοῦ Βύβλου περιέκλων καὶ τῶν δημάρχων ἔστιν οὓς περὶ αὐτὸν ὄντας ἔτρωσαν. Βύβλος δ' οὐ καταπλαγεῖς

ἀπεγύμνου την σφαγήν και μετά βοής ἐκάλει τους Καίσαρος φίλους ἐπὶ τὸ ἔργον: ‘εἰ γάρ οὐ δύναμαι πείσαι τὰ δίκαια ποιεῖν,’ ἔφη, “Καίσαρα, τό γε ἄγος αὐτῷ και μύσος οὕτως ἀποθανὼν ἐπιβαλῶ.’ ἀλλά τὸν μὲν ἄκοντα ὑπεξήγαγον οἱ φίλοι ἐς τὸ πλησίον ἱερὸν τοῦ Στησίου Διός, Κάτων δ’ ἐπιτεμφθεὶς ὥσατο μὲν ὡς νέος ἐς μέσους και δημηγορεῖν ἤρχετο, μετέωρος δ’ ὑπὸ τῶν Καίσαρος ἀρθείς ἐξεφέρετο. και λαθὼν κατ’ ἄλλας ὁδοὺς αὐθις ἀνέδραμεν ἐς τὸ βῆμα και λέγειν μὲν ἔτι οὐδενὸς ἀκούοντος ἀπεγίνωσκε, τοῦ δὲ Καίσαρος ἀγροίκως κατεβόα, μέχρι και τότε μετέωρος ἐξερρίφη και τους νόμους ὁ Καῖσαρ ἐκύρωσε.

[12] και ἐπ’ αὐτοῖς τὸν τε δῆμον ὥρκωσεν ἐς αἰεὶ κυρίους νομεῖν και τὴν βουλὴν ἐκέλευεν ὁμνύναι. ἐνισταμένων δὲ πολλῶν και Κάτωνος, εἰσηγεῖτο μὲν ὁ Καῖσαρ θάνατον τῷ μὴ ὁμόσαντι, και ὁ δῆμος ἐπεκύρου: ὤμνουν δ’ αὐτίκα δείσαντες οἱ τε ἄλλοι και οἱ δήμαρχοι: οὐ γάρ ἔτι χρήσιμον ἀντιλέγειν ἦν κυρουμένου διὰ τους ἄλλους τοῦ νόμου. Οὐέττιος δ’ ἀνὴρ δημότης, ἐς τὸ μέσον ἐσδραμὼν μετὰ ξιφιδίου γυμνοῦ, ἐπιτεμφθῆναι ἔφη πρὸς τε Βύβλου και Κικέρωνος και Κάτωνος ἐς ἀναίρεσιν Καίσαρός τε και Πομπηίου και τὸ ξιφίδιον αὐτῷ Βύβλου ράβδουχον ἐπιδοῦναι Ποστούμιον. ὑπόπτου δ’ ὄντος ἐφ’ ἐκάτερα τοῦ πράγματος ὁ μὲν Καῖσαρ ἐξετράχυνε τὸ πλῆθος, τὴν δ’ ἐπιούσαν ἐξετάσειν τὸν Οὐέττιον ἀνεβάλλοντο. και ὁ Οὐέττιος φυλασσόμενος ἐν τῷ δεσμωτηρίῳ νυκτὸς ἀνηρέθη. εἰκαζόμενου δ’ ἐς ποικίλα τοῦ συμβεβηκότος ὁ Καῖσαρ οὐκ ἀνίει και τοῦτο δρᾶσαι λέγων τους δεδιότας, ἕως ὁ δῆμος αὐτῷ συνεχώρησεν ἀμύνειν τοῖς ἐπιβεβουλευμένοις. και Βύβλος μὲν ἐκ χειρῶν ἅπαντα μεθείς οἷά τις ιδιότης οὐ προῆει τῆς οἰκίας ἐπὶ τὸ λοιπὸν τῆς ἀρχῆς ἅπαν, ὁ δὲ Καῖσαρ οὐδ’ αὐτὸς ἔτι ἐζητεῖ περὶ τοῦ Οὐεττίου, μόνος ἔχων τὸ κράτος ἐπὶ τῇ πολιτείᾳ.

[13] νόμους δ’ ἐσέφερεν, ἐκθεραπεύων τὸ πλῆθος, ἐτέρους και τὰ Πομπηίῳ πεπραγμένα ἅπαντα ἐκύρου, καθάπερ ὑπέσχητο αὐτῷ. οἱ δ’ ἱππέες λεγόμενοι, τὴν μὲν ἀξίωσιν τοῦ δήμου και τῆς βουλῆς ὄντες ἐν μέσῳ, δυνατώτατοι δὲ ἐς ἅπαντα περιουσίας τε οὐνεκα και μισθώσεως τελῶν και φόρων, οὓς ὑπὸ τῶν ἐθνῶν τελουμένους ἐξεμισθοῦντο, και πλῆθους βεβαιοτάτων ἐς ταῦτα θεραπόντων, ἐκ πολλοῦ τὴν βουλὴν ἦτουν ἄφεσιν τινα μέρους τῶν φόρων αὐτοῖς γενέσθαι. και ἀποδιέτριβεν ἡ βουλὴ. ὁ δὲ Καῖσαρ ἐς οὐδὲν τότε τῆς βουλῆς δεόμενος, ἀλλὰ μόνῳ τῷ δήμῳ χρώμενος τὰ τρίτα τῶν μισθώσεων αὐτοῖς παρήκεν. οἱ δέ, ὑπὲρ τὴν σφετέραν ἀξίωσιν ἀδοκῆτου τῆς χάριτος αὐτοῖς γενομένης, ἐξεθεΐαζον αὐτόν, και στίφος ἄλλο καρτερώτερον τοῦ δήμου τότε τῷ Καίσαρι προσγεγένητο δι’ ἐνὸς πολιτεύματος. ὁ δὲ και θέας ἐπεδίδου και κυνηγέσια θηρίων ὑπὲρ δύναμιν, δανειζόμενος ἐς ἅπαντα και τὰ πρότερα πάνθ’ ὑπερβάλλων παρασκευῇ και χορηγία και δόσεσι λαμπραῖς: ἐφ’ οἷς αὐτὸν εἶλοντο Γαλατίας τῆς τε ἐντὸς Ἀλπεων και ὑπὲρ Ἀλπεῖς ἐπὶ πενταετὲς ἄρχειν και ἐς τὴν ἀρχὴν ἔδοσαν τέλη στρατοῦ τέσσαρα.

[14] ὁ δὲ και τὴν ἀποδημίαν οἱ χρόνιον ὀρῶν ἐσομένην και τὸν φθόνον ὡς ἐπὶ μεγίστοις δὴ τοῖς δεδομένοις μείζονα, Πομπηίῳ μὲν ἐξεύγνυ τὴν θυγατέρα, καίπερ ἐνηγγυημένην Καιπίωνι, δεδιώς, μὴ και φίλος ὢν ἐπιφθονήσειε τῷ μεγέθει τῆς εὐδαιμονίας, τους δὲ θρασυτάτους τῶν

στασιωτῶν ἐπὶ τὰς ἀρχὰς τοῦ μέλλοντος ἔτους παρήγε. καὶ ὑπατον μὲν ἀπέφηνεν Αὐλὸν Γαβίνιον, φίλον ἑαυτοῦ· Λευκίου δὲ Πείσωνος τοῦ σὺν αὐτῷ μέλλοντος ὑπατεύσειν τὴν θυγατέρα Καλπουρνίαν αὐτὸς ἤγετο, βοῶντος Κάτωνος διαμαστροπεύεσθαι γάμοις τὴν ἡγεμονίαν. δημάρχους δὲ ἡρεῖτο Οὐατινίον τε καὶ Κλώδιον τὸν Καλὸν ἐπὶ κλην, ὃν τινα αἰσχρὰν ἐν ἱερουργίᾳ γυναικῶν ποτε λαβόντα ὑπόνοιαν ἐπὶ Ἰουλίᾳ τῇ Καίσαρος αὐτοῦ γυναικὶ ὁ μὲν Καῖσαρ οὐκ ἔκρινεν, ὑπεραρέσκοντα τῷ δήμῳ, καίπερ ἀποπεμπάμενος τὴν γυναῖκα, ἕτεροι δὲ διὰ τὴν ἱερουργίαν ἐς ἀσέβειαν ἐδίωκον, καὶ συνηγόρευε τοῖς διώκουσι Κικέρων. καὶ κληθεὶς ἐς μαρτυρίαν ὁ Καῖσαρ οὐ κατεῖπεν, ἀλλὰ τότε καὶ δήμαρχον ἐς ἐπιβουλὴν τοῦ Κικέρωνος ἀπέφηνε, διαβάλλοντος ἤδη τὴν συμφροσύνην τῶν τριῶν ἀνδρῶν ἐς μοναρχίαν. οὕτω καὶ λύπης ἐκράτουν ὑπὸ χρείας καὶ τὸν ἐχθρὸν εὐηργέτουν ἐς ἄμυναν ἐτέρου. δοκεῖ δὲ καὶ ὁ Κλώδιος ἀμείψασθαι πρότερος τὸν Καίσαρα καὶ συλλαβεῖν ἐς τὴν τῆς Γαλατίας ἀρχήν.

[15] τοσάδε μὲν δὴ Καῖσαρ ὑπατεύων ἔπραξε καὶ τὴν ἀρχὴν ἀποθέμενος ἐπὶ τὴν ἐτέραν εὐθὺς ἐξῆι· Κικέρωνα δὲ γράφεται Κλώδιος παρανόμων, ὅτι πρὸ δικαστηρίου τοὺς ἀμφὶ Λέντλον καὶ Κέθηγον ἀνέλοι. ὁ δ' ἐς τὸ ἔργον ἐκεῖνο γενναιοτάτῳ λήματι κεχρημένος ἀσθενέστατος ἐς τὴν δίκην ἐγίγνετο, καὶ ταπεινὴν ἐσθῆτα ἐπικείμενος γέμων τε αὐχμοῦ καὶ ῥύπου προσέπιπτεν οἷς ἐντύχοι κατὰ τοὺς στενωπούς, οὐδὲ τοῖς ἀγνώσιν ἐνοχλεῖν αἰδούμενος, ὥστε αὐτῷ τὸ ἔργον διὰ τὴν ἀπρέπειαν ἀπὸ οἴκτου μεταπίπτειν ἐς γέλωτα. ἐς τοσοῦτο δειλίας περὶ μίαν οἰκειὰν δίκην κατέπεσεν, ὅς τὸν ὅλον βίον ἐν ἀλλοτρίαις ἐξήταστο λαμπρῶς, οἷόν τι καὶ Δημοσθένη φασὶ τὸν Ἀθηναῖον οὐδ' ὑποστῆναι τὴν ἑαυτοῦ δίκην, ἀλλὰ πρὸ τοῦ ἀγῶνος φυγεῖν. Κλωδίου δὲ καὶ τὰς παρακλήσεις αὐτῷ σὺν ὕβρει διακόπτοντος ἐν τοῖς στενωποῖς, ἀπέγνω πάνθ' ὁ Κικέρων καὶ ἔφευγεν ἐκούσιον καὶ ὁδε φυγὴν, καὶ φίλων αὐτῷ πλῆθος συνεξῆι, καὶ ἡ βουλὴ συνίστη τὸν ἄνδρα πόλεσι τε καὶ βασιλεῦσι καὶ δυνάσταις. Κλώδιος δ' αὐτῷ τὴν οἰκίαν καὶ τὰς ἐπαύλεις ἐπικατέσκαπτεν ἐπαιρόμενός τε καὶ τῷδε ἀντιπαρεβάλλετο ἤδη καὶ Πομπηίῳ τὸ μέγιστον ἐν τῇ πόλει κράτος ἔχοντι.

[16] ὁ δὲ Μίλων, τὸν σὺν τῷ Κλωδίῳ τὴν ἀρχὴν παραδεδεγμένον, θρασύτερον ὄντα τοῦ Κλωδίου, ἐς ὑπατείαν ἐπήλπιζε καὶ ἤλειπεν ἐπὶ τὸν Κλώδιον καὶ ψηφίσασθαι τῷ Κικέρωνι κάθοδον ἐκέλευεν, ἐλπίσας τὸν Κικέρωνα ἐλθόντα περὶ μὲν τῆς παρούσης πολιτείας οὐκέτι φθέγγεσθαι μεμνημένον, οἷα ἔπαθε, δίκας δὲ καὶ πράγματα ἐποίσειν τῷ Κλωδίῳ.

Κικέρων μὲν δὴ διὰ Πομπήιον ἐκπεσὼν διὰ Πομπήιον κατήει, ἐκκαιδεκάτῳ μάλιστα μηνὶ τῆς ἐξελάσεως· καὶ αὐτῷ καὶ τὴν οἰκίαν καὶ τὰς ἐπαύλεις ἀνίστη τέλεσι κοινοῖς. λαμπρῶς δ' αὐτὸν περὶ τὰς πύλας ὑποδεχομένων πάντων, φασὶ περὶ τὰς δεξιώσεις τὴν ἡμέραν ὅλην, οἷόν τι καὶ Δημοσθένης συνέβη κατιόντι, ἀναλῶσαι.

[17] ὁ δὲ Καῖσαρ ἔν τε Κελτοῖς καὶ Βρεττανοῖς πολλὰ καὶ λαμπρὰ εἰργασμένος, ὅσα μοι περὶ Κελτῶν λέγοντι εἴρηται, πλούτου γέμων ἐς τὴν ὁμορὸν τῇ Ἰταλίᾳ Γαλατίαν, τὴν ἀμφὶ τὸν Ἑριδανὸν ποταμόν, ἦκεν, ἐκ συνεχοῦς πολέμου τὸν στρατὸν ἀναπαύσων ἐπ' ὀλίγον. ὅθεν αὐτῷ

περιπέμποντι ἐς Ῥώμην πολλὰ πολλοῖς χρήματα αἱ τε ἐτήσιοι ἀρχαὶ παρὰ μέρος ἀπήντων καὶ οἱ ἄλλως ἐπιφανεῖς ὅσοι τε ἐς ἡγεμονίας ἐθνῶν ἢ στρατοπέδων ἐξήεσαν, ὥς ἑκατὸν μὲν ποτε καὶ εἴκοσι ράβδους ἀμφ' αὐτὸν γενέσθαι, βουλευτὰς δὲ πλείους διακοσίων, τοὺς μὲν ἀμειβομένους ὑπὲρ τῶν ἤδη γεγονότων, τοὺς δὲ χρηματιουμένους, τοὺς δ' ἄλλο τι τοιουτότροπον αὐτοῖς ἐξεργασομένους. πάντα γὰρ ἤδη διὰ τούτου ἐπράσσετο στρατιᾶς τε πολλῆς οὖνεκα καὶ δυνάμεως χρημάτων καὶ σπουδῆς ἐς ἅπαντας φιλανθρώπου. ἀφίκοντο δ' αὐτῷ καὶ Πομπήιος καὶ Κράσσος, οἱ κοινωνοὶ τῆς δυναστείας, καὶ αὐτοῖς βουλευομένοις ἔδοξε Πομπήιον μὲν καὶ Κράσσον αὐθις ὑπατεῦσαι, Καίσαρι δ' ἐς τὴν ἡγεμονίαν ὧν εἶχεν ἐθνῶν, ἄλλην ἐπιψηφισθῆναι πενταετίαν.

ὣδε μὲν ἀπ' ἀλλήλων διεκρίθησαν, Πομπηίῳ δ' ἐς τὴν ὑπατείαν ἀντιπαρήγγελλε Δομίτιος Αἰνόβαρβος· καὶ τῆς κυρίας ἡμέρας ἅμφω κατήεσαν ἔτι νυκτὸς ἐς τὸ πεδῖον ἐς τὴν χειροτονίαν. τῶν δ' ἀμφ' αὐτοὺς ἔριδες ἦσαν καὶ συνεπλέκοντο, μέχρι τις τὸν Δομίτιου δαδουχὸν ἐπάταξε ξίφει. καὶ φυγὴ μετὰ τοῦτο ἦν, Δομίτιός τε αὐτὸς ἐς τὴν οἰκίαν διεσφώζετο μόλις, καὶ Πομπηίου τὴν ἐσθῆτά τινες ἡμαγμένην ἔφερον οἴκαδε. παρὰ τοσοῦτον ἑκάτερος ἦλθε κινδύνου.

[18] αἵρεθέντες δ' οὖν ὕπατοι Κράσσος τε καὶ Πομπήιος Καίσαρι μὲν, ὥσπερ ὑπέστησαν, τὴν ἐτέραν πενταετίαν προσεψηφίσαντο, τὰ δὲ ἔθνη διακληρούμενοι καὶ στρατιὰν ἐπ' αὐτοῖς, ὁ μὲν Πομπήιος εἴλετο Ἰβηρίαν τε καὶ Λιβύην καὶ ἐς τάσδε τοὺς φίλους περιπέμπων αὐτὸς ὑπέμεινεν ἐν Ῥώμῃ, ὁ δὲ Κράσσος Συρίαν τε καὶ τὰ Συρίας πλησίον ἐπιθυμία πολέμου πρὸς Παρθυαίους ὥς εὐχεροῦς δὴ καὶ ἐνδόξου καὶ ἐπικερδοῦς, ἀλλὰ τῷδε μὲν ἐξιόντι τῆς πόλεως πολλὰ τε ἄλλα ἀπαίσια ἐγίνετο, καὶ οἱ δήμαρχοι προηγόρευον μὴ πολεμεῖν Παρθυαίοις οὐδὲν ἀδικοῦσιν, οὐ πειθομένῳ δὲ δημοσίᾳς ἀρὰς ἐπηρῶντο, ὧν ὁ Κράσσος οὐ φροντίσας ἀπώλετο ἐν τῇ Παρθυηνῇ σὺν τε παιδὶ ὁμωνύμῳ καὶ αὐτῷ στρατῷ· μύριοι γὰρ οὐδ' ἐντελεῖς ἐκ δέκα μυριάδων ἐς Συρίαν διέφυγον. ἀλλὰ τὴν μὲν Κράσσου συμφορὰν ἡ Παρθικὴ δηλώσει γραφή, Ῥωμαῖοι δὲ λιμῷ πιεζόμενοι Πομπήιον εἴλοντο τῆς ἀγορᾶς αὐτοκράτορα εἶναι καὶ οἱ καθάπερ ἐπὶ τῶν ληστηρίων εἴκοσιν ἀπὸ τῆς βουλῆς ὑπὲρτάς ἐδωκαν. ὁ δὲ αὐτοὺς ὁμοίως ἐς τὰ ἔθνη διαθεὶς ἐπέτρεχε καὶ τὴν Ῥώμην αὐτίκα ἐνέπλησεν ἀγορᾶς δαψιλοῦς, ὅθεν ἔτι μᾶλλον ἐς μέγα δόξης ἐπῆρτο καὶ δυνάμεως.

[19] τοῦ δ' αὐτοῦ χρόνου καὶ ἡ Καίσαρος θυγάτηρ κύουσα τῷ Πομπηίῳ θνήσκει. καὶ δέος ἅπασιν ἐνέπιπτεν ἀνηρημένης τῆς ἐπιγαμίας, ὥς αὐτίκα μεγάλους στρατοῖς Καίσαρός τε καὶ Πομπηίου διοισομένων ἐς ἀλλήλους, ἀσυντάκτου μάλιστα καὶ χαλεπῆς ἐκ πολλοῦ γεγεννημένης τῆς πολιτείας· αἱ τε γὰρ ἀρχαὶ κατὰ στάσιν ἢ δωροδοκίαν σπουδῇ τε ἀδίκῳ καὶ λίθοις ἢ ξίφεσι καθίσταντο, καὶ τὸ δεκάζειν ἢ δωροδοκεῖν ἀναισχύντως τότε μάλιστα ἐπλεόνασεν, ὃ τε δῆμος αὐτὸς ἔμμισθος ἐπὶ τὰς χειροτονίας ἦει. ὥφθη δέ που καὶ μεσεγγύημα ταλάντων ὀκτακοσίων ὑπὲρ τῆς ἐπωνύμου γεγόμενον ἀρχῆς. οἱ τε ἀνὰ ἔτος ἕκαστον ὕπατοι στρατεῦειν μὲν που καὶ πολεμεῖν ἀπεγίνωσκον, διακληριόμενοι τῇ δυναστείᾳ τῶνδε τῶν τριῶν ἀνδρῶν· ὅσοι δ' ἦσαν αὐτῶν

ἀτοπώτεροι, κέρδος ἀντὶ τῶν στρατειῶν ἐτίθεντο τὰ κοινὰ τῆς πόλεως καὶ τὰς τῶν ιδίων διαδόχων χειροτονίας. οἱ δ' ἀγαθοὶ διὰ ταῦτα καὶ πάμπαν ἐξέλιπον τὸ ἄρχειν, ὥστε ποτὲ καὶ μῆνας ὀκτὼ τὴν πόλιν ἀναρχον ἐκ τῆς τοιαύτης ἀσυνταξίας γενέσθαι, Πομπηίου πάνθ' ὑπερορῶντος ἐπίτηδες, ἵνα ἐν χρεία γένοιτο δικτάτορος.

[20] καὶ πολλοὶ τοῦτο ἐς ἀλλήλους διελάλουν, ὅτι μόνον ἂν γένοιτο φάρμακον ἐπὶ τοῖς παροῦσι κακοῖς ἢ μόναρχος ἐξουσία, χρῆναι δ' ἐλέσθαι δυνατόν ὁμοῦ καὶ ἥπιον, ἐνσημαινόμενοι τὸν Πομπήιον, στρατιᾶς τε ἄρχοντα ἱκανῆς καὶ φιλόδημον εἶναι δοκοῦντα καὶ τὴν βουλὴν ἄγοντα διὰ τιμῆς, καὶ τὸν βίον ἐγκρατῆ καὶ σώφρονα, περὶ τε τὰς ἐντεῦξες εὐπρόσιτον ἢ ὄντα ἢ νομιζόμενον εἶναι. ὁ δὲ τὴν προσδοκίαν τήνδε λόγῳ μὲν ἐδυσχέραινεν, ἔργῳ δ' ἐς αὐτὴν πάντα ἔπραττεν ἀφανῶς καὶ τὴν ἀσυνταξίαν τῆς πολιτείας καὶ ἀναρχίαν ἐπὶ τῇ ἀσυνταξίᾳ ἐκὼν ὑπερεώρα. Μίλωνός τε τὰ ἐς Κλωδίον ὑπηρετήσαντος αὐτῷ καὶ ἄρεσκομένου τῷ δήμῳ διὰ τὴν Κικέρωνος κάθοδον, ὑπατείαν ὡς ἐν καιρῷ παρὰ τήνδε τὴν ἀναρχίαν μετιόντος ἀποδιέτριβε τὰς χειροτονίας, μέχρι βαρυθυμῶν ὁ Μίλων, ὡς καὶ περὶ αὐτὸν ἀπίστου γινομένου τοῦ Πομπηίου, ἐς τὴν πατρίδα Λανούβιον ἐξῆι, ἣν Διομήδη φασὶν ἀλώμενον ἐξ Ἰλίου πρώτην ἐν τῇ Ἰταλίᾳ πόλιν οἰκίσαι, καὶ εἰσὶν ἀπὸ Ῥώμης ἐς αὐτὴν στάδιοι πεντήκοντα καὶ ἑκατὸν.

[21] Κλωδίου δ' ἐξ ιδίων χωρίων ἐπανιόντος ἐπὶ ἵππου καὶ περὶ Βοΐλλας ἀπαντήσαντος αὐτῷ, οἱ μὲν κατὰ τὴν ἔχθραν ὑπείδοντο μόνον ἀλλήλους καὶ παρώδευσαν, θεράπων δὲ τοῦ Μίλωνος ἐπιδραμῶν τῷ Κλωδίῳ, εἶτε κεκελευσμένος εἶθ' ὡς ἔχθρὸν δεσπότου κτείνων, ἐπάταξεν ἐς τὸ μετάφρενον ξιφιδίῳ. καὶ τὸν μὲν αἵματι ῥέομενον ἐς τὸ πλησίον πανδοκεῖον ὁ ἵποκόμος ἐσέφερεν, ὁ δὲ Μίλων μετὰ τῶν θεραπόντων ἐπιστὰς ἔτι ἔμπνουν ἢ καὶ νεκρὸν ἐπανεῖλεν, ὑποκρινόμενος μὲν οὐ βουλευσάμενον τὸν φόνον οὐδὲ προστάξαντα: ὡς δὲ κινδυνεύσων ἐξ ἅπαντος, ἤξιον τὸ ἔργον οὐκ ἀτελὲς καταλιπεῖν. περιαγγελθέντος δ' ἐς Ῥώμην τοῦ πάθους ὁ μὲν δῆμος ἐκπλαγεὶς ἐν ἀγορᾷ διενυκτέρευε, καὶ τὸ σῶμά τινας τοῦ Κλωδίου μεθ' ἡμέραν προύθεσαν ἐπὶ τῶν ἐμβόλων: ἀρπάσαντες δ' αὐτὸ τῶν τε δημάρχων ἔνιοι καὶ οἱ φίλοι τοῦ Κλωδίου καὶ πλῆθος ἄλλο σὺν ἐκείνοις, ἐς τὸ βουλευτήριον ἐκόμισαν, εἶτε ἐπὶ τιμῇ, βουλευτικοῦ γένους ὄντα, εἶτε ἐς ὄνειδος τῆς βουλῆς τοιαύτης περιορώσης. καὶ τῶν παρόντων οἱ προπετέστεροι τὰ βάθρα καὶ τοὺς θρόνους τῶν βουλευτῶν συμφορήσαντες ἦσαν αὐτῷ πυράν, ὑφ' ἧς τό τε βουλευτήριον καὶ πολλὰ τῶν πλησίων οἰκίαι τῷ Κλωδίῳ συγκατεφλέγησαν.

[22] Μίλωνι δὲ θράσος τοσόνδε περιῆν, ὡς οὐ δεδιέναι περὶ τῷ φόνῳ μᾶλλον ἢ ἀγανακτεῖν ἐπὶ τῇ Κλωδίου περὶ τὴν ταφὴν τιμῇ. θεραπόντων οὖν καὶ ἀνδρῶν ἀγροίκων πλῆθος ἀθροίσας καὶ ἐς τὸν δῆμον περιπέμψας χρήματα τῶν τε δημάρχων Μᾶρκον Καίλιον πριάμενος ἐς τὴν πόλιν κατῆι θρασυτάτα. καὶ αὐτὸν ὁ Καίλιος εὐθὺς ἐσιόντα εἵλκεν ἐς τὴν ἀγορὰν ἐπὶ τοὺς παρ' αὐτοῦ δεδωροδοκηκότας ὥσπερ ἐπ' ἐκκλησίαν, ὑποκρινόμενος μὲν ἀγανακτεῖν καὶ οὐ διδόναι τῆς δίκης ἀναβολήν, ἐλπίζων δέ, εἰ αὐτὸν οἱ παρόντες μεθεῖεν, ἐκλύσειν τὴν δίκην τὴν ἀληθεστέραν. καὶ Μίλων μὲν οὐ βουλευσάμενος τὸ ἔργον εἰπὼν ὅτι γὰρ ἂν μετὰ σκευῆς καὶ γυναικὸς ἐπὶ ταῦτα ὀρμῆσαι, τὸν λοιπὸν

λόγον κατὰ τοῦ Κλωδίου διετίθετο ὡς θρασυτάτου δὴ καὶ φίλου θρασυτάτων, οἳ καὶ τὸ βουλευτήριον ἐπικατέπρησαν αὐτῷ ἔτι δ' αὐτοῦ λέγοντος οἱ τε λοιποὶ δήμαρχοι καὶ τοῦ δήμου τὸ ἀδιάφθορον ὀπλισάμενοι ἐνέβαλον ἐς τὴν ἀγοράν. Καίλιος μὲν δὴ καὶ Μίλων δούλων ἐσθῆτας ὑποδύντες ἀπέδρασαν, πολὺς δὲ τῶν ἄλλων ἐγίγνετο φόνος, οὐ τοὺς Μίλωνος ἔτι φίλους ἐρευνώντων, ἀλλὰ τὸν ἐντυγχάνοντα ἀναιρούντων, ἀστὸν ὁμοῦ καὶ ξένον καὶ μάλιστα ὅσοι ταῖς ἐσθῆσιν ἢ σφραγῖσιν ἀπὸ χρυσοῦ διέφερον. ὥς γὰρ ἐν ἀσυντάκτῳ πολιτείᾳ σὺν ὀργῇ καὶ προφάσει τοῦδε τοῦ θορύβου προσπεσόντος θεράποντές τε ὄντες οἱ πλείους καὶ ὠπλισμένοι κατὰ ἀνόπλων ἐς ἀρπαγὰς ἐτράποντο: ἔργον τε οὐδὲν αὐτοῖς ἀπῆν, ἀλλὰ καὶ ἐπ' οἰκίας ἐφέροντο καὶ περιόντες ἡρεῦνων ἔργῳ μὲν τὰ εὐληπτα σφίσις ἅπαντα, λόγῳ δὲ τοὺς φίλους τοῦ Μίλωνος: πρόφασίς τε ἦν αὐτοῖς ἐπὶ πολλὰς ἡμέρας καὶ πυρὸς καὶ λίθων καὶ παντὸς ἔργου Μίλων.

[23] ἡ βουλή δὲ συνήει μετὰ δέους καὶ ἐς τὸν Πομπήιον ἀφεώρων ὡς αὐτίκα σφῶν ἐσόμενον δικτάτορα: χρήζειν γὰρ αὐτοῖς ἐφαίνετο τὰ παρόντα τοιαῦδε θεραπείας. Κάτωνος δ' αὐτοὺς μεταδιδάξαντος ὕπατον εἵλοντο χωρὶς συνάρχου ὡς ἂν ἔχοι τὴν μὲν ἐξουσίαν δικτάτορος, ἄρχων μόνος, τὴν δ' εὐθυναν ὑπάτου. καὶ πρῶτος ὑπάτων ὃδε ἔθνη τε δύο μέγιστα καὶ στρατιὰν ἔχων καὶ χρήματα καὶ τὴν τῆς πόλεως μοναρχίαν διὰ τὸ μόνος ὕπατος εἶναι Κάτωνα μὲν ἐψηφίσατο, ἵνα μὴ παρὼν ἐνοχλοῖη, Κύπρον ἀφελέσθαι Πτολεμαίου βασιλέως, νενομοθετημένον ἤδη τοῦτο ὑπὸ Κλωδίου, ὅτι οἱ ποτε ἀλόντι ὑπὸ ληστῶν ὁ Πτολεμαῖος ἐς λύτρα ὑπὸ σμικρολογίας δύο τάλαντα ἐπεπόμφει. Κάτων μὲν δὴ καθίστατο Κύπρον Πτολεμαίου τὰ χρήματα ῥίψαντος ἐς τὴν θάλασσαν καὶ ἑαυτὸν ἐξαγαγόντος, ἐπεὶ τῶν ἐψηφισμένων ἐπύθετο: ὁ δὲ Πομπήιος δίκας προυτίθει τῶν τε ἄλλων ἀμαρτημάτων καὶ μάλιστα δωροδοκίας καὶ δεκασμοῦ ἑδόκει γὰρ ἐντεῦθεν αὐτῷ νοσεῖν τὰ κοινὰ ἀρξάμενα ἐν τούτῳ καὶ τὴν ἴασιν ἔξιν ταχεῖαν, νόμῳ τε ὥριζεν ἀπὸ τῆς ἑαυτοῦ τὸ πρῶτον ὑπατείας ἐς τὸ παρὸν εὐθύνειν τὸν ἐθέλοντα. καὶ ἦν ὁ χρόνος ὀλίγῳ μείων ἐτῶν εἴκοσιν, ἐν ᾧ καὶ ὁ Καῖσαρ γεγένητο ὕπατος. τῶν οὖν φίλων τοῦ Καίσαρος ὑπονοούντων ἐς ὕβριν ἢ ἐς ἐπήρειαν αὐτὸν τοῦ Καίσαρος ὧδε πολὺ τοῦ χρόνου προλαβεῖν καὶ παραινούντων τὸ παρὸν διορθοῦσθαι μᾶλλον ἢ τὸ παρελθὸν ἐνοχλεῖν ἐπ' ἀνδράσι τοσοῖσδε ἀξιολόγοις, ἐπονομαζόντων δὲ τοῖς ἄλλοις καὶ τὸν Καίσαρα, ὁ Πομπήιος ἀμφὶ μὲν τοῦ Καίσαρος ἡγανάκτει, ὡς ἀμείνωνος ὄντος ὑποψίας, ἐπεὶ καὶ τὴν ἑαυτοῦ δευτέραν ὑπατείαν τῷ χρόνῳ περιλαμβάνεσθαι, πολὺ δὲ ἀναλαβεῖν ἔλεγεν ἐς ἀκριβῆ διορθώσιν ἐπιτετριμμένης ἐκ πολλοῦ τῆς πολιτείας.

[24] τοιαῦτα δ' εἰπὼν ἐκύρου τὸν νόμον, καὶ πλῆθος ἦν αὐτίκα δικῶν ποικίλων. ἵνα τε μὴ δέσειαν οἱ δικασταί, αὐτὸς αὐτοὺς ἐπώπτευε στρατιὰν περιστησάμενος. καὶ πρῶτοι μὲν ἀπόντες ἐάλωσαν Μίλων τε ἐπὶ τῷ Κλωδίου φόνῳ καὶ Γαβίνιος παρανομίας ὁμοῦ καὶ ἀσεβείας, ὅτι χωρὶς ψηφίσματος ἐς Αἴγυπτον μετὰ στρατιᾶς ἐσέβαλεν ἀπαγορευόντων τῶν Σιβυλλείων, Ὑψαῖος δὲ καὶ Μέμμιος καὶ Σέξστος καὶ ἕτεροι πλείονες ἐπὶ δωροδοκίαις ἢ πλήθους δεκασμῷ. Σκαῦρον δὲ τοῦ πλήθους παραιτουμένου ἐκήρυξεν ὁ Πομπήιος ὑπακοῦσαι τῇ δίκῃ: καὶ πάλιν τοῦ δήμου τοὺς κατηγοροὺς ἐνοχλοῦντος,

σφαγή τις ἐκ τῶν Πομπηίου στρατιωτῶν ἐπιδραμόντων ἐγένετο, καὶ ὁ μὲν δῆμος κατεσιώπησεν, ὁ δὲ Σκαῦρος ἐάλω. καὶ πάντων φυγὴ κατέγνωστο, Γαβινίου δὲ καὶ δήμευσις ἦν ἐπὶ τῇ φυγῇ. καὶ τάδε ἡ βουλὴ λαμπρῶς ἐπαινοῦσα δύο τε ἄλλα τέλη καὶ χρόνον ἐς τὴν ἀρχὴν τῶν ἐθνῶν ἕτερον τῷ Πομπηίῳ προσεψηφίσαντο. Μέμμιος δὲ ἀλοὺς ἐπὶ δεκάσμῳ, τοῦ νόμου τοῦ Πομπηίου διδόντος αὐτῷ φήναντι ἕτερον ἀφεῖσθαι τῆς καταδίκης, τὸν πενθερόν τοῦ Πομπηίου Λεύκιον Σκιπίωνα προεκαλέσατο ἐς ὁμοίαν δεκάσμου δίκην. καὶ ἐπὶ τῷδε τοῦ Πομπηίου τὴν τῶν κρινομένων ἐσθῆτα μεταλαβόντος πολλοὶ καὶ τῶν δικαστῶν μετελάμβανον. ὀλοφυράμενος οὖν ὁ Μέμμιος τὴν πολιτείαν διέλυσε τὴν δίκην.

[25] καὶ ὁ Πομπήιος ὡς ἤδη τὰ χρῆζοντα τῆς μοναρχίας διωρθωμένος τὸν Σκιπίωνα σύναρχον ἐς τὸ λοιπὸν τοῦ ἔτους ἐποιεῖτο. καὶ μετὰ τοῦθ' ἐτέρων ἐς τὴν ἀρχὴν καθισταμένων οὐδὲν ἤττον ἐφεώρα καὶ ἐδυνάστευε, καὶ πάντ' ἦν ἐν Ῥώμῃ τότε Πομπήιος· ἡ γὰρ εὖνοια τῆς βουλῆς μάλιστα ἐς αὐτὸν ἐποίει, ζήλῳ τε τοῦ Καίσαρος ἐς οὐδὲν αὐτῇ παρὰ τὴν ἰδίαν ὑπατείαν κεκρημένου καὶ ὅτι νοσοῦσαν ὁ Πομπήιος τὴν πολιτείαν ὀξέως ἀναλάβοι καὶ οὐδενὶ σφῶν παρὰ τὴν ἀρχὴν φορτικὸς ἢ ἐπαχθὴς γένοιτο.

τῶν δὲ φυγάδων ἐς τὸν Καίσαρα ἰόντων ἀθρόων καὶ παραινούντων φυλάσσεσθαι τὸν Πομπήιον ὡς τὸν νόμον τοῦ δεκάσμου μάλιστα θέμενον ἐπ' ἐκείνῳ, τούσδε μὲν ὁ Καῖσαρ παρηγόρει καὶ τὸν Πομπήιον εὐφήμει, τοὺς δὲ δημάρχους ἐπεισεν εἰσηγήσασθαι νόμον ἐξεῖναι Καίσαρι δευτέραν ὑπατείαν ἀπόντι μετιέναι. καὶ τοῦθ' ὑπατεύοντος ἔτι τοῦ Πομπηίου καὶ οὐδὲν ἀντειπόντος ἐκεκύρωτο. ὁ δὲ Καῖσαρ ἀντιπράξειν τὴν βουλὴν ὑπονοῶν ἐδεδοίκει μὲν ὑπὸ τοῖς ἐχθροῖς ἰδιώτης γενέσθαι, ἐτέχναζε δὲ ἐπὶ δυνάμει εἶναι, μέχρι ὑπατος ἀποδειχθεῖν, καὶ τὴν βουλὴν ἥτει χρόνον ἄλλον ὀλίγον ἐς τὴν παροῦσάν οἱ τῆς Γαλατίας ἡγεμονίαν ἢ ἐς μέρος αὐτῆς ἐπιλαβεῖν. διακωλύσαντος δὲ Μαρκέλλου, ὃς ἐπὶ τῷ Πομπηίῳ ὑπατος ἦν, φασὶ τὸν Καίσαρα τῷ μηνύοντι ἀποκρίνασθαι, κόποντα τὴν λαβὴν τοῦ ξίφους· ἥδε μοι δώσει.'

[26] πόλιν δὲ Νεόκωμον ὁ Καῖσαρ ἐς Λατίου δίκαιον ἐπὶ τῶν Ἀλπεων ὥκικει, ὣν ὅσοι κατ' ἔτος ἤρχον, ἐγίνοντο Ῥωμαίων πολῖται· τότε γὰρ ἰσχύει τὸ Λάτιον. τῶν οὖν Νεοκώμων τινά, ἄρχοντά τε αὐτοῖς γενόμενον καὶ παρὰ τοῦτο Ῥωμαῖον εἶναι νομιζόμενον, ὁ Μάρκελλος ἐφ' ὕβρει τοῦ Καίσαρος ἔξινη ῥάβδοις ἐφ' ὅτῳδῃ, οὐ πασχόντων τοῦτο Ῥωμαίων· καὶ τὸν νοῦν ὑπὸ ὀργῆς ἀνεκάλυπτε, τὰς πληγὰς εἶναι ξενίας σύμβολον. καὶ φέρειν αὐτὰς ἐκέλευε καὶ δεικνύναι τῷ Καίσαρι. οὕτω μὲν ὕβριστικῶς ὁ Μάρκελλος, εἰσηγεῖτο δὲ ἤδη καὶ διαδόχους αὐτῷ πέμπειν ἐπὶ τὰ ἔθνη, προαφαιρῶν τοῦ χρόνου· ἀλλὰ διεκώλυσεν ὁ Πομπήιος εὐπρεπεῖα τε λόγου καὶ εὐνοίας ὑποκρίσει, μὴ δεῖν ἄνδρα λαμπρὸν καὶ ἐς πολλὰ χρήσιμον τῇ πατρίδι γενόμενον ὑβρίζειν βραχεὶ διαστήματι χρόνου, καὶ δῆλον ἐποίησεν, ὅτι χρὴ μετὰ τὸν χρόνον παραλύειν τῆς ἀρχῆς αὐτίκα τὸν Καίσαρα.

καὶ ἐπὶ τῷδε οἱ μάλιστα ἐχθροὶ τοῦ Καίσαρος ἐς τοῦπιὸν ἠρέθησαν ὕπατοι, Αἰμιλίος τε Παῦλος καὶ Κλαύδιος Μάρκελλος, ἀνεψιὸς τοῦ προτέρου Μαρκέλλου, δήμαρχός τε Κουρίων, ἐχθρὸς ὢν καὶ ὅδε τῷ Καίσαρι καρτερὸς

καὶ ἐς τὸν δῆμον εὐχαριτώτατος καὶ εἰπεῖν ἱκανώτατος. τούτων ὁ Καῖσαρ Κλαύδιον μὲν οὐκ ἴσχυσεν ὑπαγαγέσθαι χρήμασι, Παῦλον δὲ χιλίων καὶ πεντακοσίων ταλάντων ἐπρίατο μηδὲν αὐτῷ μῆτε συμπράττειν μῆτε ἐνοχλεῖν, Κουρίωνα δὲ καὶ συμπράττειν ἔτι πλείονων, εἰδὼς ἐνοχλούμενον ὑπὸ χρεῶν πολλῶν.

Παῦλος μὲν δὴ τὴν Παύλου λεγομένην βασιλικὴν ἀπὸ τῶνδε τῶν χρημάτων ἀνέθηκε Ῥωμαίοις, οἰκοδόμημα περικαλλές· [27] ὁ δὲ Κουρίων, ἵνα μὴ ἄφνω μετατιθέμενος γίνοιτο κατάφωρος, εἰσηγεῖτο βαρυτάτας ὁδῶν πολλῶν ἐπισκευὰς τε καὶ κατασκευὰς καὶ αὐτὸν ἐπιστάτην αὐτῶν ἐπὶ πενταετὲς εἶναι, εἰδὼς μὲν οὐδὲν τούτων ἐσόμενον, ἐλπίζων δὲ τοὺς Πομπηίου φίλους ἀντιλέξειν καὶ αὐτὸς ἐς τὸν Πομπήιον ἔξειν τι τοῦτο πρόσκρουμα. καὶ γενομένων τῶνδε, ὡς προσεδόκησεν, ὁ μὲν εἶχε τὴν πρόφασιν τῆς διαφορᾶς, Κλαύδιος δ' εἰσηγεῖτο πέμπειν Καίσαρι διαδόχους ἐπὶ τὰ ἔθνη· καὶ γὰρ ἔλληγεν ὁ χρόνος, καὶ Παῦλος ἐσιώπα. Κουρίων δὲ νομιζόμενος ἀμφοτέροις διαφέρεισθαι, ἐπῆναι τὴν τοῦ Κλαυδίου γνώμην, ὡς δὲ ἐνδέον αὐτῇ προσετιθεῖν τὸ καὶ Πομπήιον ὁμοίως Καίσαρι ἀποθεσθαι τὰ ἔθνη καὶ τὸν στρατόν· ὧδε γὰρ ἔσσεσθαι τῇ πόλει καθαρὰν καὶ πανταχόθεν ἀδεῇ τὴν πολιτείαν. ἐνισταμένων δὲ πολλῶν ὡς οὐκ ἴσον διὰ τὸ μήπω τὸν χρόνον ἐξήκειν τῷ Πομπηίῳ, σαφέστερον ὁ Κουρίων ἤδη καὶ τραχύτερον ἀπεγύμνου μὴ χρῆναι μηδὲ Καίσαρι πέμπειν διαδόχους, εἰ μὴ καὶ Πομπηίῳ δοῖεν· ὄντων γὰρ αὐτῶν ἐς ἀλλήλους ὑπόπτων οὕτω τῇ πόλει τὴν εἰρήνην ἔσσεσθαι βεβαίαν, εἰ μὴ πάντες ἰδιωτεύσειαν. ἔλεγε δὲ ταῦτ' εἰδὼς οὐ μεθήσοντα τὴν ἀρχὴν τὸν Πομπήιον καὶ τὸν δῆμον ὁρῶν ἤδη τι προσκοπτόμενον αὐτῷ διὰ τὰς τοῦ δεκάσμου δίκας. εὐπρεποῦς δὲ τῆς γνώμης οὔσης ὁ δῆμος ἐπῆναι τὸν Κουρίωνα ὡς μόνον ἀξίως τῆς πόλεως τὴν πρὸς ἀμφοτέρους αἰρόμενον ἔχθραν, καὶ ποτε καὶ παρέπεμψαν αὐτὸν ἀνθοβολοῦντες ὥσπερ ἀθλητὴν μεγάλου καὶ δυσχεροῦς ἀγῶνος· οὐδὲν γὰρ ἐδόκει τότε εἶναι φοβερώτερον τῆς Πομπηίου διαφορᾶς.

[28] ὁ δὲ Πομπήιος νοσηλεύόμενος περὶ τὴν Ἰταλίαν ἐπέστελλε τῇ βουλῇ σὺν τέχνῃ, τὰ τε ἔργα τοῦ Καίσαρος ἐπαινῶν καὶ τὰ ἴδια ἐξ ἀρχῆς καταλέγων ὅτι τε τῆς τρίτης ὑπατείας καὶ ἐθνῶν τῶν ἐπ' αὐτῇ καὶ στρατοῦ δοθέντος οὐ μετιών, ἀλλ' ἐς θεραπείαν τῆς πόλεως ἐπικληθεὶς ἀξιώθει· ἃ δὲ ἄκων ἔφη λαβεῖν, 'ἐκὼν ἀποθήσομαι τοῖς ἀπολαβεῖν θέλουσιν, οὐκ ἀναμένων τοὺς χρόνους τοὺς ὀρισμένους.' ἡ μὲν δὴ τέχνη τῶν γεγραμμένων εἶχεν εὐπρέπειάν τε τῷ Πομπηίῳ καὶ ἐρέθισμα κατὰ τοῦ Καίσαρος, οὐκ ἀποδιδόντος τὴν ἀρχὴν οὐδ' ἐν τῷ νεμομισμένῳ χρόνῳ· ἀφικόμενος δ' ἄλλα τε τούτοις ὅμοια ἔλεγε καὶ τὴν ἀρχὴν καὶ τότε ὑπισχνεῖτο ἀποθήσεσθαι. ὡς δὲ δὴ φίλος καὶ κηδεστὴς γενόμενος Καίσαρι, κάκεινον ἔλεγε μάλα χαίροντα ἀποθήσεσθαι· χρόνιόν τε γὰρ αὐτῷ τὴν στρατείαν καὶ ἐπίπονον κατὰ ἐθνῶν μαχιμωτάτων γεγόνεναι καὶ πολλὰ τῇ πατρίδι προσλαβόντα ἐπὶ τιμᾶς καὶ θυσίας ἤξειν καὶ ἀναπαύσεις. ἔλεγε δὲ ταῦθ' ὡς Καίσαρι μὲν αὐτίκα δοθησομένων διαδόχων, αὐτὸς δ' ἐσόμενος ἐν ὑποσχέσει μόνῃ. Κουρίων δὲ αὐτοῦ τὸ σόφισμα διελέγχων οὐχ ὑπισχνεῖσθαι δεῖν ἔφη μᾶλλον ἢ αὐτίκα ἀποθέσθαι οὐδ' ἐξοπλίζειν Καίσαρα τῆς στρατιᾶς, πρὶν καὶ αὐτὸν ἰδιωτεύσαι:

οὔτε γὰρ ἐς τὴν ἰδίαν ἔχθραν ἐκείνῳ λυσιτελεῖν οὔτε Ῥωμαίοις, ὅφ' ἐνὶ τηλικαύτῃ ἀρχῇ γενέσθαι μᾶλλον ἢ τὸν ἕτερον αὐτῶν ἔχειν ἐπὶ τὸν ἕτερον, εἴ τι τὴν πόλιν καταβιάζοιτο. οὐδὲν τε ἐπικρύπτων ἔτι ἀφειδῶς ἐς τὸν Πομπήιον ἐβλασφήμει ὡς τυραννίδος ἐφίμενον καί, εἰ μὴ νῦν σὺν φόβῳ τῷ Καίσαρος ἀποθοίτο τὴν ἀρχήν, οὔποτε μεθήσονται. ἡξίου δ', ἂν ἀπειθῶσιν, ἅμωφ ψηφίζεσθαι πολεμίους καὶ στρατὸν ἀγεῖρ ἐπ' αὐτοῦς: ὃ δὴ καὶ μάλιστα ἔλαθεν ὑπὸ Καίσαρος ἐωνημένος.

[29] Πομπήιος δ' αὐτῷ χαλεπνόμενός τε καὶ ἀπειλήσας εὐθὺς ἐς τὰ προάστεια ἀγανακτῶν ὑπέξῃει. καὶ ἡ βουλὴ ὑπόπτως μὲν εἶχεν ἤδη πρὸς ἀμφοτέρους, δημοτικώτερον δ' ὅμως ἡγοῦντο Πομπήιον καὶ τῷ Καίσαρι ἐδυσχέραινον τῆς παρὰ τὴν ὑπατείαν ὑπεροψίας σφῶν: οἱ δὲ καὶ τῷ ὄντι οὐκ ἀσφαλὲς ἡγοῦντο διαλύειν τὴν ὑπὸ τῷ Πομπηίῳ δύναμιν, μέχρι πρότερον ἐκείνον ἀποθέσθαι, ἔξω τε τῆς πόλεως ὄντα καὶ μεγαλοπραγμονέστερον. τὸ δ' αὐτὸ καὶ ὁ Κουρίων ἀνέστρεφεν, ὡς δεόν ὑπάρχειν αὐτοῖς ἐπὶ τὸν Πομπήιον Καίσαρα, ἢ ὁμοῦ πάντας καταλύειν. οὐ πείθων δὲ διέλυε τὴν βουλήν ἐπὶ ἀτελέσι πᾶσι: δύναται δὲ τοῦθ' ὁ δήμαρχος: ὅτε δὴ καὶ μάλιστα τῷ Πομπηίῳ μετεμέλησε τὴν δημαρχίαν, ἐς ἀσθενέστατον ὑπὸ Σύλλα καθηρημένην, ἀναγαγόντι αὐθις ἐπὶ τὸ ἀρχαῖον. διαλυόμενοι δὲ ὅμως τοσόνδε μόνον ἐνηφίσαντο, Καίσαρα καὶ Πομπήιον τέλος ἐν στρατιωτῶν ἐς Συρίαν ἐκάτερον πέμψαι φυλακῆς οὐνεκα διὰ τὴν Κράσσου συμφοράν. καὶ τεχνάζων ὁ Πομπήιος ἀπῆτει τὸ τέλος, ὃ ἔναγχος ἐπὶ συμφορᾷ στρατηγῶν δύο Καίσαρος, Τιτυρίου τε καὶ Κόττα, Καίσαρι κεχρήκει. ὁ δ' αὐτό, τιμήσας ἕκαστον ἄνδρα δραχμαῖς πεντήκοντα καὶ διακοσίαις, ἀπέπεμπεν ἐς Ῥώμην καὶ συνέπεμπεν ἄλλο παρ' ἑαυτοῦ.

[30] οὐδενὸς δὲ δεινοῦ περὶ Συρίαν φανέντος τάδε μὲν ἐχείμαζεν ἐν Καπύῃ: οἱ δ' ἐπ' αὐτὰ πεμφθέντες ὑπὸ τοῦ Πομπηίου πρὸς Καίσαρα ἄλλα τε πολλὰ δυσχερῆ κατὰ τοῦ Καίσαρος διεθρόουν καὶ ἰσχυρίζοντο τῷ Πομπηίῳ τὴν στρατιὰν Καίσαρος, τετρυμένην τε πόνῳ καὶ χρόνῳ καὶ τὰ οἶκοι ποθοῦσαν, μεταθήσεσθαι πρὸς αὐτόν, ὅτε τὰ Ἄλπεια διέλθοιεν. καὶ οἱ μὲν οὕτως ἔλεγον, εἴθ' ὑπὸ ἀγνοίας εἴτε διεφθαρμένοι, Καίσαρι δ' ἔρρωτο πᾶς ἄνθρωπος εἰς προθυμίαν καὶ πόνους ὑπὸ τε ἔθους τῶν στρατειῶν καὶ ὑπὸ κερδῶν, ὅσα πόλεμος τοῖς νικῶσιν ἐργάζεται καὶ ὅσα παρὰ Καίσαρος ἄλλα ἐλάμβανον: ἐδίδου γὰρ ἀφειδῶς, θεραπεύων εἰς ἃ ἐβούλευεν: οἱ δὲ καὶ αὐτοὶ συνιέντες αὐτῶν ὅμως ὑπέμενον. ὁ δὲ Πομπήιος τοῖς ἡγγελμένοις πίσυνος οὔτε στρατιὰν οὔτε παρασκευὴν ὡς ἐς τοσοῦτον ἔργον ἡγειρεν. ἡ βουλὴ δὲ γνώμην ἕκαστον ἤτει: καὶ ὁ Κλαύδιος πανούργως διήρει καὶ ἐπυνθάνετο αὐτῶν παρὰ μέρος, εἰ δοκεῖ Καίσαρι πέμπειν διαδόχους καὶ εἰ Πομπήιον τὴν ἀρχὴν ἀφαιρεῖσθαι. οἱ δὲ τοῦτο μὲν ἀνένευον οἱ πλείους, Καίσαρι δ' ἐπενήφριζον τοὺς διαδόχους. ἐπανερομένου δὲ τοῦ Κουρίωνος, εἰ ἀμφοτέρους δοκεῖ τὰ ἐν χερσὶν ἀποθέσθαι, δύο μὲν καὶ εἴκοσιν ἀνδράσιν ἀπήρεσκε, τριακόσιοι δὲ καὶ ἑβδομήκοντα ἐς τὸ συμφέρον ἀπὸ τῆς ἔριδος ἐπὶ τὴν τοῦ Κουρίωνος γνώμην ἀπέκλινον, ὅτε δὴ καὶ ὁ Κλαύδιος τὴν βουλήν διέλυσε βοῶν: 'νικᾷτε δεσπότην ἔχειν Καίσαρα.'

[31] λόγου δ' ἄφνω ψευδοῦς ἐμπεσόντος, ὅτι τὰς Ἄλπεις ὁ Καῖσαρ

ὑπερελθὼν ἐπὶ τὴν πόλιν ἐλαύνει, θόρυβός τε πολὺς ἦν καὶ φόβος πάντων, καὶ ὁ Κλαύδιος εἰσηγείτο τὴν ἐν Καπύῃ στρατιὰν ἀπαντᾶν ὡς πολέμιφ Καίσαρι. ἐνισταμένου δὲ ὡς ἐπὶ ψευδέσι τοῦ Κουρίωνος εἶπεν: 'εἰ κωλύομαι ψήφῳ κοινῇ τὰ συμφέροντα διοικεῖν κατ' ἐμαυτὸν ὡς ὑπάτος διοικήσω.' καὶ τὰδε εἰπὼν ἐξέδραμε τῆς βουλῆς ἐς τὰ προάστεια μετὰ τοῦ συνάρχου ξίφος τε ὀρέγων τῷ Πομπηίῳ 'κελεύω σοι,' ἔφη, 'κἀγὼ καὶ ὁδε χωρεῖν ἐπὶ Καίσαρα ὑπὲρ τῆς πατρίδος: καὶ στρατιὰν ἐς τοῦτό σοι δίδομεν, ἥ τε νῦν ἄμφι Καπύην ἢ τὴν ἄλλην Ἰταλίαν ἐστὶ καὶ ὅσιν αὐτὸς ἐθέλοις ἄλλην καταλέγειν.' ὁ δ' ὑπήκουε μὲν ὡς κελευόμενος πρὸς ὑπάτων, ἐπετίθει δ' ὁμως: 'εἰ μὴ τι κρεῖσσον,' ἀπατῶν ἢ τεχνάζων καὶ τότε ἐς εὐπρέπειαν. Κουρίωνι δ' οὐκ ἦν μὲν ὑπὲρ τὴν πόλιν ἐξουσία τις 'οὐδὲ γὰρ προῖεναι τῶν τειχῶν τοῖς δημάρχois ἐφίεται, ὠλοφύρετο δ' ἐν τῷ δήμῳ τὰ γινόμενα καὶ τοὺς ὑπάτους ἡξίου κηρύσσειν μηδένα πῶ καταλέγοντι πείθεσθαι Πομπηίῳ. οὐδὲν δὲ ἀνύων, ἐπεὶ οἱ καὶ ὁ τῆς δημαρχίας χρόνος ἔλγχε, δείσας ὑπὲρ ἑαυτοῦ καὶ ἀπογνοὺς ἔτι δύνασθαι βοηθεῖν τῷ Καίσαρι, κατὰ σπουδὴν ἐχώρει πρὸς αὐτόν.

[32] ὁ δ' ἄρτι τὸν ὠκεανὸν ἐκ Βρεττανῶν διεπεπλεύκει καὶ ἀπὸ Κελτῶν τῶν ἄμφι τὸν Ῥήνον τὰ ὄρη τὰ Ἀλπεια διελθὼν σὺν πεντακισχιλίους πεζοῖς καὶ ἵππευσι τριακοσίοις κατέβαιναν ἐπὶ Ῥαβέννης, ἣ συναφῆς τε ἦν τῇ Ἰταλίᾳ καὶ τῆς Καίσαρος ἀρχῆς τελευταία. φιλοφρονησάμενος δὲ τὸν Κουρίωνα καὶ χάριν ὑπὲρ τῶν γεγονότων ὁμολογήσας ἐσκόπει περὶ τῶν παρόντων. Κουρίωνι μὲν δὴ συγκαλεῖν ἐδόκει τὸν στρατὸν ἅπαντα ἤδη καὶ ἄγειν ἐπὶ Ῥώμῃς, Καίσαρι δ' ἔτι πειρᾶσθαι διαλύσεων. τοὺς οὖν φίλους ἐκέλευεν ὑπὲρ αὐτοῦ συμβῆναι, τὰ μὲν ἄλλα αὐτὸν ἔθνη καὶ στρατόπεδα ἀποθήσεσθαι, μόνα δ' ἔξειν δύο τέλη καὶ τὴν Ἰλλυρίδα μετὰ τῆς ἐντὸς Ἀλπεων Γαλατίας, ἕως ὑπάτος ἀποδειχθεῖν. καὶ Πομπηίῳ μὲν ἀρκεῖν ἐδόκει, κατακωλύόντων δὲ τῶν ὑπάτων ὁ Καῖσαρ ἐπέστελλε τῇ βουλῇ, καὶ τὴν ἐπιστολὴν ὁ Κουρίων, τρισὶν ἡμέραις τριακοσίους ἐπὶ δισχιλίους σταδίους διαδραμών, ἐπέδωκε τοῖς νέοις ὑπάτοις ἐσιοῦσιν ἐς τὸ βουλευτήριον τῇ νουμηνίᾳ τοῦ ἔτους. περιεῖχε δ' ἡ γραφὴ κατάλογόν τε σεμνὸν ὧν ἐξ ἀρχῆς ὁ Καῖσαρ ἐπεπράχει, καὶ πρόκλησιν, ὅτι θέλοι Πομπηίῳ συναποθέσθαι, ἄρχοντος δ' ἔτι ἐκείνου οὔτε ἀποθήσεσθαι καὶ τιμωρὸς αὐτίκα τῇ τε πατρίδι καὶ ἑαυτῷ κατὰ τάχος ἀφίξεσθαι. ἐφ' ᾧ δὴ σφόδρα πάντες ἀνέκραγον, ὡς ἐπὶ πολέμου καταγγελία, διάδοχον εἶναι Λεύκιον Δομίτιον. καὶ ὁ Δομίτιος εὐθὺς ἐξῆει μετὰ τετρακισχιλίων ἐκ καταλόγου.

[33] Ἀντωνίου δὲ καὶ Κασσίου δημαρχοῦντοιν μετὰ Κουρίωνα καὶ τὴν Κουρίωνος γνώμην ἐπαινοῦντοιν, ἡ βουλὴ φιλονικότερον ἔτι τὴν Πομπηίου στρατιὰν φύλακα σφῶν ἡγοῦντο εἶναι, τὴν δὲ Καίσαρος πολέμιαν. καὶ οἱ ὑπάτοι, Μάρκελλός τε καὶ Λέντλος, ἐκέλευον τοῖς ἄμφι τὸν Ἀντώνιον ἐκστῆναι τοῦ συνεδρίου, μὴ τι καὶ δημαρχοῦντες ὁμως πάθοιεν ἀτοπώτερον. ἔνθα δὴ μέγα βοήσας ὁ Ἀντώνιος ἀνά τε ἔδραμε τῆς ἔδρας σὺν ὀργῇ καὶ περὶ τῆς ἀρχῆς ἐπεθείαζεν αὐτοῖς, ὡς ἱερὰ καὶ ἄσυλος οὖσα ὑβρίζοιτο, καὶ περὶ σφῶν, ὅτι γνώμην ἐσφέρνηντες, ἦν δοκοῦσι συνοίσειν, ἐξαλαύνοντο σὺν ὕβρει, μήτε τινὰ σφαγὴν μήτε μύσος ἐργασάμενοι. ταῦτα δ' εἰπὼν ἐξέτρεχεν ὥσπερ ἔνθους, πολέμους καὶ σφαγὰς καὶ προγραφὰς καὶ φυγὰς καὶ δημεύσεις

καὶ ὅσα ἄλλα αὐτοῖς ἔμελλεν ἔσσεσθαι, προθεσπίζων ἁράς τε βαρείας τοῖς τούτων αἰτίοις ἐπαρώμενος. συνεξέθεον δ' αὐτῷ Κουρίων τε καὶ Κάσσιος· καὶ γάρ τις ἤδη στρατὸς ἐωρᾶτο ἐκ Πομπηίου περιυστάμενος τὸ βουλευτήριον. οἶδε μὲν δὴ τάχει πολλῷ πρὸς Καίσαρα, νυκτὸς αὐτίκα, λαθόντες ἐχώρουν ἐπὶ ὀρήματος μισθωτοῦ, θεραπόντων ἐσθῆτας ἐνδύντες. καὶ αὐτοὺς ἔτι ὧδε ἔχοντας ὁ Καῖσαρ ἐπεδείκνυ τῷ στρατῷ καὶ ἠρέθιζε λέγων, ὅτι καὶ σφᾶς τοσάδε ἐργασαμένους ἡγοῦνται πολεμίους καὶ τοιοῦσδε ἄνδρας ὑπὲρ αὐτῶν τι φθεγξαμένους οὕτως ἐξελαύνουσιν αἰσχρῶς.

[34] ὁ μὲν δὴ πόλεμος ἐκατέρωθεν ἀνέφκτο καὶ κεκήρυκτο ἤδη σαφῶς, ἡ δὲ βουλὴ νομίζουσα Καίσαρι τὸν στρατὸν ἀπὸ Κελτῶν σὺν χρόνῳ παρέσσεσθαι καὶ οὐποτε αὐτὸν ὀρμήσειν ἐπὶ τηλικούτον ἔργον σὺν ὀλίγοις προσέτασσε Πομπηίῳ τρισκαίδεκα μυριάδας Ἰταλῶν ἀγείρειν, καὶ μάλιστα αὐτῶν τοὺς ἐστρατευμένους ὡς ἐμπειροπολέμους, ξενολογεῖν δὲ καὶ ἐκ τῶν περιοίκων ἐθνῶν ὅσα ἄλκιμα. χρήματα δ' ἐς τὸν πόλεμον αὐτῷ τὰ τε κοινὰ πάντα αὐτίκα ἐψηφίζοντο καὶ τὰ ἰδιωτικὰ σφῶν ἐπὶ τοῖς κοινοῖς, εἰ δεήσειεν, εἶναι στρατιωτικά· ἐς τε τὰς πόλεις ἐφ' ἕτερα περιέπεμπον σὺν τε ὀργῇ καὶ φιλονικίᾳ, σπουδῆς οὐδὲν ἀπολείποντες ὀξύτατης. ὁ δὲ Καῖσαρ ἐπὶ μὲν τὸν ἑαυτοῦ στρατὸν περιεπεπόμεφει, χαίρων δ' αἰεὶ ταχυεργίας τε ἐκπλήξει καὶ φόβῳ τόλμης μᾶλλον ἢ παρασκευῆς δυνάμει, μετὰ τῶν πεντακισχιλίων ἔγνω προεπιχειρεῖν τοσῷδε πολέμῳ καὶ φθάσαι τὰ εὐκαιρα τῆς Ἰταλίας.

[35] τοὺς οὖν λοχαγοὺς αὐτῶν σὺν ὀλίγοις τοῖς μάλιστα εὐτολμοτάτοις, εἰρηνικῶς ἐσταλμένοις, προύπεμπεν ἐσελθεῖν ἐς Ἀρίμινον καὶ τὴν πόλιν ἄφνω καταλαβεῖν· ἡ δ' ἐστὶν Ἰταλίας πρώτη μετὰ τὴν Γαλατίαν. αὐτὸς δὲ περὶ ἐσπέραν, ὡς δὴ τὸ σῶμα ἐνοχλούμενος, ὑπεχώρησε τοῦ συμποσίου, τοὺς φίλους ἀπολιπὼν ἔτι ἐστιᾶσθαι καὶ ζεύγους ἐπιβάς ἤλαυνεν ἐς τὸ Ἀρίμινον, ἐπομένων οἱ τῶν ἰπέων ἐκ διαστήματος. δρόμῳ δ' ἐλθὼν ἐπὶ τὸν Ρουβίκωνα ποταμόν, ὃς ὀρίζει τὴν Ἰταλίαν, ἔσθη τοῦ δρόμου καὶ ἐς τὸ ρέϋμα ἀφορῶν περιεφέρετο τῇ γνώμῃ, λογιζόμενος ἕκαστα τῶν ἐσομένων κακῶν, εἰ τόνδε τὸν ποταμὸν σὺν ὅπλοις περάσειε. καὶ πρὸς τοὺς παρόντας εἶπεν ἀνευγκών· 'ἡ μὲν ἐπίσχεσις, ὧ φίλοι, τῆσδε τῆς διαβάσεως ἐμοὶ κακῶν ἄρξει, ἡ δὲ διάβασις πᾶσιν ἀνθρώποις.' καὶ εἰπὼν οἶά τις ἔνθους ἐπέρα σὺν ὀρμῇ, τὸ κοινὸν τόδε ἐπειπών· 'ὁ κύβος ἀνερρίφθω.' δρόμῳ δ' ἐντεῦθεν ἐπιὼν Ἀρίμινόν τε αἰρεῖ περὶ ἑὼ καὶ ἐς τὸ πρόσθεν ἐχώρει, φρούρια τοῖς ἐπικαίροις ἐφιστάς καὶ τὰ ἐν ποσὶν ἢ βίᾳ χειρούμενος ἢ φιλανθρωπία. φυγαί τε καὶ μεταναστάσεις ἦσαν ἐκ πάντων χωρίων ὡς ἐν ἐκπλήξει καὶ δρόμος ἀσύντακτος μετ' οἰμωγῆς, τό τε ἀκριβὲς οὐκ εἰδότες καὶ τὸν Καίσαρα νομίζοντες μετ' ἀπείρου στρατοῦ κατὰ κράτος ἐλαύνειν.

[36] ὧν οἱ ὕπατοι πυνθανόμενοι τὸν Πομπήιον οὐκ εἶων ἐπὶ τῆς ἑαυτοῦ γνώμης ἐμπειροπολέμῳς εὐσταθεῖν, ἀλλ' ἐξώτρυνον ἐκπηδᾶν ἐς τὴν Ἰταλίαν καὶ στρατολογεῖν ὡς τῆς πόλεως καταληφθισομένης αὐτίκα. ἡ τε ἄλλη βουλὴ, παρὰ δόξαν αὐτοῖς ὀξείας τῆς ἐσβολῆς τοῦ Καίσαρος γενομένης, ἐδεδοίκεσαν ἔτι ὄντες ἀπαράσκευοι καὶ σὺν ἐκπλήξει μετενόουν οὐ δεξάμενοι τὰς Καίσαρος προκλήσεις, τότε νομίζοντες εἶναι δικαίας, ὅτε σφᾶς ὁ φόβος ἐς τὸ εὐβουλον ἀπὸ τοῦ φιλονίκου μετέφερε. τέρατά τε αὐτοῖς ἐπέπιπτε πολλὰ

καὶ σημεῖα οὐράνια: αἶμά τε γὰρ ἔδοξεν ὁ θεὸς ὕσαι καὶ ξόανα ἰδρῶσαι καὶ κεραυνοὶ πεσεῖν ἐπὶ νεῶς πολλοὺς καὶ ἡμίονος τεκεῖν: ἄλλα τε πολλὰ δυσχερῇ προεσήμαινε τὴν ἐς αἰὲ τῆς πολειτείας ἀναίρεσιν τε καὶ μεταβολήν. εὐχαὶ δὲ ὡς ἐπὶ φοβεροῖς προυγράφοντο, καὶ ὁ δῆμος ἐν μνήμῃ τῶν Μαρίου καὶ Σύλλα κακῶν γιγνόμενος ἔκεκράγει Καίσαρα καὶ Πομπήιον ἀποθέσθαι τὰς δυναστείας ὡς ἐν τῷδε μόνῳ τοῦ πολέμου λυθησομένου, Κικέρων δὲ καὶ πέμπειν ἐς Καίσαρα διαλλακτάς.

[37] ἀντιπραττόντων δ' ἐς ἅπαντα τῶν ὑπάτων, Φαώνιος μὲν Πομπήιον ἐπισκώπτων τοῦ ποτὲ λεχθέντος ὑπ' αὐτοῦ, παρεκάλει τὴν γῆν πατάξαι τῷ ποδὶ καὶ τὰ στρατόπεδα ἐξ αὐτῆς ἀναγαγεῖν: ὁ δὲ 'ἔξετε,' εἶπεν, 'ἂν ἐπακολουθῇτέ μοι καὶ μὴ δεινὸν ἡγήσθε τὴν Ῥώμην ἀπολιπεῖν, καὶ εἰ τὴν Ἰταλίαν ἐπὶ τῇ Ῥώμῃ δεήσειεν.' οὐ γὰρ τὰ χωρία καὶ τὰ οἰκήματα τὴν δύναμιν ἢ τὴν ἐλευθερίαν εἶναι τοῖς ἀνδράσιν, ἀλλὰ τοὺς ἄνδρας, ὅπῃ ποτ' ἂν ὦσιν, ἔχειν ταῦτα σὺν ἑαυτοῖς: ἀμυνομένους δ' ἀναλήψεσθαι καὶ τὰ οἰκήματα. ὁ μὲν δὴ τοσάδε εἰπὼν καὶ ἀπειλήσας τοῖς ἐπιμένουσιν, εἰ φειδοῖ χωρίων ἢ κατασκευῆς ἀπολελείπονται τῶν ὑπὲρ τῆς πατρίδος ἀγώνων, ἐξῆι τῆς τε βουλῆς καὶ τῆς πόλεως αὐτίκα ἐς τὴν ἐν Καπύῃ στρατιάν, καὶ οἱ ὑπατοὶ συνεῖποντο αὐτῷ: τοὺς ἄλλους δ' ἀπορία τε ἐς πολὺ κατεῖχε, καὶ διενυκτέρευον ἐν τῷ βουλευτηρίῳ μετ' ἀλλήλων. ἅμα δ' ἡμέρα τὸ πλεόν ὁμως ἐξῆι καὶ ἐδίδωκε τὸν Πομπήιον.

[38] ὁ δὲ Καῖσαρ ἐν Κορφινίῳ Λεύκιον Δομίτιον τὸν ἐπιπεμφθέντα οἱ τῆς ἀρχῆς εἶναι διάδοχον καταλαβὼν, οὐ πάντας ἄμφ' αὐτὸν ἔχοντα τοὺς τετρακισχιλίους, ἐπολιόρκει: καὶ οἱ τὸ Κορφίνιον οἰκοῦντες φεύγοντα τὸν Δομίτιον ἄμφι τὰς πύλας καταλαβόντες τῷ Καίσαρι προσήγαγον. ὁ δὲ τὴν μὲν στρατιάν αὐτοῦ προστιθεμένην οἱ προθύμως ἐδέχετο ἐς ἐρέθισμα τῶν ἄλλων, Δομίτιον δ' αὐτὸν ἀπαθῇ μετὰ τῶν ἑαυτοῦ χρημάτων μεθῆκεν ὅποι βούλοιο ἀπιέναι, ἐλπίσας μὲν ἴσως διὰ τὴν εὐποιάν παραμενεῖν, οὐ κωλύσας δ' ἐς Πομπήιον ἰόντα. γιγνομένων δὲ τούτων οὕτως ὀξέως, ὁ Πομπήιος ἐς Νουκερίαν ἐκ Καπύης καὶ ἐκ Νουκερίας ἐς Βρεντέσιον ἡπείγετο, ὡς τὸν Ἴόνιον διαβαλὼν ἐς Ἥπειρον καὶ τοῦ πολέμου τὴν παρασκευὴν συστήσων ἐν αὐτῇ. ἔθνεσί τε πᾶσι καὶ βασιλεῦσι καὶ πόλεσι καὶ στρατηγοῖς καὶ δυνάταις ἔγραφε κατὰ σπουδὴν, ὅ τι δύναιτο ἕκαστος, ἐς τὸν πόλεμον συμφέρειν. καὶ τάδε μὲν ἀθρόως ἐγίνετο, ὁ δ' ἴδιος αὐτοῦ Πομπηίου στρατὸς ἦν ἐν Ἰβηρία καὶ παρασκευῆς εἶχεν ὡς ὁρμήσων, ὅπῃ ποτ' ἂν αἱ χρεῖαι καλῶσιν.

[39] αὐτὸς δ' ὁ Πομπήιος τῶν ἄμφ' αὐτὸν ἤδη τελῶν τὰ μὲν ἔδωκε τοῖς ὑπάτοις προαπάγειν ἐς Ἥπειρον ἐκ Βρεντεσίου, καὶ διέπλευσαν οἶδε αὐτίκα ἀσφαλῶς ἐς Δυρράχιον: ἦν Ἐπίδαμνόν τινες εἶναι νομίζουσι διὰ τοιάνδε ἄγνοιαν. βασιλεὺς τῶν τῆδε βαρβάρων, Ἐπίδαμνος, πόλιν ὥκισεν ἐπὶ θαλάσσης καὶ ἄφ' ἑαυτοῦ προσεῖπεν Ἐπίδαμνον. τούτου θυγατρίδοὺς Δύρραχος, νομιζόμενος εἶναι Ποσειδῶνος, ἐπίνειον ὥκισε τῇ πόλει καὶ Δυρράχιον ὠνόμασε. πολεμουμένῳ δ' ὑπὸ τῶν ἀδελφῶν τῷδε τῷ Δυρράχῳ συνεμάχησεν ὁ Ἡρακλῆς ἐπὶ μέρει τῆς γῆς, ἐξ Ἐρυθείας ἐπανιών: ὅθεν οἱ Δυρράχιοι τὸν Ἡρακλέα, ὡς μερίτην τῆς γῆς, οἰκιστὴν σφῶν τίθενται, οὐκ ἀρνούμενοι μὲν οὐδὲ τὸν Δύρραχον, φιλοτιμούμενοι δ' ὑπὲρ σφῶν ἐς τὸν

Ἡρακλέα μᾶλλον ὥς ἐς θεόν. φασὶ δ' ἐν τῇ μάχῃ τῇδε Δυρράχου παῖδα Ἴόνιον ὑφ' Ἡρακλέους ἐξ ἀγνοίας ἀποθανεῖν καὶ τὸν Ἡρακλέα τὸ σῶμα θάψαντα ἐμβαλεῖν ἐς τὸ πέλαγος, ἵνα ἐπώνυμον αὐτοῦ γένοιτο. χρόνῳ δὲ τῆς τε χώρας καὶ πόλεως κατασχεῖν Βρίγας ἐκ Φρυγῶν ἐπανελθόντας καὶ Ταυλαντίους ἐπ' ἐκείνοις, Ἰλλυρικὸν ἔθνος, ἐπὶ δὲ τοῖς Ταυλαντίοις ἕτερον γένος Ἰλλυριῶν Λιβυρνοὺς, οἳ τὰ περίοικα νηυσὶ ταχεαῖς ἐληίζοντο· καὶ Λιβυρνίδας ἐντεῦθεν ἡγοῦνται Ῥωμαῖοι τὰς ναῦς τὰς ταχείας, ὧν ἄρα πρώτων ἐς πείραν ἦλθον. οἱ δ' ἐκ τῶν Λιβυρνῶν ἐξελαθέντες ἀπὸ τοῦ Δυρραχίου Κερκυραῖους ἐπαγόμενοι θαλασσοκρατοῦντας ἐξέβαλον τοὺς Λιβυρνοὺς· καὶ αὐτοῖς οἱ Κερκυραῖοι σφετέρους ἐγκατέμιζαν οἰκήτορας, ὅθεν Ἑλληνικὸν εἶναι δοκεῖ τὸ ἐπίνειον. τὴν δ' ἐπὶ κλησιν ὥς οὐκ αἷσιον ἐναλλάξαντες οἱ Κερκυραῖοι καὶ τήνδε ἀπὸ τῆς ἄνω πόλεως Ἐπίδαμον ἐκάλουν, καὶ Θουκυδίδης οὕτως ὠνόμαζεν· ἐκνικᾷ δ' ὅμως τὸ ὄνομα, καὶ Δυρράχιον κληίζεται.

[40] οἱ μὲν δὴ μετὰ τῶν ὑπάτων διεπεπλεύκεσαν ἐς τὸ Δυρράχιον, ὃ δὲ Πομπήιος τὸν ὑπόλοιπον στρατὸν ἐς τὸ Βρεντέσιον ἀγαγὼν τάς τε ναῦς ἀνέμενεν ἐπανελθεῖν, αἱ τοὺς ὑπάτους διέφερον, καὶ τὸν Καῖσαρα ἐπελθόντα ἀπὸ τῶν τειχῶν ἡμύνετο τὴν τε πόλιν διετάφρευε, μέχρι καταπλεύσαντος αὐτῷ τοῦ στόλου περὶ δειλὴν ἐσπέραν ἀπέπλευσε, τοὺς εὐτολμοτάτους ἐπὶ τῶν τειχῶν ὑπολιπών· οἱ καὶ αὐτοὶ νυκτὸς ἐρχομένης ἐξέπλεον οὐρίῳ πνεύματι.

καὶ Πομπήιος μὲν ὧδε μετὰ τοῦ στρατοῦ παντὸς ἐς Ἥπειρον ἐκλιπὼν τὴν Ἰταλίαν διεπέρα· ὃ δὲ Καῖσαρ ἠπόρει μὲν, ὅπῃ τραπείη καὶ ὅθεν ἄρξαιτο τοῦ πολέμου, τὴν ὁρμὴν πανταχόθεν οὔσαν ἐς τὸν Πομπήιον ὁρῶν, δείσας δὲ τοῦ Πομπήιου τὸν ἐν Ἰβηρίᾳ στρατόν, πολὺν τε ὄντα καὶ χρόνῳ γεγυμνασμένον, μὴ οἱ διώκοντι τὸν Πομπήιον κατόπιν ἐπιγένοιτο, τόνδε μὲν αὐτὸς ἔγνω προκαθελεῖν ἐς Ἰβηρίαν ἐλάσας, τὴν δὲ δύναμιν ἐς πέντ' ἐπιδιήρει. καὶ τοὺς μὲν ἐν τῷ Βρεντεσίῳ, τοὺς δ' ἐν Ὑδροῦντι κατέλιπε, τοὺς δ' ἐν Τάραντι, φύλακας εἶναι τῆς Ἰταλίας, ἑτέρους δ' ἔπεμπεν ἅμα Κοῖντῳ Οὐαλερίῳ, Σαρδῶ τὴν νῆσον καταλαβεῖν πυροφοροῦσαν· καὶ κατέλαβον. Ἀσίνιός τε Πολλίων ἐς Σικελίαν πεμφθεῖς, ἧς ἡγεῖτο Κάτων, πυνθανομένῳ τῷ Κάτῳ, πότερα τῆς βουλῆς ἢ τοῦ δήμου δόγμα φέρων ἐς ἀλλοτρίαν ἀρχὴν ἐμβάλλοι, ὧδε ἀπεκρίνατο· 'ὃ τῆς Ἰταλίας κρατῶν ἐπὶ ταῦτά με ἔπεμψε.'

καὶ Κάτων μὲν τοσόνδε ἀποκρινάμενος, ὅτι φειδοῖ τῶν ὑπηκόων οὐκ ἐνταῦθα αὐτὸν ἀμυνεῖται, διέπλευσεν ἐς Κέρκυραν καὶ ἐκ Κερκύρας ἐς Πομπήιον· [41] ὃ δὲ Καῖσαρ ἐς Ῥώμην ἐπειχθεὶς τὸν τε δῆμον, ἐκ μνήμης τῶν ἐπὶ Σύλλα καὶ Μαρίου κακῶν πεφρικότα, ἐλπίσι καὶ ὑποσχέσεσι πολλαῖς ἀνελάμβανε καὶ τοῖς ἐχθροῖς ἐνσημαινόμενος φιланθρωπίαν εἶπεν, ὅτι καὶ Λεύκιον Δομίτιον ἐλὼν ἀπαθῇ μεθείη μετὰ τῶν χρημάτων· τὰ δὲ κλειῖθρα τῶν δημοσίων ταμειῶν ἐξέκοπτε καὶ τῶν δημάρχων ἐνὶ Μετέλλῳ κωλύοντι θάνατον ἡπεύλει. τῶν τε ἀψαύστων ἐκίνει χρημάτων, ἃ φασιν ἐπὶ Κελτοῖς πάλαι σὺν ἀρᾷ δημοσίᾳ τεθῆναι, μὴ σαλεύειν ἐς μηδέν, εἰ μὴ Κελτικὸς πόλεμος ἐπίοι. ὃ δὲ ἔφη Κελτοὺς αὐτὸς ἐς τὸ ἀσφαλέστατον ἐλὼν λευκέναι τῇ πόλει τὴν ἀράν. Λέπιδον δὲ Αἰμίλιον ἐφίστη τῇ πόλει καὶ τὸν δήμαρχον Μάρκον Ἀντώνιον τῇ Ἰταλίᾳ καὶ τῷ περὶ αὐτὴν στρατῷ. ἔς τε τὰ ἔξω

Κουρίωνα μὲν ἀντὶ Κάτωνος ἡρεῖτο ἡγεῖσθαι Σικελίας, Κόιντον δὲ Σαρδοῦς, καὶ ἐς τὴν Ἰλλυρίδα Γάιον Ἀντώνιον ἐπέμπε καὶ τὴν ἐντὸς Ἀλπεων Γαλατίαν ἐπέτρεπε Λικινίῳ Κράσσῳ. ἐκέλευσε δὲ καὶ νεῶν στόλους δύο γίγνεσθαι κατὰ σπουδὴν, ἀμφὶ τε τὸν Ἴόνιον καὶ περὶ τὴν Τυρρηνίαν· καὶ ναυάρχους αὐτοῖς ἔτι γιγνομένοις ἐπέστησεν Ὀρτήσιόν τε καὶ Δολοβέλλαν.

[42] οὕτω κρατυνόμενος ὁ Καῖσαρ ἄβατον Πομπηίῳ γενέσθαι τὴν Ἰταλίαν ἐς Ἰβηρίαν ἦει, ἔνθα Πετρήϊῳ καὶ Ἀφρανίῳ τοῖς Πομπηίου στρατηγοῖς συμβαλὼν ἤττον αὐτῶν ἐφέρετο τά γε πρῶτα, μετὰ δὲ ἀγχωμάλως ἀλλήλοις ἐπολέμουν ἀμφὶ πόλιν Ἰλέρτην. καὶ στρατοπεδεύων ὁ Καῖσαρ ἐπὶ κρημνῶν ἐσιτολόγει διὰ γεφύρας τοῦ Σικόριος ποταμοῦ. χειμάρρου δ' ἄφνω τὴν γέφυραν καταβαλόντος, ἀνδρῶν τε πλῆθος ἀποληφθέν ἐν τῇ περαιᾷ διέφθειραν οἱ περὶ τὸν Πετρήιον, καὶ ὁ Καῖσαρ αὐτὸς ἐμόχθει μετὰ τοῦ ἄλλου στρατοῦ πάννυκτον ὑπὸ τε δυσχωρίας καὶ ὑπὸ λιμοῦ καὶ χειμῶνος ἤδη καὶ πολεμίων· οὐδὲν τε ἀλλ' ἢ πολιορκίας ἔργον ἦν, μέχρι θέρους ἐπελθόντος ὁ μὲν Ἀφράνιος καὶ ὁ Πετρήιος ἐς τὴν ἐντὸς Ἰβηρίαν ἐχώρουν ἕτερον στρατὸν ἀθροίσοντες. καὶ ὁ Καῖσαρ αἰεὶ προλαμβάνων διετάφρευε τὰς παρόδους καὶ ἐκώλυεν ἐς τὸ πρόσθεν ἵεναι καὶ τι καὶ μέρος αὐτῶν, προπεμπόμενον ἐς στρατοπέδον κατάληψιν, ἐκυκλώσατο. οἱ δὲ ἐπέθεσαν ταῖς κεφαλαῖς τὰς ἀσπίδας, ὅπερ ἐστὶ σύμβολον ἑαυτοὺς παραδιδόντων. καὶ ὁ Καῖσαρ οὔτε συνέλαβεν οὔτε κατηκόντισεν, ἀλλὰ μεθήκεν ἀπαθεῖς ἐς τοὺς περὶ τὸν Ἀφράνιον ἀπιέναι, δημοκοπῶν ἐς τοὺς πολεμίους πανταχοῦ. ὅθεν ἐν ταῖς στρατοπεδείαις ἐπιμιξίαι τε εἰς ἀλλήλους ἐγίνοντο συνεχεῖς καὶ λόγοι περὶ συμβάσεων κατὰ τὸ πλῆθος.

[43] ἤδη δὲ καὶ τῶν ἡγεμόνων Ἀφρανίῳ μὲν καὶ ἐτέροις ἐδόκει τῆς Ἰβηρίας ἐκστῆναι Καίσαρι καὶ ἀπαθεῖς ἐς Πομπήιον ἀπιέναι, Πετρήιος δὲ ἀντέλεγε καὶ περιθέων ἀνὰ τὸ στρατόπεδον ἔκτεινεν, ὅσους εὐρίσκοι κατὰ τὴν ἐπιμιξίαν τῶν Καίσαρος, τῶν τε ἰδίων ἡγεμόνων ἐνιστάμενόν τινα αὐτοχειρὶ διεχρήσατο· ἐξ ὧν ἔτι μᾶλλον ἀχθόμενοι τῷ σκυθρωπῷ τοῦ Πετρηίου, ἐς τὸ φιλάνθρωπον τοῦ Καίσαρος ἐτρέποντο ταῖς γνώμαις. ἐπεὶ δὲ πού καὶ τὴν ὕδρειαν αὐτῶν προύλαβεν ὁ Καῖσαρ, ἐν ἀμυχάνῳ γενόμενος ὁ Πετρήιος ἐς λόγους τῷ Καίσαρι συνῆει μετὰ Ἀφρανίου, ἐφορώντων αὐτοὺς τῶν στρατῶν ἐκατέρωθεν. καὶ συνέβησαν ὁ μὲν ἐκστῆναι τῆς Ἰβηρίας τῷ Καίσαρι, ὁ δὲ Καῖσαρ αὐτοὺς ἀπαθεῖς ἐπὶ τὸν Οὐᾶρον ποταμὸν διαγαγεῖν καὶ ἀπὸ τοῦδε χωροῦντας ἐς Πομπήιον εἶναι. γενόμενος δ' ὁ Καῖσαρ ἐπὶ τοῦδε τοῦ ποταμοῦ συνήγαγεν αὐτῶν ἐς ἐπήκοον, ὅσοι ἦσαν ἐκ τε Ῥώμης καὶ Ἰταλίας, καὶ ἐδημηγόρησεν ὧδε· ὕμῶν, ὦ πολέμιοι, τῷδε γὰρ ἔτι τῷ ῥήματι χρώμενος ἐναργεστέραν ὑμῖν τὴν ἐμαυτοῦ γνώμην ποιήσω, οὔτε τοὺς προπεμφθέντας ἐς τὴν κατάληψιν τοῦ στρατοπέδου, οἱ σφᾶς ἐμοὶ παρέδοσαν, διέφθειρα οὔτε τὸν ἄλλον ὑμῶν στρατὸν, λαβὼν τὰ ὕδρευματα, Πετρηίου ἐκ τῶν ἐμῶν τοὺς ὑπὲρ τὸν Σίκοριν ποταμὸν ἀποληφθέντας προανελόντος. εἰ δὴ τις ἔστι μοι παρ' ὑμῶν ὑπὲρ τούτων χάρις, φράζετε αὐτὰ τοῖς Πομπηίου στρατιώταις ἅπασιν.' τοσάδε εἰπὼν τοὺς μὲν ἀπέλυεν ἀπαθεῖς, αὐτὸς δὲ τῆς Ἰβηρίας ἀπέφαινεν ἡγεῖσθαι Κάσσιον Κόιντον.

καὶ τάδε μὲν ἦν ἀμφὶ τὸν Καίσαρα· [44] Λιβύης δὲ Οὐᾶρος Ἄττιος

ἐστρατήγει τῷ Πομπηίῳ, καὶ Ἰόβας ὁ τῶν Μαυρουσίων Νομάδων βασιλεὺς τῷ Οὐάρῳ συνεμάχει, Κουρίων δ' ὑπὲρ Καίσαρος αὐτοῖς ἐκ Σικελίας ἐπέπλει δύο τέλεσι στρατοῦ καὶ ναυσι δυώδεκα μακραῖς καὶ ὀλκάσι πολλαῖς. Ἰτύκη δὲ προσσχὼν ἐν μὲν τινι βραχεῖα περὶ αὐτὴν ἵππομαχίᾳ τρέπεται τινὰς τῶν Νομάδων ἱππέας καὶ ὑπὸ τῆς στρατιᾶς ἐν τοῖς ὅπλοις ἔτι οὕσης αὐτοκράτωρ ὑπέστη προσαγορευθῆναι. ἔστι δὲ τιμὴ τοῖς στρατηγοῖς τόδε τὸ προσαγόρευμα παρὰ τῶν στρατῶν, καθάπερ αὐτοῖς ἐπιμαρτυρούντων ἀξίως σφῶν αὐτοκράτορας εἶναι: καὶ τήνδε τὴν τιμὴν οἱ στρατηγοὶ πάλοι μὲν ἐπὶ πᾶσι τοῖς μεγίστοις ἔργοις προσίεντο, νῦν δ' ὅρον εἶναι τῇδε τῇ εὐφημίᾳ πυνθάνομαι τὸ μυρίου πεσεῖν. ἔτι δὲ τοῦ Κουρίωνος ἐπὶ πλεόντος ἐκ Σικελίας, οἱ ἐν τῇ Λιβύῃ, νομίσαντες αὐτὸν διὰ δοξοκοπίαν ἀμφὶ τὸν χάρακα τὸν Σκιπίωνος κατὰ δόξαν τῆς ἐκείνου μεγαλουργίας στρατοπεδεύσειν, τὸ ὕδωρ ἐφάρμαζαν. καὶ ἐλπίδος οὐ διήμαρτον: ὃ τε γὰρ Κουρίων ἐστάθμευσεν ἐνταῦθα, καὶ ὁ στρατὸς εὐθὺς ἐνόσει, πιοῦσί τε τὸ βλέμμα ἀμαυρὸν ἦν ὥσπερ ἐν ὀμίχλῃ, καὶ ὕπνος ἐπεγίνετο σὺν κάρῳ, μετὰ δ' αὐτὸν ἔμετοι τροφῆς ποικίλοι καὶ σπασμὸς ὅλου τοῦ σώματος. ὦν δὲ χάριν ὁ Κουρίων παρ' αὐτὴν Ἰτύκην μετεστρατοπέδευε, δι' ἔλους ἰσχυροῦ τε καὶ μακροῦ τὸν στρατὸν, ἀσθενῇ διὰ τὴν ἀρρωστίαν γεγονότα, ἄγων. ὥς δὲ σφισιν ἡ νίκη Καίσαρος ἡ περὶ τὴν Ἰβηρίαν ἀπηγγέλθη, ἀνεθάρρησάν τε καὶ παρετάξαντο παρὰ τὴν θάλασσαν ἐν βραχεῖ χωρίῳ. μάχης δὲ καρτερᾶς γενομένης Κουρίωνος μὲν εἰς ἀνὴρ ἔπεσεν, Οὐάρου δὲ ἑξακόσιοι, καὶ κατετρώθησαν ἔτι πλείονες.

[45] Ἰόβα δ' ἐπιόντος δόξα ψευδῆς προεπήδησεν, ἀμφὶ τὸν Βαγράδαν ποταμὸν οὐ πολὺ διεστῶτα ὑπεστροφέναι τὸν Ἰόβαν, πορθομένης αὐτῷ τῆς ἀρχῆς ὑπὸ τῶν γειτόνων, Σαβούρραν στρατηγὸν σὺν ὀλίγοις ἐπὶ τοῦ ποταμοῦ καταλιπόντα. καὶ τῷδε τῷ λόγῳ πίσυνος ὁ Κουρίων θέρους θερμοῦ περὶ τρίτην ὥραν ἡμέρας ἦγε τὸ κράτιστον τῆς στρατιᾶς ἐπὶ τὸν Σαβούρραν, ὁδὸν ψαμμώδη καὶ ἄνυδρον: εἰ γάρ τι καὶ νᾶμα χειμέριον ἦν, ἐξήραντο ὑπὸ τῆς φλογὸς τοῦ ἡλίου, καὶ ὁ ποταμὸς ὑπὸ τε Σαβούρρα καὶ ὑπ' αὐτοῦ παρόντος κατείχετο τοῦ βασιλέως. σφαλεῖς οὖν τῆς ἐλπίδος ὁ Κουρίων ἐς λόφους ἀνέδραμεν ὑπὸ τε καμάτου καὶ πνίγους καὶ δίψης ἐνοχλούμενος. ὥς δὲ αὐτὸν κατεῖδον οὕτως ἔχοντα οἱ πολέμιοι, τὸν ποταμὸν ἐτέρων ἐς μάχην ἐσκευασμένοι: καὶ ὁ Κουρίων κατέβαινε ἀφρόνως μάλα καὶ καταφρονητικῶς, ἀσθενῇ τὸν στρατὸν ἄγων. κυκλωσαμένων δ' αὐτὸν τῶν Νομάδων ἱππέων ἐπὶ μὲν τινὰ χρόνον ὑπεχώρει καὶ ἐς βραχὺ συνεστέλλετο, ἐνοχλούμενος δὲ ἀνέφευγεν αὐθις ἐς τοὺς λόφους. Ἀσίνιος μὲν δὴ Πολλίων ἀρχομένου τοῦ κακοῦ διέφυγεν ἐπὶ τὸ ἐν Ἰτύκῃ στρατοπέδον σὺν ὀλίγοις, μή τις ἐξ Οὐάρου γένοιτο πρὸς τὴν δόξαν τῆς ἐνταῦθα κατοπραγίας ἐπιθείσις: Κουρίων δὲ φιλοκινδύνως μαχόμενος σὺν ἅπασιν τοῖς παροῦσιν ἔπεσεν, ὥς ἐπὶ τῷ Πολλίῳι μηδένα ἄλλον ἐπανελθεῖν ἐς Ἰτύκην.

[46] τοιοῦτο μὲν δὴ τὸ τέλος τῆς ἀμφὶ τὸν Βαγράδαν ποταμὸν μάχης ἐγένετο, καὶ ἡ κεφαλὴ τοῦ Κουρίωνος ἀποτμηθεῖσα ἐς Ἰόβαν ἐφέρετο: ἐν δὲ τῷ περὶ τὴν Ἰτύκην στρατοπέδῳ τοῦ κακοῦ φανεροῦ γενομένου, Φλάμμας μὲν ὁ ναύαρχος αὐτίκα ἔφευγεν αὐτῷ στόλῳ, πρὶν τινὰ τῶν ἐπὶ τῆς γῆς ἀναλαβεῖν, Ἀσίνιος δ' ἐς τοὺς παρορμοῦντας ἐμπόρους ἀκατίῳ διαπλεύσας ἐδεῖτο αὐτῶν

ἐπιπλεῦσαί τε καὶ τὸν στρατὸν ἀναλαβεῖν. καὶ τινες ἐς τοῦτο νυκτὸς ἐπέπλευσαν, ἀθρόων δ' ἐσβαινόντων ἐκείνων τὰ τε σκάφη κατεδύετο, καὶ τῶν ἀναχθέντων οἱ ἔμποροι τοὺς πολλοὺς χρήματα φέροντας ἔνεκα τῶν χρημάτων ἐς τὴν θάλασσαν ἐρρίπτουν. καὶ τότε μὲν ἦν ἀμφὶ τοὺς ἀναχθέντας, ἕτερα δ' ἐν τῇ γῇ, νυκτὸς ἔτι, περὶ τοὺς ὑπολειφθέντας ἐγίνετο ὁμοία. καὶ μεθ' ἡμέραν οἱ μὲν τῷ Οὐάρῳ σφᾶς παρέδοσαν, ὁ δὲ Ἰόβας ἐπελθὼν περιέστησεν αὐτοὺς περὶ τὸ τεῖχος καὶ ὡς λείψανα τῆς ἑαυτοῦ νίκης κατηκόντισεν, οὐδέν τι φροντίσας οὐδὲ Οὐάρου παρακαλοῦντος. οὕτω μὲν δὴ τὰ σὺν Κουρίωνι ἐς Αἰβύην ἐπιπλεύσαντα Ῥωμαίων δύο τέλη διώλετο ἅπαντα καὶ ὅσοι μετ' αὐτῶν ἦσαν ἱππῆες τε καὶ ψιλοὶ καὶ ὑπηρέται τοῦ στρατοῦ: Ἰόβας δ' ἐς τὰ οἰκεία ἀνέστρεφε, μέγιστον ἔργον τότε Πομπηίῳ καταλογιζόμενος.

[47] καὶ τῶν αὐτῶν ἡμερῶν Ἀντώνιος τε περὶ τὴν Ἰλλυρίδα ἡττάτο ὑπὸ Ὀκταουίου κατὰ Δολοβέλλα Πομπηίῳ στρατηγούντος, καὶ στρατιὰ Καίσαρος ἄλλη περὶ Πλακεντίαν στασιάζουσα τῶν ἀρχόντων κατεβόησεν, ὥς ἐν τε τῇ στρατείᾳ βραδύνοντες καὶ τὰς πέντε μνᾶς οὐ λαβόντες, ἦν τινα δωρεὰν αὐτοῖς ὁ Καῖσαρ ἔτι περὶ Βρεντέσιον ὑπέσχητο. ὧν ὁ Καῖσαρ πυθόμενος ἐκ Μασσαλίας ἐς Πλακεντίαν ἠπείγετο συντόμως καὶ ἐς ἔτι στασιάζοντας ἐπελθὼν ἔλεγεν ὧδε: 'τάχει μὲν ὅσῳ περὶ ἕκαστα χρῶμαι, σύνιστέ μοι: βραδύνει δ' ὁ πόλεμος οὐ δι' ἡμᾶς, ἀλλὰ διὰ τοὺς πολεμίους ὑποφεύγοντας ἡμᾶς. ὑμεῖς δ' ἐν τε Γαλατία πολλὰ τῆς ἐμῆς ἀρχῆς ὀνήμενοι καὶ ἐς τόνδε τὸν πόλεμον ὅλον, οὐκ ἐς μέρος αὐτοῦ μοι συνομόσαντες ἐν μέσοις ἔργοις ἡμᾶς ἀπολείπετε καὶ τοῖς ἄρχουσιν ἐπανίστασθε καὶ προστάττειν ἀξιοῦτε, παρ' ὧν χρὴ προστάγματα λαμβάνειν. μαρτυράμενος οὖν ἑμαυτὸν τῆς ἐς ὑμᾶς μέχρι δεῦρο φιλοτιμίας χρῆσθαι τῷ πατρίῳ νόμῳ καὶ τοῦ ἐνάτου τέλους, ἐπειδὴ μάλιστα τῆς στάσεως κατήρξε, τὸ δέκατον διακληρώσω θανεῖν.' θρήνου δὲ ἀθρόως ἐξ ἅπαντος τοῦ τέλους γενομένου, οἱ μὲν ἄρχοντες αὐτοῦ προσπεσόντες ἰκέτευον, ὁ δὲ Καῖσαρ μόλις τε καὶ κατ' ὀλίγον ἐνδιδούς ἐς τοσοῦτον ὅμως ὑψήκεν, ὥς ἑκατὸν καὶ εἴκοσι μόνους, οἱ κατάρξαι μάλιστα ἐδόκουν, διακληρώσαι καὶ δωδέκα αὐτῶν τοὺς λαχόντας ἀνελεῖν. τῶν δὲ δωδέκα τῶνδε ἐφάνη τις οὐδ' ἐπιδημῶν, ὅτε ἡ στάσις ἐγίνετο: καὶ ὁ Καῖσαρ τὸν ἐμφήναντα λοχαγὸν ἔκτεινεν ἀντ' αὐτοῦ.

[48] ἡ μὲν δὴ περὶ Πλακεντίαν στάσις οὕτως ἐλέλυτο, ὁ δὲ Καῖσαρ ἐς Ῥώμην παρήλθε, καὶ αὐτὸν ὁ δῆμος πεφρικῶς ἡρεῖτο δικτάτορα, οὔτε τι τῆς βουλῆς ψηφίζομένης οὔτε προχειροτονούντος ἄρχοντος. ὁ δέ, εἴτε παραιτησάμενος τὴν ἀρχὴν ὥς ἐπιφθονον εἴτε οὐ χρήζων, ἄρξας ἐπὶ ἔνδεκα μόνας ἡμέρας ὧδε γάρ τισι δοκεῖ ὑπάτους ἐς τὸ μέλλον ἀπέφηνεν ἑαυτόν τε καὶ Πούπλιον Ἰσαυρικόν. ἡγεμόνας τε ἐς τὰ ἔθνη περιέπεμπεν ἢ ἐνήλλαττεν, ἐφ' ἑαυτοῦ καταλέγων. ἐς μὲν Ἰβηρίαν Μάρκον Λέπιδον, ἐς δὲ Σικελίαν Αὐλὸν Ἀλβῖνον, ἐς δὲ Σαρδῶ Σέξστον Πεδουκαῖον, ἐς δὲ τὴν νεόληπτον Γαλατίαν Δέκμον Βροῦτον. τῷ δὲ δῆμῳ λιμώττοντι σίτον ἐπέδωκε καὶ τοὺς φυγάδας δεομένῳ καταγαγεῖν συνεχώρησε, χωρὶς Μίλωνος. αἰτοῦσι δ' αὐτοῖς καὶ χρεῶν ἀποκοπὰς διὰ τε πολέμους καὶ στάσεις καὶ τὴν ἐκ τῶνδε τοῖς πιπρασκομένοις ἐποῦσαν εὐνοίαν, τὰς μὲν ἀποκοπὰς οὐκ ἔδωκε, τιμητὰς δὲ τῶν ὀνίων ἀπέφηνεν, ὧν ἔδει τοὺς χρήστας τοῖς δανείσασιν ἀντὶ τῶν

χρημάτων διδόναι. καὶ τότε πράξας περὶ χειμερίους τροπὰς περιέπεμπε τὸν στρατὸν ἀπαντὰν ἐς τὸ Βρεντέσιον αὐτὸς τε ἐξῆι Δεκεμβρίου μηνὸς Ῥωμαίοις ὄντος, οὐκ ἀναμείνας οὐδὲ τῆς ἀρχῆς ἕνεκα τὴν νομηνίαν τοῦ ἔτους πλησιάζουσιν. ὁ δὲ δῆμος εἶπετο παρακαλῶν συμβῆναι Πομπηίῳ: οὐ γὰρ ἄδηνον ἦν ἐς μοναρχίαν τὸν νικῶντα τρέψεσθαι.

[49] καὶ ὁ μὲν ὥδευσεν οὐδὲν ἐλλείπων δυνατῆς ἐπείξεως, ὁ δὲ Πομπήιος πάντα τὸν χρόνον τόνδε ναῦς ἐποιεῖτο καὶ στρατὸν αἰεὶ πλείονα καὶ χρήματα συνῆγε καὶ τὰς ἐν τῷ Ἰονίῳ Καίσαρος τεσσαράκοντα ναῦς ἐλὼν ἐφύλασσε αὐτοῦ τὸν διάπλουν τὸν τε στρατὸν ἐγύμναζε, συντρέχων καὶ συνιπεύων καὶ παντὸς ἐξάρχων πόνου παρ' ἡλικίαν: ὅθεν αὐτῷ ῥαδίως εὐνοία τε ἦν, καὶ συνέθεον ἐπὶ τὰ γυμνάσια Πομπηίου πάντες ὡς ἐπὶ θέαν. ἦν δ' ἐς τότε Καίσαρι μὲν δέκα τέλη πεζῶν καὶ Κελτῶν ἱππῆες μύριοι, Πομπηίῳ δὲ πέντε μὲν ἐξ Ἰταλίας, μεθ' ὧν τὸν Ἰόνιον διεπεπλεύκει, καὶ τούτοις ὅσοι συνετάσσοντο ἱππῆες, ἐκ δὲ Παρθυαίων δύο, τῶν σὺν Κράσσῳ πεπολεμηκότων τὰ ὑπόλοιπα, ... καὶ τι μέρος ἄλλο τῶν ἐς Αἴγυπτον ἐσβαλόντων μετὰ Γαβινίου, σύμπαντα ἀνδρῶν Ἰταλῶν ἑνδεκα τέλη καὶ ἱππῆες ἀμφὶ τοὺς ἑπτακισχιλίους. σύμμαχοι δ' ἐξ Ἰωνίας τε καὶ Μακεδονίας καὶ Πελοποννήσου καὶ Βοιωτίας τοξόται τε Κρήτες καὶ σφενδονῆται Θυράκες καὶ ὅσοι περὶ τὸν Πόντον βέλεσι χρῶνται, ἱππῆες τέ τινες Κελτῶν καὶ ἐκ Γαλατίας ἕτεροι τῆς ἐφ' ἑσῆς Κομμαγενοὶ τε ὑπ' Ἀντιόχου πεμφθέντες καὶ Κίλικες καὶ Καππαδόκαι καὶ ἐκ τῆς βραχυτέρας Ἀρμενίας τινὲς καὶ Παμφύλιοι καὶ Πισίδαι. ὧν οὐχ ἅπασιν ἐς μάχας, ἀλλ' ἐς φρουρία καὶ ταφρεῖας καὶ τὴν ἄλλην τοῦ Ἰταλικοῦ στρατοῦ χρῆσθαι διενοεῖτο, ἵνα μηδένα τῶν Ἰταλῶν τοῦ πολέμου περισπῶν. καὶ τότε μὲν ἦν αὐτῷ τὰ πεζά, νῆες δὲ μακραί μὲν ἐντελεῖς τοῖς πληρώμασιν ἐξακόσιαι, καὶ τούτων ἐς ἑκατὸν Ῥωμαίων ἐπιβατῶν, αἱ καὶ μάλιστα προὔχουσιν ἐδόκουν, πολὺ δὲ ὀλκάδων καὶ σκευοφόρων ἄλλο πλῆθος. ναύαρχοι τε πολλοὶ κατὰ μέρη, καὶ ἐπ' αὐτοῖς Μάρκος Βύβλος.

[50] ὡς δὲ οἱ πάντα ἦν ἔτοιμα, συναγαγὼν ὅσοι τε ἦσαν ἀπὸ τῆς βουλῆς καὶ ἀπὸ τῶν καλουμένων ἱππέων καὶ τὸν στρατὸν ἅπαντα ἐς ἐπήκοον, ἔλεξεν ὥδε:

καὶ Ἀθηναῖοι τὴν πόλιν ἐξέλιπον, ὧ ἄνδρες, ὑπὲρ ἐλευθερίας τοῖς ἐπιούσι πολεμοῦντες, οὐ τὰ οἰκήματα πόλιν, ἀλλὰ τοὺς ἄνδρας εἶναι νομίζοντες: καὶ τότε πράξαντες ὁξέως αὐτὴν ἀνέλαβόν τε καὶ εὐκλεεστέραν ἀπέφηναν: καὶ ἡμῶν αὐτῶν οἱ πρόγονοι Κελτῶν ἐπιόντων ἐξέλιπον τὸ ἄστυ, καὶ αὐτὸ ἀνεσώσατο ἐξ Ἀρδεατῶν Κάμιλλος ὁρμώμενος. πάντες τε οἱ εὖ φρονούντες τὴν ἐλευθερίαν, ὅπῃ ποτ' ἂν ᾖσιν, ἡγοῦνται πατρίδα. ὁ καὶ ἡμεῖς ἐνθυμούμενοι δεῦρο διεπλεύσαμεν, οὐ τὴν πατρίδα ἐκλιπόντες, ἀλλ' ὑπὲρ αὐτῆς παρασκευασόμενοι τε καλῶς ἐνθάδε καὶ ἀμυνόμενοι τὸν ἐκ πολλοῦ μὲν ἐπιβουλευόντα αὐτῇ, διὰ δὲ τοὺς δωροδοκοῦντας τὴν Ἰταλίαν ἄφνω καταλαβόντα. ὃν ὑμεῖς μὲν ἐψηφίσασθε εἶναι πολέμιον, ὁ δὲ καὶ νῦν ἡγεμόνας ἐς τὰ ἔθνη τὰ ὑμέτερα περιπέμπει καὶ τῇ πόλει τινὰς ἐφίστησι καὶ ἑτέρους ἀνὰ τὴν Ἰταλίαν: τοσσηδε τόλμη τὸν δῆμον ἀφαιρεῖται τὴν ἡγεμονίαν. καὶ εἰ τότε πολέμων ἔτι καὶ δεδιὼς καὶ δίκην σὺν θεῷ δώσων ἐξεργάζεται, τί χρὴ νικήσαντα προσδοκᾶν ἐκλείπειν ὠμότητος ἢ βίας; καὶ τότε πράττοντι κατὰ

τῆς πατρίδος σύνεισιν τινες ἐωνημένοι χρημάτων ὧν ἐκεῖνος ἀπὸ τῆς ὑμετέρας Γαλατίας πεπόρισται, δουλεύειν ἀντὶ τῆς πρὸς αὐτὸν ἐκείνων ἰσονομίας αἰρούμενοι.

[51] ἐγὼ δ' οὐκ ἐξέλιπον οὐδ' ἂν ἐκλίποιμι τὸν μεθ' ὑμῶν καὶ ὑπὲρ ὑμῶν ἀγῶνα, ἀλλὰ καὶ στρατιώτην ἐμαυτὸν ὑμῖν καὶ στρατηγὸν ἐπιδίδωμι καί, εἴ τις ἔστι μοι πολέμων ἐμπειρία καὶ τύχη ἀηττήτω μέχρι νῦν γενομένων, καὶ τάδε μοι πάντα τοὺς θεοὺς ἐς τὰ παρόντα συνενεγκεῖν εὐχομαι καὶ γενέσθαι τῇ πατρίδι κινδυνευοῦση καθὰ καὶ περικτωμένη τὴν ἡγεμονίαν αἴσιος. θαρρεῖν δὲ χρή τοῖς τε θεοῖς καὶ αὐτῷ τῷ λογισμῷ τοῦ πολέμου, καλὴν καὶ δικαίαν ἔχοντι φιλοτιμίαν ὑπὲρ πατρίου πολιτείας, ἐπὶ δὲ τούτῳ, τῷ πλήθει τῆς παρασκευῆς τῷ τε νῦν ὄντι ἡμῖν κατὰ γῆν καὶ κατὰ θάλασσαν καὶ τῷ γιγνομένῳ τε αἰεὶ καὶ προσεσομένῳ μᾶλλον, ἐπειδὴν τῶν ἔργων ἀψώμεθα. ὅσα γὰρ εἶπεῖν ἐπὶ τὴν ἔω καὶ τὸν Εὐξείνιον πόντον ἔθνη, πάντα, ἑλληνικά τε καὶ βάρβαρα, ἡμῖν σύνεστι: καὶ βασιλέες, ὅσοι Ῥωμαίοις ἢ ἐμοὶ φίλοι, στρατιὰν καὶ βέλη καὶ ἀγορὰν καὶ τὴν ἄλλην παρασκευὴν χορηγοῦσιν. ἴτε οὖν ἐπὶ τὸ ἔργον ἀξίως τῆς τε πατρίδος καὶ ὑμῶν αὐτῶν καὶ ἐμοῦ, καὶ τῆς Καίσαρος ὕβρεως μνημονεύοντες καὶ ὀξέως ἐς τὰ παραγγελλόμενα χωροῦντες.

[52] ὁ μὲν ὧδε εἶπεν, ὁ δὲ στρατὸς ἅπας καὶ ὅσοι ἦσαν ἀμφ' αὐτὸν ἀπὸ τῆς βουλῆς, πολλὸν καὶ γνωριμώτατον πλῆθος, εὐφήμουν ὁμοῦ καὶ ἐκέλευον ἄγειν, ἐφ' ὃ τι χρήζοι. ὁ δὲ ἠγεῖτο γάρ, δυσχεροῦς ἔτι τῆς ὥρας οὔσης καὶ τῆς θαλάσσης ἀλιμένου, μετὰ χειμῶνα ἐπιπλευσεῖσθαι τὸν Καίσαρα ὑπατὸν τε ὄντα τὴν ἀρχὴν ἐν τοσῷδε διαθήσεσθαι τοῖς μὲν ναύαρχοις προσέταττεν ἐπιτηρεῖν τὴν θάλασσαν, τὸν δὲ στρατὸν ἐς χειμασίαν ἐπιδιήρει καὶ περιέπεμπεν ἔς τε Θεσσαλίαν καὶ Μακεδονίαν.

καὶ Πομπήιος μὲν οὕτω τοῦ μέλλοντος ἀμελῶς ἐτεκμαίρετο, ὁ δὲ Καίσαρ, ὥς μοι προείρητο, περὶ χειμερίους τροπὰς ἐς τὸ Βρεντέσιον ἠπείγετο, νομίζων τῷ ἁδοκῆτῳ μάλιστα ἐκπλήξειν τοὺς πολεμίους. οὔτε δὲ ἀγορὰν οὔτε παρασκευὴν οὔτε τὸν στρατὸν τὸν ἑαυτοῦ πάντα ἡθροισμένον ἐν τῷ Βρεντεσίῳ καταλαβὼν, τοὺς παρόντας ὅμως ἐς ἐκκλησίαν συναγαγὼν ἔλεγεν:

[53]

οὔτε τῆς ὥρας τὸ χειμέριον, ὃ ἄνδρες, οἱ περὶ τῶν μεγίστων ἐμοὶ συναίρεσθε, οὐθ' ἡ τῶν ἄλλων βραδυτῆς ἢ ἔνδεια τῆς πρεπούσης παρασκευῆς ἐφέξει με τῆς ὁρμῆς: ἀντὶ γὰρ πάντων ἡγοῦμαί μοι συνοίσειν τὴν ταχυεργίαν. καὶ πρῶτους ἡμᾶς, οἱ πρῶτοι συνεδράμομεν ἀλλήλοις, ἀξιῶ θεράποντας μὲν ἐνταῦθα καὶ ὑποζύγια καὶ παρασκευὴν καὶ πάνθ' ὑπολιπέσθαι, ἵνα ἡμᾶς αἱ παροῦσαι νῆες ὑποδέξωνται, μόνους δ' εὐθὺς ἐμβάντας περᾶν, ἵνα τοὺς ἐχθροὺς διαλάβοιμεν, τῷ μὲν χειμῶνι τύχην ἀγαθὴν ἀντιθέντες, τῇ δ' ὀλιγότῃ τόλμαν, τῇ δ' ἀπορία τὴν τῶν ἐχθρῶν εὐπορίαν, ἧς ἔστιν ἡμῖν εὐθὺς ἐπιβαίνουσιν ἐπὶ τὴν γῆν κρατεῖν, ἣν εἰδῶμεν, ὅτι μὴ κρατήσασιν οὐδὲν ἔστιν ἴδιον. ἴωμεν οὖν ἐπὶ θεράποντάς τε καὶ σκεύη καὶ ἀγορὰν τὴν ἐκείνων, ἕως χειμάζουσιν ἐν ὑποστέγοις. ἴωμεν, ἕως Πομπήιος ἠγεῖται κάμει χειμάζειν ἢ περὶ πομπὰς καὶ θυσίας ὑπατικὰς εἶναι. εἰδόσι δ' ὑμῖν ἐκφέρω δυνατότατον ἐν πολέμοις ἔργον εἶναι τὸ ἀδόκητον: φιλότιμον δὲ καὶ πρώτιστον δόξαν ἀπενέγκασθαι τῶν ἐσομένων καὶ τοῖς αὐτίκα διωζομένοις ἡμᾶς ἀσφαλῆ τὰ ἐκεῖ προετοιμάσαι. ἐγὼ μὲν δὴ καὶ τόνδε τὸν καιρὸν πλεῖν ἂν ἢ λέγειν μᾶλλον

ἐβουλόμην, ἵνα με Πομπήιος ἴδῃ, νομίζων ἔτι τὴν ἀρχὴν ἐν Ῥώμῃ διατίθεσθαι: τὸ δὲ ὑμέτερον εὐπειθὲς εἰδὼς ὅμως ἀναμένω τὴν ἀπόκρισιν.

[54] ἀναβοήσαντος δὲ σὺν ὀρμῇ τοῦ στρατοῦ παντὸς ἄγειν σφᾶς, εὐθὺς ἐπὶ τὴν θάλασσαν ἦγεν ἀπὸ τοῦ βήματος, πέντε πεζῶν τέλη καὶ ἰππέας λογάδας ἑξακοσίους. καὶ ἐπ' ἀγκυρῶν ἀπεσάλευε κλυδωνίου διαταράσσοντος. χειμέριοι δ' ἦσαν τροπαί, καὶ τὸ πνεῦμα ἄκοντα καὶ ἀσχάλλοντα κατεκώλυε, μέχρι καὶ τὴν πρώτην τοῦ ἔτους ἡμέραν ἐν Βρεντεσίῳ διατρίψαι. καὶ δύο τελῶν ἄλλων ἐπελθόντων, ὁ δὲ καὶ τάδε προσλαβὼν ἀνήγετο χειμῶνος ἐπὶ ὀλκάδων: αἱ γὰρ ἦσαν αὐτῷ νῆες ὀλίγαι μακραί, Σαρδῶ καὶ Σικελίαν ἐφρούρου. ὑπὸ δὲ χειμῶνων ἐς τὰ Κεραύνια ὄρη περιαχθεὶς τὰ μὲν πλοῖα εὐθὺς ἐς Βρεντέσιον ἐπὶ τὴν ἄλλην στρατιὰν περιέπεμπεν, αὐτὸς δ' ἦεν νυκτὸς ἐπὶ πόλιν Ὠρικὸν διὰ τραχείας ἀτραποῦ καὶ στενῆς, ἐς μέρη πολλὰ διασπώμενος ὑπὸ τῆς δυσχωρίας, ὡς εὐεπιχείρητος ἄν, εἴ τις ἦσθετο, γενέσθαι. περὶ δὲ τὴν ἑω μόλις αὐτῷ συνήει τὸ πλῆθος, καὶ ὁ φρούραρχος ὁ τῆς Ὠρίκου, τῶν ἔνδον αὐτῷ προειπόντων οὐ κωλύσειν ἐπιόντα Ῥωμαίων ὑπατον, τάς τε κλεῖς παρέδωκε τῷ Καίσαρι καὶ παρ' αὐτῷ κατέμεινε τιμῆς ἀξιούμενος. Λουκρήτιος δὲ καὶ Μινούκιος ἐπὶ θάτερα τῆς Ὠρίκου ναυσὶν ὀκτωκαίδεκα μακραῖς Πομπηίῳ σῖτον ἐν πλοίοις φυλάσσοντες τὰ τε πλοῖα κατέδυσαν, ἵνα μὴ ὁ Καῖσαρ αὐτὰ λάβοι, καὶ ἐς Δυρράχιον διέφυγον. ἀπὸ δὲ τῆς Ὠρίκου Καῖσαρ ἐς Ἀπολλωνίαν ἡπείγετο: καὶ τῶν Ἀπολλωνιατῶν αὐτὸν δεχομένων, Σταβέριος ὁ φρούραρχος ἐξέλιπε τὴν πόλιν.

[55] καὶ ὁ Καῖσαρ ἀλίσας τὸν ἑαυτοῦ στρατὸν ἀνέμνησεν, ὅτι διὰ τὴν ταχυεργίαν τοῦ τε χειμῶνος σὺν τῇ τύχῃ περιγένοιτο καὶ θαλάσσης τοσσησδε χωρὶς νεῶν κρατήσειαν Ὠρικὸν τε καὶ Ἀπολλωνίαν ἀμαχεὶ λάβοιεν καὶ τὰ τῶν πολεμίων ἔχοιεν, καθάπερ εἶπεν, ἀγνοοῦντος ἔτι Πομπηίου. 'εἰ δὲ καὶ Δυρράχιον,' ἔφη, 'τὸ ταμιεῖον τῆς Πομπηίου παρασκευῆς προλάβοιμεν, ἔσται πάντα ἡμῖν, ἃ ἐκείνοις δι' ὅλου θέρους πεπονημένοις.' τοσαῦτα εἰπὼν ἦγε συντόμως ἐπὶ τὸ Δυρράχιον αὐτοὺς ὁδὸν μακράν, οὔτε ἡμέρας οὔτε νυκτὸς ἀναπαύων. Πομπήιος δὲ προμαθὼν ἀντιπαρώδευεν ἐκ Μακεδονίας, σὺν ἐπεῖξει καὶ ὁδε πολλῇ, κόπτων τε τὴν ὕλην, ἣν παρώδευεν, ἵνα Καῖσαρι δύσβατος εἴη, καὶ ποταμῶν γεφύρας διαιρῶν καὶ ἀγορὰν τὴν ἐν μέσῳ πᾶσαν ἐμπιπράς, ἐν μεγίστῳ, καθάπερ ἦν, καὶ ὁδε τιθέμενος τὴν ἑαυτοῦ παρασκευὴν διαφυλάξαι. κονιορτὸν δ' ἢ πῦρ ἢ καπνὸν εἴ ποτε μακρόθεν ἴδοιεν αὐτῶν ἑκάτεροι, νομίζοντες εἶναι τὰ ἀλλήλων ἐφιλονίκουν ὡς ἐν ἀγῶνι δρόμου. καὶ οὔτε τροφῇ καιρὸν ἐδίδοσαν οὔτε ὕπνῳ: ἔπειξις δ' ἦν καὶ σπουδὴ καὶ βοαὶ τῶν ἀγόντων αὐτοὺς ὑπὸ λαμπτήρσι, καὶ θόρυβος ἐκ τοῦδε πολλὸς καὶ φόβος, ὡς τῶν πολεμίων αἰεὶ πλησιαζόντων. ὑπὸ δὲ καμάτου τινὲς ἀπερρίπτουν, ἃ ἔφερον, ἢ ἐν φάραγξι διαλαθόντες ὑπελείποντο, τὴν αὐτίκα ἀνάπαυσιν τοῦ παρὰ τῶν ἐχθρῶν φόβου διαλασσόμενοι.

[56] τοιαῦτα δὲ ἑκατέρων κακοπαθούντων προύλαβεν ὅμως ὁ Πομπήιος τὸ Δυρράχιον καὶ παρ' αὐτὸ ἐστρατοπέδευσεν. ναῦς τε ἐπιπέμπας Ὠρικὸν αὐθις εἶλε καὶ τὴν θάλασσαν ἀκριβεστέrais φρουραῖς ἐφύλασσε. ὁ δὲ Καῖσαρ τοῦ Πομπηίου τὸν Ἄλωρα ποταμὸν ἐν μέσῳ θέμενος ἐστρατοπέδευσε. καὶ τὸν ποταμὸν διαβαίνοντες ἱππομάχουν ἀλλήλοις ἀνὰ μέρη, ἀθρόοις δὲ τοῖς

στρατοῖς οὐ συνεπλέκοντο, Πομπήιος μὲν ἔτι γυμνάζων τοὺς νεοστρατεύτους, ὁ δὲ Καῖσαρ τοὺς ἐκ Βρεντεσίου περιμένων. νομίσας δ' ἕαρος μὲν αὐτοὺς ἐπὶ ὀλκάδων διαπλέοντας οὐ λήσειν τὰς τοῦ Πομπήιου τριήρεις θαμινὰ ἐς φυλακὴν ἀναπλεούσας, χειμῶνος δ' εἰ παραβάλλοιντο, ναυλοχούντων ἐς νήσους τῶν πολεμίων, λαθεῖν ἂν αὐτοὺς ἴσως ἢ καὶ βιάσασθαι μεγέθει τε νεῶν καὶ πνεύματι, μετεπέμπετο κατὰ σπουδὴν. οὐκ ἀναγομένων δ' ἐκείνων αὐτὸς ἔκρινεν ἐπὶ τὴν στρατιὰν διαπλεῦσαι λαθόν, ὥς οὗ τινος αὐτὴν ἄλλου ῥαδίως ἐπαξομένου. καὶ τὸ βούλευμα ἐπικρύψας ἔπεμπε τρεῖς θεράποντας ἐπὶ τὸν ποταμὸν ἀπὸ δωδέκα σταδίων ὄντα, οἱ κελήτιον ὅζῳ καὶ κυβερνήτην τὸν ἄριστον ὥς δὴ τινι πεμπομένῳ πρὸς Καίσαρος ἔμελλον ἐτοιμάσειν.

[57] αὐτὸς δ' ἀπὸ διαίτης ὑπεχώρησε μὲν ὥς κάμνων τῷ σώματι, τοὺς φίλους ἔτι ἐστιάσθαι κελεύσας, ἐπιθέμενος δ' ἐσθῆτα ιδιώτου καὶ ὀχήματος εὐθὺς ἐπιβάς ἐξήλασεν ἐπὶ τὴν ναῦν ὥς ὅδε ὢν ὁ πρὸς τοῦ Καίσαρος ἀπεσταλμένος· τὰ τε λοιπὰ διὰ τῶν θεραπόντων προσέτασεν, ἐγκεκαλυμμένος τε καὶ ἐν νυκτὶ μάλιστα ἀγνοούμενος. χειμερίου δὲ τοῦ πνεύματος ὄντος θαρρεῖν ἐκέλευον οἱ θεράποντες τὸν κυβερνήτην ὥς τῷδε μάλιστα λησόμενοι τοὺς πολεμίους ἐγγὺς ὄντας. τὸν μὲν δὴ ποταμὸν ὁ κυβερνήτης εἰρεσίᾳ βιαζόμενος ἔπλει· ὥς δ' ἐπὶ τὰς ἐκβολὰς ἀφίκετο καὶ ἡ θάλασσα σὺν κλυδωνίῳ καὶ πνεύματι τὸ ρεῦμα ἀνέκοπτεν, ὁ μὲν ἐπισπερχόντων αὐτὸν τῶν θεραπόντων ἐβιάζετο καὶ ὥς ἐς οὐδὲν προκόπτων ἀπέκαμνε καὶ ἀπεγίνωσκεν, ὁ δὲ Καῖσαρ ἀποκαλυψάμενος ἐνεβόησεν αὐτῷ· ‘θαρρῶν ἴθι πρὸς τὸν κλύδωνα· Καίσαρα φέρεις καὶ τὴν Καίσαρος τύχην.’ ἐκπλαγέντων δὲ τῶν ἑρετῶν καὶ τοῦ κυβερνήτου προθυμία τε πᾶσιν ἐνίπιπτε καὶ ἡ ναὺς ὑπὸ βίας ἐξέπιπτε τοῦ ποταμοῦ. τὸ πνεῦμα δ' αὐτὴν καὶ τὸ κῦμα μετέωρον ἐς τὰς ὄχθας διερρίπτει, μέχρι πλησιαζούσης ἡμέρας οἱ μὲν ἐδεδοίκεσαν ὥς ἐν φωτὶ κατάδηλοι τοῖς πολεμίῳ ἐσόμενοι, ὁ δὲ Καῖσαρ, τῷ δαιμονίῳ χαλεπνόμενος ὥς φθονερῷ, ἐφῆκε τὴν ναῦν ἐπανίεναι.

ἡ μὲν δὴ πνεύματι ταχεῖ τὸν ποταμὸν ἀνέπλει, [58] Καίσαρα δ' οἱ μὲν ἐθαύμαζον τῆς εὐτολμίας, οἱ δ' ἐπεμέμφοντο ὥς στρατιώτῃ πρέπον ἔργον εἰργασμένον, οὐ στρατηγῷ. ὁ δ' οὐκέτι λήσεσθαι προσδοκῶν Ποστούμιον ἀνθ' ἑαυτοῦ προσέταξε διαπλεῦσαι τε καὶ φράσαι Γαβινίῳ τὸν στρατὸν εὐθὺς ἄγειν διὰ θαλάσσης· ἂν δ' ἀπειθῇ ταῦτα προστάσσειν Ἀντωνίῳ καὶ τρίτῳ μετὰ τὸν Ἀντώνιον Καληνῷ. εἰ δ' οἱ τρεῖς ἀποκνοίεν, ἐπιστολὴ πρὸς τὸν στρατὸν αὐτὸν ἐγγράπτο ἄλλῃ, τὸν βουλόμενον αὐτῶν ἐπὶ τὰς ναὺς ἔπεσθαι τῷ Ποστούμῳ καὶ καταίρειν ἀναχθέντας ἐς χωρίον, ἐς ὃ τι ὁ ἄνεμος ἐκφέρει, μηδὲν τῶν νεῶν φειδομένους· οὐ γὰρ νεῶν χρῆζειν Καίσαρα, ἀλλὰ ἀνδρῶν.

οὕτω μὲν ἀντὶ λογισμῶν ὁ Καῖσαρ ἐπεποιθεὶ τῇ τύχῃ. τάδε οὖν ὁ Πομπήιος προλαβεῖν ἐπειγόμενος ἐς μάχην διεσκευασμένος ἐπήει. καὶ δύο αὐτοῦ στρατιωτῶν ἐν μέσῳ τὸν ποταμὸν ἐρευνωμένων, ἧ μάλιστα εἷη διαβατός, τῶν τις Καίσαρος εἰς ἐπιδραμὸν τοὺς δύο ἀνεῖλε. καὶ ὁ Πομπήιος ἀνεξεύξεν, οὐκ αἶσιον τὸ συμβάν ἡγούμενος. αἰτίαν δ' εἶχε παρὰ πᾶσι καιρὸν ἄριστον ἐκλιπεῖν.

[59] Ποστούμιον δὲ διαπλεύσαντος ἐς τὸ Βρεντέσιον, ὁ μὲν Γαβίνιος οὐχ ὑποστάς τὸ πρόσταγμα ἤγε τοὺς βουλομένους διὰ τῆς Ἰλλυρίδος, οὐδαμοῦ

διαναπαύων· καὶ ἀνῆρέθησαν ὑπὸ τῶν Ἰλλυριῶν σχεδὸν ἅπαντες, καὶ ὁ Καίσαρ ἤνεγκεν ὑπ' ἀσχολίας, ὁ δ' Ἀντώνιος τοὺς ἐτέρους ἐπὶ τὰς ναὺς ἐπιβήσας Ἀπολλωνίαν μὲν παρέπλευσεν, ἰστίοις μεστοῖς ἐπιπνέοντος ἀνέμου· χαλάσαντος δὲ τοῦ πνεύματος περὶ μεσημβρίαν εἴκοσι τοῦ Πομπηίου νῆες, ἐπ' ἔρευναν τῆς θαλάσσης ἀναχθεῖσαι, καθορῶσι τοὺς πολεμίους καὶ ἐδίωκον. τοῖς δὲ ὡς ἐν γαλήνῃ δέος ἦν πολὺ, μὴ σφᾶς ἀνατρήσειαν ἢ καταδύσειαν αἱ μακრაὶ τοῖς ἐμβόλοις· καὶ τὰ εἰκότα παρεσκεύαζοντο, σφενδόνα τε ἠφίεντο ἤδη καὶ βέλη. καὶ ὁ ἄνεμος ἄφνω μείζων ἢ πρότερον ἐπέρραξεν. αἱ μὲν δὴ μεγάλους αὐθις ἰστίοις ἐξ ἀέλπτου τὸ πνεῦμα ἐδέχοντο καὶ διέπλεον ἀδεῶς· αἱ δ' ἀπελείποντο, ῥοθίῳ καὶ πνεύματι καὶ θαλάσῃ κοίλῃ κακοπαθοῦσαι. καὶ μόλις ἐς ἀλίμενα καὶ πετρώδη διερρίφησαν, δύο τινὰς ἐς τέλμα τῶν Καίσαρος κατενεχθεῖσας ἐλοῦσαι. Ἀντώνιος δὲ ταῖς λοιπαῖς ἐς τὸ καλούμενον Νυμφαῖον κατήχθη.

[60] καὶ τῷ Καίσαρι σύμπας ὁ στρατὸς ἤδη παρῆν, παρῆν δὲ καὶ Πομπηίῳ. καὶ ἀντεστρατοπέδευον ἀλλήλοις ἐπὶ λόφων ἐν φρουρίοις πολλοῖς, πείραί τε ἦσαν περὶ ἕκαστον φρούριον πυκναὶ περιταφρευόντων καὶ περιτειχιζόντων ἀλλήλους καὶ γιγνομένων ὁμοῦ καὶ ποιούντων ἐν ἀπόροις. ἐν δὲ ταῖς πεύραις περὶ τι φρούριον ἡττωμένου τοῦ Καίσαρος στρατοῦ λοχαγός, ὃν Σκεῦας ὄνομα ἦν, πολλὰ καὶ λαμπρὰ δρῶν ἐς τὸν ὀφθαλμὸν ἐτρώθη βέλει καὶ προπηδήσας κατέσεισεν ὡς εἰπεῖν τι βουλόμενος. σιωπῆς δ' αὐτῷ γενομένης, Πομπηίου λοχαγὸν ἐπὶ ἀνδρία γνῶριμον ἐκάλει· 'σῶζε τὸν ὅμοιον σεαυτῷ, σῶζε τὸν φίλον καὶ πέμπε μοι τοὺς χειραγωγήσοντας, ἐπεὶ τέτρωμαι.' προσδραμόντων δ' ὡς αὐτομολοῦντι δύο ἀνδρῶν, τὸν μὲν ἔφθασε κτείνας, τοῦ δὲ τὸν ὦμον ἀπέκοψε. καὶ ὁ μὲν τάδε ἔπρασσεν ἀπογινώσκων ἑαυτοῦ καὶ τοῦ φρουρίου. τοῖς δ' ἄλλοις αἰδῶς ἐπὶ τῷ συμβεβηκότι καὶ ὀρμῇ προσέπιπτε, καὶ τὸ φρούριον περιεσώθη, πολλὰ καὶ τοῦ φρουράρχου Μινουκίου παθόντος, ὃ γέ φασι τὴν μὲν ἀσπίδα ἑκατὸν καὶ εἴκοσιν ἀναδέξασθαι βέλη, τὸ δὲ σῶμα ἐξ τραύματα καὶ τὸν ὀφθαλμὸν ὁμοίως ἐκκοπῆναι. τούτους μὲν δὴ Καῖσαρ ἀριστείοις πολλοῖς ἐτίμησεν, αὐτὸς δ', ἐκ Δυρραχίου τινὸς αὐτῷ πρassoμένης προδοσίας, ἤκε μὲν, ὡς συνέκειτο, νυκτὸς σὺν ὀλίγοις ἐπὶ πύλας καὶ ἱερὸν Ἀρτέμιδος ...

τοῦ δ' αὐτοῦ χειμῶνος ἄλλην στρατιὰν ἐκ Συρίας ἤγε Πομπηίῳ Σκιπίων ὁ κηδεστής· καὶ αὐτῷ Γάιος Καλουσίσιος περὶ Μακεδονίαν συμβαλὼν ἡττάτο, καὶ τέλος ἐν αὐτοῦ κατεκόπη χωρὶς ὀκτακοσίων ἀνδρῶν.

[61] Καίσαρι μὲν δὴ οὐδὲν ἦν ἐκ θαλάσσης διὰ Πομπήιον ναυκρατοῦντα· ἐλίμαινεν οὖν ὁ στρατὸς αὐτῷ καὶ τὴν πόαν ἡρτοποιοῦν, αὐτόμολοί τε Πομπηίῳ τοιούσδε ἄρτους προσήνεγκαν ὡς εὐφρανοῦντες ἰδόντα. ὁ δὲ οὐχ ἦσθη, ἀλλ' εἶπεν, 'οἷσις θηρίοις μαχόμεθα.' ὁ μὲν δὴ Καῖσαρ ὑπ' ἀνάγκης τὸν στρατὸν ἅπαντα συνῆγεν ὡς καὶ ἄκοντα Πομπήιον βιασόμενος ἐς μάχην· ὁ δὲ αὐτοῦ τὰ πολλὰ τῶν φρουρίων ἐκ τοῦδε κεκενωμένα προσλαβὼν ἡσύχαζε. καὶ τῷδε μάλιστα ἀνιαιθεὶς ὁ Καίσαρ ἐπετόλμησεν ἔργῳ δυο χερεῖ τε καὶ παραλόγῳ, πάντα Πομπηίου τὰ στρατόπεδα ἐνὶ τείχει περιλαβὼν ἐκ θαλάσσης ἐς θάλασσαν ἀποτείχισαι, ὡς μεγάλην, εἰ καὶ διαμάρτοι, δόξαν οἰσόμενος ἐπὶ τῷ τολμήματι· στάδιοι γὰρ ἦσαν διακόσιοι καὶ χίλιοι. καὶ ὁ μὲν ἐνεχειρεῖ

τοσῶδε ἔργῳ, Πομπήιος δ' αὐτὸν ἀνταπετάφρευε καὶ ἀντρωκοδόμει: καὶ μάταια τὰ ἔργα ἀλλήλοις ἐποίουν. γίνεται δ' αὐτοῖς ἀγὼν εἰς μέγας ἐν ᾧ Πομπήιος τρέπεται τε τοὺς Καίσαρος πάννυ λαμπρῶς καὶ ἐς τὸ στρατόπεδον ἐδίωκε φεύγοντας σημειᾶ τε πολλὰ εἵλεν αὐτῶν, καὶ τὸν αἰετόν, ὃ δὴ κυριώτατόν ἐστι Ῥωμαίοις, μόλις ἔφθασεν ὁ φέρων ὑπὲρ τὸ χαράκωμα τοῖς ἔνδον ῥῖναι.

[62] γενομένης δὲ τῆς τροπῆς λαμπρᾶς ὁ Καῖσαρ ἐτέρωθεν ἤγεν ἄλλον στρατόν, οὕτω δὴ τι καὶ τοῦτον περίφοβον, ὥς Πομπηίου μακρόθεν ἐπιφανέντος μήτε στήναι περὶ τὰς πύλας ὄντας ἤδη μήτε ἐσελθεῖν ἐν κόσμῳ μήτε πεισθῆναι τοῖς προστάγμασιν, ἀλλὰ φεύγειν ἕκαστον, ὅπῃ τύχοιεν, ἀμεταστρεπτί χωρὶς αἰδοῦς καὶ παραγγέλματος καὶ λογισμοῦ. Καῖσαρος δ' αὐτοὺς περιθέοντός τε καὶ σὺν ὀνειδίει μακρὰν ἔτι τὸν Πομπήιον ὄντα ἐπεδεικνύοντος, καὶ ἐφορῶντος τὰ σημειᾶ ἀπερρίπτουν καὶ ἔφευγον, οἱ δὲ μόλις ὑπ' αἰδοῦς κατέκυπτον ἐς τὴν γῆν ἄπρακτοι: τοσοῦτος αὐτοῖς τάραχος ἐνεπεπτόκει. εἷς δὲ καὶ στρέψας τὸ σημεῖον ἀνέτεινε τὸν οὐρίαχον ἐς τὸν αὐτοκράτορα. καὶ τόνδε μὲν οἱ Καῖσαρος ὑπασπισταὶ κατέκοπτον, οἱ δ' ἐσελθόντες οὐδ' ἐπὶ τὰς φυλακὰς ἀπήντων, ἀλλὰ μεθειμένα πάντα ἦν καὶ τὸ χαράκωμα ἀφύλακτον, ὥστε αὐτὸ δοκεῖ συνεσπεσῶν ἂν τότε ὁ Πομπήιος ἐλεῖν κατὰ κράτος καὶ τὸν πόλεμον ἐνὶ τῷδε ἔργῳ πάντα ἐξεργάσασθαι, εἰ μὴ Λαβιηνὸς αὐτόν, θεοῦ παράγοντος, ἐπὶ τοὺς φεύγοντας ἔπειθε τραπῆναι: καὶ αὐτὸς ἅμα ὤκνησεν, ἢ τὴν ἀφυλαξίαν τοῦ χαρακώματος ὥς ἐνέδραν ὑφορώμενος ἢ ὥς ἤδη κεκριμένου τοῦ πολέμου καταφρονήσας. ἐπὶ δὲ τοὺς ἔξω τραπεῖς ἐτέρους τε ἔκτεινε πολλοὺς καὶ σημειᾶ τῆς ἡμέρας ἐκείνης ἔλαβεν ἐν ταῖς δύο μάχαις ὀκτὼ καὶ εἴκοσιν καὶ δεῦτερον τόνδε καιρὸν ἐντελοῦς ἔργου μεθῆκεν. ὁ καὶ τὸν Καῖσαρά φασιν εἰπεῖν, ὅτι σήμερον ἂν ὁ πόλεμος ἐξείργαστο τοῖς πολεμίοις, εἰ τὸν νικᾶν ἐπιστάμενον εἶχον.

[63] ὁ δὲ Πομπήιος τὴν τε νίκην ὑπερεπαίρων ἐπέστελλε βασιλεῦσι καὶ πόλεσι πάσαις καὶ τὸν στρατὸν αὐτίκα τὸν Καῖσαρος ἤλιπζε πρὸς ἑαυτὸν μεταβαλεῖσθαι, λιμῶ τε πεπιεσμένον καὶ ὑπὸ τῆς ἥττης καταπεπληγμένον, μάλιστα δὲ τοὺς ἡγεμόνας αὐτοῦ, τὸ σφέτερον ἀμάρτημα φοβουμένους. οἱ δὲ, θεοῦ σφᾶς ἐπὶ μετάνοιαν ἄγοντος, τὸ ἀμάρτημα ἠδούντο καὶ τοῦ Καίσαρος αὐτοῖς ἐπιμεφομένου τε πρῶως καὶ συγγνώμην διδόντος ἔτι μᾶλλον ἠρεθίζοντο καθ' ἑαυτῶν καὶ ἐκ παραδόξου μεταβολῆς ἐκέλευον τῷ πατρίῳ νόμῳ διακληρώσαντα αὐτοὺς τὸ δέκατον μέρος ἀναιρεῖν. οὐ πειθομένου δὲ τοῦ Καίσαρος μᾶλλον ἠδούντο καὶ συνεχίνωσκον αὐτὸν οὐκ ἀξίως ὑπὸ σφῶν ἠδικῆσθαι καὶ τοὺς φέροντας τὰ σημειᾶ κτείνειν ἐπεβόων, ὥς οὐκ ἂν αὐτοὶ ποτε φυγόντες, εἰ μὴ τὰ σημειᾶ προασπεστράφη. ὥς δὲ ὁ Καῖσαρ οὐδὲ τοῦτ' ἀνασχόμενος ὀλίγους μόλις ἐκόλασεν, αὐτίκα πᾶσιν. αὐτοῦ πρὸς τὴν μετριοπάθειαν ὀρμὴ τοσῆδε ἐνέπιπτεν, ὥς εὐθὺς αὐτὸν ἄγειν ἀξιοῦν ἐπὶ τοὺς πολεμίους: καὶ ἐνέκειντο σφόδρα προθύμως, παρακαλοῦντές τε καὶ ὑπισχνούμενοι διορθώσεσθαι τὸ ἀμάρτημα νίκῃ καλῇ: κατὰ τε σφᾶς ἐπιστρεφόμενοι πρὸς ἀλλήλους ἰλαδὸν κατὰ μέρη συνώμνυντο, ἐφορῶντος αὐτοῦ Καίσαρος, μὴ ἐπανήξιν ἐκ τῆς μάχης, εἰ μὴ κρατοῖεν.

[64] ὅθεν αὐτὸν οἱ μὲν φίλοι παρεκάλουν ἀποχρήσασθαι τοιαύτῃ μετανοίᾳ

καὶ προθυμία στρατοῦ· ὁ δ' ἐς μὲν τὸ πλῆθος εἶπεν, ὅτι μετὰ βελτιόνων καιρῶν αὐτοὺς ἐπὶ τοὺς πολεμίους ἄξει, καὶ μεμνήσθαι τῆσδε τῆς προθυμίας διεκελεύσατο, τοὺς δὲ φίλους ἀνεδίδασκεν, ὅτι χρή καὶ τῶνδε προεξελεῖν τὸν φόβον τῆς ἥττης πολλὸν αὐτοῖς ἐγγενόμενον καὶ τῶν πολεμίων τὸ φρόνημα ἀκμάζον προκαθελεῖν. ὠμολόγει τε μεταγινώσκειν πρὸς Δυρραχίῳ στρατοπεδεύσας, ἔνθα ἔστιν ἡ παρασκευὴ πᾶσα Πομπηίῳ, δέον ἀποσπᾶν αὐτὸν ἐτέρωθι ἐς ὁμοίας ἀπορίας.

καὶ τότε εἰπὼν ἐς Ἀπολλωνίαν εὐθὺς μετῆει καὶ ἀπ' αὐτῆς ἐς Θεσσαλίαν νυκτὸς ὑπεχώρει λανθάνων· Γόμφοις τε πόλιν μικρὰν οὐ δεχομένην αὐτὸν ἐξεῖλεν ὑπὸ ὀργῆς καὶ ἐπέτρεψε τῷ στρατῷ διαρπάσαι. οἱ δ' ὥς ἐκ λιμοῦ πάντων ἐνεπίμπλαντο ἀθρόως καὶ ἐμεθύσκοντο ἀπρεπῶς, καὶ μάλιστα αὐτῶν οἱ Γερμανοὶ γελοιότατοι κατὰ τὴν μέθην ἦσαν, ὥστε δοκεῖ καὶ τότε ἂν ὁ Πομπήιος ἐπελθὼν ἐργάσασθαι τι λαμπρόν, εἰ μὴ διώκειν ὅλως ὑπερεῖδεν ἐκ καταφρονήσεως, μέχρι Καῖσαρ ἑπτὰ συντόνως ἡμέραις ὁδεύσας ἐστρατοπέδευσε περὶ Φάρσαλον. λέγεται δ' ἐν τοῖς Γόμοις γενέσθαι παθήματα γενναῖα καὶ νεκροὺς τῶν ἐπιφανῶν γερόντων ἐν ἰατρείῳ φανῆναι, κυλίκων αὐτοῖς παρακειμένων ἀτρώτοις, εἴκοσι μὲν ὥς ἐκ μέθης κατακεκλιμένους ἐπὶ τὸ ἔδαφος, ἕνα δ' ἐπὶ θρόνου παρακαθεζόμενον οἷα ἱατρόν, ὃς τὸ φάρμακον αὐτοῖς ἄρα παρέσχε.

[65] Πομπήιος δ' ἐπὶ τῇ Καίσαρος ἀναζεύξει βουλὴν προτιθεῖ. καὶ Ἀφρανίῳ μὲν ἐδόκει τὸ ναυτικόν, ᾧ δὴ καὶ πολὺ προὔχεν, ἐπιτέμπειν Καίσαρι καὶ ἐνοχλεῖν θαλασσοκρατοῦντας ἁλωμένῳ καὶ ἀποροῦντι, τὸ δὲ πεζὸν αὐτὸν Πομπήιον ἄγειν κατὰ σπουδὴν ἐς τὴν Ἰταλίαν εὖνουν τε πρὸς αὐτὸν οὔσαν καὶ πολεμίων ἔρημον, κρατυνάμενον δ' αὐτὴν τε καὶ Γαλατίαν καὶ Ἰβηρίαν ἐξ οἰκείας καὶ ἡγεμονίδος γῆς αὐτῆς ἐπιχειρεῖν Καίσαρι. ὁ δὲ καὶ ταῦτα ἄριστα ἂν οἱ γενόμενα παριδὼν ἐπείθετο τοῖς λέγουσιν αὐτίκα τὸν Καίσαρος στρατὸν μεταθίσεσθαι πρὸς αὐτὸν ὑπὸ τοῦ λιμοῦ, ἢ οὐ πολλὴ σφίσιν ἔσσεσθαι τὸ ἔτι λοιπὸν ἐπὶ τῇ κατὰ Δυρράχιον γενομένη νίκη· τὸ δ' ἐναντίον αἰσχιστον εἶναι, καταλιπεῖν φεύγοντα Καίσαρα καὶ τοῖς ἡττηθεῖσιν ὁμοίως τὸν νικῶντα φεύγειν. ὁ μὲν δὴ τοῖσδε προσθέμενος αἰδοῖ μάλιστα τῶν ἐφ' ἑθνῶν ἐς αὐτὸν ἀφορώντων καὶ φειδοῖ Λευκίου Σκιπίωνος, μὴ τι περὶ Μακεδονίαν ὧν ἔτι πάθοι, μάλιστα δ' ἐς ἀγῶνα χρήσασθαι θαρροῦντι τῷ στρατῷ διανοούμενος ἐπῆλθε καὶ ἀντεστρατοπέδευσε τῷ Καίσαρι περὶ Φάρσαλον, καὶ τριάκοντα σταδίους ἀλλήλων ἀπέϊχον.

[66] ἀγορὰ δὲ Πομπηίῳ μὲν ἦν πανταχόθεν· οὕτω γὰρ αὐτῷ προδιώκηντο καὶ ὁδοὶ καὶ λιμένες καὶ φρουρία, ὥς ἐκ τε γῆς αἰεὶ φέρεσθαι καὶ διὰ θαλάσσης πάντα ἄνεμον αὐτῷ φέρειν· Καῖσαρ δὲ μόνον εἶχεν, ὃ τι μόλις εὔροι καὶ λάβοι κακοπαθῶν. καὶ οὐδ' ὥς αὐτὸν ἀπέλιπεν οὐδεὶς, ἀλλὰ σπουδῇ δαιμονίῳ συνενεχθῆναι τοῖς πολεμίοις ὠρέγοντο καὶ ἡγοῦντο πολέμῳ μὲν εἶναι παρὰ πολλὸν ἀμείνους νεοστρατεύτων ἔτι ὄντων δέκα ἔτεσιν ἡσκημένοι, εἰς δὲ ταφρείας ἢ περιτειχίσεις ἢ σιτολογίας ἐπιπόνους ἀσθενέστεροι διὰ γῆρας· ὅλως τε κάμνουσιν αὐτοῖς ἐδόκει δρᾶν τι ... μετ' ἀργίας ἢ λιμῷ διαφθαρῆναι. ὧν ὁ Πομπήιος αἰσθανόμενος ἐπικίνδυνον μὲν ἡγεῖτο γεγυμνασμένοις καὶ ἀπογινώσκουσιν αὐτῶν ἀνδράσι καὶ τύχῃ Καίσαρος

λαμπρᾷ περὶ τῶν ὅλων συνενεχθῆναι δι' ἑνὸς ἔργου, δυνατώτερον δὲ καὶ ἀκινδυνότερον ἐκτῦσαι ταῖς ἀπορίαις αὐτοὺς οὔτε γῆς εὐπόρου κρατοῦντας οὔτε θαλάσσης χρωμένους οὔτε ναὺς ἐς φυγὴν ταχέϊαν ἔχοντας.

ὁ μὲν δὴ κρατίστῳ λογισμῷ τρίβειν τὸν πόλεμον ἐγνώκει, καὶ ἐς λοιμὸν ἐκ λιμοῦ τοὺς πολεμίους περιφέρειν: [67] πολὺ δ' ἄμφ' αὐτὸν πλῆθος ἀνδρῶν ἀπὸ τε τῆς βουλῆς ὁμοτίμων οἱ καὶ τῶν καλουμένων ἱππέων οἱ διαφανέστατοι βασιλέες τε πολλοὶ καὶ δυνάσται, οἱ μὲν ὑπ' ἀπειρίας, οἱ δ' ἀμέτρως τοῖς περὶ τὸ Δυρράχιον εὐπραγίμασιν ἐπηρμένοι, εἰσὶ δ' οἱ καὶ τῷ πλέονες εἶναι τῶν πολεμίων, οἱ δὲ καὶ κάμνοντες ὅλως τῷ πολέμῳ τὴν κρίσιν ταχύτεραν μᾶλλον ἢ πρέπουσαν ἐπειγόμενοι γενέσθαι, πάντες ἐξώτρυνον αὐτὸν ἐς τὴν μάχην, ἐπιδεικνύοντες αἰεὶ τὸν Καίσαρα παρατάττοντά τε καὶ προκαλούμενον. ὁ δ' ἐξ αὐτοῦ μάλιστα τοῦδε αὐτοὺς ἀνεδίδασκεν, ὅτι Καίσαρι μὲν τοῦτ' ἐξ ἀπορίας ἀναγκαῖον ἦν, σφίσι δὲ καὶ διὰ τοῦτ' εὐκαιρον ἡσυχάζειν, ὅτι Καῖσαρ ὑπ' ἀνάγκης ἐπείγοιτο. ἐνοχλούμενος δὲ ὑπὸ τε τοῦ στρατοῦ παντὸς ἐπηρμένου τοῖς περὶ τὸ Δυρράχιον ἀμέτρως καὶ τῶν ἐπ' ἀξιώσεως αὐτὸν ἐπιτωθαζόντων ἐς φιλαρχίαν ὡς ἐκόντα βραδύνοντα, ἴν' ἀνδρῶν ὁμοτίμων τοσῶνδε ἄρχοι, καὶ ἐπὶ τῷδε αὐτὸν βασιλέα τε βασιλέων καὶ Ἀγαμέμνονα καλούντων, ὅτι κάκεῖνος βασιλέων διὰ τὸν πόλεμον ἤρχεν, ἐξέστη τῶν οἰκείων λογισμῶν καὶ ἐνέδωκεν αὐτοῖς, θεοῦ βλάπτοντος ἤδη καὶ τᾶλλα παρ' ὅλον τόνδε τὸν πόλεμον. νωθῆς τε γὰρ καὶ βραδὺς παρὰ τὴν αὐτοῦ φύσιν ἐν ᾧασι γεγωνῶς παρεσκευάζετο ἄκων ἐς μάχην ἐπὶ κακῷ τε αὐτοῦ καὶ τῶν αὐτὸν ἀναπειθόντων.

[68] Καίσαρι δὲ τῆς νυκτὸς ἐκείνης τρία μὲν ἐπὶ σιτολογίαν ἐξῆει τέλη ἃ τὸν γὰρ Πομπήιον ἐπαινῶν τῆς βραδυτῆτος καὶ οὐδαμοῦ νομίζων μεταθήσεσθαι τοῦ βουλευματος περιέπεμπεν ἐπὶ σίτον, πυθόμενος δὲ τῆς παρασκευῆς ἦσθη τε τῆς ἀνάγκης, ἣν εἴκαζεν ἠναγκάσθαι Πομπήιον ὑπὸ τοῦ στρατοῦ, καὶ τὸν ἑαυτοῦ τάχιστα ἀνεκάλει πάντα καὶ ἀντιπαρεσκευάζετο. θυόμενός τε νυκτὸς μέσης τὸν Ἄρη κατεκάλει καὶ τὴν ἑαυτοῦ πρόγονον Ἀφροδίτην ἔκ γὰρ Αἰνείου καὶ Ἰλου τοῦ Αἰνείου τὸ τῶν Ἰουλίων γένος παρενεχθέντος τοῦ ὀνόματος ἡγεῖτο εἶναι, νεῶν τε αὐτῇ νικηφόρῳ χαριστήριον ἐν Ῥώμῃ ποιήσιν εὐχετο κατορθώσας. ὥς δὲ καὶ σέλας ἐξ οὐρανοῦ διαπτὰν ἀπὸ τοῦ Καίσαρος ἐς τὸ Πομπηίου στρατόπεδον ἐσβέσθη, οἱ μὲν ἀμφὶ τὸν Πομπήιον ἔσσεσθαι τι λαμπρὸν αὐτοῖς ἔφασαν ἐκ τῶν πολεμίων, ὁ δὲ Καῖσαρ σβέσειν αὐτὸς ἐμπεσὼν τὰ Πομπηίου. αὐτῷ δὲ τῷ Πομπηίῳ τῆς αὐτῆς νυκτὸς τινα τῶν ἱερείων ἐκφυγόντα οὐ συνελήφθη, καὶ μελισσῶν ἐσμός ἐπὶ τοῖς βωμοῖς ἐκάθισε, ζώου νωχελοῦς. μικρὸν τε πρὸ ἔω πανικὸν ἐνέπεσεν αὐτοῦ τῷ στρατῷ: καὶ τότε περιδραμὼν αὐτὸς καὶ καταστήσας ἀνεπαύετο σὺν ὕπνῳ βαθεῖ: περιεγειράντων δ' αὐτὸν τῶν φίλων, ὄναρ ἔφασκεν ἄρτι νεῶν ἐν Ῥώμῃ καθιεροῦν Ἀφροδίτῃ νικηφόρῳ.

[69] καὶ τότε μὲν ἀγνοίᾳ τῆς Καίσαρος εὐχῆς οἱ τε φίλοι καὶ ὁ στρατὸς ἅπας πυθόμενοι ἦδοντο, καὶ τᾶλλα ἀλόγως σὺν ὀρμῇ καὶ καταφρονήσει χωροῦντες ἐπὶ τὸ ἔργον ὡς ἐπὶ ἔτοιμον. ὦν γε πολλοὶ καὶ τὰς σκηνὰς δάφναις ἀνέστεφον ἤδη, συμβόλῳ νίκης: καὶ οἱ θεράποντες αὐτοῖς δαῖτα λαμπροτάτην ἐπόρσυνον: εἰσὶ δ' οἱ καὶ περὶ τῆς Καίσαρος ἀρχιερωσύνης ἐς ἀλλήλους ἦδη

διηρίζον. ἅπερ ὁ Πομπήιος οἷα πολέμων ἔμπειρος ἀπεστρέφετο καὶ νεμεσῶν ἐπ' αὐτοῖς ἐνεκαλύπτετο, κατεσιώπα δ' ὁμως ὑπὸ ὄκνου καὶ δέους, ὥσπερ οὐ στρατηγῶν ἔτι, ἀλλὰ στρατηγούμενος καὶ πάντα πράσσων ὑπὸ ἀνάγκης παρὰ γνώμην. τοσοῦτον ἀνδρὶ μεγαλουργῶ καὶ παρὰ πᾶν ἔργον ἐς ἐκείνην τὴν ἡμέραν εὐτυχεστάτῳ γενομένῳ τὸ δύσθυμον ἐνεπεπτώκει, εἴτε ὅτι τὰ συμφέροντα κρίνων οὐκ ἔπειθεν, ἀλλ' ἐπὶ κύβον ἐχώρει πλήθους ἀνδρῶν τοσῶνδε σωτηρίας καὶ τῆς ἑαυτοῦ δόξης ἐς τότε ἀητητήτου· εἴτε τι καὶ μαντικώτερον αὐτὸν πλησιάζοντος ἤδη τοῦ κακοῦ συνετάρασσε, μέλλοντα τῆς ἡμέρας ἐκείνης ἐκ δυναστείας τοσῆσδε ἀθρόως ἐκπεσεῖσθαι. τοσοῦτον δ' οὖν εἰπὼν τοῖς φίλοις, ὅτι ἦδε ἡ ἡμέρα, ὁπότερος ἂν ἐπικρατήσῃ, μεγάλων ἐς αἰεὶ Ῥωμαίοις ἄρξει κακῶν, παρέτασεν ἐς τὴν μάχην· ᾧ δὴ καὶ μάλιστα αὐτοῦ τὴν διάνοιαν προπεσεῖν τινες ἐν τῷ φόβῳ νομίζοντες ἡγοῦντο οὐδ' ἂν Πομπήιον κρατήσαντα μεθεῖναι τὴν μοναρχίαν.

[70] στρατιὰ δ' ἦν, ὡς ἐμοὶ δοκεῖ, πολλῶν ἀμφίλογα εἰπόντων ἐπομένῳ μάλιστα Ῥωμαίων τοῖς τὰ πιθανώτατα γράφουσι περὶ τῶν ἐξ Ἰταλίας ἀνδρῶν, οἷς δὴ καὶ μάλιστα θαρροῦντες τὰ συμμαχικὰ οὐκ ἀκριβοῦσιν οὐδὲ ἀναγράφουσιν ὡς ἀλλότρια καὶ ὀλίγην ἐν αὐτοῖς εἰς προσθήκην χώραν ἔχοντα, Καίσαρι μὲν ἐς δισχιλίους ἐπὶ δισμυρίοις, καὶ τούτων ἱππées ἦσαν ἀμφὶ τοὺς χιλίους, Πομπηίῳ δὲ ὑπὲρ τὸ διπλάσιον, καὶ τούτων ἱππées ἐς ἐπτακισχιλίους. ὧδε μὲν τοῖς τὰ πιθανώτατα λέγουσι δοκεῖ μυριάδας ἐπὶ ἀνδρῶν Ἰταλῶν συμπεσεῖν ἀλλήλοις ἐς μάχην· οἱ δ' ὀλιγωτέρους ἐξακισμυρίων φασίν, οἱ δ' ὑπερεπαίροντες τεσσαράκοντα μυριάδας γενέσθαι λέγουσι. καὶ τούτων οἱ μὲν ἡμιόλιον, οἱ δὲ ἐκ τριῶν νομίζουσιν ἀμφὶ τὰ δύο τῷ Πομπηίῳ γενέσθαι μέρη. τοσάδε μὲν ἀμφιγνοοῦσι περὶ τοῦ ἀκριβοῦς· ὅπως δ' οὖν εἶχε, τοῖσδε μάλιστα τοῖς ἐξ Ἰταλίας ἐκάτερος αὐτῶν ἐθάρρει. τὸ δὲ συμμαχικὸν ἦν Καίσαρι μὲν ἱππées τε Κελτοὶ ... καὶ Κελτῶν τῶν ὑπὲρ Ἄλπεις ἀριθμὸς ἄλλος· Ἑλλήνων δ' ἐπέλταζον αὐτῷ Δόλοπες, Ἀκαρνᾶνες, Αἰτωλοί. τοσοῖδε μὲν τῷ Καίσαρι συνεμάχουν, Πομπηίῳ δὲ πάντα τὰ ἐῷα ἔθνη κατὰ πλῆθος, οἱ μὲν ἐξ ἵππων, οἱ δὲ πεζοί, ἀπὸ μὲν τῆς Ἑλλάδος Λάκωνες ὑπὸ τοῖς ἰδίῳις βασιλεῦσι τασσόμενοι, καὶ ἡ ἄλλη Πελοπόννησος καὶ Βοιωτοὶ μετ' αὐτῶν. ἐστράτευον δὲ καὶ Ἀθηναῖοι, κηρυξάντων μὲν αὐτοὺς ἐκατέρων μὴ ἀδικεῖν τὸν στρατὸν ὡς ἱεροὺς τῶν Θεοδοφόρων, πρὸς δὲ τὴν δόξαν ἄρα τοῦ πολέμου τραπέντες ὡς ὑπὲρ τῆς Ῥωμαίων ἡγεμονίας ἀγωνιούμενοι.

[71] ἐπὶ δὲ τοῖς Ἑλλήσιν ὀλίγου πάντες, ὅσοι περιούντι τὴν ἐν κύκλῳ θάλασσαν ἐπὶ τὴν ἕω, Θρᾷκές τε καὶ Ἑλλησπόντιοι καὶ Βιθυνοὶ καὶ Φρύγες καὶ Ἴωνες, Λυδοὶ τε καὶ Παμφύλιοι καὶ Πισίδαι καὶ Παφλαγόνες, καὶ Κιλικία καὶ Συρία καὶ Φοινίκη καὶ τὸ Ἑβραίων γένος καὶ Ἀραβες οἱ τούτων ἐχόμενοι Κύπριοι τε καὶ Ῥόδιοι καὶ Κρήτες σφενδονῆται καὶ ὅσοι ἄλλοι νησιῶται. παρῆσαν δὲ καὶ βασιλέες καὶ δυνάσται στρατὸν ἄγοντες, Δηϊόταρος μὲν τετράρχης Γαλατῶν τῶν ἐφ' ὧν, Ἀριαράθης δὲ Καππαδοκῶν βασιλεὺς. Ἀρμενίους δὲ ἦγε τοὺς ἐντὸς Εὐφράτου στρατηγὸς Ταξίλης καὶ Ἀρμενίους τοὺς ὑπὲρ Εὐφράτην Μεγαβάτης, ὑπαρχος Ἀρταπάτου βασιλέως· ἄλλοι τε μικροὶ δυνάσται συνεπελαμβάνοντο τοῦ πόνου. λέγονται· δὲ καὶ ἀπ'

[76] ἡγούντο δὲ τῆς φάλαγγος Πομπήϊο μὲν ὁ κηδεστὴς Σκιπίων ἐν μέσῳ καὶ ἐπὶ τοῦ λαιοῦ Δομίτιος, ἐπὶ δὲ τοῦ δεξιοῦ Λέντλος: Ἀφράνιος δὲ καὶ Πομπήιος τὸ στρατόπεδον ἐφύλαττον. [77] ὥς δὲ σφίσιν ἔτοιμα πάντα ἦν, ἐπὶ πολὺ καὶ ὥς ἀνέμενον ἐν βαθείᾳ σιωπῇ, μέλλοντες ἔτι καὶ ὀκνοῦντες καὶ ἐς ἀλλήλους ἀποβλέποντες, ὁπότερος ἄρξει τῆς μάχης. τό τε γὰρ πλῆθος ὥκτειρον, οὐδενός πω τοσοῦδε Ἰταλοῦ στρατοῦ ἐς ἓνα κίνδυνον συνελθόντος, καὶ τὴν ἀρετὴν ἐκκρίτων ὄντων ἐκατέρων ἠλέουν, καὶ μάλιστα, ὅτε ἴδοιεν Ἰταλοὺς Ἰταλοῖς συμφερομένους. ἐγγὺς τε τοῦ κακοῦ γιγνομένοις αὐτοῖς ἢ μὲν ἐκκαίουσα καὶ τυφλοῦσα πάντα φιλοτιμία ἐσβέννυτο καὶ μετέβαλλεν ἐς δέος, ὁ δὲ λογισμὸς ἐκαθάρυνε δοξοκοπίας καὶ τὸν κίνδυνον ἐμέτρει καὶ τὴν αἰτίαν, ὅτι περὶ πρωτείων δύο ἄνδρε ἐρίζοντε ἀλλήλοιν αὐτῷ τε κινδυνεύετον ἀμφὶ τῇ σωτηρίᾳ, μὴδ' ἐσχάτῳ πάντων ἡττηθέντε ἔτι εἶναι, καὶ τοσόνδε πλῆθος ἀνδρῶν ἀγαθῶν δι' αὐτοῦς. ἐσῆι δὲ σφᾶς, ὅτι φίλοι καὶ κηδεσταὶ τέως ὄντες καὶ πολλὰ συμπράξαντες ἀλλήλοις ἐς ἀξίωμα καὶ δύναμιν, ξίφη νῦν φέρουσι κατ' ἀλλήλων καὶ τοὺς ὑποστρατευομένους ἐς ὁμοίας ἀθεμιστίας ἄγουσιν, ὁμοεθνεῖς τε ὄντας ἀλλήλοις καὶ πολίτας καὶ φυλέτας καὶ συγγενεῖς, ἐνίους δὲ καὶ ἀδελφούς· οὐδὲ γὰρ ταῦτα ἐνέλειπεν ἐκείνῃ τῇ μάχῃ, ἀλλ' ὥς ἐν τοσαῖσδε μυριάσιν ἐξ ἐνὸς ἔθνους ἐπ' ἀλλήλας ἰούσαις πολλὰ τὰ παράδοξα συνέπιπτεν. ὢν ἐνθυμούμενος ἐκάτερος μετανόιας τε οὐ δυνατῆς ἔτι ἐν τῷ παρόντι ἐνεπίμπλατο καὶ ὥς ἐσόμενος ἐκείνῃ τῇ ἡμέρᾳ τῶν ἐπὶ γῆς ἢ πρῶτος ἢ τελευταῖος ὥκνει τοσῆσδε ἀμφιβολίας ἄρξαι. καὶ φασιν αὐτῶν ἐκάτερον καὶ δακρῦσαι.

Καῖσαρος δὲ τὸ σημεῖον τοῖς ἐφεδρεῖουσιν ἄραντος, οἱ μὲν ἐξαναστάντες ἐς τοὺς ἵππους ἐχώρουν, ὀρθοῖς ἄνω τοῖς δόρασιν ἐς τὰ πρόσωπα τύπτοντες τοὺς ἐπικαθημένους, οἱ δ' οὐκ ἐνεγκόντες αὐτῶν οὔτε τὴν ἀπόνοιαν οὔτε τὰς ἐπὶ στόμα καὶ κατ' ὀφθαλμοὺς πληγὰς ἐφευγον ἀκόσμως. καὶ τὸ ἐνταῦθα πεζὸν εὐθὺς ἱππέων ἔρημον γενόμενον ἐκυκλοῦντο οἱ τοῦ Καίσαρος ἱππέες, αὐτοὶ δέισαντες περικύκλωσιν.

[80] ὥς δὲ ἐνέδωκε τὸ λαιὸν τοῦ Πομπηίου, αὐτοὶ μὲν καὶ τότε βάδην ὑπεχώρουν ἅμα καὶ συνεπλέκοντο, οἱ δὲ σύμμαχοι προτροπάδην ἔφευγον ἄπρακτοι, βοῶντες: 'ἡσσήμεθα.' καὶ τὰς σκηνὰς σφῶν αὐτοὶ καὶ τὰ χαρακώματα ὥς ἀλλότρια προλαβόντες διέσπων καὶ διήρπαζον ἐς τὴν φυγὴν ὃ τι δύναιντο ἐπάγεσθαι. ἤδη δὲ καὶ τὸ ἄλλο τῶν Ἰταλῶν ὀπλιτικὸν τῆς ἐπὶ τάδε ἥσσης αἰσθανόμενον ὑπεχώρει κατὰ πόδα, πρῶτον ἐν κόσμῳ καὶ ἔτι ἐκ τῶν δυνατῶν ἀμυνόμενοι: ἐπικειμένων δ' αὐτοῖς ὥς ἐν εὐπραξίᾳ τῶν πολεμίων ἐστράφησαν ἐς φυγὴν. καὶ ὁ Καῖσαρ εὐμηχάνως δὴ τότε μάλιστα, ἵνα μὴ συνέλθοιεν αὐθις μηδὲ τὸ ἔργον γένοιτο μάχης μιᾶς, ἀλλὰ παντὸς τοῦ πολέμου, κήρυκας ἐς τὰς τάξεις πανταχοῦ περιέπεμπεν, οἱ τοῖς νικῶσιν ἐκέλευον ἀψαυστεῖν τῶν ὁμοεθνῶν, ἐπὶ δὲ τοὺς συμμάχους μόνους χωρεῖν. καὶ τοῖς ἡττωμένοις προσεπέλαζον παραινοῦντες ἀδεῶς ἐστάναι. ἀνὴρ τε παρ' ἀνδρὸς ἐκμανθάνων τὸ κήρυγμα εἰστήκει: καὶ σύμβολον ἤδη τοῦτο τῶν Πομπηίου στρατιωτῶν ἦν, τὸ ἀδεῶς ἐστάναι, τὰ ἄλλα ὥς Ἰταλῶν ὁμοιοτρόπως ἐσκευασμένων τε καὶ φωνὴν ὁμοίαν ἀφιέντων. διεκθέοντες δ' αὐτοὺς οἱ τοῦ Καίσαρος τοὺς συμμάχους οὐ δυναμένους ἀντέχειν ἀνήρουν: καὶ ὁ πλεῖστος ἐνταῦθα ἐγίγνετο φόνος.

[81] Πομπήιος δ' ἐπεὶ τὴν τροπὴν εἶδεν, ἔκφρων αὐτοῦ γενόμενος ἀπήει βάδην ἐς τὸ στρατόπεδον καὶ παρελθὼν ἐς τὴν σκηνὴν ἐκαθέζετο ἄναυδος, οἷόν τι καὶ τὸν Τελαμῶνος Αἰάντᾴ φασιν ἐν Ἰλίῳ παθεῖν, ἐν μέσοις πολεμίοις ὑπὸ θεοβλαβείας. τῶν δ' ἄλλων ὀλίγοι πάνυ ἐσῆεσαν ἐς τὸ στρατόπεδον: τὸ γὰρ κήρυγμα τοῦ Καίσαρος ἐστάναι τε ἀκινδύνως ἐποίει, καὶ παραδραμόντων τῶν πολεμίων διεσκίδνη κατὰ μέρος. ληγούσης δὲ τῆς ἡμέρας ὁ Καῖσαρ τὸν στρατὸν ἀσχέτως που περιθέων ἰκέτευε προσπονῆσαι, μέχρι καὶ τὸν χάρακα τοῦ Πομπηίου λάβοιεν, ἐκδιδάσκων, ὅτι, εἰ συσταῖεν αὐθις οἱ πολέμιοι, μίαν ἡμέραν ἔσονται νενικηκότες, εἰ δὲ τὸ στρατόπεδον αὐτῶν ἔλοιεν, τὸν πόλεμον ἐνὶ τῷδε ἔργῳ κατωρθωκότες ἂν εἶεν. τὰς τε οὖν χεῖρας αὐτοῖς ὥρεγε καὶ πρῶτος ἐξῆρχε δρόμου. τοῖς δὲ τὰ μὲν σώματα ἔκαμνε, τὴν δὲ ψυχὴν ὃ τε λογισμὸς καὶ ὁ αὐτοκράτωρ συντρέχων ἐκούφιζεν. ἠώρει δὲ καὶ ἡ τῶν γεγονότων εὐπραξία καὶ ἐλπίς, ὅτι καὶ τὸν χάρακα αἰρήσουσι καὶ πολλὰ τὰ ἐν αὐτῷ: ἥκιστα δ' ἐν ἐλπίσιν ἢ εὐτυχίαις ἀνθρώποι καμάτων αἰσθάνονται. οἱ μὲν δὴ καὶ τῷδε προσπεσόντες ἐπεχείρουν σὺν πολλῇ πρὸς τοὺς ἀπομαχομένους καταφρονήσει, ὁ δὲ Πομπήιος μαθὼν ἐξ ἀλλοκότου σιωπῆς

τοσοῦτον ἀπέρρηξεν: ‘οὐκοῦν καὶ ἐπὶ τὸν χάρακα ἡμῶν;’ καὶ εἰπὼν τὴν τε στολὴν ἐνήλλαξε καὶ ἵππου ἐπιβάς σὺν φίλοις τέσσαρσιν οὐκ ἀνέσχε δρόμου, πρὶν ἀρχομένης ἡμέρας ἐν Λαρίσσει γενέσθαι. ὁ δὲ Καῖσαρ, ὡς ἐπηπείλησε παρατάσσων, ἐν τῷ Πομπηίου χάρακι ἐστάθμευσε, καὶ αὐτός τε τὴν ἐκείνου βρώμην καὶ ὁ στρατὸς ἅπας τὴν τῶν πολεμίων ἐδαΐσαντο.

[82] ἀπέθανον δὲ ἑκατέρων, τῶν γε Ἰταλῶν ‘οὐ γὰρ δὴ τῶν γε συμμαχῶν οὐδ’ ἐξαριθμησις ἐγένετο ὑπὸ πλήθους καὶ καταφρονήσεως’ ἐκ μὲν τοῦ Καίσαρος στρατοῦ τριάκοντα λοχαγοὶ καὶ ὀπλίται διακόσιοι, ἡ, ὡς ἑτέροις δοκεῖ, χίλιοι καὶ διακόσιοι, ἐκ δὲ τῶν Πομπηίου βουλευται μὲν δέκα, ὧν ἦν καὶ Λεύκιος Δομίτιος, ὁ αὐτῷ Καίσαρι πεμφθεὶς ἐπὶ τὴν Γαλατίαν διάδοχος, τῶν δὲ καλουμένων ἱππέων ἀμφὶ τεσσαράκοντα τῶν ἐπιφανῶν: ἐκ δὲ τῆς ἄλλης στρατιᾶς οἱ μὲν ἐπαίροντές φασι δισμυρίους ἐπὶ πεντακισχιλίοις, Ἀσίνιος δὲ Πολλίων, ὑπὸ Καίσαρι τῆς μάχης ἐκείνης στρατηγῶν, ἐξακισχιλίους ἀναγράφει νεκροὺς εὐρεθῆναι τῶν Πομπηίου.

τοῦτο τέλος ἦν τῆς αὐοιδίμου περὶ Φάρσαλον μάχης. ἀριστεῖα δ’ ὁ μὲν Καῖσαρ αὐτὸς καὶ πρῶτα καὶ δευτέρα ἐκ πάντων ἐφέρετο, ὁμολογούμενος ἀριστεῦσαι, καὶ σὺν αὐτῷ τὸ τέλος τὸ δέκατον: τὰ δὲ τρίτα Κρασσίνιος λοχαγός, ὃν Καῖσαρ μὲν ἐξίων ἐπὶ τὴν μάχην ἤρετο, ὃ τι προσδοκῶν, ὁ δὲ λαμπρῶς ἀνεβόησε: ‘νικήσομεν, ὦ Καῖσαρ, κάμει τήμερον ἡ ζῶντα ἢ νεκρὸν ἀποδέξει;’ ἡ στρατιὰ δ’ ἐμαρτύρει καθάπερ ἔνθουν ἐς ἐκάστην τάξιν μεταθέοντα πολλὰ καὶ λαμπρὰ δρᾶσαι. ἐπεὶ δὲ ζητούμενος ἐν τοῖς νεκροῖς εὐρέθη, τὰ ἀριστεῖα ὁ Καῖσαρ αὐτῷ περιέθηκε καὶ συνέθαψε καὶ τάφον ἐξαίρετον ἀνέστησεν ἐγγὺς τοῦ πολυανδρίου.

[83] ὁ δὲ Πομπήιος ἐκ Λαρίσσης ὁμοίῳ δρόμῳ μέχρι θαλάσσης ἐπειχθεὶς σκάφους ἐπέβη σμικροῦ καὶ νεῶς παραπλευούσης ἐπιτυχὼν ἐς Μιτυλήνην διέπλευσεν: ὅθεν τὴν γυναῖκα Κορνηλίαν ἀναλαβὼν καὶ τριήρων τεσσάρων ἐπιβάς, αἱ αὐτῷ παρά τε Ῥοδίων καὶ Τυρίων ἀφίκοντο, Κερκύρας μὲν καὶ τότε καὶ Λιβύης ὑπερεΐδεν, ἔνθα αὐτῷ στρατὸς ἦν ἄλλος πολὺς καὶ ναυτικὸν ἀκραιφνές, ἐπὶ δὲ τὴν ἔω φερόμενος ἐπὶ τὸν Παρθυαῖον ὡς δι’ ἐκείνου πάντα ἀναληψόμενος τὸ ἐνθύμημα ἐπέκρυπτε, μέχρι περὶ τὴν Κιλικίαν μόλις ἐξέφερε τοῖς φίλοις. οἱ δὲ αὐτὸν ἡξίουں φυλάσσεσθαι τὸν Παρθυαῖον, ἐπιβεβουλευμένον τε ἑναγχος ὑπὸ Κράσσου καὶ θυμούμενον ἔτι τῇ Κράσσου συμφορᾷ, μὴδ’ ἐς ἀκρατεῖς βαρβάρους ἄγειν εὐπρεπὴ γυναῖκα Κορνηλίαν, Κράσσου μάλιστα γεγεννημένην. δευτέρα δ’ αὐτοῦ προθέντος περὶ τε Αἰγύπτου καὶ Ἰόβα, Ἰόβα μὲν ὑπερεώρων ὡς ἀδόξου, ἐς δὲ τὴν Αἴγυπτον αὐτῷ συνεφρόνουν, ἐγγὺς τε οὔσαν καὶ μεγάλην ἀρχήν, ἔτι δὲ καὶ εὐδαίμονα καὶ δυνατὴν ναυσὶ καὶ σίτῳ καὶ χρήμασι: τοὺς τε βασιλεύοντας αὐτῆς, εἰ καὶ παῖδές εἰσι, πατρικοὺς εἶναι τῷ Πομπηίῳ φίλους.

[84] ὁ μὲν δὴ διὰ τάδε ἐς τὴν Αἴγυπτον ἔπλει: ἄρτι δ’ ἐκπεσούσης ἀπ’ Αἰγύπτου Κλεοπάτρας, ἡ τῷ ἀδελφῷ συνῆρχε, καὶ στρατὸν ἀμφὶ τὴν Συρίαν ἀγειρούσης, Πτολεμαῖος ὁ τῆς Κλεοπάτρας ἀδελφὸς ἀμφὶ τὸ Κάσσιον τῆς Αἰγύπτου ταῖς Κλεοπάτρας ἐσβολαῖς ἐφῆδρενε, καὶ πῶς κατὰ δαίμονα ἐς τὸ Κάσσιον τὸ πνεῦμα τὸν Πομπήιον κατέφερε. θεασάμενος δὲ στρατὸν ἐπὶ τῆς γῆς πολὺν ἔστησε τὸν πλοῦν καὶ εἵκασεν, ὅπερ ἦν, παρεῖναι τὸν βασιλέα.

πέμψας τε ἔφραζε περὶ ἑαυτοῦ καὶ τῆς τοῦ πατρὸς φιλίας. ὁ δὲ ἦν μὲν περὶ τρισκαίδεκα ἔτη μάλιστα γεγονώς, ἐπετρόπευον δ' αὐτῷ τὴν μὲν στρατιάν Ἀχιλλᾶς, τὰ δὲ χρήματα Ποθεινὸς εὐνοῦχος· οἱ βουλὴν προντίθεντο περὶ τοῦ Πομπηίου. καὶ παρὼν ὁ Σάμιος Θεόδοτος ὁ ῥήτωρ, διδάσκαλος ὢν τοῦ παιδός, ἀθέμιστον εἰσηγεῖτο ἔργον, ἐνεδρεῦσαι καὶ κτεῖναι Πομπήιον ὡς χαριουμένους Καίσαρι. κυρωθείσης δὲ τῆς γνώμης σκάφος εὐτελὲς ἐπ' αὐτὸν ἐπέμπετο, ὡς τῆς θαλάσσης οὔσης ἀλιτενοῦς καὶ μεγάλαις ναυσὶν οὐκ εὐχεροῦς, ὑπηρεταὶ τέ τινες τῶν βασιλικῶν ἐνέβαινον ἐς τὸ σκάφος. καὶ Σεμπρώνιος, ἀνὴρ Ῥωμαῖος τότε μὲν τῷ βασιλεῖ, πάλαι δὲ αὐτῷ Πομπηίῳ στρατευσάμενος, δεξιάν ἔφερε παρὰ τοῦ βασιλέως τῷ Πομπηίῳ καὶ ἐκέλευεν ὡς ἐς φίλον τὸν παῖδα διαπλευσαι. ἅμα δὲ ταῦτ' ἐγίγνετο, καὶ ὁ στρατός ὥσπερ ἐπὶ τιμῇ τοῦ Πομπηίου παρὰ τὸν αἰγιαλὸν ἐξετάσσετο ἅπας, καὶ ὁ βασιλεὺς ἐν μέσῳ τῇ φοινικίδι κατάδηλος ἦν περικειμένῃ.

[85] ὁ δὲ Πομπήιος ὑπώπτευε μὲν ἅπαντα, καὶ τὴν παράταξιν τοῦ στρατοῦ καὶ τὴν τοῦ σκάφους εὐτέλειαν καὶ τὸ μὴ τὸν βασιλέα αὐτόν οἱ παραγενέσθαι μηδὲ τῶν ἐπιφανῶν τινὰς πέμψαι· τοσοῦτο δ' ἐκ τῶν Σοφοκλέους ἱαμβείων πρὸς ἑαυτὸν ἀνενεγκών· 'ὅστις γὰρ ὡς τύραννον ἐμπορεύεται, κείνου 'στὶ δοῦλος, κἂν ἐλεύθερος μόλῃ,' ἐνέβαινεν ἐς τὸ σκάφος. καὶ ἐν τῷ διάπλω σιωπώντων ἁπάντων ἔτι μᾶλλον ὑπώπτευε· καὶ τὸν Σεμπρώνιον εἴτε ἐπιγινώσκων Ῥωμαῖον ὄντα καὶ ἐστρατευμένον ἑαυτῷ, εἴτε τοπάζων ἐκ τοῦ μόνον ἐστάναι, κατὰ δὴ τὴν στρατιωτικὴν ἄρα διδασκαλίαν οὐ συνεδρεύοντα αὐτοκράτορι, ἐπιστραφεὶς ἐς αὐτὸν εἶπεν· 'ἄρα σε γινώσκω, συστρατιῶτα;' καὶ ὃς αὐτίκα μὲν ἐπένευσεν, ἀποστραφέντα δ' εὐθὺς ἐπάταξε πρῶτος, εἴθ' ἕτεροι. καὶ τὸ μὲν γύναιον τοῦ Πομπηίου καὶ οἱ φίλοι ταῦτα μακρόθεν ὀρῶντες ἀνῶμωζόν τε καὶ χεῖρας ἐς θεοὺς ἐκδίκους σπονδῶν ἀνίσχοντες ἀπέπλεον τάχιστα ὡς ἐκ πολεμίας.

[86] Πομπηίου δὲ τὴν μὲν κεφαλὴν ἀποτεμόντες οἱ περὶ Ποθεινὸν ἐφύλασσαν Καίσαρι ὡς ἐπὶ μεγίσταις ἀμοιβαῖς ὁ δὲ αὐτοὺς ἡμύνατο ἀξίως τῆς ἀθεμιστίας, τὸ δὲ λοιπὸν σῶμά τις ἔθαπεν ἐπὶ τῆς ἡϊόνος καὶ τάφον ἤγειρεν εὐτελεῖ· καὶ ἐπίγραμμα ἄλλος ἐπέγραψε· 'τῷ ναοῖς βρίθοντι πόση ἀπάνις ἔπλετο τύμβου.'

χρόνῳ δὲ τὸν τάφον τόνδε ἐπικρυφθέντα ὄλον ὑπὸ ψάμμου καὶ εἰκόνας, ὅσας ἀπὸ χαλκοῦ τῷ Πομπηίῳ περὶ τὸ Κάσσιον ὕστερον οἱ προσήκοντες ἀνέθηκαν, λελωβημένα πάντα καὶ ἐς τὸ ἄδυτόν του ἱεροῦ κατενεχθέντα ἐζήτησε καὶ εὗρεν ἐπ' ἐμοῦ Ῥωμαίων βασιλεὺς Ἀδριανὸς ἐπιδημῶν, καὶ τὸν τάφον ἀνεκάθηρε γνώριμον αὐθις εἶναι καὶ τὰς εἰκόνας αὐτοῦ Πομπηίου διωρθώσατο.

τόδε μὲν δὴ τοῦ βίου τέλος ἦν Πομπηίῳ τῷ μεγίστους πολέμους ἀνύσαντι καὶ μέγιστα τὴν Ῥωμαίων ἀρχὴν ὠφελήσαντι καὶ Μεγάλῳ διὰ ταῦτα ὀνομασθέντι καὶ οὐχ ἡττηθέντι ποτὲ πρότερον, ἀλλὰ ἀηττήτῳ καὶ εὐτυχεστάτῳ ἐξέτι νέου γενομένου· ἀπὸ γὰρ τριῶν καὶ εἴκοσιν ἐτῶν οὐ διέλιπεν ἐς ὀκτῶ καὶ πεντήκοντα τῇ μὲν ἰσχύϊ μοναρχικῶς δυναστεύων, τῇ δὲ δόξῃ διὰ τὸν Καίσαρος ζῆλον δημοτικῶς νομιζόμενος ἄρχειν.

[87] Λεύκιος δὲ Σκιπίων, ὁ κηδεστὴς τοῦ Πομπηίου, καὶ ὅσοι ἄλλοι τῶν

ἐπιφανῶν ἐκ τοῦ κατὰ Φάρσαλον ἔργου διεπεφεύγεσαν, ἐπὶ Κερκύρας ἠπείγοντο πρὸς Κάτωνα, ἐτέρου στρατοῦ καὶ τριακοσίων τριήρων ἄρχειν ὑπολελειμμένον, εὐβουλότερον οἶδε τοῦ Πομπηίου. καὶ αὐτῶν οἱ περιφανέστατοι νειμάμενοι τὸ ναυτικόν, Κάσσιος μὲν ἐς τὸν Πόντον ἔπλει πρὸς Φαρνάκην ὡς ἀναστήσων αὐτὸν ἐπὶ Καίσαρα, Σκιπίων δὲ καὶ Κάτων ἐς Λιβύην ἔπλεον, Οὐάρῳ τε πίσυνοι καὶ τῷ μετὰ Οὐάρου στρατῷ καὶ Ἰόβα Νομάδων βασιλεῖ συμμαχοῦντι. Πομπήιος δ', ὁ τοῦ Πομπηίου πρεσβύτερος υἱός, καὶ Λαβιηνὸς σὺν αὐτῷ καὶ Σκάπλας τὸ μέρος ἔχοντες ἠπείγοντο ἐς Ἰβηρίαν καὶ αὐτὴν ἀποστήσαντες ἀπὸ τοῦ Καίσαρος στρατὸν ἄλλον ἐξ αὐτῶν Ἰβήρων τε καὶ Κελτιβήρων καὶ θεραπόντων συνέλεγον ἓν τε παρασκευῇ μείζονι ἐγίνοντο. τηλικαῦται δυνάμεις τῆς Πομπηίου παρασκευῆς ἦσαν ὑπόλοιποι, καὶ αὐτῶν ὑπὸ θεοβλαβείας ὑπεριδὼν ὁ Πομπήιος ἔφυγε. τῶν δ' ἐν Λιβύῃ Κάτωνα σφῶν στρατηγεῖν αἰρουμένων, ὁ Κάτων οὐχ ὑπέστη παρόντων ἀνδρῶν ὑπάτων, οἱ κατ' ἀξίωσιν ἐπρέσβευον αὐτοῦ μόνην ἀρχὴν ἄρξαντος ἐν Ῥώμῃ τὴν στρατηγίδα. γίγνεται μὲν δὴ Λεύκιος Σκιπίων αὐτοκράτωρ, καὶ στρατὸς κἀνταῦθα πολὺς ἡθροίζετο καὶ ἐγυμνάζετο. καὶ δύο αἶδε μάλιστα ἀξιόλογοι παρασκευαί, περὶ Λιβύην καὶ Ἰβηρίαν, ἐπὶ Καίσαρα συνεκροτοῦντο.

[88] αὐτὸς δ' ἐπὶ τῇ νίκῃ δύο μὲν ἡμέρας ἐν Φαρσάλῳ διέτριψε θύων καὶ τὸν στρατὸν ἐκ τῆς μάχης ἀναλαμβάνων· ἔνθα καὶ Θεσσαλοὺς ἐλευθέρους ἠφίει συμμαχήσαντάς οἱ καὶ Ἀθηναίους αἰτήσασι συγγνώμην ἐπεδίδου καὶ ἐπέειπε· 'ποσάκις ὑμᾶς ὑπὸ σφῶν αὐτῶν ἀπολλυμένους ἢ δόξα τῶν προγόνων περισώσει;' τῇ τρίτῃ δ' ἐξήλανεν ἐπὶ τὴν ἕω κατὰ πύστιν τῆς Πομπηίου φυγῆς καὶ τὸν Ἑλλήσποντον ἀπορία τριήρων σκάφεσιν ἐπεραιοῦτο μικροῖς. Κάσσιος δὲ σὺν τῷ μέρει τῶν τριήρων ἐπιφαίνεται μεσοποροῦντι, πρὸς Φαρνάκην ἐπειγόμενος. καὶ δυνηθεὶς ἂν πολλαῖς τριήρεσι κατὰ σκαφῶν μικρῶν, ὑπὸ δέους τῆς Καίσαρος εὐτυχίας περιτύστου δὴ καὶ ἐπιφόβου τότε οὔσης ἐξεπλάγη καὶ νομίσας οἱ τὸν Καίσαρα ἐπιτήδες ἐπιπλεῖν τὰς χεῖρας ὤρεγεν ἐς αὐτόν, ἀπὸ τριήρων ἐς σκάφη, καὶ συγγνώμην ἤτει καὶ τὰς τριήρεις παρεδίδου. τοσοῦτον ἴσχυεν ἢ δόξα τῆς Καίσαρος εὐπραγίας· οὐ γὰρ ἔγωγε αἰτίαν ἐτέραν ὥρῳ οὐδὲ ἔργον ἕτερον ἡγοῦμαι τύχης ἐν ἀπόρῳ καιρῷ γενέσθαι μᾶλλον ἢ Κάσσιον τὸν πολεμικώτατον ἐπὶ τριήρων ἐβδομήκοντα ἀπαρασκευῷ Καίσαρι συντυχόντα μηδ' ἐς χεῖρας ἐλθεῖν ὑποστῆναι. ὁ δ' οὕτως ἑαυτὸν αἰσχροῶς ὑπὸ φόβου μόνου παραπλέοντι παραδοὺς ὕστερον ἐν Ῥώμῃ δυναστεύοντα ἤδη κατέκανεν· ὃ καὶ αὐτῷ δῆλόν ἐστι τὸν ἕτερον τῷ Κασσίῳ φόβον ὑπὸ τύχης ἐγγενέσθαι τὸν Καίσαρα ἐπαιρούσης.

[89] διασωθεὶς δ' οὕτω παραδόξως ὁ Καῖσαρ καὶ τὸν Ἑλλήσποντον περαιωθεὶς Ἰωσι μὲν καὶ Αἰολεῦσι καὶ ὅσα ἄλλα ἔθνη τὴν μεγάλην χερρόνησον οἰκοῦσι 'καὶ καλοῦσιν αὐτὰ ἐνὶ ὀνόματι Ἀσίαν τὴν κάτω, συνεγίνωσκε πρεσβευομένοις ἐς αὐτόν καὶ παρακαλοῦσι, πυθόμενος δὲ Πομπήιον ἐπ' Αἰγύπτου φέρεσθαι διέπλευσεν ἐς Ῥόδον. καὶ οὐδ' ἐνταῦθα τὸν στρατὸν αὐτοῦ κατὰ μέρη προσιόντα περιμείνας ἐς τὰς Κασσίου καὶ Ῥοδίων τριήρεις ἐνέβη σὺν τοῖς παροῦσιν· οὐδενὶ τε ἐκφήνας, ὅπῃ τὸν πλοῦν ποιήσεται, περὶ ἐσπέραν ἀνήγετο, ἐπαγγείλας τοῖς λοιποῖς κυβερνήταις πρὸς

τὸν λαμπτήρα τῆς ἑαυτοῦ νεῶς καὶ μεθ' ἡμέραν πρὸς τὸ σημεῖον εὐθύνειν: τῷ δ' αὐτοῦ κυβερνήτῃ, πολὺ τῆς γῆς ἀποσχόν, προσέταξεν ἐς Ἀλεξάνδρειαν φέρεσθαι. καὶ ὁ μὲν τρισὶν ἡμέραις πελάγιος ἀμφὶ τὴν Ἀλεξάνδρειαν ἦν: ἐσδέχονται δ' αὐτὸν οἱ τοῦ βασιλέως ἐπιτροπεύοντες, ἔτι τοῦ βασιλέως ἀμφὶ τὸ Κάσσιον ὄντος. καὶ πρῶτα μὲν ἀπραγμοσύνην τινὰ διὰ τὴν ὀλιγότητα τῶν συνόντων ὑπεκρίνετο φιλοφρόνως τε τοὺς ἐντυγχάνοντας ἐξεδέχετο καὶ τὴν πόλιν περιῶν τοῦ κάλλους ἐθαύμαζε καὶ τῶν φιλοσόφων μετὰ τοῦ πλήθους ἐστὼς ἡκροᾶτο: ὅθεν αὐτῷ χάρις τε καὶ δόξα ἀγαθὴ ὡς ἀπράγμονι παρὰ τοῖς Ἀλεξανδρεῦσιν ἐφύετο.

[90] ἐπεὶ δ' ὁ στρατὸς αὐτῷ κατέπλευσε, Ποθεινὸν μὲν καὶ Ἀχιλλᾶν ἐκόλασε θανάτῳ τῆς ἐς τὸν Πομπήιον παρανομίας, Θεόδοτον δὲ διαδράντα Κάσσιος ὕστερον ἐκρέμασεν, εὐρὼν ἐν Ἀσίᾳ. θορυβοῦντων δ' ἐπὶ τῷδε τῶν Ἀλεξανδρέων καὶ τῆς στρατιᾶς τῆς βασιλικῆς ἐπ' αὐτὸν ἰούσης, ἀγῶνες αὐτῷ ποικίλοι περὶ τὸ βασίλειον ἐγένοντο καὶ ἐν τοῖς παρ' αὐτὸ αἰγιαλοῖς, ἔνθα καὶ φεύγων ἐς τὴν θάλατταν ἐξήλατο καὶ ἐς πολὺ ἐν τῷ βυθῷ διενήξατο: καὶ τὴν χλαμύδα αὐτοῦ λαβόντες οἱ Ἀλεξανδρεῖς περὶ τρόπαιον ἐκρέμασαν. τελευταῖον δ' ἀνὰ τὸν Νεῖλον αὐτῷ γίνεται πρὸς τὸν βασιλέα ἀγών, ᾧ δὴ καὶ μάλιστα ἐκράτει. καὶ ἐς ταῦτα διετρίφθησαν αὐτῷ μῆνες ἑννέα, μέχρι Κλεοπάτραν ἀντὶ τοῦ ἀδελφοῦ βασιλεύειν ἀπέφηεν Αἰγύπτου. καὶ τὸν Νεῖλον ἐπὶ τετρακοσίων νεῶν, τὴν χώραν θεώμενος, περιέπλει μετὰ τῆς Κλεοπάτρας, καὶ ἄλλα ἡδόμενος αὐτῇ. ἀλλὰ τάδε μὲν ἕκαστα ὅπως ἐγένετο, ἀκριβέστερον ἢ περὶ Αἰγύπτου συγγραφὴ διέξεισι: τὴν δὲ κεφαλὴν τοῦ Πομπήιου προσφερομένην οὐχ ὑπέστη, ἀλλὰ προσέταξε ταφῆναι, καὶ τι αὐτῇ τέμενος βραχὺ πρὸ τῆς πόλεως περιτεθὲν Νεμέσεως τέμενος ἐκαλεῖτο: ὅπερ ἐπ' ἐμοῦ κατὰ Ῥωμαίων αὐτοκράτορα Τραϊανόν, ἐξολλύντα τὸ ἐν Αἰγύπτῳ Ἰουδαίων γένος, ὑπὸ τῶν Ἰουδαίων ἐς τὰς τοῦ πολέμου χρείας κατηρεῖφθη.

[91] τοσάδε μὲν δὴ Καῖσαρ ἐργασάμενος ἐν Ἀλεξανδρείᾳ διὰ Συρίας ἐπὶ Φαρνάκην ἠπείγετο. ὁ δὲ ἤδη μὲν εἵργαστο πολλὰ καὶ περιεσπάκει τινὰ Ῥωμαίων χωρία καὶ Δομιτίῳ Καίσαρος στρατηγῷ συνενεχθεὶς ἐς μάχην ἐνενικήκει πάνυ λαμπρῶς, καὶ τῷδε μάλιστα ἐπαρθεὶς Ἀμισὸν πόλιν ἐν τῷ Πόντῳ Ῥωμαῖζουσιν ἐξηνδραπόδιστο καὶ τοὺς παῖδας αὐτῶν τομίας ἐπεποίητο πάντας: προσιόντος δὲ τοῦ Καίσαρος ἐταράσσετο καὶ μετεγίνωσκε καὶ ἀπὸ σταδίων διακοσίων γενομένῳ πρέσβεις ἔπεμπεν ὑπὲρ εἰρήνης, στέφανόν τε χρύσειον αὐτῷ φέροντας καὶ ἐς γάμον ὑπ' ἀνοίας ἐγγυῶντας Καίσαρι τὴν Φαρνάκου θυγατέρα. ὁ δ' αἰσθόμενος ὧν φέρουσι, προῆλθε μετὰ τοῦ στρατοῦ καὶ ἐς τὸ πρόσθεν ἐβάδιζε λεσχηνεύων τοῖς πρέσβεσι, μέχρι προσπελάσας τῷ χάρακι τοῦ Φαρνάκου καὶ τοσόνδε εἰπών: 'οὐ γὰρ αὐτίκα δώσει δίκην ὁ πατροκτόνος,' ἐπὶ τὸν ἵππον ἀνεπήδησε καὶ εὐθὺς ἐκ πρώτης βοῆς τρέπεται τε τὸν Φαρνάκην καὶ πολλοὺς ἔκτεινε, σὺν χιλίοις που μάλιστα ὧν ἱππεῦσιν τοῖς πρώτοις αὐτῷ συνδραμοῦσιν: ὅτε καὶ φασιν αὐτὸν εἰπεῖν: 'ὦ μακάριε Πομπήιε, τοιούτοις ἄρα κατὰ Μιθριδάτην τὸν τοῦδε πατέρα πολεμῶν ἀνδράσι μέγας τε ἐνομίσθης καὶ μέγας ἐπεκλήθης.' ἐς δὲ Ῥώμην περὶ τῆσδε τῆς μάχης ἐπέστελλεν: 'ἐγὼ δὲ ἦλθον, εἶδον, ἐνίκησα.'

[92] μετὰ δὲ τοῦτο Φαρνάκης μὲν ἀγαπῶν ἐς τὴν ἀρχὴν Βοσπόρου, τὴν

δεδομένην οἱ παρὰ Πομπηίου, συνέφυγεν· ὁ δὲ Καῖσαρ, οὐ σχολὴν ἄγων περὶ μικρὰ τρίβεσθαι τοσῶνδε πολέμων αὐτὸν περιμενόντων, εἰς τὴν Ἀσίαν μετῆλθε καὶ παροδεύων αὐτὴν ἐχρημάτιζε ταῖς πόλεσιν ἐνοχλουμέναις ὑπὸ τῶν μισθουμένων τοὺς φόρους, ὥς μοι κατὰ τὴν Ἀσιανὴν συγγραφὴν δεδήλωται. πυθόμενος δ' ἐν Ῥώμῃ στάσιν εἶναι καὶ Ἀντώνιον τὸν ἵππαρχον αὐτοῦ τὴν ἀγορὰν στρατιᾷ φυλάσσειν, πάντα μεθεῖς εἰς Ῥώμην ἡπείγετο. ὥς δ' ἦλθεν, ἡ μὲν στάσις ἡ πολιτικὴ κατεπαύετο, ἑτέρα δ' ἐπ' αὐτὸν ἀνίστατο τοῦ στρατοῦ, ὥς οὔτε τὰ ἐπηγγελμένα σφίσιν ἐπὶ τῷ κατὰ Φάρσαλον ἔργῳ λαβόντες οὔτε ἐννόμως ἔτι βραδύνοντες ἐν τῇ στρατείᾳ· ἀφεθῆναι τε πάντες ἐπὶ τὰ αὐτῶν ἡζίου·ν. ὁ δ' ἐπηγγέλλετο μὲν αὐτοῖς ἀόριστά τινα ἐν Φαρσάλῳ, καὶ ἕτερα ἀόριστα, ὅταν ὁ ἐν Λιβύῃ πόλεμος ἐκτελεσθῇ· τότε δ' ἔπεμπεν ἄλλας ὀρίζων ἐκάστῳ χιλίας δραχμὰς. οἱ δὲ αὐτὸν οὐχ ὑπισχεῖσθαι μᾶλλον ἢ αὐτίκα δίδοναι πάντα ἐκέλευον· καὶ περὶ τῶνδε Σαλούστιον Κρίσπον πεμφθέντα πρὸς αὐτοὺς ὀλίγου καὶ διέφθειραν, εἰ μὴ διέφυγε. πυθόμενος δ' ὁ Καῖσαρ τέλος μὲν ἄλλο στρατιωτῶν, οἱ τὴν πόλιν ἐξ Ἀντωνίου παρεφύλασσον, περιέστησε τῇ οἰκίᾳ καὶ ταῖς τῆς πόλεως ἐξόδοις, δείσας περὶ ἀρπαγῆς· αὐτὸς δέ, πάντων δεδιότων καὶ παραινούντων αὐτῷ τὴν ὁρμὴν τοῦ στρατοῦ φυλάσσασθαι, μάλα θρασέως αὐτοῖς ἔτι στασιάζουσιν εἰς τὸ Ἄρειον πεδῖον ἐπῆλθεν οὐ προμηνύσας καὶ ἐπὶ βήματος ὤφθη.

[93] οἱ δὲ σὺν θορύβῳ τε ἄνοπλοι συνέτρεχον καί, ὥς ἔθος, ἄφνω φανέντα σφίσιν ἡσπάζοντο αὐτοκράτορα. κελεύσαντος δ' ὅ τι θέλοιεν εἰπεῖν, περὶ μὲν τῶν δωρεῶν εἰς ὅσιν εἰπεῖν αὐτοῦ παρόντος οὐδὲ ἐτόλμησαν ὑπὸ τῆς αὐτῆς ἐκπλήξεως, ὥς δὲ μετριώτερον, ἀφεθῆναι τῆς στρατείας ἀνεβόησαν, ἐλπίσαντες στρατοῦ δεόμενον εἰς τοὺς ὑπολοίπους πολέμους αὐτὸν ἑρεῖν τι καὶ περὶ τῶν δωρεῶν. ὁ δὲ παρὰ τὴν ἀπάντων δόξαν οὐδὲ μελλήσας ἀπεκρίνατο· 'ἀφίημι.' καταπλαγέντων δ' αὐτῶν ἔτι μᾶλλον καὶ σιωπῆς βαθυτάτης γενομένης ἐπέειπε· 'καὶ δώσω γε ὑμῖν τὰ ἐπηγγελμένα ἅπαντα, ὅταν θριαμβεύσω μεθ' ἐτέρων.' ἀδοκῆτου δ' αὐτοῖς ἅμα καὶ τοῦδε καὶ φιλανθρώπου φανέντος, αἰδῶς αὐτίκα πᾶσιν ἐνέπιπτεν καὶ λογισμὸς μετὰ ζήλου, εἰ δόξουσι μὲν αὐτοὶ καταλιπεῖν σφῶν τὸν αὐτοκράτορα ἐν μέσοις τοσοῖσδε πολεμίοις, θριαμβεύσουσι δ' ἀνθ' αὐτῶν ἕτεροι καὶ σφεῖς τῶν ἐν Λιβύῃ κερδῶν ἐκπεσοῦνται, μεγάλων ἔσσεσθαι νομιζομένων, ἐχθροὶ τε ὁμοίως αὐτοῦ τε Καίσαρος ἔσονται καὶ τῶν πολεμίων. δείσαντες οὖν ἔτι μᾶλλον ἡσύχαζον ἐξ ἀπορίας, ἐλπίζοντες ἐνδώσειν τι καὶ τὸν Καῖσαρα καὶ μεταγνώσεσθαι διὰ τὴν ἐν χερσὶ χρεῖαν. ὁ δ' ἀνθησύχαζε καὶ τῶν φίλων αὐτὸν παρακαλούντων ἐπιφθέγγασθαι τι πρὸς αὐτοὺς ἄλλο καὶ μὴ βραχεῖ καὶ αὐστηρῷ λόγῳ πολλὰ συνεστρατευμένους ἐγκαταλιπεῖν, ἀρχόμενος λέγειν πολίτας ἀντὶ στρατιωτῶν προσεῖπεν· ὅπερ ἐστὶ σύμβολον ἀφειμένων τῆς στρατείας καὶ ιδιωτευόντων.

[94] οἱ δ' οὐκ ἐνεγκόντες ἔτι ἀνέκραγον μετανοεῖν καὶ παρεκάλουν αὐτῷ συστρατεῦεσθαι. ἀποστρεφομένου τε τοῦ Καίσαρος καὶ ἀπιόντος ἀπὸ τοῦ βήματος, οἱ δὲ σὺν ἐπεΐξει πλεονί βοῶντες ἐνέκειντο παραμεῖναι τε αὐτὸν καὶ κολάζειν σφῶν τοὺς ἀμαρτόντας. ὁ δ' ἔτι μὲν τι διέτριπεν, οὔτε ἀπιὼν οὔτε ἐπανιών, ὑποκρινόμενος ἀπορεῖν· ἐπανελθὼν δ' ὁμως ἔφη κολάσειν μὲν

αὐτῶν οὐδένα, ἄχθεσθαι δ', ὅτι καὶ τὸ δέκατον τέλος, ὃ προετίμησεν αἰεὶ, τοιαῦτα θορυβεῖ. 'καὶ τόδε,' ἔφη, 'μόνον ἀφήμι τῆς στρατείας: δώσω δὲ καὶ τῷδε ὁμῶς τὰ ὑπεσχημένα ἅπαντα, ἐπανελθὼν ἐκ Λιβύης. δώσω δὲ καὶ γῆν ἅπασιν ἐκτελεσθέντων τῶν πολέμων, οὐ καθάπερ Σύλλας, ἀφαιρούμενος ἐτέρων ἢν ἔχουσι καὶ τοῖς ἀφαιρεθεῖσι τοὺς λαβόντας συνοικίζων καὶ ποιῶν ἀλλήλοις ἐς αἰεὶ πολεμίους, ἀλλὰ τὴν τοῦ δήμου γῆν ἐπινέμων καὶ τὴν ἐμαυτοῦ, καὶ τὰ δέοντα προσωνούμενος.' κρότου δὲ καὶ εὐφημίας παρὰ πάντων γενομένης, τὸ δέκατον ὑπερήλγει τέλος, ἐς μόνον αὐτὸ τοῦ Καίσαρος ἀδιαλλάκτου φανέντος: καὶ σφᾶς αὐτὸν ἡξίουσαν διακληρῶσαι τε καὶ τὸ μέρος θανάτῳ ζημιῶσαι. ὁ δὲ οὐδὲν αὐτοὺς ὑπερεθίζειν ἔτι δεόμενος ἀκριβῶς μετανοοῦντας, συνηλλάσσετο ἅπασι καὶ εὐθὺς ἐπὶ τὸν ἐν Λιβύῃ πόλεμον ἐξήει.

[95] διαβαλὼν δ' ἐκ Ῥηγίου τὸν πορθμὸν ἐπὶ Μεσσήνης ἐς Λιλύβαιον ἦλθε. καὶ πυθόμενος Κάτωνα μὲν τὴν παρασκευὴν τοῦ πολέμου ναυσὶ καὶ πεζῶν τινὶ μέρει φρουρεῖν ἐν Ἰτύκῃ μετὰ τῶν τριακοσίων, οὓς ἀπὸ σφῶν ἐκ πολλοῦ προβούλους ἐπεποίηντο τοῦ πολέμου καὶ σύγκλητον ἐκάλουν, τὸν δ' αὐτοκράτορα Λεύκιον Σκιπίωνα καὶ τοὺς ἀρίστους ἐν Ἀδρυμητῷ στρατοπεδεύειν, διέπλευσεν ἐπὶ τὸν Σκιπίωνα. καὶ αὐτὸν οἰχόμενον ἐς Ἰόβαν καταλαβὼν παρέτασεν ἐς μάχην παρ' αὐτὸ τοῦ Σκιπίωνος τὸ στρατόπεδον, ὥς ἐν καιρῷ συνοισόμενος τοῖς πολεμίους χωρὶς αὐτοκράτορος οὔσιν. ἀντεπήσαν δ' αὐτῷ Λαβιηνὸς τε καὶ Πετρήιος, οἱ τοῦ Σκιπίωνος ὑποστράτηγοι, καὶ ἐκράτουν τῶν Καίσαρος παρὰ πολλὴν καὶ τραπέντας ἐδίωκον σοβαρῶς μετὰ καταφρονήσεως, μέχρι Λαβιηνὸν μὲν ὁ ἵππος ἐς τὴν γαστέρα πληγεῖς ἀπεσεύσατο καὶ αὐτὸν οἱ παρασπισταὶ συνήρπαζον, ὁ δὲ Πετρήιος, ὥς ἀκριβῇ τοῦ στρατοῦ λαβὼν πείραν καὶ νικήσων, ὅτε βούλεται, διέλυε τὸ ἔργον ἐπειπὼν τοῖς ἀμφ' αὐτόν: 'μὴ ἀφελώμεθα τὴν νίκην τὸν αὐτοκράτορα ἡμῶν Σκιπίωνα.' καὶ τὸ μὲν ἄλλο μέρος τῆς Καίσαρος τύχης ἔργον ἐφαίνετο κρατησάντων ἄν, ὥς ἐδόκει, τῶν πολεμίων ἄφνω τὴν μάχην ὑπὸ τῶν νικῶντων διαλυθῆναι: αὐτὸς δὲ λέγεται παρὰ τὴν φυγὴν ἐγχρίμπτων ἅπασιν ἐπιστρέφειν αὐτοὺς καὶ τινα τῶν τὰ μέγιστα σημεῖα, τοὺς ἀετούς, φερόντων τῇ ἑαυτοῦ χειρὶ περισπᾶσας μετενεγκεῖν ἀπὸ τῆς φυγῆς ἐς τὸ πρόσθεν, ἕως Πετρήιος ἀνέξενε καὶ ὁ Καῖσαρ ἀσπασίως ὑπεχώρει.

τοῦτο μὲν δὴ τῆς πρώτης ἐν Λιβύῃ Καίσαρι μάχης τέλος ἦν: [96] οὐ πολὺ δὲ ὕστερον, αὐτοῦ τε Σκιπίωνος ὁκτὼ τέλεσι πεζῶν καὶ ἱππέων δύο μυριάσιν, ὧν οἱ πολλοὶ Λίβυες ἦσαν, πελτασταῖς τε πολλοῖς καὶ ἐλέφασιν ἐς τριάκοντα προσδοκωμένου παρέσεσθαι σὺν Ἰόβᾳ τῷ βασιλεῖ, καὶ τῷδε ἄγοντι πεζοὺς ἄλλους ἀμφὶ τρισμυρίους καὶ ἱππέας Νομάδας ἐς δισμυρίους καὶ ἀκοντιστάς πολλοὺς καὶ ἐλέφαντας ἐξήκοντα ἐτέρους, ἢ στρατιὰ τοῦ Καίσαρος ἐδείμναινε καὶ ἐν σφίσιν αὐτοῖς ἐθορυβοῦντο κατὰ τε πείραν ὧν ἤδη πεπόνθεσαν καὶ κατὰ δόξαν τῶν ἐπιόντων τοῦ τε πλήθους καὶ ἀρετῆς, μάλιστα τῶν Νομάδων ἱππέων. ὁ τε τῶν ἐλεφάντων πόλεμος ἀήθης σφίσιν ὧν ἐξέπλησσε. Βόκχου δ' ἐτέρου Μαυρουσίων δυνάστου Κίρταν, ἢ βασιλείων ἦν Ἰόβα, καταλαβόντος, ὁ μὲν Ἰόβας, ἐξαγγελθέντος αὐτῷ τοῦδε, ἐς τὰ οἰκεῖα μάλιστα ἀνεξεύγνυ μετὰ τοῦ ἰδίου στρατοῦ, τριάκοντα ἐξ αὐτοῦ μόνους ὑπολιπὼν ἐλέφαντας τῷ

Σκιπίωνι, ἡ δὲ στρατιὰ τοῦ Καίσαρος ἐς τοσοῦτον ἀνεθάρρηνεν, ὥς τὸ πέμπτον τέλος αἰτήσαν ἀντιταχθῆναι τοῖς ἐλέφασιν κρατῆσαι πάνυ καρτερῶς· καὶ νῦν ἀπ' ἐκείνου τῷδε τῷ τέλει ἐλέφαντες ἐς τὰ σημεῖα ἐπικεῖνται.

[97] μακρὰς δὲ καὶ ἐπιπόνου κατὰ πάντα τὰ μέρη τῆς μάχης καὶ πολυτρόπου γενομένης, περὶ ἐσπέραν μόλις ὁ Καῖσαρ ἐνίκα καὶ τὸ στρατόπεδον εὐθὺς ἐξήρει τὸ τοῦ Σκιπίωνος, οὐδὲν ἀνιείς οὐδ' ἐν νυκτὶ τῆς νίκης, μέχρι τὸ σύμπαν ἐξεργάσασθαι. οἱ δ' ἐχθροὶ κατ' ὀλίγους, ὅπη δύναιτο, διέφευγον· καὶ ὁ Σκιπίων αὐτός, ἅμα Ἀφρανίῳ πάντα μεθείς, ἔφευγεν ἀνὰ τὸ πέλαγος ἐπὶ δώδεκα ἀφράκτων.

ὧδε μὲν δὴ καὶ ὅδε ὁ στρατός, ἐς ὅκτῳ μυριάδας μάλιστα συνελθὼν ἔκ τε πολλοῦ γεγυμνασμένος καὶ ἐκ τῆς προτέρας μάχης ἐν ἐλπίδι καὶ θάρσει γενόμενος, δευτέρα τῇδε συμβολῇ συνετρίβετο ἄθρόως. καὶ τὸ τοῦ Καίσαρος κλέος ἐς ἅμαχον εὐτυχίαν ἐδοξάζετο, οὐδὲν ἔτι τῶν ἡσσωμένων ἐς ἀρετὴν αὐτοῦ μεριζόντων, ἀλλὰ καὶ τὰ σφέτερα αὐτῶν ἁμαρτήματα τῇ Καίσαρος τύχῃ προστιθέντων· ἐδόκει γὰρ δὴ καὶ ὅδε ὁ πόλεμος ἀβουλία τῶν στρατηγῶν, οὔτε διατριψάντων αὐτόν, ἕως ἀπορήσειεν ὁ Καῖσαρ ὥς ἐν ἀλλοτρίᾳ, οὔτε τὴν πρώτην νίκη ἐς τέλος προαγαγόντων, συντριφθεὶς οὕτως ὀξέως διαλυθῆναι.

[98] Ἐξαγγελθέντων δὲ τούτων ἐς Ἰτύκην τρίτῃ μάλιστα ἡμέρᾳ καὶ τοῦ Καίσαρος εὐθὺς ἐπὶ τὴν Ἰτύκην ἰόντος ἐγίνετο φυγὴ πάντων. καὶ οὐδένα κατεῖχεν ὁ Κάτων, ἀλλὰ καὶ ναὺς ἐδίδου τοῖς αἰτοῦσι τῶν ἐπιφανῶν· αὐτὸς δ' εὐσταθῶς ὑπέμενε καὶ τοῖς Ἰτυκαίοις ὑπισχνουμένοις πρὸ ἑαυτῶν ὑπὲρ ἐκείνου δεήσεσθαι ἐπιμειδῶν ἀπεκρίνατο οὐ δεήσειν αὐτῷ πρὸς Καίσαρα διαλλακτῶν καὶ τοῦτο εἰδέναι καὶ τὸν Καίσαρα καλῶς. σημηγνάμενος δὲ τοὺς θησαυροὺς ἅπαντας καὶ συγγραφὰς ὑπὲρ ἐκάστου τοῖς Ἰτυκαίων ἄρχουσιν ἐπιδούς περὶ ἐσπέραν ἀμφὶ λουτρὰ καὶ δεῖπνον ἦν καθεζόμενός τε ἐγεύετο, ὥσπερ εἴθιστο, ἐξ οὗ Πομπήιος ἀνήρητο· οὐδέν τε τῶν συνήθων ἐναλλάσσων οὐδ' ἐλάσσω προσφερόμενος ἢ πλείω, συνελεσχῆνευε τοῖς παροῦσι περὶ τῶν ἐκπεπλευκότων καὶ ἡρώτα περὶ τοῦ πνεύματος, εἰ κατὰ πρῦμνην ἔσοιτο αὐτοῖς, καὶ τοῦ διαστήματος, εἰ φθάσουσι πόρρω γενέσθαι, πρὶν ἐς ἔω Καίσαρα ἐπελθεῖν. οὐ μὴν οὐδ' ἐς ὕπνον ἀπιὼν ἐνήλλαξέ τι τῶν συνήθων, πλὴν ὅτι υἱὸν ἡσπάσατο φιλοφρονέστερον. τὸ δὲ ξιφίδιον τῇ κλίνῃ τὸ σῦνθηες οὐχ εὐρὼν παρακείμενον ἐξεβόησεν, ὅτι προδιδοῖτο ὑπὸ τῶν οἰκείων τοῖς πολεμίοις· τίνοι γὰρ ἔφη χρήσεσθαι προσιόντων, ἂν νυκτὸς ἐπίωσι; τῶν δὲ αὐτὸν παρακαλούντων μηδὲν ἐφ' ἑαυτὸν βουλευεῖν, ἀλλ' ἀναπαύεσθαι χωρὶς ξιφιδίου, ἀξιοπιστότερον ἔτι εἶπεν· 'οὐ γὰρ ἔστι μοι θέλοντι καὶ δι' ἐσθῆτος ἑμαυτὸν ἀποπνίξαι καὶ ἐς τὰ τεῖχη τὴν κεφαλὴν ἀπαράξαι καὶ ἐς τράχηλον κυβιστῆσαι καὶ τὸ πνεῦμα κατασχόντα ἐκτριῖναι,' πολλὰ τε ὅμοια εἰπὼν παρήγαγεν αὐτοὺς παραθεῖναι τὸ ξιφίδιον. ὥς δὲ ἐτέθη, Πλάτωνος αἰτήσας τὴν περὶ ψυχῆς συγγραφὴν ἀνεγίνωσκε.

[99] καὶ ἐπεὶ τέλος εἶχε τῷ Πλάτῳ ὁ λόγος, ἀναπαύεσθαι τοὺς περὶ θύρας ὑπολαβὼν ἔτρωσεν αὐτόν ὑπὸ τὰ στέρνα· προπεσόντων δ' αὐτῷ τῶν σπλάγχων καὶ στόνου τινὸς ἐξακουσθέντος ἐσέδραμον οἱ περὶ θύρας· καὶ οἱ ἱατροὶ τὰ σπλάγχνα ἔτι σῶα ὄντα ἐνέθηκαν ἔνδον καὶ τὰς πληγὰς

ἐπιπράσαντες ἐπέδισαν. ὁ δὲ ἀνενεγκὼν αὐθις ὑπεκρίνετο καὶ κατεμέμεφτο μὲν ἑαυτῷ πληγῆς ἀσθενοῦς, χάριν δ' ὡμολόγει τοῖς περισώσασι καὶ καταδαρθεῖν ἔφη δεῖσθαι. οἱ μὲν δὴ τὸ ξίφος ἔχοντες ὥχοντο καὶ τὰς θύρας ὡς ἡρεμοῦντι ἐπέκλεισαν· ὁ δ' ὕπνου δόξαν αὐτοῖς παρασχὼν τὰ δεσμὰ ταῖς χερσὶ μετὰ σιγῆς ἀπερρήγνυ καὶ τὰς ῥάφας τοῦ τραύματος ἀνέπτυσσεν, οἷα θηρίον τό τε τραῦμα καὶ τὴν γαστέρα εὐρύνων ὄνυξι καὶ δακτύλοις ἐρευνῶν καὶ τὰ σπλάγχνα διαρρίπτων, μέχρι ἐτελεύτησεν, ἔτη μὲν ἀμφὶ πεντήκοντα γεγονώς, ὁμολογοῦμενος δὲ τὴν τε γνώμην, ἐς ὃ τι κρίνειε, πάντων ἀνδρῶν ἐπιμονώτατος φῦναι καὶ τὸ δίκαιον ἢ πρέπον ἢ καλὸν οὐκ ἔθεσι μᾶλλον ἢ μεγαλοψύχοις λογισμοῖς ὀρίσαι. Μαρκία γέ τοι τῇ Φιλίππου συνὼν ἐκ παρθένου καὶ ἀρεσκοῦμενος αὐτῇ μάλιστα καὶ παῖδας ἔχων ἐξ ἐκείνης ἔδωκεν ὅμως αὐτὴν Ὀρτησίῳ τῶν φίλων τινί, παίδων τε ἐπιθυμοῦντι καὶ τεκνοποιοῦ γυναικὸς οὐ τυγχάνοντι, μέχρι κἀκείνῳ κηύσασαν ἐς τὸν οἶκον αὐθις ὡς χρήσας ἀνεδέξατο. τοιοῦσδε μὲν δὴ Κάτων ἦν, καὶ αὐτὸν οἱ Ἰτυκαῖοι λαμπρῶς ἔθαπτον· ὁ δὲ Καῖσαρ ἔφη μὲν οἱ φθονῆσαι Κάτωνα καλῆς ἐπιδείξεως, Κικέρωνος δὲ ποιήσαντος ἐγκώμιον ἐς αὐτὸν ἐπιγράψαντος Κάτων, ἀντέγραψε κατηγορίαν ὁ Καῖσαρ καὶ ἐπέγραψεν Ἀντικάτων.

[100] Ἰόβας δὲ καὶ Πετρήιος τῶν γιγνομένων πυνθανόμενοι καὶ οὐδεμίαν σφίσιν οὔτε φυγὴν οὔτε σωτηρίαν ἐπινοοῦντες, ἐπὶ τῇ διαίτῃ ξίφεσι διεχρήσαντο ἀλλήλους· καὶ τὴν ἀρχὴν τὴν Ἰόβα Καῖσαρ ὑποτελῇ Ῥωμαίοις ἐποίησεν, αὐτῇ Σαλούστιον Κρίσπον ἐγκαταστήσας. Ἰτυκαῖοις δὲ καὶ τῷ Κάτωνος υἱῷ συνεγίνωσκε· καὶ τὴν θυγατέρα τοῦ Πομπηίου μετὰ δύο παίδων αὐτῆς ἐν Ἰτύκῃ καταλαβὼν ἐξέπεμπε σώους τῷ νέῳ Πομπηίῳ. τῶν δὲ τριακοσίων ὅσους εὔρε διέφθειρεν. Λεύκιος δὲ Σκιπίων ὁ αὐτοκράτωρ χειμαζόμενος ἐν τῇ θαλάσῃ καὶ πολεμίαις ναυσὶν ἐντυχὼν ἐφέρετο γενναίως, μέχρι καταλαμβανόμενος αὐτόν τε διεχρήσατο καὶ τὸ σῶμα μεθῆκεν ἐς τὸ πέλαγος.

[101] τοῦτο μὲν δὴ καὶ τῷ περὶ Λιβύην Καῖσαρος πολέμῳ τέλος ἐγίνετο, αὐτὸς δ' ἐπανελθὼν ἐς Ῥώμην ἐθριάμβευε τέσσαρας ὁμοῦ θριάμβους, ἐπὶ τε Γαλάταις, ὧν δὴ πολλὰ καὶ μέγιστα ἔθνη προσέλαβε καὶ ἀφιστάμενα ἄλλα ἐκρατύνατο, καὶ Ποντικὸν ἐπὶ Φαρνάκει καὶ Λιβυκὸν ἐπὶ Λιβύων τοῖς συμμαχήσασι τῷ Σκιπίωνι· ἔνθα καὶ Ἰόβα παῖς, Ἰόβας ὁ συγγραφεύς, βρέφος ὢν ἔτι παρήγετο. παρήγαγε δὲ τινα καὶ τῆς ἀνὰ τὸν Νεῖλον ναυμαχίας θριάμβον Αἰγύπτιον, μετὰ τὸν Γαλατῶν καὶ Φαρνάκους. τὰ δὲ Ῥωμαίων φυλαξάμενος ἄρα, ὡς ἐμφύλια οὐκ εἰκότα τε αὐτῷ καὶ Ῥωμαίοις αἰσχρὰ καὶ ἀπαίσια, ἐπιγράψαι θριάμβῳ, παρήνεγκεν ὅμως αὐτῶν ἐν τοῖσδε τὰ παθήματα ἅπαντα καὶ τοὺς ἄνδρας ἐν εἰκόσι καὶ ποικίλαις γραφαῖς, χωρὶς γε Πομπηίου· τοῦτον γὰρ δὴ μόνον ἐφυλάξατο δεῖξαι, σφόδρα ἔτι πρὸς πάντων ἐπιποθούμενον. ὁ δὲ δῆμος ἐπὶ μὲν τοῖς οἰκείοις κακοῖς, καίπερ δεδιώς, ἔστενε, καὶ μάλιστα, ὅτε ἴδοι Λεύκιόν τε Σκιπίωνα τὸν αὐτοκράτορα πλησσόμενον ἐς τὰ στέρνα ὑφ' ἑαυτοῦ καὶ μεθιέμενον ἐς τὸ πέλαγος, ἢ Πετρήιον ἐπὶ διαίτῃ διαχρώμενον ἑαυτόν, ἢ Κάτωνα ὑφ' ἑαυτοῦ διασπώμενον ὡς θηρίον· Ἀχιλλᾶ δ' ἐφήσησαν καὶ Ποθεινῷ καὶ τὴν Φαρνάκους φυγὴν ἐγέλασαν.

[102] χρήματα δ' ἐν τοῖς θριάμβοις φασὶ παρενεχθῆναι μυριάδας ἕξ καὶ ἥμισυ ταλάντων καὶ στεφάνους δύο καὶ εἴκοσι καὶ δισχιλίους ἐπὶ τοῖς ὀκτακοσίοις ἀπὸ χρυσοῦ, ἔλκοντας ἐς δισμυρίας καὶ δεκατέσσαρας καὶ τετρακοσίας λίτρας. ἀφ' ὧν εὐθὺς ἐπὶ τῷ θριάμβῳ διένειμε, τὰ ὑπεσχημένα πάνθ' ὑπερβάλλων, στρατιώτῃ μὲν ἀνὰ πεντακισχίλις δραχμᾶς Ἀττικᾶς, λοχαγῷ δ' αὐτοῦ τὸ διπλάσιον καὶ χιλιάρχη καὶ ἱπάρχη τὸ ἔτι διπλάσιον καὶ τοῖς δημόταις ἐκάστῳ μνᾶν Ἀττικὴν. ἐπέδωκε δὲ καὶ θέας ποικίλας ἵππων τε καὶ μουσικῆς καὶ πεζομαχίας ἀνδρῶν χιλίων πρὸς ἑτέρους χιλίους καὶ ἵππομαχίαν διακοσίῳ πρὸς ἴσους καὶ ἀναμιξ ἄλλων πεζῶν τε καὶ ἱπέων ἀγῶνα ἑλεφάντων τε μάχην εἴκοσι πρὸς εἴκοσι καὶ ναυμαχίαν ἑρετῶν τετρακισχιλίων, ἐπιβεβηκότων ἐς μάχην χιλίων ἑκατέρωθεν. ἀνέστησε καὶ τῇ Γενετείρᾳ τὸν νεῶν, ὥσπερ εὗξατο μέλλων ἐν Φαρσάλῳ μαχεῖσθαι· καὶ τέμενος τῷ νεῷ περιέθηκεν, ὃ Ῥωμαίοις ἔταξεν ἀγορὰν εἶναι, οὐ τῶν ὀνίων, ἀλλ' ἐπὶ πράξεσι συνιόντων ἐς ἀλλήλους, καθὰ καὶ Πέρσαις ἦν τις ἀγορὰ ζητοῦσιν ἢ μανθάνουσι τὰ δίκαια. Κλεοπάτρας τε εἰκόνα καλὴν τῇ θεῷ παρεστήσατο, ἣ καὶ νῦν συνέστηκεν αὐτῇ. τὸ δὲ τοῦ δήμου πλῆθος ἀναγραφάμενος ἐς ἥμισυ λέγεται τῶν πρὸ τοῦδε τοῦ πολέμου γενομένων εὐρεῖν· ἐς τοσοῦτο καθεῖλεν ἢ τῶνδε φιλονικία τὴν πόλιν.

[103] αὐτὸς δὲ ἤδη τέταρτον ὑπατεύων ἐπὶ τὸν νέον Πομπήιον ἐστράτευεν ἐς Ἰβηρίαν, ὅσπερ αὐτῷ λοιπὸς ἦν ἔτι πόλεμος ἐμφύλιος, οὐκ εὐκαταφρόνητος· τῶν τε γὰρ ἀρίστων ὅσοι διεπεφεύγεσαν ἐκ Λιβύης, ἐκεῖ συνέδραμον, καὶ στρατὸς ὁ μὲν ἐξ αὐτῆς Λιβύης τε καὶ Φαρσάλου τοῖς ἡγεμόσι συνῆλθεν, ὁ δὲ ἐξ Ἰβήρων τε καὶ Κελτιβήρων, ἔθνους ἀλκίμου καὶ χαίροντος αἰεὶ μάχαις. πολὺς δὲ καὶ δούλων ὄμιλος ἐστρατεύετο τῷ Πομπηίῳ· καὶ τέταρτον ἔτος εἶχον ἐν τοῖς γυμνασίοις καὶ γνώμην ἔτοιμον ἀγωνίσασθαι μετὰ ἀπογνώσεως. ὃ δὴ καὶ μάλιστα σφαλεῖς ὁ Πομπήιος οὐκ ἀνεβάλλετο τὴν μάχην, ἀλλ' εὐθὺς ἐλθόντι τῷ Καίσαρι συνεμάχετο, καίτοι τῶν πρεσβυτέρων αὐτῷ παραινούντων ἐκ πείρας ὧν ἀμφὶ τε Φάρσαλον καὶ Λιβύην ἐπεπόνθεσαν, ἐκτρίβειν τῷ χρόνῳ τὸν Καῖσαρα καὶ ἐς ἀπορίαν ὡς ἐν ἀλλοτρίᾳ γῇ περιφέρειν. ὁ δὲ Καῖσαρ ἦκε μὲν ἀπὸ Ῥώμης ἑπτὰ καὶ εἴκοσιν ἡμέραις, βαρυτάτῳ στρατῷ μακροτάτην ὁδὸν ἐπελθών· δέος δ' οἶον οὐ πρότερον ἐνέπιπτεν αὐτοῦ τῷ στρατῷ κατὰ δόξαν τῶν πολεμίων τοῦ τε πλήθους καὶ ἀσκήσεως καὶ ἀπογνώσεως.

[104] δι' αὐτὸ καὶ ὁ Καῖσαρ αὐτὸς ἐβράδυνεν, ἔστε πού τι αὐτῷ κατασκεπτομένῳ προσπελάσας ὁ Πομπήιος ὠνειδίσεν ἐς δειλίαν. καὶ τὸ ὄνειδος οὐκ ἐνεγκὼν ὁ Καῖσαρ ἐξέτασσε παρὰ πόλιν Κορδύβην, σύνθημα καὶ τότε δοὺς Ἀφροδίτην· ἔδωκε δὲ καὶ ὁ Πομπήιος Εὐσέβειαν. ὥς δὲ καὶ συνιόντων ἤδη τοῦ Καίσαρος στρατοῦ τὸ δέος ἦπτετο καὶ ὄκνος ἐπεγίγνετο τῷ φόβῳ, θεοὺς πάντας ὁ Καῖσαρ ἰκέτευε, τὰς χεῖρας ἐς τὸν οὐρανὸν ἀνίσχων, μὴ ἐνὶ πόνῳ τῷδε πολλὰ καὶ λαμπρὰ ἔργα μιῆναι, καὶ τοὺς στρατιώτας ἐπιθέων παρεκάλει τὸ τε κρᾶνος τῆς κεφαλῆς ἀφαιρῶν ἐς πρόσωπον ἐδυσώπει καὶ προὔτρεπεν. οἱ δὲ οὐδ' ὥς τι μετέβαλλον ἀπὸ τοῦ δέους, ἕως ὁ Καῖσαρ αὐτὸς ἀρπάσας τινὸς ἀσπίδα καὶ τοῖς ἀμφ' αὐτὸν ἡγεμόσιν εἰπών· 'ἔσται τοῦτο τέλος ἐμοί τε τοῦ βίου καὶ ὑμῖν τῶν στρατειῶν,' προὔδραμε τῆς τάξεως

ἐς τοὺς πολεμίους ἐπὶ τοσοῦτον, ὥς μόνους αὐτῶν ἀποσχεῖν δέκα πόδας καὶ διακόσια αὐτῷ δόρατα ἐπιβληθῆναι καὶ τούτων τὰ μὲν αὐτὸν ἐκκλῖναι, τὰ δὲ ἐς τὴν ἀσπίδα ἀναδέξασθαι. τότε γὰρ δὴ τῶν τε ἡγεμόνων προθέων ἕκαστος ἴστατο παρ' αὐτόν, καὶ ὁ στρατὸς ἅπας ἐμπεσὼν μετὰ ὀρμῆς ὅλην ἡγωνίζετο τὴν ἡμέραν, προύχων τε καὶ ἡττώμενος αἰεὶ παρὰ μέρος, μέχρις ἐς ἐσπέραν μόλις ἐνίκησεν, ὅτε καὶ φασὶν αὐτὸν εἰπεῖν, ὅτι πολλάκις μὲν ἀγωνίσαιτο περὶ νίκης, νῦν δὲ καὶ περὶ ψυχῆς.

[105] φόνου δὲ πολλοῦ γενομένου καὶ φυγῆς τῶν Πομπηίου στρατιωτῶν ἐς τὴν Κορδύβην, ὁ μὲν Καῖσαρ, ἵνα μὴ διαφυγόντες οἱ πολέμιοι πάλιν ἐς μάχην παρασκευάσαιντο, ἐκέλευε τὸν στρατὸν ἐκτειχίσαι τὴν Κορδύβην, οἱ δὲ κάμνοντες τοῖς γεγονόσι τὰ τε σώματα καὶ τὰ ὅπλα τῶν ἀνηρημένων ἐπεφορουν ἀλλήλοις καὶ δόρασιν αὐτὰ διαπηγνύντες ἐς τὴν γῆν ἐπὶ τοιοῦδε τείχους ἠϋλίσαντο. τῆς δ' ἐπιούσης ἐάλω μὲν ἡ πόλις, τῶν δὲ ἡγεμόνων τοῦ Πομπηίου Σκάπλας μὲν νήσας πυρὰν ἑαυτὸν ἐνέπρησεν, Οὐάρου δὲ καὶ Λαβινοῦ καὶ ἐτέρων ἀνδρῶν ἐπιφανῶν ἐκομίσθησαν αἱ κεφαλαὶ Καίσαρι. Πομπήιος δ' αὐτὸς διέφυγε μὲν ἀπὸ τῆς ἥτης σὺν ἑκατὸν καὶ πεντήκοντα ἱππεῦσιν ἐπὶ Καρθαίας, ἔνθα αὐτῷ νεῶν στόλος ἦν, καὶ παρῆλθεν ἐς τὰ νεώρια λαθὼν ὥς τις ἰδιώτης, φορεῖω κομιζόμενος: ὁρῶν δὲ καὶ τούτους ἀπογινώσκοντας ἑαυτῶν ἔδεισε περὶ ἐκδόσεως καὶ ἔφευγεν αὐθις, ἐπιβαίνων σκάφους. ἐμπλακέντα δ' αὐτοῦ τὸν πόδα καλωδίῳ, κόπτων τις τὸ καλωδίον ξιφιδίῳ, τὸν ταρσὸν ἔτεμεν ἀντὶ τοῦ καλωδίου τοῦ ποδός: καὶ διαπλεύσας ἔς τι χωρίον ἐθεραπεύετο. ζητούμενος δὲ κἀνταῦθα ἔφευγε διὰ δυσβάτου καὶ ἀκανθώδους ὁδοῦ, τὸ τραῦμα περικεντούμενος, μέχρι κάμνων ὑπὸ τι δένδρον ἐκαθέζετο καὶ τῶν ζητητῶν ἐπιπεσόντων οὐκ ἀγεννῶς αὐτοὺς ἀμυνόμενος κατεκόπη. τοῦδε μὲν δὴ τὴν κεφαλὴν ὁ Καῖσαρ ἐνεχθεῖσάν οἱ προσέταξέ τι νι θάψαι, καὶ ὁ πόλεμος ἐνὶ ἔργῳ καὶ ὅδε παρὰ δόξαν ἐλέλυτο: τοὺς δ' ἐξ αὐτοῦ διαφυγόντας ἤθροιζεν ὁ τοῦδε τοῦ Πομπηίου νεώτερος ἀδελφός, Πομπήιος μὲν καὶ ὅδε ὢν, Σέξστος δὲ καλούμενος τῷ προτέρῳ τῶν ὀνομάτων.

[106] ἀλλ' ὁδε μὲν ἔτι λανθάνων καὶ διαδιδράσκων ἐλήστευεν, ὁ δὲ Καῖσαρ ἐς Ῥώμην ἠπείγετο, τὰ ἐμφύλια πάντα καθελὼν, ἐπὶ φόβου καὶ δόξης, οἷας οὐ τις πρὸ τοῦ: ὅθεν αὐτῷ τιμαὶ πᾶσαι, ὅσαι ὑπὲρ ἄνθρωπον, ἀμέτρως ἐς χάριν ἐπενοοῦντο, θυσῶν τε πέρι καὶ ἀγώνων καὶ ἀναθημάτων ἐν πᾶσιν ἱεροῖς καὶ δημοσίοις χωρίοις, ἀνὰ φυλὴν ἐκάστην καὶ ἐν ἔθνεσιν ἅπασι, καὶ ἐν βασιλεῦσιν, ὅσοι Ῥωμαίοις φίλοι. σχήματά τε ἐπεγράφετο ταῖς εἰκόσι ποικίλα, καὶ στέφανος ἐκ δρυὸς ἦν ἐπ' ἐνίαις ὡς σωτῆρι τῆς πατρίδος, ὃ πάλοι τοὺς ὑπερασπίσαντας ἐγέραιρον οἱ περισωθέντες. ἀνερρήθη δὲ καὶ πατὴρ πατρίδος, καὶ δικτάτωρ ἐς τὸν ἑαυτοῦ βίον ἡρέθη καὶ ὕπατος ἐς δέκα ἔτη, καὶ τὸ σῶμα ἱερὸς καὶ ἄσυλος εἶναι καὶ χρηματίζειν ἐπὶ θρόνων ἐλεφαντίνων τε καὶ χρυσέων, καὶ θύειν μὲν αὐτὸν αἰεὶ θριαμβικῶς ἡμφιεσμένον, τὴν δὲ πόλιν ἀνὰ ἔτος ἕκαστον, αἷς αὐτὸς ἡμέραις ἐν παρατάξεσιν ἐνίκα, ἱερέας δὲ καὶ ἱερείας ἀνὰ πενταετὲς εὐχὰς δημοσίας ὑπὲρ αὐτοῦ τίθεσθαι, καὶ τὰς ἀρχὰς εὐθὺς καθισταμένας ὁμνῶναι μηδενὶ τῶν ὑπὸ Καίσαρος ὀριζομένων ἀντιπράξειν. ἔς τε τιμὴν τῆς γενέσεως αὐτοῦ τὸν Κυϊντίλιον μῆνα Ἰούλιον ἀντὶ Κυϊντίλιου μετωνόμασαν εἶναι. καὶ νεῶς ἐψηφίσαντο πολλοὺς αὐτῷ γενέσθαι καθάπερ θεῷ καὶ κοινὸν αὐτοῦ καὶ Ἐπιεικείας, ἀλλήλους δεξιουμένων: οὕτως ἐδεδοίκεσαν μὲν ὡς δεσπότην, εὐχοντο δὲ σφίσιν ἐπιεικῇ γενέσθαι.

[107] εἰσὶ δ' οἱ καὶ βασιλέα προσεπειν ἐπενόουν, μέχρι μαθὼν αὐτὸς ἀπηγόρευσε καὶ ἠπείλησεν ὡς ἀθέμιστον ὄνομα μετὰ τὴν τῶν προγόνων ἀράν. σπεῖραι δ' ὅσαι στρατηγίδες αὐτὸν ἐκ τῶν πολέμων ἔτι ἐσωματοφυλάκουν, ἀπέστησε τῆς φυλακῆς καὶ μετὰ τῆς δημοσίας ὑπηρεσίας ἐπεφαίνετο μόνης. ὧδε δ' ἔχοντι καὶ χρηματίζουντι πρὸ τῶν ἐμβόλων, τὸ ψήφισμα τῶν προλεγεμένων τιμῶν ἢ βουλῇ, τῶν ὑπάτων ἡγουμένων, ἐν κόσμῳ τῷ πρέποντι ἐκάστω προσέφερον. ὁ δὲ αὐτοὺς ἐδεξιοῦτο μὲν, οὐχ ὑπανέστη δὲ προσιοῦσιν οὐδ' ἐπιμένουσιν, ἀλλὰ τοῖς διαβάλλουσιν αὐτὸν ἐς τὴν ἐπιθυμίαν τῆς βασιλικῆς προσηγορίας καὶ τόδε παρέσχε. τὰς δὲ ἄλλας τιμὰς χωρὶς τῆς δεκαετοῦς ὑπατείας προσέμενος ὑπάτους ἐς τὸ μέλλον ἀπέφηνεν αὐτόν τε καὶ Ἀντώνιον, τὸν ἵπαρχον ἑαυτοῦ, Λεπίδῳ προστάξας ἵπαρχεῖν ἀντὶ τοῦ Ἀντωνίου, ἄρχοντι μὲν Ἰβηρίας, ἡγεμονεύοντι δ' αὐτῆς διὰ φίλων. κατεκάλει δὲ καὶ τοὺς φεύγοντας ὁ Καῖσαρ, πλὴν εἴ τις ἐπὶ ἀνηκέστοις ἔφσυγε: καὶ τοῖς ἐχθροῖς διηλλάσσετο καὶ τῶν πεπολεμηκότων οἱ πολλοὺς προῆγεν ἀθρόως ἐς ἐτησίους ἀρχὰς ἢ ἐς ἔθνων ἢ στρατοπέδων ἡγεμονίας. ὃ δὴ καὶ μάλιστα ὑπαρχεῖς ὁ δῆμος ἠλπίζε καὶ τὴν δημοκρατίαν αὐτὸν αὐτοῖς ἀποδώσειν, καθάπερ Σύλλας ἐς ἴσον αὐτῷ δυναστεύσας ἐποίησεν.

[108] ἀλλὰ τοῦδε μὲν ἐσφάλησαν, εἰκόνα δ' αὐτοῦ τις τῶν ὑπερεθιζόντων τὸ λογοποίημα τῆς βασιλείας ἐστεφάνωσε δάφναις, ἀναπεπλεγμένης ταινίας λευκῆς: καὶ αὐτὸν οἱ δῆμαρχοι Μάρυλλός τε καὶ Καισῆτιος ἀνευρόντες ἐς τὴν φυλακὴν ἐσέβαλον, ὑποκρινάμενοί τι καὶ τῷ Καίσαρι χαρίζεσθαι, προαπειλήσαντι τοῖς περὶ βασιλείας λέγουσιν. ὁ δὲ τοῦτο μὲν ἠνεγκεν εὐσταθῶς, ἐτέρων δ' αὐτὸν ἀμφὶ τὰς πύλας ἰόντα ποθὲν βασιλέα προσεπόντων καὶ τοῦ δήμου στενάξαντος, εὐμηγάνως εἶπε τοῖς ἀσπασαμένοις: 'οὐκ εἰμὶ Βασιλεὺς, ἀλλὰ Καῖσαρ,' ὡς δὴ περὶ τὸ ὄνομα

ἐσφαλμένοις. οἱ δ' ἄμφι τὸν Μάρυλλον καὶ τῶνδε τῶν ἀνδρῶν τὸν ἀρξάμενον ἐξεῦρον καὶ τοῖς ὑπηρεταῖς ἐκέλευον ἄγειν ἐς δίκην ἐπὶ τὸ ἀρχεῖον αὐτῶν. καὶ ὁ Καῖσαρ οὐκέτι ἐνεγκὼν κατηγορήσεν ἐπὶ τῆς βουλῆς τῶν περὶ τὸν Μάρυλλον ὡς ἐπιβουλευόντων οἱ μετὰ τέχνης ἐς τυραννίδος διαβολήν, καὶ ἐπήνεγκεν ἄξιους μὲν αὐτοὺς εἶναι θανάτου, μόνης δ' αὐτοὺς ἀφαιρεῖσθαι καὶ παραλύειν τῆς τε ἀρχῆς καὶ τοῦ βουλευτηρίου. ὁ δὲ καὶ μάλιστα αὐτὸν διέβαλεν ὡς ἐπιθυμοῦντα τῆς ἐπικλήσεως καὶ τὰς ἐς τοῦτο πείρας καθιέντα καὶ τυραννικὸν ὅλως γεγονότα· ἥ τε γὰρ πρόφασις τῆς κολάσεως περὶ τῆς βασιλικῆς ἐπωνυμίας ἦν, ἥ τε τῶν δημάρχων ἀρχὴ ἱερὰ καὶ ἄσυλος ἦν ἐκ νόμου καὶ ὅρκου παλαιοῦ· τὴν τε ὀργὴν ὀξείαν ἐποίει τὸ μὴδ' ἀναμείναι τῆς ἀρχῆς τὸ ὑπόλοιπον.

[109] ὢν καὶ αὐτὸς αἰσθανόμενος καὶ μετανοῶν καὶ τότε πρῶτον ἡγούμενος ἄνευ πολεμικῆς ἀρχῆς ἐν εἰρήνῃ βαρὺ καὶ δυσχερὲς διαπεπραῆχθαι, λέγεται τοῖς φίλοις αὐτὸν ἐντείλασθαι φυλάσσειν ὡς δεδοκὸτα τοῖς ἐχθροῖς λαβὴν ζητοῦσι καθ' αὐτοῦ. πυθομένων δ' ἐκείνων, εἰ συγχωρεῖ πάλιν αὐτὸν σωματοφυλακεῖν τὰς Ἰβηρικὰς σπείρας, 'οὐδὲν ἀτυχεστέρον,' ἔφη, 'διηνεκοὺς φυλακῆς· ἔστι γὰρ αἰεὶ δεδιότος.' οὐ μὴν αἶ γε περὶ τῆς βασιλείας πείραι κατεπαύοντο οὐδ' ὥς, ἀλλὰ θεώμενον αὐτὸν ἐν ἀγορᾷ τὰ Λουπερκάλια ἐπὶ θρόνου χρυσεύου, πρὸ τῶν ἐμβόλων, Ἀντώνιος ὑπατεύων σὺν αὐτῷ Καίσαρι καὶ διαθέων τότε γυμνὸς ἀηλιμμένος, ὥσπερ εἰώθασιν οἱ τῆσδε τῆς ἑορτῆς ἱερέες, ἐπὶ τὰ ἔμβολα ἀναδραμὼν ἐστεφάνωσε διαδήματι. κρότου δὲ πρὸς τὴν ὄψιν παρ' ὀλίγων γενομένου καὶ στόνου παρὰ τῶν πλειόνων, ὁ Καῖσαρ ἀτέρριψε τὸ διάδημα. καὶ ὁ Ἀντώνιος αὐθις ἐπέθηκε, καὶ ὁ Καῖσαρ αὐθις ἀπερρίπτει. καὶ ὁ δῆμος διεριζόντων μὲν ἔτι ἡσύχαζε, μετέωρος ὢν, ὅπῃ τελευτήσῃ τὸ γινόμενον, ἐπικρατήσαντος δὲ τοῦ Καίσαρος ἀνεβόησαν ἥδιστον καὶ αὐτὸν ἅμα εὐφήμεον οὐ προσέμενον.

[110] ὁ δέ, εἴτε ἀπογνοῦς, εἴτε κάμων καὶ ἐκκλίνων ἤδη τήνδε τὴν πείραν ἢ διαβολήν, εἴτε τισὶν ἐχθροῖς τῆς πόλεως ἀφιστάμενος, εἴτε νόσημα τοῦ σώματος θεραπεύων, ἐπιληψίαν καὶ σπασμὸν αἰφνίδιον ἐμπίπτοντα αὐτῷ μάλιστα παρὰ τὰς ἀργίας, ἐπενόει στρατείαν μακρὰν ἔς τε Γέτας καὶ Παρθυαίους, Γέταις μὲν αὐστηρῶ καὶ φιλοπολέμῳ καὶ γείτονι ἔθνει προεπιβουλευόν, Παρθυαίους δὲ τινύμενος τῆς ἐς Κράσσον παρασπονδήσεως. στρατιὰν δὲ προύπεμπεν ἤδη τὸν Ἴόνιον περᾶν, ἑκκαίδεκα τέλη πεζῶν καὶ ἱππέας μυρίους. καὶ λόγος ἄλλος ἐφοίτα, Σιβύλλειον εἶναι προαγόρευμα μὴ πρὶν ὑπακούσεσθαι Ῥωμαίοις Παρθυαίους, εἰ μὴ βασιλεὺς αὐτοῖς ἐπιστρατεύσει. καὶ τινες ἀπὸ τοῦδε ἐτόλμων λέγειν, ὅτι χρηὶ Ῥωμαίων μὲν αὐτόν, ὥσπερ ἦν, δικτάτορα καὶ αὐτοκράτορα καλεῖν καὶ ὅσα ἄλλα ἐστὶν αὐτοῖς ἀντὶ βασιλείας ὀνόματα, τῶν δὲ ἐθνῶν, ὅσα Ῥωμαίοις ὑπήκοα, ἄντικρυς ἀνειπεῖν βασιλέα. ὁ δὲ καὶ τότε παρηγεῖτο καὶ τὴν ἐξοδὸν ὅλως ἐπετάχυνεν, ἐπίφθονος ὢν ἐν τῇ πόλει.

ᾠοντο τὸν δῆμον εἶναι Ῥωμαῖον ἀκριβῶς, οἷον ἐπὶ τοῦ πάλαι Βρούτου τὴν τότε βασιλείαν καθαιροῦντος ἐπυνθάνοντο γενέσθαι· καὶ οὐ συνέσαν δύο τάδε ἀλλήλοις ἐναντία προσδοκῶντες, φιλελευθέρους ὁμοῦ καὶ μισθωτοὺς σφίσιν ἔσεσθαι χρησίμως τοὺς παρόντας. ὦν θάτερον εὐχερέστερον ἦν, διεφθαρμένης ἐκ πολλοῦ τῆς πολιτείας. παμμιγές τε γάρ ἐστιν ἤδη τὸ πλῆθος ὑπὸ ξενίας, καὶ ὁ ἐξελεύθερος αὐτοῖς ἰσοπολίτης ἐστὶ καὶ ὁ δουλεύων ἔτι τὸ σχῆμα τοῖς δεσπótαις ὅμοιος· χωρὶς γὰρ τῆς βουλευτικῆς ἢ ἄλλῃ στολῇ τοῖς θεράπουσιν ἐστὶν ἐπίκοινος. τό τε σιτηρέσιον τοῖς πένησι χορηγούμενον ἐν μόνῃ Ῥώμῃ τὸν ἄργον καὶ πτωχεύοντα καὶ ταχυεργὸν τῆς Ἰταλίας λεὼν ἐς τὴν Ῥώμην ἐπάγεται. τό τε πλῆθος τῶν ἀποστρατευομένων, οὐ διαλυόμενον ἐς τὰς πατρίδας ἔτι ὡς πάλαι καθ' ἓνα ἄνδρα δέει τοῦ μὴ δικαίους πολέμους ἐνίους πεπολεμηκέναι, κοινῇ δὲ ἐς κληρουχίας ἀδίκους ἀλλοτρίας τε γῆς καὶ ἀλλοτρίων οἰκιῶν ἐξίόν, ἄθρουν τότε ἐστάθμευεν ἐν τοῖς ἱεροῖς καὶ τεμένεσιν ὑφ' ἐνὶ σημείῳ καὶ ὑφ' ἐνὶ ἄρχοντι τῆς ἀποικίας, τὰ μὲν ὄντα σφίσιν ὡς ἐπὶ ἐξοδὸν ἤδη διαπεπρακότες, εὖωνοι δ' ἐς ὃ τι μισθοῖντο.

[121] ὅθεν οὐ δυσχερῶς ἐκ τοσῶνδε καὶ τοιῶνδε ἀνδρῶν πλῆθός τι τοῖς ἀμφὶ τὸν Κάσσιον ἐς τὴν ἀγορὰν εὐθὺς ἀγήγερτο· οἱ καίπερ ὄντες ἔμμισθοι τὰ μὲν γενόμενα ἐπαινεῖν οὐκ ἐθάρρουν, δεδιότες τὴν Καίσαρος δόξαν καὶ τὸ πρὸς τῶν ἐτέρων ἐσόμενον, ὡς δ' ἐπὶ συμφέροντι κοινῷ τὴν εἰρήνην ἐπεβόων καὶ θαμινὰ τοὺς ἄρχοντας ὑπὲρ αὐτῆς παρεκάλουν, τέχνασμα τοῦτο ἐς τὴν τῶν ἀνδροφόνων σωτηρίαν ἐπινοοῦντες· οὐ γὰρ ἔσεσθαι τὴν εἰρήνην μὴ γενομένης αὐτοῖς ἀμνηστίας. ὧδε δὲ αὐτοῖς ἔχουσι πρῶτος ἐπιφαίνεται Κίννας στρατηγός, οἰκεῖος ὢν ἐξ ἐπιγαμίας τῷ Καίσαρι, καὶ παρὰ δόξαν ἐπελθὼν ἐς μέσους τὴν τε ἐσθῆτα τὴν στρατηγικὴν ἀπεδύσατο, ὡς παρὰ τυράννου δεδομένης ὑπερορῶν, καὶ τὸν Καίσαρα τύραννον ἐκάλει καὶ τοὺς ἀνελόντας τυραννοκτόνους, καὶ τὸ πεπραγμένον ἐσέμνυνεν ὡς ὁμοιότατον μάλιστα τῷ προγονικῷ καὶ τοὺς ἄνδρας ὡς εὐεργέτας καλεῖν ἐκέλευεν ἐκ τοῦ Καπιτωλίου καὶ γεραίρειν. καὶ Κίννας μὲν οὕτως ἔλεξεν, οἱ δὲ τὸ καθαρὸν τοῦ πλήθους οὐχ ὀρῶντες ἐπιμιγνύμενον αὐτοῖς οὐκ ἐκάλουν τοὺς ἄνδρας οὐδέ τι πλεόν ἢ περὶ τῆς εἰρήνης μόνης αὐθις παρεκάλουν.

[122] ἐπεὶ δὲ καὶ Δολοβέλλας, νέος ἀνὴρ καὶ περιώνυμος, ὑπατεύειν ὑπ' αὐτοῦ Καίσαρος ἐς τὸ ἐπίλοιπον τοῦ ἔτους ἡρημένος, ὅτε ὁ Καῖσαρ ἐξορμήσειε τῆς πόλεως, τὴν μὲν ὑπατον ἐσθῆτα ἡμφιέσατο καὶ τὰ σημεῖα τῆς ἀρχῆς περιεστήσατο, τὸν δὲ ταῦτά οἱ παρασχόντα δεύτερος ὅδε ἐλοιδόρει καὶ συνεγνωκέναι τοῖς ἐπ' αὐτῷ βεβουλευμένοις ὑπεκρίνετο καὶ μόνης ἄκων τῆς χειρὸς ἀπολειφθῆναι 'εἰσὶ δ' οἱ καὶ λέγουσιν αὐτὸν εἰσηγήσασθαι τὴν ἡμέραν θέσθαι τῇ πόλει γενέθλιόν, τότε δὴ καὶ οἱ μεμισθωμένοι ἀνεθάρρουν ὡς καὶ στρατηγοῦ καὶ ὑπάτου σφίσι συγγνωμόνων ὄντων καὶ τοὺς ἀμφὶ τὸν Κάσσιον ἐκ τοῦ ἱεροῦ κατεκάλουν. οἱ δὲ ἤδοντο μὲν τῷ Δολοβέλλᾳ καὶ ἐνόμιζον ἄνδρα νέον καὶ γνώριμον καὶ ὑπατον ἔξειν ἐς ἐναντίωσιν Ἀντωνίου, κατήεσαν δὲ αὐτῶν μόνοι Κάσσιός τε καὶ Βρούτος ὁ Μάρκος, ἡμαγμένος τὴν χεῖρα· συγκατήνεγκαν γὰρ δὴ τὰς πληγὰς ἐπὶ τὸν Καίσαρα Κάσσιός τε καὶ Βρούτος. ἐπεὶ δὲ παρῆλθον ἐς τὸ μέσον, οὐδὲν ταπεινὸν οὐδέτερος εἶπεν, ἀλλ' ὡς ἐπὶ καλοῖς ὁμολογουμένοις ἀλλήλους ἐπῆνουν καὶ τὴν πόλιν ἐμακάριζον καὶ

Δέκμῳ μάλιστα ἐμαρτύρουν, ὅτι τοὺς μονομάχους σφίσιν ἐν καιρῷ παράσχοι. τὸν τε δῆμον ἐξώτρυνον ὅμοια τοῖς προγόνοις ἐργάσασθαι τοῖς καθελοῦσι τοὺς βασιλέας, οὐκ ἐκ βίας ἄρχοντας ὥσπερ ὁ Καῖσαρ, ἀλλ' ἡρημένους ὑπὸ νόμοις: Σέξστον τε Πομπήιον, τὸν Πομπηίου Μάγνου, τοῦ Καίσαρι περὶ τῆς δημοκρατίας πεπολεμηκότος, καλεῖν ἤξιουν, πολεμοῦμενον ἔτι πρὸς τῶν Καίσαρος στρατηγῶν ἐν Ἰβηρίᾳ, καὶ τοὺς δημάρχους Καισήτιον καὶ Μάρυλλον, οἱ τὴν ἀρχὴν ὑπὸ τοῦ Καίσαρος ἀφαιρεθέντες ἡλῶντο.

[123] τοιαῦδε μὲν εἶπον οἱ περὶ τὸν Κάσσιον καὶ ἐπανήλθον αὐθις ἐς τὸ Καπιτώλιον: οὐ γὰρ ἐθάρρουν πῶ τοῖς παροῦσι. τῶν δ' οἰκείων σφίσι καὶ συγγενῶν τότε πρῶτον ἐς τὸ ἱερὸν ἐλθεῖν πρὸς αὐτοὺς δυνηθέντων ἡρέθησαν οἱ πρεσβεύοντες ὑπὲρ αὐτῶν ἐς Λέπιδόν τε καὶ Ἀντώνιον ὁμονοίας περὶ καὶ προνοίας τῆς ἐλευθερίας καὶ φειδοῦς τῶν ἐσομένων τῇ πατρίδι κακῶν, εἰ μὴ συμφρονοῖεν. καὶ ἐδέοντο οἱ πεμφθέντες, οὐκ ἐπαινοῦντες μὲν τὸ πεπραγμένον 'οὐ γὰρ ἐθάρρουν ἐν φίλοις Καίσαρος', γενόμενον δ' ἐνεγκεῖν ἀξιοῦντες ἐλέφ τε τῶν δεδρακότων αὐτὸ οὐ κατὰ μῖσος, ἀλλ' ἐπ' εὐνοίᾳ τῆς πατρίδος καὶ οἰκτῇ τῆς πόλεως κεκενωμένης στάσεσιν ἤδη συνεχέσιν, εἰ καὶ τοὺς ὑπολοίπους ἀγαθοὺς ἄνδρας ἢ μέλλουσα στάσις διολέσει. οὐδὲ γὰρ ὅσιον, εἴ τις αὐτοῖς ἔστιν ἔχθρα πρὸς ἐνίους, ἐν τοῖς δημοσίοις κινδύνοις ἐξερίζειν, πολὺ δὲ μᾶλλον ἐν τοῖς κοινοῖς καὶ τὰ ἴδια καταθέσθαι ἢ, εἴ τις ἀνηκέστως ἔχει, τὰ ἴδια ἐν τῷ παρόντι ἀναθέσθαι.

[124] Ἀντώνιος δὲ καὶ Λέπιδος ἐβούλοντο μὲν ἀμύνειν Καίσαρι, ὥς μοι προεῖρηται, εἴτε φιλίας ἔνεκα εἴτε τῶν ὁμομοσμένων, εἴτε καὶ ἀρχῆς ὀρεγόμενοι καὶ νομίζοντες εὐμαρέστερα σφίσιν ἅπαντα ἔσεσθαι τοιῶνδε καὶ τοσῶνδε ἀνδρῶν ἀθρόως ἐκποδῶν γενομένων: τοὺς δὲ φίλους καὶ συγγενεῖς αὐτῶν ἐδεδοίκεσαν καὶ τὴν ἄλλην βουλὴν ἐπιρρέπουσαν ἐς ἐκείνους, Δέκμον τε μάλιστα, τῆς ὁμόρου Κελτικῆς ἡρημένον ὑπὸ Καίσαρος ἄρχειν, στρατὸν πολὺν ἐχούσης. ἐδόκει δὴ караδοκεῖν ἔτι τὰ γενησόμενα καὶ τεχνάζειν εἰ δύναιτο περισπάσαι πρὸς ἑαυτοὺς τὴν στρατιὰν τὴν Δέκμου, ἄθυμον ἤδη τοῖς ἀτρύτοις πόνοις γεγεννημένην. οὕτω δὲ δόξαν αὐτοῖς ὁ Ἀντώνιος τοὺς εἰπόντας ἡμείψατο: 'κατὰ μὲν ἔχθραν ἰδίαν οὐδὲν ἐργασόμεθα: ἔνεκα δὲ τοῦ μύσους καὶ ὧν Καίσαρι πάντες ὠμόσαμεν, φύλακες αὐτῷ τοῦ σώματος ἢ τιμωροὶ παθόντι τι ἔσεσθαι, εὖορκον ἦν τὸ ἄγος ἐξελαύνειν καὶ μετ' ὀλιγωτέρων καθαρῶν βιοῦν μᾶλλον ἢ πάντας ἐνόχους ὄντας ταῖς ἀραῖς. ἀλλὰ δι' ὑμᾶς οἷς οὕτω δοκεῖ, σκεψόμεθα μεθ' ὑμῶν ἐν τῷ βουλευτηρίῳ καὶ νομιοῦμεν εὐαγὲς ἔσεσθαι τῇ πόλει, ὃ τι ἂν κοινῇ δοκιμάσῃτε.'

[125] ὁ μὲν ἀσφαλῶς οὕτως ἀπεκρίνατο. οἱ δὲ χάριν τε ἡδεσαν καὶ ἀπεχώρουν ἐν ἐλπίδι βεβαίῳ τὰ πάντα θέμενοι: τὴν γὰρ βουλὴν σφίσι συμπράξειν ἐς πάντα ἐπεποίθεσαν. ὁ δὲ Ἀντώνιος τὰς μὲν ἀρχὰς ἐκέλευσε νυκτοφυλακεῖν τὴν πόλιν, ἐκ διαστήματος ἐν μέσῳ προκαθημένους ὥσπερ ἐν ἡμέρᾳ: καὶ ἦσαν πυραὶ πανταχοῦ κατὰ τὸ ἄστυ καὶ δι' αὐτῶν ἔθειον ἀνὰ τὴν νύκτα πᾶσαν ἐς τὰς τῶν βουλευτῶν οἰκίας οἱ τῶν ἀνδροφόνων οἰκεῖοι, παρακαλοῦντες ὑπὲρ αὐτῶν καὶ ὑπὲρ τῆς πατρίου πολιτείας: ἀντιπαρέθεον δὲ καὶ οἱ τῶν κληρουχῶν ἡγεμόνες ἀπειλοῦντες, εἰ μὴ τις αὐτοῖς φυλάξει τὰς κληρουχίας τὰς τε ἤδη δεδομένας καὶ τὰς ἐπηγγελμένας. ἤδη δὲ καὶ τῶν

ἀστών ὁ καθαρώτατος λεὼς ἀνεθάρρει, τὴν ὀλιγότητα τῶν δεδρακότων πυθόμενοι· καὶ ἐς μνήμην τοῦ Καίσαρος ὑπεφέροντο καὶ ταῖς γνώμαις διηροῦντο. τῆς δ' αὐτῆς νυκτὸς καὶ τὰ χρήματα τοῦ Καίσαρος καὶ τὰ ὑπομνήματα τῆς ἀρχῆς ἐς τὸν Ἀντώνιον μετεκομίζετο, εἴτε τῆς γυναικὸς αὐτὰ τῆς Καίσαρος ἐξ ἐπικινδύνου τότε οἰκίας ἐς ἀκινδυνότεραν τὴν Ἀντωνίου μεταφερούσης, εἴτε τοῦ Ἀντωνίου κελεύσαντος.

[126] γιγνομένων δὲ τούτων διάγραμμα νυκτὸς ἀνεγινώσκετο Ἀντώνιον τὴν βουλὴν συγκαλοῦντος ἔτι πρὸ ἡμέρας ἐς τὸ τῆς Γῆς ἱερὸν, ἀγχοτάτω μάλιστα ὄν τῆς οἰκίας Ἀντωνίου· οὔτε γὰρ ἐς τὸ βουλευτήριον ἐθάρρει κατελθεῖν, ὑποκείμενον τῷ Καπιτωλίῳ, τῶν μονομάχων ὄντων ἐκείνοις συνεργῶν, οὔτε στρατιὰν ἐσαγαγὼν ἐς τὴν πόλιν διαταράξει· Λέπιδος δὲ ὁμῶς εἰσήγαγε. πλησιαζούσης δὲ τῆς ἡμέρας οἱ τε ἄλλοι βουλευταὶ συνέθεον ἐς τὸ τῆς Γῆς ἱερὸν καὶ Κίννας ὁ στρατηγός, αὗθις ἐπικείμενος τὴν στρατηγικὴν ἐσθῆτα, ἣν ἐχθρὸς ὡς τυράννου δόντος ἐξερρίφει. θεασάμενοι δ' αὐτόν τινες τῶν ἀδεκάστων καὶ τῶν ἐστρατευμένων τῷ Καίσαρι, δι' ὀργῆς ἔχοντες ὅτι πρῶτος ἐπὶ τῷ Καίσαρι, καίπερ οἰκεῖος ὢν αὐτοῦ, βλασφημῶς ἐδημηγόρησε, λίθοις ἔβαλλον καὶ ἐδίωκον· καὶ ἐς οἰκίαν τινὰ συμφυγόντα, ξύλα συμφέροντες, ἐμπρήσειν ἔμελλον, εἰ μὴ Λέπιδος μετὰ στρατιᾶς ἐπελθὼν ἐκώλυσε.

τοῦτο μὲν δὴ πρῶτον ἔργον παρρησίας ἤρξεν ἐπὶ τῷ Καίσαρι, καὶ αὐτὸ κατέδεισαν οἱ τε μισθωτοὶ καὶ οἱ σφαγεῖς αὐτοί· [127] ἐν δὲ τῷ βουλευτηρίῳ βραχὺ μὲν ἦν τὸ καθαρεῦον σπουδῆς βιαίου καὶ ἀγανακτοῦν, οἱ δὲ πλέονες σὺν παρασκευῇ ποικίλῃ τοῖς ἀνδροφόνους συνήρουν. καὶ πρῶτα μὲν αὐτοὺς ἀξιοπίστως ἠξίουσαν καὶ παρεῖναι σφίσι καὶ συνεδρεῦειν, ἐξ ὑπευθύνων ἐς κριτὰς μεταφέροντες. καὶ ὁ Ἀντώνιος οὐκ ἐκώλυνεν, εἰδὼς οὐκ ἐλευσομένους· οὐδὲ ἤλθον. εἶτα ἐπὶ διαπείρᾳ τῆς βουλῆς οἱ μὲν αὐτῶν μάλα θρασέως τὸ πεπραγμένον ἐπήνουν ἄντικρυς καὶ τοὺς ἄνδρας ἐκάλουν τυραννοκτόνους καὶ γεραίρειν ἐκέλευον, οἱ δὲ τὰ μὲν γέρα περιήρουν, ὡς οὐδὲ ἐκείνων δεομένων οὐδὲ ἐπὶ τῷδε αὐτὰ πραζάντων. εὐφημεῖν δὲ μόνον αὐτοὺς ἐδικαίουσαν ὡς εὐεργέτας· οἱ δὲ καὶ τὴν εὐφημίαν ὑπανήρουν καὶ φείδεσθαι μόνον αὐτῶν ἠξίουσαν.

καὶ οἱ μὲν τάδε ἐτέχναζον καὶ περιεώρων, ὃ τι πρῶτον αὐτῶν ἐνδεξαμένη μάλιστα ἡ βουλὴ πρὸς τὰ λοιπὰ κατ' ὀλίγον εὐεπιχείρητος αὐτοῖς ἔσοιτο· οἱ δὲ καθαρώτεροι τὸ μὲν ἔργον ὡς ἄγος ἀπεστρέφοντο, αἰδοῖ δὲ μεγάλων οἰκῶν περισφάζειν αὐτοὺς οὐκ ἐκώλυνον, ἡγανάκτουν δέ, εἰ καὶ τιμήσουσαν ὡς εὐεργέτας. οἱ δὲ ἀντέλεγον μὴ χρῆναι περισφάζοντας φθονεῖν τῶν περισσῶν ἐς ἀσφάλειαν. ὡς δὲ τις εἶπε τὴν τούτων τιμὴν ὕβριν Καίσαρι φέρειν, οὐκ εἶων ἔτι τὸν τεθνεῶτα τῶν περιόντων προτιθέναι. ἐτέρου δὲ ἐγκρατῶς εἰπόντος, ὅτι χρὴ δύο τῶνδε πάντως τὸ ἕτερον, ἢ Καίσαρα τύραννον προαποφαίνειν ἢ τούτους ἐξ ἐλέου περισφάζειν, τούτου μόνου δεξάμενοι τὸ λεχθὲν οἱ ἕτεροι ἤτουν σφίσι ψῆφον ἀναδοθῆναι περὶ τοῦ Καίσαρος ἐπὶ ὄρκῳ, καὶ εἰ καθαρῶς ἐθέλουσι κρῖναι, μηδέν' αὐτοῖς ἐπιθεάσαι τὰ ἐξ ἀνάγκης ἐψηφισμένα ἄρχοντι ἤδη, ὣν οὐδὲν ἐκόντας οὐδὲ πρὶν ἢ δεῖσαι περὶ σφῶν αὐτῶν. ἀνηρημένου τε Πομπηίου καὶ ἐπὶ Πομπηίῳ μυρίων ἄλλων, ψηφίσασθαι.

[128] ὁ δὲ Ἀντώνιος ἐφορῶν αὐτοὺς καὶ ἐφεδρεῦον, ἐπειδὴ λόγων ὕλην οὐκ

ἄπορον οὐδὲ ἀναμφίλογον εἶδεν ἐσφερομένην, ἔγνω τὸ ἐνθύμημα αὐτῶν οἰκείῳ φόβῳ καὶ φροντίδι περὶ σφῶν αὐτῶν διαχέαι. εἰδὼς οὖν τῶν βουλευτῶν αὐτῶν πολὺ πλῆθος ἕς τε τὰς ἀρχὰς τὰς ἐν ἄστει καὶ ἐς ἱερωσύνας καὶ ἐθνῶν ἢ στρατοπέδων ἡγεμονίας ὑπὸ τοῦ Καίσαρος εἰς τὸ μέλλον ἡρημένους ὥς γὰρ ἐπὶ χρόνιον στρατεῖαν ἐξίων ἐπὶ πενταετὲς ἡρητὸ, σιωπὴν ὡς ὑπατος ἐπικηρύξας ἔφη: ‘τοῖς αἰτοῦσι περὶ Καίσαρος ψῆφον ἀνάγκη τάδε προεἰδέναι, ὅτι ἄρχοντας μὲν αὐτοῦ καὶ αἰρετοῦ προστάτου γενομένου τὰ πεπραγμένα καὶ δεδογμένα πάντα κύρια μενεῖ, δόξαντος δ’ ἐπὶ βία τυραννῆσαι τὸ τε σῶμα ἄταφον τῆς πατρίδος ὑπερορίζεται καὶ τὰ πεπραγμένα πάντα ἀκυροῦται. ἔστι δέ, ὡς ὄρω περιλαβεῖν, ἐπὶ πᾶσαν ἀφικνούμενα γῆν καὶ θάλασσαν, καὶ τὰ πολλὰ αὐτῶν οὐδὲ βουλομένοις ἡμῖν ὑπακούσεται: καὶ δείξω μετ’ ὀλίγον. ὁ δὲ ἐστὶ μόνον ἐφ’ ἡμῖν, ὅτι καὶ περὶ μόνων ἐστὶν ἡμῶν, τοῦτο ὑμῖν προθήσω πρὸ τῶν ἄλλων, ὡς ἂν ἐν τῷ εὐμαρεῖ τὴν εἰκόνα τῶν δυσχερεστέρων προλάβοιτε. ἡμεῖς γὰρ αὐτοὶ σχεδὸν ἅπαντες οἱ μὲν ἡρξάμεν ὑπὸ τῷ Καίσαρι, οἱ δὲ ἔτι ἄρχομεν αἰρετοὶ πρὸς ἐκείνου γεγόμενοι, οἱ δὲ ἐς τὸ μέλλον ἄρχειν κεχειροτονήμεθα: ἐς γὰρ πενταετες, ὡς ἴστε, καὶ τὰ ἀστικά ἡμῖν καὶ τὰ ἐτήσια τὰς τῶν ἐθνῶν ἢ στρατοπέδων ἡγεμονίας διετάξατο. εἰ δὴ ταῦτα ὑμεῖς ἐκόντες ἀποθήσεσθε ἔστε γὰρ ὑμεῖς τοῦδε μάλιστα κύριοι, τόδε πρῶτον ὑμᾶς ἀξίῳ κρίναι: καὶ τὰ λοιπὰ ἐποίσω.’

[129] ὁ μὲν δὴ τοιοῦτον αὐτοῖς οὐ περ Καίσαρος, ἀλλὰ περὶ σφῶν αὐτῶν δαλὸν ἐξάψας ἡσύχαζεν: οἱ δ’ εὐθὺς ἀνεπήδων ἀθρόοι μετὰ βοῆς, οὐκ ἀξιοῦντες ἐπὶ χειροτονίαις ἄλλαις οὐδ’ ἐπὶ τῷ δήμῳ γενέσθαι μᾶλλον ἢ βεβαίως ἔχειν, ἃ ἔλαβον. τοῖς δὲ καὶ ἡλικίας τι νεώτερον ἢ ἄλλη πρὸς χειροτονίαν ἐναντίωσις ὑποῦσα ἀνηρέθιζε. καὶ τῶνδε αὐτὸς ὁ ὑπατος ἐξῆρχε Δολοβέλλας: οὐ γὰρ αὐτῷ δυνατὸν ἐφαίνετο κατ’ ἔννομον χειροτονίαν ὑπατεῦσαι, πέντε καὶ εἴκοσιν ἐνιαυτῶν ὄντι. ὥς εἰα δὴ τοῦ χθὲς ὑποκριναμένου μετασχεῖν τῶν γεγονότων ἐγίγνετο μεταβολή, λοιδορουμένου τοῖς πολλοῖς, εἰ τοὺς ἀνδροφόνους τιμᾶν ἀξιοῦντες τοὺς ἄρχοντας σφῶν ἀτιμώσουσιν ἐς εὐπρέπειαν τῆς ἐκείνων σωτηρίας. οἱ δὲ αὐτόν τε τὸν Δολοβέλλαν καὶ τοὺς ἄλλους ἐπήλπιζον χάριν ἐκ τοῦ δήμου λαβόντες ἐς τὰς αὐτὰς ἀρχὰς ἀποφανεῖν αὐτίκα καὶ οὐκ ἀρχόντων ἀλλαγὴν, ἀλλὰ μόνης ἔσεσθαι χειροτονίας ἐπὶ τὸ νομιμώτερον ἐκ τοῦ μοναρχικοῦ: ὁ καὶ κόσμον αὐτοῖς οἴσειν ἔν τε μοναρχίᾳ καὶ δημοκρατίᾳ τὰ ὅμοια προτιμωμένοις. καὶ τούτων ἔτι λεγομένων ἔνιοι τῶν στρατηγῶν τὰς ἐσθῆτας ἐπὶ ἐνέδρᾳ τῶν ἀντιλεγόντων ἀπετίθεντο, ὡς καὶ αὐτοὶ μετὰ τῶν ἄλλων αὐτὰς ἀντιληψόμενοι νομιμώτερον. τοῖς δὲ ἢ τε ἐνέδρα κατεφαίνετο, καὶ οὐδὲ κυρίους ἔτι τῆσδε τῆς χειροτονίας ἐσομένους ᾔδεσαν.

[130] ὧδε δὲ ἔτι ἐχόντων, ὁ Ἀντώνιος καὶ ὁ Λέπιδος ἐκ τοῦ βουλευτηρίου προῆλθον: καὶ γάρ τινες αὐτοὺς ἐκ πολλοῦ συνδραμόντες ἐκάλουν ὡς δὲ ὦφθησαν ἐκ μετεώρου καὶ σιγῇ κεκραγόντων μόλις ἐγίγνετο, εἷς μὲν τις ἐβόησεν, εἴτε κατὰ γνώμην ἰδίαν εἴτε παρεσκευασμένος: ‘φυλάσσεσθε παθεῖν ὅμοια.’ καὶ ὁ Ἀντώνιος αὐτῷ παραλύσας τι τοῦ χιτωνίσκου θώρακα ἐντὸς ἐπεδείκνυνεν, ὑπερεθίζων ἄρα τοὺς ὁρῶντας ὡς οὐκ ἐνὸν σφάζεσθαι χωρὶς ὀπλων οὐδὲ ὑπάτοις. ἐπιβοώντων δ’ ἐτέρων τὸ πεπραγμένον ἐπεξίεναι καὶ

τῶν πλεόνων περὶ τῆς εἰρήνης παρακαλούντων, τοῖς μὲν περὶ τῆς εἰρήνης ἔφη: ‘περὶ τούτου σκοποῦμεν, ὥς ἔσται τε καὶ γενομένη διαμενεῖ: δυσεῦρετον γὰρ ἤδη τὸ ἀσφαλὲς αὐτῆς, ὅτι μὴδὲ Καίσαρα ὤνησαν ὅρκοι τοσοῖδε καὶ ἀραί.’ ἐς δὲ τοὺς ἐπεξίεναι παρακαλοῦντας ἐπιστραφεὶς ἐπῆναι μὲν ὡς εὐορκότερα καὶ εὐσεβέστερα αἰρουμένους καὶ ‘αὐτὸς ἄν,’ ἔφη, “συνετασδόμην ὑμῖν καὶ τὰ αὐτὰ πρῶτος ἐβόων, εἰ μὴ ὕπατος ἦν, ᾧ τοῦ λεγομένου συμφέρειν μᾶλλον ἢ τοῦ δικαίου μέλει: ὧδε γὰρ ἡμῖν οἱ ἔνδον παραινοῦσιν. οὕτω δὲ πού καὶ Καῖσαρ αὐτός, οὗς εἶλε πολέμῳ τῶν πολιτῶν, διὰ τὸ συμφέρον τῆς πόλεως περισώσας ὑπ’ αὐτῶν ἀπέθανε.”

[131] τοιαῦτα τοῦ Ἀντωνίου παρὰ μέρος τεχνάζοντος οἱ ἀμύνειν τοῖς γεγονόσιν ἀξιοῦντες Λέπιδον ἡξίουσαν ἀμύνειν. Λεπίδου δὲ τι μέλλοντος λέγειν, οἱ πόρρῳ συνεστῶτες κατελθεῖν αὐτὸν εἰς τὴν ἀγορὰν ἡξίουσαν, ἵνα ὁμαλῶς ἅπαντες ἐπακούσειαν. καὶ ὁ μὲν εὐθὺς ἦει, νομίζων ἤδη τὸ πλῆθος τρέπεσθαι, καὶ ἐπὶ τὰ ἔμβολα παρελθὼν ἔστεινε καὶ ἔκλειεν ἐν περιόπτῳ μέχρι πολλοῦ, ἀνενεγκὼν δὲ ποτε εἶπεν: ‘ἐνταῦθα χθὲς μετὰ Καίσαρος ἰστάμην, ἔνθα νῦν ἀναγκάζομαι ζητεῖν περὶ Καίσαρος ἀνηρημένου, τί βούλεσθε.’ ἀναβοησάντων δὲ πολλῶν: ‘ἀμύνειν σε τῷ Καίσαρι,’ ἀντανεβόησαν οἱ μισθωτοί. ‘τὴν εἰρήνην τῇ πόλει.’ ὁ δὲ τούτοις μὲν ἔφη: ‘βουλόμεθα. ἀλλὰ ποῖαν λέγετε εἰρήνην; ἢ ποίοις ὅρκοις ἀσφαλὲς ἔσται; τοὺς μὲν γὰρ πατρίους πάντας ὠμόσαμεν Καίσαρι καὶ κατεπατήσαμεν, οἱ τῶν ὁμομοκότων ἄριστοι εἶναι λεγόμενοι.’ πρὸς δὲ τοὺς ἀμύνειν ἀξιοῦντας ἐπιστραφεὶς ‘ὁ μὲν Καῖσαρ ἡμῶν,’ ἔφη, ‘μεθέστηκεν, ἱερὸς τῷ ὄντι καὶ τίμιος ἀνὴρ, τὴν δὲ πόλιν τοὺς ὑπολοίπους αἰδοῦμεθα βλάψαι. καὶ τάδε,’ ἔφη, ‘σκοποῦσιν ἡμῶν οἱ πρόβουλοι, καὶ δοκεῖ τοῖς πλέοσιν.’ ἀνακραγόντων δὲ αὖθις: ‘ἐπέξιθι μόνος,’ “βούλομαι,” εἶπε, “καὶ εὐορκὸν ἐστὶ μοι καὶ μόνῳ. ἀλλ’ οὐκ ἐμὲ καὶ ὑμᾶς βούλεσθαι δεῖ μόνους οὐδὲ μόνους ἀντιτιθέναι.”

[132] τοιαῦτα καὶ τοῦτον τεχνάζοντα οἱ μισθωτοὶ φιλότιμον εἰδότες ἐπῆνουν καὶ ἥρουντο ἐπὶ τὴν Καίσαρος ἱερωσύνην. τοῦ δὲ ἡψατο μὲν ἡ ἡδονή, ‘μέμνησθε,’ δὲ ἔφη, ‘μοι τοῦδε καὶ ὕστερον, ἂν ἄξιος εἶναι δοκῶ.’ μᾶλλον οὖν ἔτι παρρησίᾳ διὰ τὴν ἱερωσύνην ὑπὲρ τῆς εἰρήνης τῶν μισθωτῶν ἐνισταμένων, ‘ἀσεβὲς μὲν,’ ἔφη, ‘καὶ παράνομον, ἐργάσομαι δὲ ὁμῶς, ὁ βούλεσθε.’ καὶ εἰπὼν ἐς τὸ βουλευτήριον ἀνέτρεχεν, ἐν ᾧ πάντα τὸν χρόνον τόνδε ὁ Δολοβέλλας ὑπὲρ τῆς ἀρχῆς ἐνίστατο ἀσχημόνως. καὶ ὁ Ἀντώνιος, ἀναμένων ἅμα τὰ ἐν τῷ δήμῳ γιγνόμενα, σὺν γέλωτι αὐτὸν ἐφεώρα: καὶ γὰρ ἦσθην διαφόρῳ. ὥς δὲ ἄλλος ἔσχε τῆς ὀψεως καὶ οὐδ’ ἐν τῷ δήμῳ τι γεγένητο θερμότερον, τοὺς μὲν οὖν ἄνδρας ἔγνω περισφάζειν ὑπὸ ἀνάγκης, ἐπικρύπτων τὴν ἀνάγκην καὶ ὥς ἐν βαρυτάτῃ χάριτι περισφάζων, τὰ δὲ τῷ Καίσαρι πεπραγμένα κυροῦν συμβόλῳ καὶ τὰ βεβουλευμένα συντελεῖν.

[133] σιωπὴν τε κατακηρύξας αὖθις ἔλεγεν:

ἐγὼ περὶ μὲν τῶν ἀμαρτόντων πολιτῶν, ᾧ ἄνδρες ὁμότιμοι, σκεπτομένοις ὑμῖν οὐδὲν ἐπεφθεγγόμην: περὶ δὲ Καίσαρος ἀντ’ ἐκείνων ψῆφον αἰτοῦσιν ἐν ἐκ τῶν Καίσαρος ἔργων προύθηκα μέχρι νῦν, καὶ τοσοῦτους ἡμῖν τὸ ἐν ἀγῶνας ἡγείρεν, οὐκ ἀλόγως: εἰ γὰρ ἀποθησόμεθα τὰς ἀρχάς, ὁμολογήσομεν ἄνδρες τοσοῖδε καὶ τοιοῖδε ἀναξίως αὐτῶν τετυχηκέναι. ὅσα δ’ οὖν μὴδὲ

ἐπακούσεται ῥαδίως, ἐπισκέψασθε νῦν αὐτὰ καὶ συναριθμεῖτε κατὰ τε πόλεις καὶ κατὰ ἔθνη καὶ βασιλέας καὶ δυνάστας. πάντα γὰρ δὴ σχεδὸν εἰπεῖν, ὅσα ἐξ ἡοῦς ἐπὶ δύσιν ὁ Καῖσαρ ἡμῖν ἐχειρώσατο δυνάμει καὶ κράτει, συνεστήσατο, νόμοις καὶ χάρισι καὶ φιланθρωπίας βεβαιωσάμενος: ὧν τίνας ὑποστήσασθαι δοκεῖτε ἀφαιρουμένους, ἃ ἔλαβον, εἰ μὴ πάντα ἐμπλῆσαι πολέμων ἐθέλετε, οἳ τῇ πατρίδι ὡς ἀσθενεστάτῃ μάλιστα οὔσῃ τοὺς ἐναγεῖς περισφύζειν ἀξιοῦτε;

καὶ τὰ μὲν πορρωτέρω τοῖς τε δεινοῖς ἔτι καὶ τοῖς φόβοις ἀφεστηκότα ἔασω: ἃ δὲ οὐκ ἀγχοῦ μόνον ἐστὶν ἡμῖν, ἀλλὰ σύνοικα ἀνὰ τὴν Ἰταλίαν αὐτήν, τοὺς τὰ νικητήρια λαβόντας καὶ κατὰ πλῆθος ἅμα τοῖς ὅπλοις, ὡς ἐστρατεύοντο, ὑπὸ τῇ αὐτῇ συντάξει συνωκισμένους ὑπὸ Καίσαρος, ὧν ἔτι πολλὰι μυριάδες εἰσὶν ἐν τῇ πόλει, τί νομίζετε πράξειν ἀφαιρουμένους, ὧν εἰλήφασιν ἢ προσδοκῶσι λήψεσθαι πόλεων τε καὶ χωρίων; καὶ τοῦδε μὲν ὑμῖν καὶ ἡ παρελθοῦσα νῦν τὴν εἰκόνα ἔδειξε.

[134] δεομένοις γὰρ ὑμῖν ὑπὲρ τῶν ἀμαρτόντων ἀντιπαρέθεον ἐκεῖνοι μετὰ ἀπειλῆς: τὸ δὲ σῶμα τοῦ Καίσαρος συρόμενον καὶ αἰκίζόμενον καὶ ἄταφον ῥιπτούμενον ἔτι γὰρ ταῦτα ἐκ τῶν νόμων τοῖς τυράννοις ἐπιτέτακται περισφῆσθαι νομίζετε τοὺς ἐστρατευμένους αὐτῷ; καὶ τὰ Κελτῶν καὶ Βρεττανῶν νομιεῖν, ἃ εἰλήφασιν, ἔξιν βέβαια τοῦ δόντος ὑβρίζομενον; τί δὲ τὸν δῆμον αὐτὸν ἐργάσεσθαι; τί δὲ τοὺς Ἰταλιώτας; πόσον δὲ ὑμῖν ἔσσεσθαι φθόνον παρὰ τε ἀνδρῶν καὶ θεῶν, ἐνυβρίζουσιν ἐς τὸν ὑμῖν τὴν ἡγεμονίαν μέχρῃς ὠκεανοῦ, ἐπὶ τὴν ἄγνωστον προαγαγόντα; καὶ οὐκ ἐν αἰτίᾳ καὶ καταγνώσει μᾶλλον ἔσσεσθαι τὴν τοσὴνδε ἡμῶν ἀνωμαλίαν, εἰ τοὺς μὲν ὕπατον ἐν βουλευτηρίῳ καὶ ἱερὸν ἄνδρα ἐν ἱερῷ χωρίῳ, βουλῆς ἀγγεργμένης, ὑπὸ ὧσιν θεῶν κατακανόντας τιμᾶν ἀξιώσομεν, ἀτιμοῦν δὲ τὸν καὶ τοῖς πολεμίοις δι' ἀρετὴν τίμιον; τούτων μὲν οὖν ὡς οὔτε ὁσίῳ οὔτε ἐφ' ἡμῖν ὄντων προλέγω πάντα ἀπέχεσθαι: γνώμην δὲ ἐσφέρω τὰ μὲν πεπραγμένα καὶ βεβουλευμένα τῷ Καίσαρι πάντα κυροῦν, τοὺς δὲ ἀμαρτόντας ἐπαινεῖν μὲν οὐδενὶ τρόπῳ ὅτι γὰρ ὁσίον οὐδὲ δίκαιον, οὐδὲ σύμφωνον ἔτι τῷ κυροῦν τὰ Καίσαρι πεπραγμένά, περισφύζειν δὲ ἐξ ἐλέου μόνον, εἰ ἐθέλοιτε, διὰ τοὺς οἰκείους αὐτῶν καὶ φίλους, εἰ δὴ καὶ τότε αὐτὸ οἶδε λαμβάνειν ὑπὲρ ἐκείνων ὁμολογοῖεν ἐν χάριτος μέρει.

[135] τοιαῦτα εἰπόντος τοῦ Ἀντωνίου σὺν ἀνατάσει τε καὶ ὀρμῇ βαρυτέρᾳ, γίγνεται δόγμα, ἡσυχάζόντων ἤδη καὶ ἀγαπώντων ἀπάντων, φόνου μὲν οὐκ εἶναι δίκας ἐπὶ τῷ Καίσαρι, κύρια δὲ εἶναι τὰ πεπραγμένα αὐτῷ πάντα καὶ ἐγνωσμένα, ἔπει τῇ πόλει συμφέρει. ἐβιάσαντο γὰρ τότε ἐς ἀσφάλειαν οἱ τῶν περισφύζομένων οἰκεῖοι προστεθῆναι μάλιστα, ὡς οὐ δικαίως φυλασσόμενα μᾶλλον ἢ διὰ χρεῖαν. καὶ ὁ Ἀντώνιος αὐτοῖς ἐς τοῦτο ἐνέδωκεν. ἐνηφισμένων δὲ τούτων, ὅσοι τῶν κληρούχων ἡγεμόνες ἦσαν, ἡξίου ἴδιον περὶ σφῶν ἐπὶ τῷ κοινῷ δόγμα ἕτερον γενέσθαι, βεβαιοῦν αὐτῶν τὰς κληρουχίας. καὶ οὐκ ἐκώλυνεν ὁ Ἀντώνιος, ἐπιδεικνὺς τῇ βουλῇ τὸν φόβον. γίγνεται μὲν δὴ καὶ τοῦτο καὶ ἕτερον αὖ περὶ τῶν ἐξιόντων ἐπὶ τὰς ἀποικίας ὅμοιον: Λεύκιον δὲ Πείσωνα, ὅτῳ τὰς διαθήκας ὁ Καῖσαρ παρετίθετο, τοῦτον ἤδη τὸν τρόπον τῆς βουλῆς διαλελυμένης τινὲς περιστάντες παρεκάλουν μῆτε τὰς διαθήκας προφέρειν μῆτε θάπτειν τὸ σῶμα φανερώς, μὴ τι νεώτερον

ἕτερον ἐκ τούτων γένοιτο. καὶ οὐ πειθόμενον ἠπειλουν ἐσαγγέλλειν, ὅτι τὸν δῆμον οὐσίαν τηλικαύτην ἀφαιροῖτο γιγνομένην κοινήν, αὐτῆς ἄρα ἐνσημαινόμενοι τὴν τυραννίδα.

[136] ἐκβόησας οὖν ὁ Πείσων ὅτι μέγιστον καὶ τοὺς ὑπάτους ἔτι παροῦσάν οἱ τὴν βουλὴν ἀξιώσας συναγαγεῖν, εἶπεν: 'οἱ τύραννον λέγοντες ἔνα ἀνηρηκέναί τοσοῖδε ἡμῶν ἀνθ' ἑνὸς ἤδη τυραννοῦσιν: οἱ θάπτειν με κωλύουσι τὸν ἀρχιερέα καὶ τὰς διαθήκας ἀπειλοῦσι προφέροντι καὶ τὴν οὐσίαν δημεύουσιν αὐτῆς ὡς τυράννου. καὶ τὰ μὲν ἐπὶ τούτοις αὐτῶ πεπραγμένα κεκύρωται: ἃ δὲ ἐφ' ἑαυτῶ κατέλιπεν, ἀκυροῦσιν, οὐ Βροῦτος ἔτι οὐδὲ Κάσσιος, ἀλλ' οἱ κάκείνους ἐς τόνδε τὸν ὄλεθρον ἐκρίπισαντες. τῆς μὲν οὖν ταφῆς ὑμεῖς ἐστε κύριοι, τῶν δὲ διαθηκῶν ἐγώ: καὶ οὐποτε ἃ ἐπιστεύθην προδώσω, πρὶν κάμει τις ἐπανελεῖν.' θορύβου δὲ καὶ ἀγανακτικῆσεως γενομένης παρὰ πάντων, καὶ μάλιστα τῶν τι καὶ ἐλπίζόντων ἐκ τῶν διαθηκῶν αὐτοῖς ἔσεσθαι, τὰς τε διαθήκας ἐς τὸ μέσον ἔδοξε προφέρειν καὶ θάπτειν τὸν ἄνδρα δημοσίᾳ. καὶ ἐπὶ τοῖσδε ἡ βουλὴ διελύθη.

[137] Βροῦτος δὲ καὶ Κάσσιος αἰσθόμενοι τῶν γεγονότων ἐς τὸ πλῆθος περιέπεμπον καὶ παρεκάλουν πρὸς αὐτοὺς ἀνελθεῖν ἐς τὸ Καπιτώλιον. συνδραμόντων δὲ ὀξέως πολλῶν ὁ Βροῦτος ἔλεγεν:

ἐνταῦθα ὑμῖν ἐντυγχάνομεν, ὃ πολῖται, οἱ χθὲς κατ' ἀγορὰν ἐντυχόντες, οὔτε ὡς ἐς ἱερὸν καταφυγόντες 'οὐ γὰρ ἡμάρτομεν' οὔτε ὡς ἐπὶ κρημνόν, οἱ τὰ καθ' ἑαυτοὺς ἐπιτρέπομεν ὑμῖν. ἀλλὰ τὸ Κίinna πάθος, ὀξύτερόν τε καὶ ἀλογώτερον αὐτῶ γενόμενον, οὕτως ἠνάγκασεν. ἡσθόμην δὲ τῶν ἐχθρῶν διαβαλλόντων ἡμᾶς ἐς ἐπιτορκίαν καὶ ἐς αἰτίαν ἀπορίας εἰρήνης ἀσφαλοῦς. ἃ δὴ περὶ τούτων ἔχομεν εἰπεῖν, ἐν ὑμῖν ἐροῦμεν, ὃ πολῖται, μεθ' ὧν καὶ τὰλλα δημοκρατουμένων πράξομεν. ἐπειδὴ Γάιος Καῖσαρ ἐκ Γαλατίας ἐπὶ τὴν πατρίδα ἦλθε σὺν ὅπλοις πολεμίοις καὶ Πομπήιος μὲν ὁ δημοκρατικώτατος ὑμῶν ἔπαθεν, οἷα ἔπαθεν, ἐπὶ δ' αὐτῶ πλῆθος ἄλλο πολιτῶν ἀγαθῶν ἐς τε Λιβύην καὶ Ἰβηρίαν ἐλαυνόμενοι διωλώλεσαν, εἰκότως αὐτῶ δεδιότι καὶ βέβαιον ἔχοντι τὴν τυραννίδα ἀμνηστίαν αἰτοῦντι ἔδομεν καὶ ὠμόσαμεν ὑπὲρ αὐτῆς. εἰ δὲ ἡμῖν ὁμνύναι προσέταττεν οὐ τὰ παρελθόντα μόνον οἷσιν ἐγκρατῶς, ἀλλὰ δουλεύσειν ἐς τὸ μέλλον ἐκόντας, τί ἂν ἔπραξαν οἱ νῦν ἐπιβουλευόντες ἡμῖν; ἐγὼ μὲν γὰρ ὄντας γε Ῥωμαίους οἶμαι πολλάκις ἀποθανεῖν ἂν ἐλέσθαι μᾶλλον ἢ δουλεύειν ἐκόντας ἐπὶ ὄρκῳ.

[138] εἰ μὲν δὴ μηδὲν ἔτι εἰς δουλείαν εἰργάζετο ὁ Καῖσαρ, ἐπιωρκήσαμεν: εἰ δὲ οὔτε τὰς ἀρχὰς τὰς ἐν ἅστει οὔτε τὰς τῶν ἐθνῶν ἡγεμονίας οὔτε στρατείας ἢ ἱερωσύνας ἢ κληρουχίας ἢ τιμὰς ἄλλας ὑμῖν ἀπέδωκεν οὐδὲ προεβούλευεν ἢ βουλὴ περὶ οὐδενὸς οὐδ' ὁ δῆμος ἐπεκύρου, ἀλλὰ πάνθ' ὁ Καῖσαρ ἦν ἅπασιν ἐξ ἐπιτάγματος καὶ οὐδὲ κόρος αὐτῶ τοῦ κακοῦ τις ἐγίγνετο, οἷος ἐγένετο Σύλλα, ἀλλ' ὁ μὲν τοὺς ἐχθροὺς καθελὼν ἀπέδωκεν ὑμῖν τὴν πολιτείαν, ὁ δ' ἐπὶ ἄλλην στρατείαν χρόνιον ἀπιὼν ἐς πενταετὲς ὑμῶν τὰ ἀρχαιρέσια προελάμβανε, ποῖα ταῦτα ἦν ἐλευθερία, ἥς οὐδ' ἐλπίς ὑπεφαίνετο ἔτι; τί δὲ οἱ τοῦ δήμου προστάται Καισῆτιος καὶ Μάρυλλος; οὐχ ἱερὰν καὶ ἄσυλον ἄρχοντες ἀρχὴν ἐξηλαύνοντο σὺν ὕβρει; καὶ ὁ μὲν νόμος ὁ τῶν προγόνων καὶ ὁ ὄρκος οὐδ' ἐπάγεσθαι δίκην ἔτι οὔσι δημάρχους ἐπιτρέπουσιν:

ὁ δὲ Καῖσαρ αὐτοὺς ἐξήλασεν, οὐδὲ δίκην ἐπαγαγών.

πότεροι οὖν ἐς τοὺς ἀσύλους ἡμάρτανον; ἡ Καῖσαρ μὲν ἱερός καὶ ἄσυλος, ὅτῳ ταῦτα οὐχ ἐκόντες, ἀλλ' ὑπ' ἀνάγκης οὐδὲ πρὶν ἐπελθεῖν αὐτὸν ἐς τὴν πατρίδα σὺν ὅπλοις καὶ τοσοῦσδε καὶ τοιοῦσδε ἀγαθοὺς πολίτας κατακαίνειν, ἐθέμεθα: τὴν δὲ τῶν δημάρχων ἀρχὴν οὐχ ἱερὰν καὶ ἄσυλον οἱ πατέρες ἡμῶν ἐν δημοκρατίᾳ χωρὶς ἀνάγκης ὤμοσάν τε καὶ ἐπηράσαντο ἐς αἰεὶ ἔσσεσθαι; ποῦ δὲ οἱ φόροι τῆς ἡγεμονίας καὶ λογισμοὶ συνεφέροντο; τίς δ' ἡμῶν ἀκόντων ἦνοιγε τὰ ταμειᾶ; τίς τῶν ἀψαύστων καὶ ἐπαράτων ἐκίνει χρημάτων καὶ ἐτέρῳ δημάρχῳ κωλύοντι θάνατον ἠπειλεί;

[139] ἀλλὰ τίς, φασίν, ἔτι ὄρκος ἐς ἀσφάλειαν εἰρήνης ἂν γένοιτο; εἰ μὲν οὐ τυραννήσει τις, οὐδὲ ὄρκων δεῖ οὐδὲ γὰρ τοῖς πατράσιν ἡμῶν ἐδέησεν οὐδέποτε: εἰ δ' ἐπιθυμήσει τις ἄλλος τυραννίδος, οὐδὲν πιστόν ἐστι Ῥωμαίοις πρὸς τύραννον οὐδ' εὖορκον. καὶ τάδε προλέγομεν ἔτι ὄντες ὑπὸ τῷ κινδύνῳ καὶ προεροῦμεν ὑπὲρ τῆς πατρίδος αἰεὶ: καὶ γὰρ ὄντες ἐν ἀσφαλεῖ τιμῇ παρὰ Καίσαρι τὴν πατρίδα τῆς ἡμετέρας τιμῆς προετιμήσαμεν. διαβάλλουσι δ' ἡμᾶς καὶ ἐπὶ ταῖς κληρουχίαις, ἐρεθίζοντες ὑμᾶς. εἰ δὴ τινες τῶν ὥκισμένων ἢ οἰκισθησομένων πάρεστε, χάρισασθέ μοι καὶ ἐπισημήνασθε ἑαυτοὺς.

[140] ἐπισημνηναμένων δὲ πολλῶν 'εὗ γε,' εἶπεν,

ὦ ἄνδρες, τοῖς ἄλλοις ἐποιήσατε συνελθόντες. χρὴ δὲ ὑμᾶς, τὰ εἰκότα τιμωμένους τε καὶ περιποιουμένους ἐκ τῆς πατρίδος, τὰ ἴσα τὴν ἐκπέμπουσιν ἀντιγεραίρειν. ὑμᾶς δὲ ὁ δῆμος ἔδωκεν ἐπὶ Κελτοὺς καὶ Βρεττανοὺς τῷ Καίσαρι, καὶ ἀριστεύοντας ἔδει τιμῶν καὶ ἀριστείων τυχεῖν. ὁ δὲ ὑμᾶς τοῖς ὄρκοις προλαβὼν ἐπήγαγε μὲν ἐπὶ τὴν πόλιν μάλ' ἀβουλοῦντας, ἐπήγαγε δὲ τοῖς ἀρίστοις τῶν πολιτῶν ἐς Λιβύην ὀκνοῦντας ὁμοίως. εἰ μὴν δὲ μόνα ταῦτα ὑμῖν ἐπέπρακτο, ἠδεῖσθε ἂν ἴσως ἐπὶ τοιοῦτοις αἰτεῖν ἀριστεῖα: ἐπεὶ δὲ οὐδεὶς φθόνος ἢ χρόνος ἢ ἀνθρωπίνῃ λήθῃ τὰ ἐπὶ Κελτοῖς καὶ Βρεττανοῖς ὑμῶν ἔργα σβέσει, ὑπὲρ τούτων ὑμῖν ἐστί τὰ ἀριστεῖα: ἃ καὶ τοῖς πάλαι στρατευομένοις ὁ δῆμος ἐδίδου, οἰκείων μὲν ἀνδρῶν ἢ ἀναμαρτήτων οὐ ποτε γῆν ἀφαιρούμενος οὐδ' ἐτέροις ἐπινέμων τὰ ἀλλότρια οὐδ' ἡγούμενος δεῖν ἀμείβεσθαι δι' ἀδικημάτων.

τῶν δὲ πολεμίων ὅτε κρατήσαιεν, οὐδὲ τούτων ἅπασαν τὴν γῆν ἀφηροῦντο, ἀλλὰ ἐμερίζοντο καὶ ἐς τὸ μέρος ᾧκίζον τοὺς ἐστρατευμένους, φύλακας εἶναι τῶν πεπολεμηκότων: καὶ οὐκ ἀρκούσης ἐνίστε τῆς δορικτήτου γῆς καὶ τὴν δημοσίαν ἐπένεμον ἢ ἑωνοῦντο ἐτέραν. οὕτω μὲν ὑμᾶς ὁ δῆμος συνῶκίζεν ἀλύπως ἅπασι: Σύλλας δὲ καὶ Καῖσαρ, οἱ σὺν ὅπλοις ἐς τὴν πατρίδα ὡς πολεμίαν ἐμβαλόντες, ἐπὶ αὐτῇ τῇ πατρίδι φρουρῶν καὶ δορυφόρων δεόμενοι, οὔτε διέλυσαν ὑμᾶς ἐς τὰς πατρίδας, οὔτε γῆν ὑμῖν ἑωνοῦντο ἢ τὴν τῶν δεδημευμένων ἀνδρῶν ἐπένεμον, οὔτε τὰς τιμὰς τοῖς ἀφαιρούμενοις ἐς παρηγορίαν ἐδίδοσαν, πολλὰ μὲν ἐκ τῶν ταμειῶν ἔχοντες, πολλὰ δὲ ἐκ τῶν δεδημευμένων, ἀλλὰ τὴν Ἰταλίαν οὐδὲν ἀμαρτοῦσαν οὐδὲ ἀδικοῦσαν πολέμου νόμῳ καὶ ληστηρίου νόμῳ τὴν τε γῆν ἀφηροῦντο καὶ οἰκίας καὶ τάφους καὶ ἱερά, ὧν οὐδὲ τοὺς ἀλλοφύλους πολεμίους ἀφηρούμεθα, ἀλλὰ δεκάτην αὐτοῖς μόνην καρπῶν ἐπετάσσομεν.

[141] οἱ δὲ ὑμῖν τὰ τῶν ὑμετέρων ὁμοεθνῶν διένεμον, τῶν ἐπὶ Κελτοὺς ὑμᾶς

αὐτῷ Καίσαρι στρατευσάντων καὶ προπεμψάντων καὶ εὐξαμένων πολλὰ κατὰ τῶν ὑμετέρων νικητηρίων. καὶ συνώκιζον ὑμᾶς ἐς ταῦτα ἀθρόους ὑπὸ σημείοις καὶ συντάξει στρατιωτικῇ, μήτε εἰρηνεύειν δυναμένους μήτε ἀδεεῖς εἶναι τῶν ἐξελαθέντων· ὁ γὰρ ἀλώμενος καὶ τῶν ὄντων ἀφρηρημένος ἔμελλεν ὑμῖν περιπολῶν ἐφεδρεῦειν καιροφυλακῶν. τοῦτο δ' ἦν, ὅπερ οἱ τύραννοι μάλιστα ἐβούλοντο, οὐ γῆν ὑμᾶς λαβεῖν, ἣν δὴ καὶ ἐτέρωθεν εἶχον παρασχεῖν, ἀλλ' ὅπως ἐχθροὺς ἐφεδρεύοντας ἔχοντες αἰεὶ βέβαιοι φύλακες ἦτε τῆς ἀρχῆς τῆς ταῦτα ὑμῖν συναδικούσης· εὐνοια γὰρ ἐς τυράννους γίγνεται δορυφόρων ἐκ τοῦ συναδικεῖν καὶ συνδεδιέναι. καὶ τοῦτο, ὧ θεοί, συνοικισμὸν ἐκάλουν, ᾧ θρῆνος ὁμοφύλων ἀνδρῶν ἐπὶν καὶ ἀνάστασις οὐδὲν ἀδικούντων.

ἀλλ' ἐκεῖνοι μὲν ὑμᾶς ἐξεπίτηδες ἐχθροὺς ἐποιοῦν τοῖς ὁμοεθνέσιν ὑπὲρ τοῦ σφετέρου συμφέροντος· ἡμεῖς δέ, οὓς οἱ νῦν τῆς πατρίδος προστάται φασὶν ἐλέω περισφάζειν, τὴν τε γῆν ὑμῖν τήνδε αὐτὴν ἐσαεὶ βεβαιούμεν καὶ βεβαιώσομεν καὶ μάρτυρα τὸν θεὸν τῶνδε ποιούμεθα. καὶ ἔχετε καὶ ἔξετε, ἃ εἰλήφατε· καὶ οὐ μὴ τις ὑμᾶς ἀφέληται ταῦτα, οὐ Βροῦτος, οὐ Κάσσιος, οὐχ οἶδε πάντες, οἱ τῆς ὑμετέρας ἐλευθερίας προεκινδυνεύσαμεν. ὁ δ' ἐν τῷ ἔργῳ μόνον ἐστὶν ἐπίμεμπτος, ἰασόμεθα ἡμεῖς, διαλλακτῆριον ὑμῖν ἅμα ἐς τοὺς ὁμοεθνεῖς ἐσόμενον καὶ ἡδιστον ἤδη πυθομένοις. οἷς τὴν τιμὴν τῆσδε τῆς γῆς τοῖς ἀφρηρημένοις ἡμεῖς ἐκ τῶν δημοσίων χρημάτων εὐθὺς ἐκ πρώτης ἀφορμῆς ἀποδώσομεν, ἵνα μὴ βέβαιον ἔχητε μόνον ὑμεῖς τὴν κληρουχίαν, ἀλλὰ καὶ ἄφθονον.

[142] τοιαῦτα τοῦ Βρούτου λέγοντος ἀκροώμενοί τε ἔτι πάντες καὶ διαλυόμενοι κατὰ σφᾶς ἐπῆνουν ὡς δικαιότατα, καὶ τοὺς ἄνδρας ὡς ἀκαταπλήκτους δὴ καὶ μάλιστα φιλοδήμους ἐν θαύματι ἐποιοῦντο, καὶ ἐς εὐνοίαν πρὸς αὐτοὺς μετετίθεντο καὶ ἐς τὴν ἐπιούσαν αὐτοῖς συμπράξειν ἔμελλον. ἅμα δὲ ἡμέρᾳ οἱ μὲν ὕπατοι τὸ πλῆθος ἐς ἐκκλησίαν συνεκάλουν, καὶ ἀνεγινώσκετο αὐτοῖς τὰ δόξαντα, καὶ Κικέρων πολὺ τῆς ἀμνηστίας ἐγκώμιον ἐπέλεγεν· οἱ δὲ ἡδόμενοι κατεκάλουν ἐκ τοῦ ἱεροῦ τοὺς ἀμφὶ τὸν Κάσσιον. καὶ οἶδε ἀναπέμπειν αὐτοῖς ἐν τοσῷδε ὄμηρᾳ ἐκέλευον, καὶ ἀνεπέμποντο οἱ παῖδες Ἀντωνίου τε καὶ Λεπίδου. ὀφθέντων δὲ τῶν ἀμφὶ τὸν Βρούτον κρότος ἦν καὶ βοή, καὶ τῶν ὑπάτων εἰπεῖν τι βουλομένων οὐκ ἀνασχόμενοι δεξιώσασθαι αὐτοὺς καὶ συναλλαγῆναι πρότερον ἐκέλευον. καὶ γίγνεται μὲν οὕτω, καὶ διεσεῖετο μάλιστα τοῖς ὑπάτοις ἡ γνώμη ὑπὸ δέους ἢ φθόνου, ὡς τῶν ἀνδρῶν καὶ τὰ ἄλλα αὐτοὺς ὑπεροισόντων ἐν τῇ πολιτείᾳ.

[143] διαθῆκαι δὲ τοῦ Καίσαρος ὥφθησαν φερόμεναι, καὶ εὐθὺς αὐτὰς τὸ πλῆθος ἐκέλευον ἀναγινώσκειν. θετὸς μὲν δὴ τῷ Καίσαρι παῖς ἐγίγνετο ἐν αὐταῖς ὁ τῆς ἀδελφῆς θυγατρίδος Ὀκτάουιος, τῷ δὴμῳ δὲ ἦσαν ἐνδιαίτημα οἱ κῆποι δεδομένοι καὶ κατ' ἄνδρα Ῥωμαίων τῶν ὄντων ἔτι ἐν ἄστει πέντε καὶ ἑβδομήκοντα Ἀττικά δραχμαί. καὶ ὑπεσαλεύετο αὖθις ἐς ὀργὴν ὁ δῆμος, τυράννου μὲν κατηγορίας προπεπυσμένοι, διαθήκας δὲ φιλοπόλιδος ἀνδρὸς ὀρῶντες. οἰκτιστον δὲ ἐφάνη μάλιστα αὐτοῖς, ὅτι τῶν ἀνδροφόνων Δέκμος ὁ Βρούτος ἐν τοῖς δευτέροις κληρονόμοις ἐγγράπτο παῖς· ἔθος γάρ τι Ῥωμαίοις παραγράφειν τοῖς κληρονόμοις ἐτέρους, εἰ μὴ κληρονομοῖεν οἱ πρότεροι. ἐφ' ᾧ δὴ καὶ μᾶλλον συνεταράσσοντο καὶ δεινὸν καὶ ἀθέμιστον ἡγοῦντο καὶ

Δέκμον ἐπιβουλεύσαι Καίσαρι, παῖδα αὐτῷ γεγραμμένον εἶναι. ἐπεὶ δὲ καὶ Πείσωνος τὸ σῶμα φέροντος ἐς τὴν ἀγορὰν πλῆθος τε ἄπειρον ἐς φρουρὰν συνέδραμον σὺν ὅπλοις, καὶ μετὰ βοῆς καὶ πομπῆς δαυηλοῦς ἐπὶ τὰ ἔμβολα προυτέθη, οἰμωγὴ τε καὶ θρῆνος ἦν αὐθις ἐπὶ πλεῖστον, καὶ τὰ ὅπλα ἐπατάγουν οἱ ὠπλισμένοι καὶ κατὰ μικρὸν ἐν μετανοίᾳ τῆς ἀμνηστίας ἐγίνοντο. καὶ ὁ Ἀντώνιος ὧδε ἔχοντας ἰδὼν οὐ μεθῆκεν, ἀλλὰ ἡρημένος εἰπεῖν τὸν ἐπιτάφιον οἶα ὑπάτος ὑπάτου καὶ φίλος φίλου καὶ συγγενῆς συγγενοῦς ἦν γὰρ δὴ Καίσαρι κατὰ μητέρα συγγενῆς· ἐτέχναζεν αὐθις καὶ ἔλεγεν ὧδε.

[144] “Οὐκ ἄξιον, ὦ πολῖται, τοσοῦδε ἀνδρὸς ἐπιτάφιον ἔπαινον παρ’ ἐμοῦ μᾶλλον, ἐνὸς ὄντος, ἢ παρὰ τῆς πατρίδος ὅλης αὐτῷ γενέσθαι. ὅσα δὴ τῆς ἀρετῆς αὐτὸν ὑμεῖς ἀγάμενοι πάντες ὁμαλῶς, ἢ τε βουλή καὶ μετὰ αὐτῆς ὁ δῆμος, ἔτι περιόντι ἐψηφίσασθε, ὑμετέραν καὶ οὐκ Ἀντωνίου τάδε φωνὴν εἶναι τιθέμενος ἀναγνώσομαι.” καὶ ἀνεγίνωσκε τῷ μὲν προσώπῳ σοβαρῶ καὶ σκυθρωπῶ, τῇ φωνῇ δ’ ἐνσημαινόμενος ἕκαστα καὶ ἐφιστάμενος, οἷς μάλιστα αὐτὸν ἐν τῷ ψηφίσματι ἐξεθείαζον, ἱερὸν καὶ ἄσυλον ἢ πατέρα πατρίδος ἢ εὐεργέτην ἢ προστάτην οἶον οὐχ ἕτερον ὀνομάζοντες. ἐφ’ ἐκάστῳ δὲ τούτων ὁ Ἀντώνιος τὴν ὄψιν καὶ τὴν χεῖρα ἐς τὸ σῶμα τοῦ Καίσαρος ἐπιστρέφων ἐν παραβολῇ τοῦ λόγου τὸ ἔργον ἐπεδείκνυ. ἐπεφθέγγετο δὲ πού τι καὶ βραχὺ ἐκάστῳ, μεμιγμένον οἴκτῳ καὶ ἀγανακτήσει, ἔνθα μὲν τὸ ψήφισμα εἶποι ‘πατέρα πατρίδος,’ ἐπιλέγων: ‘τοῦτο ἐπιεικειάς ἐστὶ μαρτυρία,’ ἔνθα δ’ ἦν ‘ἱερὸς καὶ ἄσυλος’ καὶ ‘ἀπαθῆς καὶ ὅστις αὐτῷ καὶ ἕτερος προσφύγοι,’ ‘οὐχ ἕτερος,’ ἔφη, “τῷδε προσφεύγων, ἀλλ’ αὐτὸς ὑμῖν ὁ ἄσυλος καὶ ἱερὸς ἀνήρηται, οὐ βιασάμενος οἷα τύραννος λαβεῖν τάσδε τὰς τιμὰς, ἃς οὐδὲ ἤτησεν. ἀνελευθερώτατοι δὲ ἄρα ἡμεῖς, οἱ τοιάδε τοῖς ἀναξίοις οὐδὲ αἰτοῦσι δίδομεν. ἀλλ’ ὑμεῖς ἡμῶν ὑπεραπολογεῖσθε ὥς οὐκ ἀνελευθέρων, ὧ πιστοὶ πολῖται, τοιαύτη καὶ νῦν πρὸς τεθνεῶτα χρώμενοι τιμῇ.”

[145] καὶ αὐθις ἀνεγίνωσκε τοὺς ὅρκους, ἢ μὴν φυλάξειν Καίσαρα καὶ τὸ Καίσαρος σῶμα παντὶ σθένει πάντας ἢ, εἴ τις ἐπιβουλεύσειεν, ἐξώλεις εἶναι τοὺς οὐκ ἀμύναντας αὐτῷ. ἐφ’ ὅτῳ δὴ μάλιστα τὴν φωνὴν ἐπιτείνας καὶ τὴν χεῖρα ἐς τὸ Καπιτώλιον ἀνασχών, ‘ἐγὼ μὲν,’ εἶπεν, ‘ὦ Ζεῦ πάτριε καὶ θεοί, ἔτοιμος ἀμύνειν ὥς ὅμοσα καὶ ἡρασάμην: ἐπεὶ δὲ τοῖς ὁμοτίμοις δοκεῖ συνοίσειν τὰ ἐγνωσμένα, συνενεγκεῖν εὐχομαι.’ θορύβου δ’ ἐκ τῆς βουλῆς ἐπὶ τῷδε μάλιστα προφανῶς ἐς αὐτὴν εἰρημένῳ γενομένου, ἐπικαταπήχων αὐτὴν ὁ Ἀντώνιος καὶ παλινῳδῶν ἔφη:

εἰσικεν, ὦ πολῖται, τὰ γεγενημένα ἀνδρῶν μὲν οὐδενός, ἀλλὰ του δαιμόνων ἔργα εἶναι. καὶ χρὴ τὸ παρὸν σκοπεῖν μᾶλλον ἢ τὸ γεγενημένον, ὥς ἐν ἀκμῇ μεγάλων ἐστὶ κινδύνων ἡμῖν τὰ μέλλοντα ἢ τὰ ὄντα μὴ ἐς τὰς προτέρας στάσεις ὑπαχθῶμεν καὶ ἐκτριφθῇ πᾶν, ὃ τι λοιπὸν ἐστὶν εὐγενὲς τῇ πόλει. προπέμπωμεν οὖν τὸν ἱερὸν τόνδε ἐπὶ τοὺς εὐδαίμονας, τὸν νενομισμένον ὕμνον αὐτῷ καὶ θρῆνον ἐπάδοντες.

[146] τοιάδε εἰπὼν τὴν ἐσθῆτα οἷα τις ἔνθους ἀνεδύρατο, καὶ περιζωσάμενος ἐς τὸ τῶν χειρῶν εὐκόλον, τὸ λέχος ὥς ἐπὶ σκηνῆς περιέστη κατακύπτων τε ἐς αὐτὸ καὶ ἀνίσχων, πρῶτα μὲν ὥς θεὸν οὐράνιον ὕμνει καὶ ἐς πίστιν θεοῦ

γενέσεως τὰς χεῖρας ἀνέτεινεν, ἐπιλέγων ὁμοῦ σὺν δρόμῳ φωνῆς πολέμους αὐτοῦ καὶ μάχας καὶ νίκας καὶ ἔθνη, ὅσα προσποιήσεται τῇ πατρίδι, καὶ λάφυρα, ὅσα πέμψειεν, ἐν θαύματι αὐτῶν ἕκαστα ποιούμενος καὶ συνεχῶς ἐπιβοῶν: ‘μόνος ὃδε ἀήττητος ἐκ πάντων τῶν ἐς χεῖρας αὐτῷ συνελθόντων. σὺ δ’,’ ἔφη, ‘καὶ μόνος ἐκ τριακοσίων ἐτῶν ὑβρισμένη τῇ πατρίδι ἐπήμυνας, ἄγρια ἔθνη τὰ μόνα ἐς Ῥώμην ἐμβαλόντα καὶ μόνα ἐμπρήσαντα αὐτὴν ἐς γόνυ βαλόν.’ πολλὰ τε ἄλλα ἐπιθειάσας τὴν φωνὴν ἐς τὸ θρηγῶδες ἐκ τοῦ λαμπροτέρου μετεποιεῖ καὶ ὡς φίλον ἄδικα παθόντα ὠδύρετο καὶ ἔκλαιε καὶ ἡρᾶτο τὴν ἑαυτοῦ ψυχὴν ἐθέλειν ἀντιδοῦναι τῆς Καίσαρος.

Πειθαγόρας τε γὰρ ὁ μάντις

οὕτω μὲν δὴ Γάιος Καῖσαρ πλείστου Ῥωμαίοις ἄξιος ἐς τὴν ἡγεμονίαν γενόμενος ὑπὸ τῶν ἐχθρῶν ἀνήρητο καὶ ὑπὸ τοῦ δήμου τέθαπτο: ἀπάντων δὲ αὐτοῦ τῶν σφαγέων δίκην δόντων, ὅπως οἱ περιφανέστατοι μάλιστα ἔδοσαν, ἦδε ἡ βίβλος καὶ ἡ μετὰ τήνδε ἐπιδείξουσιν, ἐπιλαμβάνουσαι καὶ ὅσα ἄλλα Ῥωμαίοις ἐμφύλια ἐς ἀλλήλους ἐγίνετο ὁμοῦ.

[2] Ἀντώνιον μὲν ἡ βουλή δι' αἰτίας εἶχεν ἐπὶ τοῖς ἐπιταφίοις τοῦ Καίσαρος, ὑφ' ὧν δὴ μάλιστα ὁ δῆμος ἐρεθισθεὶς ὑπερεῖδε τῆς ἄρτι ἐπεψηφισμένης ἀμνηστίας καὶ ἐπὶ τὰς οἰκίας τῶν σφαγέων σὺν πυρὶ ἔδραμον: ὁ δὲ αὐτὴν χालεπαίνουσιν ἐνὶ τοιῷδε πολιτεύματι ἐς εὖνοιαν ἑαυτοῦ μετέβαλεν. Ἀμάτιος ἦν ὁ Ψευδομάριος: Μαρίου γὰρ ὑπεκρίνετο υἱωνὸς εἶναι καὶ διὰ Μάριον ὑπερήρεσκε τῷ δήμῳ. γιγνόμενος οὖν κατὰ τήνδε τὴν ὑπόκρισιν συγγενῆς τῷ Καίσαρι, ὑπερήλγει μάλιστα αὐτοῦ τεθνεῶτος καὶ βωμὸν ἐπφοκοδόμει τῇ πυρᾷ καὶ χεῖρα θρασυτέρων ἀνδρῶν εἶχε καὶ φοβερὸς ἦν αἰετὶ τοῖς σφαγεῦσιν: ὧν οἱ μὲν ἄλλοι διεπεφεύγεσαν ἐκ τῆς πόλεως καὶ ὅσοι παρ' αὐτοῦ Καίσαρος εἰλήφεσαν ἡγεμονίας ἐθνῶν, ἀπεληλύθεσαν ἐπὶ τὰς ἡγεμονίας, Βροῦτος μὲν ὁ Δέκμος ἐς τὴν ὁμορον τῆς Ἰταλίας Κελτικὴν, Τρεβόνιος δὲ ἐς τὴν Ἀσίαν τὴν περὶ Ἰωνίαν, Τίλλιος δὲ Κίμβερ ἐς Βιβυνίαν: Κάσσιος δὲ καὶ Βροῦτος ὁ Μᾶρκος, ὧν δὴ καὶ μάλιστα τῇ βουλῇ διέφερεν, ἤρηντο μὲν καὶ οἶδε ὑπὸ τοῦ Καίσαρος ἐς τὸ μέλλον ἔτος ἡγεμονεύειν, Συρίας μὲν ὁ Κάσσιος καὶ Μακεδονίας ὁ Βροῦτος, ἔτι δὲ ὄντες ἀστικοὶ στρατηγοὶ ... ὑπ' ἀνάγκης καὶ διατάγμασιν οἷα στρατηγοὶ τοὺς κληρούχους ἐθεράπευον, ὅσοις τε ἄλλοις ἐπενόουν, καὶ τὰ κληρουχήματα συγχωροῦντες αὐτοῖς πιπράσκειν, τοῦ νόμου καλύοντος ἐντὸς εἴκοσιν ἐτῶν ἀποδίδοσθαι.

[3] τοῦτοις δὲ αὐτοῖς ὁ Ἀμάτιος, ὅτε συντύχοι, καὶ ἐνεδρεύσειν ἐλέγγο. τῷδε οὖν τῷ λόγῳ τῆς ἐνέδρας ὁ Ἀντώνιος ἐπιβαίνων οἷα ὕπατος συλλαμβάνει καὶ κτείνει τὸν Ἀμάτιον χωρὶς δίκης, μάλα θρασέως: καὶ ἡ βουλή τὸ μὲν ἔργον ἐθαύμαζεν ὥς μέγα καὶ παράνομον, τὴν δὲ χρεῖαν αὐτοῦ προσεποιοῦντο ἥδιστα: οὐ γὰρ αὐτοῖς ἐδόκει ποτὲ χωρὶς τοιαύδε τόλμης ἀσφαλῆ τὰ κατὰ Βροῦτον καὶ Κάσσιον ἔσεσθαι. οἱ δὲ τοῦ Ἀματίου στασιῶται καὶ ὁ ἄλλος δῆμος ἐπ' ἐκείνοις πόθῳ τε τοῦ Ἀματίου καὶ ἀγανακτήσει τοῦ γεγονότος, ὅτι μάλιστα αὐτὸ ὁ Ἀντώνιος ἐπεπράχει ὑπὸ τοῦ δήμου τιμώμενος, οὐκ ἤξιον σφῶν καταφρονεῖν: τὴν ἀγορὰν οὖν καταλαβόντες ἐβόων καὶ τὸν Ἀντώνιον ἐβλασφήμουν καὶ τὰς ἀρχὰς ἐκέλευον ἀντὶ Ἀματίου τὸν βωμὸν ἐκθεοῦν καὶ θύειν ἐπ' αὐτοῦ Καίσαρι πρῶτους. ἐξελαυνόμενοι δ' ἐκ τῆς ἀγορᾶς ὑπὸ στρατιωτῶν ἐπιτεμφθέντων ὑπὸ Ἀντωνίου μᾶλλον τε ἡγανάκτουν καὶ ἐεκκράγεσαν καὶ ἔδρας ἐνιοὶ τῶν Καίσαρος ἀνδριάντων ἐπεδείκνυν ἀνηρημένων. ὥς δέ τις αὐτοῖς ἔφη καὶ τὸ ἐργαστήριον, ἔνθα οἱ ἀνδριάντες ἀνεσκευάζοντο, δεῖξιν, εὐθύς εἶποντο καὶ ἰδόντες ἐνεπίμπρασαν, ἕως ἐτέρων ἐπιτεμφθέντων ἐξ Ἀντωνίου ἀμυνόμενοι τε ἀνηρέθησαν ἐνιοὶ καὶ συλληφθέντες ἕτεροι ἐκρεμάσθησαν, ὅσοι θεράποντες ἦσαν, οἱ δὲ ἐλεύθεροι κατὰ τοῦ κρημοῦ κατερρίφησαν.

[4] καὶ ὁ μὲν τάραχος ἐπέπαυτο, μῖσος δὲ ἄρρητον ἐξ ἄρρήτου εὐνοίας τοῦ δήμου πρὸς τὸν Ἀντώνιον ἐγήγερτο. ἡ βουλὴ δ' ἔχαιρον ὥς οὐκ ἂν ἐτέρως ἐν ἄδει περὶ τῶν ἀμφὶ τὸν Βρούτῳ γενόμενοι. ὥς δὲ καὶ Σέξστον Πομπήϊον ὁ Ἀντώνιος, τὸν Πομπήϊου Μάγνου περιποθήτου πᾶσιν ἔτι ὄντος, εἰσηγήσατο καλεῖν ἐξ Ἰβηρίας, πολεμούμενον ἔτι πρὸς τὸν Καίσαρος στρατηγῶν, ἀντί τε τῆς πατρῴας οὐσίας δεδημευμένης ἐκ τῶν κοινῶν αὐτῷ δοθῆναι μυριάδας Ἀττικῶν δραχμῶν πεντακισχιλίας, εἶναι δὲ καὶ στρατηγὸν ἤδη τῆς θαλάσσης, καθὼς ἦν καὶ ὁ πατὴρ αὐτοῦ, καὶ ταῖς Ῥωμαίων ναυσὶν αὐτίκα ταῖς πανταχοῦ χρῆσθαι εἰς τὰ ἐπείγοντα, θαυμάζουσα ἕκαστα ἡ βουλὴ μετὰ προθυμίας ἐξεδέχετο καὶ τὸν Ἀντώνιον ἐπὶ ὅλην εὐφήμεον ἡμέραν· οὐ γάρ τις αὐτοῖς ἐδόκει Μάγνου γενέσθαι δημοκρατικώτερος, ὅθεν οὐδὲ περιποθητότερος ἦν. ὁ τε Κάσσιος καὶ ὁ Βρούτος, ἐκ τῆς στάσεως ὄντε τῆς Μάγνου καὶ πᾶσι τότε τιμωτάτῳ, τὴν σωτηρίαν ἐδόκουν ἔξιν ἀσφαλῆ καὶ τὴν γνώμην ὧν ἐπεπράχσαν ἐγκρατῆ, καὶ τὴν δημοκρατίαν ἐς τέλος ἐπάξεσθαι, τῆς μοίρας σφῶν ἀνισχύσης. ἃ καὶ Κικέρων συνεχῶς ἐπῆνει τὸν Ἀντώνιον· καὶ ἡ βουλὴ συγγινώσκουσα αὐτῷ διὰ σφᾶς ἐπιβουλεύοντα τὸν δῆμον ἔδωκε φρουρὰν περιστήσασθαι περὶ τὸ σῶμα, ἐκ τῶν ἐστρατευμένων καὶ ἐπιδημούντων ἐαυτῷ καταλέγοντα.

[5] ὁ δέ, εἴτε εἰς τοῦτο αὐτὸ πάντα πεπραχὼς εἴτε τὴν συντυχίαν ὡς εὐχρηστον ἀσπασάμενος τὴν φρουρὰν κατέλεγεν, αἰεὶ προστιθεὶς μέχρι ἐς ἑξακισχιλίους, οὐκ ἐκ τῶν γινομένων ὀπλιτῶν, οὐς εὐμαρῶς ἂν ἐν ταῖς χρεαῖαις ᾤετο ἔξιν καὶ ἐτέρωθεν, ἀλλὰ πάντας λοχαγοὺς ὡς ἡγεμονικούς τε καὶ ἐμπειροπολέμους καὶ οἱ γνωρίμους ἐκ τῆς στρατείας τῆς ὑπὸ Καίσαρι· ταξάρχους δ' αὐτοῖς ἐς τὸν πρόποντα κόσμον ἐξ αὐτῶν ἐκείνων ἐπιστήσας ἤγεν ἐν τιμῇ καὶ κοινωνοὺς ἐποιεῖτο τῶν φανερῶν βουλευμάτων. ἡ δὲ βουλὴ τό τε πλῆθος αὐτῶν καὶ τὴν ἐπίλεξιν ἐν ὑπονοίᾳ τιθέμενοι συνεβούλευον τὴν φρουρὰν ὡς ἐπίφθονον ἐς τὸ ἄρκοῦν ἐπαναγαγεῖν. ὁ δὲ ὑπισχνεῖτο ποιήσειν, ὅταν σβέση τοῦ δήμου τὸ ταραχῶδες. ἐψηφισμένον δ' εἶναι κύρια, ὅσα Καίσαρι ἐπράκτό τε καὶ γενέσθαι βεβούλευτο, τὰ ὑπομνήματα τῶν βεβουλευμένων ὁ Ἀντώνιος ἔχων καὶ τὸν γραμματέα τοῦ Καίσαρος Φαβέριον ἐς πάντα οἱ πειθόμενον, διότι καὶ ὁ Καῖσαρ τὰ τοιάδε αἰτήματα ἐς τὸν Ἀντώνιον ἐξίων ἀνετίθετο, πολλὰ ἐς πολλῶν χάριν προσετίθει καὶ ἐδωρεῖτο πόλεσι καὶ δυνάσταις καὶ τοῖσδε τοῖς ἑαυτοῦ φρουροῖς· καὶ ἐπεγράφετο μὲν πᾶσι τὰ Καίσαρος ὑπομνήματα, τὴν δὲ χάριν οἱ λαβόντες ἤδσαν Ἀντωνίῳ. τῷ δὲ αὐτῷ τρόπῳ καὶ ἐς τὸ βουλευτήριον πολλοὺς κατέλεγε καὶ ἄλλα τῇ βουλῇ δι' ἀρεσκείας ἐπρασσεν, ἵνα μὴ φθονοῖεν ἔτι τῆς φρουρᾶς.

[6] καὶ Ἀντώνιος μὲν ἀμφὶ ταῦτα ἦν, ὁ δὲ Βρούτος καὶ ὁ Κάσσιος, οὔτε τινὸς παρὰ τοῦ δήμου σφίσιν ἢ παρὰ τῶν ἐξεστρατευμένων εἰρηναίου φανέντος, οὔτε τὴν ἐνέδραν Ἀματίου καὶ παρ' ἐτέρου ἂν αὐτοῖς ἀδύνατον ἡγούμενοι γενέσθαι, οὔτε τὸ ποικίλον Ἀντωνίου φέροντες ἀφόβως, ἤδη καὶ στρατιὰν ἔχοντος, οὔτε τὴν δημοκρατίαν βεβαιουμένην ἔργοις ὀρῶντες, ἀλλὰ καὶ ἐς τοῦτο ὑφορώμενοι τὸν Ἀντώνιον, Δέκμῳ μάλιστα ἐπεποίθεσαν, ἔχοντι ἐν πλευραῖς τρία τέλη στρατοῦ, καὶ πρὸς Τρεβόνιον ἐς τὴν Ἀσίαν καὶ πρὸς Τίλλιον ἐς Βιθυνίαν κρύφα ἔπεμπον χρήματα ἀγεῖρ ἐκ ἀφανῶς καὶ στρατὸν

περιβλέπεσθαι. αὐτοὶ τε ἡπείγοντο τῶν δεδομένων σφίσιν ὑπὸ τοῦ Καίσαρος ἔθνων λαβέσθαι. τοῦ χρόνου δὲ οὐπω συγχωροῦντος αὐτοῖς, ἀπρεπὲς ἡγούμενοι, τὴν ἐν ἅστει στρατηγίαν προλιπόντες ἀτελῆ, δόξαν ὑποπτον φιλαρχίας ἔθνων ἐνέγκασθαι, ἥρουντο ὁμως ὑπὸ ἀνάγκης τὸ ἐν μέσῳ διάστημα διατρίψαι ποι μᾶλλον ιδιωτεύοντες ἢ ἐν ἅστει στρατηγεῖν, οὔτε ἀφόβως ἔχοντες οὔτε τὰ εἰκότα ἐφ' οἷς ὑπὲρ τῆς πατρίδος ἐπεπράχesan τιμώμενοι. οὕτω δ' αὐτοῖς ἔχουσιν ἡ βουλὴ συνειδυῖα τὴν γνώμην ἔδωκε σίτου τῇ πόλει φροντίσαι, ἐξ ὅσης δύναιτο γῆς, μέχρις αὐτοῦς ὁ χρόνος τῶν ἔθνων τῆς στρατηγίας καταλάβοι.

καὶ ἡ μὲν οὕτως ἔπραξεν, ἵνα μή ποτε Βροῦτος ἢ Κάσσιος φεύγειν δοκοῖεν: τοσῆδε αὐτῶν φροντίς ἦν ἅμα καὶ αἰδώς, ἐπεὶ καὶ τοῖς ἄλλοις σφαγεῦσι διὰ τοῦσδε μάλιστα συνελάμβανον: [7] ἐξελθόντων δὲ τῆς πόλεως τῶν ἀμφὶ τὸν Βροῦτον, ἐπὶ δυναστείας ὣν ὁ Ἀντώνιος ἤδη μοναρχικῆς ἀρχὴν ἔθνους καὶ στρατιᾶς αὐτῷ περιέβλεπε: καὶ Συρίας μὲν ἐπεθύμει μάλιστα, οὐκ ἡγνόει δὲ ὦν δι' ὑπονοίας καὶ μᾶλλον ἐσόμενος, εἴ τι αἰτοίῃ: καὶ γὰρ αὐτῷ κρύφα Δολοβέλλαν τὸν ἕτερον ὑπάτον ἐπήλειφεν εἰς ἐναντίωσιν ἡ βουλῇ, διάφορον αἰεὶ τῷ Ἀντωνίῳ γενόμενον. αὐτὸν οὖν τὸν Δολοβέλλαν ὁ Ἀντώνιος, νέον τε καὶ φιλότιμον εἰδώς, ἔπεισεν αἰτεῖν Συρίαν ἀντὶ Κασσίου καὶ τὸν ἐς Παρθυαίους κατειλεγμένον στρατὸν ἐπὶ τοὺς Παρθυαίους, αἰτεῖν δὲ οὐ παρὰ τῆς βουλῆς 'οὐ γὰρ ἐξῆν', ἀλλὰ παρὰ τοῦ δήμου νόμῳ. καὶ ὁ μὲν ἡσθεὶς αὐτίκα προυτίθει τὸν νόμον, καὶ τῆς βουλῆς αἰτιωμένης αὐτὸν παραλύειν τὰ δόξαντα τῷ Καίσαρι τὸν μὲν ἐπὶ Παρθυαίους πόλεμον οὐδενὶ ἔφη ὑπὸ Καίσαρος ἐπιτετράφθαι, Κάσσιον δὲ τὸν Συρίας ἀξιοθέντα αὐτόν τι τῶν Καίσαρος πρότερον ἀλλάξαι, δόντα πωλεῖν τὰ κληρουχίματα τοῖς λαβοῦσι πρὸ τῶν νενομισμένων εἴκοσιν ἐτῶν: καὶ αὐτὸς δὲ αἰδεῖσθαι Συρίας οὐκ ἀξιούμενος, Δολοβέλλας ὦν, πρὸ Κασσίου. οἱ μὲν δὴ τῶν δημάρχων τινὰ Ἀσπρήναν ἔπεισαν ἐν τῇ χειροτονίᾳ ψεύσασθαι περὶ διοσημείας, ἐλπίσαντές τι καὶ Ἀντώνιον συμπράξειν, ὑπάτὸν τε ὄντα καὶ τῶν σημείων ἱερέα καὶ διάφορον ἔτι νομιζόμενον εἶναι τῷ Δολοβέλλᾳ: ὁ δ' Ἀντώνιος, ἐπεὶ τῆς χειροτονίας οὔσης ὁ Ἀσπρήνας ἔφη διοσημεῖαν ἀπαίσιον γεγονέναι, ἔθους ὄντος ἐτέρους ἐπὶ τοῦτο πέμπεσθαι, πάννυ χαλεπόμενος τῷ Ἀσπρήνᾳ τοῦ ψεύσματος τὰς φυλὰς ἐκέλευε χειροτονεῖν περὶ τοῦ Δολοβέλλα.

[8] καὶ γίνεται μὲν οὕτω Συρίας ἡγεμῶν Δολοβέλλας καὶ στρατηγὸς τοῦ πολέμου τοῦ πρὸς Παρθυαίους καὶ στρατιᾶς τῆς ἐς αὐτὸν ὑπὸ Καίσαρος κατειλεγμένης, ὅση τε περὶ Μακεδονίαν προελήλυθει, καὶ ὁ Ἀντώνιος τότε πρῶτον ἐγνωστο συμπράσσων τῷ Δολοβέλλᾳ. γεγεννημένων δὲ τῶνδε ἐν τῷ δήμῳ τὴν βουλὴν ὁ Ἀντώνιος ἤτει Μακεδονίαν, εὖ εἰδώς, ὅτι αἰδέσονται, μετὰ Συρίαν δοθεῖσαν Δολοβέλλᾳ, ἀντειπεῖν περὶ Μακεδονίας Ἀντωνίῳ, καὶ ταῦτα γυμνῆς στρατοῦ γενομένης. καὶ ἔδοσαν μὲν ἄκοντες καὶ ἐν θαύματι ἔχοντες, ὅπως τὸν ἐν αὐτῇ στρατὸν προμεθῆκεν ὁ Ἀντώνιος τῷ Δολοβέλλᾳ, ἡγάπων δὲ ὁμως Δολοβέλλαν ἔχειν τὸν στρατὸν Ἀντωνίου μᾶλλον. ἐν καιρῷ δὲ αὐτοὶ τὸν Ἀντώνιον τοῖς ἀμφὶ τὸν Κάσσιον ἀντήτουν ἕτερα ἔθνη, καὶ ἐδόθη Κυρήνη τε καὶ Κρήτη, ὥς δ' ἐτέροις δοκεῖ, τάδε μὲν ἀμφοτέρα Κασσίῳ, Βιθυνία δὲ Βροῦτῳ.

[9] τὰ μὲν δὴ γινόμενα ἐν Ῥώμῃ τοιαύδε ἦν: Ὀκτάουσιος δὲ ὁ τῆς ἀδελφῆς τοῦ Καίσαρος θυγατριδοῦς ἵππαρχος μὲν αὐτοῦ Καίσαρος γεγέννητο πρὸς ἐν ἔτος, ἐξ οὗ τήνδε τὴν τιμὴν ὁ Καῖσαρ ἐς τοὺς φίλους περιφέρων ἐτήσιον ἔσθ' ὅτε ἐποιεῖτο εἶναι, μειράκιον δὲ ἔτι ὦν ἐς Ἀπολλωνίαν τὴν ἐπὶ τοῦ Ἰονίου παιδεύεσθαι τε καὶ ἀσκεῖσθαι τὰ πολέμια ἐπέμετο ὑπὸ τοῦ Καίσαρος ὡς ἐς τοὺς πολεμίους ἐσόμενος αὐτῷ. καὶ αὐτὸν ἐν τῇ Ἀπολλωνίᾳ ἰππέων ἱλαὶ παραλλάξ ἐκ Μακεδονίας ἐπιοῦσαι συνεγύμναζον καὶ τῶν ἡγεμόνων τοῦ στρατοῦ τινες ὡς συγγενεῖ Καίσαρος θαμινὰ ἐπεφοίτων. γινώσῃς τε ἐκ τούτων αὐτῷ καὶ εὖνοια παρὰ τοῦ στρατοῦ τις ἐνεγίγνετο, σὺν χάριτι δεξιουμένῳ πάντας. ἕκτον δ' ἔχοντι μῆνα ἐν τῇ Ἀπολλωνίᾳ ἀγγέλλεται περὶ ἐσπέραν ὁ Καῖσαρ ἀνηρημένος ἐν τῷ βουλευτηρίῳ πρὸς τῶν φιλάτων καὶ παρ' αὐτῷ δυνατωτάτων τότε μάλιστα. τῶν δὲ λοιπῶν οὐδενὸς ἀπαγγελθέντος πῶ δέος αὐτὸν ἐπέιχε καὶ ἄγνοια, εἴτε κοινὸν εἴη τῆς βουλῆς τὸ ἔργον εἴτε καὶ τῶν ἐργασαμένων ἴδιον, καὶ εἰ δίκην ἤδη τοῖς πλείοσι δεδῶκοιεν ἢ καὶ τοῦδε εἶεν, ἢ καὶ τὸ πλῆθος αὐτοῖς συνήδοιτο.

[10] ἐφ' οἷς οἱ φίλοι ἐκ Ῥώμης ὑπετίθεντο ταῦτα, ὥστε οἱ μὲν ἐς φυλακὴν τοῦ σώματος αὐτὸν ἤξιουν ἐπὶ τὸν ἐν Μακεδονίᾳ στρατὸν καταφυγεῖν καί, ὅτε μάθοι μὴ κοινὸν εἶναι τὸ ἔργον, ἐπιθαρρήσαντα τοῖς ἐχθροῖς ἀμύνειν τῷ Καίσαρι: καὶ ἦσαν οἱ καὶ τῶν ἡγεμόνων αὐτὸν ἐλθόντα φυλάξειν ὑπεδέχοντο: ἢ δὲ μήτηρ καὶ Φίλιππος, ὃς εἶχεν αὐτήν, ἀπὸ Ῥώμης ἔγραφον μήτε ἐπαίρεσθαι μήτε θαρρεῖν πῶ μεμνημένον, οἷα Καῖσαρ ὁ παντὸς ἐχθροῦ κρατήσας ὑπὸ τῶν φιλάτων μάλιστα πάθοι, τὰ δὲ ιδιωτικώτερα ὡς ἐν τοῖς παροῦσιν ἀκινδυνότερα αἰρεῖσθαι μᾶλλον καὶ πρὸς σφᾶς ἐς Ῥώμην ἐπείγεσθαι φυλασσόμενον. οἷς Ὀκτάουσιος ἐνδοὺς διὰ τὴν ἔτι ἄγνοιαν τῶν ἐπὶ τῷ θανάτῳ γενομένων, τοὺς ἡγεμόνας τοῦ στρατοῦ δεξιωσάμενος διέπλει τὸν Ἰόνιον, οὐκ ἐς τὸ Βρεντέσιον 'οὐπω γάρ τινα τοῦ ἐκεῖθι στρατοῦ πείραν εἰληφῶς πάντα ἐφυλάσσετο, ἀλλ' ἐς ἑτέραν οὐ μακρὰν ἀπὸ τοῦ Βρεντεσίου πόλιν, ἐκτὸς οὕσαν ὁδοῦ, ἣ ὄνομα Λουπία. ἐνταῦθα οὖν ἐνηυλίσατο διατρίβων.

[11] ὡς δὲ οἱ τά τε ἀκριβέστερα περὶ τοῦ φόνου καὶ τοῦ δημοσίου πάθους τῶν τε διαθηκῶν καὶ τῶν ἐψηφισμένων ἦλθε τὰ ἀντίγραφα, οἱ μὲν ἔτι μᾶλλον αὐτὸν ἤξιουν τοὺς ἐχθροὺς Καίσαρος δεδιέναι, υἱὸν τε αὐτοῦ καὶ κληρονόμον ὄντα, καὶ παρήνουν ἅμα τῷ κλήρῳ τὴν θέσιν ἀπείρασθαι: ὁ δὲ καὶ ταῦτά οἱ καὶ τὸ μὴ τιμωρεῖν αὐτὸν Καίσαρι αἰσχρὸν ἡγούμενος ἐς τὸ Βρεντέσιον ἦει, προπέμψας καὶ διερευνησάμενος, μή τις ἐκ τῶν φονέων ἐγκαθέζοιτο ἐνέδρα. ὡς δὲ αὐτῷ καὶ ὁ ἐνθάδε στρατὸς οἷα Καίσαρος υἱὸν δεξιούμενος ἀπήντα, θαρρήσας ἔθυε καὶ εὐθὺς ὠνομάζετο Καῖσαρ. ἔθος γάρ τι Ῥωμαίοις τοὺς θετοὺς τὰ τῶν θεμένων ὀνόματα ἐπιλαμβάνειν. ὁ δὲ οὐκ ἐπέλαβεν, ἀλλὰ καὶ τὸ αὐτοῦ καὶ τὸ πατρῶον ὅλως ἐνήλλαξεν, ἀντὶ Ὀκταοῦιου παιδὸς Ὀκταοῦιου Καῖσαρ εἶναι καὶ Καίσαρος υἱός, καὶ διετέλεσεν οὕτω χρώμενος. εὐθύς τε ἐς αὐτὸν ἄθρουν καὶ πανταχόθεν ὡς ἐς Καίσαρος υἱὸν πλῆθος ἀνθρώπων συνέθεον, οἱ μὲν ἐκ φιλίας Καίσαρος, οἱ δὲ ἐξελεύθεροι καὶ θεράποντες αὐτοῦ, καὶ ἕτεροι στρατιῶται σὺν αὐτοῖς, οἱ μὲν ἀποσκευὰς ἢ χρήματα φέροντες ἐς τὴν Μακεδονίαν, οἱ δὲ ἕτερα χρήματα καὶ φόρους ἐξ ἐθνῶν

ἄλλων ἐς τὸ Βρεντέσιον.

[12] ὁ δὲ καὶ τῷ πλήθει τῶν εἰς αὐτὸν ἀφικνουμένων καὶ τῇ Καίσαρος αὐτοῦ δόξῃ τε καὶ τῇ πάντων εἰς ἐκεῖνον εὐνοίᾳ θαρρῶν ὥδευεν ἐς Ῥώμην σὺν ἀξιολόγῳ πλήθει, αὐξομένῳ μᾶλλον ἐκάστης ἡμέρας οἷα χειμάρρῳ, φανερᾶς μὲν ἐπιβουλῆς ὣν ἀμείνων διὰ τὸ πλῆθος, ἐνέδρας δὲ δι' αὐτὸ καὶ μάλιστα ὑφορώμενος, ἀρτιγνώστων οἱ τῶν συνόντων σχεδὸν ὄντων ἀπάντων. τὰ δὲ τῶν πόλεων τῶν μὲν ἄλλων οὐ πάντῃ πρὸς αὐτὸν ἦν ὁμαλά· οἱ δὲ τῷ Καίσαρι στρατευσάμενοί τε καὶ ἐς κληρουχίας διηρημένοι συνέτρεχον ἐκ τῶν ἀποικῶν ἐπὶ χάριτι τοῦ μειρακίου καὶ τὸν Καίσαρα ὠλοφύροντο καὶ τὸν Ἀντώνιον ἐβλασφήμουν οὐκ ἐπεξιόντα τηλικούτῳ μύσει καὶ σφᾶς ἔλεγον, εἴ τις ἡγοίτο, ἀμυνεῖν. οὗς ὁ Καίσαρ ἐπαινῶν καὶ ἀνατιθέμενος ἐν τῷ παρόντι ἀπέπεμπεν. ὄντι δ' αὐτῷ περὶ Ταρρακίνας, ἀπὸ τετρακοσίων πού Ῥώμης σταδίων, ἀγγέλλεται Κάσσιός τε καὶ Βροῦτος ἀφηρημένοι πρὸς τῶν ὑπάτων Συρίαν καὶ Μακεδονίαν καὶ ἐς παρηγορίαν βραχύτερα ἕτερα Κυρήνην καὶ Κρήτην ἀντειληφότες, φυγάδων τέ τινων κάθοδοι καὶ Πομπηίου μετάκλησις καὶ ἀπὸ τῶν Καίσαρος ὑπομνημάτων ἕς τε τὴν βουλὴν ἐγγραφαί τινων καὶ ἕτερα πολλὰ γινόμενα.

[13] ὥς δ' ἐς τὴν πόλιν ἀφίκετο, ἡ μὲν μήτηρ αὐτῆς καὶ Φίλιππος ὅσοι τε ἄλλοι κηδεμόνες ἦσαν αὐτοῦ, ἐδεδοίκεσαν τήν τε τῆς βουλῆς ἐς τὸν Καίσαρα ἀλλοτριώσιν καὶ τὸ δόγμα, μὴ εἶναι δίκας ἐπὶ Καίσαρι φόνου, καὶ τὴν Ἀντωνίου τότε δυναστεύοντος ἐς αὐτὸν ὑπεροψίαν, οὔτε ἀφικομένου πρὸς τὸν Καίσαρος υἱὸν ἐλθόντα οὔτε προσπέμπσαντος αὐτῷ· ὁ δὲ καὶ ταῦτ' ἐπράυνεν, αὐτὸς ἀπαντήσιν ἐς τὸν Ἀντώνιον εἰπὼν οἷα νεώτερος ἐς πρεσβύτερον καὶ ἰδιώτης ἐς ὕπατον καὶ τὴν βουλὴν θεραπεύσειν τὰ εἰκότα. καὶ τὸ δόγμα ἔφη γενέσθαι μηδενός πω τοὺς ἀνδροφόνους διώκοντος· ἀλλ' ὅποτε θαρρήσας τις διώκοι, καὶ τὸν δῆμον ἐπικουρήσειν καὶ τὴν βουλὴν ὡς ἐννόμῳ καὶ τοὺς θεοὺς ὡς δικαίῳ καὶ τὸν Ἀντώνιον ἴσως. εἰ δὲ καὶ τοῦ κλήρου καὶ τῆς θέσεως ὑπερίδοι, ἕς τε τὸν Καίσαρα ἀμαρτήσεσθαι καὶ τὸν δῆμον ἀδικήσιν εἰς τὴν διανομήν.

Ἀπερρήγνυ τε λήγων τοῦ λόγου, ὅτι μὴ κινδυνεύειν οἱ καλὸν εἶη μόνον, ἀλλὰ καὶ θνήσκειν, εἰ προκριθεὶς ἐκ πάντων ἐς τοσαῦτα ὑπὸ τοῦ Καίσαρος ἀντάξιός αὐτοῦ φαίνοιτο φιλοκινδυνωτάτου γεγονότος. τὰ τε τοῦ Ἀχιλλέως, ὑπόγυά οἱ τότε ὄντα μάλιστα, ἐς τὴν μητέρα ὥσπερ ἐς τὴν Θέτιν ἐπιστρεφόμενος ἔλεγεν· “αὐτίκα τεθναίην, ἐπεὶ οὐκ ἄρ' ἔμελλον ἐταίρῳ κτεινομένῳ ἐπαμύνειν.”

καὶ τότε εἰπὼν Ἀχιλλεῖ μὲν ἔφη κόσμον ἀθάνατον ἐκ πάντων εἶναι τοῦτο τὸ ἔπος, καὶ τὸ ἔργον αὐτοῦ μάλιστα· αὐτὸς δ' ἀνεκάλει τὸν Καίσαρα οὐχ ἐταῖρον, ἀλλὰ πατέρα, οὐδὲ συστρατιώτην, ἀλλ' αὐτοκράτορα, οὐδὲ πολέμου νόμῳ πεσόντα, ἀλλ' ἄθεμίστως ἐν βουλευτηρίῳ κατασκοπέντα.

[14] ἐφ' οἷς αὐτὸν ἡ μήτηρ, ἐς ἥδονήν ἐκ τοῦ δέους ὑπαχθεῖσα, ἡσπάζετο ὡς μόνον ἄξιον Καίσαρος καὶ λέγειν ἔτι ἐπισχοῦσα ἐπέσπερχεν ἐς τὰ ἐγνωσμένα σὺν τῇ τύχῃ. παρῆναι γε μὴν ἔτι τέχνῃ καὶ ἀνεξικακίᾳ μᾶλλον ἢ φανερᾷ θρασυτήτι πω χρῆσθαι. καὶ ὁ Καίσαρ ἐπαινέσας καὶ πράξειν ὑποσχόμενος οὕτως, αὐτίκα τῆς ἐσπέρας ἐς τοὺς φίλους περιέπεμπεν, ἐς ἧς συγκαλῶν

ἕκαστον ἐς τὴν ἀγορὰν μετὰ πλήθους. ἔνθα Γάιον Ἀντώνιον τὸν ἀδελφὸν Ἀντωνίου, στρατηγοῦντα τῆς πόλεως, ὑπαντίσας ἔφη δέχεσθαι τὴν θέσιν τοῦ Καίσαρος· ἔθος γάρ τι Ῥωμαίοις τοὺς θετοὺς ἐπὶ μάρτυσι γίγνεσθαι τοῖς στρατηγοῖς. ἀπογραψαμένων δὲ τῶν δημοσίων τὸ ῥῆμα, εὐθὺς ἐκ τὴν ἀγορᾶς ἐς τὸν Ἀντώνιον ἐχώρει. ὁ δὲ ἦν ἐς κήποις, οὓς ὁ Καῖσαρ αὐτῷ δεδώρητο Πομπηίου γενομένους. διατριβῆς δὲ ἀμφὶ τὰς θύρας πλείονος γενομένης ὁ μὲν Καῖσαρ καὶ τάδε ἐς ὑποψίαν Ἀντωνίου τῆς ἀλλοτριώσεως ἐτίθετο, εἰσκληθέντος δὲ ποτε ἦσαν προσαγορεύσεις τε καὶ περὶ ἀλλήλων πύσματα εἰκότα.

ὡς δὲ ἤδη λέγειν ἔδει περὶ ὧν ἦσαν ἐν χρεΐᾳ, ὁ Καῖσαρ εἶπεν:

[15] ἐγὼ δέ, πάτερ Ἀντώνιε, πατέρα γὰρ εἶναι σέ μοι δικαιοῦσιν αἶ τε Καῖσαρος ἐς σέ εὐεργεσίαι καὶ ἡ σὴ πρὸς ἐκείνους χάρις, τῶν σοι πεπραγμένων ἐπ' ἐκείνῳ τὰ μὲν ἐπαινῶ καὶ χάριν αὐτῶν ὀφλήσω, τὰ δ' ἐπιμέμφομαι, καὶ λελέξεται μετὰ παρρησίας, ἐς ἣν ἡ λύπη με προάγει. κτεινομένῳ μὲν οὐ παρῆς, τῶν φονέων σε περισπασάντων περὶ θύρας, ἐπεὶ περιέσφωξες ἂν αὐτὸν ἢ συνεκινδύνευες ὅμοια παθεῖν: ὧν εἰ θάτερον ἐμελλεν ἔσεσθαι, καλῶς, ὅτι μὴ παρῆς. ψηφιζομένων δὲ τινων αὐτοῖς ὡς ἐπὶ τυράννῳ γέρα ἀντεῖπας ἐγκρατῶς: καὶ τοῦδ' ἐμοὶ χάριν οἶδα λαμπράν, εἰ καὶ τοὺς ἄνδρας ἔγνως συνανελεῖν σε βεβουλευμένους, οὐχ, ὡς ἡμεῖς ἡγούμεθα, τιμωρὸν ἐσόμενον Καίσαρι, ἀλλ', ὡς αὐτοὶ λέγουσι, τῆς τυραννίδος διάδοχον. ἅμα δ' οὐκ ἦσαν ἐκεῖνοι τυραννοκτόνοι, εἰ μὴ καὶ φονεῖς ἦσαν: διὸ καὶ ἐς τὸ Καπιτώλιον συνέφυγον ὡς ἐς ἱερὸν ἀμαρτόντες ἰκέται ἢ ὡς ἐς ἀκρόπολιν ἐχθροί. πόθεν οὖν αὐτοῖς ἀμνηστία καὶ τὸ ἀνεύθυνον τοῦ φόνου, ἢ τῆς βουλῆς καὶ τοῦ δήμου εἰ τινες ἐφθάρατο ὑπ' ἐκείνων; καὶ σέ τὸ τῶν πλεόνων ὄρᾱν ἐχρῆν, ὕπατον ὄντα. ἀλλὰ καὶ θάτερα βουλομένῳ σοὶ ἡ ἀρχὴ συνελάμβανε, τιμωρουμένῳ τηλικούτῳ ἄγος καὶ τοὺς πλανωμένους μεταδιδάσκοντι. σὺ δὲ καὶ ὅμηρα τῆς ἀδείας, οἰκεῖα αὐτοῦ σοῦ, τοῖς ἀνδροφόνους ἔπεμψας ἐς τὸ Καπιτώλιον.

ἀλλ' ἔστω καὶ ταῦτα τοὺς διεφθαρμένους σε βιάσασθαι. ὅτε μέντοι τῶν διαθηκῶν ἀναγνωσθεῖσων καὶ αὐτοῦ σοῦ δίκαιον ἐπιτάφιον εἰπόντος ὁ δῆμος ἐν ἀκριβεῖ Καῖσαρος μνήμῃ γενόμενοι πῦρ ἐπ' αὐτοὺς ἔφερον, καὶ φεισάμενοι χάριν τῶν γειτόνων ἐς τὴν ἐπιούσαν ἤξειν ἐπὶ ὅπλα συνέθεντο, πῶς οὐχὶ τῷ δήμῳ συνέπραξας καὶ ἐστρατήγησας τοῦ πυρὸς ἢ τῶν ὅπλων ἢ δίκην γε τοῖς ἀνδροφόνους ἐπέγραψας, εἰ δίκης ἔδει κατὰ αὐτοφώρων, καὶ φίλος ὢν Καῖσαρι καὶ ὕπατος καὶ Ἀντώνιος;

[16] ἀλλὰ Μάριος μὲν ἐξ ἐπιτάγματος ἀνῆρέθη κατὰ τὸ τῆς ἀρχῆς μέγεθος, ἀνδροφόνους δὲ ἐκφυγεῖν ὑπερεῖδες καὶ ἐς ἡγεμονίας ἐνίους διαδραμεῖν, ἃς ἀθεμίστως ἔχουσι τὸν δόντα ἀνελόντες. Συρίαν μὲν δὴ καὶ Μακεδονίαν εὖ ποιοῦντες οἱ ὕπατοι, σὺ καὶ Δολοβέλλας, καθισταμένων ἄρτι τῶν πραγμάτων περιεσπάσατε ἐς ἑαυτούς. καὶ τοῦδ' ἐμοὶ χάριν ἥδειν ἂν, εἰ μὴ αὐτίκα Κυρήνην καὶ Κρήτην αὐτοῖς ἐψηφίσασθε καὶ φυγάδας ἡξιώσατε ἡγεμονίαις αἰεὶ κατ' ἐμοῦ δορυφορεῖσθαι: Δέκμον τε τὴν ἐγγὺς Κελτικὴν ὑπερορᾶτε ἔχοντα, καὶ τόνδε τοῖς ἄλλοις ὁμοίως αὐθέντην τοῦμοῦ πατρὸς γενόμενον. ἀλλὰ καὶ τάδε τὴν βουλὴν ἐρεῖ τις ἐγνωκέναι. σὺ δ' ἐπεψήφισες καὶ προυκάθησο τῆς βουλῆς,

ὃ μάλιστα πάντων ἤρμοζε διὰ σαυτὸν ἀντεῖπειν: τὸ γὰρ ἀμνηστίαν δοῦναι τὴν σωτηρίαν ἣν ἐκείνοις χαρίζομένων μόνον, τὸ δὲ ἡγεμονίας αὐθις ψηφίζεσθαι καὶ γέρα ὑβρίζοντων Καίσαρα καὶ τὴν σὴν γνώμην ἀκυρύντων.

ἐπὶ τάδε με δὴ τὸ πάθος ἐξήνεγκε παρὰ τὸ ἀρμόζον ἴσως ἐμοὶ τῆς τε ἡλικίας καὶ τῆς πρὸς σέ αἰδοῦς. εἴρηται δ' ὅμως ὡς ἐς ἀκριβέστερον φίλον Καίσαρι καὶ πλείστης ὑπ' ἐκείνου τιμῆς καὶ δυνάμεως ἡξιωμένον καὶ τάχα ἂν αὐτῷ καὶ θετὸν γενόμενον, εἰ ἦδει σε δεξόμενον Αἰνεάδην ἀντὶ Ἡρακλείδου γενέσθαι: τοῦτο γὰρ αὐτὸν ... ἐνδοιάσαι, πολὺν τῆς διαδοχῆς λόγον ποιοῦμενον.

[17] ἐς δὲ τὸ μέλλον, ὦ Ἀντώνιε, πρὸς θεῶν τε φίλων καὶ πρὸς αὐτοῦ σοι Καίσαρος, εἰ μὲν τι καὶ τῶν γεγονότων μεταθέσθαι θέλεις ὀφείλεις γάρ, εἰ θέλεις: εἰ δὲ μή, τὰ γε λοιπὰ τοὺς φονέας ἀμυνομένῳ μοι μετὰ τοῦ δήμου καὶ τῶνδε τῶν ἔτι μοι πατρικῶν φίλων συνίστασθαι καὶ συνεργεῖν: εἰ δέ σε τῶν ἀνδρῶν τις ἢ τῆς βουλῆς αἰδῶς ἔχει, μὴ ἐπιβαρεῖν. καὶ τάδε μὲν ἀμφὶ τούτων: οἶσθα δ', ὅπως ἔχει μοι καὶ τὰ οἶκοι, δαπάνης τε ἐς τὴν διανομὴν, ἣν ὁ πατὴρ ἐκέλευσε τῷ δήμῳ δοθῆναι, καὶ ἐπεῖξεως ἐς αὐτήν, ἵνα μὴ βραδύνων ἀχάριστος εἶναι δοκοῖν μηδ' ὅσοι καταλεχθέντες εἰς τὰς ἀποικίας ἐπιμένουσι τῇ πόλει, δι' ἐμὲ τρίβοιντο. ὅσα δὴ τῶν Καίσαρος εὐθέως ἐπὶ τῷ φόνῳ πρὸς σέ μετενήνεκται ὡς ἐπ' ἀσφαλὲς ἐς ἐπικινδύνου τότε οἰκίας, τὰ μὲν κειμήλια αὐτῶν καὶ τὸν ἄλλον ἅπαντα κόσμον ἔχειν ἀξιῶ σε καὶ ὅσα ἂν ἐθέλης ἄλλα παρ' ἡμῶν ἐπιλαβεῖν, ἐς δὲ τὴν διανομὴν ἀποδοῦναι μοι τὸ χρυσίον τὸ ἐπίσημον, ὃ συνηθοῖκε μὲν ἐς τοὺς πολέμους ἐκεῖνος, οὓς ἐπενόει, ἀρκέσει δ' ἐμοὶ νῦν ἐς τριάκοντα μυριάδας ἀνδρῶν μεριζόμενον. τὰ δὲ λοιπὰ τῆς δαπάνης, εἰ μὲν θαρρήσαιοί σοι, παρὰ σοῦ ἂν ἴσως ἢ διὰ σοῦ δανεισαίμην ἐκ τῶν δημοσίων χρημάτων, ἂν διδῶς: διαπεπράσεται δὲ αὐτίκα καὶ ἡ οὐσία.

[18] τοιαῦτα τοῦ Καίσαρος εἰπόντος ὁ Ἀντώνιος κατεπλάγη, τῆς τε παρρησίας καὶ τῆς εὐτολμίας παρὰ δόξαν οἱ πολλῆς καὶ παρ' ἡλικίαν φανείσης: χαλεπῶς δὲ τοῖς τε λόγοις οὐχ ὅσον ἔδει τὸ πρέπον ἐς αὐτὸν ἐσχηκόσι καὶ μάλιστα τῶν χρημάτων τῇ ἀπαιτήσῃ, αὐστηρότερον αὐτὸν ᾧδε ἡμείψατο:

εἰ μὲν ὁ Καῖσάρ σοι μετὰ κλήρου καὶ τῆς ἐπωνυμίας, ὦ παῖ, καὶ τὴν ἡγεμονίαν κατέλιπεν, εἰκὸς σέ τῶν κοινῶν τοὺς λογισμοὺς αἰτεῖν κάμει ὑπέχειν. εἰ δὲ οὐδενὶ πῶ Ῥωμαῖοι τὴν ἡγεμονίαν ἔδωσαν ἐκ διαδοχῆς, οὐδὲ τῶν βασιλέων, οὓς ἐκβαλόντες ἐπώμοσαν μηδ' ἄλλων ἔτι ἀνέξεσθαι, ὃ καὶ τῷ πατρί σου μάλιστα οἱ φονεῖς ἐπιλέγοντες φασὶν ἀνελεῖν αὐτὸν βασιλιζόμενον, οὐχ ἡγούμενον ἔτι, ἐμοὶ μὲν οὐδ' ἀποκρίσεως δεῖ πρὸς σέ περὶ τῶν κοινῶν, τῷ δ' αὐτῷ λόγῳ καὶ σέ κουφίζω, μὴ χάριν ὀφείλειν ἡμῖν ἐπ' αὐτοῖς. ἐπράσσετο γὰρ οὐ σοῦ χάριν, ἀλλὰ τοῦ δήμου, πλὴν ἐνὸς τοῦ μεγίστου δὴ μάλιστα πάντων ἔς τε Καίσαρα καὶ σέ ἔργου. εἰ γὰρ τοῦ κατ' ἐμαυτὸν ἔνεκα ἀδεοῦς καὶ ἀνεπιφθόνου περιεῖδον ἐγὼ τιμὰς ψηφιζόμενας τοῖς φονεῦσιν ὡς τυραννοκτόνοις, τύραννος ὁ Καῖσαρ ἐγίνετο, ὃ μήτε δόξης μήτε τιμῆς τινος ἢ τῶν ἐγνωσμένων βεβαιώσεως ἔτι μετήν. οὐ διαθήκας εἶχεν ἂν, οὐ παῖδα, οὐκ οὐσίαν, οὐκ αὐτὸ τὸ σῶμα ταφῆς ἀξιούμενον, οὐδὲ ιδιώτου: ἄταφα γὰρ οἱ νόμοι τὰ σώματα τῶν τυράννων ὑπερορίζουσι καὶ τὴν μνήμην

ἀτιμοῦσι καὶ δημεύουσι τὴν περιουσίαν.

[19] ὦν ἐγὼ δεδιὼς ἕκαστον ὑπερηγωνιζόμενν Καίσαρος, ἀθανάτου τε δόξης καὶ δημοσίας ταφῆς, οὐκ ἀκινδύνως οὐδ' ἀνεπιφθόνως ἐμαυτῷ, τυχεῖν, πρὸς τε ἄνδρας ταχυεργεῖς καὶ φόνου πλήρεις καί, ὡς ἔμαθες, ἤδη καὶ ἐπ' ἐμὲ συνομωμοσμένους πρὸς τε τὴν βουλὴν ἀχθομένην σου τῷ πατρὶ τῆς ἀρχῆς. ἀλλὰ καὶ ταῦτα κινδυνεύειν καὶ παθεῖν ὅτιοῦν ἡρούμην ἐκὼν μᾶλλον ἢ ἄταφον καὶ ἄτιμον γιγνόμενον περιδεῖν Καίσαρα, ἄριστον ἀνδρῶν τῶν ἐφ' ἑαυτοῦ καὶ εὐτυχέστατον ἐς τὰ πλεῖστα καὶ ἀξιοτιμώτατον ἐκ πάντων ἐμοὶ γενόμενον. τοῖς δ' αὐτοῖς μου τοῖσδε κινδύνους καὶ σὺ τὰ νῦν σοι παρόντα πάντα λαμπρὰ τῶν Καίσαρος ἔχεις, γένος, ὄνομα, ἀξίωμα, περιουσίαν. ὦν σε δικαιότερον ἦν ἐμοὶ χάριν εἰδέναι μᾶλλον ἢ τὰ ἐκλειφθέντα εἰς τὴν τῆς βουλῆς παρηγορίαν ἢ ἐς ἀντίδοσιν τῶνδε, ὧν ἔχρηζον, ἢ κατ' ἄλλας χρείας ἢ λογισμοὺς ἐπιμέμφεσθαι πρεσβυτέρῳ νεώτερον ὄντα.

καὶ τάδε μὲν ἀρκέσει σοι περὶ τῶνδε εἰρηῇσθαι: ἐνσημαίνει δὲ καὶ τῆς ἡγεμονίας με ἐπιθυμεῖν, οὐκ ἐπιθυμοῦντα μὲν, οὐκ ἀπάξιον δὲ ἡγούμενον εἶναι, καὶ ἄχθεσθαι μὴ τυχόντα τῶν διαθηκῶν τῶν Καίσαρος, ὁμολογῶν μοι καὶ τὸ τῶν Ἡρακλειδῶν γένος ἀρκεῖν.

[20] περὶ δὲ τῶν σῶν χρεῶν, ἐθέλοντα μὲν σε ἐκ τῶν δημοσίων δανείσασθαι ἡγούμενν ἂν εἰρωνεῖαν λέγειν, εἰ μὴ πιθανὸν ἦν εἶτι ἀγνοεῖν σε κενὰ πρὸς τοῦ πατρὸς ἀπολελεῖσθαι τὰ κοινὰ ταμεία, τῶν προσόδων, ἐξ οὗ παρῆλθεν ἐπὶ τὴν ἀρχὴν, ἐς αὐτὸν ἀντὶ τοῦ ταμείου συμφερομένων καὶ εὐρεθησομένων αὐτίκα ἐν τῇ Καίσαρος περιουσίᾳ, ὅταν αὐτὰ ζητεῖν ψηφισώμεθα. ἄδικον γὰρ οὐδὲν τοῦτο ἐς τὸν Καίσαρα ἔσται, τεθνεῶτά τε ἤδη καὶ οὐκ ἂν εἰπόντα ἄδικον εἶναι, εἰ καὶ ζῶν ἡτέτερο τοὺς λογισμοὺς, ἐπεὶ καὶ τῶν ιδιωτῶν πολλοῖς ἀμφισβητοῦσί σοι καθ' ἓνα τῆς οὐσίας οὐκ ἀδήριτον αὐτὴν ἔχων γνώσῃ. τῶν δὲ μετενεχθέντων πρὸς με χρημάτων οὔτε τὸ πλῆθος ἐστίν, ὅσον εἰκάζεις, οὔτε τι νῦν ἔστι παρ' ἐμοί, πάντα τῶν ἐν ἀρχαῖς καὶ δυνάμει, πλὴν Δολοβέλλα καὶ τῶν ἐμῶν ἀδελφῶν νειμαμένων μὲν εὐθὺς ὡς τυράννου, δι' ἐμὲ δὲ μετατεθέντων ἐς χάριν τῶν ὑπὲρ Καίσαρος ἐψηφισμένων, ἐπεὶ καὶ σὺ τὰ λοιπὰ φέρων οἴσεις ἀντὶ τοῦ δήμου τοῖς δυσχεραίνουσιν, ἂν σωφρονῇς. οἱ μὲν γὰρ ἐκπέμπουσιν, ἂν συμφρονῶσι, τὸν δῆμον ἐπὶ τὰς ἀποικίας: ὁ δὲ δῆμός ἐστιν, ὥσπερ καὶ σὺ τῶν Ἑλληνικῶν ἀρτιδίδρακτος ὧν ἔμαθες, ἀστάθμητον ὥσπερ ἐν θαλάσῃ κύμα κινούμενον: ὁ μὲν ἦλθεν, ὁ δ' ἀπῆλθεν. ὃ λόγῳ καὶ τῶν ἡμετέρων αἰεὶ τοὺς δημοκόπους ὁ δῆμος ἐπὶ πλεῖστον ἐξάρας ἐς γόνυ ἔρριπε.

[21] τούτων τοῖς πολλοῖς δυσχεράνας ὁ Καῖσαρ ἐς ὕβριν εἰρημένοις ἀπεχώρει, τὸν πατέρα ἀνακαλῶν θαμινὰ ἐξ ὀνόματος, καὶ τὴν οὐσίαν ἐς πρᾶσιν αὐτίκα προυτίθει πᾶσαν, ὅση κατὰ τὸν κλῆρον ἐγίγνετο αὐτοῦ, προτρέπων ἐπικουρεῖν οἱ τὸν δῆμον ἐκ τῆσδε τῆς σπουδῆς: φανερὰς δὲ τῆς Ἀντωνίου πρὸς αὐτὸν ἔχθρας γενομένης καὶ τῆς βουλῆς ζητήσιν εὐθὺς εἶναι τῶν δημοσίων χρημάτων ψηφισαμένης, οἱ πολλοὶ ἔδεισαν ἐπὶ τῷ νέῳ Καίσαρι τῆς πατρῴας ἐς τοὺς στρατιώτας καὶ τὸν δῆμον εὐνοίας οὐνεκα καὶ τῆς νῦν ἐπὶ τῇ χορηγίᾳ δημοκοπίας καὶ περιουσίας, ἢ δὴ πάνν αὐτῷ πολλὴ προσελθοῦσα οὐκ ἐδόκει τοῖς πλείοσιν αὐτὸν ἐν ιδιώτῳ μέτρῳ καθέξειν, ἐπὶ

δὲ Ἀντωνίῳ μάλιστα, μὴ τὸν Καίσαρα, νέον ἄνδρα καὶ ἔνδοξον καὶ πλούσιον, ἑταίρισάμενος ὑφ' ἑαυτὸν εἶναι πρότερος ἄψαιτο τῆς Καίσαρος δυναστείας. οἱ δὲ καὶ τοῖς τότε γιγνομένοις ἐφῆδοντο, ὥς καὶ τῶν ἀνδρῶν ἀλλήλοις ἐμποδῶν ἐσομένων καὶ τοῦ Καίσαρος πλούτου τῇ ζητήσῃ τῶν χρημάτων αὐτίκα διαλυθησομένου καὶ σφίσι τοῦ ταμείου περιουσίας πλήρους ἐξ αὐτῆς ἐσομένου: τὰ γὰρ πολλὰ τῶν κοινῶν εὐρήσειν παρὰ Καίσαρι.

[22] πολλοὶ τε αὐτῶν ἐς δίκας τὸν Καίσαρα ὑπῆγον περὶ χωρίων, ἕτερος ἑτέρῳ ἐπιλέγοντες ἄλλα τε ἕκαστοι καὶ τὸ κοινὸν ἐπὶ τοῖς πλείστοις, ἐκ προγραφῆς εἶναι τῶν δημευθέντων ἢ φυγόντων ἢ ἀναιρεθέντων. ἦγόν τε τὰς δίκας ἐπὶ τὸν Ἀντώνιον αὐτὸν ἢ τὸν ἕτερον ὑπατον Δολοβέλλαν. εἰ δέ τις καὶ ἐφ' ἑτέρας ἀρχῆς ἐδικάζετο, πανταχοῦ τὰ πολλὰ ὁμοίως ὁ Καίσαρ εἰς χάριν Ἀντωνίου ἡττάτο, τὰ τε ὀνήματα τῷ πατρὶ ἐκ τοῦ δημοσίου γενόμενα ἐπιδεικνὺς καὶ τὸ τελευταῖον ψήφισμα τὸ βεβαιοῦν τὰ Καίσαρι πεπραγμένα πάντα. ὕβρεις τε πολλαὶ παρὰ τὰς δίκας ἦσαν αὐτῷ, καὶ τὸ τῆς ζημίας προύκοπτεν ἐς ἄπειρον, ἔστε Πέδιον καὶ Πινάριον ὅτι οὗτοι γὰρ τὴν ἐκ τῶν Καίσαρος διαθηκῶν τοῦ κλήρου μοῖραν εἶχον μέμψασθαι τῷ Ἀντωνίῳ περὶ τε σφῶν αὐτῶν καὶ περὶ τοῦ Καίσαρος ὥς ἄδικα πασχόντων παρὰ τὸ ψήφισμα τῆς βουλῆς. φοντὸ τε αὐτὸν τὰ ἐς ὕβριν ἐκλύειν δεῖν μόνον, τὰ ἄλλα δὲ πάντα κυροῦν, ὅσα τῷ Καίσαρι πέπρακται.

ὁ δὲ ὠμολόγει μὲν τὰ πρρασσόμενα ἴσως ἐναντίον ἔχειν τι τοῖς συνεψηφισμένοις, καὶ τὰ ἐψηφισμένα δ' ἔφη τοῖς τότε δόξασιν ἐναντίως γεγράφθαι. μόνη γὰρ τῆς ἀμνηστίας ἐπειγούσης, τὸ 'μηδὲν ἀνατρέπειν τῶν προδιωκημένων,' οὐ τοῦδ' αὐτοῦ γε χάριν οὐδὲ ἐφ' ἅπασιν ἀπλῶς μᾶλλον ἢ ἐς εὐπρέπειαν καὶ παρηγορίαν τοῦ δήμου θορυβουμένου τούτοις, ἐπιγραφῆναι. εἶναι δὲ δικαιότερον τῇ γνώμῃ τοῦ ψηφίσματος μᾶλλον ἢ τῷ ῥήματι χρωμένους μὴ παρὰ τὸ εἰκὸς ἀντιπράττειν ἀνδράσι τοσοῖσδε ἰδίων ἢ προγονικῶν κτήσεων κατὰ στάσιν ἐκπεσοῦσιν ὑπὲρ νεανίσκου τοσόνδε πλοῦτον ἀλλότριόν τε καὶ οὐκ ἰδιωτικὸν παρ' ἐλπίδα λαβόντος καὶ οὐκ ἐπιδεξίως, ἀλλ' ἐς θρασύτητα τῇ τύχῃ χρωμένου. σφῶν μέντοι φείσεσθαι τὸ μέρος νευμαμένων πρὸς Καίσαρα. ὧδε μὲν ὁ Ἀντώνιος τοῖς ἀμφὶ τὸν Πινάριον ἀπεκρίνατο. καὶ εὐθὺς ἐνέμοντο, ἵνα μὴ καὶ τὸ μέρος ἐν ταῖς δίκαις προσαπόλοιτο, οὐ σφῶν ἕνεκα αὐτῶν, ἀλλὰ καὶ τότε τοῦ Καίσαρος: ἔμελλον γὰρ αὐτῷ μετ' οὐ πολὺ πάντα χαριεῖσθαι.

[23] θέας δὲ πλησιαζούσης, ἣν ἔμελλεν ὑπὲρ Βρούτου στρατηγούντος ἐπιδώσειν Γάιος Ἀντώνιος ὁ ἀδελφὸς Ἀντωνίου, καὶ ἅλλα τοῦ Βρούτου τῆς στρατηγίας ἐπιτροπεύων ἀπόντος, παρασκευὴ τε ἦν ἐς αὐτὴν δαψιλῆς καὶ ἐλπίς ἐν τῇ θεᾷ τὸν δῆμον ἐπικλασθέντα καλέσειν τοὺς ἀμφὶ τὸν Βρούτον. ὁ δὲ Καίσαρ ἀντιθεραπεύων τὸ πλῆθος, ὅσον ἀργύριον ἐκ τῆς πράσεως ἐγίγνετο, αἰεὶ κατὰ μέρος τοῖς φυλάρχοις ἀνεδίδου νέμειν τοῖς φθάνουσι λαβεῖν: καὶ ἐς τὰ πωλητήρια περιῶν ἀποκηρύσσειν ἔλεγεν ὅσου δύναιντο πάντα τοὺς πιπράσκοντας ὀλιγίστου, διὰ τε δίκας ἀμφίβολα ἢ ἐπίφοβα ἔτι ὄντα καὶ διὰ τὴν Καίσαρος σπουδὴν. ἅπερ αὐτῷ πάντα τὸν δῆμον εἰς εὐνοίαν ἤγειρεν καὶ ἐς ἔλεον, ὥς ἀναξίῳ τοιάδε πάσχειν. ὥς δ' ἐπὶ τῇ κληρονομίᾳ καὶ τὴν ἴδιον αὐτοῦ περιουσίαν ὅση τε παρὰ Ὀκταοῦιου τοῦ πατρὸς ἢ ἐτέρωθεν

ἦν αὐτῷ, καὶ τὰ τῆς μητρὸς πάντα καὶ τὰ Φιλίππου, καὶ τὸ μέρος τοῦ κλήρου Πινάριον καὶ Πέδιον αἰτήσας, προύθηκεν ἐς τὴν διανέμησιν πιπράσκεσθαι, ὡς τῆς Καίσαρος περιουσίας οὐδ' ἐς τοῦτο μόνον ἀρκούσης διὰ τὰς ἐπηρείας, ὁ δῆμος οὐκέτι παρὰ τοῦ πρώτου Καίσαρος, ἀλλὰ παρὰ τοῦδε αὐτοῦ τὴν ἐπίδοσιν λογιζόμενος εἶναι ἐκπαθῶς αὐτὸν ἡλέει καὶ ἐπήνουν ὧδε πάσχοντα καὶ ὧδε φιλοτιμούμενον δῆλοι τε ἦσαν οὐκ ἐς πολὺ τὴν ἐς αὐτὸν Ἀντωνίου ὕβριν ὑπεροψόμενοι.

[24] Διέδειξαν δὲ παρὰ τὰς Βρούτου θέας, πολυτελεστάτας δὴ γενομένας: ἐμίσθων γάρ τινων ἀνακραγόντων κατακαλεῖν Βροῦτόν τε καὶ Κάσσιον, ἐπεὶ τὸ λοιπὸν αὐτοῖς θέατρον συνεδημαγωγεῖτο ἐς τὸν ἔλεον, ἐσέδραμον ἀθρόοι καὶ τὰς θέας ἐπέσχον, μέχρι τὴν ἀξίωσιν αὐτῶν σβέσαι.

Βροῦτος δὲ καὶ Κάσσιος, ἐπεὶ σφῶν τὰς ἐλπίδας τὰς ἐν ταῖς θέαις ὁ Καῖσαρ διέχεεν, ἔγνωσαν εἰς Συρίαν καὶ Μακεδονίαν, ὡς πρὸ Ἀντωνίου καὶ Δολοβέλλα σφίσιν ἐψηφισμένας, χωρεῖν καὶ βιάζεσθαι. καὶ τῶνδε φανερῶν γενομένων ἠπείγετο καὶ Δολοβέλλας εἰς τὴν Συρίαν, καὶ πρὸ Συρίας ἐς τὴν Ἀσίαν, ὡς χρηματιούμενος ἀπ' αὐτῆς. ὁ δ' Ἀντώνιος ἡγούμενος ἐς τὰ μέλλοντά οἱ δεήσειν δυνάμεως, τὴν ἐν Μακεδονίᾳ στρατιάν, ἀρετῇ τε οὖσαν ἀρίστην καὶ πλήθει μεγίστην, — ἕξ γὰρ ἦν τέλη 'καὶ ὅσον ἄλλο πλῆθος αὐτοῖς τοξοτῶν καὶ ψιλῶν ἢ γυμνητῶν συνεζεύγνυτο, ἵππος τε πολλή καὶ παρασκευὴ κατὰ λόγον ἐντελής' δοκοῦντα προσήκειν Δολοβέλλα, Συρίαν καὶ τὰ ἐς Παρθυαίους ἐπιτετραμμένῳ, διότι καὶ ὁ Καῖσαρ αὐτοῖς ἐς Παρθυαίους ἔμελλε χρῆσθαι — πρὸς ἑαυτὸν ἐπενόει μετενεγκεῖν, ὅτι καὶ μάλιστα ἦν ἀγχοῦ, ὡς τὸν Ἴόνιον περάσαντα εὐθὺς ἐν τῇ Ἰταλίᾳ εἶναι.

[25] ἄφνω δὴ φήμη κατέσκηψε, Γέτας τὸν θάνατον τὸν Καίσαρος πυθομένους Μακεδονίαν πορθεῖν ἐπιτρέχοντας, καὶ ὁ Ἀντώνιος τὴν βουλὴν ἡττεῖ τὸν στρατὸν ὡς Γέταις ἐπιθήσων δίκην: ἕς τε γὰρ Γέτας αὐτὸν πρὸ Παρθυαίων Καίσαρι παρεσκευάσθαι καὶ τὰ Παρθυαίων ἡρεμεῖν ἐν τῷ παρόντι. ἡ μὲν οὖν βουλὴ τὴν φήμην ὑπενόει καὶ τοὺς ἐπισκευομένους ἔπεμψεν: ὁ δὲ Ἀντώνιος τὸν φόβον αὐτῶν καὶ τὴν ὑπόνοιαν ἐκλύων ἐψηφίσατο μὴ ἐξεῖναί πω κατὰ μηδεμίαν αἰτίαν περὶ δικτάτορος ἀρχῆς μήτε εἰπεῖν μήτ' ἐπιψηφίζεῖν μήτε λαβεῖν διδομένην, ἢ τὸν ἐκ τῶνδὲ τινος ὑπεριδόντα νηποινεῖ πρὸς τῶν ἐντυχόντων ἀνααιρεῖσθαι. καὶ τῷδε μάλιστα ἐλὼν τοὺς ἀκούοντας καὶ τοῖς ὑπὲρ Δολοβέλλα πράττουσι συνθέμενος ἐν τέλος δώσειν, ἡρέθη τῆς ἐν Μακεδονίᾳ δυνάμεως εἶναι στρατηγὸς αὐτοκράτωρ. καὶ ὁ μὲν ἔχων, ἃ ἐβούλετο, Γάιον τὸν ἀδελφὸν αὐτίκα σὺν ἐπεῖξει τὸ δόγμα φέροντα τῷ στρατῷ διεπέμπετο: οἱ δὲ ἐπισκέπται τῆς φήμης ἐπανελθόντες Γέτας ἔλεγον οὐκ ἰδεῖν ἐν Μακεδονίᾳ, προσέθεσαν δέ, εἴτε ἀληθὲς εἴτε ὑπ' Ἀντωνίου διδαχθέντες, ὅτι δέος ἦν, μὴ τῆς στρατιᾶς ποι μετελθούσης οἱ Γέται τὴν Μακεδονίαν ἐπιδράμοιεν.

[26] ὧδε μὲν εἶχε τὰ ἐν Ῥώμῃ, Κάσσιος δὲ καὶ Βροῦτος χρήματα καὶ στρατιὰν συνέλεγον, καὶ Τρεβόνιος ὁ τῆς Ἀσίας ἡγούμενος τὰς πόλεις αὐτοῖς ἐτείχιζε καὶ Δολοβέλλαν ἐλθόντα οὐκ ἐδέχετο οὔτε Περγάμῳ οὔτε Σμύρνῃ, ἀλλὰ μόνην ἀγορὰν ἔξω τείχους ὡς ὑπάτῳ προυτίθει. ἐπιχειροῦντος δ' ἐκείνου σὺν ὀργῇ τοῖς τείχεσι καὶ οὐδὲν ἀνύοντος, ὁ Τρεβόνιος αὐτὸν ἔφη

δέξεσθαι Ἐφέσῳ καὶ ἐς τὴν Ἐφεσον εὐθὺς ἀπionτι τοὺς ἐφεσομένους ἐκ διαστήματος ἔπεμπε, οἱ νυκτὸς ἐπιγενομένης ἀπionτα τὸν Δολοβέλλαν ὀρῶντες καὶ οὐδὲν ἔτι ὑπονοοῦντες, ὀλίγους σφῶν ὑπολιπόντες ἔπεσθαι αὐτῷ, ἐς τὴν Σμύρναν ἐπανήλθον. καὶ τοὺς ὀλίγους ὁ Δολοβέλλας ἐνεδρεύσας τε καὶ περιλαβὼν ἔκτεινε καὶ ἦλθε τῆς αὐτῆς ἔτι νυκτὸς ἐς Σμύρναν καὶ αὐτὴν ἀφύλακτον εὐρὼν εἴλε διὰ κλιμάκων.

Τρεβόνιος δὲ τοῖς συλλαμβάνουσιν αὐτὸν ἔτι εὐναζόμενον ἠγεῖσθαι πρὸς Δολοβέλλαν ἐκέλευεν: ἔγχεσθαι γὰρ αὐτοῖς ἐκόν. καὶ τις τῶν λοχαγῶν αὐτὸν ἐπισκώπτων ἡμείψατο: 'ἴθι σύ, δεῦρο τὴν κεφαλὴν καταλιπών: ἡμῖν γὰρ οὐ σέ, ἀλλὰ τὴν κεφαλὴν ἄγειν προστέτακται.' καὶ τότε εἰπὼν εὐθὺς ἀπέτεμε τὴν κεφαλὴν. ἅμα δὲ ἡμέρᾳ Δολοβέλλας μὲν αὐτὴν προσέταξεν ἐπὶ τοῦ στρατηγικοῦ βήματος, ἔνθα ὁ Τρεβόνιος ἐχρημάτιζε, προτεθῆναι: ἡ στρατιὰ δὲ σὺν ὀργῇ καὶ ὁ οἰκετικὸς ἄλλος ὅμιλος αὐτῆς, ἐπεὶ τοῦ φόνου Καίσαρος ὁ Τρεβόνιος μετεσχέκει καὶ κτεινομένου τὸν Ἀντώνιον ἐν ὁμιλίᾳ περὶ θύρας τοῦ βουλευτηρίου περιεσπάκει, εἰς τε τὸ ἄλλο σῶμα αὐτοῦ ποικίλως ἐνύβριζον καὶ τὴν κεφαλὴν οἷα σφαῖραν ἐν λιθοστρώτῳ πόλει διαβάλλοντες ἐς ἀλλήλους ἐπὶ γέλῳτι συνέχεαν τε καὶ συνέτριψαν. καὶ πρῶτος ὁδε τῶν φονέων δίκην τήνδε ἐδεδώκει.

[27] ὁ δ' Ἀντώνιος ἐς τὴν Ἰταλίαν τὸν στρατὸν ἐκ τῆς Μακεδονίας διενεγκεῖν ἐπενόει, καὶ προφάσεως ἄλλης ἐς τοῦτο ἀπορῶν ἠξίου τὴν βουλὴν ἀντὶ τῆς Μακεδονίας ἐναλλάξαι οἱ τὴν ἐντὸς Ἀλπεων Κελτικὴν, ἣς ἠγεῖτο Δέκμος Βροῦτος Ἀλβῖνος, εἰδὼς μὲν, ὅτι καὶ ὁ Καῖσαρ ἐκ τῆσδε τῆς Κελτικῆς ὀρμώμενος ἐκράτησε Πομπηίου, ὥς δὲ τὸν στρατὸν δόξων οὐκ ἐς τὴν Ἰταλίαν, ἀλλ' ἐς τὴν Κελτικὴν μετακαλεῖν. ἡ δὲ βουλὴ τήνδε τὴν Κελτικὴν ἀκρόπολιν ἐπὶ σφίσιν ἠγουμένη ἐδυσχέραίνε τε καὶ τῆς ἐνέδρας τότε πρῶτον ἦσθοντο καὶ τὴν Μακεδονίαν δόντες αὐτῷ μετενόουν. ἰδίᾳ τε αὐτῶν οἱ δυνατοὶ ἐπέστελλον τῷ Δέκμῳ τῆς ἀρχῆς ἐγκρατῶς ἔχεσθαι καὶ στρατὸν ἄλλον καὶ χρηματα ἀγεῖρειν, εἰ πρὸς Ἀντωνίου βιάζοιτο: οὕτως ἐδεδοίκεσάν τε καὶ ἐν ὀργῇ τὸν Ἀντώνιον εἶχον. ὁ δὲ ἀντὶ μὲν τῆς βουλῆς ἐπενόει τὸν δῆμον αἰτῆσαι νόμῳ τὴν Κελτικὴν, ᾧ τρόπῳ καὶ ὁ Καῖσαρ αὐτὴν πρότερον εἰλήφει καὶ Συρίαν Δολοβέλλας ὑπογύως, ἐς δὲ φόβον τῆς βουλῆς τὴν στρατιὰν ἐς τὸ Βρεντέσιον ἐκέλευε Γαῖῳ τὸν Ἴόνιον περᾶν αὐτίκα.

[28] καὶ ὁ μὲν ἔμελλε ποιήσῃν, ὥς προσετέτακτο: θεαὶ δ' ἦσαν, αἷς Κριτώνιος ἀγορανομῶν ἔμελλε τελέσειν: καὶ ὁ Καῖσαρ ἐς τὰς θεάς τῷ πατρὶ τὸν τε χρύσειον θρόνον καὶ στέφανον παρεσκεύαζεν, ἅπερ αὐτῷ κατὰ πάσας θεάς ἐψηφίσαντο προτίθεσθαι. τοῦ Κριτωνίου δὲ εἰπόντος οὐκ ἀνέξεσθαι τιμωμένου Καίσαρος ἐν ταῖς αὐτοῦ δαπάναις, ὁ Καῖσαρ αὐτὸν ἐς τὸν Ἀντώνιον ἦγεν ὥς ὑπατον. Ἀντωνίου δὲ εἰπόντος ἐς τὴν βουλὴν ἐπανόσειν, χαλεπήνας ὁ Καῖσαρ, 'ἀνάφερε,' εἶπεν, 'ἐγὼ δὲ τὸν θρόνον, ἕως ἂν ᾗ τὸ δόγμα, προθήσω.' καὶ ὁ Ἀντώνιος χαλεπήνας ἐκώλυσε. ἐκώλυσε δὲ καὶ ἐν ταῖς ἐξῆς θεαῖς ἔτι παραλογώτερον, αἷς αὐτὸς ὁ Καῖσαρ ἐτέλει, ἀνακειμένας ἐκ τοῦ πατρὸς Ἀφροδίτῃ Γενετείρᾳ, ὅτε περ αὐτῇ καὶ τὸν νεῶν ὁ πατὴρ τὸν ἐν ἀγορᾷ ἅμα αὐτῇ ἀγορᾷ ἀνετίθει. τότε δὴ καὶ μάλιστα μῖσος ἤδη σαφὲς ἐκ πάντων ἐς τὸν Ἀντώνιον ἐγίνετο, ὥς οὐκ ἐς τὸν νῦν Καίσαρα φιλονικούντα

μᾶλλον ἢ ἐς τὸν πρότερον ὑβρίζοντα ἀχαρίστως.

αὐτὸς τε ὁ Καῖσαρ μετὰ πλήθους οἷα φρουρᾶς τὸν δῆμον καὶ τοὺς εὖ τι παθόντας ὑπὸ τοῦ πατρὸς καὶ τοὺς ἐκείνῳ στρατευσαμένους περιθέων ἐπιφθόνως ἰκέτευεν οὗ μὲν αὐτοῦ τοιάδε καὶ τοσάδε πάσχοντος ὑπερορᾶν καὶ ἀμελεῖν ἐκόντος, Καίσαρι δὲ τῷ σφῶν αὐτοκράτορι καὶ εὐεργέτῃ ἀμύνειν, ἀτιμουμένῳ πρὸς Ἀντωνίου: ἀμυνεῖν δὲ καὶ σφίσιν αὐτοῖς, οὐδὲν ἔξουσι βέβαιον ὧν εἰλήφασι παρὰ Καίσαρος, εἰ μὴδὲ αὐτῷ Καίσαρι μενεῖ τὰ ἐνηφισμένα βέβαια. Ἀντωνίου τε πανταχοῦ τῆς πόλεως ἐς τὰ ὑψηλὰ ἀναπηδῶν κατεβόα: ‘Καίσαρι μὲν δι’ ἐμὲ μῆτε ὀργίζεσθαι μῆτε ἐνυβρίζειν, εὐεργέτῃ σοῦ μάλιστα, ὦ Ἀντώνιε, ἐς τὰ μάλιστα γεγεννημένῳ: ἐμοὶ δὲ τῶν μὲν ὕβρεων, ἐς ὅσον θέλεις, ἐμφορεῖσθαι, τὴν δὲ τῆς οὐσίας ἀρπαγὴν ἐπισχεῖν, μέχρι τοὺς πολίτας κομίσασθαι τὴν διανέμησιν καὶ τὰ λοιπὰ πάντα ἔχειν: ἀρκέσειν γὰρ ἐμοὶ πενομένῳ τὴν τε τοῦ πατρὸς δόξαν, ἃν διαμένη, καὶ τὴν τοῦ δήμου διανέμησιν, ἂν ἐάσης δοθῆναι.’

[29] ἐφ’ οἷς ἤδη παρὰ πάντων συνεχεῖς ἐγίνοντο καὶ φανεραὶ κατὰ τοῦ Ἀντωνίου βοαί. ἀπειλησαμένου δὲ αὐτοῦ τῷ Καίσαρι πικρότερον καὶ τῆς ἀπειλῆς ἐξενεχθείσης ἐς τὸ φανερόν, ἔτι μᾶλλον ἅπαντες ὥρμητο: καὶ οἱ τῆς φρουρᾶς Ἀντωνίου ταξίαρχοι, ἐστρατευμένοι τε Καίσαρι τῷ προτέρῳ καὶ ἐς τὰ μέγιστα ὑπ’ Ἀντωνίου τότε προτιμώμενοι, τὴν ὕβριν αὐτὸν ἐπισχεῖν ἠξίουσαν καὶ διὰ σφᾶς καὶ δι’ ἑαυτόν, ὑπὸ Καίσαρι στρατευσάμενον καὶ τῶνδε τῶν οἱ παρόντων ἀγαθῶν παρ’ ἐκείνου τυχόντα. συγγινώσκων οὖν ὁ Ἀντώνιος ἀληθέσιν οὖσιν τούτοις καὶ τοὺς προφέροντας αὐτὰ αἰδούμενος, ἦδη δὲ τι καὶ τοῦ Καίσαρος αὐτοῦ διὰ τὸν δῆμον ἐς τὴν ἀλλαγὴν τῆς Κελτικῆς δεόμενος, ὡμολόγει τοῖς λεγομένοις καὶ ἐπώμυνεν αὐτὰ καὶ οἱ πάντῃ ἀβούλητα εἶναι, τῆς δὲ γνώμης τοῦ νεανίσκου ἔνεκεν μετατίθεσθαι, ἐπηρμένου τε ἐπαχθῶς ἔτι τηλικούδε ὄντος καὶ οὐδὲν ἔχοντος αἰδέσιμον ἢ τίμιον ἐς πρεσβυτέρους τε καὶ ἐς ἄρχοντας: ἅπερ αὐτοῦ μὲν χάριν τοῦ νεανίσκου χρῆζειν ἔτι νουθεσίας, σφῶν δὲ τῶν ταῦτα ἀξιούντων ἔνεκα αὐτὸς καθέξειν τῆς ὀργῆς καὶ ἐς τὴν προτέραν ἑαυτοῦ φύσιν τε καὶ γνώμην ἐπανήξειν, ἣν κἀκεῖνος ἀπέχεται τῆς ἀμετρίας.

[30] ταῦτα οἱ ταξίαρχοι ἀσπασάμενοι συνῆγον ἀμφοτέρους. οἱ δὲ ἐπεμέμφοντο ἀλλήλοις καὶ συνέβαινον ἐς φιλίαν. ὁ τε νόμος ὁ περὶ τῆς Κελτικῆς προυγράφετο αὐτίκα, ὀρρωδούσης πάντῃ τῆς βουλῆς καὶ ἐπινοούσης, εἰ μὲν ὁ Ἀντώνιος αὐτὸν προβουλεύοι, κωλύειν προβουλεύόμενον, εἰ δὲ ἀπροβούλευτον ἐς τὸν δῆμον ἐσφέρει, τοὺς δημάρχους ἐς κώλυσιν ἐπιπέμπειν. ἦσαν δ’ οἱ καὶ τὸ ἔθνος ὅλως ἐλευθεροῦν ἡγεμονίας ἠξίουσαν: οὕτως ἐδεδοίκεσαν ἀγχοῦ τὴν Κελτικὴν οὖσαν. ὁ δὲ Ἀντώνιος αὐτοῖς ἀντενεκάλει, εἰ Δέκμῳ μὲν αὐτὴν πιστεύουσιν, ὅτι Καίσαρα ἀπέκτεινεν, αὐτῷ δ’ ἀπιστοῦσιν, ὅτι οὐκ ἀπέκτεινε τὸν καταστρεψάμενον αὐτὴν καὶ κλίναντα ἐς γόνυ, ἀπορρίπτων ἤδη ταῦτα φανερώς ἐς ἅπαντας ὡς ἐφηδομένους τοῖς γεγονόσιν. ἐλθοῦσης δὲ τῆς κυρίας ἡμέρας ἢ μὲν βουλὴ τὴν λοχίτιν ἐνόμιζεν ἐκκλησίαν συλλεγῆσεσθαι, οἱ δὲ νυκτὸς ἔτι τὴν ἀγορὰν περισχοινισάμενοι τὴν φυλétιν ἐκάλουν, ἀπὸ συνθήματος ἐλθλυθυῖαν. καὶ ὁ δημότης λεῶς, ἀχθόμενος τῷ Ἀντωνίῳ, συνέπρασεν ὁμως διὰ τὸν Καίσαρα

ἐφεστῶτα τοῖς περισχοινίσμασι καὶ δεόμενον. ἐδεῖτο δὲ μάλιστα μέν, ἵνα μὴ Δέκμος ἄρχοι χώρας τε ἐπικαίρου καὶ στρατιᾶς ἀνδροφόνος ὦν τοῦ πατρός, ἐπὶ δὲ τούτῳ καὶ ἐς χάριν Ἀντωνίου συνηλαγγμένου. προσεδόκα δὲ ἄρα τι καὶ αὐτὸς ἀντιλήψεσθαι παρὰ Ἀντωνίου. διαφθαρέντων δὲ χρήμασι τῶν δημάρχων ὑπ' Ἀντωνίου καὶ κατασιωπῶντων ὁ νόμος ἐκυροῦτο, καὶ ὁ στρατὸς Ἀντωνίῳ μετ' αἰτίας εὐπρεποῦς ἤδη τὸν Ἴονιον ἐπέρα.

[31] τῶν δὲ δημάρχων τινὸς ἀποθανόντος, ἐς τὴν ἀντ' αὐτοῦ χειροτονίαν ὁ Καῖσαρ συνέπρασσεν Φλαμίνῳ· καὶ ὁ δῆμος οἰόμενος αὐτὸν ἐπιθυμοῦντα τῆς ἀρχῆς διὰ τὸ νεώτερον τῆς ἡλικίας οὐ παραγγέλλειν, ἐπενόουν ἐν ταῖς χειροτονίαις δῆμαρχον ἀποφῆναι τὸν Καίσαρα. ἡ δὲ βουλὴ τῆς αὐξήσεως ἐφθόνει καὶ ἐδεδόκει, μὴ δημαρχῶν τοὺς φονέας τοῦ πατρός ἐπὶ τὸν δῆμον ἐς δίκην ἀπαγάγοι· Ἀντωνίος τε τῆς ἄρτι συγκεκλιμένης πρὸς τὸν Καίσαρα φιλίας ὑπεριδὼν, εἴτε ἐς χάριν τῆς βουλῆς ἢ παρηγορίαν, ἀχθομένης τῷ περὶ τῆς Κελτικῆς νόμῳ, εἴτε ἀπ' οἰκείας γνώμης, προύγραφεν ὡς ὑπατος μηδενὶ Καίσαρα ἐγγχειρεῖν παρανόμως, ἢ χρῆσεσθαι κατ' αὐτοῦ παντὶ μέτρῳ τῆς ἐξουσίας. ἀχαρίστου δ' ἐς τὸν Καίσαρα καὶ ὕβριστικῆς ἅμα ἐς αὐτὸν καὶ τὸν δῆμον τῆς προγραφῆς γενομένης, ὁ μὲν δῆμος διώργιστο καὶ φιλονικήσκειν ἔμελλον ἐν ταῖς χειροτονίαις, ὥστε δεῖσαι τὸν Ἀντώνιον καὶ ἀνελεῖν τὴν χειροτονίαν, τοῖς ὑπολοίποις τῶν δημάρχων ἀρκούμενον· ὁ δὲ Καῖσαρ, ὡς σαφῶς ἐπιβουλευόμενος ἤδη, πολλοὺς περιέπεμπεν ἕς τε τὰς τοῦ πατρός ἀποικίδας πόλεις ἐξαγγέλλειν, ἃ πάσχοι, καὶ τὴν ἐκάστων γνώμην καταμανθάνειν· ἔπεμπε δὲ καὶ ἐς τὰ Ἀντωνίου στρατόπεδα ἐπιμίγνυσθαι τινας ἀγορὰν φέροντας καὶ ἐντυγχάνειν τοῖς θαρροῦσι μάλιστα καὶ ἐς τὸ πλῆθος διαρριπτεῖν ἀφανῶς βιβλία.

[32] καὶ ὁ μὲν ἀμφὶ ταῦτα ἦν· οἱ ταξίαρχοι δὲ αὐθις παρὰ Ἀντωνίου καιρὸν αἰτήσαντες ἔλεγον·

ἡμεῖς, ὦ Ἀντώνιε, καὶ ὅσοι ἄλλοι μετὰ σοῦ Καίσαρι στρατευσάμενοι τὴν τε ἡγεμονίαν αὐτῷ συνεστησάμεθα καὶ ἐς τὰ καθ' ἡμέραν αὐτῆς ὑπηρεταὶ γιγνόμενοι διετελοῦμεν, ἔχθει μὲν ἴσῳ καὶ ἐπιβουλῇ τοὺς φονέας αὐτοῦ γινώσκομεν εἰς ἡμᾶς χρωμένους καὶ τὴν βουλήν ἐκείνοις ἐπιρρέπουσαν, τοῦ δήμου δ' ἐξελάσαντος αὐτοὺς ἀνεθαρρήσαμεν, οὐ πάντῃ τὰ Καίσαρος ὀρῶντες ἄφιλα οὐδὲ ἀμνήμονα οὐδὲ ἀχάριστα. τὴν δ' ἐς τὸ μέλλον ἀσφάλειαν εἶχομεν ἐν σοί, φίλῳ τε Καίσαρος ὄντι καὶ ἡγεμονικωτάτῳ μετ' ἐκείνῳ ἐκ πάντων καὶ ἄρχοντι νῦν ἡμῶν καὶ ἐς τὰ μάλιστα ἐπιτηδεῖω. ἀναφυομένων δὲ τῶν ἐχθρῶν καὶ θρασέως ἕς τε Συρίαν καὶ Μακεδονίαν βιαζομένων καὶ χρήματα καὶ στρατιὰν ἐφ' ἡμᾶς συνιστάντων, καὶ τῆς βουλῆς σοι Δέκμον ἐπαλειφούσης, καὶ σοῦ τὰς φροντίδας ἐς τὴν Καίσαρος τοῦ νέου διαφορὰν δαπανῶντος, δέδιμεν εἰκότως, μὴ ἐς τὸν μέλλοντα καὶ ὅσον οὐπω παρόντα πόλεμον ἢ στάσις ὑμῶν τῷ πολέμῳ συνεπιθῇται καὶ διαπραχθῇ τοῖς ἐχθροῖς καθ' ἡμῶν, ἃ βούλονται. ὦν ἐνθυμηθέντα σε ἀξιοῦμεν, ὅσας τε χάριν ἐς τὸν Καίσαρα καὶ φειδοῦς ὑπὲρ ἡμῶν οὐδὲν ἐπιμέμπτων σοι γενομένων καὶ πρὸ ἡμῶν αὐτοῦ σοῦ τῶν συμφερόντων οὐνεκα, ἕως ἔτι δύνασαι, Καίσαρι μέν, ὅπερ ἀρκέσει, μόνον συνεπαμῦναι τοὺς φονέας τιμωρομένῳ, σὲ δὲ αὐτίκα δυναστεύειν, ἐν ἀμερίμῳ γενόμενόν τε καὶ ἡμᾶς γενέσθαι παρασκευάσαντα

τοὺς ὑπὲρ τε σφῶν αὐτῶν καὶ ὑπὲρ σοῦ δεδιότας.

[33] τοσαῦτα τοὺς ταξιάρχους εἰπόντας ὁ Ἀντώνιος ὧδε ἡμείψατο:

ὄση μὲν εὐνοία καὶ σπουδὴ πρὸς Καίσαρα περιόντα ἐχρώμην, φιλοκινδυνότατος ἐκ πάντων ἐς τὰς ἐκείνου χρείας γενόμενος, ἵστε σαφῶς, συστρατευσάμενοί τε καὶ τοῖς γιγνομένοις παρατυχόντες: ὄση δ' αὖ καὶ ἐκείνος εἰς ἐμὲ χάριτι καὶ προτιμῇσι χρώμενος διετέλει, οὐ μαρτυρεῖν ἐμὲ δίκαιον. ἄμφω δὲ ταῦτα καὶ οἱ φονεῖς εἰδότες συνετίθεντο καὶ Καίσαρι συνανελεῖν, ὥς ἐμοῦ περιόντος οὐ καθέξοντες ὧν ἐπενόουν. καὶ ὅστις αὐτοὺς μετέπεισε τῆς γνώμης, οὐκ εὐνοία τῆς ἐμῆς σωτηρίας ἔπεισεν, ἀλλ' εὐπρεπεῖα τῆς τυραννοκτονίας, ὥς μὴ δοκῶσι πολλοὺς ὥσπερ ἐχθροὺς, ἀλλ' ἓνα ἀνελεῖν ὥς τύραννον. τίς ἂν οὖν πιστεύσειεν ἐμὲ Καίσαρός τε ἀμελεῖν εὐεργέτου μοι γεγενημένου καὶ προτιμᾶν τοὺς ἐχθροὺς ἐκείνου καὶ τὸν φόνον ἐκόντα χαρίζεσθαι τοῖς ἐμοῖς ἐπιβούλοις, ὥς οἴεται Καῖσαρ ὁ νέος; πόθεν οὖν αὐτοῖς ἀμνηστία τοῦ φόνου καὶ ἡγεμονία; ταῦτα γὰρ ἐπικαλεῖν, ἀντὶ τῆς βουλῆς, ἐμοὶ βούλεται. μάθετε, ὥς ἐγένετο.

[34] Καίσαρος ἐν τῷ βουλευτηρίῳ σφαγέντος ἄφνω, δέος ἐπέσχεν ἐκ πάντων δὴ μάλιστα πλεῖστον ἐμὲ φιλία τε αὐτοῦ Καίσαρος καὶ ἀγνοία τοῦ ἀκριβοῦς: οὐ γάρ πω τὴν συνθήκην ἐώρων οὐδὲ ἐπὶ ὅσοις. ὁ δὲ δῆμος ἐθορυβεῖτο, καὶ οἱ σφαγεῖς σὺν μονομάχοις τὸ Καπιτώλιον καταλαβόντες ἀπέκλειον, καὶ ἡ βουλὴ σὺν ἐκείνοις ἦν, ἥ καὶ νῦν ἐστὶ φανερώτερον, γέρα τε τοῖς ἀνελούσιν ὥς τυραννοκτόνοις ἐψηφίζετο. καὶ εἰ τύραννος ὁ Καῖσαρ ἐφάνη, ἡμῖν ὑπῆρχεν ἀπολέσθαι πᾶσιν ὥς τυράννου φίλοις. ὧδε δὴ με ἔχοντα θορύβου καὶ μερίμνης καὶ δέους, ὅτε οὐκ ἦν γνώμης παράδοξον οὐδὲ ἀπορῆσαι, σκοποῦντες εὐρήσετε, ἔνθα μὲν ἔδει τόλμης, θρασύτατον, ἔνθα δὲ ὑποκρίσεως, εὐμήχανον. τὸ μὲν δὴ πρῶτον ἐκ πάντων καὶ τὰ λοιπὰ συνέχον ἦν ἀναιρεθῆναι τὰ γέρα τὰ ψηφιζόμενα τοῖς ἀνδράσιν: ὅπερ, ἀντιτάξας ἐμαυτὸν ἐγὼ τῇ τε βουλῇ καὶ τοῖς σφαγεῦσιν ἐγκρατῶς, ἔπραττον σὺν θράσει παραβόλῳ καὶ ἐπικινδύνῳ, τότε μόνον ἡγούμενος ἡμᾶς τοὺς Καίσαρος ἀσφαλῶς περιέσεσθαι, ὅταν μὴ Καῖσαρ εἶναι δόξη τύραννος. τῷ δ' αὐτῷ δέει τῶν ἐχθρῶν καὶ τῆς βουλῆς αὐτῆς ἐχομένων, ὅτε μὴ Καῖσαρ εἴη τύραννος, ἀνδροφονίας αὐτοὺς ἀλώσεσθαι, καὶ διὰ τοῦτο φιλονικούντων, εἴξα τῆς ἀμνηστίας διδομένης ἀντὶ τῶν γερῶν, ἵν' ὅσων ἔχρηζον ἀντιλάβοιμι. τὰ δὲ ἦν πόσα καὶ πηλικά; μήτε τὴν ἐπωνυμίαν τοῦ Καίσαρος ἀπληεῖσθαι τὴν ἐμοὶ μάλιστα πάντων ἡδίστην μήτε τὴν περιουσίαν δεδημεῦσθαι μήτε τὴν θέσιν, ἐφ' ἣ νῦν οὗτος γαυριᾷ, διαλελῶσθαι μήτε τὰς διαθήκας ἀκύρους γενέσθαι τό τε σῶμα τεθᾶφθαι βασιλικῶς καὶ τιμὰς αὐτῷ τὰς πάλοι δεδομένας ἀθανάτου διαμένειν καὶ τὰ πεπραγμένα πάντα κύρια εἶναι καὶ τὸν ἐκείνου παῖδα καὶ τοὺς φίλους ἡμᾶς, καὶ στρατηγούς καὶ στρατιώτας, ἐν ἀσφαλεῖ γενέσθαι σωτηρία καὶ ἐνδόξῳ βίῳ ἀντὶ ἐπονειδίστου.

[35] ἄρ' ὑμῖν ὀλίγα ἢ σμικρὰ τῆς ἀμνηστίας τὴν βουλὴν ἀνταιτῆσαι δοκᾷ; ἢ δοῦναι ἂν αὐτὰ ἢ βουλὴ χωρὶς τῆς ἀμνηστίας; ἦν μὲν δὴ καὶ καθαρῶς ἀντιδοῦναι τάδε τ' ὧνδε ἄξιον καὶ φείσασθαι σὺν ἀληθεῖ γνώμῃ φονέων ἀνδρῶν ὑπὲρ ἀθανάτου Καίσαρος δόξης καὶ ἡμῶν ἀσφαλοῦς σωτηρίας: οὐ μὴν ἐγὼ μετὰ τῆσδε τῆς γνώμης ἐποιοῦν, ἀλλ' ἀνατιθέμενος τὴν δίκην. ἐπεὶ

γέ τοι τῆς βουλῆς ἐς ἃ πρῶτα ἔχρηζον ἐκράτησα καὶ οἱ σφαγεῖς ὥς ἐν ἀμερίμῳ μεθεῖντο, ἀνεθάρρησα καὶ τὴν ἀμνηστίαν παρέλουν, οὐ ψηφίσμασιν ἢ δόγμασιν ὅν γὰρ ἦν, ἀλλ' ἀσήμῳ δημοκοπία, τὸ σῶμα τοῦ Καίσαρος ἐπὶ προφάσει τῆς ταφῆς ἐς τὴν ἀγορὰν ἐκφέρων καὶ τὰ τραύματα ἀπογυμνῶν καὶ τὸ πλῆθος αὐτῶν καὶ τὴν ἐσθῆτα ἐπιδεικνὺς ἡμαγμένην τε καὶ κατακεκομμένην καὶ τὴν ἀρετὴν καὶ τὸ φιλόδημον αὐτοῦ παλιλλογῶν, ἐκπαθῶς ἐν μέσῳ καὶ ὀδυρόμενος μὲν ὡς ἀνηρημένον, κατακαλῶν δ' ὡς θεόν. τάδε γάρ μου τὰ ἔργα καὶ ῥήματα ἠρέθισε τὸν δῆμον, καὶ τὸ πῦρ ἦψε μετὰ τὴν ἀμνηστίαν, καὶ ἐς τὰς οἰκίας τῶν ἐχθρῶν ἔπεμψε καὶ τοὺς ἄνδρας ἐξέβαλε τῆς πόλεως. τοῦτο δ' ὅπως ἀντιπραττούσης καὶ λυπούμενης τῆς βουλῆς ἐγένετο, αὐτίκα ἔδειξαν, ἐμὲ μὲν αἰτιώμενοι τῆς δημοκοπίας, τοὺς δὲ φονέας ἐκπέμψαντες ἐπὶ τὰς τῶν ἐθνῶν ἡγεμονίας, Βροῦτον δὲ καὶ Κάσσιον ἐς Συρίαν καὶ Μακεδονίαν, αἱ μεστὰι μεγάλων στρατῶν ἦσαν, ἐπείγεσθαι καὶ πρὸ τοῦ δεδομένου χρόνου διδάξαντες ἐπὶ προφάσει φροντίδος σίτου. ἕτερον δὲ με δέος ἔτι μείζον ἐπελάμβανεν, οὐκ ἔχοντά πω στρατὸν ἴδιον οὐδένα, μὴ πρὸς ἐνόπλους τοσοῦσδε ἄνοπλοι καθιστώμεθα. καὶ ὁ σύναρχος ὑποπτος ἦν, ἐμοί τε διάφορος ὢν αἰεὶ καὶ ὑποκρινόμενος ἐπιβουλευσαὶ τῷ Καίσαρι καὶ τὴν ἡμέραν τοῦ φόνου γενέθλιον τῇ πόλει τιθέμενος.

[36] ὧδε δὲ ἀπορῶν καὶ ἐπείγόμενος ἐξοπλίσαι τοὺς πολεμίους καὶ ἐς ἡμᾶς ἀντ' ἐκείνων τὰ ὅπλα μετενεγκεῖν, Ἀμάτιον ἔκτεινα καὶ κατεκάλεσα Πομπήιον, ἵνα τοῖσδε αὐθις ἀλουσα ἢ βουλὴ πρὸς με μεταθοίτο. καὶ οὐδ' ὡς αὐτῇ πιστεύων ἔπεισα Συρίαν αἰτεῖν Δολοβέλλαν, οὐ παρὰ τῆς βουλῆς, ἀλλὰ παρὰ τοῦ δήμου νόμῳ, καὶ συνέπραξα αἰτοῦντι, ἵνα τοῖς τε σφαγεῦσι Δολοβέλλας ἐχθρὸς ἀντὶ φίλου γένοιτο καὶ τοῖς βουλευταῖς αἰσχρὸν ἦ μετὰ Δολοβέλλαν ἀντειπεῖν ἐμοί περὶ Μακεδονίας. οὐ μὲντ' ἂν οὐδ' ὡς μοι Μακεδονίαν ἔδοσαν, οὐδ' ἐπὶ Δολοβέλλα, διὰ τὴν ἐν αὐτῇ στρατιάν, εἰ μὴ τὴν στρατιὰν προμεθῆκα τῷ Δολοβέλλα ὡς Συρίαν καὶ τὰ ἐς Πάρθους διαλαχόντι. τοὺς δ' αὖ περὶ τὸν Κάσσιον οὔτε Μακεδονίαν ἀφείλοντο ἂν οὔτε Συρίαν, μὴ ἕτερα αὐτοῖς ἐς ἀσφάλειαν ἀντιλαβόντες ἔθνη. δεῖσαν οὖν ἀντιδοῦναι θεάσασθε, οἷα ἀνθ' οἷων καὶ ὡς στρατοῦ γυμνὰ ἐδόθη, Κυρήνην τε καὶ Κρήτην: ὢν καὶ οἱ ἐχθροὶ καταφρονοῦσιν οὐκ ἀσφαλῶν σφίσιν ὄντων καὶ ἐς τὰ ἀφηρημένα βιάζονται. οὕτω μὲν δὴ καὶ ὁ στρατὸς ἐς Δολοβέλλαν μετενήνεκτο ἀπὸ τῶν ἐχθρῶν τέχναις καὶ μηχαναῖς καὶ ἀντιδόσεσιν ἐτέρων: οὐ γάρ πω τῶν ὅπλων φανέντων ὑπὸ τοῖς νόμοις ἔδει πράσσειν.

[37] γεγενημένων δὲ τῶνδε καὶ τῶν ἐχθρῶν ἕτερον στρατὸν ἀγειράντων, ἔδει μοι τοῦ περὶ τὴν Μακεδονίαν στρατοῦ καὶ προφάσεως ἠπόρουν. φήμη δὲ κατέσκηψε Γέτας Μακεδονίαν πορθεῖν. ἀπιστουμένης δὲ καὶ ταύτης καὶ τῶν ἐπισκευομένων ἀπεσταλμένων, εἰσηγησάμην ἐγὼ περὶ τῆς δικτάτορος ἀρχῆς μὴ ἐξεῖναι μήτε εἰπεῖν μήτε ἐπιψηφίσει μήτε λαβεῖν διδομένην: ᾧ δὲ μάλιστα ὑπαχθέντες ἔδοσάν μοι τὸν στρατόν. καὶ ἐγὼ τότε πρῶτον ἐμαυτὸν ἡγησάμην ἰσόπαλον εἶναι τοῖς ἐχθροῖς, οὐ τοῖσδε τοῖς φανεροῖς, ὡς οἶται Καῖσαρ, ἀλλὰ τοῖς πλεοσί τε καὶ δυνατωτέροις καὶ ἀφανέσιν ἔτι εἶναι θέλουσι. ταῦτα δ' ἐργασασμένῳ μοι ἕτερος τῶν σφαγέων ἔλειπεν ἐν πλευραῖς, Βροῦτος ὁ Δέκμος, ἡγούμενος καὶ ὅδε χώρας ἐπικαίρου καὶ στρατοῦ πολλοῦ: ὃν ἐγὼ καὶ

θρασύτερον εἰδὼς τὴν Κελτικὴν ἀφηρούμενην, ἐς εὐπρέπειαν ἔτι τῆς βουλῆς Μακεδονίαν ὑπισχνόμενος ἀντιδώσειν, γυμνὴν στρατοῦ γενομένην. ἀγανακτοῦσης δὲ τῆς βουλῆς καὶ τὴν ἐνέδραν ἤδη καθορώσης καὶ ἴστε οἷα καὶ ὅσα Δέκμῳ πολλῶν γραφόντων καὶ ἐπαλειφόντων ἤδη τοὺς μετ' ἐμὲ ὑπάτους, ἐγὼ θρασύτερον ἔτι τὸ μὲν ἔθνος, ἀντὶ τῆς βουλῆς, νόμῳ παρὰ τοῦ δήμου λαβεῖν ἐπενόησα, τὸν δὲ στρατὸν ἀπὸ τῆς Μακεδονίας ἐς τὸ Βρεντέσιον ἐπέρων ὡς χρησόμενος δὴ ἐς τὰ ἐπείγοντα. καὶ σὺν θεοῖς εἰπεῖν, χρησόμεθα, ὥς ἂν αἱ χρεῖαι καλῶσιν.

[38] οὕτως ἐκ πολλοῦ δέους τοῦ πρὶν ἡμᾶς ἐπισχόντος μετεβάλομεν ἐς τε ἀσφάλειαν ὑπὲρ ἡμῶν αὐτῶν ἐγκρατῇ καὶ ἐς θάρσος ἐπὶ τοὺς ἐχθρούς· ὧν ἐκφανέντων ἀνεφάνη καὶ ἡ τῶν πλεόνων ἐς τοὺς πολεμίους σπουδή. ὁρᾶτε γάρ, ὅση μὲν αὐτοῖς ἐστὶ μεταμέλεια τῶν ἐψηφισμένων, ὅσος δὲ ἀγὼν ἀφελέσθαι με τὴν Κελτικὴν ἤδη δεδομένην. ἴστε, ἃ γράφουσι Δέκμῳ καὶ ὅσα τοὺς ὑπάτους τοὺς μετ' ἐμὲ πείθουσι περὶ τῆς Κελτικῆς μεταψηφίσασθαι. ἀλλὰ σὺν θεοῖς τε πατρώοις καὶ σὺν εὐσεβεῖ γνώμῃ καὶ σὺν ταῖς ὑμετέραις ἀνδραγαθίαις, μεθ' ὧν καὶ ὁ Καῖσαρ ἐκράτει, ἀμυνοῦμεν αὐτῷ, τῷ τε σώματι ἐπεξιόντες καὶ τῇ γνώμῃ βοηθοῦντες.

ταῦτά μοι γιγνόμενα μὲν, ὧς συστρατιῶται, ἔτι ἔχρηζον ἀπόρρητα εἶναι, γενόμενα δὲ ἐξενήνεκται πρὸς ὑμᾶς, οὓς ἐγὼ καὶ ἔργου καὶ λόγου κοινωνοὺς ἐς ἅπαντα τίθεμαι. καὶ τοῖς ἄλλοις, εἴ τινες αὐτὰ οὐ συνωρῶσι, μεταφέρετε, πλὴν μόνου Καίσαρος ἀχαρίστως ἐς ἡμᾶς ἔχοντος.

[39] τοιαῦτα τοῦ Ἀντωνίου διεξιόντος, παρέστη τοῖς ταξιάρχαις αὐτὸν ἅπαντα μετ' ἔχθρας ἀκριβοὺς ἐς τοὺς ἀνδροφόνους, ἐπιτεχνάζοντα τῇ βουλῇ, πεποιηκέναι. ἡξίουσαν δὲ καὶ ὡς τῷ Καίσαρι συναλλαγῆναι καὶ πείσαντες αὐτοὺς συνήλλασσον αὐθις ἐν τῷ Καπιτωλίῳ. οὐ πολὺ δὲ ὕστερον ὁ Ἀντώνιος τῶν σωματοφυλάκων τινὰς ἐς τοὺς φίλους παρήγαγεν ὡς ὑπηρέτας γενομένους ἐπιβουλεύοντος αὐτῷ τοῦ Καίσαρος, εἴτε συκοφαντῶν εἴτε τῷ ὄντι νομίσας εἴτε περὶ τῶν εἰς τὰ στρατόπεδα περιπεμφθέντων πυθόμενος καὶ τὴν ἐς τὸ ἔργον ἐπιβουλήν μεταφέρειν ἐς τὸ σῶμα. ὃ τε λόγος ἐκδραμῶν αὐτίκα θόρυβον ἤγειρε πάνδημον, καὶ ἀγανάκτησις ἦν. ὀλίγοι μὲν γάρ, οἷς τι λογισμοῦ βαθέος ἦν, ἥδεσαν Καίσαρι συμφέρειν Ἀντώνιον καὶ βλάπτοντα ὅμως περιεῖναι, ἐπιφοβὸν ὄντα τοῖς φονεῦσιν· ἀποθανόντος γὰρ ἀδεέστερον ἐκείνους ἅπασιν ἐπιτολμήσειν, βοηθουμένους μάλιστα ὑπὸ τῆς βουλῆς. ὧδε μὲν εἰκάζον οἱ συνετώτεροι· τὸ δὲ πλέον, ὁρῶντες, οἷα καθ' ἐκάστην ἡμέραν ὁ Καῖσαρ ὑβριζόμενός τε καὶ ζημιούμενος πάσχοι, οὐκ ἄπιστον ἐτίθεντο τὴν διαβολὴν οὐδὲ ὅσιον ἢ ἀνεκτὸν ἐνόμιζον Ἀντώνιον ὑπατεύοντα ἐς τὸ σῶμα ἐπιβεβουλεῦσθαι.

ὁ δὲ Καῖσαρ καὶ πρὸς οὕτως ἔχοντας ἐξέτρεχε σὺν ὀργῇ μανιώδει καὶ ἐβόα αὐτὸς ἐπιβουλεύεσθαι πρὸς Ἀντώνιον ἐς τὴν παρὰ τῷ δήμῳ φιλίαν ἔτι οἱ μόνην οὖσαν· ἐπὶ τε τὰς θύρας τοῦ Ἀντωνίου δραμῶν τὰ αὐτὰ ἐβόα καὶ θεοὺς ἐμαρτύρετο καὶ ἀρὰς ἠρᾶτο πάσας καὶ ἐς δίκην ἐλθεῖν προυκαλεῖτο. οὐδενὸς δὲ προϊόντος, 'ἐν τοῖς φίλοις,' ἔφη, 'δέχομαι τοῖς σοῖς κριθῆναι,' καὶ εἰπὼν ἐπέτρεχεν ἔσω. κωλυθεὶς δὲ αὐθις ὥμωζε καὶ ἐλοιδορεῖτο αὐτῷ καὶ τοῖς περὶ θύρας ἡγανάκτει κωλύουσι τὸν Ἀντώνιον ἐλεγχθῆναι. ἀπιὼν τε τὸν δῆμον

ἐμαρτύρετο, εἴ τι πάθοι, πρὸς Ἀντωνίου δολοφονεῖσθαι. λεγομένων δὲ τῶνδε σὺν πάθει πολλῷ μετέπιπτε τὸ πλῆθος, καὶ τις αὐτοῖς τῆς πρὶν δόξης μετάνοια ἐνεγίγνετο. εἰσὶ δὲ οἱ καὶ τότε ἀπιστοῦντες ὥκνουν ἑκατέρῳ τὸ πιστὸν νέμειν, καὶ τινες ὑπόκρισιν ἀμφοῖν τὰ γινόμενα διέβαλλον εἶναι, συνθεμένων μὲν ἄρτι ἐν ἱερῷ, μηχανωμένων δὲ ταῦτα ἐπὶ τοὺς ἐχθρούς. οἱ δὲ αὐτὰ τὸν Ἀντώνιον ἡγοῦντο ἐπινοεῖν εἰς ἀφορμὴν φρουρᾶς πλείονος ἢ ἐς ἀλλοτρίωσιν τῶν κληρουχιῶν Καίσαρι.

[40] ὥς δὲ τῷ Καίσαρι ὑπὸ τῶν κρύφα ἀπεσταλμένων ἀπηγγέλθη τὸν ἐν Βρεντεσίῳ στρατὸν καὶ τοὺς ἀפקισμένους ἐν ὀργῇ τὸν Ἀντώνιον ἔχειν, ἀμελοῦντα τοῦ Καίσαρος φόνου, καὶ σφᾶς ἐπικουρήσειν, ἂν δύνωνται, ὁ μὲν Ἀντώνιος ἐς τὸ Βρεντέσιον ἐξῆι διὰ τάδε. δεῖσας δὲ ὁ Καῖσαρ, μὴ μετὰ τῆς στρατιᾶς ἐπανελθὼν ἀφρούρητον αὐτὸν λάβοι, χρήματα φέρων εἰς Καμπανίαν ἦι, πείσων τὰς πόλεις οἱ στρατεύεσθαι, τὰς ὑπὸ τοῦ πατρὸς ὥκισμένας. καὶ ἔπεισε Καλατίαν πρώτην, ἐπὶ δ' ἐκείνην Κασιλῖνον, δύο τάσδε Καπύης ἐκατέρωθεν: ἐπιδούς δ' ἐκάστῳ δραχμὰς πεντακοσίας ἦγεν ἐς μυρίου ἀνδρας, οὔτε ὠπλισμένους ἐντελῶς οὔτε συντεταγμένους πῶ κατὰ ἴλας, ἀλλ' ὥς ἐς μόνην τοῦ σώματος φυλακὴν, ὑφ' ἐνὶ σημείῳ. οἱ δὲ ἐν ἄστει τὸν Ἀντώνιον δεδιότες μετὰ στρατιᾶς ἐπανιόντα, ὥς ἐπύθοντο καὶ τὸν Καίσαρα μεθ' ἑτέρας προσιέναι, οἱ μὲν διπλασίως ἐδεδοίκεσαν, οἱ δ' ὥς χρησόμενοι κατ' Ἀντωνίου Καίσαρι ἡσμένιζον: οἱ δὲ αὐτῶν τὰς ἐν τῷ Καπιτωλίῳ διαλλαγὰς ἑωρακότες ὑπόκρισιν ἐνόμιζον εἶναι τὰ γινόμενα καὶ ἀντίδοσιν Ἀντωνίῳ μὲν δυναστείας, Καίσαρι δὲ τῶν φονέων.

[41] ὧδε δὲ αὐτῶν θορυβουμένων, Καννούτιος ὁ δήμαρχος, ἐχθρὸς ὢν Ἀντωνίῳ καὶ παρ' αὐτὸ Καίσαρι φίλος, ὑπήντα τῷ Καίσαρι καὶ τὴν γνώμην ἐκμαθὼν ἀπήγγελλε τῷ δήμῳ, μετ' ἐχθρας Ἀντωνίου σαφοὺς ἐπιέναι τὸν Καίσαρα καὶ χρῆναι δεδιότας Ἀντώνιον ἐπὶ τυραννίδι τόνδε προσεταιρίσασθαι, στρατὸν ἄλλον οὐκ ἔχοντας ἐν τῷ παρόντι. ταῦτα δ' εἰπὼν ἐσῆγε τὸν Καίσαρα, αὐλισάμενον πρὸ τοῦ ἄστεος ἀπὸ σταδίων πεντεκαίδεκα ἐν τῷ τοῦ Ἄρεως ἱερῷ. ὥς δὲ εἰσῆλθον, ὁ μὲν εἰς τὸν νεὼν τῶν Διοσκοῦρων παρῆλθε, καὶ τὸν νεὼν περιέστησαν οἱ στρατευόμενοι ξιφίδια ἀφανῶς περιεζωσμένοι, Καννούτιος δὲ πρότερον ἐδημηγόρει κατὰ τοῦ Ἀντωνίου. ὁ δὲ Καῖσαρ καὶ τοῦ πατρὸς αὐτοὺς ὑπεμίμησκε καὶ ὢν αὐτὸς ὑπὸ Ἀντωνίου πάθοι, δι' ἃ καὶ τόνδε τὸν στρατὸν ἐς φυλακὴν εἴη συνειλεγμένους: ἔφη τε ἐς πάντα τῆς πατρίδος ὑπηρέτης καὶ κατήκοος ἔσεσθαι καὶ ἐς τὰ νῦν πρὸς Ἀντώνιον ἔτοιμος.

[42] ὧδε δ' εἰπόντος αὐτοῦ καὶ τὴν ἐκκλησίαν διαλύσαντος ἐπὶ τῷδε, ὁ στρατὸς ἡγούμενος ἐς τὸ ἐναντίον ἐπὶ διαλλαγαῖς Ἀντωνίου τε καὶ Καίσαρος ἀφίχθαι ἢ ἐς μόνην γε φυλακὴν τοῦ Καίσαρος καὶ τῶν φονέων ἄμυναν, ἤχθοντο τῇ κατ' Ἀντωνίου προαγορεύσει, στρατηγοῦ τε σφῶν γεγονότος καὶ ὄντος ὑπάτου: καὶ οἱ μὲν αὐτῶν ἐπανελθεῖν ἤτουν εἰς τὰ οἰκεῖα ὥς ὀπλιούμενοι: οὐ γὰρ ἄλλων ἢ τῶν ἰδίων ὅπλων ἀνέξεσθαι: οἱ δὲ καὶ τὸ ἀληθὲς ὑπέφαινον. ὁ δὲ Καῖσαρ ἠπόρητο μὲν ἐς τὸ ἐναντίον ὢν προσεδόκησε μετενεχθεῖς, ἐλπίσας δ' αὐτῶν πειθοῖ μᾶλλον ἢ βίᾳ περιέσεσθαι, συνεχώρει ταῖς προφάσεσι καὶ τοὺς μὲν ἐπὶ τὰ ὅπλα ἔπεμπε, τοὺς δὲ ἀπλῶς ἐς τὰ οἰκεῖα.

πάντας δ', ἐπικρύπτων τὴν ἀχθηδόνα, ἐπῆνει τῆς συνόδου καὶ ἐδώρεϊτο ἐτέραις δωρεαῖς καὶ δασιλέστερον ἔτι ἀμείψεσθαι ἔλεγεν, αἰεὶ χρώμενος ἐς τὰ ἐπείγοντα ὡς πατρικοῖς φίλοις μᾶλλον ἢ στρατιώταις. χιλίους μὲν δὴ μόνους ἢ τρισχιλίους τάδε λέγων ἐπέκλασεν ἐκ μυρίων οἱ παραμεῖναι ἑαυτοῖς γὰρ περὶ τοῦ ἀριθμοῦ. οἱ δὲ λοιποὶ τότε μὲν ἐξῆσαν, ἀνεμνήσκοντο δ' αὐτίκα γεωργίας τε πόνων καὶ κερδῶν στρατείας καὶ λόγων τῶν Καίσαρος καὶ εὐπειθείας αὐτοῦ, πρὸς ᾧ ἐβούλοντο, καὶ χαρίτων, ὧν τε εἰλήφεσαν καὶ ὧν ἠλπίζον ἔτι λήψεσθαι. οἷόν τε ὄχλος ἀνώματος μετενόουν καὶ τῆς προφάσεως ἐς εὐπρέπειαν ἐπιβαίνοντες ὠπλίζοντο καὶ πρὸς αὐτὸν ἐπανάησαν. ὁ δὲ ἤδη μετὰ χρημάτων ἄλλων τὴν τε Ῥάβενναν καὶ τὰ ἀγχοῦ πάντα περιήει, στρατεύων ἐτέρους ἐφ' ἐτέροις· καὶ πάντας ἐς Ἀρρήτιον ἔπεμπεν.

[43] Ἀντωνίῳ δ' ἀφίκτο μέσον ἐς τὸ Βρεντέσιον ἐκ πέντε τῶν ἐν Μακεδονίᾳ τελῶν τέσσαρα· ἐπιμεμφόμενοι δ' αὐτὸν οὐκ ἐπεξελθόντα τῷ φόνῳ Καίσαρος, χωρὶς εὐφημίας ἐς τὸ βῆμα παρέπεμπον ὡς περὶ τοῦδε σφίσιν ἐκλογιούμενον πρῶτον. ὁ δὲ αὐτοῖς χαλεπτόμενος τῆς σιωπῆς οὐ κατέσχευε, ἀλλ' ὠνειδίξεν ἀχαριστίαν ἐκ Παρθυαίων ὑπὸ οὗ μετενεχθεῖσιν ἐς τὴν Ἰταλίαν καὶ οὐκ ἐπιμαρτυροῦσι τοιαῦσδε χάριτος· ἐμέμφετο δὲ καὶ ὅτι παρὰ μειρακίου προπετοῦς, ὥδε τὸν Καίσαρα καλῶν, ἄνδρας ἐπιπεμπομένους σφίσιν εἰς διαφθορὰν οὐκ αὐτοὶ προσάγουσιν αὐτῷ. ἀλλὰ τοῦσδε μὲν αὐτὸς εὐρήσειν, τὸν δὲ στρατὸν ἄξειν ἐπὶ τὴν ἐψηφισμένην οἱ χώραν εὐδαίμονα Κελτικήν, καὶ τοῖς παροῦσιν ἐκάστῳ δοθήσεσθαι δραχμὰς ἑκατόν. οἱ δὲ ἐγέλασαν τῆς μικρολογίας καὶ χαλεπήναντος αὐτοῦ μᾶλλον ἐθορύβουν καὶ διεδίδρασκον. ὁ δὲ ἐξανέστη τοσοῦτον εἰπών· ἡμαρτήσατε ἄρχεσθαι. αἰτήσας δὲ παρὰ τῶν χιλιάρχων τοὺς στασιώδεις ἄναγρᾶπτος γὰρ ἐστὶν ἐν τοῖς Ῥωμαίων στρατοῖς αἰεὶ καθ' ἓνα ἄνδρα ὁ τρόπος· διεκλήρωσε τῷ στρατιωτικῷ νόμῳ καὶ οὐ τὸ δέκατον ἅπαν, ἀλλὰ μέρος ἕκτεινε τοῦ δεκάτου, νομίζων σφᾶς ὥδε καταπλήξειν δι' ὀλίγου. οἱ δὲ οὐκ ἐς φόβον μᾶλλον ἢ ἐς ὀργὴν ἀπὸ τοῦδε καὶ μῖσος ἐτρέποντο.

[44] ταῦτα δ' ὁρῶντες οὓς ὁ Καῖσαρ ἐπὶ διαφθορᾷ τῶνδε προπετόμηναι, βιβλία πολλὰ τότε μάλιστα διερρίπτουν ἐς τὸ στρατόπεδον, ἀντὶ τῆς Ἀντωνίου μικρολογίας τε καὶ ὠμότητος ἐς τὴν Καίσαρος μνήμην τοῦ προτέρου καὶ βοήθειαν τοῦ νῦν καὶ χορηγίας δασιλεῖς μετατίθεσθαι. οὓς ὁ Ἀντώνιος μηνύμασι τε μεγάλους ἐξήτει, καὶ ἀπειλαῖς, εἴ τις ἐπικρύπτει. οὐδένα δὲ συλλαβὼν ἐχαλέπηνεν ὡς τοῦ στρατοῦ σφᾶς ἐπικρύπτοντος. ἀπαγγελλομένων δὲ καὶ τῶν ἐν ταῖς ἀποικίαις τε καὶ ἐν Ῥώμῃ Καίσαρι πεπραγμένων ἐθορυβεῖτο. καὶ ἐπελθὼν αὐθις ἐπὶ τὸν στρατὸν ἔφη χαλεπῆναι μὲν τῶν γεγονότων ὑπὸ ἀνάγκης στρατιωτικῆς ὀλίγοις ἀντὶ πλεόνων ὧν ἐκόλαζεν ὁ νόμος, αὐτοὺς δὲ εἰδέναι σαφῶς οὔτε ὦμόν οὔτε μικρολόγον Ἀντώνιον. ἄλλ' ὁ μὲν φθόνος οἰχέσθω, κεκορεσμένος, ἔφη, καὶ τοῖς ἁμαρτήμασι καὶ ταῖς κολάσεσι· τὰς δὲ ἑκατόν δραχμὰς ὑμῖν οὐ δωρεάν· οὐ γὰρ τοῦτό γε τῆς Ἀντωνίου τύχης, ἀλλὰ τῆς πρώτης ἐς ὑμᾶς ἐντεύξεως προσαγορευτικὸν μᾶλλον ἢ δωρεάν ἐκέλευσα δοθῆναι, καὶ χρὴ νόμῳ πατρίῳ τε καὶ στρατιωτικῷ καὶ ἐς τάδε καὶ ἐς πάντα εὐπειθεῖς ὑπάρχειν. ὁ μὲν οὕτως εἶπεν, οὐδέν τι ἔτι προσθεὶς τῇ δωρεᾷ τοῦ μὴ δοκεῖν ὁ στρατηγὸς ἡσῆσθαι τοῦ

στρατοῦ. οἱ δὲ ἐλάμβανον, εἴτε μεταγνόντες εἴτε καὶ δεδιότες. ὁ δὲ αὐτῶν τοὺς μὲν ταξιάρχους, εἴτε μηνίων ἔτι τῆς στάσεως εἰθ' ἑτέρως ὑπονοῶν, ἐνήλλασσε, τοὺς δὲ λοιποὺς καὶ ἄλλα ἐν ταῖς χρεαίαις ἐδεξιοῦτο καὶ προὔπεμπεν ἀνὰ μέρος τὴν παραθαλάσσιον ὁδεύειν ἐπὶ Ἀριμίνου.

[45] αὐτὸς δ' ἐπιλεξάμενος ἐκ πάντων στρατηγίδα σπεῖραν ἀνδρῶν ἀρίστων τὰ τε σώματα καὶ τὸν τρόπον ὥδευεν ἐς Ῥώμην ὡς ἐκεῖθεν ἐπὶ τὸ Ἀρίμινον ὁρμήσων. ἐσῆι δὲ ἐς τὴν πόλιν σοβαρῶς, τὴν μὲν ἰλὴν πρὸ τοῦ ἄστεως στρατοπεδεύσας, τοὺς δ' ἄμφ' αὐτὸν ἔχων ὑπεζωσμένους καὶ τὴν οἰκίαν νυκτοφυλακοῦντας ἐνόπλους: συνθήματά τε αὐτοῖς ἐδίδото, καὶ αἱ φυλακαὶ παρὰ μέρος ἦσαν ὡς ἐν στρατοπέδῳ. συναγαγὼν δὲ τὴν βουλὴν ὡς μεμψόμενος Καίσαρι περὶ τῶν πεπραγμένων, ἐσιῶν ἤδη μανθάνει τῶν τεσσάρων τελῶν τὸ καλούμενον Ἀρειον κατὰ τὴν ὁδὸν ἐς Καίσαρα μετατεθεῖσθαι. καὶ αὐτῷ τὴν εἴσοδον ἐπισχόντι τε καὶ διαποροῦντι ἀγγέλλεται καὶ τὸ καλούμενον τέταρτον ὁμοίως τοῖς Ἀρείοις ἐς Καίσαρα μετατεθεῖσθαι. διαταραχθεὶς οὖν εἰσῆλθε μὲν ἐς τὸ βουλευτήριον, ὡς δ' ἐφ' ἑτερα αὐτοῦς συναγαγὼν μικρὰ διελέχθη καὶ εὐθὺς ἐπὶ τὰς πύλας ἐχώρει καὶ ἀπὸ τῶν πυλῶν ἐπὶ Ἄλβην πόλιν ὡς μεταπείσων τοὺς ἀποστάντας. βαλλόμενος δ' ἀπὸ τοῦ τείχους ἀνέστρεφε καὶ τοῖς ἄλλοις τέλεσι προσέπεμπεν ἀνὰ πεντακοσίας δραχμὰς ἐκάστῳ, καὶ σὺν οἷς εἶχεν αὐτὸς ἐς Τίβυρον ἐξῆι, σκευὴν ἔχων τὴν συνήθη τοῖς ἐπὶ τοὺς πολέμους ἐξιοῦσι: καὶ γὰρ ἦδη σαφὴς ἦν ὁ πόλεμος, Δέκμου τὴν Κελτικὴν οὐ μεθιέντος.

[46] δεῦρο δὲ ὄντι ἢ τε βουλὴ σχεδὸν ἅπασα καὶ τῶν ἱππέων τὸ πλεῖστον ἀφίκετο ἐπὶ τιμῇ καὶ ἀπὸ τοῦ δήμου τὸ ἀξιολογώτατον: οἱ καὶ καταλαβόντες αὐτὸν ὀρκοῦντα τοὺς παρόντας οἱ στρατιώτας καὶ τοὺς ἐκ τῶν πάλαι στρατευσαμένων συνδραμόντας ἵκανον γὰρ καὶ τοῦτο ἦν συνώμνιον ἐκόντες οὐκ ἐκλείπειν τὴν ἐς Ἀντώνιον εὐνοίαν τε καὶ πίστιν, ὡς ἀπορῆσαι, τίνες ἦσαν, οἱ πρὸ ὀλίγου παρὰ τὴν Καίσαρος ἐκκλησίαν τὸν Ἀντώνιον ἐβλασφήμουν.

ὁ μὲν δὴ λαμπρῶς οὕτως ἐς τὸ Ἀρίμινον προεπέμπετο, ὅθεν ἐστὶν ἡ τῆς Κελτικῆς ἀρχή. καὶ ὁ στρατὸς ἦν αὐτῷ, χωρὶς γε τῶν νεολέκτων, τρία τέλη τὰ ἐκ Μακεδονίας μετάπεμπτα ἥδη γὰρ αὐτῷ καὶ τὸ λοιπὸν ἀφικτό, ἐξεστρατευμένων δὲ ἑν, οἱ καὶ γηρῶντες ὅμως ἐδόκουν νεοσυλλόγων ἀμείνους ἐς τὸ διπλάσιον εἶναι. οὕτω μὲν Ἀντωνίῳ τέσσαρα ἐγίνετο τέλη γεγυμνασμένων ἀνδρῶν καὶ ὅσον ἐξ ἔθους αὐτοῖς ἐπίκουρον ἄλλο ἔπεται, καὶ ἡ τοῦ σώματος φρουρὰ καὶ τὰ νεόλεκτα. Λέπιδος τε ἔχων ἐν Ἰβηρίᾳ τέσσαρα τέλη καὶ Ἀσίνιος Πολλίων δύο καὶ Πλάγκος ἐν τῇ ἐτέρᾳ Κελτικῇ τρία ἐδόκουν αἰρήσεσθαι τὰ Ἀντωνίου.

[47] Καίσαρι δὲ ἦν δύο ὁμοίως ἀξιολογώτατα, τὰ ἐς αὐτὸν ἀπὸ τοῦ Ἀντωνίου μεταστάντα, ἑν δὲ νεοσυλλόγων, δύο δὲ ἐκ τῶν πρότερον ἐστρατευμένων, οὐκ ἐντελῇ μὲν ταῦτα τοῖς ἀριθμοῖς οὐδὲ ταῖς ὀπλίσεσιν, ὑπὸ δὲ τῶν νεοσυλλόγων καὶ ταῦτα ἀναπληρούμενα. συναγαγὼν δ' ἅπαντας ἐς Ἄλβην ἐπέστελλε τῇ βουλῇ. ἡ δὲ ἐφήδετο μὲν αὖθις Καίσαρι, ὡς ἀπορεῖν καὶ τότε, τίνες ἦσαν, οἱ προὔπεμπον Ἀντώνιον: ἤχθοντο δὲ τοῖς τέλεσιν οὐκ ἐς τὴν βουλὴν, ἀλλ' ἐς τὸν Καίσαρα μετελθοῦσιν. ἐπαινέσαντες δ' ὅμως αὐτοῦς

τε καὶ τὸν Καίσαρα, ἔφασαν ὀλίγον ὕστερον ὃ τι χρὴ ποιεῖν αὐτοὺς ψηφιεῖσθαι, ὅταν αὐτοῖς αἱ νέαι ἀρχαὶ ἐς τὰ πράγματα παρέλθωσιν. ἦν δὲ σαφές, ὅτι χρήσονται μὲν αὐτοῖς κατὰ Ἀντωνίου: στρατὸν δὲ οὐδένα πω ἔχοντες ἴδιον οὐδὲ καταλέξαι χωρὶς ὑπάτων δυνάμενοι ἐς τὰς νέας ἀρχὰς πάντα ἀνέτιθεντο.

[48] τῷ Καίσαρι δ' ὁ στρατὸς πελέκεάς τε καὶ ῥαβδοφόρους ἐσκευασμένους προσαγαγόντες, ἡξίουσαν αὐτὸν ἀντιστράτηγον ἀποφῆναι, πολέμου τε ἡγεμονεύοντα καὶ σφῶν αἰεὶ ὑπ' ἄρχουσι ταχθέντων. ὁ δὲ τὴν μὲν τιμὴν ἐπήνει, τὸ δὲ ἔργον ἐς τὴν βουλὴν ἀνέτιθετο: καὶ βουλομένους ἐπὶ τοῦτο χωρεῖν ἀθρόους ἐκώλυε καὶ πρεσβευομένους ἐπέιχε, ὥς καὶ τῆς βουλῆς ψηφισμένης ταῦτα καθ' αὐτήν, καὶ μᾶλλον, ἦν αἰσθωνταὶ τὴν ὑμετέραν προθυμίαν καὶ τὸν ἐμὸν ὄκνον.

διαλυθέντων δὲ μόλις οὕτω καὶ τῶν ἡγεμόνων ἐς ὑπεροψίαν αὐτὸν αἰτιωμένων, ἐξελογείτο αὐτοῖς τὴν βουλὴν οὐκ εὐνοία πρὸς αὐτὸν ἀποκλίνειν μᾶλλον ἢ Ἀντωνίου δέει καὶ στρατιᾶς ἀπορία, 'μέχρι καθέλωμεν ἡμεῖς Ἀντώνιον καὶ οἱ σφαγεῖς φίλοι τε τῇ βουλῇ καὶ συγγενεῖς ὄντες δύναμιν αὐτοῖς συναγάγωσιν: ὧν αἰσθανόμενος ὑπηρετεῖν ὑποκρίνομαι. μὴ δὴ πρότεροι τὴν ὑπόκρισιν ἀποκαλύπτωμεν, ὥς προλαβοῦσι μὲν ἡμῖν τὴν ἀρχὴν ἐπικαλέσουσιν ὕβριν ἢ βίαν, αἰδεσθεῖσι δ' ἴσως ἐπιδώσουσιν αὐτοὶ δέει, μὴ παρ' ὑμῶν λάβοιμι.' τοιάδε εἰπὼν ἔθεᾶτο γυμνάσια τῶν δύο τελῶν τῶν αὐτομολησάντων ἀπ' Ἀντωνίου, διαστάντων τε ἐς ἀλλήλους καὶ δρώντων ἀφειδῶς ἔργα πολέμου πάντα πλὴν ἐς μόνον θάνατον. ἤσθεις οὖν τῇ θεᾷ καὶ τῆς προφάσεως ἐπιβαίνων ἄσμενος, ἐτέρας αὐτῶν ἐκάστω πεντακοσίᾳ δραχμὰς ἐπέδιδου καί, εἴ τις πολέμου χρεῖα γένοιτο, νικήσασιν ἐπηγγέλλετο πεντακισχιλίας. ὧδε μὲν ὁ Καῖσαρ δαψιλείᾳ δωρεῶν τοὺς μισθοφόρους ἐκρατύνετο.

[49] καὶ τότε μὲν ἦν ἀνὰ τὴν Ἰταλίαν, ἐν δὲ τῇ Κελτικῇ τὸν Δέκμον ὁ Ἀντώνιος ἐκέλευσεν ἐς Μακεδονίαν μετιέναι, πειθόμενόν τε τῷ δήμῳ καὶ φειδόμενον αὐτοῦ. ὁ δὲ ἀντέπεμπεν αὐτῷ τὰ παρὰ τῆς βουλῆς οἱ κεκομισμένα γράμματα, ὥς οὐχὶ διὰ τὸν δῆμον εἴκειν οἱ πρέπον ἢ διὰ τὴν βουλὴν Ἀντωνίῳ μᾶλλον. Ἀντωνίου δ' αὐτῷ προθεσμίαν ὀρίζοντος, μεθ' ἣν ὡς πολεμίῳ χρήσεται, μακροτέραν ὁ Δέκμος ἐκέλευεν ὀρίζειν αὐτῷ, μὴ θάσσον γένοιτο τῇ βουλῇ πολέμιος. καὶ ὁ Ἀντώνιος εὐμαρῶς ἂν αὐτοῦ κρατήσας ἔτι ὄντος ἐν πεδίῳ ἐπὶ τὰς πόλεις ἔκρινε προελθεῖν. αἱ δὲ αὐτὸν ἐδέχοντο. καὶ δεῖσας ὁ Δέκμος, μὴ οὐδ' ἐσελθεῖν ἔς τινα αὐτῶν ἔτι δύνηται, πλάσσεται γράμματα τῆς βουλῆς καλοῦσης αὐτὸν ἐς Ῥώμην σὺν τῷ στρατῷ: καὶ ἀναζεύξας ἐχώρει τὴν ἐπὶ τῆς Ἰταλίας, ὑποδεχομένων αὐτὸν ὥς ἀπίοντα πάντων, μέχρι Μουτίνην παροδεύων, πόλιν εὐδαίμονα, τὰς τε πύλας ἀπέκλειε καὶ τὰ τῶν Μουτιναίων ἐς τὰς τροφὰς συνέφερεν, ὑποζύγια τε ὅσα ἦν κατέθηκε καὶ ἐταρίχευε δέει, μὴ χρόνιος ἢ πολιορκία γένοιτο, καὶ τὸν Ἀντώνιον ὑπέμενε. στρατιὰ δ' ἦν αὐτῷ μονομάχων τε πλῆθος καὶ ὀπλιτῶν τρία τέλη, ὧν ἐν μὲν ἦν ἀρτιστρατευτῶν ἀνδρῶν ἔτι ἀπείρων, δύο δέ, αἱ καὶ πρότερον ὑπεστρατευμένα αὐτῷ πιστότατα ἦν. ὁ δ' Ἀντώνιος ἐπελθὼν αὐτῷ σὺν ὀργῇ τὴν Μουτίνην ἀπετάφρευε τε καὶ ἀπετείχιζε.

[50] καὶ Δέκμος μὲν ἐπολιορκεῖτο, ἐν δὲ τῇ Ῥώμῃ κατὰ τὴν ἐτήσιον νομηνίαν ὑπατοὶ γενόμενοι Ἴρτιός τε καὶ Πάνσας τὴν βουλὴν εὐθὺς ἐπὶ ταῖς θυσίαις ἐν αὐτῷ τῷ ἱερῷ συνῆγον ἐπὶ Ἀντωνίῳ. Κικέρων μὲν δὴ καὶ οἱ Κικέρωνος φίλοι πολέμιον αὐτὸν ἤξιουν ἤδη ψηφίσασθαι, τὴν Κελτικὴν ἀκούσης τῆς βουλῆς ἐς ἐπιτείχισμα τῆς πατρίδος βιαζόμενον ὄπλοις καὶ τὸν ἐπὶ Θρακῆς αὐτῷ δεδομένον στρατὸν ἐς τὴν Ἰταλίαν διαγαγόντα: ἐπελέγοντο δὲ καὶ τὴν ἄλλην αὐτοῦ μετὰ Καίσαρα προαίρεσιν, ἐν τε τῇ πόλει φανερώς δορυφορηθέντος ὑπὸ τοσῶνδε λοχαγῶν καὶ περὶ τὴν οἰκίαν ὥσπερ ἄκραν ὄπλοις καὶ συνθήμασι κεκρημένου καὶ τὰλλα σοβαρωτέρου σφίσι φανέντος ἢ κατὰ τὴν ἐτήσιον ἀρχήν. Λεύκιος δὲ Πείσων, ὁ τῷ Ἀντωνίῳ τὴν ἀποδημίαν ἐπιτροπεύων, ἀνὴρ ἐν τοῖς μάλιστα Ῥωμαίων ἐπιφανής, ὅσοι τε ἄλλοι τῷ Πείσωνι δι' αὐτὸν ἢ δι' Ἀντώνιον ἢ κατ' οἰκείαν γνώμην προσετίθεντο, καλεῖν αὐτὸν ἐς κρίσιν ἤξιουν, ὥς οὐ πάτριον σφίσιν ἀκρίτου καταδικάζειν οὐδ' εὐπρεπὲς τοῦ χθὲς ὑπάτου τῆς ἐπιούσης ἡμέρας, οὗ γε μάλιστα συνεχεῖς ἐπαίνους ἄλλοι τε καὶ Κικέρων αὐτὸς εἶπε πολλάκις. ἡ δὲ βουλὴ τότε μὲν ἀγχώμαλοι ταῖς γνώμαις ἐς νύκτα περιῆλθον, ἅμα δ' ἔω περὶ τῶν αὐτῶν ἐς τὸ βουλευτήριον συνελέγοντο: ἔνθα τῶν Κικερωνείων ἐπιβαρύντων ἐπήφιστο ἂν ὁ Ἀντώνιος πολέμιος, εἰ μὴ τῶν δημάρχων Σάλουιος ἐς τὴν ἐπιούσαν ἐκέλευσεν ἀναθέσθαι. ἔστι δὲ ἐν τοῖς ἄρχουσιν ὁ κωλύων ἀεὶ δυνατότερος.

[51] οἱ μὲν δὴ Κικερώνειοι καὶ τούτῳ μάλα φορτικῶς ὠνειδίζον τε καὶ ἐνύβριζον καὶ τὸν δῆμον ἐκδραμόντες ἠρέθιζον ἐπ' αὐτὸν καὶ τὸν Σάλουιον ἐς αὐτὸν ἐκάλουν. ὁ δὲ ἀκαταπλήκτως ἐξέτρεχεν, ἕως ἡ βουλὴ κατέσχε δείσασα, μὴ μεταπείσειε τὸν δῆμον ἐς μνήμην ἀγαγὼν Ἀντωνίου. οὐ γὰρ ἠγνόουν καταγινώσκοντες ἀνδρὸς ἐπιφανοῦς πρὸ δίκης οὐδ' ὅτι τὴν Κελτικὴν ὁ δῆμος αὐτῷ δεδῶκε: ἀλλ' ὑπὲρ τῶν σφαγέων δεδιότες ὠργίζοντο πρῶτῳ μετὰ τὴν ἀμνησίαν ἀνακινήσαντι τὰ κατ' αὐτούς. διὸ καὶ τῷ Καίσαρι ἐς αὐτὸν προκατεχρῶντο: καὶ ὁ Καῖσαρ οὐκ ἀγνοῶν ἠρεῖτο καὶ αὐτὸς ὁμῶς προκαθελεῖν τὸν Ἀντώνιον. τοιαῦδε μὲν ἡ βουλὴ γνώμῃ τὸν Ἀντώνιον εἶχεν ἐν ὀργῇ, ἀναθέμενοι δὲ τὴν ψῆφον, ὥς ὁ δήμαρχος ἐκέλευεν, ἐψηφίσαντο ὁμῶς Δέκμον τε ἐπαινέσαι οὐκ ἐκστάντα Ἀντωνίῳ τῆς Κελτικῆς, καὶ τοῖς ὑπάτοις Ἴρτίῳ καὶ Πάνσῃ Καίσαρα συστρατηγεῖν οὗ νῦν ἔχει στρατοῦ, ἐπίχρυσόν τε αὐτοῦ εἰκόνα τεθῆναι καὶ γνώμην αὐτὸν ἐσφέρειν ἐν τοῖς ὑπατικοῖς ἤδη καὶ τὴν ὑπατείαν αὐτὴν μετιέναι τοῦ νόμου θάσσον ἔτεσι δέκα, ἕκ τε τοῦ δημοσίου δοθῆναι τοῖς τέλεσι τοῖς ἐς αὐτὸν ἀπὸ Ἀντωνίου μεταστᾶσιν, ὅσον αὐτοῖς ὁ Καῖσαρ ἐπὶ τῇ νίκῃ δώσειν ὑπέσχετο.

οἱ μὲν δὴ ταῦτα ψηφισάμενοι διελύθησαν, ὥς τὸν Ἀντώνιον ἔργῳ διὰ τῶνδε εἰδέναι πολέμιον ἐψηφισμένον καὶ τὸν δήμαρχον ἐς τὴν ἐπιούσαν οὐδὲν ἔτι ἀντεροῦντα: Ἀντωνίου δὲ ἡ μήτηρ καὶ ἡ γυνὴ καὶ παῖς ἔτι μειράκιον οἷ τε ἄλλοι οἰκεῖοι καὶ φίλοι δι' ὅλης τῆς νυκτὸς ἐς τὰς τῶν δυνατῶν οἰκίας διέθεον ἱκετεύοντες καὶ μεθ' ἡμέραν ἐς τὸ βουλευτήριον ἰόντας ἠνώχλουν, ριπτούμενοί τε πρὸ ποδῶν σὺν οἰμογῇ καὶ ὀλολυγαῖς καὶ μελαίνῃ στολῇ παρὰ θύραις ἐκβοῶντες. οἱ δὲ ὑπὸ τε τῆς φωνῆς καὶ τῆς ὄψεως καὶ μεταβολῆς ἐς τοσοῦτον αἰφνιδίου γενομένης ἐκάμπτοντο. δείσας δ' ὁ Κικέρων ἐβουληγόρησεν ὧδε.

ἃ μὲν ἔδει γινῶναι περὶ Ἀντωνίου, ἐχθρὲς ἔγνωμεν: οἷς γὰρ αὐτοῦ τοὺς ἐχθροὺς ἐτιμῶμεν, τούτοις ἐψηφιζόμεθα εἶναι πολέμιον. Σάλουιον δὲ τὸν μόνον ἐμποδὼν γινόμενον ἢ πάντων εἶναι χρηρὴ συνετώτερον ἢ φιλία τάδε πράσσειν ἢ τῶν ἐνεστώτων ἀμαθία. ὣν τὸ μὲν αἰσχιστόν ἐστιν ἡμῖν, εἰ δόξομεν ἀσυνετώτεροι πάντες ἐνὸς εἶναι, τὸ δὲ αὐτῷ Σαλουίῳ, εἰ φιλίαν τῶν κοινῶν προτιμῶ: ἀμαθῶς δ' αὐτὸν ἔχοντα τῶν παρόντων ἔδει πιστεῦειν ὑπάτοις ἀνθ' ἑαυτοῦ καὶ στρατηγοῖς καὶ δημάρχοις τοῖς συνάρχουσιν αὐτῷ καὶ τοῖς ἄλλοις βουλευταῖς, οἱ τοσοῖδε τὴν ἀξιώσιν τε καὶ τὸν ἀριθμὸν ὄντες διὰ τε ἡλικίαν καὶ ἐμπειρίαν ὑπὲρ τὸν Σάλουιον, καταγινώκομεν Ἀντωνίου. ἔστι δ' ἐν τε χειροτονίαις καὶ δίκαις αἰεὶ τὸ πλεόν δικαιοτέρον. εἰ δὲ καὶ νῦν ἔτι χρήζει τὰς αἰτίας μαθεῖν, λελέξεται διὰ βραχείος, ὥς ἐν ἀναμνήσει, τὰ μέγιστα αὐτῶν.

τὰ χρήματα ἡμῶν Καῖσαρος ἀποθανόντος ἐσφετερίσατο Ἀντώνιος. Μακεδονίας ἄρχειν παρ' ἡμῶν ἐπιτυχὼν ἐπὶ τὴν Κελτικὴν ὥρμησε χωρὶς ἡμῶν. τὸν στρατὸν ἐπὶ Θρακίας λαβὼν ἀντὶ Θρακῶν ἐπήγαγεν ἡμῖν ἐς τὴν Ἰταλίαν. ἐκάτερα τούτων αἰτήσας ἡμᾶς ἐπ' ἐνέδρα καὶ οὐ λαβὼν ἐπράξε δι' ἑαυτοῦ. σπεῖραν ἐν Βρεντεσίῳ βασιλικὴν συνέταξεν ἀμφ' αὐτὸν εἶναι, καὶ φανερῶς αὐτὸν ἐν τῇ πόλει σιδηροφοροῦντες ἄνδρες ἐδορυφόρουν τε καὶ ἐνυκτοφυλάκουν ὑπὸ συνθήματι. ἦγεν ἐκ τοῦ Βρεντεσίου καὶ τὸν ἄλλον στρατὸν ἐς τὴν πόλιν ἅπαντα, συντομώτερον ἐφιέμενος ὥν ἐπενόει Καῖσαρ: Καῖσαρος δὲ αὐτὸν τοῦ νέου σὺν ἑτέρῳ στρατῷ φθάσαντος ἔδεισε καὶ ἐς τὴν Κελτικὴν ἐτράπετο ὥς εὐκαιρον ἐφ' ἡμῖν ὀρμητήριον, ὅτι καὶ ὁ Καῖσαρ ἐκεῖθεν ὀρμώμενος ἐδυνάστευσεν ἡμῶν.

[53] τὴν στρατιὰν ἐπὶ τοῖσδε καταπλησσομένους, ἵνα πρὸς μηθὲν αὐτῷ παρανομοῦντι κατοκνή, διεκλήρωσεν ἐς θάνατον, οὐ στασιάσαντας ἢ φυλακὴν ἢ τάξιν ἐν πολέμῳ λιπόντας, ἐφ' ὧν μόνων ὁ στρατιωτικὸς νόμος τὴν οὕτως ὠμὴν ὥρισε τιμωρίαν, καὶ ὅμως αὐτῇ καὶ ἐπὶ τοῖσδε ὀλίγοι μόλις ἐν τοῖς πάνυ κινδύνοις ἐχρήσαντο ὑπ' ἀνάγκης: ὁ δὲ φωνῆς ἢ γέλωτος ἦγεν ἐς θάνατον τοὺς πολίτας καὶ θάνατον οὐ τῶν ἐλεγχθέντων, ἀλλὰ τῶν διαλαχόντων. τοιγαροῦν οἱ μὲν δυνηθέντες ἀπέστησαν αὐτοῦ, καὶ ὑμεῖς αὐτοῖς ὥς εὖ πράξασι δωρεὰς χθρὲς ἐψηφίσασθε: οἱ δὲ οὐ δυνηθέντες ἀποδρᾶναι δεδιότες συναδικοῦσι καὶ χωροῦσιν ἐπὶ χώραν ὑμετέραν πολέμιοι καὶ πολιορκοῦσι στρατὸν ὑμέτερον καὶ στρατηγὸν ὑμέτερον, ὃ γράφετε μὲν ὑμεῖς ἐμμένειν τῇ Κελτικῇ, Ἀντώνιος δ' ἐξίναί κελεύει. πότερον οὖν ἡμεῖς Ἀντώνιον ψηφιζόμεθα εἶναι πολέμιον, ἢ Ἀντώνιος ἡμᾶς ἤδη πολεμεῖ, καὶ ὁ δήμαρχος ἡμῶν ἔτι ἀγνοεῖ, μέχρι ἄρα Δέκμου πεσόντος ἢ τε χώρα τοσήδε οὔσα καὶ ὁμορος ἡμῖν καὶ ἐπὶ τῇ χώρᾳ ὁ Δέκμου στρατὸς ἐς τὰς καθ' ἡμῶν ἐλπίδας Ἀντωνίῳ προσγένηται. τότε γὰρ αὐτόν, ὥς ἔοικεν, ὁ δήμαρχος ψηφεῖται πολέμιον, ὅταν ἡμῶν γένηται δυνατώτερος.

[54] ταῦτ' ἔτι τοῦ Κικέρωνος λέγοντος οἱ φίλοι θορυβοῦντες ἀπαύστως οὐδενὶ ἀντειπεῖν ἐπέτρεπον, μέχρι Πείσωνος αὐτοῦ παρελθόντος ἢ τε ἄλλη βουλὴ κατ' αἰδῶ τοῦ ἀνδρὸς ἡσύχασε καὶ οἱ τοῦ Κικέρωνος ἠνέσχοντο. καὶ ἔλεγεν ὁ Πείσων:

ὁ μὲν νόμος, ὃ βουλὴ, δικαιοῖ τὸν εὐθυνόμενον αὐτὸν ἀκοῦσαί τε τῆς

κατηγορίας καὶ ἀπολογησάμενον ὑπὲρ αὐτοῦ κρίνεσθαι: καὶ τὸν δεινότατον εἶπειν Κικέρωνα ἐς ταῦτα προκαλοῦμαι. ἐπεὶ δὲ ὁκνεῖ μὲν παρόντος Ἀντωνίου κατηγορεῖν, ἀπόντος δ' ἐγκλήματά τινα εἶπεν ὡς μέγιστα ἐκ πάντων καὶ ἀναμφίλογα ὄντα, παρῆλθον ἐγὼ δεῖξω αὐτὰ ψευδῆ βραχυτάταις ἀποκρισεσι. τὰ χρήματά φησιν Ἀντώνιον τὰ κοινὰ μετὰ τὴν Καίσαρος τελευτήν σφετερίσασθαι, τοῦ μὲν νόμου τὸν κλέπτην οὐ πολέμιον ἀποφαίνοντος, ἀλλὰ ὠρισμένη δίκη ζημιούντος, Βρούτου δὲ τοῦ Καίσαρα κτείναντος ἐν τῷ δήμῳ καὶ τότε κατηγορήσαντος, ὅτι ὁ Καῖσαρ τὰ χρήματα διεφόρησε καὶ κενὰ καταλέλοιπε τὰ ταμιεῖα, Ἀντωνίου δὲ μετ' οὐ πολὺ ζητεῖν αὐτὰ ψηφισαμένου καὶ ὑμῶν ἀποδεξαμένων τε τὴν γνώμην καὶ κεκυρωκότων καὶ γέρας τοῖς μηνύουσι δεκάτην ὑπεσχημένων, ἣν διπλασιάσομεν ἡμεῖς, εἴ τις Ἀντώνιον περὶ αὐτῶν ἔχοι τι διελέγχειν.

[55] καὶ τάδε μὲν περὶ τῶν χρημάτων: τὴν δὲ Κελτικὴν ἡγεμονίαν οὐκ ἐψηφίσάμεθα μὲν ἡμεῖς Ἀντώνιῳ, ἔδωκε δὲ ὁ δῆμος νόμῳ, παρόντος αὐτοῦ Κικέρωνος, ᾧ τρόπῳ καὶ ἕτερα πολλάκις ἔδωκε καὶ τήνδε τὴν ἡγεμονίαν αὐτὴν Καίσαρι πάλαι. μέρος δ' ἐστὶ τοῦ νόμου τὸν Ἀντώνιον, τὴν δεδομένην οἱ μετιόντα, Δέκμῳ μὴ παραχωροῦντι πολεμεῖν καὶ τὸν στρατὸν ἀντὶ Θρακῶν οὐδὲν ἔτι κινουμένων ἐς τὴν Κελτικὴν ἐπὶ τὸν ἀντιλέγοντα. ἀλλὰ Κικέρων Δέκμον μὲν οὐχ ἡγεῖται πολέμιον, ἐναντία τῷ νόμῳ τιθέμενον ὄπλα, Ἀντώνιον δὲ πολέμιον, τῷ νόμῳ συμμαχοῦντα. εἰ δὲ αὐτὸν αἰτιᾶται τὸν νόμον, τοὺς θεμένους αἰτιᾶται: οὓς ἔδει μεταπεῖθαι, οὐχὶ συνθέμενον ὑβρίζειν, οὐδὲ τὴν χώραν Δέκμῳ μὲν πιστεύειν, ὃν ὁ δῆμος ἐδίωξεν ἐπὶ τῷ φόνῳ, Ἀντωνίῳ δὲ ἀπιστεῖν, ὃ τι ὁ δῆμος ἔδωκεν. οὐ γὰρ εὖ βουλευομένων ἐστὶ διαστασιάζεσθαι πρὸς τὸν δῆμον ἐν καιροῖς μάλιστα ἐπικινδύνους οὐδὲ ἀμνημονεῖν, ὅτι καὶ τότε αὐτὸ τοῦ δήμου πρότερον ἦν, τὸ κρίνειν τὰ φίλια καὶ πολέμια. μόνος γὰρ ἐκ τῶν πάλαι νόμων ὁ δῆμος αὐτοκράτωρ εἰρήνης πέρι καὶ πολέμου σκοπεῖν. ὧν μηδὲν ὁ δῆμος ἐπιστήσειε μηδὲ ἐπιμνησίσειεν ἡμῖν, προστάτου λαβόμενος.

[56] ἀλλ' ἔκτεινέ τινας τῶν στρατιωτῶν ὁ Ἀντώνιος. αὐτοκράτωρ γε ὢν καὶ ἐς τοῦτο ὑφ' ὑμῶν χειροτονημένος. καὶ οὐδεὶς πῶ τῶνδε λόγον ὑπέσχεεν αὐτοκράτωρ. οὐ γὰρ ἔκριναν οἱ νόμοι λυσιτελήσειν ἡμῖν τὸν ἄρχοντα τοῖς στρατευομένοις ὑπεύθυνον εἶναι: οὐδ' ἔστιν ἀπειθείας τι χεῖρον ἐν στρατοπέδῳ, δι' ἣν καὶ νικῶντές τινες ἀνῆρέθησαν, καὶ οὐδεὶς εὐθύνει τοὺς ἀνελόντας. οὐδὲ τῶν νῦν συγγενῆς οὐδεὶς, ἀλλὰ Κικέρων ἐπιμέμφεται καὶ φόνου κατηγορῶν πολέμιον κοινὸν ἀντὶ τῶν ὠρισμένων ἐπιτιμίων τοῖς φονεῦσι τίθεται. Ἀντωνίῳ δὲ τὸ στρατόπεδον ὅπως τε ἄτακτον ἦν καὶ ὅπως κατεφρόνει, δηλοῖ καὶ τὰ μεταστάντα αὐτοῦ δύο τέλη, ἃ ὑμεῖς μὲν ἐψηφίσασθε Ἀντωνίῳ στρατεύειν, αὐτομολήσαντα δὲ παρὰ τοὺς στρατιωτικοὺς νόμους, οὐ πρὸς ὑμᾶς, ἀλλ' ἐς Καίσαρα, ὁ Κικέρων ὁμῶς ἐπῆνεσε καὶ ἐκ τῶν κοινῶν ἐχθρὲς ἐμισθοδότησε: καὶ μή ποτε ὑμᾶς λυπήσειε τὸ παράδειγμα. Κικέρωνα δὲ καὶ ἐς ἀνωμαλίαν ἐξέστησεν ἡ ἔχθρα: κατηγορεῖ γὰρ Ἀντωνίου τυραννίδα καὶ κόλασιν στρατιωτῶν, αἰεὶ τῶν ἐπιβουλευόντων τὰ στρατεύματα θεραπευόντων, οὐ κολαζόντων. ἐπεὶ δὲ οὐκ ὤκνησεν οὐδὲ τὴν ἄλλην Ἀντωνίου μετὰ Καίσαρα ἀρχὴν ὡς τυραννικὴν διαβαλεῖν, φέρε

πύθωμαι καθ' ἕκαστον ὧδε.

[57] τίνα ἔκτεινεν ὡς τύραννος ἄκριτον ὁ νῦν κινδυνεύων ἀκρίτως; τίνα δ' ἐξέβαλε τῆς πόλεως; τίνα δὲ ὑμῖν διέβαλεν; ἢ καθ' ἓνα μὲν τοιόσδε ἦν, ἐπεβούλευε δὲ πᾶσιν ὁμοῦ; πότε, ὦ Κικέρων; ὅτε τὴν ἀμνηστίαν ἐκύρου τῶν γεγονότων; ἢ ὅτε μηδὲνα διώκεσθαι φόνου; ἢ ὅτε ζητήσιν εἶναι τῶν κοινῶν χρημάτων; ἢ ὅτε Πομπήιον τὸν Πομπηίου τοῦ ὑμετέρου κατεκάλει καὶ τὴν πατρῶαν ἐκ τῶν δημοσίων αὐτῷ διέλυε περιουσίαν; ἢ ὅτε τὸν Ψευδομάριον λαβὼν ἐπιβουλεύοντα ἀπέκτεινε καὶ ἐπὶ ἡμέρας πάντες καὶ τοῦτο μόνον δι' ὑμᾶς οὐ διέβαλε Κικέρων; ἢ ὅτε ἐψηφίζετο μὴ εἰσηγεῖσθαι περὶ δικτάτορος μηδὲνα μήτε ἐπιψηφίζειν, ἢ νηποινεῖ πρὸς τοῦ θέλοντος ἀποθνήσκειν; ταῦτα γάρ ἐστιν, ἃ ἐπολιτεύσατο ἡμῖν Ἀντώνιος ἐν δύο μηνσίν, οἷς μόνοις ἐπέμεινε τῇ πόλει μετὰ Καίσαρα, ἄρτι μὲν τοῦ δήμου τοὺς φονέας διώκοντος, ἄρτι δὲ ὑμῶν δεδιότων ἐπὶ τοῖς ἐσομένοις; οὐ τίνα καιρόν, εἰ πονηρὸς ἦν, ἀμείνονα εἶχεν;

ἀλλ' ἐς τὰ ἐναντία: οὐκ ἦρχε. πῶς; οὐ μόνος ἦρχεν ἀποδημήσαντος ἐπὶ Συρίας Δολοβέλλα; οὐ στρατὸν εἶχεν ἑτοιμον ἐν τῇ πόλει τὸν ὑφ' ἡμῶν αὐτῷ δεδομένον; οὐκ ἐνυκτοφυλάκει τὴν πόλιν; οὐκ ἐνυκτοφυλακεῖτο διὰ τὴν τῶν ἐχθρῶν ἐπιβουλήν; οὐ πρόφασιν εἶχε τὴν σφαγὴν Καίσαρος, φίλου τέ οἱ καὶ εὐεργέτου ὄντος καὶ τῷ δήμῳ μάλιστα ὑπεραρέσκοντος; οὐχ ἑτέραν εἶχεν οἰκείαν, ἐπιβεβουλευμένος ἐς τὸ σῶμα ὑπὸ τῶν ἀνδρῶν; ὧν ἔκτεινε μὲν ἢ ἐφυγάδευσεν οὐδένα, συνέγνω δέ, ὅσον εἶχε μέτρου καλῶς, καὶ διδομένας αὐτοῖς ἡγεμονίας οὐκ ἐφθόνησε δοθῆναι.

τὰ μὲν δὴ μέγιστα, ὦ Ῥωμαῖοι, καὶ ἀναμφίλογα Κικέρωνος ἐς τὸν Ἀντώνιον ἐγκλήματα ὁρᾷτε: [58] ἐπεὶ δέ γε ἐπὶ τοῖς ἐγκλήμασι καὶ μαντεύματα ἐπάγουσιν, ὡς ὁ Ἀντώνιος ἔμελλε μὲν τὸν στρατὸν ἄξειν ἐπὶ τὴν πόλιν, δείσειε δὲ προλαβόντος αὐτὴν ἐτέρῳ στρατῷ Καίσαρος, πῶς οὖν, εἰ τὸ μελλῆσαι μόνον ἐστὶν ἀνδρὸς πολεμίου, τὸν ἐλθόντα καὶ παραστρατοπεδεύσαντα ἡμῖν ἀσήμαντον οὐχ ἡγεῖται πολέμιον; πῶς δ', εἴπερ ἤθελεν ὁ Ἀντώνιος, οὐκ ἀφίκετο; ἢ τρισμυρίους ἔχων συντεταγμένους ἔδεισε τρισχιλίους τοὺς ἀμφὶ τὸν Καίσαρα ὄντας ἀνόπλους, ἀσυντάκτους, ἐς μόνας Καίσαρι διαλλαγὰς συνελθόντας καὶ εὐθύς, ὡς ἔγνωσαν πολεμεῖν αἰρούμενον, καταλιπόντας; εἰ δὲ μετὰ τρισμυρίων ἐλθεῖν ἔδεισε, πῶς ἦλθε μετὰ μόνων χιλίων; μεθ' ὧν αὐτὸν ἐς τὸ Τίβυρον ἐξίόντα πόσοι προεπέμπομεν καὶ πόσοι συνώμνυμεν οὐχ ὀρκούμενοι; πόσους δὲ Κικέρων ἐπαίνους ἐς τὴν πολιτείαν αὐτοῦ καὶ ἀρετὴν ἀνάλισκε; πῶς δ' αὐτὸς Ἀντώνιος, εἴ τι τοιοῦτον ἐγίνωσκε, τὰ ἐνέχυρα τὰ νῦν ὄντα πρὸ τοῦ βουλευτηρίου κατέλιπεν ἡμῖν; μητέρα καὶ γυναικα καὶ μεираκίον υἱόν; οἱ κλαίουσι καὶ δεδίασι νῦν οὐ τὴν Ἀντωνίου πολιτείαν, ἀλλὰ τὴν τῶν ἐχθρῶν δυναστείαν.

[59] ταῦτα μὲν δὴ πρὸς ὑμᾶς ἐξενήνοχα δεῖγμα τῆς Ἀντωνίου τε ἀπολογίας καὶ Κικέρωνος μεταβολῆς: παραίνεις δ' ἐπιθήσω τοῖς εὖ φρονοῦσι μήτε ἐς τὸν δῆμον μήτε ἐς Ἀντώνιον ἀμαρτάνειν μηδὲ ἐχθρας καὶ κινδύνους ἐπάγειν τοῖς κοινοῖς, νουθεσίας ἔτι τῆς πολιτείας καὶ ἀπορούσης τῶν ὀξέως ἀμυνούντων, δύνάμιν δ' ἐν τῇ πόλει συστησάμενους, πρὶν θορυβῆσαι τι τῶν ἔξω, τὴν ἀρκέσουσαν, τότε τοῖς ἐκάστοτε ἐπείγουσιν ἐφεδρεύειν καὶ κρίνειν,

οὓς ἂν ἐθέλητε, δυναμένους τὸ κεκριμένον τελεῖν. πῶς οὖν ἔσται ταῦτα; ἐὰν Ἀντώνιον μὲν ἐῷμεν ἐς πρόφασιν ἢ χάριν τοῦ δήμου τὴν Κελτικήν ἔχειν, Δέκμον δὲ μετὰ τριῶν ὧν ἔχει τελῶν ἐνθάδε καλῶμεν καὶ ἀφικόμενον ἐκπέμπωμεν ἐς Μακεδονίαν, τὰ τέλη κατασχόντες. εἰ δὲ καὶ τὰ ἀπ' Ἀντωνίου μεταστάντα δύο πρὸς ἡμᾶς μετέστη, καθάπερ φησὶ Κικέρων, καὶ τάδε καλῶμεν ἀπὸ τοῦ Καίσαρος ἐς τὴν πόλιν. οὕτω γὰρ πέντε τελῶν ἡμῖν ὑπαρχόντων ψηφίζοιμεθα ἄν, ὃ τι δοκιμάζοιμεν, ἐγκρατῶς, ἐς οὐδενὸς ἀνδρὸς ἐλπίδας αἰωρούμενοι.

[60] καὶ τάδε μὲν εἴρηται τοῖς ἄνευ φθόνου καὶ φιλονικίας ἀκροωμένοις: τοῖς δὲ ἀπερισκέπτως καὶ ἀπαρασκεύως δι' οἰκείαν ἔχθραν ἢ φιλονικίαν ἐκθορυβοῦσιν ὑμᾶς κριτὰς παραινῶ μὴ ταχεῖς εἶναι μηδὲ προπετεῖς ἐς ἄνδρας μεγίστους τε καὶ στρατιᾶς ἄρχοντας ἰκανῆς μηδὲ ἄκοντας ἐκπολεμοῦν, ἀναμιμνησκομένους Μαρκίου τε τοῦ Κοριοιανοῦ καὶ τὰ ἐναγχος δὴ ταῦτα Καίσαρος, ὃν στρατιᾶς ὁμοίως ἡγούμενον καὶ σπονδὰς ἀρίστας ἂν ἡμῖν γενομένας προτείνοντα προπετῶς πολέμιον ψηφισάμενοι τῷ ὄντι πολέμιον ἠναγκάσαμεν γενέσθαι, φεῖδεσθαι δὲ καὶ τοῦ δήμου πρὸ βραχέος τοῖς φονεῦσι τοῖς Καίσαρος ἐπιδραμόντος, μὴ ἐς ὕβριν αὐτοῦ δοκῶμεν τοῖς μὲν ἡγεμονίας ἐθνῶν διδόναι, Δέκμον δὲ ἐπαινεῖν, ὅτι τοῦ δήμου νόμον ἀκυροῖ, καὶ Ἀντώνιον πολέμιον κρίνειν, ὅτι τὴν Κελτικήν ἔλαβε παρὰ τοῦ δήμου. ὧν τοὺς μὲν εὖ βουλευομένους ἐνθυμεῖσθαι χρή ὑπὲρ τῶν ἔτι πλανωμένων, τοὺς δ' ὑπάτους καὶ δημάρχους πλείονας κινδυνεύουσι τοῖς κοινοῖς γενέσθαι.

[61] ὧδε μὲν ὁ Πείσων ἀπελογεῖτο καὶ ὠνείδιζεν ὁμοῦ καὶ ἐφόβει καὶ σαφῶς αἴτιος ἐγένετο μὴ ψηφισθῆναι πολέμιον Ἀντώνιον. οὐ μὴν ἐκράτησε τῆς Κελτικῆς αὐτὸν ἄρχειν: οἱ γὰρ τῶν σφαγέων φίλοι τε καὶ συγγενεῖς ὑπὸ δέους ἐκώλυσαν, μὴ τοῦ πολέμου λυθέντος ἐπεξέλθοι τὸν φόνον Καίσαρι συναλλαγεῖς: διὸ καὶ στασιάζειν αἰεὶ παρεσκεύαζον Καίσαρά τε καὶ Ἀντώνιον. ἐψηφίσαντο δ' Ἀντωνίῳ προαγορεῦσαι Μακεδονίαν ἀντὶ τῆς Κελτικῆς ἔχειν: τὰς δὲ ἄλλας ἐντολάς, εἴτε λαθόντες εἴτ' ἐξεπίτηδες, Κικέρωνα συγγράψαι τε καὶ δοῦναι τοῖς πρεσβεύουσι προσέταξαν. ὁ δὲ τὴν γνώμην παραφέρων συνέγραφεν ὧδε: Μουτίνης Ἀντώνιον εὐθύς ἀπανίστασθαι καὶ Δέκμῳ τὴν Κελτικήν μεθίεναι, ἐντὸς δὲ Ρουβίκωνος ποταμοῦ, τοῦ τὴν Ἰταλίαν ὀρίζοντος ἀπὸ τῆς Κελτικῆς, ἡμέρα ῥητῇ γενόμενον ἐπιτρέψαι τὰ καθ' αὐτὸν ἅπαντα τῇ βουλῇ. οὕτω μὲν φιλονίκως τε καὶ ψευδῶς τὰς ἐντολάς ὁ Κικέρων συνέγραφεν, οὐδεμιᾶς ἔχθρας τοσσηδε ὑποῦσης, ἀλλ', ὥς ἔοικε, τοῦ δαιμονίου τὰ κοινὰ ἐς μεταβολὴν ἐνοχλοῦντος καὶ αὐτῷ Κικέρωνι κακῶς ἐπινοοῦντος. ἄρτι δὲ καὶ τῶν Τρεβωνίου λειψάνων κομισθέντων καὶ τῆς ἐς αὐτὸν ὕβρεως γνωσθείσης ἀκριβέστερον, οὐ δυσχερῶς ἡ βουλὴ τὸν Δολοβέλλαν ἔκρινεν εἶναι πολέμιον.

[62] οἱ δ' ἐς τὸν Ἀντώνιον ἀπεσταλμένοι πρέσβεις, αἰδοῦμενοι τῶν ἐντολῶν τὸ ἀλλόκοτον, οὐδὲν μὲν ἔφασαν, αὐτὰς δ' ἐπέδωκαν αὐτῷ. καὶ ὁ Ἀντώνιος σὺν ὀργῇ πολλὰ ἔς τε τὴν βουλὴν καὶ τὸν Κικέρωνα ἀπερρίπτει, θαυμάζων, ὅτι Καίσαρα μὲν τὸν τὰ μέγιστα ὠφελήσαντα τὴν ἀρχὴν ἡγοῦνται τύραννον ἢ βασιλέα, Κικέρωνα δὲ οὐ νομίζουσιν, ὃν Καίσαρ μὲν εἴλε πολέμῳ καὶ οὐκ ἀπέκτεινε, Κικέρων δὲ τοὺς ἐκείνου φονέας προτίθησι τῶν φίλων αὐτοῦ καὶ

Δέκμον Καίσαρι μὲν ὄντα φίλον ἐμίσει, ἀνδροφόνον δὲ αὐτοῦ γενόμενον ἀγαπᾷ, καὶ τῷ μὲν παρ' οὐδενὸς μετὰ Καίσαρα λαβόντι τὴν Κελτικὴν προστίθεται, τῷ δὲ παρὰ τοῦ δήμου λαβόντι πολεμεῖ. 'τῶν τε ἐψηφισμένων μοι τελῶν τοῖς μὲν αὐτομολήσασι γέρα δίδωσι, τοῖς δὲ παραμείνανσιν οὐ, διαφθείρων οὐκ ἐμοὶ μᾶλλον ἀλλὰ τῇ πόλει τὰ στρατιωτικά. καὶ τοῖς μὲν ἀνδροφόνους ἀμνηστίαν ἔδωκεν, ἣ γὰρ συνεθέμην διὰ δύο ἄνδρας αἰδεσίμους: Ἀντώνιον δὲ καὶ Δολοβέλλαν ἡγεῖται πολεμίους, ὅτι τῶν δεδομένων ἐχόμεθα. ἦδε γάρ ἐστιν ἡ ἀληθὴς αἰτία: κὰν ἀποστῶ τῆς Κελτικῆς, οὔτε πολέμιος οὔτε μόναρχος εἰμι. ταῦτα μέντοι μαρτύρομαι λύσειν τὴν οὐκ ἀγαπωμένην ἀμνηστίαν.'

[63] τοιάδε πολλὰ εἰπὼν ὁ Ἀντώνιος ἀντέγραφε τῷ δόγματι τῇ μὲν βουλῇ πεισθῆναι ἂν ἐς ἅπαντα ὡς πατρίδι, Κικέρωνι δὲ τῷ συγγράψαντι τὰς ἐντολὰς ὧδε ἀποκρίνεσθαι: 'ὁ δῆμος ἔδωκέ μοι τὴν Κελτικὴν νόμῳ, καὶ Δέκμον ἀπειθοῦντα τῷ νόμῳ μετελεύσομαι καὶ τοῦ φόνου δίκας ἀπαιτήσω μόνον ὑπὲρ ἁπάντων, ἵνα καὶ ἡ βουλὴ καθαρεύσῃ ποτὲ τοῦ μύσους, ἐμπιπλαμένη νῦν διὰ Κικέρωνα Δέκμῳ βοηθοῦντα.' τάδε μὲν ὁ Ἀντώνιος εἶπε τε καὶ ἀντέγραψε, καὶ ἡ βουλὴ αὐτὸν αὐτίκα ἐψηφίζετο εἶναι πολέμιον καὶ τὸν ὑπ' αὐτῷ στρατόν, εἰ μὴ ἀποσταῖεν αὐτοῦ: Μακεδονίας δὲ καὶ τῆς Ἰλλυρίδος αὐτῆς καὶ τῶν ἐν ἀμφοτέραις ὑπολοίπων στρατῶν Μάρκον Βροῦτον ἄρχειν, μέχρι κατασταίῃ τὰ κοινά. ὁ δὲ ἰδίον τε εἶχεν ἤδη στρατὸν καὶ παρὰ Ἀπουληίου τινὰ προσειλήφει καὶ ναῦς εἶχε μακράς τε καὶ ὀλκάδας καὶ χρημάτων ἐς μύρια καὶ ἑξακισχίλια τάλαντα καὶ ὅπλα πολλά, ὅσα ἐν Δημητριάδι Γαίῳ Καίσαρι ἐκ πολλοῦ γιγνόμενα εὔρεν: οἷς ἅπασιν αὐτὸν ἡ βουλὴ τότε ἐψηφίζετο ἐς τὰ συμφέροντα τῆς πατρίδος χρῆσθαι. ἐψηφίσαντο δὲ καὶ Κάσσιον ἄρχειν τε Συρίας καὶ πολεμεῖν Δολοβέλλα: τοὺς τε ἄλλους, ὅσοι τινὸς ἔθλους ἢ στρατοῦ Ῥωμαίων ἄρχουσιν ἀπὸ τῆς Ἰονίου θαλάσσης ἐπὶ τὴν ἔω, πάντας ὑπακούειν ἐς ὃ τι προστάσσοι Κάσσιος ἢ Βροῦτος.

[64] ὧδε μὲν ὀξέως σὺν ἀφορμῇ τοὺς ἀμφὶ τὸν Κάσσιον ἐξελάμπρυνον, καὶ ὁ Καῖσαρ ἕκαστα μαθὼν ἠπόρητο, τὴν μὲν ἀμνηστίαν ἡγούμενος εὐπρέπειαν ἐσχηκέναι φιλανθρωπίας καὶ ἔλεον συγγενῶν ἀνδρῶν καὶ ὁμοτίμων, καὶ τὰς βραχυτέρας ἡγεμονίας ἀσφάλειαν: Δέκμῳ τε τὴν Κελτικὴν βεβαιοῦντας Ἀντωνίῳ δόξαι περὶ τυραννίδος διαφέρεσθαι, ᾧ προσποιήματι καὶ αὐτὸν ὑπάγεσθαι κατ' Ἀντωνίου: τὸ δὲ καὶ Δολοβέλλαν πολέμιον ψηφίσασθαι δι' ἓνα τῶν ἀνδροφόνων ἀναιρεθέντα καὶ Βρούτῳ καὶ Κασσίῳ τὰς ἡγεμονίας ἐς τὰ μέγιστα ἔθνη διαλλάξαι στρατόπεδά τε δοῦναι πολλὰ ἀθρόως καὶ χρήματα καὶ ἡγεμόνας ἡγεμονῶν ἀποφῆναι πάντων, ὅσοι πέραν εἰσὶ τῆς Ἰονίου θαλάσσης, σαφῶς εἶναι τὴν μὲν Πομπηίου μοῖραν αὐξόντων, τὴν δὲ Καίσαρος καθαιρούντων. ἐνεθυμεῖτο δὲ καὶ τῆς ἐς αὐτὸν ὡς μεράκιον τέχνης, εἰκόνα μὲν αὐτῷ καὶ προεδρίαν παρασχόντων καὶ ἀντιστράτηγον ἀποφηνάντων, ἔργῳ δὲ ἰδίον αὐτοῦ τὸν στρατὸν ὄντα ἀφαιρουμένων: ὑπάτων γὰρ συστρατηγούντων οὐδὲν εἶναι τὸν ἀντιστράτηγον: τά τε γέρα τοῖς ἀπὸ Ἀντωνίου μόνοις μεταστᾶσιν ἐψηφισμένα τοὺς αὐτῷ στρατευομένους ἀτιμοῦν: καὶ τὸν πόλεμον ὅλως αὐτῷ μὲν αἰσχύνην ἔχειν, ἔργῳ δὲ τὴν βουλήν ἀποχρησθῆαι οἱ κατὰ Ἀντωνίου, μέχρι καθέλωσιν αὐτόν.

[65] ταῦτα λογιζόμενος ἐπέκρυπτε καὶ θύων ἐπὶ τῇ δεδομένῃ ἀρχῇ πρὸς τὸν στρατὸν ἔφη:

καὶ τάδε μοι παρ' ὑμῶν, ὧ συστρατιῶται, γέγονεν, οὐ νῦν, ἀλλ' ἐξ οὗ τὴν ἀρχὴν ἐδίδοτε: καὶ γὰρ ἡ βουλὴ δι' ὑμᾶς ἔδωκεν. ὥστε ἐμὲ καὶ τούτων ἴστε τὴν χάριν ὑμῖν ὀφλήσοντα καί, ἣν οἱ θεοὶ παρέχουσιν εὐπραγεῖν, ἀποδώσοντα ἀθρόως.

ὁ μὲν οὕτωςι τὸν στρατὸν οἰκειούμενος ὑπήγετο, τῶν δὲ ὑπάτων Πάνσας μὲν ἀνὰ τὴν Ἰταλίαν ἐξενάγει, Ἴρτιος δὲ τῷ Καίσαρι τὸν στρατὸν ἐμερίζετο καί, ὡς αὐτῷ παρὰ τῆς βουλῆς ἐν ἀπορρήτῳ λέλεκτο, ἐς τὸ μέρος ἦτει τὰ δύο τέλη τὰ παρὰ Ἀντωνίου μεταστάντα, εἰδὼς τάδε ὄντα τοῦ στρατοῦ τὸ ἀξιολογώτατον. καὶ ὁ μὲν Καῖσαρ ἅπαντα συνεχῶρει, μερισάμενοι δὲ ἐχείμαζον μετ' ἀλλήλων: παροδεύοντος δὲ τοῦ χειμῶνος ἤδη Δέκμος μὲν ἔκαμνεν ὑπὸ λιμοῦ, Ἴρτιος δὲ καὶ Καῖσαρ ἐς τὴν Μουτίνην ἐχώρουν, μὴ κάμνοντα τὸν Δέκμου στρατὸν ὁ Ἀντώνιος παραλάβοι. ἀκριβῶς δὲ τῆς Μουτίνης φυλασσομένης ὑπὸ τοῦ Ἀντωνίου, πανσυδὶ μὲν οὐ συνεπλέκοντο αὐτῷ Πάνσαν περιμένοντες, ἵππομαχίαι δ' ἦσαν πυκναί, πολὺ μὲν πλείους ἱππέας ἔχοντος Ἀντωνίου: τοῦ πεδίου δὲ ἡ δυσχέρεια, διὰ χειμάρρους ἐκτεταφρευμένου, τὴν πλεονεξίαν τὸ πλῆθος ἀπεστέρει.

[66] καὶ τάδε μὲν ἦν ἀμφὶ τῇ Μουτίνῃ, τὰ δ' ἐν Ῥώμῃ τῶν ὑπάτων οὐ παρόντων ὁ Κικέρων ἦγεν ὑπὸ δημοκοπίας: καὶ συνεχεῖς ἦσαν ἐκκλησίαι, ὅπλα τε εἰργάζετο συναγαγὼν τοὺς δημιουργοὺς ἀμισθὶ καὶ χρήματα συνέλεγε καὶ βαρυτάτας ἐσφορὰς τοῖς Ἀντωνίου φίλοις ἐπετίθει. οἱ δὲ ἐτοιμῶς ἐσέφερον ἐκλυόμενοι τὴν διαβολήν, μέχρι Πούπλιος Οὐεντίδιος, ἐστρατευμένος τε Γαῖῳ Καίσαρι καὶ Ἀντωνίῳ φίλος ὢν, οὐκ ἤνεγκε τὴν βαρύτητα τοῦ Κικέρωνος, ἀλλ' ἐς τὰς Καίσαρος ἀποικίας ἐκδραμὼν ὡς γνῶριμος δύο ἐς τὸν Ἀντώνιον ἀνεστράτευσεν τέλη καὶ ἐς τὴν Ῥώμην συλλαβεῖν Κικέρωνα ἡπείγετο. τότε μὲν δὴ θόρυβός τε ἦν ἅπλετος, καὶ τέκνα καὶ γυναῖκας ὑπεξέφερον οἱ πλείους μετὰ δυσελπιστίας, καὶ ὁ Κικέρων τῆς πόλεως ἀπεδίδρασκε. καὶ ὁ Οὐεντίδιος μαθὼν ἐς τὸν Ἀντώνιον ἀνέστρεφε. διακλειόμενος δὲ ὑπὸ Καίσαρός τε καὶ Ἰρτίου ἐς τὴν Πικηνίτιδα παρῆλθε καὶ τέλος ἄλλο συλλογίσας ἐφῆδρευε τοῖς ἐσομένοις.

οἱ δὲ ἀμφὶ τὸν Καῖσαρα, τοῦ Πάνσα μετὰ στρατιᾶς πλησιάζοντος, Καρσουλῆιον αὐτῷ προσέπεμπον ἄγοντα τὴν Καίσαρος στρατηγίδα τάξιν καὶ τὸ Ἄρειον τέλος ἐς βοήθειαν τῆς διόδου τῶν στενῶν. ὁ δὲ Ἀντώνιος τῶν μὲν στενῶν ὑπερεῖδεν ὡς οὐδὲν πλέον ἢ κωλύσων ἐν αὐτοῖς, ἐπιθυμία δὲ ἀγῶνος, οὐκ ἔχων τοῖς ἱππεῦσιν ἐλλαμπρύνασθαι διὰ τὸ πεδῖον ἐλωδέστερον ὄν καὶ τεταφρευμένον, δύο ἐνήδρευσε τέλη τὰ ἄριστα ἐν τῷ ἔλει, τῆς ὁδοῦ, χειροποιήτου καὶ στενῆς οὐσης, ἐκατέρωθεν τῷ δόνακι κρύπτων.

[67] Καρσουλίου δὲ καὶ Πάνσα τὰ στενὰ νυκτὸς διαδραμόντων, ἅμα δ' ἡμέρᾳ μόνοις τοῖς Ἀρείοις καὶ πέντε ἄλλαις τάξεσιν ἐς τὴν χειροποιήτον ὁδὸν ἐσβαλόντων, ἔτι καθαρευουσιν πολεμίων, καὶ τὸ ἔλος ἐκατέρωθεν ὄν περισκεπτομένων, ὃ τε δόναξ διακινούμενος ὑπὸ πτεύετο, καὶ ἀσπίς ἤδη πού καὶ κράνος ἐξέλαμπε, καὶ ἡ στρατηγὶς Ἀντωνίου τάξις αὐτοῖς αἰφνίδιον ἐπεφαίνετο ἐκ τοῦ μετώπου. οἱ δ' Ἄρειοι περιειλημμένοι τε πάντοθεν καὶ

οὐδαμόσε διαδραμεῖν ἔχοντες ἐκέλευον τοὺς νεήλυδας εἰ παραγένοιτο, μὴ συνεφάπτεσθαι σφίσι τῶν πόνων, ὥς μὴ συνταράξαιαν αὐτοὺς ὑπὸ ἀπειρίας, τῇ στρατηγίδι δὲ Ἀντωνίου τὴν Καίσαρος στρατηγίδα ἀντέταξαν· αὐτοὶ δὲ ἐς δύο διαιρεθέντες ἐνέβαινον ἐς ἐκάτερον ἔλος, καὶ αὐτοῖς ἐπεστάτου τῇ μὲν ὁ Πάνσας, τῇ δὲ ὁ Καρσουλήιος. δύο δὲ τῶν ἐλῶν ὄντων δύο ἦσαν οἱ πόλεμοι, τῇ διόδῳ εἰργόμενοι μὴ γινώσκειν τὰ ἀλλήλων· καὶ κατὰ τὴν διόδον αὐτὴν αἱ στρατηγίδες πόλεμον ἄλλον ἐφ' ἑαυτῶν ἐπολέμουν. γνώμη δὲ ἦν τοῖς μὲν Ἀντωνίου τοὺς Ἀρείους ἀμύνασθαι τῆς αὐτομολίας οἷα προδότας σφῶν γενομένους, τοῖς δ' Ἀρείοις ἐκείνους τῆς ὑπεροψίας τῶν ἐν Βρεντεσίῳ διεφθαρμένων. συνειδότες τε ἀλλήλοις τὸ κράτιστον ὥς εἴη τῆς ἐκατέρου στρατιᾶς, ἡλπίζον ἐν τῷδε τῷ ἔργῳ μόνῳ τὸν πόλεμον κρινεῖν. καὶ τοῖς μὲν αἰδῶς ἦν τὸ δύο τέλεσιν οὖσιν δι' ἐνὸς ἡσσᾶσθαι, τοῖς δὲ φιλοτιμία μόνους τῶν δύο κρατῆσαι.

[68] οὕτω μὲν ἀλλήλοις ἐπήεσαν διωργισμένοι τε καὶ φιλοτιμούμενοι, σφίσι μᾶλλον ἢ τοῖς στρατηγοῖς οἰκεῖον ἡγούμενοι τόδε ἔργον· ὑπὸ δὲ ἐμπειρίας οὔτε ἡλάλαξαν ὥς οὐκ ἐκπλήξοντες ἀλλήλους, οὔτε ἐν τῷ πόνῳ τις αὐτῶν ἀφῆκε φωνὴν οὔτε νικῶν οὔτε ἡσσώμενος. περιόδους δὲ οὐκ ἔχοντες οὔτε δρόμους ὥς ἐν ἔλεσι καὶ τάφροις, ἀραρότως συνίσταντο, καὶ οὐδέτεροι τοὺς ἐτέρους ὥσασθαι δυνάμενοι τοῖς ξίφεσιν ὥς ἐν πάλῃ συνεπλέκοντο. πληγὴ τε οὐδεμία ἦν ἀργός, ἀλλὰ τραύματα καὶ φόνοι καὶ στόνοι μόνον ἀντὶ βοῆς· ὃ τε πίπτων εὐθὺς ὑπεξεφέρετο, καὶ ἄλλος ἀντικαθίστατο. παραινέσεων δὲ ἢ ἐπικελεύσεων οὐκ ἐδέοντο, δι' ἐμπειρίαν ἕκαστος ἑαυτοῦ στρατηγῶν. ὅτε δὲ καὶ κάμοιεν, ὥσπερ ἐν τοῖς γυμνικοῖς ἐς ἀναπνοὴν ὀλίγον ἀλλήλων δίσταντο καὶ αὖθις συνεπλέκοντο. θάμβος τε ἦν τοῖς νεήλυσιν ἐπελθοῦσι, τοιάδε ἔργα σὺν εὐταξίᾳ καὶ σιωπῇ γιγνόμενα ἐφορῶσι.

[69] πονουμένων δὲ ὧδε πάντων ὑπὲρ φύσιν ἀνθρωπίνην, ἡ μὲν στρατηγὶς ἡ Καίσαρος ἅπασα διεφθάρη, τῶν δὲ Ἀρείων οἱ μὲν ὑπὸ τῷ Καρσουλήῳ μᾶλλον ἐκράτουν τῶν κατὰ σφᾶς, οὐκ αἰσχυρῶς, ἀλλὰ κατ' ὀλίγον ἐνδιδόντων, οἱ δὲ ὑπὸ τῷ Πάνσᾳ τὸν αὐτὸν τρόπον ἐβαρύντο, διεκαρτέρουν δ' ὅμως ἐπ' ἴσης ἐκάτεροι, μέχρι Πάνσας ὀβελῷ τὴν λαγόνα τρωθεὶς ἐς Βωνωνίαν ἐξεφέρετο. τότε γὰρ οἱ κατ' αὐτὸν ἀνεχώρουν, ἐπὶ πόδα πρῶτον, εἴτα μεταβαλόντες ὀξύτερον ὥς ἐν φυγῇ. καὶ οἱ νεήλυδες ἰδόντες ἔφρευγον ἀτάκτως καὶ μετὰ βοῆς ἐς τὸ χαράκωμα, ὅπερ αὐτοῖς ἐξείργαστο ὁ ταμίας Τορκουᾶτος συνεστώσης ἔτι τῆς μάχης, ὑπονόησας ἐν χρεία γενήσεσθαι. οἱ μὲν δὴ νεήλυδες ἐς αὐτὸ ἀτάκτως συνειλοῦντο, Ἴταλοὶ μὲν ὄντες ὁμοίως τοῖς Ἀρείοις· ἡ δὲ ἄσκησις ἄρα τοῦ γένους ἐς τοσοῦτον ἀρετῇ διαφέρει. οἱ δὲ Ἄρειοι οὐκ ἐσηλθον μὲν ἐς τὸ χαράκωμα αὐτοὶ ὑπὸ ἀδοξίας, ἀλλὰ παρ' αὐτὸ ἔστησαν· κατάκοποι δὲ ὄντες ὄργων ὅμως, εἴ τις ἐπίοι, μέχρι τοῦ ἀναγκαίου τέλους διαγωνίσασθαι. Ἀντώνιος δὲ τῶν μὲν Ἀρείων ἀπέσχετο ὥς ἐπιπόνων, τοῖς δὲ νεήλυσιν ἐπιδραμὼν πολὺν εἰργάζετο φόνον.

[70] Ἰρτιος δὲ ἐν Μουτίνῃ τῆς μάχης πυθόμενος, ἐξήκοντα στάδια ἀπεχούσης, ἔτο δρόμῳ μετὰ τοῦ ἐτέρου τέλους τῶν ἀπὸ Ἀντωνίου μεταστάντων. ἤδη τε ἦν ὁψία δέιλη, καὶ οἱ νικήσαντες τῶν Ἀντωνίου παιανίζοντες ἐπᾶνῃσαν· καὶ αὐτοῖς ὁ Ἰρτιος ἀσυντάκτοις οὖσιν ἐπιφαίνεται

συντεταγμένος ὁλοκλήρῳ τέλει καὶ ἀπαθεῖ. οἱ δὲ συνετάχθησαν μὲν αὖθις ὑπ' ἀνάγκης, καὶ πολλὰ καὶ πρὸς τοῦσδε ἔργα λαμπρὰ ἐπεδείξαντο: οἷα δὲ ἀκμήτων ἡσῶντο κεκμηκότες, καὶ τὸ πλεῖστον αὐτῶν μάλιστα τὸ ἔργον Ἰρτίου διέφθειρε, καίπερ οὐ διώκοντος αὐτοὺς ὑπὸ φόβου τῶν ἐλῶν, καὶ τῆς ἐσπέρας ἡδὴ μελαινομένης διέλυσεν αὐτούς. καὶ τὸ ἔλος ἐπὶ πλεῖστον ἐπεπλήρωτο ὄπλων τε καὶ νεκρῶν καὶ ἀνδρῶν ἡμιθνήτων καὶ τετρωμένων: οἱ δὲ καὶ ἐρρωμένοι σφῶν ὑπὸ τοῦ κόπου κατεφρόνουν. ἱππées δὲ αὐτοὺς ἐξ Ἀντωνίου περιθέοντες, ὅσοι παρήσπιζον αὐτῷ, δι' ὅλης τῆς νυκτὸς ἀνελέγοντο καὶ τοὺς μὲν ἀντὶ σφῶν αὐτῶν, τοὺς δὲ σὺν ἑαυτοῖς ἐπὶ τοὺς ἵππους ἀνετίθεντο ἢ τῆς οὐρᾶς ἀντεχομένους παρεκάλουν παρατροχάζειν καὶ βοηθεῖν σφίσιν ἐς τὴν σωτηρίαν. ὧδε μὲν Ἀντωνίῳ καλῶς ἀγωνισαμένῳ διέφθαρτο ἡ ἰσχὺς διὰ Ἰρτίον ἐπελθόντα. καὶ ἠὺλίσσατο ἐν κώμῃ παρὰ τὸ πεδίον ἀχαρακώτως: ἀγορὰ Κελτῶν ἢ κώμη καλεῖται. ἔπεσον δὲ τῶν μὲν ἄλλων ἀμφὶ τοὺς ἡμίσεας ἐκατέρων, καὶ ἡ στρατηγὶς ἢ Καίσαρος ἅπασα, Ἰρτίου δὲ ὀλίγοι.

[71] τῆς δ' ἐπιούσης ἀνεξεύγνυνον ἐς τὰ ἐν τῇ Μουτίνῃ στρατόπεδα πάντες. γνώμη δὲ ἦν Ἀντωνίῳ μὲν ἐπὶ τοσῷδε πταίσματι μὴ ἐπιχειρεῖν ἔτι τοῖς ἐχθροῖς μεγάλη μάχη μὴδ' ἐπιόντων ἀμύνεσθαι, διὰ δὲ τῶν ἱππέων τὰ ἐφήμερα μόνον αὐτοὺς ἐνοχλεῖν, μέχρι παραδόῃ Δέκμος αὐτὸν ἐς ἔσχατον ἡδὴ λιμοῦ τετρυμένος, Ἰρτίῳ δὲ καὶ Καίσαρι διὰ τοῦτο μάλιστα τὰ ἐς τὴν μάχην ἐπέιγεσθαι. ἐπεὶ δ' ἐκτάσσουσιν αὐτοῖς ὁ Ἀντώνιος οὐκ ἐπεξήγεν, ἐς τὰ ἐπὶ θάτερα τῆς Μουτίνης ἀφυλακτότερα ὄντα διὰ δυσχέρειαν ἐχώρουν ὡς βιασόμενοι βαρεῖ στρατῷ παρεσελθεῖν ἐς αὐτήν. καὶ ὁ Ἀντώνιος αὐτῶν ἐξήπτετο τοῖς ἱππεῦσι καὶ τότε μόνοις. ἀμυνομένων δὲ κακείνων αὐτὸν ἱππεῦσι μόνοις καὶ τῆς ἄλλης στρατιᾶς χωρούσης, ἐφ' ἃ ἐβούλοντο, δείσας ὁ Ἀντώνιος περὶ τῇ Μουτίνῃ ἐξῆγε δύο τέλη: οἱ δὲ ἡσθέντες ἐπέστρεφον καὶ ἐμάχοντο. ἄλλα δὲ Ἀντωνίου τέλη καλοῦντος ἐκ τῶν ἄλλων στρατοπέδων, ὧν βραδέως ὡς ἐν αἰφνιδίῳ τε μετακλήσει καὶ μακρόθεν ἰόντων ἐκράτουν οἱ τοῦ Καίσαρος τῇ μάχῃ. Ἰρτιος δὲ καὶ ἐς τὸ στρατόπεδον ἐσήλατο τοῦ Ἀντωνίου καὶ περὶ τὴν στρατηγίδα σκηνὴν μαχόμενος ἔπεσε. καὶ αὐτοῦ τό τε σῶμα ὁ Καίσαρ ἐσδραμὼν ἀνείλετο καὶ τοῦ στρατοπέδου κατέσχεν, ἕως μετ' ὀλίγον ἐξεώσθη πρὸς Ἀντωνίου. διενυκτέρευσαν δὲ καὶ ἐν τοῖς ὅπλοις ἐκάτεροι.

[72] καὶ ὁ Ἀντώνιος δευτέρᾳ τῇδε συμπεσῶν πληγῇ συνεβουλεύετο τοῖς φίλοις εὐθὺς ἀπὸ τοῦ πόνου. καὶ τοῖς μὲν ἐδόκει τῆς προτέρας αὐτὸν γνώμης ἔχεσθαι, πολιορκοῦντα Μουτίνην καὶ ἐς μάχην οὐκ ἐπεξίοντα: τό τε γὰρ πάθος ὁμοίον ἀμφοῖν γεγονέναι καὶ Ἰρτίον ἀνηρῆσθαι καὶ Πάνσαν νοσεῖν καὶ σφᾶς τοῖς ἱππεῦσι πλεονεκτεῖν Μουτίνην τε ἐς ἔσχατον ἀφίχθαι λιμοῦ καὶ εὐθὺς ἐνδώσειν. ὧδε μὲν ἤρεσκε τοῖς φίλοις, καὶ ἦν τὰ ἄριστα: ὁ δὲ Ἀντώνιος, ἡδὴ θεοῦ βλάπτοντος, ἐδεδοίκει, μὴ ἐς τὴν Μουτίνην ὁ Καίσαρ, ὥσπερ ἐχθρὸς ἐπιχειρήσας, ἐσδράμοι ἢ αὐτὸν ἐπιχειρήσειε περιτειχίζειν, πλέον ἔχων τὸ ἐργάσιμον, 'ἐν ᾧ καὶ τῶν ἱππέων,' ἔφη, 'γίγνομένων ἡμῖν ἀχρήστων, ὑπερόψεται με Λέπιδος καὶ Πλάγκος ἡττώμενον. εἰ δὲ Μουτίνης ἐξανασταῖμεν, Οὐεντίδιός τε ἡμῖν αὐτίκα προσέσται, τρία τέλη φέρων ἐκ τῆς Πικηνίτιδος, καὶ Λέπιδος καὶ Πλάγκος ἐρρωμένως οἱ συμμαχήσουσι.' ταῦτα

ἔλεγεν, οὐκ ἄτολμος ἐν τοῖς κινδύνοις ἀνὴρ, καὶ εἰπὼν εὐθὺς ἀνίστατο καὶ ὤδευεν ἐπὶ τῶν Ἀλπεων.

[73] Δέκμῳ δὲ ἀπαλλαγέντι τῆς πολιορκίας ὁ φόβος ἐς τὸν Καίσαρα ἐνηλλάσσετο: τῶν γὰρ ὑπάτων ἐκποδὼν γενομένων ὡς ἐχθρὸν ἐδεδοίκει. τὰς τε οὖν γεφύρας τοῦ ποταμοῦ διέκοπτε πρὸ ἡμέρας καὶ κελητῷ τινὰς ἐς τὸν Καίσαρα ἀποστέλλων ἐμαρτύρει μὲν ὡς αἰτίῃ τῆς σωτηρίας, ἡξίου δὲ μέσον ἔχοντα τὸν ποταμὸν ἐς λόγους οἱ συνελθεῖν ἐπὶ μάρτυσι τοῖς πολίταις: πείσειν γάρ, ὅτι δαιμόνιον αὐτὸν ἔβλαπεν, ἐς τὴν Καίσαρος ἐπιβουλὴν ἐπηγμένον ὑφ' ἐτέρων. Καίσαρος δὲ τοῖς ἤκουσιν ἀποκριναμένου τε πρὸς ὀργὴν καὶ τὴν χάριν, ἣν δίδωσιν οἱ Δέκμος, διωθουμένου “οὐδὲ γὰρ Δέκμον ἐγὼ πάρεμι περισώσω, ἀλλ' Ἀντωνίῳ πολεμήσω, ᾧ μοι καὶ συναλλαγῆναί ποτε θέμις: Δέκμῳ δὲ ἡ φύσις οὐδὲ ἐς ὅσιν ἢ λόγους ἐλθεῖν ἐπιτρέπει: σφῆξέσθω μέντοι, μέχρι τοῖς ἐν ἅστει δοκεῖ”, πυθόμενος τούτων ὁ Δέκμος ἔστη τε πρὸ τοῦ ποταμοῦ καὶ καλῶν ὀνομαστὶ τὸν Καίσαρα, σὺν βοῇ τὰ γράμματα τῆς βουλῆς ἀνεγίνωσκε, διδούσης οἱ τὴν Κελτικὴν ἡγεμονίαν, ἀπηγόρευε τε Καίσαρι χωρὶς ὑπάτων μὴ περᾶν τὸν ποταμὸν ἐς ἀλλοτρίαν ἡγεμονίαν μηδὲ ἐπὶ Ἀντώνιον ἔτι χωρεῖν: αὐτὸς γὰρ αὐτὸν διώκων ἀρκέσειν. ὁ δὲ ἥδει μὲν ὑπὸ τῆς βουλῆς αὐτὸν ἐς τήνδε τὴν θρασύτητα αὐξανόμενον, δυνηθεὶς δ' ἂν ἐκ προστάγματος ἐλεῖν ἐφείδετο ἔτι καὶ πρὸς τὸν Πάνσαν ἐς Βονωνίαν τραπεὶς ἔγραφε τῇ βουλῇ περὶ ἀπάντων. ἔγραφε δὲ καὶ Πάνσας.

[74] καὶ Κικέρων ἐν Ῥώμῃ τὰ μὲν ἐς τὸν δῆμον ἀνεγίνωσκεν ὡς ὑπάτου, τὰ δὲ τοῦ Καίσαρος τῇ βουλῇ μόνον: θυσίας τε ἐπ' Ἀντωνίῳ πεντήκοντα ἡμερῶν ἱκεσίους ἐνηφίζετο, ὅσας οὔτε ἐπὶ Κελτοῖς οὔτε ἐπὶ ἄλλῳ πολέμῳ ποτὲ ἐνηφίσαντο Ῥωμαῖοι, καὶ τὸν στρατὸν τῶν ὑπάτων ἐδίδου Δέκμῳ καίπερ ἔτι Πάνσα περιόντος ἥδη γὰρ ἀπεγινώσκετο, στρατηγὸν τε τὸν Δέκμον ἀπέφηνεν ἐπ' Ἀντωνίῳ μόνον εἶναι καὶ εὐχὰς δημοσίας ἐποιεῖτο Δέκμον Ἀντωνίου περιγενέσθαι. τοσοῦτος ἦν οἶστρος αὐτῷ κατὰ Ἀντωνίου καὶ ἀπειροκαλία. ἐβεβαίον τε αὐθις τοῖς δύο τέλεσι τοῖς ἀπὸ Ἀντωνίου μεταστᾶσι τὰς ἐκάστῳ προϋπεσχημένας παρὰ τοῦ κοινοῦ Ῥωμαίων ἐπινικίους δραχμὰς πεντακισχιλίας ὡς ἥδη νενικηκόσι καὶ στέφανον αὐτοὺς ἐν ταῖς ἑορταῖς αἰεὶ θαλλοῦ περιτίθεσθαι. περὶ δὲ Καίσαρος οὐδὲν ἦν ἐν τοῖς γραφομένοις, οὐδὲ τοῦνομα ὅλως: οὕτως αὐτίκα κατεφρονεῖτο ὡς Ἀντωνίου καθηρημένου. ἔγραφον δὲ καὶ Λεπίδῳ καὶ Πλάγκῳ καὶ Ἀσινίῳ πολεμεῖν, ὅπως πλησιάσειαν Ἀντωνίῳ.

[75] καὶ τότε μὲν ἦν τὰ ἐν Ῥώμῃ, Πάνσας δ' ἐκ τοῦ τραύματος ἀποθνήσκων Καίσαρά οἱ παρεστήσατο καὶ εἶπεν:

ἐγὼ τῷ σῷ πατρὶ φίλος ἦν ὡς ἐμαντῷ, ἀναιρεθέντι δὲ οὐκ εἶχον ἐπαμύνειν οὐδὲ τοῖς πλείοσι μὴ συνίστασθαι, οἷς γε δὴ καὶ σὺ καλῶς ποιῶν ὑπήκουσας, καίτοι στρατὸν ἔχων. δείσαντες δ' ἐν ἀρχῇ δὲ καὶ Ἀντώνιον, φιλοτιμώτατον κάκεῖνον ἐς τὴν Καίσαρος γνώμην φανέντα, διαφορομένοις ὑμῖν ἐφήσθησαν ὡς ἐς ἀλλήλους συντριβησομένοις. ἐπεὶ δὲ σε καὶ στρατοῦ δεσπότην εἶδον, προσεποιοῦντο εὐπρεπέσι καὶ ἀσθενέσι τιμαῖς οἷα μεράκιον. σοβαρώτερου δέ σου καὶ ἐγκρατεστέρου τιμῆς τότε μάλιστα ὀφθέντος, ὅτε τὴν ἀρχὴν ὑπὸ τοῦ στρατοῦ σοι δεδομένην οὐκ ἐδέξω, διαταράχθησαν καὶ συστρατηγεῖν σε ἡμῖν

ἀπέφηναν, ἵνα σου τὰ δύο τέλη τὰ πρακτικώτερα ἀποσπάσωμεν, ἐλπίσαντες ἡττηθέντος ὑμῶν τοῦ ἐτέρου τὸν ἕτερον ἀσθενέστερόν τε καὶ μόνον ἔσεσθαι καὶ μετ' αὐτὸν ἤδη πᾶσαν τὴν Καίσαρος ἐταιρείαν καθελόντες ἀνάξιν τὴν Πομπήιου: τότε γάρ ἐστιν αὐτοῖς τῆς γνώμης τὸ κεφάλαιον.

[76] ἐγὼ δὲ καὶ Ἰρτιος τὸ προστεταγμένον ἐποιοῦμεν μέχρι συστεῖλαι τὸν Ἀντώνιον ἐπιπολάζοντα ὑπεροψία: ἡττηθέντα δὲ σοὶ συναλλάσσειν ἐπενοοῦμεν, ὥς τῇ Καίσαρος φιλίᾳ τότε χαριστήριον ἔχοντες ἀποδοῦναι καὶ μόνον τῇ μοίρᾳ χρησιμώτατον ἐσόμενον ἐς τὰ μέλλοντα. τοῦτο δ' οὐκ ἦν ἐκφέρειν σοὶ πρότερον, ἡττημένου δὲ νῦν Ἀντωνίου καὶ Ἰρτίου τεθνεῶτος κάμει τοῦ χρεῶν ἀπάγοντος, ἐν καιρῷ λέλεκται, οὐχ ἵνα μοι γνώσκῃς χάριν ἀποθανόντι, ἀλλ' ἵνα σὺν δαιμονίᾳ μοίρᾳ γενόμενος, ὥς τὰ ἔργα ὑποδείκνυσι, τὰ τε σαντῷ συμφέροντα γνώσκῃς καὶ τὴν ἐμὴν καὶ Ἰρτίου προαίρεσίν τε καὶ ἀνάγκην. τὸν μὲν οὖν στρατόν, ὃν ἡμῖν αὐτὸς ἔδωκας, εὐπροφάσιστον ἀποδοῦναι σοὶ, καὶ παραδίδωμι: τοὺς δὲ νεήλυδας εἰ μὲν καθέξεις λαβών, καὶ τοὺςδε σοὶ παραδώσω, εἰ δὲ τεθήπασι τὴν βουλὴν ἀμέτρως, ὅτι καὶ οἱ ἄρχοντες αὐτῶν φύλακες ἡμῖν ἐπέμφθησαν εἶναι, καὶ τό τε ἔργον ἐπίφθονον ἔσται σοὶ καὶ πρὸ τοῦ δέοντος ἐξανίστησί σε, ὁ ταμίας παραλήψεται Τορκουᾶτος.

ταῦτα εἰπὼν καὶ τῷ ταμίᾳ τοὺς νεήλυδας ἐγχειρίσας ἀπέθανε. καὶ τοὺςδε μὲν ὁ ταμίας, καθὰ προσέτασεν ἡ βουλὴ, Δέκμῳ παρεδίδου, Ἰρτιον δὲ καὶ Πάνσαν ὁ Καῖσαρ ἐπιφανῶς ἔθαπτε καὶ ἐς Ῥώμην ἔπεμπε μετὰ τιμῆς.

[77] τῷ δ' αὐτῷ χρόνῳ περὶ τε Συρίαν καὶ Μακεδονίαν τοιάδε ἐγίγνετο. Γάιος Καῖσαρ ὅτε Συρίαν διώδευε, τέλος ἐν αὐτῇ καταλελοίπει τὰ ἐς Παρθυαίους ἥδη διανοούμενος. τούτου τὴν μὲν ἐπιμέλειαν Καϊκίλιος Βάσσος εἶχε, τὸ δὲ ἀξίωμα Ἰούλιος Σέξστος, μειράκιον αὐτοῦ Καίσαρος συγγενές, ὅπερ ἐκδιαιτώμενον ἐς τρυφὴν τὸ τέλος ἀσχημόνως ἐπήγετο πανταχοῦ. μεμψαμένῳ δὲ τῷ Βάσσῳ ποτὲ ἐνύβρισε: καὶ καλῶν αὐτὸν ὕστερον, ἐπεὶ βραδέως ὑπήκουσεν, ἄγειν ἐκέλευσεν ἔλκοντας. θορύβου δὲ καὶ πληγῶν γενομένων ἡ στρατιὰ τὴν ὕβριν οὐ φέρουσα τὸν Ἰούλιον κατηκόντισε. καὶ εὐθύς ἦν μετάνοια καὶ δέος ἐκ τοῦ Καίσαρος. συνομόσαντες οὖν, εἰ μή τις αὐτοῖς συγγνώμῃ καὶ πίστις γένοιτο, μέχρι θανάτου διαγωνιεῖσθαι καὶ ἐς αὐτὸ Βάσσον ἀναγκάσαντες ἄλλο συνέλεξαν τέλος καὶ συνεγύμνασαν. ὧδε μὲν τισι περὶ τοῦ Βάσσου δοκεῖ, Λίβωνι δ', ὅτι τῆς Πομπήιου στρατιᾶς γενόμενος καὶ μετὰ τὴν ἥτταν ιδιωτεύων ἐν Τύρῳ, διέφθειρέ τινας τοῦ τέλους, καὶ διεχρήσαντο τὸν Σέξστον καὶ τῷ Βάσσῳ σφᾶς ἐνεχείρισαν. ὁποτέρως δ' ἐγένετο, Στάιον Μοῦρκον οἶδε, μετὰ τριῶν τελῶν ἐπιτεμφθέντα σφίσιν ὑπὸ τοῦ Καίσαρος, ἐγκρατῶς ἀπεμάχοντο, ἕως ὁ Μοῦρκος ἐπεκαλεῖτο Μάρκιον Κρίσπον ἡγούμενον Βιθυνίας καὶ ἀφίκετο αὐτῷ βοηθῶν ὁ Κρίσπος τέλεσιν ἄλλοις τρισίν.

[78] ὥς δὲ ὑπὸ τούτων ἐπολιορκοῦντο, ὁ Κάσσιος σὺν ἐπείξει καταλαβὼν τὰ τε τοῦ Βάσσου δύο τέλη παρελάμβανεν αὐτίκα καὶ τὰ τῶν πολιορκούντων αὐτὸν ἔξ, φιλίᾳ τε παραδόντων καὶ ὥς ἀνθυπάτῳ κατηκόων γενομένων: ἐνήφιστο γάρ, ὥς μοι προεῖρηται, πάντας ὑπακούειν Κασσίῳ τε καὶ Βρούτῳ. ἄρτι δὲ καὶ Ἀλλιηνός, ὑπὸ Δολοβέλλα πεμφθεὶς ἐς Αἴγυπτον, ἐπανήγεν ἐξ

αὐτῆς τέσσαρα τέλη τῶν ἐκ τῆς ἡσσης Πομπηίου τε καὶ Κράσσου διαρριφέντων ἢ ὑπὸ Καίσαρος Κλεοπάτρα καταλελειμμένων. καὶ αὐτὸν ὁ Κάσσιος οὐδὲν προπετυσμένον ἐν τῇ Παλαιστίνῃ περιέλαβέ τε καὶ ἠνάγκασεν ἑαυτῷ προσθέσθαι, δείσαντα τοῖς τέσσαρσι μάχεσθαι πρὸς ὀκτώ. ὧδε μὲν δὴ Κάσσιος ἐκ παραδόξου δωδέκα τελῶν ἀθρόως ἐκράτει καὶ Δολοβέλλαν ἐκ τῆς Ἀσίας σὺν δύο τέλεσιν ἐλθόντα τε καὶ ἐς Λαοδίκειαν ὑπὸ οἰκειότητος ἐσδεχθέντα περικαθήμενος ἐπολιόρκει. καὶ ἡ βουλὴ μαθοῦσα ἐφήδετο.

[79] Μακεδονίας δὲ περὶ Γάιος Ἀντώνιος, ὁ Ἀντωνίου Μάρκου ἀδελφός, Βρούτῳ διεφέρετο καὶ ἐπολέμει, τέλος ἔχων ἐν ὀπλιτῶν: καὶ τὸν Βρούτον ἡσώμενος ἐνήδρευσε. ὁ δ' ἐκφυγὼν ἀντενήδρευσε καὶ οὐδὲν εἰργάσατο ἀποληφθέντας, ἀλλὰ ἀσπάσασθαι τῷ ἰδίῳ στρατῷ τοὺς ἐναντίους προσέταξε: τῶν δὲ οὐκ ἀντασπασαμένων οὐδὲ τὴν πεῖραν ἐνδεξαμένων, μεθῆκεν ἀπαθεῖς ἐκ τῆς ἐνέδρας ἀπιέναι. κατὰ δὲ ἄλλας ὁδοὺς περιελθὼν αὐθις ἐν ἀποκρήμνοις κατέστησε καὶ πάλιν οὐκ ἐπεχείρησεν, ἀλλ' ἡσπάσατο. οἱ δέ, ὡς πολιτῶν τε περιφειδόμενον καὶ τῆς δόξης ἄξιον ἧς εἶχεν ἐπὶ σοφίᾳ τε καὶ πραότητι, ἠγάσαντο καὶ ἀντησπάσαντο καὶ ἐς αὐτὸν μετεβάλοντο. ἐπέτρεψε δὲ καὶ ὁ Γάιος ἑαυτὸν καὶ ἦν ἐν τιμῇ παρὰ Βρούτῳ, μέχρι τὸν στρατὸν πολλακίς διαφθεῖρων ἐλεγχθεὶς ἀνηρέθη. οὕτω μὲν δὴ καὶ Βρούτῳ μετὰ τῶν προτέρων στρατῶν ἐξ ἐγίνετο τέλη: καὶ Μακεδόνας ἐπαινῶν δύο τέλη κατέλεξεν ἐξ αὐτῶν, καὶ ἐς τὸν Ἰταλικὸν τρόπον καὶ τάδε ἐγυμνάζετο.

[80] τοιαῦτα μὲν δὴ καὶ τὰ περὶ Συρίαν καὶ Μακεδονίαν ἦν: ἐν δὲ τῇ Ἰταλίᾳ ὁ Καῖσαρ ἐν ὕβρει θέμενος ἀντὶ οὗ Δέκμον ἡρῆσθαι στρατηγὸν ἐπὶ Ἀντωνίῳ, τὴν μὲν ὀργὴν ἐπέκρυπτε, θρίαμβον δ' ἐπὶ τοῖς εἰργασμένοις ἤτει. καταφρονούμενος δ' ὑπὸ τῆς βουλῆς ὡς πρεσβύτερα τῆς ἡλικίας ἐπινοῶν, ἔδεισε, μὴ διαφθαρέντος Ἀντωνίου μᾶλλον ἔτι καταφρονηθεῖ, καὶ τὰς ἐς αὐτὸν συμβάσεις ἐπόθει, καθὰ καὶ Πάνσας αὐτῷ διεσήμαινεν ἀποθνήσκων. τοὺς τε οὖν ἄλωμένους ἐκ τῆς ἐκείνου στρατιᾶς ἡγεμόνας ἢ στρατιώτας ἐφιλανθρωπεύετο, καὶ τοῖς ἰδίῳις ἐγκατέλεγεν ἢ τοὺς ἐθέλοντας αὐτῶν ἐς τὸν Ἀντώνιον ἔπεμπε, ὡς οὐ δι' ἔχθρας ἀνηκέστου πρὸς αὐτὸν ἰόντα: Οὐεντιδίῳ τε τῷ Ἀντωνίου φίλῳ, μετὰ τριῶν τελῶν ὄντι, παραστρατοπεδεύσας καὶ δέος ἐμβάλων ἔπραξε μὲν οὐδὲν πολέμιον, ἐδίδου δὲ ὁμοίως συνεινᾶν οἱ ἢ ἐς τὸν Ἀντώνιον ἀδεῶς ἀπιέναι μετὰ τοῦ στρατοῦ καὶ μέμφεσθαι τῆς ἐς τὸ κοινὸν συμφέρον ἀγνωσίας. ὧν Οὐεντιδίου συνέεις ἐς τὸν Ἀντώνιον ἀπῆει. ὁ δὲ Καῖσαρ Δέκιον, τῶν τινα ἡγεμόνων Ἀντωνίου, περὶ Μουτίνην ληφθέντα διὰ τιμῆς ἄγων μεθῆκεν, εἰ θέλοι, πρὸς τὸν Ἀντώνιον ἀπιέναι: καὶ πυνθανομένῳ περὶ τῆς ἐς τὸν Ἀντώνιον γνώμης πολλὰ ἔφη σύμβολα τοῖς εὖ φρονοῦσιν ἐξηνηγοχέαι, τοῖς δ' ἄφροσιν οὐδὲ τὰ πλείονα ἀρκέσειν.

[81] Ἀντωνίῳ μὲν δὴ τάδε ὁ Καῖσαρ ἐνεσήμαινε, Λεπίδῳ δὲ καὶ Ἀσινίῳ σαφέστερον ἔτι περὶ τῆς ἐς αὐτὸν ὕβρεως καὶ τῆς τῶν σφαγέων ἀθρόας προαγωγῆς ἐπέστελλεν, ἐκφοβῶν αὐτούς, μὴ ἐς χάριν τῆς Πομπηιανῆς ἐταιρείας καθ' ἓνα τῶν Καίσαρος ἕκαστος ὅμοια Ἀντωνίῳ πάθοι, κἀκείνῳ δι' ἀφροσύνην καὶ ὑπεροψίαν τοῦδε τοῦ δέους τάδε παθόντι. ἡξίου τε ἐς μὲν εὐπρέπειαν τῆς βουλῆς εἶναι κατηκόους, ἐς δὲ τὸ σφέτερον ἀσφαλές συμφρονεῖν, ἕως ἔτι δύνανται, καὶ ὀνειδίζειν ταῦτα Ἀντωνίῳ, μιμῆσθαι τε

τοὺς ὑπὸ σφίσιν ὀπλίτας· οὐ διαλυομένους, οὐδ' ὅτε παύσαιντο τῶν στρατειῶν, ἵνα μὴ τοῖς ἐχθροῖς εἶεν εὐεπίθετοι, ἀλλ' ἀθρόους ἐν ἀλλοτρίᾳ συνοικίζεσθαι διὰ τὴν ἰσχὺν μᾶλλον ἐθέλοντας ἢ καθ' ἓνα τῶν πατρίδων ἀπολαύειν. τάδε μὲν ὁ Καῖσαρ Λεπίδῳ τε ἐπέστελλε καὶ Ἀσινίῳ· Δέκμῳ δὲ ὁ ἀρχαῖος στρατὸς ἐνόσει πιμπλάμενος ἐκ λιμοῦ καὶ τὰς γαστέρας κατερρήγγυντο, ὃ τε νεοστράτευτος ἀγύμναστος ἔτι ἦν. Πλάγκος δὲ προσεγένετο μετὰ τοῦ οἰκείου στρατοῦ, καὶ ὁ Δέκμος ἐπέστελλε τῇ βουλῇ τὸν Ἀντώνιον ἀλώμενον κυνηγετήσιν ναυτικῶν περ ἤδη γεγονότων.

[82] οἱ τε Πομπητιανοὶ πυθόμενοι θαυμαστοὶ ὅσοι διεφάνησαν, ἐκβοῶντες ἄρτι τὴν ἀτρίον ἐλευθερίαν ἀπειληφέναι, καὶ θυσίαι καθ' ἓνα ἦσαν καὶ χειροτονία δέκα ἀνδρῶν ἐς εὐθυαν τῆς ἀρχῆς τῆς Ἀντωνίου. πρόσχημα δὲ τοῦτο ἦν ἐς ἀκύρωσιν τῶν ὑπὸ Καίσαρος διατεταγμένων· Ἀντώνιος γὰρ οὐδὲν αὐτὸς ἢ πάνυ σμικρά, πάντα δὲ ἐκ τῶν Καίσαρος ὑπομνημάτων διωκῇ, καὶ τότε σαφῶς εἰδυῖα ἡ βουλὴ τὰ μὲν τινα αὐτῶν ἐπὶ προφάσει διέλυνεν, ἀθρόα δὲ οὕτως ἤλπιζε διαλύσειν. οἱ μὲν δὴ δέκα προῦγραφον, ὃ τι τις λάβοι παρὰ τὴν ἀρχὴν Ἀντωνίου, πάντας αὐτίκα ἀπογράφεσθαι καὶ διδάσκειν· ἀπειλαὶ τε τοῖς ἀπειθοῦσιν ἐπετίθεντο. καὶ τὴν ὑπατον ἀρχὴν ἐς τὸ λοιπὸν τοῦ ἔτους οἱ Πομπητιανοὶ μετήσσαν ἀντὶ Ἰρτίου τε καὶ Πάνσα· μετῆι δὲ καὶ ὁ Καῖσαρ, οὐκ ἐς τὴν βουλὴν ἔτι πέμπων, ἀλλ' ἐς τὸν Κικέρωνα ἰδίᾳ, καὶ αὐτὸν παρεκάλει καὶ συνάρξαι, ὥς Κικέρωνα μὲν τὴν ἀρχὴν διοικήσοντα πρεσβύτερόν τε καὶ ἐμπειρότερον ὄντα, αὐτὸς δὲ τὴν ἐπωνυμίαν καρπωσόμενος μόνῃ ἐς ἀπόθεσιν τῶν ὅπλων εὐπρεπῇ, οὗ δὴ καὶ πρόφην ἔνεκα τὸν θρίαμβον αἰτήσαι. Κικέρων μὲν δὴ τούτοις ἐπαρθεὶς διὰ φιλαρχίαν, ἔλεγεν αἰσθῆσθαι σπονδῶν ἐν τοῖς ἔξω στρατηγοῖς ὑπονοουμένων καὶ συνεβούλευε θεραπεῦσαι τὸν ἄνδρα, ὕβρισμένον καὶ στρατοῦ ἔτι ἄρχοντα πολλοῦ, ἀνασχέσθαι τε παρ' ἡλικίαν ἄρχοντος ἐν τῇ πόλει μᾶλλον ἢ μηνίοντος ἐν ὅπλοις· ὥς δ' ἂν τι μὴ πράξειε παρὰ τὸ τῇ βουλῇ συμφέρον, ἐκέλευεν αὐτῷ συνελῆσθαι τῶν τινα πρεσβυτέρων ἔμφορα, τῆς ἐκείνου νεότητος ἐγκρατὴ παιδαγωγόν.

ἀλλὰ Κικέρωνα μὲν ἢ τε βουλὴ τῆς φιλαρχίας ἐγέλασε, καὶ οἱ συγγενεῖς μάλιστα τῶν σφαγέων ἐνέστησαν, δεδιότες μὴ αὐτοὺς ὁ Καῖσαρ τίσαιτο ὑπατεύων· [82] ὑπερθέσεων δὲ ἐπὶ τῇ χειροτονίᾳ γιγνομένων ἐννόμων κατὰ ποικίλας αἰτίας, ὁ Ἀντώνιος ἐν τῷ τέως τὰς Ἀλπεις ὑπερέβαλε, Κουλλεῶνα πείσας τὸν ἐκ Λεπίδου φύλακα αὐτῶν, ἐπὶ τε ποταμὸν ἤλθεν, ἔνθα ἐστρατοπεδευμένος ἦν ὁ Λέπιδος, καὶ οὔτε χάρακα περιέβαλετο οὔτε τάφρον ὥς δὴ φίλῳ παραστρατοπεδεύων. διαπομπαὶ δὲ ἦσαν ἐς ἀλλήλους πυκναί, Ἀντωνίου μὲν ὑπομιμνήσκοντος φιλίας τε καὶ χαρίτων ποικίλων, καὶ διδάσκοντος, ὅτι μεθ' αὐτὸν ὅμοια πείσονται καθ' ἓνα πάντες, οἱ τῆς Καίσαρος ἐγένοντο φιλίας, Λεπίδου δὲ τὴν μὲν βουλὴν δεδιότος πολεμεῖν αὐτῷ κελεύουσας, ὑπισχνουμένου δ' ὅμως οὐ πολεμήσειν ἐκόντος. ὁ δὲ στρατὸς ὁ τοῦ Λεπίδου τό τε ἀξίωμα αἰδούμενοι τὸ Ἀντωνίου καὶ τῶν διαπομπῶν αἰσθανόμενοι καὶ τὴν ἀφέλειαν αὐτοῦ τῆς στρατοπεδείας ἀγάμενοι, ἐπεμύγνυντο τοῖς Ἀντωνίου λανθάνοντες, εἴτα φανερώς οἷα πολίταις τε καὶ συστρατιώταις γενομένοις, τῶν τε χιλιάρχων κωλυόντων ὑπερεῶρων καὶ τὸν ποταμὸν ἐς εὐμάρειαν τῆς ἐπιμιξίας ναυσὶν ἐγεφύρουν· τό τε

καλούμενον δέκατον τέλος, ἐξεναγμένον ὑπὸ Ἀντωνίου πάλαι, τὰ ἔνδον αὐτῷ παρεσκεύαζεν.

[84] ὢν αἰσθανόμενος Λατερήσιος, τῶν τις ἐκ τῆς βουλῆς ἐπιφανῶν, προηγόρουε τῷ Λεπίδῳ καὶ ἀπιστοῦντα ἐκέλευε τὴν στρατιάν ἐς πολλὰ διελόντα ἐκπέμψαι κατὰ δὴ τινὰς χρείας, ἐς ἐπίδειξιν ἢ τῆς προδοσίας ἢ τῆς πίστεως. καὶ ὁ Λέπιδος ἐς τρία διελόν, ἐκέλευε νυκτὸς ἐξορμᾶν ἐς φρουράν ταμειῶν πλησιαζόντων. οἱ δὲ ἀμφὶ τὴν ἐσχάτην φυλακὴν, ὡς ἐς τὴν ἐξοδὸν ὀπλισάμενοι, τὰ ἐρυμνὰ τοῦ στρατοπέδου κατέλαβον καὶ τὰς πύλας ἀνεώγνυν Ἀντωνίῳ. ὁ δ' ἐπὶ τὴν Λεπίδου σκηνὴν ἔτετο δρόμῳ, τοῦ στρατοῦ παντὸς ἤδη τοῦ Λεπίδου παραπέμποντος αὐτὸν καὶ τὸν Λέπιδον αἰτοῦντος εἰρήνην τε καὶ ἔλεον ἐς ἀτυχοῦντας πολίτας. ὁ μὲν δὴ Λέπιδος, ὡς εἶχεν, ἐκ τῆς εὐνῆς ἄζωστος ἐς αὐτοὺς ἐξέθορε καὶ ὑπισχνεῖτο ποιήσῃν καὶ τὸν Ἀντώνιον ἡσπάζετο καὶ ἐξελογεῖτο τῆς ἀνάγκης. οἱ δὲ αὐτὸν καὶ προσπεσεῖν Ἀντωνίῳ νομίζουσιν, ἄπρακτον μὲν ὄντα καὶ ἄτολμον, οὐ μὴν ἅπασιν τοῖς συγγραφεῦσι πιστὸν οὐδ' ἐμοὶ πιθανόν· οὐ γάρ πώ τι αὐτῷ πολέμιον ἐς τὸν Ἀντώνιον ἐπέπρακτο, δέους ἄξιον. οὕτω μὲν ὁ Ἀντώνιος ἐς μέγα δυνάμεως αὐθις ἐπῆρτο, καὶ τοῖς ἐχθροῖς ἦν ἐπιφοβώτατος· στρατὸν γὰρ εἶχεν, ὃν τε ἐξανέστησε Μουτίνης καὶ σὺν αὐτῷ λαμπρότατον ἱππικόν, τρία τε αὐτῷ τέλη κατὰ τὴν ὁδὸν προσγεγένητο τὰ Οὐεντιδίου, καὶ Λέπιδος αὐτῷ σύμμαχος ἐγίγνετο ἐπὶ ἔχων ὀπλιτικὰ τέλη καὶ πολὺν ὁμίλον ἄλλον καὶ παρασκευὴν ἀξιόλογον. καὶ τοῖσδε ὁ μὲν Λέπιδος ἐπωνομάζετο ἔτι, ὁ δὲ Ἀντώνιος ἅπαντα διώκει.

[85] Ἐξαγγελθέντων δὲ τῶνδε ἐς Ῥώμην θαυμαστὴ καὶ αἰφνίδιος ἦν αὐθις μεταβολή, τῶν μὲν ἐκ τῆς οὐ πρὸ πολλοῦ καταφρονήσεως ἐς δέος, τῶν δὲ ἐς θάρσος ἀπὸ τοῦ δέους μεθισταμένων. αἱ τε προγραφαὶ τῶν δέκα ἀνδρῶν κατεσπῶντο σὺν ὕβρει, καὶ αἱ χειροτονίαι τῶν ὑπάτων ἐπέιχοντο ἔτι μᾶλλον· ἢ τε βουλὴ πάμπαν ἀποροῦσα, καὶ δεδιυῖα, μὴ συνθοῖντο ἀλλήλοις ὃ τε Καῖσαρ καὶ ὁ Ἀντώνιος, ἔπεμπε μὲν ἐς Βροῦτόν τε καὶ Κάσιον κρύφα ἀπὸ σφῶν Λεύκιον καὶ Πάνσαν, ὡς ἐπὶ θέας εἰς Ἑλλάδα ἐξίοντας, ἀμύνειν αὐτοῖς ἐς ὃ δύναιτο, μετεκάλει δὲ ἐκ Λιβύης ἀπὸ τριῶν τῶν ὑπὸ Σέξτιον δύο τέλη, καὶ τὸ τρίτον ἐκέλευε Κορνικικῷ παραδοθῆναι, τῆς ἐτέρας ἄρχοντι Λιβύης καὶ τὰ τῆς βουλῆς φρονοῦντι, εἰδότες μὲν καὶ τούσδε Γαῖῳ Καίσαρι ἐστρατευμένους καὶ τὰ ἐκείνου πάντα ὑπονοοῦντες· ἢ δὲ ἀπορία σφᾶς ὧδε ἤπειγεν, ἐπεὶ καὶ τὸν νέον Καίσαρα, δεδιότες μὴ συνθοῖτο Ἀντωνίῳ, στρατηγὸν αὐθις ἐπὶ Ἀντωνίῳ μάλα ἀπρεπῶς ἐχειροτόνουν ἅμα Δέκμῳ.

[86] ὁ δὲ Καῖσαρ ἤδη τὸν στρατὸν εἰς ὀργὴν ὑπὲρ τε αὐτοῦ, ὡς συνεχῶς ὕβριζόμενος, ἀνεκίνει καὶ ὑπὲρ σφῶν ἐκείνων, ἐπὶ δευτέραν στρατείαν πεμπομένων, πρὶν ἐπὶ τῇ προτέρᾳ λαβεῖν τὰς πεντακίς χιλίας δραχμάς, ὅσας αὐτοῖς ὑπέσχοντο δώσειν· ἐδίδασκέ τε πέμποντας αἰτεῖν. οἱ δ' ἔπεμπον τοὺς λοχαγούς. καὶ ἡ βουλὴ συνίει μὲν αὐτοὺς ἐς ταῦτα διδασκομένους, ἀποκρινεῖσθαι δὲ αὐτοῖς ἔφη δι' ἐτέρων πρέσβεων. καὶ ἔπεμπον, οὓς ἐδίδαξαν τοῖς δύο τέλεσι τοῖς ἀπ' Ἀντωνίου μεθεστηκόσιν ἐντυχεῖν ἄνευ τοῦ Καίσαρος, καὶ διδάσκειν μὴ ἐφ' ἐνὶ ποιεῖσθαι τὰς ἐλπίδας, ἀλλ' ἐπὶ τῇ βουλῇ τὸ κράτος ἀθάνατον ἐχούσῃ μόνῃ, χωρεῖν δὲ πρὸς Δέκμον, ἔνθα σφίσι τὰ χρήματα

ἀπαντήσιν. ταῦτ' ἐπισκήψαντες λέγειν ἐσέφερον ἤδη τὸ ἥμισυ τῆς δωρεᾶς καὶ δέκα ἄνδρας ἐς τὴν διανέμησιν ἐχειροτόνουν, οἷς οὐδὲ ἐνδέκατον προσετίθεσαν εἶναι τὸν Καίσαρα. οἱ μὲν δὴ πρέσβεις, οὐκ ἀνασχομένων τῶν δύο τελῶν ἐντυχεῖν σφίσιν ἄνευ τοῦ Καίσαρος, ὑπέστρεφον ἄπρακτοι· ὁ δὲ Καῖσαρ οὐκέτι τοὺς λόγους καθίει δι' ἐτέρων οὐδὲ μέλλειν ἡξίου, ἀλλ' αὐτὸς ἐς τὸν στρατὸν συνειλεγμένον ἐπελθὼν, τὰ τε ὑβρίσματα, ὅσα ἐς αὐτὸν ἐκ τῆς βουλῆς γεγένητο, κατέλεξε, καὶ τὴν ἐς πάντας τοὺς Γαῖου Καίσαρος ἐπιβουλήν, καθ' ἓνα καθαιρουμένους, δεδιέναι τε αὐτοῖς περὶ σφῶν διεκελεύσατο, μεταφερομένοις ἕξ τε πολέμιον τῆς μοίρας στρατηγὸν καὶ πολέμους ἐτέρους ἀφ' ἐτέρων, ἵν' ἡ ἐκφθαρεῖεν ἢ καὶ πρὸς ἀλλήλους στασιάσειαν· ἐπὶ γὰρ τῷδε καὶ τοῦ περὶ Μουτίνην ἔργου κοινοῦ γεγονότος τὰ γέρα τοῖς δύο τέλεσι μόνοις δίδοσθαι, ἵν' αὐτοὺς ἐς ἔριν καὶ στάσιν ἐμβάλοιν.

[87] “Ἴστε δέ,” ἔφη, ‘καὶ ἐφ’ οἷς ὁ Ἀντώνιος ἔναγχος ἡττήθη οἷά τε τοὺς Πομπηιανοὺς ἐπύθεσθε ἐν ᾧσιν πεποικέναι κατὰ τῶν τινος δωρεᾶς παρὰ Καίσαρος εἰληφόντων. τί δὴ πιστὸν ἢ ὑμῖν ὧν ἐλάβετε παρ’ ἐκείνου χωρίων τε καὶ χρημάτων ἢ ἐμοὶ τῆς σωτηρίας, ὧδε ἐν τῇ βουλῇ δυναστευόντων τῶν οἰκείων τοῖς σφαγεῦσι; κἀγὼ μὲν ἐκδέξομαι τὸ τέλος, ὃ τι ἂν ἐπιγίγνηται μοι· καλὸν γάρ τι καὶ παθεῖν πατρὶ ἐπικουροῦντά, ὑπὲρ δὲ ὑμῶν δέδια τοῖωνδε καὶ τοσῶνδε, κινδυνευόντων ἐς ἐμὴν καὶ τοῦ πατρὸς χάριν. ἴστε μὲν δὴ με καθαρεύοντα φιλοτιμίας, ἐξ οὗ στρατηγεῖν μοι διδόντων ὑμῶν ὑπὸ σημείοις οὐκ ἔδεχόμην· ἐν δὲ μόνον ὁρῶ νῦν ἀμφοτέροις σωτήριον, εἰ δι’ ὑμῶν ὕπατος ἀποδειχθεῖν. τὰ τε γὰρ παρὰ τοῦ πατρὸς ὑμῖν δοθέντα πάντα βέβαια ἔσται, ἀποικία τε προσέσονται αἱ ἔτι ὀφειλόμεναι, καὶ γέρα πάντα ἐντελῆ· ἐγὼ τε τοὺς φονέας ὑπὸ δίκην ἀγαγὼν τοὺς ἄλλους ἂν ὑμῖν καταλύσαιμι πολέμους.’

[88] ὧν λεγομένων ἢ τε στρατιὰ προθύμως ἐπεβόησε, καὶ τοὺς λοχαγοὺς αὐτίκα ἔπεμπον αἰτήσοντας τὴν ἀρχὴν τῷ Καίσαρι. ὑποκριναμένης δὲ τῆς βουλῆς τὴν ἡλικίαν, ἔλεγον οἱ λοχαγοὶ ἃ ἐδιδάχθησαν, ὅτι καὶ πάλαι Κοροῦνός τε ἄρξειε νεώτερος ὧν ἔτι καὶ Σκιπίων ὕστερον, ὃ τε πρότερος καὶ ὁ δεύτερος, καὶ ἐκ τῆς νεότητος ἐκάστου πολλὰ ὄναιτο ἢ πατρίς. τὰ τε ἔναγχος ταῦτα καὶ Πομπήιον Μάγνον αὐτοῖς καὶ Δολοβέλλαν προῦφερον, αὐτῷ τε Καίσαρι ἤδη δεδόσθαι τὴν ἀρχὴν μετιέναι θάσσον ἐτῶν δέκα. ταῦτα τῶν λοχαγῶν σὺν πλεονὶ παρρησία λεγόντων, οὐκ ἀνασχόμενοί τινες τῶν βουλευτῶν λοχαγοὺς ὄντας ὧδε παρρησιάζεσθαι, ἐπέπλησσαν ὡς θρασυνομένοις ὑπὲρ τὸ στρατιώταις πρέπον. καὶ ὁ στρατὸς πυθόμενος ἔτι μᾶλλον ὠργίζοντο καὶ ἄγειν σφᾶς εὐθὺς ἐκέλευον ἐς τὴν πόλιν, ὡς αὐτοὶ χειροτονήσαντες αὐτὸν ἐξαιρέτῳ χειροτονία, Καῖσαρος υἱὸν ὄντα, πολλὰ τε τὸν πρότερον Καίσαρα ἀπαύστως εὐφίμουν. ὧδε δὲ αὐτοὺς ὁρμῆς ἔχοντας ὁ Καῖσαρ ἰδὼν ἦγεν εὐθὺς ἀπὸ τῆς συνόδου, ὅκτῳ τέλει πεζῶν καὶ ἵππων ἱκανὴν καὶ ὅσα ἄλλα τοῖς τέλεσι συνετάσσετο. περάσας δὲ τὸν Ῥουβίκωνα ποταμὸν ἐκ τῆς Κελτικῆς ἐς τὴν Ἰταλίαν, ὃν τινα αὐτοῦ καὶ ὁ πατὴρ ὁμοίως ἐπὶ τῷ πολιτικῷ πολέμῳ πρῶτον ἐπέραςεν, ἐς δύο πάντας διήρει· καὶ τὸ μὲν ἔπεσθαι κατὰ σχολὴν ἐκέλευσε, τὸ δὲ ἄμεινον ἐπιλεξάμενος ἐτρόχαζεν, ἐπειγόμενος ἔτι ἀπαρασκεύους καταλαβεῖν. μέρους τε τῶν χρημάτων ὑπαντῶντος, ἃ ἐς τὰ

γέρα τοῖς στρατιώταις ἢ βουλὴ πεπόμφει, δείσας ἐπὶ τοῖς μισθοφόροις ὁ Καῖσαρ προύπεμπε κρύφα τοὺς ἐκφοβήσοντας· καὶ οἱ μὲν ἔφευγον μετὰ τῶν χρημάτων.

[89] ἔς δὲ τὸ ἄστυ τῆς ἀγγελίας ἀφικομένης θόρυβος ἦν καὶ φόβος ἄπλετος, διαθεόντων τε ἀκόσμως καὶ γύναιά τινων ἢ παῖδας ἢ ὅσα τιμιώτατα ἄλλα ἐς ἀγροὺς ἢ τὰ ἐρυμνὰ τῆς πόλεως μεταφερόντων· οὐ γάρ πω σαφοὺς ὄντος, ὅτι μόνης ὀρέγοιτο ὑπατείας, πολέμιον στρατὸν ἐπιέναι σὺν ὀργῇ πυνθανόμενοι ἐς πάντα ἐδεδοίκεσαν. ἡ βουλὴ δ' ἐξεπέπληκτο ἀμέτρως, οὐδεμιᾶς αὐτοῖς οὔσης ἐτοίμου δυνάμεως, ἀλλήλους τε, οἷον ἐν τοῖς φόβοις γίγνεται, κατεμέφοντο, οἱ μὲν ὅτι τὴν στρατιὰν αὐτὸν ἀφέλοινο τὴν ἐπὶ τὸν Ἀντώνιον ὑβριστικῶς, οἱ δὲ τῆς ἐς τὸν θρίαμβον ὑπεροψίας, οὐκ ἄδικον ὄντα, οἱ δὲ τοῦ φθόνου τῆς διανεμήσεως τῶν χρημάτων, οἱ δὲ οὐδὲ ἐνδέκατον ἐπιγράψαντες· οἱ δὲ αὐτὰ τὰ ἄθλα, οὔτε ὀξέως οὔτε ἐντελῇ διδόμενα, τὴν στρατιὰν σφίσιν ἔλεγον ἐκπολεμῶσαι. τῆς τε φιλονικίας τὸ ἄκαιρον μάλιστα ἐμέφοντο, Βρούτου μὲν καὶ Κασσίου πορρωτέρω τε ὄντων καὶ συνισταμένων ἔτι, ἐν δὲ πλευραῖς Ἀντωνίου καὶ Λεπίδου πολεμίῳ· οὓς ὅτε ἐνθυμηθεῖεν Καίσαρι συναλλαγήσεσθαι, ἀμπαν ἤκμαζεν ὁ φόβος. Κικέρων τε, ὃς τέως αὐτοῖς ἐπεπόλαζεν, οὐδὲ ἐφαίνετο.

[90] ἄθρόα δὴ πάντων ἐς πάντα ἦν μετάθεσις, ἀντὶ μὲν δισχιλίων καὶ πεντακοσίων δραχμῶν τὰς πεντακισχιλίας, ἀντὶ δὲ τῶν δύο τελῶν τοῖς ὀκτὼ δοθῆναι, Καίσαρά τε αὐτοῖς ἀντὶ τῶν δέκα ἀνδρῶν διανέμειν καὶ ἐς τὴν ὑπατον ἀρχὴν παραγγέλλειν ἀπόντα. πρέσβεις τε ἐξέτρεχον, οἱ τάδε φράσειν ἔμελλον αὐτῷ κατὰ σπουδὴν. ὦν ἄρτι τῆς πόλεως ἐκδραμόντων μετάνοια ἐνέπιπτε τῇ βουλῇ, μὴ δεῖν οὕτως ἀνάνδρως καταπεπληῆχθαι, μηδὲ ἐτέραν ἐνδέξασθαι τυραννίδα ἀναιμωτῇ, μηδὲ ἐθίσαι τοὺς ἀρχῆς ἐφιεμένους ἐκ βίας τυγχάνειν, μηδὲ τοὺς στρατευομένους ἐξ ἐπιτάγματος ἄρχειν τῆς πατρίδος, ὀπλισαμένους δὲ ἐκ τῶν ἐνόντων τοὺς νόμους τοῖς ἐπιούσι προτείνειν· προσδοκᾷ γὰρ οὐδὲ ἐκείνους νόμων προτεινομένων ὅπλα τῇ πατρίδι ἐποίσειν· εἰ δὲ φέροιεν, ἀνέχεσθαι τε πολιορκίας, μέχρι Δέκμος ἢ Πλάγκος ἔλθοι· καὶ ἀμύνεσθαι μέχρι θανάτου μᾶλλον ἢ ἐκόντας ἐνδέξασθαι δουλείαν ἄνωθεν ἀδιόρθωτον· τὰ τε ἀρχαῖα Ῥωμαίων ἐπὶ ἐλευθερίᾳ φρονήματα καὶ πάθη, πρὸς οὐδὲν ἐνδόντων ὑπὲρ ἐλευθερίας, ἀνελέγοντο.

[91] ἐπεὶ δὲ αὐτοῖς καὶ τὰ δύο τέλη τὰ ἐκ Λιβύης μετάπεμπτα ἐς τὸν λιμένα αὐτῆς ἡμέρας ἀφίκετο, τοὺς θεοὺς σφᾶς ἔδοξαν ἐπὶ τὴν ἐλευθερίαν ἐποτρύνειν. ἡ μὲν δὴ μετάνοια ἐκεκύρωτο, καὶ μετεψηφίζετο ἅπαντα, Κικέρωνος αὐτῆς αὐτοῖς ἐπιφανέντος· ἡ τε στρατεύσιμος ἡλικία προεγράφετο πᾶσα, καὶ τὰ δύο τέλη τάδε, τὰ ἐκ Λιβύης, καὶ οἱ σὺν αὐτοῖς ἱππᾶς χίλιοι καὶ τέλος ἕτερον, ὃ Πάνσας αὐτοῖς ὑπολελοίπει, πάντες οἶδε μερισθέντες οἱ μὲν τὸν λόφον τὸν καλούμενον Ἰάνουκλον, ἔνθα καὶ τὰ χρήματα ἐσώρευσαν, ἐφρούρουν, οἱ δὲ τὴν τοῦ ποταμοῦ γέφυραν, ἐπιδιηρημένων σφίσι τῶν στρατηγῶν τῶν κατὰ τὴν πόλιν· ἄλλοι δὲ αὐτοῖς τὰ ἐν τῷ λιμένι σκάφη καὶ ναῦς καὶ χρήματα εὐτρέπιζον, εἰ δεήσειεν ἡττωμένους φυγεῖν διὰ θαλάσσης. καὶ τάδε σὺν εὐθαρσεῖᾳ πράσσοντες οὕτως ὀξέως ἤλπιζον ἀντικαταπλήξειν τὸν Καίσαρα, καὶ ἡ μεταπίσειν παρὰ σφῶν ἀντὶ τοῦ στρατεύματος αἰτεῖν τὴν

ἀρχήν, ἣ ἐγκρατῶς ἀμυνεῖσθαι: τοὺς τε τῆς ἐναντίας μοίρας νῦν γε μεταθήσεσθαι προσεδόκων, μέχρι περὶ τῆς ἐλευθερίας ἐστὶν ὁ ἀγών. τὴν δὲ μητέρα Καίσαρος καὶ τὴν ἀδελφὴν οὔτε φανερώς οὔτε λάθρα ζητοῦντες εὔρισκον. ἐθορυβοῦντο οὖν αὐθις ὁμήρων μεγάλων ἀφηρημένοι: καὶ τῶν Καισαριανῶν οὕτω σφίσις ἐπικλωμένων, ὑπὸ ἐκείνων αὐτὰς ὧδε ἀκριβῶς ἐνόμιζον ἐπικρύπτεσθαι.

[92] Καίσαρι δὲ ἔτι τῶν πρέσβων ἐντυγχανόντων τὰ μετεψηφισμένα ἀγγέλλεται: καὶ αὐτὸν οἱ πρέσβεις ἀπολιπόντες ἀνέστρεφον ὑπὸ αἰδοῦς. ὁ δὲ τῷ στρατῷ μᾶλλον ἔτι παρωξυμμένῳ κατὰ σπουδὴν ἐχώρει, σὺν φόβῳ μὴ τι πάθοιεν αἱ γυναῖκες: ἔς τε τὸν δῆμον τεθορυβημένον ἰπτεᾶς ἔπεμψεν ἀτρεμεῖν ἐπικελεύων, καὶ τεθηπτότων πάντων τὰ πέραν τοῦ Κυριναλίου λόφου κατέλαβεν, οὐδενὸς ἐς χεῖρας ἐλθεῖν ἢ κωλύειν ὑποστάντος. ἦν τε αὐθις ἑτέρα θαυμάσιος ἄφνω μεταβολή, θεόντων ἐς αὐτὸν τῶν ἐπιφανῶν καὶ προσαγορευόντων: ἔθι δὲ καὶ ὁ δημότης λεῶς καὶ τὴν εὐταξίαν τῶν στρατιωτῶν ὡς εἰρηνικὴν ἀπεδέχοντο. ὁ δὲ τὸν στρατόν, ἔνθα περ ἦν, ἀπολιπὼν ἐχώρει τῆς ἐπιούσης πρὸς τὸ ἄστυ, φυλακὴν ἔχων ἀμφ' αὐτὸν ἱκανήν. οἱ δὲ καὶ τότε ὑπῆντων δι' ὅλης τῆς ὁδοῦ κατὰ μέρη καὶ προσηγόρευον, οὐδὲν ἐνδέοντες ἢ φιλοφροσύνης ἢ θεραπείας ἀσθενοῦς. ἡ δὲ μήτηρ αὐτοῦ καὶ ἡ ἀδελφὴ ἐν τῷ τῆς Ἑστίας ἱερῷ μετὰ τῶν ἱερῶν παρθένων ἡσπάσαντο. καὶ τὰ τρία τέλη, τῶν στρατηγῶν ὑπεριδόντα, πρὸς αὐτὸν ἐπρέσβευε καὶ μετετίθετο: καὶ τῶν στρατηγῶν οἱ ἦρχον αὐτῶν, Κορνοῦτος μὲν ἑαυτὸν ἔκτεινε, οἱ δ' ἄλλοι σπονδῶν καὶ πίστεων ἔτυχον. Κικέρων τε τῶν σπονδῶν πυθόμενος ἔπραξε διὰ τῶν Καίσαρος φίλων ἐντυχεῖν αὐτῷ, καὶ ἐντυχὼν ἀπελογεῖτο καὶ τὴν εἰσηγήσιν τῆς ὑπατείας ὑπερεπῆρεν, ἦν αὐτὸς ἐν τῇ βουλῇ πρότερον εἰσηγήσατο. ὁ δὲ τοσοῦτον ἀπεκρίνατο ἐπισκώπτων ὅτι τῶν φίλων αὐτῷ τελευταῖος ἐντυγχάνοι.

[93] νυκτὸς δ' ἄφνω δόξης γενομένης, ὅτι δύο τέλη Καίσαρος, τό τε Ἄρειον καὶ τὸ τέταρτον, μεταθοῖτο ἐς τὴν πόλιν ὡς δι' ἐνέδρας ἐπὶ τὴν πατρίδα ἐπαχθέντα, οἱ στρατηγοὶ καὶ ἡ βουλὴ πάμπαν ἀταλαιπώρως ἐπίστευσαν, καί περ ὄντος ἐγγυτάτω τοῦ στρατοῦ: νομίσαντές τε ἀνθέξιν αὐτοῖς οὓσιν ἀρίστοις πρὸς τὰ λοιπὰ τοῦ Καίσαρος, μέχρι τις ἐτέρωθεν αὐτοῖς ἰσχὺς ἐπιγένοιτο, νυκτὸς ἔτι Μάνιον Ἀκύλιον Κράσσον ἐς τὴν Πικηνίτιδα ἐξέπεμπον στρατὸν ἀθροίζειν, καὶ τῶν τινα δημάρχων Ἀπουλήιον ἐς τὸν δῆμον ἐποιοῦν τὸ εὐαγγέλιον ἐκφέρειν περιθέοντα. ἡ τε βουλὴ νυκτὸς ἐς τὸ βουλευτήριον συνέθεον, Κικέρωνος ἐπὶ ταῖς θύραις αὐτοὺς δεξιουμένου. ψευδοὺς δὲ τῆς δόξης φανείσης ἐν φορεῖῳ διέφυγεν.

[94] ὁ δὲ Καῖσαρ ἐπιγελάσας αὐτοῖς τὸν μὲν στρατὸν ἐγγυτέρω τῆς πόλεως προήγαγεν, ἐς τὸ πεδῖον τὸ καλούμενον Ἄρειον, τῶν δὲ στρατηγῶν τότε μὲν οὐδένα ἡμύνατο, οὐδὲ Κράσσον τὸν ἐς Πικίην ἐκδραμόντα, καί περ οἱ προσαχθέντα ὡς εἶχε ληφθεῖς ἐν σχήματι οἰκέτου, ἀλλὰ μεθῆκεν ἅπαντας ἐς δόξαν φιλανθρωπίας. οὐ πολὺ δὲ ὕστερον ἐπὶ θανάτῳ προυγράφησαν. τὰ χρήματα δέ, ὅσα τε κοινὰ ἦν ἐν τῷ Ἰανούκῳ ἢ ἐτέρωθι καὶ ἄλλα συνενεχθῆναι κελεύσας, ὅποσα Κικέρωνος ἐσηγομένου πρότερον αὐτοῖς ἐπεγέγραπτο, διένειμεν ἀνὰ δισχιλίαις καὶ πεντακοσίαις δραχμαῖς τῷ στρατῷ,

καὶ τὸ ἐπίλοιπον ἐπιδώσειν ὑπέσχετο. καὶ τῆς πόλεως ὑπεξήλθε, μέχρι χειροτονήσαιεν ὑπάτους αἰρετούς. αἰρεθεὶς δὲ αὐτὸς σὺν ᾧ περ ἐβούλετο Κοῖντῳ Πεδίῳ, ὃς τὸ μέρος αὐτῷ δεδώρητο τῆς Καίσαρος κληρονομίας, ἐς τὴν πόλιν αὐτῆς ὡς ὕπατος ἐσῆει, καὶ ἔθνε, δώδεκά οἱ γυνῶν φανέντων, ὅσους φασὶ καὶ Ῥωμύλῳ τὴν πόλιν οἰκίζοντι ὀφθῆναι. ἀπὸ δὲ τῶν θυσιῶν ἑαυτὸν εἰσεποιεῖτο τῷ πατρὶ αὐτῆς κατὰ νόμον κουριάτιον. ἔστι δ' ἐπὶ τοῦ δήμου γίνεσθαι τὴν θέσιν: κουρίας γὰρ ἐς μέρη τὰς φυλάς ἢ τοὺς δήμους διαιροῦντες καλοῦσιν, ὡς Ἕλληνες, εἰκάζοντι φάναι, φατρίας. ἐπινομώτατος δ' ἐστὶ Ῥωμαίοις ὁ τρόπος οὗτος ἐπὶ τῶν ἀπατόρων: καὶ δύνανται μάλιστα αὐτοὶ ἴσα τοῖς γνησίοις παισὶν ἄγειν τοὺς συγγενεῖς τῶν θεμένων καὶ ἀπελευθέρους. Γαῖῳ δ' ἦν τὰ τε ἄλλα λαμπρὰ καὶ ἐξελεύθεροι πολλοὶ τε καὶ πλούσιοι, καὶ διὰ τόδ' ἴσως μάλιστα ὁ Καῖσαρ ἐπὶ τῇ προτέρᾳ θέσει, κατὰ διαθήκας οἱ γενομένη, καὶ τῆσδε ἐδέηθη.

[95] νόμῳ δ' ἐτέρῳ ἀπέλυε μὴ εἶναι πολέμιον Δολοβέλλαν, καὶ εἶναι φόνον δίκας ἐπὶ Καίσαρι. καὶ εὐθὺς ἦσαν γραφαί, τῶν φίλων τοῦ Καίσαρος γραφομένων τοὺς μὲν αὐτόχειρας, τοὺς δὲ συνεγνωκέναι μόνον. καὶ γὰρ τοῦτο ἐνίοις ἐπεγράφη, καὶ τισιν οὐδ' ἐπιδημήσασιν, ὅτε ὁ Καῖσαρ ἐκτείνεται. πᾶσι δ' ὀρισθείσης ὑπὸ κηρύγματι μιᾶς ἡμέρας ἐς κρίσιν, ἐρήμην ἅπαντες ἐάλωσαν, ἐφορῶντος τὰ δικαστήρια τοῦ Καίσαρος καὶ τῶν δικαστῶν οὐδενὸς τὴν ἀπολύουσαν φέροντος πλὴν ἑνὸς ἀνδρὸς τῶν ἐπιφανῶν, ὃς τότε μὲν οὐδ' αὐτὸς τι ἔπαθε, μικρὸν δ' ὕστερον ἐπὶ θανάτῳ μετὰ τῶν ἄλλων καὶ ὅδε προυγράφη. ἔδοξε δὲ ταῖσδε ταῖς ἡμέραις Κόιντος Γάλλιος, ἀδελφὸς Μάρκου Γαλλίου συνόντος Ἀντωνίῳ, τὴν πολιτικὴν στρατηγίαν ἄρχων, αἰτῆσαι παρὰ Καίσαρος τὴν στρατηγίαν τῆς Λιβύης, καὶ οὕτω τυχὼν ἐπιβουλεύσαι τῷ Καίσαρι: καὶ αὐτοῦ τὴν μὲν στρατηγίαν περιεῖλον οἱ σύναρχοι, τὴν δ' οἰκίαν διήρπασεν ὁ δῆμος, ἡ δὲ βουλὴ κατεγίνωσκε θάνατον. ὁ δὲ Καῖσαρ ἐς τὸν ἀδελφὸν ἐκέλευσε χωρεῖν, καὶ δοκεῖ νεῶς ἐπιβάς οὐδαμοῦ ἔτι φανῆναι.

[96] τοσάδε πράξας ὁ Καῖσαρ ἐπενόει μὲν τὰς ἐς τὸν Ἀντώνιον διαλύσεις, πυνθανόμενος ἤδη τοῖς ἀμφὶ τὸν Βρούτον εἴκοσι συνῆχθαι τέλη στρατοῦ, καὶ χρίζων ἐπ' αὐτὰ Ἀντωνίου, ἐξῆει δὲ τῆς πόλεως ἐπὶ τὸν Ἴονιον καὶ σχολαίως ἀνεξεύγνυε, τὰ παρὰ τῆς βουλῆς ἐπιμένων: Πέδιος γὰρ αὐτὴν ἀποστάντος τοῦ Καίσαρος ἔπειθε τὰ ἐς ἀλλήλους μὴ δυσίατα ποιουμένους συναλλαγῆναι Λεπίδῳ τε καὶ Ἀντωνίῳ. οἱ δὲ προεώρων μὲν ὅτι μὴ σφίσι μὴδ' ὑπὲρ τῆς πατρίδος εἰσὶν αἱ διαλλαγαί, ἀλλ' ἐς συμμαχίαν Καίσαρι κατὰ Κασσίου τε καὶ Βρούτου, ἐπῆνουν δ' ὁμως καὶ συνετίθεντο ὑπ' ἀνάγκης. καὶ τὰ πολέμια δόγματα Ἀντωνίου τε καὶ Λεπίδου καὶ τῶν ὑπ' αὐτοῖς στρατῶν κατελύετο, εἰρηναῖα δὲ ἕτερα αὐτοῖς ἐπέμπετο. καὶ ὁ Καῖσαρ αὐτοῖς συνήδετο γράφων, Ἀντωνίῳ δὲ καὶ βοηθὸς ἐπὶ Δέκμου ὑπισχεῖτο ἥξειν, εἰ δέοιτο. οἱ δὲ ἀντεφιλοφρονοῦντο μὲν αὐτὸν ἄφνω καὶ ἐπῆνουν, ὁ δ' Ἀντώνιος ἔγραφεν αὐτὸς ἀποτίσεσθαι Δέκμον τε ὑπὲρ Καίσαρος καὶ Πλάγκον ὑπὲρ ἑαυτοῦ καὶ συμμίζειν Καίσαρι.

[97] τοσάδε μὲν ἀλλήλοις ἐπέστειλαν, διώκοντι δὲ τῷ Ἀντωνίῳ Δέκμον προσγίγνεται Πολλίων Ἀσίνιος ἄγων δύο τέλη. καὶ Πλάγκῳ μὲν Ἀσίνιος ἔπραξε διαλλαγὰς, καὶ ὁ Πλάγκος σὺν τρισὶ τέλεσι μεθίστατο ἐς τὸν Ἀτώνιον,

ὥστε ἤδη βαρυτάτης δυνάμεως ἦρχεν ὁ Ἀντώνιος· Δέκμῳ δὲ ἦν τέλη δέκα, ὧν τέσσαρα μὲν τὰ ἐμπειροπολεμώτατα ὑπὸ λιμοῦ διέφθαρτο καὶ ἐνόσει ἔτι, τὰ νεοστράτευτα δὲ ἦν ἕξ, ἀταλαίπωρα ἔτι καὶ πόνων ἄπειρα. ἀπογνοὺς οὖν μάχεσθαι, φεύγειν ἔκρινε πρὸς Βροῦτον ἐς Μακεδονίαν. ἔφευγε δ' οὐκ ἐπὶ τάδε τῶν Ἑλλήνων, ἀλλ' ἐς Ῥάβενναν ἢ Ἀκυληίαν. ἐπεὶ δὲ Καῖσαρ ὤδευε ταύτη, ἄλλην μακροτέραν ὁδὸν καὶ δύσπορον ἐπενόει, τὸν τε Ῥήνον περᾶσαι καὶ τὰ ἀγριώτερα τῶν βαρβάρων ὑπερελθεῖν· ὅθεν αὐτὸν ὑπὸ τε τῆς ἀπορίας καὶ τοῦ καμάτου πρῶτοι μὲν οἱ νεοστράτευτοι καταλιπόντες ἐς Καίσαρα ἐχώρουν, ἐπὶ δὲ ἐκείνοις καὶ τὰ ἀρχαιότερα τέσσαρα ἐς Ἀντώνιον καὶ ὁ ἄλλος ὁμίλος ἤδη χωρὶς τῶν σωματοφυλάκων ἱππέων Κελτῶν. ὁ δὲ καὶ τούτων τοῖς ἐθέλουσιν ἐπιτρέψας ἐς τὰ οἰκεῖα σφῶν ἀφίστασθαι καὶ διαδοὺς ἐκ τοῦ παρόντος ἔτι χρυσίου, μετὰ τριακοσίων τῶν παραμεινάντων μόνων ἐπὶ τὸν Ῥήνον ἐφέρετο. δυσπόρου δ' ὄντος αὐτοῦ περᾶν σὺν ὀλίγοις, ἀπελείφθη καὶ ὑπὸ τῶνδε πλὴν δέκα μόνων. ἤλλαξε δὲ τὴν ἐσθῆτα ἐς τὸ Κελτικόν, ἐξεπιστάμενος ἅμα καὶ τὴν φωνήν, καὶ διεδίδρασκε σὺν ἐκείνοις οἷά τις Κελτός, οὐ τὴν μακροτέραν ἔτι περιών, ἀλλὰ ἐπὶ Ἀκυληίας, λήσεσθαι νομίζων διὰ τὴν ὀλιγότητα.

[98] ἀλοὺς δὲ ὑπὸ ληστῶν καὶ δεθείς, ἤρετο μὲν ὅτου Κελτῶν δυνάστου τὸ ἔθνος εἶη, μαθὼν δ' ὅτι Καμίλου, πολλὰ πεποιηκὼς εὖ τὸν Κάμιλον, ἄγειν αὐτὸν αὐτοῖς ἐς τὸν Κάμιλον ἐκέλευεν. ὁ δὲ ἀχθέντα ἰδὼν ἐφιλοφρονεῖτο μὲν ἐς τὸ φανερόν καὶ τοῖς δήσασιν ἐπεμέμφετο ὑπ' ἀγνοίας ἐνυβρίσασιν ἄνδρι τοσῶδε, κρύφα δ' ἐπέστελλεν Ἀντωνίῳ. καὶ ὁ Ἀντωνίος τι παθὼν ἐπὶ τῇ μεταβολῇ οὐχ ὑπέστη τὸν ἄνδρα ἰδεῖν, ἀλλ' ἐκέλευσε τῷ Καμίλῳ κτείναντα τὴν κεφαλὴν ἐς αὐτὸν ἐκπέμψαι· καὶ τὴν κεφαλὴν ἰδὼν ἐκέλευσε τοῖς παροῦσι θάψαι. τοῦτο Δέκμῳ τέλος ἦν, ἱπάρχη τε Καίσαρος γενομένῳ καὶ ἄρξαντι τῆς παλαιᾶς Κελτικῆς ὑπ' ἐκεῖνον καὶ ἐς τὸ μέλλον ἔτος ὑπατεύειν ὑπ' αὐτοῦ κεχειροτονημένῳ καὶ τῆς ἐτέρας Κελτικῆς ἄρχειν. καὶ δεῦτερος τῶν σφαγέων οὗτος ἐπὶ Τρεβωνίῳ δίκην ἐδίδου μετ' ἐνιαυτόν που καὶ ἡμισυ τῆς ἀναιρέσεως. τῷ δ' αὐτῷ χρόνῳ καὶ Μινούκιος Βάσιλος, σφαγεὺς καὶ ὅδε Καῖσαρος, ὑπὸ τῶν θεραπόντων ἀνηρέθη, εὐνουχίζων τινὰς αὐτῶν ἐπὶ τιμωρίᾳ.

Book 4

δύο μὲν δὴ Γαῖου Καίσαρος φονεῖς οὕτω δίκην, ἐν ταῖς σφετέραις αὐτῶν στρατηγίαις ἐκπολεμηθέντες, ἐδεδώκεσαν, Τρεβόνιος ἐν τῇ Ἀσίᾳ καὶ Δέκμος ἐν τῇ Κελτικῇ: ὅπως δὲ ἔδοσαν Κάσσιός τε καὶ Βροῦτος, οἱ καὶ μάλιστα τῆς ἐπιβουλῆς ἐπὶ τῷ Καίσαρι ἤρξαν, καὶ γῆς ἐκράτουν ἀπὸ Συρίας ἐπὶ Μακεδονίαν ἀπάσης, καὶ στρατὸς ἦν αὐτοῖς πολὺς, ἱππικός τε καὶ ναυτικός καὶ ὀπλιτῶν ὑπὲρ εἴκοσι τέλη, καὶ νῆες ὁμοῦ καὶ χρήματα, ἡ τετάρτη τῶν ἐμφυλίων ἦδε ὑποδείκνυσιν. ἅμα δὲ τούτοις ἐγίνοντο αἱ ἐν Ῥώμῃ τῶν ἐπὶ θανάτῳ προγραφέντων ἔρευναί τε καὶ εὐρέσεις καὶ παθήματα ἀάμπαν ἐπαχθῇ, οἷα οὐτε ἐπὶ Ἑλλήνων ἐν στάσεσιν ἢ πολέμοις οὐτ' ἐπὶ Ῥωμαίων αὐτῶν ἐμνημονεύετο γενέσθαι, πλὴν ἐπὶ μόνου Σύλλα τοῦ πρώτου τοὺς ἐχθροὺς ἐς θάνατον προγράψαντος. Μάριος μὲν γὰρ ἐζήτει καὶ ἐκόλαζεν, οὓς εὖροι: Σύλλας δὲ ὑπὸ μισθοῖς τε μεγάλοις καὶ κολάσεσι τῶν ἐπικρυσψάντων ὁμοίαις τὸν ἐντυχόντα κτείνειν προέγραφεν. καὶ τὰ μὲν ἀμφὶ Μάριον τε καὶ Σύλλαν ἐν τοῖς περὶ ἐκείνων προεῖρηται, τὰ δὲ ἐξῆς οὕτως ἐγένετο.

[2] Καῖσαρ μὲν καὶ Ἀντώνιος ἐς φιλίαν ἀπ' ἐχθρας συνήεσαν ἀμφὶ Μουτίνην πόλιν, ἐς νησίδα τοῦ Λαβινίου ποταμοῦ βραχεῖαν τε καὶ ὑπτίαν, ἔχων ἐκάτερος ὀπλιτῶν τέλη πέντε: καὶ τάδε ἀλλήλοις ἀντικαθιστάντες ἐχώρουν σὺν τριακοσίοις ἐκάτερος ἐπὶ τὰς τοῦ ποταμοῦ γεφύρας. Λέπιδος δ' αὐτὸς προελθὼν διηρεύνα τὴν νῆσον καὶ τῇ χλαμύδι κατέσειεν ἥκειν ἐκάτερον. οἱ δὲ ἐπὶ τῶν γεφυρῶν τοὺς τριακοσίους μετὰ τῶν φίλων ἀπολιπόντες ἐς τὸ μέσον ἦσαν ἐν περιόπτῳ, καὶ συνήδρευον οἱ τρεῖς, Καίσαρος ἐν μέσῳ διὰ τὴν ἀρχὴν προκαθίσαντος. δύο δὲ ἡμέραις ἔωθεν ἐς ἐσπέραν συνιόντες τάδε ἔκριναν: ἀποθέσθαι μὲν τὴν ὑπατον ἀρχὴν Καίσαρα καὶ Οὐεντίδιον αὐτὴν ἐς τὸ λοιπὸν τοῦ ἔτους μεταλαβεῖν, καινὴν δὲ ἀρχὴν ἐς διόρθωσιν τῶν ἐμφυλίων νομοθετηθῆναι Λεπίδῳ τε καὶ Ἀντωνίῳ καὶ Καίσαρι, ἣν ἐπὶ πενταετὲς αὐτοὺς ἄρχειν, ἴσον ἰσχύουσαν ὑπάτοις: ὧδε γὰρ ἔδοξεν ἀντὶ δικτατόρων ὀνομάσαι, διὰ τὸ δόγμα ἴσως τὸ Ἀντωνίου κωλῶν ἔτι γίνεσθαι δικτάτορα. τοὺς δὲ ἀποφῆναι μὲν αὐτίκα τῆς πόλεως ἄρχοντας ἐς τὰ ἐτήσια ἐπὶ τὴν πενταετίαν, τὰς δὲ ἡγεμονίας τῶν ἐθνῶν νειμαμένους, ἔχειν Ἀντώνιον μὲν τὴν Κελτικὴν ἅπασαν ἄνευ τῆς συναφοῦς τοῖς Πυρρηναίοις ὄρεσιν, ἣν παλαιὰν ἐκάλουν Κελτικὴν: ταύτης δὲ Λεπίδον ἄρχειν καὶ Ἰβηρίας ἐπὶ ταύτῃ: Καίσαρι δὲ εἶναι Λιβύην καὶ Σαρδῶ καὶ Σικελίαν καὶ εἴ τις ἄλλη νῆσος ἐνταῦθα.

[3] ὧδε μὲν τὴν Ῥωμαίων ἡγεμονίαν οἱ τρεῖς ἐνείμαντο ἐφ' ἑαυτοῖς, τὰ πέραν ἄρα τοῦ Ἰονίου μόνα ὑπερθέμενοι διὰ Βροῦτον καὶ Κάσσιον κρατοῦντας ἔτι αὐτῶν, Κασσιῷ δὲ καὶ Βρούτῳ πολεμεῖν Ἀντώνιον τε καὶ Καίσαρα: Λεπίδον γὰρ ὑπατεύειν ἐς τὸ μέλλον καὶ τῇ πόλει διὰ τὰς ἐν αὐτῇ χρείας ὑπομένειν, ἡγεμονεύοντα τῆς Ἰβηρίας δι' ἐτέρων: τοῦ δὲ Λεπίδου στρατοῦ τρία μὲν αὐτὸν Λεπίδον ἔχειν ἐς τὰ ἐπὶ Ῥώμης, ἐπτὰ δὲ τέλη νείμασθαι Καίσαρα καὶ Ἀντώνιον, τρία μὲν Καίσαρα, τέσσαρα δὲ Ἀντώνιον, ὥς ἂν ἐς τὸν πόλεμον αὐτῶν ἐκάτερος εἴκοσιν ἄγοι. ἐπελπίσαι δὲ ἤδη τὸν

στρατὸν ἐς τὰ νικητήρια τοῦ πολέμου, ἄλλαις τε δωρεαῖς καὶ ἐς κατοικίαν δόσεσι τῶν Ἰταλικῶν πόλεων ὀκτωκαίδεκα, αἱ καὶ περιουσίαι καὶ ἐδάφεσι καὶ οἴκοις εἰς κάλλος διαφέρουσαι ἔμελλον αὐτοῖς ἐδάφεσι καὶ οἴκοις αὐτῶ διανεμήσεσθαι, ὥσπερ αὐτοῖς ἀντὶ τῆς πολεμίας δορίληπτοι γενόμεναι. καὶ ἦσαν αἱ πόλεις ἄλλαι τε καὶ αἱ περιφανέσταται μάλιστα αὐτῶν Καπύη καὶ Ῥήγιον καὶ Οὐενουσία καὶ Βενεβεντὸς καὶ Νουκερία καὶ Ἀρίμινον καὶ Ἰπώνιον. οὕτω μὲν τὰ κάλλιστα τῆς Ἰταλίας τῷ στρατῷ διέγραφον, ἔδοξε δὲ σφίσι καὶ τοὺς ἰδίους ἐχθροὺς προανελεῖν, ἵνα μὴ ἐνοχλοῖεν αὐτοῖς τάδε καθισταμένοις καὶ πολέμοις πόλεμον ἔκδημον. ταῦτα μὲν ἔδοξε, καὶ ταῦτα συνεγράψαντο· καὶ αὐτῶν ὁ Καῖσαρ ὡς ὕπατος ἀνέγνω τοῖς στρατοῖς τὰ λοιπὰ χωρὶς τῶν ἀποθανουμένων. οἱ δ' ἀκούσαντες ἐπαιώνισάν τε καὶ ἡσπάσαντο ἀλλήλους ἐπὶ διαλλαγῇ.

[4] γιγνομένων δὲ τούτων τέρατα καὶ σημεῖα ἐν Ῥώμῃ πολλὰ καὶ φοβερὰ ἦν. κύνες τε γὰρ ὠρύοντο ὁμαλῶς οἷα λύκοι, σύμβολον ἀηδὲς, καὶ λύκοι τὴν ἀγορὰν διέθεον, οὐκ ἐπιχωριάζον ἐν πόλει ζῶον, βοῦς τε φωνὴν ἀφῆκεν ἀνθρώπου, καὶ βρέφος ἀρτίτοκον ἐφθέγξατο, καὶ τῶν ζοάνων τὰ μὲν ἴδρου, τὰ δὲ καὶ αἷμα ἴδρου, ἀνδρῶν τε μεγάλαι βοαὶ καὶ κτύπος ὅπλων καὶ δρόμος ἵππων οὐχ ὀρωμένων ἠκούετο. ἀμφὶ τε τὸν ἥλιον ἀηδὴ σημεῖα πολλὰ, καὶ λιθῶδεις ἐγίνοντο ὑετοί, καὶ κεραυνοὶ συνεχεῖς ἐς ἱερὰ καὶ ἀγάλματα ἐπιπτον. ἐφ' οἷς ἡ μὲν βουλή θύτας καὶ μάντις συνῆγεν ἀπὸ Τυρρηνίας· καὶ ὁ πρεσβύτατος αὐτῶν, τὰς πάλαι βασιλείας ἐπανήξειν εἰπών, καὶ δουλεύσειν ἅπαντας χωρὶς ἑαυτοῦ μόνου, τὸ στόμα κατέσχε καὶ τὸ πνεῦμα, ἕως ἀπέθανεν.

[5] οἱ δὲ τρεῖς ἄνδρες ἐφ' ἑαυτῶν γενομένοι τοὺς ἀποθανουμένους συνέγραφον, τοὺς τε δυνατοὺς ὑφορώμενοι καὶ τοὺς ἰδίους ἐχθροὺς καταλέγοντες, οἰκείους τε σφῶν αὐτῶν ἢ φίλους ἐς τὴν ἀναίρεσιν ἀντιδιδόντες ἀλλήλοις καὶ τότε καὶ ὕστερον. προσκατελέγοντο γὰρ δὴ καὶ ἕτεροι μεθ' ἑτέρους, οἱ μὲν ἀπ' ἔχθρας, οἱ δὲ μόνου προσκρούματος ἢ φιλίας ἐχθρῶν ἢ φίλων ἔχθρας ἢ πλούτου διαφέροντος. ἐδέοντο γὰρ ἐς τὸν πόλεμον χρημάτων πολλῶν, Βρούτῳ μὲν καὶ Κασσίῳ τῶν ἀπὸ τῆς Ἀσίας φόρων δεδομένων τε καὶ προσοδομένων ἔτι καὶ βασιλέων καὶ σατραπῶν συμφερόντων, αὐτοὶ δ' ἐπὶ τῆς Εὐρώπης καὶ μάλιστα τῆς Ἰταλίας πόλεμοις τε καὶ εἰσφοραῖς τετρυμένης ἀποροῦντες· δι' ἃ καὶ τοῖς δημόταις καὶ ταῖς γυναιξὶ λήγοντες ἐπέγραψαν εἰσφορὰς βαρυτάτας, καὶ τέλη πράσεων καὶ μισθώσεων ἐπενόησαν. ἤδη δὲ τις καὶ διὰ κάλλος ἐπαύλεως καὶ οἰκίας προεγράφη. καὶ ἐγένοντο πάντες οἱ θανάτου τε καὶ δημεύσεως κατεγνωσμένοι ἀπὸ μὲν τῆς βουλῆς ἀμφὶ τοὺς τριακοσίους, ἀπὸ δὲ τῶν καλουμένων ἱππέων ἐς δισχιλίους. καὶ ἦσαν ἐν αὐτοῖς ἀδελφοί τε καὶ θεῖοι τῶν προγραφόντων, καὶ τῶν ὑπ' αὐτοῖς ἡγεμόνων, ὅσοι τι τοῖς ἄρχουσιν ἢ τοῖς ἡγεμόσι προσεκεκρούκεσαν.

[6] τὸ μὲν δὴ πλῆθος αὐτῶν ἀπὸ τῆς συνόδου διελθόντες ἐς Ῥώμην προγράψειν ἔμελλον, δυνάδεκα δὲ ἄνδρας, ἧ, ὡς ἕτεροι λέγουσιν, ἑπτακαίδεκα, τοὺς μάλιστα δυνατούς, ἐν οἷς ἦν καὶ Κικέρων, ἔδοξε προανελεῖν ἐπιτέμψαντας ἄφνω. καὶ τῶνδε μὲν τέσσαρες αὐτίκα ἀνῆρέθησαν ἐν ἐστιάσεσιν τε καὶ ὑπαντήσεσι· ζητουμένων δὲ τῶν ἄλλων καὶ ἐρευνωμένων νεῶν τε καὶ οἰκιῶν, ἄφνω θόρυβος ἀνὰ τὴν νύκτα παῖσαν ἦν καὶ βοαὶ καὶ

διαδρομαὶ μετ' οἰμωγῆς ὥς ἐν ἀλικομένη πόλει. τῷ γὰρ ἐγνώσθαι μὲν ἀνδρολήψια γίνεσθαι, μὴ προγεγράφθαι δὲ μηδὲνα τῶν προκατεγνωσμένων, πᾶς τις αὐτὸς ἡγεῖτο ζητεῖσθαι πρὸς τῶν περιθεόντων. οὕτω δὲ ἀπογινώσκοντες αὐτῶν, οἱ μὲν τὰ ἴδια, οἱ δὲ τὰ κοινὰ ἐμπρήσειν ἔμελλον, δρᾶσαι τι δεινὸν ἀλόγως αἰρούμενοι πρὶν παθεῖν: καὶ τάχα ἂν ἔδρασαν, εἰ μὴ Πέδιος αὐτοὺς ὁ ὑπατος μετὰ κηρύκων περιθέων ἐπὶ ἡλίπριζε περιμεινάντας ἐς ἔω τὰ ἀκριβέστατα μαθεῖν. ἅμα δὲ ἔφ' παρὰ γνώμην τῶν τριῶν ἀνδρῶν προύγραφεν ὁ Πέδιος τοὺς ἑπτακαίδεκα ὡς μόνους τε αἰτίους δόξαντας εἶναι τῶν ἐμφυλίων κακῶν καὶ μόνους κατεγνωσμένους, πίστεις τε τοῖς ἄλλοις δημοσίᾳς ἐποιεῖτο, ἀγνοῶν τὰ ἐγνωσμένα.

Μάρκος Λέπιδος, Μάρκος Ἀντώνιος, Ὀκτάוניος Καῖσαρ, οἱ χειροτονηθέντες ἀρμόσαι καὶ διορθῶσαι τὰ κοινὰ, οὕτως λέγουσιν: εἰ μὴ δι' ἀπιστίαν οἱ πονηροὶ δεόμενοι μὲν ἦσαν ἐλεεινοί, τυχόντες δὲ ἐγίγνοντο τῶν εὐεργετῶν ἐχθροί, εἶτα ἐπίβουλοι, οὗτ' ἂν Γάιον Καῖσαρα ἀνηρῆκεσαν, οὓς ἐκεῖνος δορὶ λαβὼν ἔσωσεν ἐλέῳ καὶ φίλους θέμενος ἐπὶ ἀρχὰς καὶ τιμὰς καὶ δωρεὰς προήγαγεν ἀθρόως, οὗτ' ἂν ἡμεῖς τοῖς ἐνυβρίσασι καὶ πολέμιοις ἀναγράψασιν ἡμᾶς ὧδε ἀθρόως ἠναγκαζόμεθα χρῆσθαι. νῦν δέ, ἐξ ὧν ἐπιβεβουλευμέθα καὶ ἐξ ὧν Γάιος Καῖσαρ ἔπαθεν, ἀτιθάσευτον ὀρῶντες τὴν κακίαν ὑπὸ φιλανθρωπίας, προλαβεῖν τοὺς ἐχθροὺς ἢ παθεῖν αἰρούμεθα. μὴ δὴ τις τὸ ἔργον ἄδικον ἢ ὠμὸν ἢ ἄμετρον ἡγείσθω, ἐς τε Γάιον καὶ ἐς ἡμᾶς οἷα πεπόνθαμεν ὀρῶν. ὥδε μὲν εἶχεν ἡ προγραφή τῶν τριῶν ἀνδρῶν, ὅσον ἐς Ἑλλάδα γλῶσσαν ἀπὸ Λατίνης μεταβαλεῖν.

[12] πρῶτος δ' ἦν ἐν τοῖς προγράφουσι Λέπιδος, καὶ πρῶτος ἐν τοῖς προγραφομένοις ὁ ἀδελφὸς ὁ Λεπίδου Παῦλος, καὶ δεῦτερος ἦν τῶν προγραφόντων Ἀντώνιος καὶ δεῦτερος τῶν προγραφομένων ὁ θεῖος ὁ Ἀντωνίου Λεύκιος, οἶδε μὲν, ὅτι πρῶτοι πολεμίους αὐτοὺς ἐψηφίσαντο. τρίτος δὲ καὶ τέταρτος ἦν τῶν ἐν ἐτέρῳ πίνακι προκειμένων ἐς τὸ μέλλον ὑπάτων Πλάγκου μὲν ὁ ἀδελφὸς Πλώτιος, Ἀσινίου δὲ ὁ πενθερὸς Κοῖντιος. καὶ οὐ κατ' ἀξίωσιν ἄρα μόνην οἶδε τῶν ἄλλων προύκειντο μᾶλλον ἢ ἐς θάμβος καὶ δυσελπιστίαν, μηδὲνα ῥύσεσθαι τινα προσδοκᾶν. ἦν δὲ καὶ Θωράνιος ἐν τοῖς προγεγραμμένοις, λεγόμενος ὑπὸ τινων ἐπιτροπεῦσαι Καίσαρος. ἅμα δὲ ταῖς προγραφαῖς αἱ τε πύλαι κατείχοντο καὶ ὅσαι ἄλλαι τῆς πόλεως ἐξοδοὶ τε καὶ λιμένες ἢ ἔλη καὶ τέλματα ἢ εἴ τι ἄλλο ἐς φυγὴν ὑποπτον ἦν ἢ ἐς λαθραίους καταφυγὰς: τήν τε χώραν ἐπετέτραπτο τοῖς λοχαγοῖς ἐρευνᾶν περιθέουσι, καὶ ἐγίγνετο πάντα ὁμοῦ.

[13] εὐθὺς οὖν ἦν ἀνά τε τὴν χώραν καὶ ἀνὰ τὴν πόλιν, ὥς ἕκαστός πη συνελαμβάνετο, ἀνδρολήψια αἰφνίδια πολλὰ καὶ τρόποι τῶν φόνων ποικίλοι τῶν τε κεφαλῶν ἀποτομαὶ τοῦ μισθοῦ χάριν ἐς ἐπίδειξιν φυγαῖ τε ἀπρεπεῖς καὶ σχήματα ἄτοπα ἐκ τοῦ πρὶν περιφανοῦς. κατέδυνον γὰρ οἱ μὲν ἐς φρέατα, οἱ δὲ ἐς τὰς ὑπονόμους τάφρους ἐπὶ τὰ ἀκάθαρτα, οἱ δὲ ἐς καπνώδεις ὑπωροφίας ἢ τῶν τεγῶν ταῖς κεραμίσι βυομέναις ὑπεκάθηντο μετὰ σιγῆς βαθυτάτης. ἐδεδοίκεσαν γὰρ οὐχ ἥσσον τῶν σφαγέων οἱ μὲν γυναῖκας ἢ παῖδας οὐκ εὐμενῶς σφίσιν ἔχοντας, οἱ δὲ ἐξελευθέρους τε καὶ θεράποντας, οἱ δὲ καὶ δανεισμάτων χρήστας ἢ χωρίων γείτονας ἐπιθυμία τῶν χωρίων. ἐπανάστασις γὰρ δὴ πάντων, ὅσα τέως ὑπουλα ἦν, ἀθρόα τότε ἐγίγνετο καὶ ἀθέμιστος μεταβολὴ βουλευτῶν ἀνδρῶν, ὑπάτων ἢ στρατηγῶν ἢ δημάρχων, ἔτι τάσδε τὰς ἀρχὰς μετιόντων ἢ ἐν αὐταῖς γεγονότων, ἐς πόδας ἰδίου θεράποντος ῥιπτουμένων σὺν ὀλοφύρσεσι καὶ σωτῆρα καὶ κύριον τὸν οἰκέτην τιθεμένων. οἰκτιστον δὲ ἦν, ὅτε καὶ ταῦτα ὑποστάντες οὐκ ἔλεηθεῖν.

[14] ἰδέα τε πᾶσα κακῶν ἦν, οὐχ ὥς ἐν στάσεσιν ἢ πολέμου καταλήψουσιν: οὐ γάρ, ὥς ἐν ἐκείνοις, τὸν μὲν ἀντιστασιώτην ἢ πολέμιον ἐδεδοίκεσαν, τοῖς δ' οἰκείοις σφᾶς ἐπέτρεπον, ἀλλὰ καὶ τούσδε τῶν σφαγέων μᾶλλον ἐδεδοίκεσαν, οὐδὲν μὲν αὐτοὺς ὥς ἐν πολέμῳ καὶ στάσει δεδιότας, σφίσι δὲ αὐτίκα γιγνομένους ἐξ οἰκείων πολεμίους, ἢ δι' ὑπουλον ἔχθραν ἢ ὑπὸ τῶν ἐπικεκηρυγμένων σφίσι γερῶν ἢ διὰ τὸν ἐν ταῖς οἰκίαις χρυσόν τε καὶ ἄργυρον. ἄπιστος γὰρ δὴ διὰ ταῦτα ἀθρόως ἕκαστος ἐς τὸν οἰκεῖον ἐγίγνετο καὶ τὸ σφέτερον κέρδος τοῦ πρὸς αὐτὸν ἐλέου προυτίθει: ὁ δὲ πιστὸς ἢ εὖνους ἐδεδίει βοηθεῖν ἢ κρύπτειν ἢ συνειδέναί δι' ὁμοιότητα τῶν ἐπιτιμίων. ἔς τε τὸ ἔμπαλιν αὐτοῖς τοῦ πρώτου τῶν ἑπτακαίδεκα ἀνδρῶν δέους περιέστη. τότε μὲν γὰρ οὐ προγραφέντος οὐδενός, ἀλλὰ τινων ἄφνω συλλαμβανομένων πάντες ἐδεδοίκεσαν ὅμοια καὶ συνήσπιζον ἀλλήλοις: ἐπὶ δὲ ταῖς προγραφαῖς οἱ μὲν αὐτίκα πᾶσιν ἐκδοτοὶ γεγέννητο, οἱ δὲ ἐν ἀμερίμῳ περὶ σφῶν καὶ ἐπὶ κέρδει γενόμενοι τοὺς ἄλλους ἐπὶ μισθῷ τοῖς σφαγεῦσιν ἐκυνηγέτουν. ὁ δὲ λοιπὸς ὅμιλος, οἱ μὲν τὰς οἰκίας τῶν ἀναιρουμένων διήρπαζον, καὶ τὸ κέρδος

αὐτοὺς ἀπο τῆς συνέσεως τῶν παρόντων κακῶν ἐψυχαγῶγει· οἱ δὲ ἐμφρονέστεροί τε καὶ ἐπεικεῖς ἐτεθήπесαν ὑπὸ ἐκπλήξεως, καὶ ἦν αὐτοῖς παραλογώτερον, ὅτε μάλιστα ἐνθυμηθεῖεν, ὅτι τὰς μὲν ἄλλας πόλεις ἐλυμήναντο στάσεις καὶ περιέσωσαν ὁμόνοιαι, τὴν δὲ καὶ αἱ στάσεις τῶν ἀρχόντων προαπώλεσαν καὶ ἡ ὁμόνοια τοιάδε ἐργάζεται.

[15] ἔθνησκον δὲ οἱ μὲν ἀμυνόμενοι τοὺς ἀναιροῦντας, οἱ δ' οὐκ ἀμυνόμενοι ὥς οὐχ ὑπὸ τῶνδε ἀδικούμενοι, εἰσὶ δ' οἱ καὶ σφᾶς αὐτοὺς λιμῷ τε ἐκουσίῳ δαπανῶντες καὶ βρόχοις χρώμενοι καὶ τὰ σώματα καταποντοῦντες ἢ ῥιπτοῦντες ἀπὸ τῶν τεγῶν ἢ ἐς πῦρ ἐναλλόμενοι ἢ τοῖς σφαγεῦσιν ὑπίσχοντες ἢ καὶ μεταπεμπόμενοι βραδύνοντας, ἕτεροι δὲ κρυπτόμενοι καὶ λιπαροῦντες ἀπρεπῶς ἢ διωθόμενοι τὸ κακὸν ἢ ὠνούμενοι. οἱ δὲ καὶ παρὰ γνώμην τῶν τριῶν ἀνδρῶν, ὑπ' ἀγνοίας ἢ κατ' ἐπιβουλήν, ἀπώλλυντο. καὶ δηλὸς ἦν ὁ μὴ προγραφεῖς νέκυς, ὅτε οἱ προσκείτο ἡ κεφαλὴ· τῶν γὰρ δὴ προγεγραμμένων ἐν ἀγορᾷ προυτίθεντο παρὰ τοῖς βήμασιν, ἔνθα ἔδει κομίσαντας ἀντιλαβεῖν τὰ ἀγαθὰ. ἴση δ' ἦν ἐτέρων σπουδὴ καὶ ἀρετὴ, γυναικῶν τε καὶ παιδίων καὶ ἀδελφῶν καὶ θεραπόντων, περισφζόντων τε καὶ συμμηχανωμένων πολλὰ καὶ συναποθνησκόντων, ὅτε μὴ τύχοιεν ὧν ἐπενόουν· οἱ δὲ καὶ ἐπανήρουν σφᾶς ἀνηρημένοις. τῶν δὲ ἐκφυγόντων οἱ μὲν ὑπὸ ναυαγίων ἀπώλλυντο, ἐς πάντα σφίσι τῆς τύχης ἐπιβαρούσης, οἱ δὲ ἐπανήχθησαν ἐκ παραλόγων ἐπὶ τε ἀρχὰς τῆς πόλεως καὶ στρατηγίας πολέμων καὶ θριάμβους. οὕτως ὁ καιρὸς ἦν ἐκεῖνος ἐπίδειξις παραδοξολογίας.

[16] καὶ τάδε ἐγένετο οὐκ ἐν ιδιώτιδι πόλει οὐδὲ ἐν ἀσθενεὶ καὶ σμικρῷ βασιλείῳ, ἀλλὰ τὴν δυνατωτάτην καὶ τοσούτων ἐθνῶν καὶ γῆς καὶ θαλάσσης ἡγεμονίδα διέσειεν ὁ θεός, ἐκ πολλοῦ ἄρα ἐς τὴν νῦν καθιστάμενος εὐταξίαν. ἐγένετο μὲν οὖν τοιάδε ἕτερα ἐν αὐτῇ κατὰ τε Σύλλαν καὶ ἔτι πρὸ ἐκείνου Γάιον Μάριον, ὧν ὁμοίως τὰ γνωριμώτατα τῶν κακῶν ἐν τοῖς περὶ ἐκείνων ἀνελεξάμην, καὶ προσῆν ἐκείνοις ἀταφία· ταῦτα δὲ ἀξιώσει τε τῶν τριῶν ἀνδρῶν καὶ τοῦ ἐνὸς αὐτῶν μάλιστα ἀρετῇ καὶ τύχῃ, τὴν ἀρχὴν συστησαμένου τε ἐς ἔδραν ἀσφαλῆ καὶ γένος καὶ ὄνομα τὸ νῦν ἄρχον ἀφ' ἑαυτοῦ καταλιπόντος, ἐπιφανέστερα. ὧν τὰ λαμπρὰ καὶ τὰ χεῖρω γενόμενα ἐν μνήμῃ τε μᾶλλον ὄντα, ὅτι καὶ τελευταῖα γέγονεν, ἐπελεύσομαι νῦν, οὐ πάντα 'οὐ γὰρ ἀξιαφήγητον ἀναίρεσις ἀπλῇ καὶ φυγὴ ἢ τῶν τριῶν ἀνδρῶν τισι συγγνόντων ὕστερον ἐπάνοδος ἢ ἐπανελθόντων ἀφανῆς καταβίωσις', ἀλλ' ὅσα παραλογώτατα ὄντα μάλιστα ἂν ἐκπλήξειε καὶ πιστεύειν ποιήσειε τοῖς προλεγομένοις. πολλὰ δὲ ἐστὶ, καὶ πολλοὶ Ῥωμαῖον ἐν πολλαῖς βίβλοις αὐτὰ συνέγραψαν ἐφ' ἑαυτῶν· ὀλίγα δὲ ἐγὼ καθ' ἐκάστην ιδέαν, ἐς πίστιν ἐκάστης καὶ ἐς εὐδαιμόνισμα τῶν νῦν παρόντων, ἐπὶ κεφαλαίου διὰ τὸ μῆκος ἀναγράψω.

[17] Ἡρξάτο μὲν δὴ τὸ κακὸν ἐκ συντυχίας ἀπὸ τῶν ἐν ἀρχαῖς ἔτι ὄντων, καὶ πρῶτος ἀνῆρέθη δημαρχῶν Σάλουιος. ἱερὰ δὲ ἐστὶν ἡ ἀρχὴ καὶ ἄσυλος ἐκ τῶν νόμων καὶ τὰ μέγιστα ἴσχυεν, ὥς καὶ τῶν ὑπάτων τινὰς ἐς τὰς φυλακὰς ἐμβαλεῖν. καὶ ἦν ὅδε ὁ δήμαρχος ὁ τὸν Ἀντώνιον ἐν μὲν ἀρχῇ κεκωλυκῶς εἶναι πολέμιον, ὕστερον δὲ συμπεπραχῶς ἐς πάντα Κικέρωνι. πυθόμενος δὲ τῶν τριῶν ἀνδρῶν τῆς τε συμφορνήσεως καὶ τῆς ἐς τὴν πόλιν ἐπέξεως τοὺς

οἰκείους εἰστία ὥς οὐ πολλάκις αὐτοῖς ἔτι συνεσόμενος· ἐσδραμόντων δὲ ἐς τὸ συμπόσιον τῶν ὀπλιτῶν οἱ μὲν ἐξανίσταντο σὺν θορύβῳ καὶ δέει, ὁ δὲ τῶν ὀπλιτῶν λοχαγὸς ἐκέλευεν ἡρεμεῖν κατακλιθέντας, τὸν δὲ Σάλουιον, ὡς εἶχε, τῆς κόμης ἐπισπάσας ὑπὲρ τὴν τράπεζαν, ἐς ὅσον ἔχρηζε, τὴν κεφαλὴν ἀπέτεμε καὶ τοῖς ἔνδον αὐθις ἐκέλευεν ἀτρεμεῖν, ὡς ἔχουσι, μὴ θορύβου γενομένου πάθοιεν ὅμοια. οἱ μὲν δὴ καὶ οἰχομένου τοῦ λοχαγοῦ τεθηπότες ἄναυδοι μέχρι βαθυτάτης νυκτός, τῷ λοιπῷ τοῦ δημάρχου σώματι συγκατέκειντο. δεύτερος δ' ἄνθρωπος ἔθνησκε στρατηγὸς Μινούκιος, ἀρχαιρεσιάζων μὲν ἐν ἀγορᾷ· πυθόμενος δὲ ἐπιέναι τοὺς ὀπλίτας ἀνεπήδησε καὶ περιθέων ἔτι καὶ ἐννοούμενος, ὅποι διαλάθοι, τὴν ἐσθῆτα ἐνήλλασεν ἐς τι τῶν ἐργαστηρίων ἐσδραμών, τοὺς ὑπνέτας καὶ τὰ σημεῖα ἀποπέμψας. οἱ δὲ αἰδοῖ καὶ ἐλέφω παραμένοντες εὐμαρέστερον ἄκοντες ἐποίησαν τοῖς σφαγεῦσι τὸν στρατηγὸν εὐρεῖν.

[18] Ἀννᾶλιν ἕτερον στρατηγόν, τῷ παιδί μετιόντι ταμειᾶν συμπεριθέοντα καὶ τοὺς ψηφιομένους παρακαλοῦντα, οἱ τε συνόντες φίλοι καὶ οἱ τὰ σημεῖα τῆς ἀρχῆς φέροντες ἀπεδίδρασκον, πυθόμενοι προσγεγράφθαι τοῖς πίναξι τὸν Ἀννᾶλιν. ὁ δὲ ἐς πελάτην ἑαυτοῦ τινα φυγών, ᾧ βραχὺ καὶ εὐτελὲς ἦν τέγος ἐν προαστείῳ καὶ διὰ πάντα εὐκαταφρόνητον, ἐκρύπτετο ἀσφαλῶς, μέχρι τοὺς σφαγέας ὁ υἱὸς αὐτοῦ, τὴν φυγὴν ἐς τὸν πελάτην ὑποτοπήσας, ὠδήγησεν ὑπὸ τὸ τέγος, καὶ παρὰ τῶν τριῶν ἀνδρῶν τὴν τε οὐσίαν ἔλαβε τοῦ πατρὸς καὶ ἐς ἀγορανομίαν ἤρέθη. ἀναλύοντα δὲ αὐτὸν ἐκ μέθης στρατιῶταί τι προσκρούσαντες ἔκτειναν, οἱ καὶ τὸν πατέρα ἀνηρήκεσαν.

Θουράνιος δὲ οὐ στρατηγῶν μὲν ἔτι, ἀλλ' ἐστρατηγηκώς, πατὴρ δὲ νεανίου τὰ μὲν ἄλλα ἀκολάστου, δυναστεύοντος δὲ παρ' Ἀντωνίῳ, τοὺς λοχαγοὺς ἡξίου τὴν σφαγὴν ἐπισχεῖν οἱ πρὸς ὀλίγον, ἔστε αὐτὸν ὁ υἱὸς αἰτήσαιτο παρ' Ἀντωνίου. οἱ δ' ἐπιγελάσαντες 'ἦτησεν,' εἶπον, 'ἄλλ' ἐπὶ θάτερα.' καὶ συνεῖς ὁ πρεσβύτερος ἕτερον αὐτίκα βραχύτατον ἦτει διάστημα, μέχρις οὗ τὴν θυγατέρα ἴδοι· ἰδὼν δὲ ἐκέλευε μὴ μετασχεῖν τῶν πατρώων, μὴ κάκεινὴν ὁ ἀδελφὸς αἰτήσαιτο παρὰ Ἀντωνίου. συνέβη δὲ καὶ τῷδε τὴν οὐσίαν ἐς αἰσχρὰ δαπανῆσαι καὶ κλοπῆς ἀλόντι φυγεῖν ἐκ καταδίκης.

[19] Κικέρων δέ, ὃς μετὰ Γάιον Καίσαρα ἴσχυσεν, ὅση γένοιτο ἂν δημαγωγοῦ μοναρχία, κατέγνωστο μὲν ἅμα τῷ παιδί καὶ τῷ ἀδελφῷ καὶ τῷ παιδί τοῦ ἀδελφοῦ καὶ πᾶσιν οἰκείοις τε καὶ στασιώταις καὶ φίλοις· φυγὼν δὲ ἐπὶ σκάφους οὐκ ἔφερε τὴν ἀηδῖαν τοῦ κλύδωνος, ἀλλὰ εἰς ἴδιον χωρίον, ὃ καθ' ἱστορίαν τοῦδε τοῦ πάθους εἶδον, ἀμφὶ Καϊήτην πόλιν τῆς Ἰταλίας, καταχθεὶς ἠρέμει. πλησιαζόντων δὲ τῶν ἐρευνωμένων 'τοῦτον γὰρ δὴ φιλοτιμώτατα πάντων Ἀντωνίος τε ἐξήτει καὶ Ἀντωνίῳ πάντες' ἐς τὸ δωμάτιον αὐτοῦ κόρακες ἐσπᾶντες ἔκλαζον, ἐπεγείροντες ἀπὸ τοῦ ὕπνου, καὶ τὸ ἱμάτιον ἀπέσυρον ἀπὸ τοῦ σώματος, ἕως οἱ θεράποντες, σημηνάμενοι τὸ γιγνόμενον εἶναι σύμβολον ἐκ τοῦ θεῶν, ἐς φορεῖον ἐσθέμενοι τὸν Κικέρωνα αὐθις ἐπὶ τὴν θάλασσαν ἦγον διὰ λόχμης βαθείας λανθάνοντες. πολλῶν δὲ ἀνὰ μέρη διαθεόντων τε καὶ πυνθανομένων, εἴ που Κικέρων ὀραθείη, οἱ μὲν ἄλλοι ἐπ' εὐνοίᾳ καὶ ἐλέφω πλεῖν αὐτὸν ἐξαναχθέντα ἔλεγον ἤδη, σκυτοτόμος δὲ πελάτης Κλωδίου, πικροτάτου τῷ Κικέρωνι ἐχθροῦ γεγονότος, Λαίνα τῷ

λοχαγῷ σὺν ὀλίγοις ὄντι τὴν ἀτραπὸν ἔδειξεν. ὁ δὲ ἐπέδραμέ τε καὶ θεράποντας ἰδὼν πολλὸν πλείους τῶν ἀμφ’ αὐτὸν ὀρμῶντας ἐς ἄμυναν, στρατηγικῶς μάλα ἀνεβόησεν: ‘ἐσελθέτωσαν ἐς τὸ χωρίον οἱ περὶ οὐράν λοχαγοί.’

τότε γὰρ οἱ μὲν θεράποντες ὥς ἐλευσομένων πλεόνων κατεπλάγησαν, [20] ὁ δὲ Λαίνας, καὶ δίκην τινὰ διὰ τοῦ Κικέρωνός ποτε κατωρθώκως, ἐκ τοῦ φορείου τὴν κεφαλὴν ἐπισπάσας ἀπέτεμνε, ἐς τρεῖς ἐπιπλήσων καὶ ἐκδιαπρίζων ὑπὸ ἀπειρίας: ἀπέτεμε δὲ καὶ τὴν χεῖρα, ἥ τοὺς κατὰ Ἀντωνίου λόγους οἷα τυράννου συγγράφων, ἐς μίμημα τῶν Δημοσθένους, Φιλίππικους ἐπέγραφεν. ἔθεον δὲ οἱ μὲν ἐπὶ ἵππων, οἱ δὲ ἐπὶ νεῶν, αὐτίκα τὸ εὐαγγέλιον Ἀντωνίῳ διαφέροντες: καὶ ὁ Λαίνας ἐν ἀγορᾷ προκαθημένῳ τὴν κεφαλὴν καὶ τὴν χεῖρα μακρόθεν ἀνέσειεν ἐπιδεικνύς. ὁ δὲ ἥσθη μάλιστα καὶ τὸν λοχαγὸν ἐστεφάνωσε καὶ πλέοσι τῶν ἄθλων ἐδωρήσατο πέντε καὶ εἴκοσι μυριάσιν Ἀττικῶν δραχμῶν ὡς μέγιστον δὴ τόνδε πάντων ἐχθρὸν καὶ πολεμιώτατόν οἱ γενόμενον ἀνελόντα. ἡ κεφαλὴ δὲ τοῦ Κικέρωνος καὶ ἡ χεὶρ ἐν ἀγορᾷ τοῦ βήματος ἀπεκρέμαντο ἐπὶ πλεῖστον, ἔνθα πρότερον ὁ Κικέρων ἐδημηγόρει: καὶ πλείους ὀψόμενοι συνέθεον ἢ ἀκρόόμενοι. λέγεται δὲ καὶ ἐπὶ τῆς διαίτης ὁ Ἀντώνιος τὴν κεφαλὴν τοῦ Κικέρωνος θέσθαι πρὸ τῆς τραπέζης, μέχρι κόρον ἔσχε τῆς θέας τοῦ κακοῦ.

ὧδε μὲν δὴ Κικέρων, ἐπὶ τε λόγοις αἰοίδιμος ἐς ἔτι νῦν ἀνὴρ, καὶ ὅτε ἤρχε τὴν ὑπατον ἀρχήν, ἐς τὰ μέγιστα τῇ πατρίδι γεγωνὺς χρήσιμος, ἀνήρητο καὶ ἀνηρημένος ἐνυβρίζετο: ὁ δὲ παῖς ἐς τὴν Ἑλλάδα προαπέσταλτο ἐς Βρούτον. Κόιντος δέ, ὁ τοῦ Κικέρωνος ἀδελφός, ἅμα τῷ παιδί καταληφθεὶς ἔδειτο τῶν σφαγέων πρὸ τοῦ παιδὸς αὐτὸν ἀνελεῖν: τὰ δὲ ἐναντία καὶ τοῦ παιδὸς ἰκετεύοντος, οἱ σφαγεῖς ἔφασαν ἀμφοτέροις διαιτησεῖν καὶ διαλαβόντες ἕτερον ἕτεροι κατὰ σύνθημα φονεῖς ἀνεῖλον ὁμοῦ.

[21] Ἐγνάτιοι δέ, πατὴρ καὶ υἱός, συμφυέντες ἀλλήλοις διὰ μιᾶς πληγῆς ἀπέθανον: καὶ αὐτῶν αἱ κεφαλαὶ μὲν ἀπετέμνηντο, τὰ δὲ λοιπὰ σώματα ἔτι συνεπέπλεκτο. Βάλβος τὸν υἱόν, ἵνα μὴ βαδίζοντες ὁμοῦ φανεροὶ γένοιτο, προὔπεμψεν ἐς φυγὴν ἐπὶ θάλασσαν καὶ μετ’ ὀλίγον εἶπετο ἐκ διαστήματος. ἐξαγγείλαντος δέ τινος, εἶτε ἐξ ἐπιβουλῆς εἴθ’ ὑπ’ ἀγνοίας, τὸν υἱὸν συνειληφθαι, ἐπανῆλθε καὶ τοὺς σφαγέας μετεπέμψατο. συνέβη δὲ καὶ τὸν παῖδα ἀπολέσθαι ναυαγίῳ: οὕτω ταῖς τότε συμφοραῖς καὶ τὸ δαιμόνιον ἐπέκειτο. Ἀρρούντιος τὸν υἱόν, οὐχ ὑφιστάμενον φεύγειν χωρὶς αὐτοῦ, μόλις ἔπεισεν ὥς νέον περισφύζειν ἑαυτόν. καὶ τόνδε μὲν ἡ μήτηρ ἐπὶ τὰς πύλας προὔπεμψε καὶ ὑπέστρεψεν, ἵνα ἀνηρημένον τὸν ἄνδρα θάψει: πυθομένη δὲ καὶ τὸν υἱὸν ὑπὸ τῆς θαλάσσης διεφθάρθαι λιμῷ διεχρήσατο ἑαυτήν.

αἶδε μὲν δὴ παῖδων ἀγαθῶν καὶ κακῶν ἔστων εἰκόνες: [22] ἀδελφοὶ δὲ δύο ὁμοῦ προγραφέντες, οἷς ὄνομα ἦν Λιγάριοι, ἐκρύπτοντο ὑπὸ ἱππῶ, μέχρι τῶν θεραπόντων αὐτοὺς ἀνευρόντων ὁ μὲν αὐτίκα ἀνηρέθη, ὁ δὲ ἐκφυγὼν, ἐπεὶ τὸν ἀδελφὸν ἔγνω διεφθαρμένον, ἔρριπεν αὐτὸν ἀπὸ τοῦ ποταμοῦ τῆς γεφύρας ἐς τὸ ρεῦμα. καὶ αὐτὸν ἀλιέων περισχόντων ὥς οὐκ ἐναλάμενον, ἀλλὰ πεπτωκότα, ἐς πολλὸν μὲν ἐφιλονίκηει καὶ ἑαυτὸν ἐς τὸ ρεῦμα ἐώθει, ἡσώμενος δὲ τῶν ἀλιέων περιεγίνετο καὶ ‘οὐκ ἐμέ,’ ἔφη, ‘περισφύζετε, ἀλλ’

ἑαυτοὺς ἔμοι προγεγραμμένῳ συναπόλλυτε.’ οἱ δὲ καὶ ὥς αὐτὸν οἰκτεῖραντες περιέσφζον, μέχρι τινὲς τῶν στρατιωτῶν, οἱ τὴν γέφυραν ἐτήρουν, ἰδόντες ἐπέδραμόν τε καὶ τὴν κεφαλὴν ἀπέτεμον. ἑτέρων δὲ ἀδελφῶν ὁ μὲν αὐτὸν ἔρριψε κατὰ τοῦ ρεύματος, καὶ θεράπων αὐτοῦ τὸ σῶμα ἀνεζήτηε μέχρι πέμπτης ἡμέρας, εὐρὼν δὲ ἔτι γνωρίζεσθαι δυναμένου, τὴν κεφαλὴν διὰ τὸ ἄθλον ἀπέκοψε: τὸν δὲ ἕτερον ἐν κοπρῶνι κρυπτόμενον ἕτερος ἐμήνυσε θεράπων, καὶ οἱ σφαγεῖς εἰσελθεῖν μὲν ἀπηξίωσαν, δόρασι δὲ περικεντοῦντες ἐξήγαγον καί, ὡς εἶχε, τὴν κεφαλὴν οὐδὲ ἀπονίσψαντες ἀπέκοψαν. ἕτερος δέ, τοῦ ἀδελφοῦ συλλαμβανομένου, προσδραμὼν ἀγνοία τοῦ καὶ αὐτὸς ἅμα ἐκείνῳ προγεγράφθαι, ‘ἐμέ,’ ἔφη, ‘κτεínaτε πρὸ τούτου.’ καὶ ὁ λοχαγὸς ἔχων τὸ ἀκριβὲς ἀνάγραπτον, ‘εἰκότα ἀξιοῖς,’ ἔφη: ‘σὺ γὰρ πρὸ τούτου γέγραπται,’ καὶ εἰπὼν κατὰ τὴν τάξιν ἔκτεινεν ἅμφω.

[23] ταῦτα μὲν δὴ καὶ ἀδελφῶν δείγματα: Λιγάριον δὲ ἡ γυνὴ κρύπτουσα μίαν ἐς τὸ ἀπόρρητον ἐπηγάγετο θεράπαιναν, προδοθεῖσα δὲ ὑπ’ αὐτῆς εἶπετο τῇ κεφαλῇ τοῦ ἀνδρὸς φερομένη βοῶσα: ‘ἐγὼ τοῦτον ὑπεδεξάμην, τὰ δ’ ὅμοια τοῖς ὑποδεξαμένοις ἐστὶν ἐπιτίμια.’ καὶ οὐδενὸς αὐτὴν οὔτε ἀναιροῦντος οὔτε μηνύοντος, αὐτάγγελος ἐς τοὺς ἄρχοντας ἦλθε καθ’ ἑαυτῆς, κάκεινων αὐτὴν διὰ τὴν φιλανδρίαν ὑπεριδόντων, ἑαυτὴν ἀπέκτεινε λιμῶ. καὶ τῆσδε μὲν ἐνθάδε ἐπεμνήσθην, ὅτι τὸν ἄνδρα περισφύζουσα ἀπετύγχανέ τε καὶ συνεξήγαγεν ἑαυτήν: ὅσαι δὲ ἐπέτυχον τῆς φιλανδρίας, ἐν τοῖς περισωθεῖσι τῶν ἀνδρῶν ἀναγράψω. ἕτεραι δὲ ἀθεμίστως ἐπεβούλευσαν τοῖς ἀνδράσιν. καὶ αὐτῶν ἐστίν, ἡ Σεπτίμιω μὲν ἐγεγάμητο, ὑπὸ δὲ τινος Ἀντωνίῳ φίλου διεφθείρετο: ἐπείγομένη δὲ ἐκ μοιχείας ἐς γάμον ἐδεήθη διὰ τοῦ μοιχεύοντος αὐτὴν Ἀντωνίου, καὶ ὁ Σεπτίμιος αὐτίκα τοῖς πῖναξι προσετέθη. καὶ μαθὼν ἐς τῆς γυναικὸς ὑπ’ ἀγνοίας τῶν οἴκοι κακῶν ἔφευγεν. ἡ δὲ ὡς φιλοφρονουμένη τὰς θύρας ἐπέκλεισε καὶ ἐτήρει τὸν ἄνδρα, ἕως οἱ σφαγεῖς παρεγένοντο: καὶ τῆς αὐτῆς ἡμέρας οἱ μὲν ἐκεῖνον ἀνήρουν, ἡ δὲ ἔθυε γάμους.

[24] Σάλασπος δὲ ἐκφυγὼν τε καὶ ἀπορούμενος ἦκε μὲν ἐς πόλιν νυκτός, ὅτε μάλιστα ἔδοξεν ἀμβλύνεσθαι τὸ δεινόν, πεπραμένης δὲ τῆς οἰκίας μόνος αὐτὸν ὁ θυρωρὸς τῇ οἰκίᾳ συμπεπραμένος ἐπέγνω καὶ ἐς τὸ ἑαυτοῦ οἶκημα ὑπεδέχετο καὶ κρύψειν ἐπηγγέλλετο καὶ θρέψειν, ἐξ ὧν ἐδύνατο. ὁ δὲ τὴν γυναῖκα οἱ καλέσαι προσέταξεν ἐκ τῆς ἐκείνης οἰκίας. ἡ δ’ ὑποκριναμένη μὲν ἐλθεῖν ἐπείγεσθαι, δεδιέναι δ’ ὡς ἐν νυκτὶ καὶ θεραπαίναις τὸ ὑποπτον, μεθ’ ἡμέραν ἤξειν ἔφη. καὶ γενομένης ἡμέρας ἡ μὲν τοὺς σφαγέας μετῆι, καὶ ὁ θυρωρὸς αὐτὴν ὡς βραδύνουσαν ἐς τὴν οἰκίαν ἀπέτρεχεν ἐπείξων: ὁ δὲ Σάλασπος, οἰχομένου τοῦ θυρωροῦ δείσας ὡς ἐς ἐνέδραν ἀπρόντος, ἐς τὸ τέγος ἀναδραμὼν ἐκαρὰδόκει τὸ γιγνόμενον, ἰδὼν δὲ οὐ τὸν θυρωρόν, ἀλλὰ τὴν γυναῖκα τοῖς σφαγεῦσιν ἡγουμένην ἔρριπεν ἑαυτὸν ἀπὸ τοῦ τέγους. Φούλβιον δὲ ἐς θεραπαίνης φυγόντα παλλακευθείσης τε αὐτῷ καὶ ἀπληλευθερωμένης καὶ προῖκα ἐς γάμον ἐπιλαβούσης, ἡ τοσάδε εὖ παθοῦσα προὔδωκε ζηλοτυπία τῆς μεθ’ ἑαυτὴν τῷ Φουλβίῳ γεγαμημένης.

τοσάδε μὲν δὴ καὶ γυναικῶν πονηρῶν ὑποδείγματα γεγράφθω: [25] Στάτιος δὲ ὁ Σαυνίτης, πολλὰ Σαυνίταις ἐν τῷ συμμαχικῷ πολέμῳ κατειργασμένος,

διὰ δὲ περιφάνειαν ἔργων καὶ διὰ πλοῦτον καὶ γένος ἐς τὸ Ῥωμαίων βουλευτήριον ἀνακεκλημένος, ὀγδοηκοντούτης ὢν ἤδη καὶ διὰ πλοῦτον προγεγραμμένος, ἀνεπέτασε τὴν οἰκίαν τῷ τε δήμῳ καὶ τοῖς θεράπουσιν ἐκφορεῖν, ὅσα θέλοιεν, τὰ δὲ καὶ αὐτὸς διερρίπτει, μέχρι κεκενωμένης ἐπικλείσας ἐνέπρησε καὶ ἀπώλετο, καὶ τὸ πῦρ πολλὰ τῆς πόλεως ἄλλα ἐπενείματο. Καπίτων δὲ ἐς πολὺ τὰς θύρας ὑπανοίγων τοὺς ἐσβιαζομένους καθ' ἓνα ἀνήρει, ὑπὸ δὲ πολλῶν ἐπιβρισάντων εἰς ἀπέθανε πολλοὺς ἀποκτείνας. Οὐετουλῖνος δὲ χεῖρα ἤθροισε πολλὴν ἀμφὶ τὸ Ῥήγιον αὐτῶν τε τῶν προγεγραμμένων ἀνδρῶν καὶ ὅσοι συνέφευγον αὐτοῖς, καὶ ἀπὸ τῶν ὀκτωκαίδεκα πόλεων, αἱ τοῖς στρατοῖς ἐπινίκια ἐπηγγελμένοι πάνυ ἐδυσχέραινον. τούσδε οὖν ἔχων ὁ Οὐετουλῖνος ἀνήρει τῶν λοχαγῶν τοὺς διαθέντας, μέχρι πεμφθέντος ἐπ' αὐτὸν στρατοῦ πλέονος οὐδ' ὥς ἔληξεν, ἀλλ' ἐς Σικελίαν πρὸς Πομπήιον, κρατοῦντά τε αὐτῆς καὶ τοὺς φεύγοντας ὑποδεχόμενον, ἐπέρασεν. εἶτα ἐπολέμει καρτερῶς, μέχρι πολλαῖς μάχαις ἡσώμενος τὸν μὲν υἱὸν καὶ ὅσοι τῶν προγεγραμμένων ἄλλοι συνῆσαν, ἐπὶ Μεσσήνης ἔπεμψεν, αὐτὸς δέ, ὥς εἶδε πορθμευόμενον ἤδη τὸ σκάφος, ἐμπεσὼν τοῖς πολεμίοις κατεκόπη.

[26] Νάσων δὲ ὑπὸ ἐξελευθέρου, παιδικῶν οἱ γενομένου, προδοθεὶς ἦρπασε παρὰ τοῦ τῶν στρατιωτῶν ξίφος καὶ τὸν προδότην μόνον ἀποκτείνας ἑαυτὸν τοῖς σφαγεῦσιν ὑπέσχε. φιλοδέσποτος δὲ οἰκέτης τὸν κεκτημένον ἐπὶ λόφου ἐκάθισε καὶ αὐτὸς ἐπὶ θάλασσαν ἦει μισθωσόμενος αὐτῷ σκάφος. ἐπανιών δὲ κτεινόμενόν τε εἶδε τὸν δεσπότην καὶ ἀποψύχοντος ἤδη μέγα βοῶν 'ἐπίμεινον ἐς βραχύ, ὃ δέσποτα,' εἶπε καὶ κτείνει τὸν λοχαγὸν ἐμπεσὼν ἄφνω. μετὰ δὲ ἐκεῖνον ἑαυτὸν ἐπαναιρῶν εἶπε τῷ δεσπότηι: 'παραμύθιον ἔχεις.' Λεύκιος δὲ δύο πιστοτάτοις ἀπελευθέρους χρυσίον δοὺς ἐπὶ θάλασσαν ἦει, διαδράντων δὲ ἐκεῖνων ὑπέστρεψε καταγινώσκων τοῦ βίου καὶ ἑαυτὸν ἐμήνυσε τοῖς σφαγεῦσι. Λαβιηνὸς δὲ ἐν ταῖς Σύλλα προγραφαῖς πολλοὺς τῶν τότε συλλαβῶν τε καὶ κτείνας ἡδόξησεν ἄρα, εἰ μὴ τὰ ὅμοια γενναίως ἐνέγκοι, καὶ προελθὼν τῆς οἰκίας ἐκαθέζετο ἐπὶ θρόνου τοὺς σφαγέας περιμένων. Κέστιος δὲ ἐν χωρίοις παρὰ εὐνόοις θεράπουσιν ἐκρύπτετο, λοχαγῶν δ' αἰεὶ σὺν ὅπλοις ἢ κεφαλαῖς διαθεόντων οὐκ ἔφερε τὸ μῆκος τοῦ φόβου, ἀλλ' ἔπεισε τοὺς θεράποντας ἄψαι πυράν, ἵνα ἔχοιεν λέγειν, ὅτι Κέστιον ἀποθανόντα θάπτοιεν. καὶ οἱ μὲν ἐνεδρευθέντες ἦσαν, ὁ δὲ ἐσήλατο ἐς αὐτήν. Ἀπώνιος δὲ ἀσφαλῶς ἑαυτὸν ἐπικρύψας οὐκ ἠνεγκε τὴν πονηρίαν τῆς διαίτης, ἀλλὰ προήγαγεν ἑαυτὸν ἐπὶ τὴν σφαγὴν. ἄλλος ἐν φανερῷ καθῆστο ἐκὼν καὶ βραδυνόντων τῶν σφαγέων ἀπήγξατο ἐν μέσῳ.

[27] Λεύκιος δὲ ὁ Ἀσινίου τοῦ ὑπατεύοντος τότε πενθερός, φεύγων διὰ θαλάσσης, οὐ φέρων τοῦ χειμῶνος τὴν ἀηδίαν ἔρριπεν ἑαυτὸν εἰς τὸ πέλαγος. Καισένιον δὲ οἱ διώκοντες, ὑποφεύγοντά τε καὶ βοῶντα οὐ προγεγράφθαι, ἀλλὰ διὰ τὰ χρήματα ἐπιβουλεύεσθαι πρὸς αὐτῶν, ἐπὶ τὸν πίνακα ἀγαγόντες ἀναγινώσκειν ἑαυτοῦ τὸ ὄνομα ἐκέλευον καὶ ἀναγινώσκοντα ἔκτειναν. Αἰμίλιος δὲ ἀγνοῶν, ὅτι προγέγραπται, διωκόμενον ἄλλον ἰδὼν ἦρετο τὸν λοχαγὸν τὸν διώκοντα, τίς ὁ προγεγραμμένος εἶη: καὶ ὁ λοχαγὸς τὸν Αἰμίλιον γνωρίσας 'σὺ κάκεϊνος' εἶπε καὶ τοὺς δύο ἀπέκτεινε. Κίλλων δὲ ἐκ τοῦ

βουλευτηρίου προῶν καὶ Δέκιος, ἐπεὶ τοῖς πίναξιν ἐπύθοντο σφῶν τὰ ὀνόματα προσγεγράφθαι, οὕτω τινὸς ἐπιόντος αὐτοῖς, ἔφευγον ἀκόσμως διὰ πυλῶν, καὶ αὐτοὺς τοῖς ἀπαντῶσι τῶν λοχαγῶν αὐτὸς ὁ δρόμος ἐμήνυσεν.

Ἰκέλιος δέ, ὃς ἐπὶ Βρούτῳ τε καὶ Κασσίῳ δικάζων, Καίσαρος τοῖς δικαστηρίοις μετὰ στρατιᾶς ἐφεστῶτος καὶ τῶν ἄλλων δικαστῶν κρύφα τὴν καταδικάζουσαν φερόντων, μόνος τὴν ἀπολύουσαν ἤνεγκε φανερώς, ἐκλαθόμενος τῆς μεγαλόφρονος ἐλευθεριότητος, νεκρὸν σῶμα ἐκκομιζόμενον ὑποστὰς τοῖς φέρουσι συνεβάσταζε τὸ λέχος. ἰδόντων δὲ τῶν φρουρούντων τὰς πύλας, ὅτι πλεονάζουσιν οἱ νεκροφόροι παρὰ τὸ σῆνηθες ἐνὶ ἀνδρί, καὶ τοὺς μὲν φέροντας οὐχ ὑπονοοούντων, τὸ δὲ λέχος ἐρευνωμένων, μὴ νεκρὸν τις ὑποκρίνοιτο, οἱ νεκροφόροι τὸν Ἰκέλιον ἤλεγχον οὐχ ὁμοτέχνον σφίσιν ὄντα, ἐπιγνωσθέντα τε οἱ σφαγεῖς ἀπέκτειναν.

[28] Οὐᾶρος δ' ἀπελευθέρου προδιδόντος αὐτὸν ἀπέδρα, καὶ ὄρος ἐξ ὄρους ἀμείβων ἐς τὸ Μιντουρναίων ἔλος ἐνέπεσεν, ἔνθα ἑαυτὸν διαναπαύων ἡσύχαζε. τῶν δὲ Μιντουρναίων ἐπὶ ζητήσῃ ληστηρίου τὸ ἔλος περιθεόντων, ἢ τε κόμη τοῦ δόνακος σαλευθεῖσα ἐνέφηγε τὸν Οὐᾶρον, καὶ ληφθεὶς ἔλεγεν εἶναι ληστής καὶ ἐπὶ τῷδε θανάτῳ καταδικαζόμενος ἠνείχετο. ὥς δὲ αὐτὸν ἔμελλον καὶ βασανιεῖν ἐς τοὺς συνεγνωκότας, οὐκ ἐνεγκὼν ἤδη τοῦτο ὥς ἀπρεπέστερον, 'ἀπαγορεύω,' φησὶν, 'ὑμῖν, ὧ Μιντουρναῖοι, ὑπατόν με γεγενημένον, καί, ὃ τοῖς νῦν ἄρχουσι τιμιώτερόν ἐστι, προγεγραμμένον μήτε βασανίζειν μήτε ἀναιρεῖν ἔτι: εἰ γὰρ οὐκ ἔνι μοι διαφυγεῖν, ἄμεινον ὑπὸ τῶν ὁμοτίμων παθεῖν.' ἀπιστούντων δὲ τῶν Μιντουρναίων καὶ τὸν λόγον ὑπονοοούντων λοχαγὸς ἐπέγνω διαθέων καὶ τὴν κεφαλὴν ἀπέτεμε, τὸ δὲ λοιπὸν σῶμα τοῖς Μιντουρναίοις κατέλιπε.

Λάργον ἕτεροι συνελάμβανον ἐν χωρίοις, οὐ Λάργον, ἀλλ' ἕτερον διώκοντες: οἰκτεῖραντες δ', ὅτι μὴ ζητούμενος ἀλοίη, φεύγειν μετῆκαν ἀνὰ τὴν ὕλην. ὁ δὲ ὕφ' ἐτέρων διωκόμενος δρόμῳ τοὺς προτέρους κατέλαβε καὶ 'ὑμεῖς,' ἔφη, 'μέ κτείνατε μᾶλλον, οἱ ἐλεήσαντες, ἵνα τὸν μισθὸν ἀντὶ τούτων ὑμεῖς φέρησθε.'

ὁ μὲν δὴ ταύτην ἔδωκεν ἀμοιβὴν ἀποθνήσκων φιланθρωπίας, [29] Ροῦφος δὲ ἔχων συνοικίαν περικαλλῇ, γείτονα Φουλβίας τῆς γυναικὸς Ἀντωνίου, πάλαι μὲν ἀξιούσῃ τῇ Φουλβίᾳ πρίασθαι τὴν οἰκίαν οὐ συνεχώρει, τότε δὲ καὶ δωρούμενος προεγράφη. καὶ τὴν κεφαλὴν ὁ μὲν Ἀντωνίος οἱ προσφερομένην οὐχ ἑαυτῷ προσήκειν εἰπὼν ἔπεμψεν ἐς τὴν γυναῖκα, ἡ δὲ ἀντὶ τῆς ἀγορᾶς ἐκέλευσεν ἐπὶ τῆς συνοικίας προτεθῆναι. ἑπαυλιν ἕτερος εἶχε περικαλλῇ καὶ σύσκιον, ἄντρον τε καλὸν ἦν ἐν αὐτῇ καὶ βαθύ, καὶ τάχα διὰ ταῦτα καὶ προυγράφη. ἔτυχε δὲ ἀναψύχων κατὰ τὸ ἄντρον, καὶ αὐτῷ τῶν σφαγῶν ἔτι μακρόθεν ἐπιθεόντων θεράπων αὐτὸν ἐς τὸν μυχὸν τοῦ ἄντρου προπέμψας ἐνέδου τὸν τοῦ δεσπότης χιτωνίσκον καὶ ὑπεκρίνετο ἐκεῖνος εἶναι καὶ δεδιέναι: καὶ τάχα ἂν ἐπέτυχεν ἀναιρεθεὶς, εἰ μὴ τῶν ὁμοδούλων τις ἐνέφηγε τὴν ἐνέδραν. ἀναιρεθέντος δὲ ὧδε τοῦ δεσπότης, ὁ δῆμος ἀγανακτῶν παρὰ τοῖς ἄρχουσιν οὐκ ἐπαύετο, μέχρι τὸν μὲν ἐνδείξαντα κρεμασθῆναι, τὸν δὲ περισώσαντα ἐλευθερῶσαι ἐποίησεν. Ἀτέριον δὲ κρυπτόμενον θεράπων ἐμήνυσέ τε καὶ ἐλεύθερος αὐτίκα γενόμενος ἀντωνεῖτο τοῖς παισὶν αὐτοῦ τὴν

οὐσίαν καὶ ἐνύβριζεν ἐπαχθῶς. οἱ δὲ αὐτῷ πανταχῇ μετὰ σιγῆς εἶποντο κλαίοντες, ἕως ὃ δῆμος ἠγανάκτησε, καὶ οἱ τρεῖς αὐτόν, ὥς πλεονάσαντα τῆς χρείας, ἀνεδούλωσαν τοῖς παισὶ τοῦ προγεγραμμένου.

[30] περὶ μὲν δὴ τοὺς ἄνδρας τοιαύδε ἐγένετο, ἤψατο δὲ καὶ ὀρφανῶν διὰ πλοῦτον ἢ τότε τύχη. καὶ ὁ μὲν ἐς διδασκάλου φοιτῶν αὐτῷ παιδαγωγῷ συνανηρέθη, τὸν παῖδα περισχομένῳ τε καὶ οὐ μεθιέντι: Ἀτίλιος δὲ ἄρτι τὴν τῶν τελείων περιθέμενος στολὴν ἦει μὲν, ὥς ἔθος ἐστί, σὺν πομπῇ φίλων ἐπὶ θυσίας ἐς τὰ ἱερά, ἄφνω δὲ ἐγγραφέντος αὐτοῦ τοῖς πίναξιν οἱ φίλοι καὶ οἱ θεράποντες διεδίδρασκον. ὁ δὲ μόνος καὶ ἔρημος ἐκ δαψιλοῦς παραπομπῆς ἐς τὴν μητέρα ἐχώρει: οὐ δεξαμένης δὲ αὐτόν οὐδὲ ἐκείνης ὑπὸ δέους, οὐκ ἀξιῶσας ἔτι ἐς πείραν ἔλθειν ἐτέρου μετὰ μητέρα, ἐς ὅρος ἔφυγεν: ὅθεν ὑπὸ λιμοῦ ἐς τὰ πεδινὰ κατελθὼν ἐλήφθη πρὸς ἄνδρὸς ληστεύειν τοὺς παροδεύοντας καὶ ἐπὶ ἔργῳ καταδεῖν εἰθισμένου. οἷα δὲ παῖς ἐκ τρυφῆς τὸν πόνον οὐκ ἐνεγκὼν ἐς τὴν ἁμαξιτὸν αὐταῖς χοινικίσι διέδρα καὶ παροδεύουσι λοχαγοῖς ἑαυτὸν ἐμήνυσέ τε καὶ ἀνηρέθη.

[31] γιγνομένων δὲ τούτων Λέπιδος ἐπὶ Ἰβηρσιν ἐθριάμβευε, καὶ προυτέθη διάγραμμα οὕτως ἔχον: ‘ἀγαθὴ τύχη προειρήσθω πᾶσι καὶ πάσαις θύειν καὶ εὐωχεῖσθαι τὴν ἡμέραν τὴν παροῦσαν: ὅς δ’ ἂν μὴ φαίνεται ταῦτα ποιῶν, ἐν τοῖς προγεγραμμένοις ἔσται.’ ὁ μὲν δὴ τὸν θρίαμβον ἐς τὰ ἱερά ἀνῆγε, παραπεμπόντων αὐτόν ἀπάντων μετὰ σχήματος ἱλαροῦ καὶ γνώμης δυσμενοῦς: τῶν δὲ προγεγραμμένων τὰ μὲν ἐν ταῖς οἰκίαις διεφορεῖτο, καὶ οὐ πολὺς ἦν ὁ τὰ χωρία ὠνούμενος, οἱ μὲν ἐπιβαρεῖν τοῖς ἡτυχηκόσιν αἰδούμενοι καὶ οὐκ ἐν αἰσίῳ σφίσι τὰ ἐκείνων ἔσεσθαι νομίζοντες οὐδὲ ἀσφαλὲς ὅλως χρυσίον ἢ ἀργύριον ἔχοντας ὀρᾶσθαι οὐδὲ τὰς ἐπικτήσεις νῦν ἀκινδύνους, πολὺ δὲ μᾶλλον τὰ ὄντα ἐπικίνδυνα. μόνοι δὲ οἱ διὰ θρασύτητα προσιόντες, ἅτε μόνοι, βραχυτάτου πάμπαν ὠνοῦντο. ὅθεν τοῖς ἄρχουσιν, ἐλπίσασιν ἐς τὰς τοῦ πολέμου παρασκευὰς τάδε ἀρκέσειν, ἐνέδει μυριάδων ἔτι δισμυρίων.

[32] καὶ τοῦτο ἐς τὸν δῆμον εἰπόντες προύγραφον χιλίας καὶ τετρακοσίας γυναῖκας, αἱ μάλιστα πλοῦτῳ διέφερον: καὶ αὐτὰς ἔδει, τὰ ὄντα τιμωμένας, ἐσφέρειν ἐς τὰς τοῦ πολέμου χρείας, ὅσον ἐκάστην οἱ τρεῖς δοκιμάσειαν. ἐπέκειτό τε ταῖς ἀποκρυσμαμέναις τι τῶν ὄντων, ἢ τιμησαμέναις κακῶς ἐπιτίμια καὶ τοῖς ταῦτα μηνύουσιν ἐλευθέρους τε καὶ δούλοις μήνυτρα. αἱ δὲ γυναῖκες ἔκριναν τῶν προσηκουσῶν τοῖς ἄρχουσι γυναικῶν δεηθῆναι. τῆς μὲν δὴ Καίσαρος ἀδελφῆς οὐκ ἀπετύγχανον, οὐδὲ τῆς μητρὸς Ἀντωνίου: Φουλβίας δέ, τῆς γυναικὸς Ἀντωνίου, τῶν θυρῶν ἀπωθούμεναι χαλεπῶς τὴν ὕβριν ἤνεγκαν, καὶ ἐς τὴν ἀγορὰν ἐπὶ τὸ βῆμα τῶν ἀρχόντων ὠσάμεναι, δισταμένων τοῦ τε δήμου καὶ τῶν δορυφόρων, ἔλεγον, Ὁρτησίας ἐς τοῦτο προκεχειρισμένης:

ὁ μὲν ἥρμοζε δεομέναις ὑμῶν γυναῖξι τοιαῖσδε, ἐπὶ τὰς γυναῖκας ὑμῶν κατεφύγομεν: ὁ δὲ οὐχ ἥρμοζεν, ὑπὸ Φουλβίας παθοῦσαι, ἐς τὴν ἀγορὰν συνεώσμεθα ὑπ’ αὐτῆς. ὑμεῖς δ’ ἡμᾶς ἀφείλεσθε μὲν ἤδη γονέας τε καὶ παῖδας καὶ ἄνδρας καὶ ἀδελφοὺς ἐπικαλοῦντες, ὅτι πρὸς αὐτῶν ἡδίκησθε: εἰ δὲ καὶ τὰ χρήματα προσαφέλοισθε, περιστήσετε ἐς ἀπρέπειαν ἀναξίαν γένους καὶ τρόπων καὶ φύσεως γυναικείας. εἰ μὲν δὴ τι καὶ πρὸς ἡμῶν, οἷόν ὑπὸ τῶν

ἀνδρῶν, ἡδικῆσθαι φατε, προγράψατε καὶ ἡμᾶς ὥς ἐκείνους. εἰ δὲ οὐδένα ὑμῶν αἱ γυναῖκες οὔτε πολέμιον ἐψηφισάμεθα οὔτε καθείλομεν οἰκίαν ἢ στρατὸν διεφθείραμεν ἢ ἐπηγάγομεν ἕτερον ἢ ἀρχῆς ἢ τιμῆς τυχεῖν ἐκωλύσαμεν, τί κοινωνοῦμεν τῶν κολάσεων αἱ τῶν ἀδικημάτων οὐ μετασχοῦσαι;

[33] τί δὲ ἐσφέρωμεν αἱ μήτε ἀρχῆς μήτε τιμῆς μήτε στρατηγίας μήτε τῆς πολιτείας ὅλως, τῆς ὑμῖν ἐς τοσοῦτον ἤδη κακοῦ περιμαχήτου, μετέχουσαι; ὅτι φατὲ πόλεμον εἶναι; καὶ πότε οὐ γεγόνασι πόλεμοι; καὶ πότε γυναῖκες συνεισήνεγκαν; ἃς ἡ μὲν φύσις ἀπολύει παρὰ ἅπασιν ἀνθρώποις, αἱ δὲ μητέρες ἡμῶν ὑπὲρ τὴν φύσιν ἐσήνεγκάν ποτε ἅπαξ, ὅτε ἐκινδυνεύετε περὶ τῇ ἀρχῇ πάσῃ καὶ περὶ αὐτῇ τῇ πόλει, Καρχηδονίων ἐνοχλοῦντων. καὶ τότε δὲ ἐσήνεγκαν ἐκοῦσαι, καὶ οὐκ ἀπὸ γῆς ἢ χωρίων ἢ προικὸς ἢ οἰκῶν, ὧν χωρὶς ἀβιώτόν ἐστιν ἐλευθέραις, ἀλλὰ ἀπὸ μόνων τῶν οἴκοι κόσμων, οὐδὲ τούτων τιμωμένων οὐδὲ ὑπὸ μηνυταῖς ἢ κατηγοροῖς οὐδὲ πρὸς ἀνάγκην ἢ βίαν, ἀλλ' ὅσον ἐβούλοντο αὐταί. τίς οὖν καὶ νῦν ἐστὶν ὑμῖν περὶ τῆς ἀρχῆς ἢ περὶ τῆς πατρίδος φόβος; ἴτω τοῖνυν ἡ Κελτῶν πόλεμος ἢ Παρθυαίων, καὶ οὐ χείρους ἐς σωτηρίαν ἐσόμεθα τῶν μητέρων. ἐς δὲ ἐμφυλίους πολέμους μήτε ἐσενέγκαιμὲν ποτε μήτε συμπράξαιμεν ὑμῖν κατ' ἀλλήλων. οὐδὲ γὰρ ἐπὶ Καίσαρος ἢ Πομπηίου συνεφέρομεν, οὐδὲ Μάριος ἡμᾶς οὐδὲ Κίνας ἠνάγκασεν οὐδὲ Σύλλας, ὁ τυραννήσας τῆς πατρίδος: ὑμεῖς δὲ φατε καὶ καθίστασθαι τὴν πολιτείαν.

[34] τοιαῦτα τῆς Ὀρτησίας λεγούσης, οἱ τρεῖς ἡγανάκτουν, εἰ γυναῖκες ἀνδρῶν ἡσυχάζόντων θρασυνοῦνται τε καὶ ἐκκλησιάσουσι, καὶ τὰ δρώμενα τοῖς ἄρχουσιν ἐξετάσουσι, καὶ τῶν ἀνδρῶν στρατευομένων αὐταὶ οὐδὲ χρήματα ἐσοίσουσιν: ἐκέλευόν τε τοῖς ὑπηρέταις ἐξωθεῖν αὐτάς ἀπὸ τοῦ βήματος, μέχρι βοῆς ἐξωθεν ἐκ τοῦ πλήθους γενομένης οἱ τε ὑπηρέται τὸ ἔργον ἐπέσχον καὶ οἱ ἄρχοντες ἔφασαν ἐς τὴν ὑστεραίαν ἀνατίθεσθαι. τῇ δ' ὑστεραία τετρακοσίας μὲν ἀντὶ χιλίων καὶ τετρακοσίων προύγραφον ἀποτιμᾶσθαι τὰ ὄντα, τῶν δὲ ἀνδρῶν πάντα τὸν ἔχοντα πλείους δέκα μυριάδων, ἄστων ὁμοῦ καὶ ξένων καὶ ἀπελεύθερον καὶ ἱερέα καὶ πανταεθνῆ, μηδενὸς ἀφιεμένου, καὶ τούσδε μεθ' ὁμοίου φόβου τῶν ἐπιτιμίων καὶ ὑπὸ μηνύμασιν ὁμοίοις, ἵνα πεντηκοστὴν μὲν τῶν ὄντων αὐτίκα δανείσαιεν αὐτοῖς, ἐνιαυτοῦ δὲ φόρον ἐς τὸν πόλεμον ἐσενέγκαιεν.

[35] ἐκ μὲν δὴ τῶν προσταγμάτων τοιαῦτα Ῥωμαῖους ἐπεῖχεν, ὁ δὲ στρατὸς σὺν καταφρονήσει χεῖρονα ἐποίουν. ὥς γὰρ τῶν ἀρχόντων ἐπὶ τοιοῖσδε ἔργοις ἐν σφίσι μόνον τὸ ἀσφαλὲς ἐχόντων, οἱ μὲν αὐτοὺς ἡτοῦντο τῶν δεδημευμένων οἰκίαν ἢ ἀγρὸν ἢ ἔπαυλιν ἢ ὅλον κληρον, οἱ δ' αὖ παῖδας ἀνδράσι θετοὺς γενέσθαι: οἱ δὲ ἀφ' ἑαυτῶν ἕτερα ἔδρων, κτινύνοντες τε τοὺς οὐ προγεγραμμένους καὶ οἰκίας οὐδὲν ὑπαιτίων διαφοροῦντες. ὥστε καὶ τοὺς ἄρχοντας προγράψαι τῶν ὑπάτων τὸν ἕτερον ἐπιστροφὴν τινα ποιήσασθαι τῶν ὑπὲρ τὸ πρόσταγμα γιγνομένων. ὁ δὲ τῶν μὲν ὀπλιτῶν ἔδισεν ἄψασθαι, μὴ σφᾶς ἐφ' ἑαυτὸν παροξύνῃ, τῶν δὲ θεραπόντων τινάς, οἱ σχήματι στρατιωτῶν συνεξημάρτανον ἐκείνους, λαβὼν ἐκρέμασε.

[36] καὶ τὰ μὲν ἐς τέλος τῶν συμφορῶν τοῖς προγεγραμμένοις ἀπαντῶντα

τοιάδε μάλιστα ἦν: ὅσα δὲ ἐκ παραλόγου τισὶν ἐγίνετο ἕς τε τὴν σωτηρίαν αὐτίκα καὶ ἕς ἀξίωσιν ὕστερον, ἐμοὶ τε ἥδιον εἰπεῖν καὶ τοῖς ἀκούουσιν ὠφελιμώτερον ἕς μηδὲν ἀποκάνοντας ἐλπίζειν περιέσεσθαι. αἱ μὲν οὖν φυγαὶ τοῖς δυναμένοις ἦσαν ἐς Κάσσιον ἢ Βροῦτον ἢ ἐς Λιβύην ἐπὶ Κορνιφίκιον, καὶ τόνδε τῆς δημοκρατίας μεταποιούμενον: ὁ δὲ πολὺς ἐς Σικελίαν ἦει, γειτονεύουσαν τῆς Ἰταλίας, καὶ Πομπηίου σφᾶς προθύμως ὑποδεχομένου. λαμπροτάτην γὰρ δὴ σπουδὴν ἐς τοὺς ἀτυχοῦντας ὁ Πομπήιος ἐν καιρῷ τότε ἔδειξε, κήρυκας τε περιπέμπων, οἱ πάντας ἐς αὐτὸν ἐκάλουν, καὶ τοῖς περισφύζουσιν αὐτοὺς ἐλευθέρους τε καὶ θεράπουσι προλέγων διπλάσια τῶν διδομένων τοῖς αἰρουῶσι: λέμβοι τε αὐτοῦ καὶ στρογγύλα ὑπήντα τοῖς πλέουσι, καὶ τριῆρεις τοὺς αἰγιαλοὺς ἐπέπλεον, σημειὰ τε ἀνίσχουσαι τοῖς ἄλωμένοις, καὶ τὸν ἐντυγχάνοντα περισφύζουσαι. αὐτὸς τε τοῖς ἀφικνουμένοις ἀπήντα καὶ ἐσθῆτος αὐτίκα καὶ κατασκευῆς ἐμερίζετο: τοῖς δὲ ἀξίοις καὶ ἐς στρατηγίας ἢ ναυαρχίας ἐχρήτο. σπονδῶν τέ οἱ πρὸς τοὺς τρεῖς γιγνομένων ὕστερον, οὐ συνέθετο, πρὶν καὶ τούσδε τοὺς εἰς αὐτὸν διαφυγόντας ἐς ταύτας περιλαβεῖν. ὁ μὲν δὴ χρησιμώτατος οὕτως ἀτυχούσῃ τῇ πατρίδι ἐγίνετο, καὶ δόξαν ἐκ τοῦδε ἀγαθὴν, ἴδιον ἐπὶ τῇ πατρίδι καὶ οὐχ ἥσσονα τήνδε ἐκείνης, προσελάμβανεν: ἕτεροι δὲ ἐτέρως φυγόντες ἢ κρυπτόμενοι μέχρι τῶν σπονδῶν, οἱ μὲν ἐν χωρίοις ἢ τάφοις, οἱ δὲ ἐν αὐτῷ ἄστει, σὺν ἐπινοίαις οἰκτραῖς διεγέροντο. φιλανδρίαι τε παράδοξοι γυναικῶν ὤφθησαν καὶ παίδων ἐς πατέρας εὐνοιαὶ καὶ θεραπόντων ὑπὲρ φύσιν ἐς δεσπότης. καὶ τῶνδε ὅσα παραδοξότατα, ἀναγράψω.

[37] Παῦλος, ὁ ἀδελφὸς Λεπίδου, τῶν λοχαγῶν αὐτὸν ὡς ἀδελφὸν αὐτοκράτορος αἰδουμένων, ἐπὶ ἀδειάς ἐξέπλευσεν ἐς Βροῦτον καὶ ἐς Μίλητον μετὰ Βροῦτον: ὅθεν οὐδὲ εἰρήνης ὕστερον γενομένης καλούμενος ἐπανελθεῖν ἠξίωσε. Λεύκιον δέ, τὸν Ἀντωνίου θεῖον, ἢ Ἀντωνίου μήτηρ ἀδελφὸν ὄντα εἶχεν οὐδ' ἐπικρύπτουσα, αἰδουμένων ἐς πολὺ καὶ τήνδε τῶν λοχαγῶν ὡς μητέρα αὐτοκράτορος. βιαζομένων δ' ὕστερον ἐξέθορεν ἐς τὴν ἀγορὰν καὶ προκαθημένῳ τῷ Ἀντωνίῳ μετὰ τῶν συνάρχων ἔφη: 'ἐμαυτὴν, ᾧ αὐτοκράτορ, μηνύω σοι Λεύκιον ὑποδεδέχθαι τε καὶ ἔχειν ἔτι καὶ ἔξειν, ἕως ἂν ἡμᾶς ὁμοῦ κατακάνῃς: τὰ γὰρ ὅμοια καὶ τοῖς ὑποδεδεγμένοις ἐπικεκλήρυκται.' ὁ δὲ αὐτὴν ἐπιμεμπνόμενος ὡς ἀδελφὴν μὲν ἀγαθὴν, μητέρα δὲ οὐκ εὐγνώμονα 'οὐ γὰρ νῦν χρῆναι περισφύζειν Λεύκιον, ἀλλὰ κωλύειν. ὅτε σου τὸν υἱὸν εἶναι πολέμιον ἐψηφίζετο, παρεσκεύασεν ὁμοῦ Πλάγκον ὑπατεύοντα κάθοδον τῷ Λευκίῳ ψηφίσασθαι.

[38] Μεσσάλας δὲ ἐπιφανὴς καὶ νέος ἐς Βροῦτον ἔφυγε, καὶ αὐτοῦ δέισαντες οἱ τρεῖς τὸ φρόνημα προύγραψαν οὕτως: 'ἐπεὶ Μεσσάλαν ἀπέφηναν ἡμῖν οἱ προσήκοντες αὐτῷ μηδὲ ἐπιδημεῖν, ὅτε Γάιος Καῖσαρ ἀνηρεῖτο, ἐξηρήσθω τῶν προγραφέντων ὁ Μεσσάλας.' ὁ δὲ τὴν μὲν συγγνώμην οὐκ ἐδέξατο, Βρούτου δὲ καὶ Κασσίου περὶ Θράκην πεσόντων καὶ τοῦ στρατοῦ πολλοῦ τε ἔτι ὄντος καὶ ναῦς καὶ χρήματα καὶ ἐλπίδας ἔχοντος οὐκ ἀσθενεῖς, ἄρχειν σφῶν τὸν Μεσσάλαν αἰρουμένων οὐκ ἀνασχόμενος, ἔπεισεν αὐτοὺς ἐνδόντας ἐπιβαρούσῃ τῇ τύχῃ μεταστρατεύσασθαι τοῖς ἀμφὶ τὸν Ἀντώνιον. οἰκειότερος δὲ ὢν Ἀντωνίῳ συνῆν, μέχρι κρατούσης Ἀντωνίου Κλεοπάτρας

ἐπιμεψάμενος ἐς Καίσαρα μετῆλθεν. ὁ δὲ αὐτὸν ὑπατόν τε ἀπέφηνεν ἀντὶ αὐτοῦ Ἀντωνίου, ἀποχειροτονηθέντος, ὅτε αὐθις ἐψηφίζετο εἶναι πολέμιος, καὶ περὶ Ἄκτιον ναυαρχήσαντα κατὰ τοῦ Ἀντωνίου στρατηγὸν ἐπεμψεν ἐπὶ Κελτοὺς ἀφισταμένους καὶ νικήσαντι ἔδωκε θριαμβεῦσαι.

Βύβλος δὲ ἐσπείσατο ἅμα τῷ Μεσσάλα καὶ ἐναυάρχησεν Ἀντωνίῳ διαλλαγὰς τε πολλάκις Ἀντωνίῳ καὶ Καίσαρι ἐς ἀλλήλους ἐπόρθμευσε καὶ στρατηγὸς ἀπεδείχθη Συρίας ὑπὸ Ἀντωνίου καὶ στρατηγῶν ἔτι αὐτῆς ἀπέθανεν.

[39] Ἀκίλιος δὲ ἔφευγε μὲν τῆς πόλεως λαθὼν, οἰκέτου δ' αὐτὸν ἐμφήναντος ὀπλίταις, τοὺς ὀπλίτας ἐπεισεν ἐλπίδι χρημάτων πλεόνων πέμψαι τινὰς ἀπὸ σφῶν πρὸς τὴν γυναικα μετὰ συμβόλων ὧν αὐτὸς ἐδίδου. ἡ δὲ τοῖς ἐλθοῦσιν τὸν κόσμον αὐτῆς ἅπαντα προθεῖσα ἔφη διδόναι μὲν ὥς ἀντιδώσουσιν, ἃ ὑπέσχοντο, οὐκ εἰδέναι δέ, εἰ ἀντιδώσουσιν. οὐ μὴν ἐψεύσθη τῆς φιλανδρίας: οἱ γὰρ ὀπλίται καὶ ναῦν ἐμίσθωσαν τῷ Ἀκίλιῳ καὶ προῦπεμψαν ἐς Σικελίαν. Λέντλος δέ, ἀξιούσης αὐτῷ συμφεῦναι τῆς γυναικὸς καὶ ἐς τοῦτο αὐτὸν ἐπιτηρούσης, οὐκ ἐθέλων αὐτὴν συγκινδυνεύειν ἑαυτῷ, λαθὼν ἔφυγεν ἐς Σικελίαν, στρατηγὸς δὲ ἀποδειχθεὶς ὑπὸ Πομπηίου ἐσήμηνεν, ὅτι σφῶιτο καὶ στρατηγίῃ. ἡ δ', ὅποι γῆς ἐστὶν ὁ ἀνὴρ, ἐπιγνοῦσα τὴν μητέρα φυλάσσουσιν ἐξέφυγε καὶ ἦδε σὺν θεράπουσι δύο: μεθ' ὧν ὥδευεν ἐπιμόχθως καὶ εὐτελῶς οἷα θεράπαινα, μέχρι διέπλευσεν ἐς Μεσσήνην ἀπὸ Ῥηγίου περὶ ἐσπέραν. καὶ οὐ δυσχερῶς τὴν στρατηγίδα σκηνὴν μαθοῦσα, εὔρε τὸν Λέντλον οὐχ οἷα στρατηγόν, ἀλλ' ἐν χαμευνίῳ καὶ κόμῃ καὶ διαίτῃ πονηρᾷ πόθῳ τῆς γυναικὸς.

[40] Ἀπουλιῷ δὲ ἠπειλῆσεν ἡ γυνὴ καταμηνύσειν αὐτόν, εἰ μόνος φεύγοι: καὶ ὁ μὲν ἄκων αὐτὴν ἐπήγετο, συνήνεγκε δὲ ἐς τὴν φυγὴν αὐτῷ τὸ ἀνύποπτον, ἅμα γυναικὶ καὶ θεράπουσι καὶ θεραπαίनाς ὁδεύοντι φανερώς. Ἄντιον δὲ ἡ γυνὴ στρωματοδόσμῳ κατείλησε καὶ ἐπέθηκε τοῖς μισθοῦ φέρουσι καὶ διήνεγκεν ἀπὸ τῆς οἰκίας ἐπὶ θάλασσαν, ὅθεν ἔφυγεν ἐς Σικελίαν. Ῥηγῖνον δὲ ἡ γυνὴ νυκτὸς ἐς ὑπόνομον λυμάτων καθῆκεν, ἐς ὃν ἡμέρας οὐχ ὑποστάντων ἐμβῆναι τῶν ὀπλιτῶν διὰ δυσοδομίαν, νυκτὸς ἄλλης εἰς ἀνθρακέα ἐσκεύασε καὶ ὄνον ἀνθρακας φέροντα ἐλαύνειν ἔδωκεν: αὐτὴ δὲ ἐκ βραχέος διαστήματος ἠγείτο φορεῖν φερομένη. τῶν δὲ ἀμφὶ τὰς πύλας ὀπλιτῶν τινος τὸ φορεῖον ὑπονοήσαντός τε καὶ ἐρευνωμένου, δείσας ὁ Ῥηγῖνος ἐπέδραμε καὶ ὥς ὁδῷ χρώμενος ἤξιον τὸν ὀπλίτην φεῖδεσθαι γυναικῶν. ὁ δὲ αὐτὸν ὥς ἀνθρακέα μετ' ὀργῆς ἀμειβόμενος ἐγνώρισεν 'ἐστράτευτο γὰρ ὑπ' αὐτῷ ποτε ἐν Συρίᾳ καὶ 'ἅπιθι χαίρων,' εἶπεν, 'αὐτοκράτορ: τοῦτο γάρ μοι προσήκει καὶ νῦν καλεῖν σε.' Κοπώνιον δὲ τὸ γύναιον ἤτησε παρὰ Ἀντωνίου, σῶφρων μὲν οὔσα τέως, ἀτυχήματι δὲ τὸ ἀτύχημα ἰωμένη.

[41] Γέταν δὲ ὁ υἱὸς ἐν εὐρυχώρῳ τῆς οἰκίας ἔδοξε καίειν ὥς ἀπαγξάμενον καὶ λαθὼν ἐν ἀγρῷ νεωνήτῳ κατέλιπεν, ἔνθα ὁ πρεσβύτης μεταμορφῶν ἑαυτὸν ἐπεδήσατο διφθέραν ἐς τὸν ἕτερον ὀφθαλμόν. καὶ τῶν σπονδῶν γενομένων ἔλυσε τὴν διφθέραν, καὶ ὁ ὀφθαλμὸς ὑπὸ τῆς ἀργίας δεδαπάνητο. Ὅππιον δὲ ὁ υἱός, ὑπὸ γήρως ἀσθενεστάτου μένειν ἐθέλοντα, ἔφερεν ἐπὶ τοῦ σώματος, ἕως ἐξήγαγε τε διὰ τῶν πυλῶν καὶ τὸ λοιπὸν μέχρι Σικελίας ἄγων ἢ φέρων ἐκόμισεν, οὐδενὸς ἄρα τὸ σχῆμα ὑπονοήσαντος ἢ ἐνυβρίσαντος, οἷόν

που και τὸν Αἰνείαν γράφουσιν αἰδέσιμον τοῖς πολεμίοις γενέσθαι φέροντα τὸν πατέρα. καὶ τὸν νεανίαν ὁ δῆμος ἐπαινῶν ὕστερον ἀπέφηνεν ἀγορανόμον: δεδημευμένης δ' αὐτῷ τῆς οὐσίας οὐκ ἔχοντι τῆς ἀρχῆς τὸ δαπάνημα οἱ τε χειροτέχναι τὰ ἐς τὴν ἀρχὴν ἀμισθὶ συνειργάσαντο, καὶ τῶν θεωμένων ἕκαστος ἐπὶ τὴν ὀρχήστραν ὅσον ἐβούλετο νόμισμα ἐρρίπτει, ἕως τὸν ἄνδρα κατεπλούτισαν. Ἀρριανοῦ δὲ καὶ ἐν τῇ στήλῃ κεκόλαπτο ἐκ διαθηκῶν: 'τὸν ἐνθάδε κείμενον υἱὸς οὐ προγραφεῖς προγραφέντα ἔκρυσέ τε καὶ συνέφυγε καὶ περιέσωσε.'

[42] Μετέλλω δὲ ἦσθιν υἱὸς τε καὶ πατήρ: καὶ αὐτοῖν ὁ μὲν πατὴρ στρατηγῶν Ἀντωνίῳ περὶ Ἄκτιον αἰχμάλωτος ἕάλω καὶ ἡγνοεῖτο, ὁ δὲ υἱὸς τῷ Καίσαρι συνεστρατεύετο καὶ ἐστρατηγῇ καὶ ὁδε περὶ τὸ Ἄκτιον. ἐν δὲ Σάμῳ διακρίνοντι τῷ Καίσαρι τοὺς αἰχμαλώτους ὁ μὲν παῖς συνήδρευεν, ὁ δὲ πρεσβύτης ἤγετο κόμης τε ἔμπλεως καὶ δύης καὶ ῥύπου καὶ τῆς ἐκ τῶνδε μεταμορφώσεως. ὥς δὲ ἐν τῇ τάξει τῶν αἰχμαλώτων ὑπὸ τοῦ κήρυκος ἀνεκλήθη, ἀνέθορεν ὁ υἱὸς ἐκ τοῦ συνεδρίου καὶ μόλις ἐπιγνούς τὸν πατέρα ἠσπάζετο σὺν οἰμωγῇ: ἐπισχὼν δὲ ποτε τοῦ θρήνου πρὸς τὸν Καίσαρα ἔφη: 'οὗτος μὲν σοι πολέμιος γέγονεν, ὦ Καῖσαρ, ἐγὼ δὲ σύμμαχος: καὶ χρὴ τοῦτον μὲν σοι δοῦναι δίκην, ἐμὲ δὲ γέρας εὐρέσθαι. αἰτῶ δὴ σε τὸν πατέρα σφῶζειν δι' ἐμὲ ἢ δι' ἐκεῖνον ἐμὲ συγκατακαθεῖν.' οἴκτου δὲ ἐξ ἀπάντων γενομένου μεθῆκε σφῶζεσθαι τὸν Μέτελλον ὁ Καῖσαρ, καίτοι πολεμιώτατον αὐτῷ γενόμενον καὶ δωρεῶν πολλῶν, εἰ μεταθοῖτο πρὸς αὐτὸν ἀπ' Ἀντωνίου, πολλάκις ὑπεριδόντα.

[43] Μάρκον δὲ οἱ θεράποντες σὺν εὐνοίᾳ καὶ τύχῃ πάντα τὸν τῆς προγραφῆς χρόνον διεφύλαξαν ἔνδον ἐπὶ τῆς οἰκίας, μέχρι τῆς ἀδείας δοθείσης ὁ Μάρκος ἐξῆι τῆς οἰκίας ὥς ἀπὸ φυγῆς. Ἰρτιος δὲ σὺν τοῖς οἰκέταις ἐκφυγὼν τῆς πόλεως διώδευε τὴν Ἰταλίαν, ἐκλύων τε δεσμώτας καὶ συνάγων τοὺς ἀποδιδράσκοντας καὶ πολίχνια δηῶν, ὀλίγα πρῶτον, εἴτα καὶ μεῖζω, μέχρι χειρὸς ἱκανῆς ἐκράτησε καὶ τὸ Βρεττίων ἔθνος ἐχειρώσατο καί, στρατοῦ πεμφθέντος ἐπ' αὐτόν, ἐς Πομπήιον μεθ' ὅσων εἶχε διέπλευσε.

Ῥεστίωνι δὲ οἰομένῳ μόνῳ φεύγειν οἰκέτης εἶπετο λανθάνων, ἀνάθρεπτος μὲν αὐτοῦ Ῥεστίωνος καὶ πολλὰ πρότερον εὖ παθὼν, διὰ δὲ μοχθηρίαν ὕστερον ἐστιγμένος. ἀναπαυομένῳ δὲ ἐν ἔλει τῷ Ῥεστίωνι ἐπιστάς ὁ θεράπων ἐξέπληξε μὲν αὐτίκα ὀφθείς, δεδοικότι δὲ ἔφη οὐ τῶν παρόντων στιγμάτων αἰσθάνεσθαι μᾶλλον ἢ μνημονεύειν τῶν πρότερον εὐεργετημάτων. καὶ αὐτὸν εἷς τι σπήλαιον ἀναπαύσας εἰργάζετο καὶ τροφὰς αὐτῷ συνέλεγεν, ὥς ἐδύνατο. ὑπονοίας δὲ τινος ἀμφὶ τὸ σπήλαιον τοῖς ἐγγύς ὀπλίταις περὶ τοῦ Ῥεστίωνος γενομένης καὶ χωροῦντων ἐπ' αὐτόν, ὁ οἰκέτης εἶπετο συνεῖς καὶ τινα πρεσβύτην προοδεύοντα προδραμῶν ἀπέκτεινε καὶ τὴν κεφαλὴν ἀπέτεμεν. ἐκπλαγέντων δὲ τῶν ὀπλιτῶν καὶ ὥς ἀνδροφόνον ὁδοιπόρου περισχόντων, 'Ῥεστίωνα,' ἔφη, 'ἔκτεινα, τὸν ἑμαυτοῦ δεσπότην, τάδε μοι τὰ στίγματα ἐγχαράξαντα.' οἱ μὲν δὴ τὴν κεφαλὴν αὐτὸν ἀφελόμενοι διὰ τὸ γέρας, ἠπείγοντο μάτην ἐς τὸ ἄστυ, ὁ δὲ τὸν δεσπότην ἀναστήσας διέπλευσεν ἐς Σικελίαν.

[44] Ἄππιον δὲ ἀναπαυόμενον ἐν ἐπαύλει, τῶν ὀπλιτῶν ἐπιθεόντων, οἰκέτης

τὴν ἑαυτοῦ ἐσθῆτα ἐνέδυσσε, καὶ αὐτὸς εἰς τὴν εὐνὴν οἷα δεσπότης ἀνακλιθεὶς ἐκὼν ἀπέθανεν ἀντὶ τοῦ δεσπότητος, παρεστῶτος ὡς οἰκέτου. Μενήνιου δὲ τὴν οἰκίαν καταλαβόντων ὀπλιτῶν, θεράπων ἐς τὸ τοῦ δεσπότητος φορεῖον ἐνέβη καὶ ὑπὸ τῶν ὁμοδούλων συνεργούντων ἐξεφέρετο, ἕως ὅδε μὲν ὡς Μενήνιος ἐκὼν ἀνήρητο, Μενήνιος δὲ ἐς Σικελίαν διέφυγεν. Οὐνίνιον δὲ ἀπελεύθερος αὐτοῦ Οὐνίνιου, Φιλήμων, οἰκίαν κεκτημένος λαμπράν, ἐν τῷ μεσαιτάτῳ τῆς οἰκίας ἔκρυπεν ἐν λάρνακι, ἧς ἀπὸ σιδήρου ἐς χρημάτων ἢ βιβλίων ἔχουσι φυλακὴν· καὶ νυκτὸς ἔτρεφε μέχρι τῶν σπονδῶν. ἕτερος δὲ ἀπελεύθερος, τάφον δεσπότητος φυλάσσων, τὸν δεσπότην προγραφέντα ἐφύλασσε ἐν τῷ τάφῳ μετὰ τοῦ πατρός.

Λουκρήτιος ἀλῶμενος σὺν δυσὶ θεράπουσιν ἀγαθοῖς ὑπὸ ἀπορίας τῶν τροφῶν ἦι πρὸς τὴν γυναῖκα, φορεῖω φερόμενος ὑπὸ τῶν οἰκετῶν οἷα τις ἄρρωστος, ἐς τὴν πόλιν. ἐνὸς δὲ τῶν φερόντων τὸ σκέλος συντρίβεντος τῷ ἐτέρῳ τὴν χεῖρα ἐπιθείς ἦι. παρὰ δὲ ταῖς πύλαις γενόμενος, ἔνθα αὐτοῦ καὶ ὁ πατήρ ὑπὸ Σύλλα προγραφεὶς ἐαλῶκει, εἶδε λόχον ὀπλιτῶν ἐκτρέχοντα καὶ πρὸς τὸ συγκύρημα τοῦ τόπου καταπλαγεὶς συνεκρύφθη μετὰ τοῦ θεράποντος ἐν τάφῳ. τυμβωρύχων δὲ τοὺς τάφους ἐρευνωμένων, ὁ θεράπων ἑαυτὸν τοῖς τυμβωρύχοις παρέσχε περιδύειν, μέχρι Λουκρήτιον ἐπὶ τὰς πύλας διαφυγεῖν. ἐκεῖ δὲ αὐτὸν ὁ Λουκρήτιος περιμείνας τε καὶ τῆς ἑαυτοῦ μερισάμενος ἐσθῆτος, ἦκε πρὸς τὴν γυναῖκα καὶ ὑπ' αὐτῆς ἐκρύπτετο ἐπὶ διπλῆς ὀροφῆς μετὰξυ, μέχρι τινὲς αὐτὸν ἐρρύσαντο παρὰ τῶν προγραφάντων καὶ ὕστερον ἐπὶ εἰρήνης ὑπάτευσεν.

[45] Σέργιος δὲ ἐκρύφθη παρ' αὐτῷ Ἀντωνίῳ, μέχρι Πλάγκον ὑπατεύοντα ὁ Ἀντώνιος ἔπεισε κάθοδον αὐτῷ ψηφίσασθαι. καὶ ἐπὶ τῷδε ὁ Σέργιος ὕστερον, ἐν τῇ Καίσαρος καὶ Ἀντωνίου στάσει, τῆς βουλῆς ψηφιζομένης εἶναι πολέμιον τὸν Ἀντώνιον, μόνος τὴν ἀπολύουσαν ἔφερε φανερώς.

καὶ οἷδε μὲν οὕτως ἐσφύζοντο, Πομπώνιος δὲ εἰς στρατηγοῦ σχῆμα κοσμήσας ἑαυτὸν καὶ τοὺς θεράποντας ἐς ὑπηρέτας σκευάσας τὴν πόλιν ὡς στρατηγὸς ὑπὸ ῥαβδούχοις διήλθεν, ἐπιθλιβόντων αὐτὸν τῶν ὑπηρετῶν, ἵνα μὴ γνωσθεῖ πρὸς ἐτέρου, καὶ παρὰ ταῖς πύλαις ὀχημάτων τε δημοσίων ἐπέβη καὶ τὴν Ἰταλίαν διώδευεν, ἀποδεχομένων αὐτὸν καὶ παραπεμπόντων ἀπάντων οἷα στρατηγὸν ὑπὸ τῶν τριῶν ἀνδρῶν ἐπὶ σπονδὰς ἐς Πομπήιον ἀπεσταλμένον, μέχρι καὶ δημοσίᾳ τριήρει διέπλευσε πρὸς ἐκεῖνον.

[46] Ἀπουλῆιος δὲ καὶ Ἀρρουντίος ὑποκριθέντες εἶναι λοχαγοὶ καὶ τοὺς θεράποντας ἐς στρατιώτας σκευάσαντες, τὰς μὲν πύλας διέδραμον ὡς λοχαγοὶ διώκοντες ἐτέρους, τὴν δὲ λοιπὴν ὁδὸν διελόμενοι τοὺς δεσμώτας ἐξέλυον καὶ τοὺς ἀποδράντας συνέλεγον, μέχρι χειρὸς ἱκανῆς ἐκατέρῳ γενομένης σημειᾶ τε ἦν ἤδη καὶ ὄπλα καὶ ὄψις στρατοῦ. χωρῶν δὲ ἐκάτερος αὐτῶν ἐπὶ θάλασσαν, ἀμφὶ τινὶ λόφῳ σταθμεύουσι, μεγάλῳ δέει καθορῶντες ἀλλήλους. ἅμα δὲ ἔφ' ἐκπεριεύνοντες ἐκ τοῦ λόφου ἔδοξαν ἀλλήλους ἐκάτερος στρατὸν ἐπὶ σφᾶς ἐπιπεμφθέντα εἶναι καὶ συμπλακέντες ἐμάχοντο, μέχρι ποτὲ ἔγνωσαν καὶ τὰ ὄπλα ἀπερρίπτουν καὶ ὠλοφύροντο καὶ τὴν τύχην ὡς ἐπιβαροῦσάν σφισιν ἐς ἅπαντα ἐπεμέμφοντο. διαπλεύσαντες δὲ ὁ μὲν ἐς Βρούτον, ὁ δ' ἐς Πομπήιον, ὁ μὲν τῷ Πομπήῳ συγκατῆλθεν, ὁ δὲ ἐστρατήγησε τῷ Βρούτῳ

Βιθυνίας καὶ Βρούτου πεσόντος Ἀντωνίῳ παραδοὺς Βιθυνίαν κατήχθη. Οὐεντίδιον δὲ ἀπελεύθερος εὐθὺς μὲν προγραφέντα κατέδησεν ὡς παραδώσων τοῖς σφαγεῦσι, νυκτὸς δὲ τοὺς θεράποντας ἔπεισε καὶ ἐσκεύασεν ὡς ὀπλίτας καὶ τὸν δεσπότην ὡς λοχαγὸν ἐξήγαγε: τήν τε ἄλλην Ἰταλίαν μέχρι Σικελίας διώδευσαν καὶ συγκατέλυσαν πολλάκις ἐτέροις λοχαγοῖς ζητοῦσιν Οὐεντίδιον.

[47] ἕτερον ἐν τάφῳ κρύπτων ἀπελεύθερος, οὐ φέροντα φαντασίαν τάφου, μετήγαγεν ἐς φαῦλον οἶκημα μισθωτόν. στρατιώτου δ' αὐτῷ παρακατοικισθέντος, οὐδὲ τοῦτον φέρων τὸν φόβον ἐς θαυμαστὴν τόλμαν ἐκ δειλίας μετέβαλε καὶ κειράμενος ἠγεῖτο ἐν αὐτῇ Ῥώμῃ διδασκαλείου μέχρι τῶν σπονδῶν. Οὐολούσιος δὲ ἀγορανομῶν προεγράφη καὶ φίλον ὀργιαστὴν τῆς Ἰσιδος ἔχων ἤτησε τὴν στολὴν καὶ τὰς ὀθόνας ἐνέδου τὰς ποδήρεις καὶ τὴν τοῦ κυνὸς κεφαλὴν ἐπέθετο καὶ διήλθεν οὕτως ὀργιάζων αὐτῷ σχήματι ἐς Πομπήιον. Σίτιον δὲ Καληνοί, πολίτην σφῶν ὄντα καὶ πολλὰ ἐς αὐτοὺς ἐκ περιουσίας δαψιλοῦς ἀναλώσαντα, ἐφύλασσαν, σιδηροφοροῦντές τε ὑπὲρ αὐτοῦ καὶ τοῖς οἰκέταις ἀπειλοῦντες καὶ τοὺς στρατιώτας ἀπερύκοντες ἀπὸ τῶν τειχῶν, μέχρι μαραινομένου τοῦ κακοῦ καὶ ἐς τοὺς τρεῖς ἐπρέσβευσαν ὑπὲρ αὐτοῦ καὶ ἔτυχον Σίτιον τῆς ἄλλης Ἰταλίας εἰργόμενον ἐν τῇ πατρίδι μένειν. Σίτιος μὲν δὴ πρῶτος ἢ μόνος ἀνδρῶν ὅδε τῆς ξένης ἐφυγαδεύετο ἐν τῇ πατρίδι, Οὐάρρων δὲ ἦν φιλόσοφος τε καὶ ἱστορίας συγγραφεὺς, ἐστρατευμένος τε καλῶς καὶ ἐστρατηγηκώς, καὶ ἴσως διὰ ταῦτα ὡς ἐχθρὸς μοναρχίας προυγράφη. φιλοτιμουμένων δὲ αὐτὸν ὑποδέξασθαι τῶν γνωρίμων καὶ διεριζόντων ἐς ἀλλήλους, Καληνὸς ἐξενίκησε καὶ εἶχεν ἐν ἐπαύλει, ἔνθα Ἀντώνιος, ὅτε διοδεύοι, κατήγετο: καὶ τὸν Οὐάρρωνα οὐδεὶς ἔνδον ὄντα ἐνέφηγε θεράπων, οὔτε αὐτοῦ Οὐάρρωνος οὔτε Καληνοῦ.

[48] Οὐεργίνιος δέ, ἀνὴρ ἡδὺς εἰπεῖν, τοὺς οἰκέτας ἐδίδασκεν, ὅτι κτείναντες μὲν αὐτὸν δι' ὀλίγα χρήματα οὐκ ἀσφαλῆ μύσους τε πίμπλονται καὶ φόβον ἐς ὕστερον μεγάλων, περισώσαντες δὲ δόξης τε εὐσεβοῦς καὶ ἐλπίδων ἀγαθῶν καὶ χρημάτων ὕστερον πολὺ πλεόνων τε καὶ ἀσφαλεστέρων. οἱ μὲν δὴ συνέφευγον ὡς ὁμοδούλῳ καὶ γνωρισθέντος αὐτοῦ παρὰ τὴν ὁδὸν πρὸς τοὺς ὀπλίτας ἀπεμάχοντο: ὁ δὲ ληφθεὶς ὑπὸ τῶν ὀπλιτῶν ἐδίδασκε κἀκείνους, ὅτι κατὰ μὲν ἔχθραν αὐτὸν οὐκ ἀνελοῦσιν, ἀλλὰ χρημάτων οὐνεκα μόνων, χρήματα δὲ αὐτοῖς εἴη δικαιοτέρα καὶ πλέονα λαβεῖν ἐπὶ θάλασσαν ἐλθοῦσιν, 'ἔνθα μοι τὸ γύναιον,' ἔφη, 'ναῦν φέρουσα χρημάτων συνετάξατο.' καὶ αὐτῷ καὶ οἷδε πεισθέντες κατήεσαν ἐπὶ τὴν θάλασσαν: ἡ γυνὴ δὲ ἀφίκτο μὲν ἐπὶ τὴν ἡῖονα κατὰ τὸ συγκείμενον, βραδύνοντος δὲ τοῦ Οὐεργινίου, νομίσασα αὐτὸν ἐς Πομπήιον προπεπλευκέναι ἀνήγετο, θεράπωντα ὅμως ἐπὶ τῆς ἡῖονος ἐξαγγέλλειν ὑπολιποῦσα. καὶ ὁ θεράπων τὸν Οὐεργίνιον ἰδὼν ἀνέθορε τε ὡς ἐς δεσπότην καὶ τὴν ναῦν ἐδείκνυνεν ὡς ὀρωμένην καὶ τὴν γυναῖκα ἔφραζε καὶ τὰ χρήματα καὶ αὐτὸς ἐφ' ὧν κατελείφθη. οἱ δὲ ἐπίστευον ἅπασιν ἤδη, καὶ τὸν Οὐεργίνιον ἀξιοῦντα σφᾶς περιμένειν, ἔστε μετακληθεῖν τὸ γύναιον, ἢ συνελθεῖν οἱ πρὸς αὐτὴν ἐπὶ τὰ χρήματα, ἐσβάντες ἐς σκάφος παρέπεμπον ἐς Σικελίαν, ἐρέσσοντες φιλοπόνως: ἐκεῖ δὲ ἔτυχόν τε τῶν ἐπαγγελιῶν καὶ οὐκ ἀπέστησαν ἔτι θεραπεύοντες αὐτὸν μέχρι τῶν σπονδῶν.

Ῥέβιλον δὲ ναύκληρος ἐς τὴν ναῦν ὑποδεξάμενος ὥς διοίσων ἐς Σικελίαν ἦται χρήματα, μηνύσειν ἀπειλῶν, εἰ μὴ λάβοι. ὁ δέ, οἶόν τι καὶ Θεμιστοκλῆς φεύγων ἐποίησεν, ἀντηπεῖλει μηνύσειν, ὅτι αὐτὸν ἐπὶ χρήμασιν ἄγοι, μέχρι δέισας ὁ ναύκληρος διέσωσεν ἐς Πομπήιον.

[49] Μᾶρκος δὲ Βρούτῳ στρατηγῶν προεγγράπτο μὲν καὶ ὁδε διὰ τόδε, ἡττωμένου δὲ τοῦ Βρούτου συλλαμβανόμενος ὑπεκρίνατο εἶναι θεράπων, καὶ αὐτὸν ὠνήσατο Βαρβούλας. δεξιὸν δὲ ὄρῶν ἐπέστησε τοῖς ὁμοδόουλοις καὶ χρήματα διοικεῖν ἔδωκεν· δεινὸν δὲ ἐν ἅπασι καὶ συνετὸν ὄντα ὑπὲρ θεράποντος φύσιν ὑπενόει καὶ ἐπῆλπιζεν, εἰ τῶν προγεγραμμένων τις εἴη, περισώσειν ὁμολογήσαντα. ἀπομαχόμενον δὲ ἰσχυρῶς καὶ γένος ἀναπλάσσοντα καὶ ὄνομα καὶ προτέρους δεσπότης ἐς Ῥώμην ἐπήγετο, ἐλπίσας ὀκνήσειν ἐς Ῥώμην ἀφικέσθαι προγεγραμμένον. ὁ δὲ εἶπετο καὶ ὧς. περὶ δὲ τὰς πύλας τῶν ὑπαντῶντων τις φύλων Βαρβούλα, θεασάμενος τὸν Μᾶρκον ὥς οἰκέτην αὐτῷ παρεστῶτα, κρύφα ἐμήνυσε τῷ Βαρβούλᾳ. ὁ δὲ ἐδεήθη Καίσαρος δι' Ἀγρίππα, καὶ ἀφείθη τῆς προγραφῆς ὁ Μᾶρκος, καὶ φίλος ἐγίνετο Καίσαρι καὶ μετ' οὐ πολὺ καὶ στρατηγὸς ἦν ἐπὶ Ἀντωνίῳ περὶ Ἄκτιον. ἐστρατήγει δὲ καὶ Ἀντωνίῳ Βαρβούλας, καὶ ἡ τύχη περιῆλθεν ἐς τὸ ὅμοιον ἀμφοτέροις· Βαρβούλας τε γὰρ ἡττηθέντος Ἀντωνίου λαμβανόμενος ὑπεκρίνατο οἰκέτης εἶναι, καὶ ὁ Μᾶρκος αὐτὸν ὥς ἀγνοῶν ὠνήσατο, ἐκθέμενος δὲ ἅπαντα τῷ Καίσαρι ἦτησέ τε καὶ ἔτυχε τοῖς ὁμοίοις τὸν Βαρβούλαν ἀμείψασθαι.

τοῖσδε μὲν οὖν ἡ συντυχία τῶν ὁμοίων καὶ ἐς τὸ ἔπειτα παρέμεινεν· ἦρξαν γὰρ τὴν ἐπώνυμον ἀρχὴν ἐν ἅστει οἱ δύο ὁμοῦ. [50] Βαλβίνῳ δέ, ἐκφυγόντι καὶ κατελθόντι σὺν Πομπήϊῳ καὶ ὑπατεύοντι οὐ πολὺ ὕστερον, Λέπιδος ιδιότης ὑπὸ Καίσαρος ἐκ δυνάστου γενόμενος ὑπὸ τοιαύτῃ ἀνάγκῃ παρέστη. Μαικήνας ἐδίωκε τὸν Λεπίδου παῖδα βουλευσεως ἐπὶ Καίσαρι, ἐδίωκε δὲ καὶ τὴν μητέρα τῷ παιδί συνεγνωκέναι· Λεπίδου γὰρ αὐτοῦ ἄρα ὥς ἀσθενοῦς ὑπερεώρα. τὸν μὲν δὴ παῖδα ὁ Μαικήνας ἐς Ἄκτιον ἔπεμπε τῷ Καίσαρι, τὴν δὲ μητέρα, ἵνα μὴ ἄγοιτο οὕσα γυνή, ἐγγύην ἦται παρὰ τῷ ὑπάτῳ πρὸς Καίσαρα ἀφίξεσθαι. οὐδενὸς δὲ τὴν ἐγγύην ὑφισταμένου, ὁ Λέπιδος ἀμφὶ τὰς Βαλβίνου θύρας ἐτρίβετο πολλάκις καὶ δικάζοντι παρίστατο καὶ διωθουμένων αὐτὸν ἐς πολὺ τῶν ὑπηρετῶν μόλις εἶπεν· ‘ἐμοὶ μὲν καὶ οἱ κατήγοροι μαρτυροῦσιν ἐπιείκειαν, οὐδὲ γυναικί με ἢ παιδί συγγνῶναι λέγοντες· σὲ δὲ οὐκ ἐγὼ μὲν προέγραψα, κάτω δὲ εἰμι τῶν προγραφέντων. ἀλλ’ ἐς τὴν ἀνθρώπειον τύχην ἀφορῶν καὶ ἐς ἐμὲ σοὶ παρεστῶτα, χάρισαί μοι τὴν γυναῖκα ἀπαντήσιν ἐς Καίσαρα ἐγγυωμένῃ ἢ μετ’ ἐκείνης ἀπελθεῖν δεομένη.’ ταῦτα ἔτι τοῦ Λεπίδου λέγοντος, οὐκ ἐνεγκὼν τὴν μεταβολὴν ὁ Βαλβίνος ἀπέλυσε τῆς ἐγγύης τὴν γυναῖκα.

[51] Κικέρων δὲ ὁ Κικέρωνος προαπέσταλτο μὲν ὑπὸ τοῦ πατρὸς ἐς τὴν Ἑλλάδα, τοιάδε ἔσσεσθαι προσδοκῶντος· ἀπὸ δὲ τῆς Ἑλλάδος ἐς Βρούτον καὶ μετὰ Βρούτον ἀποθανόντα ἐς Πομπήιον ἐλθὼν τιμῆς παρ’ ἐκατέρῳ καὶ στρατηγίας ἡξιοῦτο. ἐπὶ δὲ ἐκείνοις αὐτὸν ὁ Καῖσαρ ἐς ἀπολογίαν τῆς Κικέρωνος ἐκδόσεως ἱερέα τε εὐθὺς ἀπέφηνε καὶ ὑπατον οὐ πολὺ ὕστερον καὶ Συρίας στρατηγόν· καὶ τὴν Ἀντωνίου περὶ Ἄκτιον συμφορὰν

ἐπισταλεῖσαν ὑπὸ τοῦ Καίσαρος ὁ Κικέρων ὁδε ὑπατεῶν ἀνέγνω τε τῷ δήμῳ καὶ προύθηκεν ἐπὶ τοῦ βήματος, ἔνθα πρότερον ἢ τοῦ πατρὸς αὐτοῦ προύκειτο κεφαλὴ. Ἄππιος δὲ διένειμε τοῖς θεράπουσιν τὰ ὄντα καὶ μετ' αὐτῶν ἐς Σικελίαν ἔπλει. χειμῶνος δὲ ἐπιλαβόντος ἐπιβουλευόντες οἱ θεράποντες τοῖς χρήμασιν ἐς σκάφος ἐνέθεντο τὸν Ἄππιον, ὥς ἐς ἀσφαλεστέραν ἐλπίδα μεταφέροντες. καὶ συνέβη τῷ μὲν ἐκ παραλόγου διαπλεῦσαι, τοῖς δὲ ἀπολέσθαι τῆς νεῶς διαλυθείσης. Πούπλιος δὲ ὁ ταμίης Βρούτου, τῶν ἀμφὶ τὸν Ἀντώνιον αὐτὸν πειθόντων προδοῦναι Βρούτον οὐκ ἀνασχόμενος, διὰ τόδε καὶ προεγράφη. καὶ κατήχθη καὶ Καίσαρι φίλος ἐγίγνετο καὶ ἐπιόντι ποτὲ τῷ Καίσαρι προύθηκεν εἰκόνας Βρούτου καὶ ἐπηνέθη καὶ ἐπὶ τῷδε ὑπὸ τοῦ Καίσαρος.

τὰ μὲν δὴ παρὰ δόξαν τισὶ τῶν προγραφέντων εἷς τε κίνδυνον καὶ σωτηρίαν γενόμενα, πολλὰ καὶ ἄλλα παραλιπόντι τοιάδε μάλιστα ἦν: [52] γιγνομένων δὲ τούτων ἐν Ῥώμῃ, καὶ τὰ ὑπερόρια πάντα πολέμοις διὰ τήνδε τὴν στάσιν ἐδονεῖτο: καὶ τῶν πολέμων οἱ μείζους ἦσαν ἀμφὶ τε Λιβύην Κορνιφικίου πρὸς Σέξστιον καὶ ἐν Συρίᾳ Κασσίου πρὸς Δολοβέλλαν καὶ περὶ Σικελίαν Πομπηίου. πάθη τε πολλὰ συνηνέχθη πόλεσιν ἐκ δοριαλωσίας, ὑπεριδόντι δὲ τῶν ἐλασσόνων τὰ μέγιστα δὴ καὶ δι' ἀξίωσιν τῶν ἄλλων περιφανέστατα Λαοδικεῦσι καὶ Ταρσεῦσι καὶ Ῥοδίοις καὶ Παταρεῦσι καὶ Ξανθίοις. καὶ αὐτῶν ἕκαστα, ὥς ἐν κεφαλαίῳ συναγαγόντι φράσαι, τοιάδε ἦν.

[53] Λιβύης Ῥωμαῖοι τὴν μὲν ἔτι καλοῦσι παλαιάν, ὅσῃν Καρχηδονίους ἀφείλοντο: ἦν δὲ Ἰόβας εἶχεν, ὕστερόν τε ἔλαβον ἐπὶ Γαῖου Καίσαρος καὶ διὰ τοῦτο νέαν προσαγορεύουσι Λιβύην: εἴη δ' ἂν τῆς Νομαδικῆς. Σέξστιος οὖν ὑπὸ Καίσαρι τῆς νέας ἡγούμενος ἦται Κορνιφικίον ἐκστῆναί οἱ τῆς παλαιᾶς, ὥς Λιβύης ἀπάσης ἐν τῇ λήξει τῶν τριῶν ἀνδρῶν Καίσαρι νενεμημένης. ὁ δὲ οὔτε τὴν λήξιν ἔφην γινώσκειν τῶν τριῶν ἐφ' ἑαυτῶν πεποιημένων, οὔτε τὴν ἀρχὴν παρὰ τῆς βουλῆς λαβὼν ἄλλῳ μεθήσειν χωρὶς αὐτῆς: ἐκ μὲν δὴ τούτων ἀλλήλοις ἐπολέμουν, στρατὸν δὲ εἶχεν ὁ μὲν βαρύν τε καὶ πλείονα, ὁ δὲ Σέξστιος κουφότερόν τε καὶ ὀλιγώτερον, ᾧ δὴ καὶ τὰ μεσόγαια τοῦ Κορνιφικίου περιῶν ἀφίστη καὶ Οὐεντίδιον, στρατηγὸν τοῦ Κορνιφικίου, μετὰ πλείονων ἐπελθόντα ἀπεμάχετο πολιορκούμενος. ἐδήου δὲ καὶ Λαίλιος, ἕτερος τοῦ Κορνιφικίου στρατηγός, τὴν Σεξστίου Λιβύην καὶ Κίρταν περικαθήμενος ἐπολιόρκει.

[54] καὶ πάντες ἐπρέσβευον περὶ συμμαχίας ἔς τε Ἀραβίωνα βασιλέα καὶ τοὺς καλουμένους Σιττιανούς, οἱ ἀπὸ τοιαύσδε συντυχίας οὕτως ὀνομάζοντο. Σίττιος ἐν Ῥώμῃ δίκην ἰδίαν οὐχ ὑποστάς ἐφυγε καὶ στρατὸν ἀγείρας ἐκ τε αὐτῆς Ἰταλίας καὶ Ἰβηρίας ἐς Λιβύην διέπλευσε καὶ τοῖς Λιβύων βασιλεῦσι πολεμοῦσιν ἀλλήλοις ἀνὰ μέρος συνεμάχει. αἰεὶ δὲ οἷς προσθοῖτο νικῶντων, ὁ Σίττιος ἐπὶ ὀνόματος ἐγίγνετο, καὶ ὁ στρατὸς αὐτῷ γεγύμναστο λαμπρῶς. Γαῖῳ τε Καίσαρι διώκοντι τοὺς Πομπηιανούς ἐν Λιβύῃ συνεμάχησε, καὶ Σαβόρραν, Ἰόβα στρατηγὸν διώνυμον, ἀνέϊλε καὶ γέρας τούτων ἔλαβε παρὰ Καίσαρος τὴν Μασσανάσσου γῆν, οὐχ ἅπασαν, ἀλλὰ τὸ κράτιστον αὐτῆς. Μασσανάσσης δ' ἦν Ἀραβίωνος τοῦδε πατήρ, Ἰόβα σύμμαχος, καὶ αὐτοῦ τὴν χώραν ὁ Καῖσαρ τῷδε τῷ Σιττίῳ καὶ Βόκῳ, Μαυρουσιῶν βασιλεῖ, δεδώρητο:

καὶ τὸ μέρος ὁ Σίττιος τοῖς ὑπ' αὐτὸν ἀνδράσιν ἐπιδειῖλεν. Ἀραβίων δὲ τότε μὲν ἐς Ἰβηρίαν ἐξέφυγε πρὸς τοὺς παῖδας τοὺς Πομπηίου, Γαίου δὲ Καίσαρος ἀναιρεθέντος ἐς Λιβύην ἐπανήλθε, καὶ Λιβύων τινὰς αἰὶ τῷ νεωτέρῳ Πομπηίῳ πέμπων ἐς Ἰβηρίαν καὶ γεγυμνασμένους ἀπολαμβάνων Βόκχον ἀφήρητο τὴν. χώραν καὶ Σίττιον ἀνηρῆκει δόλῳ. εὐνοὺς δὲ ὦν τοῖς Πομπηιανοῖς διὰ τὰδε, κατεγίνωσκεν αἰὶ τῆς μοίρας ὡς ἀτυχοῦσης ἀμειλίκτως καὶ Σεξσίῳ προσέθετο, εὐμενιζόμενος δι' αὐτοῦ Καίσαρα. προσέθεντο δὲ καὶ οἱ Σιττιανοί, κατ' εὐνοίαν οἶδε πατρώαν τοῦ Καίσαρος.

[55] θαρρήσας οὖν ὁ Σέξστιος ἐξῆι τῆς πολιορκίας ἐς μάχην καὶ πεσόντος τοῦ Οὐεντιδίου καὶ τοῦ στρατοῦ φεύγοντος ὑπ' ἀναρχίας, εἶπετο κτείνων τε καὶ ζωγρῶν. καὶ τὰδε μαθὼν ὁ Λαίλιος διέλυε τὴν τῆς Κίρτης πολιορκίαν καὶ ἐχώρει πρὸς τὸν Κορνιφίκιον. ὁ δὲ Σέξστιος ἐπαιρόμενος τοῖς γεγονόσιν ἐπ' αὐτὸν ἤδη τὸν Κορνιφίκιον ἐς Ἰτύκην ἦι καὶ ἀντεστρατοπέδευε μετὰ πλειόνων ὄντι. Λαίλιον δὲ τοῦ Κορνιφικίου μετὰ τῶν ἱππέων πέμψαντος ἐς τινα κατάσκειψιν, ὁ Σέξστιος Ἀραβίωνα ἔπεμψεν ἵππομαχεῖν τῷ Λαιλίῳ κατὰ μέτωπον καὶ αὐτὸς ἦι μετὰ τῶν εὐζώνων ἐς τὰ πλάγια τῆς ἵππομαχίας καὶ ἐμβαλὼν ἐθορύβει, μέχρι τὸν Λαίλιον οὐχ ἡσσημένον πῶ δεῖσαι περὶ τῆς ἀναχωρήσεως, μὴ ἀποκλεισθεῖν, καὶ λόφον ἐν μέσῳ καταλαβεῖν, Ἀραβίωνα δὲ ἀρτῶμενον αὐτοῦ κτεῖναι τε πολλοὺς καὶ τὸν λόφον περικυκλῶσαι. ὁρῶν δὲ ταῦτα ὁ Κορνιφίκιος ἐξῆι τῷ πλέονι στρατῷ, βοηθήσων τῷ Λαιλίῳ: καὶ τοῦδε μὲν ὁ Σέξστιος ὀπισθεν γενόμενος ἐξήπτετο συντρέχων, καὶ αὐτὸν ἐπιστρεφόμενος ὁ Κορνιφίκιος ἀπεμάχετο μάλα κακοπαθῶς.

[56] ὁ δὲ Ἀραβίων ἐν τούτῳ πετροβάταις ἀνδράσιν ἀνέρπουσι διὰ κρημνῶν ἐς τὸ στρατόπεδον τοῦ Κορνιφικίου παρέδν λαθόν. καὶ Ῥώσκιος μὲν ὁ φύλαξ, τοῦ χάρακος ἀλικομένου, τῶν ὑπασπιστῶν τινι τὴν σφαγὴν ὑπέσχε καὶ ἀνηρέθη, ὁ δὲ Κορνιφίκιος τῇ μάχῃ κάμνων μετεπήδα πρὸς Λαίλιον ἐς τὸν κολωνόν, οὐκ εἰδὼς πῶ περὶ τοῦ στρατοπέδου: μεταπηδῶντα δ' αὐτὸν οἱ τοῦ Ἀραβίονος ἱππῆες ἐπιδραμόντες ἔκτειναν. καὶ γινόμενα ταῦτα ὁ Λαίλιος ἀπὸ τοῦ λόφου καθορῶν ἑαυτὸν διεχρήσατο. τῶν δ' ἀρχόντων πεσόντων ὁ στρατὸς κατὰ μέρη διέφυγεν: καὶ ὅσοι τῶν προγεγραμμένων ἦσαν παρὰ τῷ Κορνιφικίῳ, οἱ μὲν ἐς Σικελίαν διέπλεον, οἱ δ' ὅπῃ δύναιτο ἕκαστος. ὁ δὲ Σέξστιος Ἀραβίωνα μὲν καὶ τοὺς Σιττιανοὺς ἐδωρεῖτο πολλοῖς λαφύροις, τὰς δὲ πόλεις τῷ Καίσαρι καθίστατο, συγγινώσκων ἀπάσαις.

τοῦτο μὲν δὴ τέλος ἦν τῷ περὶ Λιβύην Σεξστίου καὶ Κορνιφικίου πολέμῳ, βραχεὶ διὰ ταχυεργίαν δόξαντι εἶναι: [57] τὰ δ' ἄμφι Κάσσιόν τε καὶ Βροῦτον, μικρὰ καὶ τῶν εἰρημένων ἀναλαμβάνοντι ἐς ὑπόμνημα, ἦν τοιάδε. ἐπειδὴ Γάιος Καῖσαρ ἀνήρητο, οἱ μὲν σφαγεῖς αὐτοῦ τὸ Καπιτώλιον κατέλαβον καὶ ψηφισθείσης αὐτοῖς ἀμνηστίας κατέβησαν. ὁ δὲ δῆμος ἐπὶ τῇ ἐκκομιδῇ τοῦ σώματος ἐν οἴκῳ Καίσαρος γενόμενος ἐξῆι τοὺς φονέας περιθέων. οἱ δὲ τότε μὲν ἡμύνοντο αὐτοὺς ἀπὸ τῶν τεγῶν, εὐθὺς δὲ ἐξήεσαν αὐτῶν, ὅσοι στρατηγεῖν ἐθνῶν ὑπὸ Καίσαρος αὐτοῦ κεχειροτόνηντο. Κάσσιος δὲ καὶ Βροῦτος ἐστρατήγουν μὲν ἔτι τῆς πόλεως, ἤρηντο δὲ ἐπὶ τῇ στρατηγίᾳ καὶ οἶδε ὑπὸ Γαίου Καίσαρος ἡγεῖσθαι Συρίας μὲν ὁ Κάσσιος, Μακεδονίας δὲ ὁ Βροῦτος. οὔτε δὲ ἄρχειν πῶ τῶν ἐθνῶν πρὸ τοῦ χρόνου δυνάμενοι οὔτε τὸν ἐν

ἄστει φόβον ὑπομένοντες ἐξήεσαν ἔτι στρατηγοῦντες· καὶ αὐτοῖς ἐς εὐπρέπειαν ἢ βουλὴ σίτου φροντίσαι προσέταξεν, ἵνα μὴ τὸ ἐν μέσῳ διάστημα φεύγειν νομίζοιτο. οἰχομένων δὲ αὐτῶν Συρία μὲν καὶ Μακεδονία εἰς τοὺς ὑπάτους Ἀντώνιον τε καὶ Δολοβέλλαν μετεψηφίζετο, τῆς βουλῆς πάνυ δυσχεραίνουσης, ἀντεδόθη δὲ ὁμῶς τοῖς ἀμφὶ τὸν Κάσσιον Κυρήνη τε καὶ Κρήτη· ὧν ὑπεριδόντες ὡς βραχυτέρων ἐκεῖνοι στρατὸν καὶ χρήματα ἤγειρον ὡς ἐς Συρίαν καὶ Μακεδονίαν ἐσβαλοῦντες.

[58] καὶ οἱ μὲν ἦσαν ἐν τούτοις, Τρεβώνιον δὲ ἐν Ἀσίᾳ κτείναντος Δολοβέλλα καὶ Δέκμον Ἀντωνίου πολιορκούντος ἐν Κελτοῖς, χαλεπαίνουσα ἡ βουλὴ Δολοβέλλαν μὲν καὶ Ἀντώνιον ἐψηφίσαντο εἶναι πολεμίους, Βρούτῳ τὴν Ἰλλυρίδα προσέθεσαν τοῖς τε ἄλλοις πᾶσιν ἐκέλευσαν, ὅσοι Ῥωμαῖοις ἡγεμονεύουσιν ἐθνῶν ἢ στρατοπέδων ἀπὸ τοῦ Ἰονίου μέχρι Συρίας, ὑπακούειν, ἐς ὃ τι κελεύει Κάσσιος ἢ Βρούτος. ἐπὶ δὲ τούτοις Κάσσιος φθάνει Δολοβέλλαν ἐς τὴν Συρίαν ἐμβαλὼν καὶ σημεῖα τῆς ἡγεμονίας ἀνέσχε καὶ δωδέκα τέλη στρατοῦ Γαῖῳ Καίσαρι ἐκ πολλοῦ στρατευόμενα καὶ γεγυμνασμένα προσέλαβεν ἀθρόως· οὗ τὸ μὲν ἐν αὐτῶν ὁ Καῖσαρ ἐν Συρίᾳ καταλεοίπει, τὰ ἐς Παρθυαίους ἤδη διανοούμενος, τὴν δὲ ἐπιμέλειαν αὐτοῦ ἐπιτέτραπτο μὲν Καϊκίλιος Βάσσος, τὸ δὲ ἀξίωμα εἶχε νεανίας αὐτοῦ Καῖσαρος συγγενῆς, Σέξστος Ἰούλιος. ἐκδιαιτώμενος δὲ ὁ Ἰούλιος τὸ τέλος ἐς τρυφὴν ἐπήγετο ἀσχημόνως καὶ ἐπιμεμφομένῳ τῷ Βάσσῳ ποτὲ ἐνύβρισε· καὶ καλῶν ὕστερον, ἐπειδὴ βραδέως ὑπῆκουεν, ἄγειν αὐτὸν ἐκέλευεν ἔλκοντας. θορύβου δὲ ἀσχήμονος καὶ πληγῶν ἐς τὸν Βάσσον γενομένων οὐκ ἐνεγκοῦσα τὴν ὄψιν ἡ στρατιὰ τὸν Ἰούλιον συνηκόντισε. καὶ εὐθὺς ἦν μετάνοια καὶ δέος ἐκ τοῦ Καίσαρος. συνομόσαντες οὖν ἀλλήλοις, εἰ μὴ τις αὐτοῖς συγγνώμη καὶ πίστις γένοιτο, διαγωνιεῖσθαι μέχρι θανάτου, τὸν Βάσσον ἐς ταῦτα συνηνάγκασαν. τέλος δὲ στρατεύσαντες ἕτερον, συνεγύμναζον ἅμω καὶ Στάιον Μοῦρκον, ὑπὸ Καίσαρος αὐτοῖς σὺν τρισὶ τέλεσιν ἐπιτεμφθέντα, γενναίως ἀπεμάχοντο. Μούρκω δ' ἦκεν ἐπίκουρος Μάρκιος Κρίσπος ἐκ Βιθυνίας μετὰ τριῶν τελῶν ἄλλων, καὶ τὸν Βάσσον ἐπολιόρκουν ὁμοῦ πάντες ἐξ τέλεσιν ἤδη.

[59] Κάσσιος οὖν τήνδε τὴν πολιορκίαν σπουδῇ καταλαβὼν τὸν τε τοῦ Βάσσου στρατὸν αὐτίκα παρελάμβανεν ἐκόντα καὶ ἐπ' ἐκείνῳ τὰ Μούρκου τέλη καὶ Μαρκίου, κατὰ τε φιλίαν αὐτῷ παραδιδόντων καὶ κατὰ τὸ δόγμα τῆς βουλῆς ἐς πάντα ὑπακουόντων. ἄρτι δὲ καὶ Ἀλλιηνός, ὑπὸ Δολοβέλλα πεμφθεὶς ἐς Αἴγυπτον, ἐπανῆγεν ἐξ αὐτῆς τέσσαρα τέλη τῶν ἀπὸ τῆς ἥσσης Πομπηίου τε καὶ Κράσσου διαρριφέντων ἢ ὑπὸ Καίσαρος Κλεοπάτρα καταλελειμμένων· καὶ αὐτὸν ὁ Κάσσιος ἐν τῇ Παλαιστίνῃ, τῶν ὄντων οὐ προπεπυσμένον, ἄφνω περιέλαβέ τε καὶ ἠνάγκασε προσθέσθαι οἱ καὶ παραδοῦναι τὸν στρατὸν, δεῖσαντα τέσσαρσι τέλεσι μάχεσθαι πρὸς ὀκτώ. οὕτω μὲν ὁ Κάσσιος ἐκ παραδόξου δωδέκα τελῶν ἀρίστων ἀθρόως ἐκράτει. καὶ αὐτῷ τινες καὶ Παρθυαίων ἱπποτοξόται συνεμάχουν, δόξαν ἔχοντι παρὰ τοῖς Παρθυαίοις, ἐξ οὗ Κράσσῳ ταμιεύων ἐμφρονέστερος ἔδοξε τοῦ Κράσσου γενέσθαι.

[60] Δολοβέλλας δὲ διέτριψε μὲν περὶ τὴν Ἰωνίαν, κτείνων Τρεβώνιον καὶ ταῖς πόλεσιν ἐπιβάλλων ἐσφοράς καὶ ναυτικὸν ἀγείρων ἐπὶ μισθῷ διὰ Λευκίου Φίγλου παρὰ τε Ῥοδίων καὶ Λυκίων καὶ Παμφύλων καὶ ἐκ Κιλικίας: ὥς δὲ οἱ τὰδε ἔτοιμα ἦν: ἐπῆει τῇ Συρίᾳ, κατὰ μὲν τὴν γῆν αὐτὸς μετὰ δύο τελεῶν, διὰ δὲ τῆς θαλάσσης ὁ Φίγλος. πυθόμενος δὲ τῆς Κασσίου στρατιᾶς ἐς Λαοδίκειαν οἰκειῶς ἔχουσάν οἱ παρῆλθεν, ἐπὶ τε χερρονήσου συνφκισμένην καὶ τὰ ἐκ τῆς γῆς ὠχυρωμένην καὶ ἐς τὸ πέλαγος ἔχουσαν ὄρμον, ὅθεν ἔμελλεν εὐπορήσῃν τε ἀγορᾶς ἀπὸ θαλάσσης καὶ ἀδεῶς, ὅτε βούλοιτο, ἀποπλευσεῖσθαι. ὦν αἰσθανόμενος ὁ Κάσσιος καὶ δεδιώς, μὴ αὐτὸν ὁ Δολοβέλλας διαφύγοι, τὸν τε ἰσθμὸν ἔχου διστάδιον ὄντα, λίθους καὶ πᾶσαν ὕλην ἐξ ἐπαύλεων καὶ προαστείων καὶ τάφων συμφέρων, καὶ ἐπὶ ναῦς περιέπεμπεν ἕς τε Φοινίκην καὶ Λυκίαν καὶ Ῥόδον.

[61] Ὑπερορώμενος δὲ ὑπὸ τῶν ἄλλων πλὴν Σιδωνίων ἐπανήχθη τῷ Δολοβέλλᾳ, καὶ κατέδυσαν μὲν ἑκατέρου νῆες ἱκαναί, πέντε δὲ αὐτοῖς ἀνδράσιν εἷλεν Δολοβέλλας. καὶ ὁ Κάσσιος αὖθις ἔπεμπεν ἐς τοὺς ὑπεριδόντας αὐτοῦ καὶ ἐς Κλεοπάτραν, τὴν Αἰγύπτου βασιλίδα, καὶ ἐς Σεραπίωνα, τὸν ἐν Κύπρῳ τῇ Κλεοπάτρᾳ στρατηγοῦντα. Τύριοι μὲν δὴ καὶ Ἀράδιοι καὶ Σεραπίων, οὐδὲν τῆς Κλεοπάτρας προμαθὼν, ἔπεμψαν αὐτῷ ναῦς, ὅσας εἶχον: ἡ βασιλὶς δὲ Κασσίῳ μὲν προὔφερε λιμὸν ὁμοῦ καὶ λοιμὸν ἐνοχλοῦντα τότε Αἰγύπτῳ, διὰ δὲ οἰκειότητα τοῦ προτέρου Καίσαρος συνέπρασσε τῷ Δολοβέλλᾳ. καὶ ἀπὸ τῆσδε τῆς γνώμης αὐτῷ καὶ τὰ τέσσαρα τέλη προπεπόμφει δι' Ἀλλιηνοῦ καὶ στόλον ἄλλον ἔτοιμον εἶχεν ἐπαμύνειν, ἄνεμοι δὲ ἐπέιχον. Ῥόδιοι δὲ καὶ Λύκιοι οὔτε Κασσίῳ οὔτε Βρούτῳ συμμαχήσῃν ἔφασκον ἐς ἐμφύλια, ἐπεὶ καὶ Δολοβέλλα δοῦναι ναῦς προπομπούς, καὶ οὐκ εἰδέναι συμμαχοῦσας.

[62] ἐτοιμασάμενος οὖν ὁ Κάσσιος αὖθις ἐκ τῶν παρόντων ἐπανήγετο δις τῷ Δολοβέλλᾳ: καὶ τὸ μὲν πρῶτον ἀγχώμαλοι διεκρίθησαν ἀπ' ἀλλήλων, τῇ δὲ ἐξῆς ναυμαχίᾳ ἡσάτο ὁ Δολοβέλλας, καὶ ὁ Κάσσιος αἰρομένου τοῦ χώματος ἔκοπτεν αὐτοῦ τὸ τεῖχος ἥδη καὶ ἐσάλευεν. τὸν τε νυκτοφύλακα αὐτοῦ Μάρσον οὐ δυνηθεὶς διαφθεῖραι διέφθειρε τοὺς ἡμεροφυλακοῦντας αὐτῷ λοχαγούς καὶ ἀναπαυομένου τοῦ Μάρσου μεθ' ἡμέραν ἐσηλθεν, ὑπανοιχθεῖσάν αὐτῷ πυλίδων κατὰ μέρη πολλῶν. ἀλούσης δὲ τῆς πόλεως ὁ μὲν Δολοβέλλας προὔτεινε τὴν κεφαλὴν τῷ σωματοφύλακι αὐτοῦ καὶ τεμόντα προσέταξε φέρειν Κασσίῳ σῶστρον ἴδιον: ὁ δὲ τεμὼν ἐπικατέσφαζεν ἑαυτόν, διεχρήσατο δὲ καὶ Μάρσος ἑαυτόν. ὁ δὲ Κάσσιος τὴν μὲν τοῦ Δολοβέλλα στρατιὰν ἐς ἑαυτὸν μεθώρκου, Λαοδικέων δὲ τὰ τε ἱερὰ καὶ τὰ κοινὰ ἐσύλα καὶ τοὺς ἐπιφανεῖς ἐκόλαζε καὶ τοὺς λοιποὺς ἐσφοραῖς βαρυτάταις ἐξέτρυχε, μέχρι τὴν πόλιν περιήνεγκεν ἐς ἔσχατον κακοῦ.

[63] μετὰ δὲ Λαοδίκειαν ἐπ' Αἴγυπτον ὥρμα, πυνθανόμενος μὲν Κλεοπάτραν βαρεῖ στόλῳ διαπλευσεῖσθαι πρὸς τε Καίσαρα καὶ πρὸς Ἀντώνιον, ἐπινοῶν δὲ κωλύσαι τε τὸν πλοῦν καὶ τίσασθαι τῆς γνώμης τὴν βασιλίδα καὶ πρὸ τῶνδε αὐτὴν Αἴγυπτον ἐνθυμιζόμενος μάλιστα ἐν καιρῷ, τετρυμένην τε ὑπὸ λιμοῦ καὶ ξενικὸν στρατὸν οὐ πολὺν ἔχουσαν, ἄρτι τῶν Ἀλλιηνοῦ στρατιωτῶν ἀποστάντων. οὕτω δὲ αὐτὸν ὁρμῆς καὶ ἐλπίδος ἔχοντα

καὶ καιροῦ ὁ Βροῦτος ἐκάλει κατὰ σπουδὴν, ὥς ἤδη Καίσαρος καὶ Ἀντωνίου τὸν Ἴονιον περῶντων. ἄκων μὲν δὴ Κάσσιος Αἴγυπτον ἐκ τῶν ἐλπίδων μεθίει καὶ τοὺς Παρθυαίων ἱπποτοξότας ἀπέπεμπε τιμήσας καὶ πρέσβεις πρὸς τὸν βασιλέα αὐτῶν ἔστελλε περὶ μείζονος συμμαχίας, ἥ μετὰ τὸ ἔργον ἀφικνουμένη Συρίαν τε καὶ πολλὰ τῶν ἐγγὺς ἐθνῶν μέχρι Ἰωνίας ἐπέδραμε καὶ ἀνεχώρησεν. αὐτὸς δὲ ὁ Κάσσιος τὸν μὲν ἀδελφιδοῦν ἐν Συρίᾳ μεθ' ἐνὸς τέλους ἀπέλιπε, τοὺς δὲ ἱππέας προὔπεμψεν ἐς Καππαδοκίαν, οἱ Ἀριοβαρζάνην τε ἄφνω κατέκανον ὥς ἐπιβουλεύοντα Κασσίῳ καὶ χρήματα πολλὰ τὰ ἐκείνου καὶ τὴν ἄλλην κατασκευὴν ἐς τὸν Κάσσιον ἐπανήγαγον.

[64] Ταρσέων δ' ἐς στάσιν διηρημένων οἱ μὲν τὸν Κάσσιον ἐστεφανώκεσαν ἐλθόντα πρότερον, οἱ δὲ τὸν Δολοβέλλαν ἐπελθόντα: ἀμφοτέροι δὲ τῷ τῆς πόλεως σχήματι ταῦτα ἔπρασσον. καὶ παραλλὰξ αὐτῶν προτιμώντων ἑκάτερον, ὥς εὐμεταβόλῳ πόλει χαλεπῶς ἐχρῶντο ἑκάτεροι: Κάσσιος δὲ νικήσας Δολοβέλλαν καὶ ἐσφορὰν ἐπέθηκεν αὐτοῖς χίλια καὶ πεντακόσια τάλαντα. οἱ δὲ ἀποροῦντές τε καὶ ὑπὸ στρατιωτῶν ἐπειγόντων ἀπαιτούμενοι σὺν ὕβρει, τὰ τε κοινὰ ἀπεδίδοντο πάντα καὶ τὰ ἱερὰ ἐπὶ τοῖς κοινοῖς, ὅσα εἶχον ἐς πομπὰς ἢ ἀναθήματα, ἔκοπτον. οὐδενὸς δὲ μέρους οὐδ' ὥς ἀνυομένου, ἐπώλουν αἱ ἀρχαὶ τὰ ἐλεύθερα: καὶ πρῶτα μὲν ἦν παρθένου τε καὶ παῖδες, ἐπὶ δὲ γυναῖκές τε καὶ γέροντες ἐλεεινοί, βραχυτάτου πάμπαν ὦνιοι, μετὰ δὲ οἱ νέοι. καὶ διεχρῶντο οἱ πλέονες ἑαυτοὺς, ἕως ὧδε ἔχοντας ὁ Κάσσιος ἐκ Συρίας ἐπανιῶν ὄκτειρέ τε καὶ τοῦ λοιποῦ τῶν ἐσφορῶν ἀπέλυσε.

[65] Τάρσος μὲν δὴ καὶ Λαοδικεῖα τοιάδε ἐπεπόνθησαν, Κάσσιος δὲ καὶ Βροῦτος συμβολήσαντες ἀλλήλοιν, Βρούτῳ μὲν ἐδόκει τὴν στρατιὰν ἀλίσαντε χωρεῖν ἐπὶ τὸ μείζον ἔργον ἐς Μακεδονίαν: τέλη τε γὰρ ἤδη τοῖς πολεμίοις ἐς τεσσαράκοντα εἶναι στρατοῦ καὶ αὐτῶν διεληλυθέναι τὸν Ἴονιον ὀκτώ: Κασσίῳ δὲ ἐδόκει τῶν μὲν πολεμίων ἔτι περιορᾶν ὥς τριψήσομένων ἐν σφίσιν ἐξ ἀπορίας διὰ τὸ πλῆθος, Ῥοδίους δὲ καὶ Λυκίους ἐξελεῖν, εὖνους τε ὄντας ἐκείνοις καὶ ναυτικὸν ἔχοντας, ἵνα μὴ κατὰ νότου σφίσι γίνωνται παρὰ τὸ ἔργον. ἐπεὶ δὲ ἔδοξεν ὧδε, ἐχώρουν Βροῦτος μὲν ἐπὶ Λυκίους, Κάσσιος δὲ ἐπὶ Ῥοδίους, τεθραμμένος τε ἐν αὐτῇ καὶ πεπαιδευμένος τὰ Ἑλληνικά. ὥς δὲ κρατίστοις τὰ ναυτικά ἀνδράσι συνοισόμενος ἐς μάχην, τὰς ἰδίας ναῦς ἐπεσκεύαζε καὶ ἀνεπλήρου καὶ ἐγύμναζεν ἐν Μύνδῳ.

[66] Ῥοδίων δὲ οἱ μὲν ἐν λόγῳ μᾶλλον ὄντες ἐδεδοίκεσαν Ῥωμαίοις μέλλοντες ἐς χεῖρας ἰέναι, ὁ δὲ λεῶς ἐμεγαλοφρονεῖτο, ἐπεὶ οἱ καὶ παλαιῶν ἔργων πρὸς οὐχ ὁμοίους ἀνδρας ἐμνημόνευον. ναῦς τε καθεῖλκον τὰς ἀρίστας σφῶν τρεῖς καὶ τριάκοντα. καὶ τάδε πράσσοντες ἐπεμπόν τινας ἐς Μύνδον ὅμως, οἱ τὸν Κάσσιον ἠξίουσαν μῆτε Ῥόδου καταφρονεῖν, πόλεως ἀμυναμένης αἰετὸς τοὺς καταφρονήσαντας, μῆτε συνθηκῶν, αἱ Ῥοδίους εἰσὶ καὶ Ῥωμαίοις, ὅπλα μὴ φέρειν ἐπὶ ἀλλήλους: εἰ δέ τι περὶ συμμαχίας ἐπιμέμφοιτο, ἐθέλειν παρὰ τῆς Ῥωμαίων βουλῆς πυθέσθαι, καὶ κελευούσης ἔφασαν συμμαχήσειν.

οἱ μὲν δὴ τοιάδε μάλιστα ἔλεγον, ὁ δὲ τὰ μὲν ἄλλα τὸν πόλεμον ἀντὶ λόγων ἔφη κρινεῖν, τὰς δὲ συνθήκας κελεύειν ὅπλα μὴ φέρειν ἐπ' ἀλλήλους, καὶ ἐπενηγοχέαι Ῥοδίους Κασσίῳ, Δολοβέλλᾳ συμμαχοῦντας, κελεύειν δὲ ἀλλήλοις συμμαχεῖν, Κασσίῳ δὲ δεομένῳ εἰρωνεύεσθαι τὰ περὶ τῆς Ῥωμαίων

βουλῆς, φευγούσης καὶ ἀλωμένης ἐν τῷ παρόντι διὰ τοὺς ἐν ᾧσιν τυράννους, οἱ δώσουσι μὲν αὐτοὶ δίκας, δώσουσι δὲ καὶ Ῥόδιοι τὰ ἐκείνων προτιμῶντες, ἢ μὴ θάσσον ἀνέχωνται τῶν κελευομένων. ὧδε μὲν ὁ Κάσσιος αὐτοὺς ἡμείψατο, καὶ οἱ εὖ φρονοῦντες Ῥοδίῳ μᾶλλον ἐδεδοίκεσαν: τὸ δὲ πλῆθος ἐδημαγώγουν Ἀλέξανδρός τε καὶ Μνασέας ἀναμιμνήσκοντες, ὅτι καὶ Μιθριδάτης πλέοσι ναυσὶν ἐπιπλεύσειε τῇ Ῥόδῳ καὶ Δημήτριος ἔτι πρὸ τοῦ Μιθριδάτου.

οἱ μὲν δὴ τὸν Ἀλέξανδρον ἐκ τούτων εἶλοντο σφίσι πρυτανεύειν, ἥπερ ἐστὶν ἀρχὴ παρ' αὐτοῖς μάλιστα αὐτοκράτωρ, καὶ ναυαρχεῖν Μνασέα, [67] ἔπεμπον δ' ὅμως ἐς τὸν Κάσσιον ἔτι πρεσβευτὴν Ἀρχέλαον, ὃς ἐν Ῥόδῳ τὰ Ἑλληνικὰ διδάσκαλος γεγένητο τῷ Κασσίῳ, δεησόμενον ἤδη τόνδε τοῦ Κασσίου λιπαρέστερον: καὶ ἐδεῖτο, τῆς δεξιᾶς λαβόμενος, ὥς γνωρίμου.

μὴ πόλιν ἀναστήσης Ἑλληνίδα φιλέλλην ἀνὴρ, μὴ Ῥόδον φιλελεύθερος ἀνὴρ: μὴδὲ αἰσχύνῃς ἀξίωμα Δώριον, οὐχ ἡσσημένον, ἐξ οὗ γεγόναμεν, μὴδὲ ἐκλάθῃ καλῆς ἱστορίας ἥς ἔμαθες ἐν Ῥόδῳ τε καὶ ἐν Ῥώμῃ, ἐν Ῥόδῳ μὲν, ὅσα Ῥόδιοι κατὰ πόλεις καὶ πρὸς βασιλέας, ἄλλους τε καὶ τοὺς μάλιστα ἀμάχους δόξαντας εἶναι, Δημήτριον καὶ Μιθριδάτην, ὑπὲρ ἐλευθερίας ἔπραξαν, ὑπὲρ ἧς δὴ καὶ σὺ φῆς τάδε κάμνεις: ἐν Ῥώμῃ δέ, ὅσα ὑμῖν αὐτοῖς καθ' ἑτέρων καὶ κατ' Ἀντιόχου τοῦ μεγάλου συνεμαχίσασμεν, ὧν εἰσὶν ὑπὲρ ἡμῶν ἀνάγραπτοι στήλαι παρ' ὑμῖν.

τάδε μὲν δὴ καὶ γένους ἕνεκα καὶ ἀξιώσεως ἡμῶν καὶ τύχης ἐς τὸ νῦν ἀδουλώτου καὶ συμμαχίας καὶ προαιρέσεως ἐς ὑμᾶς, ὃ Ῥωμαῖοι, λελέχθω: [68] πρὸς σὲ δέ, ὃ Κάσσιε, καὶ αἰδῶς τις ἔστιν ἐξαιρετος ἕξ τε τὴν πόλιν καὶ τὴν ἐν αὐτῇ τροφήν τέ σου καὶ παιδείυσιν καὶ διατριβὴν καὶ ἐστίαν, ἣν ὥκησας, καὶ τοῦμὸν διδασκαλεῖον αὐτὸ καὶ ἐμέ, ἐλπίσαντα μὲν ἐς ἕτερα τούτοις ποτὲ ἐναβρυνεῖσθαι, νῦν δὲ ὑπὲρ τῆς πατρίδος αὐτὰ δαπανῶντα, ἵνα μὴδ' αὐτῇ σοι πολεμεῖν ἀναγκάζεται πεπαιδευμένῳ τε ὑφ' αὐτῆς καὶ τεθραμμένῳ μὴδὲ γένηται δυοῖν ὑπ' ἀνάγκης θάτερον, ἢ Ῥοδίου ἀποθανεῖν πάντως ἢ Κάσσιον ἡσθᾶσθαι. συμβουλευέω δὲ ἐπὶ τῇ παρακλήσει, τοιῶνδὲ σε ὑπὲρ τῆς Ῥωμαίων πολιτείας ἀπτόμενον ἔργων θεοὺς ἡγεμόνας αἰεὶ ποιεῖσθαι παντὸς ἔργου. θεοὺς δ' ὠμόσατε, ὅτε ἡμῖν ἑναγχος διὰ Γαίῳ Καίσαρος συνετίθεσθε καὶ σπονδὰς ἐπὶ τοῖς ὅρκοις ἐσπένδετε καὶ δεξιὰς ἐτίθεσθε, αἱ καὶ παρὰ πολεμίους ἰσχύουσιν, οὐ παρὰ φίλοις καὶ τροφεῦσιν; φεῖδου δὲ ἐπὶ τοῖς θεοῖς καὶ δόξης τῆς κατὰ ἀνθρώπους: ὥς οὐδέν ἐστι συνθηκῶν παραβάσεως μᾶλλον, ὃ τοὺς ἀμαρτάνοντας ἀπίστους ἐς ἅπαντα ποιεῖ καὶ φίλοις καὶ πολεμίους.

[69] ταῦτ' εἰπὼν ὁ πρεσβύτερος οὐ μεθίετο τῆς χειρός, ἀλλ' ἐπεδάκρυεν αὐτῇ, ὥς ἐρυθρίασαι μὲν ἐπὶ τῷ σχήματι τὸν Κάσσιον καὶ παθεῖν τι ὑπὸ αἰδοῦς, ὑφελόντα δὲ ὅμως εἰπεῖν:

εἰ μὲν οὐ συνεβούλευσας Ῥοδίοις μὴ ἀδικεῖν με, σύ με ἡδίκηεις: εἰ δὲ διδάσκων οὐκ ἔπεισας, ἀμυνῶ σοι. ἡδικοῦμην δὲ δὴ που σαφῶς τὸ μὲν πρῶτον ἀδίκημα συμμαχίαν αἰτῶν καὶ παρορώμενος ὑπὸ τῶν παιδευσάντων καὶ θρεψάντων, τὸ δὲ ἐξῆς προτιμῶντων μου Δολοβέλλαν, ὃν οὐκ ἐπαίδευσαν οὐδὲ ἀνέθρεψαν, τὸ δὲ ἀνιαιρότερον, ἐμοῦ μὲν καὶ Βρούτου καὶ ὅσων ὀράτε ἀπὸ τῆς βουλῆς ἀρίστων ἀνδρῶν φευγόντων τυραννίδα καὶ τὴν πατρίδα

ἐλευθερούντων, ὃ Ῥόδιοι φιλελεύθεροι, Δολοβέλλα δὲ αὐτὴν καταδουλοῦντος ἐτέροις, οἷς δὴ καὶ ὑμεῖς εὖνως ἔχοντες ὑποκρίνεσθε ἐξίστασθαι τοῖς ἐμφυλίοις ἡμῶν. ἔστι δὲ ἐμφύλια μὲν, εἰ καὶ ἡμεῖς δυναστείας ὠρεγόμεθα, πόλεμος δὲ σαφὴς τὸ γιννόμενόν ἐστι δημοκρατίας πρὸς μοναρχίαν. καὶ δημοκρατίαν ἀβοήθητον καταλείπετε οἱ παρακαλοῦντες ὑπὲρ αὐτονομίας: φιλίαν τε Ῥωμαίοις προφέροντες οὐκ ἐλεεῖτε ἀκρίτους ἐπὶ θανάτῳ καὶ δημεύσει προγραφομένους, ἀλλ' ὑποκρίνεσθε πεύσεσθαι τῆς βουλῆς τῆς ταῦτα πασχούσης καὶ οὐδὲ ἀμύνειν ἑαυτῇ πῶ δυναμένης. ἡ δ' ὑμῖν ἤδη προαπεκρίνατο, ἐν οἷς ἐψηφίσατο τοὺς ἀμφὶ τὴν ἔω πάντα ἀμύνειν ἐμοί τε καὶ Βροῦτῳ.

[70] σὺ δέ, εἰ μὲν ποτε ἡμῖν περικτωμένοις τι συνεπράξατε, ὧν εὐεργεσίας καὶ μισθοὺς ἀντικεκόμισθέ που, καταλογίζῃ, ὅτι δὲ ἡμῖν ἐς τὴν ἐλευθερίαν καὶ σωτηρίαν ἀδικουμένοις οὐ συμμαχεῖτε, ἐπιλανθάνῃ: οὗς εἰκὸς ἦν, εἰ καὶ μηδὲν ἡμῖν ἐς ἀλλήλους ὑπῆρχεν, ἀλλὰ νῦν ἄρχειν ἐθελοντὰς ὑπερμαχῆσαι τῆς Ῥωμαίων δημοκρατίας, Δωριέας ὄντας. οἱ δ' ἀντὶ τοιούτων ἔργων καὶ λογισμῶν συνθήκας ἡμῖν προφέρετε, γενομένας μὲν ὑμῖν καὶ τάσδε πρὸς Γάιον Καίσαρα, τῆσδε τῆς μοναρχίας ἡγεμόνα: λέγουσι δ' ὅμως αἱ συνθήκαι Ῥωμαίους καὶ Ῥοδίους ἐν ταῖς χρεαίαις ἀλλήλοις ἀμύνειν. ἀμύνατε οὖν ἐς τὰ μέγιστα κινδυνεύουσι Ῥωμαίοις. Κάσσιος ὑμῖν ἐστὶν ὁ τὰς συνθήκας τάσδε προφέρων καὶ ἐπὶ συμμαχίαν καλῶν, Ῥωμαῖος ἀνὴρ καὶ Ῥωμαίων στρατηγός, ὡς φησι τὸ ψηφισμα τῆς βουλῆς, ἐν ᾧ πάντας ὑπακούειν ἡμῖν ἔταξε τοὺς τοῦ Ἰονίου πέραν. τὰ δ' αὐτὰ καὶ Βροῦτος ὑμῖν προτείνει ψηφίσματα καὶ Πομπήιος, τὴν θάλασσαν ὑπὸ τῆς βουλῆς ἐπιτετραμμένος, τὰς δ' ἱκετείας ἐπὶ τοῖς ψηφίσμασι καὶ οἶδε πάντες, ὅσοι φεύγουσιν ἀπὸ τῆς βουλῆς, οἱ μὲν ἐς ἐμὲ καὶ Βροῦτον, οἱ δ' ἐς Πομπήιον. ἔστι δὲ δὴ που τὸ συγκεκριμένον, Ῥωμαίοις Ῥοδίους βοηθεῖν, κὰν καθ' ἓνα χρήζωσιν. εἰ δὲ οὔτε στρατηγούς ἡμᾶς οὔτε Ῥωμαίους ἔτι, ἀλλὰ φυγάδας ἢ ξένους ἢ κατακρίτους, ὡς οἱ προγράψαντες λέγουσιν, ἡγεῖσθε, οὐ πρὸς ἡμᾶς ἐστὶν ὑμῖν ἔτι, ἀλλὰ πρὸς Ῥωμαίους, ὃ Ῥόδιοι, τὰ συγκεκριμένα: ἡμεῖς δὲ ξένοι καὶ ἀλλότριοι τῶν συνθηκῶν ὄντες πολεμήσομεν ὑμῖν, ἢν μὴ ἐς πάντα κατακούητε.

τοιαῦτα μὲν ὁ Κάσσιος ἐπειρωνευσάμενος τὸν Ἀρχέλαον ἀπέλυνεν, [71] Ἀλέξανδρος δὲ καὶ Μνασέας, οἱ Ῥοδίων ἡγούμενοι, ταῖς τριάκοντα καὶ τρισὶ ναυσὶν ἀνήγοντο ἐπὶ Κάσσιον ἐς Μύνδον ὡς προκαταπλήξοντες τῷ ἐπίπλῳ: καὶ τί που καὶ κούφως εἶχον ἐλπίδος, ὅτι καὶ Μιθριδάτῃ ἐς Μύνδον ἐπιπλεύσαντες ἐδόκουν ἐς τὸ τοῦ πολέμου τέλος εὐτυχεῖν. εἰρεσίᾳ δὲ ἐς ἐπίδειξιν χρώμενοι τὴν τε πρώτην ἡμέραν ηὐλίσαντο ἐν Κνίδῳ καὶ τῆς ἐπιούσης ἐπεφαίνοντο τοῖς ἀμφὶ τὸν Κάσσιον ἐκ τοῦ πελάγους. οἱ δὲ θαυμάσαντες ἀντανήγοντο, καὶ τὸ ἔργον ἦν ἐκατέρωθεν ἰσχύος τε καὶ δυνάμεως: Ῥόδιοι μὲν γὰρ ναυσὶ κούφαις διεξέπλεον τε τοὺς πολεμίους ὁξέως καὶ περιέπλεον καὶ ἐπανόδοις ἐχρῶντο, Ῥωμαῖοι δὲ ἐπὶ νεῶν βαρυτέρων, ὅτε συμπλακεῖν, ἀπὸ βαρυτέρας ρύμης ἐπεβάρουν ὥσπερ ἐν πεζομαχίᾳ. τοῦ δὲ Κασσίου πλήθει νεῶν τὰς πολεμίας περιλαβόντος, οἱ μὲν Ῥόδιοι περιπλεῖν ἔτι καὶ διεκπλεῖν οὐκ ἐδύναντο, ἐμβάλλουσι δ' αὐτοῖς μόνον ἐκ τοῦ μετώπου καὶ ἀναχωροῦσιν ἢ μὲν ἐμπειρία διέφθαρτο ὑπὸ τῆς στενοχωρίας κεκυκλευμένοις,

αἱ δὲ ἐμβολαὶ καὶ ἀποσιμώσεις ἐς βαρυτέρας τὰς Ῥωμαίων ναῦς ἀσθενεῖς ἐγίνοντο, Ῥωμαίοις δ' ἦσαν ἐς κουφοτέρας εὐτονοι, μέχρι Ῥόδιαι μὲν τρεῖς αὐτοῖς ἀνδράσιν ἐλήφθησαν καὶ δύο ἀνερράγησάν τε καὶ κατέδυσαν καὶ αἱ λοιπαὶ βεβλαμμέναι διέφυγον ἐς τὴν Ῥόδον, αἱ δὲ Ῥωμαίων ἅπασαι μὲν ἐπανήλθον ἐς Μύνδον, ἐπεσκευάζοντο δὲ καὶ τούτων αἱ πλέονες βλαβεῖσαι.

[72] τοῦτο μὲν δὴ τῆς ἐν Μύνδῳ Ῥωμαίων τε καὶ Ῥοδίων ναυμαχίας τέλος ἦν, καὶ αὐτὴν γιγνομένην ὁ Κάσσιος ἀπὸ ὅρους καθεώρα: ὥς δὲ ἐπεσκεύασε τὰ σκάφη, διέπλευσεν ἐς Λώρυμα, Ῥοδίων τι φρούριον ἐν τῇ περαιᾷ, καὶ τὸ πεζὸν ἐς τὴν Ῥόδον διεβίβαζεν ἐπὶ ὀλκάδων ὑπὸ Φαννίῳ τε καὶ Λέντλῳ. αὐτὸς δὲ ἐπέπλει ταῖς ὀγδοήκοντα ναυσὶν ἐσκευασμέναις ἐς τὸ φοβερώτατον καὶ περιστήσας τῇ Ῥόδῳ τὸ πεζὸν ὁμοῦ καὶ τὸ ναυτικὸν ἡσύχαζεν ὥς ἐνδωσόντων τι τῶν πολεμίων. οἱ δὲ ἐπανήχθησαν μὲν αὐθις εὐθαρσῶς, δύο δὲ καὶ τότε ναῦς ἀποβαλόντες συνεκλείσθησαν. καὶ ἀναδραμόντες ἐπὶ τὰ τεῖχη πάντα τε ὅπλων ἐπλήρουν καὶ ἀπεμάχοντο ὁμοῦ τοὺς περὶ τὸν Φάννιον ἀπὸ τῆς γῆς ἐνοχλοῦντας καὶ τὸν Κάσσιον τοῖς πρὸς θαλάσσην τείχεσι τὸ ναυτικὸν οὐκ ἀνέτοιμον ἐς τειχομαχίαν ἐπαγαγόντα: ἐλπίζων γάρ τι τοιοῦτον ἐπεφέρετο πύργους ἐπτυγμένους, οἱ τότε ἀνίσταντο. Ῥόδος μὲν δὴ δύο πείραις καμοῦσα ἔκ τε γῆς καὶ θαλάσσης ἐπολιορκεῖτο: καὶ οὐδέν, ὥς ἐν ἔργῳ ταχεῖ καὶ ἀδοκίμῳ, παρεσκεύαστο αὐτοῖς ἐς πολιορκίαν. ὅθεν ἦν εὐδηλον ἀλώσεσθαι τάχιστα τὴν πόλιν ἢ χερσὶν ἢ λιμῷ: καὶ τάδε Ῥοδίων οἱ συνετώτεροι καθεώρων, καὶ Φάννιος αὐτοῖς καὶ Λέντλος διελέγοντο.

[73] γιγνομένων δ' ἔτι τούτων ἄφνω Κάσσιος ἦν ἐν μέσῃ τῇ πόλει μετ' ἐπιλέκτου στρατοῦ, βίας μὲν οὐδεμιᾶς φανείσης οὐδὲ κλιμάκων ἔργου. εἵκαζον δὲ οἱ πολλοί, καὶ δοκεῖ γενέσθαι, τοὺς χαρίεντας αὐτῷ τῶν πολιτῶν ὑπανοῖξαι πυλίδας ἐλέφ τῆς πόλεως καὶ προμηθεῖα τροφῶν.

ὥδε μὲν ἐαλῶκει Ῥόδος, καὶ Κάσσιος ἐν αὐτῇ προυκάθητο ἐπὶ βήματος καὶ δόρυ τῷ βήματι παρεστήσατο ὥς ἐπὶ δοριαλώτῳ. ἀτρεμεῖν τε κελεύσας τὸν στρατὸν ἀκριβῶς καὶ θάνατον ἐπικηρύξας, εἴ τις ἀρπάσειεν ἢ βιάσασαί τι, αὐτὸς ἐξ ὀνόματος ἐκάλει Ῥοδίων ἐς πεντήκοντα ἄνδρας καὶ ἀχθέντας ἐκόλαζε θανάτῳ: ἐτέροις δέ, ἀμφὶ τοὺς πέντε καὶ εἴκοσιν, οὐχ εὐρεθεῖσι φυγὴν ἐπέταττεν. χρήματα δὲ ὅσα ἦν ἢ χρυσὸς ἢ ἄργυρος ἐν ἱεροῖς τε καὶ δημοσίοις, πάντα συλῆσας ἐκέλευσε καὶ τὸν ἰδιωτικὸν ἐκφέρειν τοὺς κεκτημένους εἰς ἡμέραν ῥήτην: καὶ ἐπεκίρυσσε τοῖς μὲν ἐπικρύψασιν θάνατον, τοῖς δὲ μηνύσασιν δεκάτην, δούλοις δὲ καὶ ἐλευθερίαν. οἱ δ' ἐν μὲν ἀρχῇ πολλοὶ συνέκρυσαν, οὐκ ἐς τέλος ἐλπίζοντες ἀφίξεσθαι τὴν ἀπειλήν: διδομένων δὲ τῶν γερῶν καὶ κολαζομένων τῶν μηνυομένων ἔδεισάν τε καὶ προσθεσίαν ἐτέραν λαβόντες οἱ μὲν ἐκ γῆς ἀνώρυσσον, οἱ δὲ ἐκ φρεάτων ἀνίμων, οἱ δὲ ἐξέφερον ἐκ τάφων πολὺ πλεόνα τῶν προτέρων.

[74] αἱ μὲν δὴ Ῥοδίων συμφοραὶ τοιαῖδε ἦσαν, καὶ Λεύκιος Οὐᾶρος αὐτοῖς μετὰ φρουρᾶς ὑπελέλειπτο: ὁ δὲ Κάσσιος ἡδόμενος τῇ ταχυεργίᾳ τῆς ἀλώσεως καὶ τῷ πλήθει τῶν χρημάτων ἐπέταττεν ὅμως καὶ τοῖς ἄλλοις ἔθνεσι τῆς Ἀσίας ἅπασι φόρους ἐτῶν δέκα συμφέρειν. καὶ οἱ μὲν ἐπράσσοντο συντόνως, ἐξαγγέλλεται δὲ αὐτῷ Κλεοπάτρα μέλλουσα διαπλεῖν μεγάλῳ στόλῳ καὶ παρασκευῇ βαρυτάτῃ πρὸς Καίσαρά τε καὶ Ἀντώνιον: τὰ γὰρ

ἐκείνων αἰρουμένη καὶ τέως διὰ τὸν πρότερον Καίσαρα, τότε μᾶλλον ἡρεῖτο διὰ τὸν ἐκ Κασσίου φόβον. ὁ δὲ Μοῦρκον μετὰ τε ὀπλιτῶν ἀρίστου τέλους καὶ τοξοτῶν τινων ἐπὶ νεῶν ἐξήκοντα καταφράκτων ἐς Πελοπόννησον ἔπεμπε ναυλοχεῖν περὶ Ταίναρον, ... περισυράμενος ἐκ τῆς Πελοποννήσου λείαν, ὅσῃν ἔφθασε.

[75] τὰ δ' ἄμφι Λυκίαν καὶ Βρούτον, μικρὰ καὶ τῶν ἄμφι τοῦτον ἐς ὑπόμνησιν ἀναλαμβάνοντι ἄνωθεν, ἦν τοιάδε. ἐπειδὴ παρὰ Ἀπουλίου στρατιάν τέ τινα εἰλήφει, ὅσῃν Ἀπουλῆιος εἶχεν, καὶ χρήματα ἐς ἑξακισχίλια καὶ μύρια τάλαντα, ὅσα ἐκ τῶν φόρων τῆς Ἀσίας συνείλεκτο, παρήλθεν ἐς Βοιωτίαν. ψηφισαμένης δὲ αὐτῷ τῆς βουλῆς τοῖς τε χρήμασιν ἐς τὰ παρόντα χρῆσθαι καὶ Μακεδονίας ἄρχειν καὶ τῆς Ἰλλυρίδος ἐπὶ τῇ Μακεδονίᾳ, τὰ μὲν ἐν τοῖς Ἰλλυριοῖς τρία τέλη τοῦ στρατοῦ παραλαμβάνει, Οὐατινίου τοῦ πρότερον ἄρχοντος Ἰλλυριῶν παραδόντος, ἐν δὲ ἐκ Μακεδονίας ἀφείλετο Γάιον, τὸν ἀδελφὸν Ἀντωνίου. τέσσαρα δὲ ἐπὶ τούτοις ἄλλα συναγαγὼν ὅκτῳ τὰ πάντα εἶχε, Γαῖῳ Καίσαρι τὰ πολλὰ αὐτῶν ἐστρατευμένα. εἶχε δὲ καὶ ἱππέων πλῆθος καὶ ψιλοὺς καὶ τοξότας, καὶ τοὺς Μακεδόνας ἐπαινῶν ἐς τὸν Ἰταλικὸν ἥσκει τρόπον. ἀγείροντι δὲ αὐτῷ στρατὸν ἔτι καὶ χρήματα συντυχία Θράκιος τοιάδε γίγνεται. Πολεμοκρατία, γυνή τιнос τῶν βασιλίσκων, ἀναιρεθέντος αὐτῇ τοῦ ἀνδρὸς ὑπὸ ἐχθρῶν δείσασα περὶ τῷ παιδί ἔτι ὄντι μεираκίῳ, ἤκεν αὐτὸν φέρουσα καὶ ἐνεχείρισε Βρούτῳ, ἐνεχείρισε δὲ καὶ τοὺς τοῦ ἀνδρὸς θησαυροὺς. ὁ δὲ τὸν μὲν παῖδα Κυζικηνοῖς ἀνατρέφειν παρέδωκε, μέχρι σχολάσειεν ἐπὶ τὴν βασιλείαν καταγαγεῖν, ἐν δὲ τοῖς θησαυροῖς εὖρε παράδοξον χρυσοῦ τι πλῆθος καὶ ἀργύρου.

καὶ τοῦτο μὲν ἔκοπτε καὶ νόμισμα ἐποίει: [76] ὥς δὲ ἦλθέ τε ὁ Κάσσιος καὶ ἔδοξε Λυκίους καὶ Ροδίους προεξαίρειν, ἐτράπετο Λυκίων ἐπὶ Ξανθίους πρῶτους. οἱ δὲ τὰ τε προάστεια σφῶν καθεῖλον, ἵνα μὴ ἐς κατάλυσιν αὐτοῖς ὁ Βρούτος μῆδ' ἐς ὕλην ἔχῃ χρῆσθαι, καὶ τὴν πόλιν περιταφρεύσαντες ἀπεμάχοντο ἀπὸ τῆς τάφρου, τὸ μὲν βάθος οὐσῆς πεντήκοντα ποδῶν βαθυτέρας, τὸ δὲ πλάτος κατὰ λόγον τοῦ βάθους, ὥστε παρ' αὐτὴν ἐστῶτες ἠκόντιζόν τε καὶ ἐτόξευον ὥσπερ ἐν μέσῳ ποταμὸν ἔχοντες ἀέρατον. ὁ δὲ Βρούτος αὐτὴν ἔχου βιαζόμενος καὶ σκεπαστήρια τῶν ἐργαζομένων προυτίθει καὶ τὸν στρατὸν ἐς ἡμέραν καὶ νύκτα ἐμέριζε, καὶ τὴν ὕλην μακρόθεν, ὥσπερ ἐν τοῖς ἀγῶσι, σὺν δρόμῳ καὶ βοῇ μετέφερεν, οὐδὲν ἐκλείπων σπουδῆς καὶ πόνου. ὅθεν αὐτῷ τὸ ἔργον ἐλπισθὲν ἢ οὐκ ἔσεσθαι κωλονόντων τῶν πολεμίων ἢ πολλοῖς μῆσι μόλις ἔσεσθαι, ὀλίγαις ἡμέραις ἐξείργαστο, καὶ οἱ Ξάνθιοι κατακλεισθέντες ἐπολιορκοῦντο.

[77] καὶ αὐτοῖς ὁ Βρούτος τοὺς μὲν ἐκ μηχανημάτων εἰς τὰ τεῖχη, τοὺς δὲ ἐκ ποδὸς ἐπῆγεν ἐπὶ τὰς πύλας καὶ πάντας ἐνήλλασσε συνεχῶς. οἱ δὲ ἀκμῆσιν αἰεὶ κεκμηκότες συμφερόμενοι καὶ τετρωμένοι πάντες, ὅμως ὑπέμενον, ἕως σφίσιν αἱ ἐπάλξεις διέμενον. ὥς δὲ καὶ αὗται κατεσύρησαν καὶ οἱ πύργοι διερρώγесαν, ὑποτοπήσας τὸ ἐσόμενον ὁ Βρούτος ἐκέλευσε τὰς ἐφένδρους τῶν πυλῶν ἀζέεις ἀποσπῆναι: καὶ οἱ Ξάνθιοι νομίσαντες ἀφυλαξίαν καὶ ἀμέλειαν εἶναι νυκτὸς ἐξέδραμον μετὰ λαμπάδων ἐπὶ τὰ μηχανήματα. ταχὺ δὲ ἐκ συνθήματος αὐτοῖς τῶν Ῥωμαίων ἐπιδραμόντων, συνέφευγον αὖθις ἐς τὰς

πύλας: καὶ τῶν φυλάκων αὐτὰς προαποκλεισάντων ὑπὸ δέους, μὴ συνεσπέσειεν οἱ πολέμιοι, φθόρος ἦν Ξανθίων πολὺς ἀμφὶ ταῖς πύλαις ἀποκεκλεισμένων.

[78] οὐ πολὺ δὲ ὕστερον ἐξέδραμον αὖθις οἱ λοιποὶ περὶ μεσημβρίαν, ἀναχωρούσης πάλιν τῆς τάξεως, καὶ ἐνέπρησαν τὰ μηχανήματα ἅπαντα ἀθρόως. πεπετασμένων δ' αὐτοῖς τῶν πυλῶν διὰ τὸ πρότερον πάθος, συνεισέπεσον ἀμφὶ δισχιλίους μάλιστα Ῥωμαίων. καὶ ἐτέροις δὲ εἰσωθιζομένοις ἀμφὶ τὴν εἴσοδον ἐπέπεσον αἰφνίδιον αἱ πύλαι, εἴθ' ὑπὸ τοῦ Ξανθίων εἶτε καὶ αὐτομάτως τῶν χαλαστηρίων διαρραγέντων, ὥστε τῶν ἐσβιασμένων Ῥωμαίων τοὺς μὲν ἀπολέσθαι, τοὺς δὲ ἔνδον ἀποληφθῆναι, τὰς πύλας οὐ δυναμένους ἔτι ἀνασπάσαι, χωρὶς ἀνασπαστηρίων γενομένας. βαλλόμενοι δ' ἐν τοῖς στενωποῖς ἄνωθεν ὑπὸ τῶν Ξανθίων, βιασάμενοί ποτε μόλις ἐς τὴν ἀγορὰν ἐγγὺς οὔσαν διέδραμον: κἀνταῦθα τῶν μὲν συμπλεκομένων σφίσι κρατοῦντες, τοξευόμενοι δὲ χαλεπῶς καὶ οὐδὲν ἔχοντες αὐτοὶ τόξον ἢ ἀκόντιον, παρὰ τὸ Σαρπηδόνειον, ἵνα μὴ κυκλωθεῖεν, διέδραμον. οἱ δ' ἔξω τείχους Ῥωμαῖοι περὶ τῶν ἔνδον ἀγανακτοῦντές τε καὶ δεδιότες, Βρούτου περιθέοντος αὐτούς, ἐς πᾶσαν ἐμερίζοντο πεῖραν, οὔτε τὰς πύλας δυνάμενοι ῥῆξαι σιδήρῳ περιβεβλημένας, οὔτε κλιμάκων ἢ πύργων ἐμπερησμένων εὐποροῦντες. ἀλλ' οἱ μὲν ἐσχεδίαζον κλίμακας, οἱ δὲ κεραίας τοῖς τείχεσι προστιθέντες ὥς διὰ κλιμάκων ἐπεχείρουν, οἱ δὲ καὶ σιδήρια ὀξέα καλωδίους περιτιθέντες ἐσφενδόνων τὰ σιδήρια ἐς τὸ τεῖχος ἄνω καί, ὅτε καταπαγείη τινὰ αὐτῶν, ἑαυτοὺς ἀνίμω.

[79] Οἰνοανδεῖς δὲ γείτονες, διὰ τὴν ἐς τοὺς Ξανθίους ἔχθραν τῷ Βρούτῳ συμμαχοῦντες, διὰ τῶν κρημνῶν ἐπετροβάτουν ἄνω: καὶ αὐτοὺς ἰδόντες οἱ Ῥωμαῖοι ἐμμοῦντο ἐπιμόχθως. καὶ πολλοὶ μὲν ἐξέπιπτον, εἰσὶ δ' οἱ τὸ τεῖχος ὑπερβάντες καὶ πυλίδα ἀνέφξαν, ἣ προεσταύρωτο πυκνοτάτοις σταυροῖς, καὶ τοὺς εὐτολμοτάτους αἰωρουμένους ὑπὲρ τὰ σταυρώματα ἐσεδέχοντο. καὶ πλείους γενόμενοι τὰς πύλας ἔκοπτον, οὐ περιβεβλημένας ἔτι τῷ σιδήρῳ τὰ ἐντός, ἀντικοπτόντων αὐτοῖς ἅμα ἔξωθεν ἐτέρων ἐς τὸ αὐτὸ καὶ συνεργούντων. Ξανθίων δὲ σὺν μεγάλῃ πάνυ βοῇ τοῖς ἀμφὶ τὸ Σαρπηδόνειον οὔσι Ῥωμαῖοις ἐπιθεόντων, δέισαντες ὑπὲρ αὐτῶν, ὅσοι περὶ τὰς πύλας ἔνδοθέν τε καὶ ἔξωθεν αὐτὰς ἔκοπτον, ὑπὸ μανιώδους ὁρμῆς ἐβιάζοντο καὶ διαρρήξαντες ἐσέδραμον ἀθρόοι, δύνοντος ἄρτι τοῦ θεοῦ, μετὰ ἀλαλαγῆς, ἵνα σύμβολον εἴη τοῖς ἐντός οὔσιν.

[80] ἀλούσης δὲ τῆς πόλεως οἱ Ξάνθιοι ἐς τὰς οἰκίας συνέτρεχον καὶ τὰ φίλτατα σφῶν κατέκαινον, ἐκόντα τὴν σφαγὴν ὑπέχοντα. οἰμωγῆς δὲ γιγνομένης ὁ Βρούτος νομίσας ἀρπαγὴν εἶναι τὸν στρατὸν ἀνεῖργε διὰ κηρύκων: ὥς δὲ ἔγνω τὸ γινόμενον, ὥκτειρεν ἀνδρῶν φρόνημα φιλελεύθερον καὶ σπονδὰς περιέπεμπε. οἱ δὲ καὶ τοὺς φέροντας ἔβαλλον καὶ τὰ σφέτερα πάντα ἀνελόντες ἐς πυρὰς προνενης μένας ἐν ταῖς οἰκίαις ἐπέθεσαν καὶ τὸ πῦρ ἅπαντες ἑαυτοὺς ἐπικατέσφαζαν. Βρούτος δὲ τῶν ἱερῶν περισώσας ὅσα ἐδύνατο, μόνους θεράποντας εἴλε Ξανθίων καὶ ἐκ τῶν ἀνδρῶν γύναια ὀλίγα ἐλεύθερα καὶ ἄνδρας οὐδὲ ἐς ἑκατὸν καὶ πεντήκοντα πάντας.

Ξάνθιοι μὲν δὴ τρίτον ὑπὸ σφῶν αὐτῶν ἀπώλλυντο ἐλευθερίας οὐνεκα. καὶ

γὰρ ἐπὶ Ἀρπάγου τοῦ Μήδου, Κύρῳ τῷ μεγάλῳ στρατηγοῦντος, ὧδε σφᾶς ἀντὶ δουλοσύνης διέφθειραν, καὶ τάφος Ξανθίοις ἢ πόλις ἀνειληθεῖσιν ὑπὸ Ἀρπάγου τότε ἐγένετο: καὶ ἐπὶ Ἀλεξάνδρου τοῦ Φιλίππου φασὶν ὅμοια παθεῖν, οὐχ ὑποστάντας οὐδὲ Ἀλεξάνδρῳ μετὰ τοσῆσδε γῆς ἀρχὴν ὑπακούσαι.

[81] Βροῦτος δὲ ἐς Πάταρα ἀπὸ Ξάνθου κατῆι, πόλιν ἐοικυῖαν ἐπινείῳ Ξανθίων, καὶ περιστήσας αὐτοῖς τὸν στρατὸν ἐκέλευσεν ἐς πάντα ὑπακούειν ἢ τὰς Ξανθίων συμφορὰς προσδέχεσθαι: προσήγοντό τε αὐτοῖς οἱ Ξάνθιοι ὁδυρόμενοι τὰ σφέτερα καὶ παραινούντες ἀμείνονα βουλευσάσθαι. Ξανθίοις δὲ οὐδὲν ἀποκριναμένων πῶ τῶν Παταρέων, ἐδίδου τὸ λοιπὸν αὐτοῖς τῆς ἡμέρας ἐς σκέψιν καὶ ἀνεχώρει. ἅμα δὲ ἡμέρᾳ προσῆγεν. οἱ δὲ ἀπὸ τε τῶν τειχῶν ἐβῶον ὑπακούειν, ἐς ὃ τι βούλοιτο, καὶ τὰς πύλας ἀνεῳγνουν. ὁ δ' ἐσελθὼν ἔκτεινε μὲν οὐδένα οὐδ' ἐξήλασε, χρυσὸν δὲ καὶ ἄργυρον, ὅσον ἢ πόλις εἶχε, συνενεγκὼν ἐκέλευε καὶ τὸν ἰδιωτικὸν ἐκάστους ἐσφέρειν ὑπὸ ζημίαις καὶ μηνύμασιν, οἷσις καὶ Κάσιος ἐκήρυξεν ἐν Ῥόδῳ. καὶ οἱ μὲν ἐσέφερον, θεράπων δὲ τὸν δεσπότην ἐμήνυσε χρυσίον κρύψαι καὶ πεμφθέντι λοχαγῷ τὸ χρυσίον ἔδειξεν. ἀγομένων δὲ ἀπάντων ὁ μὲν δεσπότης ἐσιώπα, ἢ δὲ ἐκείνου μήτηρ περισφύζουσα τὸν υἱὸν εἶπετο, βοῶσα αὐτῇ τὸ χρυσίον κρύψαι. ὁ δὲ οἰκέτης, οὐδὲ ἀνερωτώμενος, τὴν μὲν ἤλεγχε ψευδομένην, τὸν δὲ κρύψαντα. καὶ ὁ Βροῦτος τὸν μὲν νεανίαν ἀπεδέξατο τῆς σιωπῆς καὶ τὴν μητέρα τοῦ πάθους καὶ μεθῆκεν ἀμφοτέρους ἀπαθεῖς ἀπιέναι τὸ χρυσίον φερομένους, τὸν δὲ οἰκέτην ὥς πέρα τοῦ προστάγματος ἐπιβουλεύσαντα τοῖς δεσπόταις ἐκρέμασε.

[82] τῷ δ' αὐτῷ χρόνῳ καὶ Λέντλος ἐπιπεμφθεὶς Ἀνδριάκῃ Μυρέων ἐπινείῳ τὴν τε ἄλυσιν ἔρρηξε τοῦ λιμένος καὶ ἐς Μύρα ἀνῆι. Μυρέων δέ, ἃ προσέτασσε, δεχομένων χρηματισάμενος ὁμοίως ἐς Βροῦτον ἐπανῆι. καὶ τὸ κοινὸν τὸ Λυκίων ἐς Βροῦτον ἐπρέσβευε, συμμαχήσειν τε ὑπὸ ἰσχυνομένοι καὶ ἐσοίσειν, ὅσα δύναιντο. ὁ δὲ αὐτοῖς ἐσφορὰς τε ἐπέβαλε καὶ Ξανθίων τοὺς ἐλευθέρους ἀπεδίδου τῇ πόλει καὶ τὸ ναυτικὸν τὸ Λυκίων ἅμα ταῖς ἄλλαις ναυσὶν ἐκέλευε περιπλεῖν ἐς Ἄβυδον, ἔνθα καὶ τὸ πεζὸν αὐτὸς ἦγε καὶ Κάσιον ἐξ Ἰωνίας ἀνέμενεν, ὥς ἐς Σηστὸν ὁμοῦ διαβαλοῦντες. Μοῦρκος δὲ ἐν Πελοποννήσῳ ναυλοχῶν Κλεοπάτραν, ἐπειδὴ ἔμαθεν αὐτὴν ὑπὸ χειμῶνος ἀμφὶ τῇ Λιβύῃ βλαβεῖσαν καὶ τὰ ναύαγια εἶδε μέχρι τῆς Λακωνικῆς ἐκφερόμενα καὶ σὺν ἄρρωστῖα μόλις αὐτὴν ἐς τὰ ἑαυτῆς ἐπανιοῦσαν, ἵνα μὴ δι' ἀπραξίας εἴη μετὰ τοσοῦδε στόλου, διέπλευσεν ἐπὶ Βρεντεσίου καὶ ἐς τὴν ἐπικειμένην τῷ λιμένι νῆσον ὀρμισάμενος ἐκώλυε τὴν ὑπόλοιπον τῶν πολεμίων στρατιὰν ἢ ἀγορὰν ἐς Μακεδονίαν περαιοῦσθαι. καὶ αὐτὸν ὁ Ἀντώνιος ἀπεμάχετο ναυσὶ μακραῖς, ὅσαις εἶχεν, ὀλίγαις: ἀπεμάχετο δὲ καὶ πύργοις, οὓς ἐπῆγεν ἐπὶ σχεδίων, ὅτε τὸν στρατὸν ὀλκάσιν ἐκπέμποι κατὰ μέρη, πνεῦμα ἀπὸ τῆς γῆς πολὺ φυλάσσων, ἵνα μὴ καταλαμβάνοιντο ὑπὸ τοῦ Μοῦρκου. κακοπαθὼν δὲ ἐκάλει Καίσαρα, Πομπηῖόν Σέξστῳ κατὰ Σικελίαν περὶ αὐτῆς Σικελίας ναυμαχοῦντα.

[83] ὧδε δὲ εἶχε καὶ τὰ περὶ Πομπήιον. νεώτερος ὢν ὅδε τῶν Μάγνου Πομπηίου παιδῶν ὑπερώφθη μὲν τὰ πρῶτα ὑπὸ Γαῖου Καίσαρος περὶ Ἰβηρίαν, ὥς οὐδὲν μέγα διὰ νεότητα καὶ ἀπειρίαν ἐργασόμενος, καὶ ἡλᾶτο

περὶ τὸν ὠκεανὸν ληστεύων σὺν ὀλίγοις καὶ λανθάνων, ὅτι εἶη Πομπήιος. πλεόνων δὲ ἐς τὸ ληστεύειν αὐτῷ συνιόντων χεὶρ τε ἦν ἤδη καρτερὰ καὶ ἐξεφαίνετο Πομπήιος ὢν. καὶ αὐτίκα, ὅσοι τοῦ πατρὸς ἢ τοῦ ἀδελφοῦ στρατιῶται γεγονότες ἡλῶντο, ὥς ἐς οἰκεῖον ἡγεμόνα συνέντευχον, καὶ Ἀραβίων ἐκ Λιβύης ἀφίκετ' αὐτῷ, ἀφηρημένος τὰ πατρῶα, ὥς μοι προεῖρηται. ὧδε δὲ αὐτῷ πλήθους γενομένου, ἔργα τε ἦν ἤδη ληστηρίου δυνατώτερα καὶ ὄνομα τοῦ Πομπηίου ἀνὰ ὅλην τὴν Ἰβηρίαν, εὐρυτάτην ἐθνῶν οὔσαν, περιθέοντός τε καὶ μεθιπταμένου καὶ ἐς χεῖρας οὐχ ὑπομένοντος ἐλθεῖν τοῖς ἡγουμένοις αὐτῆς ὑπὸ Γαίῳ Καίσαρι. ὢν ὁ Γάιος πυνθανόμενος ἔπεμπε σὺν στρατῷ πλέονι Καρρίναν ἐκπολεμήσοντα Πομπήιον. ὁ δὲ καὶ τούτῳ, κουφότερος ὢν, ἐπεφαίνετο ἄφνω καὶ ἀφιπτάμενος ἠνώχλει καὶ πόλεις ἤδη τινὰς ἦρει βραχυτέρας τε καὶ μείζους.

[84] καὶ ὁ Γάιος ἔπεμψε τῷ Καρρίνᾳ διάδοχον Ἀσίνιον Πολλίωνα πολεμεῖν Πομπήιῳ. ὃν τινα πόλεμον αὐτῶν ὁμοίως διαφερόντων, ὃ τε Γάιος Καῖσαρ ἀνῆρέθη καὶ ἡ βουλὴ κατεκάλει Πομπήιον. ὁ δὲ ἐν Μασσαλία γενόμενος περιεσκόπει ἔτι τὰ ἐν Ῥώμῃ. αἰρεθεὶς δὲ καὶ τῆς θαλάσσης ἄρχειν, καθὰ ἤρχεν αὐτοῦ καὶ ὁ πατήρ, ἐς μὲν τὴν πόλιν οὐδ' ὥς ἀνῆλθεν, ὅσαι δὲ νῆες ἐν τοῖς λιμέσιν ἦσαν, λαβὼν ἐξέπλευσε σὺν αἷς εἶχεν ἀπὸ τῆς Ἰβηρίας. ἐπιγενομένης δὲ τῆς τῶν τριῶν ἀρχῆς ἐς Σικελίαν διέπλευσε καὶ Βιθυνικὸν ἄρχοντα αὐτῆς, οὐ παριέντα οἱ τὴν νῆσον, ἐπολιόρκει, μέχρι προγραφέντες ἐπὶ θανάτῳ καὶ φυγόντες ἐκ Ῥώμης Ἰρτιός τε καὶ Φάννιος ἔπεισαν ἐκστῆναι Πομπήιῳ Βιθυνικὸν Σικελίας.

[85] ὧδε μὲν ὁ Πομπήιος Σικελίας ἐκράτησε, καὶ ναῦς ἔχων καὶ νῆσον ἐπικειμένην τῇ Ἰταλίᾳ καὶ στρατὸν ἥδη πολύν, ὅσον τε πρότερον εἶχε καὶ ὅσον οἱ φεύγοντες ἐκ Ῥώμης ἐλεύθερον ἢ δοῦλον ἦγον ἢ αἱ πόλεις ἐξ Ἰταλίας ἔπεμπον αὐτῷ, αἱ ἐς ἐπινίκια τοῖς στρατοῖς ἐπηγγελμένοι. ταῖς γὰρ δὴ γνώμαις αἶδε μάλιστα τὴν νίκην τῶν τριῶν ἀνδρῶν ἀπεύχοντο καί, ὅσα δύναιτο, κρύφα ἀντέπρασσον: ἀποδιδράσκοντές τε τῶν πατρίδων ὥς οὐκέτι πατρίδων οἱ δυνάμενοι συνέφευγον ἐς Πομπήιον, ἀγχοτάτω τε ὄντα καὶ περιφίλτον ἅπασιν ἐν τῷ τότε. παρῆσαν δ' αὐτῷ καὶ ναυτικοὶ ἄνδρες ἐκ Λιβύης καὶ Ἰβηρίας, ἔμπειροι θαλάσσης, ὥστε καὶ ἡγεμόσι καὶ ναυσὶ καὶ πεζῷ καὶ χρήμασιν ὁ Πομπήιος ἐπῆρτο. καὶ τούτων ὁ Καῖσαρ ἐπήκοος ὢν ἔπεμπε Σαλουιδιηνὸν ἐπὶ νεῶν στόλου, Πομπήιον ὥς εὐχερὲς ἔργον ἐξελεῖν παραπλέοντα: καὶ αὐτὸς ἦει διὰ τῆς Ἰταλίας ὥς αὐτῷ Σαλουιδιηνῷ συμβολήσων περὶ Ῥήγιον. Σαλουιδιηνῷ δ' ὁ Πομπήιος ἀπαντᾷ μεγάλῳ στόλῳ, καὶ πρὸ τοῦ πορθμοῦ ναυμαχίας ἀμφὶ τὸ Σκύλλαιον αὐτοῖς γενομένης αἱ μὲν τοῦ Πομπηίου νῆες, κουφότεραί τε οὔσαι καὶ ναυτικωτέρων ἀνδρῶν, ταχυτῆτι καὶ ἐμπειρίᾳ προὔχον, αἱ δὲ Ῥωμαίων ἄτε βαρύτεραι καὶ μείζους ἐμόχθουν. ὥς δ' ὁ συνήθης τοῦ πορθμοῦ κλύδων ἐπεγίνετο καὶ διεσπᾶτο ἡ θάλασσα ἐφ' ἐκάτερα ὑπὸ τοῦ ροῦ, οἱ μὲν ἦσσαν ἐμόχθουν ὑπὸ ἔθους τοῦ κλύδωνος, οἱ δ' ἀμφὶ τὸν Σαλουιδιηνόν, οὔτε ἐστῶτες βεβαίως ὑπὸ ἀηθείας οὔτε τὰς κόπας ἔτι ἀναφέρειν δυνάμενοι οὔτε τὰ πηδάλια ἔχοντες εὐπειθῆ, συνεταράσσοντο, ὥστε κλίνοντος ἐς δείλην ἐσπέραν ἤδη τοῦ θεοῦ πρότερος ὁ Σαλουιδιηνὸς ἀνεκάλει. ὑπεχώρει δὲ καὶ ὁ Πομπήιος. νῆες δὲ ἐκατέρων ἴσαι

διεφθάρατο, καὶ τὰς λοιπὰς λελωθημένας τε καὶ πεποννημένας ὁ Σαλουτιδιανὸς ἐπεσκεύαζεν, ὑποχωρήσας ἐς λιμένα πρὸ τοῦ πορθμοῦ Βαλαρόν.

[86] ὁ δὲ Καῖσαρ ἐπελθὼν ῥηγίνους μὲν καὶ Ἰππωνεῦσι μεγάλας πίστεις αὐτὸς ἔδωκεν ἀναλύσειν αὐτοὺς ἐκ τῶν ἐπινικίων ἔδεδεικε γὰρ ὄντας ἐπὶ τοῦ πορθμοῦ μάλιστα, καλοῦντος δ' αὐτὸν Ἀντωνίου κατὰ σπουδὴν διέπλει πρὸς αὐτὸν ἐς τὸ Βρεντέσιον, ἐν ἀριστερᾷ ἔχων Σικελίαν καὶ Πομπήιον καὶ Σικελίαν ὑπερθέμενος ἐν τῷ τότε. Μοῦρκος δὲ ἐπιόντος τοῦ Καίσαρος, ἵνα μὴ ἐν μέσῳ γένηται Ἀντωνίου τε καὶ Καίσαρος, μικρὸν ἀναχωρήσας τοῦ Βρεντεσίου, τὰς ὁκάδας ἐφύλασεν ἐν τῷ πόρῳ τὸν στρατὸν ἐς Μακεδονίαν ἐκ τοῦ Βρεντεσίου διαφερούσας. αἱ δὲ προεπέμποντο μὲν ὑπὸ τριήρων, πνεύματος δὲ πολλοῦ κατὰ θεὸν οἰκείου γενομένου διέπτησαν ἀδεῶς, οὐδὲν τῶν προπομπῶν δεηθεῖσαι. καὶ ὁ Μοῦρκος ἀχθόμενος ὅμως ἐφήδρευεν ἐπανιούσαις κεναῖς. αἱ δὲ καὶ τότε, καὶ αὖθις ἕτερον στρατὸν ἄγουσαι, διέπλεον ἰστίοις στρογγύλοις, μέχρι πᾶς ὁ στρατὸς καὶ ἐπ' αὐτῷ Καῖσάρ τε καὶ Ἀντώνιος διέπλευσαν. καὶ ὁ Μοῦρκος ὑπὸ τοῦ δαιμόνων βεβλάσθαι νομίζων, ὑπέμενε ὅμως τὰς ἐκ τῆς Ἰταλίας αὐτοῖς διαπλεύσας παρασκευὰς ἢ τροφὰς ἢ τὸν ἐπισυλλεγόμενον στρατὸν βλέπτων, ὅσα δύναται. καὶ αὐτῷ Δομίτιος Ἀηνόβαρβος ὑπὸ τῶν ἀμφὶ τὸν Κάσσιον ἐς τὸ αὐτὸ ἔργον, ὡς χρησιμώτατον δὴ, μετὰ νεῶν ἄλλων πεντήκοντα καὶ τέλους ἑτέρου καὶ τοξοτῶν ἐπέμφθη: ὡς γὰρ οὐκ ἔχουσι τοῖς ἀμφὶ τὸν Καίσαρα τροφὰς δαψιλεῖς ἐτέρωθεν ἐδόκει τὰ ἐκ τῆς Ἰταλίας διακλείσειν.

οἱ μὲν δὴ ναυσὶ τε μακραῖς ἑκατὸν καὶ τριάκοντα καὶ ὑπηρετικάς πλέοσι καὶ στρατῷ πολλῷ διαπλέοντες ἠνώχλουν, [87] Δεκίδιος δὲ καὶ Νωρβανὸς οὗς ὁ Καῖσαρ καὶ Ἀντώνιος μετὰ ὀκτῶ τελῶν ἐς Μακεδονίαν προεπεπόμφεσαν, ἐκ Μακεδονίας ἐχώρουν ἐπὶ Θράκης τῆς ὀρείου χιλίους καὶ πεντακοσίους σταδίους, μέχρι πόλιν ὑπερβάντες Φιλίππους τὰ στενὰ Κορπίλων καὶ Σαπαίων, τῆς Ῥασκουπόλιδος ὄντα ἀρχῆς, κατέλαβον, ἣ μόνῃ διελθεῖν ἔστιν ἐς τὴν Εὐρώπην ἐκ τῆς Ἀσίας τὴν γνώριμον ὁδόν. καὶ τοῦτο τοῖς ἀμφὶ τὸν Κάσσιον, ἐς Σηστὸν ἐξ Ἀβύδου περάσασι, πρῶτον ἀντεκεκρούκει. Ῥασκούπολις δὲ καὶ Ῥάσκος ἦσθιν ἀδελφῷ Θρακίῳ βασιλίσκῳ, μιᾶς ἄρχοντε χώρας, οἱ τότε τῇ γνώμῃ περὶ τῆς συμμαχίας διεφέροντο. καὶ Ῥάσκος μὲν τοῖς ἀμφὶ τὸν Ἀντώνιον συνεμάχει, Ῥασκούπολις δὲ τοῖς ἀμφὶ τὸν Κάσσιον, τρισχιλίους ἱππέας ἔχων ἐκάτερος. πυνθανομένοις δὲ τοῖς ἀμφὶ τὸν Κάσσιον περὶ τῶν ὁδῶν ὁ Ῥασκούπολις ἔφη τὴν μὲν δι' Αἰνίου καὶ Μαρωνείας ἐπιτομόν τε καὶ συνήθη καὶ λεωφόρον οὖσαν ἐπὶ τὰ Σαπαίων στενὰ ἄγειν, κατεχόντων δὲ αὐτὰ τῶν πολεμίων ἀμήχανα ἐς δίοδον εἶναι, τὴν δὲ περίοδον τριπλασίονά τε καὶ χαλεπὴν.

[88] οἱ δὲ τοὺς πολεμίους ὑπολαβόντες οὐκ ἐς κώλυσιν μὲν ὁδῶν αὐτοῖς ἀπαντᾶν, τροφῶν δὲ ἀπορίᾳ ἐς Θράκην ἀντὶ Μακεδονίας ὑπερβῆναι, ἐβάδιζον ἐπὶ Αἰνίου καὶ Μαρωνείας, ὅθεν ἐπὶ Λυσιμαχείας τε καὶ Καρδίας, αἱ τὸν ἰσθμὸν τῆς Θρακίου χειρρονήσου διαλαμβάνουσιν ὥσπερ πύλαι, μετὰ δὲ ἄλλην ἡμέραν ἐς τὸν Μέλανα κόλπον ἀφίκοντο. καὶ τὸν στρατὸν ἐξετάζουσιν αὐτοῖς ἐγένοντο πάντες ὀπλιτῶν ἑννεακαίδεκα τέλη, Βρούτου μὲν ὀκτώ, Κασσίου δὲ ἑννέα, ἐντελὲς οὐδέν, ἀλλ' ἐς δύο που τέλη μάλιστα

ἀναπληρούμενα, ὥς γίνεσθαι μυριάδας ὀπλιτῶν ἀμφὶ τὰς ὀκτώ. ἱππέες δὲ ἦσαν Βρούτῳ μὲν Κελτοὶ καὶ Λυσιτανοὶ τετρακισχίλιοι καὶ Θρᾶκες καὶ Ἰλλυριοὶ Παρθηνοὶ καὶ Θεσσαλοὶ δισχίλιοι, Κασσίῳ δὲ Ἴβηρές τε καὶ Κελτοὶ δισχίλιοι καὶ ἵπποτοξόται Ἀραβὲς τε καὶ Μῆδοι καὶ Παρθυαῖοι τετρακισχίλιοι. σύμμαχοι δὲ εἶποντο βασιλέες καὶ τετράρχαι Γαλατῶν τῶν ἐν Ἀσίᾳ, πεζόν τε ἄγοντες πολὺν ἄλλον καὶ ἱππέας ὑπὲρ πεντακισχιλίου.

[89] τοσῆδε μὲν στρατιᾷ τοῖς ἀμφὶ τὸν Κάσσιον ἐπὶ τοῦ Μέλανος κόλπου διεκρίθη, καὶ τοσῆδε ἐχώρουν ἐπὶ τὸ ἔργον, τὴν λοιπὴν ἔχοντες ἐπὶ τῶν ἀλλαχόθι χρεῖων. καθήραντες δὲ αὐτὴν τοῖς νομιζομένοις ἀνεπλήρουν τὰς ἐκ τῶν ἐπιγγεγμένων τισὶν ὀφειλομένας ἔτι δωρεάς, πολλῆς μὲν περιουσίας χρημάτων πεφροντικότες, οἰκειούμενοι δὲ ταῖς δόσεσιν αὐτούς, Γαῖῳ μάλιστα Καίσαρι τοὺς πλέονας ἐστρατευμένους, μὴ τις ἐς τὴν ὄψιν ἢ ὁμωνυμίαν τοῦ νέου Καίσαρος νεωτερίσειεν ἐλθόντος. καὶ αὐθις ἔδοξε τούτου χάριν καὶ δημηγορῆσαι. βῆμά τε οὖν ἐπήχθη μέγα, καὶ οἱ στρατηγοὶ μετὰ τῶν ἀπὸ τῆς βουλῆς μόνων ἐς αὐτὸ ἀναβάντες, ὁ δὲ στρατὸς αὐτῶν, ὃ τε ἴδιος καὶ συμμαχικός, κάτω περιστάντες, ἤδοντο εὐθὺς ἐπὶ τῇ ὄψει τοῦ πλήθους ἀλλήλων ἐκάτεροι, ἰσχυροτάτῃ σφίσι φανείσῃ· καὶ θάρσος ἦν ἀμφοτέροις αὐτίκα καὶ ἐλπίς ἰσχυρά, τοσῶνδε στρατηγοῦσιν. αὐτὰ τε πρῶτα πάντων τάδε τοῖς στρατηγοῖς τὸν στρατὸν ἐς πίστιν συνῆγε· τίκτουσι γὰρ εὐνοίαν ἐλπίδες κοιναί. θροῦ δὲ ὡς ἐν τοσοῦτοις ὄντος οἱ τε κήρυκες καὶ οἱ σαλπικταὶ σιωπὴν ἐποιοῦν, καὶ γενομένης ποτὲ ὁ Κάσσιος ἔπροϋχε γὰρ ἡλικίᾳ προελθὼν μικρὸν ἐκ τῆς τάξεως ἐς τὸ μέσον ἔλαξεν ὧδε:

[90] ὁ μὲν ἄγὼν πρῶτον ἡμᾶς, ὃ συστρατιῶται, κοινὸς ὢν ἐς πίστιν ἀλλήλοις συνάγει· συνάπτει δὲ καὶ ὅσα ὑμῖν ὑποσχόμενοι πάντα ἔδομεν, ὃ μεγίστη πίστις ἐστὶ καὶ περὶ ὧν ἐς τὸ μέλλον ὑπισχνούμεθα. αἱ δὲ ἐλπίδες εἰσὶν ἐν τῇ ἀρετῇ, ὑμῶν τε τῶν στρατευομένων καὶ ἡμῶν, οὓς ἐπὶ τοῦ βήματος τοῦδε ὁρᾶτε τοσοῦσδε καὶ τοιούσδε ἄνδρας ἀπὸ τῆς βουλῆς. ἔστι δὲ καὶ πλῆθος παρασκευῆς, ὅσον ἴστε, σίτου τε καὶ ὀπλων καὶ χρημάτων καὶ νεῶν καὶ συμμάχων κατὰ τε ἔθνη καὶ βασιλέας. ὥστε τί χρὴ τῷ λόγῳ παρακαλεῖν ἐς προθυμίαν τε καὶ ὁμόνοιαν, οὓς ἢ τε παρασκευὴ καὶ τὰ ἔργα κοινὰ ὄντα συνάγει; περὶ δὲ ὧν διαβάλλουσιν ἡμᾶς δύο ἄνδρες ἐχθροί, ἴστε μὲν αὐτὰ ἀκριβέστατα, καὶ δι' αὐτὸ συστρατεύεσθε ἡμῖν ἐτοιμῶς, δοκεῖ δὲ καὶ νῦν ἐπεξελεθῆναι ἔτι τὴν αἰτίαν, ἣ μάλιστα ἐπιδείκνυσι τοῦ πολέμου καλλίστην τε οὖσαν ἡμῖν καὶ δικαιοτάτην τὴν πρόφασιν.

[91] ἡμεῖς γὰρ Καίσαρα ἐν μὲν τοῖς πολέμοις συστρατευόμενοί τε αὐτῷ μεθ' ὑμῶν καὶ στρατηγοῦντες ἐπὶ μέγα ἥρομεν καὶ φίλοι διετελοῦμεν ὄντες, ὡς μὴ δοκεῖν αὐτὸν δι' ἔχθραν ὑφ' ἡμῶν ἐπιβεβουλευσθαι. τὰ δὲ ἐς τὴν εἰρήνην ἐπίμεμπτος ἦν, οὐχ ἡμῖν τοῖς φίλοις, ἐπεὶ κὰν τούτοις προετιμώμεθα, ἀλλὰ τοῖς νόμοις καὶ τῷ κόσμῳ τῆς πολιτείας, ὧν οὐδεὶς νόμος οὔτε ἀριστοκρατικὸς κύριος οὔτε δημοτικὸς ἔτι ἦν: ἅπερ ἅπαντα οἱ πατέρες ἡμῶν ἤρμοσαν, ὅτε τοὺς βασιλέας ἐκβαλόντες ἐπώμοσαν καὶ ἐπηράσαντο οὐκ ἀνέξεσθαι βασιλέων ἐς τὸ μέλλον ἐτέρων. ὃ τινι ὄρκῳ βοηθοῦντες οἱ τῶν ὁμωμοκότων ἔκγονοι καὶ τὰς ἀρὰς ἀπερύκοντες ἀφ' ἑαυτῶν οὐχ ὑπεμείναμεν ἐς πολὺ περιδεῖν ἓνα ἄνδρα, εἰ καὶ φίλος ἦν ἡμῖν καὶ χρήσιμος, τὰ τε κοινὰ

χρήματα καὶ στρατόπεδα καὶ χειροτονίας ἀρχῶν ἀπὸ τοῦ δήμου καὶ ἡγεμονίας ἐθνῶν ἀπὸ τῆς βουλῆς ἐς ἑαυτὸν περιφέροντα καὶ νόμον ἀντὶ τῶν νόμων καὶ κύριον ἀντὶ τοῦ δήμου καὶ αὐτοκράτορα ἀντὶ τῆς βουλῆς γιγνόμενον ἐς ἅπαντα.

[92] ὣν ἴσως ὑμεῖς οὐκ ἀκριβῶς ἡσθάνεσθε, ἀλλὰ μόνην αὐτοῦ τὴν ἐν τοῖς πολέμοις ἀρετὴν ἐωρᾶτε. νῦν δὲ ραδίως τε ἂν καὶ ἐκ μόνου τοῦ περὶ ὑμᾶς μέρους καταμάθοιτε. ὁ γὰρ δήμος ὑμεῖς ἐν μὲν τοῖς πολέμοις ὑπακούετε ἐς πάντα ὡς κυρίοις τοῖς στρατηγοῖς, τὸ δὲ κῦρος τόδε ἐν τοῖς εἰρηνικοῖς ἐφ' ἡμῖν ἀντιλαμβάνετε αὐτοί, προβουλευούσης μὲν τῆς βουλῆς, ἵνα μὴ σφαλείητε, κρίνοντας δὲ αὐτοὶ καὶ ψηφίζόμενοι κατὰ φυλὰς ἢ λόχους καὶ ἀποφαίνοντες ὑπάτους τε καὶ δημάρχους καὶ στρατηγούς. ἐπὶ δὲ ταῖς χειροτονίαις καὶ τὰ μέγιστα δικάζετε, κολάζοντες ἢ τιμῶντες, ὅτε κολάσεως ἢ τιμῆς ἀξίως ἄρξαιμεν ὑμῶν. ἡ δὲ ἀντίδοσις ἦδε τὴν τε ἡγεμονίαν, ᾧ πολῖται, ἐς εὐδαιμονίαν ἄκραν ὑπερήγαγε καὶ τοὺς ἀξίους ἐτίμησε, καὶ οἱ τετιμημένοι χάριν εἶχον ὑμῖν. ἀπὸ ταύτης τῆς ἐξουσίας ὑπατον ἐποιήσασθε Σκιπίωνα, ὅτε αὐτῷ περὶ Λιβύην ἐμαρτυρήσατε· καὶ δημάρχους ἐποιεῖσθε ἀνὰ ἔτος ἕκαστον, οὓς ἐβούλεσθε, διοισομένους ἡμῖν ὑπὲρ ὑμῶν, εἰ δέοι. καὶ τί μοι καταλέγειν τὰ πολλά, ὅσα ἴστε;

[93] ἀλλ' οὐκ, ἀφ' οὗ Καῖσαρ ἐδυνάστευσεν, οὐκ ἀρχὴν τινα, οὐ στρατηγόν, οὐχ ὑπατον, οὐ δημάρχον ἐχειροτονήσατε ἔτι, οὐκ ἐμαρτυρήσατε οὐδενί, οὐκ ἀμοιβὴν εἶχετε δοῦναι μαρτυροῦντες. ἐν κεφαλαίῳ δὲ εἰπεῖν, οὐδὲ εἷς ὑμῖν χάριν ὤφειλεν, οὐκ ἀρχῆς, οὐχ ἡγεμονίας, οὐκ εὐθυνῶν, οὐ δίκης. ὁ δὲ οἰκτιστον ἀπάντων ἐγένετο, οὐδ' αὐτοῖς ἐδυνήθητε ἐπικουρῆσαι τοῖς δημάρχοις ὑμῶν ὑβρίζομένοις, ἦν τινα αἰδίδιον ὑμῶν αὐτῶν ἀρχὴν ἐστήσασθε εἶναι καὶ ἱερὰν καὶ ἄσυλον ἀπεφήνατε, ἀλλὰ καὶ τοὺς ἀσύλους εἶδετε τὴν ἀρχὴν τὴν ἄσυλον καὶ τὴν ἐσθῆτα τὴν ἱερὰν ἐς ὕβριν ἀφαιρουμένους ἀκρίτους, ἀπὸ μόνου προστάγματος, ὅτι ἔδοξαν ὑπὲρ ὑμῶν χαλεπῆναι τοῖς καὶ βασιλέα αὐτὸν ἐθέλουσι προσαγορεῦσαι. ὁ καὶ μάλιστα ἐπαχθῶς ἠνεγκεν ἡ βουλὴ δι' ὑμᾶς· ὑμετέρα γὰρ καὶ οὐ τῆς βουλῆς ἐστὶν ἡ τῶν δημάρχων ἀρχή. ἐπιμέμψασθαι δὲ σαφῶς οὐ δυναμένη τὸν ἄνδρα οὐδ' ἐς κρίσιν ἐπαγαγεῖν διὰ ἰσχὺν στρατοπέδων, ἃ καὶ αὐτά, τέως ὄντα τῆς πόλεως, ἑαυτοῦ πεποίητο ἴδια, τὸν ἔτι λοιπὸν τρόπον ἀμύνασθαι τὴν τυραννίδα ἐπενόησεν, ἐς τὸ σῶμα ἐπιβουλεύσασα.

[94] ἔδει δὲ τὴν μὲν γνώμην γενέσθαι τῶν ἀρίστων, τὸ δὲ ἔργον ὀλίγων. ἐπεὶ δὲ ἐγένετο, αὐτίκα ἡ βουλὴ τὴν κοινὴν γνώμην ἐξέφηνε, σαφῶς μὲν ὅτε καὶ γέρα τυραννοκτονικὰ ἐνηφίζοντο εἶναι· ἐπισχόντος δὲ αὐτοῦς Ἀντωνίου καθ' ὑπόκρισιν ἀταξίας καὶ οὐδ' ἡμῶν ἀξιούντων διὰ γέρα τῇ πόλει μᾶλλον ἢ δι' αὐτὴν τὴν πατρίδα βοηθεῖν, τοῦδε μὲν ἀπέσχοντο, οὐκ ἐθέλοντες ἐφυβρίζειν τῷ Καίσαρι, ἀλλὰ μόνῃς τῆς τυραννίδος ἀπηλλάχθαι, ἀμνηστίαν δὲ ἀπάντων ἐνηφίσαντο εἶναι καὶ σαφέστερον ἔτι, φόνου μὴ εἶναι δίκας. καὶ μετὰ μικρόν, Ἀντωνίου τὸ πλῆθος ἐφ' ἡμῖν δημοκοπήσαντος, ἡ βουλὴ καὶ ἀρχὰς ἐθνῶν τῶν μεγίστων καὶ ἡγεμονίας ἔδοσαν ἡμῖν καὶ γῆς ἀπέφηναν ἡγεῖσθαι πάσης ἀπὸ τοῦ Ἰονίου μέχρι Συρίας, πότερον ὡς ἐναγεῖς κολάζοντες ἢ ὡς ἀνδροφόνους πορφύρα τε ἱερᾶ καὶ ῥάβδοις καὶ πελέκεσι περικοσμοῦντες; ᾧ λόγῳ καὶ

Πομπήιον τὸν νέον, οὐδὲν μὲν ἐς ταῦτα συνειργασμένον, ὅτι δὲ μόνον Πομπηίου Μάγνου τοῦ πρώτου περὶ τῆς δημοκρατίας ἀγωνισαμένου παῖς καὶ ὅτι μικρὰ τὴν τυραννίδα ἠνώχλει λανθάνων περὶ Ἰβηρίαν, κατεκάλεσέ τε ἐκ τῆς φυγῆς καὶ τὸ τίμημα αὐτῷ τῶν πατρῶων ἐκ τῶν κοινῶν ἔκριναν ἀποδοῦναι χρημάτων καὶ θαλασσοκράτορα ἀπέφηναν, ἵνα κάκεῖνος ἀρχὴν τινα ἔχοι δημοκρατικὸς ὢν. τί δὴ πλέον ἔργον ἔτι τῆς βουλῆς ἢ σύμβολον ἐπιζητεῖτε τοῦ κατὰ γνώμην αὐτῆς πάντα πεπραχθαι, πλὴν ἢ λόγῳ μόνον ὑμῖν ἔτι ὁμολογήσαι; ὁ καὶ αὐτὸ πράξουσιν καὶ ἐροῦσιν καὶ λέγοντες ἅμα ὑμᾶς ἀμείψονται μεγάλαις δωρεαῖς, ὅταν εἰπεῖν καὶ ἀμείψασθαι δύνωνται.

[95] νῦν μὲν γὰρ ὡς ἔχουσιν, ἴστε. προγράφονται χωρὶς δίκης, καὶ τὰ ὄντα αὐτοῖς δημεύεται, καὶ κτείνονται χωρὶς καταδίκης ἐν οἰκίαις, ἐν στενωποῖς, ἐν ἱεροῖς, ὑπὸ στρατιωτῶν, ὑπὸ θεραπόντων, ὑπὸ ἐχθρῶν, ἐκ μυχῶν ἀνασπώμενοι καὶ διωκόμενοι πανταχῇ, τῶν νόμων τὸν ἐθέλοντα φεύγειν ἐόντων. ἐς δὲ τὴν ἀγοράν, ἐς ἣν οὐδενὸς πολεμίου κεφαλὴν, ἀλλὰ ὅπλα μόνον καὶ ἔμβολα νεῶν ἐφέρομεν, ὑπάτων ἄρτι καὶ στρατηγῶν καὶ δημάρχων καὶ ἀγορανόμων καὶ ἱππέων κεφαλαὶ πρόκεινται: καὶ γέρα τούτων ἐστὶ τῶν κακῶν ὠρισμένα. τοῦτο γὰρ ἐπανάστασις τίς ἐστι πάντων, ὅσα τέως ἦν ὑπουλα, καὶ ἀνδρολήψια αἰφνίδια καὶ μύση ποικίλα γυναικῶν τε καὶ υἱῶν καὶ ἀπελευθέρων καὶ οἰκετῶν. ἐς τοσοῦτον ἤδη καὶ τοὺς τρόπους ἡ πόλις ἐπιτέτριπται. καὶ τῶνδε τοῖς πονηροῖς ἡγεμόνες εἰσὶν οἱ τρεῖς ἄνδρες, αὐτοὶ πρὸ τῶν ἄλλων ἀδελφοὺς καὶ θεῖους καὶ ἐπιτρόπους προγράψαντες. λέγεται ποτε πρὸς τῶν ἀγριωτάτων βαρβάρων ἡ πόλις ἀλῶναι: καὶ οὐδενὸς ἀπέτεμνον οἱ Κελτοὶ κεφαλὰς οὐδὲ ἐνύβριζον ἀννηρημένοις οὐδὲ πολεμοῦσιν ἔτι λαθεῖν ἢ φυγεῖν ἐφθόνουν. οὐδ' αὐτοὶ πῶ πόλιν οὐδεμίαν ὣν δορὶ ἐλάβομεν, τοιαῦτα διεθήκαμεν οὐδὲ ἐτέρους ἐπυθόμεθα διαθεῖναι, οἷα νῦν οὐκ ἰδιώτις πόλις, ἀλλ' ἡγεμονίς ἀδικεῖται πρὸς τῶν αὐτὴν ἀρμόσαι καὶ διορθῶσαι τὰ κοινὰ κεχειροτονημένων. τί τοιοῦτον εἰργάσατο Ταρκύνιος; ὃν διὰ μιᾶς γυναικὸς ὕβριν, ἐξ ἔρωτος γενομένην, βασιλέα τε ὄντα ἐξέβαλον καὶ βασιλεῦσθαι διὰ ἐν ἔργον οὐκέτι ὑπέστησαν.

[96] καὶ τάδε, ὧ πολῖται, πράσσοντες οἱ τρεῖς ἡμᾶς ἐναγεῖς λέγουσι, καὶ φασὶ μὲν ἀμύνειν Καίσαρι, προγράφουσι δὲ τοὺς οὐδ' ἐπιδημοῦντας, ὅτε ἀνηρεῖτο. ὦν καὶ οἷδε εἰσὶν οἱ πλέονες, οὓς ὁρᾶτε, διὰ πλοῦτον ἢ γένος ἢ γνώμην δημοκρατικῆς διανοίας προγεγραμμένοι. ὧ λόγῳ καὶ Πομπήιος μεθ' ἡμῶν προεγράφη, πόρρω μὲν ὦν περὶ Ἰβηρίαν, ὅτε ἡμεῖς ἐδρῶμεν: ὅτι δὲ ἐστὶ δημοκρατικοῦ πατρός, διὰ τὴν αὐτὴν αἰτίαν ὑπὸ μὲν τῆς βουλῆς κατεκλήθη τε καὶ θαλασσοκράτωρ ἐγένετο, ὑπὸ δὲ τῶν τριῶν προεγράφη. τί δὲ γυναῖκες ἐπὶ Καίσαρι συνέγνωσαν αἱ ἐς ἐσφορὰς προγεγραμμέναι; τί δὲ ὁ δῆμος ὁ μέχρι δέκα μυριάδων τιμᾶσθαι τὰ ὄντα κεκελευσμένος ὑπὸ μηνύμασι καὶ ζημίαις, ὧ τέλη καινὰ καὶ ἐσφορὰς ἐπιγράφουσι; καὶ τάδε πράσσοντες οὐδ' ὧς ἀνεπλήρωσαν τοῖς στρατευομένοις σφίσι τὰς δωρεάς. ἡμεῖς δέ, οἷς ἀσεβὲς οὐδὲν εἰργασται, καὶ τὰ ἐπηγγελμένα δεδώκαμεν καὶ ἕτερα ἔτοιμα ἔχομεν ἐς ἀμοιβὰς μείζονας. οὕτως ἡμῖν καὶ τὸ δαιμόνιον, ὡς δίκαια πράσσουσι, συνεπιλαμβάνει.

[97] ἐπὶ δέ γε τῷ δαιμονίῳ καὶ τὰ πρὸς ἀνθρώπων ὁρᾶν ἔχετε, ἐς τοὺς ὑμῶν

πολίτας ἀποβλέποντες, οὓς εἶδετε μὲν στρατηγούντας ὑμῶν πολλάκις καὶ ὑπατεύοντας καὶ ἐπαινουμένους, ὁρᾶτε δὲ πρὸς ἡμᾶς ὡς εὐαγεῖς καὶ δημοκρατικούς καταπαφευγότας καὶ τὰ ἡμέτερα ἡρημένους καὶ συνενχομένους ἡμῖν ἐς τὰ λοιπὰ καὶ συναιρομένους. πολὺ γὰρ δικαιοτέρα ἡμεῖς γέρα τοῖς περισώσασιν αὐτοὺς ἐκηρύξαμεν ὢν ἐκεῖνοι τοῖς ἀναιροῦσιν: οὐδὲ ὁρῶσιν ἡμᾶς Γάιον μὲν, ὅτι ἡξίου μόνος ἄρχειν, ἀνηρηκότας, τοὺς δὲ τὴν ἐκεῖνου περιποιουμένους ἀρχὴν ὑπερορᾶν μέλλοντας καὶ μὴ ἐς ἑαυτούς, ἀλλ' ἐς τὸ μέσον τῷ δήμῳ προτιθέντας τὴν πολιτείαν κατὰ τὰ πάτρια. ὡς οὖν οὐκ ἀπὸ τῆς αὐτῆς γνώμης αἰρουμένων πολεμεῖν ἐκατέρων, ἀλλὰ τῶν μὲν ὑπὲρ δυναστείας καὶ τυραννίδος, ἣν ἐν ταῖς προγραφαῖς ἐπέδειξαν ἥδη, ἡμῶν δὲ οὐδέν, ἀλλ' ἢ μόνον ἵνα τῆς πατρίδος ἐλευθερωθείσης ἰδιωτεύοιμεν ὑπὸ τοῖς νόμοις, εἰκότως οἶδε τε οἱ ἄνδρες καὶ πρὸ τούτων οἱ θεοὶ τὰ ἡμέτερα κρίνουσι. μεγίστη δὲ ἐλπίς ἐν πολέμοις ἐστὶ τὸ δίκαιον.

[98] μῆδέ τω, εἰ Καίσαρος ἐγένετο στρατιότης, ἐπὶ νοῦν ἔτι ἴτω: οὐ γὰρ ἐκεῖνου γε ἦμεν οὐδὲ τότε, ἀλλὰ τῆς πατρίδος, οὐδ' οἱ διδόμενοι μισθοὶ καὶ δωρεαὶ Καίσαρος ἦσαν, ἀλλὰ τοῦ κοινοῦ, ἐπεὶ οὐδὲ νῦν ἐστε Κασσίου στρατὸς οὐδὲ Βρούτου μᾶλλον ἢ Ῥωμαίων: ἡμεῖς δ' ἐσμέν ὑμῖν συστρατιῶται, Ῥωμαίων στρατηγοί. καὶ εἰ τόδε καὶ οἱ πολεμοῦντες ἡμῖν ἐφρόνουν, ἐνῆν ἀκινδύνως ἅπασιν τὰ ὅπλα καταθέσθαι καὶ τοὺς στρατοὺς πάντα ἀποδοῦναι τῇ πόλει, κάκείνην ἐλέσθαι τὰ συνοίσοντα: καὶ εἰ δέχονται ταῦτα, προκαλούμεθα. ἐπεὶ δὲ οὐ δέχονται, οὐδ' ἂν δέξαιτο ἔτι διὰ τὰς προγραφὰς καὶ ὅσα ἄλλα ἔδρασαν, ἴωμεν, ὧς συστρατιῶται, μετὰ τε πίστεως ὑγιούς καὶ προθυμίας ἀδόλου στρατευσόμενοι Ῥωμαίων τῇ τε βουλῇ καὶ τῷ δήμῳ μόνοις ὑπὲρ ἐλευθερίας.

[99] ἀναβοησάντων δὲ πάντων ἴωμεν' καὶ εὐθὺς ἄγειν ἀξιούντων, ἦσθεις ὁ Κασσιος τῇ προθυμίᾳ κατεκήρυξεν αὐθις σιωπὴν καὶ αὐθις ἔλεγε:

θεοὶ μὲν, ὅσοι πολέμων δικαίων δεσπότης, τῆς πίστεως ὑμᾶς, ὧς συστρατιῶται, καὶ προθυμίας ἀμείβοιντο: τὰ δ' ἐς ἀνθρωπίνην στρατηγῶν πρόνοιαν ὅτι καὶ πλεόνα καὶ ἀμείνονά ἐστιν ἡμῖν ἢ τοῖς πολεμίοις, μάθετε οὕτως. τέλη μὲν ὀπλιτῶν ἴσα αὐτοῖς ἀντεπάγομεν, πολλὰ καὶ ἐπὶ τῶν χρεῶν ἄλλα πολλαχοῦ καταλιπόντες: ἱππεῦσι δὲ καὶ ναυσὶ πολὺ πλούχομεν καὶ συμμάχοις βασιλευσὶ τε καὶ ἔθνεσι τοῖς μέχρι Μήδων καὶ Παρθυαίων. καὶ ἡμῖν μὲν ἐκ μετώπου μόνον εἰσὶ πολέμοι, ἡμεῖς δ' αὐτῶν καὶ κατὰ νότου Πομπήϊόν τε ὁμογνώμονα ἡμῖν ἔχομεν ἐν Σικελίᾳ, καὶ Μούρκος ἐν τῷ Ἰονίῳ καὶ Ἀγνόβαρβος στόλῳ πολλῷ καὶ ὑπηρεσίᾳ δαψιλεῖ καὶ δύο τέλεσι στρατοῦ καὶ τοξόταις αἰεὶ διαπλέοντες ἐνοχλοῦσι πολλὰ, καθαρευούσης πολεμίων ἡμῖν τῆς ὀπισθεν γῆς καὶ θαλάσσης. χρήματά γε μὴν, ἃ τινες καλοῦσι νεῦρα πολέμου, τοῖς μὲν οὐκ ἔστιν, οὐδ' ἀπέδωκάν πω τὰ ὑπεσχημένα τῷ στρατῷ, οὐδὲ κατὰ δόξαν ἀπήντησε τὰ τῶν προγραφῶν, οὐδενὸς τῶν ἐπιεικῶν ὠνουμένου χωρία ἐπίφθονα: οὐδ' ἐτέρωθεν εὐποροῦσι, τετρυμένης στάσεσι καὶ ἐσφοραῖς καὶ προγραφαῖς τῆς Ἰταλίας. ἡμῖν δὲ ἐκ πολλῆς φροντίδος καὶ τὰ παρόντα ἐστὶ δαψιλῇ, ὡς αὐτίκα ὑμῖν ἄλλα χαρίσασθαι, καὶ ἕτερα πολλὰ ἐπὶ τούτοις ἀπὸ τῶν ὀπισθεν ἐθνῶν προσοδεύεται συμπερόμενα.

[100] τροφαὶ δέ, ὃ δυσπορώτατόν ἐστι στρατοῖς μεγάλοις, ἐκείνοις μὲν οὐκ

[101] ταῦτα εἰπὼν καὶ παρασκευάσας τὸν στρατὸν ἔργῳ καὶ λόγῳ καὶ δωρεαῖς διέλυε τὴν ἐκκλησίαν. οἱ δὲ ἐπιμένοντες ἐπὶ πλεῖστον αὐτόν τε καὶ Βροῦτον καὶ περὶ σφῶν, ὅσα εἰκὸς ἦν, ὑπισχυοῦντο. οἱ δὲ αὐτοῖς τὴν δωρεὰν αὐτίκα διηρίθμουν καὶ ἕτερα ὑπὲρ αὐτὴν κατὰ προφάσεις πολλὰς τοῖς ἀρίστοις. τοὺς δὲ λαμβάνοντας αἰεὶ κατὰ μέρη προαπέλουν, ἐς Δορίσκον, καὶ αὐτοὶ μετ' ὀλίγον ἐφείποντο. δύο δὲ ἀετοὶ καταπτάντες ἐς τῶν σημείων δύο αἰετοὺς ἀπ' ἀργύρου πεπονημένους, ἐκόλαπτον αὐτοὺς ἥ, ὥς ἐτέροις δοκεῖ, περιέσκεπον· καὶ παρέμενον δημοσίας τε τροφῆς ὑπὸ τῶν στρατηγῶν ἡξιοῦντο, μέχρι πρὸ μιᾶς τῆς μάχης ἡμέρας ἀπέπησαν. δύο δ' ἡμέραις τὸν Μέλανα κόλπον περιοδεύσαντες ἐς Αἶνον ἀφίκοντο καὶ ἐπὶ Αἶνῳ Δορίσκον τε καὶ ὅσα ἄλλα μέχρι Σερρείου ὅρους παράλια.

[102] τοῦ δὲ Σερρείου προύχοντος ἐς τὸ πέλαγος, αὐτοὶ μὲν ἐς τὰ μεσόγαια ἀνεχώρουν, Τίλλιον δὲ Κίμβρον μετὰ τοῦ ναυτικοῦ καὶ τέλους ὀπλιτῶν ἑνὸς καὶ τοξοτῶν τινῶν τὴν ἄκτὴν περιπλεῖν ἔπεμπον, ἥ πάλαι μὲν ἦν ἐρημοτάτη, καίπερ εὐγεῶς οὔσα, τῶν Θρακῶν οὔτε θαλάσσης χρωμένων οὔτε ἐς τὰ παράλια κατιόντων ὑπὸ δέους τῶν ἐπιπλεόντων· Ἑλλήνων δ' αὐτὴν ἐτέρων τε καὶ Χαλκιδέων καταλαβόντων καὶ θαλάσσης χρωμένων, ἦνθι ταῖς ἐμπορίαις καὶ γεωργίαις, χαιρόντων σφίσι καὶ τῶν Θρακῶν διὰ τὴν τῶν ὥραίων ἄμειψιν, μέχρι Φίλιππος ὁ Ἀμύντου τοὺς τε ἄλλους καὶ Χαλκιδέας ἀνέστησεν, ὥς μηδὲν ἔτι πλὴν οἰκόπεδα μόνον ἱερῶν ὁρᾶσθαι. τήνδε οὖν τὴν ἄκτὴν αὖθις ἔρημον οὔσαν ὁ Τίλλιος παραπλέων, ὥς οἱ πρὸς τῶν ἀμφὶ τὸν Βροῦτον εἴρητο, στρατοπέδοις ἐπιτήδεια χωρία ἀνεμέτρει καὶ διέγραφε καὶ ταῖς ναυσὶ κατὰ μέρη πρόσπλουν, ἵν' οἱ περὶ τὸν Νωρβανόν, ὥς ἀχρεῖον ἔτι τὸ τηρεῖν, τὰ στενὰ ἐκλείπειν. καὶ ἐγένετο μὲν ὥς προσεδόκησαν· ὑπὸ γὰρ τῆς φαντασίας τῶν νεῶν Νωρβανὸς ἐπὶ τῶν Σαπαίων στενῶν ἐθορυβήθη καὶ ἐκάλει Δεκίδιον ἐκ τῶν Κορπίλων κατὰ σπουδὴν ἐπικουρεῖν οἱ. καὶ ἐπεκούρει, τὰ δὲ τῶν Κορπίλων στενὰ ἐκλειφθέντα οἱ περὶ τὸν Βροῦτον διώδευον.

[103] ἐκφανείσης δὲ τῆς ἐνέδρας ὁ Νωρβανὸς καὶ ὁ Δεκίδιος τὰ Σαπαίων

[104] προπέμπουσιν οὖν μέρος, Λευκίῳ Βύβλῳ παραδόντες, ὁδοποιεῖν μετὰ τοῦ Ῥασκουπόλιδος. οἱ δ' ἐπιμόχθως μὲν, ὅμως δὲ ἔπραττον αὐτὸ μετὰ ὀρμῆς καὶ προθυμίας, καὶ μᾶλλον, ἐπεὶ τινες αὐτοῖς προπεμφθέντες ἐπανῆλθον, ἰδεῖν τὸν ποταμὸν ἐξ ἀπόπτου λέγοντες. τῇ δὲ τετάρτῃ κάμνοντες ὑπὸ τε κόπου καὶ δίψους, ἐπιλιπόντος ἤδη τι καὶ τοῦ ὕδατος, ὃ ἐπήγοντο, ἀνέφερον, ὅτι τριήμερόν σφισι τὸ ἄνυδρον ἐλέγετο εἶναι, καὶ ἐν φόβῳ πανικῶ περὶ ἐνέδρας ἐγίγνοντο, οὐκ ἀπιστοῦντες μὲν τοῖς προπεμφθεῖσι τὸν ποταμὸν ἰδεῖν, ἡγούμενοι δὲ ἐτέραν ἄγεσθαι. καὶ ἀθύμουν καὶ ἐβίων καὶ τὸν Ῥασκούπολιν, ὅτε ἴδοιεν περιθέοντα καὶ παρακαλοῦντα, ἐλοιδόρουν καὶ ἐβαλλον. Βύβλου δὲ αὐτοὺς ἱκετεύοντος ἐκπονήσαι τὰ λοιπὰ μετ' εὐφημίας, ὃ ποταμὸς περὶ ἐσπέραν ἑωρᾶτο τοῖς πρώτοις· καὶ βοῆς, ὥς εἰκός, λαμπρᾶς ἐπὶ τῇ χαρᾷ γενομένης, ἡ βοή, μεταλαμβάνόντων αὐτὴν τῶν κατόπιν ἐξῆς, ἐπὶ τοὺς ὑστάτους περιήει. Βροῦτος δὲ καὶ Κάσσιος ἐπεὶ ἔμαθον, ἴεντο αὐτίκα δρόμῳ, διὰ τῆς τετμημένης τὸν ἄλλον στρατὸν ἄγοντες. οὐ μὴν ἔλαθόν γε τοὺς πολεμίους ἐς· τέλος οὐδὲ περιέλαβον αὐτούς· ὁ γάρ τοι Ῥάσκος, ὁ ἀδελφὸς τοῦ Ῥασκουπόλιδος, ἐκ τῆς βοῆς ὑπονόησας ἐσκέψατο καὶ τὸ γιγνόμενον ἰδὼν ἐθαύμασε μὲν ὁδὸν ἄνυδρον ἐλθόντος στρατοῦ τοσοῦδε, ἦν οὐδὲ θηρίον ᾤετο ὁδεύσειν διὰ τοιαύδε ὕλης, καὶ ἀνήγγειλε τοῖς ἀμφὶ τὸν Νωρβανόν· οἱ δὲ νυκτὸς ἔφευγον ἐκ τῶν Σαπαίων ἐπ' Ἀμφιπόλεως. καὶ οἱ Θρᾶκες ἅμφω διὰ στόματος ἦσαν ἐν τοῖς στρατοῖς, ὁ μὲν ἀγνωομένην ἀγαγών, ὁ δ' οὐκ ἀγνοήσας.

[105] οἱ δ' ἀμφὶ τὸν Βροῦτον ἐκ παραλόγου τόλμης ἐς Φιλίππους παρήλθον, ἔνθα αὐτοῖς καὶ ὁ Τίλλιος ἐπικατήχθη καὶ πᾶς ὁ στρατὸς συνεληλύθει. οἱ δὲ Φίλιπποι πόλις ἐστίν, ἡ Δάτος ὠνομάζετο πάλαι καὶ Κρηνίδες ἔτι πρὸ Δάτου· κρῆναι γάρ εἰσι περὶ τῷ λόφῳ ναμάτων πολλάι. Φίλιππος δὲ ὥς εὐφυὲς ἐπὶ Θράκης χωρίον ὠχύρωσέ τε καὶ ἀφ' ἑαυτοῦ Φιλίππους προσεῖπεν. ἔστι δὲ ἡ πόλις ἐπὶ λόφῳ περικρήμνου, τοσαύτη τὸ μέγεθος, ὅσον ἐστὶ τοῦ λόφου τὸ εὖρος. ἔχει δὲ πρὸς μὲν ἄρκτῳ δρυμούς, δι' ὧν ὁ Ῥασκούπολις ἤγαγε τοὺς ἀμφὶ τὸν Βροῦτον· πρὸς δὲ τῇ μεσημβρίᾳ ἔλος ἔστι καὶ θάλασσα μετ' αὐτό, κατὰ δὲ τὴν ἑὴν τὰ στενὰ τὰ Σαπαίων τε καὶ Κορπίλων, ἐκ δὲ τῆς δύσεως πεδῖον μέχρι Μυρκίνου τε καὶ Δραβήσκου καὶ ποταμοῦ Στρυμόνος, τριακοσίων πού καὶ πεντήκοντα σταδίων, εὐφορον πάνυ καὶ καλόν, ἔνθα καὶ

τὸ πάθος τῇ Κόρῃ φασὶν ἀνθιζομένη γενέσθαι, καὶ ποταμὸς ἔστι Ζυγάκτης, ἐν ᾧ τοῦ θεοῦ περῶντος τὸ ἄρμα τὸν ζυγὸν ἄσαι λέγουσι καὶ τῷ ποταμῷ γενέσθαι τὸ ὄνομα. κατωφερὲς δ' ἐστὶ τὸ πεδίον, ὥς ἐπιδέξιον μὲν εἶναι τοῖς ἄνωθεν ὀρμῶσιν ἐκ τῶν Φιλίππων, ἄναντες δὲ τοῖς ἐξ Ἀμφιπόλεως βιαζομένοις.

[106] Φιλίππων μὲν οὖν ἐστὶν ἕτερος λόφος οὐ μακράν, ὃν Διονύσου λέγουσιν, ἐν ᾧ καὶ τὰ χρυσεῖα ἔστι τὰ Ἄσυλα καλούμενα. ἀπὸ δὲ τούτου δέκα σταδίου προελθόντι δύο εἰσὶν ἄλλοι λόφοι, Φιλίππων μὲν αὐτῶν ὅσον ὀκτωκαίδεκα σταδίου ἀφεστῶτες, ἀλλήλων δὲ ὅσον ὀκτώ, ἐν οἷς ἐστρατοπέδευσαν, Κάσσιος μὲν ἐπὶ τοῦ πρὸς μεσημβρίαν, Βροῦτος δὲ ἐπὶ τοῦ βορείου. καὶ τῶν ἀμφὶ τὸν Νωρβανὸν ὑποχωρούντων οὐκέτι προήεσαν: Ἀντώνιον τε γὰρ ἐπυνθάνοντο πλησιάζειν, Καίσαρος ὑπολελειμμένου διὰ νόσον ἐν Ἐπιδάμνῳ, καὶ τὸ πεδίον ἦν ἐναγωνίσασθαι καλὸν καὶ οἱ κρημοὶ στρατοπεδεῦσαι. τὰ γὰρ ἐκατέρωθεν αὐτῶν, τῇ μὲν ἦν ἔλη καὶ λίμναι μέχρι τοῦ Στρυμόνος, τῇ δὲ τὰ στενὰ καὶ ἀτριβῇ καὶ ἀνόδευτα: τὸ δὲ μέσον τῶν λόφων, τὰ ὀκτὼ στάδια, δίοδος ἦν ἐς τὴν Ἀσίαν τε καὶ Εὐρώπην καθάπερ πύλαι, καὶ αὐτὰ διετείχισαν ἀπὸ χάρακος ἐς χάρακα καὶ πύλας ἐν μέσῳ κατέλιπον, ὥς ἐν εἶναι τὰ δύο στρατόπεδα. ἦν δὲ καὶ παρ' αὐτὸ ποταμός, ὃν Γάγγαν τινές, οἱ δὲ Γαγγίτην λέγουσι, καὶ θάλασσα ὀπισθεν, ἐν ἣ καὶ τὰ ταμιεῖα καὶ ἐνορμίσματα ἔμελλον ἔξειν. Θάσον μὲν δὴ ταμιεῖον, ἀπὸ ἑκατὸν σταδίων οὔσαν, ἐτίθεντο, ἐνόρμισμα δὲ ταῖς τριήρεσι Νέαν πόλιν, ἀπὸ ἑβδομήκοντα σταδίων.

[107] οἱ μὲν δὴ χαίροντες τῷ χωρίῳ τὰ στρατόπεδα ὠχύρουν, Ἀντώνιος δὲ ὤδευε μὲν σὺν τῷ στρατῷ μετ' ἐπείξεως, τὴν Ἀμφίπολιν ἐθέλων ἐς τὴν ὑπηρεσίαν τῆς μάχης προλαβεῖν, ὥς δὲ αὐτὴν εὗρεν ὠχυρωμένην οἱ πρὸς τῶν ἀμφὶ τὸν Νωρβανόν, ἦσθη καὶ τὴν παρασκευὴν ἐν αὐτῇ κατέλιπε μεθ' ἑνὸς τέλους, οὗ Πινάριος ἠγεῖτο, αὐτὸς δὲ μάλα θρασέως πολὺ προελθὼν ἐστρατοπέδευεν ἐν τῷ πεδίῳ, σταδίους ὀκτὼ μόνους ἀποσχὼν ἀπὸ τῶν πολεμίων. καὶ εὐθὺς ἦν κατάδηλος ἡ τῶν στρατοπέδων ἐλάττωσις τε καὶ πλεονεξία. οἱ μὲν γὰρ ἦσαν ἐπὶ κολωνῷ, οἱ δὲ ἐν πεδίῳ, καὶ οἱ μὲν ἐξυλεύοντο ἀπὸ τῶν ὀρῶν, οἱ δ' ἀπὸ τοῦ ἔλους: καὶ ὑδρεύοντο οἱ μὲν ἐκ ποταμοῦ, οἱ δὲ ἐκ φρεάτων ὧν αὐτίκα ὠρῶρύχισαν: τὴν τε ἀγορὰν οἱ μὲν ἀπ' ὀλίγων σταδίων ἐπήγοντο ἐκ Θάσου, οἱ δὲ ἀπὸ πεντήκοντα καὶ τριακοσίων ἐξ Ἀμφιπόλεως. ἐδόκει γε μὴν ἐξ ἀνάγκης ὁ Ἀντώνιος ὧδε πρᾶξαι, κολωνοῦ μὲν οὐδενὸς ὄντος ἐτέρου, τὸ δ' ἄλλο πεδίον οἷα κοιλότερον ἐκλιμνάζοντος ἐνίστε τοῦ ποταμοῦ: παρ' ὃ καὶ τὰς πηγὰς τῶν ὀρυσσομένων φρεάτων γλυκείας τε καὶ δαψιλοὺς ὕδατος εὗρισκε. τὸ γε μὴν τόλμημα, εἰ καὶ ἐξ ἀπορίας ἐγένετο, κατέπληρσε τοὺς πολεμίους, ἐγγὺς οὕτω καὶ εὐθὺς ἐξ ἐφόδου σὺν καταφρονήσει παραστρατοπεδεύσαντος. φρουρία τε ἡγεῖρε πολλὰ καὶ πάντα κατὰ σπουδὴν ὠχύρου τάφροις καὶ τείχεσι καὶ χαρακώμασιν. ὠχύρουν δὲ καὶ οἱ πολέμιοι, ὅσα αὐτοῖς ἐνέλειπεν. ὁ δὲ Κάσσιος τὴν ὀρμὴν τοῦ Ἀντωνίου μανιώδη οὔσαν ὀρῶν διετείχιζεν, ὃ ἔτι μόνον αὐτοῖς ἔλειπεν ἐς τὸ ἔλος ἀπὸ τοῦ στρατοπέδου, διὰ στενότητα ὑπεροφθέν, ὥς μηδὲν ἔτι ἀτειχίστον εἶναι πλὴν κατὰ πλευρὰς Βρούτῳ μὲν τὰ ἀπόκρημνα, Κασσίῳ δὲ τὸ ἔλος καὶ τὴν

θάλασσαν ἐπὶ τῷ ἔλει· τὰ δὲ ἐν μέσῳ πάντα διείληπτο τάφρῳ καὶ χάρακι καὶ τείχει καὶ πύλαις.

[108] οὕτω μὲν ὠχυροῦντο αὐτῶν ἑκάτεροι καὶ ἐν τοσούτῳ μόνοις ἵππεῦσι καὶ ἀκροβολισμοῖς ἐπειρῶντο ἀλλήλων. ὥς δὲ ἐξείργαστο πάντα, ὅσα ἐπενόουν, καὶ ὁ Καῖσαρ ἀφῖκτο, οὕπῳ μὲν ἐρρωμένος ἐς μάχην, φορεῖν δὲ ἐπὶ τὰς συντάξεις τοῦ στρατοῦ κομιζόμενος, οἱ μὲν ἀμφὶ τὸν Καῖσαρα εὐθὺς ἐξέτασσαν ἐς μάχην, οἱ δ' ἀμφὶ τὸν Βροῦτον ἀντεξέτασσαν μὲν ἐπὶ τῶν ὑψηλοτέρων, οὐ κατήεσαν δέ· οὐ γὰρ ἐγνώκεσαν ἐς τὴν μάχην ἐπείγεσθαι, ταῖς ἀγοραῖς ἐλπίζοντες ἐκτρύσειν τοὺς πολεμίους. ἦν δὲ τὰ μὲν περὶ ἑκατέρους ἐννεακαίδεκα ὀπλιτῶν τέλη, τοῖς μὲν ἀμφὶ τὸν Βροῦτον ἐνδέοντα τοῖς ἀριθμοῖς, τοῖς δ' ἀμφὶ τὸν Καῖσαρα καὶ ἐπλεόναζον ἐκατέρωθεν· ἵππεις δὲ ἅμα τοῖς ἐκατέρων Θρακίοις ἦσαν Καῖσαρι μὲν καὶ Ἀντωνίῳ μύριοι καὶ τρισχίλιοι, Βρούτῳ δὲ καὶ Κασσίῳ δισμύριοι. ὥστε πλήθει μὲν ἀνδρῶν καὶ θράσει καὶ ἀρετῇ στρατηγῶν καὶ ὅπλοις καὶ παρασκευῇ λαμπροτάτην ἐκατέρων παράταξιν ὀφθῆναι, ἄπρακτον δὲ ἐς πολλὰς ἡμέρας, οὐκ ἐθέλόντων συμπλέκεσθαι τῶν ἀμφὶ τὸν Βροῦτον, ἀλλὰ ταῖς ἀγοραῖς προεκτρύχειν τοὺς πολεμίους, αὐτοὶ μὲν ἔχοντες Ἀσίαν χορηγὸν καὶ ἐξ ἐγγίονος πάντα διὰ θαλάσσης ποριζόμενοι, τοῖς δὲ πολεμίοις οὐδὲν ὄν δαυιλὲς οὐδὲ οἰκεῖον· οὔτε γὰρ τι δι' ἐμπορῶν ἀπ' Αἰγύπτου λαβεῖν εἶχον, ὑπὸ λιμοῦ τῆς χώρας δεδαπανημένης, οὔτε ἐξ Ἰβηρίας ἢ Λιβύης διὰ Πομπήιον οὔτε ἐκ τῆς Ἰταλίας διὰ Μοῦρκον καὶ Δομίτιον. οὐκ ἐς πολὺ δ' αὐτοῖς ἔμελλον ἀρκέσειν Μακεδονία τε καὶ Θεσσαλία, μόναι σφίσιν ἐν τῷ τότε χορηγοῦσαι.

[109] ὣν οἱ μὲν ἀμφὶ τὸν Βροῦτον ἐνθυμούμενοι μάλιστα διέτριβον· ὁ δὲ Ἀντώνιος αὐτὰ δεδιὼς ἔγνω βιάσασθαι τοὺς ἄνδρας ἐς μάχην καὶ ἐπενόησεν, εἰ δύναίτο βάσιμον τὸ ἔλος ἐργάσασθαι λαθῶν, ἵνα κατόπιν τῶν ἐχθρῶν ἔτι ἀγνοούντων γενόμενος τὴν ἀγορὰν σφᾶς ἀφέλοιτο τὴν ἀπὸ τῆς Θάσου κομιζομένην. ἐκτάσσαν οὖν αὐθις ἐκάστοτε ἐς μάχην τὰ σημεῖα τοῦ στρατοῦ πάντα, ἵνα ὅλος ἐκτετάχθαι νομίζοιτο, μέρει τινὶ νυκτὸς τε καὶ ἡμέρας ἔκοπτεν ἐν τῷ ἔλει δίοδον στενὴν, κείρων τε τὸν δόνακα καὶ χῶμα ἐπιβάλλων καὶ λίθους ἐκατέρωθεν, ἵνα μὴ τὸ χῶμα διαπίπτει, τὰ δὲ βαθέα διεσταύρου καὶ ἐγεφύρου μετὰ σιωπῆς βαθυτάτης. ἀφῆρητο δὲ τὴν ὄψιν τοῦ ἔργου τοὺς πολεμίους ὁ πεφυκὼς ἔτι δόναξ ἀμφὶ τῇ διόδῳ. δέκα δ' ἡμέρας ἐργασάμενος ὧδε ἐσέπεμψε λόχους ὀρθίους νυκτὸς ἄφνω καὶ τὰ ἐρυμνὰ τῶν ἐντὸς κατέλαβε καὶ ἐχαράκωσε φρούρια ὁμοῦ πολλά. ὁ δὲ Κάσσιος κατεπλάγη μὲν τοῦ ἔργου τὴν ἐπίνοιάν τε καὶ κλοπὴν, ἀντεπινοῶν δὲ ἀποτεμέσθαι τὰ φρούρια τὸν Ἀντώνιον, διετείχιζε καὶ αὐτὸς ἐπικάρσιον τὸ ἔλος ἅπαν, ἀρχόμενον ἀπὸ τοῦ στρατοπέδου μέχρι τῆς θαλάσσης, κόπτων ὁμοίως καὶ γεφυρῶν καὶ τὸν χάρακα τοῖς στεριφώμασιν ἐπιτιθεῖς καὶ τὴν ὑπὸ Ἀντωνίου γεγεννημένην δίοδον ἀπολαμβάνων, ἵνα μήτε ἐκδραμεῖν ἐς αὐτὸν οἱ ἐνδον ἔτι δυνηθεῖεν μήτε ἐκεῖνος αὐτοῖς ἐπιβοηθεῖν.

[110] ταῦτα δὲ ὁ Ἀντώνιος ἰδὼν περὶ μεσημβρίαν, ὥς εἶχεν, αὐτίκα σὺν ὁρμῇ τε καὶ ὀργῇ τὸν στρατὸν τὸν ἴδιον, ἐπὶ θάτερα τεταγμένον, ἦγεν ἐπιστρέφων εἰς τὸ διατείχισμα τοῦ Κασσίου, μεταξὺ τοῦ ἔλους καὶ τοῦ στρατοπέδου, σιδήρια φέρων καὶ κλίμακας, ὥς ἐξελὼν αὐτὸ καὶ παροδεύσων ἐς τὸ τοῦ

Κασσίου στρατόπεδον. γιγνομένου δὲ αὐτῷ τοῦ δρόμου σὺν τόλμῃ πλαγίου τε καὶ πρὸς ἄναντες, κατ' αὐτὸ δὴ τὸ μεταίχμιον τῶν στρατιῶν ἐκατέρων, περιήλγησαν οἱ τοῦ Βρούτου στρατιῶται ἐπὶ τῇ ὕβρει, ὧδε μάλα θρασέως αὐτοὺς ὄντας ἐνόπλους ἐχθρῶν διαθεόντων, καὶ ἐπέδραμον αὐτοῖς αὐτοκέλευστοι πρό τινος ἐκ τῶν ἡγεμόνων ἐπιτάγματος καὶ ἔκτεινον οἷα πλαγίους ἀθρόως, οὓς καταλάβοιεν. ἀρξάμενοι δ' ἅπαξ ἔργου καὶ τῷ Καίσαρος στρατῷ τεταγμένῳ μάλιστα κατὰ σφᾶς ἐπέδραμον καὶ τρέψαντες ἐδίωκον, μέχρι καὶ τὸ στρατόπεδον ἐξεῖλον, ὃ κοινὸν ἦν Ἀντωνίῳ τε καὶ Καίσαρι, Καίσαρος αὐτοῦ δι' ἐνύπνιον ἔνδον οὐκ ὄντος, ἀλλὰ φυλαξαμένου τὴν ἡμέραν, ὡς αὐτὸς ἐν τοῖς ὑπομνήμασιν ἔγραπεν.

[111] ὁ δὲ Ἀντώνιος ὁρῶν τὴν μάχην συνερρωγυῖαν ἦσθη μὲν ὡς ἀναγκάσας ἅπαν γὰρ ἐπὶ ταῖς ἀγοραῖς ἐδεδιεί, ἀναστρέφειν δὲ εἰς τὸ πεδίον οὐκ ἔκρινεν, μὴ τὴν φάλαγγα ἀνελίσσων ταράξειεν, ὡς ἀρξάμενος δ' εἶχεν ὁρμῆς, ἐχρεῖτο δρόμῳ καὶ ἀνέβαινε, βαλλόμενός τε καὶ χαλεπῶς, μέχρι βιαζόμενος ἐνέκυρσε τῇ φάλαγγι τῇ Κασσίου, τὴν τάξιν τὴν δεδομένην φυλασσούσῃ καὶ τὸ γιγνόμενον ὡς ἄλογον καταπεπληγμένη. ῥήξας δ' αὐτὴν ὑπὸ τόλμης ἐπὶ τὸ διατείχισμα ὥρμα, τὸ μεταξὺ τοῦ τε ἔλους καὶ τοῦ στρατοπέδου, τὸν τε χάρακα ἀνασπῶν καὶ τὴν τάφρον ἐγχωννὺς καὶ τὸ οἰκοδόμημα ὑπορύσσων καὶ τοὺς ἐν ταῖς πύλαις καταφονεύων καὶ τὰ ἐπιπίπτοντα ἐκ τοῦ τείχους ὑπομένων, ἕως αὐτὸς μὲν ἐσήλατο διὰ τῶν πυλῶν ἔνδον, ἕτεροι δὲ ταῖς ὑπωρυχίαις ἐσήλθον, οἱ δὲ καὶ τοῖς πεπτωκόσιν ἐπανεβάνον. καὶ πάντα οὕτως ἐγίνετο ὁξέως, ὥστε τοῖς τὸ ἔλος ἐργαζομένοις ἐπιβοηθοῦσιν ὑπήντων ἐλόντες ἤδη τὸ διατείχισμα. τρεψάμενοι δὲ καὶ τούσδε σὺν ὁρμῇ βιαίῳ καὶ ἐς τὸ ἔλος κατώσαντες ἐπανήσαν ἐς αὐτὸ ἤδη τὸ στρατόπεδον τοῦ Κασσίου, μόνον σὺν τῷ Ἀντωνίῳ, ὅσοι τὸ διατείχισμα ὑπερῆλθον, τοῦ ἄλλου πλήθους, ἐκατέρων ἐκτὸς ἀλλήλοις μαχομένου.

[112] τὸ δὲ στρατόπεδον ὡς ἐρυμνὸν ὀλίγοι πάμπαν ἐφύλασσον: ὅθεν αὐτῶν εὐμαρῶς ἐκράτησεν ὁ Ἀντώνιος. ἤδη δὲ καὶ ἔξω τοῦ Κασσίου στρατός ἦσθαι καὶ τὴν κατάληψιν ἰδὼν τοῦ στρατοπέδου διεσκίδνατο ἀκόσμως. καὶ τὸ ἔργον ἦν ἐντελὲς ἐκατέροις καὶ ὅμοιον: Βρούτος τε γὰρ τὸ λαιὸν τῶν πολεμίων ἐτέτραπτο καὶ τὸ στρατοπεδον ἠρήκει, Ἀντώνιος τε Κασσίου κρατῶν σὺν ἀμυγᾶν τὴν τόλμῃ τὸ στρατόπεδον ἐπόρθει. φόνος τε ἦν ἐκατέρων ποικίλος: ὑπὸ δὲ μεγέθους πεδίου τε καὶ κονιορτοῦ τὰ ἀλλήλων ἠγνόουν, μέχρι ποτὲ ἐπύθοντο καὶ τοὺς λοιποὺς ἀνεκάλουν. οἱ δὲ ἐπανήσαν, ἀχθοφόροις ἐοικότες μᾶλλον ἢ στρατιώταις: καὶ οὐδὲ τότε ἀλλήλων ἠσθάνοντο οὐδὲ καθεώρων, ἐπεὶ ῥίψαντές γε, ὅσα ἔφερον, οἱ ἕτεροι μέγα ἂν εἰργάσαντο κατὰ τῶν ἐτέρων, ἀσυντάκτως ὧδε ἀχθοφορούντων. τὸν δ' ἀριθμὸν τῶν ἀποθανόντων εἰκάζουσι τῶν μὲν ἀμφὶ τὸν Κάσσιον ἐς ὀκτακισχιλίους σὺν τοῖς παρασπίζουσι θεράπουσι γενέσθαι, τῶν δ' ἀμφὶ τὸν Καίσαρα διπλασίονα.

[113] Κάσσιος δὲ ἐξ οὗ τῶν διατειχισμάτων ἐξέωστο καὶ οὐδὲ ἐσελθεῖν ἔτι εἶχεν ἐς τὸ στρατόπεδον, ἀνέδραμεν ἐς τὸν Φιλίππων λόφον καὶ τὰ γιγνόμενα ἐφεώρα. οὐκ ἀκριβῶς δὲ αὐτὰ διὰ τὸν κονιορτὸν οὐδὲ πάντα ὁρῶν, ἀλλ' ἢ τὸ στρατόπεδον ἑαυτοῦ μόνον εἰλημμένον, ἐκέλευσε Πινδάρῳ τῷ ὑπασπιστῇ

προσπεσεῖν οἱ καὶ διαφθεῖραι. διαμέλλοντος δ' ἔτι τοῦ Πινδάρου προσέθει τις ἀγγέλλων Βροῦτον ἐπὶ θάτερα νικᾶν καὶ τὸ στρατόπεδον τῶν πολεμίων πορθεῖν. ὁ δὲ τούτῳ μὲν τοσόνδε ἀπεκρίνατο: 'νικῆς, λέγε αὐτῷ, παντελεῖ νίκην,' ἐς δὲ τὸν Πίνδαρον ἐπιστραφεὶς, 'τί βραδύνεις;' ἔφη, 'τί τῆς ἐμῆς αἰσχύνης με οὐκ ἀπαλλάσσεις;' Πίνδαρος μὲν δὴ δεσπότην, ὑπέχοντα τὴν σφαγὴν, διεχρήσατο. καὶ τισιν οὕτως ἀποθανεῖν δοκεῖ Κάσσιον. ἕτεροι δὲ αὐτὸν οἴονται, προσιόντων ἐς εὐαγγέλιον ἱππέων Βρούτου, νομίσαντα εἶναι πολεμίους, πέμψαι τὸ ἀκριβὲς εἰσόμενον Τιτίνιον: τὸν δὲ τῶν ἱππέων ὡς Κασσίου φίλον περισχόντων τε σὺν ἡδονῇ καὶ ἐπὶ τῷδε καὶ ἀλαλαζάντων μέγα, τὸν Κάσσιον ἡγούμενον ἐς ἐχθροὺς ἐμπεσεῖν Τιτίνιον τοῦτο φάναι: 'περιεμένομεν φίλον ἀρπαζόμενον ἰδεῖν,' καὶ ἔς τινα σκηνὴν ὑποχωρήσαι μετὰ τοῦ Πινδάρου καὶ τὸν Πίνδαρον οὐκέτι φανῆναι. διὸ καὶ νομίζουσί τινες οὕτω κεκελευσμένον ἐργάσασθαι.

Κασσίῳ μὲν δὴ τέλος ἦν τοῦ βίου κατὰ τὴν αὐτοῦ Κασσίου γενέθλιον ἡμέραν, ὧδε τῆς μάχης γενέσθαι συμπεσοῦσης, καὶ Τιτίνιος ὡς βραδύνας ἑαυτὸν ἔκτεινε: [114] Βρούτος δὲ Κασσίου τὸν νέκυν περικλαίων, ἀνεκάλει τελευταῖον ἄνδρα Ῥωμαίων, ὡς οὐ τινος ἔτι τοιοῦδε ἐς ἀρετὴν ἐσομένου, ταχυεργίας τε αὐτῷ καὶ προπετείας ἐνεκάλει καὶ ἐμακάριζεν ὁμοῦ φροντίδων καὶ ἀνίας ἀπηλλαγμένον, αἱ Βροῦτον ἐς ποῖον ἄρα τέλος ὁδηγοῦσι; παραδούς δὲ τὸ σῶμα τοῖς φίλοις, ἔνθα λαθραίως θάψειαν, ἵνα μὴ καταδακρύσειε τὸν στρατὸν ὀρῶντα, αὐτὸς ἄσιτός τε καὶ ἀτημέλητος ἀνὰ τὴν νύκτα πᾶσαν τὸ Κασσίου στρατόπεδον καθίστατο. ἅμα δ' ἡμέρα τῶν πολεμίων τὸν στρατὸν παρατασσόντων ἐς μάχην, ἵνα μὴ δοκοῖεν ἡλασσῶσθαι, συνεῖς τοῦ ἐνθυμήματος, 'ὀπλισώμεθα,' ἔφη, 'καὶ ἡμεῖς καὶ ἀνθυποκριθῶμεν ἐλάσσονα παθεῖν.' ὡς δὲ παρέταξεν, οἱ μὲν ἀνεχώρουν, ὁ δὲ Βρούτος ἐπιτωθᾶσας ἔφη τοῖς φίλοις: 'οἱ μὲν δὴ προκαλούμενοι ἡμᾶς ὡς κεκμηκότας οὐδὲ ἀπεπείρασαν.'

[115] ἦι δὲ ἡμέρᾳ τὴν μάχην ἐν Φιλίπποις συνέβαιναν εἶναι, καὶ ἐν τῷ Ἰόνιῳ τοιόνδε πάθος ἄλλο ἐγίνετο μέγα. Δομίτιος Καλουῖνος ἐπὶ ὀλκάδων ἦγεν ὀπλιτῶν δύο τέλη Καίσαρι, καὶ τὸ διώνυμον ἦν αὐτῶν, τὸ Ἄρειον, ὃ ἐπὶ τιμῇ τῆς ἀλκῆς ὠνόμαζον. ἦγε δὲ καὶ στρατηγίδα σπεῖραν, ἐς δισχιλίους ἄνδρας, ἱππέων τε ἵλας τέσσαρας καὶ ἕτερον πλῆθος ἐπειλεγμένον· καὶ τριῆρεις αὐτοὺς παρέπεμπον ὀλίγαι. Μοῦρκος δ' αὐτοῖς καὶ Ἀηνόβαρβος ἑκατὸν καὶ τριάκοντα μακραιῖς ὑπήντων. καὶ αὐτοὺς αἱ ὀλκάδες ἰστίῳ μὲν αἱ πρῶται διέφυγον ὀλίγαι, αἱ λοιπαὶ δέ, χαλάσαντος ἄφνω τοῦ πνεύματος, ἐν γαλήνῃ σταθερᾷ κατὰ τὸ πέλαγος ἠλῶντο, ὑπὸ τοῦ θεῶν ἐκδεδομένοι τοῖς πολεμίῳις. ἐνέβαλλον γὰρ ἀδεῶς ἐκάστη καὶ ἀνερρήγγυνον· οὐδὲ αἱ παραπέμπουσαὶ σφας τριῆρεις ἐπικουρεῖν ἐδύναντο, διὰ τὴν ὀλιγότητα κυκλοῦμεναι. ἔργα δ' ἦν τῶν κινδυνευόντων πολλὰ καὶ ποικίλα, ὅτε μὲν τὰ πλοῖα συναγόντων ἀπὸ κάλῳ σπουδῇ καὶ κοντοῖς ἄρμοζόντων ἐς ἄλληλα, ἵνα μὴ διεκπλεῖν αὐτὰ ἔχοιεν οἱ πολέμοιοι. ὅτε δὲ τοῦτου κρατήσειαν, ὁ μὲν Μοῦρκος αὐτοῖς ἐπέβαλλε τοξεύματα πυρός, οἱ δὲ τοὺς συνδέσμους ἀνέλυνον ὀξέως καὶ ἀπέφευγον ἀλλήλων διὰ τὸ πῦρ αὐθὶς τε ἐγίνοντο ταῖς τριήρεσιν ἐς περίπλουν καὶ ἐμβολὴν ἔτοιμοι.

[116] ἀγανακτοῦντες δὲ οἱ ἄνδρες, καὶ μάλιστα αὐτῶν οἱ Ἄρειοι, ὅτι κρείττους ὄντες ἀλκὴν δι' ἀπραξίας ἀπώλλυντο, οἱ μὲν πρὸ τοῦ πυρός ἑαυτοὺς ἀνῆρουν, οἱ δὲ ἐς τὰς τριῆρεις τῶν πολεμίων ἐναλλομενοὶ τὰ μὲν ἔδρων, τὰ δὲ ἔπασχον. νῆές τε ἡμίφλεκτοι μέχρι πολλοῦ περιέπλεον, ἄνδρας ἔχουσαι τοὺς μὲν ὑπὸ τοῦ πυρός, τοὺς δ' ὑπὸ λιμοῦ καὶ δίψης δαπανωμένους· οἱ δὲ καὶ ἰστών ἢ σανίδων ἐχόμενοι ἐς πέτρας ἢ ἀκτὰς ἐξεφέροντο ἐρήμους. καὶ εἰσὶν αὐτῶν, οἳ καὶ περιεσώθησαν ἐκ παραλόγου· τινὲς δὲ καὶ ἐς πέντε διήρκεσαν ἡμέρας, λιχμώμενοι τὴν πίσσαν ἢ ἰστίων ἢ κάλων διαμασώμενοι, μέχρι σφᾶς ὁ κλύδων ἐξήνεγκεν ἐπὶ τὴν γῆν. πολὺ δ' ἦν, ὃ καὶ τοῖς πολεμίῳις ἑαυτὸ ἐπέτρεπεν, ὑπὸ τῶν συμφορῶν ἡσώμενον. ἐπέτρεψαν δὲ καὶ τῶν τριήρων ἑπτακαίδεκα. καὶ τοὺς μὲν ἄνδρας οἱ περὶ Μοῦρκον ἐς ἑαυτοὺς μεθώρκουν, ὁ δὲ στρατηγὸς αὐτῶν Καλουῖνος ἐπὶ τῆς ἑαυτοῦ νεῶς ἐπανῆλθεν ἐς τὸ Βρεντέσιον ἡμέρᾳ πέμπτῃ, δόξας ἀπολωλέναι.

τοιοῦτο μὲν διὴ πάθος τῆς αὐτῆς ἡμέρας τῇ περὶ Φιλίππους μάχῃ κατὰ τὸν Ἰόνιον ἐπεγίνετο, εἴτε νανάγιον εἴτε ναυμαχίαν ὀνομάσαι χρή· καὶ ἐξέπλησσε τὸ συγκύρημα τῶν ἔργων ὕστερον ἐπιγνωσθέν.

[117] ὁ δὲ Βροῦτος τὸν στρατὸν ἐς ἐκκλησίαν συναγαγὼν ἔλεξεν ὧδε·

οὐδὲν ἔστιν, ὃ συστρατιῶται, παρὰ τὸν χθὲς ἀγῶνα, ἐν ᾧ μὴ κρεῖστους ἐγένεσθε τῶν πολεμίων. τῆς τε γὰρ μάχης ἠρξάτε προθύμως, εἰ καὶ χωρὶς παραγγέλματος· καὶ τὸ τέταρτον τέλος, ὃ περιώνυμον αὐτοῖς ὃν ἐπεπίστευτο τὸ κέρας, διεφθείρατε ἅπαν καὶ τοὺς ἐπιτεταγμένους αὐτῷ μέχρι τοῦ στρατοπέδου· καὶ τὸ στρατόπεδον αὐτὸ εἴλετε πρότερον καὶ διηρπάσατε· ὥς προῦchein τάδε παρὰ πολὺ τῆς ἐπὶ τοῦ λαιοῦ βλάβης ἡμῶν. δυνηθέντες δ' ἂν ὅλον ἐργάσασθαι τὸ ἔργον, ἀρπάσαι μᾶλλον εἴλεσθε ἢ κτείνειν τοὺς ἡσσωμένους· οἱ γὰρ πλείονες ὑμῶν τοὺς πολεμίους παροδεύοντες ἐπὶ τὰ τῶν πολεμίων ὥρμων. καὶ ἐν τῷδε αὖ πάλιν οἱ μὲν διήρπασαν δύο τῶν ἡμετέρων στρατοπέδων ὄντων τὸ ἕτερον, ἡμεῖς δὲ ἐκείνων ἅπαντα ἔχομεν, ὥς καὶ τῷδε

τὴν ἐπίκτησιν τῆς βλάβης διπλασίονα εἶναι. καὶ τὰ μὲν ἐν τῇ μάχῃ πλεονεκτήματα τοσαῦτα: ὅσα δὲ ἕτερα προύχομεν αὐτῶν, ἔχετε καὶ παρὰ τῶν αἰχμαλώτων μανθάνειν, περὶ τε ἀπορίας σίτου καὶ ἐπιτιμῆσεως αὐτοῦ καὶ κομιδῆς κακοπαθοῦς καὶ παρ' ὀλίγον ἤδη σαφοῦς ἐπιλείψεως. οὔτε γὰρ ἐκ Σικελίας ἢ Σαρδόνης ἢ Λιβύης ἢ Ἰβηρίας ἔστιν αὐτοῖς λαβεῖν διὰ Πομπήιον καὶ Μοῦρκον καὶ Ἀηνόβαρβον, ναυσὶν ἐξήκοντα καὶ διακοσίαις ἀποκλείοντας αὐτοῖς τὸ πέλαγος: Μακεδονίαν τε ἐξαναλώκασιν ἤδη καὶ ἐκ μόνης ἄρτι Θεσσαλίας ἔχουσιν, ἢ ἐς πόσον αὐτοῖς ἔτι ἀρκέσει;

[118] ὅταν οὖν αὐτοὺς ἐπαιγομένους εἰς μάχην μάλιστα ἴδητε, τότε ἡγεῖσθε διωκομένους ὑπὸ λιμοῦ τὸν ἐν χερσὶ θάνατον αἰρεῖσθαι. ἡμεῖς δ' ἀντιμηχανησόμεθα αὐτοῖς τὸν λιμὸν ἡμῶν προπολεμεῖν, ἵν' ἀσθενεστερίους καὶ τετρυμένοις ἐντύχοιμεν, ὅτε χρή. μὴδ' ἐκφερώμεθα ταῖς προθυμίαις παρὰ καιρόν, μὴδὲ βραδυτῆτά τις ἡγείσθω τὴν ἐμπειρίαν ἢ ταχυτῆτα, ἐς τὴν ὀπίσω θάλασσαν ἀφορῶν, ἢ τοσαύτας ἡμῖν ὑπηρεσίας καὶ τροφὰς ἐπιτέμπουσα δίδωσιν ἀκινδύνου νίκης ἐπιτυχεῖν, ἣν ὑπομένετε καὶ μὴ ἀδοξῆτε, εἰ προσπαίξονται τε ἡμῖν καὶ προκαλοῦνται, οὐκ ἀμείνονες ὄντες, ὥς διέδειξε τὸ ἐχθρὸς ἔργον, ἀλλὰ ἕτερον δέος ἰώμενοι. τὴν δὲ προθυμίαν, ἣς νῦν ὑμᾶς ἀξιῶ κρατεῖν, ἀθρόαν ἀπόδοτε, ὅταν αἰτῶμεν. ἐγὼ δ' ὑμῖν τὰ νικητήρια ἐντελῆ μέν, ὅταν οἱ θεοὶ κρίνωσιν, ἐπὶ ἐντελέσι τοῖς ἔργοις διαλύσομαι: νῦν δὲ τῆς ἐχθρῆς ἀρετῆς ἀνὰ χιλίας ἐκάστω στρατιώτῃ δραχμὰς ἐπιδίδωμι καὶ τοῖς ἡγεμόσιν ὑμῶν ἀνὰ λόγον.

ὁ μὲν οὕτως εἶπεν καὶ αὐτίκα διεμέτρει τὴν δωρεὰν κατὰ τέλη: δοκεῖ δέ τισι καὶ Λακεδαιμόνα καὶ Θεσσαλονίκην ἐς διαρπαγὴν αὐτοῖς δώσειν ὑποσχέσθαι.

[119] ὁ δὲ Καῖσαρ καὶ ὁ Ἀντώνιος, εἰδότες οὐ μαχοῦμενον ἐκόντα τὸν Βρούτον, τοὺς ἰδίους συνῆγον, καὶ ὁ Ἀντώνιος ἔλαξε:

τὸ ἐχθρὸς ἔργον, ὃ ἄνδρες, τοῖς μὲν λόγοις οἶδα ὅτι καὶ οἱ πολέμοιο μερίζονται, ὥς διώξαντές τινες ἡμῶν καὶ τὸ στρατόπεδον διαρπάσαντες, ἔργῳ δὲ ἐπιδείξουσιν ἅπαν ὑμέτερον: ὑπισχνοῦμαι γὰρ ὑμῖν οὔτε αὖριον οὔτε ταῖς ἐπιούσαις ἐκόντας αὐτοὺς ἐς μάχην ἥξειν. ὁ σαφεστάτη πίστις ἐστὶ τῆς ἐχθρῆς ἥσσης καὶ φόβου, ὅταν ὥσπερ ἐν τοῖς γυνικαῖς ἀφιστῶνται τοῦ ἀγῶνος οἱ ἐλάττονες: οὐ γὰρ ἐς τοῦτό γε στρατὸν ἡγειρον τοσόνδε, ἵνα τῶν Θρακῶν ἐρημίαν οἰκῶσι διατειχίσαντες. ἀλλὰ αὐτὴν διετείχισαν μὲν ἔτι προσιόντων ὑμῶν διὰ δέος, ἐλθόντων δὲ ἐνοικοῦσι διὰ τὴν ἐχθρὸς ἦσαν: ἐφ' ἣ καὶ τῶν στρατηγῶν ὁ πρεσβύτερός τε καὶ ἐμπειρότερος πάντα ἀπογνοὺς ἑαυτὸν διεχρήσατο, ὁ καὶ αὐτὸ μεγίστη συμφορῶν ἐστὶν ἀπόδειξις. ὅταν οὖν ἡμῶν αὐτοὺς προκαλουμένων μὴ δέχωνται μὴδὲ καταβαίνωσιν ἀπὸ τῶν ὀρῶν, ἀλλὰ ἀντὶ τῶν χειρῶν πιστεύωσι τοῖς κρημνοῖς, τότε μοι θαρροῦντες ὑμεῖς, ὃ ἄνδρες Ῥωμαῖοι, συναναγκάσατε αὐτοὺς αὐθις, ὥσπερ ἐχθρὸς ἠναγκάσατε, αἰσχροὺς ἡγούμενοι δεδιότων ἐλασσοῦσθαι καὶ ὀκνοῦντων ἀπέχεσθαι καὶ τειχῶν ἄνδρες ὄντες ἀσθενέστεροι γενέσθαι. οὐ γὰρ ἤλθομέν γε καὶ ἡμεῖς ἐν πεδίῳ βιώσοντες, οὐδ' ἔστι βραδύνουσιν οὐδὲν αὐταρκες. ἀλλὰ δεῖ τοῖς εὖ φρονοῦσι τοὺς μὲν πολέμους ὀξεῖς, τὴν δὲ εἰρήνην ἐπὶ μήκιστον εἶναι.

[120] τοὺς μὲν οὖν καιροὺς καὶ τὰ ἐς τοῦτον ἔργα ἐπιμηχανησόμεθα ἡμεῖς,

οὐ μεμπτοὶ καὶ τῆς ἐχθρῆς ὀρμῆς τε καὶ μηχανῆς ὑμῖν γενόμενοι: τὴν δ' ἀρετὴν ὑμεῖς, ὅταν αἰτῆσθε, ἀποδίδετε τοῖς στρατηγοῖς. μὴδὲ ἄχθεσθε τῆς ἐχθρῆς ἀρπαγῆς μὴδ' ἐπ' ὀλίγον: οὐ γὰρ ἐν οἷς ἔχομεν ἐστὶ τὸ πλουτεῖν, ἀλλ' ἐν τῷ κρατεῖν ταῖς δυνάμεσιν, ὃ καὶ τὰ ἐχθρῆς ἀφαιρεθέντα, ἔτι ὄντα παρὰ τοῖς πολεμίοις σῶα, καὶ τὰ πολέμια αὐτὰ ἐπ' ἐκείνοις κρατοῦσιν ἡμῖν ἀποδώσει. καὶ εἰ ἐπειγόμεθα αὐτὰ λαβεῖν, ἐπειγόμεθα ἐπὶ τὴν μάχην. ἱκανὰ δὲ καὶ ἐχθρῆς ἀντελήφμεν αὐτῶν καὶ τῶν ἡμετέρων ἴσως ἱκανώτερα: οἱ μὲν γὰρ ἐκ τῆς Ἀσίας πάνθ', ὅσα ἐβιάσαντο καὶ ἤρπασαν, ἐπήγοντο, ὑμεῖς δ' ὥς ἐκ πατρίδος ἰόντες τὰ μὲν δαυηλέστερα οἶκοι ὑπελίπεσθε, τὰ δ' ἀναγκαῖα μόνα ἐπήγεσθε. εἰ δέ τι καὶ δαυηλὲς ἦν, ἡμέτερον ἦν τῶν στρατηγῶν, οἱ πάντα ἐσμέν ὑπὲρ τῆς ὑμετέρας νίκης ἐπιδιδόναι πρόθυμοι. καὶ τῆς τοιαύτης δ' ὁμως ζημίας ὑμῖν ἔνεκα ἐπιδώσομεν νικητήρια, δραχμὰς ἐκάστω στρατιώτῃ πεντακισχιλίας, λοχαγῷ δὲ πεντάκις τοσαύτας, χιλιάρχη δὲ τὸ διπλάσιον τοῦ λοχαγοῦ.

[121] τοιαῦτα εἰπὼν τῆς ἐπιούσης πάλιν ἐξέτασσε: καὶ οὐ κατιόντων οὐδὲ τότε τῶν πολεμίων ὁ μὲν Ἀντώνιος ἐβαρυθῆμει καὶ ἐξέτασεν αἰεὶ, ὁ δὲ Βροῦτος τοῦ στρατοῦ τὸ μὲν εἶχε συντεταγμένον, μὴ ἀναγκασθεῖν μάχεσθαι, τῷ δὲ τὰς ὁδοὺς τῆς κομιδῆς τῶν ἀναγκαιῶν διελάμβανε. λόφος δὲ ἦν ἀγχοτάτῳ τοῦ Κασσίου στρατοπέδου, δυσχερὲς μὲν ὑπὸ ἐχθρῶν καταληφθῆναι, διὰ τὴν ἐγγύτητα ἐστοξεύεσθαι δυναμένων: ὁ δὲ Κάσσιος αὐτὸν ὁμως ἐφρούρει, μὴ καὶ παρὰ δόξαν ἐπιτολμήσειέ τις. ἐκλειφθέντα δὲ ὑπὸ τοῦ Βρούτου κατέλαβον οἱ περὶ τὸν Καίσαρα νυκτὸς τέτρασι τέλεσιν, ἐπαγόμενοι γέρρα πολλὰ καὶ διφθέρας ἐς προβολὴν τοῖς τοξεύμασιν. ὥς δὲ κατέσχον, ἄλλα τέλη δέκα μετεστρατοπέδευον ὑπὲρ πέντε σταδίους ἀπιοῦσιν ἐπὶ τὴν θάλασσαν καὶ ὑπὲρ ἄλλους τέσσαρας δύο, ὥς τῷδε τῷ τρόπῳ προελευσόμενοι μέχρι θαλάσσης καὶ ἢ παρ' αὐτὴν ἄρα τὴν θάλασσαν ἢ διὰ τῶν ἐλῶν ἢ ὃν τινα τρόπον ἄλλον ἐπενόουν, βιασόμενοι καὶ τὴν ἀγορὰν ἀποκλείσοντες τῶν πολεμίων. καὶ ὁ Βροῦτος αὐτοῖς ἀντεμηνανᾶτο, ἄλλα τε καὶ φρούρια ἀντικαθιστὰς τοῖς ἐκείνων στρατοπέδοις.

[122] τὸ δὲ ἔργον ἤπειγε τοὺς ἀμφὶ τὸν Καίσαρα, καὶ λιμὸς ἦν ἥδη σαφής, ἔς τε μέγεθος καὶ δέος ἐκάστης ἡμέρας ἐπεγίνετο. οὔτε γὰρ ἐκ Θεσσαλίας αὐτοῖς ἔτι τὰ ἀρκούντα ἐκομίζετο, οὔτε τις ἦν ἐλπίς ἐκ θαλάσσης, ναυκρατούντων πανταχῇ τῶν πολεμίων: τῆς τε ἔναγχος περὶ τὸν Ἰόνιον συμφορᾶς ἐξηγγελμένης ἐς ἐκατέρους ἤδη, μᾶλλον ἐδεδοίκεσαν αὐτά τε καὶ τὸν χειμῶνα προσιόντα ὥς ἐν πεδίῳ πηλῶδει σταθμεύοντες. ὧν ἐνθυμούμενοι τέλος μὲν ὀπλιτῶν ἐς Ἀχαῖαν ἐξέπεμψαν, ἀγείρειν τὰ ἐντυγχάνοντα πάντα καὶ πέμπειν σφίσι κατὰ σπουδὴν. οὐκ ἀνεχόμενοι δὲ κινδύνου τοσοῦδε προσιόντος οὔτε τῶν ἄλλων ἐπιτεχνήσεων οὔτε ἐν τῷ πεδίῳ λοιπὸν ἐκτάσσειν, παρὰ τὸ τεῖχος τῶν ἐχθρῶν ἀνέβαινον μετὰ βοῆς καὶ τὸν Βροῦτον ἐκάλουν ἐς μάχην, ἐπισκώπτοντες ἅμα καὶ λιοδοροῦντες καὶ ἐγνωκότες οὐ πολιορκίας τρόπῳ μᾶλλον ἢ μανιώδει φορᾷ μὴ βουλομένῳ συμπλέεσθαι.

[123] τῷ δὲ αὐτῷ μὲν ἔγνωστο τὰ ἀπ' ἀρχῆς, καὶ μᾶλλον ἔτι πυνθανομένῳ περὶ τε τοῦ λιμοῦ καὶ περὶ τῆς κατὰ τὸν Ἰόνιον εὐπραξίας καὶ τῶν πολεμίων ὀρῶντι τὴν ἐκ τῆς ἀπορίας ἀπόνοιαν: καὶ ἥρειτο πολιορκίας καὶ ἄλλου παντός ἀνέχεσθαι, μᾶλλον ἢ ἐς χεῖρας ἰέναι ἀνδράσιν ἐπειγομένοις ὑπὸ λιμοῦ, καὶ

ἀπογινώσκουσιν ἐκ τῶν ἄλλων ἑαυτοὺς καὶ ἐν μόναις ταῖς χερσὶ τὴν ἐλπίδα ἔχουσιν. ὁ δὲ στρατὸς οὐχ ὁμοίως εἶχεν ὑπὸ ἀφροσύνης, ἀλλ' ἐδυσφόρουν γυναικῶν τρόπον ἔνδον μετὰ ἀπραξίας καὶ φόβου κατακεκλεισμένοι. ἐδυσχέραινον δὲ καὶ οἱ ἡγεμόνες αὐτῶν, ἐπαινοῦντες μὲν τὸ ἐνθῆμα τοῦ Βρούτου, νομίζοντες δὲ καὶ θᾶσσον ἐπικρατήσειν τῶν πολεμίων μετὰ προθύμου στρατοῦ. αἴτιον δὲ τούτων ἦν αὐτὸ τὸ Βρούτον ἐπικτῆ καὶ φιλόφρονα ἐς ἅπαντας εἶναι καὶ ἀνόμοιον Κασσίῳ, αὐστηρῶ καὶ ἀρχικῶ περὶ πάντα γεγεννημένῳ: ὅθεν ἐκείνῳ μὲν ἐξ ἐπιτάγματος ὑπήκουον, οὐκ παραστρατηγοῦντες οὐδὲ τὰς αἰτίας μανθάνοντες οὐδὲ εὐθύνοντες, ὅτε καὶ μάθοιεν, Βρούτῳ δὲ οὐδὲν ἄλλ' ἢ συστρατηγεῖν ἤξιουν διὰ πραῦτητα. τέλος δὲ τοῦ στρατοῦ φανερώτερον ἤδη κατὰ ἴλας καὶ κατὰ συστάσεις διαπυνθανομένου: 'τί κατέγνωνεν ἡμῶν ὁ στρατηγός; τί ἔναγχος ἡμάρτομεν οἱ νικήσαντες, οἱ διώξαντες, οἱ τοὺς καθ' ἡμᾶς πολεμίους κατακάνοντες, οἱ τὸ στρατόπεδον αὐτῶν ἐλόντες,' Βρούτος ἐκὼν ἡμέλει καὶ ἐς ἐκκλησίαν οὐκ συνῆγε, μὴ ἀπρεπέστερον ὑπὸ τοῦ πλήθους ἀλογίστως ἐκβιασθεῖν, καὶ μάλιστα μισθοφόρων, οἷς ἐστὶν αἰεὶ, καθὰ καὶ τοῖς εὐχερέσιν οἰκέταις ἐς ἑτέρους δεσπότας, ἐλπίς ἐς σωτηρίαν ἢ ἐς τὸ ἀντίπαλον μεταβολή.

[124] ἐνοχλοῦντων δὲ αὐτῷ καὶ τῶν ἡγεμόνων καὶ κελευόντων νῦν μὲν ἀποχρήσασθαι τοῦ στρατοῦ τῇ προθυμίᾳ, τάχα τι λαμπρὸν ἐργασομένου, ἦν δ' ἀντιπίπτει τι παρὰ τὴν μάχην, ἐπανίεναι πάλιν ἐς τὰ τεῖχη καὶ προβάλλεσθαι τὰ αὐτὰ χαρακώματα, χαλεπήνας ὁ Βρούτος τοῖσδε μάλιστα ἡγεμόσιν οὔσι καὶ περιαλήσας, ὅτι τὸν αὐτόν οἱ κίνδυνον ἐπικείμενοι συμφέρονται τῷ στρατῷ κουφόνως, ἀμφίβολον καὶ ὀξεῖαν τύχην προτιθέντι νίκης ἀκινδύνου, εἶξεν ἐπ' οἰκείῳ καὶ σφῶν ἐκείνων ὀλέθρῳ, τосόνδε ἐπιμεμνᾶμενος αὐτοῖς: 'εἰκόκαμεν ὡς Πομπήιος Μάγνος πολεμήσειν, οὐ στρατηγοῦντες ἔτι μᾶλλον ἢ στρατηγούμενοι.' καὶ μοι δοκεῖ τόδε μόνον ἐξευπεῖν, ἐπικρύπτων, ὃ ἐδεδοίκει μάλιστα, μὴ ὁ στρατὸς οἶα τοῦ πάλαι Καίσαρος γεγονῶς ἀγανακτήσειε τε καὶ μεταβάλοιτο: ὅπερ ἐξ ἀρχῆς αὐτός τε καὶ Κάσσιος ὑφορώμενοι ἐς οὐδὲν ἔργον αὐτοῖς πρόφασιν ἀγανακτήσεως ἐπὶ σφίσιν ἐνεδίδουν.

[125] ὧδε μὲν δὴ καὶ ὁ Βρούτος ἐξῆγγεν ἄκων καὶ ἐς τάξεις διεκόσμηι πρὸ τοῦ τεύχους καὶ ἐδίδασκε μὴ πολὺ προὔχειν τοῦ λόφου, ἵνα αὐτοῖς ἢ τε ἀναχώρησις, εἰ δεήσειεν, εὐχερὴς εἴη καὶ τὰ ἐς τοὺς πολεμίους ἀφιέμενα ἐπιδέξια. ἦν δὲ ἐκατέρωθεν παρακέλευσίς τε πάντων ἐς ἀλλήλους καὶ φρόνημα ἐπὶ τῷ ἔργῳ μέγα καὶ θρασύτης νῆπερ λόγον ἀναγκαῖον, τοῖς μὲν ὑπὸ δέους λιμοῦ, τοῖς δὲ ὑπὸ αἰδοῦς δικαίας, βιασασμένοις τὸν στρατηγὸν ἀναβαλλόμενον ἔτι, μὴ χείροσιν ὧν ὑπέσχοντο ὀφθῆναι μηδὲ ἀσθενεστέροις ὧν ἐθρασύνοντο, μηδὲ προπετείας ὑπευθύνους μᾶλλον ἢ ἀξιεπαίνοις εὐβουλίας. ἃ καὶ ὁ Βρούτος αὐτοῖς, ἐπὶ ἵππου περιθέων, σοβαρῶ τῷ προσώπῳ προενέφαινε καὶ δι' ὀλίγων ὑπεμίμνησκεν, ὅσων ὁ καιρὸς ἐδίδου: 'ὕμεῖς ἠθελήσατε μάχεσθαι, ὕμεῖς με ἑτέρως ἔχοντα νικᾶν ἐβιάσασθε: μὴ δὲ ψεύσησθε τῆς ἐλπίδος μήτε ἐμὲ μήτε αὐτούς. ἔχετε καὶ λόφον σύμμαχον καὶ τὰ κατὰ νότου πάντα ἴδια. οἱ πολέμιοι δ' εἰσὶν ἐν ἀμφιβόλῳ: μεταξὺ γάρ εἰσιν ἡμῶν τε καὶ λιμοῦ.'

ὁ μὲν τοιαῦτα λέγων διετρόχαζε, καὶ αὐτὸν αἱ τάξεις ἐπὶ λήπτον καὶ μετὰ

βοῆς παρέπεμπον εὐφήμου: [126] ὁ δὲ Καῖσαρ καὶ ὁ Ἀντώνιος τοὺς ἰδίους περιθέοντες τὴν τε δεξιὰν ὤρεγον, ἐφ' οὓς παραγένοιτο, καὶ σοβαρώτερον ἔτι οἶδε ἐπέσπερχον αὐτοὺς καὶ τὸν λιμὸν οὐκ ἐπέκρυπτον ὥς εὐκαιρον ἐς εὐτολμίαν προφέρειν. 'εὐρομεν, ὦ ἄνδρες, τοὺς πολεμίους: ἔχομεν οὖς ἐζητοῦμεν ἔξω τείχους λαβεῖν. μὴ δὴ τις ὑμῶν τὴν ἰδίαν πρόκλησιν καταισχύνη μηδὲ τῆς ἀπειλῆς ἐλάττων γένηται: μηδὲ λιμὸν, ὄλεθρον ἀμήχανόν τε καὶ ἐπώδυνον, ἔλθῃται μᾶλλον ἢ πολέμιων τείχη καὶ σώματα, ἃ καὶ τόλμαις ἐνδίδωσι καὶ σιδήρῳ καὶ ἀπονοία. ἔχει δὲ ἡμῖν ἐπείξεως ὧδε τὰ παρόντα, ὥς μηδὲν ἐς τὴν ἐπιούσαν ἡμέραν ἀνατίθεσθαι, ἀλλὰ σήμερον περὶ πάντων διακριθῆναι μέχρι νίκης ἐντελοῦς ἢ εὐγενοῦς θανάτου. νικῶσι δ' ἔστι λαβεῖν διὰ μιᾶς ἡμέρας καὶ δι' ἐνὸς ἔργου τροφὰς καὶ χρήματα καὶ ναῦς καὶ στρατόπεδα καὶ τὰ νικητήρια παρ' ἡμῶν. ἔσται δὲ ταῦτα, ἣν πρῶτον μὲν ἐμβάλλοντες αὐτοῖς μνημονεύωμεν τῶν ἐπειγόντων, εἴτα παραρρήξαντες εὐθὺς ἀποκλείωμεν ἀπὸ τῶν πυλῶν, ἐς δὲ τοὺς κρημνοὺς ἢ τὰ πεδία περιωθῶμεν, ἵνα μὴ ὁ πόλεμος αὐθις ἀναφύοιτο μηδὲ ἐς τὴν ἀργίαν πάλιν οἱ ἐχθροὶ διαδιδράσκοιεν, οἱ δι' ἀσθένειαν, μόνοι δὴ πολέμιων, οὐκ ἐν τῷ μάχεσθαι τὰς ἐλπίδας ἔχουσιν, ἀλλ' ἐν τῷ μὴ μάχεσθαι.'

[127] οὕτω μὲν ὁ Καῖσαρ καὶ ὁ Ἀντώνιος παρώτρυνον, ἐφ' οὓς παραγένοιτο. καὶ πᾶσιν ἦν αἰδῶς ἀξίους τε φανῆναι τῶν στρατηγῶν καὶ τὴν ἀπορίαν ἐκφυγεῖν, ὑπεραυξηθεῖσαν ἐκ παραλόγου διὰ τὰ ἐν τῷ Ἰονίῳ γεγόμενα. ἥρουντό τε ἐν ἔργῳ καὶ ἐν ἐλπίσιν, εἰ δέοι, τί παθεῖν μᾶλλον ἢ ὑπὸ ἀμηχάνου κακοῦ δαπανῶμενοι.

ὧδε δὲ ἐχόντων αὐτῶν καὶ πρὸς τὸν ἐγγὺς αὐτὰ ἐκφέροντος ἐκάστου, ὁ θυμὸς ἀμφοτέρων ἠῤῥετο μάλιστα καὶ ἐνεπίμπλαντο τόλμης ἀκαταπλήκτου: οὐδέν τε ἐν τῷ παρόντι ἀλλήλων ὅτι ἦσαν πολῖται οὐδὲ ἐπεμέμνηντο, ἀλλ' ὥς ἐκ φύσεως καὶ γένους ἐχθροῖς ἐπηπείλουν. οὕτως ἡ παραυτίκα ὀργὴ τὸν λογισμὸν αὐτοῖς καὶ τὴν φύσιν ἔσβεσεν. ἐπεμαντεύοντο δὲ ὁμαλῶς ἐκάτεροι τήνδε τὴν ἡμέραν ἐν τῷδε τῷ ἔργῳ πάντα τὰ Ῥωμαίων πράγματα κρινεῖν. καὶ ἐκρίθη.

[128] ἤδη δὲ τῆς ἡμέρας ἀμφὶ τήνδε τὴν παρασκευὴν ἐς ἐνάτην ὥραν δεδαπανημένης αἰετοὶ δύο ἐς τὸ μεταίχμιον συμπεσόντες ἀλλήλους ἐπολέμουν: καὶ ἦν σιγὴ βαθυτάτη. φυγόντος δὲ τοῦ κατὰ Βρούτον βοή τε παρὰ τῶν πολέμιων ὀξεῖα ἠγέρθη καὶ τὰ σημεῖα ἐκατέρωθεν ἐπῆρτο, καὶ ἔφοδος ἦν σοβαρά τε καὶ ἀπηνής. τοξευμάτων μὲν δὴ καὶ λίθων ἢ ἀκοντισμάτων ὀλίγον αὐτοῖς ἐδέησε πολέμου νόμῳ, ἐπεὶ οὐδὲ τῇ ἄλλῃ τέχνῃ καὶ τάξει τῶν ἔργων ἐχρῶντο, ἀλλὰ γυμνοῖς τοῖς ξίφεσι συμπλεκόμενοι ἔκοπτόν τε καὶ ἐκόπτοντο καὶ ἀλλήλους ἐξώθουν ἀπὸ τῆς τάξεως, οἱ μὲν περὶ σωτηρίας μᾶλλον ἢ νίκης, οἱ δὲ περὶ νίκης καὶ παρηγορίας στρατηγοῦ βεβιασμένου. φόνος δὲ ἦν καὶ στόνος πολὺς, καὶ τὰ μὲν σώματα αὐτοῖς ὑπεξεφέρετο, ἕτεροι δὲ ἀντικαθίσταντο ἐκ τῶν ἐπιτεταγμένων. οἱ στρατηγοὶ δὲ σφᾶς, περιθέοντες καὶ ὀρώμενοι πανταχοῦ, ταῖς τε ὁρμαῖς ἀνέφερον καὶ παρεκάλουν πονοῦντας ἔτι προσπονήσαι καὶ τοὺς κεκμηκότας ἐνῆλλασσον, ὥστε ὁ θυμὸς αἰεὶ τοῖς ἐπὶ τοῦ μετώπου καινὸς ἦν.

τέλος δὲ οἱ τοῦ Καίσαρος, εἴτε διὰ δέος τοῦ λιμοῦ, εἴτε δι' αὐτοῦ Καίσαρος

εὐτυχίαν ὃν γὰρ ἐπίμεμπτοί γε ἦσαν οὐδὲ οἱ Βρούτειοί, τὴν φάλαγγα τῶν ἐχθρῶν ἐκίνουν, ὥσπερ τι μηχανήμα τῶν βαρυτάτων ἀνατρέποντες. οἱ δ' ἀνεωθοῦντο μὲν ἐπὶ πόδας ἐς τὸ ὀπίσω βάδην ἔτι καὶ μετὰ φρονήματος· ὥς δὲ αὐτοῖς καὶ ἡ σύνταξις ἤδη παρελέλυτο, ὀξύτερον ὑπεχώρουν καί, τῶν ἐπιτεταγμένων σφίσι δευτέρων καὶ τρίτων συνυποχωρούντων, μισγόμενοι πάντες ἀλλήλοις ἀκόσμως ἐθλίβοντο ὑπὸ σφῶν καὶ τῶν πολεμίων ἀπαύστως αὐτοῖς ἐπικειμένων, ἕως ἔφευγον ἤδη σαφῶς. καὶ οἱ τοῦ Καίσαρος τότε μάλιστα τοῦ παρηγγελμένου σφίσιν ἐγκρατῶς ἐχόμενοι τὰς πύλας προελάμβανον σφόδρα ἐπικινδύνως ἄνωθ' ἐν γὰρ ἐβάλλοντο καὶ ἐκ τοῦ μετώπου, μέχρι πολλοὺς ἐσδραμεῖν ἐκώλυσαν, οἱ διέφυγον ἐπὶ τε τὴν θάλασσαν καὶ ἐς τὰ ὄρη διὰ τοῦ ποταμοῦ τοῦ Ζυγάκτου.

[129] γενομένης δὲ τῆς τροπῆς τὸ λοιπὸν ἔργον οἱ στρατηγοὶ διηροῦντο, Καῖσαρ μὲν αἰρεῖν τοὺς ἐκπίπτοντας ἐκ τοῦ στρατοπέδου καὶ αὐτὸ φυλάσσειν τὸ στρατόπεδον· ὁ δὲ Ἀντώνιος πάντα ἦν καὶ πᾶσιν ἐνέπιπτε, τοῖς τε φεύγουσι καὶ τοῖς ἔτι συνεστῶσι καὶ τοῖς ἄλλοις στρατοπέδοις αὐτῶν, ὁρμῇ τε ὑπερηφάνῳ πάντα ἐβιάζετο ὁμοῦ. καὶ περὶ τοῖς ἡγεμόσι δέισας, μὴ αὐτὸν διαφυγόντες αὐθις ἕτερον στρατὸν ἀγείρειαν, τοὺς ἱππέας ἐξέπεμπεν ἐπὶ τὰς ὁδοὺς τε καὶ ἐκβολὰς τῆς μάχης, αἰρεῖν τοὺς ἀποδιδράσκοντας· οἱ διελόμενοι τὸ ἔργον ἀνά τε τὸ ὄρος ἐφέροντο σὺν τῷ Θρακίῳ Ῥάσκῳ, δι' ἐμπειρίαν ὁδῶν συναπεσταλμένῳ, καὶ τὰ χαρακώματα καὶ κρημνοὺς περιστάντες τοὺς ἐκφεύγοντας ἐκυνηγέτουν καὶ τοὺς ἐντὸς ἐφρούρουν. οἱ δὲ Βρούτον αὐτὸν ἐδίωκον· καὶ αὐτοὺς ἀσχέτως ἔχοντας τοῦ δρόμου Λουκίλιος ἰδὼν ὑπέστη καὶ ὥς Βρούτος ὢν ἤξιον πρὸς Ἀντώνιον ἀντὶ τοῦ Καίσαρος ἀναχθῆναι· ᾧ δὴ καὶ μάλιστα εἶναι Βρούτος ἐνομίσθη, τὸν ἀδιάλλακτον ἐχθρὸν ἐκκλίνων. ἀγομένου δὲ αὐτοῦ πυθόμενος ὁ Ἀντώνιος ἀπῆντα σὺν ἐπιστάσει, τὴν τύχην ὁμοῦ καὶ τὸ ἀξίωμα τάνδρὸς καὶ ἀρετὴν ἐνθυμούμενος, ὅπως Βρούτον ὑποδέξαιτο. πλησιάσαντι δ' ὁ Λουκίλιος ἐντυχὼν μάλα θρασέως εἶπε· ‘Βρούτος μὲν οὐχ ἐάλωκεν, οὐδὲ ἀλώσεται ποτε πρὸς κακίας ἀρετῇ· ἐγὼ δὲ τοῦδε ἀπατήσας ὧδέ σοι πάρειμι.’ καὶ ὁ Ἀντώνιος τοὺς ἱππέας ἰδὼν αἰδουμένους παρηγόρει καί, ‘οὐ μείονά μοι τήνδε ἄγραν,’ εἶπεν, ‘ἀλλὰ ἀμείνονα ἧς ἐνομίζετε ἐθηρεύσατε, ὅσῳ κρείττων ἐχθροῦ φίλος.’ καὶ τὸν Λουκίλιον τότε μὲν τινι τῶν φίλων ἔδωκε θεραπεύειν, ὕστερον δὲ αὐτὸς ἔχων ἐχρήτο ὥς πιστῷ.

[130] ὁ δὲ Βρούτος ἀναφεύγει μὲν ἐς τὰ ὄρη σὺν ἱκανῷ πλήθει, ὥς νυκτὸς ἐς τὸ στρατόπεδον ὑποστρέψων ἢ καταβησόμενος ἐπὶ τὴν θάλασσαν· ἐπεὶ δὲ περιείληπτο πάντα φυλακαῖς, διενυκτέρευεν ἑνοπλος μετὰ πάντων. καὶ φασιν αὐτὸν ἐς τοὺς ἀστέρας ἀναβλέποντα εἰπεῖν· ““Ζεῦ, μὴ λάθοι σε τῶνδ' ὅς αἴτιος κακῶν,”“

ἐνσημαινόμενον ἄρα τὸν Ἀντώνιον. ὁ καὶ αὐτὸν Ἀντώνιον φασιν ὕστερον ἐν τοῖς ἰδίῳις κινδύνῳις μεταγινώσκοντα εἰπεῖν, ὅτι συνεξετάζεσθαι Κασσίῳ καὶ Βρούτῳ δυνάμενος ὑπὲρ τῆς γένειτο Ὀκταουίου. τότε γε μὴν καὶ ὁ Ἀντώνιος ἑνοπλος ἐπὶ τῶν φυλακτηρίων ἀντιδιενυκτέρευε τῷ Βρούτῳ, χάρακα περιθέμενος ἐκ νεκρῶν σωμάτων καὶ λαφύρων συμφορηθέντων. ὁ δὲ Καῖσαρ ἐς μέσην νύκτα πονηθεὶς ἀνεχώρησε διὰ τὴν νόσον, Νωρβανῷ

φυλάσσειν παραδούς τὸ στρατόπεδον.

[131] Βροῦτος δὲ καὶ τῆς ἐπιούσης ὁρῶν τὰς ἐφεδρείας τῶν ἐχθρῶν ἐπιμενούσας, ἔχων οὐ πλήρη τέσσαρα τέλη συναναβάντα οἱ, αὐτὸς μὲν ἐπελθεῖν ἐπ' αὐτοὺς ἐφυλάζατο, τοὺς δὲ ἡγουμένους αὐτῶν, αἰδουμένους τε τὸ ἁμάρτημα καὶ μετανοοῦντας, ἔπεμπεν ἀποπειράσοντας αὐτῶν, εἰ ἐθελήσουσιν ὥσασθαι διὰ τῶν ἐφεδρειῶν καὶ ἀναλαβεῖν τὰ ἴδια, ἔτι φυλασσόμενα ὑπὸ τῶν οἰκείων ὑπολειμμένων. οἱ δὲ ἀβουλότατα μὲν ἐς τὸ ἔργον ὁρμήσαντες, εὐψυχότατοι δὲ τὸ μέχρι πλείστου γενόμενοι, τότε, βλάπτοντος ἤδη τοῦ θεοῦ, τῷ στρατηγῷ σφῶν ἀπεκρίναντο ἀναξίως βουλευέσθαι περὶ αὐτοῦ: αὐτοὶ γάρ, τῆς τύχης πολλάκις πεπειραμένοι, οὐκ ἀνατρέψειν τὴν ἔτι λοιπὴν διαλλαγῶν ἐλπίδα. καὶ ὁ Βροῦτος ἐς τοὺς φίλους εἰπὼν: 'οὐδὲν οὖν ἔτι εἰμὶ τῇ πατρίδι χρήσιμος, ὧδε καὶ τούτων ἐχόντων,' ἐκάλει Στράτωνα τὸν Ἡπειρώτην, ὄντα φίλον ἑαυτῷ, καὶ ἐγχειρεῖν ἐκέλευε τῷ σώματι. τούτου δὲ ἔτι βουλευέσθαι παραινοῦντος ἐκάλει τινὰ τῶν οἰκετῶν. καὶ ὁ Στράτων, 'οὐκ ἀπορήσεις,' εἶπεν, 'ὦ Βροῦτε, φίλου μᾶλλον ἢ οἰκετῶν ἐς τὰ ὕστατα προστάγματα, εἰ ἤδη κέκριται.' καὶ εἰπὼν ἐνήρεισε ταῖς λαγόσι τοῦ Βρούτου τὸ ξίφος οὔτε ἀποστραφέντος οὔτε ἐνδόντος.

[132] ὧδε μὲν δὴ Κάσσιος καὶ Βροῦτος ἐθνησκέτην, ἄνδρε Ῥωμαίων εὐγενεστάτῳ τε καὶ περιφανεστάτῳ καὶ ἐς ἀρετὴν ἀδριότῳ, χωρὶς ἄγους ἐνός, ὃ γε καὶ Γάιος Καῖσαρ, ὄντε τῆς Μάγνου Πομπηίου μοίρας, ἐκ μὲν ἐχθροῖν καὶ πολεμίοις ἐποίησατο φίλῳ, ἐκ δὲ φίλοις ἦγεν ὡς υἱό. καὶ ἡ βουλὴ περιποθήτω τε εἶχεν αἰεὶ καὶ ἀτυχήσαντε ἐλεεινῶ δυοῖν τε τούτοις ἔνεκα πᾶσιν ἀμνηστῖαν ἐτίθετο καὶ φυγόντων αὐτοῖς ἔπεμψεν ἡγεμονίας, ἵνα μὴ φυγάδες εἶεν, οὐκ ἀμελοῦσα μὲν Γαίου Καίσαρος οὐδὲ ἐφηδομένη τοῖς γεγνονόσιν, ὅπου καὶ ζῶντα τῆς ἀρετῆς καὶ τύχης ἐθαύμαζε καὶ ἀποθανόντα ἔθαπτε δημοσίᾳ καὶ ἐκύρου τὰ ἔργα ἀθάνατα εἶναι ἀρχάς τε καὶ ἡγεμονίας ἐς πολὺ ἐκ τῶν ὑπογραφῶν ἐποίει τῶν Καίσαρος, οὐδὲν ἡγουμένη κρεῖσσον εὐρήσειν ὢν ἐκεῖνος ἐνόησεν. ἀλλ' ἡ περὶ τῷδε τῷ ἄνδρῳ σπουδὴ καὶ δέος τὸ ὑπὲρ αὐτοῖς προήγαγεν αὐτὴν ἐς ὑπεροψίαν διαβολῆς: οὕτως ἅπασιν ἐγενέσθην τιμίῳ. ἐγενέσθην δὲ καὶ τῶν φυγόντων τοῖς ἀρίστοις τιμιωτέρῳ Πομπηίου, πλησιάζοντος καὶ οὐκ ἀδιάλλακτον ἔχοντος αἰτίαν, πορρωτέρῳ τε ὄντε αὐτῷ καὶ ἀδιαλλάκτῳ.

[133] ἐπεὶ γε μὴν ἔργων ἐδέησε, δυοῖν οὐδὲ ὅλοις ἐτοῖς στρατίαν τε συνέλεξαν ὑπὲρ εἴκοσιν ὀπλιτῶν τέλη καὶ ἱππέας ἀμφὶ τοὺς δισμυρίους καὶ ναῦς μακρὰς ὑπὲρ τὰς διακοσίας τήν τε ἄλλην παρασκευὴν ἀξιόλογον καὶ χρήματα ἅπειρα καὶ παρ' ἐκόντων καὶ παρὰ ἀκόντων, πολέμους τε ἐπολέμησαν ἔθνεσι καὶ πόλεσι καὶ τῶν ἀντιστασιωτῶν πολλοῖς καὶ κατώρθουν. ἐθνῶν τε ἐκράτησαν ἀπὸ Μακεδονίας μέχρι Εὐφράτου: καὶ ὅσους ἐπολέμησαν, ἐς συμμαχίαν αὐτοῖς ἔπεισαν καὶ βεβαιωτάτοις ἐχρήσαντο. ἐχρήσαντο δὲ καὶ βασιλεῦσι καὶ δυνάταις, καὶ Παρθυαίοις καίπερ οὓσιν ἐχθροῖς ἐς τὰ βραχύτερα: ἐπὶ δὲ τὸ μείζον ἔργον οὐκ ἀνέμειναν ἐρχομένους, ἵνα μὴ βάρβαρον ἢ ἀντίπαλον ἔθνος ἐθήσειαν ἐπὶ Ῥωμαίοις. ὁ δὲ δὴ μάλιστα πάντων ἀδοκητότατον ἦν, ὁ στρατὸς ὁ πλείων ὧδε Γαίου Καίσαρος ἐγεγένητο, καὶ δαιμονίως αὐτὸν εὐνοίας καὶ σπουδῆς ἔχοντα ἐς ἐκεῖνον μετέπεισαν οἱ

σφαγεῖς οἶδε τοῦ Καίσαρος, καὶ ἐπὶ τὸν τοῦ Καίσαρος υἱὸν ἔσποντο αὐτοῖς πιστότερον ἢ Ἀντωνίῳ τῷ Καίσαρος συναγωνιστῇ τε καὶ συνάρχῳ: οὐ γάρ τις αὐτῶν Βροῦτον ἢ Κάσσιον οὐδὲ ἡσσωμένους ἀπέλειπεν, οἱ Ἀντώνιον ἀμφὶ τὸ Βρεντέσιον καὶ πρὸ πείρας ἀπολιπόντες: ἦν τε πρόφασις αὐτοῖς τῶν πόνων, καὶ ἐπὶ Πομπηίου καὶ νῦν, οὐχ ὑπὲρ σφῶν αὐτῶν, ἀλλ' ὑπὲρ δημοκρατίας, ὀνόματος εὐειδοῦς μὲν, ἀλυσιτελοῦς δὲ αἰεὶ. σφῶν τε αὐτῶν, ὅτε μηδὲν ἐδόκουν ἔτι εἶναι χρήσιμοι τῇ πατρίδι, ἅμφω κατεφρόνησαν ὁμοίως. ἐν δὲ ταῖς φροντίσι καὶ πόνοις ὁ μὲν Κάσσιος ἀμεταστρεπτί, καθάπερ ἐς τὸν ἀγωνιστὴν οἱ μονομαχοῦντες, ἐς μόνον τὸν πόλεμον ἀφεώρα: ὁ δὲ Βροῦτος, ὅπῃ γίγνοιτο, καὶ φιλοθεάμων ἦν καὶ φιλήκοος, ἅτε καὶ φιλοσοφήσας οὐκ ἀγεννῶς.

[134] ἀλλὰ καὶ τοιοῖσδε οὖσιν αὐτοῖς ἀντίθετον ἐς ἅπαντα ἦν τὸ ἄγος τὸ ἐς Καίσαρα. ὃ γε οὐδὲ ἀπλοῦν ἄγος ἦν οὐδὲ ἐν ὀλίγῳ: καὶ γὰρ ἐς φίλον ἐγίνετο παραλόγως καὶ ἐς εὐεργέτην ἐκ πολέμου περισώσαντα ἀχαρίστως καὶ ἐς αὐτοκράτορα ἀθεμίστως καὶ ἐν βουλευτηρίῳ καὶ ἐς ἱερέα καὶ ἱερὰν ἐσθῆτα ἐπικείμενον καὶ δυνάστην μὲν οἷον οὐχ ἕτερον, χρησιμώτατον δὲ ὑπὲρ ἅπαντας τῇ τε πατρίδι καὶ τῇ ἡγεμονίᾳ γενόμενον. ἃ καὶ τὸ δαιμόνιον αὐτοῖς ἄρα ἐνεμέσθησε καὶ προεσήμηνε πολλάκις. Κασσίῳ τε γὰρ τὸν στρατὸν καθαίροντι ὁ ῥαβδοῦχος ἀνεστραμμένον τὸν στέφανον ἐπέθηκε: καὶ Νίκη, χρύσειον ἀνάθημα Κασσίου, κατέπεσεν, ὄρνεά τε πολλὰ ὑπὲρ τὸ στρατόπεδον αὐτοῦ καθιέμενα κλαγγὴν οὐδεμίαν ἤφει, καὶ μελισσῶν ἐπεκάθητο συνεχεῖς ἔσμοι. Βροῦτον δὲ ἐν Σάμῳ γενεθλιάζοντά φασι παρὰ τὸν πότον, οὐδὲ εὐχερῇ πρὸς τὰ τοιαῦτα ὄντα, ἀλόγως τόδε τὸ ἔπος ἀναβοῆσαι: “ἄλλὰ με μοῖρ' ὅλοῃ καὶ Λητοῦς ἔκτανεν υἱός.”

μέλλοντα δὲ περᾶν ἐκ τῆς Ἀσίας ἐς τὴν Εὐρώπην σὺν τῷ στρατῷ, νυκτὸς ἐγρηγορότα, μαραινομένου τοῦ φωτὸς ὅσιν ἰδεῖν ἐφεστῶσάν οἱ παράλογον καὶ πυθέσθαι μὲν εὐθαρσῶς, ὅς τις ἀνθρώπων ἢ θεῶν εἴη, τὸ δὲ φάσμα εἶπεῖν: ‘ὁ σός, ὦ Βροῦτε, δαίμων κακός: ὀφθήσομαι δέ σοι καὶ ἐν Φιλίπποις.’ καὶ ὀφθῆναι φασιν αὐτῷ πρὸ τῆς τελευταίας μάχης.

ἐξιώντι δὲ τῷ στρατῷ πρὸ τῶν πυλῶν αἰθίῳσ ὑπήντησε: καὶ τόνδε μὲν ὡς οἰώνισμα φαῦλον ὁ στρατὸς αὐτίκα συνέκοψε, δαιμόνια δ' ἦν αὐτοῖς ἄρα καὶ τάδε, Κάσσιον μὲν ἐν ἀμφηρίστῳ νίκη πάντα ἀλόγως ἀπογνῶναι, Βροῦτον δὲ εὐβούλου βραδυτῆτος ἐκβιασθῆναι καὶ ἐς χεῖρας ἔλθεῖν ἀνδράσι διωκομένοις ὑπὸ λιμοῦ, δαψιλῶς αὐτὸν ἔχοντα ἀγορᾶς καὶ ναυκρατοῦντα, καὶ τόδε παθεῖν ὑπὸ τῶν οἰκείων μᾶλλον ἢ τῶν πολεμίων, καὶ μὴν πολλάκις ἀγώνων μετασχόντες ἐν μὲν ταῖς μάχαις οὐδὲν ἔπαθον, ἅμφω δ' αὐτῶν ἐγένοντο αὐθένται καθάπερ ἐγένοντο τοῦ Καίσαρος. Κάσσιος μὲν δὴ καὶ Βροῦτος τοιάνδε δίκην ἐδεδώκεσαν.

[135] καὶ Βροῦτον Ἀντώνιος ἀνευρὼν περιέβαλέ τε τῇ ἀρίστῃ φοινικίδι εὐθύς καὶ καύσας τὰ λείψανα τῇ μητρὶ Σερουιλίᾳ ἔπεμψε. ὁ δὲ σὺν τῷ Βρούτῳ στρατός, ὅτε ἐπύθοντο τεθνάναι Βροῦτον, πρέσβεις ἐς Καίσαρα καὶ Ἀντώνιον ἔπεμπον καὶ συγγνώμης ἔτυχον καὶ ἐς τὰ στρατεύματα αὐτῶν διηρέθησαν: καὶ ἦσαν ἀμφὶ τοὺς μυρίους καὶ τετρακισχιλίους. παρέδωκαν δὲ ἐπὶ τοῖς αὐτοῖς ἑαυτοὺς καὶ οἱ κατὰ τὰ φρούρια, πολλὰ ὄντα. τὰ δὲ φρούρια

αὐτὰ καὶ τὸ στρατόπεδον ἐδόθη τοῖς Καίσαρος καὶ Ἀντωνίου στρατοῖς διαρπάσαι. τῶν δ' ἄμφι τὸν Βρούτον ἀνδρῶν ἐπιφανῶν οἱ μὲν ἐν ταῖς μάχαις ἀπέθανον, οἱ δὲ αὐτοὺς ἐξήγαγον ὁμοίως τοῖς στρατηγοῖς, οἱ δὲ καὶ ἐξεπίτηδες ἐμαχέσαντο μέχρι θανάτου: ὧν ἦν Λεύκιος τε Κάσσιος, ὁ ἀδελφιδοῦς αὐτοῦ Κασσίου, καὶ Κάτων ὁ Κάτωνος, ἐμπίπτων ὅδε τοῖς πολεμίοις πολλάκις, εἴθ' ὑποχωρούντων ἀναλύσας τὸ κράνος, ἵνα ἢ γνώριμος ἢ εὐβλητος ἢ ἀμφοτέρα εἴη. Λαβεὼν δέ, ἐπὶ σοφία γνώριμος, ὁ πατὴρ Λαβεῶνος τοῦ κατ' ἐμπειρίαν νόμων ἔτι νῦν περιωνύμου, βόθρον ἐν τῇ σκηνῇ τὸ μέγεθος αὐτάρκη σώματι ὀρυζάμενος καὶ τὰ λοιπὰ τοῖς θεράπουσιν ἐντειλάμενος ἐπέσκηψε τῇ γυναικὶ καὶ τοῖς παισὶ, περὶ ὧν ἐβούλετο, καὶ τὰ γράμματα φέρειν ἔδωκε τοῖς οἰκέταις: τοῦ δὲ πιστοτάτου τῆς δεξιᾶς λαβόμενος καὶ περιστρέψας αὐτόν, ὥς ἔθος ἐστὶ Ῥωμαίοις ἐλευθεροῦν, ἐπιστρεφομένῳ ξίφος ἔδωκε καὶ τὴν σφαγὴν ὑπέσχε.

καὶ τῷδε μὲν ἡ σκηνὴ τάφος ἐγένετο, [136] Ῥάσκος δὲ ὁ Θρᾶξ ἐπανήγαγεν ἐκ τῶν ὁρῶν πολλοὺς, καὶ γέρας ἤτησέ τε καὶ ἔλαβε σφύζεσθαι τὸν ἀδελφὸν ἑαυτοῦ Ῥασκούπολιν: ᾧ καὶ διεδείχθη, ὅτι οὐδ' ἀπ' ἀρχῆς ἀλλήλοις οἶδε οἱ Θρᾶκες διεφέροντο, ἀλλὰ δύο στρατοπέδων μεγάλων τε καὶ ἀμφορίστων περὶ τὴν ἐκείνων γῆν συμφερομένων τὸ ἄδηλον τῆς τύχης ἐμερίσαντο, ἵνα ὁ νικῶν περισφύζοι τὸν ἡσώμενον. Πορκία δ', ἡ Βρούτου μὲν γυνή, Κάτωνος δὲ ἀδελφὴ τοῦ νεωτέρου, ἐπεῖτε ἀμφοῖν ὧδε ἀποθανόντων ἐπύθετο, φυλασσομένη πρὸς τῶν οἰκείων πάντῳ ἐγκρατῶς, ἐσχάρας πυρὸς ἐνεχθείσης ἀρπάσασα τῶν ἀνθρώκων κατέπιεν. ὅσοι δ' ἄλλοι τῶν ἐπιφανῶν ἐς Θάσον διέφυγον, οἱ μὲν αὐτῶν ἐξέπλευσαν, οἱ δὲ ἐπέτρεψαν ἑαυτοὺς ἅμα τῷ λοιπῷ στρατῷ τῶν ὁμοτίμων Μεσσάλα τε Κορουίνῳ καὶ Λευκίῳ Βύβλῳ, ὃ τι βουλευσοῖντο περὶ σφῶν, ποιεῖν περὶ πάντων. οἱ δὲ συνθέμενοι τοῖς περὶ τὸν Ἀντώνιον, Ἀντωνίῳ διαπλεύσαντι ἐς τὴν Θάσον παρέδοσαν, ὅσα ἦν ἐν Θάσῳ χρήματά τε καὶ ὅπλα καὶ τροφαὶ δαψιλεῖς καὶ ἄλλη παρασκευὴ πολλή.

[137] οὕτω μὲν διὴ Καίσαρί τε καὶ Ἀντωνίῳ διὰ τόλμης ἐπισφαλοὺς καὶ δυοῖν πεζομαχίαν τηλικούτον ἔργον ἤνυστο, οἷον οὐχ ἕτερον ἐγένετο πρὸ ἐκείνου. οὔτε γὰρ στρατὸς τοσοῦτος ἢ τοιοῦτος ἐς χεῖρας πρότερον ἦλθε Ῥωμαίων ἐκατέρωθεν, οὐχ ὑπὸ συντάξει πολιτικῇ στρατευσαμένων, ἀλλὰ ἀριστίνδην ἐπειλεγμένων οὐδ' ἀπειροπολέμων ἔτι, ἀλλ' ἐκ πολλοῦ γεγυμνασμένων ἐπὶ τε σφᾶς καὶ οὐκ ἀλλόφυλα ἢ βάρβαρα ἔθνη τρεπομένων. ἀλλὰ καὶ γλώσσης μιᾶς ὄντες καὶ τέχνης πολέμων μιᾶς καὶ ἀσκήσεως καὶ καρτερίας ὁμοίας, δυσκαταγώνιστοι παρ' αὐτὸ ἦσαν ἀλλήλοις. οὐδὲ ὁρμῇ καὶ τόλμῃ τοσηδέτινες ἐχρήσαντο ἐν πολέμῳ, πολῖται τε ὄντες ἀλλήλων καὶ οἰκεῖοι καὶ συστρατιῶται γενόμενοι. τεκμήριον δέ, ὅτι τῶν νεκρῶν ὁ ἀριθμὸς, ἐπανισουμένης ἐκατέρας μάχης, οὐκ ἐλάσσων ἔδοξεν οὐδὲ παρὰ τοῖς νικῶσιν εἶναι.

[138] ὁ δὲ στρατὸς ὁ Ἀντωνίου καὶ Καίσαρος τὸν τῶν στρατηγῶν λόγον ἐπηλήθευσαν, διὰ μιᾶς ἡμέρας καὶ δι' ἐνὸς ἔργου κίνδυνον ἔσχατον λιμοῦ καὶ δέος ἀπωλείας ἐς εὐπορίαν δαψιλῇ καὶ σωτηρίαν ἀσφαλῇ καὶ νίκην εὐκλεῇ μεταβαλόντες. ἀπῆντησέ γε μὴν αὐτοῖς καὶ ὁ συνιόντες ἐς τὴν μάχην ἐπεμαντεύσαντο Ῥωμαίοις: ἐκρίθη γὰρ αὐτῶν ἡ πολιτεία παρ' ἐκεῖνο τὸ ἔργον

μάλιστα καὶ οὐκ ἐπανῆλθεν ἐς δημοκρατίαν ἔτι, οὐδὲ πόνων αὐτοῖς ἐς ἀλλήλους ἐδέησεν ὁμοίων, χωρὶς γε τῆς μετ' οὐ πολὺ Ἀντωνίου καὶ Καίσαρος στάσεως, ὑστάτης Ῥωμαίοις γενομένης. τὰ δ' ἐν μέσῳ μετὰ Βροῦτον ὑπὸ τε Πομπηίου καὶ τῶν διαφυγόντων Κασσίου καὶ Βρούτου φίλων, λείψανα τοσησδε παρασκευῆς μεγάλα ἐχόντων, οὔτε ταῖς τόλμαις ὅμοια ἔτι ἐγίγνετο οὔτε ταῖς τῶν ἀνδρῶν ἢ πόλεων ἢ στρατῶν ἐς τοὺς ἡγεμόνας ὁρμαῖς· οὐ γάρ τις αὐτοῖς τῶν ἐπιφανῶν ἔτι οὐδ' ἡ βουλὴ οὐδὲ ἡ δόξα αὕτη, ὥς ἐς Κάσσιόν τε καὶ Βροῦτον, ἀπήντα.

Book 5

μετὰ δὲ τὸν Κασσίου καὶ Βρούτου θάνατον ὁ μὲν Καῖσαρ ἐπὶ τῆς Ἰταλίας ἦει, ὁ δὲ Ἀντώνιος ἐς τὴν Ἀσίαν, ἔνθα αὐτῷ συμβάλλει Κλεοπάτρα βασιλὶς Αἰγύπτου, καὶ εὐθὺς ὀφθεῖσα ἐκράτει. ὁ δὲ ἔρως ὅδε αὐτοῖς τε ἐκείνοις ἐς ἔσχατον ἔληξε κακοῦ καὶ ἐς ὅλην Αἴγυπτον ἐπ' ἐκείνους. ὅθεν ἂν τι καὶ Αἰγύπτιον εἴη τῆσδε τῆς βίβλου μέρος, ὀλίγον τε καὶ οὐκ ἄξιον ἐπιγραφῆς πω, διὸ δὴ καὶ τοῖς ἐμφυλίοις πολὺ πλείοσιν οὖσιν ἐπίμικτον. ἐγίνετο γὰρ δὴ καὶ μετὰ Κάσσιόν τε καὶ Βρούτον ἕτερα ἐμφύλια ὅμοια, στρατηγοῦ μὲν οὐδενὸς ὄντος ἐπὶ πᾶσιν ὥσπερ ἐκείνοις, κατὰ μέρος δὲ ἐτέρων, μέχρι Πομπηϊός τε Σέξτος, ὁ νεώτερος παῖς Πομπηίου Μάγνου, λοιπὸς ὢν ἔτι τῆσδε τῆς στάσεως, τοῖς ἀμφὶ τὸν Βρούτον ἐπανηρέθη, καὶ Λέπιδος ἐξέπεσε τοῦ μέρους τῆς ἡγεμονίας καὶ ἡ Ῥωμαίων ἀρχὴ πᾶσα περιήλθεν ἐς δύο μόνον, Ἀντωνιόν τε καὶ Καίσαρα. ἐγίνετο δὲ αὐτῶν ἕκαστα οὕτως.

[2] Κάσσιος ὁ Παρμήσιος ἐπὶ κλινὴν ὑπελέλειπτο μὲν ὑπὸ Κασσίου καὶ Βρούτου περὶ τὴν Ἀσίαν ἐπὶ νεῶν καὶ στρατοῦ, χρήματα ἐκλέγειν. Κασσίου δὲ ἀποθανόντος οὐδὲν ἐλπίζων ὅμοιον ἐν Βρούτῳ, Ῥοδίων ἐπελέξατο νῆας τριάκοντα, ὅσας ἐνόμιζε πληρώσειν, καὶ τὰς λοιπὰς διέπρησε χωρὶς τῆς ἱερᾶς, ἵνα μὴ δύναιτο νεωτερίσαι. καὶ ὁ μὲν τάδε πράξας ἀνήγετο ταῖς τε ἰδίαις καὶ ταῖς τριάκοντα, Κλώδιος δὲ ἐκ Βρούτου πεμφθεὶς ἐς Ῥόδον ἐπὶ νεῶν τρισκαίδεκα, τοὺς Ῥοδίους νεωτερίζοντας εὐρών 'έτεθνήκει γὰρ ἤδη καὶ ὁ Βρούτος', ἐξήγαγε τὴν φρουράν, οὗσαν ὀπλιτῶν τρισχιλίων, καὶ ἐς τὸν Παρμήσιον ἐχώρει. ἀφίκετο δὲ αὐτοῖς καὶ Τουρούλιος, ἐτέρας ναῦς ἔχων πολλὰς καὶ χρήματα, ὅσα προεξείλετο ἀπὸ τῆς Ῥόδου. ἐς δὴ τὸ ναυτικὸν τοῦτο ὡς ἐς ἤδη τινὰ ἰσχὺν συνέθεον, ὅσοι ἦσαν κατὰ μέρη τῆς Ἀσίας ἐπὶ τῶν ὑπηρεσιῶν, καὶ αὐτὸ ὀπλίταις τε ἐξ ὧν ἐδύναντο ἀνεπλήρουν καὶ ἐρέταις ἐκ θεραπόντων ἢ δεσμοτῶν, ἐπιπλέοντες δὲ ταῖς νήσοις καὶ ἀπὸ τῶν νησιωτῶν. ἦλθον δ' εἰς αὐτοὺς καὶ Κικέρων ὁ Κικέρωνος καὶ ὅσοι ἄλλοι τῶν ἐπιφανῶν ἐκ τῆς Θάσου διεπεφεύγεσαν. καὶ ταχὺ πλῆθος ἦν καὶ σύνταξις ἀξιόχρεως ἡγεμόνων τε καὶ στρατοῦ καὶ νεῶν. προσλαβόντες δὲ καὶ Λέπιδον μεθ' ἐτέρας δυνάμεως, ἡ Βρούτῳ καθίστατο Κρήτην, πρὸς Μούρκον καὶ Δομίτιον Ἀηνοβάρβον ἐπὶ μεγάλης δυνάμεως ὄντας ἐς τὸν Ἴονιον διέπλεον. καὶ αὐτῶν οἱ μὲν ἅμα τῷ Μούρκῳ διέπλευσαν ἐς Σικελίαν καὶ τὴν ἰσχὺν Πομπηῖῳ Σέξτῳ συνήψαν, οἱ δὲ κατέμειναν παρὰ Ἀηνοβάρβῳ καὶ τιν' αἴρεσιν ἐφ' ἑαυτῶν καθίσταντο.

τοιάδε μὲν ἐκ τῶν λειψάνων τῆς παρασκευῆς Κασσίου τε καὶ Βρούτου πρῶτα συνίστατο, [3] ὁ δὲ Καῖσαρ καὶ ὁ Ἀντώνιος ἐπὶ τῇ νίκῃ τῇ περὶ Φιλίππους ἔθουν τε λαμπρῶς καὶ τὸν στρατὸν ἐπῆνουν. καὶ ἐς τὴν δόσιν τῶν ἐπινικίων ὁ μὲν ἐς τὴν Ἰταλίαν ἐχώρει, τὴν τε γῆν αὐτοῖς διανεμήσων καὶ ἐς τὰς ἀποικίας καταλέξων 'ὥδε γὰρ αὐτὸς εἵλετο διὰ τὴν ἀρρωστίαν, ὁ δὲ Ἀντώνιος ἐς τὰ πέραν ἔθνη, συλλέξων τὰ χρήματα, ὅσα αὐτοῖς ὑπέσχηντο. διενείμαντο δὲ αὐθις ὅσα καὶ πρότερον ἔθνη καὶ ἐπελάμβανον τὰ Λεπίδου: τὴν τε γὰρ Κελτικὴν τὴν ἐντὸς Ἄλπεων ἐδόκει Καίσαρος ἀξιοῦντος

αὐτόνομον ἀφίεναι γνώμη τοῦ προτέρου Καίσαρος, ὃ τε Λέπιδος διεβάλλετο τὰ πράγματα Πομπηίῳ προδιδόναι: καὶ ὥριστο, εἰ Καίσαρι ψευδῆς ἢ διαβολῇ φανείη, ἕτερα ἀντιδοῦναι τῷ Λεπίδῳ. ἀφίεσαν δὲ καὶ τῆς στρατείας τοῦς ἐντελῇ χρόνον ἐστρατευμένους χωρὶς ὀκτακισχιλίων, οὓς δεηθέντας ἔτι στρατεῦσθαι σφίσιν ἀποδεξάμενοι διείλοντο καὶ συνελόχισαν ἐς στρατηγίδας τάξεις. ὁ δὲ λοιπὸς αὐτοῖς στρατὸς ἐγένετο, σὺν τοῖς μεταθεμένοις ἀπὸ Βρούτου, τέλη πεζῶν ἑνδεκα καὶ ἱππῆες μύριοις καὶ τετρακισχίλιοι. καὶ ἔσχεν αὐτῶν ὁ μὲν Ἀντώνιος διὰ τὴν ἀποδημίαν ἕξ τέλη καὶ ἱππέας μυρίου, ὁ δὲ Καῖσαρ ἱππέας τετρακισχιλίους καὶ τέλη πέντε: καὶ τῶνδε δὲ αὐτῶν Ἀντωνίῳ δύο ἔδωκεν, ἀντιληψόμενος ἐκ τῶν ὑπὸ Καληνῷ τοῦ Ἀντωνίου κατὰ τὴν Ἰταλίαν ὑπολελειμμένων.

[4] ὁ μὲν δὴ Καῖσαρ ἐπὶ τὸν Ἰόνιον ἦει, ὁ δὲ Ἀντώνιος ἐν Ἐφέσῳ γενόμενος τῇ θεῇ μεγαλοπρεπῶς ἔθυε καὶ τοὺς καταφυγόντας ἐκ τῆς Βρούτου καὶ Κασσίου συμφορᾶς ἐς τὸ ἱερὸν ἱκέτας ἀπέλυε, χωρὶς Πετρωνίου, συνεγνωκότες ἐπὶ τῷ φόνῳ Καίσαρος, καὶ Κοῖντου, προδόντος ἐν Λαοδικείᾳ Κασσίῳ Δολοβέλλαν. τοὺς δὲ Ἕλληνας καὶ ὅσα ἄλλα ἔθνη τὴν ἀμφὶ τὸ Πέργαμον Ἀσίαν νέμονται, κατὰ τε πρεσβείας παρόντας ἐπὶ συνθέσει καὶ μετακεκλημένους συναγαγὼν ἔλεξεν ὥδε:

ὕμᾱς ἡμῖν, ὧ ἄνδρες Ἕλληνες, Ἀτταλος ὁ βασιλεὺς ὑμῶν ἐν διαθήκαις ἀπέλιπε, καὶ εὐθὺς ἀμείνονες ὑμῖν ἤμεν Ἀττάλου: οὓς γὰρ ἐτελεῖτε φόρους Ἀττάλῳ, μεθήκαμεν ὑμῖν, μέχρι δημοκόπων ἀνδρῶν καὶ παρ' ἡμῖν γενομένων ἐδέησε φόρων. ἐπεὶ δὲ ἐδέησεν, οὐ πρὸς τὰ τιμήματα ὑμῖν ἐπεθήκαμεν, ὥς ἂν ἡμεῖς ἀκίνδυνον φόρον ἐκλέγοιμεν, ἀλλὰ μέρη φέρειν τῶν ἐκάστοτε καρπῶν ἐπετάζαμεν, ἵνα καὶ τῶν ἐναντίων κοινωνῶμεν ὑμῖν. τῶν δὲ ταῦτα παρὰ τῆς βουλῆς μισθουμένων ἐνυβριζόντων ὑμῖν καὶ πολὺ πλείονα αἰτούντων, Γάιος Καῖσαρ τῶν μὲν χρημάτων τὰ τρίτα ὑμῖν ἀνῆκεν ὧν ἐκείνοις ἐφέρετε, τὰς δ' ὕβρεις ἔπαυσεν: ὑμῖν γὰρ τοὺς φόρους ἐπέτρεψεν ἀγείρειν παρὰ τῶν γεωργούντων. καὶ τόνδε τοιόνδε ὄντα οἱ χρηστοὶ τῶν ἡμετέρων πολιτῶν τύραννον ἐκάλουν, καὶ ὑμεῖς αὐτοῖς συνετελεῖτε χρήματα πολλά, σφαγεῦσί τε οὖσι τοῦ ὑμετέρου εὐεργέτου, καὶ καθ' ἡμῶν τῶν τιμωρούντων ἐκείνῳ.

[5] τῆς δὲ δικαίας τύχης οὐχ, ὥς ἐβούλεσθε, ἀλλ', ὥς ἦν ἄξιον, κρινάσῃς τὸν πόλεμον, εἰ μὲν ὥς συναγωνισταῖς τῶν πολεμίων ἔδει χρῆσθαι, κολάσεως ὑμῖν ἔδει, ἐπεὶ δὲ ἐκόντες πιστεύομεν ὑμᾶς κατὰ ἀνάγκην τάδε πεποιηκέναι, τῶν μὲν μειζόνων ἀφίεμεν, χρημάτων δὲ ἡμῖν δεῖ καὶ γῆς καὶ πόλεων ἐς τὰ νικητήρια τοῦ στρατοῦ, τέλη δὲ ἐστὶν ὀκτῶ καὶ εἴκοσιν ὀπλιτῶν, ἃ μετὰ τῶν συντασσομένων εἰσὶ μυριάδες ἀνδρῶν ὑπὲρ ἑπτακαίδεκα, καὶ τούτων ἀνευθεν οἱ ἱππῆες καὶ ἕτερος ὅμιλος ἑτέρου στρατοῦ. ἐκ μὲν δὴ τοῦ πλήθους τῶν ἀνδρῶν τὸ πλῆθος τῆς χρείας συνορᾷν δύνασθε. τὴν δὲ γῆν καὶ τὰς πόλεις αὐτοῖς διαδώσω ὁ Καῖσαρ ἅπεισιν ἐς τὴν Ἰταλίαν, εἰ χρὴ τῷ λόγῳ τὸ ἔργον εἰπεῖν, ἀναστήσων τὴν Ἰταλίαν. ὑμᾶς δ', ἵνα μὴ γῆς καὶ πόλιν καὶ οἰκῶν καὶ ἱερῶν καὶ τάφων ἀνίστησθε, ἐς τὰ χρήματα ἐλογισάμεθα, οὐδὲ ἐς ἅπαντα ὁὐδὲ γὰρ ἂν δύνασθῆ, ἀλλὰ μέρος αὐτῶν καὶ βραχύτατον, ὃ καὶ πυθομένους ὑμᾶς ἀγαπήσειν οἶομαι. ἃ γὰρ ἔδοτε τοῖς ἡμετέροις ἐχθροῖς ἐν ἔτεσι δύο ἔδοτε δὲ φόρους δέκα ἐτῶν, ταῦτα λαβεῖν ἀρκέσει μόνα, ἀλλ' ἐνὶ ἔτει:

ἐπείγουσι γὰρ αἱ χρεῖαι. συνεῖσι δὲ τῆς χάριτος ὑμῖν τοσοῦτον ἂν ἐπέιποιμι, ὅτι μηδενὸς ἀμαρτήματος ἴσον ἐπιτίμιον ὀρίζεται.

[6] ὁ μὲν οὕτως ἔπεν, ἐς ὅκτῳ καὶ εἴκοσι τέλη πεζῶν τὴν χάριν περιφέρων, ὅτι, οἶμαι, τρία καὶ τεσσαράκοντα ἦν αὐτοῖς, ὅτε ἐν Μουτίνη συνηλλάσσοντο ἀλλήλοις καὶ τάδε ὑπισχνοῦντο, ὁ δὲ πόλεμος αὐτὰ ἐς τοσοῦτον ὑπενηνόχει: οἱ δὲ Ἕλληνες ἔτι λέγοντος αὐτοῦ ταῦτα ἐρρίπτουν ἑαυτοὺς ἐς τὸ ἔδαφος, ἀνάγκην καὶ βίαν ἐς αὐτοὺς ἐκ Βρούτου καὶ Κασσίου γενομένης ἐπιλέγοντες οὐκ ἐπιτιμίων ἀξίας εἶναι, ἀλλ' ἐλέου, δόντες δ' ἂν τοῖς εὐεργέταις ἐκόντες ἀπορεῖν διὰ τοὺς πολεμίους, οἷς οὐ τὰ χρήματα μόνον, ἀλλὰ καὶ τὰ σκεύη καὶ τοὺς κόσμους ἐσενεγκεῖν ἀντὶ τῶν χρημάτων, τοὺς δὲ αὐτὰ παρὰ σφίσιν ἐς νόμισμα χαλκεῦσαι. καὶ τέλος παρακαλοῦντες ἔτυχον ἐννέα ἐτῶν φόρους ἐσενεγκεῖν ἔτεσι δύο. βασιλεῦσι δὲ καὶ δυνάσταις καὶ πόλεσιν ἐλευθέραις ἄλλα ἐς τὴν ἐκάστων δύναμιν ἐπετάχθη.

[7] περιόντι δ' αὐτῷ τὰ ἔθνη Λευκίος τε ὁ Κασσίου ἀδελφὸς καὶ ὅσοι ἄλλοι τῶν δεδιότων ἐπεὶ τῆς ἐν Ἐφέσῳ συγγνώμης ἐπύθοντο, ἰκέται προσήεσαν. καὶ ἀπέλυε πάντας, πλην τοὺς συνεγνωκότας ἐπὶ φόνῳ Καίσαρος: τούτοις γὰρ δὴ μόνοις ἀδιάλλακτος ἦν. παρηγόρει δὲ καὶ τῶν πόλεων τὰς μάλιστα δεινὰ παθούσας, Λυκίους μὲν ἀτελεῖς φόρων ἀφίεις καὶ Ξάνθον οἰκίζειν παραινῶν, Ῥοδίοις δὲ διδοὺς Ἄνδρον τε καὶ Τήνον καὶ Νάξον καὶ Μύνδον, ἃς οὐ πολὺ ὕστερον ἀφηρέθησαν ὡς σκληρότερον ἄρχοντες. Λαοδικέας δὲ καὶ Ταρσέας ἐλευθέρους ἠφίει καὶ ἀτελεῖς φόρων: καὶ Ταρσέων τοὺς πεπραμένους ἀπέλυε τῆς δουλείας διατάγματι. Ἀθηναίους δ' ἐς αὐτὸν ἐλθοῦσι μετὰ Τήνον Αἴγιναν ἔδωκε καὶ Ἰκον καὶ Κέω καὶ Σκίαθον καὶ Πεπάρηθον. ἐπιπαριῶν δὲ Φρυγίαν τε καὶ Μυσίαν καὶ Γαλάτας τοὺς ἐν Ἀσίᾳ Καππαδοκίαν τε καὶ Κιλικίαν καὶ Συρίαν τὴν κοίλην καὶ Παλαιστίνην καὶ τὴν Ἰουραίαν καὶ ὅσα ἄλλα γένη Σύρων, ἅπασιν ἐσφοράς ἐπέβαλλε βαρείας καὶ διήτα πόλεσι καὶ βασιλεῦσιν, ἐν μὲν Καππαδοκίᾳ Ἀριαράθῃ τε καὶ Σισίνῃ, ὧν τῷ Σισίνῃ συνέπραξεν ἐς τὴν βασιλείαν, καλῆς οἱ φανείσης τῆς μητρὸς τοῦ Σισίνου Γλαφύρας: ἐν δὲ Συρίᾳ τοὺς κατὰ πόλεις ἐξήρει τυράννους.

[8] καὶ ἐν Κιλικίᾳ πρὸς αὐτὸν ἐλθούσης Κλεοπάτρας ἐμέμψατο μὲν ὡς οὐ μετασχούσης τῶν ἐπὶ Καίσαρι πόνων: τῆς δὲ οὐκ ἀπολογουμένης μᾶλλον ἢ καταλογιζομένης αὐτοῖς, ὅτι καὶ τὰ παρὰ οἷ τέσσαρα τέλη πρὸς Δολοβέλλαν αὐτίκα πέμψει, καὶ στόλον ἄλλον ἔτοιμον ἔχουσα κωλυθεῖν ὑπὸ τε ἀνέμου καὶ αὐτοῦ Δολοβέλλα, ταχυτέρας ἤσσης τυχόνφος, Κασσίῳ τε δις ἀπειλοῦντι μὴ συμμαχήσειε καὶ σφίσιν ἐκείνοις πολεμοῦσιν ἐς τὸν Ἰόνιον αὐτῇ τὸν στόλον ἔχουσα πλεύσειε μετὰ παρασκευῆς βαρυτάτης, οὔτε δείσασα Κάσσιον οὔτε φυλαξαμένη Μοῦρκον ναυλοχοῦντα, μέχρι χειμῶν τά τε ἄλλα διελυμήνατο καὶ αὐτὴν ἐς νόσον ἐνέβαλεν, ἥς δὴ χάριν οὐδ' ὕστερον ἐπαναχθῆναι νενικηκότων ἤδη, ὁ Ἀντώνιος ἐπὶ τῇ ὄψει τὴν σύνεσιν καταπλαγεὶς εὐθὺς αὐτῆς μειρακιωδῶς ἐαλώκει, καίπερ ἔτη τεσσαράκοντα γεγυνώς, λεγόμενος μὲν ὑγρότατος ἐς ταῦτα ἀεὶ φῦναι, λεγόμενος δ' ἐς ταύτην καὶ πάλαι, παῖδα ἔτι οὔσαν, ἐρέθισμά τι τῆς ὄψεως λαβεῖν, ὅτε ἐπὶ τὴν Ἀλεξάνδρειαν Γαβινίῳ στρατεύοντι νέος ἱπαρχῶν εἴπετο.

[9] εὐθὺς οὖν Ἀντωνίῳ μὲν ἡ περὶ ἅπαντα τέως ἐπιμέλεια ἀθρόα ἡμβλύνετο,

Κλεοπάτρα δ' ὅ τι προστάξειεν, ἐγίγνετο, οὐ διακριδὸν ἔτι περὶ τῶν ὁσίων ἢ δικαίων, ἐπεὶ καὶ τὴν ἀδελφὴν αὐτῆς Ἀρσινόην, ἱκέτιν οὖσαν ἐν Μιλήτῳ τῆς Λευκοφρυνηῆς Ἀρτέμιδος, πέμψας ὁ Ἀντώνιος ἀνέειλε, καὶ Σεραπίωνα, τὸν ἐν Κύπρῳ στρατηγὸν αὐτῆς, συμμαχήσαντα Κασσίῳ, Τυρίων ὄντα ἱκέτην, ἐκέλευσε τοὺς Τυρίους ἐκδοῦναι τῇ Κλεοπάτρᾳ, ἐκδοῦναι δὲ καὶ Ἀραδίους ἕτερον ἱκέτην, ὃν τινα, Πτολεμαίου τοῦ ἀδελφοῦ τῆς Κλεοπάτρας ἀφανοὺς ἐν τῇ πρὸς Καίσαρα κατὰ τὸν Νεῖλον ναυμαχίᾳ γενομένου, οἱ Ἀράδιοι εἶχον λέγοντα Πτολεμαῖον εἶναι. καὶ τὸν ἐν Ἐφέσῳ δὲ τῆς Ἀρτέμιδος ἱερέα, ὃν Μεγάβυζον ἡγοῦνται, ὑποδεξάμενόν ποτε τὴν Ἀρσινόην ὡς βασιλῖδα ἀχθῆναι μὲν ἐκέλευσεν, Ἐφεσίων δ' αὐτὴν Κλεοπάτραν ἱκετευσάντων μεθῆκεν. οὕτω μὲν ὁ Ἀντώνιος ἐνήλλακτο ταχέως, καὶ τὸ πάθος αὐτῷ τοῦτο ἀρχὴ καὶ τέλος τῶν ἔπειτα κακῶν ἐγένετο. ἀποπλευσάσης δὲ τῆς Κλεοπάτρας ἐς τὰ οἰκεῖα, ὁ Ἀντώνιος ἔπεμπε τοὺς ἱππέας Πάλμυρα πόλιν, οὐ μακρὰν οὖσαν ἀπὸ Εὐφράτου, διαρπάσαι, μικρὰ μὲν ἐπικαλῶν αὐτοῖς, ὅτι Ῥωμαίων καὶ Παρθυαίων ὄντες ἐφόριοι ἐς ἑκατέρους ἐπιδεξίως εἶχον ἔμποροι γὰρ ὄντες κομίζουσι μὲν ἐκ Περσῶν τὰ Ἰνδικὰ ἢ Ἀράβια, διατίθενται δ' ἐν τῇ Ῥωμαίων, ἔργῳ δ' ἐπινοῶν τοὺς ἱππέας περιουσιάσαι. Παλμυρηνῶν δὲ προμαθόντων καὶ τὰ ἀναγκαῖα ἐς τὸ πέραν τοῦ ποταμοῦ μετενεγκάντων τε καὶ ἐπὶ τῆς ὄχθης, εἴ τις ἐπιχειροίη σκευασαμένων τόξοις, πρὸς ἃ πεφύκασιν ἐξαιρέτως, οἱ ἱππεῖς τὴν πόλιν κενὴν καταλαβόντες ὑπέστρεψαν, οὔτε ἐς χεῖρας ἐλθόντες οὔτε τι λαβόντες.

[10] καὶ δοκεῖ τόδε τὸ ἔργον Ἀντωνίῳ τὸν μετ' οὐ πολὺ Παρθυικὸν πόλεμον ἐξάσαι, πολλῶν ἐκ Συρίας τυράννων ἐς αὐτοὺς συμφυγόντων. ἡ γὰρ Συρία μέχρι μὲν ἐπ' Ἀντίοχον τὸν Εὐσεβῆ καὶ τὸν τοῦ Εὐσεβοῦς υἱὸν Ἀντίοχον ὑπὸ τοῖς ἐκ Σελεύκου τοῦ Νικάτορος ἐβασιλεύετο, ὥς μοι περὶ Σύρων λέγοντι εἴρηται. Πομπηίου δ' αὐτὴν Ῥωμαίοις προσλαβόντος καὶ στρατηγὸν αὐτῇ Σκαῦρον ἀποδείξαντος, ἡ βουλὴ μετὰ Σκαῦρον ἔπεμψεν ἐτέρους καὶ Γαβίνιον τὸν Ἀλεξανδρεῦσι πολεμήσαντα, ἐπὶ δὲ Γαβινίῳ Κράσσον τὸν ἐν Παρθυαίοις ἀποθανόντα καὶ Βύβλον ἐπὶ τῷ Κράσσῳ. παρὰ δὲ τὴν Γαίῳ Καίσαρος ἄρα τελευτὴν καὶ στάσιν ἐπ' αὐτῇ κατὰ πόλεις ὑπὸ τυράννων εἶχετο, συλλαμβανόντων τοῖς τυράννοις τῶν Παρθυαίων: ἐσέβαλον γὰρ δὴ καὶ ἐς τὴν Συρίαν οἱ Παρθυαῖοι μετὰ τὴν Κράσσου συμφορὰν καὶ συνέπραξαν τοῖς τυράννοις. οὗς ὁ Ἀντώνιος ἐξελαύνων ὑποφεύγοντας ἐς τὴν Παρθυηνὴν καὶ τοῖς πληθήσιν ἐπιβάλλων ἐσφορὰς βαρυτάτας καὶ ἐς Παλμυρηνοὺς τάδε ἁμαρτῶν, οὐδ' ἐπέμεινε συστήσαι τὴν χώραν θορυβουμένην, ἀλλὰ τὸν στρατὸν ἐς τὰ ἔθνη διελὼν χειμάσσοντα αὐτὸς ἐς Αἴγυπτον ἦει πρὸς Κλεοπάτραν.

[11] ἡ δὲ αὐτὸν ἐπεδέχετο λαμπρῶς. καὶ ὁ μὲν ἐχείμαζεν ἐνταῦθα, ἄνευ σημείων ἡγεμονίας, ιδιώτου σχῆμα καὶ βίον ἔχων, εἴθ' ὥς ἐν ἀλλοτρίᾳ τε ἀρχῇ καὶ βασιλευδούσῃ πόλει, εἴτε τὴν χειμασίαν ὡς πανήγυριν ἄγων, ἐπεὶ καὶ φροντίδας ἀπετέθειτο καὶ ἡγεμόνων θεραπείαν, καὶ στολὴν εἶχε τετράγωνον Ἑλληνικὴν ἀντὶ τῆς πατρίου, καὶ ὑπόδημα ἦν αὐτῷ λευκὸν Ἀττικόν, ὃ καὶ Ἀθηναίων ἔχουσιν ἱερεῖς καὶ Ἀλεξανδρέων, καὶ καλοῦσι φαικάσιον. ἔξοδοί τε ἦσαν αὐτῷ ἐς ἱερὰ ἢ γυμνάσια ἢ φιλολόγων διατριβὰς μόναι καὶ δίαίτα μεθ'

Ἑλλήνων ὑπὸ Κλεοπάτρας, ἥ δὴ καὶ μάλιστα τὴν ἐπιδημίαν ἀνετίθει.

[12] καὶ τὰ μὲν περὶ Ἀντώνιον ἦν τοιαύδε: Καίσαρι δὲ ἐς τὴν Ῥώμην ἐπανιόντι ἢ τε νόσος αὔθις ἤκμαζεν ἐν Βρεντεσίῳ μάλιστα ἐπικινδύνως, καὶ φήμη διήνεγκεν αὐτὸν καὶ τεθνάναι. ῥάϊσας δ' ἐσήλθεν ἐς τὴν πόλιν καὶ τοῖς Ἀντωνίου τὰ γράμματα ἐδείκνυε τὰ Ἀντωνίου. οἱ δὲ Καληνόν τε προσέτασσον ἀποδοῦναι τὰ δύο τέλη τῷ Καίσαρι καὶ ἐς Λιβύην ἐπέστελλον Σεξσίῳ Λιβύης καὶ αὐτὸν Καίσαρι ἀποστῆναι. καὶ οἱ μὲν οὕτως ἐποιοῦν, ὁ δὲ Καῖσαρ οὐδὲν ἀνήκεστον ἀμαρτεῖν δόξαντι Λεπίδῳ Λιβύην ἀντὶ τῶν προτέρων ἐθνῶν ἐνήλλασσε καὶ τὰ λοιπὰ τῶν ἐπὶ ταῖς προγραφαῖς δεδημευμένων διεπίπρασκε. καταλέγοντι δ' αὐτῷ τὸν στρατὸν ἐς τὰς ἀποικίας καὶ τὴν γῆν ἐπινέμοντι δυσεργές ἦν. οἱ γὰρ στρατιῶται τὰς πόλεις ἤτουν, αἱ αὐτοῖς ἀριστίνδην ἦσαν ἐπειλεγμένοι πρὸ τοῦ πολέμου, καὶ αἱ πόλεις ἡξιοῦν τὴν Ἰταλίαν ἅπασαν ἐπινείμασθαι τὸ ἔργον ἢ ἐν ἀλλήλαις διαλαχεῖν τῆς τε γῆς τὴν τιμὴν τοῦς δωρουμένους ἤτουν, καὶ ἀργύριον οὐκ ἦν, ἀλλὰ συνιόντες ἀνὰ μέρος ἐς τὴν Ῥώμην οἱ τε νέοι καὶ γέροντες ἢ αἱ γυναῖκες ἅμα τοῖς παιδίοις, ἐς τὴν ἀγορὰν ἢ τὰ ἱερά, ἐθρήνουν, οὐδὲν μὲν ἀδικῆσαι λέγοντες, Ἰταλιῶται δὲ ὄντες ἀνίστασθαι γῆς τε καὶ ἐστίας οἷα δορίληπτοι. ἐφ' οἷς οἱ Ῥωμαῖοι συνήχθοντο καὶ ἐπεδάκρουν, καὶ μάλιστα, ὅτε ἐνθυμηθεῖεν οὐχ ὑπὲρ τῆς πόλεως, ἀλλ' ἐπὶ σφίσιν αὐτοῖς καὶ τῇ μεταβολῇ τῆς πολιτείας τόν τε πόλεμον γεγονότα καὶ τὰ ἐπινίκια διδόμενα καὶ τὰς ἀποικίας συνισταμένας τοῦ μηδ' αὔθις ἀνακῦψαι τὴν δημοκρατίαν, παρφοκισμένων τοῖς ἄρχουσι μισθοφόρων ἐτοίμων, ἐς ὃ τι χρῆζοιν.

[13] ὁ δὲ Καῖσαρ ταῖς πόλεσιν ἐξελογεῖτο τὴν ἀνάγκην, καὶ ἐδόκουν οὐδ' ὥς ἀρκέσειν. οὐδ' ἦρκουν, ἀλλὰ ὁ στρατὸς καὶ τοῖς γείτοσιν ἐπέβαινε σὺν ὕβρει, πλεονά τε τῶν διδομένων σφίσι περισπώμενοι καὶ τὸ ἄμεινον ἐκλεγόμενοι. οὐδὲ ἐπιπλήσσοντος αὐτοῖς καὶ δωρουμένου πολλὰ ἄλλα τοῦ Καίσαρος ἐπαύοντο, ἐπεὶ καὶ τῶν ἀρχόντων, ὥς δεομένων σφῶν ἐς τὸ ἐγκρατὲς τῆς ἀρχῆς, κατεφρόνουν. καὶ γὰρ αὐτοῖς ἡ πενταετία παρώδευε, καὶ τὸ ἀσφαλὲς ἡ χρεια συνήγεν ἀμφοτέροις παρ' ἀλλήλων, τοῖς μὲν ἡγεμόσιν ἐς τὴν ἀρχὴν παρὰ τοῦ στρατοῦ, τῷ στρατῷ δὲ ἐς τὴν ἐπικράτησιν ὧν ἔλαβον, ἢ τῶν δεδωκότων ἀρχὴ παραμένουσα. ὥς γὰρ αὐτῶν οὐ βεβαίως ἐπικρατήσοντες, εἰ μὴ βεβαίως ἄρχοιεν οἱ δόντες, ὑπερεμάχουν ἀπ' εὐνοίας ἀναγκαίου. πολλὰ δὲ καὶ ἄλλα τοῖς ἀπορουμένοις αὐτῶν ἐδωρεῖτο, δανειζόμενος ἐκ τῶν ἱερῶν, ὁ Καῖσαρ. ὅθεν τὴν γνώμην ὁ στρατὸς ἐς αὐτὸν ἐπέστρεφε, καὶ πλείων ὑπήντα χάρις ὥς γῆν ἅμα καὶ πόλεις καὶ χρήματα καὶ οἰκήματα δωρουμένων καὶ καταβοωμένων μὲν ἐπιφθόνως ὑπὸ τῶν ἀφαιρουμένων, φέροντι δὲ τὴν ὕβριν ἐς χάριν τοῦ στρατοῦ.

[14] ταῦτα δὲ ὁρῶν ὁ τε ἀδελφὸς ὁ τοῦ Ἀντωνίου Λεύκιος Ἀντώνιος, ὑπατεύων τότε, καὶ ἡ γυνὴ τοῦ Ἀντωνίου Φουλβία καὶ ὁ τῆς ἀποδημίας ἐπιτροπεύων τῷ Ἀντωνίῳ Μάνιος, ἵνα μὴ Καῖσαρος δόξειε τὸ ἔργον ἅπαν εἶναι μηδὲ μόνος αὐτοῦ τὴν χάριν ἀποφέρειτο μηδ' ἔρημος ὁ Ἀντώνιος εὐνοίας στρατιωτῶν γένοιτο, τὰς κατοικίσεις ἐτέχναζον ἐς τὴν ἐπιδημίαν Ἀντωνίου διατρίβειν. οὐ δυνατοῦ δὲ φαινομένου διὰ τὸν στρατὸν ἐπείγοντα, τοὺς οἰκιστὰς τῶν Ἀντωνίου τελῶν ἡξιοῦν Καίσαρα παρὰ σφῶν λαβεῖν, τῆς

μὲν συνθήκης Ἀντωνίου μόνῳ Καίσαρι διδούσης, ἐπιμεμφόμενοι δὲ ὥς οὐ παρόντι τῷ Ἀντωνίῳ. καὶ ἐς τὸν στρατὸν αὐτοὶ τὴν τε Φουλβίαν παράγοντες καὶ τὰ παιδιά τὰ Ἀντωνίου, μάλα ἐπιφθόνως ἰκέτευον μὴ περιδεῖν Ἀντώνιον ἢ δόξης ἢ χάριτος τῆς ἐς αὐτοὺς ὑπηρεσίας ἀφαιρούμενον. ἤκμαζε δὲ ἐν τῷ τότε μάλιστα τὸ κλέος τὸ Ἀντωνίου καὶ παρὰ τῷ στρατῷ καὶ παρὰ τοῖς ἄλλοις ἅπασι: τὸ γὰρ ἔργον τὸ ἐν Φιλίπποις διὰ τὴν τότε Καίσαρος ἀρρωστίαν ἅπαν ἡγοῦντο Ἀντωνίου γεγονέναι. ὁ δὲ Καῖσαρ οὐκ ἡγνόει μὲν ἀδικούμενος ἐς τὰ συγκείμενα, εἶξε δὲ ἐς χάριν Ἀντωνίου. καὶ οἱ μὲν τοὺς οἰκιστὰς ἐπὶ τοῖς Ἀντωνίου τέλεσιν ἀπέφαινον, οἱ δὲ οἰκιστὰι τοῖς στρατιώταις, ἵνα τι καὶ δοκοῖεν εὐνοώστεροι τοῦ Καίσαρος ἐς αὐτοὺς εἶναι, συνεχώρουν ἔτι πλεον ἀδικεῖν. ἄλλο δὴ πλῆθος ἦν ἐτέρων πόλεων, αἱ ταῖς νενεμημέναις γειτονεῦουσαι τε καὶ πολλὰ πρὸς τῶν στρατιωτῶν ἀδικούμενοι κατεβόων τοῦ Καίσαρος, ἀδικωτέρας εἶναι τὰς ἀποικίσσεις τῶν προγραφῶν: τὰς μὲν γὰρ ἐπὶ ἐχθροῖς, τὰς δὲ ἐπὶ μηδὲν ἀδικοῦσι γίνεσθαι.

[15] ὁ δὲ Καῖσαρ οὐκ ἡγνόει ἀδικουμένους. ἀμήχανα δ' ἦν αὐτῷ: οὔτε γὰρ ἀργύριον ἦν ἐς τιμὴν τῆς γῆς δίδοσθαι τοῖς γεωργοῖς, οὔτε ἀναβάλλεσθαι τὰ ἐπινίκια διὰ τοὺς ἔτι πολέμους, Πομπηίου μὲν ἐν τῇ θαλάσῃ κρατοῦντος καὶ τὴν πόλιν κλείοντος ἐς λιμὸν, Ἀηνοβάρβου δὲ καὶ Μούρκου στρατὸν καὶ ναῦς ἄλλας ἀγειρόντων ἀθυμοτέρων δὲ ἐς τὰ ἐσόμενα ὄντων τῶν στρατιωτῶν, εἰ μὴ τὰ πρότερα ἐπινίκια λάβοιεν. πολὺ δ' ἦν καὶ τὸ παροδεῦειν σφίσιν ἤδη τὴν τῆς ἀρχῆς πενταετίαν καὶ χρῆζειν αὐθις εὐνοίας στρατοῦ: διόπερ αὐτῶν καὶ τῆς ὕβρεως ἢ καταφρονήσεως ἐν τῷ τότε ἐκὼν ὑπερεώρα. ἐν γέ τοι τῷ θεάτρῳ, παρόντος αὐτοῦ, στρατιώτης ἀπορῶν οἰκείας ἔδρας παρήλθεν ἐς τοὺς καλουμένους ἱππέας: καὶ ὁ μὲν δῆμος ἐπεσημήνατο, καὶ ὁ Καῖσαρ τὸν στρατιώτην ἀνέστησεν, ὁ δὲ στρατὸς ἡγανάκτησε καὶ περιστάντες αὐτὸν ἀποχωροῦντα τοῦ θεάτρου τὸν στρατιώτην ἀπῆτουν, οὐχ ὀρώμενον ἡγούμενοι διεφθάρθαι. ἐπελθόντα δὲ ἐνόμιζον ἐκ τοῦ δεσποτηρίου νῦν προαχθῆναι ἀρνούμενόν τε καὶ τὰ γεγονότα διηγούμενον ψεύδεσθαι διδαχθέντα ἔλεγον καὶ ἐλοιδόρουν ὥς τὰ κοινὰ προδιδόντα: καὶ τὸ μὲν ἐν τῷ θεάτρῳ γενόμενον τοιόνδε ἦν.

[16] κεκλημένοι δ' ἐπὶ νέμησιν τότε γῆς ἐς τὸ πεδῖον τὸ Ἄρειον ὑπὸ σπουδῆς ἔτι νυκτὸς ἀφίκοντο, καὶ βραδύτερον αὐτοῖς τοῦ Καίσαρος ἐπίνοντος ἡγανάκτουν. Νώνιος δὲ λοχαγὸς ἐπέπλησεν αὐτοῖς σὺν παρρησίᾳ, τό τε πρέπον τοῖς ἀρχομένοις ἐς τὸν ἄρχοντα προφέρων καὶ τὴν Καίσαρος ἀσθένειαν, οὐχ ὑπεροψίαν. οἱ δὲ αὐτὸν τὰ μὲν πρῶτα ἔσκωπτον ὥς κόλακα, πλέονος δὲ ἐκατέρωθεν τοῦ διερεθίσματος γενομένου ἐλοιδόρουν τε καὶ ἔβαλλον καὶ φεύγοντα ἐδίωκον ἕς τε τὸν ποταμὸν ἐξαλόμενον ἐξειρύσαντες ἔκανον καὶ ἔρριψαν, ἔνθα παροδεύσειν ὁ Καῖσαρ ἔμελλεν. οἱ μὲν δὴ φίλοι τῷ Καίσαρι παρήνουν μηδὲ ἐπελθεῖν ἐς αὐτούς, ἀλλ' ἐκστήναι μανιδῶει φορᾷ. ὁ δ' ἐπῆει μὲν, ἀναθρέψειν ἔτι μᾶλλον αὐτῶν ἡγούμενος τὸ μανιδῶδες, εἰ μὴ ἀφίκοιτο, καὶ τὸν Νώνιον ἰδὼν ἐξέκλινεν, ὥς δὲ ὀλίγων ταῦτα δρασάντων ἐπεμέμφετο καὶ ἐς τὸ μέλλον ἀλλήλων φείδεσθαι παρήνει καὶ τὴν γῆν διένεμε, καὶ δωρεὰς αἰτεῖν τοῖς ἀξίοις ἐπέτρεπε καὶ τῶν οὐκ ἀξίων ἐνίοις ἐδίδου παρὰ γνώμην, μέχρι τὸ πλῆθος ἐκπλαγὲν αὐτοῦ τῆς βαρύτητος μετενόει καὶ ἡδεῖτο

καὶ κατεγίνωσκον αὐτῶν καὶ τοὺς ἐς τὸν Νώνιον ἁμαρτόντας ἡξίουσανεὐρόντα κολάσαι. ὁ δὲ καὶ γινώσκειν αὐτοὺς ἔφη καὶ κολάσειν αὐτῷ τῷ συνειδῶτι σφῶν μόνῳ καὶ τῇ παρ' ὑμῶν καταγνώσει. οἱ δὲ συγγνώμης τε ὁμοῦ καὶ τιμῆς καὶ δωρεῶν ἀζιωθέντες εὐθὺς αὐτὸν εὐφήμεον ἐκ μεταβολῆς.

[17] καὶ δύο μὲν εἰκόνες ἐκ πλεόνων αἶδε ἔστων τῆς τότε δυσαρχίας· αἷτιον δ' ἦν, ὅτι καὶ οἱ στρατηγοὶ ἀχειροτόνητοι ἦσαν οἱ πλείους ὥς ἐν ἐμφυλίοις καὶ οἱ στρατοὶ αὐτῶν οὐ τοῖς πατρίοις ἔθεσιν ἐκ καταλόγου συνήγοντο οὐδ' ἐπὶ χρεῖα τῆς πατρίδος, οὐδὲ τῷ δημοσίῳ στρατευόμενοι μᾶλλον ἢ τοῖς συνάγουσιν αὐτοὺς μόνοις, οὐδὲ τούτοις ὑπὸ ἀνάγκῃ νόμων, ἀλλ' ὑποσχέσεσιν ἰδίαις, οὐδὲ ἐπὶ πολεμίους κοινούς, ἀλλὰ ἰδίους ἐχθρούς, οὐδὲ ἐπὶ ξένους, ἀλλὰ πολίτας καὶ ὁμοτίμους. τάδε γὰρ πάντα αὐτοῖς τὸν στρατιωτικὸν φόβον ἐξέλυεν, οὔτε στρατεῦσθαι νομίζουσι μᾶλλον ἢ βοηθεῖν οἰκείᾳ χάριτι καὶ γνώμῃ, καὶ τοὺς ἄρχοντας ἡγουμένοις ὑπὸ ἀνάγκης αὐτῶν ἐς τὰ ἴδια ἐπιδεῖσθαι. τό τε αὐτομολεῖν, πάλαι Ῥωμαίοις ἀδιᾶλλακτον ὄν, τότε καὶ δωρεῶν ἡξιοῦτο· καὶ ἔπρασσον αὐτὸ οἱ τε στρατοὶ κατὰ πλῆθος καὶ τῶν ἐπιφανῶν ἀνδρῶν ἔνιοι, νομίζοντες οὐκ αὐτομολίαν εἶναι τὴν ἐς τὰ ὅμοια μεταβολήν. ὅμοια γὰρ δὴ πάντα ἦν, καὶ οὐδὲ ἕτερα αὐτῶν ἐς ἐχθραν κοινήν Ῥωμαίοις ἀπεκέκριτο· ἢ τε τῶν στρατηγῶν ὑπόκρισις μία, ὥς ἀπάντων ἐς τὰ συμφέροντα τῇ πατρίδι βοηθούντων, εὐχερεστέρους ἐποίει πρὸς τὴν μεταβολήν ὥς πανταχοῦ τῇ πατρίδι βοηθοῦντας. ἃ καὶ οἱ στρατηγοὶ συνιέντες ἔφερον, ὥς οὐ νόμῳ μᾶλλον αὐτῶν ἄρχοντες ἢ ταῖς δωρεαῖς.

[18] οὕτῳ μὲν ἐς στάσεις τότε πάντα, καὶ ἐς δυσαρχίαν τοῖς στασιάρχοις τὰ στρατόπεδα ἐτέτραπτο, τὴν δὲ Ῥώμην λιμὸς ἐπῆξεν, οὔτε τῆς θαλάσσης τι αὐτοῖς φερούσης διὰ Πομπήιον, οὔτε τῆς Ἰταλίας διὰ τοὺς πολέμους γεωργουμένης. ὁ δὲ καὶ γένοιτο, ἐς τοὺς στρατοὺς ἐδαπανᾶτο. ἐκλώπευόν τε οἱ πολλοὶ νυκτὸς ἐν τῇ πόλει καὶ κλοπῆς ἔτι βιαιότερον ἠνώχλουν, καὶ ἠνώχλουν ἀδεῶς, καὶ ἡ δόξα ἐς τοὺς στρατιώτας ἐφέρετο. ὁ δὲ λεῶς ἀπέκλειε τὰ ἐργαστήρια καὶ τὰς ἀρχὰς ἐξανίστη, ὥς οὔτε ἀρχῶν οὔτε τεχνῶν χρῆζοντες ἐν ἀπορούσῃ καὶ ληστευομένῃ πόλει.

[19] Λευκίῳ δὲ ὄντι δημοτικῷ καὶ δυσχεραίνοντι τῇ τῶν τριῶν ἀρχῇ, οὐδὲ ἐπὶ τῷ χρόνῳ παύσεσθαι νομιζομένη, προσκρούσματα ἐς τὸν Καίσαρα ἐγίνετο καὶ διαφοραὶ μείζους· τοὺς τε γεωργοὺς, ὅσοι τῆς γῆς ἀφηροῦντο, ἱκέτας γιγνομένους τῶν δυνατῶν ἐκάστου μόνος ὑπεδέχετο καὶ βοηθήσειν ὑπισχεῖτο, κάκεινων ὑπισχνουμένων ἀμυνεῖν, ἐς ὃ κελεύοι. ὅθεν αὐτὸν ὁ στρατὸς ὁ Ἀντωνίου κατεμέμφετο καὶ ὁ Καῖσαρ ὥς ἀντιπράσσοντα Ἀντωνίῳ, καὶ Φουλβίᾳ ὥς πολεμοποιοῦντα ἐν ἀκαίρῳ, μέχρι τὴν Φουλβίαν ὁ Μάνιος πανούργως μετεδίδαξεν ὥς εἰρηνευομένης μὲν τῆς Ἰταλίας ἐπιμενεῖν Ἀντώνιον Κλεοπάτρα, πολεμουμένης δ' ἀφίξεσθαι κατὰ τάχος. τότε γὰρ δὴ γυναικὸς τι παθοῦσα ἡ Φουλβία τὸν Λεύκιον ἐπέτριβεν ἐς τὴν διαφοράν. ἐξιόντος δὲ τοῦ Καίσαρος ἐς τὰ λοιπὰ τῶν κατοικίσεων, ἔπεμπεν ἐφομένους αὐτῷ τοὺς Ἀντωνίου παῖδας ἅμα τῷ Λευκίῳ, ὥς μηδὲν ἐκ τῆς ὄψεως ὁ Καῖσαρ ἐν τῷ στρατῷ πλεον ἔχοι. ἱπέων δὲ Καίσαρος ἐκτρεχόντων ἐπὶ τὴν Βρεττιῶν ἡῖονα, πορθουμένην ὑπὸ Πομπηίου, δόξας ὁ Λεύκιος ἢ ὑποκρινάμενος ἐφ' ἑαυτὸν καὶ τοὺς Ἀντωνίου παῖδας τόδε τὸ ἱπτικὸν

ἀπεστάλθαι, διέδραμεν ἐς τὰς Ἀντωνίου κατοικίας, συλλεγόμενος φρουρὰν τῷ σώματι, καὶ τὸν Καίσαρα τῷ στρατῷ διέβαλλεν ἐς ἀπιστίαν πρὸς Ἀντώνιον. ὁ δὲ ἀντεδίδασκεν αὐτοὺς, ὅτι αὐτῷ μὲν καὶ Ἀντωνίῳ πάντα εἶναι φίλια καὶ κοινά, Λεύκιον δὲ ὑφ' ἑτέρας γνώμης αὐτοὺς πολεμοποιεῖν ἐς ἀλλήλους ἀντιπράσσοντα τῇ τῶν τριῶν ἀρχῇ, δι' ἣν οἱ στρατευόμενοι τὰς ἀποικίας ἔχουσι βεβαίους· καὶ τοὺς ἱππέας εἶναι καὶ νῦν ἐν Βρεττίοις τὰ ἐντεταλμένα φυλάσσοντας.

[20] ὧν οἱ ἡγεμόνες τοῦ στρατοῦ πυνθανόμενοι διήτησαν αὐτοῖς ἐν Τεανῷ καὶ συνήλλαξαν ἐπὶ τοῖσδε, τοὺς μὲν ὑπάτους τὰ πάτρια διοικεῖν μὴ κωλυόμενους ὑπὸ τῶν τριῶν ἀνδρῶν, μηδενὶ δὲ γῆν ὑπὲρ τοὺς στρατευσαμένους ἐν Φιλίπποις ἐπινέμεσθαι, τὰ τε χρήματα τῶν δεδημευμένων καὶ τιμὰς τῶν ἐτι πιπρασκομένων καὶ τὸν στρατὸν Ἀντωνίου τὸν περὶ τὴν Ἰταλίαν ἐπ' ἴσης διανέμεσθαι καὶ μηδέτερον αὐτῶν ἐτι καταλέγειν ἐκ τῆς Ἰταλίας, στρατεύοντι δὲ ἐπὶ Πομπήιον τῷ Καίσαρι δύο συμμαχεῖν τέλη παρὰ Ἀντωνίου, ἀνεῶχθαι δὲ τὰς Ἀλπεις τοῖς ὑπὸ Καίσαρος πεμπομένοις ἐς τὴν Ἰβηρίαν καὶ μὴ κωλύειν αὐτοὺς ἐτι Ἀσίτιον Πολλίωνα, Λεύκιον δὲ ἐπὶ τοῖσδε συνηλλαγμένον ἀποθέσθαι τὴν φρουρὰν τοῦ σώματος καὶ πολιτεύειν ἀδεῶς. τάδε μὲν ἦν, ἃ συνέθεντο ἀλλήλοις διὰ τῶν ἡγεμόνων τοῦ στρατοῦ, ἐπράχθη γε μὴν αὐτῶν δύο μόνα τὰ τελευταῖα· καὶ Σαλουιδιηνὸς ἄκων αὐτῷ συμπεριῆλθε τὰς Ἀλπεις.

[21] οὐ γιγνομένων δὲ τῶν ἄλλων ἢ βραδυνόντων, ἐς Πραίνεστὸν ἀνεχώρει Λεύκιος, δεδιέναι λέγων Καίσαρα διὰ τὴν ἀρχὴν δορυφορούμενον, αὐτὸς ἀφροῦρητος ὧν. ἀνεχώρει δὲ καὶ Φουλβία πρὸς Λέπιδον, ἥδη λέγουσα περὶ τοῖς τέκνοις δεδιέναι· τοῦτον γὰρ ἀντὶ τοῦ Καίσαρος προυτίθει. καὶ τάδε μὲν ἐγράφετο παρ' ἐκατέρων Ἀντωνίῳ, καὶ φίλοι μετὰ τῶν γραμμάτων ἐς αὐτὸν ἐπέμποντο, οἱ διδάξιν ἐμὲλλον περὶ ἐκάστων. καὶ οὐχ εὖρον ἐρευνώμενος, ὅ τι σαφῶς ἀντεγράφετο αὐτοῖς. οἱ δὲ τῶν στρατῶν ἡγεμόνες συνομόσαντες κρινεῖν τοῖς ἄρχουσιν αὐθις, ὃ δοκοίη δίκαιον εἶναι, καὶ τοὺς ἀπειθοῦντας ἐς αὐτὸ συναναγκάσειν, ἐκάλουν ἐπὶ ταῦτα τοὺς περὶ Λεύκιον. οὐ δεξαμένων δ' ἐκείνων, ὁ Καῖσαρ ἐπιφθόνως αὐτοὺς ἐν τε τοῖς ἡγεμόσι τοῦ στρατοῦ καὶ παρὰ τοῖς Ῥωμαίων ἀρίστοις ἐπεμέμεφετο. οἱ δὲ ἐξέθεον ἐς τὸν Λεύκιον καὶ παρεκάλουν οἰκτεῖραι μὲν ἐπὶ τοῖς ἐμφυλίοις τὴν πόλιν καὶ τὴν Ἰταλίαν, δέξασθαι δὲ κοινῷ νόμῳ τὴν κρίσιν ἢ ἐπὶ σφῶν ἢ ἐπὶ τῶν ἡγεμόνων γενέσθαι.

[22] αἰδουμένου δὲ τοῦ Λευκίου τὰ τε λεγόμενα καὶ τοὺς λέγοντας, ὁ Μάνιος μάλα θρασέως ἔφη τὸν μὲν Ἀντώνιον οὐδὲν ἄλλ' ἢ χρήματα μόνα ἀγεῖρειν ἐν ξένοις ἀνδράσι, τὸν δὲ Καίσαρα καὶ τὴν στρατιὰν καὶ τὰ ἐπίκαιρα τῆς Ἰταλίας ταῖς θεραπείας προκαταλαμβάνειν· τὴν τε γὰρ Κελτικὴν Ἀντωνίῳ πρότερον δεδομένην ἐλευθεροῦν μετ' ἐξαπάτης Ἀντωνίου, καὶ τὴν Ἰταλίαν σχεδὸν ἅπασαν ἀντὶ μόνων ὀκτωκαίδεκα πόλεων τοῖς ἐστρατευμένοις καταγράφειν, τέσσαρσί τε καὶ τριάκοντα τέλεσιν ἀντὶ ὀκτὼ καὶ εἴκοσι τῶν συμμαχησάντων ἐπινέμειν οὐ γῆν μόνην, ἀλλὰ καὶ τὰ ἐκ τῶν ἱερῶν χρήματα, συλλέγοντα μὲν ὥς ἐπὶ Πομπήιον, ἐφ' ὃν οὐδὲ πω παρατάττεται λιμωττοῦσης ὧδε τῆς πόλεως, διαιροῦντα δὲ τοῖς στρατοῖς ἐς θεραπείαν κατὰ Ἀντωνίου καὶ τὰ δεδημευμένα οὐ πιπράσκοντα μᾶλλον ἢ δωρούμενον αὐτοῖς. χρῆναι δέ, εἰ

τῷ ὄντι εἰρηνεύειν ἐθέλοι, τῶν μὲν ἤδη διωκημένων ὑποσχεῖν λόγον, ἐς δὲ τὸ μέλλον, ἃ ἂν κοινῇ βουλευομένοις δοκῇ, μόνα πράσσειν. οὕτω μὲν θρασέως ὁ Μάνιος ἡξίου μήτε τὸν Καίσαρά τινος εἶναι κύριον ἔργου μήτε τὴν Ἀντωνίου συνθήκην βέβαιον, ὠρισμένου τῶν ἐγκεχειρισμένων ἑκάτερον αὐτοκράτορα εἶναι καὶ τὸ πρασσόμενον ὑπὸ ἀλλήλων εἶναι κύριον. πανταχόθεν οὖν ὁ Καῖσαρ ἑώρα πολεμῆσιόντας αὐτούς, καὶ παρεσκευάζοντο αὐτῶν ἑκάτεροι.

[23] δύο δὲ στρατοῦ τέλη τὰ ἐς Ἀγκῶνα πόλιν ᾠκισμένα, Καίσαρι τε ὄντα πατρῷα καὶ ἐστρατευμένα Ἀντωνίῳ, τῆς τε ἰδίας παρασκευῆς αὐτῶν πυθόμενοι καὶ τὴν εἰς ἑκάτερον σφῶν οἰκειότητα αἰδούμενοι, πρέσβεις ἔπεμψαν ἐς Ῥώμην, οἱ ἔμελλον ἑκατέρων ἐς διαλύσεις δεήσεσθαι. Καίσαρος δ' αὐτοῖς εἰπόντος οὐκ Ἀντωνίῳ πολεμεῖν, ἀλλ' ὑπὸ Λευκίου πολεμῆσθαι, συμβαλόντες οἱ πρέσβεις τοῖς ἡγεμόσι τοῦδε τοῦ στρατοῦ, κοινῇ πάντες ἐς Λεύκιον ἐπρέσβευον, ἀξιοῦντες αὐτὸν ἐς δίκην Καίσαρι συνελθεῖν: δῆλοί τε ἦσαν, ὃ πράξειν ἔμελλον, εἰ μὴ τὴν κρίσιν ὑποδέχοιτο. δεξαμένων δὲ τῶν ἀμφὶ τὸν Λεύκιον, χωρίον τε ὠριστο τῇ δίκῃ Γάβιοι πόλιν ἐν μέσῳ Ῥώμης τε καὶ Πραίνεστοῦ, καὶ συνέδριον τοῖς κρίνουσιν ἐγίνετο καὶ βήματα ἐν μέσῳ δύο τοῖς ἐροῦσιν ὡς ἐν δίκῃ. πρότερος δ' ὁ Καῖσαρ ἐλθὼν ἱππέας ἔπεμψεν ἐς τὴν πάροδον τοῦ Λευκίου, ἐρευνησομένους ἄρα, μὴ τίς ποθεν ὀρῶτο ἐνέδρα. καὶ οἱ ἱππῆες οἶδε ἐτέροις ἱππεῦσι τοῦ Λευκίου, προδρόμοις ἄρα ἢ καὶ τοῖσδε κατασκόποις, συμβαλόντες ἔκτεινάν τινες αὐτῶν. καὶ ἀνεχώρησε δεΐσας ὁ Λεύκιος, ὡς ἔλεγεν, ἐπιβουλήν: καλούμενός τε ὑπὸ τῶν ἡγεμόνων τοῦ στρατοῦ, παραπέμψειν αὐτὸν ὑπισχνουμένον, οὐκέτι ἐπέιθετο.

[24] οὕτω μὲν ἦσαν αἱ διαλύσεις ἄπρακτοι, καὶ πολεμεῖν ἐγνώκεσαν καὶ διαγράμμασιν ἤδη πικροῖς κατ' ἀλλήλων ἐχρῶντο. στρατὸς δὲ ἦν Λευκίῳ μὲν ὀπλιτῶν ἕξ τέλη, ὅσα αὐτὸς ἐς τὴν ὑπατείαν ἐλθὼν ἐστράτευσε, καὶ τὰ Ἀντωνίου ἑνδεκα ἔτερα, ὧν ἐστρατήγει Καληνός, σύμπαντα ταῦτα ἀνὰ τὴν Ἰταλίαν: Καίσαρι δὲ ἐν μὲν Καπύῃ τέσσαρα ἦν τέλη, καὶ περὶ αὐτὸν αἱ στρατηγίδες, ἕξ δὲ ἔτερα Σαλουιδηνὸς ἦγεν ἐξ Ἰβηρίας. καὶ χρήματα ἦν Λευκίῳ μὲν ἕξ ἐθνῶν τῶν ὑπὸ τὸν Ἀντώνιον οὐ πολεμουμένων, Καίσαρι δέ, ἃ εἰλήχει, πάντα χωρὶς Σαρδοῦς ἐπολεμεῖτο, ὅθεν ἐκ τῶν ἱερῶν ἐδανείζετο, σὺν χάριτι ἀποδώσειν ὑπισχνούμενος, ἀπὸ τε Ῥώμης ἐκ τοῦ Καπιτωλίου καὶ ἀπὸ Ἀντίου καὶ Λανουβίου καὶ Νεμοῦς καὶ Τίβυρος, ἐν αἷς μάλιστα πόλεσι καὶ νῦν εἰσι θησαυροὶ χρημάτων ἱερῶν δαψυλεῖς.

[25] Τετάρακτο δὲ αὐτῷ καὶ τὰ τῆς Ἰταλίας ἕξω. Πομπήιος γάρ ἐκ τῶν προγραφῶν καὶ κατοικίσεων τοῦ στρατοῦ καὶ τῆσδε τῆς Λευκίου διαφορᾶς ἐπὶ μέγα δόξης καὶ δυνάμεως ἦρτο. οἱ γὰρ περὶ σφῶν δεδιότες ἢ τὰ ὄντα ἀφαιρούμενοι ἢ τὴν πολιτείαν ὅλως ἀποστρεφόμενοι ἐς αὐτὸν ἐχώρουν μάλιστα: καὶ ἡ ἄλλη νεότης ὥρμημένη στρατεύεσθαι διὰ τὰ κέρδη καὶ οὐδὲν ἡγούμενοι διαφέρειν, ὅφ' ὅτῳ στρατεύσονται, Ῥωμαίοις πανταχοῦ συστρατευόμενοι, μᾶλλον ἐς τὸν Πομπήιον ἐχώρουν ὡς δικαιότερα αἰρούμενον. γεγένητό τε πλούσιος ἐκ τῆς θαλασσίας λείας καὶ ναῦς εἶχε πολλὰς καὶ πληρώματα ἐντελεῖ. Μοῦρκός τε ἀφῆκτο αὐτῷ δύο ἄγων στρατοῦ τέλη καὶ τοξότας πεντακοσίους καὶ χρήματα πολλὰ καὶ ναῦς ὀγσοήκοντα: καὶ τὸν ἄλλον στρατὸν ἐκ Κεφαληνίας μετεπέμπετο. ὅθεν τισὶ δοκεῖ τότε ὁ

Πομπήιος ἐπελθὼν εὐμαρῶς ἂν τῆς Ἰταλίας κρατῆσαι, ὑπὸ τε λιμοῦ καὶ στάσεως διεφθαρμένης καὶ ἐς αὐτὸν ἀφορώσης.

[26] ἀλλὰ Πομπηίῳ μὲν ὑπὸ ἀφροσύνης οὐκ ἐπιχειρεῖν, ἀλλὰ ἀμύνεσθαι μόνον ἐδόκει, μέχρι καὶ τοῦδε ἥσσω ἐγένετο: ἐν δὲ Λιβύῃ Σέξστιος, ὑπαρχος Ἀντωνίου, παρεδεδώκει μὲν ἄρτι τὸν στρατὸν, ὑπὸ Λευκίου κεκελευσμένος, Φάγγωνι τῷ Καίσαρος, ἐπισταλὲν αὐθις ἀναλαμβάνειν αὐτὸν οὐκ ἀποδιδόντι τῷ Φάγγωνι ἐπολέμει, συναγαγὼν τινὰς τῶν ἀπεστρατευμένων καὶ Λιβύων πλῆθος ἄλλο καὶ ἐτέρους παρὰ τῶν βασιλέων. ἡττηθέντων δὲ τῶν κερῶν ἐκατέρων καὶ ληφθέντων τῶν στρατοπέδων, ὁ Φάγγων ἡγούμενος ἐκ προδοσίας τάδε παθεῖν αὐτὸν διεχρήσατο. καὶ Λιβύης μὲν αὐθις ὁ Σέξστιος ἐκατέρας ἐκράτει: Βόκχον δὲ τὸν Μαυρουσίῳ βασιλέα Λεύκιος ἐπεισε πολεμεῖν Καρρίνα τῷ τὴν Ἰβηρίαν ἐπιτροπεύοντι τῷ Καίσαρι. Ἀννόβαρβός τε ἑβδομήκοντα ναυσὶ καὶ στρατοῦ δύο τέλεσι καὶ τοξόταις καὶ σφενδονήταις τισὶ καὶ ψιλοῖς καὶ μονομάχοις περιπλέων τὸν Ἰόνιον ἐπόρθει τὰ τοῖς τρισὶν ἀνδράσιν ὑπήκοα, ἔς τε τὸ Βρεντέσιον ἐπιπλεύσας τῶν Καίσαρος τριήρων τὰς μὲν εἴλε, τὰς δὲ ἐνέπρησε, καὶ τοὺς Βρεντεσίους ἐς τὰ τεῖχη κατέκλεισε καὶ τὴν χώραν προυνόμειν.

[27] ὁ δὲ Καῖσαρ ἐς τὸ Βρεντέσιον στρατιωτῶν τέλος ἔπεμπε καὶ Σαλουιδιηνὸν κατὰ σπουδὴν ἐκ τῆς ἐς Ἰβηρίαν ὁδοῦ μετεκάλει. τοὺς τε στρατολογήσοντας σφίσιν ἀνὰ τὴν Ἰταλίαν ὁ Καῖσαρ καὶ ὁ Λεύκιος περιέπεμπον: πείραί τε τούτων τῶν ξεναγῶν ἦσαν ἐς ἀλλήλους βραχυτέραι καὶ μείζους καὶ ἐνέδραι πολλάκις, ἡ δὲ εὐνοία τῶν Ἰταλῶν ἐς τὸν Λεύκιον παρὰ πολὺ ἐποίει, ὥς ὑπὲρ σφῶν τοῖς κληρουχομένοις πολεμοῦντα. καὶ οὐχ αἱ καταγραφόμεναι τῷ στρατῷ πόλεις ἔτι μόναι, ἀλλ' ἡ Ἰταλία σχεδὸν ἅπασα ἀνίστατο, φοβούμενὴ τὰ ὅμοια: τοὺς τε τῷ Καίσαρι κιχραμένους ἐκ τῶν ἱερῶν χρημάτων ἐκβάλλοντες ἐκ τῶν πόλεων ἢ ἀναιροῦντες, τὰ τεῖχη σφῶν διὰ χειρὸς εἶχον καὶ πρὸς τὸν Λεύκιον ἐχώρουν. ἐχώρουν δὲ καὶ οἱ κατοικιζόμενοι τῶν στρατιωτῶν ἐς τὸν Καίσαρα, ὥς ἐς οἰκεῖον ἤδη πόλεμον ὑπὲρ σφῶν ἑκάτεροι διαρούμενοι.

[28] καὶ τῶνδε γιγνομένων ὁ Καῖσαρ ὅμως ἔτι τὴν τε βουλὴν καὶ τοὺς καλουμένους ἱππέας συναγαγὼν ἔλεγεν ὧδε: ‘καταγινώσκομαι μὲν, εὖ οἶδα, ὑπὸ τῶν περὶ Λεύκιον, οὐκ ἀμυνόμενος αὐτούς, εἰς ἀσθένειαν ἢ ἀτολμίαν, ἃ καὶ νῦν μου καταγνώσκονται διὰ τήνδε τὴν σύνοδον ὑμῶν: ἐμοὶ δὲ ἔρρωται μὲν ὁ στρατός, ὅσος τέ μοι συναδικεῖται τὴν κληρουχίαν ἀφαιρούμενος ὑπὸ Λευκίου καὶ ὁ ἄλλος, ὃν ἔχω, ἔρρωται δὲ καὶ τὰ λοιπὰ πλὴν τῆς γνώμης μόνης. οὐ γὰρ ἡδύ μοι πολεμεῖν ἐμφυλίους πολέμους χωρὶς ἀνάγκης βαρείας, οὐδὲ καταχρῆσθαι τῶν πολιτῶν τοῖς ἔτι λοιποῖς κατ' ἀλλήλων, καὶ μάλιστα τοῦδε τοῦ ἐμφυλίου οὐκ ἐκ Μακεδονίας ὑμῖν ἡ Θράκης ἀκουσθησομένου, ἀλλ' ἐν αὐτῇ τῇ Ἰταλίᾳ γενησομένου, ἣν πόσα χρή χωρὶς τῶν ἀπολλυμένων ἀνδρῶν κακοπαθῆσαι, γιγνομένην στάδιον ἡμῖν. ἐγὼ μὲν δὴ διὰ τὰδε ὀκνῶ καὶ νῦν ἔτι μαρτύρομαι μηδὲν ἀδικεῖν Ἀντώνιον μηδὲ ἀδικεῖσθαι πρὸς Ἀντώνιον: ὑμᾶς δὲ ἐλέγξει τοὺς ἀμφὶ τὸν Λεύκιον τάδε δι' ὑμᾶς αὐτοὺς καὶ συναλλάξαι μοι παρακαλῶ. καὶ εἰ μὴ πείθοντο μηδὲ νῦν, ἐκείνοις μὲν αὐτίκα δεῖξω τὰ μέχρι νῦν εὐβουλίαν, οὐ δειλίαν οὔσαν, ὑμᾶς δὲ καὶ παρ' ὑμῖν αὐτοῖς

καὶ πρὸς Ἀντώνιον ἀξίῳ μάρτυρας εἶναι μοι καὶ συνίστασθαι διὰ τὴν ὑπεροψίαν Λευκίου.

[29] ταῦτ' εἶπεν ὁ Καῖσαρ. καὶ τούτων οἱ μὲν δὴ πάλιν ἐς τὸ Πραίνεστον ἐξέτρεχον· καὶ ὁ Λεύκιος τοσόνδε εἶπεν, ὅτι καὶ τῶν ἔργων ἤδη προειλήφασιν ἀμφοτέρω καὶ ὁ Καῖσαρ ὑποκρίνεται, τέλος ἄρτι πέμψας ἐς τὸ Βρεντέσιον κωλύειν Ἀντώνιον ἐπανιόντα. ὁ δὲ Μάνιος καὶ ἐπιστολὴν ἐδείκνυε τοῦ Ἀντωνίου, εἴτε πλασάμενος εἴτε ἀληθῆ, πολεμεῖν, ἐάν τις αὐτοῦ τὴν ἀξίωσιν καθαιρῇ. ἐρομένων δὲ τῶν ἀπὸ τῆς βουλῆς, εἰ καθαιροῖτό τι τῆς ἀξιώσεως Ἀντωνίου, καὶ προκαλουμένων ἐς δίκην περὶ τοῦδε, ἕτερα αὖ πολλὰ ἐσοφίζετο ὁ Μάνιος, ἕως οἱ μὲν ἀπῆλθον ἄπρακτοι, καὶ οὐ συνῆλθον ἐς τὴν ἀπόκρισιν τῷ Καίσαρι, εἴτε καθ' ἑαυτὸν ἀπαγγείλας ἕκαστος εἴτε δι' ἑτέραν γνώμην εἴτε ὑπὸ αἰδοῦς· ὁ δὲ πόλεμος ἀνέφικτο, καὶ ὁ Καῖσαρ ἐπ' αὐτὸν ἐξῆι, φύλακα τῆς Ῥώμης Λέπιδον σὺν δύο τέλεσι καταλιπών. οἱ δὲ πολλοὶ τῶν ἐπιφανῶν τότε μάλιστα ἐπεδείκνυνον οὐκ ἀρέσκεσθαι τῇ τῶν τριῶν ἀρχῇ· ἐς γὰρ τὸν Λεύκιον ἐχώρουν.

[30] καὶ ἦν τὰ κεφαλαια τοῦ πολέμου τοιαῦτα. Λευκίου μὲν δὴ δύο τέλη περὶ Ἄλβην ἐστασίασε καὶ τοὺς ἄρχοντας ἐκβαλόντα ἐς ἀπόστασιν ἐχώρει· ἐπειγομένων δὲ ἐς αὐτὰ Καῖσαρός τε καὶ Λευκίου, φθάσας τὸν Καῖσαρα ὁ Λεύκιος ἀνεσώσατο αὐτὰ χρήμασί τε πολλοῖς καὶ ὑποσχέσεσι μεγάλαις. Φουρνίου δ' ἄλλον στρατὸν ἄγοντος τῷ Λευκίῳ, ὁ Καῖσαρ ἐξήπτετο τῆς οὐραγίας· ἐς δὲ λόφον ἀναδραμόντι τῷ Φουρνίῳ καὶ νυκτὸς ἐς ὁμογνώμονα πόλιν ἐπειγομένῳ Σεντίαν, νυκτὸς μὲν οὐχ ἔσπετο ὁ Καῖσαρ ἐνέδραν ὑποπτεῶν, ἡμέρας δὲ τὴν τε Σεντίαν ὁμοῦ καὶ τὸ τοῦ Φουρνίου στρατόπεδον ἐπολιόρκει. Λεύκιος δὲ ἐς Ῥώμην ἐπειγόμενος τρεῖς μὲν τάξεις προὔπεμψεν, αἱ νυκτὸς ἔλαθον ἐς τὴν πόλιν ἐσδραμοῦσαι, αὐτὸς δὲ σὺν πολλῷ στρατῷ καὶ ἱππεῦσι καὶ μονομάχοις εἶπετο. καὶ αὐτὸν Νωνίου τοῦ φύλακος τῶν πυλῶν δεξαμένου τε καὶ τὸν ὑφ' αὐτῷ στρατὸν ἐγχειρίσαντος, ὁ μὲν Λέπιδος ἐς Καῖσαρα ἔφευγεν, ὁ δὲ Λεύκιος Ῥωμαίοις ἐδημηγόρει, Καῖσαρα μὲν καὶ Λέπιδον αὐτίκα δώσειν δίκην ἀρχῆς βιαίου, τὸν δὲ ἀδελφὸν αὐτὴν ἐκόντα ἀποθήσεσθαι καὶ ὑπατείαν ἀλλάξεσθαι, νομιμωτέραν ἀρχὴν παρανόμου καὶ πάτριον ἀντὶ τῆς τυραννικῆς.

[31] καὶ ὁ μὲν τάδε εἰπών, ἡδομένων ἀπάντων καὶ ἡγουμένων ἤδη λελύσθαι τὴν τῶν τριῶν ἀρχήν, αὐτοκράτωρ ὑπὸ τοῦ δήμου προσαγορευθεὶς ἐπὶ τὸν Καῖσαρα ἐχώρει καὶ στρατὸν ἡθροίζεν ἄλλον ἐκ τῶν ἀποικίδων Ἀντωνίου πόλεων καὶ αὐτὰς ἐκρατύνετο. αἱ δὲ δι' εὐνοίας μὲν ἦσαν Ἀντωνίῳ, Βαρβάτιος δὲ ὁ Ἀντωνίου ταμίας, Ἀντωνίῳ τι προσκρούσας καὶ διὰ ταῦτ' ἐπανιών, ἔλεγε πυνθανομένοις τὸν Ἀντώνιον χαλεπαίνειν τοῖς πολεμοῦσι τῷ Καίσαρι κατὰ τῆς κοινῆς σφῶν δυναστείας. καὶ οἱ μὲν, ὅσοι μὴ τῆς ἐξαπάτης ἦσθοντο τῆς Βαρβατίου, ἐς τὸν Καῖσαρα ἀπὸ τοῦ Λευκίου μετετίθεντο· ὁ δὲ Λεύκιος ὑπὴντα Σαλουιδιηνῷ μετὰ στρατοῦ πολλοῦ πρὸς Καῖσαρα ἐκ Κελτῶν ἐπανιόντι. καὶ εἶποντο τῷ Σαλουιδιηνῷ Ἀσίνιός τε καὶ Οὐεντίδιος, Ἀντωνίου στρατηγοὶ καὶ οἷδε, κωλύοντες αὐτὸν ἐς τὸ πρόσθεν ἰέναι. Ἀγρίππας δέ, φίλτατος Καῖσαρι, δείσας ἐπὶ τῷ Σαλουιδιηνῷ μὴ κυκλωθεῖν, Σούτριον κατέλαβε, χωρίον τι χρήσιμον τῷ Λευκίῳ, νομίσας τὸν Λεύκιον ἀπὸ τοῦ

Σαλουιδινοῦ περισπᾶσιν ἐφ' ἑαυτὸν καὶ οἷ τὸν Σαλουιδινὸν βοηθήσειν, κατόπιν τοῦ Λευκίου γενόμενον. καὶ τότε μὲν, ὡς προσεδόκησεν ὁ Ἀγρίππας, ἐγίνετο ἅπαντα: ὁ δὲ Λεύκιος ἀποτυχὼν ὧν ἐπενόει, πρὸς Ἀσίνιον καὶ Οὐεντίδιον ἦει, ἐνοχλοῦντων αὐτὸν ἐκατέρωθεν Σαλουιδινοῦ τε καὶ Ἀγρίππου καὶ φυλασσόντων, ὅτε μάλιστα περιλάβοιεν ἐν τοῖς στενοῖς.

[32] ἐκφανείσης δὲ παρ' αὐτὰ τῆς ἐπιβουλῆς ὁ Λεύκιος οὐ θαρρῶν ἀμφοτέροις ἐκατέρωθεν οὖσιν ἐς χεῖρας ἰέναι ἐς Περυσίαν παρήλθεν, ἐχυρὰν πόλιν, καὶ παρ' αὐτὴν ἐστρατοπέδευσε, τοὺς περὶ τὸν Οὐεντίδιον περιμένων. ὁμοῦ δ' αὐτὸν τε καὶ τὴν Περυσίαν ὁ Ἀγρίππας καὶ ὁ Σαλουιδινὸς καὶ ὁ Καῖσαρ ἐπελθὼν τρισὶ στρατοπέδοις ἐκυκλώσαντο: καὶ τὸν ἄλλον στρατὸν ὁ Καῖσαρ ἐκάλει πανταχόθεν κατὰ σπουδὴν ὡς ἐπὶ τοῦτο δὴ κεφάλαιον τοῦ πολέμου, ἐν ᾧ Λεύκιον εἶχε περιειλημμένον. προύπεμπε δὲ καὶ ἐτέρους, ἐμποδῶν εἶναι τοῖς ἀμφὶ τὸν Οὐεντίδιον ἐπιούσιν. οἱ δὲ καὶ αὐτοὶ διὰ σφῶν ὄκνουν ἐπείγεσθαι, τὸν τε πόλεμον ἀποδοκιμάζοντες ὅλως καὶ τὴν Ἀντωνίου γνώμην οὐκ ἐπιστάμενοι καὶ τὴν ἡγεμονίαν τῆς στρατιᾶς οὐ παριέντες ἀλλήλοις κατ' ἀξίωσιν οὐδέτερος. ὁ δὲ Λεύκιος οὐτ' ἐς μάχην ἦει τοῖς περικαθημένοις, ἀμείνοσι καὶ πλέοσιν οὖσι καὶ γεγυμνασμένοις, νεοστράτευτον ἔχων τὸ πλεόν, οὔτε ἐς ὁδοιπορίαν, ἐνοχλησόντων αὐτὸν ὁμοῦ τοσῶνδε. Μάνιον δὲ ἐς τὸν Οὐεντίδιον καὶ Ἀσίνιον ἔπεμπε, ἐπείγειν αὐτοὺς βοηθεῖν πολιορκουμένῳ Λευκίῳ, καὶ Τισιγνὸν μετὰ τετρακισχιλίων ἱππέων, λεηλατεῖν τὰ Καίσαρος, ἵνα ἀνασταίῃ. αὐτὸς δὲ παρήλθεν ἐς τὴν Περυσίαν ὡς ἐν ὀχυρᾷ πόλει χειμάσων, εἰ δύο, μέχρι τοὺς περὶ τὸν Οὐεντίδιον ἀφικέσθαι.

[33] καὶ ὁ Καῖσαρ αὐτίκα μετὰ σπουδῆς ἅπαντι τῷ στρατῷ τὴν Περυσίαν ἀπετείχιζε χάρακι καὶ τάφρῳ, πεντήκοντα καὶ ἕξ σταδίους περιῶν διὰ τὸ τῆς πόλεως λοφῶδες καὶ σκέλη μακρὰ ἐπὶ τὸν Τίβεριν ἐκτείνων, ἵνα τι ἐς τὴν Περυσίαν μὴ ἐσφέροίτο. ἀντεπονεῖτό γε μὴν καὶ ὁ Λεύκιος, ἐτέροις ὁμοίοις χαρακώμασι καὶ τάφροις τὴν πέζαν ὀχυρούμενος τοῦ λόφου. καὶ Φουλβία Οὐεντίδιον καὶ Ἀσίνιον καὶ Ἀτίον καὶ Καληνὸν ἐκ τῆς Κελτικῆς ἠπειγὲ βοηθεῖν Λευκίῳ καὶ στρατὸν ἄλλον ἀγείρασα Πλάγκον ἔπεμπε ἄγειν Λευκίῳ. Πλάγκος μὲν δὴ τέλος τοῦ Καίσαρος ἐς Ῥώμην ὁδεύον διέφθειρεν: Ἀσινίου δὲ καὶ Οὐεντιδίου σὺν μὲν ὄκνῳ καὶ διχονοίᾳ τῆς Ἀντωνίου γνώμης, διὰ δὲ Φουλβίαν ὁμῶς καὶ διὰ Μάνιον ἐς τὸν Λεύκιον ἰόντων καὶ τοὺς ἀποκλείοντας βιαζομένων, ὁ Καῖσαρ ὑπήντα σὺν Ἀγρίππᾳ, φυλακὴν τῆς Περυσίας καταλιπὼν. οἱ δὲ οὔτε τῷ συμβαλόντες ἀλλήλοις οὔτε σὺν προθυμίᾳ χωροῦντες, ὁ μὲν αὐτῶν ἐς Ῥάβενναν, ὁ δ' ἐς Ἀρίμινον, ὁ δὲ Πλάγκος ἐς Σπωλήτιον συνέφυγον. καὶ ὁ Καῖσαρ αὐτῶν ἐκάστῳ στρατὸν ἐπιστήσας, ἵνα μὴ πρὸς ἀλλήλους συνέλθοιεν, ἐς τὴν Περυσίαν ἐπανῆλθε καὶ μετὰ σπουδῆς τὰς τάφρους προσεσταύρου καὶ ἐδιπλασίαζε τὸ βάθος καὶ πλάτος ὡς τριάκοντα πόδας ἀμφοτέρα εἶναι, τό τε περιτείχισμα ὕψους καὶ πύργους ἐπ' αὐτοῦ ξυλίνους δι' ἐξήκοντα ποδῶν ἴσθι χιλίους καὶ πεντακοσίους: καὶ ἐπάλλεις τε ἦσαν αὐτῷ πυκναὶ καὶ ἡ ἄλλη παρασκευὴ πᾶσα διμέτωπος, ἕς τε τοὺς πολιορκουμένους καὶ εἰ τις ἐξῴθεν ἐπίοι. ἐγίνετο δὲ ταῦτα σὺν πείραις πολλαῖς καὶ μάχαις, ἀκοντίζειν μὲν ἀμεινόνων ὄντων τῶν Καίσαρος, συμπλέκεσθαι δὲ τῶν Λευκίου μονομάχων: καὶ πολλοὺς ἔκτεινον

συμπλεκόμενοι.

[34] ὥς δὲ ἐξείργαστο πάντα τῷ Καίσαρι, λιμὸς ἤπτετο τοῦ Λευκίου, καὶ τὸ κακὸν ἤκμαζεν ἀγρίως ἅτε μηδὲν αὐτοῦ μηδὲ τῆς πόλεως προπαρεσκευασμένης. ὢν ὁ Καῖσαρ αἰσθόμενος ἀκριβεστέρας τὰς φυλακὰς ἐποίει. νουμηνίας δὲ ἔτους ἐς τὴν ἐπιοῦσαν ἡμέραν οὔσης, φυλάξας ὁ Λεύκιος τὴν ἐορτὴν ὥς ἀμελείας τοῖς πολεμίοις αἰτίαν ἐξέθορε νυκτὸς ἐπὶ τὰς πύλας αὐτῶν ὥς διεκπαίσων αὐτοὺς καὶ στρατιὰν ἐπαξόμενος ἑτέραν: πολλὴ γὰρ ἦν αὐτῷ πολλαχοῦ. ταχὺ δὲ τοῦ πλησίον ἐφεδρεύοντος τέλους καὶ τοῦ Καίσαρος αὐτοῦ σὺν ταῖς στρατηγίσι σπεύrais ἐπιδραμόντων, ὁ Λεύκιος μάλα προθύμως ἀγωνιζόμενος ἀνέωσθη. τῶν δ' αὐτῶν ἡμερῶν ἐν Ῥώμῃ, τοῦ σίτου τοῖς στρατευομένοις φυλασσομένου, τὸ πλῆθος τῷ πολέμῳ καὶ τῇ νίκῃ φανερώς ἐπηρῶντο καὶ ἐς τὰς οἰκίας ἐστρέχοντες ἐπὶ ἐρεῦνῃ σίτου, ὅσα εὔροιεν, ἥρπαζον.

[35] οἱ δ' ἄμφι τὸν Οὐεντίδιον αἰδούμενοι λιμῷ κάμνοντα Λεύκιον περιορᾶν, ἐχώρουν ἐς αὐτὸν ἅπαντες, βιαζόμενοι τοὺς Καίσαρος πανταχόθεν αὐτοὺς περικειμένους καὶ ἐνοχλοῦντας. ὑπαντώντων δ' αὐτοῖς Ἀγρίππου τε καὶ Σαλουιδινοῦ μετὰ δυνάμεως ἔτι πλείονος, ἔδεισαν, μὴ κυκλωθεῖεν, καὶ ἐς Φουλκίνιον τι χωρίον ἐξέκλιναν, ἐξήκοντα καὶ ἑκατὸν σταδίους τῆς Περυσίας διεστηκός: ἔνθα αὐτοὺς τῶν ἄμφι τὸν Ἀγρίππαν περικαθημένων πυρὰ πολλὰ ἤγειραν, σύμβολα τῷ Λευκίῳ. καὶ γνώμην ἐποιοῦντο Οὐεντίδιος μὲν καὶ Ἀσίνιος βαδίζειν καὶ ὥς μαχοῦμενοι, Πλάγκος δὲ ἔσεσθαι μέσους Καίσαρός τε καὶ Ἀγρίππου, χρῆναι δ' ἔτι καταδοκεῖν τὰ γινόμενα: καὶ ἐκράτει λέγων ὁ Πλάγκος, οἱ δ' ἐν τῇ Περυσίᾳ τὰ μὲν πυρὰ ἰδόντες ἦδοντο, τῶν δ' ἀνδρῶν βραδυνόντων εἵκασαν καὶ τούσδε ἐνοχλεῖσθαι καὶ παυσαμένου τοῦ πυρὸς διεφθάρθαι. ὁ δὲ Λεύκιος τοῦ λιμοῦ πιέζοντος ἐνυκτομάχησεν αὐθις ἐκ πρώτης φυλακῆς ἐς ἑω περὶ ἅπαν τὸ περιτειχίσμα: καὶ οὐ δυνηθεὶς ἀνέθορεν αὐθις ἐς τὴν Περυσίαν καὶ τὰς ὑπολοίπους συλλογισάμενος τροφὰς ἀπέειπε δίδοσθαι τοῖς θεράπουσι καὶ ἐφύλασσαν αὐτοὺς μὴδ' ἐκφυγεῖν, ἵνα μὴ γνωριμώτερον γένοιτο τοῖς πολεμίοις τὸ δεινόν. ἡλῶντο οὖν οἱ θεράποντες κατὰ πλῆθος καὶ κατέπιπτον ἐν τε αὐτῇ τῇ πόλει καὶ μέχρι τοῦ σφετέρου διατειχίσματος, πόαν εἶ τινα εὔροιεν ἢ φυλλάδα χλωράν, νεμόμενοι. καὶ τοὺς ἀποψύχοντας ὁ Λεύκιος ἐς τάφρους ἐπιμήκεις κατώρυσσεν, ἵνα μήτε καιομένων ἐπίδηλον τοῖς ἐχθροῖς γένοιτο, μήτε σηπομένων ἀτμός καὶ νόσος.

[36] ἐπεὶ δὲ οὔτε τοῦ λιμοῦ τι τέλος ἦν οὔτε τῶν θανάτων, ἀχθόμενοι τοῖς γιγνομένοις οἱ ὀπλίται παρεκάλουν τὸν Λεύκιον αὐθις ἀποπειρᾶσαι τῶν τειχῶν, ὥς διακόφοντες αὐτὰ πάντως. ὁ δὲ τὴν ὁρμὴν ἀποδεξάμενος, 'οὐκ ἀξίως,' ἔφη, 'πρώην τῆς παρούσης ἀνάγκης ἡγωνισάμεθα,' καὶ νῦν ἢ παραδιδόναί σφᾶς ἢ τοῦτο χεῖρον ἡγουμένους θανάτου μάχεσθαι μέχρι θανάτου. δεξαμένων δὲ προθύμως ἀπάντων καὶ, ἵνα μὴ τις ὥς ἐν νυκτὶ πρόφασις γένοιτο, κατὰ φῶς ἄγειν σφᾶς κελευόντων, ὁ Λεύκιος ἤγε πρὸ ἡμέρας, σίδηρόν τε τειχομάχον εἶχον τολὺν καὶ κλίμακας ἐς εἶδη πάντα διεσκευασμένας. ἐφέρετο δὲ καὶ τάφρων ἐγχλωστήρια ὄργανα καὶ πύργοι πτυκτοί, σανίδας ἐς τὰ τεῖχη μεθιέντες, καὶ βέλη παντοῖα καὶ λίθοι, καὶ γέρρα

τοῖς σκόλοσιν ἐπιρριπτεῖσθαι. προσπεσόντες δὲ μεθ' ὀρμῆς βιαίου τὴν τάφρον ἐνέχωσαν καὶ τοὺς σταυροὺς ὑπερέβησαν καὶ τοῖς τείχεσι προσελθόντες οἱ μὲν ὑπώρυσσον, οἱ δὲ τὰς κλίμακας ἐπήγον, οἱ δὲ τοὺς πύργους· ἐνεχείρουν τε ὁμοῦ καὶ ἡμύνοντο λίθοις καὶ τοξεύμασι καὶ μολυβδαίναις σὺν πολλῇ θανάτου καταφρονήσει. καὶ τότε ἐγίνετο κατὰ μέρος πολλά· ἐπειδὴ δὲ τινες ... ἐς πολλὰ διαιρουμένοις τοῖς πολεμίοις ἀσθενέστερα πάντα ἦν.

[37] Ἐκταθεισὼν δὲ πού τῶν σανίδων ἐς τὸ τεῖχος, βία τότε μάλιστα ἐπικίνδυνος ἦν τῶν Λευκιανῶν ἐπὶ ταῖς σανίσιν μαχομένων, καὶ βέλη πλάγια πάντοθεν ἦν ἐς αὐτοὺς καὶ ἀκόντια. ἐβιάσαντο δὲ ὅμως καὶ ἐς τὸ τεῖχος ἐξήλαντο ὀλίγοι, καὶ αὐτοῖς εἶποντο ἕτεροι· καὶ τάχα ἂν τι ἐξεύργαστο αὐτοῖς μετὰ ἀπονοίας, εἰ μὴ, γνωσθέντος οὐ πολλὰ εἶναι τὰ τοιαῦτα μηχανήματα, οἱ ἄριστοι τῶν Καίσαρος ἐφεδρεῖων ἀκμηῆτες ἐπήγοντο κεκμηκόσι. τότε γὰρ δὴ τῶν τειχῶν αὐτοὺς κατήρειψαν καὶ τὰ μηχανήματα συνέτριψαν καὶ ἔβαλλον ἄνωθεν ἤδη σὺν καταφρονήσει. τοῖς δὲ τὰ μὲν ὅπλα καὶ τὰ σώματα ὅλα συνεκέκοπτο, καὶ βοῇ σφῶς ἐπελελοίπει, παρέμενον δ' ὅμως τῇ προθυμίᾳ. ὥς δὲ καὶ τὰ νεκρὰ τῶν ἐπὶ τοῦ τείχους ἀνηρημένων ἐσκυλευμένα κάτω διερριπτεῖτο, τὴν ὕβριν οὐκ ἔφερον, ἀλλὰ ἀνετρέποντο ὑπὸ τῆς ὀψεως, καὶ μικρὸν ἔστησαν ἀποροῦντες ὥσπερ ἐν τοῖς γυμνικοῖς ἀγῶσιν οἱ διαναπαύομενοι. ὣδε δὲ αὐτοὺς ἔχοντας ἐλεῶν ὁ Λεύκιος ἐκάλει τῇ σάλπιγγι ἀναχωρεῖν. ἡσθέντων δὲ τῶν Καίσαρος ἐπὶ τῷδε καὶ τὰ ὅπλα παταγησάντων οἷον ἐπὶ νίκη, ἐρεθισθέντες οἱ τοῦ Λευκίου τὰς κλίμακας αὐθις ἀρπάσαντες ὁ γὰρ ἔτι πύργους εἶχον ἔφερον ἐς τὰ τεῖχη μετὰ ἀπονοίας, οὐδὲν ἔτι βλέποντες· οὐ γὰρ ἐδύναντο. περιθέων δ' αὐτοὺς ὁ Λεύκιος ἐδεῖτο μὴ ψυχομαχεῖν ἔτι καὶ οἰμώζοντας ἀπῆγεν ἄκοντας.

[38] τὸ μὲν δὴ τέλος τῆσδε τῆς τειχομαχίας, ἐκθυμοτάτης γενομένης, ἐς τοῦτο ἐτελεύτα· ὁ δὲ Καῖσαρ, ἵνα μὴ αὐθις ἐπιτολήσειαν οἱ πολέμιοι τοῖς τείχεσι, τὴν στρατιάν, ὅση τοῖς γιγνομένοις ἐφῆδρενε, παρ' αὐτὸ τὸ τεῖχος ἴδρυσεν καὶ ἐδίδαξεν ἀναπηδᾶν ἐς τὸ τεῖχος ἄλλους ἀλλαχοῦ κατὰ σύνθημα σάλπιγγος· συνεχῶς τε ἀπεπήδων οὐδενὸς ἐπείγοντος, ἵνα διδαχὴ τε σφίσι καὶ φόβος εἴη τοῖς πολεμίοις. ἀθυμία δὲ ἐπεῖχε τοὺς τοῦ Λευκίου, καί, ὅπερ ἐν τοῖς τοιοῦτοις εἶωθε γίνεσθαι, τῆς φυλακῆς οἱ φύλακες ἡμέλουν· ἐκ δὲ τῆς ἀμελείας αὐτομολίαι πολλῶν ἐγίνοντο, καὶ οὐχ οἱ ἀφανέστεροι τοῦτο μόνοι, ἀλλὰ καὶ τῶν ἡγεμονικῶν τινες ἔδρων. ἐνεδίδου τε ὁ Λεύκιος ἤδη πρὸς διαλύσεις ἐλέφ τοσοῦδε πλήθους ἀπολλυμένου, ἐχθρῶν δὲ τινων Καῖσαρος περὶ σφῶν δεδιότων ἔτι ἐπεῖχεν. ὥς δὲ ὁ Καῖσαρ ὥφθη τοὺς αὐτομόλους φιλανθρώπως ἐκδεχόμενος καὶ πλείων ὀρμῇ πᾶσιν ἐς τὰς διαλύσεις ἐγίνετο, δέος ἦπτετο τοῦ Λευκίου, μὴ ἀντιλέγων ἐκδοθεῖν.

[39] γενομένης οὖν τινος ἐς τοῦτο πείρας καὶ ἐλπίδος οὐκ ἀηδοῦς, τὸν στρατὸν συναγαγὼν ἔλεξεν ὥδε· ἡ γνώμη μὲν ἦν μοι τὴν πατριὸν ὑμῖν ἀποδοῦναι πολιτείαν, ᾧ συστρατιῶται, τυρραννίδα τὴν τῶν τριῶν ἀνδρῶν ἀρχὴν καὶ οὐδ', ἐφ' ἣ συνέστη προφάσει, Κασσίου καὶ Βρούτου τεθνεώτων διαλυθεῖσαν. Λεπίδου γὰρ τὸ μέρος τῆς ἀρχῆς ἀφηρημένου καὶ Ἀντωνίου πορρωτάτω χρήματα συλλέγοντος, εἰς οὗτος ἅπαντα πρὸς τὴν ἑαυτοῦ γνώμην

διώκει, τὰ δὲ πάτρια Ῥωμαίοις πρόσχημα μόνον ἦν καὶ γέλως. ἅπερ ἐγὼ μεταβάλλειν ἐς τὴν ἄνωθεν ἐλευθερίαν τε καὶ δημοκρατίαν ἐπινοῶν ἡξίου τῶν ἐπινικίων διαδοθέντων ἐκλυθῆναι τὴν μοναρχίαν. ἐπεὶ δὲ οὐκ ἔπειθον, ἐπειρώμην ἐπὶ τῆς ἐμῆς ἀρχῆς καταναγκάσαι. ὁ δὲ με τῷ στρατῷ διέβαλλε, κωλύειν τὰς κληρουχίας ἐλέω τῶν γεωργῶν· καὶ τὴν διαβολὴν ἐγὼ τήνδε ἡγνόησα ἐπὶ πλείστον. ἀλλ' οὐδὲ ἐπιγνοὺς ἐπίστευσά τινα πιστεύσειν, ὁρῶντα τοὺς οἰκιστὰς καὶ παρ' ἐμοῦ δεδομένους, οἱ μεριεῖν ἔμελλον ὑμῖν τὰς κληρουχίας. ἀλλὰ ἐδημαγώγησε γάρ τινας ἢ διαβολή, καὶ πρὸς ἐκεῖνον ὄχοντο πολεμήσοντες ὑμῖν, ὡς νομίζουσι, σὺν χρόνῳ δ' εἴσονται στρατευσάμενοι καθ' αὐτῶν. ὑμῖν δ' ἐγὼ μαρτυρῶ μὲν ἐλομένους τὰ ἀμείνονα καὶ ὑπὲρ δύναμιν κακοπαθήσασιν, ἡττήμεθα δὲ οὐχ ὑπὸ τῶν πολεμίων, ἀλλὰ τοῦ λιμοῦ, ᾧ δὴ καὶ πρὸς τῶν ἡμετέρων στρατηγῶν ἐγκαταλελειμμεθα. ἐμοὶ μὲν δὴ καλῶς εἶχεν ἀγωνίσασθαι μέχρι τοῦ τελευταίου δαίμονος ὑπὲρ τῆς πατρίδος· καλὸν γάρ μοι τὸν ἔπαινον ἐπὶ τῇ γνώμῃ καὶ τὸ τέλος ἐποίει· οὐχ ὑφίσταμαι δὲ δι' ὑμᾶς, οὓς τῆς ἐμῆς προτίθημι εὐκλείας. πέμψω δὴ πρὸς τὸν κεκρατηκότα καὶ δεήσομαι ἐμοὶ μὲν ἀντὶ πάντων ὑμῶν εἰς ὃ θέλει καταχρῆσασθαι μόνῳ, ὑμῖν δὲ ἀντ' ἐμοῦ ἀμνηστίαν δοῦναι, πολίταις τε οὓσιν αὐτοῦ καὶ στρατιώταις ποτὲ γενομένοις καὶ οὐδὲ νῦν ἀδικοῦσιν οὐδὲ πολεμήσασιν ἄνευ καλῆς αἰτίας οὐδὲ ἡσσημένοις πολέμῳ μᾶλλον ἢ λιμῷ.'

[40] ὁ μὲν οὕτως εἶπε καὶ εὐθὺς ἔπεμπε τρεῖς ἐπιλεξάμενος ἐκ τῶν ἀρίστων· ἡ δὲ πληθὺς ἀνάρμοζον, οἱ μὲν ἑαυτῶν χάριν, οἱ δὲ τοῦ στρατηγοῦ, γνώμῃ μὲν ὁμοῦ σφισιν ἀρίστου καὶ δημοκρατικοῦ φανέντος, ὑπὸ δ' ἐσχάτης ἀνάγκης ἡττημένου. οἱ δὲ τρεῖς ἐντυχόντες τῷ Καίσαρι ἀνεμίμησκον τοῦ γένους τῶν στρατῶν ἐνὸς ἐκατέρους ὄντος καὶ στρατειῶν ὁμοῦ γενομένων καὶ φιλίας τῶν ἐπιφανῶν καὶ ἀρετῆς προγόνων οὐκ ἐς ἀνήκεστον τὰς διαφορὰς προαγαγόντων· ὅσα τε εἰκὸς ἦν ἄλλα ἐπαγωγὰ, τούτοις ὅμοια, ἔλεγον. ὁ δὲ Καῖσαρ εἰδὼς τῶν πολεμίων τοὺς μὲν ἀπειροπολέμους ἔτι, τοὺς δὲ κληρούχους γεγυμνασμένους ἔφη τεχνάζων τοῖς ὑπ' Ἀντωνίῳ στρατευσαμένοις διδόναι τὴν ἀμνηστίαν, ὡς χάριν ἐκείνῳ φέρων, τοὺς δ' ἄλλους ἐπιτρέπειν σφᾶς ἑαυτῷ προσέτασεν. ταῦτα μὲν εἶπεν ἅπασιν ἰδία δὲ ἓνα τῶν τριῶν ἀπολαβόν, Φοῦρνιον, ἐς μείζονα φιλανθρωπίαν ἐπήλπισε τοὺς περὶ Λεύκιον καὶ τοὺς ἄλλους χωρὶς τῶν ἰδίων ἐχθρῶν ἑαυτοῦ.

[41] οἷδε οὖν οἱ τοῦ Καίσαρος ἐχθροί, τὴν ἰδίαν γενομένην ἔντευξιν τοῦ Φουρνίου ὑπονοοῦντες ἐπὶ σφίσι γενέσθαι, αὐτόν τε τὸν Φοῦρνιον ἐλοιδόρουν ἐπανελθόντα καὶ τὸν Λεύκιον ἡξίου ἢ σπονδὰς αὐθις αἰτεῖν ὁμοίας ἅπασιν ἢ πολεμεῖν μέχρι θανάτου· οὐ γὰρ ἰδιόν τι τὸν πόλεμον, ἀλλὰ κοινὸν ὑπὲρ τῆς πατρίδος γεγονέναι. καὶ ὁ Λεύκιος ἐπῆναι μὲν ἐλεῶν ἄνδρας ὁμοτίμους καὶ πέμψειν ἔλεγεν ἐτέρους, οὐδένα δὲ εἰπὼν ἀμείνονα ἔχειν ἑαυτοῦ, εὐθὺς ἄνευ κήρυκος ἦει, προθεόντων αὐτοῦ δρόμῳ τῶν ἀπαγγελοῦντων Καίσαρι κατιέναι Λεύκιον. ὁ δὲ αὐτίκα ὑπήντα. ἐωρῶντο οὖν ἀλλήλοις ἦδη μετὰ τῶν φίλων καὶ περιφανεῖς ἦσαν ἀπὸ τῶν σημείων καὶ τῆς στολῆς οὔσης ἐκατέρῳ στρατηγικῆς. καὶ ὁ Λεύκιος ἀποθέμενος τοὺς φίλους ἦει σὺν δύο ῥαβδούχοις μόνοις, ἐπιδεικνὺς ἅμα τὴν γνώμην ἀπὸ τοῦ σχήματος· καὶ ὁ Καῖσαρ συνεῖς ἀντεμμεῖτο ἐς δεῖγμα καὶ ὅδε τῆς εἰς τὸν

Λεύκιον εὐνοίας ἐσομένης: ὥς δὲ καὶ σπεύδοντα εἶδε τὸν Λεύκιον παρελθεῖν ἐς τὸ Καῖσαρος χαράκωμα, ἵνα καὶ τῷδε φαίνοιτο ἑαυτὸν ἐπιτρέπων ἥδη, προλαβὼν ὁ Καῖσαρ ἐξῆλθε τοῦ χαρακώματος, ἵνα ἐλεύθερον εἴη τῷ Λευκίῳ βουλευέσθαι τε καὶ κρίνειν ἔτι περὶ αὐτοῦ. τοιαύδε ἀλλήλοις προσιόντες ἀπὸ τε τῆς στολῆς καὶ τῶν σχημάτων προαπεδείκνυντο.

[42] ὥς δὲ ἐπὶ τὴν τάφρον ἀφίκοντο, προσηγόρευσάν τε ἀλλήλους καὶ ὁ Λεύκιος ἔφη:

εἰ μὲν ξένος ὢν ἐπολέμησα, ὃ Καῖσαρ, αἰσχροὺς ἂν τὴν τοιαύτην ἦσσαν ἡγούμην καὶ αἰσχίονα ἔτι τὴν παράδοσιν: καὶ τῆσδε τῆς αἰσχύνης εἶχον ἀπαλλαγὴν εὐκολον παρ' ἑμαυτοῦ. ἐπεὶ δὲ πολίτῃ διηνέχθην καὶ ὁμοτίμῳ καὶ ὑπὲρ τῆς πατρίδος, οὐκ αἰσχροὺς ἡγοῦμαι μετὰ τοιαύτου προφάσεως ὑπὸ τοιοῦτου ἡσσησθαι. καὶ τάδε λέγω οὐ παραιτούμενος παθεῖν, ὃ τὶ θέλοις 'διὰ γάρ σοι τοῦτο ἐς τὸ στρατόπεδον τὸ σὸν ἄνευ σπονδῶν ἰέμην, ἀλλ' ἵνα τοῖς ἄλλοις αἰτήσω συγγνώμην δικαίαν τε καὶ τοῖς σοῖς πράγμασι συμφέρουσαν. δεῖ δέ με τοῦτο ἐπιδεικνύντα διελεῖν τὸν λόγον ὑπὲρ τε ἐκείνων καὶ ὑπὲρ ἑμαυτοῦ, ἵνα μόνον ἐμὲ τῶν γεγονότων αἴτιον ἐπιγινούς εἰς ἐμὲ τὴν ὀργὴν συναγάγῃς. μὴ νομίσης δὲ ἐλεγχθῆσθαι μετὰ παρρησίας ἄκαιρον γάρ, ἀλλὰ μετὰ ἀληθείας, ἧς οὐκ ἔνι μοι χωρὶς εἰπεῖν.

[43] ἐγὼ τὸν πρὸς σὲ πόλεμον ἡράμην, οὐχ ἵνα σε καθελὼν διαδέξωμαι τὴν ἡγεμονίαν, ἀλλ' ἵνα τὴν ἀριστοκρατίαν ἀναλάβω τῇ πατρίδι, λελυμένην ὑπὸ τῆς τῶν τριῶν ἀρχῆς, ὥς οὐδ' ἂν αὐτὸς αἰ τείποις: καὶ γὰρ ὅτε συνίστασθε αὐτήν, ὁμολογοῦντες εἶναι παράνομον, ὥς ἀναγκαίαν καὶ πρόσκαιρον ἐτίθεσθε, Κασσίου καὶ Βρούτου περιόντων ἔτι καὶ ὑμῶν ἐκείνοις οὐ δυναμένων συναλλαγῆναι. ἀποθανόντων δὲ ἐκείνων, οἱ τὸ τῆς στάσεως κεφάλαιον ἦσαν, καὶ τῶν ὑπολοίπων εἴ τινα λείψανα ἔστιν, οὐ τῇ πολιτείᾳ πολεμούντων, ἀλλὰ ὑμᾶς δεδιότων, ἐπὶ δὲ τούτῳ καὶ τῆς πενταετίας παριούσης, ἀνακῦσαι τὰς ἀρχὰς ἐπὶ τὰ πάτρια ἡξίουν, οὐ προτιμῶν οὐδὲ τὸν ἀδελφὸν τῆς πατρίδος, ἀλλ' ἐλπίζων μὲν ἐπανελθόντα πείσειν ἐκόντα, ἐπειγόμενος δὲ ἐπὶ τῆς ἐμῆς ἀρχῆς γενέσθαι. καὶ εἰ κατῆρξας σύ, μόνος ἂν καὶ τὴν δόξαν εἶχες. ἐπεὶ δὲ δῆ σε οὐκ ἔπειθον, ὥμην ἐλθὼν ἐπὶ Ῥώμην καὶ ἀναγκάσαι, πολίτης τε ὢν καὶ γνώριμος καὶ ὕπατος. αἱ μὲν αἰτίαι, δι' αἷς ἐπολέμησα, αὗται μόναι, καὶ οὔτε ὁ ἀδελφὸς οὔτε Μάνιος οὔτε Φουλβία, οὔτε ἡ κληρουχία τῶν ἐν Φιλίπποις πεπολεμηκότων οὔτε ἕλεος τῶν γεωργῶν τὰ κλήματα ἀφαιρουμένων, ἐπεὶ καὶ γὰρ τοῖς τοῦ ἀδελφοῦ τέλεσιν οἰκιστὰς ἔδωκα, οἱ τὰ τῶν γεωργῶν ἀφαιρούμενοι τοῖς στρατευομένοις διένεμον. ἀλλὰ με σὺ τήνδε τὴν διαβολὴν αὐτοῖς διέβαλλες, τὴν αἰτίαν τοῦ πολέμου μεταφέρων ἐπὶ τὴν κληρουχίαν ἀπὸ σπαντοῦ, καὶ τῷδε μάλιστα αὐτοὺς ἐλὼν ἐμοῦ κεκράτηκας: ἀνεπίεσθησαν γὰρ πολεμεῖσθαι τε ὑπ' ἐμοῦ καὶ ἀμύνεσθαι με ἀδικοῦντα. τεχνάζειν μὲν δῆ σε ἔδει πολεμοῦντα: νικήσαντα δέ, εἰ μὲν ἐχθρὸς εἶ τῆς πατρίδος, κάμει ἡγεῖσθαι πολέμιον, ἃ ἔδοξα συνοίσειν αὐτῇ, βουληθέντα μὲν, οὐ δυνηθέντα δὲ διὰ λιμόν.

[44] λέγω δὲ ταῦτα ἐγὼ ἐγχειρίζων μὲν ἑμαυτὸν σοι, καθάπερ εἶπον, εἰς ὃ τὶ θέλοις, ὑποδεικνὺς δέ, οἷα καὶ πρότερον καὶ νῦν ἐφρόνησα περὶ σοῦ καὶ φρονῶν ἔτι μόνος ἀφικόμεν. καὶ περὶ μὲν ἐμοῦ τοσαῦτα: περὶ δὲ τῶν φίλων

καὶ τοῦ στρατοῦ παντός, εἰ μὲν οὐχ ὑποπτεύσεις· με λέγοντα, συμβουλευσὺ τὰ σοὶ μάλιστα ὠφελιμώτατα, μηδὲν δεινὸν αὐτοὺς ἐργάσασθαι διὰ τὴν ἐμὴν καὶ σὴν φιλονικίαν, μηδὲ ἄνθρωπον ὄντα καὶ τύχῃ χρώμενον, οὐ βεβαίῳ πράγματι, κωλύσαι τοὺς κινδυνεύειν ἐν τύχαις ἢ χρεαίαις ἐτελήσοντάς ποτε ὑπὲρ σοῦ, μαθόντας ἐκ τοῦδε τοῦ σοῦ νόμου δυσέλπιστον σῶζεσθαι μὴ κατορθοῦσιν. εἰ δὲ ὑποπτος ἢ ἄπιστος ἐχθροῦ πᾶσα συμβουλή, οὐκ ὀκνῶ καὶ παρακαλεῖν σε μὴ τοὺς φίλους τίνυσθαι τῆς ἐμῆς ἀμαρτίας καὶ τύχης, ἀλλ' εἰς ἐμὲ συναγαγεῖν πάντα, τὸν πάντων αἴτιον. ἀφ' ἧς δὴ γνώμης αὐτοὺς ὑπελιπόμην, ἵνα μὴ δόξαιμι, σοὶ τάδε λέγων ἐκείνων ἀκουόντων, ὑπὲρ ἐμαυτοῦ τεχνάζων εἰπεῖν.

[45] τοιαῦτα δὲ εἰπόντος τοῦ Λευκίου καὶ σιωπήσαντος ὁ Καῖσαρ ἔλεξεν:

ἄσπονδον μὲν σε κατιόντα πρὸς ἐμὲ ὄρων, ὃ Λεύκιε, ὑπὴντησα τῶν ἐμῶν ἐρυμάτων ἔτι ἐκτὸς ὄντι κατὰ σπουδὴν, ἵνα ἔτι κύριος ὢν σεαυτοῦ βουλευόιο καὶ λόγοις καὶ πράττοις, ἃ νομίζεις σοὶ συνοίσειν. ἐπεὶ δ', ὅπερ ἐστὶ τῶν ἀδικεῖν ὁμολογούντων, σαυτὸν ἡμῖν ἐπιτρέπεις, οὐδὲν ἔτι δέομαι διελέγχειν, ὅσα σὺν τέχνῃ μου κατεψεύσω. ἐξ ἀρχῆς δὲ με βλάβειν ἐλόμενος καὶ νῦν ἐβλαψας. σπονδὰς γάρ μοι τιθέμενος ἔτυχες ἂν ἡδικημένου καὶ νενικηκότος: ἄσπονδον δὲ σαυτὸν τε καὶ τοὺς φίλους ἐπιτρεπων ἡμῖν καὶ τὸν στρατὸν, ἀφαιρῇ μὲν πᾶσαν ὀργήν, ἀφαιρῇ δὲ καὶ τὴν ἐξουσίαν, ἣν σπενδόμενος ἂν ἔδωκας ὑπ' ἀνάγκης. συμπλέκεται γὰρ οἷς ἄξιον ὑμᾶς παθεῖν, τὸ προσῆκον ὢν ἐμὲ δίκαιόν ἐστι ποιεῖν: ὃ δὴ προτιμήσω διὰ τε τοὺς θεοὺς καὶ δι' ἐμαυτὸν καὶ διὰ σέ, ὃ Λεύκιε, καὶ οὐ ψεύσω σε τῆς προσδοκίας, ἣν ἔχων περὶ ἐμαυτοῦ κατελήλυθας.

ταῦτα μὲν ἔλεξαν ἀλλήλοις, ὥκ ἐκ τῶν ὑπομνημάτων ἦν ἐς τὸ δυνατόν τῆσδε τῆς φωνῆς μεταβαλεῖν τεκμαιρομένῳ τῆς γνώμης τῶν λελεγμένων. καὶ διεκρίθησαν, ὁ μὲν Καῖσαρ ἐν ἐπαίνῳ καὶ θαύματι τὸν Λεύκιον ἔχων, οὐδὲν ὥς ἐν συμφοραῖς ἀγεννὲς οὐδ' ἀσύνητον εἰπόντα, ὁ δὲ Λεύκιος τὸν Καίσαρα τοῦ τε ἥθους καὶ βραχυλογίας. οἱ λοιποὶ δ' ἐτεκμαίροντο τῶν εἰρημένων ἐκ τῆς ὁψεως ἐκατέρων.

[46] καὶ ὁ Λεύκιος ἔπεμπε τοὺς χιλάρχους τὸ σύνθημα τῷ στρατῷ ληψομένους παρὰ τοῦ Καίσαρος: οἱ δὲ ἔφερον αὐτῷ τὸν ἀριθμὸν τοῦ στρατοῦ, καθὰ καὶ νῦν ἔθος ἐστὶ τὸν αἰτοῦντα τὸ σύνθημα χιλάρχον ἐπιδιδόναι τῷ βασιλεῖ βιβλίον ἐφήμερον τοῦ ἀριθμοῦ τοῦ παρόντος. οἱ μὲν δὴ τὸ σύνθημα λαβόντες τὰς φυλακὰς ἔτι διὰ χειρὸς εἶχον, οὕτω κελεύσαντος αὐτοῦ Καίσαρος, νυκτοφυλακεῖν ἐκατέρους τὰ ἴδια: ἅμα δὲ ἡμέρᾳ ὁ μὲν Καῖσαρ ἔθυνε, ὁ δὲ Λεύκιος αὐτῷ τὸν στρατὸν ἔπεμπε, τὰ μὲν ὅπλα φέροντα, ἐσκευα σμένον δ' ὥς ἐν ὁδοιπορίᾳ. οἱ δὲ τὸν Καίσαρα πόρρωθεν ὥς αὐτοκράτορα ἡσπᾶσαντο καὶ ἔστησαν ἐν μέρει κατὰ τέλος, οὗ προσέταξεν ὁ Καῖσαρ, ἐφ' ἐαυτῶν, οἳ τε κληροῦχοι καὶ οἱ νεοστράτευτοι κεχωρισμένοι. ὁ δὲ Καῖσαρ ἐκτελεσθείσης τῆς θυσίας στεψάμενος δάφνῃ, συμβόλῳ νίκης, προυκάθητο ἐπὶ βήματος καὶ προσέταξε μὲν ἅπασιν θέσθαι τὰ ὅπλα, ἔνθα εἰστήκεσαν, θεμένων δὲ τοὺς κληροῦχους, ἐκέλευσεν ἐγγυτέρῳ προσελθεῖν, διεγνώκως ἄρα ὀνειδίσαι τῆς ἀχαριστίας καὶ φοβῆσαι. προέγνωστο δὲ μέλλων ὧδε ποιήσῃν, καὶ ὁ στρατὸς ὁ τοῦ Καίσαρος, εἴτε ἐξεπίτηδες, οἷα

προδιδάσκονται πολλάκις, εἴτε ὑπὸ πάθους ὡς πρὸς οἰκείους ἄνδρας, ἀκρατεῖς τῆς δεδομένης σφίσι τάξεως γενόμενοι, προσιοῦσι τοῖς Λευκιανοῖς οἷα συνεστρατευμένοις ποτὲ περιχυθέντες ἡσπάζοντο καὶ συνέκλειον καὶ τὸν Καῖσαρα ὑπὲρ αὐτῶν παρεκάλουν καὶ οὔτε βοῶντες ἔτι ἐπαύοντο οὔτε συμπλεκόμενοι, κοινωνούντων ἑκατέρους τοῦ πάθους ἤδη καὶ τῶν νεοστρατεῦτων: οὐδὲ ἦν τι διακεκριμένον ἔτι οὐδ' εὐκριτον.

[47] ὄθεν οὐδὲ ὁ Καῖσαρ ἔτι τῆς γνώμης ἐκράτει, ἀλλὰ μόλις τὴν βοήν καταπαύσας εἶπε τοῖς ἰδίοις. 'ὕμεις μὲν, ὧ συστρατιῶται, οὕτως αἰεὶ μοι προσενήνεχθε ὡς μηδενὸς ἀτυχῆσαι παρ' ἐμοῦ δύνασθαι: ἐγὼ δὲ τοὺς μὲν νεοστρατεῦτους ὑπ' ἀνάγκης ἐστρατεῦσθαι Λευκίῳ νομίζω, τουτωνὶ δὲ τῶν συνεστρατευμένων τε πολλάκις ὑμῖν καὶ νῦν ὑφ' ὑμῶν σφωζομένων ἐπενόουν πυθέσθαι, τί παθόντες ἐξ ἡμῶν ἢ τίνος χάριτος οὐκ ἀξιώθεντες ἢ τί μείζον παρ' ἐτέρου προσδοκῶντες ἐναντία ὄπλα ἦσαντο καὶ ἐμοὶ καὶ ὑμῖν καὶ ἑαυτοῖς; ἃ γὰρ ἔκαμνον ἐγώ, πάντα ἦν ὑπὲρ τῆς κληρουχίας, ἥς τοῦ μέρους καὶ τούτοις μετήν. καὶ εἰ συγχωρεῖτέ μοι, καὶ νῦν πεύσομαι.' οὐκ ἐπιτρεπόντων δέ, ἀλλὰ ἀπαύστως παρακαλούντων, 'συγχωρῶ ὑμῖν, ὅσα βούλεσθε,' ἔφη, 'καὶ ἀφείσθωσαν ἀπαθεῖς τῶν ἡμαρτημένων, ἂν ἐς τὸ μέλλον ὑμῖν ὅμοια φρονῶσιν.' ὑπισχνουμένων δ' ἑκατέρων βοαὶ τε καὶ χάριτες ἦσαν ἐς τὸν Καῖσαρα: καὶ τισιν αὐτῶν ἐπέτρεψέ τινας καὶ ὑποδέξασθαι, τὸ δὲ πλῆθος ἐκέλευε σκηνοῦν, ἔνθα περ εἰστήκεσαν, ἄπωθεν, ἕως ὁ Καῖσαρ αὐτοῖς πόλεις τε ἐς χειμασίαν καὶ τοὺς ἀπάξοντας ἐς τὰς πόλεις δοίη.

[48] καθεζόμενος δ' ἐπὶ τοῦ βήματος ἐκάλει τὸν Λεύκιον ἐκ τῆς Περυσίας μετὰ τῶν ἐν τέλει Ῥωμαίων. καὶ κατήεσαν πολλοὶ μὲν ἀπὸ τῆς βουλῆς, πολλοὶ δὲ ἀπὸ τῶν καλουμένων ἱππέων, ἐν ὧσι πάντες οἰκτρᾷ καὶ ὀξείᾳ μεταβολῇ. ἅμα δὲ ἐξήεσαν οὗτοι τῆς Περυσίας, καὶ φρουρὰ τὴν πόλιν περιέστη. ἐπεὶ δὲ ἀφίκοντο, Λεύκιον μὲν ὁ Καῖσαρ ἑαυτῷ παρεστήσατο, τῶν δὲ ἄλλων τοὺς μὲν οἱ φίλοι Καίσαρος, τοὺς δὲ οἱ λοχαγοὶ διέλαβον, προδεδιδαγμένοι πάντες ἐς τιμὴν ἀπάγειν ἅμα καὶ φυλακὴν ἄσημον. τοὺς δὲ Περυσίους ἀπὸ τοῦ τείχους παρακαλοῦντας ἐκέλευσεν ἥκειν, ἄνευ τῆς βουλῆς μόνης: καὶ ἔλθοῦσι συνέγων. οἱ δὲ βουλευταὶ τότε μὲν φύλαξι παρεδόθησαν, μετ' οὐ πολὺ δὲ ἀνῆρέθησαν, χωρὶς Αἰμιλίου Λευκίου, ὃς ἐν Ῥώμῃ δικάζων ἐπὶ τῷ φόνῳ Γαῖου Καίσαρος τὴν καταδικάζουσαν ἤνεγκε φανερώς καὶ πάντας φέρειν ἐκέλευεν ὡς ἐκλυομένους μύσος.

[49] τὴν δὲ Περυσίαν αὐτὴν ἐγνώκει μὲν ὁ Καῖσαρ ἐς διαρπαγὴν ἐπιτρέψαι τῷ στρατῷ, Κέστιος δὲ τις αὐτῶν ὑπομαργότερος, ἐν Μακεδονίᾳ πεπολεμηκῶς καὶ ἐκ τοῦδε Μακεδονικὸν αὐτὸν ὀνομάζων, ἐνέπρησε τὴν οἰκίαν καὶ ἑαυτὸν ἐς τὸ πῦρ ἐνέβαλε, καὶ ἄνεμοι τὴν φλόγα ὑπολαβόντες περιήνεγκαν ἐκ ὅλην Περυσίαν, καὶ ἐνεπρήσθη χωρὶς τοῦ Ἡφαιστείου μόνου. τότε μὲν δὴ τῇ Περυσίᾳ τέλος ἦν, δόξαν ἀρχαιότητος ἐχούση καὶ ἀξιώσεως: ὑπὸ γὰρ Τυρρηνῶν πάλαι φασὶν αὐτὴν ἐν ταῖς πρώταις δυώδεκα πόλεσιν ἐν Ἰταλίᾳ γενέσθαι. διὸ καὶ τὴν Ἥραν ἔσεβον, οἷα Τυρρηνοὶ: τότε δὲ ὅσοι τὰ λείψανα τῆς πόλεως διέλαχον, τὸν Ἡφαιστον σφίσιν ἔθεντο θεὸν εἶναι πάτριον ἀντὶ τῆς Ἥρας. τῆς δ' ἐπιούσης ὁ μὲν Καῖσαρ ἐσπένδετο ἅπασιν, ὁ δὲ στρατὸς οὐκ ἐπαύετο ἐπὶ τισι θορυβῶν, ἕως ἀνῆρέθησαν: καὶ ἦσαν οἱ μάλιστα

Καίσαρος ἔχθροί, Καννούτιός τε καὶ Γάιος Φλάνιος καὶ Κλώδιος ὁ Βιθυνικός καὶ ἕτεροι. τοῦτο μὲν δὴ τέλος ἦν τῆς ἐν Περυσίᾳ Λευκίου πολιορκίας, καὶ ὁ πόλεμος ὧδε ἐξελέλυτο, χαλεπώτατός τε καὶ χρόνιος ἐλπισθεὶς ἔσεσθαι τῇ Ἰταλίᾳ.

[50] καὶ γὰρ Ἀσίνιος αὐτίκα καὶ Πλάγκος καὶ Οὐεντίδιος καὶ Κράσσος καὶ Ἀτήιος καὶ ὅσοι τῆσδε τῆς γνώμης ὄντες ἕτεροι στρατὸν εἶχον οὐκ εὐκαταφρόνητον, ἀλλ' εἰς τρισκαίδεκα τέλη γεγυμνασμένα καὶ ἰππέας ἐξακισχιλίους ἐπὶ πεντακοσίοις, ἡγούμενοι τὸ κεφάλαιον τοῦ πολέμου Λεύκιον γενονέναι ἐπὶ θάλασσαν ἦσαν, ἕτερος ἐτέρας ὁδοῦς, οἱ μὲν ἐς Βρεντέσιον, οἱ δ' ἐπὶ Ῥαβέννης, οἱ δ' ἐς Τάραντα καὶ οἱ μὲν ἐς Μοῦρκον ἢ Ἀηνόβαρβον, οἱ δὲ ἐς Ἀντώνιον, διωκόντων αὐτοὺς τῶν Καίσαρος φίλων καὶ σπονδὰς προτεινόντων καὶ οὐκ ἐθέλουσιν ἐνοχλούντων τὰ περὶ μάλιστα: ὧν δὴ καὶ μόνων Ἀγρίππας ἔπεισε μεταθέσθαι δύο τέλη Πλάγκου, ἀποληφθέντα ἐν Καμερίᾳ. ἔφυγε δὲ καὶ Φουλβία μετὰ τῶν τέκνων ἐς Δικαιάρχειαν καὶ ἀπὸ Δικαιαρχείας ἐς τὸ Βρεντέσιον, μετὰ τρισχιλίων ἰππέων οἱ αὐτῇ παρὰ τῶν στρατηγῶν πομποὶ ἀπεστάλησαν. ἐν δὲ τῷ Βρεντεσίῳ νεῶν πέντε μακρῶν ἐκ Μακεδονίας οἱ μεταπέμπτων γενομένων ἐπιβᾶσα ἀνήγετο: καὶ αὐτῇ Πλάγκος συνέπλει, τὸν ἔτι λοιπὸν αὐτοῦ στρατὸν ἐκλιπὼν ὑπὸ δειλίας. οἱ δὲ Οὐεντίδιον σφῶν εἵλοντο ἄρχειν. Ἀσίνιος δὲ Ἀηνοβάρβῳ συνετίθετο φιλίαν εἶναι πρὸς Ἀντώνιον: καὶ ἐπέστελλον ἄμφω τὰδε τῷ Ἀντωνίῳ καὶ ἀποβάσεις αὐτῷ καὶ ἀγορὰν ὥς αὐτίκα ἤξοντι εὐτρέπιζον ἀνὰ τὴν Ἰταλίαν.

[51] ἄλλῳ δ' Ἀντωνίου στρατῷ πολλῷ περὶ Ἄλπεις, οὗ Φούφιος Καληνὸς ἡγεῖτο, ὁ Καῖσαρ ἐπεβούλευεν, ἥδη μὲν τὸν Ἀντώνιον ὑπονοῶν, ἐλπίζων δὲ ἢ φίλῳ ἔτι ὄντι φυλάξειν ἢ πολεμοῦντος μεγάλην ἰσχὺν προσλήψεσθαι. διαμέλλοντος δὲ ὅμως ἔτι αὐτοῦ καὶ τὸ εὐπρεπὲς περιορωμένου, ὁ Καληνὸς ἐτελεύτησε: καὶ ὁ Καῖσαρ, ὥς ἐς ἀμφοτέρω πρόφασιν εὐρών, ἦει καὶ παρελάμβανε τὸν τε στρατὸν καὶ τὴν Κελτικὴν ἐπ' αὐτῷ καὶ Ἰβηρίαν, καὶ τάσδε οὖσας ὑπὸ Ἀντωνίῳ, Φουφίου τοῦ παιδὸς Καληνοῦ καταπλαγέντος τε αὐτὸν καὶ παραδόντος ἅπαντα ἀμαχεί.

ὁ μὲν δὴ Καῖσαρ ἐνὶ τῷδε ἔργῳ ἔνδεκα τέλη στρατοῦ καὶ χώρας τοσάσδε λαβὼν τοὺς ἡγεμόνας αὐτῶν παρέλκε τῆς ἀρχῆς καὶ ἰδίους ἐπιστήσας ἐς Ῥώμην ἀνέστρεφεν: [52] ὁ δὲ Ἀντώνιος χειμῶνος μὲν ἔτι τοὺς πρέσβεις κατεῖχε τοὺς ἀπὸ τῶν κληρουχιῶν πρὸς αὐτὸν ἐλθόντας, ἔτι ἐπικρύπτων, ἃ ἐφρόνει, ἦρι δ' ἐκ μὲν Ἀλεξανδρείας ἐς Τύρον ὤδευεν, ἐκ δὲ Τύρου διαπλέων ἐπὶ Κύπρου καὶ Ῥόδου καὶ Ἀσίας ἦσθετο τῶν ἐν τῇ Περυσίᾳ γεγονότων καὶ τὸν ἀδελφὸν ἐμέμφετο καὶ Φουλβίαν καὶ μάλιστα πάντων Μάνιον. Φουλβίαν μὲν οὖν εὗρεν ἐν Ἀθήναις, ἐκ Βρεντεσίου φυγοῦσαν: Ἰουλίαν δ' αὐτῷ τὴν μητέρα Πομπήιος, ἐς αὐτὸν διαφυγοῦσαν, ἔπεμπεν ἐκ Σικελίας ἐπὶ νεῶν μακρῶν, καὶ παρέπεμπον αὐτὴν οἱ τῶν ἀμφὶ τὸν Πομπήιον ἄριστοι, Λεύκιός τε Λίβων, ὁ κηδεστὴς τοῦ Πομπηίου, καὶ Σατουρνίνος καὶ ἕτεροι, ὅσοι χρῆζοντες τῆς Ἀντωνίου μεγαλοπραγίας ἡξίουσαν αὐτὸν συναλλαγέντα Πομπηίῳ σύμμαχον ἐπὶ Καίσαρι λαβεῖν Πομπήιον. ὁ δὲ αὐτοῖς ἀπεκρίνατο χάριν μὲν ἐπὶ τῇ μητρὶ γινώσκειν Πομπηίῳ καὶ ἀποτίσειν ἐν χρόνῳ, αὐτὸς δέ, εἰ μὲν πολεμοίῃ Καίσαρι, χρήσεσθαι Πομπηίῳ συμμάχῳ, εἰ δ' ἐμμένει τοῖς πρὸς αὐτὸν

ὁμολογημένοις ὁ Καῖσαρ, πειράσασθαι καὶ Πομπήιον Καῖσαρι συναλλάξαι.

[53] ὁ μὲν ὧδε ἀπεκρίνατο, ὁ δὲ Καῖσαρ ἐς Ῥώμην ἀπὸ Κελτῶν ἐπανιών ἦσθετο μὲν τῶν ἐς Ἀθήνας διαπεπλευκότων, τὸ δὲ τῆς ἀποκρίσεως ἀκριβὲς ἄρα οὐκ εἰδὼς ἐξώτρυνε τοὺς κληρούχους ἐπὶ τὸν Ἀντώνιον ὡς κατάγοντα μετὰ τῶν γεωργῶν Πομπήιον, ὧν αὐτοὶ τὰ χωρία ἔχουσιν: ἐς γὰρ δὴ Πομπήιον οἱ πλέονες τῶν γεωργῶν ἐπεφεύγεσαν. καὶ πιθανοῦ τοῦ διερεθίσματος ὄντος, οὐδ' ὥς οἱ κληροῦχοι προθύμως ἐπὶ τὸν Ἀντώνιον ἐστράτευσεν: οὕτως ἢ δόξα τῶν ἐν Φιλίπποις γεγονότων ἐδημαγῶγει τὸν Ἀντώνιον. ὁ δὲ Καῖσαρ Ἀντωνίου μὲν καὶ Πομπηίου καὶ Ἀηνοβάρβου κατὰ πλῆθος ὀπλιτῶν ὑπεροίσειν ἐνόμιζεν ἥρχε γὰρ τελῶν ἐς τότε τεσσαράκοντα πλεόνων, ναῦν δὲ οὐδεμίαν ἔχων οὐδὲ καιρὸν ἐς ναυπηγίαν ὠρρώδει, ναῦς ἐκείνων ἐχόντων πεντακοσίας, μὴ τὴν Ἰταλίαν περιπλέοντες ἐς λιμὸν περιενέγκαιεν. ὧν ἐνθυμούμενος ἑλέλεκτο δὲ αὐτῷ περὶ πολλῶν παρθένων ἐς γάμον ἐπέστελλε Μαικίηνα συνθέσθαι Σκριβωνία, τῇ Λίβωνος ἀδελφῇ, τοῦ κηδεύοντος Πομπηίῳ, ἵν' ἔχοι καὶ τήνδε ἀφορμὴν ἐς διαλύσεις, εἰ δεήσειεν. καὶ πυθόμενος ὁ Λίβων ἐπέστελλε τοῖς οἰκείοις ἐγγυᾶν αὐτὴν τῷ Καίσαρι προθύμως. ὁ δὲ Καῖσαρ τῶν Ἀντωνίου φίλων καὶ στρατῶν ὅσους ὑπόπτειε, διέπεμπεν ἐπὶ προφάσεων ἄλλους ἀλλαχοῦ καὶ Λέπιδον ἐς τὴν ἐψηφισμένην αὐτῷ Λιβύην, ἄγοντα τῶν Ἀντωνίου τελῶν τὰ ὑποπτότατα ἔξ.

[54] Λεύκιον δὲ καλέσας ἐπήνει μὲν ἐς φιλαδελφίαν, εἰ τῇ Ἀντωνίου γνώμῃ ὑπομεμενηκῶς ἴδιον τὸ ἀμάρτημα ποιοῖτο, ὠνείδιζε δὲ ἐς ἀχαριστίαν, εἰ τοιούτου τυχὼν αὐτοῦ μηδὲ νῦν ὁμολογοίη περὶ Ἀντωνίου, σαφῶς ἤδη καὶ Πομπηίῳ συνθέσθαι λεγομένου. 'ἐγὼ δέ σοι πιστεύων,' ἔφη, 'Καληνοῦ τελευτήσαντος τά τε ἔθνη τὰ ὑπ' αὐτῷ καὶ τὸν στρατόν, ἵνα μὴ ἀναρχος εἴη, διὰ τῶν ἑμαυτοῦ φίλων διώκουν Ἀντωνίῳ. ἀλλὰ νῦν ἐκφανείσης τῆς ἐνέδρας ἐκεῖνά τε ἑμαυτοῦ πάντα ποιοῦμαι καὶ σοὶ πρὸς τὸν ἀδελφὸν ἀπιέναι θέλοντι συγχωρῶ μετὰ ἀδείας.' ὁ μὲν οὕτως εἶπεν, εἴτε πειρώμενος τοῦ Λευκίου, εἴτε τὸ λεχθὲν ἐκπεσεῖν ἐθέλων ἐς τὸν Ἀντώνιον: ὁ δὲ οἶα καὶ πρότερον εἶπε: 'Φουλβίας μὲν ἡσθόμην οὔσης μοναρχικῆς, ἐγὼ δὲ συνεχρώμην τοῖς τοῦ ἀδελφοῦ στρατοῖς ἐς τὴν ἀπάντων ὑμῶν καθαίρεσιν. καὶ νῦν, εἰ μὲν ἐπὶ καταλύσει τῆς μοναρχίας ἔρχοιτο ὁ ἀδελφός, καὶ φανερώς καὶ λαθὼν οἰχήσομαι πρὸς αὐτόν, ἀγωνιούμενος αὐθις ὑπὲρ τῆς πατρίδος πρὸς σέ, καίπερ ἤδη μοι γενόμενον εὐεργέτην. εἰ δ' ἐπιλέγοιτο κἀκεῖνος καὶ διακρίνοι τοὺς συμμοναρχήσοντας αὐτῷ, πολεμήσω σὺν σοὶ πρὸς αὐτόν, ἕως ἂν ἡγῶμαι μηδὲ σέ μοναρχίαν καθίστασθαι: τὸ γὰρ τῆς πατρίδος αἰεὶ προθήσω καὶ χάριτος καὶ γένους.' ὧδε μὲν ὁ Λεύκιος εἶπεν, ὁ δὲ Καῖσαρ αὐτόν καὶ τέως ἐν θαύματι ἄγων οὐκ ἔφη μὲν οὐδὲ βουλόμενον ἐπάξεσθαι κατὰ ἀδελφοῦ, πιστεύσειν δὲ ὡς τοιῷδε ἀνδρὶ πᾶσαν Ἰβηρίαν καὶ τὸν ἐν αὐτῇ στρατόν, ὑποστρατηγούντων αὐτῷ τῶν νῦν ἡγουμένων αὐτῆς Πεδουκαίου τε καὶ Λευκίου.

οὕτω μὲν δὴ καὶ Λεύκιον ὁ Καῖσαρ ἀπέπεμπε σὺν τιμῇ καὶ διὰ τῶν ὑποστρατῆγων ἐφύλασσε ἀφανῶς: [55] Ἀντώνιος δὲ Φουλβίαν μὲν ἐν Σικυῶνι νοσηλευομένην ἀπέλιπεν, ἀπὸ δὲ Κερκύρας ἐς τὸν Ἰόνιον ἔπλει, στρατῷ μὲν οὐ πολλῷ ναυσὶ δὲ διακοσίαις, ἃς ἐν Ἀσίᾳ πεποίητο. πυθόμενος δὲ

Ἀηνοβάβρον ἀπαντᾶν αὐτῷ ναυσὶ καὶ στρατῷ πολλῷ, οὐ δοκοῦντά τισιν οὐδ' ἐπὶ ταῖς διαπεμφθεῖσαις σπονδαῖς εἶναι βέβαιον ἣν γὰρ Ἀηνοβάβρος τῶν κατεγνωσμένων τε ἐκ δίκης ἐπὶ Γαίῳ Καίσαρι φόνου καὶ προγεγραμμένων ἐπὶ τῇ καταδίκη καὶ ἐν Φιλίπποις Ἀντωνίῳ καὶ Καίσαρι πεπολεμηκότων, ὅμως ἔπλει, πέντε ναυσὶν ἐπιβάς ταῖς ἀρίσταις, ἵνα φαίνοιτο πιστεύων, καὶ τὰς λοιπὰς ἐκ διαστήματος ἔπεσθαι κελεύσας. καθορωμένου δὲ ἤδη τοῦ Ἀηνοβάβρου παντὶ τε τῷ στρατῷ καὶ παντὶ τῷ στόλῳ μετ' ὀξείας εἰρεσίας προσπλέοντος, ἔδειξεν ὁ Πλάγκος Ἀντωνίῳ παρεστὼς καὶ ἐπισχεῖν αὐτὸν ἡξίου τὸν πλοῦν καὶ προπέμψαι τινὰς ἐς πείραν ὡς πρὸς ἀμφίβολον ἄνδρα. ὁ δὲ εἰπὼν αἰρεῖσθαι παρασπονδούμενος ἀποθανεῖν μᾶλλον ἢ σφῆζεσθαι δειλὸς ὀφθείς, ἔπλει. πλησίον τε ἦσαν ἀλλήλων ἤδη, καὶ αἱ ναυαρχίδες ἐκ τῶν σημείων ἐφαίνοντο καὶ ἀλλήλαις προσέπλεον· καὶ τῶν ῥαβδούχων ὁ ἡγούμενος Ἀντωνίῳ, κατὰ τὴν πρῶραν, ὥσπερ ἔθος ἐστίν, ἐστῶς, εἴτ' ἐκλαθόμενος, ὅτι ἀμφίβολος ἀνὴρ καὶ στρατοῦ κἀκεῖνος ἡγούμενος ἰδίου προσπλέοι, εἴτε ἀπὸ εὐγενεστέρου φρονήματος, ὡς ὑπηκόοις ἢ ἐλάσσοσιν ἀνδράσιν ὑπαντῶσι, προσέταξε καθελεῖν τὸ σημεῖον. οἱ δὲ καθήρουν τε καὶ τὴν ναῦν ἐς τὰ πλάγια τῆς Ἀντωνίου νεῶς περιέστρεφον. ὡς δὲ καὶ συνιδόντες ἀλλήλους ἡσπᾶσαντο καὶ ὁ στρατὸς ὁ τοῦ Ἀηνοβάβρου τὸν Ἀντώνιον ἡγεμόνα προσεῖπεν, ὁ μὲν Πλάγκος ἀνεθάρρει μόλις, ὁ δὲ Ἀντώνιος ἐς τὴν ἑαυτοῦ ναῦν τὸν Ἀηνοβάβρον ἀναδεξάμενος ἐς Παλόεντα κατέπλευσεν, ἔνθα ἦν Ἀηνοβάβρῳ καὶ τὸ πεζόν. καὶ ὁ Ἀηνοβάβρος τῆς σκηνῆς ἐξίστατο Ἀντωνίῳ.

[56] ἐντεῦθεν ἐπὶ Βρεντεσίου διέπλεον, φυλασσομένου πρὸς πέντε Καίσαρος τάξεων, καὶ οἱ Βρεντέσιοι τὰς πύλας ἀπέκλειον, Ἀηνοβάβρῳ μὲν ὡς ἐκ πολλοῦ πολέμιῳ, Ἀντωνίῳ δὲ ὡς πολέμιον ἐπάγοντι. ὁ δὲ ἀγανακτῶν καὶ ἡγούμενος εἶναι τάδε καλλωπίσματα, τὸ δ' ἀληθὲς ἀποκλείεσθαι πρὸς τῶν Καίσαρος φρουρῶν γνώμῃ Καίσαρος, διετάφρευε τῆς πόλεως τὸν ἰσθμὸν καὶ ἀπετειχίζεν. ἔστι δ' ἡ πόλις χερρόνησος ἐν μνηοειδεῖ λιμένι, καὶ οὐκ ἦν ἔτι τοῖς ἐξ ἡπείρου προσελεθεῖν ἀνάντει λόφῳ, διατετμημένῳ τε καὶ διατετειχισμένῳ. ὁ δὲ Ἀντώνιος καὶ τὸν λιμένα μέγαν ὄντα φρουρίοις πυκνοῖς περιεφράξατο καὶ τὰς νήσους τὰς ἐν αὐτῷ. ἐς τε τὰ παράλια τῆς Ἰταλίας περιέπεμπεν, οἷς εἴρητο τὰ εὐκαιρα καταλαμβάνειν. ἐκέλευε δὲ καὶ Πομπήιον ἐπιπλεῖν τῇ Ἰταλίᾳ καὶ δρᾶν, ὃ τι δύναται. ὁ δὲ ἄσμενος αὐτίκα Μηνόδωρον σὺν ναυσὶ πολλαῖς καὶ στρατοῦ τέσσαρσι τέλεσιν ἐκπέμψας Σαρδῶ Καίσαρος οὕσαν καὶ τὰ ἐν αὐτῇ δύο τέλη περιέσπασε τὴν συμφορσύνην Ἀντωνίου καταπλαγέντας. τῆς δὲ Ἰταλίας Σιποῦντα μὲν τῆς Αὐσονίας οἱ τοῦ Ἀντωνίου κατέλαβον, Θουρίους δὲ καὶ Κωνσεντίαν Πομπήιος ἐπολιόρκει καὶ τὴν χώραν ἐπενέμετο τοῖς ἱππεῦσιν.

[57] ὁ δὲ Καίσαρ, ὀξείας καὶ πανταχοῦ τῆς ἐπιχειρήσεως γενομένης, ἐς μὲν τὴν Αὐσονίδα ἔπεμπεν Ἀγρίππαν ἐπικουρεῖν τοῖς πονουμένοις. καὶ ὁ Ἀγρίππας τοὺς ἐν ὁδῷ κληρούχους ἤγεν, ἐκ διαστήματος ἐπομένους ὡς ἐπὶ Πομπήιον ἰόντας· μαθόντες δὲ Ἀντωνίου γνώμῃ τὰ γιγνόμενα εἶναι, ἀνέστρεφον αὐτίκα διαλαθάνοντες. καὶ τοῦτο μάλιστα κατέπληξε τὸν Καίσαρα. ὁδεύων δ' ὅμως ἐς τὸ Βρεντέσιον αὐτὸς μεθ' ἐτέρου στρατοῦ, τοῖς

κληρούχοις αὐθις ἐνετύγχανε καὶ μετεδίδασκε καὶ τοὺς ὑφ' ἑαυτοῦ συνφικισμένους ἤγεν, αἰδουμένους καὶ γνώμην ἐν ἀπορρήτῳ ποιουμένους Ἀντώνιον καὶ Καίσαρα συναλλάσσειν, εἰ δ' ὁ Ἀντώνιος ἀπειθῶν πολεμοίῃ, Καίσαρι ἀμύνειν. ὁ δὲ Καῖσαρ ἐν μὲν Κανυσίῳ τινὰς ἡμέρας ἐνοσηλεύετο, παντὶ δὲ ὦν ἔτι κρείσσων Ἀντωνίου κατὰ τὸ πλῆθος, εὗρε τὸ Βρεντέσιον ἀποτετελιχισμένον καὶ οὐδὲν ἄλλ' ἢ παρεστρατοπέδευε καὶ τοῖς γιγνόμενοις ἐφήδρευεν.

[58] ὁ δ' Ἀντώνιος ἐκράτει μὲν τοῖς ὀχυρώμασιν ὥς πολὺν μείονας ἔχων ἀσφαλῶς ἀπομάχεσθαι, ἐκάλει δὲ τὸν στρατὸν ἐκ Μακεδονίας κατὰ σπουδὴν καὶ ἐτέχναζεν ἐσπέρας ἀφανῶς ἀνάγεσθαι ναῦς μακράς τε καὶ στρογγύλας ἰδιωτικοῦ πλῆθους, οἱ μεθ' ἡμέραν ἄλλοι μετ' ἄλλους κατέπλεον ὥπλισμένοι καθάπερ ἐκ Μακεδονίας ἐπιόντες, ἐφορῶντος αὐτῶν τὸν ἐπίπλουν τοῦ Καίσαρος. ἤδη δ' αὐτῶ καὶ τὰ μηχανήματα γεγένητο, καὶ ἐπιχειρήσειν ἔμελλε τοῖς Βρεντεσίοις, ἀχθομένου τοῦ Καίσαρος, ὅτι μὴ εἶχεν ἐπαμύνειν. περὶ δὲ ἐσπέραν ἐκατέροις ἀγγέλλεται Σιποῦντα μὲν Ἀγρίππας ἀναλαβὼν, Πομπήιος δὲ Θουρίων μὲν ἀπεωσμένος, Κωνσεντίαν δ' ἔτι περικαθήμενος, ἐφ' οἷς ὁ Ἀντώνιος ἐδυσχέraitεν. ὥς δὲ καὶ Σερουίλιος ἀπηγγέλη προσίων τῷ Καίσαρι μετὰ χιλίων καὶ πεντακοσίων ἰππέων, οὐ κατασχὼν τῆς ὁρμῆς ὁ Ἀντώνιος εὐθὺς ἀπὸ τοῦ δείπνου, μεθ' ὧν εὗρεν ἐτοίμων φίλων καὶ ἰππέων τετρακοσίων, μάλα θρασέως ἐπειχθεὶς ἐπέπεσε τοῖς χιλίοις καὶ πεντακοσίοις εὐναζομένοις ἔτι περὶ πόλιν Ὑρίαν καὶ ἐκπλήξας ἀμαχεὶ παρέλαβέ τε καὶ αὐτῆς ἡμέρας ἐς τὸ Βρεντέσιον ἐπανήγαγεν. οὕτω τὸν Ἀντώνιον ὥς ἄμαχον ἐκ τῆς ἐν Φιλίπποις δόξης ἔτι κατεπεπλήγεσαν.

[59] αἱ τε στρατηγίδες αὐτοῦ τάξεις, ὑπὸ τῆσδε τῆς δόξης ἐπαιρόμεναι, προσεπέλαζον τῷ χάρακι τῷ Καίσαρος κατὰ μέρη καὶ τοὺς συνεστρατευμένους σφίσιν ὠνείδιζον, εἰ πολεμήσοντες ἤκοιεν Ἀντωνίῳ τῷ πάντας αὐτοὺς περισώσαντι ἐν Φιλίπποις. τῶν δὲ ἀντεπικαλούντων, ὅτι αὐτοὶ σφίσιν ἤκουσι πολεμήσοντες, λόγοι συνισταμένων ἐγίνοντο, καὶ τὰ ἐγκλήματα ἀλλήλοις προύφερον, οἱ μὲν τὴν ἀπόκλεισιν τοῦ Βρεντεσίου καὶ τὴν ἀφαίρεσιν τοῦ Καληνοῦ στρατοῦ, οἱ δὲ τὴν ἀποτείχισιν τοῦ Βρεντεσίου καὶ πολιορκίαν καὶ τὴν τῆς Αὐσονίδος καταδρομὴν καὶ τὸ συνθέσθαι μὲν Ἀηνοβάρβῳ σφαγεὶ Γαίου Καίσαρος, συνθέσθαι δὲ Πομπηίῳ κοινῷ πολεμίῳ. καὶ τέλος οἱ τοῦ Καίσαρος τὴν γνώμην σφῶν τοῖς ἐτέροις ἀνεκάλυπτον, ὅτι Καίσαρι συνέλθοιεν οὐκ ἀμνημονοῦντες Ἀντωνίου τῆς ἀρετῆς, ἀλλὰ διαλλαγὰς ἐπινοοῦντες ἀμφοτέροις ἢ Ἀντώνιον ἀπειθοῦντα καὶ πολεμοῦντα ἀμυνόμενοι. καὶ τάδε καὶ αὐτοὶ προσπελάζοντες τοῖς Ἀντωνίου χαρακώμασι προύλεγον.

γιγνομένων δὲ τούτων ἀγγέλλεται Φουλβία τεθνεῶσα, λεγομένη μὲν ἐπὶ ταῖς Ἀντωνίου μέμψεσιν ἀθυμῆσαι καὶ ἐς τὴν νόσον ἐμπεσεῖν, νομιζομένη δὲ καὶ τὴν νόσον ἐκούσα ἐπιτρίψαι διὰ τὴν ὀργὴν Ἀντωνίου· νοσοῦσάν τε γὰρ αὐτὴν ἀπολελοίπει καὶ οὐδὲ ἀπολείπων ἐωράκει. ἐδόκει δ' ἀμφοτέροις ἐς πολλὰ συνοίσειν ὁ θάνατος, γυναιίου φιλοπράγμονος ἀπηλλαγμένοις, ἢ διὰ τὸν Κλεοπάτρας ζῆλον ἐξερρίπισε τοσόνδε πόλεμον. τό γε μὴν πάθος ἀσθενῶς ἤνεγκεν ὁ Ἀντώνιος, ἡγούμενός τι καὶ αἴτιος γεγενέαι.

[60] Λεύκιος δὲ ἦν Κοκκήιος ἑκατέρῳ φίλος καὶ ὑπὸ Καίσαρος ἐς Φοινίκην τοῦ προτέρου θέρους πρὸς τὸν Ἀντώνιον ἀπέσταλτο μετὰ Καικίνα, ἐπανιόντος δὲ τοῦ Καικίνα παρὰ Ἀντωνίῳ κατέμενεν. οὗτος τότε ὁ Κοκκήιος, τὸν καιρὸν οὐ μεθείς, ὑπεκρίνατο μεταπεμφθῆναι πρὸς Καίσαρος ἀσπασόμενος αὐτόν. συγχωροῦντος δ' ἀπιέναι τοῦ Ἀντωνίου πειρώμενος ἦρετο, εἴ τι καὶ αὐτὸς ὁ Ἀντώνιος ἐπιστέλλει τῷ Καίσαρι, κεκομισμένος δι' αὐτοῦ Κοκκηίου γράμματα. καὶ ὁ Ἀντώνιος 'νὺν μὲν,' ἔφη, 'τί ἂν ἀλλήλοις γράφοιμεν, ὄντες ἐχθροί, εἰ μὴ κακῶς ἀγορεύοιμεν ἀλλήλους; ἀντέγραψα δὲ τοῖς πάλοι διὰ Καικίνα: καὶ εἰ βούλει, λάβε τὰ ἀντίγραφα.' ὁ μὲν οὕτως ἐπεχλεύασεν, ὁ δὲ Κοκκήιος οὐκ εἶα τῷ τὸν Καίσαρα καλεῖν ἐχθρόν, ἔς τε Λεύκιον καὶ τοὺς ἄλλους Ἀντωνίου φίλους τοιόνδε γεγεννημένον. ὁ δὲ 'ἐκ Βρεντεσίου με,' φησὶν, 'ἀποκλείων καὶ τὰ ἐμὰ ἔθνη καὶ τὸν Καληνοῦ στρατὸν ἀφαιρούμενος ἔτι τοῖς φίλοις ἐστὶν εὖνους μόνοις: οὐδὲ τοὺς φίλους ἐμοὶ περισφύζειν ἔοικεν, ἀλλὰ ταῖς εὐεργεσίαις ἐχθροποιεῖν.' καὶ ὁ Κοκκήιος, ἃ μὲν ἐπεμέμφετο μαθὼν, οὐδὲν δὲ ἔτι ὀξυτέραν φύσιν ἐπερεθίσας, ὥχετο πρὸς τὸν Καίσαρα.

[61] ὁ δὲ αὐτὸν ἰδὼν ἐν θαύματι ἐποιεῖτο, ὅτι μὴ θᾶσσον ἔλθοι: 'οὐ γάρ,' ἔφη, 'καὶ τὸν σὸν ἀδελφόν, ἴν' ἐχθρὸς ἦς μοι, περιέσωσα.' ὁ δὲ 'πῶς,' ἔφη, 'τοὺς μὲν ἐχθροὺς φίλους ποιῇ, τοὺς δὲ φίλους ἐχθροὺς ἀποκαλεῖς τε καὶ τὸν στρατὸν ἀφαιρῇ καὶ τὰ ἔθνη;' καὶ ὁ Καῖσαρ 'οὐ γάρ,' ἔφη, 'Καληνοῦ τελευτήσαντος ἐχρῆν ἐπὶ μειρακίῳ τῷ Καληνοῦ παιδί γενέσθαι τοσαύτας ἀφορμάς, ἀπόντος ἔτι Ἀντωνίου: αἷς καὶ Λεύκιος ἐπαρθεὶς ἐμάνη, καὶ Ἀσίνιος καὶ Ἀηνόβαρβος γειτονεύοντες ἐχρῶντο καθ' ἡμῶν. ἐπεὶ καὶ τὰ Πλάγκου τέλη κατὰ σπουδὴν κατέλαβον, ἵνα μὴ οἴχοιτο πρὸς Πομπήιον: οἱ γοῦν ἰπτέες αὐτῶν διέπλευσαν ἐς Σικελίαν.' καὶ ὁ Κοκκήιος 'ἐτέρως,' ἔφη, 'τάδε λογοποιούμενα οὐδὲ Ἀντώνιος ἐπίστευεν, ἕως ἀπεκλείσθη τοῦ Βρεντεσίου καθάπερ πολέμιος.' καὶ ὁ Καῖσαρ οὐδὲν μὲν αὐτὸς ἔφη περὶ τοῦδε προστάξαι 'οὐδὲ γὰρ προμαθεῖν προσπλέοντα οὐδ' ἀφικέσθαι μετὰ πολεμίων προσδοκῆσαι, Βρεντεσίους δὲ αὐτοὺς καὶ τὸν ὑπολειπόμενον αὐτοῖς διὰ τὰς Ἀηνοβάρβου καταδρομὰς ταξίαρχον αὐτοκελεύστους ἀποκλείσαι τὸν Ἀντώνιον, συνθέμενον μὲν ἐχθρῷ κοινῷ Πομπηίῳ, ἐπαγαγόντα δὲ Ἀηνόβαρβον φονέα τοῦ ἐμοῦ πατρός, ψήφῳ καὶ κρίσει καὶ προγραφῇ κατεγνωσμένον καὶ πολιορκήσαντα μὲν τὸ Βρεντέσιον μετὰ Φιλίππους, πολιορκοῦντα δὲ ἔτι τὸν Ἴόνιον ἐν κύκλῳ, ἐμπρήσαντα δὲ τὰς ἐμὰς ναῦς καὶ τὴν Ἰταλίαν λεηλατήσαντα.

[62] ὁ δὲ 'σπένδεσθαι μὲν,' ἔφη, 'συνεχωρήσατε ἀλλήλοις, πρὸς οὓς ἂν ἐθέλητε: καὶ οὐδενὶ τῶν ἀνδροφόνων Ἀντώνιος ἐσπείσατο, οὐδὲν ἔλασπον ἢ αὐτὸς σὺ τὸν σὸν πατέρα τιμῶν. Ἀηνόβαρβος δὲ οὐκ ἔστι τῶν ἀνδροφόνων, ἢ δὲ ψήφος αὐτῷ κατ' ὀργὴν ἐπῆκται: οὐδὲ γὰρ τῆς βουλῆς πῶ τότε μετεῖχεν. εἰ δ' ὥς φίλῳ Βρούτου μὴ συγγῶναι νομίζοιμεν, οὐκ ἂν φθάνοιμεν ὀλίγου δεῖν ἅπασι χαλεπαίνοντες; Πομπηίῳ δὲ οὐ συνέθετο μὲν συμμαχήσῃν ὁ Ἀντώνιος, πολемоῦμενος δ' ὑπὸ σοῦ προσλήψεσθαι σύμμαχον ἢ καὶ σοὶ συναλλάξῃν, οὐδὲν ἀνήκεστον οὐδ' ἐκεῖνον εἰργασμένον. σὺ δὲ καὶ τῶνδε τὴν αἰτίαν ἔχεις: εἰ γὰρ οὐκ ἐπολεμήθη κατὰ τὴν Ἰταλίαν, οὐδ' ἂν οὗτοι πρεσβεύεσθαι ταῦτα

πρὸς τὸν Ἀντώνιον ἐθάρρουν.’ καὶ ὁ Καῖσαρ ἔτι ἐπικαλὼν ‘τὴν μὲν Ἰταλίαν,’ ἔφη, ‘κάμει σὺν αὐτῇ, Μανίος καὶ Φουλβία καὶ Αεύκιος ἐπολέμουν· ὁ δὲ Πομπήιος οὐ πρότερον, ἀλλὰ νῦν Ἀντωνίῳ θαρρῶν ἐπιβέβηκε τῆς παραλίου.’ καὶ ὁ Κοκκήιος ‘οὐκ Ἀντωνίῳ θαρρῶν,’ εἶπεν, ‘ἀλλὰ ὑπ’ Ἀντωνίου πεμφθεὶς· οὐ γὰρ ἐπικρύψω σε, ὅτι καὶ τὴν ἄλλην Ἰταλίαν ἐπιδραμεῖται ναυτικῶ πολλῶ ναυτικὸν οὐκ ἔχουσαν, εἰ μὴ διαλύσεσθε ὑμεῖς.’ ὁ δὲ Καῖσαρ ‘οὐ γὰρ ἀμελῶς ἤκουσε τοῦ τεχνάσματος’ ἐπισχὼν ὀλίγον εἶπεν: ‘ἀλλ’ οὐ χαίρήσει Πομπήιος, κακὸς κακῶς καὶ νῦν ἐκ Θουρίων ἐξελαθεῖς.’ καὶ ὁ Κοκκήιος τὰ ἀμφύλογα πάντα κατιδὼν ἐπῆγε τὸν Φουλβίας θάνατον καὶ τρόπον αὐτοῦ, ὅτι πρὸς τὴν ὀργὴν Ἀντωνίου δυσχεράνασά τε νοσήσειε καὶ τὴν νόσον ἐπιτρίψειεν ὑπὸ τῆς δυσθυμίας, οὐκ ἰδόντος αὐτὴν οὐδὲ νοσοῦσαν Ἀντωνίου, ὡς αἴτιον τῇ γυναικὶ θανάτου γενόμενον· ἐκποδὼν δὲ κάκεινης γενομένης, οὐδενὸς ὑμῖν ἐνδεῖν ἔτι ἔφη “πρὸς ἀλλήλους πλὴν ἀληθεῦσαι, περὶ ὧν ὑπενοήσατε.”

[63] οὕτω καθομιλῶν τὸν Καῖσαρα ὁ Κοκκήιος ἐκείνην τε τὴν ἡμέραν ἐξενίζετο παρ’ αὐτῷ καὶ ἐδεῖτο ἐπιστεῖλαί τι τῷ Ἀντωνίῳ, νεώτερον ὄντα πρεσβυτέρῳ. ὁ δὲ πολεμοῦντι μὲν ἔτι οὐκ ἔφη γράψαι: οὐδὲ γὰρ ἐκεῖνον· μέμψεσθαι δ’ αὐτοῦ τῇ μητρί, ὅτι συγγενῆς οὔσα καὶ προτιμηθεῖσα ἐκ πάντων ὑφ’ αὐτοῦ, φύγοι τὴν Ἰταλίαν καθάπερ οὐ τευξομένη πάντων ὡς παρ’ υἱοῦ. ὧδε μὲν καὶ ὁ Καῖσαρ ἐτέχναζε καὶ ἐπέστελλε τῇ Ἰουλίᾳ. ἐξιώντι δὲ τοῦ στρατοπέδου τῷ Κοκκήϊῳ πολλοὶ τῶν ταξιάρχων τὴν γνώμην ἐξέφερον τοῦ στρατοῦ. ὁ δὲ καὶ τᾶλλα καὶ τόδε αὐτὸ τῷ Ἀντωνίῳ μετέφερεν, ἵνα εἰδεῖη πολεμήσοντας οὐ συντιθεμένῳ. συνεβούλευεν οὖν Πομπήιον μὲν ἐς Σικελίαν ἐξ ὧν ἐπόρθει μετακαλεῖν, Ἀηνόβαρβον δὲ ποι πέμπειν, ἕως αἱ συνθῆκαι γένοιτο. παρακαλούσης δὲ καὶ τῆς μητρὸς ἐς ταῦτα τὸν Ἀντώνιον ‘γένει γὰρ ἦν ἐκ τῶν Ἰουλιῶν, ἡσχύνετο Ἀντώνιος, εἰ μὴ γενομένων τῶν συμβάσεων τὸν Πομπήιον αὐθις ἐς συμμαχίαν καλοῖη. τῆς δὲ μητρὸς οὐκ ἀπελπιζούσης αὐτὰς ἔσεσθαι καὶ Κοκκήϊου ἰσχυριζομένου τε περὶ αὐτῶν καὶ ἐλπιζομένου τι πλεον εἰδέναι, ὁ Ἀντώνιος ἐνεδίδου καὶ τὸν Πομπήιον ἀναχωρεῖν ἐκέλευεν ἐς Σικελίαν, ὡς ἐπιμελησόμενος τῶν συγκεκριμένων, καὶ Ἀηνόβαρβον ἔπεμπεν ἡγεῖσθαι Βιθυνίας.

[64] ὧν ὁ στρατὸς ὁ τοῦ Καίσαρος αἰσθανόμενοι πρέσβεις εἴλοντο τοὺς αὐτοὺς ἐς ἀμφοτέρους, οἱ τὰ μὲν ἐγκλήματα αὐτῶν ἐπέσχον ὡς οὐ κρίναι σφίσι, ἀλλὰ διαλλάξαι μόνον ἡρημένοι, σφίσι δ’ αὐτοῖς προσελόμενοι Κοκκήιον μὲν ὡς οἰκεῖον ἀμφοῖν, ἐκ δὲ τῶν Ἀντωνίου Πολλίωνα καὶ Μαικῆναν ἐκ τῶν Καίσαρος, ἐγνώσαν Καίσαρι καὶ Ἀντωνίῳ πρὸς ἀλλήλους ἀμνησίαν εἶναι τῶν γεγονότων καὶ φιλίαν ἐς τὸ μέλλον. ὑπογύως δὲ Μαρκέλλου τεθνεῶτος, ὃς τὴν ἀδελφὴν Καίσαρος εἶχεν Ὀκταουίαν, ἐδικαίουν οἱ διαλλακταὶ τὴν Ὀκταουίαν Ἀντωνίῳ τὸν Καῖσαρα ἐγγυῆσαι. καὶ ὁ μὲν αὐτίκα ἐνηγγύα, καὶ ἡσπάζοντο ἀλλήλους, καὶ βοαὶ παρὰ τοῦ στρατοῦ καὶ εὐφημίας πρὸς ἑκάτερον αὐτῶν ἦσαν ἅπανστοι δι’ ὅλης τε τῆς ἡμέρας καὶ ἀνὰ τὴν νύκτα πᾶσαν.

[65] ὁ δὲ Καῖσαρ καὶ ὁ Ἀντώνιος τὴν Ῥωμαίων αὐθις ἀρχὴν ἐφ’ ἑαυτῶν ἐμερίσαντο ἅπασαν, ὅρον μὲν εἶναι σφίσι Σκόδραν πόλιν τῆς Ἰλλυρίδος, ἐν μέσῳ τοῦ Ἰονίου μυχοῦ μάλιστα δοκοῦσαν εἶναι, ταύτης δ’ ἔχειν τὰ μὲν πρὸς

ἔω πάντα τὸν Ἀντώνιον ἔθνη τε καὶ νήσους ἕως ἐπὶ ποταμὸν Εὐφράτην ἄνω, τὰ δὲ ἐς δύσιν τὸν Καίσαρα μέχρι ὠκεανοῦ. Λιβύης δὲ Λέπιδον ἄρχειν, καθὰ Καῖσαρ ἐδεδώκει. πολεμεῖν δὲ Πομπηίῳ μὲν Καίσαρα, εἰ μὴ τι συμβαίνοι, Παρθυαίοις δὲ Ἀντώνιον, ἀμυνόμενον τῆς ἐς Κράσσον παρασπονδήσεως. Ἀηνοβάρβῳ δ' εἶναι πρὸς Καίσαρα συμβάσεις τὰς πρὸς Ἀντώνιον γενομένας. στρατὸν δὲ ἐκ τῆς Ἰταλίας προσκαταλέγειν ἀκωλύτως ἴσον ἑκάτερον.

αἶδε μὲν ἦσαν αἱ τελευταῖαι Καίσαρί τε καὶ Ἀντωνίῳ γερόμεναι συμβάσεις. καὶ εὐθὺς ἐς τὰ ἐπείγοντα τοὺς φίλους ἑκάτερος αὐτῶν περιέπεμπε, Οὐεντίδιον μὲν ἐς τὴν Ἀσίαν Ἀντώνιος, ἀναστέλλειν Παρθυαίους τε καὶ Λαβηνὸν τὸν Λαβηνοῦ, μετὰ τῶν Παρθυαίων ἐν ταῖσδε ταῖς ἀσχολίαις Συρίαν τε καὶ τὰ μέχρι τῆς Ἰωνίας ἐπιδραμόντα.

ἃ μὲν δὴ Λαβηνός τε καὶ Παρθυαῖοι δράσαντες ἔπαθον, ἡ Παρθυικὴ δηλώσει γραφή: [66] "Ἐλενον δὲ στρατηγὸν Καίσαρος, σὺν ὁρμῇ κατασχόντα Σαρδοῦς, αὐθις ἐξέβαλε τῆς Σαρδοῦς Μηνόδωρος ὁ Πομπηίου, καὶ τῷδε μάλιστα χαλεπαίνων ὁ Καῖσαρ οὐκ ἐδέχετο τὰς πείρας Ἀντωνίου συνάγοντος αὐτῷ Πομπηίου. ἐς δὲ Ῥώμην παρελθόντες ἐτέλουν τοὺς γάμους. καὶ ὁ Ἀντώνιος Μάνιον μὲν ἔκτεινεν ὥς ἐρεθίσαντά τε Φουλβίαν ἐπὶ διαβολῇ Κλεοπάτρας καὶ τοσῶνδε αἷτιον γερόμενον, Καίσαρι δὲ ἐνέφηνε Σαλουιδιηνόν, τὸν ἡγούμενον τῷ Καίσαρι τοῦ περὶ Ῥοδανὸν στρατοῦ, ἀπόστασιν ἰδίᾳ βουλευῆσαι καὶ οἱ περὶ τοῦδε προσπέμψαι περικαθημένῳ τὸ Βρεντέσιον. καὶ ὁ μὲν τότε ἐξεῖπεν: οὐ πρὸς πάντων ἐπαινούμενον, εὐφυῆς ὢν ἄρα καὶ ταχὺς ἐς εὖνοιαν: ὁ δὲ Καῖσαρ αὐτίκα τὸν Σαλουιδιηνὸν ἐκάλει κατὰ σπουδὴν, ὥς ἐπὶ δὴ τι μόνου χρήζων καὶ εὐθὺς ἐκπέμψων αὐθις ἐς τὸν στρατὸν, καὶ ἐλθόντα ἔκτεινε διελέγξας καὶ τὸν ὑπ' αὐτῷ στρατὸν ὥς ὑποπτον ὄντα ἔχειν ἔδωκεν Ἀντωνίῳ.

[67] Ῥωμαίους δ' ὁ λιμὸς ἐπείεζεν, οὔτε τῶν ἐφ' ὧν ἐμπόρων ἐπιπλεόντων δέει Πομπηίου καὶ Σικελίας, οὔτε τῶν ἐκ δύσεως διὰ Σαρδῶ καὶ Κύρνον ἐχομένας ὑπὸ τῶν Πομπηίου, οὔτ' ἐκ τῆς περαιᾶς Λιβύης διὰ τοὺς αὐτοὺς ἐκατέρωθεν ναυκρατοῦντας. ἐπετίμητο δὴ πάντα, καὶ τῶνδε τὴν αἰτίαν ἐς τὴν ἔριν τῶν ἡγεμόνων ἀναφέροντες ἐβλασφήμουν αὐτοὺς καὶ ἐς διαλύσεις πρὸς Πομπηίου ἐπέσπερχον. οὐκ ἐνδιδόντος δὲ τοῦ Καίσαρος οὐδ' ὥς, ὁ Ἀντώνιος αὐτὸν ἡξίου ταχύνειν γε τὸν πόλεμον διὰ τὴν ἀπορίαν. χρημάτων δ' ἐς αὐτὸν οὐκ ὄντων προυτέθη διάγραμμα, εἰσφέρειν ἐπὶ μὲν τοῖς θεράπουσι τοὺς κεκτημένους ὑπὲρ ἑκάστου τὸ ἥμισυ τῶν πέντε καὶ εἴκοσι δραχμῶν ὀρισμένων ἐς τὸν πόλεμον τὸν Κασσίου τε καὶ Βρούτου, ἐσφέρειν δὲ καὶ μοῖραν τοὺς ἐκ διαθήκης τι καρπούμενους. τοῦτο τὸ γράμμα σὺν ὁρμῇ μανιδῶει καθεῖλεν ὁ δῆμος ἀγανακτῶν, εἰ τὰ κοινὰ ταμιεῖα κεκενωκότες καὶ τὰ ἔθνη σεσυληκότες καὶ τὴν Ἰταλίαν αὐτὴν ἐσφοραῖς καὶ τέλεσι καὶ δημεύσεσι καταβαρήσαντες οὐκ ἐς πολέμους οὐδ' ἐς ἐπὶ κτητὸν ἀρχήν, ἀλλ' ἐς ἰδίους ἐχθροὺς ὑπὲρ οἰκείας δυναστείας, ὑπὲρ ἧς δὴ καὶ προγραφὰς καὶ σφαγὰς καὶ λιμὸν ἐκ τῶνδε πανώδυνον γεγενῆσθαι, ἔτι καὶ τὰ λοιπὰ περιδύοιεν αὐτοὺς.

συνιστάμενοί τε ἐβόων καὶ τοὺς οὐ συνισταμένους ἔβαλλον καὶ ἠπεύλουν διαρπάσειν αὐτῶν τὰς οἰκίας καὶ καταπρήσειν, [68] ἕως τὸ μὲν πληθὸς ἅπαν

ἡρέτιστο, ὁ δὲ Καῖσαρ σὺν τοῖς φίλοις καὶ ὀλίγοις ὑπάσπισταις ἐς μέσους ἦλθεν, ἐντυχεῖν τε βουλόμενος καὶ τὴν μέμψιν ἐκλογίσασθαι. οἱ δὲ αὐτὸν εὐθὺς ὀφθέντα ἔβαλλον τε ἀφειδῶς πάνυ καὶ οὐδ' ὑπομένοντα καὶ ἑαυτὸν ἐμπαρέχοντα καὶ τιτρωσκόμενον ἠδοῦντο. πυθόμενος δ' ὁ Ἀντώνιος ἐβοήθει κατὰ σπουδὴν. οἱ δὲ καὶ τόνδε, κατιόντα τὴν ἱερὰν ὁδόν, οὐκ ἔβαλλον μὲν ὡς ἔτοιμον ἐς τὰς Πομπηίου διαλύσεις, ἀναχωρεῖν δὲ ἐκέλευον· καὶ οὐ πειθόμενον, τότε ἔβαλλον. ὁ δὲ ὀπλίτας πλέοντας, οἱ ἦσαν ἔξω τοῦ τείχους, ἐκάλει. καὶ οὐ παριέντων οὐδ' ὥς αὐτόν, οἱ μὲν ὀπλῖται διαιρεθέντες ἐς τὰ πλάγια τῆς ὁδοῦ καὶ τῆς ἀγορᾶς ἐπεχείρουν ἐκ τῶν στενωπῶν καὶ τὸν ἐντυχόντα ἀνήρουν· οἱ δ' οὐκέτι εὐμαρῶς οὐδὲ φυγεῖν ἐδύναντο, βεβυσμένοι τε ὑπὸ πλήθους καὶ διαδρομῇν οὐκέτι ἔχοντες, ἀλλὰ φόνος ἦν καὶ τραύματα καὶ ἀπὸ τῶν τεγῶν οἰμωγαὶ καὶ βοαί. καὶ ὁ Ἀντώνιος μόλις τε παρήλθε, καὶ τοῦ κινδύνου τὸν Καίσαρα περιφανῶς δὴ τότε μάλιστα οὗτος ἐξείλετο καὶ ἐς τὴν οἰκίαν περιέσωσε. διαφυγόντος δέ ποτε τοῦ πλήθους τὰ νεκρά, ἵνα μὴ ἐνοχλοῖη θεωρούμενα, ἐς τὸν ποταμὸν ἀπερριπτεῖτο· καὶ ἕτερον πένθος ἦν ὀρωμένων ἀνὰ τὸ ρεῦμα, καὶ περιδυνόντων αὐτὰ τῶν στρατιωτῶν καὶ ὅσοι μετ' αὐτῶν κακοῦργοι τὰ εὐσχήμονα μάλιστα ὡς οἰκεῖα ἔφερον. ἀλλὰ ταῦτα μὲν ἐπαύετο σὺν φόβῳ τε καὶ μίσει τῶν ἡγουμένων, ὁ δὲ λιμὸς ἤκμαζε, καὶ ὁ δῆμος ἔστενε καὶ ἡσύχαζεν.

[69] ὁ δ' Ἀντώνιος ἐδίδασκε τοὺς Λίβωνος οἰκείους Λίβωνα καλεῖν ἐκ Σικελίας ἐπὶ συνησθήσει τοῦ κήδους, ἐργασόμενόν τι καὶ μεῖζον· τὸ δ' ἀσφαλὲς τῷ Λίβωνι ἀνεδέχετο αὐτός. οἱ μὲν δὴ ταχέως ἐπέστελλον, καὶ ὁ Πομπήιος τῷ Λίβωνι συνεχῶρει. ἀφικόμενος δὲ ὁ Λίβων ἐς νῆσον ὠρμίσθη τὰς Πιθηκούσας, ἣ νῦν ἐστὶν Αἶναρία. καὶ μαθὼν ὁ δῆμος αὐθις ἠθροίζετο καὶ παρεκάλει σὺν ὀλοφύρσει τὸν Καίσαρα πέμψαι Λίβωνι πίστιν, πρεσβεύειν ἐθέλοντι πρὸς αὐτὸν ὑπὲρ εἰρήνης. καὶ ὁ μὲν ἄκων ἔπεμπε, ὁ δὲ δῆμος καὶ Μουκίαν, τὴν μητέρα τοῦ Πομπηίου, καταπρήσειν ἀπειλοῦντες, ἐξέπεμπον ἐργασομένην διαλύσεις. Λίβων μὲν δὴ συνεῖς τῶν ἐχθρῶν ἐνδιδόντων ἡξίου τοὺς ἡγεμόνας αὐτοὺς συνελθεῖν ὡς ἀλλήλοις ἐνδώσοντας, ὃ τι ἂν δοκῇ· βιασαμένου δὲ καὶ ἐς τοῦτο τοῦ δήμου, ἐξήεσαν ἐς Βαΐας ὁ Καῖσαρ καὶ ὁ Ἀντώνιος.

[70] Πομπήιον δὲ οἱ μὲν ἄλλοι πάντες ὁμαλῶς ἔπειθον ἐς τὴν εἰρήνην, Μηνόδωρος δὲ ἀπὸ Σαρδοῦς ἐπέστελλεν ἢ πολεμεῖν ἐγκρατῶς ἢ βραδύνειν ἔτι, ὡς τοῦ λιμοῦ σφῶν προπολεμοῦντος καὶ τῶν συμβάσεων, εἰ καταδοκοίη, κρεισσόνων ἐσομένων· Μοῦρκόν τε τούτοις ἐνιστάμενον ὑποβλέπειν ἐκέλευεν ὡς ἀρχὴν αὐτῷ περικτώμενον. ὁ δὲ καὶ τέως τὸν Μοῦρκον διὰ τε ἀξίωμα καὶ γνώμην ἐγκρατῇ βαρυνόμενος ἔτι μᾶλλον ἐκ τῶνδε ἀπερρίπτει, καὶ οὐδὲν ἦν, ὃ τι Μοῦρκῳ προσεῖχεν, ἕως ὁ μὲν Μοῦρκος ἀχθόμενος ἐς Συρακούσας ὑπεχώρει καὶ τινὰς ἰδὼν φύλακας ἐπομένους ἐκ Πομπηίου, φανερῶς αὐτὸν ἐν τοῖς φύλαξιν ἐλοιδόρει. ὁ δὲ χιλίαρχον καὶ λοχαγὸν αὐτοῦ Μοῦρκου διαφθείρας ἔπεμπε ἀνελεῖν αὐτὸν καὶ φάσκειν ὑπὸ θεράποντων ἀνηρῆσθαι· ἐς τε πίστιν τῆς ὑποκρίσεως τοὺς θεράποντας ἐσταύρου. οὐ μὴν ἐλάνθανε δεῦτερον ἐπὶ Βιθυνικῇ τόδε μύσος ἐργασάμενος, περὶ ἄνδρα καὶ τὰ πολέμια λαμπρὸν καὶ τῆς αἰρέσεως ἐγκρατῇ φίλον ἀπ' ἀρχῆς καὶ ἐς αὐτὸν

Πομπήιον εὐεργέτην τε ἐν Ἰβηρίᾳ γενόμενον καὶ ἐκόντα ἐλθόντα ἐς Σικελίαν.

[71] Μοῦρκος μὲν δὴ τεθνήκει, τῶν δ' ἄλλων τὸν Πομπήιον ἐς τὰς διαλύσεις ἐπειγόντων καὶ τὸν Μηνόδωρον διαβαλλόντων ἐς φιλαρχίαν ὥς οὐκ εὐνοία τοῦ δεσπότητος μᾶλλον ἢ ὅπως αὐτὸς ἄρχει στρατοῦ καὶ χώρας ἐνιστάμενον, ἐνδοὺς ὁ Πομπήιος ἐς τὴν Αἰναρίαν διέπλει ναυσὶ πολλαῖς ἀρίστης, ἐξήρους λαμπρᾶς ἐπιβεβηκώς. καὶ Δικαιάρχειαν μὲν οὕτω σοβαρῶς παρέπλευσε περὶ ἐσπέραν, ἐφορώντων τῶν πολεμίων: ἅμα δὲ ἔφ, καταπηχθέντων σταυρῶν ἐξ ὀλίγου διαστήματος ἐν τῇ θαλάσῃ, σανίδες τοῖς σταυροῖς ἐπετέθησαν, καὶ διὰ τῶνδε τῶν καταστροφμάτων ὁ μὲν Καῖσαρ καὶ ὁ Ἀντώνιος παρήλθον ἐς τὸ πρὸς τῇ γῇ πεπονημένον, ὁ δὲ Πομπήιος καὶ ὁ Λίβων ἐς τὸ πελαγιώτερον, ὀλίγου ρεύματος αὐτοὺς διείργοντος μὴ κεκραγότας ἀλλήλων ἀκούειν. ἐπεὶ δὲ ὁ μὲν Πομπήιος ἐπὶ κοινωνία τῆς ἀρχῆς ἦκειν ὥτε ἀντὶ Λεπίδου, οἱ δὲ ὡς κάθοδον αὐτῷ δώσοντες μόνην, τότε μὲν ἐπ' οὐδενὶ ἔργῳ διεκρίθησαν, διαπομπαὶ δὲ συχναὶ τῶν φίλων ἦσαν ἐπὶ ποικίλαις ἐκατέρων προκλήσεσιν. ἦται δ' ὁ Πομπήιος τῶν προγεγραμμένων τε καὶ οἷ συνόντων τοῖς μὲν ἀνδροφόνοις Γαῖου Καίσαρος φυγὴν ἄδολον, τοῖς δὲ λοιποῖς κάθοδόν τε ἔντιμον καὶ τὰς οὐσίας, ἃς ἀναλώκεσαν. ἐπειγόμενοι δὲ ἐς τὰς συμβάσεις ὑπὸ τε τοῦ λιμοῦ καὶ ὑπὸ τοῦ δήμου, ἐς τὸ τέταρτον μόλις ἐνεδίδουν ὡς ὠνησόμενοι παρὰ τῶν ἐχόντων: καὶ τοῖς προγεγραμμένοις αὐτοῖς περὶ τούτων ἐπέστελλον, ἐλπίζοντες αὐτοῖς αὐτοὺς ἀγαπήσειν. οἱ δὲ ἐδέχοντο πάντα, ἐπεὶ καὶ Πομπήιον αὐτὸν ἐδεδοίκεσαν ἤδη διὰ τὸ Μούρκου μύσος: καὶ προσιόντες τῷ Πομπηίῳ συνθέσθαι παρεκάλουν, ὅτε καὶ τὴν ἐσθῆτα κατερρήξατο ὁ Πομπήιος ὡς καὶ τῶνδε προδιδόντων αὐτόν, ὧν προμάχεται, καὶ θαμινὰ τὸν Μηνόδωρον ὡς στρατηγικὸν καὶ μόνον εὖνουν ἀνεκάλει.

[72] Μουκίας δὲ αὐτόν τῆς μητρὸς καὶ Ἰουλίας τῆς γυναικὸς ἐναγουσῶν, αὐθις οἱ τρεῖς συνήλθον ἐς τὸ ἀμφίκλυστον Δικαιαρχέων χῶμα, περιορμουσῶν τῶν φυλακίδων νεῶν, καὶ συνέβησαν ἐπὶ τοῖσδε: λελύσθαι μὲν τὸν πόλεμον αὐτοῖς καὶ κατὰ γῆν καὶ κατὰ θάλασσαν καὶ τὰς ἐμπορίας ἀκωλύτους εἶναι πανταχοῦ, Πομπήιον δὲ τὰς φρουρὰς ἐξαγαγεῖν, ὅσαι κατὰ τὴν Ἰταλίαν εἰσὶ, καὶ μηκέτι τοὺς ἀποδιδράσκοντας οἰκέτας ὑποδέχεσθαι μηδ' ἐφορμεῖν ναυσὶ τὴν ἀκτὴν τῆς Ἰταλίας, ἄρχειν δὲ Σαρδοῦς καὶ Σικελίας καὶ Κύρνου καὶ ὅσων ἄλλων εἶχεν ἐς τότε νήσων, ἐς ὅσον ἄρχειεν τῶν ἐτέρων Ἀντωνίος τε καὶ Καῖσαρ, πέμποντα Ῥωμαίοις τὸν ἐκ πολλοῦ τεταγμένον αὐταῖς φέρειν σῆτον, ἐπιλαβεῖν δὲ καὶ Πελοπόννησον ἐπὶ ταύταις, ὑπατεῦσαι δ' ἀπόντα, δι' ὅτου κρίνοι τῶν φίλων, καὶ τῆς μεγίστης ἱερωσύνης ἐς τοὺς ἱερέας ἐγγραφῆναι. καὶ τότε μὲν εἶναι Πομπηίῳ, κάθοδον δὲ τοῖς ἔτι φεύγουσι τῶν ἐπιφανῶν, πλὴν εἴ τις ἐπὶ τῷ φόνῳ Γαῖου Καίσαρος ψήφῳ καὶ κρίσει κατέγνωσται: καὶ τῆς περιουσίας τοῖς μὲν ἄλλοις, ὅσοι κατὰ φόβον ἔφρουγον καὶ τὰ ὄντα αὐτοῖς ἐκ βίας ἀπωλώλει, τὸ ἐντελὲς ἀποδοθῆναι χωρὶς ἐπίπλων, τοῖς δὲ προγεγραμμένοις μοῖραν τετάρτην. καὶ τῶν ἐστρατευμένων τῷ Πομπηίῳ τοὺς μὲν οἰκέτας ἐλευθέρους εἶναι, τοῖς δ' ἐλευθέροις, ὅτε παύσαιντο τῆς στρατείας, τὰ αὐτὰ δοθῆναι γέρα τοῖς ἐστρατευμένοις Καίσαρι τε καὶ Ἀντωνίῳ.

[73] ἐς ταῦτα συνέβησαν καὶ ταῦτα συνεγράψαντο καὶ ἐσημήναντο καὶ ταῖς

ιεραῖς παρθένοις φυλάσσειν ἔπεμψαν ἐς Ῥώμην. ἐξένιζον δ' ἀλλήλους αὐτίκα, περὶ τῆς τάξεως διαλαχόντες, πρῶτος μὲν ἐπὶ ἐξήρους Πομπήιος περιωρμὶς μένης ἐς τὸ χῶμα, ταῖς δὲ ἐξῆς Ἀντώνιος τε καὶ Καῖσαρ, σκηνοποιοισάμενοι καὶ οἶδε ἐπὶ τοῦ χώματος, πρόφασιν μὲν ὡς ἅπαντες ἐπὶ ἀκτῆς ἐστιῶντο, τάχα δ' ἐς ἀσφάλειαν ἀνύποπτον. οὐδὲ γὰρ οὐδ' ὧς εἶχον ἀμελῶς, ἀλλ' αἱ τε νῆες αὐτοῖς παρώρμουν, καὶ οἱ φύλακες περιεστῆκεσαν, καὶ οἱ περὶ τὸ δεῖπνον αὐτὸ ἀφανῶς εἶχον ὑπεζωσμένα ξιφίδια. λέγεται δὲ Μηνόδωρος ἐστιωμένων ἐν τῇ νηὶ τῶν ἀνδρῶν πέμψαι Πομπηίῳ, προτρέπων αὐτὸν ἐπιθέσθαι τοῖς ἀνδράσι καὶ τίσασθαι μὲν τῆς ἐς τὸν πατέρα καὶ τὸν ἀδελφὸν ἀμαρτίας, ἀναλαβεῖν δὲ τὴν ἀρχὴν τὴν πατρῶαν δι' ὀξυτάτης ἀφορμῆς· ἐπιμελήσεσθαι γὰρ αὐτὸς ἐν ταῖς ναυσὶν ὧν μηδὲνα διαφυγεῖν. ὁ δ' ἀποκρίνασθαι τοῦ γένους ἅμα καὶ τῆς χρείας ἀξίως· 'εἴθε Μηνόδωρον ἦν ἐργάσασθαι ταῦτα χωρὶς ἐμοῦ.' Μηνοδώρῳ γὰρ ἀρμόζειν ἐπιορκεῖν, οὐ Πομπηίῳ. ἤρμωσαν δ' ἐν τῷδε τῷ δείπνῳ τὴν Πομπηίου θυγατέρα, Λίβωνος οὖσαν θυγατριδὴν, Μαρκέλλῳ τῷ προγόνῳ μὲν Ἀντωνίου, ἀδελφιδῷ δὲ Καίσαρος. ἀπέφηναν δὲ τῆς ἐπιούσης ὑπάτους ἐς τετραετὲς Ἀντώνιον μὲν καὶ Λίβωνα πρώτους, ἀντικαθιστάντος ὅμως Ἀντωνίου, ὃν ἂν βούλοιτο, ἐπὶ δ' ἐκείνοις Καίσαρά τε καὶ Πομπήιον, εἶτα Ἀγνόβαρβον καὶ Σόσιον, εἴτ' αὖθις Ἀντώνιον τε καὶ Καίσαρα, τρίτον δὴ τότε μέλλοντας ὑπατεύσειν καὶ ἐλπιζομένους τότε καὶ ἀποδώσειν τῷ δήμῳ τὴν πολιτείαν.

[74] τὰδε μὲν ἔπραξαν, καὶ διακριθέντες ἀλλήλων ὁ μὲν ἐς Σικελίαν ἔπλει, Καῖσαρ δὲ καὶ Ἀντώνιος ὤδουν ἐς Ῥώμην. πυθόμεναι δὲ ἢ τε πόλις καὶ ἡ Ἰταλία, ἐπαιάνιζον αὐτίκα ἅπαντες ὡς ἐπὶ εἰρήνῃ, πολέμου τε ἀπαλλαγέντες ἐπιχωρίου καὶ ξεναγήσεως υἰῶν καὶ φρουρῶν ὕβρεως καὶ θεραπόντων αὐτομολίας καὶ λεηλασίας πεδίων καὶ γεωργίας ἀργίας, ὑπὲρ ἅπαντα δὲ τοῦ λιμοῦ, πῖσαντος αὐτοὺς ἐς ἔσχατον, ὥστε παροδεύουσιν αὐτοῖς οἷα σωτήρσιν ἐγίγνοντο θυσίαι· καὶ τὸ ἄστὺ ἐμελλεν ὑποδέξεσθαι περιφανῶς, εἰ μὴ νυκτός, ἐκκλίνοντες τὸ φορτικόν, ἔλαθον ἐς τὴν Ῥώμην ἐσελθόντες. μόνον δὲ ἦχθοντο, ὅσοι τὰ τῶν ἐλευσομένων σὺν Πομπηίῳ χωρία κεκληρουχῆκεσαν, ἡγούμεναι πρὸς τοὺς γεωμόρους ἀδιαλλάκτους ἐχθροὺς παροικήσειν καί, εἴ ποτε δυνηθεῖεν, ἐπιθήσεσθαι. οἱ δ' ἀμφὶ τὸν Πομπήιον φυγάδες αὐτίκα, χωρὶς ὀλίγων, οἱ πλείους ἐν τῇ Δικαιαρχείᾳ τὸν Πομπήιον ἀσπασάμενοι κατέπλεον ἐς τὴν Ῥώμην. καὶ ἑτέρα τοῦ πλήθους ἦν ἡδονὴ καὶ βοαὶ ποικίλαι, τοσῶνδε οὕτως ἐπιφανῶν ἐξ ἀέλπτου περισεσωσμένων.

[75] ἐπὶ δὲ τούτοις ὁ μὲν Καῖσαρ ἐς τὴν Κελτικὴν ἐξώρμα ταρασσομένην, ὁ δὲ Ἀντώνιος ἐπὶ τὸν πόλεμον τῶν Παρθυαίων. καὶ αὐτῷ τῆς βουλῆς ψηφισαμένης εἶναι κύρια, ὅσα ἔπραξέ τε καὶ πράξει, αὖθις στρατηγούς πανταχῇ περιέπεμπε καὶ τᾶλλα ὡς ἐπενόει πάντα διεκόσμη. ἴστη δὲ πῃ καὶ βασιλέας, οὓς δοκιμάσειεν, ἐπὶ φόροις ἄρα τεταγμένοις, Πόντου μὲν Δαρεῖον τὸν Φαρνάκους τοῦ Μιθριδάτου, Ἰδουμαίων δὲ καὶ Σαμαρέων Ἡρόδην, Ἀμύνταν δὲ Πισιδῶν καὶ Πολέμωνα μέρους Κιλικίας καὶ ἑτέρους ἐς ἕτερα ἔθνη. τὸν δὲ στρατόν, ὅσος ἐμελλεν αὐτῷ συγχεῖμάσειν, περιουσιάσαι τε βουλόμενος καὶ γυμάσαι, τοὺς μὲν αὐτῶν ἐπὶ Παρθηνούς ἔπεμπε, Ἰλλυρικὸν ἔθνος Ἐπιδάμνῳ πάροικον, προθυμοτάτους γενομένους Βρούτῳ, τοὺς δ' ἐπὶ

Δαρδανέας, ἕτερον Ἰλλυριῶν γένος, αἰεὶ Μακεδονίαν ἐπιτρέχοντας· τοὺς δ' ἐν Ἠπειρῷ μένειν ἐκέλευεν, ὥς ἂν ἐν κύκλῳ πάντα ἔχη, μέλλων αὐτὸς ἐν Ἀθήναις χειμάσειν. ἔπεμπε δὲ καὶ Φούρνιον ἐς Λιβύην, τὰ ὑπὸ Σεξτίῳ τέλη τέσσαρα ἄζοντα ἐπὶ Παρθυαίους· οὐ γάρ πω πέπυστο αὐτὰ Λέπιδον ἀφρηῆσθαι Σεξτίου.

[76] ταῦτα διαθέμενος ἐχείμαζεν ἐν ταῖς Ἀθήναις μετὰ τῆς Ὀκταουίας, καθὰ καὶ ἐν Ἀλεξανδρείᾳ μετὰ τῆς Κλεοπάτρας, τὰ μὲν ἐκ τῶν στρατοπέδων ἐπιστελλόμενα ἐφορῶν μόνα, ἀφέλειαν δὲ ἰδιωτικὴν αὐθις ἐξ ἡγεμονίας καὶ σχῆμα τετράγωνον ἔχων καὶ ὑπόδημα Ἀττικὸν καὶ θύρας ἡρεμούσας. ἐξοδοί τε ἦσαν ὁμοίως ἄνευ σημείων αὐτῷ, σὺν δύο φίλοις καὶ σὺν ἀκολουθοῖς δύο, ἐς διδασκάλων διατριβὰς ἢ ἀκροάσεις. καὶ τὸ δεῖπνον ἦν Ἑλληνικὸν καὶ μεθ' Ἑλλήνων ἢ γυμνασία πανηγύρεις τε σὺν θυμηδία μετὰ τῆς Ὀκταουίας· πολὺς γὰρ καὶ ἐς τήνδε ἐρρῦη, ταχὺς ὢν ἐς ἔρωτας γυναικῶν. λήγοντος δὲ τοῦ χειμῶνος, ὥσπερ ἐτέρῳ γενομένῳ, ἢ τε ἐσθῆς αὐθις καὶ μετὰ τῆς ἐσθῆτος ἢ ὄψις ἐνηλλάσσετο, καὶ πλῆθος ἦν ἀμφὶ τὰς θύρας αὐτίκα σημείων τε καὶ ἡγεμόνων καὶ δορυφόρων, καὶ φόβου πάντα μεστὰ καὶ καταπλήξεως· πρεσβεαῖ τ' ἐσεδέχοντο, αἱ τέως ἡρέμουν κεκελευσμένοι, καὶ δίκαι διεκρίνοντο, καὶ νῆες καθεύκοντο, καὶ ἡ ἄλλη παρασκευὴ πᾶσα συνεκινεῖτο.

[77] καὶ Ἀντώνιος μὲν ἀμφὶ ταῦτα ἦν, Καῖσαρι δὲ καὶ Πομπηίῳ διελύθησαν αἱ γενόμεναι σπονδαί, κατὰ μὲν αἰτίας, ὥς ὑπενοεῖτο, ἐτέρας, αἱ δὲ ἐς τὸ φανερὸν ὑπὸ τοῦ Καίσαρος ἐκφερόμεναι αἶδε ἦσαν. Πελοπόννησον Ἀντώνιος μὲν ἐδίδου Πομπηίῳ, κελεύων, ὅσα ἔτι ὤφειλον αὐτῷ Πελοποννήσιοι δόντα ἢ αὐτὸν ἀναδεξάμενον ἀποδώσειν παραλαβεῖν ἢ περιμεῖναι τὴν πρᾶξιν αὐτῶν. ὁ δὲ οὐκ ἐδέχετο μὲν ἐπὶ τοῖσδε τὴν χώραν, ἡγούμενος αὐτῷ σὺν τοῖς ὀφλήμασι δεδόσθαι· χαλεπαίνων δέ, ὥς ὁ Καῖσαρ ἔλεγεν, εἴτε ἐπὶ τούτοις εἴτε κατὰ γνώμην ἄπιστον εἶθ' ὑπὸ ζήλου τῶν ἐτέρων μεγάλους στρατοὺς ἐχόντων εἴτε Μηνοδώρου διερεθίζοντος αὐτὸν ἀνοχὰς μᾶλλον ἢ βεβαίους σπονδὰς εἶναι νομίζεин, ναῦς ἄλλας ἐποιεῖτο καὶ ἐρέτας συνέλεγε καὶ τῷ στρατῷ ποτε ἐδημηγόρησε χρῆναι παντὸς οὐνεκα παρασκευάζεσθαι. ληστήριά τε αὐθις ἀφανῆ τὴν θάλασσαν ἠνώχλει, καὶ μικρὸν ἢ οὐδὲν ἄκος τοῦ λιμοῦ γεγένητο Ῥωμαίοις, ὥστε ἐβόων οὐκ ἀπαλλαγὴν τῶν κακῶν, ἀλλ' ἐπίληψιν τετάρτου τυράννου κατὰ σπονδὰς γεγενῆναι. καὶ ὁ Καῖσάρ τινα ληστήρια συλλαβὼν ἐβασάνιζεν, οἱ Πομπήιον σφᾶς ἔλεγον ἐπιτέμψαι· καὶ τάδε αὐτὰ ὁ Καῖσαρ τῷ δήμῳ προσέφερε καὶ ἐπέστελλεν αὐτῷ Πομπηίῳ. ὁ δὲ ἐξελογεῖτο μὲν ὑπὲρ τούτων, ἀντενεκάλει δὲ Πελοποννήσου χάριν.

[78] ὅσοι δὲ τῶν ἐπιφανῶν ἦσαν ἔτι παρὰ τῷ Πομπηίῳ, ὁρῶντες αὐτὸν αἰεὶ πειθόμενον τοῖς ἀπελευθέροις, διέφθειραν ἐνίους τῶν ἀπελευθέρων, εἴτε ἀπὸ σφῶν αὐτῶν εἴτε ἐς χάριν Καίσαρος, ἐξοτρύνειν ἐπὶ Μηνοδώρῳ, Κύρνῳ καὶ Σαρδοῦς ἔτι ἄρχοντι, τὸν δεσπότην. οἱ δὲ καὶ αὐτοὶ φθόνῳ τῆς Μηνοδώρου δυνάμεως ἐκόντες ἐποίουν. καὶ Πομπήιος μὲν ἐς ἀλλοτρίωσιν ὑπήγετο τοῦ Μηνοδώρου, τῶν δ' αὐτῶν ἡμερῶν Φιλάδελφος, ὁ Καῖσαρος ἀπελευθέρος, πρὸς τὸν Μηνοδώρον διέπλευσε σίτου κομιδῆς οὐνεκα καὶ Μικυλίων ὁ πιστότατος τῷ Μηνοδώρῳ πρὸς Καίσαρα περὶ αὐτομολίας τοῦ Μηνοδώρου· ὑπισχεῖτο δὲ ἐγχειρεῖν Σαρδῶ καὶ Κύρνον καὶ τρία τέλη στρατοῦ καὶ ψιλῶν

πλήθος ἕτερον. καὶ τότε ὃν ἔργον εἶτε Φιλαδέλφου εἶτε τῶν ἐς Μηνόδωρον παρὰ Πομπηίου διαβολῶν, ὁ Καῖσαρ οὐκ εὐθὺς μὲν, ἐδέξατο δ' ὁμως, ἡγούμενος ἔργῳ τὴν εἰρήνην λελύσθαι. καὶ Ἀντώνιον ἐξ Ἀθηνῶν ἐς τὸ Βρεντέσιον ἐς ἡμέραν ῥητὴν παρεκάλει, συμβουλευσόμενος αὐτῷ περὶ τοῦδε τοῦ πολέμου: ναῦς τε μακρὰς ἐκ Ῥαβέννης καὶ στρατὸν ἐκ τῆς Κελτικῆς καὶ παρασκευὴν ἄλλην ἐς τὸ Βρεντέσιον καὶ ἐς Δικαιάρχειαν ὀξέως περιέπεμπεν, ὥς ἐκατέρωθεν ἐπιπλευσούμενος τῇ Σικελίᾳ, ἣν Ἀντωνίῳ συνδοκῇ.

[79] ὁ δὲ ἦλθε μὲν ἐς τὴν τεταγμένην ἡμέραν σὺν ὀλίγοις, Καίσαρα δὲ οὐχ εὐρὼν οὐ περιέμεινεν, εἶτε τὴν γνώμην τοῦ πολέμου μεμψάμενος ὥς παράσπονδον εἶτε τὴν Καίσαρος παρασκευὴν ἰδὼν πολλὴν οὖσαν ὅου γάρ ποτε αὐτοὺς ἀνέπαυε φόβων ἢ τῆς μοναρχίας ἐπιθυμίας, εἶτε τι σημεῖον δειδισάμενος. τῶν γὰρ περικοιμωμένων αὐτοῦ τῇ σκηνῇ πρὸς θηρίων τις εὐρέθῃ δεδαπανημένος, ἄνευ τοῦ προσώπου μόνου, καθάπερ ἐς ἐπίδειξιν παραλελειμμένου, οὔτε τι βοήσας οὔτε τινὸς τῶν συναναπαυομένων ἦσθημένου: καὶ λύκον ἔλεγον οἱ Βρεντέσιοι πρὸ ἔω φανῆναι τῶν σκηνωμάτων ἐκθέοντα. ἔγραφέ γε μὴν τῷ Καίσαρι μὴ λύειν τὰ συγκείμενα καὶ ἠπειλεῖ Μηνόδωρον ἀπάξειν ὥς ἑαυτοῦ δραπέτην: γεγένητο γὰρ Πομπηίου Μάγνου, τὴν δὲ τοῦ Μάγνου περιουσίαν ὁ Ἀντώνιος ἐώνητο νόμῳ πιπρασκομένην ὥς πολεμίου.

[80] ὁ δὲ Καῖσαρ ἔπεμπεν ἐς Σαρδόνα καὶ Κύρνον τοὺς παραληψομένους, ἃ Μηνόδωρος ἐνεχειρίζεν, ἐκρατύνετο δὲ τὰ παράλια τῆς Ἰταλίας φρουρίοις πολλοῖς, μὴ αὐθις αὐτὰ ὁ Πομπήιος ἐπιδράμοι. τριήρεις δὲ ἑτέρας ἐν Ῥώμῃ καὶ ἐν Ῥαβέννῃ προσέτασσε γίνεσθαι καὶ στρατὸν πολὺν ἐκ τῆς Ἰλλυρίδος μετεπέμπετο: Μηνόδωρόν τε ἐλθόντα ἐλεύθερον εὐθὺς ἀπέφηνεν ἐξ ἀπελευθέρου καὶ ὧν αὐτὸς ἡγαγε νεῶν, ἐπέτρεπεν ἡγεῖσθαι, ὑποστρατηγοῦντα τῷ ναυάρχῳ Καλουσίῳ. ταῦτα μὲν δὴ καθιστάμενος ὁ Καῖσαρ καὶ παρασκευὴν ἔτι πλεονα συνάγων ἐβράδυνε καὶ τὸν Ἀντώνιον οὐ περιμείναντα ἐμέμφετο, τὴν δ' οὖσαν ἤδη παρασκευὴν ἐκέλευε Κορνιφίκιον ἐκ Ῥαβέννης μεταγαγεῖν ἐς Τάραντα. Κορνιφικίῳ μὲν δὴ χειμῶν περιπλέοντι ἐπιγίγνεται, καὶ μόνη τῶν νεῶν ἢ ναυαρχίς ἢ γενομένη Καίσαρι διεφθάρη: καὶ ἔδοξε τοῦτ' ἐς τὰ μέλλοντα σημῆναι. ἐπιπολαζούσης δὲ ὑπονοίας ἔτι, ὥς παρασπόνδως ὁ πόλεμος ὅδε γίγνοιτο, τὴν ὑπόνοιαν ὁ Καῖσαρ ἐκλύων ἐπέστελλε τῇ πόλει καὶ τὸν στρατὸν αὐτὸς ἐδίδασκεν, ὅτι τὰς σπονδὰς ὁ Πομπήιος ληστεύων τὴν θάλασσαν ἀναλύσειε καὶ τοῦθ' οἱ λησταὶ κατεΐποιεν αὐτοῦ, κατεΐποι δὲ καὶ Μηνόδωρος τὴν ὅλην γνώμην, μάθοι δὲ καὶ Ἀντώνιος καὶ διὰ τοῦτο Πελοπόννησον οὐ δοίη.

[81] ὥς δὲ αὐτῷ τὰ ἐν χερσὶν ἔτοιμα γεγένητο, ἐπέπλει τῇ Σικελίᾳ, αὐτὸς μὲν ἐκ Τάραντος, Καλουσίσιος δὲ Σαβίνος καὶ Μηνόδωρος ἀπὸ Τυρρηνίας: περιήει δὲ καὶ τὸ πεζὸν ἐς Ῥήγιον, καὶ μετὰ σπουδῆς ἐταχύνετο ἅπαντα. ὁ δὲ Πομπήιος τῆς μὲν αὐτομολίας τοῦ Μηνოდώρου ἐπιπλέοντος ἤδη Καίσαρος ἦσθετο, πρὸς δὲ τὸν ἐκατέρωθεν ἐπίπλουν αὐτὸς μὲν ὑπέμεινεν ἐν Μεσσήνῃ τὸν Καίσαρα, Καλουσίῳ δὲ καὶ Μηνοδώρῳ τὸν ἔχριστον τῷ Μηνοδώρῳ μάλιστα τῶν ἐξελευθέρων ἑαυτοῦ Μενεκράτῃ προσετασσεῖν ἅπαντὰν ἐπὶ στολου πολλοῦ. ὅδε οὖν ὁ Μενεκράτης ἐπιφαίνεται τοῖς πολεμίοις περὶ δέϊλνῃ

ἐσπέραν πελάγιος, καὶ οἱ μὲν ἐς τὸν κόλπον τὸν ὑπὲρ Κύμης συνέφυγον καὶ τὴν νύκτα ἀνεπαύοντο, καὶ Μενεκράτης ἐς Αἶναρίαν παρήλθεν· ἡοῦς δὲ ἀρχομένης οἱ μὲν τὸν κόλπον ἐν χρῶ παρὰ τὴν γῆν αὐτὴν μνηοειδεῖ στόλῳ παρέπλεον, ἵνα μὴ αὐτοὺς διεκπλέοιεν οἱ πολέμιοι, ὁ δὲ Μενεκράτης αὐτοῖς αὐθις ἐπιφαίνεται τε καὶ εὐθὺς ἐπλησίαζεν ὑπὸ ῥύμης καὶ τάχους· δρᾶν δὲ οὐκ ἀναγομένους ἐς τὸ πέλαγος οὐδὲν μέγα ἔχων, ἐς τὴν γῆν ἐγχρίμπτων ἐξεώθει. οἱ δὲ ἐξώκελλον τε ὁμοῦ καὶ τὰς ἐμβολὰς ἀπεμάχοντο. ἦν δὲ τοῖς μὲν ἐς τὸ πέλαγος ἀναχώρησίς τε καὶ ἐφόρμησις, ὅτε βούλονται, καὶ σκαφῶν ἐτέρων ἀλλαγὴ παρὰ μέρος· οἱ δὲ ἔκαμνον ἕκ τε τῶν πετρῶν, ἐφ' ἃς ἐπώκελλον, καὶ ὑπὸ τῆς ἀκινήσιας τῶν νεῶν· πεζομαχεῖν γὰρ πρὸς ναυμαχοῦντας ἐώκεσαν, οὔτε διώκειν οὔτε ἐκκλίνειν ἔχοντες.

[82] ἐν δὲ τούτῳ Μηνόδωρος καὶ Μενεκράτης καθορῶσιν ἀλλήλους καὶ τὸν ἄλλον πόνον ἀφέντες αὐτίκα μετ' ὀργῆς καὶ βοῆς ἀλλήλοις ἐπέπλεον, ἐν τῷδε τὴν νίκην καὶ τὸ κεφάλαιον τοῦ πολέμου τιθέμενοι, ἐν ᾧ τις αὐτῶν κρατήσῃν ἔμελλεν. αἱ μὲν δὴ νῆες ἀλλήλαις ὑπὸ ῥύμης ἐνέπεσον καὶ συνέτριψαν ἢ μὲν τὸν ἔμβολον τῆς Μηνოდώρου νεώς, ἢ δὲ τὸν ταρσὸν τῆς Μενεκράτους· ἐπεὶ δὲ αὐταῖς ἐκατέρωθεν χεῖρες ἐπεβλήθησαν σιδηραῖ, τῶν μὲν νεῶν οὐδὲν ἔτι ἔργον ἦν, συνεστηκυίας ἐκατέρας, οἱ δὲ ἄνδρες ὥσπερ ἐν γῇ πόνου καὶ ἀρετῆς οὐδὲν ἀπέλειπον. ἀκόντιά τε γὰρ ἦν ἀθρόα καὶ λίθοι καὶ τοξεύματα ἐπ' ἀλλήλους, καὶ ἐπὶ τὰς ναῦς καταρράκτας ἐρρίπτουν ἐς τὸ ἐπιέναι δι' αὐτῶν. ὑψηλοτέρας δ' οὔσης τῆς Μηνოდώρου νεώς, οἱ τε καταρράκται τοῖς τολμῶσιν ἦσαν εὐεπιβατώτεροι καὶ τὰ βαλλόμενα ὡς ἀφ' ὑψηλοῦ βιαιότερα. τεθνεώτων δ' ἤδη πολλῶν καὶ τῶν ὑπολοίπων κατατετρωμένων, ὁ μὲν Μηνόδωρος ὀβελῶ τὸν βραχίονα ἐτρώθη, καὶ ὁ ὀβελὸς ἐξηρέθη, ὁ δὲ Μενεκράτης τὸν μηρὸν ἀκοντίῳ πολυγλῶχινι Ἰβηρικῷ ὀλοσιδήρῳ, καὶ οὐκ ἦν ἐξελεῖν αὐτὸ σὺν ἐπέϊξει. ἀχρεῖος οὖν ὁ Μενεκράτης ἐς μάχην γενόμενος ἐπέμενε καὶ ὥς, τοὺς ἄλλους ἐποτρύνων, μέχρι λαμβανομένης τῆς νεώς ἐς τὸν βυθὸν τοῦ πελάγους ἑαυτὸν ἔρριπεν. καὶ τὴν μὲν ναῦν ὁ Μηνόδωρος ἀνεδήσατο καὶ ἐς τὴν γῆν ἀπέπλευσεν, οὐδὲν ἔτι δρᾶν οὐδὲ ἐκεῖνος δυνάμενος.

[83] καὶ τὸ μὲν λαιὸν τῆς ναυμαχίας οὕτως ἐπεπράχει. ἕκ δὲ τοῦ δεξιοῦ Καλουίσιος μὲν, διαπλέων ἐς τὸ λαιόν, ἀπετέμετό τινας τῶν Μενεκράτους νεῶν καὶ ἐκφυγούσας εἰς τὸ πέλαγος ἐδίωκε, Δημοχάρης δ', ὁ τοῦ Μενεκράτους συνεξελεύθερός τε καὶ ὑποστράτηγος, ταῖς λοιπαῖς τοῦ Καλουίσιου συμπεσόν, τὰς μὲν ἐς φυγὴν ἐτρέπετο, τὰς δὲ ἐς πέτρας συνήραξε, καὶ τῶν ἀνδρῶν ἐξαλομένων ἐνέπιμpra τὰ σκάφη, μέχρι Καλουίσιος ἐκ τῆς διώξεως ἐπανίων τὰς τε φευγούσας τῶν ἰδίων ἐπανάγαγε καὶ τὰς ἐμπιπραμένας ἐκώλυσε. καὶ νυκτὸς ἐπιλαβούσης ηὐλίσαντο πάντες, ἔνθα καὶ τῆς προτέρας.

ἡ μὲν δὴ ναυμαχία ἐς τοῦτο ἐτελεύτα, καὶ προῦχεν ἐν αὐτῇ τὰ Πομπηίου παρὰ πολὺ· Δημοχάρης δὲ βαρυθυμῶν ἐπὶ τῷ θανάτῳ Μενεκράτους ὡς ἐπὶ ἥττη μεγίστη ὄσο γὰρ οἶδε ἦσαν μάλιστα τῷ Πομπηίῳ θαλάσσης ἐργάται, Μενεκράτης τε καὶ Μηνόδωρος, ἅπαντα μεθεῖς ἐκ χειρῶν εὐθὺς ἐς Σικελίαν ἔπλει, καθάπερ οὐ τὸ Μενεκράτους σῶμα καὶ ναῦν μίαν, ἀλλὰ τὸν στόλον ὅλον ἀποβαλόν.

[84] ὁ δὲ Καλούσιος ἔως μὲν ἐπιπλευσεῖσθαι τὸν Δημοχάρην προσεδόκα, παρέμενε, ἔνθα περ ὤρμιστο, ναυμαχεῖν οὐ δυνάμενος· αἱ τε γὰρ κράτισται τῶν νεῶν αὐτῷ διωλόλεσαν, καὶ αἱ ἕτεραι πρὸς ναυμαχίαν εἶχον ἀχρείως· ἐπεὶ δὲ ἔμαθεν οἰχόμενον ἐς Σικελίαν, ἐπεσκεύαζε τὰς ναῦς καὶ παρέπλει τὴν γῆν, τοὺς κόλπους ἐξελίσσων. ὁ δὲ Καῖσαρ ἐκ μὲν Τάραντος ἐς τὸ Ῥήγιον διεπεπλεύκει ναυσὶ πολλαῖς καὶ στρατῷ πολλῷ καὶ Πομπήιον περὶ Μεσσήνην κατειλήφει ναῦς ἔχοντα τεσσαράκοντα μόνας, ὥστε αὐτῷ παρήνουν οἱ φίλοι, ὥς ἐν καιρῷ μάλιστα, ἐπιθέσθαι τῷ Πομπηίῳ μετὰ τοσοῦδε στόλου, ναῦς ἔχοντι ὀλίγας, μέχρι τὸ λοιπὸν ἐκεῖνῳ ναυτικὸν οὐ πάρεστιν. ὁ δ' οὐκ ἐπέιθετο, Καλούσιον περιμένων καὶ λέγων οὐκ εὐβουλον εἶναι τὸ ριποκίνδυνον, ἔνθα συμμαχίαν ἄλλην προσδοκῇ.

ὧς δὲ Δημοχάρης ἐς Μεσσήνην κατέπλευσεν, ὁ μὲν Πομπήιος αὐτόν τε Δημοχάρην καὶ Ἀπολλοφάνην, καὶ τόνδε ἀπελεύθερον ἑαυτοῦ, ναυάρχους ἀπέφηνεν ἀντὶ Μηνοδώρου καὶ Μενεκράτους· [85] ὁ δὲ Καῖσαρ περὶ τῶν συμβεβηκότων ἀμφὶ τῇ Κύμῃ πυθόμενος ἐξέπλει τὸν πορθμόν, ὑπαντήσων τῷ Καλουσίῳ. ἀνύσαντι δ' αὐτῷ τοῦ πόρου τὸ πλεόν καὶ Στυλίδα ἤδη παραπλέοντι καὶ ἐς τὸ Σκύλλαιον ἐπικάμπτοντι, ἐκθορὼν ἐκ τῆς Μεσσήνης ὁ Πομπήιος ἐξήπτετο τῶν ὑστάτων καὶ τὰς πρόπλους ἐδίωκε καὶ πάσαις ἐνέβαλλε καὶ ἐς μάχην προυκαλεῖτο. αἱ δὲ καί περ ἐνοχλούμεναι ἐς μὲν ναυμαχίαν οὐκ ἐπέστρεφον, Καῖσαρος οὐκ ἔδωντος, εἴτε δεῖσαντος ἐν στενῷ ναυμαχεῖν εἴτ' ἐπιμένοντος οἷς ἀπ' ἀρχῆς διεγνώκει, μὴ ναυμαχεῖν δίχα τοῦ Καλουσίου· γνώμη δὲ αὐτοῦ παρά τε τὴν γῆν ὑπεχώρουν ἅπασαι καὶ ἐπ' ἀγκυρῶν ἐσάλευον καὶ κατὰ πρῶραν ἀπεμάχοντο τοὺς ἐπionτας. Δημοχάρους δ' ἐπιστήσαντος δύο ναῦς περὶ ἐκάστην ἐθορυβοῦντο ἤδη, πρὸς τε τὰς πέτρας ἀρασσόμεναι καὶ πρὸς ἀλλήλας, θαλάσσης τε ἐνεπίμπλαντο· καὶ διεφθείροντο μετὰ ἀργίας καὶ αἶδε ὥσπερ αἱ περὶ Κύμην, ὁρμοῦσαι τε καὶ ἐμβαλλόμεναι πρὸς ἐχθρῶν ἐπιπλεόντων καὶ ἀναχωρούντων.

[86] ὁ μὲν δὴ Καῖσαρ ἐξήλατο τῆς νεῶς ἐπὶ τὰς πέτρας καὶ τοὺς ἐκνέοντας ἐκ τῆς θαλάσσης ἀνελάμβανε καὶ ἐς τὸ ὄρος ἄνω παρέπεμπε· Κορνιφίκιος δὲ καὶ ὅσοι ἄλλοι στρατηγοὶ ἦσαν αὐτοῦ, παρακαλέσαντες ἀλλήλους, ἄνευ προστάγματος ἀπέρρηξαν τὰ ἀγκύρια καὶ ἀνήχθησαν ἐπὶ τοὺς πολεμίους, ὥς δέον τι δρῶντας παθεῖν μᾶλλον ἢ ἐσθῶτας ἀμαχεῖ τοῖς ἐπιχειροῦσι προκεῖσθαι. τόλμη τε παραβόλῳ πρῶτον ὁ Κορνιφίκιος τὴν ναυαρχίδα τοῦ Δημοχάρους κατέσεισε καὶ εἶλε. καὶ Δημοχάρης μὲν ἐς ἐτέραν ἐξήλατο, τοιοῦτου δὲ ὄντος τοῦ πόνου καὶ τοῦ φθόρου ἐπεφαίνοντο ἐκ πόντου προσπλέοντες ἤδη Καλουσιός τε καὶ Μηνόδωρος. καὶ αὐτοὺς οἱ μὲν τοῦ Καίσαρος οὐχ ἑώρων οὔτε ἀπὸ γῆς οὔτε ἐκ θαλάσσης, πελαγιώτεροι δὲ ὄντες οἱ τοῦ Πομπηίου κατεῖδον καὶ ἰδόντες ἀνεχώρουν· συνεσκόταζε γὰρ ἤδη, καὶ κεκμηκότες ἀκμῆσιν οὐκ ἐθάρρουν συμπλέκεσθαι.

τοῦτο μὲν δὴ συγκύρημα τοῖς ὑπολοίποις ἐκ τοῦ τέως ἀχρείου χρηστὸν ἐπιγίγνεται· [87] νυκτὸς δὲ ἐπιλαβούσης οἱ μὲν ἐκ τῶν νεῶν ἐκπεσόντες ἐς τὰ ὄρη συνέφευγον καὶ πυρὰ πολλὰ ἔκαιον σύμβολα τοῖς ἔτι οὖσιν ἐν τῇ θαλάσῃ καὶ διενυκτέρευον οὕτως ἄσιτοι καὶ ἀθεράπευτοι καὶ πάντων ἐνδεεῖς, καὶ αὐτοὺς ὁ Καῖσαρ, ὁμοίως ἔχων, παρεκάλει περιθέων ἐς τὴν ἑω

κακοπαθήσαι. ταλαιπωρούμενῳ δὲ αὐτῷ περὶ ταῦτα Καλουίσιος μὲν οὐδ' ὧς ἐγίνωσκετο προσπλέων, οὐδὲ ἀπὸ τῶν νεῶν τι χρηστὸν ἐγίγνετο, ἀσχολουμένων περὶ τὰ ναυάγια: ὑπὸ δὲ ἐτέρου δαίμονος ἀγαθοῦ τὸ τρισκαιδέκατον τέλος ἐπλησίαζε διὰ τῶν ὁρῶν καὶ περὶ τοῦ κακοῦ πυθόμενοι τοὺς κρημνοὺς, τῷ πυρὶ περὶ τῆς ὁδοῦ τεκμαιρόμενοι, διέδραμον καὶ καταλαβόντες τὸν αὐτοκράτορα σφῶν καὶ τοὺς συμφυγόντας ὧδε ἔχοντας καμάτου καὶ τροφῶν ἀπορίας ἐθεράπευον, ἄλλους ἄλλῃ διαλαβόντες, οἱ δὲ ταξίαρχοι τὸν αὐτοκράτορα ἐς αὐτοσχέδιον σκηνὴν ἐσαγαγόντες, οὐδενὸς τῶν οἰκετῶν αὐτῷ θεραπευτῆρων παρόντων, ὥς ἐν νυκτὶ καὶ τοσῶδε ταράχῳ διερριμμένων. περιπέμψας δ' εὐθύς πανταχῇ τοὺς ἐξαγγελοῦντας, ὅτι σφύζοιτο, πυνθάνεται Καλουίσιον σὺν ταῖς πρόπλοις καταπλέοντα καὶ ὥς ἐπὶ δύο χρηστοῖς καὶ ἀδοκῆτοις ἀνεπαύετο.

[88] ἅμα δ' ἡμέρα τὴν θάλασσαν ἐφορῶν ἐθεᾶτο ναῦς ἐμπεπρησμένας τε καὶ ἡμιφλέκτους ἔτι καὶ ἡμικαύστους ἄλλας τε λελυμασμένας ἰστίων τε ὁμοῦ καὶ πηδαλίων καὶ σκευῶν ἔμπλεων τὸ πέλαγος καὶ τῶν ἔτι σφύζομένων τὰ πολλὰ πεπονηκότα. προστησάμενος οὖν τὸν Καλουισίου στόλον, ἐπεσκεύαζε τὰ ἐπείγοντα: τῶν σκαφῶν πλαγιάσας, ἡρεμούντων καὶ τῶν πολεμίων, εἴτε διὰ Καλουίσιον εἴτε αὐθις ἀναγομένοις ἐπιθέσθαι διεγνώκωτον. ὧδε δὲ ἐχόντων ἑκατέρων, ἐκ μέσης ἡμέρας νότος ἐμπεσὼν ἤγειρε κύμα βίαιον ἐν ῥοῳδῃ καὶ στενῷ χωρίῳ. Πομπήιος μὲν οὖν ἐν Μεσσήνῃ λιμένων ἔνδον ἦν, αἱ δὲ τοῦ Καίσαρος νῆες αὐθις περὶ τραχεῖαν ἀκτὴν καὶ δύσσορμον ἀρασσόμεναι ταῖς τε πέτραις καὶ ἀλλήλαις ἐπεφέροντο, οὐδὲ τῶν πληρωμάτων σφίσιν ὥστε διακρατεῖν ἐντελῶν ὄντων.

[89] Μηνόδορος μὲν οὖν, ἀρχόμενον τὸ δεινὸν ἐλπίσας πλεονάσειν, ἐς τὸ πελαγιώτερον ἀνήχθη καὶ ἐπ' ἀγκυρῶν διεσάλευεν: ἀσθενέστερον δὲ ἔχων τὸ κύμα διὰ τὸν βυθόν, εἰρεσίᾳ ὅμως καὶ πρὸς τόδε ἐνίστατο καρτερᾷ μὴ παραφέρεσθαι, καὶ τινες αὐτὸν ἐμιμοῦντο ἕτεροι. τὸ δὲ λοιπὸν πλῆθος, οἰόμενοι ταχέως τὸ πνεῦμα ἐνδώσειν ὥς ἐν ἔαρ, τὰς ναῦς ἑκατέρωθεν ἀγκύραις ἔκ τε τοῦ πελάγους καὶ ἀπὸ τῆς γῆς διεκράτουν καὶ κοντοῖς ἐξέώθουν ἀπ' ἀλλήλων. τραχυτέρου δὲ τοῦ πνεύματος γενομένου συνεκέχυτο πάντα καὶ συνετρίβοντο αἱ νῆες, τὰς ἀγκύρας ἀπορρηγνύουσαι καὶ ἐς τὴν γῆν ἢ ἐπ' ἀλλήλας τινασσόμεναι: βοή τε ἦν παμμιγῆς δεδιότων ὁμοῦ καὶ οἰμωγόντων καὶ παρακελεύοντων ἀλλήλοις ἐς ἀνήκοον: οὐ γὰρ ἐφικνοῦντο ἔτι τῶν λεγομένων, οὐδὲ κυβερνήτης ἰδιώτου διέφερεν οὔτε κατ' ἐπιστήμην οὔτε προστάσων. ἀλλ' ὁ φθόρος ἦν ὁμοῖος ἐν τε ταῖς ναυσὶν αὐταῖς καί, ὅτε τις αὐτῶν ἐκπέσοι κύματι καὶ κλύδωνι καὶ ξύλοις ἀρασσομένων: ἔγμεν γὰρ ἡ θάλασσα ἰστίων καὶ ξύλων καὶ ἀνδρῶν καὶ νεκρῶν. εἰ δέ τις καὶ τάδε διαφυγὼν ἐκνήχοιτο ἐπὶ τὴν γῆν, συνηράσσοντο καὶ οἶδε ἐπὶ τὰς πέτρας ὑπὸ τοῦ κύματος. ὥς δὲ καὶ τὸ σπᾶσμα τὴν θάλασσαν ἐλάμβανεν, ὃ συνήθως ἐπιγίγνεται τῷδε τῷ πορθμῷ, τοὺς μὲν ἀήθεις καὶ τόδε ἐξέπλησσε, τὰ δὲ σκάφη τότε μάλιστα περιφερόμενα συνέπιπτεν ἀλλήλοις. καὶ τὸ πνεῦμα ἐς νύκτα χαλεπώτερον ἐγίγνετο, ὥστε μὴδὲ κατὰ φῶς ἔτι, ἀλλ' ἐν σκότῳ διόλλυσθαι.

[90] οἰμωγαί τε ἀνὰ τὴν νύκτα πᾶσαν ἦσαν καὶ τῶν οἰκείων μετακλήσεις

ἀνά τε τὴν γῆν διαθεόντων καὶ τοὺς ἐν τῇ θαλάσσῃ καλούντων ἐξ ὀνόματος καὶ θρηνουμένων, ὅτε μὴ ἐπακούσειαν, ὥς ἀπολωλότας· ἔμπαλιν τε ἐτέρων ἀνὰ τὸ πέλαγος ὑπερκυπτόντων τὸ κύμα καὶ ἐς βοήθειαν τοὺς ἐν τῇ γῇ παρακαλούντων. ἀμήχανα δὲ πάντα ἦν ἐκατέροις· καὶ οὐχ ἡ θάλασσα μόνη τοῖς ἐς αὐτὴν ἐσελθοῦσιν καὶ ὅσοι τῶν νεῶν ἐπεβεβήκεσαν ἔτι, ἀλλὰ καὶ ἡ γῇ τοῦ κλύδωνος οὐχ ἦσσαν ἦν ἀπορωτέρα, μὴ σφᾶς τὸ κύμα συναράξειεν ἐπὶ τὰς πέτρας. ἐμόχθουν τε χειμῶνι τῶν πώποτε μάλιστα καινοτρόπῳ, γῆς ὄντες ἀγχοτάτω καὶ τὴν γῆν δεδιότες καὶ οὔτε ἐκφυγεῖν αὐτὴν ἔχοντες ἐς τὸ πέλαγος οὔτε ὅσον ἀλλήλων διαστήναι· ἡ γὰρ στενότης ἡ τοῦ χωρίου καὶ τὸ φύσει δυσέξοδον αὐτοῦ καὶ κλύδων ἐπιτεσῶν καὶ τὸ πνεῦμα, ὑπὸ τῶν περικειμένων ὀρῶν ἐς θυέλλας περικλῶμενον, καὶ ὁ τοῦ βυθοῦ σπασμὸς ἐπὶ πάντα εἰλούμενος οὔτε μένειν οὔτε φεύγειν ἐπέτρεπε· τό τε σκότος ἡνώχλει νυκτὸς μάλιστα μελαίνης· ὅθεν ἔθνησκον οὐδὲ καθορῶντες ἀλλήλους ἔτι, οἱ μὲν θορυβοῦμενοι καὶ βοῶντες, οἱ δ' ἐφ' ἡσυχίας παρίεμενοι καὶ τὸ δεινὸν ἐκδεχόμενοι καὶ συνεργοῦντες ἐς αὐτὸ ἔνιοι ὥς ἀπολούμενοι πάντως. γενόμενον γὰρ τὸ κακὸν κρεῖσσον ἐπινοίας καὶ τὴν ἐκ τῶν παραλόγων αὐτοῦς ἐλπίδα ἀφηρεῖτο, μέχρι ποτὲ ἄφνω τὸ πνεῦμα προσιούσης ἡμέρας διελύετο καὶ μεθ' ἡλίου ἐπιτολὴν πάμπαν ἐμαραίνετο. καὶ τὸ κύμα ὅμως καὶ τότε, τοῦ πνεύματος ἐκλυθέντος, ἐπὶ πολὺ ἐτραχύνετο. καὶ τὸ δεινὸν οὐδ' ὑπὸ τῶν ἐγχωρίων ποτὲ τηλικούτον ἐμνημονεύετο γενέσθαι· γενόμενον δὲ ἔθους τε καὶ νόμου κρεῖσσον διέφθειρε τῶν Καίσαρος νεῶν καὶ ἀνδρῶν τὸ πλεόν.

[91] ὁ δὲ καὶ τῆς προτεραίας ἡμέρας πολλὰ τῷ πολέμῳ βλαβεῖς καὶ δύο τοῖσδε συμπτώμασιν ὁμοῦ συνενεχθεῖς ἐπὶ τὸ Ἰππώνειον εὐθὺς ἦει διὰ ὀρῶν τῶν νυκτὸς αὐτῆς ἐκείνης κατὰ σπουδὴν, οὐχ ὑφιστάμενος τὴν συμφορὰν, ἐν ᾧ μηδὲν εἶχεν ἐπικουρεῖν. καὶ φίλοις καὶ στρατηγοῖς ἐπέστελλε πᾶσι διὰ χειρὸς εἶναι, μὴ τις αὐτῷ καὶ ἐτέρωθεν ὥς ἐν κατοπραγία γένοιτο ἐπιβουλή. περιέπεμπε δὲ καὶ ἐς τὴν ἀκτὴν ἅπασαν τῆς Ἰταλίας τὰ παρόντα πεζά, μὴ ἐπιτολμήσειε καὶ τῇ γῇ διὰ τὴν εὐτυχίαν ὁ Πομπήιος. ὁ δὲ οὔτε περὶ τῆς γῆς ἐνενόησεν οὔτε τοῖς λειψάνοις τοῦ ναυαγίου παροῦσιν ἢ ἀπιοῦσι καταστάντος τοῦ κλύδωνος ἐπεχείρησεν, ἀλλ' ὑπερεῖδεν ἐκ τῶν δυνατῶν διαζωννυμένους τὰ σκάφη καὶ ἀνέμῳ διαπλέοντας ἐς τὸ Ἰππώνειον, εἴτε τὴν συμφορὰν ἀρκεῖν οἱ νομίζων εἴτ' ἄπειρος ὢν νίκην ἐπεξελθεῖν εἴθ', ὥσπερ εἰρηταί μοι καὶ ἐτέρωθι, ἐπιχειρεῖν ὅλως μαλακὸς ὢν καὶ μόνον ἐγνωκὼς ἀμύνεσθαι τοὺς ἐπιπλέοντας.

[92] Καίσαρι δὲ οὐδ' ἐς ἡμῖς τῶν νεῶν περιεσώθη, καὶ τοῦτο σφόδρα πεπονηκός. καταλιπὼν δ' ὅμως αὐτοῦ τινας ἐπιμελεῖσθαι, ἐπὶ Καμπανίαν ἦει δυσφορῶν· οὔτε γὰρ ἄλλας ναῦς εἶχεν, δεόμενος πολλῶν, οὔτε χρόνον ἐς ναυπηγίαν, ἐπειγόμενος ὑπὸ τοῦ λιμοῦ καὶ τοῦ δήμου περὶ συμβάσεων αὐθις ἐνοχλήσαντος καὶ τὸν πόλεμον ἐπιτωθάσαντος ὡς παράσπονδον. χρημάτων τ' ἔχρηζε καὶ ἠπόρει, Ῥωμαίων οὔτε εἰσφερόντων οὔτε τοὺς πόρους ἐώντων, οὓς ἐπινοήσειε. δεινὸς δὲ ὢν αἰεὶ τὸ συμφέρον συνιδεῖν ἔπεμπε Μαικίηναν ἐς Ἀντώνιον, μεταδιδάξοντα περὶ ὧν ἐναγγχος ἐπεμέμφοντο ἀλλήλοις, καὶ ἐς συμμαχίαν ὑπαξόμενον. εἰ δὲ μὴ πείσειεν, ἐπενόει τοὺς ὀπλίτας ὀλκάσιν ἐπιβήσας ἐς Σικελίαν περαιοῦν καὶ τὴν θάλασσαν μεθεῖς κατὰ γῆν πόλεμον

συνίστασθαι. οὕτω δ' ἀθύμως ἔχοντι αὐτῷ ἀγγέλλεται ὁ Ἀντώνιος συνθέμενος συμμαχήσειν καὶ νίκη κατὰ Κελτῶν τῶν Ἀκυιτανῶν ἐπιφανής, ἣν Ἀγρίππας ἄγων ἐφάνη. οἱ τε φίλοι καὶ τῶν πόλεων τινες αὐτῷ ναῦς ὑπισχνοῦντο καὶ ἐποίουν.

ὁ μὲν δὴ καὶ τῆς λύπης ἀνίη καὶ λαμπροτέραν τῆς προτέρας παρασκευῆς συνεπήγγυτο: [93] ἀρχομένου δ' ἦρος ὁ μὲν Ἀντώνιος ἐξ Ἀθηνῶν ἐς Τάραντα διέπλει ναυσὶ τριακοσίαις, τῷ Καίσαρι συμμαχήσων, ὡς ὑπέσχητο, ὁ δ' ἐνήλλακτο τὴν γνώμην καὶ ἐς τὰς ἑτι γινομένας αὐτῷ ναῦς ἀνεβάλλετο. καλούμενος δὲ αὖθις ὡς ἐπὶ ἔτοιμα καὶ ἀρκοῦντα τὰ Ἀντωνίου, ἐτέρας ἀσχολίας προὔφερε καὶ δῆλος ἦν ἢ αὖθις ἐπιμεμφόμενός τι τῷ Ἀντωνίῳ ἢ τῆς συμμαχίας διὰ τὴν εὐπορίαν τὴν οἰκείαν ὑπερορῶν. χαλεπαίνων δ' ὁ Ἀντώνιος ἐπέμενεν ὁμῶς καὶ αὖθις αὐτὸν ἐκάλει: τῇ τε γὰρ χορηγία τοῦ ναυτικοῦ κάμνων καὶ στρατοῦ χρήζων ἐπὶ Παρθυαίους Ἰταλοῦ, Καίσαρι τὰς ναῦς ἐπενόει διαλλάξαι, εἰρημένον μὲν ἐν ταῖς συνθήκαις ἑκάτερον ξενολογεῖν ἐκ τῆς Ἰταλίας, δυσχερὲς δ' ἐσόμενον αὐτῷ Καίσαρος τὴν Ἰταλίαν εἰληχότος. Ὁκταουία οὖν ἐχώρει πρὸς Καίσαρα διαιτήσουσα αὐτοῖς. καὶ ὁ μὲν ἐγκαταλελειφθαι τοῖς κινδύνους ἔλεγε τοῖς ἐν πορθμῷ καταλαβοῦσιν, ἡ δὲ ἐκκελεύσθαι τοῦτο διὰ Μαικήνα. ὁ δὲ τὸν Ἀντώνιον ἔφη καὶ Καλλιᾶν ἀπελεύθερον ἐς Λέπιδον ἐκπέμψαι, συντιθέμενον τῷ Λεπίδῳ κατὰ Καίσαρος, ἡ δὲ συνειδέναι Καλλιᾶν περὶ γάμων ἀπεσταλμένον: βουλευθῆναι γὰρ Ἀντώνιον πρὸ τῶν Παρθυικῶν ἐκδεδόσθαι τὴν θυγατέρα τῷ παιδί Λεπίδου, καθάπερ ὠμολόγητο. καὶ τάδε μὲν ἡ Ὁκταουία, Ἀντώνιος δὲ καὶ τὸν Καλλιᾶν ἔπεμπε, ἐς βάσανον τῷ Καίσαρι διδοῦς: ὁ δὲ οὐκ ἐδέξατο μὲν, ἀφίξεσθαι δὲ ἔφη καὶ συμμίζειν Ἀντωνίῳ μεταξὺ Μεταποντίου καὶ Τάραντος, μέσον ἔχων ποταμὸν τὸν ἐπώνυμον.

[94] κατὰ δαίμονα δ' ἀμφοτέρων προσιόντων τῷ ρεύματι, Ἀντώνιος ἐκ τῆς ἀπήνης καταθορῶν ἔς τι τῶν παρορμούντων σκαφῶν ἐσήλατο μόνος καὶ ἐπέρα πρὸς τὸν Καίσαρα, πιστεύον ὡς φίλῳ. καὶ ὁ Καῖσαρ ἰδὼν ἀντεμιμεῖτο, καὶ ξυμβάλλουσιν ἀλλήλοις κατὰ τὸ ρεῦμα καὶ διήριζον, ἑκάτερος ἐκβῆναι βουλόμενος ἐς τὴν ὄχθην τοῦ ἐτέρου. ἐνίκα δὲ ὁ Καῖσαρ, ὡς καὶ πρὸς τὴν Ὁκταουίαν ἦξον ἐς Τάραντα, ἐπὶ τε τῆς ἀπήνης Ἀντωνίου συνήδρευεν αὐτῷ καὶ ἐν Τάραντι ἐς τὴν καταγωγὴν αὐτοῦ παρῆλθε τε ἀφύλακτος καὶ τὴν νύκτα ὁμοίως ἀνεπαύετο χωρὶς δορυφόρων παρ' αὐτῷ. τὰ δ' ὅμοια καὶ παρ' Ἀντωνίου τῆς ἐπιούσης ἐπεδείκνυτο. οὕτως αὐτοῖς ἦν συνεχῆς ἡ μεταβολή, πρὸς τε τὰς ὑπονοίας διὰ φιλαρχίαν καὶ ἐς τὰς πίστεις ὑπὸ χρείας.

[95] τὸν μὲν οὖν ἐπίπλουν τὸν ἐπὶ Πομπήιον ὁ Καῖσαρ ἐς νέωτα ἀνεβάλλετο: ὁ δ' Ἀντώνιος ἐπιμένειν διὰ Παρθυαίους οὐ δυνάμενος, ἀντέδοσαν ὁμῶς ἀλλήλοις, Καίσαρι μὲν ὁ Ἀντώνιος ναῦς ἑκατὸν εἴκοσιν, ἃς αὐτίκα πέμψας εἰς Τάραντα παρέδωκεν, Ἀντωνίῳ δὲ ὁ Καῖσαρ δισμυρίους Ἰταλοὺς ὀπλίτας, οὓς ἐπιτέμψειν ὑπισχνεῖτο: ἐδωρήσατο δὲ καὶ Ὁκταουία τὸν ἀδελφόν, αἰτήσασα παρ' Ἀντωνίου, δέκα φασήλοις τριηριτικοῖς, ἐπιμίκτοις ἕκ τε φορτίδων νεῶν καὶ μακρῶν, καὶ τὴν Ὁκταουίαν ὁ Καῖσαρ χιλίους λογάσι σωματοφύλαξιν, οὓς ἐπιλέξατο Ἀντώνιος. ἐπεὶ δὲ ὁ χρόνος αὐτοῖς ἔλληγε τῆς ἀρχῆς, ἡ τοῖς τρισὶν ἐνήφιστο ἀνδράσιν, ἐτέραν ἑαυτοῖς ὥριζον πενταετίαν, οὐδὲν ἔτι τοῦ δήμου

δεθέντες. οὕτω μὲν οὖν διεκρίθησαν ἀπ' ἀλλήλων, καὶ ὁ Ἀντώνιος εὐθὺς ἐς τὴν Συρίαν ἠπειγέτο, τὴν Ὀκταουίαν παρὰ τῷ ἀδελφῷ καταλιπὼν μετὰ θυγατρὸς ἤδη γενομένης αὐτοῖς.

[96] Μηνόδαρος δέ, εἴτε τις ὢν φύσει παλιμπροδότης εἴτε δείσας τὴν ποτε ἀπειλὴν Ἀντωνίου, ἀπάξειν αὐτὸν εἰπόντος ὡς ἀνδράποδον πολεμοποιόν, εἴτε ἐλασσόνων ἀξιοῦσθαι νομίζων παρ' ᾧ προσεδόκησεν, εἴτε τῶν ἄλλων αὐτὸν ἐξελευθέρων τοῦ Πομπηίου συνεχῶς ὀνειδιζόντων ἐς ἀπιστίαν δεσπότου καὶ παρακαλούντων ἐπανελθεῖν Μενεκράτους ἀποθανόντος, πίστιν αἰτήσας καὶ λαβὼν ἠτομόλησε πρὸς Πομπήιον σὺν ἑπτὰ ναυσί, Καλούσιον τὸν ναύαρχον τοῦ Καίσαρος διαλαθών. ἐφ' ᾧ τὸν Καλούσιον ὁ Καῖσαρ ἀπέλυσε τῆς ναυαρχίας καὶ ἀντικατέστησεν Ἀγρίππαν.

ἐπεὶ δ' ἔτοιμος ἦν ὁ στόλος, ἐκάθαιρεν αὐτὸν ὁ Καῖσαρ ὧδε. οἱ μὲν βωμοὶ ψαύουσι τῆς θαλάσσης, καὶ ἡ πληθὺς αὐτοὺς περιέστηκε κατὰ ναῦν μετὰ σιωπῆς βαθυτάτης· οἱ δὲ ἱερουργοὶ θύουσι μὲν ἐστῶτες ἐπὶ τῇ θαλάσσῃ καὶ τρεῖς ἐπὶ σκαφῶν περιφέρουσιν ἀνὰ τὸν στόλον τὰ καθάρσια, συμπεριπλέοντων αὐτοῖς τῶν στρατηγῶν καὶ ἐπαρωμένων ἐς τάδε τὰ καθάρσια, ἀντὶ τοῦ στόλου, τὰ ἀπαΐσια τραπῆναι. νείμαντες δὲ αὐτά, μέρος ἐς τὴν θάλασσαν ἀπορρίπτουσι καὶ μέρος ἐς τοὺς βωμοὺς ἐπιθέντες ἄπτουσι, καὶ ὁ λεὼς ἐπευφημεῖ. οὕτω μὲν Ῥωμαῖοι τὰ ναυτικά καθαίρουσιν.

[97] ἔμελλε δ' ὁ μὲν Καῖσαρ ἐκ Δικαιαρχείας, ὁ δὲ Λέπιδος ἐκ Λιβύης, Ταῦρος δ' ἐκ Τάραντος ἐπιπλευσεῖσθαι τῇ Σικελίᾳ, ὡς ἂν αὐτὴν ἐξ ἡοῦς ὁμοῦ καὶ δύσεως καὶ μεσημβρίας περιλάβοιεν. καὶ τῆς ἀναγωγῆς τοῦ Καίσαρος ἡ ἡμέρα προεῖρητο πᾶσι, καὶ ἦν δεκάτη τροπῶν θερινῶν, ἣν τινα Ῥωμαῖοι νουμηνίαν ἔχουσι τοῦ μηνός, ὃν ἐπὶ τιμῇ τοῦ Καίσαρος τοῦ προτέρου Ἰουλίου ἀντὶ Κвинτιλίου καλοῦσι. τήνδε μὲν ὁ Καῖσαρ ὥρισε τὴν ἡμέραν, αἰσισούμενος ἴσως διὰ τὸν πατέρα νικηφόρον αἰεὶ γενόμενον· ὁ δὲ Πομπήιος Λεπίδῳ μὲν ἀντέταττε Πλένιον εἰ Λιλυβαίῳ, τέλος ὀπλιτῶν ἔχοντα καὶ ἄλλο πλῆθος ἐσκευασμένον κούφως, τὴν δὲ πρὸς ἔω καὶ δύσιν ἀκτὴν τῆς Σικελίας πᾶσαν ἐφρούρει, καὶ νήσους μάλιστα Λιπάραν τε καὶ Κοσσύραν, ἵνα μήτε Κοσσύρα Λεπίδῳ μήτε Λιπάρα Καίσαρι ἐνορμίσματα ἢ ναύσταθμα γένοιτο εὐκαιρα ἐπὶ τῇ Σικελίᾳ. τὸ δ' ἄριστον τοῦ ναυτικοῦ ἐν Μεσσήνῃ συνεῖχεν ἐπεδρεῦον ὅτῃ δεήσειεν.

[98] οὕτω μὲν ἑκάτεροι παρασκευῆς εἶχον, γενομένης δὲ τῆς νουμηνίας ἀνήγοντο πάντες ἅμα ἡοῖ, Λέπιδος μὲν ἐκ Λιβύης χιλίαις ὀλκάσι καὶ μακραις ἐβδομήκοντα καὶ τέλεσι στρατοῦ δυώδεκα καὶ ἱππεῦσι Νομάσι πεντακισχιλίαις καὶ ἑτέρα παρασκευῇ πολλῇ, Ταῦρος δ' ἐκ Τάραντος ταῖς Ἀντωνίου ναυσὶν ἐξ ἑκατὸν καὶ τριάκοντα δύο μόναις καὶ ἑκατόν, ἐπεὶ τῶν λοιπῶν οἱ ἐρέται χειμῶνος ἐτεθνήκεσαν, ὁ δὲ Καῖσαρ ἐκ Δικαιαρχείας, θύων ἅμα καὶ σπένδων ἀπὸ τῆς ναυαρχίδος νεὼς ἐς τὸ πέλαγος ἀνέμοις εὐδαίαις καὶ Ἀσφαλείῳ Ποσειδῶνι καὶ ἀκύμονι θαλάσσῃ, συλλήπτορας αὐτῷ κατὰ ἐχθρῶν πατρῶων γενέσθαι. πρόπλοι δ' αὐτῷ τινες τοὺς μυχοὺς τῆς θαλάσσης διηρεύνων, καὶ Ἄππιος μετὰ πλῆθους νεῶν ὀπισθοφυλακῶν εἶπετο. τρίτῃ δὲ τῆς ἀναγωγῆς ἡμέρᾳ νότος ἐμπεσὼν Λεπίδου μὲν ὀλκάδας ἀνέτρεψε πολλές, ὠρμίσθη δὲ ὁμοῦς ἐς Σικελίαν καί, Πλένιον ἐν Λιλυβαίῳ πολιορκῶν, τινὰς τῶν

πόλεων ὑπήγετο καὶ ἐτέρας ἐβιάζετο: ταῦρος δὲ ἀρχομένου τοῦ πνεύματος ἐς Τάραντα ἐπαλινδρόμει. Ἀππίου δ' ἄρτι τὸ Ἀθηναῖον ἄκρον περιπλέοντος αἱ μὲν συνεντρίβοντο τῶν νεῶν ἀμφὶ ταῖς πέτραις, αἱ δ' ἐς τέλματα ἐξώκελλον ὑπὸ ῥύμης, αἱ δὲ καὶ διερρίφησαν οὐκ ἀσινεῖς. ὁ δὲ Καῖσαρ ἀρχομένου μὲν τοῦ χειμῶνος ἐς τὸν Ἑλεάτην κόλπον ἐρυμνὸν ὄντα συμπεφεύγει, χωρὶς ἐξήρους μιᾶς, ἣ περὶ τῇ ἄκρᾳ διελύθη: λιβὸς δὲ τὸν νότον μεταλαβόντος ὁ κόλπος ἐκυκᾶτο, ἐς τὴν ἐσπέραν ἀνεωγμένος, καὶ οὔτε ἐκπλεῦσαι δυνατὸν ἦν ἔτι πρὸς ἐναντίον τοῦ κόλπου τὸ πνεῦμα, οὔτε κῶπαι κατεῖχον οὔτε ἄγκυραι, ἀλλ' ἐς ἀλλήλας ἢ ἐς τὰς πέτρας ἐνηράσσοντο αἱ νῆες. καὶ νυκτὸς ἦν ἔτι τὸ δεινὸν ἀτοπώτερον.

[99] ἐνδόντος δὲ ποτε τοῦ κακοῦ τὰ νεκρὰ ἔθαπτεν ὁ Καῖσαρ, καὶ τοὺς τραυματίας ἐθεράπευε, καὶ τοὺς ἐκνέοντας ἐνέδνε, καὶ ὥπλιζεν ἐτέροις ὅπλοις, καὶ τὸν στόλον ἅπαντα ἐκ τῶν ἐνόντων ἀνελάμβανε. διεφθάρατο δ' αὐτῷ νῆες βαρεῖαι μὲν ἕξ, κουφότεραι δὲ ἕξ καὶ εἴκοσι, λιβυρνίδες δὲ ἔτι πλείους. καὶ ἐς τάδε διορθούμενα τριάκοντα ἡμέρας ἀναλώσειν ἔμελλεν, ἥδη τοῦ θέρους προκόπτοντος: ὅθεν ἦν ἄριστον αὐτῷ τὸν πόλεμον ἐς τὸ μέλλον θέρους ἀναβαλέσθαι. ἐνοχλουμένου δὲ τοῦ δήμου ταῖς ἀπορίαις, ἐπεσκεύαζε τὰς ναῦς ἐς τὴν γῆν ἀνέλκων μετὰ ἐπέξεως καὶ τὰ πληρώματα τῶν διεφθαρμένων ἐς τὰς παρὰ Ταύρω ναῦς κενὰς ἐξέπεμπε. ὥς δὲ ἐπὶ συμφορᾷ μείζονι, Μαικὴναν μὲν ἐς Ῥώμην ἐξέπεμπε διὰ τοὺς ἐπτοημένους ἔτι πρὸς τὴν μνήμην Πομπηίου Μάγνου: οὐ γὰρ αὐτοὺς ἐξέλειπεν ἡ δόξα τοῦ ἀνδρὸς τούτου: τοὺς δὲ κληρούχους αὐτὸς ἀνὰ τὴν Ἰταλίαν ἐπέτρεχε καὶ ἐκ τοῦ φόβου τῶν γεγονότων ἀνελάμβανε. διέδραμε δὲ καὶ ἐς Τάραντα καὶ τὸ ναυτικὸν εἶδε τὸ ὑπὸ Ταύρῳ, καὶ ἐς Ἰπώνειον ἦλθε καὶ τὰ περὶ παρηγόρησε καὶ τὴν τῶν νεῶν ἐπισκευὴν ἐπέσπερχεν. καὶ πλησίον ἦν ἥδη καὶ ὁ δεῦτερος ἐς Σικελίαν ἐπίπλους.

[100] ὁ δὲ Πομπήιος οὐδ' ἐπὶ τοιαύτῃ εὐκαιρίᾳ τοσοῖσδε ναυαγίοις ἐπιχειρεῖν ἠξίου, ἀλλ' ἔθυε μόνον θαλάσση καὶ Ποσειδῶνι καὶ υἱὸς αὐτῶν ὑφίστατο καλεῖσθαι, πειθόμενος οὐκ ἄνευ θεοῦ δις οὕτω θέρους παταῖσαι τοὺς πολεμίους. φασὶ δ' αὐτόν, ὑπὸ τῶνδε χαννούμενον, καὶ τὴν συνήθη τοῖς αὐτοκράτορσι γλαμύδα ἐκ φοινικῆς ἐς κυανὴν μεταλλάξαι, εἰσποιοῦμενον ἄρα ἐαυτὸν τῷ Ποσειδῶνι. ἐλπίσας δ' ἀναξεύξειν τὸν Καῖσαρα, ὥς ἐπύθετο ναυπηγούμενόν τε καὶ ἐπιπλευσοῦμενον αὐθις αὐτοῦ θέρους, ἐξεπλήσσετο μὲν ὥς ἀμάχῳ γνώμῃ καὶ παρασκευῇ πολεμῶν, Μηνόδωρον δὲ μετὰ νεῶν ἑπτὰ ὧν ἠγαγεν ἔπεμπε κατασκευσόμενον τὰ νεώλκια τοῦ Καίσαρος καὶ δράσοντα, ὃ τι καὶ δύναιτο. ὁ δὲ καὶ τέως ἀχθόμενος οὐκ ἀποδοθείσης αὐτῷ τῆς ναυαρχίας καὶ τότε αἰσθόμενος, ὅτι σὺν ὑποψίᾳ μόνων ἠξίωτο ὧν ἠγαγε νεῶν, ἐπεβούλευεν αὐθις αὐτομολίαν.

[101] ἐπινοῶν δὲ πρότερον, ὥς ἐς πάντα οἱ συνοῖσον, ἀνδραγαθίσασθαι, διέδωκε τοῖς συμπλέουσιν, ὅσον εἶχε χρυσίον, καὶ διέπλευσεν εἰρεσίᾳ τρισὶν ἡμέραις πεντακοσίους ἐπὶ χιλίοις σταδίους καὶ τοῖς προφύλαξι τῶν ναυπηγούμενων Καίσαρι νεῶν οἷα σκηπτὸς ἀφανῶς ἐμπίπτων καὶ ἐς ἀφανὲς ἀναχωρῶν ἥρει κατὰ δύο καὶ τρεῖς ναῦς τῶν φυλακίδων καὶ τὰς ὀλκάδας, αἱ τὸν σῆτον ἔφερον, ὀρμούσας ἢ παραπλευούσας κατέδυνεν ἢ ἀνεδεῖτο ἢ

ἐνεπίμπρη. θορύβου δὲ πάντα μεστὰ διὰ Μηνόδωρον ἦν, Καίσαρος ἀπόντος ἔτι καὶ Ἀγρίππα· καὶ γὰρ οὗτος ἐπὶ ὕλῃν ἐπεπόρευτο. γαυρούμενος δὲ ὁ Μηνόδωρος ἐξώκειλέ ποτε τὴν ναῦν ἐκὼν ἐς ἔρμα γῆς ἀπαλὸν σὺν καταφρονήσει καὶ ὑπεκρίνετο αὐτὴν ὑπὸ τοῦ πηλοῦ κατέχεσθαι, μέχρι, τῶν πολεμίων ἐκ τῶν ὁρῶν καταθορόντων ὡς ἐπὶ Μηνοδώρου θήραν ἔτοιμον, ἀνακρουσάμενος ὥχeto σὺν θαύματι.

ὡς δὲ ἱκανῶς ἐπεδέδεικτο, οἷος ἐχθρὸς τε καὶ φίλος εἶη, Ῥέβιλον μὲν ἐλὼν, ἄνδρα ἀπὸ βουλῆς, μεθῆκε, μνόμενος ἤδη τὸ μέλλον. [102] Μινδίῳ δὲ Μαρκέλλῳ, τῶν ἐταίρων τινὶ τῶν Καίσαρος, φίλος ἐν τῇ προτέρᾳ γεγωνῶς αὐτομολία, τοῖς μὲν ἄμφ' αὐτὸν ἔφη τὸν Μίνδιον βουλευεῖν αὐτομολίαν καὶ προδοσίαν, τοῖς δὲ πολεμίοις προσπελάσας ἡξίου Μίνδιον αὐτῷ συνελθεῖν ἕς τινα νησίδα ἐπὶ λόγοις συνοίσουσι. καὶ συνελθόντι ἔλεγεν, οὐδενὸς ἀκούοντος ἑτέρου, φυγεῖν μὲν ἐς Πομπήιον ὑβριζόμενος ὑπὸ τοῦ τότε ναυάρχου Καλουσιῖου, τὴν δὲ ναυαρχίαν Ἀγρίππου μεταλαβόντος ἐπανελεύσεσθαι πρὸς Καίσαρα οὐδὲν ἀδικοῦντα, εἰ πίστιν αὐτῷ κομίσειεν ὁ Μίνδιος παρὰ Μεσσάλα τοῦ τὴν ἀποδημίαν Ἀγρίππα διοικοῦντος. ἔφη δ' ἐπανελθὼν μὲν ἰάσεσθαι λαμπροῖς τὸ ἀμάρτημα ἔργοις, μέχρι δὲ τῶν πίστεων λυμανεῖσθαι τινα τῶν Καίσαρος ὁμοίως ἐς τὸ ἀνύποπτον. καὶ ὁ μὲν αὖθις ἐλυμαίνετο, Μεσσάλας δ' ἐνδοοίασε μὲν ὡς ἐπὶ αἰσχυρῷ, ἐνέδωκε δ' ὅμως, εἴτε πολέμου ταῦτ' εἶναι νομίζων ἀνάγκας εἴτε καὶ τῆς Καίσαρος γνώμης τι προμαθὼν ἢ τεκμηράμενος. καὶ Μηνόδωρος μὲν αὖθις ἠτύτομόλει καὶ τὸν Καίσαρα ἐλθόντα προσπίπτων ἡξίου συγγνῶναν μὴ λέγοντι τὰς αἰτίας τῆς φυγῆς· ὁ δὲ ἐς μὲν σωτηρίαν αὐτῷ συνεγίνως κε διὰ τὰς σπονδὰς καὶ ἀφανῶς ἐφυλάσσετο, τοὺς δὲ τριηράρχους αὐτοῦ μεθίει χωροῦντας ὅποι θέλοien.

[103] ἐτόιμου δὲ τοῦ στόλου γενομένου, αὖθις ὁ Καῖσαρ ἀνήγετο καὶ ἐς Ἰπώνειον παραπλεύσας δύο μὲν τέλη πεζῶν Μεσσάλαν ἔχοντα περᾶν ἐκέλευσεν ἐς Σικελίαν ἐπὶ τὸ Λεπίδου στρατόπεδον καὶ σταθμεύειν ἐς τὸν κόλπον διελθόντα τὸν εὐθὺ Ταυρομενίου, τρία δ' ἔπεμπεν ἐπὶ Στυλίδα καὶ πορθμὸν ἄκρον ἐφεδρεύειν τοῖς ἐσομένοις· ταῦρον δ' ἐς τὸ Σκυλάκιον ὄρος, ὁ πέραν ἐστὶ Ταυρομενίου, περιπλεῖν ἐκ Τάραντος ἐκέλευε. καὶ ὁ μὲν περιέπλει διεσκευασμένος ἐς μάχην ὁμοῦ καὶ εἰρεσίαν· καὶ τὰ πεζὰ αὐτῷ παρωμάρτει, προερευνώντων τὴν τε γῆν ἱππέων καὶ λιβυρνίδων τὴν θάλασσαν. καὶ ὁ Καῖσαρ ὧδε ἔχοντι ἐξ Ἰππωνείου ἐπιδραμὼν ἐπιφαίνεται κατὰ τὸ Σκυλάκιον, καὶ τὴν εὐταξίαν ἀποδεξάμενος ἐπανήλθεν ἐς τὸ Ἰπώνειον. ὁ δὲ Πομπήιος, ὡς μοι προείρηται, τὰς τε ἐς τὴν νῆσον ἀποβάσεις ἐφύλασεν ἀπάσας καὶ τὰς ναῦς ἐν Μεσσήνῃ συνεῖχεν ὡς βοηθήσων, ὅποι δεήσειεν.

[104] καὶ οἱ μὲν ἐν τούτῳ παρασκευῆς ἦσαν, Λεπίδῳ δὲ αὖθις ἐκ Λιβύης ἦγον αἱ ὀλκάδες τὰ λοιπὰ τοῦ στρατοῦ τέλη τέσσαρα. καὶ αὐταῖς ὑπήντα πελάγιος ἐκ Πομπηίου Παπίας καὶ διέφθειρεν ὡς φιλίους δεχομένας· ᾤοντο γὰρ σφίσι τὰς Λεπίδου συναντᾶν. αἱ δὲ βραδέως τε ὑπὸ τοῦ Λεπίδου καθεῖλκοντο, καὶ ὕστερον αὐτὰς προσιούσας αἱ ὀλκάδες ὡς καὶ τάσδε ἄλλας πολεμίας ἐξέκλιναν, ἕως αἱ μὲν ἐκαύθησαν, αἱ δ' ἐλήφθησαν, αἱ δ' ἀνετράπησαν, αἱ δ' ἐς Λιβύην ἀνέπλευσαν. τοῦ δὲ στρατοῦ δύο μὲν τέλη διώλετο ἐν τῇ θαλάσῃ, καί, εἴ τινες αὐτῶν ἐξενήχοντο, καὶ τούσδε Τισσηνὸς

ὁ τοῦ Πομπηίου στρατηγὸς ἐκνέοντας ἐπὶ τὴν γῆν διέφθειρεν: οἱ δὲ λοιποὶ πρὸς Λέπιδον κατήχησαν, οἱ μὲν αὐτίκα, οἱ δ' ὕστερον. καὶ Παπίας ἀπέπλευσε πρὸς Πομπήιον.

[105] ὁ δὲ Καῖσαρ ἐς μὲν Στρογγύλην, ἣ τῶν πέντε νήσων ἐστὶ τῶν Αἰόλου, παντὶ τῷ στόλῳ διέπλευσεν ἐξ Ἰππωνείου, προερευνωμένης αὐτῷ τῆς θαλάσσης: στρατὸν δὲ ἐπὶ μετώπου τῆς Σικελίας πλέονα ἰδὼν ἔν τε Πελωριάδι καὶ Μύλαις καὶ Τυνδαρίδι, εἵκασεν αὐτὸν παρεῖναι Πομπήιον καὶ τὰ μὲν ἐνθάδε Ἀγρίππα διαστρατηγεῖν ἐπέτρεψεν. αὐτὸς δὲ εἰς τὸ Ἰππώνειον αὐθις ἀπέπλει καὶ ἐς τὸ Ταύρου στρατόπεδον ἐξ Ἰππωνείου σὺν τρισὶ τέλεσι μετὰ Μεσσάλα διετρόχαζεν, ὥς Ταυρομένιον αἰρήσων ἀπόντος ἔτι τοῦ Πομπηίου καὶ τὰς ἐμβολὰς αὐτῷ διχόθεν παρέξων. Ἀγρίππας μὲν οὖν ἀπὸ Στρογγύλης εἰς Ἰερὰν διέπλει καὶ τῶν Πομπηίου φρουρῶν αὐτὸν οὐχ ὑποστάντων εἶλε τὴν Ἰερὰν καὶ τῆς ἐπιούσης ἐμελλεν ἐπιχειρήσειν ἐς Μύλας Δημοχάρει τῷ Πομπηίου, τεσσαράκοντα ναῦς ἔχοντι: ὁ δὲ Πομπήιος, τὸ βίαιον ὑφορώμενος τοῦ Ἀγρίππα, ἔπεμπε τῷ Δημοχάρει ναῦς ἄλλας πέντε καὶ τεσσαράκοντα ἀπὸ Μεσσήνης. ἐξελεύθερον ἄγοντα Ἀπολλοφάνη, καὶ αὐτὸς ἐφείπετο ἄλλαις ἐβδομήκοντα.

[106] Ἀγρίππας δ' ἔτι νυκτὸς ἐξ Ἰερᾶς ἀνήγετο ταῖς ἡμίσεσι τῶν νεῶν ὡς Παπία μόνῳ ναυμαχίσων. ἐπεὶ δὲ καὶ τὰς Ἀπολλοφάνους εἶδε καὶ τὰς ἐβδομήκοντα ἐτέρωθι, Καίσαρι μὲν αὐτίκα ἐδήλου Πομπήιον ἐπὶ τῶν Μυλῶν εἶναι σὺν τῷ πλέονι ναυτικῷ, τὰς δὲ βαρείας αὐτὸς ἤγε κατὰ μέσον καὶ τὸν ἄλλον στόλον ἐξ Ἰερᾶς ἐκάλει κατὰ σπουδὴν: ἐσκεύαστο δ' ἀμφοτέροις πάντα λαμπρῶς, καὶ πύργους ἐπὶ τῶν νεῶν εἶχον κατὰ τε πρῶραν καὶ κατὰ πρύμναν. ὥς δὲ αὐτοῖς αἱ τε παρακελεύσεις, οἷας εἰκὸς ἦν, ἐγεγέννητο καὶ τὰ σημεῖα κατὰ ναῦν ἦρτο, ἐξώρμων ἐπ' ἀλλήλους, οἱ μὲν κατὰ μέτωπον, οἱ δ' ἐς περικύκλωσιν, σὺν τε βοῇ καὶ ῥοθίῳ νεῶν καὶ καταπλήξει ποικίλῃ. ἦν δὲ καὶ τὰ σκάφη Πομπηίῳ μὲν βραχύτερα καὶ κοῦφα καὶ ὀξέα ἐς τὰς ἐφορμήσεις τε καὶ περίπλους, καίσαρι δὲ μείζω καὶ βαρύτερα καὶ παρ' αὐτὸ καὶ βραδύτερα, βιαιότερα δὲ ὅμως ἐμπεσεῖν καὶ τρωθῆναι δυσπαθέστερα. τῶν τε ἀνδρῶν οἱ μὲν ναυτικώτεροι τῶν Καίσαρος ἦσαν, οἱ δὲ σθεναρώτεροι: καὶ κατὰ λόγον οἱ μὲν οὐκ ἐμβολαῖς, ἀλλὰ μόναις περιόδοις ἐπλεονέκτουν, καὶ ταρσοὺς τῶν μειζόνων ἢ πηδάλια ἀνέκλων ἢ κόπας ἀνέκοπτον ἢ ἀπεχώριζον ὅλως τὰ σκάφη καὶ ἔβλαπτον ἐμβολῆς οὐχ ἥσσονα: οἱ δὲ τοῦ Καίσαρος αὐτὰς ἐμβολαῖς ὥς βραχυτέρας ἀνέκοπτον ἢ κατέσειον ἢ διερρήγνυνον καί, ὅτε συμπλακεῖεν, ἔβαλλόν τε ὥς ταπεινοτέρας ἀφ' ὕψηλοῦ καὶ κόρακας ἢ χεῖρας σιδηρᾶς εὐκολώτερον ἐπερρίπτουν. οἱ δὲ ὅτε βιασθεῖεν, ἐξήλλοντο ἐς τὸ πέλαγος. καὶ τούσδε μὲν τὰ ὑπηρετικά τοῦ Πομπηίου περιπλέοντα ἀνελάμβανεν, [107] ὁ δὲ Ἀγρίππας ἔτο μάλιστα εὐθὺς τοῦ Παπίου καὶ αὐτῷ κατὰ τὴν ἐπωτίδα ἐμπεσὼν κατέσεισε τὴν ναῦν καὶ ἐς τὰ κοῦλα ἀνέρρηξεν: ἡ δὲ τούς τε ἐν τοῖς πύργοις ἀπεσεῖσατο καὶ τὴν θάλασσαν ἀθρόως ἐδέχετο, καὶ τῶν ἐρετῶν οἱ μὲν θαλαμίαι πάντες ἀπελήφθησαν, οἱ δ' ἕτεροι τὸ κατάστρωμα ἀναρρήξαντες ἐξενήχοντο. Παπίας δὲ ἐς τὴν παρορμούσαν ἀναληφθεὶς αὐθις ἐπήει τοῖς πολεμίοις, καὶ ὁ Πομπήιος ἐξ ὅρους ἐφορῶν τὰς μὲν ἰδίας μικρὰ ἐπωφελοῦσας καὶ ψιλουμένας τῶν ἐπιβατῶν, ὅτε

συμπλακείν, Ἀγρίππα δὲ τὸν ἕτερον στόλον ἐξ Ἱερᾶς προσπλέοντα, ἀναχωρεῖν ἐσήμηνε σὺν κόσμῳ. καὶ ἀνεχώρουν ἐπιόντες τε καὶ ἀναστρέφοντες αἱεὶ κατ' ὀλίγον. Ἀγρίππα δ' ἐπιβαρήσαντος αὐτοῖς ἔφευγον, οὐκ ἐς τοὺς αἰγιαλοὺς, ἀλλ' ὅσα τῆς θαλάσσης οἱ ποταμοὶ τεναγώδη πεποιήκεσαν.

[108] καὶ Ἀγρίππας, κωλύοντων αὐτὸν τῶν κυβερνητῶν μεγάλας ναυσὶν ἐς ὀλίγον ὕδωρ ἐπιπλεῖν, πελάγιος ἐπ' ἀγκυρῶν ἐσάλευεν ὡς ἐφορμιούμενος τοῖς πολεμίοις καὶ νυκτομαχήσων, εἰ δέοι. τῶν φίλων δ' αὐτῷ παραινούντων μὴ ἀλόγῳ θυμῷ συμφέρεσθαι μηδὲ τὸν στρατὸν ἐκτρύχειν ἀγρυπνία καὶ πόνῳ μηδὲ πιστεύειν πολυχείμωνι θαλάσσῃ, μόλις ἐσπέρας ἀνεξεύγνυε. καὶ οἱ Πομπηϊανοὶ ἐς τοὺς λιμένας παρέπλεον, τριάκοντα μὲν τῶν σφετέρων νεῶν ἀποβαλόντες, πέντε δὲ καταδύσαντες τῶν πολεμίων καὶ βλάψαντες ἄλλα ἱκανὰ καὶ βλαβέντες ὅμοια. καὶ αὐτοὺς ὁ Πομπήιος ἐπαινῶν, ὅτι τηλικαύταις ναυσὶν ἀντέσχον, τειχομαχῆσαι μᾶλλον ἔφασκεν ἢ ναυμαχῆσαι καὶ ὡς νενικηκότας ἐδωρεῖτο, καὶ ἐπήλπιζεν ἐν τῷ πορθμῷ διὰ τὸν ροῦν κουφοτέρους ὄντας περιέσεσθαι καὶ αὐτὸς ἔφη τι προσθήσειν ἐς τὸ τῶν νεῶν ὕψος.

τοῦτο μὲν δὴ τῆς ναυμαχίας τέλος ἦν τῆς περὶ Μύλας Ἀγρίππα καὶ Παπία γενομένης: [109] τὸν δὲ Καῖσαρα ὁ Πομπήιος, ὥσπερ ἦν, ὑπολαβὼν ἐς τὸ Ταύρου στρατόπεδον οἴχεσθαι καὶ ἐπιχειρήσειν τῷ Ταυρομενίῳ, μετὰ δεῖπνον εὐθὺς ἐς Μεσσήνην περιέπλει, μέρος ἐν ταῖς Μύλαις ὑπολιπὼν, ἵνα αὐτὸν ὁ Ἀγρίππας ἔτι παρεῖναι νομίζοι. Ἀγρίππας μὲν δὴ διαναπαύσας τὸν στρατὸν, ἐς ὅσον ἤπειγεν, ἐς Τυνδαρίδα ἐνδιδομένην ἔπλει: καὶ παρήλθε μὲν εἰσω, μαχομένων δὲ λαμπρῶς τῶν φρουρῶν ἐξέώσθη. προσεχώρησαν δ' ἕτεραι πόλεις αὐτῷ καὶ φρουρὰς ἐδέξαντο: καὶ αὐτὸς ἐπανῆλθεν ἐς Ἱεράν. ὁ δὲ Καῖσαρ ἤδη μὲν ἐς Λευκόπετραν ἐκ τοῦ Σκυλακίου διεπεπλεύκει, μαθὼν ἔτι ἀκριβέστερον, ὅτι ὁ Πομπήιος ἐκ Μεσσήνης ἐς Μύλας οἴχοιτο δι' Ἀγρίππαν: ἐκ δὲ Λευκοπέτρας ἔμελλε νυκτὸς περᾶν ὑπὲρ τὸν πορθμὸν ἐς τὸ Ταυρομενίον. πυθόμενος δὲ περὶ τῆς ναυμαχίας μετέγνω μὴ κλέπτειν ἔτι τὸν διάπλουν νενικηκώς, ἀλλὰ κατὰ φῶς θαρροῦντι τῷ στρατῷ περαιοῦσθαι: καὶ γὰρ ἔτι πάντως ἡγεῖτο Πομπήιον Ἀγρίππα παραμένειν. κατασκευάμενος οὖν ἡμέρας τὸ πέλαγος ἐκ τῶν ὁρῶν, ἐπεὶ καθαρὸν ἔγνω πολεμίων, ἔπλει στρατὸν ἔχων, ὅσον αἱ νῆες ἐδέχοντο, Μεσσάλαν ἐπὶ τοῦ λοιποῦ καταλιπὼν, ἕως ἐπ' αὐτὸν αἱ νῆες ἐπανέλθοιεν. ἐλθὼν δ' ἐπὶ τὸ Ταυρομενίον προσέτεμψε μὲν ὡς ὑπαζόμενος αὐτό, οὐ δεξαμένων δὲ τῶν φρουρῶν παρέπλει τὸν ποταμὸν τὸν Ὀνοβάλαν καὶ τὸ ἱερὸν τὸ Ἀφροδίσιον καὶ ὠρμίσατο ἐς τὸν Ἀρχηγέτην, Ναξίων τὸν θεόν, ὡς χάρακα θησόμενος ἐνταῦθα καὶ ἀποπειράσων τοῦ Ταυρομενίου. ὁ δὲ Ἀρχηγέτης Ἀπόλλωνος ἀγαλμάτιόν ἐστιν, ὃ πρῶτον ἐστήσαντο Ναξίων οἱ εἰς Σικελίαν ἀπωκισμένοι.

[110] ἐνταῦθα τῆς νεῶς ἐκβαίνων ὁ Καῖσαρ ὤλισθε καὶ ἔπεσε καὶ ἀνέδραμε δι' αὐτοῦ. καὶ αὐτῷ καθισταμένῳ ἔτι τὸ στρατόπεδον Πομπήιος ἐπέπλει στόλῳ πολλῷ, θαῦμα ἀδόκητον: ᾧετο γὰρ αὐτὸν ἐκπεπολεμηῆσθαι πρὸς Ἀγρίππα. παρήλανε δὲ τῷ Πομπηίῳ καὶ ἡ ἵππος, ἐς τάχος διερίζουσα τῷ ναυτικῷ, καὶ τὰ περὶ ἐτέρωθεν ἐφαίνετο, ὥστε δεῖσαι μὲν ἅπαντας, ἐν μέσῳ

τριῶν στρατῶν πολεμίων γενομένους, δεῖσαι δὲ τὸν Καίσαρα, Μεσσάλαν οὐκ ἔχοντα μεταπέμψασθαι. οἱ μὲν οὖν ἱππées εὐθύς ἠνώχλουν οἱ Πομπηίου χαρακοποιούμενους ἔτι τοὺς τοῦ Καίσαρος· εἰ δὲ ἐπὶ τοῖς ἱππεύσιν οἱ πεζοὶ καὶ τὸ ναυτικὸν ἐφόρμησε, τάχα ἂν τι μείζον ἐξήνυστο τῷ Πομπηίῳ. νῦν δὲ ἀπείρως τε πολέμου, καὶ ὑπ' ἀγνοίας τοῦ θορύβου τῶν Καίσαρος, καὶ ὄκνου, μὴ μάχης περὶ δείλην ἐσπέραν ἄρχειν, οἱ μὲν αὐτῶν ἐς Κόκκυνον ἄκραν ὠρμίσαντο, οἱ πεζοὶ δ' οὐκ ἀξιοῦντες ἀγχοῦ τῶν πολεμίων στρατοπεδεύειν ἐς Φοίνικα πόλιν ἀνεχώρουν. καὶ νυκτὸς οἱ μὲν ἀνεπαύοντο, οἱ δὲ τοῦ Καίσαρος τὸν μὲν χάρακα ἐτέλουν, ὑπὸ δὲ κόπου καὶ ἀγρυπνίας ἐς τὴν μάχην ἐβλάπτοντο. τέλη δ' ἦν αὐτῷ τρία καὶ ἱππées χωρὶς ἵππων πεντακόσιοι καὶ κοῦφοι χίλιοι καὶ κληροῦχοι σύμμαχοι χωρὶς καταλόγου δισχίλιοι καὶ ναυτικὴ δύναμις ἐπὶ τούτοις.

[111] τὰ μὲν οὖν πεζὰ πάντα Κορνικίῳ παραδοὺς ὁ Καῖσαρ ἐκέλευσε τοὺς κατὰ τὴν γῆν πολεμίους ἀπομάχεσθαι καὶ πράσσειν, ὃ τι ἐπείγοι· αὐτὸς δὲ ταῖς ναυσὶν ἔτι πρὸ ἡμέρας ἀνήγετο ἐς τὸ πέλαγος, μὴ καὶ τοῦδε αὐτὸν ἀποκλείσαιεν οἱ πολέμοι. καὶ τὸ μὲν δεξιὸν ἐπέτρεπε Τιτινίῳ, τὸ δὲ λαιὸν Καρισίῳ, λιβυρνίδος δὲ αὐτὸς ἐπέβαινε καὶ περιέπλει πάντας παρακαλῶν· ἐπὶ δὲ τῇ παρακλήσει τὰ στρατηγικὰ σημεῖα, ὥς ἐν κινδύνῳ μάλιστα ὦν, ἀπέθετο. ἐπαναχθέντος δὲ τοῦ Πομπηίου δις μὲν ἐπεχείρησαν ἀλλήλοις, καὶ τὸ ἔργον ἐς νύκτα ἐτελεύτησεν. ἀλικομένων δὲ καὶ πιμπραμένων τῶν Καίσαρος νεῶν, αἱ μὲν ἀράμεναι τὰ βραχέα τῶν ἰστίων ἀπέπλεον ἐς τὴν Ἰταλίαν, τῶν παραγγελμάτων καταφρονοῦσαι· καὶ αὐτὰς ἐπ' ὀλίγον οἱ τοῦ Πομπηίου διώξαντες ἐπὶ τὰς ὑπολοίπους ἀνέστρεψαν, καὶ τῶνδε τὰς μὲν ἤρουν ὁμοίως, τὰς δὲ ἐνεπίμπρασαν. ὅσοι δ' ἐξ αὐτῶν ἐς τὴν γῆν ἐσενήχοντο, τοὺς μὲν οἱ ἱππées οἱ τοῦ Πομπηίου διέφθειρον ἢ συνελάμβανον, οἱ δ' ἐς τὸ τοῦ Κορνικίου στρατόπεδον ἀνεπήδων, καὶ αὐτοῖς ὁ Κορνικίος ἐπιθέουσιν ἐπεχείρει, τοὺς κούφους ἐκπέμπων μόνους· οὐ γὰρ εὐκαιρον ἐδόκει κινεῖν φάλαγγα δύσθυμον ἀντικαθημένων πεζῶν μεγαλοφρονουμένων, ὥς εἰκὸς ἦν, ἐπὶ νίκῃ.

[112] Καίσαρα δ' ἐν τοῖς ὑπηρετικοῖς ἐς πολὺ τῆς νυκτὸς ἀνακωχέοντα καὶ βουλευόμενον, εἴτε ἐς Κορνικίον ἐπανελθεῖν διὰ μέσων τοσῶνδε ναυαγίων εἴτε ἐς Μεσσάλαν διαφύγει, θεὸς ἐς τὸν Λβάλαν λιμένα παρήνεγκε μεθ' ἐνὸς ὀπλοφόρου, χωρὶς φίλων τε καὶ ὑπασπιστῶν καὶ θεραπόντων. καὶ τινες ἐκ τῶν ὁρῶν ἐς πύστιν τῶν γεγονότων καταθέοντες εὗρον αὐτὸν τό τε σῶμα καὶ τὴν ψυχὴν ἐσταλμένον, καὶ ἐς ἀκάτιον ἐξ ἀκατίου μεταφέροντες, ἵνα διαλαθῇ, μετεκόμισαν ἐς Μεσσάλαν οὐ μακρὰν ὄντα. ὁ δ' εὐθύς, ἔτι ἀθεράπευτος, ἔς τε Κορνικίον ἔστελλε λιβυρνίδα καὶ πανταχοῦ διὰ τῶν ὁρῶν περιέπεμπεν, ὅτι σφύζοιτο, Κορνικίῳ τε πάντας ἐπικουρεῖν ἐκέλευε καὶ αὐτὸς ἔγραφεν αὐτίκα πέμπειν βοήθειαν. θεραπεύσας δὲ τὸ σῶμα καὶ ἀναπανσάμενος ὀλίγον ἐς Στυλίδα νυκτὸς ἐξῆει, παραπεμπόμενος ὑπὸ τοῦ Μεσσάλα, πρὸς Καρρίναν τρία ἔχοντα ἐπὶ τοῦ πρόπλου τέλη· καὶ τῷδε μὲν ἐκέλευσε διαπλεῖν ἐς τὸ πέραν, ἔνθα καὶ αὐτὸς ἔμελλε διαπλευσεῖσθαι, Ἀγρίππαν δὲ γράφων ἡξίου κινδυνεύοντι Κορνικίῳ πέμπειν Λαρόνιον μετὰ στρατιᾶς ὀξέως. Μαικήναν δ' αὖθις ἐς Ῥώμην ἔπεμπε διὰ τοὺς νεωτερίζοντας· καὶ τινες παρακινοῦντες

ἐκολάσθησαν. καὶ Μεσσάλαν ἐς Δικαιάρχειαν ἔπεμπεν, ἄγειν τὸ πρῶτον καλούμενον τέλος ἐς Ἰππώνειον.

[113] Μεσσάλας δὲ οὗτος ἦν, ὃν οἱ τρεῖς ἐπὶ θανάτῳ προγεγράφεσαν ἐν Ῥώμῃ, καὶ χρήματα τῷ κτείναντι καὶ ἐλευθερίαν ἐπικεκλήρυχεσαν: ὁ δὲ πρὸς Κάσσιον καὶ Βροῦτον φυγὼν, ἀποθανόντων ἐκείνων, τὸν στόλον ἐπὶ σπονδαῖς Ἀντωνίῳ παραδεδώκει. καὶ μοι τοῦτο ἀναμνησάμενος νῦν ἔδοξεν ἐς ζήλωμα τῆς Ῥωμαίων ἀρετῆς, ὅπου Μεσσάλας, μόνον ἔχων ἐν τοσσηδε συμφορᾷ τὸν προγράψαντα, ἐθεράπευεν ὡς αὐτοκράτορα καὶ περιέσφριζε.

Κορνιφίκιος δὲ ἀποτρέψασθαι μὲν ἐκ τοῦ χάρακος εὐμαρῶς εἶχε τοὺς πολεμίους, κινδυνεύων δ' ἐξ ἀπορίας ἐς μάχην ἐξέτασσε καὶ προυκαλεῖτο. Πομπηίου δὲ οὐ συμπλεκομένου μὲν ἀνδράσιν ἐν μόνῃ τῇ μάχῃ τὴν ἐλπίδα ἔχουσιν, παραστήσεσθαι δ' αὐτοὺς τῷ λιμῷ προσδοκῶντος, ὥδευεν ὁ Κορνιφίκιος, ἐν μέσῳ τοὺς ἀπὸ τῶν νεῶν διαφυγόντας ἀνόπλους ἔχων βαλλόμενός τε καὶ χαλεπῶς, ἐν μὲν τοῖς πεδινοῖς ὑπὸ τῶν ἱππέων, ἐν δὲ τοῖς τραχέσιν ὑπὸ τῶν ψιλῶν τε καὶ κούφων, οἱ Νομάδες Λίβυες ὄντες ἠκόντιζόν τε ἐπὶ πλεῖστον καὶ τοὺς ἐπεκθέοντας ὑπέφευγον.

[114] τετάρτη δ' ἡμέρα μόλις ἐπὶ τὴν ἄνυδρον γῆν ἀφίκοντο, ἦν ῥύακα πυρὸς λέγουσι, ποτὲ μέχρι θαλάσσης κατιοῦσαν, ἐπικλύσαι καὶ σβέσαι τὰ ἐν αὐτῇ νάματα. καὶ αὐτὴν οἱ μὲν ἐπιχώριοι μόνῃς ὁδεύουσι νυκτός, πνιγώδῃ τε οὔσαν ἀπ' ἐκείνου καὶ κονιορτοῦ σποδῶδους γέμουσαν, οἱ δ' ἀμφὶ τὸν Κορνιφίκιον οὔτε νυκτὸς ἐθάρρουν, ἐν ἀσελήνῳ μάλιστα, ἰέναι διὰ ἀπειρίαν ὁδῶν καὶ ἐνέδρας, οὔτε ἡμέρας ὑπέμενον, ἀλλ' ἀπεπνίγοντο καὶ τὰς βάσεις ὡς ἐν θέρει καὶ καύματι ὑπεκαίοντο, μάλιστα οἱ γυμνοί. βραδύνειν τε οὐ δυνάμενοι διὰ τὴν δίψαν ἐνοχλοῦσαν, οὐδένα ἔτι τῶν βαλλόντων αὐτοὺς ἐπεξήρσαν, ἀλλ' ἐτιτρώσκοντο ἀφυλάκτως. ἐπεὶ δὲ καὶ τὰς ἐξόδους τῆς διακεκαυμένης ἑτεροὶ κατεῖχον πολέμιοι, ἀμελήσαντες τῶν ἀσθενεστερῶν τε καὶ γυμνῶν ἀνεπήδων ἐς τοὺς αὐχένας οἱ δυνάμενοι τόλμῃ παραβόλῳ καὶ ἐβιάζοντο τοὺς πολεμίους, ἐς ὅσον εἶχον δυνάμεως. κατεχομένων δὲ καὶ τῶν ἐξῆς αὐχένων ἀπεγίνωσκον αὐτῶν ἤδη καὶ μεθεῖντο ὑπὸ δίψης καὶ θέρους καὶ κόπου. προτρέποντος δὲ αὐτοὺς τοῦ Κορνιφικίου καὶ πηγὴν πλησίον οὔσαν ἐπιδεικνύοντος, οἱ μὲν αὖθις ἐβιάζοντο, πολλοὺς ἀπὸ σφῶν ἀπολλύντες, ἑτεροὶ δὲ τὴν πηγὴν κατεῖχον πολέμιοι, καὶ παντελῆς ἤδη τοὺς τοῦ Κορνιφικίου κατεῖχον ἀθυμία, καὶ παρίεντο.

[115] ὧδε δὲ αὐτοῖς ἔχουσι Λαρώνιος ἐπιφαίνεται μακρόθεν, ὑπὸ Ἀγρίππου σὺν τρισὶ τέλεσι πεμφθεῖς, οὐπὼ μὲν ἔνδηλος ὢν, ὅτι φίλος εἶη: ὑπὸ δὲ ἐλπίδος αἰεὶ τοιοῦτον ἔσθαι προσδοκῶντες ἀνέφερον αὐθις αὐτῶν. ὥς δὲ καὶ τοὺς πολεμίους εἶδον τὸ ὕδωρ ἀπολιπόντας, ἵνα μὴ γένοιτο ἐχθρῶν ἐν μέσῳ, ἀνέκραγον μὲν ὑπὸ ἡδονῆς, ὅσον ἔσθενον, ἀντιβοήσαντος δ' αὐτοῖς τοῦ Λαρωνίου δρόμῳ τὴν πηγὴν κατέλαβον. καὶ ὑπὸ μὲν τῶν ἡγεμόνων ἐκωλύοντο πίνειν ἀθρόως: ὅσοι δὲ ἡμέλησαν, ἔπινον ὁμοῦ καὶ ἀπέθνησκον.

οὕτω μὲν ἐξ ἀέλπτου Κορνιφίκιος καὶ τοῦ στρατοῦ τὸ φθάσαν μέρος περιεσώθη πρὸς Ἀγρίππαν ἐς Μύλας: [116] ἄρτι δὲ ὁ Ἀγρίππας Τυνδαρίδα εἰλήφει, τροφῶν μεστὸν χωρίον καὶ εὐφυῶς ἐς πόλεμον ἐκ τῆς θαλάσσης ἔχον, καὶ ὁ Καῖσαρ ἐς αὐτὸ τὰ πεζὰ καὶ τοὺς ἰππέας διεβίβαζεν. ἐγένοντό τε αὐτῷ πάντες ἐν Σικελίᾳ ὀπλιτῶν μὲν ἐς εἴκοσι καὶ ἓν τέλος. ἰππῆες δὲ δισμύριοι καὶ κοῦφοι πλείους τῶν πεντακισχιλίων. Μύλας δ' ἔτι καὶ τὰ ἐκ Μυλῶν ἐπὶ τε Ναυλόχους καὶ Πελωριάδα καὶ τὰ παράλια πάντα φρουραὶ Πομπηίου κατεῖχον, αἱ φόβῳ μάλιστα Ἀγρίππου πῦρ διηνεκὲς ἔκαιον ὥς ἐμπρήσοντες τοὺς ἐπιπλέοντας. ἐκράτει δὲ καὶ τῶν στενῶν ἐκατέρων ὁ Πομπήιος. ἀμφὶ δὲ τὸ Ταυρομένιον καὶ περὶ Μύλας τὰς περιόδους τῶν ὁρῶν ἀπετείχιζε καὶ τὸν Καίσαρα ἐκ Τυνδαρίδος ἐς τὸ πρόσθεν ἰόντα ἠνώχλει, μὴ συμπλεκόμενον. Ἀγρίππου δὲ νομισθέντος ἐπελεῖν ἐς Πελωριάδα μετεπήδησεν, ἐκλιπὼν τὰ στενὰ περὶ Μύλας: καὶ ὁ Καῖσαρ αὐτῶν τε κατέσχε καὶ Μυλῶν καὶ Ἀρτεμισίου, πολίχνης βραχυτάτης, ἐν ἣ φασὶ τὰς Ἥλιου βοῦς γενέσθαι καὶ τὸν ὕπνον Ὀδυσσεῖ.

[117] ψευδοῦς δὲ τῆς Ἀγρίππου δόξης φανείσης, ὁ Πομπήιος ἤσθεις τῶν στενῶν ἀφηρημένος καὶ Τισιηνὸν ἐκάλει μετὰ τοῦ στρατοῦ. Τισιηνῷ δ' ὁ Καῖσαρ ὑπήντα καὶ διημάρτανε τῆς ὁδοῦ περὶ ὅρος τὸ Μυκόνιον, ἔνθα ἄσκηνος ἐνυκτέρευσε: ὄμβρου τε πολλοῦ καταρραγέντος, οἷος ἐν φθινοπώρῳ γίγνεται, τῶν ὀπλοφόρων τινὲς τὴν νύκτα πᾶσαν ἀσπίδα Κελτικὴν ὑπερέσχον αὐτοῦ. ἐγένοντο δὲ καὶ βρόμοι τῆς Αἵτνης σκληροὶ καὶ μυκήματα μακρὰ καὶ σέλα περιλάμποντα τὴν στρατιάν, ὥστε τοὺς μὲν Γερμανοὺς ἐξ εὐνίων ἀναπηδᾶν ὑπὸ δέους, τοὺς δέ, ἀκοῇ τῶν περὶ τῆς Αἵτνης λεγομένων, οὐκ ἀπιστεῖν ἐν τοσοῖσδε παραδόξοις ἐμπεσεῖσθαι σφίσι καὶ τὸν ρύακα. μετὰ δὲ τοῦτο τὴν Παλαιστινηῶν γῆν ἔκειρε, καὶ Λέπιδος αὐτῷ συνήντετο σιτολογῶν, καὶ Μεσσήνη παρεστρατοπέδευον ἀμφοτέρω.

[118] γιγνομένων δ' ἂν ὅλην τὴν Σικελίαν ἀνιμαχιῶν πολλῶν, ἔργου δὲ μείζονος οὐδενός, Ταῦρον ὁ Καῖσαρ ἔπεμψε τὰς ἀγορὰς τοῦ Πομπηίου περικόπτειν καὶ τὰς πόλεις τὰς χορηγούσας προκαταλαμβάνειν. καὶ τῷδε μάλιστα κάμνων ὁ Πομπήιος ἔκρινε μάχῃ μείζονι κριθῆναι περὶ πάντων. τὰ μὲν δὴ πεζὰ τοῦ Καίσαρος ἐδεδίει, ταῖς δὲ ναυσὶν ἐπαιρόμενος ἤρετο πέμπων, εἰ δέχοιτο ναυμαχίᾳ κριθῆναι. ὁ δὲ ὠρρώδει μὲν τὰ ἐνάλια πάντα, οὐ σὺν τύχῃ μέχρι δεῦρο κεκρημένος αὐτοῖς, αἰσχροὺς δὲ νομίσας ἀντειπεῖν ἐδέχετο. καὶ ὠρίζετο αὐτοῖς ἡμέρα, ἐς ἣν τριακόσαι νῆες ἐκατέρων ἰδία παρεσκευάζοντο, βέλη τε παντοῖα φέρουσαι καὶ πύργους καὶ μηχανάς, ὅσας ἐπενόουν. ἐπενόει δὲ καὶ τὸν καλούμενον ἄρπαγα ὁ Ἀγρίππας, ξύλον πεντάπηχυ σιδήρῳ περιβεβλημένον, κρίκους ἔχον περὶ κεραίας ἐκατέρας: τῶν δὲ κρίκων εἶχeto

τοῦ μὲν ὁ ἄρπαξ, σιδήριον καμπύλον, τοῦ δὲ καλῶδια πολλά, μηχαναῖς ἐπισπώμενα τὸν ἄρπαγα, ὅτε τῆς πολεμίας νεῶς ἐκ καταπέλτου λάβοιτο.

[119] ἐλθούσης δὲ τῆς ἡμέρας πρῶτα μὲν ἦν ἐρετῶν ἄμιλλα καὶ βοή, καὶ βέλη τὰ μὲν ἐκ μηχανῆς, τὰ δ' ἀπὸ χειρῶν, ὅσα λίθοι καὶ πυρφόρα καὶ τοξεύματα. μετὰ δὲ αἱ νῆες αὐταὶ συνερρήγνυντο ἀλλήλαις, αἱ μὲν εἰς τὰ πλάγια, αἱ δὲ κατ' ἐπωτίδας, αἱ δὲ ἐπὶ τοὺς ἐμβόλους, ἔνθα μάλιστα εἰσιν αἱ πληγαὶ βίαιοι τινάξαι τε τοὺς ἐπιβάτας καὶ τὴν ναῦν ἀργοτέραν ἐργάσασθαι. ἄλλαι δὲ ἀλλήλας διεξέπλεον βάλλουσαι τε καὶ ἀκοντίζουσαι: καὶ τὰ ὑπηρετικά τοὺς ἐκπίπτοντας ἀνελάμβανεν. ἔργα τε χειρῶν ἦν καὶ βία ναυτῶν καὶ τέχνη κυβερνητῶν καὶ βοαὶ καὶ στρατηγῶν παρακελεύσεις καὶ μηχανήματα πάντα. εὐδοκίμει δὲ μάλιστα ὁ ἄρπαξ, ἔκ τε πολλοῦ ταῖς ναυσὶ διὰ κουφότητα ἐμπίπτων καὶ ἐμπηγνύμενος, ὅτε μάλιστα ὑπὸ τῶν καλῶδιων ἐφέλκοιτο ὀπίσω: κοπήναι τε ὑπὸ τῶν βλαπτομένων οὐκ ἦν εὐπορος διὰ σίδηρον τὸν περιέχοντα, καὶ τὸ μήκος αὐτοῦ δυσεφικτότατα τοῖς κόπτουσι τὰ καλῶδια ἐποίει: οὐδὲ τὸ μηχανήμά πω προέγνωστο, ὥς δρέπανα δόρασι περιθέσθαι: ἔν δ' ἐπενόουν ὥς ἐν ἀδοκῇ, τὴν ναῦν κρούοντες ἐπὶ πρύμναν ἀντισπᾶν. τὸ δ' αὐτὸ ποιούντων καὶ τῶν πολεμίων ἴση μὲν ἦν ἡ βία τῶν ἀνδρῶν, ὁ δὲ ἄρπαξ ἐποίει τὸ ἴδιον.

[120] ὅτε μὲν οὖν προσπελάσειαν αἱ νῆες, ἐμάχοντο παντοίως καὶ ἐς ἀλλήλους μεθήλλοντο. καὶ διαγνῶναι τὸν πολέμιον οὐκ ἦν ἔτι ὁμοίως εὐπορον: ὅπλοις τε γὰρ ὡς τὰ πολλὰ τοῖς αὐτοῖς ἐχρῶντο καὶ φωνῇ σχεδὸν ἅπαντες Ἰταλῇ, τὰ τε συνθήματα μιγνυμένων ἐς ἀμφοτέρους ἐξενήνεκτο, καὶ ἐκ τοῦδε μάλιστα ἐνέδραι πολλαὶ καὶ ποικίλαι παρὰ ἀμφοῖν, καὶ ἀπιστία πρὸς τοὺς λέγοντας αὐτὰ ἐπεγίγνετο, ἀγνωσία τε πάντα ἀλλήλων ἐπεῖχεν ὥς ἐν πολέμῳ καὶ θαλάσῃ γεμούσῃ φόνων τε καὶ ὅπλων καὶ ναυαγίων. οὐ γάρ τινα πεῖραν ἔλιπον, ὅτι μὴ μόνον τὸ πῦρ: τούτου δὲ μετὰ τοὺς πρώτους ἐπίπλους ἐφείσαντο διὰ τὰς συμπλοκάς. ὁ δὲ πεζὸς ἐκατέρων στρατὸς ἀπὸ τῆς γῆς μετὰ φόβου καὶ σπουδῆς ἐς τὴν θάλασσαν ἀφεώρων, ὥς ἐν τῇδε καὶ αὐτοὶ περὶ τῆς σφῶν σωτηρίας τὴν ἐλπίδα ἔχοντες. διέκρινόν γε μὴν οὐδέν, οὐδ' ἐδύναντο, καὶ μάλιστα περισκοποῦντες, οἷα νεῶν ἐξακοσίων ἐπὶ μήκιστον ἐκτεταγμένων καὶ τῆς οἰμωγῆς ἐναλλασσομένης ἀνὰ μέρος ἐκατέρωθεν.

[121] μόλις δὲ ποτε ταῖς χροιαῖς τῶν πύργων, αἷς δὴ μόναίς διέφερον ἀλλήλων, ὁ Ἀγρίππας συνεῖς πλέονας ἀπολωλέναι τοῦ Πομπηίου ναῦς ἐθάρρυνε τοὺς συνόντας ὥς ἤδη κατορθοῦντας: καὶ τοῖς πολεμίοις αὖθις ἐμπεσὼν ἐπέκειτο ἀπαύστως, μέχρι βιασθέντες, ὅσοι μάλιστα κατ' αὐτὸν ἦσαν, τοὺς τε πύργους κατέρριψαν καὶ τὰς ναῦς ἐπιστρέψαντες ἐς τὸν πορθμὸν ἔφευγον. καὶ ἔφθασαν ἐσδραμεῖν ἑπτακαίδεκα νῆες. αἱ δὲ λοιπαί, διακλείσαντος αὐτὰς τοῦ Ἀγρίππου, αἱ μὲν ἐξώκελλον ἐς τὴν γῆν διωκόμεναι, καὶ συνεξώκελλον αὐταῖς ὑπὸ ὀρμῆς οἱ διώκοντες ἢ ὀρμιζομένας ἀπέσπων ἢ ἐνεπίμπρασαν: ὅσαι δὲ ἔτι κατὰ τὸ πέλαγος ἐμάχοντο, τὰ περὶ αὐτὰς γινόμενα κατιδοῦσαι παρεδίδοσαν ἑαυτὰς τοῖς πολεμίοις. καὶ ὁ τοῦ Καίσαρος στρατὸς ἐπινίκιον ἠγάλαξεν ἐν τῇ θαλάσῃ, καὶ ὁ πεζὸς ἀντεβόησεν ἐπὶ τῆς γῆς. οἱ Πομπηίου δ' ἀνῶμωξαν, καὶ αὐτὸς ἐκ τῶν Ναυολόγων ἀναθορῶν ἐς τὴν Μεσσήνην ἠπείγετο, οὐδὲν ὑπὸ ἐκπλήξεως περὶ

τῶν πεζῶν οὐδ' ἐπισκήψας· ὅθεν καὶ τοῦσδε ὁ Καῖσαρ Τισσηνοῦ παραδιδόντος ὑποσπόνδους ἐδέχετο καὶ τοὺς ἱππέας ἐπ' αὐτοῖς, τῶν ἱππάρχων παραδιδόντων. κατέδυσαν δὲ ἐν τῷ πόνῳ νῆες Καίσαρος μὲν τρεῖς, Πομπηίου δὲ ὀκτὼ καὶ εἴκοσι, καὶ αἱ λοιπαὶ κατεφλέχθησαν ἢ ἐλήφθησαν ἢ ἐς τὴν γῆν ὀκέλλουσαι συνετριβήσαν· αἱ δὲ ἑπτακαίδεκα μόναι διέφυγον.

[122] καὶ ὁ Πομπήιος ἐν ὁδῷ περὶ τῆς μεταγνώμης τοῦ πεζοῦ πυθόμενος τὴν τε ἐσθῆτα ἡλλαξεν ἐς ἰδιώτην ἀπ' αὐτοκράτορος καὶ προύπεμψεν ἐς Μεσσήνην ἐς τὰς ναῦς ἐντίθεσθαι τὰ δυνατά· παρεσκεύαστο δὲ ἅπαντα ἐκ πολλοῦ. Πλένιον τε ἐκ Λιλυβαίου, μεθ' ὧν εἶχεν ὀκτὼ τελῶν, ἐκάλει κατὰ σπουδὴν ὡς μετὰ τῶνδε φευξόμενος. καὶ Πλένιος μὲν ἠπείγετο πρὸς αὐτόν, αὐτομολούντων δὲ ἐτέρων, φίλων τε καὶ φρουρίων καὶ στρατῶν, καὶ τῶν πολεμίων ἐς τὸν πορθμὸν ἐσπλεόντων, οὐκ ἀναμείνας οὐδὲ Πλένιον ὁ Πομπήιος ἐν πόλει καλῶς τετειχισμένη, ἔφηνεν ἐκ τῆς Μεσσηνίας ἐπὶ τῶν ἑπτακαίδεκα νεῶν ἐς Ἀντώνιον, ὡς ἐξ ὁμοίων αὐτῷ τὴν μητέρα περισεσωκώς. καὶ ὁ Πλένιος αὐτὸν οὐ καταλαβὼν ἐς τὴν Μεσσήνην παρῆλθε καὶ κατεῖχε τῆς πόλεως. ὁ δὲ Καῖσαρ αὐτὸς μὲν ἔμεινεν ἐν τῷ περὶ Ναυλόχους στρατοπέδῳ, Ἀγρίππαν δ' ἐκέλευσε τῇ Μεσσήνῃ παρακαθέζεσθαι· καὶ παρεκάθητο σὺν Λεπίδῳ. Πλενίου δὲ πρεσβευομένου περὶ σπονδῶν Ἀγρίππας μὲν ἡξίου περιμένειν Καίσαρα ἐς ἔω, Λέπιδος δὲ ἐδίδου τὰς σπονδὰς καὶ τὸν τοῦ Πλενίου στρατὸν οἰκειούμενος ἑαυτῷ συνεχώρει διαρπάσαι τὴν πόλιν μετὰ τοῦ ἄλλου στρατοῦ.

καὶ οἱ μὲν ἐπὶ τῇ σωτηρίᾳ, περὶ ἧς δὴ καὶ μόνης παρεκάλουν, κέρδος ἀδόκητον εὐρόμενοι, τὴν Μεσσήνην ὅλη τῇ νυκτὶ μετὰ τῶν Λεπίδου διήρπάζον καὶ μετεστρατεύοντο τῷ Λεπίδῳ· [123] ὁ δὲ σὺν τούτοις ἔχων δύο καὶ εἴκοσι τέλη πεζῶν καὶ ἱππέας πολλοὺς ἐπῆρτο καὶ κρατήσιν ἐδόκει Σικελίας, πρόφασιν ἔχων, ὅτι πρῶτος ἐπιβαίη τῆς νήσου καὶ πλέονας πόλεις ἐπαγάγοιτο· ἔς τε τὰ φρούρια αὐτίκα περιέπεμπε τοὺς παρὰ τοῦ Καίσαρος ἔλευσομένους μὴ προσίεσθαι καὶ τὰ στενὰ πάντα ἐκρατύνετο. ὁ δὲ Καῖσαρ ἦλθε μὲν τῆς ἐπιούσης καὶ ἐμέμφετο τῷ Λεπίδῳ διὰ τῶν φίλων, οἱ σύμμαχον αὐτὸν ἔφασκον ἐλθεῖν Καίσαρι ἐς Σικελίαν, οὐχ ἑαυτῷ κατακτησόμενον αὐτήν· ὁ δὲ ἀντενεκάλει τῆς προτέρας τάξεως ἀφηρῆσθαι καὶ μόνον ἔχειν αὐτὴν Καίσαρα βουλομένῳ τε νῦν ἀντιδιδόναι Λιβύην καὶ Σικελίαν ὑπὲρ ἐκείνης. χαλεπαίνων δ' ὁ Καῖσαρ ἦλθε μὲν καὶ αὐτὸς ὑπὸ ὀργῆς, ὄνειδιῶν τὸν Λέπιδον ἐς χαριστίαν, διαπειλησάμενοι δὲ ἀλλήλοις διέστησαν, καὶ αὐτίκα αἱ τε φυλακαὶ διεκρίθησαν καὶ αἱ νῆες ὥρμουν ἐπ' ἀγκυρῶν· ἐλέχθη γὰρ αὐτὰς ἐπινοεῖν ὁ Λέπιδος ἐμπρήσαι.

[124] ὁ δὲ στρατὸς ἤχθητο, εἰ πολεμήσουσιν αὐθις ἐμφύλιον πόλεμον ἕτερον καὶ οὐ ποτε σφᾶς ἐπιλείψουσιν αἱ στάσεις. οὐ μὴν ἐν ὁμοίῳ Καίσαρα καὶ Λέπιδον ἐτίθεντο, οὐδὲ οἱ τῷ Λεπίδῳ στρατευόμενοι, ἀλλὰ καὶ τῆς ἀρετῆς τὸν Καίσαρα ἐθαύμαζον καὶ τὴν ἀργίαν συνήδεσαν Λεπίδῳ, καὶ τῆς ἀρπαγῆς αὐτὸν ἐπεμέμφοντο αὐτῆς, ἐς τὸ ἴσον τοῖς ἡσημένιοις καταστάντες. ὧν ὁ Καῖσαρ πυνθανόμενος περιέπεμπε τοὺς τὰ συμφέροντα παραινέσοντας κρύφα ἐκάστοις. ὡς δὲ αὐτῷ διεφθάρato πολλοί, καὶ μάλιστα οἱ γενόμενοι τοῦ Πομπηίου διὰ δέος τοῦ μήπω τὰς σπονδὰς βεβαίους σφίσιν, εἰ μὴ συνθοῖτο ὁ

Καῖσαρ, εἶναι, ἀγνοοῦντος ἔτι ταῦτα τοῦ Λεπίδου δι' ἀπραξίαν ὁ Καῖσαρ ἐπῆλθεν ἐπὶ τὸ στρατόπεδον αὐτοῦ σὺν ἱππεῦσι πολλοῖς, οὓς πρὸ τοῦ χάρακος καταλιπὼν ἐσῆει μετ' ὀλίγων, καὶ παριὼν ἐπεμαρτύρετο ἐκάστοις ἄκων ἐς πόλεμον καθίστασθαι. ἀσπαζομένων δὲ αὐτὸν ὡς αὐτοκράτορα τῶν ὁρώντων, οἱ Πομπηϊανοὶ πρῶτοι συνέθεον, ὅσοι διεφθάραι, καὶ συγγνῶναι σφίσι παρεκάλουν. ὁ δ' ἔλεγε θαυμάζειν, εἰ συγγνώμην αἰτοῦντες οὐ πράσσουν οὐπω τὰ σφίσιν αὐτοῖς συνοίσοντα. οἱ δὲ συνέντες αὐτίκα ἤρπαζον τὰ σημεῖα καὶ ἐς τὸν Καῖσαρα μετέφερον, καὶ σκηνὰς ἔλυνον ἕτεροι.

[125] καὶ τοῦ θορύβου Λέπιδος αἰσθόμενος ἐξέθορε τῆς σκηνῆς ἐπὶ τὰ ὅπλα. βολαὶ τε ἦσαν ἤδη, καὶ τῶν ὀπλοφόρων τις τῶν Καίσαρος ἐπιπτε, καὶ αὐτὸς ὁ Καῖσαρ ἐς τὸν θώρακα ἐβλήθη: τὸ δὲ βέλος οὐκ ἐξίκετο ἐπὶ τὸν χρῶτα, ἀλλὰ δρόμῳ διέφυγεν ἐπὶ τοὺς ἱππείας. Λεπίδου δὲ τι φρουρίον ἐπετώθασε τῷ δρόμῳ: καὶ οὐκ ἀνέσχεν ὁ Καῖσαρ ὑπὸ ὀργῆς, πρὶν ἐξελεῖν αὐτὸ σὺν τοῖς ἱππεῦσι καὶ καθελεῖν. ἐτέρων δ' αὖ φρουρίων ἡγεμόνες, οἱ μὲν αὐτίκα, οἱ δὲ νυκτός, μετετίθεντο ἐκ Λεπίδου πρὸς Καῖσαρα, οἱ μὲν ἄνευ τινὸς πείρας, οἱ δὲ καὶ ἐς ὑπόκρισιν ὑπὸ ἱππέων μικρὰ ἐνοχληθέντες. εἰσὶ δ' οἱ τὰς προσβολὰς ἔτι ὑπέμενον καὶ ἀπεκρούοντο: καὶ γὰρ ὁ Λέπιδος περιέπεμπεν ἐς πάντα ἐπικούρους: καὶ αὐτῶν δὲ τῶν ἐπικούρων μεθισταμένων ἡ λοιπὴ τοῦ Λεπίδου στρατιά, καὶ εἴ τις εὐνους ἔτι ἦν, ἐτρέπετο τῇ γνώμῃ. καὶ πρῶτοι μὲν αὐθις οἱ Πομπηϊανοί, ὅσοι ἔτι ἦσαν παρ' αὐτῷ, μετεπήδων κατὰ μέρη: Λεπίδου δὲ ἐς κώλυσιν αὐτοῖς τοὺς ἐτέρους ἐφοπλίσαντος, οἱ ἐπὶ κώλυμα τῶν ἄλλων ὀπλισάμενοι τὰ ἑαυτῶν ἐπήγοντο σημεῖα καὶ σὺν τοῖς ἐτέροις ἐχώρουν πρὸς τὸν Καῖσαρα. Λέπιδος δ' αὐτοῖς ἀπιοῦσιν ἡπείλει καὶ ἐδέϊτο καὶ τῶν σημείων εἶχετο καὶ οὐ μεθήσειν ἔλεγε, μέχρι τῶν φερόντων αὐτά τις εἶπε μεθήσειν ἀποθανόντα καὶ δεῖσας μεθήκεν.

[126] οἱ δὲ ἱππείες τελευταῖοι χωροῦντες ἔπεμψάν τινα πευσόμενοι τοῦ Καίσαρος, εἰ κτείνωσι Λέπιδον, οὐκέτι ὄντα αὐτοκράτορα: ὁ δὲ ἀπεῖπεν. οὕτω Λέπιδος, ἀδοκῆτ' ἅπαντων ἀπιστία συμπεσών, ἔρημος ἐκ τύχης τοσῆσδε καὶ στρατοῦ τοσοῦδε ἐγίγνετο ἐν βραχεῖ. καὶ τὸ σχῆμα ἀλλάξας ἔθιε πρὸς τὸν Καῖσαρα δρόμῳ, συντρεχόντων ὡς ἐπὶ θέᾳ τῶν ὁρώντων. ὁ δὲ Καῖσαρ ὑπανέστη τε αὐτῷ προσθέοντι καὶ προσπεσεῖν ἐθέλοντα κωλύσας ἔπεμψεν ἐς Ῥώμην, ἐφ' οὐπὲρ ἦν σχήματος, ιδιώτην ἀπ' αὐτοκράτορος, οὐδὲν ἔτι πλήν ιερέα ἧς εἶχεν ἱερωσύνης.

ὁ μὲν δὴ καὶ αὐτοκράτωρ πολλάκις καὶ τῶν τριῶν ἀνδρῶν γενόμενος ἄρχοντάς τε ἀποφήνας καὶ προγράψας ἐπὶ θανάτῳ τοσοῦσδε ὁμοτίμους, ιδιωτεύων καὶ ἐνίοις τῶν προγραφέντων ἄρχουσιν ὕστερον παριστάμενος διεβίωσε. [127] Πομπήιον δὲ ὁ μὲν Καῖσαρ οὐκ ἐδίωκεν οὐδ' ἐτέροις ἐπέτρεπε διώκειν, εἴτε ὡς ἐς ἀλλοτριὰν ἀρχὴν τὴν Ἀντωνίου φυλασσόμενος ἐμβαλεῖν, εἴτε καραδοκῶν τὸ μέλλον καὶ τὰ ἐς αὐτὸν ἐσόμενα ἐξ Ἀντωνίου καὶ πρόφασιν ἕξων διαφορᾶς, εἰ μὴ δίκαια γίγνοιτο 'οὐ γὰρ ἀνύποπτοί γε ἦσαν ἐκ πολλοῦ διὰ φιλαρχίαν, ὅτε τοὺς ἄλλους ἐξέλοιεν, ἀλλήλοις διερίσειν, εἶθ', ὡς αὐτὸς ἔλεγεν ὕστερον ὁ Καῖσαρ, ὅτι μὴ γένοιτο τοῦ πατρὸς ἀνδροφόνος ὁ Πομπήιος. τὴν δὲ στρατιὰν συνήγε, καὶ ἐγένετο αὐτῷ τέλη μὲν ὀπλιτῶν πέντε καὶ τεσσαράκοντα καὶ ἱππείες δισμῦριοι καὶ πεντακισχίλιοι, κοῦφοι δὲ τῶν

ἰππέων ὑπὲρ ἡμιολίους μακραὶ τε νῆες ἐξακόσιαι: τὸ δὲ τῶν φορτίδων πλήθος, καίπερ ὄν ἄπειρον, τοῖς δεσπόταις διέπεμπε. καὶ τὸν στρατὸν ἐπινικίους ἔδωρεῖτο, τὰ μὲν ἥδη διδούς, τὰ δὲ ὑπischynόμενος, στεφάνους τε καὶ τιμὰς ἅπασιν ἔνεμεν καὶ συγγνώμην τοῖς ἡγεμόσιν ἐδίδου τοῦ Πομπηίου.

[128] ζήλου δὲ αὐτῷ γέμοντι ἐπὶ τούτοις τὸ δαιμόνιον ἐνεμέσθησε τοῦ ζήλου, καὶ ὁ στρατὸς ἐστασίασεν, ὁ οἰκεῖος αὐτοῦ μάλιστα, ἀπολυθῆναι τε τῆς στρατείας ἐπειγόμενοι καὶ γέρα λαβεῖν ὅμοια τοῖς ἐν Φιλίπποις ἀγωνισαμένοις. ὁ δὲ ᾗδει μὲν οὐχ ὅμοιον ἐκείνῳ τόνδε τὸν ἀγῶνα, ὑπischynεῖτο δ' ὅμως τὰ ἄξια δώσειν σὺν τοῖς ὑπ' Ἀντωνίῳ στρατευομένοις, ὅτε κακεῖνος ἀφίκηται. περὶ δὲ τῆς ἀστρατείας ὑπεμίμησε σὺν ἀπειλῇ τῶν πατρίων νόμων τε καὶ ὀρκῶν καὶ κολάσεων. οὐκ εὐπειθῶς δὲ ἀκροωμένων ὕφηκε τῆς ἀπειλῆς, ἵνα μὴ τις ἐκ τῶν νεολήπτων στρατῶν ἐπιγένοιτο θόρυβος, καὶ ἔλεγεν ἐν καιρῷ τε ἀπολύσειν σὺν Ἀντωνίῳ, καὶ ἄξειν νῦν οὐκ ἐπ' ἐμφύλια ἔτι, πεπαυμένα σὺν τύχῃ χρηστῇ, ἐπὶ δ' Ἰλλυριοὺς καὶ ἕτερα ἔθνη βάρβαρα, σαλεύοντα τὴν μόλις κτηθεῖσαν εἰρήνην, ὅθεν καταπλουτιεῖν αὐτούς. οἱ δ' οὐκ ἔφασαν αὐθις στρατεύσεσθαι, πρὶν τῶν προτέρων λαβεῖν γέρα τε καὶ τιμὰς. ὁ δὲ οὐκ ἔφη τὰς τιμὰς οὐδὲ νῦν ἀνατίθεσθαι, πολλὰς δὲ δοὺς προστιθέναι στεφάνους ἔτι τοῖς τέλεσιν ἄλλους καὶ λοχαγοῖς καὶ χιλιάρχοις περιπορφύρους ἐσθῆτας καὶ βουλευτικὴν ἐν ταῖς πατρίσιν ἀξίωσιν. ἔτι δὲ αὐτοῦ τοιάδε προστιθέντος ἕτερα, ὑπεφώνησε χιλιάρχος Ὀφύλλιος στεφάνους μὲν καὶ πορφύραν εἶναι παισὶν ἀθύρματα, στρατοῦ δὲ γέρα χωρία καὶ χρήματα: καὶ τοῦ πλήθους ἐπιβοήσαντος, ὅτι ὀρθῶς λέγοι, ὁ μὲν Καῖσαρ ἀπέστη τοῦ βήματος δυσχεραίνων. οἱ δὲ ἀμφὶ τὸν χιλιάρχον ἦσαν ἐπαινοῦντές τε καὶ τοῖς οὐ συνισταμένοις αὐτῷ λοιδοροῦμενοι. ὁ δ' ἔφη καὶ μόνος ἀρκέσειν ἐπὶ οὕτῳ δικαίως.

ἀλλ' ὁ μὲν τότε εἰπὼν ἐς τὴν ἐπιούσαν ἀφανῆς ἦν, καὶ οὐδ', ὅ τι γένοιτο, ἐγινώσκετο: [129] ὁ δὲ στρατὸς οὐκέτι μὲν, ὑπὸ δέους, οὐδεὶς καθ' ἑνα ἐφθέγγετο, κοινῇ δ' ἐβόων, ἀνὰ μέρη συνιστάμενοι, ἀφεθῆναι τῶν στρατειῶν. ὁ δὲ Καῖσαρ αὐτῶν τοὺς μὲν ἄρχοντας ἐξωμίλει ποικίλως, τῶν δ' ἐν Φιλίπποις καὶ Μουτίνῃ στρατευσαμένων, ὡς χρονιωτέρων ἄρα ὄντων, ἐδίδου τοῖς θέλουσιν ἀποστρατεύεσθαι. καὶ γενομένους ἐς δισμυρίους εὐθὺς ἀπέλυε καὶ ἐξέπεμπε τῆς νήσου, μὴ διαφθεῖραιεν ἐτέρους, τοσόνδε τοῖς ἐκ Μουτίνης μόνοις ἐπειπὼν, ὅτι σφίσιν ἀποδώσει τὰ τότε ὑπεσχημένα καίπερ οὕτως ἀπολυθεῖσιν. ἐς δὲ τὸ ἄλλο πλήθος ἐπελθὼν τοὺς μὲν ἀποστάντας ἐμαρτύρετο τῆς ἐπιορκίας, οὐ κατὰ γνώμην τοῦ αὐτοκράτορος τῆς στρατείας ἀπολυθέντας, τοὺς δὲ παρόντας ἐπῆναι καὶ ἐπῆλπιζεν ἀπολύσειν μὲν ταχέως, ὅτε μηδενὶ μετανοήσει, καταπλουτιεῖν δὲ ἀπολύων καὶ νῦν ἐπιδιδόναι δραχμὰς πεντακοσίας ἐκάστω. τοιάδε εἰπὼν Σικελία μὲν ἐπέβαλλεν ἐσφορὰν χίλια τάλαντα καὶ ἐξακόσια, στρατηγούς δ' ἀπέφαινε Λιβύης καὶ Σικελίας καὶ στρατὸν ἐς ἑκατέραν διήρει καὶ τὰς ναῦς τὰς Ἀντωνίου διέπεμπεν ἐς Τάραντα καὶ τοῦ λοιποῦ στρατοῦ τὸν μὲν προῦπεμπεν ἐς τὴν Ἰταλίαν ἐπὶ νεῶν, τὸν δ' ἐπαγόμενος αὐτὸς ἐκ τῆς νήσου διεπέρα.

[130] ἐρχομένῳ δ' ἥ τε βουλὴ τιμὰς ἐψηφίσαστο ἀμέτρους, ὧν αὐτὸν ἐποίουν κριτὴν, ἢ πάσας λαβεῖν ἢ ὅσας δοκιμάσειε: καὶ ὑπῆντων ὅτι πορρωτάτα καὶ

αὐτοὶ καὶ ὁ δῆμος ἐστεφανωμένοι ἐξ τε τὰ ἱερὰ καὶ ἐκ τῶν ἱερῶν ἐς τὴν οἰκίαν ἀπιόντα παρέπεμπον. τῆς δ' ἐπιούσης αὐτὸς ἐβουλευγόρησέ τε καὶ ἐδημηγόρησε, τὰ ἔργα καὶ τὴν πολιτείαν ἑαυτοῦ τὴν ἀπ' ἀρχῆς ἐς τότε καταλέγων· καὶ τὰ εἰρημένα συγγράψας τὸ βιβλίον ἐξέδωκε. κατήγγελλέ τε εἰρήνην καὶ εὐθυμίαν, ἐς τέλος τῶν ἐμφυλίων ἀνηρημένων, καὶ τῶν εἰσφορῶν τοὺς ἔτι ὀφείλοντας ἀπέλυε καὶ φόρων τελώνας τε καὶ τοὺς τὰ μισθώματα ἔχοντας ὧν ἔτι ὀφείλοιν. ἐκ δὲ τῶν ἐψηφισμένων τιμῶν ἐδέχετο πομπήν, ἐτήσιόν τε ἱερομηνίαν εἶναι, καθ' ἧς ἡμέρας ἐνίκα, καὶ ἐπὶ κίονος ἐν ἀγορᾷ χρύσεος ἐστάναι μετὰ σχήματος οὐπὲρ ἔχων εἰσῆλθε, περικειμένων τῷ κίονι νεῶν ἐμβόλων. καὶ ἔστηκεν ἡ εἰκὼν, ἐπιγραφὴν ἔχουσα, ὅτι “τὴν εἰρήνην ἐστασιασμένην ἐκ πολλοῦ συνέστησε κατὰ τε γῆν καὶ θάλασσαν”.

[131] τοῦ δὲ δήμου τὴν μεγίστην ἱερωσύνην ἐς αὐτὸν ἐκ Λεπίδου μεταφέροντος, ἦν ἓνα ἔχειν νενόμισται μέχρι θανάτου, οὐκ ἐδέχετο καὶ κτείνειν τὸν Λέπιδον ὥς πολέμιον κελεύοντων οὐκ ἠνείχετο. ἐς δὲ τὰ στρατόπεδα πάντα σεσημασμένας ἔπεμψεν ἐπιστολάς, ἐντελλόμενος ἡμέρᾳ μιᾷ πάντας ἀνειλήσαντας αὐτὰς ἐπιχειρεῖν τοῖς κεκελευσμένοις. καὶ ἦν τὰ ἐπεσταλμένα περὶ τῶν θεραπόντων, ὅσοι παρὰ τὴν στάσιν ἀποδράντες ἐστρατεύοντο, καὶ αὐτοῖς τὴν ἐλευθερίαν ἡτήκει Πομπήιος, καὶ ἡ βουλὴ καὶ αἱ συνθήκαι δεδώκεσαν. οἱ δὲ μιᾷς ἡμέρας συνελαμβάνοντο. καὶ ἀχθέντας αὐτοὺς ἐς Ῥώμην ὁ Καῖσαρ ἀπέδωκεν αὐτῶν τε Ῥωμαίων καὶ Ἰταλῶν τοῖς δεσπόταις ἢ διαδόχοις αὐτῶν, ἀπέδωκε δὲ καὶ Σικελιώταις. ὅσους δ' οὐκ ἦν ὁ ληψόμενος, ἔκτεινε παρὰ ταῖς πόλεσιν αὐταῖς, ὧν ἀπέδρασεν.

[132] τοῦτο μὲν δὴ τῶν τότε στάσεων ἐδόκει τέλος εἶναι. καὶ ἦν ὁ Καῖσαρ ἐτῶν ἐς τότε ὀκτὼ καὶ εἴκοσι, καὶ αὐτὸν αἱ πόλεις τοῖς σφετέροις θεοῖς συνίδρουν. ληστευομένης δὲ κατὰ συστάσεις τῆς τε Ῥώμης αὐτῆς καὶ τῆς Ἰταλίας περιφανῶς καὶ τῶν γιγνομένων ἀρπαγῇ μετὰ τόλμης ἢ ληστεία λανθανούσῃ μᾶλλον ἐοικότων, Σαβίνος ὑπὸ Καίσαρος αἰρεθεὶς εἰς διόρθωσιν πολλὴν μὲν εἰργάσατο φθόρον τῶν ἀλISCOμένων, ἐνιαυτῷ δ' ὅμως εἰς εἰρήνην ἀφύλακτον ἅπαντα περιήγαγε. καὶ ἐξ ἐκείνου φασὶ παραμεῖναι τὸ τῆς στρατιᾶς τῶν νυκτοφυλάκων ἔθος τε καὶ εἶδος. θαυμαζόμενος δὲ ὁ Καῖσαρ ἐπὶ τῷδε ὀξέως οὕτως ἐξ ἀδοκῆτου διωρθωμένῳ πολλὰ τῆς πολιτείας ἐφίει τοῖς ἐτήσιοις ἄρχουσι διοικεῖν κατὰ τὰ πάτρια, καὶ γραμματεῖα, ὅσα τῆς στάσεως σύμβολα, ἔκαιε, καὶ τὴν ἐντελῇ πολιτείαν ἔλεγεν ἀποδώσειν, εἰ παραγένοιτο ἐκ Παρθυαίων Ἀντώνιος· πείθεσθαι γὰρ κάκεῖνον ἐθέλειν ἀποθέσθαι τὴν ἀρχήν, τῶν ἐμφυλίων καταπεπαυμένων. ἐφ' οἷς αὐτὸν εὐφημοῦντες εἴλοντο δήμαρχον ἐς αἰεὶ, διηνεκεῖ ἄρα ἀρχῇ προτρέποντες τῆς προτέρας ἀποστῆναι. ὁ δὲ ἐδέξατο μὲν καὶ τήνδε, Ἀντωνίῳ δὲ ἐφ' ἑαυτοῦ περὶ τῆς ἀρχῆς ἐπέστελλεν. ὁ δὲ καὶ Βύβλον ἀπιόντα πρὸς αὐτὸν ἐντυχεῖν ἐδίδασκεν· ἐς δὲ τὰ ἔθνη τοὺς ἡγεμόνας αὐτὸς ὁμοίως ἔπεμπε καὶ ἐς Ἰλλυριοὺς ἐπενόει συστρατεύειν.

[133] Πομπήιος δ' ἐκ μὲν Σικελίας ἄκρα Λακινία προσέσχε καὶ τὸ ἱερὸν τῆς Ἥρας πλουτοῦν ἀναθήμασιν ἐσύλησε, φεύγων ἐς Ἀντώνιον· ἐς δὲ Μιτυλήνην καταχθεὶς διέτριβεν, ἔνθα αὐτὸν ἔτι παῖδα μετὰ τῆς μητρὸς ὑπεξέθετο ὁ πατήρ, Γαῖω Καίσαρι πολεμῶν, καὶ ἡττηθεὶς ἀνέλαβεν. Ἀντωνίου δὲ πολεμοῦντος ἐν Μηδία Μήδοις τε καὶ Παρθυαίοις, γνώμην ὁ Πομπήιος

ἐποιεῖτο ἑαυτὸν ἐπανελθόντι ἐπιτρέψαι. ἐπεὶ δ' ἐπύθετο ἡσσῆσθαι Ἀντώνιον καὶ τὸ συμβὰν ἢ φήμῃ μειζόνως μετέφερεν, αὖθις ἦν ἐν ἐλπίσιν ὥς ἢ διαδεξόμενος Ἀντώνιον, εἰ τέθνηκεν, ἢ μεριούμενος ἐπανελθόντι· ἐνθυμῖός τε οἱ συνεχῆς ἦν Λαβιηνὸς οὐ πρὸ πολλοῦ τὴν Ἀσίαν ἐπιδραμών. ὧδε δὲ ἔχοντι ἀγγέλλεται Ἀντώνιος εἰς Ἀλεξάνδρειαν ἐπανελθών. καὶ τεχνάζων ἔτι ἐπ' ἀμφοτέρα διεπρεσβεύετο πρὸς αὐτόν, ἐπιτρέπων ἐκείνῳ καὶ φίλον εἶναι διδοὺς καὶ σύμμαχον, ἔργῳ δὲ τὰ Ἀντωνίου κατασκεπτόμενος. ἔς τε Θράκην καὶ ἔς τὸν Πόντον ἔπεμπεν ἑτέρους κρύφα πρὸς τοὺς ἐκατέρων δυνάστας ἐπινοῶν, εἰ μὴ κρατεῖ τῶν ἐνθυμουμένων, διὰ τοῦ Πόντου φυγεῖν εἰς Ἀρμενίαν. ἔπεμπε δὲ καὶ εἰς Παρθυαίους, ἐλπίσας εἰς τὰ λοιπὰ τοῦ πολέμου τοῦ πρὸς Ἀντώνιον αὐτοὺς δεξέσθαι προθύμως στρατηγὸν Ῥωμαῖον τε καὶ παῖδα Μάγνου μάλιστα. τὰς τε ναῦς ἐπεσκεύαζε καὶ τὸν ἐν αὐταῖς στρατὸν ἐγύμναζεν, ὑποκρινόμενος ἢ δεδιέναι Καίσαρα ἢ Ἀντωνίῳ τάδε παρασκευάζειν.

[134] ὁ δὲ Ἀντώνιος πυθόμενος μὲν εὐθὺς ἀμφὶ τοῦ Πομπηίου, στρατηγὸν ἐπ' αὐτῷ Τίτιον ἤρητο καὶ ναῦς καὶ στρατὸν ἐκ Συρίας λαβόντα ἐκέλευε πολεμοῦντι μὲν τῷ Πομπηίῳ πολεμεῖν κατὰ κράτος, ἐπιτρέποντα δὲ αὐτὸν Ἀντωνίῳ μετὰ τιμῆς ἄγειν. ἐλθοῦσι δὲ τοῖς πρέσβεσιν ἐχρημάτιζεν, ἀγγέλλουσιν οὕτως:

ἡμᾶς Πομπήιος ἔπεμψεν οὐκ ἀπορῶν μὲν εἰς Ἰβηρίαν, εἰ πολεμεῖν ἐγνώκει, διαπλευσαι, φίλην οὖσαν αὐτῷ πατρώθεν καὶ συλλαβοῦσαν ἔτι ὄντι νεωτέρῳ καὶ καλοῦσαν ἐπὶ ταῦτα καὶ νῦν, αἰρούμενος δὲ εἰρηνεύειν τε σὺν σοὶ καὶ πολεμεῖν, εἰ δεήσειεν, ὑπὸ σοί. καὶ τάδε οὐ νῦν πρῶτον, ἀλλ' ἔτι κρατῶν Σικελίας καὶ τὴν Ἰταλίαν πορθῶν, ὅτε σοὶ τὴν σὴν μητέρα περισώσας ἔπεμπε, προὔτεινε. καὶ εἰ ἐδέξω, οὗτ' ἂν ὁ Πομπήιος ἐξέπεσε Σικελίας 'οὐ γὰρ ἂν Καίσαρι τὰς ναῦς κατ' αὐτοῦ παρέσχες', οὗτ' ἂν σὺ ἦττησο ἐν Παρθυαίοις, Καίσαρός σοι τὸν στρατὸν οὐ πέμψαντος, ὃν συνέθετο: ἐκράτεις δ' ἂν ἤδη πρὸς οἷς εἶχες καὶ τῆς Ἰταλίας. οὐ δεξάμενον δέ σε ταῦτα, ἐν καιρῷ τότε μάλιστ' ἂν σοὶ γενόμενα, ἀξιοῖ καὶ νῦν μὴ πολλακίς ὑπὸ Καίσαρος ἐνεδρευθῆναι λόγοις τε καὶ τῷ γενομένῳ κήδει, μνημονεύοντα, ὅτι Πομπηίῳ τε κηδεύων μετὰ συνθήκας ἐπολέμησεν ἄνευ προφάσεως, καὶ Λέπιδον κοινωνὸν ὄντα τῆς ἀρχῆς τὸ μέρος ἀφείλετο καὶ οὐδέτερα αὐτῶν ἐνείματό σοι.

[135] λοιπὸς δ' εἰς τὴν περιπόθητον αὐτῷ μοναρχίαν σὺ νῦν ὑπολείπη: ἤδη γάρ σοι καὶ ἐν χερσὶν ἦν, εἰ μὴ Πομπήιος ἔτι ἦν ἐν μέσῳ. καὶ τάδε εἰκὸς μὲν καὶ σὲ προορᾶν ἐπὶ σεαυτοῦ, προφέρει δέ σοι καὶ Πομπήιος ὑπὸ εὐνοίας, αἰρούμενος ἄνδρα ἄκακον καὶ μεγαλόφρονα ἀντὶ ὑπούλου τε καὶ δολεροῦ καὶ φιλοτέχνου. οὐδὲ ἐπιμέμφεται σοὶ τῆς δόσεως τῶν νεῶν, ἃς ἐπ' αὐτὸν Καίσαρι ἔδωκας ὑπ' ἀνάγκης, ἀντιλαβεῖν στρατὸν εἰς Παρθυαίους δεόμενος, ἀλλ' ὑπομιμνήσκει, τὸν οὐ πεμφθέντα στρατὸν προφέρων. συνελόντι δὲ εἰπεῖν, Πομπήιος ἑαυτὸν ἐπιτρέπει σοὶ μετὰ τῶν νεῶν, ἃς ἔτι ἔχει, καὶ τοῦ στρατοῦ, πιστοτάτου γε ὄντος αὐτῷ καὶ οὐδ' ἐν τῇ φυγῇ καταλιπόντος, εἰρηνεύοντι μὲν μέγα κλέος, εἰ τὸν Μάγνου παῖδα περισώζεις, πολεμοῦντι δὲ μοῖραν ἱκανὴν εἰς τὸν ἐσόμενον πόλεμον, ὅσον οὐπω παρόντα.

[136] τοιαῦτα τῶν πρέσβειων εἰπόντων, ὁ Ἀντώνιος τὰς ἐντολὰς αὐτοῖς ἐξέφερεν, ὡς ἐντείλαιοτο Τιτίῳ· καὶ εἰ τῷ ὄντι ταῦτα φρονοίη Πομπήιος, ἤξειν αὐτὸν ἔφασκεν παραπεμπόμενον ὑπὸ Τιτίου. ἅμα δὲ ταῦτα ἐγίγνετο, καὶ οἱ πεμφθέντες ἐς Παρθαίους ὑπὸ τοῦ Πομπηίου ἐλήφθησαν ὑπὸ τῶν Ἀντωνίου στρατηγῶν καὶ ἐς Ἀλεξάνδρειαν ἤχθησαν. καὶ ὁ Ἀντώνιος ἕκαστα μαθὼν ἐκάλει τοὺς τοῦ Πομπηίου πρέσβεις καὶ τοὺς ληφθέντας αὐτοῖς ὑπεδείκνυεν. οἱ δὲ καὶ ὡς παρηγοῦντο νέον ἄνδρα ἐν συμφοραῖς ἐσχάταις ὑπὸ δέους, εἰ ἄρα μὴ προσοῖτο φιλίως αὐτὸν ὁ Ἀντώνιος, ἀναγκασθέντα καὶ τῶν αἰεὶ Ῥωμαίοις ἐχθίστων ἀποπειρᾶσαι· δηλώσειν τ' αὐτὸν αὐτίκα, ὅτε μάθοι τὰ Ἀντωνίου, μηδὲν ἔτι πείρας ἢ μηχανῆς δεόμενον. οἷς ὁ Ἀντώνιος ἐπίστευσεν, ὦν καὶ τὰ ἄλλα αἰεὶ τὸ φρόνημα ἀπλοῦς καὶ μέγας καὶ ἄκακος.

[137] ἐν τούτῳ δὲ Φούρνιος, ὁ τῆς Ἀσίας ἡγούμενος Ἀντωνίῳ, τὸν Πομπήιον ἐλθόντα μὲν καὶ ἀτρεμοῦντα ἐδέχετο, οὔτε κωλύειν ἀξιώμαχος ὦν οὔτε πῶ τὴν γνώμην εἰδὼς τὴν Ἀντωνίου· γυμνάζοντα δὲ τὸν στρατὸν ὁρῶν κατέλεγέ τινας ἐκ τῶν ὑπηκόων καὶ Ἀηνόβαρβον ἄρχοντα γείτονος στρατοῦ καὶ Ἀμύνταν ἐτέρωθεν ἐκάλει κατὰ σπουδὴν. συνελθόντων δ' ὀξέως, ὁ Πομπήιος ἐμέμφετο, εἰ πολέμιον ἡγοῦνται τὸν πρέσβει ἐς Ἀντώνιον ἀπεσταλκότα καὶ τὰ παρ' ἐκείνου περιμένοντα. καὶ ταῦτα λέγων Ἀηνόβαρβον ὅμως ἐπενόει συλλαβεῖν ἐκ προδοσίας Κουρίου τινὸς τῶν ἀμφὶ τὸν Ἀηνόβαρβον, ἐλπίζων ἐς ἀντίδοσιν αὐτοῦ μεγάλην ἔξειν μοῖραν Ἀηνόβαρβον. γνωσθείσης δ' οὖν τῆς προδοσίας, Κούριος μὲν ἐν τοῖς παροῦσι Ῥωμαίων ἐλεγχθεὶς ἀπέθανε, Πομπήιος δὲ Θεόδωρον ἐξελεύθερον, ὃς μόνος οἱ συνήδει τὸ βούλευμα, ὡς ἐξειπόντα ἔκτεινεν. οὐκέτι δὲ τοὺς ἀμφὶ τὸν Φούρνιον λήσειν ἐλπίσας, Λάμπσακον ἐκ προδοσίας κατέλαβεν, ἣ πολλοὺς εἶχεν Ἰταλοὺς ἐξ ἐποικίσεως Γαῖου Καίσαρος, καὶ μισθοῖς μεγάλοις εὐθὺς ἐστράτεψε τοὺς Ἰταλοὺς. ἤδη δὲ ἔχων ἱππέας τε διακοσίους καὶ πεζοὺς τρία τέλη, ἐπεχείρησε Κυζίκῳ κατὰ τε γῆν καὶ διὰ θαλάσσης. οἱ δὲ αὐτὸν ἐκατέρωθεν ἀπεκρούσαντο· καὶ γάρ τις ἦν ἐν τῇ Κυζίκῳ στρατὸς οὐ πολὺς Ἀντωνίῳ, φύλακες τῶν ἐκεῖ τρεφομένων αὐτῷ μονομάχων. ἐς δὲ τὸν Ἀχαιῶν λιμένα ἐπανελθὼν ἐσιτολόγει.

[138] Φουρνίου δὲ οὐκ ἄρχοντος μὲν χειρῶν, αἰεὶ δ' αὐτῷ παραστρατοπεδεύοντος σὺν ἱππεῦσι πολλοῖς καὶ σιτολογεῖν οὐκ ἔωντος οὐδὲ προσποιεῖσθαι τὰς πόλεις, ὁ Πομπήιος ἱππέας οὐκ ἔχων ἐπεχείρησε τῷ τοῦ Φουρνίου στρατοπέδῳ κατὰ μέτωπον καὶ κατόπιν ἐκ περιόδου λαθὼν. ὅθεν ὁ Φούρνιος ἐς τὸν Πομπήιον ἐπεστραμμένος ὑπὸ τῶν ὀπισθεν ἐξεβλήθη τοῦ στρατοπέδου. καὶ φεύγοντας αὐτοὺς διὰ τοῦ Σκαμανδρίου πεδίου διώκων ὁ Πομπήιος ἔκτεινε πολλοὺς· καὶ γὰρ ἦν τὸ πεδίου ὑγρὸν ἐξ ὄμβρων. οἱ δὲ περισωθέντες τότε μὲν ὑπεχώρουν, οὐκ ὄντες ἀξιώμαχοι. προσδεχομένων δὲ ἀπὸ τε Μυσίας καὶ τῆς Προποντίδος καὶ ἐτέρωθεν, οἱ πενόμενοι διὰ τὰς συνεχεῖς εἰσφορὰς ἐμισθοφόρουν ἀσμένως τῷ Πομπηίῳ κατὰ δόξαν μάλιστα τῆς ἐν Ἀχαιῶν λιμένι γενομένης νίκης, ἱππικοῦ δ' ἀπορῶν ὁ Πομπήιος, καὶ παρ' αὐτὸ βλαπτόμενος ἐν ταῖς προνομαῖς, ἐπύθετο ἵλην ἱππέων Ἰταλικὴν ἐς Ἀντώνιον χωρεῖν, ὑπὸ Ὀκταουίας χειμεριζούσης ἐν Αθήναις ἀπεσταλαμένην· καὶ εὐθὺς ἔπεμπέ τινας ἐς διαφθοράν τῆς ἵλης μετὰ χρυσίου.

ἀλλὰ τούσδε μὲν ὁ τῆς Μακεδονίας ἡγούμενος Ἀντωνίῳ συνέλαβε καὶ τὸ

χρυσίον τοῖς ἱππεῦσι διένειμεν· ^[139] ὁ δὲ Πομπήιος Νίκαιάν τε καὶ Νικομήδειαν καταλαβὼν ἐχρηματίζετο λαμπρῶς, καὶ ἐς μεγάλα ταχέως αὐτῷ πάντα ἠϋξετο παρ' ἐλπίδα. Φουρνίῳ δὲ οὐ μακρὰν παραστρατοπεδεύοντι πρῶται μὲν ἦκον ἐκ Σικελίας, ἥρος ἀρχομένου, νῆες ἐβδομήκοντα, ὅσαι περιεσώθησαν ἐξ ὧν Ἀντώνιος ἐκεχρήκει κατὰ Πομπηίου Καίσαρι ἑμετά γάρ τὸ Σικελικὸν ἔργον αὐτὰς ὁ Καῖσαρ ἀπέλυσεν, ἦκεν δὲ καὶ ἐκ Συρίας Τίτιος ἑτέραις ἑκατὸν εἴκοσι ναυσὶ καὶ στρατῷ πολλῷ, καὶ κατήραν ἅπαντες ἐς Προκόννησον. δέισας οὖν ὁ Πομπήιος τὰς ναῦς ἐνέπρησε καὶ τοὺς ἐρέτας ὥπλισεν, ὡς ἄμεινον ὁμοῦ πᾶσι κατὰ τὴν γῆν συνοισόμενος. Κάσσιος δὲ ὁ Παρμήσιος καὶ Νασιδίος καὶ Σατορνῖνος καὶ Θέρμος καὶ Ἀντίστιος ὅσοι τε ἄλλοι τῶν ἀξιολόγων ἔτι τῷ Πομπηίῳ παρήσαν φίλοι, καὶ ὁ τιμιώτατος αὐτῷ Φάνιος καὶ ὁ κηδεστής αὐτοῦ Πομπηίου Λίβων ὡς εἶδον αὐτὸν οὐδὲ Τίτιον παρόντος, ὅτῳ τὰ περὶ αὐτὸν Ἀντώνιος ἐπέτρεπε, παύόμενον τοῦ πρὸς τὸν ἀμείνονα πολέμου, ἀπέγνωσαν αὐτοῦ καὶ πράξαντες ὑπὲρ ἑαυτῶν πίστιν ἐς Ἀντώνιον μετήλθον.

^[140] ὁ δ' ἔρημος ὢν ἤδη φίλων ἐς τὰ μεσόγαια τῆς Βιθυνίας ἀνεχώρει, λεγόμενος ἐς Ἀρμενίους ἐπείγεσθαι. καὶ αὐτόν, νυκτὸς ἀναζευζάντα ἀφανῶς, ἐδίωκεν ὃ τε Φούρνιος καὶ ὁ Τίτιος, καὶ ἐπ' ἐκείνοις Ἀμύντας, συντόνῳ δὲ δρόμῳ περὶ ἐσπέραν καταλαβόντες ἐστρατοπέδευσαν ἕκαστος ἐφ' ἑαυτοῦ περὶ λόφῳ τινί, ἀνευ τάφρου καὶ χάρακος, ὡς ἐν ἐσπέρᾳ καὶ κόπῳ. ὧδε δὲ αὐτοῖς ἔχουσιν ὁ Πομπήιος νυκτὸς ἐπέθετο πελτασταῖς τρισχιλίοις καὶ πολλοὺς ἔκτεινεν εὐναζομένους ἔτι καὶ ἀναπηδῶντας· οἱ δὲ καὶ γυμνοὶ πάμπαν αἰσχυρῶς ἔφευγον. καὶ δοκεῖ τότε ὁ Πομπήιος ἅπαντι τῷ στρατῷ νυκτὸς ἐπελθὼν ἢ τῆς γε τροπῆς γενομένης ἐπαγαγὼν τάχ' ἂν αὐτῶν ἐντελῶς ἐπικρατῆσαι. νῦν δ' ὁ μὲν καὶ ταῦτα θεοῦ βλάπτοντος ὑπερεῖδε καὶ οὐδὲν ἐπ' ἔργῳ τοιῷδε πλέον ἢ αὐθις ἐς τὸ μεσόγαιον ἐχώρει· οἱ δ' ἀλίσθεντες εἶποντο καὶ σιτολογοῦντα ἠνώχλουν, ἕως κινδυνεύων ὑπὸ τῆς ἀπορίας ἠξιώσεν ἐς λόγους ἐλθεῖν Φουρνίῳ, φίλῳ τε Μάγνου γεγενομένῳ καὶ ἀξιώσει προύχοντι τῶν ἄλλων καὶ βεβαιωτέρῳ τὸν τρόπον.

^[141] ποταμὸν δ' ἐν μέσῳ λαβὼν ἔλεγε μὲν, ὅτι πρεσβεύσαιτο πρὸς Ἀντώνιον, ἐπετίθει δ', ὅτι τροφῶν ἐν τοσοῦτῳ δεόμενος καὶ ἀμελούμενος ὑπὸ αὐτῶν, τάδε ἐργάσαιτο. ἑμεῖς δὲ εἰ μὲν Ἀντωνίου γνώμη πολεμεῖτέ μοι, κακῶς ὁ Ἀντώνιος ὑπὲρ ἑαυτοῦ βουλευέται, τὸν ἐπιόντα πόλεμον οὐ προορῶν· εἰ δὲ τὴν Ἀντωνίου γνώμην φθάνετε, μαρτύρομαι καὶ παρακαλῶ περιμῆναι τὴν πρεσβείαν μου τὴν ἐς Ἀντώνιον ἀπεσταλμένην ἢ λαβόντας ἄγειν ἤδη πρὸς αὐτόν. ἐπιτρέψω δ' ἑμαυτὸν ἐγὼ σοὶ μόνῳ, Φούρνιε, τοσοῦτον ἐς πίστιν αἰτήσας, ὅτι με σῶον ἄξεις ἐς Ἀντώνιον· ὁ μὲν οὕτως εἶπεν, Ἀντωνίῳ τε θαρρῶν ὡς ἀγαθῷ τὴν φύσιν καὶ μόνᾳ τὰ ἐν μέσῳ δεδιώς· ὁ δὲ Φούρνιος αὐτὸν οὕτως ἡμείψατο:

ἐπιτρέποντος μὲν ἦν ἑαυτὸν Ἀντωνίῳ χωρεῖν ἐς αὐτόν ἐξ ἀρχῆς ἢ περιμένειν ἀτρεμοῦντα ἐν Μιτυλήνῃ τὰς ἀποκρίσεις, πολεμοῦντος δέ, ἃ πεποίηκας ἅπαντα· τί γὰρ αὐτὰ δεῖ πρὸς εἰδότα λέγειν; εἰ δὲ νῦν μετέγνωκας, μὴ συγκρούειν μὲν ἡμᾶς τοὺς στρατηγούς ἐς ἀλλήλους, Τίτῳ δὲ σαυτὸν ἐπιτρέπειν· Τίτῳ γὰρ ἐπιτέτραπται τὰ περὶ σὲ ὑπὸ Ἀντωνίου· καὶ πίστιν, ἣν

αἰτεῖς παρ' ἡμῶν, ἐνι σοι καὶ Τίτιον αἰτεῖν. κεκέλευσται δ' ὑπὸ Ἀντωνίου πολεμοῦντα μὲν σε κατακανεῖν, ἐγχειρίζοντα δὲ πέμπειν ἐς αὐτὸν ἐντίμως.

[142] ὁ δὲ Πομπήιος Τίτιῳ μὲν ἀχαριστίας ὠργίζετο, τὸν πόλεμον τόνδε ὑποδεξαμένῳ πολεμήσειν πρὸς αὐτόν: ἀλόντα γὰρ αὐτὸν αἰχμάλωτον περισεσώκει. ἐπὶ δὲ τῇ ὀργῇ καὶ ἡδόξει, Πομπήιος ὢν, ἐπὶ Τίτιῳ γενέσθαι, οὐκ ἐπιφανεῖ πάνυ ἀνδρί, καὶ ὑπόπτειν αὐτὸν ὥς οὐ βέβαιον ἐς τε τὸν τρόπον ὑπονοῶν καὶ τινα συγγινώσκων ἐς αὐτὸν ὕβριν παλαιὰν πρὸ τῆς εὐεργεσίας. Φουρνίῳ δ' αὖθις ἑαυτὸν ἐπέτρεπε καὶ δέξασθαι παρεκάλει. ὥς δ' οὐκ ἔπειθεν, ὁ δὲ καὶ Ἀμύντα ἔλεγεν ἑαυτὸν ἐπιτρέψειν. τοῦ Φουρνίου δὲ φήσαντος οὐδ' Ἀμύνταν ἂν δέξασθαι τόδε ὕβριν ἔχον ἐς τὸν ἐξ Ἀντωνίου τὸ πᾶν ἐπιτετραμμένον, διελύθησαν. καὶ τοῖς μὲν ἀμφὶ τὸν Φούρνιον δόξα ἦν, ὅτι ὁ Πομπήιος ἐξ ἀπορίας τῶν παρόντων ἑαυτὸν ἐς τὴν ἐπιούσαν ἡμέραν ἐκδώσει τῷ Τίτιῳ: ὁ δὲ νυκτὸς τὰ συνήθη πυρὰ καίεσθαι καταλιπὼν καὶ τοὺς σαλπικτὰς σημαίνειν τὰ διαστήματα τῆς νυκτός, ὥσπερ ἦν ἔθος, ἔλαθε μετὰ τῶν εὐζώνων ὑπεξελθὼν τοῦ στρατοπέδου, οἷς οὐδὲ αὐτοῖς προεῖπεν, οἳ χωρήσειν ἔμελλεν. ἐπενόει δ' ἐπὶ θάλασσαν ἐλθὼν ἐμπρῆσαι τὸ τοῦ Τίτιου ναυτικόν. καὶ τάχα ἂν ἔδρασεν, εἰ μὴ Σκαῦρος αὐτομολήσας ἀπ' αὐτοῦ τὴν μὲν ἔξοδον ἐμήνυσσε καὶ τὴν ὁδόν, ἣν ἐφέρετο, τὴν δ' ἐτίνοιαν οὐκ ἤδει. τότε δὴ χιλίοις καὶ πεντακοσίοις ἱππεῦσιν Ἀμύντας ἐδίδωκε τὸν Πομπήιον ἱππέας οὐκ ἔχοντα. καὶ ἐς τὸν Ἀμύνταν οἱ τοῦ Πομπηίου πλησιάσαντα μετεχώρουν, οἱ μὲν ἀποδιδράσκοντες, οἱ δὲ καὶ φανερώς. μονούμενος οὖν ὁ Πομπήιος καὶ δεδιὼς ἦδη τὰ οἰκεῖα, ἑαυτὸν ἄνευ σπονδῶν ἐνεχείρισεν Ἀμύντῃ, ὁ Τίτιῳ μετὰ σπονδῶν ἀδοξήσας.

[143] οὕτω μὲν ἐάλω Πομπήιος Σέξστος, ὁ λοιπὸς ἔτι παῖς Πομπηίου Μάγνου, νεώτερος μὲν ὑπὸ τοῦ πατρὸς ἀπολειφθεὶς καὶ ὑπὸ τοῦ ἀδελφοῦ μενιάκιον ἦδη, λαθὼν δ' ἐπ' ἐκείνοις ἐς πολὺ καὶ κρύφα ληστεύων ἐν Ἰβηρίᾳ, μέχρι, πολλῶν συνδραμόντων ἐς αὐτὸν ἐπιγνωσθέντα εἶναι Πομπηίου παῖδα, ἐλήστευέ τε φανερώτερον, καὶ μετὰ Γάιον Καίσαρα ἐπολέμησεν ἐγκρατῶς καὶ στρατὸν ἡγείρε πολλὸν καὶ ναῦς καὶ χρήματα, καὶ νήσους εἴλε, καὶ θαλασσοκράτωρ τῆς ἀμφὶ τὰς δύο θάλασσης ἐγένετο, καὶ τὴν Ἰταλίαν περιήνεγκεν ἐς λιμὸν καὶ τοὺς ἐχθροὺς ἐς συμβάσεις, ἃς ἤθελε. τὸ δὲ μέγιστον, ἐπικούρος ἐν ταῖς προγραφαῖς τῇ πόλει πανώλεθρα πασχούσῃ γενόμενος περιέσωσεν ἄνδρας ἀρίστους τε καὶ πολλοὺς, οἳ τότε δι' αὐτὸν ἦσαν ἐν τῇ πατρίδι. ὑπὸ δὲ θεοβλαβείας αὐτὸς οὐ ποτε ἐπεχείρησε τοῖς πολεμίοις, πολλὰ τῆς τύχης εὐκαιρα παρεχούσης, ἀλλ' ἡμύνητο μόνον.

[144] καὶ Πομπήιος μὲν τοιόσδε γενόμενος ἐάλωκει, Τίτιος δὲ τὸν μὲν στρατὸν αὐτοῦ μετεστράτευσεν Ἀντωνίῳ, αὐτὸν δὲ Πομπήιον, τεσσαρακοστὸν ἔτος βιοῦντα, ἐν Μιλήτῳ κατέκανεν, εἴτε δι' αὐτοῦ, μηνίων ἄρα τῆς ποτὲ ὕβρεως καὶ ἀχάριστος ἐς τὴν ἔπειτα εὐεργεσίαν γενόμενος, εἴτε καὶ ἐπιστεῖλαντος Ἀντωνίου. εἰσὶ δ' οἱ Πλάγκον, οὐκ Ἀντώνιον λέγοντες ἐπιστεῖλαι, καὶ νομίζουσιν ἄρχοντα Συρίας, καὶ ταῖς ἐπιστολαῖς ἐπιτετραμμένον ἐς τὰ ἐπείγοντα ἐπιγράφειν τὸν Ἀντώνιον καὶ τῇ σφραγίδι χρῆσθαι. καὶ Πλάγκον δὲ γράψαι νομίζουσιν οἱ μὲν συνειδότες Ἀντωνίου καὶ αἰδουμένου γράψαι διὰ ὄνομα τοῦ Πομπηίου καὶ διὰ Κλεοπάτραν, εὖνως

ἔχουσιν τῷ Πομπηίῳ διὰ τὸν πατέρα Μάγον, οἱ δὲ αὐτὸν ἐφ' ἑαυτοῦ Πλάγκον, τάδε αὐτὰ συνιδόντα καὶ φυλαζάμενον, μὴ τὴν αἰσίαν Ἀντωνίου καὶ Καίσαρος ἐς ἀλλήλους αἰδῶ Πομπήιος καὶ Κλεοπάτρα Πομπηίῳ συνεργοῦσα ἀνατρέψαιεν.

[145] ἀλλὰ Πομπήιος μὲν ἐτεθνήκει, Ἀντώνιος δὲ αὖθις ἐς Ἀρμενίαν ἐστράτευε, καὶ ὁ Καῖσαρ ἐπὶ Ἰλλυριούς, οἱ τὴν Ἰταλίαν ἐλήστευον, οἱ μὲν οὐχ ὑπακούσαντές πω Ῥωμαίων, οἱ δ' ἐν τοῖς ἐμφυλίοις ἀποστάντες. καὶ μοι ἔδοξε τὰ Ἰλλυρικά, οὔτε ἀκριβῶς γενόμενά μοι γνῶριμα οὔτε συντελοῦντα μῆκος ἰδίας συγγραφῆς οὔτε χώραν ἔχοντα ἐτέρωθι λεχθῆναι, τοῦ χρόνου, καθ' ὃν ἐλήφθησαν, συνάγοντος αὐτὰ ἐς τέλος, προαναγράψαι καὶ ὑποθεῖναι αὐτὰ τῇ ὁμόρῳ Μακεδονικῇ.

ROMAN HISTORY

ἐκ τῆς Βασιλικῆς — CONCERNING THE KINGS

“ἄρχεται τῆς ἱστορίας ἀπὸ Αἰνείου τοῦ Ἀγχίσου τοῦ Κάπυος, ὃς ἐν τῷ Τρωικῷ ἤκμαζε πολέμῳ, μετὰ δὲ τὴν ἄλωσιν τῆς Τροίας ἔφυγε, καὶ μετὰ μακρὰν πλάνην κατέπλει ἔς τινα τῆς Ἰταλίας αἰγιαλόν, Λώρεντον ἐπικαλούμενον, ἔνθα καὶ στρατόπεδον αὐτοῦ δείκνυται, καὶ τὴν ἀκτὴν ἀπ’ ἐκείνου Τροίαν καλοῦσιν. ἦρχε τότε Ἀβοριγίνων τῶν τῆδε Ἰταλῶν Φαῦνος ὁ τοῦ Ἄρεως, ὃς καὶ ζεύγνυσιν Αἰνεῖα τὴν θυγατέρα αὐτοῦ Λαουινίαν, καὶ γῆν δίδωσιν ἐκ περιόδου σταδίων τετρακοσίων. ὁ δὲ πόλιν ἔκτισε καὶ ἀπὸ τῆς γυναικὸς Λαουινίον ἐπωνόμασε. τρίτῳ δὲ ἔτει τοῦ Φαύνου τελευτήσαντος ἐκδέχεται τὴν ἀρχὴν ὁ Αἰνεΐας κατὰ τὸ κῆδος, καὶ τοὺς Ἀβοριγίνας ἀπὸ τοῦ κηδεστοῦ Λατίνου Φαύνου Λατίνους ἐπωνόμασε. τρίτῳ δὲ ἔτει πάλιν διὰ Λαουινίαν τὴν γυναῖκα ὑπὸ Ῥουτούλων τῶν Τυρρηγῶν, προμνηστευθεῖσαν αὐτῶν τῷ βασιλεῖ, ἀναιρεῖται πολέμου νόμῳ ὁ Αἰνεΐας, καὶ τὴν ἀρχὴν διεδέξατο Εὐρυλέων, Ἀσκάνιος μετονομασθεὶς, ὃς ἐγεννήθη τῷ Αἰνεΐᾳ ἐκ Κρεοῦσης τῆς Πριάμου, τῆς ἐν Ἰλίῳ γενομένης αὐτῷ γυναικός. οἱ δὲ ἐκ τῆς Λαουινίας Ἀσκάνιον αὐτῷ γεννηθῆναι φασι, τὸν διάδοχον τῆς ἀρχῆς.

Fragments

“ÆNEAS, the son of Anchises, the son of Capys, flourished in the Trojan war. After the capture of Troy he fled, and after long wandering arrived at that part of the Italian coast called Laurentum, where his camping-place is shown to this day, and that shore is called, after him, the Trojan beach. The Aborigines of this part of Italy were then ruled by Faunus, the son of Mars, who gave to Æneas his daughter Lavinia in marriage, and also a tract of land four hundred stades in circuit. Here Æneas built a town, which he named after his wife, Lavinium. Three years later, at the death of Faunus, Æneas succeeded to the kingdom by virtue of his marriage relationship, and he called the Aborigines Latins, from his father-in-law, Latinus Faunus. Three years later still, Æneas was killed by the Rutuli, a Tuscan tribe, in a war begun on account of his wife Lavinia, who had been previously betrothed to their king. He was succeeded in the government by Euryleon, otherwise called Ascanius, the son of Æneas and Creusa, a daughter of Priam, to whom he had been married in Troy. But some say that the Ascanius who succeeded to the government was the son of Æneas and Lavinia.

[2] Ἀσκανίου δὲ τελευτήσαντος ἔτει τετάρτῳ μετὰ τὴν Ἀλβης οἰκισιν ἔκειτο πόλιν, Ἀλβην καλέσας, καὶ ἀπὸ Λαουινίου τὸν λαὸν μετόπισεν ἐκδέχεται τὴν ἀρχὴν Σίλουιος. καὶ Σιλουίου παῖδα Αἰνεΐαν Σίλουιόν φασιν, Αἰνείου δὲ Λατῖνον Σίλουιον, τοῦ δὲ Κάπυν, Κάπυος δὲ Κάπετον γενέσθαι, Καπέτου δὲ Τιβερίνον, τοῦ δὲ Ἀγρίππαν, τοῦ δὲ Ῥωμύλον. καὶ τόνδε μὲν βληθῆναι κεραυνῷ: οὗ γενέσθαι παῖδα Ἀουεντῖνον, Ἀουεντίνου δὲ Πρόκαν γενέσθαι καὶ πᾶσι δὲ τὸν Σίλουιον ἐπώνυμον εἶναι. τῷ δὲ Πρόκῳ δύο

Suid. vv. ἔνσπονδος et πάρεσις.

[2] Ascanius died four years after the founding of Alba (for he also built a city and gave it the name of Alba, and settled it with a colony from Lavinium),

and Silvius succeeded to the throne. They say that this Silvius had a son named Æneas Silvius, and he a son named Latinus Silvius, and he a son named Capys, and he a son named Capetus, and he a son named Tiberinus, and he a son named Agrippa, who was the father of the Romulus who was struck by lightning, and who left a son Aventinus, who was the father of Procas. All of these bore the surname of Silvius. Procas had two sons, the elder named Numitor, and the younger Amulius. When the elder succeeded to the throne on the death of the father, the younger took it away from him by force and violence. He also killed Egestus, his brother's son, and he made Rhea Silvia, his brother's daughter, a vestal, so that she might remain childless. Notwithstanding a conspiracy against his life, Numitor himself was saved because of the gentleness and clemency of his manners. Silvia having become pregnant contrary to law, Amulius cast her into prison by way of punishment, and when she had given birth to two sons he gave them to some shepherds with orders to throw the babes into the neighboring stream called the river Tiber. These boys were Romulus and Remus. Being of the lineage of Æneas, on their mother's side, for their father's lineage was unknown, they always boasted their descent from the former."

FROM PHOTIUS

"My first book contains the deeds of Rome's seven kings, viz.: Romulus, Numa Pompilius, Tullus Hostilius, Ancus Marcius (a descendant of Numa), Tarquinius, Servius Tullius, and Lucius Tarquinius, a son of the other Tarquinius. The first of these was the founder and builder of Rome, and although he governed it rather as a father than as an absolute monarch, he was nevertheless slain, or, as some think, translated. The second, not less kingly, but even more so than the first, died at the age of . . . The third was struck by lightning. The fourth died of a disease. The fifth was murdered by some shepherds. The sixth lost his life in a similar manner. The seventh was expelled from the city and kingdom for violating the laws. From that time kingly rule came to an end, and the administration of government was transferred to consuls."

FROM PHOTIUS

"Having kept careful watch against her father's return, she (Tarpeia) promises Tatius to betray the garrison."

FROM SUIDAS

"At the command of Tatius they threw pieces of gold at the girl until she succumbed to her wounds and was buried under the heap."

FROM SUIDAS

“When Tatius waged war against Romulus, the wives of the Romans, who were daughters of the Sabines, made peace between them. Advancing to the camp of the parents they held out their hands to them and showed the infant children already born to them and their husbands, and testified that their husbands had done them no wrong. They prayed that the Sabines would take pity on themselves, their sons-in-law, their grandchildren, and their daughters, and either put an end to this wretched war between relatives, or first kill them in whose behalf it was begun. The parents, moved partly by their own difficulties and partly by pity for the women, and perceiving that what the Romans had done was not from lust but necessity, entered into negotiations with them. For this purpose Romulus and Tatius met in the street which was named from this event Via Sacra and agreed upon these conditions: that both Romulus and Tatius should be kings, and that the Sabines who were then serving in the army under Tatius, and any others who might choose to come, should be allowed to settle in Rome on the same terms and under the same laws as the Romans themselves.”

FROM “THE EMBASSIES”

“The general, learning this fact from one of his personal friends, communicated it to Hostilius.”

FROM SUIDAS

“Some blamed him [Tullus Hostilius] because he wrongly staked everything on the prowess of three men (the Horatii).”

FROM SUIDAS

“[The Romans thought] that peace might be made [by Tarquinius] on the terms that the Gabini considered just.”

FROM SUIDAS

“[Tarquinius] bought three books [from the Sibyl] at the price [previously asked] for the nine.”

FROM THE ANONYMOUS GRAMMARIAN

“Horatius [Cocles] was a cripple. He failed of reaching the consulship, either in war or in peace, on account of his lameness.”

FROM SUIDAS

“The Consuls tendered the oaths [by which they bound themselves], and said that they would yield everything rather than take back Tarquinius. (Y.R.

FROM SUIDAS

“Tarquinius incited the Sabines against the Roman people. (B.C. 504) Claudius, an influential Sabine of the town of Regillus, opposed any violation of the treaty, and being condemned for this action, he took refuge in Rome with his relatives, friends, and slaves, to the number of five thousand. To all these the Romans gave a place of habitation, and land to cultivate, and the right of citizenship. Claudius, on account of his brilliant exploits against the Sabines, was chosen a member of the Senate, and the Claudian gens received its name from him.”

FROM PEIRESC (Y.R. 256) (B.C. 498) “The Latins, although allied to the Romans by treaty, nevertheless made war against them. They accused the Romans of despising them, although they were allied to them, and of the same blood.”

“The Volsci, in nowise terrified by the misfortunes of their neighbors, made war against the Romans and laid siege to their colonies.”

FROM SUIDAS

(Y.R. 263) “The people refused to elect Marcius (Coriolanus) when (B.C. 491) he sought the consulship, not because they considered him unfit, but

because they feared his domineering spirit.”

FROM SUIDAS

(Y.R. 265) “Marcius being inflamed against the Romans when they (B.C. 489) banished him went over to the Volsci, meditating no small revenge.”

FROM SUIDAS

(Y.R. 266) “When he arrived there, having renounced his own country (B.C. 488) and kin, he did not meditate anything in particular, but intended to side with the Volsci against his country.”

FROM SUIDAS

“When Marcius had been banished, and had taken refuge with the Volsci, and made war against the Romans, and was encamped at a distance of only four hundred stades from the city, the people threatened to betray the walls to the enemy unless the Senate would send an embassy to him to treat for peace. The Senate reluctantly sent plenipotentiaries for this purpose. When they arrived at the camp of the Volsci and were brought into his presence and that of the Volscian chiefs, they offered oblivion and permission to return to the city if he would discontinue the war, and they reminded him that the Senate had never done him any wrong. He, while accusing the people of the many wrongs they had done to him and to the Volsci, promised nevertheless that the latter would come to terms with them if they would surrender the land and towns they had taken from the Volsci and admit them to citizenship on the same terms as the Latins. But if the vanquished were to keep what belonged to the victors, he did not see how peace could be made. Having named these conditions, he dismissed the ambassadors and gave them thirty days to consider. Then he turned against the remaining Latin towns, and having captured seven of them in the thirty days, he came back to receive the answer of the Romans.

[2] οἱ δὲ ἀπεκρίναντο, ἐὰν ἐκ τῆς Ῥωμαίων γῆς ἀπαγάγῃ τὸν στρατόν, πέμψειν τοὺς συνθησομένους αὐτῷ τὰ πρέποντα. πάλιν δ' ἀντειπόντος ἔπεμπον ἑτέρους δέκα δεησομένους μηδὲν ἀνάξιον ποιεῖν τῆς πατρίδος, μηδ' ἐξ ἐπιτάγματος ἀλλ' ἐκουσίους ἐὰν γίνεσθαι τὰς συνθήκας, αἰδοῦμένον τε τὴν πατρίδα, καὶ τὸ τῶν προγόνων ἀξίωμα τιμῶντα τῶν ἐς αὐτὸν οὐχ ἁμαρτόντων. ὁ δὲ τοσοῦτον αὐτοῖς ἀπεκρίνατο, τριῶν ἄλλων ἡμερῶν ἤκειν βουλευσαμένους τι κάλλιον. οἱ μὲν δὴ τοὺς ἱερέας ἔπεμπον, ταῖς ἱεραῖς ἐσθῆσιν ἐσταλμένους, ταῦτά τοῦ Μαρκίου δεησομένους· ὁ δὲ καὶ τοῦτοις ἔφη δεῖν ἢ τὰ κελεύόμενα ποιεῖν, ἢ μηδ' αὐτὸν ἀφικνεῖσθαι πρὸς αὐτόν. ἐς οὖν πολιορκίαν καθίσταντο, καὶ τὸ τεῖχος ἐπλήρουν λίθων καὶ βελῶν ὥς ἄνωθεν ἀμυνόμενοι Μάρκιον.

[2] They replied that if he would withdraw his army from the Roman territory

they would send an embassy to him to conclude peace on fair terms. When he refused this, they sent ten others to beg him that nothing should be done unworthy of his native country, and to allow a treaty to be made, not by his command, but of their own free will, for he should regard the honor of his country and the principles of his ancestors, who had never done him any wrong. He replied merely that he would give them three days more in order that they might think better of it. Then the Romans sent their priests to him wearing their sacred vestments to add their entreaties. To these he said that either they must obey his commands or they need not come to him again. Then the Romans prepared for a siege and brought stones and missiles upon the walls to fight off Marcius from above.

[3] Οὐαλερία δ' ἡ Ποπλικόλα θυγάτηρ πολλὰς ἀγομένη γυναῖκας ἐπὶ τε τὴν μητέρα τοῦ Μαρκίου Οὐετουρίαν καὶ ἐπὶ τὴν γυναῖκα Οὐολουμνίαν, πένθιμα ἡμφιεσμέναι πᾶσαι, καὶ τὰ παιδιά ταῖς ἱκεσίαις ἐπιφέρουσαι, συνεξελεῖν αὐταῖς πρὸς Μάρκιον ἡξίουσαν αὐτάς, καὶ δεηθῆναι φείσασθαι σφῶν τε αὐτῶν καὶ τῆς πατρίδος. αἱ μὲν δὴ τῆς βουλῆς ἐπιτρεπούσης ἐξῆσαν, μόναι γυναῖκες, ἐς ἔχθρῶν στρατόπεδον· ὁ δὲ Μάρκιος θαυμάζων τῆς εὐτολμίας τὴν πόλιν, οἷα Ῥωμαῖον ἐστὶ καὶ τὰ γύναια, προσιούσαις ἀπήντα, καὶ τὰς ῥάβδους καθήρει καὶ τοὺς πελέκεας διὰ τὴν μητέρα, προσδραμών τε ἡσπάζετο, καὶ ἦγεν ἐπὶ τὸ συνέδριον τῶν Οὐολούσκων, καὶ λέγειν ἐκέλευσεν ὅ τι χρήζοι.

[3] Now Valeria, the daughter of Publicola, brought a company of women to Veturia, the mother of Marcius, and to Volumnia his wife. All these, clad in mourning garments and bringing their children to join in the supplication, implored that they would go out with them to meet Marcius, and beseech him to spare them and their country. The Senate allowed these women to go alone to the camp of the enemy. Marcius admiring the high courage of the city, where even the women were inspired by it, advanced to meet them, sending away the rods and axes of the lictors, out of respect for his mother. He ran forward and embraced her, brought her into the council of the Volsci, and told her to tell what she wanted.

[4] ἡ δὲ συνηδικῆσθαι μὲν ἐξελαυνομένῳ τῆς πόλεως, μήτηρ οὖσα, ἔφη, ὅρᾳν δ' ὅτι Ῥωμαῖοι πολλὰ πρὸς αὐτοῦ πεπόνθασιν ἤδη καὶ τίσιν ἔτισαν ἱκανήν, ὣν χώρα τε τοσαύτη διέφθαρται καὶ πόλεις ἀπολώλασι πολλαί, καὶ τὸ Ῥωμαῖοις ἔσχατον, παρακαλοῦσι καὶ πρέσβεις ἐμπουσιν ὑπάτους καὶ ἱερέας καὶ μητέρα καὶ γυναῖκα, τό τε ἀδίκημα ἰῶνται ἀμνηστία καὶ καθόδῳ. 'σὺ δὲ μὴ ἀνιάτῳ κακῷ τὸ κακὸν ἰῶ, μηδὲ συμφοραῖς ἐπιχειρεῖ κοινᾷς αὐτοῦ τε σοῦ καὶ τῶν ἀδικούντων. ποῖ φέρων οἴσεις τὸ πῦρ; μετὰ τὴν χώραν ἐπὶ τὴν πόλιν; μετὰ τὴν πόλιν ἐπὶ τὴν ἐστίαν τὴν σῆν; μετὰ τὴν ἐστίαν ἐπὶ τὰ ἱερά; δὸς χάριν, ὃ παῖ, κάμοι καὶ τῇ πατρίδι παρακαλούσαις.' ἡ μὲν δὴ τοσαῦτα εἶπεν, ὁ δὲ Μάρκιος οὐκ εἶα πατρίδα καλεῖν τὴν ἐκβαλοῦσαν ἀλλὰ τὴν ὑποδεδεγμένην: οὐδὲν γὰρ εἶναι φίλιον, ἂν ἀδικῇ, οὐδὲ ἐχθρὸν εὖ ποιοῦν: καὶ τὸ τῶν παρόντων ἐκέλευεν ὅρᾳν, πίστιν τε δόντων αὐτῷ καὶ λαβόντων, καὶ πολίτην

πεποιημένων καὶ στρατηγὸν ἀποφηνάντων καὶ τὰ ἴδια ἐπιτρεψάντων. τιμᾶς τε ὅσων ἠξίωτο, καὶ ὅρκους οὓς ὤμοσεν αὐτοῖς, ἐπεξήκει, καὶ παρεκάλει τὴν μητέρα τοῦς αὐτοῦς ἐκεῖνοις τίθεσθαι πολεμίους καὶ φίλους.

[4] She said that, being his mother, she was as much wronged as he in his banishment from the city; that she saw that the Romans had already suffered grievously at his hands, and had paid a sufficient penalty, so much of their territory had been laid waste and so many of their towns demolished, and themselves reduced to the extremity of sending their consuls and priests, and finally his own mother and wife, as ambassadors to him, and offering to rescind the decree and to grant him forgetfulness of the past and a safe return to his home. “Do not,” she said, “cure an evil by an incurable evil. Do not be the cause of calamities that will smite yourself as well as those you injure. Whither do you carry the torch? From the fields to the city? From the city to your own hearthstone? From your own hearthstone to the temples of the gods? Have mercy, my son, on me and on your country as we plead.” After she had thus spoken Marcius replied that the country which had cast him out was not his, but rather the land which had given him shelter. Nothing was dear to him that was unjust, nor was anybody his enemy who treated him well. He told her to cast her eyes upon the men here present with whom he had exchanged the pledge of mutual fidelity, who had granted him citizenship, had chosen him their general, and had intrusted to him their private interests. He mentioned the honors bestowed upon him and the oath he had sworn, and he urged his mother to consider his friends and enemies hers also.

[5] ἡ δὲ ἔτι λέγοντος ἀγανακτήσασα καὶ τὰς χεῖρας ἐς τὸν οὐρανὸν ἀνασχοῦσα, θεοὺς γενεθλίους ἐμαρτύρατο δύο μὲν ἤδη πρεσβείας γυναικῶν ἀπὸ Ῥώμης ἐν μεγάλοις ἐστάλθαι κακοῖς, ἐπὶ Τατίου βασιλέως καὶ Γαΐου Μαρκίου, τούτοις δὲ Τάτιον μὲν, ὄντα ξένον καὶ ἀληθῆ πολέμιον, ἐνδοῦναι ταῖς γυναιξὶν αἰδοῦμενον, Μάρκιον δ' ὑπερορᾶν πρεσβείας γυναικῶν τοσῶνδε, καὶ τῆς γεγαμημένης καὶ μητρὸς ἐπὶ ταῦταις. ‘ἄλλη μὲν οὖν,’ ἔφη, ‘μηδεμία μήτηρ, ἀτυχοῦσα παιδός, ἐς ἀνάγκην ἀφίκοιτο προσπεσεῖν αὐτῇ: ἐγὼ δὲ καὶ τοῦτο ὑφίσταμαι: προκυλίσομαί σου.’ καὶ λέγουσα ἐς τὸ ἔδαφος ἑαυτὴν ἐρρίπτει. ὁ δὲ ἐδάκρυσέ τε καὶ ἀνεπήδα καὶ ἀντείχετο αὐτῆς, ὑπὸ τε τοῦ πάθους ἐξεφώνησε, ‘νικᾷς, ὦ μήτερ, ἀλλὰ νίκην ἐξ ἧς τὸν υἱὸν ἀπολεῖς.’ ταῦτα εἰπὼν ἀπῆγε τὴν στρατιὰν ὥς λόγον ἀποδώσων Οὐολούσκους καὶ τὰ ἔθνη συναλλάζων: ἐλπίς τε ἦν ὅτι καὶ ταῦτα πείσει Οὐολούσκους. κατελεύσθη δὲ φθονούμενος παρὰ τοῦ στρατηγοῦ Ἀττίου.”

“ὁ δὲ Μάρκιος ἀντιλέγειν μὲν πρὸς οὐδὲ ἐν αὐτῶν ἐδικαίου.”

“τῷ δὲ στρατηγῷ στρατὸς ἦν δυσπειθής ὑπὸ μνησικακίας, ἐθελοκάκως τε ἠγωνίζοντο, καὶ ἔφευγον ἐπιδησάμενοι τὰ σώματα ὡς τετρωμένοι, καὶ τὰς σκηνὰς διέλυον, καὶ ἀναχωρεῖν ἐπεχείρουν, ἀπειρίαν ἐπικαλοῦντες τῷ στρατηγῷ.”

“ὅτι σημειῶν γενομένων ἐκ Διὸς ἀηδῶν μετὰ τὴν Οὐηιεντίας ἄλῳσιν, οἱ μάντιες ἔλεγον ἐκλειφθῆναί τινα πρὸς εὐσέβειαν, καὶ ὁ Κάμιλλος ἀνήνεγκεν ὅτι τὴν δεκάτην τῆς λείας ἐκλάθοιτο τῷ θεῷ τῷ χρήσαντι περὶ τῆς λίμνης ἐξελέσθαι. ἡ μὲν οὖν βουλὴ τοὺς λαβόντας ὅτιοῦν ἐκ τῆς Οὐηιέντης ἐκέλευσεν ἀποτιμήσασθαι καθ’ αὐτοὺς καὶ σὺν ὄρκῳ τὸ δέκατον εἰσενεγκεῖν, ὑπὸ δὲ εὐσεβείας οὐκ ὤκνησε καὶ τῆς γῆς ἤδη πεπραμένης, ὡς λαφύρου, τὸ δέκατον ἀναθεῖναι. κρατήρ τε ἀπὸ τῶνδε τῶν χρημάτων ἐν Δελφοῖς ἔκειτο χρύσεος ἐπὶ χαλκῆς βάσεως ἐν τῷ Ῥωμαίων καὶ Μασσαλιητῶν θησαυρῷ, μέχρι τὸν μὲν χρυσὸν Ὀνόμαρχος ἐν τῷ Φωκιῷ πολέμῳ κατεχώνευσεν, κεῖται δ’ ἡ βάσις.

[5] While he was still speaking, she, in a burst of anger, and holding her hands up to heaven, invoked their household gods. “Two processions of women,” said she, “have set forth from Rome in the deepest affliction, one in the time of King Tatius, the other in that of Gaius Marcius. Of these two Tatius, a stranger and downright enemy, had respect for the women and yielded to them. Marcius scorns a like delegation of women, including his wife, and his mother besides. May no mother, unblessed in her son, ever again be reduced to the necessity of throwing herself at his feet. This I must submit to. I must prostrate myself before yours.” So speaking she flung herself on the ground. He burst into tears, sprang forward and lifted her up, exclaiming with the deepest emotion: “Mother, you have gained the victory, but it is a victory by which you have lost your son.” So saying he led back the army, in order to give his reasons to the Volsci and to make peace between the two nations. There was some hope that he might be able to persuade the Volsci, but on account of the jealousy of their leader Attius he was put to death.”

FROM “THE EMBASSIES”

“Marcius did not think proper to gainsay either of these [demands].”

FROM SUIDAS

(Y.R. 275) “(The Fabii) were as much to be pitied for their misfortunes (B.C. 479) as they were worthy of praise for their bravery. For it was a great

misfortune to the Romans, on account of their number, the dignity of a noble house, and its total destruction. The day on which it happened was ever after considered unlucky.”

FROM SUIDAS

(Y.R. 283) “The army was incensed against the general (Appius Claudius) (B.C. 471) from remembrance of old wrongs, and refused to obey him. They fought badly on purpose, and took to flight, putting bandages on their bodies as though they were wounded. They broke up camp and tried to retreat, putting the blame on the unskilfulness of their commander.”

FROM SUIDAS

“Bad omens from Jupiter were observed after the capture of Veii. The soothsayers said that some religious duty had (Y.R. 359) been neglected, and Camillus remembered that it had been (B.C. 395) forgotten to appropriate a tenth of the plunder to the god that had given the oracle concerning the lake. Accordingly the Senate decreed that those who had taken anything from Veii should make an estimate, each one for himself, and bring in a tenth of it under oath. Their religious feeling was such that they did not hesitate to add to the votive offering a tenth of the produce of the land that had already been sold, as well as of the spoils. With the money thus obtained they sent to the temple of Delphi a golden cup which stood on a pedestal of brass in the treasury of Rome and Massiliat until Onomarchus melted the cup during the Phocæan war. The pedestal is still standing. (Y.R. 363)

[2] αὐτὸν δὲ Κάμιλλον ἐν τῷ δήμῳ τις ἐδίδωκεν ὡς αἴτιον γεγονότα τῇ πόλει φασμάτων καὶ τεράτων χαλεπῶν, καὶ ὁ δῆμος ἐκ πολλοῦ τὸν ἄνδρα ἀποστρεφόμενος ἐζημίωσε πεντήκοντα μυριάσιν, οὐκ ἐπικλασθεὶς οὐδ’ ὅτι πρὸ τῆς δίκης αὐτῷ παῖς ἐτεθνήκει. τὰ μὲν οὖν χρήματα οἱ φίλοι συνεισήνεγκαν, ἵνα μὴ ὑβρισθῇ τὸ σῶμα τοῦ Καμίλλου· αὐτὸς δὲ βαρυθυμῶν ἐς τὴν Ἀρδεατῶν πόλιν μετόκησεν, εὐξάμενος τὴν Ἀχίλλειον εὐχὴν, ἐπιποθῆσαι Ῥωμαίους Κάμιλλον ἐν καιρῷ. καὶ ἀπήντησεν αὐτῷ καὶ τότε οὐ πολὺ ὕστερον· Κελτῶν γὰρ τὴν πόλιν καταλαβόντων ὁ δῆμος ἐπὶ Κάμιλλον κατέφυγε καὶ δικτάτορα αὐθις εἵλετο, ὡς ἐν ταῖς Κελτικαῖς πράξεσι συγγέγραπται.”

[2] Camillus was afterwards accused before the people of (B.C. 391) being himself the author of those bad omens and portents. The people, who had been for some time set against him, fined him heavily, having no pity for him although he had recently lost a son. His friends contributed the money in order that the person of Camillus might not be disgraced. In deep grief he went into exile in the city of Ardea, praying the prayer of Achilles that the time might come when the Romans would long for Camillus. And in fact this came (Y.R. 365) to pass very soon, for when the Gauls captured the city, the (B.C. 389) people fled for succor to Camillus and again chose him Dictator, as has been told in my Gallic history.”

FROM PEIRESC

“When Marcus Manlius, the patrician, saved the city of Rome from a Gallic invasion, he received the highest honors. (Y.R. 370) At a later period when he saw an old man, who had often (B.C. 384) fought for his country, reduced to servitude by a money lender, he paid the debt for him. Being highly commended for this act, he released all his own debtors from their obligations. His glory being much increased thereby, he paid the debts of many others. Being much elated by his popularity, he even proposed that all debts should be cancelled, or that the people should sell the lands that had not yet been distributed and apply the proceeds for the relief of debtors.”

ἐκ τῆς Σαυνιτικῆς — THE SAMNITE HISTORY

“ὅτι οἱ Ῥωμαίων στρατηγοὶ Κορνήλιος καὶ Κορουῖνος, καὶ Δέκιος δημότης, Σαυνίτας νικήσαντες ὑπέλιπον Καμπανοῖς φύλακας πρὸς τὰς Σαυνιτῶν ἐπιδρομάς. οἱ δὲ φύλακες οἶδε Καμπανοῖς ἀβροδιαίτοις καὶ πολυτελέσιν οὔσι κοινωνοῦντες ἐφθείροντο τὰς γνώμας, καὶ ἐφθόνουν ὧν ἔχουσιν ἀγαθῶν, αὐτοὶ πενόμενοι καὶ τὰ χρέα δεδιότες τὰ ἐν Ῥώμῃ. τέλος δὲ ἐπεβούλευον τοὺς ξένους ἑαυτῶν ἀνελόντες ἕκαστοι τὴν περιουσίαν κατασχεῖν καὶ τὰς γυναῖκας ἐς γάμον προσαγαγέσθαι. καὶ τάχα ἂν ἔπραξαν αἰσχρὸν οὕτω μύσος, εἰ μὴ Μάμερκος, ἕτερος Ῥωμαίων στρατηγός, ἐπὶ Σαυνίτας ὁδεύων ἔμαθε τὸ βούλευμα τῶν φυλάκων, καὶ ἐπικρύψας τοὺς μὲν αὐτῶν ἐξώπλισε καὶ ἀφῆκεν οἷα κεκμηκότας, τοὺς δὲ πονηροτέρους ἐκέλευσεν ἐς Ῥώμην ἐπὶ τινα χρεῖαν ἐπείγεσθαι, χιλιάρχον τε αὐτοῖς συνέπεμψεν, ᾧ εἴρητο ἀφανῶς αὐτοὺς φυλάσσειν. ἑκάτεροι δ’ ὑπώπτευν μεμνηῦσθαι, καὶ περὶ Ταρρακίνην ἀφίστανται τε τοῦ χιλιάρχου, καὶ τοὺς ἐπὶ τῶν ἔργων ἐν τοῖς ἀγροῖς δεδεμένους ἐκλύσαντες, καὶ ὀπλίσαντες ὡς ἐδύναντο, ἤλαυνον ἐς Ῥώμην ὁμοῦ δισμῦριοι γεγονότες.

Fragments

(Y.R. 411) “WHEN the Roman generals Cornelius and Corvinus, and (B.C. 343) the plebian Decius, had overcome the Samnites they left a military guard in Campania to ward off the Samnite incursions. These guards, partaking of the luxury and profuseness of the Campanians, were corrupted in their habits and began to envy the riches of these people, being themselves very poor and owing alarming debts in Rome. Finally they took counsel among themselves to kill their entertainers, seize their property, and marry their wives. This infamy would perhaps have been carried out at once, had not the new general Mamercus, who was marching against the Samnites, learned the design of the Roman guard. Concealing his intentions, he disarmed some of them and dismissed them, as soldiers entitled to discharge for long service. The more villanous ones he ordered to Rome on the pretence of important business, and he sent with them a military tribune with orders to keep a secret watch over them. Both parties of soldiers suspected that their design had leaked out, and they broke away from the tribune near the town of Terracina. They set free all those who were working under sentence in the fields, armed them as well as they could, and marched to Rome to the number of about 20,000. (Y.R. 412)

[2] About one day's march from the city they were met by Corvinus who went into camp near them on the Alban mount. He remained quietly in his camp

while investigating what the matter was, and did not consider it wise to attack these desperadoes. The men mingled with each other privately, the guards acknowledging with groans and tears, as among relatives and friends, that they were to blame, but declaring that the cause of it all was the debts they owed at (B.C. 342) Rome. When Corvinus understood this he shrank from the responsibility of so much civil bloodshed and advised the Senate to release these men from debt. He exaggerated the difficulty of the war if it should be necessary to put down such a large body of men, who would fight with the energy of despair. He had strong suspicions also of the result of the meetings and conferences, lest his own army, who were relatives of these men and not less oppressed with debt, should be to some extent lacking in fidelity. If he should be defeated he said that the dangers would be greatly increased; if victorious, the victory itself would be most lamentable to the commonwealth, being gained over so many of their own relatives. The Senate was moved by his arguments and decreed a cancellation of debts to all Romans, and immunity also to these revolters. The latter laid down their arms and returned to the city.”

FROM PEIRESC

(Y.R. 414) “Such was the bravery of the consul Manlius Torquatus. (B.C. 340) He had a penurious father who did not care for him, but kept him at work with slaves in the fields and left him to partake of their fare. When the tribune Pomponius prosecuted him for numerous misdeeds and thought to mention among others his bad treatment of his son, young Manlius, concealing a dagger under his clothes, went to the house of the tribune and asked to see him privately as though he had something of importance to say about the trial. Being admitted, and just as he was beginning to speak, he fastened the door and threatened the tribune with instant death if he did not take an oath that he would withdraw the accusation against his father. The latter took the oath, dismissed the accusation, and explained the reason to the people. Manlius acquired great distinction from this affair, and was praised for being such a son to such a father.”

FROM PEIRESC

“With jeers he challenged him to single combat. The other [Manlius, the consul’s son] restrained himself for a while; but when he could no longer endure the provocation, he dashed on his horse against him.”

FROM SUIDAS

(Y.R. 432) “While the Samnites were raiding and plundering the territory (B.C. 322) of Fregellæ, the Romans captured eighty-one villages belonging to the Samnites and the Daunii, slew 21,000 of their men, and drove them out of

the Fregellian country. Again the Samnites sent ambassadors to Rome bringing the dead bodies of the men whom they had executed as guilty of causing the war, and also gold taken from their store. Wherefore the Senate, thinking that they had been utterly crushed, expected that a people who had been so sorely afflicted would concede the supremacy of Italy. The Samnites accepted the other conditions, or if they disputed any, they either entreated and begged for better terms, or referred the matter to their cities. But as to the supremacy, they could not bear even to hear anything on that subject, because, they said, they had not come to surrender their towns, but to cultivate friendship. Accordingly they used their gold in redeeming prisoners, and went away angry and resolved to make trial for the supremacy hereafter. Thereupon the Romans voted to receive no more embassies from the Samnites, but to wage irreconcilable, implacable war against them until they were subjugated by force. (Y.R. 433)

[2] καὶ Ῥωμαῖοι μὲν ἐψηφίζοντο μηδὲ πρεσβείας ἔτι παρὰ Σαυνιτῶν προσίεσθαι, ἀλλ' ἄσπονδον καὶ ἀκήρυκτον πόλεμον αὐτοῖς πολεμεῖν ἕως κατὰ κράτος ἐξέλωσι, θεὸς δ' ἐνεμέσῃσεν τῆς μεγαληγορίας, καὶ ὕστερον ἡττήθησαν ὑπὸ Σαυνιτῶν καὶ ὑπὸ ζυγὸν ἤχθησαν οἱ Ῥωμαῖοι. ἐς γὰρ στενωτάτων χῶρον τούτους συγκλείσαντες οἱ Σαυνῖται τοῦ Ποντίου σφῶν στρατηγούντος, καὶ λιμῷ πιεζομένων Ῥωμαίων, οἱ στρατηγοὶ σφῶν πρεσβευσάμενοι παρεκάλουν τὸν Πόντιον καταθέσθαι Ῥωμαίοις χάριν, ἣν οὐ πολλοὶ παρέχουσι καιροί. ὁ δὲ ἀπεκρίνατο μὴ δεῖν μηδὲ πρεσβεύειν ἔτι πρὸς αὐτόν, εἰ μὴ τὰ ὅπλα καὶ αὐτοὺς παραδοῖεν. θρήνος οὖν ἦν οἷα πόλεως ἀλούσης. καὶ οἱ στρατηγοὶ διέτριψαν μὲν ἔτι ἄλλας ἡμέρας, ὁκνοῦντες ἀνάξιόν τι τῆς πόλεως ἐργάσασθαι· ὥς δ' οὔτε μηχανὴ σωτηρίας ἐφαίνετο, ὃ τε λιμὸς ἐπίεζεν αὐτούς, καὶ νεότης ἦν πέντε μυριάδων, ἣν ὥκνουσιν φθειρομένην ὑπεριδεῖν, ἐπέτρεψαν ἑαυτοὺς τῷ Ποντίῳ, καὶ παρεκάλουν, εἴτε κτείνειν εἴτε πωλεῖν εἴτε φυλάσσειν ἐπὶ λύτροις ἔλοιτο, μηδὲν ἐς σώματα ἀνδρῶν ἀτυχούντων ὑβρίσαι.

[2] A god humbled this haughty spirit, for soon afterwards the Romans were defeated by the Samnites and compelled to pass under the yoke. The Samnites, under their general Pontius, having shut the Romans up in a defile where they were oppressed by hunger, the consuls sent messengers to him and begged that he should win the gratitude of the Romans, such as not many opportunities offer. He replied that they need not send any more messengers to him unless they were prepared to surrender their arms and their persons. There-upon a lamentation was raised as though a city had been captured, and the consuls delayed several days longer, hesitating to do an act unworthy of Rome. But when no means of rescue appeared and famine became severe, there being 50,000 young men in the defile whom they could not bear to see perish, they surrendered to Pontius and begged him either to kill them, or to sell them into slavery, or to keep (B.C. 321) them for ransom, but not to put any stigma of shame upon the persons of the unfortunate.

[3] ὁ δὲ τῷ πατρὶ συνεβουλεύετο, μεταπεμψάμενος αὐτὸν ἐκ τοῦ Καυδίου, φερόμενον ὑπὸ γήρωσ ἀμάξῃ. καὶ ὁ πρεσβύτης ἔφη, ‘ἐν ἔστιν, ὦ παῖ, μεγάλης ἔχθρας φάρμακον, εὐεργεσίας ἢ κολάσεως ὑπερβολή. αἱ μὲν οὖν κολάσεις καταπλήσσουσιν, αἱ δὲ εὐεργεσίαι προσάγονται. ἴσθι νίκην τήνδε πρώτην καὶ μεγίστην, θησαυρίζειν τὴν εὐτυχίαν· καὶ πάντας ἀπόλυσον ἀπαθεῖς, μήτ’ ἐνυβρίσας μήτ’ ἀφελόμενος μηδέν, ἵνα σῶον ἦ σοι τὸ μέγεθος τῆς εὐεργεσίας. εἰσὶ δ’, ὡς ἀκούω, φιλοτιμότατοι. ἀλλὰ μόναις εὐεργεσίαις ἠττώμενοι διαγωνιοῦνταί σοι περὶ τῆσδε τῆς χάριτος. ἔχεις ἐνέχυρον τήνδε τὴν εὐεργεσίαν εἰρήνης ἀθανάτου λαβεῖν. ἦν δέ σε ταῦτα μὴ πείθῃ, κτεῖνον ἅπαντας ὁμαλῶς, μηδ’ ἄγγελον ὑπολιπόν. λέγω δ’ ἐκεῖνα μὲν αἰρούμενος, ταῦτα δ’ ὡς ἀναγκαῖα. Ῥωμαῖοι γὰρ ὅτιοι ὕβρισθέντες ἀμννοῦνται σε πάντως· ἀμννεῖσθαι δὲ μέλλοντας αὐτοὺς προκατάβλαπτε. μῆζον δ’ οὐκ ἂν εὔροις βλάβος νέων ὁμοῦ πέντε μυριάδων.’

[3] Pontius took counsel with his father, sending to Caudium to fetch him in a carriage on account of his age. The old man said to him: “My son, for a great enmity there is but one cure, — either extreme generosity or extreme severity. Severity terrifies, generosity conciliates. Regard this first and greatest victory as a treasure-house of good fortune. Release them all without punishment, without shame, without loss of any kind, so that the greatness of the benefit may inure to your advantage. I hear that they are very sensitive on the subject of their honor. Vanquished by benefits only, they will strive to surpass you in deeds of kindness. It is in your power to attain this state of kindly action as a security for everlasting peace. If this does not suit you, then kill them to the last man, not sparing one to carry the news. I advise as my choice the former, otherwise the latter is a necessity. The Romans will avenge themselves inevitably for any shame you put upon them. In that case you should strike the first blow and you will never deal them a heavier one than the slaughter of 50,000 of their young men at one time.”

[4] ὁ μὲν τοσαῦτα εἶπεν, ὁ δὲ παῖς ἀντέλεξεν: ‘ὅτι μὲν, ὦ πάτερ, ἐναντιώτατα εἶπας ἀλλήλοις, οὐ θαυμάζω: προεῖπας γὰρ ἐρεῖν ὑπερβολὰς ἐκατέρων. ἐγὼ δὲ οὐ κτενῶ μὲν ἄνδρας τοσοῦτους, νέμεσίν τε θεοῦ φυλασσόμενος καὶ φθόνον ἀνθρώπων αἰδούμενος, καὶ τὰ ἔθνη τὰς ἐς ἀλλήλους ἐλπίδας οὐκ ἀφαιρήσομαι δι’ ἀνηκέστου κακοῦ. περὶ δὲ τῆς ἀφέσεως οὐδ’ αὐτῷ μὲν μοι δοκεῖ, Ῥωμαίων πολλὰ καὶ δεινὰ δεδρακότων ἡμᾶς, καὶ χωρία καὶ πόλεις ἡμετέρας ἔτι νῦν ἐχόντων, τούσδε τοὺς εἰλημμένους ἀπολύειν παντὸς ἀπαθεῖς. οὐ ποιήσω: ἐμπληξία γὰρ ἢ ἄλογος φιλανθρωπία. ἐπισκόπει δέ, παρεῖς ἐμέ, καὶ τὸ τῶν Σαυνιτῶν: ὧν παῖδες καὶ πατέρες καὶ ἀδελφοὶ τεθνᾶσιν ὑπὸ Ῥωμαίων, καὶ κτήματα καὶ χρήματα ἀφηρημένοι χρήζουσι παραμυθίας: φύσει δὲ γαῦρον ὁ νενικηκώς, καὶ τὰ κέρδη περιβλέπονται. τίς οὖν ἀνέξεται μου τούσδε μὴ κτείνειν μηδὲ πωλεῖν μηδὲ ζημιοῦν, ἀλλ’ ὡς εὐεργέτας ἀπαθεῖς προπέμπειν; διὰ μὲν δὴ ταῦτα παρῶμεν τὰς ὑπερβολὰς, ἐπεὶ τῆς μὲν οὐ κύριος ἐγώ, τῆς δ’ ἀπανθρωποτέρας οὐκ ἀνέχομαι: ὡς δ’ ἂν καὶ Ῥωμαίων τι τοῦ φρονήματος περιέλοιμι καὶ τὰ πρὸς τοὺς ἄλλους ἀδιάβλητος εἶην, ὅπλα μὲν

αὐτοῦς, οἷς ἐχρήσαντο ἀεὶ καθ' ἡμῶν, ἀφαιρήσομαι καὶ χρήματα 'καὶ γὰρ ταῦτα ἔχουσι παρ' ἡμῶν, ἐκπέμψω δ' ὑπὸ ζυγὸν σώους, ἢ τινὶ αἰσχύνῃ καὶ αὐτοὶ κατ' ἄλλων ἐχρήσαντο, καὶ εἰρήνην εἶναι τοῖς ἔθνεσι συνθήσομαι, τῶν τε ἱπέων ἐπιλέξομαι τοὺς ἐπιφανεστάτους ὁμηρα τῶνδε τῶν συνθηκῶν, ἕως ἅπας ὁ δῆμος ἐπισηφίσῃ. καὶ τάδε ποιῶν ἡγοῦμαι νενικηκότος τε ἔργα ποιήσειν καὶ φιλανθρώπου, Ῥωμαίους τε ἀγαπήσειν ὅσα καὶ αὐτοί, φάσκοντες ἀρετῆς ἀντιποιεῖσθαι, πολλάκις ἐς ἄλλους ἔδρασαν.'

[4] When he had thus spoken his son answered: "I do not wonder, father, that you have suggested two plans absolutely opposed to each other, for you said in the beginning that you should propose extreme measures of one kind or the other. But I cannot put such a large number of men to death. I should fear the vengeance of a god and the opprobrium of mankind. Nor can I take away from the two nations all hope of mutual accommodation by doing an irreparable wrong. As to releasing them I myself do not approve of that. After the Romans have inflicted so many evils upon us and while they hold so many of our fields and towns in their possession to this day, it is impossible to let these captives go scot free. I shall not do that. Such unreasonable leniency is insanity. Now look at this matter, leaving me out of the account. The Samnites, whose sons, fathers, and brothers have been slain by the Romans, and who have lost their goods and money, want satisfaction. A victor is naturally a haughty creature and our men are greedy of gain. Who then will endure that I should neither kill, nor sell, nor even fine these prisoners, but dismiss them unharmed like meritorious persons? Therefore let us discard the two extremes — the one because it is not in my power, the other because I cannot be guilty of such inhumanity. Yet, in order to humble the pride of the Romans to some extent, and to avoid the censure of others, I will take away the arms they have always used against us, and also their money (for even their money they get from us). Then I will make them pass safe and sound under the yoke, this being the mark of shame they are accustomed to put upon others. Then I will establish peace between the two nations and select the most illustrious of their knights as hostages for its observance until the entire people ratify it. In this way I think I shall have accomplished what belongs to a victor and to a humane man. I think also that the Romans themselves will be content with these terms, which they, who lay claim to such excellence of character, have often imposed upon others."

[5] ταῦτα τοῦ Ποντίου λέγοντος ὁ πρεσβύτερος ἐδάκρυσέ τε, καὶ ἐπιβὰς τῆς ἀπῆνης ἐς τὸ Καῦδιον ἀπήλauen. ὁ δὲ Πόντιος τοὺς πρέσβεις καλέσας ἤρετο εἴ τις εἰρηνοδίκης αὐτοῖς παρείη. τοῖς δὲ παρῆν οὐδεὶς ὥς ἐπὶ ἄσπονδον καὶ ἀκήρυκτον πόλεμον ἐστρατευκόσι. τοῖς οὖν ὑπάτοις καὶ τοῖς ἄλλοις ἄρχουσι τῆς στρατιᾶς καὶ παντὶ τῷ πλήθει λέγειν ἐκέλευε τοὺς πρέσβεις, 'ἡμεῖς ἀεὶ Ῥωμαίοις ἐσπενδόμεθα φιλίαν, ἣν αὐτοὶ διελύσατε, Σιδικηνοῖς τοῖς ἡμετέροις ἐχθροῖς συμμαχοῦντες. εἴτ' αὐθις αὖ φιλίας ἡμῖν γενομένης, Νεαπολίταις ἐπολεμεῖτε τοῖς ἡμετέροις γείτοσιν. καὶ οὐκ ἡγνοοῦμεν ὅτι ταῦτ' ἦν ὑμῖν

[5] While Pontius was speaking the old man burst into tears, then seated himself in his carriage and went back to Caudium. Pontius then summoned the Roman envoys and asked them if they had any fetial priest with them. There was none present because the army had marched to undertake an irreconcilable, implacable war. Accordingly he commanded the envoys to make this announcement to the consuls and other officers of the army and to the whole multitude: "We had concluded perpetual friendship with the Romans, which you yourselves violated by giving aid to the Sidicini, our enemies. When peace was concluded again, you made war upon the Neapolitans, our neighbors. Nor did it escape us that these things were part of a plan of yours to seize the dominion of all Italy. In the first battles, where you gained the advantage on account of the unskilfulness of our generals, you showed us no moderation. Not content with devastating our country and occupying towns and villages not your own, you planted colonies in them. Moreover, when we twice sent embassies to you and made many concessions, you treated us disdainfully, and demanded that we should yield you the supremacy and obey you, as though we were not a nation to make terms with but a conquered race. Thereupon you decreed this irreconcilable, implacable war against your former friends, descendants of the Sabines whom you made your fellow-citizens. On account of your insatiable cupidity we ought not to make a treaty with you. But I, having regard for the divine wrath (which you despised), and mindful of our former relationship and friendship, will permit each one of you to pass under the yoke safe and sound with the clothes you stand in, if you swear to give up all of our lands and strongholds and withdraw your colonies from the same, and never wage war against the Samnites again."

[6] ἀπαγγελλθέντων δὲ τούτων ἐς τὸ στρατόπεδον ὀλοφυρμὸς ἦν καὶ θρήνος ἐπὶ πλεῖστον: θανάτου γὰρ ἡγούντο εἶναι χεῖρονα τὴν ὕβριν τὴν ὑπὸ τῷ ζυγῷ. ὥς δὲ καὶ περὶ τῶν ἱππέων ἐπύθοντο, αὐθις ἐθρήνουν ἐπὶ πλεῖστον. ὑπὸ δὲ

ἀπορίας αὐτὰ ἐδέχοντο, καὶ τοὺς ὄρκους ὤμνουν ὃ τε Πόντιος καὶ οἱ Ῥωμαίων ὕπατοι, δύο ὄντες Ποστούμιος τε καὶ Οὐετούριος, καὶ ταμιαὶ δύο καὶ ταξιάρχαι τέσσαρες καὶ χιλιάρχοι δώδεκα, σύμπαντες ὅσοι μετὰ τοὺς διεφθαρμένους ἦρχον. γενομένων δὲ τῶν ὄρκων ὁ μὲν Πόντιος παραλύσας τι τοῦ διατειχίσματος, καὶ δυσὶ δόρασιν ἐς τὴν γῆν ἐμπεπηγόσιν ἐπικάρσιον ἄλλο ἐπιθείς, ἐξέπεμπε Ῥωμαίων ἕκαστον ὑπὸ τούτῳ. καὶ τινα ὑποζύγια ἔδωκεν αὐτοῖς ἐς τοὺς ἀρρωστοῦντας, καὶ τροφήν, ἄχρι τῆς Ῥώμης φέρεσθαι. δύναται δ', ἐμοὶ δοκεῖν, τὸ εἶδος τῆς ἀφέσεως, ὃ καλοῦσιν οἱ τῇδε ζυγόν, ὀνειδίζειν ὡς δοριαλώτοις.

[6] When these terms were communicated to the camp there was wailing and lamentation, long and loud, for they considered the disgrace of passing under the yoke worse than death. Afterwards, when they heard about the knights who were to be held as hostages, there was another long lament. Yet they were compelled by want to accept the conditions. Accordingly they took the oaths, Pontius on the one side, and the two consuls, Postumius and Veturius, on the other, together with two quæstors, four division commanders, and twelve tribunes, — all the surviving officers. When the oaths had been taken, Pontius opened a passage from the defile, and having fixed two spears in the ground and laid another across the top, caused the Romans to go under it as they passed out, one by one. He also gave them some animals to carry their sick, and provisions sufficient to bring them to Rome. This method of dismissing prisoners, which they call sending under the yoke, seems to me to serve only to insult the vanquished.

[7] ἀπαγγεληθείσης δὲ τῆς συμφορᾶς ἐς τὴν πόλιν οἰμωγὴ καὶ θρήνος ἦν ὡς ἐπὶ πένθει, καὶ αἱ γυναῖκες ἐκόπτοντο τοὺς αἰσχυρῶς περισεσωσμένους ὡς ἀποφανόντας, ἥ τε βουλὴ τὴν ἐπιτόρφυρον ἐσθῆτα ἀπέθετο, καὶ θυσαίαι καὶ γάμοι, καὶ ὅσα ἄλλα τοιοῦτότροπα, ἐπέσχετο ἐπὶ τὸ ἔτος ὅλον, ἕως τὴν συμφορὰν ἀνέλαβον. τῶν δὲ ἀφειμένων οἱ μὲν ἐς τοὺς ἀγροὺς διέφευγον ὑπὸ αἰδοῦς, οἱ δὲ νυκτὸς ἐς τὴν πόλιν ἐσήεσαν: οἱ δὲ ἄρχοντες ἡμέρας μὲν ἐσηλθον ὑπ' ἀνάγκης, καὶ τὰ σημεῖα τῆς ἀρχῆς ἐπέκειτο αὐτοῖς, ἔπρασσον δὲ οὐδέν."

“Δεντάτω κατὰ ζῆλον ἀρετῆς εἶπετο νεων λογάδων πλῆθος ὀκτακοσίων, ἐπὶ πάντα τὰ ἔργα ἔτοιμοι. καὶ βαρὺς ἦν τῇ βουλῇ παρὰ τὰς ἐκκλησίας.”

Suid. v. ζῆλος.

“ὅτι Κελτῶν Σενόνων πολὺ πλῆθος Τυρρηνοῖς συνεμάχουν κατὰ Ῥωμαίων. Ῥωμαῖοι δὲ ἐς τὰς Σενόνων πόλεις ἐπρέσβευον, καὶ ἐνεκάλουν ὅτι ὄντες ἔνσπονδοι μισθοφοροῦσι κατὰ Ῥωμαίων. τούσδε τοὺς πρέσβεις Βριτόμαρις μετὰ τῶν κηρυκείων καὶ τῆς ἱερᾶς στολῆς κατέτεμεν ἐς πολλὰ καὶ διέρριπεν, ἐγκαλῶν ὅτι αὐτοῦ ὁ πατήρ ἐν Τυρρηνίᾳ πολεμῶν ἀνήρητο ὑπὸ Ῥωμαίων.

Κορνήλιος δὲ ὁ ὑπατος τοῦ μύσου ἐν ὁδῷ πυθόμενος τὰ μὲν Τυρρηγῶν εἶσεν, ἐς δὲ τὰς Σενόνων πόλεις συντόνῳ σπουδῇ διὰ Σαβίνων καὶ Πικεντίνων ἐσβαλὼν πάντα καθήρει καὶ ἐνεπίμπρη, καὶ τὰς μὲν γυναῖκας καὶ τὰ παιδιά ἡνδραποδίζετο, τοὺς δὲ ἡβῶντας πάντας ἔκτεινε, πλὴν Βριτομάριος, ὃν δεινῶς αἰκισάμενος ἤγεν ἐς τὸν θρίαμβον.

[7] When the news of this calamity reached the city there was wailing and lamentation like a public mourning. The women mourned for those who had been saved in this ignominious way as for the dead. The senators discarded their purple-striped tunics. Feasts, marriages, and everything of that kind were prohibited for a whole year, until the calamity was retrieved. Some of the returning soldiers took refuge in the fields for shame, others stole into the city by night. The consuls entered by day according to law, and they wore their usual insignia, but they exercised no further authority.”

FROM “THE EMBASSIES”

(Y.R. 464) “On account of admiration for his bravery a multitude of (B.C. 290) chosen youths numbering eight hundred were in the habit of following Dentatus, ready for anything. This was an embarrassment to the Senate at their meetings.”

FROM SUIDAS

(Y.R. 471) “Once a great number of the Senones, a Celtic tribe, aided (B.C. 283) the Etruscans in war against the Romans. The latter sent ambassadors to the towns of the Senones and complained that, while they were under treaty stipulations, they were furnishing mercenaries to fight against the Romans. Although they bore the caduceus, and wore the garments of their office, Britomaris cut them in pieces and flung the parts away, alleging that his own father had been slain by the Romans while he was waging war in Etruria. The consul Cornelius, learning of this abominable deed while he was on the march, abandoned his campaign against the Etruscans, dashed with great rapidity by way of the Sabine country and Picenum against the towns of the Senones, and devastated them with fire and sword. He carried their women and children into slavery, and killed all the adult youth except a son of Britomaris, whom he reserved for awful torture, and led in his triumph.

[2] οἱ δὲ Σενόνων, ὅσοι ἦσαν ἐν Τυρρηνίᾳ, πυθόμενοι ἀνηρῆσθαι, Τυρρηνοὺς ἤγον ἐπὶ Ρώμῃς. καὶ πολλῶν μεταξὺ γενομένων οἱ Σένονες, οὔτε πατρίδας ἔχοντες ἐς ἃς διαφύγωσιν, ὀργιζόμενοί τε τῶν γεγονότων, ἐνέπιπτον τῷ Δομιτίῳ καὶ διεφθάρησαν πολλοί. τὸ δὲ λοιπὸν σφᾶς αὐτοὺς διεχρῶντο μανικῶς. καὶ δίκη μὲν ἦδε παρανομίας ἐς πρέσβεις ἐγένετο Σένοσιν.”

“ὅτι Κορνήλιος ἐπὶ καταφράκτων δεκα νεῶν ἐθεάτο τὴν μεγάλην Ἑλλάδα, καὶ τις ἐν Τάραντι δημαγωγὸς Φιλόχαρις, αἰσχροῦς τε βεβιωκὸς καὶ παρὰ τοῦτο καλούμενος Θαῖς, παλαιῶν τοὺς Ταραντίνους ἀνεμίμνησκε συνθηκῶν, μὴ πλεῖν Ῥωμαίους πρόσω Λακινίας ἄκρας, παροξύνας τε ἔπεισεν ἐπαναχθῆναι τῷ Κορνηλίῳ. καὶ τέσσαρας μὲν αὐτοῦ ναῦς κατέδυσαν οἱ Ταραντῖνοι, μίαν δὲ ἔλαβον αὐτοῖς ἀνδράσιν. ἔς τε Θουρίους ἐγκλήματα ποιοῦμενοι ὅτι Ἑλλήνες ὄντες ἐπὶ Ῥωμαίους κατέφυγον ἀντὶ σφῶν, καὶ παρελθεῖν αὐτοὺς ἐπέκεινα αἵτιοι μάλιστα ἐγεγένητο, τοὺς μὲν ἐπιφανεῖς αὐτῶν ἐξέβαλον, τὴν δὲ πόλιν διήρπασαν, καὶ τοὺς Ῥωμαίων φρουροὺς ὑποσπόνδους ἀφῆκαν.

[2] When the Senones who were in Etruria heard of this calamity, they joined with the Etruscans and marched against Rome. After various mishaps these Senones, having no homes to return to, and being in a state of frenzy over their misfortunes, fell upon Domitius [the other consul], by whom most of them were destroyed. The rest slew themselves in despair. Such was the punishment meted out to the Senones for their crime against the ambassadors.”

FROM “THE EMBASSIES”

(Y.R. 472) “Cornelius went sight-seeing along the coast of Magna (B.C. 282) Graecia with ten ships with decks. At Tarentum there was a demagogue named Philocharis, a man of obscene life, who was for that reason nicknamed Thais. He reminded the Tarentines of an old treaty by which the Romans had bound themselves not to sail beyond the promontory of Lacinium. By his passion he persuaded them to excitement against Cornelius, and they sunk four of his ships and seized one of them with all on board. They accused the Thurini of preferring the Romans to the Tarentines although they were Greeks, and held them chiefly to blame for the Romans overpassing the limits. Then they expelled the noblest citizens of Thurii, sacked the city, and dismissed the Roman garrison that was stationed there under a treaty.

[2] Ῥωμαῖοι δὲ τούτων πυθόμενοι πρέσβεις ἐς Ταραντα πέμπουσι, τοὺς μὲν αἰχμαλώτους κελεύοντες, οὓς οὐ πολεμοῦντας ἀλλὰ θεωμένους ἔλαβον, ἀποδοῦναι, Θουρίων δ’ οὓς ἐξέβαλον, εἰς τὴν πόλιν καταγαγεῖν, ἃ τε διηρπάκεσαν αὐτούς, ἢ τὴν ζημίαν τῶν ἀπολομένων, ἀποτίσαι, σφίσι δ’ ἐκδοῦναι τοὺς αἰτίους τῆς παρανομίας, εἰ Ῥωμαίων ἐθέλουσιν εἶναι φίλοι. οἱ δὲ τοὺς πρέσβεις μόλις ποτὲ ἐπὶ τὸ κοινὸν ἐπήγαγον, καὶ ἐπελθόντας ἐχλεύαζον εἰ τι μὴ καλῶς ἐλληνίσειαν· ἔσκωπτον δὲ καὶ τὴν στολὴν αὐτῶν καὶ τὸ ἐπιπόρφυρον. Φιλωνίδης δὲ τις, ἀνὴρ γελοῖος καὶ φιλοσκώμμων, Ποστουμίῳ τῷ τῆς πρεσβείας ἡγουμένῳ προσελθὼν ἀπεστράφη τε, καὶ ἐπικύψας τὴν ἐσθῆτα ἀνεσύρατο τὴν ἑαυτοῦ, καὶ τοῦ πρεσβευτοῦ κατησχμήονησεν. καὶ τὸ μὲν θέατρον ἔπαιζεν ὥς ἐπὶ γελοίῳ, Ποστούμιος δὲ προτείνας τὸ μεμολυσμένον, ‘ἐκπλυνεῖτε,’ ἔφη, ‘τοῦτο αἵματι πολλῷ, τοιοῦτοις ἀρεσκόμενοι γέλωσιν.’ καὶ οὐδὲν τῶν Ταραντίνων ἀποκριναμένων

ἀπῆλθον οἱ πρέσβεις. ὁ δὲ Ποστούμιος τὴν ὕβριν ἐκ τῆς ἐσθῆτος οὐκ ἀποπλύνας ἐπέδειξε Ῥωμαίοις,

[2] When the Romans learned of these events, they sent an embassy to Tarentum to demand that the prisoners who had been taken, not in war, but as mere sight-seers, should be surrendered; that the citizens of Thurii who had been expelled should be brought back to their homes; that the property that had been plundered, or the value of what had been lost, should be restored; and finally, that they should surrender the authors of these crimes, if they wished to continue on good terms with the Romans. The Tarentines made difficulties about admitting the embassy to their council at all, and when they had received them jeered at them because they did not speak Greek perfectly, and made fun of their togas and of the purple stripe on them. [The text here describes an indignity put upon Postumius, the chief of the embassy, by one Philonidas, which will not bear translation.] This spectacle was received with laughter by the bystanders. Postumius, holding out his soiled garment, said: “You will wash out this defilement with plenty of blood — you who take pleasure in this kind of jokes.” As the Tarentines made no sort of answer the embassy departed. Postumius carried the soiled garment just as it was, and showed it to the Romans. (Y.R. 473)

[3] The people, deeply incensed, sent orders to Æmilius, who was waging war against the Samnites, to suspend operations for the present and invade the territory of the Tarentines, and offer them the same terms that the late embassy (B.C. 281) had proposed, and if they did not agree, to wage war against them with all his might. He made them the offer accordingly. This time they did not laugh for they saw the army. They were about equally divided in opinion until one of their number said to them as they doubted and disputed: "To surrender citizens is the act of a people already enslaved, yet to fight without allies is hazardous. If we wish to defend our liberty stoutly and to fight on equal terms, let us call on Pyrrhus, king of Epirus, and designate him the leader of this war." This was done."

FROM "THE EMBASSIES"

(Y.R. 474) "After a shipwreck, Pyrrhus, king of Epirus, arrived at the (B.C. 280) harbor of Tarentum. The Tarentines were very much put out with the king's officers, who quartered themselves upon the citizens by force, and openly abused their wives and children. Afterwards Pyrrhus put an end to their revels and other social gatherings and amusements as incompatible with a state of war, and ordered the citizens to severe military exercise, under penalty of death if they disobeyed. Then the Tarentines, tired out by these most unusual exercises and orders, fled the city as though it were a foreign government and took refuge in the fields. Then the king closed the gates and placed guards over them. In this way the Tarentines gained a clear perception of their own folly."

FROM PEIRESC

"Some Roman soldiers were stationed in Rhegium for the safety and protection of the city against enemies. They, and their leader Decius, envying the good fortune of the inhabitants and seizing an opportunity when they were observing a public festival, slew them and violated their wives. They offered an excuse for this crime, that the citizens of Rhegium were about to betray the garrison to Pyrrhus. So Decius became supreme ruler instead of a prefect of the guard, and he contracted an alliance with the Mamertines, who dwelt on the other side of the strait of Sicily, and who had perpetrated the same kind of an outrage on their hosts not long before.

[2] ἀλγήσαντα δ' αὐτὸν τοῖς ὀφθαλμοῖς, καὶ τοῖς ἐν Ῥηγίῳ ἰατροῖς ἀπιστοῦντα, μετὰπεμπτos ἀπὸ Μεσσήνης ἐθεράπευε Ῥηγῖνος ἀνὴρ, μετῴκηκώς ἐς Μεσσήνην πρὸ πολλοῦ, ὅτι Ῥηγῖνος ἦν ἀγνοοῦμενος. οὗτος αὐτὸν ἔπεισεν ἐπὶ ἀπαλλαγῇ συντόμῳ φαρμάκων ἀνασχέσθαι θερμῶν, καὶ χρίσας τοῖς κατακαίουσι καὶ δαπανῶσιν ἐκέλευσεν ἀνασχέσθαι τοῦ πόνου μέχρι αὐτὸς ἐπανέλθοι, καὶ λαθὼν ἐπλευσεν ἐς Μεσσήνην. ὁ δ' ἐς πολὺ τῆς ὁδύνης ἀνασχόμενος ἀπενίψατο, καὶ εὔρε τοὺς ὀφθαλμοὺς δεδαπανημένους.

[2] Suffering from an affection of the eyes and distrusting the physicians of Rhegium, Decius sent for a medical man who had migrated from Rhegium to Messana so long before that it was forgotten that he was a Rhegian. The latter persuaded him that, if he wished speedy relief, he should use certain hot drugs. Having applied a burning and corrosive ointment to his eyes, he told him to bear the pain till he should come again. Then he secretly returned to Messana. Decius, after enduring the pain a long time, washed off the ointment and found that he had lost his eyesight.

[3] Φαβρίκιος δὲ ὑπὸ Ῥωμαίων ἐπὶ διορθώσει τῶνδε πεμφθεὶς τὴν τε πόλιν τοῖς ἔτι Ῥηγίοις λοιποῖς ἀπεδίδου, καὶ τῶν φρουρῶν τοὺς αἰτίους τῆς ἀποστάσεως ἐς Ῥώμην ἔπεμψεν, οἱ μαστιγωθέντες ἐν ἀγορᾷ μέση τὰς κεφαλὰς ἀπεκόπησαν καὶ ἐξερρίφησαν ἄταφοι. Δέκιος δὲ φυλασσόμενος ἀμελῶς, οἷα πηρός, ἑαυτὸν διεχρήσατο.”

“ὅτι ὁ Πύρρος ὁ βασιλεὺς τῆς Ἠπείρου, νικήσας τοὺς Ῥωμαίους καὶ ἀναλαβεῖν χρήζων τὴν στρατιὰν ἐκ μάχης εὐτόνου, καὶ Ῥωμαίους ἐλπίζων ἐς διαλύσεις τότε μάλιστα ἐνδώσειν, ἔπεμψεν ἐς Ῥώμην Κινέαν τὸν Θεσσαλόν, δόξαν ἐπὶ λόγοις ἔχοντα μιμεῖσθαι τὴν Δημοσθένους ἀρετὴν. καὶ παρελθὼν ὁ Κινέας ἐς τὸ βουλευτήριον ἄλλα τε πολλὰ περὶ τοῦ βασιλέως ἐσεμνολόγει, καὶ τὴν ἐπὶ τῷ ἀγῶνι μετριοπάθειαν κατελογίζετο, μήτ’ ἐπὶ τὴν πόλιν εὐθὺς ἐλάσαντος μήτ’ ἐπὶ τὸ ἡσσημένον στρατόπεδον: ἐδίδου δ’ αὐτοῖς εἰρήνην καὶ φιλίαν καὶ συμμαχίαν πρὸς Πύρρον, εἰ Ταραντίνους μὲν ἐς ταῦτα συμπεριλάβοιεν, τοὺς δ’ ἄλλους Ἑλληνας τοὺς ἐν Ἰταλίᾳ κατοικοῦντας ἐλευθέρους καὶ αὐτονόμους ἔφεν, Λευκανοῖς δὲ καὶ Σαυνίταις καὶ Δαυνίοις καὶ Βρεττίοις ἀποδοῖεν ὅσα αὐτῶν ἔχουσι πολέμῳ λαβόντες. καὶ γιγνομένων ἔφη τούτων Πύρρον ἀποδώσειν αὐτοῖς τοὺς αἰχμαλώτους ἄνευ λύτρων.

[3] Fabricius was sent by the Romans to restore the city to those Rhegians who still remained. He sent the guards who had been guilty of this revolt back to Rome. They were beaten with rods in the forum, then beheaded, and their bodies cast away unburied. Decius, being placed under strict guard, in the discouragement of a blind man, committed suicide.”

FROM PEIRESC

“Pyrrhus, king of Epirus, having gained a victory over the Romans and desiring to recuperate his forces after the severe engagement, and expecting that the Romans would be particularly desirous of coming to terms, sent to the city Cineas, a Thessalian, who was so renowned for eloquence that he had been compared with Demosthenes. When he was admitted to the senate-chamber, he extolled the king for a variety of reasons, and among others for his moderation after the victory, in that he had neither marched directly against the city nor attacked the camp of the vanquished. He offered them

peace, friendship, and an alliance with Pyrrhus, provided the Tarentines should be included in the same treaty, and provided the other Greeks dwelling in Italy should remain free under their own laws, and provided the Romans would restore to the Lucanians, Samnites, Daunii, and Bruttians whatever they had taken from them in war. If they would do this, he said that Pyrrhus would restore all his prisoners without ransom.

[2] οἱ δ' ἐνεδοίαζον ἐπὶ πλεῖστον, τῇ τε δόξῃ τοῦ Πύρρου καὶ τῷ συμβεβηκότι πάθει καταπλαγέντες, ἕως Ἄππιος Κλαύδιος, ὁ Καῖκος ἐπὶ κλησιν, ἥδη τετυφλωμένος, ἐς τὸ βουλευτήριον τοῖς παισὶν αὐτὸν ἀγαγεῖν κελεύσας, 'ἡχθόμην,' εἶπεν, 'ὅτι μὴ βλέπω· νῦν δ' ὅτι ἀκούω. τὰ γὰρ τοιαῦτα ὑμῶν βουλευόμενα ἤξιον μὴτ' ὀρᾶν μὴτ' ἀκούειν, οἱ δι' ἐν ἀτύχημα ἀθρόως οὕτως ἑαυτῶν ἐκτέλῃσθε, καὶ τὸν τοῦτο δράσαντα αὐτόν τε καὶ τοὺς ἐπαγαγομένους αὐτόν βουλεύεσθε φίλους ἀντὶ πολεμίων θέσθαι, καὶ τὰ τῶν προγόνων κτήματα Λευκανοῖς καὶ Βρεττίοις δοῦναι. τί τοῦτ' ἐστὶν ἢ Ῥωμαίους ἐπὶ Μακεδόσι γενέσθαι; καὶ ταῦτά τινες εἰρήνην ἀντὶ δουλείας τολμῶσιν ὀνομάζειν.' ἄλλα τε πολλὰ ὅμοια τούτοις ὁ Ἄππιος εἰπὼν καὶ ἐρεθίσας, ἐσηγήσατο Πύρρον, εἰ δέοιτο τῆς Ῥωμαίων φιλίας καὶ συμμαχίας, ἐξ Ἰταλίας ἀπελθόντα πρεσβεύειν, παρόντα δὲ μῆτε φίλον ἡγεῖσθαι μῆτε σύμμαχον μῆτε Ῥωμαίους δικαστὴν ἢ διαιτητὴν.

[2] The Romans hesitated a long time, being much intimidated by the prestige of Pyrrhus and by the calamity that had befallen them. Finally Appius Claudius, surnamed the Blind (because he had lost his eyesight from old age), commanded his sons to lead him into the senate-chamber, where he said: "I was grieved at the loss of my sight; now I regret that I did not lose my hearing also, for never did I expect to see or hear deliberations of this kind from you. Have you become so forgetful of yourselves all of a sudden, by reason of one misfortune, as to take the man who brought it upon you, and those who called him hither, for friends instead of enemies, and to give back to the Lucanians and Bruttians the property that your ancestors took from them? What is this but making the Romans servants of the Macedonians? And some of you dare to call this peace instead of servitude!" Many other things in the like sense did Appius urge to arouse their spirit. If Pyrrhus wanted peace and the friendship of the Romans, let him withdraw from Italy and then send his embassy. As long as he remained let him be considered neither friend nor ally, neither judge nor arbitrator in Roman affairs.

[3] καὶ ἡ βουλὴ ταῦθ' ἄπερ καὶ Ἄππιος εἶπεν ἀπεκρίνατο Κινέας. Λαιουίνῳ δ' ἄλλα δύο τέλη καταλέγοντες ἐκήρυξαν οὕτως, εἴ τις ἀντὶ τῶν ἀπολωλότων αὐτὸν ἐπιδίδωσιν, ἐς τὴν στρατιὰν ἀπογράφεσθαι. καὶ ὁ Κινέας ἔτι παρών, καὶ θεώμενος αὐτοὺς ὥθουμένους ἐς τὰς ἀπογραφάς, λέγεται πρὸς τὸν Πύρρον ἐπανελθὼν εἰπεῖν ὅτι πρὸς ὕδραν ἐστὶν αὐτοῖς ὁ πόλεμος. οἱ δὲ οὐ Κινέαν ἀλλὰ Πύρρον αὐτὸν εἰπεῖν τοῦτο τὸ ἔπος, ἰδόντα τὴν στρατιὰν τῶν Ῥωμαίων τῆς προτέρας πλείονα: καὶ γὰρ ὁ ἕτερος ὕπατος τῷ Λαιουίνῳ Κορουγκάνιος

Πύρρος δ', ὡς οὐδὲν εἰρηναῖόν οἱ παρὰ τῆς βουλῆς ἀπήντησεν, ἐπὶ τὴν Ῥώμην ἠπείγετο, πάντα δηῶν. καὶ φθάνει μὲν ἐς πόλιν Ἀναγνίαν, βαρεῖαν δ' ἔχων ἤδη τὴν στρατιὰν ὑπὸ λείας καὶ πλήθους αἰχμαλώτων, ἀναθέμενος μάχην ἀνέστρεφεν ἐπὶ Καμπανίας, ἡγουμένων τῶν ἐλεφάντων, καὶ τὴν στρατιὰν ἐς χειμασίαν κατὰ πόλεις διήρει.

[3] The Senate made answer to Cineas as Appius advised. They decreed the levying of two new legions for Lævinus, and made proclamation that whoever would volunteer in place of those who had been lost should put their names on the army roll. Cineas, who was still present and saw the multitude hastening to be enrolled, is reported to have said to Pyrrhus on his return: "We are waging war against a hydra." Others say that not Cineas, but even Pyrrhus himself said this when he saw the new Roman army larger than the former one; for the other consul, Coruncanius, came from Etruria and joined his forces with those of Lævinus. It is said also that when Pyrrhus made some further inquiries about Rome, Cineas replied that it was a city of generals; and when Pyrrhus wondered at this, he corrected himself, and said that it seemed more like a city of kings. When Pyrrhus saw that there was no expectation of peace from the Senate, he marched toward Rome, laying everything waste on his way. When he had come as far as the town of Anagnia, finding his army encumbered with booty and a host of prisoners, he decided to postpone the battle. Accordingly he turned back to Campania, sending his elephants in advance, and distributed his army in winter quarters among the towns.

[4] Ῥωμαίων δὲ πρέσβεις αὐτὸν ἠξίουσαν λῦσαι τῇ πόλει τοὺς αἰχμαλώτους, ἢ ἀντιλαβεῖν ὅσους ἔχουσι Ταραντίνων καὶ τῶν ἄλλων συμμάχων αὐτοῦ. ὁ δὲ σπενδομένοις μὲν ἔφη, καθάπερ προεῖπε Κινέας, χαριεῖσθαι τοὺς αἰχμαλώτους, πολεμοῦσι δ' οὐ δώσειν ἐφ' ἑαυτὸν ἄνδρας τοιούτους καὶ τοσοούτους. ἐξένιζε δ' αὐτοὺς βασιλικῶς, καὶ τὸν τῆς πρεσβείας ἡγούμενον Φαβρίκιον πυνθανόμενος ἐν τῇ πόλει μέγα δύνασθαι καὶ δεινῶς πένεσθαι καθωμίλει, λέγων, εἰ πράξειεν αὐτῷ τὰς διαλύσεις, ὑποστράτηγον καὶ κοινωὸν τῶν παρόντων ἀγαθῶν ἀπάξειν ἐς Ἑπείρον. χρήματά τε αὐτὸν λαβεῖν ἐντεῦθεν ἤδη παρεκάλει, πρόφασιν ὡς δώσοντα τοῖς τὴν εἰρήνην ἐργασασμένοις. ἐπιγέλασας δ' ὁ Φαβρίκιος περὶ μὲν τῶν κοινῶν οὐδ' ἀπεκρίνατο, 'τὴν δ' ἐμήν,' ἔφη, 'παρρησίαν οὔτε τῶν σῶν φίλων οὐδεὶς οὔτε αὐτὸς οἶσεις σύ, ὦ βασιλεῦ: καὶ τὴν πενίαν τὴν ἑμαυτοῦ μακαρίζω μᾶλλον ἢ τὸν τῶν τυράννων πλοῦτον ὁμοῦ καὶ φόβον.' οἱ δὲ οὐχ οὕτω φασὶν αὐτόν, ἀλλ' ὅτι μου τῆς φύσεως Ἑπειρώται μεταλαβόντες ἐμὲ σοῦ προθήσουσιν.

[4] Hither came Roman ambassadors proposing either to ransom the prisoners or to exchange them for Tarentines and his other allies whom they held. He replied that if they were ready for peace on the terms proposed by Cineas, he

would release the prisoners gratuitously, but if the war was to continue, he would not give up such a large number of valiant men to fight against him. Otherwise he treated them in a kingly way. Perceiving that Fabricius, the chief of the embassy, had great influence in the city, and also that he was a very poor man, he approached him and said that if he would bring about a treaty of peace, he (Pyrrhus) would take him to Epirus, and make him his chief officer and the sharer of all his possessions; and he asked him to accept a present of money then and there, on the pretext that he was to give it to those who perfected the treaty. Fabricius burst out laughing. He made no answer as to public matters, but said: "Neither you nor your friends, O King, can take away my independence. I consider my poverty more blessed than all the riches of kings if conjoined with fear." Others report the conversation differently, saying that Fabricius replied: "Beware lest the Epirotes share my nature and prefer me to you."

[5] ὁποτέρως δ' οὖν ἀπεκρίνατο, θαυμάσας αὐτὸν τοῦ φρονήματος ὁ Πύρρος ἑτέραν ὁδὸν ἐς τὰς διαλλαγὰς ἐπενόει, καὶ τοὺς αἰχμαλώτους ἐς τῶν Κρονίων τὴν ἑορτὴν ἔπεμπεν ἄνευ φυλάκων, ἐφ' ᾧ, δεχομένης μὲν τῆς πόλεως ἃ ὁ Πύρρος προτείνει, μένειν καὶ τῆς αἰχμαλωσίας ἀπολελύσθαι, μὴ δεχομένης δὲ ἑορτάσαντας ἐπανήκειν ἐς αὐτόν. τούτους ἡ βουλή, πᾶν παρακαλοῦντας καὶ ἐνάγοντας ἐς τὰς διαλύσεις, ἐκέλευσεν ἑορτάσαντας Πύρρῳ παραδοῦναι σφᾶς αὐτοὺς ἐν ἡμέρᾳ ῥητῇ, καὶ θάνατον ἐπέταξε τοῖς ἀπολειφθεῖσι τῆς ἡμέρας. οἱ δὲ καὶ αὐτὴν ἅπαντες ἐφύλαξαν, καὶ Πύρρῳ πολεμητέα πάντως αὐθις ἐδόκει."

U. .

"ὅτι τὸν Πύρρον ἤδη μὲν τὰ Ῥωμαίων κατέπλησεν, ἐτάρασσε δὲ καὶ τὰ ἐν Μολοσσοῖς θορυβοῦμενα. Ἀγαθοκλῆς τε, ἄρχων Σικελίαν ἄρτι ἐτεθνήκει, οὗ θυγατέρα Λάνασσαν ἔχων ὁ Πύρρος ἐν ταῖς γυναιξί, τὴν νῆσον οἰκείαν ἀντὶ τῆς Ἰταλίας περιεβλέπετο. ὥκνει δ' ὅμως ἔτι τοὺς ἐπικαλέσαντας ἄνευ τινὸς εἰρήνης καταλιπεῖν. ἄσμενος οὖν τῆς προφάσεως τῆς περὶ τὸν αὐτόμολον ἐπιβὰς ἐμαρτύρει τοῖς ὑπάτοις, καὶ Κινέαν ἔπεμπεν ἐς Ῥώμην χάριν ὁμολογήσοντα τῆς σωτηρίας τοῦ βασιλέως, καὶ τοὺς αἰχμαλώτους ἀμοιβὴν ἄγοντα, εἰρήνην τε ὅτι δύναιτο πράζοντα. δῶρα δ' ὁ Κινέας ἔφερε πολλὰ μὲν ἀνδράσι πολλὰ δὲ γυναιξί, φιλοχρήματον καὶ φιλόδωρον εἶναι τὴν πόλιν πυθόμενος, καὶ τὰς γυναῖκας ἰσχύειν παρὰ Ῥωμαίοις ἐκ παλαιοῦ.

[5] Whichever answer he made, Pyrrhus admired his high spirit. He then tried another plan for procuring peace. He allowed the prisoners to go home without guards to attend the festival of Saturn, on the condition that if the city accepted the terms offered by him they should be free, but if not that they should return to him at the end of the festival. Although the prisoners earnestly besought and urged the Senate to accept the terms, the latter ordered them, at the conclusion of the festival, to deliver themselves up to Pyrrhus on a day specified, and decreed the death penalty to those who should linger beyond that time. This order was observed by all. In this way Pyrrhus learned

again that everything depended on the arbitrament of arms.”

FROM “THE EMBASSIES”

(Y.R. 476) “While Pyrrhus was perplexed by the Roman complication (B.C. 278) he was disturbed by an uprising of the Molossians. At this time also Agathocles, the king of Sicily, had just died. As Pyrrhus had married his daughter Laneia, he began to look upon Sicily as more of his concern than Italy. Still he was loath to abandon those who had summoned him to their aid, without some kind of arrangement for peace. Seizing eagerly the occasion of the sending back of a traitor who had deserted from him, he testified his gratitude to the consuls for this act and sent Cineas again to Rome to repeat his thanks for the man’s safe-keeping, and to surrender the prisoners by way of recompense, — instructing him to procure peace in whatever way he could. Cineas brought a large number of presents both for men and women, knowing that the people were fond of money and gifts, and that the women had had large influence among the Romans from the earliest times.

[2] οἱ δὲ περὶ μὲν τῶν δώρων ἐνεκελεύσαντο ἀλλήλοις· καὶ φασιν οὐδένα λαβεῖν οὐδέν, οὔτε ἄνδρα οὔτε γυναῖκα. ἀπεκρίναντο δ’ αὐτῷ, καθὰ καὶ πρότερον, ἀπελθόντα Πύρρον ἐξ Ἰταλίας πρεσβεύειν πρὸς αὐτοὺς ἄνευ δώρων· ἀπορήσειν γὰρ οὐδενὸς τῶν δικαίων. τοὺς δὲ πρέσβεις καὶ αὐτοὶ πολυτελῶς ἐξένιζον, καὶ Πύρρῳ τοὺς Ταραντίνων καὶ τῶν ἄλλων αὐτοῦ συμμάχων αἰχμαλώτους ἀντέπεμπον. ὁ μὲν δὴ Πύρρος ἐπὶ τούτοις ἐς Σικελίαν διέπλει μετὰ τε τῶν ἐλεφάντων ... καὶ ὀκτακισχλίων ἱππέων, ὑποσχόμενος τοῖς συμμάχοις ἐκ Σικελίας ἐπανήξειν ἐς τὴν Ἰταλίαν. καὶ ἐπανήλθεν ἔτει τρίτῳ, Καρχηδονίων αὐτὸν ἐξελασάντων ἐκ Σικελίας.”

id. .

“ὅτι Πύρρος μετὰ τὴν μάχην καὶ τὰς πρὸς Ῥωμαίους συνθήκας ἐς Σικελίαν διέπλει, ὑποσχόμενος τοῖς συμμάχοις ἐκ Σικελίας ἐπανήξειν ἐς Ἰταλίαν. καὶ ἐπανήλθεν ἔτει τρίτῳ, Καρχηδονίων αὐτὸν ἐξελασάντων ἐκ Σικελίας, ἥδη καὶ τοῖς Σικελιώταις βαρὺν ἐπὶ τε ξενίαις καὶ χορηγίαις καὶ φρουραῖς καὶ ἐσφοραῖς γενόμενον. ὁ μὲν δὴ πλούσιος ἐν τῶνδε γεγινώς ἐς τὸ Ῥήγιον διέπλει ναυσὶ καταφράκτοις δέκα καὶ ἑκατόν, φορτίσι δὲ καὶ ὀλκάσι πολὺ πλείοσιν· οἱ δὲ Καρχηδόνιοι διανναυμαχῆσαντες αὐτῷ κατέδυσαν ναὺς ἑβδομήκοντα, καὶ τὰς λοιπὰς ἅπλους ἐποίησαν, πλὴν δώδεκα μόνων, αἷς ὁ Πύρρος διαφυγὼν ἐτίνατο Λοκροὺς τοὺς ἐπιζεφυρίους, ὅτι φρουρὰν αὐτοῦ καὶ τὸν φρούραρχον αὐτῆς, ὑβρίσαντας ἐς αὐτούς, ἀνηρήκεσαν. ὥμῳς δ’ αὐτούς καὶ πικρῶς κτείνων τε καὶ συλῶν ὁ Πύρρος οὐδὲ τῶν ἀναθημάτων τῆς Περσεφόνης ἀπέσχετο, ἐπισκώψας τὴν ἄκαιρον θεοσέβειαν εἶναι δεισιδαιμονίαν, τὸ δὲ συλλέξαι πλοῦτον ἄπονον εὐβουλίαν.

[2] But they warned each other against the gifts, and replied that no man or woman would accept anything. They gave Cineas the same answer as before.

If Pyrrhus would withdraw from Italy and send an embassy to them without gifts, they would agree to fair terms in all respects. They treated the embassy, however, in a sumptuous manner and sent back to Pyrrhus in exchange all the Tarentines and others of his allies whom they held as prisoners. Thereupon Pyrrhus sailed for Sicily with his elephants and 8000 horse, promising his allies that he would return to Italy. Three years later he returned, for the Carthaginians had driven him out of Sicily.”

FROM “THE EMBASSIES”

(Y.R. 478) “After the battle and the armistice with the Romans, Pyrrhus sailed for Sicily promising he would return to Italy. Three years later he returned, having been driven out of Sicily by the Carthaginians, and having been a grievous burden to the Sicilians themselves by reason of the lodging and supplying of his troops, the garrisons and the tribute he had imposed on them. Enriched by these exactions he set sail for Rhegium with 110 decked ships, besides a much (B.C. 276) larger number of merchant vessels and ships of burthen. But the Carthaginians made a naval attack upon him, sunk seventy of his ships, and disabled all the rest except twelve. Fleeing with these he took vengeance on the Italian Locrians who had put to death his garrison and their commanding officer, because of outrages committed upon the inhabitants. Such savage vengeance did he take on them in the way of killing and plundering that he did not spare even the temple gifts of Proserpina, saying by way of joke that unseasonable piety was no better than superstition, and that it was good policy to obtain wealth without labor.

[2] ἀναχθέντα δ’ αὐτὸν μετὰ τῶν σύλων χειμῶν ὑπέλαβε, καὶ τῶν νεῶν τὰς μὲν κατέδυσε καὶ διέφθειρεν αὐτοῖς ἀνδράσι, τὰς δ’ ἐς τὴν γῆν ἐξέβριπεν. τὰ δὲ ἱερὰ πάντα σῶα ὁ κλύδων ἐς τοὺς Λοκρῶν λιμένας ἐπανήγαγεν, ὥστε καὶ Πύρρον ὁπὲ τῆς ἀσεβείας αἰσθόμενον ἀναθεῖναι τε αὐτὰ ἐς τὸ ἱερὸν τῇ Περσεφόνῃ, καὶ θυσίαις ἰλάσκεσθαι τὴν θεὸν πολλαῖς. τῶν δὲ ἱερῶν οὐκ ἀπαντῶντων ἔτι μᾶλλον ἐξεμαίνετο, καὶ τοὺς περὶ τῆς ἱεροσυλίας αὐτῷ συμβουλευσάντας ἢ λέγοντι συνθεμένους, ἢ διακονησαμένους τὸ ἔργον, ἔκτεινεν. ὁ μὲν δὲ Πύρρος οὕτως ἐπεπράχει κακῶς.”

[2] Loaded down with spoils, a tempest overtook him, sunk some of his ships with the men in them, and cast the others ashore. The waves cast all the sacred things safe upon the Locrian beach. Wherefore Pyrrhus, perceiving too late the consequences of his impiety, restored them to the temple of Proserpina and sought to propitiate the goddess with numerous sacrifices. As the victims were unpropitious he became still more furious, and he put to death all those who had advised the temple-robbing, or had assented to it, or had taken part in it. Thus had Pyrrhus come to grief.”

ἐκ τῆς Κελτικῆς — THE GALLIC HISTORY

Fragments

(Y.R. 365) “AT an early period the Gauls waged war against the (B.C. 389) Romans, took Rome itself, except the Capitol, and burned it. Camillus, however, overcame and expelled them. At a later period, when they had made a second invasion, he overcame them again and enjoyed a triumph in consequence, being then in his eightieth year. A third army of Gauls which invaded Italy was destroyed by the Romans under Titus Quintius. Afterwards the Boii, the most savage of the Gallic tribes, attacked the Romans. Gaius Sulpicius, the dictator, marched against them, and is said to have used the following stratagem. He commanded those who were in the front line to discharge their javelins, and immediately crouch low; then the second, third, and fourth lines to discharge theirs, each crouching in turn so that they should not be struck by the spears thrown from the rear; then when the last line had hurled their javelins, all were to rush forward suddenly with a shout and join battle at close quarters. The hurling of so many missiles, followed by an immediate charge, would throw the enemy into confusion. The spears of the Gauls were not like javelins, but what the Romans called , four-sided, part wood and part iron, and not hard except at the pointed end. In this way the army of the Boii was completely destroyed by the Romans. (Y.R. 404)

[2] ἄλλους δὲ πάλιν Κελτοὺς ἐνίκα Ποπίλλιος, καὶ μετ’ ἐκείνων τοὺς αὐτοὺς Κάμιλλος ὁ τοῦ Καμίλλου υἱός. ἔστησε δὲ κατὰ Κελτῶν καὶ Πάππος Αἰμίλιος τρόπαια. πρὸ δὲ τῶν τοῦ Μαρίου ὑπατειῶν πλεῖστόν τι καὶ μαχιμώτατον, τῇ τε

ἡλικία μάλιστα φοβερώτατον χρήμα Κελτῶν ἐς τὴν Ἰταλίαν τε καὶ Γαλατίαν ἐσέβαλε, καὶ τινες ὑπάτους Ῥωμαίων ἐνίκησε καὶ στρατόπεδα κατέκοψεν: ἐφ' οὓς ὁ Μάριος ἀποσταλεῖς ἅπαντας διέφθειρε. τελευταῖα δὲ καὶ μέγιστα τῶν ἐς Γαλάτας Ῥωμαίους πεπραγμένων ἐστὶ τὰ ὑπὸ Γαῖῳ Καίσαρι στρατηγούντι γενόμενα. μυριάσι τε γὰρ ἀνδρῶν ἀγρίων, ἐν τοῖς δέκα ἔτεσιν ἐν οἷς ἐστρατήγησεν, ἐς χεῖρας ἤλθον, εἴ τις ὑφ' ἐν τὰ μέρη συναγάγοι, τετρακοσίων πλείοσι, καὶ τούτων ἑκατὸν μὲν ἐξώγησαν, ἑκατὸν δ' ἐν τῷ πόνῳ κατέκανον. ἔθνη δὲ τετρακόσια καὶ πόλεις ὑπὲρ ὀκτακοσίας, τὰ μὲν ἀφιστάμενα σφῶν, τὰ δὲ προσεπιλαμβάνοντες, ἐκρατύναντο. πρὸ δὲ τοῦ Μαρίου καὶ Φάβιος Μάξιμος ὁ Αἰμιλιανός, ὀλίγην κομιδῇ στρατιὰν ἔχων, ἐπολέμησε τοῖς Κελτοῖς, καὶ δώδεκα μυριάδας αὐτῶν ἐν μιᾷ μάχῃ κατέκανε, πεντεκαίδεκα μόνους τῶν ἰδίων ἀποβαλὼν. καὶ ταῦτα μέντοι ἔπραξε πιεζόμενος ὑπὸ τραύματος ὑπογυίου, καὶ τὰ τάγματα ἐπιὼν καὶ παραθαρρύνων, καὶ διδάσκων ὅπως τοῖς βαρβάροις πολεμητέον, τὰ μὲν ἐπ' ἀπήνης φερόμενος, τὰ δὲ καὶ βάδην χειραγωγούμενος.

[2] Another Gallic force was defeated by Popillius, and (B.C. 350) after this Camillus, son of the former Camillus, defeated the same tribe. Afterwards Æmilius Pappus won some trophies from the Gauls. Shortly before the consulships of Marius a most numerous and warlike horde of Celtic tribes, most formidable in bodily strength, made incursions into both (Y.R. 649) Italy and Gaul, and defeated some of the Roman consuls, (B.C. 105) and cut their armies in pieces. Marius was sent against them and he destroyed them all. The latest and greatest war of the Romans against the Gauls was that waged under the command of Cæsar, for, in the ten years that he held command there, he fought with more than 4,000,000 barbarians, taken all together. Of these 1,000,000 were captured and as many more slain in battle. He reduced to subjection 400 tribes and more than 800 towns, which had either revolted from their allegiance or were conquered for the first time. Even before Marius, Fabius Maximus Æmilianus with a very small army killed 120,000 of them in one battle, losing only fifteen of his own men; and he did this although suffering from a recent wound, urging and encouraging his troops and showing them how to fight barbarians, now borne on a litter and now hobbling on foot leaning on the arms of others.

[3] Καῖσαρ δὲ πολεμήσας αὐτοῖς πρῶτον μὲν Ἑλουητίους καὶ Τιγυρίους ἀμφὶ τὰς εἴκοσι μυριάδας ὄντας ἐνίκησεν. οἱ Τιγύριοι δ' αὐτῶν χρόνῳ ἔμπροσθεν Πίσωνος καὶ Κασσίου τινὰ στρατὸν ἐλόντες ὑπὸ ζυγὸν ἐξεπεπόμεψεν, ὥς ἐν χρονικαῖς συντάξεσι δοκεῖ Παύλῳ τῷ Κλαυδίῳ. τοὺς μὲν οὖν Τιγυρίους ὑποστράτηγος αὐτοῦ Λαβηνὸς ἐνίκησε, τοὺς δὲ ἄλλους ὁ Καῖσαρ, καὶ Τρικούρους ἀμύνοντας σφίσιν, ἔπειτα τοὺς μετ' Ἀριοουίστου Γερμανούς, οἱ καὶ τὰ μεγέθη μείζους τῶν μεγίστων ὑπῆρχον καὶ τὸ ἦθος ἄγριοι καὶ τὴν τόλμαν θρασύτατοι, καὶ θανάτου καταφρονηταὶ δι' ἐλπίδα ἀναβιώσεως, καὶ κρύος ὁμοίως ἔφερον θάλλει, καὶ πόα ἐχρῶντο παρὰ τὰς ἀπορίας τροφῇ, καὶ ὁ ἵππος ξύλοις. ἦσαν δέ, ὥς ἔοικεν, οὐ φερέπονι ἐν ταῖς μάχαις, οὐδὲ λογισμῷ

ἡ ἐπιστήμη τινὶ ἄλλᾳ θυμῷ χρώμενοι καθάπερ θηρία, διὸ καὶ ὑπὸ τῆς Ῥωμαίων ἐπιστήμης καὶ φερεπονίας ἡσώοντο. οἱ μὲν γὰρ μετὰ ὀρμῆς βαρυτάτης ἐπεπῆδων αὐτοῖς, καὶ ὅλην ὁμοῦ τὴν φάλαγγα ἀνεώθουν· Ῥωμαῖοι δ' ὑπέμενον ἐν τάξει, καὶ κατεστρατήγουν αὐτούς, καὶ ὀκτακισμυρίους αὐτῶν τελευτῶντες ἀπέκτειναν.

[3] Cæsar began his war against them by gaining a victory over some 200,000 of the Helvetii and Tigurini. The latter at an earlier period had captured a Roman army commanded by Piso and Cassius and sent them under the yoke, as is related in the writings of Paulus Claudius. The Tigurini (Y.R. 696) were now overcome by Labienus, Cæsar's lieutenant, and (B.C. 58) the others by Cæsar himself, together with the Tricorii, who were aiding them. He also overcame the Germans under Ariovistus, a people who excelled all others, even the largest men, in size; savage, the bravest of the brave, despising death because they believe they shall live hereafter, bearing heat and cold with equal patience, living on herbs in time of scarcity, and their horses browsing on trees. It seems that they were without patient endurance in their battles, and did not fight in a scientific way or in any regular order, but with a sort of high spirit simply made an onset like wild beasts, for which reason they were overcome by Roman science and endurance. For, although the Germans made a tremendous rush and pushed the legions back a short distance, the Romans kept their ranks unbroken, and outmanœuvred them, and eventually slew 800000 of them. (Y.R. 697)

[4] μετὰ τούτους ὁ Καῖσαρ τοῖς καλουμένοις Βέλγαις ἐπιπεσὼν ποταμόν τινα περῶσι, τοσοῦτους ἀπέκτεινεν ὥς τὸν ποταμὸν γεφυρωθέντα τοῖς σώμασι περᾶσαι. Νέρβιοι δὲ αὐτὸν ἐτρέψαντο, ἄρτι στρατόπεδον ἐξ ὁδοιπορίας κατασκευάζοντι αἰφνιδίως ἐπιπεσόντες, καὶ παμπόλλους ἐφόνευσαν, τοὺς δὲ ταξίαρχας καὶ λοχαγοὺς ἅπαντας· καὶ αὐτὸν ἐκείνον ἐς λόφον τινὰ μετὰ τῶν ὑπασπιστῶν πεφευγότα περιέσχον κύκλῳ. ὑπὸ δὲ τοῦ δεκάτου τάγματος αὐτοῖς ἐξόπισθεν ἐπιπεσόντος ἐφθάρησαν, ἐξακισμύριοι ὄντες. ἦσαν δὲ τῶν Κίμβρων καὶ Τευτόνων ἀπόγονοι. ἐκράτησε δὲ καὶ Ἀλλοβρίγων ὁ Καῖσαρ. Οὐσιπετῶν δὲ καὶ Ταγχαρέων τεσσαράκοντα μυριάδες, στρατεύσιμοι τε καὶ ἀστράτευτοι, συνεκόπησαν. Σούκαμβροι δὲ πεντακοσίοις ἱππεῦσι τοὺς πεντακισχιλίους ἱππεῖς τοῦ Καίσαρος ἔτρεψαν, ἐξαίφνης ἐπιπεσόντες, καὶ δίκην ἔδοσαν ἡττηθέντες μετὰ ταῦτα.

[4] Afterwards Cæsar fell upon the so-called Belgæ as they were crossing a river, and killed so many of them that he crossed the stream on a bridge of their bodies. The Nervii defeated him by falling suddenly upon his army as it (B.C. 57) was getting itself into camp after a march. They made a very great slaughter, killing all of his tribunes and centurions. Cæsar himself took refuge on a hill with his bodyguard, and there he was surrounded by the enemy. The latter being assailed in the rear by the tenth legion were destroyed, although they were 60,00000 in number. The Nervii were the descendants of the Cimbri

and Teutones. (Y.R. 699) Cæsar conquered the Allobroges also. He slaughtered (B.C. 55) 400,000 of the Usipetes and Tenchteri, armed and unarmed together. The Sicambri with 500 horse put to flight 5000 of Cæsar's horse, falling upon them unexpectedly. They subsequently paid the penalty for this in a defeat.

[5] Cæsar was also the first of the Romans to cross the Rhine. He also passed over to Britain, an island larger than a very large continent, and still unknown to the men of Rome. He crossed by taking advantage of the movement of the tide. As it rose the fleet was impelled by the waves, slowly at first, then more rapidly, until finally Cæsar was carried with great swiftness to Britain.”

AN EPITOME OF APPIAN'S BOOK "DE REBUS GALLICIS"

(Y.R. 364) “In the 97th Olympiad, according to the Greek calendar, a considerable part of the Gauls who dwelt along the Rhine moved off in search of new land, that which they occupied being insufficient for their numbers. Having scaled the Alps they fell upon the territory of Clusium, a fertile part of Etruria. The Clusians had made a league with the Romans not long before, and now applied to them for aid. So the three Fabii were sent with the Clusians as ambassadors to the Gauls to order them to vacate the country that was in alliance with Rome, and to threaten them if they did not obey. The Gauls replied that they feared no mortal man in threat or war, that they were in need of land, and that they had not yet meddled with the affairs of the Romans. The Fabii urged the Clusians to make an attack upon the Gauls while they were heedlessly plundering the country. They took part in the expedition themselves and slew an immense number of the Gauls whom they caught foraging. Quintus Fabius, one of the Roman embassy, himself killed the chief

of that band, stripped his body, and (B.C. 390) carried his arms back to Clusium.”

FROM “THE EMBASSIES”

“After the Fabii had slain this large number of Gauls, Brennus, their king, though he had refused to recognize the Roman embassy, for the purpose of intimidating the Romans selected as ambassadors to them certain Gauls who exceeded all the others in bodily size as much as the Gauls exceeded other peoples, and sent them to Rome to complain that the Fabii, while serving as ambassadors, had joined in war against him, contrary to the law of nations. He demanded that they should be given up to him for punishment unless the Romans wished to make the crime their own. The Romans acknowledged that the Fabii had done wrong, but having great respect for that distinguished family, they urged the Gauls to accept a pecuniary compensation from them. As the latter refused, they elected the Fabii military tribunes for that year, and then said to the Gallic ambassadors that they could not do anything to the Fabii now because they were now holding office, but told them to come again next year if they were still in a bad humor. Brennus and the Gauls under him considered this an insult and took it hard. Accordingly they sent around to the other Gauls asking them to make common cause of war with them. When a large number had collected in obedience to this summons they broke camp and marched against Rome.”

FROM “THE EMBASSIES”

(Y.R. 365) “He (Cædicus) promised to carry letters through the (B.C. 389) enemy’s ranks to the Capitol.”

FROM SUIDAS

“When Cædicus bore the decree of the Senate to Camillus, by which he was made consul, he exhorted him not to lay up against his country the injury it had done him. The latter, interrupting him, said: “I could not have prayed to the gods that the Romans might some time long for me if I had cherished any such feeling as that towards them. Now I pray the nobler prayer that I may render my country a service equal to the calamity that has befallen her.”“

FROM PEIRESC

“When the Gauls could find no means for scaling the Capitol they remained quietly in camp in order to reduce the defenders by famine. A certain priest named Dorso went down from the Capitol to make a certain yearly sacrifice in the temple of Vesta, and passed safely, with the sacred utensils, through the ranks of the enemy, who were either awed by his courage or had respect for his piety and his venerable appearance. Thus he who had incurred danger for

the sake of his holy office was saved by it. That this event occurred, as related, the Roman writer Cassius tells us.”

FROM PEIRESC

“The Gauls filled themselves to repletion with wine and other luxuries, being intemperate by nature, and inhabiting a country which yielded only cereals, and was unfruitful and destitute of other productions. Thus their large bodies became delicate, distended with fatness, and heavy by reason of excessive eating and drinking, and quite incapable of running or hardship; and when any exertion was required of them they speedily became exhausted by perspiration and shortness of breath.”

FROM SUIDAS AND PEIRESC

“He (Camillus) showed them naked to the Romans and said: “These are the creatures who assail you with such terrible shouts in battle, and clash their arms and shake their long swords and toss their hair. Behold their weakness of soul, their slothfulness and flabbiness of body, and gird yourselves to your work.”“

FROM SUIDAS

(Y.R. 394) “The people beheld the battle from the walls, and constantly (B.C. 360) sent fresh troops to take the place of the tired ones. But the tired Gauls having to engage with fresh opponents took to disorderly flight.”

FROM THE SAME

“The Gaul, furious and exhausted with loss of blood, (B.C. 349) pursued Valerius, hastening in order to grapple with him. As Valerius was all the time dodging just in front of him, the Gaul fell headlong. The Romans felicitated themselves on this second single combat with the Gauls.”

FROM THE SAME

(Y.R. 471) “The Senones, although they had a treaty with the Romans, nevertheless furnished mercenaries against them, wherefore the Senate sent an embassy to them to remonstrate against this infraction of the treaty. Britomaris, the Gaul, being incensed against them on account of his father, who had been killed by the Romans while fighting on the side of the Etruscans in this very war, slew the ambassadors while they held the caduceus in their hands, and wore the garments of their office. He then cut their bodies in small pieces and scattered them in the fields. The consul Cornelius, learning of this abominable deed while he was on the march, moved with great speed against the towns of the Senones by way of the Sabine country

and Picenum, and ravaged them all with fire and sword. He reduced the women and children to slavery, killed all the adult males without exception, devastated the country in every possible way, and made it uninhabitable for anybody else. He carried off Britomaris alone as a prisoner for torture. A little later the Senones (who were serving as mercenaries), having no longer any homes to return to, fell boldly upon the consul Domitius, and being (B.C. 283) defeated by him killed themselves in despair. Such punishment was meted out to the Senones for their crime against the ambassadors.”

FROM “THE EMBASSIES”

(Y.R. 633) “The chiefs of the Salyi, a nation vanquished by the Romans, (B.C. 121) took refuge with the Allobroges. When the Romans asked for their surrender and it was refused, they made war on the Allobroges, under the leadership of Cnæus Domitius. When he was passing through the territory of the Salyi, an ambassador of Bituitus, king of the Allobroges, met him, arrayed magnificently and followed by attendants likewise arrayed, and also by dogs; for the barbarians of this region use dogs also as body-guards. A musician was in the train who sang in barbarous fashion the praises of King Bituitus, and then of the Allobroges, and then of the ambassador himself, celebrating his birth, his bravery, and his wealth; for which reason chiefly their illustrious ambassadors usually take such persons along with them. But this one, although he begged pardon for the chiefs of the Salyi, accomplished nothing.”

FROM “THE EMBASSIES”

(Y.R. 641) “A numerous band of the Teutones bent on plunder invaded the territory of Noricum. The Roman consul, Papirius Carbo, fearing lest they should make an incursion into Italy, occupied the Alps at a place where the pass is narrowest. As they made no attempt in this direction he attacked them, complaining that they had invaded the people of Noricum, who were foreign friends of the Romans. It was the practice of the Romans to make foreign friends of any people for whom they wanted to intervene on the score of friendship, without being obliged to defend them as allies. As Carbo was approaching, the Teutones sent word to him that they had not known anything about this relationship between Rome and Noricum, and that for the future they would keep hands off. He praised the ambassadors, and gave them guides for their homeward journey, but privately charged the guides to take them by a longer route. He himself then marched by (B.C. 113) a shorter one and fell unexpectedly upon the Teutones, though they were still desisting from hostilities, but he suffered severely for his perfidy, and lost a large part of his army. He would probably have perished with his whole force had not darkness and a tremendous thunder-storm fallen upon them while the fight was in progress, separating the combatants and putting an end to the battle by sheer terror from heaven. Even as it was, the Romans fled in small bands through

the woods and came together with difficulty three days later. The Teutones passed into Gaul.”

FROM “THE EMBASSIES”

“He ordered them to leave the bodies of the Cimbri intact till daylight because he believed they were adorned with gold.”

FROM SUIDAS

(Y.R. 696) “Two nations, the Tigurini and the Helvetii, made an incursion (B.C. 58) into the Roman province of Gaul. When Cæsar heard of this movement he built a wall along the river Rhone about a hundred and fifty stades in length to intercept them. When they sent ambassadors to him to endeavor to make a treaty, he ordered them to give him hostages and money. They replied that they were accustomed to receive these things, not to give them. As he wished to prevent them from forming a junction he sent Labienus against the Tigurini, who were the weaker, while he marched against the Helvetii, taking with him about 20,000 Gallic mountaineers. The work was easy to Labienus, who fell upon the Tigurini unawares on the river bank, defeated them, and scattered the greater part of them in disorderly flight.”

FROM “THE EMBASSIES”

(Y.R. 695) “Ariovistus, the king of the Germans beyond the Rhine, (B.C. 59) crossed to this side before Cæsar’s arrival and made war against the Ædui, who were friends of the Romans. But when the Romans commanded him to desist, he obeyed and moved away from Ædui and desired to be accounted a friend of the Roman people also, and this was granted, Cæsar being consul and voting for it.”

FROM “THE EMBASSIES”

“Ariovistus, the king of the Germans, who had been voted a friend of the Roman people, came to Cæsar to have a colloquy. After they had separated he wished to have another. Cæsar refused it, but sent some of the leading men of the Gauls to meet him. Ariovistus cast them in chains, wherefore Cæsar threatened him and made war on him, but fear fell upon the army on account of the military reputation of the Germans.”

FROM “THE EMBASSIES”

(Y.R. 699) “It is believed that the Usipetes and the Tenchteri, German tribes, with 800 of their own horse, put to flight about 5000 of Cæsar’s horse. When they sent ambassadors to Cæsar he held them as prisoners and made an attack on them, and took them so completely by surprise that 400,000 of them were

cut to pieces. One writer says that Cato in the Roman Senate proposed that Cæsar should be surrendered to the barbarians for this deed of blood perpetrated while negotiations were pending. But Cæsar in his own diary says that when the Usipetes and Tenchteri were ordered to go back forthwith to their former homes, they replied that they had sent ambassadors to the Suevi, who had driven them away, and that they were waiting for their answer; that while these negotiations were pending, they set upon his men with 800 of their horse, and by the suddenness of the attack put to flight his 5000; and that when they sent another embassy to explain this violation of good faith he suspected a similar deception, and made his attack before (B.C. 55) giving his answer."

FROM "THE EMBASSIES"

"Straightway they stirred up the Britons to violate the oath, complaining that while a treaty with them was in force the camp was still among them."

FROM SUIDAS

(Y.R. 700) "Cæsar apprehending an attack on [Quintus] Cicero turned (B.C. 54) back."

FROM SUIDAS

"Britores seduced the Ædui from their Roman allegiance. When Cæsar reproached them for this, they said that an ancient alliance had the precedence.

Fragments

(Y.R. 502) “BOTH Romans and Carthaginians were destitute of money; (B.C. 252) and the Romans could no longer build ships, being exhausted by taxes, yet they levied foot soldiers and sent them to Africa and Sicily from year to year, while the Carthaginians sent an embassy to Ptolemy, the son of Ptolemy the son of Lagus, king of Egypt, seeking to borrow 2000 talents. He was on terms of friendship with both Romans and Carthaginians, and he sought to bring about peace between them. As he was not able to accomplish this, he said: “It behooves one to assist friends against enemies, but not against friends.”“

FROM “THE EMBASSIES”

(Y.R. 512) “When the Carthaginians had met with two disasters on land at the same time, and two at sea where they had considered themselves much the superior, and were already short of money, ships, and men, they sought an armistice from Lutatius and having obtained it sent an embassy to Rome to

negotiate a treaty on certain limited conditions. With their own embassy they sent Atilius Regulus, the consul, who was their prisoner, to urge his countrymen to agree to the terms. When he came into the senate-chamber, clad as a prisoner in Punic garments, and the Carthaginian ambassadors had retired, he exposed to the Senate the desperate state of Carthaginian affairs, and advised that either the war should be prosecuted vigorously, or that more satisfactory conditions of peace should be insisted on. For this reason, (B.C. 242) after he had returned voluntarily to Carthage, the Carthaginians put him to death by enclosing him in a standing posture in a box the planks of which were stuck full of iron spikes so that he could not possibly lie down. Nevertheless peace was made on conditions more satisfactory to the Romans.

[2] καὶ ἦν ἐφ' οἷς συνέθεντο, τὰ μὲν αἰχμάλωτα Ῥωμαίων καὶ τοὺς αὐτομόλους, ὅσοι παρὰ Καρχηδονίοις εἰσὶ, Ῥωμαίοις εὐθὺς ἀποδοῦναι, καὶ Σικελίας Ῥωμαίοις ἀποστήναι καὶ τῶν βραχυτέρων νήσων ὅσαι περὶ Σικελίαν, Συρακοσίαις δὲ ἢ Ἰέρωνι τῷ Συρακουσῶν τυράννῳ πολέμου Καρχηδονίους μὴ κατάρχειν, μηδὲ ἐκ τῆς Ἰταλίας ξενολογεῖν, ποινὴν δὲ τοῦ πολέμου Ῥωμαίοις ἐνεγκεῖν τάλαντα Εὐβοϊκὰ δισχίλια ἐν ἔτεσιν εἴκοσι, τὸ μέρος ἐκάστου ἔτους ἐς Ῥώμην ἀναφέροντας. ἔχει δὲ τὸ Εὐβοϊκὸν τάλαντον Ἀλεξανδρείους δραχμὰς ἑπτακισχιλίας. ὁ μὲν δὴ πρῶτος περὶ Σικελίας Ῥωμαίοις καὶ Καρχηδονίοις πόλεμος, ἔτεσιν εἴκοσι καὶ τέσσαρσιν αὐτοῖς γενόμενος, ἐς τοῦτο ἐτελεύτα. καὶ ἀπώλοντο νῆες ἐν αὐτῷ Ῥωμαίων ἑπτακόσαι, Καρχηδονίων δὲ πεντακόσαι. [2] The conditions were these: All Roman prisoners and deserters held by the Carthaginians were to be delivered up; Sicily and the small neighboring islands to be surrendered to the Romans; the Carthaginians not to initiate any war against Syracuse or its ruler, Hiero, nor to recruit mercenaries in any part of Italy; the Carthaginians to pay the Romans a war indemnity of 2000 Euboic talents in twenty years, in yearly instalments payable at Rome. The Euboic talent is equal to 7000 Alexandrine drachmas. So ended the first war between the Romans and the Carthaginians for the possession of Sicily, having lasted twenty-four years, in which the Romans lost 700 ships and the Carthaginians 500. In this way the chief part of Sicily (all of it that had been held by the Carthaginians) passed into the possession of the Romans. The latter levied tribute on the Sicilians, and apportioned certain naval charges among their towns, and sent a prætor each year to govern them. On the other hand Hiero, the ruler of Syracuse, who had coöperated with them in this war, was declared to be their friend and ally.

[3] When this war was ended the Gallic mercenaries demanded of the Carthaginians the pay still due to them for their service in Sicily, together with the presents that Hamilcar had promised to give them. The African soldiers, although they were Carthaginian subjects, demanded the same things, on account of their service in Sicily, and this they did the more arrogantly as they saw that the Carthaginians were weakened and humbled; they were angry also on account of the killing of 3000 of their own number whom the Carthaginians had crucified for deserting to the Romans. When the Carthaginians refused the demands of both Gauls and Africans, they joined together and seized the city of Tunis, and also Utica, the largest city in Africa after Carthage. Starting thence they detached the rest of Africa, and brought over to their side some Numidians, and received into their ranks a vast number of fugitive slaves, and pillaged the Carthaginian possessions in every direction. Being pressed by enemies on all sides the Carthaginians appealed to the Romans for aid against the Africans. The Romans did not send them a military force, but allowed them to draw supplies from Italy and Sicily, and to recruit mercenaries in Italy for this war only. They also sent deputies to Africa to arrange peace if they could, but they returned without accomplishing anything. The Carthaginians prosecuted the war vigorously.”

FROM “THE EMBASSIES”

(Y.R. 540) “Hippocrates and Epicydes, two brothers, were generals (B.C. 214) of the Syracusans. They had been for a long time incensed against the Romans, and when they could not stir up their fellow-countrymen to war, they went over to the Leontines, who had some differences with the Syracusans. They accused their own countrymen of renewing a separate league with the Romans, although Hiero had made one to include the whole of Sicily. The Leontines were much stirred up by this. The Syracusans made proclamation that if anybody would bring them the head of Hippocrates or of Epicydes, they would give him its weight in gold. But the Leontines chose Hippocrates as their general.”

FROM PEIRESC

(Y.R. 542) “The Sicilians, who had been for a long time embittered (B.C. 212) against the Roman general Marcellus, on account of his severity, were still more excited against him because he had gained entrance to Syracuse by treachery. For this reason they joined themselves to Hippocrates, and took an oath together that none of them would make peace without the others, and sent him supplies and an army of 20,000 foot and 5000 horse.”

FROM PEIRESC

“Marcellus was in such bad odor that nobody would trust him except under oath, for which reason, when the Tauro-menians gave themselves up to him, he made an agreement and confirmed it with an oath, that he would not station any guard in their city nor require the inhabitants to serve as soldiers.”

FROM PEIRESC

(Y.R. 680) “The island of Crete seemed to be favorably disposed (B.C. 74) towards Mithridates, king of Pontus, from the beginning, and it was said that they furnished him mercenaries when he was at war with the Romans. It is believed also that they recommended to the favor of Mithridates the pirates who then infested the sea, and openly assisted them when they were pursued by Marcus Antonius. When Antonius sent legates to them on this subject, they made light of the matter and gave him a disdainful answer. Antonius forthwith made war against them, and although he did not accomplish much, he gained the title of Creticus for his work. He was the father of the Mark Antony who, at a later period, fought against Octavius Cæsar at Actium. When the Romans declared war against the Cretans, on account of these things, the latter sent an embassy to Rome to treat for peace. The Romans ordered them to surrender Lasthenes, the author of the war against Antonius, and to deliver up all their pirate ships and all the Roman prisoners in their hands, together with 300 hostages, and to pay 4000 talents of silver. (Y.R. 685)

[2] οὐ δεξαμένων δὲ ταῦτα Κρητῶν ἡρέθη στρατηγὸς ἐπ’ αὐτοὺς Μέτελλος. καὶ νικᾷ μὲν ὁ Μέτελλος ἐν Κυδωνίᾳ Λασθένη, καὶ φυγόντος ἐς Κνωσσὸν Πανάρης Μετέλλῳ τὴν Κυδωνίαν παρέδωκεν ἐπὶ συνθήκῃ, μηδὲν παθεῖν αὐτός. Μετέλλου δὲ Κνωσσὸν περικαθημένου, ὁ Λασθένης τὴν οἰκίαν χρημάτων πλήσας κατέφλεξε, καὶ διέφυγεν ἀπὸ τῆς Κνωσσοῦ. καὶ οἱ Κρηῖτες ἐς Πομπήιον Μάγνον, στρατηγοῦντα τοῦ ληστικοῦ καὶ Μιθριδατείου πολέμου, πέμψαντες ἔφασαν ἑαυτοὺς ἐλθόντι ἐπιτρέψαι. ὁ δὲ ἀσχόλως τότε ἔχων ἐκέλευε τὸν Μέτελλον, ὡς οὐ δέον ἔτι πολεμεῖν τοῖς ἑαυτοῦς ἐπιτρέπουσιν, ἐξανίστασθαι τῆς νήσου: παραλήψεσθαι γὰρ αὐτὸς αὐτὴν ἐπελθών. ὁ δὲ οὐ φροντίσας ἐπέμεινε τῷ πολέμῳ, μέχρι ὑπηγάγετο αὐτὴν, Λασθένει συνθέμενος ὅμοια Πανάρει. καὶ ἐθριάμβευσε, καὶ Κρητικὸς ἐκλήθη ὁδε δικαιοτέρον Ἀντωνίου, τὴν νῆσον ἐξεργασάμενος.”

“ὅτι Κλώδιος ὁ πατρίκιος, ὁ ποῦλχερ ἐπίκλην, τοῦτ’ ἔστιν εὐπρεπής, τῆς Γαΐου Καίσαρος γυναικὸς ἦρα. καὶ ἀρμόσασθαι αὐτὸν ἐς γυναῖκα ἐκ κεφαλῆς ἐς ἄκρους πόδας, ἔτι ὄντα ἀγένειον, καὶ ἐς τὴν οἰκίαν τοῦ Γαΐου παρελθεῖν οἷα γυναῖκα νυκτός, ὅτε μόναις γυναιξὶν ἐξῆν ἐσελθεῖν, μυστηρίων ἀγομένων. πλανηθέντα δὲ τῆς ὁδηγούσης, κατάφωρον ὑπ’ ἄλλων ἐκ τῆς φωνῆς γενόμενον ἐξελαθῆναι.”

Val. .

[2] As the Cretans would not accept these conditions, Metellus was chosen as the general against them. He gained a victory over Lasthenes at Cydonia. The latter fled to Gnosus, and Panares delivered over Cydonia to Metellus on condition of his own safety. While Metellus was besieging Gnosus, Lasthenes set fire to his own house there, which was full of money, and fled from the place. Then the Cretans sent word to Pompey the Great, who was conducting the war against the pirates, and against Mithridates, that if he would come they would surrender themselves to him. As he was then busy with other things, he commanded Metellus to withdraw from the island, as it was not seemly to continue a war against those who offered to give themselves up, and he said that he would come to receive the surrender of the island later. Metellus paid no attention to this order, but pushed on the war until the island was subdued, making the same terms with Lasthenes as he had made with Panares. (B.C. 69) Metellus was awarded a triumph and the title of Creticus with more justice than Antonius, for he actually subjugated the island.”

FROM “THE EMBASSIES”

(Y.R. 692) “The patrician Clodius, surnamed Pulcher, which means (B.C. 62) handsome, was in love with Cæsar’s wife. He arrayed himself in woman’s clothes from head to foot, being still without a beard, and gained admission to Cæsar’s house as a woman in the night, at a time when the mysteries [of the Bona Dea] were celebrated, to which only women were admitted. Having lost his guide, and being detected by others by the sound of his voice, he was hustled out.”

CHAPTER I

Boundaries of Spain — King Arganthonius — Early Carthaginian Occupation — Hamilcar Barca — His Death

THE Pyrenees mountains extend from the Tyrrhenian sea to the Northern ocean. The eastern part is inhabited by Celts, otherwise called Galatians, and more lately Gauls. From this part westward, beginning at the Tyrrhenian sea and making a circuit by way of the Pillars of Hercules to the Northern ocean, the Iberians and Celtiberians dwell. Thus the whole of Iberia is sea-girt, except the part embraced by the Pyrenees, the largest and perhaps the most precipitous mountains in Europe. In coasting they follow the Tyrrhenian sea as far as the Pillars of Hercules. They do not traverse the Western and Northern ocean, except in crossing over to Britain, and this they accomplish by availing themselves of the tide, as it is only half a day's journey. For the rest, neither the Romans nor any of the subject peoples navigate that ocean. The size of Iberia (now called Hispania by some) is almost incredible for a single country. Its breadth is reckoned at ten thousand stades, and its length is equal to its breadth. Many nations of various names inhabit it, and many navigable rivers flow through it.

[2] οἱ τινες δ' αὐτὴν οἰκῆσαι πρῶτοι νομίζονται, καὶ οἱ μετ' ἐκείνους κατέσχον, οὐδὲν μοι ταῦτα φροντίζειν ἀρέσκει, μόνα τὰ Ῥωμαίων συγγράφοντι, πλὴν ὅτι Κελτοὶ μοι δοκοῦσι ποτε, τὴν Πυρηνὴν ὑπερβάντες, αὐτοῖς συνοικῆσαι, ὅθεν ἄρα καὶ τὸ Κελτιβήρων ὄνομα ἐρρῦν. δοκοῦσι δέ μοι καὶ Φοίνικες, ἐς Ἰβηρίαν ἐκ πολλοῦ θαμινὰ ἐπ' ἐμπορίᾳ διαπλέοντες, οἰκῆσαι τινα τῆς Ἰβηρίας, Ἑλληνές τε ὁμοίως, ἐς Ταρτησσὸν καὶ Ἀργανθώνιον Ταρτησσοῦ βασιλέα πλέοντες, ἐμμεῖναι καὶ τῶνδ' εἰς τινες ἐν Ἰβηρίᾳ: ἡ γὰρ Ἀργανθωνίου βασιλεία ἐν Ἰβηρσίην ἦν. καὶ Ταρτησσός μοι δοκεῖ τότε εἶναι πόλις ἐπὶ θαλάσσης, ἣ νῦν Καρπησσός ὀνομάζεται. τό τε τοῦ Ἡρακλέους ἱερὸν τὸ ἐν στήλαις Φοινικῆς μοι δοκοῦσιν ἰδρύσασθαι: καὶ θρησκεύεται νῦν ἔτι φοινικικῶς, ὃ τε θεὸς αὐτοῖς οὐχ ὁ Θηβαῖός ἐστιν ἀλλ' ὁ Τυρίων. ταῦτα μὲν δὴ τοῖς παλαιολογοῦσι μεθεῖσθω.

[2] What nations occupied it first, and who came after them, it is not very important for me to inquire, in writing merely Roman history. However, I think that the Celts, passing over the Pyrenees at some former time, mingled with the natives, and that the name Celtiberia originated in that way. I think also that from an early time the Phœnicians frequented Spain for purposes of trade, and occupied certain places there. In like manner the Greeks visited Tartessus and its king Arganthonius, and some of them settled in Spain; for the kingdom of Arganthonius was in Spain. It is my opinion that Tartessus was then the city on the seashore which is now called Carpeessus. I think also that the Phœnicians built the temple of Hercules which stands at the straits.

The religious rites performed there are still of Phoenician type, and the god is considered by the worshippers the Tyrian, not the Theban, Hercules. But I will leave these matters to the antiquaries.

[3] τὴν δὲ γῆν τήνδε εὐδαίμονα οὖσαν καὶ μεγάλων ἀγαθῶν γέμουσαν Καρχηδόνιοι πρὸ Ῥωμαίων ἥρξαντο πολυπραγμονεῖν, καὶ μέρος αὐτῆς τὸ μὲν εἶχον ἤδη, τὸ δ' ἐπόρθουν, μέχρι Ῥωμαῖοι σφᾶς ἐκβαλόντες, ἃ μὲν εἶχον οἱ Καρχηδόνιοι τῆς Ἰβηρίας, ἔσχον αὐτίκα, τὰ δὲ λοιπὰ σὺν χρόνῳ πολλῷ καὶ πόνῳ λαμβανόμενά τε ὑπὸ σφῶν καὶ πολλάκις ἀφιστάμενα χειρωσάμενοι διεῖλον ἐς τρία, καὶ στρατηγούς ἐς αὐτὰ πέμπουσι τρεῖς. ὅπως δ' εἶλον ἕκαστα, καὶ ὅπως Καρχηδονίοις τε περὶ αὐτῶν καὶ μετὰ Καρχηδονίους Ἰβηρσι καὶ Κελτίβηρσιν ἐπολέμησαν, δηλώσει τόδε τὸ βιβλίον, μοῖραν μὲν ἐς Καρχηδονίους τὴν πρώτην ἔχον· ὅτι δὲ καὶ τοῦτο περὶ Ἰβηρίας ἦν, ἀνάγκη μοι συνενεγκεῖν ἐς τὴν Ἰβηρικὴν συγγραφὴν ἐγένετο, ὃ λόγῳ καὶ τὰ περὶ Σικελίας Ῥωμαίοις καὶ Καρχηδονίοις ἐς ἀλλήλους γενόμενα, ἀρξάμενα Ῥωμαίοις τῆς ἐς Σικελίαν παρόδου τε καὶ ἀρχῆς ἐς τὴν Σικελικὴν συνενήνεκται γραφήν.

[3] This fruitful land, abounding in all good things, the Carthaginians began to exploit before the Romans. A part of it they occupied and another part they plundered, until the Romans expelled them from the part they held, and immediately occupied it themselves. The remainder the Romans acquired with much toil, extending over a long period of time, and in spite of frequent revolts they eventually subdued it and divided it into three parts and appointed a praetor over each. How they subdued each one, and how they contended with the Carthaginians for the possession of them, and afterwards with the Iberians and Celtiberians, this book will show, the first part containing matters relating to the Carthaginians, since it was necessary for me to introduce their relations with Spain in my Spanish history. For the same reason the doings of the Romans and Carthaginians in respect to Sicily from the beginning of the Roman invasion and rule of that island are embraced in the Sicilian history.

[4] πρὸς γὰρ δὴ Καρχηδονίους Ῥωμαίοις πρῶτος ἐγένετο πόλεμος ἑκδημος περὶ Σικελίας ἐν αὐτῇ Σικελίᾳ, καὶ δεύτερος ὁδε περὶ Ἰβηρίας ἐν Ἰβηρίᾳ, ἐν ᾗ καὶ ἐς τὴν ἀλλήλων μεγάλοις στρατοῖς διαπλέοντες οἱ μὲν τὴν Ἰταλίαν, οἱ δὲ τὴν Λιβύην ἐπόρθουν. ἥρξαντο δὲ αὐτοῦ μεθ' ἑκατὸν καὶ τεσσαράκοντα ὀλυμπιάδας μάλιστα, ὅτε τὰς σπονδὰς ἔλυσαν αἱ ἐπὶ τῷ Σικελικῷ πολέμῳ σφίσιν ἦσαν γενόμεναι. ἔλυσαν δ' ἐκ τοιαύδε προφάσεως.

Ἀμίλχαρ ὁ Βάρκας ἐπὶ κλησιν, ὅτε περ ἐν Σικελίᾳ Καρχηδονίων ἐστρατήγει, Κελτοῖς τότε μισθοφοροῦσιν οἱ καὶ Λιβύων τοῖς συμμαχοῦσι πολλὰς δωρεὰς ὑπέσχητο δώσειν, ἅς, ἐπειδὴ ἐπανῆλθεν ἐς Λιβύην, ἀπαιτούντων ἐκείνων ὁ Λιβυκὸς Καρχηδονίοις ἐξῆπτο πόλεμος, ἐν ᾗ πολλὰ μὲν πρὸς αὐτῶν Λιβύων ἔπαθον οἱ Καρχηδόνιοι, Σαρδόνα δὲ Ῥωμαίοις ἔδοσαν ποινὴν ὧν ἐς τοὺς ἐμπόρους αὐτῶν ἡμαρτήκεσαν ἐν τῷδε τῷ Λιβυκῷ πολέμῳ. ὑπαγόντων οὖν ἐπὶ τοῖσδε τὸν Βάρκαν τῶν ἐχθρῶν ἐς κρίσιν ὡς αἴτιον τῇ πατρίδι τοσῶνδε συμφορῶν γενόμενον, θεραπεύσας ὁ Βάρκας τοὺς πολιτευομένους, ὧν ἦν

δημοκοπικώτατος Ἀσδρούβας ὁ τὴν αὐτοῦ Βάρκα θυγατέρα ἔχων, τὰς τε δίκας διεκρούετο, καὶ Νομάδων τινὸς κινήματος γενομένου στρατηγὸς ἔπραξεν ἐπ' αὐτοὺς αἰρεθῆναι μετ' Ἄννωνος τοῦ μεγάλου λεγομένου, ἔτι τὰς εὐθύνας τῆς προτέρας στρατηγίας ὀφείλων.

[4] The first external war waged by the Romans against the Carthaginians in reference to Sicily was waged in Sicily itself. In like manner the first one concerning Spain was waged in Spain, although in the course of it the combatants sent large forces into, and devastated, both Italy and Africa. (Y.R. 536) This war began about the 140th Olympiad by the infraction (B.C. 218) of a treaty which had been made at the end of the Sicilian war. The infraction came about in this way. Hamilcar, surnamed Barca, while commanding the Carthaginian forces in Sicily, had promised large rewards to his Celtic mercenaries and African allies, which they demanded after he returned to Africa; and thereupon the African war was kindled. In this war the Carthaginians suffered severely at the hands of the Africans, and they ceded Sardinia to the Romans as compensation for injuries they had inflicted upon Roman merchants during this war. When Hamilcar was brought to trial for these things by his enemies, who held him to blame for such serious calamities to the country, he secured the favor of the chief men in the state (of whom the most popular was Hasdrubal, who had married Barca's daughter), by which means he escaped punishment; and as a disturbance with the Numidians broke out about this time, he secured the command of the Carthaginian forces in conjunction with Hanno the Great, although he had not yet rendered an account of his former generalship. (Y.R. 516)

[5] πανομένου δὲ τοῦ πολέμου, καὶ Ἄννωνος ἐπὶ διαβολαῖς ἐς Καρχηδόνα μεταπέμπτου γενομένου, μόνος ὢν ἐπὶ στρατῷ, καὶ τὸν κηδεστήν Ἀσδρούβαν ἔχων οἱ συνόντα, διήλθεν ἐπὶ Γάδειρα, καὶ τὸν πορθμὸν ἐς Ἰβηρίαν περάσας ἐλεηλάτει τὰ Ἰβήρων οὐδὲν ἀδικούντων, ἀφορμὴν αὐτῷ ποιούμενος ἀποδημίας τε καὶ ἔργων καὶ δημοκοπίας ὅσα γὰρ λάβοι διήρει, καὶ τὰ μὲν ἐς τὸν στρατὸν ἀνάλυσκεν, ἵνα προθυμότερον αὐτῷ συναδικοῖεν, τὰ δ' ἐς αὐτὴν ἔπεμπε Καρχηδόνα, τὰ δὲ τοῖς ὑπὲρ αὐτοῦ πολιτευομένοις διεδίδου, μέχρι Ἰβήρων αὐτὸν οἱ τε βασιλεῖς συστάντες οἱ κατὰ μέρος, καὶ ὅσοι ἄλλοι δυνατοί, κτείνουσιν ὧδε. ξύλων ἀμάξας ἄγοντες, αἷς βοῦς ὑπέξευξαν, εἶποντο ταῖς ἀμάξαις ὠπλισμένοι. τοῖς δὲ Λίβυσιν ἰδοῦσιν εὐθὺς μὲν ἐνέπιπτε γέλως, οὐ συνιεῖσι τοῦ στρατηγήματος· ὥς δ' ἐν χερσὶν ἐγένοντο, οἱ μὲν Ἰβηρες αὐταῖς βουσὶν ἐξήψαν τὰς ἀμάξας καὶ ἐξώτρυναν ἐς τοὺς πολεμίους, τὸ δὲ πῦρ σκιδναμένων τῶν βοῶν πάντῃ φερόμενον ἐτάρασσε τοὺς Λίβυας. καὶ τῆς τάξεως διαλυθείσης, οἱ Ἰβηρες αὐτοῖς ἐπιδραμόντες αὐτόν τε τὸν Βάρκαν καὶ πολὺ πλῆθος ἀμυνομένων ἐπ' αὐτῷ διέφθειραν.

[5] At the end of this war, Hanno was recalled to answer (B.C. 238) certain charges against him in Carthage, and Hamilcar was left in sole command of the army. He associated his son-in-law Hasdrubal with him, crossed the straits

to Gades and began to plunder the territory of the Spaniards, although they had done him no wrong. Thus he made for himself an occasion for being away from home, and also for performing exploits and acquiring popularity. For whatever property he took he divided, giving one part to the soldiers, to stimulate their zeal for future plundering with him. Another part he sent to the treasury of Carthage, and a third he distributed to the chiefs of his own faction there. This continued until certain Spanish kings and other chieftains gradually united and put him to death in the following manner. They loaded a lot of wagons with wood and drove them in advance with oxen, they following behind (Y.R. 525) prepared for battle. When the Africans saw this they fell (B.C. 229) to laughing, not perceiving the stratagem. When they came to close quarters the Spaniards set fire to the wagons and drove the oxen against the enemy. The fire, being carried in every direction by the fleeing oxen, threw the Africans into confusion. Their ranks being thus broken the Spaniards dashed among them and killed Hamilcar himself and a great many others who came to his aid.

CHAPTER II

Hasdrubal succeeds Hamilcar — Rise of Hannibal — He attacks Saguntum — The Saguntines appeal to Rome

[6] οἱ δὲ Καρχηδόνιοι τοῖς κέρδεσιν ἤδη τοῖς ἐξ Ἰβηρίας ἀρσσκοόμενοι, στρατιὰν ἄλλην ἐπεμπον ἐς Ἰβηρίαν, καὶ στρατηγὸν ἀπάντων ἀπέφηναν Ἀσδρούβαν τὸν τοῦ Βάρκα κηδεστήν, ὄντα ἐν Ἰβηρίᾳ. ὁ δὲ Ἀννίβαν τὸν οὐ πολὺ ὕστερον ἀοίδιμον ἐπὶ στρατηγίαις, παῖδά τε ὄντα τοῦ Βάρκα καὶ τῆς γυναικὸς οἱ γιγνόμενον ἀδελφὸν ἔχων ἐν Ἰβηρίᾳ, νέον ὄντα καὶ φιλοπόλεμον καὶ ἀρέσκοντα τῷ στρατῷ ὑποστράτηγον ἀπέφηνεν. καὶ τῆς τε Ἰβηρίας τὰ πολλὰ πειθοῖ προσήγετο, πιθανὸς ὢν ὁμιλῆσαι, ἐς τε τὰ βίας δεόμενα τῷ μεираκίῳ χρώμενος προῆλθεν ἀπὸ τῆς ἐσπερίου θαλάσσης ἐς τὸ μεσόγειον ἐπὶ Ἰβηρα ποταμόν, ὃς μέσσην που μάλιστα τέμνων τὴν Ἰβηρίαν, καὶ τῆς Πυρρήνης ἀφεστὼς ὁδὸν ἡμερῶν πέντε, ἐξίησιν ἐς τὸν βόρειον ὠκεανόν.

[6] The Carthaginians, enjoying the gains they had received from Spain, sent another army thither and appointed Hasdrubal, the son-in-law of Hamilcar, who was still in Spain, commander of all their forces there. He had with him in Spain Hannibal, the son of Hamilcar and brother of his own wife, a young man zealous in war, beloved by the army, and who soon after became famous for his military exploits. Him he appointed lieutenant-general. Hasdrubal brought many Spanish tribes to his support by persuasion, for he was attractive in personal intercourse, and where force was needed he made use of the young man. In this way he pushed forward from the Western ocean to the interior as far as the river Iberus (Ebro), which divides Spain about in the centre, and at a distance of about five days' journey from the Pyrenees flows down to the Northern ocean.

[7] Ζακανθαῖοι δέ, ἄποικοι Ζακυνθίων, ἐν μέσῳ τῆς τε Πυρρήνης καὶ τοῦ ποταμοῦ τοῦ Ἰβηροῦ ὄντες, καὶ ὅσοι ἄλλοι Ἕλληνες περὶ τε τὸ καλούμενον Ἐμπόριον καὶ εἰς πῃ τῆς Ἰβηρίας ὥκουν ἀλλαχοῦ, δεισαντες ὑπὲρ σφῶν ἐπρέσβευον ἐς Ῥώμην. καὶ ἡ σύγκλητος οὐκ ἐθέλουσα τὰ Καρχηδονίων ἐπαίρεσθαι, πρέσβεις ἐς Καρχηδόνα ἐπεμπεν. καὶ συνέβησαν ἀμφοτέροι ὅρον εἶναι Καρχηδονίους τῆς ἀρχῆς τῆς ἐν Ἰβηρίᾳ τὸν Ἰβηρα ποταμόν, καὶ μήτε Ῥωμαίους τοῖς πέραν τοῦδε τοῦ ποταμοῦ πόλεμον ἐκφέρειν, Καρχηδονίων ὑπηκόοις οὔσι, μήτε Καρχηδονίους ἐπὶ πολέμῳ τὸν Ἰβηρα διαβαίνειν, Ζακανθαίους δὲ καὶ τοὺς ἄλλους ἐν Ἰβηρίᾳ Ἕλληνας αὐτονόμους καὶ ἐλευθέρους εἶναι. καὶ τάδε ταῖς συνθήκαις ταῖς Ῥωμαίων καὶ Καρχηδονίων προσεγράφη.

[7] The Saguntines, a colony of the island of Zacynthus, who lived about midway between the Pyrenees and the river Iberus, and other Greeks who dwelt in the neighborhood of Emporia and other Spanish towns, having

apprehensions for their safety, sent ambassadors to Rome. The Senate, who were unwilling to see the Carthaginian power augmented, sent an embassy to Carthage. It was agreed between them that the limit of the Carthaginian power in Spain should be the river Iberus; that beyond that river the Romans should not carry war against the subjects of Carthage, nor should the Carthaginians cross it for a similar purpose; and that the Saguntines and the other Greeks in Spain should remain free and autonomous. So these agreements were added to the treaties between Rome and Carthage. (Y.R. 534)

[8] Ἀσδρούβαν δὲ ἐπὶ τοῖσδε Ἰβηρίαν τὴν ὑπὸ Καρχηδονίοις καθιστάμενον ἀνὴρ δοῦλος, οὗ τὸν δεσπότην ὠμῶς διεφθάρκει, λαθὼν ἐν κυνηγεσίοις ἀναιρεῖ. καὶ τόνδε μὲν Ἀννίβας ἐλεγχθέντα δεινῶς αἰκισάμενος διέφθειρεν: ἡ στρατιὰ δὲ τὸν Ἀννίβαν, καίπερ ὄντα κομιδῇ νέον, ἀρέσκοντα δὲ ἰσχυρῶς, στρατηγὸν ἀπέδειξαν αὐτῶν: καὶ ἡ Καρχηδονίων βουλὴ συνέθετο. ὅσοι δὲ τοῦ Βάρκα διαπολῖται τὴν Βάρκα τε καὶ Ἀσδρούβα δύναμιν ἐδεδοίκεσαν, ὡς ἔμαθον αὐτοὺς τεθνεῶτας, Ἀννίβα κατεφρόνουν ὡς νέου, καὶ τοὺς ἐκείνων φίλους τε καὶ στασιώτας ἐδίωκον ἐπὶ τοῖς ἐκείνων ἐγκλήμασιν. ὃ τε δῆμος ἅμα τοῖς κατηγοροῦσιν ἐγίγνετο, μνησικακῶν τοῖς διωκομένοις τῆς βαρύτητος τῆς ἐπὶ Βάρκα τε καὶ Ἀσδρούβα: καὶ τὰς δωρεὰς ἐκέλευον αὐτούς, ὅσας μεγάλας Ἀσδρούβας τε καὶ Βάρκας αὐτοῖς ἐπεπόμφεσαν, ἐς τὸ κοινὸν ἐσενεγκεῖν ὡς ἐκ τῶν πολεμίων πεπορισμένας. οἱ δὲ ἐπέστελλον τῷ Ἀννίβᾳ, σφίσι τε ἐπικουρεῖν δεόμενοι, καὶ διδάσκοντες ὅτι καὶ αὐτὸς ἔσοιτο τοῖς πατρώοις ἐχθροῖς εὐκαταφρόνητος, εἰ τοὺς ἐν τῇ πατρίδι συνεργεῖν αὐτῷ δυναμένους ὑπερίδοι.

[8] Some time later, while Hasdrubal was governing that (B.C. 220) part of Spain belonging to Carthage, a slave whose master he had cruelly put to death killed him secretly in a hunting expedition. Hannibal convicted him of this crime and put him to death with dreadful tortures. Now the army proclaimed Hannibal, although still very young, yet greatly beloved by the soldiers, their general, and the Carthaginian Senate confirmed the appointment. Those of the opposite faction, who had feared the power of Hamilcar and Hasdrubal, when they learned of their death, despised Hannibal on account of his youth and prosecuted their friends and partisans with the old charges. The people took sides with the accusers, bearing a grudge against those now prosecuted, because they remembered the old severities of the times of Hamilcar and Hasdrubal, and ordered them to turn into the public treasury the large gifts that Hamilcar and Hasdrubal had bestowed upon them, as being enemy's spoils. The prosecuted parties sent messengers to Hannibal asking him to assist them, and admonished him that, if he should neglect those who were able to assist him at home, he would be thoroughly despised by his father's enemies.

[9] ὁ δὲ καὶ ταῦτα προεώρα, καὶ τὰς ἐκείνων δίκας ἀρχὴν ἐφ' ἑαυτὸν οὕσαν ἐπιβουλῆς: οὐδ' ἡξίου τὴν ἐχθραν, ὥσπερ ὁ πατὴρ καὶ ὁ κηδεστής, ἔσαι καὶ

μετὰ φόβου διαφέρειν, οὐδ' ἐπὶ τῷ Καρχηδονίων κουφόνῳ μέχρι παντὸς εἶναι, ῥαδίως ἐς εὐεργέτας πρὸς ἀχαριστίαν τρεπομένων. ἐλέγετο δὲ καὶ παῖς ὢν ἐπὶ ὑπὸ τοῦ πατρὸς ὀρκωθῆναι ἐπὶ ἐμπύρων ἄσπειστος ἐχθρὸς ἔσσεσθαι Ῥωμαίοις, ὅτε ἐς πολιτείαν παρέλθοι. διὰ δὴ ταῦτ' ἐπενόει μεγάλους καὶ χρονίους πράγμασι τὴν πατρίδα περιβαλὼν, καὶ καταστήσας ἐς ἀσχολίας καὶ φόβους, τὸ ἑαυτοῦ καὶ τὰ τῶν φίλων ἐν ἀδεῇ θέσθαι. Λιβύην μὲν οὖν εὐσταθοῦσαν ἑώρα, καὶ Ἰβήρων ὅσα ὑπήκοα ἦν· εἰ δὲ πρὸς Ῥωμαίους πόλεμον αὐθις ἀναρριπίσειεν, οὗ μάλιστα ἐπεθύμει, ἐδόκει Καρχηδονίους μὲν ἐν φροντίσι καὶ φόβοις ἔσσεσθαι μακροῖς, αὐτὸς δέ, εἴτε κατορθώσειεν, ἐπὶ κλέους ἀθανάτου γενήσεσθαι, τὴν πατρίδα τῆς οἰκουμένης γῆς ἄρχουσαν ἀποφήνας 'οὐ γὰρ εἶναί τινας ἀντιμάχους αὐτοῖς ἐπὶ Ῥωμαίοις', εἴτε καὶ πταίσειε, μεγάλην καὶ ὥς τὸ ἐγχείρημα αὐτῷ δόξαν οἴσειν.

[9] He had foreseen all this and he knew that the persecution of his friends was the beginning of a plot against himself. He determined that he would not endure this enmity as a perpetual menace, as his father and brother-in-law had done, nor put up forever with the fickleness of the Carthaginians, who usually repaid benefits with ingratitude. It was said also that when he was a boy he had taken an oath upon the altar, at his father's instance, that when he should arrive at man's estate he would be the implacable enemy of Rome. For these reasons he thought that, if he could involve his country in arduous and protracted undertakings and plunge it into doubts and fears, he would place his own affairs and those of his friends in a secure position. He beheld Africa, however, and the subject parts of Spain in peace. But if he could stir up a war with Rome, which he strongly desired, he thought that the Carthaginians would have enough to think about and to be afraid of, and that if he should be successful, he would reap immortal glory by gaining for his country the government of the habitable world (for when the Romans were conquered there would be no other rivals), and if he should fail, the attempt itself would bring him great renown.

[10] ἀρχὴν δὲ ὑπολαμβάνων ἔσσεσθαι λαμπρὰν εἰ τὸν Ἰβηρα διαβαίη, Τορβολήτας, οἱ γείτονές εἰσι Ζακανθαίων, ἀνέπεισε τῶν Ζακανθαίων παρὰ οἱ καταβοᾶν ὡς τὴν τε χώραν αὐτῶν ἐπιτρεχόντων καὶ πολλὰ σφᾶς ἄλλα ἀδικούντων. οἱ δὲ ἐπείθοντο. καὶ πρέσβεις αὐτῶν ὁ Ἀννίβας ἐς Καρχηδόνα ἔπεμπε, αὐτὸς τε ἐν ἀπορρήτοις ἔγραφε Ῥωμαίους τὴν ὑπὸ Καρχηδονίοις Ἰβηρίαν ἀναπεῖθαι ἀπὸ Καρχηδονίων ἀφίστασθαι, καὶ Ζακανθαίους Ῥωμαίοις ταῦτα συμπράσσειν. ὅλως τε τῆς ἀπάτης οὐ μεθίει, πολλὰ τοιαῦτα ἐπιστέλλων, ἕως ἢ βουλὴ προσέταξεν αὐτῷ πράσσειν ἐς Ζακανθαίους ὃ τι δοκιμάσειεν. ὁ δὲ ἐπεὶ τῆς ἀφορμῆς ἐλάβετο, Τορβολήτας αὐθις ἔπραξεν ἐντυχεῖν οἱ κατὰ τῶν Ζακανθαίων, καὶ μετεπέμπετο πρέσβεις, οἱ δὲ ἀφίκοντο μὲν, κελεύοντος δὲ τοῦ Ἀννίβου λέγειν ἑκατέρους ἐφ' ἑαυτοῦ περὶ ὧν διαφέρονται, Ῥωμαίοις ἔφασαν ἐπιτρέψαι τὴν δίκην. ὁ μὲν δὴ ταῦτ' εἰπόντας ἀπέπεμπε ἀπὸ τοῦ στρατοπέδου, καὶ τῆς ἐπιούσης νυκτὸς παντὶ τῷ στρατῷ τὸν Ἰβηρα διαβὰς τὴν χώραν ἐπόρθει καὶ τῇ πόλει μηχανήματα ἐρίστη. ἐλείν

δ' οὐ δυνάμενος ἀπετάφρυνε καὶ φρούρια πολλὰ περιθεις ἐκ διαστημάτων ἐπεφοίτα.

[10] Conceiving that if he should cross the Iberus that would constitute a brilliant beginning, he suborned the Turbuletes, neighbors of the Saguntines, that they should complain to him that the latter were overrunning their country and doing them many other wrongs. They made this complaint. Then Hannibal sent their ambassadors to Carthage, and wrote private letters saying that the Romans were inciting Carthaginian Spain to revolt, and that the Saguntines were coöperating with the Romans for this purpose. Nor did he desist from this deception, but kept sending messages of this kind until the Carthaginian Senate authorized him to deal with the Saguntines as he saw fit. Since he had a pretext, he arranged that the Turbuletes should come again to make complaints against the Saguntines, and that the latter should send legates also. When Hannibal commanded them to explain their differences to him, they replied that they should refer the matter to Rome. Hannibal thereupon (Y.R. 535) ordered them out of his camp, and the next night crossed (B.C. 219) the Iberus with his whole army, laid waste the Saguntine territory, and planted engines against their city. Not being able to take it, he surrounded it with a wall and ditch, stationed plenty of guards, and pushed the siege at intervals.

[11] Ζακανθαῖοι δὲ αἰφνιδίῳ καὶ ἀκαταγγέλτῳ κακῷ συμπεσόντες ἐπρέσβευον ἐς Ῥώμην. καὶ ἡ σύγκλητος αὐτοῖς συνέπεμπε πρέσβεις, οἱ πρῶτον μὲν Ἀννίβαν ἔμελλον ὑπομνήσειν τῶν συγχει μένων, οὐ πειθομένου δὲ ἐς Καρχηδόνα πλευσεῖσθαι κατ' αὐτοῦ: τούτοις τοῖς πρέσβεσι πλεύσασιν ἐς Ἰβηρίαν, καὶ ἐς τὸ στρατόπεδον ἀπὸ θαλάσσης ἀναβαίνουσιν, ὁ Ἀννίβας ἀπηγόρευσε μὴ προσιέναι. καὶ οἱ μὲν ἀπέπλευσαν ἐπὶ Καρχηδόνοσιν σὺν τοῖς πρέσβεσιν τοῖς Ζακανθαίων, καὶ τῶν συνθηκῶν ἀνεμίμνησκον αὐτούς. Καρχηδόνιοι δὲ ἡτιῶντο τοὺς Ζακανθαίους πολλὰ τοὺς ὑπηκόους σφῶν ἀδικεῖν. καὶ Ζακανθαίων οἱ πρέσβεις ἐς δίκην αὐτοὺς προυκαλοῦντο ἐπὶ Ῥωμαίων κριτῶν: οἱ δ' οὐκ ἔφασαν χρήζειν δίκης, ἀμύνεσθαι δυνάμενοι. ὧν ἐς Ῥώμην ἀπαγγελθέντων, οἱ μὲν ἐκέλευον ἤδη συμμαχεῖν τοῖς Ζακανθαίοις, οἱ δ' ἐπέιχον ἔτι, λέγοντες οὐ συμμαχοῦς αὐτοὺς ἐν ταῖς συνθήκαις σφῶν ἀλλ' αὐτονόμους καὶ ἐλευθέρους ἀναγεγράφθαι, ἐλευθέρους δ' ἔτι καὶ τοὺς πολιορκουμένους εἶναι. καὶ ἐκράτησεν ἡ γνώμη.

[11] The Saguntines, oppressed by this sudden and unheralded attack, sent an embassy to Rome. The Senate commissioned its own ambassadors to go with them. They were instructed first to remind Hannibal of the agreement, and if he should not obey to proceed to Carthage and complain against him. When they arrived in Spain and were approaching his camp from the sea, Hannibal forbade their coring. Accordingly they sailed for Carthage with the Saguntine ambassadors, and reminded the Carthaginians of the agreement. The latter accused the Saguntines of committing many wrongs on their subjects. When

the Saguntines offered to submit the whole question to the Romans as arbitrators, the Carthaginians replied that there was no use of an arbitration because they were able to avenge themselves. When this reply was brought to Rome some advised sending aid to the Saguntines. Others favored delay, saying that the Saguntines were not inscribed as allies in the agreement with them, but merely as free and autonomous, and that they were still free although besieged. The latter opinion prevailed.

[12] Ζακανθαῖοι δέ, ἐπειδὴ τὰ Ῥωμαίων ἀπέγνωσαν καὶ ὁ λιμὸς σφᾶς ἐπέζεε καὶ Ἀννίβας περιεκάθητο συνεχῶς ἑυδαίμονα γὰρ καὶ πολύχρυσον ἀκούων εἶναι τὴν πόλιν οὐκ ἀνίει τῆς πολιορκίας, τὸν μὲν χρυσὸν καὶ ἄργυρον, ὅσος ἦν δημόσιός τε καὶ ἰδιωτικός, ἀπὸ κηρύγματος ἐς τὴν ἀγορὰν συνήνεγκαν, καὶ μολύβδῳ καὶ χαλκῷ συνεχώνευσαν ὡς ἀχρεῖον Ἀννίβᾳ γενέσθαι, αὐτοὶ δὲ ἐν χερσὶν ἐλόμενοί τι παθεῖν μᾶλλον ἢ ὑπὸ τοῦ λιμοῦ, ἐξέδραμον ἔτι νυκτὸς ἐπὶ τὰ φρούρια τὰ τῶν Λιβύων, ἀναπαυομένων ἔτι καὶ οὐδέν τοιοῦτον ὑπονοοούντων: ὅθεν αὐτοὺς ἀνισταμένους τε ἐξ εὐνῆς καὶ σὺν θορύβῳ μόλις ὀπλιζομένους, ἔστι δ' οὗς ἤδη καὶ μαχομένους, διέφθειρον. μακροῦ δὲ τοῦ ἀγῶνος γενομένου, Λιβύων μὲν ἀπώλοντο πολλοί, Ζακανθαῖοι δὲ παντες. αἱ δὲ γυναῖκες ἀπὸ τοῦ τείχους ὀρώσαι τὸ τέλος τῶν ἀνδρῶν, αἱ μὲν ἐρρίπτουν ἑαυτὰς κατὰ τῶν τεγῶν, αἱ δ' ἀνήρτων, αἱ δὲ καὶ τὰ τέκνα προκατέσφαζον. καὶ τοῦτο τέλος ἦν Ζακανθαίοις, πόλει μεγάλῃ τε καὶ δυνατῇ γενομένη. Ἀννίβας δὲ ὡς ἔμαθε περὶ τοῦ χρυσοῦ, τοὺς μὲν ὑπολοίπους καὶ ἔτι ἡβῶντας αὐτῶν αἰκίζόμενος διέφθειρεν ὑπ' ὀργῆς, τὴν δὲ πόλιν ὀρῶν ἐπιθάλασσόν τε καὶ Καρχηδόνος οὐ μακράν, καὶ χώρας ἄρχουσαν ἀγαθῆς, ὥκιζεν αὖθις καὶ Καρχηδονίων ἄποικον ἀπέφαινε: ἦν νῦν οἶμαι Καρχηδόνα καλεῖσθαι τὴν Σπαρταγενῆ.

[12] The Saguntines, when they despaired of help from Rome, and when famine weighed heavily upon them, and Hannibal kept up the siege without intermission (for he had heard that the city was very prosperous and wealthy, and for this reason relaxed not the siege), issued an edict to bring all the silver and gold, public and private, to the forum, where they melted it with lead and brass, so that it should be useless to Hannibal. Then, thinking that it was better to die fighting than starve to death, they made a sally by night upon the besiegers while they were asleep and not expecting an attack, and killed some as they were getting out of bed, others as they were clumsily arming themselves, and still others who were actually fighting. The battle continued until many of the Africans and all the Saguntines were slain. When the women witnessed the slaughter of their husbands from the walls, some of them threw themselves from the housetops, others hanged themselves, and others slew their children and then themselves. Such was the end of Saguntum, once a great and powerful city. When Hannibal learned what had been done with the gold he was angry, and put all the surviving adults to death with torture. Observing that the city was not far from Carthage and with good land about it situated on the sea, he rebuilt it and made it a Carthaginian

colony, and I think it is now called Spartarian Carthage.

CHAPTER III

War declared — The Two Scipios — Their Defeat and Death

(Y.R. 536)

[13] Ῥωμαῖοι δὲ πρέσβεις ἐς Καρχηδόνα ἔπεμπον, οἷς εἴρητο ἔξαιτεῖν παρὰ Καρχηδονίων Ἀννίβαν ὡς ἐς τὰς συνθήκας ἀμαρτόντα, εἰ μὴ κοινὸν ἡγοῦνται τὸ ἔργον· ἦν δὲ μὴ διδῶσιν, εὐθέως αὐτοῖς πόλεμον προαγορεύειν. καὶ οἱ μὲν ἔπραξαν ὧδε, καὶ τὸν πόλεμον αὐτοῖς οὐκ ἐκδιδοῦσι τὸν Ἀννίβαν ἐπήγγειλαν· λέγεται δ' οὕτω γενέσθαι. ὁ μὲν πρεσβευτὴς αὐτοῖς γελῶμενος ἔφη, τὸν κόλπον ἐπιδεικνύς, ‘ἐνταῦθ’ ὑμῖν, ὦ Καρχηδόνιοι, καὶ τὴν εἰρήνην καὶ τὸν πόλεμον φέρω· ὑμεῖς δ’ ὁπότερα αἰρεῖσθε λάβετε.’ οἱ δ’ ἔφασαν, ‘σὺ μὲν οὖν ἂ βούλει δίδου.’ προτείναντος δὲ τὸν πόλεμον, ἐξεβόησαν ὁμοῦ πάντες, ‘δεχόμεθα.’ καὶ εὐθὺς ἐπέστελλον τῷ Ἀννίβᾳ πᾶσαν ἤδη τὴν Ἰβηρίαν ἀδεῶς ἐπιτρέχειν ὡς τῶν σπονδῶν λελυμένων. ὁ μὲν δὴ τὰ ἔθνη τὰ ἀγχοῦ πάντα ἐπιῶν ὑπήγετο, ἢ πείθων ἢ δεδιττόμενος ἢ καταστρεφόμενος, καὶ στρατιὰν πολλὴν συνέλεγε, τὴν μὲν χρεῖαν οὐχ ὑποδεικνύς, ἐς δὲ τὴν Ἰταλίαν ἐπινοῶν ἐμβαλεῖν. Γαλάταις τε διεπρεσβεῦετο, καὶ τὰς διόδους τῶν Ἀλπειῶν ὁρῶν κατεσκέπτετο. καὶ διῆλθεν, Ἀσδρούβαν τὸν ἀδελφὸν ἐν Ἰβηρίᾳ ...

[13] The Romans now sent ambassadors to Carthage to (B.C. 218) demand that Hannibal should be delivered up to them as a violator of the treaty unless they wished to assume the responsibility. If they would not give him up, war was to be declared forthwith. The ambassadors obeyed their instructions, and when the Carthaginians refused to give up Hannibal they declared war. It is said that it was done in the following manner. The chief of the embassy, pointing to the fold of his toga and smiling, said: “Here, Carthaginians, I bring you peace or war, you may take whichever you choose.” The latter replied: “You may give us whichever you like.” When the Romans offered war they all cried out: “We accept it.” Then they wrote at once to Hannibal that he was free to overrun all Spain, as the treaty was at an end. Accordingly he marched against all the neighboring tribes and brought them under subjection, persuading some, terrifying others, and subduing the rest. Then he collected a large army, telling nobody what it was for, but intending to hurl it against Italy. He also sent out ambassadors among the Gauls, and caused an examination to be made of the passes of the Alps, which he traversed later, leaving his brother Hasdrubal in command in Spain.

[14] ... ἐν Ἰβηρίᾳ σφίσι καὶ Λιβύῃ τὸν πόλεμον ἔσεσθαι ὅου γὰρ δὴ μὴ Λίβυές ποτε ἐς τὴν Ἰταλίαν ἐσβάλωσιν, οὐδ’ ὑπενόουν, Τιβέριον μὲν Σεμπρώνιον Λόγγον ἐπὶ νεῶν ἑκατὸν ἐξήκοντα σὺν δύο στρατοῦ τέλεσιν ἐς Λιβύην ἐξέπεμπον καὶ ὅσα Λόγγος τε καὶ οἱ λοιποὶ Ῥωμαίων στρατηγοὶ περὶ Λιβύην ἔπραξαν, ἐν τῇ Καρχηδονιακῇ βίβλῳ συγγέγραπται, Πόπλιον δὲ Κορνήλιον

Σκιπίωνα ἔστειλλον ἐς Ἰβηρίαν ἐπὶ νεῶν ἐξήκοντα μετὰ πεζῶν μυρίων καὶ ἱππέων ἑπτακοσίων, καὶ πρεσβευτὴν αὐτῷ συνέπεμπον Γναῖον Κορνήλιον Σκιπίωνα τὸν ἀδελφόν. τοῦτοιν ὁ μὲν Πόπλιος παρὰ Μασσαλιωτῶν ἐμπόρων πυθόμενος Ἀννίβαν διὰ τῶν Ἀλπείων ὁρῶν ἐς τὴν Ἰταλίαν ὑπερβάντα, δέισας μὴ ἀδοκῆτως τοῖς Ἰταλιώταις ἐπιπέσοι, παραδοὺς Γναίῳ τῷ ἀδελφῷ τὴν ἐν Ἰβηρίᾳ στρατιὰν διέπλευσεν ἐπὶ πεντήρους ἐς Τυρρηνίαν. καὶ ὅσα ἔπραξεν ἐν τῇ Ἰταλίᾳ οὗτός τε καὶ ὅσοι μετ' αὐτὸν ἄλλοι στρατηγοὶ τοῦδε τοῦ πολέμου ἐγένοντο, ἕως Ἀννίβαν ἐκκαιδεκάτῳ μόλις ἔτει τῆς Ἰταλίας ἐξήλασαν, ἡ ἐξῆς βίβλος ὑποδείκνυσιν, ἥ τὰ ἔργα Ἀννίβου τὰ ἐν Ἰταλίᾳ πάντα περιλαμβάνει, καὶ παρ' αὐτὸ λέγεται Ῥωμαϊκῶν Ἀννιβαϊκῇ.

[14] When the Romans saw that war must be waged against the Carthaginians in Spain and Africa (for they never dreamed of an incursion of Africans into Italy), they sent Tiberius Sempronius Longus with 160 ships and two legions into Africa. What Longus and the other Roman generals did in Africa has been related in my Punic history. They also ordered Publius Cornelius Scipio to Spain with sixty ships, 10,000 foot, and 700 horse, and sent his brother Gnaeus Cornelius Scipio with him as a legate. The former (Publius), learning from Massilian merchants that Hannibal had crossed the Alps and entered Italy, and fearing lest he should fall upon the Italians unawares, turned over to his brother the command in Spain and sailed with his quinqueremes to Etruria. What he and the other Roman generals after him did in Italy, until, at the end of sixteen years and with exceeding difficulty, they drove Hannibal out of the country, will be shown in the following book, which will contain all the exploits of Hannibal in Italy, and is called the Hannibalic book of Roman history.

[15] Γναῖος δὲ οὐδέν, ὃ τι καὶ εἰπεῖν, ἔπραξεν ἐν τοῖς Ἰβηρσι, πρὶν αὐτῷ Πόπλιον τὸν ἀδελφόν ἐπανελθεῖν. Ῥωμαῖοι γάρ, ληγουσῆς τῆς ἀρχῆς τῷ Ποπλίῳ, πρὸς μὲν Ἀννίβαν ἐς τὴν Ἰταλίαν τοὺς μετὰ τὸν Πόπλιον ὑπάτους ἐξέπεμψαν, αὐτὸν δὲ ἀνθύπατον ἀποφίναντες ἐς Ἰβηρίαν αὖθις ἔστειλαν. καὶ ἀπὸ τοῦδε οἱ δύο Σκιπίωνες τὸν ἐν Ἰβηρίᾳ πόλεμον διέφερον, Ἀσδρούβου σφίσιν ἀντιστρατηγοῦντος, μέχρι Καρχηδόνιοι μὲν ὑπὸ Σύφακος τοῦ τῶν Νομάδων δυνάστου πολεμοῦμενοι τὸν Ἀσδρούβαν καὶ μέρος τῆς ὑπ' αὐτῷ στρατιᾶς μετεπέμψαντο, τῶν δὲ ὑπολοίπων οἱ Σκιπίωνες εὐμαρῶς ἐκράτουν. καὶ πολλαὶ τῶν πόλεων ἐς αὐτοὺς ἐκοῦσαι μετετίθεντο· καὶ γὰρ ἦσθην πιθανωτάτῳ στρατηγῆσαί τε καὶ προσαγαγέσθαι.

[15] Gnaeus did nothing in Spain worthy of mention before his brother Publius returned thither. When the latter's term of office expired, the Romans, having despatched the new consuls against Hannibal in Italy, appointed him proconsul, and sent him again into Spain. From this time the two Scipios managed the war in Spain, Hasdrubal being the general opposed to them until the Carthaginians recalled him and a part of his army to ward off an attack of Syphax, the ruler of the Numidians. The Scipios easily overcame the

remainder. Many towns also came over to them voluntarily, for they were as persuasive in inducing subjects as in leading armies.

[16] θέμενοι δ' οἱ Καρχηδόνιοι πρὸς Σύφακα εἰρήνην, αὐθις ἐξέπεμπον ἐς Ἰβηρίαν Ἀσδρούβαν μετὰ πλέονος στρατοῦ καὶ ἐλεφάντων τριάκοντα, καὶ σὺν αὐτῷ ἄλλους δύο στρατηγούς, Μάγωνά τε καὶ Ἀσδρούβαν ἕτερον, ὃς Γέσκωνος ἦν υἱός, καὶ χαλεπώτερος ἦν τοῖς Σκιπίωσιν ὁ πόλεμος ἀπὸ τοῦδε, ἐκράτουν δὲ καὶ ὧς. καὶ πολλοὶ μὲν τῶν Λιβύων, πολλοὶ δὲ τῶν ἐλεφάντων ἐφθάρησαν, μέχρι χειμῶνος ἐπιλαβόντος οἱ μὲν Λίβυες ἐχείμαζον ἐν Τυρδιτανίᾳ, τῶν δὲ Σκιπιώνων ὁ μὲν Γναῖος ἐν Ὀρσωνι, ὁ δὲ Πόπλιος ἐν Καστολῶνι. ἐνθα αὐτῷ προσιών ὁ Ἀσδρούβας ἀπηγγέλθη: καὶ προελθὼν τῆς πόλεως μετ' ὀλίγων ἐς κατασκοπὴν στρατοπέδου, ἔλαθε πλησιάσας τῷ Ἀσδρούβᾳ, καὶ αὐτὸν ἐκεῖνος καὶ τοὺς σὺν αὐτῷ πάντας ἱππεῦσι περιδραμῶν ἀπέκτεινεν. ὁ δὲ Γναῖος οὐδὲν τι προμαθὼν ἐς τὸν ἀδελφὸν ἐπὶ σίτον ἐπεμπε στρατιώτας, οἷς ἕτεροι Λιβύων συντυχόντες ἐμάχοντο. καὶ πυθόμενος ὁ Γναῖος ἐξέδραμεν ὡς εἶχε μετὰ τῶν εὐζώνων ἐπ' αὐτούς. οἱ δὲ τοὺς τε προτέρους ἀνηγήκεσαν ἤδη, καὶ τὸν Γναῖον ἐδίωκον, ἕως ἐσέδραμεν ἐς τινα πύργον. καὶ τὸν πύργον ἐνέπρησαν οἱ Λίβυες, καὶ ὁ Σκιπίων κατεκαύθη μετὰ τῶν συνόντων.

[16] The Carthaginians, having made peace with Syphax, again sent Hasdrubal into Spain with a larger army than before, and with thirty elephants. With him came also two other generals, Mago and another Hasdrubal, the son of Gisco. After this the war became more serious to the Scipios. They were successful, nevertheless, and many Africans and elephants were destroyed by them. Finally, winter coming on, the Africans went into winter quarters at Turditanian, Gnæus Scipio at Orso, and Publius at Castolo. When news was brought to the latter that Hasdrubal was approaching, he sallied out from the city with a small force to reconnoitre the enemy's camp and came upon Hasdrubal unexpectedly. He and his whole force were surrounded by the enemy's horse and killed. Gnæus, who knew nothing of this, sent some soldiers to his brother to procure corn, who fell in with another African force and became engaged with them. When Gnæus learned this he started out, with (Y.R. 542) such troops as he had under arms, to assist them. The (B.C. 212) Carthaginians who had cut off the former party made a charge on Gnæus, and compelled him to take refuge in a certain tower, which they set on fire, and burned him and his comrades to death.

[17] οὕτω μὲν οἱ Σκιπίωνες ἀπέθανον ἅμφω, ἄνδρες ἐς πάντα ἀγαθοὶ γενόμενοι: καὶ αὐτοὺς ἐπεπύθησαν Ἰβηρες, ὅσοι δι' αὐτοὺς ἐς Ῥωμαίους μετέθεντο. πυθόμενοι δ' οἱ ἐν ἄστει βαρέως τε ἤνεγκαν, καὶ Μάρκελλον ἐκ Σικελίας ἄρτι ἀφιγμένον, καὶ σὺν αὐτῷ Κλαύδιον, ἐπὶ νεῶν ... ἐξέπεμπον ἐς Ἰβηρίαν μετὰ χιλίων ἱππέων καὶ πεζῶν μυρίων καὶ χορηγίας ἱκανῆς. οὐδενὸς δὲ λαμπροῦ παρὰ τῶνδε γιγνομένου, τὰ Λιβύων ὑπερηύξετο, καὶ πᾶσαν σχεδὸν Ἰβηρίαν εἶχον, ἐς βραχὺ Ῥωμαίων ἐν τοῖς ὅρεσι τοῖς Πυρηναίοις

κατακεκλεις μένων. πάλιν οὖν οἱ ἐν ἄστει πυνθανόμενοι μᾶλλον ἐταράσσοντο: καὶ φόβος ἦν μὴ Ἀννίβου πορθοῦντος τὰ πρόσω τῆς Ἰταλίας, καὶ οἶδε οἱ Λίβυες ἐς τὰ ἕτερα αὐτῆς ἐσβάλοιεν. ὅθεν οὐδὲ ἀποσχέσθαι τῆς Ἰβηρίας βουλομένοις αὐτοῖς δυνατὸν ἦν, δέει τοῦ μὴ καὶ τόνδε τὸν πόλεμον ἐς τὴν Ἰταλίαν ἐπαγαγέσθαι.

[17] In this way the two Scipios perished, excellent men in every respect, and greatly regretted by those Spaniards who, by their labors, had been brought over to the Roman side. When the news reached Rome the people were greatly troubled. They sent Marcellus, who had lately come from Sicily, and with him Claudius [Nero], to Spain, with a fleet and 1000 horse, 10,000 foot, and sufficient means. As nothing of importance was accomplished by them, the Carthaginian power increased until it embraced almost the whole of Spain, and the Romans were restricted to a small space in the Pyrenees mountains. When this was learned in Rome the people were greatly discouraged, and apprehensive lest these same Africans should make an incursion into northern Italy while Hannibal was ravaging the other extremity. Although they desired to abandon the Spanish war it was not possible, because of the fear that that war would be transferred to Italy.

CHAPTER IV

Cornelius Scipio — Arrives in Spain — Attacks New Carthage — Captures the City and Vast Booty

(Y.R. 543)

[18] προύγραφον οὖν ἡμέραν ἐν ἣ χειροτονήσουσι στρατηγὸν ἐς Ἰβηρίαν. καὶ οὐδενὸς παραγγέλλοντος ἔτι πλείων ἐγένετο φόβος, καὶ σιωπὴ σκυθρωπὸς ἐπεῖχε τὴν ἐκκλησίαν, ἐς οὗ Κορνήλιος Σκιπίων ὁ Ποπλίου Κορνηλίου τοῦ ἀναιρεθέντος ἐν Ἰβηρσιν υἱός, νέος μὲν ὦν κομιδῇ ἑτεσσάρων γὰρ καὶ εἴκοσιν ἐτῶν ἦν, σώφρων δὲ καὶ γενναῖος εἶναι νομιζόμενος, ἐς τὸ μέσον ἐλθὼν ἐσεμνολόγησεν ἀμφὶ τε τοῦ πατρὸς καὶ ἀμφὶ τοῦ θείου, καὶ τὸ πάθος αὐτῶν ὀδυράμενος ἐπεῖπεν οἰκεῖος εἶναι τιμωρὸς ἐκ πάντων πατρὶ καὶ θεῷ καὶ πατρίδι. ἄλλα τε πολλὰ ἀθρόως καὶ λάβρως, ὥσπερ ἔνθους, ἐπαγγεिलाμένος, οὐκ Ἰβηρίαν λήψεσθαι μόνην ἀλλ' ἐπ' αὐτῇ καὶ Λιβύην καὶ Καρχηδόνα, τοῖς μὲν ἔδοξε κουφολογῆσαι νεανικῶς, τὸν δὲ δῆμον ἀνέλαβε κατεπτηχότα 'χαίρουσι γὰρ ἐπαγγελίαις οἱ δεδιότες' καὶ ἡρέθη στρατηγὸς ἐς Ἰβηρίαν ὡς πράξων τι τῆς εὐτολμίας ἄξιον. οἱ πρεσβύτεροι δὲ αὐτὴν οὐκ εὐτολμίαν ἀλλὰ προπέτειαν ἐκάλουν. καὶ ὁ Σκιπίων αἰσθόμενος ἐς ἐκκλησίαν αὐθις αὐτοὺς συνεκάλει τε καὶ ἐσεμνύνετο ὁμοία: καὶ τὴν ἡλικίαν εἰπὼν οὐδὲν ἐμποδὼν οἱ γενήσεσθαι, προυκαλεῖτο ὅμως, εἴ τις ἐθέλοι τῶν πρεσβυτέρων τὴν ἀρχὴν παραλαβεῖν ἐκόντος αὐτοῦ παραδιδόντος. οὐδενὸς δ' ἐλομένου, μᾶλλον ἐπαινούμενός τε καὶ θαυμαζόμενος ἐξῆι μετὰ μυρίων πεζῶν καὶ ἵππεων πεντακοσίων: οὐ γὰρ ἐνεχώρει πλέονα στρατὸν ἐξάγειν, Ἀννίβου δηοῦντος τὴν Ἰταλίαν. ἔλαβε δὲ καὶ χρήματα καὶ παρασκευὴν ἄλλην καὶ ναῦς μακράς ὀκτὼ καὶ εἴκοσι, μεθ' ὧν ἐς Ἰβηρίαν διέπλευσεν.

[18] Accordingly a day was fixed for choosing a general for Spain. When nobody offered himself the alarm was greatly augmented, and a gloomy silence took possession of the assembly. Finally Cornelius Scipio, son of that Publius Cornelius who had lost his life in Spain, still a very young man (for he was only twenty-four years of age), but reputed to be discreet and high-minded, advanced and made an impressive discourse concerning his father and his uncle, and after lamenting their fate said that he was the only member of the family left to be the avenger of them and of his country. He spoke copiously and vehemently, like one possessed, promising to subdue not only Spain, but Africa and Carthage in addition. To many this seemed like youthful boasting, but he revived the spirits of the people (for (B.C. 211) those who are cast down are cheered by promises), and was chosen general for Spain in the expectation that he would do something worthy of his high spirit. The older ones said that this was not high spirit, but foolhardiness. When Scipio heard of this he called the assembly together again, and repeated what he had said before, declaring that his youth would be no impediment, but he added

that if any of his elders wished to assume the task he would willingly yield it to them. When nobody offered to take it, he was praised and admired still more, and he set forth with 10,000 foot and 500 horse. He was not allowed to take a larger force while Hannibal was ravaging Italy. He received money and apparatus of various kinds and twenty-eight war-ships with which he proceeded to Spain. (Y.R. 544)

[19] παραλαβὼν τε τὴν ἐκεῖ στρατιάν, καὶ οὕς ἦγεν ἐς ἓν συναγαγὼν, ἐκάθηρε, καὶ διελέχθη καὶ τοῖσδε μεγαληγόρως. δόξα τε διέδραμεν ἐς ὅλην αὐτίκα τὴν Ἰβηρίαν, βαρυνομένην τε τοὺς Λίβυας καὶ τῶν Σκιπίωνων τὴν ἀρετὴν ἐπιποθοῦσαν, ὅτι στρατηγὸς αὐτοῖς ἦκοι Σκιπίων ὁ Σκιπίωνος κατὰ θεόν. οὗ δὴ καὶ αὐτὸς αἰσθανόμενος, ὑπεκρίνετο πάντα ποιεῖν πειθόμενος θεῷ. πυνθανόμενος δ' ὅτι οἱ ἐχθροὶ σταθμεύουσι μὲν ἐν τέσσαρσι στρατοπέδοις, μακρὰν διεσθηκότες ἀπ' ἀλλήλων, ἀνὰ δισμυρίους καὶ πεντακισχιλίους πεζοὺς καὶ ἵππεας πεντακοσίους ἐπὶ δισχιλίοις, τὴν δὲ παρασκευὴν τῶν τε χρημάτων καὶ σίτου καὶ ὅπλων καὶ βελῶν καὶ νεῶν καὶ αἰχμαλώτων καὶ ὁμήρων τῶν ἐξ ὅλης Ἰβηρίας ἔχουσιν ἐν τῇ πρότερον μὲν Ζακάνθῃ τότε δὲ ἤδη Καρχηδόνι, καὶ φρουρὸς αὐτῶν ἐστὶ Μάγων μετὰ μυρίων Καρχηδονίων, ἔκρινε πρῶτον ἐς τοὺτους ἐπιδραμεῖν διὰ τε τὴν ὀλιγότητα τοῦ στρατοῦ τοῦ μετὰ Μάγωνος καὶ τὸ μέγεθος τῆς παρασκευῆς, καὶ ὥς ὀρμητήριον ἀσφαλές ἐκ γῆς καὶ θαλάσσης ἔξω ἐπὶ ὅλην τὴν Ἰβηρίαν πόλιν ἀργυρεῖα καὶ χώραν εὐδαίμονα καὶ πλοῦτον πολὺν ἔχουσαν καὶ τὸν διάπλουν ἐς Λιβύην βραχύτατον.

[19] Taking the forces already there, and joining them in (B.C. 210) one body with those he brought, he performed a lustration, and made the same kind of grandiloquent speech to them that he had made at Rome. The report spread immediately through all Spain, wearied of the Carthaginian rule and longing for the virtue of the Scipios, that Scipio the son of Scipio had been sent to them as a general, by divine providence. When he heard of this report he took care to give out that everything he did was by inspiration from heaven. He learned that the enemy were quartered in four camps at considerable distances from each other, containing altogether 25,000 foot and above 2500 horse, and that they kept their supplies of money, food, arms, missiles, and ships, besides prisoners and hostages from all Spain, at the city formerly called Saguntum (but then called Carthage), and that it was in charge of Mago with 10,000 Carthaginian soldiers. He decided to attack these first, on account of the smallness of the force and the great quantity of stores, and because he believed that this city, with its silver-mines and its rich and prosperous territory abounding in everything, and its very short passage to Africa, would constitute a secure base of operations by land and sea against the whole of Spain.

[20] ὁ μὲν δὴ τοσοῖσδε λογισμοῖς ἐπαιρόμενος, οὐδενὶ προειπὼν ὅπῃ χωρήσειν ἔμελλεν, ἡλίου δύναντος ἦγε τὴν στρατιάν δι' ὅλης τῆς νυκτὸς ἐπὶ τὴν

Καρχηδόνα. καὶ αὐτὴν ἅμα ἔφ, τῶν Λιβύων καταπλαγέντων, περιταφρεύσας, ἐς τὴν ἐπιούσαν ἡμέραν ἡτοιμάζετο, κλίμακας τε καὶ μηχανὰς πάντη περιτιθεῖς, χωρὶς ἐνὸς μέρους, ἧ τὸ μὲν τεῖχος ἦν βραχύτατον, ἔλος δ' αὐτῷ καὶ θάλασσα προσέκλυζε, καὶ δι' αὐτὸ καὶ οἱ φύλακες ἀμελῶς εἶχον. νυκτὸς δὲ πάντα πληρώσας βελῶν καὶ λίθων, καὶ τοῖς λιμέσι τῆς πόλεως ναῦς ἐπιστήσας, ἵνα μὴ αἱ νῆες αὐτὸν αἱ τῶν πολεμίων διαφύγοιεν ὑπὸ γὰρ δὴ μεγαλοψυχίας ἠλπίζε πάντως αἰρήσειν τὴν πόλιν, πρὸ ἔω τὴν στρατιὰν ἀνεβίβαζεν ἐπὶ τὰς μηχανάς, τοὺς μὲν ἄνωθεν ἐγχειρεῖν κελεύων τοῖς πολεμίοις, τοὺς δὲ κάτω τὰς μηχανὰς ὠθεῖν ἐς τὸ πρόσω. Μάγων δὲ τοὺς μὲν μυρίους ἐπέστησε ταῖς πύλαις ὥς ἐκπηδήσοντας, ὅτε καιρὸς εἴη, μετὰ μόνων ξιφῶν ὃν γὰρ εἶναι δόρασιν ἐν στενῷ χρῆσθαι, τοὺς δὲ ἄλλους ἐς τὰς ἐπάλξεις ἀνήγεν. καὶ πολλὰ καὶ ὅδε μηχανήματα καὶ λίθους καὶ βέλη καὶ καταπέλτας ἐπιστήσας εἶχετο τοῦ ἔργου προθύμως. γενομένης δὲ βοῆς καὶ παρακελεύσεως ἐκατέρωθεν, οὐδέτεροι μὲν ὀρμῆς καὶ προθυμίας ἐνέλειπον, καὶ λίθους τε καὶ βέλη καὶ ἀκόντια ἀφιέντες, οἱ μὲν ἀπὸ χειρῶν, οἱ δὲ ἀπὸ μηχανῶν, οἱ δὲ ἀπὸ σφενδόνης, εἴ τέ τις ἦν ἄλλη παρασκευὴ καὶ δύναμις, ἐχρῶντο προθύμως ἅπανσιν.

[20] Excited with these thoughts and communicating his intentions to no one, he led his army out at sunset and marched the whole night toward New Carthage. Arriving there the next morning he took the enemy by surprise and began to enclose the town with trenches and planned to open the siege the following day, placing ladders and engines everywhere except at one place where the wall was lowest and where, as it was encompassed by a lagoon and the sea, the guards were careless. Having charged the machines with stones and darts in the night, and stationed his fleet in the harbor so that the enemy's ships might not escape (for he had high hopes of capturing everything the city contained), at daylight he manned the engines, ordering some of his troops to assail the enemy above, while others propelled the engines against the walls below. Mago stationed his 10,000 men at the gates, some to sally out at a favorable opportunity with swords alone (since spears would be of no use in such a narrow space), and others to man the parapets. He made good use of his machines, stones, darts, and catapults, and did effective work. There was shouting and cheering on both sides, and neither was wanting in dash and courage. Stones, darts, and javelins filled the air, some thrown by hand, some by machines, and some by slings; and whatever other apparatus or force was available was made use of to the utmost.

[21] ἑκακοπάθει δὲ τὰ τοῦ Σκιπίωνος, καὶ οἱ μύριοι Καρχηδονίων, οἱ περὶ τὰς πύλας ἦσαν, ἐκδραμόντες σὺν τοῖς ξίφεσι γυμνοῖς ἐνέπιπτον ἐς τοὺς τὰ μηχανήματα ὠθοῦντας, καὶ πολλὰ μὲν ἔδρων, οὐχ ἦσσω δ' ἀντέπασχον, μέχρι τῷ φιλοπόνῳ καὶ ταλαιπώρῳ τὰ Ῥωμαίων ὑπανίστατο. καὶ μεταβολῆς γενομένης οἱ τε ἐπὶ τῶν τειχῶν ἔκαμνον ἤδη, καὶ αἱ κλίμακες αὐτοῖς προσεπέλαζον. οἱ δὲ ξιφῆρεις τῶν Καρχηδονίων ἐς τὰς πύλας ἐσέτρεχον, καὶ ἀποκλείσαντες αὐτὰς ἀνεπήδων ἐπὶ τὰ τεῖχη. καὶ τοῖς Ῥωμαίοις αὐθις ἦν ὁ

πόνος πολὺς τε καὶ χαλεπός, ἐς οὗ Σκιπίων ὁ στρατηγὸς πάντῃ περιθέων τε καὶ βοῶν καὶ παρακαλῶν εἶδε περὶ μεσημβρίαν, ἥ τὸ βραχὺ τείχος ἦν καὶ τὸ ἔλος προσέκλυζε, τὴν θάλασσαν ὑποχωροῦσαν: ἄμπωτις γὰρ ἐφήμερος ἔστιν. καὶ ὁ κλύδων ἐπήει μὲν ἐς μαστοὺς, ὑπεχώρει δὲ ἐς μέσας κνήμας. ὅπερ ὁ Σκιπίων τότε ἰδὼν, καὶ περὶ τῆς φύσεως αὐτοῦ πυθόμενος, ὥς ἔχοι τὸ λοιπὸν τῆς ἡμέρας, πρὶν ἐπανελθεῖν τὸ πέλαγος, ἔθει πάντῃ βοῶν, ‘νῦν ὁ καιρὸς, ὦ ἄνδρες, νῦν ὁ σύμμαχός μοι θεὸς ἀφίκεται. πρόσсите τῷ μέρει τῷδε τοῦ τείχους. ἡ θάλασσα ἡμῖν ὑποκεχώρηκεν φέρετε τὰς κλίμακας, ἐγὼ δ’ ἡγήσομαι.’

[21] Scipio suffered severely. The 10,000 Carthaginians who were at the gates made sallies with drawn swords and fell upon those who were working the engines. Although they fought bravely, they suffered in their turn no less, until finally the perseverance and endurance of the Romans began to prevail. With the change of fortune, those who were on the walls began to be distressed. When the ladders were put in place, the Carthaginian swordsmen, who had sallied out, ran back through the gates, closed them, and mounted the walls. This gave new and severe labor to the Romans. Scipio, who, as commanding general, was everywhere, giving orders and cheering on his men, had noticed that, at the place where the wall was low and washed by the lagoon, the sea retired about midday. That was the daily ebb tide, for at one time of day the waves were up to one’s breast; at another they were not knee high. When Scipio observed this, after ascertaining the nature of the tidal movement and that it would be low water for the rest of the day, he darted hither and thither, exclaiming: “Now, soldiers, now is our chance. Now the deity comes to my aid. Attack that part of the wall where the sea has made way for us. Bring the ladders. I will lead you.”

[22] καὶ πρῶτος ἀρπάσας τινὰ τῶν κλιμάκων μετέφερε τε καὶ ἀνέβαινε, οὕτω τινὸς ἀναβάντος ἄλλου, μέχρι περισχόντες αὐτὸν οἱ τε ὑπασπισταὶ καὶ ἡ ἄλλη στρατιὰ τόνδε μὲν ἐπέσχον, αὐτοὶ δὲ πολλὰς ὁμοῦ κλίμακας προσετίθεσάν τε καὶ ἀνεπήδων. βοῆς δὲ καὶ ὀρμῆς ἐκατέρωθεν γενομένης, καὶ ποικίλων ἔργων καὶ παθῶν, ἐκράτησαν ὅμως οἱ Ῥωμαῖοι, καὶ πύργων τινῶν ἐπέβησαν ὀλίγων, οἷς ὁ Σκιπίων σαλπικτὰς καὶ βυκανιστὰς ἐπιστήσας ἐξοτρύνειν ἐκέλευσε καὶ θορυβεῖν ὥς τῆς πόλεως εἰλημμένης ἦδη. ἕτεροί τε περιθέοντες ὁμοίως διετάρασσον. καὶ καθαλόμενοί τινες ἀνέφωξαν τῷ Σκιπίωνι τὰς πύλας: ὁ δ’ ἐσεπήδησε μετὰ τῆς στρατιᾶς δρόμῳ. καὶ τῶν ἔνδον οἱ μὲν ἐς τὰς οἰκίας ἀπεδίδρασκον, ὁ δὲ Μάγων τοὺς μυρίους ἐς τὴν ἀγορὰν συνεκάλει. ταχὺ δὲ καὶ τούτων κατακοπέντων, ἐς τὴν ἄκραν σὺν ὀλίγοις ἀνεχώρει. τοῦ δὲ Σκιπίωνος καὶ ἐπὶ τὴν ἄκραν εὐθὺς ἐπιόντος, οὐδὲν ἔτι δρᾶν σὺν ἡττημένοις τε καὶ κατεπηγχοσίν ἔχων ἐνεχείρισεν ἑαυτὸν τῷ Σκιπίωνι.

[22] He was the first to seize a ladder and carry it into the lagoon, and he began to mount where nobody else had yet attempted to do so. But his armor-bearers and other soldiers surrounded him and held him back, while they brought a great number of ladders together, planted them against the wall, and

began to mount. Amid shouts and clamor on all sides, giving and receiving blows, the Romans finally prevailed and succeeded in occupying some of the towers, where Scipio placed trumpeters and ordered them to sound a blast as though the city were already taken. This brought others to their assistance and created consternation among the enemy. Some of the Romans jumped down and opened the gates to Scipio, who rushed in with his army. Some of the inhabitants took refuge in their houses, but Mago drew up his 10,000 in the market-place. After most of these were cut down he fled with the remainder to the citadel, which Scipio immediately invested. When Mago saw that he could do nothing with his beaten and cowering force, he surrendered.

[23] ὁ δὲ τόλμῃ καὶ τύχῃ πόλιν εὐδαίμονα καὶ δυνατὴν ἔλὼν ἡμέρᾳ μιᾷ, τετάρτῃ τῆς ἐπ' αὐτὴν ἀφίξεως, ἐπῆρτο μεγάλως, καὶ μᾶλλον ἐδόκει κατὰ θεὸν ἕκαστα δρᾶν, αὐτὸς τε οὕτως ἐφρόνει καὶ οὕτως ἐλογοποίει καὶ τότε καὶ ἐς τὸν ἔπειτα βίον, ἀρξάμενος ἐξ ἐκείνου. πολλάκις γοῦν ἐς τὸ Καπιτώλιον ἐσῆι μόνος, καὶ τὰς θύρας ἐπέκλειεν ὥσπερ τι παρὰ τοῦ θεοῦ μανθάνων. καὶ νῦν ἔτι τὴν εἰκόνα τὴν Σκιπίωνος ἐν ταῖς πομπαῖς μόνου προφέρουσιν ἐκ τοῦ Καπιτωλίου, τῶν δ' ἄλλων ἐξ ἀγορᾶς φέρονται. τότε δ' εἰρηνικὸν ὁμοῦ καὶ πολεμικὸν ταμιεῖον παραλαβὼν, ὅπλα τε πολλὰ ἐν αὐτῷ καὶ βέλη καὶ μηχανήματα καὶ νεωσοίκους καὶ ναῦς μακρὰς τρεῖς καὶ τριάκοντα, καὶ σῖτον καὶ ἀγορὰν ποικίλῃν, καὶ ἐλέφαντα καὶ χρυσὸν καὶ ἄργυρον, τὸν μὲν ἐν σκεύεσι πεποιημένον, τὸν δὲ ἐπίσημον, τὸν δὲ ἀσήμαντον, ὅμηρὰ τε Ἰβήρων καὶ αἰχμάλωτα, καὶ ὅσα Ῥωμαίων αὐτῶν προεῖληπτο, ἔθνε τῆς ἐπιούσης καὶ ἐθριάμβευε, καὶ τὴν στρατιὰν ἐπῆνει, καὶ τῇ πόλει μετὰ τὴν στρατιὰν ἐδημηγόρει, τῶν τε Σκιπίωνων αὐτοὺς ἀναμνήσας ἀπέλυε τοὺς αἰχμαλώτους ἐς τὰ ἴδια, θεραπεύων τὰς πόλεις. ἀριστεῖα δ' ἐδίδου τῷ μὲν ἐς τὸ τεῖχος ἀναβάντι πρῶτῳ μέγιστα, τῷ δ' ἐξῆς τὰ ἡμίσεα τούτων, τῷ δὲ τρίτῳ τὰ τρίτα καὶ τοῖς ἄλλοις κατὰ λόγον. τὰ δὲ λοιπὰ ἐς Ῥώμην ἔπεμψεν ἐπὶ τῶν εἰλημμένων νεῶν, ὅσα χρυσὸς ἢ ἄργυρος ἦν ἢ ἐλέφας. ἡ μὲν δὲ πόλις ἔθνε ἐπὶ πρεῖς ἡμέρας ὥς τῆς πατρῴας εὐπραξίας ἐκ πόνων πολλῶν αὐθις ἀνακυπτούσης, ἡ δὲ Ἰβηρία καὶ οἱ ἐν αὐτῇ Φοίνικες κατεπεπλήγесαν τῷ μεγέθει καὶ τάχει τοῦ τολμήματος.

[23] Having taken this rich and powerful city by audacity and good fortune in one day (the fourth after his arrival), he was greatly elated and it seemed more than ever that he was divinely inspired. He began to think so himself and to give it out to others, not only then, but all the rest of his life. At all events, he frequently went into the Capitol alone and closed the doors as though he were receiving counsel from the god. Even now in public processions they bring the image of Scipio alone out of the Capitol, all the others being taken from the Forum. In the captured city he obtained great stores of goods, useful in peace and war, many arms, darts, engines, dockyards containing thirty-three war-ships, corn, and provisions of various kinds, ivory, gold, and silver, some in the form of plate, some coined and some uncoined, also Spanish hostages and prisoners, and everything that had previously been captured from the

Romans themselves. On the following day he sacrificed to the gods, celebrated the victory, praised the soldiers for their bravery, and after his words to his army made a speech to the townspeople in which he admonished them not to forget the name of the Scipios. He dismissed all the Spanish prisoners to their homes in order to conciliate the towns. He gave rewards to his soldiers for bravery, the largest to the one who first scaled the wall, half as much to the next, one-third as much to the next, and to the others according to their merit. The rest of the gold, silver, and ivory he sent to Rome in the captured ships. The city held a three days' thanksgiving, because after so many trials their ancestral good fortune had shown itself once more. All Spain, and the Carthaginians who were there, were astounded at the magnitude and suddenness of this exploit.

Scipio marches against the Two Hasdrubals — Battle of Carmone

[24] ὁ δὲ φρουρὰν μὲν Καρχηδόνι ἐπέστησε, καὶ τὸ τεῖχος ἐκέλευσε τὸ παρὰ τὴν ἄμπωτιν ἐς ὕψος ἐγεῖραι: τὴν δ' ἄλλην Ἰβηρίαν αὐτὸς τε ἐπιὼν καὶ τοὺς φίλους ἐς ἕκαστα περιπέμπων ὑπήγετο, καὶ τὰλλα τὰ ἀντέχοντα ἐβιάζετο. Καρχηδονίων δ' οἱ στρατηγοὶ δύο ὄντε λοιπὸν καὶ δύο Ἀσδρούβα, ὁ μὲν τοῦ Ἀμίλχαρος πορρωτάτῳ παρὰ Κελτίβηρσιν ἐξενολόγει, ὁ δὲ τοῦ Γέσκωνος ἐς μὲν τὰς πόλεις τὰς ἔτι βεβαίους περιέπεμπε, ἀξίων Καρχηδονίοις ἐμμένειν ὡς στρατιᾷς ἐλευσομένης αὐτίκα ἀπείρου τὸ πλῆθος. Μάγωνα δ' ἕτερον ἐς τὰ πλησίον περιέπεμπε ξενολογεῖν ὁπόθεν δυνηθεῖη, καὶ αὐτὸς ἐς τὴν Λέρσα γῆν τῶν ἀφισταμένων ἐνέβαλε, καὶ τινα αὐτῶν πόλιν ἔμελλε πολιορκήσκειν. ἐπιφανέντος δὲ αὐτῷ τοῦ Σκιπίωνος ἐς Βαιτύκην ὑπεχώρει, καὶ πρὸ τῆς πόλεως ἐστρατοπέδευεν: ἔνθα τῆς ἐπιούσης εὐθὺς ἤσσαντο, καὶ τὸν χάρακα αὐτοῦ καὶ τὴν Βαιτύκην ἔλαβεν ὁ Σκιπίων.

[24] Scipio placed a garrison in New Carthage and ordered that the wall which was washed by the tide should be raised to the proper height. He then moved against the rest of Spain, sending friends to conciliate where he could, and subduing the others. There were two Carthaginian generals still remaining, both named Hasdrubal. One of these, the son of Hamilcar, was recruiting an army of mercenaries far away among the Celtiberians. The other, the son of Gisco, sent messengers to the towns that were still faithful, urging them to maintain their Carthaginian allegiance, because an army of countless numbers would soon come to their assistance. He sent another Mago into the neighboring country to recruit mercenaries wherever he could, while he made an incursion into the territory of Lersa which had revolted, intending to lay siege to some town there. On the approach of Scipio he retreated to Bætica and encamped before that city. On the following day he was defeated by Scipio, who captured his camp and Bætica also. (Y.R. 547)

[25] ὁ δὲ τὴν στρατιὰν τὴν Καρχηδονίων τὴν ἔτι οὖσαν ἐν Ἰβηρίᾳ συνέλεγεν ἐς Καρμώνην πόλιν, ὡς ὁμοῦ πᾶσιν ἀμυνούμενος τὸν Σκιπίωνα. καὶ αὐτῷ συνήλθον πολλοὶ μὲν Ἰβήρων, οὓς Μάγων ἦγε, πολλοὶ δὲ Νομάδων, ὧν ἦρχε Μασσανάσσης. καὶ τούτων ὁ μὲν Ἀσδρούβας μετὰ τῶν πεζῶν ὑπὸ χάρακι ἐστρατοπέδευεν, ὁ δὲ Μασσανάσσης καὶ ὁ Μάγων ἱππαρχοῦντες αὐτῷ προηυλίζοντο τοῦ στρατοπέδου. ὧδε δὲ ἔχουσιν αὐτοῖς ὁ Σκιπίων τοὺς ἰδίους ἱππείας ἐπιδιήρει, καὶ Λαίλιον μὲν ἐπὶ Μάγωνα ἔπεμπε, αὐτὸς δ' ἐπὶ Μασσανάσσην ἐτράπετο. μέχρι μὲν οὖν τινὸς ἦν ἐν ἀγῶνι καὶ πόνῳ δυσχερεῖ, τῶν Νομάδων αὐτὸν ἀκοντιζόντων τε καὶ ὑποχωρούντων, εἴτ' αὖθις ἐπελαυνόντων: ὡς δὲ παρήγγειλεν ὁ Σκιπίων ἀμεταστρεπτι διώκειν αὐτούς, τὰ δόρατα προβαλόντας, οὐκ ἔχοντες ἀναστροφὴν οἱ Νομάδες κατέφυγον ἐς τὸ στρατόπεδον. καὶ ὁ Σκιπίων ἀποσχὼν δέκα σταδίους ἐστρατοπέδευεν

εὐσταθῶς ἤπερ ἐβούλετο. ἦν δὲ ἡ μὲν τῶν ἐχθρῶν σύμπασα δύναμις ἐπτακισμῦριοι πεζοὶ καὶ ἵππεῖς πεντακισχίλιοι καὶ ἐλέφαντες ἑξ καὶ τριάκοντα: Σκιπίωνι δὲ τούτων οὐδὲ τριτημόριον ἦν. διὸ καὶ μέχρι τινὸς ἐνεδοίαζε, καὶ μάχης οὐ κατήρχεν, ἀλλ' ἀκροβολισμοῖς ἐχρήτο μόνοις.

[25] Now this Hasdrubal ordered all the remaining Carthaginian (B.C. 207) forces in Spain to be collected at the city of Carmone to fight Scipio with their united strength. Hither came a great number of Spaniards under the lead of Mago, and of Numidians under Masinissa. Hasdrubal had the infantry in a fortified camp, Masinissa and Mago, who commanded the cavalry, bivouacking in front of it. Scipio divided his own horse so that Lælius should attack Mago while he himself should be opposed to Masinissa. This fight was for some time doubtful and severe to Scipio, since the Numidians discharged their darts at his men, then suddenly retreated, and then wheeled and returned to the charge. But when Scipio ordered his men to hurl their javelins and then pursue without intermission, the Numidians, having no chance to turn around, retreated to their camp. Here Scipio desisted from the pursuit and encamped in a strong position, which he had chosen, about ten stades from the enemy. The total strength of the enemy was 70,000 foot, 5000 horse, and thirty-six elephants. That of Scipio was not one-third of the number. For some time, therefore, he hesitated and did not venture a fight, except some light skirmishes.

[26] ἐπεὶ δ' ἐπέλειπεν αὐτὸν ἡ ἀγορὰ καὶ λιμὸς ἥπτετο τοῦ στρατοῦ, ἀναζευξάμεν οὐκ εὐπρεπὲς ἡγεῖτο εἶναι Σκιπίων: θυσάμενος δέ, καὶ εὐθὺς ἐπὶ ταῖς θυσίαις τὴν στρατιὰν ἐς ἐπήκοον ἐλάσας, καὶ τὸ βλέμμα καὶ τὸ σχῆμα διαθεὶς πάλιν ὥσπερ ἔνθους, ἔφη τὸ δαιμόνιον ἦκειν τὸ σύννηθες αὐτῷ, καὶ καλεῖν ἐπὶ τοὺς πολεμίους. χρῆναι δὲ θαρρεῖν θεῷ μᾶλλον ἢ πλήθει στρατοῦ: καὶ γὰρ τῶν πρότερον ἔργων κατὰ θεόν, οὐ κατὰ πλῆθος κρατῆσαι. ἔς τε πιστὶν τῶν λεγομένων τὰ ἱερὰ παραφέρειν ἐς τὸ μέσον ἐκέλευε τοὺς μάντεις. καὶ λέγων ὁρᾷ τινὰς οἰωνοὺς πετομένους, οὓς μεθ' ὁρμῆς καὶ βοῆς αὐτόθεν ἐπιστραφεῖς ἐδείκνυε τε, καὶ ἔλεγεν ὅτι οἱ σύμβολα νίκης οἱ θεοὶ καὶ τάδε ἔπεμψαν. συνεκινεῖτο δὲ πρὸς αὐτὰ ἐνθῶς ὁρῶν καὶ βοῶν. καὶ ἡ στρατιὰ πᾶσα ἐς τὰς ἐκείνου φαντασίας, περιφερομένου δεῦρο κἀκεῖσε, συνεπεστρέφετο, καὶ πάντες ὥς ἐπὶ νίκην ἔτοιμον ἡρεθίζοντο. ὁ δ' ἐπεὶ πᾶν εἶχεν ὅσον τι καὶ ἐβούλετο, οὐκ ἀνέθετο, οὐδ' εἶασε τὴν ὁρμὴν ἐκλυθῆναι, ἀλλ' ὥς ἔτι ὢν θεόληπτος, ἔφη δεῖν ἐπὶ τοῖσδε τοῖς σημείοις εὐθὺς ἀγωνίσασθαι. καὶ φαγόντας ἐκέλευεν ὀπλίσασθαι, καὶ ἐπῆγεν ἀδοκῆτως τοῖς πολεμίους, τοὺς μὲν ἱππέας Σιλανῷ, τοὺς δὲ πεζοὺς Λαιλίῳ καὶ Μαρκίῳ παραδοῦς:

[26] When his supplies began to fail and hunger attacked his army, Scipio considered that it would be base to retreat. Accordingly he sacrificed, and bringing the soldiers to an audience immediately after the sacrifice, and putting on again the look and aspect of one inspired, he said that the deity had appeared to him in the customary way and told him to attack the enemy, and

had assured him that it was better to trust in heaven than in the size of his army because his former victories were gained by divine favor rather than by numerical strength. In order to inspire confidence in his words he commanded the priests to bring the entrails into the assembly. While he was speaking he saw some birds flying overhead with great swiftness and clamor. Looking up he pointed them out and exclaimed this was a sign of victory which the gods had sent him. He followed their movement, gazing at them and crying out like one possessed. The whole army, as it saw him turning hither and thither, imitated his actions, and all were fired with the idea of certain victory. When he had everything as he wished he did not hesitate, nor permit their ardor to cool, but still as one inspired exclaimed: "These signs tell us that we must fight at once." When they had taken their food he ordered them to arm themselves, and led them against the enemy, who were not expecting them, giving the command of the horse to Silanus and of the foot to Lælius and Marcius.

[27] Ἀσδρούβας δὲ καὶ Μάγων καὶ Μασσανάσσης, ἐπιόντος αὐτοῖς τοῦ Σκιπίωνος ἄφω σταδίων ὄντων ἐν μέσῳ δέκα μόνων, ἄσιτον οὖσαν ἔτι τὴν στρατιὰν ὥπλιζον μετὰ σπουδῆς καὶ θορύβου καὶ βοῆς. γενομένης δ' ὁμοῦ πεζομαχίας τε καὶ ἵππομαχίας, οἱ μὲν ἱππεῖς οἱ τῶν Ῥωμαίων ἐκράτουν ὑπὸ τῆς αὐτῆς μηχανῆς, ἀμεταστρεπτι τοὺς Νομάδας διώκοντες, ὑποχωρεῖν εἰθισμένους καὶ ἐπελαύνειν: οἷς τὰ ἀκόντια διὰ τὴν ἐγγύτητα οὐδὲν ἦν ἔτι χρήσιμα: οἱ πεζοὶ δ' ἐπονοῦντο ὑπὸ τοῦ πλήθους τῶν Λιβύων, καὶ ἡττῶντο δι' ὅλης ἡμέρας. οὐδὲ τοῦ Σκιπίωνος αὐτοῦς ἐπιθέοντός τε καὶ παρακαλοῦντος μετετίθεντο, μέχρι τὸν ἵππον Σκιπίων τῷ παιδί παραδούς, καὶ παρά τινος ἀσπίδα λαβὼν, ἐξέδραμεν ὥς εἶχε μόνος ἐς τὸ μεταίχμιον, κεκραγώς, 'ἐπικουρεῖτε, ὧ Ῥωμαῖοι, κινδυνεύοντι ὑμῶν τῷ Σκιπίωνι.' τότε γὰρ οἱ μὲν ἐγγὺς ὄρῳντες οἱ κινδύνου φέρεται, οἱ δὲ πόρρῳ πυνθανόμενοι, καὶ πάντες ὁμοίως αἰδοῦμενοί τε καὶ περὶ τῷ στρατηγῷ δεδιότες, ἐσέδραμον ἐς τοὺς πολεμίους μετ' ἀλαλαγμοῦ καὶ βίας, ἣν οὐκ ἐνεγκόντες οἱ Λίβυες ἐνέδωκαν, ἐπιλειπούσης αὐτοὺς ἅμα τῆς δυνάμεως ὑπὸ τῆς ἀσιτίας περὶ ἐσπέραν: καὶ πολλὸς αὐτῶν δι' ὀλίγου τότε φόνος ἐγίνετο. τοῦτο μὲν δὴ τέλος ἦν Σκιπίωνι τῆς περὶ Καρμῶνιν μάχης, ἐπισηφαλοῦς ἐς πολὺ γενομένης. ἀπέθανον δ' ἐν αὐτῇ Ῥωμαίων μὲν ὀκτακόσιοι, τῶν δὲ πολεμίων μύριοι καὶ πεντα: κισχίλιοι.

[27] Hasdrubal, Mago, and Masinissa, when Scipio was coming upon them unawares, being only ten stades distant, and their soldiers not having taken their food, drew up their forces in haste, amid confusion and tumult. Battle being joined with both cavalry and infantry, the Roman horse prevailed over the enemy by the same tactics as before, by giving no respite to the Numidians (who were accustomed to retreat and advance by turns), thus making their darts of no effect by reason of their nearness. The infantry were severely pressed by the great numbers of the Africans and were worsted by them all day long, nor could Scipio stem the tide of battle, although he was everywhere cheering them on. Finally, giving his horse in charge of a boy, and

snatching a shield from a soldier, he dashed alone into the space between the two armies, shouting: “Romans, rescue your Scipio in his peril.” Then those who were near seeing, and those who were distant hearing, what danger he was in, and all being in like manner moved by a sense of shame and fear for their general’s safety, charged furiously upon the enemy, uttering loud cries. The Africans were unable to resist this charge. They gave way, as their strength was failing for lack of food, of which they had had none all day. Then, for a short space of time, there was a terrific slaughter. Such was the result to Scipio of the battle of Carmone, although it had been for a long time doubtful. The Roman loss was 800; that of the enemy 15,000.

[28] μετὰ δὲ τοῦθ' οἱ μὲν Λίβυες ὑπεχώρουν ἀεὶ μετὰ σπουδῆς, ὁ δὲ Σκιπίων αὐτοῖς εἶπετο, βλάπτων τι καὶ λυπῶν ὅσάκις καταλάβοι. ὥς δ' οἱ μὲν ὀχυρόν τι χωρίον προύλαβον, ἔνθα καὶ ὕδωρ ἦν ἄφθονον καὶ ἀγορά, καὶ οὐδὲν ἄλλο ἢ πολιορκεῖν αὐτοὺς ἔδει, Σκιπίωνα δ' ἠπειγον ἕτεραι χρεῖαι, Σιλανὸν μὲν ἀπέλιπε τούσδε πολιορκεῖν, αὐτὸς δ' ἐπῆει τὴν ἄλλην Ἰβηρίαν καὶ ὑπήγετο. Λιβύων δὲ τῶν ὑπὸ Σιλανοῦ πολιορκουμένων αὐτῆς ὑποχωρούντων, ἕως ἐπὶ τὸν πορθμὸν ἀφικόμενοι ἐς Γάδειρα ἐπέρασαν, ὁ Σιλανός, ὅσα δυνατὸν ἦν βλάψας, ἀνεξεύγνυνεν ἐς Καρχηδόνα πρὸς Σκιπίωνα. Ἀσδρούβαν δὲ τὸν Ἀμίλχαρος, περὶ τὸν βόρειον ὠκεανὸν στρατιὰν ἔτι συλλέγοντα, ὁ ἀδελφὸς Ἀννίβας ἐκάλει κατὰ σπουδὴν ἐς τὴν Ἰταλίαν ἐσβαλεῖν. ὁ δὲ ἵνα λάθοι τὸν Σκιπίωνα, παρὰ τὸν βόρειον ὠκεανὸν τὴν Πυρήνην ἐς Γαλάτας ὑπερέβαινε, μεθ' ὧν ἐξενολογῇκε Κελτιβήρων. καὶ ὁ μὲν Ἀσδρούβας ὧδε ἐς τὴν Ἰταλίαν, τῶν Ἰταλῶν ἀγνοούντων, ἠπείγετο.

[28] After this engagement the enemy retreated with all speed, and Scipio followed dealing blows and doing damage whenever he could overtake them. After they had occupied a stronghold, where there was plenty of food and water, and where nothing could be done but lay siege to them, Scipio was called away on other business. He left Silanus to carry on the siege while he went into other parts of Spain and subdued them. The Africans who were besieged by Silanus deserted their position and retreated again until they came to the straits and passed on to Gades. Silanus, having done them all the harm he could, rejoined Scipio at New Carthage. In the meantime Hasdrubal, the son of Hamilcar, who was still collecting troops along the Northern ocean, was called by his brother Hannibal to march in all haste to Italy. In order to deceive Scipio he moved along the northern coast, and passed over the Pyrenees into Gaul with the Celtiberian mercenaries whom he had enlisted. In this way he was hastening into Italy without the knowledge of the Italians.

CHAPTER VI

Scipio visits Africa — Other operations in Spain — Destruction of Ilurgia — The Fate of Astapa

(Y.R. 548)

[29] Λεύκιος δ' ἀπὸ Ῥώμης ἐπανιών ἔφραζε τῷ Σκιπίωνι ὅτι αὐτὸν οἱ ἐν ἄστει Ῥωμαῖοι διανοοῦνται στρατηγὸν ἐς Λιβύην ἀποστέλλειν. ὁ δὲ τοῦδε αὐτοῦ μάλιστα ἐπιθυμῶν ἐκ πολλοῦ, καὶ ἐλπίζων ὧδε ἔσεσθαι, Λαίλιον ἐπὶ νεῶν πέντε προῦπεμπεν ἐς Λιβύην πρὸς τὸν δυνάστην Σύφακα, δωρεάς τε φέροντα, καὶ τῶν Σκιπιόνων ὑπόμνησιν τῆς ἐς αὐτὸν Σύφακα φιλίας, καὶ δέησιν Ῥωμαίοις, ἂν ἐπίωσι, συλλαμβάνειν. ὁ δὲ ὑπέσχετό τε ποιήσειν, καὶ τὰ δῶρα ἔλαβε καὶ ἀντέπεμψεν ἕτερα. αἰσθόμενοι δὲ τούτων οἱ Καρχηδόνιοι, καὶ αὐτοὶ περὶ συμμαχίας ἐπρεσβεύοντο παρὰ τὸν Σύφακα. καὶ ὁ Σκιπίων πυνθανόμενός τε, καὶ μέγα ποιούμενος ἐπὶ Καρχηδονίοις προσλαβεῖν καὶ βεβαιώσασθαι Σύφακα, ἦι πρὸς αὐτὸν ἐπὶ νεῶν δύο σὺν τῷ Λαίλιῳ.

[29] Now Lucius [his brother], having returned from (B.C. 206) Rome, told Scipio that the Romans were thinking of sending the latter as general to Africa. Scipio had strongly desired this for some time and hoped that events might take this turn. Accordingly he sent Lælius with five ships to Africa on a mission to King Syphax, to make presents to him and remind him of the friendship of the Scipios, and ask him to join the Romans if they should make an expedition to Africa. He promised to do so, accepted the presents, and sent others in return. When the Carthaginians discovered this they also sent envoys to Syphax to seek his alliance. When Scipio heard of this, judging that it was a matter of importance to win and confirm the alliance of Syphax against the Carthaginians, he took Lælius and went over to Africa with two ships, to see Syphax in person.

[30] καὶ αὐτῷ καταγομένῳ οἱ πρέσβεις τῶν Καρχηδονίων, ἔτι ὄντες παρὰ τῷ Σύφακι, ναυσὶν αἷς εἶχον μακραῖς ἐπανάγοντο, λαθόντες τὸν Σύφακα. ἀλλ' ὁ μὲν ἰστίῳ χρώμενος παρέπλευσεν αὐτοὺς ἀδεῶς καὶ κατήχη, ὁ δὲ Σύφαξ ἐξένιζεν ἀμφοτέρους, καὶ τῷ Σκιπίωνι συνθέμενος ἰδία καὶ πίστεις παρασχὼν ἀπέπεμπε, καὶ τοὺς Καρχηδονίους ἐφεδρεύοντας αὐθις αὐτῷ κατεῖχεν, ἕως ἐν βεβαίῳ τῆς θαλάσσης γένοιτο ὁ Σκιπίων. παρὰ μὲν δὴ τοσοῦτον ἦλθε κινδύνου Σκιπίων, καταγόμενός τε καὶ πλέων: λέγεται δ' ἐν Σύφακος ἐστιώμενος συγκατακλιθῆναι τῷ Ἀσδρούβῃ, καὶ αὐτὸν ὁ Ἀσδρούβας περὶ πολλῶν ἐρόμενος καταπληγῆναι τῆς σεμνότητος, καὶ πρὸς τοὺς φίλους εἰπεῖν ὅτι μὴ μόνον πολεμῶν οὗτος ὁ ἀνὴρ ἀλλὰ καὶ ἐστιώμενος φοβερὸς εἶη.

[30] When he was approaching the shore the Carthaginian envoys who were still with Syphax sailed out against him with their war-ships, without Syphax's knowledge. But he spread his sails, outran them completely, and

reached the harbor. Syphax entertained both parties, but he made an alliance with Scipio privately, and having exchanged pledges sent him away. He also detained the Carthaginians, who were again lying in wait for Scipio, until he was a good distance out to sea. So much danger did Scipio incur both going and returning. It is reported that at a banquet given by Syphax, Scipio reclined on the same couch with Hasdrubal and that the latter questioned him about many things, and was greatly impressed with his gravity, and afterwards said to his friends that Scipio was formidable not only in war but also at a feast.

[31] τῷ δ' αὐτῷ χρόνῳ Μάγωνί τινες Κελτιβήρων καὶ Ἰβήρων ἔτι ἐμισθοφόρου, ὧν αἱ πόλεις ἐς Ῥωμαίους μετετέθειντο. καὶ ὁ Μάρκιος αὐτοῖς ἐπιθέμενος χιλίους μὲν καὶ πεντακοσίους διέφθειρεν, οἱ δὲ λοιποὶ διέφυγον αὐτὸν ἐς τὰς πόλεις. ἐτέρους δὲ ἑπτακοσίους ἱππέας καὶ πεζοὺς ἑξακιοχίλιους, Ἄννωνος αὐτῶν ἡγουμένου, συνήλασεν ἐς λόφον, ὅθεν ἀποροῦντες ἀπάντων ἐπρεσβεύοντο πρὸς τὸν Μάρκιον περὶ σπονδῶν. ὁ δ' ἐκέλευεν αὐτοὺς Ἄννονα καὶ τοὺς αὐτομόλους ἐκδόντας αὐτῷ, τότε πρεσβεύειν. οἱ μὲν δὴ καὶ τὸν Ἄννονα στρατηγὸν ὄντα σφῶν συναρπάσαντες, ἔτι τῶν λεγομένων ἀκροώμενον, καὶ τοὺς αὐτομόλους παρέδωκαν· ὁ δὲ Μάρκιος ἦτι καὶ τὰ αἰχμάλωτα. λαβὼν δὲ καὶ ταῦτα, ἐκέλευεν αὐτοὺς τακτὸν ἀργύριον κατενεγκεῖν ἅπαντας ἔς τι τοῦ πεδίου χωρίον· οὐ γὰρ ἀρμόζειν τὰ ὑψηλότερα τοῖς παρακαλοῦσιν. καταβάντων δὲ ἐς τὸ πεδίον ἔφη, 'ἄξια μὲν θανάτου δεδράκατε, οἱ τὰς πατρίδας ἔχοντες ὑφ' ἡμῖν, εἴλεσθε μετὰ τῶν ἐχθρῶν ἐπ' αὐτὰς στρατεύειν· δίδωμι δ' ὑμῖν, τὰ ὅπλα καταθεῖσιν, ἀπαθέσιν ἀπιέναι.' ἀγανακτῆσάντων δ' εὐθύς ὁμοῦ πάντων, καὶ ἀνακραγόντων οὐκ ἀποθήσεσθαι τὰ ὅπλα, μάχη γίγνεται καρτερά. καὶ τὸ μὲν ἥμισυ τῶν Κελτιβήρων, πολλὰ δρασάντων, κατεκόπη, τὸ δ' ἥμισυ πρὸς Μάγωνα διεσώθη. ὁ δ' ἄρτι μὲν ἐς τὸ στρατόπεδον τὸ Ἄννωνος κατεπεπλεύκει ναυσὶν ἐξήκοντα μακραῖς, μαθὼν δὲ τὴν Ἄννωνος συμφορὰν ἐς Γάδειρα διέπλει, καὶ λιμῷ κακοπαθῶν περιεσκόπει τὸ μέλλον.

[31] At this time certain of the Celtiberians and Spaniards were still serving under Mago as mercenaries, although their towns had gone over to the Romans. Marcius set upon them, slew 1500, and scattered the rest of them among their towns. He corralled 700 horse and 6000 foot of the same force, of whom Hanno was in command, on a hill. When they were reduced to extremities by hunger they sent messengers to Marcius to obtain terms. He told them first to surrender Hanno and the deserters, and then he would treat. Accordingly they seized Hanno, although he was their general and was listening to the conversation, and they delivered up the deserters. Then Marcius demanded the prisoners also. When he had received these he ordered them to bring a specified sum of money down to a certain point in the plain, because the high ground was not a suitable place for suppliants. When they had come down to the plain he said: "You deserve to be put to death for adhering to the enemy and waging war against us after your country has espoused our side. Nevertheless, if you will lay down your arms, I will allow

you to go unpunished.” At this they were very angry and exclaimed with one voice that they would not lay down their arms. A severe engagement ensued in which about half of the Celtiberians fell, not unavenged, the other half escaping to Mago, who had arrived a little before at the camp of Hanno with sixty war-ships. When he learned of Hanno’s disaster he sailed to Gades and awaited the turn of events, meanwhile suffering from want of provisions.

[32] καὶ Μάγων μὲν ἐπὶ ἀργίας ἦν, Σιλανὸς δ’ ἀπέσταλτο μὲν ὑπὸ τοῦ Σκιπίωνος Κάστακα πόλιν προσαγαγέσθαι, πολεμικῶς δ’ αὐτῷ τῶν Καστακαίων ἐχόντων παρεστρατοπέδευε, καὶ τοῦτο ἐμήνυε τῷ Σκιπίωνι. ὁ δὲ προπέμψας τινὰ παρασκευὴν πολιορκίας εἶπετο· καὶ παροδεύων ἐνέβαλεν ἐς Ἴλουργίαν πόλιν, ἣ Ῥωμαίων μὲν ἦν φίλη κατὰ τὸν πρότερον Σκιπίωνα, ἀναιρεθέντος δ’ ἐκείνου κρύφα μετετέθειτο, καὶ στρατιὰν ὑποδεξαμένη Ῥωμαίων ὥς ἔτι φίλη, Καρχηδονίοις ἐξεδεδώκει. ὧν χάριν ὁ Σκιπίων σὺν ὀργῇ τέσσαρσιν ὥραις ἐξείλεν αὐτήν, τρωθεὶς μὲν τὸν αὐχένα, τῆς δὲ μάχης οὐκ ἀνασχὼν ἕως ἐκράτησεν. καὶ ἡ στρατιὰ δι’ αὐτὸν, οὐδενὸς ἐπικελεύσαντος, ὑπεριδοῦσα τῆς ἀρπαγῆς, ἔκτεινον ὁμαλῶς καὶ παῖδια καὶ γυναῖκας, μέχρι καὶ τὴν πόλιν αὐτοῖς ἐπικατέσκαψαν. ἀφικόμενος δ’ ἐς τὴν Κάστακα ὁ Σκιπίων τὸν μὲν στρατὸν ἐς τρία διεῖλε καὶ τὴν πόλιν ἐφρουρεῖ, μάχης δὲ οὐκ ἤρχε, διδοὺς ἔτι τοῖς Καστακαίοις μεταγνῶναι. καὶ γὰρ ἤκουεν αὐτοὺς οὕτω φρονεῖν. οἱ δὲ τοῖς φρουροῦσι σφᾶς ἐμποδῶν οὓσιν ἐπιθέμενοι καὶ κρατήσαντες, ἐνεχείρισαν τὴν πόλιν τῷ Σκιπίωνι. καὶ τοῖσδε μὲν φρουρὰν ὁ Σκιπίων ἐπέστησε, καὶ τὴν πόλιν ἐπέτρεψεν ἐνὶ τῶν Καστακαίων ἐπὶ δόξης ὄντι ἀγαθῆς· αὐτὸς δ’ ἐς Καρχηδόνα ἀνεξεύγυνε, Σιλανὸν καὶ Μάρκιον περιπέμψας ἐπὶ τὸν πορθμὸν, δηοῦν ὅσα δύναιντο.

[32] While Mago lay here inert, Silanus was sent by Scipio to receive the submission of the city of Castax. When the inhabitants received him in a hostile manner, he encamped before it, and communicated the fact to Scipio. The latter sent him some siege engines and prepared to follow, but turned aside to attack the town of Ilurgia. This place had been an ally of the Romans in the time of the elder Scipio, but at his death changed sides secretly, and having given shelter to the Roman soldiers who had fled thither supposing it to be friendly, had delivered them up to the Carthaginians. To avenge this crime Scipio in his indignation took the place in four hours, and, although wounded in the neck, did not desist from the fight until he had conquered. The soldiers, for his sake, in their fury even forgot to plunder the town, but slew the whole population, including women and children, although nobody gave them any orders to do so, and did not desist until the whole place was razed to the ground. When he arrived at Castax, Scipio divided his army into three parts and invested the city. He did not press the siege, however, but gave the inhabitants time to repent, having heard that they were so disposed. The latter, having slain those of the garrison who objected and put down all opposition, surrendered the place to Scipio, who stationed a new garrison there and placed the town under the government of one of its own citizens, a man of high

reputation. He then returned to New Carthage, and sent Silanus and Marcius to the straits to devastate the country as much as they could.

[33] Ἀσταπὰ δ' ἦν πόλις Καρχηδονίοις ἀεὶ ἐμμείνας ὁμαλῶς· οἱ τότε τοῦ Μάρκιου σφᾶς περικαθημένου, συγγιγνώσκοντες ὅτι Ῥωμαῖοι λαβόντες αὐτοὺς ἀνδραποδιοῦνται, τὴν περιουσίαν σφῶν ἐς τὴν ἀγορὰν συνήνεγκαν, καὶ ξύλα περιθέντες αὐτῇ τὰ τέκνα καὶ τὰ γύναια ἐπέβησαν ἐπὶ τὴν ὕλην. πεντήκοντα δὲ σφῶν ὥρκωσαν τοὺς ἀρίστους, ὅταν ἡ πόλις ἀλίσκηται, τὰ γύναια καὶ τοὺς παῖδας ἀνελεῖν καὶ τὸ πῦρ ἄψαι καὶ ἑαυτοὺς ἐπικατασφάζαι. οἱ μὲν δὴ μάρτυρας τῶνδε ποιησάμενοι τοὺς θεοὺς, ἐξέδραμον ἐπὶ τὸν Μάρκιον οὐχ ὑφορώμενον οὐδέν, ὅθεν αὐτοῦ τοὺς ψιλοὺς καὶ τοὺς ἰππέας ἐτρέψαντο. ὀπλισαμένης δὲ τῆς φάλαγγος, τὰ μὲν τῶν Ἀσταπαίων ἦν ἄριστα, ἐξ ἀπογνώσεως μαχομένων, Ῥωμαῖοι δ' ὅμως ἐκράτουν αὐτῶν διὰ τὸ πλῆθος· οὐ γὰρ δὴ τῇ γε ἀρετῇ χεῖρους ἦσαν οἱ Ἀσταπαῖοι. πεσόντων δὲ ἀπάντων, οἱ πεντήκοντα τὰς γυναῖκας καὶ τὰ παιδία κατέσφαζαν, καὶ τὸ πῦρ ἐγείραντες ἑαυτοὺς ἐπέρριψαν, ἀκερδῇ τοῖς πολεμίοις τὴν νίκην ἐργασάμενοι. ὁ δὲ Μάρκιος τὴν ἀρετὴν τῶν Ἀσταπαίων καταπλαγεὶς οὐκ ἐνύβρισεν ἐς τὰ οἰκόπεδα αὐτῶν.

[33] There was a town named Astapa which had been always and wholly of the Carthaginian party. Marcius laid siege to it, and the inhabitants foresaw that, if they were captured by the Romans, they would be reduced to slavery. Accordingly they brought all their valuables into the market-place, piled wood around them, and put their wives and children on the heap. They made fifty of their principal men take an oath that whenever they should see that the city must fall, they would kill the women and children, set fire to the pile, and slay themselves thereon. Then calling the gods to witness what they had done, they sallied out against Marcius, who did not anticipate anything of the kind. For this reason they easily repulsed the light-armed troops and cavalry whom they met. When they became engaged with the legionaries, they still had the best of it, because they fought with desperation. Finally the Romans overpowered them by sheer numbers, for the Astapians certainly were not inferior to them in bravery. When they had all fallen, the fifty who remained behind slew the women and children, kindled the fire, and flung themselves on it, thus leaving the enemy a barren victory. Marcius, in admiration of the bravery of the Astapians, spared the houses.

CHAPTER VII

Mutiny in Scipio's Army — The Mutiny suppressed — Masinissa makes an Alliance with Scipio

[34] μετὰ δὲ τοῦθ' ὁ μὲν Σκιπίων ἐς ἀρρωστίαν ἐνέπεσε, καὶ ὁ Μάρκιος αὐτῷ διώκει τὸ στρατόπεδον· ὅσοι δὲ τῶν στρατιωτῶν ὑπ' ἀσωτίας ἀναλώκεσαν τὰ πεπορισμένα, ἡγούμενοι τῶν μὲν πόνων οὐδὲν ἄξιον ἡρῆσθαι παρὰ τὸ μηδὲν ἔχειν, σφετερίζεσθαι δ' αὐτῶν τὰ ἔργα καὶ τὴν δόξαν Σκιπίωνα, ἀφίσταντο ἀπὸ τοῦ Μαρκίου καὶ ἐφ' ἑαυτῶν ἐστρατοπέδευον. ἐκ τε τῶν φρουρίων αὐτοῖς πολλοὶ συνέτρεχον, καὶ παρὰ Μάγωνός τινες ἀργύριον φέροντες ἐπειθον αὐτοὺς ἐς τὸν Μάγωνα μεταθέσθαι. οἱ δὲ τὸ μὲν ἀργύριον ἔλαβον, στρατηγούς δ' ἀπὸ σφῶν ἐλόμενοι καὶ ταξιάρχους, καὶ τᾶλλα διακοσμηθέντες, ἐφ' ἑαυτῶν ἐτάσσοντο καὶ συνώμνουν ἀλλήλοις. πυθόμενος δ' ὁ Σκιπίων ἐπέστελλεν ἐν μέρει μὲν τοῖς ἀφεστηκόσιν ὅτι διὰ τὴν νόσον αὐτοὺς οὐκ ἀμείψαιτό πω, ἐν μέρει δὲ τοῖς ἄλλοις, ἵνα μεταπειθῶσιν αὐτοὺς πλανωμένους, κοινῇ δ' ἅπασιν ἐπιστολὴν ἄλλην ὡς ἤδη συνηλλαγμένοις, ὅτι αὐτοὺς αὐτίκα ἀμείψεται. καὶ ἐκέλευεν εὐθὺς ἦκειν ἐπὶ σῖτον ἐς Καρχηδόνα.

[34] After this Scipio fell sick, and the command of the army devolved on Marcius. Some of the soldiers, who had squandered their means in riotous living, and who thought that because they had nothing they had found no fit compensation for their toils, but that Scipio was appropriating all the glory of their deeds, seceded from Marcius and went off and encamped by themselves. Many from the garrisons joined them. Messengers came to them from Mago, bringing money and inviting them to revolt to him. They took the money, chose generals and centurions from their own number, made other arrangements to their liking, put themselves under military discipline, and exchanged oaths with each other. When Scipio learned this, he sent word to the seceders separately that on account of his sickness he had not yet been able to remunerate them for their services. He urged others to try and win back their erring comrades. He also sent a letter to all the soldiers in common, as though they had already been reconciled, saying that he was about ready to discharge his debt to them, and telling them to come to New Carthage and get their provisions.

[35] ἀναγινωσκομένων δὲ τούτων, οἱ μὲν ὑπόπτειον, οἱ δὲ πιστεύειν ἤξιον καὶ συνετίθεντο, καὶ πάντες ὥδευον ἐς τὴν Καρχηδόνα ὁμοῦ. προσιόντων δὲ αὐτῶν, ὁ Σκιπίων προσέταξε τοῖς συνοῦσιν οἱ βουλευταῖς ἕκαστον τῶν ἐξάρχων τινὰ τῆς στάσεως προσεταιρίσασθαι προσιόντα, καὶ ὡς ἀπ' εὐνοίας διορθοῦντα ὑποδέξασθαι τε καὶ δεῖν λαθόντα. προσέταξε δὲ καὶ τοῖς χιλιάρχοις τοὺς πιστοτάτους ἕκαστον ἀφανῶς ἅμα ἔφ' ἑξίφηρις ἔχειν, καὶ τὰ εὐκαιρὰ τῆς ἐκκλησίας ἐκ διαστημάτων καταλαμβάνοντας, ἣν τις ἐπανίστηται, κατακεντεῖν καὶ κατακαίνειν αὐτίκα ἄνευ παραγγέλματος. αὐτὸς δ' ἄρτι

φαινομένης ἡμέρας ἐπὶ τὸ βῆμα ἐκομίζετο, καὶ τοὺς κήρυκας ἐς ἐκκλησίαν ἐποτρύνειν περιέπεμπεν. οἱ δὲ αἰφνιδίου μὲν αὐτοῖς τοῦ κηρύγματος γενομένου, αἰδούμενοι δὲ ἔτι νοσοῦντα τὸν στρατηγὸν σφῶν παρακρατεῖν, καὶ νομίζοντες ἐπὶ τὰς ἀμοιβὰς καλεῖσθαι, συνέθεον ὁμοῦ πάντοθεν, οἱ μὲν ἄζωστοι τὰ ξίφη, οἱ δὲ καὶ ἐν χιτῶσι μόνοις, οὐ φθάσαντες οὐδὲ τὴν ἐσθῆτα πᾶσαν ἐπιθέσθαι.

[35] Upon reading these letters, some thought that they were not to be trusted. Others put faith in them. Finally they came to an agreement that all should go to New Carthage together. When they were coming, Scipio enjoined upon those senators who were with him that each one should attach himself to some one of the leaders of the sedition as they came in, as if to admonish him in a friendly way, should then make him his guest, and quietly secure him. He also ordered the military tribunes that each should have his most faithful soldiers in readiness at daylight unobserved, with their swords, and station them at intervals in convenient places about the assembly, and if any tumult should arise, to draw their weapons and kill at once, without waiting for orders. Shortly after daybreak, Scipio was conveyed to the tribunal, and he sent the heralds around to summon the soldiers to the place of meeting. The call was unexpected to them and they were ashamed to keep their sick general waiting. They thought also that they were only called to get their rewards. So they came running together from all sides, some without their swords others dressed only in their tunics, not having had time to put on all their clothing, by reason of their haste.

[36] Σκιπίων δὲ φρουρὰν ἔχων ἀμφ’ αὐτὸν ἀφανῆ, πρῶτα μὲν αὐτοῖς ἐπεμέμφετο τῶν γεγονότων, εἰτ’ ἔφη τὴν αἰτίαν ἀναθήσειν μόνοις τοῖς ἄρξασιν, ‘οὓς ἐγὼ κολάσω δι’ ὑμῶν.’ καὶ λέγων ἔτι προσέταξε τοῖς ὑπηρέταις διαστῆσαι τὸ πλῆθος. οἱ μὲν δὴ δίστανον, οἱ δὲ βουλευταὶ τοὺς αἰτίους παρῆγον ἐς τὸ μέσον. ἀναβοησάντων δὲ αὐτῶν, καὶ τοὺς συστρατιώτας βοηθῆσαι σφίσι παρακαλούντων, τοὺς ἐπιφθεγγομένους εὐθὺς ἔκτεινον οἱ χιλιάρχοι. καὶ τὸ μὲν πλῆθος ἐπειδὴ τὴν ἐκκλησίαν φρουρουμένην εἶδεν, ἐφ’ ἡσυχίας ἦν σκυθρωποῦ· ὁ δὲ Σκιπίων τοὺς ἐς τὸ μέσον παραχθέντας αἰκισάμενος, καὶ μᾶλλον αὐτῶν τοὺς ἐκβοήσαντας, ἐκέλευσε τοὺς ἀγένας ἀπάντων ἐς τοῦδαφος παττάλοις προσδεθέντας ἀποτμηθῆναι, καὶ τοῖς ἄλλοις ἀμνηστίαν ἐκήρυξε διδόναι.

ὥδε μὲν τὸ στρατόπεδον καθίστατο τῷ Σκιπίωνι:

[36] Scipio, having a guard around himself that was not observed, first accused them of their misdeeds. “Nevertheless,” he said, “the blame belongs only to the authors of the conspiracy, whom I will punish with your help.” He had scarcely said this when he ordered the lictors to divide the crowd in two parts, and when they had done so the senators dragged the guilty leaders into the middle of the assembly. When they cried out and called their comrades to their aid, every one who uttered a word was killed by the tribunes. The rest of

the crowd, seeing that the assembly was surrounded by armed men, remained in sullen silence. Then Scipio caused the wretches who had been dragged to the middle space to be beaten with rods, those who had cried for help being beaten hardest, after which he ordered that their necks should be fastened to stakes driven in the ground and their heads cut off. The heralds proclaimed pardon to the rest. In this way was the mutiny in Scipio's camp put down.

[37] Ἰνδιβίλις δέ, τῶν συνθεμένων τις αὐτῷ δυναστῶν, στασιαζούσης ἔτι τῆς Ῥωμαϊκῆς στρατιᾶς κατέδραμέ τι τῆς ὑπὸ τῷ Σκιπίωνι γῆς. καὶ αὐτῷ τοῦ Σκιπίωνος ἐπελάσαντος, ὑπέστη μὲν τὸν ἀγῶνα γενναίως, καὶ χιλίους καὶ διακοσίους Ῥωμαίων διέφθειρεν, ἀπολομένων δ' αὐτῷ δισμυρίων ἐδέετο προσπέμψας. καὶ ὁ Σκιπίων αὐτὸν χρήμασι ζημιώσας συνηλλάσσετο. λαθὼν δὲ καὶ Μασσανάσσης Ἀσδρούβαν ἐπέρασε τὸν πορθμόν, καὶ φιλίαν τῷ Σκιπίωνι συνθέμενος ὤμοσε συμμαχήσειν, ἂν ἐς Λιβύην στρατεύῃ. ἔπραξε δὲ τοῦτο ἀνὴρ ἐς πάντα βέβαιος διὰ τοιάνδε αἰτίαν. Ἀσδρούβου τοῦ τότε οἱ συνόντος στρατηγοῦ θυγάτηρ ἐς γάμον ἡγγύητο Μασσανάσση: Σύφακα δ' ἄρα τὸν δυνάστην ἔρως ἔκνιζε τῆς παιδός, καὶ οἱ Καρχηδόνιοι μέγα ποιοῦμενοι Σύφακα ἐπὶ Ῥωμαίους προσλαβεῖν, ἔδωκαν αὐτῷ τὴν παῖδα, οὐδὲν τοῦ Ἀσδρούβου πυθόμενοι, καὶ τῶνδε πραχθέντων ὁ μὲν Ἀσδρούβας αὐτὰ ἐπέκρυπτε, τὸν Μασσανάσσην αἰδοῦμενος, ὁ δὲ αἰσθόμενος συνέθετο τῷ Σκιπίωνι. Μάγων δὲ ὁ ναύαρχος ἀπογνοὺς ἀπὸ τῶν παρόντων τὰ ἐν Ἰβηρίᾳ, πλεύσας ἐς Λίγυας καὶ Κελτοὺς ἐξενολόγει. καὶ ὁ μὲν περὶ ταῦτα ἦν, καὶ τὰ Γάδειρα ἐκλειφθέντα ὑπὸ τοῦ Μάγωνος οἱ Ῥωμαῖοι παρέλαβον.

[37] While the mutiny was going on in the Roman army, a certain Indibilis, one of the chiefs who had come to an understanding with Scipio, made an incursion into the territory of Scipio's allies. When Scipio marched against him he made a very stiff fight, and killed some 1200 of the Romans, but having lost 20,000 of his own men he sued for peace. Scipio made him pay a fine, and then came to an agreement with him. At this time also Masinissa crossed the straits, without the knowledge of Hasdrubal, and established friendly relations with Scipio, and swore to join him if the war should be carried into Africa. This man remained faithful under all circumstances and for the following reason. The daughter of Hasdrubal had been betrothed to him while he was fighting under the latter's command. But King Syphax was desperately in love with the same girl, and the Carthaginians, considering it a matter of great moment to secure Syphax against the Romans, gave her to him without consulting Hasdrubal. The latter, when he heard of it, concealed it from Masinissa out of regard for him. When Masinissa learned the facts he made an alliance with Scipio. Mago, the admiral, despairing of Carthaginian success in Spain, sailed to the country of the Ligurians and the Gauls to recruit mercenaries. While he was absent on this business the Romans took possession of Gades, which he had abandoned. (Y.R. 549)

[38] στρατηγούς δὲ Ἰβηρίας ἐτησίους ἐς τὰ ἔθνη τὰ εἰλημμένα ἔπεμπον ἀπὸ

τοῦδε ἀρξάμενοι, μικρὸν πρὸ τῆς τετάρτης καὶ τεσσαρακοστῆς καὶ ἑκατοστῆς ὀλυμπιάδος, ἀρμοστὰς ἢ ἐπιστάτας αὐτοῖς τῆς εἰρήνης ἐσομένους. καὶ αὐτοῖς ὁ Σκιπίων ὀλίγην στρατιὰν ὥς ἐπὶ εἰρήνῃ καταλιπών, συνώκισε τοὺς τραυματίας ἐς πόλιν, ἣν ἀπὸ τῆς Ἰταλίας Ἰταλικὴν ἐκάλεσε: καὶ πατρίς ἐστι Τραϊανοῦ τε καὶ Ἀδριανοῦ τῶν ὕστερον Ῥωμαίοις ἀρξάντων τὴν αὐτοκράτορα ἀρχήν. αὐτὸς δὲ ἐς Ῥώμην ἐπὶ στόλου πολλοῦ διέπλει, λαμπρῶς τε κεκοσμημένου καὶ καταγέμοντος αἰχμαλώτων ὁμοῦ καὶ χρημάτων καὶ ὅπλων καὶ λαφύρων ποικίλων. καὶ ἡ πόλις αὐτὸν ἐπιφανῶς ἐξεδέχετο μετὰ δόξης αἰοδίδιμου τε καὶ παραλόγου διὰ τε νεότητα καὶ ταχυεργίαν καὶ μέγεθος εὐπραξίας. οἱ τε φθονοῦντες αὐτῷ τὴν πάλαι κουφολογίαν ὠμολόγουν ἐς ἔργον ἀποβῆναι. καὶ Σκιπίων μὲν θαυμαζόμενος ἐθριάμβευεν, Ἰνδίβιλις δὲ οἰχομένου τοῦ Σκιπίωνος αὐθις ἀφίστατο. καὶ αὐτὸν οἱ στρατηγοὶ τῆς Ἰβηρίας, τὸν στρατὸν ἀγείραντες ὅσος αὐτοῖς ἦν περὶ τὰ φρούρια, καὶ δύναμιν ἄλλην ἀπὸ τῶν ὑπηκόων συναγαγόντες, ἔκτειναν. τοὺς δ' αἰτίους τῆς ἀποστάσεως ἐς κρίσιν παραγαγόντες θανάτῳ μετήλθον, καὶ τὰ ὄντα αὐτοῖς ἐδήμευσαν. τὰ τε ἔθνη τὰ συναράμενα αὐτῷ χρήμασιν ἐξημίωσαν, καὶ τὰ ὅπλα αὐτῶν παρέιλοντο, καὶ ὄμηρα ἤτησαν, καὶ φρουρὰς δυνατωτέρας αὐτοῖς ἐπέστησαν. καὶ τάδε μὲν ἦν εὐθὺς μετὰ Σκιπίωνα, καὶ ἡ πρώτη Ῥωμαίων ἐς Ἰβηρίαν πεῖρα ἐς τοῦτο ἔληγε.

[38] From this time, which was a little before the 144th Olympiad, the Romans began to send prætors to Spain yearly to the conquered nations as governors or superintendents to keep the peace. Scipio left them a small force suitable for a peace establishment, and settled his sick and wounded soldiers in a town which he named Italica after Italy, and this was the native place of Trajan and Hadrian, who afterwards became emperors of Rome. Scipio himself sailed for Rome with a large fleet magnificently arrayed, and loaded down with captives, money, arms, and all kinds of booty. The city gave him a glorious reception, bestowing noble and unprecedented honors upon him on account of his youth and the rapidity and greatness of his exploits. Even those who envied him acknowledged that his boastful promises of long ago were realized in facts. And so, admired by all, he was awarded the honor of a triumph. As soon as Scipio departed from Spain, Indibilis rebelled again. The generals in Spain, collecting together an army from the garrisons and such forces as they could obtain from the subject tribes, defeated and slew him. Those who were guilty of inciting the revolt were brought to trial, and punished (B.C. 205) with loss of goods and death. The tribes that took sides with Indibilis were fined, deprived of their arms, required to give hostages, and placed under stronger garrisons. These things happened just after Scipio's departure. And so the first war undertaken by the Romans in Spain came to an end.

CHAPTER VIII

Cato the Censor — His Victory in Spain — Revolt of the Lusones — The Elder Gracchus in Spain

[39] χρόνῳ δ' ὕστερον, ὅτε Ῥωμαῖοι Κελτοῖς τε τοῖς περὶ Πάδον ἐπολέμουν καὶ Φιλίπῳ τῷ Μακεδόνι, ἐνεωτέρισαν αὐθις ἐς τὴν ἀσχολίαν αὐτῶν οἱ Ἰβηρες. καὶ αὐτοῖς ἐπέμφθησαν ἐκ Ῥώμης στρατηγοὶ τοῦδε τοῦ πολέμου Σεμπρώνιος τε Τουδιτανὸς καὶ Μάρκος Ἑλουῖος, μετὰ δ' ἐκείνους Μινούκιος. καὶ ἐπὶ τούτῳ, μείζονος ἔτι τῆς κινήσεως γιγνομένης, μετὰ πλέονος δυνάμεως ἐπέμφθη Κάτων, νέος μὲν ὢν ἔτι πάμπαν, αὐστηρὸς δὲ καὶ φιλόπονος, συνέσει τε γνώμης καὶ δεινότητι λόγων ἀριπρεπής, ὥστε αὐτὸν ἐπὶ τοῖς λόγοις ἐκάλουν οἱ Ῥωμαῖοι Δημοσθένη, πυνθανόμενοι τὸν ἄριστον ἐν τοῖς Ἑλλήσι ρήτορα γεγενῆσθαι Δημοσθένη.

[39] Subsequently, when the Romans were at war with the Gauls on the Po, and with Philip of Macedon, the Spaniards (Y.R. 557) attempted another revolution, thinking the Romans now too (B.C. 197) distracted to heed them. Sempronius Tuditanus and Marcus Helvius were sent from Rome as generals against them, and after them Minucius. As the disturbance became greater, (Y.R. 559) Cato was sent in addition, with larger forces. He was still (B.C. 195) a very young man, austere, laborious, and of such solid understanding and superb eloquence that the Romans called him Demosthenes for his speeches, for they learned that Demosthenes had been the greatest orator of Greece.

[40] ὥς δὲ κατέπλευσε τῆς Ἰβηρίας ἐς τὸ καλούμενον Ἐμπόριον ὁ Κάτων, οἱ μὲν πολέμιοι πάντοθεν ἐπ' αὐτὸν ἐς τετρακισμυρίους ἀγγεράτο, ὁ δ' ἐπὶ μὲν τι τὴν στρατιὰν ἐγύμναζεν, ὥς δ' ἔμελλε συνενεχθῆσεσθαι μάχῃ, τὰς ναῦς αἷς εἶχεν ἐς Μασσαλίαν ἀπέπεμψε, καὶ τὸν στρατὸν ἐδίδασκεν οὐ τοῦτο εἶναι φοβερόν, ὅτι πλήθει προύχουσιν οἱ πολέμιοι ἵτην γὰρ εὐψυχίαν αἰεὶ τοῦ πλέονος ἐπικρατεῖν, ἀλλ' ὅτι νεῶν ἀποροῦμεν, ὥς οὐκ ἔχῃν, εἰ μὴ κρατοῖμεν, οὐδὲ σωτηρίαν. ταῦτ' εἰπὼν αὐτίκα συνέβαλεν, οὐκ ἐπελπίσας, ὥσπερ ἕτεροι, τὸν στρατόν, ἀλλὰ φοβήσας. γενομένης δ' ἐν χερσὶ τῆς μάχης, ἐς πάντα μετεπήδα παρακαλῶν καὶ παροξύνων. ἀκρίτου δ' αὐτῆς ἐς δέϊλην ἐσπέραν ἔτι οὔσης, καὶ πολλῶν πιπτόντων ἐκατέρωθεν, ἕς τινα λόφον ὑψηλὸν μετὰ τριῶν τάξεων ἐφέδρων ἀνέδραμε, τὸ ἔργον ὁμοῦ πᾶν ἐποψόμενος. ὥς δὲ εἶδε τοὺς μέσους τῶν ἰδίων μάλιστα ἐνοχλουμένους, ὥρμησεν ἐς αὐτοὺς προκινδυνεύων, ἔργῳ τε καὶ βοῇ συνετάραξε τοὺς ἐχθροὺς, καὶ πρῶτος κατῆρξε τῆς νίκης. διώξας τε νυκτὸς ὅλης ἐκράτησεν αὐτῶν τοῦ στρατοπέδου, καὶ πολλοὺς ἀπέκτεινεν. ἐπανιόντι δ' ὥς ἡγεμόνι τῆς νίκης συνήδοντο συμπλεκόμενοι. καὶ μετὰ τοῦτο ἀνέπαυε τὴν στρατιάν, καὶ τὰ λάφυρα ἐπίπρασεν.

[40] When Cato arrived in Spain at the place called Emporia, the enemy from all quarters assembled against him to the number of 40,000. He took a short time to discipline his forces. When he was about to fight he sent away the ships which he had brought, to Massilia. Then he told his soldiers that they had not so much to fear from the superior numbers of the enemy (for courage could always overcome numbers), as from their own want of ships, so that there was no safety for them unless they beat the enemy. With these words he had not inspired his army, as would other generals, with hope — but with fear; then he ordered an engagement. But when battle was joined he flew hither and thither exhorting and cheering his troops. When the conflict had continued doubtful till evening and many had fallen on both sides, he ascended a high hill with three cohorts of the reserve, where he could overlook the whole field. When he saw the centre of his own line sorely pressed he sprang to their relief, exposing himself to danger, and broke the ranks of the enemy with a charge and a shout, and here his victory began. He pursued them the whole night, captured their camp, and slew a vast number. Upon his return the soldiers congratulated and embraced him as the author of the victory. After this he gave the army a rest and sold the plunder.

[41] πρεσβευόντων δ' ἐς αὐτὸν ἀπάντων ὁμηρά τε ἤτησεν ἄλλα, καὶ βιβλία ἐσφραγισμένα ἐς ἐκάστους περιέπεμπε, καὶ τοὺς φέροντας ἐκέλευεν ἡμέρα μιᾷ πάντας ἀποδοῦναι: καὶ ὥριζε τὴν ἡμέραν, τεκμηράμενος ὅτε μάλιστα ἐς τὴν πορρωτάτω πόλιν ἀφίξονται. ἐκέλευε δ' ἡ γραφὴ ταῖς ἀρχαῖς τῶν πόλεων ἀπάσαις καθαιρεῖν τὰ τεῖχη σφῶν, αὐτῆς ἡμέρας ἢ τὰ γράμματα λάβοιεν: εἰ δὲ ἀνάθοιντο τὴν ἡμέραν, ἀνδραποδισμόν ἡπειλεῖ. οἱ δὲ ἄρτι μὲν ἡττημένοι μεγάλη μάχη, ὑπὸ δὲ ἀγνοίας εἶτε μόνοις εἶθ' ἅπασι ταῦτα προσετάχθη, φοβούμενοι μόνοι μὲν ὥς εὐκαταφρόνητοι, μετὰ δὲ τῶν ἄλλων μὴ μόνοι βραδύνωσι, καιρὸν τε οὐκ ἔχοντες περιπέμψαι πρὸς ἀλλήλους, καὶ τοὺς στρατιώτας τοὺς ἐληλυθότας μετὰ τῶν γραμμάτων ἐφεστῶτας σφίσιν εὐλαβοῦμενοι, τὸ σφέτερον ἀσφαλὲς ἕκαστοι προύργου τιθέμενοι, τὰ τεῖχη καθήρουν μετὰ σπουδῆς. ἐν ᾧ γὰρ ἅπαξ ὑπακούειν ἐδόκει, καὶ τὸ ταχέως εἰργάσθαι προσλαβεῖν ἐφιλοτιμοῦντο. οὕτω μὲν αἱ πόλεις αἱ περὶ Ἰβηρα ποταμὸν μιᾷς ἡμέρας, ὑφ' ἐνὸς στρατηγήματος, αὐταὶ τὰ τεῖχη τὰ ἑαυτῶν καθήρουν, καὶ Ῥωμαίοις ἐς τὸ μέλλον εὐέφοδοι γενόμεναι διέμειναν ἐς πλεῖστον ἐπὶ εἰρήνῃς.

[41] Now envoys came to him from all sides, from whom he required hostages. To each of their towns he sent sealed letters, and he charged the bearers that they should all deliver the letters on one and the same day, for he had fixed the day by calculating how long it would take to reach the farthest town. The letters commanded the magistrates of all the towns to demolish their walls on the very day they received the order. If there was a day's delay he threatened to sell them into slavery. They, having been lately vanquished in a great battle, and not knowing whether these orders had been sent to them alone or to all, were much perplexed, for if it were to them alone they felt that

they were but weak objects of scorn, but if it were to the others also, they feared to be the only ones to delay. Wherefore, as they had no time to send to each other, and the officers who brought the letters urged them to obey, they decided to do so, each town consulting its own safety. And so they threw down their walls with all speed, for when they had once decided to obey they thought that those who did the work most expeditiously would receive most favor. Thus the towns along the river Iberus in one day, and by one act of generalship, levelled their own walls. Being less able to resist the Romans thereafter, they remained longer at peace. (Y.R. 573)

[42] Ὀλυμπιάσι δ' ὕστερον τέσσαρσιν, ἀμφὶ τὰς πεντήκοντα καὶ ἑκατόν, πολλοὶ τῶν Ἰβήρων γῆς ἀποροῦντες ἀπέστησαν ἀπὸ Ῥωμαίων, ἄλλοι τε καὶ Λούσονες, οἱ περὶ τὸν Ἰβηρα ὤκηνται. στρατεύσας οὖν ἐπ' αὐτοὺς ὕπατος Φούλουιος Φλάκκος ἐνίκα μάχῃ. καὶ πολλοὶ μὲν αὐτῶν κατὰ πόλεις διελύθησαν: ὅσοι δὲ μάλιστα γῆς ἠπόρουν καὶ ἐξ ἄλλης ἐβίότευον, ἐς Κομπλέγαν πόλιν συνέφυγον, ἥ νεόκτιστός τε ἦν καὶ ὀχυρά, καὶ ἠϋξέτο ταχέως. ὅθεν ὀρμώμενοι τὸν Φλάκκον ἐκέλευον, καταθέντα σφίσιν ὑπὲρ τῶν ἀνηρημένων ἐκάστου σάγον τε καὶ ἵππον καὶ ξίφος, ἀποτρέχειν ἐξ Ἰβηρίας πρὶν τι κακὸν παθεῖν. ὁ δὲ πολλοὺς αὐτοῖς ἔφη σάγους οἴσειν, καὶ τοῖς πρέσβεσιν αὐτῶν ἐπόμενος τῇ πόλει παρεστρατοπέδευσεν. οἱ δ' ἀνομοίως ταῖς ἀπειλαῖς σφῶν αὐτίκα ἀπεδίδρασκον, καὶ τὰ τῶν ἐγγὺς βαρβάρων ἐλῆζοντο. χρῶνται δὲ διπλοῖς ἱματίοις παχέσιν, ἀντὶ χλαμύδων αὐτὰ περιπορώμενοι, καὶ τοῦτο σάγον ἡγοῦνται.

[42] Four Olympiads later, — that is, about the 150th Olympiad, — many Spanish tribes, having insufficient land, including the Lusones and others who dwelt along the river Iberus, revolted from the Roman rule. These being overcome in battle by the consul Fulvius Flaccus, the greater part of them scattered among their towns. The rest, being destitute of land and living a vagabond life, collected at Complega, a city newly built and fortified, and which had grown rapidly. Sallying out from this place they demanded that Flaccus should deliver to each of them a cloak, a horse, and a sword as recompense for their dead in the late war, (B.C. 181) and take himself out of Spain or suffer the consequences. Flaccus replied that he would bring them plenty of cloaks, and following closely after their messengers, he encamped before the city. Far from making good their threats, they took to their heels, plundering the neighboring barbarians on the road. These people wore a thick outer garment with a double fold which they fastened with a clasp after the manner of the military cloak, and they called it the sagum. (Y.R. 575)

[43] Φλάκκῳ μὲν οὖν διάδοχος ἦλθεν ἐπὶ τὴν στρατηγίαν Τιβέριος Σεμπρόνιος Γράκχος. Κάραουν δὲ πόλιν, ἥ Ῥωμαίων ἦν φίλη, δισμύριοι Κελτιβήρων ἐπολιόρκουν: καὶ ἐπίδοξος ἦν ἀλώσεσθαι, Γράκχου σφόδρα μὲν ἐπείγομένου βοηθῆσαι τῇ πόλει, περιούτος δ' ἐν κύκλῳ τοὺς πολεμίους, καὶ οὐκ ἔχοντας οὐδὲ μηνῦσαι τῇ πόλει περὶ ἑαυτοῦ. τῶν οὖν τις ἱλάρχων, Κομίνιος,

ἐνθυμηθεὶς πρὸς ἑαυτὸν καὶ Γράκῳ τὸ τόλμημα ἀνενεγκῶν, ἐνεπορπήσατο σάγον Ἰβηρικῶς, καὶ λαθὼν ἀνεμίχθη τοῖς χορτολογοῦσι τῶν πολεμίων, συνεσῆλθέ τε αὐτοῖς ὡς Ἴβηρ ἐς τὸ στρατόπεδον, καὶ ἐς τὴν Κάραουν διαδραμῶν ἐμήνυσεν ὅτι Γράκχος ἐπίοι. οἱ μὲν δὴ διεσώθησαν, ἐγκατερέησαντες τῇ πολιορκίᾳ μέχρι Γράκχος αὐτοῖς ἐπῆλθε μετὰ τρίτην ἡμέραν, καὶ οἱ πολιορκοῦντες ἀπανεστήσαν· δισμῦριοι δ' ἐκ τῆς Κομπλέγας διέτρεχον ἐς τὸ Γράκχου στρατόπεδον σὺν ἱκετηρίαῖς, καὶ πλησιάσαντες ἀδοκῆτως ἐπέθεντο αὐτῷ, καὶ συνετάραξαν. ὁ δ' εὐμηχάνως ἐξέλιπεν αὐτοῖς τὸ στρατόπεδον, καὶ ὑπεκρίνατο φεύγειν· εἴτα διαρπάζουσιν ἐπιστραφεῖς ἐπέπεσέ τε καὶ πλείστους ἔκτεινε, καὶ τῆς Κομπλέγας κατέσχε καὶ τῶν περιοίκων. τοὺς δὲ ἀπόρους συνώκιζε, καὶ γῆν αὐτοῖς διεμέτρει. καὶ πᾶσιν ἔθετο τοῖς τῇδε συνθήκας ἀκριβεῖς, καθ' ἃ Ῥωμαίων ἔσσονται φίλοι· ὄρκους τε ὤμοσεν αὐτοῖς καὶ ἔλαβεν, ἐπιποθήτους ἐν τοῖς ὕστερον πολέμοις πολλάκις γενομένους. δι' ἃ καὶ ἐν Ἰβηρίᾳ καὶ ἐν Ῥώμῃ διώνυμος ἐγένετο ὁ Γράκχος, καὶ ἐθριάμβευσε λαμπρῶς.

[43] Flaccus was succeeded in the command by Tiberius (B.C. 179) Sempronius Gracchus, at which time the city of Caravis, which was in alliance with Rome, was besieged by 20,000 Celtiberians. As it was reported that the place was about to be taken Gracchus hastened all the more to relieve it. He could but circle about the besiegers, and had no means of communicating to the town his own nearness. Cominius, a prefect of horse, having considered the matter carefully, and communicated his plan to Gracchus, donned a Spanish sagum and secretly mingled with the enemy's foragers. In this way he gained entrance to their camp as a Spaniard, and passed through it into Caravis and told the people that Gracchus was approaching. Wherefore they endured the siege patiently and were saved, for Gracchus arrived three days later, and the besiegers fled. About the same time the inhabitants of Complega, to the number of 20,000, came to Gracchus' camp in the guise of petitioners bearing olive-branches, and when they arrived they attacked him unexpectedly, and threw everything into confusion. Gracchus adroitly abandoned his camp to them and simulated flight; then suddenly turning he fell upon them while they were plundering, killed most of them, and captured Complega and the surrounding country. Then he divided the land among the poor and settled them on it, and made carefully defined treaties with all the tribes, binding them to be the friends of Rome, and giving and receiving oaths to that effect. These treaties were often longed for in the subsequent wars. In this way Gracchus became celebrated both in Spain and in Rome, and was awarded a splendid triumph.

(Y.R. 600)

[44] ἔτεσι δ' οὐ πολλοῖς ὕστερον πόλεμος ἄλλος ἡγήρθη περὶ Ἰβηρίαν χαλεπὸς ἐκ τοιαύδε προφάσεως. Σεγήδη πόλις ἐστὶ Κελτιβήρων τῶν Βελλῶν λεγομένων μεγάλη τε καὶ δυνατή, καὶ ἐς τὰς Σεμπρωνίου Γράκχου συνθήκας ἐνεγέγραπτο. αὕτη τὰς βραχυτέρας πόλεις ἀνῶκίζεν ἐς αὐτήν, καὶ τεῖχος ἐς τεσσαράκοντα σταδίους κύκλῳ περιεβάλετο, Τίτθους τε ὁμορον γένος ἄλλο συνηνάγκαζεν ἐς ταῦτα. ἡ δὲ σύγκλητος πυθομένη τό τε τεῖχος ἀπηγόρευε τειχίζειν, καὶ φόρους ἦτει τοὺς ὀρισθέντας ἐπὶ Γράκχου, στρατεύεσθαι τε Ῥωμαίοις προσέτασσε: καὶ γὰρ τοῦθ' αἱ Γράκχου συνθήκαι ἐκέλευον. οἱ δὲ περὶ μὲν τοῦ τεύχους ἔλεγον ἀπηγορεῦσθαι Κελτίβηρσιν ὑπὸ Γράκχου μὴ κτίζειν πόλεις, οὐ τειχίζειν τὰς ὑπαρχούσας: τῶν δὲ φόρων καὶ τῆς ξεναγίας ὑπ' αὐτῶν ἔφασαν Ῥωμαίων ἀφείσθαι μετὰ Γράκχον. καὶ τῷ ὄντι ἦσαν ἀφειμένοι, δίδωσι δ' ἡ βουλὴ τὰς τοιαύδε δωρεὰς ἀεὶ προστιθεῖσα κυρίας ἔσεσθαι μέχρι ἂν αὐτῇ καὶ τῷ δήμῳ δοκῇ.

[44] Some years later another serious war broke out in (B.C. 154) Spain for the following reason: Segeda, a large and powerful city of a Celtiberian tribe called the Belli, was included in the treaties made by Gracchus. It persuaded some of the smaller towns to settle in its own borders, and then surrounded itself with a wall forty stades in circumference. It also forced the Titthi, a neighboring tribe, to join in the undertaking. When the Senate learned this it forbade the building of the wall, demanded the tribute imposed by Gracchus, and ordered the inhabitants to furnish a contingent for the Roman army, for this was one of the stipulations of the treaty made with Gracchus. As to the wall they replied that the Celtiberians were forbidden by Gracchus to build new cities, but not forbidden to fortify existing ones. As to the tribute and the military contingent they said that they had been released from these requirements by the Romans themselves subsequently. This was true, but the Senate, when granting these exemptions, always added that they should continue only during the pleasure of the Roman people. (Y.R. 601)

[45] στρατηγὸς οὖν ἐπ' αὐτοὺς Νοβελίων ἐπέμπετο μετὰ στρατιᾶς οὐ πολὺ τρισμυρίων ἀνδρῶν ἀποδεούσης: ὃν ἐπειδὴ σφίσιν οἱ Σεγηδαῖοι προσιόντα ἔγνωσαν, οὕπῳ τὸ τεῖχος ἐκτελέσαντες ἔφευγον ἐς Ἀρουακοὺς μετὰ παῖδων καὶ γυναικῶν, καὶ σφᾶς ὑποδέχεσθαι τοὺς Ἀρουακοὺς παρεκάλουν. οἱ δὲ ὑποδέχονταί τε, καὶ Κάρων αὐτῶν Σεγηδαίων, πολεμικὸν εἶναι νομιζόμενον,

αἰροῦνται στρατηγόν. ὁ δὲ τρίτῃ μετὰ τὴν χειροτονίαν ἡμέρᾳ δισμυρίους πεζοὺς καὶ ἱππέας πεντακισχιλίους ἕς τινα λόχμην ἐνεδρεύσας παροδεύουσι τοῖς Ῥωμαίοις ἐπέθετο, καὶ τῆς μάχης ἐπὶ πολὺ ἀγχωμάλου γενομένης ἐκράτει τε λαμπρῶς, καὶ Ῥωμαίων τῶν ἐξ ἄστεος ἔκτεινεν ἕς ἑξακισχιλίους, ὥς μέγα τῇ πόλει γενέσθαι τὸ ἀτύχημα. ἀτάκτου δὲ αὐτῷ τῆς διώξεως ἐπὶ τῇ νίκῃ γενομένης, οἱ τὰ σκευοφόρα Ῥωμαίων φυλάσσοντες ἱππεῖς ἐπέδραμον, καὶ Κάρων τε αὐτὸν ἀριστεύοντα ἔκτειναν καὶ ἐτέρους ἄμφ' αὐτόν, οὐκ ἐλάσσους καὶ οἶδε τῶν ἑξακισχιλίων, μέχρι νῦς ἐπελθοῦσα διέλυσεν. ἐγίγνετο δὲ ταῦθ' ὅτε Ῥωμαῖοι τῷ Ἡφαίστῳ τὴν ἑορτὴν ἄγουσιν: ὅθεν οὐδεὶς ἂν ἐκὼν ἄρξειεν ἐξ ἐκείνου μάχης παρὰ τήνδε τὴν ἡμέραν.

[45] Accordingly the praetor Nobilior was sent against them with an army of nearly 30,000 men. When the Segedians learned of his coming, their wall not being yet finished, they fled with their wives and children to the Arevaci and begged that the latter would receive them. The Arevaci did so, and also chose a Segedian named Carus, whom they considered skilful in war, as their general. On the third day after his election he placed 20,000 foot and 500 horse in ambush in a dense forest and fell upon the Romans as they were passing through. The battle was for a long time doubtful, but in the end he gained a splendid victory, 6000 Roman citizens being slain. So great a disaster befell the city on that day. But while he was engaged in a disorderly pursuit after the victory, the Roman horse, who were guarding the baggage, fell upon him and killed (B.C. 153) Carus himself, who was performing prodigies of valor, and not less than 6000 others with him. Finally night put an end to the conflict. This disaster happened on the day on which the Romans are accustomed to celebrate the festival of Vulcan. For which reason, from that time on, no general will begin a battle on that day unless compelled to do so.

[46] Ἀρουακοὶ μὲν οὖν εὐθὺς αὐτῆς νυκτὸς ἐς Νομαντίαν, ἥ δυνατωτάτῃ πόλιν ἦν, συνελέγοντο, καὶ στρατηγούς Ἀμβωνα καὶ Λεύκωνα ἡροῦντο: Νωβελίων δ' αὐτοῖς τρισὶν ἡμέραις ὕστερον ἐπελθὼν παρεστρατοπέδευσεν ἀπὸ σταδίων τεσσάρων καὶ εἴκοσιν. παραγενομένων δὲ οἱ Νομάδων ἱππέων τριακοσίων, οὓς Μασσανάσσης ἐπεπόμφει, καὶ ἐλεφάντων δέκα, τὴν στρατιὰν ἐπῆγε τοῖς πολεμίοις, ἄγων ὀπίσω τὰ θηρία λανθάνοντα. καὶ γενομένης ἐν χερσὶ τῆς μάχης οἱ μὲν ἄνδρες διέστησαν, τὰ δὲ θηρία ἐξεφαίνετο: καὶ οἱ Κελτίβηρες αὐτοὶ τε καὶ οἱ ἵπποι σφῶν οὐ πρὶν ἑωρακότες ἐλέφαντας ἐν πολέμοις ἔθορυβοῦντο καὶ κατέφευγον ἐς τὴν πόλιν. ὁ δὲ καὶ τοῖς τεύχεσιν αὐτοὺς ἐπῆγε, καὶ ἐμάχετο γενναίως, μέχρι τῶν ἐλεφάντων τις ἐς τὴν κεφαλὴν λίθῳ μεγάλῳ καταπίπτοντι πληγεῖς ἠγγιώθη τε, καὶ ἐκβοήσας μέγιστον ἐς τοὺς φίλους ἐπεστρέφετο, καὶ ἀνῆρει τὸν ἐν ποσίν, οὐ διακρίνων ἔτι φίλιον ἢ πολέμιον. οἳ τε ἄλλοι ἐλέφαντες πρὸς τὴν ἐκείνου βοὴν διαταραχθέντες ὅμοια πάντες ἔδρων, καὶ τοὺς Ῥωμαίους συνεπάτουν τε καὶ ἀνέτεμνον καὶ ἀνερρίπτουν. ὅπερ αἰεὶ θορυβηθέντες οἱ ἐλέφαντες εἰώθασιν πάσχειν, καὶ πάντας ἠγεῖσθαι πολεμίους: καὶ τινες διὰ τήνδε τὴν ἀπιστίαν αὐτοὺς καλοῦσι κοινούς πολεμίους. φυγὴ οὖν τῶν Ῥωμαίων ἐγίγνετο ἄτακτος: ἦν οἱ

Νομαντῖνοι κατιδόντες ἀπὸ τῶν τειχῶν ἐξέθορον, καὶ διώκοντες ἔκτειναν ἄνδρας μὲν ἐς τετρακισχιλίους ἐλέφαντας δὲ τρεῖς, ὅπλα τε πολλὰ καὶ σημεῖα ἔλαβον. Κελτιβήρων δὲ ἀπέθανον ἐς δισχιλίους.

[46] The Arevaci convened immediately, even in the night, at Numantia, which was a very strong city, and chose Ambo and Leuco as their generals. Three days later Nobilior advanced and pitched his camp twenty-four stades from the place. Here he was joined by 300 horse and ten elephants sent to him by Masinissa. When he moved against the enemy he placed these animals in the rear where they could not be seen. Then when battle was joined the army divided and brought the elephants into view. The Celtiberians and their horses, who had never seen elephants before, were thunderstruck and fled to the city. Nobilior advanced at once against the city walls, where the battle raged fiercely, until one of the elephants was struck on the head with a large falling stone, when he became savage, uttered a loud cry, turned upon his friends, and began to destroy everything that came in his way, making no distinction between friend and foe. The other elephants, excited by his cries, all began to do the same, trampling the Romans under foot, scattering and hurling them this way and that. This is always the way with elephants when they are enraged. Then they take everybody for foes; wherefore some people call them the common enemy, on account of their fickleness. The Romans took to disorderly flight. When the Numantines perceived this they sallied out and pursued them, killing about 4000 men and three elephants. They also captured many arms and standards. The loss of the Celtiberians was about 2000.

[47] καὶ ὁ Νωβελίων μικρὸν ἐκ τοῦ πταίσματος ἀναλαβών, ἀγορᾷ μὲν τινι τῶν πολεμίων ἐπεχειρεῖ περὶ Ἀξείνιον πόλιν σεσσωρευμένη, οὐδὲν δὲ ἀνύσας, ἀλλὰ κάνταυθα πολλοὺς ἀποβαλὼν, ἐπανήλθε νυκτὸς ἐς τὸ στρατόπεδον. ὅθεν Βιήσιον ἵππαρχον ἐπὶ συμμαχίαν ἕς τι γειτονεῦον ἔθνος ἔπεμπεν, ἰππέων δεόμενος. οἱ δὲ συνέπεμψαν αὐτῷ τινὰς ἰππέας, οὓς ἐρχομένους ἐλόχων οἱ Κελτίβηρες. καὶ τῆς ἐνέδρας ἐκφανείσης οἱ μὲν σύμμαχοι διεδίδρασκον, ὁ δὲ Βιήσιος μαχόμενος αὐτὸς τε καὶ σὺν αὐτῷ πολλοὶ Ῥωμαίων ἀπέθανον. συνεχῶν δὲ τοιῶνδε πταισμάτων αὐτοῖς ἐπιγιγνομένων, πόλις Ὀκίλις, ἔνθα ἡ ἀγορὰ καὶ τὰ χρήματα ἦν τὰ Ῥωμαίων, μετέθετο ἐς τοὺς Κελτίβηρας. καὶ ὁ Νωβελίων ἀπιστῶν ἅπασιν ἐν τῷ στρατοπέδῳ διεχεύμαζε, στεγάσας ὡς ἐδύνατο, καὶ τὴν ἀγορὰν ἔχων ἔνδον, καὶ κακοπαθὼν αὐτῆς τε τῆς ἀγορᾶς τῇ ὀλιγότῃ καὶ νιφετοῦ πυκνότητι καὶ κρύους χαλεπότητι, ὥστε πολλοὶ τῶν στρατιωτῶν οἱ μὲν ἐν τοῖς φρυγανισμοῖς, οἱ δὲ καὶ ἔνδον ὑπὸ στενοχωρίας καὶ κρύους ἀπώλλυντο.

[47] Nobilior, recovering a little from this disaster, made an attack upon the stores which the enemy had collected at the town of Axinium, but he accomplished nothing, and having lost many of his men there, he returned by night to his camp. Thence he sent Biesius, his master of horse, to secure the

alliance of a neighboring tribe and to ask for assistance in the way of cavalry. They gave him some, and as he was returning with them the Celtiberians laid an ambush for him. The ambush was discovered and the allies escaped, but Biesius, who engaged the enemy, was killed and many of his soldiers with him. Under the influence of such a succession of disasters to the Romans, the town of Ocilis, where their provisions and money were stored, revolted to the Celtiberians. Then Nobilior in despair went into winter quarters in his camp, sheltering himself as well as he could. He suffered much from scantiness of supplies, having only what was inside the camp, and from heavy snowstorms and severe frost, so that many of his men perished while outside gathering wood, and others inside fell victims to confinement and cold. (Y.R. 602)

[48] τοῦ δ' ἐπιόντος ἔτους Νωβελίωνι μὲν ἐπὶ τὴν στρατηγίαν ἀφικνεῖται διάδοχος Κλαύδιος Μάρκελλος, ἄγων πεζοὺς ὀκτακισχιλίους καὶ ἱππέας πεντακοσίους· λοχόντων δὲ καὶ τόνδε τῶν πολεμίων διήλθε πεφυλαγμένως, καὶ σύμπαντι τῷ στρατῷ παρὰ τὴν Ὀκίλιν ἐστρατοπέδευσεν. ἐπιτυχῆς δὲ τὰ πολέμια ὦν τὴν πόλιν αὐτίκα παρεστήσατο, καὶ συγγνώμην ἔδωκεν, ὅμηρά τινα καὶ ἀργυρίου τάλαντα τριάκοντα λαβών. Νεργόβριγες δὲ αὐτοῦ περὶ τῆσδε τῆς μετριοπαθείας πυθόμενοι, πέμψαντες ἡρώτων τί ἂν πράξαντες εἰρήνης ἐπιτύχοιεν. ὥς δὲ αὐτοὺς ἐκέλευεν ἑκατὸν ἱππέας δοῦναι συστρατεύσοντας, οἱ μὲν ὑπισχνοῦντο δώσειν, κατὰ δ' ἄλλο μέρος τοῖς οὐραγοῦσιν ἐπετίθεντο καὶ τῶν σκευοφόρων τι περιέσπων. εἴτ' ἀφίκοντο τοὺς ἑκατὸν ἱππέας ἄγοντες ὥς δὴ κατὰ τὸ συγκείμενον, περὶ τε τῶν ἐπὶ τῆς οὐραγίας γενομένων ἔλεγον τινὰς ἀγνοοῦντας τὰ ὠμολογημένα ἁμαρτεῖν. ὁ δὲ τοὺς μὲν ἑκατὸν ἱππέας ἔδησε, τοὺς δ' ἵππους αὐτῶν ἀποδόμενος καὶ τὸ πεδῖον καταδραμὼν τὴν λείαν διεῖλε τῷ στρατῷ, καὶ τῇ πόλει παρεστρατοπέδευσεν. Νεργόβριγες δέ, προσαγομένων αὐτοῖς μηχανημάτων ἅμα μαὶ χωμάτων, κήρυκα πέμψαντες λυκῆν ἀντὶ κηρυκείου περικείμενον, ἦτουν συγγνώμην. ὁ δὲ οὐκ ἔφθ δώσειν, εἰ μὴ πάντες Ἀρουακοὶ καὶ Βελλοὶ καὶ Τίτθοι δεσθεῖεν ὁμοῦ. ὦν τὰ μὲν ἔθνη πυθόμενα προθύμως ἐπρεσβεύετο, καὶ τὸν Μάρκελλον ἡξίουσαν, ποινὴν αὐτοῖς ἐπιθέντα μετρίαν, ἐς τὰς Γράκχου συνθήκας ἀναγαγεῖν· ἀντέλεγον δ' αὐτοῖς ἐπιχώριοί τινες ὑπ' ἐκείνων πεπολεμημένοι.

[48] The following year Claudius Marcellus succeeded Nobilior in the command, bringing with him 8000 foot and 500 horse. The enemy laid an ambush for him also, but he moved with circumspection and pitched his camp before Ocilis with his whole army. As he was renowned for good fortune in war, he brought the place to terms at once and granted it pardon, taking hostages and imposing a fine of thirty talents of silver. The Nergobriges, hearing of his moderation, sent and asked what they could do to obtain peace. In reply he ordered them to furnish him 100 horsemen as auxiliaries, and they promised to do so, but in the meantime they were attacking the rear guard of the Romans and carried off a lot of baggage. When the leaders of the hundred horse arrived according to agreement, and were interrogated about the attack

on the rear guard, they replied that this had been done by some of their people who did not know of the agreement. Marcellus then put the hundred horsemen in chains, sold their horses, devastated their country, distributed the plunder to his soldiers, and besieged the city. When the Nergobriges saw the engines advanced and the mounds thrown up against their walls they sent a herald, who wore a wolf's skin instead of bearing a caduceus, and begged forgiveness. Marcellus replied that he would not grant it unless all the Arevaci, the Belli, and the Titthi would ask it together. When these tribes heard of this, they sent ambassadors eagerly, and begged that Marcellus would let them off with a light punishment and renew the terms of the agreement made with Gracchus. (B.C. 152) This petition was opposed by some of the country people who had been incited to war by them.

[49] καὶ ὁ Μάρκελλος ἐξ ἑκατέρων πρέσβεις ἐς Ῥώμην ἔπεμπεν ἀντιλέγοντας ἀλλήλοις, ἰδίᾳ δ' ἐπέστελλε τῇ βουλῇ προτρέπων ἐς τὰς διαλύσεις· ἐβούλετο γὰρ ἐφ' ἑαυτοῦ τὸν πόλεμον ἐκλυθῆναι, δόξαν οἱ χρηστὴν καὶ ἀπὸ τοῦδε νομίζων ἔσεσθαι. τῶν δὲ πρέσβεων οἱ μὲν ἐκ τῆς φιλίας ἐς τὴν πόλιν ἐσελθόντες ἐξενίζοντο, οἱ δὲ ἐκ τῶν πολεμίων, ὡς ἔθος ἐστίν, ἔξω τειχῶν ἐστάθμευον. ἀποδοκιμάζουσα δ' ἡ βουλὴ τὴν εἰρήνην, καὶ χαλεπῶς φέρουσα ὅτι μὴ, καθάπερ αὐτοὺς ἡξίου Νωβελίων ὁ πρὸ Μαρκέλλου, Ῥωμαίοις αὐτοὺς ἐπετετρόφεσαν, Μάρκελλον αὐτοῖς ἐξοίσειν ἔφη τὰ δόξαντα. καὶ στρατιὰν εὐθὺς ἐκλήρουν ἐς Ἰβηρίαν τότε πρῶτον ἀντὶ καταλέξεως· πολλῶν γὰρ αἰτιωμένων τοὺς ὑπάτους ἀδίκους ποιῆσθαι τὰς καταγραφὰς καὶ τινὰς ἐς τὰς κουφοτέρας στρατείας καταλέγειν, ἔδοξεν ἀπὸ κλήρου τότε συναγαγεῖν. ὧν ἐστρατήγει Λικίνιος Λεύκολλος ὕπατος, πρεσβευτῇ χρώμενος Κορνηλίῳ Σκιπίωνι τῷ Καρχηδὼνα μετ' οὐ πολὺ ἐλόντι, καὶ Νομαντίαν ὕστερον.

[49] Marcellus sent ambassadors from each party to Rome to carry on their dispute there. At the same time he sent private letters to the Senate urging peace. He desired that the war should be brought to an end by himself, thinking that he should gain glory thereby. Some of the ambassadors from the friendly faction on coming to the city were treated as guests, but, as was customary, those from the hostile faction lodged outside the walls. The Senate rejected the proposal of peace and took it ill that these people had refused terms to the Romans when they were asked by Nobilior, the predecessor of Marcellus. So they replied that Marcellus would announce the Senate's decision to them. And now for the first time they chose an army for Spain by lot, instead of the customary levy, for since many had complained that they had been treated unjustly by the consuls in the enrolment, while others had been chosen for easy service, it was decided now to choose by lot. The consul Icinus Lucullus was appointed to the command, and he had for his lieutenant Cornelius Scipio who was not long afterwards distinguished as the conqueror of Carthage and of Numantia.

[50] ὁ μὲν δὴ Λεύκολλος ὤδευεν, ὁ δὲ Μάρκελλος τὸν τε πόλεμον προεῖπε τοῖς

Κελτίβηρσι, καὶ τὰ ὄμηρα αἰτοῦσιν ἀπέδωκεν. τὸν δ' ἐν Ῥώμῃ τοὺς λόγους διαθέμενον ὑπὲρ τῶν Κελτιβήρων ἰδίᾳ πρὸς αὐτὸν ἀνακαλέσας ἐπὶ πολὺ διέτριβεν: ὑπὲρ ὅτου δὴ καὶ ὑποπτεύετο μὲν καὶ τότε, μᾶλλον δ' ἐπιστάθῃ τοῖς ὕστερον γενομένοις, ὅτι αὐτοὺς ἀνέπειθεν ἑαυτῷ τὰ κατὰ σφᾶς ἐπιτρέψαι, ἐπειγόμενος ἄρα πρὸ τοῦ Λευκόλλου τὸν πόλεμον καταλυθῆναι. μετὰ γὰρ τὴν συνουσίαν Νεργόβριγα μὲν Ἀρουακῶν πεντακισχίλιοι κατέλαβον, Μάρκελλος δ' ἐπὶ Νομαντίαν ἐχώρει, καὶ πέντε σταδίους ἀποσχὼν παρεστρατοπέδευεν αὐτοῖς καὶ συνεδίωκεν ἐς τὴν πόλιν, ἕως ὃ τῶν Νομαντίνων στρατηγὸς Λιτέννων ὑποστάς ἐβόα βούλεσθαι Μαρκέλλῳ συνελθεῖν ἐς λόγους, καὶ συνελθὼν ἔφη Βελλοὺς καὶ Τίτθους καὶ Ἀρουακοὺς ἑαυτοὺς ἐπιτρέπειν Μαρκέλλῳ. ὃ δὲ ἄσμενος ἀκούσας ὄμηρά τε καὶ χρήματα πάντα ἤτησε, καὶ λαβὼν ἀφῆκεν ἐλευθέρους. ὃ μὲν δὴ πόλεμος ὁ Βελλῶν τε καὶ Τίτθων καὶ Ἀρουακῶν ἔληγεν οὕτω πρὸ Λευκόλλου.

[50] While Lucullus was on the march Marcellus notified the Celtiberians of the coming war, and gave back the hostages in response to their request. Then he sent for the chief of the Celtiberian embassy in Rome and conferred with him privately a long time. From this circumstance it was then suspected, and was strongly confirmed by later events, that he sought to persuade them to put their affairs in his hands, because he tried in every way to bring the war to an end before the arrival of Lucullus. Directly after this conference 5000 of the Arevaci took possession of the city of Nergobriga. Marcellus marched against Numantia, encamped at a distance of five stades from it, and was driving the Numantines inside the walls when their leader Litenno halted and called out that he would like to have a conference with Marcellus. This being granted he said that the Belli, Titthi, and Arevaci would put themselves entirely in his hands. He was delighted to hear this and having demanded (Y.R. 603) and received hostages and money, he let them go (B.C. 151) free. Thus the war with the Belli, the Titthi, and the Arevaci was brought to an end before Lucullus arrived.

[51] ὁ δὲ Λεύκολλος δόξης τε ἐπιθυμῶν, καὶ ἐκ πενίας χρήζων χρηματισμοῦ, ἐς Οὐακκαίους. ἕτερον γένος Κελτιβήρων, ἐνέβαλεν, οἱ γείτονες τῶν Ἀρουακῶν εἰσίν, οὔτε τινὸς αὐτῷ ψηφίσματος γεγονότος, οὔτε Οὐακκαίων Ῥωμαίοις πεπολεμηκότων, οὐδὲ ἐς αὐτόν τι Λεύκολλον ἀμαρτόντων. περάσας δὲ τὸν ποταμὸν τὸν καλούμενον Τάγον, ἀφίκετο πρὸς Καύκαν πόλιν καὶ παρεστρατοπέδευεν. οἱ δ' ἐπίθοντο μὲν αὐτοῦ τίνος ἦκοι δεόμενος ἢ τί πολέμου χρήζων, φήσαντος δὲ ὅτι Καρπητανοῖς ὑπὸ Οὐακκαίων ἀδικουμένοις βοηθοίη, τότε μὲν ἀνεχώρουν ἐς τὴν πόλιν, ξυλευομένῳ δὲ αὐτῷ καὶ χορτολογοῦντι ἐπέκειντο. καὶ κτείνουσι πολλοὺς, καὶ τοὺς λοιποὺς διώκουσιν ἐς τὸ στρατόπεδον. γενομένης δὲ καὶ παρατάξεως, οἱ Καυκαῖοι ψιλοῖς ἐοικότες ἐκράτουν ἐπὶ πολὺ τοῦ Λευκόλλου, μέχρι σφῶν τὰ ἀκόντια πάντα ἐξαναλώθη: καὶ τότε ἔφευγον οὐκ ὄντες μενεμάχοι, περὶ τε τὰς πύλας αὐτῶν ὠθυμένων ἀνηρέθησαν ἀμφὶ τοὺς τρισχιλίους.

[51] Lucullus being greedy of fame and needing money, because he was in straitened circumstances, invaded the territory of the Vaccæi, another Celtiberian tribe, neighbors of the Arevaci, against whom war had not been declared by the Senate, nor had they ever attacked the Romans, or offended Lucullus himself. Crossing the river Tagus he came to the city of Cauca, and pitched his camp near it. The citizens asked him what he had come for and what occasion there was for war, and when he replied that he had come to aid the Carpetani whom the Vaccæi had maltreated they retired inside their walls, from which they sallied out and fell upon his wood-cutters and foragers, killing many and pursuing the remainder to the camp. When battle was joined the Caucaei, who resembled light-armed troops, had the advantage at first, but when they had expended all their darts they were obliged to fly, not being accustomed to a standing fight, and while forcing their way through the gates about 3000 of them were slain.

[52] τῆς δ' ἐπιούσης οἱ πρεσβύτατοι, στεφανωσάμενοί τε καὶ φέροντες ἱκετηρίας, τὸν Λεύκολλον αὐτῆς ἡρώτων τί ποιοῦντες ἂν εἶεν φίλοι. ὁ δὲ αὐτοὺς ὁμηρὰ τε ἵται καὶ ἀργυρίου τάλαντα ἑκατόν, καὶ τοὺς ἱππέας αὐτῶν ἐκέλευέν οἱ συστρατεύειν. ὥς δὲ πάντα ἔλαβεν, ἤξιον φρουρὰν ἐς τὴν πόλιν ἐσαγαγεῖν. δεξαμένων δὲ καὶ τοῦτο τῶν Καυκαίων, ἐσήγαγε δισχιλίους ἀριστίνδην ἐξαιρεγμένους, οἷς ἐσελθοῦσιν εἰρητὸ γίγνεσθαι περὶ τὰ τεῖχη. καταλαβόντων δὲ αὐτὰ τῶν δισχιλίων, ἐσήγαγε τὴν ἄλλην στρατιὰν ὁ Λεύκολλος, καὶ τῇ σάλπιγγι ὑπεσήμεαινε κτείνειν Καυκαίους ἅπαντας ἡβηδόν. οἱ μὲν δὴ πίστεις τε καὶ θεοὺς ὀρκίους ἐπικαλούμενοι, καὶ Ῥωμαίους ἐς ἀπιστίαν λωιδороῦντες, διεφθείροντο ὡμῶς, ἐκ δισμυρίων ἀνδρῶν κατὰ πύλας ἀποκρήμνους διαφυγόντων ὀλίγων· ὁ δὲ Λεύκολλος τὴν πόλιν διήρπαξε, καὶ δόξης Ῥωμαίους ἐνεπίμπλη κακῆς. οἱ δ' ἄλλοι βάρβαροι συνέθεον ἐκ τῶν πεδίων, οἱ μὲν ἐς τὰ ἀπόκρημνα, οἱ δὲ ἐς τὰς ὀχυρωτέρας πόλεις, συμφέροντες ἃ δύναιτο καὶ ἐμπιπράντες ὅσα λείποιν, τοῦ μηδὲν ἔτι Λεύκολλον εὐρεῖν.

[52] The next day the elders of the city came out wearing crowns on their heads and bearing olive-branches, and asked Lucullus what they should do to establish friendly relations. He replied that they must give hostages and 100 talents of silver, and furnish a contingent of horse to the Roman army. When all these demands had been complied with he asked that a Roman garrison should be admitted to the city. When the Caucaei assented to this he brought in 2000 soldiers carefully chosen, to whom he gave orders that when they were admitted they should occupy the walls. When this was (lone Lucullus introduced the rest of his army and ordered them at the sound of the trumpet to kill all the adult males of the Caucaei. The latter, invoking the gods who preside over promises and oaths, and upbraiding the perfidy of the Romans, were cruelly slain, only a few out of 20,000 escaping by leaping down the sheer walls at the gates. Lucullus sacked the city and brought infamy upon the Roman name. The rest of the barbarians collecting together from the fields

took refuge among inaccessible rocks or in the most strongly fortified towns, carrying away what they could, and burning what they were obliged to leave, so that Lucullus should not find any plunder.

[53] ὁ δὲ πολλὴν γῆν ἔρημον ὁδεύσας, ἕς τινα πόλιν Ἰντερκατίαν ἀφίκετο, ἔνθα περὶ μὲν ὑπὲρ δισμυρίους συνεπεφύγεσαν, ἱππεῖς δὲ δισχίλιοι. καὶ αὐτοὺς ὁ Λεύκολλος ἐς συνθήκας ὑπ' ἀνοίας προυκαλεῖτο: οἱ δ' ἐπ' ὀνειδίζει τὰ Καυκαίων αὐτῷ προύφερον, καὶ ἐπυνθάνοντο εἰ ἐπὶ τὰς ἐκείνων πίστεις αὐτοὺς καλοίη. ὁ δ', οἷον ἅπαντες οἱ ἁμαρτόντες, ἀνθ' ἑαυτοῦ τοῖς ὀνειδίζουσι χαλεπαίνων, ἔκειρεν αὐτῶν τὰ πεδία, καὶ περικαθίσας κύκλῳ τὴν πόλιν χώματα ἤγειρε πολλά, καὶ συνεχῶς ἐξέτασσε προκαλούμενος ἐς μάχην. οἱ δ' οὕτω μὲν ἀντεξέτασσον, ἀλλ' ἦσαν ἀκροβολισμοὶ μόνοι, θαμινὰ δέ τις τῶν βαρβάρων ἐξίππευεν ἐς τὸ μεταίχμιον, κεκοσμημένος ὅπλοις περιφανῶς, καὶ προυκαλεῖτο Ῥωμαίων ἐς μονομαχίαν τὸν ἐθέλοντα, οὐδενὸς δ' ὑπακούοντος ἐπιτωθᾶσας καὶ τῷ σχήματι κατορχησάμενος ἀπεχώρει. γιγνομένου δὲ τούτου πολλάκις, ὁ Σκιπίων ἔτι νέος ὢν ὑπερήλγησέ τε καὶ προπηδήσας ὑπέστη τὸ μονομάχιον, εὐτυχῶς δ' ἐκράτησεν ἀνδρὸς μεγάλου μικρὸς ὢν.

[53] The latter, having traversed a long stretch of deserted country, came to the city of Intercatia where more than 20,000 foot and 2000 horse had taken refuge together. Lucullus very foolishly invited them to enter into a treaty. They reproached him with the slaughter of the Caucaeï, and asked him whether he invited them to the same kind of a pledge that he had given to that people. He, like all guilty souls, being angry with his accusers instead of reproaching himself, laid waste their fields. Then he drew a line of siege around the city, threw up several mounds, and repeatedly set his forces in order of battle to provoke a fight. The enemy did not respond but fought with projectiles only. There was a certain barbarian distinguished by his splendid armor, who frequently rode into the space between the armies and challenged the Romans to single combat, and when nobody accepted the challenge he jeered at them, made insulting gestures, and went back. After he had done this several times, Scipio, who was still a youth, felt very much aggrieved, and springing forward accepted the challenge. Fortunately he won the victory over this giant although he was himself a man of small size.

[54] καὶ τότε μὲν ἐπῆρε Ῥωμαίους, νυκτὸς δὲ φόβοι πολλοὶ κατεῖχον: οἱ γὰρ ἱππεῖς, ὅσοι τῶν βαρβάρων, πρὶν ἀφικέσθαι Λεύκολλον, ἐπὶ χορτολογίαν προεληλύθεσαν, οὐκ ἔχοντες ἐσελθεῖν ἐς τὴν πόλιν Λευκόλλου περικαθημένου, περιθέοντες ἐβόων καὶ συνετάρασσον: καὶ συνεπήχουν οἱ ἔνδον αὐτοῖς. ὅθεν ὁ φόβος ἦν τοῖς Ῥωμαίοις ποικίλος. ἔκαμνον δὲ καὶ τῇ φυλακῇ δι' ἀγρυπνίαν καὶ ἀήθειαν τροφῶν ἐπιχωρίων: οἶνου γὰρ οὐκ ὄντος οὐδ' ἄλων οὐδ' ὄξους οὐδ' ἐλαίου, πυροὺς καὶ κριθᾶς καὶ ἐλάφων κρέα πολλὰ καὶ λαγῶν χωρὶς ἄλων ἐψόμενα σιτούμενοι κατερρήγγυντο τὰς γαστέρας, καὶ πολλοὶ καὶ ἀπώλλυντο, μέχρι ποτὲ τὸ χῶμα ἠγέρθη, καὶ τὰ

τείχη τῶν πολέμιων τύπτοντες μηχαναῖς μέρος μὲν τι κατέβαλον, καὶ ἐσέδραμον ἐς τὴν πόλιν· μετὰ δ' οὐ πολὺ βιασθέντες τε καὶ ἀναχωροῦντες ἐσπίπτουσιν ἐξ τινα δεξαμενῆν ὕδατος ὑπ' ἀγνωσίας, ἔνθα οἱ πλείους ἀπώλοντο. καὶ νυκτὸς οἱ βάρβαροι τὰ πεσόντα ἀνφοδόκουν. πάντῳ δ' ἐκατέρων κακοπαθόντων ὁ γὰρ λιμὸς ἀμφοῖν ἥπτετο Σκιπίων ἀνεδέχετο τοῖς βαρβάροις οὐδὲν ἔσσεσθαι παράσπονδον, καὶ πιστευθεὶς κατὰ κλέος ἀρετῆς διέλυσε τὸν πόλεμον ἐπὶ τοῖσδε, Λευκόλλῳ δοθῆναι παρὰ τῶν Ἰντερκατίων σάγους μυρίου καὶ θρεμμάτων τι πλῆθος ὠρισμένον, καὶ πεντήκοντα ἄνδρας ἐς ὄμηρα. χρυσὸν δὲ καὶ ἄργυρον Λεύκολλος αἰτῶν, οὗ δὴ χάριν, ἡγοῦμενος ὅλην Ἰβηρίαν πολύχρυσον εἶναι καὶ πολυάργυρον, ἐπολέμει, οὐκ ἔλαβεν· οὐ γὰρ εἶχον, οὐδ' ἐν δόξῃ ταῦτ' ἐκείνοι Κελτιβήρων τίθενται.

[54] This victory raised the spirits of the Romans, but the next night they were seized with panic. A body of the enemy's horse who had gone out foraging before Lucullus arrived, returned and not finding any entrance to the city because it was surrounded by the besiegers, ran about shouting and creating disturbance while those inside the walls shouted back. These noises caused strange terror in the Roman camp. Their soldiers were sick from want of sleep, and because of the unaccustomed food which the country afforded. They had no wine, no salt, no vinegar, no oil, but lived on wheat and barley, and the flesh of deer and rabbits boiled without salt, which caused dysentery, from which many died. Finally when a mound was completed so that they could batter the enemy's walls, they knocked down a section and rushed into the city, but they were speedily overpowered. Being compelled to retreat and being unacquainted with the ground, they fell into a reservoir where many perished. The following night the barbarians repaired their broken wall. As both sides were now suffering severely (for famine had fastened upon both), Scipio promised the barbarians that if they would make a treaty it should not be violated. They had so much confidence in his word that the war was brought to an end on these conditions: The Intercatii to give to Lucullus 10,000 cloaks, a certain number of cattle, and fifty hostages. As for the gold and silver that Lucullus was after (and for the sake of which he had waged this war, thinking that all Spain abounded with gold and silver), he got nothing. Not only did they have none, but these particular Celtiberians did not set any value on those metals.

[55] ἐπὶ δὲ Παλλαντίαν ἦει πόλιν, ἥ δόξαν τε ἀρετῆς εἶχε μείζω, καὶ πολλοὶ συνεπεφεύγεσαν ἐς αὐτήν· ὅθεν αὐτῷ συνεβούλευόν τινες ἀποχωρεῖν πρὸ πείρας. ὁ δὲ πολυχρήματον εἶναι πυνθανόμενος οὐκ ἀνεχώρει, μέχρι σιτολογοῦντα αὐτὸν οἱ Παλλάντιοι συνεχῶς ἱπεύσιν ἠνώγλουν τε καὶ σιτολογεῖν ἐκώλυν. ἀπορῶν δὲ τροφῶν ὁ Λεύκολλος ἀνεξεύγνυ, τετράγωνον ἐν πλινθίῳ τὸν στρατὸν ἄγων, ἐπομένων αὐτῷ καὶ τότε τῶν Παλλαντίων μέχρι Δορίου ποταμοῦ, ὅθεν οἱ μὲν Παλλάντιοι νυκτὸς ἀνεχώρουν, ὁ δ' ἐς τὴν Τυρδιτανῶν χώραν διελθὼν ἐχείμαζεν. καὶ τοῦτο τέλος ἦν τοῦ Οὐακκαίων

πολέμου, παρὰ ψήφισμα Ῥωμαίων ὑπὸ Λευκόλλου γενομένου. καὶ ὁ Λεύκολλος ἐπὶ τῷδε οὐδὲ ἐκρίθη.

[55] He went next to Pallantia, a city more renowned for bravery, where many refugees had congregated, for which reason he was advised by some to pass by without making an attempt upon it. Put, having heard that it was a rich place, he would not go away until the Pallantian horse, by incessantly harassing his foragers, prevented him from getting supplies. When his food was exhausted Lucullus withdrew his army, marching in the form of a square, and pursued by the Pallantians as far as the river Durius. From that place the Pallantians returned by night to their own country. Lucullus passed into the territory of the Turditani, and went into winter quarters. This was the end of the war with the Vaccæi, which was waged by Lucullus without the authority of the Roman people, but he was never called to account for it.

CHAPTER X

The Lusitanian War — The Doings of Mummius — Servius Galba — His Infamous Conduct

(Y.R. 599)

[56] τοῦ δ' αὐτοῦ χρόνου μέρος ἄλλο Ἰβήρων αὐτονόμων, οἱ Λυσιτανοὶ καλοῦνται, Πουνίκου σφῶν ἡγουμένου τὰ Ῥωμαίων ὑπήκοα ἐλήζοντο, καὶ τοὺς στρατηγοῦντας αὐτῶν, Μανίλιόν τε καὶ Καλπούρνιον Πίσωνα, τρεψάμενοι κτείνουσιν ἑξακισχιλίους, καὶ ἐπ' αὐτοῖς Τερέντιον Οὐάρρωνα ταμίαν. οἷς ἐπαρθεὶς ὁ Πούνικος τὰ μέχρι ὠκεανοῦ κατέδραμε, καὶ Οὐέττωνας ἐς τὴν στρατείαν προσλαβὼν ἐπολιόρκει Ῥωμαίων ὑπηκόους τοὺς λεγομένους Βλαστοφοίνικας, οἷς φασὶν Ἀννίβαν τὸν Καρχηδόνιον ἐποικίσαι τινὰς ἐκ Λιβύης, καὶ παρὰ τοῦτο κληθῆναι Βλαστοφοίνικας. Πούνικος μὲν οὖν λίθῳ πληγείς ἐς τὴν κεφαλὴν ἀπέθανε, διαδέχεται δ' αὐτὸν ἀνὴρ ᾧ ὄνομα ἦν Καῖσαρος. οὗτος ὁ Καῖσαρος Μουμμίῳ, μετὰ στρατιᾶς ἄλλης ἐπελθόντι ἀπὸ Ῥώμης, ἐς μάχην συνηνέχθη καὶ ἡττώμενος ἔφυγεν. Μουμμίῳ δ' αὐτὸν ἀτάκτως διώκοντος ἐπιστραφεὶς ἔκτεινεν ἐς ἑννακισχιλίους, καὶ τὴν τε λεῖαν τὴν ἡρπασμένην καὶ τὸ οἰκεῖον στρατόπεδον ἀνεσώσατο, καὶ τὸ Ῥωμαίων προσέλαβέ τε, καὶ διήρπασεν ὅπλα καὶ σημεῖα πολλά, ἅπερ οἱ βάρβαροι κατὰ τὴν Κελτιβηρίαν ὅλην περιφέροντες ἐπετώθασον.

[56] At this time another part of autonomous Spain called Lusitania, under Punicus as leader, was ravaging the fields of the Roman subjects and having put to flight their prætors (first Manilius and then Calpurnius Piso), killed 6000 Romans and among them Terentius Varro, the quæstor. Elated by this success Punicus swept the country as far as the ocean, and joining the Vettones to his army he laid siege to the Blastophœnicæ, who were Roman subjects. It is said that Hannibal, the Carthaginian, brought among these people (B.C. 155) settlers from Africa, from whence they derived their name. Here Punicus was struck on the head with a stone and killed. He was succeeded by a man named Cæsar. The latter joined battle with Mummius, who came from Rome with another army, was defeated and put to flight, but as Mummius was pursuing him in a disorderly way, he rallied and slew about 9000 Romans, recaptured the plunder they had taken from him as well as his own camp, and took that of the Romans also, together with many arms and standards which the barbarians in derision carried throughout all Celtiberia. (Y.R. 601)

[57] Μούμμιος δ' ὑπολοίπους ἔχων πεντακισχιλίους ἐγύμναζεν ἔνδον ἐν τῷ στρατοπέδῳ, δεδιὼς ἄρα προελθεῖν ἐς τὸ πεδῖον πρὶν τοὺς ἄνδρας ἀναθαρρῆσαι. φυλάξας δὲ εἴ τι μέρος οἱ βάρβαροι τῆς ἀφηρημένης λείας παρέφερον, ἀδοκίμως αὐτοῖς ἐπέθετο, καὶ πολλοὺς διαφθείρας ἔλαβε τὴν

λείαν καὶ τὰ σημεῖα. Λυσιτανῶν δ' οἱ ἐπὶ θάτερα τοῦ Τάγου ποταμοῦ, κάκεινοι Ῥωμαίοις πεπολεωμένοι, Καυκαίνου σφῶν ἡγουμένου Κουνέους ἐπόρθουν, οἱ Ῥωμαίοις ἦσαν ὑπήκοοι, καὶ πόλιν αὐτῶν μεγάλην εἶλον Κονίστοργιν. παρὰ τε τὰς στήλας τὰς Ἡρακλείους τὸν ὠκεανὸν ἐπέρων, καὶ οἱ μὲν τὴν ἄλλην Λιβύην κατέτρεχον, οἱ δ' Ὀκίλην πόλιν ἐπολιόρκουν. Μούμμιος δ' ἐπόμενος ἐννακισχιλίοις πεζοῖς καὶ ἱππεῦσι πεντακοσίοις ἔκτεινε τῶν μὲν δηούντων ἐς μυρίους καὶ πεντακισχιλίους, τῶν δ' ἐτέρων τινάς, καὶ τὴν πολιορκίαν διέλυσε τὴν Ὀκίλης. ἐντυχὼν δὲ καὶ τοῖς φέρουσιν ἃ ἐσεσυλήκεσαν, ἔκτεινε καὶ τούσδε πάντας, ὥς μὴδ' ἄγγελον ἀπὸ τοῦ κακοῦ διαφυγεῖν. τὴν δὲ λείαν διαδοὺς τῷ στρατῷ τὴν δυνατὴν φέρεσθαι, τὰ λοιπὰ τοῖς θεοῖς τοῖς ἐνυαλίοις ἔκαυσεν.

καὶ Μούμμιος μὲν τάδε πράξας ἐπανῆλθεν ἐς Ῥώμην καὶ ἐθριάμβευσεν,

[57] Mummius took his 5000 remaining soldiers and drilled (B.C. 153) them in camp, not daring to go out into the plain until they should have recovered their courage. While he was watching his opportunity the barbarians passed by, carrying a part of the booty they had captured. He fell upon them suddenly, slew a large number, and recaptured the plunder and the standards. Some of the Lusitanians on the other side of the Tagus, under the leadership of Caucenus, being incensed against the Romans, invaded the Cunei, who were Roman subjects, and captured their large city, Conistorgis, and near the Pillars of Hercules they crossed over the straits, and some of them overran part of Africa, while others laid siege to the city of Ocile. Mummius followed them with 9000 foot and 500 horse, and slew about 15,000 of them who were engaged in plundering, and a few of the others, and raised the siege of Ocile. Falling in with a party who were carrying off booty he slew all of them, so that not one was left to bear the tidings of the disaster. All the booty that it was possible to carry he divided among the soldiers. The rest he devoted to the gods of war and burned. Having accomplished these results, Mummius returned to Rome and was awarded a triumph. (Y.R. 602)

[58] ἐκδέχεται δ' αὐτὸν Μάρκος Ἀτίλιος, ὃς Λυσιτανῶν μὲν ἐς ἑπτακοσίους ἐπιδραμῶν ἀπέκτεινε, καὶ τὴν μεγίστην πόλιν ἐξεῖλεν, ἣ ὄνομα Ὀξθράκαι, τὰ δ' ἐγγὺς καταπληζάμενος ἅπαντα ἐπὶ συνθήκαις παρέλαβεν. καὶ τούτων ἦν ἓν τοῦ Οὐεττάνων ἔθνος, ὁμόρου τοῖς Λυσιτανοῖς. ὥς δ' ἀνεξεύγνυε χειμάσων ὁ Ἀτίλιος, αὐτίκα πάντες μετετίθεντο καὶ τινὰς Ῥωμαίοις ὑπηκούους ἐπολιόρκουν: οὗς ἐπείγόμενος ἐξελεῖν τῆς πολιορκίας Σέρονιος Γάλβας ὁ Ἀτιλίου διάδοχος, ἡμέρᾳ μιᾷ καὶ νυκτὶ πεντακοσίους σταδίου διελθὼν ἐπιφαίνεται τοῖς Λυσιτανοῖς, καὶ εὐθὺς ἐς μάχην ἐξέτασσε, κατάκοπον τὸν στρατὸν ἔχων. τρεψάμενος δ' εὐτυχῶς τοὺς πολεμίους, ἐπέκειτο φεύγουσιν ἀπειροπολέμως. ὅθεν ἀσθενοῦς αὐτῷ καὶ ἀσυντάκτου τῆς διώξεως οὔσης διὰ κόπον, οἱ βάρβαροι κατιδόντες αὐτοὺς διεσπασμένους τε καὶ ἀναπαυομένους κατὰ μέρη συνελθόντες ἐπέθεντο, καὶ κτείνουσιν ἐς ἑπτακισχιλίους. ὁ δὲ Γάλβας μετὰ τῶν ἀμφ' αὐτὸν ἱππέων κατέφυγεν ἐς Καρμώνην πόλιν, ἔνθα

τοὺς διαφυγόντας ἀνελάμβανε, καὶ συμμάχους ἀθροίσας ἐς δισμυρίους διήλθεν ἐς Κουνέους, καὶ παρεχίμαζεν ἐν Κονιστόργει.

[58] He was succeeded in the command by Marcus (B.C. 152) Atilius, who made an incursion among the Lusitanians and killed about 700 of them and took their largest city, called Oxthracæ. This so terrified the neighboring tribes that they all made terms of surrender. Among these were some of the Vettones, a nation adjoining the Lusitanians. But when he went away into winter quarters they all forthwith revolted and besieged some of the Roman subjects. Servius Galba, (Y.R. 603) the successor of Atilius, hastened to relieve them. Having (B.C. 151) marched 500 stades in one day and night, he came in sight of the Lusitanians and sent his tired army into battle instantly. Fortunately he broke the enemy's ranks, but he imprudently followed the fugitives, the pursuit being feeble and disorderly on account of the fatigue of his men. When the barbarians saw them scattered, and by turns stopping to rest, they rallied and fell upon them and killed about 7000. Galba, with the cavalry he had about him, fled to the city of Carmone. There he received the fugitives, and having collected allies to the number of 20,000 he moved to the territory of the Cunei, and wintered at Conistorgis.

[59] Λεύκολλος δὲ ὁ τοῖς Οὐακκαίοις ἄνευ ψηφίσματος πολεμήσας ἐν Τυρδιτανίᾳ τότε χειμάζων ἦσθετο Λυσιτανῶν ἐς τὰ πλησίον ἐμβαλόντων, καὶ περιέμψας τοὺς ἀρίστους τῶν ἡγεμόνων, ἔκτεινε τῶν Λυσιτανῶν ἐς τετρακισχίλιους. περὶ τε Γάδαιρα τὸν πορθμὸν ἐτέρων περὼντων ἔκτεινεν ἐς χιλίους καὶ πεντακοσίους, καὶ τοὺς λοιποὺς συμφυγόντας ἐς τινα λόφον ἀπετάφρευσε, πληθὸς τε ἔλαβεν ἀνδρῶν ἄπειρον. καὶ τὴν Λυσιτανίαν ἐπιὼν κατὰ μέρος ἐπόρθει. ἐπόρθει δὲ καὶ Γάλβας ἐπὶ θάτερα. καὶ τινῶν πρεσβευομένων ἐς αὐτόν, καὶ θελόντων βεβαιοῦν καὶ ὅσα Ἀτιλίῳ τῷ πρὸ αὐτοῦ στρατηγῷ συνθέμενοι παρεβέβηκεσαν, ἐδέχετο καὶ ἐσπένδετο, καὶ ὑπεκρίνετο αὐτοῖς καὶ συνάχεσθαι ὥς δι' ἀπορίαν ληστεύουσί τε καὶ πολεμοῦσι καὶ παρεσπονδηκόσιν. 'τὸ γὰρ λυπρόγαιον,' ἔφη, 'καὶ πενιχρὸν ὑμᾶς ἐς ταῦτα ἀναγκάζει· δώσω δ' ἐγὼ πενομένοις φίλοις γῆν ἀγαθὴν, καὶ ἐν ἀφθόνοις συνοικιῶ, διελὼν ἐς τρία.'

[59] Lucullus, who had made war on the Vaccaei without authority, was wintering in Turditania. When he discovered that the Lusitanians were making incursions in his neighborhood he sent out some of his best lieutenants and slew about 4000 of them. He killed 1500 others while they were crossing the straits near Gades. The remainder took refuge on a hill and he drew a line of circumvallation around it and captured an immense number of them. Then he invaded (Y.R. 604) Lusitania and gradually depopulated it. Galba did (B.C. 150) the same on the other side. When some of their ambassadors came to him desiring to renew the treaty made with Atilius, his predecessor in the command, though they had transgressed this treaty, he received them favorably, and made a truce and pretended to sympathize with them because

they had been compelled by poverty to rob, make war, and break their engagements. “For, of course,” said he, “poorness of soil and penury forced you to do these things. If you wish to be friendly, I will give you good land for your poor people and settle them in three divisions, in a fertile country.”

[60] οἱ μὲν δὴ τάδε προσδοκῶντες ἀπὸ τῶν ἰδίων ἀνίσταντο, καὶ συνήεσαν οἷ προσέτασεν ὁ Γάλβας: ὁ δὲ αὐτοὺς ἐς τρία διήρει, καὶ πεδῖον ἐκάστοις τι ὑποδείξας ἐκέλευεν ἐν τῷ πεδίῳ περιμένειν, μέχρι πολίσειεν αὐτοὺς ἐπελθών. ὥς δ' ἦκεν ἐπὶ τοὺς πρῶτους, ἐκέλευεν ὥς φίλους θέσθαι τὰ ὄπλα, θεμένους δ' ἀπετάφρευε τε, καὶ μετὰ ξιφῶν τινὰς ἐσπέμψας ἀνεῖλεν ἅπαντας, ὀδυρομένους τε καὶ θεῶν ὀνόματα καὶ πίστει ἀνακαλοῦντας. τῷ δ' αὐτῷ τρόπῳ καὶ τοὺς δευτέρους καὶ τρίτους ἐπειχθεὶς ἀνεῖλεν, ἀγνοοῦντας ἔτι τὰ πάθη τὰ τῶν προτέρων, ἀπιστία μὲν ἄρα ἀπιστίαν μετιών, οὐκ ἀξίως δὲ Ῥωμαίων μιμούμενος βαρβάρους. ὀλίγοι δ' αὐτῶν διέφυγον, ὧν ἦν Οὐρίαθρος, ὃς μετ' οὐ πολὺ ἡγήσατο Λυσιτανῶν καὶ ἔκτεινε πολλοὺς Ῥωμαίων καὶ ἔργα μέγιστα ἐπεδείξατο. ἀλλὰ τάδε μὲν ὕστερον γενόμενα ὕστερον λέξω. τότε δὲ ὁ Γάλβας, Λευκόλλου φιλοχρηματώτερος ὢν, ὀλίγα μὲν τινὰ τῆς λείας τῇ στρατιᾷ διεδίδου, καὶ ὀλίγα τοῖς φίλοις, τὰ λοιπὰ δὲ ἐσφετερίζετο, καίτοι πλουσιώτατος ὢν ὁμοῦ τι Ῥωμαίων: ἀλλ' οὐδ' ἐν τῇ εἰρήνῃ φασὶν αὐτὸν διαλιπεῖν ψευδόμενόν τε καὶ ἐπιπορκοῦντα διὰ κέρδη.μισούμενος δὲ καὶ κατηγορούμενος διέφευγε διὰ τὸν πλοῦτον,

[60] Beguiled by these promises they left their own habitations and came together at the place where Galba directed. He divided them into three parts, and showing to each division a certain plain, he commanded them to remain in this open country until he should assign them their places. Then he came to the first division and told them as friends to lay down their arms. When they had done so he surrounded them with a ditch and sent in soldiers with swords who slew them all, they, meanwhile, crying aloud and invoking the names and faith of the gods. In like manner he hastened to the second and third divisions and destroyed them while they were still ignorant of the fate of the first. Thus he avenged treachery with treachery in a manner unworthy of a Roman, but imitating barbarians. A few escaped, among them Viriathus, who not long afterward became the leader of the Lusitanians and killed many Romans and performed the greatest exploits, which I shall relate hereafter. Galba, being even more greedy than Lucullus, distributed a little of the plunder to the army and a little to his friends and kept the rest himself, although he was already one of the richest of the Romans. Not even in time of peace, they say, did he abstain from lying and perjury in order to get gain. Although generally hated, and called to account for his rascalities, he escaped punishment by means of his wealth.

[61] οὐ πολὺ δὲ ὕστερον, ὅσοι διέφυγον ἐκ τῆς Λευκόλλου καὶ Γάλβα παρανομίσεως, ἀλισθέντες ἐς μυρίους τὴν Τυρδιτανίαν κατέτρεχον. καὶ αὐτοῖς ἀπὸ Ῥώμης ἐπελθὼν Γάιος Οὐετίλιος, ἄγων τέ τινα στρατὸν ἄλλον καὶ τοὺς ἐν Ἰβηρία προσλαβὼν, ἅπαντας ἔχων ἐς μυρίους, ἐπέπεσε προνομεύουσι, καὶ πολλοὺς ἀνελὼν συνέωσε τοὺς λοιποὺς ἔς τι χωρίον, οἳ κινδυνεύειν τε μένοντας ἐχρῆν ὑπὸ λιμοῦ καὶ ἀπίνοντας ὑπὸ Ῥωμαίων· ὧδε γὰρ εἶχε δυσχωρίας. καὶ διὰ τοῦτο πρέσβεις ἐς τὸν Οὐετίλιον ἐπεμπον σὺν ἱκετηρίαῖς, γῆν ἐς συνοικισμὸν αἰτοῦντες ὥς ἀπὸ τοῦδε ἐσόμενοι Ῥωμαίων ἐς πάντα κατήκοοι. ὁ δὲ ὑπισχνεῖτο δώσειν, καὶ συνετίθετο ἤδη. Οὐρίατθος δ' ὁ ἐκ τῆς Γάλβα παρανομίας ἐκφυγὼν, τότε συνὼν αὐτοῖς, ὑπεμίμησκε τῆς Ῥωμαίων ἀπιστίας, ὅσακις τε αὐτοῖς ὁμόσαντες ἐπιθοῖντο, καὶ ὥς ὅδε πᾶς ὁ στρατὸς ἐκ τοιῶνδε ἐπιorkiῶν Γάλβα καὶ Λευκόλλου διαφύγοιμεν. οὐδ' ἀπορεῖν ἔφη σωτηρίας ἀπὸ τοῦδε τοῦ χωρίου, ἂν ἐθέλωσι πείθεσθαι.

[61] Not long afterward those who had escaped the villany of Lucullus and Galba, having collected together to the number of 10,000, overran Turditania. Gaius Vetilius marched against them, bringing a new army from Rome and taking also the soldiers already in Spain, so that he had about 10,000 men. He fell upon their foragers, killed many of them, and forced the rest into a place where, if they stayed, they were in danger of famine, and if they came out would fall into the hands of the Romans. Being in these straits they sent messengers to Vetilius with olive-branches asking land for a dwelling-place, and agreeing from that time on to obey the Romans in all things. He promised to give them the land, and an agreement was nearly made to that effect when Viriathus, who had escaped the perfidy of Galba and was then among them, reminded them of the bad faith of the Romans, told them how the latter had often set upon them in violation of oaths, and how this whole army was composed of men who had escaped from the perjuries of Galba and Lucullus. If they would obey him, (B.C. 148) he said, he would show them a safe retreat from this place.

[62] Ἐρεθισθέντων δ' αὐτῶν καὶ ἐν ἐλπίσι γενομένων, ἡρέθη τε στρατηγός, καὶ πάντας ἐκτάζας ἐς μέτωπον ὥς ἐπὶ μάχῃ, τοὺς μὲν ἄλλους ἐκέλευσεν, ὅταν αὐτὸς ἐπιβῇ τοῦ ἵππου, διαιρεθέντας ἐς μέρη πολλὰ φεύγειν, ὥς δύνανται, κατ' ἄλλας καὶ ἄλλας ὁδοὺς ἐς Τριβόλαν πόλιν, ἔνθα αὐτὸν περιμένειν, χιλίους δὲ μόνους ἐπιλεξάμενος ἐκέλευσεν αὐτῷ συνίστασθαι. καὶ γιγνομένων τούτων οἱ μὲν εὐθὺς ἔφυγον, ἐπειδὴ ὁ Οὐρίατθος τὸν ἵππον ἀνέβη, ὁ δὲ

Ουετίλιος αὐτοὺς δέισας διώκειν ἐς πολλὰ διηρημένους, ἐπὶ τὸν Οὐριάτθον ἐστῶτα καὶ ἐφεδρεύοντα τῷ γενησομένῳ τραπείς ἐμάχετο. ὁ δ' ὠκυτάτοις ἵπποις αὐτὸν ἐνοχλῶν, καὶ ὑποφεύγων καὶ πάλιν ἰστάμενος καὶ ἐπιών, ἐκείνην τε τὴν ἡμέραν ἐν τῷ αὐτῷ πεδίῳ καὶ τὴν ἐπιούσαν ὅλην διέτριψε περιθέων. ὥς δ' εἵκασεν ἀσφαλῶς ἔχειν τῆς φυγῆς τοὺς ἐτέρους, τότε νυκτὸς ὀρμήσας δι' ὁδῶν ἀτριβῶν κουφοτάτοις ἵπποις ἀπέδραμεν ἐς Τριβόλαν, Ῥωμαίων αὐτὸν διώκειν ὁμοίως οὐ δυναμένων διὰ τε βάρος ὅπλων καὶ ἀπειρίαν ὁδῶν καὶ ἵππων ἀνομοιότητα. ὧδε μὲν ἐξ ἀέλπτου στρατὸν ἀπογιγνώσκοντα αὐτοῦ περιέσωσε, καὶ τὸ στρατήγημα τόδε περιφερόμενον ἐς τοὺς τῆδε βαρβάρους ἐξῆρεν αὐτόν, καὶ πολλοὶ πανταχόθεν αὐτῷ προσεχώρουν. ὁ δὲ ἐς ὅκτῳ ἔτη Ῥωμαῖοις ἐπολέμει.

[62] Excited by the new hopes with which he inspired them, they chose him as their leader. He drew them up in line of battle as though he intended to fight, but gave them orders that when he should mount his horse they should scatter in every direction and make their way by different routes to the city of Tribola and there wait for him. He chose 1000 only whom he commanded to stay with him. These arrangements having been made, they all fled as soon as Viriathus mounted his horse, Vetilius was afraid to pursue those who had scattered in so many different ways, but turning towards Viriathus who was standing there and apparently waiting a chance to attack, joined battle with him. The latter, having very swift horses, harassed the Romans by attacking, then retreating, again standing still and again attacking, and thus consumed the whole of that day and the next dashing around on the same field. As soon as he conjectured that the others had made good their escape, he hastened away in the night by devious paths and arrived at Tribola with his nimble steeds, the Romans not being able to follow him at an equal pace by reason of the weight of their armor, their ignorance of the roads, and the inferiority of their horses. Thus did Viriathus, in an unexpected way, rescue his army from a desperate situation. This feat, coming to the knowledge of the various tribes of that vicinity, brought him fame and many reënforcements from different quarters, and enabled him to wage war against the Romans for eight years. (Y.R. 607)

[63] καὶ μοι δοκεῖ τὸν Οὐριάτθου πόλεμον, σφόδρα τε ἐνοχλήσαντα Ῥωμαῖοις καὶ δυσεργότατον αὐτοῖς γενόμενον, συναγαγεῖν, ἀναθέμενον εἴ τι τοῦ αὐτοῦ χρόνου περὶ Ἰβηρίαν ἄλλο ἐγίγνετο.

Ουετίλιος μὲν δὴ αὐτὸν διώκων ἦλθεν ἐπὶ τὴν Τριβόλαν, ὁ δ' Οὐριάτθος ἐν λόχμῃς ἐνέδραν ἐπικρύψας ἔφυγε, μέχρι τὰς λόχμας ὑπερελθόντος τοῦ Ουετίλιου αὐτός τε ἐπεστρέφετο καὶ οἱ ἐκ τῆς ἐνέδρας ἀνεπήδων, καὶ Ῥωμαίους ἐκατέρωθεν ἔκτεινόν τε καὶ ἐξώγρουν καὶ ἐς τὰς φάραγγας ἐώθουν. ἐξωγρήθη δὲ καὶ ὁ Ουετίλιος· καὶ αὐτὸν ὁ λαβὼν ἀγνοῶν, γέροντα ὑπέρπαχυν ὀρῶν, ἔκτεινεν ὥς οὐδενὸς ἄξιον. Ῥωμαίων δὲ μόλις ἐκ μυρίων ἐξακισχίλιοι διέδρασαν ἐς Καρπησσόν, ἐπὶ θαλάσσει πόλιν, ἣν ἐγὼ νομίζω πρὸς Ἑλλήνων

πάλαι Ταρτησσὸν ὀνομάζεσθαι, καὶ Ἀργανθώνιον αὐτῆς βασιλεῦσαι, ὃν ἐς πεντήκοντα καὶ ἑκατὸν ἔτη ἀφικέσθαι φασίν. τοὺς μὲν οὖν ἐς τὴν Καρπησσὸν διαφυγόντας ὁ ταμίας, ὃς εἴπετο τῷ Οὐτετιλίῳ, συνέτασεν ἐπὶ τειχῶν δεδιότας· παρὰ δὲ Βελλῶν καὶ Τίτθων αἰτήσας πεντακισχλίους συμμάχους, καὶ λαβὼν, προὔπεμψεν ἐπὶ τὸν Οὐρίατθον. ὁ δὲ πάντας ἔκτεινεν, ὥς μὴδ' ἄγγελον διαφυγεῖν. καὶ ὁ ταμίας ἡσύχαζεν ἐν τῇ πόλει, περιμένων τινὰ βοήθειαν ἀπὸ Ῥώμης.

[63] It is my intention here to relate this war with Viriathus, so very harassing to the Romans and so badly managed by them, and to take up hereafter the other events that happened in Spain at the same time. Vetilius pursued him till he came to Tribola. Viriathus, having first laid an ambush in a dense thicket, retreated until Vetilius was passing through the place, when he turned, and those who were in ambush sprang up. On all sides they began killing the Romans, driving them over the cliffs and taking prisoners. Vetilius himself was taken prisoner; and the man who captured him, not knowing who he was, but seeing that he was old and fat, and considering him worthless, killed him. Of the 10,000 Romans, 6000 with difficulty made their way to (B.C. 147) the city of Carpesus on the seashore, which I think was formerly called by the Greeks Tartessus, and was ruled by King Arganthonius, who is said to have lived one hundred and fifty years. The soldiers, who made their escape to Carpesus, were stationed on the walls of the town by the quæstor who accompanied Vetilius, badly demoralized. Having asked and obtained 5000 allies from the Belli and Titthi, he sent them against Viriathus who slew them all, so that there was not one left to tell the tale. After that the quæstor remained quietly in the town waiting for help from Rome. (Y.R. 608)

[64] Οὐρίατθος δὲ τὴν Καρπητανίαν, εὐδαίμονα χώραν, ἐπιὼν ἀδεῶς ἐλεηλάτει, ἕως ἥκεν ἐκ Ῥώμης Γάιος Πλαῦτιος ἄγων πεζοὺς μυρίους καὶ ἱππέας χιλίους ἐπὶ τριακοσίοις. τότε δ' αὖθις ὑπεκρίνατο φεύγειν ὁ Οὐρίατθος, καὶ ὁ Πλαῦτιος αὐτὸν ἔπεμψε διώκειν ἐς τετρακισχλίους, οὓς ἐπιστραφεὶς ὁ Οὐρίατθος ἔκτεινε χωρὶς ὀλίγων. καὶ τὸν Τάγον ποταμὸν διαβάς ἐστρατοπέδευεν ἐν ὄρει περιφύτῳ μὲν ἐλάαις, Ἀφροδίτης δ' ἐπωνύμῳ, ἔνθα ὁ Πλαῦτιος καταλαβὼν, καὶ τὸ πταῖσμα ἀναλαβεῖν ἐπειγόμενος, συνέβαλεν. ἡττηθεὶς δὲ φόνου πολλοῦ γενομένου διέφυγεν ἀκόσμως ἐς τὰς πόλεις, καὶ ἐκ μέσου θέρους ἐχέιμαζεν, οὐ θαρρῶν οὐδαμοὶ προΐεναι. ὁ δ' Οὐρίατθος τὴν χώραν ἀδεῶς περιὼν ἤτει τοὺς κεκτημένους τιμὴν τοῦ ἐπικειμένου καρποῦ, καὶ παρ' ὧν μὴ λάβοι διέφθειρεν.

[64] Viriathus overran the fruitful country of Carpetania (B.C. 146) without hinderance, and ravaged it until Caius Plautius came from Rome bringing 10,000 foot and 1300 horse. Then Viriathus again feigned flight and Plautius sent 4000 men to pursue him but he turned upon them and killed all except a few. Then he crossed the river Tagus and encamped on a mountain covered with olive-trees, called Venus' mountain. There Plautius overtook him, and

eager to retrieve his misfortune, joined battle with him, but was defeated with great slaughter, and fled in disorder to the towns, and went into winter quarters in midsummer not daring to show himself anywhere. Accordingly, Viriathus overran the whole country without check and required the owners of the growing crops to pay him the value thereof, or if they would not, he destroyed them. (Y.R. 609)

[65] ὧν οἱ ἐν ἄστει Ῥωμαῖοι πυνθανόμενοι Φάβιον Μάξιμον Αἰμιλιανόν, Αἰμιλίου Παύλου τοῦ Περσέα τὸν Μακεδόνων βασιλέα ἀνελόντος υἱόν, ἔπεμπον ἐς Ἰβηρίαν, καὶ στρατιὰν ἑαυτῷ καταγράφειν ἐπέτρεπον. ὁ δέ, Ῥωμαίων ἄρτι Καρχηδόνα καὶ τὴν Ἑλλάδα ἐλόντων καὶ τὸν τρίτον ἐν Μακεδονία πόλεμον καταρωθοκτων, φειδοῖ τῶν ἀνδρῶν τῶν ἐκεῖθεν ἐληλυθότων κατέλεγε πρωθήβας, οὐ πρὶν πολέμου πεπειραμένους, ἐς δύο τέλη. καὶ παρὰ τῶν συμμάχων στρατὸν ἄλλον αἰτήσας ἦκεν ἐς Ὀρσωνα τῆς Ἰβηρίας σύμπαντας ἔχων πεζοὺς μυρίους καὶ πεντακισχιλίους καὶ ἵππεας ἐς δισχιλίους. ὅθεν οὐπω μάχης ἄρχων, μέχρι τὴν στρατιὰν γυμνάσειεν, ἐς Γάδειρα διέπλευσε τὸν πορθμόν, Ἡρακλεῖ θύσων. ὁ δὲ Οὐρίατθος αὐτοῦ τῶν ξυλγεομένων τισὶν ἐπιπεσὼν ἔκτεινε πολλοὺς καὶ ἐφόβησε τοὺς λοιποὺς. τοῦ δ' ὑποστρατήγου συντάξαντος αὐτοὺς αὖθις ὁ Οὐρίατθος ἐκράτει καὶ πολλὴν λείαν περιεσύρατο. ἀφικομένου τε τοῦ Μαξίμου συνεχῶς ἐξέτασσε προκαλούμενος. ὁ δὲ ὄλω μὲν οὐ συνεμίσγετο τῷ στρατῷ, γυμνάζων αὐτοὺς ἔτι, κατὰ δὲ μέρη πολλάκις ἠκροβολίζετο, πειρὰν τε ποιούμενος τῶν πολεμίων καὶ τοῖς ἰδίοις ἐντιθεὶς θάρσος. χορτολογῶν τε ἐνόπλους ἀεὶ τοῖς γυμνοῖς περίσστη, καὶ περιέτρεχε μεθ' ἱππέων αὐτός, οἷα Παύλῳ τῷ πατρὶ συστρατευόμενος ἐν Μακεδόσιν ἐώρα. μετὰ δὲ χειμῶνα γεγυμνασμένῳ τῷ στρατῷ τρέπεται δεύτερος ὁδε τὸν Οὐρίατθον καλῶς ἀγωνισάμενον καὶ πόλεις αὐτοῦ δύο τὴν μὲν διήρπασε τὴν δὲ ἐπέπρησεν, αὐτόν τε, φεύγοντα ἐς χωρίον ᾧ ὄνομα ἦν Βαικόρ, διώκων ἔκτεινε πολλοὺς. καὶ ἐχειμάζεν ἐν Κορδύβῃ, δεύτερον ἔτος ἤδη στρατηγῶν τοῦδε τοῦ πολέμου. καὶ τὰδε μὲν ὁ Αἰμιλιανὸς ἐργασάμενος ἐς Ῥώμην ἀπῆρε, διαδεξαμένου τὴν ἀρχὴν Κοῖντου Πομπηίου τοῦ Αὔλου.

[65] When these facts became known at Rome, they sent Fabius Maximus Æmilianus, the son of Æmilius Paulus (who had conquered Perseus, the king of Macedonia), to Spain, having given him power to levy an army. As Carthage and Greece had been but recently conquered, and the third Macedonian war brought to a successful end, in order that he might spare the soldiers who had just returned from those places, he chose young men who had never been engaged in war before, to the number of two legions. He obtained additional forces from the allies and arrived at Orso, a city of Spain, having altogether 15,000 foot and about 2000 horse. As he did not wish to engage the enemy until his forces were well disciplined, he made a voyage through the straits to Gades in order to sacrifice to Hercules. In the meantime Viriathus fell upon his wood-cutters, killed (B.C. 145) many, and struck terror into the rest. His lieutenant coming out to fight, Viriathus defeated him also

and captured a great booty. When Maximus returned, Viriathus drew out his forces repeatedly and offered battle. But Maximus declined an engagement with the whole army and continued to exercise his men, frequently sending out skirmishing parties, making trial of the enemy's strength, and inspiring his own men with courage. When he sent out foragers he always placed a cordon of legionaries around the unarmed men and himself rode about the region with his cavalry. He had seen his father Paulus do this in the Macedonian war. Winter being ended, and his army well disciplined, he (Y.R. 610) attacked Viriathus and was the second Roman general to (B.C. 144) put him to flight (although he fought valiantly), capturing two of his cities, one of which he plundered and the other burned. He pursued Viriathus to a place called Bæcor, and killed many of his men, after which he wintered at Corduba. (Y.R. 611)

[66] ἐφ' οἷς ὁ Οὐρίατθος οὐχ ὁμοίως ἔτι καταφρονῶν, Ἀρουακοὺς καὶ Τίτθους καὶ Βελλοὺς, ἔθνη μαχιμώτατα, ἀπέστησεν ἀπὸ Ῥωμαίων. καὶ πολέμον ἄλλον οἶδε ἐφ' ἑαυτῶν ἐπολέμουν, ὃν ἐκ πόλεως αὐτῶν μιᾷς Νομαντῖνον ἡγοῦνται, μακρόν τε καὶ ἐπίπονον Ῥωμαίοις γενόμενον. καὶ συνάξω καὶ τόνδε ἐς ἓν μετ' Οὐρίατθον. Οὐρίατθος ἐν ἐπὶ θάτερα τῆς Ἰβηρίας ἐτέρῳ στρατηγῷ Ῥωμαίων Κοϊντίῳ συνεπλέκετο, καὶ ἡσσωμένος ἐς τὸ Ἀφροδίσιον ὄρος ἀνέστρεφεν. ὅθεν ἐπιστραφεὶς ἔκτεινε τῶν Κοϊντίου ἐς χιλίους, καὶ σημεία τινα ἥρπασε: τοὺς δὲ λοιποὺς ἐς τὸ στρατόπεδον αὐτῶν συνεδίωξε, καὶ τὴν ἐν Ἰτύκκῃ φρουρὰν ἐξέβαλε, καὶ τὴν Βαστιτανῶν χώραν ἐλήζετο, Κοϊντίου διὰ δειλίαν καὶ ἀπειρίαν οὐκ ἐπιβοηθοῦντος, ἀλλ' ἐν Κορδύβῃ χειμάζοντος ἐκ μέσου μετοπώρου, καὶ Γάιον Μάρκιον θαμινὰ ἐπιπέμποντος αὐτῷ, ἄνδρα Ἰβηρα ἐκ πόλεως Ἰταλικῆς.

[66] Now Viriathus, being not so confident as before, detached (B.C. 143) the Arevaci, Titthi, and Belli, very warlike peoples, from their allegiance to the Romans, and these began to wage another war on their own account which was long and tedious to the Romans, and which was called the Numantine war from one of their cities. I shall give an account of this after finishing the war with Viriathus. The latter coming to an engagement in another part of Spain with Quintus, another Roman general, and being worsted, returned to the Venus mountain. From this he sallied and slew 1000 of Quintus' men and captured some standards from them and drove the rest into their camp. He also drove out the garrison of Itucca and ravaged the country of the Bastitani. Quintus was unable to render them aid by reason of his timidity and inexperience, but went into winter quarters at Corduba in the middle of autumn, and frequently sent Caius Marcius, a Spaniard from the city of Italica, against him.

CHAPTER XII

War with Viriathus continued — A Treaty with Viriathus — The Treaty is broken by the Romans — D. Junius Brutus — Guerilla Bands coöperate with Viriathus — Viriathus assassinated — Character of Viriathus

(Y.R. 612)

[67] τοῦ δ' ἐπιόντος ἔτους Κοϊντίῳ μὲν ὁ ἀδελφὸς Αἰμιλιανοῦ, Φάβιος Μάξιμος Σερουλιανός, ἦλθεν ἐπὶ τὴν στρατηγίαν διάδοχος, δύο ἄλλα τέλη Ῥωμαίων ἄγων καὶ συμμάχους τινάς, ἅπαντας ἐς μυρίους καὶ ὀκτακισχιλίους πεζοὺς καὶ ἱππέας ἑξακοσίους ἐπὶ χιλίους. ἐπιστείλας δὲ καὶ Μικίπῃ τῷ Νομάδων βασιλεῖ πέμψαι οἱ τάχιστα ἐλέφαντας, ἐς Ἰτύκκην ἡπείγετο, τὴν στρατιὰν ἄγων κατὰ μέρος· καὶ τὸν Οὐρίατθον ἑξακισχιλίοις ἀνδράσιν ἐπιόντα οἱ μετὰ τε κραυγῆς καὶ θορύβου βαρβαρικοῦ καὶ κόμης μακρᾶς, ἦν ἐν τοῖς πολέμοις ἐπισείουσι τοῖς ἐχθροῖς, οὐδὲν ὑποπτήξας ὑπέστη τε γενναίως καὶ ἀπεώσατο ἄπρακτον. ὥς δέ οἱ καὶ τὸ ἄλλο πλῆθος ἀφῖκτο, καὶ ἐκ Λιβύης ἐλέφαντες δέκα σὺν ἱππεῦσι τριακοσίοις, στρατόπεδον ὠχύρου μέγα, καὶ προεπεχείρει τῷ Οὐρίατθῳ, καὶ τρεψάμενος αὐτὸν ἐδίωκεν. ἀτάκτου δὲ τῆς διώξεως γενομένης, ἰδὼν ἐν τῇ φυγῇ τοῦτο ὁ Οὐρίατθος ἐπανῆλθε, καὶ κτείνας ἐς τρισχιλίους τοὺς λοιποὺς συνήλασεν ἐς τὸ στρατοπεδον, καὶ προσέβαλε καὶ τῷδε, ὀλίγων μόλις αὐτὸν ὑφισταμένων περὶ τὰς πύλας, τῶν δὲ πλεόνων ἐς τὰς σκηνὰς καταδύντων ὑπὸ δέους καὶ μόλις ὑπὸ τοῦ στρατηγοῦ καὶ τῶν χιλιάρχων ἐξαγομένων. τότε μὲν οὖν Φάνιός τε, ὁ Λαίλιου κηδεστής, λαμπρῶς ἠρίστευε, καὶ νύξ ἐπελθοῦσα Ῥωμαίους περιέσωσεν· ὁ δὲ Οὐρίατθος ἢ νυκτὸς ἢ καύματος ὥρα θαμινὰ ἐπίων, καὶ οὐ τινα καιρὸν ἀδόκητον ἐκλείπων, ψιλοῖς ἀνδράσι καὶ ἵπποις ταχυτάτοις ἠνώχλει τοῖς πολεμίοις μέχρι τὸν Σερουλιανὸν ἐς Ἰτύκκην ἀναστῆσαι.

[67] At the end of the year, Fabius Maximus Servilianus, (B.C. 142) the brother of Æmilianus, came to succeed Quintus in the command, bringing two new legions from Rome and some allies, so that his forces altogether amounted to about 18,000 foot and 1600 horse. He wrote to Micipsa, king of the Numidians, to send him some elephants as speedily as possible. As he was hastening to Itucca with his army in divisions, Viriathus attacked him with 6000 troops with great noise and barbaric clamor, and wearing the long hair which in battles they are accustomed to shake in order to terrify their enemies, but he was not dismayed. He stood his ground bravely, and the enemy was driven off without accomplishing anything. When the rest of his army arrived, together with ten elephants and 300 horse from Africa, he established a large camp, advanced against Viriathus, defeated and pursued him. The pursuit became disorderly, and when Viriathus observed this as he fled he rallied, slew about 3000 of the Romans, and drove the rest to their camp. He attacked the camp also where only a few made a stand about the gates, the greater part

hiding under their tents from fear, and being with difficulty brought back to their duty by the general and the tribunes. Here Fannius, the brother-in-law of Lælius, showed splendid bravery. The Romans were saved by the approach of darkness. But Viriathus continued to make incursions by night or in the heat of the day, appearing at every unexpected time with his light-armed troops and his swift horses to annoy the enemy, until he forced Servilianus back to Itucca.

[68] τότε δὲ ἤδη τροφῶν τε ἀπορῶν ὁ Οὐρίατθος καὶ τὸν στρατὸν ἔχων ἐλάττω, νυκτὸς ἐμπρήσας τὸ στρατόπεδον ἐς Λυσιτανίαν ἀνεχώρει. καὶ αὐτὸν ὁ Σερουιλιανὸς οὐ καταλαβὼν ἐς Βαιτουρίαν ἐνέβαλε, καὶ πέντε πόλεις διήρπαζεν, αἱ τῷ Οὐρίατθῳ συνεπεπράχesan. μετὰ δὲ τοῦτο ἐστράτευεν ἐς Κουνέους, ὅθεν ἐς Λυσιτανοὺς ἐπὶ τὸν Οὐρίατθον αὐθις ἡπείγετο. καὶ αὐτῷ παροδεύοντι δύο λήσταρχοι μετὰ μυρίων ἀνδρῶν ἐπιθέμενοι, Κούριός τε καὶ Ἀπουλήιος, ἐθορύβησαν καὶ τὴν λείαν ἀφείλοντο. καὶ Κούριος μὲν ἐν τῷ ἀγῶνι ἔπεσεν, ὁ δὲ Σερουιλιανὸς τὴν τε λείαν μετ' οὐ πολὺ ἀνέλαβε, καὶ πόλεις εἷλεν Εἰσκαδίαν τε καὶ Γέμελλαν καὶ Ὀβόλκολαν, φρουρουμένας ὑπὸ τῶν Οὐρίατθου, καὶ διήρπαζεν ἑτέρας, καὶ συνεγίγνωσκεν ἄλλαις· αἰχμάλωτα δ' ἔχων ἀμφὶ τὰ μύρια, πεντακοσίων μὲν ἀπέτεμε τὰς κεφαλὰς, τοὺς δὲ λοιποὺς ἀπέδοτο. καὶ Κοννόβαν μὲν τινα λήσταρχον ἑαυτὸν ἐγχειρίσαντα λαβὼν, καὶ φεισάμενος αὐτοῦ μόνου,

[68] Then at length Viriathus, being in want of provisions, and his army much reduced, burnt his camp in the night and returned to Lusitania. Servilianus did not overtake him, but fell upon the country of Bæturia and plundered five towns that had sided with Viriathus. After this he marched against the Cunæi, and thence to Lusitania once more, against Viriathus. While he was on the march two captains of robbers, Curius and Apuleius, with 10,000 men attacked the Romans, threw them into confusion, and captured some booty. Curius was killed in the fight, and Servilianus not long afterward recovered the booty and took the towns of Escadia, Gemella, and Obolcola, which had been garrisoned by Viriathus. Others he plundered and still others he spared. Having captured about 10,000 prisoners, he beheaded 500 of them and sold the rest as slaves. Then he went into winter quarters, having already been two years in the command. Having performed these labors, Servilianus returned to Rome and was succeeded in the command by Quintus Pompeius Aulus. The brother of the former, Maximus Æmilianus, having received the surrender of a captain of robbers, named Connoba, released him but cut off the hands of all of his men.

[69] τοὺς σὺν αὐτῷ πάντας ἐχειροκόπησεν, Οὐρίατθον δὲ διώκων Ἐρισάνην αὐτοῦ πόλιν ἀπετάφρευεν, ἐς ἣν ὁ Οὐρίατθος ἐσδραμὼν νυκτὸς ἅμα ἔφ τοῖς ἐργαζομένοις ἐπέκειτο, μέχρι τὰ σκαφεῖα ρίψαντες ἔφευγον. τὴν τε ἄλλην στρατιάν, ἐκταχθεῖσαν ὑπὸ τοῦ Σερουιλιανοῦ, τρεψάμενος ὁμοίως Οὐρίατθος ἐδίωκε, καὶ συνήλασεν ἐς κρημνοὺς, ὅθεν οὐκ ἦν τοῖς Ῥωμαίοις διαφυγεῖν. Οὐρίατθος δὲ ἐς τὴν εὐτυχίαν οὐχ ὕβρισεν, ἀλλὰ νομίσας ἐν καλῷ θήσεσθαι

τὸν πόλεμον ἐπὶ χάριτι λαμπρῶ, συνεντίθητο Ῥωμαίοις, καὶ τὰς συνθήκας ὁ δῆμος ἐπεκύρωσεν: Οὐρίατθον εἶναι Ῥωμαίων φίλον, καὶ τοὺς ὑπ' αὐτῷ πάντας ἧς ἔχουσι γῆς ἄρχειν. ὧδε μὲν ὁ Οὐρίατθου πόλεμος ἐδόκει πεπαῦσθαι, χαλεπώτατός τε Ῥωμαίοις γενόμενος καὶ ἐπὶ εὐεργεσία καταλυθείς.

[69] While following Viriathus, Servilianus laid siege to Erisana, one of his towns. Viriathus entered the town by night, and at daybreak fell upon those who were working in the trenches, compelling them to throw away their spades and run. In like manner he defeated the rest of the army, which was drawn up in order of battle by Servilianus, pursued it, and drove the Romans among some cliffs from which there was no chance of escape. Viriathus was not arrogant in the hour of victory, but considering this a favorable opportunity to bring the war to an end and win the great gratitude of the Romans, he made an agreement with them, and this agreement was ratified at Rome. Viriathus was declared to be a friend of the Roman people, and it was decreed that all of his followers should have the land which they then occupied. Thus the Viriathic war, which had been so extremely tedious to the Romans, seemed to have been settled satisfactorily and brought to an end. (Y.R. 614)

[70] οὐ μὴν ἐπέμεινεν οὐδ' ἐς βραχὺ τὰ συγ κείμενα: ὁ γὰρ ἀδελφὸς Σερουιλανοῦ τοῦ ταῦτα συνθεμένου, Καιπίων, διάδοχος αὐτῷ τῆς στρατηγίας γενόμενος διέβαλλε τὰς συνθήκας, καὶ ἐπέστελλε Ῥωμαίοις ἀπρεπεστάτας εἶναι. καὶ ἡ βουλὴ τὸ μὲν πρῶτον αὐτῷ συνεχῶρει κρύφα λυπεῖν τὸν Οὐρίατθον ὃ τι δοκιμάσειεν: ὡς δ' αὖθις ἠνώχλει καὶ συνεχῶς ἐπέστελλεν, ἔκρινε λῦσαί τε τὰς σπονδὰς καὶ φανερῶς πολεμεῖν αὖθις Οὐρίατθῳ. ἐψηφισμένου δὴ σαφῶς, ὁ Καιπίων Ἄρσαν τε πόλιν ἐκλιπόντος Οὐρίατθου παρέλαβε, καὶ αὐτὸν Οὐρίατθον φεύγοντά τε καὶ τὰ ἐν παρόδῳ φθείροντα περὶ Καρπητανίαν κατέλαβε, πολὺ πλείονας ἔχων. ὅθεν ὁ Οὐρίατθος οὐ δοκιμάζων αὐτῷ συμπλέκεσθαι διὰ τὴν ὀλιγότητα, κατὰ μὲν τινα φάραγγα ἀφανῆ τὸ πλεόν τοῦ στρατοῦ περιέπεμψεν ἀπιέναι, τὸ δὲ λοιπὸν αὐτὸς ἐκτάξας ἐπὶ λοφου δόξαν παρῆιχε πολεμήσοντος. ὡς δ' ἦσθετο τῶν προαπεσταλμένων ἐν ἀσφαλεῖ γεγονότων, ἐξίππευσεν ἐς αὐτοὺς μετὰ καταφρονήσεως, ὁξέως οὕτως ὡς μηδ' αἰσθέσθαι τοὺς διώκοντας ὅποι διέδραμεν. ὁ δὲ Καιπίων ἐς Οὐέττωνας καὶ Καλλαϊκοὺς τραπεῖς τὰ ἐκείνων ἐδήγουν.

[70] The peace was not of long duration, for Cæpio, brother of the Servilianus who had concluded it, and his successor in the command, complained of the treaty, and wrote home that it was most unworthy of the dignity of the Roman people. The Senate at first authorized him to annoy Viriathus according to his own discretion, provided it were done secretly. By persisting and continually sending letters he procured the breaking of the treaty and a renewal of open hostilities against Viriathus. When war (B.C. 140) was publicly declared

Cæpio took the town of Arsa, which Viriathus abandoned, and followed Viriathus himself (who fled and destroyed everything in his path) as far as Carpetania, the Roman forces being much stronger than his. Viriathus deeming it unwise to engage in battle, on account of the smallness of his army, ordered the greater part of it to retreat through a hidden defile, while he drew up the remainder on a hill as though he intended to fight. When he judged that those who had been sent before had reached a place of safety, he darted after them with such disregard of the enemy and such swiftness that his pursuers did not know whither he had gone. Cæpio turned against the Vettones and the Callaici and wasted their fields. (Y.R. 616)

[71] καὶ ζήλω τῶν ἔργων Οὐριάθου τὴν Λυσιτανίαν ληστήρια πολλὰ ἄλλα ἐπιτρέχοντα ἐπόρθει. Σέξτος δὲ Ἰούνιος Βροῦτος ἐπὶ ταῦτα πεμφθεὶς ἀπέγνω μὲν αὐτὰ διώκειν διὰ χώρας μακρᾶς, ὅσῃν ὁ Τάγος τε καὶ Λήθης καὶ Δόριος καὶ Βαίτις ποταμοὶ ναυσίποροι περιέχουσιν, ὅξέως, οἷα δὴ ληστήρια, μεθισταμένους δυσεργεῖς ἡγούμενος εἶναι καταλαβεῖν, καὶ αἰσχρὸν οὐ καταλαβόντι, καὶ νικήσαντι τὸ ἔργον οὐ λαμπρόν: ἐς δὲ τὰς πόλεις αὐτῶν ἐτράπετο, δίκην τε λήψεσθαι προσδοκῶν, καὶ τῇ στρατιᾷ πολὺ κέρδος περιέσεσθαι, καὶ τοὺς ληστὰς ἐς ἐκάστην ὡς πατρίδα κινδυνεύουσιν διαλυθῆσεσθαι. ὁ μὲν δὲ ταῦτ' ἐνθυμούμενος ἐδήiou τὰ ἐν ποσὶν ἅπαντα, συμμαχομένων τοῖς ἀνδράσι τῶν γυναικῶν καὶ συναναιρουμένων, καὶ οὐ τινα φωνὴν οὐδ' ἐν ταῖς σφαγαῖς ἀφιεῖσθαι. εἰσὶ δ' οἱ καὶ ἐς τὰ ὄρη μεθ' ὧν ἐδύναντο ἀνεπήδων: καὶ αὐτοῖς δεομένοις συνεγίνωσκεν ὁ Βροῦτος, καὶ τὰ ὄντα ἐμερίζετο.

[71] Emulating the example of Viriathus many other guerilla (B.C. 138) bands made incursions into Lusitania and ravaged it. Sextus Junius Brutus, who was sent against them, despaired of following them through the extensive country bounded by the navigable rivers Tagus, Lethe, Durius, and Bætis, because he considered it extremely difficult to overtake them while flying from place to place after the manner of robbers, and yet disgraceful not to do so, and a task not very glorious even if he should conquer them. He therefore turned against their towns, thinking that thus he should take vengeance on them, and at the same time secure a quantity of plunder for his army, and that the robbers would scatter, each to his own place, when their homes were threatened. With this design he began destroying everything that came in his way. Here he found the women fighting and perishing in company with the men with such bravery that they uttered no cry even in the midst of slaughter. Some of the inhabitants fled to the mountains with what they could carry, and to these, when they asked pardon, Brutus granted it, taking their goods as a fine. (Y.R. 617)

[72] καὶ τὸν Δόριον περάσας πολλὰ μὲν πολέμῳ κατέδραμε, πολλὰ δὲ παρὰ τῶν αὐτοῦ ἐνδιδόντων ὄμηναι αἰτήσας ἐπὶ Λήθην μετῆει, πρῶτος ὅδε Ῥωμαίων ἐπινοῶν τὸν ποταμὸν τόνδε διαβῆναι. περάσας δὲ καὶ τόνδε, καὶ

μέχρι Νίμιος ἑτέρου ποταμοῦ προελθὼν, Βρακάρων αὐτῷ φερομένην ἀγορὰν ἀρπασάντων ἐστράτευσεν ἐπὶ τοὺς Βρακάρους, οἳ εἰσιν ἔθνος μαχιμώτατον, καὶ ἅμα ταῖς γυναῖξιν ὀπλισμέναις καὶ οἶδε ἐμάχοντο, καὶ προθύμως ἔθνησκον, οὐκ ἐπιστρεφόμενος αὐτῶν οὐδεὶς, οὐδὲ τὰ νῶτα δεικνύς, οὐδὲ φωνὴν ἀφιέντες. ὅσαι δὲ κατήγοντο τῶν γυναικῶν, αἱ μὲν αὐτὰς διεχρῶντο, αἱ δὲ καὶ τῶν τέκνων αὐτόχειρες ἐγίνοντο, χαίρουσαι τῷ θανάτῳ μᾶλλον τῆς αἰχμαλωσίας. εἰσὶ δὲ τινες τῶν πόλεων αἱ τότε μὲν τῷ Βρούτῳ προσετίθεντο, οὐ πολὺ δ' ὕστερον ἀφίσταντο. καὶ αὐτὰς ὁ Βρούτος κατεστρέφετο αὐθις.

[72] He then crossed the river Durius, carrying war far and wide and taking hostages from those who surrendered, until he came to the river Lethe, being the first of the Romans to think of crossing that stream. Passing over this he advanced to another river called the Nimis, where he attacked the Bracari because they had plundered his provision train. They were a very warlike people, the women bearing arms with the men, who fought never turning, never (B.C. 137) showing their backs, or uttering a cry. Of the women who were captured some killed themselves, others slew their children with their own hands, considering death preferable to captivity. There were some towns that surrendered to Brutus and soon afterwards revolted. These he reduced to subjection again.

[73] ἐπὶ δὲ Ταλάβριγα πόλιν ἐλθὼν, ἥ πολλάκις μὲν αὐτῷ συνετέθειτο, πολλάκις δὲ ἀποστάσα ἠνώχλει, παρακαλοῦντων αὐτὸν καὶ τότε τῶν Ταλαβρίγων καὶ διδόντων αὐτοὺς ἐς ὃ τι χρήζοι, πρῶτα μὲν τοὺς αὐτομόλους Ῥωμαίων ἦται καὶ τὰ αἰχμάλωτα, καὶ ὅπλα ὅσα εἶχον, καὶ ὄμηρα ἐπὶ τούτοις, εἴτ' αὐτοὺς ἐκέλευσε σὺν παισὶ καὶ γυναῖξιν ἐκλιπεῖν τὴν πόλιν. ὥς δὲ καὶ τοῦθ' ὑπέστησαν, τὴν στρατιὰν αὐτοῖς περιστήσας ἐδημηγόρει, καταλέγων ὅσας ἀποσταῖεν καὶ ὅσους πολέμους πολεμήσειαν αὐτῷ. φόβον δὲ καὶ δόξαν ἐμφήνας ἐργασομένου τι δεινόν, ἐπὶ τῶν ὄνειδῶν ἔληξε, καὶ τοὺς μὲν ἵππους αὐτῶν καὶ τὸν σῖτον καὶ χρήματα ὅσα κοινὰ ἦν, ἥ εἴ τις ἄλλη δημοσία παρασκευή, πάντα περιεῖλε, τὴν δὲ πόλιν αὐθις οἰκεῖν ἔδωκεν ἐξ ἀέλπτου. τοσάδε μὲν δὴ Βρούτος ἐργασάμενος ἐς Ῥώμην ἀπῆει. καὶ αὐτὰ ἐς τὴν Οὐριάτθου γραφὴν συνήγαγον, ἐν τῷ αὐτῷ χρόνῳ διὰ τὸν ἐκείνου ζῆλον ὑπὸ ληστηρίων ἄλλων ἀρξάμενα γίνεσθαι.

[73] One of the towns that often submitted and as often rebelled was Talabriga. When Brutus moved against it the inhabitants begged pardon and offered to surrender at discretion. He first demanded of them all the deserters, the prisoners, and the arms they had, and hostages in addition, and then he ordered them to vacate the town with their wives and children. When they had obeyed these orders, he surrounded them with his army and made a speech to them, telling them how often they had revolted and renewed the war against him. Having inspired them with fear and with the belief that he was about to inflict some terrible punishment on them, he ceased his reproaches. Having deprived them of their horses, provisions, public money, and other general

resources, he gave them back their town to dwell in, contrary to their expectation. Having accomplished these results, Brutus returned to Rome. I have united these events with the history of Viriathus, because they were undertaken by other guerilla bands at the same time, and in emulation of him. (Y.R. 614)

[74] Οὐρίαθος δὲ Καίπιον περὶ συμβάσεων τοὺς πιστοτάτους αὐτῷ φίλους ἐπέπεμπε, Αὐδάκα καὶ Διτάλκωνα καὶ Μίνουρον, οἱ διαφθαρέντες ὑπὸ τοῦ Καίπιωνος δόροις τε μεγάλοις καὶ ὑποσχέσεσι πολλαῖς ὑπέστησαν αὐτῷ κτενεῖν τὸν Οὐρίαθον. καὶ ἔκτειναν ὧδε. ὀλιγοῦπνότατος ἦν διὰ φροντίδα καὶ πόνους ὁ Οὐρίαθος, καὶ τὰ πολλὰ ἔνοπλος ἀνεπαύετο, ἵνα ἐξεγρόμενος εὐθὺς ἐς πάντα ἔτοιμος εἴη. τοῖς οὖν φίλοις ἐξῆν καὶ νυκτερεύοντι ἐντυγχάνειν. ὃ δὴ καὶ τότε ἔθει οἱ περὶ τὸν Αὐδάκα φυλάξαντες αὐτόν, ἀρχομένου ὕπνου παρήλθον ἐς τὴν σκηνὴν ὡς δὴ τινος ἐπείγοντος, καὶ κεντοῦσιν ὥπλισμένον ἐς τὴν σφαγὴν· οὐ γὰρ ἦν ἄλλοθι. οὐδεμιᾶς δ' αἰσθήσεως γενομένης διὰ τὴν τῆς πληγῆς εὐκαιρίαν, διέδρασαν ἐς Καίπιωνα καὶ τὰς δωρεὰς ἤτουν. ὁ δ' αὐτίκα μὲν αὐτοῖς ἔδωκεν ἀδεῶς ἔχειν ὅσα ἔχουσι, περὶ δὲ ὧν ἤτουν, ἐς Ῥώμην αὐτοὺς ἔπεμπε. οἱ δὲ θεραπευτῆρες Οὐρίαθου καὶ ἡ ἄλλη στρατιὰ, γενομένης ἡμέρας, ἀναπαύεσθαι νομίζοντες αὐτὸν ἐθαύμαζον διὰ τὴν ἀήθειαν, μέχρι τινὲς ἔμαθον ὅτι νεκρὸς κέοιτο ἔνοπλος. καὶ εὐθὺς ἦν οἰμωγὴ τε καὶ πένθος ἀνὰ τὸ στρατόπεδον, ἀλγούντων τε ἐπ' ἐκείνῳ καὶ περὶ σφῶν δεδιότων, καὶ ἐνθυμουμένων ἐν οἷς εἰσὶ κινδύνους καὶ οἷου στρατηγοῦ στεροῦνται. μάλιστα δὲ αὐτούς, ὅτι τοὺς δράσαντας οὐχ ἠῦρισκον, ὑπερήλυνεν.

[74] Viriathus sent his most trusted friends Audax, Ditalco, and Minurus to Cæpio to negotiate terms of peace. The latter bribed them by large gifts and promises to assassinate Viriathus, which they did in this way. Viriathus, on account of his excessive cares and labors, slept but little, and for the most part took rest in his armor so that when aroused he should be prepared for every emergency. For this reason it was permitted to his friends to visit him by night. Taking advantage of this custom, those who were associated with Audax in guarding him entered his tent as if on pressing business, just as he had fallen asleep, and killed him by stabbing him in the throat, which was the only part of his body not protected by armor. The nature of the wound was such that nobody suspected what had been done. The murderers fled to Cæpio and asked for the rest of their pay. For the present he gave them permission to enjoy safely (B.C. 140) what they had already received; as for the rest of their demands he referred them to Rome. When daylight came the attendants of Viriathus and the remainder of the army thought he was still resting and wondered at his unusually long repose, until some of them discovered that he was lying dead in his armor. Straightway there was grief and lamentation throughout the camp, all of them mourning for him, fearing for their own safety, thinking what dangers they were in, and of what a general they had been bereft. Most of all were they grieved that they could not find the

perpetrators of the crime.

[75] Οὐρίαθρον μὲν δὴ λαμπρότατα κοσμήσαντες ἐπὶ ὑψηλοτάτης πυρᾶς ἔκαιον, ἱερεῖά τε πολλὰ ἐπέσφαττον αὐτῷ, καὶ κατὰ ἴλας οἱ τε πεζοὶ καὶ οἱ ἵππεῖς ἐν κύκλῳ περιθέοντες αὐτὸν ἔνοπλοι βαρβαρικῶς ἐπῆνουν, μέχρι τε σβεσθῆναι τὸ πῦρ παρεκάθηντο πάντες ἄμφ' αὐτό. καὶ τῆς ταφῆς ἐκτελεσθείσης, ἀγῶνα μονομάχων ἀνδρῶν ἤγαγον ἐπὶ τοῦ τάφου. τοσοῦτον αὐτοῦ πόθον κατέλιπεν Οὐρίαθρος, ἀρχικώτατος μὲν ὡς ἐν βαρβάροις γενόμενος, φιλοκινδυνότατος δ' ἐς ἅπαντα πρὸ ἀπάντων, καὶ ἰσομοιρότατος ἐν τοῖς κέρδεσιν. οὐ γάρ ποτε πλέον ὑπέστη λαβεῖν, αἰεὶ παρακαλούντων· ὁ δὲ καὶ λάβοι, τοῖς ἀριστεύουσιν ἐδίδου. ὅθεν αὐτῷ, δυσχερέστατον ἔργον καὶ οὐδενὶ πῶ στρατηγῶν εὐμαρῶς ἐγγενόμενον, ἔτεσιν ὀκτῶ τοῦδε τοῦ πολέμου παμμιγῆς στρατὸς ἀστασίαστος ἦν καὶ κατήκοος αἰεὶ καὶ ἐς τοὺς κινδύνους ὀξύτατος. τότε δὲ σφῶν Τάνταλον ἐλόμενοι στρατηγεῖν, ἐπὶ Ζάκανθαν ἐφέροντο, ἦν Ἀννίβας καθελὼν ἔκτισε καὶ ἀπὸ τῆς αὐτοῦ πατρίδος Καρχηδόνα προσεῖπεν. ἀποκρουσθεῖσι δ' αὐτοῖς ἐκείθεν, καὶ τὸν Βαῖτιν ποταμὸν περῶσιν, ὁ Καιπίων ἐπέκειτο, μέχρι κάμνων ὁ Τάνταλος αὐτόν τε καὶ τὴν στρατιάν τῷ Καιπίωνι παρέδωκεν ὡς ὑπηκόοις χρῆσθαι. ὁ δὲ ὅπλα τε αὐτοὺς ἀφείλετο ἅπαντα, καὶ γῆν ἔδωκεν ἱκανήν, ἵνα μὴ ληστεύοιεν ἐξ ἀπορίας.

[75] They arrayed the body of Viriathus in splendid garments and burned it on a lofty funeral pile. Many sacrifices were offered for him. Troops of horse and foot in armor marched around him singing his praises in barbarian fashion. Nor did they depart from the funeral pile until the fire had gone out. When the obsequies were ended, they had gladiatorial contests at his tomb. So great was the longing for Viriathus after his death — a man who had the highest qualities of a commander as reckoned among barbarians, always foremost in facing danger and most exact in dividing the spoils. He never consented to take the lion's share, even when friends begged him to, but whatever he got he divided among the bravest. Thus it came about (a most difficult task and one never before achieved by any other commander so easily) that in the eight years of this war, in an army composed of various tribes, there never was any sedition, the soldiers were always obedient and fearless in the presence of danger. After his death they chose a general named Tantalus and made an expedition against Saguntum, the city which Hannibal had overthrown and reestablished and named New Carthage, after his own country. When they had been repulsed from that place and were crossing the river Bætis, Cæpio pressed them so hard that Tantalus became exhausted and surrendered his army to Cæpio on condition that they should be treated as subjects. The latter took from them all their arms and gave them sufficient land, so that they should not be driven to robbery by want. In this way the Viriathic war came to an end.

CHAPTER XIII

The Numantine War — Pompeius Aulus lays Siege to Numantia — Makes a Treaty with the Numantines — The Senate repudiates it — Mancinus makes a Fresh Treaty — Æmilius Lepidus makes War Contrary to Orders of the Senate — The Senate repudiates the Treaty of Mancinus

[76] Our history returns to the war against the Arevaci (B.C. 143) and the Numantines, whom Viriathus stirred up to revolt. Cæcilius Metellus was sent against them from Rome with a larger army and he subdued the Arevaci, falling upon them suddenly while they were gathering their crops. There still remained the two towns of Termantia and Numantia to engage his attention. Numantia was difficult of access by reason of two rivers and the ravines and dense woods that surrounded it. There was only one road to the open country and that had been blocked by ditches and palisades. The Numantines were first-rate soldiers, both horse and foot, there being about 8000 altogether. Although small in numbers, yet they gave the Romans great trouble by their bravery. At the end of winter Metellus surrendered to his successor, Quintus Pompeius Aulus, the command of the army, consisting of 30,000 foot and 2000 horse, admirably trained. While encamped against Numantia, Pompeius had occasion to go away somewhere. The Numantines made a sally against a body of his horse that was ranging after him and destroyed them. When he returned he drew up his army in the plain. The Numantines came down to meet him, but retired slowly as though intending flight, until they had drawn Pompeius to the ditches and palisades. (Y.R. 613)

[77] καὶ καθ' ἡμέραν ἐν ταῖς ἀκροβολίαις ἐλασσούμενος ὑπ' ἀνδρῶν πολὺ ἐλασσόνων, μετέβαινεν ἐπὶ Τερμεντίαν ὡς εὐχερέστερον ἔργον. ὡς δὲ καὶ τῇδε συμβαλὼν ἑπτακοσίους τε ἀπώλεσε, καὶ τὸν τὴν ἀγορὰν αὐτῷ φέροντα χιλιάρχον οἱ Τερμεντεῖς ἐτρέψαντο, καὶ τρίτη πείρα κατὰ τὴν αὐτὴν ἡμέραν ἐς ἀπόκρημα τοὺς Ῥωμαίους συνελάσαντες πολλοὺς αὐτῶν πεζοὺς τε καὶ ἱππεάς αὐτοῖς ἵπποις κατέωσαν ἐς τὰ ἀπόκρημα, περιφόβως ἔχοντες οἱ λοιποὶ διενυκτέρευον ἔνοπλοι, καὶ ἅμα ἔφ' προσιόντων τῶν πολεμίων ἐκταξάμενοι τὴν ἡμέραν ὅλην ἠγωνίζοντο ἀγχωμάλως, καὶ διεκρίθησαν ὑπὸ νυκτός. ὅθεν ὁ Πομπήιος ἐπὶ πολίχνης Μαλίας ἦλασεν, ἣν ἐφρούρουν οἱ Νομαντῖνοι. καὶ οἱ Μαλιεῖς τοὺς φρουροὺς ἀνελόντες ἐξ ἐνέδρας, παρέδοσαν τὸ πολίχνιον τῷ Πομπήϊῳ. ὁ δὲ τὰ τε ὅπλα αὐτοῦς καὶ ὅμηρα αἰτήσας, μετῆλθεν ἐπὶ Σηδητανίαν, ἣν ἐδήου λήσταρχος ὄνομα Ταγγίνος· καὶ αὐτὸν ὁ Πομπήιος ἐνίκα, καὶ πολλοὺς ἔλαβεν αἰχμαλώτους. τοσοῦτον δ' ἦν φρονήματος ἐν τοῖς λησταῖς ὥστε τῶν αἰχμαλώτων οὐδεὶς ὑπέμεινε δουλεύειν, ἀλλ' οἱ μὲν αὐτοὺς οἱ δὲ τοὺς πριαμένους ἀνήρουν, οἱ δὲ τὰς ναὺς ἐν τῷ διάπλῳ διετίτρων.

[77] When he saw his forces wasted day by day in skirmishes with an enemy much inferior in numbers, he moved against Termantia as being an easier task. Here he engaged the enemy and lost 700 men; and one of his tribunes, who was bringing provisions to his army, was put to flight by the Termantines. In a third engagement the same day they drove the Romans into a rocky place where many of their infantry and cavalry with their horses were forced down a precipice. The remainder, panic-stricken, passed the night (B.C. 141) under arms. At daybreak the enemy came out and a regular battle was fought which lasted all day with equal fortune. Night put an end to the conflict. Thence Pompeius marched against a small town named Malia, which was garrisoned by Numantines. The inhabitants slew the garrison by treachery and delivered the town to Pompeius. He required them to surrender their arms and give hostages, after which he moved to Sedatania, which a robber chief named Tanginus was plundering. Pompeius overcame him and took many of his men prisoners. So high-spirited were these robbers that none of the captives would endure servitude. Some killed themselves, others killed those who had bought them, and others scuttled the ships that carried them away. (Y.R. 614)

[78] ὁ δὲ Πομπήιος αὐθις ἐλάσας ἐπὶ Νομαντίαν, ποταμόν τινα μετωχέτευεν ἐς τὸ πεδίον ὡς λιμῷ πίεσων τὴν πόλιν. οἱ δὲ ἐργαζομένῳ τε ἐπέκειντο, καὶ σαλπικτῶν χωρὶς ἐκτρέχοντες ἀθρόοι τοὺς ὀχετεύοντας ἠνώχλουν. ἔβαλλον δὲ καὶ τοὺς ἀπὸ τοῦ χάρακος ἐπιβοηθοῦντας, ἕως κατέκλεισαν ἐς τὸ στρατόπεδον. καὶ σιτολογοῦσιν ἑτέροις ἐπιδραμόντες καὶ τῶνδε πολλοὺς διέφθειραν, Ὀπιόν τε χιλιάρχον ἐπ' αὐτοῖς ἀνεῖλον. καὶ κατ' ἄλλο μέρος τάφρον ὀρύσσουσι Ῥωμαίοις ἐπιδραμόντες ἔκτειναν ἐς τετρακοσίους, καὶ τὸν ἠγούμενον αὐτῶν. ἐφ' οἷς τῷ τε Πομπήϊῳ σύμβουλοι παρήσαν ἐκ Ῥώμης, καὶ τοῖς στρατιώταις 'ἐξ γὰρ ἔτη διεληλύθει στρατευομένοις' διάδοχοι νεοκατάγραφοί τε καὶ ἐτι ἀγύμναστοι καὶ ἀπειροπόλεμοι. μεθ' ὧν ὁ Πομπήιος αἰδούμενός τε τὰ ἐπταισμένα, καὶ ἐπειγόμενος τὴν αἰσχύνην ἀναλαβεῖν,

ἐπέμενε χειμῶνος ἐν τῷ στρατοπέδῳ. καὶ οἱ στρατιῶται κρύους τε ὄντος ἐν ἀστέγῳ σταθμεύοντες, καὶ πρῶτον ἄρτι πειρώμενοι τοῦ περὶ τὴν χώραν ὕδατός τε καὶ ἀέρος, κατὰ γαστέρα ἔκαμνον, καὶ διεφθείροντο ἔνιοι. μέρους δὲ ἐπὶ σῖτον οἰχομένου, κρύψαντες ἐνέδραν οἱ Νομαντῖνοι παρ' αὐτὸ τὸ Ῥωμαίων στρατόπεδον ἠκροβολίζοντο ἐρεθίζοντες, ἕως οἱ μὲν οὐ φέροντες ἐπεξήεσαν, οἱ δ' ἐκ τῆς ἐνέδρας ἀνίσταντο· καὶ Ῥωμαῖοι πολλοὶ μὲν ἐκ τοῦ πλήθους, πολλοὶ δὲ τῶν ἐπιφανῶν ἀπέθανον· οἱ δὲ Νομαντῖνοι καὶ τοῖς τὸν σῖτον φέρουσιν ἀπαντήσαντες ἔκτειναν καὶ τῶνδε πολλούς.

[78] Pompeius, coming back to the siege of Numantia, endeavored to turn the course of a certain river in order to reduce the city by famine. The inhabitants harassed him while he was doing this work. They rushed out in crowds without giving any signal, and assaulted those who were working on the river, and hurled darts at those who came to their assistance from the camp, and finally shut the Romans up in their own fortification. They also attacked the foragers and killed many, and among them Oppius, a military tribune. They made an assault in another quarter on a party of Romans who were digging a ditch, and killed about 400 of them including their leader. About this time certain counsellors came to Pompeius from Rome, together with an army of new recruits, still raw and undisciplined, to take the places of the soldiers who had served their six years. Pompeius, being put to shame by so many disasters, and desiring to wipe out the disgrace, remained in camp in the winter time with these raw recruits. The soldiers, being exposed to severe cold without shelter, and unaccustomed to the water and climate of the country, fell sick with dysentery and many died. A detachment having gone out for forage, the Numantines laid an ambuscade near the Roman camp and provoked them to a skirmish. The latter, not enduring the affront, sallied out against them. Then those who were in ambush sprang up, and many of the common soldiers and many of the nobility lost their lives. Finally the Numantines encountered the foraging (B.C. 140) party on its return and killed many of those also.

[79] Pompeius, being cast down by so many misfortunes, marched away with his senatorial council to the towns to spend the rest of the winter, expecting a successor to come early in the spring. Fearing lest he should be called to account, he made overtures to the Numantines secretly for the purpose of bringing the war to an end. The Numantines themselves, being exhausted by the slaughter of so many of their bravest men, by the loss of their crops, by want of food, and by the length of the war, which had been protracted beyond expectation, sent legates to Pompeius. He publicly advised them to surrender at discretion, because no other kind of treaty seemed worthy of the dignity of the Roman people, but privately he told them what terms he should impose. When they had come to an agreement and the Numantines had given themselves up, he demanded and received from them hostages, together with the prisoners and deserters. He also demanded thirty talents of silver, a part of which they paid down and the rest he agreed to wait for. His successor, (Y.R. 615) Marcus Popillius Læna, had arrived when they brought the (B.C. 139) last instalment. Pompeius being no longer under any apprehension concerning the war, since his successor was present, and knowing that he had made a disgraceful peace and without authority from Rome, began to deny that he had come to any understanding with the Numantines. The latter proved the contrary by witnesses who had taken part in the transaction, senators, and his own prefects of horse and military tribunes. Popillius sent them to Rome to carry on the controversy with Pompeius there. The case was brought before the Senate, and the Numantines and Pompeius debated it there. The Senate decided to continue the war. Thereupon Popillius attacked the Lusones who were neighbors of the Numantines, but he accomplished nothing, and on the arrival of his successor in office, Hostilius Mancinus, he returned to Rome. (Y.R. 617)

[80] ὁ δὲ Μαγκίνος τοῖς Νομαντίνοις συμβαλὼν ἡττᾶτό τε πολλάκις, καὶ τέλος ἀναιρουμένων πολλῶν ἐς τὸ στρατόπεδον ἔφυγεν. λόγου δὲ ψευδοῦς ἐμπεσόντος ὅτι Νομαντίνοις ἔρχονται βοηθοῦντες Κάνταβροί τε καὶ Οὐακκαῖοι, δείσας ἄπυρον τὴν νύκτα διήγαγεν ὅλην ἐν σκότῳ, φεύγων ἐς ἔρημον τὸ Νωβελίωνός ποτε χαράκωμα. καὶ μεθ' ἡμέραν ἐς αὐτὸ συγκλεισθεῖς οὔτε κατεσκευασμένον οὔτε ὠχυρωμένον, περισχόντων αὐτὸν τῶν Νομαντίων, καὶ πάντας ἀποκτενεῖν ἀπειλοῦντων εἰ μὴ συνθοίτο εἰρήνην, συνέθετο ἐπὶ ἴσῃ καὶ ὁμοίᾳ Ῥωμαίοις καὶ Νομαντίνοις. καὶ ὁ μὲν ἐπὶ τούτοις

[80] Mancinus had frequent encounters with the Numantines in which he was worsted, and finally, after great loss, took refuge in his camp. On a false rumor that the Cantabri and Vaccæi were coming to the aid of the Numantines, he became alarmed, extinguished his fires, and fled in the darkness of night to a desert place where Nobilior once had a (B.C. 137) camp. Being shut up in this place at daybreak without preparation or fortification and surrounded by Numantines, who threatened all with death unless he made peace, he agreed to terms like those previously made between the Romans and Numantines. To this agreement he bound himself by an oath. When these things were known at Rome there was great indignation at this most ignominious treaty, and the other consul, Æmilius Lepidus, was sent to Spain, Mancinus being called home to stand trial. The Numantine ambassadors followed him thither. Æmilius becoming tired of idleness while awaiting the decision from Rome (for some men sought the command, not for the advantage of the city, but for glory, or gain, or the honor of a triumph), falsely accused the Vaccæi of supplying the Numantines with provisions during the war. Accordingly he ravaged their country and laid siege to their principal city, Pallantia, which had in no way violated the treaty, and he persuaded Brutus, his brother-in-law, who had been sent to Farther Spain (as I have before related), to join him in this undertaking. (Y.R. 618)

[81] κατέλαβον δ' αὐτοὺς ἀπὸ Ῥώμης πρέσβεις Κίννας τε καὶ Καικίλιος, οἱ τὴν βουλὴν ἔφασαν ἀπορεῖν εἰ τοσῶνδε πταισμάτων σφίσι ἐν Ἰβηρίᾳ γενομένων ὁ Αἰμίλιος πόλεμον ἕτερον ἀρεῖται, καὶ ψήφισμα ἐπέδοσαν αὐτῷ προαγορευδὸν Αἰμίλιον Οὐακκαίοις μὴ πολεμεῖν. ὁ δὲ ἀρξάμενός τε ἤδη τοῦ πολέμου, καὶ τὴν βουλὴν τοῦτ' ἀγνοεῖν ἡγούμενος, ἀγνοεῖν δ' ὅτι καὶ Βροῦτος αὐτῷ συνεπιλαμβάνει καὶ σῖτον καὶ χρήματα καὶ στρατιάν Οὐακκαῖοι τοῖς Νομαντίνοις παρέσχον, ἔσεσθαι δὲ καὶ τὴν ἀνάγκην τοῦ πολέμου φοβερὰν ὑπολαβόν, καὶ σχεδὸν Ἰβηρίας ὅλης διάλυσιν, εἰ καταφρονήσειαν ὥς δεδιότων, τοὺς μὲν ἀμφὶ τὸν Κίνναν ἀπράκτους ἀπέλυσε, καὶ τάδε αὐτὰ ἐπέστειλε τῇ βουλῇ, αὐτὸς δὲ ὀχυρωσάμενος φρούριον, μηχανὰς ἐν αὐτῷ συνεπήγγυτο καὶ σῖτον συνέφερεν. [81] Here they were overtaken by Cinna and Cæcilius, messengers from Rome, who said that the Senate was at a loss to know why, after so many disasters had befallen them in Spain, Æmilius should be seeking a new war, and they placed in his hands a decree warning him not to attack the Vaccæi. But he, having actually begun the war, considered that the Senate was ignorant of that, and of the fact that Brutus was coöperating with him, and that the Vaccæi had aided the Numantines with provisions, money, and men. Accordingly he made answer that it would be dangerous to abandon the war, since nearly all Spain would rebel if they should imagine that the Romans were afraid. He sent Cinna's party home without having accomplished their errand, and he wrote in this sense to the Senate. After this he began, in a fortified place, to construct engines and collect provisions. While he was thus engaged, Flaccus, who had been sent out on a foraging expedition, found himself in an ambuscade but he saved himself by a trick. He cunningly spread a rumor among his men that Æmilius had captured Pallantia. The soldiers raised a shout of victory. The barbarians, hearing it and thinking that the report was true, withdrew. In this (B.C. 136) way Flaccus rescued his convoy from danger.

[82] μακρᾶς δὲ τῆς ἐπὶ τῇ Παλλαντία πολιορκίας οὔσης αἱ τροφαὶ Ῥωμαῖους ἐπέλειπον, καὶ λιμὸς ἤπτετο αὐτῶν, καὶ τὰ ὑποζύγια πάντα ἐφθαρτο, καὶ πολλοὶ τῶν ἀνθρώπων ἐξ ἀπορίας ἀπέθνησκον. οἱ στρατηγοὶ δέ, Αἰμίλιός τε καὶ Βροῦτος, ἐς μὲν πολὺ διεκαρτέρουν, ἡσσώμενοι δ' ὑπὸ τοῦ κακοῦ νυκτὸς ἄφνω περὶ ἐσχάτην φυλακὴν ἐκέλευον ἀναξευγνύναι· χιλίαρχοί τε καὶ λοχαγοὶ περιθεόντες ἐπέσπευδον ἅπαντας ἐς τοῦτο πρὸ ἔω. οἱ δὲ σὺν θορύβῳ τὰ τε ἄλλα πάντα καὶ τοὺς τραυματίας καὶ τοὺς νοσοῦντας ἀπέλιπον, συμπλεκομένους τε σφίσι καὶ δεομένους. καὶ αὐτοῖς ἀτάκτου καὶ θορυβώδους τῆς ἀναχωρήσεως γιγνομένης καὶ φυγῇ μάλιστα ὁμοίας, οἱ Παλλάντιοι πανταχόθεν ἐπικείμενοι πολλὰ ἐβλαπτον ἐξ ἡοῦς ἐπὶ ἑσπέραν. νυκτὸς δὲ ἐπιλαβούσης Ῥωμαῖοι μὲν ἐς τὰ πεδία ἑαυτοὺς ἐρρίπτουν ἀνὰ μέρος, ὥς τύχοιεν, ἄσιτοι τε καὶ κατάκοποι, οἱ δὲ Παλλάντιοι θεοῦ σφᾶς ἀποτρέποντος ἀνεχώρουν. καὶ τότε μὲν ἦν περὶ Αἰμίλιον.

[82] The siege of Pallantia was long protracted, the food supply of the Romans failed, and they began to suffer from hunger. All their animals perished and many of the men died of want. The generals, Æmilius and Brutus, kept heart for a long time. Being compelled to yield at last, they gave an order suddenly one night, about the last watch, to retreat. The tribunes and centurions ran hither and thither to hasten the movement, so as to get them all away before daylight. Such was the confusion that they left behind everything, and even the sick and wounded, who clung to them and besought

them not to abandon them. Their retreat was disorderly and confused and much like a flight, the Pallantines hanging on their flanks and rear and doing great damage from early dawn till evening. When night came the Romans, worn with toil and hunger, threw themselves on the ground by companies just as it happened, and the Pallantines, moved by some divine interposition, went back to their own country. And this was what happened to Æmilius.

[83] Ῥωμαῖοι δ' αὐτὰ πυθόμενοι τὸν μὲν Αἰμίλιον. παρέλυσαν τῆς στρατηγίας τε καὶ ὑπατείας, καὶ ἰδιώτης ἐς Ῥώμην ὑπέστρεφε, καὶ χρήμασιν ἐπέζημιούτο: Μαγκίνῳ δ' ἐδίκαζον καὶ τοῖς πρέσβεσι τοῖς Νομαντίνων. οἱ μὲν δὴ τὰς συνθήκας, ἃς ἐπεποίηντο πρὸς Μαγκῖνον, ἐπεδείκνυν: ὁ δὲ τὴν αἰτίαν αὐτῶν ἐς Πομπήιον ἀνέφερε τὸν πρὸ αὐτοῦ γενόμενον στρατηγόν, ὡς ἄργον καὶ ἄπορον τὸν στρατὸν ἐγχειρίσαντά οἱ, καὶ δι' αὐτὸ κάκεινον ἠσσημένον τε πολλάκις καὶ συνθήκας ὁμοίας αὐτῷ θέμενον πρὸς τοὺς Νομαντίνους: ὅθεν ἔφη καὶ τὸν πόλεμον τόνδε, παρὰ τὰς συνθήκας ἐκείνας ὑπὸ Ῥωμαίων ἐψηφισμένον, ἀπαίσιον αὐτοῖς γεγονέναι. οἱ δ' ἐχαλέπαινον μὲν ἀμφοτέροις ὁμοίως, ἀπέφυγε δ' ὅμως Πομπήιος ὡς περὶ τῶνδε κριθεὶς καὶ πάλαι. Μαγκῖνον δ' ἔγνωσαν ἐκδοῦναι τοῖς Νομαντίνους, ἄνευ σφῶν αἰσχυρὰς συνθήκας πεποιημένον, ᾧ λόγῳ καὶ Σαυνίταις οἱ πατέρες, ὅμοια χωρὶς αὐτῶν συνθεμένους, ἡγεμόνας εἴκοσιν ἐξεδεδώκεσαν. Μαγκῖνον μὲν δὴ Φούριος ἀγαγὼν ἐς Ἰβηρίαν γυμνὸν παρεδίδου τοῖς Νομαντίνους: οἱ δὲ οὐκ ἐδέξαντο. στρατηγὸς δὲ ἐπ' αὐτοὺς αἰρεθεὶς Καλπούρνιος Πίσων οὐδ' ἤλασεν ἐπὶ Νομαντίαν, ἀλλ' ἐς τὴν Παλλαντίων γῆν ἐσβαλὼν, καὶ μικρὰ δηώσας, ἐχείμαζεν ἐν Καρπητανίᾳ τὸ ἐπίλοιπον τῆς ἀρχῆς.

[83] When these things were known at Rome, Æmilius was deprived of his command and consulship, and when he returned to Rome as a private citizen he was fined besides. The dispute before the Senate between Mancinus and the Numantine ambassadors was still going on. The latter exhibited the treaty they had made with Mancinus; he, on the other hand, put the blame on Pompeius, his predecessor in the command, who had turned over to him a worthless and ill-provided army, with which Pompeius himself had often been beaten, and so had made a similar treaty with the Numantines. He added that the war had been under bad omens, for it had been decreed by the Romans in violation of these agreements. The senators were equally incensed against both, but Pompeius escaped because he had been tried for this offence long before. They decided to deliver Mancinus to the Numantines for making a disgraceful treaty without their authorization. In this they followed the example of the fathers, who once delivered to the Samnites twenty generals who had made similar treaties without authority. Mancinus was taken to Spain by Furius, and delivered naked to the Numantines, but they (Y.R. 619) refused to receive him. Calpurnius Piso was chosen general (B.C. 135) against them, but he did not march against Numantia. He made an incursion into the territory of Pallantia, and having collected a small amount of plunder, spent the rest of his term of office in winter quarters in Carpetania.

CHAPTER XIV

Scipio Africanus the Younger sent against the Numantines — He restores Discipline in the Army — Scipio's Maxims of War — Skirmishes with the Numantines

(Y.R. 620)

[84] ἐν δὲ Ῥώμῃ κάμνων ὁ δῆμος ἐπὶ τοῖς Νομαντίνοις, μακροῦ καὶ δυσχεροῦς τοῦ πολέμου σφίσι παρὰ προσδοκίαν γεγονότος, ἤρουντο Κορνήλιον Σκιπίωνα τὸν Καρχηδόνα ἐλόντα αὐθις ὑπατεύειν, ὥς μόνον ἐπικρατῆσαι τῶν Νομαντίνων δυνάμενον. ὁ δὲ καὶ τότε ἦν ἔτι νεώτερος τῆς νενομισμένης τοῖς ὑπατεύουσιν ἡλικίας: ἡ οὖν βουλὴ πάλιν, ὥσπερ ἐπὶ Καρχηδονίοις αὐτοῦ χειροτονουμένου Σκιπίωνος, ἐψηφίσατο τοὺς δημάρχους λῦσαι τὸν περὶ τῆς ἡλικίας νόμον, καὶ τοῦ ἐπιόντος ἔτους αὐθις θέσθαι. οὕτω μὲν ὁ Σκιπίων αὐθις ὑπατεύων ἐς Νομαντίαν ἠπείγετο, στρατιὰν δ' ἐκ καταλόγου μὲν οὐκ ἔλαβε πολλῶν τε πολέμων ὄντων καὶ πολλῶν ἀνδρῶν ἐν Ἰβηρίᾳ, ἐθελοντάς δέ τινας, ἕκ τε πόλεων καὶ βασιλέων ἐς χάριν ἰδίαν πεμφθέντας αὐτῷ, συγχωρούσης τῆς βουλῆς ἐπηγάγετο, καὶ πελάτας ἐκ Ῥώμης καὶ φίλους πεντακοσίους, οὓς ἐς Ἰλιν καταλέξας ἐκάλει φίλων Ἰλιν. πάντας δὲ ἐς τετρακισχιλίους γενομένους παραδοὺς ἄγειν ἀδελφιδῶ Βουτέωνι, σὺν ὀλίγοις αὐτὸς προεξώρμησεν ἐς Ἰβηρίαν ἐπὶ τὸ στρατόπεδον, πυνθανόμενος αὐτὸ γέμειν ἀργίας καὶ στάσεων καὶ τρυφῆς, εὖ εἰδὼς ὅτι μὴ κρατήσῃ πολεμίων πρὶν κατασχεῖν τῶν ἰδίων ἐγκρατῶς.

[84] The Roman people being tired of this Numantine (B.C. 134) war, which was protracted and severe beyond expectation, elected Cornelius Scipio, the conqueror of Carthage, consul again, believing that he was the only man who could subdue the Numantines. As he was still under the consular age the Senate voted, as was done when Scipio was appointed general against the Carthaginians, that the tribunes of the people should repeal the law respecting the age limit, and reënact it for the following year. Thus Scipio was made consul a second time and hastened to Numantia. He did not take any army by levy because the city was exhausted by so many wars, and because there were plenty of soldiers in Spain. With the Senate's consent he took a certain number of volunteers sent to him by cities and kings on the score of private friendship. To these were added 500 of his clients and friends whom he joined in one body and called it the troop of friends. All these, about 4000 in number, he put under marching orders in charge of Buteo, his nephew, while he went in advance with a small escort to the army in Spain, having heard that it was full of idleness, discord, and luxury, and well knowing that he could never overcome the enemy unless he should first bring his own men under strict discipline.

[85] ἐλθὼν δὲ ἐμπόρους τε πάντας ἐξήλαυνε καὶ ἑταίρας καὶ μάντις καὶ θύτας, οἷς διὰ τὰς δυσπραξίας οἱ στρατιῶται περιδεεῖς γεγονότες ἐχρῶντο συνεχῶς: ἔς τε τὸ μέλλον ἀπεῖπε μηδὲν ἐσφέρεσθαι τῶν περισσῶν, μηδὲ ἱερεῖον ἐς μαντείαν πεποιημένον. ἐκέλευσε δὲ καὶ τὰς ἀμάξας καὶ τὰ περισσὰ τῶν ἐς αὐτὰς τιθεμένων καὶ τὰ ὑποζύγια, χωρὶς ὧν αὐτὸς ὑπελείπετο, πραθῆναι. καὶ σκευὸς οὐκ ἐξῆν ἐς δαίταν ἔχειν οὐδενὶ πλὴν ὀβελοῦ καὶ χύτρας χαλκῆς καὶ ἐκπώματός ἐνός. τὰ τε σιτία αὐτοῖς ὥριστο κρέα ζεστὰ καὶ ὀπτὰ εἶναι. κλίνας τε ἀπεῖπεν ἔχειν, καὶ πρῶτος ἐπὶ στιβάδων ἀνεπαύετο. ἀπεῖπε δὲ καὶ ὁδεύοντας ἡμίονους ἐπικαθέζεσθαι: τί γὰρ ἐν πολέμῳ προσδοκᾷ ἔφη παρ' ἀνδρὸς οὐδὲ βαδίζειν δυναμένου; κἂν τοῖς ἀλείμμασι καὶ λουτροῖς ἑαυτοὺς ἡλειφον, ἐπισκώπτοντος τοῦ Σκιπίωνος ὥς αἱ ἡμίονοι χεῖρας οὐκ ἔχουσαι χρῆζουσιν τριβόντων. οὕτω μὲν αὐτοὺς ἐς σωφροσύνην μετέβαλλεν ἀθρόως, εἵθιζε δὲ καὶ ἐς αἰδῶ καὶ φόβον, δυσπρόσιτος ὢν καὶ δυσχερὴς ἐς τὰς χάριτας, καὶ μάλιστα τὰς παρανόμους. ἔλεγέ τε πολλάκις τοὺς μὲν αὐστηροὺς καὶ ἐννόμους τῶν στρατηγῶν τοῖς οἰκείοις, τοὺς δὲ εὐχερεῖς καὶ φιλοδώρους τοῖς πολεμίοις εἶναι χρησίμους: τὰ γὰρ στρατόπεδα τοῖς μὲν εἶναι κεχαρισμένα τε καὶ καταφρονητικά, τοῖς δὲ σκυθρωπὰ μὲν εὐπειθῇ δὲ καὶ πᾶσιν ἔτοιμα.

[85] When he arrived he expelled all traders and harlots; also the soothsayers and diviners, whom the soldiers were continually consulting because they were demoralized by defeat. For the future he forbade the bringing in of anything not necessary, or any victims for purposes of divination. He ordered all wagons and their superfluous contents to be sold, and all pack animals, except such as he designated, to remain. For cooking utensils it was permitted to have only a spit, a brass kettle, and one cup. Their food was limited to plain boiled and roasted meats. They were forbidden to have beds, and Scipio was the first one to sleep on straw. He forbade them to ride on mules when on the march; "for what can you expect in a war," said he, "from a man who is not able to walk?" Those who had servants to bathe and anoint them were ridiculed by Scipio, who said that only mules, having no hands, needed others to rub them. Thus in a short time he brought them back to good order. He accustomed them also to respect and fear himself by being difficult of access and sparing of favors, especially favors contrary to regulations. He often said that those generals who were severe and strict in the observance of law were serviceable to their own men, while those who were easy-going and bountiful were useful only to the enemy. The soldiers of the latter, he said, might be joyous but insubordinate, while the others, although downcast, would be obedient and ready for all emergencies.

[86] οὐ μὴν οὐδ' ὥς ἐτόλμα πολεμεῖν πρὶν αὐτοὺς γυμνάσαι πόνοις πολλοῖς. τὰ οὖν ἀγχοτάτω πεδία πάντα περιῶν, ἐκάστης ἡμέρας, ἄλλο μετ' ἄλλο στρατόπεδον ἡγειρέ τε καὶ καθήρει, καὶ τάφρους ὠρυσσε βαθυτάτας καὶ ἐνεπίμπλη, τεῖχη τε μεγάλα ὀκοδόμει καὶ κατέφερεν, αὐτὸς ἐξ ἡοῦς ἐς ἐσπέραν ἅπαντα ἐφορῶν. τὰς δὲ ὁδοιπορίας, ἵνα μή τις ὥς πάλαι διασκιδνῶτο, ἦγεν ἐν πλινθίοις ἀεί, καὶ τὴν δεδομένην ἐκάστῳ τάξιν οὐκ ἦν ἐναλλάξαι.

περιῶν τε τὴν ὁδοιορίαν, καὶ τὰ πολλὰ σὺραγῶν, τοὺς μὲν ἀρρωστοῦντας ἐπὶ τοὺς ἵππους ἀνεβίβαζεν ἀντὶ τῶν ἱπέων, τὰ δὲ βαροῦντα τὰς ἡμιόνους ἐς τοὺς πεζοὺς διεμέριζεν. εἰ δὲ σταθμεῖοι, τοὺς μὲν προφύλακας τῆς ἡμέρας ἐκ τῆς ὁδοιορίας ἔδει περὶ τὸν χάρακα ἵστασθαι, καὶ ἱπέων ἐτέραν ἵλην περιτρέχειν· οἱ δ' ἄλλοι τὰ ἔργα διήρηντο, καὶ τοῖς μὲν ταφρεύειν ἐτέτακτο, τοῖς δὲ τειχίζειν, τοῖς δὲ σκηνοποιεῖν, χρόνου τε μῆκος ὠρίζετο αὐτοῖς καὶ διεμετρεῖτο.

[86] He did not venture to engage the enemy until he had trained his men by many laborious exercises. He traversed all the neighboring plains, and daily fortified new camps one after another, and then demolished them, dug deep trenches and filled them up again, constructed high walls and overthrew them, personally overlooking the work from morning till night. In order to prevent the men from straggling while on the march, as heretofore, he always moved in the form of squares, and no one was allowed to change the place assigned to him. Moving around the line of march he often visited the rear and caused horsemen to dismount and give their places to the sick, and when the mules were overburdened he made the foot soldiers carry a part of the load. When he had come to the end of the day's march he required those who had formed the vanguard during the day to deploy around the camping-place, and a body of horse to scour the country, while the rest performed their allotted tasks, some digging the trench, others building the rampart, and others pitching the tents. He also fixed the time within which these tasks must be finished, and kept an accurate account thereof.

[87] ὅτε δ' εἶκασεν ὁζὺ καὶ εὐπειθὲς αὐτῷ καὶ φερέπονον γεγονέναι τὸ στράτευμα, μετέβαινεν ἀγχοῦ τῶν Νομαντίνων. προφυλακὰς δέ, ὥσπερ τινές, ἐπὶ φρουρίων οὐκ ἐποιεῖτο· οὐδὲ διήρει ποι τὸν στρατὸν ὅλως, τοῦ μὴ τινὸς ἐν ἀρχῇ γενομένου πταίσματος εὐκαταφρόνητον τοῖς πολεμίοις αὐτὸν γενέσθαι, καὶ τέως καταφρονοῦσιν. οὐδ' ἐπεχείρει τοῖς ἐχθροῖς, ἔτι περισκοπῶν αὐτόν τε τὸν πόλεμον καὶ τὸν καιρὸν αὐτοῦ καὶ τὴν τῶν Νομαντίνων ὁρμήν, ἐς ὃ τι τρέψοιντο. τὰ δὲ ὀπίσω τοῦ στρατοπέδου πάντα ἐχορτολόγει, καὶ τὸν σῖτον ἔκειρεν ἔτι χλωρόν. ὥς δ' αὐτῷ ταῦτα ἐξετεθέριστο καὶ ἐς τὸ πρόσθεν ἔδει βαδίζειν, ὁδὸς μὲν ἦν παρὰ τὴν Νομαντίαν ἐπὶ τὰ πεδία σύντομος, καὶ πολλοὶ συνεβούλευον ἐς αὐτὴν τραπέσθαι. ὁ δ' ἔφη τὴν ἐπάνοδον δεδιέναι, κούφων μὲν τότε τῶν πολεμίων ὄντων, καὶ ἐκ πόλεως ὀρμωμένων καὶ ἐς πόλιν ἀφορμώντων· 'οἱ δ' ἡμέτεροι βαρεῖς ἐπανίασιν ὥς ἀπὸ σιτολογίας καὶ κατάκοποι, καὶ κτήνη καὶ ἀμάξας καὶ φορτία ἄγουσιν. δυσχερὴς τε ὅλως καὶ ἀνόμιος ὁ ἀγών· ἡσσωμένοις μὲν γὰρ πολὺς ὁ κίνδυνος, νικῶσι δὲ οὐ μέγα τὸ ἔργον, οὐδ' ἐπικερδές.' εἶναι δ' ἄλογον κινδυνεύειν ἐπὶ ὀλίγοις, καὶ στρατηγὸν ἀμελεῖν τὸν ἀγωνιζόμενον πρὸ τῆς χρείας, ἀγαθὸν δὲ τὸν ἐν μόναις παρακινδυνεύοντα ταῖς ἀνάγκαις. συγκρίνων δ' ἔφη καὶ τοὺς ἰατροὺς μὴ χρῆσθαι τομαῖς μηδὲ καύσεσι πρὸ φαρμάκων. ταῦτ' εἰπὼν ἐκέλευε τοῖς ἡγεμόσι τὴν μακροτέραν περιάγειν. καὶ συνεξῆλθαι τότε μὲν ἐς τὸ πέραν τοῦ στρατοπέδου, ὕστερον δὲ ἐς τὰ Οὐακκαίων, ὅθεν οἱ Νομαντῖνοι τὰς τροφάς

ἐνοῦντο, κείρων ἅπαντα, καὶ τὰ χρήσιμα ἐς τὰς ἑαυτοῦ τροφὰς συλλέγων, τὰ δὲ περιττὰ σωρεύον τε καὶ κατακαίων.

[87] When he judged that the army was alert, obedient to himself, and patient in labor, he moved his camp near to Numantia. He did not place advance guards in fortified stations, as some do, because he did not wish to divide his army as yet, lest he should meet some disaster at the outset and gain the contempt of the enemy, who had so long despised the Romans. Nor did he proceed at once to attack the enemy because he was still studying the nature of this war, watching his opportunity, and trying to discover the plans of the Numantines. In the meantime he foraged through all the fields behind his camp and cut down the unripe grain. When those fields had been harvested and it was necessary to move forward, and a short road to Numantia was found across the country which many advised him to take, he said: "What I am afraid of is the coming back. Our enemies are very nimble. They can dart out of the city and dart back again, while our men, like soldiers who return from foraging, will be tired out with the booty, the wagons, and the burdens they bring. For this reason the fighting will be severe and unequal. If we are beaten the danger will be serious, and if victorious, neither the glory nor the gain will be great. It is foolish to incur danger for small results. He must be considered a reckless general who would fight before there is any need, while a good one takes risks only in cases of necessity." He added by way of simile that physicians do not cut and burn their patients till they have first tried drugs. Having spoken thus, he ordered his officers to take the longer road. Then he made some excursions beyond the camp and later advanced into the territory of the Vaccæi, from whom the Numantines bought their food supplies, cutting down everything, taking for himself what was useful as food, and piling the rest in heaps and burning it.

[88] ἐν δέ τινι πεδίῳ τῆς Παλλαντίας, ὄνομα Κοπλανίῳ, πολλοὺς ἐπὶ τῶν ὁρῶν ὑπὸ λόφοις ἔκρυψαν οἱ Παλλάντιοι, καὶ ἑτέροις ἐς τὸ φανερόν τοὺς σιτολογοῦντας ἠνώχλουν. ὁ δὲ Ρουτίλιον Ροῦφον, συγγραφέα τῶνδε τῶν ἔργων, τότε χιλιαρχοῦντα, ἐκέλευσε τέσσαρας ἱππέων ἱλας λαβόντα ἀναστεῖλαι τοὺς ἐνοχλοῦντας. Ροῦφος μὲν οὖν ὑποχωροῦσιν αὐτοῖς ἀμέτρως εἶπετο, καὶ φεύγουσιν ἐς τὸν λόφον συνανεπήδα, ἔνθα τῆς ἐνέδρας ἐκφανείσης ἐκέλευε τοὺς ἱππείας μῆτε διώκειν μῆτε ἐπιχειρεῖν ἔτι, ἀλλ' ἐν προβολῇ τὰ δόρατα θεμένους ἐστάναι καὶ ἐπιόντας ἀμύνεσθαι μόνον. ὁ δὲ Σκιπίων εὐθὺ ἀνατρέχοντος αὐτοῦ παρὰ τὸ πρόσταγμα δείσας εἶπετο κατὰ σπουδήν, καὶ ὥς ἤρρε τὴν ἐνέδραν, ἐς δύο διεῖλε τοὺς ἱππείας, καὶ προσέταξεν αὐτῶν ἑκατέροις παρὰ μέρος ἐμπηδᾶν τοῖς πολεμίοις, καὶ ἀκοντίσαντας ὁμοῦ πάντας εὐθὺς ἀναχωρεῖν, οὐκ ἐς τὸν αὐτὸν τόπον, ἀλλ' αἰεὶ κατ' ὀλίγον προστιθέντας ὀπίσω καὶ ὑποχωροῦντας. οὕτω μὲν τοὺς ἱππείας ἐς τὸ πεδίον περιέσωσεν: ἀναζευγνύοντι δ' αὐτῷ καὶ ἀναχωροῦντι ποταμὸς ἦν ἐν μέσῳ δύσπορος τε καὶ ἰλυώδης, καὶ παρ' αὐτὸν ἐνήδρευον οἱ πολέμιοι. ὁ δὲ μαθὼν ἐξέκλινε τῆς ὁδοῦ, καὶ μακροτέραν ἤγε καὶ δυσενέδρευτον, νυκτός τε ὁδεύων

διὰ τὸ δίψος καὶ φρέατα ὀρύσσων, ὧν τὰ πλεονα πικρὰ ἠϋρίσκετο. τοὺς μὲν οὖν ἄνδρας ἐπιμόχθως περιέσωσεν, ἵπποι δέ τινες αὐτοῦ καὶ ὑποζύγια ὑπὸ τῆς δίψης ἀπώλοντο.

[88] In a part of Pallantia called Complanio the Pallantians had concealed a large force just below the brow of a hill while others openly annoyed the Roman foragers. Scipio ordered Rutilius Rufus, a military tribune (who afterwards wrote a history of these transactions), to take four troops of horse and drive back the assailants. Rufus followed them too sharply when they retreated, and darted up the hill with the fugitives. When he discovered the ambush he ordered his troops not to pursue or attack the enemy further, but to stand on the defensive with their spears presented to the enemy and merely ward off their attack. Straightway Scipio, seeing that Rufus had exceeded his orders, and fearing for his safety, followed with all haste. When he discovered the ambush he divided his horse into two bodies and ordered them to charge the enemy on either side alternately, hurling their javelins all together and then retiring, not to the same spot from which they had advanced, but a little further back each time. In this way the horsemen were brought in safety to the plain. As he was shifting quarters and retiring again, he had to cross a river which was difficult to ford by reason of its muddy banks, and here the enemy had laid an ambush for him. Having learned this fact, he turned aside and took a route that was longer, and where there was no water supply. Here he marched by night on account of the heat and thirst, and dug wells which yielded for the most part only bitter water. He saved his men with extreme difficulty, but some of his horses and pack animals perished of thirst.

[89] καὶ Καυκαίους δὲ παροδεύων, ἐς οὓς παρεσπόνδησε Λεύκολλος, ἐκήρυξε Καυκαίους ἐπὶ τὰ ἑαυτῶν ἀκινδύνως κατέρχεσθαι. καὶ παρῆλθεν ἐς τὴν Νομαντίνην χειμάσων, ἔνθα αὐτῷ καὶ Ἰογόρθας ἐκ Λιβύης ἀφίκετο, ὁ Μασσανάσσου υἱόνος, ἄγων ἐλέφαντας δυοκαίδεκα καὶ τοὺς συντασσομένους αὐτοῖς τοξότας τε καὶ σφενδονήτας. αἰεὶ δέ τι δηῶν, καὶ τὰ περικείμενα πορθῶν, ἔλαθε περὶ κόμην ἐνεδρευθεῖς, ἣν ἐκ τοῦ πλεονος τέλμα πηλοῦ περιεῖχεν, ἐπὶ δὲ θάτερα φάραγξ ἦν, καὶ ἀφανὴς ἐν ἐκείνῃ λόχος ὑπεκρύπτετο. τῆς οὖν στρατιᾶς τῷ Σκιπίωνι διηρημένης, οἱ μὲν τὴν κόμην ἐπόρθουν ἐσελθόντες, τὰ σημεῖα ἔξω καταλιπόντες, οἱ δὲ περιίππευον οὐ πολλοί. τοῦτοις οὖν ἐμπίπτουσιν οἱ λοχῶντες, καὶ οἱ μὲν αὐτοὺς ἀπεμάχοντο, ὁ δὲ Σκιπίων ἔτυχε γὰρ πρὸ τῆς κόμης παρὰ τὰ σημεῖα ἐστῶς ἀνεκάλει τῇ σάλπιγγι τοὺς ἔνδον, καὶ πρὶν αὐτῷ γενέσθαι χιλίους, τοῖς ἵππευσιν ἐνοχλουμένοις ἐπεβοήθει. τοῦ δὲ στρατοῦ τοῦ πλεονος ἐκ τῆς κόμης ἐκδραμόντος, ἐτρέψατο μὲν ἐς φυγὴν τοὺς πολεμίους, οὐ μὴν ἐδίωκε φεύγοντας, ἀλλ' ἐς τὸν χάρακα ἀνεχώρει πεσόντων ἐκατέρωθεν ὀλίγων.

[89] While passing through the territory of the Caucæi, whose treaty with the Romans Lucullus had violated, he made proclamation that they might return in safety to their own homes. Thence he came again to the Numantine

territory and went into winter quarters. Here Jugurtha, the grandson of Masinissa, joined him with twelve elephants and the body of archers and slingers who usually accompanied them in war. While Scipio was constantly ravaging and plundering the neighboring country, the enemy laid an ambush for him at a certain village which was surrounded on nearly all sides by a marshy pool. On the remaining side was a ravine in which the ambuscading party was hidden. Scipio's soldiers were divided so that one part entered the village to plunder it, leaving the standards outside, while another, but not large party, was coursing around it on horseback. The men in ambush fell upon the latter, who began a desperate fight. Scipio, who happened to be standing in front of the village near the standards, recalled by trumpet those who had gone inside, and before he had collected a thousand men went to the aid of the horsemen who were in difficulties. The greater part of those who were in the village rushed out and put the enemy to flight. He did not pursue the fugitives, however, but returned to the camp, a few having fallen on each side.

Builds a Wall around the City — Stops Communication by the River Numantia Closely Invested — The Exploit of Rhetogenes — Negotiations with Scipio — Numantia surrenders — Heroism of the Numantines — Scipio razes Numantia to the Ground

(Y.R. 612)

[90] μετ' οὐ πολὺ δὲ ἀγχοτάτω τῆς Νομαντίας δύο στρατόπεδα θέμενος, τῷ μὲν ἐπέστησε τὸν ἀδελφὸν Μάξιμον, τοῦ δὲ αὐτὸς ἡγεῖτο. Νομαντίνων δὲ θαμινὰ ἐκτασσόντων καὶ προκαλουμένων αὐτὸν ἐς μάχην ὑπερεώρα, οὐ δοκιμάζων ἀνδράσιν ἐξ ἀπογνώσεως μαχομένοις συμπλέκεσθαι μᾶλλον ἢ συγκλείσας αὐτοὺς ἐλεῖν λιμῶ. φρούρια δ' ἐπτὰ περιθείς, πολιορκίαν ... ἐπιγράψας ἐκάστοις οὕς ἔδει πέμπειν. ὥς δὲ ἦλθον, ἐς μέρη πολλὰ διεῖλεν αὐτούς, καὶ τὴν ἑαυτοῦ στρατιὰν ἐπιδιέειλεν: εἴθ' ἡγεμόνας ἐπιστήσας ἐκάστω μέρει προσέταξε περιταφρεύειν καὶ περιχαρακοῦν τὴν πόλιν. ἦν δὲ ἡ περίοδος ἡ μὲν αὐτῆς Νομαντίας τέσσαρες καὶ εἴκοσι στάδιοι, ἡ δὲ τοῦ χαρακώματος ὑπὲρ τὸ διπλάσιον. καὶ τοῦτο διήρητο πᾶν οἱ κατὰ μέρος ἕκαστον. καὶ προεῖρητο, εἴ τι ἐνοχλοῖεν οἱ πολέμιοι, σημεῖον ἐξαίρειν, ἡμέρας μὲν φοινικίδα ἐπὶ δόρατος ἰψηλοῦ, νυκτὸς δὲ πῦρ, ἵνα τοῖς δεομένοις ἐπιθέοντες αὐτὸς τε καὶ Μάξιμος ἀμύνοιεν. ὥς δ' ἐξείργαστο πάντα αὐτῶ, καὶ τοὺς κωλύοντας εἶχεν ἱκανῶς ἀπομάχεσθαι, ἑτέραν τάφρον ὥρυσσεν οὐ μακρὰν ὑπὲρ ἐκείνην, καὶ σταυροὺς αὐτῇ περιεπήγνυ, καὶ τεῖχος ὥκοδόμει, οὗ τὸ μὲν πάχος ἦν πόδες ὀκτώ, τὸ δὲ ὕψος δέκα χωρὶς τῶν ἐπάλλξεων. πύργοι τε πανταχόθεν αὐτῶ διὰ πλέθρου περιέκειντο. καὶ λίμνην συνάπτουσαν οὐκ ἐνὸν περιτειχίσαι, χῶμα αὐτῇ περιέθηκεν ἴσον τῷ τείχει καὶ τὸ βάθος καὶ τὸ ὕψος, ὥς ἂν εἴη καὶ τότε ἀντὶ τείχους.

[90] Not long afterwards he established two camps very near to Numantia and placed his brother Maximus in charge of one while he commanded the other. The Numantines came out in large numbers and offered battle, but he disregarded their challenge, not thinking it wise to engage in battle with men who were fighting in sheer desperation, but rather to shut them up and reduce them by famine. Placing seven towers around the city, he began the siege and wrote letters to each of the allied tribes, telling them what forces he desired them to send. When they came he divided them into several parts and afterwards subdivided his own army. Then he appointed a commander for each division and ordered them to surround the city with a ditch and palisade. The circumference of Numantia itself was twenty-four stades, that of the enclosing works more than twice as great. All of this space was carefully allotted to the several divisions, and he had given orders that if the enemy should make a sally anywhere they should signal to him by raising a red flag on a tall spear in the daytime or by a fire at night, so that he or Maximus

might hasten to the aid of those who needed it. When this work was completed and he could effectually repel any assaults, he dug another ditch not far behind this one and fortified it with palisades and built a wall eight feet wide and ten feet high, exclusive of the parapets. He built towers along the whole (Y.R. 621) of this wall at intervals of 100 feet. As it was not possible (B.C. 133) to carry the wall around the adjoining marsh he threw an embankment around it of the same height and thickness as the wall, to serve in place of it.

[91] οὕτω μὲν ὁ Σκιπίων ὅδε πρῶτος, ὥς ἐμοὶ δοκεῖ, περιτείχισε πόλιν οὐ φυγομαχοῦσαν: τὸν τε Δόριον ποταμόν, συμφερόμενον τῷ περιτειχίσματι καὶ πολλὰ τοῖς Νομαντίνοις χρήσιμον ἔς τε ἀγορᾶς κομιδὴν καὶ διαπομπὴν ἀνδρῶν, ὅσοι κατ' αὐτὸν κολυμβηταί τε καὶ σκάφεσι μικροῖς ἐλάνθανον, ἢ ἰστίοις, ὅτε λάβρον εἶη τὸ πνεῦμα, ἐβιάζοντο, ἢ κώπαις κατὰ τὸ ρεῦμα, ζευξαι μὲν οὐκ ἐδύνατο πλατὺν ὄντα καὶ πάννυ ροώδη, φρούρια δὲ ἀντὶ γεφύρας αὐτῷ δύο περιθεὶς ἀπήρτησε καλῶδίοις δοκοὺς μακρὰς ἐξ ἑκατέρου φρουρίου, καὶ ἐς τὸ πλάτος τοῦ ποταμοῦ μεθῆκεν, ἐχούσας ἐμπεπηγότα πυκνὰ ξίφη τε καὶ ἀκόντια. αἱ δ' ὑπὸ τοῦ ροῦ, τοῖς ξίφεσι καὶ τοῖς ἀκόντιοις ἐμπίπτοντος, ἀεὶ περιστρεφόμεναι οὔτε διανηχομένους οὔτ' ἐπιπλέοντας οὔτε ὑποδύνοντας εἶων λαθεῖν. τοῦτο δ' ἦν οὐ μάλιστα ὁ Σκιπίων ἐπεθύμει, μηδενὸς αὐτοῖς ἐπιμυγνύμενου μηδ' ἐσιόντος ἀγνοεῖν αὐτοὺς ὃ τι γίγνεται ἔξω: οὕτω γὰρ ἀπορήσειν ἀγορᾶς τε καὶ μηχανῆς πάσης.

[91] Thus Scipio was the first general, as I think, to throw a wall around a city which did not shun a battle in the open field. However, the river Durus, which took its course through the fortifications, was very useful to the Numantines for bringing provisions and sending men back and forth, some diving and others concealing themselves in small boats, some making their way with sail-boats when a strong wind was blowing, or with oars aided by the current. As he was not able to span it on account of its breadth and swiftness, Scipio built two towers in place of a bridge. To each of these towers he moored large timbers with ropes and set them floating across the river. The timbers were stuck full of knives and spear-heads, which were kept constantly in motion by the force of the stream dashing against them, so that the enemy were prevented from passing covertly, either by swimming, or diving, or sailing in boats. Thus was accomplished what Scipio especially desired, namely, that nobody could have any dealings with them, nobody could come in, and they could have no knowledge of what was going on outside. Thus they would be in want of provisions and apparatus of every kind.

[92] ὥς δ' ἡτοίμαστο πάντα, καὶ καταπέλται μὲν ἐπέκειντο τοῖς πύργοις ὀξυβελεῖς τε καὶ λιθοβόλοι, ταῖς δ' ἐπάλξεσι παρέκειντο λίθοι καὶ βέλη καὶ ἀκόντια, τὰ δὲ φρούρια τοξόται καὶ σφενδονῆται κατεῖχον, ἀγγέλους μὲν ἐπέστησε πυκνοὺς κατὰ τὸ ἐπιτειχίσμα πᾶν, οἱ νυκτός τε καὶ ἡμέρας ἔμελλον ἄλλοι παρ' ἄλλων τὸν λόγον ἐκδεχόμενοι μηνύειν αὐτῷ τὰ γινόμενα, κατὰ

δὲ πύργον ἐκέλευσεν, εἴ τι γίγνοιτο, σημεῖον ἐκ πρώτου τοῦ πονοῦντος αἵρεσθαι, καὶ τὸ αὐτὸ πάντας ἐπαίρειν ὅταν τὸν ἀρξάμενον θεάσωνται, ἵνα τὸ μὲν κίνημα παρὰ τοῦ σημείου θᾶσσον ἐπιγινώσκοι, τὸ δὲ ἀκριβὲς παρὰ τῶν ἀγγέλων. τῆς δὲ στρατιᾶς οὔσης σὺν τοῖς ἐπιχωρίοις ἐς ἐξακισμυρίους, τὸ μὲν ἥμισυ διετέτακτο αὐτῷ τειχοφυλακεῖν, καὶ ἐς τὰ ἀναγκαῖα, εἴ πη δεήσειε, μεταχωρεῖν, δισμύριοι δὲ τειχομαχήσειν ἔμελλον, ὅτε χρεῖα γένοιτο, καὶ τούτοις ἐφεδρεύειν ἕτεροι μύριοι. χωρίον δὲ καὶ τούτων ἐκάστοις διετέτακτο: καὶ μεταπηδᾶν, εἰ μὴ κελεύσειεν, οὐκ ἐξῆν. ἐς δὲ τὸ τεταγμένον εὐθὺς ἀνεπήδων, ὅτε τι σημεῖον ἐπιχειρήσεως ἐπαρθεῖη.

οὕτω μὲν τῷ Σκιπίωνι πάντα ἀκριβῶς διετέτακτο:

[92] When everything was ready and the catapults, ballistæ, and other engines were placed on the towers, the stones, darts, and javelins collected on the parapets, and the archers and slingers in their places, he stationed messengers at frequent intervals along the entire wall to pass the word from one to another by day or night to let him know what was taking place. He gave orders to each tower that in any emergency the one that was first attacked should hoist a signal and that the others when they saw it should do the same, in order that he might be advised of the commotion quickly by signal, and learn the particulars afterward by messengers. The army, together with the native forces, now numbering some 60,000 men, he arranged so that one-half should guard the wall and in case of necessity go to any place where they should be wanted, 20,000 were to fight from the top of the wall when necessary, and the remaining 10,000 were kept in reserve. Each division had its place assigned, and it was not permitted to any to change without orders. Each man was to spring to the place assigned to him when any signal of an attack was given. So carefully was everything arranged by Scipio.

[93] οἱ δὲ Νομαντῖνοι πολλάκις μὲν τοῖς φυλάσσουσιν ἐπεχείρουν, ἄλλοτε ἄλλη κατὰ μέρη, ταχεῖα δ' αὐτίκα καὶ καταπληκτικὴ τῶν ἀμυνομένων ἢ ὄψις ἦν, σημείων τε ὑψηλῶν πανταχόθεν αἰρομένων καὶ ἀγγέλων διαθεόντων, καὶ τῶν τειχομάχων ἀθρόως ἀναπηδόντων ἐς τὰ τείχη, σαλπικτῶν τε κατὰ πάντα πύργον ἐξοτρυνόντων, ὥστε τὸν κύκλον ὅλον εὐθὺς ἅπασιν εἶναι φοβερώτατον, ἐς πεντήκοντα σταδίους ἐπέχοντα ἐν περιόδῳ. καὶ τόνδε τὸν κύκλον ὁ Σκιπίων ἐκάστης ἡμέρας τε καὶ νυκτὸς ἐπισκοπῶν περιήει.

ὁ μὲν δὴ τοὺς πολεμίους ὧδε συγκλείσας οὐκ ἐς πολὺ ἀρκέσειν ἐνόμιζεν, οὔτε τροφῆς ἔτι προσιούσης σφίσιν οὔτε ὅπλων οὔτ' ἐπικουρίας:

[93] The Numantines made several attacks here and there upon those guarding the walls. Swift and terrible was the appearance of the defenders, the signals being everywhere hoisted, the messengers running, the defenders of the walls springing to their places in crowds, and the trumpets sounding on every tower, so that the whole circuit of fifty stades presented to all beholders a most formidable aspect. This circuit Scipio traversed each day and night for the

purpose of inspection. He was convinced that the enemy thus enclosed, and unable to obtain food, arms, or succor from without, could not hold out very long.

[94] Ῥητογένης δέ, ἀνὴρ Νομαντῖνος, ὃ Καραύνιος ἐπὶ κλησὶς ἦν, ἄριστος ἐς ἀρετὴν Νομαντῖνων, πέντε πείσας φίλους, σὺν παισὶν ἄλλοις τοσοῖσδε καὶ ἵπποις τοσοῖσδε ἐν νυκτὶ συννεφεῖ διήλθε λαθὼν τὸ μεταίχμιον, κλίμακα φέρων πτυκτὴν, καὶ φθάσας ἐς τὸ περιτείχισμα ἀνεπήδησεν αὐτός τε καὶ οἱ φίλοι, καὶ τοὺς ἐκατέρωθεν φύλακας ἀνελόντες τοὺς μὲν θεράποντας ἀπέπεμψαν ὀπίσω, τοὺς δ' ἵππους διὰ τῆς κλίμακος ἀναγαγόντες ἐξίππευσαν ἐς τὰς Ἀρουακῶν πόλεις σὺν ἱκετηρίαις, δεόμενοι Νομαντῖνοις συγγενέσιν οὗσιν ἐπικουρεῖν. τῶν δ' Ἀρουακῶν οἱ μὲν οὐδ' ὑπήκουον αὐτῶν, ἀλλ' εὐθὺς ἀπέπεμπον δεδιότες. Λουτία δὲ πόλις ἦν εὐδαίμων, τριακοσίους σταδίους ἀφεστῶσα ἀπὸ Νομαντῖνων, ἧς οἱ μὲν νέοι περὶ τοὺς Νομαντῖνους ἐσπουδάκεσαν καὶ τὴν πόλιν ἐς συμμαχίαν ἐνήγον, οἱ πρεσβύτεροι δ' ἐμήνυσαν κρύφα τῷ Σκιπίωνι. καὶ ὁ Σκιπίων ὀγδόης ὥρας πυθόμενος ἐξήλανεν αὐτίκα σὺν εὐζώνοις ὅτι πλείστοις, καὶ ἅμα ἔφ' τὴν Λουτίαν φρουρᾷ περιλαβὼν ἤτει τοὺς ἐξάρχους τῶν νέων. ἐπεὶ δ' ἐξωρμηκέναι τῆς πόλεως αὐτοὺς ἔλεγον, ἐκήρυξε διαρπάσειν τὴν πόλιν, εἰ μὴ τοὺς ἄνδρας παραλάβοι. οἱ μὲν δὴ δείσαντες προσῆγον αὐτοῦς, ἐς τετρακοσίους γενομένους· ὁ δὲ τὰς χεῖρας αὐτῶν ἐκτεμὼν ἀνέστησε τὴν φρουράν, καὶ διαδραμὼν αὐθις ἅμ' ἔφ' τῆς ἐπιούσης παρῆν ἐς τὸ στρατόπεδον.

[94] In the meantime Rhetogenes, a Numantine, surnamed Carauinius, a man of the greatest valor, induced five of his friends to take an equal number of servants and horses, and cross the space between the two armies secretly, on a cloudy night, carrying a bridge made in sections. Arriving at the wall he and his friends sprang upon it, slew the guards on either side, sent back the servants, drew the horses up the bridge, and rode off to the towns of the Arevaci, bearing olive-branches and entreating them, as blood relations, to help the Numantines. The chiefs of the Arevaci, fearing the Romans, would not even listen to them, but sent them away immediately. There was a rich town named Lutia, distant 300 stades from Numantia, whose young men sympathized with the Numantines and urged their city to send them aid. The older citizens secretly communicated this fact to Scipio. Receiving this intelligence about the eighth hour, he marched thither at once with a numerous and well-equipped force. Surrounding the place about daylight, he demanded that the leaders of the young men should be delivered up to him. When the citizens replied that they had fled from the place, he sent a herald to tell them that if these men were not surrendered to him he would sack the city. Being terrified by this threat, they delivered them up, to the number of about 400. Scipio cut off their hands, withdrew his force, rode away, and was back in his own camp the next morning.

[95] Νομαντῖνοι δὲ κάμνοντες ὑπὸ λιμοῦ πέντε ἄνδρας ἔπεμπον ἐς τὸν

Σκιπίωνα, οἷς εἶρητο μαθεῖν εἰ μετριοπαθῶς σφίσι χρήσεται παραδοῦσιν αὐτοὺς. Αὐαρος δ' αὐτῶν ἡγούμενος πολλὰ μὲν περὶ τῆς προαιρέσεως καὶ ἀνδρείας τῶν Νομαντίνων ἐσεμνολόγησε, καὶ ἐπεῖπεν ὡς οὐδὲ νῦν ἀμάρτοιεν, ὑπὲρ παίδων καὶ γυναικῶν καὶ ἐλευθερίας πατρίου κακοπαθοῦντες ἐς τοσόνδε κακοῦ. 'διὸ καὶ μάλιστα,' εἶπεν, 'ὦ Σκιπίων, ἄξιόν ἐστι σέ, τοσῆσδε ἀρετῆς γέμοντα, φείσασθαι γένους εὐψύχου τε καὶ ἀνδρικοῦ, καὶ προτεῖναι τὰ φιланθρωπότερα τῶν κακῶν ἡμῖν, ἃ καὶ δυνησόμεθα ἐνεγκεῖν, ἄρτι πειρώμενοι μεταβολῆς. ὥς οὐκ ἐφ' ἡμῖν ἔτι ἐστίν, ἀλλ' ἐπὶ σοί, τὴν πόλιν ἢ παραλαβεῖν, εἰ τὰ μέτρια κελεύεις, ἢ μαχομένην ὑπεριδεῖν ἀπολέσθαι.' ὁ μὲν Αὐαρος ὧδε εἶπεν, ὁ δὲ Σκιπίων ἥσθετο γὰρ παρὰ τῶν αἰχμαλώτων τὰ ἔνδον ἔφη δεῖν αὐτοὺς ἐγγχειρίσαι τὰ κατὰ σφᾶς καὶ σὺν ὅπλοις παραδοῦναι τὴν πόλιν. ὧν ἀπαγγελθέντων οἱ Νομαντῖνοι, χαλεποὶ καὶ τέως ὄντες ὀργὴν ὑπ' ἐλευθερίας ἀκράτου καὶ ἀηθείας ἐπιταγμάτων, τότε καὶ μᾶλλον ὑπὸ τῶν συμφορῶν ἡγριωμένοι τε καὶ ἀλλόκοτοι γεγονότες τὸν Αὐαρον καὶ τοὺς σὺν αὐτῷ πέντε πρέσβεις ἀπέκτειναν ὡς κακῶν ἀγγέλους καὶ τὸ σφέτερον ἀσφαλὲς ἴσως διωκημένους παρὰ τῷ Σκιπίωνι.

[95] The Numantines, being oppressed by hunger, sent five men to Scipio to ask whether he would treat them with moderation if they would surrender. Their leader, Avarus, discoursed much about the prestige and bravery of the Numantines, and said that even now they had done no wrong, but had fallen into their present misery for the sake of their wives and children, and for the freedom of their country. "Wherefore, O Scipio," he said, "it is worthy of you, as a man renowned for virtue, to spare a brave and honorable race and to extend to us terms dictated by humanity, which we shall be able to bear, now that we have at last experienced a change of fortune. It rests not with us but with you whether you receive the surrender of our city on fair terms, or allow it to perish in a last struggle." When Avarus had thus spoken, Scipio (who knew from prisoners the state of affairs inside) said merely that they must surrender their arms and place themselves and their city in his hands. When this answer was made known, the Numantines, who were previously savage in temper because of their absolute freedom and quite unaccustomed to obey the orders of others, and were now wilder than ever and beside themselves by reason of their hardships, slew Avarus and the five ambassadors who had accompanied him, as bearers of evil tidings, and perhaps thinking that they had made private terms for themselves with Scipio.

[96] μετὰ δ' οὐ πολὺ πάντων αὐτοὺς τῶν ἐδεστῶν ἐπιλιπόντων, οὐ καρπὸν ἔχοντες, οὐ πρόβατον, οὐ πόαν, πρῶτα μὲν, ὥσπερ τινὲς ἐν πολέμῳ ἀνάγκαις, δέρματα ἔψοντες ἐλιχμῶντο, ἐπιλιπόντων δ' αὐτοὺς καὶ τῶν δερμάτων ἐσαρκοφάγουν ἔψοντες τὰ ἀνθρώπεια, πρῶτα μὲν τὰ τῶν ἀποθνησκόντων κοπτόμενα ἐν μαγειρείοις, ἐπὶ δ' ἐκείνοις τῶν νοσοῦντων κατεφρόνουν, καὶ τοὺς ἀσθενεστεροὺς ἐβιάζοντο οἱ δυνατώτεροι. κακῶν τε οὐδὲν αὐτοῖς ἀπῆν, ἡγριωμένοις μὲν τὰς ψυχὰς ὑπὸ τῶν τροφῶν, τεθριωμένοις δὲ τὰ σώματα ὑπὸ λιμοῦ καὶ λοιμοῦ καὶ κόμης καὶ χρόνου.

οὕτω δ' ἔχοντες αὐτοὺς ἐπέτρεπον τῷ Σκιπίωνι. οἱ δ' ἐκέλευεν αὐτοὺς τῆς μὲν ἡμέρας ἐκείνης συνενεγκεῖν τὰ ὄπλα ἔνθα συνέταξε, τῆς δ' ἐπιούσης προσελθεῖν ἐς ἕτερον χωρίον. οἱ δ' ὑπερεβάλλοντο τὴν ἡμέραν, ομολογήσαντες ὅτι πολλοὶ τῆς ἐλευθερίας ἔτι ἔχονται καὶ ἐθέλουσιν αὐτοὺς ἐξαγαγεῖν τοῦ βίου. τὴν οὖν ἡμέραν ἦτουν ἐς τοῦ θανάτου τὴν διάθεσιν.

[96] Soon after this, all their eatables being consumed, having neither grain, nor flocks, nor grass, they began, as is frequently necessary in wars, to lick boiled hides. When these also failed, they boiled and ate the bodies of human beings, first of those who had died a natural death, chopping them in small bits for cooking. Afterwards being nauseated by the flesh of the sick, the stronger laid violent hands upon the weaker. No form of misery was absent. They were rendered savage in mind by their food, and their bodies were reduced to the semblance of wild beasts by famine, plague, long hair, and neglect. In this condition they surrendered themselves to Scipio. He commanded them the same day to bring their arms to a place designated by him, and on the following day to assemble at another place. But they put off the day, declaring that many of them still clung to liberty and desired to take their own lives. Wherefore they asked for a day to arrange for death.

[97] τοσόσδε ἔρωσ ἐλευθερίας καὶ ἀνδραγαθίας ἦν ἐν πόλει βαρβάρῳ τε καὶ σμικρᾷ. ἐς γὰρ ὀκτακισχιλίους ἐπ' εἰρήνης γενόμενοι οἷα μὲν καὶ ὅσα Ῥωμαίους ἔδρασαν, οἷας δὲ συνθήκας αὐτοῖς ἔθεντο ἐπὶ ἰσῇ καὶ ὁμοίᾳ, οὐδέσι ταῦτα συνθέσθαι Ῥωμαίων ὑποστάντων, οἷον δ' ὄντα τὸν τελευταῖον στρατηγόν, ἔξ μυριάσιν αὐτοὺς περικαθήμενον, προυκαλέσαντο πολλάκις ἐς μάχην. οἱ δὲ ἦν ἄρα στρατηγικώτερος αὐτῶν, ἐς χεῖρας οὐκ ἰὼν θηρίοις, ἀλλὰ τῷ λιμῷ σφᾶς κατεργαζόμενος, ἀμάχῳ κακῷ, ᾧ δὴ καὶ μόνῳ ληφθῆναί τε δυνατόν ἦν ἄρα Νομαντίνους, καὶ ἐλήφθησαν μόνῳ.

ἐμοὶ μὲν δὴ ταῦτα περὶ Νομαντίνων εἰπεῖν ἐπῆλθεν, ἐς τὴν ὀλιγότητα αὐτῶν καὶ φερεπονίαν ἀφορῶντι, καὶ ἔργα πολλά, καὶ χρόνον ὅσον διεκαρτέρησαν: οἱ δὲ πρῶτα μὲν αὐτοὺς, οἱ βουλόμενοι, διεχρῶντο, ἕτερος ἐτέρως: οἱ λοιποὶ δ' ἐξήεσαν τρίτης ἡμέρας ἐς τὸ δεδομένον χωρίον, δυσόρατοί τε καὶ ἀλλόκοτοι πάμπαν ὀφθῆναι, οἷς τὰ μὲν σώματα ἦν ἀκάθαρτα καὶ τριχῶν καὶ ὀνύχων καὶ ῥύπου μεστά, ὠδῶδεςαν δὲ χαλεπώτατον, καὶ ἐσθῆς αὐτοῖς ἐπέκειτο πιναρὰ καὶ ἦδε καὶ οὐχ ἦσσαν δυσώδης. ἐφαίνοντο δὲ τοῖς πολεμίοις ἐλεεινοὶ μὲν ἀπὸ τῶνδε, φοβεροὶ δ' ἀπὸ τῶν βλεμμάτων: ἔτι γὰρ αὐτοὺς ἐνέώρων ἕκ τε ὀργῆς καὶ λύπης καὶ πόνου καὶ συνειδότος ἀλληλοφαγίας.

[97] Such was the love of liberty and of valor which existed in this small barbarian town. With only 8000 fighting men before the war began, how many and what terrible reverses did they bring upon the Romans! How many treaties did they make on equal terms with the Romans, which the latter would not consent to make with any other people! How often did they challenge to open battle the last general sent against them, who had an army of 60,000 men! But he showed himself more experienced in war than themselves, by

refusing to join battle with wild beasts when he could reduce them by that invincible enemy, hunger. In this way alone was it possible to capture the Numantines, and in this way alone were they captured. Reflecting upon their small numbers and great sufferings, their valiant deeds and long endurance, it has occurred to me to narrate these particulars of the Numantine history. Many, directly after the surrender, killed themselves in whatever way they chose, some in one way and some in another. The remainder congregated on the third day at the appointed place, a strange and shocking spectacle. Their bodies were foul, their hair and nails long, and they were smeared with dirt. They smelt most horribly, and the clothes they wore were likewise squalid and emitted an equally foul odor. For these reasons they appeared pitiable even to their enemies. At the same time there was something fearful to the beholders in the expression of their eyes — an expression of anger, grief, toil, and the consciousness of having eaten human flesh.

[98] ἐπιλεξάμενος δ' αὐτῶν πεντήκοντα ὁ Σκιπίων ἐς θρίαμβον, τοὺς λοιποὺς ἀπέδοτο, καὶ τὴν πόλιν κατέσκαψε, δύο μὲν τάσδε πόλεις δυσμαχωτάτας ἔλῶν στρατηγὸς ὄδε Ῥωμαίων, Καρχηδόνα μὲν αὐτῶν Ῥωμαίων ψηφισαμένων διὰ μέγεθος πόλεως τε καὶ ἀρχῆς καὶ εὐκαιρίαν γῆς καὶ θαλάσσης, Νομαντίαν δὲ σμικράν τε καὶ ὀλιγάνθρωπον, οὕτω τι Ῥωμαίων περὶ αὐτῆς ἐγνωκότων, αὐτός, εἴτε συμφέρειν Ῥωμαίοις ἡγούμενος, εἴτε ἄκρος ὢν ὀργὴν καὶ φιλόνηκος ἐς τὰ λαμβανόμενα, εἴθ' ὥς ἔνιοι νομίζουσι, τὴν δόξαν ἡγούμενος διδόνυμον ἐπὶ τοῖς μεγάλοις γίνεσθαι κακοῖς: καλοῦσι γοῦν αὐτὸν οἱ Ῥωμαῖοι μέχρι νῦν, ἀπὸ τῶν συμφορῶν ἃς ἐπέθηκε ταῖς πόλεσιν, Ἀφρικανόν τε καὶ Νομαντίνον. τότε δὲ τὴν γῆν τὴν Νομαντίνων τοῖς ἐγγὺς οἰκοῦσι διελών, καὶ ταῖς ἄλλαις πόλεσι χρηματίσας, καὶ εἴ τι ἦν ὑποπτον, ἐπιπλήξας τε καὶ ζημιώσας χρήμασιν, ἀπέπλευσεν ἐπ' οἴκου.

[98] Having reserved fifty of them for his triumph, Scipio sold the rest and razed the city to the ground. So this Roman general overthrew two most powerful cities, — Carthage, by decree of the Senate, on account of its greatness, its power, and its advantages by land and sea; Numantia, small and with a sparse population, the Romans knowing nothing about the transaction as yet. He destroyed the latter either because he thought that it would be for the advantage of the Romans, or because he was in a violent rage against the captives, or, as some think, in order to acquire the glory of two surnames from two great calamities. At any rate, the Romans to this day call him Africanus and Numantinus from the ruin he brought upon those two places. Having divided the territory of the Numantines among their near neighbors and transacted certain business in the other cities, threatening or fining any whom he suspected, he sailed for home.

CHAPTER XVI

Later History — Infamous Behavior of Didius — Sertorius in Spain

[99] Ῥωμαῖοι δέ, ὡς ἔθος, ἐς τὰ προσειλημμένα τῆς Ἰβηρίας ἔπεμψαν ἀπὸ τῆς βουλῆς ἄνδρας δέκα τοὺς καταστησομένους αὐτὰ ἐς εἰρήνην, ὅσα Σκιπίων τε ἔλαβε καὶ Βρούτος πρὸ τοῦ Σκιπίωνος ὑπηγάγετο ἢ ἐχειρώσατο. χρόνῳ δ' ὕστερον, ἀποστάσεων ἄλλων ἐν Ἰβηρίᾳ γενομένων, Καλπούρνιος Πίσων στρατηγὸς ἡρέθη. καὶ αὐτὸν διεδέξατο μὲν Σέρουιος Γάλβας, Κίμβρων δ' ἐπιστρατευόντων τῇ Ἰταλίᾳ, καὶ Σικελίας πολεμουμένης τὸν δεῦτερον δουλικὸν πόλεμον, στρατιὰν μὲν ἐς Ἰβηρίαν οὐκ ἔπεμπον ὑπ' ἀσχολίας, πρέσβεις δὲ ἀπεστέλλον, οἱ τὸν πόλεμον ἔμελλον ὅπῃ δύναιντο καταθήσεσθαι. Κίμβρων δὲ ἐξελαθέντων, Τίτος Δεΐδιος ἐπελθὼν Ἀρουακῶν μὲν ἔκτεινεν ἐς δισμυρίους, Τερμησὸν δέ, μεγάλην πόλιν ἀεὶ δυσπειθῇ Ῥωμαίοις γενομένην, ἐξ ἔρμυνοῦ κατήγαγεν ἐς τὸ πεδῖον, καὶ ἐκέλευσεν οἰκεῖν ἀτειχίστους. Κολένδαν δὲ προσκαθίσας ἐνάτῳ μηνὶ παρέλαβεν ἐγχειρίσασαν ἑαυτήν, καὶ τοὺς Κολενδέας ἅπαντας μετὰ παίδων καὶ γυναικῶν ἀπέδοτο.

[99] The Romans, according to their custom, sent ten senators to the newly acquired provinces of Spain, which Scipio, or Brutus before him, had received in surrender, or had taken by force, to settle their affairs on a peace basis. (Y.R. 642) At a later time, other revolts having taken place in Spain, (B.C. 112) Calpurnius Piso was chosen as commander. He was succeeded by Servius Galba. When the Cimbri invaded Italy, and Sicily was torn by the second servile war, the Romans were too much preoccupied to send soldiers to Spain, but sent legates who endeavored to settle affairs without war as far as they could. When the Cimbri were driven out Titus Didius was sent to Spain, and he slew about 20,000 of the Arevaci. He also removed Termesum, a large city always insubordinate to the Romans, from a place of security into the plain, and ordered the inhabitants to live without walls. (Y.R. 656) He also besieged the city of Colenda and captured it nine (B.C. 98) months after he had invested it, and sold the inhabitants with their wives and children.

[100] πόλιν δ' ἑτέραν τῆς Κολένδης πλησίον ὥκουν μιγάδες Κελτιβήρων, οὓς Μάρκος Μάριος συμμαχήσαντας αὐτῷ κατὰ Λυσιτανῶν, τῆς βουλῆς ἐπιτρεπούσης, ὥκικει πρὸ πέντε ἐνιαυτῶν. ἐλήστευον δ' ἐξ ἀπορίας οὗτοι: καὶ κρίνας αὐτοὺς ὁ Δεΐδιος ἀνελεῖν, συνθεμένων αὐτῷ τῶν δέκα πρέσβων ἐτι παρόντων, ἔφη τοῖς ἐπιφανέσιν αὐτῶν ἐθέλειν τὴν Κολενδέων χώραν αὐτοῖς προσορίσαι πενομένοις. ἀσπαζομένους δὲ ὀρῶν ἐκέλευε, τῷ δήμῳ ταῦτα μετενεγκόντας, ἥκειν μετὰ γυναικῶν καὶ παίδων τὴν χώραν μεριουμένους. ἐπεὶ δ' ἀφίκοντο, προσέταξε τοὺς στρατιώτας ἐκ τοῦ χάρακος ἐξελθεῖν καὶ τοὺς ἐνεδρευομένους ἔσω παρελθεῖν ὡς ἀπογραφόμενος αὐτῶν ἔνδον τὸ πλῆθος, ἐν μέρει μὲν ἀνδρῶν ἐν μέρει δὲ παίδων καὶ γυναικῶν, ἵνα ἐπιγνοίη

πόσῃν χώραν αὐτοῖς δέοι διελεῖν. ὥς δὲ παρήλθον ἐς τὴν τάφρον καὶ τὸ χαράκωμα, περιστήσας αὐτοῖς τὸν στρατὸν ὁ Δεΐδιος ἔκτεινε πάντα. καὶ ἐπὶ τοῖσδε Δεΐδιος μὲν καὶ ἐθριάμβευσε, πάλιν δὲ τῶν Κελτιβήρων ἀποστάντων Φλάκκος ἐπιτεμφθεὶς ἔκτεινε δισμυρίους. ἐν δὲ Βελγῇδῃ πόλει ὁ μὲν δῆμος ἐς ἀπόστασιν ὁρμῶν τὴν βουλὴν ὀκνοῦσαν ἐνέπρησεν αὐτῷ βουλευτηρίῳ, ὁ δὲ Φλάκκος ἐπελθὼν ἔκτεινε τοὺς αἰτίους.

[100] There was another city near Colenda inhabited by mixed tribes of Celtiberians who had been the allies of Marcus Marius in a war against the Lusitanians, and whom he had settled there five years before with the approval of the Senate. They were living by robbery on account of their poverty. Didius, with the concurrence of the ten legates who were still present, resolved to destroy them. Accordingly, he told their principal men that he would allot the land of Colenda to them because they were poor. Finding them very much pleased with this offer, he told them to communicate it to their people, and to come with their wives and children to the parcelling out of the land. When they had done so he ordered his soldiers to vacate their camp, and these people, whom he wanted to ensnare, to go inside, so that he might make a list of their names, the men on one register and the women and children on another, in order to know how much land should be set apart for them. When they had gone inside the ditch and palisade, Didius surrounded them with his army and killed them all, and for this he was honored with a triumph. At a later period, the Celtiberians having revolted again, Flaccus was sent against them and slew 20,000. The people of the town of Belgida were eager for revolt, and when their senate hesitated they set fire to the senate-house and burned the senators. When Flaccus arrived there he put the authors of this crime to death.

[101] τοσάδε μὲν ἥϋρον ἄξια λόγου Ῥωμαίοις ἐς τότε πρὸς Ἰβηρας αὐτοὺς γενόμενα: χρόνῳ δ' ὕστερον στασιαζόντων ἐν Ῥώμῃ Σύλλα τε καὶ Κίinna, καὶ ἐς ἐμφυλίους πολέμους καὶ στρατόπεδα κατὰ τῆς πατρίδος διηρημένων, Κόιντος Σεργώριος, ἐκ τῆς Κίinna στάσεως αἰρεθεὶς τῆς Ἰβηρίας ἄρχειν, Ἰβηρίαν τε αὐτὴν ἐπανέστησε Ῥωμαίοις, καὶ πολὺν στρατὸν ἀγείρας, καὶ βουλὴν τῶν ἰδίων φίλων ἐς μίμημα τῆς συγκλήτου καταλέξας, ἤλαυνεν ἐς Ῥώμην ἐπὶ τόλμῃς καὶ φρονήματος λαμπροῦ, καὶ ἄλλα ὧν ἐς θρασύτητα περιώνυμος, ὥστε τὴν βουλὴν δείσασαν ἐλέσθαι τοὺς παρὰ σφίσιν ἐπὶ μεγίστης τότε δόξης στρατηγούς, Καικίλιόν τε Μέτελλον μετὰ πολλοῦ στρατοῦ καὶ Γναῖον Πομπήιον ἐπ' ἐκείνῳ μεθ' ἐτέρου στρατοῦ, ἵνα τὸν πόλεμον, ὅπῃ δύναιντο, ἐξωθοῖεν ἐκ τῆς Ἰταλίας ἐν διχοστασίᾳ τότε μάλιστα οὔσης. ἀλλὰ Σεργώριον μὲν τῶν στασιωτῶν τις αὐτοῦ Περπέρνας ἀνελὼν ἑαυτὸν ἐπὶ Σεργωρίῳ στρατηγὸν ἀπέφηνε τῆς ἀποστάσεως, Περπέρναν δ' ἔκτεινε μάχῃ Πομπήιος, καὶ ὁ πόλεμος ὅδε, θορυβήσας δὴ τῷ φόβῳ μάλιστα Ῥωμαίους, διελύθη. τὸ δὲ ἀκριβὲς αὐτοῦ δηλώσει τὰ περὶ Σύλλαν ἐμφύλια.

[101] These are the events which I have found most worthy of mention in the

relations of the Romans with the (Y.R. 672) Spaniards until that time. At a later period, when the (B.C. 82) dissensions of Sulla and Cinna arose in Rome, and the country was torn with civil wars and hostile camps, Quintus Sertorius, one of Cinna's party, who had been chosen to the command in Spain, stirred up that country against the Romans. He raised a large army, created a senate of his own friends after the manner of the Roman Senate, and marched towards Rome full of confidence and high courage, for he had been renowned for valor elsewhere. The Senate in great alarm sent against him their most famous generals, first Cæcilius Metellus with a large army, and then Pompey with another army, in order to repel if possible this war from Italy, which was terribly distracted with (Y.R. 682) civil strife. But Sertorius was murdered by Perpenna, one (B.C. 72) of his own partisans, who proclaimed himself general of the faction in place of Sertorius. Pompey slew Perpenna in battle, and so this war, which had greatly alarmed the Romans, came to an end; but I shall speak of this more particularly in my account of the civil wars of Sulla. (Y.R. 693)

[102] μετὰ δὲ τὸν Σύλλα θάνατον Γάιος Καῖσαρ αἰρεθεὶς Ἰβηρίας στρατηγεῖν, ὥστε καὶ πολεμεῖν οἷς δεήσειεν, ὅσα τῶν Ἰβήρων ἐσαλεύετο ἢ Ῥωμαίοις ἔτι ἔλειπε, πολέμῳ συνηνάγκασε πάντα ὑπακούειν. καὶ τινα αὐθις ἀφιστάμενα Ὀκταούιος Καῖσαρ ὁ τοῦ Γάιου παῖς, ὁ Σεβαστὸς ἐπὶ κλην, ἐχειρώσατο. καὶ ἐξ ἐκείνου μοι δοκοῦσι Ῥωμαῖοι τὴν Ἰβηρίαν, ἣν δὴ νῦν Ἰσπανίαν καλοῦσιν, ἐς τρία διαιρεῖν καὶ στρατηγούς ἐπιπέμπειν, ἐτησίους μὲν ἐς τὰ δύο ἢ βουλή, τὸν δὲ τρίτον βασιλεὺς ἐφ' ὅσον δοκιμάσειεν.

[102] After the death of Sulla, Gaius Cæsar was sent as prætor into Spain with power to make war wherever it was needful. All of those Spaniards who were doubtful in their allegiance, or had not yet submitted to the Romans, he (B.C. 61) brought under subjection by force and arms. Some, who afterwards rebelled, were subdued by his adopted son Octavius, (Y.R. 729) surnamed Augustus. From that time it appears that (B.C. 25) the Romans have divided Iberia (which they now call Hispania) into three parts and sent a prætor to govern each, two being chosen annually by the Senate, and the third appointed by the emperor to hold office during his pleasure.

CHAPTER I

Hamilcar Barca — Hannibal in Spain — Hannibal marches over the Alps

WHAT Hannibal the Carthaginian did to, and suffered from, the Romans during the sixteen years that he persisted in war against them, from his first march from Spain to Italy until he was recalled by the Carthaginians (their own city being in danger), and was then driven out by the Romans, this book will show. What Hannibal's real reasons for that invasion were, as well as his public pretext, have been very clearly set forth in my Spanish history, yet I shall mention them here by way of reminder.

[2] Ἀμίλχαρ ὃ Βάρκας ἐπικλησὶς ἦν, Ἀννίβου τοῦδε πατήρ, ἐστρατήγει Καρχηδονίων ἐν Σικελίᾳ, ὅτε Ῥωμαῖοι καὶ Καρχηδόνιοι περὶ αὐτῆς ἀλλήλοισ ἐπολέμουν. δόξας δὲ πρᾶξαι κακῶς ὑπὸ τῶν ἐχθρῶν ἐδιώκετο, καὶ δεδιὼς ἔπραξεν ἐς τοὺς Νομάδας αἰρεθῆναι στρατηγὸς πρὸ τῶν εὐθυνῶν. γενόμενος δὲ χρήσιμος ἐν τῷδε, καὶ τὴν στρατιὰν θεραπεύσας ἀρπαγαῖς καὶ δωρεαῖς, ἤγαγεν ἄνευ τοῦ κοινοῦ Καρχηδονίων ἐπὶ Γάδειρα, καὶ ἐπέρασε τὸν πορθμὸν ἐς Ἰβηρίαν, ὅθεν λάφυρα πολλὰ διέπεμπεν ἐς Καρχηδόνα, θεραπεύων τὸ πλῆθος, εἰ δύναίτο μὴ χαλεπαίνειν αὐτῷ τῆς στρατηγίας τῆς ἐν Σικελίᾳ, χώραν δ' αὐτοῦ κατακτωμένου πολλὴν κλέος τε μέγα ἦν, καὶ Καρχηδονίους ἐπιθυμία πάσης Ἰβηρίας ὡς εὐμαροῦς ἔργου. Ζακανθαῖοι δέ, καὶ ὅσοι ἄλλοι Ἕλληνες ἐν Ἰβηρίᾳ, καταφεύγουσιν ἐπὶ Ῥωμαίους, καὶ γίνεταί Καρχηδονίους ὄρος Ἰβηρίας, μὴ διαβαίνειν τὸν Ἰβηρα ποταμόν· καὶ τότε ταῖς Ῥωμαίων καὶ Καρχηδονίων σπονδαῖς ἐνεγράφη. ἐπὶ δὲ τούτῳ Βάρκας μὲν τὴν ὑπὸ Καρχηδονίους Ἰβηρίαν καθιστάμενος ἐν τινὶ μάχῃ πεσὼν ἀποθνήσκει, καὶ στρατηγὸς Ἀσδρούβας ἐπ' αὐτῷ γίνεταί, ὃς ἐκίδευε τῷ Βάρκᾳ. καὶ τόνδε μὲν κτείνει θεράπων ἐν κυνηγεσίῳ, οὗ τὸν δεσπότην ἀνηρῇκει.

[2] Hamilcar, surnamed Barca, the father of this Hannibal, was the commander of the Carthaginian forces in Sicily when they contended with the Romans for possession of that island. Being prosecuted by his enemies on a charge of maladministration, and fearing a conviction, he managed to get himself chosen general against the Numidians before he had settled his accounts. Having proved useful in this war and having secured the favor of the army by plunder and largesses, he passed over the straits into Spain and made an expedition against Gades without the authority of Carthage. From thence he sent much booty to Carthage in order to win the favor of the multitude so that if possible he might ward off censure on account of his command in Sicily. Having gained much territory and great glory he inspired the Carthaginians with a desire to possess the whole of Spain, and persuaded them that it would be an easy task. Thereupon the Saguntines and other Greeks who were settled in Spain had recourse to the Romans, and a boundary was fixed to the Carthaginian possessions in that country, namely, that they

should not cross the river Iberus (Ebro), and a treaty to this effect was made between the Romans and the Carthaginians. After this, Hamilcar, while settling the affairs of Carthaginian Spain, was killed in battle, and Hasdrubal, his son-in-law, succeeded him as general. The latter while hunting was killed by a slave whose master he had put to death. (Y.R. 534)

[3] τρίτος δὲ ἐπὶ τοῖσδε στρατηγὸς Ἰβήρων ὑπὸ τῆς στρατιᾶς ἀποδείκνυται, φιλοπόλεμος καὶ συνετὸς εἶναι δοκῶν, Ἀννίβας ὄδε, Βάρκα μὲν υἱὸς ὦν, Ἀσδρούβου δὲ τῆς γυναικὸς ἀδελφός, νέος δὲ κομιδῇ, καὶ ὡς μειράκιον ἔτι τῷ πατρὶ καὶ τῷ κηδεστῇ συνών. καὶ ὁ δῆμος ὁ Καρχηδονίων αὐτῷ τὴν στρατηγίαν ἐπεψήφισεν. οὕτω μὲν Ἀννίβας, περὶ οὗ τὰδε συγγράφω, γίγνεται στρατηγὸς Καρχηδονίων ἐπ' Ἰβηρσι: τῶν δ' ἐχθρῶν τῶν Βάρκα τε καὶ Ἀσδρούβου τοὺς φίλους τοὺς ἐκείνων διωκόντων, καὶ Ἀννίβου τοῦδε καταφρονούντων ὡς ἔτι νέου, ἀρχὴν εἶναι τοῦθ' ὁ Ἀννίβας ἐφ' ἑαυτὸν ἠγούμενος, καὶ νομίζων οἱ τὸ ἀσφαλὲς ἐκ τῶν τῆς πατρίδος φόβων περιέσεσθαι, ἐς πόλεμον αὐτοὺς μέγαν ἐμβαλεῖν ἐπενόει. ὑπολαβὼν δ', ὥσπερ ἦν, τὸ Ῥωμαίοις ἐπιχειρῆσαι χρόνιον τε Καρχηδονίοις ἔσεσθαι, καὶ μεγάλην αὐτῷ δόξαν, εἰ καὶ τύχοι παισίας, τό γε ἐγχείρημα οἴσιν, λεγόμενος δὲ καὶ ὑπὸ τοῦ πατρὸς ἐπὶ βωμῶν ἔτι παῖς ὀρκωθῆναι Ῥωμαίοις ἐπιβουλεύων οὐ ποτ' ἐκλείψειν, ἐπενόει παρὰ τὰς σπονδὰς τὸν Ἰβηρα διαβῆναι, καὶ παρεσκευάζε τινας ἐς πρόφασιν κατηγορεῖν Ζακανθαίων. γράφων τε ταῦτα συνεχῶς ἐς Καρχηδόνα, καὶ προστιθεὶς ὅτι Ῥωμαῖοι κρύφα τὴν Ἰβηρίαν αὐτῶν ἀφιστᾶσιν, ἔτυχε παρὰ Καρχηδονίων πράσσειν ὅ τι δοκιμάσειεν. ὁ μὲν δὴ τὸν Ἰβηρα διαβάς τὴν Ζακανθαίων πόλιν ἠβηδὸν διέφθειρε, Ῥωμαίοις δὲ καὶ Καρχηδονίοις ἐπὶ τῷδε ἐλέλυντο αἱ σπονδαὶ αἱ γενόμεναι αὐτοῖς μετὰ τὸν πόλεμον τὸν ἐν Σικελίᾳ.

[3] After them this Hannibal was chosen by the army as (B.C. 220) the third commander in Spain because he seemed to have great aptitude and fondness for war. He was the son of Hamilcar and the brother of Hasdrubal's wife, a very young man whose early years had been passed in the company of his father and his brother-in-law. The people of Carthage confirmed his election as general. In this way Hannibal, whose history I am about to write, became the commander of the Carthaginians against the Spaniards. The enemies of Hamilcar and Hasdrubal in Carthage continued to persecute the friends of those men, despising Hannibal on account of his youth. The latter, believing that this persecution was originally directed against himself and that he might secure his own safety by means of his country's fears, began to think about involving it in a great war. Believing, as was the fact, that a war between the Romans and Carthaginians once begun would last a long time, and that the undertaking would bring great glory to himself, even if he should fail (it was said, also, that he had been sworn on the altar by his father, while yet a boy, that he would be an eternal enemy of Rome), he resolved to cross (Y.R. 535) the Iberus in defiance of the treaty. For a pretext he procured (B.C. 219) certain persons to make accusations against the Saguntines. By continually

forwarding these accusations to Carthage, and by accusing the Romans of secretly inciting the Spaniards to revolt, he obtained permission from Carthage to take such steps as he should think fit. Thereupon he crossed the Iberus and destroyed the city of Saguntum with its inhabitants. Thus the treaty, made between the Romans and the Carthaginians after the war in Sicily, was broken. (Y.R. 536)

[4] Ἀννίβας δὲ ὅσα μὲν αὐτὸς καὶ οἱ μετ' αὐτὸν ἄλλοι Καρχηδονίων τε καὶ Ῥωμαίων στρατηγοὶ περὶ Ἰβηρίαν ἔπραξαν, ἡ Ἰβηρική γραφὴ δηλοῖ: ἐπιλεξάμενος δὲ Κελτιβήρων τε καὶ Λιβύων καὶ ἐτέρων ἐθνῶν ὅτι πλείστους, καὶ τὰ ἐν Ἰβηρίᾳ παραδοὺς Ἀσδρούβα τῷ ἀδελφῷ, τὰ Πυρρηναῖα ὄρη διέβαιναν ἐς τὴν Κελτικὴν τὴν νῦν λεγομένην Γαλατίαν, ἄγων πεζοὺς ἐνακισμυρίους καὶ ἱππέας ἐς δισχιλίους ἐπὶ μυρίοις καὶ ἐλέφαντας ἑπτὰ καὶ τριάκοντα. Γαλατῶν δὲ τοὺς μὲν ὠνούμενος, τοὺς δὲ πείθων, τοὺς δὲ καὶ βιαζόμενος, διώδευε τὴν χώραν. ἔλθων δὲ ἐπὶ τὰ Ἄλπεια ὄρη, καὶ μηδεμίαν μῆτε δίοδον μῆτε ἄνοδον εὐρῶν ἀπόκρημνα γάρ ἐστιν ἰσχυρῶς, ἐπέβαινε κάκεῖνοις ὑπὸ τόλμης, κακοπαθῶν χιονος τε πολλῆς οὐσῆς καὶ κρούους, τὴν μὲν ὕλην τέμνων τε καὶ κατακαίων, τὴν δὲ τέφραν σβεννὺς ὕδατι καὶ ὄξει, καὶ τὴν πέτραν ἐκ τοῦδε ψαφάραν γιγνομένην σφύραις σιδηραῖς θραύων, καὶ ὁδὸν ποιῶν ἥ καὶ νῦν ἐστὶν ἐπὶ τῶν ὀρῶν ἐντριβῆς καὶ καλεῖται δίοδος Ἀννίβου. τῶν δὲ τροφῶν αὐτὸν ἐπιλειπουσῶν ἠπείγετο μὲν, ἔτι λανθάνων ὅτι καὶ πάρεστιν ἐς τὴν Ἰταλίαν, ἔκτω δὲ μόλις ἀπὸ τῆς ἐξ Ἰβήρων ἀναστάσεως μηνί, πλείστους ἀποβαλὼν, ἐς τὸ πεδῖον ἐκ τῶν ὀρῶν κατέβαινε.

[4] What Hannibal himself and what the other Carthaginian and Roman generals after him did in Spain, I have related in the Spanish history. Having collected a large (B.C. 218) army of Celtiberians, Africans, and other nationalities, and put the command of Spain in the hands of his brother Hasdrubal, he crossed over the Pyrenees mountains into the country of the Celts, which is now called Gaul, with 90,000 foot, 12,000 horse, and 37 elephants. He passed through the country of the Gauls, conciliating some with money and some by persuasion, and overcoming others by force. When he came to the Alps and found no road through or over them (for they were exceedingly precipitous), he nevertheless marched boldly forward, but suffered great losses. The snow and ice being heaped high in front, he cut down and burned wood, quenched the ashes with water and vinegar, and thus rendering the rocks brittle he shattered them with iron hammers and opened a passage which is still in use over the mountains and is called Hannibal's pass. As his supplies began to fail he pressed forward, the Romans remaining in ignorance until he was actually in Italy. Scarcely six months after leaving Spain, and after suffering heavy losses of men, he descended from the mountains to the plain.

Hannibal destroys the Detachment of Centenius — Fabius Maximus chosen
Dictator*

[5] καὶ μικρὸν ἀναπαύσας προσέβαλε Ταυρασία, πόλει Κελτικῇ. κατὰ κράτος δὲ αὐτὴν ἐξελὼν, τοὺς μὲν αἰχμαλώτους ἔσφαζεν ἐς κατάπληξιν τῆς ἄλλης Κελτικῆς, ἐπὶ δὲ ποταμὸν Ἡριδανὸν τὸν νῦν Πάδον λεγόμενον ἐλθὼν, ἔνθα Ῥωμαῖοι Κελτοῖς τοῖς καλουμένοις Βοιοῖς ἐπολέμουν, ἐστρατοπέδευσεν. ὁ δ' ὑπάτος ὁ Ῥωμαίων Πόπλιος Κορνήλιος Σκιπίων, Καρχηδονίοις ἐν Ἰβηρία πολέμῳ, ἐπεὶ τῆς ἐσβολῆς Ἀννίβου τῆς ἐς τὴν Ἰταλίαν ἐπύθετο, τὸν ἀδελφὸν καὶ ὃδε Γναῖον Κορνήλιον Σκιπίωνα ἐπὶ τοῖς ἐν Ἰβηρία πράγμασι καταλιπὼν διέπλευσεν ἐς Τυρρηνίαν, ὅθεν ὁδεύων τε καὶ συμμάχους ὅσους δύναιτο ἀγείρων ἔφθασεν ἐπὶ τὸν Πάδον Ἀννίβαν. καὶ Μάλλιον μὲν καὶ Ἀτίλιον, οἱ τοῖς Βοιοῖς ἐπολέμουν, ἐς Ῥώμην ἔπεμψεν ὥς οὐ δέον αὐτοὺς ἔτι στρατηγεῖ ὑπάτου παρόντος, αὐτὸς δὲ τὸν στρατὸν παραλαβὼν ἐς μάχην ἐξέτασσε πρὸς Ἀννίβαν. καὶ γενομένης ἀκροβολίας τε καὶ ἵππομαχίας, οἱ Ῥωμαῖοι κυκλωθέντες ὑπὸ τῶν Λιβύων ἔφευγον ἐς τὸ στρατόπεδον, καὶ νυκτὸς ἐπιγενομένης ἐς Πλακεντίαν ἀνεχώρουν ἀσφαλῶς τετειχισμένην, τὸν Πάδον ἐπὶ γεφυρῶν περάσαντές τε καὶ λύσαντες τὰς γεφύρας. τὸν μὲν οὖν ποταμὸν καὶ ὁ Ἀννίβας ζεύξας ἐπέρα,

[5] After a brief pause he attacked Taurasia, a Gallic town, took it by storm, and put the prisoners to death, in order to strike terror into the rest of the Gauls. Then he advanced to the river Eridanus, now called the Padus [Po], where the Romans were at war with the Gallic tribe called the Boii, and pitched his camp. The Roman consul, Publius Cornelius Scipio, was at that time contending with the Carthaginians in Spain. When he learned of Hannibal's incursion into Italy, he left his brother, Gnaeus Cornelius Scipio, in charge of affairs in Spain and sailed for Etruria. Marching thence with such allies as he could collect, he came before Hannibal to the Po. He sent Manlius and Atilius, who were conducting the war against the Boii, back to Rome, as they had no right to command when a consul was on the ground, and taking their forces drew them up for battle with Hannibal. After a skirmish and a cavalry engagement, the Romans were surrounded by the Africans and fled to their camp. The next night they took refuge in Placentia, a place strongly fortified, crossing the Po and then breaking down the bridge. Nevertheless Hannibal made a new bridge and crossed the river.

[6] τὸ δ' ἔργον εὐθὺς τότε, πρῶτον ἢ δεύτερον ἐπὶ τῇ τῶν Ἀλπειῶν ὁρῶν διαβάσει, παρὰ τοῖς ἐπέκεινα Κελτοῖς ἐξῆρε τὸν Ἀννίβαν ὥς ἄμαχον στρατηγὸν καὶ τύχη λαμπρὰ χρώμενον. ὁ δέ, ὥς ἐν βαρβάροις τε καὶ τεθηπόσιν αὐτόν, καὶ δι' ἄμφο δυναμένους ἀπατᾶσθαι, τὴν ἐσθῆτα καὶ τὴν κόμην ἐνήλασσε συνεχῶς ἐσκευασμέναις ἐπινοίαις· καὶ αὐτὸν οἱ Κελτοὶ περιούνια τὰ ἔθνη πρεσβύτων ὁρῶντες, εἶτα νέον, εἶτα μεσαπόλιον, καὶ συνεχῶς ἕτερον ἐξ ἑτέρου, θαυμάζοντες ἐδόκουν θειοτέρας φύσεως λαχεῖν.

Σεμπρόνιος δ' ὁ ἕτερος ὑπατος, ἐν Σικελίᾳ τότε ὢν καὶ πυθόμενος, διέπλευσε πρὸς τὸν Σκιπίωνα, καὶ τεσσαράκοντα σταδίοις αὐτοῦ διασχὼν ἐστρατοπέδευσεν. καὶ τῆς ἐπιούσης ἐμελλὼν ἅπαντες ἐς μάχην ἤξειν. ποταμὸς δ' ἦν ἐν μέσῳ Τρεβίας, ὃν Ῥωμαῖοι πρὸ ἔω, χαμερίου τε τῆς τροπῆς οὐσῆς καὶ ὕετοῦ καὶ κρύους, ἐπέρων βρεχόμενοι μέχρι τῶν μαστῶν. Ἀννίβας δὲ καὶ ἐς δευτέραν ὥραν ἀνέταυσε τὴν στρατιάν, καὶ τότε ἐξῆλθεν.

[6] These exploits, one after another, following his passage of the Alps, exalted Hannibal's fame among the Cisalpine Gauls as an invincible commander and one most highly favored by fortune. In order to increase the admiration of those barbarians, who were easily deceived, he frequently changed his clothes and his hair, using carefully prepared devices each time. When the Gauls saw him moving among their people now an old man, then a young man, and again a middle-aged man, and continually changing from one to the other, they were astonished and thought that he partook of the divine nature. Sempronius, the other consul, being then in Sicily and learning what had happened, embarked his forces, came to Scipio's aid, and encamped at a distance of forty stades from him. The following day they all made ready for battle. The river Trebia separated the hostile armies, which the Romans crossed before daylight on a raw, sleety morning of the spring equinox, wading in the water up to their breasts. Hannibal allowed his army to rest till the second hour and then marched out.

[7] παράταξις δ' ἦν ἐκατέρων ... τὰ κέρατα κατεῖχον, ἀμφὶ τὴν φάλαγγα τῶν πεζῶν. Ἀννίβας δὲ τοῖς μὲν ἱππεῦσιν ἀντέταξε τοὺς ἐλέφαντας, τῇ δὲ φάλαγγι τοὺς πεζοὺς· τοὺς δὲ ἱππέας ἐκέλευσεν ὀπίσω τῶν ἐλεφάντων ἀτρεμεῖν ἕως αὐτὸς τι σημήνη. γενομένων δ' ἐν χερσὶ πάντων, οἱ μὲν Ῥωμαίων ἵπποι τοὺς ἐλέφαντας, οὐ φέροντες αὐτῶν οὔτε τὴν ὄψιν οὔτε τὴν ὁδμήν, ἔφευγον· οἱ δὲ πεζοί, καίπερ ὑπὸ τοῦ κρύους καὶ τοῦ ποταμοῦ καὶ τῆς ἀγρυπνίας τετρυμένοι τε καὶ μαλακοὶ ὄντες, ὅμως ὑπὸ τόλμης τοῖς θηρίοις ἐπεπῆδων καὶ ἐτίτρωσκον αὐτά, καὶ τινῶν καὶ τὰ νεῦρα ὑπέκοπτον, καὶ τοὺς πεζοὺς ἐνέκλινον ἥδη. θεασάμενος δ' ὁ Ἀννίβας ἐσήμηνε τὴν ἵππον κυκλοῦσθαι τοὺς πολεμίους. ἐσκεδασμένων δ' ἄρτι τῶν Ῥωμαϊκῶν ἱππέων διὰ τὰ θηρία καὶ τῶν πεζῶν μόνων τε ὄντων καὶ κακοπαθούντων καὶ δεδιότων τὴν περικύκλωσιν, φυγὴ πανταχόθεν ἦν ἐς τὰ στρατόπεδα. καὶ ἀπώλλυντο οἱ μὲν ὑπὸ τῶν ἱππέων καταλαμβανόντων ἅτε πεζοὺς, οἱ δὲ ὑπὸ τοῦ ποταμοῦ παραφέροντος· τοῦ γὰρ ἡλίου τὴν χιόνα τήξαντος ὁ ποταμὸς ἐρρῦν μέγας, καὶ οὔτε στῆναι διὰ τὸ βάθος οὔτε νεῖν διὰ τὰ ὄπλα ἐδύναντο. Σκιπίων δὲ αὐτοῖς ἐπόμενος καὶ παρακαλῶν ὀλίγου μὲν ἐδέησε τρωθεῖς διαφθαρῆναι, μόλις δ' ἐς Κρεμῶνα διεσώθη φερόμενος. ἐπίνειον δὲ ἦν τι βραχὺ Πλακεντίας, ᾧ προσβαλὼν ὁ Ἀννίβας ἀπώλεσε τετρακοσίους καὶ αὐτὸς ἐτρώθη. καὶ ἀπὸ τοῦδε πάντες ἐχείμαζον, Σκιπίων μὲν ἐν Κρεμῶνι καὶ Πλακεντία, Ἀννίβας δὲ περὶ Πάδον.

[7] The order of battle on each side was as follows. The Roman cavalry were posted on the wings in order to protect the infantry. Hannibal ranged his elephants opposite the Roman horse and his foot-soldiers against the legions, and he ordered his own cavalry to remain quiet behind the elephants until he should give the signal. When battle was joined the horses of the Romans,

terrified by the sight and smell of the elephants, broke and fled. The foot-soldiers, although suffering much and weakened by cold, wet clothes, and want of sleep, nevertheless boldly attacked these beasts, wounded them, and cut the hamstrings of some, and were already pushing back the enemy's infantry. Hannibal, observing this, gave the signal to his horse to attack the Roman flank. The Roman horse having been just dispersed by fear of the elephants, the foot-soldiers were left without protection, and were now in difficulties. Fearing lest they should be surrounded, they everywhere broke in flight to their own camp. Many foot-soldiers were cut off by the enemy's horse and many perished in the swift stream, for the river was now swollen with melting snow so that they could not wade, on account of its depth, nor could they swim, on account of the weight of their armor. Scipio, who followed trying to rally them, was wounded and almost killed, and was with difficulty rescued and carried to Cremona. There was a small arsenal near Placentia which Hannibal laid siege to, where he lost 400 men and was himself wounded. And now they all went into winter quarters, Scipio in Cremona and Placentia, and Hannibal on the Po.

[8] οἱ δ' ἐν ἄστει Ῥωμαῖοι πυθόμενοι, καὶ τρίτον ἤδη πταίνοντες περὶ Πάδον ἥττηντο γὰρ δὴ καὶ ὑπὸ Βοιῶν πρὸ Ἀννιβου, στρατιάν τε παρ' αὐτῶν ἄλλην κατέλεγον, σὺν τοῖς οὖσι περὶ τὸν Πάδον ὡς εἶναι τρισκαίδεκα τέλη, καὶ τοῖς συμμάχοις ἑτέραν διπλασίονα ταύτης ἐπήγγελλον. ἤδη δὲ αὐτοῖς τὸ τέλος εἶχε πεζοὺς πεντακισχιλίους καὶ ἱππέας τριακοσίους. καὶ τούτων τοὺς μὲν ἐς Ἰβηρίαν ἔπεμπον, τοὺς δ' ἐς Σαρδόνα κάκεινῃν πολεμουμένην, τοὺς δ' ἐς Σικελίαν. τὰ πλέονα δ' ἦγον ἐπὶ τὸν Ἀννίβαν οἱ μετὰ Σκιπίωνα καὶ Σεμπρόνιον αἰρεθέντες ὕπατοι, Σερουίλιός τε Γναῖος καὶ Γάιος Φλαμίνιος. ὧν ὁ μὲν Σερουίλιος ἐπὶ τὸν Πάδον ἐπειχθεὶς τὴν στρατηγίαν ἐκδέχεται παρὰ τοῦ Σκιπίωνος ὁ δὲ Σκιπίων ἀνθύπατος αἰρεθείς ἐς Ἰβηρίαν διέπλευσέ, Φλαμίνιος δὲ τρισμυρίοις τε πεζοῖς καὶ τρισχιλίοις ἱππεῦσι τὴν ἐντὸς Ἀπεννίνων ὁρῶν Ἰταλίαν ἐφύλασσεν, ἣν καὶ μόνην ἂν τις εἴποι κυρίως Ἰταλίαν. τὰ γὰρ Ἀπεννίνα κατέρχεται μὲν ἐκ μέσων τῶν Ἀλπειῶν ἐπὶ θάλασσαν, ἔστι δ' αὐτῶν τὰ μὲν ἐπὶ δεξιὰ πάντα καθαρῶς Ἰταλία, τὰ δὲ ἐπὶ θάτερα ἐς τὸν Ἰόνιον φθάνοντα νῦν μὲν ἐστὶ καὶ ταῦτα Ἰταλία, ὅτι καὶ Τυρρηγία νῦν Ἰταλία, οἰκοῦσι δ' αὐτῶν τὰ μὲν Ἕλληνες, ἀμφὶ τὴν Ἰόνιον ἀκτὴν, τὰ δὲ λοιπὰ Κελτοί, ὅσοι τῇ Ῥώμῃ τὸ πρῶτον ἐπιθέμενοι τὴν πόλιν ἐνέπρησαν. ὅτε γὰρ αὐτοὺς ἐξελαύνων Κάμιλλος ἐδίωκε μέχρι τῶν Ἀπεννίνων ὁρῶν, ἐμοὶ δοκοῦσιν ὑπερβάντες αὐτά, ἀντὶ ἡθῶν τῶν ἰδίων, παρὰ τὸν Ἰόνιον οἰκῆσαι: καὶ τὸ μέρος τῆς χώρας ἔτι νῦν οὕτω καλοῦσιν, Ἰταλίαν Γαλατικὴν.

[8] When the Romans in the city learned of this third defeat on the Po (for they had in fact been beaten by the Boii before Hannibal arrived), they levied a new army of their own citizens which, with those already on the Po, amounted to thirteen legions, and they called for double that number from the allies. At this time the legion consisted of 5000 foot and 300 horse. Some of these they sent to Spain, some to Sardinia (for they were at war there also),

and some to Sicily. The greater part were despatched against Hannibal under Cn. Servilius and Gaius Flaminius, who had succeeded Scipio and Sempronius as consuls. Servilius hastened to the Po where he received the command from Scipio. The latter, having been chosen proconsul, sailed for Spain. Flaminius, with 30,000 foot and 3000 horse, guarded Italy within the Apennines, which alone can be properly called Italy. The Apennines extend from the centre of the Alpine range to the sea. The country on the right-hand side of the Apennines is Italy proper. The other side, extending to the Adriatic, is now called Italy also, just as Etruria is now called Italy, but is inhabited by people of Greek descent, along the Adriatic shore, the remainder being occupied by Gauls, the same people who at an early period attacked and burned Rome. When Camillus drove them out and pursued them to the Apennines, (Y.R. 537) it is my opinion that they crossed over these mountains (B.C. 217) and made a settlement near the Adriatic instead of their former abode. Hence this part of the country is still called Gallic Italy.

[9] Ῥωμαῖοι μὲν δὴ μεγάλους στρατοῖς ἐς πολλὰ ὁμοῦ διήρηντο: Ἀννίβας δὲ τούτων αἰσθόμενος, ἅμα τῷ ἥρι, τοὺς ἄλλους λαθὼν ἐδήου τὴν Τυρρηνίαν καὶ προύβαιεν ἐς τὸ μέρος τὸ ἐπὶ Ῥώμῃς. οἱ δὲ πλησιάζοντος αὐτοῦ πάνυ ἔδεισαν, οὐ παρούσης σφίσιν ἀξιομάχου δυνάμεως. ἐστράτευσον δὲ ὁμῶς ἐκ τῶν ὑπολοίπων ὀκτακισχιλίους, καὶ Κεντήνιον αὐτοῖς τινὰ τῶν ἐπιφανῶν ἰδιωτῶν, οὐδεμιᾶς ἀρχῆς παρούσης, ἐπέστησάν τε καὶ ἐξέπεμπον ἐς Ὀμβρικοὺς ἐς τὴν Πλειστινὴν λίμνην, τὰ στενὰ προληψόμενον, ἣ συντομώτατόν ἐστιν ἐπὶ τὴν Ῥώμην. ἐν δὲ τούτῳ καὶ Φλαμίνιος ὁ τοῖς τρισμυρίοις τὴν ἐντὸς Ἰταλίαν φυλάσσων, αἰσθόμενος τῆς σπουδῆς Ἀννίβου, μετέβαιεν ὀξέως, οὐ διαναπαύων τὴν στρατιάν. δέει τε περὶ τῆς πόλεως, καὶ αὐτὸς ὢν ἀπειροπόλεμος τε καὶ ἐς τὴν ἀρχὴν ἀπὸ δημοκοπίας ἡρημένος, ἠπείγετο Ἀννίβᾳ συμπλεκῆναι.

[9] Thus had the Romans divided their large armies at this juncture for many campaigns. Hannibal, learning this fact, moved secretly in the early spring, devastated Etruria, and advanced toward Rome. The citizens became greatly alarmed as he drew near, for they had no force at hand fit for battle. Nevertheless, 8000 of those who remained were brought together, over whom Centenius, one of the patricians, although a private citizen, was appointed commander, there being no regular officer present, and sent into Umbria to the Plestine marshes to occupy the narrow passages which offered the shortest way to Rome. In the meantime Flaminius, who guarded the interior of Italy with 30,000 men, learning of the rapidity of Hannibal's movement, changed his position hastily, giving his army no chance to rest. Fearing for the safety of the city and being inexperienced in war (for he had been wafted into power on a popular breeze), he hastened to engage with Hannibal.

[10] ὁ δὲ αἰσθόμενος αὐτοῦ τῆς τε ὀρμῆς καὶ ἀπειρίας, ὄρος μὲν τι καὶ λίμνην προυβάλετο πρὸ ἑαυτοῦ, ψιλοὺς δὲ καὶ ἱππέας ἐς φάραγγα ἀποκρύψας

ἐστρατοπέδευεν. καὶ αὐτὸν ὁ Φλαμίνιος κατιδὼν ἅμα ἔφ' σμικρὸν μὲν τι διέτριψε, τὸν στρατὸν ἀναπαύων ἐξ ὁδοιπορίας καὶ χαρακοποιούμενος, μετὰ δὲ τοῦτο ἐξῆγεν εὐθὺς ἐπὶ τὴν μάχην αὐτοὺς ὄντας ὑπ' ἀγρυπνίας καὶ κόπου. τῆς δ' ἐνέδρας ἐκφανείσης ἐν μέσῳ ληφθεὶς τοῦ τε ὄρους καὶ τῆς λίμνης καὶ τῶν ἐχθρῶν αὐτὸς τε ἀνηρέθη καὶ σὺν αὐτῷ δισμῦριοι. τοὺς δὲ λοιποὺς ἔτι μυρίους, ἔς τινα κώμην ὀχυρὰν συμφυγόντας, Μάαρβαλ ὁ ὑποστράτηγος Ἀννίβου, μεγίστην καὶ ὅδε ἐπὶ στρατηγίᾳ δόξαν ἔχων, οὐ δυνάμενος ἐλεῖν εὐχερῶς, οὐδὲ ἀξίων ἀπεγνώκosi μάχεσθαι, ἔπεισε τὰ ὄπλα ἀποθέσθαι, συνθέμενος ἀπολύσειν ὅπῃ θέλοιν. ὥς δὲ ἀπέθεντο, λαβὼν ἤγεν αὐτοὺς πρὸς τὸν Ἀννίβαν γυμνοῦς. ὁ δ' οὐ φάμενος εἶναι κύριον χωρὶς αὐτοῦ ταῦτα συνθέσθαι τὸν Μάαρβαλ, τοὺς μὲν ἐκ τῶν συμμάχων φιλανθρωπευσάμενος ἀπέλυσεν ἐς τὰ ἑαυτῶν, θηρεύων τῇ φιλανθρωπίᾳ τὰς πόλεις, ὅσοι δὲ Ῥωμαίων ἦσαν, εἶχε δήσας. τὴν δὲ λείαν τοῖς συστρατεύουσι Κελτοῖς ἀποδόμενος, ἵνα καὶ τούσδε θεραπεύσειε τῷ κέρδει, προύβαινε ἐς τὸ πρόσθεν, αἰσθομένου μὲν ἤδη τῶν γιγνομένων τοῦ περὶ Πάδον στρατηγοῦ Σερουιλίου, καὶ τετρακισμυρίους ἐπὶ Τυρρηνίας ἐπειγομένου, Κεντηνίου δὲ ἤδη τοῖς ὀκτακισχιλίοις τὰ στενὰ προειληφότος.

[10] The latter, well aware of his rashness and inexperience, moved forward and took a position with a mountain and a lake [Thrasimenus] before him, concealing his light-armed troops and his cavalry in a ravine. Flaminius, seeing the enemy's camp in the early morning, delayed a little to let his men rest from their toilsome march and to fortify his camp, after which he led them straightway to battle, although they were still weary with night-watches and hard labor. Caught between the mountain and the lake and the enemy (for the ambush suddenly appeared everywhere), he lost his own life, and 20,000 men were slain with him. The remaining 10,000 escaped to a village strongly fortified by nature. Maharbal, Hannibal's lieutenant, who had himself acquired very great renown in war, not being able to take them easily and thinking it unwise to fight with desperate men, persuaded them to lay down their arms, agreeing that they should go free wherever they pleased. When they had complied with this agreement he brought them disarmed to Hannibal. The latter, denying that Maharbal had authority to make such an agreement without his consent, nevertheless treated the Roman allies with kindness and sent them home without ransom, in order to conciliate their towns. He kept all the Romans as prisoners. He gave the booty to the Gauls who were serving with him, in order to attach them to him by the hope of gain, and then marched forward. When this news reached the consul Servilius on the Po, he marched to Etruria with 40,000 men. Centenius, with his 8000, had already occupied the narrow passage previously mentioned.

[11] Ἀννίβας δὲ ἐπειδὴ τὴν τε λίμνην εἶδε τὴν Πλειστίνην καὶ τὸ ὄρος τὸ ὑπὲρ αὐτὴν, καὶ τὸν Κεντήνιον ἐν μέσῳ κρατοῦντα τῆς διόδου, τοὺς ἡγεμόνας τῶν ὁδῶν ἐξήταξεν εἴ τις εἴη περίοδος. οὐδεμίαν δὲ φαμένων εἶναι τρίβον, ἀλλ' ἀπόκρημνα πάντα καὶ φαραγγώδη, δι' αὐτῶν ὁμῶς ἔπεμπε τοὺς ψιλοὺς

νύκτωρ τὸ ὄρος περιέναι, καὶ Μαάρβαλ μετ' αὐτῶν. τεκμηράμενος δ' ὅτε δύναιτο περιελθεῖν, προσέβαλε τῷ Κεντηνίῳ κατὰ μέτωπον. καὶ συνεστῶτων ἑκατέρων, πάνυ προθύμως ὁ Μαάρβαλ ἐκ κορυφῆς ἄνωθεν ὤφθη τε καὶ ἠλάλαξεν. Ῥωμαίων δ' εὐθὺς ἦν φυγὴ καὶ φόνος κεκυκλωμένων, καὶ τρισχίλιοι μὲν ἔπεσον ὀκτακόσιοι δ' ἐλήφθησαν: οἱ δὲ λοιποὶ μόλις διέφυγον. πυθόμενοι δὲ οἱ ἐν ἄστει, καὶ δείσαντες μὴ εὐθὺς ἐπὶ τὴν πόλιν ὁ Ἀννίβας ἔλθοι, τό τε τεῖχος ἐπλήρουν λίθων καὶ τοὺς γέροντας ὥπλιζον, ὅπλων μὲν ἀποροῦντες, τὰ δὲ λάφυρα ἐκ τῶν ἱερῶν καταφέροντες, ἃ ἐκ πολέμων ἄλλων κόσμος αὐτοῖς περιέκειτο: δικτάτορά τε, ὡς ἐν κινδύνῳ, Φάβιον εἵλοντο Μάξιμον.

[11] When Hannibal saw the Plestine marsh and the mountain overhanging it, and Centenius between them guarding the passage, he inquired of the guides whether there was any way around. When they said there was no path but that the whole region was rugged and precipitous, he, nevertheless, sent a body of light-armed troops, under the command of Maharbal, to explore the district and pass around the mountain by night. When he judged that they had reached their destination he attacked Centenius in front. While the engagement was in progress, Maharbal was seen pushing forward strenuously on the summit above, where he raised a shout. The Romans thus surrounded took to flight, and there was a great slaughter among them, 3000 being killed and 800 taken prisoners. The remainder escaped with difficulty. When this news reached the city they feared lest Hannibal should march against them at once. They collected stones upon the walls, and the old men armed themselves. Being in want of arms they took down from the temples those that had been hung there as trophies of former wars, and, as was customary in times of great danger, they chose a dictator, Fabius Maximus being selected.

CHAPTER III

The Policy of Fabius Maximus — Rashness of Minucius Rufus — Hannibal caught in a Trap — His Escape from Fabius — Carthage refuses to send Reënforcements to Hannibal — The New Consuls — Their Disagreement

[12] Ἀννίβας δέ, θεοῦ παράγοντος αὐτόν, ἐπὶ τὸν Ἰόνιον αὐθις ἐτράπη, καὶ τὴν παράλιον ὁδεύων ἐπόρθει, λείαν τε περιήλαυνε πολλήν. Σερουίλιος δ' ὕπατος ἀντιπαριῶν αὐτῷ κατῆρεν ἐς Ἀρίμινον, ἀπέχων Ἀννίβου μίαν ἡμέραν: ἔνθα τὴν στρατιὰν συνεῖχε καὶ τοὺς ἔτι φίλους Κελτῶν ἀπεθάρρυνεν, ἕως ἀφικόμενος Φάβιος Μάξιμος ὁ δικτάτωρ Σερουίλιον μὲν ἐς Ῥώμην ἐπεμπεν ὡς οὔτε ὕπατον οὔτε στρατηγὸν ἔτι ὄντα δικτάτορος ἡρημένου, αὐτὸς δὲ τῷ Ἀννίβᾳ παρακολουθῶν ἐς μὲν χεῖρας οὐκ ἦει, πολλάκις ἐκείνου προκαλουμένου, πολιορκεῖν δ' οὐδένα εἶα, παραφυλάσσων καὶ ἐπικείμενος. ὁ δέ, τῆς χώρας ἐξαναλωμένης, τροφῶν ἠπόρει, καὶ αὐτὴν αὐθις περιῶν ἐκάστης ἡμέρας ἐξέτασσε, προκαλούμενος ἐς μάχην. Φάβιος δ' οὐ συνεπλέκετο, καταγιγνώσκοντος αὐτοῦ Μινουκίου Ῥούφου, ὃς ἵππαρχος μὲν ἦν αὐτῷ, ἔγραφε δ' ἐς Ῥώμην τοῖς φίλοις ὡς ὀκνοίη Φάβιος ὑπὸ δειλίας. διαδραμόντος δ' ἐς Ῥώμην ἐπὶ θυσίας τινὰς τοῦ Φαβίου, ὁ Μινούκιος ἡγούμενος τοῦ στρατοῦ συνεπλέκη τινὰ μάχην τῷ Ἀννίβᾳ, καὶ δόξας πλεόν ἔχειν θρασύτερον ἐς Ῥώμην ἐπέστελλε τῇ βουλῇ, τὸν Φάβιον αἰτιώμενος οὐκ ἐθέλοντα νικῆσαι. καὶ ἡ βουλή, ἐπανεληλυθότος ἐς τὸ στρατόπεδον ἤδη τοῦ Φαβίου, ἴσον ισχύειν αὐτῷ τὸν ἵππαρχον ἀπέφηνεν.

[12] But divine Providence turned Hannibal away toward the Adriatic, where he ravaged the sea-coast and gathered vast plunder. The consul Servilius, marching parallel with him, came to Ariminum, being distant from Hannibal by one day's march. He retained his army there in order to hearten those Gauls who were still friendly to Rome. When Fabius Maximus, the dictator, arrived, he sent to Rome Servilius, who could be no longer either consul or general after a dictator had been chosen. Fabius followed Hannibal closely, but did not come to an engagement with him, although often challenged. He kept careful watch on his enemy's movements, and lay near him and prevented him from besieging any town. After the country was exhausted Hannibal began to be short of provisions. So he traversed it again, drawing his army up each day and offering battle. Fabius would not come to an engagement, although his master of horse, Minucius Rufus, disapproved of his policy, and wrote to his friends in Rome that Fabius held back on account of cowardice. As Fabius had occasion to go to Rome to perform certain sacrifices, the command of the army fell to Minucius, and he had a sort of a fight with Hannibal, and as he thought he had the best of it he grew bolder and wrote to the Senate accusing Fabius of not wanting to win a victory; and the Senate, when Fabius had returned to the camp, voted that his master of horse should share the command equally with him.

[13] οἱ μὲν δὴ μερισάμενοι τὴν στρατιὰν πλησίον ἀλλήλων ἐστρατοπέδευον, καὶ τῆς γνώμης ἑκάτερος εἶχοντο τῆς ἑαυτοῦ, Φάβιος μὲν ἐκτρύχειν Ἀννίβαν τῷ χρόνῳ καὶ πειρᾶσθαι μηδὲν ὑπ' αὐτοῦ παθεῖν, ὁ δὲ Μινούκιος μάχῃ διακριθῆναι. συνιόντος δὲ ἐς μάχην τοῦ Μινουκίου, Φάβιος τὸ μέλλον ἔσσεσθαι προορῶν ἐν μέσῳ τὴν στρατιὰν ἀτρεμοῦσαν ἔστησε τὴν ἑαυτοῦ, καὶ τοὺς τοῦ Μινουκίου τραπέντας ἀνελάμβανε, τοὺς δ' Ἀννίβου διώκοντας ἀπεκρούετο. καὶ Φάβιος μὲν ὧδε τὴν συμφορὰν ἐπεκούφισε τῷ Μινουκίῳ, οὐδὲν ἐπιμηνίσας τῆς διαβολῆς· ὁ δὲ Μινούκιος αὐτοῦ καταγνοὺς ἀπειρίαν ἀπέθετο τὴν ἀρχήν, καὶ τὸ μέρος τοῦ στρατοῦ παρέδωκε τῷ Φαβίῳ, ἡγουμένῳ πρὸς ἄνδρα τεχνίτην μάχης ἕνα καιρὸν εἶναι τὴν ἀνάγκην. οὗ δὴ καὶ ὁ Σεβαστὸς ὕστερον πολλάκις ἐμὲννητο, οὐκ ὦν εὐχερῆς οὐδ' οὗτος ἐς μάχας μᾶλλον τόλμῃ ἢ τέχνῃ χρῆσθαι. Φάβιος μὲν οὖν αὖτις ὁμοίως ἐφύλασσε τὸν Ἀννίβαν, καὶ τὴν χώραν πορθεῖν ἐκώλυεν, οὐ συμπλεκόμενος αὐτοῦ τῷ στρατῷ παντί, τοῖς δ' ἀποσκιδναμένοις μόνοις ἐπιτιθέμενος, καὶ σαφῶς εἰδῶς ἀπορήσοντα τροφῶν αὐτίκα τὸν Ἀννίβαν.

[13] They accordingly divided the army and encamped near each other; and each held to his own opinion, Fabius seeking to exhaust Hannibal by the lapse of time and meanwhile to receive no damage from him, while Minucius was eager for a decisive fight. Shortly afterward Minucius joined battle, and Fabius looked on to see what would happen, holding his own forces well in hand. In this way he was enabled to receive Minucius when he was beaten, and to drive Hannibal's men back from the pursuit. Thus did Fabius save Minucius from a great disaster, bearing him no malice for his slander. Then Minucius, recognizing his own want of experience, laid down his command and delivered his part of the army to Fabius, who held to the belief that the only time for a skilful captain to fight is when it is necessary. This maxim, at a later time, was often brought to mind by Augustus, who was slow to fight and preferred to win by art rather than by valor. Fabius continued to watch Hannibal as before and prevented him from ravaging the country, not coming to an engagement with his whole army but merely cutting off stragglers, well knowing that Hannibal would soon be short of supplies.

[14] στενῆς δὲ διόδου πλησιαζούσης, ὁ μὲν Ἀννίβας αὐτὴν οὐ προείδετο, Φάβιος δὲ προπέμψας τετρακισχιλίους κατέλαβε, καὶ τοῖς λοιποῖς αὐτὸς ἐπὶ θάτερα ἐστρατοπέδευεν ἐπὶ λόφῳ καρτεροῦ. ὁ δὲ Ἀννίβας ὥς ἦσθετο ληφθεὶς ἐν μέσῳ Φαβίου τε καὶ τῶν στενῶν φυλασσομένων, ἔδεισε μὲν ὥς οὐ ποτε πρότερον· οὐ γὰρ εἶχε διέξοδον, ἀλλὰ πάντα ἦν ἀπόκρημνα καὶ δύσβατα, οὐδ' ἥλπιζε Φάβιον ἢ τοὺς ἐπὶ τῶν στενῶν βιάσσεσθαι διὰ τὴν τῶν χωρίων ὀχυρότητα. ὧδε δ' ἔχων ἀπορίας τοὺς μὲν αἰχμαλώτους ἐς πεντακισχιλίους ὄντας κατέσφαζεν, ἵνα μὴ ἐν τῷ κινδύνῳ νεωτερίσειαν, βοῦς δὲ ὅσας εἶχεν ἐν τῷ στρατοπέδῳ ἄπολιν δὲ πλῆθος ἦν, τοῖς κέρασιν αὐτῶν δάδας περιέθηκε, καὶ νυκτὸς ἐπιγενομένης τὰς δάδας ἐξάψας τὸ λοιπὸν ἐν τῷ στρατοπέδῳ πῦρ ἔσβεσε, καὶ σιγὴν βαθεῖαν ἔχειν παρήγγειλε, τοῖς δ' εὐτολμοτάτοις τῶν νέων ἐκέλευσε τὰς βοῦς ἐλαύνειν μετὰ σπουδῆς ἄνω πρὸς τὰ ἀπόκρημνα, ἃ ἦν ἐν

μέσῳ τοῦ τε Φαβίου καὶ τῶν στενῶν. αἱ δ' ὑπὸ τε τῶν ἐλαυνόντων ἐπειγόμεναι, καὶ τοῦ πυρὸς ἐκκαίοντος αὐτάς, ἀνεπήδων ἐπὶ τοὺς κρημνοὺς ἀφειδῶς καὶ βιαίως, εἴτα κατέπιπτον καὶ αὐθις ἀνεπήδων.

[14] They were now approaching a narrow pass of which Hannibal was ignorant. Fabius sent forward 4000 men to occupy it, keeping the remainder of his force at the other extremity where he encamped on a strong hill. When Hannibal discovered that he had been caught between Fabius and the defended pass he was more alarmed than he had ever been before, for there was no way of escape, but all the country round about was rugged and precipitous. He could not hope to overcome Fabius or those defending the pass, on account of the difficulties of the ground. In this desperate situation he put to death his 5000 prisoners lest they should add a new tumult to the danger. Then he tied torches to the horns of all the cattle he had in the camp (and there were many), and when night came he lighted the torches, extinguished all the camp fires, and commanded the strictest silence. Then he ordered the most courageous of his young men to drive the cattle up the rocky places between Fabius and the pass. These, urged on by their drivers and burned by the torches, ran furiously up the mountain side, and if any of them fell down they would get up and run on again.

[15] Ῥωμαῖοι δὲ οἱ ἐκατέρωθεν, ὁρῶντες ἐν μὲν τῷ Ἀννίβου στρατοπέδῳ σιγὴν καὶ σκότον, ἐν δὲ τοῖς ὄρεσι πῦρ πολὺ καὶ ποικίλον, οὐκ ἔχοντες ὥς ἐν νυκτὶ τὸ γινόμενον ἀκριβῶς ἐπινοῆσαι, ὁ μὲν Φάβιος εἵκαζεν εἶναι τι στρατήγημα τοῦτο Ἀννίβου, καὶ συνεῖναι μὴ δυνάμενος ἀτρέμα συνεῖχε τὴν στρατιάν, τὴν νύκτα ὑφορώμενος· οἱ δ' ἐν τοῖς στενοῖς ὑπέλαβον, ἅπερ ἤθελεν ὁ Ἀννίβας, φεύγειν αὐτὸν ὥς ἐν ἀπόροις, ἄνω διὰ τῶν κρημνῶν βιαζόμενον, καὶ μετεπήδων ἐπὶ τὴν φαντασίαν τοῦ πυρὸς καταθέοντες ὥς ἐκεῖ ληψόμενοι τὸν Ἀννίβαν κακοπαθοῦντα. ὁ δὲ ὥς εἶδε καταβάντας αὐτοὺς ἐκ τῶν στενῶν, διέδραμεν ἐς αὐτὰ τοῖς ταχυτάτοις ἄνευ φωτὸς μετὰ σιωπῆς, ἵνα διαλάθοι, καταλαβὼν δὲ αὐτὰ καὶ κρατυνάμενος ἐσήμηνε τῇ σάλπιγγι· καὶ τὸ στρατόπεδον ἀντεβόησεν αὐτῷ, καὶ πῦρ αἰφνίδιον ἐξέφηναν. Ῥωμαῖοι μὲν δὴ τότε ἦσθοντο τῆς ἀπάτης, ὁ δὲ στρατὸς ὁ ἄλλος Ἀννίβου καὶ οἱ τὰς βοῦς ἐλαύνοντες ἐπὶ τὰ στενὰ ἀδεῶς διέδραμον. καὶ αὐτοὺς συναγαγὼν ἀπῆρεν ἐς τὸ πρόσω. οὕτω μὲν ἐξ ἀέλπτου τότε ὁ Ἀννίβας αὐτὸς τε περιῆν καὶ τὸν στρατὸν περιέσῳζε, καὶ ἐς Γερωνίαν τῆς Ἰαπυγίας ἐπειχθεὶς, ἥ σίτου πλήρης ἦν, ἐξεῖλεν αὐτήν, καὶ ἐν ἀφθόνοις ἀδεῶς ἐχείμαζεν.

[15] The Romans on either side when they observed the silence and darkness in Hannibal's camp and the many and various lights on the mountain side, could not exactly make out what was taking place, because it was night. Fabius, indeed, suspected that it was some stratagem of Hannibal's, but not being sure he kept his army in its position on account of the darkness. But those who held the pass imagined, just as Hannibal wished, that in his extremity he was trying to escape by scaling the cliffs above. So they hastened

away to the place where they saw the lights, in order to catch Hannibal there in difficulties. The latter, when he discovered that the pass was deserted, advanced with a flying detachment, in dead silence and without light, in order to conceal the movement. Having seized the pass and strengthened his position he made a signal by trumpet, and the army in camp answered him with a shout and immediately relighted the fires. Then the Romans saw that they had been deceived. The remainder of Hannibal's army and those who drove the cattle now advanced to the pass without fear, and when he had brought them all together he moved forward. Thus did Hannibal succeed beyond expectation and rescue his army from danger. Thence he advanced to Geronia, a city of Apulia, which was well stored with provisions. This town he captured, and here went into winter quarters in the midst of abundance.

[16] ὁ δὲ Φάβιος καὶ τότε τῆς αὐτῆς γνώμης ἐχόμενος εἶπετο, καὶ τῆς Γερωνίας ἀποσχῶν δέκα σταδίους ἐστρατοπέδευε, λαβὼν ἐν μέσῳ ποταμὸν Αὐφιδον. ληγόντων δὲ αὐτῷ τῶν ἕξ μηνῶν ἐφ' οὓς αἰροῦνται Ῥωμαῖοι τοὺς δικτάτορας, οἱ μὲν ὕπατοι Σερουίλιος τε καὶ Ἀτίλιος ἐπὶ τὰς ἑαυτῶν ἀρχὰς ἐπανήσαν, καὶ ἦλθον ἐπὶ τὸ στρατόπεδον, καὶ ὁ Φάβιος ἐς Ῥώμην ἀπήει, γίνονται δέ τινες ἐν τῷδε τῷ χειμῶνι Ἀννίβα καὶ Ῥωμαίοις ἀκροβολισμοὶ συνεχεῖς ἐς ἀλλήλους· καὶ τὰ Ῥωμαίων ἐπικυδέστερα καὶ εὐθαρσέστερα ἦν. ὁ δ' Ἀννίβας ἐπέστελλε μὲν ἀεὶ τὰ γινόμενα Καρχηδονίοις ὑπερεπαίρων, τότε δὲ ἀπολωλότων αὐτῷ πολλῶν ἠπόρει, καὶ στρατιὰν ἤτει καὶ χρήματα. οἱ δὲ ἐχθροὶ πάντα ἐπισκώπτοντες τὰ Ἀννίβου, καὶ τότε ὑπεκρίνοντο ἀπορεῖν ὅτι, τῶν νικόντων οὐκ αἰτούντων χρήματα ἀλλὰ πεμπόντων ἐς τὰς πατρίδας, ὁ Ἀννίβας αἰτοίῃ, λέγων νικᾶν. οἷς οἱ Καρχηδόνιοι πεισθέντες οὔτε στρατιὰν ἔπεμπον οὔτε χρήματα. καὶ ὁ Ἀννίβας ταῦτ' ὀδυρόμενος ἔγραφεν ἐς Ἰβηρίαν Ἀσδρούβα τῷ ἀδελφῷ, παρακαλῶν αὐτὸν ἀρχομένου θέρους μεθ' ὅσης δύναιτο στρατιᾶς καὶ χρημάτων ἐσβαλεῖν ἐς τὴν Ἰταλίαν, καὶ πορθεῖν αὐτῆς τὰ ἐπέκεινα, ἵνα δηῶτο πᾶσα καὶ Ῥωμαῖοι κάμνοιεν ὑπ' αὐτῶν ἐκατέρωθεν.

[16] Fabius, pursuing the same policy as before, followed and encamped at a distance of ten stades from Geronia, with the river Aufidus flowing between them. The six months which limited the terms of dictators among the Romans now expired, and the consuls Servilius and Atilius resumed their offices and came to the camp, and Fabius returned to Rome. During the winter frequent skirmishes took place between Hannibal and the Romans in which the latter were generally successful, and showed to the better advantage. Hannibal was all the time writing exultingly to the Carthaginians about the events of the war, but now, having lost many men and being in want of assistance, he asked them to send him soldiers and money. But his enemies, who had jeered at all of his doings, replied that they could not understand how Hannibal should be asking for help when he said he was winning victories, since victorious generals did not ask for money but sent it home to their own people. The Carthaginians followed their suggestion and sent neither soldiers nor money. Hannibal, lamenting this short-sighted policy, wrote to his brother Hasdrubal

in Spain, telling him to make an incursion into Italy at the beginning of summer with what men and money he could raise, and ravage the other extremity so that the whole country might be wasted at once and the Romans exhausted by the double encounter. Such was the situation of Hannibal's affairs.

[17] καὶ τότε μὲν ἦν περὶ Ἀννίβαν, Ῥωμαῖοι δὲ τῷ τε μεγέθει τῆς ἥττης τῆς Φλαμινίου καὶ Κεντηνίου περιαλγοῦντες ὥς ἀνάξια σφῶν καὶ παράλογα καὶ ἄθροα παθόντες, καὶ τὸν πόλεμον ὅλως οὐ φέροντες ἔνδον ὄντα παρ' ἑαυτοῖς, ἄλλα τε κατέλεγον ἐκ Ῥώμης τέλη στρατιωτῶν τέσσαρα μετ' ὀργῆς ἐπὶ τὸν Ἀννίβαν, καὶ τοὺς συμμάχους πανταχόθεν ἤγειρον ἐς Ἰαπυγίαν. ὑπάτους τε αἰροῦνται ἐκ μὲν δόξης πολεμικῆς Λεύκιον Αἰμίλιον τὸν Ἰλλυριοῖς πολέμησαντα, ἐκ δὲ δημοκοπίας Τερέντιον Οὐάρρωνα, πολλὰ αὐτοῖς ἐκ τῆς συνήθους δοξοκοπίας ὑπισχνούμενον. καὶ αὐτοὺς παραπέμποντες ἐξιόντας ἐδέοντο κρίναι τὸν πόλεμον μάχῃ, καὶ μὴ τὴν πόλιν ἐκτρύχειν χρόνῳ τε καὶ στρατείαις συνεχέσι καὶ ἐσφοραῖς καὶ λιμῷ καὶ ἀργίᾳ τῆς γῆς δηουμένης. οἱ δὲ τὴν στρατιὰν τὴν ἐν Ἰαπυγίᾳ προσλαβόντες, καὶ τὸ σύμπαν ἔχοντες πεζοὺς μὲν ἑπτακισμυρίους ἱππέας δ' ἑξακισχιλίους, ἐστρατοπέδευον ἀμφὶ κώμῃ τινὶ καλουμένῃ Κάνναις. καὶ ὁ Ἀννίβας αὐτοῖς ἀντεστρατοπέδευεν. φύσει δὲ ὢν φιλοπόλεμος ὁ Ἀννίβας καὶ οὐ ποτε φέρων ἀργίαν, τότε μάλιστα τῆς ἀπορίας αὐτὸν ἐνοχλοῦσης ἐξέτασσε συνεχῶς ἐς μάχην, δεδιὼς μὴ οἱ μισθοφόροι μετάθωιντο διὰ τὴν ἀμισθίαν ἢ σκεδασθεῖεν ἐπὶ συλλογὴν ἀγορᾶς. καὶ ὁ μὲν οὕτω προὔκαλεῖτο τοὺς πολεμίους.

[17] The Romans, distressed by the magnitude of the disasters to Flaminius and Centenius, and considering such a succession of surprising defeats unworthy of their dignity, and that a war within their own territory was not to be tolerated, and furious against Hannibal, levied four new (Y.R. 538) legions in the city to serve against him, and hurried the (B.C. 216) allied forces from all quarters to Apulia. As consuls they chose Lucius Æmilius, who had acquired military fame in the war against the Illyrians, and Terentius Varro, a demagogue who had won popular favor by the usual high-sounding promises. When they sent the consuls forward they begged them as they were leaving the city to end the war by battle, and not to exhaust the city by delay, by conscriptions, by taxes, and by hunger and idleness due to the devastation of the fields. The consuls on taking command of the army in Apulia had altogether 70,000 foot and 6000 horse, and they encamped near a village called Cannæ. Hannibal's camp was near by. Hannibal, who was always ready to fight and impatient of idleness, was especially so now because he was troubled lest his supplies should fail, for which reason he continually offered battle. He feared also lest his mercenaries should desert him, as they had not received their pay, or disperse through the country in search of food. For this reason he challenged the enemy daily.

[18] γνώμη δὲ τῶν ὑπάτων ἦν, Αἰμιλίου μὲν ὑπομένειν ἐκτρύχοντας Ἀννίβαν

οὐ δυνησόμενον ἀντέχειν ἐπὶ πολὺ διὰ τὴν ἀπορίαν, μηδὲ διὰ χειρὸς ἔρχεσθαι γεγυμνασμένῳ πολέμοις καὶ εὐτυχίαις ἀνδρὶ καὶ στρατῷ, Τερεντίου δ', οἷα δημοκόπου, μνημονεύειν ὧν ὁ δῆμος ἐξιούσιν ἐνετέλλετο, καὶ κρῖναι τὴν μάχην ὀξέως. τούτοις Αἰμιλίῳ μὲν προσετίθετο Σερουίλιος ὁ πέρυσιν ὕπατος ἔτι παρών, Τερεντίῳ δὲ ὅσοι τε ἀπὸ βουλῆς καὶ τῶν καλουμένων ἱππέων ἠγοῦντο τῆς στρατιᾶς. ἀντεχόντων δ' ἔτι τῶν ἐτέρων, ὁ Ἀννίβας τοῖς χορτολογοῦσιν αὐτῶν ἢ ξυλευομένοις ἐπιτιθέμενος ὑπεκρίνετο ἡττᾶσθαι, καὶ περὶ ἐσχάτην ποτὲ φυλακὴν ἐκίνει τὸ πλῆθος ὡς ἀναζευγνύς. ὁ δὲ Τερέντιος ἰδὼν ἐξῆγε τὴν στρατιὰν ὡς ἐπὶ φεύγοντα τὸν Ἀννίβαν, ἀπαγορεύοντος αὐτῷ καὶ τότε τοῦ Αἰμιλίου. ὡς δὲ οὐκ ἔπειθεν, οἰωνίζετο ὁ Αἰμίλιος ἐφ' ἑαυτοῦ, καθάπερ εἰώθασι, καὶ πέμψας ὁδεύοντι ἤδη τῷ Τερεντίῳ τὴν ἡμέραν ἀπαίσιον ἔλεγεν εἶναι. ὁ δ' ἐπανήει μὲν, αἰδούμενος οἰωνοῖς ἀπειθῆσαι, τὰς δὲ κόμας ἐν ὄνει τῆς στρατιᾶς ἐτίλλετο καὶ χαλεπῶς ἔφερεν ὡς τὴν νίκην ἀφηρνημένος ὑπὸ ζηλοτυπίας τοῦ συνάρχου. καὶ τὸ πλῆθος αὐτῷ συνηγανάκει.

[18] The opinions of the consuls were diverse. Æmilius thought that it was best to exhaust Hannibal by delay, as he could not hold out long for want of provisions, rather than come to an engagement with a general so skilled in war and an army so accustomed to victory. But Varro, like the demagogue he was, reminded his colleague of the charge which the people had laid upon them at their departure, that they should bring matters to a speedy decision by battle. Servilius, the consul of the previous year, who was still present, alone sustained the opinion of Æmilius. All the senators and the so-called knights who held offices in the army agreed with Varro. While they were still disputing, Hannibal set upon some detachments of theirs that were collecting wood and forage, and he pretended to be defeated, and about the last watch put the bulk of his army in motion as if in retreat. Varro, seeing this, led out the army with the thought of pursuing Hannibal in his flight. Æmilius even then forbade the movement, and as Varro did not obey he consulted the omens alone, according to the Roman custom, and sent word to Varro, just as he was starting, that the day was unpropitious. The latter thereupon came back, not venturing to disregard the omen, but he tore his hair in the sight of the whole army, and cried out that victory had been snatched from him by the envy of his colleague; and the whole crowd shared his anger.

CHAPTER IV

Preparations for Battle — Battle of Cannæ — Total Defeat of the Romans — Roman Losses — Hannibal's Strategy

[19] Αννίβου δ', ἐπεὶ τῆς πείρας ἐξέπιπτεν, αὐτίκα ἐς τὸ στρατόπεδον ἐπανελθόντος καὶ τὴν ὑπόκρισιν ἐκφάναντος, οὐδὲ τοῦτ' ἐδίδασκε τὸν Τερέντιον πάνθ' ὑπονοεῖν τὰ Ἀννίβου, ἀλλ' ὥς εἶχεν, ἐν τοῖς ὅπλοις ἐς τὸ στρατήγιον ἐσδραμών, παρόντων ἐτι τῶν τε ἀπὸ βουλῆς καὶ ταξιάρχων καὶ χιλιάρχων, ἡτιᾶτο περὶ τῶν οἰωνῶν τὸν Αἰμίλιον προφασίσασθαι καὶ νίκην φανεράν ἀφελέσθαι τὴν πόλιν, ὀκνοῦντα ὑπὸ δειλίας, ἣ οἱ φθονοῦντα διὰ ζηλοτυπίαν. οὕτω δ' αὐτοῦ βοῶντος ὑπ' ὀργῆς ἡ στρατιὰ περιεστῶσα τὴν σκηνὴν ἐπήκουε, καὶ τὸν Αἰμίλιον ἐβλασφήμουν. ὁ δὲ πολλὰ μὲν εἶπε τοῖς ἔνδον συμφέροντα μάτην, Τερεντίῳ δέ, πλὴν Σερουιλίου, τῶν ἄλλων συντιθεμένων εἶξεν. καὶ τῆς ἐπιούσης ἐξέτασεν αὐτὸς ἡγούμενος: παρεχώρει γὰρ ὁ Τερέντιος. Ἀννίβας δ' ἥσθετο, καὶ τότε μὲν οὐκ ἐπεξῆλθεν 'οὐ γάρ πω πρὸς μάχην διετέτακτο, τῇ δ' ἐπιούσῃ κατέβαινον ἐς τὸ πεδῖον ἐκάτεροι, Ῥωμαῖοι μὲν ἐς τρία τεταγμένοι, μικρὸν ἀπ' ἀλλήλων διεστῶτες, καὶ μέρος ἕκαστον αὐτῶν εἶχε τοὺς πεζοὺς ἐν μέσῳ, τοὺς δὲ ψιλοὺς καὶ ἱππέας ἐκατέρωθεν. στρατηγοὶ δ' ἐφειστήκεσαν τῷ μέσῳ μὲν Αἰμίλιος, τῷ δὲ λαίῳ Σερουίλιος, Τερέντιος δὲ τοῖς ἐπὶ δεξιᾷ, χιλίους ἄμφ' αὐτὸν ἕκαστος ἔχων ἱππέας ἐπειλεγμένους, ἐπικουρεῖν ὅπῃ τι πονοίῃ. οὕτω μὲν ἐτάξαντο Ῥωμαῖοι:

[19] Hannibal, when his scheme failed, returned forth-with to his camp, thus showing that his retreat was feigned, but this did not teach Varro to suspect every movement of Hannibal. Hurrying armed as he was to the praetorium, he complained in the presence of senators, centurions, and tribunes that Æmilius had made a pretence about the omen in order to snatch a sure victory from the city, either hesitating from cowardice or moved by jealousy toward himself. While he was thus venting his wrath the soldiers standing around the tent listened to him and joined in the censure of Æmilius. The latter nevertheless continued to give good advice to those within, but in vain. When all the others, Servilius alone excepted, sided with Varro, he yielded, and on the following day he himself drew up the army in order of battle as commander, for Varro yielded to him that title. Hannibal perceived the movement but he did not come out of his camp because he was not quite ready for battle. On the next day both armies came down to the open field. The Romans were drawn up in three lines with a small interval between them, each part having infantry in the centre, with light-armed troops and cavalry on the wings. Æmilius commanded the centre, Servilius the left wing, and Varro the right. Each had a thousand picked horse at hand to carry aid wherever it should be needed. Such was the Roman formation.

[20] ὁ δ' Ἀννίβας πρῶτα μὲν, εἰδὼς περὶ μεσημβρίαν εὖρον ζοφώδη τὸν χώρον

ἐξ ἔθους ἐπιπνέοντα, προύλαβεν ὅπη κατὰ νότου τὸ πνεῦμα ἔμελλεν ἔξειν: ἔπειτα ἐς ὅρος περίφυτον καὶ φαραγγῶδες ἰππέας προενήδρευσε καὶ ψιλοῦς, οἷς εἶρητο, ὅταν αἱ φάλαγγες ἔργων ἔχωνται καὶ τὸ πνεῦμα ἐπὶ, κατόπιν γίγνεσθαι τῶν πολεμίων. ἄνδρας τε πεντακοσίους Κελτίβηρας ἐπὶ τοῖς μακροῖς ξίφεσιν ὑπὸ τοῖς χιτῶσιν ἄλλα ξίφη βραχύτερα περιέζωσεν, οἷς ἔμελλεν αὐτὸς ὅτε δέοι χρῆσθαι σημανεῖν. σύμπασαν δὲ τὴν στρατιὰν κάκεῖνος ἐς τρία διήρει, καὶ τοὺς ἰππέας τοῖς κέρασιν ἐπέτασσαν ἐκ μεγάλων διαστημάτων, εἰ δύναιντο κυκλώσασθαι τοὺς πολεμίους. ἐπέστησε δὲ τῷ μὲν δεξιῷ Μάγωνα τὸν ἀδελφόν, τῷ δὲ ἐτέρῳ τὸν ἀδελφιδοῦν Ἄνωνα: τὸ δὲ μέσον αὐτὸς εἶχε κατὰ δόξαν Αἰμιλίου τῆς ἐμπειρίας. δισχίλιοι τε ἵππεῖς ἐπίλεκτοι παρέθεον αὐτῷ, καὶ Μαάρβαλ ἐτέρους ἔχων χιλίους ἐφῆδρυνεν ὅπη τι πονούμενον ἴδοι. καὶ τάδε πράσσων ἐς δευτέραν παρέτεινεν ὥραν, ἵνα τὸ πνεῦμα θᾷσσον ἐπέλθοι.

[20] Hannibal had previously observed that a stormy east wind began to blow in that region regularly about noon. So he chose the ground where he should have the wind at his back. Then on a wooded hill cut by ravines he placed some cavalry and light-armed troops in ambush, to whom he gave orders that when the battle was joined and the wind had risen, they should fall upon the enemy's rear. With them were placed 500 Celtiberians who had, in addition to the long swords at their belts, short daggers under their garments. These they were not to use till he himself gave the signal. He divided his whole army into three lines of battle and extended his horse at long distances on the wings in order to outflank the enemy if possible. He gave the command of the right wing to his brother Mago, and of the left to his nephew Hanno, retaining the centre for himself on account of Æmilius' reputation as an experienced commander. He had 2000 picked horse and Maharbal had 1000, who were ordered to move about and give assistance wherever they saw any part of the army in difficulties. In making these arrangements he protracted the time till about the second hour so that the wind might come to his aid the sooner.

[21] γενομένων δὲ πάντων εὐτρεπῶν ἑκατέροις, οἱ στρατηγοὶ διέθεον παρακαλοῦντες αὐτούς, καὶ ὑπεμίμησκον οἱ μὲν γονέων τε καὶ παίδων καὶ γυναικῶν καὶ τῆς προγεγεννημένης ἡττης, ὥς ἐν τῇδε τῇ μάχῃ περὶ σωτηρίας κριθησομένους, ὁ δ' Ἀννίβας τῶν τε προγεγονότων ἐπὶ τοῖσδε τοῖς ἀνδράσι κατορθωμάτων, καὶ ὥς αἰσχροὺς ἡττᾶσθαι τῶν ἡττημένων. ἐπεὶ δ' αἱ τε σάλπιγγες ἤχησαν καὶ αἱ φαλάγγες ἐβόησαν, πρῶτον μὲν αὐτῶν οἱ τοξόται καὶ σφενδονῆται καὶ λιθοβόλοι προδραμόντες ἐς τὸ μέσον ἀλλήλων κατῆρχον, μετὰ δὲ τοὺς αἱ φάλαγγες ἐχώρουν ἐπὶ τὸ ἔργον, φόνος τε καὶ πόνος ἦν πολὺς ἐκθύμως ἀγωνιζομένων ἑκατέρων. ἐν ᾧ σημαίνει μὲν ὁ Ἀννίβας τοῖς ἵππεσιν κυκλοῦσθαι τὰ κέρατα τῶν ἐχθρῶν, οἱ δὲ τῶν Ῥωμαίων ἵππεῖς ὀλιγώτεροι τῶν πολεμίων ὄντες ἀντιπαρῆγον αὐτοῖς, καὶ τὴν τάξιν ἐκτείναντες ἐπὶ λεπτόν ἡγωνίζοντο ὅμως ὑπὸ προθυμίας, καὶ μάλισθ' οἱ τὸ λαιὸν ἔχοντες ἐπὶ τῇ θαλάσῃ. Ἀννίβας δὲ καὶ Μαάρβαλ ὁμοῦ τοὺς περὶ σφᾶς ἐπῆγον κραυγῇ ἀπλέτῳ καὶ βαρβαρικῇ, νομίσαντες ἐκπλήξειν τοὺς ἐναντίους.

οἱ δὲ καὶ τούτους εὐσταθῶς καὶ ἀκαταπλήκτως ὑπέμενον.

[21] When all was in readiness on either side the commanders rode up and down the ranks encouraging their soldiers. The Romans were exhorted to remember their parents, wives, and children, and to wipe out the disgrace of former defeats. They were admonished that this battle was the last hope of safety. Hannibal reminded his men of their former exploits and their victories over these same enemies, and said that it would be shameful to be vanquished now by the vanquished. When the trumpets sounded the foot-soldiers raised a shout and the archers, slingers, and light-armed troops advanced and began the battle. After them the legions took up the work. Now began a great slaughter and a great struggle, each side contending valiantly. Presently Hannibal gave the signal to his horse to surround the enemy's wings. The Roman horse, although inferior in number, advanced against them, and extending their line of battle to a dangerous thinness, nevertheless fought valiantly, especially those on the left toward the sea. Hannibal and Maharbal together now led against them the cavalry they had kept around their own persons, with loud barbarian shouts, thinking to terrify their enemies. Yet the Romans received the shock without flinching and without fear.

[22] Διαπιπτούσης δὲ καὶ τῆσδε τῆς πείρας, ὁ Ἀννίβας τὸ σημεῖον ἐπῆρε τοῖς Κελτίβηρσι τοῖς πεντακοσίοις. οἱ δὲ τῆς τάξεως ἐκδραμόντες ἐς τοὺς Ῥωμαίους μετετίθεντο, καὶ τὰς ἀσπίδας αὐτοῖς καὶ τὰ δόρατα καὶ τὰ ξίφη τὰ φανερά ὠρεγον ὥσπερ αὐτομολοῦντες. καὶ ὁ Σερουίλιος αὐτοὺς ἐπαινέσας τὰ μὲν ὅπλα αὐτῶν αὐτίκα παρεῖλεν, ἐν δὲ μόνοις, ὥς ᾔετο, τοῖς χιτῶσιν ἔστησεν ὀπίσω: οὐ γὰρ ἐδοκίμαζε καταδεῖν αὐτομόλους ἐν ὄψει πολεμίων, οὐδὲ ὑπώπτευν ἐν χιτῶσι μόνοις ὀρῶν, οὐδὲ καιρὸς ἦν ἐν τοσῶδε πόνῳ. σπεῖραι δ' ἕτεραι Λιβύων προσεποιήσαντο φεύγειν ἄχρι τῶν ὀρῶν, συναλαλάξασαι μέγα. σύμβολον δ' ἦν ἡ βοή τοῖς ἐν ταῖς φάραγξι κεκρυμμένοις ἀναστρέφειν ἐς τοὺς διώκοντας. καὶ εὐθὺς οἱ τε ψιλοὶ καὶ ἵππεῖς ἐκ τῆς ἐνέδρας ἐξεφαίνοντο, καὶ τὸ πνεῦμα κατέβαινε πολὺ καὶ ζοφῶδες, ἐς τὰς Ῥωμαίων ὄψεις μετὰ κονιορτοῦ φερόμενον: ὃ καὶ μάλιστα αὐτοὺς ἐκώλυε προορᾶν τοὺς πολεμίους. τὰ τε βέλη Ῥωμαίοις μὲν πάντα ἀμβλύτερα διὰ τὴν ἀντιπνοίαν ἦν, τοῖς δὲ ἐχθροῖς ἐπιτυχῇ, τοῦ πνεύματος τὴν βολὴν συνωθοῦντος. οἱ δὲ οὔτε ἐκκλίνειν αὐτὰ προορῶντες οὔτ' ἀφίεμαι καλῶς δυνάμενοι, σφίσι τε αὐτοῖς περιπταίοντες, ἤδη ποικίλως ἐθορυβοῦντο.

[22] When Hannibal saw that his manoeuvre had failed, he gave the signal to his 500 Celtiberians. These passing out of their own line of battle went over to the Romans, holding out their shields, spears, and swords in the manner of deserters. Servilius commended them and at once took possession of their arms and stationed them in the rear, in their tunics alone as he supposed, for he did not think it best to put deserters in chains in the sight of the enemy, nor did he have any suspicion of men whom he saw with nothing but their tunics, nor was there time to take counsel in the thick of the fray. Now some of the

African cohorts made a pretence of flight toward the mountains, uttering loud cries. This was the signal to those concealed in the ravines to fall upon the pursuers. Straightway the light-armed troops and cavalry that had been placed in ambush showed themselves, and simultaneously a strong and blinding wind rose carrying dust into the eyes of the Romans, which prevented them from seeing their enemies. The impetus of the Roman missiles was lessened by the opposing wind, while that of the enemy's was increased and their aim made surer. The Romans, not being able to see and avoid the enemy's weapons nor to take good aim with their own, stumbled against each other and soon fell into disorder of various kinds.

[23] τότε δὴ τὸν καιρὸν ὀρῶντες τὸν ἐπηγγελμένον σφίσιν οἱ πεντακόσιοι, τὰ ξίφη τὰ βραχύτερα ἐκ τῶν κόλπων ἐπισπάσαντες πρώτους ἀνήρουν ὧν ἦσαν ὀπίσω, μετὰ δ' ἐκείνους, ἀρπάσαντες αὐτῶν τὰ ξίφη τὰ μείζω καὶ τὰς ἀσπίδας καὶ τὰ δόρατα, πᾶσιν ἐνέπιπτον καὶ μετεπήδων ἀφειδῶς· καὶ φόνον εἰργάζοντο πλεῖστον οὗτοι μάλιστα, ἅτε πάντων ὄντες ὀπίσω. τό τε κακὸν ἦδη πολὺ τοῖς Ῥωμαίοις καὶ ποικίλον ἦν, πονούμενοι μὲν ὑπὸ τῶν ἐναντίων, κεκυκλωμένοις δ' ὑπὸ τῆς ἐνέδρας, ἀναιρουμένοις δ' ὑπὸ τῶν ἀναμειγμένων. οὐδ' ἐπιστρέψαι πρὸς αὐτοὺς ἐδύναντο διὰ τοὺς ἐπικειμένους σφίσιν ἐκ μετώπου· οὐδ' ἐπεγίνωσκον ἔτι αὐτοὺς εὐμαρῶς, Ῥωμαϊκὰς ἀσπίδας ἔχοντας. ὑπὲρ ἅπαντα δ' αὐτοὺς ὁ κονιορτὸς ἠνώχλει, καὶ οὐκ εἶχον οὐδ' εἰκάσαι τὸ συμβαῖνον, ἀλλ' οἷον ἐν θορύβῳ καὶ φόβῳ, πάντα πλείω νομίζοντες εἶναι, καὶ τὰς ἐνέδρας οὐ τοσαύτας, οὐδὲ τοὺς πεντακοσίους εἰδότες ὅτι ἦσαν πεντακόσιοι, ἀλλ' ὅλον σφῶν τὸ στρατόπεδον ὑπὸ ἱππέων καὶ αὐτομόλων ἡγούμενοι κεκυκλῶσθαι, τραπέντες ἔφευγον ἀκόσμως, πρῶτοι μὲν οἱ ἐπὶ τοῦ δεξιοῦ, καὶ ὁ Τερέντιος αὐτοῖς ἐξήρχε τῆς φυγῆς, μετὰ δ' ἐκείνους οἱ τὸ λαιὸν ἔχοντες, ὧν ὁ Σερουίλιος ἡγούμενος πρὸς τὸν Αἰμίλιον διέδραμε· καὶ περὶ αὐτοὺς ἦν ὅσον ἄριστον ἱππέων τε καὶ πεζῶν, ἀμφὶ τοὺς μυρίους.

[23] At this juncture the 500 Celtiberians, seeing that the expected opportunity had come, drew their daggers from their bosoms and first slew those who were just in front of them, then, seizing the swords, shields, and spears of the dead, made a greater onslaught against the whole line, darting from one to another indiscriminately, and they accomplished all the greater slaughter inasmuch as they were in the rear of all. Now were the Romans in great and various trouble, assailed by the enemy in front, by ambuscades in flank, and butchered by foes amid their own ranks. They could not turn upon the latter on account of the pressure of the enemy in front and because it was not easy to distinguish these assailants, for they had possessed themselves of Roman shields. Most of all were they harassed by the dust, which prevented them from even guessing what was taking place. But (as usually happens in cases of disorder and panic) they considered their condition worse than it was, the ambuscades more dreadful, and the 500 more numerous than 500. In short, they imagined that their whole army was surrounded by hostile cavalry and

deserters. So they turned and broke into headlong flight, first those on the right wing where Varro himself led the retreat, and after them the left wing, whose commander, Servilius, however, went to the assistance of Æmilius. Around these the bravest of the horse and foot rallied, to the number of about 10,000.

[24] καταθορόντες δ' ἀπὸ τῶν ἵππων οἱ στρατηγοί, καὶ μετ' αὐτοὺς ὅσοι ἄλλοι ἦσαν ἐπὶ ἵππων, ἐπεζομάχουν τοῖς ἱππεῦσι τοῖς Ἀννίβου κεκυκλωμένοι. καὶ πολλὰ μὲν ἐξ ἐμπειρίας σὺν εὐψυχίᾳ καὶ ἀπονοίᾳ λαμπρὰ ἔδρασαν, ἐμπίπτοντες σὺν ὀργῇ τοῖς πολεμίοις, πανταχόθεν δὲ ἀνηροῦντο, περιτρέχοντος αὐτοὺς τοῦ Ἀννίβου, καὶ τοὺς ἰδίους ὅτε μὲν ἐξοτρύνοντος καὶ παρακαλοῦντος τὸ λείψανον τῆς νίκης ἐκπονῆσαι, ὅτε δ' ἐπιπλήσσοντός τε καὶ ὀνειδίζοντος, εἰ τὸ πλῆθος νενικηκότες ὀλίγων οὐ περιέσσονται. Ῥωμαῖοι δ', ἕως μὲν αὐτοῖς ὁ Αἰμίλιος καὶ ὁ Σερουῖλιος περιῆσαν, πολλὰ δρῶντές τε καὶ πάσχοντες ὅμως ὑπέμενον ἐν τάξει: ἐπεὶ δ' ἔπεσον αὐτῶν οἱ στρατηγοί, διὰ μέσων βιαζόμενοι τῶν ἐχθρῶν μάλα καρτερῶς κατὰ μέρη διέφευγον, οἱ μὲν, ἔνθαπερ οἱ πρὸ αὐτῶν ἐπεφεύγесαν, ἐς τὰ στρατόπεδα δύο ὄντα: καὶ σύμπαντες οἶδε ἐγένοντο ἀμφὶ τοὺς μυρίους καὶ πεντακισχιλίους, οἷς ὁ Ἀννίβας φυλακὴν ἐπέστησεν: οἱ δ' ἐς Κάννας, περὶ δισχιλίους, καὶ παρέδωκαν ἑαυτοὺς οἶδε οἱ δισχιλίοι τῷ Ἀννίβᾳ. ὀλίγοι δ' ἐς Κανύσιον διέδρασαν, καὶ οἱ λοιποὶ κατὰ μέρος ἐσκεδάσθησαν ἀνὰ τὰς ὕλας.

[24] The generals and all the others who had horses, although surrounded by Hannibal's cavalry, dismounted and fought on foot. They charged the enemy with fury and performed many brilliant exploits, the fruit of military experience, being nerved by the energy of despair. But they fell on all sides, and Hannibal, darting hither and thither, encouraged his soldiers, now exhorting them to make their victory complete, now rebuking and reproaching them because, after they had scattered the main body of the enemy, they could not overcome the small remainder. As long as Æmilius and Servilius survived the Romans stood firm, although giving and receiving many wounds, but when their generals fell they forced their way through the midst of their enemies most bravely, and escaped in various directions. Some took refuge in the two camps where others had preceded them in flight. These were altogether about 15,000, whom Hannibal straightway besieged. Others, to the number of about 2000, took refuge in Cannæ, and these surrendered to Hannibal. A few escaped to Canusium. The remainder were dispersed in groups through the woods.

[25] τοῦτο τέλος ἦν τῆς ἐπὶ Κάνναις Ἀννίβου τε καὶ Ῥωμαίων μάχης, ἀρξαμένης μὲν ὑπὲρ ὥραν δευτέραν, ληξάσης δὲ πρὸ δύο τῆς νυκτὸς ὥρων, οὐσης δ' ἔτι νῦν αἰοιδίμου Ῥωμαίοις ἐπὶ συμφορᾷ: ἀπέθανον γὰρ αὐτῶν ἐν ταῖςδε ταῖς ὥραις πεντακισμῦριοι, καὶ ζώντων ἐλήφθη πολὺ πλῆθος ἀπὸ τε τῆς βουλῆς πολλοὶ παρόντες ἐτελεῦτησαν, καὶ ἐπ' αὐτοῖς ταξίαρχοί τε ὅλγαντες καὶ λοχαγοὶ καὶ τῶν στρατηγῶν αὐτῶν οἱ ἄριστοι δύο. ὁ δὲ φαυλότατός τε καὶ

τῶν συμφορῶν αἴτιος ἀρχομένης τῆς τροπῆς ἐπεφεύγει. καὶ Ῥωμαῖοι δύο ἔτεσιν ἤδη περὶ τὴν Ἰταλίαν Ἀννίβα πολемоῦντες ἀπωλωλέκεσαν ἀνδρῶν ἰδίων τε καὶ συμμάχων ἐς δέκα μυριάδας.

[25] Such was the result of the battle between Hannibal and the Romans at Cannæ, which was begun after the second hour of the day and ended within two hours of night-fall, and which is still famous among the Romans as a disaster, for in these few hours 50,000 of their soldiers were slain and a great many taken prisoners. Many senators who were present lost their lives and with them all the military tribunes and centurions, and their two best generals. The most worthless one, who was the cause of the calamity, had made good his escape at the beginning of the rout. The Romans, in their two years' war with Hannibal in Italy, had now lost, of their own and their allied forces, about 100,000 men.

[26] Ἀννίβας δὲ νίκην ἀρίστην τε καὶ σπάνιον ἐξενεγκάμενος ἡμέρας μιᾶς στρατηγίμασι τέσσαρσι, τοῦ τε πνεύματος τῇ φορᾷ καὶ τοῖς ὑποκριθεῖσιν αὐτομολεῖν καὶ τοῖς προσποιηθεῖσι φεύγειν καὶ τοῖς ἐν μέσαις ταῖς φάραγξι κεκρυμμένοις, εὐθὺς ἀπὸ τοῦ ἔργου τοὺς πεσόντας ἐπῆει, θεώμενος δὲ τῶν φίλων τοὺς ἀρίστους ἀνηρημένους ᾤωξε, καὶ δακρύσας εἶπεν οὐ χρήζειν ἑτέρας τοιαύδε νίκης. ὃ καὶ Πύρρον φασὶν εἰπεῖν πρὸ αὐτοῦ, τὸν Ἡλείρου βασιλέα, Ῥωμαίων κάκεῖνον ἐν Ἰταλίᾳ κρατοῦντα σὺν ὁμοίᾳ ζημίᾳ. τῶν δὲ φυγόντων ἐκ τῆς μάχης οἱ μὲν ἐν τῷ μείζονι στρατοπέδῳ στρατηγὸν αὐτῶν ἐσπέρας ἐλόμενοι Πόπλιον Σεμπρόνιον, ἐβιάσαντο τοὺς Ἀννίβου φύλακας ὕπνου καὶ κόπου πλήρεις ὄντας, καὶ διέδραμον ἐς Κανύσιον περὶ μέσας νύκτας, ἀμφὶ τοὺς μυρίους, οἱ δ' ἐν τῷ βραχυτέρῳ πεντακισχίλιοι τῆς ἐπιούσης ἡμέρας ἐλήφθησαν ὑπὸ τοῦ Ἀννίβου. Τερέντιος δὲ στρατὸν ἀγείρας τοὺς διερριμμένους ἐπειρᾶτο παραθαρρύνειν, καὶ στρατηγὸν αὐτοῖς ἐπιστήσας τῶν χιλιάρχων τινὰ Σκιπίωνα ἐς Ῥώμην διέδραμεν.

[26] Hannibal gained this rare and splendid victory by employing four stratagems in one day: by the force of the wind, by the feigned desertion of the Celtiberians, by the pretended flight, and by the ambuscades in the ravines. Immediately after the battle he went to view the dead. When he saw the bravest of his friends lying among the slain he lifted up his voice and wept, saying that he did not want another such victory. It is said that Pyrrhus, king of Epirus, made the same exclamation aforetime, when he too gained a victory over the Romans in Italy, with like loss to himself. Some of those who escaped from the battle and who had taken refuge in the larger camp and in the evening had chosen Publius Sempronius as their general, forced a passage through Hannibal's guards, who were exhausted by weariness and want of sleep. These men, to the number of about 10,000, made their way to Canusium about midnight. But the 5000 in the smaller camp were captured by Hannibal the following day. Varro, having collected the remains of the army and sought to revive their fainting spirits, put them under the command of

Scipio, one of the military tribunes, and himself hastened to Rome.

CHAPTER V

Consternation in Rome — Senate refuses to ransom the Prisoners — Siege and Capture of Petilia — Dasius of Arpi

[27] ἡ δὲ πόλις, ἀπαγγελλθεισης τῆς συμφορᾶς, οἱ μὲν ἐν ταῖς ὁδοῖς ἐθρήνουν τε τοὺς οἰκείους ἀνακαλοῦντες, καὶ σφᾶς ὡς αὐτικά ἀλωσομένους ὠλοφύροντο, αἱ δὲ γυναῖκες ἰκέτευον ἐν τοῖς ἱεροῖς μετὰ τῶν τέκνων λῆξαι ποτε τὰς συμφορὰς τῇ πόλει, οἱ δ' ἄρχοντες θυσίαις τε καὶ εὐχαῖς ἱλάσκοντο τοὺς θεούς, εἴ τι μήνιμα ἐνοχλεῖ, κορεσθῆναι τοῖς γεγονόσιν. ἡ δὲ βουλή Κόιντον μὲν Φάβιον, τὸν συγγραφέα τῶνδε τῶν ἔργων, ἐς Δελφοὺς ἔπεμπε χρῆσόμενον περὶ τῶν παρόντων, δούλους δὲ ἐς ὀκτακισχιλίους τῶν δεσποτῶν ἐπιδόντων ἡλευθέρου, ὅπλα τε καὶ τόξα τοὺς ἐν ἄστει πάντας ἐργάζεσθαι παρεσκεύαζε, καὶ συμμάχους, καὶ ὥς, τινὰς συνέλεγεν. Κλαυδιόν τε Μάρκελλον μέλλοντα πλεῖν ἐς Σικελίαν, ἐς τὸν Ἀννίβου πόλεμον μετέφερεν. ὁ δὲ τὸν μὲν στόλον ἐμερίσατο τῷ συνάρχῳ Φουρίῳ, καὶ τὸ μέρος ἔπεμψεν ἐς τὴν Σικελίαν, αὐτὸς δὲ τοὺς δούλους ἄγων καὶ ὅσους ἄλλους ἐδύνατο τῶν πολιτῶν ἢ συμμάχων, γενομένους ἅπαντας ἐς μυρίους πεζοὺς καὶ δισχιλίους ἵππεας, ἐς τὸ Τεανὸν παρῆλθε, καὶ ὃ τι πράξειν ὁ Ἀννίβας μέλλοι παρεφύλασσεν.

[27] When the disaster was announced in the city, multitudes thronged the streets uttering lamentations for their relatives, calling on them by name, and bewailing their own fate as soon to fall into the enemy's hands. Women went to the temples with their children and prayed that there might sometime be an end to the calamities to the city. The magistrates besought the gods by sacrifices and prayers that if they had any cause of anger they would be satisfied with the punishment already visited. The Senate sent Quintus Fabius (the same who wrote a history of these events) to the temple of Delphi to seek an oracle concerning the present posture of affairs. They freed 8000 slaves with their masters' consent, and ordered everybody in the city to go to work making arms and projectiles. They also made a conscription, as was allowed, even among certain of the allies. They also changed the destination of Claudius Marcellus, who was about to sail to Sicily, and sent him to fight against Hannibal. Marcellus divided the fleet with his colleague Furius and sent a part of it to Sicily, while he himself took the manumitted slaves and as many others as he could collect of citizens and allies, amounting altogether to 10,000 foot and 2000 horse, and marched to Teanum in order to see what Hannibal would do next.

[28] Ἀννίβου δὲ δόντος τοῖς αἰχμαλώτοις ἐς Ῥώμην πρεσβεύσασθαι περὶ σφῶν, εἰ θέλοιεν αὐτοὺς οἱ ἐν ἄστει λύσασθαι χρημάτων, καὶ τοὺς αἰρεθέντας ὑπ' αὐτῶν τρεῖς, ὧν ἡγεῖτο Γναῖος Σεμπρόνιος, ὀρκώσαντος ἐς αὐτὸν ἐπανάξειν, οἱ μὲν οἰκεῖοι τῶν ἀλόντων, περιστάντες τὸ βουλευτήριον, ἐπηγγέλλοντο

λύσασθαι τοὺς οἰκείους ἕκαστος ἰδίους χρήμασι, καὶ παρεκάλουν τὴν βουλὴν τοῦτο σφίσιν ἐπιτρέψαι, καὶ ὁ δῆμος αὐτοῖς συνεδάκρυε καὶ συνεδεῖτο: τῶν δὲ βουλευτῶν οἱ μὲν οὐκ ἠξίουσαν ἐπὶ τοσαῖσδε συμφοραῖς ἄλλους τοσοῦσδε βλαβῆναι τὴν πόλιν, οὐδὲ δούλους μὲν ἐλευθεροῦν τοὺς δὲ ἐλευθέρους ὑπερορᾶν, οἱ δ' οὐκ ᾔοντο δεῖν αὐτοὺς ἐθίζειν τῷδε τῷ ἐλέφ φεύγειν, ἀλλ' ἢ νικᾶν μαχομένους ἢ ἀποθνήσκειν ὥς οὐκ ὄν οὐδ' ὑπὸ τῶν οἰκείων ἐλεεῖσθαι τὸν φυγόντα. πολλῶν δὲ παραδειγμάτων ἐς ἑκάτερα λεχθέντων, οὐκ ἐπέτρεψεν ἡ βουλὴ τοῖς συγγενέσι λύσασθαι τοὺς αἰχμαλώτους, ἡγουμένη, πολλῶν σφίσιν ἔτι κινδύνων ἐπόντων, οὐ συνοίσειεν ἐς τὸ μέλλον τὴν ἐν τῷ παρόντι φιλάνθρωπίαν, τὸ δ' ἀπάνθρωπον, εἰ καὶ σκυθρωπὸν εἴη, πρὸς τε τὰ μέλλοντα χρήσιμον ἔσεσθαι καὶ ἐν τῷ παρόντι καταπλήξειν Ἀννίβαν τῷ τολμήματι. Σεμπρώνιος οὖν καὶ οἱ σὺν αὐτῷ δύο τῶν αἰχμαλώτων πρὸς Ἀννίβαν ἐπανήσαν. ὁ δ' ἔστι μὲν οὗς ἀπέδοτο τῶν αἰχμαλώτων, ἔστι δ' οὗς ὑπ' ὀργῆς ἀνῆρει, καὶ τοῖς σώμασι τὸν ποταμὸν ἐγεφύρου καὶ ἐπέρα. ὅσοι δ' ἦσαν ἀπὸ τῆς βουλῆς ἢ ἄλλως ἐπιφανεῖς, μονομαχεῖν αὐτοὺς ὑπὸ θεαταῖς τοῖς Λίβυσιν ἠνάγκασε, πατέρας τε υἱοῖς καὶ ἀδελφοὺς ἀδελφοῖς, οὐδὲν ἐκλείπων ὑπεροψίας ὤμῃς.

[28] Hannibal allowed his captives to send messengers to Rome in their own behalf, to see if the citizens would ransom them with money. Three were chosen by them, of whom Gn. Sempronius was the leader, from whom Hannibal exacted an oath that they would return to him. The relatives of the prisoners, collecting around the senate-house, declared their readiness to redeem their friends severally with their own money and begged the Senate to allow them to do so, and the people joined them with their own prayers and tears. Some of the senators thought it was not wise, after such great calamities, to expose the city to the loss of so many more men, or to disdain free men while giving liberty to slaves. Others thought that it was not fitting to accustom men to flight by compassion, but rather to teach them to conquer or die, as would be the case if not even his relative should pity the runaway. Many precedents having been adduced on either side, the Senate finally decided that the prisoners should not be ransomed by their relatives, being of opinion that while so many dangers were still impending present clemency would tend to future harm, while severity, although painful, would be for the public advantage hereafter, and indeed at this very time would startle Hannibal by the very boldness of their action. Accordingly Sempronius and the two prisoners who accompanied him returned to Hannibal. The latter in his anger sold some of his prisoners, put others to death, and made a bridge of their bodies with which he passed over a stream. The senators and other distinguished prisoners in his hands he compelled to fight with each other, as a spectacle for the Africans, fathers against sons, and brothers against brothers. He omitted no act of disdainful cruelty.

[29] μετὰ δὲ τοῦτ' ἐπιὼν τὰ ὑπὸ Ῥωμαίοις ἐλυμαίνετο, καὶ Πετηλίνους μηχανήματα προσῆγεν. οἱ δ' ὀλίγοι μὲν ἦσαν, ὑπὸ δὲ τόλμῃς μετὰ τῶν

γυναικῶν ἐπέξεθεν αὐτῷ, καὶ πολλὰ καὶ γενναῖα ἔδρων, τὰς τε μηχανὰς αὐτοῦ συνεχῶς ἐνεπίμπρασαν, οὐχ ἥσσον αὐτοῖς τῶν γυναικῶν ἀνδριζομένων. ὀλιγώτεροι δὲ γιγνόμενοι καθ' ἕκαστον ἔργον ἐκακοπάθουν μάλιστα ὑπὸ λιμοῦ: καὶ ὁ Ἀννίβας αἰσθανόμενος περιτείχισεν αὐτούς, καὶ Ἄννων ἀπέστησε τῇ πολιορκίᾳ. οἱ δ', ἐπιτείνοντος αὐτοῖς τοῦ κακοῦ, πρῶτα μὲν τοὺς ἀχρείους σφῶν ἐς μάχας ἐξέβαλον ἐς τὸ μεσοτείχιον, καὶ κτιννυμένους ὑπὸ τοῦ Ἄννωνος ἐφεώρων ἀλύπως ὥς εὐμοιρότερον ἀποθνήσκοντας. τῷ δ' αὐτῷ λόγῳ καὶ οἱ λοιποὶ ἀμπαν ἀποροῦντες ἐξέδραμον ἐπὶ τοὺς πολεμίους, καὶ πολλὰ μὲν καὶ γενναῖα καὶ τότε ἔδρασαν, ὑπὸ δὲ ἀτροφίας καὶ ἀσθενείας σωμάτων οὐδ' ὑποστρέψαι δυνάμενοι διεφθάρησαν ἅπαντες ὑπὸ τῶν Λιβύων. καὶ τὴν πόλιν εἶλεν ὁ Ἄννων, ἐκφυγόντων καὶ ὥς ἀπ' αὐτῆς ὀλίγων τῶν δραμεῖν δυνηθέντων. τούτους διερριμμένους οἱ Ῥωμαῖοι σπουδῇ συνήγον, καὶ γενομένους ἐς ὀκτακοσίους κατήγαγόν τε καὶ συνώκισαν μετὰ τόνδε τὸν πόλεμον αὐθις ἐς τὴν πατρίδα, ἀγάμενοι τῆς τε περὶ σφᾶς εὐνοίας καὶ τοῦ παραδόξου τῆς προθυμίας.

[29] Hannibal next turned his arms against the territory of the Roman allies and, having devastated it, laid siege to Petilia. The inhabitants, although few in number, made courageous sallies against him (their women joining in the fight) and performing many noble deeds of daring. They burned his siege engines unceasingly, and in these enterprises the women were in no wise inferior to the men. But their numbers were reduced by each assault, and they began to suffer the pangs of hunger. When Hannibal perceived this he drew a line of circumvallation around them and left Hanno to finish the siege. As their sufferings increased they first thrust outside the walls all those who were incapable of fighting and looked on without grieving while Hanno slew them, considering the dead better off than the living, for which reason the remainder, when reduced to the last extremity, made a sally against the enemy, and after performing many splendid acts of bravery, being nearly starved and completely exhausted, they were unable to return and were all slain by the Africans. Thus Hanno possessed himself of the town. But yet a few escaped, who had sufficient strength to run. These wanderers the Romans carefully collected, to the number of about 800, and replaced them in their own country after the war, being moved by kind feeling toward them and admiration for their exceptional fidelity. (Y.R. 539)

[30] τῶν δὲ Κελτιβήρων ἱππέων, οἱ ἐμισθοφόρουν Ἀννίβα, λαμπρῶς ἀγωνιζομένων, ὅσοι Ῥωμαίων ἐστρατήγουν ἐν Ἰβηρίᾳ, τοσοῦσδε ἑτέρους τὰς πόλεις τὰς ὑπὸ σφίσιν αἰτήσαντες ἐς ἀντίπαλον ἐκείνων ἔπεμψαν ἐς τὴν Ἰταλίαν, οἱ τοῖς ὁμοεθνεσίν, ὅτε πλησίον Ἀννίβου στρατοπεδεύοιεν, ἀναμινγύμενοι μετέμειθον αὐτούς. καὶ πολλῶν μετατιθεμένων τε καὶ αὐτομολούντων ἢ ἀποδιδρασκόντων οὐδὲ τὸ λοιπὸν ἦν ἔτι τῷ Ἀννίβα πιστόν, ὑποπτευόμενόν τε ὑπ' ἐκείνου καὶ ὑποπτεύοντες αὐτόν. κάκιον οὖν ἔπρασσε ὁ Ἀννίβας τὸ ἀπὸ τοῦδε.

[30] As the Celtiberian horse, who were serving with (B.C. 215) Hannibal as mercenaries, were seen to be splendid fighters, the Roman generals in Spain obtained an equal number from the towns under their charge and sent them to Italy to contend against the others. These when encamped near Hannibal mingled with their fellow-countrymen and won them over. Thus it came about that many of them went over to the Romans and others deserted or ran away, while the remainder were no longer trusted by Hannibal, as they were under suspicion by him and he by them. Hannibal's affairs began to decline from this circumstance. (Y.R. 541)

[31] Ἀργύριππα δ' ἐστὶ πόλις ἐν τῇ Δαυνία, ἣν Διομήδης ὁ Ἀργεῖος λέγεται κτίσαι. καὶ τις ἔκγονος εἶναι τοῦ Διομήδους νομιζόμενος, Δάσιος, ἀνὴρ εὐμετάβολός τε τὸ φρόνημα καὶ οὐ Διομήδους ἄξιος, Ῥωμαίων περὶ Κάννας τὴν μεγάλην ἦτταν ἡττημένων ἀπέστησε τὴν πατρίδα πρὸς τοὺς Λίβυας ἀπὸ Ῥωμαίων. τότε δ' αὖ δυσπραγοῦντος Ἀννίβου ἔλαθεν ἐς Ῥώμην διυπεύσας, καὶ ἐπὶ τὴν βουλὴν ἐπαχθεὶς ἔφη δύνασθαι τὸ ἀμάρτημα ἰάσασθαι καὶ μεταβαλεῖν αὐτὸς ἐς Ῥωμαίους τὴν πόλιν. οἱ δ' ὀλίγου μὲν αὐτὸν καὶ διέφθειραν, ἐξέβαλον δ' εὐθὺς ἐκ τῆς πόλεως. ὁ δὲ καὶ τούσδε καὶ τὸν Ἀννίβαν δεδιὼς ἤλατο ἀνὰ τὴν χώραν, καὶ ὁ μὲν Ἀννίβας αὐτοῦ τὴν γυναῖκα καὶ τὰ τέκνα ζῶντας ἔκαυσε, τὰ δὲ Ἀργύριππα ἐτέρων ἐνδόντων εἴλε Φάβιος Μάξιμος νυκτός, καὶ κτείνας ὅσους ἤνυρε Λιβύων, φρουρὰν ἐπέστησε τῇ πόλει.

[31] There is a city called Arpi in Daunia which is said to have been founded by Diomedes, the Argive. Here a certain Dasius, said to have been a descendant of Diomedes, a very fickle-minded person, quite unworthy of such descent, after the terrible defeat of the Romans at Cannæ drew his people over to the Carthaginian side. But now when Hannibal's power began to wane he rode secretly to (B.C. 213) Rome, and being introduced to the Senate, said that he could bring the city back to the Roman allegiance and thus atone for his error. The Romans very nearly killed him and drove him from the city forthwith. Then, being in equal fear of them and of Hannibal, he became a wanderer through the country. Hannibal burned his wife and children alive. Arpi was betrayed by a portion of the inhabitants to Fabius Maximus, who captured it by night, and having put to death all the Carthaginians he found there, he established a Roman garrison in the city.

CHAPTER VI

The Capture of Tarentum — The Citadel holds out — Hannibal captures Thurii — Also Metapontum and Heraclea — The Romans besiege Capua — Hannibal marches to Rome — Consternation in the City — Flaccus follows Hannibal

(Y.R. 542)

[32] Τάραντα δὲ φρουρουμένην ὑπὸ Ῥωμαίων Κονωνεύς ὧδε προὔδωκεν. κυνηγετῆν εἵθιστο ὁ Κονωνεύς, καὶ φέρων αἰεί τι τῷ φρουράρχῳ Λιουίῳ συνήθης ἐκ τοῦδε ἐγεγένητο. ὥς δὲ ἐν πολεμουμένη χώρᾳ, νυκτὸς ἔφη δεῖν κυνηγετῆν καὶ νυκτὸς φέρειν τὰ λαμβανόμενα. νυκτὸς οὖν αὐτῷ τῶν πυλῶν ἀνοιγομένων, συνθέμενος Ἀννίβα καὶ στρατιώτας λαβὼν, τοὺς μὲν ἔκρυσεν ἐν λόχημιν τινὶ πλησίον, τοὺς δ' ἐπακολουθεῖν ἐκέλευσεν αὐτῷ δι' ὀλίγου, τοὺς δὲ σὺν αὐτῷ προσιέναι, θώρακας ἐνδοθεν ὑπεζωσμένους καὶ ξίφη, τὰ δ' ἐκτὸς ὥς ἂν ἐς κυνηγέτας ἐσκευασμένους. κάπρον τε αὐτοῖς ἐπὶ ξύλων ἐπιθεῖς ἦκε νυκτὸς ἐπὶ τὰς πύλας. καὶ τῶν φυλάκων, ὥσπερ ἔθος ἦν, ἀνοιζάντων, οἱ μὲν συνεσελθόντες αὐτῷ τοὺς ἀνοιζαντας αὐτίκα διεχρῶντο, οἱ δ' ἐπόμενοι κατὰ σπουδὴν συνεσέπιπτον ἐκείνοις, καὶ τοὺς ἀπὸ τῆς λόχμης ἐδέχοντο, καὶ τὰς πύλας ἀνεῳγνυον τῷ Ἀννίβᾳ. ὁ δὲ ἔσω παρελθὼν τῆς μὲν ἄλλης πόλεως εὐθὺς ἐκράτει, καὶ τοὺς Ταραντίνους ἐταιρισάμενος τὴν ἄκραν ἔτι φρουρουμένην ἐπολιόρκει.

[32] Tarentum, which was held by a Roman garrison, (B.C. 212) was betrayed by Cononeus in the following manner. Being in the habit of hunting and always bringing a present of game to Livius, the prefect of the guard, he became very familiar with him. As war was raging in the country he said that it was necessary to hunt and bring back his game by night. For this reason the gates were opened to him by night. He made an arrangement with Hannibal in pursuance of which he took a body of soldiers, some of whom he concealed in a thicket near the town; others he ordered to follow himself at no great distance, and still others to go with him, clad outwardly in hunting garments but girded with breastplates and swords underneath. He came by night, a wild boar being carried in front of them on poles. When the guards had opened the gates as usual, those who came with him slew the gate-men immediately. Those following behind made a sudden dash upon the other guards, those from the thicket were admitted, and the gates were opened to Hannibal. When the latter was once inside he speedily possessed himself of the remainder of the town, and having conciliated the Tarentines he laid siege to the citadel, which was held by a Roman garrison. In this way was Tarentum betrayed by Cononeus.

[33] ὧδε μὲν Κονωνεύς Τάραντα προὔδωκε: Ῥωμαῖοι δ' ὅσοι τὴν ἀκρόπολιν

[33] The Romans who held the citadel were about 5000 in number, and some of the Tarentines came to their aid. The prefect of the guard at Metapontum joined them with half of his force, bringing an abundance of missiles and engines with which they expected to drive Hannibal easily back from the walls. But Hannibal had a plentiful supply of these things also. Accordingly he brought up towers, catapults, and tortoises with which he shook some of the walls, pulled off the parapets with hooks attached to ropes, and laid bare the defences. The garrison hurled stones down upon the engines and broke many of them, turned aside the hooks with slip-knots, and making frequent and sudden sallies always threw the besiegers into confusion and returned after killing many. One day when they noticed that the wind was violent some of the Romans threw down firebrands, flax, and pitch upon the engines, while others darted out and put fire under them. Hannibal, despairing of his attempt, threw a wall around the city except on the sea side, where it was not possible to do so. Then turning the siege over to Hanno he advanced into Apulia.

[34] λιμένες δ' εἰσὶ τοῖς Ταραντινοῖς πρὸς βορρᾶν ἄνεμον ἐκ πελάγους ἐσπλέοντι διὰ ἰσθμοῦ, καὶ τὸν ἰσθμὸν ἀπέκλειον γεφύραις, ὧν τότε κρατοῦντες οἱ Ῥωμαίων φρουροὶ σφίσι μὲν ἐδέχοντο τὴν ἀγορὰν ἐκ θαλάσσης, Ταραντίνους δ' ἐκώλουν ἐσκομίζεσθαι. ὅθεν ἠπόρουν ἀγορᾶς οἱ Ταραντῖνοι, ἕως ἐπελθὼν αὐτοῖς ὁ Ἀννίβας ἐδίδαξε λεωφόρον ὁδόν, ἣ διὰ μέσης τῆς πόλεως ἔφερεν ἀπὸ τῶν λιμένων ἐπὶ τὴν νοτιον θαλασσαν, ὀρύζαντας, ἰσθμὸν ἕτερον ποιήσασθαι. καὶ οἱ μὲν οὕτω πράξαντες εἶχόν τε ἀγορὰν, καὶ τριήρεσι τοὺς Ῥωμαίων φρουροὺς ναῦς οὐκ ἔχοντας ὑπὸ τὸ τεῖχος ἔβλαπτον, ὅτε μὴ χειμῶν εἴη μάλιστα, καὶ τὴν ἀγορὰν τὴν καταπλέουσαν ἐκείνοις ἀφηροῦντο· οἱ δ' ἠπόρουν. καὶ νυκτὸς αὐτοῖς Θουρίων σῖτόν τε ναυσὶ πεμπόντων καὶ τριήρεις ἐς φυλακὴν τῶν νεῶν, οἱ Ταραντῖνοι καὶ οἱ σὺν αὐτοῖς Λίβυες πυθόμενοι καὶ λοχήσαντες ἔλαβον αὐτῶν τε σίτῳ καὶ αὐτοῖς ἀνδράσιν ἀπάσας. πρεσβευομένων δὲ θαμινὰ τῶν Θουρίων, καὶ ἀξιούντων λύσασθαι τοὺς εἰλημμένους, οἱ Ταραντῖνοι τοὺς φοιτῶντας αὐτῶν μετέπειθον ἐς Ἀννίβαν. καὶ ὁ Ἀννίβας ὅσους εἶχε Θουρίων

[34] The port of Tarentum looked toward the north and gave entrance through a narrow passage to those sailing in from the sea. The passage was now closed by bridges which were under the control of the Roman garrison, by which means they obtained provisions by sea and prevented the Tarentines from supplying themselves. For this reason the latter began to suffer from want, until Hannibal came back and suggested the making of another passage by excavating the public highway, which ran through the midst of the city from the harbor to the sea on the south. When this was done they had provisions in plenty, and with their triremes they worried the Roman garrison who had no ships, even coming close to the walls, especially in calm weather, and intercepting the supply ships coming to them. The Romans in turn began to suffer from want. When the people of Thurii sent them some ships laden with corn by night, under a convoy of triremes, the Tarentines and the Carthaginians in league with them, getting wind of the affair, laid a trap for them and captured them all, including the corn and the men that brought it. The Thurians sent numerous messengers to negotiate for the release of the captives, and the Tarentines won the negotiators over to Hannibal, who thereupon released all the Thurian prisoners he held. These, when they came home, forced their relatives to open the gates to Hanno. Thus the Thurians, while endeavoring to help the Romans in Tarentum, unexpectedly fell into the power of the Carthaginians. The Roman garrison in Thurii escaped secretly by sea to Brundisium. (Y.R. 543)

[35] Μεταποντῖνοι δ', ἐξ οὗ σφῶν ὁ φρούραρχος τὸ ἥμισυ τῆς φρουρᾶς ἄγων ἐς Τάραντα ᾤχετο, τοὺς λοιποὺς ὀλίγους γενομένους ἀπέκτειναν καὶ Ἀννίβα προσέθεντο. προσέθετο δὲ καὶ ἡ μεταξὺ Μεταποντίνων τε καὶ Θουρίων Ἡράκλεια, δέει μᾶλλον ἢ γνώμη. καὶ πάλιν ἦν ἐπικυδέστερα τὰ Ἀννίβου. τοῦ δ' ἐξῆς ἔτους καὶ Λευκανῶν τινες ἀπέστησαν ἀπὸ Ῥωμαίων· οἷς Σεμπρόνιος Γράκχος ἀνθύπατος ἐπελθὼν ἐπολέμει. [35] The Metapontines, whose prefect had taken half of (B.C. 211) his force to Tarentum, slew the remainder, who were few in number, and delivered themselves up to Hannibal. Heraclea, which lay midway between Metapontum and Tarentum, followed their example, being moved by fear rather than inclination. Thus Hannibal's affairs again began to wear a flourishing aspect. In the following year some of the Lucanians revolted from Rome, and Sempronius Gracchus, the proconsul, marched against them. A certain Lucanian named Flavius, of the party that had remained faithful to the Romans, who had been also a friend and guest of Gracchus but was now his betrayer, persuaded him to come to a certain place to have a conference with the Lucanian generals, saying that they had repented and wished to return to the Roman allegiance. Suspecting nothing, he went to the place with thirty horsemen, where he found himself surrounded by a large force of Numidians in ambush, with whom Flavius then joined himself. When Gracchus discovered the treachery he leaped from his horse with his companions, and after performing many noble deeds of valor was slain with all the others, except three. These were the only ones captured by Hannibal, who had exerted himself to the utmost to take the Roman proconsul alive. Although he had basely entrapped him, nevertheless in admiration of his bravery in the final struggle he gave him a funeral and sent his bones to Rome. After this he passed the summer in Apulia and collected large supplies of corn.

[36] Ῥωμαίων δ' ἐπιθέσθαι Καπυαίοις ἐγνωκότων ἔπεμπεν Ἄννωνα μετὰ χιλίων πεζῶν καὶ χιλίων ἰππέων ἐσδραμεῖν νυκτὸς ἐς Καπύην. καὶ ὁ μὲν ἐσέδραμε Ῥωμαίους λαθόν, οἱ δ' ἡμέρας γενομένης, ὥς πλέονας εἶδον ἐπὶ τῶν τειχῶν, τὸ συμβάν ἔγνωσαν, καὶ τῆς μὲν πόλεως εὐθὺς ἀνεχώρουν, τὰ δὲ θέρη τὰ Καπυαίων καὶ τῶν ἄλλων Καμπανῶν προκατελάμβανον. ὁδυρομένοις δὲ περὶ τοῦδε τοῖς Καμπανοῖς ὁ Ἀννίβας ἔφη πολὺν ἔχειν σῖτον ἐν Ἰαπυγίᾳ, καὶ πέμποντας ἐκέλευε λαμβάνειν ὅσας κίς θέλοιεν. οἱ δ' οὐκ ὑποζύγια μόνον οὐδ' ἄνδρας, ἀλλὰ καὶ γυναῖκα καὶ παιδία ἔπεμπον ἀχθοφορήσοντα τοῦ σίτου· καὶ γὰρ ἐθάρρουν τῇ διόδῳ, μετελθόντος ἐς αὐτὴν ἐξ Ἰαπύγων Ἀννίβου, καὶ παρὰ τὸν Κάλωρα ποταμὸν στρατοπεδεύοντος, πλησίον Βενεβενδέων, οὓς μόνους ἐδεδοίκεσαν Ῥωμαίοις ἔτι συμμάχους ὄντας. τότε δὲ Ἀννίβου παρόντος ἀπάντων κατεφρόνουν.

[36] The Romans decided to attack the Capuans, and Hannibal sent Hanno with 1000 foot and as many horse to enter Capua by night. This he did without the knowledge of the Romans. At daylight the Romans discovered what had taken place by observing greater numbers of men on the walls. So they turned back from the city forthwith and began hurriedly to reap the harvest of the Capuans and the other inhabitants of Campania. When the Campanians bewailed their losses Hannibal said to them that he had plenty of corn in Apulia, and he gave an order that they should send and get it as often

as they wished. Accordingly they sent not only their pack animals and men, but also their women and children, to bring loads of corn. They had no fear of danger on the way because Hannibal had transferred his headquarters from Apulia to Campania and was encamped on the river Calor near the country of the Beneventines, whom alone they feared as the latter were still in alliance with Rome. While Hannibal was there they despised all their enemies. (Y.R. 542)

[37] συνέβη δὲ Ἀννίβαν μὲν, καλοῦντος αὐτὸν Ἄννωνος, ἐς Λευκανοὺς διελθεῖν, τὰ πολλὰ τῆς κατασκευῆς ἐν τῷ περὶ Βενεβεντὸν στρατοπέδῳ μετ' ὀλίγης φρουρᾶς καταλιπόντα, δυοῖν δὲ Ῥωμαίοις στρατηγούντοι ὑπάτοι, Φουλουλίου τε Φλάκκου καὶ Κλαδίου Ἀππίου, τὸν ἕτερον αὐτοῖν πυθόμενον ἐπιδραμεῖν τοῖς Καμπανοῖς διαφέρουσι τὰ θέρη, καὶ πολλοὺς μὲν οἷα ἀπαρασκευοὺς διαφθεῖραι, καὶ τὸν σίτον Βενεβενδεῦσι δοῦναι, λαβεῖν δὲ καὶ τὸ στρατόπεδον Ἀννίβου, καὶ τὴν ἐν αὐτῷ παρασκευὴν ἀρπάσαι, καὶ Καπύην ἔτι ὄντος ἐν Λευκανοῖς Ἀννίβου περιταφρεῦσαί τε καὶ ἐπὶ τῇ τάφρῳ περιτειχίσαι πᾶσαν ἐν κύκλῳ. καὶ τοῦδε τοῦ περιτειχίσματος ἐκτὸς ἄλλο ποιήσαντες οἱ στρατηγοὶ τὸ μεσον εἶχον ἀντὶ στρατοπέδου. ἐπάλξεις δ' ἦσαν αὐτοῖς αἱ μὲν ἐς Καπυαίους πολιορκουμένους αἱ δ' ἐς τοὺς ἔξωθεν ἐπιόντας ἐπεστραμμέναι, ἥ τε ὄψις ἦν πόλεως μεγάλης σμικροτέραν ἐχούσης ἐν μέσῳ. τὸ δὲ ἀπὸ τοῦ περιτειχίσματος ἐς τὴν Καπύην διάστημα διστάδιον ἦν μάλιστα: ἐν ᾧ πολλὰ ἐγίνοντο πεῖραι καὶ συμβολαὶ καθ' ἑκάστην ἡμέραν, πολλὰ δ' ὥς ἐν θεάτρῳ μεσοτειχίῳ μονομάχια, προκαλουμένων ἀλλήλους τῶν ἀρίστων. καὶ τις Καπυαῖος, Ταυρέας, Ῥωμαίων ἐν μονομαχίῳ Κλαύδιον Ἀσελλον περιφεύγων ὑπεχώρει, μέχρι τοῖς Καπυαίων τείχεσιν ὃ Ἀσελλος ἐγκύρσας καὶ τὸν ἵππον οὐ δυνάμενος ἐκ τῆς ῥύμης ἐπιστρέψαι διὰ τῶν πολεμίων πυλῶν ἐς τὴν Καπύην ἐσήλατο σὺν ὀρμῇ, καὶ διυπεύσας τὴν πόλιν ὅλην κατὰ τὰς ἐτέρας ἐξέδραμεν ἐς τοὺς ἐπὶ θάτερα Ῥωμαίους.

[37] It happened, however, that Hannibal was called by (B.C. 212) Hanno into Lucania, leaving the greater part of his baggage under a small guard in the camp near Beneventum. One of the two Roman consuls who were in command there (Fulvius Flaccus and Appius Claudius), learning of this, fell upon the Campanians who were bringing corn and slew many who were unprepared for an attack, and gave the corn to the Beneventines. He also took Hannibal's camp and plundered his baggage, and, as Hannibal was still in Lucania, drew a line of circumvallation around Capua. Then the two consuls built another wall outside of this and established their camp between the two. They erected battlements also, some toward the besieged Capuans and others toward the enemy outside. There was the appearance of a great city enclosing a smaller one. The space between the enclosing wall and Capua was about two stades, in which many enterprises and encounters took place each day and many single combats, as in a theatre surrounded by walls, for the bravest were continually challenging each other. A certain Capuan named Taureus having had a single combat with the Roman Claudius Asellus, and seeking to escape,

retreated, Asellus pursuing till he came to the walls of Capua. The latter not being able to check his horse dashed at full speed through the gate into Capua, and galloping through the whole city, ran out at the opposite gate and rejoined the Romans, and was thus marvellously saved. (Y.R. 543)

[38] καὶ ὁ μὲν οὕτω παραβόλως διεσώζετο, Ἀννίβας δὲ τῆς χρείας ψευσθεὶς ἐφ' ἣν ἐς Λευκανοὺς μετεκέκλητο, ἀνέστρεφεν ἐς Καπύην, μέγα ποιούμενος μὴ περιδεῖν πόλιν μεγάλην καὶ εὐκαιρον ὑπὸ Ῥωμαίοις γενομένην. προσβαλὼν δὲ τῷ περιτειχίσματι καὶ μηδὲν δυνηθεὶς, μηδ' ἐπινοῶν ὅπως ἂν ἐς τὴν πόλιν ἐσπέμψειεν ἢ σῖτον ἢ στρατιάν, οὐδενὸς οὐδ' ἀπ' ἐκείνων αὐτῷ συμβαλεῖν δυναμένου διὰ τὴν ἐπιτειχίσιν πάντα περιλαμβάνουσας, ἐπὶ τὴν Ῥώμην ἠπείγετο παντὶ τῷ στρατῷ, πυνθανόμενος μὲν κάκείνους ὑπὸ λιμοῦ πιέζεσθαι, ἐλπίζων δὲ τοὺς στρατηγοὺς αὐτῶν ἀπὸ Καπύης ἀναστήσειν, ἢ αὐτὸς τι Καπύης μείζον ἐργάσεσθαι. συντόνῳ δὲ σπουδῇ διελθὼν ἔθνη πολλὰ καὶ πολέμια, τῶν μὲν οὐ δυνηθέντων αὐτὸν ἐπισχεῖν, τῶν δὲ οὐδὲ ἐς πείραν ἐλθεῖν ὑποστάντων, ἀπὸ δύο καὶ τριάκοντα σραδίων τῆς Ῥώμης ἐστρατοπέδευσεν ἐπὶ τοῦ Ἀνιῆνος ποταμοῦ.

[38] Hannibal, having failed in the task that called him to (B.C. 211) Lucania, turned back to Capua, considering it very important to defend a city so large, and which had been a city of importance under Roman sway. He accordingly at-tacked their enclosing wall, but as he accomplished nothing and could devise no way to introduce either provisions or soldiers into the city, and as none of them could communicate with him on account of the closeness of the siege, he marched to Rome with his whole army, having learned that the Romans also were hard pressed by famine and hoping to draw the Roman generals away from Capua, or to accomplish something more important than its relief. Moving with the greatest celerity through the country inhabited by many hostile peoples, some of whom were not able to hinder him while others would not incur the risk of battle, he encamped at the river Anio, two and thirty stades from Rome.

[39] καὶ ἡ πόλις ἐθορυβήθη θόρυβον οἷον οὐ πρότερον, οἰκεῖον μὲν οὐδὲν ἔχοντες ἱκανόν· ὃ γὰρ εἶχον, ἐν Καμπανίᾳ τότε ἦν, πολέμιου δὲ στρατοῦ τοσοῦδε σφίσιν ἐπιστάντος ἄφνω, καὶ στρατηγοῦ δι' ἀρετὴν καὶ εὐτυχίαν ἀμάχου. ὅμως δὲ ἐκ τῶν παρόντων οἱ μὲν δυνάμενοι φέρειν ὅπλα τὰς πύλας ἐφύλασσον, οἱ δὲ γέροντες ἐς τὸ τεῖχος ἀνεπήδων, γυναῖα δὲ καὶ παιδία λίθους καὶ βέλη παρέφερον. οἱ δὲ ἐκ τῶν ἀγρῶν συνέθεον ἐς τὸ ἄστυ δρόμῳ. βοῆς δὲ παμμιγοῦς καὶ θρήνων καὶ εὐχῶν καὶ παρακελεύσεων πρὸς ἀλλήλους πάντα μεστὰ ἦν. εἰσὶ δ' αὐτῶν οἱ τὴν γέφυραν τὴν ἐπὶ τοῦ Ἀνιῆνος ἐκδραμόντες ἔκοπτον. μικρὸν δὲ τι πολίχγιον Ῥωμαῖοί ποτε ἐπιτειχίζοντες Αἰκανοῖς Ἀλβην ἀπὸ τῆς αὐτῶν μητροπόλεως ἐκάλεσαν· σὺν χρόνῳ δ' ἐπισύροντες ἢ διαφθείροντες, ἢ ἐς τὴν Ἀλβανῶν σύγκρισιν, Ἀλβησέας αὐτοὺς καλοῦσιν. τούτων τότε τῶν Ἀλβησέων ἐς Ῥώμην δισχιλίοι δρόμῳ διέθεον, τοῦ κινδύνου μετασχεῖν, καὶ ἅμα ἀφικνοῦντο καὶ ὠπλίζοντο καὶ τὰς πύλας ἐφρούρου.

τοσσηδε προθυμία βραχὺ πολίχινον ἐκ τοσῶνδε ἀποικιῶν ἐχρήσατο μόνη, οἷόν τι καὶ Ἀθηναίους ἐς Μαραθῶνα μικρὰ πόλις ἢ Πλαταιέων ἔδραμε τοῦ τότε κινδύνου μετασχεῖν.

[39] The city was thrown into consternation as never before. They were without any suitable force (what they had being in Campania), and now this strong, hostile army came suddenly against them under a general of invincible bravery and good fortune. Nevertheless, for the present emergency those who were able to bear arms manned the gates, the old men mounted the walls, and the women and children brought stones and missiles, while those who were in the fields flocked in all haste to the city. Confused cries, lamentations, prayers, and mutual exhortations on every side filled the air. Some went out and cut down the bridge over the river Anio. The Romans had at one time fortified a small town among the Æqui, which they called Alba after the name of their mother city. Its inhabitants with the lapse of time, either because of carelessness of pronunciation or corruption of language, or to distinguish them from the Albanians, were called Albenses. Two thousand of these Albenses hastened to Rome to share the danger. As soon as they arrived they armed themselves and mounted guard at the gates. Such zeal did this one small town, out of many colonies, exhibit, just as the little city of Platæa came to the aid of the Athenians at Marathon and shared their danger.

[40] τῶν δὲ στρατηγῶν Ἄππιος μὲν Καπύη παρέμενε, κάκεῖνος ἡγούμενος ἐλεῖν Καπύην, Φούλουιος δὲ Φλάκκος ἐτέραις ὁδοῖς ἐπειχθεὶς ἀλήκτω τάχει ἀντεστρατοπέδευσε τῷ Ἀννίβᾳ, μέσον ἔχων τὸν Ἀνιῆνα. τῷ δ' Ἀννίβᾳ τὴν γέφυραν εὐρόντι λελυμένην καὶ τὸν Φούλουιον ἀντικαθήμενον, ἔδοξε τὰς πηγὰς τοῦ ποταμοῦ περιοδεῦσαι. καὶ ὁ μὲν Φούλουιος ἀντιπαρόδευεν, ὁ δὲ καὶ ὥς ἐνήδρευε, Νομάδας ἱππέας ὑπολιπών, οἱ τῶν στρατῶν ἀναστάντων τὸν Ἀνιῆνα ἐπέρασαν καὶ τὰ Ῥωμαίων ἐδήουν, μέχρι παρὰ τὴν πόλιν αὐτὴν γενόμενοι καὶ φοβήσαντες ἐπέστρεψαν ἐς Ἀννίβαν: οὕτω γὰρ αὐτοῖς παρήγγελλτο. αὐτὸς δὲ ἐπεὶ τὰς τε πηγὰς τοῦ ποταμοῦ περιῆλθε, καὶ ὁδὸς ἦν ἐς τὸ ἄστυ οὐ πολλή, λέγεται μὲν νυκτὸς σὺν τρισὶν ὑπασπισταῖς λαθὼν κατασκέπασθαι τὸ ἄστυ, καὶ τὴν τῆς δυνάμεως ἐρμῆϊαν καὶ θόρυβον τὸν ἐπέχοντα ἰδεῖν, ἀναστρέψαι δ' ἐς Καπύην, εἴτε θεοῦ παράγοντος αὐτὸν αἰεὶ ὥς καὶ τότε, εἴτε τὴν τῆς πόλεως ἀρετὴν καὶ τύχην δείσας, εἴτε, ὥς αὐτὸς τοῖς ἐσβαλεῖν προτρέπουσιν ἔλεγεν, οὐκ ἐθέλων τὸν πόλεμον ἐκλῦσαι δέει Καρχηδονίων, ἵνα μὴ καὶ τὴν στρατηγίαν αὐτὸς ἀποθοῖτο: οὐ γὰρ ὁ γε σὺν Φουλουίῳ στρατὸς ἦν αὐτῷ πάμπαν ἀξιόμαχος. ὁ δὲ Φούλουιος ἀναστρέφοντι παρείπετο, κωλύων τε προνομεύειν καὶ φυλασσόμενος μηδὲν ἐξ ἐνέδρας παθεῖν.

[40] Appius, one of the Roman generals, remained at Capua, believing that he could capture the place by him-self. Fulvius Flaccus, the other one, marched with untiring haste by other roads and encamped opposite Hannibal, with the river Anio flowing between them. When Hannibal found that the bridge had

been destroyed and that Fulvius was occupying the opposite bank, he decided to go around by the sources of the stream. Fulvius moved parallel with him on the other side. Here, again, as was his custom, Hannibal devised a stratagem. He left some Numidian horse behind, who, as soon as the armies had moved off, crossed the Anio and ravaged the Roman territory until they had come very near to the city itself, and had carried consternation into it, when they rejoined Hannibal according to their orders. The latter, when he had passed around the sources of the stream, whence the road to Rome was not long, is said to have reconnoitred the city with three body-guards secretly by night, and to have observed the lack of force and the confusion prevailing. Nevertheless he went back to Capua, either because divine Providence turned him aside this time as in other instances, or because he was intimidated by the valor and fortune of the city, or because, as he said to those who urged him to attack it, he did not wish to bring the war to an end lest the Carthaginians should deprive him of his command. At any rate, the army under Fulvius was by no means a match for him. Fulvius followed him as he retreated, merely preventing him from foraging and taking care not to fall into any traps.

CHAPTER VII

Hannibal breaks into the Camp of Fulvius, but is driven out — Capua surrenders to the Romans — A Town of Bruttium lost and regained — The Story of Dasius and Blatius

[41] ὁ δ' ἐπιτηρήσας νύκτα ἀσέληνον, καὶ χωρίον ἐν ᾧ Φούλουιος ἐσπερας τεῖχος μὲν οὐκ ἔφθανεν ἐγεῖραι, τάφρον δ' ὀρυζάμενος καὶ διαστήματα ἀντὶ πυλῶν καταλιπὼν καὶ τὸ χῶμα προβαλὼν ἀντὶ τείχους ἡσύχαζεν, ἕξ τε λόφον ὑπερκείμενον αὐτοῦ καρτερὸν ἔπεμψε λαθὼν ἱππέας, οἷς εἴρητο ἡσυχάζειν ἕως οἱ Ῥωμαῖοι τὸν λόφον ὡς ἔρημον ἀνδρῶν καταλαμβάνωσι, τοῖς δ' ἐλέφασιν τοὺς Ἰνδοὺς ἐπιβήσας ἐκέλευσεν εἰς τὸ τοῦ Φουλουίου στρατόπεδον ἐσβιάζεσθαι διὰ τε τῶν διαστημάτων καὶ διὰ τῶν χωμάτων, ὡς δύναιτο. σαλπικτὰς δὲ αὐτοῖς καὶ βυκανητάς τινας ἐξ ὀλίγου διαστήματος ἔπεσθαι κελεύσας, προσέταξεν, ὅταν ἔνδον γένωνται, τοὺς μὲν θόρυβον πολὺν ἐγείρειν περιθέοντας, ἵνα πολλοὶ δόξωσιν εἶναι, τοὺς δε ῥωμαΐζοντας βοᾷν ὅτι Φούλουιος ὁ Ῥωμαίων στρατηγὸς κελεύει, τὸ στρατόπεδον ἐκλιπόντας, ἐπὶ τὸν ἐγγὺς λόφον ἀναπηδᾶν. τότε μὲν ἦν τὸ στρατήγημα τοῦ Ἀνίβου, καὶ τούτων τὰ μὲν πρῶτα πάντα κατὰ νοῦν ἀπῆντησεν· οἷτε γὰρ ἐλέφαντες ἐσῆλθον τοὺς φύλακας καταπατήσαντες, καὶ οἱ σαλπικταὶ τὸ αὐτῶν ἐποίουν, καὶ ὁ θόρυβος Ῥωμαίοις ἐξ εὐνῆς ἀνισταμένοις ἐν μελαίνῃ νυκτὶ ἀδόκητος ἐμπεσὼν ἐπιφοβώτατος ἦν, τῶν τε ῥωμαϊζόντων ἀκούοντες ὅτι παρήγγελται φεύγειν εἰς τὸν λόφον, περὶ τοῦτ' ἐγίνοντο.

[41] Hannibal, on a certain moonless night, having observed that Fulvius, at the close of the day, had neglected to throw up a wall in front of his camp (but had merely dug a ditch with certain spaces in lieu of gates, and the earth thrown outward instead of a wall), quietly sent a body of cavalry to a fortified hill overlooking Fulvius' camp, and ordered them to keep silence until the Romans should believe the hill unoccupied. Then he ordered his Indians to mount their elephants and break into the camp of Fulvius through the open spaces, and over the piles of earth, in any way they could. He also directed a number of trumpeters and horn-blowers to follow at a short distance. When they should be inside the entrenchments some of them were ordered to run around and raise a great tumult so that they might seem to be very numerous, while others, speaking Latin, should call out that Fulvius, the Roman general, ordered the evacuation of the camp and the seizure of the neighboring hill. Such was Hannibal's stratagem, and at first all went according to his intention. The elephants broke into the camp, trampling down the guards, and the trumpeters did as they were ordered. The unexpected clamor striking the ears of the Romans as they started out of bed in the darkness of the night was something fearful. Hearing orders given in Latin directing them to take refuge on the hill, they hurried in that direction.

[42] Φούλουιος δὲ αἰεὶ τινα προσδοκῶν ἐνέδραν, καὶ τοῦτο ὑποπτεύων ἐν ἅπασιν τοῖς Ἀννίβου, εἴθ' ὑπ' οἰκείας τότε συνέσεως, εἴτε θεολήπτῳ γνώμῃ προσπεσών, εἴτε παρ' αἰχμαλώτου τὰ ἀκριβέστατα μαθών, τοὺς χιλιάρχους ὁξέως ἐπέστησε ταῖς ἐς τὸ λόφον ἀγούσαις ὁδοῖς, κωλύειν τοὺς δι' αὐτῶν φερομένους, καὶ μεταδιδάσκειν ὅτι τοῦτ' οὐχ ὁ στρατηγὸς Ῥωμαίων ἀλλ' Ἀννίβας ἐκήρυξεν ἐνεδρεύων. αὐτὸς δὲ τοῖς χώμασι φυλακὰς ἀκριβεῖς ἐπιστήσας, μή τις ἔφοδος ἐξωθεν ἄλλη γένοιτο, ἐβοηδρόμει μεθ' ἐτέρων ἀνὰ τὸ στρατόπεδον ἅπαντα ἔχειν ἀσφαλῶς, καὶ ὀλίγους τοὺς μετὰ τῶν ἐλεφάντων ἐσελθόντας εἶναι. δᾶδ' αὖτε ἦπτε καὶ πῦρ πανταχόθεν ἤγειρε, καὶ καταφανὴς ἦν ἡ τῶν ἐσελθόντων ὀλιγότης, ὥστε αὐτῶν πάνυ καταφρονήσαντες οἱ Ῥωμαῖοι, ἐς ὀργὴν ἐκ τοῦ πρὶν δέους μεταβαλόντες, εὐμαρῶς οἶα ψιλοὺς καὶ ὀλίγους διέφθειραν. οἱ δὲ ἐλέφαντες οὐκ ἔχοντες εὐρύχωρον οὐδὲν ἐς ἀναστροφὴν, εἰλούμενοι περὶ σκηνὰς καὶ φάτνας, ἐβάλλοντο πρὸς ἀπάντων ἐπιτυχῶς διὰ τὴν στενότητα τοῦ χωρίου καὶ τὸ μέγεθος τῶν σωμάτων, μέχρι περιαλοῦντές τε καὶ ἀγανακτοῦντες, καὶ ἐπιδραμεῖν ἐς τοὺς πολεμίους οὐκ ἔχοντες, τοὺς ἐπιβάτας σφῶν ἀπεσεύοντο καὶ κατεπάτουν σὺν ὀργῇ καὶ βοῇ πάνυ ἡγριωμένοι, καὶ ἐξεπῆδων ἐκ τοῦ στρατοπέδου. Φούλουιος μὲν δὴ Φλάκκος εὐσταθῶς καὶ εὐμηχάνως αἰφνιδίῳ συνενεχθεὶς ἐνέδρα περιῆν τοῦ Ἀννίβου, καὶ τὸν στρατὸν περιέσωζεν αἰεὶ πεφρικότα τὰς Ἀννίβου μηχανάς:

[42] Fulvius, who was always looking out for some stratagem and suspecting one in everything that Hannibal did, being guided either by his own intelligence or by divine inspiration, or having learned the facts from some prisoner, quickly stationed his military tribunes in the roads leading to the hill to stop those who were rushing that way, and to tell them that it was not the Roman general but Hannibal who had given the command in order to lead them into an ambush. Then he stationed strong guards at the ramparts to repel any new attack from without, and with others passed rapidly through the camp exclaiming that there was no danger and that those who had broken in with the elephants were but few. Torches were lighted and fires kindled on all sides. Then the smallness of the attacking force was so manifest that the Romans utterly despised them, and, turning from fear to wrath, slew them the more easily since they were few in number and light-armed. The elephants not having room to turn around, and being entangled among the tents and huts, furnished an excellent mark for darts by reason of the narrowness of the place and the size of their bodies. Enraged with pain and unable to reach their enemies, they shook off their riders and trampled them under foot with fury and savage outcries, and broke out of the camp. Thus did Fulvius Flaccus by his constancy and skill bring to naught this unexpected ambush, frustrate Hannibal, and save his army, which had always been in terror of Hannibal's stratagems.

[43] ὁ δ' Ἀννίβας ἐπεὶ τῆς πείρας ἀπέτυχεν, ἐς Λευκανοὺς διελθὼν ἐχείμαζε, καὶ ἐπὶ τρυφῇ ἦν οὐ συνήθους, ἐρωμένῃν τε εἶχεν ἄγριος ἀνὴρ. καὶ εὐθὺς

αὐτῷ κατ' ὀλίγον ἐτρέπετο πάντα. Φούλουιος δ' ἐς Καπύην πρὸς τὸν συστράτηγον ἐπανήει, καὶ τοῖς Καπυαίοις προσέβαλλον ἄμφω καρτερῶς, ἐπειγόμενοι χειμῶνος ἐλεῖν τὴν πόλιν, ἕως Ἀννίβας ἡρεμεῖ. Καπυαῖοι δέ, τῶν τροφῶν σφᾶς ἐπιλειπουσῶν καὶ οὐδαμόθεν ἄλλων ἐπεισαγομένων, ἐνεχείρισαν ἑαυτοὺς τοῖς στρατηγοῖς· ἐνεχείρισαν δὲ καὶ ὅσοι Λιβύων αὐτοὺς ἐφρούρου, αὐτοῖς στρατηγοῖς, Ἄννωνι ἐτέρῳ καὶ Βώσταρι. Ῥωμαῖοι δὲ τῇ μὲν πόλει φρουρὰν ἐπέστησαν, καὶ ὅσους ἡῦρον αὐτομολοῦντας, χεῖρας αὐτῶν ἀπέτεμον· Λιβύων δὲ τοὺς μὲν ἐπιφανεῖς ἐς Ῥώμην ἔπεμψαν, τοὺς δὲ λοιποὺς ἀπέδοντο. καὶ Καπυαίων αὐτῶν τοὺς μὲν αἰτίους μάλιστα τῆς ἀποστάσεως ἀπέκτειναν, τῶν δ' ἄλλων τὴν γῆν ἀφείλοντο μόνον. εὐφορος δ' ἐστὶν ἐς σῖτον ἢ περὶ τὴν Καπύην πᾶσα· πεδιάς γάρ ἐστιν. Καπύη μὲν δὴ πάλιν ἐς Ῥωμαίους ἐπανῆκτο, καὶ μέγα τοῦτο Λιβύων ἐς τὴν Ἰταλίαν πλεονέκτημα περιήρητο.

[43] When his scheme had failed, Hannibal moved his army to Lucania and went into winter quarters, and here this fierce warrior gave himself up to unaccustomed luxury and the delights of love. From this time, little by little, his fortune changed. Fulvius returned to his colleague at Capua and both of them pressed the siege vigorously, hastening to take the city during the winter while Hannibal remained quiet. The Capuans, their supplies being exhausted and no more being obtainable from any quarter, surrendered themselves to the Roman generals, together with the Carthaginian garrison and their two commanders, another Hanno and Bostar. The Romans stationed a garrison in the city and cut off the hands of all the deserters they found there. They sent the Carthaginian nobles to Rome and the rest they sold as slaves. Of the Capuans themselves they put to death those who had been chiefly responsible for the defection of the city. From the others they only took away their land. All the country round about Capua is very fertile, being a plain. When Capua was once more restored to the Romans the principal advantage possessed by the Carthaginians in Italy was taken from them. (Y.R. 544)

[44] ἐν δὲ Βρεττίοις, οἱ μέρος εἰσὶ τῆς Ἰταλίας, ἀνὴρ ἐκ πόλεως Τισίας φρουρουμένης ὑπὸ τῶν Λιβύων, ἐθίσας ἀεὶ τι λήζεσθαι καὶ φέρειν τῷ φρουράρχῳ, καὶ παρὰ τοῦτο αὐτῷ συνήθης ἐς πάντα γεγονώς καὶ σχεδὸν συστράτηγος, ἤλγει τῶν φρουρῶν ἐς τὴν πατρίδα ὑβριζόντων συνθέμενος οὖν τῷ Ῥωμαίων στρατηγῷ, καὶ πιστὰ δοὺς καὶ λαβόν, ἐκάστοτέ τινας ὡς αἰχμαλώτους ἐσήγεν ἐς τὴν ἄκραν, καὶ τὰ ὄπλα αὐτῶν ἐσέφερεν ὡς σκῦλα. ἐπεὶ δὲ πλέονες ἐγένοντο, ἐξέλυσεν αὐτοὺς καὶ ὥπλισε, καὶ τὴν Λιβύων φρουρὰν ἀνέιλε, καὶ παρὰ Ῥωμαίων ἄλλην ἐσηγάγετο. Ἀννίβου δὲ οὐ πολὺ ὕστερον παροδεύοντος αὐτοῦς, οἱ μὲν φρουροὶ καταπλαγέντες ὑπὸ τοῦ δέους ἐξέφυγον ἐς Ῥήγιον, οἱ δὲ Τισιαῖται παρέδωκαν αὐτοὺς τῷ Ἀννίβᾳ. καὶ ὁ Ἀννίβας τοὺς μὲν αἰτίους τῆς ἀποστάσεως ἔκαυσε, τῇ δὲ πόλει φρουρὰν ἐπέστησεν ἄλλην.

[44] In Bruttium, which is a part of Italy, there was a man of the town of Tisia

(which was garrisoned by the Carthaginians) who was in the habit of plundering and sharing his booty with the commander of the garrison, and who had by this means so ingratiated himself with the latter that he almost shared the command with him. This man was incensed at the arrogant behavior of the garrison toward his country. Accordingly, by an arrangement with the Roman general, with whom he exchanged pledges, he brought in a few soldiers each day as prisoners and lodged them in the citadel, to which place he took their arms also as spoils. When he had introduced a sufficient number he released and armed them, and overpowered the Carthaginian garrison, after which he brought in another garrison from (B.C. 210) the Roman forces. But as Hannibal passed that way not long afterwards, the guards fled in terror to Rhegium, and the inhabitants of Tisia delivered themselves up to Hannibal, who burned those who had been guilty of the defection and placed another garrison in the town.

[45] Ἰαπύγων δ' ἐν πόλει Σαλαπία, Λιβύων ὑπηκόω, δύο ἦσιν ἄνδρες τῶν μὲν ἄλλων γένει καὶ πλούτῳ καὶ δυνάμει διαφέροντε, ἀλλήλοισιν δ' ἐκ πολλοῦ διαφόρῳ. τούτοις Δάσιος μὲν τὰ Λιβύων ἡρεῖτο, Βλάτιος δὲ τὰ Ῥωμαίων. ἔως μὲν οὖν ἤκμαζε τὰ Ἀννίβου, ἐφ' ἡσυχίας ἦν ὁ Βλάτιος· ἐπεὶ δὲ ἡγείρετο τὸ Ῥωμαίων καὶ τὰ πολλὰ τῆς ἐσφετερισμένης ἀρχῆς ἀνελάμβανον, ἐπειθεὶς ὁ Βλάτιος τὸν ἐχθρὸν ὑπὲρ τῆς πατρίδος αὐτῷ συμφρονῆσαι μόνῃς, μὴ τι πάθοι, Ῥωμαίων αὐτὴν βία λαβόντων, ἀνῆκεστον. ὁ δ' ὑποκρινάμενος συντίθεσθαι, κατεμήνυσε τοῦτο Ἀννίβῃ. καὶ ἐδίκασεν αὐτοῖς ὁ Ἀννίβας, Δασίου μὲν κατηγοροῦντος, Βλατίου δ' ἀπολογουμένου καὶ συκοφαντεῖσθαι διὰ τὴν ἐχθρὰν λέγοντος· ὁ καὶ τέως ἄρα προορῶν ἐτόλμησεν ἐχθρῷ προσενεγκεῖν λόγον τοιόνδε, ὡς ἀπίστῳ κατηγορῶ διὰ τὴν ἐχθρὰν ἐσομένῳ. Ἀννίβας δ' οὔτε ἀπορρῖψαι τὸ ἔργον οὔτε τῷ παρ' ἐχθροῦ πιστεῦσαι ῥαδίως ἀξίων, μεθίστατο αὐτοὺς ὡς σκεπτόμενος ἐφ' ἑαυτοῦ. στενῆς δὲ τῆς ἐξόδου πάμπαν οὔσης, ὁ Βλάτιος ἔφη τῷ Δασίῳ, τοὺς ἄλλους λαθὼν, 'οὐ σώσεις, ὦ ἀγαθέ, τὴν πατρίδα;' ὁ δὲ καὶ τοῦτ' εὐθὺς ἐκβοήσας ἐμήνυνεν.

[45] In Salapia, subject to Carthage in Apulia, were two men preeminent by birth, wealth, and power, but for a long time enemies to each other. One of these, named Dasius, sided with the Carthaginians, the other, Blatius, with the Romans. While Hannibal's affairs were flourishing Blatius remained quiet, but when the Romans began to recover their former supremacy he endeavored to come to an understanding with his enemy, simply for the sake of their country, lest, if the Romans should take it by force, some irreparable harm should befall it. Dasius, pretending to agree with him, communicated the matter to Hannibal. Hannibal took the part of a judge between them, Dasius accusing and Blatius defending himself, and saying that he was slandered by reason of his accuser's personal enmity. He was emboldened to use such language in the presence of his enemy, because he foresaw that such a foe would be likely to be distrusted on account of his private grudge. Hannibal thought that it was not wise to reject the accusation altogether, or to put too

much faith in an accuser who was a personal enemy; so he dismissed them as though he would consider of the matter by himself. As they were going out by a very narrow passage Blatius said to Dasius in a low tone, "Are you not willing to save your country, good sir?" The latter immediately repeated the words in a loud voice, thus letting Hannibal know.

[46] καὶ ὁ Βλάτιος οἰκτισάμενος τότε μάλιστα ἀξιοπίστως εἶπεν ὡς ἐπιβουλεύοιτο ὑπ' ἐχθροῦ τεχνίτου. 'τοῦτο δ', ἔφη, 'τὸ νῦν ἐπιβούλευμα καὶ τῆς πρότερον ἀμφιλογίας, εἴ τις ἦν, ῥύσεται με. τίς γὰρ ἂν ἢ πρότερον ἐχθρῷ περὶ τοιῶνδε διεπίστευσεν, ἢ νῦν, εἰ καὶ τέως ἐπεπλάνητο, ἀπίστω καὶ κατηγορῷ περὶ ἐκεῖνα γεγενημένα, κινδυνεύων ἔτι καὶ κρινόμενος καὶ ἀρνούμενος, αὐθις ἂν τὰ δεύτερα ταῦτ' ἐθάρρηνεν εἰπεῖν, καὶ μάλιστ' ἐν τῷ δικαστηρίῳ, πολλῶν μὲν ἀκοῦσαι δυναμένων, τοῦ δὲ κατηγοροῦ καὶ τόδε μέλλοντος εὐθὺς ὁμοίως ἐρεῖν; εἰ δὲ δὴ καὶ ἐγεγένητο,' ἔφη, 'χρηστὸς ἐξαίφνης καὶ φίλος, τί μοι συλλαβεῖν ὑπὲρ τῆς πατρίδος ἔτι δυνατός ἦν; τί δ' ἂν ἐδεόμην ἐγὼ μηδὲν ἐπικουρεῖν δυναμένου;' ἃ μοι δοκεῖ προῖδὼν πάλιν ὁ Βλάτιος ψιθύρως ἐντυχεῖν τῷ Δασίῳ, καὶ ἐς ἀπιστίαν αὐτὸν ἐμβαλεῖν μείζονα, ἐπαγαγέσθαι δ' ἐκ τοῦδε καὶ Ἀννίβαν ἐς ἀπιστίαν τῶν πρότερον εἰρημένων. οὐ μὴν οὐδὲ ἐκφυγὼν τὴν δίκην ὁ Βλάτιος ἀφίστατο μὴ μεταπεῖθαι τὸν ἐχθρόν, καταφρονῶν ἄρα ὡς ἐς πάντα γεγονότος ἀπίστου. ὁ δὲ αὐθις ὑπεκρίνετο συντίθεσθαι, καὶ τὴν ἐπίνοιαν τῆς ἀποστάσεως ἤτει μαθεῖν. ὁ δὲ οὐδὲν ὀκνήσας ἔφη, 'διαδραμοῦμαι μὲν ἐπὶ τι τῶν στρατοπέδων ἐγὼ τῶν Ῥωμαϊκῶν 'μηνύσας αὐτῷ τὸ πάνυ πορρωτάτῳ καὶ στρατιὰν ἄζω λαβών: ἔστι γάρ μοι φίλος ὁ στρατηγὸς ἐκείνου τοῦ στρατοῦ: σὺ δ' ὑπομένειν μοι δεῦρο, καὶ τὰ ἔνδον ἐπιτηρεῖν.'

[46] Then in a piteous tone Blatius cried out with much appearance of credibility, that his cunning enemy had made a plot against him. "This present scheme," he said, "will relieve me from all suspicion, if there was any, as to the former one. For who would have made a confidant of an enemy in such matters in the first place, or, if he had been so thoughtless before, would now, while still in danger and under trial and denying the charge against him, dare to say the same things a second time to one who had been his false accuser concerning these very matters, and especially in the judgment hall where many can hear his words and where his accuser stands ready to renew the charge against him. Even supposing the accuser had suddenly become friendly and well disposed, how would he be able to cooperate with me in saving the country after what has happened? Why should I ask the aid of one who is not able to give any?" I think that Blatius again designedly whispered those things to Dasius because he foresaw the event, in order to discredit him still more, and thus induce Hannibal to disbelieve his former accusations. Nor did Blatius, after he had been acquitted, desist from persuading his enemy to change sides, for he despised him now as a person utterly discredited. So Dasius again pretended to agree with him and sought to learn the plan of the revolt. Blatius replied without hesitation: "I will ride to one of the Roman

camps (indicating one that was very far distant) the commander of which is my particular friend, and obtain a force which I will bring hither. You will remain here and keep watch upon affairs in the city.”

[47] ὁ μὲν εἶπεν οὕτω, καὶ εὐθὺς ἐξέδραμε, λαθὼν Δάσιον, οὐκ ἐς ἐκεῖνο τὸ στρατόπεδον ἀλλ’ ἐς Ῥώμην, ὁδὸν ἐλάσσονα. καὶ δοὺς τῇ βουλῇ τὸν υἱὸν ὄμηρον, ἱππέας ἦται χιλίους, μεθ’ ὧν ἠπειγέτο κατὰ σπουδὴν, τὸ μέλλον ἔσσεσθαι προορώμενος. ὁ δὲ Δάσιος ταῖς ἐπιούσαις ἡμέραις τὸν ἐχθρὸν οὐχ ὁρῶν, εἶκασεν αὐτὸν ἐγχειρεῖν τοῖς ἐγνωσμένοις ὡς ἤδη πιστεύοντα αὐτῷ. νομίσας οὖν ἐς ἐκεῖνο τῷ ὄντι τὸ πορρωτέρω στρατόπεδον αὐτὸν οἴχεσθαι, διέδραμε πρὸς Ἀννίβαν, καταφρονῶν ὅτι φθάσει ἐκεῖνον ἐπανελθών, καὶ ‘νῦν μὲν,’ ἔφη, ‘παραδώσω σοι τὸν Βλάτιον ἐπ’ αὐτοφῶρ στρατιὰν ἐπάγοντα τῇ πόλει.’ καὶ τὸ γεγονὸς ἐκθέμενος, καὶ λαβὼν τινας, ἐπανήγεν ἐς τὴν πατρίδα μετὰ σπουδῆς ὡς οὕτω τοῦ Βλατίου πλησιάζοντος. ὁ δ’ ἔνδον τε ἦν ἄρτι, καὶ τὴν φρουρὰν τὴν Λιβύων ὀλίγην οὖσαν ἀνελὼν ἐφύλασσε μηδένα παρελθεῖν, καὶ πύλας τὰς μὲν ἄλλας ἐκεκλείκει, τὰς δ’ ἐς τὴν ἐπάνοδον Δασίου μόνας εἶασεν ἀνεῶχθαι. καὶ τὸ κατ’ ἐκείνας μέρος ἅπαν εἶχεν ἀνυπόπτως· τὰ δ’ ἐντὸς ἐξετετάφρευτο καὶ διείληπτο, ὡς μὴ δύνασθαι τοὺς ἐμπεσόντας ἐς ὅλην διαδραμεῖν. Δάσιος δὲ ἐπεὶ τὰς πύλας εἶδεν ἀνεωγμένας, ἦσθη νομίσας προλαβεῖν τὸν ἐχθρὸν, καὶ ἐσήλατο γεγηθώς. ὁ δ’ ἐπικλείσας διέφθειρεν αὐτόν τε καὶ τοὺς ἐσδραμόντας, ὠθουμένους ἐν στενῷ καὶ διαδρομῇ διὰ τὰς τάφρους οὐκ ἔχοντας. ὀλίγοι δ’ αὐτῶν διὰ τοῦ τείχους ἐξαλόμενοι διέφυγον.

[47] Having spoken thus he immediately rode away, without the knowledge of Dasius, not to the camp he had named but to Rome by a shorter journey, and having given his son as a hostage to the Senate, he asked for a thousand horse, with which he hastened back with all speed, anticipating what would be the result. Dasius not seeing his enemy during the next few days thought that he had taken in hand the business they had agreed upon, as now having confidence in him. Supposing that Blatius had in fact gone to the more distant camp he rode to Hannibal, not doubting that he should get back before Blatius. “And now,” said he to Hannibal, “I will deliver Blatius to you in the very act of bringing a hostile force into the city.” Having exposed the affair and having received a military force, he hastened back to the town, not imagining that Blatius was yet anywhere near. But the latter was already inside, having slain the Carthaginian garrison, which was small, and taken care to prevent anybody from going out. He had also closed all the gates except that by which Dasius was expected to return. On that side he removed the guards from the wall to avoid suspicion, but the ground inside was intersected by ditches so that an attacking force should not be able to make its way through the whole town. Dasius was delighted when he saw the gates open, thinking that he had anticipated his enemy, and he entered the town rejoicing. Then Blatius shut the gate and slew him and his companions, who were squeezed together in a narrow place and had no way of passage through the ditches. A few of them escaped by leaping from the walls. Thus did

Blatius overcome Dasius at the third encounter of their wits.

CHAPTER VIII

*Defeat and Death of the Consul Fulvius — The Romans recover Tarentum —
Death of Marcellus — Hannibal foiled at Salapia — Battle of the Metaurus —
Hannibal retires to Bruttium*

[48] καὶ Βλάτιος μὲν οὕτω περιῆν Δασίου, τρὶς ἀντενεδρεύων, Φούλουιος δὲ Ῥωμαίων ὕπατος Ἐρδονίαν ἐπολιόρκει· καὶ αὐτὸν Ἀννίβας ἔλαθεν ἐσπέρας ἐγγὺς γενόμενος, καὶ ἀπέιπε πυρὰ μὴ καίειν, καὶ σιωπὴν παρήγγειλεν. περὶ δὲ ἔω, γενομένης ὁμοῦ τι καὶ ὁμίχλης, τοὺς μὲν ἱππέας ἐπεμψεν ἐπιχειρεῖν τῷ Ῥωμαίων στρατοπέδῳ, καὶ αὐτοὺς ἡμύνοντο ἐκεῖνοι, σὺν θορύβῳ μὲν ὥς ἀπ' εὐνῆς, σὺν θάρσει δὲ οἷα ὀλίγους ποθὲν αὐτοῖς ἐπιφανέντας. ὁ δ' Ἀννίβας ἐπὶ θάτερα τῷ πεζῷ τὴν πόλιν περιῆει, κατασκεπτόμενος ἅμα καὶ τοὺς ἔνδον ἐπελπίζων, ἕως ἐπῆλθε τοῖς Ῥωμαίοις ἐν τῇ περιόδῳ, εἴτε προιδόμενος εἴτε κατὰ συντυχίαν, κυκλοῦμενος αὐτούς. οἱ δ' ἐπιπτον ἤδη λάβρως καὶ ἀθρόως, ἀμφίβολοι γεγονότες· καὶ ἀπέθανον αὐτῶν ἐς ὀκτακισχιλίους, καὶ ὁ ὕπατος αὐτὸς ὁ Φούλουιος. οἱ λοιποὶ δ' ἐξ τι χῶμα πρὸ τοῦ στρατοπέδου ἀναθορόντες αὐτό τε διέσωσαν, γενναίως ἀμυνόμενοι, καὶ τὸν Ἀννίβαν ἐκώλυσαν λαβεῖν τὸ στρατόπεδον.

[48] While Fulvius, the Roman consul, was besieging Herdonia, Hannibal approached him quietly one evening, having given orders that no fires should be lighted and that strict silence should be observed. Early in the morning, which happened to be foggy, he sent a body of horse to attack the Roman camp. The latter repelled them with some confusion as they hurried from their beds, but with boldness, for they believed their foe to be some few men from somewhere or other. As Hannibal was passing around to the other side of the town with a body of infantry in order to reconnoitre, and at the same time to encourage the people inside, he fell in with the Romans in the course of his circuit, either by chance or by design, and surrounded them. Being attacked on both sides they fell confusedly and in heaps. About 8000 of them were killed, including the consul Fulvius himself. The remainder took refuge inside a fortification in front of their camp, and by fighting bravely preserved it and prevented Hannibal from taking the camp.

[49] μετὰ δὲ τοῦτο Ῥωμαῖοι μὲν τὴν Ἰαπύγων ἀποστάντων ἐδήουν, Ἀννίβας δὲ τὴν Καμπανῶν, ἐς Ῥωμαίους μεταθεμένων χωρὶς Ἀτέλλης μόνης. καὶ Ἀτελλαίους μετώκιζεν ἐς Θουρίους, ἵνα μὴ τῷ Βρεττίων καὶ Λευκανῶν καὶ Ἰαπύγων ἐνοχλοῖντο πολέμῳ. καὶ Ῥωμαῖοι τοὺς ἐκ Νουκερίας ἐκπεσόντας ἐν Ἀτέλλῃ μετώκιζον· ἐς τε τὴν Ἀννίβου ἔτι ὑπήκοον ἐσβαλόντες, Αὐλωνίαν τε εἶλον καὶ τὴν Βρεττίων γῆν ἐπέτρεχον, καὶ Τάραντα φρουρουμένην ὑπὸ Καρθάλωνος ἐκ γῆς καὶ θαλάσσης ἐπολιόρκουν. ὁ δὲ Καρθάλων, ὀλίγων Καρχηδονίων παρόντων, Βρεττίους ἐς τὴν φρουρὰν προσέλαβεν. τῶν δὲ Βρεττίων ὁ φρούραρχος ἦρα γυναικός, ἧς ἀδελφὸς ὑπὸ Ῥωμαίοις

στρατευόμενος ἔπραξε διὰ τῆς ἀδελφῆς τὸν φρούραρχον ἐνδοῦναι Ῥωμαίοις, ἐπάγουσι τὰς μηχανὰς ἧ τοῦ τείχους αὐτὸς ἐφρούρει. Τάραντα μὲν δὴ Ῥωμαῖοι τόνδε τὸν τρόπον ἀνέλαβον, εὐκαιρον ἐς πολέμους χωρίον καὶ κατὰ γῆν καὶ κατὰ θάλασσαν.

[49] After this, the Romans ravaged the country of the revolted Apulians, and Hannibal that of the Campanians, all of whom had returned to the Roman allegiance except the Atellæi. The latter he settled in Thurii in order that they might not suffer by the war that was raging in Bruttium, Lucania, and Apulia. The Romans settled the exiles of Nuceria in Atella and then, continuing their attacks on (Y.R. 545) Hannibal's allies, they took Aulonia and overran the territory (B.C. 209) of the Bruttians. They also laid siege by land and sea to Tarentum, which was under the command of Carthalo. The latter, as he had few Carthaginian soldiers present, had taken Bruttians into his service. The captain of these Bruttians was in love with a woman whose brother was serving with the Romans, and the latter managed, by means of his sister, that this captain should surrender that part of the wall which he commanded to the Romans, who were directing their engines against it. In this way the Romans again got possession of Tarentum, a place admirably situated for the purposes of war both by land and by sea.

[50] Ἀννίβας δὲ ἐπειγόμενος ἐς αὐτήν, ὥς ἔμαθεν εἰλημμένην, παρῆλθεν ἀχθόμενος ἐς Θουρίους κάκειθεν ἐς Οὐενουσίαν, ἔνθα αὐτῷ Κλαυδιδίῳ τε Μάρκελλος ὁ Σικελίαν ἐλὼν, πέμπτον ὑπατεύων τότε, καὶ Τίτος Κρισπῖνος ἀντιστρατοπεδεύοντες οὐκ ἐτόλμων ἄρχειν μάχης. λείαν δέ τινα ὑπὸ Νομάδων ἀγομένην Μάρκελλος ἰδὼν, καὶ δόξας ὀλίγους εἶναι τοὺς ἄγοντας, ἐπέδραμεν αὐτοῖς μετὰ τριακοσίων ἱππέων σὺν καταφρονήσει, καὶ πρῶτος ἡγεῖτο, θυμικὸς ὢν ἐς μάχας καὶ παρακινδυνευτικὸς ἀεί. ἄφνω δὲ πολλῶν τῶν Λιβύων φανέντων καὶ πανταχόθεν αὐτῷ προσπεσόντων, οἱ μὲν οὐραγοῦντες Ῥωμαίων πρῶτοι φυγῆς ἦρχον, ὁ δὲ Μάρκελλος, ὥς ἐπομένων αὐτῶν, ἐμάχετο γενναίως, μέχρι κατακοντισθεὶς ἀπέθανεν. καὶ αὐτοῦ τῷ σώματι ὁ Ἀννίβας ἐπιστάς, ὥς εἶδε τὰ τραύματα πάντα ἐπὶ τῶν στέρνων, ἐπῆνεσε μὲν ὥς στρατιώτην, ἐπέσκωψε δὲ ὥς στρατηγόν. καὶ τὸν δακτύλιον αὐτοῦ περιελὼν, τὸ μὲν σῶμα ἔκαυσε λαμπρῶς, καὶ τὰ ὀστᾶ τῷ παιδί προσέπεμψεν ἐς τὸ Ῥωμαίων στρατόπεδον:

[50] Hannibal was hastening to its relief when he learned of its capture. He turned aside to Thurii greatly disappointed, and proceeded thence to Venusia. There Claudius Marcellus, who had conquered Sicily and was now consul for the fifth time, and Titus Crispinus took the field (B.C. 208) against him, not venturing, however, to fight a pitched battle. But Marcellus happening to see a party of Numidians carrying off plunder, and thinking that they were only a few, attacked them confidently with three hundred horse. He led the attack in person, being a man of daring courage in battle and ever despising danger. Suddenly, a large body of Africans started up and attacked him on all sides.

Those Romans who were in the rear early took to flight, but Marcellus, who thought that they were following him, fought valiantly until he was thrust through with a dart and killed. When Hannibal stood over his body and saw the wounds all on his breast, he praised him as a soldier but criticised him as a general. He took off his ring, burned his body with distinguished honors, and sent his bones to his son in the Roman camp.

[51] Σαλαπίνοις δὲ μηνίων εὐθὺς ἐτύπωνεν ἐπιστολὴν τῇ σφραγίδι Μαρκέλλου, πρὶν αἰσθῆσθαι πολλοὺς περὶ τοῦ θανάτου, καὶ αὐτόμολον ἄνδρα Ῥωμαῖον ἔπεμψε φέρειν, δηλοῦντα ὅτι στρατιὰ Μαρκέλλου κατόπιν ἔρχοιτο, καὶ ὁ Μάρκελλος αὐτὴν ὑποδέξασθαι κελεύει. ἄρτι δ' εἰλήφεσαν Κρισπίνου γράμματα, περιπέμψαντος ἐς ἅπαντας ὅτι τῆς Μαρκέλλου σφραγίδος Ἀννίβας κεκρατήκοι. τὸν οὖν ἄγγελον, ἵνα μὴ παραμένων ἐπιγνοίῃ τὰ γιγνόμενα, ἀπέπεμψαν ὑποσχόμενοι τὰ προστασσόμενα ποιήσειν, αὐτοῖ δ' ὀπλισάμενοι τὴν ἐνέδραν ἐπὶ τῶν τειχῶν ἀνέμενον. καὶ προσιόντος τοῦ Ἀννίβου μετὰ Νομάδων, οὓς Ῥωμαῖκοῖς ὅπλοις ἐσκεύασε, τὰς μὲν πύλας ἐκ μηχανήματος ἀνέσπασαν ὥς δὴ Μαρκέλλου προσιόντος ἀσμενίζοντες, ἐσδεξάμενοι δὲ ὅσων εὐμαρῶς κρατήσειν ἔμελλον, αὐτῆς ἐκ τοῦ μηχανήματος αὐτὰς ἐπικαθήκαν, καὶ τοὺς μὲν ἐσελθόντας ἔκτειναν, τοὺς δ' ἔξω τῶν τειχῶν ἔτι περιεστῶτας ἄνωθεν ἔβαλλον τε καὶ κατετίτρωσκον. καὶ δευτέρας τῆσδε πείρας ὁ Ἀννίβας ἐπὶ τῇ πόλει σφαλεῖς ἀπεχῶρει.

[51] Being angry with the Salapians, Hannibal sent a Roman deserter to them with a letter stamped with the signet ring of Marcellus, before the latter's death had become generally known, saying that the army of Marcellus was on the way thither and that Marcellus gave orders that the gates should be opened to receive them. But the citizens had received letters a little before from Crispinus, who had sent word to all the surrounding towns that Hannibal had got possession of Marcellus' ring. So they sent (Y.R. 546) Hannibal's messenger back in order that he might not know by remaining there what was going on, and they promised to do as they had been ordered. Then they armed them-selves and having taken their station on the walls awaited the result of the stratagem. When Hannibal came with his Numidians, whom he had armed with Roman weapons, they drew up the portcullis as though they were gladly welcoming Marcellus. When they had admitted as many as they thought they could easily master, they dropped the portcullis and slew all those who had gained entrance. Upon those who were still standing around outside the walls they hurled missiles from above and covered them with wounds. Hannibal, having failed in his second attempt against the city, now withdrew. (Y.R. 547)

[52] ἐν τούτῳ δὲ καὶ Ἀσδρούβας ὁ ἀδελφὸς Ἀννίβου, τὴν στρατιὰν ἣν ἐξενάγησεν ἐν τοῖς Κελτίβηρσιν ἔχων, διέβαινεν ἐς τὴν Ἰταλίαν, καὶ Κελτῶν φιλίως αὐτὸν δεχομένων τὰ Ἄλπεια ὄρη, ὡδοποιημένα πρότερον ὑπὸ Ἀννίβου, διώδευε δύο μηνσίν, ὅσα τέως Ἀννίβας ἐξ διήλθεν. ἐσέβαλε τε ἐς Τυρρηνίαν ἄγων πεζοὺς μὲν τετρακισμυρίους ἐπὶ ὀκτακισχιλίοις, ἵππεας δὲ

[52] In the meantime his brother Hasdrubal, with the (B.C. 207) army he had enlisted in Celtiberia, marched to Italy. Being received in a friendly way by the Gauls he had passed over the Alps by the road that Hannibal had opened, accomplishing in two months the journey which had previously taken Hannibal six. He debouched in Etruria with 48,000 foot, 8000 horse, and fifteen elephants. He sent letters to his brother announcing his arrival. These letters were intercepted by the Romans so that the consuls, Salinator and Nero, learned the number of his forces. They combined their own forces in one body, moved against him, and encamped opposite him near the town of Sena. He did not intend to fight yet, but hastening to join his brother, moved off, marching by night among swamps and pools and along an unfordable river, where he lost his way. At daybreak the Romans came up with them, while they were scattered about and wearied with toil and want of sleep, and slew most of them with their officers, while they were still assembling and getting themselves in order of battle. Hasdrubal himself was slain with them. Many of them were taken prisoners. Thus was Italy delivered from a great fear, since Hannibal could never have been conquered if he had received this addition to his forces.

[53] θεὸς δέ μοι δοκεῖ τόδε Ῥωμαίοις ἀντιδοῦναι τῆς ἐπὶ Κάνναις ἀτυχίας, οὐ πόρρω τε ἐπ' ἐκείνῃ καὶ ἰσοστάσιόν πως ἐκείνῃ γεγόμενον: στρατηγοὶ τε γὰρ οἱ ἐκατέρων ἀπώλοντο, καὶ στρατοῦ πλῆθος ἐγγυτάτω μάλιστα ἐπ' ἴσης, καὶ τὰ αἰχμάλωτα πολλὰ γενέσθαι καὶ τοῖσδε κάκεινοις συνηνέχθη, στρατοπέδων τε καὶ παρασκευῆς τῆς ἀλλήλων δαψιλοῦς ἐκράτουν ἑκάτεροι. οὕτω παραλλάξ ἢ πόλις εὐτυχίων καὶ συμφορῶν ἐπειράτο. Κελτιβήρων δ' ὅσοι διέφυγον ἐκ τοῦ κακοῦ, οἱ μὲν ἐς τὰ οἰκεῖα οἱ δ' ἐς Ἀννίβαν ἐχώρουν.

[53] It seems to me that a god gave this victory to the Romans as a compensation for the disaster of Cannae, as it came not long afterward and was about equal to it in other respects. In both cases the commanding generals lost their lives, and the number of soldiers killed and the number of prisoners

taken were very nearly the same in each case. Each side also captured the other's camp and a vast quantity of baggage. Thus did Rome taste good and bad fortune alternately. Of the Celtiberians who escaped the slaughter, some made their way to their own country and some to Hannibal.

[54] ὁ δ' ἐπὶ τε τῷ ἀδελφῷ καὶ στρατιᾷ τοσσηδε δι' ἀπειρίαν ὁδῶν αἰφνίδιον ἀπολωλυῖα δυσφορῶν, καὶ τεσσαρεσκαιδέκατον ἔτος ἔχων ἐν πονοῖς ἀτρύτοις ἐξ οὗ Ῥωμαῖοις ἐν Ἰταλίᾳ διεπολέμει, πάντων τε ὧν εἰλήφει πρότερον ἐκπεπωκώς, ἐς Βρεττίους, ὅπερ αὐτῷ λοιπὸν ἔθνος ὑπήκοον ἦν, ἀνεχώρει, καὶ ἡσύχαζεν ὡς ἐτέρας δυνάμεως ἀφιζομένης ἀπὸ Καρχηδόνας. οἱ δ' ἔπεμψαν μὲν αὐτῷ ναῦς ἑκατὸν στρογγύλας, ἐφ' ὧν σῖτός τε ἦν καὶ στρατιὰ καὶ χρήματα, οὐδενὸς δ' ἐρετικοῦ παραπέμποντος αὐτὰς ἄνεμος ἐς Σαρδόνα κατήνεγκε, καὶ ὁ τῆς Σαρδόνας στρατηγὸς ἐπιπλεύσας μακραῖς ναυσὶ κατέδυσσε μὲν αὐτῶν εἴκοσιν, ἐξήκοντα δ' ἔλαβεν· αἱ δὲ λοιπαὶ διέφυγον ἐς Καρχηδόνα. καὶ ὁ Ἀννίβας ἔτι μᾶλλον ἀπορούμενός τε καὶ τὰ παρὰ Καρχηδονίων ἀπεγνωκώς, οὐδὲ Μάγωνος αὐτῷ τι, τοῦ ξενολογοῦντος ἐν Κελτοῖς καὶ Λίγυσιν, ἐπιπέμποντος, ἀλλὰ τὸ μέλλον ἔσεσθαι περιορωμένου, συνιδὼν ὅτι μένειν ἐπὶ πλεῖον οὐ δυνήσεται, αὐτῶν ἤδη Βρεττίων ὡς ἀλλοτρίων ὅσον οὐπω γενησομένων κατεφρόνει, καὶ ἐσφορὰς ἐπέβαλλεν αὐτοῖς πάνυ πολλὰς, τὰς τε ὀχυρὰς τῶν πόλεων μετώκιζεν ἐς τὰ πεδινὰ ὡς βουλευούσας ἀπόστασιν, πολλοὺς τε τῶν ἀνδρῶν αἰτιώμενος διέφθειρεν, ἵνα τὰς περιουσίας αὐτῶν σφετερίζοιτο.

[54] Hannibal was greatly depressed by the loss of his brother and of so great an army, destroyed suddenly through ignorance of the roads. Deprived of all that he had gained by the untiring labors of fourteen years, during which he had fought with the Romans in Italy, he with-drew to Bruttium, whose people were the only ones that remained in alliance with him. Here he remained quiet, awaiting new forces from Carthage. They sent him 100 merchant ships laden with supplies, soldiers, and money, but as they had not a sufficient force of rowers they were driven by the wind to Sardinia. The praetor of Sardinia attacked them with his war-ships, sunk twenty and captured sixty of them. The remainder escaped to Carthage. Thus was Hannibal still further straitened and he despaired of assistance from the Carthaginians. Nor did Mago, who was collecting mercenaries in Gaul and Liguria, send him any aid, but waited to see what turn affairs would take. Perceiving that he could not stay there long, Hannibal now began to despise the Bruttians themselves as men who would soon be strangers to him, and he loaded them with taxes. He transferred the strongholds of their towns to the plains as though they were planning a revolt. He despoiled many of their men, bringing accusations against them in order that he might confiscate their property. Such was his situation.

[55] καὶ ὁ μὲν ἐν τούτοις ἦν, ἐν δὲ Ῥώμῃ γίνονται μὲν ὕπατοι Λικίνιος τε Κράσσος καὶ Πόπλιος Σκιπίων ὁ λαβὼν Ἰβηρίαν, τούτων δὲ Κράσσος μὲν ἀντεστρατοπέδευσε Ἀννίβαν περὶ Ἰαπυγίαν, Σκιπίων δὲ τὸν δῆμον ἐδίδασκεν οὐ ποτε Καρχηδονίους οὐδ' Ἀννίβαν ἀποστήσασθαι σφίσιν ἐνοχλοῦντας ἀμφὶ τὴν Ἰταλίαν, εἰ μὴ Ῥωμαίων στρατὸς ἐς Λιβύην διέλθοι καὶ κίνδυνον αὐτοῖς ἐπιστήσειεν οἰκεῖον. λιπαρήσας τε πάνυ καρτερῶς, καὶ πείσας ὀκνοῦντας, ἡρέθη στρατηγὸς αὐτὸς ἐς Λιβύην, καὶ διέπλευσεν εὐθὺς ἐς Σικελίαν. ἔνθα στρατὸν ἀγείρας τε καὶ γυμνάσας ἐπέπλευσε Λοκροῖς ἄφνω τοῖς ἐν Ἰταλίᾳ, φρουρουμένοις ὑπὸ Ἀννίβου· καὶ τὴν φρουρὰν κατασφάξας τε, καὶ παραδοὺς Πλημίνιω τὴν πόλιν, αὐτὸς ἐς Λιβύην διέπλευσεν. [55] In Rome the consuls at this time were Licinius Crassus and Publius Scipio, the conqueror of Spain. Crassus conducted the war against Hannibal in Apulia, but (B.C. 205) Scipio advised the people that they would never drive Hannibal and the Carthaginians out of Italy except by sending a Roman army into Africa and so bringing danger to their own doors. By persisting strenuously and persuading those who hesitated he was himself chosen general for Africa and sailed forthwith to Sicily. Having collected and drilled an army there he sailed suddenly to Locri in Italy which was garrisoned by Hannibal. Having slain the garrison and put the town under the command of Pleminius he embarked for Africa. Pleminius visited upon the Locrians every kind of outrage, licentiousness, and cruelty, and ended by robbing the temple of Proserpina. For this the Romans put him and his companions in wrongdoing to death in prison, and gave the property they left to the Locrians to be deposited in the treasury of the goddess. All the rest of the plunder that they could find they restored to the goddess, and what they could not find they made good out of their own public treasury. (Y.R. 550)

[56] τοῦ δὲ αὐτοῦ χρόνου Κωνσεντίαν τε, μεγάλην πόλιν Βρεττίων, καὶ ἄλλας ἕξ ἐπ' αὐτῇ περιέσπασεν ἀπὸ Ἀννίβου Κράσσος. καὶ γιγνομένων ἐν Ῥώμῃ

Κλαυδία μὲν δὴ ἐξ αἰσχίστης δόξης ἐς ἀρίστην μετέβαλε, Ῥωμαίοις δὲ καὶ πρὸ τῆς Κλαυδίας ἐκέλευε τὰ Σιβύλλεια διὰ τοῦ παρὰ σφίσιν ἀρίστου τὸ βρέτας ἐκ Φρυγίας μεταγαγεῖν, καὶ τὸν ἄριστον ἐν τῷ τότε σφίσι δοκοῦντα εἶναι, Σκιπίωνα τὸν Νασικᾶν ἐπὶ κλην, ἐπεπόμφεσαν, υἱὸν μὲν ὄντα Γναίου Σκιπίωνος τοῦ στρατηγῆσαντος ἐν Ἰβηρίᾳ καὶ ἐν αὐτῇ πεσόντος, ἀνεψιὸν δὲ Σκιπίωνος τοῦ Καρχηδονίου ἀφελομένου τὴν ἡγεμονίαν καὶ πρώτου κληθέντος Ἀφρικανοῦ. ὧδε μὲν ἡ θεὸς ἐς Ῥώμην δι' ἀνδρῶν καὶ γυναικῶν ἀρίστων ἀφικνεῖτο.

[56] During the same time Crassus detached Consentia, a large town of Bruttium, and six others, from Hannibal. As certain direful prodigies sent by Jupiter had appeared in Rome, the decemviri, having consulted the Sibylline books, said that something would soon fall from heaven at Pessinus in Phrygia (where the mother of the gods is worshipped by the Phrygians), which ought to be brought to Rome. Not long after, the news came that it had fallen and the image of the goddess was brought to Rome, and still to this day they keep holy to the mother of the gods the day that it arrived. It is said that the ship which bore it stuck in the mud of the river Tiber, and could by no means be moved until the soothsayers proclaimed that it would follow only when drawn by a woman who had never committed adultery. Claudia Quintia, who was under accusation of that crime but not yet tried (being suspected of it on account of fast living), vehemently called the gods to witness her innocence, and fastened her girdle to the ship, whereupon the goddess followed. Thus Claudia acquired the greatest fame in place of her previous bad reputation. But before this affair of Claudia the Romans had been admonished by the Sibylline books to send their best man to bring the image from Phrygia. Scipio Nasica, son of Gn. (B.C. 204) Scipio, who had been general in Spain and had lost his life there, and cousin of Scipio Africanus the elder, was judged to be their best man. In this way was the goddess brought to Rome by the best of their men and women.

[57] ἐν δὲ Λιβύῃ Καρχηδονίων συνεχῶς ὑπὸ τοῦδε τοῦ Σκιπίωνος ἡττωμένων, ὅσοι Βρεττίων ταῦτ' ἐγίνωσκον, ἀφίσταντο ἀπὸ τοῦ Ἀννίβου, καὶ τὰς φρουρὰς οἱ μὲν ἔκτεινον, οἱ δ' ἐξέβαλλον. οἱ δὲ οὐδέτερα τούτων δυνάμενοι λάθρα πρὸς τὴν σύγκλητον ἐπρέσβευον, τὴν μὲν ἀνάγκην αὐτῶν καὶ τὴν

προαίρεσιν ὑποδεικνύοντες. Ἀννίβας δὲ ἐς μὲν Πετηλίαν ἔνοπλος παρήλθεν, οὐκέτι Πετηλίωνων ἐχόντων αὐτὴν: ἐκβαλὼν γὰρ αὐτοὺς ἐδεδώκει Βρεττίοις. ἦτιᾱτο δ' ὅτι ἐπρέσβευσαν ἐς Ῥώμην, ἀρνούμενων δ' ἐκείνων ὑπεκρίνετο πιστεύειν. 'ἴνα δ', ἔφη, 'μῆδ' ὑπονοήσθῃ,' τοὺς μὲν δυνατοὺς παρέδωκε τοῖς Νομάσι, κεχωρισμένως τηρεῖν αὐτῶν ἕκαστον, τοῦ δὲ πλήθους τὰ ὄπλα παρείλετο, τοὺς δὲ δούλους καθοπλίσας ἐπέστησε τῇ πόλει φύλακας. καὶ τούτοις ὅμοια τὰς ἄλλας πόλεις ἐπιὼν ἐποίει. Θουρίων δὲ τρισχιλίους Καρχηδονίοις μάλιστα εὖνους ἐξελόμενος, καὶ πεντακοσίους ἄλλους ἀπὸ τῶν ἀγρῶν, τὰ λοιπὰ τῇ στρατιᾷ διαρπάζειν ἔδωκεν. καὶ τῆς πόλεως ἐγκρατὴ φρουρὰν καταλιπών, ἐς Κρότωνα τοὺς τρισχιλίους καὶ πεντακοσίους μετώκιζε, τὴν πόλιν εὐκαιρον ἡγούμενος εἶναι, καὶ ταμιεῖον αὐτὴν ἑαυτῷ καὶ ὀρμητήριον ἐπὶ τὰς ἄλλας τιθεμενος.

[57] When the Carthaginians were continually beaten by Scipio in Africa those of the Bruttians who heard of it revolted from Hannibal, some of them slaying their garrisons and others expelling them. Those who were not able to do either of these things sent messengers to Rome secretly to explain the necessity under which they had acted and to declare their good will. Hannibal came with his army to Petelia, which was not now occupied by the Petelians, as he had expelled them and given the town to the Bruttians. He accused the latter of sending an embassy to Rome. When they denied it he pretended to believe them, but in order, as he said, that there might be no ground for suspicion, he delivered their principal citizens over to the Numidians, who were ordered to guard each one of them separately. He also disarmed the people, armed the slaves, and stationed them as guards over the city. He did the same to the other cities that he visited. He removed 3000 citizens of Thurii, who were particularly friendly to the Carthaginians, and 500 others from the country, but gave the goods of the remainder as spoils to his soldiers. Leaving a strong garrison in the city he settled these 3500 people at Croton, which he found to be well situated for his operations and where he established his magazines and his headquarters against the other towns. (Y.R. 551)

[58] Καρχηδονίων δ' αὐτὸν μετακαλούντων κατὰ σπουδὴν ἐπικουρεῖν κινδυνευοῦσῃ τῇ πατρίδι ὑπὸ Σκιπίωνος, καὶ τὸν ναύαρχον Ἀσδρούβαν ἐπ' αὐτόν, ἵνα μὴ βραδύνειε, πεμψάντων, ἤχθετο μὲν τῆς Καρχηδονίων ἐς τοὺς ἄρχοντας ἀπιστίας τε καὶ ἀχαριστίας ἐς πεῖραν ἐρχόμενος διὰ μακροῦ, καὶ τὴν αἰτίαν ἐδεδόκει τοῦ τοσοῦδε πολέμου πρῶτος ἐμβαλὼν ἐν Ἰβηρίᾳ, ἐγνώκει δ' ὑπ' ἀνάγκης ὅμως ἔπεσθαι, καὶ ναῦς εἰργάζετο πολλάς, εὐξύλου τῆς Ἰταλίας οὔσης. τῶν δ' ἔτι ὑπηκόων οἱ πόλεων ὡς ἀλλοτρίων καταφρονῶν, ἔγνω διαρπάζειν πάσας, καὶ τὴν στρατιὰν πλουτίσας, εὖνουν ἐς τὰς ἐν Καρχηδόνι συκοφαντίας ἐπαγαγέσθαι. αἰδούμενός τε αὐτὸς παρασπονδεῖν, Ἀσδρούβαν τὸν ναύαρχον ἐπὶ προφάσει περιέπεμπε, τοὺς φρουροῦντας ὀφόμενον. ὁ δὲ ἐς ἐκάστην πόλιν ἐσιὼν ἐκέλευσε τοῖς ἐνοικοῦσιν, αὐτοὺς τε καὶ δούλους αὐτῶν, ὅσα δύναιντο λαβόντας, ἐκ τῶν πόλεων μεθίστασθαι, καὶ τὰ λοιπὰ διήρπασεν. τούτων ἔνιοι πυνθανόμενοι, πρὶν τὸν Ἀσδρούβαν ἴκειν, τοῖς φρουροῖς

ἐπετίθεντο, καὶ συνέβαινεν ὅπου μὲν κρατεῖν τὰς πόλεις ὅπου δὲ τοὺς φρουροὺς, σφαγὴ τε ποικίλη καὶ γυναικῶν ὕβρις καὶ παρθένων ἀπαγωγαί, καὶ πάντα ὅσα ἐν πόλεσιν ἐαλωκυίαις, ἐγίνοντο.

[58] When the Carthaginians summoned him to hasten to the aid of his own country, which was in danger from Scipio, and sent Hasdrubal, their admiral, to him that there might be no delay, he lamented the perfidious and ungrateful conduct of the Carthaginians toward their generals, of which he had had long experience. Moreover, he had apprehensions for himself touching the cause of this great war, which had been begun by himself in Spain. Nevertheless, he recognized the necessity of obeying, and accordingly he built a fleet, for which Italy supplied abundant timber. Despising the cities still allied to him now as foreigners, he resolved to plunder them all, and thus, by enriching his army, render himself secure against (B.C. 203) his calumniators in Carthage. But being ashamed of such a breach of faith, he sent Hasdrubal, the admiral, about, on pretence of inspecting the garrisons. The latter, as he entered each city, ordered the inhabitants to take what things they and their slaves could carry, and move away. Then he plundered the rest. Some of them, learning of these proceedings before Hasdrubal came, attacked the garrisons, overcoming them in some places and being over-come by them in others. Indiscriminate slaughter, accompanied by the violation of wives and the abduction of virgins, and all the horrors that usually take place when cities are captured, ensued.

[59] αὐτὸς δὲ ὁ Ἀννίβας τοὺς συστρατευομένους οἱ τῶν Ἰταλῶν εἰδὼς εὖ γεγυμνασμένους, ἐπειθε πολλαῖς ὑποσχέσεσιν ἐς τὴν Λιβύην αὐτῷ συστρατεῦσαι. καὶ τούτων οἱ μὲν τὰ ἡμαρτημένα σφίσιν ἐς τὰς πατρίδας δεδιότες εἶποντο, φεύγοντες τὴν οἰκείαν ἐκόντες, οἱ δὲ οὐδὲν ἁμαρτόντες ὤκνουں. ἄθροίσας οὖν τούσδε τοὺς ὑπομένειν ἀξιοῦντας ὥς δὴ τι λέξων αὐτοῖς ἢ χαριούμενος τῶν γεγονότων ἢ περὶ τοῦ μέλλοντος ἐπισκήψων, περιέστησε τὴν στρατιὰν ὥπλισμένην ἄφνω, καὶ προσέταξε τοῖς ἰδίοις ἀνδράποδα ἐξ αὐτῶν ὅσα θέλουσιν ἐπιλέξασθαι. ὥς δὲ οἱ μὲν ἐπελέξαντο, οἱ δὲ ἥδοῦντο συστρατιώτας πολλὰ συνειργασμένους σφίσιν ἀνδραποδίσασθαι, τοὺς λοιποὺς κατηκόντισεν ἅπαντας, τοῦ μὴ τοιούσδε ἀνδρας ποτὲ Ῥωμαίοις γενέσθαι χρησίμους. ἐπικατέσφαξε δ' αὐτοῖς καὶ ἵππους ἐς τετρακισχιλίους καὶ πλῆθος ὑποζυγίων, οὐ δυνάμενος ἐς Λιβύην ἐπάγεσθαι.

[59] Hannibal himself, knowing that the Italians in his army were extremely well-drilled soldiers, sought to persuade them by lavish promises to accompany him to Africa. Those of them who had been guilty of crimes against their own countries willingly expatriated themselves and followed him. Those who had committed no such wrong hesitated. Collecting together those who had decided to remain, as though he wished to say something to them, or to reward them for their services, or to give them some command as to the future, he surrounded them with his army unexpectedly, and directed his soldiers to choose from among them such as they would like to have for

slaves. Some made their selections accordingly. Others were ashamed to reduce their comrades in so many engagements to servitude. All the rest Hannibal put to death with darts in order that the Romans might not avail themselves of such a splendid body of men. With them he slaughtered also about 4000 horses and a large number of pack animals, which he was not able to transport to Africa.

[60] μετὰ δὲ τοῦτο ἐς τὰς ναῦς τὸ πλῆθος ἐμβιβάσας τὸ πνεῦμα ἀνέμενεν, ὀλίγους ἐς φυλακὴν ἐπὶ τῆς γῆς καταλιπών. οἱ δὲ Πετηλῖνοι καὶ σὺν αὐτοῖς ἕτεροι Ἰταλοὶ ἐπέθεντο, καὶ τινὰς αὐτῶν κατασφάξαντες ἀπέδρασαν. Ἀννίβας δ' ἐπὶ Λιβύης ἀνήγετο, ἐκκαίδεκα ἔτεσιν ὁμαλῶς πορθήσας τε τὴν Ἰταλίαν, καὶ τοὺς ἄνδρας ἐμπλήσας κακῶν μυρίων καὶ ἐς κίνδυνον ἔσχατον πολλακίς συναγαγών, τοῖς τε ὑπηκόοις αὐτοῦ καὶ συμμάχοις ἐνυβρίσας ὥς πολεμίους: ἅτε γὰρ καὶ τέως αὐτοῖς οὐκ ἐπ' εὐνοίᾳ μᾶλλον ἢ χρεῖα χρώμενος, οὐδὲν ἔχων ἔτι πρὸς αὐτῶν ὠφελεῖσθαι κατεφρόνησεν ὥς πολεμίῳν.

[60] Thereupon he embarked his army and waited for a wind, having left a few garrisons on the land. These the Petalini and other Italians set upon, slew some of them, and then ran away. Hannibal passed over to Africa, having devastated Italy for sixteen successive years, and inflicted countless evils upon the inhabitants, and reduced Rome several times to the last extremity, and treated his own subjects and allies with contumely as enemies. For, just as he had made use of them for a time, not from any good will but from necessity, so now that they could be of no further service to him he scorned them and considered them enemies.

[61] Ἀννίβου δ' ἀποπλεύσαντος ἡ βουλὴ τοῖς μὲν ἄλλοις ἔθνεσι τῆς Ἰταλίας, ὅσοι μετέθεντο πρὸς ἐκεῖνον, συνέγνω τῶν γεγονότων καὶ ἀμνηστίαν ἐψηφίσατο, Βρεττίων δὲ μόνων, οἱ μέχρι τέλους αὐτῷ προθυμότατοι ἐγεγένηντο, χώραν τε πολλὴν ἀφείλετο καὶ ὄπλα, εἴ τινα ἦν ἔτι χωρὶς ὧν Ἀννίβας ἀφήρητο: ἔς τε τὸ μέλλον ἀπεῖπεν αὐτοῖς μὴ στρατεύεσθαι ὥς οὐδ' ἐλευθέροις οὓσιν, ὑπηρέτας δὲ τοῖς τε ὑπάτοις καὶ στρατηγοῖς τοῖς ἐς τὰς τῶν ἐθνῶν ἡγεμονίας ἀπιοῦσιν ἐς τὰς δημοσίας ὑπηρεσίας, οἷα θεράποντας, ἀκολουθεῖν. τοῦτο τὸ τέλος ἦν Ἀννίβου τῆς ἐς τὴν Ἰταλίαν γενομένης ἐσβολῆς.

[61] When Hannibal had departed from Italy the Senate pardoned all the Italian peoples who had sided with him, and voted a general amnesty except as to the Bruttians, who remained most zealous for him to the end. From these they took away a considerable part of their land, also their arms, if there were any that Hannibal had not taken. They were also forbidden to be enrolled in the military forces thereafter, as being no longer free persons, and they were required to attend as servants upon the consuls and praetors who went about inspecting the affairs of government and the public works of the provinces. Such was the end of Hannibal's invasion of Italy.

Horace White The accusation against Hannibal that he put to death those of his Italian soldiers who refused to follow him to Africa is referred to by Livy (xxx. 20) in these words: "Many of Italian birth who refused to follow him to Africa and withdrew to the shrine of Juno Lacinia, hitherto inviolate, were foully slain in the temple itself." The tale is generally discredited by modern historians as an impossible crime and as inconsistent with the relations that existed between Hannibal and his soldiers as related by Livy himself (xxviii. 12), viz.: —

"No battle was fought with Hannibal that year, for neither did he take the offensive after the recent public and private wound [at the Metaurus], nor did the Romans disturb his quiet, so great a power resided in him, although everything else around him was going to ruin. And I know not whether he was not more wonderful in adversity than in prosperity, because, although he waged war in a hostile country thirteen years, far from home, with varying fortune, not with an army composed of his own citizens but of the mingled riff-raff of all nations, who had no law, custom, or language in common, but were different in character, dress, arms, religious belief and ceremony, and I had almost said in their gods, he held them together by such a bond that no disturbance ever broke out, either among themselves or against their commander, although, in the territory of enemies, he was often in want of money to pay them and of supplies to feed them, the lack of which in the former Punic war had been the cause of many dreadful scenes between the commanders and the soldiers. After the army of Hasdrubal and its chief, in whom all hope of victory had been reposed, had perished, and he had yielded the rest of Italy by retiring to the corner of Bruttium, to whom does it not seem wonderful that no commotion took place in his camp? For, to other things, this also was added, that there was no hope of feeding his soldiers except from the Bruttian territory, which, even if it were all cultivated, would be very scant for supporting so great an army, whereas the war absorbed a large part of the young men, who were drawn away from the tillage of the fields, and a custom ingrafted on a depraved people prevailed of carrying on military operations by robbery. Nor was anything sent to him from home, where they were solicitous about retaining their hold on Spain, as though all their affairs were flourishing in Italy."

The foregoing is in part copied from a passage in Polybius, viz.: "Who can fail to be struck with admiration for the generalship, the courage, the ability of this man in the field, when we think of the length of time the war lasted; when we look at it as a whole, and at the particular battles, sieges, and revolts of cities, and at the turns of fortune; when we contemplate the totality of the design and execution in the course of which Hannibal waged continuous war against the Romans in Italy for sixteen years and never once dismissed his forces from field service, but held them like a good pilot in subjection to himself, and restrained such a multitude from mutiny and from strife with

each other, although the forces he made use of were not all of one nation or even of the same race? They were composed of Africans, Spaniards, Ligurians, Gauls, Phoenicians, Italians, and Greeks, who had neither law, custom, speech, nor anything else naturally in common. Yet such was the skill of the general that, notwithstanding these great diversities, he made them all attentive to one command and obedient to one will, although circumstances were not always propitious but varied; although fortune did not always come in favoring but sometimes in adverse gales. In view of these facts one may well be astonished at his commanding ability in military affairs, and may confidently affirm that if he had begun with other parts of the earth and had attacked the Romans last, he would not have failed of any part of his designs. But now, as he began with those who should have been the last, he made both the beginning and the end of his exploits among them.” (Fragment xi. 19.)

CHAPTER I

First Phœnician Settlement — First Punic War — Regulus defeated by Xanthippus — Fate of Regulus — The Mercenary War

The Phœnicians settled Carthage, in Africa, fifty years before the capture of Troy. Its founders were either Zorus and Carchedon, or, as the Romans and the Carthaginians themselves think, Dido, a Tyrian woman, whose husband had been slain clandestinely by Pygmalion, the ruler of Tyre. The murder being revealed to her in a dream, she embarked for Africa with her property and a number of men who desired to escape from the tyranny of Pygmalion, and arrived at that part of Africa where Carthage now stands. Being repelled by the inhabitants, they asked for as much land for a dwelling place as they could encompass with an ox-hide. The Africans laughed at this frivolity of the Phœnicians and were ashamed to deny so small a request. Besides, they could not imagine how a town could be built in so narrow a space, and wishing to unravel the mystery they agreed to give it, and confirmed the promise by an oath. The Phœnicians, cutting the hide round and round in one very narrow strip, enclosed the place where the citadel of Carthage now stands, which from this affair was called Byrsa (a hide).

[2] χρόνῳ δ' ἔντεϋθεν ὁρμώμενοι καὶ τῶν περιοίκων ἀμείνους ὄντες ἐς χεῖρας ἔλθειν, ναυσὶ τε χρώμενοι καὶ τὴν θάλασσαν οἷα Φοίνικες ἐργαζόμενοι, τὴν πόλιν τὴν ἔξω τῇ Βύρῃ περιέθηκαν. καὶ δυναστεύοντες ἤδη Λιβύης ἐκράτουν καὶ πολλῆς θαλάσσης, ἐκδήμους τε πολέμους ἐστράτευσεν ἐς Σικελίαν καὶ Σαρδῶ καὶ νήσους ἄλλας ὅσαι τῆσδε τῆς θαλάσσης εἰσὶ, καὶ ἐς Ἰβηρίαν. πολλὰ γὰρ καὶ ἀποικίας ἐξέπεμπον. ἥ τε ἀρχὴ αὐτοῖς ἐγένετο δυνάμει μὲν ἀξίωμαχος τῇ Ἑλληνικῇ, περιουσίᾳ δὲ μετὰ τὴν Περσικὴν. ἐπτακοσίοις δ' αὐτοὺς ἔτεσιν ἀπὸ τοῦ συνοικισμοῦ Ῥωμαῖοι Σικελίαν ἀφείλοντο, καὶ Σαρδῶ μετὰ Σικελίαν, δευτέρῳ δὲ πολέμῳ καὶ Ἰβηρίαν. ἐς τε τὴν ἀλλήλων ἐμβαλόντες μεγάλοις στρατοῖς, οἱ μὲν Ἀννίβου σφῶν ἡγουμένου τὴν Ἰταλίαν ἐπόρθουν ἐκκαίδεκα ἔτεσιν ἐξῆς, οἱ δὲ Λιβύην Κορνηλίου Σκιπίωνος τοῦ πρεσβυτέρου σφῶν στρατηγοῦντος, μέχρι τὴν ἡγεμονίαν Καρχηδονίους ἀφείλοντο καὶ ναῦς καὶ ἐλέφαντας, καὶ χρήματα σφίσιν ἐπέταξαν ἐσενεγκεῖν ἐν χρόνῳ. δευτεραί τε σπονδαὶ Ῥωμαίοις καὶ Καρχηδονίοις αἶδε διέμειναν ἐς ἑτὶ πεντήκοντα, μέχρι λύσαντες αὐτὰς τρίτον πόλεμον καὶ τελευταῖον ἀλλήλοις ἐπολέμησαν, ἐν ᾧ Καρχηδὼνα Ῥωμαῖοι κατέσκαψαν Σκιπίωνος τοῦ νεωτέρου σφῶν στρατηγοῦντος, καὶ ἐπάρατον ἔγνωσαν. αὐθὶς δ' ὥκισαν ἰδίους ἀνδράσιν, ἀγχοτάτῳ μάλιστα τῆς προτέρας, ὡς εὐκαιρὸν ἐπὶ Λιβύῃ χωρίον. τούτων τὰ μὲν ἀμφὶ Σικελίαν ἢ Σικελικὴ γραφὴ δηλοῖ, τὰ δ' ἐν Ἰβηρίᾳ γενόμενα ἢ Ἰβηρικὴ, καὶ ὅσα Ἀννίβας ἐς Ἰταλίαν ἐσβαλὼν ἔπραξεν, ἢ Ἀννιβαικὴ: τὰ δ' ἐν Λιβύῃ γενόμενα ἀπ' ἀρχῆς ἦδε συνάγει.

[2] Proceeding from this start and getting the upper hand of their neighbors, as they were more adroit, and engaging in traffic by sea, like the Phoenicians, they built a city around Byrsa. Gradually acquiring strength they mastered Africa and the greater part of the Mediterranean, carried war into Sicily and Sardinia and the other islands of that REDUCED FACSIMILE, VATICAN MS. GR. 134. XIV CENTURY. FIRST PAGE OF THE PUNIC WARS sea, and also into Spain. They sent out numerous colonies. They became a match for the Greeks in power, and next to the Persians in wealth. But about 700 years after the foundation of the city the Romans took Sicily and Sardinia away from them, and in a second war Spain also. Then, assailing each the other's territory with immense armies, the Carthaginians, under Hannibal, ravaged Italy for sixteen years in succession, but the Romans, under the leadership of Cornelius Scipio the elder, carried the war into Africa, crushed the Carthaginian power, took their ships and their elephants, and required them to pay tribute for a time. A second treaty was now made between the Romans and the Carthaginians which lasted fifty years, until, upon an infraction of it, the third and last war broke out between them, in which the Romans under Scipio the younger razed Carthage to the ground and forbade the rebuilding of it. But another city was built subsequently by their own people, very near the former one, for convenience in governing Africa. Of these matters the Sicilian part is shown in my Sicilian history, the Spanish in the Spanish history, and what Hannibal did in his Italian campaigns in the Hannibalic history. This book will deal with the operations in Africa from the earliest period. (Y.R. 498)

[3] ἦρξαντο δ' αὐτῶν ἀμφὶ τὸν Σικελικὸν πόλεμον οἱ Ῥωμαῖοι, ναυσὶ πεντήκοντα καὶ τριακοσίαις ἐπιπλεύσαντες ἐς Λιβύην, καὶ πόλεις τινὰς ἐλόντες, καὶ στρατηγὸν ἐπὶ τῇ δυνάμει καταλιπόντες Ἀτίλιον Ῥῆγγλον, ὃς ἄλλας τε πόλεις διακοσίας προσέλαβεν, αἱ Καρχηδονίων ἔχθει πρὸς αὐτὸν μετετίθεντο, καὶ τὴν χώραν ἐπιὼν ἐπόρθει. Καρχηδόνιοι δὲ Λακεδαιμονίους στρατηγὸν ἦτουν, οἰόμενοι δι' ἀναρχίαν κακοπραγεῖν. οἱ μὲν δὴ Ξάνθιππον αὐτοῖς ἔπεμπον, ὁ δὲ Ἀτίλιος ἀμφὶ λίμνῃ στρατοπεδεύων ὥρα καύματος περιώδευε τὴν λίμνην ἐπὶ τοὺς πολεμίους, ὅπλων τε βάρει καὶ πνίγει καὶ δίψει καὶ ὁδοιπορίᾳ κακοπαθῶν, καὶ βαλλόμενος ἀπὸ κρημνῶν ἄνωθεν. ὥς δ' ἐπλησίασε περὶ ἐσπέραν καὶ ποταμὸς αὐτοὺς διεῖργεν, ὁ μὲν εὐθὺς ἐπέρα τὸν ποταμὸν ὥς καὶ τῷδε τὸν Ξάνθιππον ἐκπλήξων, ὁ δὲ συντεταγμένην τὴν στρατιὰν ἐπαφίησι διὰ τῶν πυλῶν, ἐλπίσας κεκμηκότος καὶ κακοπαθοῦντος περιέσεσθαι, καὶ τὴν νύκτα πρὸς τῶν νικάντων ἔσεσθαι. τῆσδε μὲν οὖν τῆς ἐλπίδος ὁ Ξάνθιππος οὐκ ἀπέτυχεν· ἀπὸ γὰρ τρισμυρίων ἀνδρῶν οὓς ὁ Ἀτίλιος ἦγεν, ὀλίγοι μόλις αὐτῶν ἐς Ἀσπίδα πόλιν διέδρασαν, οἱ δὲ λοιποὶ πάντες οἱ μὲν ἀπώλοντο οἱ δ' ἐξωγρήθησαν. καὶ μετ' αὐτῶν ὁ στρατηγὸς Ἀτίλιος, ὕπατος γεγονώς, αἰχμάλωτος ἦν.

[3] About the beginning of the Sicilian war the Romans (B.C. 256) sent 350 ships to Africa, captured a number of towns, and left in command of the army

Atilius Regulus, who took some 200 more towns, which gave themselves up to him on account of their hatred of the Carthaginians; and continually advancing he ravaged the territory. Thereupon the Carthaginians, considering that their misfortunes were due to bad generalship, asked the Lacedemonians to send them a commander. The Lacedemonians sent them Xanthippus. Regulus, being encamped in the hot season alongside a lake, marched around it to engage the enemy, his soldiers suffering greatly from the weight of their arms, from dust, thirst, and fatigue, and exposed to missiles from the neighboring heights. Toward evening he came to a river which separated the two armies. This he crossed at once, thinking in this way to terrify Xanthippus, but the latter, anticipating an easy victory over an enemy thus harassed and exhausted and having night in his favor, drew up his forces (Y.R. 499) and made a sudden sally from his camp. The expectations (B.C. 255) of Xanthippus were not disappointed. Of the 30,000 men led by Regulus, only a few escaped with difficulty to the city of Aspis. All the rest were either killed or taken prisoners, and among the latter was the consul Regulus himself. (Y.R. 504)

[4] τόνδε μὲν δὴ μετ' οὐ πολὺ κάμνοντες οἱ Καρχηδόνιοι σὺν οἰκείοις πρέσβεσιν ἐπεμψαν ἐς Ῥώμην, ἐργασόμενον σφίσι διαλλαγὰς ἢ ἐπανήξοντα· καὶ ὁ Ἀτίλιος Ῥήγλος ἐν ἀπορρήτῳ τοῖς τέλεσι Ῥωμαίων ἐπισκήψας ἐγκρατῶς ἔχεσθαι τοῦ πολέμου, ἐπανήλθεν ἐς λύμην ἑτοιμον, καὶ αὐτὸν οἱ Καρχηδόνιοι καθεύξαντες ἐν γαλεάγρα κέντρα πάντοθεν ἐχούσῃ διέφθειραν. Ξανθίππῳ δὲ τὸ εὐτύχημα συμφορῶν ἦρξε· Καρχηδόνιοι γὰρ αὐτόν, ἵνα μὴ δοκοίη Λακεδαιμονίων ἔργον εἶναι τοσοῦτον, ὑποκρινάμενοι τιμᾶν δωρεαῖς πολλαῖς καὶ προπέμπειν ἐπὶ τριήρων ἐς Λακεδαίμονα, τοῖς τριηράρχοις ἐνετείλαντο μετὰ τῶν συμπλεόντων Λακόνων καταποντίσαι. ὁ μὲν δὴ δίκην ἔδωκε τήνδε εὐπραξίας, καὶ τάδε ἦν τοῦ πρώτου πολέμου Ῥωμαίοις περὶ Λιβύην εὐπραγήματά τε καὶ ἀτυχήματα, μέχρι Καρχηδόνιοι Σικελίας Ῥωμαίοις ἀπέστησαν. ὅπως δὲ ἀπέστησαν, ἐν τῇ Σικελικῇ γραφῇ δεδήλωται.

[4] Not long afterward the Carthaginians, weary of fighting (B.C. 250) sent him, in company with their own ambassadors, to Rome to obtain peace or to return if it were not granted. Yet Regulus in private strongly urged the chief magistrates of Rome to continue the war, and then went back to certain torture, for the Carthaginians shut him up in a cage stuck full of spikes and thus put him to death. This success was the beginning of sorrows to Xanthippus, for the Carthaginians, in order that the credit might not seem to be due to the Lacedemonians, pretended to honor him with splendid gifts, sent galleys to convey him back to Lacedemon, but enjoined upon the captains of the ships to throw him and his Lacedemonian comrades overboard. In this way he paid the penalty for his successes. Such (Y.R. 513) were the results, good and bad, of the first war of the (B.C. 241) Romans in Africa, until the Carthaginians surrendered Sicily to them. How this came about has been shown in my Sicilian history.

[5] μετὰ δὲ τοῦτο Ῥωμαίοις μὲν καὶ Καρχηδονίοις εἰρηναῖα ἦν ἐς ἀλλήλους, Λίβυες, δ' ὅσοι Καρχηδονίων ὄντες ὑπήκοοι συνεμεμαχίκεσαν αὐτοῖς ἐπὶ Σικελίαν, καὶ Κελτῶν ὅσοι ἐμεμισθοφορήκεσαν, ἐγκλήματά τινα μισθῶν καὶ ὑποσχέσεων ἐς τοὺς Καρχηδονίους ἔχοντες ἐπολέμουν αὐτοῖς μάλα καρτερῶς. οἱ δὲ Ῥωμαῖους ἐς συμμαχίαν ὡς φίλους ἐκάλουν, καὶ αὐτοὺς οἱ Ῥωμαῖοι ξενολογεῖν ἐς μόνον τόνδε τὸν πόλεμον ἀπὸ τῆς Ἰταλίας ἐφῆκαν: ἀπείρητο γὰρ ἐν ταῖς σπονδαῖς καὶ τόδε. ἔπεμψαν δὲ καὶ διαλακτῆρας, οἷς οἱ Λίβυες οὐχ ὑπήκουον, ἀλλὰ τὰς πόλεις ἐδήλωσαν ὑπηκόους εἶναι Ῥωμαίων, εἰ θέλοιεν: οἱ δ' οὐκ ἐδέξαντο. Καρχηδόνιοι δὲ ναυτικῶ πολλῶ ταῖς πόλεσιν ἐφεδρεύοντες τὴν ἀγορὰν αὐτῶν ἀφηροῦντο τὴν ἐκ τῆς θαλάσσης, ἀσπόρου δὲ καὶ τῆς γῆς ὡς ἐν πολέμῳ γενομένης, Λιβύων μὲν διὰ τὸν λιμὸν ἐκράτουν, ἐμπόρους δ', ὅσοι παρέπλεον, ἐλήστευον ἐξ ἀπορίας: τοὺς δὲ Ῥωμαίων καὶ κτείνοντες ἔβαλλον ἐς τὸ πέλαγος, ἵνα λανθάνοιεν. καὶ διέλαθον ἐπὶ πολὺ. γνωσθέντος δὲ τοῦ γιγνομένου, ποινὴν αἰτούμενοι διωθοῦντο, μέχρι Ῥωμαίων ἐπιστρατεῦειν αὐτοῖς ψηφισαμένων Σαρδῶ ποινὴν ἔδωκαν. καὶ τόδε ταῖς προτέραις συνθήκαις ἐνεγράφη.

[5] After this there was peace between the Romans and the Carthaginians, but the Africans, who were subject to the latter and had served them as auxiliaries in the Sicilian war, and certain Celtic mercenaries who complained that their pay had been withheld and that the promises made to them had not been kept, made war against the Carthaginians in a very formidable manner. The latter appealed to the Romans for aid on the score of friendship, and the Romans allowed them for this war only to hire mercenaries in Italy, for even that had been forbidden in the treaty. Nevertheless they sent men to act as mediators between them. The Africans refused the mediation, but offered to become subjects of the Romans if they would take them. (Y.R. 514) The latter would not accept them. Then the Carthaginians (B.C. 240) blockaded the towns with a great fleet, and cut off their supplies from the sea, and as the land was untilled in consequence of the war they overcame the Africans by the famine, but were driven to supply their own wants by piracy, even taking some Roman ships, killing the crews, and throwing them overboard to conceal the crime. This (Y.R. 516) escaped notice for a long time. When the facts became (B.C. 238) known and the Carthaginians were called to account they put off the day of reckoning until the Romans voted to make war against them, when they surrendered Sardinia by way of compensation. And this clause was added to the former treaty of peace.

CHAPTER II

Hannibal's Invasion of Italy — Scipio's Invasion of Africa — Consternation at Carthage — Syphax and Masinissa — War between Masinissa and Carthage

(Y.R. 525)

[6] οὐ πολὺ δὲ ὕστερον οἱ Καρχηδόνιοι στρατεύουσιν ἐς Ἰβηρίαν, καὶ αὐτὴν κατὰ μέρος ὑπὴγοντο, μέχρι Ζακανθαίων ἐπὶ Ῥωμαίους καταφυγόντων Καρχηδονίοις ὅρος ἐν Ἰβηρίᾳ γίγνεται, μὴ διαβαίνειν τὸν Ἰβηρα ποταμόν. καὶ τάσδε αὖ τὰς σπονδὰς ἔλυσαν Καρχηδόνιοι, περάσαντες Ἀννίβου σφῶν ἡγουμένου. διαβάντες δέ, ὁ μὲν Ἀννίβας διαστρατηγεῖν ἐτέροις τὰ ἐν Ἰβηρία καταλιπὼν ἐς τὴν Ἰταλίαν ἐσέβαλε· στρατηγοὶ δὲ Ῥωμαίων ἐν Ἰβηρίᾳ, Πόπλιός τε Κορνήλιος Σκιπίων καὶ Γναῖος Κορνήλιος Σκιπίων, ἀλλήλοις ἀδελφῶ, λαμπρὰ ἔργα ἀποδεικνυμένῳ θνήσκετον ἄμφω πρὸς τῶν πολεμίων. καὶ οἱ μετ' αὐτοὺς στρατηγοὶ κακῶς ἔπραττον, μέχρι Σκιπίων ὁ Ποπλίου Σκιπίωνος τοῦδε τοῦ περὶ Ἰβηρίαν ἀναιρεθέντος υἱὸς ἐπιπλεύσας, καὶ δόξαν ἅπασιν ἐμβαλὼν ὡς ἦκοι κατὰ θεὸν καὶ δαιμονίῳ χρῶτο συμβούλῳ περὶ πάντων, ἐκράτει τε λαμπρῶς, καὶ ἐπὶ δόξης ἐκ τοῦδε πολλῆς γενόμενος τὴν μὲν στρατηγίαν τοῖς ἐς διαδοχὴν ἐπιτεμφθεῖσι παρέδωκεν, ἐς δὲ Ῥώμην ἐπανελθὼν ἡξίου πεμφθῆναι στρατηγὸς ἐς Λιβύην ὡς ἀναστήσων Ἀννίβαν ἐξ Ἰταλίας καὶ Καρχηδονίοις δίκην ἐπιθήσων ἐν τῇ πατρίδι.

[6] Not long afterwards the Carthaginians invaded Spain (B.C. 229) and were gradually subduing it, when the Saguntines appealed to Rome and a boundary was fixed to the Carthaginian advance by agreement that they should not cross the river Ebro. The Carthaginians, under the lead of Hannibal, violated this treaty by crossing the stream, and having done so Hannibal marched against Italy, leaving the command in Spain in the hands of others. The Roman generals in Spain, Publius Cornelius Scipio and Gnaeus Cornelius Scipio, two brothers, after having performed some brilliant exploits were both slain by the enemy. The generals who succeeded them fared badly until Scipio, the son of the Publius Scipio who was killed in Spain, set sail (Y.R. 544) thither, and making all believe that he was come by a (B.C. 210) divine mission and had divine counsel in all things, prevailed brilliantly, and achieving great glory by this success, gave over his command to those sent to succeed him, returned to Rome, and asked to be sent with an army to Africa so as to draw Hannibal out of Italy and to bring retribution upon the Carthaginians in their own country.

[7] τῶν δὲ πολιτευομένων οἱ μὲν ἀντέλεγον οὐ χρῆναι, κεκενωμένης ἄρτι τῆς Ἰταλίας τοσοῖσδε πολέμοις καὶ πορθουμένης ἔτι πρὸς Ἀννίβου, καὶ Μάγωνος ἐν πλευραῖς ἐπ' αὐτὴν Λίγυάς τε καὶ Κελτοὺς ξενολογοῦντος, ἐς Λιβύην στρατεύειν, οὐδὲ τὴν ἄλλοτρίαν χειροῦσθαι πρὶν τὴν οἰκείαν ἀπαλλάξαι τῶν παρόντων· οἱ δὲ ὥντο Καρχηδονίους νῦν μὲν ἀδεεῖς ὄντας ἐφεδρεῦειν τῇ

Ἰταλία, οὐδὲν ἐνοχλουμένους οἶκοι, πολέμου δὲ οἰκείου σφίσι γενομένου καὶ Ἀννίβαν μεταπέμψεσθαι. οὕτω μὲν ἐκράτησε πέμπειν ἐς Λιβύην Σκιπίωνα, οὐ μὴν συνεχώρησαν αὐτῷ καταλέγειν στρατὸν ἐξ Ἰταλίας πονουμένης ἔτι πρὸς Ἀννίβου· ἐθελοντὰς δέ, εἴ τινες εἶεν, ἐπέτρεψαν ἐπάγεσθαι, καὶ τοῖς ἀμφὶ τὴν Σικελίαν ἔτι οὖσι χρῆσθαι. τριῆρεις τε ἔδωσαν αὐτῷ κατασκευάσασθαι δέκα, καὶ πληρώματα αὐταῖς λαβεῖν, ἐπισκευάσαι δὲ καὶ τὰς ἐν Σικελία. καὶ χρήματα οὐκ ἔδωκαν, πλὴν εἴ τις ἐθέλοι τῷ Σκιπίωνι κατὰ φιλίαν συμφέρειν. οὕτως ἀμελῶς ἤπτοντο τοῦδε τοῦ πολέμου τὰ πρῶτα, μεγίστου σφίσι καὶ ἀξιοτιμοτάτου μετ' ὀλίγον γενομένου.

[7] Some of the leading men opposed this plan, saying (Y.R. 549) that it was not best to send an army into Africa while Italy (B.C. 205) was wasted by such long wars and was subject to the ravages of Hannibal, and while Mago was enlisting Ligurian and Celtic mercenaries for a flank attack upon her. They ought not to attack another land, they said, until they had delivered their own country from its present perils. Others thought that the Carthaginians were emboldened to attack Italy because they were not molested at home, and that if war were brought to their own doors they would recall Hannibal. So it was decided to send Scipio into Africa, but they would not allow him to levy an army in Italy while Hannibal was ravaging it. If he could procure volunteers he might take them, and he might use the forces which were then in Sicily. They authorized him to fit out ten galleys and allowed him to take crews for them, and also to refit those in Sicily. They did not give him any money except what he could raise among his friends. So indifferently at first did they undertake this war, which soon came to be the most great and glorious for them.

[8] ὁ δὲ Σκιπίων ἔνθους ὢν ἐπὶ Καρχηδόνι ἐκ πολλοῦ, καὶ τινὰς ἱππέας τε καὶ πεζοὺς, ἐς ἑπτακισχιλίους μάλιστα. ἀθροίσας, διέπλευσεν ἐς Σικελίαν ἔχων ἀμφ' αὐτὸν ἀρτιγενεῖους ἐπιλέκτους τριακοσίους, οἷς εἴρητο χωρὶς ὅπλων ἔπεσθαι. Σικελῶν δ' αὖ τριακοσίους καταγράνας εὐδαίμονας ἐκέλευσεν ἡκεῖν ἐς ἡμέραν ῥητὴν, ἐσκευασμένους ὅπλοις τε καὶ ἵπποις ὅτι δύναιντο καλλίστοις. ὥς δὲ ἀφίκοντο, προύθηκεν εἴ τις ἑαυτοῦ θέλοι τὸν στρατευσόμενον ἀντιδοῦναι. δεξαμένων δὲ πάντων, ἤγαγεν ἐς μέσον τοῦς τριακοσίους τοῦς ὅπλων ἐρήμους, καὶ ἐς τοῦσδε ἐκείνοις προσέταξε μετασκευάσασθαι. οἱ δ' ἐκόντες παρεδίδοσαν ὅπλα καὶ ἵππους. καὶ περιῆν τῷ Σκιπίωνι τριακοσίους νέους Ἰταλιώτας ἔχειν ἀντὶ Σικελιωτῶν, κάλλιστα ἵπποις καὶ ὅπλοις ἀλλοτρίοις ἐσκευασμένους, καὶ χάριν εὐθὺς ἐπὶ τῷδε εἰδότας· οἷς δὴ καὶ προθυμοτάτοις ἐς πάντα χρώμενος διετέλει.

[8] Scipio, who seemed to be divinely inspired from long ago against Carthage, having collected scarcely 7000 soldiers, cavalry and infantry, sailed for Sicily, taking as a body-guard 300 chosen youths whom he ordered to accompany him without arms. He then chose 300 wealthy Sicilians by conscription and ordered them to report on a certain day, provided with the

best possible arms and horses. When they came he told them that they might furnish substitutes for the war if they preferred. As they all accepted this offer he brought forward his 300 unarmed youths and directed the others to supply them with arms and horses, and this they did willingly. So it came about that Scipio had in place of the Sicilians, 300 Italian youths admirably equipped at other people's expense, who at once thanked him for this favor and ever afterward rendered him excellent service.

[9] Καρχηδόνιοι δὲ ταῦτα πυνθανόμενοι Ἀσδρούβαν μὲν τὸν Γέσκωνος ἐπὶ θήραν ἐλεφάντων ἐξέπεμπον, Μάγωνι δ' ἄμφι τὴν Λιγυστινὴν ξεναγοῦντι πεζοὺς ἀπέστελλον ἐς ἑξακισχιλίους καὶ ἰππέας ὀκτακοσίους καὶ ἐλέφαντας ἑπτὰ, καὶ προσέτασσον αὐτῷ μεθ' ὅσων δύναιτο ἄλλων ἐσβαλεῖν ἐς Τυρρηνίαν, ἵνα τὸν Σκιπίωνα περισπάσειεν ἐκ Λιβύης. Μάγων μὲν δὴ καὶ τότε ἐβράδυνεν, Ἀννίβα τε συνελθεῖν οὐ δυνάμενος πολὺ διεστῶτι, καὶ τὸ μέλλον αἰεὶ περιορώμενος. Ἀσδρούβας δ' ἀπὸ τῆς θήρας ἐπανελθὼν κατέλεγε Καρχηδονίων τε καὶ Λιβύων ἐς ἑξακισχιλίους πεζοὺς ἑκατέρων καὶ ἰππέας ἑξακοσίους, δούλους τε ἡγόραζε πεντακισχιλίους, τὸ ναυτικὸν ἐρέσσειν, καὶ παρὰ τῶν Νομάδων ἔλαβε δισχιλίους ἰππέας, καὶ ξένους ἐμισθοῦτο, καὶ πάντας ἐγύμναζε, διακοσίους σταδίους ἀποσχὼν ἀπὸ Καρχηδόνας.

[9] When the Carthaginians learned these things they sent Hasdrubal, the son of Gisco, to hunt elephants, and they despatched to Mago, who was enlisting Ligurian mercenaries, 6000 foot, 800 horse, and seven elephants, and commanded him to attack Etruria with these and such other forces as he could collect, in order to draw Scipio from Africa. But Mago delayed because he could not join Hannibal at such a distance and because he was always of a hesitating disposition. Hasdrubal, on his return from the elephant hunt, levied 6000 foot and 600 horse from both the Carthaginian and the African population, and bought 5000 slaves as oarsmen for the ships. He also obtained 2000 horse from the Numidians and hired mercenaries and exercised them all in camp at a distance of two hundred stades from Carthage.

[10] Νομάδων δὲ τῶν ἐν Λιβύῃ δυνάσται μὲν ἦσαν κατὰ μέρη πολλοί, Σύφαξ δ' ὑπὲρ ἅπαντας, καὶ τιμὴν εἶχε πρὸς τῶν ἄλλων ἐπιφανή. Μασσυλίων δ' αὖ, γένους ἀλκίμου, παῖς ἦν τοῦ βασιλέως Μασσανάσσης, ὃς ἐτέθραπτο μὲν ἐν Καρχηδόνι καὶ ἐπεπαίδευτο, ὄντι δ' αὐτῷ καὶ τὸ σῶμα καλῶ καὶ τὸν τρόπον ἀρίστῳ Ἀσδρούβας ὁ Γέσκωνος, οὐδενὸς Καρχηδονίων δεύτερος, ἡγγύησε τὴν θυγατέρα, καίπερ ὄντι Νομάδι, Καρχηδόνιος ὢν. ὥς δ' ἡλλύησεν, ἐπήγετο ἐς Ἰβηρίαν στρατηγῶν τὸ μεираκίον. Σύφαξ δὲ κνιζόμενος ὑπ' ἔρωτος ἐπὶ τῇ παιδί τὰ Καρχηδονίων ἐλεηλάτει, καὶ Σκιπίωνι διαπλεύσαντι πρὸς αὐτὸν ἐξ Ἰβηρίας συνέθετο συμμαχήσειν ἐπὶ Καρχηδονίους ἰόντι. αἰσθόμενοι δ' οἱ Καρχηδόνιοι καὶ μέγα ποιούμενοι ἐς τὸν πρὸς Ῥωμαίους πόλεμον Σύφακα προσλαβεῖν, ἐξέδοσαν αὐτῷ τὴν παρθένον ἀγνοούντων καὶ ὄντων ἐν Ἰβηρίᾳ Ἀσδρούβου τε καὶ Μασσανάσσου. ἐφ' οἷς ὁ Μασσανάσσης ὑπεραλγὼν συνετίθετο καὶ ὅδε ἐν Ἰβηρίᾳ τῷ Σκιπίωνι, λανθάνων, ὥς ᾤετο, Ἀσδρούβαν. ὁ

δ' αἰσθόμενος βαρέως μὲν ἔφερεν ὑπὲρ τοῦ μειρακίου καὶ τῆς θυγατρὸς, ὑβρισμένοιιν ἀμφοῖν, ἠγεῖτο δ' ὁμῶς τῇ πατρίδι συμφέρειν ἐκποδὸν Μασσανάσσην ποιήσασθαι, καὶ ἐπανιόντι ἐς Λιβύην ἐξ Ἰβηρίας ἐπὶ θανάτῳ τοῦ πατρὸς συνέπεμπε προπομποὺς ἱππέας, οἷς εἴρητο ἀφανῶς ἐπιβουλεύειν αὐτῷ καὶ κτείνειν ὅπῃ δύναιτο.

[10] There were many chieftains in Numidia who had separate dominions. Syphax occupied the highest place among them and was held in greater honor than the others. There was also a certain Masinissa, son of the king of the Massylians, a powerful tribe. He had been brought up and educated at Carthage. He was a man of fine presence and good manners. Hasdrubal, the son of Gisco, who was second in rank to nobody in Carthage, betrothed his daughter to him although he was a Numidian, and after the betrothal took the young man with him to the war in Spain. Syphax, who was also in love with the girl, was indignant at this and began to pillage the Carthaginian territory, and he proposed to Scipio (who made a journey from Spain to meet him) that they should make a joint at-tack on Carthage. The Carthaginians, learning this and knowing how great service Syphax could render them in the war against the Romans, gave the girl to him without the knowledge of Hasdrubal or Masinissa, since they were in Spain. The latter, being greatly exasperated, made an alliance with Scipio in Spain, concealing it from Hasdrubal, as he supposed. Hasdrubal, although he was grieved at the outrage put upon the young man and his daughter, nevertheless thought that it would be an advantage to the country to make away with Masinissa. So when the latter returned from Spain to Africa at the death of his father, he sent a cavalry escort with him and told them to put him to death secretly in whatever way they could.

[11] ὁ δ' αἰσθόμενος ἐξέφυγέ τε, καὶ τὴν πάτῳαν ἀρχὴν ἐκρατύνετο, ἱππέας ἀθροίζων, οἷς ἡμέρας τε καὶ νυκτὸς ἦν ἔργον ἀκοντίοις πολλοῖς χρωμένους ἐπελαύνειν αἰεὶ καὶ ἀναχωρεῖν καὶ αὐθις ἐπελαύνειν. καὶ ὅλως ἐστὶν αὐτοῖς ἡ μάχη φυγὴ καὶ δίωξις. ἴσασι δὲ καὶ λιμὸν φέρειν οἱ Νομάδες οἶδε, καὶ πόα χρησθαι πολλάκις ἀντὶ σίτου: καὶ τὸ πᾶμπαν ὑδροποτοῦσιν. ὃ τε ἵππος αὐτοῖς κριθῆς μὲν οὐδ' ὅλως γεύεται, ποηφαγῶν αἰεὶ, πίνει δὲ διὰ πολλοῦ. τοιοῦτους ὁ Μασσανάσσης ἐς δισμυρίους συναγαγὼν ἐξῆγεν ἐπὶ θήρας ἢ λεηλασίας ἐτέρων ἐθνῶν: ἅπερ ὦετο καὶ ἔργα καὶ γυμνάσια εἶναι. Καρχηδόνιοι δὲ καὶ Σύφαξ νομίζοντες ἐπὶ σφᾶς εἶναι τὴν παρασκευὴν τοῦ μειρακίου 'οὐ γὰρ ἠγνόουν ἃ ἐλελυπήκεσαν αὐτόν, ἔκριναν προτέρῳ τῷδε πολεμεῖν ἔστε καθέλῳσι, καὶ τότε Ῥωμαίοις ἀπαντᾶν.

[11] Masinissa, getting wind of this plot, managed to escape, and made his inherited power strong by collecting a body of cavalry who were trained to hurl the javelin advancing and retreating and advancing again, either by day or by night; for their only method of fighting was flight and pursuit. The Numidians also know how to endure hunger. They often subsist on herbs in

place of bread, and they drink nothing but water. Their horses never even taste grain; they feed on grass alone and drink but rarely. Masinissa collected about 20,000 such and led them in the chase and in pillaging expeditions against other tribes, thinking to keel) them exercised in this way. The Carthaginians and Syphax, thinking that these preparations of the young man were made against them (for they were conscious of the affront they had put upon him), decided to make war on him first, and after crushing him to march against the Romans.

[12] Σύφαξ μὲν οὖν καὶ Καρχηδόνιοι πλείους ἦσαν παρὰ πολὺ, μετὰ δὲ ἀμαξῶν καὶ παρασκευῆς βαρείας καὶ τρυφῆς ἐστρατεύοντο: Μασσανάσσης δὲ πόνων τε πᾶσιν ἐξῆρχε, καὶ ἱππικὸν μόνον εἶχε καὶ ὑποζύγιον οὐδέν, οὐδὲ ἀγοράν. ὅθεν ῥαδίως ὑπέφευγέ τε καὶ ἐπεχείρει καὶ ἐς τὰ ὄχυρὰ ἀνεπήδα. πολλάκις τε καὶ καταλαμβανόμενος διεσκίδνη τὸ στράτευμα, ὅπη δυνηθεῖεν ἀποφεύγειν κατὰ μέρη. καὶ σὺν ὀλίγοις αὐτὸς ὑπεκρύπτετό ποι, μέχρι συνέλθοιεν αὐτῷ νυκτὸς ἢ μεθ' ἡμέραν ἐς τὸ συγκείμενον. τρίτος δὲ ποτε ἐν σπηλαίῳ κρυπτόμενος ἔλαθε, τῶν πολεμίων περὶ τὸ σπήλαιον στρατοπεδευόντων. οὐδ' ἔστιν ὅτε ἐστάθμευεν ἐν στρατοπέδῳ, ἀλλὰ καὶ μάλιστ' ἐστρατῆγαι λανθάνειν ὅποι ποτε εἶη. ὅθεν οὐκ εἶχον αὐτῷ συνεχῶς προεπιχειρεῖν οἱ πολέμοι, ἀλλ' ἡμύνοντο ἐπιόντα. ἀγορὰ δ' ἦν αὐτῷ καθ' ἑκάστην ἡμέραν, ὃ τι περὶ ἐσπέραν καταλάβοι χωρίον ἢ κώμην ἢ πόλιν, ληζομένῳ τε πάντα καὶ διαρπάζοντι καὶ μεριζομένῳ τοῖς συνοῦσιν. ὅθεν αὐτῷ πολλοὶ τῶν Νομάδων ἐπεφοίτων, μισθοὺς μὲν οὐ διδόντι τεταγμένους, τὰς δ' ὠφελείας πολὺ πλείονας ἔχοντες.

[12] Syphax and the Carthaginians were much the more numerous. They marched with wagons and a great load of luggage and luxuries. On the other hand, Masinissa was an example in all doing and enduring and had only cavalry, no pack animals and no provisions. Thus he was able the more easily to retreat, to attack, and to take refuge in strongholds. Often, when surrounded, he divided his forces so that they might scatter as best they could, concealing himself with a handful until they should all come together again, by day or by night, at an appointed rendezvous. Once he was one of three who lay concealed in a cave around which his enemies were encamped. He never had any fixed camping-place. His generalship consisted especially in concealing his position. Thus his enemies never could make a regular assault upon him, but were always warding off his attacks. His provisions were obtained each day from whatever place he came upon toward evening, whether village or city. He seized and carried off everything and divided the plunder with his men, for which reason many Numidians flocked to him, although he did not give regular pay, for the sake of the booty, which was better.

CHAPTER III

Scipio arrives in Africa — First Skirmishes — Capture of Locha — Siege of Utica — Negotiations of Syphax

(Y.R. 550)

[13] καὶ Μασσανάσσης μὲν Καρχηδονίοις οὕτως ἐπολέμει, ὁ δὲ Σκιπίων, ἐπεὶ οἱ πάντα εὐτρεπῇ ἐγεγένητο ἐν Σικελίᾳ, ἔθυε Διὶ καὶ Ποσειδῶνι, καὶ ἐς Λιβύην ἀνήγετο ἐπὶ νεῶν μακρῶν μὲν δύο καὶ πεντήκοντα φορτίδων δὲ τετρακοσίων· κέλητές τε καὶ λέμβοι πολλοὶ συνείποντο αὐτῷ. καὶ στρατιὰν ἤγε πεζοὺς μὲν ἑξακισχιλίους ἐπὶ μυρίοις, ἰππέας δὲ χιλίους καὶ ἑξακοσίους. ἐπήγετο δὲ καὶ βέλη καὶ ὅπλα καὶ μηχανήματα ποικίλα καὶ ἄλอรὰν πολλήν. καὶ Σκιπίων μὲν ὧδε διέπλει, Καρχηδόνιοι δὲ καὶ Σύφαξ πυνθανόμενοι ἔγνωσαν ἐν τῷ παρόντι ὑποκρίνασθαι τε Μασσανάσσην καὶ ἐς φιλίαν ὑπαγαγέσθαι, μέχρι ὅτου Σκιπίωνος ἐπικρατήσαιεν. ὁ δ' οὐκ ἠγνόει μὲν ἑξαπατῶμενος, ἀντενεδρεύων δέ, καὶ μηνύων πάντα τῷ Σκιπίωνι, ἦκε πρὸς τὸν Ἀσδρούβαν ὡς συνηλαγμένος μετὰ τῶν ἰδίων ἰππέων. καὶ ἐστρατοπέδευον οὐ μακρὰν ἀπ' ἀλλήλων Ἀσδρούβας τε καὶ Σύφαξ καὶ Μασσανάσσης περὶ Ἰτύκην πόλιν, ἐς ἣν ὁ Σκιπίων καταχθεις ὑπ' ἀνέμων καὶ αὐτὸς ἐστρατοπέδευσε περὶ αὐτήν. οὐ πολὺ δ' ἀπεῖχεν ὁ Ἀσδρούβας αὐτοῦ, στρατιὰν ἔχων ἐς δισμυρίους πεζοὺς καὶ ἰππέας ἑπτακισχιλίους καὶ ἐλέφαντας ἑκατὸν ἐπὶ τεσσαράκοντα.

[13] In this way Masinissa made war on the Carthaginians. In the meantime Scipio, having completed his preparations in Sicily, and sacrificed to Jupiter and Neptune, (B.C. 204) set sail for Africa with fifty-two war-ships and 400 transports, with a great number of smaller craft following behind. His army consisted of 16,000 foot and 1600 horse. He carried also projectiles, arms, and engines of various kinds, and a plentiful supply of provisions. And thus Scipio accomplished his voyage. When the Carthaginians and Syphax learned of this they decided to pretend to make terms with Masinissa for the present, until they should over-come Scipio. Masinissa was not deceived by this scheme. In order to deceive them in turn he marched to Hasdrubal with his cavalry as though he were reconciled to him, fully advising Scipio beforehand. Hasdrubal, Syphax, and Masinissa encamped not far from each other near the city of Utica, to which Scipio had been driven by the winds, and he also was camped hard by. Not far from him was Hasdrubal with an army of 20,000 foot, 7000 horse, and 140 elephants.

[14] Σύφαξ μὲν οὖν, εἴτε δείσας εἴτε ἄπιστος ἐς ἑκατέρους γιγνόμενος παρὰ μέρος, ἐσκήσατό τι λυπεῖν τὴν ἀρχὴν αὐτοῦ τοὺς ὁμόρους βαρβάρους, καὶ ἀνεξεύγνυνεν ἐς τὰ οἰκεῖα· Σκιπίων δὲ κατ' ὀλίγους ἐπεμπεν ἐπιχειρεῖν τῷ Ἀσδρούβᾳ, καὶ τινες αὐτῷ καὶ τῶν πόλεων προσεχώρουν. νυκτὸς δὲ λαθὼν ὁ

Μασσανάσσης ἦκεν ἐπὶ τὸ στρατόπεδον τοῦ Σκιπίωνος, καὶ δεξιωσάμενος αὐτὸν ἐδίδασκε τῆς ἐπιούσης ἕξ τι χωρίον ἀπὸ τριάκοντα σταδίων Ἰτύκης, ἔνθα πύργος ἔστιν Ἀγαθοκλέους ἔργον τοῦ Συρακοσίων τυράννου, μὴ πλείους πεντακισχιλίων ἐνεδρεῦσαι. ἅμα δ' ἡμέρα τὸν Ἀσδρούβαν ἔπειθε τὸν ἵππαρχον Ἄνωνα πέμψαι τὸ τε πλῆθος τῶν ἐχθρῶν ἐπισκεψόμενον καὶ ἐς Ἰτύκην ἐσδραμούμενον, μὴ τι πλησιαζόντων πολεμίων νεωτερίσειαν: καὶ αὐτὸς ὑπισχνεῖτο, εἰ κελεύοιτο, ἔψεσθαι. Ἄνων μὲν δὴ χιλίους ἦγεν ἐπιλέκτους ἱππείας Καρχηδονίους καὶ Λιβύων τι πλῆθος, Μασσανάσσης δὲ Νομάδας τοὺς ἑαυτοῦ: ὥς δ' ἐπὶ τὸν πύργον ἀφίκοντο καὶ ὁ Ἄνων ἐξίππευσεν ἐς τὴν Ἰτύκην σὺν ὀλίγοις, μέρος τι τῆς ἐνέδρας ἐξεφαίνετο, καὶ ὁ Μασσανάσσης ἐκέλευσε τὸν τεταγμένον ἐπὶ τοῖς ἱππεῦσι τῶν Καρχηδονίων ἐπιδραμεῖν αὐτοῖς ὥς οὖσιν ὀλίγοις. καὶ αὐτὸς ἐκ βραχέος εἶπετο ὥς ἐπιβοηθήσων. ἐν μέσῳ δὲ τῶν Λιβύων γενομένων, ἣ τε πλείων ἐνέδρα κατεφαίνετο, καὶ συνηκόντισαν αὐτοὺς ἐκατέρωθεν οἱ τε Ῥωμαῖοι καὶ ὁ Μασσανάσσης, πλὴν τετρακοσίων, οἱ ἐλήφθησαν αἰχμάλωτοι. Μασσανάσσης δ', ἐπεὶ τοῦτο ἐξετετέλεστο, ἀπῆντα τῷ Ἄνωνι κατὰ σπουδὴν ὥς φίλος ἐπανιόντι, καὶ συλλαβὼν αὐτὸν ἀπῆγεν ἐς τὸ τοῦ Σκιπίωνος στρατόπεδον, καὶ ἀντέδωκεν Ἀσδρούβα τῆς μητρὸς τῆς ἑαυτοῦ.

[14] Now Syphax, either being moved by fear, or being faithless to all parties in turn, pretended that his country was harassed by the neighboring barbarians, and set out for home. Scipio sent out some detachments to feel the enemy, and at the same time several towns surrendered themselves to him. Then Masinissa came to Scipio's camp secretly by night, and, after mutual greeting, advised him to place not more than 5000 men in ambush on the following day, about thirty stades from Utica, near a tower built by Agathocles, the tyrant of Syracuse. At daybreak he persuaded Hasdrubal to send Hanno, his master of horse, to reconnoitre the enemy and throw himself into Utica, lest the inhabitants, taking advantage of the proximity of the enemy, should start a revolution. He promised to follow if ordered to do so. Hanno set out accordingly with 1000 picked Carthaginian horse and a lot of Africans. Masinissa followed with his Numidians. Thus they came to the tower and Hanno passed on with a small force to Utica. Hereupon a part of the men in ambush showed themselves, and Masinissa advised the officer who was left in command of the cavalry to attack them as being a small force. He followed at a short distance, as if to support the movement. Then the rest of the men in ambush showed themselves and surrounded the Africans; and the Romans and Masinissa together assailed them on all sides and slew all except 400, who were taken prisoners. After he had accomplished this, Masinissa, as though a friend, hastened after Hanno, who was returning, seized him and carried him to Scipio's camp, and exchanged him for his own mother, who was in Hasdrubal's hands.

[15] Σκιπίων δὲ καὶ Μασσανάσσης τὴν χώραν ἐπόρθουν, καὶ Ῥωμαίων ἐξέλυνον ὅσοι δεθέντες ἔσκαπτον ἐν τοῖς ἀγροῖς, ἐξ Ἰβηρίας ἢ Σικελίας ἢ ἀπ' αὐτῆς τῆς

Ἰταλίας πεμφθέντες ὑπὸ Ἀννίβου. πολιορκοῦσι δ' αὐτοῖς πόλιν μεγάλην ἣ ὄνομα ἦν Λόχα, καὶ πολλὰ δεινὰ πάσχουσιν, οἱ μὲν Λοχαῖοι προστιθεμένων τῶν κλιμάκων ἐπεκηρυκεύοντο ἐκλείπειν τὴν πόλιν ὑπόσπονδοι, καὶ ὁ Σκιπίων ἀνεκάλει τῇ σάλπιγγι τὴν στρατιάν· ἡ δ' οὐχ ὑπήκουεν ὑπ' ὀργῆς ὧν ἐπεπόνθησαν, ἀλλ' ἐπιβάντες τοῖς τεῖχεσι καὶ γυναῖα καὶ παιδία κατέσφαττον· ὁ δὲ τοὺς μὲν ἔτι ὄντας Λοχαίων ἀφῆκεν ἀπαθεῖς, τὴν δὲ στρατιὰν τὴν λείαν ἀφείλετο, καὶ τοὺς λοχαγούς, ὅσοι συνεξήμαρτον, ἐκλήρωσεν ἐν τῷ μέσῳ, καὶ τρεῖς τοὺς λαχόντας ἐκόλασε θανάτῳ. καὶ τάδε πράζας αὐθὶς ἐλεηλάτει. Ἀσδρούβας δ' αὐτοὺς ἐνῆδρευε, Μάγωνα μὲν τὸν ἵππαρχον ἐπιέμψας ἐκ μετώπου, αὐτὸς δὲ ὀπισθεν ἐπιών. οἱ δ' ἐν μέσῳ γενόμενοι τὸ ἔργον ἐμερίσαντο, καὶ ἐς ἑκατέρους αὐτῶν ἑκάτερος ἐπιστραφεὶς πεντακισχιλίου τῶν Λιβύων ἀπέκτειναν, καὶ χιλίους καὶ ὀκτακοσίους ἔλαβον αἰχμαλώτους, τοὺς δὲ λοιποὺς ἐς τὰς πέτρας κατήραζαν.

[15] Scipio and Masinissa ravaged the country and released the Roman prisoners who were digging in the fields, who had been sent thither by Hannibal from Spain, from Sicily, and from Italy itself. They also besieged a large town called Locha, where they met great difficulties. As they were putting up the scaling ladders, the Lochaians asked a parley and offered to leave the city under a truce. Thereupon Scipio sounded a retreat; but the soldiers, angry at what they had suffered in the siege, refused to obey. They scaled the walls and slaughtered indiscriminately, not sparing women and children. Scipio dismissed the survivors in safety; he then deprived the army of its booty and compelled the officers who had disobeyed orders to cast lots publicly, and punished three of them, upon whom the lot had fallen, with death. Having done these things he began ravaging the country again. Hasdrubal sought to draw him into ambush by sending Mago, his master of horse, to attack him in front, while he fell upon his rear. Scipio and Masinissa being surrounded in this way divided their forces into two parts, turning in opposite directions against the enemy, by which means they slew 5000 of the Africans, took 1800 prisoners, and drove the remainder over a precipice.

[16] καὶ ὁ Σκιπίων εὐθὺς ἐπὶ τοῖσδε προσέβαλεν Ἰτύκη κατὰ γῆν καὶ κατὰ θάλασσαν, δύο μὲν πεντήρεσιν ἐξευγμέναις πύργον ἐπιθείς, ὅθεν τριπλήρη βέλη καὶ λίθους μεγάλους ἐς τοὺς πολεμίους ἤφειε, καὶ πολλὰ μὲν ἐλύπει πολλὰ δ' ἀντέπασχε θραυομένων τῶν νεῶν, χώματα δ' ἐπαίρων μέγιστα, καὶ κριοῖς τὸ τεῖχος, ὅτε προσπελάσειε, τύπτων, δρεπάνοις τε περισπῶν ὅσαι βύρσαι περὶ αὐτὸ καὶ ἄλλα σκεπαστήρια ἦν. οἱ δὲ τὰ μὲν χώματα ὑπετάφρευον, καὶ τὰ δρέπανα βρόχοις παρήγον, καὶ τοὺς κριοὺς τῆς ὀρμῆς ἐξέλυον, ἐπιβάλλοντες ἐπικαρσίας δοκοῦς· ἐς δὲ τὰς μηχανὰς ἐξεπῆδων μετὰ πυρός, ὅτε πνεῦμα φυλάζειαν ἐς αὐτὰς ἐπιφορον. ὅθεν ὁ Σκιπίων ἀπογνοὺς οὕτως αἰρήσειν τὴν πόλιν, ἐς πολιορκίαν αὐτῆς καθίστατο.

[16] Soon afterward Scipio besieged Utica by land and sea. He built a tower on two galleys joined together, from which he hurled missiles three cubits

long, and also great stones, at the enemy. He inflicted much damage and also suffered much, and the ships were badly shattered. On the landward side he built great mounds, and battered the wall with rams, and tore off with hooks what hides and other coverings were on it. The enemy, on the other hand, undermined the mounds, turned the hooks aside with slipknots, and deadened the force of the rams by interposing transverse wooden beams. They made sallies against the machines with fire whenever the wind was blowing toward them. Whereupon Scipio, despairing of the capture of the city by this means, established a close siege around it.

[17] Σύφαξ δὲ τῶν γιγνομένων πυνθανόμενος ἦκε μετὰ τοῦ στρατοῦ, καὶ οὐ μακρὰν ἐστάθμευεν ἀπὸ Ἀσδρούβου. ἔτι δ' ὑποκρινόμενος εἶναι φίλος ἑκατέροις, καὶ τρίβειν τὸν πόλεμον ἐγνωκῶς μέχρι νῆές τε ἕτεραι ναυπηγούμεναι πρὸς τῶν Καρχηδονίων ἐπιγένοιτο καὶ μισθοφόροι τινὲς Κελτῶν καὶ Λιγύων ἐπέλθοιεν, ἐπεχείρει διαιτᾶν διαλύσεις, καὶ ἐδικαίου μήτε Ῥωμαίους Λιβύης μήτε Καρχηδονίους Ἰταλίας ἐπιβαίνειν ἐπὶ πολέμῳ, ἔχειν δὲ Ῥωμαίους Σικελίαν καὶ Σαρδῶ καὶ εἴ τινας ἄλλας νήσους ἔχουσι, καὶ Ἰβηρίαν. ἦν δὲ τις ἀπειθῇ, τοῖς πειθομένοις ἔφη συμμαχήσειν. ἅμα δὲ ταῦτ' ἐπρασσε, καὶ Μασσανάσσην ἐπεῖρα μεταθέσθαι πρὸς αὐτόν, τὴν τε Μασσυλίων ἀρχὴν αὐτῷ βεβαιώσκειν ὑπισχνούμενος, καὶ τῶν θυγατέρων τριῶν οὐσῶν δώσειν ἐς γάμον ἣν ἂν ἐθέλῃ. ἔφερε δ' ὁ ταῦτα λέγων χρυσίον, ἵνα, εἰ μὴ πείσειε, δοίῃ τῶν θεραπευτῶν αὐτοῦ τῷ κτείνειν Μασσανάσσην ὑπισχνουμένῳ. ὁ μὲν δὴ μὴ πείθων ἔδωκε τι τὸ χρυσίον ἐπὶ τῷ φόνῳ· ὁ δὲ λαβὼν ἔδειξε τῷ Μασσανάσση, καὶ τὸν δόντα ἤλεγξεν.

[17] Syphax, when he learned how things were going, came back with his army and encamped not far from Hasdrubal. Pretending still to be the friend of both parties, and thinking to protract the war until the new ships which were building for the Carthaginians were ready, and the Celtic and Ligurian mercenaries arrived, he proposed an arbitration. He thought that it would be fair for the Romans to discontinue the war in Africa and the Carthaginians in Italy, and that the Romans should retain Sicily, Sardinia, and whatever other islands they now held, and also Spain. He said that if either party should refuse these terms he would join forces with the other. While he was doing this he attempted to draw Masinissa to himself by promising to establish him firmly in the kingdom of the Massylians and to give him in marriage whichever of his three daughters he should choose. The person who delivered this message brought gold also, in order that, if he could not persuade Masinissa, he might bribe one of his servants to kill him. As he did not succeed, he paid the money to one of them to murder him. The servant took the money to Masinissa and exposed the giver. (Y.R. 551)

[18] Σύφαξ δ' οὐ προσδοκῶν ἔτι λήσειν, φανερῶς τοῖς Καρχηδονίοις συνεμάχει, πόλιν τε ἐν μεσογείῳ Θολοῦντα, Ῥωμαίων παρασκευὴν καὶ σῖτον πολλὴν ἔχουσαν, ἐκ προδοσίας εἶλε, καὶ τοὺς φρουροῦντας αὐτὴν ἔκτεινεν οὐκ

ἐθελήσαντας ἀπελθεῖν ὑποσπόνδους, συμμαχίαν τε ἄλλην πολλήν Νομάδων μετεπέμπετο. καὶ οἱ μισθοφόροι παρήσαν αὐτοῖς ἤδη, καὶ νῆες εὐτρεπῶς εἶχον, ὥστε ἔγνωστο πολεμεῖν Σύφακα μὲν ὀρμώμενον ἐπὶ τοῦς πολιορκοῦντας Ἰτύκην, Ἀσδρούβαν δ' ἐπὶ τὸ Σκιπίωνος στρατόπεδον. τὰς δὲ ναῦς ἔδει ταῖς ναυσὶν ἐπιπλεῖν, καὶ γίνεσθαι ταῦτα τῆς ἐπιούσης ἡμέρας ἅπαντα ὁμοῦ, ἵνα μὴ διαρκέσειαν αὐτοῖς οἱ Ῥωμαῖοι διὰ τὴν ὀλιγότητα.

[18] Then Syphax, finding that he could not deceive any-body, (B.C. 203) joined the Carthaginians openly. He captured, by means of treachery, an inland town named Tholon, where the Romans had a large store of war materials and food, and slew all of the garrison who would not depart on parole. He also called up another large reënforcement of Numidians. And now, as the mercenaries had arrived and the ships were in readiness, they decided to fight, Syphax attacking those besieging Utica, and Hasdrubal the camp of Scipio, while the ships should bear down upon the ships; all these things to be done the next day and at the same time in order to overwhelm the Romans with numbers.

Carthage — Indecisive Naval Engagement*

[19] Ὡνήδῃ νυκτὸς οὔσης ὁ Μασσανάσσης παρὰ τινῶν Νομάδων πυθόμενος μετέδωκε τῷ Σκιπίωνι. ὁ δὲ ἔδεισε, καὶ ἠπόρει μὴ ἐς πολλὰ αὐτῷ διαιρούμενος ὁ στρατὸς ἀσθενέστερος ἐς πάντα γίγνηται. τοὺς οὖν ἡγεμόνας αὐτίκα νυκτὸς ἐπὶ τὴν σκέψιν ἐκάλει, καὶ ἀπορούντων ἀπάντων ἐπὶ πολὺ σύννους γενόμενος εἶπε:

τόλμης καὶ ταχυτήτος ἡμῖν, ὧ φίλοι, δεῖ, καὶ μάχης ἐξ ἀπογνώσεως. φθάσωμεν ἐπελθόντες τοῖς πολεμίοις. ὅσα δ' ἐν τῷδε πλεονεκτήσομεν, μάθετε ἥδη. ἐκείνους μὲν ἐκπλήξει τὸ ἀδόκητον τῆς ἐφόδου καὶ τὸ παράδοξον τοῦ ἔργου, τῶν ὀλιγωτέρων προεπιχειρούντων: ἡμεῖς δ' οὐκ ἐς πολλὰ διηρημένη τῇ στρατιᾷ χρῆσόμεθα ἀλλ' ἀθρόα, οὐδ' ἐπάξομεν αὐτὴν ἅπασιν τοῖς ἐχθροῖς ἀλλ' οἷς ἂν ἐπιλεξώμεθα πρώτοις. σταθμεύουσι δ' ἐφ' ἑαυτῶν ἕκαστοι, καὶ ἐσμέν αὐτοῖς κατὰ μέρος ισόμαχοι, τόλμη δὲ καὶ εὐτυχία προύχομεν. καὶ ἦν ὁ θεὸς δῶ τῶν πρώτων ἐπικρατῆσαι, τῶν ἄλλων καταφρονήσομεν. οἷς δ' ἐπιχειρητέον ἐστὶ πρώτοις, καὶ τίς ὁ καιρὸς ἢ τρόπος ἔσται τῆς ἐπιχειρήσεως, ἦν ἀρέσκη, τὰ τῆς γνώμης ἐρῶ.

[19] Masinissa learned of these plans at nightfall from certain Numidians, and communicated them to Scipio. The latter was perplexed, being apprehensive lest his army, divided into so many parts, should be too weak to sustain the whole strength of the enemy. He forthwith called his officers to a council at night. Finding that they were all at a loss what to do, and after meditating for a long time himself, he said: "Courage and swiftness, friends, and desperate fighting are our only salvation. We must anticipate the enemy in making the attack. Just see what we shall gain by it. The unexpectedness of the attack and the very strangeness of the thing, — that those who are so few in number should be the aggressors, will terrify them. We shall employ our strength not divided into several detachments, but all together. We shall not be engaged with all of our enemies at once, but with those we choose to attack first, since their camps are separate from each other. We are their equals in strength when we take them separately, while in courage and good fortune we are their superiors. If heaven shall give us victory over the first, we may despise the others. Upon whom the assault shall be made first, and what shall be the time and manner of delivering it, if you please, I will now tell you."

[20] συνθεμένων δὲ πάντων, 'ὁ μὲν καιρὸς,' εἶπεν, 'εὐθὺς ἐπιχειρεῖν ἀπὸ τοῦδε τοῦ συλλόγου, νυκτὸς ἔτι οὔσης, ὅτε καὶ τὸ ἔργον ἐστὶ φοβερώτερον καὶ ἀνέτομα τὰ ἐκείνων, καὶ οὐδεὶς τῶν συμμάχων αὐτοῖς δύναται βοηθεῖν ἐν

σκότω. φθάσομέν τε οὕτως αὐτῶν τὰ βουλευματα μόνως, ἐγνωκότων ἡμῖν τῆς ἐπιούσης ἡμέρας ἐπιθέσθαι. τριῶν δ' αὐτοῖς ὄντων στρατοπέδων, αἱ μὲν νῆες εἰσι πόρρω, καὶ οὐκ ἔστι ναυσὶ νυκτὸς ἐπιχειρεῖν, Ἀσδρούβας δὲ καὶ Σύφαξ οὐ μακρὰν ἀπ' ἀλλήλων. καὶ τούτοις Ἀσδρούβας μὲν ἐστὶ τὸ τοῦ πολέμου κεφάλαιον, Σύφαξ δὲ οὐκ ἂν νυκτὸς ἐπιτολήσειε τῷ πόνῳ, βάρβαρος ἀνὴρ καὶ τρυφῆς γέμων καὶ δέους. φέρε οὖν, ἡμεῖς μὲν ἐπὶ Ἀσδρούβαν μετὰ παντὸς ἴωμεν τοῦ στρατοῦ, Μασσανάσσην δὲ τόνδε ἐπιτάξωμεν ἐφεδρεύειν τῷ Σύφακι, ἣν ἄρα καὶ παρὰ δόξαν ἐξίη τοῦ στρατοπέδου. πεζοὶ δὲ χωρῶμεν ἐπὶ τὸν χάρακα τοῦ Ἀσδρούβου, καὶ περιστάντες ἐπιχειρῶμεν ἐκ παντὸς μέρους σὺν ἐλπίδι τε χρηστῇ καὶ τόλμῃ θραυστάτῃ: τούτων γὰρ τὰ παρόντα δεῖται μάλιστα. τοὺς δ' ἱππείας 'οὐ γὰρ ἔστιν αὐτοῖς χρῆσθαι νυκτὸς ἔτι οὐσης' προπέμψω πορρωτέρω κυκλοῦσθαι τὸ στρατόπεδον τῶν πολεμίων, ἵνα εἰ μὲν βιασθῆιμεν, ὑποδέχοντο ἡμᾶς καὶ ἐς φίλους καταφεύγοιμεν, εἰ δ' ἐπικρατοίημεν, ἐκφεύγοντας ἐκείνους διώκοιεν καὶ διαχρῶντο.'

[20] As they all agreed, he continued: "The time to strike is immediately after this meeting ends, while it is still night, since the blow will be the more terrifying and the enemy will be unprepared, and none will be able to give aid to their allies in the darkness. Thus we shall anticipate their intention of attacking us to-morrow. They have three stations; that of the ships is at a distance, and it is not easy to attack ships by night. Hasdrubal and Syphax are not far from each other. Hasdrubal is the head of the hostile force. Syphax will not dare to do anything at night; he is a barbarian, effeminate and timid. Come now, let us attack Hasdrubal with all our force. We will place Masinissa in ambush for Syphax, if, contrary to expectation, he should move out of his camp. Let us advance with our infantry against Hasdrubal's defences, surround and storm them on every side, with high hope and resolute courage, for these are the things most needed now. As the cavalry are not of much use in a night attack, I will send them to surround the enemy's camp a little farther off, so that if we are overpowered we may have friends to receive us and cover our retreat, and if we are victorious they may pursue the fugitives and destroy them."

[21] ταῦτ' εἰπὼν, καὶ τοὺς ἡγεμόνας ἐκπέμψας ὀπλίσαι τὸν στρατόν, αὐτὸς ἐθύετο Τόλμῃ καὶ Φόβῳ, μηδὲν ὥς ἐν νυκτὶ πανικόν οἱ γενέσθαι, ἀλλὰ τὸν στρατόν αὐτῷ θραυστάτον μάλιστα ὀφθῆναι. τρίτης δὲ ἤδη φυλακῆς ἡρέμα τῇ σάλπιγγι ὑπεσήμεαινε, καὶ μετὰ σιγῆς βαθυτάτης στρατὸς τοσοῦτος ἐβάδιζεν, ὥς οἱ μὲν ἱππεῖς περιέστησαν ἐν κύκλῳ τοὺς πολεμίους, οἱ πεζοὶ δ' ἐπὶ τὴν τάφρον αὐτῶν ἀφίκοντο. βοῇ δὲ τότε παμμιγεῖ καὶ σάλπιγγιν ἀθρόαις καὶ βυκανήμασιν ἐς κατάπληξιν χρώμενοι τοὺς μὲν φύλακας ἐξέωσαν ἐκ τῶν φυλακτηρίων, τὴν δὲ τάφρον ἔχουν καὶ τὰ σταυρώματα διέσπων. οἱ δ' εὐτολμότατοι προδραμόντες ἐνέπρησάν τινας σκηνάς. καὶ οἱ Λίβυες μετ' ἐκπλήξεως ἀνεπήδων τε ἐξ ὕπνου, καὶ τὰ ὄπλα μετελάμβανον, καὶ ἐς τὰς τάξεις ἀτάκτως ἐφέροντο, καὶ τῶν παραγγελλομένων διὰ τὸν θόρυβον οὐ κατήκουον, οὐδ' αὐτοῦ τοῦ στρατηγοῦ τὸ ἀκριβὲς τῶν γιγνομένων εἰδότος.

ἀναπιδῶντας οὖν αὐτοὺς οἱ Ῥωμαῖοι καὶ ὀπλιζομένους ἔτι καὶ ταρασσομένους κατελάμβανον, καὶ σκηναὺς πλέονας ἐνεπίμπρασαν, καὶ τοὺς ἐν ποσὶν ἀνήρουν. τοῖς δ' ἦν ἡ τε βοή τῶν ἐχθρῶν καὶ ἡ ὄψις καὶ τὰ ἔργα φοβερῶτατα ὥς ἐν νυκτὶ καὶ ἀγνωσίᾳ τοῦ γιγνομένου κακοῦ. ἡγούμενοί τε εἰληφθαι τὸ στρατόπεδον, καὶ τὸ πῦρ τῶν ἐμπερησμένων σκηνῶν δεδιότες, ἐξέπιπτον ἐκόντες ἐξ αὐτῶν, καὶ ἐς τὸ πεδίον ὡς ἀσφαλέστερον ἐωθοῦντο: ὅθεν κατὰ μέρος, ὅπῃ τύχοιεν, ἀκόσμως διεδίδρασκον, καὶ ἐς τοὺς Ῥωμαίων ἱππέας, οἱ κύκλῳ περιεστήκεσαν, ἐμπίπτοντες ἀπέθνησκον.

[21] Having spoken thus he sent the officers to arm the troops, and he offered sacrifice to Courage and also to Fear in order that no panic should overtake them in the night, but that the army should show itself absolutely intrepid. At the third watch the trumpet sounded lightly and the army moved, observing the most profound silence until the cavalry had completely surrounded the enemy and the infantry had arrived at the trenches. Then, with shouts mingled with the discordant blast of trumpets and horns for the purpose of striking terror into the enemy, they swept the guards away from the outposts, filled up the ditch, and tore down the palisades. The boldest, pushing forward, set some of the huts on fire. The Africans, starting in consternation out of sleep, fumbled around for their arms and tried confusedly to get into order of battle, but on account of the noise could not hear the orders of their officers, nor did their general himself know exactly what was happening. The Romans caught them, as they were starting up and trying to arm themselves, with confusion on every hand. They fired more huts and slew those whom they met. The noise of the invaders, their appearance, and the fearful work they were doing in the midst of darkness and uncertainty made the catastrophe complete. Thinking that the camp had been taken, and being afraid of the fire of the burning huts, they were glad to get out of them; and they pushed on to the plain as a safer place. Thus they ran helter-skelter, just as it happened, and the Roman horse, who had completely surrounded them, fell upon them and slaughtered them.

[22] Σύφαξ δὲ νυκτὸς μὲν ἔτι, τῆς βοῆς αἰσθόμενος καὶ τὸ πῦρ ὁρῶν, οὐκ ἐπεξῆλθεν, ἀλλὰ τῶν ἱππέων τινὰς ἐπικουρεῖν ἔπεμψεν Ἀσδρούβα, οἷς ὁ Μασσανάσσης ἐπιπεσὼν ἄφνω πολλὴν ἐργὰ ζεταὶ φόνον. ἅμα δ' ἡμέρᾳ μαθὼν ὁ Σύφαξ Ἀσδρούβαν μὲν ἤδη φυγόντα, τῆς δὲ στρατιᾶς αὐτοῦ τοὺς μὲν ἀπολωλότας, τοὺς δ' εἰλημμένους ὑπὸ τῶν πολεμίων, τοὺς δὲ διερριμμένους, καὶ τὸ στρατόπεδον αὐτῇ παρασκευῇ Ῥωμαίους ἔχοντας, ἀνεξεύγνυε φεύγων ἐς τὰ μεσόγεια μετὰ θορύβου, πάντα καταλιπών, οἰόμενος εὐθὺς ἀπὸ τῆς Καρχηδονίων διώξεως αὐτῷ τὸν Σκιπίωνα ἐπανίοντα ἐπιστήσεσθαι. ὅθεν καὶ τοῦδε τὸν χάρακα καὶ τὴν ἐν αὐτῷ παρασκευὴν εἶλε Μασσανάσσης.

[22] Syphax, hearing the noise and seeing the fire in the night, did not leave his quarters, but sent a detachment of horse to the assistance of Hasdrubal. Masinissa fell upon these unawares and made a great slaughter. At daybreak,

learning that Hasdrubal had fled and that his forces were destroyed, or taken prisoners, or dispersed, and that his camp and war material had fallen into the hands of the Romans, he fled precipitately to the interior, leaving every-thing behind, fearing lest Scipio should return from the pursuit of the Carthaginians and fall upon him. Masinissa took possession of his camp and belongings.

[23] καὶ Ῥωμαῖοι διὰ τόλμης μιᾶς, ἐν ὀλίγῳ μέρει νυκτός, δύο στρατοπέδων καὶ δύο στρατῶν πολὺν μειζόνων ἐκράτησαν ὁμοῦ. ἀπέθανον δὲ Ῥωμαίων μὲν ἅμφοι τοὺς ἑκατὸν ἄνδρας, τῶν δ' ἐχθρῶν ὀλίγῳ δέοντες τρισμῦριοι· καὶ αἰχμάλωτοι ἐγένοντο δισχιλίοι καὶ τετρακόσιοι. τῶν δὲ ἵππῶν ἑξακόσιοι ἐπανιόντι τῷ Σκιπίωνι ἑαυτοὺς παρέδωκαν. καὶ τῶν ἐλεφάντων οἱ μὲν ἀνήρηντο, οἱ δὲ ἐτέτρωντο. Σκιπίων δὲ ὅπλων τε καὶ χρυσοῦ καὶ ἀργύρου καὶ ἐλέφαντος πολλοῦ καὶ ἵππων ἄλλων τε καὶ Νομαδικῶν κεκρατηκώς, καὶ διὰ μιᾶς τῆσδε νίκης, λαμπροτάτης δὴ γενομένης, ἐς γόνυ τὰ Καρχηδονίων καταβαλὼν ἅπαντα, ἀριστεῖα τῷ στρατῷ διεδίδου, καὶ τῶν λαφύρων τὰ ἀξιολογώτατα ἐς Ῥώμην ἔπεμπεν. καὶ τὸν στρατὸν ἐγύμναζε φιλοπόνως, προσδοκῶν Ἀννίβαν τε αὐτίκα ἀπὸ τῆς Ἰταλίας καὶ Μάγωνα ἀπὸ Λιγυστίνων ἐπελεύσεσθαι.

[23] Thus by one act of daring and in a little part of a night, did the Romans demolish two camps and two armies much greater than their own. The Romans lost about 100 men killed, the enemy a little less than 30,000, besides 2400 prisoners. Moreover, 600 horse surrendered them-selves to Scipio on his return. Some of the elephants were killed and some wounded. Scipio, having gained a great store of arms, gold, silver, ivory, and horses, Numidian and other, and having prostrated the Carthaginians by one splendid victory, distributed prizes to the army and sent the richest of the spoils to Rome. Then he began drilling the army diligently, expecting the arrival of Hannibal forthwith from Italy, and of Mago from Liguria.

[24] καὶ Σκιπίων μὲν περὶ ταῦτα ἦν, Ἀσδρούβας δέ, ὁ στρατηγὸς ὁ Καρχηδονίων, ἐν μὲν τῇ νυκτομαχίᾳ μεθ' ἵππῶν πεντακοσίων, τετρωμένος, ἐς Ἀνδάν κατέφυγεν, ἔνθα μισθοφόρους τέ τινας ἐκ τῆς μάχης ἐκπεσόντας καὶ Νομάδας συνέλεγε, καὶ δούλους ἐς ἐλευθερίαν συνεκάλει· πυθόμενος δ' ὅτι Καρχηδόνιοι θάνατον αὐτοῦ κατέγνωσαν ὥς κακῶς ἐστρατηγηκότος, καὶ Ἄννωνα τὸν Βουμίλχαρος εἵλοντο στρατηγεῖν, ἴδιον αὐτοῦ τὸν στρατὸν ἐποίει, καὶ κακούργους προσελάμβανε, καὶ ἐλήζετο ἐς τὰς τροφάς, καὶ ἐγύμναζεν οὓς εἶχεν, ἅμφοι τρισχιλίους ἵππεας, πεζοὺς δὲ ὀκτακισχιλίους, ὥς ἐν μόνῳ τῷ μάχεσθαι τὰς ἐλπίδας ἔχων. ὁ μὲν δὴ ταῦτα ποίων Ῥωμαίους ὁμοῦ καὶ Καρχηδονίους ἐπὶ πολὺ ἐλάνθανε, Σκιπίων δ' ἐπῆγεν αὐτῇ Καρχηδόνι τὸν στρατὸν ὥπλισμένον, καὶ σοβαρῶς ἐς μάχην προυκαλεῖτο, οὐδενὸς ἐξιόντος. Ἀμίλχαρ δὲ ὁ ναύαρχος ναυσὶν ἑκατὸν ἐσπευσμένως ἐς τὸν ναῦσταθμον ἀνήγετο τοῦ Σκιπίωνος, ἐλπίσας αὐτόν τε φθάσειν ἐπανιόντα, καὶ τὰς οὐσας ἐκεῖ Ῥωμαίων εἴκοσι τριῆρεις ῥαδίως ταῖς ἑκατὸν αἰρήσειν.

[24] While Scipio was thus engaged, Hasdrubal, the Carthaginian general, who

had been wounded in the night engagement, fled with 500 horse to the town of Anda, where he collected some mercenaries and Numidians who had escaped from the battle, and proclaimed freedom to all slaves who would enlist. Learning that the Carthaginians had decreed the penalty of death against him for his bad generalship, and had chosen Hanno, the son of Bomilcar, as commander, he made this an army of his own, recruited a lot of malefactors, robbed the country for provisions, and drilled his men to the number of 3000 horse and 8000 foot, resting his hopes solely on fighting. His doings were for a long time unknown to both the Romans and the Carthaginians. And now Scipio, having his army in readiness, led it to Carthage itself and haughtily offered battle, but nobody responded. Meanwhile Hamilcar, the admiral, hastened with 100 ships to attack Scipio's naval station, hoping to outstrip him in reaching the place, and thinking that he could easily destroy the twenty Roman ships there with his hundred.

[25] καὶ ὁ Σκιπίων ἰδὼν αὐτοῦ τὸν ἀπόπλουν, προὔπεμπέ τινας τὸν ἔσπλουν τοῦ λιμένος ἐμφράζει στρογγύλοις πλοίοις ἐπ' ἀγκυρῶν ἐκ διαστήματος, ἵνα ὡς διὰ πυλῶν αἱ τριήρεις ἐκθέοιεν ὅτε καιρὸς εἴη, καὶ τὰ πλοῖα τοῖς κέρασι συνδῆσαι τε καὶ ἀρμόσαι πρὸς ἄλληλα, ἵνα ἀντὶ τείχους ᾗ. καταλαβὼν δὲ τὸ ἔργον, ἤπτετο τοῦ πόνου. καὶ βαλλομένων τῶν Καρχηδονίων ἀπὸ τε τῶν πλοίων καὶ ἀπὸ τῆς γῆς καὶ ἀπὸ τοῦ τείχους, αἱ νῆες ἐθραύοντο, καὶ καμοῦσαι περὶ ἐσπέραν ἀπέπλεον. ἀπιούσαις δ' αὐταῖς αἱ Ῥωμαίων ἐπέκειντο, ἐκθέουσαι τε διὰ τῶν διαστημάτων, καὶ ὅτε βιάζοντο, ὑποχωροῦσαι. μίαν δὲ καὶ ἀνεδήσαντο κενὴν ἀνδρῶν, καὶ πρὸς τὸν Σκιπίωνα ἀνήγαγον. μετὰ δὲ τοῦτο ἐχείμαζον ἄμφω. καὶ Ῥωμαίοις μὲν ἦν ἐκ θαλάσσης ἀγορὰ δαυιλῆς, Ἴτυκαῖοι δὲ καὶ Καρχηδόνιοι λιμώττοντες ἐλίσστευον τοὺς ἐμπόρους, μέχρι Ῥωμαίων νῆες ἄλλαι, πεμφθεῖσαι τῷ Σκιπίωνι, ἐφόρμουν τοῖς πολεμίοις καὶ τὰς ληστρικὰς ἐκόλυνον. οἱ δ' ἔκαμνον ἥδη σφόδρα τῷ λιμῷ.

[25] Scipio, seeing him sail away, sent orders ahead to block up the entrance to the harbor with ships of burthen anchored at intervals so that the galleys could dart out, as through gates, when they should see an opportunity. These ships were bound together by their yard arms and fastened to each other so as to form a wall. This work done he entered into the action. When the Carthaginians made their attack their ships were battered by missiles from the Roman ships, from the shore, and from the walls, and they with-drew at evening discomfited. As they were retreating, the Romans pressed upon them, darting out through the open spaces, and when they were overpowered withdrawing again. They took one ship in tow without any men and brought it to Scipio. After this both combatants went into winter quarters. The Romans received plentiful supplies by sea, but the Uticans and Carthaginians, being pinched with hunger, robbed the merchant ships until new galleys, sent to Scipio from Rome, blockaded the enemy and put an end to their plundering, after which they were severely oppressed by hunger.

CHAPTER V

Masinissa defeats and captures Syphax — Syphax and Sophonisba — Death of Sophonisba — Plot to burn Scipio's Camp — Siege of Utica raised

[26] τοῦ δ' αὐτοῦ χειμῶνος, ἐγγὺς ὄντος Σύφακος, Μασσανάσσης ἤτησεν ἐπὶ τῇ ἰδίᾳ στρατιᾷ τὸ τρίτον τῆς Ῥωμαικῆς παρὰ Σκιπίωνος, καὶ λαβὼν ἡγουμένου τῶν Ῥωμαίων Λαιλίου, τὸν Σύφακα ἐδίωκεν. ὁ δὲ ὑπέφευγε, μέχρι καθορώμενος περὶ τινι ποταμῷ συνετάσσετο ἐς μάχην. οἱ μὲν οὖν Νομάδες ἐκατέρωθεν, ὥσπερ ἔθος αὐτοῖς, πολλὰ καὶ ἄθρόα ἠφίεσαν ἐπ' ἀλλήλοις, οἱ δὲ Ῥωμαῖοι προβαλλόμενοι τὰς ἀσπίδας ἐπήεσαν. Σύφαξ δὲ Μασσανάσσην ἰδὼν, ἔτετο ἐπ' αὐτὸν ὑπ' ὀργῆς· ὁ δ' ἀντεπῆλασε γεγηθώς. καὶ ἀγῶνος πολλοῦ περὶ ἄμφω γενομένου, τραπέντες οἱ τοῦ Σύφακος ἐς φυγὴν τὸν ποταμὸν ἐπέρων, ἔνθα τις αὐτοῦ Σύφακος τὸν ἵππον ἔβαλεν· ὁ δ' ἀπεσεῖσατο τὸν δεσπότην, καὶ ὁ Μασσανάσσης ἐπιδραμὼν εἷλεν αὐτόν τε Σύφακα καὶ τὸν ἕτερον αὐτοῦ τῶν υἱῶν. καὶ τούσδε μὲν εὐθὺς ἔπεμπε Σκιπίωνι, ἀπέθανον δ' ἐν τῇ μάχῃ Σύφακος μὲν ἐς μυρίους ἄνδρας, Ῥωμαίων δὲ πέντε καὶ ἑβδομήκοντα, Μασσανάσσου δὲ τριακόσιοι. καὶ αἰχμάλωτοι Σύφακος ἐγένοντο τετρακισχίλιοι. τούτων ἦσαν Μασσύλιοι δισχίλιοι καὶ πεντακόσιοι, τῶν ἐς Σύφακα ἀπὸ Μασσανάσσου μεταστάντων· καὶ αὐτοὺς ὁ Μασσανάσσης ἐπὶ τῷδε ἤτησε παρὰ Λαιλίου, καὶ λαβὼν κατέσφαξεν.

[26] This same winter, Syphax being near them, Masinissa asked of Scipio a third part of the Roman army as a reënforcement to his own, and with this force under the command of Lælius, he set out in pursuit of him. Syphax retreated until he came to a certain river, where he gave battle. The Numidians on both sides, as is their custom, discharged volleys of missiles at each other while the Romans advanced, holding their shields in front of them. Syphax, seeing Masinissa, dashed upon him with rage. The latter encountered him eagerly. The battle between them continued until the forces of Syphax turned in flight and began to cross the river. Syphax's horse received a wound and threw his rider. Masinissa ran up and caught him and also one of his sons, and sent them forthwith to Scipio. In this battle 10,000 of Syphax's men were killed. The Roman loss was seventy-five and Masinissa's 300. Four thousand of Syphax's men also were taken prisoners, of whom 2500 were Massylians who had deserted from Masinissa to Syphax. These Masinissa asked Lælius to surrender to him, and having received them he put them to the sword.

[27] μετὰ δὲ τοῦτο Μασσυλίους καὶ τὴν χώραν τὴν Σύφακος ἐπήεσαν, τοὺς μὲν αὖθις ἐς τὴν ἀρχὴν τὴν Μασσανάσσου καθιστάμενοι, τοὺς δὲ προσποιοῦμενοί τε καὶ τοὺς ἀπειθοῦντας αὐτῶν καταστρεφόμενοι. ἀφίκοντο δ' αὐτοῖς καὶ ἐκ Κίρτης πρέσβεις, τὰ βασιλεία τοῦ Σύφακος παραδιδόντες, ἰδίᾳ δὲ πρὸς Μασσανάσσην ἕτεροι παρὰ Σοφωνίβας τῆς Σύφακος γυναικός, τὴν ἀνάγκην τοῦ γάμου διηγούμενοι. Σοφωνίβαν μὲν οὖν ἄσμενος εἶχε λαβὼν ὁ

Μασσανάσσης· καὶ αὐτήν, ἐπανιών πρὸς Σκιπίωνα αὐτός, ἐν Κίρτῃ κατέλιπε, προορώμενος ἄρα τὸ μέλλον. Σκιπίων δὲ ἤρετο Σύφακα: ‘τίς σε δαίμων ἔβλαψε, φίλον ὄντα μοι καὶ ἐπὶ Λιβύην ἐλθεῖν προτρέψαντα, ψεύσασθαι μὲν θεοὺς οὕς ὤμοσας, ψεύσασθαι δὲ μετὰ τῶν θεῶν Ῥωμαίους, καὶ μετὰ Καρχηδονίων ἀντὶ Ῥωμαίων ἐλέσθαι πολεμεῖν, τῶν ἐπὶ Καρχηδονίους οὐ πρὸ πολλοῦ σοι βεβοηθηκότων;’ ὁ δ’ εἶπε, ‘Σοφωνίβα Ἀσδρούβα θυγάτηρ, ἧς ἐγὼ ἦρων ἐπ’ ἐμῷ κακῷ. φιλόπατρις δ’ ἐστὶν ἰσχυρῶς, καὶ ἱκανὴ ἅπαντά τινα πείσαι πρὸς ἃ βούλεται. αὕτη με καὶ ἐκ τῆς ὑμετέρας φιλίας ἐς τὴν ἑαυτῆς μετέθηκε πατρίδα, καὶ ἐς τὸδε συμφορᾶς ἐκ τοσῆσδε εὐδαιμονίας κατέβαλεν. σοὶ δὲ παραινῶ ἤχρη γάρ, ὑμέτερον γενόμενον καὶ Σοφωνίβας ἀπηλλαγμένον, νῦν γε ὑμῖν εἶναι βέβαιον: φύλασσε Σοφωνίβαν, μὴ Μασσανάσσην ἐς ἃ βούλεται μεταγάγῃ. οὐ γὰρ δὴ, μὴ τὸ γυναικίον ποτε ἔλῃται τὰ Ῥωμαίων ἐλπίζειν ἄξιον: οὕτως ἐστὶν ἰσχυρῶς φιλόπολις.’

[27] After this they entered the country of the Massylians and of Syphax, and settled them under the government of Masinissa, persuading some and coercing others. Ambassadors came to them from Cirta offering them the palace of Syphax, and others came specially to Masinissa from Sophonisba, the wife of Syphax, to make explanations about her forced marriage. Masinissa accepted her explanations gladly and married her; but when he returned to Scipio he left her at Cirta, foreseeing what would happen. Scipio asked Syphax: “What evil genius misled you, after inviting me as your friend to come to Africa, and caused you to forfeit your oath to the gods and your faith to the Roman people, and to join the Carthaginians in making war against us, when not long before we were helping you against the Carthaginians?” Syphax replied: “Sophonisba, the daughter of Hasdrubal, with whom I fell in love to my hurt, is passionately attached to her country and she is able to make everybody subservient to her wishes. She turned me away from your friendship to that of her own country, and plunged me from that state of good fortune into my present misery. I advise you (for, being now on your side and relieved of Sophonisba, I must be faithful to you) to beware lest she draw Masinissa over to her designs, for it is not to be expected that this woman will ever espouse the Roman side, so strongly is she attached to her own country.”

[28] ταῦθ’ ὁ μὲν ἔλεγεν, εἴτ’ ἀληθεύων εἶτε ζηλοτυπούμενος καὶ Μασσανάσσην ἐς τὰ μέγιστα βλάπτων: ὁ δὲ Σκιπίων Σύφακα μὲν, συνετόν τε φαινόμενον καὶ τῆς χώρας ἔμπειρον, ἐπὶ τὰ κοινὰ ἐπήγετο, καὶ γνώμης καὶ συμβουλῆς μετεδίδου, οἷόν τι καὶ Κροίσῳ τῷ Λυδῷ Κῦρος ἐχρήτο, Λαιλίου δ’ ἀφικομένου, καὶ ταῦτ’ ἀπὸ τῆς Σοφωνίβας πυθέσθαι παρὰ πολλῶν λέγοντος, ἐκέλευσε τὸν Μασσανάσσην τὴν Σύφακος γυναῖκα παραδοῦναι. παραιτούμενον δ’ ἐκείνου, καὶ τὰ περὶ αὐτῆς ἄνωθεν ὥς ἐγένετο διηγουμένου, τραχύτερον ὁ Σκιπίων ἐκέλευεν αὐτὸν μηδὲν ἀφαιρεῖσθαι βίᾳ τῶν Ῥωμαϊκῶν λαφύρων, ἀλλ’ ἐς τὸ μέσον καταθέντα αἰτεῖν, καὶ πείθειν, εἰ δύναιτο. ὥχετο οὖν ὁ Μασσανάσσης μετὰ τινῶν Ῥωμαίων, παραδώσων αὐτοῖς τὴν

Σοφωνίβαν. κρύφα δὲ αὐτῇ φέρων φάρμακον πρῶτος ἐνέτυχε, καὶ τὰ παρόντα προύθηκεν, ἥ πιεῖν ἢ Ῥωμαίοις δουλεύειν ἐκοῦσαν. οὐδέν τε εἰπὼν ἔτι ἐξήλασε τὸν ἵππον. ἡ δὲ τῇ τροφῇ δεῖξασα τὴν κύλικα, καὶ δεηθεῖσα μηδὲν ὁδύρασθαι καλῶς ἀποθανοῦσαν, ἔπινε τοῦ φαρμάκου. καὶ αὐτὴν ὁ Μασσανάσσης τοῖς ἥκουσι Ῥωμαίων ἐπιδείξας, καὶ θάψας βασιλικῶς, ὑπέστρεφε πρὸς Σκιπίωνα. ὁ δὲ αὐτὸν ἐπαινέσας τε, καὶ παρηγορήσας ὅτι πονηρὰς γυναικὸς ἀπηλλάγη, ἐστεφάνωσε τῆς ἐφόδου τῆς ἐπὶ Σύφακα καὶ ἐδωρήσατο πολλοῖς. ἀχθέντος δ' ἐς Ῥώμην τοῦ Σύφακος, οἱ μὲν ἡξίουں περισώζειν ἄνδρα ἐν Ἰβηρίᾳ φίλον καὶ σύμμαχον αὐτοῖς γενόμενον, οἱ δὲ κολάζειν, ὅτι τοῖς φίλοις ἐπολέμησεν. ὁ δὲ ὑπὸ λύπης νοσῶν ἀπέθανεν.

[28] So he spake, but whether he was telling the truth or was moved by jealousy and a desire to hurt Masinissa as much as possible, is not known. But Scipio called Syphax to the council, as he had shown himself sagacious and was acquainted with the country, and advised with him as Cyrus did with Cræsus, king of Lydia. Lælius having returned and told him the same things about Sophonisba that he had learned from many others, he commanded Masinissa to deliver up the wife of Syphax. When the latter tried to beg off and related the facts concerning her as above, Scipio ordered him more sharply not to possess himself by force of the Roman spoils of victory, but to ask for her after she was delivered up and obtain her if he could. Accordingly Masinissa went with a Roman detachment to fetch Sophonisba, but he went ahead secretly and gave her a dose of poison, explaining the circumstances and telling her that she must either drink it or go into voluntary captivity to the Romans. Without another word he mounted his horse. She showed the cup to her nurse, told her not to weep for her since she died gloriously, and drank the poison. Masinissa showed her dead body to the Romans who had now come up, then gave her a royal funeral; after which he returned to Scipio. The latter praised him, and to console him for the loss of a worthless woman, crowned him for his successful attack upon Syphax and gave him many presents. When Syphax arrived in Rome, some of the authorities thought that he ought to be spared because he had been their friend and ally in Spain, others, that he ought to be punished for fighting against his friends. In the meantime he sickened of grief and died.

[29] Ἀσδρούβας δὲ ἐπειδὴ καλῶς τοὺς συνόντας ἐγύμνασεν, ἔπεμπε τινα πρὸς Ἄννωνα τὸν στρατηγὸν τῶν Καρχηδονίων, ἀξιῶν αὐτῷ τὸν Ἄνωνα κοινωνῆσαι τὴν στρατηγίαν, καὶ ὑποδεικνὺς ὅτι πολλοὶ Σκιπίωνι σύνεισιν Ἰβηρες ἄκοντες, οὓς ἐάν τις χρυσίῳ καὶ ὑποσχέσεσι διαφθείρῃ, τὸ στρατόπεδον ἐμπρήσουσι τὸ Σκιπίωνος. ἔφη δὲ καὶ αὐτός, εἰ προμάθοι τὸν καιρόν, ἥξειν ἐπὶ τὸ ἔργον. ταῦτα μὲν Ἀσδρούβας, ὁ δὲ Ἄννων ἐς μὲν τὸν Ἀσδρούβαν ἐπανούργει, τοῦ δ' ἐγχειρήματος οὐκ ἀπῆλπισεν, ἀλλ' ἄνδρα πιστὸν μετὰ χρυσίου, καθάπερ αὐτόμολον, ἐς τὸ Σκιπίωνος στρατόπεδον κατέπεμψεν, ὃς πιθανὸς ὢν ἐντυχεῖν ἐκάστῳ διέφθειρε πολλοὺς, ἡμέραν τε συνθέμενος αὐτοῖς ἐπανήλθεν. καὶ τὴν ἡμέραν ὁ Ἄννων τῷ Ἀσδρούβα

μετέφερεν. Σκιπίωνι δὲ θυομένῳ κίνδυνον τὰ ἱερὰ ἐδήλου ἔμπρησμοῦ: καὶ περιπέμψας ἐς ἅπαν τὸ στρατόπεδον, εἴ ποῦ τι λάβρον ἠΰρισκε πῦρ, κατέπανεν. καὶ αὐθις ἐπὶ πολλὰς ἡμέρας ἐθύετο. ὥς δ' οὐκ ἀνίει τὰ ἱερὰ τὸν ἔμπρησμον ὑποδεικνύοντα, ὁ μὲν ἐβαρυνθῆμει καὶ μεταστρατοπεδεῦσαι διεγνώκει,

[29] When Hasdrubal had his forces well drilled he sent word to Hanno, the Carthaginian general, proposing to share the command with him, and intimating that there were many Spanish soldiers serving with Scipio under compulsion, who might be bribed with gold and promises to set fire to Scipio's camp. He said that he would lend a hand if he were duly notified. Hanno, although he in-tended to cheat Hasdrubal, did not neglect the suggestion. He sent a trusty man, in the guise of a deserter, with gold to Scipio's camp, who, winning the confidence of those he fell in with, corrupted many, and having fixed a day for the execution of the plot, disappeared. Hanno communicated the date to Hasdrubal. To Scipio, while sacrificing, the victims revealed that there was danger from fire. Accordingly he sent orders all around the camp if any glowing fires were found to put them out. He continued sacrificing several days, and as the victims still indicated danger from fire he became anxious and determined to shift his camp.

[30] ἰππέως δὲ Ῥωμαίου θεράπων Ἴβηρ, ὑπονοήσας τι περὶ τῶν συνθεμένων, ὑπεκρίνατο συνειδέναι, ἕως τὸ πᾶν ἔμαθε, καὶ ἐμήνυσε τῷ δεσπότῃ, ὁ δὲ αὐτὸν ἐς τὸν Σκιπίωνα ἤγαγε, καὶ τὸ πλῆθος ἠλέγγχετο. καὶ πάντας ὁ Σκιπίων ἔκτεινε καὶ ἐξέρριψε πρὸ τοῦ στρατοπέδου. αἰσθησὶς δ' ἦν Ἄννωνι μὲν ὀξεῖα πλησίον ὄντι, καὶ οὐκ ἦλθεν ἐπὶ τὸ συγκεκριμένον, Ἀσδρούβας δὲ ἀγνοῶν ἀφίκετο. ὥς δὲ τὸ πλῆθος εἶδε τῶν νεκρῶν, εἶκασε τὸ συμβὰν καὶ ἀνεχώρει. καὶ αὐτὸν ὁ Ἄννων ἐς τὸ πλῆθος διέβαλλεν, ὥς ἀφίκοιτο Σκιπίωνι διδοὺς ἑαυτόν, ὁ δὲ οὐ λάβοι. Ἀσδρούβας μὲν δὴ καὶ ἐκ τοῦδε τοῖς Καρχηδονίοις ἦν μᾶλλον διὰ μίσους: ὑπὸ δὲ τὸν αὐτὸν καιρὸν Ἀμίλχαρ μὲν ἄφνω ταῖς Ῥωμαίων ναυσὶν ἐπιπλεύσας μίαν ἔλαβε τριήρη καὶ φορτίδας ἕξ, Ἄννων δ' ἐπιθέμενος τοῖς πολιορκουσὶν Ἰτύκην ἀπεκρούσθη. Σκιπίων δέ, χρονίου τῆς πολιορκίας οὔσης, ταύτην μὲν διέλυσεν οὐδὲν ἀνύων, τὰς δὲ μηχανὰς ἐς Ἰπῶνα πόλιν μετετίθει. καὶ οὐδενὸς οὐδ' ἐνταῦθα προκόπτοντος αὐτῷ, κατακάυσας ὥς ἄχρηστα τὰ μηχανήματα τὴν χώραν ἐπέτρεχε, τοὺς μὲν ἐς φιλίαν ἐπαγόμενος, τοὺς δὲ ληζόμενος.

[30] At this juncture a Spanish servant of one of the Roman knights, suspecting something of the conspiracy, pretended to be one of the accomplices and in this way learned all about it, and told his master. The latter brought him to Scipio, and he convicted the whole crowd. Scipio put them all to death and cast their bodies out of the camp. Knowledge of this coming quickly to Hanno, who was not far off, he did not come to the rendezvous, but Hasdrubal, who remained in ignorance, did. When he saw the multitude of corpses he guessed what had happened and withdrew. But Hanno slandered

him and told every-body that he had come to surrender himself to Scipio, but that the latter would not receive him. Thus Hasdrubal was made more hateful to the Carthaginians than ever. About this time Hamilcar made a sudden dash on the Roman fleet and took one galley and six ships of burthen, and Hanno made an attack upon those who were besieging Utica, but was beaten off. As the siege had lasted a long time without result, Scipio raised it and moved his engines against the town of Hippo. As he accomplished nothing there, he burned his engines as useless, and overran the country, making allies of some and pillaging others.

CHAPTER VI

Hannibal recalled — Negotiations for Peace — Hannibal lands at Hadrumetum — The Armistice violated — Hannibal sent for — He proposes a Renewal of the Armistice

[31] Καρχηδόνιοι δ' ἐπὶ ταῖς κακοπραγαίαις δυσφοροῦντες αἰροῦνται στρατηγὸν αὐτοκράτορα Ἀννίβαν, τὸν δὲ ναύαρχον ἔπεμπον ἐπὶ νεῶν, ἐπισπέρχειν αὐτὸν ἐπὶ τὴν διάβασιν. ἅμα δὲ ταῦτ' ἔπρασσον, καὶ ἐς τὸν Σκιπίωνα περὶ εἰρήνης ἐπρεσβεῦοντο, ἡγούμενοι τούτοις πάντως ἂν ἐνὸς τυχεῖν, ἢ τὴν εἰρήνην ἔξαι, ἢ χρόνον διατρίψαι ἕως ἀφίκοιτο ὁ Ἀννίβας. Σκιπίων μὲν οὖν αὐτοῖς ἀνοχὰς τε ἔδωκε, καὶ τὴν δαπάνην τοῦ στρατοῦ λαβὼν πρεσβεύειν ἐφῆκεν ἐς Ῥώμην: οἱ δὲ ἐπρέσβευον, καὶ τειχῶν ἐκτὸς ἐστάθμευον ὥς ἔτι πολέμιοι, ἀχθόντες τε ἐπὶ τὴν βουλὴν ἐδέοντο συγγνώμης τυχεῖν. τῶν δὲ βουλευτῶν οἱ μὲν τῆς Καρχηδονίων ἀπιστίας ὑπεμίμησκον, ὅσας συνθοῖντο καὶ παραβαῖεν, ὅσα τε Ἀννίβας δράσειε δεινὰ Ῥωμαίους καὶ τοὺς Ῥωμαίων συμμάχους ἔν τε Ἰβηρίᾳ καὶ Ἰταλίᾳ: οἱ δὲ τὸ τῆς εἰρήνης χρήσιμον οὐ Καρχηδονίοις μᾶλλον ἢ σφίσις ὑπεδείκνυν ἔσεσθαι, τῆς Ἰταλίας τοσοῖσδε πολέμοις ἐκτετραχωμένης, τό τε τοῦ μέλλοντος περιδεῆς ἐπεξήεσαν, ἐπιπλευσομένων ἐπὶ τὸν Σκιπίωνα αὐτίκα σὺν μεγάλοις στρατοῖς Ἀννίβου τε ἐξ Ἰταλίας καὶ Μάγωνος ἐκ Λιγύων καὶ Ἄννωνος ἀπὸ Καρχηδόνης.

[31] The Carthaginians, depressed by their ill success, chose Hannibal as their commanding general and sent an admiral with ships to hasten his coming. At the same time they sent ambassadors to Scipio to negotiate for peace, thinking to gain one of two things, either peace or a delay until Hannibal should arrive. Scipio consented to an armistice, and having thus gained sufficient supplies for his army allowed them to send their ambassadors to Rome. They did so, but they were received there as enemies and required to lodge outside the walls. When the Senate gave them audience they asked pardon. Some of the senators adverted to the faithlessness of the Carthaginians, and told how often they had made treaties and broken them, and what injuries Hannibal had inflicted on the Romans and their allies in Spain and Italy. Others represented that the Carthaginians were not more in need of peace than themselves, Italy being exhausted by so many wars; and they showed how much danger was to be feared from the great armies moving together against Scipio, that of Hannibal from Italy, that of Mago from Liguria, and that of Hanno at Carthage.

[32] ἐφ' οἷς ἀποροῦσα ἡ βουλὴ συμβούλους ἔπεμψε τῷ Σκιπίωνι, μεθ' ὧν ἔμελλε κρινεῖν τε καὶ πράξειν ὃ τι δοκιμάσειε συνοίσειν. ὁ δὲ ἐς τὴν εἰρήνην τοῖς Καρχηδονίοις ἐπὶ τοῖσδε συνέβη, Μάγονα μὲν ἀποπλεῖν ἐκ Λιγύων αὐτίκα, καὶ τοῦ λοιποῦ Καρχηδονίους μὴ ξενολογεῖν, μηδὲ ναῦς ἔχειν μακρὰς πλείους τριάκοντα, μηδὲ πολυπραγμονεῖν τι πέρα ὧν ἔχουσιν ἐντὸς τῶν

λεγομένων Φοινικίδων τάφρων, ἀποδοῦναι δὲ Ῥωμαίοις ὅσους αἰχμαλώτους αὐτῶν ἔχουσι καὶ αὐτομόλους, ἀργυρίου τε αὐτοῖς τάλαντα χίλια καὶ ἑξακόσια ἐσενεγκεῖν ἐν χρόνῳ, ἔχειν δὲ Μασσανάσσην Μασσυλίους τε καὶ τῆς Σύφακος ἀρχῆς ὅσα δύναται. τάδε μὲν συνέθεντο ἀλλήλοις, καὶ πρέσβεις διέπλεον, οἱ μὲν ἐς Ῥώμην, τοὺς ὑπάτους ὀρκιοῦντες, οἱ δ' ἀπὸ Ῥώμης ἐς Καρχηδόνα, καὶ τὰ τέλη τῶν Καρχηδονίων αὐτοῖς ὤμνουν. Μασσανάσση δὲ Ῥωμαῖοι χαριστήρια τῆς συμμαχίας στέφανόν τε ἀπὸ χρυσοῦ καὶ σφραγίδα χρυστὴν ἔπεμπον, καὶ ἐλεφάντινον δίφρον καὶ πορφύραν καὶ στολὴν Ῥωμαϊκὴν καὶ ἵππον χρυσοφάλαρον καὶ πανοπλίαν.

[32] The Senate was not able to agree, but sent counsellors to Scipio with whom he should advise, and then do whatever he should deem best. Scipio made peace with the Carthaginians on these terms: That Mago should depart from Liguria forthwith, and that hereafter the Carthaginians should hire no mercenaries; that they should not keep more than thirty long galleys; that they should restrict themselves to the territory within the so-called Phœnician trenches"; that they should surrender to the Romans all captives and deserters, and that they should pay 6000 talents of silver within a certain time; also that Masinissa should have the kingdom of the Massylians and as much of the dominion of Syphax as he could take. Having made this agreement, ambassadors on both sides set sail, some to Rome to take the oaths of the consuls, and others from Rome to Carthage to receive those of the Carthaginian magistrates. The Romans gave to Masinissa, as a reward for his alliance, a crown of gold, a signet ring of gold, a chair of ivory, a purple robe, a horse with gold trappings, and a suit of armor.

[33] γιγνομένων δ' ἔτι τούτων ὁ Ἀννίβας ἄκων ἐς Καρχηδόνα ἔπλει, τὴν ἐς τοὺς ἄρχοντας ἀπιστίαν τοῦ δήμου καὶ ταχυεργίαν ὑφορώμενος. ἀπιστῶν δ' ἔτι τὰς σπονδὰς ἔσσεσθαι, καὶ εἰ γένοιτο, εὖ εἰδὼς οὐκ ἐς πολὺ βεβαίους ἐσομένας, ἐς Ἀδρυμητὸν Λιβύης κατήγετο πόλιν, καὶ σῖτον συνέλεγεν, ἐπὶ τε ὄνῃν ἵππων περιέπεμπε, καὶ τὸν δυνάστην τῶν Νομάδων τῶν καλουμένων Ἀρεακιδῶν ἐς φιλίαν ὑπήγετο. καὶ τετρακισχιλίους ἱππέας αὐτομόλους αὐτῷ προσφυγόντας, οἱ Σύφακος ὄντες τότε ἐγίνοντο Μασσανάσσου, κατηκόντισεν ὑποπτεύσας· τοὺς δ' ἵππους διέδωκε τῷ στρατῷ. ἦλθε δε καὶ Μεσοτυλος αὐτῷ δυνάστης ἕτερος μετὰ χιλίων ἱππέων, καὶ Οὐερμινᾶς Σύφακος υἱὸς ἕτερος, ἔτι τῶν πλεόνων τῆς πατρῴας ἀρχῆς ἐπικρατῶν. πόλεις τε Μασσανάσσου τὰς μὲν ὑπήγετο, τὰς δ' ἐβιάζετο. νάρκην δ' ἐνήδρευεν ὧδε. ἀγορᾷ χρώμενος ἐσέπεμπεν ὥς ἐς φίλους. ὅτε δ' ἔδοξεν ἐπιθέσθαι, πλείους ἔπεμπε ξιφίδια ἐπικρύπτοντας, οἷς εἶρητο τὰ δίκαια ποιεῖν ἐς τοὺς πιπράσκοντας μέχρι σαλπίγγων ἀκούσειαν, τότε δ' ἐπιχειρεῖν τοῖς ἐντυχοῦσι καὶ τὰς πύλας οἱ φυλάσσειν.

[33] In the meantime Hannibal set sail for Africa against his will, knowing the untrustworthy character of the people of Carthage, their bad faith toward their magistrates, and their general recklessness. He did not believe that a treaty

would be made, and if made he well knew that it would not last long. He landed at the city of Hadrumetum, in Africa, and began to collect corn and buy horses. He made an alliance with the chief of a Numidian tribe called the Areacidæ. He slew with arrows 4000 horsemen who had come to him as deserters. These had formerly been Syphax's men and afterward Masinissa's, and he suspected them. He gave their horses to his own army. Mesotulus, another chieftain, came to him with 1000 horse; also Verminia, another son of Syphax, who ruled the greater part of his father's dominions. He gained some of Masinissa's towns by surrender and some by force. He took the town of Narce by stratagem in this way. Dealing in their market he sent to them as to friends, and when he thought the time had come to spring the trap he sent in a large number of men carrying concealed daggers, and ordered them not to do any harm to the traders until the trumpet should sound, and then to set upon all they met, and hold the gates for him. In this way was Narce taken.

[34] οὕτω μὲν ἐάλω Νάρκη, Καρχηδονίων δε ὁ δῆμος ἄρτι τὰς συνθήκας πεποιημένοι, καὶ Σκιπίωνος αὐτοῖς ἔτι παρόντος, οὕτω τῶν ἰδίων πρέσβεων ἀπὸ Ῥώμης ἀνεστροφότων, ἀγορὰν Σκιπίωνος ὑπ' ἀνέμων κατενεχθεῖσαν ἐς Καρχηδόνα διήρπασαν, καὶ τοὺς παραπέμποντας αὐτὴν ἔδησαν, πολλὰ τῆς βουλῆς ἀπειλούσης, καὶ παραινούσης μὴ λύειν συνθήκας ἄρτι γεγενημένας: οἱ δὲ καὶ ταῖς συνθήκαις ἐπεμέμφοντο ὡς ἀδίκως γενομέναις, καὶ τὸν λιμὸν ἔφασαν ἐνοχλεῖν ὑπὲρ τὰς παραβάσεις. Σκιπίων μὲν οὖν οὐκ ἤξιον πολέμου κατάρχειν μετὰ σπονδάς, ἀλλ' ἦται δίκας ὡς φίλους ἀμαρτόντας: οἱ δὲ καὶ τοὺς πρέσβεις αὐτοῦ κρατεῖν ἐπενόουν, ἕως ἀφίκοντο αὐτοῖς οἱ ἀπὸ Ῥώμης. ἀλλὰ τοῦσδε μὲν Ἄννων τε ὁ μέγας καὶ Ἀσδρούβας ὁ ἔριφος ἐξείλοντο τοῦ πλήθους καὶ προύπεμπον δύο τριήρεσιν: ἕτεροι δὲ Ἀσδρούβαν τὸν ναύαρχον ἐπεισαν, ὁρμοῦντα περὶ τὴν Ἀπόλλωνος ἄκραν, ὅταν ἀποστῶσιν αἱ προπομποὶ τριήρεις, ἐπιθέσθαι τοῖς τοῦ Σκιπίωνος. καὶ ὁ μὲν ἐπέθετο, καὶ τῶν πρέσβεων τινες ἐκ τοξευμάτων ἀπέθανον: οἱ δὲ λοιποὶ τιτρωσκόμενοί τε καὶ ἐρέσσοντες ἔφθασαν ἐς τὸν λιμένα τοῦ σφετέρου στρατοπέδου, καὶ ἐξήλαντο τῆς νεῶς ἤδη λαμβανομένης. παρὰ τοσοῦτον ἦλθον αἰχμάλωτοι γενέσθαι.

[34] The common people of Carthage, although the treaty had been so lately concluded, and Scipio was still there, and their own ambassadors had not yet returned from Rome, plundered some of Scipio's stores that had been driven into the port of Carthage by a storm, and put the carriers in chains, in spite of the threats of their own council and of their admonitions not to violate the treaty so recently made. The people found fault with the treaty, and said that hunger was more dangerous to them than treaty-breaking. Scipio did not deem it best to renew the war after the treaty, but he demanded reparation as from friends who were in the wrong. The people attempted to seize his messengers, intending to hold them until their own ambassadors should return from Rome, but Hanno the Great and Hasdrubal Eriphus [the Kid] rescued them from the mob and sent them away in two galleys. Some others, however, sent word to Hasdrubal, the admiral, who was moored near the promontory of Apollo, that

when the escort should leave them he should set upon Scipio's galleys. This he did, and some of the messengers were killed with arrows. The others were wounded, and the rowers darted into the harbor of their own camp and sprang from the ship which was just being seized. So narrowly did they escape being taken prisoners.

[35] ὧν οἱ ἐν ἅσται Ῥωμαῖοι πυθόμενοι τοὺς πρέσβεις τοὺς Καρχηδονίων, οἱ περὶ τῆς εἰρήνης ἔτι παρήσαν, ἐκέλευον ἀποπλεῖν αὐτίκα ὡς πολεμίους. καὶ οἱ μὲν ἐξέπλεον, καὶ ὑπὸ τοῦ χειμῶνος ἐς τὸ τοῦ Σκιπίωνος στρατόπεδον κατήγοντο: Σκιπίων δὲ τῷ ναυάρχῳ, πυθόμενῳ περὶ αὐτῶν ὅ τι δέοι ποιεῖν, 'οὐδὲν ὅμοιον,' ἔφη, 'ταῖς Καρχηδονίων ἀπιστίαις, ἀλλ' ἀπόπεμπε ἀπαθεῖς.' μαθοῦσα δ' ἡ γερουσία τὸν δῆμον ὠνείδιζε τῇ συγκρίσει, καὶ συνεβούλευε καὶ νῦν δεηθῆναι Σκιπίωνος τὰ μὲν συγκείμενα φυλάσσειν, δίκας δὲ τῶν ἡμαρτημένων παρὰ Καρχηδονίων λαβεῖν. οἱ δὲ καὶ αὐτῇ τῇ γερουσίᾳ δυσχεραίνοντες ἐκ πολλοῦ διὰ τὴν κακοπραγίαν, ὡς οὐκ εὖ τὰ συμφέροντα προορωμένη, καὶ ὑπ' ἀνδρῶν δημοκόπων ἐρεθιζόμενοι τε καὶ ἐς ἀλόγους ἐλπίδας ἐπαίρομενοι, τὸν Ἀννίβαν ἐκάλουν νεθ' ἧς ἔχει στρατιᾶς.

[35] When the Romans at home learned these things they ordered the Carthaginian ambassadors, who were still there treating for peace, to depart immediately as enemies. They accordingly set sail, and were driven by a tempest to Scipio's camp. To his admiral, who asked what he should do with them, Scipio said: "We shall not imitate Carthaginian bad faith; send them away unharmed." When the Carthaginian Senate learned this they chided the people for the contrast between their behavior and Scipio's, and advised them to beg Scipio to adhere to the agreement and to accept reparation for the Carthaginian wrong-doing. But the people had been finding fault with the Senate a long time for their ill success, because they had not sufficiently foreseen what was for their advantage, and being pushed on by demagogues and excited by vain hopes, they summoned Hannibal and his army. (Y.R. 552)

[36] ὁ δὲ ὄρων τὸ μέγεθος τοῦ πολέμου, Ἀσδρούβαν αὐτοὺς ἐκέλευε σὺν τῇ παρούσῃ δυνάμει καλεῖν. Ἀσδρούβας μὲν δὴ τῆς καταδίκης αὐτῷ λυθείσης παρεδίδου τὸν στρατὸν Ἀννίβα, καὶ οὐδ' ὥς ἐπιφαίνεσθαι τοῖς Καρχηδονίοις ἐθάρρει, ἀλλ' ἐκρύπτετο ἐν τῇ πόλει: Σκιπίων δὲ ναῦς τῇ Καρχηδόνι ἐπιστήσας εἵργεν αὐτοὺς ἀγορᾶς ἀπὸ θαλάσσης, οὐκ εὐποροῦντας οὐδ' ἀπὸ τῆς γῆς ἀσπόρου διὰ τὸν πόλεμον γενομένης. τῶν δ' αὐτῶν ἡμερῶν Ἀννίβου καὶ Σκιπίωνος ἵππομαχία γίγνεται περὶ Ζάμαν, ἐν ᾗ Σκιπίων ἐπλεονέκτει: καὶ ταῖς ἐπιούσαις ἀκροβολίσματα ἦν ἐς ἀλλήλους, ἕως αἰσθόμενος ὁ Σκιπίων Ἀννίβαν ἰσχυρῶς τε ἀπορούμενον καὶ περιμένοντα ἀγορὰν φερομένην, νυκτὸς ἔπεμψε Θέρμιον χιλιάρχον ἐπὶ τοὺς ἄγοντας αὐτήν. καὶ λόφον ὁ Θέρμιος ἐν στενῇ διόδῳ καταλαβὼν, ἔκτεινε τῶν Λιβύων ἐς τετρακισχιλίους καὶ ἐξώγησεν ἐτέρους τοσοῦσδε, καὶ τὴν ἀγορὰν ἦκε φέρων τῷ Σκιπίωνι.

[36] Hannibal, in view of the magnitude of the war, (B.C. 202) asked them to call in Hasdrubal and the force he had in hand. Hasdrubal was accordingly

forgiven for his offence, and he delivered his army over to Hannibal. Yet he did not dare to show himself to the Carthaginians, but concealed himself in the city. Now Scipio blockaded Carthage with his fleet and cut off their supplies by sea, while from the land they were poorly supplied by reason of the war. About this time there was a cavalry engagement between the forces of Hannibal and those of Scipio near Zama, in which the latter had the advantage. On the succeeding days they had sundry skirmishes until Scipio, learning that Hannibal was very short of supplies and was expecting a convoy, sent the military tribune, Thermus, by night to attack the supply train. Thermus took a position on the crest of a hill at a narrow pass, where he killed 4000 Africans, took as many more prisoners, and brought the supplies to Scipio.

[37] ὁ δ' Ἀννίβας ἐς ἔσχατον ἀφιγμένος ἀπορίας, καὶ τὸ παρὸν ἐπινοῶν ὅπως δύναίτο διαθέσθαι, πρέσβεις ἐς Μασσανάσσην ἔπεμπεν, ὑπομνήσκων τε τῆς ἐν Καρχηδόνι διατριβῆς καὶ παιδείσεως, καὶ παρακαλῶν ἔτι οἱ συναγαγεῖν ἐς συνθήκας Σκιπίωνα: τὰ γὰρ πρότερα τοῦ δήμου καὶ τῶν ἀνοητοτέρων τοῦ δήμου ἁμαρτήματα γενέσθαι. ὁ δὲ τῷ ὄντι τεθραμμένος τε καὶ πεπαιδευμένος ἐν Καρχηδόνι, καὶ τὸ ἀξίωμα τῆς πόλεως αἰδοῦμένος τε καὶ φίλος ὢν ἔτι πολλοῖς ἐκεῖθεν, ἐδεήθη τοῦ Σκιπίωνος, καὶ συνήγαγεν αὐτοὺς αὖθις ἐς τοιάσδε συνθήκας ὥστε Καρχηδονίους τάς τε ναῦς καὶ τοὺς ἄνδρας, οὓς ἔλαβον Ῥωμαίοις ἀγορὰν φέροντας, ἀποδοῦναι, καὶ τὰ ἥρπασμένα ἅπαντα, ἢ τῶν ἀπολωλότων τιμὴν ἢ ἂν ὀρίσῃ Σκιπίων, ποινὴν τε τοῦ ἀδικήματος χίλια τάλαντα ἐσενεγκεῖν, τὰδε μὲν ἦν τὰ συγκεείμενα, καὶ γενομένων ἀνοχῶν μέχρι αὐτὰ μάθωσι Καρχηδόνιοι, ὁ μὲν Ἀννίβας ἐξ ἀέλπτου περισώζετο,

[37] Hannibal, being reduced to extremity for want of provisions and considering how he might arrange for the present, sent messengers to Masinissa reminding him of his early life and education at Carthage, and asking that he would persuade Scipio to renew the treaty, saying that the former infractions of it were the work of the common people, and of fools who had stirred them up. Masinissa, who had in fact been brought up and educated at Carthage, and who had a high respect for the dignity of the city, and was the friend of many of the inhabitants, besought Scipio to comply, and brought them to an agreement on the following terms: That the Carthaginians should surrender the men and ships bringing provisions to the Romans, which they had taken, also all plunder, or the value of it, which Scipio would estimate, and pay 1000 talents as a penalty for the wrong done. These things were agreed upon. An armistice was concluded until the Carthaginians should be made acquainted with the details; and thus Hannibal was saved in an unexpected way.

CHAPTER VII

Riots in Carthage — Second Armistice broken — Preparations for Battle — Speeches of Hannibal and Scipio — Battle of Zama — Personal Encounter of Hannibal and Scipio — Hannibal's Defeat and Flight

[38] Καρχηδονίων δ' ἡ μὲν βουλὴ τὰ συμβάντα ὑπερησπάζετο, καὶ παρεκάλει τὸν δῆμον ἐμμεῖναι τοῖς ἐγνωσμένοις, τὴν τε κακοπραγίαν σφῶν τὴν ἐς ἅπαντα διηγουμένη καὶ τὴν παροῦσαν ἀπορίαν στρατοῦ τε καὶ χρημάτων καὶ ἀγορᾶς. οἱ δέ, οἷον ὄχλος, ἀφρόνως ἡγοῦντο τοὺς στρατηγούς σφῶν δι' ἑαυτοὺς ταῦτα Ῥωμαίοις συντίθεσθαι, ἵνα δι' ἐκείνων δυναστεύσωσι τῆς πατρίδος: ὃ καὶ Ἀννίβαν νῦν καὶ Ἀσδρούβαν οὐ πρὸ πολλοῦ ποιῆσαι τε, καὶ τὸ στρατόπεδον νυκτὸς ἐγχειρίσαντα τοῖς πολεμίοις, μετ' ὀλίγον καὶ ἑαυτὸν ἐθελῆσαι τῷ Σκιπίωνι ἐνδοῦναι ἐπὶ τῷδε προσπελάσαντα, κρύπτεσθαι τε νῦν ἐν τῇ πόλει. βοῆς δ' ἐπὶ τούτῳ καὶ θορύβου γενομένου. τὴν ἐκκλησίαν τινὲς καταλιπόντες ἐξήτουν Ἀσδρούβαν περιόντες. ὃ δ' ἔφθασε μὲν ἐς τὸν τοῦ πατρὸς τάφον καταφυγὼν καὶ φαρμάκῳ διαχρησάμενος αὐτόν: οἱ δὲ κἀκεῖθεν αὐτοῦ τὸν νέκυν ἐξελόντες, καὶ τὴν κεφαλὴν αὐτοῦ ἀποτεμόντες περιέφερον ἐπὶ δόρατος ἀνὰ τὴν πόλιν. Ἀσδρούβας μὲν δὴ καὶ τὸ πρῶτον ἀδίκως ἐξεπεπτώκει, καὶ τὸ δεύτερον ψευδῶς διεβέβλητο ὑπὸ Ἀννωνος, καὶ τότε πρὸς Καρχηδονίων οὕτως ἀνήρητο καὶ οὕτως ἀποθανὼν ὑβρίζετο.

[38] The Carthaginian council warmly welcomed the agreement and exhorted the people to adhere to its terms, explaining all their misfortunes and their immediate want of soldiers, money, and provisions. But the people, like a mere mob, behaved like fools. They thought that their generals had made this arrangement for their own private ends, so that, relying upon the Romans, they might hold the power in their own country. They said that Hannibal was doing now what had been done before by Hasdrubal, who had betrayed his camp to the enemy by night, and a little later wanted to surrender to Scipio, having approached him for that purpose, and was now concealed in the city. Thereupon there was a great clamor and tumult, and some of them left the assembly and went in search of Hasdrubal. He had anticipated them by taking refuge in his father's tomb, where he destroyed himself with poison. But they pulled his corpse out, cut off his head, put it on a pike, and carried it about the city. Thus was Hasdrubal first banished unjustly, next falsely slandered by Hanno, and then driven to his death by the Carthaginians, and loaded with indignities after his death.

[39] Καρχηδόνιοι δ' ἐπέστελλον Ἀννίβα λῦσαι τὰς ἀνοχὰς καὶ πολεμεῖν Σκιπίωνι, κρῖναι δ' ὅτι τάχιστα τὸν πόλεμον μάχῃ διὰ τὴν ἀπορίαν. ὁ μὲν δὴ πέμψας ἔλυσε τὰς ἀνοχὰς, καὶ Σκιπίων Πάρθον τε, μεγάλην πόλιν, αὐτίκα προσπεσὼν εἴλε, καὶ πλησίον Ἀννίβου μετεστρατοπέδευεν. ὁ δὲ ἀνεξεύγνυε, τρεῖς τοῖς Ῥωμαίοις κατασκοποὺς ἐπιπέμψας, οὓς ὁ Σκιπίων ἔλαβέ τε καὶ οὐκ

ἔκτεινεν, ὥσπερ ἔθος τοὺς κατασκόπους κτείνειν, ἀλλ' ἐς τὸ στρατόπεδον καὶ τὰς ὀπλοθήκας καὶ τὰ μηχανήματα περιαχθῆναι κελεύσας, καὶ τὴν στρατιάν γυμναζομένην ἰδεῖν, ἀπέλυσε φράζειν Ἀννίβα περὶ ἐκάστων. ὁ δὲ ἠξίωσεν ἔτι συνελθεῖν ἐς λόγους Σκιπίωνι, καὶ συνελθὼν ἔλεγε Καρχηδονίους ἀγανακτῆσαι τῇ πρότερον εἰρήνῃ διὰ τὰ χρήματα, καὶ εἰ τοῦτο ἐκλυθεῖη, Σικελίας δὲ μόνον ἀξιοῖεν οἱ Ῥωμαῖοι καὶ Ἰβηρίας καὶ νήσων ὧσων ἄρχουσι κρατεῖν, ἔσσεσθαι τὰς συνθήκας βεβαίους. ὁ δὲ 'πολύ,' ἔφη, 'κέρδος Ἀννίβα τῆς φυγῆς ἔσται τῆς ἐξ Ἰταλίας, εἰ ταῦτα προσλάβοι παρὰ Σκιπιωνος.' καὶ ἀπηγόρευε πέμπειν ἔτι πρὸς αὐτόν. διαπειλησάμενοί τε ἀλλήλοις ἀνεξεύγνυνον ἐκάτερος ἐς τὸ αὐτοῦ στρατόπεδον.

[39] Then the Carthaginians ordered Hannibal to break the truce and begin war against Scipio, and to fight as soon as possible on account of the scarcity of provisions. Accordingly he sent word that the truce was at an end. Scipio marched immediately, and took the great city of Partha and encamped near Hannibal. The latter moved off, but he sent three spies into the Roman camp who were captured by Scipio. The latter did not put them to death, however, according to the custom of dealing with spies, but ordered that they should be taken around and shown the camp, the arsenals, the engines, and the army under review. He then set them free so that they might inform Hannibal concerning all these things. The latter deemed it advisable to have a parley with Scipio, and when it was granted he said that the Carthaginians had rejected the former treaty on account of the money indemnity. If he would remit that, and if the Romans would content themselves with Sicily, Spain, and the islands they now held, the agreement would be lasting. "Hannibal's escape from Italy would be a great gain to him," said Scipio, "if he could obtain these terms in addition." He then forbade Hannibal to send any more messages to him. After indulging in some mutual threats they departed, each to his own camp.

[40] πόλις δ' ἐγγὺς ἦν Κίλλα, καὶ παρ' αὐτὴν λόφος εὐφυῆς ἐς στρατοπεδεῖαν, ὃν ἐπινοῶν ὁ Ἀννίβας προλαβεῖν, ἔπεμπε τινὰς διαγράφειν τὸ στρατόπεδον, καὶ εὐθὺς ἀναστήσας ἐβάδιζεν ὡς ἔχων τὸν λόφον. Σκιπίωνος δ' αὐτὸν φθάσαντός τε καὶ προλαβόντος, ἀποληφθεὶς ἐν πεδίῳ μέσῳ καὶ ἀνδρῶν διετέλει τὴν νύκτα πᾶσαν ὀρύσσω φρέατα, καὶ ὁ στρατὸς αὐτῷ διαμώμενος τὴν ψάμμον ὀλίγον καὶ θολερὸν ἔπινον ἐπιμόχθως. ἀθεράπευτοί τε καὶ ἄσιτοι, καὶ ἐν τοῖς ὅπλοις ἔνιοι, διενυκτέρευσαν. ὧν ὁ Σκιπίων αἰσθανόμενος προσέβαλεν ἅμα ἕξ κεκμηκόσιν ἐξ ὁδοῦ καὶ ἀγρυπνίας καὶ ἀνυδρίας. Ἀννίβας δ' ἦρχετο μὲν, οὐχ ὅτε βούλοιο συνιών ἐς μάχην, ἐώρα δὲ ὡς εἶτε μένοι κατὰ χώραν, κακοπαθήσων ὑπὸ τῆς ἀνυδρίας, εἶτε φεύγοι, τὰ φρονήματα τῶν ἐχθρῶν ἀναστήσων καὶ πολλὰ πεισόμενος ὑπ' αὐτῶν ἐπικειμένων. ὅθεν ἀναγκαῖον ἦν αὐτῷ μάχεσθαι. καὶ παρετασεν αὐτίκα ἄνδρας μὲν ἐς πεντακισμυρίους, ἐλέφαντας δὲ ὀγδοήκοντα. ἴσθη δὲ πρῶτους μὲν τοὺς ἐλέφαντας, ἐκ διαστημάτων, ἐφ' ὅλου τοῦ μετώπου, φοβερῶτατα σκευασας. καὶ ὑπ' αὐτοῖς ἦν τὸ τρίτον τῆς στρατιᾶς, Κελτοὶ καὶ Λίγυες:

τοξόται τε αὐτοῖς ἀνεμεμίχατο πάντα καὶ σφενδονῆται Μαυρούσιοι τε καὶ Γυμνήσιοι. τούτων δ' ὀπισθεν ἡ δευτέρα τάξις ἦν, Καρχηδόνιοι τε καὶ Λίβυες. τρίτοι δ' ὅσοι ἐξ Ἰταλίας εἶποντο αὐτῷ. οἷς δὴ καὶ μάλιστα, ὥς πλέον δεδιόσιν, ἐθάρρει. ἡ δ' ἵππος περὶ τὰ κέρατα ἦν.

[40] The town of Cilla was in the neighborhood and near it was a hill well adapted for a camp. Hannibal, perceiving this, sent a detachment forward to seize it and lay out a camp. Then he started and moved forward as though he were already in possession of it. Scipio having anticipated him and seized it beforehand, Hannibal was cut off in the midst of a plain without water and was engaged all night digging wells. His army, by toiling in the sand, with great difficulty obtained a little muddy water to drink, and so they passed the night without food, without care for their bodies, and some of them without removing their arms. Scipio, mindful of these things, moved against them at day-light while they were exhausted with marching, with want of sleep, and want of water. Hannibal was troubled, since he did not wish to join battle in that plight. Yet he saw that if he should remain there his army would suffer severely from want of water, while if he should retreat the enemy would take fresh courage and fall upon his rear. For these reasons it was necessary for him to fight. He speedily put in battle array about 50,000 men and eighty elephants. He placed the elephants in the front line at intervals, in order to strike terror into the enemy's ranks. Next to them he placed the third part of his army, composed of Celts and Ligurians, and mixed with them everywhere Moorish and Balearic archers and slingers. Behind these was his second line, composed of Carthaginians and Africans. The third line consisted of Italians who had followed him from their own country, in whom he placed the greatest confidence, since they had the most to apprehend from defeat. The cavalry were placed on the wings. In this way Hannibal arranged his forces.

[41] οὕτω μὲν Ἀννίβας ἐξέτασσε, Σκιπίωνι δ' ἦσαν ἀμφὶ τοὺς δισμυρίους καὶ τρισχιλίους, ἱππεῖς δ' Ἰταλῶν καὶ Ῥωμαίων χίλιοι καὶ πεντακόσιοι. συνεμάχει δὲ Μασσανάσσης ἱππεῦσι Νομάσι πολλοῖς, καὶ Δακάμας ἕτερος δυνάστης ἱππεῦσιν ἑξακοσίοις. τὸ μὲν οὖν πεζὸν ἐς τρεῖς καὶ ὁδε τάξεις ἐπέταττεν ὁμοίως Ἀννίβα, λόχους δ' ὀρθίους ἐποιεῖτο πάντα, ἵνα δι' αὐτῶν οἱ ἱππεῖς εὐχερῶς διαθείοιν. ἐρίστη δ' ἐκάστῳ λόχῳ προμάχους κατὰ μέτωπον, οἱ ξύλα παχέα διπλήχη μάλιστα, πυκνὰ καὶ τὰ πολλὰ αὐτῶν σεσιδηρωμένα, ἔμελλον ὥς καταπέλτας ἐκ χειρὸς ἐς τοὺς ἐλέφαντας ἐπιόντας ἀφήσειν. παρήγγελλτο δ' αὐτοῖς τε καὶ τοῖς ἄλλοις πεζοῖς ἐκκλίνειν τὴν ὁρμὴν τῶν θηρίων, καὶ περιθέοντας ἀκοντίζειν ἐς αὐτὰ συνεχῶς, καὶ προσπελάζοντας, ὅτε δύναιτο, ὑποτέμνειν τὰ νεῦρα. οὕτω μὲν οἱ πεζοὶ διετετάχατο τῷ Σκιπίωνι: τοὺς δ' ἱππέας τοὺς μὲν Νομαδικοὺς ἐπέστησε τοῖς κερασιν, εἰθισμένους τὴν τῶν ἐλεφάντων ὄψιν καὶ ὁδμὴν φέρειν, τοὺς δὲ Ἰταλικοὺς διὰ τὸ ἄηθες ὀπίσω πάντων, ἐτοίμους ἐπελθεῖν διὰ τῶν διαστημάτων, ὅτε τὴν πρώτην τῶν ἐλεφάντων ὁρμὴν ὑπομείναιαν οἱ πεζοί. παρ' ἑκάστον δὲ τῶν ἱππέων τῶνδε ὑπηρέτης ἦν πολλὰ ἀκόντια φέρων, οἷς ἐπενόει τὰ θηρία ἀμύνεσθαι. οὕτω μὲν

αὐτῷ καὶ ἡ ἵππος εἶχε, παρεδίδου δὲ τὸ μὲν δεξιὸν Λαίλιῳ, τὸ δὲ λαῖον Ὀκταουίῳ. ἐν δὲ τοῖς μέσοις ἦσθην αὐτός τε καὶ Ἀννίβας, κατὰ δόξαν ἀλλήλων, ἔχοντες ἀμφ' αὐτοὺς ἱππέας, ἐπικουρεῖν ὅπῃ τι πονοῦμενον ἴδοιεν, ὁ μὲν Ἀννίβας τετρακισχιλίους, ὁ δὲ Σκιπίων δισχιλίους, καὶ τοὺς τριακοσίους Ἴταλοὺς οὓς αὐτὸς ὥπλισεν ἐν Σικελίᾳ.

[41] Scipio had about 23,000 foot and 1500 Italian and Roman horse. He had as allies Masinissa with a large number of Numidian horse, and another prince, named Dacamas, with 1600 horse. He drew up his infantry, like those of Hannibal, in three lines. He placed all his cohorts in straight lines with open spaces so that the cavalry might readily pass between them. In front of each cohort he stationed men armed with heavy stakes two cubits long, mostly shod with iron, for the purpose of assailing the oncoming elephants by hand, as with catapult bolts. He ordered these and the other foot-soldiers to avoid the impetus of these beasts by turning aside and continually hurling javelins at them, and by darting around them to hamstring them whenever they could. In this way Scipio disposed his infantry. He stationed his Numidian horse on his wings because they were accustomed to the sight and smell of elephants. As the Italian horse were not so, he placed them all in the rear, ready to charge through the intervals of the foot-soldiers when the latter should have checked the first onset of the elephants. To each horseman was assigned an attendant armed with plenty of darts with which to ward off the attack of these beasts. In this way was his cavalry disposed. Lælius commanded the right wing and Octavius the left. In the middle both Hannibal and himself took their stations, out of respect for each other, each having a body of horse in order to send reënforcements wherever they might be needed. Of these Hannibal had 4000 and Scipio 2000, besides the 300 Italians whom he had armed in Sicily.

[42] ἐπεὶ δὲ ἔτοιμα ἦν αὐτοῖς, ἐπέτρεχε τοὺς ἰδίους ἐπισπέρχων ἐκάτερος, ὁ μὲν Σκιπίων τοὺς θεοὺς κατακαλῶν ἐν ὧσι τῶν στρατευομένων, ἐς οὓς οἱ Καρχηδόνιοι παρεσπονθήκεσαν ὡσάκις ἔλυνον τὰ συγκείμενα, καὶ τὴν στρατιὰν ἀξιῶν μὴ ἐς τὸ πλῆθος τῶν πολεμίων ἀφορᾶν, ἀλλ' ἐς τὴν ἀρετὴν αὐτῶν, ἥ καὶ πρότερον τῶνδε τῶν ἐχθρῶν πλειόνων ὄντων ἐπεκράτησαν ἐν τῇδε τῇ γῇ. εἰ δ' ἔστι καὶ τοῖς νικήσασιν ἐπὶ τῷ μέλλοντι φόβος ἢ δέος ἢ ἀμφιβολία, πόσῳ ταῦτα τοῖς νενικημένοις πλεονάζειν ἀνάγκη. οὕτω μὲν ὁ Σκιπίων ἠρέθιζε τε καὶ παρηγόρει τῆς ὀλιγότητος· ὁ δ' Ἀννίβας τῶν τε ἐν Ἰταλίᾳ γεγονότων ἔργων ὑπεμύνησκεν αὐτοῦς, ὡς λαμπρὰ καὶ μεγάλα πράξειαν, οὐκ ἐπὶ Νομάσιν ἀλλ' ἐπὶ πᾶσιν Ἰταλοῖς κατὰ τὴν Ἰταλίαν, καὶ τὴν ὀλιγότητα τῶν ἐχθρῶν αὐτόθεν ἐστὼς ἐπεδείκνυε, καὶ παρεκάλει μὴ χείρους ὀλιγωτέρων ἐν οἰκείᾳ γῇ πλέονας ὄντας ὀφθῆναι. τὸν δὲ κίνδυνον τοῦ παρόντος ἀγῶνος καὶ τὸ μέγεθος ἐκάτερος τοῖς ἰδίοις ὑπερεπῆρην, Ἀννίβας μὲν ὅτι Καρχηδόνα καὶ Λιβύην ἅπασαν ὁ ἀγὼν ὅδε κρινεῖ, ἢ δούλην εὐθὺς ἡσσωμένων εἶναι, ἢ ἐς τὸ ἔπειτα ἄρχειν ἀπάντων ὧν ἐπεκράτου, Σκιπίων δ' ὅτι νικωμένοις μὲν οὐδ' ἀναχώρησις ἔστιν ἀσφαλῆς, ἐπικρατοῦσι δὲ ἀρχὴ μεγάλη προσγίγνεται καὶ ἀνάπαυλα πόνων τῶν παρόντων καὶ ἐς τὰ οἰκεία

[42] When everything was ready each one rode up and down encouraging his soldiers. Scipio, in the presence of his army, invoked the gods, whom the Carthaginians had offended by their frequent violation of treaties. He told the soldiers not to think of the numbers of the enemy but of their own valor, by which aforetime these same enemies, in even greater numbers, had been overcome in this same country. If fear, anxiety, and doubt oppress those who have hitherto been victorious, how much more, he said, must these feelings weigh upon the vanquished. Thus did Scipio encourage his forces and console them for their inferiority in numbers. Hannibal reminded his men of what they had done in Italy, their great and brilliant victories won, not over Numidians, but over those who were all Italians, and throughout Italy. He pointed out, in plain sight, the smallness of the enemy's force, and exhorted them not to show themselves inferior to a less numerous body in their own country. Each general magnified to his own men the consequences of the coming engagement. Hannibal said that the battle would decide the fate of Carthage and all Africa; if vanquished, they would be enslaved forthwith, if victorious, they would have universal supremacy hereafter. Scipio said that there was no safe refuge for his men if they were vanquished, but if victorious there would be a great increase of the Roman power, a rest from their present labors, a speedy return home, and glory forever after.

[43] οὕτω παροξύνας τοὺς ἰδίους ἐκάτερος ἐς τὸν ἀγῶνα συνήεσαν, Ἀννίβας μὲν σαλπίγγων κατάρξας, Σκιπίων δ' ἀντηγεῖν κελεύσας. συνιόντων δ' αὐτῶν οἱ μὲν ἐλέφαντες κατήρχον τῆς μάχης, ἐς τὸ φοβερώτατον ἐσκευασμένοι καὶ τοῖς κέντροις ἐξοτρυνόμενοι πρὸς τῶν ἐπικαθημένων: περιθέοντες δ' αὐτοὺς οἱ Νομάδες ἱππεῖς ἐσηκόντιζον ἄθρόως, μέχρι τρωθέντας τε καὶ φεύγοντας καὶ δυσπειθῶς ἤδη ἔχοντας ἀπήγαγον ἐκ τῆς μάχης οἱ ἐπιβάται. καὶ τότε μὲν ἦν περὶ τοὺς ἀμφὶ τὰ κέρατα ἐλέφαντας: οἱ δ' ἐν μέσῃ τῇ φάλαγγι τοὺς Ῥωμαίων πεζοὺς κατεπάτουν, ἀπείρους τε μάχης τοιαύσδε ὄντας καὶ βαρεῖς ὑπὸ τῆς ὀπλίσεως, καὶ παρ' αὐτὸ φεύγειν εὐκόλως ἢ διώκειν οὐ δυναμένους, ἕως ὃ Σκιπίων τοὺς ἱππείας τοὺς Ἰταλικούς, ὀπίσω τεταγμένους καὶ κουφότερον ἐσκευασμένους, ἐπαγαγὼν ἀποβῆναι τῶν ἵππων ταρασσομένων ἐκέλευσε, καὶ τοὺς ἐλέφαντας περιθέοντας ἐσακοντίζειν. πρῶτός τε αὐτὸς ἀποβάς ἔτρωσε τὸν προπηδῶντα τῶν ἐλεφάντων. θαρρησάντων δὲ τῶν ἄλλων, καὶ τιρωσκότων ἤδη πανταχόθεν αὐτούς, καὶ οἶδε ὑπεχώρουν.

[43] Having thus exhorted their men they joined battle. Hannibal ordered the trumpet to sound, and Scipio responded in like manner. The elephants began the fight decked out in fearful panoply and urged on with goads by their riders. The Numidian horse flying around them incessantly thrust darts into them. Being wounded and put to flight and having become unmanageable, their drivers took them out of the combat. This is what happened to the elephants on both wings. Those in the centre trampled down the Roman

infantry, who were not accustomed to that kind of fighting and were not able to avoid or to pursue them easily on account of their heavy armor, until Scipio brought up the Italian cavalry, who were in the rear and more lightly armed, and ordered them to dismount from their frightened horses, and run around and stab the elephants. He was himself the first to dismount and wound the front-tramping elephant. The others were encouraged by his example, and they inflicted so many wounds upon the elephants that these also withdrew.

[44] καὶ γενομένης τῆς μάχης καθαρᾷς θηριῶν, ὁ ἀγὼν ἐγίνετο μόνων ἀνδρῶν τε καὶ ἵππων. τὸ μὲν οὖν δεξιὸν τὸ Ῥωμαίων, οὗ Λαίλιος ἐπεστάται, τρέπεται τοὺς ἐναντίους Νομάδας, Μασσανάσσου βαλόντος αὐτῶν τὸν δυνάστην Μασσάθην· ὁξέως δ' αὐτοὺς ὁ Ἀννίβας ἐπιδραμὼν συνέτασσε τὴν μάχην. τὸ δὲ λαίον, ἔνθα Ῥωμαίων μὲν Ὀκτάουιος ἐπεστάται, τῶν δὲ πολεμίων Κελτοὶ καὶ Λίγυες ἦσαν, ἐπόνει μάλα καρτερῶς ἑκατέροις. καὶ Σκιπίων μὲν ἔπεμπε Θέρμον τὸν χιλίαρχον ἐπικουρεῖν μετ' ἐπιλέκτων· Ἀννίβας δ' ἐπεὶ τὸ λαίον συνέστησεν, ἐς τοὺς Λίγυας καὶ Κελτοὺς μεθίππευεν, ἐπάγων ἅμα τὴν δευτέραν τάξιν Καρχηδονίων τε καὶ Λιβύων. κατιδὼν δ' αὐτὸν ὁ Σκιπίων ἀντιπαρῆγε μεθ' ἑτέρου στίφους. δύο δὲ στρατηγῶν ἀρίστων ἐς ἀγῶνα συνιόντων, ἕρις ἦν τῶν ὑφ' ἑκατέρῳ λαμπρὰ καὶ δέος, καὶ προθυμίας οὐδετέροις τι ἐνέλιπε, σφοδροῦ καὶ ὁξέος ὄντος πόνου τε καὶ παρακελεύσεως.

[44] The field being cleared of these beasts the battle was now waged by men and horses only. The Roman right wing, where Lælius commanded, put the opposing Numidians to flight, and Masinissa struck down their prince, Massathes, with a dart, but Hannibal quickly came to their rescue and restored the line of battle. On the left wing, where Octavius commanded and where the hostile Celts and Ligurians were stationed, a doubtful battle was going on. Scipio sent the tribune Thermus thither with a reinforcement of picked men, but Hannibal, after rallying his left wing, flew to the assistance of the Ligurians and Celts, bringing up at the same time his second line of Carthaginians and Africans. Scipio, perceiving this, brought his second line in opposition. When the two greatest generals of the world thus met, in hand to hand fight, there was, on the part of the soldiers of each, a brilliant emulation and reverence for their commanders, and no lack of zeal on either side in the way of sharp and vehement fighting and cheering.

[45] μακρᾷς δὲ καὶ ἀκρίτου τῆς μάχης οὔσης, οἱ στρατηγοὶ τοὺς κάμνοντας ἐλεοῦντες ὥρμων ἐπ' ἀλλήλους ὡς ἐν σφίσι τῆς κρίσεως ταχυτέρας ἐσομένης. καὶ ἠκόντισαν ὁμοῦ, Σκιπίων μὲν Ἀννίβου τὴν ἀσπίδα, ὁ δ' Ἀννίβας ἔτυχε τοῦ ἵππου. καὶ ὁ ἵππος ὑπὸ τῆς πληγῆς ἐξέφερεν ὀπίσω τὸν Σκιπίωνα, μέχρι περιβάς ἕτερον ἵππον αὐθις ἐς τὸν Ἀννίβαν ἠκόντισεν. ἀλλ' ἀπέτυχεν αὐτοῦ καὶ τότε, τὸν δὲ ἱππέα τὸν ἐγγὺς ἔβαλεν. ἦκε δ' ἐν τούτῳ καὶ Μασσανάσσης πυθόμενος. καὶ οἱ Ῥωμαῖοι τὸν στρατηγὸν ὀρῶντες στρατιωτικῶς σφῶν ὑπερμαχόμενον, καρτερώτερον τοῖς πολεμίοις ἐνέπεσον καὶ ἐτρέψαντο καὶ φεύγοντας ἐδίωκον· οὐδὲ παριππεύοντος αὐτοῖς τοῦ Ἀννίβου καὶ δεομένου

στῆναι καὶ τῆς μάχης αὐθις ἐς πείραν ἔλθειν ἔτι ἐπείθοντο. ἀπογνοὺς οὖν αὐτῶν ὁ Ἀννίβας τοὺς ἐξ Ἰταλίας οἱ συνελθόντας, ἐφεδρεύοντας ἔτι καὶ ἀτρεμοῦντας, ἤγεν ἐπὶ τὴν μάχην, ἐλπίσας Ῥωμαίοις ἄτε διώκουσιν ἀσυντακτοτέροις ἐπιπεσεῖσθαι. οἱ δὲ τὸ ἐνθούμημα αὐτοῦ θεασάμενοι, μετὰ σπουδῆς ἀλλήλους ἐκ τῆς διώξεως ἀνεκάλουν, καὶ συνετάσσοντο αὐθις ἐς μάχην. οὔτε δὲ ἵππων σφίσι παρόντων οὔτε ἀκοντίων ἔτι ὄντων, ξίφεσιν ἐς ἀλλήλους ἐχρῶντο καὶ συνεπλέκοντο. φόνος τε ἦν πολὺς ἐνθάδε μάλιστα καὶ τραύματα μέγιστα, καὶ πιπτόντων στόνος καὶ ἀναιρούντων μεγαλαυχία, μέχρι ποτὲ καὶ τούσδε ἐτρέψαντο οἱ Ἰταλοὶ καὶ φεύγουσιν εἶποντο, κρίσις τε ἦν λαμπρὰ τοῦ πολέμου.

[45] As the battle was long and undecided, the two generals had compassion on their tired soldiers, and rushed upon each other in order to bring it to a more speedy decision. They threw their javelins at the same time. Scipio pierced Hannibal's shield. Hannibal hit Scipio's horse. The horse, smarting from the wound, threw Scipio over backwards. He quickly mounted another and again hurled a dart at Hannibal, but missed him and struck another horseman near him. At this juncture, Masinissa, hearing of the crisis, came up, and the Romans seeing their general not only serving as a commander but fighting also as a common soldier, fell upon the enemy more vehemently than before, routed them, and pursued them in flight. Nor could Hannibal, who rode by the side of his men and besought them to make a stand and renew the battle, prevail upon them to do so. Therefore, despairing of these, he turned to the Italians who had come with him, and who were still in reserve and not demoralized. These he led into the fight, hoping to fall upon the Romans in disorderly pursuit. But they perceived his intention, and speedily called one another back from the pursuit and restored the line of battle. As their horse were no longer with them and they were destitute of missiles, they now fought sword in hand in close combat. Great slaughter ensued and innumerable wounds, mingled with the shouts of the combatants and the groans of the dying, until, finally, the Romans routed these also and put them to flight. Such was the brilliant issue of this engagement.

[46] καὶ ὁ Ἀννίβας ἐν τῇ φυγῇ θεασάμενος ἱππέων Νομάδων πλῆθος συνεστῶς, προσδραμὼν ἡξίου μὴ προλιπεῖν αὐτόν, καὶ πείσας ἐπῆγε τοῖς διώκουσιν, ἐλπίσας ἐργάσεσθαι τινα παλινδιώξιν. πρώτοις δὲ Μασσυλίοις ἐντυχὼν ἐμάχετο, καὶ μόνος ἦν ἔτι οὗτος ὁ ἀγὼν Μασσανάσσου καὶ Ἀννίβου συνεστῶτων. φερομένων δὲ καὶ τῶνδε ἐπ' ἀλλήλους ὑπὸ προθυμίας, ἐς μὲν τὴν ἀσπίδα ὁ Μασσανάσσης ἠκόντισε βαλὼν, ὁ δὲ Ἀννίβας καὶ τότε ἔτυχε τοῦ ἵππου. καὶ ὁ Μασσανάσσης ἐκπεσὼν πεζὸς ἐπὶ τὸν Ἀννίβαν ὥρμα, τὸν τε ἐπελαύνοντά οἱ πρὸ τῶν ἄλλων ἱπέα βαλὼν ἀπέκτεινεν. καὶ τῶν λοιπῶν τὰ ἀκόντια ἐς τὸν ἐλεφαντιστὴν ἐκδεχόμενος, ἐν τῶν ἐμπεπηγότων ἐξεῖλε, καὶ ἀκοντίσας ἐς τὸν Ἀννίβαν αὐθις οὐδ' ὥς ἐπετύγχανεν, ἀλλὰ τὸν ἐγγὺς ἱπέα καὶ ὁδε ἀπέκτεινεν. ἕτερον δ' ἐξέλκων ἐς τὸν βραχίονα ἐτρώθη, καὶ ὑπεχώρησεν ἐκ τῆς μάχης ἐπ' ὀλίγον. Σκιπίων δὲ πυθόμενος ἔδεισε περὶ τοῦ

Μασσανάσση, καὶ ἐς τὸ ἔργον ἠπείγετο· καὶ ἤρρε τὸν Μασσανάσσην ἐς τὴν μάχην αὐθις ἐπὶ ἵππου φερόμενον ἐτέρου, τὸ τραῦμα ἐπιδήσαντα. ὃ τε ἀγὼν ἦν ἴσος αὐθις αὐτοῖς καὶ πάνυ καρτερός, αἰδουμένων τοὺς στρατηγούς ἐκατέρων, ἕως ὃ Ἀννίβας ἐπὶ τινος λόφου θεασάμενος Ἴβηρας καὶ Κελτοὺς συνεστῶτας ἐξίππευσεν ὡς κἀκείνους ἐπάξων. τότε γὰρ οἱ μαχόμενοι, τῆς μὲν αἰτίας οὐ συνιέντες, τὴν δ' ἀποχώρησιν αὐτοῦ φυγὴν ὑπολαβόντες εἶναι, τὸν ἀγῶνα μεθῆκαν ἐκόντες καὶ ἔφυγον ἀκόσμως, οὐχ ἥπερ ἐώρων Ἀννίβαν, ἀλλ' ὅπη τύχοιεν ἕκαστοι. καὶ οἱ μὲν οὕτω διελύθησαν, Ῥωμαῖοι δ' αὐτούς, ὡς τετελεσμένης τῆς μάχης, ἐδίωκον ἀτάκτως, οὐδ' αὐτοὶ τῆς Ἀννίβου προαιρέσεως συνιέντες.

[46] Hannibal in his flight seeing a mass of Numidian horse collected together, ran up and besought them not to desert him. Having secured their promise, he led them against the pursuers, hoping still to turn the tide of battle. The first whom he encountered were the Massylians, and now a single combat between Masinissa and Hannibal took place. Rushing fiercely upon each other, Masinissa drove his spear into Hannibal's shield, and Hannibal wounded his antagonist's horse. Masinissa, being thrown, sprang towards Hannibal on foot, and struck and killed a horseman who was advancing towards him in front of the others. At the same time he received in his shield — made of elephant's hide — several darts, one of which he pulled out and hurled at Hannibal; but, as it happened, it struck another horseman who was near and killed him. While he was pulling out another, he was wounded in the arm, and withdrew from the fight for a brief space. When Scipio learned this, he feared for Masinissa and hastened to his relief, but he found that the latter had bound up his wound and returned to the fight on a fresh horse. Thus the battle continued doubtful and very severe, the soldiers on either side having the utmost reverence for their commanders, until Hannibal, discovering a body of Spanish and Celtic troops on a hill near by, dashed over to them to bring them into the fight. Those who were still engaged, not knowing the cause of his going, thought that he had fled. Accordingly, they abandoned the fight of their own accord and broke into disorderly rout, not following after Hannibal, but helter skelter. This band having been dispersed, the Romans thought that the fight was over and pursued them in a disorderly way, not perceiving Hannibal's purpose.

[47] ὁ δ' ἐπανάηι πεφραγμένος Ἴβηρσι καὶ Κελτοῖς ἀπὸ τοῦ λόφου. καὶ ὁ Σκιπίων αὐθις ἐκ τῆς διώξεως τοὺς Ῥωμαίους ἀνεκάλει μετὰ σπουδῆς, καὶ παρέτασσε πολὺ πλείονας τῶν ἀπὸ τοῦ λόφου καταβεβηκότων· ὅθεν αὐτῶν οὐ δυσχερῶς περιεγίγνετο. Ἀννίβας δὲ καὶ τῆσδε τῆς πείρας τελευταίας γενομένης ἀποτυχόν, ἔφευγεν ἤδη σαφῶς ἀπογνοὺς ἅπαντα. καὶ αὐτὸν ἐδίωκον ἱππεῖς ἄλλοι τε πολλοὶ καὶ Μασσανάσσης, περιώδυνος ὢν ἐκ τοῦ τραύματος, αἰεὶ τε πλησιάζων, καὶ μέγα ποιούμενος αἰχμάλωτον Ἀννίβαν ἀγαγεῖν Σκιπίωνι. τὸν δὲ νῦν ἐρρύσατο, καὶ σκότιος μετ' εἴκοσιν ἱππέων, τῶν δυνηθέντων σὺν αὐτῷ συνανύσαι τὸν δρόμον, ἐς πόλιν κατέφυγεν ἥ ὄνομα

Θῶν, ἔνθα Βρεττίων ἔγνω καὶ Ἰβήρων ἱππέας πολλοὺς ἀπὸ τῆς ἥτης συμπεφευγότας. δείσας οὖν περὶ μὲν τῶν Ἰβήρων ὡς βαρβάρων ταχυέργων, περὶ δὲ Βρεττίων ὡς Ἰταλῶν ὁμοεθνῶν Σκιπίωνι, μὴ ἐς συγγνώμην ὦν ἐξήμαρτον ἐς τὴν Ἰταλίαν, προσαγάγωσιν αὐτὸν τῷ Σκιπίωνι, λαθὼν ἐξέφυγε μεθ' ἑνὸς ἱππέως, ὃ μάλιστα ἐπίστευεν. σταδίους δ' ἀνύσας ἐς τρισχιλίους δύο νυξί τε καὶ ἡμέραις, ἤκεν ἐς πόλιν ἐπὶ θαλάσσης Ἀδρυμητόν, ἔνθα τι μέρος ἦν αὐτῷ στρατιᾶς σιτοφυλακοῦν. περιπέμπων δ' ἐς τὰ πλησίον, καὶ τοὺς ἐκ τῆς μάχης διαφυγόντας ἀναλαμβάνων, ὅπλα καὶ μηχανήματα εἰργάζετο.

[47] Presently Hannibal returned accompanied by the Spanish and Celtic troops from the hill. Scipio hastened to recall the Romans from the pursuit, and formed a new line of battle much stronger than those who were coming against him, by which means he overcame them without difficulty. When this last effort had failed, Hannibal despaired utterly, and fled in plain sight. Many horsemen pursued him, and among others Masinissa, although suffering from his wound, pressed him hard, striving eagerly to take him prisoner and deliver him to Scipio. But night came to his rescue and under cover of darkness, with twenty horsemen who had alone been able to keep pace with him, he took refuge in a town named Thon. Here he found many Bruttian and Spanish horsemen who had fled after the defeat. Fearing the Spaniards because they were fickle barbarians, and apprehending that the Bruttians, as they were Scipio's countrymen, might deliver him up in order to secure pardon for their transgression against Italy, he fled secretly with one horseman in whom he had full confidence. Having accomplished about 3000 stades in two nights and days, he arrived at the seaport of Hadrumetum, where a part of his army had been left to guard his supplies. Here he began to collect forces from the adjacent country and from those who had escaped from the recent engagement, and to prepare arms and engines of war.

CHAPTER VIII

*Spoils of the Victory — An Embassy to Scipio — Speech of Hasdrubal Eriphus
— Scipio's Reply — Scipio's Conditions of Peace*

[48] Σκιπίων δε νίκην ἀρίστην νενικηκώς, τὰ μὲν ἄχρηστα τῆς λείας ἐνεπιμπρη διαζωσάμενος αὐτός, ὥσπερ εἰώθασι Ῥωμαίων οἱ στρατηγοί, χρυσίου δ' ἐς Ῥώμην τάλαντα δέκα καὶ ἀργυρίου δισχίλια καὶ πεντακόσια καὶ ἐλέφαντα εἰργασμένον καὶ τοὺς ἐπιφανεῖς τῶν αἰχμαλώτων ἔπεμπε, καὶ Λαίλιον ἐξαγγελοῦντα περὶ τῆς νίκης, ἐπὶ νεῶν . . , τὰ δὲ λοιπὰ ἀποδόμενος τὴν τιμὴν ἐπιδιέειλε τῷ στρατῷ, καὶ δῶρα τοῖς ἀριστεύουσιν ἐδίδου, καὶ Μασσανάσσην ἐστεφάνου καὶ τότε. καὶ τὰς πόλεις ἐπιὼν ἐχειροῦτο. τὸ μὲν δὴ τέλος τῆς Ἀννίβου τε καὶ Σκιπίωνος ἐν Λιβύῃ μάχης, τότε πρῶτον ἀλλήλοις ἐς χεῖρας ἐλθόντων, τοῦτ' ἦν, ἀπέθανον δὲ Ῥωμαίων μὲν δισχίλιοι καὶ πεντακόσιοι, Μασσανάσσου δ' ἔτι πλείονες, καὶ τῶν πολέμιων δισμῦριοι καὶ πεντακισχίλιοι. αἰχμάλωτοι δ' ἐλήφθησαν ὀκτακισχίλιοι καὶ πεντακόσιοι. καὶ Ἴβηρες ἡττομόλησαν πρὸς Σκιπίωνα τριακόσιοι, καὶ Νομάδες πρὸς Μασσανάσσην ὀκτακόσιοι.

[48] Now Scipio, having gained this splendid victory, girded himself as for a sacrifice and burned the less valuable spoils of the enemy, as is the custom of the Roman generals. He sent to Rome ten talents of gold, 2500 talents of silver, a quantity of carved ivory, and many distinguished captives in ships, and Lælius to carry news of the victory. The remainder of the spoils he sold, and divided the proceeds among the troops. He also made presents for distinguished valor, and crowned Masinissa again. He also sent out expeditions and gathered in more cities. Such was the result of the engagement between Hannibal and Scipio, who here met in combat for the first time. The Roman loss was 2500 men, that of Masinissa rather more. That of the enemy was 25,000 killed, and 8500 taken prisoners. Three hundred Spaniards deserted to Scipio, and 800 Numidians to Masinissa.

[49] οὐπω δὲ οὔτε Καρχηδόνιοι τῶνδε οὔτε Ῥωμαῖοι πυθόμενοι, οἱ μὲν ἐπέστελλον Μάγωνι, ξενολογοῦντι ἔτι Κελτοῦς, ἐσβαλεῖν ἐς τὴν Ἰταλίαν, εἰ δύναίτο, ἢ ἐς Λιβύην μετὰ τῶν μισθοφόρων καταπλεῦσαι, οἱ δέ, τῶνδε τῶν γραμμάτων ἀλόντων καὶ ἐς Ῥώμην κοιμισθέντων, στρατιὰν ἄλλην καὶ ἵππους καὶ ναῦς καὶ χρήματα ἔπεμπον τῷ Σκιπίωνι. ὁ δὲ ἤδη τῇ Καρχηδόνι κατὰ μὲν τὴν γῆν ἐπέπεμπεν Ὀκτάουιον, ταῖς δὲ ναυσὶν αὐτὸς ἐπέπλει. καὶ οἱ Καρχηδόνιοι τὴν ἦσαν Ἀννίβου πυθόμενοι, πρέσβεις ἐπὶ κελητίου προσέπεμπον τῷ Σκιπίωνι, ὃν ἡγοῦντο Ἄννων τε ὁ μέγας λεγόμενος καὶ Ἀσδρούβας ὁ ἔριφος· οἱ τὸ κηρύκειον ὑψηλὸν ἔστησαν ἐπὶ τῆς πύραρας, καὶ τὰς χεῖρας ὠρεγον ἐς τὸν Σκιπίωνα ἱκετῶν τρόπον. ὁ δὲ αὐτοὺς ἐκέλευσεν ἥκειν ἐς τὸ στρατόπεδον καὶ ἐλθοῦσιν ἐφ' ὑψηλοῦ προκαθήμενος ἐχρημάτιζεν. οἱ δὲ μετ' οἰμωγῆς ἑαυτοὺς ἐρρίπτουν ἐς τὸ ἔδαφος, καὶ τῶν

ὕπηρετῶν ἀνιστάντων καὶ λέγειν κελεύοντων ὃ τι θέλοιεν, Ἀσδρούβας ὁ ἔριφος εἶπεν:

[49] Before the news reached either Carthage or Rome, the former sent word to Mago, who was collecting Gallic mercenaries, to invade Italy if possible, and if not, to set sail with his forces for Africa. These letters being intercepted and brought to Rome, another army, together with horses, ships, and money, was despatched to Scipio. The latter had already sent Octavius by the land route to Carthage, and was going thither himself with his fleet. When the Carthaginians learned of Hannibal's defeat they sent ambassadors to Scipio on a small fast-sailing ship, of whom the principal ones were Hanno the Great and Hasdrubal Eriphus, who bore a herald's staff aloft on the prow and stretched out their hands toward Scipio in the manner of suppliants. He directed them to come to the camp, and when they had arrived he attended to their business in high state. They threw themselves on the ground weeping, and when the attendants had lifted them up and bade them say what they wished, Hasdrubal Eriphus spoke as follows:

[50]

ἐμοὶ μὲν ἔστιν, ὃ Ῥωμαῖοι, καὶ Ἄννωνι τῷδε, καὶ ὅσοι Καρχηδονίων ἔμφορες, καθαρεῦναι ἀμαρτημάτων ὧν ἡμῖν ἐπικαλεῖτε: τοὺς γὰρ πρέσβεις ὑμῶν, ἐς οὓς ἐξήμαρτεν ἡ πατρίς ἄκουσα ὑπὸ λιμοῦ, περιεσώζομεν καὶ πρὸς ὑμᾶς ἐπέμπομεν. χρή δ' ὑμᾶς μηδὲ Καρχηδονίων καταγινώσκειν ἀπάντων, οἳ γε τὴν εἰρήνην καὶ πρότερον ἤτησαν καὶ λαβόντες προθύμως ὤμνουν. εἰσὶ δ' αἱ πόλεις ἐπὶ τὸ χεῖρον εὐεπίστρεπτοι, καὶ τὸ πρὸς χάριν αἰ παρὰ τοῖς πληθέσιν ἐπικρατεῖ. ἃ καὶ ἡμεῖς ἐπάθομεν, οὔτε πείσαι δυνηθέντες τὸ πλῆθος οὔτ' ἐπισχεῖν διὰ τοὺς ἐκεῖ μὲν διαβάλλοντας ἡμᾶς, παρὰ δὲ ὑμῖν τὴν παρρησίαν ἀφηρημένους. μὴ δὴ ἀπὸ τῆς ὑμετέρας εὐπειθείας ἢ εὐβουλίας, ὧ Ῥωμαῖοι, τὰ παρ' ἡμῖν κρίνετε, ἀλλ' εἴ τῳ καὶ τὸ πεισθῆναι τοι ᾧ ἐπιτρίβουσιν ἀδίκημα εἶναι δοκεῖ, τὸν λιμὸν ἐπίδεσθε, καὶ τὴν ἀνάγκην ἣ γέγονεν ἡμῖν ὑπὸ τοῦ πάθους. οὐ γὰρ δὴ τῶν αὐτῶν ἔργον ἐκούσιον ἦν ἄρτι μὲν περὶ εἰρήνης παρακαλεῖν, καὶ χρήματα τοσαῦτα διδόναι, καὶ τῶν νεῶν τῶν μακρῶν πλὴν ὀλίγων ἀφίστασθαι, καὶ τὸ πολὺ τῆς ἀρχῆς ὑμῖν παριέναι, καὶ περὶ τῶνδε ὁμνῦναι τε καὶ ὀρκοῦν πέμπαντας ἐς Ῥωμὴν, ἔτι δ' ὄντων τῶν ἡμετέρων πρέσβεων παρ' ὑμῖν ἐκόντας ἀμαρτεῖν. ἀλλὰ μάλιστα μὲν θεῶν τις ἔβλαψε, καὶ ὁ χειμὼν ὁ τὴν ἀγορὰν ὑμῶν ἐς Καρχηδόνα καταγαγών: ἐπὶ δὲ τῷ χειμῶνι ὁ λιμὸς ἡμᾶς ἀφείλετο μὴ καλῶς ὑπὲρ τῶν ἀλλοτρίων φρονήσαι, πάντων ἐνδεεῖς ὄντας. οὐδὲ λογισμὸν αἰτεῖν ἄξιον παρὰ πλῆθους ἀσυντάκτου καὶ ἀτυχοῦντος.

[50] "For myself, Romans, and for Hanno here, and for all sensible Carthaginians, let me say that we are guiltless of the wrongs which you lay at our door. For when the same men, driven by hunger, did violence to your legates, we rescued them and sent them back to you. You ought not to condemn all the people of Carthage who so recently sought peace, and when it

was granted eagerly took the oath to support it. But cities are easily swayed to their hurt, because the masses are always controlled by what is pleasing to their ears. We have had experience of these things, having been unable either to persuade or to restrain the multitude by reason of those who slandered us at home and who have prevented us from making ourselves understood by you. Romans, do not judge us by the standard of your own discipline and good counsel. If any one esteems it a crime to have yielded to the persuasions of these rabble-rousers, consider the hunger and the necessity that was upon us by reason of suffering. For it could not have been a deliberate intention on the part of our people, first to ask for peace, and give such a large sum of money to obtain it, and deliver up all their galleys except a few, and surrender the bulk of their territory, swear to these things, and send an embassy to Rome with the ratifications, and then wantonly to violate the agreement before our embassy had returned. Surely some god misled them and the tempest that drove your supplies into Carthage; and besides the tempest, hunger carried us away, for people who are in want of everything do not form the best judgments respecting other people's property. It would not be reasonable to punish with severity a multitude of men so disorganized and unfortunate.

[51] εἰ δὲ καὶ ὥς ἀδικεῖν ὑμῖν δοκοῦμεν, οὐκ ἀτυχεῖν, ὁμολογοῦμεν, καὶ δι' αὐτὸ καὶ παρακαλοῦμεν. ἔστι δὲ τῶν μὲν οὐδὲν ἁμαρτόντων δικαιολογία, τῶν δ' ἁμαρτόντων παράκλησις. ἐφ' ἣ ταχύτερός ἐστιν ὁ τῶν εὐτυχοῦντων ἔλεος, τὰ ἀνθρώπεια ὑφορωμένων, ὅταν αἰσθωνταὶ διὰ τὰς αἰφνιδίους μεταβολὰς παρακαλοῦντας τοὺς ἐχθρὸς ἀδικεῖν δυναμένους. οἷα καὶ ἡ Καρχηδονίων πόλις, ἡ τῆς Λιβύης μεγίστη καὶ δυνατωτάτη ναυσὶ καὶ χρήμασιν ὁμοῦ καὶ ἐλέφασσι καὶ στρατῷ πεζῷ τε καὶ ἵππικῷ, καὶ ὑπηκόοις πολλοῖς, ἑπτακοσίοις ἔτεσιν ἀνθήσασα, καὶ Λιβύης πάσης καὶ ἄλλων ἐθνῶν καὶ νήσων καὶ θαλάσσης τοσσηδε ἄρξασα, καὶ ὑμῖν αὐτοῖς ἐς ἀμφήριστον ἐπὶ πλεῖστον ἐλθοῦσα, νῦν οὐκ ἐν τῇ θαλάσσῃ καὶ ταῖς ναυσίν, οὐδ' ἐν τοῖς ἐλέφασσι καὶ ἵπποις, οὐδ' ἐν τοῖς ὑπηκόοις, ὧν πάντων ὑμῖν ἀφίσταται, τὴν ἐλπίδα τῆς σωτηρίας, ἀλλ' ἐν αὐτοῖς ὑμῖν ἔχει τοῖς προπεπονητόσι κακῶς. ἂν χρή θεωροῦντας ὑμᾶς, καὶ τὴν ἐπ' αὐτοῖς νέμεσιν φυλασσομένους, μετριοπαθῶς χρῆσθαι ταῖς εὐπραξίαις, καὶ τῆς σφετέρως αὐτῶν, ᾧ Ῥωμαῖοι, μεγαλοφροσύνης καὶ τῆς Καρχηδονίων ποτὲ τύχης ἄξια πράσσειν, τὰς τε τοῦ δαιμονίου μεταβολὰς ἀνεπιφθόνως ἐν ταῖς ἡμετέραις συμφοραῖς διατίθεσθαι, ἵνα καὶ πρὸς τοὺς θεοὺς ἀναμάρτητα ἦ τὰ ὑμέτερα ὑμῖν, καὶ πρὸς ἀνθρώπους ἀξίεπαινα πάντας.

[51] "But if you consider us more guilty than unfortunate, we confess our fault and ask pardon for it. Justification belongs to the innocent, entreaty to those who have offended. And much more readily will the fortunate extend pity to others, when they observe the mutability of human affairs, and see people craving mercy to-day who yesterday were carrying things with a high hand. Such is the condition of Carthage, the greatest and most powerful city of Africa, in ships and money, in elephants, in infantry and cavalry, and in subject peoples, which has flourished 700 years and held sway over all Africa

and so many other nations, islands, and seas, standing for the greater part of this time on an equality with yourselves, but which now places her hope of safety not in her dominion of the sea, her ships, her horses, her subjects (all of which have passed over to you), but in you, whom we have heretofore shamefully treated. Contemplating these facts, Romans, it is fit that you should beware of the Nemesis which has come upon them and should use your good fortune mercifully, to do deeds worthy of your own magnanimity and of the former fortunes of Carthage, and to deal with the changes which Providence has ordered in our affairs without reproach, so that your conduct may be blameless before the gods and win the praises of all mankind.

[52] οὐ γὰρ δὴ μὴ μετάθωνται γε καὶ νῦν οἱ Καρχηδόνιοι δέος ἔστιν, οἱ τοσήνδε μετάνοιαν καὶ δίκην τῆς πρὶν ἀγνωμοσύνης ὑφίστανται. ἔστι δ' ἀναμαρτησίας τοῖς μὲν σώφροσιν ἢ εὐβουλία φυλακή, τοῖς δ' ἁμαρτοῦσι τὸ προπαθεῖν καὶ μεταγῶναι. βεβαιότερους τε εἰκός ἐστι τοὺς νενουθετημένους εἶναι τῶν ἀπειράτων. οὐδ' ἄξιον Καρχηδονίοις ὑμᾶς ὁμότητες καὶ ἁμαρτίαν ἐπικαλοῦντας ταῦτα μιμεῖσθαι· τοῖς μὲν γὰρ ἀτυχοῦσιν ἐτέρων ἁμαρτημάτων ἄρχουσιν ὑπὸ τῆς ἀπορίας αἱ συμφοραί, τοῖς δ' εὖ πράσσουσιν ἐν ἐξουσίᾳ τὸ φιλάνθρωπόν ἐστιν. οὐδ' εὐκλέες, οὐδὲ συμφέρον ἐς τὴν ἀρχὴν ὑμῖν ἐστὶ πόλιν τοσήνδε καθαιρεῖν μᾶλλον ἢ περισώζειν. ἐστὲ δὲ ἀμείνονες μὲν ὑμεῖς τῶν ὑμετέρων συμφερόντων κριταί, ἡμεῖς δ' ὑμῖν ἐς τὴν ἑαυτῶν σωτηρίαν δύο ταῦτα μάλιστα φέρομεν ἐκ πάντων, τὸ τῆς Καρχηδονίων ποτὲ ἀξίωμα ἀρχῆς, καὶ τὴν ὑμετέραν αὐτῶν ἐς πάντα μετριοπάθειαν, ἢ μετὰ τῶν ὀπλῶν ἐς τοσοῦτον ὑμᾶς ἐπῆρεν ἀρχῆς καὶ δυνάμεως. τίσι δὲ συνθήκαις, ἂν ἄρα διδῶτε τὴν εἰρήνην, χρῆσόμεθα περὶ αὐτῆς, περισσὸν λέγειν τοὺς ἐφ' ὑμῖν τὰ ἑαυτῶν τιθεμένους.

[52] “There need be no fear that the Carthaginians will change their minds again, after being subjected to such repentance and punishment for their past folly. Wise men are prevented from wrong-doing by their wisdom, the wicked by their suffering and repentance. It is reasonable to suppose that those who have been chastised will be more trusty than those who have not had such experience. Be careful that you do not imitate the cruelty and the sinfulness that you lay at the door of the Carthaginians. The misfortunes of the miserable are the source of fresh transgressions arising from poverty. To the fortunate the opportunity for clemency exists in the abundance of their means. It will be neither to the glory nor to the advantage of your government to destroy so great a city as ours, instead of preserving it. Still, you are the better judges of your own interests. For our safety we rely on these two things: the ancient dignity of the city of Carthage and your well-known moderation, which, together with your arms, has raised you to so great dominion and power. We must accept peace on whatever terms you grant. It is needless to say that we place everything in your hands.”

[53] τοσαῦτ' εἰπὼν ὁ ἔριφος ἐπέκλαυσεν. ὁ δὲ Σκιπίων μεταστησάμενος αὐτοῦς

ἐβουλεύετο μετὰ τῶν ἀρίστων ἐπὶ πολὺ. ὥς δ' ἔκρινεν, ἐσκαλέσας αὐτοὺς ἔλεγεν ὧδε:

ἐστὲ μὲν οὐδεμιᾶς συγγνώμης ἄξιοι, πολλάκις ἐς σπονδὰς ἡμῶν ὑβρίσαντες, καὶ τὰ τελευταῖα νῦν καὶ ἐς πρεσβείας ἀμαρτόντες οὕτω φανερώς καὶ ἀθεμίτως ὥς μήτε ἐξαρνεῖσθαι μήτε ἀντιλέγειν ὅτι μὴ τῆς ἐσχάτης ἐστὲ τιμωρίας ἄξιοι. τί δὲ δεῖ κατηγορεῖν τῶν ὁμολογούντων; ἐς ἱκεσίας καταφεύγετε οἱ μὴδ' ὄνομα Ῥωμαίων ὑπολιπόντες ἄν, εἰ ὑμεῖς ἐκρατήσατε. ἀλλ' ἡμεῖς μὲν οὐδέ ποθ' ὑμῖν ὅμοια ποιήσομεν, ἐπεὶ καὶ τοὺς πρέσβεις ὑμῶν, ἔτι ὄντας ἐν Ῥώμῃ, παρεσπονδηκότων ὑμῶν καὶ ἐς πρέσβεις ἀμαρτόντων, ἢ τε πόλις ἀπέλυσε, κἀγὼ καταθέντας ἐς τὸ στρατόπεδον πρὸς ὑμᾶς ἤδη πολεμοῦντας ἀπέπεμψα ἀπαθεῖς. χρηὶ δ' ὑμᾶς καταγιγνώσκοντας αὐτῶν, ὅ τι ἂν λάβητε, κέρδος ἡγεῖσθαι. λέξω δ' ἃ μοι δοκεῖ, καὶ ἡ σύγκλητος ἐπιψηφιεῖ ἃ ἂν δοκιμάσῃ.

[53] At the conclusion of his speech Eriphus burst into tears. Then Scipio dismissed them and consulted with his officers a long time. After he had come to a decision, he called the Carthaginian envoys back and addressed them thus: "You do not deserve pardon, you who have so often violated your treaties with us, and only lately abused our envoys in such a public and heaven-defying manner that you can neither excuse yourselves nor deny that you are worthy of the severest punishment. But what is the use of accusing those who confess? And now you take refuge in prayers, you who would have wiped out the very name of Rome if you had conquered. We did not imitate your bad example. When your ambassadors were at Rome, although you had violated the agreement and maltreated our envoys, the city allowed them to go free, and when they were driven into my camp, although the war had been recommenced, I sent them back to you unharmed. Now that you have condemned yourselves, you may consider whatever terms are granted to you in the light of a gain. I will tell you what my views are, and our Senate will vote upon them as it shall think best.

[54] δίδομεν ὑμῖν καὶ ἔτι τὴν εἰρήνην, ὧ Καρχηδόνιοι, ἣν τάς τε ναῦς τὰς μακρὰς παραδιδώτε Ῥωμαίοις χωρὶς δέκα μόνων, καὶ τοὺς ἐλέφαντας ὅσους ἔχετε, καὶ ὅσα ἡρπάσατε πρόφην, ἢ τῶν ἀπολωλότων τιμὴν, ἐμοῦ τὰ ἀμφίβολα κρίνοντος, καὶ αἰχμάλωτα πάντα καὶ αὐτομόλους, καὶ ὅσους Ἀννίβας ἐξ Ἰταλίας ἤγαγεν. ταῦτα μὲν ἐν τριάκοντα ἡμέραις ἀφ' οὗ ἂν ἡ εἰρήνη κριθῇ: ἐν δ' ἐξήκοντα ἡμέραις Μάγωνα χρηὶ Λιγύων ἀποστῆναι, καὶ τὰς φρουράς ὑμᾶς ἐξαγαγεῖν ἐκ τῶν πόλεων ὅσαι τῶν Φοινικίδων τάφρων ἐκτός εἰσι, καὶ ὅσα αὐτῶν ἔχετε ὄμηρα, ἀποδοῦναι, καὶ ἐς Ῥώμην ἐκάστου ἔτους ἀναφέρειν Εὐβοϊκὰ τάλαντα διακόσια ἐπὶ πεντήκοντα ἐνιαυτούς. καὶ μήτε ξενολογεῖν ἀπὸ Κελτῶν ἢ Λιγύων ἔτι, μήτε Μασσανάσση μηδὲ ἄλλῳ Ῥωμαίων φίλῳ πολεμεῖν, μηδὲ στρατεύειν τινὰ Καρχηδονίων ἐπ' ἐκείνους ἀπὸ γε τοῦ κοινοῦ. τὴν δὲ πόλιν ὑμᾶς ἔχειν, καὶ τὴν χώραν ὅσῃν ἐντὸς τῶν Φοινικίδων τάφρων εἴχετε ἐμοῦ διαπλέοντος ἐς Λιβύην. Ῥωμαίων τε εἶναι φίλους καὶ συμμάχους

κατὰ γῆν καὶ κατὰ θάλασσαν, ἣν ἀρέσκη ταῦτα τῇ βουλῇ. ἀρεσάντων δέ, Ῥωμαίους ἀναχωρεῖν ἐκ Λιβύης πεντήκοντα καὶ ἑκατὸν ἡμέραις. ἀνοχὰς δὲ ἦν ἐθέλητε λαβεῖν ἔστε πρεσβεύσητε ἐς Ῥώμην, δώσετε μὲν ἡμῖν αὐτίκα ὄμηρα πεντήκοντα καὶ ἑκατὸν παιῖδας, οὓς ἂν αὐτὸς ἐπιλέξωμαι, δώσετε δὲ ἐς δαπάνην τῇ στρατιᾷ ἄλλα τάλαντα χίλια καὶ ἀγοράν. καὶ γενομένων τῶν σπονδῶν ἀπολήψεσθε τὰ ὄμηρα.

[54] “We will yet grant you peace, Carthaginians, on condition that you surrender to the Romans all your warships except ten, all your elephants, the plunder you have lately taken from us, or the value of what has been lost, of which I shall be the judge, all prisoners and deserters and those whom Hannibal led from Italy. These conditions to be fulfilled within thirty days after peace is declared. Mago to depart from Liguria within sixty days, and your garrisons to be withdrawn from all cities beyond the Phœnician trenches and their hostages to be surrendered. You to pay to Rome the sum of 250 Euboïc talents per annum for fifty years. You shall not recruit mercenaries from the Celts or the Ligurians, nor wage war against Masinissa or any other friend of Rome, nor permit any Carthaginians to serve against them with consent of your people. You to retain your city and as much territory inside the Phœnician trenches as you had when I sailed for Africa. You to remain friends of Rome and be her allies on land and sea; all this, if the Senate please, in which case the Romans will evacuate Africa within 150 days. If you desire an armistice until you can send ambassadors to Rome, you shall forthwith give us 150 of your children as hostages whom I shall choose. You shall also give 1000 talents in addition for the pay of my army, and provisions likewise. When the treaty is ratified we will release your hostages.”

[55] ταῦτα τοῦ Σκιπίωνος εἰπόντος οἱ μὲν πρέσβεις ἔφερον ἐς Καρχηδόνα τοὺς λόγους, συνιόντος δὲ τοῦ πλήθους ἐς ἐκκλησίαν ἐπὶ πολλὰς ἡμέρας, τοῖς μὲν ἀρίστοις ἐδόκει τὰ προτεινόμενα δέξασθαι καὶ μὴ περὶ τινῶν ἀπειθοῦντας κινδυνεύειν περὶ πάντων, τὸ δ' ἄγοραῖον πλῆθος οὐ τὸ παρὸν δεινὸν ἐκλογιζόμενοι μᾶλλον ἢ τὴν ἀφαίρεσιν ὧν ἔχουσι, τοσήνδε οὔσαν, ἡπείθουν, καὶ ἡγανάκτουν εἰ ἐν λιμῷ τὸν σῖτον οἱ ἄρχοντες αἰροῦνται Ῥωμαίοις ἀντὶ τῶν πολιτῶν ἐς τὰς ἀνοχὰς παρασχεῖν, ἐφ' ἑκαστόν τε αὐτῶν συνιστάμενοι πᾶσιν ἡπείλουν τὰς οἰκίας αὐτῶν διαρπάσειν καὶ καταπρήσειν. τέλος δ' ἔγνωσαν Ἀννίβαν, ἔχοντα μὲν ἤδη πεζοὺς ἑξακισχιλίους ἱππέας δὲ πεντακοσίους, σταθμεύοντα δ' ἐν πόλει Μαρθαμά, σύμβουλον ἐπὶ τοῖς παροῦσι καλεῖν. ὁ δ' ἦκε, καὶ τῶν μετρίων δεδιότων μὴ φιλοπόλεμος ἀνὴρ ἐπιτρίψῃ τὸ πλῆθος, πάνυ σεμνῶς ἐκέλευε τὴν εἰρήνην δέχεσθαι. ὁ δὲ δῆμος καὶ τόνδε ὑπ' ὀργῆς μανιώδους ἐβλασφήμει καὶ πᾶσιν ἡπεῖλει, μέχρι τῶν γνωρίμων τοὺς μὲν ἐς Μασσανάσσην καταφυγεῖν, τοὺς δὲ ἐς αὐτοὺς Ῥωμαίους αὐτομολῆσαι, τῆς πόλεως ἀπογόντας.

[55] When Scipio had finished speaking the envoys bore his conditions to Carthage, where the people debated them in the Assembly for several days. The chief men thought that it was best to accept the offer and not, by refusing a part, to run the risk of losing all; but the vulgar crowd, not considering the instant peril rather than the draft, great as it was, upon their resources, and being the majority, refused compliance. They were angry that their rulers, in time of famine, should send provisions away to the Romans instead of supplying their own citizens during the armistice, and they banded together, threatening to plunder and burn the houses of every one of them. Finally, they decided to take counsel with Hannibal, who now had 60000 infantry and 500 cavalry stationed at the town of Marthama. He came and, although moderate citizens feared lest a man so fond of war should excite the people to renewed exertions, he very gravely advised them to accept peace. But the people, mad with rage, reviled him also, and threatened everybody, until some of the notables, despairing of the city, took refuge with Masinissa, and others with the Romans themselves.

[56] οἱ δὲ Καρχηδόνιοι πυθόμενοι σῖτον πολὺν ἐς ἐμπόριόν τι ὑπὸ Ἀννίβου σεσωρεῦσθαι, ὁκνάδας ἐπ' αὐτὸν ἐξέπεμπον καὶ ναῦς μακράς, ἐγνωκότες, εἰ τὸν σῖτον λάβοιεν, ἐκστρατεῦσαι καὶ ὑπομεῖναι πᾶν ὃ τι ἂν ἡ τύχη κρίνῃ,

μᾶλλον ἢ Ῥωμαίοις δουλεύειν ἐκόντες. ἐπεὶ δὲ ἀνεμὸς τε καὶ χειμὼν τὰς ναῦς συνέτριψαν, ἀπογνόντες ἀπάντων ἐμέμφοντο τοῖς θεοῖς ὥς ἐπιβουλεύουσι, καὶ συνετίθεντο τῷ Σκιπίωνι, καὶ ἐπρεσβεύοντο ἐς Ῥώμην. καὶ ὁ Σκιπίων ἔπεμπε τοὺς συμβουλευσοντας κυροῦν τὰ συγκείμενα. λέγεται δὲ τοῦτο ἐσηγήσασθαι τῇ τε πόλει συμφέρειν ὑπολαβών, καὶ πυθόμενος Γναῖον Κορνήλιον Λέντλον τὸν ὑπατον ἐφεδρεῦειν αὐτοῦ τῇ στρατηγίᾳ, τὴν δόξαν οὐκ ἐθέλων ἐτέρου γενέσθαι. προσέταξε γοῦν λέγειν ἀπιοῦσιν ὅτι βραδυνόντων Ῥωμαίων αὐτὸς ἐφ' ἑαυτοῦ συνθήσεται.

[56] The remaining Carthaginians, hearing that a large quantity of provisions had been stored by Hannibal at a certain place, sent a number of transports and war-ships thither, being resolved, if they could obtain food, to continue the war and to endure everything rather than accept (Y.R. 553) servitude to the Romans. But after a storm had shattered (B.C. 201) their ships, despairing of everything, they accused the gods of conspiring against them, assented to the agreement with Scipio, and sent an embassy to Rome. Scipio also sent counsellors to confirm the agreement. It was said that Scipio was moved by two considerations. He thought that peace would be for the advantage of the city. He knew also that the consul, C. Cornelius Lentulus, would grasp at his command, and he was not willing that another should reap the glory of bringing the war to an end. At all events he enjoined upon his messengers to say that if there should be delay at Rome he would conclude peace himself.

[57] οἱ δὲ πάνυ μὲν ἡδοντο κεκρατηκότες πόλεως τοσαύτης, ἢ πολλὰ καὶ δεινὰ πρότερον αὐτοὺς ἐδεδράκει, καὶ τῶν ἐπὶ τῆς γῆς δευτέραν ἢ τρίτην εἶχεν ἡγεμονίαν: οἱ σύμβουλοι δ' ἐστασίαζον, οἱ μὲν ἔτι σὺν ὀργῇ χαλεπαίνοντες τοῖς Καρχηδονίοις, οἱ δὲ ἐλεοῦντες αὐτοὺς ἡδῃ, καὶ ἀξιοῦντες ἐν ταῖς ἀλλοτρίαις συμφοραῖς τὸ σφέτερον εὐπρεπῶς διατίθεσθαι. ὑπαναστὰς δέ τις τῶν Σκιπίωνος φίλων εἶπεν:

οὐ περὶ τῆς Καρχηδονίων σωτηρίας ἐστὶν ἡμῖν ἡ φροντίς, ὃ ἄνδρες, ἀλλὰ περὶ τῆς Ῥωμαίων ἕς τε θεοὺς πίστεως καὶ πρὸς ἀνδρῶν εὐφημίας, μὴ Καρχηδονίων αὐτῶν ὁμότερα πράξωμεν, οἱ Καρχηδονίοις ὁμότητα ἐπικαλοῦμεν, καὶ μετριοπαθείας ἀεὶ φροντίσαντες ἐπὶ τῶν βραχυτέρων, ἀμελήσωμεν ἐν τοῖς μείζουσιν: ἃ μὴδὲ λαθεῖν ἔνεστι διὰ τὸ μέγεθος, ἀλλ' ἐς ἅπασαν γῆν περιελεύσεται καὶ νῦν καὶ ὕστερον, ἣν πόλιν περιώνυμον καὶ θαλασσοκράτορα ἀνέλωμεν, ἣ καὶ νήσων ἥρξε πολλῶν καὶ θαλάσσης ὅλης καὶ Λιβύης ὑπὲρ ἡμῶν, ἐν τε τοῖς πρὸς ἡμᾶς αὐτοὺς ἀγῶσι πολλὰ καὶ τύχης καὶ δυνάμεως ἔργα ἐπεδείξατο, οἷς ἔτι μὲν φιλονεικοῦσιν ἐρίζειν ἔδει, πεσόντων δὲ φείδεσθαι, καθὰ καὶ τῶν ἀθλητῶν οὐδεὶς τὸν πεσόντα ἔτι τύπτει, καὶ τῶν θηρίων τὰ πολλὰ φείδεται τῶν καταπεσόντων. καλὸν δ' ἐν τοῖς εὐτυχίμασι νέμεσιν θεῶν φυλάσσεσθαι καὶ ἀνθρώπων φθόνον. εἰ δέ τις, ὅσα ἔδρασαν ἡμᾶς, ἀκριβῶς ἐκλογίζεται, αὐτὸ μάλιστα ἐστὶ τοῦτο τῆς τύχης τὸ φοβερώτατον, εἰ περὶ μόνης ἄρτι σωτηρίας παρακαλοῦσιν οἱ πόσα καὶ πηλίκᾳ δεδυνημένοι δρᾶσαι καὶ οὐ πρὸ πολλοῦ περὶ τε Σικελίας καὶ Ἰβηρίας καλῶς

ἀγωνισάμενοι. ἀλλ' ἐκείνων μὲν δίκας ἔδοσαν, τῶν δὲ τελευταίων παραβάσεων λιμὸν αἰτιῶνται, κακὸν ἀνθρώποις ἐπιπονώτατον, ὃ πάντα ἐξαιρεῖν δύναται λογισμούς.

[57] There was great rejoicing at Rome that this mighty city, which had brought so many calamities upon them and had been the second or third in the leadership of the world, had been completely vanquished. But there were differences of opinion as to what should be done. Some were exceedingly bitter toward the Carthaginians. Others had pity on them, thinking that this was a more becoming attitude to take respecting other people's misfortunes. One of Scipio's friends rose and said: "Gentlemen, this is not so much a question of saving Carthage as it is of preserving our faith with the gods and our reputation among men — lest it be said that we, who have so often charged the carthaginians with cruelty, behave with greater cruelty than they, and that we, who always exercise moderation in small matters, neglect it wholly in large ones, which, on account of their very magnitude, cannot escape notice. The deed will be sounded through all the earth, now and hereafter, if we destroy this famous city, former mistress of the seas, ruler of so many islands, and of the whole expanse of water, and more than half of Africa, and which in contests with ourselves has exhibited such wonderful success and power. While they were in arms it was necessary to fight them; now that they have fallen they should be spared, just as athletes refrain from striking a fallen antagonist, and as many wild beasts spare the enemies they have thrown down. It is fitting, in the hour of success, to beware of the indignation of the gods and of the envy of mankind. If we consider closely what they have done to us, that is itself a most fearful example of the fickleness of fortune, that they are now asking us simply to save them from destruction, they who have been able to inflict so many and so great evils upon us, and not long ago were contending on even terms with us for the possession of Sicily and Spain. But, for these things they have already been punished. For their later transgressions blame the pangs of hunger, the most painful suffering that can afflict mankind, a torture that may easily dethrone the reasoning powers of men.

[58] ἐγὼ δ' οὐκ ἐρῶ μὲν οὐδὲν ὑπὲρ Καρχηδονίων· οὐ γὰρ ἄξιόν, οὐδ' ἀγνοῶ καὶ πρότερον αὐτοὺς ἄλλας συνθήκας πρὸ τῶνδε παραβῆναι: ἃ δ' ἐπὶ τοῖς τοιούτοις ποιῶντες οἱ πατέρες ἡμῶν ἐς τόδε τύχης προήλθον, εἰδότας ὑμᾶς ἀναμνήσω. τῶν γὰρ γειτόνων ἡμῖν τῶνδε πάντων ἐν κύκλῳ πολλάκις ἀποστάντων καὶ σπονδὰς συνεχῶς λυσάντων οὐ κατεφρόνησαν, οὐ Λατίνων, οὐ Τυρρηνῶν, οὐ Σαβίνων. τοὺς τε αὖ μετ' ἐκείνους περιοικοῦντας ἡμῖν Αἰκανοὺς καὶ Οὐλολούςκους καὶ Καμπανοὺς, καὶ ὅσα ἄλλα τῆς Ἰταλίας ἐς σπονδὰς ὕβρισεν, εὐσταθῶς ἔφερον. καὶ τὸ Σαννιτῶν γένος τρίς μὲν φιλίας καὶ συνθηκῶν καταφρονῆσαν, ἔτεσι δ' ὀγδοήκοντα μεγίστους ἡμῖν πολέμους πεπολεμηκὸς οὐκ ἀνέστησαν, οὐδὲ τοὺς ἄλλους ὅσοι Πύρρον προσηγάγοντο κατὰ τῆς Ἰταλίας. οὐδ' ἡμεῖς, τὰ ἑναγχος ταῦτα, τοὺς Ἰταλῶν Ἀννίβα

προσθεμένους διεφθείραμεν, οὐδὲ Βρεττίους, οἱ μέχρι τέλους αὐτῷ συνηγωνίσαντο, ἀλλὰ γῇ μόνη ζημιώσαντες εἰάσαμεν ἔχειν τὰ ὑπόλοιπα, ὡς εὐσεβὲς ὁμοῦ καὶ ἐς εὐτυχίαν ἡμῖν χρήσιμον, μὴ ἀφανίζειν ἀνθρώπων γένη μᾶλλον ἢ νουθετεῖν.

[58] “I do not speak for the Carthaginians; that would not be fitting. Nor do I forget that they violated other treaties before those which are now under review. What our fathers did in like circumstances (and by which means they arrived at the summit of fortune) I will recall to your minds for you know them already. Although the neighboring peoples round about us often revolted and were continually breaking treaties, our ancestors did not disdain them — the Latins, the Etruscans, the Sabines, for example. Afterward, the Æqui, the Volsci, the Campanians, also our neighbors, and various other peoples of Italy, committed a breach of their treaties, and our fathers met it magnanimously. Moreover, the Samnite race, after betraying friendship and agreements three times and waging the most desperate war against us for eighty years, were not destroyed, nor were those others who called Pyrrhus into Italy. Nor did we destroy those Italians who lately joined forces with Hannibal, not even the Bruttians, who remained with him to the last. We took from them a part of their lands and allowed them to keep the remainder. Thus it was esteemed both generous to them and useful to us not to exterminate a whole race, but to bring them into a better state of mind.

[59] τί οὖν παθόντες ἐπὶ Καρχηδονίων ἀλλάζωμεν τὴν φύσιν, ἣ χρώμενοι μέχρι νῦν εὐτυχοῦμεν; ὅτι μείζων ἐστὶν ἢ πόλις αὕτη; δι’ αὐτὸ μέντοι καὶ τοῦτο μᾶλλον ἔτι φειδοῦς ἀξία. ἀλλ’ ὅτι πολλάκις παρεσπόνδησεν ἐς ἡμᾶς; καὶ γὰρ ἕτεροι, καὶ σχεδὸν ἅπαντες. ἀλλ’ ὅτι μικρὰν νῦν ὑφίστανται τιμωρίαν; ὧν νῆές τε πᾶσαι χωρὶς δέκα παραιροῦνται, καὶ τοὺς ἐλέφαντας, οἷς ἰσχύουσι, παραδιδόασι, καὶ τάλαντα Εὐβοικὰ μύρια τελοῦσι, καὶ πόλεων ἀπασῶν ἀφίστανται καὶ χώρας ὅσης ἄρχουσιν ἐκτὸς τῶν Φοινικίδων τάφρων, καὶ στρατολογεῖν αὐτοῖς ἀπηγόρευται, καὶ ὅσα λιμώττοντες ἥρπασαν ἀποδιδόασιν ἔτι λιμώττοντες, καὶ τῶν ἀμφιλόγων ἐστὶν αὐτοῖς Σκιπίων ὁ πολεμήσας κριτής. ἐγὼ μὲν καὶ τοῦ μεγέθους τῶνδε καὶ τοῦ πλήθους ἐπαινῶ τὸν Σκιπίωνα, καὶ ὑμᾶς ἀξιῶ φείσασθαι διὰ τὸν φθόνον καὶ τὴν τῶν ἀνθρωπείων μεταβολήν, οἷς εἰσὶν ἔτι νῆες, πρὶν συνθώμεθα, πολλὰ καὶ πλῆθος ἐλεφάντων, καὶ Ἀννίβας στρατηγικώτατος ἀνὴρ ἤδη στρατιὰν ἔχει, καὶ Μάγων ἐκ Κελτῶν καὶ Λιγύων ἐτέρους ἄγει πολλούς, καὶ Οὐερμινᾶς ὁ Σύφακος αὐτοῖς συμμαχεῖ καὶ ἄλλα Νομάδων ἔθνη, δούλους τε ἔχουσι πολλούς. καὶ ἦν ἀπογνῶσι τὰ παρ’ ἡμῶν, ἀφειδῶς ἅπασι χρήσονται. χαλεπώτερον δ’ οὐδὲν ἀφειδίας ἐν μάχαις, ἐν αἷς καὶ τὸ δαιμόνιον ἀνώμαλον καὶ ἐπίφθονόν ἐστιν.

[59] “Why, in dealing with the Carthaginians, should we change our nature, in the exercise of which we have until now so greatly prospered? Is it because their city is large? That is the very reason why it ought to be spared. Is it

because they have often violated their treaties with us? So have other nations, almost all of them. Is it because they are now to be subjected to a light punishment? They are to lose all their ships but ten. They are to give up their elephants, which constitute so large a part of their strength. They are to pay 10,000 Euboic talents. They are to yield all the cities and territories outside of the Phœnician trenches, and they are forbidden to enlist soldiers. What they took from us when pressed by hunger they are to restore, although they are still hungry. As to all doubtful matters, Scipio, the man who fought against them, is the judge. I praise Scipio the rather for the magnitude and multitude of these things. I think you ought to spare them considering the invidiousness and the mutability of human affairs. They still have (until the treaty is ratified) an abundance of ships and elephants, and Hannibal, that most skilful captain, who still has an army; also Mago, who is leading another considerable force of Celts and Ligurians; also Vermina, the son of Syphax, is allied with them, and other Numidian tribes. They have also a great many slaves. If they despair of pardon from you they will use all these things with a lavish hand. Nothing is more dangerous than desperation in battles, in which also the divine will is both uncertain and vengeful.

[60] ἃ καὶ Σκιπίων ἔοικεν ὑφορώμενος ἐπιστεῖλαι μὲν ἡμῖν τὴν ἑαυτοῦ γνώμην, ἐπειπεῖν δ' ὅτι καὶ βραδυνόντων συνθήσεται. εἰκὸς δ' ἐκεῖνον καὶ τάδε ἄμεινον ἡμῶν ἐκλογίζεσθαι καὶ πλέον τι συνορᾶν, ὄντα ἐπὶ τῶν ἔργων. λυπήσομέν τε, ἀκυροῦντες αὐτοῦ τὴν παραίνεσιν, ἄνδρα φιλόπολιν καὶ στρατηγὸν ἐξαιρετόν, ὃς οὐδ' ἐς Λιβύην ἡμᾶς ὀρμωμένους παρώξυνέ τε, καὶ στρατιὰν οὐ λαβὼν αὐτῷ συνεστήσατο, καὶ τὰ ἐκεῖ προήγαγεν ἡμῖν ἐς ὅσον οὐκ ἡλπίζομεν. ὃ καὶ θαυμάζειν ἄξιον, ὅτι ῥαθύμως ἔχοντες ἐν ἀρχῇ τοῦδε τοῦ πολέμου νῦν ἔχετε φιλονείκως καὶ ἀμέτρως. εἰ δέ τις ταῦτα μὲν ἡγείται καλῶς ἔχειν, δέδιδε δὲ μὴ καὶ νῦν τὰς σπονδὰς παραβῶσιν οἱ Καρχηδόνιοι, μάλιστα μὲν εἰκὸς αὐτοὺς ἦδη σπονδῶν φυλακῆς αἰσθάνεσθαι, πολλὰ ἐκ τῶν παραβάσεων παθόντας, καὶ τὴν εὐσέβειαν ἐς τὸ μέλλον ποιήσεσθαι περὶ πολλοῦ, ἐξ ἀσεβείας ἐς γόνυ πεσόντας; οὐκ ἔστι δὲ τῶν αὐτῶν συμβούλων ἄρτι μὲν καταφρονεῖν τῶν Καρχηδονίων ὡς οὐδὲν ἔτι ἰσχυόντων, δεδιέναι δ' αὖθις ὡς ἀποστῆναι δυναμένους. ἡμῖν δὲ τὸ φυλάσσειν αὐτοὺς ἐς τὸ μὴ πάλιν αὔξεσθαι τοῦ νῦν ἀνελεῖν εὐχερέστερόν ἐστι· νῦν μὲν γὰρ ἐξ ἀπογνώσεως μαχοῦνται, ὕστερον δ' αἰεὶ δεδιότας τηρήσομεν. ἅλις δὲ κακῶν ἔξουσι καὶ χωρὶς ἡμῶν, οἷς οἱ τε περίοικοι πάντες ἐπικείσονται δυσμεναίνοντες τῆς ποτὲ βίας, καὶ Μασσανάσσης, ἀνὴρ πιστότατος ἡμῖν, ἐφεδρεύσει παρὼν αἰεὶ.

[60] "It seems that Scipio was apprehensive of these things when he communicated his own opinion to us, saying that if we delayed he would conclude peace himself. It is reasonable to suppose, too, that he can form a better judgment than ourselves, since the one who presides over the whole business can have the best view of it. If we reject his advice we shall give pain to that ardent patriot, that renowned general, who urged us to carry the war into Africa when we were not in favor of it; and when he could not obtain an

army from us, raised it himself, and there achieved for us a success far beyond our expectations. It is astonishing that you who entered upon this war so sluggishly in the beginning, should now prosecute it so fiercely and to such extremity. If any one agrees to this, but fears lest the Carthaginians should break faith again, I answer that it is more likely that they now perceive the necessity of keeping their agreements because they have suffered so much from former violations of them, and that they will observe the claims of religion all the more since their impiety has led only to their ruin. It is not consistent to despise the Carthaginians as being powerless, and in the same breath to fear lest they should have power to rebel. It will be easier for us to keep watch over them, that they do not become too great hereafter, than to destroy them now. They will fight with desperation now, but hereafter they will always be held in check by their fears. Besides, they will have plenty of troubles without us, for all their neighbors, angered by their former tyranny, will press upon them, and Masinissa, our most faithful ally, will always be there lying in wait for them.

[61] εἰ δ' ἄρα τις καὶ τῶνδε πάντων καταφρονεῖ, ὅπως δ' αὐτὸς ἐκδέξεται τὴν Σκιπίωνος ἀρχήν, τὸ ἑαυτοῦ μόνον σκοπεῖ, καὶ πιστεύει καὶ τὰ τῆς τύχης αὐτῷ ἐς τέλος ἀπαντήσιν, τί καὶ χρησόμεθα τῇ πόλει λαβόντες αὐτήν, ἣν καὶ λάβωμεν; ἀνελοῦμεν ἄρδην, ὅτι σῖτον ἡμῶν καὶ ναῦς ἥρπασαν; ἃ μετὰ πολλῶν ἄλλων ἀξιοῦσιν ἀποδοῦναι. ἢ τοῦτο μὲν οὐ πράξομεν, νέμεσιν τε θεῶν φυλασσόμενοι καὶ ψόγον ἀνθρώπων, Μασσανάσση δ' ἔχειν δώσομεν; ἀλλ' εἰ καὶ φίλος ἐστίν, οὐ χρή στεροποιεῖν οὐδ' ἐκεῖνον ἀμέτρως, ἡγείσθαι δὲ τὴν ἔριν αὐτῶν τὴν ἐς ἀλλήλους τῷ Ῥωμαίων κοινῷ συμφέρειν. ἀλλ' ἐς προσόδους τὴν χώραν ἀνήσομεν; ἀλλ' ἡ φυλάξουσα στρατιὰ τὴν πρόσοδον ἀναλώσει: πολλῆς γάρ, ὥς ἐν πολλοῖς περιοίκις καὶ πᾶσι βαρβάροις, δεησόμεθα. ἀλλ' ἀποίκους πέμψομεν ἐς μέσους τοσοῦδε Νομάδας; οἱ τῶν μὲν βαρβάρων ἰσχυόντων ἀεὶ δεινὰ πείσονται, ἣν δ' ἐπικρατήσωσιν αὐτῶν, ἐς τὸ μέλλον ἡμῖν ἔσονται φοβεροὶ καὶ ἐπίφθονοι, χώραν τοσὴνδε καὶ πολὺ κρείττονα τῆς ἡμετέρας ἔχοντες. ἃ καὶ αὐτὰ μοι δοκεῖ συνιδὼν ὁ Σκιπίων κελεύειν ἡμῖν δέχεσθαι τὰς Καρχηδονίων παρακλήσεις. πειθώμεθα οὖν καὶ τοῖς δεομένοις καὶ τῷ στρατηγῷ.

[61] "If any one is disposed to treat all these considerations lightly, and is only thinking how he may succeed to Scipio's command and turn it to his own advantage, trusting that the favors of fortune will attend him to the end, what are we going to do with the city after we have taken it — supposing we do take it? Shall we destroy it utterly because they seized some of our corn and ships, which they are ready to give back, together with many other things? If we do not do this (having regard to the indignation of the gods and the censures of men) shall we give it to Masinissa? Although he is our friend, it is best not to make him too strong. It should rather be considered a public advantage to the Romans that the two should be at strife with each other. Is it said that we might collect rent from their land? The expense of military

protection would eat up the rent, for we should need a strong force to ward off so many surrounding tribes, all of them uncivilized. Can we plant colonies in the midst of such a host of Numidians? They would always be exposed to the depredations of these powerful barbarians, and if they should conquer them they might hereafter become objects of fear and jealousy to us, possessing a country so much more fruitful than ours. All of which things, it seems to me, Scipio clearly discerned when he advised us to yield to the prayers of the Carthaginians. Let us then grant their request and that of our general.”

[62] ὁ μὲν οὕτως εἶπε, Πόπλιος δὲ Κορνήλιος, Κορνηλίου Λέντλου συγγενῆς τοῦ τότε ὄντος ὑπάτου καὶ τὸν Σκιπίωνα διαδέξασθαι προσδοκῶντος, ἀντέλεγεν οὕτως:

τὸ μὲν συμφέρον ἐστὶ μόνον ἐν τοῖς πολέμοις, ὃ ἄνδρες, χρήσιμον: καὶ ὅσα δυνατὴν ἔτι καὶ νῦν ἀποφαίνουσιν οὗτοι τὴν πόλιν, φυλάξασθαι χρὴ τὴν ἀπιστίαν αὐτῆς μετὰ τῆς δυνάμεως, καὶ τὴν ἰσχὺν προανελεῖν, ἐπεὶ μὴ τὴν ἀπιστίαν δυνάμεθα. οὐδεὶς δ' ἡμῖν καιρὸς ἐς τὸ λῦσαι τὸν ἀπὸ Κάρχηδονίων φόβον ἐπιτηδειότερός ἐστι τοῦ παρόντος, ἐν ᾧ πάντων εἰσὶν ἀσθενεῖς καὶ ἄποροι, πρὶν αὖθις αὐτῶν ἐς ἐκάτερον αὐξηθῆναι. οὐ μέντοι καὶ τὸν τοῦ δικαίου λογισμὸν ἂν περιφύγοιμι, οὐδ' ἄμετρίας μοι δοκῶ δόξαν οἴσεσθαι τὴν πόλιν ἐπὶ Καρχηδονίοις, οἱ παρὰ μὲν τὰς εὐπραξίας ἀδικοῦσι καὶ ἐνουβρίζουσιν ἐς ἅπαντας, ἐν δὲ ταῖς συμφοραῖς παρακαλοῦσιν, ἂν δὲ τύχωσιν, εὐθὺς ἐπὶ ταῖς συνθήκαις μετατίθενται. καὶ οὔτε σπονδῶν ἐστὶν αὐτοῖς αἰδῶς οὔτε λόγος ὄρκων: οὗς οὗτος ἀξιοῖ περισώζειν διὰ νέμεσιν θεῶν καὶ ἀνθρώπων φθόνον. ἐγὼ δ' αὐτοὺς ἡγοῦμαι τοὺς θεοὺς ἐς τόδε τὴν Καρχηδόνα περιενεγκεῖν, ἵνα δῶσί ποτε δίκην τῆς ἀσεβείας οἱ καὶ περὶ Σικελίαν καὶ Ἰβηρίαν καὶ Ἰταλίαν καὶ ἐν αὐτῇ τῇ Λιβύῃ, καὶ πρὸς ἡμᾶς καὶ πρὸς τοὺς ἄλλους ἅπαντας, ἀεὶ συνετίθεντο καὶ παρῶρκουν καὶ δεινὰ καὶ σχέτλια ἔδρων. ὧν τὰ ἀλλότρια ὑμῖν πρὸ τῶν ἡμετέρων διέξειμι, ἵνα εἰδῇτε πάντας ἐφησησομένους Καρχηδονίους, εἰ δίκην δοῖεν.

[62] When he had thus spoken, Publius Cornelius, a relative of Cornelius Lentulus, who was then consul and who expected to be Scipio's successor, replied thus: "In war, gentlemen, the only thing to be considered is, what is advantageous. We are told that this city is still powerful. So much the more ought we to be on our guard against treachery joined to power, and to crush the power since we cannot extinguish the treachery. No time can be better chosen to free ourselves from all fear of the Carthaginians than the present, when they are weak and stripped of everything, and before they grow again to their former proportions. Not that I would deny the claims of justice, but I do not think that we can be accused of want of moderation toward the Carthaginians, who in their days of prosperity were unjust and insolent to everybody, but have become suppliants in adversity, and will immediately break away from the new treaty if they have a chance. They have neither respect for treaties nor regard for their oaths — these people whom the

gentleman thinks we ought to spare, in order that we may avoid the indignation of the gods and the censures of men. I think that the gods themselves have brought Carthage into this plight in order to punish for their former impiety those who in Sicily, in Spain, in Italy, and in Africa itself, with us and with all others, were always making covenants and breaking their oaths, and committing outrage and savagery. Of these things I will give you some foreign examples before I speak of those that concern ourselves, in order that you may know that all men will rejoice over the Carthaginians if they are brought to condign punishment.

[63] οὔτοι Ζακανθαίους, πόλιν Ἰβηρίας ἐπιφανῆ, σφίσι τε αὐτοῖς ἔνσπονδον καὶ φίλην ἡμῖν, ἥβηδὸν ἔκτειναν οὐδὲν ἀδικοῦντας. οὔτοι Νουκερίαν ὑπήκοον ἡμῶν ἐπὶ συνθήκῃ λαβόντες, καὶ ὁμόσαντες σὺν δύο ἱματίοις ἕκαστον ἀπολύσειν, τὴν μὲν βουλήν αὐτῶν ἐς τὰ βαλανεῖα συνέκλεισαν καὶ ὑποκαίοντες τὰ βαλανεῖα ἀπέπνιξαν, τὸν δὲ δῆμον ἀπλέοντα κατηκόντισαν. Ἀχερραίων δὲ τὴν βουλήν ἐν σπονδαῖς ἐς τὰ φρέατα ἐνέβαλον, καὶ τὰ φρέατα ἐπέχρυσαν. Μάρκον τε Κορνήλιον ὕπατον ἡμέτερον ὄρκοις ἀπατήσαντες ἤγαγον μὲν ὥς ἐπισκεψόμενον αὐτῶν τὸν στρατηγὸν ἀρρωστοῦντα, συναρπάσαντες δὲ ἀπήγαγον ἐς Λιβύην ἐκ Σικελίας αἰχμάλωτον μετὰ δύο καὶ εἴκοσι νεῶν. ἔκτειναν δὲ καὶ Ῥήγλον αἰκισάμενοι, στρατηγὸν ἕτερον ἡμῶν, ὑπ' εὐορκίας ἐπανελθόντα πρὸς αὐτοῦς. ὅσα δ' Ἀννίβας ἢ πολεμῶν ἢ ἐνεδρεῦων ἢ παρορκῶν ἔς τε πόλεις καὶ στρατόπεδα ἡμῶν καὶ λήγων ἐς τοὺς συμμάχους ἔδρασε τοὺς αὐτοῦ, τὰς τε πόλεις πορθῶν καὶ τοὺς αὐτῶ συστρατευσαμένους κατακαίνων, μακρὸν ἂν εἴη καταλέγειν. πλὴν ὅτι τετρακόσια ἡμῶν ἀνέστησεν ἄστη. τοὺς δ' αἰχμαλώτους ἡμῶν τοὺς μὲν ἐς τάφρους καὶ ποταμοὺς ἐμβαλόντες ὥς γεφύραις ἐπέβαινον, τοὺς δὲ τοῖς ἐλέφασιν ὑπέβαλλον, τοὺς δ' ἀλλήλοις μονομαχεῖν ἐκέλευον, ἀδελφοὺς ἀδελφοῖς συνιστάντες καὶ πατέρας υἱοῖς. τὰ δ' ἔναγχος ταῦτα, περὶ εἰρήνης ἐπρέσβευον ἐνταῦθα καὶ παρεκάλουν καὶ ὦμνον, καὶ οἱ πρέσβεις αὐτῶν ἔτι παρῆσαν, ἐν δὲ Λιβύῃ τὰς ναῦς ἡμῶν διήρπαζον καὶ τοὺς στρατιώτας κατέδεον. τοσοῦτον αὐτοῖς καὶ ἀνοίας διὰ τὴν ὁμότητα περίεστιν.

[63] The people of Saguntum, a noble city of Spain, in (Y.R. 552) league with themselves and friendly to us, they slaughtered to the last man, although they had given no offence. Those of Nuceria, a town subject to us, surrendered to them under a sworn agreement that they might depart with two garments each. They shut the senators of Nuceria up in a bath-room and suffocated them with heat. Then they shot the common people with arrows as they were going away. After entering into a treaty with the Senate of Acerra they threw them into wells and buried them alive. Our consul, Marcus Cornelius, they lured by false oaths to an interview with their general, who pretended to be sick. They seized him and carried him prisoner from Sicily into Africa with twenty-two of our ships. They put our other general, Regulus, to death with torture after he had gone back to them in accordance with his oath. The acts perpetrated by Hannibal himself in war, stratagem and perjury, against our cities and armies,

and at last against his own allies, destroying their cities and slaughtering their soldiers serving with him, it would take too long to enumerate. In a word, 400 of our towns were depopulated by him. He cast our men, whom he had taken prisoners, into ditches and rivers, making bridges of their bodies to pass over. He had them trodden under foot by elephants. He made them fight with each other, brothers against brothers and fathers against sons. And just now, while they were here treating for peace, and calling the gods to witness, and taking oaths, and while their ambassadors were still among us, they seized our ships in Africa and put our men in chains. To such a pitch of madness have they been brought by the practice of cruelty.

[64] τούτοις οὖν τίς ἐστὶν ἔλεος ἢ μετριοπάθεια παρ' ἐτέρων, τοῖς οὐδὲν μέτριον οὐδ' ἡμερον ἐς οὐδένας εἰργασμένοις; τοῖς, ὥσπερ ἔφη Σκιπίων, εἰ ἐλάβοντο ἡμῶν, οὐδ' ἂν ὄνομα Ῥωμαίων ὑπολιποῦσιν; ἀλλὰ πίστις ἐστὶ βέβαιος ἢ δεξιά. ποία; τίς σπονδή, τίς ὄρκος ὃν οὐκ ἐπάτησαν; τίς δὲ συνθήκη καὶ χάρις ἐς ἣν οὐχ ὕβρισαν; μὴ μιμησώμεθα, φησὶν, αὐτούς. τίνα γὰρ συνθήκην ἡμεῖς λύομεν οἱ μήπω τι συνθέμενοι; ἀλλὰ τὴν ὁμοιότητα, φησὶν, αὐτῶν μὴ μιμησώμεθα. φίλους οὖν καὶ συμμαχούς ποιησώμεθα τοὺς ὁμοτάτους; οὐδέτερά τούτων ἄξια. ἀλλ' ἐπιτρεψάτωσαν ἡμῖν αὐτοὺς νόμῳ νενικημένων, ὡς πολλοὶ σφᾶς ἐπέτρεψαν, σκεψώμεθα δ' ἡμεῖς. καὶ ὅ τι ἂν δῶμεν, εἴσονται χάριν, οὐχὶ συνθήκην νομίζοντες εἶναι. διαφέρει δὲ τούτοις ἑκάτερον ὧδε. μέχρι μὲν συντίθενται, παραβήσονται καθάπερ καὶ πάλαι, πρόφασιν αἰεὶ τίνα τῶν συνθηκῶν φέροντες ὡς ἐν αὐταῖς ἡλαττωμένοι: τὰ δ' ἀμφίλογα εὐπροφάσιστα. ὅταν δὲ παραδῶσιν αὐτούς, καὶ τὰ ὅπλα παρελώμεθα, καὶ τὰ σώματα ἐφ' ἡμῖν γένηται, καὶ πεισθῶσιν ὅτι μηδὲν αὐτοῖς ἐστὶν ἴδιον, τὰ μὲν φρονήματα αὐτῶν καταβήσεται, ἀγαπήσουσι δ' ὅ τι ἂν παρ' ἡμῶν λάβωσιν ὡς ἀλλότριον. εἰ μὲν οὖν Σκιπίων ἐτέρως δοκεῖ, τὰς γνώμας ἔχετε συγκρίνειν: εἰ δὲ συνθήσεται Καρχηδονίους χωρὶς ὑμῶν, τί καὶ ἐπέστελλεν ὑμῖν; ἐγὼ μὲν γάρ, ὡς ὑμῖν κυρίους οὔσι περὶ τῶνδε κρῖναι, τὴν γνώμην εἶπον, ἣν νομίζω συνοίσειν τῇ πόλει.

[64] “What pity, therefore, or what moderation is due from others to these Carthaginians, who have never exercised moderation or clemency in anything, and who, as Scipio says, would have expunged the very name of Rome if they had vanquished us? But good faith, you say, and the right hand are reliable. How so? What treaty, what oath, have they not trampled under foot? We should not imitate them, the gentleman says. What treaty can we violate when we have not yet made any? But we should not imitate their cruelty, he says. Ought we to make the most cruel people in the world our friends and allies? (Y.R. 553) Neither of these things is desirable. Let them surrender at discretion, as is the custom of the vanquished, as many others have surrendered to us. Then we shall see what we will do, and whatever we accord to them they shall take in the light of a favor and not of a bargain. There is this difference between the two plans. As long as we treat with them they will violate the treaties as they have heretofore, always making some excuse that

they were overreached. They will always find plausible grounds for dispute. But when they surrender at discretion, and we take away their arms, and when their persons are in our possession and they see that there is nothing they can call their own, their spirits will be tamed and they will welcome whatever we allow them to have, as a gratuity bestowed by others. If Scipio thinks differently you have the two opinions to choose from. If he is going to make peace with the Carthaginians without you, what is the need of his sending any word to you? For my part, I have given you the opinion which I hold to be for the advantage of the city, as to judges who are really going to exercise a judgment on the matter in hand.”

[65] τοιαῦτα μὲν καὶ ὁ Πόπλιος εἶπεν· ἡ δὲ βουλὴ κατ’ ἄνδρα παρ’ ἐκάστου ψήφον ἦται, καὶ ἐς τὴν Σκιπίωνος γνώμην αἱ πλείους συνέδραμον. ἐγίνοντο οὖν αἱ συνθήκαι, τρίται αἶδε, Ῥωμαίοις καὶ Καρχηδονίοις πρὸς ἀλλήλους. καὶ ὁ Σκιπίων ἐς αὐτὰς ἐδόκει μάλιστα τοὺς Ῥωμαίους ἐναγαγέσθαι, εἴτε τῶν εἰρημένων οὐνεκα λογισμῶν, εἴτε ὥς ἄρκοῦν Ῥωμαίοις ἐς εὐτυχίαν τὸ μόνην ἀφελέσθαι Καρχηδονίους τὴν ἡγεμονίαν· εἰσὶ γὰρ οἱ καὶ τόδε νομίζουσιν, αὐτὸν ἐς Ῥωμαίων σωφρονισμόν ἐθελῆσαι γείτονα καὶ ἀντίπαλον αὐτοῖς φόβον ἐς αἰὶ καταλιπεῖν, ἵνα μὴ ποτε ἐξυβρίσειαν ἐν μεγέθει τύχης καὶ ἀμεριμνία. καὶ τόδε οὕτω φρονῆσαι τὸν Σκιπίωνα οὐ πολὺ ὕστερον ἐξεῖπε τοῖς Ῥωμαίοις Κάτων, ἐπιπλήττων παρωξυμμένοις κατὰ Ῥόδου. ὁ δὲ Σκιπίων ταῦτα συνθέμενος ἐκ Λιβύης ἐς τὴν Ἰταλίαν παντὶ τῷ στρατῷ διέπλει, καὶ ἐς τὴν Ῥώμην ἐσήλαυνε θριαμβεύων, ἐπιφανέστατα δὴ τῶν πρὸ αὐτοῦ.

[65] After Publius had spoken, the Senate took a vote on the question, and the majority agreed with Scipio. Thus a third treaty was made between the Romans and the Carthaginians. Scipio deemed it best to urge this policy upon the Romans, either for the reasons mentioned above, or because he considered it a sufficient success for Rome to have taken the supremacy away from Carthage. There are some who think that in order to preserve the Roman discipline he wished to keep a neighbor and rival as a perpetual menace, so that they might never become intoxicated with success and careless by reason of the greatness of their prosperity. That Scipio had this feeling, Cato, not long after, publicly declared to the Romans when he reproached them for undue severity toward the Rhodians. When Scipio had concluded the treaty, he sailed from Africa to Italy with his whole army, and made a triumphal entry into Rome more glorious than that of any of his predecessors.

[66] καὶ ὁ τρόπος, ᾧ καὶ νῦν ἔτι χρώμενοι διατελοῦσιν, ἐστὶ τοιόσδε. ἐστεφάνωνται μὲν ἅπαντες, ἡγοῦνται δὲ σαλπικταὶ τε καὶ λαφύρων ἄμαζαι, πύργοι τε παραφέρονται μιμήματα τῶν εἰλημμένων πόλεων, καὶ γραφαὶ καὶ σχήματα τῶν γεγονότων, εἴτα χρυσὸς καὶ ἄργυρος ἀσήμαντός τε καὶ σεσημασμένος καὶ εἴ τι τοιοῦτότροπον ἄλλο, καὶ στέφανοι ὅσοις τὸν στρατηγὸν ἀρετῆς ἔνεκα ἀναδοῦσιν ἢ πόλεις ἢ σύμμαχοι ἢ τὰ ὑπ’ αὐτῷ στρατόπεδα. βόες δ’ ἐπὶ τοῖσδε λευκοί, καὶ ἐλέφαντες ἦσαν ἐπὶ τοῖς βουσί, καὶ Καρχηδονίων αὐτῶν

[66] The form of the triumph (which the Romans continue to employ) was as follows: All who were in the procession wore crowns. Trumpeters led the advance and wagons laden with spoils. Towers were borne along representing the captured cities, and pictures showing the exploits of the war; then gold and silver coin and bullion, and whatever else they had captured of that kind; then came the crowns that had been given to the general as a reward for his bravery by cities, by allies, or by the army itself. White oxen came next, and after them elephants and the captive Carthaginian and Numidian chiefs. Lictors clad in purple tunics preceded the general; also a chorus of musicians and pipers, in imitation of an Etruscan procession, wearing belts and golden crowns, and they march evenly with song and dance. They call themselves Lydi because, as I think, the Etruscans were a Lydian colony. One of these, in the middle of the procession, wearing a purple cloak and golden bracelets and necklace, caused laughter by making various gesticulations, as though he were insulting the enemy. Next came a lot of incense bearers, and after them the general himself on a chariot embellished with various designs, wearing a crown of gold and precious stones, and dressed, according to the fashion of the country, in a purple toga embroidered with golden stars. He bore a sceptre of ivory, and a laurel branch, which is always the Roman symbol of victory. Riding in the same chariot with him were boys and girls, and on horses on either side of him young men, his own relatives. Then followed those who had served him in the war as secretaries, aids, and armor-bearers. After these came the army arranged in companies and cohorts, all of them crowned and carrying laurel branches, the bravest of them bearing their military prizes.

They praised some of their captains, derided others, and reproached others; for in a triumph everybody is free, and is allowed to say what he pleases. When Scipio arrived at the Capitol the procession came to an end, and he entertained his friends at a banquet in the temple. **SCIPIO AFRICANUS** In the Capitoline Museum, Rome

CHAPTER X

Masinissa's Depredations — Factions in Carthage — The Visit of Cato — War with Masinissa — A Battle with Masinissa — Carthaginian Army surrounded and captured

(Y.R. 559)

[67] καὶ τέλος εἶχε Ῥωμαίοις ὁ δεῦτερος πρὸς Καρχηδονίους πόλεμος, ἀρξάμενος ἀπὸ Ἰβηρίας, λήξας δ' ἐν Λιβύῃ ἐς τάσδε τὰς περὶ αὐτῆς Καρχηδόνας σπονδάς. καὶ ὀλυμπιάδες ἐν τοῖς Ἑλλήσιν ἦσαν ἀμφὶ τὰς ἑκατὸν καὶ τεσσαράκοντα καὶ τέσσαρας. Μασσανάσσης δὲ Καρχηδονίοις τε μηνίων καὶ Ῥωμαίοις θαρρῶν ἐπέβαινε γῇ πολλῇ τῶν Καρχηδονίων ὡς γενομένη ποτὲ ἑαυτοῦ. καὶ οἱ Καρχηδόνιοι Ῥωμαίους παρεκάλουν σφίσι Μασσανάσσην συναλλάξαι. οἱ δ' ἔπεμπον διαλλακτάς, οἷς εἴρητο συμπράσσειν ὅσα δύναιντο Μασσανάσση. οὕτω μὲν τὴν γῆν ἀπετέμετο Καρχηδονίων ὁ Μασσανάσσης, καὶ συνῆται Καρχηδονίοις καὶ πρὸς τόνδε ἐγένοντο, αἱ διέμειναν ἐς ἔτη πεντήκοντα, ἐν οἷς μάλιστα ἡ Καρχηδὼν εἰρηνεύουσα ὁμαλῶς ἐς μέγα δυνάμειος καὶ εὐανδρίας ἦλθεν ἔκ τε πεδίων εὐκαρπίας καὶ θαλάσσης εὐκαιρίας.

[67] Thus the second war between the Romans and the (B.C. 195) Carthaginians, which began in Spain and terminated in Africa with the aforesaid treaty, came to an end. This was about the 144th Olympiad according to the Greek reckoning. Presently Masinissa, being incensed against the Carthaginians and relying on the friendship of the Romans, seized a considerable part of the territory belonging to the former on the ground that it had once belonged to himself. The Carthaginians appealed to the Romans to bring Masinissa to terms. The Romans accordingly sent arbitrators, but told them to favor Masinissa as much as they could. Thus Masinissa appropriated a part of the Carthaginian territory and made a treaty with them which lasted about fifty years, during which Carthage, blessed with peace, advanced greatly in population and wealth by reason of the fertility of her soil and the profits of her commerce. (Y.R. 561)

[68] καὶ εὐθύς, οἷον ἐν ταῖς εὐτυχίαις γίγνεται, οἱ μὲν ἐρρωζμαῖον, οἱ δὲ ἐδημοκράτιζον, οἷς δ' ἤρεσκε Μασσανάσσης. ἡγοῦντο δ' ἐκάστων οἱ καὶ δόξη καὶ ἀρετῇ πρὸνχοντες, τῶν μὲν Ῥωμαϊζόντων ὁ μέγας Ἄννων, τῶν δ' αἰρουμένων τὰ Μασσανάσσης Ἀννίβας ὁ ψὰρ ἐπικαλούμενος, τῶν δὲ δημοκρατιζόντων Ἀμίλχαρ, ὃ Σαννίτης ἐπώνυμον ἦν, καὶ Καρθάλων: οἱ φυλάξαντες Ῥωμαίους τε Κελτίβηρσι πολεμοῦντας καὶ Μασσανάσσην ἐπικουροῦντα νιῶ πρὸς ἐτέρων Ἰβήρων συγκεκλεισμένῳ, πείθουσι τὸν Καρθάλωνα βοήθαρχον ὄντα, καὶ ἐπὶ τῇδε τῇ ἀρχῇ τὴν χώραν περιιόντα, ἐπιθέσθαι τοῖς Μασσανάσσης σκηνοῦμένοις ἐν ἀμφιλόγῳ γῇ. ὁ δὲ καὶ ἔκτεινε

τινας αὐτῶν καὶ λείαν περιήλασε, καὶ τοὺς ἐν τοῖς ἀγοαῖς Λίβυας ἐπὶ τοὺς Νομάδας ἡγειρεν. ἄλλα τε πολλὰ αὐτοῖς ἔργα πολέμων ἐς ἀλλήλους γίνεται, μέχρι Ῥωμαίων ἕτεροι πρέσβεις ἐπῆλθον ἐς διαλύσεις, οἷς ὁμοίως εἰρητο Μασσανάσση βοηθεῖν ἀδήλως. καὶ ἐβεβαίωσαν οἷδε τῷ Μασσανάσση ὅσα προειλήφει, μετὰ τέχνης, ὧδε. εἶπον μὲν οὐδὲν οὐδὲ ἤκουσαν, ἵνα μὴ τι ὥς ἐν δίκη Μασσανάσσης ἐλαττοῖτο, ἐν μέσῳ δ' ἀμφοῖν γενόμενοι τὰς χεῖρας διέστησαν: καὶ τοῦτο ἦν αὐτοῖς κέλευσμα πρὸς ἀμφοτέρους ἐς διαλύσεις. οὐ πολὺ δ' ὕστερον ὁ Μασσανάσσης ἡμισιβήτει καὶ τῶν λεγομένων μεγάλων πεδίων καὶ χώρας πεντήκοντα πόλεων, ἣν Τύσκαν προσαγορεύουσιν. ἐφ' οἷς πάλιν οἱ Καρχηδόνιοι κατέφυγον ἐπὶ Ῥωμαίους. οἱ δ' ὑπέσχοντο μὲν αὐτοῖς καὶ τότε πρέσβεις πέμψειν ἐς δίαίταν, διέτριψαν δὲ ἕως εἴκασαν πολλὰ τῶν Καρχηδονίων διεφθάρθαι.

[68] By and by (as frequently happens in periods of prosperity) (B.C. 193) factions arose. There was a Roman party, a democratic party, and a party which favored Masinissa as king. Each had leaders of eminence in position and in bravery. Hanno the Great was the leader of the Romanizing faction; Hannibal, surnamed the Starling, was the chief of those who favored Masinissa; and Hamilcar, surnamed the Samnite, and Carthalo, of the democrats. The latter party, watching their opportunity while the Romans were at war with the Celtiberians, and Masinissa was marching to the aid of his son, who was surrounded by other Spanish forces, persuaded Carthalo (the commander of auxiliaries and in discharge of that office going about the country) to attack the subjects of Masinissa, whose tents were on disputed territory. Accordingly he slew some of them, carried off booty, and incited the rural Africans against the Numidians. Many other hostile acts took place on both sides, until the Romans again sent envoys to restore peace, telling them as before to help Masinissa secretly. They artfully (Y.R. 572) confirmed Masinissa in the possession of what he had taken (B.C. 182) before, in this way. They would neither say anything nor listen to anything, so that Masinissa might not be worsted in the controversy, but they passed between the two litigants with outstretched hands, and this was their way of (Y.R. 580) commanding both to keep the peace. Not long afterward (B.C. 174) Masinissa raised a dispute about the land known as the "big fields" and the country belonging to fifty towns, which is called Tysca. Again the Carthaginians had recourse to the Romans. Again the latter promised to send envoys to arbitrate the matter, but they delayed until it seemed probable that the Carthaginian interests would be utterly ruined. (Y.R. 597)

[69] καὶ τότε πρέσβεις ἔπεμπον ἑτέρους τε καὶ Κάτωνα, οἱ ἐς τὴν ἀμφίλογον γῆν ἀφικόμενοι ἡξίουσαν σφίσιν ἀμφοτέρους περὶ ἀπάντων ἐπιτρέπειν. Μασσανάσσης μὲν οὖν, οἷα πλεονεκτῶν καὶ Ῥωμαίοις ἀεὶ θαρρῶν, ἐπέτρεπεν, οἱ Καρχηδόνιοι δ' ὑπόπτειον, ἐπεὶ καὶ τοὺς πρότερον ἥδεσαν οὐκ εὖ δικάσαντας. ἔφασαν οὖν τὰς συνθήκας τὰς ἐπὶ Σκιπίωνος οὐδὲν χρήζειν δικῶν οὐδὲ διορθώσεως, ὅσα μὴ ἐξ αὐτῶν παραβαίνεται μόνα. οἱ δ' οὐκ

ἀνασχομένοι περὶ μέρους δικάζειν ἐπανήεσαν, καὶ τὴν χώραν περιεσκόπουν, ἀκριβῶς τε εἰργασμένην καὶ κατασκευὰς μεγάλας ἔχουσαν. εἶδον δὲ καὶ τὴν πόλιν ἐσελθόντες, ὅση τε τὴν δύναμιν ἦν, καὶ πλῆθος ὅσον ἠϋξήτο ἐκ τῆς οὐ πρὸ πολλοῦ κατὰ Σκιπίωνα διαφθορᾶς. ἐπανελθόντες τε ἐς Ῥώμην, ἔφραζον οὐ ζήλου μᾶλλον ἢ φόβου γέμειν αὐτοῖς τὰ Καρχηδονίων, πόλεως δυσμενοῦς τοσῆσδε καὶ γείτονος εὐχερῶς οὕτως αὐξανομένης. καὶ ὁ Κάτων μάλιστα ἔλεγεν οὐ ποτε Ῥωμαίοις βέβαιον οὐδὲ τὴν ἐλευθερίαν ἔσεσθαι πρὶν ἐξελεῖν Καρχηδόνα. ὧν ἡ βουλὴ πυνθανομένη ἔκρινε μὲν πολεμεῖν, ἔτι δ' ἔχρηξε προφάσεων, καὶ τὴν κρίσιν ἀπόρρητον εἶχον. Κάτωνα δ' ἐξ ἐκείνου φασὶν ἐν τῇ βουλῇ συνεχεῖ γνώμη λέγειν, Καρχηδόνα μὴ εἶναι, Σκιπίωνα δὲ τὸν Νασικᾶν τὰ ἐναντία ἀξιοῦν, Καρχηδόνα ἔαν, ἐς φόβον ἄρα καὶ τόνδε: Ῥωμαίων ἐκδιαιτωμένων ἥδη.

[69] At length they sent the envoys, and among others (B.C. 157) Cato. These went to the disputed territory and they asked that both parties should submit all their differences to them. Masinissa, who was grabbing more than his share and who had confidence in the Romans, consented. The Carthaginians hesitated, because their former experience had led them to fear that they should not receive justice. They said therefore that it was of no use to have a new dispute and a correction of the treaty made with Scipio, they only complained about transgressions of the treaty. As the envoys would not consent to arbitrate on the controversy in parts, they returned home. But they carefully observed the country; they saw how diligently it was cultivated, and what great estates it possessed. They entered the city and saw how greatly it had increased in wealth and population since its overthrow by Scipio not long before. When they returned to Rome they declared that Carthage was to them an object of apprehension rather than of jealousy, the city being so ill affected, so near them, and growing so rapidly. Cato especially said that even the liberty of Rome would never be secure until Carthage was destroyed. When the Senate learned these things it resolved upon war but waited for a pretext, and meanwhile concealed the intention. It is said that Cato, from that time, continually expressed the opinion in the Senate that Carthage must be destroyed. Scipio Nasica held the contrary opinion that Carthage ought to be spared so that the Roman discipline, which was already relaxing, might be preserved through fear of her. (Y.R. 602)

[70] Καρχηδονίων δ' οἱ δημοκρατίζοντες τοὺς τὰ Μασσανάσσου φρονοῦντας ἐξέβαλον, ἐς τεσσαράκοντα μάλιστα ὄντας, καὶ ψῆφον ἐπήνεγκαν φυγῆς, καὶ τὸν δῆμον ὥρκωσαν μήτε καταδέξεσθαι ποτε μήτε ἀνέξεσθαι τῶν λεγόντων καταδέχεσθαι. οἱ δ' ἐξελαθέντες ἐπὶ τὸν Μασσανάσσην κατέφυγον, καὶ ἐξώτρυνον ἐς πόλεμον. ὁ δὲ καὶ αὐτὸς οὕτως ἔχων ἔπεμπε τῶν παίδων ἐς Καρχηδόνα Γολόσσην τε καὶ Μικίαν, ἀξίων καταδέχεσθαι τοὺς δι' αὐτὸν ἐξεληλαμένους. τούτοις προσιούσι τὰς πύλας ὁ βοήθαρχος ἀπέκλεισε, δείσας μὴ τὸν δῆμον οἱ συγγενεῖς τῶν φευγόντων καταδακρύσειαν. Γολόσση δὲ καὶ ἐπανίοντι Ἀμίλχαρ ὁ Σαυνίτης ἐπέθετο, καὶ τινὰς μὲν ἔκτεινεν, αὐτὸν δὲ
